

Guest: Kristie Reeves

Center of Light Radio

1
00:00:14,900 --> 00:00:11,990

you

2
00:00:29,200 --> 00:00:14,910

[Music]

3
00:00:39,010 --> 00:00:29,210

[Applause]

4
00:00:45,610 --> 00:00:41,119

[Music]

5
00:01:04,479 --> 00:00:51,830

you

6
00:01:06,490 --> 00:01:04,489

[Music]

7
00:01:08,830 --> 00:01:06,500

welcome to the center of white radio

8
00:01:11,260 --> 00:01:08,840

with spiritual teacher intuitive

9
00:01:13,840 --> 00:01:11,270

musician composer and best-selling

10
00:01:16,060 --> 00:01:13,850

author of the Divine Principle anchoring

11
00:01:17,859 --> 00:01:16,070

heaven on earth your host Keith

12
00:01:19,570 --> 00:01:17,869

Anthony Blanchard coast-to-coast

13
00:01:21,609 --> 00:01:19,580

protocol all around the world on the

14

00:01:23,320 --> 00:01:21,619

internet thanks to the marvel of

15

00:01:24,430 --> 00:01:23,330

technology I'm coming at you live from a

16

00:01:26,620 --> 00:01:24,440

little guest house in Memphis Tennessee

17

00:01:28,149 --> 00:01:26,630

this is Keith Anthony Blanchard and you

18

00:01:31,050 --> 00:01:28,159

were listening to the center of light

19

00:01:34,469 --> 00:01:31,060

radio center of divine unfoldment and

20

00:01:38,080 --> 00:01:34,479

reinforcement radio for the soul and the

21

00:01:39,700 --> 00:01:38,090

transformation station I had a fantastic

22

00:01:42,160 --> 00:01:39,710

time this weekend at the Memphis

23

00:01:44,440 --> 00:01:42,170

metaphysical fair lots of really good

24

00:01:45,850 --> 00:01:44,450

things came out of that experience for

25

00:01:48,520 --> 00:01:45,860

me as soon as I walked in on Sunday

26

00:01:50,859 --> 00:01:48,530

morning there was a filming crew there

27

00:01:52,480 --> 00:01:50,869

and they looked at all the vending boots

28

00:01:55,990 --> 00:01:52,490

and I just don't happen to have the word

29

00:01:58,749 --> 00:01:56,000

transformation on my table tent so to

30

00:02:00,219 --> 00:01:58,759

speak and they invited me to be one of

31

00:02:02,850 --> 00:02:00,229

the major players in an upcoming

32

00:02:04,870 --> 00:02:02,860

documentary made out of California by

33

00:02:06,190 --> 00:02:04,880

some people who are rubbing elbows with

34

00:02:07,600 --> 00:02:06,200

lots of big people this is a major

35

00:02:10,270 --> 00:02:07,610

documentary and it's going to be titled

36

00:02:13,539 --> 00:02:10,280

under lead mind body and spirit spirits

37

00:02:16,030 --> 00:02:13,549

saying yes to you and so as soon as I

38

00:02:19,330 --> 00:02:16,040

got there in the morning that is up this

39

00:02:21,880 --> 00:02:19,340

amazing window just open up very very

40

00:02:23,650 --> 00:02:21,890

cool but I gleaned a lot of things at

41

00:02:26,590 --> 00:02:23,660

this fair I think center of Lights is

42

00:02:28,090 --> 00:02:26,600

now becoming very very present with a

43

00:02:30,670 --> 00:02:28,100

lot of people who came in from out of

44

00:02:32,080 --> 00:02:30,680

town everyone is starting to move to the

45

00:02:35,710 --> 00:02:32,090

rhythm of center of light radio and I'm

46

00:02:38,080 --> 00:02:35,720

really really digging for that I cannot

47

00:02:39,490 --> 00:02:38,090

pass let's go back to Kenneth's pass he

48

00:02:42,400 --> 00:02:39,500

was a recent guest on center of light

49

00:02:44,620 --> 00:02:42,410

radio he tells me during this interview

50

00:02:46,690 --> 00:02:44,630

that he was abducted on a camping trip

51
00:02:48,850 --> 00:02:46,700
hiking trip and picked up and brought

52
00:02:51,250 --> 00:02:48,860
back this Jelena thought to believe but

53
00:02:53,410 --> 00:02:51,260
I tend to believe the guy I did 10,000

54
00:02:57,130 --> 00:02:53,420
years and he was with these alien beings

55
00:03:00,099 --> 00:02:57,140
for two years ish and while he was with

56
00:03:01,900 --> 00:03:00,109
these others and they got him upset one

57
00:03:03,970 --> 00:03:01,910
day so he took a piece of their powerful

58
00:03:05,199 --> 00:03:03,980
technology and hid it in Arizona

59
00:03:07,780 --> 00:03:05,209
somewhere and if you from Maine with

60
00:03:10,180 --> 00:03:07,790
prophecy Rock the petroglyph that you

61
00:03:13,300 --> 00:03:10,190
see in prophecy Rock Kamath swears that

62
00:03:13,750 --> 00:03:13,310
that is him and others coming out of the

63
00:03:15,280 --> 00:03:13,760

craft

64

00:03:18,280 --> 00:03:15,290

so the gig is he

65

00:03:21,039 --> 00:03:18,290

wants to go back to Arizona after 10,000

66

00:03:22,330 --> 00:03:21,049

years to find his piece of technology

67

00:03:24,399 --> 00:03:22,340

and bring it back to the hope in the

68

00:03:26,470 --> 00:03:24,409

Pueblo because he says they will know

69

00:03:28,479 --> 00:03:26,480

what to do with his technology so we

70

00:03:30,429 --> 00:03:28,489

want to raise money for the Kenneth's we

71

00:03:33,399 --> 00:03:30,439

need about \$500 we're almost there a

72

00:03:34,839 --> 00:03:33,409

couple bucks if you got it begins Kym is

73

00:03:36,309 --> 00:03:34,849

a very simple guy he doesn't drive

74

00:03:38,740 --> 00:03:36,319

anywhere we want to put him on the bus

75

00:03:40,449 --> 00:03:38,750

take him back to Arizona to find this

76

00:03:42,429 --> 00:03:40,459

artifact so he can bring it to the Hopi

77

00:03:45,160 --> 00:03:42,439

and he's going to log his experience and

78

00:03:49,539 --> 00:03:45,170

make for a part two on center of light

79

00:03:50,860 --> 00:03:49,549

radio Wow so I'm looking forward to that

80

00:03:52,869 --> 00:03:50,870

so if you go to Center of light radio

81

00:03:54,220 --> 00:03:52,879

calm once the page settles and as a

82

00:03:56,830 --> 00:03:54,230

flying saucer that's going to with

83

00:03:59,170 --> 00:03:56,840

across the street of course when it

84

00:04:00,610 --> 00:03:59,180

settles you'll see a donate button click

85

00:04:03,069 --> 00:04:00,620

that thing and let's get Kenna to

86

00:04:07,179 --> 00:04:03,079

Arizona wherever it is that he needs to

87

00:04:09,069 --> 00:04:07,189

go swansea Viswa yogi let me find my

88

00:04:11,800 --> 00:04:09,079

picture I must have moved my picture

89

00:04:13,720 --> 00:04:11,810

anyway Swansea was disco yogi God

90

00:04:15,460 --> 00:04:13,730

realized man from India I had the

91

00:04:16,930 --> 00:04:15,470

blessed opportunity to interview him

92

00:04:17,499 --> 00:04:16,940

three times this is this is going to be

93

00:04:19,779 --> 00:04:17,509

my third

94

00:04:23,670 --> 00:04:19,789

and as always sailing in the presence of

95

00:04:25,600 --> 00:04:23,680

God illumine being like this Wow

96

00:04:27,939 --> 00:04:25,610

wah-wah-wah it's something to be felt

97

00:04:29,469 --> 00:04:27,949

not something to be spoken about that's

98

00:04:32,500 --> 00:04:29,479

for sure to stay tuned for that

99

00:04:33,820 --> 00:04:32,510

information I do lots of things lots of

100

00:04:36,279 --> 00:04:33,830

service you can go to Center of light

101
00:04:38,649 --> 00:04:36,289
radio I do speaking engagement spiritual

102
00:04:40,420 --> 00:04:38,659
readings light coaching as well as

103
00:04:42,760 --> 00:04:40,430
removing dark entities from your house

104
00:04:44,770 --> 00:04:42,770
and this is no joke well then they in

105
00:04:48,879 --> 00:04:44,780
your home and making you upset you have

106
00:04:51,250 --> 00:04:48,889
no peace I will not leave you until it's

107
00:04:53,860 --> 00:04:51,260
done until we remove those in your house

108
00:04:55,960 --> 00:04:53,870
becomes a home again I will not leave

109
00:04:58,029 --> 00:04:55,970
you I will stay there for the duration

110
00:04:59,710 --> 00:04:58,039
and I promise you I come up to bagging

111
00:05:03,070 --> 00:04:59,720
for tricks I come up some powerful

112
00:05:05,230 --> 00:05:03,080
spiritual Arsenal as well as speaking

113
00:05:06,760 --> 00:05:05,240

with you about self reflection as to why

114

00:05:09,580 --> 00:05:06,770

this has been brought into your

115

00:05:11,170 --> 00:05:09,590

experience and will make sure that they

116

00:05:12,879 --> 00:05:11,180

scram but you know they're squatters and

117

00:05:14,890 --> 00:05:12,889

they're not paying rent let's get them

118

00:05:19,029 --> 00:05:14,900

out let's get right down the center of

119

00:05:20,409 --> 00:05:19,039

light radio business if you want to call

120

00:05:22,330 --> 00:05:20,419

into the show eight eight eight nine one

121

00:05:24,580 --> 00:05:22,340

nine two three five five triple eight

122

00:05:26,589 --> 00:05:24,590

nine one nine two three five five is the

123

00:05:28,200 --> 00:05:26,599

number you dial to get on center of

124

00:05:29,530 --> 00:05:28,210

light Regan to speak to my awesome

125

00:05:32,890 --> 00:05:29,540

powerful do

126

00:05:34,630 --> 00:05:32,900

our work guess Christy reads today's

127

00:05:38,550 --> 00:05:34,640

show is going to be titled indigo and

128

00:05:40,900 --> 00:05:38,560

rainbow children and the new golden age

129

00:05:43,570 --> 00:05:40,910

Christy reads is an actress producer

130

00:05:45,640 --> 00:05:43,580

international speaker and author for the

131

00:05:48,250 --> 00:05:45,650

past six years she has been producing

132

00:05:50,080 --> 00:05:48,260

and interviewing or the series the red

133

00:05:51,820 --> 00:05:50,090

children of the rainbow a documentary

134

00:05:55,210 --> 00:05:51,830

series about the new generation of

135

00:05:58,570 --> 00:05:55,220

indigo crystal and rainbow children she

136

00:06:00,970 --> 00:05:58,580

is also the host of the radio / TV show

137

00:06:03,850 --> 00:06:00,980

rebel hearts with Christy Reed I've seen

138

00:06:07,300 --> 00:06:03,860

it it's very finely done it's very very

139

00:06:10,360 --> 00:06:07,310

funny done at UB in Universal

140

00:06:12,190 --> 00:06:10,370

Broadcasting Network I'm gonna let

141

00:06:14,530 --> 00:06:12,200

Christy tell us where we can I think

142

00:06:17,350 --> 00:06:14,540

it's Christy Reeves calm and that's Kri

143

00:06:21,670 --> 00:06:17,360

STI II Reeves W - excuse me

144

00:06:24,910 --> 00:06:21,680

REE ves calm welcome to Cinna light

145

00:06:26,530 --> 00:06:24,920

