**HEIDI HOLLYS**  
**THE OUTLANDER**

**FRIDAY** 9PM EASTERN  
6PM PACIFIC

Listen on

[inceptionradionetwork.com](http://inceptionradionetwork.com)

1  
00:00:04,550 --> 00:00:01,829  
evening you're listening to me heidi

2  
00:00:05,749 --> 00:00:04,560  
hollis the outlander welcome to the show

3  
00:00:07,430 --> 00:00:05,759  
everybody

4  
00:00:09,589 --> 00:00:07,440  
we're going to have fun

5  
00:00:11,830 --> 00:00:09,599  
as we always do don't we i have a lot of

6  
00:00:13,669 --> 00:00:11,840  
fun doing this show anyways i have to

7  
00:00:15,829 --> 00:00:13,679  
tell you guys what this program is about

8  
00:00:17,990 --> 00:00:15,839  
this show is about bringing outlandish

9  
00:00:21,029 --> 00:00:18,000  
and interesting topics to the forefront

10  
00:00:23,990 --> 00:00:21,039  
from aliens angels ghosts demons holy

11  
00:00:25,830 --> 00:00:24,000  
encounters shadow people to bigfoot to

12  
00:00:28,950 --> 00:00:25,840  
the outlandish i always say if it's

13  
00:00:31,750 --> 00:00:28,960

weird we're here and so are you it's all

14

00:00:34,389 --> 00:00:31,760

good if you do not know who i am

15

00:00:36,790 --> 00:00:34,399

i will tell you who the heck i am

16

00:00:38,389 --> 00:00:36,800

when it comes to the outlandish

17

00:00:40,709 --> 00:00:38,399

personally i'm someone who has been

18

00:00:43,350 --> 00:00:40,719

there seen that experienced it freaked

19

00:00:45,750 --> 00:00:43,360

out found some answers wrote about it

20

00:00:47,270 --> 00:00:45,760

got over it and now i'm hoping to help

21

00:00:48,389 --> 00:00:47,280

others do the same darn thing and

22

00:00:50,950 --> 00:00:48,399

understand

23

00:00:52,549 --> 00:00:50,960

this kooky world of ours that we all

24

00:00:55,110 --> 00:00:52,559

love so much

25

00:00:58,470 --> 00:00:55,120

i welcome you to go to my main website

26

00:01:01,349 --> 00:00:58,480

which is heidi hollis.com just sound it

27

00:01:03,270 --> 00:01:01,359

out it's it's all up there and uh on

28

00:01:05,670 --> 00:01:03,280

there you're gonna find my youtube

29

00:01:08,149 --> 00:01:05,680

channel twitter facebook all that stuff

30

00:01:09,910 --> 00:01:08,159

and uh i love keeping in touch with the

31

00:01:12,870 --> 00:01:09,920

people that listen to this program so

32

00:01:14,870 --> 00:01:12,880

feel free to write me as much as you

33

00:01:16,070 --> 00:01:14,880

want people think it's just so funny to

34

00:01:18,310 --> 00:01:16,080

me they're like

35

00:01:20,710 --> 00:01:18,320

i know you're busy but i'm like well

36

00:01:22,310 --> 00:01:20,720

aren't we all busy so what just

37

00:01:24,789 --> 00:01:22,320

write me anyways i don't care it's all

38

00:01:26,870 --> 00:01:24,799

good i like i like meeting new people

39

00:01:29,429 --> 00:01:26,880

it's it's fun i want to tell you guys

40

00:01:31,510 --> 00:01:29,439

how you can hear this program most

41

00:01:34,550 --> 00:01:31,520

people listen to this through inception

42

00:01:37,030 --> 00:01:34,560

radio network app so i are an app

43

00:01:38,469 --> 00:01:37,040

get that it's it's awesome it's very

44

00:01:40,550 --> 00:01:38,479

convenient wherever you're at there's

45

00:01:41,510 --> 00:01:40,560

the app

46

00:01:43,190 --> 00:01:41,520

and

47

00:01:46,230 --> 00:01:43,200

you can listen to

48

00:01:49,270 --> 00:01:46,240

this entire network by dialing a simple

49

00:01:55,830 --> 00:01:49,280

number we have a new number so take note

50

00:02:01,789 --> 00:01:57,510

and i welcome you guys to call into the

51  
00:02:04,709 --> 00:02:01,799  
program during our show at any point

52  
00:02:06,630 --> 00:02:04,719  
1-888-919-2355 or go on skype and find

53  
00:02:08,869 --> 00:02:06,640  
inception radio network

54  
00:02:11,110 --> 00:02:08,879  
and uh yes and send your messages on

55  
00:02:13,510 --> 00:02:11,120  
over it's all good or call in but since

56  
00:02:15,270 --> 00:02:13,520  
most of you listen to this show

57  
00:02:17,670 --> 00:02:15,280  
anytime that you want to through that

58  
00:02:19,190 --> 00:02:17,680  
app i know most of you do do that so a

59  
00:02:21,510 --> 00:02:19,200  
lot of people don't listen to this live

60  
00:02:23,350 --> 00:02:21,520  
which is this is fine it's all good oh

61  
00:02:26,229 --> 00:02:23,360  
it's forgiven

62  
00:02:29,750 --> 00:02:26,239  
and you can also join us in

63  
00:02:31,589 --> 00:02:29,760

the fantastic chat room i love the chat

64

00:02:33,910 --> 00:02:31,599

room and there are some cool people oh

65

00:02:36,710 --> 00:02:33,920

my buddy's in there carol's in there

66

00:02:38,869 --> 00:02:36,720

chris is in there russ bonnie oh mj we

67

00:02:41,430 --> 00:02:38,879

know mj he's the one that's the master

68

00:02:44,470 --> 00:02:41,440

behind all this producing tonight as

69

00:02:47,670 --> 00:02:44,480

always a fellow wisconsinite

70

00:02:48,790 --> 00:02:47,680

so i also have to tell you guys now you

71

00:02:52,229 --> 00:02:48,800

know

72

00:02:55,589 --> 00:02:52,239

of most of my shows i do

73

00:02:58,790 --> 00:02:55,599

what is called the outlandish corner

74

00:03:01,030 --> 00:02:58,800

i i swear i swear i am really going to

75

00:03:03,110 --> 00:03:01,040

try to stick to doing it more often but

76

00:03:04,550 --> 00:03:03,120

like i told you when i get fantastic

77

00:03:06,309 --> 00:03:04,560

guests i just know that they're gonna

78

00:03:08,470 --> 00:03:06,319

need more time and tonight is another

79

00:03:10,710 --> 00:03:08,480

one of those nights you won't regret it

80

00:03:12,229 --> 00:03:10,720

trust me but i want to tell you the

81

00:03:14,390 --> 00:03:12,239

outlandish corner

82

00:03:16,309 --> 00:03:14,400

that's where i take all your comments

83

00:03:17,350 --> 00:03:16,319

and questions anything and everything

84

00:03:19,509 --> 00:03:17,360

out of the ordinary that you've

85

00:03:21,190 --> 00:03:19,519

experienced or you just want to chat

86

00:03:23,350 --> 00:03:21,200

about vent

87

00:03:26,750 --> 00:03:23,360

write it to me to

88

00:03:31,350 --> 00:03:26,760

dust outlander at gmail.com that's

89

00:03:33,350 --> 00:03:31,360

d-a-s-s-n-d as david or dog

90

00:03:34,869 --> 00:03:33,360

or you go to my facebook page and send

91

00:03:38,630 --> 00:03:34,879

me a message there

92

00:03:39,830 --> 00:03:38,640

and uh we get to it we get to it so

93

00:03:41,509 --> 00:03:39,840

tonight

94

00:03:42,949 --> 00:03:41,519

what are we going to talk about well i'm

95

00:03:44,949 --> 00:03:42,959

going to have somebody on this program i

96

00:03:47,750 --> 00:03:44,959

have a hat on here for a bit

97

00:03:48,789 --> 00:03:47,760

and it's way overdue so i'm going to do

98

00:03:51,750 --> 00:03:48,799

formal

99

00:03:53,030 --> 00:03:51,760

introductions here okay everybody brace

100

00:03:55,430 --> 00:03:53,040

yourselves

101  
00:03:57,830 --> 00:03:55,440  
lori mcdonald clinical hypno

102  
00:03:59,350 --> 00:03:57,840  
hypnotherapist and extraterrestrial

103  
00:04:02,149 --> 00:03:59,360  
researcher

104  
00:04:04,390 --> 00:04:02,159  
is the owner of true you hypnotherapy is

105  
00:04:07,589 --> 00:04:04,400  
the founder and organizer of the

106  
00:04:08,869 --> 00:04:07,599  
sacramento alien abduction and contact t

107  
00:04:11,350 --> 00:04:08,879  
support group

108  
00:04:13,750 --> 00:04:11,360  
her life's passion has been working with

109  
00:04:15,670 --> 00:04:13,760  
experiencers and helping them gain

110  
00:04:17,830 --> 00:04:15,680  
insight and balance

111  
00:04:20,469 --> 00:04:17,840  
she teaches life skills for self

112  
