**California Radio**  
**MUFON**  
*LORIEN FENTON*

**WEDNESDAY** 11PM EASTERN  
8PM PACIFIC

Listen on

[inceptionradionetwork.com](http://inceptionradionetwork.com)

1  
00:00:05,990 --> 00:00:03,110  
welcome everyone to the california mufon

2  
00:00:07,829 --> 00:00:06,000  
radio show i'm your host lorian fenton i

3  
00:00:10,230 --> 00:00:07,839  
am so happy you guys are with me here

4  
00:00:11,749 --> 00:00:10,240  
tonight we have an amazing guest and

5  
00:00:15,190 --> 00:00:11,759  
we're going to get to him in just a few

6  
00:00:17,349 --> 00:00:15,200  
minutes is stan willis and he has a

7  
00:00:19,189 --> 00:00:17,359  
i'm not sure if he's got a website or

8  
00:00:21,670 --> 00:00:19,199  
what all he's got going for him but i

9  
00:00:23,349 --> 00:00:21,680  
know it's dream hill research right now

10  
00:00:25,509 --> 00:00:23,359  
and when we get to danny's going to

11  
00:00:28,550 --> 00:00:25,519  
explain everything he's doing what he's

12  
00:00:30,390 --> 00:00:28,560  
been up to what he's done in the past

13  
00:00:32,229 --> 00:00:30,400

and his thoughts for the future i'm sure

14

00:00:34,150 --> 00:00:32,239

that will all come along but before we

15

00:00:36,549 --> 00:00:34,160

get to dan as usual you guys know i've

16

00:00:39,350 --> 00:00:36,559

got to talk to you about upcoming events

17

00:00:41,430 --> 00:00:39,360

and things that are happening and um

18

00:00:44,790 --> 00:00:41,440

let's see last week i went on quite a

19

00:00:47,510 --> 00:00:44,800

terror about the mufon symposium and uh

20

00:00:51,110 --> 00:00:47,520

this week i've calmed down a bit but not

21

00:00:57,510 --> 00:00:54,150

our buddy stan romanek was found guilty

22

00:00:59,590 --> 00:00:57,520

of some kind of charges yesterday and i

23

00:01:01,910 --> 00:00:59,600

was pretty upset about the whole thing

24

00:01:03,990 --> 00:01:01,920

and you know to be honest with you folks

25

00:01:06,230 --> 00:01:04,000

i was texting another good friend of

26

00:01:09,830 --> 00:01:06,240

mine um

27

00:01:12,149 --> 00:01:09,840

today and that is melinda leslie and

28

00:01:15,590 --> 00:01:12,159

i basically said to her i said what is

29

00:01:19,190 --> 00:01:15,600

with the whole ufo community where

30

00:01:22,310 --> 00:01:19,200

a guy that has actual footage of aliens

31

00:01:25,429 --> 00:01:22,320

shadow beans and orbs in his house and

32

00:01:29,429 --> 00:01:25,439

possible children from other dimensions

33

00:01:31,429 --> 00:01:29,439

and all this in film on film caught on

34

00:01:34,710 --> 00:01:31,439

film i don't think it's hoaxed you guys

35

00:01:36,950 --> 00:01:34,720

i've examined the movie i've watched it

36

00:01:38,950 --> 00:01:36,960

five or six times and i've slowed it

37

00:01:40,469 --> 00:01:38,960

down and i've looked at it and it's

38

00:01:43,670 --> 00:01:40,479

really hard

39

00:01:46,069 --> 00:01:43,680

to do that unless you got major cgi

40

00:01:47,749 --> 00:01:46,079

capability and i know the guys who

41

00:01:49,429 --> 00:01:47,759

produced the film

42

00:01:51,590 --> 00:01:49,439

they were doing it on a shoestring

43

00:01:54,310 --> 00:01:51,600

budget and yeah i'm sure they had some

44

00:01:56,710 --> 00:01:54,320

kind of cgi capability but folks i just

45

00:02:00,149 --> 00:01:56,720

don't see it i just don't see it in this

46

00:02:03,030 --> 00:02:00,159

movie okay i mean i can usually kind of

47

00:02:05,670 --> 00:02:03,040

tell and i think that those shots were

48

00:02:07,990 --> 00:02:05,680

very real about especially the alien in

49

00:02:09,190 --> 00:02:08,000

the window i know everybody says it was

50

00:02:11,270 --> 00:02:09,200

faked but

51  
00:02:13,510 --> 00:02:11,280  
you know

52  
00:02:15,270 --> 00:02:13,520  
i don't know i i just think it's real i

53  
00:02:17,030 --> 00:02:15,280  
don't know maybe dan has some insight

54  
00:02:18,390 --> 00:02:17,040  
into all the stan romanex stuff i don't

55  
00:02:21,510 --> 00:02:18,400  
know we'll talk to him about it later

56  
00:02:23,270 --> 00:02:21,520  
maybe he has none but my whole take is

57  
00:02:25,830 --> 00:02:23,280  
that there's something really

58  
00:02:28,630 --> 00:02:25,840  
happening with stan romanek trust me

59  
00:02:30,630 --> 00:02:28,640  
folks you don't go into this saying oh

60  
00:02:32,150 --> 00:02:30,640  
i've spotted ufos and a whole bunch of

61  
00:02:33,830 --> 00:02:32,160  
witnesses were with me when i saw them

62  
00:02:35,350 --> 00:02:33,840  
and they followed my car and then they

63  
00:02:37,350 --> 00:02:35,360

started calling my house and then they

64

00:02:39,990 --> 00:02:37,360

started coming to my house and all this

65

00:02:42,070 --> 00:02:40,000

strange stuff happened you don't tell

66

00:02:44,710 --> 00:02:42,080

people about it if you expect to make a

67

00:02:47,030 --> 00:02:44,720

living off of it see this is the part

68

00:02:49,670 --> 00:02:47,040

that i went nuts about with melinda i

69

00:02:51,990 --> 00:02:49,680

texted her and i said isn't it strange

70

00:02:54,710 --> 00:02:52,000

when the people who have actual proof of

71

00:02:56,790 --> 00:02:54,720

alien existence are called and warned

72

00:02:59,190 --> 00:02:56,800

that their film will never see the light

73

00:03:02,949 --> 00:02:59,200

of day quote unquote and that they will

74

00:03:05,030 --> 00:03:02,959

be punished for releasing it okay

75

00:03:07,750 --> 00:03:05,040

so when that happens and then there's

76

00:03:10,149 --> 00:03:07,760

guys like corey good who get out there

77

00:03:11,670 --> 00:03:10,159

and get a movie deal a bobble head doll

78

00:03:14,070 --> 00:03:11,680

a comic strip

79

00:03:16,470 --> 00:03:14,080

and they've got a marketing team around

80

00:03:19,430 --> 00:03:16,480

them and they're playing games they're

81

00:03:22,470 --> 00:03:19,440

playing contracts i i call it games i

82

00:03:25,670 --> 00:03:22,480

but it's contracts with this tv network

83

00:03:27,710 --> 00:03:25,680

out of denver colorado which is by by

84

00:03:29,270 --> 00:03:27,720

chance by you know by

85

00:03:32,390 --> 00:03:29,280

happenstance

86

00:03:34,070 --> 00:03:32,400

the satanic den of the united states and

87

00:03:36,390 --> 00:03:34,080

you know i'm sitting here and the guy

88

00:03:38,390 --> 00:03:36,400

that owns the thing thing is

89

00:03:41,030 --> 00:03:38,400

worshiping metatron

90

00:03:44,229 --> 00:03:41,040

so it makes me start wondering who's

91

00:03:46,309 --> 00:03:44,239

really in control of our paradigm folks

92

00:03:48,470 --> 00:03:46,319

okay they did the same thing to wendell

93

00:03:50,869 --> 00:03:48,480

stevens they did it to stand they're

94

00:03:53,830 --> 00:03:50,879

doing it to everybody they can that

95

00:03:56,149 --> 00:03:53,840

actual has that actually has information

96

00:03:57,030 --> 00:03:56,159

that's pertaining to what's really going

97

00:03:59,589 --> 00:03:57,040

on

98

00:04:01,509 --> 00:03:59,599

and i just i get really as you can tell

99

00:04:03,990 --> 00:04:01,519

i get really upset

100

00:04:05,990 --> 00:04:04,000

and uh the part of this that bothers me

101  
00:04:08,470 --> 00:04:06,000  
the most and this is what i figured out

102  
00:04:10,390 --> 00:04:08,480  
yesterday and oh darn my phone i left

103  
00:04:12,710 --> 00:04:10,400  
the ringer on okay well you guys will

104  
00:04:14,949 --> 00:04:12,720  
just have to sit through it ringing

105  
00:04:17,270 --> 00:04:14,959  
here's the part that really got to me

106  
00:04:18,949 --> 00:04:17,280  
i figured it out and i said it live on

107  
00:04:20,710 --> 00:04:18,959  
air on monday and i'm going to say it

108  
00:04:24,070 --> 00:04:20,720  
live on air today

109  
00:04:26,790 --> 00:04:24,080  
i absolutely believe that this tv

110  
00:04:29,430 --> 00:04:26,800  
network out of denver colorado is trying

111  
00:04:31,749 --> 00:04:29,440  
to control the narrative about

112  
00:04:34,469 --> 00:04:31,759  
going into the future about what we

113  
00:04:36,390 --> 00:04:34,479

believe is the truth about ufology i

114

00:04:37,189 --> 00:04:36,400

believe they are a psyops i believe

115

00:04:40,469 --> 00:04:37,199

they're

116

00:04:43,189 --> 00:04:40,479

in bed with the cia the nsa the alphabet

117

00:04:45,909 --> 00:04:43,199

agencies the department of energy the

118

00:04:48,070 --> 00:04:45,919

office of naval intelligence you name it

119

00:04:49,670 --> 00:04:48,080

i think they're in bed with them and i

120

00:04:51,670 --> 00:04:49,680

do believe that they are trying to

121

00:04:54,390 --> 00:04:51,680

control the narrative they don't care

122

00:04:56,390 --> 00:04:54,400

about anybody over 40 or 45 they don't

123

00:04:58,469 --> 00:04:56,400

care about us all of us old folks we're

124

00:05:00,550 --> 00:04:58,479

just going to shrivel up and die soon

125

00:05:02,550 --> 00:05:00,560

they don't care they want to control the

126  
00:05:04,950 --> 00:05:02,560  
younger people what they believe

127  
00:05:06,950 --> 00:05:04,960  
everybody i talked to under 40 says oh i

128  
00:05:07,749 --> 00:05:06,960  
watched it on youtube so it's got to be

129  
00:05:10,310 --> 00:05:07,759  
true

130  
00:05:11,830 --> 00:05:10,320  
you know and and they say oh gaia you

131  
00:05:13,670 --> 00:05:11,840  
know they're the the best thing since

132  
00:05:16,310 --> 00:05:13,680  
sliced bread and yes i just said their

133  
00:05:18,710 --> 00:05:16,320  
name and you know they they're doing the

134  
00:05:19,430 --> 00:05:18,720  
alien mummies from peru and they've got

135  
00:05:21,590 --> 00:05:19,440  
uh

136  
00:05:24,390 --> 00:05:21,600  
dolan on and they've got wilcock and

137  
00:05:27,670 --> 00:05:24,400  
they've got corey good and you did it

138  
00:05:29,270 --> 00:05:27,680

you know folks you know if these people

139

00:05:32,310 --> 00:05:29,280

would spend

140

00:05:35,350 --> 00:05:32,320

20 minutes a day researching the real

141

00:05:38,310 --> 00:05:35,360

people in ufology i mean the list goes

142

00:05:41,110 --> 00:05:38,320

on and on i i i'm so upset right now i

143

00:05:43,670 --> 00:05:41,120

can't even start the list but there are

144

00:05:45,830 --> 00:05:43,680

people out there randy coping he's got

145

00:05:47,670 --> 00:05:45,840

several books out the guy's of my labs

146

00:05:50,070 --> 00:05:47,680

expert he knows what goes on with these

147

00:05:52,070 --> 00:05:50,080

guys he's he's got information out there

148

00:05:54,629 --> 00:05:52,080

that'll blow your mind nobody buys his

149

00:05:56,230 --> 00:05:54,639

books nobody cares i mean

150

00:05:59,270 --> 00:05:56,240

it's like the people who do the real

151  
00:06:01,990 --> 00:05:59,280  
research oh our guy up in washington um

152  
00:06:03,909 --> 00:06:02,000  
i'm so upset clarkson he did an amazing

153  
00:06:05,749 --> 00:06:03,919  
book about june this woman who worked at

154  
00:06:08,629 --> 00:06:05,759  
wright-patterson airport does anybody

155  
00:06:11,270 --> 00:06:08,639  
know about it no all they know about is

156  
00:06:13,110 --> 00:06:11,280  
this the blue avians and i'm getting

157  
00:06:15,270 --> 00:06:13,120  
really upset with this whole thing and

158  
00:06:17,670 --> 00:06:15,280  
it is a psyops and if people don't wake

159  
00:06:19,430 --> 00:06:17,680  
up i don't know what we're going to do

160  
00:06:21,270 --> 00:06:19,440  
you know i'm really on the edge of

161  
00:06:23,749 --> 00:06:21,280  
deciding whether i want to have anything

162  
00:06:26,629 --> 00:06:23,759  
to do with any of it anymore and even

163  
00:06:28,390 --> 00:06:26,639

have a radio show you know mufon's been

164

00:06:30,150 --> 00:06:28,400

in bed with all kinds of people over the

165

00:06:32,070 --> 00:06:30,160

years and i don't care that move funds

166

00:06:34,150 --> 00:06:32,080

in bed with people i really don't

167

00:06:36,150 --> 00:06:34,160

because at least they let us have our

168

00:06:38,309 --> 00:06:36,160

meetings and we can do what we want at

169

00:06:40,550 --> 00:06:38,319

them and at least we can all find each

170

00:06:42,309 --> 00:06:40,560

other and have a good time and really

171

00:06:44,710 --> 00:06:42,319

tell each other the truth about what's

172

00:06:46,950 --> 00:06:44,720

going on in the ufo community i think

173

00:06:49,430 --> 00:06:46,960

mufon is a double-edged sword and i

174

00:06:51,350 --> 00:06:49,440

thank them for being the way they are

175

00:06:53,590 --> 00:06:51,360

because thank god they're doing that but

176

00:06:56,150 --> 00:06:53,600

you know when you watch this tv network

177

00:06:58,710 --> 00:06:56,160

no one's giving you the opportunity to

178

00:07:00,469 --> 00:06:58,720

rebuttal there's no rebuttaling there's

179

00:07:02,150 --> 00:07:00,479

no argument there's no having a

180

00:07:04,150 --> 00:07:02,160

different opinion there's nothing it's

181

00:07:06,230 --> 00:07:04,160

just brainwashing and it's coming right

182

00:07:09,589 --> 00:07:06,240

at you and you guys really need to wake

183

00:07:11,510 --> 00:07:09,599

up about this i you know okay

184

00:07:13,830 --> 00:07:11,520

i'm gonna breathe i'm gonna breathe i'm

185

00:07:15,749 --> 00:07:13,840

gonna breathe right now because i'm

186

00:07:18,469 --> 00:07:15,759

really out of terror tonight i swear to

187

00:07:20,550 --> 00:07:18,479

god folks after watching what happened

188

00:07:22,550 --> 00:07:20,560

to stan yesterday and watching this for

189

00:07:24,710 --> 00:07:22,560

five years they've kept it locked up in

190

00:07:27,510 --> 00:07:24,720

his house for freaking four years they

191

00:07:29,749 --> 00:07:27,520

killed david adair's wife they a slow

192

00:07:31,749 --> 00:07:29,759

kill with a rare disease that nobody

193

00:07:33,830 --> 00:07:31,759

else on this planet has except for one

194

00:07:35,189 --> 00:07:33,840

other person and they killed his wife

195

00:07:37,589 --> 00:07:35,199

and they made him sit there and watch it

196

00:07:39,830 --> 00:07:37,599

for five years to keep him quiet you

197

00:07:42,629 --> 00:07:39,840

have guys have no idea what they do to

198

00:07:45,510 --> 00:07:42,639

the people that are the true people in

199

00:07:47,990 --> 00:07:45,520

ufology you have no idea

200

00:07:49,830 --> 00:07:48,000

and uh i discovered that too i've

201  
00:07:52,469 --> 00:07:49,840  
discovered that they've taken all the

202  
00:07:54,629 --> 00:07:52,479  
the heavy players that are all in their

203  
00:07:57,029 --> 00:07:54,639  
70s right now and they've locked them up

204  
00:07:59,189 --> 00:07:57,039  
in their homes it's called somewhat

205  
00:08:00,950 --> 00:07:59,199  
freedom you know they all think they're

206  
00:08:03,110 --> 00:08:00,960  
free but the reality is these guys have

207  
00:08:05,189 --> 00:08:03,120  
a chokehold on them and they're killing

208  
00:08:07,270 --> 00:08:05,199  
their family members slowly so they have

209  
00:08:08,950 --> 00:08:07,280  
nowhere to go they can't leave the house

210  
00:08:10,950 --> 00:08:08,960  
they have to stay home and take care of

211  
00:08:12,550 --> 00:08:10,960  
them they can't go to a conference god

212  
00:08:14,070 --> 00:08:12,560  
no there's nobody to take care of them

213  
00:08:15,830 --> 00:08:14,080

and when they try to get people to help

214

00:08:18,629 --> 00:08:15,840

take care of them nobody will come to

215

00:08:20,869 --> 00:08:18,639

their aid isn't that interesting

216

00:08:24,309 --> 00:08:20,879

you know it's uh

217

00:08:26,230 --> 00:08:24,319

it's disgusting but the black black ops

218

00:08:28,710 --> 00:08:26,240

military and all these people have done

219

00:08:30,150 --> 00:08:28,720

to everybody anyhow okay i got to stop

220

00:08:33,430 --> 00:08:30,160

all this because i'm really getting you

221

00:08:35,909 --> 00:08:33,440

know i'm going to have a a headache by

222

00:08:37,430 --> 00:08:35,919

the time i get done here and i haven't

223

00:08:39,190 --> 00:08:37,440

gotten in chat yet i'm sure there's a

224

00:08:42,230 --> 00:08:39,200

lot of people they're very angry with me

225

00:08:44,550 --> 00:08:42,240

right now but you guys i you gotta wake

226  
00:08:46,710 --> 00:08:44,560  
up you gotta wake up and look at what's

227  
00:08:47,990 --> 00:08:46,720  
really going on here who wants to

228  
00:08:50,230 --> 00:08:48,000  
control

229  
00:08:51,190 --> 00:08:50,240  
for the money it's all about money in

230  
00:08:53,670 --> 00:08:51,200  
the end

231  
00:08:56,310 --> 00:08:53,680  
what you think about ufology is it

232  
00:08:59,670 --> 00:08:56,320  
ancient aliens bingo is it history

233  
00:09:03,509 --> 00:08:59,680  
channel bingo is it gaia bingo is it

234  
00:09:05,829 --> 00:09:03,519  
youtube bingo i mean it's all about them

235  
00:09:07,990 --> 00:09:05,839  
and what they want you to believe and

236  
00:09:10,310 --> 00:09:08,000  
believe me folk the real videos get

237  
00:09:12,870 --> 00:09:10,320  
taken off of youtube they get taken down

238  
00:09:14,949 --> 00:09:12,880

in a heartbeat i have friends who can't

239

00:09:18,070 --> 00:09:14,959

keep a video on youtube and they got

240

00:09:20,230 --> 00:09:18,080

real truth going on so there you go okay

241

00:09:23,190 --> 00:09:20,240

i really am done this time now what i'm

242

00:09:25,990 --> 00:09:23,200

trying to do is i'm trying to log into

243

00:09:28,150 --> 00:09:26,000

my website which is turning into an

244

00:09:29,990 --> 00:09:28,160

interesting conundrum right here i

245

00:09:31,990 --> 00:09:30,000

wonder how i'm going to do this okay

246

00:09:34,790 --> 00:09:32,000

let's try that

247

00:09:37,910 --> 00:09:34,800

and what i'm doing is i'm pasting up

248

00:09:40,310 --> 00:09:37,920

right now on my conferences page

249

00:09:42,710 --> 00:09:40,320

if you go to well give me one second

250

00:09:44,550 --> 00:09:42,720

here and i'll paste it in

251

00:09:48,550 --> 00:09:44,560

i'm gonna do it right now let's see if i

252

00:09:50,470 --> 00:09:48,560

can do it um i gotta go to the text part

253

00:09:52,550 --> 00:09:50,480

and right below the text i'm going to

254

00:09:55,030 --> 00:09:52,560

paste in a well maybe i'm going to paste

255

00:09:57,430 --> 00:09:55,040

it and good old wordpress giving me a

256

00:09:58,790 --> 00:09:57,440

bad time here okay let's see if i can

257

00:09:59,829 --> 00:09:58,800

paste it in

258

00:10:02,070 --> 00:09:59,839

uh

259

00:10:04,790 --> 00:10:02,080

no of course it's not doing it i don't

260

00:10:07,350 --> 00:10:04,800

know why well maybe during the break i

261

00:10:08,949 --> 00:10:07,360

will paste in a donate button and here's

262

00:10:10,829 --> 00:10:08,959

what i'd like you guys to do if you

263

00:10:12,790 --> 00:10:10,839

don't mind go to

264

00:10:17,110 --> 00:10:12,800

lorientfenton.com that's

265

00:10:21,269 --> 00:10:19,430

and go to the conferences page or

266

00:10:23,269 --> 00:10:21,279

upcoming events or whatever it's called

267

00:10:25,509 --> 00:10:23,279

i think it's called conferences there

268

00:10:27,190 --> 00:10:25,519

will be a picture up there right now

269

00:10:29,430 --> 00:10:27,200

that shows you that we're having a big

270

00:10:31,910 --> 00:10:29,440

birthday party for me on august 19th

271

00:10:34,310 --> 00:10:31,920

it's my 60th birthday and we're trying

272

00:10:37,590 --> 00:10:34,320

to raise some money to see if we can get

273

00:10:39,430 --> 00:10:37,600

a cat catio patio built in my

274

00:10:41,829 --> 00:10:39,440

senior mobile home park so that's what

275

00:10:43,590 --> 00:10:41,839

we're working at right now and i just

276

00:10:45,590 --> 00:10:43,600

decided i'm going to open this up not

277

00:10:47,110 --> 00:10:45,600

just the people coming to the party i

278

00:10:48,870 --> 00:10:47,120

know there's a lot of you out there that

279

00:10:50,470 --> 00:10:48,880

love kitty cats too want to see

280

00:10:54,870 --> 00:10:50,480

something happen for them

281

00:10:56,949 --> 00:10:54,880

and um hopefully you guys can um

282

00:10:59,430 --> 00:10:56,959

donate and help out with that i'd really

283

00:11:01,030 --> 00:10:59,440

appreciate it it would help us all the

284

00:11:03,030 --> 00:11:01,040

cats are trying to kill each other on a

285

00:11:04,630 --> 00:11:03,040

daily basis now so

286

00:11:07,509 --> 00:11:04,640

i don't know how much longer i'm going

287

00:11:09,829 --> 00:11:07,519

to have both of them at this point so

288

00:11:11,750 --> 00:11:09,839

there you are and if you could donate

289

00:11:13,910 --> 00:11:11,760

that be great the donate button will be

290

00:11:15,829 --> 00:11:13,920

up right underneath that in a very short

291

00:11:19,269 --> 00:11:15,839

amount of time so let's see what we can

292

00:11:21,430 --> 00:11:19,279

do here about that um maybe i actually

293

00:11:24,630 --> 00:11:21,440

did put it in we'll see

294

00:11:26,630 --> 00:11:24,640

um okay there we go let's save and exit

295

00:11:29,670 --> 00:11:26,640

and see if it did it it might have done

296

00:11:31,750 --> 00:11:29,680

it okay so um yeah after the first break

297

00:11:33,990 --> 00:11:31,760

check it out go to conferences under

298

00:11:36,310 --> 00:11:34,000

lorian fenton.com and there should be

299

00:11:39,030 --> 00:11:36,320

something there to be able to donate

300

00:11:42,550 --> 00:11:39,040

also if you guys want to see my kitty

301  
00:11:46,470 --> 00:11:42,560  
cats i actually posted them on the mufon

302  
00:11:47,590 --> 00:11:46,480  
marin sonoma.com website that's mufon

303  
00:11:51,430 --> 00:11:47,600  
marin

304  
00:11:54,630 --> 00:11:51,440  
county

305  
00:11:56,870 --> 00:11:54,640  
dot com that's mufon marin sonoma.com

306  
00:11:59,030 --> 00:11:56,880  
check it out go to the upcoming events

307  
00:12:01,269 --> 00:11:59,040  
page and there's a picture there with my

308  
00:12:02,630 --> 00:12:01,279  
kitty cats and all about the party and

309  
00:12:04,230 --> 00:12:02,640  
you can at least see them there and

310  
00:12:06,949 --> 00:12:04,240  
eventually i'll get a donate button

311  
00:12:10,069 --> 00:12:06,959  
under there too and we may just run

312  
00:12:11,350 --> 00:12:10,079  
until we can get this this legislature

313  
00:12:12,550 --> 00:12:11,360

passed in

314

00:12:14,389 --> 00:12:12,560

i don't know maybe i'm gonna have to do

315

00:12:16,389 --> 00:12:14,399

a big gofundme page but here's what i'm

316

00:12:18,629 --> 00:12:16,399

doing in a nutshell

317

00:12:20,629 --> 00:12:18,639

i'm getting a hold of an attorney and

318

00:12:24,230 --> 00:12:20,639

we're working on

319

00:12:26,629 --> 00:12:24,240

letting cats cat owners in mobile homes

320

00:12:28,389 --> 00:12:26,639

senior mobile home parks anybody over 55

321

00:12:30,710 --> 00:12:28,399

that lives in one of these crazy places

322

00:12:33,430 --> 00:12:30,720

where the regulations are beyond a nazi

323

00:12:35,990 --> 00:12:33,440

concentration camp i must tell you

324

00:12:37,750 --> 00:12:36,000

um it's unbelievable my hedges i have to

325

00:12:38,870 --> 00:12:37,760

go out with measuring tape and measure

326

00:12:41,190 --> 00:12:38,880

when i'm cutting my head because you

327

00:12:43,590 --> 00:12:41,200

guys may believe this it's insanity and

328

00:12:45,030 --> 00:12:43,600

they will not allow cats to be outside

329

00:12:47,030 --> 00:12:45,040

at all okay

330

00:12:48,310 --> 00:12:47,040

dogs of course can get on a leash and go

331

00:12:50,870 --> 00:12:48,320

out with their owners and have a good

332

00:12:52,949 --> 00:12:50,880

old time and you know wander around and

333

00:12:54,790 --> 00:12:52,959