Radio miss Christy Reese thank you so

146

00:06:28,270 --> 00:06:26,540

much few things that I want to play

147

00:06:30,220 --> 00:06:28,280

which is actually so great a disaster

148

00:06:34,570 --> 00:06:30,230

with you well you deserve this exactly

149

00:06:36,610 --> 00:06:34,580

who you are in what you mean so what is

150

00:06:38,800 --> 00:06:36,620

going on with you give me an up actually

151
00:06:40,480 --> 00:06:38,810
let us let's step back a bit last time I

152
00:06:42,580 --> 00:06:40,490
had you in center of light really we did

153
00:06:44,170 --> 00:06:42,590
talk about the gifted children the

154
00:06:46,900 --> 00:06:44,180
children of light the rainbow children

155
00:06:49,570 --> 00:06:46,910
crystal children indigo children what

156
00:06:51,460 --> 00:06:49,580
has changed in your findings your

157
00:06:53,320 --> 00:06:51,470
discoveries you're working with children

158
00:06:55,800 --> 00:06:53,330
and you're talking about what is now

159
00:06:59,110 --> 00:06:55,810
going on with these children of life I

160
00:07:00,760 --> 00:06:59,120
think there is a big energetic shift

161
00:07:03,640 --> 00:07:00,770
that's been happening a lot of these

162
00:07:05,320 --> 00:07:03,650
kids are coming in and I saw that we're

163
00:07:08,050 --> 00:07:05,330

really ready to create this change or to

164

00:07:10,210 --> 00:07:08,060

express the change even on you know on

165

00:07:13,390 --> 00:07:10,220

an adult level because most of these

166

00:07:15,760 --> 00:07:13,400

kids are so very well so even the adult

167

00:07:17,680 --> 00:07:15,770

as soon as people are really looking for

168

00:07:21,010 --> 00:07:17,690

solutions that going okay I have this

169

00:07:23,190 --> 00:07:21,020

awakening process or I see what is going

170

00:07:26,890 --> 00:07:23,200

on in the world and I'm really really

171

00:07:28,960 --> 00:07:26,900

wanting to change something and to give

172

00:07:30,660 --> 00:07:28,970

you a little bit of you know talk a

173

00:07:33,250 --> 00:07:30,670

little bit about prophecy that's okay

174

00:07:36,720 --> 00:07:33,260

there is something called the prophecy

175

00:07:38,920 --> 00:07:36,730

of the four direction and it's an old

176

00:07:40,390 --> 00:07:38,930

prophecy and then hope it fits my

177

00:07:42,340 --> 00:07:40,400

prophecies and now bones they all know

178

00:07:42,850 --> 00:07:42,350

it's our prophecy so the prophecy has

179

00:07:45,100 --> 00:07:42,860

come

180

00:07:48,430 --> 00:07:45,110

from different cultures and pretty much

181

00:07:51,040 --> 00:07:48,440

what it is about is the story about how

182

00:07:53,650 --> 00:07:51,050

the creator created humanity humankind

183

00:07:55,270 --> 00:07:53,660

and then they came a time when humans

184

00:07:56,860 --> 00:07:55,280

were sent to the four continents of the

185

00:08:00,310 --> 00:07:56,870

world and the four directions of the

186

00:08:03,190 --> 00:08:00,320

world to experience engine learn to roll

187

00:08:06,130 --> 00:08:03,200

and the Great Creator gives everything

188

00:08:08,350 --> 00:08:06,140

of one of these four directions specific

189

00:08:18,010 --> 00:08:08,360

teachings to learn and there would come

190

00:08:23,560 --> 00:08:18,020

a time according to process of time when

191

00:08:25,300 --> 00:08:23,570

the deceased very analysis person and

192

00:08:26,560 --> 00:08:25,310

that's it for the immersive emerge

193

00:08:29,140 --> 00:08:26,570

without together from the four

194

00:08:31,690 --> 00:08:29,150

directions and reunite in order to bring

195

00:08:33,730 --> 00:08:31,700

and a new era of peace a new era of

196

00:08:36,120 --> 00:08:33,740

unity of farming and understanding and

197

00:08:38,800 --> 00:08:36,130

ability to change fishing aways and

198

00:08:44,680 --> 00:08:38,810

according to other processes of time is

199

00:08:46,390 --> 00:08:44,690

moral the time has come and you know it

200

00:08:47,290 --> 00:08:46,400

said Michelle the ones we've been

201
00:08:51,190 --> 00:08:47,300
waiting for

202
00:08:53,350 --> 00:08:51,200
I hate to ask you this early but for the

203
00:08:56,170 --> 00:08:53,360
last paragraph couple of paragraphs that

204
00:08:58,000 --> 00:08:56,180
you gave me of your presentation we have

205
00:09:00,180 --> 00:08:58,010
some digital pixelation so let me ask

206
00:09:03,400 --> 00:09:00,190
you again thank you for your patience

207
00:09:05,260 --> 00:09:03,410
what is going on that is now different

208
00:09:10,650 --> 00:09:05,270
in your discovery about the children of

209
00:09:13,240 --> 00:09:10,660
light I see as humanity is ready I feel

210
00:09:16,000 --> 00:09:13,250
that everything that is happening on

211
00:09:17,530 --> 00:09:16,010
this planet in this world right now we

212
00:09:19,780 --> 00:09:17,540
are really going to know during

213
00:09:21,820 --> 00:09:19,790

awakening process realizing that we

214

00:09:24,670 --> 00:09:21,830

cannot sit around and wait for others to

215

00:09:27,430 --> 00:09:24,680

do the job that we are the ones we've

216

00:09:30,700 --> 00:09:27,440

been waiting for we are the ones who

217

00:09:36,070 --> 00:09:30,710

need to step it up and we call it you

218

00:09:37,930 --> 00:09:36,080

know we are in a messianic age and the

219

00:09:40,810 --> 00:09:37,940

prophets the latest of the kabbalah

220

00:09:45,430 --> 00:09:40,820

talked about it several Native American

221

00:09:47,920 --> 00:09:45,440

prophecy talked about it or even even

222

00:09:50,410 --> 00:09:47,930

the Vedic Indian traditions talked about

223

00:09:53,230 --> 00:09:50,420

it that there would become a time that

224

00:09:55,950 --> 00:09:53,240

is called a messianic age and in the

225

00:09:59,040 --> 00:09:55,960

past its you know there was a messiah

226

00:10:01,620 --> 00:09:59,050

a teacher who showed up to create great

227

00:10:04,410 --> 00:10:01,630

change in such as Buddha or Yeshua or

228

00:10:07,650 --> 00:10:04,420

even King Arthur United England's rear

229

00:10:10,410 --> 00:10:07,660

lighting England but as in the past it's

230

00:10:13,380 --> 00:10:10,420

always been one person who created a

231

00:10:16,760 --> 00:10:13,390

change for others and the Messianic age

232

00:10:19,350 --> 00:10:16,770

that we knew then the difference is that

233

00:10:20,820 --> 00:10:19,360

it's not going to be one person is going

234

00:10:22,560 --> 00:10:20,830

to save everyone it's not going to be

235

00:10:26,550 --> 00:10:22,570

one person was going to create a change

236

00:10:29,490 --> 00:10:26,560

we are becoming our own Messiah and we

237

00:10:32,370 --> 00:10:29,500

are being asked to be the ones to create

238

00:10:34,260 --> 00:10:32,380

this change on the planet and I think

239

00:10:35,790 --> 00:10:34,270

that is the awakening that we have gone

240

00:10:38,520 --> 00:10:35,800

through even looking at the political

241

00:10:41,280 --> 00:10:38,530

climate looking what's going on in the

242

00:10:43,470 --> 00:10:41,290

world where people are not sitting

243

00:10:45,720 --> 00:10:43,480

around waiting for the politicians to

244

00:10:48,840 --> 00:10:45,730

step it up and create the changes but

245

00:10:51,450 --> 00:10:48,850

what the people are saying hey it's up

246

00:10:53,490 --> 00:10:51,460

to us to create some changes and I think

247

00:10:56,000 --> 00:10:53,500

that it's a big change that has happened

248

00:10:58,500 --> 00:10:56,010

with the last one I spoke with you I

249

00:11:00,750 --> 00:10:58,510

totally I totally get it

250

00:11:02,940 --> 00:11:00,760

and I think I think everyone in the

251
00:11:05,220 --> 00:11:02,950
world is looking for something they may

252
00:11:06,200 --> 00:11:05,230
not know what they're looking for but I

253
00:11:09,630 --> 00:11:06,210
can see it in their eyes

254
00:11:11,730 --> 00:11:09,640
that people are uprising be it in a

255
00:11:14,730 --> 00:11:11,740
peaceful protest and some are just flat

256
00:11:16,770 --> 00:11:14,740
out pissed off and they're both going

257
00:11:20,070 --> 00:11:16,780
toward the same good cause but I totally

258
00:11:21,930 --> 00:11:20,080
agree with that does you show rebel

259
00:11:23,880 --> 00:11:21,940
hearts is this about just is it a

260
00:11:26,340 --> 00:11:23,890
general platform as rebel hearts always

261
00:11:28,670 --> 00:11:26,350
about the presentation bringing forth

262
00:11:31,020 --> 00:11:28,680
knowledge of children of light in the

263
00:11:33,090 --> 00:11:31,030

let's call this an umbrella term the

264

00:11:34,410 --> 00:11:33,100

children of light is this what you

265

00:11:35,840 --> 00:11:34,420

show's about or is it about different

266

00:11:37,800 --> 00:11:35,850

things

267

00:11:39,270 --> 00:11:37,810

originally we was going to do the show

268

00:11:40,920 --> 00:11:39,280

about the in giggles in the rain work

269

00:11:42,870 --> 00:11:40,930

shoulder but then I said well the

270

00:11:45,660 --> 00:11:42,880

Indigo's are the rebels of the world

271

00:11:47,700 --> 00:11:45,670

other ones are creating change so what

272

00:11:51,120 --> 00:11:47,710

we're doing on the show we're talking

273

00:11:53,310 --> 00:11:51,130

about how we can implement change on

274

00:11:56,040 --> 00:11:53,320

this planet the showers to empower

275

00:11:58,200 --> 00:11:56,050

people to really become in all those

276

00:12:01,350 --> 00:11:58,210

change makers the paradigm shift is the

277

00:12:04,170 --> 00:12:01,360

rebels who are creating you know a

278

00:12:06,060 --> 00:12:04,180

better planet is that a wall so that so

279

00:12:08,570 --> 00:12:06,070

let me ask you that question how can we

280

00:12:11,450 --> 00:12:08,580

bring about further

281

00:12:12,830 --> 00:12:11,460

change of global unity and peace and all

282

00:12:14,120 --> 00:12:12,840

these wonderful qualities that we know

283

00:12:17,330 --> 00:12:14,130

the prophecy of heaven on earth to be

284

00:12:18,740 --> 00:12:17,340

about I think there's so many different

285

00:12:20,270 --> 00:12:18,750

ways to go but I mean you're doing it

286

00:12:21,710 --> 00:12:20,280

with your shower you're doing it mr.