00:04:22,390 --> 00:04:20,479  
actualization and conducts personal

113  
00:04:24,790 --> 00:04:22,400

empowerment workshops

114

00:04:25,990 --> 00:04:24,800

everybody please give a warm round of

115

00:04:27,510 --> 00:04:26,000

applause and go to trueyou

116

00:04:29,510 --> 00:04:27,520

hypnotherapy.com

117

00:04:31,110 --> 00:04:29,520

warm round of applause for laurie

118

00:04:34,150 --> 00:04:31,120

mcdonald

119

00:04:35,749 --> 00:04:34,160

oh oh my gosh calm down people calm down

120

00:04:37,189 --> 00:04:35,759

laurie's here already hey lori how's it

121

00:04:39,670 --> 00:04:37,199

going

122

00:04:42,070 --> 00:04:39,680

i'm doing great how are you heidi

123

00:04:44,070 --> 00:04:42,080

uh well i think that you're in a a

124

00:04:46,230 --> 00:04:44,080

better corner of the earth than i am

125

00:04:47,670 --> 00:04:46,240

right now please do share

126  
00:04:49,990 --> 00:04:47,680  
what on earth are you doing and where

127  
00:04:53,590 --> 00:04:50,000  
are you

128  
00:04:56,390 --> 00:04:53,600  
right now i'm in pen on pen cambodia

129  
00:04:59,030 --> 00:04:56,400  
that's the capital city um

130  
00:05:01,430 --> 00:04:59,040  
on the ninth floor of a hotel with the

131  
00:05:03,430 --> 00:05:01,440  
most amazing view of the two main rivers

132  
00:05:05,670 --> 00:05:03,440  
thought to run through here

133  
00:05:08,070 --> 00:05:05,680  
i'm taking a breather in the capital

134  
00:05:10,469 --> 00:05:08,080  
city for a couple of days

135  
00:05:11,990 --> 00:05:10,479  
just had some pretty amazing jungle

136  
00:05:12,870 --> 00:05:12,000  
experiences

137  
00:05:15,830 --> 00:05:12,880  
and

138  
00:05:18,790 --> 00:05:15,840

a near-death experience uh doing some

139

00:05:22,550 --> 00:05:18,800

cave investigating uh where we

140

00:05:24,629 --> 00:05:22,560

descended to uh check out a temple that

141

00:05:25,590 --> 00:05:24,639

was you know engraved in the stone and

142

00:05:27,110 --> 00:05:25,600

in fact

143

00:05:29,830 --> 00:05:27,120

it was there

144

00:05:30,950 --> 00:05:29,840

but you know this is cambodia

145

00:05:31,749 --> 00:05:30,960

and

146

00:05:35,510 --> 00:05:31,759

they're

147

00:05:37,749 --> 00:05:35,520

not really up on tourism so when i went

148

00:05:39,590 --> 00:05:37,759

on the back of a motorcycle my husband

149

00:05:41,990 --> 00:05:39,600

and i put the motorcycle on the back

150

00:05:44,710 --> 00:05:42,000

roads and we headed out to this cave

151  
00:05:45,670 --> 00:05:44,720  
that we heard about had this amazing

152  
00:05:48,310 --> 00:05:45,680  
temple

153  
00:05:50,870 --> 00:05:48,320  
and it was related to the hindu religion

154  
00:05:53,830 --> 00:05:50,880  
which of course is related to the

155  
00:05:55,430 --> 00:05:53,840  
ufo phenomena because they were really

156  
00:05:58,230 --> 00:05:55,440  
one of the first religions to talk

157  
00:05:59,590 --> 00:05:58,240  
openly about the melanomas the flying

158  
00:06:02,550 --> 00:05:59,600  
machine

159  
00:06:03,510 --> 00:06:02,560  
so we go down there

160  
00:06:05,909 --> 00:06:03,520  
and

161  
00:06:09,430 --> 00:06:05,919  
now we've got this 16 year old kid who's

162  
00:06:11,830 --> 00:06:09,440  
a guide and he is you know southeast

163  
00:06:15,430 --> 00:06:11,840

asia so it's hot

164

00:06:17,270 --> 00:06:15,440

and muggy and we're dripping wet slick

165

00:06:21,029 --> 00:06:17,280

and he's got us going through these

166

00:06:23,909 --> 00:06:21,039

small holes into the depth of darkness i

167

00:06:26,790 --> 00:06:23,919

heard the gravel fall it took a while

168

00:06:29,189 --> 00:06:26,800

before it hit the water we are free

169

00:06:30,870 --> 00:06:29,199

climbing in the dark

170

00:06:33,590 --> 00:06:30,880

and

171

00:06:37,029 --> 00:06:33,600

it was absolutely terrifying so we

172

00:06:39,670 --> 00:06:37,039

managed to do that and i saw just with

173

00:06:41,749 --> 00:06:39,680

just the smallest amount of light

174

00:06:43,990 --> 00:06:41,759

what was ahead he didn't have a

175

00:06:46,309 --> 00:06:44,000

flashlight i happen to have a small

176  
00:06:47,590 --> 00:06:46,319  
little one in my

177  
00:06:49,830 --> 00:06:47,600  
day bag

178  
00:06:51,350 --> 00:06:49,840  
but uh we backed out of that and ended

179  
00:06:54,309 --> 00:06:51,360  
up going on a

180  
00:06:56,469 --> 00:06:54,319  
just slightly less treacherous

181  
00:07:00,629 --> 00:06:56,479  
way through the cave and

182  
00:07:06,950 --> 00:07:04,629  
carved elephant it was just gigantic and

183  
00:07:08,150 --> 00:07:06,960  
below the legs of the elephant was in

184  
00:07:13,909 --> 00:07:08,160  
stone

185  
00:07:16,469 --> 00:07:13,919  
in meditation

186  
00:07:19,670 --> 00:07:16,479  
so it was really a combination

187  
00:07:22,550 --> 00:07:19,680  
of uh two different

188  
00:07:24,230 --> 00:07:22,560

religions in this particular very hard

189

00:07:27,110 --> 00:07:24,240

to find

190

00:07:29,909 --> 00:07:27,120

temple sites or it was just absolutely

191

00:07:31,830 --> 00:07:29,919

amazing but the reason i'm in asia first

192

00:07:33,670 --> 00:07:31,840

started off in china

193

00:07:36,870 --> 00:07:33,680

and it came through the north of

194

00:07:38,710 --> 00:07:36,880

thailand and i've been in cambodia for i

195

00:07:40,629 --> 00:07:38,720

don't know

196

00:07:42,870 --> 00:07:40,639

two or three weeks maybe not quite that

197

00:07:44,390 --> 00:07:42,880

long i only have a 30-day visa for this

198

00:07:47,189 --> 00:07:44,400

country

199

00:07:48,790 --> 00:07:47,199

but we're here to really investigate

200

00:07:51,749 --> 00:07:48,800

angkor wat

201  
00:07:54,150 --> 00:07:51,759  
it's the crown chakra of the planet i

202  
00:07:56,390 --> 00:07:54,160  
just finished a women's empowerment

203  
00:07:58,869 --> 00:07:56,400  
retreat that's the

204  
00:08:00,270 --> 00:07:58,879  
other website that i have is a

205  
00:08:02,710 --> 00:08:00,280  
feminine

206  
00:08:04,629 --> 00:08:02,720  
goddessretreats.com and i co-facilitate

207  
00:08:07,749 --> 00:08:04,639  
those with holly cook

208  
00:08:09,270 --> 00:08:07,759  
we just did our last one um it ended on

209  
00:08:11,749 --> 00:08:09,280  
the 1st of august

210  
00:08:13,670 --> 00:08:11,759  
in mount shasta which is the root chakra

211  
00:08:16,070 --> 00:08:13,680  
of the planet so i find it pretty

212  
00:08:18,230 --> 00:08:16,080  
interesting that you know within 30 days

213  
00:08:21,589 --> 00:08:18,240

i go from the roots to the crown

214

00:08:24,869 --> 00:08:21,599

but at angkor wat

215

00:08:26,390 --> 00:08:24,879

there's amazing energy there honestly uh

216

00:08:28,309 --> 00:08:26,400

my

217

00:08:31,830 --> 00:08:28,319

head was buzzing

218

00:08:34,389 --> 00:08:31,840

oh frequent buzzing my crown chakra was

219

00:08:35,750 --> 00:08:34,399

buzzing my heart was

220

00:08:36,949 --> 00:08:35,760

totally

221

00:08:39,430 --> 00:08:36,959

buzzing

222

00:08:42,310 --> 00:08:39,440

heart chakra and it was just an amazing

223

00:08:44,870 --> 00:08:42,320

experience it climbed into up every nook

224

00:08:46,550 --> 00:08:44,880

and cranny everywhere that they allowed

225

00:08:48,630 --> 00:08:46,560

us to go and

226

00:08:50,949 --> 00:08:48,640

maybe be honest in a couple of places

227

00:08:53,829 --> 00:08:50,959

where they didn't want us to go

228

00:08:56,070 --> 00:08:53,839

but uh you can definitely feel the

229

00:09:00,070 --> 00:08:56,080

energy change you know the people around

230

00:09:03,829 --> 00:09:00,080

cambodia the main city there is uh

231

