numerologist I'm gonna read around the

19

00:01:32,910 --> 00:01:29,619

sign so everybody also know it too it's

20

00:01:35,639 --> 00:01:32,920

good well we know we know all about how

21

00:01:37,499 --> 00:01:35,649

famous you are and how great you are so

22

00:01:39,540 --> 00:01:37,509

it's fun we've been talking and laughing

23

00:01:41,520 --> 00:01:39,550

for the last hour with our guests have

24

00:01:42,990 --> 00:01:41,530

we got a great show for everybody

25

00:01:44,790 --> 00:01:43,000

tonight my gosh

26

00:01:48,690 --> 00:01:44,800

our two favorite people in the whole

27

00:01:51,240 --> 00:01:48,700

wide world Betty Lucca well her middle

28

00:01:53,850 --> 00:01:51,250

name Andresen you know that one

29

00:01:57,199 --> 00:01:53,860

Betty Andres and Lucca and her husband

30

00:02:00,690 --> 00:01:57,209

Bob Lucca we love these people they are

31

00:02:02,460 --> 00:02:00,700

amazing and they're with us tonight for

32

00:02:06,060 --> 00:02:02,470

the entire show and they're talking

33

00:02:09,840 --> 00:02:06,070

about their new book it is how a lifting

34

00:02:13,620 --> 00:02:09,850

of the veil and let us tell you it's a

35

00:02:15,599 --> 00:02:13,630

great book this is a page-turner

36

00:02:17,729 --> 00:02:15,609

isn't it a page-turner you cannot put it

37

00:02:20,220 --> 00:02:17,739

down you can't put it down and I'm one

38

00:02:21,690 --> 00:02:20,230

of these I read in bits and pieces I had

39

00:02:23,910 --> 00:02:21,700

to go through most of it before I could

40

00:02:28,380 --> 00:02:23,920

even put it down so that says a lot for

41

00:02:31,740 --> 00:02:28,390

me it's tremendous it's so personal and

42

00:02:34,140 --> 00:02:31,750

it's so it's so touching and I know we

43

00:02:36,960 --> 00:02:34,150

both really felt that we were inside

44

00:02:40,319 --> 00:02:36,970

their world Betty and Bob's world and

45

00:02:42,900 --> 00:02:40,329

they they wrote a beautiful story now in

46

00:02:44,940 --> 00:02:42,910

in its fraud with their own personal

47

00:02:46,170 --> 00:02:44,950

challenges their own personal hardships

48

00:02:49,800 --> 00:02:46,180

and we're going to get into all of what

49

00:02:52,380 --> 00:02:49,810

happened but mixed in with all of it are

50

00:02:54,509 --> 00:02:52,390

their paranormal experiences the

51
00:02:56,789 --> 00:02:54,519
experiences with the beings which each

52
00:02:58,890 --> 00:02:56,799
of them have had each of them have had

53
00:03:01,470 --> 00:02:58,900
their own abductions their own

54
00:03:04,250 --> 00:03:01,480
experiences one together that is written

55
00:03:06,960 --> 00:03:04,260
about in the book and it's fascinating

56
00:03:10,439 --> 00:03:06,970
then we're going to talk about a little

57
00:03:11,770 --> 00:03:10,449
bit later on the government nonsense

58
00:03:14,350 --> 00:03:11,780
right how the

59
00:03:16,809 --> 00:03:14,360
has harassed these people beyond belief

60
00:03:18,760 --> 00:03:16,819
we're gonna be talking about all of that

61
00:03:21,070 --> 00:03:18,770
tonight so get ready in the chat room

62
00:03:26,170 --> 00:03:21,080
everybody with your questions it's irr

63
00:03:30,010 --> 00:03:26,180

chat comm irn chat comm we will ask your

64

00:03:31,600 --> 00:03:30,020

questions for you on your behalf for if

65

00:03:33,460 --> 00:03:31,610

you have any questions for Betty and Bob

66

00:03:39,040 --> 00:03:33,470

just write them in the chat room that's

67

00:03:40,930 --> 00:03:39,050

irn chat dot-com so PK numerologically

68

00:03:42,910 --> 00:03:40,940

what are we up to what's going on

69

00:03:45,340 --> 00:03:42,920

well firstly we have to remember we're

70

00:03:47,440 --> 00:03:45,350

still in a retrograde and that is going

71

00:03:49,449 --> 00:03:47,450

to be true until the 5th of September

72

00:03:51,100 --> 00:03:49,459

do you remember even though it ends the

73

00:03:53,770 --> 00:03:51,110

5th of September there's a bit of a

74

00:03:55,750 --> 00:03:53,780

shadow period afterwards so unless

75

00:03:57,009 --> 00:03:55,760

you're born in a retrograde that's the

76

00:03:59,949 --> 00:03:57,019

only time we're lucky during these

77

00:04:02,740 --> 00:03:59,959

phases unless you're born in a like that

78

00:04:05,009 --> 00:04:02,750

lucky part of the retrograde don't go

79

00:04:07,809 --> 00:04:05,019

purchasing things don't repair things

80

00:04:14,140 --> 00:04:07,819

just get them fixed once it's over with

81

00:04:16,960 --> 00:04:14,150

did you hear me Bob because it's not a

82

00:04:19,750 --> 00:04:16,970

time it's a time for taking a look into

83

00:04:21,490 --> 00:04:19,760

things but don't feel it's in concrete

84

00:04:23,500 --> 00:04:21,500

yet because it isn't you're going to

85

00:04:27,190 --> 00:04:23,510

change your mind and especially for

86

00:04:29,020 --> 00:04:27,200

those that are virgos they're ruled by

87

00:04:30,850 --> 00:04:29,030

mercury so Mercury's got a lot to do

88

00:04:33,850 --> 00:04:30,860

with a little shake rattle and roll

89

00:04:35,350 --> 00:04:33,860

going on here also those that have a

90

00:04:35,950 --> 00:04:35,360

life path that is their month day and

91

00:04:38,860 --> 00:04:35,960

year of birth

92

00:04:42,040 --> 00:04:38,870

added together reduced to a single

93

00:04:42,730 --> 00:04:42,050

number being a 5 those people are doing

94

00:04:45,550 --> 00:04:42,740

great

95

00:04:48,370 --> 00:04:45,560

cuz there's look that it's all about a

96

00:04:51,070 --> 00:04:48,380

high impact major changes getting things

97

00:04:52,870 --> 00:04:51,080

moving so for those people the

98

00:04:55,450 --> 00:04:52,880

retrograde spine if you're born in a

99

00:04:58,180 --> 00:04:55,460

retrograde you have a luck factor which

100

00:05:01,210 --> 00:04:58,190

is great but you're only on top of an

101
00:05:03,520 --> 00:05:01,220
aces when you're in a retrograde we have

102
00:05:05,560 --> 00:05:03,530
it the flip side so we get those three

103
00:05:07,210 --> 00:05:05,570
months give or take with the richer

104
00:05:09,250 --> 00:05:07,220
grade the rest of the time is balanced

105
00:05:13,180 --> 00:05:09,260
for us for you that are born into

106
00:05:16,510 --> 00:05:13,190
retrograde is just a reverse ok well

107
00:05:18,190 --> 00:05:16,520
that's what interesting yeah so the rest

108
00:05:20,320 --> 00:05:18,200
of us will be beating our heads against

109
00:05:23,170 --> 00:05:20,330
the wall until September 5th and a

110
00:05:24,330 --> 00:05:23,180
little bit beyond I think so yes all

111
00:05:27,510 --> 00:05:24,340
right

112
00:05:30,540 --> 00:05:27,520
so we know that now you're looking into

113
00:05:34,800 --> 00:05:30,550

things know that you can look research

114

00:05:39,230 --> 00:05:34,810

but do not do until after the retrograde

115

00:05:43,380 --> 00:05:39,240

is over with do I do it again

116

00:05:45,360 --> 00:05:43,390

alright am i part of that good news yeah

117

00:05:47,850 --> 00:05:45,370

so we're gonna sit tight through this

118

00:05:53,670 --> 00:05:47,860

regimen right that is what we are going

119

00:05:55,950 --> 00:05:53,680

to you sit tight okay now I wanted you

120

00:05:57,840 --> 00:05:55,960

to take a look at Betty and Bob's

121

00:06:00,480 --> 00:05:57,850

numbers because they have this amazing

122

00:06:05,160 --> 00:06:00,490

life path because they have had these

123

00:06:06,900 --> 00:06:05,170

experiences separately and together with

124

00:06:08,640 --> 00:06:06,910

million interaction and they've had

125

00:06:11,190 --> 00:06:08,650

contact they've been ducted and they've

126
00:06:14,970 --> 00:06:11,200
had close encounters one two three four

127
00:06:17,580 --> 00:06:14,980
five six however many there are so they

128
00:06:19,310 --> 00:06:17,590
met them all so what's going on with

129
00:06:22,320 --> 00:06:19,320
your numbers that would lead to that

130
00:06:23,730 --> 00:06:22,330
well I'd have a hard time saying it

131
00:06:25,530 --> 00:06:23,740
would lead to that because many people

132
00:06:28,440 --> 00:06:25,540
may have the similar numbers of the same

133
00:06:32,340 --> 00:06:28,450
numbers but what it is their charts to

134
00:06:34,920 --> 00:06:32,350
combine together they they unite very

135
00:06:37,920 --> 00:06:34,930
well for this type of thing neither one

136
00:06:39,630 --> 00:06:37,930
has a ego both of them are ultra

137
00:06:42,210 --> 00:06:39,640
sensitive to what the world needs and

138
00:06:45,060 --> 00:06:42,220

what other people are looking for both

139

00:06:47,370 --> 00:06:45,070

like changes but they do it creatively

140

00:06:49,950 --> 00:06:47,380

and they're very open to things that are

141

00:06:52,440 --> 00:06:49,960

different that's the first part where

142

00:06:55,050 --> 00:06:52,450

Bob is more able to push things out

143

00:06:58,410 --> 00:06:55,060

there Betty pulls back on some of these

144

00:07:00,930 --> 00:06:58,420

things she's just not too sure but both

145

00:07:03,000 --> 00:07:00,940

of them are very sensitive to the world

146

00:07:07,800 --> 00:07:03,010

at large and I think that has a lot to

147

00:07:09,960 --> 00:07:07,810

do with yeah but how they it's kind of

148

00:07:12,150 --> 00:07:09,970

like when you go like this it has to fit

149

00:07:14,820 --> 00:07:12,160

just right and that's what they do when

150

00:07:17,400 --> 00:07:14,830

they're together they fit just right so

151
00:07:21,540 --> 00:07:17,410
that energy is harmonious and somehow

152
00:07:24,660 --> 00:07:21,550
it's also attractive to these ETS so

153
00:07:27,290 --> 00:07:24,670
their ego their sensitivity their

154
00:07:29,790 --> 00:07:27,300
ability to deal with change their

155
00:07:31,500 --> 00:07:29,800
feeling about the spiritual side and

156
00:07:33,240 --> 00:07:31,510
looking into things that are better for

157
00:07:36,420 --> 00:07:33,250
others and how to balance the world

158
00:07:38,070 --> 00:07:36,430
they're both identical totally different

159
00:07:40,080 --> 00:07:38,080
names totally different

160
00:07:42,779 --> 00:07:40,090
days yet those parts of their charge are

161
00:07:44,909 --> 00:07:42,789
identical how fascinating well if you

162
00:07:47,610 --> 00:07:44,919
want a reading from miss Patricia

163
00:07:50,550 --> 00:07:47,620

164

00:07:52,260 --> 00:07:50,560

next year where your pitfalls are where

168

00:08:02,820 --> 00:07:59,259

your strengths are so Patricia Kirkman

00:08:08,640 --> 00:08:06,069

right you are so welcome a very

171

00:08:12,629 --> 00:08:08,650

interesting stories we posted this week

172

00:08:16,020 --> 00:08:12,639

on Facebook we had the nasty fairies

173

00:08:20,520 --> 00:08:16,030

that you're a little bit happy people

174

00:08:23,640 --> 00:08:20,530

yes that was before I know those they

175

00:08:25,890 --> 00:08:23,650

some of them are not that nice and so

176

00:08:27,600 --> 00:08:25,900

you got to go read these stories they're

177

00:08:31,260 --> 00:08:27,610

just amazing I mean they're taking

178

00:08:32,819 --> 00:08:31,270

babies so taking adults take a look at

179

00:08:35,639 --> 00:08:32,829

this story it's on our Facebook page

180

00:08:37,409 --> 00:08:35,649

supernatural girls on Facebook the other

181

00:08:41,370 --> 00:08:37,419

story though is more pertinent to

182

00:08:43,500 --> 00:08:41,380

tonight and that one was a question for

183

00:08:46,079 --> 00:08:43,510

a headline our UFO abductees being

184

00:08:48,689 --> 00:08:46,089

secretly watched yes I think we know the

185

00:08:51,210 --> 00:08:48,699

answer to that they most certainly are

186

00:08:53,910 --> 00:08:51,220

but here's a story that they wrote about

187

00:08:58,769 --> 00:08:53,920

it's about this woman Brenda who is on

188

00:09:02,370 --> 00:08:58,779

her way home and she was kidnapped by

189

00:09:04,500 --> 00:09:02,380

what she believes was the military and

190

00:09:07,470 --> 00:09:04,510

she was taken to a facility that was

191

00:09:10,639 --> 00:09:07,480

abandoned they took all these vials of

192

00:09:14,910 --> 00:09:10,649

blood from her and Tara gated her and

193

00:09:16,199 --> 00:09:14,920

finally set her free back to her car but

194

00:09:18,960 --> 00:09:16,209

she had been drugged

195

00:09:22,019 --> 00:09:18,970

she had been again you know had blood

196

00:09:24,000 --> 00:09:22,029

taken from her and demand they demanded

197

00:09:27,990 --> 00:09:24,010

answers to all these questions about her

198

00:09:29,850 --> 00:09:28,000

own alien abduction so the government

199

00:09:31,259 --> 00:09:29,860

doing that yeah I think they are and

200

00:09:32,460 --> 00:09:31,269

we're gonna talk to Betty and Bob about

201
00:09:35,519 --> 00:09:32,470
that because they had their own

202
00:09:37,230 --> 00:09:35,529
experiences through many many years and

203
00:09:39,960 --> 00:09:37,240
we're gonna get to at the bottom of this

204
00:09:42,660 --> 00:09:39,970
one way or another so but that was an

205
00:09:44,490 --> 00:09:42,670
interesting story and again she was sure

206
00:09:46,740 --> 00:09:44,500
she was taken to this abandoned facility

207
00:09:49,050 --> 00:09:46,750
she said there was it just seemed like

208
00:09:51,639 --> 00:09:49,060
an easy place that she said for them to

209
00:09:55,269 --> 00:09:51,649
take her which is horrible isn't that

210
00:09:59,109 --> 00:09:55,279
horrible it's scary to think that things

211
00:10:01,600 --> 00:09:59,119
like that are actually existing we tried

212
00:10:03,280 --> 00:10:01,610
to play it down or react like the person

213
00:10:05,639 --> 00:10:03,290

telling the story is a little bit off

214

00:10:08,079 --> 00:10:05,649

base but there are too many things

215

00:10:10,150 --> 00:10:08,089

validating what we're seeing and hearing

216

00:10:11,230 --> 00:10:10,160

over the years that they can't shake

217

00:10:14,259 --> 00:10:11,240

their head and say it doesn't exist

218

00:10:16,809 --> 00:10:14,269

anymore I know you just can't and

219

00:10:18,910 --> 00:10:16,819

anybody with a brain has to know that

220

00:10:21,069 --> 00:10:18,920

these things are happening the abduction

221

00:10:23,799 --> 00:10:21,079

is between aliens and humans are

222

00:10:25,419 --> 00:10:23,809

happening and also that the military or

223

00:10:27,549 --> 00:10:25,429

shadow government whoever the heck they

224

00:10:30,309 --> 00:10:27,559

are getting involved in violating

225

00:10:33,400 --> 00:10:30,319