do their thing but the kitty cats they

334

00:12:56,949 --> 00:12:54,800

just gotta look out their windows and

335

00:12:59,590 --> 00:12:56,959

it's not very conducive

336

00:13:01,509 --> 00:12:59,600

when a lot of these cats are older cats

337

00:13:03,509 --> 00:13:01,519

that were in bigger homes and they've

338

00:13:05,750 --> 00:13:03,519

all been shrunk down into you know 700

339

00:13:07,350 --> 00:13:05,760

square feet and they're all miserable

340

00:13:09,110 --> 00:13:07,360

and i've talked to a lot of my neighbors

341

00:13:10,870 --> 00:13:09,120

and they're in the same situation i am

342

00:13:11,990 --> 00:13:10,880

they have older cats that you know they

343

00:13:13,750 --> 00:13:12,000

moved here

344

00:13:15,670 --> 00:13:13,760

because they're you know older and

345

00:13:17,509 --> 00:13:15,680

retiring and what have you and their

346

00:13:19,590 --> 00:13:17,519

cats are all just miserable and it's

347

00:13:21,829 --> 00:13:19,600

just horrible they can't get any real

348

00:13:23,350 --> 00:13:21,839

fresh air they can't get any you know

349

00:13:24,629 --> 00:13:23,360

they can get in the sun in the fresh air

350

00:13:27,110 --> 00:13:24,639

looking through a window or through a

351

00:13:28,710 --> 00:13:27,120

screen but it's not the same folks

352

00:13:31,990 --> 00:13:28,720

they really need it it helps their

353

00:13:34,069 --> 00:13:32,000

little bodies uh be happy and healthy so

354

00:13:35,269 --> 00:13:34,079

i'm trying to do the best i can to

355

00:13:36,790 --> 00:13:35,279

change this for the whole state of

356

00:13:39,190 --> 00:13:36,800

california and maybe we can do it

357

00:13:41,190 --> 00:13:39,200

nationwide i don't know but i'm just

358

00:13:44,069 --> 00:13:41,200

piecing it all together i'm starting in

359

00:13:46,790 --> 00:13:44,079

september and uh just trying to raise

360

00:13:49,190 --> 00:13:46,800

some money to get the catio so i have

361

00:13:51,269 --> 00:13:49,200

something to show the mobile home park

362

00:13:53,509 --> 00:13:51,279

owner and i have something to show the

363

00:13:55,030 --> 00:13:53,519

lawyers and i have something to say hey

364

00:13:57,590 --> 00:13:55,040

look they're not ugly they're these

365

00:13:59,030 --> 00:13:57,600

beautiful wood things with screens and

366

00:14:01,110 --> 00:13:59,040

they're just like a little room and the

367

00:14:02,790 --> 00:14:01,120

cats get to go out a kitty door right

368

00:14:04,470 --> 00:14:02,800

into them and they get to go out there

369

00:14:06,310 --> 00:14:04,480

and breathe fresh air and hang out in

370

00:14:09,509 --> 00:14:06,320

the sunlight and get rained on if they

371

00:14:11,269 --> 00:14:09,519

want to you know whatever they want and

372

00:14:13,670 --> 00:14:11,279

it just it makes them feel better and

373

00:14:15,829 --> 00:14:13,680

healthy so that's what i'm hoping for

374

00:14:17,670 --> 00:14:15,839

i'm also going to try and i don't know

375

00:14:19,910 --> 00:14:17,680

if this could happen if any of you know

376

00:14:22,870 --> 00:14:19,920

anybody that produces this show please

377

00:14:26,310 --> 00:14:22,880

let me know it is called animal planet

378

00:14:28,230 --> 00:14:26,320

my cat from hell with jason galaxy i'm

379

00:14:29,910 --> 00:14:28,240

going to get to la at some point and try

380

00:14:32,069 --> 00:14:29,920

to meet up with him and see if there's

381

00:14:35,350 --> 00:14:32,079

any possibility

382

00:14:37,189 --> 00:14:35,360

his foundation would uh sponsor and help

383

00:14:38,230 --> 00:14:37,199

with this kind of bill that we need to

384

00:14:40,470 --> 00:14:38,240

pass

385

00:14:42,150 --> 00:14:40,480

so anyhow so that's my big goal you guys

386

00:14:44,629 --> 00:14:42,160

i mean i'm really serious about this i

387

00:14:46,470 --> 00:14:44,639

want this to change for kitty owners so

388

00:14:48,310 --> 00:14:46,480

those are my only children you know and

389

00:14:51,910 --> 00:14:48,320

i've got to take care of them so there

390

00:14:53,110 --> 00:14:51,920

we are until the coats show up

391

00:14:55,110 --> 00:14:53,120

and then i'll probably passing

392

00:14:56,870 --> 00:14:55,120

legislation for ufos to be able to pick

393

00:14:59,269 --> 00:14:56,880

up goats anytime they want to ride to

394

00:15:03,430 --> 00:14:59,279

outer space so there you go

395

00:15:05,110 --> 00:15:03,440

okay um let me get on to the um

396

00:15:06,710 --> 00:15:05,120

let's see

397

00:15:08,629 --> 00:15:06,720

see if there's any there seems to be

398

00:15:10,310 --> 00:15:08,639

lots of bubbles in here that people are

399

00:15:12,389 --> 00:15:10,320

trying to communicate with me but i i'm

400

00:15:15,430 --> 00:15:12,399

not paying attention as usual

401  
00:15:18,389 --> 00:15:15,440  
um let me get in here and get to the

402  
00:15:21,030 --> 00:15:18,399  
chat room okay dan

403  
00:15:25,750 --> 00:15:21,040  
dan willis are you ready to to take the

404  
00:15:29,670 --> 00:15:27,269  
hello lauren

405  
00:15:31,189 --> 00:15:29,680  
greetings hey how are you doing my

406  
00:15:32,710 --> 00:15:31,199  
friend

407  
00:15:34,389 --> 00:15:32,720  
oh in the middle of a storm with

408  
00:15:36,949 --> 00:15:34,399  
lightning over here hopefully the

409  
00:15:39,030 --> 00:15:36,959  
connection will stay up we're we're off

410  
00:15:41,750 --> 00:15:39,040  
the grid living up here in the mountains

411  
00:15:44,870 --> 00:15:41,760  
but uh the internet could go down at any

412  
00:15:47,110 --> 00:15:44,880  
moment so uh you know we'll hopefully if

413  
00:15:48,710 --> 00:15:47,120

it does then i'll just have to get my

414

00:15:52,230 --> 00:15:48,720

cats in here and they'll have to sing

415

00:15:53,430 --> 00:15:52,240

around with kumbaya or something and

416

00:15:56,150 --> 00:15:53,440

i don't know if you can hear them right

417

00:15:58,790 --> 00:15:56,160

now but they're going off right now so

418

00:16:01,110 --> 00:15:58,800

uh it's always it's always a fun fun fun

419

00:16:03,350 --> 00:16:01,120

day here at the at the mini house i call

420

00:16:06,629 --> 00:16:03,360

it my tiny house

421

00:16:08,870 --> 00:16:06,639

so um so how are you doing and uh what

422

00:16:11,269 --> 00:16:08,880

have you been up to and first of all i

423

00:16:12,790 --> 00:16:11,279

guess what beyond that is i guess we

424

00:16:14,790 --> 00:16:12,800

should tell the audience who you are

425

00:16:16,470 --> 00:16:14,800

where you come from how i met you what

426

00:16:18,629 --> 00:16:16,480

you know what happened

427

00:16:23,790 --> 00:16:18,639

so let's start there

428

00:16:25,590 --> 00:16:23,800

oh okay uh well let's see back in uh

429

00:16:27,189 --> 00:16:25,600

1969

430

00:16:30,310 --> 00:16:27,199

a long time ago

431

00:16:31,910 --> 00:16:30,320

um i had a high level top secret

432

00:16:34,629 --> 00:16:31,920

security clearance working in naval

433

00:16:36,389 --> 00:16:34,639

communications um i was a high-speed

434

00:16:39,829 --> 00:16:36,399

code operator and

435

00:16:42,389 --> 00:16:39,839

i took thousands of messages and one

436

00:16:45,269 --> 00:16:42,399

stuck in my mind

437

00:16:46,790 --> 00:16:45,279

the ship was reporting off of coast of

438

00:16:49,350 --> 00:16:46,800

alaska

439

00:16:51,189 --> 00:16:49,360

a brightly glowing reddish orange

440

00:16:53,749 --> 00:16:51,199

elliptical object about 70 feet in

441

00:16:55,749 --> 00:16:53,759

diameter the merged off port bow the

442

00:16:57,509 --> 00:16:55,759

ship's crew witnessed it

443

00:16:59,110 --> 00:16:57,519

and then it shot straight up into space

444

00:17:01,910 --> 00:16:59,120

the radar operator tracked the blips

445

00:17:04,549 --> 00:17:01,920

going over 7000 miles per hour this was

446

00:17:06,390 --> 00:17:04,559

a secret classified priority message

447

00:17:09,110 --> 00:17:06,400

authenticated going the chief naval

448

00:17:12,470 --> 00:17:09,120

operations in washington dc

449

00:17:13,429 --> 00:17:12,480

um i was only like you know 20 21 years

450

00:17:15,750 --> 00:17:13,439

old

451  
00:17:18,390 --> 00:17:15,760  
yeah when when that was happening

452  
00:17:19,429 --> 00:17:18,400  
uh and so it kind of put a seed in my

453  
00:17:21,270 --> 00:17:19,439  
mind

454  
00:17:23,990 --> 00:17:21,280  
about uh

455  
00:17:25,669 --> 00:17:24,000  
what was that you know it was like uh

456  
00:17:27,990 --> 00:17:25,679  
you know only thing i remember about

457  
00:17:29,990 --> 00:17:28,000  
flying saucers is uh you know the day

458  
00:17:31,590 --> 00:17:30,000  
there stood still and forbidden planet

459  
00:17:32,950 --> 00:17:31,600  
and things like that of the 50s when i

460  
00:17:33,750 --> 00:17:32,960  
was a kid

461  
00:17:34,950 --> 00:17:33,760  
so

462  
00:17:39,270 --> 00:17:34,960  
um

463  
00:17:40,870 --> 00:17:39,280

of experiences

464

00:17:43,669 --> 00:17:40,880

you know i've seen them fly like 100

465

00:17:46,710 --> 00:17:43,679

feet over my head

466

00:17:48,870 --> 00:17:46,720

and it was either you know it's either

467

00:17:50,230 --> 00:17:48,880

theirs or ours one of the two i don't

468

00:17:53,270 --> 00:17:50,240

have any idea

469

00:17:56,710 --> 00:17:53,280

um just that it was quiet and it was

470

00:17:58,789 --> 00:17:56,720

glowing and about 50-foot diameter disc

471

00:18:01,350 --> 00:17:58,799

um

472

00:18:02,950 --> 00:18:01,360

and uh

473

00:18:06,310 --> 00:18:02,960

oh back in the

474

00:18:08,710 --> 00:18:06,320

late 70s i had somewhat i guess you

475

00:18:10,789 --> 00:18:08,720

could call uh this is not really in the

476

00:18:13,350 --> 00:18:10,799

scientific area i guess

477

00:18:16,549 --> 00:18:13,360

but i had a sort of a paranormal et

478

00:18:19,110 --> 00:18:16,559

experience that had to do with uh

479

00:18:20,630 --> 00:18:19,120

consciousness and geometry and i didn't

480

00:18:21,590 --> 00:18:20,640

know anything about

481

00:18:24,870 --> 00:18:21,600

uh

482

00:18:27,029 --> 00:18:24,880

these subjects you know

483

00:18:28,870 --> 00:18:27,039

you had a what about consciousness and

484

00:18:32,230 --> 00:18:28,880

geometry

485

00:18:38,310 --> 00:18:36,070

it was a very unusual experience um

486

00:18:40,070 --> 00:18:38,320

it was like a kundalini opening

487

00:18:43,190 --> 00:18:40,080

experience and there was this being with

488

00:18:45,510 --> 00:18:43,200

a huge cranium and eyes and incredible

489

00:18:48,390 --> 00:18:45,520

energy and it was conveying

490

00:18:50,230 --> 00:18:48,400

uh telepathically uh

491

00:18:51,510 --> 00:18:50,240

something this is kind of in the uh the

492

00:18:55,350 --> 00:18:51,520

far

493

00:18:57,750 --> 00:18:55,360

listeners probably you know tune out on

494

00:18:59,750 --> 00:18:57,760

this stuff you know no no not on my show

495

00:19:02,070 --> 00:18:59,760

and i'll tell you why because i

496

00:19:04,150 --> 00:19:02,080

absolutely believe that we are dealing

497

00:19:06,470 --> 00:19:04,160

with all of us here that are fighting

498

00:19:08,830 --> 00:19:06,480

this battle with the ufo community and

499

00:19:10,789 --> 00:19:08,840

the consciousness and the and all the

500

00:19:13,750 --> 00:19:10,799

conspiracies and you know all the stuff

501  
00:19:16,470 --> 00:19:13,760  
all the awakened people that i've met

502  
00:19:18,789 --> 00:19:16,480  
have had that exact experience i mean

503  
00:19:21,590 --> 00:19:18,799  
it's it's very common

504  
00:19:24,390 --> 00:19:21,600  
especially for contactees abductees and

505  
00:19:25,750 --> 00:19:24,400  
even what i call the the communicators

506  
00:19:27,350 --> 00:19:25,760  
which i think

507  
00:19:29,750 --> 00:19:27,360  
you were one of the communicators

508  
00:19:32,470 --> 00:19:29,760  
because you're dealing with an a higher

509  
00:19:34,070 --> 00:19:32,480  
higher higher dimensional being

510  
00:19:36,549 --> 00:19:34,080  
that is giving you this kind of

511  
00:19:38,150 --> 00:19:36,559  
information and what's so bizarre about

512  
00:19:39,510 --> 00:19:38,160  
that is if you go to the rental shop

513  
00:19:41,830 --> 00:19:39,520

incident they were giving them

514

00:19:43,990 --> 00:19:41,840

information like that if you go to dan

515

00:19:46,470 --> 00:19:44,000

sherman's account they were giving him

516

00:19:49,830 --> 00:19:46,480

information you go to all these accounts

517

00:19:53,190 --> 00:19:49,840

of like kind of like long-term training

518

00:19:56,549 --> 00:19:53,200

contact at some point during the contact

519

00:20:01,430 --> 00:19:56,559

they are downloaded with this geometric

520

00:20:02,870 --> 00:20:01,440

or numbers or geometry or language

521

00:20:06,470 --> 00:20:02,880

of another

522

00:20:09,350 --> 00:20:06,480

species of content i mean of

523

00:20:11,830 --> 00:20:09,360

being and i in my opinion is they're

524

00:20:13,909 --> 00:20:11,840

just a very high dimensional being and

525

00:20:16,630 --> 00:20:13,919

like maybe they're only like two steps

526  
00:20:18,310 --> 00:20:16,640  
over in a parallel dimension and they're

527  
00:20:19,750 --> 00:20:18,320  
communicating with us

528  
00:20:21,990 --> 00:20:19,760  
but they're not communicating with

529  
00:20:24,470 --> 00:20:22,000  
everybody so you know i think it's very

530  
00:20:28,070 --> 00:20:24,480  
special that this this being talked to

531  
00:20:30,789 --> 00:20:28,080  
you or communicated telepathically and

532  
00:20:33,750 --> 00:20:30,799  
made this impression upon you do you

533  
00:20:36,070 --> 00:20:33,760  
have any idea what it was he gave you

534  
00:20:39,190 --> 00:20:36,080  
and if you've ever used it since then or

535  
00:20:40,549 --> 00:20:39,200  
if it's just sitting there in your mind

536  
00:20:42,390 --> 00:20:40,559  
well

537  
00:20:44,669 --> 00:20:42,400  
you know what was unusual about it you

538  
00:20:48,630 --> 00:20:44,679

know this is like it was like this is

539

00:20:50,950 --> 00:20:48,640

1977 i believe um

540

00:20:52,630 --> 00:20:50,960

the uh i had what's called like a

541

00:20:54,070 --> 00:20:52,640

kundalini where you have like millions

542

00:20:55,990 --> 00:20:54,080

of volts feeling going through your

543

00:20:57,830 --> 00:20:56,000

hands and your feet

544

00:20:59,909 --> 00:20:57,840

yeah almost as though they wanted to

545

00:21:01,590 --> 00:20:59,919

raise my frequency up in order to give

546

00:21:04,070 --> 00:21:01,600

me like a little bit of a trickle

547

00:21:06,630 --> 00:21:04,080

download you know from their level

548

00:21:08,870 --> 00:21:06,640

uh exactly that's exactly what it is by

549

00:21:11,110 --> 00:21:08,880

the way that from all of us that have

550

00:21:13,990 --> 00:21:11,120

had the experience we've all determined

551  
00:21:15,270 --> 00:21:14,000  
that so go ahead you're that's perfect

552  
00:21:17,110 --> 00:21:15,280  
you know i'm still

553  
00:21:18,470 --> 00:21:17,120  
to this day

554  
00:21:21,590 --> 00:21:18,480  
i'm still

555  
00:21:24,470 --> 00:21:21,600  
deciphering what was conveyed if you can

556  
00:21:28,230 --> 00:21:24,480  
believe that you know here

557  
00:21:30,549 --> 00:21:28,240  
here's 2017 you know um so anyway they

558  
00:21:33,029 --> 00:21:30,559  
make a long story short um

559  
00:21:35,590 --> 00:21:33,039  
the being projected in in space the

560  
00:21:38,630 --> 00:21:35,600  
sphere and as i watched this you know a

561  
00:21:40,789 --> 00:21:38,640  
globe uh and as i looked at the globe

562  
00:21:44,070 --> 00:21:40,799  
the first thing i saw was and i didn't

563  
00:21:47,909 --> 00:21:44,080

you know let me preface and say i have

564

00:21:50,230 --> 00:21:47,919

never had geometry in high school or

565

00:21:53,110 --> 00:21:50,240

studied geometry i didn't know what the

566

00:21:55,669 --> 00:21:53,120

platonic solids were and that geometries

567

00:21:57,270 --> 00:21:55,679

fit into the other into each other i

568

00:21:59,909 --> 00:21:57,280

didn't have any of this background i

569

00:22:03,029 --> 00:21:59,919

didn't even you know

570

00:22:06,310 --> 00:22:03,039

have any idea of sacred geometry

571

00:22:08,950 --> 00:22:06,320

and so uh what the being projected was

572

00:22:10,789 --> 00:22:08,960

this fear and as i watched the sphere

573

00:22:13,110 --> 00:22:10,799

had like a

574

00:22:15,190 --> 00:22:13,120

six-pointed star configuration could be

575

00:22:17,430 --> 00:22:15,200

like a star tetrahedron

576

00:22:19,350 --> 00:22:17,440

uh and then another geometry fit in with

577

00:22:23,110 --> 00:22:19,360

that one and then another one fit into

578

00:22:24,310 --> 00:22:23,120

that one and it just kept on going into

579

00:22:26,950 --> 00:22:24,320

infinity

580

00:22:30,230 --> 00:22:26,960

and then exactly i've seen the exact

581

00:22:32,789 --> 00:22:30,240

things i know you're talking about yep

582

00:22:35,590 --> 00:22:32,799

and then it uh turned back into the

583

00:22:38,630 --> 00:22:35,600

perfect sphere and this is you know this

584

00:22:41,270 --> 00:22:38,640

is not scientific uh but on but what the

585

00:22:43,590 --> 00:22:41,280

being was conveying that uh the

586

00:22:46,870 --> 00:22:43,600

consciousness that each one of us are on

587

00:22:49,430 --> 00:22:46,880

is like resonating within the sphere all

588

00:22:51,830 --> 00:22:49,440

the harmonics all the vibrations all

589

00:22:55,590 --> 00:22:51,840

all the frequencies exist

590

00:22:58,230 --> 00:22:55,600

and uh at any particular point uh you're

591

00:23:01,590 --> 00:22:58,240

resonating on a particular frequency and

592

00:23:04,630 --> 00:23:01,600

you can become aware of the sub-levels

593

00:23:05,669 --> 00:23:04,640

within that sphere but not of the upper

594

00:23:07,510 --> 00:23:05,679

levels

595

00:23:09,029 --> 00:23:07,520

and that

596

00:23:13,029 --> 00:23:09,039

through love

597

00:23:14,390 --> 00:23:13,039

uh we evolve from one level into the

598

00:23:15,270 --> 00:23:14,400

next level

599

00:23:17,830 --> 00:23:15,280

and

600

00:23:18,710 --> 00:23:17,840

you know all this uh you know just was

601  
00:23:21,029 --> 00:23:18,720  
like

602  
00:23:22,789 --> 00:23:21,039  
i mean the being had these even the

603  
00:23:25,909 --> 00:23:22,799  
intensity was

604  
00:23:28,230 --> 00:23:25,919  
highly intense to put it mildly and yeah

605  
00:23:30,230 --> 00:23:28,240  
it was like but loving it was like a lot

606  
00:23:31,430 --> 00:23:30,240  
of love coming out yeah

607  
00:23:33,669 --> 00:23:31,440  
uh

608  
00:23:35,830 --> 00:23:33,679  
and so you know this left a burning

609  
00:23:38,870 --> 00:23:35,840  
desire in me so i started grabbing every

610  
00:23:41,110 --> 00:23:38,880  
book i could on the subject matter

611  
00:23:43,350 --> 00:23:41,120  
and all of a sudden i said oh my god

612  
00:23:45,190 --> 00:23:43,360  
look at that you know it's like yeah one

613  
00:23:48,390 --> 00:23:45,200

fits into the other just like that and i

614

00:23:51,909 --> 00:23:48,400

said wow this is some kind of

615

00:23:55,190 --> 00:23:51,919

some kind of clue to the understanding

616

00:23:56,710 --> 00:23:55,200

the matrix in which we are in

617

00:23:59,750 --> 00:23:56,720

and so

618

00:24:02,870 --> 00:23:59,760

at the time um

619

00:24:05,909 --> 00:24:02,880

let's see a few years went by uh i i

620

00:24:07,510 --> 00:24:05,919

sought out i knew that uh crystalline

621

00:24:09,750 --> 00:24:07,520

materials and there's always you know

622

00:24:12,549 --> 00:24:09,760

folklore of uh

623

00:24:15,029 --> 00:24:12,559

you know crystals and things and with

624

00:24:16,950 --> 00:24:15,039

cultures that are widely separated

625

00:24:19,669 --> 00:24:16,960

totally different and they all have

626

00:24:22,710 --> 00:24:19,679

these similar attributes that they the

627

00:24:25,029 --> 00:24:22,720

spiritual so quote-unquote attributes

628

00:24:27,029 --> 00:24:25,039

which is basically you know something

629

00:24:29,669 --> 00:24:27,039

scientific that they haven't uh figured

630

00:24:32,549 --> 00:24:29,679

out yet you know but but they they have

631

00:24:34,950 --> 00:24:32,559

these folklore about it and so

632

00:24:37,029 --> 00:24:34,960

uh i knew that the courts had something

633

00:24:40,789 --> 00:24:37,039

to do you know the quartz crystal

634

00:24:44,310 --> 00:24:40,799

um and i knew dr marcel vogel

635

00:24:47,510 --> 00:24:46,070

on this project he was still working for

636

00:24:52,310 --> 00:24:47,520

ibm

637

00:24:54,549 --> 00:24:52,320

and uh so i i drove up to his place it

638

00:24:55,350 --> 00:24:54,559

was like in the middle of a storm

639

00:24:57,750 --> 00:24:55,360

uh

640

00:25:00,549 --> 00:24:57,760

from san diego up to san jose and

641

00:25:01,909 --> 00:25:00,559

knocked on his door late at night and i

642

00:25:03,430 --> 00:25:01,919

uh

643

00:25:06,310 --> 00:25:03,440

he invited me in

644

00:25:08,149 --> 00:25:06,320

and um well now see right there the

645

00:25:09,909 --> 00:25:08,159

first time you told me the story i just

646

00:25:12,470 --> 00:25:09,919

kind of laughed and then now that you're

647

00:25:14,789 --> 00:25:12,480

saying it again i was like dude this

648

00:25:16,549 --> 00:25:14,799

guy's like letting a stranger in that

649

00:25:19,190 --> 00:25:16,559

just knocks on his door

650

00:25:21,110 --> 00:25:19,200

i called him up first of course oh good

651  
00:25:23,110 --> 00:25:21,120  
good i forgot to ask that the first time

652  
00:25:26,310 --> 00:25:23,120  
i tried trying to make the make the

653  
00:25:27,990 --> 00:25:26,320  
story short you know oh okay all right

654  
00:25:29,350 --> 00:25:28,000  
sorry i just was laughing because i

655  
00:25:30,950 --> 00:25:29,360  
thought jeez you know it's the second

656  
00:25:33,350 --> 00:25:30,960  
time i've heard him say he just shows up

657  
00:25:35,029 --> 00:25:33,360  
on this guy's door and he lets him in

658  
00:25:36,390 --> 00:25:35,039  
i'm like okay

659  
00:25:39,110 --> 00:25:36,400  
cool okay

660  
00:25:40,950 --> 00:25:39,120  
i sat down on this couch with a doctor

661  
00:25:42,710 --> 00:25:40,960  
that was visiting hound

662  
00:25:44,310 --> 00:25:42,720  
and i turned off all lights played

663  
00:25:46,470 --> 00:25:44,320

classical music what seemed like for

664

00:25:48,710 --> 00:25:46,480

half an hour you know beautiful piece of

665

00:25:50,789 --> 00:25:48,720

classical music and i i said you know i

666

00:25:52,950 --> 00:25:50,799

heard i heard about your work you know

667

00:25:55,590 --> 00:25:52,960

i'm fascinated you know because here he

668

00:25:58,870 --> 00:25:55,600

is a full-on scientist he's like ibm's

669

00:26:01,269 --> 00:25:58,880

head scientist he had like 140 patents

670

00:26:03,669 --> 00:26:01,279

he uh developed the magnetic coating for

671

00:26:05,990 --> 00:26:03,679

hard drives the color phosphors for

672

00:26:08,830 --> 00:26:06,000

color television the red and blue ones

673

00:26:10,630 --> 00:26:08,840

uh liquid crystals i mean incredible

674

00:26:13,029 --> 00:26:10,640

genius uh yeah

675

00:26:14,630 --> 00:26:13,039

and so i uh

676  
00:26:16,390 --> 00:26:14,640  
you know he and the first thing he said

677  
00:26:17,669 --> 00:26:16,400  
for

678  
00:26:19,430 --> 00:26:17,679  
it's kind of hot he says you're from

679  
00:26:21,430 --> 00:26:19,440  
another planet aren't you and i said

680  
00:26:23,430 --> 00:26:21,440  
well i don't know about that you know i

681  
00:26:24,870 --> 00:26:23,440  
said but i'm fascinated about your work

682  
00:26:28,230 --> 00:26:24,880  
and what you're doing

683  
00:26:30,310 --> 00:26:28,240  
