00:02:04,920 --> 00:02:03,220

tonight's category or I should say

29

00:02:07,140 --> 00:02:04,930

tonight we'll be covering several

30

00:02:10,200 --> 00:02:07,150

categories of the unknown and

31

00:02:12,330 --> 00:02:10,210

unexplained Oh talking to paranormal

32

00:02:15,810 --> 00:02:12,340

investigator in parallel John Paulson

33

00:02:19,650 --> 00:02:15,820

Clair author of truth proof but after we

34

00:02:21,990 --> 00:02:19,660

do tonight shoutouts shoutouts to those

35

00:02:25,500 --> 00:02:22,000

who share our banners eyes off the media

36

00:02:28,980 --> 00:02:25,510

for this past week we appreciate that

37

00:02:31,850 --> 00:02:28,990

greatly to help spread the word and who

38

00:02:38,250 --> 00:02:34,470

alright it's just a quick shout out um

39

00:02:40,800 --> 00:02:38,260

they go to Jason land and Jamie Danlos

40

00:02:44,580 --> 00:02:40,810

of paranormal snoop Walter Brooks

41

00:02:45,270 --> 00:02:44,590

thoughts of Christos cindy-lou bizarro

42

William Harding Deborah Merritt SOB's me

49

00:03:15,780 --> 00:03:11,440

Nick who just popped in Sudan quantum

50

00:03:20,540 --> 00:03:15,790

blast Richard and speak Foster so

51
00:03:26,370 --> 00:03:20,550
tonight nice guest is Paulson Claire

52
00:03:28,440 --> 00:03:26,380
author of truth proof publishing 2016

53
00:03:30,479 --> 00:03:28,450
Paul's first book entitled truth proof

54
00:03:33,840 --> 00:03:30,489
is a collection of first-hand accounts

55
00:03:37,289 --> 00:03:33,850
and regulations of local UFO activity

56
00:03:40,220 --> 00:03:37,299
missing people alien big cats missing

57
00:03:43,780 --> 00:03:40,230
aircraft and other anomalous phenomena

58
00:03:46,150 --> 00:03:43,790
all is the most thorough

59
00:03:48,670 --> 00:03:46,160
who is not content with a Hirte or

60
00:03:51,850 --> 00:03:48,680
rumors he studies and researches in

61
00:03:53,860 --> 00:03:51,860
subjects to the minutest detail but

62
00:03:56,980 --> 00:03:53,870
never documented evidence that act of

63
00:03:58,720 --> 00:03:56,990

everything in truth truth if the

64

00:04:01,750 --> 00:03:58,730

evidence is not available he looks

65

00:04:03,880 --> 00:04:01,760

further and deeper until it's found the

66

00:04:06,460 --> 00:04:03,890

truth proof polish interviewed witnesses

67

00:04:10,360 --> 00:04:06,470

for events bar strange and Accutane

68

00:04:13,800 --> 00:04:10,370

reported worldwide some are recent some

69

00:04:16,900 --> 00:04:13,810

historical but they're always fascinated

70

00:04:18,910 --> 00:04:16,910

Paul is well known for his locally for

71

00:04:21,120 --> 00:04:18,920

his work and had made many friends rely

72

00:04:23,610 --> 00:04:21,130

on its credibility and confidentiality

73

00:04:27,610 --> 00:04:23,620

truth booth is his first published work

74

00:04:29,950 --> 00:04:27,620

with no cases as efforts to colligate a

75

00:04:33,370 --> 00:04:29,960

strange troops that surround him every

76

00:04:36,450 --> 00:04:33,380

day from the intelligent life-forms that

77

00:04:38,830 --> 00:04:36,460

are seen by many both on land and at sea

78

00:04:43,630 --> 00:04:38,840

the mysterious disappearances of

79

00:04:45,040 --> 00:04:43,640

ordinary men around clifftops the

80

00:04:47,290 --> 00:04:45,050

fascination with the mysterious activity

81

00:04:50,380 --> 00:04:47,300

surrounding nearby airport spaces is

82

00:04:52,630 --> 00:04:50,390

included in truth proof together with

83

00:04:55,000 --> 00:04:52,640

the courts of tragedy it's up to see

84

00:04:57,760 --> 00:04:55,010

which leap the vendor woman to no more

85

00:05:00,700 --> 00:04:57,770

truth also contains reports of strange

86

00:05:03,910 --> 00:05:00,710

creatures seen locally in britain

87

00:05:08,200 --> 00:05:03,920

including small humanoid beings stalking

88

00:05:11,770 --> 00:05:08,210

farmland giant cats and even where it

89

00:05:14,290 --> 00:05:11,780

was Paul Sinclair now presents this

90

00:05:16,870 --> 00:05:14,300

amazing collection accounts no logical

91

00:05:19,180 --> 00:05:16,880

yet down-to-earth way be variety

92

00:05:26,080 --> 00:05:19,190

provides his own theories and attempts

93

00:05:29,080 --> 00:05:26,090

to understand them so Paula witnesses

94

00:05:32,190 --> 00:05:29,090

evening thank you very much asking me to

95

00:05:35,200 --> 00:05:32,200

talk this early morning here in the UK

96

00:05:37,210 --> 00:05:35,210

mm-hmm yes thank you so much for coming

97

00:05:39,460 --> 00:05:37,220

on so early and good morning to where

98

00:05:42,250 --> 00:05:39,470

you are across the pond good morning

99

00:05:44,080 --> 00:05:42,260

you're welcome and I can start with

100

00:05:48,130 --> 00:05:44,090

whatever you want to talk about here

101
00:05:50,770 --> 00:05:48,140
Kelly well the first thing we usually

102
00:05:52,780 --> 00:05:50,780
ask guests that come on the show for the

103
00:05:54,730 --> 00:05:52,790
first time is how you got into the

104
00:05:56,890 --> 00:05:54,740
paranormal how you got into this

105
00:06:00,120 --> 00:05:56,900
anomalous research that you do

106
00:06:02,770 --> 00:06:00,130
okay rocket well for me personally I

107
00:06:05,530 --> 00:06:02,780
don't I don't particularly think and got

108
00:06:09,400 --> 00:06:05,540
into it I think it's just been there all

109
00:06:11,890 --> 00:06:09,410
my life I can't think of a time when I

110
00:06:16,000 --> 00:06:11,900
thought not really had any kind of

111
00:06:19,270 --> 00:06:16,010
interaction or or experience of this

112
00:06:21,130 --> 00:06:19,280
subject call it paranormal I mean it

113
00:06:24,400 --> 00:06:21,140

just seems like I've been immersed in it

114

00:06:26,380 --> 00:06:24,410

since I was a small child I can't I

115

00:06:28,270 --> 00:06:26,390

really can't think of another another

116

00:06:31,900 --> 00:06:28,280

way to explain it it's not like I saw a

117

00:06:35,410 --> 00:06:31,910

UFO I did see an incredible sighting in

118

00:06:38,800 --> 00:06:35,420

2002 but it's not like that was the the

119

00:06:41,590 --> 00:06:38,810

catalyst that that started all this it's

120

00:06:42,820 --> 00:06:41,600

been there since a child simply because

121

00:06:45,880 --> 00:06:42,830

of the things that I've seen and

122

00:06:47,800 --> 00:06:45,890

experienced I mean one thing that's on

123

00:06:49,450 --> 00:06:47,810

my mind just on my mind at the moment I

124

00:06:51,550 --> 00:06:49,460

mean it's not ground break you know

125

00:06:53,260 --> 00:06:51,560

earth shattering these I've got here in

126

00:06:55,540 --> 00:06:53,270

the UK when I look we've got four

127

00:06:59,170 --> 00:06:55,550

children or children the girls the grown

128

00:07:02,980 --> 00:06:59,180

up now they've left home but they're not

129

00:07:05,410 --> 00:07:02,990

all as avidly enthusiastic about this

130

00:07:08,950 --> 00:07:05,420

subject is what I am and neither is my

131

00:07:11,790 --> 00:07:08,960

wife but the support me and one of our

132

00:07:13,810 --> 00:07:11,800

daughters came yesterday 33 years old

133

00:07:15,460 --> 00:07:13,820

she's something kid you know and she

134

00:07:18,850 --> 00:07:15,470

said to me dad dad got something to tell

135

00:07:21,040 --> 00:07:18,860

you and so a sack listening and this is

136

00:07:23,710 --> 00:07:21,050

yesterday and she said that she took her

137

00:07:25,570 --> 00:07:23,720

two children to her placing out just out

138

00:07:28,300 --> 00:07:25,580

of Scarborough here in the UK called

139

00:07:30,310 --> 00:07:28,310

rain cliff woods this is a true story

140

00:07:32,770 --> 00:07:30,320

and I don't even know what it means what

141

00:07:35,950 --> 00:07:32,780

some of your listeners might sunny day

142

00:07:38,890 --> 00:07:35,960

the went to doing some outdoor pursuits

143

00:07:41,110 --> 00:07:38,900

with a mother group of people and they

144

00:07:42,730 --> 00:07:41,120

just broke off Sarah roster and saphir

145

00:07:47,880 --> 00:07:42,740

and went into a different part of the

146

00:07:53,860 --> 00:07:50,140

something that were about five thoughts

147

00:07:56,980 --> 00:07:53,870

of mist like a cloud is that path on a

148

00:07:59,020 --> 00:07:56,990

sunny day she what it was strangest

149

00:08:01,900 --> 00:07:59,030

thing I don't know said strangest thing

150

00:08:02,320 --> 00:08:01,910

she's ever seen but she said it was

151
00:08:05,710 --> 00:08:02,330
Julie

152
00:08:07,330 --> 00:08:05,720
it was a cloud she said and so I got my

153
00:08:09,400 --> 00:08:07,340
phone there's dog pulling on his lead

154
00:08:10,590 --> 00:08:09,410
then I got my phone to take the

155
00:08:13,350 --> 00:08:10,600
photograph and he just

156
00:08:14,460 --> 00:08:13,360
there now I'm not saying that's because

157
00:08:17,100 --> 00:08:14,470
of me

158
00:08:18,900 --> 00:08:17,110
but I think you've I think you've got me

159
00:08:21,870 --> 00:08:18,910
switched on to these things I don't

160
00:08:23,670 --> 00:08:21,880
believe that seeing is believing about I

161
00:08:27,720 --> 00:08:23,680
think that believing is seen and the

162
00:08:34,170 --> 00:08:27,730
more the more you want to tune into this

163
00:08:36,540 --> 00:08:34,180

kind of thing be UFOs spirits whatever

164

00:08:39,659 --> 00:08:36,550

because I think ultimately start linked

165

00:08:42,409 --> 00:08:39,669

the more you will stay because he just

166

00:08:45,630 --> 00:08:42,419

seems to have been a a lifetime of

167

00:08:49,530 --> 00:08:45,640

strange occurrences for me and I believe

168

00:08:52,890 --> 00:08:49,540

me I do not create a strange occurrence

169

00:08:54,330 --> 00:08:52,900

to make a good story that's just not

170

00:08:56,610 --> 00:08:54,340

what I've ever done but these things

171

00:08:59,730 --> 00:08:56,620

I've been surrounding it since its

172

00:09:03,810 --> 00:08:59,740

childhood you know you're very much like

173

00:09:06,420 --> 00:09:03,820

us in that we believe when you step back

174

00:09:09,710 --> 00:09:06,430

and you look at the bigger picture all

175

00:09:11,730 --> 00:09:09,720

these different categories of the

176

00:09:15,870 --> 00:09:11,740

unknown unexplained they're all

177

00:09:18,800 --> 00:09:15,880

intertwined and connected and uh yeah

178

00:09:21,180 --> 00:09:18,810

you're absolutely right on that right I

179

00:09:23,280 --> 00:09:21,190

think when it comes to the paranormal I

180

00:09:26,130 --> 00:09:23,290

think tenants have more things have more

181

00:09:30,270 --> 00:09:26,140

tendency to find us as much as we go

182

00:09:33,090 --> 00:09:30,280

looking for them that's very true you

183

00:09:35,070 --> 00:09:33,100

know I'm in other similar stories with

184

00:09:36,450 --> 00:09:35,080

I've looked into what's called the

185

00:09:38,870 --> 00:09:36,460

accounts where I've called them the

186

00:09:40,050 --> 00:09:38,880

accounts of the flick stick werewolf um

187

00:09:41,400 --> 00:09:40,060

yep

188

00:09:43,350 --> 00:09:41,410

please listeners I don't want I don't

189

00:09:45,870 --> 00:09:43,360

want people to believe that I think

190

00:09:47,310 --> 00:09:45,880

there's something that transforms from

191

00:09:50,040 --> 00:09:47,320

man to beast and he's running around

192

00:09:55,290 --> 00:09:50,050

woodland with cutoff pants in a ripped

193

00:09:58,620 --> 00:09:55,300

shirt you know because that's the images

194

00:10:01,830 --> 00:09:58,630

it conjured up started writing truth

195

00:10:03,120 --> 00:10:01,840

profile this story had been around of it

196

00:10:06,110 --> 00:10:03,130

well it's been around for a thousand

197

