**Center of Light Radio**

Guest: Azra Bertrand

1  
00:00:25,550 --> 00:00:14,900

[Music]

2  
00:00:29,220 --> 00:00:26,580

you

3  
00:00:41,050 --> 00:00:29,230

[Applause]

4  
00:00:45,950 --> 00:00:41,060

[Music]

5  
00:00:45,960 --> 00:00:49,170

cute

6  
00:00:54,850 --> 00:00:52,080

[Music]

7  
00:01:04,479 --> 00:00:54,860

like you

8  
00:01:06,490 --> 00:01:04,489

[Music]

9  
00:01:08,830 --> 00:01:06,500  
welcome to the center of light radio

10  
00:01:11,260 --> 00:01:08,840

with spiritual teacher intuitive

11  
00:01:13,840 --> 00:01:11,270  
musician composer and best-selling

12  
00:01:16,060 --> 00:01:13,850  
author of the Divine Principle anchoring

13  
00:01:19,720 --> 00:01:16,070

heaven on earth your host Keith

14

00:01:20,830 --> 00:01:19,730

Anthony Blanchard Costa Coast pulled a

15

00:01:22,000 --> 00:01:20,840

poll all around the world on the

16

00:01:23,950 --> 00:01:22,010

internet thanks to the Marvel of

17

00:01:26,200 --> 00:01:23,960

Technology I am coming at you live from

18

00:01:27,400 --> 00:01:26,210

my little guest house in Memphis

19

00:01:28,630 --> 00:01:27,410

Tennessee this is Keith Anthony

20

00:01:30,790 --> 00:01:28,640

Blanchard you're listening to sinner of

21

00:01:33,700 --> 00:01:30,800

light radio Center of divine unfoldment

22

00:01:37,120 --> 00:01:33,710

and reinforcements radio for the soul

23

00:01:39,250 --> 00:01:37,130

and the transformation station a couple

24

00:01:40,840 --> 00:01:39,260

of adverts we'll get right down to our

25

00:01:42,670 --> 00:01:40,850

guest we've got a powerful show for you

26

00:01:45,940 --> 00:01:42,680

tonight

27

00:01:48,460 --> 00:01:45,950

very soon in September Swann Jesus Ryoga

28

00:01:50,500 --> 00:01:48,470

de semana - you're looking at video and

29

00:01:51,580 --> 00:01:50,510

I have a picture up for you to see it's

30

00:01:53,109 --> 00:01:51,590

going to be coming back to Memphis

31

00:01:55,510 --> 00:01:53,119

Tennessee this would be a third time and

32

00:01:56,950 --> 00:01:55,520

of view Swansea and as I always say we

33

00:01:59,230 --> 00:01:56,960

need a presence of a divine man like

34

00:02:00,999 --> 00:01:59,240

this you can feel it you can feel it

35

00:02:03,790 --> 00:02:01,009

bounce to bones through your soul and

36

00:02:06,310 --> 00:02:03,800

everywhere around you he's coming to

37

00:02:09,040 --> 00:02:06,320

town in his being his tour this year his

38

00:02:10,870 --> 00:02:09,050

theme is hidden the earth by purifying

39

00:02:12,580 --> 00:02:10,880

the water so you can bet I'm going to be

40

00:02:15,400 --> 00:02:12,590

asking a whole bunch of questions for

41

00:02:18,100 --> 00:02:15,410

example about Fukushima about the BP

42

00:02:19,840 --> 00:02:18,110

spill in the Gulf of Mexico about the

43

00:02:20,890 --> 00:02:19,850

fluoride in our drinking water about

44

00:02:22,809 --> 00:02:20,900

Flint Michigan

45

00:02:25,000 --> 00:02:22,819

hence the theme purifying the earth

46

00:02:27,250 --> 00:02:25,010

healing earth by purifying the waters

47

00:02:31,240 --> 00:02:27,260

I'm not sure exactly what date that

48

00:02:33,730 --> 00:02:31,250

interview is going to air due to the

49

00:02:35,470 --> 00:02:33,740

fact that we're going to be video on the

50

00:02:37,660 --> 00:02:35,480

interview as well as well as live on

51  
00:02:39,100 --> 00:02:37,670  
Facebook as well as live on YouTube so

52  
00:02:41,410 --> 00:02:39,110  
once we get all this under wraps I'll

53  
00:02:42,970 --> 00:02:41,420  
let you know the exact day this

54  
00:02:45,070 --> 00:02:42,980  
interview would God realize me and

55  
00:02:46,750 --> 00:02:45,080  
swampy destroy Yogi is going to land

56  
00:02:48,580 --> 00:02:46,760  
Kenneth pass was a recent guest from

57  
00:02:50,050 --> 00:02:48,590  
center of light radio when he was 8

58  
00:02:54,010 --> 00:02:50,060  
years old give or take he was abducted

59  
00:02:56,590 --> 00:02:54,020  
by aliens brought back 10,000 years he

60  
00:02:57,940 --> 00:02:56,600  
was on a camping trip at a camp and some

61  
00:02:59,740 --> 00:02:57,950  
of the kids will be went on hiking

62  
00:03:01,750 --> 00:02:59,750  
did some of the kids in the adults and

63  
00:03:03,430 --> 00:03:01,760

they were taken back and Kenneth's

64

00:03:05,350 --> 00:03:03,440

where's that appear for me with prophecy

65

00:03:07,900 --> 00:03:05,360

Rock that's him

66

00:03:09,759 --> 00:03:07,910

the petroglyph on prophecy Rock is a

67

00:03:11,830 --> 00:03:09,769

picture of him coming out of the

68

00:03:13,370 --> 00:03:11,840

spaceship so here's the deal careful Kim

69

00:03:15,290 --> 00:03:13,380

does a really simple guy

70

00:03:17,470 --> 00:03:15,300

and he wants to go back to Arizona or

71

00:03:19,730 --> 00:03:17,480

whatever this place is that he was

72

00:03:20,990 --> 00:03:19,740

10,000 years because while he was

73

00:03:23,530 --> 00:03:21,000

spending time with the aliens one of

74

00:03:26,180 --> 00:03:23,540

them pissed him off pretty good so he

75

00:03:28,040 --> 00:03:26,190

hid a piece of their powerful technology

76

00:03:28,940 --> 00:03:28,050

and he wants to go back and get that

77

00:03:30,920 --> 00:03:28,950

technology

78

00:03:32,630 --> 00:03:30,930

mcinnis is a very simple guy does not

79

00:03:34,520 --> 00:03:32,640

drive so we want to get get some money

80

00:03:36,320 --> 00:03:34,530

for him to give him a bus ticket so he

81

00:03:38,780 --> 00:03:36,330

can log his experience while he's there

82

00:03:40,340 --> 00:03:38,790

and come back for part two and sinner of

83

00:03:42,920 --> 00:03:40,350

light radio because he wants to give

84

00:03:45,230 --> 00:03:42,930

this piece of technology to the Hopi and

85

00:03:47,240 --> 00:03:45,240

the pueblos he says they will know

86

00:03:49,460 --> 00:03:47,250

exactly what to do in it so what you do

87

00:03:51,080 --> 00:03:49,470

is you go to sin of light radio.com when

88

00:03:53,000 --> 00:03:51,090

the page settles of lots of moving parts

89

00:03:56,180 --> 00:03:53,010

you'll see a donate button under a

90

00:03:57,620 --> 00:03:56,190

flying saucer of course click that

91

00:03:59,480 --> 00:03:57,630

button donate what you came we're almost

92

00:04:00,530 --> 00:03:59,490

to our goal we want to raise about five

93

00:04:02,600 --> 00:04:00,540

hundred dollars again the roundtrip

94

00:04:04,250 --> 00:04:02,610

ticket so five dollars about ten bucks

95

00:04:06,170 --> 00:04:04,260

whatever you got let's make that happen

96

00:04:09,370 --> 00:04:06,180

for kids it would bring absolutely a lot

97

00:04:11,240 --> 00:04:09,380

of peace in his life so that is that

98

00:04:13,130 --> 00:04:11,250

also a couple of quick more

99

00:04:14,110 --> 00:04:13,140

announcements I do a lot of services for

100

00:04:15,650 --> 00:04:14,120

men years I've been doing speaking

101

00:04:17,180 --> 00:04:15,660

presentations like changing

102

00:04:20,030 --> 00:04:17,190

presentations on spirituality divine

103

00:04:21,860 --> 00:04:20,040

incarnations extraterrestrials and many

104

00:04:23,630 --> 00:04:21,870

other things but I help people live

105

00:04:25,310 --> 00:04:23,640

their passion that's what I do that is

106

00:04:28,430 --> 00:04:25,320

my passions to help people live their

107

00:04:30,440 --> 00:04:28,440

passion I can cater to any theme that

108

00:04:32,420 --> 00:04:30,450

you may have for anything you may have

109

00:04:34,400 --> 00:04:32,430

any place in the country that you may

110

00:04:35,780 --> 00:04:34,410

want me to come and speak I'll do life

111

00:04:37,310 --> 00:04:35,790

coaching I do spiritual readings and

112

00:04:39,350 --> 00:04:37,320

let's not call it spiritual readings

113

00:04:41,570 --> 00:04:39,360

let's just call it helping you find your

114

00:04:44,030 --> 00:04:41,580

own way sometimes we were living too

115

00:04:45,650 --> 00:04:44,040

close to ourselves and just kind of step

116

00:04:46,910 --> 00:04:45,660

back a little bit and I'm that guy I can

117

00:04:48,440 --> 00:04:46,920

open you up and help you make the

118

00:04:50,840 --> 00:04:48,450

choices by providing you with some

119

00:04:54,050 --> 00:04:50,850

clarity and that way you can have the ha

120

00:04:56,270 --> 00:04:54,060

ha moment that you are needing and

121

00:04:57,830 --> 00:04:56,280

that's that's what I'll do I don't like

122

00:05:00,040 --> 00:04:57,840

calling it psychic readings or spiritual

123

00:05:02,540 --> 00:05:00,050

that's just not the way of it for me

124

00:05:04,190 --> 00:05:02,550

also if you have squatters and your

125

00:05:05,660 --> 00:05:04,200

house spiritual squatters you have some

126  
00:05:07,790 --> 00:05:05,670  
dark energies moving about your house

127  
00:05:10,400 --> 00:05:07,800  
and they're not paying rent you want

128  
00:05:12,430 --> 00:05:10,410  
them going contact me I guarantee you

129  
00:05:15,470 --> 00:05:12,440  
that I will not leave you until we are

130  
00:05:18,320 --> 00:05:15,480  
successful with our endeavor of bringing

131  
00:05:21,440 --> 00:05:18,330  
your house back to the peaceful home

132  
00:05:22,969 --> 00:05:21,450  
that you desire and deserve now it's

133  
00:05:26,650 --> 00:05:22,979  
time to get down the center of light

134  
00:05:30,250 --> 00:05:28,270  
make sure you down eight eight eight

135  
00:05:32,650 --> 00:05:30,260  
nine one nine two three five five triple

136  
00:05:34,030 --> 00:05:32,660  
eight nine one nine two three five five

137  
00:05:37,210 --> 00:05:34,040  
if you want to be in the show to speak

138  
00:05:37,780 --> 00:05:37,220

to myself or my phenomenal guests that

139

00:05:39,640 --> 00:05:37,790

we have today

140

00:05:41,560 --> 00:05:39,650

Asura Bertrand and you will be

141

00:05:42,970 --> 00:05:41,570

discussing and I'm curious to know a

142

00:05:44,410 --> 00:05:42,980

little bit more about me so I'm sure I'm

143

00:05:46,180 --> 00:05:44,420

probably going to know exactly what or

144

00:05:47,350 --> 00:05:46,190

cannot but by the name of that I'm just

145

00:05:51,250 --> 00:05:47,360

not sure yet we're going to be

146

00:05:53,200 --> 00:05:51,260

discussing womb Awakening Asura bertrand

147

00:05:56,890 --> 00:05:53,210

md is founder and director of the

148

00:05:59,740 --> 00:05:56,900

fountain of life grail mystery school

149

00:06:05,260 --> 00:05:59,750

and co-author of the groundbreaking new

150

00:06:08,620 --> 00:06:05,270

book womb awakening initiative wisdom

151

00:06:10,990 --> 00:06:08,630

from the create ryx of all life along

152

00:06:13,150 --> 00:06:11,000

with his wife sharon bertrand the warm

153

00:06:16,060 --> 00:06:13,160

awakening book has been described by new

154

00:06:18,850 --> 00:06:16,070

york times bestselling authors as master

155

00:06:23,230 --> 00:06:18,860

work of beauty power and mythical truth

156

00:06:26,770 --> 00:06:23,240

a mystery school in a book and a magical

157

00:06:28,660 --> 00:06:26,780

Sacred Feminine transmission author

158

00:06:30,970 --> 00:06:28,670

graduated from Duke University School of

159

00:06:33,880 --> 00:06:30,980

Medicine and has been pioneering doctor

160

00:06:36,640 --> 00:06:33,890

has been a pioneering doctor on chemical

161

00:06:39,700 --> 00:06:36,650

scientist and spiritual guide for twenty

162

00:06:41,680 --> 00:06:39,710

years he is an evolutionary enchanter

163

00:06:45,520 --> 00:06:41,690

dedicated to helping women awaken their

164

00:06:47,970 --> 00:06:45,530

womb power into assisting the rebirth of

165

00:06:51,580 --> 00:06:47,980

the masculine into his true gifts

166

00:06:53,320 --> 00:06:51,590

uniting them both in sacred union

167

00:06:56,020 --> 00:06:53,330

immersing the study and shamanic

168

00:06:59,020 --> 00:06:56,030

practice of womb consciousness he draws

169

00:07:01,570 --> 00:06:59,030

on rich veins of wisdom from many

170

00:07:05,560 --> 00:07:01,580

traditions and has assisted over the

171

00:07:09,310 --> 00:07:05,570

siddhis and has assisted over 25,000

172

00:07:11,860 --> 00:07:09,320

people to heal on physical emotional and

173

00:07:14,940 --> 00:07:11,870

the spiritual level you could find

174

00:07:18,580 --> 00:07:14,950

author Bertrand more about his work at

175

00:07:22,030 --> 00:07:18,590

WWF Fountain of Life org welcome back to

176  
00:07:23,980 --> 00:07:22,040  
sin of radio my friend my brother Thank

177  
00:07:27,550 --> 00:07:23,990  
You Keith I'm excited to be here today