and so a while went by a knock came on

684  
00:26:32,230 --> 00:26:30,320  
the door this woman

685  
00:26:33,669 --> 00:26:32,240  
he was working with

686  
00:26:35,669 --> 00:26:33,679  
working with some people and some

687  
00:26:37,350 --> 00:26:35,679  
doctors local doctors

688  
00:26:40,070 --> 00:26:37,360

using a

689

00:26:42,310 --> 00:26:40,080

technique he was using with a crystal

690

00:26:43,990 --> 00:26:42,320

and so she heard about that and she had

691

00:26:47,669 --> 00:26:44,000

a daughter that had this tumor that was

692

00:26:49,909 --> 00:26:47,679

about about about half an inch or so

693

00:26:52,390 --> 00:26:49,919

protruding on her ankle

694

00:26:54,549 --> 00:26:52,400

and so he did the first he did this

695

00:26:56,549 --> 00:26:54,559

procedure in front of us uh from the

696

00:26:57,510 --> 00:26:56,559

doctor and i sitting on the couch

697

00:27:00,630 --> 00:26:57,520

uh

698

00:27:03,029 --> 00:27:00,640

you know using using breath and

699

00:27:04,390 --> 00:27:03,039

uh a whole procedure that he did with

700

00:27:05,669 --> 00:27:04,400

the crystal

701  
00:27:08,710 --> 00:27:05,679  
and

702  
00:27:11,510 --> 00:27:08,720  
in front of us uh the tumor

703  
00:27:12,230 --> 00:27:11,520  
physically dematerialized

704  
00:27:15,990 --> 00:27:12,240  
so

705  
00:27:19,669 --> 00:27:16,000  
wow

706  
00:27:20,549 --> 00:27:19,679  
some kind of he's he's tapped into

707  
00:27:25,909 --> 00:27:20,559  
uh

708  
00:27:27,990 --> 00:27:25,919  
crystalline form that

709  
00:27:30,149 --> 00:27:28,000  
what he did was he took you know the the

710  
00:27:32,870 --> 00:27:30,159  
crystals they normally go in the caves

711  
00:27:34,549 --> 00:27:32,880  
and takes you know millions of years you

712  
00:27:36,950 --> 00:27:34,559  
know to form these things

713  
00:27:39,909 --> 00:27:36,960

um and they grow you know in any drink

714

00:27:42,070 --> 00:27:39,919

they all dr grow with uh

715

00:27:43,830 --> 00:27:42,080

in vortexes they're like they left and

716

00:27:45,029 --> 00:27:43,840

right-handed spirals and they grow

717

00:27:46,870 --> 00:27:45,039

according to

718

00:27:48,630 --> 00:27:46,880

nature you know whatever is in the area

719

00:27:50,390 --> 00:27:48,640

in the magnetic fields and everything so

720

00:27:53,430 --> 00:27:50,400

they're just kind of wild but they but

721

00:27:55,190 --> 00:27:53,440

they all grow in a 52 degree angle the

722

00:27:58,789 --> 00:27:55,200

same as a great pyramid in egypt which

723

00:27:59,990 --> 00:27:58,799

relates to the golden mean and all that

724

00:28:00,830 --> 00:28:00,000

yeah but

725

00:28:05,190 --> 00:28:00,840

but

726

00:28:07,990 --> 00:28:05,200

um what uh he did was he had this his

727

00:28:10,630 --> 00:28:08,000

vision this dream uh he wanted to make

728

00:28:12,389 --> 00:28:10,640

it more after he had an experience and

729

00:28:14,149 --> 00:28:12,399

making a long story short you know this

730

00:28:16,149 --> 00:28:14,159

this all came out of

731

00:28:17,909 --> 00:28:16,159

plant communication because he was

732

00:28:20,070 --> 00:28:17,919

written in the right

733

00:28:21,190 --> 00:28:20,080

secret life of plants

734

00:28:23,510 --> 00:28:21,200

yeah

735

00:28:25,830 --> 00:28:23,520

he had a creativity course he had about

736

00:28:28,070 --> 00:28:25,840

30 engineers he had to do this course

737

00:28:30,630 --> 00:28:28,080

for he read about cleve baxter as a

738

00:28:32,070 --> 00:28:30,640

polygraph expert for the cia and thought

739

00:28:34,870 --> 00:28:32,080

about the plants you know the guy comes

740

00:28:36,630 --> 00:28:34,880

in trashes the plants leaves and the guy

741

00:28:37,990 --> 00:28:36,640

and other people come in nothing happens

742

00:28:39,510 --> 00:28:38,000

that same guy that trashed the plants

743

00:28:40,870 --> 00:28:39,520

comes back in the room and and the

744

00:28:43,269 --> 00:28:40,880

script chart you know it goes off the

745

00:28:45,510 --> 00:28:43,279

scale you know so exactly yeah hey you

746

00:28:47,510 --> 00:28:45,520

know what with that dan we gotta take

747

00:28:50,230 --> 00:28:47,520

our first break can you see how fast

748

00:28:52,230 --> 00:28:50,240

this is gonna go oh my god okay folks

749

00:28:54,230 --> 00:28:52,240

stick around dan willis is with us

750

00:28:56,310 --> 00:28:54,240

tonight he's got all kinds of areas

751  
00:28:58,310 --> 00:28:56,320  
we're gonna cover all the way from the

752  
00:29:00,470 --> 00:28:58,320  
secret life of plants to i think the

753  
00:29:04,870 --> 00:29:00,480  
secret life of extraterrestrials who

754  
00:29:09,510 --> 00:29:07,190  
welcome back everyone to the california

755  
00:29:11,669 --> 00:29:09,520  
mufon radio show i'm your host lauren

756  
00:29:15,830 --> 00:29:11,679  
fenton and i'm here tonight with dan

757  
00:29:17,830 --> 00:29:15,840  
willis and dan do you have a website

758  
00:29:25,990 --> 00:29:17,840  
yeah um it's uh

759  
00:29:29,430 --> 00:29:27,669  
and do you have any books for sale do

760  
00:29:32,230 --> 00:29:29,440  
you have anything people can come buy

761  
00:29:34,950 --> 00:29:32,240  
from you or or you know do we think we

762  
00:29:36,149 --> 00:29:34,960  
just get your knowledge on radio shows

763  
00:29:38,149 --> 00:29:36,159

what uh

764

00:29:40,870 --> 00:29:38,159

what i decided i even paid for my own

765

00:29:43,750 --> 00:29:40,880

way to go to washington to testify

766

00:29:46,549 --> 00:29:43,760

uh back in 2001 the national press club

767

00:29:49,669 --> 00:29:46,559

i have never made one penny or never

768

00:29:50,789 --> 00:29:49,679

planned to uh on any of this stuff

769

00:29:52,789 --> 00:29:50,799

because it

770

00:29:55,750 --> 00:29:52,799

people associate look what's going on

771

00:29:57,750 --> 00:29:55,760

with corey good you know i know i know

772

00:30:00,710 --> 00:29:57,760

so i don't want to associate anything

773

00:30:02,710 --> 00:30:00,720

that i have to say with making any money

774

00:30:05,269 --> 00:30:02,720

uh everything's free yeah

775

00:30:07,830 --> 00:30:05,279

i agree and if it wasn't for my cats i

776

00:30:10,070 --> 00:30:07,840

wouldn't be asking for a dime honestly i

777

00:30:12,230 --> 00:30:10,080

just you know i get really uptight when

778

00:30:15,190 --> 00:30:12,240

my living situation gets all

779

00:30:16,950 --> 00:30:15,200

whacked out and i can't handle it so but

780

00:30:19,269 --> 00:30:16,960

yeah it's really about the cats for me

781

00:30:20,789 --> 00:30:19,279

at this point so but anyhow let's get

782

00:30:22,310 --> 00:30:20,799

back to marshall vogel now they can

783

00:30:24,070 --> 00:30:22,320

visit your site and they can get

784

00:30:26,710 --> 00:30:24,080

inspired oh you know what they can get

785

00:30:29,190 --> 00:30:26,720

at your site that i discovered in our

786

00:30:31,110 --> 00:30:29,200

last conversation was they could

787

00:30:35,269 --> 00:30:31,120

actually listen to

788

00:30:39,029 --> 00:30:35,279

a bob lazar in 1993 i think it was where

789

00:30:40,470 --> 00:30:39,039

you snuck a camera into the event

790

00:30:43,990 --> 00:30:40,480

it is

791

00:30:50,630 --> 00:30:47,669

that was his first uh yeah he um

792

00:30:52,549 --> 00:30:50,640

they were everybody was told no audio no

793

00:30:56,389 --> 00:30:52,559

video recording but

794

00:31:00,149 --> 00:30:56,399

daddy where do babies come from uh well

795

00:31:02,310 --> 00:31:00,159

uh honey mommy went to the store oh well

796

00:31:06,149 --> 00:31:02,320

you see um well there's a mommy and a

797

00:31:08,310 --> 00:31:06,159

daddy right right and see when they call

798

00:31:10,630 --> 00:31:08,320

geico uh they could save a bunch of

799

00:31:12,549 --> 00:31:10,640

money on car insurance oh really and

800

00:31:15,669 --> 00:31:12,559

that makes them happy yes that makes

801  
00:31:16,870 --> 00:31:15,679  
them very happy that's good yeah well

802  
00:31:20,149 --> 00:31:16,880  
i'm glad we could have this talk

803  
00:31:21,990 --> 00:31:20,159  
sunshine geico because saving 15 or more

804  
00:31:24,470 --> 00:31:22,000  
on car insurance is always the great

805  
00:31:26,389 --> 00:31:24,480  
answer oh i had it sitting in the front

806  
00:31:28,070 --> 00:31:26,399  
row and i couldn't resist and so i

807  
00:31:30,470 --> 00:31:28,080  
recorded the whole thing

808  
00:31:32,389 --> 00:31:30,480  
uh it wasn't for you recording that we

809  
00:31:34,710 --> 00:31:32,399  
wouldn't have it right now so thank god

810  
00:31:38,870 --> 00:31:34,720  
you did

811  
00:31:40,549 --> 00:31:38,880  
yeah norio kawa who co-sponsored at

812  
00:31:43,110 --> 00:31:40,559  
that event um

813  
00:31:44,549 --> 00:31:43,120

he was like so grateful thank you you

814

00:31:45,830 --> 00:31:44,559

know after

815

00:31:47,669 --> 00:31:45,840

i thought i was going to be in trouble

816

00:31:49,830 --> 00:31:47,679

you know it's like oh you

817

00:31:52,710 --> 00:31:49,840

you broke you broke your promise not to

818

00:31:55,110 --> 00:31:52,720

record it you know sometimes uh you know

819

00:31:57,350 --> 00:31:55,120

uh people need the information you know

820

00:31:59,350 --> 00:31:57,360

that's my feeling on it you know freedom

821

00:32:00,470 --> 00:31:59,360

needs information needs to be shared

822

00:32:02,149 --> 00:32:00,480

freely

823

00:32:04,070 --> 00:32:02,159

and uh

824

00:32:06,789 --> 00:32:04,080

you know and like you were saying

825

00:32:07,750 --> 00:32:06,799

earlier in the show you know we're in a

826

00:32:10,389 --> 00:32:07,760

uh

827

00:32:11,750 --> 00:32:10,399

a perception matrix that is very

828

00:32:14,230 --> 00:32:11,760

complicated

829

00:32:16,549 --> 00:32:14,240

and there's a lot of disinformation and

830

00:32:18,549 --> 00:32:16,559

a lot of things are uh

831

00:32:20,630 --> 00:32:18,559

engineered around us to keep us in this

832

00:32:24,149 --> 00:32:20,640

truman show like you mentioned

833

00:32:28,070 --> 00:32:24,159

uh of information and and we all need

834

00:32:31,110 --> 00:32:28,080

as much information freely and as

835

00:32:33,509 --> 00:32:31,120

uh as much of it as possible to try to

836

00:32:36,149 --> 00:32:33,519

sort this whole uh

837

00:32:38,630 --> 00:32:36,159

illusion absolutely from fact

838

00:32:40,630 --> 00:32:38,640

yep that's the problem and you know well

839

00:32:42,710 --> 00:32:40,640

we'll get into that later too

840

00:32:43,990 --> 00:32:42,720

yeah so before we

841

00:32:46,710 --> 00:32:44,000

get too far

842

00:32:48,470 --> 00:32:46,720

away from uh marcel vogel

843

00:32:49,990 --> 00:32:48,480

uh you were just talking about the plant

844

00:32:51,509 --> 00:32:50,000

guy the guy that came in and destroyed

845

00:32:53,909 --> 00:32:51,519

the plants and that's right right the

846

00:32:56,630 --> 00:32:53,919

poor plants went crazy and i don't feel

847

00:32:58,789 --> 00:32:56,640

i felt so bad for them anyhow go ahead

848

00:33:00,710 --> 00:32:58,799

well i'll make i'll make this fast yeah

849

00:33:03,029 --> 00:33:00,720

uh basically how to do a creativity

850

00:33:04,789 --> 00:33:03,039

course at ibm for these engineers and

851  
00:33:06,789 --> 00:33:04,799  
he's reading the article and was in fate

852  
00:33:08,950 --> 00:33:06,799  
magazine or something and and he just

853  
00:33:10,630 --> 00:33:08,960  
crumpled it up and threw it in the trash

854  
00:33:13,110 --> 00:33:10,640  
and said this is this is stupid this is

855  
00:33:15,269 --> 00:33:13,120  
garbage and he thought no this might be

856  
00:33:17,669 --> 00:33:15,279  
a great thing for the engineers for

857  
00:33:19,350 --> 00:33:17,679  
creativity you know and so we uh hooked

858  
00:33:20,789 --> 00:33:19,360  
up a splitly pillow dream during that

859  
00:33:23,669 --> 00:33:20,799  
his laboratory

860  
00:33:26,310 --> 00:33:23,679  
and he um

861  
00:33:29,110 --> 00:33:26,320  
he lit a match and he burned the leaf

862  
00:33:30,389 --> 00:33:29,120  
and you know it squiggled right on the

863  
00:33:31,269 --> 00:33:30,399

script chart

864

00:33:34,630 --> 00:33:31,279

and

865

00:33:35,509 --> 00:33:34,640

as soon as the thought formed in his

866

00:33:37,590 --> 00:33:35,519

mind

867

00:33:38,870 --> 00:33:37,600

that is going to burn it again

868

00:33:41,110 --> 00:33:38,880

it's squiggled

869

00:33:41,990 --> 00:33:41,120

he said that squiggle changed his entire

870

00:33:43,430 --> 00:33:42,000

life

871

00:33:45,509 --> 00:33:43,440

that's right

872

00:33:47,669 --> 00:33:45,519

he then found that

873

00:33:51,430 --> 00:33:47,679

he could tune into the plant

874

00:33:53,190 --> 00:33:51,440

and do it from across the lavatory

875

00:33:55,669 --> 00:33:53,200

and caused it to squiggle he did it from

876

00:33:57,110 --> 00:33:55,679

seven miles away with his colleague

877

00:33:59,590 --> 00:33:57,120

and

878

00:34:01,269 --> 00:33:59,600

it squiggled fourteen miles away it

879

00:34:02,630 --> 00:34:01,279

squiggled and then he went all the way

880

00:34:05,269 --> 00:34:02,640

on the other side of the planet the prop

881

00:34:07,269 --> 00:34:05,279

czechoslovakia and set it up and it

882

00:34:09,190 --> 00:34:07,279

squiggled showing he said

883

00:34:11,270 --> 00:34:09,200

it shows that the inverse square law of

884

00:34:13,589 --> 00:34:11,280

distance doesn't apply with the the

885

00:34:18,310 --> 00:34:13,599

energies of thought and mind

886

00:34:21,109 --> 00:34:18,320

um and so anyway long story short uh

887

00:34:22,790 --> 00:34:21,119

he uh he was doing a talk about the

888

00:34:24,550 --> 00:34:22,800

plants and stuff and a lady said oh you

889

00:34:25,750 --> 00:34:24,560

got to check out this crystal and then

890

00:34:29,750 --> 00:34:25,760

he

891

00:34:30,629 --> 00:34:29,760

um

892

00:34:32,149 --> 00:34:30,639

and

893

00:34:34,629 --> 00:34:32,159

but he was able he was studying

894

00:34:37,510 --> 00:34:34,639

pramayama yoga

895

00:34:39,990 --> 00:34:37,520

the with the breath he found that

896

00:34:42,710 --> 00:34:40,000

when he pulsed his breath using the

897

00:34:44,790 --> 00:34:42,720

yogic principles uh he had a much

898

00:34:45,990 --> 00:34:44,800

greater profound effect on the scripture

899

00:34:46,829 --> 00:34:46,000

recorder

900

00:34:49,909 --> 00:34:46,839

so

901  
00:34:52,629 --> 00:34:49,919  
um it was a co-worker wait wait wait i'm

902  
00:34:55,510 --> 00:34:52,639  
sorry i don't get that he

903  
00:34:57,670 --> 00:34:55,520  
when he was he he had a um

904  
00:34:59,030 --> 00:34:57,680  
a monitor on himself

905  
00:35:01,430 --> 00:34:59,040  
at that point no

906  
00:35:04,230 --> 00:35:01,440  
the script chart recorder is you know

907  
00:35:06,870 --> 00:35:04,240  
measuring the plant's reaction right

908  
00:35:09,589 --> 00:35:06,880  
oh i okay so

909  
00:35:12,550 --> 00:35:09,599  
the plant reacts that the pin that's

910  
00:35:14,230 --> 00:35:12,560  
going on this rolling paper uh

911  
00:35:16,790 --> 00:35:14,240  
wiggles that this is what they didn't

912  
00:35:18,710 --> 00:35:16,800  
have this is you know what

913  
00:35:20,310 --> 00:35:18,720

19 uh

914

00:35:22,950 --> 00:35:20,320

you know it was

915

00:35:25,030 --> 00:35:22,960

primitive stuff back then um we don't

916

00:35:27,190 --> 00:35:25,040

have the new technology we have that's

917

00:35:29,030 --> 00:35:27,200

much more digital and everything

918

00:35:32,870 --> 00:35:29,040

um

919

00:35:34,790 --> 00:35:32,880

so basically uh he worked with a crystal

920

00:35:36,150 --> 00:35:34,800

and he found out he could actually pulse

921

00:35:39,030 --> 00:35:36,160

his breath and

922

00:35:41,430 --> 00:35:39,040

this person who we worked with at ibm

923

00:35:43,349 --> 00:35:41,440

he was able to alleviate a back plane

924

00:35:44,710 --> 00:35:43,359

back pain that he was in

925

00:35:47,510 --> 00:35:44,720

having and then he tried to figure out

926  
00:35:49,349 --> 00:35:47,520  
well how to make this more

927  
00:35:51,430 --> 00:35:49,359  
precise

928  
00:35:53,109 --> 00:35:51,440  
more um

929  
00:35:54,950 --> 00:35:53,119  
you know more of a scientific thing than

930  
00:35:56,950 --> 00:35:54,960  
you know just taking a regular crystal

931  
00:35:58,790 --> 00:35:56,960  
like you know native americans do and

932  
00:36:00,950 --> 00:35:58,800  
what not

933  
00:36:03,750 --> 00:36:00,960  
and so we have this vision and the dream

934  
00:36:05,030 --> 00:36:03,760  
of a dipyramidal you know in other words

935  
00:36:07,750 --> 00:36:05,040  
a crystal

936  
00:36:09,430 --> 00:36:07,760  
that has a pyramid on both ends cut to

937  
00:36:11,990 --> 00:36:09,440  
specific

938  
00:36:14,310 --> 00:36:12,000

angles and geometry that was similar to

939

00:36:15,910 --> 00:36:14,320

the tree of life and the kabbalah

940

00:36:17,829 --> 00:36:15,920

where you have you know

941

00:36:19,990 --> 00:36:17,839

one ends the universal side the other

942

00:36:22,950 --> 00:36:20,000

side's like the manifest side

943

00:36:26,390 --> 00:36:22,960

uh the male and female so to speak

944

00:36:28,710 --> 00:36:26,400

uh and so he started cutting these uh

945

00:36:30,790 --> 00:36:28,720

these crystals and

946

00:36:32,710 --> 00:36:30,800

working with two dozen medical doctors i

947

00:36:34,470 --> 00:36:32,720

went to the mines in arkansas and got

948

00:36:35,990 --> 00:36:34,480

them like thousands of crystals for the

949

00:36:37,670 --> 00:36:36,000

laboratory

950

00:36:39,990 --> 00:36:37,680

um

951  
00:36:42,390 --> 00:36:40,000  
you know the ibm gave them the electron

952  
00:36:44,230 --> 00:36:42,400  
microscope i helped set up

953  
00:36:46,550 --> 00:36:44,240  
you know spectrophotometers and things

954  
00:36:48,230 --> 00:36:46,560  
in the laboratory we found that we could

955  
00:36:49,670 --> 00:36:48,240  
pulse the breath and it would change the

956  
00:36:51,190 --> 00:36:49,680  
valence bands

957  
00:36:53,190 --> 00:36:51,200  
in the uh

958  
00:36:55,190 --> 00:36:53,200  
you know in in the water

959  
00:36:59,190 --> 00:36:55,200  
we were working with both the substance

960  
00:37:01,750 --> 00:36:59,200  
of quartz and of water both have an

961  
00:37:06,390 --> 00:37:01,760  
interesting and usual properties of this

962  
00:37:13,030 --> 00:37:10,550  
some of the interesting things uh

963  
00:37:15,670 --> 00:37:13,040

that was done was uh

964

00:37:17,910 --> 00:37:15,680

there was this california winery that

965

00:37:19,430 --> 00:37:17,920

had this kind of rotgut wine

966

00:37:23,030 --> 00:37:19,440

that um

967

00:37:25,349 --> 00:37:23,040

he was able to take this crystal and

968

00:37:27,670 --> 00:37:25,359

circulate the wine with seven right hand

969

00:37:28,790 --> 00:37:27,680

turns around the wine

970

00:37:30,790 --> 00:37:28,800

and

971

00:37:33,430 --> 00:37:30,800

put the vibrational essence of a highly

972

00:37:35,990 --> 00:37:33,440

refined wine into this crystal

973

00:37:38,470 --> 00:37:36,000

and what would happen is it would be

974

00:37:40,790 --> 00:37:38,480

almost like an electrical induction into

975

00:37:42,470 --> 00:37:40,800

the water that or of the wine you know

976

00:37:45,190 --> 00:37:42,480

everything everything

977

00:37:47,589 --> 00:37:45,200

we're made up of water you know

978

00:37:50,150 --> 00:37:47,599

and restructured thousands of gallons it

979

00:37:51,270 --> 00:37:50,160

became a california award-winning wine

980

00:37:52,950 --> 00:37:51,280

but you know how are you going to say

981

00:37:54,950 --> 00:37:52,960

you know oh well this has been crystal

982

00:37:57,030 --> 00:37:54,960

enhanced so you know it really didn't

983

00:37:58,550 --> 00:37:57,040

you know work out that well but let me

984

00:37:59,990 --> 00:37:58,560

ask you something about that because the

985

00:38:01,750 --> 00:38:00,000

first time you told me that story i

986

00:38:02,550 --> 00:38:01,760

thought about it afterwards and i

987

00:38:04,550 --> 00:38:02,560

thought

988

00:38:07,190 --> 00:38:04,560

is he

989

00:38:10,630 --> 00:38:07,200

he's changing the wine i get this

990

00:38:12,630 --> 00:38:10,640

and he's going seven times around how

991

00:38:14,630 --> 00:38:12,640

does he know what frequency he's

992

00:38:16,310 --> 00:38:14,640

actually putting into the wine does he

993

00:38:18,950 --> 00:38:16,320

has he already measured it does he know

994

00:38:21,829 --> 00:38:18,960

what it is he's doing ahead of time or

995

00:38:23,829 --> 00:38:21,839

is this just a haphazard guest and he

996

00:38:27,910 --> 00:38:23,839

was lucky

997

00:38:30,150 --> 00:38:27,920

no he used uh he used a number of uh

998

00:38:32,870 --> 00:38:30,160

different tools you know he used

999

00:38:34,790 --> 00:38:32,880

radionic instrument which is you know

1000

00:38:36,790 --> 00:38:34,800

you know for you know some scientists

1001  
00:38:38,870 --> 00:38:36,800  
that's like woo-woo stuff right you know

1002  
00:38:41,670 --> 00:38:38,880  
but he was able to uh transfer

1003  
00:38:43,750 --> 00:38:41,680  
vibrational essences i wasn't involved

1004  
00:38:45,910 --> 00:38:43,760  
in that part of the research so i don't

1005  
00:38:48,550 --> 00:38:45,920  
have a lot of details the part of the

1006  
00:38:51,109 --> 00:38:48,560  
research i was more involved with was

1007  
00:38:54,630 --> 00:38:51,119  
a camera that came out of

1008  
00:38:58,470 --> 00:38:54,640  
1950s england called the delaware camera

1009  
00:39:00,550 --> 00:38:58,480  
which could take photographs of people

1010  
00:39:02,870 --> 00:39:00,560  
wherever they are in the universe

1011  
00:39:03,750 --> 00:39:02,880  
regardless of time and space

1012  
00:39:05,030 --> 00:39:03,760  
uh

1013  
00:39:07,270 --> 00:39:05,040

and wow

1014

00:39:09,109 --> 00:39:07,280

okay that was an interesting one because

1015

00:39:12,069 --> 00:39:09,119

it was patented by the european patent

1016

00:39:14,790 --> 00:39:12,079

office uh we brought it over had a hell

1017

00:39:17,030 --> 00:39:14,800

of a time getting it through uh customs

1018

00:39:19,030 --> 00:39:17,040

and so wait when you just said that

1019

00:39:20,630 --> 00:39:19,040

you're you're saying to me that

1020

00:39:23,030 --> 00:39:20,640

you have a camera

1021

00:39:24,550 --> 00:39:23,040

and i'm holding on to it here in in

1022

00:39:27,270 --> 00:39:24,560

northern california

1023

00:39:29,510 --> 00:39:27,280

and i take a picture and i just think

1024

00:39:31,190 --> 00:39:29,520

about you where you're at and i can

1025

00:39:32,710 --> 00:39:31,200

develop no no no no

1026

00:39:34,390 --> 00:39:32,720

let me explain

1027

00:39:36,230 --> 00:39:34,400

okay

1028

00:39:38,390 --> 00:39:36,240

oh by the way i made a website with

1029

00:39:41,349 --> 00:39:38,400

photographs and links to the patent

1030

00:39:43,589 --> 00:39:41,359

office and and some actual photographs

1031

00:39:47,910 --> 00:39:43,599

george and marjorie delaware back in the

1032

00:39:50,870 --> 00:39:47,920

50s made thousands of these photographs

1033

00:39:53,990 --> 00:39:50,880

one example is uh this instrument stood

1034

00:39:55,270 --> 00:39:54,000

about oh about five and a half feet tall

1035

00:40:00,950 --> 00:39:55,280

it had

1036

00:40:03,750 --> 00:40:00,960

beautifully machined uh

1037

00:40:06,470 --> 00:40:03,760

dials uh i made a website

1038

00:40:08,390 --> 00:40:06,480

marcelvogel.org

1039

00:40:10,550 --> 00:40:08,400

which you know has a lot of these lab

1040

00:40:12,069 --> 00:40:10,560

notes and and pictures of the delaware

1041

00:40:14,310 --> 00:40:12,079

camera and things

