2  
00:00:12,870 --> 00:00:10,559  
reported around the world every month

3  
00:00:14,910 --> 00:00:12,880  
90 of these sightings can be explained

4  
00:00:17,670 --> 00:00:14,920  
but 10

5  
00:00:19,670 --> 00:00:17,680  
cannot officially and unofficially the

6  
00:00:22,390 --> 00:00:19,680  
us government has been investigating ufo

7  
00:00:24,150 --> 00:00:22,400

what's behind these unexplained

10  
00:00:33,750 --> 00:00:31,910  
the pentagon classifies these as unusual

11  
00:00:35,880 --> 00:00:33,760  
airborne anomalies

12  
00:00:40,310 --> 00:00:35,890

13  
00:00:45,910 --> 00:00:43,110

30

00:01:23,429 --> 00:01:22,159

31

00:01:24,870 --> 00:01:23,439

that's what you want to call it yeah

32

00:01:27,270 --> 00:01:24,880

33

00:01:28,469 --> 00:01:27,280

34

00:01:30,550 --> 00:01:28,479

35

00:01:31,510 --> 00:01:30,560

out they will pass on that okay okay

36

00:01:34,390 --> 00:01:31,520

whatever

37

00:01:36,550 --> 00:01:34,400

also at a disclosed location one studio

38

00:01:38,710 --> 00:01:36,560

over protected by bulletproof glass and

39

00:01:40,710 --> 00:01:38,720

sandbags i will not be drinking the

40

00:01:42,870 --> 00:01:40,720

ginger ginger ale that was provided to

41

00:01:44,310 --> 00:01:42,880

me for the show after that last comment

42

00:01:45,910 --> 00:01:44,320

by one

43

00:01:47,429 --> 00:01:45,920

i didn't even know what to do

44

00:01:49,109 --> 00:01:47,439

i guess smack the chick is that oh i see

45

00:01:50,870 --> 00:01:49,119

okay the pea and the cup thing okay all

46

00:01:55,350 --> 00:01:50,880

right all right well we're only 52

47

00:01:59,830 --> 00:01:57,270

anyway that was commander cobra you know

48

00:02:02,230 --> 00:01:59,840

once again stepping on his own intro

49

00:02:05,270 --> 00:02:02,240

that's right i thought i waited politely

50

00:02:07,350 --> 00:02:05,280

i didn't did i introduce you

51  
00:02:09,589 --> 00:02:07,360  
i thought you hadn't said my name no you

52  
00:02:10,550 --> 00:02:09,599  
didn't you you misheard

53  
00:02:11,990 --> 00:02:10,560  
um

54  
00:02:13,589 --> 00:02:12,000  
in

55  
00:02:16,630 --> 00:02:13,599  
a disclosed location separated by

56  
00:02:17,750 --> 00:02:16,640  
bulletproof glass and sandbags

57  
00:02:18,790 --> 00:02:17,760  
they call them on the street you know

58  
00:02:20,229 --> 00:02:18,800  
what they call them on the street one

59  
00:02:23,430 --> 00:02:20,239  
one

60  
00:02:25,430 --> 00:02:23,440  
what sandman coco it's coco cobra oh

61  
00:02:27,589 --> 00:02:25,440  
that's coco that's his rap name that's

62  
00:02:28,869 --> 00:02:27,599  
right do you remember your rap name

63  
00:02:31,190 --> 00:02:28,879

no i don't

64

00:02:33,190 --> 00:02:31,200

you do don't you was stupid no it wasn't

65

00:02:36,470 --> 00:02:33,200

it was cool it was do you remember cobra

66

00:02:42,150 --> 00:02:38,869

i had it written down jay jazzy swoop

67

00:02:44,309 --> 00:02:42,160

yeah i know the last part

68

00:02:45,670 --> 00:02:44,319

all right

69

00:02:46,949 --> 00:02:45,680

so the problem that he doesn't have

70

00:02:49,190 --> 00:02:46,959

because he's a man of action it's hard

71

00:02:51,190 --> 00:02:49,200

to shoot holding your pistol sideways

72

00:02:52,949 --> 00:02:51,200

saying jj swoop i know it wow i really

73

00:02:54,229 --> 00:02:52,959

like coco though you can just fan your

74

00:02:55,509 --> 00:02:54,239

hand right over the hammer if you have

75

00:02:57,830 --> 00:02:55,519

that are you talking about peeing in the

76  
00:02:59,270 --> 00:02:57,840  
cup are you talking about shooting a gun

77  
00:03:01,990 --> 00:02:59,280  
this one's for shoot and this one's for

78  
00:03:03,830 --> 00:03:02,000  
fun i'm going to leave it back

79  
00:03:05,430 --> 00:03:03,840  
this is my rifle this is my gun this is

80  
00:03:07,589 --> 00:03:05,440  
for fighting this is for fun must be a

81  
00:03:10,149 --> 00:03:07,599  
military thing folks what movie was that

82  
00:03:13,190 --> 00:03:10,159  
from i don't want to know

83  
00:03:14,630 --> 00:03:13,200  
bull metal jackass jack dormando

84  
00:03:15,830 --> 00:03:14,640  
terrible movie

85  
00:03:18,229 --> 00:03:15,840  
that was an awesome movie we were

86  
00:03:20,550 --> 00:03:18,239  
talking about stanley kubrick you know

87  
00:03:22,949 --> 00:03:20,560  
run out of his own

88  
00:03:25,430 --> 00:03:22,959

also huge fan in a a uh an attempt to

89

00:03:26,869 --> 00:03:25,440

kind of keep everything in line tonight

90

00:03:29,350 --> 00:03:26,879

sitting in with us i've said it before

91

00:03:31,270 --> 00:03:29,360

one one you know you get a good show

92

00:03:32,390 --> 00:03:31,280

when celebrities want to you know just

93

00:03:33,190 --> 00:03:32,400

drop in on you

94

00:03:34,869 --> 00:03:33,200

right

95

00:03:37,110 --> 00:03:34,879

and who's with us tonight live and in

96

00:03:38,630 --> 00:03:37,120

person but mitch stinson the carrier

97

00:03:41,430 --> 00:03:38,640

pilot turned

98

00:03:44,070 --> 00:03:41,440

stand-up comedian we should clap

99

00:03:45,830 --> 00:03:44,080

wow wow i get the ovation that's

100

00:03:47,190 --> 00:03:45,840

fantastic

101  
00:03:49,270 --> 00:03:47,200  
you know what i heard i heard that the

102  
00:03:51,110 --> 00:03:49,280  
uh the only way to get your rap name is

103  
00:03:53,030 --> 00:03:51,120  
to put the word little

104  
00:03:53,830 --> 00:03:53,040  
little in front of the last thing you

105  
00:03:55,990 --> 00:03:53,840  
ate

106  
00:03:58,229 --> 00:03:56,000  
little little cheerios a little bacon

107  
00:04:02,070 --> 00:03:58,239  
unfortunately i had a salami sandwich

108  
00:04:06,789 --> 00:04:05,350  
trying out new stuff there commander

109  
00:04:08,070 --> 00:04:06,799  
i'm not trying out your salami either i

110  
00:04:10,070 --> 00:04:08,080  
don't want the ginger ale and i don't

111  
00:04:11,830 --> 00:04:10,080  
want the cold cuts that's sick

112  
00:04:13,350 --> 00:04:11,840  
uh we should might as well uh salute the

113  
00:04:14,949 --> 00:04:13,360

commander too you know we missed a

114

00:04:17,749 --> 00:04:14,959

couple of weeks and it's an excellent

115

00:04:21,430 --> 00:04:17,759

thing i got a lot of expert guidance in

116

00:04:23,590 --> 00:04:21,440

the control room tonight with mitch yes

117

00:04:25,749 --> 00:04:23,600

being able to score

118

00:04:26,950 --> 00:04:25,759

and mentor the salute tonight

119

00:04:28,790 --> 00:04:26,960

oh i see right he's going to get

120

00:04:31,430 --> 00:04:28,800

judgmental okay so here we go

121

00:04:33,909 --> 00:04:31,440

okay contractually obligated absolutely

122

00:04:35,430 --> 00:04:33,919

salute

123

00:04:37,990 --> 00:04:35,440

there you go you can't you know you

124

00:04:39,670 --> 00:04:38,000

can't bring down your his point

125

00:04:41,670 --> 00:04:39,680

until he acknowledges the solution oh is

126  
00:04:43,350 --> 00:04:41,680  
that right yeah i must have worst salute

127  
00:04:44,950 --> 00:04:43,360  
in the movie of all time was in full

128  
00:04:46,469 --> 00:04:44,960  
metal jacket do you ever do you ever see

129  
00:04:47,749 --> 00:04:46,479  
that colonel absolutely that guy the guy

130  
00:04:49,110 --> 00:04:47,759  
looked like he was covering his eyes

131  
00:04:51,030 --> 00:04:49,120  
from the eclipse

132  
00:04:52,070 --> 00:04:51,040  
rather than saluting it was pretty but

133  
00:04:56,870 --> 00:04:52,080  
generally you don't have to cover your

134  
00:05:00,550 --> 00:04:59,270  
so um

135  
00:05:01,909 --> 00:05:00,560  
should we go around the table and say

136  
00:05:03,030 --> 00:05:01,919  
where we were during the eclipse even

137  
00:05:04,870 --> 00:05:03,040  
though we're talking to people in the

138  
00:05:06,710 --> 00:05:04,880

future maybe by two weeks

139

00:05:08,390 --> 00:05:06,720

one one what were you doing i was doing

140

00:05:10,390 --> 00:05:08,400

that i was out in the yard

141

00:05:12,550 --> 00:05:10,400

okay with the dogs i took the day off

142

00:05:14,950 --> 00:05:12,560

yep it was monday so i took the day off

143

00:05:16,950 --> 00:05:14,960

um you deserve it with uh hanging out

144

00:05:18,710 --> 00:05:16,960

with my wife yes

145

00:05:20,790 --> 00:05:18,720

and i went looked at my watch i went oh

146

00:05:22,550 --> 00:05:20,800

the eclipse is about ready to start so i

147

00:05:23,909 --> 00:05:22,560

went inside and watched it on tv okay

148

00:05:25,510 --> 00:05:23,919

because it wasn't really going to be

149

00:05:27,430 --> 00:05:25,520

that good around right yes up in

150

00:05:29,110 --> 00:05:27,440

northern northeast uh the united states

151  
00:05:30,870 --> 00:05:29,120  
it was you know i don't know 30 percent

152  
00:05:33,029 --> 00:05:30,880  
funding but some of the areas they

153  
00:05:34,629 --> 00:05:33,039  
covered were black it was blackout i'm

154  
00:05:36,870 --> 00:05:34,639  
going to say cobra was locked in his

155  
00:05:40,629 --> 00:05:36,880  
bunker you know with this former jacket

156  
00:05:42,070 --> 00:05:40,639  
on helmet survival food with mrs cobra

157  
00:05:43,029 --> 00:05:42,080  
did you think it was the other way

158  
00:05:45,990 --> 00:05:43,039  
coco

159  
00:05:46,870 --> 00:05:46,000  
romantic as that sounds uh no that was

160  
00:05:49,749 --> 00:05:46,880  
not

161  
00:05:51,670 --> 00:05:49,759  
mrs cobra was at work i was actually

162  
00:05:53,990 --> 00:05:51,680  
tending to the goats

163  
00:05:55,350 --> 00:05:54,000

who who had escaped once again through

164

00:05:57,110 --> 00:05:55,360

my uh

165

00:05:58,230 --> 00:05:57,120

intricate defenses that i have put up

166

00:05:59,350 --> 00:05:58,240

because the eclipse they knew the

167

00:06:00,390 --> 00:05:59,360

eclipse was coming they wanted to get

168

00:06:01,510 --> 00:06:00,400

yeah and they wanted to get on the

169

00:06:02,950 --> 00:06:01,520

computer because they couldn't really

170

00:06:04,710 --> 00:06:02,960

see it well from the yard so they wanted

171

00:06:07,909 --> 00:06:04,720

to watch in the community than you think

172

00:06:10,070 --> 00:06:07,919

they are yeah they are extremely smart

173

00:06:11,749 --> 00:06:10,080

great animals yes extremely mitch

174

00:06:14,150 --> 00:06:11,759

stinson where were you doing the eclipse

175

00:06:16,150 --> 00:06:14,160

i also as a stand-up comedian i also had

176

00:06:17,909 --> 00:06:16,160

the day off on monday

177

00:06:20,710 --> 00:06:17,919

monday through thursday it's usually my

178

00:06:22,629 --> 00:06:20,720

days off but yeah yeah exactly a little

179

00:06:24,150 --> 00:06:22,639

show business yeah

180

00:06:25,830 --> 00:06:24,160

i was outside i was up in maine and

181

00:06:27,189 --> 00:06:25,840

actually i didn't uh

182

00:06:29,350 --> 00:06:27,199

i did notice that even though it was

183

00:06:31,110 --> 00:06:29,360

only like 40 50 percent the sunlight was

184

00:06:32,309 --> 00:06:31,120

weird we had the bus we had no clouds

185

00:06:33,670 --> 00:06:32,319

and all sudden in the middle of the

186

00:06:34,710 --> 00:06:33,680

afternoon everything kind of had this

187

00:06:36,710 --> 00:06:34,720

weird

188

00:06:38,309 --> 00:06:36,720

look to it with that with a sun as high

189

00:06:40,469 --> 00:06:38,319

as it was on the horizon at the time it

190

00:06:42,309 --> 00:06:40,479

just kind of felt off it felt weird well

191

00:06:43,590 --> 00:06:42,319

yeah i was in a place called the

192

00:06:45,909 --> 00:06:43,600

winner's circle

193

00:06:47,670 --> 00:06:45,919

it's a bar where you can bet and the

194

00:06:49,590 --> 00:06:47,680

closest we came to the eclipse was that

195

00:06:51,590 --> 00:06:49,600

the bartender went up and down you know

196

00:06:53,909 --> 00:06:51,600

and he had they had one pair of glasses

197

00:06:55,749 --> 00:06:53,919

he says anyone anyone want to look at it

198

00:06:57,350 --> 00:06:55,759

no one said no no no

199

00:06:58,870 --> 00:06:57,360

we're watching the races from saratoga

200

00:07:00,950 --> 00:06:58,880

we're doing

201  
00:07:03,110 --> 00:07:00,960  
keno and we're also betting on who wants

202  
00:07:05,270 --> 00:07:03,120  
to be a millionaire which is still on tv

203  
00:07:06,950 --> 00:07:05,280  
i can't believe this is really yeah

204  
00:07:09,110 --> 00:07:06,960  
so anyway yeah that's how i saw these

205  
00:07:10,469 --> 00:07:09,120  
things wow yeah i didn't get any glasses

206  
00:07:11,909 --> 00:07:10,479  
but you know what that description i'm

207  
00:07:13,110 --> 00:07:11,919  
surprised you didn't bump into mitch and

208  
00:07:14,710 --> 00:07:13,120  
some of the other guys from the

209  
00:07:16,309 --> 00:07:14,720  
comedians local

210  
00:07:18,070 --> 00:07:16,319  
oh that's right they do they do a little

211  
00:07:19,749 --> 00:07:18,080  
uh tuesday night thing there actually

212  
00:07:21,749 --> 00:07:19,759  
yeah yeah right at the moment yeah right

213  
00:07:23,189 --> 00:07:21,759

right have you ever done that

214

00:07:25,510 --> 00:07:23,199

years ago i went down and did it it's

215

00:07:27,029 --> 00:07:25,520

like open mic you get to go down and try

216

00:07:29,029 --> 00:07:27,039

out some new stuff right it's usually a

217

00:07:30,309 --> 00:07:29,039

lot of fun it's a nice place i liked it

218

00:07:32,230 --> 00:07:30,319

it's oh yeah he's a little too busy

219

00:07:33,749 --> 00:07:32,240

doing radio appearances yeah this is

220

00:07:34,870 --> 00:07:33,759

this is more important for me right

221

00:07:37,670 --> 00:07:34,880

thank you

222

00:07:39,909 --> 00:07:37,680

so um now i'll just give a thumbnail on

223

00:07:42,309 --> 00:07:39,919

uh mitch uh mitch's background he was a

224

00:07:46,150 --> 00:07:42,319

carrier pilot for the us navy

225

00:07:47,830 --> 00:07:46,160

for a while and he uh left the service

226

00:07:49,749 --> 00:07:47,840

and eventually

227

00:07:51,510 --> 00:07:49,759

uh morphed into a stand-up comedian and

228

00:07:54,469 --> 00:07:51,520

i always ask you how can you it just

229

00:07:55,749 --> 00:07:54,479

seems like such a long lead from a to b

230

00:07:57,830 --> 00:07:55,759

to do something

231

00:07:59,510 --> 00:07:57,840

well morph is the right word because it

232

00:08:01,350 --> 00:07:59,520

doesn't happen overnight

233

00:08:02,230 --> 00:08:01,360

but uh but you know what it's funny

234

00:08:03,830 --> 00:08:02,240

because

235

00:08:05,510 --> 00:08:03,840

one of the things that i enjoyed about

236

00:08:07,589 --> 00:08:05,520

flying flying for the navy i mean i

237

00:08:09,110 --> 00:08:07,599

loved it but when it was time to move on

238

00:08:10,309 --> 00:08:09,120

it gives you the confidence to go out

239

00:08:11,350 --> 00:08:10,319

and do the things you want to do and

240

00:08:13,110 --> 00:08:11,360

that was something i wasn't wanting to

241

00:08:14,230 --> 00:08:13,120

do so i figured what the heck i gave it

242

00:08:16,390 --> 00:08:14,240

a shot and

243

00:08:17,589 --> 00:08:16,400

that's still at it so you stood for you

244

00:08:20,150 --> 00:08:17,599

used to fly yeah thank you for your

245

00:08:23,029 --> 00:08:20,160

service oh thank you you used to fly ec

246

00:08:25,510 --> 00:08:23,039

ec2 as well e2 yeah e2 hawkeyes which

247

00:08:27,430 --> 00:08:25,520

was the airborne early warning uh

248

00:08:29,749 --> 00:08:27,440

platform off the carriers

249

00:08:31,029 --> 00:08:29,759

oh here they are calling right now

250

00:08:32,790 --> 00:08:31,039

the navy

251

00:08:34,389 --> 00:08:32,800

did you forget to turn the plane in is

252

00:08:36,230 --> 00:08:34,399

that yeah sign the paperwork i'll get

253

00:08:38,389 --> 00:08:36,240

back to you they finally found you yeah

254

00:08:40,550 --> 00:08:38,399

they got hacked so these were basically

255

00:08:42,630 --> 00:08:40,560

they're the navy's version of a carry

256

00:08:44,230 --> 00:08:42,640

launch a wax plane exactly and they get

257

00:08:46,630 --> 00:08:44,240

the big saucer it looks like a flying

258

00:08:49,269 --> 00:08:46,640

saucer exactly yeah yeah and so you

259

00:08:51,750 --> 00:08:49,279

would have to take off in these things a

260

00:08:53,829 --> 00:08:51,760

powered steam launch right yeah which i

261

00:08:55,269 --> 00:08:53,839

hear is fun but the the landing part you

262

00:08:57,190 --> 00:08:55,279

know everyone knows is not a whole lot

263

00:08:58,949 --> 00:08:57,200

of fun right well you know what it was

264

00:09:01,269 --> 00:08:58,959

as it got over time i was a landing

265

00:09:02,389 --> 00:09:01,279

signal officer so i loved the carrier

266

00:09:04,550 --> 00:09:02,399

landings that was always the most

267

00:09:06,790 --> 00:09:04,560

exciting part daytime stuff was always a

268

00:09:08,150 --> 00:09:06,800

blast once once the sun went down is

269

00:09:10,070 --> 00:09:08,160

when everything kind of changed and

270

00:09:12,470 --> 00:09:10,080

that's when uh it became more of an

271

00:09:13,990 --> 00:09:12,480

effort thing than a a fun thing right it

272

00:09:16,230 --> 00:09:14,000

was usually the nighttime stuff made

273

00:09:18,310 --> 00:09:16,240

things a little nerve-wracking there's a

274

00:09:20,790 --> 00:09:18,320

show and discovery about you know two

275

00:09:22,150 --> 00:09:20,800

hours i mean two days on i don't know

276

00:09:24,630 --> 00:09:22,160

what might have been the ronald reagan

277

00:09:26,470 --> 00:09:24,640

or something or maybe an earlier camera

278

00:09:27,990 --> 00:09:26,480

and they're flying it's snowing out the

279

00:09:29,750 --> 00:09:28,000

way you know they're helping them not to

280

00:09:31,430 --> 00:09:29,760

land some freaking place

281

00:09:33,910 --> 00:09:31,440

and one guy

282

00:09:35,269 --> 00:09:33,920

misses okay so now he has to go up and

283

00:09:38,150 --> 00:09:35,279

the guys explain that he says if he

284

00:09:40,070 --> 00:09:38,160

misses this time then he has to he has

285

00:09:41,910 --> 00:09:40,080

to bolt the roth yeah we have to launch

286

00:09:43,829 --> 00:09:41,920

a refueling plane right and then get

287

00:09:45,590 --> 00:09:43,839

another refueling plane ready in case

288

00:09:47,030 --> 00:09:45,600

you have to refuel the refueling plant

289

00:09:49,990 --> 00:09:47,040

because the guy is up there taking most

290

00:09:52,230 --> 00:09:50,000

of its gas right again and it's like wow

291

00:09:53,910 --> 00:09:52,240

man it's that's i could imagine the

292

00:09:55,590 --> 00:09:53,920

nerve wracking well you know what you

293

00:09:56,790 --> 00:09:55,600

know what's funny is at nighttime we

294

00:09:58,389 --> 00:09:56,800

always just say especially the younger

295

00:09:59,990 --> 00:09:58,399

parts we had called your night in a

296

00:10:01,110 --> 00:10:00,000

barrel and that's usually when you were

297

00:10:02,389 --> 00:10:01,120

having one of those nights where you

298

00:10:03,670 --> 00:10:02,399

just couldn't catch a wire and you were

299

00:10:05,590 --> 00:10:03,680

going around and around around and you

300

00:10:07,030 --> 00:10:05,600

always had to go find the tanker but it

301  
00:10:09,269 --> 00:10:07,040  
was funny to me because especially when

302  
00:10:10,710 --> 00:10:09,279  
i was on the platform as an Iso as this

303  
00:10:12,550 --> 00:10:10,720  
kid would be struggling we'd finally get

304  
00:10:14,630 --> 00:10:12,560  
him aboard the ship and there was a

305  
00:10:16,710 --> 00:10:14,640  
tanker pilot he was always the last guy

306  
00:10:18,069 --> 00:10:16,720  
aboard and no one ever worried about him

307  
00:10:20,230 --> 00:10:18,079  
yeah like you know he didn't have to

308  
00:10:21,670 --> 00:10:20,240  
tank he just he's the last guy on the

309  
00:10:23,110 --> 00:10:21,680  
ship he always landed without any

310  
00:10:24,790 --> 00:10:23,120  
question everybody was relaxed by the

311  
00:10:26,389 --> 00:10:24,800  
time he got on there

312  
00:10:28,870 --> 00:10:26,399  
so i was i always admired the tanker

313  
00:10:30,470 --> 00:10:28,880

pilots yeah last one to go i still can't

314

00:10:32,310 --> 00:10:30,480

i've seen that a million times like in

315

00:10:33,430 --> 00:10:32,320

tv and then movies i still can't

316

00:10:35,110 --> 00:10:33,440

understand how they could do that i

317

00:10:36,710 --> 00:10:35,120

think that is just it's like landing on

318

00:10:37,829 --> 00:10:36,720

a postage stamp no i mean refueling in

319

00:10:39,990 --> 00:10:37,839

there

320

00:10:41,670 --> 00:10:40,000

yeah to plug that thing into

321

00:10:43,829 --> 00:10:41,680

you know to have the mail go into the

322

00:10:45,110 --> 00:10:43,839

female the way they do so slowly

323

00:10:46,470 --> 00:10:45,120

yeah the navy does a lot different than

324

00:10:48,389 --> 00:10:46,480

the air force the air force actually

325

00:10:50,069 --> 00:10:48,399

with the bigger tankers they can uh they

326

00:10:52,310 --> 00:10:50,079

have a probe that they the guy on the

327

00:10:54,949 --> 00:10:52,320

hold on hold on hold on

328

00:10:59,190 --> 00:10:54,959

secret word probe oh probe okay there

329

00:10:59,200 --> 00:11:03,110

tonight thank you very um

330

00:11:06,069 --> 00:11:04,630

i'm sorry go ahead the navy does it

331

00:11:07,670 --> 00:11:06,079

differently than me yeah so the air

332

00:11:10,150 --> 00:11:07,680

force you know has a boom operator and

333

00:11:12,230 --> 00:11:10,160

he he would he would put the probe there

334

00:11:13,750 --> 00:11:12,240

you go right on the uh right into the

335

00:11:17,829 --> 00:11:13,760

air forces uh

336

00:11:22,790 --> 00:11:20,710

so they got probe receptacle and group

337

00:11:24,870 --> 00:11:22,800

earlier together earlier

338

00:11:27,430 --> 00:11:24,880

already but uh yeah so the navy was we

339

00:11:28,790 --> 00:11:27,440

call it the basket in the navy yeah so

340

00:11:30,790 --> 00:11:28,800

we would go ahead and head back i'd just

341

00:11:32,630 --> 00:11:30,800

like to make two quick points if i may

342

00:11:35,190 --> 00:11:32,640

uh the other aviator that's on board

343

00:11:38,470 --> 00:11:35,200

tonight uh for a quick tip the mitch is

344

00:11:40,870 --> 00:11:38,480

being extremely um modest you don't get

345

00:11:42,790 --> 00:11:40,880

to do the lso and talk other folks into

346

00:11:45,910 --> 00:11:42,800

the landing unless you really have your

347

00:11:48,310 --> 00:11:45,920

stuff wired and he did there's no doubt

348

00:11:50,550 --> 00:11:48,320

about that um and that's that is no

349

00:11:51,430 --> 00:11:50,560

small honor and the airplane that he

350

00:11:52,949 --> 00:11:51,440

flew

351

00:11:54,790 --> 00:11:52,959

uh has a reputation of being one of the

352

00:11:56,310 --> 00:11:54,800

most difficult airplanes to get on the

353

00:11:58,470 --> 00:11:56,320

boat

354

00:12:00,550 --> 00:11:58,480

the hawkeye is not an easy bird to fly

355

00:12:02,550 --> 00:12:00,560

because she doesn't have

356

00:12:04,710 --> 00:12:02,560

the same kind of displacement with the

357

00:12:07,030 --> 00:12:04,720

flight controls uh that you get from a

358

00:12:10,150 --> 00:12:07,040

jet-powered aircraft that turbo powered

359

00:12:12,870 --> 00:12:10,160

aircraft and i spent some time in the c2

360

00:12:14,310 --> 00:12:12,880

which is its uh ugly sister cousin oh

361

00:12:15,590 --> 00:12:14,320

yeah a

362

00:12:16,949 --> 00:12:15,600

combination to that airplane same

363

00:12:19,509 --> 00:12:16,959

manufacturer just a slightly different

364

00:12:21,190 --> 00:12:19,519

fuselage arrangement uh the other part

365

00:12:22,310 --> 00:12:21,200

that you guys are bringing up that i

366

00:12:25,750 --> 00:12:22,320

thought was

367

00:12:27,750 --> 00:12:25,760

of of interest uh going forward on there

368

00:12:30,230 --> 00:12:27,760

is that when you talk about carrier

369

00:12:31,910 --> 00:12:30,240

operations and uh being stuck in the

370

00:12:33,750 --> 00:12:31,920

barrel and having all those wonderful

371

00:12:35,110 --> 00:12:33,760

times

372

00:12:50,230 --> 00:12:35,120

the

373

00:12:51,590 --> 00:12:50,240

comes up to air force

374

00:12:53,750 --> 00:12:51,600

most of the navy fighters don't have a

375

00:12:54,790 --> 00:12:53,760

receptacle in them

376

00:12:56,470 --> 00:12:54,800

so

377

00:12:59,990 --> 00:12:56,480

they actually have to hit a drogue

378

00:13:01,750 --> 00:13:00,000

arrangement on the boom right

379

00:13:03,269 --> 00:13:01,760

which is tougher

380

00:13:05,110 --> 00:13:03,279

um i think

381

00:13:07,590 --> 00:13:05,120

hitting the uh

382

00:13:10,470 --> 00:13:07,600

hitting the the power drogue especially

383

00:13:12,150 --> 00:13:10,480

at night yeah is more difficult because

384

00:13:13,350 --> 00:13:12,160

you have nothing to you don't have a lot

385

00:13:15,269 --> 00:13:13,360

of lights to work with you're just

386

00:13:17,829 --> 00:13:15,279

looking basically at the wing

387

00:13:20,870 --> 00:13:17,839

uh when you drive up behind the uh

388

00:13:22,230 --> 00:13:20,880

uh your 135 tanker or kc10 tanker you

389

00:13:23,670 --> 00:13:22,240

have a series of lights and you have the

390

00:13:25,269 --> 00:13:23,680

fuselage and you have something that you

391

00:13:27,190 --> 00:13:25,279

can work with and then once you hold

392

00:13:29,670 --> 00:13:27,200

that position the guy the boom operator

393

00:13:31,190 --> 00:13:29,680

drives it in right so yeah right

394

00:13:32,389 --> 00:13:31,200

all right well the other thing that's

395

00:13:34,470 --> 00:13:32,399

really nice is that when you use the

396

00:13:35,910 --> 00:13:34,480

boom you can move about 10 times the

397

00:13:37,190 --> 00:13:35,920

amount of fuel so you don't have to stay

398

00:13:39,430 --> 00:13:37,200

there all day

399

00:13:41,269 --> 00:13:39,440

so there are times in the navy that you

400

00:13:43,230 --> 00:13:41,279

actually that's burning almost as much

401  
00:13:45,110 --> 00:13:43,240  
fuel as you're taking on because of that

402  
00:13:48,550 --> 00:13:45,120  
situational weather

403  
00:13:49,910 --> 00:13:48,560  
that's big yikes

404  
00:13:51,910 --> 00:13:49,920  
what do you think they want one it's

405  
00:13:53,990 --> 00:13:51,920  
awesome yeah it is awesome

406  
00:13:56,389 --> 00:13:54,000  
uh so anyway mitch i was on land all the

407  
00:13:58,150 --> 00:13:56,399  
time yeah me too that's where i would be

408  
00:14:00,150 --> 00:13:58,160  
the nathan's on land mitch thanks for

409  
00:14:01,910 --> 00:14:00,160  
joining us tonight glad to have you sit

410  
00:14:03,030 --> 00:14:01,920  
in and to uh you know join in the

411  
00:14:04,949 --> 00:14:03,040  
alleged fund

412  
00:14:06,949 --> 00:14:04,959  
um i just want to see a couple things

413  
00:14:08,389 --> 00:14:06,959

real quick from my last show a couple

414

00:14:10,470 --> 00:14:08,399

weeks ago we're talking about the

415

00:14:12,550 --> 00:14:10,480

wrecking crew one one yeah and people

416

00:14:14,550 --> 00:14:12,560

just want us to explain again you know

417

00:14:16,230 --> 00:14:14,560

what they were who they were

418

00:14:18,389 --> 00:14:16,240

they were uh

419

00:14:19,990 --> 00:14:18,399

conglomeration of studio musicians right

420

00:14:21,910 --> 00:14:20,000

they're the consummate student musicians

421

00:14:24,389 --> 00:14:21,920

band that bite together all the time in

422

00:14:25,750 --> 00:14:24,399

in l.a in the 60s and the 70s and they

423

00:14:28,310 --> 00:14:25,760

played on

424

00:14:31,430 --> 00:14:28,320

probably 80 of the number one hits from

425

00:14:33,750 --> 00:14:31,440

american artists in that time um they

426  
00:14:35,350 --> 00:14:33,760  
played on all the birds song every beach

427  
00:14:36,710 --> 00:14:35,360  
boy song you've ever heard

428  
00:14:38,230 --> 00:14:36,720  
is the wrecking crew playing i always

429  
00:14:41,509 --> 00:14:38,240  
thought it was just the beach boys yeah

430  
00:14:44,310 --> 00:14:41,519  
no it's them yeah it's it's in and um

431  
00:14:46,389 --> 00:14:44,320  
you know bands like the association and

432  
00:14:47,829 --> 00:14:46,399  
simon garfunkel it goes on and on and on

433  
00:14:49,350 --> 00:14:47,839  
and on um

434  
00:14:50,949 --> 00:14:49,360  
they um so so there were a bunch of

435  
00:14:53,110 --> 00:14:50,959  
studio musicians at the record companies

436  
00:14:55,350 --> 00:14:53,120  
to save time to save money to put the

437  
00:14:58,150 --> 00:14:55,360  
stars in have them sing a song that a

438  
00:14:59,670 --> 00:14:58,160

lot of times already pre-recorded and uh

439

00:15:01,030 --> 00:14:59,680

and and then it'd be a hit two weeks

440

00:15:03,269 --> 00:15:01,040

later because these guys just knew how

441

00:15:04,710 --> 00:15:03,279

to do it so they were they were

442

00:15:06,310 --> 00:15:04,720

and they didn't sound

443

00:15:08,710 --> 00:15:06,320

alike they didn't sound

444

00:15:10,389 --> 00:15:08,720

like the same the same guy's playing

445

00:15:11,509 --> 00:15:10,399

that's what was amazing

446

00:15:13,350 --> 00:15:11,519

they sound like different bands yeah

447

00:15:16,389 --> 00:15:13,360

they they recreated themselves for every

448

00:15:18,870 --> 00:15:16,399

artist same people who played on

449

00:15:20,949 --> 00:15:18,880

beach boys songs yep played on macarthur

450

00:15:23,269 --> 00:15:20,959

park remember magatha parkhouse how you

451  
00:15:25,430 --> 00:15:23,279  
know incredibly large and symphonic that

452  
00:15:27,509 --> 00:15:25,440  
is seeing people like a phil spector

453  
00:15:29,430 --> 00:15:27,519  
yeah so the wrecking crew there's a

454  
00:15:30,949 --> 00:15:29,440  
movie out there um

455  
00:15:32,470 --> 00:15:30,959  
on youtube i watched some of it today

456  
00:15:33,590 --> 00:15:32,480  
the wrecking crew so it's an interesting

457  
00:15:34,949 --> 00:15:33,600  
if you're at the music it's interesting

458  
00:15:36,629 --> 00:15:34,959  
and and they were all they were behind

459  
00:15:37,990 --> 00:15:36,639  
the scenes for years time netflix

460  
00:15:40,710 --> 00:15:38,000  
streaming i think and then yeah i think

461  
00:15:41,990 --> 00:15:40,720  
so and then the monkeys time

462  
00:15:43,269 --> 00:15:42,000  
magazine reporter was following the

463  
00:15:44,550 --> 00:15:43,279

monkeys around one day and they said oh

464

00:15:45,670 --> 00:15:44,560

we're going to go over and record a song

465

00:15:47,590 --> 00:15:45,680

and he and he followed him right in and

466

00:15:48,710 --> 00:15:47,600

there's the wrecking crew and up until

467

00:15:50,150 --> 00:15:48,720

that point the reporter thought the

468

00:15:51,110 --> 00:15:50,160

monkeys everyone died yeah they played

469

00:15:53,110 --> 00:15:51,120

their own instruments they're a real

470

00:15:53,990 --> 00:15:53,120

band that was the genie out of the

471

00:15:56,069 --> 00:15:54,000

bottle and there's the end of the

472

00:15:57,990 --> 00:15:56,079

monkeys and it also kind of brought you

473

00:15:59,189 --> 00:15:58,000

know a slow end to the wrecking crew too

474

00:16:01,189 --> 00:15:59,199

you know but

475

00:16:03,670 --> 00:16:01,199

yeah interesting anyway since we're in

476

00:16:05,829 --> 00:16:03,680

the arts uh any comment for the people

477

00:16:07,590 --> 00:16:05,839

in the future as we talk in the past

478

00:16:08,550 --> 00:16:07,600

about mr lewis

479

00:16:10,069 --> 00:16:08,560

passing

480

00:16:11,430 --> 00:16:10,079

jerry lewis yeah

481

00:16:15,030 --> 00:16:11,440

mitch do you think do you think the

482

00:16:17,030 --> 00:16:15,040

clown movie will finally uh be shown now

483

00:16:17,749 --> 00:16:17,040

the day the clown cried

484

00:16:19,990 --> 00:16:17,759

yeah

485

00:16:22,150 --> 00:16:20,000

he was a dark film he was a he was a

486

00:16:23,670 --> 00:16:22,160

true true comedic genius because you

487

00:16:25,749 --> 00:16:23,680

look at a lot of times too is is that

488

00:16:27,990 --> 00:16:25,759

over years you watch the various sticks

489

00:16:29,670 --> 00:16:28,000

of other comics as the years go on but i

490

00:16:31,829 --> 00:16:29,680

mean innovators are innovators and for

491

00:16:33,509 --> 00:16:31,839

him to him to start crafting everything

492

00:16:35,430 --> 00:16:33,519

from start to finish and the way he did

493

00:16:36,870 --> 00:16:35,440

it at the time he did it yeah and that's

494

00:16:38,069 --> 00:16:36,880

what i always marvel at is you know so

495

00:16:39,350 --> 00:16:38,079

you look back at some of those old

496

00:16:41,350 --> 00:16:39,360

timers that were first breaking out i

497

00:16:43,110 --> 00:16:41,360

mean there was vaudeville which was not

498

00:16:44,710 --> 00:16:43,120

what he was involved with as much but i

499

00:16:46,790 --> 00:16:44,720

mean he created his own market for

500

00:16:49,430 --> 00:16:46,800

himself and that's always impressive and

501  
00:16:50,389 --> 00:16:49,440  
then of course he did all his own movies

502  
00:16:52,790 --> 00:16:50,399  
yeah yeah

503  
00:16:54,470 --> 00:16:52,800  
he did one i saw once that he he did a

504  
00:16:56,069 --> 00:16:54,480  
movie and it was i think it might have

505  
00:16:57,829 --> 00:16:56,079  
been like the bellhop you know and

506  
00:16:59,430 --> 00:16:57,839  
that's that's what he used to do right

507  
00:17:01,990 --> 00:16:59,440  
he'd be like the bell hop who would drop

508  
00:17:03,829 --> 00:17:02,000  
stuff all that visual comedy

509  
00:17:05,429 --> 00:17:03,839  
so but he directed that and he was his

510  
00:17:07,189 --> 00:17:05,439  
production company and he he just

511  
00:17:09,510 --> 00:17:07,199  
thought it was wasteful for

512  
00:17:12,870 --> 00:17:09,520  
set up cameras go here do this that so

513  
00:17:14,150 --> 00:17:12,880

he built a hotel in on the set but it

514

00:17:15,590 --> 00:17:14,160

was each interview it was like nine

515

00:17:17,350 --> 00:17:15,600

individual rooms and that's all they

516

00:17:19,270 --> 00:17:17,360

really you know so that's all they

517

00:17:20,870 --> 00:17:19,280

needed yeah and he had cameras set up in

518

00:17:22,870 --> 00:17:20,880

all of them okay so you don't have to

519

00:17:24,230 --> 00:17:22,880

screw around you're getting and then the

520

00:17:25,429 --> 00:17:24,240

actors were just going to the room with

521

00:17:26,630 --> 00:17:25,439

the set where they were supposed to do

522

00:17:28,789 --> 00:17:26,640

it but they were on they looked like

523

00:17:30,230 --> 00:17:28,799

hollywood squares in a way and do their

524

00:17:32,230 --> 00:17:30,240

scene and he like you know he finished

525

00:17:34,390 --> 00:17:32,240

the movie in like one-third the time one

526

00:17:35,750 --> 00:17:34,400

third the budget and he was controlling

527

00:17:37,510 --> 00:17:35,760

everything so even though and he wasn't

528

00:17:38,950 --> 00:17:37,520

the nicest guy in the world i think he

529

00:17:40,710 --> 00:17:38,960

had problems with his family and they

530

00:17:42,870 --> 00:17:40,720

had problems with him but he was an

531

00:17:44,470 --> 00:17:42,880

innovator as far as you know comedian

532

00:17:47,190 --> 00:17:44,480

yes but also behind the scenes he did a

533

00:17:49,510 --> 00:17:47,200

lot of first guy to have a video camera

534

00:17:51,510 --> 00:17:49,520

next to a film camera

535

00:17:53,029 --> 00:17:51,520

yeah so they could see on the video if

536

00:17:54,710 --> 00:17:53,039

the scene on the film was good and that

537

00:17:56,630 --> 00:17:54,720

amazing yeah he did a lot of stuff like

538

00:17:58,950 --> 00:17:56,640

that you know but it's like les paul

539

00:18:01,990 --> 00:17:58,960

with his guitar never nominated though

540

00:18:04,150 --> 00:18:02,000

for the academy award in any position

541

00:18:05,430 --> 00:18:04,160

right he was in a movie called the king

542

00:18:07,510 --> 00:18:05,440

of comedy

543

00:18:10,390 --> 00:18:07,520

yeah yeah absolutely

544

00:18:12,470 --> 00:18:10,400

tough movie movie and he is really good

545

00:18:14,789 --> 00:18:12,480

in it because he plays himself right you

546

00:18:16,230 --> 00:18:14,799

know yeah he plays a prick anyway and

547

00:18:17,190 --> 00:18:16,240

i'm saying that as a verb

548

00:18:20,710 --> 00:18:17,200

um

549

00:18:22,150 --> 00:18:20,720

because they see movie it's it's just

550

00:18:24,710 --> 00:18:22,160

it's wait wait wait wait wait wait

551

00:18:26,470 --> 00:18:24,720

you're the writer he played a prick and

552

00:18:29,750 --> 00:18:26,480

you said that was a ver and you used it

553

00:18:33,590 --> 00:18:31,590

says we can't use it unless we use it as

554

00:18:35,430 --> 00:18:33,600

oh then actually remember uh you know

555

00:18:37,669 --> 00:18:35,440

what i mean like i pricked myself

556

00:18:39,350 --> 00:18:37,679

the orientation coco weren't you there

557

00:18:41,750 --> 00:18:39,360

he picked up his role is what you're

558

00:18:42,870 --> 00:18:41,760

saying he verbed it there you go

559

00:18:44,549 --> 00:18:42,880

we'd really like to get through this

560

00:18:46,630 --> 00:18:44,559

show without any edits tomorrow because

561

00:18:50,710 --> 00:18:46,640

i got things to do tomorrow and so does

562

00:18:52,789 --> 00:18:50,720

jeff visit this kino there's you know

563

00:18:55,430 --> 00:18:52,799

when's the next eclipse

564

00:18:56,789 --> 00:18:55,440

yeah when is the next eclipse 2024.

