COOK SHOW**

Listen on

inceptionradionetwork.com

1
00:00:04,820 --> 00:00:01,550
well it's good to be back with you after

2
00:00:06,940 --> 00:00:04,830
a couple weeks off we I had to go to

3
00:00:09,470 --> 00:00:06,950
Vegas to check things out over there and

4
00:00:12,919 --> 00:00:09,480
everything's still operative except I

5
00:00:14,870 --> 00:00:12,929
was telling Joe before the show started

6
00:00:19,939 --> 00:00:14,880
Heidi they're just overloaded with fat

7
00:00:22,820 --> 00:00:19,949
people oh my goodness fat people and

8
00:00:27,589 --> 00:00:22,830
7-foot tall guys you're such a sensitive

9
00:00:31,999 --> 00:00:27,599
person that's fat they know they're fat

10
00:00:33,770 --> 00:00:32,009
I mean 300-pound moose running around up

11
00:00:34,280 --> 00:00:33,780
there I mean in other words I go every

12
00:00:36,229 --> 00:00:34,290
year

13
00:00:43,220 --> 00:00:36,239

but I mean it just was an unusual

14

00:00:47,420 --> 00:00:45,529

I'm sorry Catholic of you to say such

15

00:00:49,369 --> 00:00:47,430

thing well look if they're hippos

16

00:00:51,560 --> 00:00:49,379

they're hippos it's not my fault I

17

00:00:53,569 --> 00:00:51,570

didn't make him that way but it was

18

00:00:56,000 --> 00:00:53,579

enough that was really striking out and

19

00:00:59,330 --> 00:00:56,010

you don't say 20 Hail Marys and 10 our

20

00:01:02,420 --> 00:00:59,340

fathers for this not really he knows

21

00:01:04,759 --> 00:01:02,430

they're fat you can't be all the

22

00:01:09,170 --> 00:01:04,769

Catholic you want but fats fat I mean I

23

00:01:12,649 --> 00:01:09,180

didn't make him that way but anyhow it

24

00:01:13,910 --> 00:01:12,659

was unusual collection of folks but now

25

00:01:17,179 --> 00:01:13,920

here's some here's some hot off the

26
00:01:20,690 --> 00:01:17,189
press news from CBS News tonight the

27
00:01:24,200 --> 00:01:20,700
evil filthy Boston Red Sox we're using

28
00:01:30,160 --> 00:01:24,210
electronic eavesdropping to sneak up on

29
00:01:38,690 --> 00:01:33,920
that's headlining news with Kim Jong Il

30
00:01:42,050 --> 00:01:38,700
act and ill and this hurricane coming I

31
00:01:43,609 --> 00:01:42,060
hate the Red Sox the manatees they're

32
00:01:47,539 --> 00:01:43,619
like the ancient enemy I've been rooting

33
00:01:49,969 --> 00:01:47,549
against them for 40 or 50 years you know

34
00:01:51,590 --> 00:01:49,979
okay right up okay maybe it isn't

35
00:01:54,920 --> 00:01:51,600
top-of-the-line news but it was on CBS

36
00:01:57,530 --> 00:01:54,930
News and on that same note Heidi San

37
00:02:00,080 --> 00:01:57,540
Antonio pretty big town it's like the

38
00:02:04,940 --> 00:02:00,090

12th or 13th biggest town of country is

39

00:02:06,920 --> 00:02:04,950

out of gas all the way Wow now where I'm

40

00:02:10,900 --> 00:02:06,930

in the Fort Worth area it's okay they

41

00:02:13,400 --> 00:02:10,910

got gas but San Antonio is flat out

42

00:02:18,170 --> 00:02:13,410

that's over a million people

43

00:02:21,230 --> 00:02:18,180

it's ruff and hurricane and hurricane

44

00:02:25,810 --> 00:02:21,240

Irma which is a category 5 is steaming

45

00:02:30,590 --> 00:02:25,820

into Florida and next couple days crazy

46

00:02:32,630 --> 00:02:30,600

180 mile plus winds that's just it

47

00:02:34,700 --> 00:02:32,640

you know this this unpredictable weather

48

00:02:38,090 --> 00:02:34,710

patterns these are gonna become more

49

00:02:41,810 --> 00:02:38,100

commonplace for that imaginary foe Trump

50

00:02:43,450 --> 00:02:41,820

calls you know climate change do you

51
00:02:44,830 --> 00:02:43,460
believe in climate change I'm curious

52
00:02:50,570 --> 00:02:44,840
yes I do

53
00:02:52,070 --> 00:02:50,580
Wow Wow from the Trump line yes but

54
00:02:54,350 --> 00:02:52,080
there's things you don't understand and

55
00:02:56,450 --> 00:02:54,360
we don't understand the whole universe

56
00:02:58,880 --> 00:02:56,460
the whole solar system rather has heated

57
00:03:02,600 --> 00:02:58,890
up as they can detect temperatures on

58
00:03:08,450 --> 00:03:02,610
Venus the Neptune all of that and nobody

59
00:03:11,030 --> 00:03:08,460
knows why that is so maybe 10 years ago

60
00:03:12,460 --> 00:03:11,040
or so you'd be able to turn on the news

61
00:03:16,220 --> 00:03:12,470
and know what the weather is going to be

62
00:03:18,080 --> 00:03:16,230
now you can't depend on them for nothing

63
00:03:20,380 --> 00:03:18,090

they can't get anything right

64

00:03:22,820 --> 00:03:20,390

unless it's staring them in the face

65

00:03:26,990 --> 00:03:22,830

terribly well no here here it's pretty

66

00:03:29,720 --> 00:03:27,000

accurate honestly have a lot of changing

67

00:03:30,230 --> 00:03:29,730

yeah over here it's it's so crazy it's

68

00:03:31,520 --> 00:03:30,240

nuts

69

00:03:33,050 --> 00:03:31,530

well they're pretty good on telling you

70

00:03:34,370 --> 00:03:33,060

the rain and stuff it's gonna rain

71

00:03:37,340 --> 00:03:34,380

tomorrow that's they're usually pretty

72

00:03:39,080 --> 00:03:37,350

accurate in that not here well I mean

73

00:03:42,830 --> 00:03:39,090

every place is different every place is

74

00:03:45,650 --> 00:03:42,840

different but this could really smack

75

00:03:47,690 --> 00:03:45,660

Florida boy already to Governor Scott of

76

00:03:49,130 --> 00:03:47,700

Florida is going crazy with crap you

77

00:03:51,260 --> 00:03:49,140

know prep work and which as much as he

78

00:03:53,720 --> 00:03:51,270

can do but you got to understand Miami's

79

00:03:55,820 --> 00:03:53,730

practically underwater anyway yeah it

80

00:03:58,490 --> 00:03:55,830

doesn't take anything to swamp Miami

81

00:04:01,520 --> 00:03:58,500

I've seen four foot of water on Miami

82

00:04:05,660 --> 00:04:01,530

streets from just a tropical storm let

83

00:04:08,870 --> 00:04:05,670

alone a category 5 hurricane and you

84

00:04:11,420 --> 00:04:08,880

know it's a glug glug glug in going on

85

00:04:13,699 --> 00:04:11,430

but I wouldn't want to be an insurance

86

00:04:17,090 --> 00:04:13,709

company in this this time I really

87

00:04:19,580 --> 00:04:17,100

wouldn't you know State Farm's good all

88

00:04:22,190 --> 00:04:19,590

they must State Farm is big in Texas too

89

00:04:24,250 --> 00:04:22,200

they must just be taking a kicking butt

90

00:04:26,750 --> 00:04:24,260

of course they've got billions anyway

91

00:04:29,710 --> 00:04:26,760

but now

92

00:04:32,180 --> 00:04:29,720

Obama's little legacy this daca thing is

93

00:04:39,790 --> 00:04:32,190

a big item in the news it's been

94

00:04:43,310 --> 00:04:39,800

discussed in recent days and well it's

95

00:04:45,200 --> 00:04:43,320

you know I you know you feel for kids

96

00:04:47,120 --> 00:04:45,210

and all this wringing of hands and all

97

00:04:50,840 --> 00:04:47,130

this stuff but look look look

98

00:04:53,660 --> 00:04:50,850

you know the dreamers and all that yeah

99

00:04:55,850 --> 00:04:53,670

yeah yeah but I mean I'm I don't want

100

00:04:57,620 --> 00:04:55,860

the wish too many he'll but this is not

101
00:04:59,900 --> 00:04:57,630
a grab bag for everybody in the world to

102
00:05:02,180 --> 00:04:59,910
come grab a hunk of America and steal

103
00:05:04,700 --> 00:05:02,190
the jobs and drive the price of housing

104
00:05:08,600 --> 00:05:04,710
up and the labor down and it's it's a

105
00:05:11,540 --> 00:05:08,610
bunch of BS Heidi I mean and it's just a

106
00:05:13,250 --> 00:05:11,550
lever because if the daca kids get to

107
00:05:15,380 --> 00:05:13,260
stay here then they'll bring Uncle Leo

108
00:05:17,960 --> 00:05:15,390
over and blah blah blah blah blah you

109
00:05:19,550 --> 00:05:17,970
know I mean you don't live with all the

110
00:05:21,530 --> 00:05:19,560
immigration we have down here and I've

111
00:05:23,450 --> 00:05:21,540
got nothing against Mexicans I really

112
00:05:25,120 --> 00:05:23,460
don't but I don't care if they're

113
00:05:27,950 --> 00:05:25,130

Canadians coming in here by the

114

00:05:30,470 --> 00:05:27,960

gazillion it drives the price of housing

115

00:05:31,130 --> 00:05:30,480

up it's just it's a real it's a real

116

00:05:35,210 --> 00:05:31,140

heart issue

117

00:05:38,870 --> 00:05:35,220

I do get torn on the issue on some

118

00:05:41,120 --> 00:05:38,880

things because I mean I I understand the

119

00:05:43,340 --> 00:05:41,130

fight I understand the argument but I

120

00:05:46,970 --> 00:05:43,350

also understand what the laws are and

121

00:05:49,700 --> 00:05:46,980

it's it's a touchy subject and I've

122

00:05:53,120 --> 00:05:49,710

known people who did not know they were

123

00:05:57,680 --> 00:05:53,130

illegal and went to apply for college

124

00:05:59,990 --> 00:05:57,690

and they're told then by the way you are

125

00:06:01,550 --> 00:06:00,000

not you know and it's just like what I

126
00:06:03,710 --> 00:06:01,560
mean parents hide these things from

127
00:06:06,170 --> 00:06:03,720
these weird things could happen I'll buy

128
00:06:07,790 --> 00:06:06,180
that but it's sad there's a way there's

129
00:06:09,650 --> 00:06:07,800
a way around all this that everybody

130
00:06:12,290 --> 00:06:09,660
seems to be intentionally stupid and I

131
00:06:14,900 --> 00:06:12,300
don't know why instead of all the wall

132
00:06:19,310 --> 00:06:14,910
all the wall stuff and wringing of hands

133
00:06:20,960 --> 00:06:19,320
have a verified okay for employment if

134
00:06:24,350 --> 00:06:20,970
you don't get verified in the national

135
00:06:27,530 --> 00:06:24,360
database you're out well yeah somebody

136
00:06:28,250 --> 00:06:27,540
hired for all this because they're the

137
00:06:30,230 --> 00:06:28,260
ones employing

138
00:06:32,630 --> 00:06:30,240

people that don't have faith but exactly

139

00:06:35,060 --> 00:06:32,640

if you hire somebody that doesn't isn't

140

00:06:36,860 --> 00:06:35,070

he verified you get it one immediate

141

00:06:38,720 --> 00:06:36,870

fine of like a hundred thousand dollars

142

00:06:40,070 --> 00:06:38,730

you don't like it you do five years in

143

00:06:42,140 --> 00:06:40,080

the federal pokey

144

00:06:44,570 --> 00:06:42,150

and no parole and that that would stop

145

00:06:46,610 --> 00:06:44,580

it in the morning we would have stopped

146

00:06:47,899 --> 00:06:46,620

it a long time ago it wouldn't have been

147

00:06:49,640 --> 00:06:47,909

something everybody's talking about he

148

00:06:51,439 --> 00:06:49,650

verified everybody's talked about that

149

00:06:55,420 --> 00:06:51,449

e-verify nonsense for seven or eight

150

00:06:59,420 --> 00:06:55,430

years so what is the real problem here

151
00:07:02,420 --> 00:06:59,430
taking money from the fridge well what

152
00:07:04,580 --> 00:07:02,430
it is I hate to say this but look look

153
00:07:07,219 --> 00:07:04,590
look you have to be reasonable there's

154
00:07:08,330 --> 00:07:07,229
500 million people that live in South

155
00:07:10,369 --> 00:07:08,340
America okay

156
00:07:12,740 --> 00:07:10,379
Mexico is another hundred million in

157
00:07:15,649 --> 00:07:12,750
that 600 million they can't all jam in

158
00:07:17,980 --> 00:07:15,659
here like a frat party Heidi they can't

159
00:07:20,420 --> 00:07:17,990
I know

160
00:07:23,119 --> 00:07:20,430
well yes but everybody wants to oh the

161
00:07:25,010 --> 00:07:23,129
food dreamers well go dream in Mexico oh

162
00:07:27,999 --> 00:07:25,020
that's a country do it

163
00:07:30,830 --> 00:07:28,009

knock yourself out dream all you want I

164

00:07:32,719 --> 00:07:30,840

guarantee you Heidi if you worked out

165

00:07:36,800 --> 00:07:32,729

there Dean they would give you a cheese

166

00:07:38,839 --> 00:07:36,810

sandwich yeah I understand I understand

167

00:07:42,439 --> 00:07:38,849

argument on both sides I really do it's

168

00:07:45,200 --> 00:07:42,449

a it's a touchy one but why don't they

169

00:07:47,510 --> 00:07:45,210

pivot another way like such sake Trump

170

00:07:49,369 --> 00:07:47,520

from this position you just want to hear

171

00:07:51,709 --> 00:07:49,379

all this ass about the wall he's tied to

172

00:07:53,300 --> 00:07:51,719

that yeah yeah yeah and he doesn't want

173

00:07:55,040 --> 00:07:53,310

to hear all this ass about oh you're in

174

00:07:57,290 --> 00:07:55,050

consider the poor little dreamers

175

00:07:58,820 --> 00:07:57,300

by the way Mexico is a country

176
00:08:00,920 --> 00:07:58,830
supposedly they could go down there and

177
00:08:03,050 --> 00:08:00,930
dream or do whatever they want to do

178
00:08:05,570 --> 00:08:03,060
down here I mean I got businesses work

179
00:08:07,579 --> 00:08:05,580
do it they're moving all kinds of auto

180
00:08:09,709 --> 00:08:07,589
factory still down there go bust your

181
00:08:12,019 --> 00:08:09,719
butt at Ford factory down in New Mexico

182
00:08:15,379 --> 00:08:12,029
knock yourself out dream down there you

183
00:08:17,890 --> 00:08:15,389
know I actually asked her I said what if

184
00:08:20,240 --> 00:08:17,900
that would happen that they would move

185
00:08:22,610 --> 00:08:20,250
everybody back and I'm like well you

186
00:08:25,999 --> 00:08:22,620
guys would build up that country to be

187
00:08:27,890 --> 00:08:26,009
serious competition even more so so but

188
00:08:29,899 --> 00:08:27,900

it's yeah I don't know it's touchy it's

189

00:08:34,040 --> 00:08:29,909

a hard one it's all a bunch of BS what

190

00:08:35,899 --> 00:08:34,050

it is come on now I mean there ain't 600

191

00:08:37,459 --> 00:08:35,909

million people down those those neck the

192

00:08:39,139 --> 00:08:37,469

woods all starving in the street or you

193

00:08:41,719 --> 00:08:39,149

hear about Saul you'd ever hear about

194

00:08:43,170 --> 00:08:41,729

they're not they just want to sell more

195

00:08:46,110 --> 00:08:43,180

drugs here

196

00:08:48,720 --> 00:08:46,120

not only that's not the only business

197

00:08:52,800 --> 00:08:48,730

going on well drugs and tortillas

198

00:08:57,210 --> 00:08:52,810

oh that's just low that's low well it's

199

00:08:59,940 --> 00:08:57,220

true that's what according to you know I

200

00:09:01,500 --> 00:08:59,950

live there all that lady how listen

201
00:09:04,590 --> 00:09:01,510
we're coming up to the minute top of the

202
00:09:07,220 --> 00:09:04,600
yet or our first break we'll be right

203
00:09:11,670 --> 00:09:09,690
what's great be back to Heidi and Heidi

204
00:09:12,990 --> 00:09:11,680
before we get into the subject matter

205