1042

00:40:16,950 --> 00:40:14,320

uh for example this one woman was

1043

00:40:19,910 --> 00:40:16,960

pregnant she was about 50 miles away

1044

00:40:21,829 --> 00:40:19,920

uh now i've worked um

1045

00:40:24,390 --> 00:40:21,839

to design and built and

1046

00:40:27,030 --> 00:40:24,400

worked with and reverse engineered some

1047

00:40:28,069 --> 00:40:27,040

different radionic instruments or

1048

00:40:29,750 --> 00:40:28,079

you know some people call them

1049

00:40:32,950 --> 00:40:29,760

psychotronic or whatever you know this

1050

00:40:35,510 --> 00:40:32,960

is this stuff goes back to ancient egypt

1051  
00:40:37,430 --> 00:40:35,520  
it's basically a tuning focus for the

1052  
00:40:39,190 --> 00:40:37,440  
mind

1053  
00:40:40,870 --> 00:40:39,200  
and what uh

1054  
00:40:43,270 --> 00:40:40,880  
what he was able to do in this one

1055  
00:40:44,550 --> 00:40:43,280  
photograph you can see on the website

1056  
00:40:47,510 --> 00:40:44,560  
is

1057  
00:40:51,990 --> 00:40:47,520  
all these instruments uh

1058  
00:40:53,109 --> 00:40:52,000  
you have dials that turn into specific

1059  
00:40:55,109 --> 00:40:53,119  
uh

1060  
00:40:57,510 --> 00:40:55,119  
what is called rates or

1061  
00:41:01,270 --> 00:40:57,520  
vibrational frequency that's it's

1062  
00:41:03,270 --> 00:41:01,280  
it's related to uh this angular

1063  
00:41:04,630 --> 00:41:03,280

resonance and this was the only

1064

00:41:07,829 --> 00:41:04,640

instrument that

1065

00:41:09,430 --> 00:41:07,839

was able to have a time spiral in it

1066

00:41:11,430 --> 00:41:09,440

that was able to move backwards and

1067

00:41:12,470 --> 00:41:11,440

forwards into time

1068

00:41:15,430 --> 00:41:12,480

and

1069

00:41:16,950 --> 00:41:15,440

he was able to

1070

00:41:19,109 --> 00:41:16,960

look at different levels of the

1071

00:41:20,790 --> 00:41:19,119

pregnancy different levels of gestation

1072

00:41:23,109 --> 00:41:20,800

of uh

1073

00:41:25,190 --> 00:41:23,119

you know the fetus and the mother

1074

00:41:27,349 --> 00:41:25,200

um we were trying to bring in and i was

1075

00:41:28,630 --> 00:41:27,359

working with two other scientists that

1076

00:41:31,349 --> 00:41:28,640

uh

1077

00:41:34,309 --> 00:41:31,359

were figuring this thing out trying to

1078

00:41:37,030 --> 00:41:34,319

bring it into you know uh it was at the

1079

00:41:39,910 --> 00:41:37,040

time the early 1980s trying to bring it

1080

00:41:43,589 --> 00:41:39,920

into current technology you know taking

1081

00:41:45,430 --> 00:41:43,599

the principles at work sure sure um

1082

00:41:47,510 --> 00:41:45,440

so anyway it was a really fascinating

1083

00:41:49,430 --> 00:41:47,520

project but it does

1084

00:41:51,670 --> 00:41:49,440

the very fact that that instrument

1085

00:41:53,670 --> 00:41:51,680

worked kind of proves the holographic

1086

00:41:55,990 --> 00:41:53,680

nature of the universe

1087

00:41:58,390 --> 00:41:56,000

because you can take a drop of blood or

1088

00:42:00,230 --> 00:41:58,400

a hair or you know like like in voodoo

1089

00:42:01,829 --> 00:42:00,240

right

1090

00:42:03,670 --> 00:42:01,839

and it's like a holographic

1091

00:42:06,230 --> 00:42:03,680

representation of the hole in that

1092

00:42:08,230 --> 00:42:06,240

person you can tune to them uh this

1093

00:42:11,510 --> 00:42:08,240

thing would start oscillating you'd line

1094

00:42:13,990 --> 00:42:11,520

it up with magnetic north it had a

1095

00:42:15,510 --> 00:42:14,000

cavity above that have these reflective

1096

00:42:17,750 --> 00:42:15,520

lenses

1097

00:42:19,670 --> 00:42:17,760

that would reflect back onto a

1098

00:42:20,790 --> 00:42:19,680

photographic plate which the silver

1099

00:42:23,510 --> 00:42:20,800

emotion

1100

00:42:26,069 --> 00:42:23,520

on the photograph would react to these

1101  
00:42:27,990 --> 00:42:26,079  
energies in three different axes that

1102  
00:42:30,069 --> 00:42:28,000  
was coming up but anyway that goes into

1103  
00:42:31,990 --> 00:42:30,079  
a into a

1104  
00:42:33,589 --> 00:42:32,000  
that's very interesting because now

1105  
00:42:35,750 --> 00:42:33,599  
you're telling me okay let me see if i

1106  
00:42:38,150 --> 00:42:35,760  
get this right you're using some kind of

1107  
00:42:39,829 --> 00:42:38,160  
tissue sample from the person

1108  
00:42:42,150 --> 00:42:39,839  
exactly uh

1109  
00:42:45,190 --> 00:42:42,160  
they were yeah like a drop of blood or

1110  
00:42:47,190 --> 00:42:45,200  
you know uh anything that acts as what's

1111  
00:42:48,470 --> 00:42:47,200  
called you know a witness is what it's

1112  
00:42:50,069 --> 00:42:48,480  
called

1113  
00:42:53,670 --> 00:42:50,079

interesting

1114

00:42:56,390 --> 00:42:53,680

and they could go through all different

1115

00:42:59,270 --> 00:42:56,400

their past their future their now and

1116

00:43:01,349 --> 00:42:59,280

get a picture of them an actual no not

1117

00:43:03,750 --> 00:43:01,359

exactly uh what you would do is a tune

1118

00:43:05,510 --> 00:43:03,760

in you tune into a specific aspect like

1119

00:43:07,190 --> 00:43:05,520

say um

1120

00:43:09,990 --> 00:43:07,200

you want to tune into that person's

1121

00:43:10,829 --> 00:43:10,000

liver or their heart or whatever you

1122

00:43:14,630 --> 00:43:10,839

know

1123

00:43:17,589 --> 00:43:14,640

uh i gotcha okay because when you set a

1124

00:43:20,390 --> 00:43:17,599

camera i'm thinking picture pictures

1125

00:43:23,190 --> 00:43:20,400

no it's a different kind of camera and

1126  
00:43:25,190 --> 00:43:23,200  
then unlike any camera you've ever seen

1127  
00:43:27,030 --> 00:43:25,200  
you know oh wow

1128  
00:43:28,870 --> 00:43:27,040  
but uh yeah you could check it out i

1129  
00:43:30,790 --> 00:43:28,880  
took a number of photographs of the of

1130  
00:43:32,309 --> 00:43:30,800  
the whole instrument and set up and

1131  
00:43:35,349 --> 00:43:32,319  
everything i don't know where it's at

1132  
00:43:37,030 --> 00:43:35,359  
now but it was some one of several

1133  
00:43:38,870 --> 00:43:37,040  
versions he made it was one of the later

1134  
00:43:41,430 --> 00:43:38,880  
versions that the

1135  
00:43:44,309 --> 00:43:41,440  
delaware made in the 1950s you know this

1136  
00:43:45,190 --> 00:43:44,319  
is an old ancient science you know uh

1137  
00:43:49,510 --> 00:43:45,200  
you know

1138  
00:43:52,829 --> 00:43:49,520

association they

1139

00:43:55,349 --> 00:43:52,839

deal with that anyway um

1140

00:43:57,109 --> 00:43:55,359

uh so

1141

00:43:58,630 --> 00:43:57,119

so yeah this is this is really

1142

00:44:01,190 --> 00:43:58,640

intriguing so you're working with this

1143

00:44:02,870 --> 00:44:01,200

guy marcel vogel he's a doctor he's a

1144

00:44:03,910 --> 00:44:02,880

scientist he's doing all this crazy

1145

00:44:05,750 --> 00:44:03,920

research

1146

00:44:07,670 --> 00:44:05,760

what happened

1147

00:44:09,589 --> 00:44:07,680

to all of his research is it kind of

1148

00:44:10,630 --> 00:44:09,599

like tesla where it all disappeared when

1149

00:44:12,550 --> 00:44:10,640

he died

1150

00:44:15,750 --> 00:44:12,560

who's got it all now

1151

00:44:18,230 --> 00:44:15,760

uh well i i've got a lot of videos of

1152

00:44:21,430 --> 00:44:18,240

him lecturing i have a lot of

1153

00:44:24,069 --> 00:44:21,440

data a lot of scientific lab notes and

1154

00:44:25,470 --> 00:44:24,079

stuff like that uh

1155

00:44:28,150 --> 00:44:25,480

you know on

1156

00:44:30,150 --> 00:44:28,160

marcelvogel.org you know that you know

1157

00:44:31,589 --> 00:44:30,160

people can check out his work i just put

1158

00:44:34,470 --> 00:44:31,599

it up there just for

1159

00:44:35,349 --> 00:44:34,480

you know people who are interested in

1160

00:44:37,109 --> 00:44:35,359

uh

1161

00:44:39,109 --> 00:44:37,119

you know for some reason are drawn to

1162

00:44:42,150 --> 00:44:39,119

understand that type of work and want to

1163

00:44:45,270 --> 00:44:42,160

see more of a relationship my

1164

00:44:47,510 --> 00:44:45,280

my curiosity is the relationship of the

1165

00:44:50,950 --> 00:44:47,520

interface geometrically

1166

00:44:54,150 --> 00:44:50,960

of of mind you know energies of mind and

1167

00:44:57,750 --> 00:44:54,160

consciousness with the geometry there

1168

00:45:00,870 --> 00:44:57,760

seems to be some form of

1169

00:45:03,349 --> 00:45:00,880

angular harmonic resonance going on like

1170

00:45:04,710 --> 00:45:03,359

say between some of the lab work we we

1171

00:45:07,349 --> 00:45:04,720

found that

1172

00:45:10,790 --> 00:45:07,359

in the quartz as we mentioned earlier it

1173

00:45:12,470 --> 00:45:10,800

has a uh intermolecular angle of 52

1174

00:45:14,790 --> 00:45:12,480

degrees you know the same as the great

1175

00:45:16,230 --> 00:45:14,800

pyramid as we mentioned

1176  
00:45:19,270 --> 00:45:16,240  
in water

1177  
00:45:22,390 --> 00:45:19,280  
the intermolecular bonding angle

1178  
00:45:27,829 --> 00:45:22,400  
of of water ends up at

1179  
00:45:30,829 --> 00:45:27,839  
uh what is it uh 26 and a half and

1180  
00:45:33,670 --> 00:45:30,839  
is that right no no it's 26 and

1181  
00:45:36,710 --> 00:45:33,680  
104 and a half or something like that

1182  
00:45:39,589 --> 00:45:36,720  
anyway if you take 52 and you go divide

1183  
00:45:42,470 --> 00:45:39,599  
by two and you go times two in other

1184  
00:45:43,670 --> 00:45:42,480  
words the sub harmonic and the second

1185  
00:45:47,750 --> 00:45:43,680  
harmonic

1186  
00:45:48,470 --> 00:45:47,760  
of that so what's happening is there's a

1187  
00:45:53,270 --> 00:45:48,480  
an

1188  
00:45:54,390 --> 00:45:53,280

know like when you have two tuning forks

1189

00:45:56,870 --> 00:45:54,400

uh

1190

00:45:59,349 --> 00:45:56,880

if you have if you have like one tuning

1191

00:46:00,950 --> 00:45:59,359

fork let's say it's at 400

1192

00:46:02,069 --> 00:46:00,960

cycles let's say

1193

00:46:04,150 --> 00:46:02,079

uh

1194

00:46:07,589 --> 00:46:04,160

if you go bong

1195

00:46:10,870 --> 00:46:07,599

it will have harmonics that will end up

1196

00:46:13,109 --> 00:46:10,880

in like on 200 and one at 800 you know

1197

00:46:16,550 --> 00:46:13,119

twice and half to well

1198

00:46:19,510 --> 00:46:16,560

it seems that the laws of uh

1199

00:46:22,230 --> 00:46:19,520

resonance happen angularly as well

1200

00:46:24,630 --> 00:46:22,240

uh you know when they did the deep core

1201

00:46:26,309 --> 00:46:24,640

samples in antarctica to look at water

1202

00:46:29,430 --> 00:46:26,319

they found that

1203

00:46:31,589 --> 00:46:29,440

in water is displayed all the major

1204

00:46:32,950 --> 00:46:31,599

geometries of the seven major classes of

1205

00:46:36,309 --> 00:46:32,960

geometries in other words it's a

1206

00:46:39,670 --> 00:46:36,319

universal resonator uh the the molecular

1207

00:46:41,829 --> 00:46:39,680

structure of water resonates universally

1208

00:46:43,430 --> 00:46:41,839

you know it is like mirrors whatever

1209

00:46:45,589 --> 00:46:43,440

you're thinking whatever is there it

1210

00:46:48,470 --> 00:46:45,599

resonates exactly and isn't that what a

1211

00:46:50,710 --> 00:46:48,480

lot of what uh the japanese um well i

1212

00:46:52,710 --> 00:46:50,720

can't remember his name dr emoto thank

1213

00:46:55,910 --> 00:46:52,720

you emoto he did

1214

00:46:58,230 --> 00:46:55,920

amazing research around that and oh my

1215

00:47:01,829 --> 00:46:58,240

god it just yeah it really i think at

1216

00:47:03,829 --> 00:47:01,839

home and this is way before dr emoto

1217

00:47:05,829 --> 00:47:03,839

exactly that's why i'm kind of freaking

1218

00:47:07,510 --> 00:47:05,839

out here because it's like how come we

1219

00:47:09,990 --> 00:47:07,520

never heard about all this i mean i

1220

00:47:11,910 --> 00:47:10,000

heard about vogels and his crystals but

1221

00:47:13,109 --> 00:47:11,920

i never heard about the camera or the

1222

00:47:14,870 --> 00:47:13,119

water

1223

00:47:16,550 --> 00:47:14,880

yeah yeah we'll go check out

1224

00:47:19,510 --> 00:47:16,560

martialvogel.org

1225

00:47:21,030 --> 00:47:19,520

uh the whole thing oh thank god thank

1226

00:47:23,349 --> 00:47:21,040

god you've got that

1227

00:47:24,790 --> 00:47:23,359

yeah yeah i needed to do a brain dump on

1228

00:47:26,550 --> 00:47:24,800

that you know so i had to create a

1229

00:47:28,150 --> 00:47:26,560

website you know i was like i have all

1230

00:47:29,670 --> 00:47:28,160

this stuff in my head you know it's like

1231

00:47:31,190 --> 00:47:29,680

god i gotta share it you know so i gotta

1232

00:47:32,470 --> 00:47:31,200

put it up there on the web

1233

00:47:33,589 --> 00:47:32,480

um

1234

00:47:35,829 --> 00:47:33,599

his his

1235

00:47:38,790 --> 00:47:35,839

his research is something that's going

1236

00:47:41,270 --> 00:47:38,800

to be recognized in the in the future

1237

00:47:43,990 --> 00:47:41,280

uh you know because he was on it's kind

1238

00:47:46,630 --> 00:47:44,000

of on a leading edge of uh

1239

00:47:49,750 --> 00:47:46,640

understanding some of these principles

1240

00:47:53,190 --> 00:47:49,760

uh like say when we uh

1241

00:47:55,670 --> 00:47:53,200

you know with uh with these doctors and

1242

00:47:58,230 --> 00:47:55,680

things i mean amazing healing things

1243

00:47:59,829 --> 00:47:58,240

happen even when he cut one crystal as a

1244

00:48:02,470 --> 00:47:59,839

gift for me and i remember getting on

1245

00:48:03,990 --> 00:48:02,480

the plane flying back to san diego

1246

00:48:05,589 --> 00:48:04,000

and uh

1247

00:48:08,109 --> 00:48:05,599

there's this football player sitting

1248

00:48:11,430 --> 00:48:08,119

next to me and he's holding his knee in

1249

00:48:12,950 --> 00:48:11,440

excruciating pain and he had operations

1250

00:48:14,550 --> 00:48:12,960

and i'm just thinking you know wow i've

1251

00:48:16,790 --> 00:48:14,560

been given a gift

1252

00:48:18,470 --> 00:48:16,800

and i've been you know he

1253

00:48:21,510 --> 00:48:18,480

trained in you know the procedures that

1254

00:48:23,589 --> 00:48:21,520

he shared with me and so i said look i'm

1255

00:48:26,150 --> 00:48:23,599

i'm not a doctor or anything i'm sort of

1256

00:48:28,309 --> 00:48:26,160

an experimental scientist you know

1257

00:48:30,230 --> 00:48:28,319

uh but if you'd like you know we can try

1258

00:48:35,190 --> 00:48:30,240

some ex

1259

00:48:36,790 --> 00:48:35,200

if you want you know so i

1260

00:48:38,470 --> 00:48:36,800

i worked on him with the that was the

1261

00:48:40,630 --> 00:48:38,480

first time i used it

1262

00:48:41,670 --> 00:48:40,640

uh with the technique that marcel showed

1263

00:48:43,589 --> 00:48:41,680

me

1264

00:48:45,510 --> 00:48:43,599

and he got off the plane and he was

1265

00:48:47,190 --> 00:48:45,520

walking fine and he

1266

00:48:48,390 --> 00:48:47,200

met his parents and he pointed at me

1267

00:48:51,670 --> 00:48:48,400

that guy

1268

00:48:53,670 --> 00:48:51,680

he fixed my leg you know so i was you

1269

00:48:55,589 --> 00:48:53,680

know i'm not like a big heel or anything

1270

00:48:57,589 --> 00:48:55,599

like that i was more of a i'm more

1271

00:48:59,750 --> 00:48:57,599

interested in principles and the science

1272

00:49:01,910 --> 00:48:59,760

behind it

1273

00:49:03,430 --> 00:49:01,920

i was so grateful that you know the

1274

00:49:08,470 --> 00:49:03,440

principles worked

1275

00:49:10,710 --> 00:49:08,480

um isn't that amazing okay so now um

1276

00:49:13,030 --> 00:49:10,720

so you did all this work with him

1277

00:49:15,030 --> 00:49:13,040

how did you apply it to your life or did

1278

00:49:16,790 --> 00:49:15,040

you do anything with it i understand

1279

00:49:18,390 --> 00:49:16,800

what you just said

1280

00:49:20,790 --> 00:49:18,400

so you did start a healing practice you

1281

00:49:22,710 --> 00:49:20,800

didn't do any of that did you did you

1282

00:49:25,109 --> 00:49:22,720

spread the word far and wide about what

1283

00:49:26,549 --> 00:49:25,119

he has accomplished i mean i mean is it

1284

00:49:30,390 --> 00:49:26,559

just kind of like it all just kind of

1285

00:49:32,950 --> 00:49:30,400

died i i did in a way and that i invited

1286

00:49:33,750 --> 00:49:32,960

him i had him uh do a number of lectures

1287

00:49:36,549 --> 00:49:33,760

in

1288

00:49:40,390 --> 00:49:36,559

san diego to hundreds of people

1289

00:49:42,230 --> 00:49:40,400

i uh i only charged uh not like the

1290

00:49:43,589 --> 00:49:42,240

mufon conference i only charged five

1291

00:49:46,230 --> 00:49:43,599

bucks ahead

1292

00:49:48,309 --> 00:49:46,240

you know but uh but this was you know in

1293

00:49:50,470 --> 00:49:48,319

the early 80s you know because like five

1294

00:49:51,589 --> 00:49:50,480

bucks is probably what 150 bucks

1295

00:49:52,470 --> 00:49:51,599

nowadays

1296

00:49:54,470 --> 00:49:52,480

um

1297

00:49:56,230 --> 00:49:54,480

probably and uh

1298

00:49:58,309 --> 00:49:56,240

i uh

1299

00:50:01,510 --> 00:49:58,319

you know i've used it you know maybe 200

1300

00:50:03,589 --> 00:50:01,520

times had amazing uh amazing success

1301  
00:50:04,630 --> 00:50:03,599  
with a lot of the doctors had success

1302  
00:50:07,270 --> 00:50:04,640  
with it

1303  
00:50:09,510 --> 00:50:07,280  
uh doing different things i we're

1304  
00:50:12,870 --> 00:50:09,520  
actually the billy meyer case as a lot

1305  
00:50:16,870 --> 00:50:12,880  
of listeners are aware of when uh billy

1306  
00:50:18,950 --> 00:50:16,880  
meyer gave the uh palladian uh metal and

1307  
00:50:21,829 --> 00:50:18,960  
crystal samples we had a you know a

1308  
00:50:24,230 --> 00:50:21,839  
full-on laboratory you know i mean this

1309  
00:50:26,150 --> 00:50:24,240  
is wasn't a woo setup

1310  
00:50:28,870 --> 00:50:26,160  
per se where we had like a lot of

1311  
00:50:30,630 --> 00:50:28,880  
scientific equipment to measure things

1312  
00:50:31,910 --> 00:50:30,640  
yeah let me interrupt for just one

1313  
00:50:33,670 --> 00:50:31,920

second we're going to take a break in

1314

00:50:35,510 --> 00:50:33,680

about five minutes so let's get into

1315

00:50:37,030 --> 00:50:35,520

this story but it's really fascinating

1316

00:50:38,630 --> 00:50:37,040

but also

1317

00:50:40,870 --> 00:50:38,640

i was gonna

1318

00:50:43,190 --> 00:50:40,880

oh yes go ahead i was going to ask you

1319

00:50:45,750 --> 00:50:43,200

was was wendell stevens part of the

1320

00:50:48,150 --> 00:50:45,760

research with the crystals in the metal

1321

00:50:50,309 --> 00:50:48,160

that billy had sent over because you

1322

00:50:53,270 --> 00:50:50,319

know they vilified wendell and i'm just

1323

00:50:57,430 --> 00:50:53,280

wondering if he was there for all that

1324

00:50:59,990 --> 00:50:57,440

um yeah i i knew uh jim delatoso well

1325

00:51:02,390 --> 00:51:00,000

back then um

1326  
00:51:03,670 --> 00:51:02,400  
right i didn't interface with wendell

1327  
00:51:04,870 --> 00:51:03,680  
stevens

1328  
00:51:05,670 --> 00:51:04,880  
uh

1329  
00:51:06,950 --> 00:51:05,680  
and

1330  
00:51:11,349 --> 00:51:06,960  
uh

1331  
00:51:14,710 --> 00:51:11,359  
have got i'm not sure

1332  
00:51:16,549 --> 00:51:14,720  
if stevens or de la tozo gave uh marcel

1333  
00:51:18,710 --> 00:51:16,559  
the samples but i remember handling them

1334  
00:51:20,950 --> 00:51:18,720  
and looking at whoa wow from the ladies

1335  
00:51:22,950 --> 00:51:20,960  
cool you know

1336  
00:51:24,309 --> 00:51:22,960  
yeah

1337  
00:51:27,109 --> 00:51:24,319  
and uh

1338  
00:51:29,190 --> 00:51:27,119

you know marcel founder was like a cold

1339

00:51:31,109 --> 00:51:29,200

fusion process in

1340

00:51:32,390 --> 00:51:31,119

how the metals were

1341

00:51:34,230 --> 00:51:32,400

that couldn't be

1342

00:51:38,069 --> 00:51:34,240

that we didn't know of any process here

1343

00:51:39,829 --> 00:51:38,079

on earth so sort of validating uh you

1344

00:51:41,670 --> 00:51:39,839

know the myers case but then myers case

1345

00:51:43,910 --> 00:51:41,680

is an interesting one i don't know why

1346

00:51:45,829 --> 00:51:43,920

well i still think that there's there's

1347

00:51:47,430 --> 00:51:45,839

a lot of real stuff to it but i think

1348

00:51:49,349 --> 00:51:47,440

later on there started being some

1349

00:51:50,150 --> 00:51:49,359

fabrication because

1350

00:51:52,069 --> 00:51:50,160

yes

1351

00:51:53,589 --> 00:51:52,079

contact these aren't always contact

1352

00:51:56,150 --> 00:51:53,599

these forever

1353

00:51:58,950 --> 00:51:56,160

that's right yeah they're they're earth

1354

00:52:01,190 --> 00:51:58,960

beings that that fabricate and mislead

1355

00:52:02,950 --> 00:52:01,200

people sometimes yeah yeah and they only

1356

00:52:05,510 --> 00:52:02,960

do it because they feel like they need

1357

00:52:07,430 --> 00:52:05,520

to be you know that they were contacted

1358

00:52:09,910 --> 00:52:07,440

once they had some extraordinary

1359

00:52:11,829 --> 00:52:09,920

experiences and they're being forgotten

1360

00:52:13,510 --> 00:52:11,839

and i get that you know

1361

00:52:15,510 --> 00:52:13,520

i totally get it that i would never

1362

00:52:17,670 --> 00:52:15,520

fabricate anything because i can't even

1363

00:52:20,470 --> 00:52:17,680

you know i can barely talk about

1364

00:52:22,230 --> 00:52:20,480

what he had was was mo incredible enough

1365

00:52:23,829 --> 00:52:22,240

you know without uh

1366

00:52:26,630 --> 00:52:23,839

you know uh

1367

00:52:28,790 --> 00:52:26,640

pulling anything else but yeah

1368

00:52:31,109 --> 00:52:28,800

so anyway i'm not

1369

00:52:34,069 --> 00:52:31,119

sure that the people over in switzerland

1370

00:52:35,910 --> 00:52:34,079

that became his you know posse

1371

00:52:37,349 --> 00:52:35,920

weren't fabricating quite a bit of it

1372

00:52:39,270 --> 00:52:37,359

too so

1373

00:52:42,230 --> 00:52:39,280

you know it's hard to say but so wendell

1374

00:52:44,790 --> 00:52:42,240

never really was there della tostos was

1375

00:52:46,470 --> 00:52:44,800

the man who was going between you and

1376

00:52:49,910 --> 00:52:46,480

marshall marcel

1377

00:52:53,349 --> 00:52:49,920

and um mufon basically because wasn't

1378

00:52:55,670 --> 00:52:53,359

wendell um trying to break open the case

1379

00:52:56,549 --> 00:52:55,680

for oh yeah yeah he was a major real or

1380

00:52:58,630 --> 00:52:56,559

not

1381

00:53:00,390 --> 00:52:58,640

yeah he was the lead researcher on the

1382

00:53:02,309 --> 00:53:00,400

case

1383

00:53:04,309 --> 00:53:02,319

yeah and

1384

00:53:05,510 --> 00:53:04,319

i thought his conclusion was right

1385

00:53:07,510 --> 00:53:05,520

before

1386

00:53:09,510 --> 00:53:07,520

he was going to tell mufon you know this

1387

00:53:11,510 --> 00:53:09,520

is definitely real this is you know who

1388

00:53:13,510 --> 00:53:11,520

knows what's happening now but this

1389

00:53:15,030 --> 00:53:13,520

contact was real

1390

00:53:16,390 --> 00:53:15,040

and that's when the whole case happened

1391

00:53:17,910 --> 00:53:16,400

with the girl in the hot tub if i

1392

00:53:20,470 --> 00:53:17,920

remember correctly

1393

00:53:22,630 --> 00:53:20,480

and then he got right

1394

00:53:25,349 --> 00:53:22,640

yeah it got set up

1395

00:53:27,349 --> 00:53:25,359

yep yep set up again just like everybody

1396

00:53:29,349 --> 00:53:27,359

else

1397

00:53:31,349 --> 00:53:29,359

yeah but i i was pretty sure that that

1398

00:53:33,990 --> 00:53:31,359

whole incident happened because he was

1399

00:53:35,829 --> 00:53:34,000

going to come out to mufan and say yeah

1400