our human rights that's what they're

226

00:10:36,009 --> 00:10:33,410

doing because to drug us to take blood

227

00:10:38,980 --> 00:10:36,019

from us to interrogate us and a secret

228

00:10:41,079 --> 00:10:38,990

facility none of that should be allowed

229

00:10:42,850 --> 00:10:41,089

this is not a third world country where

230

00:10:44,439 --> 00:10:42,860

these things should be going on this is

231

00:10:47,019 --> 00:10:44,449

the United States of America shouldn't

232

00:10:50,619 --> 00:10:47,029

be happening here but like you said PK

233

00:10:52,269 --> 00:10:50,629

it does so fortunate I know we're good

234

00:10:56,530 --> 00:10:52,279

but we're gonna find out all the details

235

00:10:58,989 --> 00:10:56,540

here because again with us tonight

236

00:11:01,509 --> 00:10:58,999

these incredible guests and I just want

237

00:11:05,319 --> 00:11:01,519

to read something to you that I found

238

00:11:08,199 --> 00:11:05,329

really touching it is in let's see where

239

00:11:11,799 --> 00:11:08,209

are we it's in the foreword of the book

240

00:11:16,840 --> 00:11:11,809

and this is what this gentleman wrote

241

00:11:18,749 --> 00:11:16,850

about Betty and Bob and he's saying most

242

00:11:20,799 --> 00:11:18,759

of us are down here in the muck

243

00:11:21,910 --> 00:11:20,809

struggling with it again I'm taking this

244

00:11:24,730 --> 00:11:21,920

a little too context

245

00:11:27,489 --> 00:11:24,740

that's why Betty is such an inspiration

246

00:11:30,220 --> 00:11:27,499

to me when I was at the depths of my

247

00:11:32,739 --> 00:11:30,230

depression one of the things I did was

248

00:11:35,439 --> 00:11:32,749

read Betty's interviews and listen to

249

00:11:38,049 --> 00:11:35,449

her tapes just to hear the sound of her

250

00:11:40,319 --> 00:11:38,059

voice when she was talking I would look

251

00:11:43,059 --> 00:11:40,329

at the drawing she sent me Betty's

252

00:11:46,449 --> 00:11:43,069

experiences are the thing you grab onto

253

00:11:48,730 --> 00:11:46,459

when you are sinking what a beautiful

254

00:11:51,579 --> 00:11:48,740

statement to make I mean it's just

255

00:11:54,100 --> 00:11:51,589

lovely and then again I found this to be

256

00:11:56,319 --> 00:11:54,110

true Betty and Bob are an inspiration to

257

00:11:58,090 --> 00:11:56,329

so many people that have gone through

258

00:11:59,980 --> 00:11:58,100

these experiences and don't know where

259

00:12:01,900 --> 00:11:59,990

to turn and certainly their faith has

260

00:12:03,970 --> 00:12:01,910

gotten them through some of the toughest

261

00:12:05,230 --> 00:12:03,980

times but we're going to talk to them

262

00:12:08,230 --> 00:12:05,240

we're going to bring them on the show

263

00:12:11,139 --> 00:12:08,240

right now so Betty and Bob welcome to

264

00:12:14,260 --> 00:12:11,149

supernatural Girls thank you both for

265

00:12:16,570 --> 00:12:14,270

everything glad to have you in front of

266

00:12:19,990 --> 00:12:16,580

us tonight our audience I know is

267

00:12:21,760 --> 00:12:20,000

chomping at the bit yes we are so

268

00:12:23,500 --> 00:12:21,770

honored that you're on our show first

269

00:12:25,060 --> 00:12:23,510

thank you so much for giving us the

270

00:12:27,310 --> 00:12:25,070

opportunity to interview you about your

271

00:12:30,340 --> 00:12:27,320

great new book a lifting of the veil

272

00:12:33,190 --> 00:12:30,350

which is available on amazon.com along

273

00:12:35,500 --> 00:12:33,200

with the Andreasen affair which has been

274

00:12:37,690 --> 00:12:35,510

reprinted so you can buy both of them on

275

00:12:39,460 --> 00:12:37,700

Amazon now and I suggest you buy both

276

00:12:42,040 --> 00:12:39,470

because they're both excellent excellent

277

00:12:43,870 --> 00:12:42,050

books so what was it that made you want

278

00:12:45,940 --> 00:12:43,880

to write this book this is a little bit

279

00:12:49,210 --> 00:12:45,950

different this is in your own words and

280

00:12:52,360 --> 00:12:49,220

it's very personal well we're not

281

00:12:54,130 --> 00:12:52,370

writers but I mean things were happening

282

00:12:57,010 --> 00:12:54,140

and everything and we wanted to get that

283

00:13:00,699 --> 00:12:57,020

information out to everyone and it

284

00:13:02,820 --> 00:13:00,709

helped us by bringing it out it was more

285

00:13:05,050 --> 00:13:02,830

a chance to let people know how the

286

00:13:07,570 --> 00:13:05,060

phenomena and the government both

287

00:13:09,250 --> 00:13:07,580

affected us personally as a family

288

00:13:12,340 --> 00:13:09,260

something that was not in the other

289

00:13:14,170 --> 00:13:12,350

books yes exactly you know there were a

290

00:13:16,870 --> 00:13:14,180

lot of personal details that you were

291

00:13:18,790 --> 00:13:16,880

kind enough to share with us and as we

292

00:13:20,650 --> 00:13:18,800

were talking before the show all the

293

00:13:23,230 --> 00:13:20,660

different moves you had to make you

294

00:13:28,240 --> 00:13:23,240

moved from one state to another you know

295

00:13:31,900 --> 00:13:28,250

raising your 7 children the horrible car

296

00:13:33,699 --> 00:13:31,910

crash the death of your two sons all of

297

00:13:37,000 --> 00:13:33,709

these these things and somehow you've

298

00:13:39,550 --> 00:13:37,010

come through it all and I know Bob was

299

00:13:43,750 --> 00:13:39,560

with you for now how many years have you

300

00:13:47,440 --> 00:13:43,760

been married a long time 39 years yes 39

301
00:13:49,269 --> 00:13:47,450
years congratulations graduations just

302
00:13:51,519 --> 00:13:49,279
celebrated that anniversary it's

303
00:13:53,110 --> 00:13:51,529
wonderful and you two are a wonderful

304
00:13:55,000 --> 00:13:53,120
supportive couple you're great for each

305
00:13:58,300 --> 00:13:55,010
other and again you both had these

306
00:14:00,730 --> 00:13:58,310
abduction experiences the alien contact

307
00:14:03,370 --> 00:14:00,740
but you've had a lot of paranormal

308
00:14:05,319 --> 00:14:03,380
things go on that you wrote about in the

309
00:14:07,510 --> 00:14:05,329
book also things that weren't in the

310
00:14:10,090 --> 00:14:07,520
other books so do you want to share a

311
00:14:11,560 --> 00:14:10,100
few pieces of that with our audience

312
00:14:14,260 --> 00:14:11,570
you're gonna have to buy the book you

313
00:14:16,090 --> 00:14:14,270

guys if you want to read all about it in

314

00:14:19,000 --> 00:14:16,100

great detail because these stories are

315

00:14:23,140 --> 00:14:19,010

incredible but there was one word that

316

00:14:27,180 --> 00:14:23,150

two of you were taken together that was

317

00:14:30,640 --> 00:14:27,190

a 1978 when we lived in Connecticut and

318

00:14:34,000 --> 00:14:30,650

I we were getting ready for bed she was

319

00:14:36,400 --> 00:14:34,010

in the bathroom off the master bedroom

320

00:14:39,360 --> 00:14:36,410

and I was sitting out of bed taking my

321

00:14:42,580 --> 00:14:39,370

socks off and it was a whirring noise

322

00:14:47,620 --> 00:14:42,590

cyclic whirring noise over the house so

323

00:14:49,690 --> 00:14:47,630

I ran over to her not knowing why really

324

00:14:53,260 --> 00:14:49,700

but I ran over and I put my hands up in

325

00:14:57,310 --> 00:14:53,270

the doorjamb like this and all of a

326

00:14:59,530 --> 00:14:57,320

sudden both of us started being lifted

327

00:15:01,600 --> 00:14:59,540

up and she grabbed her grandpa wrapped

328

00:15:03,910 --> 00:15:01,610

her arms around me and I grabbed her

329

00:15:07,360 --> 00:15:03,920

we're pulled up together and as we were

330

00:15:11,860 --> 00:15:07,370

being pulled up color actually drained

331

00:15:16,150 --> 00:15:11,870

from us and we got into this area which

332

00:15:18,580 --> 00:15:16,160

turned out to be a huge craft she was

333

00:15:20,530 --> 00:15:18,590

taken to an area where apparently there

334

00:15:23,620 --> 00:15:20,540

was an initiation or some type of

335

00:15:26,500 --> 00:15:23,630

learning program and I was taken to

336

00:15:32,170 --> 00:15:26,510

another area by two very tall white

337

00:15:34,120 --> 00:15:32,180

robed beings and looking at her I

338

00:15:37,960 --> 00:15:34,130

couldn't tell who she was anymore

339

00:15:40,630 --> 00:15:37,970

because she turned into a golden figure

340

00:15:43,300 --> 00:15:40,640

as had everyone else that was on the

341

00:15:46,000 --> 00:15:43,310

side where she was so I couldn't tell

342

00:15:48,040 --> 00:15:46,010

her apart from anyone else oh my

343

00:15:51,340 --> 00:15:48,050

goodness she went through this

344

00:15:55,780 --> 00:15:51,350

initiation which was almost like a game

345

00:15:57,520 --> 00:15:55,790

I was taken into another room and I was

346

00:16:00,970 --> 00:15:57,530

told by these beings that it was a

347

00:16:03,850 --> 00:16:00,980

privilege for me to be there because I

348

00:16:09,100 --> 00:16:03,860

was not that advanced spiritually I

349

00:16:11,470 --> 00:16:09,110

hoped my judgment at that time I'm sure

350

00:16:14,350 --> 00:16:11,480

that's what they met Bob they did tell

351

00:16:18,460 --> 00:16:14,360

me some things for instance that on this

352

00:16:21,940 --> 00:16:18,470

plane on earth evil is a necessity it

353

00:16:26,110 --> 00:16:21,950

exists for a reason so that all of us

354

00:16:28,690 --> 00:16:26,120

have the opportunity to make the choice

355

00:16:31,030 --> 00:16:28,700

without evil there would be no choice so

356

00:16:32,740 --> 00:16:31,040

we have to be good or evil and the

357

00:16:35,470 --> 00:16:32,750

choices you make

358

00:16:39,460 --> 00:16:35,480

determine the path that we'll be on when

359

00:16:42,040 --> 00:16:39,470

you leave this plane and they also told

360

00:16:45,460 --> 00:16:42,050

me you do and they made it very clear

361

00:16:48,280 --> 00:16:45,470

they said you do not die the physical

362

00:16:49,900 --> 00:16:48,290

body dies but the light being and it's

363

00:16:51,910 --> 00:16:49,910

interesting they use that word light

364

00:16:52,300 --> 00:16:51,920

being because I've seen them and so his

365

00:16:54,580 --> 00:16:52,310

Betty

366

00:16:57,910 --> 00:16:54,590

they said the light being goes on

367

00:17:02,440 --> 00:16:57,920

through a much much longer endless

368

00:17:05,770 --> 00:17:02,450

process so that was basically what

369

00:17:07,990 --> 00:17:05,780

happened in 1978 of course they got more

370

00:17:09,939 --> 00:17:08,000

involved on Betty's part but I wasn't

371

00:17:12,040 --> 00:17:09,949

there to see that she can probably fill

372

00:17:15,880 --> 00:17:12,050

you in on what what happened once you

373

00:17:17,980 --> 00:17:15,890

got over on outside how much how much

374

00:17:21,429 --> 00:17:17,990

before you go on Betty just let me ask a

375

00:17:23,020 --> 00:17:21,439

couple questions how how long do you

376

00:17:24,579 --> 00:17:23,030

think you were there I mean you must

377

00:17:26,770 --> 00:17:24,589

have had some missing time when you came

378

00:17:29,290 --> 00:17:26,780

back were you there for an hour two

379

00:17:33,010 --> 00:17:29,300

hours all night how long was this

380

00:17:36,370 --> 00:17:33,020

abduction you know we never really got

381

00:17:40,260 --> 00:17:36,380

to find that out because it seemed like

382

00:17:42,550 --> 00:17:40,270

we heard the noise I rushed over to her

383

00:17:46,900 --> 00:17:42,560

and then it was almost like I turned

384

00:17:50,470 --> 00:17:46,910

around and walked back to bed however if

385

00:17:52,540 --> 00:17:50,480

they are not on linear time as we are so

386

00:17:55,630 --> 00:17:52,550

they can take you out at 8:01 and bring

387

00:17:57,420 --> 00:17:55,640

you back at 8:02 it's like no time has

388

00:18:03,100 --> 00:17:57,430

passed for you

389

00:18:04,750 --> 00:18:03,110

Wow so now when you got back did you

390

00:18:07,660 --> 00:18:04,760

look at each other and just say what the

391

00:18:09,250 --> 00:18:07,670

heck just happened exactly exactly

392

00:18:12,220 --> 00:18:09,260

because we didn't have memory at the

393

00:18:14,040 --> 00:18:12,230

time of the actual experience we knew

394

00:18:16,300 --> 00:18:14,050

something was strange and that the noise

395

00:18:18,550 --> 00:18:16,310

directly over the house was highly

396

00:18:20,590 --> 00:18:18,560

unusual it didn't sound like any

397

00:18:23,500 --> 00:18:20,600

aircraft or helicopter or anything like

398

00:18:25,810 --> 00:18:23,510

that well all we knew was something

399

00:18:28,450 --> 00:18:25,820

unusual had happened but that wasn't

400

00:18:30,520 --> 00:18:28,460

strange in that house sometimes we on

401
00:18:32,950 --> 00:18:30,530
one occasion we woke up at 3 o'clock in

402
00:18:35,050 --> 00:18:32,960
the morning and the windows are all open

403
00:18:39,550 --> 00:18:35,060
and the birds are outside chirping away

404
00:18:43,720 --> 00:18:39,560
like crazy at 3:00 a.m. you know and in

405
00:18:45,450 --> 00:18:43,730
the same house both the girls Bonnie and

406
00:18:49,350 --> 00:18:45,460
Cindy had seen

407
00:18:51,269 --> 00:18:49,360
people shadow people oh we all heard

408
00:18:53,159 --> 00:18:51,279
footsteps if we were downstairs they

409
00:18:57,210 --> 00:18:53,169
were upstairs if we were upstairs they

410
00:19:00,180 --> 00:18:57,220
were downstairs the most unusual thing

411
00:19:02,580 --> 00:19:00,190
in that house we came down the bedrooms

412
00:19:05,940 --> 00:19:02,590
were upstairs we came down one morning

413
00:19:10,740 --> 00:19:05,950

for breakfast all of the crown molding

414

00:19:14,279 --> 00:19:10,750

was on the floor the nails were still in

415

00:19:16,649 --> 00:19:14,289

the wall and our glassware there our

416

00:19:19,700 --> 00:19:16,659

glasses had little white squiggly marks

417

00:19:23,370 --> 00:19:19,710

and I'm like they were etched and a big

418

00:19:26,430 --> 00:19:23,380

spaghetti pot stainless steel pot with a

419

00:19:29,539 --> 00:19:26,440

rolled steel edge had split right

420

00:19:32,820 --> 00:19:29,549

through the rolled steel edge so

421

00:19:36,269 --> 00:19:32,830

something had to do that it took some

422

00:19:38,669 --> 00:19:36,279

kind of energy or force or whatever but

423

00:19:42,269 --> 00:19:38,679

that was only one of a few things

424

00:19:45,389 --> 00:19:42,279

there's the electrical appliances in

425