00:09:04,870 --> 00:09:03,839

they are very warm and open very fast to

232

00:09:07,430 --> 00:09:04,880

laugh

233

00:09:10,870 --> 00:09:07,440

and point out and it's still an active

234

00:09:13,750 --> 00:09:10,880

uh temple and for what the young monks

235

00:09:14,790 --> 00:09:13,760

are there as well as the older ones

236

00:09:17,030 --> 00:09:14,800

and

237

00:09:19,350 --> 00:09:17,040

they're trying to keep

238

00:09:22,389 --> 00:09:19,360

the energy there so

239

00:09:24,630 --> 00:09:22,399

one of the things about uh achor wat is

240

00:09:26,310 --> 00:09:24,640

when you look at the ley lines of the

241

00:09:28,150 --> 00:09:26,320

planet you know you've seen all of the

242

00:09:30,389 --> 00:09:28,160

energetic lines how they

243

00:09:33,110 --> 00:09:30,399

correlate with say the

244

00:09:36,389 --> 00:09:33,120

egyptian pyramids

245

00:09:38,310 --> 00:09:36,399

well all of the lines end up here right

246

00:09:40,470 --> 00:09:38,320

now

247

00:09:41,269 --> 00:09:40,480

right in this area

248

00:09:44,230 --> 00:09:41,279

um

249

00:09:46,949 --> 00:09:44,240

so amazing totally it really really is

250

00:09:50,550 --> 00:09:46,959

an amazing area the intricacy of these

251  
00:09:53,509 --> 00:09:50,560  
carvings on the temple walls is

252  
00:09:54,949 --> 00:09:53,519  
mind-blowing but even more mind-blowing

253  
00:09:56,870 --> 00:09:54,959  
is the story

254  
00:09:58,870 --> 00:09:56,880  
that they tell and they are clearly

255  
00:10:02,230 --> 00:09:58,880  
depicting

256  
00:10:03,509 --> 00:10:02,240  
the ascension of the soul

257  
00:10:08,710 --> 00:10:03,519  
and the

258  
00:10:11,509 --> 00:10:08,720  
different god coming down and helping

259  
00:10:13,430 --> 00:10:11,519  
them uh to reap that

260  
00:10:15,990 --> 00:10:13,440  
you know they have that all of the all

261  
00:10:18,949 --> 00:10:16,000  
of the temples here have these amazing

262  
00:10:20,870 --> 00:10:18,959  
carvings of the nagas

263  
00:10:23,670 --> 00:10:20,880

and the nagas

264

00:10:27,910 --> 00:10:23,680

really descended originally from the

265

00:10:30,310 --> 00:10:27,920

anunnaki extraterrestrials from nibiru

266

00:10:32,710 --> 00:10:30,320

and then here on the planet after the

267

00:10:35,030 --> 00:10:32,720

division of the brothers

268

00:10:37,750 --> 00:10:35,040

naga went into the water

269

00:10:40,470 --> 00:10:37,760

and there's been an underwater base for

270

00:10:43,910 --> 00:10:40,480

a very long time so how they have these

271

00:10:45,430 --> 00:10:43,920

beautiful naga princesses depicted

272

00:10:47,269 --> 00:10:45,440

are

273

00:10:49,269 --> 00:10:47,279

half death

274

00:10:50,710 --> 00:10:49,279

that is what they look like they look

275

00:10:51,910 --> 00:10:50,720

like mermaids

276

00:10:55,269 --> 00:10:51,920

wow

277

00:10:57,430 --> 00:10:55,279

they look just like our typical image of

278

00:11:00,389 --> 00:10:57,440

a mermaid they have

279

00:11:03,509 --> 00:11:00,399

said to have the ability to

280

00:11:05,110 --> 00:11:03,519

shape-shift and the fact that they teach

281

00:11:07,269 --> 00:11:05,120

is that

282

00:11:09,190 --> 00:11:07,279

buddha's mother

283

00:11:10,550 --> 00:11:09,200

was a naga

284

00:11:13,430 --> 00:11:10,560

princess

285

00:11:14,550 --> 00:11:13,440

and that she upon finding out she was

286

00:11:18,069 --> 00:11:14,560

pregnant

287

00:11:21,590 --> 00:11:18,079

went to a great seer who said you're

288

00:11:24,150 --> 00:11:21,600

carrying um a baby that as a man will be

289

00:11:25,269 --> 00:11:24,160

one of two things he'll be either a

290

00:11:31,910 --> 00:11:25,279

great

291

00:11:33,590 --> 00:11:31,920

of man so this upset the princess

292

00:11:36,949 --> 00:11:33,600

because

293

00:11:39,910 --> 00:11:36,959

she wanted the emperor to in the empire

294

00:11:42,310 --> 00:11:39,920

to continue and she wanted a great ruler

295

00:11:44,470 --> 00:11:42,320

of man that's what she wanted she didn't

296

00:11:45,269 --> 00:11:44,480

but she ended up with of course

297

00:11:47,910 --> 00:11:45,279

prince

298

00:11:51,430 --> 00:11:47,920

siddhartha who became

299

00:11:54,790 --> 00:11:51,440

enlightened and goes by the name buddha

300

00:11:56,949 --> 00:11:54,800

so the the connection between

301  
00:11:58,509 --> 00:11:56,959  
the direct connection

302  
00:12:00,230 --> 00:11:58,519  
between

303  
00:12:04,550 --> 00:12:00,240  
extraterrestrials

304  
00:12:07,110 --> 00:12:04,560  
and buddha for instance is just so clear

305  
00:12:07,990 --> 00:12:07,120  
but because of the way

306  
00:12:09,509 --> 00:12:08,000  
the

307  
00:12:10,870 --> 00:12:09,519  
asian people

308  
00:12:11,910 --> 00:12:10,880  
interpret

309  
00:12:13,750 --> 00:12:11,920  
things

310  
00:12:16,230 --> 00:12:13,760  
they come about it from a different way

311  
00:12:17,750 --> 00:12:16,240  
so they look at you know this naga as a

312  
00:12:20,470 --> 00:12:17,760  
great protector

313  
00:12:23,110 --> 00:12:20,480

and yeah it's protection but the face is

314

00:12:24,629 --> 00:12:23,120

depicted sometimes

315

00:12:27,190 --> 00:12:24,639

as um

316

00:12:28,069 --> 00:12:27,200

they think it looks evil

317

00:12:30,470 --> 00:12:28,079

but

318

00:12:32,069 --> 00:12:30,480

you know that's man's influence right

319

00:12:35,190 --> 00:12:32,079

right they're true keep them on the

320

00:12:39,350 --> 00:12:37,910

so yeah we're looking for uh portals too

321

00:12:41,910 --> 00:12:39,360

i mean

322

00:12:45,030 --> 00:12:41,920

we're i'm very excited about going to

323

00:12:46,790 --> 00:12:45,040

vietnam um i was working with an

324

00:12:49,350 --> 00:12:46,800

experencer

325

00:12:52,069 --> 00:12:49,360

and then had another experience or with

326

00:12:56,790 --> 00:12:52,079

a relatively similar story both

327

00:13:01,030 --> 00:12:59,509

will appreciate this but um they're

328

00:13:04,190 --> 00:13:01,040

vietnam vets

329

00:13:07,750 --> 00:13:04,200

and they served their country in

330

00:13:10,310 --> 00:13:07,760

1968 and 69 and they were near a village

331

00:13:11,990 --> 00:13:10,320

called kamlo in vietnam

332

00:13:14,389 --> 00:13:12,000

and back then

333

00:13:17,190 --> 00:13:14,399

um the vietnamese didn't have the

334

00:13:20,310 --> 00:13:17,200

capability to have

335

00:13:23,030 --> 00:13:20,320

helicopters that were suited for war

336

00:13:24,790 --> 00:13:23,040

that technology just wasn't capable they

337

00:13:28,629 --> 00:13:24,800

had a helicopter but not one that they

338

00:13:31,269 --> 00:13:28,639

could use in war so the code word in the

339

00:13:33,269 --> 00:13:31,279

government in the military for ufo

340

00:13:35,910 --> 00:13:33,279

during vietnam was

341

00:13:37,829 --> 00:13:35,920

enemy helicopter they knew the enemy

342

00:13:40,069 --> 00:13:37,839

didn't really have helicopters so they

343

00:13:42,069 --> 00:13:40,079

said they're seeing an enemy helicopter

344

00:13:43,750 --> 00:13:42,079

that indicated that they were seeing you

345

00:13:47,110 --> 00:13:43,760

know the ufos

346

00:13:51,590 --> 00:13:47,120

so my experience as a marine

347

00:13:53,990 --> 00:13:51,600

and he was sent out on duty one night

348

00:13:55,509 --> 00:13:54,000

away from the rest of the troops down

349

00:13:58,710 --> 00:13:55,519

into the jungle

350

00:14:01,189 --> 00:13:58,720

where his job was to

351  
00:14:04,389 --> 00:14:01,199  
basically secure the line if the enemy

352  
00:14:06,230 --> 00:14:04,399  
were to come forward he would haul

353  
00:14:08,310 --> 00:14:06,240  