00:53:36,870 --> 00:53:35,839

the billy mayor case is real at least to

1401  
00:53:38,390 --> 00:53:36,880  
a point

1402  
00:53:42,790 --> 00:53:38,400  
you know

1403  
00:53:43,589 --> 00:53:42,800  
that right

1404  
00:54:00,309 --> 00:53:43,599  
i

1405  
00:54:01,910 --> 00:54:00,319  
everybody who does come out and do you

1406  
00:54:03,990 --> 00:54:01,920  
know a lot of this stuff i'm not

1407  
00:54:05,589 --> 00:54:04,000  
everybody because you're still here you

1408  
00:54:08,630 --> 00:54:05,599  
know but um

1409  
00:54:10,549 --> 00:54:08,640  
well since 2001 something's going on

1410  
00:54:14,549 --> 00:54:10,559  
with the navy

1411  
00:54:16,470 --> 00:54:14,559  
that uh with the white hats that uh

1412  
00:54:18,150 --> 00:54:16,480  
you know let's just say i've heard that

1413  
00:54:19,990 --> 00:54:18,160

if anything happens to the witnesses

1414

00:54:20,950 --> 00:54:20,000

there's going to be a long line of dead

1415

00:54:22,829 --> 00:54:20,960

bodies because they know where the

1416

00:54:25,349 --> 00:54:22,839

blackouts are

1417

00:54:28,150 --> 00:54:25,359

um very interesting and you're talking

1418

00:54:30,950 --> 00:54:28,160

about the witnesses that were at the um

1419

00:54:33,270 --> 00:54:30,960

national press labs yeah right the uh

1420

00:54:35,270 --> 00:54:33,280

you know one of the 20 top secret

1421

00:54:37,190 --> 00:54:35,280

military witnesses that testified in

1422

00:54:39,829 --> 00:54:37,200

2001

1423

00:54:42,309 --> 00:54:39,839

at the national press club uh what

1424

00:54:44,870 --> 00:54:42,319

happened was

1425

00:54:47,430 --> 00:54:44,880

most of the witnesses have not had any

1426

00:54:49,990 --> 00:54:47,440

uh i won't mention names but i know one

1427

00:54:51,109 --> 00:54:50,000

of them has had you know situations

1428

00:54:53,589 --> 00:54:51,119

happening

1429

00:54:56,069 --> 00:54:53,599

but uh but for the most part most of the

1430

00:54:57,510 --> 00:54:56,079

witnesses since that happened you know

1431

00:54:58,549 --> 00:54:57,520

it's kind of interesting you were just

1432

00:55:01,109 --> 00:54:58,559

at the

1433

00:55:03,510 --> 00:55:01,119

secret space program you know tompkins

1434

00:55:06,950 --> 00:55:03,520

you know was getting approval

1435

00:55:09,510 --> 00:55:06,960

by admiral uh hugh webster

1436

00:55:12,230 --> 00:55:09,520

right there were you saying uh bill you

1437

00:55:14,150 --> 00:55:12,240

know uh don't leave anything out tell it

1438

00:55:14,950 --> 00:55:14,160

all it's most important to our country

1439

00:55:19,510 --> 00:55:14,960

you know

1440

00:55:21,910 --> 00:55:19,520

and actually the whole disclosure

1441

00:55:24,390 --> 00:55:21,920

project happened because another admiral

1442

00:55:26,549 --> 00:55:24,400

in the navy uh the head of the joint

1443

00:55:27,589 --> 00:55:26,559

chiefs of intelligence admiral tom

1444

00:55:30,230 --> 00:55:27,599

wilson

1445

00:55:31,430 --> 00:55:30,240

uh after what's kind of interesting is

1446

00:55:33,270 --> 00:55:31,440

the uh

1447

00:55:35,349 --> 00:55:33,280

the list of unacknowledged special

1448

00:55:37,109 --> 00:55:35,359

access projects that

1449

00:55:39,109 --> 00:55:37,119

came from a document

1450

00:55:40,710 --> 00:55:39,119

yeah yes you know what hold your hold

1451

00:55:42,630 --> 00:55:40,720

your thought

1452

00:55:44,630 --> 00:55:42,640

remember we're at the document stage

1453

00:55:46,710 --> 00:55:44,640

here we're going to take our break here

1454

00:55:49,270 --> 00:55:46,720

it's nine o'clock at least it is here on

1455

00:55:51,349 --> 00:55:49,280

the pacific coast of the united states

1456

00:55:56,390 --> 00:55:51,359

so let's take that break folks we'll be

1457

00:56:00,789 --> 00:55:58,470

welcome back everyone to the california

1458

00:56:03,670 --> 00:56:00,799

mufon radio show i'm your host lorian

1459

00:56:05,750 --> 00:56:03,680

fenton we're back and i just want to say

1460

00:56:09,670 --> 00:56:05,760

i was able to do it i finally got the

1461

00:56:13,270 --> 00:56:09,680

donate button up on lorian fenton.com

1462

00:56:14,710 --> 00:56:13,280

and it is forward slash conferences and

1463

00:56:16,470 --> 00:56:14,720

it can take you there let me see if the

1464

00:56:19,270 --> 00:56:16,480

donate button actually works that's

1465

00:56:21,990 --> 00:56:19,280

probably a good thing to check out um it

1466

00:56:23,990 --> 00:56:22,000

doesn't seem to be working

1467

00:56:25,430 --> 00:56:24,000

well i'll fix it by the end of the show

1468

00:56:27,910 --> 00:56:25,440

right after the show's over i'll make

1469

00:56:30,309 --> 00:56:27,920

sure it works right and get that in

1470

00:56:32,870 --> 00:56:30,319

there but you can see it it just may not

1471

00:56:34,950 --> 00:56:32,880

be connecting yet so as soon as i take

1472

00:56:37,589 --> 00:56:34,960

care of that you guys will have a way to

1473

00:56:39,030 --> 00:56:37,599

help the kitty cats and and keep us all

1474

00:56:43,030 --> 00:56:39,040

going here we're gonna have a great

1475

00:56:46,710 --> 00:56:43,040

party by the way if any of you are in

1476

00:56:48,309 --> 00:56:46,720

the north bay of uh northern california

1477

00:56:49,750 --> 00:56:48,319

and you want to come on down and have a

1478

00:56:51,430 --> 00:56:49,760

great time we're going to start about

1479

00:56:54,230 --> 00:56:51,440

four o'clock we're gonna go until 10 or

1480

00:56:56,549 --> 00:56:54,240

11. we've got a sky watch we've got lots

1481

00:56:59,750 --> 00:56:56,559

of people presenting that day for about

1482

00:57:01,349 --> 00:56:59,760

20 minutes each then we have a whole

1483

00:57:03,750 --> 00:57:01,359

bunch of people that we're gonna be

1484

00:57:05,910 --> 00:57:03,760

skyping and talking to for about five or

1485

00:57:08,150 --> 00:57:05,920

ten minutes each and what we're going to

1486

00:57:10,549 --> 00:57:08,160

do is instead of them presenting or

1487

00:57:11,510 --> 00:57:10,559

doing any type of presentation

1488

00:57:14,309 --> 00:57:11,520

you

1489

00:57:16,870 --> 00:57:14,319

as the person at the party get to ask

1490

00:57:18,470 --> 00:57:16,880

them any questions you guys want so

1491

00:57:20,309 --> 00:57:18,480

that's what we're gonna do

1492

00:57:22,150 --> 00:57:20,319

so it should be a lot of fun and i

1493

00:57:23,750 --> 00:57:22,160

really hope you can make it we're doing

1494

00:57:25,270 --> 00:57:23,760

a potluck you're gonna have to sign up

1495

00:57:27,030 --> 00:57:25,280

and bring some food

1496

00:57:29,030 --> 00:57:27,040

and uh just hope you can make it you

1497

00:57:31,670 --> 00:57:29,040

guys it'll be a lot of fun

1498

00:57:34,069 --> 00:57:31,680

okay so back to our guest dan willis is

1499

00:57:35,990 --> 00:57:34,079

with us yes

1500

00:57:38,309 --> 00:57:36,000

there you are sweetie okay

1501  
00:57:43,390 --> 00:57:38,319  
so your website again is so people can

1502  
00:57:46,069 --> 00:57:43,400  
follow along the webmatrix.net

1503  
00:57:48,230 --> 00:57:46,079  
matrix.net we love that

1504  
00:57:50,870 --> 00:57:48,240  
if you're interested in the uh

1505  
00:57:53,990 --> 00:57:50,880  
exotic research of marcel vogel marcel

1506  
00:57:56,390 --> 00:57:54,000  
vogel.org is a is another site you can

1507  
00:57:59,030 --> 00:57:56,400  
you can check out but

1508  
00:58:00,549 --> 00:57:59,040  
right now it's really cool okay anyhow

1509  
00:58:03,750 --> 00:58:00,559  
back to what we were talking about the

1510  
00:58:06,630 --> 00:58:03,760  
disclosure conference it was 2001

1511  
00:58:09,670 --> 00:58:06,640  
washington dc at the national press club

1512  
00:58:12,390 --> 00:58:09,680  
was organized by stephen greer himself

1513  
00:58:14,789 --> 00:58:12,400

and how many uh kind of whistleblowers

1514

00:58:17,030 --> 00:58:14,799

were there for that event well we had

1515

00:58:19,589 --> 00:58:17,040

20. um

1516

00:58:20,789 --> 00:58:19,599

daniel morris kind of was 21. he kind of

1517

00:58:22,390 --> 00:58:20,799

freaked out when he went in front of the

1518

00:58:25,270 --> 00:58:22,400

mics that no people don't know about

1519

00:58:27,030 --> 00:58:25,280

that they never saw it but uh who was

1520

00:58:28,230 --> 00:58:27,040

who's that guy i don't even know who

1521

00:58:31,349 --> 00:58:28,240

that is

1522

00:58:34,150 --> 00:58:31,359

oh he was uh he was nro and he had a

1523

00:58:36,390 --> 00:58:34,160

cosmic level and he was involved with

1524

00:58:39,190 --> 00:58:36,400

teams that would intimidate people who

1525

00:58:40,150 --> 00:58:39,200

saw things you know and and his name

1526  
00:58:42,150 --> 00:58:40,160  
again

1527  
00:58:44,470 --> 00:58:42,160  
uh daniel morris

1528  
00:58:48,230 --> 00:58:44,480  
yeah marshall has to look him up he

1529  
00:58:51,829 --> 00:58:50,230  
but you know the other witnesses uh i

1530  
00:58:53,829 --> 00:58:51,839  
had you know one of the least

1531  
00:58:55,589 --> 00:58:53,839  
spectacular testimonies about you know

1532  
00:58:57,589 --> 00:58:55,599  
the glowing discs coming out of the

1533  
00:58:59,270 --> 00:58:57,599  
oceans now apparently they have bases

1534  
00:59:00,069 --> 00:58:59,280  
under the ocean or something going on

1535  
00:59:01,270 --> 00:59:00,079  
there

1536  
00:59:02,710 --> 00:59:01,280  
um

1537  
00:59:06,150 --> 00:59:02,720  
but you know

1538  
00:59:08,230 --> 00:59:06,160

we had uh what uh

1539

00:59:10,309 --> 00:59:08,240

we had a lot of people with with you

1540

00:59:12,870 --> 00:59:10,319

know documented evidence and you know

1541

00:59:16,069 --> 00:59:12,880

like john callahan you know cia swarmed

1542

00:59:17,829 --> 00:59:16,079

the secrecy but he had all the radar and

1543

00:59:19,109 --> 00:59:17,839

computer printouts and everything of

1544

00:59:21,750 --> 00:59:19,119

this thing that was like what four or

1545

00:59:22,870 --> 00:59:21,760

five times the size of 747.

1546

00:59:25,030 --> 00:59:22,880

uh

1547

00:59:26,789 --> 00:59:25,040

you know carl wolf based on the other

1548

00:59:29,190 --> 00:59:26,799

side of the moon

1549

00:59:32,549 --> 00:59:29,200

you know clifford stone 57 different

1550

00:59:34,870 --> 00:59:32,559

species categorized by 1989 that he was

1551

00:59:38,710 --> 00:59:34,880

involved in face-to-face interaction

1552

00:59:41,349 --> 00:59:38,720

donna harrier brushing the ufos out

1553

00:59:43,190 --> 00:59:41,359

you know nukes being shut down you know

1554

00:59:46,230 --> 00:59:43,200

captain sallows you know on and on and

1555

00:59:49,589 --> 00:59:46,240

on you know this amazing uh explosive

1556

00:59:51,829 --> 00:59:49,599

testimonies of you know presidents cia

1557

00:59:54,470 --> 00:59:51,839

directors being denied access that we

1558

00:59:56,390 --> 00:59:54,480

have technologies that's the big one to

1559

00:59:58,630 --> 00:59:56,400

me you know we've had technologies for

1560

01:00:02,309 --> 00:59:58,640

over 70 years that we don't need

1561

01:00:04,950 --> 01:00:02,319

uh nuclear oil or coal you know these

1562

01:00:06,549 --> 01:00:04,960

are dangerous obsolete technologies that

1563

01:00:10,150 --> 01:00:06,559

we've been kind of shoved down our

1564

01:00:12,390 --> 01:00:10,160

throat for 70 years but captain uh

1565

01:00:15,190 --> 01:00:12,400

we like mushrooms we're kept in the dark

1566

01:00:17,190 --> 01:00:15,200

about everything i could do a whole show

1567

01:00:18,870 --> 01:00:17,200

on that alone because i volunteered

1568

01:00:21,910 --> 01:00:18,880

afterward after

1569

01:00:23,349 --> 01:00:21,920

you know after i was on cnn cbs

1570

01:00:24,870 --> 01:00:23,359

interviewed me and i said look i'm not

1571

01:00:26,390 --> 01:00:24,880

doing this interview unless i can say we

1572

01:00:27,910 --> 01:00:26,400

have the scientists willing to come

1573

01:00:30,069 --> 01:00:27,920

forth in open congressional in these

1574

01:00:31,670 --> 01:00:30,079

black projects that can prove you know

1575

01:00:34,150 --> 01:00:31,680

put it on top of the desk and prove the

1576

01:00:36,230 --> 01:00:34,160

thing running uh we have a solution

1577

01:00:38,309 --> 01:00:36,240

that's non-polluting that can get us off

1578

01:00:40,789 --> 01:00:38,319

nuclear rolling coal like a little 10

1579

01:00:43,829 --> 01:00:40,799

second statement

1580

01:00:45,990 --> 01:00:43,839

the producer was almost in tears uh she

1581

01:00:47,990 --> 01:00:46,000

said i know i promise but the higher

1582

01:00:49,190 --> 01:00:48,000

executives made me cut that part out and

1583

01:00:50,710 --> 01:00:49,200

then

1584

01:00:52,630 --> 01:00:50,720

you know that always kind of stuck with

1585

01:00:53,589 --> 01:00:52,640

me why would

1586

01:00:55,349 --> 01:00:53,599

the

1587

01:00:57,589 --> 01:00:55,359

you know cbs

1588

01:00:59,349 --> 01:00:57,599

cut out a statement that

1589

01:01:01,510 --> 01:00:59,359

the world you know and this stuff this

1590

01:01:03,670 --> 01:01:01,520

is back in 2001 we were having ruling

1591

01:01:06,549 --> 01:01:03,680

blackouts in california

1592

01:01:08,470 --> 01:01:06,559

air pollution problems crisis in the 70s

1593

01:01:10,950 --> 01:01:08,480

was it 79.80

1594

01:01:13,109 --> 01:01:10,960

oh had we've had all kinds of problems

1595

01:01:15,270 --> 01:01:13,119

for 40 years are you kidding

1596

01:01:18,230 --> 01:01:15,280

yeah yeah it wasn't you know it wasn't

1597

01:01:20,549 --> 01:01:18,240

until you know i i went i was naive when

1598

01:01:22,069 --> 01:01:20,559

i went to washington to testify each one

1599

01:01:23,910 --> 01:01:22,079

of us by the way after we gave our

1600

01:01:26,549 --> 01:01:23,920

testimony okay keep your eyes closed

1601

01:01:28,870 --> 01:01:26,559

okay i want to show you my first ever

1602

01:01:33,430 --> 01:01:28,880

painting all right okay

1603

01:01:35,910 --> 01:01:33,440

open your eyes oh that's a lot of colors

1604

01:01:38,710 --> 01:01:35,920

and shades so be honest what do you

1605

01:01:40,230 --> 01:01:38,720

think well uh i like how

1606

01:01:41,990 --> 01:01:40,240

if you switch to geico you could save

1607

01:01:45,030 --> 01:01:42,000

hundreds of dollars on car insurance oh

1608

01:01:47,270 --> 01:01:45,040

yeah that's that's true yeah here why

1609

01:01:49,990 --> 01:01:47,280

don't i hold your paintbrush while you

1610

01:01:52,069 --> 01:01:50,000

call them geico because saving 15 or

1611

01:01:54,630 --> 01:01:52,079

more on car insurance is always a great

1612

01:01:56,230 --> 01:01:54,640

answer said we are willing to testify on

1613

01:01:57,589 --> 01:01:56,240

our oath you know before congress you

1614

01:02:00,390 --> 01:01:57,599

know when we were

1615

01:02:03,030 --> 01:02:00,400

um but you know they did they did a

1616

01:02:04,630 --> 01:02:03,040

limited hangout you know with cia calls

1617

01:02:06,470 --> 01:02:04,640

you know they covered the event but it

1618

01:02:08,230 --> 01:02:06,480

made it sound like oh we have a group

1619

01:02:10,069 --> 01:02:08,240

wanting to have a congressional hearing

1620

01:02:11,990 --> 01:02:10,079

on the reality of ufos which you know

1621

01:02:15,349 --> 01:02:12,000

are not going to get anybody's attention

1622

01:02:19,510 --> 01:02:16,950

well no you know

1623

01:02:21,589 --> 01:02:19,520

the thing about it is and i say this all

1624

01:02:23,829 --> 01:02:21,599

the time is i think you guys were

1625

01:02:26,630 --> 01:02:23,839

15 years ahead of your time honest to

1626

01:02:28,309 --> 01:02:26,640

god if it was 2016 and you've done this

1627

01:02:29,990 --> 01:02:28,319

and you've done it at the right time at

1628

01:02:32,150 --> 01:02:30,000

the right moment i think you guys would

1629

01:02:33,829 --> 01:02:32,160

have had so much more traction because i

1630

01:02:36,549 --> 01:02:33,839

think people are getting really hip to

1631

01:02:38,390 --> 01:02:36,559

what's going on now so anyhow

1632

01:02:40,390 --> 01:02:38,400

finally yeah you know it took me a while

1633

01:02:42,789 --> 01:02:40,400

to you know it's it takes a while to

1634

01:02:45,030 --> 01:02:42,799

wrap your head around this because it's

1635

01:02:46,710 --> 01:02:45,040

a generational indoctrination you know

1636

01:02:48,390 --> 01:02:46,720

when my father was watching walter

1637

01:02:50,230 --> 01:02:48,400

cronkite on television

1638

01:02:52,470 --> 01:02:50,240

you know i have no idea all this is

1639

01:02:55,190 --> 01:02:52,480

controlled by the cia you know at the

1640

01:02:57,030 --> 01:02:55,200

highest level i you know and i used to

1641

01:02:58,549 --> 01:02:57,040

be an abc news man i was a chief

1642

01:03:00,549 --> 01:02:58,559

engineer for the most powerful fm

1643

01:03:02,789 --> 01:03:00,559

station on the on the west coast and

1644

01:03:04,230 --> 01:03:02,799

used to do the abc news reports and i

1645

01:03:06,230 --> 01:03:04,240

also worked

1646

01:03:07,430 --> 01:03:06,240

for over 13 years in naval electronic

1647

01:03:09,030 --> 01:03:07,440

engineering center on just about

1648

01:03:10,549 --> 01:03:09,040

everything the navy had you know

1649

01:03:12,390 --> 01:03:10,559

satellite equipment and all kinds of

1650

01:03:15,510 --> 01:03:12,400

stuff so i had a good science background

1651  
01:03:16,470 --> 01:03:15,520  
so i volunteered afterward to with these

1652  
01:03:19,029 --> 01:03:16,480  
other

1653  
01:03:21,029 --> 01:03:19,039  
uh i think there was six of us all

1654  
01:03:23,109 --> 01:03:21,039  
together everybody had multiple phds

1655  
01:03:25,589 --> 01:03:23,119  
except me and i we had a database of

1656  
01:03:27,190 --> 01:03:25,599  
about 300 inventors and i

1657  
01:03:29,670 --> 01:03:27,200  
flew around the planet with professor

1658  
01:03:31,750 --> 01:03:29,680  
ted loiter meaning with these scientists

1659  
01:03:33,430 --> 01:03:31,760  
that claim you know over unity you know

1660  
01:03:35,270 --> 01:03:33,440  
zero point energy and i would go out

1661  
01:03:36,789 --> 01:03:35,280  
there and vet these technologies you

1662  
01:03:37,670 --> 01:03:36,799  
know because i have the background to do

1663  
01:03:42,230 --> 01:03:37,680

that

1664

01:03:44,150 --> 01:03:42,240

seeing scientists getting murdered

1665

01:03:46,870 --> 01:03:44,160

getting national security orders which

1666

01:03:48,549 --> 01:03:46,880

is a secret system within the u.s patent

1667

01:03:50,789 --> 01:03:48,559

office called sensitive application

1668

01:03:53,589 --> 01:03:50,799

warning system anybody's got a solution

1669

01:03:55,430 --> 01:03:53,599

to get off of uh any nuclear oral coal

1670

01:03:56,710 --> 01:03:55,440

or efficient solar panels or

1671

01:03:58,789 --> 01:03:56,720

anti-gravity or anything and

1672

01:04:01,190 --> 01:03:58,799

automatically gets slapped with one of

1673

01:04:03,910 --> 01:04:01,200

these things that says your in

1674

01:04:05,510 --> 01:04:03,920

invention has been deemed to be a

1675

01:04:06,789 --> 01:04:05,520

detriment to the national security of

1676

01:04:08,710 --> 01:04:06,799

the united states therefore you cannot

1677

01:04:11,109 --> 01:04:08,720

share it with anybody there are the six

1678

01:04:13,510 --> 01:04:11,119

thousand not six thousand it's like five

1679

01:04:15,190 --> 01:04:13,520

thousand seven hundred and something uh

1680

01:04:18,870 --> 01:04:15,200

it was probably way over six thousand

1681

01:04:21,109 --> 01:04:18,880

now uh you know solutions that have been

1682

01:04:23,829 --> 01:04:21,119

suppressed uh using the national

1683

01:04:25,670 --> 01:04:23,839

security apparatus uh

1684

01:04:28,470 --> 01:04:25,680

to to keep us

1685

01:04:30,630 --> 01:04:28,480

in this technologically [h\_\_h] state

1686

01:04:31,589 --> 01:04:30,640

but anyway i want to get back to

1687

01:04:47,750 --> 01:04:31,599

uh

1688

01:04:50,950 --> 01:04:47,760

classified advisory

1689

01:04:53,349 --> 01:04:50,960

uh that uh was actually created at

1690

01:04:56,870 --> 01:04:53,359

nellis air force base because of the

1691

01:04:58,789 --> 01:04:56,880

exact same event that with noyo hawakawa

1692

01:05:02,390 --> 01:04:58,799

and this other fellow i'm trying to

1693

01:05:06,390 --> 01:05:02,400

remember his name gary gary something

1694

01:05:09,589 --> 01:05:06,400

did it 91 and then i was there in 93

1695

01:05:12,390 --> 01:05:09,599

with when bob lazar and uh

1696

01:05:14,710 --> 01:05:12,400

john lear were there and and filmed that

1697

01:05:16,670 --> 01:05:14,720

video on on the webmatrix.net you can

1698

01:05:19,829 --> 01:05:16,680

see it in the

1699

01:05:22,230 --> 01:05:19,839

1993 timeline i i had to and i had to

1700

01:05:24,069 --> 01:05:22,240

try to figure this out for myself uh

1701

01:05:25,109 --> 01:05:24,079

because

1702

01:05:27,349 --> 01:05:25,119

uh

1703

01:05:30,069 --> 01:05:27,359

well it was 93 and i can tell you how i

1704

01:05:32,069 --> 01:05:30,079

know i listened to the whole thing and i

1705

01:05:33,510 --> 01:05:32,079

called melinda leslie and i said hey

1706

01:05:36,390 --> 01:05:33,520

melinda i heard your voice in the

1707

01:05:39,029 --> 01:05:36,400

background in 1993 we think

1708

01:05:41,190 --> 01:05:39,039

um at uh rachel nevada

1709

01:05:43,589 --> 01:05:41,200

where bob lazar is outside underneath

1710

01:05:45,670 --> 01:05:43,599

the sun i think she was there yeah

1711

01:05:47,750 --> 01:05:45,680

or she was there you can't miss her

1712

01:05:50,069 --> 01:05:47,760

voice my god dan she's in the back

1713

01:05:52,069 --> 01:05:50,079

asking all the questions as usual you

1714

01:05:54,069 --> 01:05:52,079

know melinda

1715

01:05:56,470 --> 01:05:54,079

yeah yeah i was asking about the

1716

01:05:58,710 --> 01:05:56,480

geometry of the craft and the that was

1717

01:06:00,789 --> 01:05:58,720

you yeah yeah

1718

01:06:02,950 --> 01:06:00,799

it was you and melinda were kind of like

1719

01:06:04,710 --> 01:06:02,960

you know the main ringers there at this

1720

01:06:06,549 --> 01:06:04,720

event you guys gotta listen to them i

1721

01:06:09,589 --> 01:06:06,559

had some sharp people there you know

1722

01:06:12,069 --> 01:06:09,599

they had about god yeah about a dozen or

1723

01:06:13,829 --> 01:06:12,079

so people we set up a military they

1724

01:06:16,309 --> 01:06:13,839

actually gave us some stuff from the

1725

01:06:19,349 --> 01:06:16,319

base you know we were right outside area

1726

01:06:22,150 --> 01:06:19,359

51 you know a little little alien uh

1727

01:06:25,190 --> 01:06:22,160

setup up there

1728

01:06:28,150 --> 01:06:25,200

but uh what what happened was um

1729

01:06:31,430 --> 01:06:28,160

the nro classified advisory

1730

01:06:33,589 --> 01:06:31,440

was listing all of these operations that

1731

01:06:37,270 --> 01:06:33,599

was on the distribution list you know

1732

01:06:40,150 --> 01:06:37,280

like cosmic ops magi ops you know uh

1733

01:06:41,349 --> 01:06:40,160

you know how these different uh

1734

01:06:43,430 --> 01:06:41,359

uh

1735

01:06:45,670 --> 01:06:43,440

unacknowledged special access projects

1736

01:06:47,589 --> 01:06:45,680

that when that was that list was

1737

01:06:48,870 --> 01:06:47,599

presented to

1738

01:06:51,589 --> 01:06:48,880

um

1739

01:06:53,270 --> 01:06:51,599

uh admiral tom wilson who was head of

1740

01:06:56,150 --> 01:06:53,280

intelligence of the joint chiefs of

1741

01:06:58,230 --> 01:06:56,160

staff i mean that's pretty high up oh

1742

01:06:59,589 --> 01:06:58,240

what are we talking about for this

1743

01:07:03,109 --> 01:06:59,599

because this

1744

01:07:05,190 --> 01:07:03,119

97. this was 1997.