00:19:48,210 --> 00:19:45,399

that house would work when they felt

426

00:19:51,539 --> 00:19:48,220

like it the the neighbors kids were over

427

00:19:53,100 --> 00:19:51,549

and with Bonnie and Cindy visiting and

428

00:19:55,019 --> 00:19:53,110

they're in the living room and a light

429

00:19:59,159 --> 00:19:55,029

start going off and on off and on the

430

00:20:01,230 --> 00:19:59,169

kids ran home scared probably yeah the

431

00:20:02,789 --> 00:20:01,240

stove the electric stove sometimes would

432

00:20:04,680 --> 00:20:02,799

work sometimes it wouldn't and

433

00:20:06,870 --> 00:20:04,690

everything was checked all the

434

00:20:09,000 --> 00:20:06,880

connections the fuses everything there

435

00:20:11,549 --> 00:20:09,010

was never any problems found the

436

00:20:14,789 --> 00:20:11,559

basement light there was a hallway going

437

00:20:16,320 --> 00:20:14,799

down to the basement light goes out so I

438

00:20:18,950 --> 00:20:16,330

flipped the switch a couple times

439

00:20:20,789 --> 00:20:18,960

nothing happens so I put a new bulb in

440

00:20:23,909 --> 00:20:20,799

first step right

441

00:20:25,440 --> 00:20:23,919

flip the switch nothing happens so I'm

442

00:20:26,850 --> 00:20:25,450

scratching my head trying to figure out

443

00:20:28,889 --> 00:20:26,860

what's going on but I figured I had a

444

00:20:31,019 --> 00:20:28,899

heck put it we went to eat or something

445

00:20:34,769 --> 00:20:31,029

anyways that short time later light went

446

00:20:38,340 --> 00:20:34,779

on by itself another occasion I chased a

447

00:20:41,340 --> 00:20:38,350

man a full-bodied figure I chased him

448

00:20:44,299 --> 00:20:41,350

into the basement I saw him walk into

449

00:20:47,490 --> 00:20:44,309

our basement now we had no outdoor

450

00:20:50,490 --> 00:20:47,500

entrance or exit to that basement I got

451
00:20:53,279 --> 00:20:50,500
down there no one was there oh my god so

452
00:20:55,470 --> 00:20:53,289
and the girls saw these figures all the

453
00:20:58,529 --> 00:20:55,480
time in the house that the house was

454
00:20:59,310 --> 00:20:58,539
just plain strange what was really

455
00:21:01,530 --> 00:20:59,320
interesting

456
00:21:04,140 --> 00:21:01,540
let Betty tell you this she when we sold

457
00:21:06,900 --> 00:21:04,150
the house she bumped into the woman that

458
00:21:09,980 --> 00:21:06,910
had purchased it was her and her husband

459
00:21:12,570 --> 00:21:09,990
had purchased it after we left mm-hmm

460
00:21:15,630 --> 00:21:12,580
Betty can tell you what happened to them

461
00:21:18,420 --> 00:21:15,640
well yeah I was at the supermarket and I

462
00:21:20,370 --> 00:21:18,430
was surprised to see her in wine and I

463
00:21:23,210 --> 00:21:20,380

thought oh I'm gonna see how she likes

464

00:21:27,390 --> 00:21:23,220

the house and so I walked up to her and

465

00:21:30,570 --> 00:21:27,400

asked her and she says well something

466

00:21:34,310 --> 00:21:30,580

has happened there she said one evening

467

00:21:38,760 --> 00:21:34,320

we went out and all the lights were left

468

00:21:41,130 --> 00:21:38,770

off and when we came home we went to

469

00:21:44,340 --> 00:21:41,140

open the door and every light in the

470

00:21:48,240 --> 00:21:44,350

house went on from outside down in the

471

00:21:50,580 --> 00:21:48,250

cellar all inside all the lights were on

472

00:21:53,580 --> 00:21:50,590

and they had shut them all off so that

473

00:21:56,220 --> 00:21:53,590

would I I was kind of leery of asking

474

00:21:58,020 --> 00:21:56,230

her that question because oh yeah you

475

00:21:59,640 --> 00:21:58,030

know here she bought the house and then

476

00:22:03,570 --> 00:21:59,650

she came out with that that I thought

477

00:22:06,540 --> 00:22:03,580

uh-oh but at that time when Bob and I

478

00:22:09,360 --> 00:22:06,550

were taken up I was taken up and I

479

00:22:11,850 --> 00:22:09,370

grabbed hold of him and we went up and

480

00:22:15,780 --> 00:22:11,860

we turned like other was colors all

481

00:22:19,170 --> 00:22:15,790

around us and he went one way and I went

482

00:22:21,600 --> 00:22:19,180

another way at that time Bob's daughter

483

00:22:25,830 --> 00:22:21,610

Wendy was staying over with the girls

484

00:22:29,670 --> 00:22:25,840

and I didn't know it but evidently they

485

00:22:32,490 --> 00:22:29,680

two had been taken up because when I was

486

00:22:35,790 --> 00:22:32,500

taken up I was changed into like a light

487

00:22:38,520 --> 00:22:35,800

being a golden light and there were

488

00:22:41,100 --> 00:22:38,530

other people there that were also like

489

00:22:43,440 --> 00:22:41,110

golden light and they seemed to know me

490

00:22:46,380 --> 00:22:43,450

and me know them and we would touch

491

00:22:48,990 --> 00:22:46,390

hands with our hands together and it was

492

00:22:52,260 --> 00:22:49,000

almost as if we both and all of us had a

493

00:22:57,450 --> 00:22:52,270

promise about doing something but anyway

494

00:23:01,110 --> 00:22:57,460

there there was this long round walkway

495

00:23:04,350 --> 00:23:01,120

and I had not seen Bob a sense of we

496

00:23:07,740 --> 00:23:04,360

were taken up and I have no look over

497

00:23:10,590 --> 00:23:07,750

across the walkway because I was looking

498

00:23:12,940 --> 00:23:10,600

at three tables on the lower part of

499

00:23:17,470 --> 00:23:12,950

this room and there were blank

500

00:23:20,860 --> 00:23:17,480

it's over three girls and I'm wondering

501
00:23:21,850 --> 00:23:20,870
what is going on and at that time I was

502
00:23:25,180 --> 00:23:21,860
starting to change

503
00:23:28,090 --> 00:23:25,190
I was changed into a golden person and I

504
00:23:31,210 --> 00:23:28,100
looked over further and I could see Bob

505
00:23:33,880 --> 00:23:31,220
along with two very tall beings with

506
00:23:36,130 --> 00:23:33,890
white hair and in white robes and they

507
00:23:38,830 --> 00:23:36,140
were escorting him someplace else I

508
00:23:40,810 --> 00:23:38,840
tried to yell to him but no no voice

509
00:23:42,670 --> 00:23:40,820
that he would know and I'm waving my

510
00:23:44,800 --> 00:23:42,680
hands and everything but he did not

511
00:23:49,570 --> 00:23:44,810
recognize me because I was just a light

512
00:23:52,570 --> 00:23:49,580
being after that they took him and I was

513
00:23:55,390 --> 00:23:52,580

all upset looking down because I knew it

514

00:23:59,110 --> 00:23:55,400

was the three girls they had down in

515

00:24:01,900 --> 00:23:59,120

that room and were examining them these

516

00:24:04,390 --> 00:24:01,910

other golden light beings came over to

517

00:24:06,880 --> 00:24:04,400

me almost as if they knew what I was

518

00:24:10,270 --> 00:24:06,890

going through because of the girls I was

519

00:24:12,550 --> 00:24:10,280

so upset and now let me disappear and

520

00:24:13,510 --> 00:24:12,560

let me just Betty laughs let me just ask

521

00:24:15,790 --> 00:24:13,520

you a question

522

00:24:18,370 --> 00:24:15,800

you saved the three girls do you mean

523

00:24:20,890 --> 00:24:18,380

your daughters or just three girls no

524

00:24:23,890 --> 00:24:20,900

they were three girls three and my two

525

00:24:25,780 --> 00:24:23,900

daughters and Bob's daughter she was

526

00:24:28,000 --> 00:24:25,790

sewing overnight with my two dogs so

527

00:24:29,980 --> 00:24:28,010

they were the ones you were looking at

528

00:24:33,520 --> 00:24:29,990

and that's why you were so upset I was

529

00:24:35,710 --> 00:24:33,530

upset over yeah and the the beings came

530

00:24:38,170 --> 00:24:35,720

over to me the light beings and they

531

00:24:41,050 --> 00:24:38,180

held the hand on me almost like a mother

532

00:24:44,200 --> 00:24:41,060

and they were petting me and it took

533

00:24:46,990 --> 00:24:44,210

away that fear and my thought about what

534

00:24:51,940 --> 00:24:47,000

was going on and we continued around

535

00:24:55,870 --> 00:24:51,950

this edge way into another room and in

536

00:24:59,350 --> 00:24:55,880

this room it was like a Bannister and it

537

00:25:02,560 --> 00:24:59,360

had these silver plates on it with

538

00:25:04,900 --> 00:25:02,570

lights and what happened was the being

539

00:25:09,700 --> 00:25:04,910

stood the light being started to lay

540

00:25:13,540 --> 00:25:09,710

back on these the rest of the banister

541

00:25:17,530 --> 00:25:13,550

and so I thought I may as well do it too

542

00:25:20,950 --> 00:25:17,540

and I did that when when I did all of a

543

00:25:25,240 --> 00:25:20,960

sudden we tumbled backwards into a ball

544

00:25:26,060 --> 00:25:25,250

and there was a ribbon of light that

545

00:25:28,880 --> 00:25:26,070

went down

546

00:25:32,540 --> 00:25:28,890

from this area into a very lower area

547

00:25:35,360 --> 00:25:32,550

and we just rolled down that that ribbon

548

00:25:38,360 --> 00:25:35,370

of light and we became that color

549

00:25:41,780 --> 00:25:38,370

briefly we stood there and then we sat

550

00:25:47,960 --> 00:25:41,790

in a very strange motion our legs were

551
00:25:51,200 --> 00:25:47,970
in a very odd situation briefly and then

552
00:25:53,270 --> 00:25:51,210
someone came another one of the beings

553
00:25:56,090 --> 00:25:53,280
came and they had all these tools

554
00:25:59,360 --> 00:25:56,100
different shaped objects and they were

555
00:26:01,750 --> 00:25:59,370
passing each one of us the objects then

556
00:26:05,600 --> 00:26:01,760
we were brought into another room and

557
00:26:09,440 --> 00:26:05,610
one of the people of the beings that

558
00:26:12,230 --> 00:26:09,450
were there they were given a rod with

559
00:26:15,440 --> 00:26:12,240
two points on it and we didn't know what

560
00:26:17,600 --> 00:26:15,450
they were until the game started in the

561
00:26:19,340 --> 00:26:17,610
other room it was sort of a game we were

562
00:26:22,250 --> 00:26:19,350
playing where we had to throw the

563
00:26:25,100 --> 00:26:22,260

objects and then you had to grab one of

564

00:26:27,590 --> 00:26:25,110

them and it sounds almost like that

565

00:26:30,680 --> 00:26:27,600

before you go on cuz I don't want you to

566

00:26:32,300 --> 00:26:30,690

give away all the information I want

567

00:26:34,900 --> 00:26:32,310

people to buy your book to get every

568

00:26:37,490 --> 00:26:34,910

detail but this is a fascinating

569

00:26:40,370 --> 00:26:37,500

abduction experience and that you have

570

00:26:43,550 --> 00:26:40,380

such a clear memory of all of these

571

00:26:46,910 --> 00:26:43,560

things that they did so now let me ask

572

00:26:49,400 --> 00:26:46,920

you when you all came back and you

573

00:26:52,550 --> 00:26:49,410

realize the girls had been taken - did

574

00:26:56,120 --> 00:26:52,560

the girls have any memory of it no I

575

00:26:59,270 --> 00:26:56,130

don't think they did because they never

576
00:27:02,600 --> 00:26:59,280
said anything to me mm-hmm particular

577
00:27:05,990 --> 00:27:02,610
time I had might recall of the girls

578
00:27:10,490 --> 00:27:06,000
being there until I was on that walkway

579
00:27:13,640 --> 00:27:10,500
and saw the three of them Oh

580
00:27:16,550 --> 00:27:13,650
Barbossa and Wendy his daughter had a

581
00:27:18,380 --> 00:27:16,560
dream that night of what hello Kay so

582
00:27:21,620 --> 00:27:18,390
she did have a little bit of a bleed

583
00:27:24,560 --> 00:27:21,630
through in her dreaming world about this

584
00:27:26,810 --> 00:27:24,570
it's it's really it's an incredible

585
00:27:28,220 --> 00:27:26,820
experience that you both have had and

586
00:27:29,840 --> 00:27:28,230
you shared this together although you

587
00:27:32,870 --> 00:27:29,850
were in two different parts of this

588
00:27:36,950 --> 00:27:32,880

space craft or whatever it was but it's

589

00:27:38,540 --> 00:27:36,960

it's really now again we're gonna take a

590

00:27:39,680 --> 00:27:38,550

break in a couple of minutes and we've

591

00:27:41,840 --> 00:27:39,690

got some

592

00:27:43,640 --> 00:27:41,850

questions for you coming up in the chat

593

00:27:46,400 --> 00:27:43,650

room so we'll get to all of it

594

00:27:48,110 --> 00:27:46,410

but your thought is that they weren't

595

00:27:50,690 --> 00:27:48,120

trying to do anybody any harm

596

00:27:53,780 --> 00:27:50,700

right no definitely no way it was a

597

00:27:57,230 --> 00:27:53,790

learning lesson for us mm-hmm so both of

598

00:28:00,350 --> 00:27:57,240

you were on a learning curve over with

599

00:28:03,500 --> 00:28:00,360

the tall white beans yes right here

600

00:28:06,110 --> 00:28:03,510

probably stating that people we had a

601
00:28:10,250 --> 00:28:06,120
game and then we came out of a door and

602
00:28:14,000 --> 00:28:10,260
we came back in our own farm and and

603
00:28:16,730 --> 00:28:14,010
that was so fascinating that you saw the

604
00:28:19,100 --> 00:28:16,740
beings that Bob saw and that you saw

605
00:28:20,900 --> 00:28:19,110
yourself as a being of light and Bob saw

606
00:28:24,310 --> 00:28:20,910
you as a being of light so there's quite

607
00:28:28,040 --> 00:28:24,320
a lot of corroboration here of of this

608
00:28:31,190 --> 00:28:28,050
experience it's really fascinating PK

609
00:28:33,440 --> 00:28:31,200
what do you make of this I'm listening

610
00:28:36,200 --> 00:28:33,450
and I'm thinking to myself do you

611
00:28:40,520 --> 00:28:36,210
remember the house number of the place

612
00:28:45,140 --> 00:28:40,530
that you were living then 99 Draper

613
00:28:47,630 --> 00:28:45,150

Avenue 99 that stretch nine is universal

614

00:28:50,020 --> 00:28:47,640

and it's for the world at large and it

615

00:28:56,240 --> 00:28:50,030

deals with this high spirituality of

616

00:28:58,040 --> 00:28:56,250

things in two different places that you

617

00:29:01,520 --> 00:28:58,050

didn't in it has happened let's take a

618

00:29:04,040 --> 00:29:01,530

look at the house numbers yeah how they

619

00:29:06,530 --> 00:29:04,050

connect with your personal years as well

620

00:29:09,950 --> 00:29:06,540

let's see what was drunk what forward

621

00:29:12,230 --> 00:29:09,960

yeah that was really really unusual I

622

00:29:16,330 --> 00:29:12,240

mean everything was different you know

623

00:29:19,070 --> 00:29:16,340

and it just kept moving moving moving

624

00:29:21,430 --> 00:29:19,080

but you guys it's not just the house

625

00:29:24,410 --> 00:29:21,440

with you boss because I know you've had

626