00:10:09,630 --> 00:10:06,120

years it's probably the oldest document

198

00:10:11,820 --> 00:10:09,640

werewolf accounts in England I don't say

199

00:10:14,910 --> 00:10:11,830

the world because a beeline I don't know

200

00:10:18,120 --> 00:10:14,920

but it goes back to 937 and when I first

201
00:10:19,950 --> 00:10:18,130
started looking into these stories first

202
00:10:22,350 --> 00:10:19,960
of all it was part of looking into the

203
00:10:24,180 --> 00:10:22,360
big cats and the the alien big caps to

204
00:10:29,340 --> 00:10:24,190
the UK when I'd say alien

205
00:10:36,060 --> 00:10:33,020
sorry more like an invasive species

206
00:10:38,640 --> 00:10:36,070
obviously we don't am big cats here to

207
00:10:40,860 --> 00:10:38,650
the UK but occasionally for some reason

208
00:10:43,410 --> 00:10:40,870
you'll get a cluster of reports in a

209
00:10:45,720 --> 00:10:43,420
concentrated area probably for one to

210
00:10:47,340 --> 00:10:45,730
two weeks and then it just drops off the

211
00:10:49,740 --> 00:10:47,350
map and you will you won't hear about

212
00:10:52,350 --> 00:10:49,750
these cats again for years now if

213
00:10:53,940 --> 00:10:52,360

they've moved area are not jumped from

214

00:10:56,940 --> 00:10:53,950

the werewolf temporarily but if they

215

00:10:59,400 --> 00:10:56,950

jumped moved area then let's show up in

216

00:11:02,390 --> 00:10:59,410

another location but they're not doing

217

00:11:05,670 --> 00:11:02,400

but you you're not you're not seeing

218

00:11:06,540 --> 00:11:05,680

cactuses of animals in field you know

219

00:11:09,420 --> 00:11:06,550

easy praise

220

00:11:11,880 --> 00:11:09,430

she's sheep and and other animals

221

00:11:14,910 --> 00:11:11,890

they're not taking these animals so and

222

00:11:16,500 --> 00:11:14,920

I'm kind of thinking that like I've

223

00:11:19,200 --> 00:11:16,510

written all the way through proof that

224

00:11:22,590 --> 00:11:19,210

location is key these creatures these

225

00:11:24,840 --> 00:11:22,600

animals the cats that don't belong the

226

00:11:28,980 --> 00:11:24,850

the the flicks the wells that are crop

227

00:11:32,130 --> 00:11:28,990

up in the same area constantly as well

228

00:11:34,710 --> 00:11:32,140

as the other unexplained phenomena in

229

00:11:37,140 --> 00:11:34,720

UFO sightings in these areas you've got

230

00:11:39,120 --> 00:11:37,150

the missing M and I say men because

231

00:11:42,030 --> 00:11:39,130

might mostly men that's vanished around

232

00:11:44,610 --> 00:11:42,040

Benton now I realize I've jumped from

233

00:11:47,160 --> 00:11:44,620

the flicks damn werewolf so I've just

234

00:11:50,730 --> 00:11:47,170

touch on that for a while for a moment

235

00:11:54,270 --> 00:11:50,740

oh yeah oh look it into the cat's Alice

236

00:11:56,250 --> 00:11:54,280

story came up at flicks turn and I found

237

00:11:59,040 --> 00:11:56,260

out that a refuge had been built ninth

238

00:12:01,050 --> 00:11:59,050

at he said to protect travelers from an

239

00:12:03,900 --> 00:12:01,060

infestation of savage beasts

240

00:12:05,940 --> 00:12:03,910

it says least they'd be devoured now we

241

00:12:08,310 --> 00:12:05,950

have to understand that in act 37 wolf

242

00:12:10,980 --> 00:12:08,320

wolves would have been prevalent in the

243

00:12:13,500 --> 00:12:10,990

UK but there's all sorts of strange

244

00:12:16,130 --> 00:12:13,510

things attached to the storage the early

245

00:12:19,740 --> 00:12:16,140

stories thing that these these bulbs are

246

00:12:22,230 --> 00:12:19,750

Wolf's preferred the blood of the victim

247

00:12:24,450 --> 00:12:22,240

to the meat and just just strange little

248

00:12:26,810 --> 00:12:24,460

things I mean inflicts in itself the the

249

00:12:29,340 --> 00:12:26,820

actual village is a tiny village

250

00:12:30,750 --> 00:12:29,350

there's Flixster none Falk then and

251
00:12:32,940 --> 00:12:30,760
there so close if you put them together

252
00:12:34,829 --> 00:12:32,950
it would still be a small village but

253
00:12:38,240 --> 00:12:34,839
fixed me in ancient times used to be

254
00:12:40,800 --> 00:12:38,250
called woodland and then if you go

255
00:12:43,550 --> 00:12:40,810
two miles out two clicks there's another

256
00:12:45,960 --> 00:12:43,560
village called Poonam be hund man be

257
00:12:48,720 --> 00:12:45,970
farmstead of the hand man is what it

258
00:12:51,840 --> 00:12:48,730
means now does this mean there's a

259
00:12:54,060 --> 00:12:51,850
werewolf no but you've got all these

260
00:12:58,170 --> 00:12:54,070
connotations to the dog you we've got a

261
00:13:01,199 --> 00:12:58,180
burial mount old wolf out and I've got

262
00:13:03,840 --> 00:13:01,209
people reporting this in present and I

263
00:13:07,319 --> 00:13:03,850

think the last report I had of it was in

264

00:13:10,440 --> 00:13:07,329

2015 when a famine [h__h] them we're

265

00:13:13,920 --> 00:13:10,450

talking about male outer Flixster claims

266

00:13:16,740 --> 00:13:13,930

that the the this blush grassland around

267

00:13:20,310 --> 00:13:16,750

his fact called the scars any listeners

268

00:13:23,130 --> 00:13:20,320

want the typing flexed instead you would

269

00:13:26,639 --> 00:13:23,140

find that it's the oldest archaeological

270

00:13:30,240 --> 00:13:26,649

site probably in the world but

271

00:13:31,530 --> 00:13:30,250

definitely in the UK it goes back 11,000

272

00:13:34,110 --> 00:13:31,540

years where they found these fabulous

273

00:13:37,019 --> 00:13:34,120

Fanning's it used to be a lake called

274

00:13:40,230 --> 00:13:37,029

Lake flix to 11,000 years ago and this

275

00:13:42,380 --> 00:13:40,240

farmer trade claims that his horses were

276

00:13:44,939 --> 00:13:42,390

all rallying around in a paddock and

277

00:13:47,069 --> 00:13:44,949

agitated and upset and when he went to

278

00:13:50,340 --> 00:13:47,079

look Walter the matter he said there was

279

00:13:54,990 --> 00:13:50,350

a man covered in hair with the dog's

280

00:13:56,610 --> 00:13:55,000

head running along the Fixodent cats he

281

00:13:58,949 --> 00:13:56,620

said at one point this is a day like

282

00:14:01,710 --> 00:13:58,959

circuiting it stopped and crouched down

283

00:14:02,970 --> 00:14:01,720

I don't know why he doesn't stopped in

284

00:14:06,120 --> 00:14:02,980

the middle of the fields I mean though

285

00:14:08,910 --> 00:14:06,130

the spread for probably half a mile in

286

00:14:11,009 --> 00:14:08,920

the basin of this was a lake flexed and

287

00:14:12,930 --> 00:14:11,019

then they carried on go he kept on going

288

00:14:14,699 --> 00:14:12,940

up into the woods and then he fat

289

00:14:16,860 --> 00:14:14,709

interesting little settings that with

290

00:14:19,800 --> 00:14:16,870

the woods that he ran into there are

291

00:14:22,740 --> 00:14:19,810

burial mounds there the very least he's

292

00:14:25,110 --> 00:14:22,750

caught spell how spell how he's one of

293

00:14:29,699 --> 00:14:25,120

the burial mounds and a ghost witties

294

00:14:32,490 --> 00:14:29,709

elf Wow and then further on in at flicks

295

00:14:34,350 --> 00:14:32,500

turd stack are up on top of the Flixter

296

00:14:37,380 --> 00:14:34,360

stack stone wall there's another series

297

00:14:40,170 --> 00:14:37,390

of burial mounds called how they stood a

298

00:14:43,370 --> 00:14:40,180

barrel Cemetery and the seven there and

299

00:14:46,110 --> 00:14:43,380

in I think it was 1948

300

00:14:47,880 --> 00:14:46,120

two boys one of them's now deceased that

301

00:14:50,189 --> 00:14:47,890

he's an old man the one that's alive now

302

00:14:52,069 --> 00:14:50,199

this is the same man who told we'd never

303

00:14:55,979 --> 00:14:52,079

heard the story and it took ages

304

00:14:58,169 --> 00:14:55,989

but I want coaxing it out of him he just

305

00:14:59,599 --> 00:14:58,179

kept speaking to me as a patron every as

306

00:15:01,889 --> 00:14:59,609

I was really searching in the village

307

00:15:03,569 --> 00:15:01,899

one day what you realize I found out

308

00:15:05,460 --> 00:15:03,579

quite a lot he told me to seen this

309

00:15:07,739 --> 00:15:05,470

thing as a small bike or as a young boy

310

00:15:10,619 --> 00:15:07,749

should we say when they were out playing

311

00:15:12,749 --> 00:15:10,629

or / out the burial mounds and he claims

312

00:15:15,239 --> 00:15:12,759

that it was squatted down against a tree

313

00:15:19,039 --> 00:15:15,249

looking at something in it hands

314

00:15:22,049 --> 00:15:19,049

he didn't say paws he said lan my friend

315

00:15:25,619 --> 00:15:22,059

we stopped and we stood looking at this

316

00:15:27,239 --> 00:15:25,629

thing we just came upon it exerting we

317

00:15:29,460 --> 00:15:27,249

were absolutely petrified and this

318

00:15:31,229 --> 00:15:29,470

whatever it was just lifted his head

319

00:15:32,879 --> 00:15:31,239

looked up what you're doing ran out of

320

00:15:42,719 --> 00:15:32,889

space on my phone so I'm deleting some

321

00:15:44,639 --> 00:15:42,729

stuff by singing dog stop at metro pcs

322

00:15:46,829 --> 00:15:44,649

you get two free phones with twice as

323

00:15:48,960 --> 00:15:46,839

much memory okay don't say bye to your

324

00:15:51,389 --> 00:15:48,970

memories switch to MetroPCS and get two

325

00:15:53,249 --> 00:15:51,399

free LG kik 20-plus phones with 32 gigs

326

00:15:55,439 --> 00:15:53,259

when you switch to lines metro pcs

327

00:15:56,789 --> 00:15:55,449

Wireless figured out 10 available in

328

00:15:57,989 --> 00:15:56,799

some areas sales tax on occluded phone

329

00:15:59,159 --> 00:15:57,999

price excludes numbers on the t-mobile

330

00:16:01,829 --> 00:15:59,169

network seized or freaky chosen terms

331

00:16:04,829 --> 00:16:01,839

and conditions and he said we ran and we

332

00:16:07,559 --> 00:16:04,839

ran until we got oh well this don't

333

00:16:09,299 --> 00:16:07,569

sound like a predator because not a

334

00:16:11,609 --> 00:16:09,309

predator in the sense that we perceive a

335

00:16:14,369 --> 00:16:11,619

predator cuz the something with a dog's

336

00:16:16,109 --> 00:16:14,379

head biped covered in hair you would

337

00:16:17,999 --> 00:16:16,119

think it would be an apex predator in

338

00:16:20,999 --> 00:16:18,009

the you okay well this thing never did

339

00:16:23,579 --> 00:16:21,009

anything and these is this this guy's

340

00:16:25,109 --> 00:16:23,589

old now he told me that his father knew

341

00:16:26,999 --> 00:16:25,119

about the flick stonewalls this

342

00:16:30,029 --> 00:16:27,009

grandfather he said he went back

343

00:16:31,799 --> 00:16:30,039

generations he said but he could only

344

00:16:33,899 --> 00:16:31,809

think of five people in the village of

345

00:16:36,179 --> 00:16:33,909

Flixster now that would tell hobbled or

346

00:16:38,549 --> 00:16:36,189

tell you any stories unless they'd seen

347

00:16:40,469 --> 00:16:38,559

it themselves is it in his words he said

348

00:16:42,029 --> 00:16:40,479

if you have not been here 50 years you

349

00:16:44,369 --> 00:16:42,039

know we don't even class you as a local

350

00:16:45,960 --> 00:16:44,379

so you know that's just touched on the

351
00:16:47,929 --> 00:16:45,970
flick stand werewolf kept you know me

352
00:16:49,649 --> 00:16:47,939
know if you want to go anywhere else

353
00:16:51,599 --> 00:16:49,659
you know what's interesting about that

354
00:16:55,109 --> 00:16:51,609
we're here in Wisconsin

355
00:16:59,369 --> 00:16:55,119
of course we have like dog man you know

356
00:17:03,029 --> 00:16:59,379
and one of the correlations is the

