your host

13
00:01:17,850 --> 00:01:14,649

Patricia Baker I am here with my co-host

14
00:01:23,700 --> 00:01:17,860
PK all the way from Tucson how you doing

15
00:01:24,990 --> 00:01:23,710
PK hot melted but okay we just can't see

16
00:01:27,300 --> 00:01:25,000
me get a break where it comes to the

17
00:01:29,490 --> 00:01:27,310
heat right now but that's all that's

18
00:01:32,809 --> 00:01:29,500
right but come to New England we were

19
00:01:36,570 --> 00:01:32,819
freezing yesterday I am so jealous

20
00:01:38,430 --> 00:01:36,580
jealous jealous of your heat just can't

21
00:01:39,930 --> 00:01:38,440
get anything in balance if I could take

22
00:01:41,669 --> 00:01:39,940
a little bit of euro a little bit of

23
00:01:44,130 --> 00:01:41,679
ours everything gonna be perfect

24
00:01:46,350 --> 00:01:44,140
I know and at least we're not in Texas

25
00:01:48,389 --> 00:01:46,360
those poor people right your god isn't

26

00:01:51,059 --> 00:01:48,399

it the truth they're getting our prayers

27

00:01:52,649 --> 00:01:51,069

that blessings any prayers everything

28

00:01:54,510 --> 00:01:52,659

it's just horrible there but we're

29

00:01:57,630 --> 00:01:54,520

hoping they'll be back in trial on track

30

00:02:00,029 --> 00:01:57,640

very soon and all of this water will

31

00:02:02,219 --> 00:02:00,039

recede it's a mess down there

32

00:02:04,080 --> 00:02:02,229

god bless them all but we it's for sure

33

00:02:06,450 --> 00:02:04,090

the best for all of them we've got a

34

00:02:12,000 --> 00:02:06,460

great show tonight though yes we do we

35

00:02:15,240 --> 00:02:12,010

have a an amazing guest don't we I think

36

00:02:18,240 --> 00:02:15,250

so yeah I think he is and he's written a

37

00:02:21,330 --> 00:02:18,250

terrific book that we both read Black

38

00:02:31,680 --> 00:02:21,340

Swan ghosts we're gonna bring him on

39

00:02:34,050 --> 00:02:31,690

injustice like this that's right talk

40

00:02:37,020 --> 00:02:34,060

about one of the most important issues

41

00:02:42,120 --> 00:02:37,030

in the paranormal world today which is

42

00:02:44,430 --> 00:02:42,130

why we are so much under the gun why

43

00:02:47,220 --> 00:02:44,440

these people in the paranormal including

44

00:02:49,020 --> 00:02:47,230

us are often treated so badly we're

45

00:02:51,599 --> 00:02:49,030

going to go through all of this what's

46

00:02:54,270 --> 00:02:51,609

happening dr. Haines is a sociologist

47

00:02:57,539 --> 00:02:54,280

and he is renowned with this subject

48

00:03:00,240 --> 00:02:57,549

he's also interviewed very his own group

49

00:03:02,430 --> 00:03:00,250

of people that have had many experiences

50

00:03:04,259 --> 00:03:02,440

and they're highly credible we're gonna

51
00:03:06,719 --> 00:03:04,269
get into it tonight with dr. Haines so

52
00:03:08,580 --> 00:03:06,729
stay tuned for that everybody but first

53
00:03:12,390 --> 00:03:08,590
numbers what's going on

54
00:03:14,330 --> 00:03:12,400
well I'm excuse me I'm not gonna even

55
00:03:16,710 --> 00:03:14,340
about the last couple days of September

56
00:03:20,309 --> 00:03:16,720
I'm going to look at what's coming up in

57
00:03:23,220 --> 00:03:20,319
September because September our birth

58
00:03:26,789 --> 00:03:23,230
month I should say our personal bug in

59
00:03:29,520 --> 00:03:26,799
the universal are identical as it's been

60
00:03:31,170 --> 00:03:29,530
and it's all about major change so we're

61
00:03:35,550 --> 00:03:31,180
all working with what the universe is

62
00:03:38,899 --> 00:03:35,560
talking about which is me my and I it's

63
00:03:41,640 --> 00:03:38,909

all about how we react to the number one

64

00:03:44,940 --> 00:03:41,650

everything is about starting over new

65

00:03:47,940 --> 00:03:44,950

things new issues putting things but

66

00:03:50,430 --> 00:03:47,950

it's about fresh different allowing the

67

00:03:53,160 --> 00:03:50,440

best of the best to take place around us

68

00:03:55,530 --> 00:03:53,170

and regardless of what our personally

69

00:03:58,170 --> 00:03:55,540

month is we're all going to still work

70

00:04:00,809 --> 00:03:58,180

off of what the universe says I need to

71

00:04:03,629 --> 00:04:00,819

lead I will be an example I'll let these

72

00:04:06,179 --> 00:04:03,639

all begin I'm going to have this article

73

00:04:07,920 --> 00:04:06,189

on my webpage on the Patricia Kirkman

74

00:04:11,670 --> 00:04:07,930

comm so they can read the whole article

75

00:04:14,550 --> 00:04:11,680

but basically take a look at regardless

76
00:04:17,270 --> 00:04:14,560
of what your personal year is this month

77
00:04:19,740 --> 00:04:17,280
will be identical to that entire year

78
00:04:22,589 --> 00:04:19,750
the big zinger is going to come on the

79
00:04:24,900 --> 00:04:22,599
9th the 18th and the 27th because the

80
00:04:30,510 --> 00:04:24,910
year the month and the day will all be

81
00:04:33,120 --> 00:04:30,520
identical Shake Rattle whammy yeah for a

82
00:04:36,420 --> 00:04:33,130
lot of us and the one says we're sick

83
00:04:37,580 --> 00:04:36,430
and tired of doing it in group we want

84
00:04:39,990 --> 00:04:37,590
to do it our way

85
00:04:42,360 --> 00:04:40,000
that gives us opportunity for a lot of

86
00:04:48,020 --> 00:04:42,370
special things to take place it sure

87
00:04:52,529 --> 00:04:48,030
does we will allow it okay being special

88
00:04:55,050 --> 00:04:52,539

I think the most important part is get

89

00:04:59,070 --> 00:04:55,060

out with the information that you hold

90

00:05:01,529 --> 00:04:59,080

within you use it as a tool instead of

91

00:05:04,170 --> 00:05:01,539

I'll get to it later there is no later

92

00:05:06,839 --> 00:05:04,180

in two days we are going to be in the

93

00:05:08,640 --> 00:05:06,849

one Universal but don't forget we're

94

00:05:11,040 --> 00:05:08,650

still in retrograde until the 5th of

95

00:05:13,409 --> 00:05:11,050

September yes yeah you have that shadow

96

00:05:17,129 --> 00:05:13,419

period that doesn't until about the 15th

97

00:05:19,700 --> 00:05:17,139

oh my god final shadow can kick our butt

98

00:05:23,580 --> 00:05:19,710

even more than the actual retrograde

99

00:05:25,980 --> 00:05:23,590

well let's let's hope not because I'm

100

00:05:28,080 --> 00:05:25,990

tired of it I'm tired

101
00:05:31,590 --> 00:05:28,090
Curie retrograde already so I needed to

102
00:05:34,980 --> 00:05:31,600
come to an end it has been a very rough

103
00:05:37,230 --> 00:05:34,990
road for everyone because the actual

104
00:05:40,380 --> 00:05:37,240
month we're in right now is a review of

105
00:05:43,080 --> 00:05:40,390
last year's stuff on top of the

106
00:05:45,330 --> 00:05:43,090
retrograde now we're citing into this

107
00:05:47,340 --> 00:05:45,340
year stuff so we're kind of getting like

108
00:05:48,810 --> 00:05:47,350
it's kind of being caught between two

109
00:05:52,860 --> 00:05:48,820
doors that we're gonna get smacked in

110
00:05:55,080 --> 00:05:52,870
the middle yes exactly exactly well

111
00:05:57,090 --> 00:05:55,090
alright so everybody knows what they got

112
00:06:00,900 --> 00:05:57,100
to do now thank you for your sage advice

113
00:06:01,770 --> 00:06:00,910

again go to Patricia Kirkman comm if

114

00:06:03,840 --> 00:06:01,780

you'd like to read the full article

115

00:06:06,750 --> 00:06:03,850

about that and if you'd like a private

116

00:06:09,840 --> 00:06:06,760

reading with MS Kirkman that's where you

117

00:06:11,970 --> 00:06:09,850

can go Patricia Kirkman dot-com and get

118

00:06:17,430 --> 00:06:11,980

started in your Universal year the right

119

00:06:19,440 --> 00:06:17,440

way so paranormal news found a very

120

00:06:21,630 --> 00:06:19,450

interesting article which actually

121

00:06:25,710 --> 00:06:21,640

you've heard about this before okay

122

00:06:27,750 --> 00:06:25,720

right the immortal cells of Henrietta

123

00:06:29,430 --> 00:06:27,760

Lacks wild story

124

00:06:31,800 --> 00:06:29,440

now all these stories are on our

125

00:06:33,840 --> 00:06:31,810

Facebook page right so you can go there

126

00:06:37,290 --> 00:06:33,850

and read them and see the pictures etc

127

00:06:40,460 --> 00:06:37,300

as well as our last interview last week

128

00:06:43,950 --> 00:06:40,470

with Betty Andreas and Luca and Bob Luca

129

00:06:46,080 --> 00:06:43,960

abductees and the focus of the very

130

00:06:48,780 --> 00:06:46,090

famous Andreia sand affair they've got a

131

00:06:50,370 --> 00:06:48,790

new book out called lifting the veil and

132

00:06:52,920 --> 00:06:50,380

we were the first to interview them on

133

00:06:54,750 --> 00:06:52,930

our show they were great guests it was a

134

00:06:57,270 --> 00:06:54,760

great interview it's on our Facebook

135

00:06:59,640 --> 00:06:57,280

page in case you missed it be sure to

136

00:07:01,380 --> 00:06:59,650

visit that I'm gonna be talking about

137

00:07:03,390 --> 00:07:01,390

Betty and Bob again tonight because they

138

00:07:07,380 --> 00:07:03,400

fit perfectly in to this whole segment

139

00:07:09,870 --> 00:07:07,390

but first the mysterious immortal cells

140

00:07:12,800 --> 00:07:09,880

of this woman Henrietta Lacks now

141

00:07:15,930 --> 00:07:12,810

apparently the story talks about how

142

00:07:17,610 --> 00:07:15,940

scientists could never get cells to live

143

00:07:19,470 --> 00:07:17,620

outside the human body and somebody

144

00:07:22,200 --> 00:07:19,480

passed away that was the end of it but

145

00:07:25,950 --> 00:07:22,210

for some reason for some strange reason

146

00:07:28,050 --> 00:07:25,960

this woman's cells lived and they

147

00:07:31,200 --> 00:07:28,060

continued to live today even though she

148

00:07:35,340 --> 00:07:31,210

passed away many many years ago science

149

00:07:37,590 --> 00:07:35,350

is amazing herself you know and and what

150

00:07:39,700 --> 00:07:37,600

you were fine found out about it also PK

151

00:07:43,420 --> 00:07:39,710

was that they never well first of all it

152

00:07:45,340 --> 00:07:43,430

ask her permission they of course and

153

00:07:46,690 --> 00:07:45,350

second of all they didn't reimburse the

154

00:07:48,760 --> 00:07:46,700

family even though they've been using

155

00:07:53,020 --> 00:07:48,770

these cells for many many years for

156

00:07:57,100 --> 00:07:53,030

scientific experimentation so the family

157

00:07:59,800 --> 00:07:57,110

itself was very was a very poor humble

158

00:08:02,590 --> 00:07:59,810

beginnings and they could have used it

159

00:08:03,850 --> 00:08:02,600

to help with our own health issues any

160

00:08:06,220 --> 00:08:03,860

pittance that they would have been given

161

00:08:08,170 --> 00:08:06,230

and they weren't even made privy to the

162

00:08:10,690 --> 00:08:08,180

fact that these cells were available and

163

00:08:13,180 --> 00:08:10,700

being used to reproduce numerous other

164

00:08:17,050 --> 00:08:13,190

things which i think is kind of shoddy

165

00:08:18,640 --> 00:08:17,060

of our government but yes a I know these

166

00:08:21,580 --> 00:08:18,650

scientists what they think that they're

167

00:08:24,220 --> 00:08:21,590

entitled to right I guess you know this

168

00:08:26,320 --> 00:08:24,230

continues today it's a fascinating story

169

00:08:28,750 --> 00:08:26,330

read all the details on our Facebook

170

00:08:31,240 --> 00:08:28,760

page and along with other stories like

171

00:08:37,270 --> 00:08:31,250

the haunted Canadian Embassy great story

172

00:08:43,300 --> 00:08:37,280

yeah scared to death so sorry feeling

173

00:08:45,160 --> 00:08:43,310

should be story that's on our Facebook

up but tonight this is a very important

181

00:09:04,720 --> 00:09:02,810

subject and we are so happy to have this

182

00:09:08,140 --> 00:09:04,730

guest with us tonight dr. Simeon Haines

183

00:09:09,960 --> 00:09:08,150

because this has to be addressed this is

184

00:09:12,280 --> 00:09:09,970

something that has not been addressed

185

00:09:13,660 --> 00:09:12,290

except I think by Phillips later and

186

00:09:16,080 --> 00:09:13,670

we're gonna find out when dr. Haines

187

00:09:18,340 --> 00:09:16,090

comes on if there was anybody else but

188

00:09:20,850 --> 00:09:18,350

sociologists at least seem to be on top

189

00:09:24,190 --> 00:09:20,860

of this where other people have not been

190

00:09:26,470 --> 00:09:24,200

so anyways we've got to find out what's

191

00:09:29,440 --> 00:09:26,480

going on in our society today that makes

192

00:09:33,040 --> 00:09:29,450

these things happen that makes us put

193

00:09:38,260 --> 00:09:33,050

down UFO abductors make fun of them not

194

00:09:41,290 --> 00:09:38,270

take these subjects seriously why so no

195

00:09:43,990 --> 00:09:41,300

further chatting from me let's bring dr.