565

00:18:58,470 --> 00:18:56,799

really yeah yeah we'll be around for

566

00:19:00,549 --> 00:18:58,480

that we'll probably be right here yeah

567

00:19:02,310 --> 00:19:00,559

we're starting the show anyway um i

568

00:19:04,549 --> 00:19:02,320

should say too is that we've been

569

00:19:06,870 --> 00:19:04,559

talking off here for about the past

570

00:19:08,630 --> 00:19:06,880

month or so um only because some of our

571

00:19:11,110 --> 00:19:08,640

listeners have suggested it whether we'd

572

00:19:13,590 --> 00:19:11,120

ever do a show before a live audience

573

00:19:15,669 --> 00:19:13,600

okay now this is yeah i know see here's

574

00:19:16,950 --> 00:19:15,679

the guy who's profession is to go before

575

00:19:18,470 --> 00:19:16,960

live audience and look stunned and

576

00:19:20,710 --> 00:19:18,480

shocked and he's shaking his head no

577

00:19:22,390 --> 00:19:20,720

he's giving the non-verbal no

578

00:19:24,950 --> 00:19:22,400

well you know what no it could be a lot

579

00:19:26,950 --> 00:19:24,960

of fun well yeah you guys you guys can

580

00:19:28,470 --> 00:19:26,960

carry it it could be yeah i would enjoy

581

00:19:29,750 --> 00:19:28,480

it i don't know

582

00:19:33,029 --> 00:19:29,760

thank you mitch you have to wear

583

00:19:34,870 --> 00:19:33,039

something good though you'd have to yeah

584

00:19:36,830 --> 00:19:34,880

that's not what i'm wearing now

585

00:19:37,029 --> 00:19:36,840

this is good

586

00:19:39,270 --> 00:19:37,039

is it depends on what you're you know

587

00:19:42,070 --> 00:19:40,310

what you're like that's like your

588

00:19:46,230 --> 00:19:42,080

persona it's going to be you know it

589

00:19:50,070 --> 00:19:48,070

look like this i like to freshen up my

590

00:19:51,990 --> 00:19:50,080

591

00:19:54,230 --> 00:19:52,000

592

00:19:56,390 --> 00:19:54,240

there so anyway um i talked to pistol

593

00:19:58,950 --> 00:19:56,400

pete about it and he's cool with it we

594

00:20:00,789 --> 00:19:58,960

have enough room for ten people all

595

00:20:02,950 --> 00:20:00,799

right and we only have two tickets left

596

00:20:04,470 --> 00:20:02,960

two openings left so if anyone developed

597

00:20:06,310 --> 00:20:04,480

ten people in

598

00:20:07,750 --> 00:20:06,320

that room yep because three or four of

599

00:20:09,029 --> 00:20:07,760

if you're not doing anything well it

616

00:20:46,149 --> 00:20:43,760

sounds interesting already that's about

617

00:20:47,669 --> 00:20:46,159

the normal crowd size i do 10 people

618

00:20:49,430 --> 00:20:47,679

that's

619

00:20:51,350 --> 00:20:49,440

one last thing i wanted to mention to

620

00:20:53,590 --> 00:20:51,360

you because i said this on the air we

621

00:20:55,669 --> 00:20:53,600

went down to see lois lane and i see you

622

00:20:57,029 --> 00:20:55,679

it was about a month ago now right yeah

623

00:21:00,070 --> 00:20:57,039

and uh you're wrong with two other

624

00:21:02,149 --> 00:21:00,080

comedians and i'm telling you we left

625

00:21:03,990 --> 00:21:02,159

throughout throughout because all three

626

00:21:06,230 --> 00:21:04,000

guys were funny awesome you were funny

627

00:21:08,230 --> 00:21:06,240

that guy who made the made himself look

628

00:21:10,230 --> 00:21:08,240

like robert de niro oh yeah yeah dave

629

00:21:11,909 --> 00:21:10,240

russo very funny really funny and the

630

00:21:13,750 --> 00:21:11,919

other guy was funny too and we just

631

00:21:15,270 --> 00:21:13,760

laughed we just left right and then the

632

00:21:18,390 --> 00:21:15,280

next week

633

00:21:20,870 --> 00:21:18,400

uh lenny clark and jackie jones

634

00:21:23,190 --> 00:21:20,880

and i didn't know is it is it not cool

635

00:21:25,590 --> 00:21:23,200

comedy wise to you know

636

00:21:27,270 --> 00:21:25,600

talk about those guys well no i mean

637

00:21:28,630 --> 00:21:27,280

comedy is subjective you know so

638

00:21:30,710 --> 00:21:28,640

depending i mean i know that was with

639

00:21:32,149 --> 00:21:30,720

jackie the joke man he tends to work a

640

00:21:33,750 --> 00:21:32,159

little on the blue side so some people

641

00:21:35,110 --> 00:21:33,760

don't like the blue side of comedy you

642

00:21:36,950 --> 00:21:35,120

know so i mean if it was funny they

643

00:21:39,029 --> 00:21:36,960

might like it a little more well i mean

644

00:21:41,669 --> 00:21:39,039

again you know that's i think they're

645

00:21:44,310 --> 00:21:41,679

hilarious myself but i i also understand

646

00:21:46,310 --> 00:21:44,320

that every every audience has a various

647

00:21:48,070 --> 00:21:46,320

type of comedy that they enjoy

648

00:21:49,909 --> 00:21:48,080

and the time you'll laugh at the cool

649

00:21:52,549 --> 00:21:49,919

part the cool part about like it doesn't

650

00:21:54,630 --> 00:21:52,559

have to be a and that's lenny right now

651  
00:21:57,190 --> 00:21:54,640  
tell them i gotta change my name i'm

652  
00:21:58,870 --> 00:21:57,200  
sorry i don't

653  
00:22:00,149 --> 00:21:58,880  
i don't want to uh you know but i didn't

654  
00:22:02,149 --> 00:22:00,159  
know whether it whether you can't talk

655  
00:22:04,070 --> 00:22:02,159  
about just like me i i can't really talk

656  
00:22:05,750 --> 00:22:04,080  
about like the best-selling hack writers

657  
00:22:07,669 --> 00:22:05,760  
that are out there you know stephen king

658  
00:22:10,230 --> 00:22:07,679  
you know

659  
00:22:12,470 --> 00:22:10,240  
it would be on sale

660  
00:22:14,310 --> 00:22:12,480  
so anyway well it was very funny

661  
00:22:15,909 --> 00:22:14,320  
definitely as a verb we look back on

662  
00:22:16,950 --> 00:22:15,919  
that on that weekend

663  
00:22:19,110 --> 00:22:16,960

because

664

00:22:20,710 --> 00:22:19,120

you know you're three comedians right

665

00:22:22,230 --> 00:22:20,720

and yeah and

666

00:22:23,669 --> 00:22:22,240

if on a good night two of them are good

667

00:22:25,029 --> 00:22:23,679

and then the other one yeah yeah but all

668

00:22:27,190 --> 00:22:25,039

three of these guys were funny different

669

00:22:28,710 --> 00:22:27,200

kind of humor but yeah that was laughing

670

00:22:30,230 --> 00:22:28,720

that was a fun night i was glad you came

671

00:22:32,310 --> 00:22:30,240

down it was nice to see your lovely wife

672

00:22:34,710 --> 00:22:32,320

and and honestly it was that was one of

673

00:22:36,470 --> 00:22:34,720

the more fun shows but again comedy's

674

00:22:37,909 --> 00:22:36,480

subjective so if you go and you see

675

00:22:39,669 --> 00:22:37,919

three comics and you like one of them

676

00:22:40,710 --> 00:22:39,679

yeah you had a good time then i mean

677

00:22:42,310 --> 00:22:40,720

you're not going to like everybody

678

00:22:43,510 --> 00:22:42,320

you're not going to like every joke and

679

00:22:44,789 --> 00:22:43,520

i used to tell people that i'm like you

680

00:22:45,830 --> 00:22:44,799

know sometimes you get up on stage

681

00:22:47,350 --> 00:22:45,840

you're going to say stuff and people are

682

00:22:48,390 --> 00:22:47,360

just going to stare at you just keep it

683

00:22:51,750 --> 00:22:48,400

moving

684

00:22:54,149 --> 00:22:51,760

it's if i was a stand-up comedian rodney

685

00:22:56,310 --> 00:22:54,159

dangerfield would be my godfather yeah

686

00:22:57,830 --> 00:22:56,320

he's he's very impressive and funny

687

00:22:59,510 --> 00:22:57,840

every it seemed like everything he said

688

00:23:01,909 --> 00:22:59,520

was funny isn't it amazing when you see

689

00:23:03,590 --> 00:23:01,919

certain uh people that come across and

690

00:23:05,350 --> 00:23:03,600

their star power is just overwhelming

691

00:23:07,350 --> 00:23:05,360

because they not only write for

692

00:23:09,110 --> 00:23:07,360

themselves but they also create the

693

00:23:11,110 --> 00:23:09,120

persona that goes with the writing and

694

00:23:13,029 --> 00:23:11,120

everything all melds together in this

695

00:23:14,950 --> 00:23:13,039

magic moment right you know and a guy

696

00:23:18,549 --> 00:23:14,960

like rodney is a perfect example of it

697

00:23:20,230 --> 00:23:18,559

you know he's all a mentor too right

698

00:23:22,070 --> 00:23:20,240

they always say i heard he was i heard

699

00:23:24,070 --> 00:23:22,080

he was along the lines of jerry lewis i

700

00:23:25,430 --> 00:23:24,080

don't know i don't know

701

00:23:26,950 --> 00:23:25,440

i thought his club he gave lots of

702

00:23:28,789 --> 00:23:26,960

people breaks i'm sure he did well he

703

00:23:29,830 --> 00:23:28,799

gave jackie martin like five thousand

704

00:23:31,350 --> 00:23:29,840

dollars once because they talked about

705

00:23:32,789 --> 00:23:31,360

him in the stern show years ago oh no

706

00:23:37,190 --> 00:23:32,799

kidding and he came on stranded and he

707

00:23:42,070 --> 00:23:39,270

he just you're right because he the way

708

00:23:43,669 --> 00:23:42,080

he looked in the in the material he did

709

00:23:45,350 --> 00:23:43,679

it just seemed real he was like an

710

00:23:47,510 --> 00:23:45,360

aluminum siding salesman or something

711

00:23:49,029 --> 00:23:47,520

right yeah you just felt that was really

712

00:23:50,710 --> 00:23:49,039

happening you know to him yeah he gave

713

00:23:52,149 --> 00:23:50,720

it up for a while and he wrote he never

714

00:23:53,590 --> 00:23:52,159

stopped writing and that just goes to

715

00:23:55,430 --> 00:23:53,600

show you i mean that's that's the true

716

00:23:57,110 --> 00:23:55,440

key but he also wrote for that persona

717

00:23:58,470 --> 00:23:57,120

that he created right and i think that's

718

00:24:00,149 --> 00:23:58,480

every goal of every comic because if you

719

00:24:01,830 --> 00:24:00,159

can create a persona and then write for

720

00:24:03,510 --> 00:24:01,840

that persona you're already off to

721

00:24:04,390 --> 00:24:03,520

you're off to better start i hate to do

722

00:24:05,590 --> 00:24:04,400

a joke

723

00:24:08,710 --> 00:24:05,600

my favorite joke is because i'll

724

00:24:10,549 --> 00:24:08,720

probably goof it up but he says uh

725

00:24:12,149 --> 00:24:10,559

my wife and i walked into a hotel and

726

00:24:14,070 --> 00:24:12,159

signed up in a hotel and i said to the

727

00:24:15,590 --> 00:24:14,080

bell boy uh handled my bag he started

728

00:24:17,590 --> 00:24:15,600

filling up my wife

729

00:24:22,950 --> 00:24:17,600

i said hey who said he could do that he

730

00:24:27,110 --> 00:24:25,430

so why don't we take an ad now and um

731

00:24:28,390 --> 00:24:27,120

we'll get back to the fun with either

732

00:24:30,070 --> 00:24:28,400

rob or

733

00:24:31,350 --> 00:24:30,080

switchblade all right that sounds okay

734

00:24:32,549 --> 00:24:31,360

sounds wonderful okay so you're

735

00:24:34,390 --> 00:24:32,559

listening to matt mooney's military

736

00:24:36,630 --> 00:24:34,400

exile show here on the distant thunder

737

00:24:38,710 --> 00:24:36,640

radio network we're here with special

738

00:24:40,630 --> 00:24:38,720

guest mitch stinson carrier pilot turned

739

00:24:41,750 --> 00:24:40,640

comedian sitting in with us

740

00:24:44,230 --> 00:24:41,760

for the night

741

00:24:45,830 --> 00:24:44,240

coco and jazzy j swoop are also here

742

00:24:47,909 --> 00:24:45,840

that's right so listen to that and we'll

743

00:24:50,630 --> 00:24:47,919

be right back after this

744

00:24:53,830 --> 00:24:50,640

ufos are found in renaissance art on

745

00:24:56,149 --> 00:24:53,840

ancient coins and etched on cave walls

746

00:24:58,310 --> 00:24:56,159

they're even reported in the bible

747

00:24:59,669 --> 00:24:58,320

but more surprising is when ufos are

748

00:25:02,470 --> 00:24:59,679

seen the most

749

00:25:04,390 --> 00:25:02,480

in times of war

750

00:25:06,070 --> 00:25:04,400

through centuries thousands of ufo

751  
00:25:08,549 --> 00:25:06,080  
sightings have been made by high-ranking

752  
00:25:10,950 --> 00:25:08,559  
officials military pilots and ordinary

753  
00:25:12,950 --> 00:25:10,960  
soldiers often these fantastic

754  
00:25:16,230 --> 00:25:12,960  
appearances occur at the height of great

755  
00:25:19,190 --> 00:25:16,240  
battles from world war one to d-day to

756  
00:25:21,750 --> 00:25:19,200  
korea vietnam and beyond military

757  
00:25:23,590 --> 00:25:21,760  
investigators are baffled why do ufo

758  
00:25:24,710 --> 00:25:23,600  
sightings spike so drastically during

759  
00:25:27,350 --> 00:25:24,720  
wartime

760  
00:25:30,549 --> 00:25:27,360  
could it be mistaken aircraft or someone

761  
00:25:32,950 --> 00:25:30,559  
or something looking in on us

762  
00:25:34,950 --> 00:25:32,960  
in ufos and wartime what they didn't

763  
00:25:36,630 --> 00:25:34,960

want you to know mcmaloney chronicles

764

00:25:38,630 --> 00:25:36,640

centuries of these incredible sightings

765

00:25:41,029 --> 00:25:38,640

and tries to solve the puzzle of why so

766

00:25:44,310 --> 00:25:41,039

many ufos are seen while humanity is at

767

00:25:46,870 --> 00:25:44,320

war read about the scare ships the ghost

768

00:25:49,750 --> 00:25:46,880

planes and the ghost rockets alien

769

00:25:52,310 --> 00:25:49,760

giants in the jungles of vietnam ufos

770

00:25:54,149 --> 00:25:52,320

controlling our icbm bases

771

00:25:57,669 --> 00:25:54,159

dogfights with flying saucers during the

772

00:25:59,990 --> 00:25:57,679

gulf war and more 300 pages of

773

00:26:02,549 --> 00:26:00,000

unbelievable stories along with many

774

00:26:04,789 --> 00:26:02,559

startling photographs that's ufos and

775

00:26:07,269 --> 00:26:04,799

wartime what they didn't want you to

776

00:26:12,190 --> 00:26:07,279

know by mac maloney on sale at your

distance thunder radio network this is

786

00:26:47,990 --> 00:26:46,400

max milan

787

00:26:49,830 --> 00:26:48,000

in the studio that's tonight a virtual

788

00:26:51,669 --> 00:26:49,840

crowd of people the very famous one one

789

00:26:54,390 --> 00:26:51,679

is here

790

00:26:55,990 --> 00:26:54,400

a row yep the big 2-0 yes

791

00:26:58,230 --> 00:26:56,000

one more than the patriots would have to

792

00:27:00,310 --> 00:26:58,240

win to sweep that's right so you are in

793

00:27:01,350 --> 00:27:00,320

the longest streak than they are

794

00:27:02,710 --> 00:27:01,360

hopefully they will be then they're

795

00:27:04,549 --> 00:27:02,720

going to go 19-0 but we're not supposed

796

00:27:10,230 --> 00:27:04,559

to talk about it right right because i

797

00:27:17,190 --> 00:27:13,190

to hear you talk about him

798

00:27:21,990 --> 00:27:19,669

hat he has tb12

799

00:27:24,149 --> 00:27:22,000

pajamas with a little trap in the diaper

800

00:27:25,909 --> 00:27:24,159

that's how much easier

801  
00:27:27,590 --> 00:27:25,919  
it might not be a diaper now but maybe

802  
00:27:28,950 --> 00:27:27,600  
soon

803  
00:27:31,750 --> 00:27:28,960  
we can't talk about that words have

804  
00:27:34,470 --> 00:27:31,760  
power anyway words can hurt also and

805  
00:27:36,630 --> 00:27:34,480  
speaking words can hurt in the uh

806  
00:27:39,990 --> 00:27:36,640  
disclosed location

807  
00:27:42,230 --> 00:27:40,000  
uh coco is here with us commander cobra

808  
00:27:44,070 --> 00:27:42,240  
one studio over

809  
00:27:46,070 --> 00:27:44,080  
can i talk now mac or am i gonna step on

810  
00:27:47,830 --> 00:27:46,080  
my intro what's the matter well if you

811  
00:27:48,789 --> 00:27:47,840  
step on your intro don't you want me to

812  
00:27:50,549 --> 00:27:48,799  
tell you

813  
00:27:52,549 --> 00:27:50,559

don't you want to be educated no we have

814

00:27:55,830 --> 00:27:52,559

no we have a we have a neutral observer

815

00:27:57,909 --> 00:27:55,840

here yes and uh he laughed quite hard so

816

00:27:59,269 --> 00:27:57,919

i just i think that indicates that they

817

00:28:00,830 --> 00:27:59,279

have a case

818

00:28:02,950 --> 00:28:00,840

this is a

819

00:28:04,870 --> 00:28:02,960

kangaroo all you have to do is listen to

820

00:28:05,909 --> 00:28:04,880

the tapes there my friend just like the

821

00:28:07,669 --> 00:28:05,919

flight deck

822

00:28:09,190 --> 00:28:07,679

of the time you do step on your own

823

00:28:10,710 --> 00:28:09,200

intro for some reason it's like a

824

00:28:11,990 --> 00:28:10,720

premature

825

00:28:13,269 --> 00:28:12,000

uh

826

00:28:14,950 --> 00:28:13,279

verbal adjustment

827

00:28:17,029 --> 00:28:14,960

or verb are you searching for now that

828

00:28:19,909 --> 00:28:17,039

the fcc won't allow you to say

829

00:28:21,190 --> 00:28:19,919

i said it you talked over it

830

00:28:22,710 --> 00:28:21,200

anyway

831

00:28:24,789 --> 00:28:22,720

uh

832

00:28:27,190 --> 00:28:24,799

mitch stinson carrier pilot

833

00:28:28,950 --> 00:28:27,200

slash comedian stand up comedian is also

834

00:28:31,029 --> 00:28:28,960

with us it's good to be here i'm a

835

00:28:32,950 --> 00:28:31,039

buffalo bills fan so we're also oh man

836

00:28:34,870 --> 00:28:32,960

we're also on a streak

837

00:28:37,510 --> 00:28:34,880

why yeah not the only streak you want i

838

00:28:39,750 --> 00:28:37,520

grew up there i grew up in buffalo

839

00:28:41,350 --> 00:28:39,760

gotta root for my business wow yeah well

840

00:28:45,110 --> 00:28:41,360

i guess but

841

00:28:48,389 --> 00:28:46,389

what happened

842

00:28:50,070 --> 00:28:48,399

went out there to see the rolling stones

843

00:28:51,830 --> 00:28:50,080

yeah i drove through buffalo once and

844

00:28:53,750 --> 00:28:51,840

during one of those lake effects nose

845

00:28:55,590 --> 00:28:53,760

bombs

846

00:28:56,950 --> 00:28:55,600

it's just a dusting

847

00:28:58,310 --> 00:28:56,960

i'll be up that way probably tomorrow

848

00:28:59,669 --> 00:28:58,320

doing some test work it'll probably be

849

00:29:01,029 --> 00:28:59,679

snowing then

850

00:29:02,230 --> 00:29:01,039

half the snow wasn't reaching the ground

851  
00:29:04,549 --> 00:29:02,240  
because it was getting caught in all the

852  
00:29:06,389 --> 00:29:04,559  
high tension wires there you go

853  
00:29:08,070 --> 00:29:06,399  
they get so much snow there that you

854  
00:29:09,269 --> 00:29:08,080  
need a ski mobile

855  
00:29:10,549 --> 00:29:09,279  
and it brings you right to the second

856  
00:29:13,590 --> 00:29:10,559  
floor of your house

857  
00:29:15,190 --> 00:29:13,600  
party people hearty nice people yeah

858  
00:29:17,590 --> 00:29:15,200  
they used to have a good football team

859  
00:29:19,750 --> 00:29:17,600  
yeah we will again some someday just

860  
00:29:22,070 --> 00:29:19,760  
have a good hockey team again

861  
00:29:23,990 --> 00:29:22,080  
someday okay that's good stick with that

862  
00:29:26,070 --> 00:29:24,000  
do they have any other sports no no

863  
00:29:27,430 --> 00:29:26,080

that's it we can't suffer in too many

864

00:29:29,990 --> 00:29:27,440

other sports

865

00:29:32,310 --> 00:29:30,000

mitch stinson carrier pilots stand up

866

00:29:34,549 --> 00:29:32,320

it's an mp3 it's cool i haven't even

875

00:29:51,990 --> 00:29:50,480

876

00:29:54,070 --> 00:29:52,000

yeah but you can open it if you can

877

00:29:55,669 --> 00:29:54,080

quickly i don't know whether there's a i

878

00:29:57,029 --> 00:29:55,679

think there's a disc a cd in there maybe

879

00:29:58,630 --> 00:29:57,039

that should be a disc

880

00:30:00,230 --> 00:29:58,640

and uh you put in your computer and it

881

00:30:01,909 --> 00:30:00,240

downloads as an mp3 and you have the

882

00:30:03,990 --> 00:30:01,919

audio book and it's perfect it's uh you

883

00:30:06,310 --> 00:30:04,000

know presented by some actors and you

884

00:30:09,269 --> 00:30:06,320

know they put music that's outstanding

885

00:30:11,590 --> 00:30:09,279

and a lot of people um buy these things

886

00:30:13,669 --> 00:30:11,600

as it turns out you know so is there a

887

00:30:15,750 --> 00:30:13,679

cast of characters on the um i'm not

888

00:30:17,590 --> 00:30:15,760

sure did you do any reading of yourself

889

00:30:18,870 --> 00:30:17,600

on there uh no they wouldn't let me no

890

00:30:19,909 --> 00:30:18,880

one could understand my accent i don't

891

00:30:24,310 --> 00:30:19,919

like your

892

00:30:27,909 --> 00:30:25,510

do you have any jokes mitch to tell

893

00:30:29,190 --> 00:30:27,919

while i'm doing this oh my god i thought

894

00:30:32,789 --> 00:30:29,200

we were just talking about the buffalo

895

00:30:36,310 --> 00:30:34,470

who's playing the russians i always like

896

00:30:38,070 --> 00:30:36,320

to i love to listen to the audio books

897

00:30:40,230 --> 00:30:38,080

because i do a lot of traveling right

898

00:30:42,070 --> 00:30:40,240

and a lot of truck drivers buy these

899

00:30:43,430 --> 00:30:42,080

things you know so yeah it's a it's an

900

00:30:44,710 --> 00:30:43,440

mp3 cd

901  
00:30:46,870 --> 00:30:44,720  
so um

902  
00:30:48,830 --> 00:30:46,880  
uh and the who plays lineup you can load

903  
00:30:52,870 --> 00:30:48,840  
on your ipod james and errol

904  
00:30:54,870 --> 00:30:52,880  
jones nice is not on it um

905  
00:30:57,110 --> 00:30:54,880  
robert de niro

906  
00:30:59,909 --> 00:30:57,120  
nicole kidman no no

907  
00:31:01,350 --> 00:30:59,919  
uh performed by richard fortune richard

908  
00:31:02,789 --> 00:31:01,360  
fortune johnny depp anywhere he's a

909  
00:31:04,630 --> 00:31:02,799  
canadian actor

910  
00:31:08,870 --> 00:31:04,640  
no and he you know he was fortunate not

911  
00:31:11,750 --> 00:31:10,630  
very good

912  
00:31:14,789 --> 00:31:11,760  
that's for me

913  
00:31:16,789 --> 00:31:14,799

so listen i have several of max audio

914

00:31:18,950 --> 00:31:16,799

books uh wingman

915

00:31:21,350 --> 00:31:18,960

uh but they're a bridge they came out as

916

00:31:23,590 --> 00:31:21,360

cassettes uh originally but then if

917

00:31:25,590 --> 00:31:23,600

you're a member of audible you can get

918

00:31:27,110 --> 00:31:25,600

the a lot of the early wingman books

919

00:31:29,029 --> 00:31:27,120

unfortunately they're they're a bridge

920

00:31:30,870 --> 00:31:29,039

they're still a bridge but doesn't mean

921

00:31:37,830 --> 00:31:30,880

exactly one one kind of things they're

922

00:31:42,470 --> 00:31:39,430

in the old days they used to used to get

923

00:31:43,750 --> 00:31:42,480

two cassettes uh each cassette was

924

00:31:45,669 --> 00:31:43,760

probably about an hour and a half so you

925

00:31:46,950 --> 00:31:45,679

get about three hours of a book and so

926  
00:31:49,509 --> 00:31:46,960  
you have to do a lot of trimming to get

927  
00:31:51,110 --> 00:31:49,519  
that down unfortunately but uh they're

928  
00:31:53,830 --> 00:31:51,120  
still out fast

929  
00:31:55,350 --> 00:31:53,840  
yeah it's it's a it's a yeah

930  
00:31:57,110 --> 00:31:55,360  
that was the politest way of saying

931  
00:31:59,350 --> 00:31:57,120  
you're long-winded yeah you know i was

932  
00:32:00,870 --> 00:31:59,360  
fine feeling that vibe you know thank

933  
00:32:03,190 --> 00:32:00,880  
you you're in the same category as

934  
00:32:04,950 --> 00:32:03,200  
dickens take it as a uh

935  
00:32:06,549 --> 00:32:04,960  
compliment tolstoy

936  
00:32:07,830 --> 00:32:06,559  
thickets get paid by the word that's why

937  
00:32:09,590 --> 00:32:07,840  
he

938  
00:32:10,470 --> 00:32:09,600

goes on to get a penny a word which is

939

00:32:12,149 --> 00:32:10,480

actually

940

00:32:14,149 --> 00:32:12,159

used to be more than i was getting but

941

00:32:16,230 --> 00:32:14,159

things have changed really you get paid

942

00:32:19,029 --> 00:32:16,240

by the word uh dickens did yeah that's

943

00:32:20,630 --> 00:32:19,039

why his books are so long

944

00:32:21,830 --> 00:32:20,640

anyway 1-1

945

00:32:23,509 --> 00:32:21,840

we're going to be giving two of these

946

00:32:25,750 --> 00:32:23,519

away oh excellent tonight

947

00:32:27,269 --> 00:32:25,760

yes it's an audio book you can put in

948

00:32:29,110 --> 00:32:27,279

your car you can download it onto a

949

00:32:31,430 --> 00:32:29,120

thumb and listen to it and uh you know i

950

00:32:33,590 --> 00:32:31,440

guess it's a couple hours long

951  
00:32:36,630 --> 00:32:33,600  
approximately nine hours

952  
00:32:38,230 --> 00:32:36,640  
nine hours wow holy cow this is all new

953  
00:32:39,110 --> 00:32:38,240  
to me and it's on a bridge how about

954  
00:32:44,470 --> 00:32:39,120  
that

955  
00:32:46,710 --> 00:32:44,480  
typical novel is going to be anywhere

956  
00:32:48,870 --> 00:32:46,720  
six eight nine hours and and some are

957  
00:32:52,070 --> 00:32:48,880  
much longer too wow that's what she said

958  
00:32:54,950 --> 00:32:53,669  
so we have to come up with a secret word

959  
00:32:57,110 --> 00:32:54,960  
guys

960  
00:32:58,789 --> 00:32:57,120  
okay all right uh mitch why don't we

961  
00:33:00,710 --> 00:32:58,799  
throw it to you you want man it's a

962  
00:33:03,110 --> 00:33:00,720  
secret word a secret word so what we're

963  
00:33:05,269 --> 00:33:03,120

gonna do is uh just write to us uh if

964

00:33:07,110 --> 00:33:05,279

you run the books we we probably you

965

00:33:08,070 --> 00:33:07,120

shouldn't qualify people who haven't won

966

00:33:09,669 --> 00:33:08,080

before

967

00:33:11,590 --> 00:33:09,679

put their names into the magic fish bowl

968

00:33:13,909 --> 00:33:11,600

we'll pick it next week okay if we're

969

00:33:17,190 --> 00:33:13,919

it okay written by dick fortune we can

983  
00:33:44,710 --> 00:33:43,360  
call him pickford because he's that

984  
00:33:46,789 --> 00:33:44,720  
friend

985  
00:33:50,310 --> 00:33:46,799  
mitch what's the secret word secret word

986  
00:33:53,190 --> 00:33:50,320  
secret word is feather feather right the

987  
00:33:55,430 --> 00:33:53,200  
secret word is feather feather

988  
00:33:57,430 --> 00:33:55,440

so like feathering your nest feather

989

00:33:59,909 --> 00:33:57,440

right feather right right rhymes with

990

00:34:01,350 --> 00:33:59,919

heather heather heather feather i saw

991

00:34:02,470 --> 00:34:01,360

her she's done the golden banana ever

992

00:34:04,710 --> 00:34:02,480

played down there

993

00:34:06,470 --> 00:34:04,720

yeah yeah actually for about 12 minutes

994

00:34:07,909 --> 00:34:06,480

did you really get thrown out really

995

00:34:09,109 --> 00:34:07,919

yeah

996

00:34:11,109 --> 00:34:09,119

they called them

997

00:34:12,470 --> 00:34:11,119

an audience of one and unfortunately i

998

00:34:14,470 --> 00:34:12,480

was the one who's paying i didn't get

999

00:34:16,069 --> 00:34:14,480

paid for the show i paid to perform i

1000

00:34:17,190 --> 00:34:16,079

paid to perform there exactly and what

1001  
00:34:19,510 --> 00:34:17,200  
happened the joke's just thinking well

1002  
00:34:21,190 --> 00:34:19,520  
this is a huge strip club not the blast

1003  
00:34:23,589 --> 00:34:21,200  
well i told you i worked clean materials

1004  
00:34:25,190 --> 00:34:23,599  
so they just weren't in order wow wow

1005  
00:34:26,149 --> 00:34:25,200  
now when i was the last time i was there

1006  
00:34:27,669 --> 00:34:26,159  
which was a long time ago they should

1007  
00:34:28,950 --> 00:34:27,679  
have gotten dressed as a church lady

1008  
00:34:31,589 --> 00:34:28,960  
yeah

1009  
00:34:33,349 --> 00:34:31,599  
right see you should have him as your

1010  
00:34:34,790 --> 00:34:33,359  
manager

1011  
00:34:37,270 --> 00:34:34,800  
last time i went there they had the

1012  
00:34:39,190 --> 00:34:37,280  
glass along the stage is it still there

1013  
00:34:41,589 --> 00:34:39,200

and it was everything was scratched and

1014

00:34:43,270 --> 00:34:41,599

stained and like bullet holes and

1015

00:34:44,790 --> 00:34:43,280

man it's been there a while what a show

1016

00:34:46,470 --> 00:34:44,800

yeah it's been there a while golden

1017

00:34:48,389 --> 00:34:46,480

banana it was closed for a while wasn't

1018

00:34:51,030 --> 00:34:48,399

it yes they got

1019

00:34:52,389 --> 00:34:51,040

some tax problems of paying off the cops

1020

00:34:53,190 --> 00:34:52,399

or something is it owned by the same

1021

00:34:54,550 --> 00:34:53,200

group

1022

00:34:55,990 --> 00:34:54,560

i don't know the same guy i don't know i

1023

00:34:57,510 --> 00:34:56,000

want to get out we'll get down and find

1024

00:34:59,349 --> 00:34:57,520

out we'll watch something let's go let's

1025

00:35:00,870 --> 00:34:59,359

go find out it's a good research project

1026

00:35:03,510 --> 00:35:00,880

let's go check it out

1027

00:35:05,430 --> 00:35:03,520

anyway uh so feather somehow we got from

1028

00:35:07,109 --> 00:35:05,440

feather to the golden banana who knows

1029

00:35:10,150 --> 00:35:07,119

but i see her

1030

00:35:13,109 --> 00:35:10,160

okay the feather is the magic word um

1031

00:35:14,710 --> 00:35:13,119

chief wildfeather is performing at the

1032

00:35:21,750 --> 00:35:14,720

golden animation

1033

00:35:25,030 --> 00:35:23,349

like cobra says you know it goes both

1034

00:35:27,829 --> 00:35:25,040

ways you know there you go you have to

1035

00:35:30,790 --> 00:35:29,190

you need to be inclusive i think you're

1036

00:35:32,470 --> 00:35:30,800

going on the wrong nights juan juan i'm

1037

00:35:34,069 --> 00:35:32,480

glad that combat zone is closed well the

1038

00:35:36,470 --> 00:35:34,079

one over here uh

1039

00:35:37,990 --> 00:35:36,480

called kittens

1040

00:35:40,550 --> 00:35:38,000

yeah which they call it kittens because

1041

00:35:42,310 --> 00:35:40,560

they couldn't call it the p word

1042

00:35:43,750 --> 00:35:42,320

they couldn't call it dogs

1043

00:35:45,589 --> 00:35:43,760

last week we drove by there two weeks

1044

00:35:46,390 --> 00:35:45,599

ago we drove by there and uh there were

1045

00:35:48,950 --> 00:35:46,400

rum

1046

00:35:51,750 --> 00:35:48,960

on the board on the um

1047

00:35:54,069 --> 00:35:51,760

the side marquee uh bridget the [h\_\_h]

1048

00:35:56,230 --> 00:35:54,079

okay i guess she does this

1049

00:35:58,550 --> 00:35:56,240

uh the following week it's it just said

1050

00:36:01,109 --> 00:35:58,560

freak show for example they happened to

1051  
00:36:02,230 --> 00:36:01,119  
be with algonado the ufo mechanic he

1052  
00:36:04,950 --> 00:36:02,240  
said

1053  
00:36:06,710 --> 00:36:04,960  
how are they not on the same bill

1054  
00:36:08,870 --> 00:36:06,720  
i noticed a theme here

1055  
00:36:11,510 --> 00:36:08,880  
it's a class off come on

1056  
00:36:14,630 --> 00:36:11,520  
okay so uh feather the secret word

1057  
00:36:16,069 --> 00:36:14,640  
wingman at macmillan.com write us and uh

1058  
00:36:18,630 --> 00:36:16,079  
we're gonna pick two names out of the

1059  
00:36:20,630 --> 00:36:18,640

next week and you will win just gonna

1061  
00:36:24,470 --> 00:36:22,320  
pick the numbers mp3 i believe it's

1062  
00:36:25,190 --> 00:36:24,480  
almost like paranormal we are you think

1063  
00:36:27,349 --> 00:36:25,200

that

1064

00:36:29,750 --> 00:36:27,359

no no lois lois lane

1065

00:36:31,589 --> 00:36:29,760

lois is you know busy these days as it

1066

00:36:32,790 --> 00:36:31,599

turns out but what were you saying uh

1067

00:36:34,710 --> 00:36:32,800

coco

1068

00:36:37,190 --> 00:36:34,720

it seems to be almost like paranormal

1069

00:36:39,109 --> 00:36:37,200

that uh he would look up chief whatever

1070

00:36:40,550 --> 00:36:39,119

war bonnet feather being the secret word

1071

00:36:41,829 --> 00:36:40,560

this whole thing with the golden button

1072

00:36:43,670 --> 00:36:41,839

that's very interesting

1073

00:36:44,950 --> 00:36:43,680

the the parallels here wow it is

1074

00:36:46,870 --> 00:36:44,960

interesting okay

1075

00:36:49,030 --> 00:36:46,880

that's because i'm all inclusive

1076

00:36:50,870 --> 00:36:49,040

i guess i'll encode mac the secret

1077

00:36:52,069 --> 00:36:50,880

listeners well i missed it then yeah

1078

00:36:54,390 --> 00:36:52,079

that's all right

1079

00:36:56,390 --> 00:36:54,400

i hope someone out there gets it then

1080

00:36:58,710 --> 00:36:56,400

so on the phone with us if he hasn't

1081

00:37:00,310 --> 00:36:58,720

fallen asleep by this point is

1082

00:37:01,750 --> 00:37:00,320

switchblade steve ward from the both

1083

00:37:03,030 --> 00:37:01,760

lakes up there in

1084

00:37:05,270 --> 00:37:03,040

battle creek michigan how you doing

1085

00:37:08,310 --> 00:37:05,280

there tonight switchy well listen i'm

1086

00:37:11,109 --> 00:37:08,320

doing so good tonight that there are not

1087

00:37:13,109 --> 00:37:11,119

uh words and expressions in any language

1088

00:37:15,750 --> 00:37:13,119

across this great globe to describe how

1089

00:37:19,910 --> 00:37:15,760

good i feel and that also includes dead

1090

00:37:24,470 --> 00:37:22,230

it's not exactly dead well it's sure it

1091

00:37:26,470 --> 00:37:24,480

is and and especially sumerians oh

1092

00:37:27,430 --> 00:37:26,480

sumerian okay that is a dead language

1093

00:37:30,630 --> 00:37:27,440

yeah right

1094

00:37:32,230 --> 00:37:30,640

latin people are still speaking latin

1095

00:37:34,550 --> 00:37:32,240

i think you see it everywhere nothing

1096

00:37:36,230 --> 00:37:34,560

really latin you see it in church the

1097

00:37:37,510 --> 00:37:36,240

vatican the vatican that's what they're

1098

00:37:39,270 --> 00:37:37,520

talking about that's what they're

1099

00:37:40,790 --> 00:37:39,280

talking about

1100

00:37:42,069 --> 00:37:40,800

i hate to think what they're saying

1101

00:37:43,349 --> 00:37:42,079

there's a real filthy joke there

1102

00:37:45,030 --> 00:37:43,359

somewhere but

1103

00:37:47,030 --> 00:37:45,040

not tonight because we can't edit

1104

00:37:49,270 --> 00:37:47,040

tomorrow much time

1105

00:37:50,550 --> 00:37:49,280

uh so switch uh you've got a couple fan

1106

00:37:54,950 --> 00:37:50,560

letters

1107

00:37:56,630 --> 00:37:54,960

someone called uh well they wrote me a

1108

00:37:58,630 --> 00:37:56,640

film letter i thought i'd you know

1109

00:38:00,550 --> 00:37:58,640

transfer it over to you but i guess not

1110

00:38:01,990 --> 00:38:00,560

and they knew everything about switch he

1111

00:38:04,710 --> 00:38:02,000

says i can't wait to hear from the guy

1112

00:38:07,030 --> 00:38:04,720

from the bowl of flakes that's why you

1113

00:38:08,069 --> 00:38:07,040

have fans there that's richie

1114

00:38:09,829 --> 00:38:08,079

well that's good

1115

00:38:11,910 --> 00:38:09,839

for every every individual that writes

1116

00:38:13,670 --> 00:38:11,920

in doesn't that imply that there isn't

1117

00:38:15,510 --> 00:38:13,680

some kind of a formula or ratio five

1118

00:38:16,230 --> 00:38:15,520

minutes right ten ten the one tenth of

1119

00:38:19,990 --> 00:38:16,240

one

1120

00:38:20,790 --> 00:38:20,000

out there that are 11 people are

1121

00:38:22,630 --> 00:38:20,800

listening

1122

00:38:24,310 --> 00:38:22,640

okay it could be either one

1123

00:38:26,470 --> 00:38:24,320

anyway we should say switch that you are

1124

00:38:29,030 --> 00:38:26,480

growing and celebrity as we speak he's

1125

00:38:31,829 --> 00:38:29,040

going to be giving a major speech at the

1126  
00:38:34,470 --> 00:38:31,839  
mothman festival down there in um west

1127  
00:38:35,910 --> 00:38:34,480  
virginia on the third uh sunday of

1128  
00:38:37,349 --> 00:38:35,920  
september correct

1129  
00:38:38,870 --> 00:38:37,359  
that's right okay and the name of that

1130  
00:38:41,030 --> 00:38:38,880  
town is

1131  
00:38:43,990 --> 00:38:41,040  
point pleasant west virginia the home of

1132  
00:38:45,589 --> 00:38:44,000  
the infamous mothman right right

1133  
00:38:47,109 --> 00:38:45,599  
[h\_\_\h] over here the mothman great movie