00:09:15,480 --> 00:09:13,000
there was something in the American

206
00:09:18,180 --> 00:09:15,490
Airlines magazine I'll send you if I

207
00:09:20,730 --> 00:09:18,190
could get my way to do it but he's a

208
00:09:22,590 --> 00:09:20,740
really cool story this guy was like

209
00:09:24,030 --> 00:09:22,600
overseas somewhere Australia or

210
00:09:25,140 --> 00:09:24,040
somewhere and he was running across the

211
00:09:27,780 --> 00:09:25,150
desert you know some kind of

212
00:09:30,600 --> 00:09:27,790
cross-country running he does and he

213
00:09:34,260 --> 00:09:30,610

comes across a stray dog right mm-hmm

214

00:09:36,960 --> 00:09:34,270

and the dog just adopts him and the dog

215

00:09:38,220 --> 00:09:36,970

runs the whole circuit with him and he

216

00:09:46,710 --> 00:09:38,230

of course he took it home with him and

217

00:09:48,570 --> 00:09:46,720

it was really pretty cute Wow well I

218

00:09:50,130 --> 00:09:48,580

mean dog was bothered with him and by

219

00:09:51,630 --> 00:09:50,140

the time the end of the run was over the

220

00:09:53,280 --> 00:09:51,640

dog would let him but even come near him

221

00:09:56,190 --> 00:09:53,290

because it was like bonded you know

222

00:09:57,900 --> 00:09:56,200

right right that's cool would have taken

223

00:10:01,830 --> 00:09:57,910

I would have taken one of my Chihuahua's

224

00:10:03,930 --> 00:10:01,840

with me but I don't know how and I did

225

00:10:05,070 --> 00:10:03,940

see some people down there with dogs I

226

00:10:07,200 --> 00:10:05,080

never got a chance to talk them about

227

00:10:08,760 --> 00:10:07,210

how they let him take them to go do

228

00:10:12,330 --> 00:10:08,770

their business and all that I never did

229

00:10:13,860 --> 00:10:12,340

figure that out somehow they work it out

230

00:10:15,540 --> 00:10:13,870

but I didn't see where the casinos were

231

00:10:17,730 --> 00:10:15,550

set up for it but maybe down on the

232

00:10:19,500 --> 00:10:17,740

strip but then I wasn't on the strip I

233

00:10:21,350 --> 00:10:19,510

was downtown on Fremont Street so they

234

00:10:25,620 --> 00:10:21,360

must have something figured out pretty

235

00:10:27,210 --> 00:10:25,630

darn cool Wow anyway we've got an

236

00:10:31,170 --> 00:10:27,220

interesting subject matter tonight and

237

00:10:33,690 --> 00:10:31,180

it's very strange and rare guest yes a

238

00:10:42,090 --> 00:10:33,700

very well actually a very learning yes

239

00:10:44,700 --> 00:10:42,100

really quite honored to have you but

240

00:10:47,910 --> 00:10:44,710

what it is Heidi as an overall it's on

241

00:10:50,040 --> 00:10:47,920

Eucharistic miracles oh we got a roll

242

00:10:52,160 --> 00:10:50,050

out the red carpet first for this this

243

00:10:55,050 --> 00:10:52,170

crazy rare guest of ours

244

00:10:57,230 --> 00:10:55,060

yes it's Kevin cook and he's got a

245

00:11:00,270 --> 00:10:57,240

master's in theology and he's

246

00:11:05,550 --> 00:11:00,280

and he's a holy man he loves everybody

247

00:11:13,100 --> 00:11:05,560

in fact yeah he does but masters in

248

00:11:15,480 --> 00:11:13,110

theology yes oh no I do I do that road I

249

00:11:17,010 --> 00:11:15,490

don't know if you've ever said that out

250

00:11:21,600 --> 00:11:17,020

loud or just in your head

251

00:11:23,940 --> 00:11:21,610

what yeah I do have nice Wow holy

252

00:11:27,320 --> 00:11:23,950

cannoli everybody you know I wasn't

253

00:11:29,760 --> 00:11:27,330

ordained Anglican deacon at one time Wow

254

00:11:32,190 --> 00:11:29,770

and well I knew that you did something

255

00:11:35,070 --> 00:11:32,200

that was of the church but then you fell

256

00:11:37,920 --> 00:11:35,080

away and went like rogue or something

257

00:11:39,750 --> 00:11:37,930

when you moved I just became everybody

258

00:11:42,320 --> 00:11:39,760

ought to be I mean it's have to be

259

00:11:45,000 --> 00:11:42,330

bonkers to do anything else but I mean

260

00:11:46,770 --> 00:11:45,010

once you learn learn all this and that's

261

00:11:48,510 --> 00:11:46,780

why I speak of the Eucharistic miracles

262

00:11:51,510 --> 00:11:48,520

thing because Heidi this is as real as

263

00:11:52,800 --> 00:11:51,520

to handle them in your arm and I you

264

00:11:54,780 --> 00:11:52,810

know of course I've spoken on other

265

00:11:57,480 --> 00:11:54,790

issues like we have the guy on the

266

00:12:01,110 --> 00:11:57,490

Shroud of Turin and russ berrie all few

267

00:12:02,640 --> 00:12:01,120

weeks back and and there's a lot of

268

00:12:04,740 --> 00:12:02,650

really proven stuff and of course of

269

00:12:07,410 --> 00:12:04,750

many times I've mentioned the film of

270

00:12:10,530 --> 00:12:07,420

Juan Diego that's you know image of Mary

271

00:12:12,210 --> 00:12:10,540

that's on display at the Basilica of

272

00:12:14,040 --> 00:12:12,220

Guadalupe and it's been subject to

273

00:12:17,420 --> 00:12:14,050

testing it's Sandia Labs and all this

274

00:12:18,990 --> 00:12:17,430

and it's it is a miraculous

275

00:12:22,650 --> 00:12:19,000

representation there's no way to

276

00:12:27,770 --> 00:12:22,660

replicate it and the Eucharistic miracle

277

00:12:34,380 --> 00:12:31,650

because it's I mean it's it is to me

278

00:12:37,140 --> 00:12:34,390

this is pretty cool it is pretty cool

279

00:12:38,670 --> 00:12:37,150

and what I thought the first part of the

280

00:12:41,190 --> 00:12:38,680

show I thought I would give a little bit

281

00:12:43,410 --> 00:12:41,200

of rundown into some of the older wants

282

00:12:46,320 --> 00:12:43,420

to show how far back these things you

283

00:12:48,960 --> 00:12:46,330

know go and you know buy five of the old

284

00:12:52,680 --> 00:12:48,970

ones and then five of the the current

285

00:12:55,530 --> 00:12:52,690

ones the last 25 years and the first one

286

00:12:58,920 --> 00:12:55,540

I had was and the miracle of Lanciano

287

00:13:03,890 --> 00:12:58,930

that la NCI and o is from the 8th

288

00:13:06,660 --> 00:13:03,900

century and a priest in Lanciano Italy

289

00:13:08,640 --> 00:13:06,670

was actually experiencing doubts about

290

00:13:09,929 --> 00:13:08,650

the real presence of Jesus and the and

291

00:13:13,259 --> 00:13:09,939

the Eucharist

292

00:13:18,839 --> 00:13:13,269

and saying in the mass this is my body

293

00:13:21,269 --> 00:13:18,849

this is my blood etc and he actually saw

294

00:13:24,299 --> 00:13:21,279

the bread and wine transform into real

295

00:13:28,049 --> 00:13:24,309

flesh and blood the wine coagulated two

296

00:13:29,519 --> 00:13:28,059

five globules and said later to be

297

00:13:32,729 --> 00:13:29,529

representative of the five wounds of

298

00:13:35,219 --> 00:13:32,739

Christ and you know word of the miracle

299

00:13:37,229 --> 00:13:35,229

spread the local Archbishop even then

300

00:13:39,689 --> 00:13:37,239

you know launched investigation and the

301

00:13:41,099 --> 00:13:39,699

church did approve the miracle now

302

00:13:45,509 --> 00:13:41,109

interestingly the flesh is still

303

00:13:48,089 --> 00:13:45,519

preserved to this day Wow a professor of

304

00:13:51,029 --> 00:13:48,099

anatomy I'm not very good at Italian

305

00:13:52,259 --> 00:13:51,039

pronunciations but adored adored Oh

306

00:13:54,509 --> 00:13:52,269

lenola

307

00:13:57,569 --> 00:13:54,519

conducted a scientific analysis of the

308

00:14:00,569 --> 00:13:57,579

flesh in 1971 and concluded the flesh

309

00:14:02,519 --> 00:14:00,579

was cardiac cardiac tissue the blood

310

00:14:04,829 --> 00:14:02,529

appeared to be fresh blood as opposed to

311

00:14:06,179 --> 00:14:04,839

blood that was you know you know old and

312

00:14:09,269 --> 00:14:06,189

there was no trace of preserved it's

313

00:14:11,099 --> 00:14:09,279

neither and you could visit this at the

314

00:14:14,369 --> 00:14:11,109

Church of San Francisco at lanciano

315

00:14:16,529 --> 00:14:14,379

Italy to this day wow that's amazing

316

00:14:19,439 --> 00:14:16,539

see that's the thing these are not

317

00:14:21,239 --> 00:14:19,449

hidden in a monastery somewhere and you

318

00:14:22,229 --> 00:14:21,249

know nobody knows what happened to it or

319

00:14:25,710 --> 00:14:22,239

you know any of this double talk

320

00:14:28,859 --> 00:14:25,720

nonsense this is available today that

321

00:14:32,369 --> 00:14:28,869

dates from the 8th century and then the

322

00:14:35,839 --> 00:14:32,379

second one was the Corporal of ball C no

323

00:14:43,019 --> 00:14:35,849

ball Sina and this was also an Italian

324

00:14:44,369 --> 00:14:43,029

event and well basically it's on display

325

00:14:48,329 --> 00:14:44,379

in that city as well

326

00:14:51,329 --> 00:14:48,339

but I mean these are issues they're real

327

00:14:55,259 --> 00:14:51,339

issues and there's another Italian one

328

00:14:59,879 --> 00:14:55,269

go ahead I mean have these things been

329

00:15:03,659 --> 00:14:59,889

any of them been tested for say DNA yes

330

00:15:07,219 --> 00:15:03,669

yes they have they have just like well

331

00:15:09,899 --> 00:15:07,229

we'll get into that as a gallops okay

332

00:15:11,819 --> 00:15:09,909

third there's the hosts of Siena Italy

333

00:15:15,379 --> 00:15:11,829

something out can pronounce at least and

334

00:15:17,939 --> 00:15:15,389

this was on August 14 1730

335

00:15:19,559 --> 00:15:17,949

the Catholics of Siena Italy were

336

00:15:22,019 --> 00:15:19,569

attending a special festival on the eve

337

00:15:23,040 --> 00:15:22,029

of the Feast of the Assumption geez

338

00:15:25,259 --> 00:15:23,050

under the church

339

00:15:27,810 --> 00:15:25,269

Oh st. Francis stole a golden ciborium

340

00:15:30,230 --> 00:15:27,820

where they keep the wafers and it

341

00:15:32,850 --> 00:15:30,240

contained hundreds of consecrated hosts

342

00:15:34,050 --> 00:15:32,860

two days later somebody noticed

343

00:15:36,690 --> 00:15:34,060

something white protruding from the

344

00:15:38,070 --> 00:15:36,700

offering box another Church pretty soap

345

00:15:40,530 --> 00:15:38,080

in the box and found the missing host

346

00:15:43,410 --> 00:15:40,540

inside and tangled in cobwebs and dirt I

347

00:15:44,970 --> 00:15:43,420

don't know why knows but after being

348

00:15:47,490 --> 00:15:44,980

cleaned as much as possible the hosts

349

00:15:49,199 --> 00:15:47,500

were paid anew in a new ciborium and

350

00:15:52,500 --> 00:15:49,209

taken back to the church for prayers of

351
00:15:55,620 --> 00:15:52,510
reparation generation but that's about

352
00:15:57,449 --> 00:15:55,630
all that happened the hosts were dirty

353
00:16:00,750 --> 00:15:57,459
and of course they couldn't feed them to

354
00:16:03,690 --> 00:16:00,760
people and mass so they were gonna let

355
00:16:05,910 --> 00:16:03,700
them simply deteriorate and over the

356
00:16:07,769 --> 00:16:05,920
next few decades everyone was amazed to

357
00:16:10,710 --> 00:16:07,779
see the hosts did not deteriorate but

358
00:16:12,810 --> 00:16:10,720
actually appeared fresh now here's the

359
00:16:13,500 --> 00:16:12,820
kicker the hosts remain in this state

360
00:16:16,230 --> 00:16:13,510
today

361
00:16:19,530 --> 00:16:16,240
two hundred and eighty-five years later

362
00:16:24,050 --> 00:16:19,540
and can still be seen now at the

363
00:16:30,960 --> 00:16:29,340

they've not deteriorate it gets spicier

364

00:16:34,889 --> 00:16:30,970

than that but this is just these older

365

00:16:37,410 --> 00:16:34,899

ones right now there was one that

366

00:16:38,760 --> 00:16:37,420

happened at the miracle of oh my

367

00:16:41,639 --> 00:16:38,770

goodness these are some mouth breaking

368

00:16:47,420 --> 00:16:41,649

names oh here we go

369

00:16:50,870 --> 00:16:47,430

sure Atacama India that's that's like

370

00:16:53,610 --> 00:16:50,880

that's so not easiest thing say and

371

00:16:57,329 --> 00:16:53,620

there was egoistic adoration st. Mary's

372

00:17:00,510 --> 00:16:57,339

Parish and three red stains materialized

373

00:17:01,920 --> 00:17:00,520

on the host the priest didn't know what

374

00:17:04,919 --> 00:17:01,930

to do when he placed the host back in

375

00:17:06,630 --> 00:17:04,929

the tabernacle a few days later he

376

00:17:08,069 --> 00:17:06,640

retrieved the host to examine it again

377

00:17:10,620 --> 00:17:08,079

and the red stains had arranged

378

00:17:14,240 --> 00:17:10,630

themselves and I'm looking at the photo

379

00:17:17,340 --> 00:17:14,250

right now to look like the face of Jesus

380

00:17:20,460 --> 00:17:17,350

he quickly found a photographer and he

381

00:17:24,710 --> 00:17:20,470

folded the host and they're also

382

00:17:27,540 --> 00:17:24,720

available for you know I'm viewing and

383

00:17:29,070 --> 00:17:27,550

now here's the fifth older one that the

384

00:17:31,610 --> 00:17:29,080

other was that's really new and but

385

00:17:33,690 --> 00:17:31,620

here's the these are like the lesser

386

00:17:35,690 --> 00:17:33,700

examples then we'll deal with the real

387

00:17:38,450 --> 00:17:35,700

specific and thoroughgoing

388

00:17:41,919 --> 00:17:38,460

samples okay Eucharistic miracle of

389

00:17:46,879 --> 00:17:41,929

Santarem from the 13th century and

390

00:17:48,950 --> 00:17:46,889

portugal and a woman was living in San

391

00:17:50,210 --> 00:17:48,960

Tara and Portugal the 13th century and

392

00:17:53,060 --> 00:17:50,220

was distressed that her husband was

393

00:17:54,799 --> 00:17:53,070

unfaithful to her and she decided to

394

00:17:56,240 --> 00:17:54,809

consult a sorceress for help and the

395

00:18:00,409 --> 00:17:56,250

sorceress told her the price of her

396

00:18:01,789 --> 00:18:00,419

services was a consecrated host she she

397

00:18:03,500 --> 00:18:01,799

went to Mass the church is saying

398

00:18:04,940 --> 00:18:03,510

Stephen received the Eucharist on her

399

00:18:07,009 --> 00:18:04,950

tongue removed the Eucharist from her

400

00:18:09,740 --> 00:18:07,019

mouth wrapped it in her veil headed to

401
00:18:15,379 --> 00:18:09,750
the door of the church before she got

402
00:18:18,289 --> 00:18:15,389
out the host began to bleed okay alright

403
00:18:20,840 --> 00:18:18,299
now when she got home she put the

404
00:18:24,129 --> 00:18:20,850
bloodied host of that trunk that night a

405
00:18:26,840 --> 00:18:24,139
miraculous light emanated from the trunk

406
00:18:28,430 --> 00:18:26,850
she repented of what she had done and