196

00:09:46,120 --> 00:09:44,000

Haines on the show so Simeon welcome to

197

00:09:50,400 --> 00:09:46,130

the show well hey guys how you doing

198

00:09:53,410 --> 00:09:50,410

it's a time by the way doctor hi Samia

199

00:09:55,360 --> 00:09:53,420

sorry you know I got I got both

200

00:09:57,760 --> 00:09:55,370

you guys covered because Patricia you're

201
00:09:59,770 --> 00:09:57,770
in Massachusetts right that's right now

202
00:10:03,610 --> 00:09:59,780
you I used to go to Hampshire College in

203
00:10:11,140 --> 00:10:03,620
Amherst and I went to the University of

204
00:10:13,780 --> 00:10:11,150
Arizona and good ol T son oh really so I

205
00:10:17,020 --> 00:10:13,790
and I ended up in Boulder because I

206
00:10:19,450 --> 00:10:17,030
thought Tucson was a little too hot so

207
00:10:22,600 --> 00:10:19,460
this is why I'm in between Massachusetts

208
00:10:24,610 --> 00:10:22,610
and Arizona how about that you found the

209
00:10:27,460 --> 00:10:24,620
perfect spot networkable

210
00:10:29,230 --> 00:10:27,470
I had a good time in Tucson I just did

211
00:10:32,770 --> 00:10:29,240
is a little too warm you know so anyway

212
00:10:37,210 --> 00:10:32,780
I understand about you're talking about

213
00:10:38,920 --> 00:10:37,220

yeah middle of the road instead middle

214

00:10:42,970 --> 00:10:38,930

of the road here I like to be moderate

215

00:10:44,800 --> 00:10:42,980

so yes well I wanted to start off if I

216

00:10:46,960 --> 00:10:44,810

could by reading this quote from Philip

217

00:10:49,000 --> 00:10:46,970

Slater and his book the weight gain now

218

00:10:50,470 --> 00:10:49,010

this is the first book I have ever found

219

00:10:52,870 --> 00:10:50,480

to address this and maybe you can

220

00:10:55,570 --> 00:10:52,880

enlighten us that there's any more along

221

00:10:57,850 --> 00:10:55,580

with your great book but Philip Slater

222

00:11:00,310 --> 00:10:57,860

was a fabulous sociologist unfortunately

223

00:11:02,080 --> 00:11:00,320

passed away a few years ago and he was

224

00:11:05,050 --> 00:11:02,090

famous for his book the pursuit of

225

00:11:07,420 --> 00:11:05,060

loneliness but his book the waiver gate

226

00:11:09,940 --> 00:11:07,430

is fascinating it is science in the

227

00:11:12,730 --> 00:11:09,950

supernatural and here's a quote from him

228

00:11:16,330 --> 00:11:12,740

the purpose of this book is to persuade

229

00:11:20,190 --> 00:11:16,340

the ego in its own language to enlarge

230

00:11:24,130 --> 00:11:20,200

its repertory of experience to rule more

231

00:11:26,890 --> 00:11:24,140

democratically more wisely more openly

232

00:11:29,440 --> 00:11:26,900

more richly I want to convince the

233

00:11:32,140 --> 00:11:29,450

despot that it's ill informed that its

234

00:11:34,810 --> 00:11:32,150

own desperate need to control has

235

00:11:38,290 --> 00:11:34,820

strangled its information channels that

236

00:11:41,110 --> 00:11:38,300

the result of this anxious vigilance is

237

00:11:43,480 --> 00:11:41,120

the impoverishment of its own experience

238

00:11:46,270 --> 00:11:43,490

and of the whole kingdom and that its

239

00:11:48,900 --> 00:11:46,280

understanding of the universe is wildly

240

00:11:53,320 --> 00:11:48,910

erroneous that's Philip Slater

241

00:11:54,880 --> 00:11:53,330

so yes good quote tallis talis Simeon

242

00:11:58,000 --> 00:11:54,890

what brought you to the door of the

243

00:12:00,160 --> 00:11:58,010

supernatural yeah I think it would be

244

00:12:02,290 --> 00:12:00,170

that quote from Philips later I I'm not

245

00:12:05,890 --> 00:12:02,300

familiar with that book but I think he

246

00:12:07,420 --> 00:12:05,900

reflects it very well I I came across to

247

00:12:10,360 --> 00:12:07,430

these subjects from remote

248

00:12:12,970 --> 00:12:10,370

and I came into remote viewing almost

249

00:12:16,000 --> 00:12:12,980

straight out of graduate school and then

250

00:12:18,940 --> 00:12:16,010

I was an assistant professor teaching

251
00:12:20,980 --> 00:12:18,950
statistics so I was moving farther and

252
00:12:22,630 --> 00:12:20,990
farther away from these areas right

253
00:12:24,820 --> 00:12:22,640
because you don't hear about this stuff

254
00:12:27,730 --> 00:12:24,830
in universities I don't think I ever

255
00:12:30,690 --> 00:12:27,740
heard the word UFO paranormal anything

256
00:12:32,560 --> 00:12:30,700
like that mentioned in decades of tsul

257
00:12:35,130 --> 00:12:32,570
anywhere not at the University of

258
00:12:38,950 --> 00:12:35,140
Arizona not at Hampshire College not a

259
00:12:41,920 --> 00:12:38,960
state nobody this is not company this is

260
00:12:44,410 --> 00:12:41,930
one of those you know as I call one of

261
00:12:46,630 --> 00:12:44,420
the social danger zones that you are

262
00:12:49,510 --> 00:12:46,640
afraid for your career it's like a type

263
00:12:51,580 --> 00:12:49,520

of blackmail and we live under any type

264

00:12:53,980 --> 00:12:51,590

of blackmail that if you get involved in

265

00:12:56,350 --> 00:12:53,990

these subjects it's going to hurt your

266

00:12:58,420 --> 00:12:56,360

career your neighbors are gonna think

267

00:13:00,880 --> 00:12:58,430

you're weird whatever so people don't

268

00:13:02,530 --> 00:13:00,890

study this now I mean that's what

269

00:13:04,210 --> 00:13:02,540

sociologists are supposed to do is take

270

00:13:05,920 --> 00:13:04,220

these difficult subjects and see if they

271

00:13:07,240 --> 00:13:05,930

can make sense of them in some way I

272

00:13:09,490 --> 00:13:07,250

mean how are we

273

00:13:12,070 --> 00:13:09,500

you know sociologists look at how do we

274

00:13:14,020 --> 00:13:12,080

attach meaning to our lives our actions

275

00:13:16,390 --> 00:13:14,030

our sense of identity right it varies

276

00:13:19,150 --> 00:13:16,400

from culture to culture society society

277

00:13:22,480 --> 00:13:19,160

and this is one area where we don't want

278

00:13:24,370 --> 00:13:22,490

to talk about it and I found that early

279

00:13:25,870 --> 00:13:24,380

on when I studied remote viewing with

280

00:13:28,690 --> 00:13:25,880

dr. Courtney Brown at Emory University

281

00:13:32,590 --> 00:13:28,700

back in 1996 I came I heard him on a

282

00:13:33,310 --> 00:13:32,600

radio interview here in Boulder and he

283

00:13:35,380 --> 00:13:33,320

was talking about this thing called

284

00:13:37,180 --> 00:13:35,390

remote viewing and I have to tell both

285

00:13:39,550 --> 00:13:37,190

of you I just part of my mind couldn't

286

00:13:41,350 --> 00:13:39,560

believe it I mean the idea that we have

287

00:13:43,570 --> 00:13:41,360

this innate telepathic ability I thought

288

00:13:45,490 --> 00:13:43,580

you had to be special or something but

289

00:13:47,380 --> 00:13:45,500

there was a part of my mind that was

290

00:13:50,050 --> 00:13:47,390

curious at the same time and I said to

291

00:13:52,270 --> 00:13:50,060

myself well I said to my ego-mind

292

00:13:54,070 --> 00:13:52,280

well if we if you consider yourself to

293

00:13:55,750 --> 00:13:54,080

be an open-minded person you should

294

00:13:57,430 --> 00:13:55,760

investigate this I mean maybe it turns

295

00:13:59,860 --> 00:13:57,440

out to be a hoax maybe it doesn't but

296

00:14:01,570 --> 00:13:59,870

it's worthy to look at I mean no one had

297

00:14:02,920 --> 00:14:01,580

ever talked about remote viewing let

298

00:14:05,620 --> 00:14:02,930

alone some sort of classified government

299

00:14:07,210 --> 00:14:05,630

program in psychic spies right in the

300

00:14:10,780 --> 00:14:07,220

Defense Intelligence Agency of all

301
00:14:15,540 --> 00:14:10,790
places yeah so I went and took his class

302
00:14:18,760 --> 00:14:15,550
in I believe it was May of 1996 and

303
00:14:21,010 --> 00:14:18,770
that's when all of this began because it

304
00:14:23,740 --> 00:14:21,020
turned out remote viewing work

305
00:14:24,820 --> 00:14:23,750
I don't know if I wanted it to work but

306
00:14:26,470 --> 00:14:24,830
it did

307
00:14:28,270 --> 00:14:26,480
there was just no doubt about it it

308
00:14:30,820 --> 00:14:28,280
wasn't like maybe this works sort of

309
00:14:32,770 --> 00:14:30,830
this works I after a couple days I did a

310
00:14:35,500 --> 00:14:32,780
few sessions and four people don't know

311
00:14:38,680 --> 00:14:35,510
I mean you have a hidden target that you

312
00:14:40,600 --> 00:14:38,690
are supposed to describe in a you know a

313
00:14:43,600 --> 00:14:40,610

given period of time half an hour an

314

00:14:45,280 --> 00:14:43,610

hour and you don't see it ahead of time

315

00:14:47,770 --> 00:14:45,290

so you're given no information about

316

00:14:48,940 --> 00:14:47,780

this target picture or location whatever

317

00:14:50,710 --> 00:14:48,950

it is it could even be written on a

318

00:14:52,330 --> 00:14:50,720

piece of paper it's hidden in a folder

319

00:14:54,430 --> 00:14:52,340

it's behind your back you can't see it

320

00:14:57,130 --> 00:14:54,440

and the monitors tells you describe the

321

00:14:59,620 --> 00:14:57,140

target that's it that's all you get

322

00:15:01,990 --> 00:14:59,630

they may say at some point tell us about

323

00:15:03,670 --> 00:15:02,000

colors you know they they prompt you lit

324

00:15:05,770 --> 00:15:03,680

but there's no information from them

325

00:15:07,270 --> 00:15:05,780

about what the target is and I saw

326

00:15:08,740 --> 00:15:07,280

within a few days that it was too

327

00:15:11,190 --> 00:15:08,750

accurate it'd be by chance

328

00:15:13,540 --> 00:15:11,200

that was my just personal subjective

329

00:15:16,420 --> 00:15:13,550

assessment of remote viewing is I came

330

00:15:17,800 --> 00:15:16,430

in as a mild skeptic open to the idea as

331

00:15:23,110 --> 00:15:17,810

possible but I didn't think I'd be able

332

00:15:25,950 --> 00:15:23,120

to do it and then it turned out to work

333

00:15:29,890 --> 00:15:25,960

and then I wrote opening minds about it

334

00:15:33,400 --> 00:15:29,900

so many years later but that's how it

335

00:15:35,620 --> 00:15:33,410

all started it it started with my

336

00:15:37,630 --> 00:15:35,630

realization that if remote viewing was

337

00:15:40,360 --> 00:15:37,640

real and this is quite a shock to your

338

00:15:42,730 --> 00:15:40,370

ego mind to realize that you have innate

339

00:15:45,160 --> 00:15:42,740

telepathic ability no one ever prepared

340

00:15:47,980 --> 00:15:45,170

you for this it's not nobody told you

341

00:15:49,210 --> 00:15:47,990

about this anywhere in school it was

342

00:15:51,010 --> 00:15:49,220

just considered to be part of the

343

00:15:53,620 --> 00:15:51,020

paranormal so you didn't touch it right

344

00:15:55,240 --> 00:15:53,630

and it turned out to be real I'm not the

345

00:15:57,730 --> 00:15:55,250

only one who thought it was real the CIA

346

00:15:59,290 --> 00:15:57,740

concluded it was real the DIA concluded

347

00:16:00,850 --> 00:15:59,300

as really wouldn't have funded it for 20

348

00:16:03,820 --> 00:16:00,860

years if they weren't getting results

349

00:16:04,420 --> 00:16:03,830

and some of the exactly people got

350

00:16:07,000 --> 00:16:04,430

results

351

00:16:09,040 --> 00:16:07,010

Joe mcmoneagle got a Legion of Merit

352

00:16:11,340 --> 00:16:09,050

Award from the military for his remote

353

00:16:14,350 --> 00:16:11,350

viewing it says that on the plaque for

354

00:16:16,030 --> 00:16:14,360

200 remote viewing sessions that he did

355

00:16:17,620 --> 00:16:16,040

that we don't know about because they're

356

00:16:19,030 --> 00:16:17,630

still classified for the most part but

357

00:16:20,920 --> 00:16:19,040

that's what it says on the plaque now

358

00:16:22,600 --> 00:16:20,930

they don't give a legion that they have

359

00:16:23,110 --> 00:16:22,610

any of those awards they give out a year

360

00:16:24,670 --> 00:16:23,120

a couple

361

00:16:27,040 --> 00:16:24,680

I mean it's rare it's the highest

362

00:16:29,020 --> 00:16:27,050

military peacetime honor in here the

363

00:16:31,210 --> 00:16:29,030

number one remote viewer in the military

364

00:16:33,879 --> 00:16:31,220

program got it for remote viewing it

365

00:16:36,639 --> 00:16:33,889

says that on the plaque so

366

00:16:38,710 --> 00:16:36,649

people it worked and now it doesn't work

367

00:16:41,079 --> 00:16:38,720

every time but sometimes it works in a

368

00:16:42,819 --> 00:16:41,089

way that's almost impossible to describe

369

00:16:46,329 --> 00:16:42,829

the accuracy I mean it's like the viewer

370

00:16:48,549 --> 00:16:46,339

is at the site they're walking around in

371

00:16:52,059 --> 00:16:48,559

some cases they were able to read go

372

00:16:54,489 --> 00:16:52,069

into you know super secret classified

373

00:16:57,729 --> 00:16:54,499

file cabinets and look into the contents

374

00:16:59,019 --> 00:16:57,739

from a 3,000 miles away it really scared

375

00:17:00,579 --> 00:16:59,029

the heck out of the US government that

376

00:17:03,819 --> 00:17:00,589

it could work that well and they

377

00:17:05,169 --> 00:17:03,829

disfigured well if the Russians have it

378

00:17:06,579 --> 00:17:05,179

we have to have it so it kind of came

379

00:17:12,009 --> 00:17:06,589

out of the Cold War I mean it's bizarre

380

00:17:13,720 --> 00:17:12,019

huh I mean yeah this dual consciousness

381

00:17:15,519 --> 00:17:13,730

about it too it's like on the one hand

382

00:17:17,110 --> 00:17:15,529

you have the government dissing the

383

00:17:19,149 --> 00:17:17,120

whole thing and on the other hand as you

384

00:17:21,039 --> 00:17:19,159

just mentioned we have people like Joel

385

00:17:22,539 --> 00:17:21,049

mcmoneagle getting these amazing awards

386

00:17:25,269 --> 00:17:22,549

for all of his service and being

387

00:17:27,639 --> 00:17:25,279

accurate in his ability to Remote View

388

00:17:32,379 --> 00:17:27,649

we're close friends with Joe by the way

389

00:17:34,360 --> 00:17:32,389

oh great well Joe yes john-boy well

390

00:17:38,320 --> 00:17:34,370

there you go I mean what other proof do

391

00:17:41,230 --> 00:17:38,330

you need he the guy is is like a living

392

00:17:44,919 --> 00:17:41,240

human wonder I mean I don't know I've

393

00:17:46,539 --> 00:17:44,929

met him a couple times and we don't know

394

00:17:48,159 --> 00:17:46,549

how he does this but he's not right

395

00:17:50,200 --> 00:17:48,169

every single time but half his sessions

396

00:17:51,940 --> 00:17:50,210

are really super accurate he could

397

00:17:53,980 --> 00:17:51,950

locate missing people for the Japanese

398

00:17:55,389 --> 00:17:53,990

police that even the Japanese he did it

399

00:17:57,070 --> 00:17:55,399

from his home in Virginia even the

400

00:18:00,610 --> 00:17:57,080

Japanese police couldn't locate them and

401
00:18:02,710 --> 00:18:00,620
he told us he told us at one of the

402
00:18:04,720 --> 00:18:02,720
remote viewing conferences the App Fest

403
00:18:06,549 --> 00:18:04,730
run by Marty Rosenblatt it's held in

404
00:18:08,620 --> 00:18:06,559
Henderson Nevada Joe was there he's been

405
00:18:10,539 --> 00:18:08,630
there a couple times it he he showed us

406
00:18:11,980 --> 00:18:10,549
how he does it I mean doesn't help you

407
00:18:14,769 --> 00:18:11,990
and me to do it exactly but he said i

408
00:18:17,769 --> 00:18:14,779
zoom in from the Bob I I see a coastline

409
00:18:19,870 --> 00:18:17,779
and I get closer and I see a town and

410
00:18:22,899 --> 00:18:19,880
then I start seeing buildings and I

411
00:18:24,370 --> 00:18:22,909
start seeing shapes and maybe you can

412
00:18:26,139 --> 00:18:24,380
identify what the town is then you

413
00:18:28,659 --> 00:18:26,149

locate the street corner of the

414

00:18:30,370 --> 00:18:28,669

apartment and then the apartment floor

415

00:18:35,440 --> 00:18:30,380

and then the apartment number that's how

416

00:18:37,419 --> 00:18:35,450

he's simple and so we were like an open

417

00:18:39,460 --> 00:18:37,429

society we'd be wondering how he does

418

00:18:43,210 --> 00:18:39,470

this but instead like many other topics

419

00:18:45,639 --> 00:18:43,220

we just decide no we're not gonna go

420

00:18:47,320 --> 00:18:45,649

there it's just too strange I mean we

421

00:18:47,769 --> 00:18:47,330

know it works but we don't know why so

422

00:18:49,839 --> 00:18:47,779

let's not

423

00:18:51,969 --> 00:18:49,849

talk about it let's just shut it out of

424

00:18:54,789 --> 00:18:51,979

our sight it's crazy well we don't know

425

00:18:57,249 --> 00:18:54,799

how anesthesia works either but we use

426

00:18:58,749 --> 00:18:57,259

it all the time so there's something

427

00:19:01,570 --> 00:18:58,759

again as you mentioned about the

428

00:19:04,269 --> 00:19:01,580

paranormal that strikes fear into

429

00:19:06,820 --> 00:19:04,279

people's ego consciousness and it's a

430

00:19:08,919 --> 00:19:06,830

shame because we're missing out on the

431

00:19:10,599 --> 00:19:08,929