1134  
00:38:48,390 --> 00:38:47,119  
yeah the movie's cool everyone likes the

1135  
00:38:50,310 --> 00:38:48,400  
movie yeah you know everyone really

1136  
00:38:52,069 --> 00:38:50,320  
likes it i enjoyed it so

1137  
00:38:54,310 --> 00:38:52,079  
which is going to be

1138  
00:38:55,990 --> 00:38:54,320

the big speech on uh sunday have you

1139

00:38:58,390 --> 00:38:56,000

written it yet how's it going

1140

00:39:00,069 --> 00:38:58,400

i i've got a lot of sections of it i'm

1141

00:39:01,750 --> 00:39:00,079

still doing a little bit of research and

1142

00:39:03,589 --> 00:39:01,760

uh the hardest thing is to condense it

1143

00:39:05,750 --> 00:39:03,599

down i mean i could i could speak for

1144

00:39:08,150 --> 00:39:05,760

two hours and really put people to sleep

1145

00:39:09,109 --> 00:39:08,160

now listen um you told us last week the

1146

00:39:11,030 --> 00:39:09,119

last time we were on that you're

1147

00:39:13,430 --> 00:39:11,040

actually gonna lead off with a couple

1148

00:39:15,829 --> 00:39:13,440

jokes you told us the jokes and

1149

00:39:17,829 --> 00:39:15,839

it was basically quick territory right i

1150

00:39:19,829 --> 00:39:17,839

do remember playing the quickest we have

1151  
00:39:20,630 --> 00:39:19,839  
a stand-up comedian here with us he's

1152  
00:39:25,589 --> 00:39:20,640  
here

1153  
00:39:27,589 --> 00:39:25,599  
was the one joke he was going to uh

1154  
00:39:29,270 --> 00:39:27,599  
i don't don't recall exactly i was going

1155  
00:39:30,950 --> 00:39:29,280  
to kind of play off uh some of my

1156  
00:39:32,870 --> 00:39:30,960  
friends some of the personalities there

1157  
00:39:36,870 --> 00:39:32,880  
yes and you know mess with that a little

1158  
00:39:43,270 --> 00:39:39,030  
doesn't have anything classic mitch is

1159  
00:39:46,790 --> 00:39:45,270  
supportive of anybody's comedic attempts

1160  
00:39:48,950 --> 00:39:46,800  
i know what it's like when people don't

1161  
00:39:50,069 --> 00:39:48,960  
laugh i've heard crickets before myself

1162  
00:39:52,069 --> 00:39:50,079  
i always say it's good to go with the

1163  
00:39:57,589 --> 00:39:52,079

inside joke and the audience is stupid

1164

00:40:01,829 --> 00:40:00,150

okay so but really other comedians don't

1165

00:40:04,550 --> 00:40:01,839

want to help other comedians absolutely

1166

00:40:06,710 --> 00:40:04,560

not it's a competitive world isn't it

1167

00:40:07,910 --> 00:40:06,720

yes now listen i just realized something

1168

00:40:09,910 --> 00:40:07,920

we're going to have to do one edit

1169

00:40:11,510 --> 00:40:09,920

tonight because we did some research in

1170

00:40:13,990 --> 00:40:11,520

the last time you were on you run by

1171

00:40:15,349 --> 00:40:14,000

phone and remember we we asked you what

1172

00:40:18,470 --> 00:40:15,359

they call

1173

00:40:19,990 --> 00:40:18,480

1174

00:40:22,470 --> 00:40:20,000

yeah you're gonna have to edit that yeah

1191

00:40:57,190 --> 00:40:55,599

i know but we gotta say it right do you

1192

00:40:58,710 --> 00:40:57,200

know what it is one one no i don't okay

1193

00:41:00,309 --> 00:40:58,720

coco you know what it is

1194

00:41:01,829 --> 00:41:00,319

yeah i remember it and i

1195

00:41:04,069 --> 00:41:01,839

but go ahead i'm not gonna

1196

00:41:05,910 --> 00:41:04,079

bore you with it okay all right it's

1197

00:41:07,349 --> 00:41:05,920

gonna be 14 20

1198

00:41:08,710 --> 00:41:07,359

of this segment

1199

00:41:10,069 --> 00:41:08,720

what are they called groupies for

1200

00:41:11,430 --> 00:41:10,079

comedians

1201

00:41:15,829 --> 00:41:11,440

chuckles

1202

00:41:19,270 --> 00:41:17,430

all right back that up

1203

00:41:21,190 --> 00:41:19,280

mitch right i haven't met any i'm

1204

00:41:22,550 --> 00:41:21,200

telling you they're non-existent you

1205

00:41:24,870 --> 00:41:22,560

know you could have just said chuckle

1206

00:41:26,309 --> 00:41:24,880

fornicators no there's not another ring

1207

00:41:28,309 --> 00:41:26,319

doesn't have quite the yeah it doesn't

1208

00:41:30,390 --> 00:41:28,319

flow quite as good there's no way i

1209

00:41:31,910 --> 00:41:30,400

think though most of us could figure out

1210

00:41:33,589 --> 00:41:31,920

which of the words is not the one that

1211

00:41:35,270 --> 00:41:33,599

was intended to be part of the joke

1212

00:41:37,349 --> 00:41:35,280

there's no chucklers uh waiting for you

1213

00:41:39,430 --> 00:41:37,359

at the rear door prince spaghetti house

1214

00:41:41,829 --> 00:41:39,440

yeah just those days are long gone yeah

1215

00:41:43,349 --> 00:41:41,839

they won't go on mac no no never say

1216

00:41:45,270 --> 00:41:43,359

never look at woman you're right it's in

1217

00:41:47,670 --> 00:41:45,280

the urban dictionary right

1218

00:41:49,589 --> 00:41:47,680

anyway uh so switch uh well good luck

1219

00:41:51,829 --> 00:41:49,599

with your uh speech writing it sounds

1220

00:41:53,990 --> 00:41:51,839

like you're way behind and if you need

1221

00:41:55,510 --> 00:41:54,000

some jokes mitch is here for you i'll

1222

00:41:58,550 --> 00:41:55,520

write you i'll write you the best jokes

1223

00:42:00,069 --> 00:41:58,560

i possibly won't use myself how's that

1224

00:42:02,230 --> 00:42:00,079

okay make them kind of generic you know

1225

00:42:03,990 --> 00:42:02,240

so that i can you know adapt them to my

1226

00:42:06,790 --> 00:42:04,000

situation generic equals funding in the

1227

00:42:10,470 --> 00:42:08,470

you know you get i'll get 11 listeners

1228

00:42:12,710 --> 00:42:10,480

and you start throwing stuff like uh no

1229

00:42:15,030 --> 00:42:12,720

thanks uh anything you can send me great

1230

00:42:17,589 --> 00:42:15,040

mitch hey mitch can you uh craft me a

1231

00:42:19,910 --> 00:42:17,599

set of jokes that i can use any way i

1232

00:42:21,589 --> 00:42:19,920

possibly need to sure

1233

00:42:24,390 --> 00:42:21,599

1234

00:42:25,510 --> 00:42:24,400

mr for good fortune that's what it says

1248

00:42:55,270 --> 00:42:53,760

1251

00:43:02,309 --> 00:42:59,040

yeah richard fortune

1252

00:43:04,390 --> 00:43:02,319

call saying canada it's right next to uh

1253

00:43:06,230 --> 00:43:04,400

nine hours right right next to nine

1254

00:43:08,069 --> 00:43:06,240

hours that's what it says right richard

1255

00:43:09,510 --> 00:43:08,079

fortune richard dick fortune but if he's

1256

00:43:19,510 --> 00:43:09,520

canadian that might be french he

1257

00:43:23,109 --> 00:43:21,270

he did call me up he wanted to know how

1258

00:43:24,710 --> 00:43:23,119

to say uh one thing and i forget what it

1259

00:43:26,630 --> 00:43:24,720

was um

1260

00:43:28,069 --> 00:43:26,640

or something chuckle something yeah yeah

1261

00:43:29,829 --> 00:43:28,079

chuckle something

1262

00:43:31,030 --> 00:43:29,839

good name for a band

1263

00:43:32,550 --> 00:43:31,040

something right

1264

00:43:35,109 --> 00:43:32,560

he's trying to name a band that should

1265

00:43:35,829 --> 00:43:35,119

be the name of him

1266

00:43:37,910 --> 00:43:35,839

so

1267

00:43:39,430 --> 00:43:37,920

switch now are you still there

1268

00:43:41,670 --> 00:43:39,440

i'm still here okay good so we're going

1269

00:43:43,109 --> 00:43:41,680

to talk about it i am i am riveted he's

1270

00:43:44,550 --> 00:43:43,119

riveting i thought he was going to say

1271

00:43:47,030 --> 00:43:44,560

i'm writing the speech he's written his

1272

00:43:49,670 --> 00:43:47,040

whole speech right now exactly uh

1273

00:43:51,829 --> 00:43:49,680

writing is rewriting remember that um so

1274

00:43:53,670 --> 00:43:51,839

um we're going to talk about the cramp

1275

00:43:56,950 --> 00:43:53,680

carriers tonight because mitch

1276

00:43:59,030 --> 00:43:56,960

served on one flew on and off uh cobra

1277

00:44:00,230 --> 00:43:59,040

you have flown on and off

1278

00:44:02,230 --> 00:44:00,240

the areas right

1279

00:44:04,390 --> 00:44:02,240

a few of them in my life yes sir okay

1280

00:44:06,550 --> 00:44:04,400

one one told us that he was on it i

1281

00:44:08,550 --> 00:44:06,560

walked around on one many times on the

1282

00:44:10,550 --> 00:44:08,560

enterprise all right and i've seen an

1283

00:44:11,910 --> 00:44:10,560

aircraft carrier from the dock so you

1284

00:44:13,510 --> 00:44:11,920

know we're all you know

1285

00:44:14,230 --> 00:44:13,520

circle has closed

1286

00:44:15,910 --> 00:44:14,240

right

1287

00:44:17,430 --> 00:44:15,920

so uh but they have been haunted

1288

00:44:18,230 --> 00:44:17,440

aircraft carriers if you can believe

1289

00:44:19,750 --> 00:44:18,240

that

1290

00:44:21,270 --> 00:44:19,760

and uh and you better believe it because

1291

00:44:23,910 --> 00:44:21,280

it's a chapter of a book that i did

1292

00:44:25,349 --> 00:44:23,920

called ufos and what time right switch

1293

00:44:28,309 --> 00:44:25,359

yes okay

1294

00:44:29,670 --> 00:44:28,319

the uss fdi franco denim

1295

00:44:31,510 --> 00:44:29,680

haunted aircraft because it was the

1296

00:44:33,109 --> 00:44:31,520

first warship ever to carry nuclear

1297

00:44:35,829 --> 00:44:33,119

weapons

1298

00:44:38,790 --> 00:44:35,839

right and the the way it's covered in

1299

00:44:41,829 --> 00:44:38,800

your book it's really the haunting comes

1300

00:44:44,150 --> 00:44:41,839

from uh a series of sightings of ufos

1301

00:44:47,030 --> 00:44:44,160

and this is this is 45 you know the the

1302

00:44:49,990 --> 00:44:47,040

big we kind of usually uh date the

1303

00:44:51,750 --> 00:44:50,000

modern era of ufos from 47 on with

1304

00:44:53,510 --> 00:44:51,760

kenneth arnold's sighting right even

1305

00:44:55,510 --> 00:44:53,520

though everybody knows that it's looked

1306

00:44:57,670 --> 00:44:55,520

into this these things have been seen

1307

00:44:59,349 --> 00:44:57,680

since you know for hundreds of years

1308

00:45:01,589 --> 00:44:59,359

but uh testament of the bible if you're

1309

00:45:03,349 --> 00:45:01,599

going to believe that book too yes

1310

00:45:05,910 --> 00:45:03,359

what

1311

00:45:07,750 --> 00:45:05,920

ezekeiel's real right

1312

00:45:09,430 --> 00:45:07,760

right

1313

00:45:12,150 --> 00:45:09,440

uh now there were

1314

00:45:14,309 --> 00:45:12,160

what was going on was they had

1315

00:45:16,150 --> 00:45:14,319

oh i got i got a weird echo we were

1316

00:45:19,670 --> 00:45:16,160

feedback there for a second uh they were

1317

00:45:20,630 --> 00:45:19,680

they had a big a uh um

1318

00:45:23,589 --> 00:45:20,640

uh

1319

00:45:24,950 --> 00:45:23,599

going on

1320

00:45:28,069 --> 00:45:24,960

uh

1321

00:45:28,870 --> 00:45:28,079

looking for

1322

00:45:31,589 --> 00:45:28,880

uh

1323

00:45:34,390 --> 00:45:31,599

in september 1952 for 12 days and and

1324

00:45:36,790 --> 00:45:34,400

what it was they had all kinds of nato

1325

00:45:39,190 --> 00:45:36,800

uh um countries

1326

00:45:42,710 --> 00:45:39,200

uh joining in on this and what it was is

1327

00:45:45,270 --> 00:45:42,720

it was a a simulated uh attack

1328

00:45:47,270 --> 00:45:45,280

uh imagining a simulated attack on

1329

00:45:48,950 --> 00:45:47,280

norway and denmark from the russians so

1330

00:45:51,109 --> 00:45:48,960

they were preparing way ahead of time

1331

00:45:53,349 --> 00:45:51,119

for the the rooskies you know in case

1332

00:45:54,710 --> 00:45:53,359

they were going to attack uh their nato

1333

00:45:56,630 --> 00:45:54,720

forces

1334

00:45:57,910 --> 00:45:56,640

and so

1335

00:45:58,790 --> 00:45:57,920

go ahead please

1336

00:46:01,910 --> 00:45:58,800

okay

1337

00:46:04,390 --> 00:46:01,920

and uh so they had uh it was a huge uh

1338

00:46:07,430 --> 00:46:04,400

huge operation they had uh something

1339

00:46:08,390 --> 00:46:07,440

like 80 000 men were involved uh 200

1340

00:46:09,270 --> 00:46:08,400

ships

1341

00:46:13,349 --> 00:46:09,280

uh

1342

00:46:16,150 --> 00:46:13,359

and um you know several aircraft

1343

00:46:18,069 --> 00:46:16,160

carriers from uh uh different areas of

1344

00:46:21,430 --> 00:46:18,079

the nato countries england france i

1345

00:46:22,870 --> 00:46:21,440

think uh norway there was i think almost

1346

00:46:24,309 --> 00:46:22,880

there might have been even a dozen

1347

00:46:25,190 --> 00:46:24,319

aircraft carriers

1348

00:46:26,470 --> 00:46:25,200

um

1349

00:46:29,109 --> 00:46:26,480

you know in this it was just it was the

1350

00:46:31,829 --> 00:46:29,119

biggest nato exercise it might have been

1351

00:46:33,829 --> 00:46:31,839

the first really big nato exercise and

1352

00:46:35,510 --> 00:46:33,839

so many people that i mean we could have

1353

00:46:37,109 --> 00:46:35,520

filled like five chapters in the book on

1354

00:46:39,510 --> 00:46:37,119

sale everywhere

1355

00:46:41,190 --> 00:46:39,520

of reports of people seeing ufos during

1356

00:46:43,270 --> 00:46:41,200

this uh three-week exercise people

1357

00:46:44,630 --> 00:46:43,280

taking movie pictures of them right over

1358

00:46:46,710 --> 00:46:44,640

the aircraft camera and stuff like that

1359

00:46:48,470 --> 00:46:46,720

yeah but they ever figure out what was

1360

00:46:51,270 --> 00:46:48,480

going on there switch

1361

00:46:54,470 --> 00:46:51,280

no but what's interesting is that a lot

1362

00:46:56,470 --> 00:46:54,480

of the the classic uh shapes that we see

1363

00:46:57,910 --> 00:46:56,480

nowadays and talk about they saw it

1364

00:46:58,710 --> 00:46:57,920

during this period

1365

00:47:02,790 --> 00:46:58,720

uh

1366

00:47:04,950 --> 00:47:02,800

they were just south of sweden they saw

1367

00:47:06,950 --> 00:47:04,960

one of these giant black triangles in

1368

00:47:09,349 --> 00:47:06,960

the sky which is one of these things

1369

00:47:12,230 --> 00:47:09,359

that has uh has become more and more

1370

00:47:15,670 --> 00:47:12,240

common you know the the ufo thing has

1371

00:47:17,589 --> 00:47:15,680

actually morphed somewhat over the ages

1372

00:47:19,510 --> 00:47:17,599

and uh you know we started out with the

1373

00:47:21,270 --> 00:47:19,520

airships around the tour of the century

1374

00:47:23,510 --> 00:47:21,280

and then we had the the scare ships and

1375

00:47:25,349 --> 00:47:23,520

the ghost ships and so forth and then we

1376

00:47:27,030 --> 00:47:25,359

had the era with the uh it seemed like

1377

00:47:28,550 --> 00:47:27,040

these egg-shaped craft were landing and

1378

00:47:30,790 --> 00:47:28,560

little men in silver suits were getting

1379

00:47:32,950 --> 00:47:30,800

out and uh

1380

00:47:35,510 --> 00:47:32,960

ted phillips is a guy who does a lot of

1381

00:47:38,069 --> 00:47:35,520

investigating into the close encounters

1382

00:47:39,990 --> 00:47:38,079

of the second kind that uh you know

1383

00:47:42,550 --> 00:47:40,000

where a craft

1384

00:47:44,150 --> 00:47:42,560

or or some object leaves a trace

1385

00:47:46,390 --> 00:47:44,160

evidence whether it be landing marks

1386

00:47:48,790 --> 00:47:46,400

burn marks or whatever he said he's been

1387

00:47:51,670 --> 00:47:48,800

studying for for you know decades he

1388

00:47:54,069 --> 00:47:51,680

says that a lot of the solid craft seem

1389

00:47:55,990 --> 00:47:54,079

to be phasing out and you're getting

1390

00:47:57,750 --> 00:47:56,000

more of this kind of light phenomena not

1391

00:47:59,990 --> 00:47:57,760

necessarily small orbs but you know

1392

00:48:01,990 --> 00:48:00,000

these big light balls and so forth right

1393

00:48:05,190 --> 00:48:02,000

uh but back but back at this this

1394

00:48:07,349 --> 00:48:05,200

particular uh exercise uh they had the

1395

00:48:08,950 --> 00:48:07,359

like i say there was the triangle uh

1396

00:48:10,950 --> 00:48:08,960

they would see there was a british jet

1397

00:48:13,190 --> 00:48:10,960

fighter now this is all within a few day

1398

00:48:15,910 --> 00:48:13,200

period on the 19th of september a

1399

00:48:18,550 --> 00:48:15,920

british jet fighter saw a large disk was

1400

00:48:20,470 --> 00:48:18,560

kind of uh on his tail for a while

1401

00:48:21,990 --> 00:48:20,480

and when he turned around it just took

1402

00:48:24,069 --> 00:48:22,000

off you know they were still making they

1403

00:48:25,750 --> 00:48:24,079

were making these incredible maneuvers

1404

00:48:27,589 --> 00:48:25,760

where they they knew right away this was

1405

00:48:29,109 --> 00:48:27,599

not some kind of conventional aircraft

1406

00:48:32,069 --> 00:48:29,119

it wasn't the russians it wasn't a

1407

00:48:35,349 --> 00:48:32,079

foreign uh agent on earth

1408

00:48:37,829 --> 00:48:35,359

and uh 9 21 the next day uh six raf

1409

00:48:40,230 --> 00:48:37,839

pilots saw a large spherical object

1410

00:48:41,349 --> 00:48:40,240

above the north sea

1411

00:48:42,950 --> 00:48:41,359

um

1412

00:48:44,470 --> 00:48:42,960

now after

1413

00:48:46,470 --> 00:48:44,480

after these war after these particular

1414

00:48:49,829 --> 00:48:46,480

war games uh there was kind of a long

1415

00:48:52,069 --> 00:48:49,839

activity for a while but then in in 1953

1416

00:48:54,870 --> 00:48:52,079

it picked up again they were seeing uh

1417

00:48:56,630 --> 00:48:54,880

ufos above Guantanamo Bay

1418

00:48:58,790 --> 00:48:56,640

and this one this one looked like a just

1419

00:49:00,790 --> 00:48:58,800

a big bright star right there when they

1420

00:49:02,069 --> 00:49:00,800

first saw it and as it got closer they

1421

00:49:05,910 --> 00:49:02,079

could see it was kind of some kind of a

1422

00:49:07,349 --> 00:49:05,920

structured object yes um

1423

00:49:09,270 --> 00:49:07,359

and also uh

1424

00:49:10,870 --> 00:49:09,280

let's see at one time uh they were going

1425

00:49:13,190 --> 00:49:10,880

around they had to go around south

1426  
00:49:15,510 --> 00:49:13,200  
america because they were way too big to

1427  
00:49:18,309 --> 00:49:15,520  
go through the panama canal right and

1428  
00:49:20,150 --> 00:49:18,319  
they saw these two

1429  
00:49:21,990 --> 00:49:20,160  
objects they looked like kind of like

1430  
00:49:23,109 --> 00:49:22,000  
they're on fire one was on top of the

1431  
00:49:25,190 --> 00:49:23,119  
other it looked like they were

1432  
00:49:27,270 --> 00:49:25,200  
interacting with each other somehow

1433  
00:49:29,589 --> 00:49:27,280  
and uh then they they took off and they

1434  
00:49:31,829 --> 00:49:29,599  
disappeared wow and it's just this just

1435  
00:49:34,630 --> 00:49:31,839  
happened in the whole history of this uh

1436  
00:49:37,430 --> 00:49:34,640  
aircraft carrier you go up to 1958

1437  
00:49:40,710 --> 00:49:37,440  
around guam they saw a cigar-shaped

1438  
00:49:42,710 --> 00:49:40,720

object wow you know so it really ran the

1439

00:49:44,470 --> 00:49:42,720

gamut this is almost like a

1440

00:49:46,470 --> 00:49:44,480

a prologue to what we were going to

1441

00:49:48,230 --> 00:49:46,480

start experiencing in the late 40s and

1442

00:49:50,549 --> 00:49:48,240

uh and early 50s all the way up through

1443

00:49:52,630 --> 00:49:50,559

the 60s right they had um the last i

1444

00:49:54,309 --> 00:49:52,640

think it was the last cruise of the fdi

1445

00:49:56,230 --> 00:49:54,319

is in the med and they had

1446

00:49:58,870 --> 00:49:56,240

they saw like these objects coming down

1447

00:50:00,870 --> 00:49:58,880

at them from 50 000 feet at some

1448

00:50:02,870 --> 00:50:00,880

fantastic speed picked them up in radar

1449

00:50:04,870 --> 00:50:02,880

yeah 600 miles away or something you

1450

00:50:07,270 --> 00:50:04,880

know and you know buzzed the ship they

1451  
00:50:08,549 --> 00:50:07,280  
scrambled airplanes and stuff like that

1452  
00:50:09,589 --> 00:50:08,559  
just something about this aircraft

1453  
00:50:11,910 --> 00:50:09,599  
carrier that

1454  
00:50:14,150 --> 00:50:11,920  
you know was kind of i don't know spooky

1455  
00:50:16,150 --> 00:50:14,160  
creepy uh mitch what what carrier were

1456  
00:50:18,069 --> 00:50:16,160  
you on you we won one particular carrier

1457  
00:50:21,109 --> 00:50:18,079  
four well i was yeah i was i cruised on

1458  
00:50:22,950 --> 00:50:21,119  
the john f kennedy which which was uh

1459  
00:50:23,750 --> 00:50:22,960  
which was an attack carrier and then and

1460  
00:50:25,910 --> 00:50:23,760  
then

1461  
00:50:28,470 --> 00:50:25,920  
as a pilot i've landed on you know i've

1462  
00:50:30,150 --> 00:50:28,480  
landed on saratoga forestall

1463  
00:50:31,990 --> 00:50:30,160

my first one was on the lexington which

1464

00:50:34,390 --> 00:50:32,000

was an old essex class carrier that they

1465

00:50:36,390 --> 00:50:34,400

converted over right but uh the fdr

1466

00:50:38,710 --> 00:50:36,400

thing is interesting because

1467

00:50:40,710 --> 00:50:38,720

you said the correlation of

1468

00:50:42,309 --> 00:50:40,720

the first one to carry nukes

1469

00:50:45,349 --> 00:50:42,319

so there's there's been that's those

1470

00:50:47,430 --> 00:50:45,359

stories of uh this type of phenomena

1471

00:50:48,710 --> 00:50:47,440

around the original

1472

00:50:50,870 --> 00:50:48,720

uh

1473

00:50:52,309 --> 00:50:50,880

creation of the nuclear

1474

00:50:54,549 --> 00:50:52,319

industry there's a place up in

1475

00:50:56,870 --> 00:50:54,559

washington um that where they made the

1476

00:50:58,390 --> 00:50:56,880

fuel for the first nuclear bombs

1477

00:51:01,109 --> 00:50:58,400

commander cobra you must know that that

1478

00:51:02,870 --> 00:51:01,119

place up in what's up near spokane yeah

1479

00:51:04,870 --> 00:51:02,880

right exactly i can't remember the name

1480

00:51:07,190 --> 00:51:04,880

but you're correct but they saw

1481

00:51:09,270 --> 00:51:07,200

ufos over this place the day after they

1482

00:51:11,670 --> 00:51:09,280

dropped the first bomb on hiroshima

1483

00:51:12,870 --> 00:51:11,680

right you know people actually saw um i

1484

00:51:14,390 --> 00:51:12,880

i shouldn't know the name of the place

1485

00:51:16,630 --> 00:51:14,400

but it's where they process the fuel and

1486

00:51:18,230 --> 00:51:16,640

and there is definitely something to

1487

00:51:19,750 --> 00:51:18,240

this idea or a lot of people have

1488

00:51:21,829 --> 00:51:19,760

written about it talked about a research

1489

00:51:24,150 --> 00:51:21,839

that that

1490

00:51:25,349 --> 00:51:24,160

showing up over our icbm bases and stuff

1491

00:51:26,950 --> 00:51:25,359

like that and there's always this kind

1492

00:51:29,990 --> 00:51:26,960

of as you said well the interesting

1493

00:51:32,069 --> 00:51:30,000

thing is when the cia did its uh

1494

00:51:34,470 --> 00:51:32,079

it's seer program where they brought in

1495

00:51:37,270 --> 00:51:34,480

folks to try to track

1496

00:51:39,190 --> 00:51:37,280

they were using esp and and and those

1497

00:51:40,630 --> 00:51:39,200

kinds of arts as a reconnaissance

1498

00:51:42,390 --> 00:51:40,640

platform right

1499

00:51:44,790 --> 00:51:42,400

the famous story is is that they

1500

00:51:47,030 --> 00:51:44,800

reported they could locate

1501  
00:51:48,549 --> 00:51:47,040  
nuclear submarines and nuclear aircraft

1502  
00:51:51,190 --> 00:51:48,559  
carriers

1503  
00:51:52,870 --> 00:51:51,200  
and on many of them they would report a

1504  
00:51:55,349 --> 00:51:52,880  
disc that was

1505  
00:51:57,829 --> 00:51:55,359  
in the picture they were seeing

1506  
00:52:00,230 --> 00:51:57,839  
a flying saucer over it right it's it's

1507  
00:52:01,589 --> 00:52:00,240  
so it's funny would you say that the fdr

1508  
00:52:03,829 --> 00:52:01,599  
when it because it was a conventional

1509  
00:52:05,510 --> 00:52:03,839  
carry the fdr was not nuke driven

1510  
00:52:07,190 --> 00:52:05,520  
correct but it had nuke on there because

1511  
00:52:09,030 --> 00:52:07,200  
they wanted the navy one to be able to

1512  
00:52:11,430 --> 00:52:09,040  
compete with the air force and sex they

1513  
00:52:12,470 --> 00:52:11,440