287

00:12:24,140 --> 00:12:21,720

Reese are you doing it with the work

288

00:12:34,070 --> 00:12:24,150

you're doing and I feel every single

289

00:12:37,130 --> 00:12:34,080

person has the part in it and how they

290

00:12:38,810 --> 00:12:37,140

can contribute to that change and I feel

291

00:12:40,550 --> 00:12:38,820

the biggest thing or the biggest

292

00:12:41,510 --> 00:12:40,560

obstacle that we have been facing and

293

00:12:43,190 --> 00:12:41,520

it's something that the main were

294

00:12:45,320 --> 00:12:43,200

children when the Indigo's are teaching

295

00:12:47,510 --> 00:12:45,330

us the biggest obstacle that we are

296

00:12:50,060 --> 00:12:47,520

facing in several systems the

297

00:12:51,560 --> 00:12:50,070

authorities we had around us have been

298

00:12:53,750 --> 00:12:51,570

telling us hey this is what you should

299

00:12:56,780 --> 00:12:53,760

believe it this is how you should live

300

00:12:59,270 --> 00:12:56,790

your life or this is our expectation

301
00:13:01,850 --> 00:12:59,280
level that you need to me to rise up to

302
00:13:05,090 --> 00:13:01,860
we are not being taught to listen within

303
00:13:07,490 --> 00:13:05,100
and find out how can I contribute to the

304
00:13:11,120 --> 00:13:07,500
change what is my mission what is my

305
00:13:13,120 --> 00:13:11,130
passion what it's my contribution what

306
00:13:15,290 --> 00:13:13,130
are my special gifts my special

307
00:13:17,650 --> 00:13:15,300
knowledge that I'm even bringing in some

308
00:13:20,840 --> 00:13:17,660
other lifetimes what is it that is so

309
00:13:22,430 --> 00:13:20,850
innately within me that I can bring

310
00:13:24,740 --> 00:13:22,440
forth in the world to create a better

311
00:13:26,720 --> 00:13:24,750
planet and I think this is what the

312
00:13:28,880 --> 00:13:26,730
indigo sand crystals are going Hey look

313
00:13:30,800 --> 00:13:28,890

at us this is what we are doing because

314

00:13:32,480 --> 00:13:30,810

these kids become you know especially

315

00:13:35,390 --> 00:13:32,490

the immigrants we call them system

316

00:13:38,660 --> 00:13:35,400

Buster's that don't submit to Authority

317

00:13:40,880 --> 00:13:38,670

they stand up they speak the truth they

318

00:13:42,650 --> 00:13:40,890

speak to your life that now say okay

319

00:13:44,450 --> 00:13:42,660

just because you're my teacher you know

320

00:13:46,940 --> 00:13:44,460

that more than I do or you know better

321

00:13:49,760 --> 00:13:46,950

than I do if I know something and I feel

322

00:13:51,530 --> 00:13:49,770

within that this is true I will speak

323

00:13:54,080 --> 00:13:51,540

the truth and I will lift that you I

324

00:13:56,150 --> 00:13:54,090

feel like this is how the indigo and the

325

00:13:59,540 --> 00:13:56,160

rainbows are guiding us and leading the

326

00:14:01,460 --> 00:13:59,550

way for the rest of humanity to awaken

327

00:14:03,980 --> 00:14:01,470

to the divine purpose or divine mission

328

00:14:08,180 --> 00:14:03,990

and this great energy that every single

329

00:14:11,660 --> 00:14:08,190

person on this planet harbours do you

330

00:14:13,250 --> 00:14:11,670

think that these children they've been

331

00:14:16,490 --> 00:14:13,260

coming in for quite a few years now

332

00:14:20,300 --> 00:14:16,500

let's say the ones that are about 14 15

333

00:14:22,340 --> 00:14:20,310

16 years old that it's just possible

334

00:14:25,460 --> 00:14:22,350

they have piercing in every possible

335

00:14:28,250 --> 00:14:25,470

or five there's they're splitting their

336

00:14:30,170 --> 00:14:28,260

earlobes to the size of quarters tattoos

337

00:14:32,000 --> 00:14:30,180

they're sticking pins in their eyebrows

338

00:14:33,980 --> 00:14:32,010

through their nose do you think it's

339

00:14:36,650 --> 00:14:33,990

possible that there is one Warren

340

00:14:38,240 --> 00:14:36,660

because for self-expression this is what

341

00:14:40,520 --> 00:14:38,250

I feel this is who I am this is what I

342

00:14:42,380 --> 00:14:40,530

like but also maybe in the background

343

00:14:44,390 --> 00:14:42,390

not with a negative like they're trying

344

00:14:46,160 --> 00:14:44,400

to prove anything IRA Bell with this use

345

00:14:47,810 --> 00:14:46,170

the word rebelled that's part of that's

346

00:14:49,190 --> 00:14:47,820

the name of your shell rebels that

347

00:14:50,900 --> 00:14:49,200

they're doing is to say that you are not

348

00:14:52,370 --> 00:14:50,910

going to control me in fact it's going

349

00:14:54,950 --> 00:14:52,380

to be the other way around I'm going to

350

00:14:57,530 --> 00:14:54,960

be such a heavy influencer I'm going to

351
00:14:59,270 --> 00:14:57,540
take the leading you then follow I think

352
00:15:01,490 --> 00:14:59,280
absolutely I mean I look at myself I

353
00:15:04,070 --> 00:15:01,500
never had big piercings or tattoos or

354
00:15:07,400 --> 00:15:04,080
any of that kind but I remember as a

355
00:15:09,470 --> 00:15:07,410
little kid I am an indigo and I'm really

356
00:15:11,690 --> 00:15:09,480
strong headed and I did not like

357
00:15:14,720 --> 00:15:11,700
Authority I did not like to be put in a

358
00:15:17,960 --> 00:15:14,730
box I still don't like it and I did not

359
00:15:19,280 --> 00:15:17,970
like to follow the status quo so for me

360
00:15:21,170 --> 00:15:19,290
it was a little bit on a different level

361
00:15:23,900 --> 00:15:21,180
but I remember when I was a little girl

362
00:15:27,440 --> 00:15:23,910
my mom would always put up my clothing

363
00:15:29,180 --> 00:15:27,450

in the morning and if it was winter you

364

00:15:30,680 --> 00:15:29,190

know I wanted to wear summer clothes if

365

00:15:33,860 --> 00:15:30,690

it was summer I wanted to wear winter

366

00:15:36,260 --> 00:15:33,870

colors I would always do the opposite of

367

00:15:39,590 --> 00:15:36,270

what I was asked to do and it was not

368

00:15:41,690 --> 00:15:39,600

necessarily because I didn't agree or a

369

00:15:43,910 --> 00:15:41,700

thought it was flat-out wrong and it was

370

00:15:45,860 --> 00:15:43,920

mainly open if the status quo that this

371

00:15:47,210 --> 00:15:45,870

is what I should wear I don't want to

372

00:15:49,400 --> 00:15:47,220

follow the status quo I want to

373

00:15:52,190 --> 00:15:49,410

differentiate yourself from it so

374

00:15:54,200 --> 00:15:52,200

absolutely these kids that are trying to

375

00:15:57,380 --> 00:15:54,210

look absolutely different it might be

376

00:15:59,210 --> 00:15:57,390

just part of their shameless going hey I

377

00:16:01,340 --> 00:15:59,220

don't want to be like everyone else I'm

378

00:16:03,830 --> 00:16:01,350

going to I'm here to change whatever the

379

00:16:07,520 --> 00:16:03,840

system is not working anymore and here

380

00:16:11,900 --> 00:16:07,530

to change the systems I'm here to change

381

00:16:13,730 --> 00:16:11,910

what what the old paradigms are and look

382

00:16:18,170 --> 00:16:13,740

at me I'm so different from the old and

383

00:16:19,910 --> 00:16:18,180

the different from the crowd so what was

384

00:16:21,920 --> 00:16:19,920

the first wave of children to come in

385

00:16:24,290 --> 00:16:21,930

call what they called the indigo

386

00:16:26,420 --> 00:16:24,300

children right already Indigo's yeah I

387

00:16:29,630 --> 00:16:26,430

love them circuit go ahead run pretty

388

00:16:32,380 --> 00:16:29,640

tight and most of the indigo started

389

00:16:36,230 --> 00:16:32,390

coming in then in the 1960s and 1970s

390

00:16:39,139 --> 00:16:36,240

but I believe there are people who are

391

00:16:41,540 --> 00:16:39,149

much older who have like that indigo

392

00:16:44,210 --> 00:16:41,550

energy has been around I mean look at

393

00:16:46,069 --> 00:16:44,220

Henry David Thoreau who was so

394

00:16:48,079 --> 00:16:46,079

rebellious who went to jail because it

395

00:16:50,929 --> 00:16:48,089

didn't agree to watch the government

396

00:16:53,869 --> 00:16:50,939

send the tax money on or we look at

397

00:16:56,119 --> 00:16:53,879

Albert Einstein who was sounding phone

398

00:16:58,579 --> 00:16:56,129

even me being in the labeled with a de

399

00:17:01,129 --> 00:16:58,589

ATH DM all kind of behavioral and

400

00:17:03,829 --> 00:17:01,139

learning disorders so we have some early

401
00:17:06,110 --> 00:17:03,839
Indigo's and then the big wave that is

402
00:17:10,130 --> 00:17:06,120
coming in in the 60s and especially in

403
00:17:11,720 --> 00:17:10,140
the 70s and 80s who is the second wave

404
00:17:13,579 --> 00:17:11,730
of children was at the rainbow and then

405
00:17:15,019 --> 00:17:13,589
the crystal was that the order the other

406
00:17:18,559 --> 00:17:15,029
way around first to Christa Lemelin

407
00:17:22,299 --> 00:17:18,569
world John is there a fourth wave coming

408
00:17:24,260 --> 00:17:22,309
in yes that is hmm

409
00:17:26,079 --> 00:17:24,270
let me believe that is a cliffhanger

410
00:17:29,029 --> 00:17:26,089
perfect

411
00:17:32,330 --> 00:17:29,039
I'm wringing my hands over here and so

412
00:17:38,450 --> 00:17:32,340
we have the indigo crystal and of

413
00:17:40,639 --> 00:17:38,460

rainbow does indigo crystal and rainbow

414

00:17:42,590 --> 00:17:40,649

children still come in or now because

415

00:17:46,850 --> 00:17:42,600

it's the third wave that we're on the

416

00:17:48,830 --> 00:17:46,860

out trow of the rainbow and yet the

417

00:17:52,549 --> 00:17:48,840

intro to this new wave of children

418

00:17:56,960 --> 00:17:52,559

called go it's called the diamond

419

00:18:00,169 --> 00:17:56,970

showman mm I love that

420

00:18:02,480 --> 00:18:00,179

and so what tell you I'm excited what is

421

00:18:05,930 --> 00:18:02,490

what is the gig with these this new wave

422

00:18:08,060 --> 00:18:05,940

of kids coming in ice 11 from what I

423

00:18:10,580 --> 00:18:08,070

know what I've said and what I read

424

00:18:12,680 --> 00:18:10,590

about and what I learn about a lot of

425

00:18:16,760 --> 00:18:12,690

these children have never been

426

00:18:19,580 --> 00:18:16,770

incarnated on this planet so they're

427

00:18:23,659 --> 00:18:19,590

don't carry our third dimensional

428

00:18:26,389 --> 00:18:23,669

paradigm and imprint and they don't

429

00:18:29,529 --> 00:18:26,399

carry the pain that we've experienced it

430

00:18:32,990 --> 00:18:29,539

for the past I don't know 13,000 years

431

00:18:35,930 --> 00:18:33,000

occupation mentions the separation

432

00:18:38,570 --> 00:18:35,940

consciousness that the wars the

433

00:18:40,760 --> 00:18:38,580

destruction the betrayal that seems that

434

00:18:43,340 --> 00:18:40,770

the other out of integrity these kids

435

00:18:45,320 --> 00:18:43,350

don't have these infants so not coming

436

00:18:49,890 --> 00:18:45,330

in to work out anything then coming here

437

00:18:54,480 --> 00:18:52,500

got to love it so they like you said

438

00:18:56,880 --> 00:18:54,490

they're not carrying all this old world

439

00:18:58,410 --> 00:18:56,890

parent residual energy you know even

440

00:18:59,700 --> 00:18:58,420

though the rainbow crystal indigo

441

00:19:01,260 --> 00:18:59,710

children might be coming in and they may

442

00:19:05,070 --> 00:19:01,270

be illumined and they are element they

443

00:19:06,900 --> 00:19:05,080

may have some things to work out but

444

00:19:12,570 --> 00:19:06,910

this new wave of kids they're coming in

445

00:19:14,700 --> 00:19:12,580

divinely lit yes and I believe they have

446

00:19:16,500 --> 00:19:14,710

extra strands of DNA we've heard about

447

00:19:18,780 --> 00:19:16,510

the 12 strand DNA and some of these

448

00:19:21,300 --> 00:19:18,790

rainbow kids coming up coming in with a

449

00:19:24,240 --> 00:19:21,310

12 strands already fully activated in

450

00:19:26,700 --> 00:19:24,250

order to activate us how to pack dormant

451
00:19:28,530 --> 00:19:26,710
DNA but I believe a diamond children

452
00:19:31,040 --> 00:19:28,540
actually have even extra strand even

453
00:19:33,420 --> 00:19:31,050
more chance of natural stream DNA and

454
00:19:35,340 --> 00:19:33,430
that time you're going out if you think

455
00:19:37,110 --> 00:19:35,350
about you know ancient Atlantis our

456
00:19:39,960 --> 00:19:37,120
pineal gland was the size of a ping-pong

457
00:19:41,850 --> 00:19:39,970
ball and it was card directly connected

458
00:19:43,920 --> 00:19:41,860
to our chronic types there is this had

459
00:19:46,170 --> 00:19:43,930
prana all the time there were specific

460
00:19:48,930 --> 00:19:46,180
breathing techniques that the Atlantians

461
00:19:50,940 --> 00:19:48,940
knew to keep that pineal gland widely

462
00:19:52,590 --> 00:19:50,950
open and instead of shrinking shrinking

463
00:19:54,240 --> 00:19:52,600