greatness of who we are as human beings

432

00:19:13,330 --> 00:19:10,609

and and Joe is certainly one of those

433

00:19:14,619 --> 00:19:13,340

great human beings oh yeah I think fear

434

00:19:16,599 --> 00:19:14,629

of the unknown

435

00:19:18,999 --> 00:19:16,609

that we're going to fail at trying to

436

00:19:23,079 --> 00:19:19,009

see it makes people back off of even

437

00:19:25,570 --> 00:19:23,089

trying it there is a lot of fear around

438

00:19:27,759 --> 00:19:25,580

these topics you know underneath the

439

00:19:30,579 --> 00:19:27,769

presentation we give to society of who

440

00:19:33,070 --> 00:19:30,589

we are we're afraid of being rejected by

441

00:19:35,829 --> 00:19:33,080

our fellow mammals it's just obvious

442

00:19:37,180 --> 00:19:35,839

okay now to study these subjects you

443

00:19:38,769 --> 00:19:37,190

have to get to the point where you don't

444

00:19:41,289 --> 00:19:38,779

care anymore what people think about you

445

00:19:42,669 --> 00:19:41,299

and you realize other people in history

446

00:19:46,209 --> 00:19:42,679

had to do that too right we're not the

447

00:19:49,749 --> 00:19:46,219

first people had to be brave and Galileo

448

00:19:51,369 --> 00:19:49,759

you had to stand up for their data there

449

00:19:54,039 --> 00:19:51,379

are little moons going around Jupiter

450

00:19:55,899 --> 00:19:54,049

and then Venus is kind of changing light

451
00:19:57,399 --> 00:19:55,909
that must mean that we revolve around

452
00:20:00,310 --> 00:19:57,409
the Sun instead of the other way around

453
00:20:02,349 --> 00:20:00,320
that was a big thing back in 1600s right

454
00:20:04,649 --> 00:20:02,359
so you know there's people who've been

455
00:20:07,089 --> 00:20:04,659
very brave in the past people who've

456
00:20:08,349 --> 00:20:07,099
been burnt at the stake for this people

457
00:20:09,849 --> 00:20:08,359
who've died for this so you realized

458
00:20:10,869 --> 00:20:09,859
you've got a kind of easy compared to

459
00:20:12,339 --> 00:20:10,879
them right the worst that could happen

460
00:20:14,139 --> 00:20:12,349
to you as people will think you're weird

461
00:20:15,999 --> 00:20:14,149
you can't be hung anymore for this no

462
00:20:17,619 --> 00:20:16,009
one's going to put you in jail you're

463
00:20:18,909 --> 00:20:17,629

not going to be killed for this you know

464

00:20:20,709 --> 00:20:18,919

you're not going to go to the Salem

465

00:20:24,339 --> 00:20:20,719

witch trials not far from where you are

466

00:20:26,440 --> 00:20:24,349

Patricia and where they were and so

467

00:20:28,959 --> 00:20:26,450

we've got a good guys we've got these

468

00:20:30,729 --> 00:20:28,969

tools that we've got Skype we've got

469

00:20:33,070 --> 00:20:30,739

internet we can communicate with each

470

00:20:34,659 --> 00:20:33,080

other and we know that reality doesn't

471

00:20:36,519 --> 00:20:34,669

work the way we were taught in school

472

00:20:43,019 --> 00:20:36,529

it's not that the way we're taught in

473

00:20:47,859 --> 00:20:45,489

otherwise that there's something else

474

00:20:50,289 --> 00:20:47,869

going on and it intrudes into the lives

475

00:20:53,589 --> 00:20:50,299

of ordinary people from time to time and

476

00:20:55,839 --> 00:20:53,599

it's real the data are there science is

477

00:20:57,609 --> 00:20:55,849

based on data and theory we've got data

478

00:20:59,229 --> 00:20:57,619

and we've got very good theories so I

479

00:21:01,330 --> 00:20:59,239

don't know what the problem is and why

480

00:21:02,800 --> 00:21:01,340

people are afraid to engage these

481

00:21:05,830 --> 00:21:02,810

subjects it's so much easier to say it's

482

00:21:07,750 --> 00:21:05,840

not real i i've been subscribed to

483

00:21:10,630 --> 00:21:07,760

science magazine ever since my

484

00:21:12,700 --> 00:21:10,640

dissertation advisor at WSU in Pullman

485

00:21:14,770 --> 00:21:12,710

Washington said Simeon you know every

486

00:21:15,910 --> 00:21:14,780

science magazine that comes out every

487

00:21:17,860 --> 00:21:15,920

week there's like one or two things that

488

00:21:21,250 --> 00:21:17,870

are interesting to what you do you know

489

00:21:22,600 --> 00:21:21,260

technology science ecology you should

490

00:21:25,510 --> 00:21:22,610

get a subscription I've had a

491

00:21:27,850 --> 00:21:25,520

subscription since 1990 and I've read

492

00:21:29,950 --> 00:21:27,860

every single issue almost since then a

493

00:21:33,130 --> 00:21:29,960

long time it's 27 years I have never

494

00:21:36,550 --> 00:21:33,140

seen any of these topics there's a

495

00:21:39,400 --> 00:21:36,560

branch of the triple-a s devoted towards

496

00:21:41,590 --> 00:21:39,410

parapsychology I guess it's called as it

497

00:21:43,060 --> 00:21:41,600

used to be no parapsychology I they

498

00:21:44,680 --> 00:21:43,070

never have any articles in there because

499

00:21:46,750 --> 00:21:44,690

they want I've talked to the people in

500

00:21:47,890 --> 00:21:46,760

that subsection it's a real subsection

501
00:21:52,140 --> 00:21:47,900
but they can't get their articles

502
00:21:56,380 --> 00:21:55,030
Russell Targ and helped it up had an

503
00:21:59,890 --> 00:21:56,390
article in there before I was a

504
00:22:01,810 --> 00:21:59,900
subscriber in like I think early 80s to

505
00:22:05,050 --> 00:22:01,820
describe what they were doing at SR I

506
00:22:06,760 --> 00:22:05,060
with Ingo Swann and Joe McMahon Nicole

507
00:22:08,500 --> 00:22:06,770
and Pat price and the other psychics

508
00:22:09,400 --> 00:22:08,510
hella ham unit all the great results

509
00:22:11,500 --> 00:22:09,410
they were getting and they tried to

510
00:22:13,270 --> 00:22:11,510
describe what was going on that was

511
00:22:16,510 --> 00:22:13,280
published I think that might have been

512
00:22:17,920 --> 00:22:16,520
the last one related to you know ESP

513
00:22:19,510 --> 00:22:17,930

whatever you would like to call it

514

00:22:20,800 --> 00:22:19,520

remote viewing it I don't think there's

515

00:22:22,480 --> 00:22:20,810

been an article since I've never seen

516

00:22:24,190 --> 00:22:22,490

one and in all the years I'd like

517

00:22:26,860 --> 00:22:24,200

someone to prove me wrong so we're not

518

00:22:29,140 --> 00:22:26,870

talking about it and I you know what

519

00:22:30,970 --> 00:22:29,150

this is gonna lead to is the dam is

520

00:22:33,610 --> 00:22:30,980

going to break at some point because

521

00:22:35,140 --> 00:22:33,620

you're you're censoring information and

522

00:22:38,190 --> 00:22:35,150

it you know when you censor anything

523

00:22:40,510 --> 00:22:38,200

though water builds up behind the dam

524

00:22:42,130 --> 00:22:40,520

younger people are more open-minded

525

00:22:46,570 --> 00:22:42,140

eventually they'll be curious about this

526

00:22:49,090 --> 00:22:46,580

topic again you know and because there's

527

00:22:50,830 --> 00:22:49,100

lack of a response from science it could

528

00:22:52,960 --> 00:22:50,840

threaten science as we know it because

529

00:22:55,570 --> 00:22:52,970

they refuse to talk about it I'm sorry

530

00:22:57,070 --> 00:22:55,580

good and I think it does because I think

531

00:22:59,770 --> 00:22:57,080

they're starting to fall into the same

532

00:23:01,780 --> 00:22:59,780

kind of classification as the lamestream

533

00:23:02,980 --> 00:23:01,790

media and our government they're just

534

00:23:05,230 --> 00:23:02,990

not to be believed

535

00:23:07,360 --> 00:23:05,240

because they won't take all of these

536

00:23:09,850 --> 00:23:07,370

things into consideration you know you

537

00:23:12,730 --> 00:23:09,860

have people from NASA saying that oh we

538

00:23:15,190 --> 00:23:12,740

may find extraterrestrial life at some

539

00:23:17,230 --> 00:23:15,200

point you know out there it's like

540

00:23:19,180 --> 00:23:17,240

we all know it's there we all know it's

541

00:23:22,960 --> 00:23:19,190

here and if you listen to people like

542

00:23:24,639 --> 00:23:22,970

Robert Bigelow the billionaire who works

543

00:23:26,409 --> 00:23:24,649

at NASA and who was interviewed on 60

544

00:23:27,430 --> 00:23:26,419

minutes and came out and said they're

545

00:23:30,009 --> 00:23:27,440

here already

546

00:23:32,680 --> 00:23:30,019

yeah right under our noses I mean that

547

00:23:35,019 --> 00:23:32,690

was an incredible incredible piece of

548

00:23:37,600 --> 00:23:35,029

information that came from him why would

549

00:23:39,129 --> 00:23:37,610

we listen to anybody else we we know

550

00:23:41,889 --> 00:23:39,139

these things are happening

551
00:23:44,860 --> 00:23:41,899
we have abductees like Danny Andreas and

552
00:23:47,379 --> 00:23:44,870
Luka and Bob Luca very very honest

553
00:23:50,139 --> 00:23:47,389
credible people who come out and share

554
00:23:52,539 --> 00:23:50,149
this and there's no big upside for them

555
00:23:54,519 --> 00:23:52,549
believe me they were followed by the

556
00:23:56,830 --> 00:23:54,529
government they had black helicopters

557
00:23:57,820 --> 00:23:56,840
over their house following them wherever

558
00:24:00,159 --> 00:23:57,830
they went

559
00:24:03,100 --> 00:24:00,169
FBI showing up at Bob's piece of work

560
00:24:06,490 --> 00:24:03,110
you know it's this type of harassment

561
00:24:08,710 --> 00:24:06,500
has got to stop so even though we're not

562
00:24:11,320 --> 00:24:08,720
being burned at the stake people like

563
00:24:13,480 --> 00:24:11,330

that are being harassed every single day

564

00:24:16,389 --> 00:24:13,490

because of their experiences that is

565

00:24:17,850 --> 00:24:16,399

simply unacceptable definite all rights

566

00:24:21,669 --> 00:24:17,860

unacceptable you're right

567

00:24:24,009 --> 00:24:21,679

we shouldn't put up with it and we can

568

00:24:25,389 --> 00:24:24,019

do better than that I you know you

569

00:24:27,129 --> 00:24:25,399

should should look at it as an

570

00:24:30,279 --> 00:24:27,139

opportunity to get to know your universe

571

00:24:32,139 --> 00:24:30,289

how about that nobody's good so here's

572

00:24:34,120 --> 00:24:32,149

that it's easy to understand I don't

573

00:24:36,039 --> 00:24:34,130

know where this fallacy showed up this

574

00:24:37,899 --> 00:24:36,049

is not Occam's razor Occam's razor

575

00:24:39,430 --> 00:24:37,909

didn't say the universe is ultimately

576

00:24:41,470 --> 00:24:39,440

easy for our conscious mind to

577

00:24:44,259 --> 00:24:41,480

understand like the quote you read at

578

00:24:46,419 --> 00:24:44,269

the beginning Reinstein had a quote like

579

00:24:50,980 --> 00:24:46,429

that you remember that he said the

580

00:24:53,289 --> 00:24:50,990

conscious mind is the subconscious mind

581

00:24:55,269 --> 00:24:53,299

is like the faithful servant and the

582

00:24:58,320 --> 00:24:55,279

unconscious like the faithful servant

583

00:25:01,029 --> 00:24:58,330

and the conscious mind is kind of like

584

00:25:02,769 --> 00:25:01,039

the consciousness we the conscious mind

585

00:25:04,720 --> 00:25:02,779

is a servant and the unconscious is like

586

00:25:07,360 --> 00:25:04,730

the master but in our society it's been

587

00:25:09,519 --> 00:25:07,370

reversed or the conscious mind I haven't

588

00:25:14,289 --> 00:25:09,529

seen the coma the conscious mind is like

589

00:25:16,060 --> 00:25:14,299

a bully to the unconscious yeah I'm

590

00:25:17,470 --> 00:25:16,070

Stein had that quote in Alan Watts you

591

00:25:19,120 --> 00:25:17,480

know the philosophers and philosopher

592

00:25:22,419 --> 00:25:19,130

from the 60s we would talk about this a

593

00:25:26,289 --> 00:25:22,429

lot too and this really proves it I mean

594

00:25:28,389 --> 00:25:26,299

no one ever said that you have to like

595

00:25:29,149 --> 00:25:28,399

the way the universe is that it's going

596

00:25:31,639 --> 00:25:29,159

to totally

597

00:25:35,269 --> 00:25:31,649

be comfortable for your ego mind to

598

00:25:36,710 --> 00:25:35,279

understand it's just what it is and if

599

00:25:38,419 --> 00:25:36,720

it decides it wants to be

600

00:25:42,099 --> 00:25:38,429

multi-dimensional and intrude on your

601
00:25:46,219 --> 00:25:42,109
reality sometimes through ghosts Bigfoot

602
00:25:47,450 --> 00:25:46,229
UFOs extraterrestrials whatever phone

603
00:25:50,089 --> 00:25:47,460
calls from people who are already

604
00:25:51,649 --> 00:25:50,099
deceased mm-hmm if it decides it's going

605
00:25:53,779 --> 00:25:51,659
to do that it's going to do that now I

606
00:25:55,310 --> 00:25:53,789
don't know why it does that nobody does

607
00:25:57,080 --> 00:25:55,320
but that's the facts

608
00:25:59,180 --> 00:25:57,090
it's the in-crowd revert of all facts

609
00:26:02,479 --> 00:25:59,190
rather than spending all this time

610
00:26:04,460 --> 00:26:02,489
debunking very credible people you know

611
00:26:07,909 --> 00:26:04,470
why don't we put some energy into saying

612
00:26:10,310 --> 00:26:07,919
okay if this is all real what is going

613
00:26:12,710 --> 00:26:10,320

on we haven't quite got there yet we

614

00:26:14,450 --> 00:26:12,720

just won't know we go there as we

615

00:26:16,669 --> 00:26:14,460

perfect it's easier to ridicule people

616

00:26:19,489 --> 00:26:16,679

and read her ask them and make fun of

617

00:26:22,039 --> 00:26:19,499

them but that's not gonna move the ball

618

00:26:24,080 --> 00:26:22,049

down the field right I think it'd be

619

00:26:27,259 --> 00:26:24,090

more fun to move the ball down the field

620

00:26:29,089 --> 00:26:27,269

and just get over especially if they're

621

00:26:31,669 --> 00:26:29,099

branches within our society that know

622

00:26:33,680 --> 00:26:31,679

about this maybe within the government

623

00:26:35,149 --> 00:26:33,690

within some sort of secret control group

624

00:26:37,099 --> 00:26:35,159

I don't know there's all these theories

625

00:26:39,589 --> 00:26:37,109

about who knows about this but why don't

626
00:26:41,029 --> 00:26:39,599
like Bob Bigelow data on 60 minutes why

627
00:26:43,930 --> 00:26:41,039
he just come out like he did very

628
00:26:48,259 --> 00:26:43,940
bravely said of course UFOs are real and

629
00:26:50,690 --> 00:26:48,269
his interviewer off top forgot her name

630
00:26:52,009 --> 00:26:50,700
for a second but the interviewer said

631
00:26:59,299 --> 00:26:52,019
don't you think people are gonna think

632
00:27:00,950 --> 00:26:59,309
you're weird if you say that yeah I'm a

633
00:27:02,330 --> 00:27:00,960
billionaire I do you think I care I'm a

634
00:27:05,299 --> 00:27:02,340
self-made billionaire do you think I

635
00:27:07,999 --> 00:27:05,309
care right it takes independent people

636
00:27:10,580 --> 00:27:08,009
like that who have no bosses to be able

637
00:27:12,919 --> 00:27:10,590
to tell speak their mind they may not

638
00:27:15,320 --> 00:27:12,929

always be coherent like some presidents

639

00:27:17,570 --> 00:27:15,330

we know but at least you want people

640

00:27:20,719 --> 00:27:17,580

that can speak their mind without

641

00:27:22,940 --> 00:27:20,729

worrying about the blackmail from above

642

00:27:24,409 --> 00:27:22,950

and I've got I'd like to feel I've

643

00:27:26,299 --> 00:27:24,419

gotten to that might at that point in my

644

00:27:28,879 --> 00:27:26,309

life I hope other people did too I mean

645

00:27:31,310 --> 00:27:28,889

who cares you it's I was brought up to

646

00:27:33,619 --> 00:27:31,320

tell the truth okay by my educational

647

00:27:35,210 --> 00:27:33,629

system by Hampshire College right by my

648

00:27:37,279 --> 00:27:35,220

liberal education in Massachusetts you

649

00:27:39,379 --> 00:27:37,289

tell the truth you don't always know

650

00:27:42,310 --> 00:27:39,389

what it is but at least you could be

651
00:27:45,350 --> 00:27:42,320
honest in your questions right that's

652
00:27:46,970 --> 00:27:45,360
and that's how I was brought up and I am

653
00:27:49,940 --> 00:27:46,980
shocked to find that it hasn't applied

654
00:27:52,460 --> 00:27:49,950
especially to the UFO issue and UFO

655
00:27:54,800 --> 00:27:52,470
contactees we won't take them seriously

656
00:27:57,020 --> 00:27:54,810
even the highest level people in

657
00:27:58,340 --> 00:27:57,030
government who are contactees do you

658
00:28:00,440 --> 00:27:58,350
know their people in our government that

659
00:28:01,910 --> 00:28:00,450
are afraid to that get abducted nobody

660
00:28:03,980 --> 00:28:01,920
knows why some people get abducted in

661
00:28:06,380 --> 00:28:03,990
some down I spoke to someone recently

662
00:28:09,710 --> 00:28:06,390
who knew someone who was worked with the

663
00:28:11,810 --> 00:28:09,720

federal government pretty high up and

664

00:28:13,550 --> 00:28:11,820

these these people who have this

665

00:28:15,440 --> 00:28:13,560

experience they it doesn't matter how

666

00:28:17,150 --> 00:28:15,450

high your security clearance is it could

667

00:28:20,920 --> 00:28:17,160

still happen to you and nothing no one