178  
00:07:29,260 --> 00:07:27,560  
it's been a few years since I was on

179  
00:07:31,290 --> 00:07:29,270  
your show last and I remember the last

180  
00:07:33,730 --> 00:07:31,300  
one was a great experience because

181  
00:07:36,130 --> 00:07:33,740  
you're you know your enthusiasm just

182  
00:07:38,800 --> 00:07:36,140  
helps bring out all of the different

183  
00:07:40,240 --> 00:07:38,810  
pieces that wish to be shared so I'm

184  
00:07:42,190 --> 00:07:40,250  
excited to be here

185  
00:07:43,360 --> 00:07:42,200  
well brother I can tell you when you was

186  
00:07:45,730 --> 00:07:43,370  
on that show with me that you're

187  
00:07:46,990 --> 00:07:45,740  
referring to I had a lot of openings a

188  
00:07:50,320 --> 00:07:47,000

lot of things opened up a lot of

189

00:07:51,730 --> 00:07:50,330

epiphanies and I believe in mine I often

190

00:07:54,580 --> 00:07:51,740

think about that interview

191

00:07:56,830 --> 00:07:54,590

till this day some of the dialogue we

192

00:07:58,300 --> 00:07:56,840

had was pretty pretty powerful so let's

193

00:07:59,980 --> 00:07:58,310

dive right into the meat potatoes tell

194

00:08:02,700 --> 00:07:59,990

me a little more about this new work

195

00:08:06,730 --> 00:08:02,710

that's getting all these rave reviews

196

00:08:09,220 --> 00:08:06,740

yes yes so my beloved wife Sarah and

197

00:08:11,620 --> 00:08:09,230

Bertrand and I we just wrote about we

198

00:08:14,110 --> 00:08:11,630

just published release this book womb

199

00:08:16,030 --> 00:08:14,120

awakening the initiatory wisdom from the

200

00:08:19,120 --> 00:08:16,040

creatress of all life this book has been

201  
00:08:20,680 --> 00:08:19,130  
five years in the writing in a lifetime

202  
00:08:23,770 --> 00:08:20,690  
in the making least one lifetime

203  
00:08:27,430 --> 00:08:23,780  
multiple lifetimes really and really

204  
00:08:31,150 --> 00:08:27,440  
what womb awakening is it is a treatise

205  
00:08:33,640 --> 00:08:31,160  
or a manifesto and a mystery school in a

206  
00:08:35,800 --> 00:08:33,650  
book and it's about the revolution of

207  
00:08:37,959 --> 00:08:35,810  
feminine consciousness that's coming

208  
00:08:39,940 --> 00:08:37,969  
onto the planet now when I say that

209  
00:08:43,089 --> 00:08:39,950  
often men start to feel a little uneasy

210  
00:08:44,710 --> 00:08:43,099  
am i included am i a part of this but

211  
00:08:47,140 --> 00:08:44,720  
this is a revolution in consciousness

212  
00:08:51,280 --> 00:08:47,150  
for men and women obviously then I'm

213  
00:08:54,220 --> 00:08:51,290

interested in it and and it's it's a you

214

00:08:57,250 --> 00:08:54,230

know it's a fundamental shift in in

215

00:08:59,380 --> 00:08:57,260

where we are going really as a planning

216

00:09:02,770 --> 00:08:59,390

and as a racing as in as a species and

217

00:09:05,350 --> 00:09:02,780

and so in this book we've written a lot

218

00:09:08,410 --> 00:09:05,360

about this and tonight what I wanted to

219

00:09:11,620 --> 00:09:08,420

do was to speak really about the science

220

00:09:13,030 --> 00:09:11,630

behind womb awakening and my background

221

00:09:15,790 --> 00:09:13,040

as you mentioned I'm a medical doctor

222

00:09:17,560 --> 00:09:15,800

I've done research at the National

223

00:09:19,870 --> 00:09:17,570

Institutes of Health here in the US

224

00:09:21,820 --> 00:09:19,880

which is a you know a big Research

225

00:09:25,780 --> 00:09:21,830

Institute for those who don't know that

226  
00:09:29,500 --> 00:09:25,790  
on on primal bonding and an attachment

227  
00:09:32,500 --> 00:09:29,510  
or their mother child bonding and and an

228  
00:09:35,800 --> 00:09:32,510  
interest in physics in and so one of the

229  
00:09:39,130 --> 00:09:35,810  
most interesting things is that as we

230  
00:09:41,230 --> 00:09:39,140  
along with this real shift in and

231  
00:09:44,380 --> 00:09:41,240  
consciousness that's coming onto the

232  
00:09:46,720 --> 00:09:44,390  
planet there is a shift in in the

233  
00:09:50,320 --> 00:09:46,730  
science and as really science is

234  
00:09:53,590 --> 00:09:50,330  
undergoing a a big sea change really a

235  
00:09:56,800 --> 00:09:53,600  
complete shift from what people used to

236  
00:09:58,660 --> 00:09:56,810  
think of as a very concrete practical

237  
00:10:00,700 --> 00:09:58,670  
what what I would call a Newtonian

238  
00:10:03,340 --> 00:10:00,710

worldview by really mechanistic in

239

00:10:06,400 --> 00:10:03,350

materialistic to more of a quantum world

240

00:10:09,730 --> 00:10:06,410

view and and in that quantum world view

241

00:10:12,040 --> 00:10:09,740

just as the ancient Taoist sages wrote

242

00:10:14,740 --> 00:10:12,050

about in the ancient Vedic sages will

243

00:10:17,710 --> 00:10:14,750

wrote about there is this ground of

244

00:10:20,230 --> 00:10:17,720

consciousness this Yien field or what we

245

00:10:23,079 --> 00:10:20,240

call a quantum room field from which

246

00:10:25,930 --> 00:10:23,089

births amazing thing thinks it would be

247

00:10:27,579 --> 00:10:25,940

considered miraculous and and so I'm

248

00:10:30,070 --> 00:10:27,589

excited to just share a few of these

249

00:10:32,260 --> 00:10:30,080

stories it's really it's really huge you

250

00:10:35,590 --> 00:10:32,270

know we wrote five hundred and twenty

251  
00:10:38,350 --> 00:10:35,600  
pages about it with over 400 references

252  
00:10:41,520 --> 00:10:38,360  
and but but tonight there's some key

253  
00:10:44,440 --> 00:10:41,530  
pieces I'd like to share with everyone

254  
00:10:47,800 --> 00:10:44,450  
ya know by all means the last dialogue

255  
00:10:52,030 --> 00:10:47,810  
you and I had there was I'd say good bit

256  
00:10:55,810 --> 00:10:52,040  
of this kind of perspective way of

257  
00:10:57,720 --> 00:10:55,820  
seeing things and no pun intended the

258  
00:11:00,610 --> 00:10:57,730  
womb

259  
00:11:03,579 --> 00:11:00,620  
conversation we had about it opened me

260  
00:11:06,160 --> 00:11:03,589  
up it gave me a new birth of way of

261  
00:11:08,770 --> 00:11:06,170  
seeing the as above so below the micro

262  
00:11:12,610 --> 00:11:08,780  
and the macro yeah yeah exactly well

263  
00:11:14,829 --> 00:11:12,620

it's done the same for me as well so so

264

00:11:16,480 --> 00:11:14,839

we'll continue it's a rich field we

265

00:11:17,770 --> 00:11:16,490

spoke about certain things last time and

266

00:11:21,600 --> 00:11:17,780

I wanted to bring in some new pieces

267

00:11:24,100 --> 00:11:21,610

this time and so let's begin with our

268

00:11:25,840 --> 00:11:24,110

biology so last time we were speaking a

269

00:11:27,340 --> 00:11:25,850

lot about the revolution in physics and

270

00:11:29,949 --> 00:11:27,350

we might touch that again tonight but

271

00:11:32,410 --> 00:11:29,959

but let's talk about our incredible

272

00:11:35,410 --> 00:11:32,420

biology and and the piece I'd like to

273

00:11:39,610 --> 00:11:35,420

begin with is something called menstrual

274

00:11:41,320 --> 00:11:39,620

blood stem cells and this idea of a

275

00:11:44,410 --> 00:11:41,330

spiritual medicine and a regenerative

276  
00:11:47,110 --> 00:11:44,420  
medicine and and I'll just you know I'll

277  
00:11:48,430 --> 00:11:47,120  
just tell people a little bit about stem

278  
00:11:50,980 --> 00:11:48,440  
cells just a little background so you

279  
00:11:52,360 --> 00:11:50,990  
understand understand a little more

280  
00:11:55,300 --> 00:11:52,370  
about where we're coming from

281  
00:11:57,880 --> 00:11:55,310  
so we all start life as a single

282  
00:12:00,579 --> 00:11:57,890  
fertilized egg from our mother's body a

283  
00:12:03,220 --> 00:12:00,589  
one egg and then that egg divides into

284  
00:12:06,990 --> 00:12:03,230  
two and four cells and eight and 16 and

285  
00:12:09,900 --> 00:12:07,000  
32 etc and eventually differentiate

286  
00:12:13,830 --> 00:12:09,910  
into this full adult human 50 trillion

287  
00:12:16,470 --> 00:12:13,840  
cells all from that single cell that one

288  
00:12:19,230 --> 00:12:16,480

cell that contains within it the codes

289

00:12:22,170 --> 00:12:19,240

of life this power to create an entirely

290

00:12:24,180 --> 00:12:22,180

new body to create organs to create any

291

00:12:27,000 --> 00:12:24,190

cell in the body a heart cell a blood

292

00:12:29,760 --> 00:12:27,010

cell immune system cells cetera all come

293

00:12:31,830 --> 00:12:29,770

from this single egg that is the the

294

00:12:34,320 --> 00:12:31,840

quintessential stem cell now what

295

00:12:37,620 --> 00:12:34,330

happens when we're forming as beings and

296

00:12:40,170 --> 00:12:37,630

our mothers wombs those first sets of

297

00:12:42,720 --> 00:12:40,180

divisions one two four eight sixteen etc

298

00:12:45,960 --> 00:12:42,730

all of those early cells retain the

299

00:12:48,510 --> 00:12:45,970

capacity to in essence completely regrow

300

00:12:51,870 --> 00:12:48,520

a human body they can become any cell

301

00:12:54,300 --> 00:12:51,880

these are stem cells alright there's an

302

00:12:56,940 --> 00:12:54,310

incredible power now I've been working

303

00:12:59,580 --> 00:12:56,950

with stem cells as a holistic doctor and

304

00:13:02,550 --> 00:12:59,590

and in a spiritual consciousness around

305

00:13:05,100 --> 00:13:02,560

stem cells for a long time and I'll

306

00:13:07,380 --> 00:13:05,110

share stories as this book the womb

307

00:13:10,020 --> 00:13:07,390

awakening book was birthing my wife

308

00:13:12,060 --> 00:13:10,030

Sharon and I understood that there was

309

00:13:14,340 --> 00:13:12,070

an enormous power in the womb and it was

310

00:13:16,350 --> 00:13:14,350

not just a spiritual not just to birth

311

00:13:19,079 --> 00:13:16,360

children but also there was this

312

00:13:21,810 --> 00:13:19,089

regenerative power and we knew this

313

00:13:24,180 --> 00:13:21,820

because if you look in every culture

314

00:13:27,270 --> 00:13:24,190

around the world every ancient culture

315

00:13:29,640 --> 00:13:27,280

you see these myths they're the same and

316

00:13:31,440 --> 00:13:29,650

almost in almost every every mythology

317

00:13:34,980 --> 00:13:31,450

in almost every culture of the

318

00:13:37,740 --> 00:13:34,990

incredible healing power of menstrual

319

00:13:40,100 --> 00:13:37,750

blood and minstrel it has been called by

320

00:13:42,450 --> 00:13:40,110

so many names has been called Amrita

321

00:13:45,270 --> 00:13:42,460

ambrosia soma

322

00:13:48,900 --> 00:13:45,280

it's been called the river of life the

323

00:13:50,550 --> 00:13:48,910

the flower the unified by so many names

324

00:13:54,079 --> 00:13:50,560

and all these and all these traditions

325

00:13:58,170 --> 00:13:54,089

and associated with immortality

326

00:14:00,660 --> 00:13:58,180

associated with allowing the gods to

327

00:14:03,000 --> 00:14:00,670

maintain their life so the gods would

328

00:14:06,360 --> 00:14:03,010

stay healthy by coming in contact with

329

00:14:08,790 --> 00:14:06,370

with this sacred power held in the

330

00:14:11,010 --> 00:14:08,800

female womb this is the power to to

331

00:14:12,990 --> 00:14:11,020

renew life through regenerate light it

332

00:14:16,079 --> 00:14:13,000

was represented by mr. minstrel blood

333

00:14:17,760 --> 00:14:16,089

now of course in our age mr. blood is

334

00:14:19,590 --> 00:14:17,770

you know menstruation is considered a

335

00:14:20,720 --> 00:14:19,600

bit of a curse you know oh you know God

336

00:14:24,000 --> 00:14:20,730

knew

337

00:14:26,060 --> 00:14:24,010

invented drum but it wasn't so in the

338

00:14:28,590 --> 00:14:26,070

ancient days it was considered as

339

00:14:31,440 --> 00:14:28,600

incredible shamanic experience and

340

00:14:33,270 --> 00:14:31,450

initiative journey and so as the

341

00:14:35,400 --> 00:14:33,280

material for our book was coming through

342

00:14:38,010 --> 00:14:35,410

we were my wife and I we were in the

343

00:14:40,230 --> 00:14:38,020

Himalayas in northern India and it's

344

00:14:42,660 --> 00:14:40,240

beautiful village about 7,000 feet and

345

00:14:44,370 --> 00:14:42,670

walking through an ancient forest so it

346

00:14:46,680 --> 00:14:44,380

was one of these primordial forests it

347

00:14:48,630 --> 00:14:46,690

felt like being in a Cathedral and and

348

00:14:50,280 --> 00:14:48,640

Saren stopped me she actually just

349

00:14:51,750 --> 00:14:50,290

stopped on the path but her hand on me