00:29:27,500 --> 00:29:24,420

wild experiences no matter what house

627

00:29:30,410 --> 00:29:27,510

you're in maybe one house is more than

628

00:29:34,070 --> 00:29:30,420

the other but in every house I would put

629

00:29:37,550 --> 00:29:34,080

money on the fact that you've had

630

00:29:39,890 --> 00:29:37,560

paranormal experiences throughout which

631

00:29:42,590 --> 00:29:39,900

is incredible I think is the testament

632

00:29:44,750 --> 00:29:42,600

to your experiences in the past with the

633

00:29:46,310 --> 00:29:44,760

ETS it changes your energy but we're

634

00:29:50,000 --> 00:29:46,320

654
00:30:46,020 --> 00:30:43,450
here with my co-host from Tucson PK and

655
00:30:48,720 --> 00:30:46,030
our incredible guest tonight best

656
00:30:51,330 --> 00:30:48,730
buddies with us we love these people

657
00:30:53,430 --> 00:30:51,340
Betty and Reyes and Luca and Bob Luca

658
00:30:56,190 --> 00:30:53,440
they are the authors of a great new book

659
00:30:57,720 --> 00:30:56,200
and it's right here it is called let me

660
00:31:01,890 --> 00:30:57,730
see if I can get it right in the camera

661
00:31:04,230 --> 00:31:01,900
the lifting of the veil yes there it is

662
00:31:07,799 --> 00:31:04,240
this is a book not to be missed it is

663
00:31:09,630 --> 00:31:07,809

very personal it is very touching and

664

00:31:11,010 --> 00:31:09,640

it's very informational it's got

665

00:31:12,930 --> 00:31:11,020

everything in it you want to know about

666

00:31:15,000 --> 00:31:12,940

these experiences including the

667

00:31:17,340 --> 00:31:15,010

government and what they've been up to

668

00:31:18,480 --> 00:31:17,350

and how they harass people relentlessly

669

00:31:20,310 --> 00:31:18,490

that have been involved in this

670

00:31:21,780 --> 00:31:20,320

phenomenon but right now we've got a

671

00:31:25,340 --> 00:31:21,790

couple questions from the chat room

672

00:31:28,380 --> 00:31:25,350

we're gonna turn to now this one is from

673

00:31:30,810 --> 00:31:28,390

kalatu who is saying good day Betty and

674

00:31:34,289 --> 00:31:30,820

Bob do you remember if your sense of

675

00:31:36,539 --> 00:31:34,299

smell touch taste sound etc in this

676
00:31:38,430 --> 00:31:36,549
place seem familiar or could you detect

677
00:31:39,960 --> 00:31:38,440
something was out of place and this he

678
00:31:42,450 --> 00:31:39,970
was talking about with your abduction

679
00:31:44,520 --> 00:31:42,460
experience when you were both taken

680
00:31:48,150 --> 00:31:44,530
together do you remember anything that

681
00:31:54,760 --> 00:31:51,160
well not in that particular one and an

682
00:31:58,000 --> 00:31:54,770
earlier one I did notice the inside was

683
00:32:01,840 --> 00:31:58,010
cooler than it was outside and it was a

684
00:32:08,220 --> 00:32:01,850
slight odor of mostly after lightning

685
00:32:10,720 --> 00:32:08,230
discharge of possibly ozone oh yes yes

686
00:32:13,870 --> 00:32:10,730
we've heard this before about burning

687
00:32:16,270 --> 00:32:13,880
ozone that when you're looking in on

688
00:32:18,190 --> 00:32:16,280

people at least in the in the past that

689

00:32:20,320 --> 00:32:18,200

you could smell the burning ozone that's

690

00:32:22,720 --> 00:32:20,330

how you know they were around so that's

691

00:32:25,110 --> 00:32:22,730

interesting you bring that up now here's

692

00:32:27,190 --> 00:32:25,120

another question this is from Betsy

693

00:32:29,950 --> 00:32:27,200

Bessie's asking Betty went through

694

00:32:31,960 --> 00:32:29,960

several horrendous tragedies that she

695

00:32:34,360 --> 00:32:31,970

felt the aliens had tried to warn her

696

00:32:34,750 --> 00:32:34,370

about if they foresee events in the

697

00:32:37,720 --> 00:32:34,760

future

698

00:32:41,380 --> 00:32:37,730

and have such amazing abilities why

699

00:32:46,060 --> 00:32:41,390

wouldn't they prevent these events is it

700

00:32:48,850 --> 00:32:46,070

our destiny yeah they told me that they

701
00:32:51,700 --> 00:32:48,860
wouldn't be able to change it I did go

702
00:32:55,450 --> 00:32:51,710
through quite a few things my two sons

703
00:32:59,170 --> 00:32:55,460
were killed in an auto accident and now

704
00:33:01,870 --> 00:32:59,180
I've lost Becky you know of Becky and I

705
00:33:07,000 --> 00:33:01,880
had quite a few hardships because my

706
00:33:09,880 --> 00:33:07,010
ex-husband had just taken off and I had

707
00:33:12,970 --> 00:33:09,890
a big farm to take care of and so it was

708
00:33:14,890 --> 00:33:12,980
difficult very difficult and again

709
00:33:18,490 --> 00:33:14,900
that's what I I commend you I'm being

710
00:33:21,340 --> 00:33:18,500
you know so giving about your personal

711
00:33:23,020 --> 00:33:21,350
life sharing these details and again it

712
00:33:25,450 --> 00:33:23,030
when PK and I were reading this it was

713
00:33:26,920 --> 00:33:25,460

like we were right there with you but

714

00:33:29,200 --> 00:33:26,930

that's a good question from Betsy

715

00:33:32,080 --> 00:33:29,210

because you do wonder why don't they

716

00:33:35,440 --> 00:33:32,090

intervene you know why don't they help

717

00:33:37,630 --> 00:33:35,450

us out and even with Becky that was one

718

00:33:40,120 --> 00:33:37,640

of our questions when she had cancer

719

00:33:42,190 --> 00:33:40,130

why wouldn't they intervene with her she

720

00:33:44,500 --> 00:33:42,200

was just such a talented psychic medium

721

00:33:46,810 --> 00:33:44,510

she went through these experiences of

722

00:33:49,270 --> 00:33:46,820

abduction with you she had her own

723

00:33:49,750 --> 00:33:49,280

Guardians around her but when it came to

724

00:33:52,060 --> 00:33:49,760

this

725

00:33:54,910 --> 00:33:52,070

there was really no help in sight was

726

00:33:57,970 --> 00:33:54,920

there no there wasn't

727

00:33:59,410 --> 00:33:57,980

Becky had a quite a few unusual things

728

00:34:02,800 --> 00:33:59,420

happen and

729

00:34:06,310 --> 00:34:02,810

one thing she used to take pictures of

730

00:34:13,090 --> 00:34:06,320

augus outside her house there were

731

00:34:16,570 --> 00:34:13,100

hundreds of obvious in each job was the

732

00:34:20,200 --> 00:34:16,580

form of a cross so I've never seen

733

00:34:21,940 --> 00:34:20,210

anybody hmm do that before never take a

734

00:34:23,970 --> 00:34:21,950

picture like that and there were

735

00:34:26,350 --> 00:34:23,980

hundreds of them out in her yard

736

00:34:27,700 --> 00:34:26,360

incredible well she was just such a

737

00:34:30,040 --> 00:34:27,710

great talent

738

00:34:32,980 --> 00:34:30,050

she's completely missed here we miss her

739

00:34:34,930 --> 00:34:32,990

dearly and yes she was able to do

740

00:34:37,840 --> 00:34:34,940

incredible things speaking right in the

741

00:34:41,680 --> 00:34:37,850

angelic language and things like that

742

00:34:44,020 --> 00:34:41,690

so yes we miss her terribly and again it

743

00:34:46,870 --> 00:34:44,030

is a question you know we always ask why

744

00:34:49,150 --> 00:34:46,880

didn't they intervene and so here's

745

00:34:50,890 --> 00:34:49,160

Betsy asking the same question about you

746

00:34:52,390 --> 00:34:50,900

Betty and some of the things that you

747

00:34:55,270 --> 00:34:52,400

went through but they explained to you

748

00:34:57,640 --> 00:34:55,280

they don't do that so it's good question

749

00:34:59,710 --> 00:34:57,650

it possibly is it although they can't

750

00:35:01,990 --> 00:34:59,720

intervene but by allowing you to be

751
00:35:04,660 --> 00:35:02,000
aware that they're preparing you in a

752
00:35:07,720 --> 00:35:04,670
way to make it less traumatic for you I

753
00:35:11,020 --> 00:35:07,730
think that is the case yes yeah because

754
00:35:14,050 --> 00:35:11,030
that's what it feels like yeah very

755
00:35:16,990 --> 00:35:14,060
here's a here is a question from Ben

756
00:35:18,850 --> 00:35:17,000
he's asking Bob what did the white

757
00:35:23,710 --> 00:35:18,860
haired beings reveal to you about the

758
00:35:25,630 --> 00:35:23,720
nature and purpose of animals basically

759
00:35:29,500 --> 00:35:25,640
what they said would that we would be

760
00:35:33,070 --> 00:35:29,510
surprised if we knew the importance of

761
00:35:36,670 --> 00:35:33,080
animals and that those people presently

762
00:35:40,780 --> 00:35:36,680
in our realm that mistreat them we'll be

763
00:35:43,030 --> 00:35:40,790

paying later I don't know exactly what

764

00:35:46,270 --> 00:35:43,040

they meant but there would be a severe

765

00:35:52,210 --> 00:35:46,280

penalty to pay for those that mistreated

766

00:35:54,250 --> 00:35:52,220

animals very happy to hear that yes yes

767

00:35:57,640 --> 00:35:54,260

because there's no excuse for that at

768

00:35:59,320 --> 00:35:57,650

all no no we're innocent animals yeah

769

00:36:02,590 --> 00:35:59,330

that's why I'm glad to hear this great

770

00:36:04,240 --> 00:36:02,600

news yipee so people should think twice

771

00:36:06,820 --> 00:36:04,250

before they try to take out their

772

00:36:09,490 --> 00:36:06,830

aggressions on a hopeless and it's an

773

00:36:12,040 --> 00:36:09,500

animal well that's good well then I hope

774

00:36:13,180 --> 00:36:12,050

that answers your question so again so

775

00:36:14,859 --> 00:36:13,190

many things have happened

776

00:36:18,569 --> 00:36:14,869

you I'm like okay my goodness where do

777

00:36:20,859 --> 00:36:18,579

we go next this is this wide field of

778

00:36:24,640 --> 00:36:20,869

experiences with you both but let's take

779

00:36:27,069 --> 00:36:24,650

a look in at some of your experiences

780

00:36:33,160 --> 00:36:27,079

with the government how about if we

781

00:36:37,059 --> 00:36:33,170

start with the helicopters well once the

782

00:36:39,280 --> 00:36:37,069

first book came out in 1979 our house

783

00:36:43,870 --> 00:36:39,290

began to be over flown by black

784

00:36:46,569 --> 00:36:43,880

helicopters mostly hew euh ones that had

785

00:36:50,710 --> 00:36:46,579

no identification numbers on them which

786

00:36:54,670 --> 00:36:50,720

is against federal law they got to be so

787

00:36:55,900 --> 00:36:54,680

often and so low that our neighbors one

788

00:36:58,390 --> 00:36:55,910

of our neighbors who is a City

789

00:37:01,140 --> 00:36:58,400

Councilwoman started to document the

790

00:37:03,970 --> 00:37:01,150

times that these over flights took place

791

00:37:06,040 --> 00:37:03,980

when I contacted ray fowler he thought

792

00:37:10,329 --> 00:37:06,050

well maybe you just happen to be in a

793

00:37:13,859 --> 00:37:10,339

flight path we moved from that house a

794

00:37:16,359 --> 00:37:13,869

year later to Cheshire Connecticut and

795

00:37:18,099 --> 00:37:16,369

lo and behold we weren't there a week

796

00:37:21,849 --> 00:37:18,109

and the flight started over Cheshire

797

00:37:23,980 --> 00:37:21,859

Connecticut they also followed us on

798

00:37:28,000 --> 00:37:23,990

vacation everywhere from New Hampshire

799

00:37:29,980 --> 00:37:28,010

to Florida at times they buzzed our car

800

00:37:32,349 --> 00:37:29,990

while we're on the road in rural areas

801
00:37:34,660 --> 00:37:32,359
at one time they passed over our car to

802
00:37:37,480 --> 00:37:34,670
Juiz passed over us at approximately

803
00:37:41,680 --> 00:37:37,490
fifty to sixty feet of altitude and

804
00:37:43,329 --> 00:37:41,690
that's kind of intimidating I couldn't

805
00:37:46,890 --> 00:37:43,339
resist I had to give the pilots the old

806
00:37:50,050 --> 00:37:46,900
single finger wave to let them know what

807
00:37:52,450 --> 00:37:50,060
well we also had some fun with him I had

808
00:37:55,450 --> 00:37:52,460
a friend in the military that was had a

809
00:37:57,700 --> 00:37:55,460
sense of humor like my own and he made

810
00:37:58,480 --> 00:37:57,710
us an exact replica of a surface-to-air

811
00:38:01,900 --> 00:37:58,490
missile

812
00:38:04,930 --> 00:38:01,910
well the helicopters usually approached

813
00:38:07,359 --> 00:38:04,940

our house from the north so we set up

814

00:38:10,420 --> 00:38:07,369

this missile and the south side of the

815

00:38:14,470 --> 00:38:10,430

house I had flown over the house myself

816

00:38:16,569 --> 00:38:14,480

and I do see where this cement pad was

817

00:38:19,120 --> 00:38:16,579

until you were pretty much over the

818

00:38:20,890 --> 00:38:19,130

house most directly so we set the

819

00:38:23,530 --> 00:38:20,900

missile up there and I told Betty I've

820

00:38:26,980 --> 00:38:23,540

watched I said this should be fun well I

821

00:38:29,830 --> 00:38:26,990

along comes this black huey low-altitude

822

00:38:31,510 --> 00:38:29,840

as he cleared the roof I thought the

823

00:38:33,640 --> 00:38:31,520

blades were going to break he pulled

824

00:38:38,920 --> 00:38:33,650

that into such a sharp right-hand

825

00:38:40,510 --> 00:38:38,930

evasive maneuver sideways Felder I said

826

00:38:41,859 --> 00:38:40,520

I'll bet you that fellas on the way back

827

00:38:47,250 --> 00:38:41,869

to where he came from he gonna get

828

00:38:53,109 --> 00:38:51,250

yes they did not expect that we had a

829

00:38:56,410 --> 00:38:53,119

little fun with them some time to time

830

00:38:58,690 --> 00:38:56,420

but now most people have never found out

831

00:39:02,380 --> 00:38:58,700

exactly where these helicopters came

832

00:39:07,030 --> 00:39:02,390

from there's a very elite army unit

833

00:39:12,370 --> 00:39:07,040

called the night stalkers and they are

834

00:39:14,590 --> 00:39:12,380

base Fort Campbell Kentucky there's

835

00:39:16,270 --> 00:39:14,600

approximately 300 helicopters at that

836

00:39:18,720 --> 00:39:16,280

base it's one of the biggest ones it's

837

00:39:22,330 --> 00:39:18,730

the biggest one in the country

838

00:39:25,510 --> 00:39:22,340

interesting thing is for people that are

839

00:39:27,400 --> 00:39:25,520

familiar with the Betty cash Vickie

840

00:39:32,800 --> 00:39:27,410

Landrum case where they were severely

841

00:39:35,680 --> 00:39:32,810

got radiation burns as this UFO hovered

842

00:39:37,930 --> 00:39:35,690

over their car twenty three Chinook

843

00:39:41,800 --> 00:39:37,940

helicopters showed up and escorted that

844

00:39:43,930 --> 00:39:41,810

thing away those helicopters had to

845

00:39:45,940 --> 00:39:43,940

belong to the US government nobody else

846

00:39:48,790 --> 00:39:45,950

can afford to operate 23 of those

847