shrinking during the time the third

464

00:19:56,730 --> 00:19:54,250

dimension and now I primary that is the

465

00:19:58,980 --> 00:19:56,740

size of a tea but I believe these

466

00:20:01,080 --> 00:19:58,990

ironmen children's pineal gland is much

467

00:20:02,820 --> 00:20:01,090

much bigger than our regular human

468

00:20:06,500 --> 00:20:02,830

pandas and the way these expenses for

469

00:20:19,050 --> 00:20:11,190

have you met one yet has a diamond child

470

00:20:21,600 --> 00:20:19,060

yet yes I have and Nova and I'm seeing a

471

00:20:24,060 --> 00:20:21,610

lot of these Simon children's incarnated

472

00:20:26,130 --> 00:20:24,070

into parents who have done the works

473

00:20:29,040 --> 00:20:26,140

that you say who have a special

474

00:20:30,720 --> 00:20:29,050

connection who know how to connect to

475

00:20:34,470 --> 00:20:30,730

the child on the negative energetic

476
00:20:36,690 --> 00:20:34,480
level or at least have people around who

477
00:20:40,410 --> 00:20:36,700
are able to telepathically communicate

478
00:20:44,250 --> 00:20:40,420
for them and a dear friend of mine whose

479
00:20:46,020 --> 00:20:44,260
friend just had a diamond child she she

480
00:20:48,270 --> 00:20:46,030
can telepathic and communicate with

481
00:20:50,790 --> 00:20:48,280
these children and she said these kids

482
00:20:52,980 --> 00:20:50,800
come in and even in the room say they're

483
00:20:55,920 --> 00:20:52,990
even right after birth they thought

484
00:20:59,250 --> 00:20:55,930
their work they've got a job they start

485
00:21:01,230 --> 00:20:59,260
educating the adult telepathic please

486
00:21:03,389 --> 00:21:01,240
they are bringing in wisdom

487
00:21:06,060 --> 00:21:03,399
they're bringing in knowledge to help us

488
00:21:08,820 --> 00:21:06,070

ship into that new golden age that we're

489

00:21:10,799 --> 00:21:08,830

building into and it's so important of

490

00:21:12,870 --> 00:21:10,809

these Diamond children even more so than

491

00:21:14,940 --> 00:21:12,880

the indigo survey / that these financial

492

00:21:17,340 --> 00:21:14,950

that are surrounded by a spiritual

493

00:21:19,980 --> 00:21:17,350

community that can support them in the

494

00:21:21,779 --> 00:21:19,990

process and that also maybe teach them a

495

00:21:24,210 --> 00:21:21,789

little bit about how to cope with the

496

00:21:26,130 --> 00:21:24,220

current reality the way it is because

497

00:21:28,440 --> 00:21:26,140

these kids coming for the first time

498

00:21:31,740 --> 00:21:28,450

ever and even though they're consciously

499

00:21:35,340 --> 00:21:31,750

chosen to be here they come in this

500

00:21:37,470 --> 00:21:35,350

still deaf vibration on planet earth so

501
00:21:39,690 --> 00:21:37,480
then we have a very good support system

502
00:21:41,760 --> 00:21:39,700
around that can teach them how to deal

503
00:21:44,549 --> 00:21:41,770
with our 3d world as it's shifting

504
00:21:47,159 --> 00:21:44,559
slowly into the five weeks and also how

505
00:21:49,799 --> 00:21:47,169
to protect themselves energetically how

506
00:21:52,799 --> 00:21:49,809
to ground into this what into the energy

507
00:21:59,940 --> 00:21:52,809
off of the planet without feeling status

508
00:22:03,269 --> 00:21:59,950
as picking up the heaviness so how old

509
00:22:06,049 --> 00:22:03,279
or how young would you say no let's go

510
00:22:09,600 --> 00:22:06,059
at how old how old would you say the

511
00:22:12,720 --> 00:22:09,610
newest diamond child would be how fresh

512
00:22:14,909 --> 00:22:12,730
and new is this wave I feel it's only

513
00:22:17,100 --> 00:22:14,919

things happening to the past four maybe

514

00:22:22,409 --> 00:22:17,110

five years so it's pretty much pretty

515

00:22:23,940 --> 00:22:22,419

much at the beginning stages of that I'm

516

00:22:25,560 --> 00:22:23,950

just sitting here taking this all in

517

00:22:27,840 --> 00:22:25,570

because it's beautiful it's constantly

518

00:22:29,820 --> 00:22:27,850

like just when we think the beauty and

519

00:22:31,710 --> 00:22:29,830

the magic in the sweetness of slow its

520

00:22:34,110 --> 00:22:31,720

intended obviously that we get

521

00:22:35,460 --> 00:22:34,120

complacent in our world sometimes and it

522

00:22:39,149 --> 00:22:35,470

just keeps coming

523

00:22:41,250 --> 00:22:39,159

coming that the beauty and the majesty

524

00:22:43,200 --> 00:22:41,260

and the glory and of God and all that is

525

00:22:46,139 --> 00:22:43,210

good just keeps showing up in the form

526
00:22:48,149 --> 00:22:46,149
of children with power you know you must

527
00:22:50,340 --> 00:22:48,159
be childlike to enter so they're here to

528
00:22:53,460 --> 00:22:50,350
literally to point the way and break the

529
00:22:57,210 --> 00:22:53,470
world the collective ego of the adult

530
00:22:59,070 --> 00:22:57,220
world yes absolutely and what is really

531
00:23:01,380 --> 00:22:59,080
interesting with us unmerited people

532
00:23:02,880 --> 00:23:01,390
just birthed a diamond child and I just

533
00:23:05,970 --> 00:23:02,890
at that conversation with a friend of

534
00:23:07,889 --> 00:23:05,980
mine once a get pregnant at and will

535
00:23:10,260 --> 00:23:07,899
have been seeing if these kids have such

536
00:23:12,029 --> 00:23:10,270
a high vibration that the mother

537
00:23:14,250 --> 00:23:12,039
sometimes even has centers in the

538
00:23:15,240 --> 00:23:14,260

pregnancy because the vibration is so

539

00:23:17,610 --> 00:23:15,250

different

540

00:23:19,920 --> 00:23:17,620

often they have to harmonize one another

541

00:23:21,990 --> 00:23:19,930

during the nine months of the pregnancy

542

00:23:25,440 --> 00:23:22,000

otherwise I've seen mothers having

543

00:23:27,900 --> 00:23:25,450

really morning sickness for landlines

544

00:23:31,170 --> 00:23:27,910

change because the vibration of a child

545

00:23:33,510 --> 00:23:31,180

is so high and but also the beauty is

546

00:23:38,010 --> 00:23:33,520

once the mother and the child harmonized

547

00:23:39,930 --> 00:23:38,020

through state-space stages the kid like

548

00:23:46,400 --> 00:23:39,940

I said they offered for teaching the

549

00:23:49,590 --> 00:23:46,410

mother during the family looks and

550

00:23:55,320 --> 00:23:49,600

they're bringing these powers of love of

551
00:23:57,420 --> 00:23:55,330
unity of the vine joy of list of codes

552
00:23:59,100 --> 00:23:57,430
of knowledge and I feel electric

553
00:24:01,320 --> 00:23:59,110
imprinting their parents even during the

554
00:24:03,270 --> 00:24:01,330
pregnancy stages so it's really creating

555
00:24:07,110 --> 00:24:03,280
an awakening even for the parent of care

556
00:24:09,960 --> 00:24:07,120
as a child who any language one from the

557
00:24:13,440 --> 00:24:09,970
chat room didi asked a question it's a

558
00:24:15,060 --> 00:24:13,450
little out there in there ever he asked

559
00:24:18,390 --> 00:24:15,070
the question it sounds like Christy

560
00:24:21,390 --> 00:24:18,400
implies manipulation on a grand scale

561
00:24:27,480 --> 00:24:21,400
for the human species does Christy think

562
00:24:31,890 --> 00:24:27,490
the guiding hand is alien or a God all

563
00:24:34,800 --> 00:24:31,900

God God is within us I think he was

564

00:24:36,540 --> 00:24:34,810

asking - I love the answer obviously I

565

00:24:40,500 --> 00:24:36,550

think he was asking the question do you

566

00:24:42,390 --> 00:24:40,510

think it was something other okay I

567

00:24:43,830 --> 00:24:42,400

think I have to answer this question

568

00:24:47,190 --> 00:24:43,840

won't buy it by sharing a little

569

00:24:52,440 --> 00:24:47,200

something else first are you we are all

570

00:24:54,480 --> 00:24:52,450

sorry we are all star children we you

571

00:24:56,520 --> 00:24:54,490

know even when Atlantis was created the

572

00:24:58,500 --> 00:24:56,530

Atlantis came from different cancer came

573

00:25:00,270 --> 00:24:58,510

from a line that came from series that

574

00:25:03,120 --> 00:25:00,280

came from Andromeda that came from

575

00:25:05,550 --> 00:25:03,130

castor power we are all every single

576

00:25:07,980 --> 00:25:05,560

being in the universe assist a child

577

00:25:10,380 --> 00:25:07,990

we just have forgot that there are star

578

00:25:12,420 --> 00:25:10,390

children so we consider anything that is

579

00:25:17,880 --> 00:25:12,430

coming from a different planet even if

580

00:25:20,790 --> 00:25:17,890

such and as alien as foreign and it

581

00:25:23,400 --> 00:25:20,800

creates such a fear consciousness at a

582

00:25:25,590 --> 00:25:23,410

lower version the deprivation unit

583

00:25:27,630 --> 00:25:25,600

unlocking of a new golden era is about

584

00:25:28,470 --> 00:25:27,640

the unity consciousness I'm not saying

585

00:25:31,680 --> 00:25:28,480

these are

586

00:25:34,859 --> 00:25:31,690

or there are aliens maybe invading our

587

00:25:37,440 --> 00:25:34,869

planet or even the whole conspiracy and

588

00:25:40,739 --> 00:25:37,450

fear the infinite about alien landings

589

00:25:44,099 --> 00:25:40,749

and us on some special for all one we're

590

00:25:46,049 --> 00:25:44,109

all star beings so you know and there

591

00:25:49,680 --> 00:25:46,059

are some kind of you know how they're

592

00:25:52,169 --> 00:25:49,690

start beings or extraterrestrials have a

593

00:25:54,749 --> 00:25:52,179

malevolent agenda agenda and a

594

00:25:56,519 --> 00:25:54,759

benevolent agenda or like for coming

595

00:25:59,729 --> 00:25:56,529

into Creepy's and love and going to be

596

00:26:02,340 --> 00:25:59,739

same on this planet you know i've star

597

00:26:04,440 --> 00:26:02,350

being so star beings will have really

598

00:26:06,450 --> 00:26:04,450

bad agenda and other since really want

599

00:26:11,129 --> 00:26:06,460

to just bring me peace harmony and joy i

600

00:26:13,139 --> 00:26:11,139

love like you for example and so if you

601
00:26:15,450 --> 00:26:13,149
know that you live in a dualistic you

602
00:26:18,119 --> 00:26:15,460
gotta be so the good and the bad the

603
00:26:21,570 --> 00:26:18,129
tosses in the negative is all around us

604
00:26:24,180 --> 00:26:21,580
no matter if it's on this planet or in

605
00:26:27,090 --> 00:26:24,190
this universe on this dimension so i

606
00:26:29,489 --> 00:26:27,100
hope that answers the question yeah i'm

607
00:26:31,440 --> 00:26:29,499
reading is the comment to me thanks kab

608
00:26:34,320 --> 00:26:31,450
interesting I think the question may be

609
00:26:36,090 --> 00:26:34,330
if we are native to this planet

610
00:26:38,220 --> 00:26:36,100
yeah but I'm series applauding that

611
00:26:39,479 --> 00:26:38,230
answer Qureshi oh good love it suggested

612
00:26:40,409 --> 00:26:39,489
we are sold to be surely at the bottom

613
00:26:42,090 --> 00:26:40,419

of the aisle once you give up your

614

00:26:43,649 --> 00:26:42,100

contact information anything you want to

615

00:26:45,330 --> 00:26:43,659

share with our listening audience so

616

00:26:46,859 --> 00:26:45,340

they can find out more about you and the

617

00:26:47,399 --> 00:26:46,869

beautiful powerful work you're doing

618

00:26:50,729 --> 00:26:47,409

there

619

00:26:54,629 --> 00:26:50,739

thank you so much my website is Kristy

620

00:26:59,310 --> 00:26:54,639

Reese comm a few the best one Kri STI e

621

00:27:01,590 --> 00:26:59,320

re easy at home and it has a nice to all

622

00:27:03,320 --> 00:27:01,600

kinds of things that I'm doing it's

623

00:27:05,970 --> 00:27:03,330

currently upgrading

624

00:27:08,879 --> 00:27:05,980

being upgraded in a couple weeks a new

625

00:27:10,919 --> 00:27:08,889

side will be off and then we have the

626
00:27:12,659 --> 00:27:10,929
children of the rainbow org which has

627
00:27:16,889 --> 00:27:12,669
the links to all shows I've been

628
00:27:19,979 --> 00:27:16,899
producing all the past years and rebel

629
00:27:24,119 --> 00:27:19,989
hearts is a museum radio calm and on

630
00:27:27,180 --> 00:27:24,129
iTunes and I on radio well that's

631
00:27:28,919 --> 00:27:27,190
awesome we just uh we its inception area

632
00:27:31,169 --> 00:27:28,929
network I think about three weeks a

633
00:27:34,080 --> 00:27:31,179
month ago just joined i heart radio as

634
00:27:37,049 --> 00:27:34,090
well so it seems like things are picking

635
00:27:39,870 --> 00:27:37,059
up all across the board in the spiritual

636
00:27:42,480 --> 00:27:39,880
arena yeah

637
00:27:45,299 --> 00:27:42,490
that's made elephant we're getting our

638
00:27:47,850 --> 00:27:45,309

voices palette and like I said something

639

00:27:51,000 --> 00:27:47,860

something is shifting long expand and

640

00:27:53,130 --> 00:27:51,010

right now even over the last year or it

641

00:27:56,220 --> 00:27:53,140