357
00:17:05,430 --> 00:17:03,039
connection between some of these dog man

358
00:17:08,420 --> 00:17:05,440
or you know

359
00:17:12,000 --> 00:17:08,430
deep in dog sightings and burial marks

360
00:17:15,140 --> 00:17:12,010
yeah yeah I totally agree they're the

361
00:17:18,150 --> 00:17:15,150
burial mounds seem to seem to be key and

362
00:17:21,840 --> 00:17:18,160
and I've spoke to a Native American

363
00:17:24,690 --> 00:17:21,850

Indians who in depth of told me that

364

00:17:26,790 --> 00:17:24,700

they think I've done deliberately sort

365

00:17:30,690 --> 00:17:26,800

them out that sorry my dogs coughing

366

00:17:32,430 --> 00:17:30,700

there has it depth that told me that

367

00:17:34,620 --> 00:17:32,440

they believe that the what we call the

368

00:17:36,390 --> 00:17:34,630

flick stone werewolf is a skinwalker and

369

00:17:38,340 --> 00:17:36,400

an interesting thing that they said was

370

00:17:42,960 --> 00:17:38,350

this is a creature that could live

371

00:17:47,280 --> 00:17:42,970

between worlds and it they believe that

372

00:17:50,180 --> 00:17:47,290

he that he adds the ability to actually

373

00:17:55,170 --> 00:17:50,190

come into our sphere of existence and

374

00:17:56,910 --> 00:17:55,180

function and go through whatever kind of

375

00:17:59,670 --> 00:17:56,920

things it wants to do and then go back

376

00:18:01,740 --> 00:17:59,680

into it he's old it's own realm of

377

00:18:03,990 --> 00:18:01,750

existence and I'm wondering if these

378

00:18:05,780 --> 00:18:04,000

pockets these sort of unique areas

379

00:18:09,090 --> 00:18:05,790

around the world

380

00:18:11,280 --> 00:18:09,100

for instance been tipped seams seams but

381

00:18:13,950 --> 00:18:11,290

far not good good is the wrong word

382

00:18:17,160 --> 00:18:13,960

seems to produce these accounts of the

383

00:18:21,450 --> 00:18:17,170

missing men and the stranger vanishing

384

00:18:26,430 --> 00:18:21,460

and I think that the location is key and

385

00:18:29,340 --> 00:18:26,440

the burial mounds um I'm not sure if if

386

00:18:32,910 --> 00:18:29,350

it's almost like the the ancient gods

387

00:18:34,800 --> 00:18:32,920

like Anubis and the may and God is it X

388

00:18:37,320 --> 00:18:34,810

all that what they were guardians of the

389

00:18:40,230 --> 00:18:37,330

underworld and you know the sort of the

390

00:18:41,970 --> 00:18:40,240

Dark Gods and if we if you wanted to

391

00:18:45,510 --> 00:18:41,980

stay late with that for a moment I've

392

00:18:49,170 --> 00:18:45,520

got the most unusual story from from a

393

00:18:51,480 --> 00:18:49,180

location quite close to here just about

394

00:18:53,940 --> 00:18:51,490

six miles away but it's a recent one and

395

00:18:56,360 --> 00:18:53,950

I've never heard one like it where this

396

00:18:59,070 --> 00:18:56,370

guy tells me that well it was in his 30s

397

00:19:01,440 --> 00:18:59,080

he's in his 30s now and he was he needs

398

00:19:03,510 --> 00:19:01,450

20s when this happened and what he says

399

00:19:05,040 --> 00:19:03,520

is yeah than that attack and he's

400

00:19:08,220 --> 00:19:05,050

documented and he did have a heart

401
00:19:09,810 --> 00:19:08,230
attack now he never told that the body

402
00:19:12,540 --> 00:19:09,820
why he believes he had their heart

403
00:19:16,680 --> 00:19:12,550
attack it was quite unexpected

404
00:19:18,600 --> 00:19:16,690
as in no history of our problems is is

405
00:19:19,860 --> 00:19:18,610
actually but not

406
00:19:21,870 --> 00:19:19,870
expecting him to have another heart

407
00:19:24,419 --> 00:19:21,880
attack but just quite out of the blue

408
00:19:27,240 --> 00:19:24,429
but this guy did have one and he claims

409
00:19:31,350 --> 00:19:27,250
he's told me that it was in his bedroom

410
00:19:36,030 --> 00:19:31,360
of all places one night when he woke up

411
00:19:38,570 --> 00:19:36,040
in the night and he saw two he said what

412
00:19:41,850 --> 00:19:38,580
he described as looking like Anubis

413
00:19:44,490 --> 00:19:41,860

walking through his room he said in one

414

00:19:47,340 --> 00:19:44,500

of these creatures what straight through

415

00:19:49,380 --> 00:19:47,350

the wall he said literally and I'm

416

00:19:50,789 --> 00:19:49,390

assuming that he's upstairs I haven't

417

00:19:52,380 --> 00:19:50,799

actually asked that antonin think it was

418

00:19:53,669 --> 00:19:52,390

a bungalow but this creature walked

419

00:19:55,710 --> 00:19:53,679

straight through the wall

420

00:19:58,470 --> 00:19:55,720

now listeners we cannot I can only

421

00:20:00,690 --> 00:19:58,480

deliver you what I'm told but this guy

422

00:20:03,419 --> 00:20:00,700

did have a heart attack he has kept this

423

00:20:04,890 --> 00:20:03,429

close to himself and this is what we

424

00:20:07,500 --> 00:20:04,900

believes gave him the heart attack he

425

00:20:10,650 --> 00:20:07,510

said the second one turned and looked at

426

00:20:13,140 --> 00:20:10,660

him he said he could see that he had

427

00:20:15,510 --> 00:20:13,150

seen that they've been a connection it

428

00:20:18,060 --> 00:20:15,520

had seen him and he walked towards it

429

00:20:21,030 --> 00:20:18,070

was he lay in his bed and put his hand

430

00:20:23,190 --> 00:20:21,040

in his chest and he said he had a heart

431

00:20:25,890 --> 00:20:23,200

attack now we're not talking put his

432

00:20:27,720 --> 00:20:25,900

hand in his chest and cut him open just

433

00:20:30,330 --> 00:20:27,730

imagine you in your hand in through the

434

00:20:32,850 --> 00:20:30,340

air now that's what happened

435

00:20:34,919 --> 00:20:32,860

he claims this thing's hand went to his

436

00:20:36,960 --> 00:20:34,929

chest and he had a heart attack now

437

00:20:39,180 --> 00:20:36,970

that's just a short snippet of an

438

00:20:41,580 --> 00:20:39,190

unusual story one like I've never heard

439

00:20:44,549 --> 00:20:41,590

before I've heard the stories of the dog

440

00:20:46,289 --> 00:20:44,559

men we've got a culling Kielty a great

441

00:20:49,289 --> 00:20:46,299

guy your cables a friend of mine who

442

00:20:51,090 --> 00:20:49,299

investigates the dog man I think we just

443

00:20:53,669 --> 00:20:51,100

that just plays on words to be honest I

444

00:20:55,380 --> 00:20:53,679

mean dog meant werewolf whatever we want

445

00:20:57,720 --> 00:20:55,390

to term I think ultimately we're dealing

446

00:20:59,280 --> 00:20:57,730

probably with the same thing I know

447

00:21:02,100 --> 00:20:59,290

there's a lot of people they live that

448

00:21:04,169 --> 00:21:02,110

their flesh and blood and I'm not gonna

449

00:21:08,310 --> 00:21:04,179

ragged with anybody's bill each system

450

00:21:11,070 --> 00:21:08,320

providing the respect mine the angle

451
00:21:12,780 --> 00:21:11,080
I'll look at that is that's from is that

452
00:21:15,120 --> 00:21:12,790
if it's flesh and blood here in the UK

453
00:21:16,970 --> 00:21:15,130
we simply don't have the areas of

454
00:21:20,150 --> 00:21:16,980
woodland to sustain such a creature

455
00:21:23,520 --> 00:21:20,160
we're not seeing the decimation of

456
00:21:27,299 --> 00:21:23,530
livestock occasional we get a deer

457
00:21:29,430 --> 00:21:27,309
killed unusual circumstances of other

458
00:21:32,250 --> 00:21:29,440
deer up in trees which suggests to me

459
00:21:34,410 --> 00:21:32,260
that isn't the work of big cats

460
00:21:37,530 --> 00:21:34,420
the ants are addictive to this country

461
00:21:40,410 --> 00:21:37,540
but I personally do not believe these

462
00:21:43,290 --> 00:21:40,420
accounts of werewolves and dog McNichol

463
00:21:45,570 --> 00:21:43,300

for want of a better work a living

464

00:21:47,550 --> 00:21:45,580

breathing flesh-and-blood creatures you

465

00:21:51,000 --> 00:21:47,560

when you get your hunters out it with

466

00:21:53,460 --> 00:21:51,010

with respect in the USA telling you that

467

00:21:57,420 --> 00:21:53,470

they shot this thing with a 30-hour six

468

00:21:58,830 --> 00:21:57,430

center mass and he had no effect it kind

469

00:22:01,380 --> 00:21:58,840

of tells you that we're not dealing with

470

00:22:06,900 --> 00:22:01,390

something that's quite normal I don't

471

00:22:12,780 --> 00:22:06,910

know what you guys think well I think

472

00:22:15,420 --> 00:22:12,790

that uh I think that would be with a lot

473

00:22:16,890 --> 00:22:15,430

of these reports that there is some of

474

00:22:18,420 --> 00:22:16,900

these cryptids may have powers or

475

00:22:21,780 --> 00:22:18,430

abilities that humans simply don't

476

00:22:26,550 --> 00:22:21,790

possess I also believe that this stuff

477

00:22:30,060 --> 00:22:26,560

may be correlated possibly there's many

478

00:22:32,970 --> 00:22:30,070

possibilities yeah the comes into the

479

00:22:36,330 --> 00:22:32,980

stink you know I mean what came first

480

00:22:40,110 --> 00:22:36,340

was if you think about it what was it

481

00:22:42,170 --> 00:22:40,120

the was it the satanic cults and the the

482

00:22:44,550 --> 00:22:42,180

sort of would call it devil worship

483

00:22:48,060 --> 00:22:44,560

whatever words you want to use for it or

484

00:22:50,790 --> 00:22:48,070

what they attracted to the I highly

485

00:22:53,580 --> 00:22:50,800

charged energies within that area

486

00:22:56,610 --> 00:22:53,590

because I know it Benton we have an army

487

00:22:58,560 --> 00:22:56,620

of complex RAF enter which closed

488

00:23:02,760 --> 00:22:58,570

he said the fit is that it closed in

489

00:23:06,840 --> 00:23:02,770

1968 but he did he closed in 1972 and we

490

00:23:08,460 --> 00:23:06,850

came to Benton lumber in 1940 meat was

491

00:23:11,280 --> 00:23:08,470

used in that time as an experimental

492

00:23:15,210 --> 00:23:11,290

radius radar station for quite a long

493

00:23:18,900 --> 00:23:15,220

time but after it closed because mobster

494

00:23:22,530 --> 00:23:18,910

this is underground it's his type one

495

00:23:25,740 --> 00:23:22,540

wrote with ten-foot walk thick walls of

496

00:23:27,750 --> 00:23:25,750

twelve books its ceiling so it designed

497

00:23:30,150 --> 00:23:27,760

to take the impact of a near-miss

498

00:23:33,030 --> 00:23:30,160

nuclear blast or thousand pounds before

499

00:23:35,340 --> 00:23:33,040

bombs but after it closed

500

00:23:39,260 --> 00:23:35,350

it was left open unattended and it was

501
00:23:42,300 --> 00:23:39,270
used from mid-1970s to mid-1990s

502
00:23:44,940 --> 00:23:42,310
intermittently by a satanic cult and

503
00:23:45,960 --> 00:23:44,950
this is the same area where people have

504
00:23:49,019 --> 00:23:45,970
gone missing

505
00:23:51,450 --> 00:23:49,029
I'm not attributing these cult to the

506
00:23:53,430 --> 00:23:51,460
people going missing but I think they

507
00:23:57,509 --> 00:23:53,440
were attracted to this area because of

508
00:24:00,119 --> 00:23:57,519
the the high strangeness and the unusual

509
00:24:03,720 --> 00:24:00,129
things that has asked him to be able to

510
00:24:05,700 --> 00:24:03,730
manifest from this area I mean anybody

511
00:24:08,249 --> 00:24:05,710
wants to gonna I keep sort of

512
00:24:11,029 --> 00:24:08,259
referencing Google or search engine just

513
00:24:14,279 --> 00:24:11,039

type in RAF Bentham you will will find

514

00:24:16,710 --> 00:24:14,289

lots of information about this I mean

515

00:24:18,029 --> 00:24:16,720

the walls are so beneath the bunker I

516

00:24:20,129 --> 00:24:18,039

mean it's like a lot of years since I

517

00:24:23,730 --> 00:24:20,139

went in it because he's sealed now or

518

00:24:26,549 --> 00:24:23,740