00:39:51,670 --> 00:39:48,800

helicopters but the part that really

848

00:39:54,310 --> 00:39:51,680

irritates me the government denied any

849

00:39:56,650 --> 00:39:54,320

involvement those women and the grandson

850

00:39:59,560 --> 00:39:56,660

suffered rates severe radiation burns

851

00:40:01,780 --> 00:39:59,570

the skin blistering hair falling out the

852

00:40:04,810 --> 00:40:01,790

government would never admit to

853

00:40:08,950 --> 00:40:04,820

involvement they never paid a penny for

854

00:40:13,300 --> 00:40:08,960

their medical care and this all started

855

00:40:17,620 --> 00:40:13,310

back in Roswell I want to believe that

856

00:40:21,130 --> 00:40:17,630

or not this is a huge this is a huge

857

00:40:23,710 --> 00:40:21,140

problem how that that craft was one of

858

00:40:26,380 --> 00:40:23,720

ours and something was malfunctioning

859

00:40:31,500 --> 00:40:26,390

and these people got caught up in its

860

00:40:34,359 --> 00:40:31,510

wake and they they were harmed for sure

861

00:40:36,070 --> 00:40:34,369

yet we have all of this denial going on

862

00:40:38,710 --> 00:40:36,080

and these poor people never get any

863

00:40:40,480 --> 00:40:38,720

medical support any help now didn't I

864

00:40:43,180 --> 00:40:40,490

think one of them even passed away

865

00:40:50,200 --> 00:40:43,190

from the experience didn't they one of

866

00:40:53,560 --> 00:40:50,210

them did yes but anyways it's a terrible

867

00:40:55,750 --> 00:40:53,570

situation because not only do abductees

868

00:41:00,130 --> 00:40:55,760

we've talked about this a lot get a lot

869

00:41:02,560 --> 00:41:00,140

of guff from everybody else who doesn't

870

00:41:04,600 --> 00:41:02,570

understand the phenomenon but they also

871

00:41:07,120 --> 00:41:04,610

get harassed by the government so you

872

00:41:11,530 --> 00:41:07,130

guys get it from all sides you don't get

873

00:41:14,109 --> 00:41:11,540

any kind of a break with us well if if

874

00:41:18,609 --> 00:41:14,119

we go back to Roswell after Roswell

875

00:41:23,170 --> 00:41:18,619

happened policies were set in place the

876

00:41:27,310 --> 00:41:23,180

policies were range from denial ridicule

877

00:41:31,420 --> 00:41:27,320

and intimidation because of those

878

00:41:33,880 --> 00:41:31,430

policies everyone in the future that

879

00:41:36,550 --> 00:41:33,890

that reported something serious and I'll

880

00:41:41,170 --> 00:41:36,560

start with Betty and Barney Hill mm-hmm

881

00:41:43,450 --> 00:41:41,180

my wife and I herbert Shermer police

882

00:41:46,300 --> 00:41:43,460

officer he lost his job lost his home

883

00:41:48,820 --> 00:41:46,310

lost his wife Lonnie Zamora state

884

00:41:51,580 --> 00:41:48,830

trooper had a highly credible sighting

885

00:41:53,500 --> 00:41:51,590

of an a UFO on the ground he was so

886

00:41:56,050 --> 00:41:53,510

harassed he gave up his job as a state

887

00:41:59,170 --> 00:41:56,060

trooper was managing a gasoline station

888

00:42:01,480 --> 00:41:59,180

and right up to today with Larry Warren

889

00:42:04,590 --> 00:42:01,490

who reported the incident of Bentwaters

890

00:42:07,210 --> 00:42:04,600

he is still being attacked to this day

891

00:42:10,060 --> 00:42:07,220

because of policies that the government

892

00:42:12,160 --> 00:42:10,070

put in effect and you know my view is

893

00:42:14,680 --> 00:42:12,170

hey it's because these policies have

894

00:42:16,690 --> 00:42:14,690

room people's lives honest people that

895

00:42:17,770 --> 00:42:16,700

are behaving what they've seen I think

896

00:42:18,430 --> 00:42:17,780

the government ought to be held

897

00:42:21,700 --> 00:42:18,440

accountable

898

00:42:23,950 --> 00:42:21,710

I agree cause I think it's time then it

899

00:42:25,210 --> 00:42:23,960

happened and one word about Roswell to

900

00:42:29,620 --> 00:42:25,220

that I like to get in because people

901
00:42:32,320 --> 00:42:29,630
have been so misled they think that the

902
00:42:34,150 --> 00:42:32,330
balloon supposed project mogul that

903
00:42:38,050 --> 00:42:34,160
crashed at Roswell was an isolated

904
00:42:40,930 --> 00:42:38,060
incident it was not the government

905
00:42:43,710 --> 00:42:40,940
contracted New York University not only

906
00:42:46,510 --> 00:42:43,720
to set up those balloon trains but to

907
00:42:48,940 --> 00:42:46,520
figure the best way to control them and

908
00:42:50,349 --> 00:42:48,950
track them and by control I mean they

909
00:42:54,220 --> 00:42:50,359
wanted balloons that would stay between

910
00:42:57,250 --> 00:42:54,230
30 and 40,000 feet they had so nouns

911
00:43:00,280 --> 00:42:57,260
bars attached to listen for the Soviets

912
00:43:03,220 --> 00:43:00,290
setting off nuclear devices that was the

913
00:43:05,290 --> 00:43:03,230

whole purpose of them well in the first

914

00:43:06,940 --> 00:43:05,300

place there was a hundred and ten of

915

00:43:09,160 --> 00:43:06,950

those balloons launched and they're not

916

00:43:12,520 --> 00:43:09,170

still up there so obviously they all

917

00:43:14,590 --> 00:43:12,530

came down right when one crashed at

918

00:43:19,050 --> 00:43:14,600

Roswell supposedly crashed at Roswell

919

00:43:22,710 --> 00:43:19,060

they said that meth major Jesse Marcel

920

00:43:27,820 --> 00:43:22,720

couldn't identify neoprene balloons

921

00:43:31,960 --> 00:43:27,830

plastic this the sonobuoy was had an

922

00:43:35,950 --> 00:43:31,970

aluminum frame vacuum to an assortment

923

00:43:38,170 --> 00:43:35,960

of vacuum tubes wires the radar

924

00:43:40,240 --> 00:43:38,180

reflector was made of tin foil not

925

00:43:41,980 --> 00:43:40,250

anybody in the military especially that

926
00:43:44,140 --> 00:43:41,990
had a cigarette or a Hershey bar I knew

927
00:43:48,430 --> 00:43:44,150
what tin foil was and yet they claimed

928
00:43:50,920 --> 00:43:48,440
major myself couldn't tell okay that's

929
00:43:53,859 --> 00:43:50,930
not bad enough what I did find out and

930
00:43:56,560 --> 00:43:53,869
is documented every one of those things

931
00:43:57,790 --> 00:43:56,570
had a return to tag on him the army

932
00:44:00,190 --> 00:43:57,800
didn't want to be involved when they

933
00:44:04,030 --> 00:44:00,200
came down so they had return tags that

934
00:44:06,099 --> 00:44:04,040
said return to n New York University now

935
00:44:08,080 --> 00:44:06,109
as our military that stupid they

936
00:44:08,700 --> 00:44:08,090
couldn't read at the time I don't think

937
00:44:11,140 --> 00:44:08,710
so

938
00:44:12,010 --> 00:44:11,150

yeah they couldn't read a tag yeah

939

00:44:14,470 --> 00:44:12,020

exactly

940

00:44:15,849 --> 00:44:14,480

no that's a very good point Bob as an

941

00:44:19,270 --> 00:44:15,859

excellent point

942

00:44:21,880 --> 00:44:19,280

yeah it's it's just it's it's beyond

943

00:44:23,740 --> 00:44:21,890

insane that they get away with this it

944

00:44:24,010 --> 00:44:23,750

is beyond insane that they get away with

945

00:44:26,590 --> 00:44:24,020

it

946

00:44:29,230 --> 00:44:26,600

now here's here's the question again I

947

00:44:32,230 --> 00:44:29,240

says many abductees have the unusual Rh

948

00:44:34,620 --> 00:44:32,240

negative blood type dude does Betty Bob

949

00:44:41,980 --> 00:44:34,630

or any her family have this blood type

950

00:44:43,120 --> 00:44:41,990

my dad Betty sister viola I think twins

951
00:44:46,599 --> 00:44:43,130
were born

952
00:44:51,910 --> 00:44:46,609
my sister violet and a boy and the boy

953
00:44:54,310 --> 00:44:51,920
was born still still baby so it's still

954
00:45:00,430 --> 00:44:54,320
fine that's because of that so yes

955
00:45:04,750 --> 00:45:00,440
that's now here's the rest of it excuse

956
00:45:06,550 --> 00:45:04,760
me the question are there hybrids coming

957
00:45:07,690 --> 00:45:06,560
into our world now because you talk

958
00:45:10,599 --> 00:45:07,700
about eggs being

959
00:45:12,430 --> 00:45:10,609
in fetuses being taken are the hybrids

960
00:45:15,130 --> 00:45:12,440
coming into our world that's what they

961
00:45:18,099 --> 00:45:15,140
want to know well you know I can't speak

962
00:45:19,660 --> 00:45:18,109
on that personally because I don't I

963
00:45:22,720 --> 00:45:19,670

don't like to speak on anything that I

964

00:45:24,819 --> 00:45:22,730

haven't experienced or researched it

965

00:45:26,079 --> 00:45:24,829

appears that's the case but I mean

966

00:45:30,370 --> 00:45:26,089

there's no way I could tell anyone for

967

00:45:35,440 --> 00:45:30,380

sure that that's this upset sometimes I

968

00:45:38,289 --> 00:45:35,450

thought I'm a high priest are you

969

00:45:41,650 --> 00:45:38,299

because a few facts

970

00:45:44,349 --> 00:45:41,660

my mother had when she was younger a tip

971

00:45:47,039 --> 00:45:44,359

it might have been a dream but she said

972

00:45:50,589 --> 00:45:47,049

there were these small people on her bed

973

00:45:52,900 --> 00:45:50,599

walking in a circle saying saying

974

00:45:54,849 --> 00:45:52,910

different things and she thought they

975

00:45:59,079 --> 00:45:54,859

were swearing at her now it could have

976

00:46:03,220 --> 00:45:59,089

been a dream only thing is after that

977

00:46:06,160 --> 00:46:03,230

happened in Ashba ham the investigators

978

00:46:08,170 --> 00:46:06,170

wanted to know if they could speak with

979

00:46:10,150 --> 00:46:08,180

my father because of course he was at

980

00:46:14,170 --> 00:46:10,160

first to see them coming down the hill

981

00:46:16,480 --> 00:46:14,180

and so I asked my mother and I said mama

982

00:46:19,000 --> 00:46:16,490

do you mind if they come over to see you

983

00:46:21,130 --> 00:46:19,010

she said no no no Betty don't send them

984

00:46:26,650 --> 00:46:21,140

over here and he she wasn't talking

985

00:46:29,109 --> 00:46:26,660

about the investigators she thought so

986

00:46:30,640 --> 00:46:29,119

she was scared of them yeah she was

987

00:46:33,549 --> 00:46:30,650

quite afraid because she was in the

988

00:46:36,910 --> 00:46:33,559

living room when they came in as well I

989

00:46:42,099 --> 00:46:36,920

think put my mother and the children in

990

00:46:44,980 --> 00:46:42,109

a state of suspended animation right be

991

00:46:47,280 --> 00:46:44,990

another coincidence my mother also had

992

00:46:50,950 --> 00:46:47,290

an experience where she remembered the

993

00:46:53,319 --> 00:46:50,960

inside of a craft but she would never

994

00:46:55,180 --> 00:46:53,329

undergo hypnosis she was afraid of it

995

00:46:57,549 --> 00:46:55,190

until the day she died she would never

996

00:46:59,440 --> 00:46:57,559

talk about it and I never undergo

997

00:47:03,460 --> 00:46:59,450

hypnosis even though we tried to get her

998

00:47:05,980 --> 00:47:03,470

to go several times well they say that

999

00:47:07,599 --> 00:47:05,990

this is yeah but I think this is

1000

00:47:10,450 --> 00:47:07,609

intergenerational we've had enough

1001
00:47:12,400 --> 00:47:10,460
guests on the show that have David

1002
00:47:14,289 --> 00:47:12,410
Jacobs who've talked about this and they

1003
00:47:16,420 --> 00:47:14,299
say it just goes from one generation to

1004
00:47:18,299 --> 00:47:16,430
the next so certainly it would make

1005
00:47:21,029 --> 00:47:18,309
sense it's in both of your families

1006
00:47:23,819 --> 00:47:21,039
there's another question

1007
00:47:26,099 --> 00:47:23,829
this one is about but this year's

1008
00:47:31,620 --> 00:47:26,109
another question is what do you think is

1009
00:47:33,390 --> 00:47:31,630
going on in Marfa Texas I don't know you

1010
00:47:34,469 --> 00:47:33,400
guys ever hear of something going on in

1011
00:47:36,150 --> 00:47:34,479
Marfa Texas

1012
00:47:43,109 --> 00:47:36,160
yeah they talking about the Marfa lights

1013
00:47:46,109 --> 00:47:43,119

I assume that's what you're right yeah

1014

00:47:49,169 --> 00:47:46,119

they they said that scientists tried to

1015

00:47:51,539 --> 00:47:49,179

explain them away as reflections of car

1016

00:47:53,489 --> 00:47:51,549

headlights miles away and all but the

1017

00:47:55,529 --> 00:47:53,499

Indians have been reporting those for

1018

00:47:57,689 --> 00:47:55,539

hundreds of years and there were no car

1019

00:48:00,390 --> 00:47:57,699

headlights at that time it's some type

1020

00:48:02,159 --> 00:48:00,400

of either natural phenomena or something

1021

00:48:05,039 --> 00:48:02,169

that we're just don't understand

1022

00:48:08,189 --> 00:48:05,049

scientifically hmm

1023

00:48:10,079 --> 00:48:08,199

okay thank you for that now here's a

1024

00:48:12,359 --> 00:48:10,089

question for Betty Betty most of your

1025

00:48:15,269 --> 00:48:12,369

experiences seem to involve the topic of

1026

00:48:18,419 --> 00:48:15,279

spiritual growth will you please give us

1027

00:48:25,620 --> 00:48:18,429

some idea of what exactly spiritual

1028

00:48:30,140 --> 00:48:25,630

growth means to you well in 1967 when I

1029

00:48:34,620 --> 00:48:30,150

had that experience the one in the light

1030

00:48:38,159 --> 00:48:34,630

had spoken to me I feel that God is

1031

00:48:41,339 --> 00:48:38,169

involved in all of this we don't know

1032

00:48:44,239 --> 00:48:41,349

why you know why it's happening the way

1033

00:48:48,569 --> 00:48:44,249

it is but I do feel that he is very much

1034

00:48:53,880 --> 00:48:48,579

involved in all of this going on so we

1035

00:48:55,559 --> 00:48:53,890

shouldn't fear okay so okay so that's

1036

00:48:58,859 --> 00:48:55,569

important because I know a lot of people

1037

00:48:59,969 --> 00:48:58,869

do get afraid of this experience and

1038

00:49:03,559 --> 00:48:59,979

some people have not had good

1039

00:49:05,789 --> 00:49:03,569

experiences you've had a pretty unusual

1040

00:49:10,709 --> 00:49:05,799

experience both of you this way where

1041

00:49:12,539 --> 00:49:10,719

you weren't tortured so that's good but

1042

00:49:15,120 --> 00:49:12,549

you did have some startling things

1043

00:49:17,099 --> 00:49:15,130

happen and that's all in the book about

1044

00:49:19,890 --> 00:49:17,109

your eye being taken out and then

1045

00:49:22,709 --> 00:49:19,900

putting some kind of device in to your

1046

00:49:24,329 --> 00:49:22,719

brain so that it wasn't all you know a

1047

00:49:27,989 --> 00:49:24,339

walk in the park for you either

1048

00:49:29,999 --> 00:49:27,999

but you were able to somehow work with

1049