feels like ok the master says the mass

642

00:27:58,230 --> 00:27:56,230

consciousness awakens that is happening

643

00:28:02,130 --> 00:27:58,240

or the losses that becoming receptor for

644

00:28:03,659 --> 00:28:02,140

the changes in my work Christy the

645

00:28:06,600 --> 00:28:03,669

Divine Principle when I was in eight

646

00:28:08,100 --> 00:28:06,610

years of dialogue with my Higher Self

647

00:28:10,130 --> 00:28:08,110

spirit God what doesn't matter which

648

00:28:14,180 --> 00:28:10,140

call it when I was in a dialogue with

649

00:28:16,560 --> 00:28:14,190

divinity one thing that came through is

650

00:28:18,390 --> 00:28:16,570

something to the effect of don't kid

651
00:28:21,149 --> 00:28:18,400
yourself for a moment Keith many of

652
00:28:24,180 --> 00:28:21,159
these children are in waiting and I said

653
00:28:27,240 --> 00:28:24,190
basically waiting for what the right

654
00:28:30,840 --> 00:28:27,250
time and it was never really conclusive

655
00:28:34,860 --> 00:28:30,850
of what that waiting was but to be

656
00:28:37,950 --> 00:28:34,870
alludes to the idea that there can come

657
00:28:39,930 --> 00:28:37,960
a moment when these children go into a

658
00:28:42,690 --> 00:28:39,940
mode collectively all around the world

659
00:28:45,330 --> 00:28:42,700
simultaneously and bring about something

660
00:28:49,289 --> 00:28:45,340
of magnanimous proportions how do you

661
00:28:53,370 --> 00:28:49,299
feel about that idea I did a little

662
00:28:55,860 --> 00:28:53,380
public and all and that a lot of them a

663
00:28:58,260 --> 00:28:55,870

lot of them are just divine children

664

00:28:59,940 --> 00:28:58,270

rainbow indigo crystal and or diamond

665

00:29:05,279 --> 00:28:59,950

children but they really don't have

666

00:29:08,279 --> 00:29:05,289

quote an active part except to be part

667

00:29:10,380 --> 00:29:08,289

of this children of light flock so the

668

00:29:12,480 --> 00:29:10,390

ones who are going to play the active

669

00:29:13,669 --> 00:29:12,490

role let's use this as a metaphor wave

670

00:29:16,230 --> 00:29:13,679

their hands and make something

671

00:29:17,789 --> 00:29:16,240

magnificent happen and the reason

672

00:29:21,830 --> 00:29:17,799

they're coming here by the many many and

673

00:29:25,260 --> 00:29:21,840

even though few maybe those kinds of

674

00:29:29,669 --> 00:29:25,270

active participants the others purpose

675

00:29:31,710 --> 00:29:29,679

or to help the active ones be lost in

676

00:29:34,529 --> 00:29:31,720

the flock so they're not so easily

677

00:29:36,950 --> 00:29:34,539

visible their words it's hard to find a

678

00:29:39,299 --> 00:29:36,960

handful of people in a crowd of millions

679

00:29:40,919 --> 00:29:39,309

yeah so I think this is kind of does

680

00:29:44,580 --> 00:29:40,929

this resonate with your energy and your

681

00:29:47,610 --> 00:29:44,590

findings as well yes absolutely

682

00:29:49,649 --> 00:29:47,620

absolutely and I end up seeing these

683

00:29:51,510 --> 00:29:49,659

kids work on such different levels like

684

00:29:53,250 --> 00:29:51,520

some what some of these kids are really

685

00:29:55,260 --> 00:29:53,260

doing what i call the underground work

686

00:29:57,419 --> 00:29:55,270

and they're still doing the work and

687

00:29:59,370 --> 00:29:57,429

others are literally in the public eye

688

00:30:00,780 --> 00:29:59,380

where everyone knows about their

689

00:30:03,480 --> 00:30:00,790

difference I think they're working on

690

00:30:06,150 --> 00:30:03,490

all kinds of different levels and also

691

00:30:09,480 --> 00:30:06,160

depending you know again on their sofa

692

00:30:12,690 --> 00:30:09,490

and I saw machinist or service I think

693

00:30:14,610 --> 00:30:12,700

that your problem no that's is really

694

00:30:17,360 --> 00:30:14,620

sure that you definitely a front-runner

695

00:30:20,909 --> 00:30:17,370

of the movement of children that come in

696

00:30:22,620 --> 00:30:20,919

we can say many of us embody these

697

00:30:25,950 --> 00:30:22,630

qualities because of the work that we're

698

00:30:28,320 --> 00:30:25,960

doing but looking at you and the fact

699

00:30:30,600 --> 00:30:28,330

that you are your life's work your

700

00:30:32,880 --> 00:30:30,610

passion is about the children of light

701
00:30:35,310 --> 00:30:32,890
that has to tell me that you are a

702
00:30:38,039 --> 00:30:35,320
front-runner who are helping the kids

703
00:30:41,700 --> 00:30:38,049
arrive safely and feel welcome

704
00:30:43,890 --> 00:30:41,710
and spreading the message is this

705
00:30:45,900 --> 00:30:43,900
probably more common place that people

706
00:30:47,669 --> 00:30:45,910
of our age doing what we do or actually

707
00:30:52,080 --> 00:30:47,679
love that way what you think is just

708
00:30:55,020 --> 00:30:52,090
flowing through between I think I think

709
00:30:56,580 --> 00:30:55,030
mode and thank you for that I mean back

710
00:30:59,669 --> 00:30:56,590
to his lesson during the documentary

711
00:31:01,940 --> 00:30:59,679
sees for the past six years when I when

712
00:31:04,320 --> 00:31:01,950
I got it offered it was just such a gift

713
00:31:07,740 --> 00:31:04,330

because I've seen it around where these

714

00:31:10,740 --> 00:31:07,750

kids are coming in fully activated fully

715

00:31:13,850 --> 00:31:10,750

present but like I said they don't fit

716

00:31:16,530 --> 00:31:13,860

the status quo so there is so much I

717

00:31:19,470 --> 00:31:16,540

don't know like there somehow

718

00:31:21,870 --> 00:31:19,480

the feeling of feeling lost not knowing

719

00:31:23,520 --> 00:31:21,880

who they are or so many of these

720

00:31:25,320 --> 00:31:23,530

children because they don't fit in the

721

00:31:27,570 --> 00:31:25,330

state of the status quo are being

722

00:31:29,940 --> 00:31:27,580

diagnosed or labeled I should say with a

723

00:31:33,120 --> 00:31:29,950

psychiatric disorder and placed on that

724

00:31:35,280 --> 00:31:33,130

second topic drug and love having the

725

00:31:37,320 --> 00:31:35,290

gifts fully supported so it's been my

726

00:31:39,720 --> 00:31:37,330

passion to educate the world about the

727

00:31:42,360 --> 00:31:39,730

ending on the way for children and the

728

00:31:44,970 --> 00:31:42,370

gifts these kids have for the world in

729

00:31:47,610 --> 00:31:44,980

order to really be here fulfill their

730

00:31:49,799 --> 00:31:47,620

mission and then I feel like there are

731

00:31:52,740 --> 00:31:49,809

in the girls that are maybe around my

732

00:31:55,860 --> 00:31:52,750

age who are doing certain things in the

733

00:31:58,650 --> 00:31:55,870

world not for the children but that it's

734

00:32:01,020 --> 00:31:58,660

creating elective technology or healing

735

00:32:03,950 --> 00:32:01,030

or whatever it is to the other planet

736

00:32:06,640 --> 00:32:03,960

and and what I always say about the

737

00:32:09,570 --> 00:32:06,650

individuals were born with a sphere or

738

00:32:12,550 --> 00:32:09,580

our hand we're here to go like this

739

00:32:14,290 --> 00:32:12,560

let's tear down the old systems and then

740

00:32:16,630 --> 00:32:14,300

these are able to using a diamond shovel

741

00:32:19,450 --> 00:32:16,640

Omar coming in and their past has been

742

00:32:22,720 --> 00:32:19,460

waived by the Indigo's so that's the

743

00:32:25,090 --> 00:32:22,730

reason why these kids can do things we

744

00:32:37,750 --> 00:32:25,100

didn't do at their age I see these kids

745

00:32:39,940 --> 00:32:37,760

work can't understand the master that he

746

00:32:42,250 --> 00:32:39,950

goes it's better if it's physically or

747

00:32:45,370 --> 00:32:42,260

during our jealousy when your 3ds

748

00:32:47,830 --> 00:32:45,380

capability technology please repeat your

749

00:32:49,660 --> 00:32:47,840

last portion of what you said we had

750

00:32:51,640 --> 00:32:49,670

some digital pixelation and I think what

751
00:32:53,200 --> 00:32:51,650
you said is very very important integral

752
00:32:55,360 --> 00:32:53,210
to the message you're trying to bring

753
00:32:57,970 --> 00:32:55,370
forth thank you sir

754
00:33:00,430 --> 00:32:57,980
so these these children because us in

755
00:33:01,900 --> 00:33:00,440
the you have paste of the ways for the

756
00:33:03,910 --> 00:33:01,910
right for the green when the diamond

757
00:33:06,910 --> 00:33:03,920
shelters do not come in no matter it's

758
00:33:08,350 --> 00:33:06,920
on an energetic level or on a physical

759
00:33:11,020 --> 00:33:08,360
level where we have created different

760
00:33:11,920 --> 00:33:11,030
systems for these kids to experiment or

761
00:33:15,070 --> 00:33:11,930
weapon

762
00:33:19,840 --> 00:33:15,080
so these laborer diamond children's are

763
00:33:21,670 --> 00:33:19,850

coming in they they can really step into

764

00:33:24,760 --> 00:33:21,680

their gift and stuck them to their path

765

00:33:28,660 --> 00:33:24,770

and we see it in these kids run 9 10 11

766

00:33:31,450 --> 00:33:28,670

12 13 14 15 years old who are doing

767

00:33:34,540 --> 00:33:31,460

incredible work in this world who are

768

00:33:37,360 --> 00:33:34,550

creating technology to clean up the

769

00:33:38,980 --> 00:33:37,370

ocean or there's a girl where wishes are

770

00:33:42,730 --> 00:33:38,990

just retiring with her father earlier

771

00:33:46,420 --> 00:33:42,740

this year who created a message to turn

772

00:33:49,930 --> 00:33:46,430

banana peel into fossil fuels I just

773

00:33:53,230 --> 00:33:49,940

have a 19 year old gentleman on my shelf

774

00:33:55,870 --> 00:33:53,240

who started an organization that painted

775

00:33:57,850 --> 00:33:55,880

14th billion cheese over the last ten

776

00:34:00,820 --> 00:33:57,860

years he was nine when he started that

777

00:34:03,720 --> 00:34:00,830

organization and there's a hundred

778

00:34:07,060 --> 00:34:03,730

thousand children in that organization

779

00:34:09,460 --> 00:34:07,070

so we see these these rainbow children

780

00:34:11,050 --> 00:34:09,470

who are fully having it fully activated

781

00:34:12,760 --> 00:34:11,060

and they don't have to tear down the

782

00:34:15,370 --> 00:34:12,770

system that don't have to fight like a

783

00:34:18,040 --> 00:34:15,380

amigos it they can just come in with

784

00:34:19,220 --> 00:34:18,050

their gifts and do their job of creating

785

00:34:22,399 --> 00:34:19,230

things in my office

786

00:34:27,710 --> 00:34:22,409

environmental level or on on our ceiling

787

00:34:30,770 --> 00:34:27,720

level or on a political level good I got

788

00:34:34,399 --> 00:34:30,780

the image when you were saying I got the

789

00:34:36,950 --> 00:34:34,409

imagery of a metaphor of how it works so

790

00:34:39,379 --> 00:34:36,960

to speak and there we the children are

791

00:34:41,810 --> 00:34:39,389

where we all come from right and creator

792

00:34:43,490 --> 00:34:41,820

or whoever is the manager with the

793

00:34:44,780 --> 00:34:43,500

clipboard says Jack do you got your

794

00:34:47,930 --> 00:34:44,790

mission you know what you're doing yes

795

00:34:50,930 --> 00:34:47,940

check Jim go check Jill check all right

796

00:34:52,580 --> 00:34:50,940

go everyone just comes down and floods

797

00:34:54,619 --> 00:34:52,590

the system but you said something a

798

00:34:56,960 --> 00:34:54,629

moment ago that it's signed it sounded

799

00:34:59,330 --> 00:34:56,970

very ironic and paradoxical and I think

800

00:35:01,609 --> 00:34:59,340

because of that it's very magical you

801
00:35:04,430 --> 00:35:01,619
said that we got the diamond kids coming

802
00:35:05,930 --> 00:35:04,440
who or a lumen probably beyond so to

803
00:35:08,420 --> 00:35:05,940
speak all the children that are coming

804
00:35:10,280 --> 00:35:08,430
in as of today because they're coming in

805
00:35:12,099 --> 00:35:10,290
with no residual energy from past

806
00:35:14,359 --> 00:35:12,109
incarnations because they've never been

807
00:35:19,099 --> 00:35:14,369
incarnated before so they're coming in

808
00:35:22,880 --> 00:35:19,109
clean but you also said that they coming

809
00:35:24,920 --> 00:35:22,890
in not knowing who they are you would

810
00:35:26,359 --> 00:35:24,930
think of that they're that a moment that

811
00:35:28,910 --> 00:35:26,369
they would come in with full awareness

812
00:35:31,010 --> 00:35:28,920
of who they are intact is it because as

813
00:35:32,480 --> 00:35:31,020

soon as they get here society starts

814

00:35:35,240 --> 00:35:32,490

dictating them who they are in church

815

00:35:39,830 --> 00:35:35,250

religion authorities government familial

816

00:35:42,349 --> 00:35:39,840

tears media is it because if they were

817

00:35:44,810 --> 00:35:42,359