festooned afterwards with graffiti it's

519

00:24:28,470 --> 00:24:26,559

very explicit satanic graffiti which I

520

00:24:29,639 --> 00:24:28,480

don't think the cult ever did though

521

00:24:33,060 --> 00:24:29,649

they were often they would lead the

522

00:24:37,070 --> 00:24:33,070

calling curve or was it real the cult

523

00:24:38,820 --> 00:24:37,080

yes triumph this is the this this

524

00:24:42,450 --> 00:24:38,830

information has been the most difficult

525

00:24:43,950 --> 00:24:42,460

even harder than collecting UFO accounts

526

00:24:46,680 --> 00:24:43,960

and accounts of the flick stone where

527

00:24:49,980 --> 00:24:46,690

both the people around the area do not

528

00:24:52,769 --> 00:24:49,990

want to talk about this cult were some

529

00:24:55,169 --> 00:24:52,779

of the people around Benton involved in

530

00:24:57,419 --> 00:24:55,179

this yes I believe they were Burr and I

531

00:24:59,730 --> 00:24:57,429

think is the reason I'm really

532

00:25:02,009 --> 00:24:59,740

struggling well that said I have had

533

00:25:04,740 --> 00:25:02,019

people come to me and tell me that in

534

00:25:07,799 --> 00:25:04,750

their youth they've gone down to the

535

00:25:10,889 --> 00:25:07,809

bunker and family dogs crucified to

536

00:25:13,710 --> 00:25:10,899

crupp's us down below and huge turtles

537

00:25:17,129 --> 00:25:13,720

as there's 904 passages below this this

538

00:25:20,430 --> 00:25:17,139

bunker huge circles of red candles all

539

00:25:23,009 --> 00:25:20,440

melted down and they found ropes not

540

00:25:27,210 --> 00:25:23,019

just pillow cases with all's cut out

541

00:25:30,690 --> 00:25:27,220

that well made stitched eyelets and no

542

00:25:33,299 --> 00:25:30,700

proper nose cone type robes with mouth

543

00:25:35,340 --> 00:25:33,309

opals it within the bunker so it was

544

00:25:37,999 --> 00:25:35,350

actively used for some kind of

545

00:25:40,799 --> 00:25:38,009

ritualistic purpose between the

546

00:25:44,129 --> 00:25:40,809

intermittently from the mid 70s to the

547

00:25:46,950 --> 00:25:44,139

mid nineties and I think that these

548

00:25:49,159 --> 00:25:46,960

people knew the importance of the lap

549

00:25:54,269 --> 00:25:49,169

and if these people because it is a

550

00:25:57,269 --> 00:25:54,279

taboo highly secret kind of society if

551

00:25:59,610 --> 00:25:57,279

you like and and if if they've got

552

00:26:04,740 --> 00:25:59,620

contacts elsewhere they know that

553

00:26:07,740 --> 00:26:04,750

all the places where the the the area

554

00:26:11,760 --> 00:26:07,750

itself was capable of enhancing whatever

555

00:26:13,080 --> 00:26:11,770

it was that they were working with if

556

00:26:17,010 --> 00:26:13,090

that makes sense

557

00:26:20,460 --> 00:26:17,020

I don't think Benton is one such place I

558

00:26:22,470 --> 00:26:20,470

mean I started looking in I started

559

00:26:27,270 --> 00:26:22,480

looking into missing people at them too

560

00:26:30,570 --> 00:26:27,280

and people just literally vanish okay

561

00:26:33,750 --> 00:26:30,580

we've got cliffs that span from 200 to

562

00:26:36,380 --> 00:26:33,760

400 feet in a three-mile stretch that

563

00:26:39,450 --> 00:26:36,390

look straight out to the Nazi

564

00:26:41,400 --> 00:26:39,460

well-pleased people believe me anybody

565

00:26:44,850 --> 00:26:41,410

who's committed suicide in these areas I

566

00:26:47,549 --> 00:26:44,860

have not worked on not I have not looked

567

00:26:48,720 --> 00:26:47,559

on in any great detail if of a case

568

00:26:51,180 --> 00:26:48,730

where there's been a history of

569

00:26:52,950 --> 00:26:51,190

depression or somewhat left it notes

570

00:26:55,799 --> 00:26:52,960

I've never included them in any of my

571

00:26:57,510 --> 00:26:55,809

research I can't rule out that some of

572

00:27:00,750 --> 00:26:57,520

these people may have committed to

573

00:27:02,940 --> 00:27:00,760

assert however that it just strikes me

574

00:27:05,070 --> 00:27:02,950

as highly unlikely you know I called

575

00:27:08,700 --> 00:27:05,080

John deke you know practice tear up a

576
00:27:11,040 --> 00:27:08,710
regular Walker walking stick sandwiches

577
00:27:13,169 --> 00:27:11,050
for the day looking forward to being a

578
00:27:16,770 --> 00:27:13,179
grand up for the first time excellent

579
00:27:19,049 --> 00:27:16,780
job no problems with life on that his

580
00:27:23,250 --> 00:27:19,059
family could perceived and he packed up

581
00:27:25,110 --> 00:27:23,260
they need November 2004 lefty for some

582
00:27:27,630 --> 00:27:25,120
reason his count sandwiches and stick a

583
00:27:29,900 --> 00:27:27,640
left in care he paid a full day's ticket

584
00:27:34,380 --> 00:27:29,910
parking there's never been singing since

585
00:27:36,840 --> 00:27:34,390
you know there's a young guy 2010 18

586
00:27:42,000 --> 00:27:36,850
years old decided he was gonna go to

587
00:27:43,650 --> 00:27:42,010
Benton the last known whereabouts but

588
00:27:45,600 --> 00:27:43,660

his family thought he would be would be

589

00:27:48,060 --> 00:27:45,610

Benton because when they looked at his

590

00:27:51,030 --> 00:27:48,070

computer had been looking at images

591

00:27:53,460 --> 00:27:51,040

below the bunker of area Hampton

592

00:27:56,760 --> 00:27:53,470

and he took an interest in the bunker

593

00:27:59,419 --> 00:27:56,770

that had been singing since its 2010 you

594

00:28:02,270 --> 00:27:59,429

know March the 2nd 2010 impact is Carol

595

00:28:05,070 --> 00:28:02,280

paid for a full day's parking and

596

00:28:07,620 --> 00:28:05,080

decided to go up on the clifftops to the

597

00:28:09,450 --> 00:28:07,630

Bentson bunker but that's the last

598

00:28:12,460 --> 00:28:09,460

anyone's ever seen of this poor young

599

00:28:15,730 --> 00:28:12,470

man you know I mean 7

600

00:28:18,790 --> 00:28:15,740

six one seven days later fifteen annual

601
00:28:22,210 --> 00:28:18,800
old man regular Walker his cow was found

602
00:28:24,250 --> 00:28:22,220
at the same place the RSPB nature

603
00:28:26,110 --> 00:28:24,260
reserve which is probably porch of a

604
00:28:29,530 --> 00:28:26,120
mile from the bunker there's nothing

605
00:28:31,840 --> 00:28:29,540
there about that from a brick building

606
00:28:33,100 --> 00:28:31,850
where visitors can go and to grab a

607
00:28:35,740 --> 00:28:33,110
coffee and that they go to the cliff

608
00:28:37,660 --> 00:28:35,750
edge if look at the gaps and the razor

609
00:28:40,210 --> 00:28:37,670
that was you know all the seabirds but

610
00:28:42,820 --> 00:28:40,220
Julie after four o'clock ease these is

611
00:28:46,000 --> 00:28:42,830
absolutely desolate and this guy David

612
00:28:47,650 --> 00:28:46,010
pins on September the 9th 2010 just

613
00:28:50,710 --> 00:28:47,660

parked his car up did the same thing

614

00:28:56,650 --> 00:28:50,720

paid for a day's parking never been seen

615

00:28:59,620 --> 00:28:56,660

again and it goes on and you know we've

616

00:29:04,180 --> 00:28:59,630

got we've got sort of I think not a

617

00:29:05,830 --> 00:29:04,190

nineteen note sorry 2014 another chapter

618

00:29:07,360 --> 00:29:05,840

I mean I'm jumping between people here

619

00:29:09,430 --> 00:29:07,370

that there are more but if I read all

620

00:29:10,240 --> 00:29:09,440

these out be I want don't mean all that

621

00:29:13,660 --> 00:29:10,250

for hours

622

00:29:16,960 --> 00:29:13,670

a guy called Simon Hodgson well-known

623

00:29:18,940 --> 00:29:16,970

but within his family a VW camper and he

624

00:29:21,730 --> 00:29:18,950

was to go to various locations and just

625

00:29:24,910 --> 00:29:21,740

spend two or three days at each location

626

00:29:28,830 --> 00:29:24,920

just if that was his passion and that's

627

00:29:31,870 --> 00:29:28,840

what he liked to do Simon parked up

628

00:29:35,350 --> 00:29:31,880

December the 20th paid for a day's

629

00:29:36,850 --> 00:29:35,360

parking never been seen again so crazy

630

00:29:39,310 --> 00:29:36,860

if this has been termed either way all

631

00:29:41,680 --> 00:29:39,320

this is Bampton seven days later this

632

00:29:46,780 --> 00:29:41,690

160 miles away actually over the coast

633

00:29:48,130 --> 00:29:46,790

from Simon Hodgson's disappearance I

634

00:29:51,610 --> 00:29:48,140

just get this right now

635

00:29:54,160 --> 00:29:51,620

edward matching then once again I bet -

636

00:29:57,700 --> 00:29:54,170

I'm sorry listeners Edward Machin walked

637

00:30:00,490 --> 00:29:57,710

up cliff Lane to the Nature Reserve he

638

00:30:02,830 --> 00:30:00,500

the reason he was on foot was because he

639

00:30:05,530 --> 00:30:02,840

took it took the journey by train the

640

00:30:07,630 --> 00:30:05,540

CCTV one of the cottages I've spoke to

641

00:30:10,900 --> 00:30:07,640

the guy was the last player person to

642

00:30:12,520 --> 00:30:10,910

see this man walking up the lane he told

643

00:30:14,200 --> 00:30:12,530

his family were off for a day to the

644

00:30:16,840 --> 00:30:14,210

Nature Reserve to look at they see

645

00:30:19,510 --> 00:30:16,850

Burton and just enjoy the countryside

646

00:30:21,550 --> 00:30:19,520

he's never been seen again and then

647

00:30:24,330 --> 00:30:21,560

seven days later sixteen miles up the

648

00:30:26,230 --> 00:30:24,340

coast a guy took his tool spaniel dogs

649

00:30:29,020 --> 00:30:26,240

for the day with him to

650

00:30:31,360 --> 00:30:29,030

or phishing and Simon this guy was

651
00:30:31,720 --> 00:30:31,370
called Nigel Savage never been seen

652
00:30:34,570 --> 00:30:31,730
again

653
00:30:37,480 --> 00:30:34,580
I mean I've not gone into detail keeping

654
00:30:40,419 --> 00:30:37,490
with the men well they've had no history

655
00:30:42,340 --> 00:30:40,429
of suicide depression and when people

656
00:30:43,090 --> 00:30:42,350
sir to you you know because he seems a

657
00:30:46,630 --> 00:30:43,100
regular thing

658
00:30:49,780 --> 00:30:46,640
the first thing people say is well well

659
00:30:52,630 --> 00:30:49,790
people commit suicide attempts and I

660
00:30:54,340 --> 00:30:52,640
don't think that takes anymore a suicide

661
00:30:54,940 --> 00:30:54,350
spot than anywhere else him that you

662
00:30:58,240 --> 00:30:54,950
okay

663
00:30:58,960 --> 00:30:58,250

what does happen at Benton is if someone

664

00:31:01,330 --> 00:30:58,970

goes missing

665

00:31:02,950 --> 00:31:01,340

if someone's what's she doing ran out of

666

00:31:10,450 --> 00:31:02,960

space on my phone so I'm deleting some

667

00:31:13,180 --> 00:31:10,460

stuff by singing dog by going by morning

668

00:31:14,830 --> 00:31:13,190

ceremony stopped at metro pcs you get

669

00:31:16,930 --> 00:31:14,840

two free phones with twice as much

670

00:31:19,060 --> 00:31:16,940

memory okay don't say bye to your

671

00:31:21,490 --> 00:31:19,070

memories switch to MetroPCS and get two

672

00:31:23,470 --> 00:31:21,500

free lgk 20-plus phones with 32 gigs

673

00:31:25,210 --> 00:31:23,480

when you switch to lines let your pcs

674

00:31:26,440 --> 00:31:25,220

wireless figured out coverage not

675

00:31:27,760 --> 00:31:26,450

available in some areas sales tax on

676
00:31:28,900 --> 00:31:27,770
include a phone price excludes numbers

677
00:31:31,390 --> 00:31:28,910
on the t-mobile network C store forty

678
00:31:33,880 --> 00:31:31,400
chosen terms and conditions' vanishes

679
00:31:35,890 --> 00:31:33,890
from the cliff tops instead of stabbing

680
00:31:39,910 --> 00:31:35,900
the police looking for you you get the

681
00:31:42,549 --> 00:31:39,920