00:49:33,059 --> 00:49:30,009

all of this information and still feel

1050

00:49:35,000 --> 00:49:33,069

like things are being done for good

1051

00:49:38,849 --> 00:49:35,010

right

1052

00:49:42,270 --> 00:49:38,859

90-something in 1967 when I stood before

1053

00:49:45,420 --> 00:49:42,280

the light I heard the boys say to me I

1054

00:49:48,660 --> 00:49:45,430

have chosen you to show the world now

1055

00:49:51,450 --> 00:49:48,670

fifty years have gone by fifty years and

1056

00:49:54,270 --> 00:49:51,460

I was saying to Bob what am I supposed

1057

00:49:57,270 --> 00:49:54,280

to show he says you've already fulfilled

1058

00:49:59,960 --> 00:49:57,280

it he says you've telling that people

1059

00:50:03,540 --> 00:49:59,970

what has happened to you you filled that

1060

00:50:07,290 --> 00:50:03,550

already so right a lot better after you

1061

00:50:08,990 --> 00:50:07,300

said thank you yes and it's true and

1062

00:50:11,490 --> 00:50:09,000

you've come through so many of your own

1063

00:50:14,099 --> 00:50:11,500

hardships and we all have them in our

1064

00:50:17,220 --> 00:50:14,109

lives but again you're a shining example

1065

00:50:18,900 --> 00:50:17,230

both of you to everybody who goes

1066

00:50:20,790 --> 00:50:18,910

through hard times and know that you can

1067

00:50:23,040 --> 00:50:20,800

come out the other side of it now here's

1068

00:50:25,470 --> 00:50:23,050

another comment the government continues

1069

00:50:27,510 --> 00:50:25,480

to be in denial and if Betty and Bob

1070

00:50:30,270 --> 00:50:27,520

didn't experience alien beings

1071

00:50:34,230 --> 00:50:30,280

why bother harassing them and others

1072

00:50:37,440 --> 00:50:34,240

obviously their story is true supposedly

1073

00:50:40,890 --> 00:50:37,450

there are 65 alien types visiting earth

1074

00:50:43,710 --> 00:50:40,900

some benevolent and some malevolent what

1075

00:50:47,160 --> 00:50:43,720

do you think about their agenda for our

1076

00:50:49,500 --> 00:50:47,170

world I think the most honest answer is

1077

00:50:52,020 --> 00:50:49,510

that none of the investigators out there

1078

00:50:55,319 --> 00:50:52,030

really have a clue because the fact

1079

00:50:57,660 --> 00:50:55,329

there are so many each one probably with

1080

00:51:00,390 --> 00:50:57,670

their own agenda and that makes it very

1081

00:51:02,490 --> 00:51:00,400

difficult to sort out just what's which

1082

00:51:05,579 --> 00:51:02,500

group is doing what

1083

00:51:07,260 --> 00:51:05,589

as far as are they here you know a lot

1084

00:51:08,970 --> 00:51:07,270

of people may not listen to people like

1085

00:51:11,430 --> 00:51:08,980

Betty and I or others that have had

1086

00:51:13,349 --> 00:51:11,440

experiences but you have to remember you

1087

00:51:15,660 --> 00:51:13,359

have people like Wernher von Braun who

1088

00:51:18,180 --> 00:51:15,670

got us to the moon admitting that

1089

00:51:19,950 --> 00:51:18,190

there's aliens you have been rich who

1090

00:51:22,020 --> 00:51:19,960

was a head of Lockheed skunkworks

1091

00:51:24,120 --> 00:51:22,030

who said not only do we have alien

1092

00:51:26,819 --> 00:51:24,130

technology but we have the means to fly

1093

00:51:28,770 --> 00:51:26,829

it among the stars now you have

1094

00:51:31,680 --> 00:51:28,780

astronauts that have come forth with

1095

00:51:34,230 --> 00:51:31,690

their stories absolutely they're here do

1096

00:51:38,880 --> 00:51:34,240

we know exactly why I don't think anyone

1097

00:51:41,059 --> 00:51:38,890

knows the whole story is yet you know

1098

00:51:43,710 --> 00:51:41,069

we'd like to know though and then we had

1099

00:51:46,440 --> 00:51:43,720

in sixty minutes interview Robert

1100

00:51:47,650 --> 00:51:46,450

Bigelow came out the billionaire who

1101
00:51:49,930 --> 00:51:47,660
works with NASA

1102
00:51:51,790 --> 00:51:49,940
and said they're here and the

1103
00:51:53,710 --> 00:51:51,800
interviewer said where are they and he

1104
00:51:56,290 --> 00:51:53,720
said they're right under our noses

1105
00:51:57,250 --> 00:51:56,300
and what an interesting response right

1106
00:52:00,820 --> 00:51:57,260
very true

1107
00:52:03,250 --> 00:52:00,830
so I guess them right under our noses so

1108
00:52:06,640 --> 00:52:03,260
yeah the hybrids according to David

1109
00:52:08,620 --> 00:52:06,650
Jacobs are here and there's a lot

1110
00:52:11,830 --> 00:52:08,630
happening but I know you two have been

1111
00:52:14,110 --> 00:52:11,840
at the forefront of this for so long and

1112
00:52:15,850 --> 00:52:14,120
you have so much more to share we want

1113
00:52:19,060 --> 00:52:15,860

to get into more of the government

1114

00:52:21,730 --> 00:52:19,070

harassment the men and black experiences

1115

00:52:24,460 --> 00:52:21,740

that you've had the fact that you two

1116

00:52:26,560 --> 00:52:24,470

were drugged in your own home we want to

1117

00:52:29,800 --> 00:52:26,570

hear more about that is horrible that is

1118

00:52:31,900 --> 00:52:29,810

that is it definitely happened and I'm

1119

00:52:33,850 --> 00:52:31,910

also a witness to this because this is

1120

00:52:37,240 --> 00:52:33,860

how I met you guys when I was called

1121

00:52:39,190 --> 00:52:37,250

into the investigation years ago there

1122

00:52:42,130 --> 00:52:39,200

were black helicopters over my house

1123

00:52:45,040 --> 00:52:42,140

three days after I met you for the first

1124

00:52:49,030 --> 00:52:45,050

time in Cheshire and they were flying so

1125

00:52:52,450 --> 00:52:49,040

low that they bent the trees over the

1126

00:52:54,370 --> 00:52:52,460

back wash bent the trees over to the

1127

00:52:55,870 --> 00:52:54,380

point where they touched the ground so I

1128

00:52:59,200 --> 00:52:55,880

know exactly what you're talking about

1129

00:53:01,810 --> 00:52:59,210

I'm a witness to it it's all true and

1130

00:53:03,400 --> 00:53:01,820

we're so happy to have you here on the

1131

00:53:05,800 --> 00:53:03,410

show with us tonight letting everybody

1132

00:53:09,390 --> 00:53:05,810

1159

00:54:12,790 --> 00:54:12,050

back everyone to super national girls

1160

00:54:14,740 --> 00:54:12,800

radio

1161

00:54:17,770 --> 00:54:14,750

I'm your host Patricia Baker here with

1162

00:54:18,700 --> 00:54:17,780

my co-host PK and our great guests have

1163

00:54:22,390 --> 00:54:18,710

loved so much

1164

00:54:24,190 --> 00:54:22,400

Betty Andreassen Lucca and Bob Lucca and

1165

00:54:26,260 --> 00:54:24,200

we are talking about their new book

1166

00:54:29,920 --> 00:54:26,270

tonight it is called a lifting of the

1167

00:54:31,990 --> 00:54:29,930

veil a great book very personal book

1168

00:54:34,030 --> 00:54:32,000

don't miss it make sure you pick that up

1169

00:54:36,760 --> 00:54:34,040

and a copy of the reprint of the

1170

00:54:38,470 --> 00:54:36,770

Andreassen affair so that you can have

1171

00:54:43,110 --> 00:54:38,480

all the latest and greatest information

1172

00:54:46,690 --> 00:54:43,120

and we were talking off the air about

1173

00:54:48,730 --> 00:54:46,700

the information that Betty you received

1174

00:54:51,850 --> 00:54:48,740

from the beings about their propulsion

1175

00:54:55,210 --> 00:54:51,860

now Bob you were explaining it and what

1176

00:54:59,230 --> 00:54:55,220

it really means yeah

1177

00:55:02,500 --> 00:54:59,240

in 1967 when Betty was shown their craft

1178

00:55:04,360 --> 00:55:02,510

this particular craft they showed her

1179

00:55:08,050 --> 00:55:04,370

that part of the propulsion system

1180

00:55:10,390 --> 00:55:08,060

consisted of a huge Wow look like a

1181

00:55:12,490 --> 00:55:10,400

donut it is the best way I can describe

1182

00:55:15,400 --> 00:55:12,500

it they went completely around the

1183

00:55:18,640 --> 00:55:15,410

inside of the craft and this donut was

1184

00:55:22,180 --> 00:55:18,650

filled with liquid mercury and rotated

1185

00:55:23,950 --> 00:55:22,190

at a very high speed well nobody paid

1186

00:55:27,070 --> 00:55:23,960

attention to it in the first book cause

1187

00:55:29,950 --> 00:55:27,080

people weren't aware but today we have

1188

00:55:32,980 --> 00:55:29,960

an aircraft called the tr-3b and several

1189

00:55:36,400 --> 00:55:32,990

other models lawsuits of that that in

1190

00:55:39,370 --> 00:55:36,410

fact use liquid mercury rotating in a

1191

00:55:42,040 --> 00:55:39,380

cylinder and a cylindrical tube because

1192

00:55:45,160 --> 00:55:42,050

what they found is that when it's revved

1193

00:55:49,180 --> 00:55:45,170

up high enough under high atmospheric

1194

00:55:52,720 --> 00:55:49,190

pressure it negates gravity by 90 by 89%

1195

00:55:54,250 --> 00:55:52,730

and no one knew that in 1967 so that

1196

00:56:01,260 --> 00:55:54,260

kind of got missed when the first book

1197

00:56:06,850 --> 00:56:03,880

exactly and it's this is right in line

1198

00:56:11,950 --> 00:56:06,860

with Betty Hill star chart - mm-hmm

1199

00:56:14,030 --> 00:56:11,960

exactly recently my daughter was over

1200

00:56:16,820 --> 00:56:14,040

bonny was over and

1201

00:56:20,090 --> 00:56:16,830

she was going over her sisters for

1202

00:56:22,280 --> 00:56:20,100

Thanksgiving and we happen to talk about

1203

00:56:24,380 --> 00:56:22,290

when they were kids they they were

1204

00:56:26,240 --> 00:56:24,390

wondering where the cellar door was to

1205

00:56:29,150 --> 00:56:26,250

get in the old house that we had and we

1206

00:56:33,260 --> 00:56:29,160

changed a lot of the house and so

1207

00:56:37,010 --> 00:56:33,270

anyways she told me that they lived

1208

00:56:41,240 --> 00:56:37,020

there if they were outside the kids

1209

00:56:44,840 --> 00:56:41,250

found mercury in the yard and they were

1210

00:56:48,230 --> 00:56:44,850

holding my night with it like wow right

1211

00:56:50,720 --> 00:56:48,240

Joe I didn't realize I said why didn't

1212

00:56:54,250 --> 00:56:50,730

you tell me that's poisonous you know

1213

00:56:57,620 --> 00:56:54,260

and I thought also the craft that landed

1214

00:56:58,880 --> 00:56:57,630

up in the back of the house on a slight

1215

00:57:02,360 --> 00:56:58,890

hill

1216

00:57:05,810 --> 00:57:02,370

perhaps that was some of their mercury

1217

00:57:09,650 --> 00:57:05,820

liquid in some way leaking out in the

1218

00:57:12,080 --> 00:57:09,660

the lawn or the ground below because

1219

00:57:15,830 --> 00:57:12,090

grass would no longer grow there

1220

00:57:18,530 --> 00:57:15,840

so yes exactly I don't know what

1221

00:57:20,690 --> 00:57:18,540

happened to my God was like whatever I

1222

00:57:23,420 --> 00:57:20,700

govern it government but somebody took

1223

00:57:25,610 --> 00:57:23,430

all that whole land away it now goes

1224

00:57:28,730 --> 00:57:25,620

down like this when it was a big hill

1225

00:57:32,180 --> 00:57:28,740

where the crab had landed so they must

1226
00:57:35,630 --> 00:57:32,190
have taken the soil to find out if there

1227
00:57:39,740 --> 00:57:35,640
was any leakage like that there was a

1228
00:57:42,320 --> 00:57:39,750
dream it's oil handedness yeah yes it's

1229
00:57:45,650 --> 00:57:42,330
as if they were closely watching us I

1230
00:57:48,920 --> 00:57:45,660
also had some other drawings that I made

1231
00:57:51,140 --> 00:57:48,930
of the craft and when we were gone we

1232
00:57:53,990 --> 00:57:51,150
were going to a lecture when we got back

1233
00:57:56,510 --> 00:57:54,000
home we were living in the trailer at

1234
00:58:00,410 --> 00:57:56,520
that time somebody broke in and they

1235
00:58:02,810 --> 00:58:00,420
didn't take anything of value except one

1236
00:58:06,770 --> 00:58:02,820
or two of those drawings that I draw

1237
00:58:11,930 --> 00:58:06,780
drawings see there's something

1238
00:58:14,540 --> 00:58:11,940

interesting there now you wanted to say

1239

00:58:17,420 --> 00:58:14,550

that we that was in a rural area so we

1240

00:58:21,260 --> 00:58:17,430

had to call the State Police and we told

1241

00:58:23,960 --> 00:58:21,270

them that we were involved yes and he

1242

00:58:25,100 --> 00:58:23,970

said well when I if I find something out

1243

00:58:27,500 --> 00:58:25,110

I will tell you

1244

00:58:30,200 --> 00:58:27,510

a week later I went

1245

00:58:32,210 --> 00:58:30,210

to the troopers office and I was

1246

00:58:33,890 --> 00:58:32,220

informed by another trooper that this

1247

00:58:36,470 --> 00:58:33,900

fella had been transferred and they

1248

00:58:38,600 --> 00:58:36,480

didn't know where they could get in

1249

00:58:40,730 --> 00:58:38,610

touch really that happened with the

1250

00:58:46,930 --> 00:58:40,740

Federal Aviation Administration as well

1251

00:59:00,020 --> 00:58:56,210

yeah they try to get them out of the way

1252

00:59:02,030 --> 00:59:00,030

now you had an experience also but it's

1253

00:59:03,860 --> 00:59:02,040

horrific I'd love you to tell that story

1254

00:59:05,030 --> 00:59:03,870

and people need to hear this they need

1255

00:59:06,800 --> 00:59:05,040

to know that this is what our government

1256

00:59:11,080 --> 00:59:06,810

or shadow government whoever the heck

1257

00:59:14,900 --> 00:59:13,490

which experience were you referring to I

1258

00:59:17,810 --> 00:59:14,910

didn't you broke up a little bit I

1259

00:59:22,100 --> 00:59:17,820

didn't hear the beginning you you were

1260

00:59:24,860 --> 00:59:22,110

drugged in your own home okay but I went

1261

00:59:27,830 --> 00:59:24,870

to see you heard the note went for your

1262

00:59:31,910 --> 00:59:27,840

gun well yeah we're living in Cheshire

1263

00:59:34,880 --> 00:59:31,920

Connecticut and we had retired for the

1264

00:59:36,860 --> 00:59:34,890

evening and about it was pretty late

1265

00:59:37,730 --> 00:59:36,870

probably 2 3 in the morning something

1266

00:59:41,000 --> 00:59:37,740

like that

1267

00:59:44,860 --> 00:59:41,010

I heard distinctly heard do men talking

1268

00:59:47,240 --> 00:59:44,870

in our kitchen now the kitchen was

1269

00:59:48,860 --> 00:59:47,250

outside of our bedroom was a small

1270

00:59:49,490 --> 00:59:48,870

hallway and then the kitchen was off to

1271

00:59:52,760 --> 00:59:49,500

the right

1272

00:59:55,280 --> 00:59:52,770

I could hear these men clearly as I

1273

00:59:58,000 --> 00:59:55,290

looked up he had a large Belgian

1274

01:00:02,060 --> 00:59:58,010

Shepherd a dog he weighed about 90 95

1275

01:00:03,920 --> 01:00:02,070