668

00:28:26,300 --> 00:28:24,080

and where they're taking you there's no

669

00:28:28,070 --> 00:28:26,310

protection from this I think it's

670

00:28:33,260 --> 00:28:28,080

healthier to talk about it then keep

671

00:28:35,960 --> 00:28:33,270

denying it we're gonna take a short

672

00:28:37,760 --> 00:28:35,970

break in the government who said the

673

00:28:38,930 --> 00:28:37,770

same thing I just told you okay and

674

00:28:40,130 --> 00:28:38,940

we're gonna talk about that some more

675

00:28:41,630 --> 00:28:40,140

because we want to hear more about

676
00:28:43,280 --> 00:28:41,640
people in the government being abducted

677
00:28:44,750 --> 00:28:43,290
that's very interesting

678
00:28:47,180 --> 00:28:44,760
but we're gonna have to take a short

679
00:28:49,450 --> 00:28:47,190
break and then we will come right back

680
00:28:52,100 --> 00:28:49,460
and continue this great conversation

681
00:29:05,500 --> 00:28:52,110
with the author of this wonderful book

682
00:29:10,340 --> 00:29:07,520
welcome back everyone to the

683
00:29:13,310 --> 00:29:10,350
supernatural girls radio again I'm your

684
00:29:16,730 --> 00:29:13,320
host Patricia Baker I am here with my

685
00:29:19,460 --> 00:29:16,740
co-host Patricia Kirkman PK and our lust

686
00:29:26,360 --> 00:29:19,470
Ria's guests who needs to put his

687
00:29:28,220 --> 00:29:26,370
headset back on dr. fine I'm gonna

688
00:29:30,320 --> 00:29:28,230

pronounce it correctly now after I

689

00:29:31,460 --> 00:29:30,330

butchered it it's a one syllable name I

690

00:29:34,070 --> 00:29:31,470

don't know how I got that wrong but

691

00:29:36,920 --> 00:29:34,080

anyways dr. Simeon Hein is with us

692

00:29:39,980 --> 00:29:36,930

tonight with his great book black swan

693

00:29:41,750 --> 00:29:39,990

ghost now we want him to talk a little

694

00:29:45,320 --> 00:29:41,760

bit about the title because it's an

695

00:29:54,070 --> 00:29:45,330

unusual title here he is okay you join

696

00:29:55,760 --> 00:29:54,080

anything again I was just putting up a

697

00:30:00,890 --> 00:29:55,770

special

698

00:30:03,500 --> 00:30:00,900

count link yeah I mentioned this in the

699

00:30:05,750 --> 00:30:03,510

previous episode opening minds this was

700

00:30:08,510 --> 00:30:05,760

my book about remote viewing and my

701
00:30:11,360 --> 00:30:08,520
encounter with subtle energy sciences

702
00:30:13,910 --> 00:30:11,370
and I just wanted to say I put a special

703
00:30:16,370 --> 00:30:13,920
discount link on my blog new crystal

704
00:30:17,900 --> 00:30:16,380
mind for a signed copy I'll send it to

705
00:30:20,270 --> 00:30:17,910
anyone you know if you want to get a

706
00:30:21,950 --> 00:30:20,280
discount inside for me that's just what

707
00:30:30,830 --> 00:30:21,960
I was doing while we were in the break

708
00:30:33,110 --> 00:30:30,840
and that's what I was doing while you

709
00:30:36,470 --> 00:30:33,120
saw me typing okay go ahead sorry yes

710
00:30:39,620 --> 00:30:36,480
your new book blacks that's a very

711
00:30:42,560 --> 00:30:39,630
catchy name but it's also very unusual

712
00:30:44,990 --> 00:30:42,570
how did you come up with that black

713
00:30:49,700 --> 00:30:45,000

swan ghosts it's one of my favorite

714

00:30:53,000 --> 00:30:49,710

books listen I didn't totally come up

715

00:30:55,550 --> 00:30:53,010

with the idea completely out of the blue

716

00:30:59,300 --> 00:30:55,560

there if you've ever read the book The

717

00:31:01,960 --> 00:30:59,310

Black Swan by Nassim Taleb he's also

718

00:31:05,540 --> 00:31:01,970

written books called anti fragile and

719

00:31:06,620 --> 00:31:05,550

what the Black Swan he also before they

720

00:31:09,320 --> 00:31:06,630

wrote a book called fooled by randomness

721

00:31:13,700 --> 00:31:09,330

and what I really like about talev is

722

00:31:16,790 --> 00:31:13,710

that he says we don't understand how

723

00:31:19,250 --> 00:31:16,800

things work and the experts we have in

724

00:31:22,520 --> 00:31:19,260

our society give the presentation the

725

00:31:24,260 --> 00:31:22,530

commentators you see on TV people who

726

00:31:26,600 --> 00:31:24,270

consider themselves to be professional

727

00:31:27,860 --> 00:31:26,610

you know opinion makers and so forth we

728

00:31:30,920 --> 00:31:27,870

see them on you said the lamestream

729

00:31:32,090 --> 00:31:30,930

media is that what you said yes we see

730

00:31:34,100 --> 00:31:32,100

them on there all the time

731

00:31:35,870 --> 00:31:34,110

they give you the impression that they

732

00:31:37,940 --> 00:31:35,880

understand what's going on they'll give

733

00:31:39,860 --> 00:31:37,950

you advice and everything but they don't

734

00:31:42,110 --> 00:31:39,870

have any skin in the game they don't if

735

00:31:46,010 --> 00:31:42,120

it's wrong there's nothing there's no

736

00:31:49,100 --> 00:31:46,020

cost to them so he came up with this

737

00:31:51,500 --> 00:31:49,110

idea that we're omitting the discussion

738

00:31:53,630 --> 00:31:51,510

of really rare events and how they could

739

00:31:55,820 --> 00:31:53,640

impact our society we like to talk about

740

00:31:59,390 --> 00:31:55,830

what's easy to talk about but especially

741

00:32:01,700 --> 00:31:59,400

in financial analysis we ignore really

742

00:32:02,090 --> 00:32:01,710

rare events the one rare event like

743

00:32:04,580 --> 00:32:02,100

what's

744

00:32:06,920 --> 00:32:04,590

sadly happening in Houston and Corpus

745

00:32:09,120 --> 00:32:06,930

Christi over the past few days really

746

00:32:11,970 --> 00:32:09,130

severe events that could

747

00:32:15,120 --> 00:32:11,980

far out of the bell curve so far in the

748

00:32:16,890 --> 00:32:15,130

tails that it totally shifts in the

749

00:32:20,040 --> 00:32:16,900

discussion into we're not prepared for

750

00:32:22,650 --> 00:32:20,050

it right and it's not rare events happen

751
00:32:25,170 --> 00:32:22,660
more often than we expect that there

752
00:32:27,180 --> 00:32:25,180
could be events out there that are so

753
00:32:30,830 --> 00:32:27,190
unexpected because we haven't talked

754
00:32:33,960 --> 00:32:30,840
about them right that they can write a

755
00:32:36,120 --> 00:32:33,970
disproportionately severe impact on our

756
00:32:37,680 --> 00:32:36,130
society precisely because we haven't

757
00:32:38,790 --> 00:32:37,690
talked about them we haven't included

758
00:32:42,450 --> 00:32:38,800
them in our models

759
00:32:45,300 --> 00:32:42,460
it happened in 2008-2009 the financial

760
00:32:47,370 --> 00:32:45,310
crisis remember the credit yes the

761
00:32:49,380 --> 00:32:47,380
bank's giving each other this kind of

762
00:32:51,450 --> 00:32:49,390
insurance on mortgages but because each

763
00:32:52,950 --> 00:32:51,460

bank insures the next if one goes under

764

00:32:54,480 --> 00:32:52,960

they all go under right because they

765

00:32:56,550 --> 00:32:54,490

have these interlocking financial

766

00:32:59,250 --> 00:32:56,560

relationships so the system is much more

767

00:33:02,070 --> 00:32:59,260

fragile than it would seem the models

768

00:33:05,070 --> 00:33:02,080

back then suggested that the events that

769

00:33:06,810 --> 00:33:05,080

we saw in 2008 wouldn't happen like I

770

00:33:09,060 --> 00:33:06,820

mean once every thousand years right

771

00:33:11,700 --> 00:33:09,070

something like that maybe more and yet

772

00:33:13,020 --> 00:33:11,710

it happened right there 2008 so how good

773

00:33:15,120 --> 00:33:13,030

are their models they're not they're not

774

00:33:17,190 --> 00:33:15,130

any good at all they're they ignore the

775

00:33:19,530 --> 00:33:17,200

fact that things are correlated together

776

00:33:24,420 --> 00:33:19,540

so when one domino falls the next stop

777

00:33:27,480 --> 00:33:24,430

well anyway this idea seemed to fit UFOs

778

00:33:29,580 --> 00:33:27,490

a lot to me but it's different than

779

00:33:31,140 --> 00:33:29,590

something like a financial crisis where

780

00:33:32,970 --> 00:33:31,150

we have the language to talk about it

781

00:33:35,190 --> 00:33:32,980

right and the president can hold their

782

00:33:37,860 --> 00:33:35,200

special meetings like Bush did and get a

783

00:33:39,180 --> 00:33:37,870

group together over the weekend and bail

784

00:33:41,670 --> 00:33:39,190

out a bank or something we have the

785

00:33:43,950 --> 00:33:41,680

means to deal with it it's in our

786

00:33:46,350 --> 00:33:43,960

vocabulary another example was here in

787

00:33:48,410 --> 00:33:46,360

Boulder we had this huge flood in 2013

788

00:33:51,780 --> 00:33:48,420

you probably saw it on the news even

789

00:33:53,640 --> 00:33:51,790

Massachusetts or yes I was here I did it

790

00:33:56,910 --> 00:33:53,650

just didn't stop raining for a week and

791

00:33:58,800 --> 00:33:56,920

the system can't handle that because we

792

00:34:00,390 --> 00:33:58,810

have roads so that the water doesn't go

793

00:34:01,530 --> 00:34:00,400

anywhere just channels down into your

794

00:34:04,140 --> 00:34:01,540

home and your cars because we

795

00:34:06,150 --> 00:34:04,150

brilliantly we invented concrete water

796

00:34:07,920 --> 00:34:06,160

loves to travel on concrete salts and

797

00:34:10,020 --> 00:34:07,930

everything's getting flooded right uh

798

00:34:12,450 --> 00:34:10,030

you know we've seen a little ghost of

799

00:34:14,070 --> 00:34:12,460

this in Texas in the past few days but I

800

00:34:16,800 --> 00:34:14,080

mean I was here for that event and it

801
00:34:18,240 --> 00:34:16,810
was amazing I mean just the rain didn't

802
00:34:20,159 --> 00:34:18,250
stop but the system couldn't handle all

803
00:34:22,110 --> 00:34:20,169
that rain okay we can talk about that

804
00:34:22,830 --> 00:34:22,120
it's something we could believe would be

805
00:34:25,470 --> 00:34:22,840
real

806
00:34:27,780 --> 00:34:25,480
but what about events that society

807
00:34:30,450 --> 00:34:27,790
officially says aren't real but they're

808
00:34:34,770 --> 00:34:30,460
happening I call those events Black Swan

809
00:34:36,570 --> 00:34:34,780
ghosts okay it it's not that their

810
00:34:38,280 --> 00:34:36,580
ghostly it's just that we only see the

811
00:34:39,990 --> 00:34:38,290
shadow of it because maybe you read a

812
00:34:41,790 --> 00:34:40,000
book about it maybe you read Timothy

813
00:34:43,800 --> 00:34:41,800

Goodes book above top secret or

814

00:34:45,780 --> 00:34:43,810

something like that but no I never

815

00:34:47,220 --> 00:34:45,790

talked about it in college so you put it

816

00:34:50,220 --> 00:34:47,230

in the back of your mind or something

817

00:34:51,570 --> 00:34:50,230

maybe it's real maybe it's not both of

818

00:34:53,130 --> 00:34:51,580

you and our illicit audience could

819

00:34:54,720 --> 00:34:53,140

believe there could be floods right

820

00:34:55,620 --> 00:34:54,730

we've seen it on our television in the

821

00:34:57,690 --> 00:34:55,630

past few days

822

00:35:01,620 --> 00:34:57,700

there could be super hurricanes I mean

823

00:35:03,090 --> 00:35:01,630

we had one yes it's believable if you

824

00:35:04,590 --> 00:35:03,100

talk to experts they say oh yeah maybe

825

00:35:07,320 --> 00:35:04,600

that'll happen once every so-and-so

826

00:35:09,120 --> 00:35:07,330

years here in Boulder with the flood it

827

00:35:11,100 --> 00:35:09,130

was considered to be a one out of a 500

828

00:35:13,380 --> 00:35:11,110

year event right only once in 500 years

829

00:35:15,330 --> 00:35:13,390

maybe that's accurate maybe it isn't but

830

00:35:17,610 --> 00:35:15,340

you can sort of talk about it but how do

831

00:35:20,540 --> 00:35:17,620

we talk about UFO abductions how do we

832

00:35:24,120 --> 00:35:20,550

talk when we have very credible people

833

00:35:25,440 --> 00:35:24,130

presenting evidence that objects are

834

00:35:29,460 --> 00:35:25,450

coming into our atmosphere and we have

835

00:35:31,140 --> 00:35:29,470

no control over it do you think you the

836

00:35:35,460 --> 00:35:31,150

Air Force wants to talk about something

837

00:35:37,680 --> 00:35:35,470

over which they have no control that's

838

00:35:39,630 --> 00:35:37,690

what we're dealing with here nobody

839

00:35:41,550 --> 00:35:39,640

wants to talk about subjects that they

840

00:35:44,370 --> 00:35:41,560

think are going to make them look weak

841

00:35:47,550 --> 00:35:44,380

or in unknot in control or make them

842

00:35:49,470 --> 00:35:47,560

look bad so we have an entire system set

843

00:35:51,960 --> 00:35:49,480

up that's basically covering its ass

844

00:35:54,780 --> 00:35:51,970

from events that might make them look

845

00:35:56,730 --> 00:35:54,790

weak and the boys with the toys do not

846

00:35:59,310 --> 00:35:56,740

want to look weak you won't keep paying

847

00:36:01,020 --> 00:35:59,320

your taxes if they say you know they're

848

00:36:03,390 --> 00:36:01,030

objects that come into our atmosphere

849

00:36:04,500 --> 00:36:03,400

maybe ten twenty thirty at night and we

850

00:36:06,270 --> 00:36:04,510

can't do anything about it and sometimes

851
00:36:08,430 --> 00:36:06,280
they pick people up and take them places

852
00:36:10,500 --> 00:36:08,440
and it could be you but don't worry

853
00:36:13,430 --> 00:36:10,510
about it we can't do anything about it

854
00:36:16,410 --> 00:36:13,440
but just don't worry be happy' you know

855
00:36:18,420 --> 00:36:16,420
that so what do you do with topics like

856
00:36:22,850 --> 00:36:18,430
this it used to be true with child abuse

857
00:36:29,670 --> 00:36:22,860
before it was considered any real yes

858
00:36:31,890 --> 00:36:29,680
yes so we have in the sociologist Ron

859
00:36:34,530 --> 00:36:31,900
westrom I mean he pointed this out at

860
00:36:36,160 --> 00:36:34,540
several lectures at the Society for

861
00:36:37,450 --> 00:36:36,170
scientific exploration media

862
00:36:40,089 --> 00:36:37,460
here in Boulder it's been held in other

863
00:36:44,260 --> 00:36:40,099

places it was at Yale this year the

864

00:36:48,010 --> 00:36:44,270

scientific SSE meeting but he points out

865

00:36:50,859 --> 00:36:48,020

he called him hidden events so the UFO

866

00:36:53,799 --> 00:36:50,869

topic fits within the genre of hidden

867

00:36:56,829 --> 00:36:53,809

events things that are happening that

868

00:36:59,170 --> 00:36:56,839

are not yet officially real and he

869

00:37:03,490 --> 00:36:59,180

points out that child abuse was one of

870

00:37:05,079 --> 00:37:03,500

those phenomena doctors did not believe

871

00:37:07,720 --> 00:37:05,089

that parents could do that to their

872

00:37:09,460 --> 00:37:07,730

children and they thought that children

873

00:37:10,990 --> 00:37:09,470

if they said anything were making it up

874

00:37:13,839 --> 00:37:11,000

there really they had fell out of trees

875

00:37:15,549 --> 00:37:13,849

maybe they were beaten by bullies on the

876

00:37:17,260 --> 00:37:15,559

way to school some but the parents would

877

00:37:19,900 --> 00:37:17,270

never do that to them and it wasn't

878

00:37:22,930 --> 00:37:19,910

until the 1960s you know in the realm of

879

00:37:25,140 --> 00:37:22,940

our lifetimes right not that long ago

880

00:37:29,109 --> 00:37:25,150

that there was a meeting held between

881

00:37:31,450 --> 00:37:29,119

radiologists and pediatricians and they

882

00:37:32,410 --> 00:37:31,460

compared note and they said you know

883

00:37:34,450 --> 00:37:32,420

something's really going on here

884

00:37:36,940 --> 00:37:34,460

something's breaking these kids bones

885

00:37:39,940 --> 00:37:36,950

it's not falling out of trees and all of

886

00:37:46,720 --> 00:37:39,950

a sudden child abuse was real it took a

887

00:37:48,160 --> 00:37:46,730

meeting we didn't want to accept it like

888

00:37:49,720 --> 00:37:48,170

you said we didn't want to believe it

889

00:37:52,299 --> 00:37:49,730

because I remember Joan Crawford's

890

00:37:54,579 --> 00:37:52,309

daughter when she went i filled on a his

891

00:37:59,950 --> 00:37:54,589

show and she had written the book Mommy

892

00:38:02,829 --> 00:37:59,960

Dearest and she was vilified for what

893

00:38:06,640 --> 00:38:02,839

she revealed about Joan Crawford and how

894

00:38:08,260 --> 00:38:06,650

she was a very abusive mother I mean it

895

00:38:11,559 --> 00:38:08,270

was people didn't want to hear that kind

896

00:38:13,569 --> 00:38:11,569

of thing right now thank God we have

897

00:38:15,670 --> 00:38:13,579

come to realize it yes this happens all

898

00:38:17,950 --> 00:38:15,680

the time unfortunately it's horrible but

899

00:38:20,559 --> 00:38:17,960

it does happen it's a very good example

900

00:38:23,890 --> 00:38:20,569

we can't believe that celebrities that

901
00:38:27,250 --> 00:38:23,900
we love on the screen the bill cosby's

902
00:38:29,319 --> 00:38:27,260
yeah I grew up with Bill Cosby watching

903
00:38:31,359 --> 00:38:29,329
him I mean we can't believe in the back