350

00:14:54,270 --> 00:14:51,760

and said oh my god I'm getting a womb

351  
00:14:56,310 --> 00:14:54,280  
knowing coming through that the womb can

352  
00:14:58,410 --> 00:14:56,320  
contain stem cells and these stem cells

353  
00:15:01,050 --> 00:14:58,420  
can be given to other humans anyone they

354  
00:15:04,800 --> 00:15:01,060  
can be given to anyone and it will heal

355  
00:15:06,300 --> 00:15:04,810  
them and someday relatively soon humans

356  
00:15:09,600 --> 00:15:06,310  
will be able to access this and use this

357  
00:15:11,340 --> 00:15:09,610  
and and I you know my my that's a moment

358  
00:15:15,330 --> 00:15:11,350  
in my logical and scientific brain I

359  
00:15:17,730 --> 00:15:15,340  
said no no no no no you know that can't

360  
00:15:19,350 --> 00:15:17,740  
be you know I study stem cells they're

361  
00:15:20,640 --> 00:15:19,360  
not present in menstrual blood I've I've

362  
00:15:22,110 --> 00:15:20,650  
you know I've been doing this work for

363  
00:15:25,590 --> 00:15:22,120

ten years I've never heard of that it

364

00:15:26,970 --> 00:15:25,600

and what's more you have to match stem

365

00:15:28,890 --> 00:15:26,980

cells yet they have to be an exact

366

00:15:31,110 --> 00:15:28,900

genetic match it's like you know you

367

00:15:34,290 --> 00:15:31,120

hear about people with cancer looking

368

00:15:36,450 --> 00:15:34,300

for the perfect blood donor match and

369

00:15:38,850 --> 00:15:36,460

and so no you can't you you know it

370

00:15:41,130 --> 00:15:38,860

can't be that way so but but Saren was

371

00:15:44,850 --> 00:15:41,140

convinced and so I went home and I and I

372

00:15:47,190 --> 00:15:44,860

dove into the medical database and my

373

00:15:48,870 --> 00:15:47,200

god I looked and I saw a colleague not

374

00:15:50,970 --> 00:15:48,880

just anyone but a man that I knew that

375

00:15:53,430 --> 00:15:50,980

was working in the field had discovered

376

00:15:55,980 --> 00:15:53,440

the existence of menstrual blood stem

377

00:15:58,020 --> 00:15:55,990

cells or endometrial regenerative cells

378

00:15:59,880 --> 00:15:58,030

and not only had he discovered their

379

00:16:01,710 --> 00:15:59,890

existence and published them but he had

380

00:16:03,570 --> 00:16:01,720

already written about five articles and

381

00:16:06,750 --> 00:16:03,580

the articles that had written and shown

382

00:16:10,770 --> 00:16:06,760

that they shrink brain cancer that they

383

00:16:14,670 --> 00:16:10,780

can completely regrow arteries that they

384

00:16:16,770 --> 00:16:14,680

can do amazing things a single menstrual

385

00:16:19,170 --> 00:16:16,780

blood stem cell can turn into a heart

386

00:16:23,130 --> 00:16:19,180

cell in two days time and beat

387

00:16:25,650 --> 00:16:23,140

spontaneously and in general well it is

388

00:16:27,030 --> 00:16:25,660

incredible and in the field of stem cell

389

00:16:30,720 --> 00:16:27,040

medicine for those who are paying

390

00:16:33,210 --> 00:16:30,730

attention is up tens of billions of

391

00:16:34,110 --> 00:16:33,220

dollar research industry they the

392

00:16:38,070 --> 00:16:34,120

potential

393

00:16:40,290 --> 00:16:38,080

for healing is is I mean it is it is

394

00:16:43,170 --> 00:16:40,300

miraculous it's truly miraculous and it

395

00:16:46,350 --> 00:16:43,180

in my in my work in my practice I saw

396

00:16:49,290 --> 00:16:46,360

stem cells injected intravenously into a

397

00:16:50,760 --> 00:16:49,300

vein migrate spontaneously to the heart

398

00:16:51,930 --> 00:16:50,770

of a man who had had a massive heart

399

00:16:54,750 --> 00:16:51,940

attack and who could barely walk

400

00:16:56,940 --> 00:16:54,760

completely regrow his heart in 12 months

401  
00:16:58,079 --> 00:16:56,950  
time cardiologists calls me on the phone

402  
00:17:02,190 --> 00:16:58,089  
and said I don't know what you've done

403  
00:17:03,930 --> 00:17:02,200  
to this man but but I mean his heart is

404  
00:17:04,980 --> 00:17:03,940  
healed I've never seen that before my

405  
00:17:07,189 --> 00:17:04,990  
life oh wow

406  
00:17:12,449 --> 00:17:07,199  
as ER let me ask you this bro if

407  
00:17:15,750 --> 00:17:12,459  
menstrual blood happens at a time when a

408  
00:17:18,660 --> 00:17:15,760  
woman cannot get pregnant and ironically

409  
00:17:23,340 --> 00:17:18,670  
as from your description it's a very

410  
00:17:25,189 --> 00:17:23,350  
hyper firm the blood itself at this time

411  
00:17:28,290 --> 00:17:25,199  
and a woman's I guess they call it a

412  
00:17:30,870 --> 00:17:28,300  
menstrual cycle but also the moon it's a

413  
00:17:35,040 --> 00:17:30,880

hyper fertile I mean what happens

414

00:17:37,500 --> 00:17:35,050

between sad day and day number one of

415

00:17:39,930 --> 00:17:37,510

the news right off me yeah have any idea

416

00:17:42,090 --> 00:17:39,940

what's going on uh what began yeah and

417

00:17:44,100 --> 00:17:42,100

so and so this is how when I spoke to

418

00:17:47,160 --> 00:17:44,110

the researcher who discovered them I

419

00:17:49,350 --> 00:17:47,170

said you know how did you know what

420

00:17:51,419 --> 00:17:49,360

clued you in we were studying it from a

421

00:17:53,070 --> 00:17:51,429

mythologic point of view and in the

422

00:17:55,680 --> 00:17:53,080

ancient you know it's a spiritual point

423

00:17:58,410 --> 00:17:55,690

of view and he said I just came to me

424

00:18:00,930 --> 00:17:58,420

one day I had to spit this intuitive

425

00:18:02,880 --> 00:18:00,940

knowing how is it that this because it's

426

00:18:05,370 --> 00:18:02,890

the it's the lining of the womb the

427

00:18:08,100 --> 00:18:05,380

endometrial lining that sustains the

428

00:18:09,960 --> 00:18:08,110

life of a child that becomes the

429

00:18:12,810 --> 00:18:09,970

placenta half of the placenta comes from

430

00:18:15,540 --> 00:18:12,820

the mother half from the baby but it has

431

00:18:18,780 --> 00:18:15,550

to completely regrow enough to support a

432

00:18:21,540 --> 00:18:18,790

life every month and then shed itself

433

00:18:24,750 --> 00:18:21,550

and renew itself every month so if you

434

00:18:27,150 --> 00:18:24,760

can imagine how rich and fertile this

435

00:18:28,919 --> 00:18:27,160

womb lining is it's like it's like if

436

00:18:31,380 --> 00:18:28,929

you can imagine a fertile soil that

437

00:18:33,870 --> 00:18:31,390

grows this incredible garden but it's

438

00:18:36,330 --> 00:18:33,880

somehow it's renewing itself every month

439

00:18:38,970 --> 00:18:36,340

well these are them this is the magic of

440

00:18:42,090 --> 00:18:38,980

these stem cells that have the power to

441

00:18:44,340 --> 00:18:42,100

to do this and it is it is truly an

442

00:18:46,980 --> 00:18:44,350

incredible power it's the power to

443

00:18:51,030 --> 00:18:46,990

create life and it's

444

00:18:52,890 --> 00:18:51,040

held in the female body and hence 1 1

445

00:18:54,540 --> 00:18:52,900

teaspoon of menstrual blood contains 10

446

00:18:57,210 --> 00:18:54,550

thousand of these stem cells just one

447

00:18:59,790 --> 00:18:57,220

teaspoon and month after month

448

00:19:02,040 --> 00:18:59,800

it comes as this gift and a blessing and

449

00:19:04,710 --> 00:19:02,050

that was what it was known as meant the

450

00:19:06,830 --> 00:19:04,720

moon ministrations was known originally

451  
00:19:09,120 --> 00:19:06,840  
to our ancient mothers and fathers

452  
00:19:13,500 --> 00:19:09,130  
thousands of years ago as the blessing

453  
00:19:15,299 --> 00:19:13,510  
the blessing of life so I am starting to

454  
00:19:19,200 --> 00:19:15,309  
understand from a previous conversation

455  
00:19:22,590 --> 00:19:19,210  
as well as this one the womb is not that

456  
00:19:28,560 --> 00:19:22,600  
which most guys because people think it

457  
00:19:32,010 --> 00:19:28,570  
is it's so much more it is constantly

458  
00:19:34,830 --> 00:19:32,020  
being imbued with life-giving properties

459  
00:19:38,010 --> 00:19:34,840  
life-giving energy even though it's not

460  
00:19:40,200 --> 00:19:38,020  
in creating life per se in the form of a

461  
00:19:42,270 --> 00:19:40,210  
child it is always keeping itself

462  
00:19:45,419 --> 00:19:42,280  
fertile always keeping itself so to

463  
00:19:48,750 --> 00:19:45,429

speaking a trigger-happy ready to go at any

464

00:19:51,000 --> 00:19:48,760  
moment it needs to be and it's in

465

00:19:54,120 --> 00:19:51,010  
everything just burst out and last time

466

00:19:57,750 --> 00:19:54,130  
you know we talked about cosmic womb and

467

00:19:58,980 --> 00:19:57,760  
the picture I'm giving now is I'm seeing

468

00:20:00,930 --> 00:19:58,990  
them in fact I'm not seeing any

469

00:20:04,500 --> 00:20:00,940  
separation whatsoever it's insane it's

470

00:20:08,040 --> 00:20:04,510  
just a portal for the cosmic life string

471

00:20:10,919 --> 00:20:08,050  
as above so below microcosm to macrocosm

472

00:20:13,710 --> 00:20:10,929  
and this is the nature of the book we've

473

00:20:17,790 --> 00:20:13,720  
written will awakening this it came to

474

00:20:20,250 --> 00:20:17,800  
us in a in up in a download so sarin and

475

00:20:22,080 --> 00:20:20,260  
I as as we met each other open their

476

00:20:24,540 --> 00:20:22,090

hearts to each other and fell in love it

477

00:20:26,580 --> 00:20:24,550

was through our relationship in our love

478

00:20:29,910 --> 00:20:26,590

and our openness that all of this

479

00:20:34,320 --> 00:20:29,920

information started coming in and and we

480

00:20:37,560 --> 00:20:34,330

began to really understand Wow

481

00:20:40,620 --> 00:20:37,570

that the spiritual power of the womb and

482

00:20:44,400 --> 00:20:40,630

and then of course don't have a fiscal

483

00:20:47,760 --> 00:20:44,410

womb but men do have a harder as it's

484

00:20:50,820 --> 00:20:47,770

known in the Japanese tradition hora was

485

00:20:53,070 --> 00:20:50,830

was considered the center of gravity or

486

00:20:55,770 --> 00:20:53,080

the center of movement and so anyone who

487

00:20:59,250 --> 00:20:55,780

it was familiar with a Shinto tradition

488

00:21:00,840 --> 00:20:59,260

or Japanese martial arts karate knows

489

00:21:03,240 --> 00:21:00,850

that you move from the

490

00:21:06,300 --> 00:21:03,250

and when you move from this this Center

491

00:21:07,980 --> 00:21:06,310

then you are moving with the force so to

492

00:21:11,130 --> 00:21:07,990

speaking you know you're you're moving with

493

00:21:13,290 --> 00:21:11,140

the flow of life and Hara means low

494

00:21:15,270 --> 00:21:13,300

belly and whoom and Japanese and it was

495

00:21:18,360 --> 00:21:15,280

the same concept in the Taoist tradition

496

00:21:21,330 --> 00:21:18,370

in China the lowered on TN this amazing

497

00:21:23,340 --> 00:21:21,340

magical center and and but it's the

498

00:21:26,310 --> 00:21:23,350

wound center so it's a spiritual center

499

00:21:28,530 --> 00:21:26,320

as much as a physical center and not

500

00:21:29,820 --> 00:21:28,540

only that but for thousands and

501  
00:21:31,800 --> 00:21:29,830  
thousands of years really hundreds of

502  
00:21:34,440 --> 00:21:31,810  
thousands of years the entire globe

503  
00:21:38,130 --> 00:21:34,450  
every culture every every corner of the

504  
00:21:40,830 --> 00:21:38,140  
globe was a part of a vast room religion

505  
00:21:44,700 --> 00:21:40,840  
that recognized this incredible power

506  
00:21:48,570 --> 00:21:44,710  
and that honor debt and ended whatever

507  
00:21:51,570 --> 00:21:48,580  
it took to protect it and and activate

508  
00:21:54,780 --> 00:21:51,580  
it and bloom it open men and women and

509  
00:21:56,040 --> 00:21:54,790  
through that amazing new creations of

510  
00:21:57,900 --> 00:21:56,050  
consciousness would come on to the

511  
00:21:59,700 --> 00:21:57,910  
planet not just physical children but

512  
00:22:02,070 --> 00:21:59,710  
creations of consciousness and the womb

513  
00:22:04,020 --> 00:22:02,080

was the center of our human spiritual

514

00:22:05,610 --> 00:22:04,030

evolution for literally hundreds of

515

00:22:08,460 --> 00:22:05,620

thousands of years and that changed

516

00:22:10,520 --> 00:22:08,470

about five thousand years ago when with

517

00:22:14,100 --> 00:22:10,530

the advent of a more patriarchal

518

00:22:18,990 --> 00:22:14,110

religious and cultural movement on the

519

00:22:24,780 --> 00:22:19,000

planet would you say that you and Seiran