his butt back up

354  
00:14:10,949 --> 00:14:08,320  
and let his sergeant know

355  
00:14:13,590 --> 00:14:10,959  
and they would move the line

356  
00:14:14,629 --> 00:14:13,600  
so he gets into the jungle

357  
00:14:16,550 --> 00:14:14,639  
and

358  
00:14:19,509 --> 00:14:16,560  
you know for absolutely no reason he

359  
00:14:21,509 --> 00:14:19,519  
becomes extremely tired so i asked him

360  
00:14:23,750 --> 00:14:21,519  
so did you um

361  
00:14:25,430 --> 00:14:23,760  
like nestle into a tree

362  
00:14:27,670 --> 00:14:25,440  
pull your helmet

363  
00:14:28,949 --> 00:14:27,680

over your head and try to sleep

364

00:14:32,870 --> 00:14:28,959

he said no

365

00:14:35,670 --> 00:14:32,880

i just laid down ear to the jungle

366

00:14:37,590 --> 00:14:35,680

brown and fell asleep

367

00:14:40,389 --> 00:14:37,600

i said

368

00:14:43,509 --> 00:14:40,399

that's a little odd yeah

369

00:14:43,990 --> 00:14:43,519

almost as if you were

370

00:14:46,389 --> 00:14:44,000

he drugged

371

00:14:49,990 --> 00:14:46,399

came across so fast that he just fell

372

00:14:51,350 --> 00:14:50,000

right to the ground and not really

373

00:14:52,470 --> 00:14:51,360

made himself

374

00:14:55,430 --> 00:14:52,480

so anyway

375

00:14:58,150 --> 00:14:55,440

the before he fell asleep he remembers

376

00:14:59,670 --> 00:14:58,160

the battle just raging you know between

377

00:15:01,030 --> 00:14:59,680

these two

378

00:15:03,430 --> 00:15:01,040

uh

379

00:15:05,030 --> 00:15:03,440

hills or small mountains it just went on

380

00:15:06,310 --> 00:15:05,040

all night long

381

00:15:08,150 --> 00:15:06,320

and

382

00:15:09,829 --> 00:15:08,160

the next morning

383

00:15:11,189 --> 00:15:09,839

when he was back

384

00:15:12,629 --> 00:15:11,199

at the base

385

00:15:15,030 --> 00:15:12,639

and the sergeant

386

00:15:18,470 --> 00:15:15,040

had a march to where the battleground

387

00:15:20,790 --> 00:15:18,480

was 150 men about

388

00:15:23,590 --> 00:15:20,800

10 to 15 yards apart

389

00:15:26,470 --> 00:15:23,600

they come around and he sees something

390

00:15:29,590 --> 00:15:26,480

that is beyond paranormal beyond

391

00:15:31,990 --> 00:15:29,600

anomalous he's not sure what he sees

392

00:15:34,710 --> 00:15:32,000

because there's some deception

393

00:15:37,269 --> 00:15:34,720

and a problem

394

00:15:39,509 --> 00:15:37,279

comprehending what's in front of him but

395

00:15:41,189 --> 00:15:39,519

it looked like initially a pyramid the

396

00:15:43,030 --> 00:15:41,199

perfect pyramid

397

00:15:45,670 --> 00:15:43,040

of enemy bodies

398

00:15:47,509 --> 00:15:45,680

with strange mutilation in the sort of

399

00:15:50,470 --> 00:15:47,519

the centers where like

400

00:15:52,389 --> 00:15:50,480

leg feet coming out of mouths and

401  
00:15:54,310 --> 00:15:52,399  
come on really

402  
00:15:55,749 --> 00:15:54,320  
yeah strange things like that but it

403  
00:15:58,629 --> 00:15:55,759  
really wasn't what

404  
00:16:01,110 --> 00:15:58,639  
was there that was more of a

405  
00:16:02,389 --> 00:16:01,120  
you know this is must be what i'm seeing

406  
00:16:03,749 --> 00:16:02,399  
right later

407  
00:16:05,990 --> 00:16:03,759  
found

408  
00:16:07,110 --> 00:16:06,000  
came to the conclusion that what it was

409  
00:16:09,670 --> 00:16:07,120  
was the

410  
00:16:13,110 --> 00:16:09,680  
giant exoskeleton

411  
00:16:14,949 --> 00:16:13,120  
of a huge bug about the size maybe of a

412  
00:16:16,470 --> 00:16:14,959  
volkswagen vehicle

413  
00:16:19,590 --> 00:16:16,480

oh come on

414

00:16:22,949 --> 00:16:19,600

that's for time for me to check out

415

00:16:24,150 --> 00:16:22,959

yeah well then um they involved a

416

00:16:28,550 --> 00:16:24,160

psychic

417

00:16:31,590 --> 00:16:28,560

government had the ability back then in

418

00:16:33,749 --> 00:16:31,600

the 60s to access the second dimension

419

00:16:36,470 --> 00:16:33,759

and that all of the ufos that were seen

420

00:16:38,550 --> 00:16:36,480

during vietnam those ufos were coming

421

00:16:41,829 --> 00:16:38,560

out of the second dimension trying to

422

00:16:43,189 --> 00:16:41,839

protect the portal there in vietnam

423

00:16:45,350 --> 00:16:43,199

and that

424

00:16:47,590 --> 00:16:45,360

that second dimension they're filled

425

00:16:50,550 --> 00:16:47,600

with giants giant everything giant

426  
00:16:53,110 --> 00:16:50,560  
people giant bugs giant everything

427  
00:16:55,910 --> 00:16:53,120  
but the second dimension is gigantic in

428  
00:16:57,430 --> 00:16:55,920  
comparison to the third

429  
00:17:00,389 --> 00:16:57,440  
so i know

430  
00:17:02,629 --> 00:17:00,399  
in with ufology and

431  
00:17:04,150 --> 00:17:02,639  
just receiving information from the

432  
00:17:05,990 --> 00:17:04,160  
experiencers

433  
00:17:07,990 --> 00:17:06,000  
that extraterrestrials have been

434  
00:17:09,669 --> 00:17:08,000  
described as

435  
00:17:12,309 --> 00:17:09,679  
many different things

436  
00:17:14,710 --> 00:17:12,319  
here in southeast asia

437  
00:17:17,669 --> 00:17:14,720  
the way they describe ets

438  
00:17:20,230 --> 00:17:17,679

are very small they say they have

439

00:17:22,710 --> 00:17:20,240

they're like eight centimeters

440

00:17:25,669 --> 00:17:22,720

tall which is a couple of two and a half

441

00:17:26,710 --> 00:17:25,679

three inches or something like that

442

00:17:28,390 --> 00:17:26,720

and

443

00:17:31,430 --> 00:17:28,400

just recently

444

00:17:33,190 --> 00:17:31,440

in the news in afghanistan uh the coal

445

00:17:36,630 --> 00:17:33,200

miners dug up

446

00:17:40,150 --> 00:17:36,640

uh very small like 18 to 20 inch in

447

00:17:44,150 --> 00:17:40,160

diameter or 24 inches in diameter a

448

00:17:47,990 --> 00:17:46,549

did you see that in the headline i i did

449

00:17:49,990 --> 00:17:48,000

yes yeah

450

00:17:51,750 --> 00:17:50,000

that's amazing

451  
00:17:54,630 --> 00:17:51,760  
right and i believe that they tested the

452  
00:17:58,549 --> 00:17:54,640  
metal on it as tongan which is a metal

453  
00:18:01,029 --> 00:17:58,559  
that the nasa uses on ships that go into

454  
00:18:02,230 --> 00:18:01,039  
or close to radiation belts in outer

455  
00:18:06,470 --> 00:18:02,240  
space

456  
00:18:09,270 --> 00:18:06,480  
so there's quite a coincidence there

457  
00:18:10,630 --> 00:18:09,280  
but i would say so you know i recently i

458  
00:18:13,350 --> 00:18:10,640  
had joshua

459  
00:18:16,150 --> 00:18:13,360  
warren on here speaking of a

460  
00:18:17,990 --> 00:18:16,160  
small ufos being associated with the

461  
00:18:21,750 --> 00:18:18,000  
puerto rican culture

462  
00:18:24,070 --> 00:18:21,760  
uh the natives that are from there uh

463  
00:18:26,710 --> 00:18:24,080

i can't recall it that taino indians or

464

00:18:29,190 --> 00:18:26,720

something i i believe and

465

00:18:31,350 --> 00:18:29,200

these small craft are

466

00:18:34,230 --> 00:18:31,360

depicted and he's been able to catch

467

00:18:36,870 --> 00:18:34,240

capture some on video so

468

00:18:39,190 --> 00:18:36,880

and we're the giants to them

469

00:18:41,029 --> 00:18:39,200

yeah yeah that's wild

470

00:18:43,590 --> 00:18:41,039

it's wild right so

471

00:18:46,470 --> 00:18:43,600

yeah very wild that yeah now we're the

472

00:18:49,110 --> 00:18:46,480

giants but here um

473

00:18:50,549 --> 00:18:49,120

they describe uh beings

474

00:18:53,430 --> 00:18:50,559

that they see

475

00:18:54,390 --> 00:18:53,440

that sound well that are gin they call

476  
00:18:57,110 --> 00:18:54,400  
them

477  