police the SE rescue you get Coast Guard

682
00:31:44,830 --> 00:31:42,559
you get all manner of people you get

683
00:31:47,260 --> 00:31:44,840
Fire Brigade looking in the bunker the

684
00:31:49,720 --> 00:31:47,270
you know the RF bunker so it becomes a

685
00:31:52,030 --> 00:31:49,730
news item more than it would if someone

686
00:31:53,770 --> 00:31:52,040
went missing just in town here well

687
00:31:57,660 --> 00:31:53,780
you'd only have the police searching for

688
00:32:00,310 --> 00:31:57,670

them so I'm not with that theory and

689

00:32:04,570 --> 00:32:00,320

these people don't seem to have had any

690

00:32:08,430 --> 00:32:04,580

any particular reason to go missing but

691

00:32:11,410 --> 00:32:08,440

also Kevin in this area there are

692

00:32:13,780 --> 00:32:11,420

aircraft that vanish just off the coast

693

00:32:16,630 --> 00:32:13,790

in between ten and twenty five miles off

694

00:32:19,120 --> 00:32:16,640

Lumpur and Benton I mean a lot of times

695

00:32:21,190 --> 00:32:19,130

the aircraft are found or they crash in

696

00:32:22,930 --> 00:32:21,200

strange circumstances I mean they don't

697

00:32:26,350 --> 00:32:22,940

know if you want to talk touch on any of

698

00:32:29,080 --> 00:32:26,360

that in your next part of the show yes

699

00:32:31,330 --> 00:32:29,090

actually we are going to take our first

700

00:32:34,720 --> 00:32:31,340

commercial break you are listening to

701
00:32:37,860 --> 00:32:34,730

with ultimate conspiracies which is

728

00:33:51,610 --> 00:33:47,420

pretty much self-explanatory if you have

729

00:33:53,950 --> 00:33:51,620

any questions for s go to iron capcom go

730

00:33:55,660 --> 00:33:53,960

to our ally iron chat room where you can

731

00:33:58,960 --> 00:33:55,670

post questions and make comments very

732

00:34:02,680 --> 00:33:58,970

well pass those along next week we will

733

00:34:04,540 --> 00:34:02,690

have oncologists Derek Tyler and Deborah

734

00:34:08,880 --> 00:34:04,550

Jane East's and we will talk about their

735

00:34:11,320 --> 00:34:08,890

book alien contact the difficult truth

736

00:34:14,230 --> 00:34:11,330

and we have so much to talk about with

737

00:34:16,060 --> 00:34:14,240

you all just a bunch of stuff that we're

738

00:34:19,090 --> 00:34:16,070

talking off air and we have questions

739

00:34:25,060 --> 00:34:19,100

coming from chat anyone you want to

740

00:34:28,120 --> 00:34:25,070

start Paul well so why don't we start

741

00:34:29,710 --> 00:34:28,130

with one of the questions yeah okay

742

00:34:32,080 --> 00:34:29,720

we'll start with the clea we have a

743

00:34:33,669 --> 00:34:32,090

couple of questions to ask and very

744

00:34:36,430 --> 00:34:33,679

quickly I want to say a quick shout out

745

00:34:39,460 --> 00:34:36,440

to everybody in chat who shows up every

746

00:34:42,399 --> 00:34:39,470

Friday and we thank you for taking your

747

00:34:44,500 --> 00:34:42,409

time to come and and hang out with us

748

00:34:48,220 --> 00:34:44,510

and hear what we have to say on what our

749

00:34:49,930 --> 00:34:48,230

guests have to say ok so the first

750

00:34:52,930 --> 00:34:49,940

question for you

751
00:34:55,539 --> 00:34:52,940
based on your experiences what is your

752
00:34:59,289 --> 00:34:55,549
general theory of reality as it exists

753
00:35:00,490 --> 00:34:59,299
on planet earth what is going on in very

754
00:35:02,920 --> 00:35:00,500
broad strokes

755
00:35:05,319 --> 00:35:02,930
the view from six miles up so to speak

756
00:35:07,900 --> 00:35:05,329
have you developed a sort of general

757
00:35:11,559 --> 00:35:07,910
unified theory of the world from the

758
00:35:15,970 --> 00:35:11,569
paranormal perspective wow that's quite

759
00:35:18,880 --> 00:35:15,980
a questions in a word I don't think I

760
00:35:22,329 --> 00:35:18,890
know what's going on I'm I'm sorry to

761
00:35:24,839 --> 00:35:22,339
sound so dumb when I say that I don't I

762
00:35:28,150 --> 00:35:24,849
think people will believe that they do

763
00:35:30,549 --> 00:35:28,160

probably wrong because whatever wherever

764

00:35:33,339 --> 00:35:30,559

we see whatever seems to be interacting

765

00:35:37,480 --> 00:35:33,349

with us it seems to be able to turn on a

766

00:35:40,210 --> 00:35:37,490

sixpence and throw up another another

767

00:35:42,279 --> 00:35:40,220

quirky kind of belief system

768

00:35:44,140 --> 00:35:42,289

I don't believe everything's ultimately

769

00:35:46,299 --> 00:35:44,150

connected and when you say from six

770

00:35:48,579 --> 00:35:46,309

miles up what I think whatever is

771

00:35:50,410 --> 00:35:48,589

happening although we would probably out

772

00:35:52,059 --> 00:35:50,420

getting visited but when you look up in

773

00:35:54,910 --> 00:35:52,069

there up in the sky you see all those

774

00:35:56,319 --> 00:35:54,920

stars we we can't believe that we are

775

00:35:57,940 --> 00:35:56,329

ultimately the only thing of

776

00:36:00,339 --> 00:35:57,950

intelligence if you can call us

777

00:36:05,289 --> 00:36:00,349

intelligent but I believe everything

778

00:36:07,480 --> 00:36:05,299

that's happening around the world in a

779

00:36:09,700 --> 00:36:07,490

crazy kind of way sort of UFO was

780

00:36:12,700 --> 00:36:09,710

paranormal related it's already here

781

00:36:15,809 --> 00:36:12,710

it's not traveling from space I believe

782

00:36:18,700 --> 00:36:15,819

it's more of an interdimensional type

783

00:36:21,460 --> 00:36:18,710

existence have been if I'm on radio 1

784

00:36:23,950 --> 00:36:21,470

and video tools at the just the turn of

785

00:36:26,440 --> 00:36:23,960

the dial I think that is probably where

786

00:36:29,650 --> 00:36:26,450

we are with this is it coming from other

787

00:36:31,089 --> 00:36:29,660

planets yeah it could be and but most

788

00:36:33,510 --> 00:36:31,099

what's to say that these other

789

00:36:35,529 --> 00:36:33,520

existences haven't developed

790

00:36:38,349 --> 00:36:35,539

technologies where they don't have to

791

00:36:41,230 --> 00:36:38,359

fly because they can they can it's just

792

00:36:43,779 --> 00:36:41,240

a turn of a dial and they're there I

793

00:36:46,450 --> 00:36:43,789

don't I haven't really got an answer for

794

00:36:47,799 --> 00:36:46,460

this because I don't think any of us out

795

00:36:49,059 --> 00:36:47,809

I mean the may be that there may be some

796

00:36:50,769 --> 00:36:49,069

people that perceive it I mean I've

797

00:36:53,799 --> 00:36:50,779

spoken to people here in the UK that

798

00:36:56,589 --> 00:36:53,809

talk about different types of aliens and

799

00:36:58,990 --> 00:36:56,599

they talk about different planets and

800

00:37:00,880 --> 00:36:59,000

I'm not in a position to say you're

801
00:37:03,170 --> 00:37:00,890
right or you're wrong I simply don't

802
00:37:05,630 --> 00:37:03,180
know I'll all I know is natural

803
00:37:08,090 --> 00:37:05,640
the things that I've interacted with me

804
00:37:09,530 --> 00:37:08,100
well I don't know well I don't even know

805
00:37:11,360 --> 00:37:09,540
that I've gone even a fraction into

806
00:37:14,420 --> 00:37:11,370
answering that great question

807
00:37:16,850 --> 00:37:14,430
sorry if I haven't I

808
00:37:19,280 --> 00:37:16,860
I think that's a good answer it is I

809
00:37:21,410 --> 00:37:19,290
mean yes spot-on I mean that's why we're

810
00:37:23,030 --> 00:37:21,420
in this yo world searching for answers

811
00:37:24,710 --> 00:37:23,040
and the more you learn the more

812
00:37:27,380 --> 00:37:24,720
questions you have so it's a

813
00:37:29,050 --> 00:37:27,390

never-ending cycle of not playing what's

814

00:37:32,830 --> 00:37:29,060

up

815

00:37:36,380 --> 00:37:32,840

and speaking of questions we have more

816

00:37:39,790 --> 00:37:36,390

so your next question could it be that

817

00:37:42,410 --> 00:37:39,800

these are a intergalactic and/or

818

00:37:45,260 --> 00:37:42,420

interdimensional beings that are coming

819

00:37:48,290 --> 00:37:45,270

into our physical realm and could it be

820

00:37:51,050 --> 00:37:48,300

these travelers have anything to do with

821

00:37:55,040 --> 00:37:51,060

the disturbing attacks we have seen all

822

00:37:57,680 --> 00:37:55,050

over our world could it be that the

823

00:38:00,110 --> 00:37:57,690

dimensional beings another good question

824

00:38:02,240 --> 00:38:00,120

yet I think they are yeah that is

825

00:38:04,670 --> 00:38:02,250

exactly what I think they are and that

826

00:38:07,160 --> 00:38:04,680

and attacks all over the world I mean I

827

00:38:10,010 --> 00:38:07,170

take you that you're touching on the

828

00:38:12,680 --> 00:38:10,020

terrorist type attacks I couldn't

829

00:38:14,600 --> 00:38:12,690

possibly say I mean it's possible that

830

00:38:16,220 --> 00:38:14,610

these dark influences because nothing

831

00:38:18,200 --> 00:38:16,230

seems to be good or if I just

832

00:38:20,060 --> 00:38:18,210

concentrated on them - I won't go there

833

00:38:22,820 --> 00:38:20,070

I'll stay with the question does not

834

00:38:24,710 --> 00:38:22,830

seem to be much good coming out of this

835

00:38:28,430 --> 00:38:24,720

area the things that seem to be

836

00:38:31,070 --> 00:38:28,440

happening the the the stories I'm told

837

00:38:34,540 --> 00:38:31,080

they're not good so if these will call

838

00:38:37,850 --> 00:38:34,550

them interdimensional beings ah

839

00:38:39,350 --> 00:38:37,860

infiltrating a sphere of existence and

840

00:38:42,860 --> 00:38:39,360

we're not seeing of things just in this

841

00:38:45,200 --> 00:38:42,870

small locality the possibility that

842

00:38:47,360 --> 00:38:45,210

they're influencing other things around

843

00:38:49,340 --> 00:38:47,370

the world but I suppose there's a

844

00:38:52,480 --> 00:38:49,350

possibility I don't want to link them to

845

00:38:55,190 --> 00:38:52,490

terrorism I don't want to link them to

846

00:38:58,190 --> 00:38:55,200

so anything in particular but I would

847

00:39:03,110 --> 00:38:58,200

not rule it out that the the - that's

848

00:39:05,930 --> 00:39:03,120

the the the the unsavory aspect of this

849

00:39:09,920 --> 00:39:05,940

subject shall we say will be influencing

850

00:39:13,870 --> 00:39:09,930

other things yes all right so our next

851
00:39:17,100 --> 00:39:13,880
question the hexagram had stones a

852
00:39:19,770 --> 00:39:17,110
researcher saw a wolf or dog

853
00:39:22,620 --> 00:39:19,780
and after having these stones in her

854
00:39:26,640 --> 00:39:22,630
house could this be related to all of

855
00:39:28,350 --> 00:39:26,650
these others yeah see where she's coming

856
00:39:30,270 --> 00:39:28,360
from with that I didn't know what she

857
00:39:30,810 --> 00:39:30,280
the questions sort of filled me for a

858
00:39:33,360 --> 00:39:30,820
moment

859
00:39:35,010 --> 00:39:33,370
yeah but do you think that cause that

860
00:39:36,750 --> 00:39:35,020
could come to what I was speaking about

861
00:39:38,700 --> 00:39:36,760
earlier when I said I don't think it's

862
00:39:39,240 --> 00:39:38,710
seeding is believing it's believing is

863
00:39:42,660 --> 00:39:39,250

seeing

864

00:39:44,700 --> 00:39:42,670

and these stones I wonder I wonder if it

865

00:39:47,880 --> 00:39:44,710

put us in the zone and pause it were in

866

00:39:55,280 --> 00:39:47,890

a in a mindset where we're able to tube

867

00:40:00,710 --> 00:39:55,290

in so this kind of thing I think so yeah

868

00:40:09,270 --> 00:40:06,120

okay so the next question we have what

869

00:40:12,810 --> 00:40:09,280

is the strangest incident you have come

870