407
00:18:30,110 --> 00:18:28,440
the next morning confessed to her priest

408
00:18:33,169 --> 00:18:30,120
but priest came and retrieved the host

409
00:18:34,879 --> 00:18:33,179
and took it back to the church after an

410
00:18:36,200 --> 00:18:34,889
investigation approval of the miracle

411
00:18:38,060 --> 00:18:36,210
Church was renamed church of the holy

412
00:18:42,139 --> 00:18:38,070
miracle the bloody host remains on

413
00:18:48,529 --> 00:18:42,149

display to this day so these are all

414

00:18:51,110 --> 00:18:48,539

like Catholic recognized miracles yes

415

00:18:53,629 --> 00:18:51,120

they are like and that's not even the

416

00:18:55,490 --> 00:18:53,639

five ones yeah Wow

417

00:18:58,009 --> 00:18:55,500

we'll see yeah I understand the one

418

00:19:01,279 --> 00:18:58,019

thing the one thing I will say bucket

419

00:19:03,710 --> 00:19:01,289

solecism is there the most exhausting

420

00:19:10,129 --> 00:19:03,720

Devils when it comes to investigating

421

00:19:12,669 --> 00:19:10,139

something right for example well O Lord

422

00:19:15,019 --> 00:19:12,679

mercy met you gory is still there still

423

00:19:18,259 --> 00:19:15,029

wrestling with that after all these many

424

00:19:20,539 --> 00:19:18,269

years and that that apparition that was

425

00:19:24,500 --> 00:19:20,549

just approved Our Lady of good help in

426

00:19:26,539 --> 00:19:24,510

Wisconsin it took again several decades

427

00:19:29,029 --> 00:19:26,549

to finally come to grips with in other

428

00:19:32,080 --> 00:19:29,039

words they do not approve things willy

429

00:19:34,340 --> 00:19:32,090

nilly they do not and if look I wrote

430

00:19:36,139 --> 00:19:34,350

I'm interrupted the book I wrote married

431

00:19:38,899 --> 00:19:36,149

a person is a real there's like 2,000

432

00:19:41,269 --> 00:19:38,909

different mentions the International

433

00:19:43,759 --> 00:19:41,279

Marion research has to evaporation the

434

00:19:46,390 --> 00:19:43,769

events that they've looked into and only

435

00:19:50,110 --> 00:19:46,400

13 have been approved

436

00:19:52,420 --> 00:19:50,120

out of a couple fouls do you think that

437

00:19:54,940 --> 00:19:52,430

maybe that might be limiting some of the

438

00:19:59,890 --> 00:19:54,950

knowledge out there of other miracles

439

00:20:01,740 --> 00:19:59,900

because they scrutinize so much and you

440

00:20:05,370 --> 00:20:01,750

know sometimes when you're looking at

441

00:20:09,490 --> 00:20:05,380

and many witnesses you gotta wonder like

442

00:20:11,770 --> 00:20:09,500

my goodness well I agree with you Heidi

443

00:20:14,620 --> 00:20:11,780

I mean I have to agree you have to be

444

00:20:21,160 --> 00:20:14,630

realistic I mean even the FBI has to get

445

00:20:22,510 --> 00:20:21,170

on with it sometime but you know well if

446

00:20:24,940 --> 00:20:22,520

all I'm saying

447

00:20:26,830 --> 00:20:24,950

may be yes they air too much on the side

448

00:20:28,780 --> 00:20:26,840

of caution I'll certainly admit that to

449

00:20:31,390 --> 00:20:28,790

take decades and decades to come to a

450

00:20:35,100 --> 00:20:31,400

conclusion and you're your own you know

451

00:20:38,230 --> 00:20:35,110

I think individuals who have experienced

452

00:20:39,880 --> 00:20:38,240

miracles like you have even you know

453

00:20:42,580 --> 00:20:39,890

little little ones here and there you're

454

00:20:44,380 --> 00:20:42,590

like wow if people and only understood

455

00:20:47,020 --> 00:20:44,390

the magnitude of what I just experienced

456

00:20:49,390 --> 00:20:47,030

oh you want to change things and there's

457

00:20:50,950 --> 00:20:49,400

so much out there so much other well

458

00:20:53,380 --> 00:20:50,960

there is I've expressed I've mentioned

459

00:20:56,740 --> 00:20:53,390

before you privately and and sometimes

460

00:20:58,570 --> 00:20:56,750

to others is that I've experienced half

461

00:21:00,670 --> 00:20:58,580

a dozen or ten miracles it's st.

462

00:21:04,600 --> 00:21:00,680

Elizabeth's here and I talked to my

463

00:21:05,890 --> 00:21:04,610

priest all the time and you know I've

464

00:21:07,360 --> 00:21:05,900

mentioned to him you said Kevin don't

465

00:21:08,710 --> 00:21:07,370

feel like The Lone Ranger it happens all

466

00:21:11,770 --> 00:21:08,720

the time around here and it really does

467

00:21:13,780 --> 00:21:11,780

it's not you know that I'm all that holy

468

00:21:16,330 --> 00:21:13,790

or anything it's just that it happens

469

00:21:18,070 --> 00:21:16,340

when you're devout Catholic and now I

470

00:21:19,450 --> 00:21:18,080

did talk this one gal was devout

471

00:21:21,160 --> 00:21:19,460

Catholics I've been a Catholic all my

472

00:21:23,320 --> 00:21:21,170

ear all my life and I never anything

473

00:21:27,160 --> 00:21:23,330

like that but you know she may be a

474

00:21:28,990 --> 00:21:27,170

pickle - no what I'm saying is she's a

475

00:21:33,190 --> 00:21:29,000

good-looking pickle well but what I'm

476
00:21:34,600 --> 00:21:33,200
saying is it does happen a lot and even

477
00:21:36,160 --> 00:21:34,610
when I had that chill that went through

478
00:21:37,570 --> 00:21:36,170
me the first time I was going through

479
00:21:39,970 --> 00:21:37,580
the study course to become a Catholic

480
00:21:41,680 --> 00:21:39,980
and I crossed myself with holy water the

481
00:21:45,280 --> 00:21:41,690
first two times felt chill go through my

482
00:21:46,960 --> 00:21:45,290
torso I told the deacon that he said keV

483
00:21:48,220 --> 00:21:46,970
that happens all the time around here in

484
00:21:49,630 --> 00:21:48,230
other words these weren't these weren't

485
00:21:52,690 --> 00:21:49,640
being flippant about it it's just a

486
00:21:55,120 --> 00:21:52,700
common thing and father Gary my priest

487
00:21:58,810 --> 00:21:55,130
he said that's it's common as sneezin

488
00:21:59,420 --> 00:21:58,820

around there so it's even first not nan

489

00:22:02,420 --> 00:21:59,430

calf

490

00:22:05,600 --> 00:22:02,430

we experience some things too and yeah

491

00:22:08,540 --> 00:22:05,610

just think that the presence of God is

492

00:22:11,300 --> 00:22:08,550

so much more than people realize because

493

00:22:15,260 --> 00:22:11,310

well the church did acknowledge it 100%

494

00:22:17,120 --> 00:22:15,270

you know it's like oh I don't even

495

00:22:19,910 --> 00:22:17,130

mention some of the smaller things that

496

00:22:22,700 --> 00:22:19,920

happened because it's maybe not dramatic

497

00:22:25,190 --> 00:22:22,710

enough to intrigue was the audience or

498

00:22:28,040 --> 00:22:25,200

whatever but I'm you know for whatever

499

00:22:32,140 --> 00:22:28,050

it's worth God does love me and you know

500

00:22:35,570 --> 00:22:32,150

miserable old curmudgeon than I am and

501
00:22:37,880 --> 00:22:35,580
and I I get little hunches sometimes and

502
00:22:41,840 --> 00:22:37,890
they're almost invariably you know

503
00:22:43,610 --> 00:22:41,850
positive and reassuring and the best one

504
00:22:45,710 --> 00:22:43,620
I had personally really at the church

505
00:22:47,270 --> 00:22:45,720
was the one where I had that grieving

506
00:22:48,350 --> 00:22:47,280
feeling for a guy that was like a second

507
00:22:53,210 --> 00:22:48,360
father to me I mentioned to you before

508
00:22:55,100 --> 00:22:53,220
and I mentioned that my my priest and he

509
00:22:56,510 --> 00:22:55,110
said certainly Kevin you must not think

510
00:22:58,490 --> 00:22:56,520
that was a coincidence something you're

511
00:22:59,540 --> 00:22:58,500
not that's thick-headed you know you

512
00:23:01,670 --> 00:22:59,550
have to be hit over the head with a

513
00:23:04,190 --> 00:23:01,680

hammer I mean it was just kind of a

514

00:23:06,350 --> 00:23:04,200

reassuring thing that there's more to

515

00:23:10,160 --> 00:23:06,360

this than just the you know the gravel

516

00:23:13,940 --> 00:23:10,170

and the parking lot and all that and it

517

00:23:16,310 --> 00:23:13,950

is reassuring it really is but the I do

518

00:23:18,170 --> 00:23:16,320

think yes the church is a little too

519

00:23:21,260 --> 00:23:18,180

conservative with these things but if

520

00:23:25,550 --> 00:23:21,270

okay I've always wanted to write a book

521

00:23:27,620 --> 00:23:25,560

on initial experiences upon entering the

522

00:23:31,040 --> 00:23:27,630

Catholic Church like I did you know many

523

00:23:32,660 --> 00:23:31,050

years ago and unfortunately catholic

524

00:23:34,840 --> 00:23:32,670

digest it used to be cloud like their

525

00:23:37,360 --> 00:23:34,850

version of Reader's Digest is kind of

526

00:23:40,520 --> 00:23:37,370

you know with magazines gone by the way

527

00:23:41,960 --> 00:23:40,530

you know like many magazines have but I

528

00:23:43,700 --> 00:23:41,970

was going to put that in there and I was

529

00:23:45,590 --> 00:23:43,710

going to get people that were are CIA

530

00:23:48,740 --> 00:23:45,600

graduates you know from the entry

531

00:23:50,150 --> 00:23:48,750

program that have experiences like how I

532

00:23:53,120 --> 00:23:50,160

had that are kind of like spiritual

533

00:23:55,100 --> 00:23:53,130

Pat's on the head if you will and idea I

534

00:23:58,580 --> 00:23:55,110

could write a book 500 pages long on

535

00:24:01,160 --> 00:23:58,590

those I just don't know how to have

536

00:24:04,820 --> 00:24:01,170

access to that info like catholic digest

537

00:24:06,800 --> 00:24:04,830

would have been but I guarantee you I

538

00:24:09,410 --> 00:24:06,810

could Heidi I mean story after story

539

00:24:11,660 --> 00:24:09,420

after story I mean hundreds of them and

540

00:24:13,100 --> 00:24:11,670

I know there were a couple of the people

541

00:24:16,730 --> 00:24:13,110

that were in my class that I did

542

00:24:19,070 --> 00:24:16,740

graduate from that did have similar kind

543

00:24:21,080 --> 00:24:19,080

of uplifting experiences and you know

544

00:24:22,370 --> 00:24:21,090

I'm not trying to be a creep about it

545

00:24:25,010 --> 00:24:22,380

I'm not saying it doesn't happen in

546

00:24:26,750 --> 00:24:25,020

other churches and all that but it sure

547

00:24:29,090 --> 00:24:26,760

didn't happen the Episcopal Church I was

548

00:24:32,780 --> 00:24:29,100

connected with or the Methodists either

549

00:24:35,780 --> 00:24:32,790

boy I mean I'm not saying it didn't you

550

00:24:37,760 --> 00:24:35,790

know but it didn't to me and it's as

551

00:24:39,890 --> 00:24:37,770

common as dust on the road in the

552

00:24:44,270 --> 00:24:39,900

Catholic Church so for whatever that's

553

00:24:45,770 --> 00:24:44,280

worth I do think you know I will say

554

00:24:47,120 --> 00:24:45,780

this I do think there's a degree of

555

00:24:49,659 --> 00:24:47,130

devotion in the Catholic Church you

556

00:24:51,770 --> 00:24:49,669

don't find in some other denominations I

557

00:24:55,039 --> 00:24:51,780

don't think that's true

558

00:24:57,770 --> 00:24:55,049

I mean it's everybody's don't know the

559

00:24:59,690 --> 00:24:57,780

hearts of the people well I mean I just

560

00:25:02,000 --> 00:24:59,700

see people at daily Mass that you don't

561

00:25:03,830 --> 00:25:02,010

usually see anywhere else but hey right

562

00:25:04,970 --> 00:25:03,840

you know I can't let hairs because I

563

00:25:06,980 --> 00:25:04,980

don't have access to all the information

564

00:25:08,299 --> 00:25:06,990

but right about at the bottom of the

565

00:25:10,250 --> 00:25:08,309

hour break and when we come back we'll

566

00:25:14,710 --> 00:25:10,260

talk about the five very well

567

00:25:19,010 --> 00:25:14,720

scientifically studied examples

568

00:25:20,960 --> 00:25:19,020

be back with Heidi and Heidi the the

569

00:25:26,690 --> 00:25:20,970

other five that were all from the last

570

00:25:31,190 --> 00:25:26,700

25 years are pretty well scientifically

571

00:25:34,250 --> 00:25:31,200

studied and now most of my scientific

572

00:25:37,870 --> 00:25:34,260

preparation I had in college was in

573

00:25:42,620 --> 00:25:37,880

physics or electronics it wasn't in

574

00:25:45,110 --> 00:25:42,630

anything medically oriented but I was

575

00:25:48,620 --> 00:25:45,120

interested in other things and those

576

00:25:51,610 --> 00:25:48,630

times but there's some really good

577

00:25:54,260 --> 00:25:51,620

Eucharistic miracles in last 25 years

578

00:25:57,590 --> 00:25:54,270

one of them Heidi was the parish of st.

579

00:26:03,440 --> 00:25:57,600

Mary and Buenos Aires Argentina mm-hmm

580

00:26:05,960 --> 00:26:03,450

and this was actually had Pope Francis

581

00:26:08,480 --> 00:26:05,970

was at the time the Archbishop of that

582

00:26:09,230 --> 00:26:08,490

area that it had occurred it happened in

583

00:26:13,549 --> 00:26:09,240

96

584

00:26:14,990 --> 00:26:13,559

and you had bleeding a host a host

585

00:26:18,740 --> 00:26:15,000

started bleeding when it was consecrated

586

00:26:23,419 --> 00:26:18,750

that's the wafer and part of it became

587

00:26:25,990 --> 00:26:23,429

human tissue oh gosh no vagues they

588

00:26:27,110 --> 00:26:26,000

submitted this to you know extensive

589

00:26:28,999 --> 00:26:27,120

examined

590

00:26:31,399 --> 00:26:29,009

this wasn't just you know a couple guys

591

00:26:35,090 --> 00:26:31,409

in the back room I mean really you know

592

00:26:39,730 --> 00:26:35,100

it's 96 it isn't like you know 1806 or

593

00:26:43,389 --> 00:26:39,740

anything and it was an upon examination

594

00:26:45,590 --> 00:26:43,399

it belonged to a person in intense pain

595

00:26:49,279 --> 00:26:45,600

having trouble breathing they could tell

596

00:26:52,489 --> 00:26:49,289

that from the tissue and the tissue

597

00:26:55,369 --> 00:26:52,499

showed signs of being alive and here's

598

00:26:59,269 --> 00:26:55,379

the evidence of it was intact white

599

00:27:00,830 --> 00:26:59,279

blood cells oh my god Wow see I didn't

600

00:27:02,960 --> 00:27:00,840

know all about medicine I like I said

601
00:27:05,060 --> 00:27:02,970
enough medicine stick and a thimble but

602
00:27:07,369 --> 00:27:05,070
evidently white blood cells cannot exist

603
00:27:11,779 --> 00:27:07,379
in tissue over 15 minutes outside the

604
00:27:15,889 --> 00:27:11,789
body and now this is heavy weight stuff

605
00:27:19,789 --> 00:27:15,899
here yeah and and then it goes on from

606
00:27:23,330 --> 00:27:19,799
there they had the parish of st.