00:18:58,789 --> 00:18:57,120  
which are very similar to

478  
00:19:00,230 --> 00:18:58,799  
gray aliens

479  
00:19:01,830 --> 00:19:00,240  
in behavior

480  
00:19:02,710 --> 00:19:01,840  
and height

481  
00:19:04,549 --> 00:19:02,720  
and

482  
00:19:06,150 --> 00:19:04,559  
i guess some of the feelings that are

483  
00:19:10,789 --> 00:19:06,160  
associated you know

484  
00:19:15,270 --> 00:19:13,350  
a person can have overcome them when

485  
00:19:17,909 --> 00:19:15,280  
they're around these beings but yeah

486  
00:19:20,230 --> 00:19:17,919  
there's just so much going on here um

487  
00:19:21,830 --> 00:19:20,240  
you know we're partly here to

488  
00:19:24,070 --> 00:19:21,840

investigate the

489

00:19:26,470 --> 00:19:24,080

vietnam incident and be in vietnam in

490

00:19:28,230 --> 00:19:26,480

about a week and a half and a couple of

491

00:19:30,070 --> 00:19:28,240

days i'm heading up

492

00:19:32,070 --> 00:19:30,080

into the mountains

493

00:19:34,549 --> 00:19:32,080

here to uh an

494

00:19:36,630 --> 00:19:34,559

elephant sanctuary to where you know

495

00:19:38,950 --> 00:19:36,640

there's only 68 elephants left in

496

00:19:40,710 --> 00:19:38,960

cambodia

497

00:19:42,710 --> 00:19:40,720

oh wow

498

00:19:44,549 --> 00:19:42,720

you'll be mistreated and

499

00:19:46,789 --> 00:19:44,559

ridden to death and

500

00:19:49,350 --> 00:19:46,799

so forth so uh

501  
00:19:51,510 --> 00:19:49,360  
not treated very respectfully but

502  
00:19:54,150 --> 00:19:51,520  
there's this amazing sanctuary and we're

503  
00:19:56,789 --> 00:19:54,160  
going to uh help take care of them we

504  
00:19:58,470 --> 00:19:56,799  
get to swim with them and bathe them and

505  
00:19:59,590 --> 00:19:58,480  
i'm sure there'll be a lot of crap

506  
00:20:02,310 --> 00:19:59,600  
shoveling

507  
00:20:06,150 --> 00:20:02,320  
well you know it sounds so rough lori i

508  
00:20:09,590 --> 00:20:06,160  
think i should come and take your place

509  
00:20:12,549 --> 00:20:09,600  
like my goodness that that sounds

510  
00:20:14,870 --> 00:20:12,559  
fantastic except for your your uh

511  
00:20:16,710 --> 00:20:14,880  
your near-death experience

512  
00:20:19,270 --> 00:20:16,720  
that's crazy so

513  
00:20:21,990 --> 00:20:19,280

and of all the things too we were on the

514

00:20:23,990 --> 00:20:22,000

island of um

515

00:20:27,830 --> 00:20:24,000

uh kong

516

00:20:30,870 --> 00:20:27,840

tobiang and the gulf of siam and

517

00:20:32,950 --> 00:20:30,880

had to cut through the jungle to get to

518

00:20:36,149 --> 00:20:32,960

where we were going we had a destination

519

00:20:37,830 --> 00:20:36,159

and there was a partial path not marked

520

00:20:39,590 --> 00:20:37,840

very well at all

521

00:20:42,470 --> 00:20:39,600

we're traipsing through here the

522

00:20:45,590 --> 00:20:42,480

jungle's just so loud you know

523

00:20:48,630 --> 00:20:45,600

amazing sounds and bird crawling

524

00:20:51,270 --> 00:20:48,640

back and forth high in the trees and

525

00:20:53,430 --> 00:20:51,280

going up the path and

526  
00:20:55,909 --> 00:20:53,440  
there's a ant hill

527  
00:20:57,110 --> 00:20:55,919  
about three feet tall

528  
00:21:02,950 --> 00:20:57,120  
and

529  
00:21:04,470 --> 00:21:02,960  
like oh no i'm getting flashes of

530  
00:21:07,110 --> 00:21:04,480  
indiana jones

531  
00:21:08,950 --> 00:21:07,120  
when they grabbed that comrade and

532  
00:21:10,710 --> 00:21:08,960  
pulled them through the andhole they all

533  
00:21:13,750 --> 00:21:10,720  
you see coming down or his boots

534  
00:21:15,830 --> 00:21:13,760  
disappear and i like do not like that

535  
00:21:18,549 --> 00:21:15,840  
many ants

536  
00:21:20,630 --> 00:21:18,559  
oh my gosh i couldn't imagine seeing

537  
00:21:23,190 --> 00:21:20,640  
something like that that's uh

538  
00:21:26,710 --> 00:21:23,200

yeah yeah that's had to pass a couple of

539

00:21:30,149 --> 00:21:26,720

those and and step over them and

540

00:21:31,750 --> 00:21:30,159

you know i had a dress on that's like no

541

00:21:34,390 --> 00:21:31,760

i'm not dressed

542

00:21:37,510 --> 00:21:34,400

appropriately for this

543

00:21:38,789 --> 00:21:37,520

oh my gosh yeah no

544

00:21:41,590 --> 00:21:38,799

i don't know if i would have packed a

545

00:21:42,470 --> 00:21:41,600

dress for such a trip my goodness

546

00:21:46,390 --> 00:21:42,480

well

547

00:21:49,270 --> 00:21:46,400

it's just so hot right

548

00:21:50,630 --> 00:21:49,280

yeah it's so hot that anything really

549

00:21:53,590 --> 00:21:50,640

touching

550

00:21:57,270 --> 00:21:53,600

uh is irritating i i mean i'm i'm much

551  
00:21:58,789 --> 00:21:57,280  
better um acclimated at this point but

552  
00:22:01,110 --> 00:21:58,799  
uh

553  
00:22:04,070 --> 00:22:01,120  
yeah and last night

554  
00:22:05,830 --> 00:22:04,080  
the sky you know i've seen chemtrails uh

555  
00:22:07,029 --> 00:22:05,840  
two or three times since i've been in

556  
00:22:10,789 --> 00:22:07,039  
phenom pen

557  
00:22:14,070 --> 00:22:10,799  
saw them once in thailand and so last

558  
00:22:17,110 --> 00:22:14,080  
night after or yesterday

559  
00:22:19,430 --> 00:22:17,120  
after noticing uh some chemtrails and

560  
00:22:21,510 --> 00:22:19,440  
then some of the little harpy

561  
00:22:25,750 --> 00:22:21,520  
waves that you see

562  
00:22:29,190 --> 00:22:25,760  
the sky opened up and just exploded with

563  
00:22:31,990 --> 00:22:29,200

thunder and lightning and it rained and

564

00:22:33,830 --> 00:22:32,000

rained all through the night and so it's

565

00:22:35,350 --> 00:22:33,840

morning here now

566

00:22:36,630 --> 00:22:35,360

and it's uh

567

00:22:44,310 --> 00:22:36,640

steamy

568

00:22:46,789 --> 00:22:45,430

it's surprising to hear about the

569

00:22:48,710 --> 00:22:46,799

chemtrails

570

00:22:50,710 --> 00:22:48,720

even that far over that's something i

571

00:22:52,630 --> 00:22:50,720

have not looked into to see

572

00:22:56,470 --> 00:22:52,640

how widespread

573

00:22:58,149 --> 00:22:56,480

this is and that that horrific disorder

574

00:23:00,310 --> 00:22:58,159

oh gosh what is that called that goes

575

00:23:03,590 --> 00:23:00,320

along with it where the wires are

576

00:23:05,350 --> 00:23:03,600

coming out of people's skin yes and uh

577

00:23:07,270 --> 00:23:05,360

you know it's like i i wonder how

578

00:23:10,230 --> 00:23:07,280

consistent it is in other countries to

579

00:23:12,789 --> 00:23:10,240

experience that mcgowan's disease

580

00:23:15,270 --> 00:23:12,799

well um that's actually

581

00:23:17,909 --> 00:23:15,280

a good thought yeah the chemtrails

582

00:23:19,909 --> 00:23:17,919

haven't been nearly as obvious and i

583

00:23:23,029 --> 00:23:19,919

look everywhere i go

584

00:23:25,590 --> 00:23:23,039

and i was so happy uh

585

00:23:28,789 --> 00:23:25,600

i've been here about uh

586

00:23:29,750 --> 00:23:28,799

uh five weeks or so i said we started in

587

00:23:32,549 --> 00:23:29,760

china

588

00:23:34,789 --> 00:23:32,559

and then came through thailand and then

589

00:23:36,789 --> 00:23:34,799

when i'm done with vietnam where we'll

590

00:23:39,029 --> 00:23:36,799

be exploring another cave this is a

591

00:23:41,669 --> 00:23:39,039

relatively cool

592

00:23:43,029 --> 00:23:41,679

cave because it's probably the

593

00:23:44,870 --> 00:23:43,039

largest

594

00:23:48,630 --> 00:23:44,880

unexplored

595

00:23:53,190 --> 00:23:48,640

area in the world um this entrant to

596

00:23:55,190 --> 00:23:53,200

this cave was found by some farmer and

597

00:23:58,230 --> 00:23:55,200