left alone just to grow up on their own

818

00:35:47,120 --> 00:35:44,820

they would their memory in the

819

00:35:50,599 --> 00:35:47,130

comprehension would be intact is it

820

00:35:52,970 --> 00:35:50,609

because they are so open that on such so

821

00:35:54,560 --> 00:35:52,980

many layers and subtle layers that

822

00:35:57,920 --> 00:35:54,570

they're just getting bombarded and

823

00:36:00,410 --> 00:35:57,930

slammed with these ideologies of what

824

00:36:02,570 --> 00:36:00,420

we're telling them they are absolutely

825

00:36:05,240 --> 00:36:02,580

these kids are so energetically

826

00:36:08,090 --> 00:36:05,250

sensitive in so energetically open that

827

00:36:12,080 --> 00:36:08,100

they really need to have a good support

828

00:36:14,000 --> 00:36:12,090

but also protection system and and and

829

00:36:15,830 --> 00:36:14,010

have adults around and really know how

830

00:36:17,480 --> 00:36:15,840

to connect to them so when they grow up

831

00:36:21,109 --> 00:36:17,490

they're actually remembering who they

832

00:36:24,500 --> 00:36:21,119

are and I feel every single child that

833

00:36:28,400 --> 00:36:24,510

is being warned knows who she or he is

834

00:36:30,050 --> 00:36:28,410

and and you know and it's yep I mean you

835

00:36:32,330 --> 00:36:30,060

have you have a son

836

00:36:34,100 --> 00:36:32,340

so when you have kids and you ask them

837

00:36:35,930 --> 00:36:34,110

do you want to be or what what I just

838

00:36:38,600 --> 00:36:35,940

envision these kids were like three four

839

00:36:40,610 --> 00:36:38,610

five years old the have these amazing

840

00:36:42,260 --> 00:36:40,620

ideas these amazing visions and I used

841

00:36:44,840 --> 00:36:42,270

to teach literature I used to teach

842

00:36:46,670 --> 00:36:44,850

dance for many years to kick and you

843

00:36:54,230 --> 00:36:46,680

would ask them a question there was no

844

00:36:56,210 --> 00:36:54,240

limit to their imagination and something

845

00:36:58,250 --> 00:36:56,220

still playing before we are being born

846

00:37:01,280 --> 00:36:58,260

and I called the self and kind of a

847

00:37:02,900 --> 00:37:01,290

movie script for our lives what is it

848

00:37:04,970 --> 00:37:02,910

that we're here to do what is it that

849

00:37:07,040 --> 00:37:04,980

you would like to experience who is it

850

00:37:09,080 --> 00:37:07,050

that we want to meet and and what is our

851
00:37:11,960 --> 00:37:09,090
journey on the sonic we write this movie

852
00:37:14,990 --> 00:37:11,970
script and when we come in we have the

853
00:37:17,960 --> 00:37:15,000
memory of it but the older we get the

854
00:37:21,740 --> 00:37:17,970
more we are actually being educated out

855
00:37:24,260 --> 00:37:21,750
of it and for all I think it's that's

856
00:37:26,540 --> 00:37:24,270
like that's for all children where we're

857
00:37:29,810 --> 00:37:26,550
being educated more and more out of our

858
00:37:35,120 --> 00:37:29,820
divine inner truth and being put into a

859
00:37:36,950 --> 00:37:35,130
little box and some of us allowed that

860
00:37:38,540 --> 00:37:36,960
to happen and then we are adults it like

861
00:37:40,550 --> 00:37:38,550
one of my friends asked do you know what

862
00:37:42,680 --> 00:37:40,560
I was able to do when I was a little kid

863
00:37:44,540 --> 00:37:42,690

I get educated out of that and then my

864

00:37:47,050 --> 00:37:44,550

35 header degree learned everything I

865

00:37:49,340 --> 00:37:47,060

knew how to do as a little child and

866

00:37:52,130 --> 00:37:49,350

then there's but then there's other kids

867

00:37:55,610 --> 00:37:52,140

will say no I don't do this I won't do

868

00:37:57,350 --> 00:37:55,620

this I wanted here to to Authority or I

869

00:38:00,920 --> 00:37:57,360

believe this is true and what you're

870

00:38:03,080 --> 00:38:00,930

saying is not true or what if you teach

871

00:38:04,610 --> 00:38:03,090

you knew these things and then often

872

00:38:06,200 --> 00:38:04,620

these children are if they have a good

873

00:38:07,820 --> 00:38:06,210

support system then they can be nurtured

874

00:38:09,830 --> 00:38:07,830

into you know growing up without

875

00:38:12,250 --> 00:38:09,840

authenticity but a lot of these kids

876

00:38:15,230 --> 00:38:12,260

these plays are diagnosed with

877

00:38:18,890 --> 00:38:15,240

opposition defiance this one or social

878

00:38:21,620 --> 00:38:18,900

behavioral disorder ADHD and P pull it

879

00:38:23,990 --> 00:38:21,630

on psychotropic drugs in order to make

880

00:38:26,720 --> 00:38:24,000

them conform and that has been like one

881

00:38:28,130 --> 00:38:26,730

of my big mission to say hey nothing is

882

00:38:28,880 --> 00:38:28,140

wrong with these children that are

883

00:38:31,790 --> 00:38:28,890

broken

884

00:38:34,460 --> 00:38:31,800

they're not bad they're just different

885

00:38:38,810 --> 00:38:34,470

there may be just more authentic they're

886

00:38:41,720 --> 00:38:38,820

not as obedient as other people are they

887

00:38:44,030 --> 00:38:41,730

really just need to stand in the truth

888

00:38:47,799 --> 00:38:44,040

and have their choose ignol

889

00:38:50,240 --> 00:38:47,809

I absolutely love that because I've been

890

00:38:51,680 --> 00:38:50,250

making a lot of posts here and there

891

00:38:54,549 --> 00:38:51,690

throughout the last couple years since

892

00:38:56,839 --> 00:38:54,559

my son is in school my son is a very

893

00:38:59,359 --> 00:38:56,849

phenomenal boy never calls me trouble

894

00:39:00,950 --> 00:38:59,369

ever ever ever ever ever but every once

895

00:39:03,020 --> 00:39:00,960

in a while here on the mini outburst in

896

00:39:05,450 --> 00:39:03,030

school and they kind of want to correct

897

00:39:08,180 --> 00:39:05,460

it and I didn't have a really big

898

00:39:10,250 --> 00:39:08,190

problem with that and I've come to

899

00:39:12,260 --> 00:39:10,260

realize that the children should not be

900

00:39:13,880 --> 00:39:12,270

learning detective the school systems

901
00:39:17,839 --> 00:39:13,890
way of teaching they should be teaching

902
00:39:21,620 --> 00:39:17,849
the way of the children's learning it's

903
00:39:22,069 --> 00:39:21,630
just completely backwards yeah yeah it

904
00:39:24,440 --> 00:39:22,079
is

905
00:39:26,900 --> 00:39:24,450
and it's interesting I just had a Jana

906
00:39:28,520 --> 00:39:26,910
Cooper on my show and at the inner

907
00:39:31,190 --> 00:39:28,530
vision for the documentary series and

908
00:39:34,880 --> 00:39:31,200
she's that it's really interesting how

909
00:39:37,040 --> 00:39:34,890
it was done in Atlantis when a child was

910
00:39:38,720 --> 00:39:37,050
born that child came in with a super

911
00:39:41,930 --> 00:39:38,730
mission since we have distance and

912
00:39:43,730 --> 00:39:41,940
knowledge and the parents knew about

913
00:39:46,190 --> 00:39:43,740

that gift because they were connected to

914

00:39:48,170 --> 00:39:46,200

this all about child so when the child

915

00:39:48,680 --> 00:39:48,180

would go to school or even before going

916

00:39:51,079 --> 00:39:48,690

to school

917

00:39:52,339 --> 00:39:51,089

their focus of not just the parents but

918

00:39:54,760 --> 00:39:52,349

all for the teachers and the whole

919

00:39:59,000 --> 00:39:54,770

community was in supporting that child

920

00:40:01,339 --> 00:39:59,010

cue strengthen their gift and to grow in

921

00:40:03,559 --> 00:40:01,349

their gift and not their actual your

922

00:40:05,089 --> 00:40:03,569

gift is you know being a musician and

923

00:40:08,180 --> 00:40:05,099

all you have to do is study math and

924

00:40:09,890 --> 00:40:08,190

physics and chemistry but it was your

925

00:40:12,410 --> 00:40:09,900

you shouldn't you think how to play

926
00:40:14,630 --> 00:40:12,420
music or creating the super composed

927
00:40:17,270 --> 00:40:14,640
music from an earlier episode how to

928
00:40:20,839 --> 00:40:17,280
learn how to read and white but whatever

929
00:40:22,760 --> 00:40:20,849
you give this was strengthened and and I

930
00:40:24,770 --> 00:40:22,770
think that's an amazing concept to look

931
00:40:27,079 --> 00:40:24,780
at you know how can we create school

932
00:40:30,200 --> 00:40:27,089
systems or education systems that

933
00:40:32,059 --> 00:40:30,210
strengthen the gifts of children and and

934
00:40:33,950 --> 00:40:32,069
and nurture that yet to teach them what

935
00:40:36,230 --> 00:40:33,960
they need to learn in order to exist in

936
00:40:39,079 --> 00:40:36,240
this world but also strengthen the gift

937
00:40:41,900 --> 00:40:39,089
and there's actually be taught even's

938
00:40:45,049 --> 00:40:41,910

about self teaching as an amazing school

939

00:40:46,640 --> 00:40:45,059

in in Russia called Tchaikovsky ek or at

940

00:40:50,000 --> 00:40:46,650

Google it if you don't know about it

941

00:40:52,460 --> 00:40:50,010

people and it is based on the Russian

942

00:40:55,430 --> 00:40:52,470

making feeder series Anastasia

943

00:40:56,600 --> 00:40:55,440

a books just a Latin name is right where

944

00:40:58,280 --> 00:40:56,610

she says in the

945

00:41:00,290 --> 00:40:58,290

what where she's being that's one wiping

946

00:41:02,120 --> 00:41:00,300

system that we should teach our children

947

00:41:05,030 --> 00:41:02,130

and just like the best system is no

948

00:41:07,790 --> 00:41:05,040

system at all for these kids so what

949

00:41:10,190 --> 00:41:07,800

they did at a class is that children are

950

00:41:11,960 --> 00:41:10,200

self-taught they have all the books and

951
00:41:13,940 --> 00:41:11,970
all the curriculum that they're supposed

952
00:41:15,680 --> 00:41:13,950
to learn in order to get a high school

953
00:41:19,190 --> 00:41:15,690
with excellence of it so high school

954
00:41:21,890 --> 00:41:19,200
diplomas but these kids can't choose

955
00:41:23,420 --> 00:41:21,900
what to learn and when to learn so there

956
00:41:27,280 --> 00:41:23,430
might be an eight-year-old who's

957
00:41:29,750 --> 00:41:27,290
studying the math curriculum of grade 11

958
00:41:32,180 --> 00:41:29,760
but that is what their passion is right

959
00:41:33,980 --> 00:41:32,190
now and what and there's no teaching

960
00:41:35,570 --> 00:41:33,990
them is for the children teach each

961
00:41:37,840 --> 00:41:35,580
other they have study groups where they

962
00:41:41,630 --> 00:41:37,850
teach each other the curriculum and

963
00:41:43,250 --> 00:41:41,640

these kids do I think it's an 11 year

964

00:41:45,050 --> 00:41:43,260

program at the half in Russia from

965

00:41:47,390 --> 00:41:45,060

primary school and securing finition

966

00:41:49,670 --> 00:41:47,400

house fall and the some of these can

967

00:41:53,930 --> 00:41:49,680

finish that 11 your curriculum and 3 to

968

00:41:55,760 --> 00:41:53,940

14 years because of that part I have a

969

00:41:57,950 --> 00:41:55,770

dear friend of mine the music everyone

970

00:41:59,540 --> 00:41:57,960

hears for the intro of the show there's

971

00:42:01,250 --> 00:41:59,550

two pieces of music there's always the

972

00:42:03,590 --> 00:42:01,260

theme song which you see the light and

973

00:42:05,210 --> 00:42:03,600

there's a song just before that that is

974

00:42:07,850 --> 00:42:05,220

my spiritual band called lavender soul

975

00:42:09,650 --> 00:42:07,860

which is members myself another person

976
00:42:11,960 --> 00:42:09,660
to singer in members of the Memphis

977
00:42:14,480 --> 00:42:11,970
Symphony Orchestra the pianist Angelo

978
00:42:16,580 --> 00:42:14,490
Rapp am my god you have never heard

979
00:42:18,170 --> 00:42:16,590
anybody play a piano like this he was

980
00:42:21,230 --> 00:42:18,180
from Romania when he was six years old

981
00:42:22,760 --> 00:42:21,240
they realized that he had this gift so

982
00:42:24,710 --> 00:42:22,770
since six years old he didn't have to

983
00:42:27,350 --> 00:42:24,720
worry about history he after were about

984
00:42:29,030 --> 00:42:27,360
extra oversaturation with English and

985
00:42:32,450 --> 00:42:29,040
math of course you have to go through

986
00:42:35,540 --> 00:42:32,460
the normal requisite of all that but

987
00:42:37,400 --> 00:42:35,550
he's a classically award-winning pianist

988
00:42:40,610 --> 00:42:37,410

who played four symphonies around the

989

00:42:44,270 --> 00:42:40,620

world I mean he they found his gift in

990

00:42:46,610 --> 00:42:44,280

in America at least you just have to go

991

00:42:49,430 --> 00:42:46,620

through the system and you know grin and

992

00:42:51,770 --> 00:42:49,440

bear it and it's just tough habit and I

993

00:42:54,080 --> 00:42:51,780

see my son the other day he's starting

994

00:42:56,060 --> 00:42:54,090

to say things he's 12 now but he even

995