wanted to be able to do strikes right

1514

00:52:14,309 --> 00:52:12,480

these are the days where you talked

1515

00:52:15,670 --> 00:52:14,319

about building carriers like that were

1516

00:52:18,150 --> 00:52:15,680

in your

1517

00:52:19,750 --> 00:52:18,160

your wingman and starhawk series where

1518

00:52:21,750 --> 00:52:19,760

they're you know basically triple the

1519

00:52:23,270 --> 00:52:21,760

size yes the navy actually wanted to

1520

00:52:25,030 --> 00:52:23,280

build supercarriers like that because

1521

00:52:27,430 --> 00:52:25,040

they wanted to put multi-engine bomber

1522

00:52:28,870 --> 00:52:27,440

type airplane on the aircraft right so

1523

00:52:30,150 --> 00:52:28,880

that's why they started carrying nukes

1524

00:52:33,510 --> 00:52:30,160

and things like

1525

00:52:36,309 --> 00:52:33,520

skyraiders and a4s were gonna make these

1526

00:52:38,390 --> 00:52:36,319

1200 13 mile 100 mile trips to drop a

1527

00:52:40,069 --> 00:52:38,400

nuke it's amazing you know the plan i

1528

00:52:42,950 --> 00:52:40,079

knew guys that trained for that mission

1529

00:52:44,309 --> 00:52:42,960

just amazing what was the uh largest

1530

00:52:46,309 --> 00:52:44,319

airplane

1531

00:52:47,589 --> 00:52:46,319

that you can you know fly off well i saw

1532

00:52:49,750 --> 00:52:47,599

i mean i remember

1533

00:52:51,430 --> 00:52:49,760

well they had you talking about all the

1534

00:52:53,190 --> 00:52:51,440

time would be the a5 right the whale

1535

00:52:55,510 --> 00:52:53,200

well the whale was yeah it was the a3

1536

00:52:57,829 --> 00:52:55,520

and then that was originally designed

1537

00:52:59,349 --> 00:52:57,839

is a long range

1538

00:53:01,270 --> 00:52:59,359

platform for that type of attack the

1539

00:53:03,270 --> 00:53:01,280

vigilante was a uh

1540

00:53:04,710 --> 00:53:03,280

an r5 and that that was a reconnaissance

1541

00:53:07,670 --> 00:53:04,720

bird but they were that was designed

1542

00:53:09,910 --> 00:53:07,680

originally to possibly be a bummer

1543

00:53:12,470 --> 00:53:09,920

but they've had c-130s on uh aircraft

1544

00:53:13,990 --> 00:53:12,480

carriers slightly did it once and it

1545

00:53:15,670 --> 00:53:14,000

worked somehow yeah he was pretty

1546

00:53:17,190 --> 00:53:15,680

impressive pilot by the way but but the

1547

00:53:18,230 --> 00:53:17,200

funny thing about the navy is when

1548

00:53:20,470 --> 00:53:18,240

you're talking about the kind of

1549

00:53:22,710 --> 00:53:20,480

airplanes that they fly everything has

1550

00:53:25,030 --> 00:53:22,720

to be compartmentalized you know

1551  
00:53:26,790 --> 00:53:25,040  
everything every little bit of space has

1552  
00:53:28,630 --> 00:53:26,800  
to be used you know that's why a lot of

1553  
00:53:30,790 --> 00:53:28,640  
the wings on airplanes on maybe

1554  
00:53:32,230 --> 00:53:30,800  
airplanes fold up right correct and you

1555  
00:53:33,910 --> 00:53:32,240  
know because you have this storage and

1556  
00:53:36,309 --> 00:53:33,920  
that kind of stuff so you know if you're

1557  
00:53:37,990 --> 00:53:36,319  
going to put a big plane on a carrier it

1558  
00:53:39,510 --> 00:53:38,000  
it's it's going to be a small big plane

1559  
00:53:40,870 --> 00:53:39,520  
let's say well the vigilante was a

1560  
00:53:42,309 --> 00:53:40,880  
pretty big airplane if you ever watch

1561  
00:53:43,750 --> 00:53:42,319  
the films of those guys coming aboard

1562  
00:53:45,670 --> 00:53:43,760  
the ship and the same with the a3 as the

1563  
00:53:47,430 --> 00:53:45,680

commander was mentioning that the whale

1564

00:53:49,109 --> 00:53:47,440

i mean that was one heck of an airplane

1565

00:53:51,030 --> 00:53:49,119

in the landing pattern and those guys

1566

00:53:52,950 --> 00:53:51,040

really stretched the limits on uh on

1567

00:53:54,309 --> 00:53:52,960

there when you got good you had a job

1568

00:53:55,990 --> 00:53:54,319

for as long as you wanted to be in the

1569

00:53:57,990 --> 00:53:56,000

navy flying those planes they kept

1570

00:53:59,589 --> 00:53:58,000

people on that did nothing but fly those

1571

00:54:01,349 --> 00:53:59,599

airplanes because they could

1572

00:54:02,870 --> 00:54:01,359

mitch did you ever see anything any uh

1573

00:54:05,670 --> 00:54:02,880

did you ever hear any reports of you

1574

00:54:08,150 --> 00:54:05,680

know ufos flying over your carrier no no

1575

00:54:10,710 --> 00:54:08,160

i never had that experience um

1576

00:54:12,309 --> 00:54:10,720

nothing like it um could you tell us if

1577

00:54:13,750 --> 00:54:12,319

you did you know what i don't know if i

1578

00:54:15,910 --> 00:54:13,760

would tell you if i did

1579

00:54:17,910 --> 00:54:15,920

did people say anything to do i mean

1580

00:54:20,470 --> 00:54:17,920

that's the myth is that you know the

1581

00:54:22,150 --> 00:54:20,480

brass says to all military pilots us

1582

00:54:24,630 --> 00:54:22,160

military plants if you see something do

1583

00:54:26,549 --> 00:54:24,640

not tell anyone about it or don't talk

1584

00:54:29,190 --> 00:54:26,559

about it it was unspoken i mean i think

1585

00:54:31,190 --> 00:54:29,200

it was pretty much unspoken so you know

1586

00:54:33,270 --> 00:54:31,200

from my my perspective is is that if you

1587

00:54:34,950 --> 00:54:33,280

had if you saw anything that was out of

1588

00:54:36,549 --> 00:54:34,960

the norm you would report it to your

1589

00:54:37,750 --> 00:54:36,559

intelligence officer in the squadron and

1590

00:54:39,430 --> 00:54:37,760

then go from there right were there

1591

00:54:41,190 --> 00:54:39,440

avenues for people like that there might

1592

00:54:42,470 --> 00:54:41,200

have been were they you know i could

1593

00:54:44,069 --> 00:54:42,480

have served with a guy who did see

1594

00:54:45,589 --> 00:54:44,079

something and he came back reported it

1595

00:54:47,829 --> 00:54:45,599

and they told him not to say anything so

1596

00:54:49,589 --> 00:54:47,839

i never right i never did in my personal

1597

00:54:51,109 --> 00:54:49,599

experience right now if you had seen

1598

00:54:53,829 --> 00:54:51,119

something would you have said anything

1599

00:54:54,870 --> 00:54:53,839

to i mean just a general conversation or

1600

00:54:56,309 --> 00:54:54,880

i think i would i think i would have

1601  
00:54:58,470 --> 00:54:56,319  
said something if i saw something that i

1602  
00:54:59,829 --> 00:54:58,480  
thought was completely out of normal

1603  
00:55:02,069 --> 00:54:59,839  
parameters i think it would have been my

1604  
00:55:03,910 --> 00:55:02,079  
duty to report it and uh but i've never

1605  
00:55:05,910 --> 00:55:03,920  
heard i never heard anybody taking any

1606  
00:55:08,069 --> 00:55:05,920  
abuse for what they saw i mean we saw a

1607  
00:55:09,510 --> 00:55:08,079  
lot of weird meteorological things that

1608  
00:55:11,270 --> 00:55:09,520  
happened where you kind of go wow did

1609  
00:55:12,309 --> 00:55:11,280  
you see that yeah that was are you

1610  
00:55:14,150 --> 00:55:12,319  
talking about port are you talking about

1611  
00:55:17,670 --> 00:55:14,160  
portals port calls

1612  
00:55:21,990 --> 00:55:20,230  
the wine is pretty good over a nation

1613  
00:55:24,870 --> 00:55:22,000

because ghosts talked about on navy

1614

00:55:26,150 --> 00:55:24,880

ships military ships is not uncommon i

1615

00:55:28,309 --> 00:55:26,160

mean i've been on a number of ships

1616

00:55:30,150 --> 00:55:28,319

where they talk about the ghostly it

1617

00:55:32,790 --> 00:55:30,160

happens absolutely

1618

00:55:34,309 --> 00:55:32,800

the uss hornet is one of them i think

1619

00:55:36,870 --> 00:55:34,319

lexington

1620

00:55:39,510 --> 00:55:36,880

yeah the uss constitution is listed as

1621

00:55:41,430 --> 00:55:39,520

one that has uh folks right i was on the

1622

00:55:42,710 --> 00:55:41,440

lexington and uh and that was an old

1623

00:55:44,630 --> 00:55:42,720

world war ii ship that they had

1624

00:55:47,190 --> 00:55:44,640

converted to an angle deck and uh i

1625

00:55:48,710 --> 00:55:47,200

spent many a night on the lex i usually

1626  
00:55:49,910 --> 00:55:48,720  
feel a little too tired to really i

1627  
00:55:51,750 --> 00:55:49,920  
probably wouldn't even notice that there

1628  
00:55:53,990 --> 00:55:51,760  
was a ghost next to me

1629  
00:55:54,870 --> 00:55:54,000  
kind of an arrogant pilot thing like

1630  
00:55:57,109 --> 00:55:54,880  
are you watching

1631  
00:55:59,349 --> 00:55:57,119  
what are you doing in these quarters

1632  
00:56:00,789 --> 00:55:59,359  
say hey ghost what's for mid rats yeah

1633  
00:56:02,390 --> 00:56:00,799  
exactly

1634  
00:56:04,710 --> 00:56:02,400  
yeah well the night rations even though

1635  
00:56:05,829 --> 00:56:04,720  
you know that well you know um

1636  
00:56:09,670 --> 00:56:05,839  
um

1637  
00:56:11,030 --> 00:56:09,680  
the idea of this of the fdr it i mean

1638  
00:56:12,549 --> 00:56:11,040

the switch just kind of scratched the

1639

00:56:15,109 --> 00:56:12,559

surface there was like some kind of

1640

00:56:19,349 --> 00:56:15,119

ceiling down at that in brazil

1641

00:56:20,150 --> 00:56:19,359

um guantanamo bay get mom the med guam

1642

00:56:21,990 --> 00:56:20,160

and

1643

00:56:23,750 --> 00:56:22,000

where a lot of people just thought well

1644

00:56:24,950 --> 00:56:23,760

these are ufos but it always kind of

1645

00:56:26,630 --> 00:56:24,960

goes back to the fact that it's the

1646

00:56:28,230 --> 00:56:26,640

first warship ever to carry nuclear

1647

00:56:30,390 --> 00:56:28,240

weapons well are they curious about

1648

00:56:31,910 --> 00:56:30,400

nuclear technology or something right

1649

00:56:33,990 --> 00:56:31,920

about we're going to use it on them and

1650

00:56:36,069 --> 00:56:34,000

they hover over icbm bases and stuff

1651  
00:56:37,030 --> 00:56:36,079  
like that and you know where they make

1652  
00:56:38,950 --> 00:56:37,040  
uh

1653  
00:56:41,109 --> 00:56:38,960  
process the fuel for

1654  
00:56:42,390 --> 00:56:41,119  
uh atomic bombs or you know nuclear

1655  
00:56:43,510 --> 00:56:42,400  
weapons

1656  
00:56:45,030 --> 00:56:43,520  
people kind of see these things on a

1657  
00:56:47,030 --> 00:56:45,040  
regular basis so

1658  
00:56:48,630 --> 00:56:47,040  
you know uh who knows switch what else

1659  
00:56:50,630 --> 00:56:48,640  
you got there first buddy well there's

1660  
00:56:52,230 --> 00:56:50,640  
another aspect of this uh years ago when

1661  
00:56:53,910 --> 00:56:52,240  
i was working in a little hole in the

1662  
00:56:55,589 --> 00:56:53,920  
wall factory i was talking to a guy that

1663  
00:56:57,430 --> 00:56:55,599

has said he was stationed on an aircraft

1664

00:56:59,430 --> 00:56:57,440

carrier and they were standing on the

1665

00:57:02,950 --> 00:56:59,440

deck one time and this

1666

00:57:04,549 --> 00:57:02,960

very large uh uh disc shaped object came

1667

00:57:05,990 --> 00:57:04,559

up out of the ocean

1668

00:57:07,829 --> 00:57:06,000

and kind of hovered for a minute and

1669

00:57:09,829 --> 00:57:07,839

then just took off

1670

00:57:11,910 --> 00:57:09,839

and anybody that had you know so i guess

1671

00:57:13,510 --> 00:57:11,920

a few people took pictures of them and

1672

00:57:14,950 --> 00:57:13,520

they they made sure they confiscated

1673

00:57:17,430 --> 00:57:14,960

that and they told the guys not to talk

1674

00:57:18,549 --> 00:57:17,440

about it but you know this this is ivan

1675

00:57:20,630 --> 00:57:18,559

sanderson

1676

00:57:22,870 --> 00:57:20,640

uh in his book uninvited visitors and

1677

00:57:25,750 --> 00:57:22,880

invisible residents talks about a lot of

1678

00:57:27,990 --> 00:57:25,760

this stuff there's quite a lot of uh

1679

00:57:29,430 --> 00:57:28,000

sightings of craft going in and out of

1680

00:57:31,190 --> 00:57:29,440

the water

1681

00:57:32,630 --> 00:57:31,200

and and sanderson was just you know he

1682

00:57:34,710 --> 00:57:32,640

for kind of a literary device he

1683

00:57:36,950 --> 00:57:34,720

hypothesized that well maybe we're

1684

00:57:39,510 --> 00:57:36,960

dealing with a civilization a hidden

1685

00:57:40,549 --> 00:57:39,520

civilization on earth well let's assume

1686

00:57:41,910 --> 00:57:40,559

that's true

1687

00:57:44,789 --> 00:57:41,920

they're really going to be concerned

1688

00:57:46,470 --> 00:57:44,799

about nukes if not just et's but if this

1689

00:57:48,870 --> 00:57:46,480

is their planet too they're going to be

1690

00:57:51,030 --> 00:57:48,880

really concerned about uh ships carrying

1691

00:57:52,870 --> 00:57:51,040

using nukes and so forth right a lot of

1692

00:57:55,109 --> 00:57:52,880

people report ufos coming out of the

1693

00:57:58,150 --> 00:57:55,119

water yeah especially down in bahamas

1694

00:58:00,710 --> 00:57:58,160

and that part of the world wherever um

1695

00:58:02,230 --> 00:58:00,720

what tech is it's kind of the navy's uh

1696

00:58:04,549 --> 00:58:02,240

area 51

1697

00:58:07,349 --> 00:58:04,559

uh puerto rico too yeah yeah and that in

1698

00:58:08,390 --> 00:58:07,359

the literally in the bermuda triangle

1699

00:58:10,549 --> 00:58:08,400

but um

1700

00:58:13,510 --> 00:58:10,559

yeah and and people would say well at

1701

00:58:15,190 --> 00:58:13,520

autec which is once again navy's

1702

00:58:16,549 --> 00:58:15,200

area 51 they have

1703

00:58:19,030 --> 00:58:16,559

billions of dollars of listening

1704

00:58:20,950 --> 00:58:19,040

equipment for submarines and also air

1705

00:58:22,870 --> 00:58:20,960

defense equipment and

1706

00:58:24,230 --> 00:58:22,880

they it's built so sensitive that they

1707

00:58:26,069 --> 00:58:24,240

can hear

1708

00:58:28,390 --> 00:58:26,079

uh russian beer bombers coming over the

1709

00:58:29,430 --> 00:58:28,400

top of norway and they're down in the

1710

00:58:32,549 --> 00:58:29,440

bahamas

1711

00:58:33,990 --> 00:58:32,559

you know but they the navy continually

1712

00:58:37,270 --> 00:58:34,000

you know denies that there's any kind of

1713

00:58:38,950 --> 00:58:37,280

ufo activity especially uso activity

1714

00:58:41,109 --> 00:58:38,960

submerged objects so you have to say

1715

00:58:42,549 --> 00:58:41,119

well either this stuff doesn't work

1716

00:58:44,309 --> 00:58:42,559

or they're lying about it because so

1717

00:58:45,109 --> 00:58:44,319

many people have seen had settings down

1718

00:58:46,309 --> 00:58:45,119

there

1719

00:58:48,069 --> 00:58:46,319

um

1720

00:58:50,069 --> 00:58:48,079

commander cobra have you ever seen when

1721

00:58:51,510 --> 00:58:50,079

you're on any ship or an aircraft

1722

00:58:54,870 --> 00:58:51,520

carrier never seen anything weird that

1723

00:58:56,950 --> 00:58:54,880

everyone no one knew what it was

1724

00:58:59,750 --> 00:58:56,960

i'm sort of like uh our guest tonight

1725

00:59:02,150 --> 00:58:59,760

mitch you know very strange

1726

00:59:04,710 --> 00:59:02,160

meteorological events that things like

1727

00:59:07,349 --> 00:59:04,720

that i did experience some of the

1728

00:59:09,589 --> 00:59:07,359

uncomfortable in certain spaces on boats

1729

00:59:11,910 --> 00:59:09,599

that were reported to have had either

1730

00:59:14,150 --> 00:59:11,920

crewmen die uh

1731

00:59:15,430 --> 00:59:14,160

that kind of stuff that has come up a

1732

00:59:17,670 --> 00:59:15,440

number of times

1733

00:59:18,630 --> 00:59:17,680

uh on different ships that i was on

1734

00:59:20,630 --> 00:59:18,640

right

1735

00:59:22,630 --> 00:59:20,640

but nothing i you know everything i ever

1736

00:59:24,230 --> 00:59:22,640

saw when i did enough poking around i

1737

00:59:26,150 --> 00:59:24,240

found out it was in a folder i wasn't

1738

00:59:28,470 --> 00:59:26,160

supposed to be seeing

1739

00:59:31,109 --> 00:59:28,480

or something i wasn't supposed to do

1740

00:59:32,950 --> 00:59:31,119

and a lot of it you know

1741

00:59:34,870 --> 00:59:32,960

deals with other agencies that only use

1742

00:59:36,950 --> 00:59:34,880

three letters in their alphabet

1743

00:59:39,510 --> 00:59:36,960

and they're involved in all kinds of

1744

00:59:41,670 --> 00:59:39,520

stuff and they need to use navy ships uh

1745

00:59:44,390 --> 00:59:41,680

they need to use bases

1746

00:59:46,150 --> 00:59:44,400

and you know it's probably hard to not

1747

00:59:47,510 --> 00:59:46,160

draw you know pretty quick lines what's

1748

00:59:48,950 --> 00:59:47,520

going on i think some of the most

1749

00:59:50,309 --> 00:59:48,960

interesting people are the people that

1750

00:59:51,910 --> 00:59:50,319

can't tell you what they've refueled we

1751

00:59:54,069 --> 00:59:51,920

were talking about refueling earlier

1752

00:59:56,069 --> 00:59:54,079

tanker guys boom operators right had

1753

00:59:57,910 --> 00:59:56,079

some of the highest security clearances

1754

00:59:59,430 --> 00:59:57,920

right uh and were debriefed all the time

1755

01:00:01,030 --> 00:59:59,440

because they were refueling airplanes

1756

01:00:02,710 --> 01:00:01,040

that everyone was swearing the hell

1757

01:00:04,230 --> 01:00:02,720

didn't exist yeah right yeah never think

1758

01:00:06,470 --> 01:00:04,240

about that but yeah

1759

01:00:08,630 --> 01:00:06,480

mitch when you were um you know the the

1760

01:00:10,710 --> 01:00:08,640

plane that you flew was as we were

1761

01:00:11,750 --> 01:00:10,720

saying before it was like a mini a wax

1762

01:00:13,030 --> 01:00:11,760

correct

1763

01:00:15,109 --> 01:00:13,040

and that's like something that has so

1764

01:00:17,109 --> 01:00:15,119

many you know so many sensing equipment

1765

01:00:18,230 --> 01:00:17,119

on it that it can see far out for you

1766

01:00:19,750 --> 01:00:18,240

know you're using that maybe they could

1767

01:00:23,190 --> 01:00:19,760

see everything here everything

1768

01:00:24,630 --> 01:00:23,200

everything yeah um you know so

1769

01:00:26,470 --> 01:00:24,640

in the course of what you guys were

1770

01:00:28,230 --> 01:00:26,480

doing did you ever you know like well

1771

01:00:29,990 --> 01:00:28,240

any secret missions or anything well

1772

01:00:31,510 --> 01:00:30,000

this this is a great story because and i

1773

01:00:34,390 --> 01:00:31,520

can say it now because the cat's out of

1774

01:00:36,390 --> 01:00:34,400

the bag years later but um i was down we

1775

01:00:38,549 --> 01:00:36,400

were out in fallon nevada and an e2

1776

01:00:40,309 --> 01:00:38,559

where the airwing goes to work up out

1777

01:00:42,390 --> 01:00:40,319

there and uh we

1778

01:00:44,950 --> 01:00:42,400

asked about pigs in space at the end of

1779

01:00:47,589 --> 01:00:44,960

this story it's very important pigs in

1780

01:00:50,309 --> 01:00:47,599

space get his explanation of that okay

1781

01:00:52,710 --> 01:00:50,319

but um so we got close to

1782

01:00:54,470 --> 01:00:52,720

goodbye summer hello new fall fashion

1783

01:00:56,710 --> 01:00:54,480

this is a great time to shop macy's

1784

01:00:58,390 --> 01:00:56,720

1796

01:01:24,950 --> 01:01:23,119

tonopah which was where the air force

1797

01:01:26,470 --> 01:01:24,960

works a lot of their stuff and i had a

1798

01:01:28,549 --> 01:01:26,480

couple airplanes off the nose of the

1799

01:01:29,910 --> 01:01:28,559

airplane and i'm looking at it and um i

1800

01:01:31,349 --> 01:01:29,920

asked the guys i'm back i'm like what do

1801  
01:01:33,270 --> 01:01:31,359  
we got for traffic out there what are

1802  
01:01:34,549 --> 01:01:33,280  
they and they said we don't see anything

1803  
01:01:36,069 --> 01:01:34,559  
and i said well they're right there i

1804  
01:01:38,390 --> 01:01:36,079  
can see them they're camping more than

1805  
01:01:39,589 --> 01:01:38,400  
five or six miles away and uh they were

1806  
01:01:41,510 --> 01:01:39,599  
like nope we don't see anything well

1807  
01:01:43,589 --> 01:01:41,520  
turns out it was the uh

1808  
01:01:45,750 --> 01:01:43,599  
back in those days it was the 117th

1809  
01:01:47,349 --> 01:01:45,760  
117th stealth fighter yeah right yeah

1810  
01:01:48,870 --> 01:01:47,359  
and nobody knew about him at the time

1811  
01:01:51,190 --> 01:01:48,880  
and i remember as soon as i landed i had

1812  
01:01:53,190 --> 01:01:51,200  
a couple guys in black suits waiting to

1813  
01:01:54,549 --> 01:01:53,200

debrief me oh really yeah yeah yeah does

1814

01:01:57,109 --> 01:01:54,559

that mean beat the hell out of you yeah

1815

01:01:59,910 --> 01:01:57,119

well we're torching a little bit okay

1816

01:02:01,990 --> 01:01:59,920

um went down the golden nugget

1817

01:02:03,670 --> 01:02:02,000

is an interesting place it really is

1818

01:02:05,990 --> 01:02:03,680

right there's like 2 000 people there

1819

01:02:08,470 --> 01:02:06,000

maybe 3 000 people it's it's halfway

1820

01:02:10,549 --> 01:02:08,480

between reno and in las vegas it's

1821

01:02:12,710 --> 01:02:10,559

almost like the halfway point a lot of

1822

01:02:14,470 --> 01:02:12,720

people make the drive and they stay at

1823

01:02:16,390 --> 01:02:14,480

this there's a place called the clown

1824

01:02:17,829 --> 01:02:16,400

motel there it's famous it's you know

1825

01:02:19,829 --> 01:02:17,839

that's supposedly like the haunted one

1826

01:02:21,750 --> 01:02:19,839

right yeah right yes yes it is there's a

1827

01:02:23,750 --> 01:02:21,760

few murders in there but anyway they

1828

01:02:26,069 --> 01:02:23,760

were flying the uh stealth fighter out

1829

01:02:27,510 --> 01:02:26,079

of there for almost 10 years yeah lots

1830

01:02:28,950 --> 01:02:27,520

of people knew about it and no one said

1831

01:02:30,549 --> 01:02:28,960

a word about it which was very

1832

01:02:32,390 --> 01:02:30,559

interesting it's amazing how's everybody

1833

01:02:33,750 --> 01:02:32,400

keep that secret well you know there was

1834

01:02:36,309 --> 01:02:33,760

rumors that they had something there but

1835

01:02:37,910 --> 01:02:36,319

they did they i mean they they didn't uh

1836

01:02:39,829 --> 01:02:37,920

you know really they also were very good

1837

01:02:42,630 --> 01:02:39,839

at the deception on that disinformation

1838

01:02:44,710 --> 01:02:42,640

program they had all black a7s that they

1839

01:02:46,150 --> 01:02:44,720

would fly in front and behind it so that

1840

01:02:47,750 --> 01:02:46,160

if you looked up like the second or

1841

01:02:51,190 --> 01:02:47,760

third one so we go it's just a friggin

1842

01:02:55,349 --> 01:02:53,109

yeah at different bases and say yeah

1843

01:02:57,349 --> 01:02:55,359

they're just running special gear tests

1844

01:02:58,710 --> 01:02:57,359

yeah uh it was amazing programming and

1845

01:03:00,870 --> 01:02:58,720

the right satellites would go over and

1846

01:03:08,710 --> 01:03:00,880

they they would say what would you see

1847

01:03:12,150 --> 01:03:09,990

he just called your favorite airplane to

1848

01:03:13,589 --> 01:03:12,160

piece of johnson

1849

01:03:14,390 --> 01:03:13,599

we used to call them fruit flies in the

1850

01:03:16,789 --> 01:03:14,400

navy

1851

01:03:19,190 --> 01:03:16,799

a7s they were slowing deadly a7 you have

1852

01:03:21,190 --> 01:03:19,200

to sit in the in catapult for 15 minutes

1853

01:03:22,950 --> 01:03:21,200

run the engine because the a model was

1854

01:03:24,870 --> 01:03:22,960

always losing its engine on takeoff yeah

1855

01:03:26,870 --> 01:03:24,880

that was a map that's why they advanced

1856

01:03:28,470 --> 01:03:26,880

to the b model as soon as possible is

1857

01:03:33,349 --> 01:03:28,480

possible yeah

1858

01:03:35,430 --> 01:03:33,359

wow okay um so uh switzerino

1859

01:03:38,630 --> 01:03:35,440

um do you have any more haunted aircraft

1860

01:03:41,750 --> 01:03:38,640

cameras well there was a uh uh we did a

1861

01:03:43,750 --> 01:03:41,760

report uh last year on the uss essex yes

1862

01:03:45,589 --> 01:03:43,760

which played a major role in world war