607
00:27:26,389 --> 00:27:23,340
Martin's of Tours in 2006 and and here

608
00:27:30,379 --> 00:27:26,399
we go text a lot Mexico boy I'm getting

609
00:27:32,600 --> 00:27:30,389
a linguistic language lesson tonight see

610
00:27:35,350 --> 00:27:32,610
all I remember from high school was I

611
00:27:38,680 --> 00:27:35,360
was in love with this French teacher and

612
00:27:43,039 --> 00:27:38,690
certain other accoutrement she had I

613
00:27:44,389 --> 00:27:43,049

thought no great linguist but which is

614

00:27:47,600 --> 00:27:44,399

too bad because you know my grandfather

615

00:27:50,570 --> 00:27:47,610

spoke 10 languages that's wow that's

616

00:27:54,830 --> 00:27:50,580

wild that's a lot but I I missed out on

617

00:27:57,430 --> 00:27:54,840

that but anyhow the host that was

618

00:28:02,419 --> 00:27:57,440

distributing at st. Martin's of Tours

619

00:28:04,399 --> 00:28:02,429

was showing red red marks on it they

620

00:28:07,509 --> 00:28:04,409

submitted to two studies of forensic

621

00:28:10,220 --> 00:28:07,519

experts using different methods that

622

00:28:11,810 --> 00:28:10,230

showed the blood coming from inside the

623

00:28:15,049 --> 00:28:11,820

host as opposed to just something you

624

00:28:17,359 --> 00:28:15,059

dollop Don on them or something now here

625

00:28:20,149 --> 00:28:17,369

is more than it he gets gritty the blood

626

00:28:21,980 --> 00:28:20,159

type was a B+ the same type as other

627

00:28:28,249 --> 00:28:21,990

Eucharistic miracles and the Shroud of

628

00:28:32,029 --> 00:28:28,259

Turin oh wow 2010 cops right go ahead

629

00:28:36,909 --> 00:28:32,039

well I'm just curious with these

630

00:28:39,919 --> 00:28:36,919

literally like physical things that are

631

00:28:42,049 --> 00:28:39,929

manifesting in front of people are they

632

00:28:46,110 --> 00:28:42,059

like pill

633

00:28:47,760 --> 00:28:46,120

towards these things to seek miracles or

634

00:28:50,399 --> 00:28:47,770

miracles being reported oh no these are

635

00:28:52,740 --> 00:28:50,409

just people no no these well I don't

636

00:28:55,230 --> 00:28:52,750

know about ancillary miracles but I mean

637

00:28:56,700 --> 00:28:55,240

the people that are the exam examining

638

00:28:58,289 --> 00:28:56,710

this or just people like a priest you

639

00:28:59,789 --> 00:28:58,299

know giving out the hosts I mean going

640

00:29:02,880 --> 00:28:59,799

through the normal service I mean isn't

641

00:29:04,470 --> 00:29:02,890

but they keep these things like you said

642

00:29:07,440 --> 00:29:04,480

you could still go and visit some of

643

00:29:09,779 --> 00:29:07,450

these and it's like whoa oh yes yes to

644

00:29:12,409 --> 00:29:09,789

seek a miracle for themselves as well

645

00:29:14,370 --> 00:29:12,419

some are some are but most of these

646

00:29:15,899 --> 00:29:14,380

originated just in a regular church

647

00:29:19,970 --> 00:29:15,909

service see that's all I'm saying

648

00:29:22,909 --> 00:29:19,980

right like reported miracles in

649

00:29:25,980 --> 00:29:22,919

association with these miracles you know

650

00:29:28,919 --> 00:29:25,990

yes there have I don't have

651
00:29:31,110 --> 00:29:28,929
and also not listed in this five I was

652
00:29:35,250 --> 00:29:31,120
going through but there was a very

653
00:29:38,850 --> 00:29:35,260
famous apparition with Maria Esperanza

654
00:29:43,919 --> 00:29:38,860
it was in Battaglia and South America

655
00:29:45,510 --> 00:29:43,929
and they as well and they this went on

656
00:29:47,190 --> 00:29:45,520
for a period of years where there were

657
00:29:51,060 --> 00:29:47,200
visions of the Virgin Mary and

658
00:29:53,580 --> 00:29:51,070
apparitions and during some of these

659
00:29:57,720 --> 00:29:53,590
apparitional events they had the hosts

660
00:29:59,340 --> 00:29:57,730
would glow red and and there were many

661
00:30:00,990 --> 00:29:59,350
miracles connected with that you know

662
00:30:03,690 --> 00:30:01,000
cures from this that or the other I mean

663
00:30:06,570 --> 00:30:03,700

the whole look up Maria Esperanza on

664

00:30:08,960 --> 00:30:06,580

Google and it'll show a whole botanial

665

00:30:11,070 --> 00:30:08,970

it'll show a whole pot pourri of

666

00:30:13,680 --> 00:30:11,080

miraculous events that happened - and

667

00:30:16,980 --> 00:30:13,690

you know of course it Lourdes there's a

668

00:30:18,510 --> 00:30:16,990

very excellent I mean excellent I don't

669

00:30:20,399 --> 00:30:18,520

mean anything half-baked about it

670

00:30:22,730 --> 00:30:20,409

medical department that's connected with

671

00:30:24,990 --> 00:30:22,740

Lourdes that investigates all the

672

00:30:28,799 --> 00:30:25,000

alleged cures and there had been some

673

00:30:30,360 --> 00:30:28,809

cures that were just oh hi ll going back

674

00:30:32,190 --> 00:30:30,370

forever that had just been like

675

00:30:34,200 --> 00:30:32,200

dumbfounding I mean people that were

676

00:30:35,340 --> 00:30:34,210

crippled for thirty years and they go to

677

00:30:38,430 --> 00:30:35,350

Lourdes and they throw their crutches

678

00:30:40,590 --> 00:30:38,440

away and I mean this is not and this is

679

00:30:42,600 --> 00:30:40,600

not me making it up or anything else I

680

00:30:44,370 --> 00:30:42,610

mean it's a matter of fact a lot of

681

00:30:45,840 --> 00:30:44,380

times you'll see that at these places

682

00:30:49,769 --> 00:30:45,850

like Lourdes you'll see the crutches

683

00:30:52,950 --> 00:30:49,779

they left I think that that's so

684

00:30:54,340 --> 00:30:52,960

fascinating to me I love those types of

685

00:30:57,460 --> 00:30:54,350

stories loving

686

00:30:59,350 --> 00:30:57,470

all wits is true is as true gets and I

687

00:31:01,029 --> 00:30:59,360

mean Heidi there's people like I say

688

00:31:03,279 --> 00:31:01,039

that have been wheelchair ridden for

689

00:31:05,980 --> 00:31:03,289

what a couple decades and gone and

690

00:31:09,070 --> 00:31:05,990

walked out of there I mean this is not

691

00:31:11,830 --> 00:31:09,080

and remissions of cancer when they were

692

00:31:14,169 --> 00:31:11,840

at the best door from it I mean I mean

693

00:31:17,230 --> 00:31:14,179

this is not you know hocus-pocus stuff

694

00:31:19,629 --> 00:31:17,240

this is for real deal we have something

695

00:31:22,240 --> 00:31:19,639

like that in Wisconsin called Holy Hill

696

00:31:24,850 --> 00:31:22,250

and you'll find crutches and wheelchairs

697

00:31:27,999 --> 00:31:24,860

where people just came healed and and

698

00:31:30,549 --> 00:31:28,009

leave it oh yeah I mean that's been well

699

00:31:33,669 --> 00:31:30,559

reputed and I mean this is good stuff

700

00:31:37,060 --> 00:31:33,679

this is uplifting stuff and I don't care

701
00:31:40,060 --> 00:31:37,070
all these goateed pulling uh supposed to

702
00:31:41,950 --> 00:31:40,070
know what all professors looki you get

703
00:31:44,950 --> 00:31:41,960
smacked in the faces you have by these

704
00:31:46,960 --> 00:31:44,960
things and I have and are you know all

705
00:31:48,399 --> 00:31:46,970
the little MS degrees and physics make

706
00:31:52,480 --> 00:31:48,409
about as much difference as a coca-cola

707
00:31:54,310 --> 00:31:52,490
can I mean you know come on I mean this

708
00:31:56,080 --> 00:31:54,320
is so when something I will say this to

709
00:31:58,210 --> 00:31:56,090
the audience and Heidi can verify the

710
00:32:02,190 --> 00:31:58,220
same when you're faced with this kind of

711
00:32:05,590 --> 00:32:02,200
demonstrable vision of the holy

712
00:32:08,440 --> 00:32:05,600
everything else is like so much dust I

713
00:32:11,310 --> 00:32:08,450

mean you know and all the suppose that

714

00:32:14,169 --> 00:32:11,320

knowledge all these people yeah yeah

715

00:32:15,700 --> 00:32:14,179

long I mean it leaves you in the dust is

716

00:32:17,590 --> 00:32:15,710

what it does it's awesome it's

717

00:32:21,700 --> 00:32:17,600

awe-inspiring is what it is it really is

718

00:32:23,710 --> 00:32:21,710

yeah now further on this same miracle at

719

00:32:29,009 --> 00:32:23,720

st. Martin's in Mexico

720

00:32:31,600 --> 00:32:29,019

a 2010 micro analysis showed much of the

721

00:32:33,639 --> 00:32:31,610

blood on the host had coagulated but

722

00:32:39,009 --> 00:32:33,649

showed internally it was still seeping

723

00:32:41,350 --> 00:32:39,019

four years later studies also show once

724

00:32:46,539 --> 00:32:41,360

again the the tissue was heart muscle as

725

00:32:52,180 --> 00:32:46,549

in the Buenos Aires exam now in India at

726

00:32:54,850 --> 00:32:52,190

Church of st. Mary 2001 it occurred

727

00:32:58,029 --> 00:32:54,860

during a novena you know series of

728

00:32:59,889 --> 00:32:58,039

prayers to st. Jude the priests exposed

729

00:33:02,379 --> 00:32:59,899

the sacrament for adoration and saw

730

00:33:04,750 --> 00:33:02,389

three hosts with dots on them report to

731

00:33:06,279 --> 00:33:04,760

the bishop but now show discernible face

732

00:33:07,010 --> 00:33:06,289

once again that's that's measured in

733

00:33:17,990 --> 00:33:07,020

this

734

00:33:19,820 --> 00:33:18,000

1300s don't mind loud helicopter it

735

00:33:23,960 --> 00:33:19,830

sounds like Obama just got in the town

736

00:33:28,400 --> 00:33:23,970

again maybe somebody will shoot it down

737

00:33:32,630 --> 00:33:28,410

oh oh no I don't want him shot down I

738

00:33:39,080 --> 00:33:32,640

just wanted thrown in prison but by the

739

00:33:40,940 --> 00:33:39,090

way I know but in Venezuela 91 at the

740

00:33:43,880 --> 00:33:40,950

Marian shrine affected batana

741

00:33:46,460 --> 00:33:43,890

a priest to fight of the hosts into four

742

00:33:48,950 --> 00:33:46,470

parts and can he consume one part as as

743

00:33:51,860 --> 00:33:48,960

the normal could post put the host back

744

00:33:54,590 --> 00:33:51,870

on the plate and saw one piece had a red

745

00:34:00,140 --> 00:33:54,600

dot on it and it continued to exude

746

00:34:01,730 --> 00:34:00,150

blood get this it was analyzed by 500

747

00:34:05,210 --> 00:34:01,740

different scientists in the World Health

748

00:34:08,870 --> 00:34:05,220

Organization it matched other miracles

749

00:34:12,680 --> 00:34:08,880

and having an a B+ form of blood from a

750

00:34:15,590 --> 00:34:12,690

living heart tissue it can be seen to

751

00:34:17,389 --> 00:34:15,600

this day Meredith just 91 it's not that

752

00:34:19,220 --> 00:34:17,399

far back but it could be seen to the

753

00:34:23,300 --> 00:34:19,230

stay at the convent of this of the

754

00:34:29,570 --> 00:34:23,310

Augustinian nuns of the Sacred Heart of

755

00:34:33,290 --> 00:34:29,580

Jesus and lost Teague's te GU es and the

756

00:34:36,860 --> 00:34:33,300

final one was in Poland 2008 no Heidi

757

00:34:40,120 --> 00:34:36,870

here we go yes parishes the parishes st.

758

00:34:42,110 --> 00:34:40,130

Anthony that's a cult cop in Poland

759

00:34:43,760 --> 00:34:42,120

Holton fell to the ground and the

760

00:34:45,800 --> 00:34:43,770

priests thought it was dirty so he put

761

00:34:47,570 --> 00:34:45,810

it in water and the idea of being is

762

00:34:49,370 --> 00:34:47,580

that he would dissolve in water because

763

00:34:51,889 --> 00:34:49,380

they don't just throw host I've been you

764

00:34:54,139 --> 00:34:51,899

know you know in the ashcan they just

765

00:34:55,970 --> 00:34:54,149

you know I have a more you know

766

00:34:57,440 --> 00:34:55,980

dignified way getting rid of him there

767

00:35:02,750 --> 00:34:57,450

he put in water with the idea that would

768

00:35:04,830 --> 00:35:02,760

dissolve but here's what happened what

769

00:35:06,690 --> 00:35:04,840

happened was

770

00:35:10,080 --> 00:35:06,700

it didn't dissolve and it looked like a

771

00:35:13,410 --> 00:35:10,090

blood clot huh they had intense stunts

772

00:35:16,800 --> 00:35:13,420

and intense study - big-time polish

773

00:35:19,650 --> 00:35:16,810

scientists a woman named ATLA betta so

774

00:35:24,420 --> 00:35:19,660

bad eh I got through that one in medical

775

00:35:28,610 --> 00:35:24,430

university and viola stock and a holy

776

00:35:32,730 --> 00:35:28,620

moly a professor stanislao Stanislaw

777

00:35:34,920 --> 00:35:32,740

sokowski these were two of the hottest

778

00:35:38,430 --> 00:35:34,930

medical professors they had in Poland

779

00:35:43,500 --> 00:35:38,440

they studied these these posts

780

00:35:46,380 --> 00:35:43,510

independently as sokowski studied them

781

00:35:47,970 --> 00:35:46,390

without knowledge of their origin they

782

00:35:49,470 --> 00:35:47,980

just said look study this we're not

783

00:35:52,920 --> 00:35:49,480

gonna give you a whole rundown you just

784

00:35:56,070 --> 00:35:52,930

study it and he said okay what happened

785

00:35:58,590 --> 00:35:56,080

was it was shown once again to be a

786

00:36:03,240 --> 00:35:58,600

human cardiac tissue that was still

787

00:36:05,280 --> 00:36:03,250

alive both scientists both scientists

788

00:36:09,690 --> 00:36:05,290

who were the top scientists and physical

789

00:36:12,480 --> 00:36:09,700

Aaron you know medicine in Poland said

790

00:36:14,430 --> 00:36:12,490

without doubt no one could replicate it

791

00:36:17,160 --> 00:36:14,440

both science agreed both scientists

792

00:36:19,550 --> 00:36:17,170

agreed this was a miracle take it to the

793

00:36:22,740 --> 00:36:19,560

bank don't argue about it it just was

794

00:36:25,050 --> 00:36:22,750

why isn't this front page news I mean

795

00:36:27,330 --> 00:36:25,060

really well see that's that's my issue

796

00:36:29,430 --> 00:36:27,340

that I've wondered before and I'm not

797

00:36:31,200 --> 00:36:29,440

just trying to drive drop the bum beat

798

00:36:32,670 --> 00:36:31,210

the drum for the Catholic Church I mean

799

00:36:34,230 --> 00:36:32,680

yes there's good Christians in every

800

00:36:37,740 --> 00:36:34,240

denomination you know even the

801
00:36:39,240 --> 00:36:37,750
Methodists what I'm saying what I just

802
00:36:42,360 --> 00:36:39,250
said that because you were obviously I

803
00:36:45,480 --> 00:36:42,370
mean because you know actually one of

804
00:36:47,310 --> 00:36:45,490
the most formative women in my life was

805
00:36:50,940 --> 00:36:47,320
one of my babysitter's cuz my mother was

806
00:36:53,130 --> 00:36:50,950
a very rich woman that would go to the

807
00:36:54,570 --> 00:36:53,140
engineer's convention in San Francisco

808
00:36:57,720 --> 00:36:54,580
and she had that somebody watch me write

809
00:36:59,880 --> 00:36:57,730
and you know my parents were divorced

810
00:37:04,710 --> 00:36:59,890
you know he can't just leave me in a

811
00:37:08,340 --> 00:37:04,720
cage and although if I was with the dogs

812
00:37:11,190 --> 00:37:08,350
I wouldn't care but what it was was mrs.