520

00:22:29,670 --> 00:22:24,790

or on that you front runners of an old

521

00:22:33,930 --> 00:22:29,680

new technology yeah yeah exactly right

522

00:22:38,250 --> 00:22:33,940

we sometimes find ourselves writing the

523

00:22:40,260 --> 00:22:38,260

ancient new paths of opening into womb

524

00:22:43,440 --> 00:22:40,270

consciousness because it's absolutely

525

00:22:46,880 --> 00:22:43,450

true it's an ancient path and and and

526

00:22:49,890 --> 00:22:46,890

it's and we are we are sharing it in a

527

00:22:52,140 --> 00:22:49,900

powerful way and we are not the only

528

00:22:54,000 --> 00:22:52,150

ones though but this tradition we're

529

00:22:56,160 --> 00:22:54,010

standing on the shoulders of giants so

530

00:22:59,970 --> 00:22:56,170

to speak giant s is probably because

531

00:23:01,980 --> 00:22:59,980

these traditions are present in so much

532

00:23:03,480 --> 00:23:01,990

there at the base of every spiritual

533

00:23:06,300 --> 00:23:03,490

system and we write about this in the

534

00:23:08,880 --> 00:23:06,310

book how that is and and in every

535

00:23:12,540 --> 00:23:08,890

mythology and and in this modern day

536

00:23:14,350 --> 00:23:12,550

there are people pulling together pieces

537

00:23:17,320 --> 00:23:14,360

of the story and

538

00:23:19,930 --> 00:23:17,330

and for us as we began to learn about

539

00:23:22,600 --> 00:23:19,940

all of the different pieces we wanted to

540

00:23:25,330 --> 00:23:22,610

pull it all together into literally a

541

00:23:26,770 --> 00:23:25,340

mystery school and a book and and that's

542

00:23:29,890 --> 00:23:26,780

what this book is Wilma waking it's

543

00:23:31,360 --> 00:23:29,900

it's written in a state of feminine

544

00:23:32,650 --> 00:23:31,370

consciousness and we'll get to this in a

545

00:23:35,380 --> 00:23:32,660

moment too because I want to speak about

546

00:23:38,470 --> 00:23:35,390

the brain and feminine consciousness and

547

00:23:40,180 --> 00:23:38,480

what that means but we wrote it from a

548

00:23:44,050 --> 00:23:40,190

state of feminine consciousness so it's

549

00:23:48,210 --> 00:23:44,060

flowery it's poetic its imaginal it's

550

00:23:50,920 --> 00:23:48,220

it's mystifying and mystical and and

551  
00:23:52,840 --> 00:23:50,930  
yeah but but that was the goal was to

552  
00:23:55,780 --> 00:23:52,850  
pull it all together into one place so

553  
00:23:58,390 --> 00:23:55,790  
people could appreciate how big this

554  
00:24:03,070 --> 00:23:58,400  
piece is it's a new cosmology really a

555  
00:24:04,780 --> 00:24:03,080  
new way of viewing the world so as you

556  
00:24:07,230 --> 00:24:04,790  
mentioned a little earlier it's obvious

557  
00:24:09,970 --> 00:24:07,240  
that when you and your wife met

558  
00:24:14,140 --> 00:24:09,980  
something beyond your own understanding

559  
00:24:16,240 --> 00:24:14,150  
was blossoming and the Leaney timeline

560  
00:24:18,820 --> 00:24:16,250  
has to go by for you guys to make sense

561  
00:24:22,510 --> 00:24:18,830  
of this and so now that you guys are

562  
00:24:24,280 --> 00:24:22,520  
working together and you have the

563  
00:24:27,010 --> 00:24:24,290

success that you haven't so far with

564

00:24:29,980 --> 00:24:27,020

this book or other people want and jump

565

00:24:32,260 --> 00:24:29,990

on board destroying well there is an

566

00:24:35,110 --> 00:24:32,270

incredible energy behind us and and what

567

00:24:38,830 --> 00:24:35,120

we like to say is we're grateful that

568

00:24:41,710 --> 00:24:38,840

this grand idea this grand meme is using

569

00:24:44,590 --> 00:24:41,720

us to to get itself back into the world

570

00:24:46,990 --> 00:24:44,600

and so we are vessels that does not come

571

00:24:49,570 --> 00:24:47,000

from us of course and and what we see as

572

00:24:53,200 --> 00:24:49,580

we look around as we see so many people

573

00:24:54,850 --> 00:24:53,210

are tapping into this stream and sharing

574

00:24:56,560 --> 00:24:54,860

it in their own ways in different ways

575

00:24:59,620 --> 00:24:56,570

different pieces different elements

576

00:25:02,530 --> 00:24:59,630

different flavors and we we joke and we

577

00:25:06,070 --> 00:25:02,540

say well remember 30 years ago 35 years

578

00:25:08,140 --> 00:25:06,080

ago Yoga was this very esoteric thing

579

00:25:11,350 --> 00:25:08,150

you know a few people did yoga they were

580

00:25:13,650 --> 00:25:11,360

typically guru I mean there were

581

00:25:16,510 --> 00:25:13,660

typically devotees of gurus and you know

582

00:25:19,810 --> 00:25:16,520

maybe in California little exception

583

00:25:22,780 --> 00:25:19,820

there but really it was it was not very

584

00:25:26,080 --> 00:25:22,790

common well in the next 10 years the

585

00:25:27,770 --> 00:25:26,090

womb and paths to heal and open the womb

586

00:25:30,470 --> 00:25:27,780

is going to be the new yoga

587

00:25:33,140 --> 00:25:30,480

as if you think about it the womb is how

588

00:25:34,010 --> 00:25:33,150

we birth children into the world well

589

00:25:37,010 --> 00:25:34,020

it's not just children

590

00:25:38,990 --> 00:25:37,020

it's the womb is how we birth everything

591

00:25:41,390 --> 00:25:39,000

into the world it's how we manifest and

592

00:25:43,130 --> 00:25:41,400

how we call in our law of attraction

593

00:25:45,230 --> 00:25:43,140

most people don't know this though but

594

00:25:47,900 --> 00:25:45,240

the more people start to understand oh

595

00:25:49,790 --> 00:25:47,910

my gosh this is coming from my wound

596

00:25:51,620 --> 00:25:49,800

power I need to heal my womb I need to

597

00:25:53,240 --> 00:25:51,630

clear my womb I need to open and I need

598

00:25:54,710 --> 00:25:53,250

to activate it not necessarily just

599

00:25:57,410 --> 00:25:54,720

speaking about the womb on the woman's

600

00:26:00,230 --> 00:25:57,420

physical body usually without a portal

601  
00:26:03,170 --> 00:26:00,240  
that exists all around everyone all the

602  
00:26:06,650 --> 00:26:03,180  
time see as an invisible vortex that

603  
00:26:11,030 --> 00:26:06,660  
when we take time yeah in sincere

604  
00:26:15,770 --> 00:26:11,040  
intention that that gate begins to open

605  
00:26:19,520 --> 00:26:15,780  
so how do we begin to enter no pun

606  
00:26:21,260 --> 00:26:19,530  
intended the womb yeah exactly

607  
00:26:23,900 --> 00:26:21,270  
that's it that's exactly right it's a

608  
00:26:27,200 --> 00:26:23,910  
doorway and why not richness yeah and

609  
00:26:28,490 --> 00:26:27,210  
but that's and that is the exactly what

610  
00:26:30,620 --> 00:26:28,500  
you say how do we pass through this

611  
00:26:33,260 --> 00:26:30,630  
doorway well this is the same question

612  
00:26:35,480 --> 00:26:33,270  
that shamans have been asking for

613  
00:26:37,520 --> 00:26:35,490

thousands and thousands of years and if

614

00:26:40,760 --> 00:26:37,530

you begin to study the origins of

615

00:26:42,530 --> 00:26:40,770

shamanism what you find is that shamans

616

00:26:45,140 --> 00:26:42,540

originally and many shamans still today

617

00:26:47,990 --> 00:26:45,150

the way they travel to other worlds

618

00:26:50,540 --> 00:26:48,000

spiritual world to the dream world

619

00:26:52,580 --> 00:26:50,550

however they call it is through a wound

620

00:26:54,950 --> 00:26:52,590

portal of consciousness and they may do

621

00:26:56,990 --> 00:26:54,960

that through a peyote button and if you

622

00:26:59,510 --> 00:26:57,000

look at the at the drawings of peyote

623

00:27:01,520 --> 00:26:59,520

you see these concentric circles or are

624

00:27:04,010 --> 00:27:01,530

these you have to see it I guess but

625

00:27:05,500 --> 00:27:04,020

these concentric rings that you travel

626

00:27:08,420 --> 00:27:05,510

through it was the same as the

627

00:27:14,570 --> 00:27:08,430

Aboriginal Australians it's the same

628

00:27:16,580 --> 00:27:14,580

with with the Inuit in other modes in

629

00:27:19,160 --> 00:27:16,590

Alaska it was the same in with almost

630

00:27:21,050 --> 00:27:19,170

every every culture they recognized this

631

00:27:23,630 --> 00:27:21,060

yeah this is the winged gate you even

632

00:27:25,640 --> 00:27:23,640

see this iconography on the on the

633

00:27:28,640 --> 00:27:25,650

depictions of the Ark of the Covenant in

634

00:27:30,740 --> 00:27:28,650

Christian symbology and you know it goes

635

00:27:33,140 --> 00:27:30,750

on and on from there but that's the idea

636

00:27:34,610 --> 00:27:33,150

well how do we travel through this

637

00:27:38,210 --> 00:27:34,620

gateway how do we open and how do we

638

00:27:42,019 --> 00:27:38,220

activate how do we clear and and this is

639

00:27:46,609 --> 00:27:42,029

the the art and science of

640

00:27:49,580 --> 00:27:46,619

the mystery schools as they have been in

641

00:27:52,580 --> 00:27:49,590

place for 4000 years 2,000 years ago

642

00:27:55,219 --> 00:27:52,590

they were common and one of the one of

643

00:27:56,810 --> 00:27:55,229

the big ones was analysis in Greece but

644

00:28:00,469 --> 00:27:56,820

they were all over the world they were

645

00:28:02,089 --> 00:28:00,479

in the indigenous traditions as well but

646

00:28:04,999 --> 00:28:02,099

in the in the mystery schools and in the

647

00:28:07,129 --> 00:28:05,009

shamanic tradition the art and the

648

00:28:10,129 --> 00:28:07,139

process was altering our consciousness

649

00:28:11,749 --> 00:28:10,139

to be able to access what we would call

650

00:28:15,759 --> 00:28:11,759

a womb consciousness and that is to set

651  
00:28:18,649 --> 00:28:15,769  
out of the logical rational analytical

652  
00:28:21,229 --> 00:28:18,659  
masculine mind the cerebral cortex that

653  
00:28:22,729 --> 00:28:21,239  
we that's our normal daily consciousness

654  
00:28:23,930 --> 00:28:22,739  
as they walk around the planet now it

655  
00:28:28,099 --> 00:28:23,940  
didn't use to be our normal daily

656  
00:28:29,269 --> 00:28:28,109  
consciousness so are our ancestors 30

657  
00:28:31,399 --> 00:28:29,279  
40,000 years ago

658  
00:28:33,919 --> 00:28:31,409  
we're occupying a very different state

659  
00:28:35,149 --> 00:28:33,929  
of consciousness and you hear about it

660  
00:28:36,919 --> 00:28:35,159  
in the new colleges and when they have

661  
00:28:39,079 --> 00:28:36,929  
original mythology this was called the

662  
00:28:40,459 --> 00:28:39,089  
dream time and the ancient Egyptian

663  
00:28:43,969 --> 00:28:40,469

mythology this is called the Zep tepi

664

00:28:46,609 --> 00:28:43,979

the first time and this concept of wow

665

00:28:49,669 --> 00:28:46,619

our consciousness used to be open but

666

00:28:51,739 --> 00:28:49,679

somehow we sell and we need to do

667

00:28:54,739 --> 00:28:51,749

whatever it takes to reopen these

668

00:28:56,479 --> 00:28:54,749

doorways and to reclaim this incredible

669

00:28:58,930 --> 00:28:56,489

consciousness because it's through this

670

00:29:01,519 --> 00:28:58,940

consciousness that we can access our

671

00:29:04,190 --> 00:29:01,529

most incredible creative power and I'll

672

00:29:06,469 --> 00:29:04,200

give you a quick example right so let's

673

00:29:09,200 --> 00:29:06,479

talk about intention and manifestation

674

00:29:11,869 --> 00:29:09,210

and the law of attraction which you know

675

00:29:13,399 --> 00:29:11,879

most most everyone who has a spiritual

676

00:29:14,389 --> 00:29:13,409

bent who's interested in this because

677

00:29:17,239 --> 00:29:14,399

they realize the power of their

678

00:29:19,099 --> 00:29:17,249

intention now you know and I know and

679

00:29:21,440 --> 00:29:19,109

everybody knows is you can have this

680

00:29:24,950 --> 00:29:21,450

great intention you can have all the

681

00:29:28,249 --> 00:29:24,960

willpower you want but if that intention

682

00:29:31,129 --> 00:29:28,259

is not sourced deep in the soul in the

683

00:29:33,799 --> 00:29:31,139

desire body in a feeling body in our

684

00:29:36,649 --> 00:29:33,809

hearts and in our wombs or Horrors for

685

00:29:39,469 --> 00:29:36,659

men not much happens but when when that

686

00:29:43,190 --> 00:29:39,479

intention has has the power of desire

687

00:29:45,950 --> 00:29:43,200

and feeling and has the power of our are

688

00:29:48,560 --> 00:29:45,960

kind of creative life force then it

689

00:29:52,009 --> 00:29:48,570

starts to happen because we're tapping

690

00:29:54,259 --> 00:29:52,019

into this deeper level and and one of