pounds the door got up his front paws

1276

01:00:06,590 --> 01:00:03,930

slid out from under him and he fell

1277

01:00:09,260 --> 01:00:06,600

right on his face so I saw hold this

1278

01:00:12,830 --> 01:00:09,270

this can't be good I reach in my

1279

01:00:16,130 --> 01:00:12,840

nightstand they get my pistol and the

1280

01:00:19,940 --> 01:00:16,140

next thing I know is morning I have a

1281

01:00:21,860 --> 01:00:19,950

terrible headache and Betty got up and

1282

01:00:25,040 --> 01:00:21,870

she had a terrible headache as well

1283

01:00:28,430 --> 01:00:25,050

besides wow that's like a hangover but

1284

01:00:31,580 --> 01:00:28,440

without having anything to drink so we

1285

01:00:34,370 --> 01:00:31,590

went to our respective jobs at the end

1286

01:00:37,070 --> 01:00:34,380

of the day she came home I came home and

1287

01:00:39,440 --> 01:00:37,080

she said gee she said my left arm has

1288

01:00:41,250 --> 01:00:39,450

been hurting me all day and I said

1289

01:00:44,610 --> 01:00:41,260

that's funny I says my right arm is

1290

01:00:47,580 --> 01:00:44,620

really painting me all day they - she's

1291

01:00:50,940 --> 01:00:47,590

right-handed I'm left-handed so we took

1292

01:00:53,190 --> 01:00:50,950

off our shirts and right about in the

1293

01:00:56,550 --> 01:00:53,200

place where you usually get a normal

1294

01:00:58,620 --> 01:00:56,560

needle or vaccination puncture mark and

1295

01:01:01,170 --> 01:00:58,630

approximately an inch and 1/4 diameter

1296

01:01:04,050 --> 01:01:01,180

black and blue mark around it both on

1297

01:01:07,620 --> 01:01:04,060

both of us later on I had a chance to

1298

01:01:09,180 --> 01:01:07,630

talk to our family doctor and I asked

1299

01:01:10,290 --> 01:01:09,190

him I said should we have gone to the

1300

01:01:12,390 --> 01:01:10,300

hospital you know

1301
01:01:15,570 --> 01:01:12,400
could that have shown what was injected

1302
01:01:18,300 --> 01:01:15,580
into us and he said no by that time it

1303
01:01:21,480 --> 01:01:18,310
just would have it would have shown up

1304
01:01:23,910 --> 01:01:21,490
on any test and why we were left in a

1305
01:01:26,760 --> 01:01:23,920
bad way here we thought well we could

1306
01:01:28,650 --> 01:01:26,770
call the police but then again a police

1307
01:01:31,340 --> 01:01:28,660
gonna believe you you know somebody came

1308
01:01:33,990 --> 01:01:31,350
in a house and put you out with a drug

1309
01:01:35,640 --> 01:01:34,000
that they knowing that we're in a UFO

1310
01:01:38,580 --> 01:01:35,650
phenomena thought we're nuts

1311
01:01:40,380 --> 01:01:38,590
so we just had to let it go but I just

1312
01:01:42,810 --> 01:01:40,390
wish I was awake a little bit longer

1313
01:01:45,630 --> 01:01:42,820

because government agency government

1314

01:01:48,270 --> 01:01:45,640

Asia or not being in our house like that

1315

01:01:50,670 --> 01:01:48,280

I would have shot the person yeah I mean

1316

01:01:52,650 --> 01:01:50,680

it's it's unbelievable that they would

1317

01:01:55,080 --> 01:01:52,660

attempt to do this that they did it and

1318

01:01:57,200 --> 01:01:55,090

they get away with it I mean it's it's

1319

01:02:00,360 --> 01:01:57,210

to me this is unconscionable

1320

01:02:01,830 --> 01:02:00,370

it really is it's a horrible thing and

1321

01:02:03,150 --> 01:02:01,840

then at the same time they're speaking

1322

01:02:04,470 --> 01:02:03,160

out of both sides of their mouths

1323

01:02:07,200 --> 01:02:04,480

because on the one hand they're saying

1324

01:02:09,630 --> 01:02:07,210

there's no such thing as UFOs on the

1325

01:02:12,150 --> 01:02:09,640

other side they're following you they're

1326

01:02:13,920 --> 01:02:12,160

shadowing you like crazy and the reason

1327

01:02:16,410 --> 01:02:13,930

I think they're following you guys is

1328

01:02:19,610 --> 01:02:16,420

because Betty has been able to draw

1329

01:02:22,590 --> 01:02:19,620

details she's been able to remember

1330

01:02:24,810 --> 01:02:22,600

details and so that fine artists eye

1331

01:02:26,670 --> 01:02:24,820

that you have Betty and all the drawings

1332

01:02:34,320 --> 01:02:26,680

and paintings you've done I'm sure that

1333

01:02:35,970 --> 01:02:34,330

drives them crazy because one of the

1334

01:02:37,680 --> 01:02:35,980

things that they will see in the book

1335

01:02:41,550 --> 01:02:37,690

and I'm not going to give away anything

1336

01:02:44,220 --> 01:02:41,560

here but there is proof that the FBI was

1337

01:02:47,520 --> 01:02:44,230

keeping a file on us even though neither

1338

01:02:50,430 --> 01:02:47,530

of us has any criminal record and then

1339

01:02:54,630 --> 01:02:50,440

the Department of Defense hacked into

1340

01:02:56,820 --> 01:02:54,640

our home computer twice in 48 hours

1341

01:02:59,670 --> 01:02:56,830

and if people see the book they're going

1342

01:03:01,410 --> 01:02:59,680

to be very surprised at what agency

1343

01:03:03,690 --> 01:03:01,420

within the Department of Defense hacked

1344

01:03:06,720 --> 01:03:03,700

into our computer because you do not see

1345

01:03:11,210 --> 01:03:06,730

that every day you know and you're the

1346

01:03:15,090 --> 01:03:11,220

only people that we know that have

1347

01:03:18,060 --> 01:03:15,100

actually been able to catch them in the

1348

01:03:20,040 --> 01:03:18,070

act you've been able to do that so again

1349

01:03:21,930 --> 01:03:20,050

here's the book everybody a lifting of

1350

01:03:24,570 --> 01:03:21,940

the veil if you want to see the proof

1351

01:03:26,880 --> 01:03:24,580

it's in this book you will see the

1352

01:03:30,720 --> 01:03:26,890

documentation that Betty and Bob have

1353

01:03:32,100 --> 01:03:30,730

and it is quite compelling now I see

1354

01:03:33,750 --> 01:03:32,110

I'll tell you another thing that bothers

1355

01:03:36,390 --> 01:03:33,760

the heck out of me with all of these

1356

01:03:40,140 --> 01:03:36,400

things you know I contacted a CBS

1357

01:03:46,200 --> 01:03:40,150

producer about this breakfast about the

1358

01:03:48,810 --> 01:03:46,210

hack and I went through the whole story

1359

01:03:51,600 --> 01:03:48,820

with him and here was his response I

1360

01:03:54,300 --> 01:03:51,610

wanted to throttle him he said well they

1361

01:03:56,430 --> 01:03:54,310

they had a UFO experience well then I

1362

01:03:59,550 --> 01:03:56,440

think it's the government's right to do

1363

01:04:02,100 --> 01:03:59,560

this that's like oh really I don't think

1364

01:04:04,020 --> 01:04:02,110

so I don't think it's the government's

1365

01:04:06,990 --> 01:04:04,030

right these people have broken no laws

1366

01:04:09,000 --> 01:04:07,000

and there's nothing that says that UFO

1367

01:04:11,730 --> 01:04:09,010

abductees should fall under some

1368

01:04:14,820 --> 01:04:11,740

surveillance and be drugged in their own

1369

01:04:16,980 --> 01:04:14,830

home and have helicopters intimidating

1370

01:04:20,330 --> 01:04:16,990

them on the roadways and wherever they

1371

01:04:24,600 --> 01:04:20,340

are in the United States that's crap and

1372

01:04:27,390 --> 01:04:24,610

so he ended up not doing the story on

1373

01:04:29,040 --> 01:04:27,400

CBS News about this but I was like well

1374

01:04:31,950 --> 01:04:29,050

I'm glad he didn't because what kind of

1375

01:04:34,830 --> 01:04:31,960

story would he produce that abductees

1376

01:04:37,380 --> 01:04:34,840

should be under surveillance that this

1377

01:04:39,450 --> 01:04:37,390

is the mentality I think some people

1378

01:04:41,700 --> 01:04:39,460

don't get it you know they don't

1379

01:04:45,780 --> 01:04:41,710

understand that this is against the law

1380

01:04:47,580 --> 01:04:45,790

this is invasive this goes beyond NSA's

1381

01:04:50,130 --> 01:04:47,590

listening to our phone conversations

1382

01:04:53,250 --> 01:04:50,140

this is so much worse than that this is

1383

01:04:56,340 --> 01:04:53,260

why your show is like it are so

1384

01:05:00,480 --> 01:04:56,350

important because people can be informed

1385

01:05:07,069 --> 01:05:00,490

and I'll tell you I I did contact CBS

1386

01:05:10,640 --> 01:05:07,079

ABC NBC MSNBC The Huffington Post's news

1387

01:05:13,609 --> 01:05:10,650

papers because the FBI had time to look

1388

01:05:17,150 --> 01:05:13,619

into the houston astros hacking into the

1389

01:05:19,670 --> 01:05:17,160

computer of the st. louis cardinals that

1390

01:05:22,880 --> 01:05:19,680

was a story that was a nationwide story

1391

01:05:27,670 --> 01:05:22,890

on the news was huge yes that's right

1392

01:05:31,400 --> 01:05:27,680

when the department of defense of

1393

01:05:36,650 --> 01:05:31,410

law-abiding citizens nobody wants to

1394

01:05:38,719 --> 01:05:36,660

know didn't even get one reply it's it's

1395

01:05:41,599 --> 01:05:38,729

unconscionable like i said i'm appalled

1396

01:05:44,809 --> 01:05:41,609

and i'm still looking for a reporter in

1397

01:05:48,199 --> 01:05:44,819

one of the news outlets to handle this

1398

01:05:50,509 --> 01:05:48,209

but this is why nobody trusts the

1399

01:05:54,140 --> 01:05:50,519

mainstream media because they won't

1400

01:05:55,910 --> 01:05:54,150

report on things like this and people do

1401
01:05:58,219 --> 01:05:55,920
know that they're happening and we're

1402
01:06:00,229 --> 01:05:58,229
sick of it not being reported this needs

1403
01:06:02,059 --> 01:06:00,239
to be reported this should be on 60

1404
01:06:04,339 --> 01:06:02,069
minutes this should be on fox news this

1405
01:06:06,170 --> 01:06:04,349
should be everywhere so people know that

1406
01:06:08,509 --> 01:06:06,180
this is what our governments been doing

1407
01:06:11,089 --> 01:06:08,519
and god bless the two of you for coming

1408
01:06:15,229 --> 01:06:11,099
out with this great books you know and

1409
01:06:16,819 --> 01:06:15,239
telling more of the truth so another one

1410
01:06:18,499 --> 01:06:16,829
thing i'd like to mention that i as i

1411
01:06:21,199 --> 01:06:18,509
told you there were a few humorous

1412
01:06:23,269 --> 01:06:21,209
moments in all this one night the

1413
01:06:26,420 --> 01:06:23,279

psychiatrist that originally had

1414

01:06:28,699 --> 01:06:26,430

examined betty was in our passing

1415

01:06:31,609 --> 01:06:28,709

through our area and he called us at

1416

01:06:33,439 --> 01:06:31,619

about nine o'clock at night and he said

1417

01:06:34,400 --> 01:06:33,449

i'm in the area he said i'd like to come

1418

01:06:37,370 --> 01:06:34,410

visit with you

1419

01:06:40,099 --> 01:06:37,380

so sure we went and met him and led him

1420

01:06:42,339 --> 01:06:40,109

to our house make long story short he

1421

01:06:45,319 --> 01:06:42,349

stayed till about 5:30 in the morning

1422

01:06:48,949 --> 01:06:45,329

during the night there was a huge crash

1423

01:06:51,049 --> 01:06:48,959

in the kitchen nobody was home there was

1424

01:06:53,839 --> 01:06:51,059

just Betty and I in the psychiatrist so

1425

01:06:55,699 --> 01:06:53,849

that was a pretty good witness but later

1426
01:06:57,549 --> 01:06:55,709
on when he was getting ready to go home

1427
01:07:01,219 --> 01:06:57,559
we were out in the front yard was about

1428
01:07:03,349 --> 01:07:01,229
5:20 or so in the morning and we're

1429
01:07:07,130 --> 01:07:03,359
class still talking and it was this huge

1430
01:07:09,140 --> 01:07:07,140
cigar shaped cloud over the house and it

1431
01:07:12,529 --> 01:07:09,150
wasn't moving even though other clouds

1432
01:07:15,859 --> 01:07:12,539
were this was just stationary and you

1433
01:07:18,109 --> 01:07:15,869
could see the edges of the cloud got

1434
01:07:20,359 --> 01:07:18,119
thin and you can see the stars through

1435
01:07:20,990 --> 01:07:20,369
it just a little bit and this thing was

1436
01:07:22,960 --> 01:07:21,000
larger

1437
01:07:25,910 --> 01:07:22,970
probably a quarter of a mile long or so

1438
01:07:27,680 --> 01:07:25,920

well we're talking about maybe he's the

1439

01:07:30,950 --> 01:07:27,690

psychiatrist her and they looked he said

1440

01:07:32,600 --> 01:07:30,960

did you people see that I said yeah but

1441

01:07:49,880 --> 01:07:32,610

I wasn't gonna mention it until you saw

1442

01:07:53,870 --> 01:07:49,890

it first now you've also oh yeah we miss

1443

01:07:56,660 --> 01:07:53,880

Larry passed away yeah he and his wife

1444

01:07:59,060 --> 01:07:56,670

Lois were over for dinner one day and

1445

01:08:03,050 --> 01:07:59,070

we're sitting this is in the house in

1446

01:08:06,140 --> 01:08:03,060

Cheshire and there was a added year with

1447

01:08:08,600 --> 01:08:06,150

glass shelves on the side opposite Larry

1448

01:08:11,510 --> 01:08:08,610

and it was a little bell there like a

1449

01:08:13,580 --> 01:08:11,520

dinner bell it was made out of glass and

1450

01:08:14,330 --> 01:08:13,590

I had of course the little clapper

1451

01:08:17,539 --> 01:08:14,340

inside

1452

01:08:19,910 --> 01:08:17,549

well the Bell started to ring Larry is

1453

01:08:22,760 --> 01:08:19,920

very scientific mind oriented he's been

1454

01:08:25,460 --> 01:08:22,770

trained in criminology police

1455

01:08:28,460 --> 01:08:25,470

investigation he jumps up and he runs

1456

01:08:30,590 --> 01:08:28,470

over to the shelf and looks and problem

1457

01:08:32,090 --> 01:08:30,600

is there were bottles of liquor and

1458

01:08:35,240 --> 01:08:32,100

other liquids on the shelf

1459

01:08:37,280 --> 01:08:35,250

they weren't disturbed at all yet this

1460

01:08:47,749 --> 01:08:37,290

bell was ringing and he had a problem

1461

01:08:51,890 --> 01:08:47,759

with that experience with the men in

1462

01:08:55,789 --> 01:08:51,900

black right you had experiences with

1463

01:08:57,650 --> 01:08:55,799

them I'm one trip to Florida we used to

1464

01:09:00,230 --> 01:08:57,660

drive from Connecticut or I'd drive from

1465

01:09:04,670 --> 01:09:00,240

Connecticut to Pompano just straight

1466

01:09:07,999 --> 01:09:04,680

through but this one trip we hit road

1467

01:09:10,010 --> 01:09:08,009

construction accidents and by the time

1468

01:09:11,840 --> 01:09:10,020

we got to Lake Worth I was just so

1469

01:09:15,260 --> 01:09:11,850

exhausted I couldn't hold my eyes open

1470

01:09:16,999 --> 01:09:15,270

much longer so we got off of 95 on to

1471

01:09:18,530 --> 01:09:17,009

Lake Worth Road and it was a beautiful

1472

01:09:22,340 --> 01:09:18,540