1745

01:07:08,390 --> 01:07:05,200

this is before disclosure

1746

01:07:10,710 --> 01:07:08,400

and so he tried to gain access

1747

01:07:12,710 --> 01:07:10,720

to these projects and

1748

01:07:14,549 --> 01:07:12,720

they said sir you do not have a need to

1749

01:07:16,870 --> 01:07:14,559

know and he said hell i don't i'm the

1750

01:07:18,069 --> 01:07:16,880

head of intelligence and they you know

1751  
01:07:19,910 --> 01:07:18,079  
basically

1752  
01:07:22,069 --> 01:07:19,920  
been disconnected so

1753  
01:07:24,069 --> 01:07:22,079  
uh he was pissed

1754  
01:07:26,390 --> 01:07:24,079  
and so um

1755  
01:07:28,789 --> 01:07:26,400  
dr stephen greer with edgar mitchell the

1756  
01:07:31,029 --> 01:07:28,799  
astronaut met with uh

1757  
01:07:33,270 --> 01:07:31,039  
tom wilson and

1758  
01:07:36,390 --> 01:07:33,280  
he said if you can gather people

1759  
01:07:38,390 --> 01:07:36,400  
together who have information on this

1760  
01:07:41,029 --> 01:07:38,400  
you have my permission to go to the

1761  
01:07:44,549 --> 01:07:41,039  
media with this this group is quote

1762  
01:07:48,150 --> 01:07:44,559  
illegal you know and this this stems all

1763  
01:07:51,789 --> 01:07:48,160

the way back to you know um

1764

01:07:58,230 --> 01:07:55,349

1993 when you know the lawrence

1765

01:08:00,710 --> 01:07:58,240

rockefeller initiative yes you know and

1766

01:08:03,910 --> 01:08:00,720

we all have seen the picture of linda

1767

01:08:05,910 --> 01:08:03,920

molten howe and stephen greer and gosh a

1768

01:08:06,950 --> 01:08:05,920

whole cast of characters that we know

1769

01:08:10,230 --> 01:08:06,960

and love

1770

01:08:13,029 --> 01:08:10,240

um with him on his deck i think out at

1771

01:08:15,670 --> 01:08:13,039

the property of the rockefeller house

1772

01:08:17,590 --> 01:08:15,680

right right yeah yeah lawrence was a

1773

01:08:19,590 --> 01:08:17,600

little different uh wayne than the

1774

01:08:21,189 --> 01:08:19,600

regular the rockefellers he wanted to

1775

01:08:23,269 --> 01:08:21,199

see disclosure

1776

01:08:25,910 --> 01:08:23,279

um unlike his

1777

01:08:28,309 --> 01:08:25,920

rest of his family you know

1778

01:08:31,349 --> 01:08:28,319

brothers and cousins and everybody else

1779

01:08:33,189 --> 01:08:31,359

yeah right right so uh you know clinton

1780

01:08:35,110 --> 01:08:33,199

was trying to get his you know unlike

1781

01:08:40,789 --> 01:08:35,120

when he was on uh jimmy

1782

01:08:45,430 --> 01:08:43,110

you know where he said oh yeah i sent my

1783

01:08:47,510 --> 01:08:45,440

eights down there there was no aliens

1784

01:08:49,990 --> 01:08:47,520

down there in area 51 well that's not

1785

01:08:52,550 --> 01:08:50,000

really the full story he sent his cia

1786

01:08:54,870 --> 01:08:52,560

director to try to gain information the

1787

01:08:58,070 --> 01:08:54,880

cia director was denied access to the

1788

01:09:00,070 --> 01:08:58,080

information and that's what connected uh

1789

01:09:01,669 --> 01:09:00,080

he had a meeting with greer and greer

1790

01:09:03,510 --> 01:09:01,679

brought a big stack of information he

1791

01:09:05,030 --> 01:09:03,520

said i know the subject's real trying to

1792

01:09:06,550 --> 01:09:05,040

figure out why the hell i can't get

1793

01:09:08,630 --> 01:09:06,560

access to it well

1794

01:09:11,749 --> 01:09:08,640

why the hell i can't gain access to it

1795

01:09:13,269 --> 01:09:11,759

was you know uh eisenhower you know gave

1796

01:09:16,070 --> 01:09:13,279

us some warning

1797

01:09:18,950 --> 01:09:16,080

and uh tried you know the briefing

1798

01:09:20,550 --> 01:09:18,960

kennedy and then ever since uh as edgar

1799

01:09:23,349 --> 01:09:20,560

mittell says ever since

1800

01:09:26,470 --> 01:09:23,359

you know they they murdered kennedy they

1801  
01:09:28,709 --> 01:09:26,480  
basically stopped briefing presidents so

1802  
01:09:30,870 --> 01:09:28,719  
absolutely and let me i just want to

1803  
01:09:32,709 --> 01:09:30,880  
throw a couple little uh anecdotal

1804  
01:09:34,309 --> 01:09:32,719  
things that you did that i find very

1805  
01:09:35,349 --> 01:09:34,319  
humorous about this whole story you're

1806  
01:09:38,229 --> 01:09:35,359  
telling us

1807  
01:09:40,950 --> 01:09:38,239  
is that in uh the x-files about the time

1808  
01:09:43,669 --> 01:09:40,960  
that this general was about a year after

1809  
01:09:45,749 --> 01:09:43,679  
the general did his thing and told you

1810  
01:09:47,189 --> 01:09:45,759  
guys yeah here's my blessings go for it

1811  
01:09:50,309 --> 01:09:47,199  
see if you can get people together and

1812  
01:09:52,070 --> 01:09:50,319  
do it there's an x-files episode or it's

1813  
01:09:55,270 --> 01:09:52,080

a three-parter i can't remember where

1814

01:09:57,669 --> 01:09:55,280

they go out to area 51 and time changes

1815

01:09:59,430 --> 01:09:57,679

and a general has to bring them a

1816

01:10:01,830 --> 01:09:59,440

general meets with them and he goes i

1817

01:10:03,750 --> 01:10:01,840

thought you had the answer and sco and

1818

01:10:05,590 --> 01:10:03,760

mulder says i thought you had the

1819

01:10:07,030 --> 01:10:05,600

answers and they're all looking at each

1820

01:10:08,390 --> 01:10:07,040

other like they're all you know it's

1821

01:10:10,149 --> 01:10:08,400

like all disappointing because no one

1822

01:10:12,950 --> 01:10:10,159

had the answers right

1823

01:10:15,350 --> 01:10:12,960

and um so there's a great x-files

1824

01:10:18,709 --> 01:10:15,360

episode that's kind of along that vein

1825

01:10:20,470 --> 01:10:18,719

and then we also have um

1826

01:10:22,870 --> 01:10:20,480

so many other

1827

01:10:25,270 --> 01:10:22,880

different types of movies and books and

1828

01:10:26,950 --> 01:10:25,280

i and my brain is settling on the sean

1829

01:10:30,070 --> 01:10:26,960

david morton book

1830

01:10:32,709 --> 01:10:30,080

of um sans of time where it talks about

1831

01:10:33,590 --> 01:10:32,719

all these guys that actually ran the

1832

01:10:35,910 --> 01:10:33,600

the

1833

01:10:39,189 --> 01:10:35,920

magic 12 or whatever we want to call it

1834

01:10:41,990 --> 01:10:39,199

that ran area 51 that were basically

1835

01:10:43,830 --> 01:10:42,000

denying presidents the the ability to

1836

01:10:45,910 --> 01:10:43,840

even know what was going on in their own

1837

01:10:46,870 --> 01:10:45,920

country and

1838

01:10:48,950 --> 01:10:46,880

yeah

1839

01:10:51,270 --> 01:10:48,960

eisenhower was going to send the army to

1840

01:10:52,950 --> 01:10:51,280

invade the place because he they were

1841

01:10:55,590 --> 01:10:52,960

not letting him

1842

01:10:57,350 --> 01:10:55,600

uh basically what happened was nelson

1843

01:10:59,669 --> 01:10:57,360

rockefeller gave him plausible

1844

01:11:01,350 --> 01:10:59,679

deniability at the same time our legal

1845

01:11:04,229 --> 01:11:01,360

constitutional government ever since

1846

01:11:05,910 --> 01:11:04,239

eisenhower got cut out and so you know

1847

01:11:07,910 --> 01:11:05,920

that's when the meetings with kennedy

1848

01:11:10,870 --> 01:11:07,920

and eisenhower were trying to figure out

1849

01:11:15,430 --> 01:11:10,880

how to rein in the cia that

1850

01:11:19,910 --> 01:11:17,750

i've always said now this is where i'm

1851

01:11:21,910 --> 01:11:19,920

kind of the black sheep of the jfk

1852

01:11:23,830 --> 01:11:21,920

community even though i'm a big i guess

1853

01:11:25,430 --> 01:11:23,840

i'm one of the few players left in it

1854

01:11:27,669 --> 01:11:25,440

because we're all dying now it's like

1855

01:11:29,669 --> 01:11:27,679

crazy jim mars is dead

1856

01:11:31,350 --> 01:11:29,679

and you know we're losing people left

1857

01:11:33,189 --> 01:11:31,360

and right we've lost

1858

01:11:35,669 --> 01:11:33,199

abraham bolden we're you know i mean

1859

01:11:38,550 --> 01:11:35,679

everybody's old i'm the youngest one of

1860

01:11:40,390 --> 01:11:38,560

the youngest people in the jfk research

1861

01:11:42,310 --> 01:11:40,400

community and it just scares me jesus

1862

01:11:43,510 --> 01:11:42,320

out of me i'm 60. so that tells you a

1863

01:11:45,669 --> 01:11:43,520

lot folks

1864

01:11:47,510 --> 01:11:45,679

and i'm kind of the one that they all

1865

01:11:49,750 --> 01:11:47,520

look at they go maybe the younger

1866

01:11:52,149 --> 01:11:49,760

generations got it right because i kept

1867

01:11:54,070 --> 01:11:52,159

telling them for the last 10 years i've

1868

01:11:56,149 --> 01:11:54,080

been saying you guys it has a lot more

1869

01:11:58,149 --> 01:11:56,159

to do with ufos and aliens and other

1870

01:12:01,270 --> 01:11:58,159

worldly presence than you want to

1871

01:12:04,790 --> 01:12:01,280

believe why jfk got shot because he was

1872

01:12:06,790 --> 01:12:04,800

dismantling the cia you know i mean he's

1873

01:12:08,950 --> 01:12:06,800

dismantling the guys that are in charge

1874

01:12:10,790 --> 01:12:08,960

of keeping this all quiet so you know

1875

01:12:13,669 --> 01:12:10,800

there's a lot of stuff that was going on

1876

01:12:14,870 --> 01:12:13,679

jfk had like 20 different reasons that

1877

01:12:16,550 --> 01:12:14,880

they would have killed them and then

1878

01:12:18,709 --> 01:12:16,560

that one's right up at number one or

1879

01:12:20,709 --> 01:12:18,719

number two okay

1880

01:12:23,510 --> 01:12:20,719

absolutely yeah as soon as he put that

1881

01:12:25,990 --> 01:12:23,520

request in uh james jesus angleton you

1882

01:12:27,750 --> 01:12:26,000

know that was the trigger because you

1883

01:12:28,550 --> 01:12:27,760

know it's dr saleh's work and you know

1884

01:12:30,470 --> 01:12:28,560

in the

1885

01:12:33,830 --> 01:12:30,480

the one book he put out which was

1886

01:12:38,790 --> 01:12:36,070

kennedy's last stand you know the the

1887

01:12:40,870 --> 01:12:38,800

burn memo says you know well you know

1888

01:12:42,310 --> 01:12:40,880

lancer has been looking into our affairs

1889

01:12:46,070 --> 01:12:42,320

you know lancer being the code word for

1890

01:12:50,310 --> 01:12:46,080

jfk this we must not allow you know and

1891

01:12:53,110 --> 01:12:50,320

that he wrote uh alan dulles mj won you

1892

01:12:55,510 --> 01:12:53,120

know at that time because of the newly

1893

01:12:56,550 --> 01:12:55,520

newly executive order eisenhower did

1894

01:13:01,189 --> 01:12:56,560

from the

1895

01:13:02,229 --> 01:13:01,199

went to this cabal

1896

01:13:06,070 --> 01:13:02,239

uh

1897

01:13:07,910 --> 01:13:06,080

mj-12 group which put alan dallas as mj1

1898

01:13:09,350 --> 01:13:07,920

and you know the rest of the the group

1899

01:13:10,630 --> 01:13:09,360

you know including

1900

01:13:14,790 --> 01:13:10,640

hoover and others

1901

01:13:16,870 --> 01:13:14,800

um what happened was um

1902

01:13:19,990 --> 01:13:16,880

you know he he made this uh

1903

01:13:22,070 --> 01:13:20,000

assassination directive and

1904

01:13:24,790 --> 01:13:22,080

that you know and

1905

01:13:25,669 --> 01:13:24,800

you know you have lbj lyndon b johnson

1906

01:13:27,430 --> 01:13:25,679

was

1907

01:13:29,430 --> 01:13:27,440

oh my god right there

1908

01:13:32,390 --> 01:13:29,440

don't even get me started on this guy

1909

01:13:34,950 --> 01:13:32,400

this guy was going to prison

1910

01:13:38,310 --> 01:13:34,960

you know yeah when they

1911

01:13:41,189 --> 01:13:38,320

they suicided him out the window

1912

01:13:43,510 --> 01:13:41,199

yeah all this uh he was an asset you

1913

01:13:46,149 --> 01:13:43,520

know he was an mj-12 asset

1914

01:13:50,470 --> 01:13:47,990

people don't get this they don't get a

1915

01:13:52,390 --> 01:13:50,480

they don't understand that most of the

1916

01:13:54,229 --> 01:13:52,400

major players in history that have been

1917

01:13:57,110 --> 01:13:54,239

taken out have been taken out for

1918

01:13:59,270 --> 01:13:57,120

various reasons but usually it's because

1919

01:14:00,870 --> 01:13:59,280

they're asking too many questions about

1920

01:14:03,110 --> 01:14:00,880

stuff that they're supposedly not

1921

01:14:05,590 --> 01:14:03,120

allowed to know about and that goes all

1922

01:14:06,470 --> 01:14:05,600

the way from jfk all the way till now

1923

01:14:10,070 --> 01:14:06,480

and

1924

01:14:12,790 --> 01:14:10,080

even clinton um at some point was brief

1925

01:14:14,870 --> 01:14:12,800

to the fact that mr president

1926

01:14:16,550 --> 01:14:14,880

there's so much more that we can't tell

1927

01:14:18,229 --> 01:14:16,560

you but trust us

1928

01:14:19,910 --> 01:14:18,239

you don't want to know or something

1929

01:14:22,070 --> 01:14:19,920

along those lines

1930

01:14:24,550 --> 01:14:22,080

and uh when you're asked this is the

1931

01:14:26,790 --> 01:14:24,560

exact answers you're going to give and

1932

01:14:28,229 --> 01:14:26,800

if you go on jimmy kimmel

1933

01:14:30,470 --> 01:14:28,239

all of you are going to get the same

1934

01:14:32,149 --> 01:14:30,480

question the exact same question

1935

01:14:35,189 --> 01:14:32,159

delivered to you in the exact same

1936

01:14:36,630 --> 01:14:35,199

manner so learn your lines basically

1937

01:14:39,189 --> 01:14:36,640

what they've done to all of them have

1938

01:14:42,229 --> 01:14:39,199

you noticed i mean even kimmel asked the

1939

01:14:44,630 --> 01:14:42,239

same question of both barack obama and

1940

01:14:46,709 --> 01:14:44,640

uh bill clinton with the exact same oh

1941

01:14:48,310 --> 01:14:46,719

yeah they're they're seating

1942

01:14:49,750 --> 01:14:48,320

they're seating the public they're

1943

01:14:52,229 --> 01:14:49,760

getting it ready they're getting them

1944

01:14:55,669 --> 01:14:52,239

ready for disclosure but you know it's

1945

01:14:57,990 --> 01:14:55,679

like um you know i i respect the work of

1946

01:15:00,390 --> 01:14:58,000

uh dr salah what he's been doing and

1947

01:15:02,149 --> 01:15:00,400

researching on these documents what

1948

01:15:05,030 --> 01:15:02,159

what's kind of curious is

1949

01:15:07,189 --> 01:15:05,040

my father worked first time and i'm i'm

1950

01:15:09,110 --> 01:15:07,199

finding him to be a very fascinating guy

1951

01:15:11,669 --> 01:15:09,120

i really hadn't paid a whole lot of

1952

01:15:13,750 --> 01:15:11,679

attention to dr salla and i

1953

01:15:16,709 --> 01:15:13,760

now i feel kind of bad because he's very

1954

01:15:18,390 --> 01:15:16,719

intriguing i'm not oh he does impeccable

1955

01:15:23,669 --> 01:15:18,400

research

1956

01:15:25,750 --> 01:15:23,679

these uh admirals and captains that

1957

01:15:27,510 --> 01:15:25,760

tompkins was talking about talked to

1958

01:15:30,229 --> 01:15:27,520

them and they verified what he was

1959

01:15:32,470 --> 01:15:30,239

saying and i even collaborated with him

1960

01:15:34,790 --> 01:15:32,480

on some freedom and information docs you

1961

01:15:36,709 --> 01:15:34,800

know because i had you know i was in the

1962

01:15:40,470 --> 01:15:36,719

navy you know with a high level top

1963

01:15:42,870 --> 01:15:40,480

secret and uh gave him my insights on on

1964

01:15:45,189 --> 01:15:42,880

the traveling passes when he used to fly

1965

01:15:46,870 --> 01:15:45,199

from naval air station san diego which

1966

01:15:49,350 --> 01:15:46,880

was kind of interesting the exact

1967

01:15:50,310 --> 01:15:49,360

department of naval air we're talking

1968

01:15:53,590 --> 01:15:50,320

about

1969

01:15:56,229 --> 01:15:53,600

everybody understands who we're talking

1970

01:16:02,630 --> 01:15:58,790

yeah i'm just assuming this is you know

1971

01:16:05,110 --> 01:16:02,640

people are aware that tompkins is uh

1972

01:16:06,470 --> 01:16:05,120

in his 90s that is

1973

01:16:08,709 --> 01:16:06,480

has come out

1974

01:16:10,070 --> 01:16:08,719

in uh what what's kind of interesting

1975

01:16:12,390 --> 01:16:10,080

you have these

1976

01:16:14,950 --> 01:16:12,400

20 and bad guys the first one coming out

1977

01:16:15,990 --> 01:16:14,960

with michael ralph in 2000 and you have

1978

01:16:21,910 --> 01:16:16,000

uh

1979

01:16:22,790 --> 01:16:21,920

out right about 2014 i believe

1980

01:16:24,310 --> 01:16:22,800

uh

1981

01:16:27,830 --> 01:16:24,320

and then

1982

01:16:30,149 --> 01:16:27,840

afterward after these three people come

1983

01:16:32,149 --> 01:16:30,159

out with their testimonies which have

1984

01:16:35,030 --> 01:16:32,159

similarities a lot of similarities

1985

01:16:36,630 --> 01:16:35,040

between these three guys but they don't

1986

01:16:43,990 --> 01:16:36,640

they don't have any

1987

01:16:47,430 --> 01:16:44,000

documents to prove right all of a sudden

1988

01:16:49,910 --> 01:16:47,440

here comes tompkins following these guys

1989

01:16:52,070 --> 01:16:49,920

and this is uh and he's been writing his

1990

01:16:55,430 --> 01:16:52,080

book and got you know approval like we

1991

01:16:56,310 --> 01:16:55,440

said earlier from admiral uh

1992

01:16:58,070 --> 01:16:56,320

uh

1993

01:17:00,149 --> 01:16:58,080

admiral hugh webster

1994

01:17:01,830 --> 01:17:00,159

uh you know the tell at all saying it's

1995

01:17:04,310 --> 01:17:01,840

most important to the country don't

1996

01:17:07,110 --> 01:17:04,320

leave anything out and so

1997

01:17:09,350 --> 01:17:07,120

uh here he's got all this documentation

1998

01:17:10,470 --> 01:17:09,360

of of where he worked with mcdonald

1999

01:17:12,390 --> 01:17:10,480

douglas

2000

01:17:14,630 --> 01:17:12,400

what he was doing the admirals and

2001

01:17:17,990 --> 01:17:14,640

things that are backing him up i mean

2002

01:17:19,750 --> 01:17:18,000

the navy is basically giving him um

2003

01:17:22,229 --> 01:17:19,760

you know the go-ahead

2004

01:17:24,149 --> 01:17:22,239

so there's a there's a lot of evidence

2005

01:17:26,950 --> 01:17:24,159

and what i was going to say is my father

2006

01:17:29,910 --> 01:17:26,960

uh was a career marine with presidential

2007

01:17:31,510 --> 01:17:29,920

citation was like 27 years in the marine

2008

01:17:32,390 --> 01:17:31,520

corps in aviation

2009

01:17:35,430 --> 01:17:32,400

um

2010

01:17:37,270 --> 01:17:35,440

and he worked at the naval uh

2011

01:17:39,189 --> 01:17:37,280

air station in san diego in the exact

2012

01:17:41,110 --> 01:17:39,199

department that bill tompkins was

2013

01:17:43,110 --> 01:17:41,120

working and i was going through my

2014

01:17:44,870 --> 01:17:43,120

father's old chest back in the 40s you

2015

01:17:46,709 --> 01:17:44,880

know and here's a picture of you know

2016

01:17:48,550 --> 01:17:46,719

i'm looking at this book you know this

2017

01:17:50,709 --> 01:17:48,560

is after i'm learning about you know

2018

01:17:51,590 --> 01:17:50,719

tompkins and things with salah

2019

01:17:55,510 --> 01:17:51,600

and

2020

01:17:57,510 --> 01:17:55,520

forrestal in the front of the book you

2021

01:17:59,270 --> 01:17:57,520

know and i'm looking out and it's got

2022

01:18:02,390 --> 01:17:59,280

all the personnel

2023

01:18:04,229 --> 01:18:02,400

and in fact i i shipped to hawaii the uh

2024

01:18:07,270 --> 01:18:04,239

book to michael sal

2025

01:18:09,669 --> 01:18:07,280

to collaborate with uh with william

2026

01:18:11,910 --> 01:18:09,679

tompkins and sure enough there was the

2027

01:18:13,510 --> 01:18:11,920

division head he was only a captain that

2028

01:18:15,830 --> 01:18:13,520

time rico boda

2029

01:18:18,870 --> 01:18:15,840

who was under assignment by james

2030

01:18:22,070 --> 01:18:18,880

forrestall with the 29

2031

01:18:25,590 --> 01:18:22,080

u.s navy spies embedded into the nazi

2032

01:18:28,630 --> 01:18:25,600

germany uh you know anti-gravity program

2033

01:18:30,470 --> 01:18:28,640

so um you know all this sort of

2034

01:18:31,910 --> 01:18:30,480

you know collaborates you know i know

2035

01:18:33,510 --> 01:18:31,920

richard dolan saying oh there's no

2036

01:18:34,390 --> 01:18:33,520

evidence you know but you know what

2037

01:18:36,709 --> 01:18:34,400

there

2038

01:18:39,669 --> 01:18:36,719

actually is a lot of interesting

2039

01:18:41,510 --> 01:18:39,679

collaborating evidence of what tompkins

2040

01:18:42,950 --> 01:18:41,520

is providing that

2041

01:18:45,350 --> 01:18:42,960

you know uh

2042

01:18:47,510 --> 01:18:45,360

you know but i'm i'm kind of suspicious

2043

01:18:49,110 --> 01:18:47,520

still you know of some of these guys

2044

01:18:52,470 --> 01:18:49,120

because they could know you know

2045

01:18:55,189 --> 01:18:52,480

obviously unesa is monitoring everything

2046

01:18:57,430 --> 01:18:55,199

and there appears according to

2047

01:18:59,510 --> 01:18:57,440

tompkins stories there was a split back

2048

01:19:01,030 --> 01:18:59,520

in the late 40s between the air force

2049

01:19:03,590 --> 01:19:01,040

and the navy

2050

01:19:05,270 --> 01:19:03,600

and that the navy did its own secret

2051

01:19:08,870 --> 01:19:05,280

thing and the air force went off and it

2052

01:19:10,790 --> 01:19:08,880

did its thing and then around 1955

2053

01:19:13,189 --> 01:19:10,800

they uh kind of

2054

01:19:15,030 --> 01:19:13,199

went in with this uh

2055

01:19:16,950 --> 01:19:15,040

industrial military complex that

2056

01:19:18,950 --> 01:19:16,960

eisenhower warned us about on his final

2057

01:19:21,510 --> 01:19:18,960

day

2058

01:19:23,990 --> 01:19:21,520

that appears to

2059

01:19:27,350 --> 01:19:24,000

work with the um

2060

01:19:31,350 --> 01:19:27,360

uh i guess say the uh

2061

01:19:33,189 --> 01:19:31,360

fascist cabal mindset uh that is uh was

2062

01:19:36,310 --> 01:19:33,199

working with the nazis

2063

01:19:37,669 --> 01:19:36,320

uh and so you know how prevalent today

2064

01:19:39,189 --> 01:19:37,679

by the way

2065

01:19:40,709 --> 01:19:39,199

yeah

2066

01:19:43,030 --> 01:19:40,719

well you know it's kind of interesting

2067

01:19:44,870 --> 01:19:43,040

because you see you know before hitler

2068

01:19:46,709 --> 01:19:44,880

came into power you see the banking

2069

01:19:50,550 --> 01:19:46,719

elite the people that were in the

2070

01:19:51,910 --> 01:19:50,560

fascist mindset that uh you know that

2071

01:19:52,709 --> 01:19:51,920

was there

2072

01:19:55,669 --> 01:19:52,719

that

2073

01:19:57,270 --> 01:19:55,679

it brought him into power and then at

2074

01:19:59,590 --> 01:19:57,280

the end of the war you know it was like

2075

01:20:02,310 --> 01:19:59,600

victory yeah we went over to germany

2076

01:20:04,470 --> 01:20:02,320

right but we have all these over 100

2077

01:20:06,310 --> 01:20:04,480

missing u-boats and all the scientists

2078

01:20:08,550 --> 01:20:06,320

and come over and paper clip and there's

2079

01:20:09,910 --> 01:20:08,560

thousands of germans unaccounted for you

2080

01:20:10,790 --> 01:20:09,920

know and all this stuff

2081

01:20:13,990 --> 01:20:10,800

uh

2082

01:20:16,470 --> 01:20:14,000

then you have um

2083

01:20:18,790 --> 01:20:16,480

uh let's see i lost track there

2084

01:20:21,189 --> 01:20:18,800

oh you know what this is a perfect time

2085

01:20:22,950 --> 01:20:21,199

we'll leave it at that oh bro right now

2086

01:20:25,189 --> 01:20:22,960

coming to take a break

2087

01:20:27,830 --> 01:20:25,199

and we get back we'll talk much more

2088

01:20:29,669 --> 01:20:27,840

about this because i have opinions about

2089

01:20:31,910 --> 01:20:29,679

it as you know and

2090

01:20:33,590 --> 01:20:31,920

and uh this would be fun to see how we

2091

01:20:35,350 --> 01:20:33,600

both come out in the end of this i think

2092

01:20:37,590 --> 01:20:35,360

we're going to be matching but i want to

2093

01:20:38,870 --> 01:20:37,600

see how we get there so everybody stick

2094

01:20:40,950 --> 01:20:38,880

around this is going to be an

2095

01:20:46,149 --> 01:20:40,960

interesting last half hour of the show

2096

01:20:51,270 --> 01:20:48,390

back everyone to the california mufon

2097

01:20:53,110 --> 01:20:51,280

radio show i am your host lorian fenton

2098

01:20:54,870 --> 01:20:53,120

well i'm not sure i got that button

2099

01:20:56,630 --> 01:20:54,880

working over on the website yet so you

2100

01:20:58,709 --> 01:20:56,640

guys check it out during the week i'll

2101

01:21:00,390 --> 01:20:58,719

remind you next week and then

2102

01:21:01,669 --> 01:21:00,400

after my birthday is over well we'll

2103

01:21:03,590 --> 01:21:01,679

just see

2104

01:21:05,910 --> 01:21:03,600

i may leave it up for the kitty cats i

2105

01:21:08,390 --> 01:21:05,920

don't know but we'll find out we may be

2106

01:21:11,910 --> 01:21:08,400

doing a big fundraiser over gofundme

2107

01:21:13,750 --> 01:21:11,920

about the whole thing so if it does

2108

01:21:17,189 --> 01:21:13,760

you know what do they call that expand

2109

01:21:17,990 --> 01:21:17,199

or or you know get really huge in in its

2110

01:21:21,990 --> 01:21:18,000

uh

2111

01:21:23,750 --> 01:21:22,000

what i ca guys i'm sorry i've been at

2112

01:21:25,270 --> 01:21:23,760

work all day today and it's been a very

2113

01:21:28,390 --> 01:21:25,280

long day and all the words are gone out

2114

01:21:30,630 --> 01:21:28,400

of my head especially the big ones

2115

01:21:32,470 --> 01:21:30,640

so here we are so if it expands and

2116

01:21:34,149 --> 01:21:32,480

becomes a big deal and it becomes a

2117

01:21:36,550 --> 01:21:34,159

statewide issue

2118

01:21:38,390 --> 01:21:36,560

yes there'll be a big gofundme campaign

2119

01:21:40,070 --> 01:21:38,400

you guys can help out anybody who has

2120

01:21:42,630 --> 01:21:40,080

cats i'm sure you guys will help out

2121

01:21:44,310 --> 01:21:42,640

it'll be wonderful so anyhow more on

2122

01:21:46,149 --> 01:21:44,320

that next week

2123

01:21:47,910 --> 01:21:46,159

okay let's get back to dan now dan and i

2124

01:21:50,870 --> 01:21:47,920

were just talking about

2125

01:21:53,430 --> 01:21:50,880

um the the whole mufon well not really

2126  
01:21:54,709 --> 01:21:53,440  
mufon but the whole corey good kind of

2127  
01:21:57,110 --> 01:21:54,719  
tompkins

2128  
01:21:59,270 --> 01:21:57,120  
uh coming out and telling their stories

2129  
01:22:02,629 --> 01:21:59,280  
and uh where were we we were just at the

2130  
01:22:04,550 --> 01:22:02,639  
party we're talking about the nazis um

2131  
01:22:07,350 --> 01:22:04,560  
and the department of navy and

2132  
01:22:09,510 --> 01:22:07,360  
department of the army not army air

2133  
01:22:12,229 --> 01:22:09,520  
force had broken away from each other

2134  
01:22:16,790 --> 01:22:12,239  
back in the was the 50s

2135  
01:22:18,070 --> 01:22:16,800  
uh the late 40s uh project command

2136  
01:22:20,390 --> 01:22:18,080  
there we go

2137  
01:22:22,629 --> 01:22:20,400  
yeah so patrick brand turned into rand

2138  
01:22:25,270 --> 01:22:22,639

corporation air force took over from

2139

01:22:28,870 --> 01:22:25,280

there navy went underground or

2140

01:22:31,510 --> 01:22:28,880

everything over in china lake and the uh

2141

01:22:34,310 --> 01:22:31,520

and wright patterson you know until you

2142

01:22:36,070 --> 01:22:34,320

know eisenhower lost control and then uh

2143

01:22:38,870 --> 01:22:36,080

everything shifted from wright patterson

2144

01:22:41,189 --> 01:22:38,880

over to area 51 s4

2145

01:22:43,430 --> 01:22:41,199

absolutely and that's where magic goes

2146

01:22:45,910 --> 01:22:43,440

kind of taking over and run the the

2147

01:22:48,310 --> 01:22:45,920

whole shebang as i call it so

2148

01:22:50,149 --> 01:22:48,320

bang yep yep so let's let's start

2149

01:22:52,390 --> 01:22:50,159

talking about the whole corey good

2150

01:22:54,709 --> 01:22:52,400

michael salad the kind of the mufon

2151  
01:22:56,629 --> 01:22:54,719  
thing that happened at the symposium

2152  
01:22:58,149 --> 01:22:56,639  
let's talk about that for a bit and i'm

2153  
01:22:59,990 --> 01:22:58,159  
just going to i'll go first i'm going to

2154  
01:23:00,790 --> 01:23:00,000  
tell the audience they pretty much know

2155  
01:23:02,550 --> 01:23:00,800  
this

2156  
01:23:04,229 --> 01:23:02,560  
i absolutely believe corey goode is a

2157  
01:23:06,390 --> 01:23:04,239  
contact bee

2158  
01:23:07,350 --> 01:23:06,400  
i absolutely believe he's a my labs

2159  
01:23:09,350 --> 01:23:07,360  
victim

2160  
01:23:11,669 --> 01:23:09,360  
and i absolutely believe he isn't some

2161  
01:23:14,070 --> 01:23:11,679  
kind of mind control thing that that is

2162  
01:23:15,750 --> 01:23:14,080  
going on for some nefarious reason i

2163  
01:23:18,709 --> 01:23:15,760

don't know what it is

2164

01:23:21,750 --> 01:23:18,719

that is my take on it having been in the

2165

01:23:23,590 --> 01:23:21,760

game of the mind control field i call it

2166

01:23:25,590 --> 01:23:23,600

the mind control field folks and it

2167

01:23:26,470 --> 01:23:25,600

blows up in your face constantly let me

2168

01:23:29,350 --> 01:23:26,480

tell you

2169

01:23:32,629 --> 01:23:29,360

one wrong step and and you're done for

2170

01:23:35,270 --> 01:23:32,639

um having been there as long as i have i

2171

01:23:38,350 --> 01:23:35,280

really see the pattern and i see his

2172

01:23:41,590 --> 01:23:38,360

body language how he talks to people his

2173

01:23:44,149 --> 01:23:41,600

non-commitment of non-committalness i

2174

01:23:46,310 --> 01:23:44,159

don't know how that's even a word

2175

01:23:47,590 --> 01:23:46,320

to speak with people who aren't in his

2176

01:23:49,750 --> 01:23:47,600

own sphere

2177

01:23:52,950 --> 01:23:49,760

if you aren't part of the team or the

2178

01:23:53,910 --> 01:23:52,960

game then you don't get talked to um

2179

01:23:59,830 --> 01:23:53,920

it's

2180

01:24:01,270 --> 01:23:59,840

in my opinion a big psyops

2181

01:24:03,189 --> 01:24:01,280

and i'm not sure how it's all going to

2182

01:24:04,950 --> 01:24:03,199

play out yet but i

2183

01:24:07,350 --> 01:24:04,960

like i said i'm not saying he's not a

2184

01:24:09,669 --> 01:24:07,360

contactee i'm not saying he doesn't have

2185

01:24:11,830 --> 01:24:09,679

a good message i'm not saying that he

2186

01:24:13,750 --> 01:24:11,840

isn't probably a good guy that's being

2187

01:24:15,910 --> 01:24:13,760

used in some bizarre way just like

2188

01:24:18,790 --> 01:24:15,920

albilic was and a lot of these other

2189

01:24:21,590 --> 01:24:18,800

people um i truly believe that he's a

2190

01:24:24,229 --> 01:24:21,600

good guy and you know deep down but

2191

01:24:26,229 --> 01:24:24,239

i think he's being severely misdirected

2192

01:24:28,629 --> 01:24:26,239

with the the party he's keeping the

2193

01:24:31,830 --> 01:24:28,639

friends that he has and what what he's

2194

01:24:33,990 --> 01:24:31,840

doing except michael sala who has

2195

01:24:36,470 --> 01:24:34,000

impressed me i had an interview with him

2196

01:24:38,310 --> 01:24:36,480

at the mufon conference one on one and

2197

01:24:39,830 --> 01:24:38,320

he truly impressed me as a guy that's

2198

01:24:41,910 --> 01:24:39,840

really trying to do good in the

2199

01:24:44,709 --> 01:24:41,920

community so i'm going to leave it at

2200

01:24:47,350 --> 01:24:44,719

that that's my take what's yours dan

2201

01:24:50,390 --> 01:24:47,360

i'm very impressed with uh dr michael

2202

01:24:52,790 --> 01:24:50,400

sala his uh his research has been

2203

01:24:55,430 --> 01:24:52,800

impeccable he's very thorough he

2204

01:24:57,590 --> 01:24:55,440

exhausts all outlets you know

2205

01:25:00,229 --> 01:24:57,600

interviews the people the the names that

2206

01:25:02,470 --> 01:25:00,239

tompkins has given and puts out freedom

2207

01:25:04,790 --> 01:25:02,480

information act requests that

2208

01:25:08,629 --> 01:25:04,800

you know independently verify exactly

2209

01:25:10,950 --> 01:25:08,639

what tompkins is saying you know so yeah

2210

01:25:13,270 --> 01:25:10,960

you know i you know i'm just a witness

2211

01:25:15,110 --> 01:25:13,280

so one of over 500

2212

01:25:16,950 --> 01:25:15,120

you know were they they collected you

2213

01:25:21,750 --> 01:25:16,960

know when we went to the national press

2214

01:25:23,430 --> 01:25:21,760

cup it's 450 in 2001 i was over 500.