he got a hold of these archaeologists

598

00:24:00,390 --> 00:23:58,240

and by the time they got to vietnam

599

00:24:03,430 --> 00:24:00,400

he couldn't find it again

600

00:24:05,909 --> 00:24:03,440

and then so six or seven years go by

601  
00:24:08,549 --> 00:24:05,919  
and he's out in the jungle

602  
00:24:10,630 --> 00:24:08,559  
and he sees it the opening again and he

603  
00:24:12,630 --> 00:24:10,640  
finds it and he marks it and he gets

604  
00:24:14,710 --> 00:24:12,640  
these archaeologists back

605  
00:24:17,990 --> 00:24:14,720  
and now it's an

606  
00:24:20,470 --> 00:24:18,000  
uh it's another world it's an entire

607  
00:24:22,789 --> 00:24:20,480  
other world through there they have

608  
00:24:25,190 --> 00:24:22,799  
their own ecology they have their own

609  
00:24:28,630 --> 00:24:25,200  
monkeys they have their own river

610  
00:24:31,750 --> 00:24:28,640  
it is inside of down into the cave opens

611  
00:24:33,510 --> 00:24:31,760  
up into a second world it's almost like

612  
00:24:35,190 --> 00:24:33,520  
russian dolls so

613  
00:24:38,230 --> 00:24:35,200

it's um

614

00:24:41,990 --> 00:24:38,240

that it's not on the tourist track it

615

00:24:44,310 --> 00:24:42,000

has very little exposure um

616

00:24:46,549 --> 00:24:44,320

so that's definitely going to be a

617

00:24:48,470 --> 00:24:46,559

highlight to investigate that wow makes

618

00:24:50,789 --> 00:24:48,480

me think of land of the lost you know

619

00:24:52,549 --> 00:24:50,799

flea stacks and all

620

00:24:54,950 --> 00:24:52,559

turn it to the center of the earth or

621

00:24:57,430 --> 00:24:54,960

something good it does kind of feel like

622

00:24:59,430 --> 00:24:57,440

that you know oh and so one of the

623

00:25:02,070 --> 00:24:59,440

things that i'm doing you know as a

624

00:25:05,269 --> 00:25:02,080

extraterrestrial researcher my research

625

00:25:07,350 --> 00:25:05,279

has really confused me

626  
00:25:10,390 --> 00:25:07,360  
in the last year

627  
00:25:12,390 --> 00:25:10,400  
oh please do tell we got a few minutes

628  
00:25:15,909 --> 00:25:12,400  
to break but let's do it

629  
00:25:17,029 --> 00:25:15,919  
oh it confused me where um you know i'm

630  
00:25:18,950 --> 00:25:17,039  
really

631  
00:25:21,830 --> 00:25:18,960  
very calculated in

632  
00:25:25,029 --> 00:25:21,840  
creating commonalities and and putting

633  
00:25:27,430 --> 00:25:25,039  
it together very scientifically but

634  
00:25:29,510 --> 00:25:27,440  
but now i i'm beginning to think that a

635  
00:25:31,669 --> 00:25:29,520  
lot of the beings that are described

636  
00:25:33,750 --> 00:25:31,679  
aren't so much extraterrestrial that

637  
00:25:37,590 --> 00:25:33,760  
they're interdimensional that there's a

638  
00:25:40,149 --> 00:25:37,600

lot more portals between the dimensions

639

00:25:42,230 --> 00:25:40,159

or even parallel universes than people

640

00:25:45,190 --> 00:25:42,240

might realize i've been really looking

641

00:25:48,230 --> 00:25:45,200

into the new m theory and physics which

642

00:25:52,789 --> 00:25:48,240

does the unification of quantum physics

643

00:25:55,110 --> 00:25:52,799

and string theories creating the 100

644

00:25:59,029 --> 00:25:55,120

probability that there are parallel

645

00:26:03,190 --> 00:26:00,549

as you can see

646

00:26:05,990 --> 00:26:03,200

that kind of changes things the parallel

647

00:26:07,269 --> 00:26:06,000

universe is still in the third dimension

648

00:26:10,470 --> 00:26:07,279

then it's coming from the third

649

00:26:12,310 --> 00:26:10,480

dimension laws of physics and so forth

650

00:26:14,710 --> 00:26:12,320

so i'm not sure how much interaction

651  
00:26:17,350 --> 00:26:14,720  
we're supposed to be having with

652  
00:26:18,310 --> 00:26:17,360  
parallel universes because i believe

653  
00:26:21,269 --> 00:26:18,320  
that the

654  
00:26:25,110 --> 00:26:21,279  
purpose is for ascension moving up into

655  
00:26:27,590 --> 00:26:25,120  
the fourth and fifth dimension

656  
00:26:29,510 --> 00:26:27,600  
third dimension and exploring the

657  
00:26:30,470 --> 00:26:29,520  
multitude of them

658  
00:26:32,710 --> 00:26:30,480  
so

659  
00:26:36,149 --> 00:26:32,720  
you know it's

660  
00:26:40,149 --> 00:26:36,159  
it's got me thinking that a lot of what

661  
00:26:41,750 --> 00:26:40,159  
people might be thinking of as ufos or

662  
00:26:43,029 --> 00:26:41,760  
are not

663  
00:26:46,710 --> 00:26:43,039

that they're coming from another

664

00:26:48,710 --> 00:26:46,720

dimension not so much uh out in space

665

00:26:50,149 --> 00:26:48,720

they passed the virgo cluster on the

666

00:26:52,710 --> 00:26:50,159

other side of the milky way or in a

667

00:26:54,149 --> 00:26:52,720

different galaxy far far away and

668

00:26:55,669 --> 00:26:54,159

although that's

669

00:26:58,230 --> 00:26:55,679

very possible

670

00:26:59,110 --> 00:26:58,240

too and i do believe that there is life

671

00:27:01,350 --> 00:26:59,120

out there

672

00:27:03,909 --> 00:27:01,360

yeah i think that the interaction is

673

00:27:06,390 --> 00:27:03,919

with the inter-dimensionals

674

00:27:08,149 --> 00:27:06,400

that you know i think that that's

675

00:27:09,750 --> 00:27:08,159

always played a pretty large role when

676  
00:27:12,549 --> 00:27:09,760  
these things could go through the walls

677  
00:27:15,269 --> 00:27:12,559  
the so-called alien entities and and

678  
00:27:17,750 --> 00:27:15,279  
i've got a interesting thought for you

679  
00:27:19,350 --> 00:27:17,760  
that was told to me by an alien being

680  
00:27:21,510 --> 00:27:19,360  
that i had a lot of contact with while i

681  
00:27:23,590 --> 00:27:21,520  
was in college named kath

682  
00:27:24,950 --> 00:27:23,600  
and he essentially said close your eyes

683  
00:27:26,310 --> 00:27:24,960  
i'm like okay

684  
00:27:28,470 --> 00:27:26,320  
it's like and

685  
00:27:31,430 --> 00:27:28,480  
imagine the room that you're in

686  
00:27:32,870 --> 00:27:31,440  
and any corner any spot that you have a

687  
00:27:35,350 --> 00:27:32,880  
hard time

688  
00:27:39,669 --> 00:27:35,360

mentally imagining

689

00:27:42,870 --> 00:27:39,679

those are access points all these can be

690

00:27:45,750 --> 00:27:42,880

essentially portals because our minds

691

00:27:47,990 --> 00:27:45,760

can't fully encompass that area of the

692

00:27:50,149 --> 00:27:48,000

room that you're trying to focus on it

693

00:27:52,070 --> 00:27:50,159

was it was just like well that's too

694

00:27:54,149 --> 00:27:52,080

many you know because my brain my

695

00:27:56,070 --> 00:27:54,159

imagination holding in my mind is is

696

00:27:57,830 --> 00:27:56,080

just not the best anyways but

697

00:27:59,269 --> 00:27:57,840

yeah just food for thought before we go

698

00:28:00,389 --> 00:27:59,279

to break here uh you guys you're

699

00:28:05,190 --> 00:28:00,399

listening to me heidi house the

700

00:28:09,110 --> 00:28:06,950

welcome back everybody you're listening

701  
00:28:10,549 --> 00:28:09,120  
to me heidi hollis the outlander

702  
00:28:12,230 --> 00:28:10,559  
remembering always if it's weird we're

703  
00:28:14,389 --> 00:28:12,240  
here and that's why lori is here i'm

704  
00:28:17,750 --> 00:28:14,399  
just kidding

705  
00:28:20,470 --> 00:28:17,760  
hey glory i got laurie mcdonald and uh

706  
00:28:22,630 --> 00:28:20,480  
she's having some fun just globe

707  
00:28:25,670 --> 00:28:22,640  
trotting literally near death

708  
00:28:27,590 --> 00:28:25,680  
experiencing though i wish she would not

709  
00:28:29,430 --> 00:28:27,600  
[Laughter]