1863

01:03:48,150 --> 01:03:45,599

ii and they uh

1864

01:03:50,710 --> 01:03:48,160

that that report concentrated on

1865

01:03:52,710 --> 01:03:50,720

on more of a uh it seemed like it had a

1866

01:03:54,950 --> 01:03:52,720

almost like a guardian angel because man

1867

01:03:56,630 --> 01:03:54,960

they were shot at with torpedoes and

1868

01:03:58,870 --> 01:03:56,640

barely misdestruction

1869

01:04:02,150 --> 01:03:58,880

a million times but they also this is

1870

01:04:04,150 --> 01:04:02,160

about uh this was an anonymous letter a

1871

01:04:06,150 --> 01:04:04,160

guy wrote into fate magazine documenting

1872

01:04:08,069 --> 01:04:06,160

some of this stuff okay and so this is i

1873

01:04:09,750 --> 01:04:08,079

don't have the exact date is the problem

1874

01:04:11,750 --> 01:04:09,760

but this is almost about the same time

1875

01:04:15,029 --> 01:04:11,760

that the fdr was experiencing all this

1876

01:04:18,630 --> 01:04:15,039

ufo activity and they this guy said that

1877

01:04:21,109 --> 01:04:18,640

they saw a ufo it's a classic ufo about

1878

01:04:23,750 --> 01:04:21,119

uh 30 40 feet long it came in at a

1879

01:04:25,910 --> 01:04:23,760

tremendous speed it came down kind of at

1880

01:04:27,670 --> 01:04:25,920

a 90 degree angle and then came up very

1881

01:04:29,270 --> 01:04:27,680

close to the ship it was only about 20

1882

01:04:31,670 --> 01:04:29,280

feet off the water

1883

01:04:33,510 --> 01:04:31,680

and so they started firing at this yeah

1884

01:04:35,829 --> 01:04:33,520

it's just mine yeah good good good idea

1885

01:04:38,309 --> 01:04:35,839

right and but to no effect

1886

01:04:40,549 --> 01:04:38,319

and then uh after a while it just it

1887

01:04:42,630 --> 01:04:40,559

kind of actually it made a a couple

1888

01:04:44,870 --> 01:04:42,640

loops around the aircraft carrier and

1889

01:04:46,710 --> 01:04:44,880

then took off at a high rate of speed

1890

01:04:48,309 --> 01:04:46,720

so this is about the same time as the

1891

01:04:50,150 --> 01:04:48,319

fdi something like that now a lot of

1892

01:04:51,430 --> 01:04:50,160

people saw that a lot of people you know

1893

01:04:53,190 --> 01:04:51,440

crewmembers on the

1894

01:04:55,270 --> 01:04:53,200

essex saw that and you know who knows

1895

01:04:57,029 --> 01:04:55,280

how many people what are they seeing you

1896

01:04:58,630 --> 01:04:57,039

know what i mean i mean what if what are

1897

01:05:00,630 --> 01:04:58,640

they seeing they can't be

1898

01:05:03,670 --> 01:05:00,640

they can't be uh mixing it up with some

1899

01:05:04,710 --> 01:05:03,680

kind of aircraft we have

1900

01:05:06,470 --> 01:05:04,720

right

1901

01:05:08,630 --> 01:05:06,480

i'm looking at you mitch for some reason

1902

01:05:10,549 --> 01:05:08,640

well you know i mean yeah i've never

1903

01:05:11,349 --> 01:05:10,559

seen anything like it so i can't i can't

1904

01:05:15,029 --> 01:05:11,359

say

1905

01:05:16,789 --> 01:05:15,039

but uh you know i who's to deny or to

1906

01:05:18,390 --> 01:05:16,799

say one way or the other unless you

1907

01:05:20,150 --> 01:05:18,400

experience it and if uh if the

1908

01:05:21,349 --> 01:05:20,160

government's policy is to keep it quiet

1909

01:05:23,190 --> 01:05:21,359

then they're keeping it they're doing a

1910

01:05:25,510 --> 01:05:23,200

good job and uh

1911

01:05:27,109 --> 01:05:25,520

and like i said i've never had the

1912

01:05:28,710 --> 01:05:27,119

personal experience do you think they

1913

01:05:30,309 --> 01:05:28,720

know more about ufos and they're letting

1914

01:05:32,069 --> 01:05:30,319

on that do you think the us military

1915

01:05:34,390 --> 01:05:32,079

knows i'll ask you two questions do you

1916

01:05:37,670 --> 01:05:34,400

think the ufo the military knows what

1917

01:05:39,990 --> 01:05:37,680

ufos are well if if you go on on the

1918

01:05:42,150 --> 01:05:40,000

caveat that they you know that this this

1919

01:05:43,750 --> 01:05:42,160

is a real real situation then yeah i do

1920

01:05:45,109 --> 01:05:43,760

believe they do how can they not i mean

1921

01:05:47,109 --> 01:05:45,119

if you talk about all these these

1922

01:05:49,430 --> 01:05:47,119

stories and stuff like that then clearly

1923

01:05:50,950 --> 01:05:49,440

they they probably have as much working

1924

01:05:52,309 --> 01:05:50,960

knowledge as possible on it because that

1925

01:05:54,950 --> 01:05:52,319

would be a direct

1926

01:05:56,390 --> 01:05:54,960

direct part of their uh their job right

1927

01:05:58,549 --> 01:05:56,400

to do it i mean there's a difference to

1928

01:05:59,829 --> 01:05:58,559

say um it's different to say do they

1929

01:06:01,349 --> 01:05:59,839

know what they are

1930

01:06:03,349 --> 01:06:01,359

as opposed to

1931

01:06:04,710 --> 01:06:03,359

do they have evidence they exist you

1932

01:06:06,630 --> 01:06:04,720

know they might have i think they have a

1933

01:06:07,829 --> 01:06:06,640

lot of evidence that they exist you know

1934

01:06:09,190 --> 01:06:07,839

film and

1935

01:06:11,029 --> 01:06:09,200

you know things like that i think they

1936

01:06:12,710 --> 01:06:11,039

have much more than they would tell us

1937

01:06:13,750 --> 01:06:12,720

but i'm not so sure they know what these

1938

01:06:16,069 --> 01:06:13,760

things are

1939

01:06:18,630 --> 01:06:16,079

well i i would think that if if they did

1940

01:06:20,789 --> 01:06:18,640

or if it was widespread then i would

1941

01:06:22,069 --> 01:06:20,799

think in my background as an officer and

1942

01:06:23,829 --> 01:06:22,079

as a pilot that i would have been

1943

01:06:25,270 --> 01:06:23,839

briefed on it you know so wouldn't it

1944

01:06:27,190 --> 01:06:25,280

why wouldn't they brief me on it right

1945

01:06:28,789 --> 01:06:27,200

now maybe this they're they're so far

1946

01:06:30,470 --> 01:06:28,799

apart and so

1947

01:06:32,390 --> 01:06:30,480

quick in the uh

1948

01:06:34,710 --> 01:06:32,400

in in the interaction that they they

1949

01:06:35,829 --> 01:06:34,720

don't feel the need to right to brief us

1950

01:06:37,430 --> 01:06:35,839

and have us ready and maybe they're

1951

01:06:38,789 --> 01:06:37,440

waiting to see maybe they don't know

1952

01:06:41,589 --> 01:06:38,799

right you know

1953

01:06:42,789 --> 01:06:41,599

um hey switcherino thanks for joining us

1954

01:06:45,109 --> 01:06:42,799

tonight

1955

01:06:48,230 --> 01:06:45,119

it was my pleasure i'm going to uh also

1956

01:06:51,190 --> 01:06:48,240

not only tease your speech on

1957

01:06:53,829 --> 01:06:51,200

the third sunday in september down there

1958

01:06:56,710 --> 01:06:53,839

in point pleasant west virginia

1959

01:06:58,549 --> 01:06:56,720

uh the big mothman festival but

1960

01:07:00,470 --> 01:06:58,559

one one you'll be excited to hear this

1961

01:07:01,589 --> 01:07:00,480

that tuesday we are running the best of

1962

01:07:08,230 --> 01:07:01,599

switch

1963

01:07:10,309 --> 01:07:08,240

get enough of me at the festival they've

1964

01:07:11,910 --> 01:07:10,319

got another uh another dose

1965

01:07:14,150 --> 01:07:11,920

on the radio another dose interesting

1966

01:07:15,910 --> 01:07:14,160

way to put it but yes yes another dose

1967

01:07:18,870 --> 01:07:15,920

of sweet see that fan number getting

1968

01:07:20,470 --> 01:07:18,880

higher that's right

1969

01:07:22,549 --> 01:07:20,480

this guy knew everything about switch

1970

01:07:24,470 --> 01:07:22,559

and and i got a little afraid for switch

1971

01:07:27,430 --> 01:07:24,480

until they saw that he um

1972

01:07:29,670 --> 01:07:27,440

he spelled the word honor with a u so he

1973

01:07:31,829 --> 01:07:29,680

must be over in the you know over in

1974

01:07:34,789 --> 01:07:31,839

india right or something if you say

1975

01:07:36,470 --> 01:07:34,799

india yeah okay or it could be india

1976

01:07:38,150 --> 01:07:36,480

one of those colonies but anyway it's

1977

01:07:39,270 --> 01:07:38,160

growing it's growing the fan mail has

1978

01:07:41,430 --> 01:07:39,280

rolled in

1979

01:07:43,349 --> 01:07:41,440

switzerland so excellent that's i really

1980

01:07:45,109 --> 01:07:43,359

appreciate that and uh did you want to

1981

01:07:47,589 --> 01:07:45,119

promote what we were talking about

1982

01:07:49,750 --> 01:07:47,599

during the next tuesday i am going to be

1983

01:07:51,750 --> 01:07:49,760

going to the michigan paracon oh that's

1984

01:07:54,390 --> 01:07:51,760

the upper peninsula yes right yes right

1985

01:07:56,470 --> 01:07:54,400

and uh with a this isn't so much uh

1986

01:07:58,390 --> 01:07:56,480

mothman oriented obviously but it's a

1987

01:08:01,190 --> 01:07:58,400

you know quite a uh

1988

01:08:02,950 --> 01:08:01,200

a uh a potpourri of the paranormal i

1989

01:08:05,029 --> 01:08:02,960

guess you could say okay all right

1990

01:08:07,829 --> 01:08:05,039

potpourri i think i know what that means

1991

01:08:09,270 --> 01:08:07,839

uh i mean everybody from uh bobo from uh

1992

01:08:12,549 --> 01:08:09,280

you know finding bigfoot is supposed to

1993

01:08:14,309 --> 01:08:12,559

be there uh rosemary ellen guyley a very

1994

01:08:17,110 --> 01:08:14,319

1999

01:08:26,229 --> 01:08:24,319

um and um isn't our friend emily going

2000

01:08:27,590 --> 01:08:26,239

to be joining us at some point yes i i

2001

01:08:28,709 --> 01:08:27,600

got a hold of her and she said she would

2002

01:08:31,829 --> 01:08:28,719

be uh

2003

01:08:33,910 --> 01:08:31,839

very happy to uh to join in okay and uh

2004

01:08:35,749 --> 01:08:33,920

2005

01:08:37,990 --> 01:08:35,759

okay i'm not gonna say what i'm thinking

2006

01:08:39,910 --> 01:08:38,000

but i will do this

2007

01:08:42,309 --> 01:08:39,920

emily's going to join in one-on-one she

2008

01:08:44,309 --> 01:08:42,319

2009

01:08:46,470 --> 01:08:44,319

2010

01:08:48,789 --> 01:08:46,480

01:13:55,030 --> 01:13:52,800

and sit in

2138

01:13:57,350 --> 01:13:55,040

yeah and play their craft right

2139

01:13:59,110 --> 01:13:57,360

actually yeah try out material i think

2140

01:14:01,030 --> 01:13:59,120

i've been listening this is more i'm

2141

01:14:03,110 --> 01:14:01,040

gaining material is what i'm getting

2142

01:14:04,470 --> 01:14:03,120

there that's what you hear is uh

2143

01:14:06,790 --> 01:14:04,480

in other words it's one big joke that's

2144

01:14:09,350 --> 01:14:06,800

all there is to it navy pilot slash

2145

01:14:11,189 --> 01:14:09,360

stand-up comedian it's good to be here

2146

01:14:14,390 --> 01:14:11,199

sitting in with us tonight so is navy

2147

01:14:16,709 --> 01:14:14,400

pilots cooler than air force absolutely

2148

01:14:17,990 --> 01:14:16,719

there's no doubt in my mind uh you gotta

2149

01:14:21,189 --> 01:14:18,000

you're gonna have to go through more

2150

01:14:22,709 --> 01:14:21,199

stuff that's a sure more uh kind of uh

2151

01:14:25,110 --> 01:14:22,719

that rivalry

2152

01:14:26,870 --> 01:14:25,120

goes way back fist fights included any

2153

01:14:28,790 --> 01:14:26,880

fist fights commander we got in a few

2154

01:14:30,229 --> 01:14:28,800

fist fights we spend the night at an air

2155

01:14:31,830 --> 01:14:30,239

force base oh really you know we're

2156

01:14:33,430 --> 01:14:31,840

standing up for response standing in

2157

01:14:34,550 --> 01:14:33,440

front of the air force's uh base

2158

01:14:35,990 --> 01:14:34,560

commanders

2159

01:14:38,229 --> 01:14:36,000

getting yelled at and told and we can

2160

01:14:39,750 --> 01:14:38,239

never fly back into their base again we

2161

01:14:42,870 --> 01:14:39,760

always just changed our call sign and

2162

01:14:44,790 --> 01:14:42,880

we're back the next week okay so the

2163

01:14:45,830 --> 01:14:44,800

navy is always uh the navy had

2164

01:14:47,590 --> 01:14:45,840

everything right

2165

01:14:48,790 --> 01:14:47,600

but but you have to look at you not only

2166

01:14:51,189 --> 01:14:48,800

do you have to fly the jet but you can

2167

01:14:53,350 --> 01:14:51,199

land it on the on your own at night

2168

01:14:54,630 --> 01:14:53,360

right now that jazz you know so of

2169

01:14:56,790 --> 01:14:54,640

course guys don't have to do that no

2170

01:14:58,870 --> 01:14:56,800

they don't they just fly into some

2171

01:15:00,070 --> 01:14:58,880

base somewhere right just just like

2172

01:15:02,950 --> 01:15:00,080

they'll be running the rest of the night

2173

01:15:04,550 --> 01:15:02,960

and drive home panties yeah anyway yeah

2174

01:15:06,310 --> 01:15:04,560

a lot smarter at the recruiters though

2175

01:15:08,830 --> 01:15:06,320

too i'm just wondering if manicober any

2176

01:15:11,430 --> 01:15:08,840

fist fights between uh the

2177

01:15:13,110 --> 01:15:11,440

coasters playing slots on all these

2178

01:15:16,229 --> 01:15:13,120

teams i've been on both sides of the

2179

01:15:18,229 --> 01:15:16,239

line okay so to say that uh

2180

01:15:20,630 --> 01:15:18,239

things always run seamlessly that there

2181

01:15:22,310 --> 01:15:20,640

isn't the flaring of emotions that

2182

01:15:25,110 --> 01:15:22,320

occasionally

2183

01:15:27,430 --> 01:15:25,120

uh i have to say though that by far

2184

01:15:29,990 --> 01:15:27,440

the air force plays a game where they

2185

01:15:33,350 --> 01:15:30,000

try to act like they are so much more

2186

01:15:35,510 --> 01:15:33,360

above it all wow and the navy plays the

2187

01:15:38,870 --> 01:15:35,520

game are you kidding me i'm not on the

2188

01:15:40,550 --> 01:15:38,880

boat i've been i'm on i'm not in prison

2189

01:15:42,630 --> 01:15:40,560

anymore right so

2190

01:15:45,189 --> 01:15:42,640

those are the two approaches uh that

2191

01:15:46,870 --> 01:15:45,199

that clash like uh hot and cold air tend

2192

01:15:49,030 --> 01:15:46,880

to be a little unruly when we get off

2193

01:15:50,470 --> 01:15:49,040

the ship we were a little bit unruly i

2194

01:15:51,750 --> 01:15:50,480

wish we had the type of show where i

2195

01:15:53,750 --> 01:15:51,760

could tell you one of the funniest

2196

01:15:56,550 --> 01:15:53,760

things i ever saw happen at an air force

2197

01:15:58,790 --> 01:15:56,560

base with marine and navy pilots wow but

2198

01:16:02,470 --> 01:15:58,800

we can't talk about it on air it's uh

2199

01:16:04,950 --> 01:16:02,480

shameful okay sounds good a riot

2200

01:16:07,189 --> 01:16:04,960

you know what's fun mac is when

2201

01:16:08,630 --> 01:16:07,199

it's it's liberty liberty means it's the

2202

01:16:10,070 --> 01:16:08,640

weekend you don't you don't have duty

2203

01:16:11,990 --> 01:16:10,080

you don't have to be at the at your base

2204

01:16:13,669 --> 01:16:12,000

or the ship and everybody's out having a

2205

01:16:16,630 --> 01:16:13,679

good time with the whatever local town

2206

01:16:18,870 --> 01:16:16,640

it might be go on and you're standing uh

2207

01:16:20,229 --> 01:16:18,880

you caught shore patrol watch so you're

2208

01:16:21,990 --> 01:16:20,239

on shore patrol you're not on shore

2209

01:16:23,830 --> 01:16:22,000

patrol by yourself but

2210

01:16:26,470 --> 01:16:23,840

uh there's like a van parked around the

2211

01:16:28,790 --> 01:16:26,480

corner and we go there and

2212

01:16:31,270 --> 01:16:28,800

and get our mission statements and go

2213

01:16:33,430 --> 01:16:31,280

hit the clubs and hang out and wait well

2214

01:16:34,709 --> 01:16:33,440

you're sure your cops right yeah well

2215

01:16:35,990 --> 01:16:34,719

kind of you know so what you went

2216

01:16:37,990 --> 01:16:36,000

through these nightclubs yeah just make

2217

01:16:40,550 --> 01:16:38,000

sure you just make yeah undercover yeah

2218

01:16:42,310 --> 01:16:40,560

no no no no no no no no no no

2219

01:16:44,550 --> 01:16:42,320

and quite honestly if you're good short

2220

01:16:47,430 --> 01:16:44,560

patrol you can keep the paperwork and

2221

01:16:49,510 --> 01:16:47,440

careers online you get your brother

2222

01:16:52,149 --> 01:16:49,520

sisters and uh

2223

01:16:54,470 --> 01:16:52,159

off the trouble local constabulatory

2224

01:16:56,229 --> 01:16:54,480

very quickly and haul their ass back to

2225

01:16:58,310 --> 01:16:56,239

the boat right exactly before the

2226

01:17:01,110 --> 01:16:58,320

mission before the world's enthusiastic

2227

01:17:02,630 --> 01:17:01,120

absolutely god bless your patrol the

2228

01:17:04,630 --> 01:17:02,640

first night then i knew all the places

2229

01:17:05,990 --> 01:17:04,640

to go that had the best everything i was

2230

01:17:08,950 --> 01:17:06,000

saved by the shore patrol from the

2231

01:17:10,390 --> 01:17:08,960

french police in marseille in 1988

2232

01:17:12,470 --> 01:17:10,400

of course it wasn't that wasn't that

2233

01:17:13,350 --> 01:17:12,480

during a rescue but they got me out of

2234

01:17:15,669 --> 01:17:13,360

there

2235

01:17:18,709 --> 01:17:15,679

wow i'm shocked to find out that

2236

01:17:19,990 --> 01:17:18,719

gambling is going on in this stuff

2237

01:17:22,310 --> 01:17:20,000

here your winnings it was very

2238

01:17:24,149 --> 01:17:22,320

interesting short patrol uh what did

2239

01:17:26,070 --> 01:17:24,159

should we ask you why the french police

2240

01:17:28,229 --> 01:17:26,080

were in pursuit well it was christmas

2241

01:17:31,270 --> 01:17:28,239

eve all right christmas eve and we had a

2242

01:17:33,510 --> 01:17:31,280

couple of uh bottles of uh the local

2243

01:17:36,470 --> 01:17:33,520

vineyard stuff yes yeah we were a little

2244

01:17:38,310 --> 01:17:36,480

good cheer yeah we had some good cheers

2245

01:17:41,270 --> 01:17:38,320

just as the baby jesus would want yeah

2246

01:17:42,790 --> 01:17:41,280

so you know normally in france and

2247

01:17:44,550 --> 01:17:42,800

christmas eve they like to have a nice

2248

01:17:46,229 --> 01:17:44,560

quiet evening after midnight and i guess

2249

01:17:48,070 --> 01:17:46,239

we were just a little too rowdy a little

2250

01:17:49,990 --> 01:17:48,080

too uh made a little too much noise as

2251

01:17:52,310 --> 01:17:50,000

we as we staggered our way back to the

2252

01:17:53,669 --> 01:17:52,320

ship and uh the local police wanted to

2253

01:17:55,430 --> 01:17:53,679

put us in the back of their van and the

2254

01:17:56,950 --> 01:17:55,440

shore patrol interestingly enough

2255

01:17:59,189 --> 01:17:56,960

maneuvered their van in front of the

2256

01:18:01,270 --> 01:17:59,199

french policeman all right and we just

2257

01:18:03,030 --> 01:18:01,280

jumped into that man we're like get out

2258

01:18:05,830 --> 01:18:03,040

of here let's go go

2259

01:18:07,590 --> 01:18:05,840

so we may i uh interject a very funny

2260

01:18:09,270 --> 01:18:07,600

friends story

2261

01:18:10,550 --> 01:18:09,280

surprisingly around the same holidays in

2262

01:18:12,310 --> 01:18:10,560

those days i was in the air force and

2263

01:18:13,910 --> 01:18:12,320

this occurred we crossed the border from

2264

01:18:16,390 --> 01:18:13,920

our station in germany went to a very

2265

01:18:19,590 --> 01:18:16,400

nice french chateau type restaurant

2266

01:18:21,030 --> 01:18:19,600

everyone is there uh husbands wives uh

2267

01:18:23,110 --> 01:18:21,040

boyfriends girlfriends that kind of

2268

01:18:25,750 --> 01:18:23,120

thing yes one of the husband and wives

2269

01:18:29,110 --> 01:18:25,760

uh oath four at the time they got into

2270

01:18:31,830 --> 01:18:29,120

an argument cool she was so upset with

2271

01:18:33,830 --> 01:18:31,840

him she threw on the fur coat and went

2272

01:18:35,669 --> 01:18:33,840

marching out of the restaurant she was

2273

01:18:37,350 --> 01:18:35,679

so angry and she was at the end of the

2274

01:18:38,310 --> 01:18:37,360

driveway of the chateau going back and

2275

01:18:40,229 --> 01:18:38,320

forth

2276

01:18:41,830 --> 01:18:40,239

she looked pretty good uh she's a very

2277

01:18:44,550 --> 01:18:41,840

good-looking woman go ahead she got

2278

01:18:48,149 --> 01:18:44,560

arrested by the john dobs for not having

2279

01:18:51,830 --> 01:18:50,229

you gotta have a license it comes back

2280

01:18:53,990 --> 01:18:51,840

it gets better i can't believe this gets

2281

01:18:55,350 --> 01:18:54,000

credit the phone call comes to the

2282

01:18:57,350 --> 01:18:55,360

chateau

2283

01:18:58,630 --> 01:18:57,360

i get the call

2284

01:19:00,790 --> 01:18:58,640

okay okay

2285

01:19:02,550 --> 01:19:00,800

we find out the single guys find out

2286

01:19:05,189 --> 01:19:02,560

she's down in jail for not having a

2287

01:19:07,189 --> 01:19:05,199

prostitute license oh man six of us bail

2288

01:19:09,189 --> 01:19:07,199

out of there two cabs later we're down

2289

01:19:12,950 --> 01:19:09,199

there bailing her out

2290

01:19:16,790 --> 01:19:15,030

to get the license yes

2291

01:19:19,189 --> 01:19:16,800

and we had she was dinner at their house

2292

01:19:21,189 --> 01:19:19,199

the next day celebrating her new career

2293

01:19:22,550 --> 01:19:21,199

path that she could always fall back on

2294

01:19:24,149 --> 01:19:22,560

there you go wait a minute now what

2295

01:19:25,910 --> 01:19:24,159

country is this that they license them

2296

01:19:28,310 --> 01:19:25,920

we're talking about france france okay

2297

01:19:31,350 --> 01:19:28,320

all right and when you say oh foreign

2298

01:19:33,030 --> 01:19:31,360

i have no idea what 04 means

2299

01:19:36,390 --> 01:19:33,040

that'd be a major that would be a major

2300

01:19:38,390 --> 01:19:36,400

in the air force okay all right uh wow

2301

01:19:39,030 --> 01:19:38,400

huh so the mage's wife would be the name

2302

01:19:40,390 --> 01:19:39,040

of that episode

2303

01:19:42,229 --> 01:19:40,400

[Laughter]

2304

01:19:44,149 --> 01:19:42,239

that's a good book title the major's

2305

01:19:45,990 --> 01:19:44,159

wife

2306

01:19:48,070 --> 01:19:46,000

my favorite story was sure actually i

2307

01:19:50,310 --> 01:19:48,080

was coming back on a train i was up uh

2308

01:19:52,070 --> 01:19:50,320

near paris and my wife was had flown in

2309

01:19:53,590 --> 01:19:52,080

we had like a three or four day liberty

2310

01:19:55,030 --> 01:19:53,600

and she had flown in and she was flying

2311

01:19:56,870 --> 01:19:55,040

out and i jumped on a train with a buddy

2312

01:19:58,470 --> 01:19:56,880

of mine it's absolutely true story we

2313

01:20:00,630 --> 01:19:58,480

were heading down to marseille france

2314

01:20:02,550 --> 01:20:00,640

where the ship was wait mitch what's

2315

01:20:05,590 --> 01:20:02,560

that they know what to say here this is

2316

01:20:07,030 --> 01:20:05,600

not a fairy tale no s word this really

2317

01:20:09,110 --> 01:20:07,040

happened yeah they know that our

2318

01:20:11,350 --> 01:20:09,120

listeners are sufficient excellent and

2319

01:20:13,350 --> 01:20:11,360

you know thank you and we were halfway

2320

01:20:14,870 --> 01:20:13,360

down and i said you know what this

2321

01:20:16,550 --> 01:20:14,880

train's taking a long time to get to

2322

01:20:17,990 --> 01:20:16,560

marseille so i finally went up to the

2323

01:20:20,070 --> 01:20:18,000

conductor i said hey when do we get into

2324

01:20:22,470 --> 01:20:20,080

marseille and he goes no marseille he

2325

01:20:24,550 --> 01:20:22,480

goes madrid madrid

2326

01:20:26,070 --> 01:20:24,560

yeah the train had split and we were on

2327

01:20:27,510 --> 01:20:26,080

the half of the train that was headed to

2328

01:20:29,990 --> 01:20:27,520

madrid

2329

01:20:32,550 --> 01:20:30,000

the ship was leaving at 0-600 the next

2330

01:20:34,709 --> 01:20:32,560

morning we jumped up that train jumped

2331

01:20:36,390 --> 01:20:34,719

on we started hijacking like not

2332

01:20:38,550 --> 01:20:36,400

hijacking but we were like hobos we were

2333

01:20:40,229 --> 01:20:38,560

just jumping on freight trains getting

2334

01:20:42,790 --> 01:20:40,239

back to marseilles shore patrol was

2335