00:40:16,680 --> 00:40:12,820

across the most disturbing and the most

871

00:40:18,000 --> 00:40:16,690

sublime okay good question this I mean

872

00:40:19,320 --> 00:40:18,010

you'll have to stop me because this

873

00:40:20,670 --> 00:40:19,330

would last a while this was the

874

00:40:24,500 --> 00:40:20,680

strangest things I've ever come across

875

00:40:28,020 --> 00:40:24,510

that what has been my not alive and

876

00:40:31,500 --> 00:40:28,030

waking up with all Zima I arms and all

877

00:40:33,330 --> 00:40:31,510

was in the back not little pinpricks not

878

00:40:37,470 --> 00:40:33,340

even cigarette burns I'm talking about

879

00:40:38,940 --> 00:40:37,480

holes going to bed and watching looking

880

00:40:40,890 --> 00:40:38,950

at the landing well laid on a mattress

881

00:40:43,290 --> 00:40:40,900

when I first started restoring this

882

00:40:45,510 --> 00:40:43,300

house 25 years ago and laid on a

883

00:40:46,950 --> 00:40:45,520

mattress at the top of the house with my

884

00:40:48,540 --> 00:40:46,960

oldest daughter at the other side of

885

00:40:50,820 --> 00:40:48,550

MCUs which was to come up and work up

886

00:40:51,660 --> 00:40:50,830

this house until we could have a table

887

00:40:54,030 --> 00:40:51,670

to the living

888

00:40:55,920 --> 00:40:54,040

just a great big old Victorian house and

889

00:40:57,900 --> 00:40:55,930

looking at the spindles on the mahogany

890

00:41:01,110 --> 00:40:57,910

staircase and telling myself I painted

891

00:41:02,550 --> 00:41:01,120

of white not and not being asleep and

892

00:41:05,460 --> 00:41:02,560

then looking at my daughter and she is

893

00:41:07,620 --> 00:41:05,470

asleep so I know I'm wide awake watching

894

00:41:09,960 --> 00:41:07,630

the spindles go so why they look like

895

00:41:12,060 --> 00:41:09,970

fluorescent tubes and then watching the

896

00:41:15,030 --> 00:41:12,070

fluorescent tubes just go bang into a

897

00:41:18,720 --> 00:41:15,040

blast of white light then waking up with

898

00:41:20,790 --> 00:41:18,730

all's it near arts that's kinda the some

899

00:41:23,790 --> 00:41:20,800

of the most bizarre things that that

900

00:41:25,740 --> 00:41:23,800

have happened to me or and I mean we

901
00:41:28,350 --> 00:41:25,750
just told you that quirky little story

902
00:41:30,000 --> 00:41:28,360
about the guy with the Anubis and what

903
00:41:31,400 --> 00:41:30,010
he claims these are these are incredible

904
00:41:34,170 --> 00:41:31,410
stories book

905
00:41:36,390 --> 00:41:34,180
I've seen and experienced some strange

906
00:41:39,030 --> 00:41:36,400
things looking into the missing men a

907
00:41:41,610 --> 00:41:39,040
guy stopped me and my wife on the street

908
00:41:45,030 --> 00:41:41,620
and was telling me that I was bringing

909
00:41:47,370 --> 00:41:45,040
down the light I mean literally it was

910
00:41:51,720 --> 00:41:47,380
waiting for us it got his shirt off on a

911
00:41:53,220 --> 00:41:51,730
cold day crazy cold day and he is a long

912
00:41:54,690 --> 00:41:53,230
story and I don't know whether we need

913
00:41:57,180 --> 00:41:54,700

to go there but you were the questions

914

00:42:00,150 --> 00:41:57,190

book this guy's shouting I'm bringing

915

00:42:01,350 --> 00:42:00,160

down the light and I didn't know what he

916

00:42:03,360 --> 00:42:01,360

was on about I thought we would talk

917

00:42:04,650 --> 00:42:03,370

about the sunlight I thought was a cold

918

00:42:07,320 --> 00:42:04,660

day but it's quite a Sunni and I

919

00:42:08,580 --> 00:42:07,330

wouldn't enjoy the Sun and we went did a

920

00:42:10,530 --> 00:42:08,590

bit of shopping we went to have a phone

921

00:42:12,210 --> 00:42:10,540

unlocked to be honest with you and on

922

00:42:13,890 --> 00:42:12,220

the way back round twenty minutes later

923

00:42:16,530 --> 00:42:13,900

these guys at the other side of the road

924

00:42:18,960 --> 00:42:16,540

sat on a wall with a wraparound jumper

925

00:42:22,110 --> 00:42:18,970

on sorry a very tag fitting Brown jump

926

00:42:24,090 --> 00:42:22,120

on and wraparound sunglasses and he's in

927

00:42:25,410 --> 00:42:24,100

texture if I'd have had time to disco

928

00:42:28,530 --> 00:42:25,420

through this story what it looked like

929

00:42:30,420 --> 00:42:28,540

it looked like an action man there was

930

00:42:32,670 --> 00:42:30,430

no vascularity to his body there was no

931

00:42:35,970 --> 00:42:32,680

veins to be seen yet there was defined

932

00:42:38,790 --> 00:42:35,980

pectorals and abdominals and his skin

933

00:42:42,390 --> 00:42:38,800

looked like spam it was plaster stealing

934

00:42:44,850 --> 00:42:42,400

so strange and and as I approach with my

935

00:42:45,780 --> 00:42:44,860

wife and I'm not I don't shy away from

936

00:42:47,040 --> 00:42:45,790

conflict

937

00:42:49,800 --> 00:42:47,050

I don't be looking for it but I don't

938

00:42:51,090 --> 00:42:49,810

shy away from it and as I approach with

939

00:42:53,460 --> 00:42:51,100

my what I could got his back to us I

940

00:42:55,830 --> 00:42:53,470

said to Mary I said oh my god that guy's

941

00:42:58,320 --> 00:42:55,840

there all kept shouting us and he turned

942

00:43:00,390 --> 00:42:58,330

around before I thought even got to him

943

00:43:02,370 --> 00:43:00,400

and it was you know what you're doing

944

00:43:05,220 --> 00:43:02,380

you're bringing down the light you have

945

00:43:07,080 --> 00:43:05,230

to stop and for some reason I couldn't

946

00:43:08,970 --> 00:43:07,090

get away from it you're a little bit

947

00:43:12,870 --> 00:43:08,980

taller than me I'm not tall one in five

948

00:43:17,190 --> 00:43:12,880

foot six we'll say five eight and it

949

00:43:19,170 --> 00:43:17,200

stood there's a three of us and he kept

950

00:43:20,790 --> 00:43:19,180

repeating and bringing down the light

951
00:43:23,580 --> 00:43:20,800
and you were talking about other things

952
00:43:26,550 --> 00:43:23,590
and as I'm answering him God knows why I

953
00:43:29,340 --> 00:43:26,560
didn't go the way is it's turning

954
00:43:31,020 --> 00:43:29,350
everything I say into inside out into

955
00:43:33,560 --> 00:43:31,030
riddles I just couldn't beat him

956
00:43:35,970 --> 00:43:33,570
forwards and it was a horrible

957
00:43:38,130 --> 00:43:35,980
uncomfortable situation and I couldn't

958
00:43:39,630 --> 00:43:38,140
see his eye he's now trying gauge how

959
00:43:43,230 --> 00:43:39,640
old he was but I couldn't tell because

960
00:43:44,790 --> 00:43:43,240
he'd got ball spamming [h__\h] spam

961
00:43:46,710 --> 00:43:44,800
coloured skin

962
00:43:49,200 --> 00:43:46,720
weird and at what point you've reached

963
00:43:51,270 --> 00:43:49,210

out and touch Mary on the shoulder and

964

00:43:52,770 --> 00:43:51,280

they were sort of a little one-second

965

00:43:55,170 --> 00:43:52,780

understanding that if I grab your hand

966

00:43:57,180 --> 00:43:55,180

me and you're in conflict I don't know

967

00:44:00,990 --> 00:43:57,190

what it was and but it went I'm not

968

00:44:02,490 --> 00:44:01,000

talking to her I'm talking to you you

969

00:44:05,160 --> 00:44:02,500

don't have to stop bringing down the

970

00:44:06,510 --> 00:44:05,170

light now I didn't know what it meant

971

00:44:08,040 --> 00:44:06,520

and we walked away

972

00:44:10,470 --> 00:44:08,050

oh I said he would he said he lived in

973

00:44:13,200 --> 00:44:10,480

ricky'll because I did ask him and he

974

00:44:14,190 --> 00:44:13,210

done a pushbike that was packed at the

975

00:44:16,680 --> 00:44:14,200

other side of the road

976

00:44:18,360 --> 00:44:16,690

my wife commented afterwards I never saw

977

00:44:20,910 --> 00:44:18,370

the back because I'd got my back to it

978

00:44:23,550 --> 00:44:20,920

that bike had no brakes he didn't ever

979

00:44:26,730 --> 00:44:23,560

on the side of the angle but we didn't

980

00:44:28,350 --> 00:44:26,740

know where wrinkle was or earlier this

981

00:44:32,490 --> 00:44:28,360

evening when we spoke about the missing

982

00:44:35,520 --> 00:44:32,500

men Simon Hodgson vanished on the 20th

983

00:44:37,380 --> 00:44:35,530

December 2014 so it gives you an idea of

984

00:44:39,000 --> 00:44:37,390

the time of year when this guy talked to

985

00:44:40,650 --> 00:44:39,010

me because he spoke to me before Simon

986

00:44:44,070 --> 00:44:40,660

Hodgson vanished

987

00:44:45,810 --> 00:44:44,080

Simon looks from rickel now Simon wasn't

988

00:44:48,390 --> 00:44:45,820

this man because I've seen pictures of

989

00:44:50,880 --> 00:44:48,400

sad poster but I couldn't get over the

990

00:44:52,770 --> 00:44:50,890

connection that this stranger this kept

991

00:44:54,840 --> 00:44:52,780

saying bringing down the light told me

992

00:44:57,420 --> 00:44:54,850

lived a trickle which is a small village

993

00:45:01,620 --> 00:44:57,430

50 miles away and then my wife said it's

994

00:45:03,380 --> 00:45:01,630

the backup not didn't have brakes now my

995

00:45:06,750 --> 00:45:03,390

wife believes that this man was an alien

996

00:45:08,390 --> 00:45:06,760

that was exact words for Mary to say

997

00:45:10,710 --> 00:45:08,400

something like that is unusual because

998

00:45:12,630 --> 00:45:10,720

you won't find her immersed in this

999

00:45:14,940 --> 00:45:12,640

subject like I am and he threatened her

1000

00:45:16,920 --> 00:45:14,950

and the guy at the barbershop over the

1001
00:45:18,480 --> 00:45:16,930
road came out the day later and told us

1002
00:45:20,550 --> 00:45:18,490
that they'd be observing and he was

1003
00:45:22,470 --> 00:45:20,560
waiting for us this is because soon as

1004
00:45:24,690 --> 00:45:22,480
we came into our home which had be

1005
00:45:26,400 --> 00:45:24,700
probably on billiards away it looked

1006
00:45:28,830 --> 00:45:26,410
took the street watched his walking down

1007
00:45:30,870 --> 00:45:28,840
and started shouting what that was all

1008
00:45:33,600 --> 00:45:30,880
about I don't know

1009
00:45:36,390 --> 00:45:33,610
but strange experiences I think my life

1010
00:45:39,750 --> 00:45:36,400
has been filled with these kind of

1011
00:45:43,760 --> 00:45:39,760
strange experiences sorry for laboring

1012
00:45:47,340 --> 00:45:43,770
on that question no that's that's

1013
00:45:51,210 --> 00:45:47,350

excellent we caught up with questions

1014

00:45:53,900 --> 00:45:51,220

pretty much except for one there's been

1015

00:45:57,360 --> 00:45:53,910

a few questions and comments regarding

1016

00:45:58,530 --> 00:45:57,370

as she talked with David flighty missing

1017

00:46:03,330 --> 00:45:58,540

author or

1018

00:46:07,650 --> 00:46:03,340

one or missing for 130 but ladies what

1019

00:46:08,910 --> 00:46:07,660

did you say I talked with him yes now

1020

00:46:10,590 --> 00:46:08,920

was the question they had wondered they

1021

00:46:11,970 --> 00:46:10,600

were wondering because of the

1022

00:46:15,330 --> 00:46:11,980

correlation between the missing people

1023

00:46:18,720 --> 00:46:15,340

you look into and the fact that David

1024

00:46:20,820 --> 00:46:18,730

ladies also looks into missing person

1025

00:46:22,650 --> 00:46:20,830

yeah they were wondering if you've got

1026

00:46:25,650 --> 00:46:22,660

if you guys have ever talked because

1027

00:46:28,200 --> 00:46:25,660

they think I should compare notes well

1028

00:46:32,190 --> 00:46:28,210

on Facebook I did join it the missing

1029

00:46:33,270 --> 00:46:32,200

fall on one page and I placed a I've got

1030

00:46:38,240 --> 00:46:33,280

it in front of me funnily enough I

1031

00:46:41,400 --> 00:46:38,250