2215

01:25:25,510 --> 01:25:23,440

it wasn't until

2216

01:25:27,189 --> 01:25:25,520

the beginning of 2014 that a media

2217

01:25:29,750 --> 01:25:27,199

company in hollywood contacted me

2218

01:25:31,750 --> 01:25:29,760

because i was a witness and because i

2219

01:25:34,870 --> 01:25:31,760

used to be an abc news man they wanted

2220

01:25:37,030 --> 01:25:34,880

me to write an article for them on media

2221

01:25:40,629 --> 01:25:37,040

control regards the ufo issue and that's

2222

01:25:42,550 --> 01:25:40,639

what created the webmatrix.net and the

2223

01:25:44,310 --> 01:25:42,560

article i wrote was

2224

01:25:46,470 --> 01:25:44,320

um

2225

01:25:48,470 --> 01:25:46,480

who controls the agreed-upon reality

2226

01:25:51,110 --> 01:25:48,480

through the mainstream media and why

2227

01:25:55,350 --> 01:25:51,120

they fear disclosing the truth about the

2228

01:25:56,070 --> 01:25:55,360

extraterrestrial reality uh and so

2229

01:26:14,709 --> 01:25:56,080

i

2230

01:26:16,870 --> 01:26:14,719

uh

2231

01:26:19,189 --> 01:26:16,880

and so i had to put together a

2232

01:26:22,149 --> 01:26:19,199

chronology beginning in the 20 beginning

2233

01:26:23,990 --> 01:26:22,159

of the 20th century you know around 1900

2234

01:26:27,030 --> 01:26:24,000

up to present day

2235

01:26:27,990 --> 01:26:27,040

to try to piece it together with

2236

01:26:30,870 --> 01:26:28,000

you know

2237

01:26:32,629 --> 01:26:30,880

putting the foundational basis of we

2238

01:26:34,629 --> 01:26:32,639

have like you know what 500 witnesses

2239

01:26:37,110 --> 01:26:34,639

and a lot of them i became

2240

01:26:38,629 --> 01:26:37,120

familiar with and a lot of the

2241

01:26:40,070 --> 01:26:38,639

documentation

2242

01:26:42,790 --> 01:26:40,080

that have been authenticated you know

2243

01:26:45,430 --> 01:26:42,800

top secret documents and things and so

2244

01:26:46,629 --> 01:26:45,440

using that as a basis you know to branch

2245

01:26:48,229 --> 01:26:46,639

off from

2246

01:26:50,790 --> 01:26:48,239

um

2247

01:26:53,510 --> 01:26:50,800

i started to put together a chronology

2248

01:26:57,110 --> 01:26:53,520

to understand what happened you know and

2249

01:26:59,669 --> 01:26:57,120

uh the thing that shocked me was uh

2250

01:27:02,149 --> 01:26:59,679

you know i thought we won the war in

2251

01:27:04,470 --> 01:27:02,159

world war ii what happened was the nazis

2252

01:27:07,110 --> 01:27:04,480

had this plan called velken shalon's

2253

01:27:09,030 --> 01:27:07,120

creek which means world view warfare

2254

01:27:10,709 --> 01:27:09,040

they plan to infiltrate in the united

2255

01:27:13,110 --> 01:27:10,719

states and take over control of

2256

01:27:15,189 --> 01:27:13,120

education which they did in 1946 with

2257

01:27:17,350 --> 01:27:15,199

the rockefeller foundation rewrote the

2258

01:27:20,149 --> 01:27:17,360

history what happened at world war ii

2259

01:27:22,470 --> 01:27:20,159

they totally covered their tracks the

2260

01:27:25,669 --> 01:27:22,480

operation mockingbird 400 journalists

2261

01:27:27,830 --> 01:27:25,679

set up by alan dulles uh totally took

2262

01:27:30,390 --> 01:27:27,840

over control the mainstream media so

2263

01:27:33,830 --> 01:27:30,400

today we have what non-official covers

2264

01:27:36,149 --> 01:27:33,840

like the the one german uh doctor you've

2265

01:27:38,390 --> 01:27:36,159

i can't pronounce his name but he said i

2266

01:27:40,149 --> 01:27:38,400

was trained to lie and deceive and the

2267

01:27:42,470 --> 01:27:40,159

cia would give me information i look

2268

01:27:44,310 --> 01:27:42,480

like coming from independent sources but

2269

01:27:46,870 --> 01:27:44,320

you're a non-official cover they deny

2270

01:27:50,470 --> 01:27:46,880

access you know and then you have uh you

2271

01:27:52,550 --> 01:27:50,480

know back in 1951 the daily stood still

2272

01:27:54,629 --> 01:27:52,560

started project dove and they started

2273

01:27:56,149 --> 01:27:54,639

influencing hollywood you know and all

2274

01:27:58,149 --> 01:27:56,159

the movies and related with

2275

01:28:00,070 --> 01:27:58,159

extraterrestrials you know and all the

2276

01:28:01,990 --> 01:28:00,080

fear-based stuff and there was like a

2277

01:28:03,669 --> 01:28:02,000

there was like more than one element

2278

01:28:05,189 --> 01:28:03,679

it's it's a complicated thing you know

2279

01:28:08,790 --> 01:28:05,199

when you look at uh

2280

01:28:10,870 --> 01:28:08,800

you know the uh admiral leslie stevens

2281

01:28:14,149 --> 01:28:10,880

uh who was working with rick admiral

2282

01:28:16,870 --> 01:28:14,159

rick oboda he was uh you know

2283

01:28:19,510 --> 01:28:16,880

contemporary in these uh secret

2284

01:28:20,950 --> 01:28:19,520

psychological operations with the whole

2285

01:28:23,830 --> 01:28:20,960

nazi uh

2286

01:28:28,709 --> 01:28:23,840

uh infiltration with their spies and

2287

01:28:30,950 --> 01:28:28,719

his son admiral leslie stevens jr was

2288

01:28:33,110 --> 01:28:30,960

putting out he was in hollywood putting

2289

01:28:35,750 --> 01:28:33,120

out the outer limits you know i used to

2290

01:28:37,910 --> 01:28:35,760

love the outer limits and then he also

2291

01:28:39,990 --> 01:28:37,920

gave the script and things for gene

2292

01:28:42,470 --> 01:28:40,000

roddenberry for star trek

2293

01:28:43,990 --> 01:28:42,480

uh you know so all this stuff is like

2294

01:28:45,910 --> 01:28:44,000

you know which is

2295

01:28:47,110 --> 01:28:45,920

interesting because it's navy you know

2296

01:28:48,709 --> 01:28:47,120

it's not like

2297

01:28:52,470 --> 01:28:48,719

um

2298

01:28:53,350 --> 01:28:52,480

general uh captain james t kirk you know

2299

01:28:54,709 --> 01:28:53,360

or

2300

01:28:57,110 --> 01:28:54,719

it's uh

2301

01:28:59,110 --> 01:28:57,120

it's admiral james t cross you know it's

2302

01:29:00,790 --> 01:28:59,120

like a navy fleet right

2303

01:29:02,470 --> 01:29:00,800

you got it so

2304

01:29:05,189 --> 01:29:02,480

um

2305

01:29:07,910 --> 01:29:05,199

so yeah they've been we've been under uh

2306

01:29:11,430 --> 01:29:07,920

generational indoctrination

2307

01:29:14,550 --> 01:29:11,440

uh so that now in the year 2017

2308

01:29:17,350 --> 01:29:14,560

a lot of this stuff sounds really out of

2309

01:29:20,470 --> 01:29:17,360

you know like science fiction from the

2310

01:29:23,110 --> 01:29:20,480

from the strangest realms you know

2311

01:29:26,149 --> 01:29:23,120

but what's happened is we've been in a

2312

01:29:29,189 --> 01:29:26,159

matrix of perception psychological

2313

01:29:31,750 --> 01:29:29,199

operations uh on steroids

2314

01:29:33,830 --> 01:29:31,760

uh have been used on us to in order to

2315

01:29:36,629 --> 01:29:33,840

keep us in this matrix of perception

2316

01:29:37,590 --> 01:29:36,639

that the uh nazis had planned

2317

01:29:39,990 --> 01:29:37,600

um

2318

01:29:41,510 --> 01:29:40,000

you know you have to wonder uh you know

2319

01:29:44,709 --> 01:29:41,520

in some of the project paperclip

2320

01:29:47,669 --> 01:29:44,719

documents you have uh xavier dorsch

2321

01:29:49,669 --> 01:29:47,679

which was the head uh guy for hitler

2322

01:29:52,390 --> 01:29:49,679

that was building this huge massive

2323

01:29:54,310 --> 01:29:52,400

underground complexes we had you know

2324

01:29:57,510 --> 01:29:54,320

millions of slaves they're doing all

2325

01:29:58,950 --> 01:29:57,520

this work and then they brought him over

2326

01:29:59,750 --> 01:29:58,960

you know to

2327

01:30:02,870 --> 01:29:59,760

yeah

2328

01:30:05,030 --> 01:30:02,880

46 and in new mexico and they

2329

01:30:06,950 --> 01:30:05,040

start right up building underground

2330

01:30:08,470 --> 01:30:06,960

things and they expanded it out all over

2331

01:30:11,510 --> 01:30:08,480

the place you know so

2332

01:30:14,470 --> 01:30:11,520

uh you know and now you know it's

2333

01:30:16,870 --> 01:30:14,480

interesting dr saleh brought up in obama

2334

01:30:18,229 --> 01:30:16,880

administration where he passed through

2335

01:30:22,229 --> 01:30:18,239

the senate

2336

01:30:26,070 --> 01:30:22,239

this uh bill that basically made the

2337

01:30:27,750 --> 01:30:26,080

corporations not liable for use of human

2338

01:30:30,870 --> 01:30:27,760

um

2339

01:30:31,830 --> 01:30:30,880

uh how do you say it

2340

01:30:34,070 --> 01:30:31,840

you know

2341

01:30:36,390 --> 01:30:34,080

were you doing uh crimes against

2342

01:30:37,830 --> 01:30:36,400

humanity where you're doing uh

2343

01:30:41,110 --> 01:30:37,840

oh yeah

2344

01:30:43,510 --> 01:30:41,120

humans uh for doing mining operations

2345

01:30:45,350 --> 01:30:43,520

off planet you know and there's uh

2346

01:30:47,030 --> 01:30:45,360

you know it was on cnn you know where

2347

01:30:49,910 --> 01:30:47,040

robert steele was talking about the

2348

01:30:51,750 --> 01:30:49,920

slave bases on mars you know to alex

2349

01:30:54,790 --> 01:30:51,760

jones which he got you know

2350

01:30:55,750 --> 01:30:54,800

i thought that was really interesting

2351

01:30:58,229 --> 01:30:55,760

yeah

2352

01:31:00,070 --> 01:30:58,239

so you know it there was this mentality

2353

01:31:02,149 --> 01:31:00,080

of you know heinrich himmler and you

2354

01:31:04,310 --> 01:31:02,159

know uh dr salad brought it up during

2355

01:31:07,830 --> 01:31:04,320

the mufon conference that you know

2356

01:31:10,950 --> 01:31:07,840

albert uh spear was uh nazi germany's uh

2357

01:31:12,709 --> 01:31:10,960

armen armaments minister where the ss

2358

01:31:13,750 --> 01:31:12,719

you know where richard dolan was saying

2359

01:31:16,870 --> 01:31:13,760

oh the

2360

01:31:18,709 --> 01:31:16,880

german art german didn't have any uh

2361

01:31:20,070 --> 01:31:18,719

military didn't have any funding and

2362

01:31:22,709 --> 01:31:20,080

stuff well

2363

01:31:24,550 --> 01:31:22,719

uh the ss so untrue

2364

01:31:27,189 --> 01:31:24,560

yeah

2365

01:31:29,270 --> 01:31:27,199

doesn't understand how much uh the

2366

01:31:32,470 --> 01:31:29,280

american wealthy

2367

01:31:35,590 --> 01:31:32,480

german ancestry was supporting that war

2368

01:31:39,149 --> 01:31:35,600

here i mean the bush family alone put in

2369

01:31:42,950 --> 01:31:42,229

1944 operation eagle flight you know

2370

01:31:46,470 --> 01:31:42,960

where

2371

01:31:48,870 --> 01:31:46,480

they had so much gold they bought 750

2372

01:31:51,510 --> 01:31:48,880

front corporations you know when they

2373

01:31:53,270 --> 01:31:51,520

you know moved everything to argentina

2374

01:31:55,750 --> 01:31:53,280

and antarctica

2375

01:31:58,709 --> 01:31:55,760

okay kevin for the grand prize of one

2376

01:32:00,870 --> 01:31:58,719

million dollars what color is the white

2377

01:32:03,430 --> 01:32:00,880

house um

2378

01:32:06,229 --> 01:32:03,440

i know this i know this i know this

2379

01:32:07,830 --> 01:32:06,239

um five seconds oh

2380

01:32:10,070 --> 01:32:07,840

switching to geico could save you a

2381

01:32:11,110 --> 01:32:10,080

bunch of money on car insurance

2382

01:32:12,790 --> 01:32:11,120

okay

2383

01:32:14,790 --> 01:32:12,800

judges

2384

01:32:18,310 --> 01:32:14,800

that's true kevin

2385

01:32:20,709 --> 01:32:18,320

congratulations you're a winner

2386

01:32:23,750 --> 01:32:20,719

geico because saving 15 or more on car

2387

01:32:25,990 --> 01:32:23,760

insurance is always a great answer uh

2388

01:32:27,910 --> 01:32:26,000

you know it was like there's so many

2389

01:32:29,669 --> 01:32:27,920

indicative uh you know even wendell

2390

01:32:32,149 --> 01:32:29,679

stevens you know who was on the myers

2391

01:32:34,310 --> 01:32:32,159

case when he was uh working with uh

2392

01:32:35,830 --> 01:32:34,320

wright patterson he saw a documentation

2393

01:32:38,830 --> 01:32:35,840

where they had nine

2394

01:32:42,070 --> 01:32:38,840

disc factories over there and uh that's

2395

01:32:44,870 --> 01:32:42,080

right and uh one was destroyed and the

2396

01:32:48,229 --> 01:32:44,880

other ones were moved to uh antarctica

2397

01:32:50,149 --> 01:32:48,239

and uh one in uh in the amazon the other

2398

01:32:53,590 --> 01:32:50,159

one up in norway which is interesting in

2399

01:32:55,030 --> 01:32:53,600

my own research i noticed these uh

2400

01:32:57,910 --> 01:32:55,040

nazi s

2401

01:33:02,149 --> 01:32:57,920

these u-boats being sunk

2402

01:33:03,910 --> 01:33:02,159

with huge one had 67 tons of mercury and

2403

01:33:07,510 --> 01:33:03,920

sealed glass containers the other one

2404

01:33:10,310 --> 01:33:07,520

had 33 tons i mean that's a lot did you

2405

01:33:11,750 --> 01:33:10,320

find out about that because that's very

2406

01:33:14,390 --> 01:33:11,760

intriguing

2407

01:33:17,910 --> 01:33:14,400

way of running into things because uh

2408

01:33:19,750 --> 01:33:17,920

when i was when i went into washington i

2409

01:33:21,590 --> 01:33:19,760

sat down with mark mccandish and he knew

2410

01:33:23,270 --> 01:33:21,600

i had a really good technical background

2411

01:33:26,229 --> 01:33:23,280

and he went over the alien reproduction

2412

01:33:28,310 --> 01:33:26,239

vehicle and sure enough it has a mercury

2413

01:33:31,110 --> 01:33:28,320

tube in the middle which you know the

2414

01:33:33,910 --> 01:33:31,120

ancient armadas you know the spinning

2415

01:33:36,070 --> 01:33:33,920

mercury creates this anti-gravity effect

2416

01:33:38,550 --> 01:33:36,080

and they discovered that you know with

2417

01:33:40,790 --> 01:33:38,560

the uh the dykalok you know the bell and

2418

01:33:42,629 --> 01:33:40,800

everything and so yeah they were using

2419

01:33:44,310 --> 01:33:42,639

this mercury

2420

01:33:47,590 --> 01:33:44,320

and it's kind of interesting you know up

2421

01:33:49,030 --> 01:33:47,600

in the s4 in the area 51 area yeah you

2422

01:33:51,830 --> 01:33:49,040

have uh

2423

01:33:54,310 --> 01:33:51,840

the mercury highway we're

2424

01:33:57,669 --> 01:33:54,320

going into s4

2425

01:33:59,750 --> 01:33:57,679

and uh it used to be mercury mines all

2426

01:34:01,750 --> 01:33:59,760

over the place in that area

2427

01:34:02,629 --> 01:34:01,760

you know which is kind of forgot about

2428

01:34:05,110 --> 01:34:02,639

that

2429

01:34:07,750 --> 01:34:05,120

kind of interesting correlation with the

2430

01:34:09,030 --> 01:34:07,760

mercury and the anti-gravity thing which

2431

01:34:10,790 --> 01:34:09,040

you know

2432

01:34:12,709 --> 01:34:10,800

and the reason i forgot about it is

2433

01:34:14,950 --> 01:34:12,719

because my uncle and my dad owned a

2434

01:34:15,910 --> 01:34:14,960

silver mine out in that area for a long

2435

01:34:17,590 --> 01:34:15,920

time

2436

01:34:19,990 --> 01:34:17,600

and um

2437

01:34:21,830 --> 01:34:20,000

they had told me when i was a kid

2438

01:34:23,590 --> 01:34:21,840

oh yeah we're so glad they're not mining

2439

01:34:25,510 --> 01:34:23,600

mercury anymore people were dying when

2440

01:34:27,430 --> 01:34:25,520

they were mining that stuff you know and

2441

01:34:29,430 --> 01:34:27,440

i'm like can't you get some kind of

2442

01:34:31,270 --> 01:34:29,440

weird mercury poisoning if you smell it

2443

01:34:32,870 --> 01:34:31,280

or breathe it or something i don't know

2444

01:34:34,390 --> 01:34:32,880

i can't remember what it is but i

2445

01:34:36,070 --> 01:34:34,400

remember as a kid they were talking

2446

01:34:39,030 --> 01:34:36,080

about it being all

2447

01:34:40,070 --> 01:34:39,040

riddled throughout northern uh nevada

2448

01:34:44,790 --> 01:34:40,080

so

2449

01:34:46,870 --> 01:34:44,800

know nazi germany and the anti-gravity

2450

01:34:47,990 --> 01:34:46,880

stuff you know that's going on

2451

01:34:50,550 --> 01:34:48,000

um

2452

01:34:53,270 --> 01:34:50,560

you know and mark mccandish he uh

2453

01:34:54,950 --> 01:34:53,280

you know about the uh alien reproduction

2454

01:34:57,270 --> 01:34:54,960

vehicles or brad source and you know

2455

01:34:59,430 --> 01:34:57,280

seeing in 1988 norton air force base you

2456

01:35:00,550 --> 01:34:59,440

know hovering off the ground

2457

01:35:02,390 --> 01:35:00,560

um

2458

01:35:05,910 --> 01:35:02,400

you know

2459

01:35:10,709 --> 01:35:08,629

there's a lot more that meets the eye to

2460

01:35:12,149 --> 01:35:10,719

that what i tell people all the time if

2461

01:35:14,629 --> 01:35:12,159

that's what they were showing the

2462

01:35:17,270 --> 01:35:14,639

senators and the you know the lower

2463

01:35:19,430 --> 01:35:17,280

level officials of our government

2464

01:35:21,910 --> 01:35:19,440

that's nothing compared what they had

2465

01:35:23,510 --> 01:35:21,920

that's nothing oh oh okay how is this a

2466

01:35:26,790 --> 01:35:23,520

distraction stuff they have on the black

2467

01:35:29,830 --> 01:35:26,800

projects is like yeah light years uh

2468

01:35:31,830 --> 01:35:29,840

you know from what like when we met with

2469

01:35:34,149 --> 01:35:31,840

scientists and inventors i

2470

01:35:35,910 --> 01:35:34,159

met with some pretty amazing intelligent

2471

01:35:37,990 --> 01:35:35,920

beings that

2472

01:35:40,070 --> 01:35:38,000

were having different concepts of ways

2473

01:35:42,550 --> 01:35:40,080

of extracting from the vacuum you know

2474

01:35:45,350 --> 01:35:42,560

uh energy but the stuff they have in the

2475

01:35:48,149 --> 01:35:45,360

black projects is way beyond

2476

01:35:50,470 --> 01:35:48,159

um you know in in the secret space

2477

01:35:51,830 --> 01:35:50,480

program uh when during the break we were

2478

01:35:56,070 --> 01:35:51,840

talking about you know there can always

2479

01:35:58,470 --> 01:35:56,080

be the cia calls it a ddt operation uh

2480

01:36:00,790 --> 01:35:58,480

like decoy distract trash they can bring

2481

01:36:03,350 --> 01:36:00,800

somebody in that has a story that's

2482

01:36:05,750 --> 01:36:03,360

matching perfectly you know and as we

2483

01:36:08,070 --> 01:36:05,760

were saying earlier uh you know michael

2484

01:36:11,350 --> 01:36:08,080

ralph came out and randy kramer and then

2485

01:36:12,790 --> 01:36:11,360

corey goode in 2014 and then afterwards

2486

01:36:15,590 --> 01:36:12,800

and don't forget there were like a

2487

01:36:17,830 --> 01:36:15,600

handful of other guys at the time too um

2488

01:36:19,350 --> 01:36:17,840

um aaron um

2489

01:36:21,189 --> 01:36:19,360

oh i can't think of his name right now

2490

01:36:23,990 --> 01:36:21,199

there were there probably were five more

2491

01:36:26,390 --> 01:36:24,000

guys too okay all right there's more of

2492

01:36:29,430 --> 01:36:26,400

them that are claiming 20 and back for

2493

01:36:32,149 --> 01:36:29,440

sure exactly and it was before

2494

01:36:34,310 --> 01:36:32,159

uh he ever before corey good ever talked

2495

01:36:35,910 --> 01:36:34,320

about it so i know there's got there's

2496

01:36:37,830 --> 01:36:35,920

at least five other guys that i've

2497

01:36:39,669 --> 01:36:37,840

talked to personally that have said they

2498

01:36:41,830 --> 01:36:39,679

didn't call it 20 and back they called

2499

01:36:43,110 --> 01:36:41,840

it um an age regression type of thing

2500

01:36:44,629 --> 01:36:43,120

that they did with them while they

2501

01:36:47,430 --> 01:36:44,639

worked with them

2502

01:36:48,790 --> 01:36:47,440

they never gave it an enacter an acronym

2503

01:36:50,550 --> 01:36:48,800

like that so

2504

01:36:52,790 --> 01:36:50,560

so i don't know where the 20 and bat

2505

01:36:54,629 --> 01:36:52,800

came from did that come from ralph uh

2506

01:36:56,870 --> 01:36:54,639

down in australia

2507

01:36:58,550 --> 01:36:56,880

wasn't that his version of it

2508

01:37:00,790 --> 01:36:58,560

i don't i don't know but what's

2509

01:37:03,910 --> 01:37:00,800

interesting is that the navy

2510