01:20:44,630 --> 01:20:42,800

waiting for us at 0-6 we were the last

2336

01:20:46,149 --> 01:20:44,640

guys to walk up the plank

2337

01:20:48,470 --> 01:20:46,159

before they rolled up the plank and the

2338

01:20:49,669 --> 01:20:48,480

ship left wow now if the ship leaves uh

2339

01:20:50,870 --> 01:20:49,679

i'm going to guess you're in trouble is

2340

01:20:54,870 --> 01:20:50,880

that

2341

01:20:57,189 --> 01:20:54,880

missing ships movement is really serious

2342

01:20:58,630 --> 01:20:57,199

it's like a big deal navies are funny

2343

01:21:00,950 --> 01:20:58,640

that way yeah they don't like you know

2344

01:21:03,189 --> 01:21:00,960

they may salute differently

2345

01:21:06,070 --> 01:21:03,199

uh but you don't show up when the brow

2346

01:21:08,070 --> 01:21:06,080

is coming on oh man they get they get

2347

01:21:09,669 --> 01:21:08,080

what would happen they'd have to fly you

2348

01:21:11,270 --> 01:21:09,679

to the ships well fortunately yeah there

2349

01:21:12,950 --> 01:21:11,280

was there was a detachment right there

2350

01:21:14,149 --> 01:21:12,960

so we would have had to jump a hilo and

2351

01:21:16,149 --> 01:21:14,159

go out and that would have been even a

2352

01:21:17,990 --> 01:21:16,159

worse reception as it was the reception

2353

01:21:19,430 --> 01:21:18,000

we got was kind of cool

2354

01:21:21,910 --> 01:21:19,440

but i was not allowed to go on liberty

2355

01:21:24,070 --> 01:21:21,920

porch that's all that's all it happened

2370

01:21:55,669 --> 01:21:54,080

yeah that was uh that was a nice got off

2371

01:21:57,830 --> 01:21:55,679

basically they got it very easy now who

2372

01:21:59,750 --> 01:21:57,840

tells you nowadays

2373

01:22:01,350 --> 01:21:59,760

you had alcohol in the last you know 14

2374

01:22:04,070 --> 01:22:01,360

minutes of your life so that would have

2375

01:22:05,430 --> 01:22:04,080

been career ender absolutely

2376

01:22:07,350 --> 01:22:05,440

how do you know you're you've been

2377

01:22:08,870 --> 01:22:07,360

punished the captain or just some flunky

2378

01:22:10,950 --> 01:22:08,880

comes and tells you no sure i'll leave

2379

01:22:13,030 --> 01:22:10,960

next no flunkies no flunkies involved

2380

01:22:14,790 --> 01:22:13,040

when the punishment comes oh really okay

2381

01:22:16,550 --> 01:22:14,800

yeah usually the heavy hitters come in

2382

01:22:17,830 --> 01:22:16,560

and they uh they scare you to death and

2383

01:22:18,950 --> 01:22:17,840

then they tell you all the things that

2384

01:22:20,709 --> 01:22:18,960

they're gonna do to you and then they

2385

01:22:22,870 --> 01:22:20,719

say well we decided you just can't go

2386

01:22:24,629 --> 01:22:22,880

into port next time and you gonna go

2387

01:22:26,550 --> 01:22:24,639

thank you so whether they do like walk

2388

01:22:28,070 --> 01:22:26,560

into a little was the term hack used at

2389

01:22:30,470 --> 01:22:28,080

all mitch did you get put in half i was

2390

01:22:34,070 --> 01:22:30,480

put in hack commander i was in hack for

2391

01:22:36,229 --> 01:22:34,080

our uh see uh or port visit into check

2392

01:22:40,229 --> 01:22:36,239

this out tunisia that was not hard oh

2393

01:22:44,310 --> 01:22:41,669

it was unfortunate that i couldn't go

2394

01:22:46,310 --> 01:22:44,320

hang out with the plo in tunisia in the

2395

01:22:47,990 --> 01:22:46,320

late 80s a little political humor but

2396

01:22:50,070 --> 01:22:48,000

that's good

2397

01:22:53,030 --> 01:22:50,080

yeah so um it always works out doesn't

2398

01:22:54,629 --> 01:22:53,040

it but i hope they walk into your

2399

01:22:56,550 --> 01:22:54,639

wardrobe or whatever no they don't walk

2400

01:22:58,709 --> 01:22:56,560

in to see you you go see them see them

2401

01:23:00,149 --> 01:22:58,719

okay is it called the captain's mask in

2402

01:23:02,950 --> 01:23:00,159

front of their office it's a captain's

2403

01:23:05,430 --> 01:23:02,960

mask kind of a yeah well it was

2404

01:23:08,149 --> 01:23:05,440

court martial for uh

2405

01:23:09,750 --> 01:23:08,159

wow okay turned out good another show

2406

01:23:12,149 --> 01:23:09,760

but come on will you come in and tell us

2407

01:23:13,430 --> 01:23:12,159

someday and just uh blow by blow you're

2408

01:23:15,189 --> 01:23:13,440

near caught marshall that would be the

2409

01:23:17,430 --> 01:23:15,199

only commercial moment

2410

01:23:19,430 --> 01:23:17,440

jumping trains i was hopping on freight

2411

01:23:21,750 --> 01:23:19,440

trains that's how bad it got this is a

2412

01:23:23,350 --> 01:23:21,760

movie man this writes itself yeah we

2413

01:23:25,510 --> 01:23:23,360

were only if you had like 20 pounds of

2414

01:23:27,270 --> 01:23:25,520

heroin underneath you it could just only

2415

01:23:28,709 --> 01:23:27,280

be better hey you know if there's

2416

01:23:30,950 --> 01:23:28,719

nothing wrong with we dip shot on the

2417

01:23:32,470 --> 01:23:30,960

second train we got rid of that nothing

2418

01:23:33,430 --> 01:23:32,480

wrong with sweetening the plot there my

2419

01:23:35,830 --> 01:23:33,440

friend

2420

01:23:37,430 --> 01:23:35,840

so uh hey rob you're still there buddy

2421

01:23:39,510 --> 01:23:37,440

oh yeah okay good did that sound like

2422

01:23:42,229 --> 01:23:39,520

fun rob or what that that was amazing

2423

01:23:43,990 --> 01:23:42,239

yeah that that was fantastic yeah i

2424

01:23:44,950 --> 01:23:44,000

agree hey rob

2425

01:23:46,870 --> 01:23:44,960

rob

2426

01:23:49,750 --> 01:23:46,880

coco here uh just curious has there been

2427

01:23:51,030 --> 01:23:49,760

any changes in your uh domestic

2428

01:23:54,229 --> 01:23:51,040

situation that you'd like to share with

2429

01:23:56,229 --> 01:23:54,239

us um well um he's got the key yeah

2430

01:23:57,750 --> 01:23:56,239

there was one yeah that we've you

2431

01:24:01,270 --> 01:23:57,760

already know about because you were

2432

01:24:03,990 --> 01:24:01,280

teased you were i got a cat oh wow

2433

01:24:06,950 --> 01:24:04,000

wow where's the cat sleep that's my big

2434

01:24:09,350 --> 01:24:06,960

question uh different places you know

2435

01:24:11,510 --> 01:24:09,360

wherever you want whatever you want yeah

2436

01:24:13,189 --> 01:24:11,520

i mean i have to remind people that way

2437

01:24:15,350 --> 01:24:13,199

back in thanksgiving

2438

01:24:17,830 --> 01:24:15,360

uh rob was on the phone thanksgiving

2439

01:24:19,350 --> 01:24:17,840

time he was on the phone and we heard um

2440

01:24:21,430 --> 01:24:19,360

a little bit of noise in the background

2441

01:24:23,830 --> 01:24:21,440

and someone was there washing his dishes

2442

01:24:26,229 --> 01:24:23,840

now since then chronicle washes his

2443

01:24:28,870 --> 01:24:26,239

dishes has turned into something more

2444

01:24:30,390 --> 01:24:28,880

that's a good code word right

2445

01:24:31,830 --> 01:24:30,400

i have someone washing my how are you

2446

01:24:34,870 --> 01:24:31,840

doing everything's going great i have

2447

01:24:36,709 --> 01:24:34,880

someone washing my dishes yeah right so

2448

01:24:37,669 --> 01:24:36,719

but it seems like the dishwasher in

2449

01:24:39,830 --> 01:24:37,679

quotes

2450

01:24:41,350 --> 01:24:39,840

uh you know probably um

2451  
01:24:43,270 --> 01:24:41,360  
that was the last time that they washed

2452  
01:24:45,030 --> 01:24:43,280  
your dishes they rub

2453  
01:24:47,030 --> 01:24:45,040  
um

2454  
01:24:48,390 --> 01:24:47,040  
yeah yeah yeah that's that's been

2455  
01:24:53,430 --> 01:24:48,400  
helpful i guess what do we move that up

2456  
01:24:57,189 --> 01:24:55,430  
i got divorced for using that code word

2457  
01:24:58,149 --> 01:24:57,199  
that washes the dishes is that the

2458  
01:25:00,310 --> 01:24:58,159  
whites

2459  
01:25:02,470 --> 01:25:00,320  
this was the one that washed my dishes

2460  
01:25:03,350 --> 01:25:02,480  
you're no longer together i see it but

2461  
01:25:05,669 --> 01:25:03,360  
she's not the one that you were in

2462  
01:25:07,830 --> 01:25:05,679  
france with it yes it was as a matter of

2463  
01:25:09,910 --> 01:25:07,840

fact she was bad luck she was bad i'm

2464

01:25:11,990 --> 01:25:09,920

telling you i'm drawing venn diagrams on

2465

01:25:14,310 --> 01:25:12,000

the intersection does not look good here

2466

01:25:16,790 --> 01:25:14,320

yeah wow i wasn't thinking about it so

2467

01:25:18,149 --> 01:25:16,800

anyway so well now that the audience is

2468

01:25:20,310 --> 01:25:18,159

up to date we've been you know kind of

2469

01:25:22,149 --> 01:25:20,320

periodically checking in with you to see

2470

01:25:23,750 --> 01:25:22,159

how the dishwashing situation is going

2471

01:25:25,189 --> 01:25:23,760

and now you're telling you just told us

2472

01:25:27,430 --> 01:25:25,199

you told us three weeks ago that you

2473

01:25:29,510 --> 01:25:27,440

were you admitted to watching love line

2474

01:25:30,790 --> 01:25:29,520

on tv and that's when i really thought

2475

01:25:32,629 --> 01:25:30,800

it was time for an intervention here

2476

01:25:34,870 --> 01:25:32,639

with this kid because

2477

01:25:36,310 --> 01:25:34,880

that's it well actually it's been like

2478

01:25:37,830 --> 01:25:36,320

several years since i've watched love

2479

01:25:41,350 --> 01:25:37,840

line so

2480

01:25:42,870 --> 01:25:41,360

okay all right he's amazing the cat what

2481

01:25:44,470 --> 01:25:42,880

is the cat's name watching tonight after

2482

01:25:46,629 --> 01:25:44,480

i was kind of saying

2483

01:25:48,149 --> 01:25:46,639

what what's my cat's name yes yeah and

2484

01:25:49,510 --> 01:25:48,159

what do you do watching tonight after

2485

01:25:51,430 --> 01:25:49,520

you're done with this on the show well

2486

01:25:52,390 --> 01:25:51,440

no it's literally a cat so i mean i

2487

01:25:54,470 --> 01:25:52,400

don't know if he's gonna be watching

2488

01:25:56,709 --> 01:25:54,480

maybe one of those like bird videos but

2489

01:25:59,830 --> 01:25:58,709

yeah there's a little comedic thing

2490

01:26:01,430 --> 01:25:59,840

there right is that what you meant did

2491

01:26:02,950 --> 01:26:01,440

you mean that as a joke that he would

2492

01:26:04,310 --> 01:26:02,960

sit in front of the tv and watch birds

2493

01:26:05,750 --> 01:26:04,320

on tv

2494

01:26:07,590 --> 01:26:05,760

yeah the cat does the cat does that's

2495

01:26:09,350 --> 01:26:07,600

pretty great like you can you work that

2496

01:26:11,430 --> 01:26:09,360

into your room the cat's name is uh

2497

01:26:17,270 --> 01:26:11,440

chapo

2498

01:26:18,870 --> 01:26:17,280

yeah yeah named after the drugs

2499

01:26:20,149 --> 01:26:18,880

did that come with a cat or is this a

2500

01:26:21,669 --> 01:26:20,159

self-creation

2501

01:26:23,110 --> 01:26:21,679

that was that was my idea yeah really

2502

01:26:24,950 --> 01:26:23,120

yeah okay

2503

01:26:27,110 --> 01:26:24,960

and no one's washing your dishes i can't

2504

01:26:29,270 --> 01:26:27,120

imagine that with them

2505

01:26:30,709 --> 01:26:29,280

and creative cat naming

2506

01:26:33,189 --> 01:26:30,719

you know they can lick a plate it'll

2507

01:26:34,870 --> 01:26:33,199

look washed i find it having time

2508

01:26:37,669 --> 01:26:34,880

that's correct having cats and

2509

01:26:39,110 --> 01:26:37,679

dishwashers kind of go together actually

2510

01:26:41,750 --> 01:26:39,120

i mean a lot of the people that wash my

2511

01:26:42,550 --> 01:26:41,760

dishes love cats

2512

01:26:47,030 --> 01:26:42,560

sorry

2513

01:26:49,110 --> 01:26:47,040

don't all work with

2514

01:26:51,430 --> 01:26:49,120

you know roe that we established you put

2515

01:26:53,590 --> 01:26:51,440

a lot typical hawkeye guy right there

2516

01:26:55,350 --> 01:26:53,600

one burst and there's like six pages of

2517

01:26:57,270 --> 01:26:55,360

information there

2518

01:26:58,070 --> 01:26:57,280

we might want to copyright this one this

2519

01:27:00,310 --> 01:26:58,080

is

2520

01:27:02,310 --> 01:27:00,320

taking on a life of its own i had a i

2521

01:27:03,750 --> 01:27:02,320

had a flashback wasn't there

2522

01:27:07,110 --> 01:27:03,760

an establishment in the area called the

2523

01:27:09,189 --> 01:27:07,120

pussycat lounge wait a minute

2524

01:27:10,709 --> 01:27:09,199

the answer is yes yes okay was it done

2525

01:27:12,950 --> 01:27:10,719

in the combat zone yes it was okay i

2526

01:27:15,110 --> 01:27:12,960

thought so yeah i i i frequented it

2527

01:27:17,350 --> 01:27:15,120

often no way uh yeah majored in urban

2528

01:27:19,110 --> 01:27:17,360

geology geography it's cool that's the

2529

01:27:21,110 --> 01:27:19,120

only reason i know that didn't princess

2530

01:27:23,430 --> 01:27:21,120

cheyenne play there princess changing

2531

01:27:25,189 --> 01:27:23,440

who uh had a weird kind of uh love

2532

01:27:27,590 --> 01:27:25,199

affair with cat stevens remember that

2533

01:27:28,870 --> 01:27:27,600

story yes no he was

2534

01:27:31,350 --> 01:27:28,880

before he was

2535

01:27:33,750 --> 01:27:31,360

ishmael what's he not ishmael over my

2536

01:27:34,560 --> 01:27:33,760

table uh but yeah he

2537

01:27:37,270 --> 01:27:34,570

was um

2538

01:27:39,270 --> 01:27:37,280

[Laughter]

2539

01:27:41,669 --> 01:27:39,280

it just came out

2540

01:27:43,830 --> 01:27:41,679

um i believe you defiled a member of the

2541

01:27:45,430 --> 01:27:43,840

faith

2542

01:27:47,270 --> 01:27:45,440

you flagged that tape right there he was

2543

01:27:49,030 --> 01:27:47,280

in boston playing at the boston garden

2544

01:27:51,030 --> 01:27:49,040

okay so you know he was a big star at

2545

01:27:52,950 --> 01:27:51,040

the time and somehow he found himself

2546

01:27:54,310 --> 01:27:52,960

down in the combat zone part of boston

2547

01:27:55,910 --> 01:27:54,320

which really isn't there anymore but it

2548

01:27:58,470 --> 01:27:55,920

was like two blocks of

2549

01:28:00,950 --> 01:27:58,480

dirty movies and and um

2550

01:28:02,790 --> 01:28:00,960

strip clubs bar rooms where you know if

2551

01:28:04,790 --> 01:28:02,800

you could reach up to the top of the bar

2552

01:28:07,270 --> 01:28:04,800

they'd serve you you know yeah money no

2553

01:28:08,709 --> 01:28:07,280

yeah of course and um what a place he

2554

01:28:10,229 --> 01:28:08,719

went down there one night and he and he

2555

01:28:12,149 --> 01:28:10,239

fell in love with this uh stripper her

2556

01:28:14,149 --> 01:28:12,159

name was princess cheyenne she was young

2557

01:28:16,550 --> 01:28:14,159

and so on they had this really torrid

2558

01:28:18,550 --> 01:28:16,560

love affair and then she dumps them

2559

01:28:20,709 --> 01:28:18,560

and then uh but he in the meantime he

2560

01:28:22,870 --> 01:28:20,719

had he had gotten to be very friendly

2561

01:28:24,149 --> 01:28:22,880

with her mother and i remember reading

2562

01:28:25,590 --> 01:28:24,159

once that

2563

01:28:27,030 --> 01:28:25,600

you know after he broke up for the next

2564

01:28:29,030 --> 01:28:27,040

two years he called the mother like at

2565

01:28:31,350 --> 01:28:29,040

least like three or four times a day day

2566

01:28:33,030 --> 01:28:31,360

after day you know where she can you

2567

01:28:34,950 --> 01:28:33,040

know trying to use the mother

2568

01:28:36,790 --> 01:28:34,960

and uh she never went back with him yeah

2569

01:28:38,950 --> 01:28:36,800

and and then that's when he converted to

2570

01:28:40,470 --> 01:28:38,960

the faith like shortly after that really

2571

01:28:42,870 --> 01:28:40,480

when was this

2572

01:28:44,070 --> 01:28:42,880

probably um in the 80s well what was he

2573

01:28:47,750 --> 01:28:44,080

big

2574

01:28:51,669 --> 01:28:49,669

probably later 81 82 is when he

2575

01:28:54,070 --> 01:28:51,679

converted moved to london probably late

2576

01:28:55,430 --> 01:28:54,080

70s late 70s or something what's

2577

01:28:56,390 --> 01:28:55,440

interesting about the boston comedy

2578

01:28:58,550 --> 01:28:56,400

scene because

2579

01:29:00,709 --> 01:28:58,560

i was listening to this uh interview

2580

01:29:02,629 --> 01:29:00,719

with jay leno who's talked about the

2581

01:29:03,430 --> 01:29:02,639

comedy scene back in you know boston

2582

01:29:04,870 --> 01:29:03,440

back

2583

01:29:06,629 --> 01:29:04,880

in the 70s

2584

01:29:08,790 --> 01:29:06,639

and just how different it was compared

2585

01:29:11,350 --> 01:29:08,800

to today you know where it was it was a

2586

01:29:13,750 --> 01:29:11,360

lot grimier and yeah oh yeah yeah the

2587

01:29:16,070 --> 01:29:13,760

other the gangsters you know got around

2588

01:29:17,110 --> 01:29:16,080

and you know he had a special shirt that

2589

01:29:19,669 --> 01:29:17,120

he wore

2590

01:29:21,270 --> 01:29:19,679

to gigs that had cigarette holes in it

2591

01:29:23,669 --> 01:29:21,280

from people flicking cigarettes at him

2592

01:29:25,350 --> 01:29:23,679

while he was performing

2593

01:29:27,750 --> 01:29:25,360

he performed like you said in in front

2594

01:29:29,189 --> 01:29:27,760

of uh bikers in the whole deal but again

2595

01:29:30,790 --> 01:29:29,199

another guy who went out and created

2596

01:29:31,990 --> 01:29:30,800

created something all on his own in this

2597

01:29:33,910 --> 01:29:32,000

area and everything kind of went after

2598

01:29:35,350 --> 01:29:33,920

that he left the area i might have been

2599

01:29:37,590 --> 01:29:35,360

the cigarette butts

2600

01:29:38,470 --> 01:29:37,600

but uh well he was that embassy when i

2601  
01:29:40,870 --> 01:29:38,480  
was there

2602  
01:29:42,629 --> 01:29:40,880  
he was yeah was he teaching or no no he

2603  
01:29:44,870 --> 01:29:42,639  
was a student yeah and he was leaving

2604  
01:29:46,790 --> 01:29:44,880  
just as i was uh going in him and

2605  
01:29:48,950 --> 01:29:46,800  
stephen wright that was steven yeah yeah

2606  
01:29:50,390 --> 01:29:48,960  
oh steven wright he's a classic

2607  
01:29:52,310 --> 01:29:50,400  
talk about delivery

2608  
01:29:53,590 --> 01:29:52,320  
but he would but jay leno you're right i

2609  
01:29:55,990 --> 01:29:53,600  
remember just seeing an interview with

2610  
01:29:58,070 --> 01:29:56,000  
him where he said he played every dive

2611  
01:29:59,990 --> 01:29:58,080  
the combat zone the downtown lounge and

2612  
01:30:01,750 --> 01:30:00,000  
all these places and and

2613  
01:30:03,110 --> 01:30:01,760

you know he'd barely get out alive never

2614

01:30:05,590 --> 01:30:03,120

mind you know again yeah that was before

2615

01:30:06,870 --> 01:30:05,600

the comedy clubs but he yeah he but he

2616

01:30:08,790 --> 01:30:06,880

yeah he'd go on before a strip or

2617

01:30:10,470 --> 01:30:08,800

something like that but that's he paid

2618

01:30:12,229 --> 01:30:10,480

his dues and he sure did well you know

2619

01:30:14,070 --> 01:30:12,239

it's it's tough work in those days

2620

01:30:15,910 --> 01:30:14,080

because you know you're up there between

2621

01:30:17,669 --> 01:30:15,920

two scantily clad women acts while

2622

01:30:18,870 --> 01:30:17,679

they're you know sweeping up eyeballs

2623

01:30:20,950 --> 01:30:18,880

and teeth you know that have been

2624

01:30:23,750 --> 01:30:20,960

knocked out on the last two rounds why

2625

01:30:25,110 --> 01:30:23,760

the exotic dancers are doing their gig

2626

01:30:26,709 --> 01:30:25,120

and you're trying to get guys attention

2627

01:30:28,790 --> 01:30:26,719

who are you know all they want now is a

2628

01:30:30,709 --> 01:30:28,800

bear hates quite a picture of it he does

2629

01:30:39,830 --> 01:30:30,719

it's very very graphic yeah listen i'm a

2630

01:30:44,310 --> 01:30:41,590

however one of the other analysts

2631

01:30:45,750 --> 01:30:44,320

described me as uh also sensitive really

2632

01:30:47,590 --> 01:30:45,760

you know the sensitive action where was

2633

01:30:50,070 --> 01:30:47,600

i was in that show

2634

01:30:53,270 --> 01:30:50,080

yeah there was a debate on it okay

2635

01:30:55,669 --> 01:30:53,280

um so um

2636

01:30:57,910 --> 01:30:55,679

uh rob have you uh do you know anything

2637

01:30:59,510 --> 01:30:57,920

about the future of aircraft kerosene is

2638

01:31:02,870 --> 01:30:59,520

worth kind of doing the after everything

2639

01:31:05,990 --> 01:31:02,880

i saw a drawing of one um

2640

01:31:08,629 --> 01:31:06,000

which it looked like it was maybe one

2641

01:31:11,510 --> 01:31:08,639

you know 25 longer than what we see

2642

01:31:13,590 --> 01:31:11,520

today and it had two super structures

2643

01:31:15,030 --> 01:31:13,600

you know instead of just one it had two

2644

01:31:17,110 --> 01:31:15,040

yeah it's the new classic carrier right

2645

01:31:18,950 --> 01:31:17,120

now has two superstructures and um

2646

01:31:21,350 --> 01:31:18,960

really and then the one the gerald ford

2647

01:31:22,629 --> 01:31:21,360

is that the one that was just launched

2648

01:31:24,390 --> 01:31:22,639

that's the new american one yeah that

2649

01:31:26,390 --> 01:31:24,400

has the superstructure almost at the

2650

01:31:28,709 --> 01:31:26,400

back end of the boat and

2651

01:31:30,470 --> 01:31:28,719

you look at it and it's just a floating

2652

01:31:33,270 --> 01:31:30,480

freaking airport you know

2653

01:31:34,550 --> 01:31:33,280

yeah but uh why why the um two

2654

01:31:36,550 --> 01:31:34,560

superstructures i always thought they

2655

01:31:38,229 --> 01:31:36,560

wanted to make those as you know smaller

2656

01:31:40,149 --> 01:31:38,239

and out of the way as possible right

2657

01:31:41,669 --> 01:31:40,159

especially referring to the

2658

01:31:43,669 --> 01:31:41,679

queen elizabeth class which is the

2659

01:31:45,990 --> 01:31:43,679

british the new british carrier they're

2660

01:31:49,270 --> 01:31:46,000

big carriers too um they have two

2661

01:31:52,070 --> 01:31:49,280

superstructures or two uh towers and um

2662

01:31:54,550 --> 01:31:52,080

one is for navigation and one is for

2663

01:31:55,910 --> 01:31:54,560

flight control so they just have divided

2664

01:31:57,510 --> 01:31:55,920

it up i was curious when i saw that i

2665

01:31:59,430 --> 01:31:57,520

was is this do they really need two of

2666

01:32:01,510 --> 01:31:59,440

them but um because what's interesting

2667

01:32:03,750 --> 01:32:01,520

about the ford class

2668

01:32:05,270 --> 01:32:03,760

um the reason i understand why they they

2669

01:32:07,430 --> 01:32:05,280

move the navy move the supe the

2670

01:32:10,229 --> 01:32:07,440

superstructure to the rear

2671

01:32:12,870 --> 01:32:10,239

uh is to make more room for

2672

01:32:15,510 --> 01:32:12,880

um you know the deck because

2673

01:32:16,390 --> 01:32:15,520

and a lot of it has to do with how you

2674

01:32:17,990 --> 01:32:16,400

um

2675

01:32:19,510 --> 01:32:18,000

i don't quite understand it mitch might

2676

01:32:20,950 --> 01:32:19,520

want to you know

2677

01:32:22,470 --> 01:32:20,960

might know but it's you know when you're

2678

01:32:24,629 --> 01:32:22,480

moving when you're moving airplanes to

2679

01:32:26,149 --> 01:32:24,639

and fro on the deck and you're refueling

2680

01:32:28,550 --> 01:32:26,159

them and all this there's this very

2681

01:32:30,070 --> 01:32:28,560

complicated multi-step process requires

2682

01:32:32,870 --> 01:32:30,080

a lot of people and so

2683

01:32:34,790 --> 01:32:32,880

uh the moving the superstructure um

2684

01:32:36,790 --> 01:32:34,800

allows them to do it in a more efficient

2685

01:32:39,189 --> 01:32:36,800

manner so you can cut down on crew for

2686

01:32:41,510 --> 01:32:39,199

example okay get more room things move

2687

01:32:43,910 --> 01:32:41,520

smoothly and that's what the ford class

2688

01:32:45,830 --> 01:32:43,920

is all about you know it's really about

2689

01:32:47,410 --> 01:32:45,840

uh making a more

2690

01:32:49,030 --> 01:32:47,420

efficient more automated

2691

01:32:50,629 --> 01:32:49,040

[Music]