813
00:37:12,360 --> 00:37:11,200

Van Dusen was like my like my godmother

814

00:37:16,530 --> 00:37:12,370

or something and she was a Presbyterian

815

00:37:18,150 --> 00:37:16,540

and she's probably the most formative

816

00:37:18,609 --> 00:37:18,160

person in my whole life as far as

817

00:37:22,359 --> 00:37:18,619

Christi

818

00:37:23,739 --> 00:37:22,369

and she was a fine woman but a rake what

819

00:37:26,650 --> 00:37:23,749

I'm saying is I obviously I'm not

820

00:37:30,940 --> 00:37:26,660

against all Protestants or anything I'm

821

00:37:33,569 --> 00:37:30,950

not silly but what I'm saying is these

822

00:37:35,529 --> 00:37:33,579

are things that's the thing the

823

00:37:38,289 --> 00:37:35,539

dumbfounded me Heidi I'm glad you

824

00:37:41,109 --> 00:37:38,299

brought that up is it's like in the book

825

00:37:42,759 --> 00:37:41,119

I wrote on Marian apparitions I'm

826

00:37:45,009 --> 00:37:42,769

thinking what is the matter with people

827

00:37:46,779 --> 00:37:45,019

they're worried about like the guy that

828

00:37:51,700 --> 00:37:46,789

was gonna write the foreword to it the

829

00:37:52,450 --> 00:37:51,710

professor from TCU he he was saying my

830

00:37:55,239 --> 00:37:52,460

goodness

831

00:37:57,729 --> 00:37:55,249

people are just go shivers about some

832

00:38:00,459 --> 00:37:57,739

ghostly orb they might see it you know

833

00:38:03,880 --> 00:38:00,469

the great what was that thing at the

834

00:38:06,549 --> 00:38:03,890

time few years ago the oh the

835

00:38:07,900 --> 00:38:06,559

transatlantic go Society whatever it was

836

00:38:09,880 --> 00:38:07,910

called you know the two guys would

837

00:38:13,709 --> 00:38:09,890

always have the Ghost Hunters these

838

00:38:16,900 --> 00:38:13,719

people perhaps that's it that's yeah

839

00:38:20,200 --> 00:38:16,910

yeah I forget it was the Atlantic

840

00:38:21,609 --> 00:38:20,210

Paranormal Society okay but I mean you

841

00:38:23,289 --> 00:38:21,619

know everybody would just do double

842

00:38:25,180 --> 00:38:23,299

backflips for these guys and they had a

843

00:38:27,729 --> 00:38:25,190

weekly show they became millionaires so

844

00:38:30,160 --> 00:38:27,739

just the plumbers they were and they did

845

00:38:31,959 --> 00:38:30,170

a credible job but I mean you know this

846

00:38:33,910 --> 00:38:31,969

was so minor-league compared to this

847

00:38:36,609 --> 00:38:33,920

this was baby stuff people getting

848

00:38:40,089 --> 00:38:36,619

chills oh did we see an orb no the

849

00:38:43,180 --> 00:38:40,099

ghosts the ghosts playing cards in the

850

00:38:46,959 --> 00:38:43,190

closet or something you know and this is

851
00:38:50,019 --> 00:38:46,969
so much more majestic and once again I'm

852
00:38:52,239 --> 00:38:50,029
tying it back in with the stuff that we

853
00:38:55,180 --> 00:38:52,249
talked about earlier like the image of

854
00:38:57,759 --> 00:38:55,190
that the tilma of juan diego that was

855
00:39:00,579 --> 00:38:57,769
study by Sandia Labs the best testing

856
00:39:03,249 --> 00:39:00,589
facility in the world physical testing

857
00:39:05,079 --> 00:39:03,259
facility and people don't know there's

858
00:39:07,539 --> 00:39:05,089
not one person in five thousand that

859
00:39:11,319 --> 00:39:07,549
know they tested this this tilma and it

860
00:39:13,089 --> 00:39:11,329
was exam Barachias object and you're

861
00:39:16,539 --> 00:39:13,099
talking people of electron microscopes

862
00:39:19,569 --> 00:39:16,549
that could see anything okay nope no

863
00:39:23,499 --> 00:39:19,579

pigment no tracing couldn't replicate it

864

00:39:25,329 --> 00:39:23,509

if you had a 45 to their head and really

865

00:39:29,260 --> 00:39:25,339

the same thing to be said about the

866

00:39:30,780 --> 00:39:29,270

Shroud of Turin right

867

00:39:33,190 --> 00:39:30,790

but that's never had the testing that

868

00:39:35,950 --> 00:39:33,200

Mattel has had because you know access

869

00:39:37,600 --> 00:39:35,960

to Sandia Labs etc so what I'm saying is

870

00:39:39,880 --> 00:39:37,610

Heidi you do scratch your head and say

871

00:39:43,630 --> 00:39:39,890

these things are so majestic so powerful

872

00:39:46,570 --> 00:39:43,640

so life-changing potentially and it's

873

00:39:47,980 --> 00:39:46,580

like people either go home like it's all

874

00:39:49,270 --> 00:39:47,990

a bunch of Catholic stuff cuz they

875

00:39:52,420 --> 00:39:49,280

they've got something against

876

00:39:54,930 --> 00:39:52,430

Catholicism or else they don't realize

877

00:39:59,160 --> 00:39:54,940

being Catholic they don't realize how

878

00:40:02,080 --> 00:39:59,170

absolutely exact exasperatingly

879

00:40:04,120 --> 00:40:02,090

efficient they are and being exhausting

880

00:40:05,560 --> 00:40:04,130

and testing these things out proving

881

00:40:08,290 --> 00:40:05,570

they take decades longer than they

882

00:40:09,760 --> 00:40:08,300

should they don't realize they don't

883

00:40:11,170 --> 00:40:09,770

realize take the enormity of what

884

00:40:12,880 --> 00:40:11,180

they're doing but talk about God here

885

00:40:15,700 --> 00:40:12,890

man we're not talking about the aliens

886

00:40:16,410 --> 00:40:15,710

coming by this live I or something you

887

00:40:18,580 --> 00:40:16,420

know right

888

00:40:24,820 --> 00:40:18,590

Bigfoot jumping around a swamp in

889

00:40:27,340 --> 00:40:24,830

Florida so what what it is Heidi is this

890

00:40:29,890 --> 00:40:27,350

is majestic stuff and I like I say in

891

00:40:34,060 --> 00:40:29,900

the Marian apparitions book I mean this

892

00:40:36,340 --> 00:40:34,070

stuff is so little studied Heidi and

893

00:40:38,020 --> 00:40:36,350

Eucharistic miracles are fairly well

894

00:40:40,960 --> 00:40:38,030

known to Catholics but frankly not even

895

00:40:43,540 --> 00:40:40,970

Catholics talk about it much I am I've

896

00:40:45,880 --> 00:40:43,550

not heard of this before it's well you

897

00:40:46,960 --> 00:40:45,890

went to a Catholic ah yeah I mean you

898

00:40:50,830 --> 00:40:46,970

would think the Catholics would be

899

00:40:52,660 --> 00:40:50,840

gassing about it all the time well yeah

900

00:40:59,320 --> 00:40:52,670

I didn't hear about this stuff I don't

901
00:41:02,260 --> 00:40:59,330
know I I was buried in school work you

902
00:41:04,150 --> 00:41:02,270
know like I go to st. Elizabeth's

903
00:41:06,390 --> 00:41:04,160
they're not buzzing around about this

904
00:41:08,590 --> 00:41:06,400
all the time they just take it in stride

905
00:41:10,060 --> 00:41:08,600
because like I say when you're talking

906
00:41:11,560 --> 00:41:10,070
about a church where so many things

907
00:41:14,350 --> 00:41:11,570
happen that I imagine things happen to

908
00:41:15,880 --> 00:41:14,360
neither to the priest no you know it's

909
00:41:17,590 --> 00:41:15,890
okay Kevin it's just standard fare

910
00:41:19,150 --> 00:41:17,600
around here I mean he wasn't putting me

911
00:41:23,200 --> 00:41:19,160
down but he was saying you know grab

912
00:41:25,060 --> 00:41:23,210
what you know grab a number you know but

913
00:41:29,560 --> 00:41:25,070

I mean in other words they live with it

914

00:41:32,290 --> 00:41:29,570

all the time and what I meant by the

915

00:41:34,480 --> 00:41:32,300

devout business before the break was

916

00:41:35,890 --> 00:41:34,490

like I'll go in you know I told you

917

00:41:37,720 --> 00:41:35,900

before I'm kind of like one of those old

918

00:41:40,530 --> 00:41:37,730

Sicilian women I'll go in a couple times

919

00:41:42,720 --> 00:41:40,540

a week and light a candle sometimes and

920

00:41:45,370 --> 00:41:42,730

every week for sure

921

00:41:48,190 --> 00:41:45,380

sometimes twice a week usually once I

922

00:41:51,850 --> 00:41:48,200

guess but but I mean I'm always doing

923

00:41:54,070 --> 00:41:51,860

that and the same bunch is there all the

924

00:41:56,620 --> 00:41:54,080

time when they've got time off and this

925

00:41:58,060 --> 00:41:56,630

one guy he practically lives at the

926
00:41:59,910 --> 00:41:58,070
church because sometimes on Saturday

927
00:42:02,470 --> 00:41:59,920
I'll go to the Saturday morning service

928
00:42:06,850 --> 00:42:02,480
instead instead of the Sunday because

929
00:42:13,710 --> 00:42:06,860
I'm on Oh Heidi I'm a claustrophobic I

930
00:42:16,750 --> 00:42:13,720
don't like crowds I know but I was drunk

931
00:42:17,980 --> 00:42:16,760
no I wasn't I brought that much that's

932
00:42:21,550 --> 00:42:17,990
really not true I have a couple of

933
00:42:24,130 --> 00:42:21,560
drinks let him go but and past years

934
00:42:26,980 --> 00:42:24,140
I've been drunk but but no I it wasn't

935
00:42:29,010 --> 00:42:26,990
as crowded as all that really it wasn't

936
00:42:32,260 --> 00:42:29,020
as crowded as going to a church that

937
00:42:34,900 --> 00:42:32,270
holds 2,500 people they've got standing

938
00:42:37,510 --> 00:42:34,910

room along the walls and even in the

939

00:42:40,510 --> 00:42:37,520

vestibule in the front we're standing

940

00:42:42,370 --> 00:42:40,520

room only that gives you gives me that's

941

00:42:44,280 --> 00:42:42,380

why I couldn't stand Mardi Gras and New

942

00:42:46,690 --> 00:42:44,290

Orleans now that was a good example

943

00:42:47,560 --> 00:42:46,700

shoulder to shoulder us they can get me

944

00:42:50,080 --> 00:42:47,570

out of here

945

00:42:51,910 --> 00:42:50,090

you know cuz I mean I've been in many

946

00:42:55,150 --> 00:42:51,920

dangerous situations in my life but I

947

00:42:57,430 --> 00:42:55,160

can't stand crowd scenes that's why I

948

00:42:58,960 --> 00:42:57,440

can't stand Manhattan I Love New York I

949

00:43:01,870 --> 00:42:58,970

just can't stand that happen because

950

00:43:06,070 --> 00:43:01,880

your armpit are with people so what I'm

951
00:43:08,460 --> 00:43:06,080
saying is it's just an everyday

952
00:43:10,540 --> 00:43:08,470
experience it should be something that

953
00:43:11,890 --> 00:43:10,550
everybody should talk about that should

954
00:43:13,960 --> 00:43:11,900
be part of the common knowledge and

955
00:43:15,490 --> 00:43:13,970
Heidi it's just not right

956
00:43:19,090 --> 00:43:15,500
and I don't really know the answer why

957
00:43:20,830 --> 00:43:19,100
it's not makes no sense and you want to

958
00:43:22,360 --> 00:43:20,840
bring people to the church and and I

959
00:43:25,150 --> 00:43:22,370
think things like this would really

960
00:43:28,510 --> 00:43:25,160
intrigue people people love mysteries

961
00:43:32,320 --> 00:43:28,520
they love more special stories why not

962
00:43:34,950 --> 00:43:32,330
inform the public oh you need to write

963
00:43:37,630 --> 00:43:34,960

another book Kevin in all honesty I

964

00:43:41,950 --> 00:43:37,640

probably do on Eucharistic miracles I

965

00:43:43,810 --> 00:43:41,960

probably do because that's not oh you

966

00:43:46,270 --> 00:43:43,820

know miracles in general that are not

967

00:43:48,360 --> 00:43:46,280

widely known in the Catholic Church that

968

00:43:51,100 --> 00:43:48,370

would be a great title

969

00:43:52,420 --> 00:43:51,110

well it really would I was gonna I was

970

00:43:54,070 --> 00:43:52,430

really gonna want to write one as I

971

00:43:56,120 --> 00:43:54,080

mentioned earlier about the ones that

972

00:43:59,480 --> 00:43:56,130

are done in the RSA class got a little

973

00:44:02,930 --> 00:43:59,490

entry-level like the chill things I

974

00:44:05,150 --> 00:44:02,940

experienced and subsequent things it's

975

00:44:07,190 --> 00:44:05,160

really good stuff it's as true as true

976
00:44:09,260 --> 00:44:07,200
gets no one's gonna make this up and

977
00:44:11,540 --> 00:44:09,270
like the stuff we just talked about in

978
00:44:14,570 --> 00:44:11,550
the Eucharistic miracles we're talking

979
00:44:16,280 --> 00:44:14,580
about scientific testing labs the best

980
00:44:17,840 --> 00:44:16,290
professors that you know poll is not

981
00:44:19,640 --> 00:44:17,850
that small a country and if they get the

982
00:44:22,190 --> 00:44:19,650
two best forensic pathologists in the

983
00:44:23,510 --> 00:44:22,200
country they're good believing I mean

984
00:44:26,930 --> 00:44:23,520
they could probably stand with anybody

985
00:44:28,520 --> 00:44:26,940
right and and you know many of the

986
00:44:30,320 --> 00:44:28,530
others and you know the Italians are

987
00:44:32,780 --> 00:44:30,330
great scientists always have been and

988
00:44:35,150 --> 00:44:32,790

they've examined a lot of these miracles

989

00:44:36,800 --> 00:44:35,160

and the ones we discussed last twenty

990

00:44:39,410 --> 00:44:36,810

five years and just take it to the bank

991

00:44:41,180 --> 00:44:39,420

this is true stuff my hand member that

992

00:44:44,570 --> 00:44:41,190

russ berrie all that was just on with us

993

00:44:46,430 --> 00:44:44,580

I mean everybody and his brother not not

994

00:44:48,100 --> 00:44:46,440

quite as much examination available to

995

00:44:50,480 --> 00:44:48,110

the Shroud as other things but still

996

00:44:53,870 --> 00:44:50,490

there's been some examinations

997

00:44:55,580 --> 00:44:53,880

physically and uh this is not this is

998

00:44:57,350 --> 00:44:55,590

not a con the Catholic Church is not a

999

00:44:59,300 --> 00:44:57,360

con job as far as the miracles or

1000

00:45:00,740 --> 00:44:59,310

anything else if anything once again

1001

00:45:03,970 --> 00:45:00,750

they're very conservative what they

1002

00:45:07,040 --> 00:45:03,980

represent is being true and they don't

1003

00:45:08,480 --> 00:45:07,050

they kind of look at it Heidi is it boys

1004

00:45:10,130 --> 00:45:08,490

the faith up but your faith should

1005

00:45:13,250 --> 00:45:10,140

already be there anyway is kind of what

1006

00:45:15,290 --> 00:45:13,260

it is that that's what they do but but

1007

00:45:17,600 --> 00:45:15,300

in a nutshell though you're still right

1008

00:45:20,350 --> 00:45:17,610

that people should know something that's

1009

00:45:22,700 --> 00:45:20,360

so miraculous it should certainly

1010

00:45:24,620 --> 00:45:22,710

deserve more attention the ghosts

1011

00:45:28,010 --> 00:45:24,630

through the Bigfoot or the UFOs popping

1012

00:45:32,330 --> 00:45:28,020

and bopping around I really would prefer

1013

00:45:33,680 --> 00:45:32,340

to have the Christian miracles forward

1014

00:45:36,320 --> 00:45:33,690

more than the other stuff because I

1015

00:45:39,440 --> 00:45:36,330

think they're definitely more impressive

1016

00:45:41,840 --> 00:45:39,450

they changed lives more well I got one

1017

00:45:43,190 --> 00:45:41,850

for you on a lesser scale I'll tell you

1018

00:45:45,890 --> 00:45:43,200

this just before the break here's what

1019

00:45:48,200 --> 00:45:45,900

it is there's a guy that's a relative of

1020

00:45:51,410 --> 00:45:48,210

a friend of mine she's my business

1021

00:45:55,520 --> 00:45:51,420

partners wife and her brother is an evil

1022

00:45:59,630 --> 00:45:55,530

buzzard I mean gets in fights all the

1023

00:46:01,250 --> 00:45:59,640

time he's a bully's cruel to animals you

1024

00:46:05,590 --> 00:46:01,260

know and all this here's what happened

1025

00:46:09,349 --> 00:46:05,600

this will blow your mind for some reason

1026

00:46:11,630 --> 00:46:09,359

this guy was drawn to a

1027

00:46:13,670 --> 00:46:11,640

illuminated cross on the side of the

1028

00:46:15,319 --> 00:46:13,680

road in Texas okay and he took a photo

1029

00:46:18,140 --> 00:46:15,329

of it I don't know why this guy's not a

1030

00:46:21,259 --> 00:46:18,150

church oriented guy well he hadn't had

1031