01:37:05,910 --> 01:37:03,920

this is the navy wanting full disclosure

2511

01:37:07,910 --> 01:37:05,920

and all the indications are is that's

2512

01:37:10,390 --> 01:37:07,920

true you know when you look at uh

2513

01:37:12,870 --> 01:37:10,400

admiral tom wilson you look at admiral

2514

01:37:14,229 --> 01:37:12,880

hugh webster you look at

2515

01:37:16,709 --> 01:37:14,239

all these different

2516

01:37:18,470 --> 01:37:16,719

um all the things about the white house

2517

01:37:20,470 --> 01:37:18,480

in the navy yeah these are all the

2518

01:37:22,310 --> 01:37:20,480

people that have told tompkins

2519

01:37:25,030 --> 01:37:22,320

that he needs to come out and tell the

2520

01:37:27,109 --> 01:37:25,040

world about all this stuff okay but if

2521

01:37:29,109 --> 01:37:27,119

you wanted to take tompkins down you

2522

01:37:30,709 --> 01:37:29,119

would have you know the nsa would know

2523

01:37:33,189 --> 01:37:30,719

everything that tompkins is going to

2524

01:37:35,590 --> 01:37:33,199

come out with they could screen memory

2525

01:37:37,510 --> 01:37:35,600

somebody or do some kind of thing and

2526

01:37:38,629 --> 01:37:37,520

you know so the important thing is you

2527

01:37:39,590 --> 01:37:38,639

know don't

2528

01:37:41,390 --> 01:37:39,600

uh

2529

01:37:44,390 --> 01:37:41,400

don't just accept

2530

01:37:46,950 --> 01:37:44,400

anybody's testimony but look at it very

2531

01:37:49,109 --> 01:37:46,960

carefully look at you know compare with

2532

01:37:51,590 --> 01:37:49,119

people that do have some documented

2533

01:37:53,430 --> 01:37:51,600

reference i know that he's like 90 some

2534

01:37:55,590 --> 01:37:53,440

but he's pretty lucid you know he's

2535

01:37:57,430 --> 01:37:55,600

pretty uh considering you know i met him

2536

01:37:59,910 --> 01:37:57,440

at the conference and i was surprised at

2537

01:38:02,229 --> 01:37:59,920

how quick-witted he was

2538

01:38:07,109 --> 01:38:02,239

yeah he you know when he was 17 he was

2539

01:38:07,990 --> 01:38:07,119

like uh he made a uh like 81 ships uh

2540

01:38:13,030 --> 01:38:08,000

that

2541

01:38:15,830 --> 01:38:13,040

intelligence saw he was copying top

2542

01:38:18,070 --> 01:38:15,840

secret uh stuff in perfect uh

2543

01:38:19,910 --> 01:38:18,080

replication and said you know hey we got

2544

01:38:21,750 --> 01:38:19,920

to get this guy in the navy you know so

2545

01:38:22,870 --> 01:38:21,760

he came in yeah he's either doubted

2546

01:38:24,790 --> 01:38:22,880

we're gonna throw him in the brick for

2547

01:38:26,629 --> 01:38:24,800

the rest of his life right you get two

2548

01:38:28,470 --> 01:38:26,639

choices

2549

01:38:30,629 --> 01:38:28,480

you don't get to like just join you get

2550

01:38:32,229 --> 01:38:30,639

to you know it's either you got to stop

2551

01:38:35,669 --> 01:38:32,239

doing that for everybody else and do it

2552

01:38:40,950 --> 01:38:37,830

and then you have the vatican coming in

2553

01:38:43,270 --> 01:38:40,960

you know saying oh my god yeah

2554

01:38:45,350 --> 01:38:43,280

dr greer says they're all positive pale

2555

01:38:47,189 --> 01:38:45,360

o'hara says they're all positive grant

2556

01:38:48,629 --> 01:38:47,199

cameron says they're all positive you

2557

01:38:49,830 --> 01:38:48,639

got all these people saying they're all

2558

01:38:51,669 --> 01:38:49,840

positive

2559

01:38:53,109 --> 01:38:51,679

but uh

2560

01:38:55,910 --> 01:38:53,119

my my own

2561

01:38:57,189 --> 01:38:55,920

speculation belief i don't know you know

2562

01:38:59,350 --> 01:38:57,199

but uh

2563

01:39:00,709 --> 01:38:59,360

i believe the majority of them are

2564

01:39:03,350 --> 01:39:00,719

benevolent

2565

01:39:04,950 --> 01:39:03,360

uh but but like everything in the

2566

01:39:07,750 --> 01:39:04,960

universe you know there may be some

2567

01:39:11,030 --> 01:39:07,760

other elements but how do people know

2568

01:39:12,629 --> 01:39:11,040

for sure these things you know because

2569

01:39:15,109 --> 01:39:12,639

tompkins is saying that there is kind of

2570

01:39:18,070 --> 01:39:15,119

a predatory type of race

2571

01:39:18,950 --> 01:39:18,080

that uh the nazis uh had an alliance

2572

01:39:20,950 --> 01:39:18,960

with

2573

01:39:23,830 --> 01:39:20,960

and uh

2574

01:39:26,070 --> 01:39:23,840

and they're into slavery they're into

2575

01:39:27,030 --> 01:39:26,080

you know human trafficking they're into

2576

01:39:29,510 --> 01:39:27,040

uh

2577

01:39:32,470 --> 01:39:29,520

you know supposedly

2578

01:39:35,669 --> 01:39:32,480

you know uh you know cannibalism

2579

01:39:36,790 --> 01:39:35,679

who knows you know yeah i mean seriously

2580

01:39:40,229 --> 01:39:36,800

i'm telling you

2581

01:39:42,310 --> 01:39:40,239

and you know cory's

2582

01:39:43,910 --> 01:39:42,320

i'm talking over you somehow i'm you're

2583

01:39:45,990 --> 01:39:43,920

not hearing me and i'm not hearing you

2584

01:39:48,709 --> 01:39:46,000

too well right now but um go ahead with

2585

01:39:50,870 --> 01:39:48,719

tom what you're saying about tompkins

2586

01:39:53,189 --> 01:39:50,880

oh i was just saying you know uh you

2587

01:39:54,950 --> 01:39:53,199

know and i know andy passagio before he

2588

01:39:57,590 --> 01:39:54,960

went public

2589

01:39:59,430 --> 01:39:57,600

we talked for hours and i encouraged him

2590

01:40:01,590 --> 01:39:59,440

i wanted him to be a disclosure witness

2591

01:40:03,590 --> 01:40:01,600

but dr grier didn't accept it because he

2592

01:40:05,830 --> 01:40:03,600

didn't have any enough documentation to

2593

01:40:08,390 --> 01:40:05,840

back you know what he was saying

2594

01:40:10,470 --> 01:40:08,400

uh so i told him you know for his safety

2595

01:40:13,590 --> 01:40:10,480

he needed to get on coast to coast and

2596

01:40:15,990 --> 01:40:13,600

and different uh outlets and he did he

2597

01:40:17,669 --> 01:40:16,000

got very public on both alternative and

2598

01:40:21,030 --> 01:40:17,679

mainstream you know unfortunately they

2599

01:40:23,430 --> 01:40:21,040

made a fun of them but um

2600

01:40:25,189 --> 01:40:23,440

you know and andy he's uh you know very

2601

01:40:26,950 --> 01:40:25,199

eloquent speaker

2602

01:40:29,510 --> 01:40:26,960

and uh

2603

01:40:31,109 --> 01:40:29,520

he's a good friend of mine too so

2604

01:40:33,510 --> 01:40:31,119

yeah yeah

2605

01:40:35,109 --> 01:40:33,520

you know i gotta say dan i i think i

2606

01:40:37,510 --> 01:40:35,119

mentioned this to you before in the last

2607

01:40:39,669 --> 01:40:37,520

show we were on together i really i love

2608

01:40:41,189 --> 01:40:39,679

andy don't get me wrong andy i mean he

2609

01:40:43,189 --> 01:40:41,199

and i saw each other for the first time

2610

01:40:44,950 --> 01:40:43,199

in a year or so and we were just having

2611

01:40:47,430 --> 01:40:44,960

a love fest at the conference i mean

2612

01:40:50,550 --> 01:40:47,440

he's an extraordinary man

2613

01:40:53,189 --> 01:40:50,560

but he is i think he's very naive in

2614

01:40:54,950 --> 01:40:53,199

what might be going on with him i i

2615

01:40:57,910 --> 01:40:54,960

truly believe that

2616

01:40:59,830 --> 01:40:57,920

he believes absolutely that he has been

2617

01:41:01,830 --> 01:40:59,840

traveled through time and been to mars

2618

01:41:04,790 --> 01:41:01,840

and done all these things and i get it

2619

01:41:07,189 --> 01:41:04,800

he absolutely believes it and that is

2620

01:41:09,830 --> 01:41:07,199

the sure sign to me that these guys are

2621

01:41:12,310 --> 01:41:09,840

severely mind controlled and i'm not

2622

01:41:14,470 --> 01:41:12,320

saying we don't have the time machine

2623

01:41:16,550 --> 01:41:14,480

i'm not saying we don't have the looking

2624

01:41:18,790 --> 01:41:16,560

glass thing i'm not saying these people

2625

01:41:20,229 --> 01:41:18,800

haven't been to mars but i am going to

2626

01:41:23,430 --> 01:41:20,239

say this and i'm going to say it for the

2627

01:41:25,590 --> 01:41:23,440

hundredth time when andy and i talked of

2628

01:41:28,550 --> 01:41:25,600

one of our many many long conversations

2629

01:41:29,430 --> 01:41:28,560

this was back in nineteen uh no twenty

2630

01:41:31,430 --> 01:41:29,440

um

2631

01:41:33,750 --> 01:41:31,440

she twenty must be right after the first

2632

01:41:35,910 --> 01:41:33,760

super soldier summit he was supposed to

2633

01:41:38,149 --> 01:41:35,920

be at it he couldn't make it

2634

01:41:40,470 --> 01:41:38,159

and one of the reasons he did not want

2635

01:41:42,550 --> 01:41:40,480

to be there is because he just isn't

2636

01:41:45,990 --> 01:41:42,560

convinced still that he's a he's a mind

2637

01:41:48,229 --> 01:41:46,000

control victim and i said well you know

2638

01:41:50,629 --> 01:41:48,239

here's the deal andy think about it this

2639

01:41:52,470 --> 01:41:50,639

way you go to mars you battle a beast

2640

01:41:54,149 --> 01:41:52,480

you're with another guy i think it was

2641

01:41:56,870 --> 01:41:54,159

barack obama i'm not sure i can't

2642

01:41:58,870 --> 01:41:56,880

remember and you you're this beast is

2643

01:42:00,870 --> 01:41:58,880

killing this kid and you don't save him

2644

01:42:04,070 --> 01:42:00,880

the first time you go back and you do it

2645

01:42:07,590 --> 01:42:04,080

all over again all over again same place

2646

01:42:10,950 --> 01:42:07,600

same beast same kid the kid is back he

2647

01:42:13,270 --> 01:42:10,960

just died a week ago but he's back okay

2648

01:42:15,350 --> 01:42:13,280

and now you don't save him and he dies

2649

01:42:17,109 --> 01:42:15,360

again and then you go back a third time

2650

01:42:19,350 --> 01:42:17,119

there's the beast there's the kid you

2651  
01:42:21,990 --> 01:42:19,360  
save him you never have to do it again

2652  
01:42:24,149 --> 01:42:22,000  
what is that smack of it smacks to me of

2653  
01:42:27,270 --> 01:42:24,159  
a holographic universe in your mind that

2654  
01:42:30,310 --> 01:42:27,280  
they're using you to to run scenarios

2655  
01:42:32,790 --> 01:42:30,320  
and they're using you in a mind set

2656  
01:42:34,870 --> 01:42:32,800  
not necessarily or a consciousness set

2657  
01:42:37,189 --> 01:42:34,880  
maybe they're taking your consciousness

2658  
01:42:39,109 --> 01:42:37,199  
out of your physical 3d body in this

2659  
01:42:41,109 --> 01:42:39,119  
reality and popping you into another

2660  
01:42:43,189 --> 01:42:41,119  
dimensional time space

2661  
01:42:45,669 --> 01:42:43,199  
that could be having some time there's a

2662  
01:42:47,590 --> 01:42:45,679  
lot of mind control stuff going on with

2663  
01:42:49,510 --> 01:42:47,600

all of this that's why everybody you

2664

01:42:51,270 --> 01:42:49,520

know and some of the stuff sounds you

2665

01:42:53,510 --> 01:42:51,280

know what the reason why it's turning

2666

01:42:55,990 --> 01:42:53,520

richard dolan off is because it sounds

2667

01:42:57,910 --> 01:42:56,000

like sensationalism you know that's

2668

01:43:00,229 --> 01:42:57,920

that's made out of you know from comic

2669

01:43:02,229 --> 01:43:00,239

books you know that are like you know

2670

01:43:05,430 --> 01:43:02,239

you know but the thing is that we've

2671

01:43:06,709 --> 01:43:05,440

been under a matrix of perception that

2672

01:43:09,590 --> 01:43:06,719

uh

2673

01:43:12,629 --> 01:43:09,600

we've had our planet hijacked

2674

01:43:14,709 --> 01:43:12,639

exactly these things sound

2675

01:43:17,750 --> 01:43:14,719

incredible and sensational because we've

2676

01:43:20,070 --> 01:43:17,760

been kept in an isolated bubble of what

2677

01:43:20,870 --> 01:43:20,080

we think reality is

2678

01:43:23,109 --> 01:43:20,880

yeah

2679

01:43:25,270 --> 01:43:23,119

and it could be even more fantastical

2680

01:43:27,109 --> 01:43:25,280

than cory good's even talking about you

2681

01:43:29,189 --> 01:43:27,119

know i've never been one to say there

2682

01:43:32,390 --> 01:43:29,199

couldn't be even a lot more

2683

01:43:34,390 --> 01:43:32,400

you know i'm just saying folks

2684

01:43:36,229 --> 01:43:34,400

that could be lightweight stuff

2685

01:43:39,189 --> 01:43:36,239

yeah it could be just that could be the

2686

01:43:41,510 --> 01:43:39,199

tip of the iceberg for all we know and

2687

01:43:44,709 --> 01:43:41,520

it goes back to the other thing that uh

2688

01:43:47,830 --> 01:43:44,719

another guy told me out of andy's group

2689

01:43:50,149 --> 01:43:47,840

he was supposedly the adviser to nixon

2690

01:43:52,629 --> 01:43:50,159

about the the graves and the ufo

2691

01:43:55,030 --> 01:43:52,639

community and he said lorien i'm telling

2692

01:43:57,189 --> 01:43:55,040

you this is the answer to everything

2693

01:43:59,950 --> 01:43:57,199

i was shown that the graves have what

2694

01:44:01,590 --> 01:43:59,960

they call the slots

2695

01:44:03,669 --> 01:44:01,600

s-l-o-t-s

2696

01:44:05,669 --> 01:44:03,679

and it's a holographic universe that

2697

01:44:09,109 --> 01:44:05,679

they have placed right outside of our

2698

01:44:11,430 --> 01:44:09,119

perception of our our physical reality

2699

01:44:13,669 --> 01:44:11,440

and they can take us there with our

2700

01:44:15,189 --> 01:44:13,679

consciousness they take us there as a

2701

01:44:17,590 --> 01:44:15,199

conscious being

2702

01:44:20,470 --> 01:44:17,600

into an avatar form and we think we're

2703

01:44:23,109 --> 01:44:20,480

doing everything we're doing here hence

2704

01:44:26,550 --> 01:44:23,119

20 and back hence i was on a ship last

2705

01:44:28,870 --> 01:44:26,560

night and i flew out to mars or whatever

2706

01:44:30,790 --> 01:44:28,880

and these things are actually going on

2707

01:44:33,510 --> 01:44:30,800

but they're not going on the way we

2708

01:44:35,430 --> 01:44:33,520

think they are it's all done through a

2709

01:44:36,790 --> 01:44:35,440

manipulation of the mind and

2710

01:44:37,669 --> 01:44:36,800

consciousness

2711

01:44:39,750 --> 01:44:37,679

and

2712

01:44:42,229 --> 01:44:39,760

he's the only one that's ever said that

2713

01:44:43,750 --> 01:44:42,239

to me and within two weeks of him

2714

01:44:46,310 --> 01:44:43,760

telling me this

2715

01:44:48,149 --> 01:44:46,320

he was back home and he didn't remember

2716

01:44:51,270 --> 01:44:48,159

who the heck i was even though he'd been

2717

01:44:53,590 --> 01:44:51,280

on my radio show like 10 times and ben

2718

01:44:55,030 --> 01:44:53,600

flown to my conference and sat with me

2719

01:44:58,310 --> 01:44:55,040

and had dinner and talked to me for

2720

01:45:00,390 --> 01:44:58,320

three days the guy had no memory of me

2721

01:45:01,990 --> 01:45:00,400

so they wiped his mind he doesn't

2722

01:45:05,350 --> 01:45:02,000

remember what he told me he doesn't know

2723

01:45:07,750 --> 01:45:05,360

who i am it's it's an absolute conundrum

2724

01:45:10,149 --> 01:45:07,760

to me but not really because he's the

2725

01:45:12,070 --> 01:45:10,159

first guy that ever told me about this

2726

01:45:14,229 --> 01:45:12,080

and he's the last guy that ever told me

2727

01:45:15,750 --> 01:45:14,239

about it so it really smacks to me that

2728

01:45:18,229 --> 01:45:15,760

it's probably true

2729

01:45:21,669 --> 01:45:18,239

in some sense the mind control stuff is

2730

01:45:23,669 --> 01:45:21,679

real stuff yeah um yeah you know it's uh

2731

01:45:25,430 --> 01:45:23,679

you know we we have to do the due

2732

01:45:28,070 --> 01:45:25,440

diligence and uh

2733

01:45:29,830 --> 01:45:28,080

compare there's certain anchors in this

2734

01:45:31,750 --> 01:45:29,840

and that's a lot of when you get like

2735

01:45:33,270 --> 01:45:31,760

500 witnesses and you have all this

2736

01:45:34,149 --> 01:45:33,280

documentation

2737

01:45:35,189 --> 01:45:34,159

uh

2738

01:45:37,510 --> 01:45:35,199

you know you

2739

01:45:38,790 --> 01:45:37,520

you've got something to go by but

2740

01:45:40,950 --> 01:45:38,800

there's a

2741

01:45:43,030 --> 01:45:40,960

it's a minefield out there of because

2742

01:45:44,629 --> 01:45:43,040

they're trying desperately you know

2743

01:45:46,470 --> 01:45:44,639

they're trying to take over google

2744

01:45:48,870 --> 01:45:46,480

facebook and well they recreate it

2745

01:45:52,229 --> 01:45:48,880

actually you know but you know

2746

01:45:54,550 --> 01:45:52,239

to with the algorithms so that

2747

01:45:56,629 --> 01:45:54,560

they're tr it's a it's a race against

2748

01:45:59,910 --> 01:45:56,639

how many people are waking up versus how

2749

01:46:00,870 --> 01:45:59,920

many people is still in that uh

2750

01:46:04,390 --> 01:46:00,880

that

2751

01:46:06,470 --> 01:46:04,400

think

2752

01:46:08,790 --> 01:46:06,480

living their paradigm the psyop that

2753

01:46:09,830 --> 01:46:08,800

they want us to believe is the reality

2754

01:46:12,149 --> 01:46:09,840

yeah yeah

2755

01:46:14,470 --> 01:46:12,159

watching cnn you know all the rest of

2756

01:46:17,830 --> 01:46:14,480

them that are completely controlled

2757

01:46:20,229 --> 01:46:17,840

um absolutely well oh my god i can't

2758

01:46:22,709 --> 01:46:20,239

believe we asked it's ten o'clock oh my

2759

01:46:24,870 --> 01:46:22,719

god oh god see i knew this was gonna fly

2760

01:46:27,270 --> 01:46:24,880

by and i was just getting revved up man

2761

01:46:29,350 --> 01:46:27,280

oh dear okay sweetheart well thank you

2762

01:46:31,590 --> 01:46:29,360

so much for being on the show tonight

2763

01:46:33,510 --> 01:46:31,600

and dan will be back with us in probably

2764

01:46:35,830 --> 01:46:33,520

four or five months because i wanna i'm

2765

01:46:37,350 --> 01:46:35,840

gonna pester him every you know quarter

2766

01:46:39,350 --> 01:46:37,360

of the year just to see if he's gotten

2767

01:46:40,709 --> 01:46:39,360

any new information and new fun stuff to

2768

01:46:42,709 --> 01:46:40,719

share with you guys

2769

01:46:44,550 --> 01:46:42,719

and uh yeah it sounds like we could do a

2770

01:46:46,550 --> 01:46:44,560

whole show on maybe billy meyer a whole

2771

01:46:48,149 --> 01:46:46,560

show on vogel we could do all kinds of

2772

01:46:49,189 --> 01:46:48,159

fun things in the future dan if you're

2773

01:46:51,590 --> 01:46:49,199

up for it

2774

01:46:54,310 --> 01:46:51,600

and i love having a sparring partner

2775

01:46:56,149 --> 01:46:54,320

when it comes to the the you know the

2776

01:46:58,390 --> 01:46:56,159

whole corey good thing

2777

01:47:00,070 --> 01:46:58,400

because you know like i said it's one of

2778

01:47:02,709 --> 01:47:00,080

those things that you know we shouldn't

2779

01:47:04,149 --> 01:47:02,719

just be buying it on face value you know

2780

01:47:06,629 --> 01:47:04,159

just because it's there

2781

01:47:08,790 --> 01:47:06,639

and uh i think that it goes a lot deeper

2782

01:47:11,030 --> 01:47:08,800

and we want to believe right now so you

2783

01:47:13,350 --> 01:47:11,040

know the only reason we do these kind of

2784

01:47:14,149 --> 01:47:13,360

shows at least speaking for myself is

2785

01:47:17,669 --> 01:47:14,159

that

2786

01:47:18,470 --> 01:47:17,679

we know another world completely exists

2787

01:47:20,790 --> 01:47:18,480

that

2788

01:47:23,510 --> 01:47:20,800

doesn't have this deception

2789

01:47:26,550 --> 01:47:23,520

and can be

2790

01:47:29,910 --> 01:47:26,560

only realized when we pull away

2791

01:47:32,550 --> 01:47:29,920

the illusions that have been created

2792

01:47:34,070 --> 01:47:32,560

yeah that's the absolute truth i know it

2793

01:47:36,229 --> 01:47:34,080

because love is the key and that's what

2794

01:47:38,550 --> 01:47:36,239

they told me a long time ago and and

2795

01:47:40,709 --> 01:47:38,560

when you said that tonight it truly is

2796

01:47:42,310 --> 01:47:40,719

the answer to everything love is truly

2797

01:47:44,550 --> 01:47:42,320

it so there we are