904
00:38:36,309 --> 00:38:31,369
of our mind there are many others right

905
00:38:38,530 --> 00:38:36,319
yes they could be sexually abusive over

906
00:38:40,780 --> 00:38:38,540
and over again there's a part of your

907
00:38:43,450 --> 00:38:40,790
mind that says no that's my childhood

908
00:38:44,829 --> 00:38:43,460
hero is a comedian he's funny you have

909
00:38:47,490 --> 00:38:44,839
to admit even personally the two of you

910
00:38:50,150 --> 00:38:47,500
it's painful isn't it it's very painful

911
00:38:52,460 --> 00:38:50,160
he was the quote doctor

912
00:38:55,160 --> 00:38:52,470
he was the family man he was everything

913
00:38:56,809 --> 00:38:55,170

that we peanut butter and honey type

914

00:38:58,400 --> 00:38:56,819

sing and then you found out that we made

915

00:39:00,140 --> 00:38:58,410

up laughs that we want I'm the little

916

00:39:01,910 --> 00:39:00,150

Cosby Show didn't over and over again

917

00:39:03,650 --> 00:39:01,920

and if you're a child you grew up with

918

00:39:04,759 --> 00:39:03,660

him he was like one of your favorite he

919

00:39:08,720 --> 00:39:04,769

was like mm-hmm

920

00:39:10,099 --> 00:39:08,730

this apparently harmless funny guy that

921

00:39:12,829 --> 00:39:10,109

you would have no trouble inviting into

922

00:39:14,480 --> 00:39:12,839

your home right no trouble at all right

923

00:39:17,660 --> 00:39:14,490

and there's a part of your mind that

924

00:39:20,870 --> 00:39:17,670

this does not want to accept that he was

925

00:39:22,910 --> 00:39:20,880

a rapist basically right yes and that's

926
00:39:26,960 --> 00:39:22,920
too hard so what do you do with it well

927
00:39:29,029 --> 00:39:26,970
you it's it's not easy to come to terms

928
00:39:31,579 --> 00:39:29,039
with that because he's had one image in

929
00:39:34,249 --> 00:39:31,589
your mind and then he the data come at

930
00:39:36,559 --> 00:39:34,259
the it's revealed in court and so forth

931
00:39:39,620 --> 00:39:36,569
that he's this other kind of Jekyll and

932
00:39:42,430 --> 00:39:39,630
Hyde person it's the same way with some

933
00:39:45,140 --> 00:39:42,440
of these topics it's very painful to

934
00:39:47,749 --> 00:39:45,150
admit that your government hasn't been

935
00:39:49,910 --> 00:39:47,759
telling you the truth that they knew

936
00:39:52,220 --> 00:39:49,920
about this and they didn't want to talk

937
00:39:54,440 --> 00:39:52,230
about it they created a psychological

938
00:39:58,519 --> 00:39:54,450

disinformation program to discredit you

939

00:40:00,769 --> 00:39:58,529

and or witnesses right yes and that's we

940

00:40:02,809 --> 00:40:00,779

don't like to believe that the people

941

00:40:05,480 --> 00:40:02,819

that we've grown up around who we trust

942

00:40:06,890 --> 00:40:05,490

authority figures could in fact have

943

00:40:08,809 --> 00:40:06,900

been deceiving us I think that's very

944

00:40:10,609 --> 00:40:08,819

painful for a lot of people and for me

945

00:40:12,740 --> 00:40:10,619

that was one motivation to write Black

946

00:40:14,180 --> 00:40:12,750

Swan ghosts is is it's not just that the

947

00:40:16,430 --> 00:40:14,190

government's covering it up you're

948

00:40:17,749 --> 00:40:16,440

covering up you're covering up because

949

00:40:19,519 --> 00:40:17,759

when your neighbor comes to you and says

950

00:40:21,620 --> 00:40:19,529

I saw something or when I was in the

951

00:40:23,680 --> 00:40:21,630

military I saw this but I couldn't talk

952

00:40:25,069 --> 00:40:23,690

about it I want to share it with you

953

00:40:27,670 --> 00:40:25,079

people

954

00:40:30,109 --> 00:40:27,680

then is's don't have anywhere to go

955

00:40:31,910 --> 00:40:30,119

where they can talk about this because

956

00:40:34,759 --> 00:40:31,920

I've met so many of them no they're

957

00:40:36,380 --> 00:40:34,769

afraid of being ridiculed and I guess

958

00:40:37,910 --> 00:40:36,390

someone like me is weird enough to

959

00:40:40,670 --> 00:40:37,920

believe in remote viewing they just felt

960

00:40:42,319 --> 00:40:40,680

safe he's already kind of believed in

961

00:40:44,390 --> 00:40:42,329

that so he'll he'll tell you no and I

962

00:40:46,730 --> 00:40:44,400

could computer in these stories over and

963

00:40:48,650 --> 00:40:46,740

over again some of the best ones I

964

00:40:52,249 --> 00:40:48,660

couldn't even put in the book really

965

00:40:54,380 --> 00:40:52,259

because I yes there were four excellent

966

00:40:56,480 --> 00:40:54,390

cases I couldn't put the people told me

967

00:40:59,359 --> 00:40:56,490

they were afraid of what could happen to

968

00:41:02,019 --> 00:40:59,369

them if I told their stories so some of

969

00:41:03,500 --> 00:41:02,029

the most incredible encounters

970

00:41:06,230 --> 00:41:03,510

government program

971

00:41:07,880 --> 00:41:06,240

that seems to be going on right now I'm

972

00:41:11,480 --> 00:41:07,890

having to do with reverse engineering of

973

00:41:13,310 --> 00:41:11,490

the technology things like that date

974

00:41:16,570 --> 00:41:13,320

just they would tell me one story would

975

00:41:19,430 --> 00:41:16,580

be okay to put in but not other ones and

976

00:41:20,270 --> 00:41:19,440

maybe that'll become black swan goes to

977

00:41:22,760 --> 00:41:20,280

some day

978

00:41:25,880 --> 00:41:22,770

I would love to share some of my stories

979

00:41:27,440 --> 00:41:25,890

yes yeah when someone tells you their

980

00:41:29,000 --> 00:41:27,450

story whatever their personal story is

981

00:41:31,280 --> 00:41:29,010

and they say look I'll tell you but

982

00:41:32,450 --> 00:41:31,290

don't share it for any variety of

983

00:41:34,190 --> 00:41:32,460

reasons someone could get in trouble

984

00:41:36,370 --> 00:41:34,200

people who work in that program are

985

00:41:38,780 --> 00:41:36,380

still there things like that right or

986

00:41:42,140 --> 00:41:38,790

here's the one I heard a lot I could

987

00:41:44,150 --> 00:41:42,150

lose my government pension yes Wow just

988

00:41:45,380 --> 00:41:44,160

my benefits I've heard this it's not

989

00:41:47,240 --> 00:41:45,390

just me I mean I've been told by many

990

00:41:48,740 --> 00:41:47,250

people who are military witnesses to

991

00:41:50,360 --> 00:41:48,750

these phenomena the UFO phenomena were

992

00:41:51,740 --> 00:41:50,370

talked about that they're afraid of I

993

00:41:52,940 --> 00:41:51,750

don't think it's happened but there's

994

00:41:53,960 --> 00:41:52,950

this fear they could lose their

995

00:41:56,660 --> 00:41:53,970

government benefits

996

00:41:58,070 --> 00:41:56,670

maybe they signed something in the 60s

997

00:41:59,510 --> 00:41:58,080

and they would never talk about what

998

00:42:01,850 --> 00:41:59,520

they had seen at the base or whatever

999

00:42:04,160 --> 00:42:01,860

and so there are a lot of people are

1000

00:42:08,630 --> 00:42:04,170

like that and then one of the witnesses

1001
00:42:11,000 --> 00:42:08,640
in the book told me that her dad who was

1002
00:42:12,980 --> 00:42:11,010
a witness to Roswell wreckage who flew

1003
00:42:14,840 --> 00:42:12,990
it on a plane to wright-patterson base

1004
00:42:20,360 --> 00:42:14,850
as it's called now it used to be called

1005
00:42:21,860 --> 00:42:20,370
Wright Field in 1947 he he was afraid of

1006
00:42:23,690 --> 00:42:21,870
something happening to his four

1007
00:42:25,970 --> 00:42:23,700
daughters he had four daughters and he

1008
00:42:27,920 --> 00:42:25,980
didn't talk about what he saw until a

1009
00:42:31,460 --> 00:42:27,930
week or two before he died he called

1010
00:42:33,950 --> 00:42:31,470
each one she told me that she called

1011
00:42:36,260 --> 00:42:33,960
each daughter into his hospital room one

1012
00:42:37,490 --> 00:42:36,270
at a time to tell them that the

1013
00:42:39,080 --> 00:42:37,500

officials started we heard about Roswell

1014

00:42:41,240 --> 00:42:39,090

wasn't true because he had flown the

1015

00:42:43,310 --> 00:42:41,250

wreckage to right field and it was

1016

00:42:44,870 --> 00:42:43,320

guarded by an armed guard from the

1017

00:42:47,540 --> 00:42:44,880

pilots from him can you imagine

1018

00:42:49,880 --> 00:42:47,550

something these are nuclear nuclear

1019

00:42:51,860 --> 00:42:49,890

qualified pilots these are pilots that

1020

00:42:54,770 --> 00:42:51,870

are qualified to fly planes with

1021

00:42:57,350 --> 00:42:54,780

thermonuclear weapons on them and yet

1022

00:42:59,180 --> 00:42:57,360

this wreckage was so special and

1023

00:43:02,180 --> 00:42:59,190

important they guarded it from the

1024

00:43:05,270 --> 00:43:02,190

pilots I mean the guard never left the

1025

00:43:07,070 --> 00:43:05,280

wreckage so this guy told we don't know

1026

00:43:09,320 --> 00:43:07,080

who he was we haven't been able to find

1027

00:43:10,820 --> 00:43:09,330

out it's it's done another pilot not

1028

00:43:12,380 --> 00:43:10,830

Pappy Henderson other and some other

1029

00:43:16,849 --> 00:43:12,390

pilot who flew wreckage there probably

1030

00:43:17,989 --> 00:43:16,859

were a number of flights who only

1031

00:43:19,190 --> 00:43:17,999

told his daughters about this right

1032

00:43:21,739 --> 00:43:19,200

before he died I mean deathbed

1033

00:43:23,479 --> 00:43:21,749

confession so this is pretty serious

1034

00:43:27,109 --> 00:43:23,489

stuff if people are that afraid that

1035

00:43:29,450 --> 00:43:27,119

they won't talk about it we know people

1036

00:43:31,579 --> 00:43:29,460

that have not only lost their job not

1037

00:43:33,829 --> 00:43:31,589

their jobs but they were not promoted to

1038

00:43:36,140 --> 00:43:33,839

full professor right at universities

1039

00:43:37,789 --> 00:43:36,150

we've had David Jacobson we've had Leo

1040

00:43:40,130 --> 00:43:37,799

sprinkle on and both of them have

1041

00:43:42,109 --> 00:43:40,140

suffered setbacks in their careers as

1042

00:43:44,660 --> 00:43:42,119

professors because they've been

1043

00:43:49,009 --> 00:43:44,670

investigating these phenomenon again

1044

00:43:51,019 --> 00:43:49,019

UFOs hybrids you know I love Leo and I

1045

00:43:53,720 --> 00:43:51,029

didn't know David Jacobs had not been

1046

00:43:55,400 --> 00:43:53,730

promoted is that right he pretty sure he

1047

00:43:57,650 --> 00:43:55,410

also suffered some something

1048

00:44:00,620 --> 00:43:57,660

embarrassing in this regarding his

1049

00:44:04,249 --> 00:44:00,630

career and he's also been very very

1050

00:44:06,529 --> 00:44:04,259

vocal about saying that abductees have

1051
00:44:08,839 --> 00:44:06,539
no benefit to telling anybody about

1052
00:44:12,019 --> 00:44:08,849
their experiences there is no benefit at

1053
00:44:16,819 --> 00:44:12,029
all and he was very adamant about that

1054
00:44:18,589 --> 00:44:16,829
yeah yeah and that is so so horrible do

1055
00:44:20,599 --> 00:44:18,599
we haven't made room and I'm glad you're

1056
00:44:24,380 --> 00:44:20,609
bringing this up Semyon that it's us

1057
00:44:25,700 --> 00:44:24,390
it's up to us to change this reality you

1058
00:44:27,650 --> 00:44:25,710
know if we're looking to the government

1059
00:44:29,900 --> 00:44:27,660
for disclosure and we're looking to the

1060
00:44:32,829 --> 00:44:29,910
military to tell us what's real we're

1061
00:44:35,539 --> 00:44:32,839
looking in the wrong place aren't we

1062
00:44:38,029 --> 00:44:35,549
absolutely right we need to look to each

1063
00:44:39,440 --> 00:44:38,039

other and the people who out there who

1064

00:44:41,390 --> 00:44:39,450

know things like this who've had

1065

00:44:44,720 --> 00:44:41,400

relatives from the military tell them

1066

00:44:46,759 --> 00:44:44,730

things parents or other relatives we

1067

00:44:48,650 --> 00:44:46,769

have to insist that we find out the

1068

00:44:50,029 --> 00:44:48,660

truth about this subject we have to land

1069

00:44:52,069 --> 00:44:50,039

says just like we did during the civil

1070

00:44:53,390 --> 00:44:52,079

rights movement I'm sure you knew people

1071

00:44:55,519 --> 00:44:53,400

who went down to the south during

1072

00:44:58,549 --> 00:44:55,529

Freedom Summer right I mean I had a

1073

00:45:00,289 --> 00:44:58,559

teacher who went down there and he he

1074

00:45:02,239 --> 00:45:00,299

the people he went down with were killed

1075

00:45:03,589 --> 00:45:02,249

during Freedom Summer in 1963

1076

00:45:05,989 --> 00:45:03,599

Mississippi you remember that right

1077

00:45:08,359 --> 00:45:05,999

there were civil rights workers there he

1078

00:45:09,609 --> 00:45:08,369

was working with them he he just chose

1079

00:45:13,910 --> 00:45:09,619

not to go with them in the car that day

1080

00:45:15,559 --> 00:45:13,920

mm-hmm Wow he's lucky they did yep he

1081

00:45:19,789 --> 00:45:15,569

would have been another person in that

1082

00:45:22,099 --> 00:45:19,799

car who was killed by the KKK and anyway

1083

00:45:24,739 --> 00:45:22,109

it's a big issue civil rights the people

1084

00:45:26,420 --> 00:45:24,749

who believed in separate water fountains

1085

00:45:28,430 --> 00:45:26,430

in segregation you know like we saw in

1086

00:45:29,840 --> 00:45:28,440

that movie hidden figures right wasn't

1087

00:45:33,890 --> 00:45:29,850

that great about right

1088

00:45:35,480 --> 00:45:33,900

movie top is real I mean I it was in my

1089

00:45:37,490 --> 00:45:35,490

lifetime I wasn't you know it's the kid

1090

00:45:42,100 --> 00:45:37,500

then but the idea of stuff water

1091

00:45:45,890 --> 00:45:43,850

intolerable but there are people down

1092

00:45:47,540 --> 00:45:45,900

there that defended that way of life we

1093

00:45:49,310 --> 00:45:47,550

shouldn't judge them it's just what they

1094

00:45:51,140 --> 00:45:49,320

believed in it's just not acceptable to

1095

00:45:54,410 --> 00:45:51,150

those of us well the three of us here at

1096

00:45:55,790 --> 00:45:54,420

least and most merrily matter of America

1097

00:45:59,030 --> 00:45:55,800

I doubt very few people would want to go

1098

00:46:00,650 --> 00:45:59,040

back to I can't think of anyone I did

1099

00:46:02,330 --> 00:46:00,660

talk to someone and what I was working

1100

00:46:04,370 --> 00:46:02,340

for President Obama before he was

1101

00:46:07,820 --> 00:46:04,380

elected in 2008 I made a lot of phone

1102

00:46:09,830 --> 00:46:07,830

calls for President Obama during his

1103

00:46:12,140 --> 00:46:09,840

campaign and I ended up calling

1104

00:46:17,570 --> 00:46:12,150

thousands of people in my state I was

1105

00:46:20,480 --> 00:46:17,580

the number one color I just made one or

1106

00:46:23,810 --> 00:46:20,490

two a day for months and they just ended

1107

00:46:25,130 --> 00:46:23,820

up getting up over a year but I did talk

1108

00:46:26,660 --> 00:46:25,140

to someone I mean I don't want to put

1109

00:46:28,370 --> 00:46:26,670

this down to anyone in the south is

1110

00:46:29,720 --> 00:46:28,380

listening to us I called North Carolina

1111

00:46:31,100 --> 00:46:29,730

I knew it that was my one night it was

1112

00:46:32,840 --> 00:46:31,110

North Carolina calls and you weren't

1113

00:46:34,520 --> 00:46:32,850

telling them to vote for Obama you're

1114

00:46:35,630 --> 00:46:34,530

saying can you just vote we just were

1115

00:46:37,520 --> 00:46:35,640

asking people to vote we weren't telling

1116

00:46:38,990 --> 00:46:37,530

them who to vote for just register and

1117

00:46:40,280 --> 00:46:39,000

voted that's all it was because the

1118

00:46:42,620 --> 00:46:40,290

Obama team had figured out that there

1119

00:46:44,120 --> 00:46:42,630

were so many unregistered voters that

1120

00:46:45,440 --> 00:46:44,130

most of them would probably go down work

1121

00:46:48,050 --> 00:46:45,450

right if they registered that's all what

1122

00:46:50,090 --> 00:46:48,060

so all those can you registered and and

1123

00:46:52,070 --> 00:46:50,100

I said where I was calling from and this

1124

00:46:53,450 --> 00:46:52,080

guy said I am not voting for Obama

1125

00:46:58,190 --> 00:46:53,460

because of what Democrats did to

1126
00:47:00,590 --> 00:46:58,200
desegregate the schools in the 60s I was

1127
00:47:02,300 --> 00:47:00,600
against desegregation and I will not

1128
00:47:03,590 --> 00:47:02,310
vote for any Democrat at least this guy

1129
00:47:06,080 --> 00:47:03,600
was telling me the truth that's how he

1130
00:47:09,500 --> 00:47:06,090
really felt he wasn't covering it up you

1131
00:47:12,680 --> 00:47:09,510
know so those people now I believe would

1132
00:47:15,230 --> 00:47:12,690
be in small minority but there was a

1133
00:47:17,540 --> 00:47:15,240
time when they weren't well it it's the

1134
00:47:18,890 --> 00:47:17,550
same thing with this UFO issue there's

1135
00:47:20,870 --> 00:47:18,900
going to come a time when it's

1136
00:47:22,880 --> 00:47:20,880
considered unacceptable for this issue

1137
00:47:25,000 --> 00:47:22,890
to remain hidden and for people who've

1138
00:47:28,490 --> 00:47:25,010