00:46:23,479 --> 00:46:21,269

been to church in years okay okay what

1032

00:46:26,440 --> 00:46:23,489

happened was he took this photo with his

1033

00:46:31,839 --> 00:46:26,450

cell phone okay

1034

00:46:35,089 --> 00:46:31,849

now after he took the photo he saw the

1035

00:46:36,769 --> 00:46:35,099

figure of an illuminated angel not with

1036

00:46:38,569 --> 00:46:36,779

distinct features but tastes basically

1037

00:46:42,620 --> 00:46:38,579

the outline to the left of this cross

1038

00:46:45,979 --> 00:46:42,630

that was not there when he took the

1039

00:46:47,720 --> 00:46:45,989

photo and this guy believed mean that

1040

00:46:49,789 --> 00:46:47,730

doesn't have the technical knowledge nor

1041

00:46:51,650 --> 00:46:49,799

the inclination to phony anything up

1042

00:46:54,589 --> 00:46:51,660

this guy's like a curmudgeon kind of guy

1043

00:46:56,690 --> 00:46:54,599

yeah and if I ever got around him he was

1044

00:46:59,210 --> 00:46:56,700

mean to animals he'd be a crippled

1045

00:47:03,950 --> 00:46:59,220

command guy ponary that's a whole nother

1046

00:47:05,630 --> 00:47:03,960

story but but what I'm saying is and and

1047

00:47:09,499 --> 00:47:05,640

this woman showed me the photo

1048

00:47:10,880 --> 00:47:09,509

but here's gets even dicey er she did

1049

00:47:13,130 --> 00:47:10,890

not know about a photo do you remember

1050

00:47:16,039 --> 00:47:13,140

about a year ago someone was an accident

1051
00:47:20,599 --> 00:47:16,049
scene and they took a photo of a fatal

1052
00:47:23,720 --> 00:47:20,609
accident site and they and they to the

1053
00:47:28,130 --> 00:47:23,730
left of the same and the same figure was

1054
00:47:30,109 --> 00:47:28,140
a angelic looking figure right this

1055
00:47:34,099 --> 00:47:30,119
figure matched exactly the one in this

1056
00:47:35,870 --> 00:47:34,109
guy's photo oh wow come and this guy is

1057
00:47:37,609 --> 00:47:35,880
just a stumblebum wet he'd get a

1058
00:47:39,650 --> 00:47:37,619
insurance settled but he has no more

1059
00:47:43,729 --> 00:47:39,660
technical expertise in the garbage man

1060
00:47:45,890 --> 00:47:43,739
you know and he's just a curmudgeon and

1061
00:47:47,720 --> 00:47:45,900
he's not gonna try to promote churchy

1062
00:47:49,220 --> 00:47:47,730
things and he gave it to his sister who

1063
00:47:52,069 --> 00:47:49,230

just showed me didn't give it to the

1064

00:47:54,890 --> 00:47:52,079

public to sell so what I'm saying is

1065

00:47:56,979 --> 00:47:54,900

these things happen all around us that's

1066

00:48:01,809 --> 00:47:56,989

all I'm really trying to say it around

1067

00:48:06,049 --> 00:48:01,819

and and people just do not do not

1068

00:48:09,589 --> 00:48:06,059

appreciate it they really don't they

1069

00:48:14,589 --> 00:48:09,599

don't know and I don't understand how or

1070

00:48:17,569 --> 00:48:14,599

why I just really don't and like you say

1071

00:48:21,400 --> 00:48:17,579

to do you think it's but some people are

1072

00:48:23,180 --> 00:48:21,410

drawn to it and some are not you know I

1073

00:48:25,370 --> 00:48:23,190

unfortunately there's a

1074

00:48:28,250 --> 00:48:25,380

grudges out there in the world still in

1075

00:48:29,690 --> 00:48:28,260

regards to the scandal and they're like

1076

00:48:31,460 --> 00:48:29,700

well if they could lie about that they

1077

00:48:34,970 --> 00:48:31,470

could I about anything and I think some

1078

00:48:37,069 --> 00:48:34,980

people die because of it and but I also

1079

00:48:39,140 --> 00:48:37,079

think that people don't know to look for

1080

00:48:40,460 --> 00:48:39,150

it like I would have never thought you

1081

00:48:42,859 --> 00:48:40,470

know I bet there's things called

1082

00:48:45,680 --> 00:48:42,869

Eucharistic miracles out there I would I

1083

00:48:49,130 --> 00:48:45,690

never guess never known I never heard it

1084

00:48:50,390 --> 00:48:49,140

oh it's a whole field of study yeah well

1085

00:48:51,980 --> 00:48:50,400

study you can spend the rest of your

1086

00:48:54,920 --> 00:48:51,990

life study in it and like I say these

1087

00:48:56,300 --> 00:48:54,930

are high-level professionals no and also

1088

00:48:59,329 --> 00:48:56,310

the ones in Mexico they've got good

1089

00:49:03,130 --> 00:48:59,339

doctors too well how do you like myself

1090

00:49:06,079 --> 00:49:03,140

who is pretty informed in odd stories

1091

00:49:07,430 --> 00:49:06,089

miracles even and I've never heard of

1092

00:49:09,559 --> 00:49:07,440

such a thing just because I'm not

1093

00:49:12,050 --> 00:49:09,569

Catholic you didn't think to let a

1094

00:49:12,920 --> 00:49:12,060

person like me know or not advertise

1095

00:49:15,200 --> 00:49:12,930

well I just never

1096

00:49:16,400 --> 00:49:15,210

I just I wrote a book on Marian

1097

00:49:18,710 --> 00:49:16,410

apparitions and I knew there were

1098

00:49:21,470 --> 00:49:18,720

Eucharistic miracles by just something

1099

00:49:24,050 --> 00:49:21,480

drew pushed me into right having this

1100

00:49:25,520 --> 00:49:24,060

show oh yeah but I'm saying like to the

1101

00:49:27,770 --> 00:49:25,530

Catholic Church they they don't

1102

00:49:29,660 --> 00:49:27,780

advertise to a person like myself you

1103

00:49:32,089 --> 00:49:29,670

know it's like how did they reach people

1104

00:49:34,670 --> 00:49:32,099

like me you know well you usually

1105

00:49:36,230 --> 00:49:34,680

wouldn't because as a norm like I say

1106

00:49:37,520 --> 00:49:36,240

you have to probably be a Catholic to

1107

00:49:39,890 --> 00:49:37,530

even be able to discover there were

1108

00:49:41,960 --> 00:49:39,900

Eucharistic miracles because like if

1109

00:49:44,839 --> 00:49:41,970

there are these places like in Italy and

1110

00:49:46,130 --> 00:49:44,849

Poland you could see that the physical

1111

00:49:48,280 --> 00:49:46,140

evidence but you'd have to already be

1112

00:49:50,960 --> 00:49:48,290

going to mastery or something right

1113

00:49:52,220 --> 00:49:50,970

we're just about in just a few minutes

1114

00:49:55,280 --> 00:49:52,230

we're gonna go to our top of the hour

1115

00:49:57,680 --> 00:49:55,290

break or well yeah top of the hour break

1116

00:49:59,510 --> 00:49:57,690

but when we get back maybe we could look

1117

00:50:02,420 --> 00:49:59,520

up that saint generis one which is

1118

00:50:05,500 --> 00:50:02,430

another Eucharistic miracle that you

1119

00:50:09,020 --> 00:50:05,510

have access to and I don't because yeah

1120

00:50:10,819 --> 00:50:09,030

pretty cool but I you know I will say

1121

00:50:15,260 --> 00:50:10,829

about Vegas though it is an intriguing

1122

00:50:18,109 --> 00:50:15,270

place it's a it's you know it's kind of

1123

00:50:20,569 --> 00:50:18,119

silly but it the the thing that I really

1124

00:50:23,120 --> 00:50:20,579

actually enjoyed was just getting up for

1125

00:50:25,640 --> 00:50:23,130

change of scenery and there's better

1126

00:50:33,380 --> 00:50:25,650

scenery yes certainly but still it was a

1127

00:50:35,750 --> 00:50:33,390

good outing and you know euston

1128

00:50:36,440 --> 00:50:35,760

hurricane not too far i mean it's a good

1129

00:50:38,599 --> 00:50:36,450

distance

1130

00:50:40,069 --> 00:50:38,609

why well I tell you what we'll talk

1131

00:50:42,579 --> 00:50:40,079

about we get right back we'll be right

1132

00:50:47,120 --> 00:50:44,480

yeah Heidi we're of course were

1133

00:50:50,089 --> 00:50:47,130

mentioning the deal with the the

1134

00:50:53,329 --> 00:50:50,099

miracles but ed put a put a period to it

1135

00:50:55,160 --> 00:50:53,339

Heidi i I really don't know it's it

1136

00:50:56,720 --> 00:50:55,170

amazed me Heidi because until I got into

1137

00:50:58,430 --> 00:50:56,730

Catholicism I didn't knew I might have

1138

00:51:00,890 --> 00:50:58,440

heard a glimmer of something here and

1139

00:51:04,430 --> 00:51:00,900

there or there was a movie back in the

1140

00:51:06,500 --> 00:51:04,440

day about Fatima that I watched and I

1141

00:51:10,069 --> 00:51:06,510

was intrigued by that you know when I

1142

00:51:11,300 --> 00:51:10,079

was a kid but and actually that was some

1143

00:51:14,690 --> 00:51:11,310

of the foundation and my love for

1144

00:51:18,010 --> 00:51:14,700

Catholicism and all that but what I'm

1145

00:51:22,280 --> 00:51:18,020

saying though is mostly you hear nothing

1146

00:51:23,720 --> 00:51:22,290

yeah that's a it's a shame you and I

1147

00:51:25,540 --> 00:51:23,730

didn't know about you Christic miracles

1148

00:51:31,220 --> 00:51:25,550

at all - I actually became a Catholic

1149

00:51:33,170 --> 00:51:31,230

yeah and you guys keep secrets really I

1150

00:51:35,540 --> 00:51:33,180

mean anybody's you know nobody's holding

1151

00:51:37,280 --> 00:51:35,550

it from you it's just I don't know what

1152

00:51:39,829 --> 00:51:37,290

the reason is it's almost like people

1153

00:51:43,849 --> 00:51:39,839

are drawn to he draws the ones he wants

1154

00:51:45,620 --> 00:51:43,859

to it I hurry out that and you know I

1155

00:51:47,450 --> 00:51:45,630

know there's some priestly shenanigans

1156

00:51:50,359 --> 00:51:47,460

that has no bearing on this whatsoever

1157

00:51:52,540 --> 00:51:50,369

don't play out by the way from being a

1158

00:51:55,900 --> 00:51:52,550

Protestant minister in a past life you

1159

00:52:00,140 --> 00:51:55,910

must know they've got their own

1160

00:52:03,710 --> 00:52:00,150

skeletons in the closet so huge so I

1161

00:52:05,809 --> 00:52:03,720

mean you know it's in other words

1162

00:52:07,370 --> 00:52:05,819

there's frailties in human nature's just

1163

00:52:10,790 --> 00:52:07,380

there's a lot more priests there's a lot

1164

00:52:15,430 --> 00:52:10,800

more opportunity for flaws you know but

1165

00:52:19,190 --> 00:52:15,440

it's just that but mankind is always

1166

00:52:20,990 --> 00:52:19,200

from a but these the real truth and

1167

00:52:23,480 --> 00:52:21,000

beauty in this is it's as true as true

1168

00:52:25,339 --> 00:52:23,490

gets you could examine I mean you're not

1169

00:52:26,990 --> 00:52:25,349

gonna do any better than Sandia Labs I

1170

00:52:29,450 --> 00:52:27,000

don't care what [h__h] you've got to

1171

00:52:35,630 --> 00:52:29,460

just look at it or German lab or anybody

1172

00:52:39,050 --> 00:52:35,640

else this is good stuff everybody look

1173

00:52:40,640 --> 00:52:39,060

it up yeah I wanted to you know put

1174

00:52:44,740 --> 00:52:40,650

thoughts in prison through the folks in

1175

00:52:48,200 --> 00:52:44,750

Houston I mean you at the same state and

1176

00:52:50,120 --> 00:52:48,210

I mean there had to be troubling to an

1177

00:52:52,759 --> 00:52:50,130

extent you're in Vegas though

1178

00:52:55,490 --> 00:52:52,769

to see this I was watching a lot of it

1179

00:52:57,920 --> 00:52:55,500

on Fox News see it oh by the way on a

1180

00:53:00,650 --> 00:52:57,930

happier note even though my wonderful

1181

00:53:03,680 --> 00:53:00,660

megyn kelly shoved off Fox News has

1182

00:53:05,749 --> 00:53:03,690

replaced her with ten times more there's

1183

00:53:09,140 --> 00:53:05,759

a new show they've got called the five

1184

00:53:11,180 --> 00:53:09,150

and let me tell you something I don't

1185

00:53:13,999 --> 00:53:11,190

know how they cast these women for their

1186

00:53:16,849 --> 00:53:14,009

parts but if you went to a strip joint

1187

00:53:19,930 --> 00:53:16,859

and picked the five prettiest women out

1188

00:53:22,460 --> 00:53:19,940

of every strip then heaven had a

1189

00:53:25,359 --> 00:53:22,470

selection process to see who could read

1190

00:53:27,890 --> 00:53:25,369

the news well that's who they picked I

1191

00:53:30,650 --> 00:53:27,900

mean in other words you've got to be a

1192

00:53:35,089 --> 00:53:30,660

movie a play by a Playboy

1193

00:53:37,220 --> 00:53:35,099

starlet to make the fox news but getting

1194

00:53:41,690 --> 00:53:37,230

back to the story though they had

1195

00:53:43,220 --> 00:53:41,700

excellent coverage of this this terrible

1196

00:53:45,200 --> 00:53:43,230

event and I was watching it Mars in

1197

00:53:47,559 --> 00:53:45,210

Vegas quite a bit of it some that was

1198

00:53:52,069 --> 00:53:47,569

repetitive but Heidi we're talking about

1199

00:53:54,559 --> 00:53:52,079

amazing amazing difficulty these poor

1200

00:53:59,529 --> 00:53:54,569

guys have been through amazing yeah

1201

00:54:03,249 --> 00:53:59,539

I mean high kingswood is a oh it's a

1202

00:54:09,019 --> 00:54:03,259

upscale northern suburb of Houston okay

1203

00:54:12,019 --> 00:54:09,029

and what happened was it wasn't bad

1204

00:54:14,210 --> 00:54:12,029

enough at the place flooded but the

1205

00:54:17,089 --> 00:54:14,220

sewage got loose from the local sewage

1206

00:54:19,490 --> 00:54:17,099

what it out and their treasure

1207

00:54:22,160 --> 00:54:19,500

everywhere it's gross they're trudging

1208

00:54:23,599 --> 00:54:22,170

through it I mean my I mean really Heidi

1209

00:54:26,059 --> 00:54:23,609

all that's good for that place is good

1210

00:54:28,490 --> 00:54:26,069

for us a bulldozer I mean I don't know

1211

00:54:31,329 --> 00:54:28,500

anything so precious that you slop the

1212

00:54:36,920 --> 00:54:31,339

sewage off of it to keep it you know and

1213

00:54:39,470 --> 00:54:36,930

but that's how rough it was and but

1214

00:54:41,660 --> 00:54:39,480

there has been a tremendous groundswell

1215

00:54:45,529 --> 00:54:41,670

of help coming to those people more than

1216

00:54:47,240 --> 00:54:45,539

I've ever seen there's that one JJ Watt

1217

00:54:51,200 --> 00:54:47,250

he's a football player from the Houston

1218

00:54:57,650 --> 00:54:51,210

though yeah Texans he's raised 25

1219

00:55:00,710 --> 00:54:57,660

million taller time yeah Walmart through

1220

00:55:03,319 --> 00:55:00,720

its auspices has braised north of 25

1221

00:55:04,039 --> 00:55:03,329

million dollars and this on and on on

1222

00:55:05,890 --> 00:55:04,049

and we've seen

1223

00:55:09,140 --> 00:55:05,900

many different companies similar

1224

00:55:10,839 --> 00:55:09,150

responded very well and a lot of people

1225

00:55:13,339 --> 00:55:10,849

have done more than that they've Oh

1226
00:55:15,140 --> 00:55:13,349
golly they've come over from Louisiana

1227
00:55:18,019 --> 00:55:15,150
they got airboats and stuff

1228
00:55:20,779 --> 00:55:18,029
fishing dogs and people out of the drain

1229
00:55:23,299 --> 00:55:20,789
do you know that the big effort from

1230
00:55:26,419 --> 00:55:23,309
Chicagoans was coming down and getting

1231
00:55:28,849 --> 00:55:26,429
people's strayed pets and bringing them

1232
00:55:33,589 --> 00:55:28,859
back yeah yes yes I'd heard of things

1233
00:55:40,509 --> 00:55:37,419
I was floored this all again because

1234
00:55:42,559 --> 00:55:40,519
hurricane Irma is about to bear down it

1235
00:55:45,349 --> 00:55:42,569
it's just crazy

1236
00:55:48,709 --> 00:55:45,359
this weathers crazy well it is it is but

1237
00:55:50,089 --> 00:55:48,719
but like I say unfortunately you see

1238
00:55:53,029 --> 00:55:50,099

most hurricanes that hit Florida aren't

1239

00:55:55,609 --> 00:55:53,039

that bad I mean a hurricane a five

1240

00:55:57,739 --> 00:55:55,619

number five on the scale hurricanes very

1241

00:56:00,410 --> 00:55:57,749

rare usually they're milder hurricanes

1242

00:56:02,329 --> 00:56:00,420

like a category one or two and I'm not

1243

00:56:05,089 --> 00:56:02,339

minimizing it you know I mean it's still

1244

00:56:07,059 --> 00:56:05,099

dangerous but you got to understand

1245