placed a scan of a newspaper copy from

1032

00:46:44,070 --> 00:46:41,410

1992 well actually January at the 7th

1033

00:46:46,590 --> 00:46:44,080

1993 the top of a man called Raymond

1034

00:46:49,020 --> 00:46:46,600

Johnson or went missing in action could

1035

00:46:50,400 --> 00:46:49,030

strange circumstances off Pemberton Lane

1036

00:46:51,660 --> 00:46:50,410

here in Bridlington

1037

00:46:55,260 --> 00:46:51,670

I just thought it would be interesting

1038

00:46:57,870 --> 00:46:55,270

for people and I placed it on page so 10

1039

00:46:59,700 --> 00:46:57,880

in the evening of left if then I never

1040

00:47:02,640 --> 00:46:59,710

thought no more about it and when I come

1041

00:47:04,110 --> 00:47:02,650

to bet that PC was still on I'll get to

1042

00:47:06,000 --> 00:47:04,120

the story if you want in a second

1043

00:47:08,340 --> 00:47:06,010

and what happened was I did got a

1044

00:47:10,110 --> 00:47:08,350

message from David and a little bit

1045

00:47:12,840 --> 00:47:10,120

midnight and my wife had gone to bed and

1046

00:47:15,210 --> 00:47:12,850

I didn't have the information at all

1047

00:47:16,620 --> 00:47:15,220

I've done must scan the document and I

1048

00:47:17,850 --> 00:47:16,630

didn't have all the information to hand

1049

00:47:20,400 --> 00:47:17,860

and I was just about to pull the piece

1050

00:47:24,390 --> 00:47:20,410

shut the PC down and he wanted to know

1051

00:47:26,550 --> 00:47:24,400

some information so I tried off the top

1052

00:47:27,810 --> 00:47:26,560

of my head my burning mind my wife had

1053

00:47:29,880 --> 00:47:27,820

just gone to bed to give him this

1054

00:47:32,640 --> 00:47:29,890

information and assassin waited for 20

1055

00:47:34,980 --> 00:47:32,650

minutes I'm sorry this isn't to sound

1056

00:47:36,300 --> 00:47:34,990

disrespectful to anybody if he does but

1057

00:47:38,010 --> 00:47:36,310

I've just got the cell you know it's a

1058

00:47:40,320 --> 00:47:38,020

satin waited for 20 minutes and I got a

1059

00:47:42,180 --> 00:47:40,330

reply saying I don't even know but

1060

00:47:43,940 --> 00:47:42,190

replied probably two or three words and

1061

00:47:47,970 --> 00:47:43,950

I tried to answer that and he got late

1062

00:47:49,860 --> 00:47:47,980

it got into early hours and I couldn't I

1063

00:47:52,020 --> 00:47:49,870

couldn't answer the the information

1064

00:47:53,460 --> 00:47:52,030

because I'm sat in the darkness and all

1065

00:47:56,760 --> 00:47:53,470

my paperwork's in other room and it's

1066

00:47:59,070 --> 00:47:56,770

not daytime for me and I think David

1067

00:48:02,340 --> 00:47:59,080

said I'll forget it I'll put I'll get

1068

00:48:04,680 --> 00:48:02,350

somebody onto it words to that effect

1069

00:48:06,330 --> 00:48:04,690

and that's the only and that's the only

1070

00:48:09,450 --> 00:48:06,340

dealings of that with with David I mean

1071

00:48:11,310 --> 00:48:09,460

I'm sure he's a great guy and say this I

1072

00:48:12,860 --> 00:48:11,320

admire his work when I also admire

1073

00:48:17,100 --> 00:48:12,870

Steffie always work

1074

00:48:20,010 --> 00:48:17,110

immensely and I just briefly mentioned

1075

00:48:22,410 --> 00:48:20,020

Derek and Derek and Deborah Derek Tyler

1076

00:48:24,180 --> 00:48:22,420

yeah

1077

00:48:25,680 --> 00:48:24,190

your guess next week Ellen contact the

1078

00:48:27,690 --> 00:48:25,690

difficult truth I've read the book it's

1079

00:48:29,280 --> 00:48:27,700

absolutely fabulous

1080

00:48:31,770 --> 00:48:29,290

you know I've just like to give day

1081

00:48:33,390 --> 00:48:31,780

there it could a big thumbs up but I

1082

00:48:34,740 --> 00:48:33,400

couldn't stay on this case of Raymond

1083

00:48:39,030 --> 00:48:34,750

Johnson for a while unless you've got

1084

00:48:41,340 --> 00:48:39,040

more questions we have questions all

1085

00:48:42,930 --> 00:48:41,350

right with the questions that you

1086

00:48:47,520 --> 00:48:42,940

believe it's possible that what roles

1087

00:48:48,030 --> 00:48:47,530

may exist and some level yes most

1088

00:48:50,780 --> 00:48:48,040

definitely

1089

00:48:53,310 --> 00:48:50,790

I'm also gonna play on words these just

1090

00:48:57,540 --> 00:48:53,320

locations I don't know where the portals

1091

00:49:00,330 --> 00:48:57,550

move or whether a good feeling is that

1092

00:49:02,520 --> 00:49:00,340

if you can call it a portal these areas

1093

00:49:04,860 --> 00:49:02,530

and I know I've said this before already

1094

00:49:07,560 --> 00:49:04,870

thing I exist and that's why they're

1095

00:49:09,270 --> 00:49:07,570

throwing up these these anomalies so if

1096

00:49:12,180 --> 00:49:09,280

you want to call them portals then

1097

00:49:13,650 --> 00:49:12,190

bottles is an excellent word because I

1098

00:49:15,450 --> 00:49:13,660

don't know I can't give another word

1099

00:49:17,460 --> 00:49:15,460

two-column are just you know we're just

1100

00:49:19,170 --> 00:49:17,470

these areas are just capable of

1101

00:49:21,630 --> 00:49:19,180

producing these events of high

1102

00:49:24,300 --> 00:49:21,640

strangeness and I just happened to be

1103

00:49:26,010 --> 00:49:24,310

lucky or unlucky I don't know if I

1104

00:49:27,210 --> 00:49:26,020

banish I've been unlucky people and

1105

00:49:30,240 --> 00:49:27,220

you've got to talk about me at some

1106

00:49:33,240 --> 00:49:30,250

point lucky to be able to research in

1107

00:49:35,490 --> 00:49:33,250

this area or around Benton lumber East

1108

00:49:37,560 --> 00:49:35,500

York where we seem to have one such area

1109

00:49:39,900 --> 00:49:37,570

so to answer the question yeah I do

1110

00:49:42,180 --> 00:49:39,910

believe that if you wanna calm portals

1111

00:49:45,470 --> 00:49:42,190

yeah ability that they're very real and

1112

00:49:49,110 --> 00:49:45,480

this these anomalies exist

1113

00:49:50,850 --> 00:49:49,120

what about ley lines yeah definitely I

1114

00:49:54,390 --> 00:49:50,860

don't know I don't know the connection

1115

00:49:58,880 --> 00:49:54,400

is but the D field next to Harry F

1116

00:50:04,290 --> 00:50:01,710

six miles from here we've got the rude

1117

00:50:05,640 --> 00:50:04,300

rude stone monolith which is which is on

1118

00:50:08,370 --> 00:50:05,650

a little line and that's the lad you

1119

00:50:10,550 --> 00:50:08,380

stand in stone in for you a if you go

1120

00:50:13,140 --> 00:50:10,560

from the road stone monolith and run of

1121

00:50:16,200 --> 00:50:13,150

ruler through a map you will come to a

1122

00:50:18,300 --> 00:50:16,210

burial mound called Willie how now that

1123

00:50:21,630 --> 00:50:18,310

is probably the most famous burial mound

1124

00:50:23,880 --> 00:50:21,640

in the UK at Burton Fleming and that's

1125

00:50:26,550 --> 00:50:23,890

attributed to stories of elves and

1126

00:50:28,830 --> 00:50:26,560

fairies and and if you put it on

1127

00:50:31,470 --> 00:50:28,840

that map and run that line all the way

1128

00:50:33,960 --> 00:50:31,480

through that takes you directly to sharp

1129

00:50:36,030 --> 00:50:33,970

how where the Flixster werewolf story

1130

00:50:40,230 --> 00:50:36,040

comes from from with the thule guys the

1131

00:50:43,290 --> 00:50:40,240

two young boys in 1948 you know it's a

1132

00:50:45,240 --> 00:50:43,300

and strangely enough the RAF bases but

1133

00:50:49,050 --> 00:50:45,250

these at the side of the field called

1134

00:50:51,510 --> 00:50:49,060

the plays RAF stack stonewalled where

1135

00:50:53,970 --> 00:50:51,520

the flick stand werewolf stories come

1136

00:50:55,920 --> 00:50:53,980

from that's the oldest operational area

1137

00:50:57,450 --> 00:50:55,930

base in the world and it's still

1138

00:50:59,820 --> 00:50:57,460

operating and that's that stat stand

1139

00:51:01,920 --> 00:50:59,830

wall where you know I'm not saying that

1140

00:51:03,420 --> 00:51:01,930

there's a connection and the bases are

1141

00:51:05,310 --> 00:51:03,430

built around these areas of high

1142

00:51:08,160 --> 00:51:05,320

strangeness it could just be coincidence

1143

00:51:10,800 --> 00:51:08,170

but ya don't believe that ley lines and

1144

00:51:14,190 --> 00:51:10,810

highly charged land seemed to I know we

1145

00:51:16,890 --> 00:51:14,200

can't see this but they seem to they

1146

00:51:20,610 --> 00:51:16,900

seem to be prominent in these areas so

1147

00:51:22,200 --> 00:51:20,620

yeah absolutely brilliant I believe I

1148

00:51:28,400 --> 00:51:22,210

believe that I don't know why and I

1149

00:51:33,450 --> 00:51:28,410

don't know how do you study crop circles

1150

00:51:36,210 --> 00:51:33,460

no but I have seen one that I believe

1151
00:51:38,340 --> 00:51:36,220
was hundred percent genuine because one

1152
00:51:40,830 --> 00:51:38,350
of our daughters used to be engaged to a

1153
00:51:44,670 --> 00:51:40,840
guy I'll not say his name but they owned

1154
00:51:48,000 --> 00:51:44,680
a farm in Ralston and he's dad he's dead

1155
00:51:49,410 --> 00:51:48,010
what is this guy's father was was and

1156
00:51:51,750 --> 00:51:49,420
still is probably a very prominent man

1157
00:51:56,760 --> 00:51:51,760
as in a toast for the United Nations on

1158
00:51:59,850 --> 00:51:56,770
GM crops and things and he because of my

1159
00:52:01,950 --> 00:51:59,860
interest I got to see a crop circle that

1160
00:52:03,750 --> 00:52:01,960
no one else got to City providing I

1161
00:52:06,180 --> 00:52:03,760
didn't share it with people and didn't

1162
00:52:08,580 --> 00:52:06,190
get people all over the land making the

1163
00:52:11,130 --> 00:52:08,590

farmland a thoroughfare and it was

1164

00:52:12,840 --> 00:52:11,140

nothing he was 60 foot round circle in

1165

00:52:15,030 --> 00:52:12,850

out in the middle of nowhere that had

1166

00:52:17,610 --> 00:52:15,040

appeared overnight so I believe that

1167

00:52:20,430 --> 00:52:17,620

there is some reality to the crop circle

1168

00:52:22,620 --> 00:52:20,440

phenomenon if you've got two minutes I'd

1169

00:52:25,050 --> 00:52:22,630

love to tell you this story about Wilkes

1170

00:52:28,440 --> 00:52:25,060

Thorpe and a crop circle because I

1171

00:52:30,150 --> 00:52:28,450

believe it's interesting and what I'm

1172

00:52:32,750 --> 00:52:30,160

researching at most mark the case go

1173

00:52:37,050 --> 00:52:32,760

that they will stop UFO incident and

1174

00:52:39,210 --> 00:52:37,060

goes back to 2009 and during the

1175

00:52:40,020 --> 00:52:39,220

research have spoken to a bit farmer or

1176

00:52:42,750 --> 00:52:40,030

work all lives

1177

00:52:44,910 --> 00:52:42,760

at a farm in will stop and it's a very

1178

00:52:46,800 --> 00:52:44,920

small area will thought I don't want to

1179

00:52:48,150 --> 00:52:46,810

say name it and in case anybody contacts

1180

00:52:50,820 --> 00:52:48,160

him because it's took me ages to get

1181

00:52:52,860 --> 00:52:50,830

speaking anyway we touched on crop

1182

00:52:55,080 --> 00:52:52,870

circles and he pointed over to his field

1183

00:52:57,900 --> 00:52:55,090

and he said the crop circle appeared

1184

00:52:59,490 --> 00:52:57,910

there and this was quite interesting I

1185

00:53:01,170 --> 00:52:59,500

said he said he was in an old combine

1186

00:53:04,230 --> 00:53:01,180

with no air conditioning and it was the

1187

00:53:04,740 --> 00:53:04,240

sweltering hot day and he said in the

1188

00:53:07,290 --> 00:53:04,750

cab

1189

00:53:09,180 --> 00:53:07,300

he had a liver colored spaniel curled up

1190

00:53:10,800 --> 00:53:09,190