691

00:29:55,430 --> 00:29:54,269

the things that our book does when

692

00:29:59,200 --> 00:29:55,440

waking book

693

00:30:02,570 --> 00:29:59,210

is it puts forward a really radical new

694

00:30:05,539 --> 00:30:02,580

conception of consciousness and and it

695

00:30:07,279 --> 00:30:05,549

draws on some of the pieces that have

696

00:30:10,159 --> 00:30:07,289

been pioneered by others but it really

697

00:30:13,669 --> 00:30:10,169

it puts it into a new perspective that

698

00:30:16,159 --> 00:30:13,679

this shamanic consciousness or mystical

699

00:30:20,950 --> 00:30:16,169

consciousness actually where it happens

700

00:30:25,399 --> 00:30:20,960

in the brain how we begin to access that

701

00:30:26,720 --> 00:30:25,409

88 8 9 1 9 2 3 5 5 triple 8 9 1 9 2 3 5

702

00:30:28,759 --> 00:30:26,730

5 is a number you dial you want to get

703

00:30:30,649 --> 00:30:28,769

on the air you know light ready with

704

00:30:32,539 --> 00:30:30,659

myself or my phenomenal guest

705

00:30:33,860 --> 00:30:32,549

Asura Bertrand all the way at the bottom

706

00:30:35,629 --> 00:30:33,870

of the hour would you give out your

707

00:30:38,119 --> 00:30:35,639

contact information so our audience can

708

00:30:39,700 --> 00:30:38,129

find more about you in this phenomenal

709

00:30:42,619 --> 00:30:39,710

work you're doing with Siri

710

00:30:44,659 --> 00:30:42,629

yes yeah if you if you wish to learn

711

00:30:49,129 --> 00:30:44,669

more find us at the fountain of life

712

00:30:52,490 --> 00:30:49,139

work for books classes CDs of community

713

00:30:54,560 --> 00:30:52,500

it's there's a whole world there I meant

714

00:30:56,539 --> 00:30:54,570

the minute ago you mentioned how I

715

00:30:59,810 --> 00:30:56,549

mentioned as well how this is old

716

00:31:04,879 --> 00:30:59,820

technology coming back via you and

717

00:31:06,799 --> 00:31:04,889

Sharon but we've been calling this room

718

00:31:07,759 --> 00:31:06,809

many different things for a very very

719

00:31:11,509 --> 00:31:07,769

long time

720

00:31:14,990 --> 00:31:11,519

stargates portals black holes wormholes

721

00:31:19,159 --> 00:31:15,000

or whatever implying an opening but I

722

00:31:22,279 --> 00:31:19,169

think the tone the vibration the timbre

723

00:31:25,549 --> 00:31:22,289

the texture of instead of color in a

724

00:31:30,820 --> 00:31:25,559

portal by calling it a womb changes the

725

00:31:33,289 --> 00:31:30,830

whole the whole in China it has a new

726

00:31:37,009 --> 00:31:33,299

characteristic to it it's much more

727

00:31:40,269 --> 00:31:37,019

softer it feels like there it creates a

728

00:31:45,169 --> 00:31:40,279

great deal of respect a great humility

729

00:31:46,340 --> 00:31:45,179

because it's Mother exactly right it's a

730

00:31:48,080 --> 00:31:46,350

portal that I'm just going to travel

731

00:31:50,240 --> 00:31:48,090

through and just cross the threshold and

732

00:31:52,999 --> 00:31:50,250

run into everything but yeah it's a

733

00:31:55,789 --> 00:31:53,009

ritual a practice of sincerity yeah

734

00:31:58,249 --> 00:31:55,799

exactly and this is the way the ancient

735

00:32:00,529 --> 00:31:58,259

people used to relate to the world they

736

00:32:03,799 --> 00:32:00,539

related to the world as in the universe

737

00:32:06,830 --> 00:32:03,809

as if it were a living sentient being

738

00:32:08,539 --> 00:32:06,840

and a living sentient being with

739

00:32:09,420 --> 00:32:08,549

maternal light qualities when I say

740

00:32:11,670 --> 00:32:09,430

maternal quality

741

00:32:14,910 --> 00:32:11,680

I mean that has the power to birth and

742

00:32:17,430 --> 00:32:14,920

rebirth that actually contains a quality

743

00:32:20,370 --> 00:32:17,440

of love and so the ancients knew that

744

00:32:22,560 --> 00:32:20,380

love was the fabric of the universe and

745

00:32:25,050 --> 00:32:22,570

and this love consciousness held it all

746

00:32:27,540 --> 00:32:25,060

together and and so you're exactly right

747

00:32:29,400 --> 00:32:27,550

of the way that our science and

748

00:32:32,850 --> 00:32:29,410

spirituality has conceived of it

749

00:32:35,100 --> 00:32:32,860

recently is separated from this mother

750

00:32:38,490 --> 00:32:35,110

consciousness that birthed us and if you

751  
00:32:41,730 --> 00:32:38,500  
can imagine for every woman and man on

752  
00:32:45,170 --> 00:32:41,740  
the show what it would be like if our

753  
00:32:48,450 --> 00:32:45,180  
culture profoundly supported our mothers

754  
00:32:51,120 --> 00:32:48,460  
profoundly if everything was oriented to

755  
00:32:53,430 --> 00:32:51,130  
helping them heal to help them feel safe

756  
00:32:56,340 --> 00:32:53,440  
to helping them be supported to helping

757  
00:32:59,040 --> 00:32:56,350  
them live in a way that was true to

758  
00:33:02,520 --> 00:32:59,050  
their own Souls and interconnected with

759  
00:33:05,640 --> 00:33:02,530  
Gaia and in a very peaceful gentle

760  
00:33:07,680 --> 00:33:05,650  
loving soft situation what would happen

761  
00:33:10,980 --> 00:33:07,690  
if all our mothers had this experience

762  
00:33:13,500 --> 00:33:10,990  
of love and support what would we be as

763  
00:33:16,170 --> 00:33:13,510

human beings and really the answer very

764

00:33:19,020 --> 00:33:16,180

simple we would be an incredible race of

765

00:33:21,690 --> 00:33:19,030

of what we would consider to be super

766

00:33:23,790 --> 00:33:21,700

human beings or avatars and and that is

767

00:33:26,250 --> 00:33:23,800

the truth of it as we begin to heal our

768

00:33:30,210 --> 00:33:26,260

relationship to this birthing portal

769

00:33:32,910 --> 00:33:30,220

that we wave you out as the womb and and

770

00:33:34,740 --> 00:33:32,920

as the ancients viewed of as the womb so

771

00:33:38,580 --> 00:33:34,750

much becomes possible not just our own

772

00:33:40,320 --> 00:33:38,590

lives in our own spiritual path but for

773

00:33:43,350 --> 00:33:40,330

our children and literally on a

774

00:33:45,060 --> 00:33:43,360

biological level when a mother's womb is

775

00:33:47,640 --> 00:33:45,070

healed and when she's held in a

776

00:33:49,650 --> 00:33:47,650

container of love she begins to birth

777

00:33:52,650 --> 00:33:49,660

avatars of a new earth she begins to

778

00:33:55,920 --> 00:33:52,660

birth children who is epigenetic codes

779

00:33:57,780 --> 00:33:55,930

so who's well I'll explain that a minute

780

00:34:02,130 --> 00:33:57,790

maybe but whose epigenetic codes are

781

00:34:04,440 --> 00:34:02,140

fully turned on fully aligned free from

782

00:34:08,010 --> 00:34:04,450

trauma or at least much much more healed

783

00:34:10,680 --> 00:34:08,020

and in doing that we have access to so

784

00:34:13,890 --> 00:34:10,690

much more of consciousness truly and and

785

00:34:16,850 --> 00:34:13,900

so this is this is it's a whole the

786

00:34:19,050 --> 00:34:16,860

whole cosmology the whole worldview I

787

00:34:20,970 --> 00:34:19,060

had someone recently on sooner blight

788

00:34:22,830 --> 00:34:20,980

video say about a year ago we were

789

00:34:25,470 --> 00:34:22,840

talking about the Divine Feminine

790

00:34:28,140 --> 00:34:25,480

and she laid out a picture an image of

791

00:34:31,590 --> 00:34:28,150

Christ being on the cross in the three

792

00:34:34,710 --> 00:34:31,600

women who never got any credit who is at

793

00:34:37,620 --> 00:34:34,720

the foot of the cross in sorrow and

794

00:34:41,160 --> 00:34:37,630

compassion holding it down so to speak

795

00:34:44,220 --> 00:34:41,170

the Veit were the opening so I guess my

796

00:34:47,700 --> 00:34:44,230

question to you let's use that very same

797

00:34:49,530 --> 00:34:47,710

image Jesus being crucified three women

798

00:34:53,340 --> 00:34:49,540

on the ground being very compassionate

799

00:34:55,770 --> 00:34:53,350

and being open would you say that

800

00:34:58,590 --> 00:34:55,780

through such an experience or even if

801

00:35:01,590 --> 00:34:58,600

it's metaphorical mmm that it's likely

802

00:35:04,800 --> 00:35:01,600

Christ was rebirth into the divine

803

00:35:09,360 --> 00:35:04,810

through this cosmic womb that is so

804

00:35:13,470 --> 00:35:09,370

exactly what it is is yes for me yeah

805

00:35:15,300 --> 00:35:13,480

most most people don't make that leap

806

00:35:17,550 --> 00:35:15,310

automatically but that's exactly what

807

00:35:21,540 --> 00:35:17,560

was happening and so the three Mary's

808

00:35:23,310 --> 00:35:21,550

which was a an aspect of the triple the

809

00:35:25,410 --> 00:35:23,320

old concept of the triple goddess or the

810

00:35:27,780 --> 00:35:25,420

different the different aspects of the

811

00:35:31,230 --> 00:35:27,790

feminine were holding open this wound

812

00:35:32,880 --> 00:35:31,240

portal for Yeshua the man and this

813

00:35:34,410 --> 00:35:32,890

incredible spiritual energy that some

814

00:35:37,410 --> 00:35:34,420

people call the Christ energy which he

815

00:35:40,170 --> 00:35:37,420

embodied to come through and allow his

816

00:35:42,090 --> 00:35:40,180

descent actually down to the very center

817

00:35:43,920 --> 00:35:42,100

of the earth the center of matter on a

818

00:35:46,830 --> 00:35:43,930

spiritual level Rudolf Steiner writes

819

00:35:50,070 --> 00:35:46,840

about this actually as well and and to

820

00:35:52,020 --> 00:35:50,080

bring this incredible spirit and cosmic

821

00:35:55,560 --> 00:35:52,030

consciousness down to Center the earth

822

00:35:58,410 --> 00:35:55,570

to free Sophia and free the earth who

823

00:36:01,050 --> 00:35:58,420

had been trapped under several thousand

824

00:36:02,910 --> 00:36:01,060

years of oppressions which is the SU was

825

00:36:04,980 --> 00:36:02,920

one of his mission and also in the

826

00:36:08,130 --> 00:36:04,990

process rebirth themselves right and and

827

00:36:11,250 --> 00:36:08,140

Yeshua was was in the tomb for three

828

00:36:13,860 --> 00:36:11,260

days and he was anointed on the way down

829

00:36:16,860 --> 00:36:13,870

by Mary Magdalene he was anointed he was

830

00:36:19,380 --> 00:36:16,870

greeted as he came out by Mary Magdalene

831

00:36:21,960 --> 00:36:19,390

and and Mary Magdalene was the womb

832

00:36:24,210 --> 00:36:21,970

portal along with the other Mary said

833

00:36:26,730 --> 00:36:24,220

that ushered in and helped create this

834

00:36:28,920 --> 00:36:26,740

journey make it possible for Yeshua now

835

00:36:30,390 --> 00:36:28,930

interestingly that the we write a lot

836

00:36:32,070 --> 00:36:30,400

about this in the book but the symbolism

837

00:36:33,840 --> 00:36:32,080

is profound it's if there's so much

838

00:36:35,310 --> 00:36:33,850

symbolism in it it's not just in the

839

00:36:38,460 --> 00:36:35,320

Christian tradition but

840

00:36:42,390 --> 00:36:38,470

same concept was present in the Egyptian

841

00:36:46,680 --> 00:36:42,400

tradition with Osiris and Isis and

842

00:36:49,200 --> 00:36:46,690

Nephthys midwifing his rebirth and so it

843

00:36:52,140 --> 00:36:49,210

anyway goes into many traditions but the

844

00:36:53,700 --> 00:36:52,150

name Magdalene was a priestess named so

845

00:36:57,120 --> 00:36:53,710

the name Magdalene and the ancient

846

00:37:01,050 --> 00:36:57,130

Semitic languages mag meant great or

847

00:37:03,570 --> 00:37:01,060

magical da as in the the medic letter da

848

00:37:05,580 --> 00:37:03,580

les meant portal or doorways and main

849

00:37:07,590 --> 00:37:05,590

Magdalene means magical doorway or

850

00:37:10,380 --> 00:37:07,600

magical portal and it's the wound portal

851

00:37:12,000 --> 00:37:10,390

and the DAO balith was originally a

852

00:37:14,700 --> 00:37:12,010

wound symbol it was a downward pointing

853

00:37:17,310 --> 00:37:14,710

triangle which is that the oldest symbol

854

00:37:20,640 --> 00:37:17,320

of the feminine womb in existence going

855

00:37:23,600 --> 00:37:20,650

back tens of thousands of years is it

856

00:37:26,520 --> 00:37:23,610

that the symbology of the Star of David

857

00:37:28,830 --> 00:37:26,530

Val yeah the triangle coming up in the

858

00:37:31,590 --> 00:37:28,840

triangle coming down that one is the

859

00:37:35,070 --> 00:37:31,600

extension of this you say heaven Divine

860

00:37:38,130 --> 00:37:35,080

Feminine expressing itself down where we

861

00:37:40,650 --> 00:37:38,140

are and must back up to it and they

862

00:37:44,880 --> 00:37:40,660