00:56:09,979 --> 00:56:07,069

Miami's practically under water already

1246

00:56:11,900 --> 00:56:09,989

it really needs to have what he called

1247

00:56:16,519 --> 00:56:11,910

dikes like Holland that protect it you

1248

00:56:18,140 --> 00:56:16,529

know and does and I know with global

1249

00:56:21,079 --> 00:56:18,150

warming and sea level rising I know

1250

00:56:25,759 --> 00:56:21,089

that's an issue I know that but what I'm

1251

00:56:27,979 --> 00:56:25,769

saying is a category five is a rare

1252

00:56:30,199 --> 00:56:27,989

commodity I mean we're usually in

1253

00:56:33,949 --> 00:56:30,209

Florida I can I'd live part of my life

1254

00:56:35,569 --> 00:56:33,959

in Florida and usually what it is is a

1255

00:56:38,029 --> 00:56:35,579

hurricane will come up the coast and

1256

00:56:41,779 --> 00:56:38,039

it'll take a northeastern swath and

1257

00:56:43,819 --> 00:56:41,789

it'll slice it around a piece of Florida

1258

00:56:46,069 --> 00:56:43,829

then go out to sea and take a northern

1259

00:56:47,900 --> 00:56:46,079

Pat path maybe hit Cape Hatteras in

1260

00:56:49,880 --> 00:56:47,910

North Carolina and then go up off the

1261

00:56:51,769 --> 00:56:49,890

Jersey coast or something but it gets

1262

00:56:54,949 --> 00:56:51,779

you know more we're on down the further

1263

00:56:57,859 --> 00:56:54,959

colder waters it goes in but the bad

1264

00:56:59,120 --> 00:56:57,869

ones and thankfully this one doesn't

1265

00:57:00,739 --> 00:56:59,130

look like it's going to do that would

1266

00:57:03,410 --> 00:57:00,749

have given a one-two punch to the Gulf

1267

00:57:05,959 --> 00:57:03,420

Coast because see when they go in a

1268

00:57:07,549 --> 00:57:05,969

pattern that cuts around the Horn of

1269

00:57:09,109 --> 00:57:07,559

Florida up into the Gulf Coast the

1270

00:57:11,269 --> 00:57:09,119

waters are warmer off the Gulf and they

1271

00:57:13,699 --> 00:57:11,279

are off the Atlantic and with the warm

1272

00:57:15,559 --> 00:57:13,709

waters it picks up more speed now can

1273

00:57:17,319 --> 00:57:15,569

you imagine a one-two punch for Houston

1274

00:57:20,120 --> 00:57:17,329

after that

1275

00:57:23,120 --> 00:57:20,130

hey that would have really been deadly I

1276

00:57:25,220 --> 00:57:23,130

mean you're talking you know kiss a

1277

00:57:28,460 --> 00:57:25,230

goodbye deadly well they're saying this

1278

00:57:31,640 --> 00:57:28,470

one is much worse than usual I guess the

1279

00:57:33,890 --> 00:57:31,650

ones that are usually formed over I say

1280

00:57:36,740 --> 00:57:33,900

okay keep their day or something that

1281

00:57:38,809 --> 00:57:36,750

that more are they're more powerful

1282

00:57:41,359 --> 00:57:38,819

coming from that region or something

1283

00:57:44,930 --> 00:57:41,369

right Wow well in the direction it's

1284

00:57:48,980 --> 00:57:44,940

taking in the speed it's got its gonna

1285

00:57:50,660 --> 00:57:48,990

hit Florida probably as a five yeah and

1286

00:57:53,059 --> 00:57:50,670

then it'll dissipate as it goes further

1287

00:57:56,270 --> 00:57:53,069

north yes but I mean you're talking

1288

00:57:58,309 --> 00:57:56,280

about just the storm surge alone there's

1289

00:58:00,650 --> 00:57:58,319

no telling I mean you know the water

1290

00:58:03,859 --> 00:58:00,660

being pushed by the hurricane itself not

1291

00:58:05,359 --> 00:58:03,869

the rain but just the water surge I mean

1292

00:58:07,250 --> 00:58:05,369

like I say it doesn't take anything to

1293

00:58:09,829 --> 00:58:07,260

flood Miami well you know what I'm

1294

00:58:14,150 --> 00:58:09,839

reading right now is the most highest

1295

00:58:17,510 --> 00:58:14,160

sustained winds on record was a hundred

1296

00:58:19,670 --> 00:58:17,520

and ninety miles per hour and Irma is a

1297

00:58:22,670 --> 00:58:19,680

185 miles per hour

1298

00:58:26,140 --> 00:58:22,680

yep I do not he's the absolute max that

1299

00:58:32,390 --> 00:58:26,150

yeah it was hurricane Allen in 1980 and

1300

00:58:35,510 --> 00:58:32,400

and then second place it is Irma house

1301

00:58:39,230 --> 00:58:35,520

you're talking serious storms yes and

1302

00:58:41,450 --> 00:58:39,240

but there's other storms Gilbert Wilma

1303

00:58:44,839 --> 00:58:41,460

and Labor Day they call it you they

1304

00:58:47,420 --> 00:58:44,849

called it Labor Day where 80 185 as well

1305

00:58:50,720 --> 00:58:47,430

so crazy this is right up there at the

1306

00:58:52,430 --> 00:58:50,730

max yeah yeah well I don't know a Heidi

1307

00:58:56,270 --> 00:58:52,440

it usually gets a little stronger just

1308

00:58:59,240 --> 00:58:56,280

before it hits yeah that's very fine so

1309

00:59:00,559 --> 00:58:59,250

I mean I don't know I mean uh well see

1310

00:59:02,420 --> 00:59:00,569

that's the trouble in living within

1311

00:59:05,599 --> 00:59:02,430

these areas I mean you're talking about

1312

00:59:08,870 --> 00:59:05,609

oh my goodness it's so fragile Heidi I

1313

00:59:11,359 --> 00:59:08,880

mean I've been in Houston for example I

1314

00:59:13,839 --> 00:59:11,369

was driving through there years ago when

1315

00:59:17,109 --> 00:59:13,849

they had a lousy five or six inch rain

1316

00:59:20,720 --> 00:59:17,119

and the highways were were passable yes

1317

00:59:22,550 --> 00:59:20,730

is there elevated and all that but what

1318

00:59:24,530 --> 00:59:22,560

I'm saying is I was looking down at the

1319

00:59:27,390 --> 00:59:24,540

city from the lousy five and six inch

1320

00:59:31,620 --> 00:59:27,400

rain which is not that uncommon yeah

1321

00:59:33,150 --> 00:59:31,630

and I mean Nashville got 12 inches which

1322

00:59:36,960 --> 00:59:33,160

was the remnant of the hurricane that

1323

00:59:39,200 --> 00:59:36,970

hit Texas Harvey so I mean all the way

1324

00:59:41,970 --> 00:59:39,210

to Nashville was 12 inches so I'm saying

1325

00:59:43,500 --> 00:59:41,980

5 or 6 inches no big deal but you looked

1326

00:59:45,089 --> 00:59:43,510

at Houston with 5 or 6 inches you're

1327

00:59:48,269 --> 00:59:45,099

thinking my god they're gonna lose homes

1328

00:59:50,880 --> 00:59:48,279

out of this and this thing was a magnet

1329

00:59:55,079 --> 00:59:50,890

this was like 50 inches of rain 50 I

1330

00:59:57,720 --> 00:59:55,089

know it's like I mean just over 4 foot

1331

01:00:01,650 --> 00:59:57,730

it was crazy man

1332

01:00:03,329 --> 01:00:01,660

and believe me these people and I was

1333

01:00:05,309 --> 01:00:03,339

talking to Joe before the show one of

1334

01:00:08,690 --> 01:00:05,319

the other problems which hasn't been

1335

01:00:15,359 --> 01:00:08,700

mentioned is Heidi

1336

01:00:16,859 --> 01:00:15,369

well they have a lot of nasty chemical

1337

01:00:18,839 --> 01:00:16,869

plants that was one thing I never could

1338

01:00:21,809 --> 01:00:18,849

stand living in Houston was the smell of

1339

01:00:23,309 --> 01:00:21,819

the place and different not not all of

1340

01:00:24,950 --> 01:00:23,319

it but I mean different locations the

1341

01:00:28,230 --> 01:00:24,960

eastern part of the city especially

1342

01:00:30,120 --> 01:00:28,240

around Beaumont and all that and because

1343

01:00:32,309 --> 01:00:30,130

they have terrible chemical plants and

1344

01:00:35,370 --> 01:00:32,319

they're not making like you know nice

1345

01:00:37,410 --> 01:00:35,380

things they're making like you know blow

1346

01:00:40,470 --> 01:00:37,420

your head off kind of stuff I mean toxic

1347

01:00:43,470 --> 01:00:40,480

stuff and and these waters have swamped

1348

01:00:45,180 --> 01:00:43,480

these toxic chemical plants and released

1349

01:00:48,059 --> 01:00:45,190

a lot of these terrible chemicals into

1350

01:00:51,900 --> 01:00:48,069

the ecosystem so it's absorbed into the

1351
01:00:55,099 --> 01:00:51,910
houses the grounds the food wildlife

1352
01:00:57,710 --> 01:00:55,109
everything I mean this is some bad stuff

1353
01:01:00,359 --> 01:00:57,720
inside of people's homes

1354
01:01:02,250 --> 01:01:00,369
well you had other weird things happen

1355
01:01:05,309 --> 01:01:02,260
like I guess was covered in your areas

1356
01:01:07,890 --> 01:01:05,319
what happened was the waters killed the

1357
01:01:09,059 --> 01:01:07,900
cooling generators to some chemical

1358
01:01:10,980 --> 01:01:09,069
plant yeah

1359
01:01:12,329 --> 01:01:10,990
and this whatever the chemicals were

1360
01:01:14,910 --> 01:01:12,339
would weren't cooled so they were

1361
01:01:17,390 --> 01:01:14,920
combustible and and he had terrible

1362
01:01:19,589 --> 01:01:17,400
fires with this awful smoke from this

1363
01:01:24,859 --> 01:01:19,599

toxic chemical going all over and this

1364

01:01:27,720 --> 01:01:24,869

is tough stuff but I mean well I mean

1365

01:01:31,680 --> 01:01:27,730

it's just a rough place I would live in

1366

01:01:33,690 --> 01:01:31,690

Houston anymore I'd California first and

1367

01:01:36,660 --> 01:01:33,700

that's saying something I mean that's

1368

01:01:38,579 --> 01:01:36,670

like I'm not a California fan but I

1369

01:01:39,520 --> 01:01:38,589

would move to LA before I'd live in

1370

01:01:43,870 --> 01:01:39,530

Houston

1371

01:01:46,150 --> 01:01:43,880

and that's saying a lot it is it is but

1372

01:01:50,440 --> 01:01:46,160

but I mean Houston is just a tough place

1373

01:01:52,690 --> 01:01:50,450

and it's also oh my goodness under the

1374

01:01:57,310 --> 01:01:52,700

best of circumstances it's 95 degrees

1375

01:01:58,330 --> 01:01:57,320

every day and 100% humidity it's a lot

1376

01:02:02,080 --> 01:01:58,340

like Jacksonville

1377

01:02:04,810 --> 01:02:02,090

with you but Jacksonville is like that

1378

01:02:07,300 --> 01:02:04,820

only it's prettier but a lot of

1379

01:02:08,200 --> 01:02:07,310

Chicagoans moved straight to Houston and

1380

01:02:12,220 --> 01:02:08,210

I'm not kidding

1381

01:02:14,260 --> 01:02:12,230

my niece moved to Houston just a few

1382

01:02:18,820 --> 01:02:14,270

days maybe five days before the

1383

01:02:21,490 --> 01:02:18,830

hurricane hit and loli yeah yeah she

1384

01:02:23,350 --> 01:02:21,500

luckily she is fine she didn't have any

1385

01:02:26,710 --> 01:02:23,360

flooding where she was kept her

1386

01:02:28,300 --> 01:02:26,720

electricity she was very fortunate well

1387

01:02:31,120 --> 01:02:28,310

you know for the only thing that hit up

1388

01:02:34,990 --> 01:02:31,130

here was just lasted a couple days was

1389

01:02:37,420 --> 01:02:35,000

there was a gas shortage but I mean just

1390

01:02:39,640 --> 01:02:37,430

regular automobile gas but that only

1391

01:02:42,280 --> 01:02:39,650

lasted a day or two I got gassed the

1392

01:02:44,170 --> 01:02:42,290

very next day but but but in San Antonio

1393

01:02:45,910 --> 01:02:44,180

like I mentioned on the news that's a

1394

01:02:49,690 --> 01:02:45,920

big old town and they were absolutely

1395

01:02:50,860 --> 01:02:49,700

out of gas now to see and hear in this

1396

01:02:52,420 --> 01:02:50,870

area they can bring it down from

1397

01:02:54,610 --> 01:02:52,430

Oklahoma cos rolling 100 miles to the

1398

01:02:56,020 --> 01:02:54,620

Oklahoma border and you know there's

1399

01:02:58,000 --> 01:02:56,030

plenty of other refineries I'm sure

1400

01:03:00,220 --> 01:02:58,010

Chicago wasn't affected negatively from

1401

01:03:04,120 --> 01:03:00,230

the Gulf Coast refineries but there's

1402

01:03:06,010 --> 01:03:04,130

also I can't emphasize enough how bad

1403

01:03:08,740 --> 01:03:06,020

the chemicals are down there that

1404

01:03:11,800 --> 01:03:08,750

they're manufacturing creamy Jersey

1405

01:03:13,510 --> 01:03:11,810

Jersey unfortunately uh you know I like

1406

01:03:17,500 --> 01:03:13,520

Jersey but it's a rough place for

1407

01:03:19,510 --> 01:03:17,510

chemicals to and Jersey Jersey and South

1408

01:03:25,810 --> 01:03:19,520

Texas is where all the nasty stuff is

1409

01:03:27,370 --> 01:03:25,820

developed terrible and you know Jersey

1410

01:03:29,020 --> 01:03:27,380

usually would get this with a hurricane

1411

01:03:30,910 --> 01:03:29,030

it's usually not kind of mild since it's

1412

01:03:34,030 --> 01:03:30,920

so far north but I mean this is some

1413

01:03:38,560 --> 01:03:34,040

interesting material and I don't know

1414

01:03:39,700 --> 01:03:38,570

Heidi it's it's just you know you know

1415

01:03:41,320 --> 01:03:39,710

we'll come back we'll talk about the

1416

01:03:45,070 --> 01:03:41,330

global warming and some other issues but

1417

01:03:46,780 --> 01:03:45,080

you know I don't know Heidi it's I know

1418

01:03:48,660 --> 01:03:46,790

there's global warming any but you'd

1419

01:03:50,920 --> 01:03:48,670

have to be an idiot not to realize that

1420

01:03:52,120 --> 01:03:50,930

you know the temperatures have gone up

1421

01:03:53,560 --> 01:03:52,130

compared to what they were when I was

1422

01:03:56,890 --> 01:03:53,570

younger

1423

01:03:58,390 --> 01:03:56,900

but you know the obvious records of the

1424

01:03:59,800 --> 01:03:58,400

average temperature going up but what

1425

01:04:01,030 --> 01:03:59,810

I'm saying is I don't know what's

1426

01:04:04,780 --> 01:04:01,040

causing it and I don't think they do

1427

01:04:08,380 --> 01:04:04,790

either but you can surmise but we don't

1428

01:04:09,820 --> 01:04:08,390

know anyhow we'll be right back and it

1429

01:04:15,010 --> 01:04:09,830

could be we'll be right back

1430

01:04:16,390 --> 01:04:15,020

for an extra lesson well Heidi it's good

1431

01:04:17,980 --> 01:04:16,400

to be back with you now that I was gonna

1432

01:04:19,450 --> 01:04:17,990

tell you about the fabled evil

1433

01:04:23,950 --> 01:04:19,460

brother-in-law we've talked about on the

1434

01:04:25,870 --> 01:04:23,960

show before yes what happened was he cut

1435

01:04:27,520 --> 01:04:25,880

his toes with some glass you know he's

1436

01:04:30,730 --> 01:04:27,530

in sandals and he cut his toe with some

1437

01:04:33,250 --> 01:04:30,740

glass evidently his diabetes has gone to

1438

01:04:36,640 --> 01:04:33,260

the point where I guess they get so they

1439

01:04:39,070 --> 01:04:36,650

don't heal well or something yeah and he

1440

01:04:42,570 --> 01:04:39,080

got gangrene in the foot and they had a

1441

01:04:47,200 --> 01:04:42,580

lot to toes off that's typical diabetics

1442

01:04:49,000 --> 01:04:47,210

it does happen that way oh yes so I mean

1443

01:04:52,570 --> 01:04:49,010

it I thought he'd gone and got his

1444

01:04:55,360 --> 01:04:52,580

diabetes reversed well he took the stem

1445

01:04:57,610 --> 01:04:55,370

cells but it didn't take I thought it

1446

01:05:01,690 --> 01:04:57,620

did at one point it did it did it did

1447

01:05:04,900 --> 01:05:01,700

initially but then he receded it was a

1448

01:05:09,280 --> 01:05:04,910

cure he did try in Mexico yes he did but

1449

01:05:11,230 --> 01:05:09,290

it didn't reverse their diabetes just so

1450

01:05:16,330 --> 01:05:11,240

you know full-blown diabetes and a

1451

01:05:18,730 --> 01:05:16,340

sister of mine well no no just losing

1452

01:05:20,140 --> 01:05:18,740

the weight and getting active oh oh no

1453

01:05:22,540 --> 01:05:20,150

I've heard of that before I've heard of

1454

01:05:24,460 --> 01:05:22,550

that yeah but it depends on what stage

1455

01:05:26,860 --> 01:05:24,470

you are and how it's developed and I

1456

01:05:28,660 --> 01:05:26,870

understand this guy's about six-two and

1457

01:05:32,160 --> 01:05:28,670

he's been as high as 300 pounds for many

1458

01:05:35,800 --> 01:05:32,170

years and I mean he's the kind of guy

1459