had these experiences to feel ashamed

1139

00:47:29,840 --> 00:47:28,500

afraid to tell their family neighbors

1140

00:47:31,820 --> 00:47:29,850

about what they've experienced and

1141

00:47:36,710 --> 00:47:31,830

especially afraid of government

1142

00:47:38,570 --> 00:47:36,720

retribution yeah happens to you nobody

1143

00:47:40,430 --> 00:47:38,580

understands this let's just be honest I

1144

00:47:43,400 --> 00:47:40,440

don't think anyone understands is not

1145

00:47:46,029 --> 00:47:43,410

not David Jacobs or sprinkle

1146

00:47:48,380 --> 00:47:46,039

or or so many other authors out there

1147

00:47:50,240 --> 00:47:48,390

they will it's the honest ones will say

1148

00:47:51,680 --> 00:47:50,250

we don't really know what's going on

1149

00:47:54,380 --> 00:47:51,690

there been so many great researchers

1150

00:47:56,359 --> 00:47:54,390

right and some of them are still doing

1151
00:47:58,460 --> 00:47:56,369
it we don't know what this phenomena is

1152
00:47:59,210 --> 00:47:58,470
I have my own views of it I don't know

1153
00:48:03,559 --> 00:47:59,220
if that's correct

1154
00:48:05,210 --> 00:48:03,569
but at least we could honestly say it's

1155
00:48:07,789 --> 00:48:05,220
happening

1156
00:48:10,099 --> 00:48:07,799
we should describe our experiences

1157
00:48:12,380 --> 00:48:10,109
people have had them I haven't really

1158
00:48:14,450 --> 00:48:12,390
had that many abduction experiences the

1159
00:48:15,470 --> 00:48:14,460
ones I've had weren't really scary I

1160
00:48:17,750 --> 00:48:15,480
don't even know that maybe there's

1161
00:48:19,640 --> 00:48:17,760
dreams but they seemed awfully real but

1162
00:48:21,260 --> 00:48:19,650
you shouldn't be afraid to talk about I

1163
00:48:23,690 --> 00:48:21,270

wrote about it in opening minds well my

1164

00:48:25,099 --> 00:48:23,700

experience but you you should feel okay

1165

00:48:26,900 --> 00:48:25,109

about talking about it shouldn't be like

1166

00:48:29,720 --> 00:48:26,910

you know going back to the Dark Ages

1167

00:48:31,309 --> 00:48:29,730

where were you know drowning people are

1168

00:48:34,210 --> 00:48:31,319

burning at the stake first saying they

1169

00:48:37,609 --> 00:48:34,220

had an experience like this because

1170

00:48:39,260 --> 00:48:37,619

that's but then everybody shuts down and

1171

00:48:41,270 --> 00:48:39,270

then we can't get to the truths and this

1172

00:48:42,680 --> 00:48:41,280

is why as you mentioned we have to turn

1173

00:48:44,900 --> 00:48:42,690

to each other we have to trust each

1174

00:48:48,019 --> 00:48:44,910

other to bring the information forward

1175

00:48:49,970 --> 00:48:48,029

at least within our groups so that we

1176

00:48:52,760 --> 00:48:49,980

can come to terms with yes this is

1177

00:48:55,460 --> 00:48:52,770

happening of course UFOs are coming into

1178

00:48:58,849 --> 00:48:55,470

our atmosphere and our military can't

1179

00:49:01,460 --> 00:48:58,859

control it that's how it is can we live

1180

00:49:04,309 --> 00:49:01,470

with that can we deal with that I think

1181

00:49:06,019 --> 00:49:04,319

one of the major issues is fear people

1182

00:49:08,599 --> 00:49:06,029

don't that do not know how to handle

1183

00:49:10,670 --> 00:49:08,609

fear they either use it as a whip or

1184

00:49:14,930 --> 00:49:10,680

they use it to hold and suppress

1185

00:49:18,529 --> 00:49:14,940

themselves literally go what day yeah

1186

00:49:20,000 --> 00:49:18,539

depends you know it's true and I I was

1187

00:49:21,589 --> 00:49:20,010

fortunate enough to go to the Citizen

1188

00:49:25,160 --> 00:49:21,599

hearing on disclosure at the National

1189

00:49:28,490 --> 00:49:25,170

Press Club in 2013 I went down there I

1190

00:49:30,740 --> 00:49:28,500

was there for the whole five days there

1191

00:49:33,079 --> 00:49:30,750

was some amazing testimony from highly

1192

00:49:34,279 --> 00:49:33,089

qualified pilots and people retired from

1193

00:49:36,500 --> 00:49:34,289

the government the military about what

1194

00:49:38,870 --> 00:49:36,510

they had seen pilots who had dog fights

1195

00:49:40,789 --> 00:49:38,880

with UFOs right it wasn't just them that

1196

00:49:44,120 --> 00:49:40,799

saw it the whole base saw it one guy in

1197

00:49:45,769 --> 00:49:44,130

Peru said 1800 people doing military

1198

00:49:47,539 --> 00:49:45,779

exercises saw this they saw it on radar

1199

00:49:49,370 --> 00:49:47,549

and he was told to go up and shoot it

1200

00:49:51,319 --> 00:49:49,380

down and he couldn't because the thing

1201
00:49:52,700 --> 00:49:51,329
absorbed all of his cannon rounds I mean

1202
00:49:54,230 --> 00:49:52,710
these are big shells that are 30

1203
00:49:56,029 --> 00:49:54,240
millimeters wide each one's designed

1204
00:49:57,209 --> 00:49:56,039
today got a truck engine and the thing

1205
00:49:58,380 --> 00:49:57,219
absorbed every

1206
00:50:00,449 --> 00:49:58,390
nothing happened to it he saw it going

1207
00:50:02,370 --> 00:50:00,459
we don't have anything like that you

1208
00:50:04,199 --> 00:50:02,380
know if we did we would we would have

1209
00:50:07,199 --> 00:50:04,209
won every war we've been involved in

1210
00:50:08,459 --> 00:50:07,209
right within a few seconds yeah and if

1211
00:50:11,249 --> 00:50:08,469
you second if you have an Armour that

1212
00:50:12,630 --> 00:50:11,259
just did the shell stone so highly

1213
00:50:14,910 --> 00:50:12,640

qualified people and I was really

1214

00:50:17,099 --> 00:50:14,920

shocked to find out that the press i sat

1215

00:50:19,229 --> 00:50:17,109

next to the press section none of them

1216

00:50:20,880 --> 00:50:19,239

took it seriously the one that did from

1217

00:50:24,269 --> 00:50:20,890

the New York Times this photographer

1218

00:50:27,209 --> 00:50:24,279

told me he said this is the best stuff

1219

00:50:29,579 --> 00:50:27,219

I've ever seen I can't get them to send

1220

00:50:34,019 --> 00:50:29,589

anyone from New York to cover it York

1221

00:50:35,910 --> 00:50:34,029

Times said that's the Washington Post

1222

00:50:37,109 --> 00:50:35,920

reporters I gave them my card I said

1223

00:50:38,489 --> 00:50:37,119

I'll explain to you any the history of

1224

00:50:40,380 --> 00:50:38,499

this you know if it's confusing they

1225

00:50:42,479 --> 00:50:40,390

just said well it's good so temple

1226

00:50:43,920 --> 00:50:42,489

disorder I mean radar doesn't have

1227

00:50:47,039 --> 00:50:43,930

schizo tipple that's already talking

1228

00:50:49,109 --> 00:50:47,049

about yeah it was like child abuse it's

1229

00:50:50,940 --> 00:50:49,119

not happening no you know this Bill

1230

00:50:53,489 --> 00:50:50,950

Cosby he's good I can't believe it was

1231

00:50:55,709 --> 00:50:53,499

denial you don't make progress with

1232

00:50:57,359 --> 00:50:55,719

denial let's just talk about it again

1233

00:50:59,549 --> 00:50:57,369

these are obviously highly qualified

1234

00:51:01,019 --> 00:50:59,559

people they've no they've no you know

1235

00:51:02,219 --> 00:51:01,029

benefit to making any of this up they

1236

00:51:04,109 --> 00:51:02,229

don't ebooks or anything they're just

1237

00:51:07,469 --> 00:51:04,119

they flew to Washington to tell their

1238

00:51:10,380 --> 00:51:07,479

story and they did under oath to retired

1239

00:51:12,479 --> 00:51:10,390

congressman and a senator c-span

1240

00:51:16,380 --> 00:51:12,489

wouldn't even turn on the cameras oh

1241

00:51:18,779 --> 00:51:16,390

dear Lord the National Press Club is

1242

00:51:20,999 --> 00:51:18,789

filled with c-span equipment lights and

1243

00:51:22,949 --> 00:51:21,009

cameras you can see it they can remotely

1244

00:51:24,569 --> 00:51:22,959

turn it on for half an hour

1245

00:51:27,660 --> 00:51:24,579

I've watched c-span many times I'm sure

1246

00:51:31,170 --> 00:51:27,670

you have you just turn it on to see a

1247

00:51:32,910 --> 00:51:31,180

former Secretary of Defense from Canada

1248

00:51:36,059 --> 00:51:32,920

talking about it or so many other

1249

00:51:38,219 --> 00:51:36,069

qualified people pilots and so forth an

1250

00:51:40,410 --> 00:51:38,229

official from the FAA John Callahan

1251
00:51:42,779 --> 00:51:40,420
these are people that you entrusted your

1252
00:51:43,979 --> 00:51:42,789
lives to pilots and all of a sudden you

1253
00:51:48,420 --> 00:51:43,989
don't want to hear what there have to

1254
00:51:49,799 --> 00:51:48,430
say yes it's our my own mental illness I

1255
00:51:53,160 --> 00:51:49,809
think so we're gonna take another short

1256
00:51:55,199 --> 00:51:53,170
break and we will be back we have lots

1257
00:51:57,779 --> 00:51:55,209
more discussed with Simeon Hine and

1258
00:51:59,729 --> 00:51:57,789
about his new book black swan goes an

1259
00:52:05,759 --> 00:51:59,739
excellent book everybody make sure you

1260
00:52:09,809 --> 00:52:05,769
pick up a copy it is terrific I know

1261
00:52:10,230 --> 00:52:09,819

welcome back everyone this for Nashville

1268

00:52:26,370 --> 00:52:22,600

girls radio I'm your host Patricia Baker

1269

00:52:28,500 --> 00:52:26,380

and I am here with pique from Tucson my

1270

00:52:31,470 --> 00:52:28,510

co-host and our tremendous guest tonight

1271

00:52:35,400 --> 00:52:31,480

we're enjoying him so much that's behind

1272

00:52:39,870 --> 00:52:35,410

and Black Swan ghosts very very

1273

00:52:42,420 --> 00:52:39,880

important for good yes there it is and

1274

00:52:43,830 --> 00:52:42,430

we've got a quick question for you from

1275

00:52:48,030 --> 00:52:43,840

the chat room from Carrie

1276

00:52:50,400 --> 00:52:48,040

she says hi how do you do you find that

1277

00:52:55,290 --> 00:52:50,410

interest in UFOs cuts across all

1278

00:52:55,920 --> 00:52:55,300

cultures it's a very interesting

1279

00:52:57,870 --> 00:52:55,930

question

1280

00:53:00,710 --> 00:52:57,880

it seems that all cultures have

1281

00:53:03,390 --> 00:53:00,720

experienced this phenomena in some way

1282

00:53:05,370 --> 00:53:03,400

they just have different ways of talking

1283

00:53:08,550 --> 00:53:05,380

about it and different degrees of

1284

00:53:10,380 --> 00:53:08,560

acceptance ours is a kind of a culture

1285

00:53:15,300 --> 00:53:10,390

that resists it there are other cultures

1286

00:53:17,490 --> 00:53:15,310

that are a lot more open about it like

1287

00:53:19,620 --> 00:53:17,500

Peru they accept it there they talk

1288

00:53:21,630 --> 00:53:19,630

about it well right that's what we found

1289

00:53:26,000 --> 00:53:21,640

out from the Citizen hearing is the

1290

00:53:29,910 --> 00:53:26,010

representation from Latin America Peru

1291

00:53:31,830 --> 00:53:29,920

Uruguay Brazil mm-hmm maybe one other

1292

00:53:34,500 --> 00:53:31,840

country well they're quite open about it

1293

00:53:36,440 --> 00:53:34,510

there they actually have they go into

1294

00:53:39,780 --> 00:53:36,450

the schools they tell the kids about it

1295

00:53:42,120 --> 00:53:39,790

well I don't their spaceman around don't

1296

00:53:44,670 --> 00:53:42,130

be afraid of them we don't understand

1297

00:53:46,560 --> 00:53:44,680

you but we well yeah they they have

1298

00:53:48,630 --> 00:53:46,570

conferences where the military shows

1299

00:53:52,830 --> 00:53:48,640

their best gun camera footage to the

1300

00:53:55,160 --> 00:53:52,840

public in Brazil today the Brazilian

1301
00:53:57,720 --> 00:53:55,170
government launched Operation Plato

1302
00:53:59,760 --> 00:53:57,730
saucer operation saucer went in the

1303
00:54:01,980 --> 00:53:59,770
Amazon forests these little lights were

1304
00:54:03,720 --> 00:54:01,990
moving around and people were killed by

1305
00:54:06,660 --> 00:54:03,730
a couple times by these lights they

1306
00:54:08,700 --> 00:54:06,670
would adapt them and they sent the

1307
00:54:10,680 --> 00:54:08,710
military out and got pictures of it but

1308
00:54:12,090 --> 00:54:10,690
they didn't understand it I don't know

1309
00:54:14,609 --> 00:54:12,100
if anyone really does maybe somebody

1310
00:54:15,930 --> 00:54:14,619
doesn't telling us but anyway they're

1311
00:54:18,630 --> 00:54:15,940
open about it

1312
00:54:21,300 --> 00:54:18,640
France released a lot of their documents

1313
00:54:23,390 --> 00:54:21,310

recently there is disclosure it's kind

1314

00:54:25,339 --> 00:54:23,400

of happening all the time

1315

00:54:28,430 --> 00:54:25,349

Britten's released a bunch of documents

1316

00:54:29,809 --> 00:54:28,440

in the past year and in Russia they they

1317

00:54:31,279 --> 00:54:29,819

don't really kill it they accept it as

1318

00:54:32,930 --> 00:54:31,289

real I mean if you listen to the Russian

1319

00:54:36,170 --> 00:54:32,940

cosmonauts they talked about it quite

1320

00:54:39,529 --> 00:54:36,180

openly you've never heard our Apollo

1321

00:54:41,329 --> 00:54:39,539

astronauts talk about it openly there's

1322

00:54:48,440 --> 00:54:41,339

allegations they had to sign something

1323

00:54:50,240 --> 00:54:48,450

right saying that they wouldn't talk

1324

00:54:52,930 --> 00:54:50,250

about it when they came back right I'm

1325

00:54:55,880 --> 00:54:52,940

trying to obviously uh Edgar Mitchell

1326
00:54:58,400 --> 00:54:55,890
mm-hmm Edgar Mitchell I got to talk to a

1327
00:55:00,260 --> 00:54:58,410
couple times in person said he I've

1328
00:55:02,000 --> 00:55:00,270
talked to people who said he told them

1329
00:55:03,289 --> 00:55:02,010
and I don't want to be wrong about this

1330
00:55:04,700 --> 00:55:03,299
but I've met people who said he

1331
00:55:05,859 --> 00:55:04,710
personally told him and he had signed

1332
00:55:08,059 --> 00:55:05,869
something saying you wouldn't talk about

1333
00:55:10,130 --> 00:55:08,069
ETS that's why he never talked about it

1334
00:55:11,630 --> 00:55:10,140
he never said it said he knew people

1335
00:55:12,440 --> 00:55:11,640
who'd seen it but he hadn't seen it says

1336
00:55:15,470 --> 00:55:12,450
as far as he could go

1337
00:55:16,460 --> 00:55:15,480
mm-hmm but anyway there's a lot of

1338
00:55:19,460 --> 00:55:16,470

difference between how different

1339

00:55:21,440 --> 00:55:19,470

societies react to it and we're a

1340

00:55:23,539 --> 00:55:21,450

society that basically denies it there

1341

00:55:27,170 --> 00:55:23,549

are other societies that are more open

1342

00:55:30,829 --> 00:55:27,180

to it for a variety of cultural and

1343

00:55:32,150 --> 00:55:30,839

religious reasons perhaps but it is

1344

00:55:34,789 --> 00:55:32,160

interesting in Latin America that they

1345

00:55:36,650 --> 00:55:34,799

don't deny it they invite the public to

1346

00:55:38,630 --> 00:55:36,660

comment they have committees with

1347

00:55:42,380 --> 00:55:38,640

military and civilians on it so you try

1348

00:55:44,510 --> 00:55:42,390

to talk about it and we haven't got that

1349

00:55:47,329 --> 00:55:44,520

far yet here I mean your Wiesel colonist

1350

00:55:50,569 --> 00:55:47,339

are ghetto tipple disorder they you go

1351
00:55:52,309 --> 00:55:50,579
to your DSM manual the DSM manual I

1352
00:55:55,460 --> 00:55:52,319
considered homosexuality a mental

1353
00:55:56,779 --> 00:55:55,470
illness in 1973 we go to that I'm not

1354
00:55:58,519 --> 00:55:56,789
putting it down there people that

1355
00:56:00,589 --> 00:55:58,529
benefit from treatment and so forth but

1356
00:56:02,539 --> 00:56:00,599
you could be wrong you could be wrong by

1357
00:56:04,880 --> 00:56:02,549
judging something by giving it a label

1358
00:56:07,069 --> 00:56:04,890
and it's far too easy just to label it

1359
00:56:09,049 --> 00:56:07,079
as some sort of mental disorder how

1360
00:56:10,849 --> 00:56:09,059
about when the whole plane sees

1361
00:56:19,039 --> 00:56:10,859
something on the side of the window I'm

1362
00:56:20,720 --> 00:56:19,049
the pilot I mean it's not and radar

1363
00:56:26,269 --> 00:56:20,730

doesn't have a hallucination as far as I

1364

00:56:28,670 --> 00:56:26,279

know right it's not just it's just that

1365

00:56:30,410 --> 00:56:28,680

it's not just that it's many other

1366

00:56:32,559 --> 00:56:30,420

things that are going and I'm gonna

1367

00:56:35,029 --> 00:56:32,569

bring up another issue

1368

00:56:37,220 --> 00:56:35,039

David Pleiades and I'm sure familiar

1369

00:56:40,760 --> 00:56:37,230

with his work on missing for one

1370

00:56:43,160 --> 00:56:40,770

one where he has done a great job of

1371

00:56:46,069 --> 00:56:43,170

cataloging all of these missing people

1372

00:56:48,740 --> 00:56:46,079

who have vanished into thin air there's

1373

00:56:50,300 --> 00:56:48,750

been strange occurrences around all of

1374

00:56:53,839 --> 00:56:50,310

these disappearances that he's

1375

00:56:57,319 --> 00:56:53,849

identified in his book series and yet

1376

00:56:59,359 --> 00:56:57,329

the National Park Rangers the people

1377

00:57:01,400 --> 00:56:59,369

associated with the government with this

1378

00:57:03,220 --> 00:57:01,410

are all covering it up and saying

1379