710  
00:28:31,110 --> 00:28:29,440  
explore safely

711  
00:28:34,389 --> 00:28:31,120  
but uh we were talking about

712  
00:28:36,630 --> 00:28:34,399  
interdimensional beings and uh how that

713  
00:28:39,029 --> 00:28:36,640

plays a major role when it comes to

714

00:28:40,230 --> 00:28:39,039

these alien beings so-called alien

715

00:28:43,669 --> 00:28:40,240

beings and

716

00:28:46,870 --> 00:28:43,679

and you know there's a lot of talk of uh

717

00:28:49,350 --> 00:28:46,880

bigfoot like creatures being able to

718

00:28:51,269 --> 00:28:49,360

disappear on a dime and and

719

00:28:53,029 --> 00:28:51,279

i can't help but to think that these

720

00:28:55,669 --> 00:28:53,039

just happen to be interdimensional

721

00:28:57,350 --> 00:28:55,679

beings that really dig our forests but

722

00:29:00,070 --> 00:28:57,360

never poop in them or something because

723

00:29:01,830 --> 00:29:00,080

we sure don't find that or their bodies

724

00:29:03,029 --> 00:29:01,840

i mean

725

00:29:05,110 --> 00:29:03,039

i don't know how are they doing this

726

00:29:07,350 --> 00:29:05,120

stuff you know

727

00:29:09,750 --> 00:29:07,360

yeah i think that they can they have the

728

00:29:12,149 --> 00:29:09,760

ability to slip in between dimensions

729

00:29:14,950 --> 00:29:12,159

they know how to use that part of the

730

00:29:17,269 --> 00:29:14,960

frequency you know that the bigfoot and

731

00:29:18,310 --> 00:29:17,279

sasquatches and yetis and you know

732

00:29:20,310 --> 00:29:18,320

they're all

733

00:29:21,830 --> 00:29:20,320

higher dimensional toilets i think we

734

00:29:24,230 --> 00:29:21,840

need interdimensional toilets if they

735

00:29:26,310 --> 00:29:24,240

have that that technology the bigfoot

736

00:29:28,389 --> 00:29:26,320

need to share it that's honestly let me

737

00:29:30,789 --> 00:29:28,399

let me just talk to you about a toilet

738

00:29:33,750 --> 00:29:30,799

for a second and then we'll

739

00:29:34,870 --> 00:29:33,760

listen they got the squat toilets here

740

00:29:37,590 --> 00:29:34,880

oh no

741

00:29:40,710 --> 00:29:37,600

these are this is this is a near-death

742

00:29:43,110 --> 00:29:40,720

experience i oh more like i'm a natural

743

00:29:45,669 --> 00:29:43,120

disaster

744

00:29:47,750 --> 00:29:45,679

i i tried to use one of those squat

745

00:29:49,590 --> 00:29:47,760

toilets you know they have like the foot

746

00:29:51,830 --> 00:29:49,600

groove for you to go in and then you

747

00:29:55,029 --> 00:29:51,840

just like drop down as far as you can

748

00:29:57,750 --> 00:29:55,039

possibly go yeah there's nothing to hold

749

00:29:59,750 --> 00:29:57,760

on to right so basically you know you

750

00:30:02,710 --> 00:29:59,760

got one hand holding your clothes up

751

00:30:04,710 --> 00:30:02,720

over your head you're balancing i'm

752

00:30:07,430 --> 00:30:04,720

looking for like toilet paper they don't

753

00:30:09,669 --> 00:30:07,440

supply that in my pocket i'm like oh my

754

00:30:12,070 --> 00:30:09,679

god how am i going to get to that i'm

755

00:30:15,990 --> 00:30:12,080

slipping on this thing there's it was

756

00:30:19,350 --> 00:30:16,000

like i do not understand how they can do

757

00:30:21,269 --> 00:30:19,360

those squat toilets but so now i uh

758

00:30:23,510 --> 00:30:21,279

there's they say that most places will

759

00:30:24,630 --> 00:30:23,520

have at least one they call them western

760

00:30:26,710 --> 00:30:24,640

toilets

761

00:30:29,029 --> 00:30:26,720

so that that's right

762

00:30:31,830 --> 00:30:29,039

my question is does anybody get bad

763

00:30:35,029 --> 00:30:31,840

knees in their countries i was in egypt

764

00:30:38,950 --> 00:30:35,039

and a beautiful porcelain hole in the

765

00:30:41,990 --> 00:30:38,960

floor and a hose a hose to

766

00:30:45,029 --> 00:30:42,000

dab yourself with i was like

767

00:30:47,029 --> 00:30:45,039

you've got to be kidding me

768

00:30:48,870 --> 00:30:47,039

that's what the hose is for to hose

769

00:30:50,470 --> 00:30:48,880

yourself off clean

770

00:30:52,470 --> 00:30:50,480

muslims practice that here in this

771

00:30:55,029 --> 00:30:52,480

country too they use like what looks

772

00:30:55,909 --> 00:30:55,039

like a kitchen sprayer hand sprayer

773

00:30:57,990 --> 00:30:55,919

thing

774

00:31:01,350 --> 00:30:58,000

they'll use toilet paper

775

00:31:05,110 --> 00:31:01,360

yep spray it spray away

776

00:31:09,269 --> 00:31:05,120

some pressure baby that's harsh um i i

777

00:31:13,110 --> 00:31:10,630

all i could tell you is i almost

778

00:31:14,950 --> 00:31:13,120

collapsed into the toilet and i was

779

00:31:18,470 --> 00:31:14,960

soaked

780

00:31:20,710 --> 00:31:18,480

afterwards i hear you that's

781

00:31:23,669 --> 00:31:20,720

like a natural disaster

782

00:31:26,549 --> 00:31:23,679

barely averted

783

00:31:27,510 --> 00:31:26,559

oh i feel you're a pain i i feel you

784

00:31:29,750 --> 00:31:27,520

yeah

785

00:31:30,870 --> 00:31:29,760

people don't understand until you're met

786

00:31:33,830 --> 00:31:30,880

with that

787

00:31:37,269 --> 00:31:33,840

surprise like what is that

788

00:31:39,909 --> 00:31:37,279

luckily i do yoga but i thought many

789

00:31:43,830 --> 00:31:39,919

girlfriends i know would never be able

790

00:31:45,830 --> 00:31:43,840

to get back up out of that position

791

00:31:47,750 --> 00:31:45,840

a bad knee here or there somebody's got

792

00:31:49,909 --> 00:31:47,760

to get arthritis in those countries and