creates a marriage or union or the womb

863

00:37:47,550 --> 00:37:44,890

we can open up three sincerity of being

864

00:37:50,250 --> 00:37:47,560

birth back into the divine yeah exactly

865

00:37:52,680 --> 00:37:50,260

that's exactly right right so that the

866

00:37:55,350 --> 00:37:52,690

Star of David the Seal of Solomon was

867

00:37:57,150 --> 00:37:55,360

one down reporting triangle interlaced

868

00:38:00,120 --> 00:37:57,160

with one upper pointing triangle and

869

00:38:02,220 --> 00:38:00,130

it's the same in the and the Sri Yantra

870

00:38:04,650 --> 00:38:02,230

and the Vedic traditions the same

871

00:38:06,390 --> 00:38:04,660

concept of the interlaced triangles the

872

00:38:08,240 --> 00:38:06,400

down-pointing triangle represents the

873

00:38:10,710 --> 00:38:08,250

feminine energy L pointing triangle

874

00:38:13,320 --> 00:38:10,720

represents the masculine energy and it's

875

00:38:17,760 --> 00:38:13,330

a symbol of sacred Union and this is one

876

00:38:19,830 --> 00:38:17,770

of the keys in creation is bringing

877

00:38:21,510 --> 00:38:19,840

together uniting the masculine and

878

00:38:24,420 --> 00:38:21,520

feminine flows and when those two flows

879

00:38:26,580 --> 00:38:24,430

are united amazing creations of

880

00:38:29,460 --> 00:38:26,590

consciousness can come forth just like

881

00:38:31,380 --> 00:38:29,470

it takes a man and a woman to come

882

00:38:33,270 --> 00:38:31,390

together to form a baby you know a child

883

00:38:35,010 --> 00:38:33,280

well the same thing is happening with

884

00:38:37,350 --> 00:38:35,020

the masculine and feminine energy flows

885

00:38:40,470 --> 00:38:37,360

and it goes beyond even just male and

886

00:38:41,940 --> 00:38:40,480

female because any man contains both of

887

00:38:44,340 --> 00:38:41,950

these energy flows any woman contains

888

00:38:47,490 --> 00:38:44,350

both of these energy flows but when as

889

00:38:49,830 --> 00:38:47,500

Yeshua said when the two become one

890

00:38:52,770 --> 00:38:49,840

and shame is trampled underfoot and you

891

00:38:54,240 --> 00:38:52,780

and then you can enter the queendom of

892

00:38:56,490 --> 00:38:54,250

heaven and this is a great another great

893

00:38:58,080 --> 00:38:56,500

fact right so the kingdom of heaven is

894

00:39:00,690 --> 00:38:58,090

it's translated in all the Bible's that

895

00:39:03,030 --> 00:39:00,700

the Aramaic phrase for that is mal Kuta

896

00:39:04,770 --> 00:39:03,040

the shamaya and mal coot edition Maya

897

00:39:08,460 --> 00:39:04,780

literally it means to queendom

898

00:39:11,520 --> 00:39:08,470

I've having between them varying light

899

00:39:13,530 --> 00:39:11,530

and sound and and now mal couth was it

900

00:39:16,170 --> 00:39:13,540

was a name for Queen and was an old

901  
00:39:19,830 --> 00:39:16,180  
goddess in the in the Middle East a long

902  
00:39:23,280 --> 00:39:19,840  
time ago before Yahweh in the end Judaic

903  
00:39:24,630 --> 00:39:23,290  
tradition and so right the Queen didn't

904  
00:39:29,400 --> 00:39:24,640  
happened this is how we enter the

905  
00:39:31,610 --> 00:39:29,410  
queendom of heaven and go ahead go is

906  
00:39:38,360 --> 00:39:31,620  
there a meditation that you would offer

907  
00:39:41,100 --> 00:39:38,370  
want to be able to move into the womb of

908  
00:39:43,170 --> 00:39:41,110  
the cosmic womb the spiritual would be

909  
00:39:44,490 --> 00:39:43,180  
in whatever plane it's only etheric and

910  
00:39:46,980 --> 00:39:44,500  
I'm sure it's on all of this is a hole

911  
00:39:49,650 --> 00:39:46,990  
between here in heaven but is there a

912  
00:39:51,630 --> 00:39:49,660  
particular meditation or imagery that

913  
00:39:52,980 --> 00:39:51,640

you would invite support someone in as

914

00:39:55,590 --> 00:39:52,990

they would meditate so they can find

915

00:39:58,200 --> 00:39:55,600

themselves nicely in such spiritual

916

00:40:01,020 --> 00:39:58,210

energies yeah yeah well absolutely it

917

00:40:03,660 --> 00:40:01,030

can be very simple and I'll say this if

918

00:40:06,270 --> 00:40:03,670

we made it easy for people we included a

919

00:40:08,520 --> 00:40:06,280

lot of meditations in our book so the

920

00:40:11,040 --> 00:40:08,530

womb awakening the initiate to it wisdom

921

00:40:12,930 --> 00:40:11,050

of the create ryx of our life we put

922

00:40:15,390 --> 00:40:12,940

many meditations and not only do we have

923

00:40:17,790 --> 00:40:15,400

written ones we actually have audio

924

00:40:19,530 --> 00:40:17,800

journeys so so there I just read my mind

925

00:40:21,450 --> 00:40:19,540

I was about to say yesterday when we

926

00:40:24,090 --> 00:40:21,460

soundcheck after all these four or five

927

00:40:25,250 --> 00:40:24,100

years that have been knowing you you

928

00:40:28,440 --> 00:40:25,260

never told me that you was a musician

929

00:40:30,900 --> 00:40:28,450

yeah yeah we have this album you

930

00:40:33,540 --> 00:40:30,910

insurance was right so it's called

931

00:40:35,850 --> 00:40:33,550

sacred sounds of the womb and we created

932

00:40:37,920 --> 00:40:35,860

it it came it came through in 2014 it

933

00:40:39,900 --> 00:40:37,930

took about a year and we had a lot of

934

00:40:43,610 --> 00:40:39,910

help from some other talented artists

935

00:40:46,380 --> 00:40:43,620

Linda go Liz Lange and and producers and

936

00:40:48,690 --> 00:40:46,390

what the sacred sounds of the womb is is

937

00:40:52,770 --> 00:40:48,700

a journey into womb consciousness so it

938

00:40:54,660 --> 00:40:52,780

is a cleansing and purifying CD it is a

939

00:40:56,670 --> 00:40:54,670

journey of spiritual consciousness as

940

00:40:58,590 --> 00:40:56,680

much as it is music but what is

941

00:41:00,800 --> 00:40:58,600

contained by the idea of playing this

942

00:41:05,000 --> 00:41:00,810

music because it was created with

943

00:41:06,650 --> 00:41:05,010

the intention from that space it makes

944

00:41:08,530 --> 00:41:06,660

sense to me that when someone would play

945

00:41:12,070 --> 00:41:08,540

this music they automatically

946

00:41:15,200 --> 00:41:12,080

effortlessly become put into the flow of

947

00:41:17,660 --> 00:41:15,210

said intention against the room music

948

00:41:21,380 --> 00:41:17,670

yes exactly mostly that was the

949

00:41:23,600 --> 00:41:21,390

intention and and the intention so part

950

00:41:27,670 --> 00:41:23,610

of it is the toning of sacred sounds

951

00:41:30,950 --> 00:41:27,680

that it also has a rich background of

952

00:41:34,040 --> 00:41:30,960

vocals layered vocals and didgeridoo in

953

00:41:36,890 --> 00:41:34,050

an ambient in an ambient sound scape as

954

00:41:37,580 --> 00:41:36,900

well behind it so it's a evocative an

955

00:41:40,490 --> 00:41:37,590

evocative

956

00:41:42,590 --> 00:41:40,500

album but the sounds and the tones that

957

00:41:45,230 --> 00:41:42,600

came through our sacred seed syllables

958

00:41:46,550 --> 00:41:45,240

from the ancient language so this we

959

00:41:48,470 --> 00:41:46,560

call this language the most erotic

960

00:41:51,140 --> 00:41:48,480

language it's the language that predates

961

00:41:53,330 --> 00:41:51,150

any known language but it contains the

962

00:41:55,040 --> 00:41:53,340

seed syllable is common in so many of

963

00:41:57,980 --> 00:41:55,050

the sacred languages sounds great

964

00:42:00,650 --> 00:41:57,990

ancient Egyptian etc some of the ancient

965

00:42:02,450 --> 00:42:00,660

Semitic languages etc and so yeah

966

00:42:04,580 --> 00:42:02,460

exactly so it is a journey into whom

967

00:42:06,800 --> 00:42:04,590

consciousness and and that's why we

968

00:42:09,380 --> 00:42:06,810

created the album and it takes you there

969

00:42:11,630 --> 00:42:09,390

believe me this you listen to this CD

970

00:42:13,130 --> 00:42:11,640

and you dim the lights and you put on a

971

00:42:15,020 --> 00:42:13,140

little bit of sage or incense or

972

00:42:17,600 --> 00:42:15,030

something it will take you right there

973

00:42:21,860 --> 00:42:17,610

it is it's not lightweight music it will

974

00:42:23,390 --> 00:42:21,870

it will open doorways for you something

975

00:42:27,740 --> 00:42:23,400

something that could be entertaining

976

00:42:29,660 --> 00:42:27,750

before bedtime well yeah we've we we

977

00:42:32,930 --> 00:42:29,670

listen to with sarin and I actually

978

00:42:35,690 --> 00:42:32,940

listen to our own music and and we do it

979

00:42:37,460 --> 00:42:35,700

because what came through was beyond

980

00:42:38,960 --> 00:42:37,470

just us you know we open the doorways

981

00:42:41,210 --> 00:42:38,970

and this energy came through when we

982

00:42:43,250 --> 00:42:41,220

when we connect to it late at night

983

00:42:45,260 --> 00:42:43,260

before sleep we just dim the lights and

984

00:42:47,270 --> 00:42:45,270

we go into this incredible altered state

985

00:42:50,270 --> 00:42:47,280

of consciousness and and and then that

986

00:42:52,880 --> 00:42:50,280

that consciousness really refuses our

987

00:42:55,610 --> 00:42:52,890

dreams and calls in a certain frequency

988

00:42:57,920 --> 00:42:55,620

of dreaming and this is one of the one

989

00:43:01,310 --> 00:42:57,930

of the pieces I wanted to get to as well

990

00:43:03,080 --> 00:43:01,320

and so so it's such a vast topic I'm

991

00:43:05,840 --> 00:43:03,090

trying to figure out how to succinctly

992

00:43:08,510 --> 00:43:05,850

talk about it but it's it's this is

993

00:43:11,000 --> 00:43:08,520

that essentially this the cerebral

994

00:43:14,450 --> 00:43:11,010

cortex which is evolutionarily speaking

995

00:43:16,609 --> 00:43:14,460

the the newest development on

996

00:43:18,560 --> 00:43:16,619

planet so the neocortex is what we think

997

00:43:20,300 --> 00:43:18,570

of we're told that this is what makes us

998

00:43:21,620 --> 00:43:20,310

smart smarter it's Gordon quote smarter

999

00:43:24,079 --> 00:43:21,630

than animals either that's really

1000

00:43:26,660 --> 00:43:24,089

debatable how smart we are as a species

1001  
00:43:28,790 --> 00:43:26,670  
but anyway right but it's this neocortex

1002  
00:43:31,010 --> 00:43:28,800  
in the cerebral cortex in general that

1003  
00:43:33,170 --> 00:43:31,020  
supposedly gives us our intelligence and

1004  
00:43:34,700 --> 00:43:33,180  
but it is and it does in a certain way

1005  
00:43:37,730 --> 00:43:34,710  
it's a certain kind of logical

1006  
00:43:39,589 --> 00:43:37,740  
analytical rational intelligence that

1007  
00:43:41,780 --> 00:43:39,599  
gives us the capacity to get certain

1008  
00:43:46,370 --> 00:43:41,790  
things done and created in a physical

1009  
00:43:49,070 --> 00:43:46,380  
world however there is a far deeper

1010  
00:43:51,050 --> 00:43:49,080  
investor consciousness and in the brain

1011  
00:43:53,599 --> 00:43:51,060  
this is the what we call the primal

1012  
00:43:55,460 --> 00:43:53,609  
brain or the deep brain and the

1013  
00:43:57,500 --> 00:43:55,470

architect or the governance of the

1014

00:43:58,550 --> 00:43:57,510

primal brain is a is that little known

1015

00:44:00,950 --> 00:43:58,560

region of the brain called the

1016

00:44:02,720 --> 00:44:00,960

cerebellum well I mean it's well enough

1017

00:44:04,370 --> 00:44:02,730

known that it exists but little known

1018

00:44:07,550 --> 00:44:04,380

what it actually does and how it

1019

00:44:11,120 --> 00:44:07,560

actually functions and so our dreaming

1020

00:44:12,829 --> 00:44:11,130

our creativity our mystical states of

1021

00:44:15,820 --> 00:44:12,839

consciousness shamanic consciousness

1022

00:44:18,859 --> 00:44:15,830

spiritual consciousness our ecstasy our

1023

00:44:21,170 --> 00:44:18,869

ability to lose ourselves into slow

1024

00:44:24,800 --> 00:44:21,180

moments and in an athletic event or in

1025

00:44:26,900 --> 00:44:24,810

dance or in lovemaking or all of these

1026  
00:44:29,900 --> 00:44:26,910  
things come from deep within our primal

1027  
00:44:32,240 --> 00:44:29,910  
brain they originate in this in this

1028  
00:44:35,990 --> 00:44:32,250  
mother consciousness that's down below

1029  
00:44:39,920 --> 00:44:36,000  
the thinking analytical mind and and we

1030  
00:44:41,480 --> 00:44:39,930  
through all of our research and and our

1031  
00:44:44,570 --> 00:44:41,490  
own intuitions began to put together

1032  
00:44:46,940 --> 00:44:44,580  
this picture of wow there is truly there

1033  