00:57:07,430 --> 00:57:03,230

there's nothing to see here move along

1380

00:57:09,620 --> 00:57:07,440

meanwhile people are at risk now nobody

1381

00:57:10,550 --> 00:57:09,630

knows who's taking these people if it's

1382

00:57:13,339 --> 00:57:10,560

ETS

1383

00:57:15,589 --> 00:57:13,349

if it's Bigfoot if it's traig on some

1384

00:57:18,490 --> 00:57:15,599

other creature like a Bigfoot that we've

1385

00:57:20,450 --> 00:57:18,500

heard about if it's the little people

1386

00:57:23,960 --> 00:57:20,460

yeah that's right guys we've heard about

1387

00:57:27,020 --> 00:57:23,970

them but anyways it's people have been

1388

00:57:30,079 --> 00:57:27,030

taken people are in danger and it's not

1389

00:57:32,960 --> 00:57:30,089

from this next not necessarily from this

1390

00:57:36,620 --> 00:57:32,970

reality but yet with all this cover-up

1391

00:57:39,050 --> 00:57:36,630

and all of this denial I'm feeling like

1392

00:57:41,960 --> 00:57:39,060

this is liability on their part they

1393

00:57:44,359 --> 00:57:41,970

know there's danger there they refuse to

1394

00:57:46,099 --> 00:57:44,369

talk about it and people are being put

1395

00:57:48,829 --> 00:57:46,109

in danger because they're not being told

1396

00:57:51,140 --> 00:57:48,839

the truth that there's something out

1397

00:57:53,690 --> 00:57:51,150

there in the national parks there's also

1398

00:57:56,180 --> 00:57:53,700

something going on in urban areas where

1399

00:57:59,510 --> 00:57:56,190

young men have been taken bodies are

1400

00:58:01,640 --> 00:57:59,520

found weeks later no cause of death it

1401
00:58:04,150 --> 00:58:01,650
can't determine how these people died I

1402
00:58:06,559 --> 00:58:04,160
mean these are all mysterious things and

1403
00:58:10,000 --> 00:58:06,569
again we all want to go into denial

1404
00:58:12,589 --> 00:58:10,010
about it but there's real danger here

1405
00:58:14,450 --> 00:58:12,599
I'm afraid I can't really comment on the

1406
00:58:16,190 --> 00:58:14,460
David pleiades work i people have

1407
00:58:20,540 --> 00:58:16,200
mentioned it to me I'm not familiar with

1408
00:58:23,809 --> 00:58:20,550
it so I can't say one way or another but

1409
00:58:26,150 --> 00:58:23,819
I mean it is true that agencies don't

1410
00:58:28,099 --> 00:58:26,160
like to talk about things that they

1411
00:58:31,130 --> 00:58:28,109
don't understand or can't control I mean

1412
00:58:34,370 --> 00:58:31,140
I was outside national teeth Grand Teton

1413
00:58:36,710 --> 00:58:34,380

National Park and my dog and myself were

1414

00:58:38,210 --> 00:58:36,720

chased by a moose we we got between a

1415

00:58:40,670 --> 00:58:38,220

mother moose and the babies without

1416

00:58:42,950 --> 00:58:40,680

knowing it in a campground in a boy

1417

00:58:44,750 --> 00:58:42,960

whether it was a deserted camera we're

1418

00:58:46,220 --> 00:58:44,760

just having lunch and we're just walking

1419

00:58:47,450 --> 00:58:46,230

you're taking a walk after lunch and

1420

00:58:48,530 --> 00:58:47,460

there was the momma moose in the bait we

1421

00:58:50,299 --> 00:58:48,540

were in between them how do you say

1422

00:58:52,370 --> 00:58:50,309

you're so

1423

00:58:53,599 --> 00:58:52,380

you got hey hi my dog I chased around

1424

00:58:55,670 --> 00:58:53,609

I'm not trying to make light of what

1425

00:58:57,380 --> 00:58:55,680

you're saying but we got out of there

1426

00:58:59,150 --> 00:58:57,390

without being killed by the moose

1427

00:59:00,650 --> 00:58:59,160

mamamoo she was awfully sound they don't

1428

00:59:03,140 --> 00:59:00,660

like dogs near their babies

1429

00:59:05,059 --> 00:59:03,150

and I went down and told the ranger

1430

00:59:07,599 --> 00:59:05,069

station I said you should have a sign

1431

00:59:10,219 --> 00:59:07,609

that their moose in the campground and

1432

00:59:12,650 --> 00:59:10,229

their reaction was this is National

1433

00:59:15,859 --> 00:59:12,660

Forest Service dogs kill moose all the

1434

00:59:17,900 --> 00:59:15,869

time I'll get over it I vote look you're

1435

00:59:19,099 --> 00:59:17,910

in a campground where you pay to stay

1436

00:59:20,630 --> 00:59:19,109

overnight that type of thing you should

1437

00:59:22,519 --> 00:59:20,640

put up a sign that there's moose been

1438

00:59:24,890 --> 00:59:22,529

around to just take precaution be

1439

00:59:26,420 --> 00:59:24,900

cautious sir and someone pointed out to

1440

00:59:27,890 --> 00:59:26,430

me they'd be liable if they did that

1441

00:59:30,109 --> 00:59:27,900

just what you said you used that word

1442

00:59:31,609 --> 00:59:30,119

liability and that may be what it is is

1443

00:59:33,049 --> 00:59:31,619

if they admit there's a danger then

1444

00:59:35,329 --> 00:59:33,059

there you know they have to close the

1445

00:59:38,539 --> 00:59:35,339

campground so they'd rather put the risk

1446

00:59:40,489 --> 00:59:38,549

on you now presumably a government

1447

00:59:42,279 --> 00:59:40,499

agency that you pay tax dollars to to

1448

00:59:44,569 --> 00:59:42,289

provide you with parks and campgrounds

1449

00:59:47,479 --> 00:59:44,579

should take the responsibility to make

1450

00:59:50,239 --> 00:59:47,489

them safe right anything easier to

1451

00:59:52,219 --> 00:59:50,249

reverse the risk and put the risk lower

1452

00:59:56,179 --> 00:59:52,229

down and say it's your fault you had a

1453

00:59:58,339 --> 00:59:56,189

dog in moose season you know this we see

1454

01:00:00,949 --> 00:59:58,349

this too much yeah won't take their

1455

01:00:05,089 --> 01:00:00,959

response to date winner but brief it's

1456

01:00:06,829 --> 01:00:05,099

your it's your fault ridiculous I don't

1457

01:00:09,589 --> 01:00:06,839

comment on their missing people cases I

1458

01:00:10,880 --> 01:00:09,599

mean I just don't know I do recommend

1459

01:00:13,489 --> 01:00:10,890

the books to you though I think you'd

1460

01:00:15,229 --> 01:00:13,499

find the fascinating given your they

1461

01:00:22,309 --> 01:00:15,239

might get creeped out by them I spend a

1462

01:00:24,979 --> 01:00:22,319

lot of time but it's a well thought out

1463

01:00:27,890 --> 01:00:24,989

series and it is well documented it's

1464

01:00:29,929 --> 01:00:27,900

worth the read so again you know what

1465

01:00:33,650 --> 01:00:29,939

we're stuck with is people being

1466

01:00:36,410 --> 01:00:33,660

tormented by weather its agencies

1467

01:00:38,929 --> 01:00:36,420

federal agents or just friends and

1468

01:00:42,169 --> 01:00:38,939

family who don't want to believe their

1469

01:00:44,749 --> 01:00:42,179

experience is real and so we have to

1470

01:00:47,269 --> 01:00:44,759

work to change that how can we change it

1471

01:00:52,459 --> 01:00:47,279

how can we as a society begin to work

1472

01:00:55,069 --> 01:00:52,469

towards positive change with us we just

1473

01:00:58,249 --> 01:00:55,079

have to decide that it's not acceptable

1474

01:01:00,049 --> 01:00:58,259

to ridicule and shame people who've had

1475

01:01:01,579 --> 01:01:00,059

this experience we have to make it a

1476

01:01:03,490 --> 01:01:01,589

safe environment for them to come out

1477

01:01:05,710 --> 01:01:03,500

and share their stories

1478

01:01:07,210 --> 01:01:05,720

the people that I mentioned in Black

1479

01:01:09,670 --> 01:01:07,220

Swan ghosts you know so many of these

1480

01:01:11,320 --> 01:01:09,680

people some of them had never talked to

1481

01:01:12,730 --> 01:01:11,330

anyone else about this before can you

1482

01:01:16,300 --> 01:01:12,740

imagine and there's some excellent

1483

01:01:17,710 --> 01:01:16,310

stories in there yes some of those

1484

01:01:20,380 --> 01:01:17,720

people there was one guy in the England

1485

01:01:22,300 --> 01:01:20,390

that encountered a disc that landed when

1486

01:01:25,089 --> 01:01:22,310

he was walking across the Downs at night

1487

01:01:27,940 --> 01:01:25,099

and the friend panicked I mean someone

1488

01:01:31,480 --> 01:01:27,950

got out of the flying disc someone in a

1489

01:01:34,060 --> 01:01:31,490

skin-tight suit or something door opens

1490

01:01:36,010 --> 01:01:34,070

this being walked towards him it you

1491

01:01:38,859 --> 01:01:36,020

know this well Peter who I mentioned in

1492

01:01:40,630 --> 01:01:38,869

there wanting to meet this spaceman as

1493

01:01:43,839 --> 01:01:40,640

he called him in mmm-hmm his friend

1494

01:01:45,310 --> 01:01:43,849

panic they fill about forms at the

1495

01:01:46,990 --> 01:01:45,320

police station see back then there were

1496

01:01:48,880 --> 01:01:47,000

forms in the 70s it was okay to have a

1497

01:01:50,170 --> 01:01:48,890

UFO sighting see we don't have anything

1498

01:01:52,180 --> 01:01:50,180

like that it should be okay to have a

1499

01:01:55,359 --> 01:01:52,190

sighting there should be a place where

1500

01:01:58,900 --> 01:01:55,369

you can go to report this not project

1501
01:02:00,099 --> 01:01:58,910
Bluebook well yeah was an effort just I

1502
01:02:01,359 --> 01:02:00,109
mean I know people that worked in

1503
01:02:02,980 --> 01:02:01,369
project look what got talked to people

1504
01:02:04,690 --> 01:02:02,990
who worked it it was a way to me just

1505
01:02:06,339 --> 01:02:04,700
make the public feel like someone was

1506
01:02:12,400 --> 01:02:06,349
doing something about this right in

1507
01:02:14,200 --> 01:02:12,410
thank season early 70s but um there's no

1508
01:02:16,870 --> 01:02:14,210
place for people to really go and in

1509
01:02:19,630 --> 01:02:16,880
this book on Peter so he he encountered

1510
01:02:21,310 --> 01:02:19,640
he gave a report to a police station he

1511
01:02:22,930 --> 01:02:21,320
said there was a Bobby's drinking his

1512
01:02:24,730 --> 01:02:22,940
tea at when I am they'd seen this thing

1513
01:02:26,920 --> 01:02:24,740

land and then someone got out and then

1514

01:02:29,740 --> 01:02:26,930

it went back in and it took off but then

1515

01:02:32,050 --> 01:02:29,750

he gets these strange phone calls the

1516

01:02:34,329 --> 01:02:32,060

the form was used to track him at the

1517

01:02:37,720 --> 01:02:34,339

opposite it wasn't it wasn't designed to

1518

01:02:39,820 --> 01:02:37,730

help him share what he knew it was

1519

01:02:41,290 --> 01:02:39,830

designed for some agency we don't even

1520

01:02:43,960 --> 01:02:41,300

know what this agency was it was like

1521

01:02:45,700 --> 01:02:43,970

some UN agency because he said when he

1522

01:02:47,109 --> 01:02:45,710

went to this so-called UFO meeting all

1523

01:02:48,849 --> 01:02:47,119

they were to do was talk about his case

1524

01:02:50,500 --> 01:02:48,859

and that's all they talked about for

1525

01:02:52,540 --> 01:02:50,510

three hours and at the end of it they

1526

01:02:55,390 --> 01:02:52,550

said what you saw was a weather balloon

1527

01:02:59,050 --> 01:02:55,400

can we keep your drawings can we keep

1528

01:03:01,060 --> 01:02:59,060

your drawings and he said every ethnic

1529

01:03:04,140 --> 01:03:01,070

group was in a uniform was in that room

1530

01:03:06,490 --> 01:03:04,150

about 30 men you know from Asia Africa

1531

01:03:10,359 --> 01:03:06,500

Europe United States it was like this

1532

01:03:11,710 --> 01:03:10,369

multilateral group in the 70s they

1533

01:03:13,960 --> 01:03:11,720

probably are trying to find out what's

1534

01:03:16,390 --> 01:03:13,970

going on we have to get this above

1535

01:03:16,990 --> 01:03:16,400

ground and we have to insist that our

1536

01:03:18,310 --> 01:03:17,000

governments

1537

01:03:20,740 --> 01:03:18,320

spending money on disinformation

1538

01:03:22,930 --> 01:03:20,750

campaigns right we know they did this

1539

01:03:24,850 --> 01:03:22,940

because of Steven Greer's recent movie

1540

01:03:26,350 --> 01:03:24,860

excellent movie unacknowledged about

1541

01:03:28,630 --> 01:03:26,360

hundred dollar special access program

1542

01:03:30,460 --> 01:03:28,640

and he has in there a witness we haven't

1543

01:03:32,640 --> 01:03:30,470

heard from before I hadn't heard from

1544

01:03:34,660 --> 01:03:32,650

before Richard Doty who worked in

1545

01:03:38,140 --> 01:03:34,670

counterintelligence in the Air Force and

1546

01:03:40,180 --> 01:03:38,150

he said they paid journalists to make up

1547

01:03:45,460 --> 01:03:40,190

stories about this to dull the public

1548

01:03:47,350 --> 01:03:45,470

interest yes um to arrest witnesses - he

1549

01:03:49,030 --> 01:03:47,360

said they even dressed up in alien suits

1550

01:03:50,230 --> 01:03:49,040

and scared people who thought they have

1551
01:03:54,640 --> 01:03:50,240
seen something if they wanted to scare

1552
01:03:59,910 --> 01:03:54,650
them if they do close yeah what we're

1553
01:04:03,610 --> 01:03:59,920
paying for this I mean he was bullying

1554
01:04:05,320 --> 01:04:03,620
it is I mean maybe we don't know what

1555
01:04:06,850 --> 01:04:05,330
these witnesses had seen and maybe it

1556
01:04:09,100 --> 01:04:06,860
was some sort of you know classified

1557
01:04:11,140 --> 01:04:09,110
program but the bottom line is we have

1558
01:04:15,100 --> 01:04:11,150
to insist that we stop spending money on

1559
01:04:18,580 --> 01:04:15,110
disinformation and get the truth out

1560
01:04:21,910 --> 01:04:18,590
about this instead of the government

1561
01:04:24,640 --> 01:04:21,920
deliberately confusing the issue I know

1562
01:04:26,650 --> 01:04:24,650
that they do this because there was a

1563
01:04:28,600 --> 01:04:26,660

woman on our crop circle tour I have

1564

01:04:30,370 --> 01:04:28,610

been giving crop circle tours for many

1565

01:04:31,660 --> 01:04:30,380

years I used to go on one with Ron

1566

01:04:33,160 --> 01:04:31,670

Russell and he turned the Torah to me

1567

01:04:35,740 --> 01:04:33,170

and we done we didn't do it this year

1568

01:04:37,240 --> 01:04:35,750

but we've done that many years and this

1569

01:04:39,550 --> 01:04:37,250

woman and she's deceased now so she I

1570

01:04:42,910 --> 01:04:39,560

can tell you the truth she worked in the

1571

01:04:46,810 --> 01:04:42,920

CIA media department oh okay

1572

01:04:50,380 --> 01:04:46,820

she had a rolodex of 400 journalists she

1573

01:04:53,800 --> 01:04:50,390

could send stories to Wow and I said

1574

01:04:55,810 --> 01:04:53,810

Diane I mean you modified their stories

1575

01:04:57,130 --> 01:04:55,820

and you sent it back to them or did you

1576

01:05:01,090 --> 01:04:57,140

make it up and they would run it she

1577

01:05:03,160 --> 01:05:01,100

goes either way I said a what they would

1578

01:05:05,350 --> 01:05:03,170

just run a false story because you said

1579

01:05:10,030 --> 01:05:05,360

you said of course she didn't blink an

1580

01:05:12,160 --> 01:05:10,040

eyelid of course well excuse me what do

1581

01:05:13,900 --> 01:05:12,170

you think happens to a democracy if the

1582

01:05:16,000 --> 01:05:13,910

news sources are polluted with

1583

01:05:19,090 --> 01:05:16,010

disinformation and lies deliberate lies

1584

01:05:21,910 --> 01:05:19,100

I can understand doing that for a very

1585

01:05:24,760 --> 01:05:21,920

brief time in a very critical military

1586

01:05:29,799 --> 01:05:24,770

situation my dad landed at d-day okay on

1587

01:05:33,309 --> 01:05:29,809

Omaha Beach you know in 1944 in June 6th

1588

01:05:34,959 --> 01:05:33,319

I can understand covering things up for

1589

01:05:36,819 --> 01:05:34,969

that period so the Nazis didn't know

1590

01:05:38,349 --> 01:05:36,829

when we were gonna land because it would

1591

01:05:41,289 --> 01:05:38,359

it would have been a cat at the whole

1592

01:05:43,989 --> 01:05:41,299

point you need that secret sure you get

1593

01:05:46,719 --> 01:05:43,999

it for very limited periods of time for

1594

01:05:48,699 --> 01:05:46,729

specific operations you can't let people

1595

01:05:50,170 --> 01:05:48,709

know what's going on if the government

1596

01:05:51,999 --> 01:05:50,180

decides it's in our interest for

1597

01:05:54,579 --> 01:05:52,009

Nationals I mean they know things we

1598

01:05:57,969 --> 01:05:54,589

okay get that but not year after year

1599

01:05:59,289 --> 01:05:57,979

after year with this topic and we know

1600

01:06:00,729 --> 01:05:59,299

that the government's been very

1601

01:06:04,900 --> 01:06:00,739

uncomfortable with this topic internal

1602

01:06:08,380 --> 01:06:04,910

Air Force documents show that the

1603

01:06:10,359 --> 01:06:08,390

government tried to find out since the

1604

01:06:12,039 --> 01:06:10,369

40s what's going on about this I'm

1605

01:06:14,199 --> 01:06:12,049

reading a book about this right now I'll

1606

01:06:15,939 --> 01:06:14,209

just mention it not my book just this

1607

01:06:18,819 --> 01:06:15,949

book called it never happened by a guy

1608

01:06:21,699 --> 01:06:18,829

that served as a missile launch control

1609

01:06:24,249 --> 01:06:21,709

officer David Jin Delhi mmm-hmm who was

1610

01:06:25,779 --> 01:06:24,259