00:42:57,200 --> 00:42:56,070

though he's 12 most kids at 12 years old

996

00:42:58,820 --> 00:42:57,210

they're really coming into their

997

00:43:00,980 --> 00:42:58,830

consciousness to where they can be witty

998

00:43:03,170 --> 00:43:00,990

if he is starting to say things to me

999

00:43:05,240 --> 00:43:03,180

that's it oh my god did you just use

1000

00:43:06,860 --> 00:43:05,250

that as a reference and it's almost not

1001

00:43:09,050 --> 00:43:06,870

like a double entendre it's like a

1002

00:43:09,720 --> 00:43:09,060

triple and a quadruped entendre that has

1003

00:43:12,480 --> 00:43:09,730

all the

1004

00:43:16,140 --> 00:43:12,490

myriads of meanings do you happen to

1005

00:43:18,480 --> 00:43:16,150

know Christine dr. Nicki Elliot I don't

1006

00:43:21,830 --> 00:43:18,490

know it looks like you live in Los

1007

00:43:26,609 --> 00:43:21,840

Angeles were you ever Los Angeles yes

1008

00:43:29,400 --> 00:43:26,619

she lives in - after dinner I'll figure

1009

00:43:31,560 --> 00:43:29,410

it out she works with children in a two

1010

00:43:34,200 --> 00:43:31,570

ative way and she's very powerful oh my

1011

00:43:35,730 --> 00:43:34,210

god dear Lord this one's powerful I want

1012

00:43:38,730 --> 00:43:35,740

to connect you to she would be

1013

00:43:40,650 --> 00:43:38,740

phenomenal for your show that would be

1014

00:43:41,790 --> 00:43:40,660

amazing I'm going to love that yeah

1015

00:43:45,240 --> 00:43:41,800

thank you

1016

00:43:47,250 --> 00:43:45,250

absolutely so Kristi what do you just no

1017

00:43:49,349 --> 00:43:47,260

no we don't want to put things in a box

1018

00:43:51,720 --> 00:43:49,359

we don't limit it but just from your ear

1019

00:43:54,470 --> 00:43:51,730

intuitive philia intuitive base as you

1020

00:43:56,910 --> 00:43:54,480

have been working in this field of

1021

00:44:00,240 --> 00:43:56,920

spirituality with rank children of life

1022

00:44:04,410 --> 00:44:00,250

and you saw the progression of things

1023

00:44:08,040 --> 00:44:04,420

how they've unfolded what do you foresee

1024

00:44:09,930 --> 00:44:08,050

could be possible with this unfoldment

1025

00:44:11,910 --> 00:44:09,940

in these new ways of children committed

1026

00:44:13,650 --> 00:44:11,920

how do you see things playing out

1027

00:44:18,030 --> 00:44:13,660

without pigeonhole and what do you see

1028

00:44:19,620 --> 00:44:18,040

as a vision for this experience I feel

1029

00:44:21,660 --> 00:44:19,630

that these children are really leading

1030

00:44:27,060 --> 00:44:21,670

the way into the new goal that we call

1031

00:44:31,430 --> 00:44:27,070

the new golden age and you know that the

1032

00:44:34,380 --> 00:44:31,440

new golden age it's at age of of oneness

1033

00:44:38,670 --> 00:44:34,390

overcoming boundaries even health

1034

00:44:42,690 --> 00:44:38,680

healing clean environments and what I'm

1035

00:44:44,280 --> 00:44:42,700

witnessing in these children and even my

1036

00:44:45,900 --> 00:44:44,290

research there's several different

1037

00:44:49,080 --> 00:44:45,910

categories if the kids were the

1038

00:44:51,480 --> 00:44:49,090

environmentalist who are creating things

1039

00:44:55,859 --> 00:44:51,490

to clean up our environment and these

1040

00:44:59,790 --> 00:44:55,869

kids for artists who you you hear

1041

00:45:02,070 --> 00:44:59,800

singing or playing the piano and it does

1042

00:45:04,790 --> 00:45:02,080

something to you it just heals you

1043

00:45:07,500 --> 00:45:04,800

internally just listening to that and

1044

00:45:09,570 --> 00:45:07,510

and then there's these kids who are

1045

00:45:11,040 --> 00:45:09,580

creating other technology that's no

1046

00:45:15,210 --> 00:45:11,050

matter if it's you know in the IT

1047

00:45:19,490 --> 00:45:15,220

industry or even technology that might

1048

00:45:22,500 --> 00:45:19,500

help us see another physical body and I

1049

00:45:22,920 --> 00:45:22,510

believe that this keeps me are leading

1050

00:45:24,960 --> 00:45:22,930

the way

1051
00:45:27,180 --> 00:45:24,970
enter that new golden age where we will

1052
00:45:31,890 --> 00:45:27,190
return to that consciousness of oneness

1053
00:45:34,500 --> 00:45:31,900
of coming together and what I love about

1054
00:45:36,450 --> 00:45:34,510
them is really the ratio and you know

1055
00:45:38,130 --> 00:45:36,460
there is I'm not talking about the 15

1056
00:45:39,870 --> 00:45:38,140
notes as talking one even case the

1057
00:45:43,370 --> 00:45:39,880
Indigo is the adult in the mercifulness

1058
00:45:45,990 --> 00:45:43,380
30s 40s or even 50s or 60s nowadays and

1059
00:45:50,099 --> 00:45:46,000
it seems like a lot of these indie girls

1060
00:45:51,720 --> 00:45:50,109
who are older they have fitness I still

1061
00:45:53,549 --> 00:45:51,730
think sometimes even you know we've been

1062
00:45:55,770 --> 00:45:53,559
trying to open lock doors it just

1063
00:45:57,240 --> 00:45:55,780

wouldn't open wouldn't open some shaking

1064

00:46:01,349 --> 00:45:57,250

and rattling and shaking and rattling

1065

00:46:04,049 --> 00:46:01,359

and we could only create tiny changes

1066

00:46:06,260 --> 00:46:04,059

but not the big changes and I feel like

1067

00:46:08,460 --> 00:46:06,270

finding these doors are starting to open

1068

00:46:11,400 --> 00:46:08,470

where people who have been on this

1069

00:46:13,980 --> 00:46:11,410

planet finally are given opportunities

1070

00:46:16,620 --> 00:46:13,990

to anchor in the micro system wanting to

1071

00:46:19,370 --> 00:46:16,630

anchor in for a long time so what I'm

1072

00:46:22,740 --> 00:46:19,380

envisioning is really creating that new

1073

00:46:26,640 --> 00:46:22,750

paradigm of what is possible and these

1074

00:46:29,370 --> 00:46:26,650

kids need enough to do that here's a fun

1075

00:46:32,490 --> 00:46:29,380

question who is the person or is it a

1076

00:46:37,980 --> 00:46:32,500

child or children that deemed themselves

1077

00:46:40,380 --> 00:46:37,990

to be rainbow crystal indigo diamond is

1078

00:46:43,170 --> 00:46:40,390

there a person that oversees important

1079

00:46:45,839 --> 00:46:43,180

yeah I think that this is what we're

1080

00:46:49,020 --> 00:46:45,849

gonna call the next wave of children

1081

00:46:51,150 --> 00:46:49,030

I just know about the term indigo how it

1082

00:46:55,049 --> 00:46:51,160

came about so I can can share that is to

1083

00:46:58,230 --> 00:46:55,059

ensure that we please back in the 1960s

1084

00:47:01,079 --> 00:46:58,240

1970s there was a woman in estimated

1085

00:47:02,760 --> 00:47:01,089

cafe and she was a therapist and she has

1086

00:47:04,980 --> 00:47:02,770

something called synesthesia and

1087

00:47:07,829 --> 00:47:04,990

synesthesia is when two senses are

1088

00:47:11,250 --> 00:47:07,839

working at the same time and she would

1089

00:47:13,589 --> 00:47:11,260

see the world through color and she had

1090

00:47:16,069 --> 00:47:13,599

this group of kids that were coming to

1091

00:47:20,460 --> 00:47:16,079

therapy session and they all had very

1092

00:47:22,440 --> 00:47:20,470

similar characteristics and some of them

1093

00:47:23,460 --> 00:47:22,450

expected that strong energy and of

1094

00:47:26,069 --> 00:47:23,470

defiance

1095

00:47:28,200 --> 00:47:26,079

not wanting to be blocked and not

1096

00:47:31,410 --> 00:47:28,210

attuned to Authority the way other kids

1097

00:47:33,930 --> 00:47:31,420

forced into a thority being so super

1098

00:47:35,200 --> 00:47:33,940

strong-willed but also being highly

1099

00:47:40,990 --> 00:47:35,210

sensitive hi

1100

00:47:42,640 --> 00:47:41,000

Pathak high highly connected and she

1101

00:47:44,770 --> 00:47:42,650

said that all these kids having

1102

00:47:48,790 --> 00:47:44,780

characteristics happens in legal colors

1103

00:47:50,410 --> 00:47:48,800

aura so she said call me madam indigo

1104

00:47:53,079 --> 00:47:50,420

kids just because they had an indigo

1105

00:47:56,140 --> 00:47:53,089

Laura and that has the term indigo case

1106

00:47:58,240 --> 00:47:56,150

was actually worth I don't know seven

1107

00:48:00,940 --> 00:47:58,250

video birth to turn crystals I don't

1108

00:48:02,560 --> 00:48:00,950

know her birth the term rainbow I first

1109

00:48:04,660 --> 00:48:02,570

heard about a deduction to dr. doreen

1110

00:48:06,550 --> 00:48:04,670

butchers work and she said that one came

1111

00:48:08,530 --> 00:48:06,560

up with the term crystal depressing she

1112

00:48:11,380 --> 00:48:08,540

had these eyes these big eyes that

1113

00:48:13,000 --> 00:48:11,390

looked like crystal and then the rainbow

1114

00:48:16,060 --> 00:48:13,010

children had all the colors of the

1115

00:48:18,250 --> 00:48:16,070

rainbow at the aura and supposedly a

1116

00:48:20,380 --> 00:48:18,260

diamond shouldn't have that diamond

1117

00:48:22,510 --> 00:48:20,390

color in the aura and a little bit of it

1118

00:48:25,390 --> 00:48:22,520

while explained on social name as well

1119

00:48:27,430 --> 00:48:25,400

but it's mainly determined by the aura

1120

00:48:29,079 --> 00:48:27,440

for these kids and I cannot tell exactly

1121

00:48:31,630 --> 00:48:29,089

who came up for the gem

1122

00:48:33,970 --> 00:48:31,640

no one even I and all my research I've

1123

00:48:36,130 --> 00:48:33,980

never found out who came up when I terms

1124

00:48:38,890 --> 00:48:36,140

of that's a very good question but at

1125

00:48:40,780 --> 00:48:38,900

least I could answer my videos okay well

1126
00:48:42,460 --> 00:48:40,790
maybe now that we are moving very well

1127
00:48:45,400 --> 00:48:42,470
into the golden age the next children

1128
00:48:49,290 --> 00:48:45,410
will be the golden children yes dig it

1129
00:48:52,540 --> 00:48:49,300
dig it so if there's no particularly any

1130
00:48:56,260 --> 00:48:52,550
definite length of time from what wave

1131
00:48:57,609 --> 00:48:56,270
of children that come in it happens when

1132
00:48:59,500 --> 00:48:57,619
it happens when there's enough of them

1133
00:49:01,300 --> 00:48:59,510
then people saying I just saw a hundred

1134
00:49:02,950 --> 00:49:01,310
children with all the same color arms so

1135
00:49:05,200 --> 00:49:02,960
that must be a new wave that's finding

1136
00:49:06,480 --> 00:49:05,210
and on earth so let's call them whatever

1137
00:49:09,430 --> 00:49:06,490
it is be seeing in the auric field

1138
00:49:11,170 --> 00:49:09,440

pretty interesting thank you very much

1139

00:49:13,690 --> 00:49:11,180

so what's coming down the pike for

1140

00:49:15,520 --> 00:49:13,700

Christy Reeves and rebel hearts I mean

1141

00:49:16,660 --> 00:49:15,530

we have a vision of where this is all

1142

00:49:18,660 --> 00:49:16,670

going to go of course you open to

1143

00:49:21,280 --> 00:49:18,670

whatever is going to happen of course

1144

00:49:25,120 --> 00:49:21,290

but where do you see things going for

1145

00:49:28,720 --> 00:49:25,130

you here I'm so passionate about my show

1146

00:49:31,599 --> 00:49:28,730

is that I'm I'm working on and then my

1147

00:49:33,940 --> 00:49:31,609

dream my vision has been to create a

1148

00:49:35,800 --> 00:49:33,950

feature documentary about the topic so

1149

00:49:37,329 --> 00:49:35,810

I've been working on a treatment I've

1150

00:49:40,359 --> 00:49:37,339

been working on this lift I've been

1151
00:49:44,380 --> 00:49:40,369
noticing some people over here to turn

1152
00:49:46,650 --> 00:49:44,390
all that information into a feature

1153
00:49:50,160 --> 00:49:46,660
documentary and

1154
00:49:52,529 --> 00:49:50,170
show these I think it's very more about

1155
00:49:54,539 --> 00:49:52,539
the regular children without calling

1156
00:49:56,099 --> 00:49:54,549
them emotional but it's going to be more

1157
00:49:58,589 --> 00:49:56,109
about these children who are really

1158
00:50:01,019 --> 00:49:58,599
leading the way for showing them okay if

1159
00:50:03,089 --> 00:50:01,029
I'm at the age of fourteen can do that

1160
00:50:05,489 --> 00:50:03,099
if I'm at the age of nine can find an

1161
00:50:10,079 --> 00:50:05,499
organization that ends up having 100,000

1162
00:50:13,529 --> 00:50:10,089
members to dance in billion trees why

1163
00:50:15,059 --> 00:50:13,539

can't you do that while I eat it now why

1164

00:50:15,630 --> 00:50:15,069

are we sitting around waiting for

1165

00:50:18,269 --> 00:50:15,640

someone

1166

00:50:20,249 --> 00:50:18,279

come on let's all get up that's all come

1167

00:50:21,870 --> 00:50:20,259

together that's all preaching so it's

1168

00:50:24,299 --> 00:50:21,880

about is one of the projects that I've

1169

00:50:25,950 --> 00:50:24,309

been working on over the last yeah I

1170

00:50:27,660 --> 00:50:25,960