00:44:49,280 --> 00:44:46,950  
are truly two brains in our head there

1034  
00:44:51,770 --> 00:44:49,290  
is this masculine brain and there's this

1035  
00:44:54,829 --> 00:44:51,780  
older feminine green with with these

1036  
00:44:56,599 --> 00:44:54,839  
vast capacities in these I mean truly

1037  
00:45:00,140 --> 00:44:56,609  
vast capacities and just to give you a

1038  
00:45:02,329 --> 00:45:00,150

sense of that our our deep feminine

1039

00:45:04,490 --> 00:45:02,339

brain our primal brain networks and that

1040

00:45:08,450 --> 00:45:04,500

the chief architect of that really

1041

00:45:11,690 --> 00:45:08,460

bridges the cerebellum has 500,000 times

1042

00:45:16,490 --> 00:45:11,700

more data processing power than our

1043

00:45:17,720 --> 00:45:16,500

cerebral cortex 500,000 more times so if

1044

00:45:20,150 --> 00:45:17,730

you want to change your state of

1045

00:45:21,890 --> 00:45:20,160

consciousness begin to work on these on

1046

00:45:24,140 --> 00:45:21,900

this deep greens and run this deep we

1047

00:45:25,940 --> 00:45:24,150

call it a feminine brain because it's

1048

00:45:27,800 --> 00:45:25,950

because it's the mother it actually is

1049

00:45:29,240 --> 00:45:27,810

the ground from even

1050

00:45:31,400 --> 00:45:29,250

which are daily waking consciousness

1051  
00:45:33,350 --> 00:45:31,410  
births and that's from an evolutionary

1052  
00:45:36,220 --> 00:45:33,360  
perspective and our own developmental

1053  
00:45:38,450 --> 00:45:36,230  
perspective and our time in the womb our

1054  
00:45:40,790 --> 00:45:38,460  
cerebellum and our deep primal brain

1055  
00:45:42,230 --> 00:45:40,800  
networks are on they and we've spoken

1056  
00:45:44,090 --> 00:45:42,240  
about this in an interview before it

1057  
00:45:45,440 --> 00:45:44,100  
says the womb time origins of shamanism

1058  
00:45:48,190 --> 00:45:45,450  
interview I think now three years ago

1059  
00:45:51,590 --> 00:45:48,200  
but when we're in the womb we have a

1060  
00:45:53,990 --> 00:45:51,600  
mystical psychedelic consciousness we

1061  
00:45:56,840 --> 00:45:54,000  
have this capacity to access other

1062  
00:45:58,160 --> 00:45:56,850  
worlds we can telepathically communicate

1063  
00:46:01,430 --> 00:45:58,170

with their parents when we're three

1064

00:46:03,620 --> 00:46:01,440

weeks of age we can we begin to move in

1065

00:46:06,710 --> 00:46:03,630

our own rhythms spontaneously when we're

1066

00:46:09,590 --> 00:46:06,720

seven weeks of age we actually it's it

1067

00:46:11,570 --> 00:46:09,600

can be seen when you put on a little deg

1068

00:46:13,280 --> 00:46:11,580

which is a it just reads the brainwaves

1069

00:46:15,080 --> 00:46:13,290

of the baby when they're in the womb so

1070

00:46:17,450 --> 00:46:15,090

you put a little electrodes on mom's

1071

00:46:19,160 --> 00:46:17,460

belly you can see that they're in the

1072

00:46:21,740 --> 00:46:19,170

latter parts of pregnancy baby is in

1073

00:46:24,020 --> 00:46:21,750

dream state is in REM REM sleep state

1074

00:46:26,330 --> 00:46:24,030

which is a dream state and so this is a

1075

00:46:27,680 --> 00:46:26,340

dream time consciousness and of course

1076

00:46:30,650 --> 00:46:27,690

we know it in children you ask a

1077

00:46:32,840 --> 00:46:30,660

three-year-old child what was life like

1078

00:46:35,240 --> 00:46:32,850

before you came to this planet and

1079

00:46:36,980 --> 00:46:35,250

they'll tell you they'll build they'll

1080

00:46:38,900 --> 00:46:36,990

tell you what what they were doing in

1081

00:46:40,730 --> 00:46:38,910

the past life and why they're here and

1082

00:46:42,290 --> 00:46:40,740

what they've come to do and who you are

1083

00:46:45,170 --> 00:46:42,300

and what you're supposed to be you know

1084

00:46:47,030 --> 00:46:45,180

and that begins to fade by say age five

1085

00:46:49,820 --> 00:46:47,040

six seven eight when more of the

1086

00:46:52,280 --> 00:46:49,830

cerebral cortex kicks in but here's the

1087

00:46:54,740 --> 00:46:52,290

thing is that we all have these pathways

1088

00:46:57,710 --> 00:46:54,750

imprinted in us and it's just about

1089

00:47:00,770 --> 00:46:57,720

opening them and we accessing them and

1090

00:47:03,920 --> 00:47:00,780

so it's it's really astounding to see

1091

00:47:06,080 --> 00:47:03,930

that everything we associate with the

1092

00:47:08,390 --> 00:47:06,090

what we call the feminine temple arts or

1093

00:47:11,300 --> 00:47:08,400

the shamanic arts or the deep spiritual

1094

00:47:14,840 --> 00:47:11,310

arts begins to revolve around the

1095

00:47:17,930 --> 00:47:14,850

cerebellum so are what's called embodied

1096

00:47:20,000 --> 00:47:17,940

memory or the feelings held in our body

1097

00:47:22,220 --> 00:47:20,010

or embodied movement and body

1098

00:47:25,850 --> 00:47:22,230

consciousness this is all routed through

1099

00:47:27,320 --> 00:47:25,860

the cerebellum and and using sounds so

1100

00:47:28,610 --> 00:47:27,330

this is why we created the sacred sounds

1101  
00:47:31,100 --> 00:47:28,620  
of the womb album and as you know as a

1102  
00:47:34,430 --> 00:47:31,110  
musician yourself sound takes people

1103  
00:47:37,400 --> 00:47:34,440  
places why is it that you are drawn to

1104  
00:47:39,890 --> 00:47:37,410  
be a musician and perform and at night

1105  
00:47:41,420 --> 00:47:39,900  
when the lights are low or you know it

1106  
00:47:43,490 --> 00:47:41,430  
is great like red light

1107  
00:47:45,859 --> 00:47:43,500  
ates or purple lights well it begins to

1108  
00:47:49,040 --> 00:47:45,869  
recreate its own shamanic experience and

1109  
00:47:51,559 --> 00:47:49,050  
and moving and dancing as you as you do

1110  
00:47:54,440 --> 00:47:51,569  
is it takes you right there and you know

1111  
00:47:56,450 --> 00:47:54,450  
about this ecstatic state that comes and

1112  
00:47:59,329 --> 00:47:56,460  
but it's the same that's been practiced

1113  
00:48:03,980 --> 00:47:59,339

throughout the ages really opening these

1114

00:48:06,079 --> 00:48:03,990

deep brain networks yes I do know about

1115

00:48:08,390 --> 00:48:06,089

that place and a lot of my musician

1116

00:48:11,809 --> 00:48:08,400

friends we call it the zone you call it

1117

00:48:13,540 --> 00:48:11,819

digging in just well for call it getting

1118

00:48:16,760 --> 00:48:13,550

in there and making a sandwich

1119

00:48:19,880 --> 00:48:16,770

hahahahaha but the point of it all is I

1120

00:48:21,710 --> 00:48:19,890

know that place and my drum and I and we

1121

00:48:23,870 --> 00:48:21,720

have a library of licks and but when

1122

00:48:25,520 --> 00:48:23,880

something happens I'm playing bass

1123

00:48:27,799 --> 00:48:25,530

playing drums and we do lick that is

1124

00:48:31,010 --> 00:48:27,809

just off the cup and it is not close it

1125

00:48:32,870 --> 00:48:31,020

is so exact it's one spirit that moved

1126

00:48:36,260 --> 00:48:32,880

through both of us and performed the

1127

00:48:39,109 --> 00:48:36,270

particular lick but that being said I

1128

00:48:41,240 --> 00:48:39,119

wanted to ask you when you mentioned

1129

00:48:43,609 --> 00:48:41,250

just a bit ago about the child being

1130

00:48:46,880 --> 00:48:43,619

aware in the mother's womb they still

1131

00:48:49,460 --> 00:48:46,890

have access to the cosmic moon and can

1132

00:48:51,380 --> 00:48:49,470

experience other things whether you I

1133

00:48:54,200 --> 00:48:51,390

want to know if you are or of the belief

1134

00:48:55,730 --> 00:48:54,210

do you have any wisdom in the field of

1135

00:48:59,120 --> 00:48:55,740

or just your personal thoughts about it

1136

00:49:02,960 --> 00:48:59,130

about the child entering into the mother

1137

00:49:06,289 --> 00:49:02,970

before it is birth do you think that in

1138

00:49:09,829 --> 00:49:06,299

the beginning of conception they might

1139

00:49:12,950 --> 00:49:09,839

be little to none and then after the

1140

00:49:15,460 --> 00:49:12,960

fetus begins to grow and birth becomes

1141

00:49:18,140 --> 00:49:15,470

imminent and it's going to happen that

1142

00:49:20,630 --> 00:49:18,150

the consciousness of the child begins to

1143

00:49:22,430 --> 00:49:20,640

settle into the body more and more and

1144

00:49:23,990 --> 00:49:22,440

more and more or do you think it just

1145

00:49:26,240 --> 00:49:24,000

happens at birth or do you think it's in

1146

00:49:29,960 --> 00:49:26,250

there at conception yeah yeah

1147

00:49:32,270 --> 00:49:29,970

well so we know a lot about this and

1148

00:49:34,960 --> 00:49:32,280

through our own deep shamanic journeys

1149

00:49:37,099 --> 00:49:34,970

and also but also the research of

1150

00:49:39,289 --> 00:49:37,109

luminaries like stanislav grof

1151  
00:49:40,789 --> 00:49:39,299  
who who did pioneering work on what

1152  
00:49:42,470 --> 00:49:40,799  
happens in the womb both with LSD

1153  
00:49:43,039 --> 00:49:42,480  
psychotherapy as well as shamanic

1154  
00:49:47,120 --> 00:49:43,049  
breathwork

1155  
00:49:48,500 --> 00:49:47,130  
psychotherapy and and also all of the

1156  
00:49:50,000 --> 00:49:48,510  
myths and traditions and stories from

1157  
00:49:53,180 --> 00:49:50,010  
all the different all the different

1158  
00:49:54,620 --> 00:49:53,190  
world religions and and what we know is

1159  
00:49:57,860 --> 00:49:54,630  
this is that

1160  
00:49:59,870 --> 00:49:57,870  
the baby that spark of life the soul or

1161  
00:50:04,160 --> 00:49:59,880  
spirit energy of the baby is fully

1162  
00:50:08,270 --> 00:50:04,170  
conscious fully conscious before he or

1163  
00:50:09,530 --> 00:50:08,280

she even comes in and and in many well

1164

00:50:11,090 --> 00:50:09,540

in many of the African indigenous

1165

00:50:12,230 --> 00:50:11,100

traditions and not just African

1166

00:50:14,810 --> 00:50:12,240

indigenous traditions but other

1167

00:50:16,730 --> 00:50:14,820

indigenous traditions there was this

1168

00:50:18,950 --> 00:50:16,740

idea of contacting the spirit of the

1169

00:50:20,990 --> 00:50:18,960

baby or the soul of the baby of creating

1170

00:50:23,240 --> 00:50:21,000

a soul song to help bring it in and

1171

00:50:24,560 --> 00:50:23,250

guide it in and so there was this there

1172

00:50:26,270 --> 00:50:24,570

was this telepathic two-way

1173

00:50:28,130 --> 00:50:26,280

communication we think of in the modern

1174

00:50:30,920 --> 00:50:28,140

world we think of this as being sort of

1175

00:50:33,050 --> 00:50:30,930

a fantasy or make-believe no no very

1176

00:50:34,370 --> 00:50:33,060

very real this kind of telepathic

1177

00:50:36,560 --> 00:50:34,380

communication with the spirit of baby

1178

00:50:38,930 --> 00:50:36,570

and mothers who were tuned in and

1179

00:50:41,560 --> 00:50:38,940

fathers who attune you will tell you at

1180

00:50:44,210 --> 00:50:41,570

the moment of conception there is this

1181

00:50:47,480 --> 00:50:44,220

shining light there's a shining light

1182

00:50:49,550 --> 00:50:47,490

that is palpable and one of the we

1183

00:50:51,800 --> 00:50:49,560

travel this path with this incredible

1184

00:50:55,490 --> 00:50:51,810

group of people we call a room circle of

1185

00:50:57,740 --> 00:50:55,500

the womb circle and and they write about

1186

00:50:59,780 --> 00:50:57,750

their shamanic and mystical experiences

1187

00:51:01,100 --> 00:50:59,790

of womb consciousness and conscious

1188

00:51:02,630 --> 00:51:01,110

consumption and different things in the

1189

00:51:06,350 --> 00:51:02,640

book and so they're also stories in the

1190

00:51:08,150 --> 00:51:06,360

book and one is about this in a

1191

00:51:12,050 --> 00:51:08,160

beautiful beautiful conscious conception

1192

00:51:14,390 --> 00:51:12,060

and conscious birth process and and but

1193

00:51:17,210 --> 00:51:14,400

really the consciousness of the baby

1194

00:51:19,370 --> 00:51:17,220

begins to move from this vast cosmic

1195

00:51:21,410 --> 00:51:19,380

consciousness to a more and more

1196

00:51:23,630 --> 00:51:21,420

embodied consciousness so the

1197

00:51:24,500 --> 00:51:23,640

consciousness shifts and one is not

1198

00:51:26,750 --> 00:51:24,510

better than the other it's really

1199

00:51:30,020 --> 00:51:26,760

important to get that it's not the

1200

00:51:32,060 --> 00:51:30,030

cosmic consciousness is an incredible

1201

00:51:34,490 --> 00:51:32,070

place that most people don't have

1202

00:51:36,920 --> 00:51:34,500

contact with on a moment-to-moment basis