at the Citizen hearing by the way that's

1611

01:06:27,779 --> 01:06:25,789

how I knew about him he was one of the

1612

01:06:31,870 --> 01:06:27,789

launch control officers who were there

1613

01:06:34,509 --> 01:06:31,880

who talked about how these UFOs would

1614

01:06:37,179 --> 01:06:34,519

come over the launch control facilities

1615

01:06:39,249 --> 01:06:37,189

and all their missiles would go down all

1616

01:06:41,739 --> 01:06:39,259

of us which was unheard of in some cases

1617

01:06:43,870 --> 01:06:41,749

the launch sequences were initiated has

1618

01:06:45,579 --> 01:06:43,880

also happened in the USSR that there was

1619

01:06:47,979 --> 01:06:45,589

a story and black swan ghosts where I

1620

01:06:51,099 --> 01:06:47,989

talk about a former NASA astrobiologist

1621

01:06:53,739 --> 01:06:51,109

who knew the head of the equivalent of

1622

01:06:55,599 --> 01:06:53,749

our Nuclear Regulatory Agency in Russia

1623

01:06:56,949 --> 01:06:55,609

they handle everything nuclear including

1624

01:06:59,289 --> 01:06:56,959

thermonuclear missiles we talked about a

1625

01:07:02,640 --> 01:06:59,299

disc coming over the launch facility in

1626

01:07:04,809 --> 01:07:02,650

Ukraine and the missiles started to

1627

01:07:06,549 --> 01:07:04,819

undergo their launch initiation sequence

1628

01:07:09,789 --> 01:07:06,559

counting down to 30 seconds or something

1629

01:07:11,949 --> 01:07:09,799

ridiculous missiles pointed at us well

1630

01:07:13,359 --> 01:07:11,959

this in Dolly's book it never happened

1631

01:07:15,279 --> 01:07:13,369

talks about his case where he was told

1632

01:07:16,900 --> 01:07:15,289

not to talk about you know as far as

1633

01:07:19,719 --> 01:07:16,910

they're concerned this never happened he

1634

01:07:21,429 --> 01:07:19,729

has to sign something that whatever he

1635

01:07:24,429 --> 01:07:21,439

saw he won't talk about not even to the

1636

01:07:25,299 --> 01:07:24,439

repair crew that comes later but you

1637

01:07:26,859 --> 01:07:25,309

can't tell them what happened you've

1638

01:07:28,269 --> 01:07:26,869

been told not to talk about not to your

1639

01:07:31,120 --> 01:07:28,279

wife nobody he didn't talk about it for

1640

01:07:34,209 --> 01:07:31,130

30 years it cuts off communication that

1641

01:07:35,949 --> 01:07:34,219

we need to be having for I can't see the

1642

01:07:37,209 --> 01:07:35,959

reason well anyway the reason I like

1643

01:07:38,589 --> 01:07:37,219

Shindell these books in other books like

1644

01:07:40,959 --> 01:07:38,599

this that have been written about that

1645

01:07:42,729 --> 01:07:40,969

particular issue is we can see the

1646

01:07:43,450 --> 01:07:42,739

internal Air Force documents going back

1647

01:07:45,670 --> 01:07:43,460

to the fort

1648

01:07:47,320 --> 01:07:45,680

they were riding back and forth to each

1649

01:07:49,390 --> 01:07:47,330

other from wright-patterson to the

1650

01:07:51,550 --> 01:07:49,400

Pentagon is there any government program

1651
01:07:53,950 --> 01:07:51,560
that explains these objects we know this

1652
01:07:55,570 --> 01:07:53,960
is real this is not schizo tip all

1653
01:07:59,260 --> 01:07:55,580
mental disorders it's not in the

1654
01:08:01,240 --> 01:07:59,270
document and their repeated response to

1655
01:08:03,370 --> 01:08:01,250
God from the Pentagon is there is no

1656
01:08:04,870 --> 01:08:03,380
known US government program or any

1657
01:08:06,520 --> 01:08:04,880
program we know about that explains

1658
01:08:08,500 --> 01:08:06,530
these objects because the

1659
01:08:11,440 --> 01:08:08,510
wright-patterson guys were the technical

1660
01:08:12,760 --> 01:08:11,450
Intelligence Division there their job is

1661
01:08:14,200 --> 01:08:12,770
to reverse-engineer you know other

1662
01:08:15,280 --> 01:08:14,210
countries planes and so forth that

1663
01:08:17,500 --> 01:08:15,290

they're trying to figure out if they're

1664

01:08:18,910 --> 01:08:17,510

wasting their time investigating this is

1665

01:08:20,230 --> 01:08:18,920

some sort of secret program and they

1666

01:08:21,700 --> 01:08:20,240

continually got the response because

1667

01:08:23,620 --> 01:08:21,710

these documents are now Declassified

1668

01:08:25,780 --> 01:08:23,630

this is not a US government program any

1669

01:08:28,120 --> 01:08:25,790

this is nothing we know about we promise

1670

01:08:30,580 --> 01:08:28,130

you and it's nothing that we think the

1671

01:08:32,110 --> 01:08:30,590

Russians have either the USSR they were

1672

01:08:33,670 --> 01:08:32,120

not at that stage of having anything

1673

01:08:35,980 --> 01:08:33,680

like that they were reverse engineering

1674

01:08:38,740 --> 01:08:35,990

b-29s at the time then it's a totally

1675

01:08:40,330 --> 01:08:38,750

different level of technology so so we

1676

01:08:43,270 --> 01:08:40,340

know from the internal documents they've

1677

01:08:46,240 --> 01:08:43,280

never been comfortable with this we know

1678

01:08:49,780 --> 01:08:46,250

it's real there's no doubt yes we know

1679

01:08:51,400 --> 01:08:49,790

real UFOs are as real as Paul Hellyer

1680

01:08:53,110 --> 01:08:51,410

said you know the former minister of

1681

01:08:55,000 --> 01:08:53,120

defense under Trudeau from Canada who

1682

01:08:56,710 --> 01:08:55,010

was a disciplinary - as he said many

1683

01:08:58,330 --> 01:08:56,720

times he was told by a Air Force

1684

01:09:01,030 --> 01:08:58,340

official in the Pentagon there is real

1685

01:09:02,590 --> 01:09:01,040

as planes that fly overhead but nobody

1686

01:09:03,760 --> 01:09:02,600

wants to talk about it we just have to

1687

01:09:05,380 --> 01:09:03,770

go be I don't think the government's

1688

01:09:07,120 --> 01:09:05,390

going to be able to disclose because

1689

01:09:10,060 --> 01:09:07,130

they I don't think they necessarily

1690

01:09:11,290 --> 01:09:10,070

understand what it is or they're afraid

1691

01:09:17,140 --> 01:09:11,300

it would hurt their reelection or

1692

01:09:18,730 --> 01:09:17,150

whatever mo demands they have right now

1693

01:09:19,900 --> 01:09:18,740

by having this interview we're doing it

1694

01:09:21,580 --> 01:09:19,910

right now and everyone's to listen we're

1695

01:09:23,740 --> 01:09:21,590

having disclosures as many disclosures

1696

01:09:24,940 --> 01:09:23,750

it'll happen many many times let's just

1697

01:09:26,980 --> 01:09:24,950

be honest people are having these

1698

01:09:30,610 --> 01:09:26,990

experiences at all levels in our society

1699

01:09:33,370 --> 01:09:30,620

that's right be afraid to talk about

1700

01:09:35,020 --> 01:09:33,380

right and the government could help is

1701

01:09:37,870 --> 01:09:35,030

the way they did in civil rights right

1702

01:09:40,570 --> 01:09:37,880

they sent out troops to support school

1703

01:09:42,730 --> 01:09:40,580

desegregation right national guards they

1704

01:09:44,380 --> 01:09:42,740

don't do that with this the same way but

1705

01:09:46,720 --> 01:09:44,390

they could support it in some way say

1706

01:09:50,080 --> 01:09:46,730

look we don't understand it but it's

1707

01:09:52,150 --> 01:09:50,090

real so they could provide a positive

1708

01:09:53,560 --> 01:09:52,160

tone the way other governments have done

1709

01:09:56,410 --> 01:09:53,570

in Latin America they could do what

1710

01:09:57,189 --> 01:09:56,420

Latimer you know I have to tell you too

1711

01:09:59,169 --> 01:09:57,199

that some

1712

01:10:01,270 --> 01:09:59,179

he asked the latin-american contingent

1713

01:10:03,100 --> 01:10:01,280

at the Citizen hearing why don't you

1714

01:10:05,469 --> 01:10:03,110

guys just come forward and say it's real

1715

01:10:09,270 --> 01:10:05,479

see the world they said we're afraid of

1716

01:10:13,899 --> 01:10:11,770

we want you to do it and we'll talk

1717

01:10:17,020 --> 01:10:13,909

about it more openly beyond our society

1718

01:10:20,759 --> 01:10:17,030

China you know they they say it's real -

1719

01:10:22,750 --> 01:10:20,769

it just nobody wants to piss off the US

1720

01:10:26,109 --> 01:10:22,760

great things you go and they're not

1721

01:10:28,989 --> 01:10:26,119

gonna care I think that's that's one

1722

01:10:31,779 --> 01:10:28,999

possibility nobody cares eventually like

1723

01:10:33,189 --> 01:10:31,789

Donald Trump or not he's a big enough

1724

01:10:35,379 --> 01:10:33,199

bull in the china shop he could upset

1725

01:10:36,910 --> 01:10:35,389

this issue and he might not care and he

1726

01:10:40,959 --> 01:10:36,920

might do something very positive for us

1727

01:10:42,040 --> 01:10:40,969

I still have hope say I don't care what

1728

01:10:44,129 --> 01:10:42,050

you think you have to tell me the truth

1729

01:10:46,600 --> 01:10:44,139

on the President it'd States right yeah

1730

01:10:48,219 --> 01:10:46,610

and he might go on script like he does

1731

01:10:49,810 --> 01:10:48,229

and say what he really thinks and

1732

01:10:51,399 --> 01:10:49,820

because none of the other presidents we

1733

01:10:52,839 --> 01:10:51,409

know the Clintons were interested in

1734

01:10:54,009 --> 01:10:52,849

this it's obvious there's enough

1735

01:10:55,989 --> 01:10:54,019

documents going back to Laurance

1736

01:10:58,209 --> 01:10:55,999

Rockefeller Project starlight you guys

1737

01:10:59,439 --> 01:10:58,219

know about this oh yeah they wanted to

1738

01:11:01,600 --> 01:10:59,449

do it but couldn't

1739

01:11:03,580 --> 01:11:01,610

well the Clintons were not briefed the

1740

01:11:05,649 --> 01:11:03,590

same way as other presidents either they

1741

01:11:07,719 --> 01:11:05,659

weren't as what they were trusted but

1742

01:11:09,520 --> 01:11:07,729

who knows like you said maybe we'll hear

1743

01:11:10,899 --> 01:11:09,530

about it from a tweet from Trump

1744

01:11:15,540 --> 01:11:10,909

wouldn't that be cool that's right

1745

01:11:18,640 --> 01:11:15,550

here's the question yeah he might um

1746

01:11:20,290 --> 01:11:18,650

here's a question for you I mean one of

1747

01:11:22,209 --> 01:11:20,300

the things that has come up over and

1748

01:11:24,160 --> 01:11:22,219

over again in interviews that we've done

1749

01:11:27,729 --> 01:11:24,170

on the subject is that the government

1750

01:11:30,699 --> 01:11:27,739

may have probably made a deal with

1751

01:11:33,459 --> 01:11:30,709

certain alien races allowing them to

1752

01:11:35,739 --> 01:11:33,469

abduct a certain amount of people which

1753

01:11:37,689 --> 01:11:35,749

they then said got very much out of hand

1754

01:11:40,299 --> 01:11:37,699

and they had no way to control it so

1755

01:11:42,520 --> 01:11:40,309

these extraterrestrial races were just

1756

01:11:44,469 --> 01:11:42,530

taking people whenever they felt like it

1757

01:11:49,149 --> 01:11:44,479

and many more than what they agreed to

1758

01:11:50,830 --> 01:11:49,159

do so if that is true I can see where

1759

01:11:52,540 --> 01:11:50,840

our government wouldn't want people to

1760

01:11:56,439 --> 01:11:52,550

know about that that they sold us out

1761

01:11:57,669 --> 01:11:56,449

right those are the types of stories we

1762

01:11:59,229 --> 01:11:57,679

hear and we don't have enough

1763

01:12:01,000 --> 01:11:59,239

information if it's true or not that's

1764

01:12:02,890 --> 01:12:01,010

why we need to open this up and talk

1765

01:12:05,859 --> 01:12:02,900

about it is it true or not we've heard

1766

01:12:07,719 --> 01:12:05,869

this I don't know I haven't seen the

1767

01:12:10,750 --> 01:12:07,729

evidence to convince me that they have

1768

01:12:12,700 --> 01:12:10,760

or they have it it's in the great

1769

01:12:15,220 --> 01:12:12,710

what do they know about this subject you

1770

01:12:18,330 --> 01:12:15,230

know that's what we need to find out I

1771

01:12:20,890 --> 01:12:18,340

mean who in the government studies this

1772

01:12:23,920 --> 01:12:20,900

does no one study this like we're told

1773

01:12:26,890 --> 01:12:23,930

you know Obama said that there's nothing

1774

01:12:29,890 --> 01:12:26,900

happened at Roswell member he was on one

1775

01:12:31,900 --> 01:12:29,900

of the late-night TV show yes yes who

1776

01:12:34,930 --> 01:12:31,910

was it

1777

01:12:37,600 --> 01:12:34,940

well whatever Late Night with so-and-so

1778

01:12:39,040 --> 01:12:37,610

hey I asked him and he said well you

1779

01:12:40,750 --> 01:12:39,050

know he made fun of it they always make

1780

01:12:43,960 --> 01:12:40,760

em you did they always make fun I hate

1781

01:12:45,670 --> 01:12:43,970

that and Hillary Clinton didn't she

1782

01:12:47,740 --> 01:12:45,680

actually when she was on the show I'm

1783

01:12:49,240 --> 01:12:47,750

sure you know which I just I know

1784

01:12:51,640 --> 01:12:49,250

exactly what you're talking about

1785

01:12:53,140 --> 01:12:51,650

she actually said that that these things

1786

01:12:55,840 --> 01:12:53,150

are real she said they're now called

1787

01:12:59,350 --> 01:12:55,850

unidentified aerial phenomena right she

1788

01:13:02,470 --> 01:12:59,360

had been prepped by her advisor you know

1789

01:13:03,550 --> 01:13:02,480

to talk about this and they never went

1790

01:13:05,230 --> 01:13:03,560

back to her point she was actually

1791

01:13:09,610 --> 01:13:05,240

bringing it up and they should have

1792

01:13:12,160 --> 01:13:09,620

pursued it I mean it's going to take

1793

01:13:14,560 --> 01:13:12,170

courage right yes now there's one thing

1794

01:13:15,910 --> 01:13:14,570

we have in abundance as Americans we

1795

01:13:19,570 --> 01:13:15,920

have courage I would like to believe

1796

01:13:22,180 --> 01:13:19,580

that you know no I think of someone like

1797

01:13:24,250 --> 01:13:22,190

my dad who led at a d-day facing German

1798

01:13:26,320 --> 01:13:24,260

machine guns he was a refugee from Nazi

1799

01:13:29,140 --> 01:13:26,330

Germany he couldn't wait to join the US

1800

01:13:31,090 --> 01:13:29,150

Army when he was 18 and go back and kick

1801

01:13:32,230 --> 01:13:31,100

some butt right he's past I mean Nick I

1802

01:13:35,110 --> 01:13:32,240

keep that of his own Society by the

1803

01:13:36,550 --> 01:13:35,120

Nazis well that's real courage is you

1804

01:13:38,320 --> 01:13:36,560

step out and you know you could die but

1805

01:13:39,730 --> 01:13:38,330

you do it's the right thing to do and we

1806

01:13:41,890 --> 01:13:39,740

need to have that type of courage it's

1807

01:13:44,020 --> 01:13:41,900

not that extreme it's not that situation

1808

01:13:46,480 --> 01:13:44,030

again but you have to have the courage

1809

01:13:49,000 --> 01:13:46,490

to stand up and say I don't care what

1810

01:13:50,680 --> 01:13:49,010

the lamestream media are gonna say I

1811

01:13:53,680 --> 01:13:50,690

don't care what they're gonna say to me

1812

01:13:55,770 --> 01:13:53,690

and what they're gonna label me as I'm

1813

01:13:58,000 --> 01:13:55,780

gonna tell the truth about what I saw

1814

01:13:59,080 --> 01:13:58,010

like the people who came forward to me

1815

01:14:01,840 --> 01:13:59,090

in Black Swan ghosts

1816

01:14:04,420 --> 01:14:01,850

I so appreciate those witnesses because

1817

01:14:06,880 --> 01:14:04,430

they had the guts to sit with me for an

1818

01:14:08,950 --> 01:14:06,890

hour - and let me videotape them tell me

1819

01:14:11,710 --> 01:14:08,960

their stories and give me permission to

1820

01:14:14,560 --> 01:14:11,720

put them in a book some of them were

1821

01:14:16,800 --> 01:14:14,570

still afraid I took a year to get for me

1822

01:14:18,580 --> 01:14:16,810

to put those stories in the book Wow

1823

01:14:22,200 --> 01:14:18,590

some of those stories have never been

1824

01:14:24,010 --> 01:14:22,210

told before I liked it the Jets that got

1825

01:14:25,390 --> 01:14:24,020

well ahead

1826

01:14:28,180 --> 01:14:25,400

encounter with the UFO over Lake

1827

01:14:29,440 --> 01:14:28,190

Michigan in the 60s I mean this guy was

1828

01:14:32,440 --> 01:14:29,450

there when he heard his dad talking

1829

01:14:33,910 --> 01:14:32,450

about it on the phone from Finland one

1830

01:14:37,960 --> 01:14:33,920

of the Air Force bases that were there

1831

01:14:39,130 --> 01:14:37,970

and I mean he wasn't sure he should talk

1832

01:14:40,480 --> 01:14:39,140

about this because it never been

1833

01:14:41,980 --> 01:14:40,490

publicly disclosed we don't know what

1834

01:14:44,020 --> 01:14:41,990

the windows were told but the pilots

1835

01:14:46,300 --> 01:14:44,030

disappeared the planes are round but the

1836

01:14:47,800 --> 01:14:46,310

pilots were never private pilot of both

1837

01:14:52,900 --> 01:14:47,810

their engines simultaneously when they

1838

01:14:55,090 --> 01:14:52,910

attempted to pursue this object no yeah

1839

01:14:57,520 --> 01:14:55,100

and we don't we don't really allow this

1840

01:14:59,500 --> 01:14:57,530

to come out and unfortunately we've run

1841

01:15:01,960 --> 01:14:59,510