said it last fall I mean it's been in

1171

00:50:31,410 --> 00:50:27,670

the development for a while but I really

1172

00:50:32,849 --> 00:50:31,420

good working on it in the future I still

1173

00:50:34,799 --> 00:50:32,859

would like to chat with you and the

1174

00:50:37,950 --> 00:50:34,809

other people you had brought into the

1175

00:50:40,799 --> 00:50:37,960

circle about moving forward with the

1176

00:50:43,349 --> 00:50:40,809

project you know I started to envision

1177

00:50:45,569 --> 00:50:43,359

about the rainbow kids and make them

1178

00:50:48,839 --> 00:50:45,579

superheroes with whatever we leave that

1179

00:50:50,069 --> 00:50:48,849

right there and die but that would just

1180

00:50:51,019 --> 00:50:50,079

be so fun if we still have that

1181

00:50:53,729 --> 00:50:51,029

connection

1182

00:50:56,609 --> 00:50:53,739

absolutely it still it's not my to-do

1183

00:50:59,219 --> 00:50:56,619

list it's still on my manifesting thank

1184

00:51:01,920 --> 00:50:59,229

you and I love that when I watch you in

1185

00:51:03,269 --> 00:51:01,930

you know we're on video now watching but

1186

00:51:04,769 --> 00:51:03,279

also in the air you talk and all the

1187

00:51:06,089 --> 00:51:04,779

interviews you do when I see you on your

1188

00:51:08,579 --> 00:51:06,099

rebel heart show and this in the

1189

00:51:10,709 --> 00:51:08,589

Facebook stream you are very passionate

1190

00:51:13,920 --> 00:51:10,719

about what you do and I've only lecture

1191

00:51:16,589 --> 00:51:13,930

lecture active work presentation Sunday

1192

00:51:18,329 --> 00:51:16,599

and I talked about how passion is the

1193

00:51:20,519 --> 00:51:18,339

fire is to drive it's the roll up your

1194

00:51:22,829 --> 00:51:20,529

sleeves and get your hands dirty economy

1195

00:51:24,509 --> 00:51:22,839

energy right sincerity is that soft part

1196

00:51:26,640 --> 00:51:24,519

is that soft part that says I'm serious

1197

00:51:29,339 --> 00:51:26,650

about this I'm I mean yes and when you

1198

00:51:32,430 --> 00:51:29,349

put those two together that male energy

1199

00:51:34,859 --> 00:51:32,440

like female energy voice something has

1200

00:51:38,339 --> 00:51:34,869

to happen and I see that very alive in

1201
00:51:41,190 --> 00:51:38,349
you it's very enlightening because in

1202
00:51:43,229 --> 00:51:41,200
fact I say what I put something together

1203
00:51:45,239 --> 00:51:43,239
and I want to create something it is a

1204
00:51:46,769 --> 00:51:45,249
fact there is no way this is not going

1205
00:51:47,759 --> 00:51:46,779
to happen that doesn't even come up in

1206
00:51:50,849 --> 00:51:47,769
me as a possibility

1207
00:51:54,299 --> 00:51:50,859
oh I think that your sister in that way

1208
00:51:55,709 --> 00:51:54,309
yes yes absolutely and that's what I'm I

1209
00:51:57,730 --> 00:51:55,719
had to call my share of rebel hearts

1210
00:52:03,100 --> 00:51:57,740
because it's the rebel when a higher

1211
00:52:05,170 --> 00:52:03,110
I love it I love Adventist a contrast

1212
00:52:05,650 --> 00:52:05,180
that's the fire in the ice I will dig it

1213
00:52:07,420 --> 00:52:05,660

dig it

1214

00:52:09,280 --> 00:52:07,430

Crysta we are slowly but surely coming

1215

00:52:10,750 --> 00:52:09,290

to the top of the hour where would you

1216

00:52:11,020 --> 00:52:10,760

like to see the closing of this radio

1217

00:52:12,760 --> 00:52:11,030

show

1218

00:52:14,260 --> 00:52:12,770

give me some dialogue about what you

1219

00:52:15,550 --> 00:52:14,270

want to express about the children of

1220

00:52:17,350 --> 00:52:15,560

light in New York just anything you

1221

00:52:20,050 --> 00:52:17,360

think that would take us out nicely I

1222

00:52:22,480 --> 00:52:20,060

think I would love to fill out a message

1223

00:52:32,609 --> 00:52:22,490

of empowerment to the center of night

1224

00:52:35,740 --> 00:52:32,619

radio army just a sound good beautiful I

1225

00:52:37,990 --> 00:52:35,750

feel these children are teaching us so

1226

00:52:39,720 --> 00:52:38,000

much kind of what I said

1227

00:52:42,250 --> 00:52:39,730

these children are teaching us

1228

00:52:44,380 --> 00:52:42,260

authenticity they're teaching us to

1229

00:52:47,140 --> 00:52:44,390

follow that inner voice is that the

1230

00:52:48,580 --> 00:52:47,150

external calling the external paradigm

1231

00:52:50,800 --> 00:52:48,590

this one imprint

1232

00:52:54,609 --> 00:52:50,810

these children are teaching us to be

1233

00:52:57,120 --> 00:52:54,619

courageous to to and to grow for our

1234

00:52:59,470 --> 00:52:57,130

dreams and to do what is right for us

1235

00:53:02,230 --> 00:52:59,480

these children are teaching us that

1236

00:53:03,609 --> 00:53:02,240

anything is possible and they're really

1237

00:53:06,520 --> 00:53:03,619

really unafraid

1238

00:53:08,200 --> 00:53:06,530

they're really brave is actually and I

1239

00:53:10,480 --> 00:53:08,210

feel that every single person in this

1240

00:53:12,700 --> 00:53:10,490

world and and you know just to chase it

1241

00:53:14,470 --> 00:53:12,710

back a little bit when when we were

1242

00:53:17,140 --> 00:53:14,480

talking about the indivisible nor the

1243

00:53:19,840 --> 00:53:17,150

person in the diamond shoulder we're not

1244

00:53:21,940 --> 00:53:19,850

creating another label or only these

1245

00:53:23,859 --> 00:53:21,950

children can do it of these children are

1246

00:53:28,540 --> 00:53:23,869

special and other other people are not

1247

00:53:31,090 --> 00:53:28,550

it was mainly a mere explanation of the

1248

00:53:34,390 --> 00:53:31,100

certain characteristics and children and

1249

00:53:36,070 --> 00:53:34,400

adults have to in order to understand

1250

00:53:38,050 --> 00:53:36,080

ourselves better I'm I when I first

1251
00:53:40,540 --> 00:53:38,060
heard the change of image or it was more

1252
00:53:43,630 --> 00:53:40,550
it helped me to understand who I was and

1253
00:53:45,700 --> 00:53:43,640
how I showed up in this world but I

1254
00:53:48,310 --> 00:53:45,710
believe every single person on this

1255
00:53:51,730 --> 00:53:48,320
planet has a little bit of indigo

1256
00:53:55,300 --> 00:53:51,740
rainbow crisis and even diamond energy

1257
00:53:58,090 --> 00:53:55,310
remember we were all star beings and but

1258
00:54:00,640 --> 00:53:58,100
every single person is capable of

1259
00:54:05,109 --> 00:54:00,650
implementing change on this planet every

1260
00:54:07,930 --> 00:54:05,119
single person has the capacity to listen

1261
00:54:10,370 --> 00:54:07,940
with any create their mission follow

1262
00:54:13,910 --> 00:54:10,380
their voice and

1263
00:54:17,269 --> 00:54:13,920

if we are one under that age but when we

1264

00:54:20,779 --> 00:54:17,279

are 100% in alignment with a divine in

1265

00:54:24,229 --> 00:54:20,789

our College following our lawyers we

1266

00:54:27,620 --> 00:54:24,239

can't create the most amazing beautiful

1267

00:54:30,109 --> 00:54:27,630

as the sound changes on this planet so I

1268

00:54:34,670 --> 00:54:30,119

invite every single one who's just into

1269

00:54:37,249 --> 00:54:34,680

this be brave be courageous be an indigo

1270

00:54:40,789 --> 00:54:37,259

and a rainbow head listen to that inner

1271

00:54:44,809 --> 00:54:40,799

voice and see which side be a rebel

1272

00:54:46,279 --> 00:54:44,819

heart that was just beautifully said I

1273

00:54:48,019 --> 00:54:46,289

really took all that in I was just

1274

00:54:51,469 --> 00:54:48,029

drinking it like water very very

1275

00:54:53,299 --> 00:54:51,479

refreshing to empower everyone and yes

1276

00:54:55,849 --> 00:54:53,309

and we we do each acknowledge that there

1277

00:54:58,189 --> 00:54:55,859

are waves of children coming in with

1278

00:55:01,039 --> 00:54:58,199

special gifts but all children are

1279

00:55:04,599 --> 00:55:01,049

special and the fact that you mentioned

1280

00:55:07,249 --> 00:55:04,609

that we all are this we all are that

1281

00:55:10,120 --> 00:55:07,259

because it's just a matter of firing at

1282

00:55:12,859 --> 00:55:10,130

the engine wanting to fire up your own

1283

00:55:14,900 --> 00:55:12,869

Ferraris spiritual Ferrari engine and

1284

00:55:17,779 --> 00:55:14,910

hammer on that pedal and bring about

1285

00:55:20,299 --> 00:55:17,789

things very fast or whatever in due time

1286

00:55:25,400 --> 00:55:20,309

but the metaphor is to get in the seat

1287

00:55:27,229 --> 00:55:25,410

and drive your car thank you for being a

1288

00:55:28,880 --> 00:55:27,239

wonderful guest of always Christian

1289

00:55:30,709 --> 00:55:28,890

center of light radio looking forward to

1290

00:55:32,239 --> 00:55:30,719

connecting you with ducked and Nikki she

1291

00:55:34,309 --> 00:55:32,249

is absolutely phenomenal follow members

1292

00:55:35,839 --> 00:55:34,319

are invites were so that's for sure so

1293

00:55:37,759 --> 00:55:35,849

would you get up give out your contact

1294

00:55:39,709 --> 00:55:37,769

information one more time so audience

1295

00:55:41,839 --> 00:55:39,719

can find more about you and amazing

1296

00:55:44,029 --> 00:55:41,849

powerful work bringing these children

1297

00:55:46,339 --> 00:55:44,039

through we could be a tough time it's

1298

00:55:48,890 --> 00:55:46,349

very very gracious with you good thank

1299

00:55:54,319 --> 00:55:48,900

you so much for that beautiful message

1300

00:55:59,269 --> 00:55:54,329

yes you can find me at wwe.com with Kri

1301
00:56:01,189 --> 00:55:59,279
STI e re EVs come our documentaries

1302
00:56:03,140 --> 00:56:01,199
parenting this one depicts children over

1303
00:56:04,609 --> 00:56:03,150
language calm but also have some moves

1304
00:56:07,640 --> 00:56:04,619
for all the interviews where you can

1305
00:56:10,999 --> 00:56:07,650
watch them and I'm on movie and reading

1306
00:56:12,289 --> 00:56:11,009
calm everyone stay at GBM absolute place

1307
00:56:17,059 --> 00:56:12,299
are available on my youtube channel

1308
00:56:20,970 --> 00:56:17,069
christian 3 and on itunes and as a

1309
00:56:25,930 --> 00:56:23,290
Christie thank you again I appreciate

1310
00:56:29,620 --> 00:56:25,940
you that doors always open to you and

1311
00:56:32,860 --> 00:56:29,630
thank you for being a guide and a leader

1312
00:56:35,830 --> 00:56:32,870
to help bring forth the divinity through

1313
00:56:37,600 --> 00:56:35,840

the new wave of kids that are you know

1314

00:56:39,340 --> 00:56:37,610

they're coming in and as older people

1315

00:56:41,140 --> 00:56:39,350

die off and the new kids come in

1316

00:56:42,970 --> 00:56:41,150

everyone is becoming more and down worn

1317

00:56:44,710 --> 00:56:42,980

down eventually everything is going to

1318

00:56:46,840 --> 00:56:44,720

be filtered and haven't uh nurses can be

1319

00:56:49,060 --> 00:56:46,850

the prophecy and I bet all of those old

1320

00:56:51,720 --> 00:56:49,070

people when we leave we won't we won't

1321

00:56:53,080 --> 00:56:51,730

be able to wait to get back to the next

1322

00:56:55,210 --> 00:56:53,090

page

1323

00:56:56,980 --> 00:56:55,220

I guess Christy thank you beautiful lady

1324

00:56:58,660 --> 00:56:56,990

I'll see you soon thank you so much

1325

00:57:00,460 --> 00:56:58,670

loving light everyone keeps handy

1326
00:57:01,600 --> 00:57:00,470
Blanchett in Monday night 6 p.m. Eastern

1327
00:57:02,980 --> 00:57:01,610
Time you can finally sit in this chair

1328
00:57:05,710 --> 00:57:02,990
conducting the affairs of the heart

1329
00:57:06,970 --> 00:57:05,720
center of light radio now partner I

1330
00:57:10,030 --> 00:57:06,980
don't know about partner would be the

1331
00:57:12,220 --> 00:57:10,040
right word we are part of i heart radio

1332
00:57:13,720 --> 00:57:12,230
and senator light has a cut with you

1333
00:57:16,450 --> 00:57:13,730
pieces of news that's going to be

1334
00:57:19,000 --> 00:57:16,460
arriving really soon so I was told by MJ

1335
00:57:21,310 --> 00:57:19,010
dicuss and he's not telling you he's

1336
00:57:23,800 --> 00:57:21,320
leaving me on the cliff okay I'm looking

1337
00:57:26,020 --> 00:57:23,810
for Ted every Monday night again 6 p.m.

1338
00:57:28,450 --> 00:57:26,030

Eastern Time when you lay down at night

1339

00:57:30,070 --> 00:57:28,460

breathe breathe breathe breathe do it

1340

00:57:31,570 --> 00:57:30,080

consciously taste your breath and that

1341

00:57:34,030 --> 00:57:31,580

you breed yourself through the ceiling

1342

00:57:35,770 --> 00:57:34,040

of thought the star gates going to open

1343

00:57:38,500 --> 00:57:35,780

up and the profound deafening silence

1344

00:57:40,200 --> 00:57:38,510

and feel your being you will know you

1345

00:57:46,610 --> 00:57:40,210

have made peace living

1346

00:57:57,960 --> 00:57:48,300

[Applause]