2692

01:32:53,189 --> 01:32:50,639

phenomenal point because you're right

2693

01:32:56,070 --> 01:32:53,199

the the the movement of aircraft across

2694

01:32:58,629 --> 01:32:56,080

flight deck for recovery and launch and

2695

01:33:01,110 --> 01:32:58,639

in between launches and recovery is

2696

01:33:02,470 --> 01:33:01,120

critical and it is a ballet and that

2697

01:33:03,910 --> 01:33:02,480

that makes perfect sense because a lot

2698

01:33:05,590 --> 01:33:03,920

of the work they can do on those forward

2699

01:33:07,750 --> 01:33:05,600

elevators and getting airplanes moving

2700

01:33:09,189 --> 01:33:07,760

and set up for launches that makes a lot

2701

01:33:10,950 --> 01:33:09,199

of sense it's uh you know there's

2702

01:33:12,470 --> 01:33:10,960

there's a number of like documentaries

2703

01:33:14,070 --> 01:33:12,480

on the military channel whatever and

2704

01:33:15,430 --> 01:33:14,080

they'll you know something like the day

2705

01:33:17,030 --> 01:33:15,440

in the life of the aircraft carriers

2706

01:33:18,229 --> 01:33:17,040

like that and you would see

2707

01:33:19,189 --> 01:33:18,239

as you say you know people have

2708

01:33:20,709 --> 01:33:19,199

different that they have different

2709

01:33:22,950 --> 01:33:20,719

colored vests and there's different ways

2710

01:33:24,709 --> 01:33:22,960

to identify these people but they're out

2711

01:33:26,390 --> 01:33:24,719

there doing this like constantly you

2712

01:33:27,830 --> 01:33:26,400

know day and night no matter the weather

2713

01:33:30,629 --> 01:33:27,840

whatever and they're like 18 year old

2714

01:33:32,390 --> 01:33:30,639

kids unbelievable oh my god kids who

2715

01:33:33,910 --> 01:33:32,400

just they just got it down you know they

2716

01:33:35,030 --> 01:33:33,920

just got it it's really it's the most

2717

01:33:36,390 --> 01:33:35,040

impressive thing in the world because

2718

01:33:38,070 --> 01:33:36,400

when you're sitting on an airplane on a

2719

01:33:40,950 --> 01:33:38,080

catapult and you're ready to go i mean i

2720

01:33:42,629 --> 01:33:40,960

remember one time one of my mechanics uh

2721

01:33:43,830 --> 01:33:42,639

uh came up but i was having a problem

2722

01:33:45,110 --> 01:33:43,840

with one of my engines and he had to

2723

01:33:46,790 --> 01:33:45,120

come up and take a look at it and i

2724

01:33:48,709 --> 01:33:46,800

looked at the look at this kid and he's

2725

01:33:49,990 --> 01:33:48,719

like 18 or 19 years old and i said are

2726

01:33:52,149 --> 01:33:50,000

we good to go can i go flying i was

2727

01:33:53,510 --> 01:33:52,159

literally on the catapult and uh he gave

2728

01:33:56,070 --> 01:33:53,520

me the thumbs up he goes yeah you're all

2729

01:33:57,990 --> 01:33:56,080

set and i'm like uh

2730

01:34:00,070 --> 01:33:58,000

will you go flying with me yeah yeah

2731

01:34:02,149 --> 01:34:00,080

i'll go flying with you right now so but

2732

01:34:04,070 --> 01:34:02,159

no they're amazing young people and they

2733

01:34:05,910 --> 01:34:04,080

do they do a dangerous job and they do

2734

01:34:07,910 --> 01:34:05,920

it well and they're dedicated and they

2735

01:34:09,350 --> 01:34:07,920

they sleep standing up sometimes because

2736

01:34:11,350 --> 01:34:09,360

they're on the deck so long yeah right

2737

01:34:13,030 --> 01:34:11,360

very impressive your testament to how

2738

01:34:14,629 --> 01:34:13,040

good they are is that you never hear i

2739

01:34:16,229 --> 01:34:14,639

mean i'm not going to say never but

2740

01:34:17,750 --> 01:34:16,239

you're very rarely here of any kind of

2741

01:34:19,590 --> 01:34:17,760

an accident not an aircraft carrier

2742

01:34:21,590 --> 01:34:19,600

there's we have 12 of them and they're

2743

01:34:23,189 --> 01:34:21,600

always on the move somewhere

2744

01:34:25,110 --> 01:34:23,199

and you know sometimes you do hear it

2745

01:34:26,870 --> 01:34:25,120

but you know you you really don't well

2746

01:34:28,709 --> 01:34:26,880

unfortunately you don't hear it when you

2747

01:34:30,870 --> 01:34:28,719

do they don't want to they are

2748

01:34:32,550 --> 01:34:30,880

spectacular when you do that

2749

01:34:34,629 --> 01:34:32,560

thank

2750

01:34:37,590 --> 01:34:34,639

yeah if you enlist in the navy can you

2751

01:34:39,510 --> 01:34:37,600

try and request aircraft carrier duty

2752

01:34:41,270 --> 01:34:39,520

i i think you have to request request a

2753

01:34:42,709 --> 01:34:41,280

rate right you know you get into

2754

01:34:43,750 --> 01:34:42,719

whatever rate you're interested in

2755

01:34:46,629 --> 01:34:43,760

aviation

2756

01:34:48,709 --> 01:34:46,639

needed yeah right yeah wow and then the

2757

01:34:50,070 --> 01:34:48,719

fact that um on some of the carriers

2758

01:34:52,070 --> 01:34:50,080

that we have now

2759

01:34:53,990 --> 01:34:52,080

there's counting the ear wing there's

2760

01:34:55,430 --> 01:34:54,000

five thousand people on these things and

2761

01:34:59,669 --> 01:34:55,440

you have to cook

2762

01:35:00,709 --> 01:34:59,679

four meals on a carrier right is someone

2763

01:35:03,350 --> 01:35:00,719

coming they've been doing it pretty

2764

01:35:05,189 --> 01:35:03,360

spectacularly for you know 60 70 years

2765

01:35:07,030 --> 01:35:05,199

now and after world war ii they've got

2766

01:35:09,270 --> 01:35:07,040

it 70 years and they've got it down and

2767

01:35:10,950 --> 01:35:09,280

it it's it's very impressive to you to

2768

01:35:12,470 --> 01:35:10,960

just witness let alone be a part of it

2769

01:35:14,950 --> 01:35:12,480

yeah i think that's a really important

2770

01:35:17,750 --> 01:35:14,960

point i mean about the the i mean navies

2771

01:35:19,510 --> 01:35:17,760

take a long time to be built and you

2772

01:35:21,669 --> 01:35:19,520

know the royal navy

2773

01:35:24,870 --> 01:35:21,679

which has declined considerably since

2774

01:35:26,070 --> 01:35:24,880

its heyday um you know is a is a warning

2775

01:35:27,990 --> 01:35:26,080

it's a lesson that if you don't take

2776

01:35:29,910 --> 01:35:28,000

care of your navy it will go away and

2777

01:35:32,070 --> 01:35:29,920

you know to to build the plan and build

2778

01:35:36,149 --> 01:35:32,080

ships takes years you build them for

2779

01:35:37,910 --> 01:35:36,159

decades and um so the procedures and all

2780

01:35:41,270 --> 01:35:37,920

of that that go into

2781

01:35:43,669 --> 01:35:41,280

uh operating a carrier at sea uh you

2782

01:35:45,030 --> 01:35:43,679

know it takes a long time to build so

2783

01:35:47,990 --> 01:35:45,040

when we talk about the future of

2784

01:35:49,590 --> 01:35:48,000

aircraft carriers i see

2785

01:35:51,669 --> 01:35:49,600

you can extrapolate

2786

01:35:53,590 --> 01:35:51,679

trends that are underway now

2787

01:35:55,350 --> 01:35:53,600

and get an image of what they might be

2788

01:35:57,030 --> 01:35:55,360

like in the future but you know these

2789

01:35:59,590 --> 01:35:57,040

these ford class carriers will be around

2790

01:36:00,629 --> 01:35:59,600

for decades so yeah right um but you

2791

01:36:02,629 --> 01:36:00,639

know so

2792

01:36:03,990 --> 01:36:02,639

what so what we're seeing is

2793

01:36:05,110 --> 01:36:04,000

you know they want to cut down on crew

2794

01:36:06,070 --> 01:36:05,120

sizes

2795

01:36:07,030 --> 01:36:06,080

um

2796

01:36:09,110 --> 01:36:07,040

which

2797

01:36:10,229 --> 01:36:09,120

i feel could be dangerous but you know

2798

01:36:11,669 --> 01:36:10,239

the idea is you make everything more

2799

01:36:13,030 --> 01:36:11,679

efficient so if you're going to move

2800

01:36:15,830 --> 01:36:13,040

munitions

2801

01:36:18,629 --> 01:36:15,840

you know from inside the carrier up to

2802

01:36:20,149 --> 01:36:18,639

uh you know to the the deck to rearm you

2803

01:36:23,430 --> 01:36:20,159

can

2804

01:36:25,750 --> 01:36:23,440

with the ford classic built the interior

2805

01:36:27,590 --> 01:36:25,760

in such a way that uh you know the

2806

01:36:28,709 --> 01:36:27,600

people moving the weapons are not gonna

2807

01:36:30,229 --> 01:36:28,719

run into

2808

01:36:31,510 --> 01:36:30,239

you know other sailors that are going

2809

01:36:33,990 --> 01:36:31,520

about their work

2810

01:36:35,830 --> 01:36:34,000

and use more vertical elevators to get

2811

01:36:37,430 --> 01:36:35,840

that stuff up quick uh more quickly

2812

01:36:39,510 --> 01:36:37,440

right um the

2813

01:36:41,350 --> 01:36:39,520

the uh launch system they use

2814

01:36:44,149 --> 01:36:41,360

electromagnetic

2815

01:36:46,390 --> 01:36:44,159

rails which are uh you know unlike steam

2816

01:36:48,310 --> 01:36:46,400

catapults and so the idea is

2817

01:36:50,870 --> 01:36:48,320

you can launch

2818

01:36:53,109 --> 01:36:50,880

aircraft uh that are lighter or heavier

2819

01:36:55,030 --> 01:36:53,119

than you can with with uh normal steam

2820

01:36:58,709 --> 01:36:55,040

catapults right okay less stress on the

2821

01:37:00,790 --> 01:36:58,719

airplanes too yeah yeah and um so those

2822

01:37:02,550 --> 01:37:00,800

are some of the big ones as in the

2823

01:37:03,669 --> 01:37:02,560

future i

2824

01:37:05,669 --> 01:37:03,679

see

2825

01:37:08,070 --> 01:37:05,679

possibly lasers as well as defensive

2826

01:37:09,030 --> 01:37:08,080

weapons um

2827

01:37:10,870 --> 01:37:09,040

uh

2828

01:37:12,870 --> 01:37:10,880

more automation

2829

01:37:14,470 --> 01:37:12,880

more drones being launched from them

2830

01:37:16,950 --> 01:37:14,480

right um

2831

01:37:18,229 --> 01:37:16,960

possibly smaller you know i mean we're

2832

01:37:19,510 --> 01:37:18,239

still doing the big drones are

2833

01:37:20,950 --> 01:37:19,520

definitely going to have a big role as

2834

01:37:23,750 --> 01:37:20,960

tankers absolutely i think that that's

2835

01:37:25,350 --> 01:37:23,760

going to be huge yeah yeah

2836

01:37:26,950 --> 01:37:25,360

but also i mean

2837

01:37:29,669 --> 01:37:26,960

think about how

2838

01:37:30,950 --> 01:37:29,679

you build a navy as well i mean you have

2839

01:37:33,109 --> 01:37:30,960

i mean there's a there's a debate about

2840

01:37:35,030 --> 01:37:33,119

this right now i mean you have a smaller

2841

01:37:37,270 --> 01:37:35,040

number of super carriers or you know for

2842

01:37:38,870 --> 01:37:37,280

for the same amount you could have

2843

01:37:39,830 --> 01:37:38,880

dozens of

2844

01:37:41,830 --> 01:37:39,840

uh

2845

01:37:43,590 --> 01:37:41,840

smaller carriers like the america class

2846

01:37:45,590 --> 01:37:43,600

which is a it's an amphibious assault

2847

01:37:48,390 --> 01:37:45,600

ship it's a flat it's a flat deck ship

2848

01:37:50,709 --> 01:37:48,400

that has uh that's to launch the

2849

01:37:51,990 --> 01:37:50,719

vertical takeoff of landing f35s right

2850

01:37:54,390 --> 01:37:52,000

you could have dozens of those for the

2851  
01:37:57,030 --> 01:37:54,400  
same price and so you know if you have

2852  
01:38:00,070 --> 01:37:57,040  
uh china that's able to

2853  
01:38:01,510 --> 01:38:00,080  
increasingly able to track and target

2854  
01:38:03,270 --> 01:38:01,520  
the big carriers well you might want to

2855  
01:38:05,990 --> 01:38:03,280  
have more of the smaller ones and you

2856  
01:38:07,270 --> 01:38:06,000  
know even some wild ideas like um

2857  
01:38:09,109 --> 01:38:07,280  
there's a ship called the uh the

2858  
01:38:11,030 --> 01:38:09,119  
montford point

2859  
01:38:14,550 --> 01:38:11,040  
which is a uh it's they're called it's

2860  
01:38:16,950 --> 01:38:14,560  
called an ex expeditionary transfer dock

2861  
01:38:18,709 --> 01:38:16,960  
uh which is it's a mouthful but it's

2862  
01:38:20,950 --> 01:38:18,719  
really an oil tanker that has been

2863  
01:38:23,350 --> 01:38:20,960

converted to launch hovercraft oh wow

2864

01:38:25,430 --> 01:38:23,360

and you could put an f-35 on it it's

2865

01:38:26,709 --> 01:38:25,440

gonna go really slow the ship

2866

01:38:28,310 --> 01:38:26,719

but you could build i mean they're

2867

01:38:29,750 --> 01:38:28,320

really cheap and you could i mean any

2868

01:38:31,510 --> 01:38:29,760

ship could be an aircraft carrier think

2869

01:38:33,430 --> 01:38:31,520

about it these days you know rob would

2870

01:38:34,870 --> 01:38:33,440

you uh

2871

01:38:36,950 --> 01:38:34,880

highlight there

2872

01:38:40,790 --> 01:38:36,960

when the brits had to head down to the

2873

01:38:44,229 --> 01:38:40,800

falcons a a book that has had storied

2874

01:38:47,510 --> 01:38:44,239

coverage in mac's writings in the past

2875

01:38:50,550 --> 01:38:47,520

they used converted uh

2876

01:38:53,270 --> 01:38:50,560

cargo yeah yeah container ships to build

2877

01:38:55,430 --> 01:38:53,280

uh built basically their fleet that they

2878

01:38:56,870 --> 01:38:55,440

needed they were using connex boxes with

2879

01:38:59,109 --> 01:38:56,880

tarps to

2880

01:39:00,870 --> 01:38:59,119

build hangar space and they sell those

2881

01:39:02,870 --> 01:39:00,880

aircraft think about it from the

2882

01:39:05,510 --> 01:39:02,880

standpoint though that if you had a

2883

01:39:08,550 --> 01:39:05,520

special operations contingent that used

2884

01:39:10,310 --> 01:39:08,560

the f-35b vtol

2885

01:39:12,470 --> 01:39:10,320

the ability of what they could do when

2886

01:39:14,470 --> 01:39:12,480

you said you just made the remark every

2887

01:39:18,070 --> 01:39:14,480

ship now potentially

2888

01:39:20,950 --> 01:39:18,080

becomes a launch a recovery point right

2889

01:39:22,870 --> 01:39:20,960

um the um f-35 we should

2890

01:39:24,390 --> 01:39:22,880

you know remind anyone who doesn't know

2891

01:39:27,030 --> 01:39:24,400

it's the

2892

01:39:29,350 --> 01:39:27,040

naval version of the f-35 lightning too

2893

01:39:31,669 --> 01:39:29,360

but it has the ability to

2894

01:39:33,910 --> 01:39:31,679

fly like a harrier it can take off

2895

01:39:36,149 --> 01:39:33,920

vertically and it can land vertically

2896

01:39:37,750 --> 01:39:36,159

and um there's a lot of technology

2897

01:39:39,510 --> 01:39:37,760

involved in it i heard that i mean the

2898

01:39:41,350 --> 01:39:39,520

harrier is kind of sexier it used to be

2899

01:39:42,550 --> 01:39:41,360

that they've been retired now but i

2900

01:39:44,950 --> 01:39:42,560

heard that they were a pain in the neck

2901

01:39:45,990 --> 01:39:44,960

to maintain and they weren't fun to fly

2902

01:39:48,070 --> 01:39:46,000

and

2903

01:39:49,510 --> 01:39:48,080

can you verify that mitch well when i

2904

01:39:50,950 --> 01:39:49,520

was on the kennedy and they did some sea

2905

01:39:52,310 --> 01:39:50,960

trials with the harriers because they

2906

01:39:54,550 --> 01:39:52,320

wanted to see if they could integrate

2907

01:39:56,470 --> 01:39:54,560

the harrier into a one a regular air

2908

01:39:59,430 --> 01:39:56,480

wing because we we'd have marine corps

2909

01:40:00,950 --> 01:39:59,440

a6 squadrons aboard when i cruised and

2910

01:40:02,550 --> 01:40:00,960

they wanted to integrate the harrier in

2911

01:40:04,070 --> 01:40:02,560

well the harrier would come across the

2912

01:40:06,629 --> 01:40:04,080

flight deck and i'm telling you those

2913

01:40:08,229 --> 01:40:06,639

nozzles can put out some serious force

2914

01:40:10,149 --> 01:40:08,239

and you'd be literally ripping up the

2915

01:40:11,669 --> 01:40:10,159

non-skid throwing stuff i was out on the

2916

01:40:13,990 --> 01:40:11,679

flight deck one time the harriers were

2917

01:40:16,149 --> 01:40:14,000

coming aboard and i felt like i had just

2918

01:40:18,149 --> 01:40:16,159

gotten sandblasted and i was running

2919

01:40:21,189 --> 01:40:18,159

away like oh we can't have these guys

2920

01:40:23,590 --> 01:40:21,199

aboard but um but you're right the the

2921

01:40:25,750 --> 01:40:23,600

f-35 is gonna you know that thrust

2922

01:40:27,990 --> 01:40:25,760

vectoring and all that stuff and uh

2923

01:40:30,310 --> 01:40:28,000

well the f-35 doesn't doesn't use a

2924

01:40:32,229 --> 01:40:30,320

thrust vector it uses a ducted fan that

2925

01:40:33,830 --> 01:40:32,239

opens in the back to produce but it does

2926

01:40:35,109 --> 01:40:33,840

also have thrust vectoring capability

2927

01:40:37,189 --> 01:40:35,119

doesn't it

2928

01:40:38,550 --> 01:40:37,199

with the nozzle on the back end so it's

2929

01:40:40,550 --> 01:40:38,560

the same hot gas coming out of the

2930

01:40:42,229 --> 01:40:40,560

engine it just moves its turkey feathers

2931

01:40:43,830 --> 01:40:42,239

in the back part move right that's the

2932

01:40:45,830 --> 01:40:43,840

big difference between the harrier the

2933

01:40:48,229 --> 01:40:45,840

harrier used all its exhaust through

2934

01:40:50,950 --> 01:40:48,239

those nozzles and rotate the nozzles

2935

01:40:52,229 --> 01:40:50,960

to give its ability to go into uh

2936

01:40:54,310 --> 01:40:52,239

vertical flight

2937

01:40:56,149 --> 01:40:54,320

and for flying fun

2938

01:40:57,590 --> 01:40:56,159

all the brits that i knew that flew it

2939

01:40:59,590 --> 01:40:57,600

when they started the experiment

2940

01:41:01,030 --> 01:40:59,600

throwing the nozzles in flight yes it

2941

01:41:02,950 --> 01:41:01,040

was pretty amazing what they could do in

2942

01:41:04,950 --> 01:41:02,960

air-to-air combat they would slam those

2943

01:41:06,149 --> 01:41:04,960

nozzles you know things that they

2944

01:41:07,669 --> 01:41:06,159

weren't supposed to do as it was in the

2945

01:41:09,510 --> 01:41:07,679

flight handbook to flip those planes

2946

01:41:11,590 --> 01:41:09,520

around right uh they said it was a lot

2947

01:41:13,510 --> 01:41:11,600

of fun to fly it just it

2948

01:41:15,669 --> 01:41:13,520

it was not it was a handful when you

2949

01:41:17,350 --> 01:41:15,679

came into the hover portion of it

2950

01:41:18,470 --> 01:41:17,360

because they didn't have perfected

2951

01:41:19,830 --> 01:41:18,480

computer

2952

01:41:21,910 --> 01:41:19,840

they were manually flying that oh

2953

01:41:23,510 --> 01:41:21,920

absolutely yeah they were squirrely they

2954

01:41:25,109 --> 01:41:23,520

were always squirrely coming aboard

2955

01:41:27,430 --> 01:41:25,119

especially at night which was always

2956

01:41:28,229 --> 01:41:27,440

yeah yeah so the f-35 is supposed to be

2957

01:41:39,750 --> 01:41:28,239

a

2958

01:41:41,990 --> 01:41:39,760

the

2959

01:41:44,310 --> 01:41:42,000

exhaust and you know it's really it's

2960

01:41:46,149 --> 01:41:44,320

it's a hot plate to maintain you know so

2961

01:41:47,830 --> 01:41:46,159

i flew before they had cell phones i

2962

01:41:53,350 --> 01:41:47,840

mean

2963

01:41:55,030 --> 01:41:53,360

location near you electronic package i

2977

01:42:25,910 --> 01:42:24,159

could fit my phone now from when i was

2978

01:42:27,669 --> 01:42:25,920

flying so i'm probably not a guy to talk

2979

01:42:30,229 --> 01:42:27,679

to about the modern technology i got to

2980

01:42:31,830 --> 01:42:30,239

tell the story we uh in our week off uh

2981

01:42:33,590 --> 01:42:31,840

lois lane and i went to the museum of

2982

01:42:36,070 --> 01:42:33,600

science in boston

2983

01:42:38,229 --> 01:42:36,080

and uh they have a thing called

2984

01:42:40,629 --> 01:42:38,239

papanology and it's

2985

01:42:42,709 --> 01:42:40,639

you know the technology of the pop

2986

01:42:46,870 --> 01:42:42,719

culture right starting with like eight

2987

01:42:49,350 --> 01:42:46,880

tracks and the you know mini discs this

2988

01:42:50,790 --> 01:42:49,360

and cassettes and uh

2989

01:42:53,270 --> 01:42:50,800

you know you name it you know and what

2990

01:42:55,109 --> 01:42:53,280

digital audio editing right you know and

2991

01:42:56,550 --> 01:42:55,119

all the atari games and that kind of

2992

01:42:58,149 --> 01:42:56,560

stuff okay so

2993

01:43:00,070 --> 01:42:58,159

walking around so a lot of it was uh

2994

01:43:01,669 --> 01:43:00,080

really pretty uh interesting we get to a

2995

01:43:04,229 --> 01:43:01,679

display and um

2996

01:43:09,109 --> 01:43:04,239

it says who remembers this technology

2997

01:43:12,390 --> 01:43:10,629

i would have thrown out a bag phone or

2998

01:43:14,310 --> 01:43:12,400

something like that yeah

2999

01:43:15,990 --> 01:43:14,320

time to get a new phone but anyway

3000

01:43:17,669 --> 01:43:16,000

so there'll probably be a trend backed

3001  
01:43:19,270 --> 01:43:17,679  
with those flip up phones though because

3002  
01:43:21,030 --> 01:43:19,280  
people are information overload with the

3003  
01:43:23,030 --> 01:43:21,040  
smartphones i mean it uses the text

3004  
01:43:24,470 --> 01:43:23,040  
occasionally and you know talk on the

3005  
01:43:26,470 --> 01:43:24,480  
phone occasionally and that's it you

3006  
01:43:28,550 --> 01:43:26,480  
know i don't you know can't play movies

3007  
01:43:30,470 --> 01:43:28,560  
on it or whatever i don't have a tom

3008  
01:43:33,750 --> 01:43:30,480  
brady you know case that i carry it

3009  
01:43:35,430 --> 01:43:33,760  
around them like i do

3010  
01:43:38,390 --> 01:43:35,440  
anyway i just want to ask just two quick

3011  
01:43:40,550 --> 01:43:38,400  
questions uh number one um sometimes

3012  
01:43:42,629 --> 01:43:40,560  
you'll see like a uh aircraft carrier in

3013  
01:43:44,870 --> 01:43:42,639

a in a documentary or whatever and it'll

3014

01:43:47,109 --> 01:43:44,880

have all the it looks like every inch of

3015

01:43:49,109 --> 01:43:47,119

the flight deck is filled with airplanes

3016

01:43:49,910 --> 01:43:49,119

so many so you can never land and take

3017

01:43:51,669 --> 01:43:49,920

off

3018

01:43:53,270 --> 01:43:51,679

and other times you'll just see like one

3019

01:43:55,189 --> 01:43:53,280

or two planes up in the deck now i'm

3020

01:43:56,790 --> 01:43:55,199

thinking when all the planes are up like

3021

01:43:58,390 --> 01:43:56,800

cleaning out the hangers or something

3022

01:43:59,830 --> 01:43:58,400

doing maintenance on the hangers well i

3023

01:44:01,030 --> 01:43:59,840

mean obviously they can you know you

3024

01:44:02,950 --> 01:44:01,040

could you could just catch them at

3025

01:44:03,910 --> 01:44:02,960

various stages of what they're doing

3026

01:44:05,590 --> 01:44:03,920

right you know there could be a few

3027

01:44:07,350 --> 01:44:05,600

airplanes deployed out as they're doing

3028

01:44:09,030 --> 01:44:07,360

some carrier qual stuff or there could

3029

01:44:10,229 --> 01:44:09,040

you know a full air wing embarked you're

3030

01:44:12,070 --> 01:44:10,239

always going to have a pretty full

3031

01:44:13,270 --> 01:44:12,080

flight deck here you know i mean it's

3032

01:44:15,590 --> 01:44:13,280

that's where we're talking a little bit

3033

01:44:16,950 --> 01:44:15,600

rob about the uh the movement of

3034

01:44:18,629 --> 01:44:16,960

airplanes around the front of the island

3035

01:44:20,950 --> 01:44:18,639

and all that stuff so it's it's pretty

3036

01:44:22,470 --> 01:44:20,960

impressive to watch you go into the uh

3037

01:44:23,590 --> 01:44:22,480

the flight deck control and they and

3038

01:44:25,350 --> 01:44:23,600

they've got everything lined out of

3039

01:44:27,109 --> 01:44:25,360

whatever plane goes where and how close

3040

01:44:29,350 --> 01:44:27,119

they are together and that's crazy they

3041

01:44:30,709 --> 01:44:29,360

do it day after day after you well it

3042

01:44:33,109 --> 01:44:30,719

gets a little hairy i mean no doubt

3043

01:44:35,189 --> 01:44:33,119

about it i had a tomcat taxi into me one

3044

01:44:36,390 --> 01:44:35,199

time while we were at sea and we you

3045

01:44:37,910 --> 01:44:36,400

know we had pretty nasty little

3046

01:44:39,750 --> 01:44:37,920

collision on the flight deck and i mean

3047

01:44:41,510 --> 01:44:39,760

it's just it's hard to avoid sometimes

3048

01:44:42,149 --> 01:44:41,520

but that's how good they are you really

3049

01:44:44,790 --> 01:44:42,159

are

3050

01:44:46,709 --> 01:44:44,800

wow so and my other question is is uh

3051

01:44:48,149 --> 01:44:46,719

you're just looking at the gerald ford

3052

01:44:49,750 --> 01:44:48,159

and you should just like google and take

3053

01:44:51,350 --> 01:44:49,760

a look at it because it looks so odd

3054

01:44:53,030 --> 01:44:51,360

because

3055

01:44:54,390 --> 01:44:53,040

the superstructure almost looks like an

3056

01:44:56,070 --> 01:44:54,400

afterthought don't you think with

3057

01:44:57,510 --> 01:44:56,080

sensors and everything these days when

3058

01:44:59,270 --> 01:44:57,520

they couldn't they just make a complete

3059

01:45:01,430 --> 01:44:59,280

flat top do they need the superstructure

3060

01:45:03,510 --> 01:45:01,440

at all they can see all that stuff from

3061

01:45:05,350 --> 01:45:03,520

down below well the air boss might argue

3062

01:45:07,030 --> 01:45:05,360

with you because he he likes to watch

3063

01:45:08,790 --> 01:45:07,040

his deck and he he's kind of like the

3064

01:45:10,790 --> 01:45:08,800

eye in the sky over the flight deck so

3065

01:45:12,870 --> 01:45:10,800

he's watching all his his personnel

3066

01:45:15,430 --> 01:45:12,880

running around from the grapes refueling

3067

01:45:17,510 --> 01:45:15,440

airplanes to the ordnance guys

3068

01:45:19,510 --> 01:45:17,520

to the taxi movement around the airplane

3069

01:45:21,350 --> 01:45:19,520

so he's kind of like right there

3070

01:45:23,189 --> 01:45:21,360

watching everything and that's his world

3071

01:45:24,629 --> 01:45:23,199

and it's a pretty intense world so i'm

3072