campground there at Lake Worth

1473

01:09:24,920 --> 01:09:22,350

campground so I pulled in there I went

1474

01:09:28,370 --> 01:09:24,930

in to get us a room I'm in a room yes a

1475

01:09:30,650 --> 01:09:28,380

lot and while I was in there two people

1476

01:09:33,470 --> 01:09:30,660

were talking about a UFO sighting over

1477

01:09:36,590 --> 01:09:33,480

the campground on the previous evening

1478

01:09:39,050 --> 01:09:36,600

oh my oh I was so tired I didn't want to

1479

01:09:41,809 --> 01:09:39,060

get involved in any conversations no I

1480

01:09:46,910 --> 01:09:41,819

just paid for our lot and went and

1481

01:09:51,050 --> 01:09:46,920

parked the car and in Florida the way

1482

01:09:53,570 --> 01:09:51,060

the lots are lined up the the roads were

1483

01:09:56,270 --> 01:09:53,580

east and west and the lots were north

1484

01:09:58,790 --> 01:09:56,280

and south so as I pull the car in and

1485

01:10:02,210 --> 01:09:58,800

parked it the compass was on just about

1486

01:10:04,460 --> 01:10:02,220

due north well Betty and I were sitting

1487

01:10:06,320 --> 01:10:04,470

there for a while the car we had had

1488

01:10:08,270 --> 01:10:06,330

seats that folded down it was fairly

1489

01:10:09,800 --> 01:10:08,280

comfortable we thought we get a good

1490

01:10:10,960 --> 01:10:09,810

night's sleep get a shower in the

1491

01:10:13,190 --> 01:10:10,970

morning and be on our way

1492

01:10:17,990 --> 01:10:13,200

well we're sitting there and all of a

1493

01:10:20,210 --> 01:10:18,000

sudden this baseball sized ball of light

1494

01:10:23,240 --> 01:10:20,220

comes right through the driver's door of

1495

01:10:25,580 --> 01:10:23,250

the car and it's multifaceted it looks

1496

01:10:27,740 --> 01:10:25,590

like a disco ball and it floated

1497

01:10:32,120 --> 01:10:27,750

silently in one side of the car and out

1498

01:10:34,070 --> 01:10:32,130

the other so I she saw I saw I said it's

1499

01:10:38,240 --> 01:10:34,080

not a hallucination so we just thought

1500

01:10:41,720 --> 01:10:38,250

whoa making mental note of that and off

1501
01:10:45,860 --> 01:10:41,730
to sleep we went well about midnight or

1502
01:10:47,840 --> 01:10:45,870
so I heard a car door closed or sounded

1503
01:10:50,360 --> 01:10:47,850
like a car door closing and I looked out

1504
01:10:53,450 --> 01:10:50,370
back and a black or dark-colored

1505
01:10:55,910 --> 01:10:53,460
Cadillac had parked almost at the back

1506
01:10:57,500 --> 01:10:55,920
end of our car so I figured well

1507
01:10:59,630 --> 01:10:57,510
somebody's trying to beat the campground

1508
01:11:02,690 --> 01:10:59,640
out of their feet or just gonna have a

1509
01:11:04,550 --> 01:11:02,700
nap and take off brought three or four

1510
01:11:07,280 --> 01:11:04,560
o'clock I think was more like 3:00 a.m.

1511
01:11:09,890 --> 01:11:07,290
I needed to use the restroom and it was

1512
01:11:12,530 --> 01:11:09,900
probably about 20 yards 20 30 yards from

1513
01:11:14,330 --> 01:11:12,540

where our car was I got out of the car

1514

01:11:17,930 --> 01:11:14,340

locked the door cuz betty was fast

1515

01:11:20,900 --> 01:11:17,940

asleep walked to the restroom I'm

1516

01:11:23,450 --> 01:11:20,910

walking back and I noticed the Cadillac

1517

01:11:25,160 --> 01:11:23,460

had New York license plates I didn't get

1518

01:11:26,960 --> 01:11:25,170

the number but it was a familiar yellow

1519

01:11:27,650 --> 01:11:26,970

plate with New York on the top right

1520

01:11:30,979 --> 01:11:27,660

uh-huh

1521

01:11:35,680 --> 01:11:30,989

as I got to the left rear of the car all

1522

01:11:39,110 --> 01:11:35,690

four doors open exactly at the same time

1523

01:11:42,229 --> 01:11:39,120

four men got out they looked like they

1524

01:11:46,040 --> 01:11:42,239

were stamped out of the same mold the ad

1525

01:11:47,800 --> 01:11:46,050

on black suits white shirts thin black

1526

01:11:51,640 --> 01:11:47,810

tie

1527

01:11:54,729 --> 01:11:51,650

rimmed hats and they look Asian and they

1528

01:11:58,270 --> 01:11:54,739

were very extremely thin I mean very

1529

01:11:59,890 --> 01:11:58,280

very thin and as I'm walking around the

1530

01:12:02,680 --> 01:11:59,900

car they're well they're looking at me

1531

01:12:04,240 --> 01:12:02,690

and I'm looking at them and I I really

1532

01:12:05,620 --> 01:12:04,250

didn't feel any fear or anything okay it

1533

01:12:08,950 --> 01:12:05,630

looked like a good wind would probably

1534

01:12:11,729 --> 01:12:08,960

have taken off with him as I walked by

1535

01:12:15,070 --> 01:12:11,739

the front of the car back toward our car

1536

01:12:17,590 --> 01:12:15,080

they went around the vehicle like kids

1537

01:12:21,070 --> 01:12:17,600

playing musical chairs they actually

1538

01:12:22,840 --> 01:12:21,080

around the vehicle and all got in on the

1539

01:12:26,350 --> 01:12:22,850

out day opposite sides from where they

1540

01:12:28,900 --> 01:12:26,360

started and shut all the doors exactly

1541

01:12:33,160 --> 01:12:28,910

at the same time it sounded like one

1542

01:12:36,970 --> 01:12:33,170

door headshot Wow in the morning what

1543

01:12:40,840 --> 01:12:36,980

was interesting first thing I noticed

1544

01:12:44,590 --> 01:12:40,850

the time on our clock the digital clock

1545

01:12:47,500 --> 01:12:44,600

had gone 20 minutes ahead I don't know

1546

01:12:50,140 --> 01:12:47,510

how that happens to a digital clock our

1547

01:12:54,160 --> 01:12:50,150

compass was no longer pointing north it

1548

01:12:57,040 --> 01:12:54,170

was pointing almost east oh my god yes I

1549

01:12:58,870 --> 01:12:57,050

had talked to electrical engineers after

1550

01:13:01,660 --> 01:12:58,880

when we returned and they said the only

1551

01:13:04,390 --> 01:13:01,670

thing they could think of was possibly

1552

01:13:05,500 --> 01:13:04,400

some type of electromagnetic pulse or

1553

01:13:07,840 --> 01:13:05,510

something like that

1554

01:13:10,030 --> 01:13:07,850

but I wish we could have gotten ahold of

1555

01:13:13,690 --> 01:13:10,040

some investigators at the time because

1556

01:13:18,700 --> 01:13:13,700

there was evidence right at the moment

1557

01:13:20,920 --> 01:13:18,710

it happened but you know and also that

1558

01:13:22,450 --> 01:13:20,930

was long ago and we didn't all have cell

1559

01:13:24,780 --> 01:13:22,460

phones that take pictures and things

1560

01:13:28,090 --> 01:13:24,790

like that so we didn't have the same

1561

01:13:30,520 --> 01:13:28,100

support to get this this stuff as it

1562

01:13:32,920 --> 01:13:30,530

happens and you also though you had the

1563

01:13:34,240 --> 01:13:32,930

FBI it showed up where you worked when

1564

01:13:36,100 --> 01:13:34,250

you took off in the middle of the night

1565

01:13:39,130 --> 01:13:36,110

to go to Florida nobody knew you had

1566

01:13:41,500 --> 01:13:39,140

gone and the FBI shows up the next day

1567

01:13:43,810 --> 01:13:41,510

they're like where is Bob Luke I mean

1568

01:13:45,450 --> 01:13:43,820

what the heck is that about well it was

1569

01:13:48,580 --> 01:13:45,460

interesting because when we got back

1570

01:13:50,530 --> 01:13:48,590

nobody knew that we went to Florida so

1571

01:13:52,930 --> 01:13:50,540

we left about two o'clock in the morning

1572

01:13:55,150 --> 01:13:52,940

they lost track of us we got back we

1573

01:13:58,030 --> 01:13:55,160

went to the FBI building the Federal

1574

01:13:59,770 --> 01:13:58,040

Building in New Haven the agent came out

1575

01:14:00,490 --> 01:13:59,780

to talk to us and of course he said well

1576

01:14:02,680 --> 01:14:00,500

we can't can

1577

01:14:05,050 --> 01:14:02,690

firm or deny that we were at her place

1578

01:14:06,730 --> 01:14:05,060

of work well gee the guys had photo ID

1579

01:14:09,790 --> 01:14:06,740

that were there and talked to several of

1580

01:14:11,980 --> 01:14:09,800

my co-workers and supervisor and then

1581

01:14:13,660 --> 01:14:11,990

since we were there anyway I asked him I

1582

01:14:17,770 --> 01:14:13,670

said well why you guys tapping our phone

1583

01:14:19,660 --> 01:14:17,780

and he said well he's now didn't tell

1584

01:14:22,210 --> 01:14:19,670

him anything about the UFO phenomena

1585

01:14:24,280 --> 01:14:22,220

just our names and we came in he says

1586

01:14:25,900 --> 01:14:24,290

well he says we always get blamed but in

1587

01:14:30,070 --> 01:14:25,910

your case it's probably Air Force

1588

01:14:31,330 --> 01:14:30,080

intelligence that's what the when I talk

1589

01:14:33,820 --> 01:14:31,340

to someone in Air Force intelligence

1590

01:14:35,880 --> 01:14:33,830

they said no we'd have to get a court

1591

01:14:39,160 --> 01:14:35,890

order more than likely it was the FBI

1592

01:14:41,680 --> 01:14:39,170

Lord thief it was probably Air Force

1593

01:14:44,710 --> 01:14:41,690

intelligence because Betty and Barney

1594

01:14:46,360 --> 01:14:44,720

Hills phone was tapped by Pease Air

1595

01:14:49,390 --> 01:14:46,370

Force Base by Air Force intelligence

1596

01:14:51,490 --> 01:14:49,400

from Pease Air Force Base so it probably

1597

01:14:55,090 --> 01:14:51,500

was so now we got all the military and

1598

01:14:58,120 --> 01:14:55,100

and this I wanted to question the CIA

1599

01:15:02,470 --> 01:14:58,130

also because I think they were involved

1600

01:15:05,050 --> 01:15:02,480

too and I called and asked for an

1601
01:15:07,360 --> 01:15:05,060
interview for an appointment he turned

1602
01:15:09,700 --> 01:15:07,370
me down stone cold with no reason

1603
01:15:14,290 --> 01:15:09,710
whatsoever they wouldn't even talk to us

1604
01:15:16,870 --> 01:15:14,300
can't imagine that you know we're nobody

1605
01:15:19,540 --> 01:15:16,880
were just a working guy and a wife it is

1606
01:15:20,170 --> 01:15:19,550
an artist and they wouldn't even talk to

1607
01:15:23,770 --> 01:15:20,180
us

1608
01:15:25,690 --> 01:15:23,780
and one other thing real quick Betty and

1609
01:15:27,310 --> 01:15:25,700
I were at Cape Canaveral we wanted to

1610
01:15:29,230 --> 01:15:27,320
see what some of the stuff NASA was

1611
01:15:32,260 --> 01:15:29,240
doing mm-hmm

1612
01:15:33,910 --> 01:15:32,270
went to the desk and told the officer

1613
01:15:35,860 --> 01:15:33,920

that we were doing a book and we would

1614

01:15:37,090 --> 01:15:35,870

love to do an interview with the

1615

01:15:41,290 --> 01:15:37,100

administrator if it would be possible

1616

01:15:43,810 --> 01:15:41,300

and I was amazed he said yeah he called

1617

01:15:47,020 --> 01:15:43,820

down he said he's there you can talk to

1618

01:15:48,640 --> 01:15:47,030

him Wow we were amazed so Betty and I

1619

01:15:50,770 --> 01:15:48,650

were booking it down the hall it was

1620

01:15:53,380 --> 01:15:50,780

seemed like a half a mile to the guy's

1621

01:15:56,220 --> 01:15:53,390

office down there we were met by a

1622

01:15:59,980 --> 01:15:56,230

secretary who was visibly nervous oh

1623

01:16:02,920 --> 01:15:59,990

he's not in though probably somebody

1624

01:16:05,740 --> 01:16:02,930

recognized us yeah because he did not

1625

01:16:11,920 --> 01:16:05,750

the administrator of NASA skipped out on

1626

01:16:13,600 --> 01:16:11,930

us free us yeah they don't want us to

1627

01:16:14,770 --> 01:16:13,610

know what they know but we know it

1628

01:16:16,360 --> 01:16:14,780

anyway

1629

01:16:18,640 --> 01:16:16,370

I mean that's the thing that it's so

1630

01:16:21,220 --> 01:16:18,650

funny to me we know it's going on

1631

01:16:22,990 --> 01:16:21,230

anyways I mean they think that they can

1632

01:16:27,220 --> 01:16:23,000

keep it from us anymore they really

1633

01:16:31,390 --> 01:16:27,230

can't we've had some other things happen

1634

01:16:34,450 --> 01:16:31,400

with portals to psychics have said that

1635

01:16:36,700 --> 01:16:34,460

we had two portals in our cellar because

1636

01:16:39,370 --> 01:16:36,710

at night time you would hear a party

1637

01:16:41,710 --> 01:16:39,380

going on you know the dark [h__\h] all

1638

01:16:44,560 --> 01:16:41,720

these things would happen well these two

1639

01:16:49,420 --> 01:16:44,570

portals are your clothes and one side

1640

01:16:52,000 --> 01:16:49,430

recorded we recorded yeah but anyway

1641

01:16:54,130 --> 01:16:52,010

they're us another time that bob was

1642

01:16:57,880 --> 01:16:54,140

looking at a piece of property we have

1643

01:17:00,460 --> 01:16:57,890

in Bassett and then he just said you

1644

01:17:03,220 --> 01:17:00,470

know on Google Earth and then he decided

1645

01:17:05,470 --> 01:17:03,230

he was gonna see how our property looked

1646

01:17:10,330 --> 01:17:05,480

well when he took the Google Earth

1647

01:17:13,450 --> 01:17:10,340

picture here's this big huge portal that

1648

01:17:16,630 --> 01:17:13,460

is over our deck in the upper part of

1649

01:17:23,050 --> 01:17:16,640

our car garage oh my god have the

1650

01:17:26,740 --> 01:17:23,060

picture of it picture so they land coast

1651
01:17:29,560 --> 01:17:26,750
it yeah we're gonna want to to post that

1652
01:17:31,120 --> 01:17:29,570
on Facebook and show everybody the

1653
01:17:33,370 --> 01:17:31,130
portal it's over here I think these

1654
01:17:35,890 --> 01:17:33,380
things also follow you wherever you go

1655
01:17:39,370 --> 01:17:35,900
so I'm hoping you make it up to

1656
01:17:41,530 --> 01:17:39,380
Massachusetts this fall and we're gonna

1657
01:17:43,150 --> 01:17:41,540
see what happens if you do I think it's

1658
01:17:45,730 --> 01:17:43,160
gonna be great but can't thank you

1659
01:17:50,830 --> 01:17:45,740
enough for coming on the show tonight

1660
01:17:53,170 --> 01:17:50,840
and thank you so much a lifting of the

1661
01:17:56,140 --> 01:17:53,180
veil everybody you got to get it it's a

1662
01:17:57,760 --> 01:17:56,150

1663
01:17:59,260 --> 01:17:57,770

and a fair reprint while you're at it

1664

01:18:02,410 --> 01:17:59,270

next week

1665

01:18:04,810 --> 01:18:02,420

we have Simeon hang PhDs a sociologist

1666

01:18:07,810 --> 01:18:04,820

he's investigated the paranormal UFOs

1667

01:18:10,390 --> 01:18:07,820

etc he's coming on to tell us what's

1668

01:18:13,030 --> 01:18:10,400

going on and why we have such a hard

1669

01:18:15,790 --> 01:18:13,040

time integrating these experiences to

1670

01:18:18,220 --> 01:18:15,800

our lives so we have another great show

1671

01:18:21,270 --> 01:18:18,230