01:05:40,630 --> 01:05:35,810

well imagine you two double hamburgers

1460

01:05:42,550 --> 01:05:40,640

at a session and then and I'm talking

1461

01:05:44,500 --> 01:05:42,560

about with fries and milkshakes and all

1462

01:05:47,730 --> 01:05:44,510

that I mean nobody that's why I spotted

1463

01:05:51,610 --> 01:05:47,740

in Vegas no these are bigger than him

1464

01:05:54,760 --> 01:05:51,620

but I'm we're talking about people that

1465

01:05:55,990 --> 01:05:54,770

would just blow your mind but but what

1466

01:05:57,910 --> 01:05:56,000

I'm saying is you know I don't wish that

1467

01:06:02,640 --> 01:05:57,920

on him you know I have some fondness for

1468

01:06:05,470 --> 01:06:02,650

him in spite of his evil but I mean he

1469

01:06:07,130 --> 01:06:05,480

they had to lop two toes off and I my

1470

01:06:09,550 --> 01:06:07,140

understanding is

1471

01:06:11,510 --> 01:06:09,560

he may have to wind up losing the foot

1472

01:06:14,500 --> 01:06:11,520

Wow

1473

01:06:17,180 --> 01:06:14,510

but I have heard that I have heard that

1474

01:06:18,740 --> 01:06:17,190

certain extreme diabetics could I guess

1475

01:06:21,890 --> 01:06:18,750

what is the vein system just

1476

01:06:24,170 --> 01:06:21,900

deteriorates or infections then yeah

1477

01:06:26,690 --> 01:06:24,180

it's like if you're diabetic and you

1478

01:06:28,520 --> 01:06:26,700

have to get surgery period or something

1479

01:06:31,850 --> 01:06:28,530

or you get a cut anywhere it just does

1480

01:06:34,670 --> 01:06:31,860

not heal like a regular person without

1481

01:06:37,520 --> 01:06:34,680

diabetes it's it's a terrible blood

1482

01:06:38,720 --> 01:06:37,530

circulation just reduces just doesn't

1483

01:06:40,610 --> 01:06:38,730

heal the same I don't really have a

1484

01:06:43,130 --> 01:06:40,620

problem course I'm just a borderline

1485

01:06:45,500 --> 01:06:43,140

diabetic I'm not really your diabetics

1486

01:06:47,060 --> 01:06:45,510

dog I get that I do is the dog getting

1487

01:06:48,530 --> 01:06:47,070

fighters all the time and they want to buy

1488

01:06:51,140 --> 01:06:48,540

techniques or try to bite the other dog

1489

01:06:54,140 --> 01:06:51,150

and I'm arms full scars and cuts

1490

01:06:55,520 --> 01:06:54,150

I feel pretty I heal pretty quick I mean

1491

01:06:59,980 --> 01:06:55,530

like almost instantly

1492

01:07:07,390 --> 01:07:04,610

but you know it's so crazy though I

1493

01:07:10,490 --> 01:07:07,400

don't know if you've heard of wonderful

1494

01:07:12,890 --> 01:07:10,500

supplement of turmeric and I was taken

1495

01:07:15,470 --> 01:07:12,900

to yes I take tumeric every day oh let

1496

01:07:17,570 --> 01:07:15,480

me tell you this is crazy so i i'm i was

1497

01:07:20,120 --> 01:07:17,580

taking turmeric for maybe six months and

1498

01:07:22,220 --> 01:07:20,130

and i noticed i was starting to bruise

1499

01:07:24,140 --> 01:07:22,230

easily and i'm like it if i got a

1500

01:07:25,400 --> 01:07:24,150

scratch it just bled and I'm like what

1501

01:07:27,740 --> 01:07:25,410

is going on

1502

01:07:29,270 --> 01:07:27,750

I like oh you know leukemia these are

1503

01:07:31,580 --> 01:07:29,280

like symptoms of that I go to my doctor

1504

01:07:33,890 --> 01:07:31,590

and they're like oh do you know that

1505

01:07:37,160 --> 01:07:33,900

timmreck does this to you it thins your

1506

01:07:40,640 --> 01:07:37,170

blood out and causes easy bruising and

1507

01:07:43,070 --> 01:07:40,650

bleeding I'm like oh my goodness so

1508

01:07:45,440 --> 01:07:43,080

that's something to beware and no that

1509

01:07:47,540 --> 01:07:45,450

happened so well I take it it has other

1510

01:07:49,220 --> 01:07:47,550

I've listed coast to coast shows and it

1511

01:07:51,860 --> 01:07:49,230

was supposed to be so wonderful about to

1512

01:07:55,580 --> 01:07:51,870

mercs I've been taking in time now and I

1513

01:07:59,720 --> 01:07:55,590

don't I don't have any diabetes but yeah

1514

01:08:02,840 --> 01:07:59,730

taking it - yeah not a good than too

1515

01:08:05,140 --> 01:08:02,850

much well gee whiz well bead what you

1516

01:08:09,560 --> 01:08:05,150

know actually that's the trouble is that

1517

01:08:11,330 --> 01:08:09,570

there my doctor told me once he was an

1518

01:08:12,920 --> 01:08:11,340

allergist I was going to yeah because

1519

01:08:14,630 --> 01:08:12,930

there's bad allergies in Texas with the

1520

01:08:18,080 --> 01:08:14,640

pollens and the dust that comes down

1521

01:08:20,140 --> 01:08:18,090

from the you know the desert he said he

1522

01:08:22,959 --> 01:08:20,150

knew a guy

1523

01:08:25,360 --> 01:08:22,969

hold a peach pit in his hand and have an

1524

01:08:28,090 --> 01:08:25,370

allergic reaction in other words are

1525

01:08:31,360 --> 01:08:28,100

such an extreme case of allergy and

1526

01:08:33,789 --> 01:08:31,370

there's people that have simple dimple

1527

01:08:36,399 --> 01:08:33,799

stuff like you know some compound you'd

1528

01:08:38,919 --> 01:08:36,409

find anywhere like raisins or something

1529

01:08:41,499 --> 01:08:38,929

and there's people that would croak from

1530

01:08:44,649 --> 01:08:41,509

that you know and it's just this amazing

1531

01:08:46,749 --> 01:08:44,659

variety of human reactions to common

1532

01:08:50,439 --> 01:08:46,759

compounds as well I have a lot of

1533

01:08:51,849 --> 01:08:50,449

allergies and the one cool element that

1534

01:08:55,209 --> 01:08:51,859

I learned about people with allergies

1535

01:08:59,200 --> 01:08:55,219

like Joe who's sneezing like crazy today

1536

01:09:01,269 --> 01:08:59,210

is people with allergies are have a

1537

01:09:08,430 --> 01:09:01,279

greater reduction of getting cancers

1538

01:09:13,570 --> 01:09:11,890

oh yeah I didn't think about that but I

1539

01:09:14,800 --> 01:09:13,580

guess their battles their systems are in

1540

01:09:17,079 --> 01:09:14,810

a battle with everything all the time

1541

01:09:18,490 --> 01:09:17,089

yeah constantly it does wear you down

1542

01:09:22,240 --> 01:09:18,500

because you feel like you have a cold

1543

01:09:24,220 --> 01:09:22,250

all the time and that really aggravating

1544

01:09:25,570 --> 01:09:24,230

yeah in the summer I'm that way but you

1545

01:09:28,030 --> 01:09:25,580

know when I go to Vegas that's one

1546

01:09:29,590 --> 01:09:28,040

things I did like about Vegas is that

1547

01:09:31,269 --> 01:09:29,600

you know of course if you fly into Vegas

1548

01:09:34,450 --> 01:09:31,279

you probably have some time haven't you

1549

01:09:35,950 --> 01:09:34,460

oh yeah have you well what I'm saying is

1550

01:09:38,709 --> 01:09:35,960

you know everything's dead around there

1551

01:09:41,740 --> 01:09:38,719

there's no nothing growing in green so

1552

01:09:44,200 --> 01:09:41,750

you don't have the pollens that you'd

1553

01:09:46,180 --> 01:09:44,210

have other places and it's like a big

1554

01:09:48,880 --> 01:09:46,190

allergy load is off of me when I go to

1555

01:09:52,360 --> 01:09:48,890

Vegas and also when I go as east bad as

1556

01:09:54,970 --> 01:09:52,370

Mississippi I got to feel good there but

1557

01:09:58,360 --> 01:09:54,980

what I'm saying is that it was a break

1558

01:10:00,010 --> 01:09:58,370

from that standpoint but um and I mean

1559

01:10:03,040 --> 01:10:00,020

that would oh I know what I was gonna

1560

01:10:04,840 --> 01:10:03,050

say is one thing I'm glad I don't have

1561

01:10:09,160 --> 01:10:04,850

and I hope you don't have it you have a

1562

01:10:11,350 --> 01:10:09,170

nut allergy no good cuz I mean I would

1563

01:10:13,959 --> 01:10:11,360

kill me because I you know I'm begging

1564

01:10:17,200 --> 01:10:13,969

enough a lot of my protein comes from

1565

01:10:19,000 --> 01:10:17,210

nuts and so forth if I had a nut allergy

1566

01:10:21,820 --> 01:10:19,010

I might have to just pass away right

1567

01:10:23,740 --> 01:10:21,830

then cuz I mean you can only get out you

1568

01:10:27,490 --> 01:10:23,750

know you can only come up with proteins

1569

01:10:29,709 --> 01:10:27,500

just so many places that's general but

1570

01:10:31,629 --> 01:10:29,719

my fact after the show's over the trial

1571

01:10:33,250 --> 01:10:31,639

and I'll probably eat a hand of cashews

1572

01:10:36,520 --> 01:10:33,260

or something together

1573

01:10:38,680 --> 01:10:36,530

but she looks at that as a big treat but

1574

01:10:40,000 --> 01:10:38,690

no Heidi that was interesting subject

1575

01:10:43,660 --> 01:10:40,010

matter we had earlier though it really

1576

01:10:45,520 --> 01:10:43,670

was and I really don't understand why

1577

01:10:47,260 --> 01:10:45,530

this is a hidden issue like Europe you

1578

01:10:50,470 --> 01:10:47,270

know you went to a Catholic college you

1579

01:10:52,720 --> 01:10:50,480

got degrees and you got a religious

1580

01:10:55,480 --> 01:10:52,730

experiences and yet this was an untold

1581

01:10:59,020 --> 01:10:55,490

water uncharted waters for you truly

1582

01:11:01,690 --> 01:10:59,030

like us and I myself out in my former

1583

01:11:04,630 --> 01:11:01,700

life I was even an Anglican ordained

1584

01:11:05,740 --> 01:11:04,640

Anglican deacon and a you know clergyman

1585

01:11:09,910 --> 01:11:05,750

and I didn't know what I think about

1586

01:11:11,950 --> 01:11:09,920

Eucharistic miracles to speak of and you

1587

01:11:16,050 --> 01:11:11,960

would think that it would truly be

1588

01:11:18,400 --> 01:11:16,060

common knowledge but it's not and I

1589

01:11:19,840 --> 01:11:18,410

don't understand how these things can be

1590

01:11:21,310 --> 01:11:19,850

hidden from the public because the

1591

01:11:24,280 --> 01:11:21,320

Catholic Church does not try to cover

1592

01:11:26,860 --> 01:11:24,290

them up in any way shape or form I mean

1593

01:11:29,560 --> 01:11:26,870

you could go Lourdes look at you know

1594

01:11:31,750 --> 01:11:29,570

crutches and all the remnants of miracle

1595

01:11:33,910 --> 01:11:31,760

cures and you can go to or any one of

1596

01:11:35,230 --> 01:11:33,920

these Eucharistic miracle sites I

1597

01:11:40,000 --> 01:11:35,240

mentioned if you could get over there

1598

01:11:44,890 --> 01:11:40,010

and see the oh did you look up the blood

1599

01:11:46,600 --> 01:11:44,900

of generis you said I did it says

1600

01:11:50,500 --> 01:11:46,610

Blenheim state generis has failed to

1601
01:11:52,960 --> 01:11:50,510
liquify at the expected time prompting

1602
01:11:56,260 --> 01:11:52,970
concerns about what it might signify I I

1603
01:11:58,600 --> 01:11:56,270
don't quite follow what well I think

1604
01:12:00,820 --> 01:11:58,610
this blood had been liquefying and

1605
01:12:03,520 --> 01:12:00,830
solidifying alternately on a certain

1606
01:12:06,490 --> 01:12:03,530
date for a couple hundred years or so oh

1607
01:12:08,380 --> 01:12:06,500
so it goes solid and then liquefies so

1608
01:12:09,730 --> 01:12:08,390
so they're there what if you don't have

1609
01:12:10,960 --> 01:12:09,740
yeah if you don't have the data if you

1610
01:12:17,520 --> 01:12:10,970
don't have the data on it won't bring it

1611
01:12:22,750 --> 01:12:20,740
as it always has that's what it wasn't

1612
01:12:26,020 --> 01:12:22,760
but I mean it had been doing this

1613
01:12:28,420 --> 01:12:26,030

miraculous function for ever in a day

1614

01:12:30,550 --> 01:12:28,430

and all of a sudden it didn't they

1615

01:12:34,240 --> 01:12:30,560

didn't know what is kept in a sealed

1616

01:12:36,700 --> 01:12:34,250

glass and traditionally liquefies three

1617

01:12:39,730 --> 01:12:36,710

times a year on September 19th December

1618

01:12:42,970 --> 01:12:39,740

16th and the Saturday before the first

1619

01:12:47,320 --> 01:12:42,980

Sunday of May but it just did not

1620

01:12:49,330 --> 01:12:47,330

this past December December 2016

1621

01:12:51,010 --> 01:12:49,340

and I've had their mitts on this blood

1622

01:12:56,560 --> 01:12:51,020

of genera since how long does it say

1623

01:12:59,790 --> 01:12:56,570

good say um around the Year 305 lat

1624

01:13:03,790 --> 01:12:59,800

who's believed to have been murdered Wow

1625

01:13:05,080 --> 01:13:03,800

Wow okay well it that's well see here

1626

01:13:09,490 --> 01:13:05,090

again nobody's ever heard of that either

1627

01:13:09,960 --> 01:13:09,500

till I brought never heard of such a

1628

01:13:13,930 --> 01:13:09,970

thing

1629

01:13:14,470 --> 01:13:13,940

many miracles associated with the church

1630

01:13:17,740 --> 01:13:14,480

that

1631

01:13:22,840 --> 01:13:17,750

oh I mean just tremendous amounts of

1632

01:13:24,610 --> 01:13:22,850

things there really are and what also in

1633

01:13:26,530 --> 01:13:24,620

doing the book on Marian apparitions I

1634

01:13:28,120 --> 01:13:26,540

found out is you know of course I

1635

01:13:30,220 --> 01:13:28,130

highlighted the ones that were fairly

1636

01:13:33,220 --> 01:13:30,230

public knowledge like Fatima and you

1637

01:13:35,860 --> 01:13:33,230

know Lourdes and all that but for every

1638

01:13:37,990 --> 01:13:35,870

one of those there's like a thousand

1639

01:13:39,910 --> 01:13:38,000

personal revelations they've had like

1640

01:13:42,760 --> 01:13:39,920

you had with your Jesus appearances and

1641

01:13:45,990 --> 01:13:42,770

stuff like that right so that so that I

1642

01:13:48,820 --> 01:13:46,000

mean you're talking about untold numbers

1643

01:13:50,290 --> 01:13:48,830

that are just for the individual for the

1644

01:13:54,130 --> 01:13:50,300

most part and not for general

1645

01:13:57,880 --> 01:13:54,140

publication and this is phenomenal stuff

1646

01:13:59,890 --> 01:13:57,890

it really is you know it's such a

1647

01:14:02,500 --> 01:13:59,900

laborious task writing a book you know

1648

01:14:03,970 --> 01:14:02,510

I'm here right of all the times Nick

1649

01:14:06,040 --> 01:14:03,980

Redfern writes um you know during a

1650

01:14:09,520 --> 01:14:06,050

lunch but I mean I thought you know

1651

01:14:13,660 --> 01:14:09,530

nervous but it doesn't need to be

1652

01:14:15,520 --> 01:14:13,670

written yeah that sounds like it well it

1653

01:14:18,520 --> 01:14:15,530

does I don't know what's coming up

1654

01:14:20,020 --> 01:14:18,530

Friday for you you know I have McDonald

1655

01:14:24,340 --> 01:14:20,030

coming on she's gonna be speaking about

1656

01:14:28,600 --> 01:14:24,350

various alien and UFO sightings and

1657

01:14:31,090 --> 01:14:28,610

encounters and military abductions well

1658

01:14:33,100 --> 01:14:31,100

that's pretty good yeah I'm good

1659

01:14:37,870 --> 01:14:33,110

well I don't know I mom have to take

1660

01:14:39,820 --> 01:14:37,880

that in I guess but we've got some good

1661

01:14:41,650 --> 01:14:39,830

shows coming up too we've got some good

1662

01:14:42,970 --> 01:14:41,660

shows coming up - it's good to be back

1663

01:14:49,510 --> 01:14:42,980

on the air we'd like to say we had a

1664

01:14:51,610 --> 01:14:49,520

little hiatus and well I needed it I

1665

01:14:53,920 --> 01:14:51,620

hadn't been a wall around offer you know

1666

01:14:55,510 --> 01:14:53,930

quite a while in the same year I kind of

1667

01:14:58,510 --> 01:14:55,520

want to get off to the mountain sometime

1668

01:15:00,520 --> 01:14:58,520

I think I'll do that come sometimes I

1669

01:15:02,740 --> 01:15:00,530

may go up to New York this winter for

1670

01:15:06,180 --> 01:15:02,750

a little bit nice I want it I want I

1671

01:15:08,470 --> 01:15:06,190

want to go when it's as cold as possible

1672

01:15:10,390 --> 01:15:08,480

but anyway I guess we'd better tell