1203

00:51:39,590 --> 00:51:36,930

but it's a bit as a baby coming in they

1204

00:51:42,470 --> 00:51:39,600

do but what happens is in spirit world

1205

00:51:43,970 --> 00:51:42,480

all of the souls they want to come in

1206

00:51:45,920 --> 00:51:43,980

and experience this earthly

1207

00:51:48,200 --> 00:51:45,930

consciousness they want to they want to

1208

00:51:49,810 --> 00:51:48,210

come in and bring this amazing celestial

1209

00:51:53,060 --> 00:51:49,820

and cosmic consciousness into matter

1210

00:51:55,520 --> 00:51:53,070

because matter is at the evolutionary

1211

00:51:57,680 --> 00:51:55,530

edge it is really evolutions edge and

1212

00:52:00,620 --> 00:51:57,690

it's so interesting that matter and

1213

00:52:03,830 --> 00:52:00,630

Latin is the word for mother some mother

1214

00:52:07,770 --> 00:52:03,840

and that is local as no coincidence and

1215

00:52:11,100 --> 00:52:07,780

and the root of matrix or matrix is a

1216

00:52:15,720 --> 00:52:11,110

a field or a container of energy of

1217

00:52:17,640 --> 00:52:15,730

perception and and yeah so as that as as

1218

00:52:19,350 --> 00:52:17,650

this the baby wants to come in and

1219

00:52:22,110 --> 00:52:19,360

experience this cosmic consciousness in

1220

00:52:24,390 --> 00:52:22,120

the body and on earth because earth has

1221

00:52:26,190 --> 00:52:24,400

the potential to be eaten it's just a

1222

00:52:28,350 --> 00:52:26,200

shift in consciousness away

1223

00:52:31,290 --> 00:52:28,360

and eaten was not it's not a fairy tale

1224

00:52:34,530 --> 00:52:31,300

these myths have more truth in them then

1225

00:52:38,910 --> 00:52:34,540

then then you know I don't know they

1226

00:52:41,370 --> 00:52:38,920

have their true in essence isn't it

1227

00:52:43,140 --> 00:52:41,380

correct that at the moment of conception

1228

00:52:45,450 --> 00:52:43,150

I don't know if you said this it was so

1229

00:52:47,520 --> 00:52:45,460

much and it's I love our conversation

1230

00:52:50,520 --> 00:52:47,530

sighs I'm trying to digest all of it

1231

00:52:53,070 --> 00:52:50,530

that the moment of conception when the

1232

00:52:56,010 --> 00:52:53,080

sperm enters the egg that there is a

1233

00:52:58,620 --> 00:52:56,020

burst of light that's true that is

1234

00:53:00,870 --> 00:52:58,630

literally a burst of light I thought I

1235

00:53:02,640 --> 00:53:00,880

saw that on video recently it's there I

1236

00:53:04,140 --> 00:53:02,650

mean look at what we find on Google

1237

00:53:06,690 --> 00:53:04,150

YouTube and look it up and you see the

1238

00:53:07,680 --> 00:53:06,700

burst of light and I'm going to tell you

1239

00:53:08,010 --> 00:53:07,690

something else that's going to blow your

1240

00:53:10,800 --> 00:53:08,020

mind

1241

00:53:12,300 --> 00:53:10,810

basic and basic and the creation of the

1242

00:53:14,940 --> 00:53:12,310

universe and the creation of the

1243

00:53:17,250 --> 00:53:14,950

universe there was in the first few

1244

00:53:22,410 --> 00:53:17,260

moments of creation there was no light

1245

00:53:24,090 --> 00:53:22,420

because the clouds of particles were

1246

00:53:27,780 --> 00:53:24,100

so dense and so thick like couldn't

1247

00:53:29,220 --> 00:53:27,790

travel through it but early on that the

1248

00:53:32,910 --> 00:53:29,230

particles cleared and there was an

1249

00:53:35,100 --> 00:53:32,920

incredible burst of light as the protons

1250

00:53:37,290 --> 00:53:35,110

and neutrons came together and form the

1251  
00:53:40,350 --> 00:53:37,300  
atomic nuclei as since this isn't a very

1252  
00:53:42,150 --> 00:53:40,360  
big this phase with this pulse of the

1253  
00:53:44,300 --> 00:53:42,160  
universe there was a moment of height

1254  
00:53:46,220 --> 00:53:44,310  
with his be credible burst of light

1255  
00:53:48,960 --> 00:53:46,230  
shined out in the birth of our universe

1256  
00:53:51,150 --> 00:53:48,970  
mirroring the conception our own

1257  
00:53:53,940 --> 00:53:51,160  
conception when the sperm joins the egg

1258  
00:53:57,270 --> 00:53:53,950  
in the human in the human development so

1259  
00:54:00,000 --> 00:53:57,280  
you will see these microcosm macrocosm

1260  
00:54:02,780 --> 00:54:00,010  
relationships that are obviously no

1261  
00:54:05,130 --> 00:54:02,790  
coincidence it's it's entirely

1262  
00:54:07,470 --> 00:54:05,140  
statistically improbable this is one of

1263  
00:54:11,430 --> 00:54:07,480

a billion quote-unquote coincidences but

1264

00:54:14,070 --> 00:54:11,440

it's truly this magical coherent living

1265

00:54:18,560 --> 00:54:14,080

super organism of a universe and even a

1266

00:54:25,430 --> 00:54:22,040

someone told me a while back how we're

1267

00:54:28,370 --> 00:54:25,440

talking about the size of infinity then

1268

00:54:33,110 --> 00:54:28,380

it all fits on the head of a pin hmm

1269

00:54:36,560 --> 00:54:33,120

so again microcosmic macrocosmic you

1270

00:54:39,560 --> 00:54:36,570

know if all of the macro fits into the

1271

00:54:42,530 --> 00:54:39,570

micro it's everything it's everywhere

1272

00:54:47,770 --> 00:54:42,540

there's nothing it is not the whole

1273

00:54:50,570 --> 00:54:47,780

thing is this living breathing room bed

1274

00:54:53,900 --> 00:54:50,580

exactly the whole thing is this living

1275

00:54:56,380 --> 00:54:53,910

pulsing incredibly conscious incredibly

1276  
00:54:59,810 --> 00:54:56,390  
loving incredibly connected incredibly

1277  
00:55:01,100 --> 00:54:59,820  
quantumly entangled room dad angle

1278  
00:55:03,110 --> 00:55:01,110  
that's the word I was looking for thank

1279  
00:55:06,740 --> 00:55:03,120  
you yeah yeah right the quantum

1280  
00:55:11,230 --> 00:55:06,750  
entanglement it is is that's a whole

1281  
00:55:15,920 --> 00:55:11,240  
nother piece it's almost so easy it's

1282  
00:55:18,920 --> 00:55:15,930  
difficult I mean it's all been so rich

1283  
00:55:21,140 --> 00:55:18,930  
and there's so much to it but as I have

1284  
00:55:23,390 --> 00:55:21,150  
interviewed you quite a few times on

1285  
00:55:26,570 --> 00:55:23,400  
these types of subjects the more I get

1286  
00:55:28,970 --> 00:55:26,580  
my monkey mind out of the way and try

1287  
00:55:31,280 --> 00:55:28,980  
and stop trying to logically process it

1288  
00:55:34,340 --> 00:55:31,290

and just to sit back and take it in it

1289

00:55:36,860 --> 00:55:34,350

just settles in me a lot more nicely a

1290

00:55:41,480 --> 00:55:36,870

lot more effortless and then believe it

1291

00:55:43,940 --> 00:55:41,490

or not in that softening to hear the

1292

00:55:46,190 --> 00:55:43,950

interview that you and I have and the

1293

00:55:48,320 --> 00:55:46,200

dialogue that you put into me there's so

1294

00:55:50,260 --> 00:55:48,330

much more information encrypted in it

1295

00:55:53,360 --> 00:55:50,270

that I could not have heard otherwise

1296

00:55:56,870 --> 00:55:53,370

because I'm too busy in my monkey

1297

00:55:59,180 --> 00:55:56,880

logical mind to be to be able to even be

1298

00:56:03,830 --> 00:55:59,190

in that kind of bandwidth exactly

1299

00:56:05,840 --> 00:56:03,840

exactly and and this is when we began to

1300

00:56:10,220 --> 00:56:05,850

think about when we began to think about

1301  
00:56:12,160 --> 00:56:10,230  
the creation of a book we knew that the

1302  
00:56:15,290 --> 00:56:12,170  
deepest knowledge is encoded

1303  
00:56:18,410 --> 00:56:15,300  
symbolically is encoded in story is

1304  
00:56:19,790 --> 00:56:18,420  
encoded in poetry is actually coming

1305  
00:56:24,620 --> 00:56:19,800  
through an energetic transmission

1306  
00:56:26,780 --> 00:56:24,630  
between the lines and and and it's

1307  
00:56:30,170 --> 00:56:26,790  
exactly right and when you can begin to

1308  
00:56:31,610 --> 00:56:30,180  
open to that that's when it really will

1309  
00:56:32,480 --> 00:56:31,620  
you become it you know when you and

1310  
00:56:34,760 --> 00:56:32,490  
begin to embody

1311  
00:56:37,840 --> 00:56:34,770  
the the information and become it and

1312  
00:56:40,460 --> 00:56:37,850  
and is so true it's really really true

1313  
00:56:43,460 --> 00:56:40,470

as we got one minute give me a final

1314

00:56:47,780 --> 00:56:43,470

fault my brother oh my goodness well

1315

00:56:50,890 --> 00:56:47,790

it's gonna give a bunch of not okay yeah

1316

00:56:54,380 --> 00:56:50,900

so so it this is going to say you know

1317

00:56:56,330 --> 00:56:54,390

tune in tune into this incredible field

1318

00:57:00,109 --> 00:56:56,340

of consciousness that is in your womb or

1319

00:57:02,180 --> 00:57:00,119

Hara tune in begin to drop down and open

1320

00:57:04,850 --> 00:57:02,190

and open these pathways and channels

1321

00:57:08,359 --> 00:57:04,860

into this into this incredible resource

1322

00:57:10,730 --> 00:57:08,369

and it is really at the evolutions edges

1323

00:57:14,330 --> 00:57:10,740

at our evolutionary wave as humans and

1324

00:57:17,120 --> 00:57:14,340

as a species and so I say you know go

1325

00:57:19,430 --> 00:57:17,130

for it and if you if you want to learn

1326  
00:57:21,830 --> 00:57:19,440  
more we lit we have created my wife and

1327  
00:57:24,410 --> 00:57:21,840  
I a world before for those who are

1328  
00:57:26,600 --> 00:57:24,420  
interested to explore of courses of

1329  
00:57:30,859 --> 00:57:26,610  
pilgrimages and retreats of books of

1330  
00:57:33,710 --> 00:57:30,869  
music and there's more coming so so join

1331  
00:57:35,600 --> 00:57:33,720  
us if you feel the call as well thank

1332  
00:57:37,460 --> 00:57:35,610  
you bro it's always fun and enlightening

1333  
00:57:39,440 --> 00:57:37,470  
you sit me it's like I'm sitting in a

1334  
00:57:41,810 --> 00:57:39,450  
space shelter when I talk to you I got

1335  
00:57:44,390 --> 00:57:41,820  
all this a new power under my butt I

1336  
00:57:46,460 --> 00:57:44,400  
think hey I should mention the website

1337  
00:57:50,540 --> 00:57:46,470  
again just for those who did not Lee V

1338  
00:57:51,890 --> 00:57:50,550

Fountain of Life org so so thanks thank

1339

00:57:54,859 --> 00:57:51,900

you to everyone is listening Thank You

1340

00:57:56,990 --> 00:57:54,869

Keith it's always a pleasure and this

1341

00:57:58,609 --> 00:57:57,000

new book along with Sharon is room

1342

00:58:00,200 --> 00:57:58,619

awakening and also while you're there

1343

00:58:02,240 --> 00:58:00,210

make sure you check out the new album

1344

00:58:03,500 --> 00:58:02,250

maybe has out everyone q Anthony

1345

00:58:05,480 --> 00:58:03,510

Blanchett I want to tell you about my

1346

00:58:09,740 --> 00:58:05,490

show next week a longtime follower of

1347

00:58:10,910 --> 00:58:09,750

mine he's always here Dan focused he's

1348

00:58:14,270 --> 00:58:10,920

going to be a guest on sooner of light

1349

00:58:15,920 --> 00:58:14,280

radio and took me some time and I'm just

1350

00:58:17,660 --> 00:58:15,930

such a busy guy and have a routine and

1351

00:58:19,640 --> 00:58:17,670

one day I realize I need to get this

1352

00:58:21,560 --> 00:58:19,650

very very intelligent gentleman on my

1353

00:58:23,840 --> 00:58:21,570

show he's got a new book out called the

1354

00:58:26,330 --> 00:58:23,850

Soto Solstice connection continuing

1355

00:58:29,980 --> 00:58:26,340

discoveries on ancient aliens giants and

1356

00:58:32,780 --> 00:58:29,990

the path of gold

1357

00:58:34,670 --> 00:58:32,790

I'm excited about that every Monday

1358

00:58:37,480 --> 00:58:34,680

night - camping branches - he knows his

1359

00:58:39,650 --> 00:58:37,490

chair conducting affairs from the heart

1360

00:58:42,349 --> 00:58:39,660

just remember when you lay down that

1361

00:58:43,790 --> 00:58:42,359

night you have nothing to do on purpose

1362

00:58:45,830 --> 00:58:43,800

though you might breathe anyway breathe

1363

00:58:48,770 --> 00:58:45,840

consciously breathe to move back into

1364

00:58:51,410 --> 00:58:48,780

the Stargate into the room as awful as I

1365

00:58:52,790 --> 00:58:51,420

said and I promise you when you find

1366

00:58:55,220 --> 00:58:52,800

yourself through the ceiling of thought

1367

00:58:58,940 --> 00:58:55,230

you will find yourself as well anything

1368

00:59:03,859 --> 00:58:58,950

and found deafening silence you achieved

1369

00:59:06,370 --> 00:59:03,869

that place something gets birth peace

1370

00:59:09,110 --> 00:59:06,380

loving liking I would see you soon

1371

00:59:44,810 --> 00:59:09,120

that burst of light