01:45:26,709 --> 01:45:24,639

pretty sure he he would not like to

3073

01:45:29,910 --> 01:45:26,719

watch it from a camera yeah

3074

01:45:31,430 --> 01:45:29,920

i wonder about we're the watch crews um

3075

01:45:33,830 --> 01:45:31,440

stand on the on the carriers i mean you

3076

01:45:35,510 --> 01:45:33,840

have a watch crew in the tower

3077

01:45:36,390 --> 01:45:35,520

you have you know that's oh that's a

3078

01:45:38,790 --> 01:45:36,400

question

3079

01:45:40,310 --> 01:45:38,800

uh as far as watch crews as far as like

3080

01:45:41,669 --> 01:45:40,320

when we're not flying is that where you

3081

01:45:43,030 --> 01:45:41,679

mean rob

3082

01:45:44,950 --> 01:45:43,040

i would just watch crews you know

3083

01:45:46,470 --> 01:45:44,960

watching up for other ships and

3084

01:45:48,550 --> 01:45:46,480

well yeah and then you have you have the

3085

01:45:50,470 --> 01:45:48,560

navigation section of the bridge or the

3086

01:45:52,149 --> 01:45:50,480

island and then and then up high is a

3087

01:45:53,750 --> 01:45:52,159

pry fly where the where the air boss

3088

01:45:55,350 --> 01:45:53,760

watches the flight deck alone he's kind

3089

01:45:56,870 --> 01:45:55,360

of like running an airport but the the

3090

01:45:58,229 --> 01:45:56,880

navigation part of the bridge and then

3091

01:46:00,550 --> 01:45:58,239

you have the admirals part of the bridge

3092

01:46:02,870 --> 01:46:00,560

so there's several layers to that so yes

3093

01:46:03,830 --> 01:46:02,880

they do have their navy watch crews

3094

01:46:05,590 --> 01:46:03,840

doing

3095

01:46:07,430 --> 01:46:05,600

naval stuff while the well the pride fly

3096

01:46:09,109 --> 01:46:07,440

guys are doing they have to stand the

3097

01:46:10,950 --> 01:46:09,119

whole time

3098

01:46:13,270 --> 01:46:10,960

they give them seats to sit down

3099

01:46:14,550 --> 01:46:13,280

there's seats for the captain oh yeah

3100

01:46:16,229 --> 01:46:14,560

he's gonna sit down

3101

01:46:17,830 --> 01:46:16,239

but at some point you have to stand up i

3102

01:46:19,350 --> 01:46:17,840

think it's a pretty intense watch i've

3103

01:46:20,790 --> 01:46:19,360

never i've only been on the bridge once

3104

01:46:24,629 --> 01:46:20,800

because i messed up a man overboard

3105

01:46:27,430 --> 01:46:26,149

another chapter for the book yeah he

3106

01:46:30,149 --> 01:46:27,440

didn't go overboard

3107

01:46:31,669 --> 01:46:30,159

jack moriarty from attleboro mass he got

3108

01:46:33,109 --> 01:46:31,679

he lit into me pretty hard i don't ever

3109

01:46:34,950 --> 01:46:33,119

forget that but it's just a drill though

3110

01:46:37,350 --> 01:46:34,960

no one was hurt no one was hurting no

3111

01:46:39,109 --> 01:46:37,360

one was hurt in this story except me did

3112

01:46:41,430 --> 01:46:39,119

you leave him on a train is that what

3113

01:46:44,390 --> 01:46:41,440

happened thank god that happened before

3114

01:46:45,990 --> 01:46:44,400

the train trip so

3115

01:46:47,510 --> 01:46:46,000

another show did you have to walk the

3116

01:46:49,430 --> 01:46:47,520

plank after that i thought he was gonna

3117

01:46:51,590 --> 01:46:49,440

make me walk the plank for a while there

3118

01:46:53,590 --> 01:46:51,600

he lightened me up pretty hard wow but

3119

01:46:55,270 --> 01:46:53,600

yeah i i think the guys on the watch you

3120

01:46:56,709 --> 01:46:55,280

know the navigation watch are on their

3121

01:46:59,350 --> 01:46:56,719

feet and they are paying attention

3122

01:47:01,590 --> 01:46:59,360

because that's a very intense place

3123

01:47:03,030 --> 01:47:01,600

i think the what the point to emphasize

3124

01:47:05,270 --> 01:47:03,040

is that really

3125

01:47:06,149 --> 01:47:05,280

every minute at sea is

3126

01:47:08,229 --> 01:47:06,159

is

3127

01:47:10,790 --> 01:47:08,239

dangerous i mean hazards can come out of

3128

01:47:12,070 --> 01:47:10,800

nowhere yeah and even every minute yeah

3129

01:47:14,629 --> 01:47:12,080

people don't think

3130

01:47:16,470 --> 01:47:14,639

uh people realize that about the

3131

01:47:18,310 --> 01:47:16,480

about the navy

3132

01:47:20,390 --> 01:47:18,320

if they don't have experience with

3133

01:47:22,390 --> 01:47:20,400

with um you know being on the water

3134

01:47:25,270 --> 01:47:22,400

right let alone the warship and it shows

3135

01:47:27,350 --> 01:47:25,280

you that uh you know we have uh 12 or 13

3136

01:47:28,149 --> 01:47:27,360

carriers now like you know in that area

3137

01:47:30,470 --> 01:47:28,159

okay

3138

01:47:33,430 --> 01:47:30,480

the next 10 largest navies in the world

3139

01:47:35,109 --> 01:47:33,440

are our allies and then you know you got

3140

01:47:36,629 --> 01:47:35,119

everyone else right

3141

01:47:37,830 --> 01:47:36,639

some of these other like india has an

3142

01:47:41,270 --> 01:47:37,840

aircraft carrier but it's more of a

3143

01:47:42,629 --> 01:47:41,280

harrier type you know uh platform uh we

3144

01:47:45,030 --> 01:47:42,639

have our own small carriers that are

3145

01:47:45,910 --> 01:47:45,040

similar to that there's no country out

3146

01:47:48,070 --> 01:47:45,920

there

3147

01:47:50,149 --> 01:47:48,080

who can as you call it a ballet but it

3148

01:47:51,990 --> 01:47:50,159

really is who can match the the

3149

01:47:53,910 --> 01:47:52,000

expertise and the training and well it

3150

01:47:55,590 --> 01:47:53,920

goes what rob was saying earlier is that

3151

01:47:57,590 --> 01:47:55,600

it takes a long time and it takes years

3152

01:47:59,510 --> 01:47:57,600

of developing and uh and they just had a

3153

01:48:01,030 --> 01:47:59,520

big joint exercise because the brits are

3154

01:48:01,910 --> 01:48:01,040

bringing back carriers in and they're

3155

01:48:04,070 --> 01:48:01,920

they're

3156

01:48:05,990 --> 01:48:04,080

trying to get their feet wet again and

3157

01:48:08,070 --> 01:48:06,000

yeah the advantage right now is clearly

3158

01:48:11,109 --> 01:48:08,080

u.s navy it's the it's the mightiest

3159

01:48:13,030 --> 01:48:11,119

navy in the in the water and uh go navy

3160

01:48:14,550 --> 01:48:13,040

u.s navy in the house

3161

01:48:16,629 --> 01:48:14,560

how come they always i mean i mean we

3162

01:48:17,910 --> 01:48:16,639

look at china right i mean that's

3163

01:48:19,750 --> 01:48:17,920

we see these new carriers that they're

3164

01:48:22,149 --> 01:48:19,760

producing a lot of that's about building

3165

01:48:24,070 --> 01:48:22,159

that experience so correct

3166

01:48:26,390 --> 01:48:24,080

20 50 or something they'll be a little

3167

01:48:27,910 --> 01:48:26,400

2015 caught up wow you're an optimist

3168

01:48:29,830 --> 01:48:27,920

that's my friend they get those

3169

01:48:30,709 --> 01:48:29,840

jump just being yeah being terrible but

3170

01:48:33,430 --> 01:48:30,719

children

3171

01:48:35,830 --> 01:48:33,440

take decades so i want to ask mitch a

3172

01:48:39,350 --> 01:48:35,840

question and then uh we'll end with you

3173

01:48:42,390 --> 01:48:39,360

rob on your love life okay

3174

01:48:44,550 --> 01:48:42,400

do we have to uh mitch uh

3175

01:48:46,070 --> 01:48:44,560

you've talked a lot about how when um

3176

01:48:47,990 --> 01:48:46,080

you won an aircraft carrier or you get

3177

01:48:49,030 --> 01:48:48,000

your wings you get a nickname along with

3178

01:48:51,030 --> 01:48:49,040

it yes

3179

01:48:52,870 --> 01:48:51,040

and we've talked to off here about the

3180

01:48:54,870 --> 01:48:52,880

top gun maybe

3181

01:48:57,910 --> 01:48:54,880

two might be a bomb we don't know but in

3182

01:48:59,750 --> 01:48:57,920

the first top gun the uh the characters

3183

01:49:01,189 --> 01:48:59,760

were like they're almost like cowboys

3184

01:49:03,750 --> 01:49:01,199

like gangsters right all these cool

3185

01:49:05,430 --> 01:49:03,760

names right like ice cube was right nice

3186

01:49:07,189 --> 01:49:05,440

well no it was just funny because if

3187

01:49:08,950 --> 01:49:07,199

you've ever been associated with it i

3188

01:49:12,229 --> 01:49:08,960

mean in the movie it was it was you know

3189

01:49:14,149 --> 01:49:12,239

maverick yeah right cougar yes and goose

3190

01:49:16,390 --> 01:49:14,159

was a silly goose yeah he was a silly

3191

01:49:18,790 --> 01:49:16,400

one yeah and then and then iceman was

3192

01:49:20,550 --> 01:49:18,800

the best man that was val kilmer right

3193

01:49:22,149 --> 01:49:20,560

he was always eating nice no matter what

3194

01:49:23,430 --> 01:49:22,159

he's eating great story in that movie is

3195

01:49:25,669 --> 01:49:23,440

he was filming the movie he went out

3196

01:49:26,950 --> 01:49:25,679

drinking with the real f-14 guys uh one

3197

01:49:29,109 --> 01:49:26,960

night while they were filming the movie

3198

01:49:30,950 --> 01:49:29,119

came back he had a huge circle uh about

3199

01:49:32,310 --> 01:49:30,960

the size of a silver dollar bruise on

3200

01:49:33,510 --> 01:49:32,320

his chest he couldn't figure out what

3201  
01:49:35,669 --> 01:49:33,520  
had happened

3202  
01:49:37,189 --> 01:49:35,679  
and apparently well all night long the

3203  
01:49:38,709 --> 01:49:37,199  
fighter pilots were going up poking him

3204  
01:49:40,310 --> 01:49:38,719  
in the chest going you

3205  
01:49:41,950 --> 01:49:40,320  
you look like the one who could be a

3206  
01:49:44,070 --> 01:49:41,960  
real fighter pilot

3207  
01:49:45,590 --> 01:49:44,080  
[Music]

3208  
01:49:47,030 --> 01:49:45,600  
good story

3209  
01:49:48,790 --> 01:49:47,040  
um

3210  
01:49:51,109 --> 01:49:48,800  
but yeah the nicknames are pretty funny

3211  
01:49:53,109 --> 01:49:51,119  
okay all right so but tell us the the

3212  
01:49:54,709 --> 01:49:53,119  
real the reality the reality of it was

3213  
01:49:57,030 --> 01:49:54,719

is that you know the guy i flew with

3214

01:50:00,229 --> 01:49:57,040

guys like putts and uh

3215

01:50:01,910 --> 01:50:00,239

tinkerbelle schmuck yeah yeah and and

3216

01:50:03,430 --> 01:50:01,920

butterfly and

3217

01:50:05,590 --> 01:50:03,440

it was usually

3218

01:50:07,189 --> 01:50:05,600

gonzales it was it was embarrassing

3219

01:50:08,790 --> 01:50:07,199

story right you did something stupid to

3220

01:50:10,390 --> 01:50:08,800

get your nickname like you know if guy

3221

01:50:14,149 --> 01:50:10,400

got drunk and passed out in the animals

3222

01:50:18,870 --> 01:50:16,790

that's pretty good vomit man but my

3223

01:50:20,709 --> 01:50:18,880

favorite one of all is uh it's

3224

01:50:22,390 --> 01:50:20,719

absolutely true is a kid spilled a hot

3225

01:50:24,470 --> 01:50:22,400

cup of coffee in his crotch in the ready

3226

01:50:29,030 --> 01:50:24,480

room and he spent the next 20 years in

3227

01:50:33,109 --> 01:50:30,870

we could not go by without you thanks

3228

01:50:35,270 --> 01:50:33,119

max i appreciate that

3229

01:50:38,390 --> 01:50:35,280

and your your nickname was hangman right

3230

01:50:40,550 --> 01:50:38,400

yeah i was a man

3231

01:50:41,910 --> 01:50:40,560

yeah i had i didn't disconnect my oxygen

3232

01:50:43,669 --> 01:50:41,920

mask i jumped off the rail of the

3233

01:50:45,430 --> 01:50:43,679

airplane and forgot to disconnect it and

3234

01:50:47,590 --> 01:50:45,440

i was hanging out the side my feet were

3235

01:50:49,109 --> 01:50:47,600

like two feet off the ground i had a

3236

01:50:50,629 --> 01:50:49,119

fire and rescue i had to come over and

3237

01:50:52,149 --> 01:50:50,639

rescue them weren't there like nurses

3238

01:50:53,990 --> 01:50:52,159

around or something you had an audience

3239

01:50:55,990 --> 01:50:54,000

for that shepherd air force base for the

3240

01:50:57,510 --> 01:50:56,000

nurse's graduation yeah i didn't know i

3241

01:51:00,149 --> 01:50:57,520

know what that's all about that was a

3242

01:51:01,910 --> 01:51:00,159

ploy yes it was okay all right hang man

3243

01:51:03,430 --> 01:51:01,920

you never know

3244

01:51:06,550 --> 01:51:03,440

hey rob okay

3245

01:51:08,470 --> 01:51:06,560

help me with my hose nurse hello

3246

01:51:11,109 --> 01:51:08,480

we said we didn't want to

3247

01:51:12,390 --> 01:51:11,119

edit tomorrow we don't have time

3248

01:51:15,030 --> 01:51:12,400

um

3249

01:51:17,109 --> 01:51:15,040

well fill us in just for listen you know

3250

01:51:19,030 --> 01:51:17,119

nothing's happening your dishes are

3251  
01:51:20,950 --> 01:51:19,040  
still stained

3252  
01:51:22,470 --> 01:51:20,960  
yeah yeah it's yeah so did love

3253  
01:51:23,830 --> 01:51:22,480  
connection say if you got a pet it would

3254  
01:51:26,550 --> 01:51:23,840  
help you with your love where did you

3255  
01:51:29,430 --> 01:51:26,560  
read that no no no no it was a totally

3256  
01:51:32,070 --> 01:51:29,440  
innocent uh you know somebody was in

3257  
01:51:34,229 --> 01:51:32,080  
town was giving up a cat and no female

3258  
01:51:35,590 --> 01:51:34,239  
commitment that's a male cat

3259  
01:51:37,270 --> 01:51:35,600  
no no the person that was giving up the

3260  
01:51:38,070 --> 01:51:37,280  
cat come on rob work with me here stop

3261  
01:51:41,109 --> 01:51:38,080  
it

3262  
01:51:43,270 --> 01:51:41,119  
uh he was a male but you know he his i

3263  
01:51:45,109 --> 01:51:43,280

think he said he it was on uh you know

3264

01:51:47,030 --> 01:51:45,119

online he said that his uh his son was

3265

01:51:50,390 --> 01:51:47,040

allergic to their cats because he keeps

3266

01:51:54,229 --> 01:51:52,070

but it's a good heartbreaking

3267

01:51:56,790 --> 01:51:54,239

heartwarming story the cat is pretty

3268

01:51:58,790 --> 01:51:56,800

good how did you find out about the cat

3269

01:52:00,470 --> 01:51:58,800

uh i read it it was like the local town

3270

01:52:02,229 --> 01:52:00,480

you know read it somebody's like i gotta

3271

01:52:04,550 --> 01:52:02,239

give up this cat you're gonna be going

3272

01:52:07,109 --> 01:52:04,560

to like some uh cat parent support

3273

01:52:09,189 --> 01:52:07,119

groups yes

3274

01:52:11,669 --> 01:52:09,199

one step ahead i mean cat parents that

3275

01:52:13,510 --> 01:52:11,679

are out there uh that's a good idea yeah

3276

01:52:15,510 --> 01:52:13,520

that's a very good idea wait a minute

3277

01:52:17,990 --> 01:52:15,520

yeah there's probably a couple

3278

01:52:20,149 --> 01:52:18,000

like-minded uh somalis that uh would

3279

01:52:21,189 --> 01:52:20,159

like to meet el chapo and who like

3280

01:52:23,030 --> 01:52:21,199

possibly

3281

01:52:24,870 --> 01:52:23,040

i can just imagine me in this park with

3282

01:52:25,830 --> 01:52:24,880

like a cat on a leash like all these

3283

01:52:27,910 --> 01:52:25,840

other people

3284

01:52:29,669 --> 01:52:27,920

yeah but people look like a lion yeah i

3285

01:52:31,669 --> 01:52:29,679

think that's a good way to go if it

3286

01:52:33,830 --> 01:52:31,679

looks like most of the cats that i have

3287

01:52:35,430 --> 01:52:33,840

probably not so much well hey can let me

3288

01:52:36,950 --> 01:52:35,440

just ask rob a question i want to get

3289

01:52:38,070 --> 01:52:36,960

back to i don't want to bury the lead as

3290

01:52:40,629 --> 01:52:38,080

they say

3291

01:52:42,629 --> 01:52:40,639

so you are spending time actually online

3292

01:52:45,430 --> 01:52:42,639

looking to adopt cats looking for orphan

3293

01:52:46,629 --> 01:52:45,440

cats well no i wasn't looking for it i

3294

01:52:48,470 --> 01:52:46,639

mean i just came i mean i was just

3295

01:52:51,030 --> 01:52:48,480

looking at you know other news look at

3296

01:52:53,030 --> 01:52:51,040

the stress in his voice on the screen

3297

01:52:54,310 --> 01:52:53,040

when on the answering that question yeah

3298

01:52:55,990 --> 01:52:54,320

look at that look at the sine wave on

3299

01:52:59,030 --> 01:52:56,000

that one yeah i'm right so that's okay

3300

01:53:00,229 --> 01:52:59,040

so it looks like a

3301  
01:53:01,830 --> 01:53:00,239  
yeah i was thinking but you know those

3302  
01:53:03,510 --> 01:53:01,840  
things are not scientific no that's

3303  
01:53:05,030 --> 01:53:03,520  
right well uh neither is the sign one

3304  
01:53:07,189 --> 01:53:05,040  
one that's holding up to me that says

3305  
01:53:09,350 --> 01:53:07,199  
what about porn he went from female to

3306  
01:53:10,950 --> 01:53:09,360  
female i'd rather watch porn than

3307  
01:53:12,709 --> 01:53:10,960  
look for orphan cats though there might

3308  
01:53:13,750 --> 01:53:12,719  
be some orphan cats porn out there you

3309  
01:53:15,270 --> 01:53:13,760  
never know there's everything else well

3310  
01:53:16,709 --> 01:53:15,280  
he's he searched

3311  
01:53:21,189 --> 01:53:16,719  
he searched for the he searched for the

3312  
01:53:24,550 --> 01:53:23,109  
mitch is bowing to you

3313  
01:53:26,629 --> 01:53:24,560

if you're on facebook and you come

3314

01:53:28,709 --> 01:53:26,639

across i bring a couple things up and i

3315

01:53:30,149 --> 01:53:28,719

get i get spanked over here behind the

3316

01:53:31,990 --> 01:53:30,159

bulletproof glasses

3317

01:53:34,870 --> 01:53:32,000

talking about this starting on a porn

3318

01:53:36,629 --> 01:53:34,880

website in the deep dark web poor right

3319

01:53:40,950 --> 01:53:36,639

now

3320

01:53:42,870 --> 01:53:40,960

last couple minutes wow mitch can't even

3321

01:53:44,470 --> 01:53:42,880

talk he's looking for his oxygen mask

3322

01:53:46,390 --> 01:53:44,480

which he left apparently tied up

3323

01:53:48,870 --> 01:53:46,400

alongside the airplane or with a navy or

3324

01:53:51,030 --> 01:53:48,880

an air force nurse that's right

3325

01:53:53,189 --> 01:53:51,040

in texas i might add this all happened

3326

01:53:55,830 --> 01:53:53,199

right oh yeah the conspiracy just keeps

3327

01:53:57,830 --> 01:53:55,840

rapping and rapping does the kind of a

3328

01:53:59,990 --> 01:53:57,840

little cowboy hat or a little perhaps

3329

01:54:01,830 --> 01:54:00,000

you know dallas cowboy sweater or

3330

01:54:03,830 --> 01:54:01,840

something are you planning to dress it

3331

01:54:05,189 --> 01:54:03,840

for football season

3332

01:54:06,950 --> 01:54:05,199

you're going to be watching that

3333

01:54:08,310 --> 01:54:06,960

that hadn't occurred to me but now that

3334

01:54:10,070 --> 01:54:08,320

you've mentioned a cowboy sweater with

3335

01:54:11,510 --> 01:54:10,080

me and what are you doing are you buying

3336

01:54:13,510 --> 01:54:11,520

cat food from that discount store where

3337

01:54:14,229 --> 01:54:13,520

you bought your coffee no i get the good

3338

01:54:15,270 --> 01:54:14,239

stuff

3339

01:54:17,270 --> 01:54:15,280

okay

3340

01:54:18,550 --> 01:54:17,280

like i also i have my coffee game so

3341

01:54:20,390 --> 01:54:18,560

because that last stuff is pretty it's

3342

01:54:22,390 --> 01:54:20,400

pretty gross oh yeah but it's cheap

3343

01:54:24,149 --> 01:54:22,400

wasn't it 50 pounds or eleven bucks

3344

01:54:25,990 --> 01:54:24,159

people yeah i got some big things from

3345

01:54:27,589 --> 01:54:26,000

from it was like the cheapo brand never

3346

01:54:30,470 --> 01:54:27,599

uh never again

3347

01:54:31,669 --> 01:54:30,480

okay but the cat eats uh top of the line

3348

01:54:33,510 --> 01:54:31,679

yeah i know i could give him the good

3349

01:54:35,270 --> 01:54:33,520

stuff i get that go to the pet store i

3350

01:54:36,629 --> 01:54:35,280

know one thing about cats you know

3351

01:54:39,109 --> 01:54:36,639

they'll eventually eat what you give

3352

01:54:41,109 --> 01:54:39,119

them it does make it if it's uh you know

3353

01:54:42,470 --> 01:54:41,119

chicken of the sea or uh something else

3354

01:54:44,149 --> 01:54:42,480

when they get hungry they get hungry

3355

01:54:45,669 --> 01:54:44,159

they'll eat it they'll be fussy at first

3356

01:54:46,470 --> 01:54:45,679

but you know that's all that's out there

3357

01:54:48,709 --> 01:54:46,480

right

3358

01:54:50,470 --> 01:54:48,719

i'm becoming aware of that yeah

3359

01:54:53,030 --> 01:54:50,480

so uh anyway well listen if you start

3360

01:54:55,030 --> 01:54:53,040

dressing them up in any way him anywhere

3361

01:54:57,430 --> 01:54:55,040

let us know just let us know for a laugh

3362

01:54:59,350 --> 01:54:57,440

okay okay yeah i'll let you know

3363

01:55:01,189 --> 01:54:59,360

i don't think it's too likely but okay

3364

01:55:04,229 --> 01:55:01,199

all right

3365

01:55:06,310 --> 01:55:04,239

other single cat parent

3366

01:55:07,830 --> 01:55:06,320

support groups and get back to us i

3367

01:55:10,149 --> 01:55:07,840

think this is easier than going to the

3368

01:55:12,070 --> 01:55:10,159

gun range and and meeting people i think

3369

01:55:13,750 --> 01:55:12,080

the cat support

3370

01:55:15,189 --> 01:55:13,760

might be the way to go for you rob just

3371

01:55:18,550 --> 01:55:15,199

to help you you'd be surprised at the

3372

01:55:19,910 --> 01:55:18,560

gun ranges in texas though all kinds

3373

01:55:21,510 --> 01:55:19,920

yeah we know that and we can't get you

3374

01:55:23,350 --> 01:55:21,520

to go and your dishes aren't still

3375

01:55:26,229 --> 01:55:23,360

getting washed you have a dirty sink

3376

01:55:28,149 --> 01:55:26,239

with a gopro camera go into the gun

3377

01:55:30,229 --> 01:55:28,159

range and meet girls there you go right

3378

01:55:32,790 --> 01:55:30,239

why not right rob i've had a cat for

3379

01:55:34,470 --> 01:55:32,800

years and they still have a cat so wow

3380

01:55:35,430 --> 01:55:34,480

call me if you want some padding advice

3381

01:55:39,430 --> 01:55:35,440

there you go

3382

01:55:41,830 --> 01:55:39,440

so some what did you say advice padding

3383

01:55:49,340 --> 01:55:41,840

oh okay okay do not make that call rob

3384

01:55:53,030 --> 01:55:51,430

[Music]

3385

01:55:53,830 --> 01:55:53,040

what's another way that one could say

3386

01:55:55,750 --> 01:55:53,840

that

3387

01:55:58,950 --> 01:55:55,760

i could think of a few

3388

01:56:02,229 --> 01:55:58,960

petty one it's it's on a website called

3389

01:56:04,390 --> 01:56:02,239

keep your p word happy wow

3390

01:56:05,750 --> 01:56:04,400

the wes is in that word yes that's okay

3391

01:56:07,270 --> 01:56:05,760

all right

3392

01:56:09,589 --> 01:56:07,280

yeah that word was also used for the

3393

01:56:11,350 --> 01:56:09,599

famous james

3394

01:56:13,430 --> 01:56:11,360

uh [h\_\_h] galore is the name of this

3395

01:56:15,589 --> 01:56:13,440

right that's right so the secret is

3396

01:56:17,430 --> 01:56:15,599

joking

3397

01:56:18,950 --> 01:56:17,440

rob thanks a lot for joining us please

3398

01:56:20,470 --> 01:56:18,960

keep us up to date on all your

3399

01:56:22,550 --> 01:56:20,480

activities okay

3400

01:56:24,229 --> 01:56:22,560

yeah okay no problem okay and uh we'll

3401

01:56:25,669 --> 01:56:24,239

see you next week keep your head down we

3402

01:56:26,790 --> 01:56:25,679

didn't say that he was calling in from

3403

01:56:28,950 --> 01:56:26,800

dallas

3404

01:56:30,870 --> 01:56:28,960

we're at a capital of the planet

3405

01:56:32,550 --> 01:56:30,880

graveyard of beloved president dogs

3406

01:56:35,030 --> 01:56:32,560

running around everywhere nine thousand

3407

01:56:37,109 --> 01:56:35,040

feral dogs running around yeah quite a

3408

01:56:40,229 --> 01:56:37,119

party down so it's one ezekiel elliot's

3409

01:56:43,109 --> 01:56:40,239

not playing right for a while six games

3410

01:56:46,470 --> 01:56:43,119

it said in one lucky cat yeah yeah one

3411

01:56:50,149 --> 01:56:48,310

you know rob i'm

3412

01:56:52,149 --> 01:56:50,159

i know i'm not the first one to tell you

3413

01:56:53,830 --> 01:56:52,159

this but you know if you die he's going

3414

01:56:54,830 --> 01:56:53,840

to eat you at some point you know that

3415

01:56:56,310 --> 01:56:54,840

right

3416

01:56:58,310 --> 01:56:56,320

yeah but happens

3417

01:56:59,430 --> 01:56:58,320

as well so cobra you know about animals

3418

01:57:01,990 --> 01:56:59,440

isn't that true want the cat to

3419

01:57:03,270 --> 01:57:02,000

eventually eat them

3420

01:57:04,790 --> 01:57:03,280

yeah i'll like take a little snack

3421

01:57:06,790 --> 01:57:04,800

hopefully someone will check in on you

3422

01:57:08,310 --> 01:57:06,800

before that one bite at a time the cat

3423

01:57:09,510 --> 01:57:08,320

will scratch we'll be calling them if he

3424

01:57:10,470 --> 01:57:09,520

doesn't pick up the phone we'll figure

3425

01:57:13,910 --> 01:57:10,480

the cat

3426

01:57:17,109 --> 01:57:13,920

you go

3427

01:57:19,669 --> 01:57:17,119

can he say anything more than meow

3428

01:57:20,950 --> 01:57:19,679

does he meow at you rob uh yeah

3429

01:57:23,589 --> 01:57:20,960

yeah he's got a pretty

3430

01:57:27,030 --> 01:57:23,599

pretty whiny one too is he uh bilingual

3431

01:57:29,510 --> 01:57:27,040

does he meow in english and spanish ooh

3432

01:57:31,030 --> 01:57:29,520

a little bit racist there coco

3433

01:57:33,350 --> 01:57:31,040

anyway whoa whoa whoa back we have to

3434

01:57:34,709 --> 01:57:33,360

say goodbye the r word around here

3435

01:57:36,470 --> 01:57:34,719

please and this is the end of the show

3436

01:57:38,550 --> 01:57:36,480

one once have we done that at math right

3437

01:57:39,990 --> 01:57:38,560

i know it's we're going into overtime

3438

01:57:42,550 --> 01:57:40,000

okay all right

3439

01:57:44,629 --> 01:57:42,560

uh i want to thank rob beckhausen for

01:57:53,189 --> 01:57:50,480

ford cost but i'm going to guess about 3

3444

01:57:55,669 --> 01:57:53,199

billion dollars uh more than that really

3445

01:57:57,350 --> 01:57:55,679