in the cabbie said me really Mobley said

1191

00:53:12,240 --> 00:53:10,810

book you know if they saw a wrapping to

1192

00:53:14,340 --> 00:53:12,250

hair and he wants an explosion act he

1193

00:53:16,650 --> 00:53:14,350

let the dog go he said what this crop

1194

00:53:18,570 --> 00:53:16,660

circle it appeared I said did you tell

1195

00:53:20,310 --> 00:53:18,580

anyone instead did I bloody early so I'm

1196

00:53:22,530 --> 00:53:20,320

not telling nobody does that I want

1197

00:53:24,180 --> 00:53:22,540

people on my lung now this isn't the old

1198

00:53:26,660 --> 00:53:24,190

calm behind he says he said well

1199

00:53:29,520 --> 00:53:26,670

somewhat strange happened said ok bond

1200

00:53:33,480 --> 00:53:29,530

he said one of the head of the combined

1201

00:53:36,420 --> 00:53:33,490

hit the crop circle the Spaniel dog sat

1202

00:53:39,780 --> 00:53:36,430

up bolt rat up right and started howling

1203

00:53:42,180 --> 00:53:39,790

all the way through the crop circle he

1204

00:53:44,790 --> 00:53:42,190

said it was a clap cold it was cold

1205

00:53:48,240 --> 00:53:44,800

inside the circle and this cap of the

1206

00:53:50,550 --> 00:53:48,250

the calm bangles absolutely boiling

1207

00:53:54,630 --> 00:53:50,560

before that point he said it took him

1208

00:53:56,670 --> 00:53:54,640

three sweeps of the field to get to

1209

00:53:58,800 --> 00:53:56,680

cover the crop circle he says it eat in

1210

00:54:02,250 --> 00:53:58,810

every time the head of the crop the

1211

00:54:03,420 --> 00:54:02,260

combine hit the crop circle the dog sat

1212

00:54:05,730 --> 00:54:03,430

up and hold

1213

00:54:07,710 --> 00:54:05,740

now that animal you not telling me that

1214

00:54:09,780 --> 00:54:07,720

that animal did not perceive something

1215

00:54:12,810 --> 00:54:09,790

highly unusual within the crop circle

1216

00:54:15,330 --> 00:54:12,820

and I'm not sure if people take an

1217

00:54:17,450 --> 00:54:15,340

animals into crop circles to gauge any

1218

00:54:20,880 --> 00:54:17,460

awareness before they must have done I

1219

00:54:23,820 --> 00:54:20,890

would think so I don't specifically

1220

00:54:25,650 --> 00:54:23,830

remember anything that comes to mind but

1221

00:54:28,350 --> 00:54:25,660

certainly won't be unheard of if you

1222

00:54:30,360 --> 00:54:28,360

think about it I mean animals sense more

1223

00:54:32,220 --> 00:54:30,370

than we do that's way more than we do

1224

00:54:33,540 --> 00:54:32,230

yeah I just thought that we're an

1225

00:54:36,510 --> 00:54:33,550

interesting story I mean I don't know

1226

00:54:39,000 --> 00:54:36,520

where the the listener wanted me to go

1227

00:54:40,710 --> 00:54:39,010

with the question on crop circles but I

1228

00:54:42,990 --> 00:54:40,720

do believe that some of them are real I

1229

00:54:45,360 --> 00:54:43,000

don't know what's creating them but it's

1230

00:54:46,740 --> 00:54:45,370

something outside of our visual

1231

00:54:49,770 --> 00:54:46,750

perception probably it's something

1232

00:54:51,480 --> 00:54:49,780

outside of our sphere our intelligence

1233

00:54:53,130 --> 00:54:51,490

or something that works and operates on

1234

00:54:55,710 --> 00:54:53,140

a level that we don't understand

1235

00:54:57,870 --> 00:54:55,720

because whatever it is is I lay it loose

1236

00:54:59,790 --> 00:54:57,880

it yeah

1237

00:55:01,680 --> 00:54:59,800

what convinced me was the physical

1238

00:55:05,190 --> 00:55:01,690

evidence of power yeah

1239

00:55:08,250 --> 00:55:05,200

Starks some of them popcorn yeah

1240

00:55:10,560 --> 00:55:08,260

they banned in certain spots yeah well

1241

00:55:12,060 --> 00:55:10,570

it's so interesting you know and I don't

1242

00:55:14,310 --> 00:55:12,070

know if any listeners Oh yourselves even

1243

00:55:17,850 --> 00:55:14,320

will remember the the oldest star Maria

1244

00:55:20,970 --> 00:55:17,860

in the UK or Patrick Moore he it was

1245

00:55:22,770 --> 00:55:20,980

very much against the the belief in UFOs

1246

00:55:26,100 --> 00:55:22,780

and things visiting from other planets

1247

00:55:28,530 --> 00:55:26,110

uh me me just old crushed the astronomer

1248

00:55:31,890 --> 00:55:28,540

renew his job he's passed away now but

1249

00:55:35,880 --> 00:55:31,900

he unwittingly wrote about crop circles

1250

00:55:38,940 --> 00:55:35,890

in 1963 unknowingly he wrote a fabulous

1251
00:55:43,200 --> 00:55:38,950
per paper and if I need any listeners

1252
00:55:45,480 --> 00:55:43,210
not to type in craters 1963 you will

1253
00:55:48,530 --> 00:55:45,490
find information related to craters that

1254
00:55:52,530 --> 00:55:48,540
appeared all around the UK in July of

1255
00:55:54,390 --> 00:55:52,540
1963 and of course I looked into sounds

1256
00:55:56,430 --> 00:55:54,400
looked him I didn't look into a crater I

1257
00:55:58,410 --> 00:55:56,440
looked into the research because a

1258
00:56:01,290 --> 00:55:58,420
greater appeared a flat bruh on one at

1259
00:56:03,810 --> 00:56:01,300
Benton in 1963 and the interesting thing

1260
00:56:06,870 --> 00:56:03,820
was Patrick Moore was brought in by the

1261
00:56:08,490 --> 00:56:06,880
army by the mo D but they were visited

1262
00:56:10,830 --> 00:56:08,500
every one of these craters that appeared

1263
00:56:13,950 --> 00:56:10,840

all over the UK Patrick Moore was

1264

00:56:16,410 --> 00:56:13,960

invited to dispel the myth of little

1265

00:56:20,430 --> 00:56:16,420

green men as it said at the turn but

1266

00:56:22,820 --> 00:56:20,440

inadvertently he wrote about circular

1267

00:56:26,420 --> 00:56:22,830

depressions that were appearing in crops

1268

00:56:30,420 --> 00:56:26,430

when the craters were appearing and and

1269

00:56:33,030 --> 00:56:30,430

the strange form the strange way that

1270

00:56:34,410 --> 00:56:33,040

the crop had bent and Patrick Moore

1271

00:56:36,480 --> 00:56:34,420

wrote about all this I don't really

1272

00:56:40,020 --> 00:56:36,490

think he realized what he was writing or

1273

00:56:42,060 --> 00:56:40,030

I mean back in 1963 I suppose we did

1274

00:56:43,500 --> 00:56:42,070

have crop circles a book as I said

1275

00:56:46,590 --> 00:56:43,510

Patrick mama writing about him

1276
00:56:48,360 --> 00:56:46,600
and these craters genuinely did appear

1277
00:56:50,790 --> 00:56:48,370
all over the UK and we didn't have the

1278
00:56:53,670 --> 00:56:50,800
media coverage what we've got today so

1279
00:56:56,850 --> 00:56:53,680
if some random group of people troubling

1280
00:56:59,190 --> 00:56:56,860
100 miles to 150 to 200 miles up the

1281
00:57:00,810 --> 00:56:59,200
country to created a creator

1282
00:57:02,970 --> 00:57:00,820
I've been coming back to Benton and

1283
00:57:06,480 --> 00:57:02,980
creating one the one appeared on a farm

1284
00:57:06,820 --> 00:57:06,490
called the hood far in Joe on July 17 19

1285
00:57:09,520 --> 00:57:06,830
6

1286
00:57:12,730 --> 00:57:09,530
in common hood to cook a word for his

1287
00:57:15,460 --> 00:57:12,740
father he's an old man now and when he

1288
00:57:17,380 --> 00:57:15,470

came back the during the day it

1289

00:57:19,180 --> 00:57:17,390

straighten up appear the Army's

1290

00:57:21,850 --> 00:57:19,190

explanation for it was that lightning

1291

00:57:24,400 --> 00:57:21,860

that hit a gas pocket on the cliff top

1292

00:57:27,250 --> 00:57:24,410

and caused the crater which put a lot of

1293

00:57:29,230 --> 00:57:27,260

rubbish and quite honestly and Colin

1294

00:57:33,070 --> 00:57:29,240

thought that and someone contacted me

1295

00:57:35,080 --> 00:57:33,080

yeah years later a guy I'm not going to

1296

00:57:36,760 --> 00:57:35,090

say his name but an old Gale used to

1297

00:57:39,250 --> 00:57:36,770

work for a company called Clifford watts

1298

00:57:40,720 --> 00:57:39,260

and it worked for them for 28 years and

1299

00:57:43,800 --> 00:57:40,730

he told me that another one appeared at

1300

00:57:46,750 --> 00:57:43,810

Benton but he never spoke about it in

1301
00:57:49,720 --> 00:57:46,760
1963 because of the ridicule factor that

1302
00:57:53,530 --> 00:57:49,730
coming hood received for getting the

1303
00:57:57,640 --> 00:57:53,540
papers about the hood crater so have you

1304
00:57:59,350 --> 00:57:57,650
got another question well we are we got

1305
00:58:04,000 --> 00:57:59,360
two minutes left before the sugars

1306
00:58:05,920 --> 00:58:04,010
finish okay so yeah I know these two

1307
00:58:09,970 --> 00:58:05,930
call it the mowing devil way back in the

1308
00:58:12,790 --> 00:58:09,980
day the old folk or some of the crop

1309
00:58:16,410 --> 00:58:12,800
circles do you have any links that you

1310
00:58:18,580 --> 00:58:16,420
like to share well if anybody wants to

1311
00:58:22,180 --> 00:58:18,590
express any interest I used to have a

1312
00:58:25,660 --> 00:58:22,190
website called ILF UFO intelligent light

1313
00:58:27,750 --> 00:58:25,670

forms and I closed it in 2030 but a lot

1314

00:58:29,440 --> 00:58:27,760

of it still archived on internet

1315

00:58:33,970 --> 00:58:29,450

references to things that I'm

1316

00:58:35,950 --> 00:58:33,980

researching for 2009 luckily working

1317

00:58:41,830 --> 00:58:35,960

with that and I've also started a small

1318

00:58:43,990 --> 00:58:41,840

website at true proof web Scott if

1319

00:58:45,700 --> 00:58:44,000

anybody wants to look on that and we

1320

00:58:48,250 --> 00:58:45,710

have a Facebook page truth proof

1321

00:58:51,340 --> 00:58:48,260

Facebook page and anybody that after

1322

00:58:53,860 --> 00:58:51,350

listening to me want to fame be on

1323

00:58:55,330 --> 00:58:53,870

Facebook is Paul Sinclair I'm sure I'm

1324

00:58:57,700 --> 00:58:55,340

sure I'll be able to be found with lists

1325

00:59:01,390 --> 00:58:57,710

of friends the view of your own and

1326

00:59:03,010 --> 00:59:01,400

people and basically I think we've

1327

00:59:05,260 --> 00:59:03,020

probably telling the books available on

1328

00:59:07,450 --> 00:59:05,270

Amazon for some reason at the moment

1329

00:59:09,730 --> 00:59:07,460

it's not available in America it was I

1330

00:59:11,650 --> 00:59:09,740

don't know why I we've tried to get it

1331

00:59:14,260 --> 00:59:11,660

back back up and selling I know that

1332

00:59:15,880 --> 00:59:14,270

Deborah Jane East has tried for me but

1333

00:59:16,990 --> 00:59:15,890

we kept with we just seems to be going

1334

00:59:19,420 --> 00:59:17,000

around in circles

1335

00:59:20,720 --> 00:59:19,430

however I've set up a PayPal account on

1336

00:59:23,630 --> 00:59:20,730

the troops

1337

00:59:25,940 --> 00:59:23,640

website if anybody did want the book I

1338

00:59:28,940 --> 00:59:25,950

assure you it will be sent out straight

1339

00:59:31,400 --> 00:59:28,950

away and and it's also available on

1340

00:59:34,430 --> 00:59:31,410

Kindle and any questions that you want

1341

00:59:36,950 --> 00:59:34,440

to direct at me up there on the website

1342

00:59:41,240 --> 00:59:36,960

on Facebook I'm more than happy to try

1343

00:59:44,930 --> 00:59:41,250

an answer thank you so much for coming

1344

00:59:46,700 --> 00:59:44,940

on you're welcome thank you believer

1345

00:59:48,530 --> 00:59:46,710

that evidence is overwhelming to the

1346

00:59:50,900 --> 00:59:48,540

skeptic there will never be enough

1347

00:59:52,850 --> 00:59:50,910

thank you everyone god bless you have a

1348

00:59:54,260 --> 00:59:52,860

wonderful weekend and we'll see you next

1349

00:59:56,690 --> 00:59:54,270

good night everyone

1350

00:59:58,670 --> 00:59:56,700

what makes new simply summer's eve

1351