793

00:31:52,950 --> 00:31:49,919

somebody can't do it i don't know what

794

00:31:55,430 --> 00:31:52,960

they're doing that's just just wild i

795

00:31:57,110 --> 00:31:55,440

don't know um

796

00:31:59,029 --> 00:31:57,120

you know

797

00:32:04,070 --> 00:31:59,039

you were in good university and you're

798

00:32:09,029 --> 00:32:05,750

telling you about where to look for the

799

00:32:12,870 --> 00:32:09,039

portal in the line calf calf um no in

800

00:32:14,710 --> 00:32:12,880

any room any any room that you cannot

801  
00:32:16,310 --> 00:32:14,720  
keep uh

802  
00:32:18,470 --> 00:32:16,320  
when you close your eyes and try to

803  
00:32:20,789 --> 00:32:18,480  
imagine the room that you're in

804  
00:32:23,029 --> 00:32:20,799  
and explore the room in any any part of

805  
00:32:25,430 --> 00:32:23,039  
the room that you aren't able to keep in

806  
00:32:27,350 --> 00:32:25,440  
your mind well enough that that is a

807  
00:32:30,470 --> 00:32:27,360  
susceptible portal like each of those

808  
00:32:33,269 --> 00:32:30,480  
spots could be an entry point

809  
00:32:36,310 --> 00:32:33,279  
well the same applies to your body

810  
00:32:38,149 --> 00:32:36,320  
it's one of the teachings of the pasna

811  
00:32:39,590 --> 00:32:38,159  
of vapasana

812  
00:32:41,909 --> 00:32:39,600  
meditation

813  
00:32:43,430 --> 00:32:41,919

where you do anywhere three seven or ten

814

00:32:47,110 --> 00:32:43,440

days at a time with

815

00:32:49,590 --> 00:32:47,120

very little speaking and the idea is the

816

00:32:51,110 --> 00:32:49,600

same thing but to move into the mind and

817

00:32:54,389 --> 00:32:51,120

you scan

818

00:32:57,830 --> 00:32:54,399

from the top of the mind body

819

00:32:59,909 --> 00:32:57,840

down every every little centimeter

820

00:33:02,630 --> 00:32:59,919

atom molecule

821

00:33:04,310 --> 00:33:02,640

through the entire body feeling for

822

00:33:06,549 --> 00:33:04,320

different things you'll feel

823

00:33:10,230 --> 00:33:06,559

tightness or you'll feel a block or

824

00:33:11,669 --> 00:33:10,240

you'll feel an expansiveness

825

00:33:13,430 --> 00:33:11,679

and that

826  
00:33:14,789 --> 00:33:13,440  
offensiveness

827  
00:33:16,549 --> 00:33:14,799  
is

828  
00:33:19,509 --> 00:33:16,559  
when now the mind

829  
00:33:22,310 --> 00:33:19,519  
leads or the spirit leaves the body

830  
00:33:23,830 --> 00:33:22,320  
and you're actually outside

831  
00:33:26,789 --> 00:33:23,840  
of your body

832  
00:33:30,149 --> 00:33:26,799  
viewing it now i did spend five years

833  
00:33:34,630 --> 00:33:30,159  
learning from vietnamese monks on

834  
00:33:37,350 --> 00:33:34,640  
meditation after 12 years as a meditator

835  
00:33:40,630 --> 00:33:37,360  
i started experiencing

836  
00:33:42,630 --> 00:33:40,640  
out-of-body problems at the second i

837  
00:33:45,110 --> 00:33:42,640  
would move into meditation it only took

838  
00:33:47,029 --> 00:33:45,120

me a second to slip from one state of

839

00:33:47,750 --> 00:33:47,039

consciousness to the next because i've

840

00:33:51,990 --> 00:33:47,760

been

841

00:33:54,230 --> 00:33:52,000

12 years daily now i'm going on 38. 38

842

00:33:59,909 --> 00:33:54,240

and

843

00:34:02,549 --> 00:33:59,919

right out of my body in the in there i

844

00:34:04,549 --> 00:34:02,559

would be standing i would first be

845

00:34:05,669 --> 00:34:04,559

sitting and i would stand up and see

846

00:34:07,190 --> 00:34:05,679

myself

847

00:34:09,750 --> 00:34:07,200

sitting there

848

00:34:12,149 --> 00:34:09,760

eyes closed i could walk around either

849

00:34:14,149 --> 00:34:12,159

my backyard my house or the temple

850

00:34:16,470 --> 00:34:14,159

wherever i was meditating

851  
00:34:19,829 --> 00:34:16,480  
and and then i would be like where am i

852  
00:34:22,310 --> 00:34:19,839  
supposed to go how far my can i go why

853  
00:34:25,270 --> 00:34:22,320  
am i doing this and then

854  
00:34:27,430 --> 00:34:25,280  
i i rattled off so many questions in my

855  
00:34:30,869 --> 00:34:27,440  
own head that that night when i was

856  
00:34:33,190 --> 00:34:30,879  
asleep i dreamed of this temple and the

857  
00:34:36,869 --> 00:34:33,200  
next morning after dropping my boy off

858  
00:34:39,909 --> 00:34:36,879  
at school i drove out to the countryside

859  
00:34:41,990 --> 00:34:39,919  
in sacramento i went down this road i'd

860  
00:34:44,710 --> 00:34:42,000  
never driven down before and just was

861  
00:34:46,230 --> 00:34:44,720  
driving and there was the temple

862  
00:34:49,909 --> 00:34:46,240  
i couldn't believe it

863  
00:34:52,550 --> 00:34:49,919

i parked the car got out of it the big

864

00:34:54,069 --> 00:34:52,560

iron gates were only partly open and two

865

00:34:55,270 --> 00:34:54,079

female monks

866

00:34:57,510 --> 00:34:55,280

stood there

867

00:34:59,109 --> 00:34:57,520

i walked up to them and they said how

868

00:35:01,190 --> 00:34:59,119

did you know about us

869

00:35:04,310 --> 00:35:01,200

and i said i dreamed you

870

00:35:06,950 --> 00:35:04,320

and they opened the gates and

871

00:35:09,109 --> 00:35:06,960

motioned for me to come through

872

00:35:10,150 --> 00:35:09,119

and they began pointing at the top of my

873

00:35:11,109 --> 00:35:10,160

head

874

00:35:13,510 --> 00:35:11,119

which

875

00:35:15,829 --> 00:35:13,520

i had a

876

00:35:17,430 --> 00:35:15,839

well what they later told me was my i

877

00:35:19,910 --> 00:35:17,440

was wearing my hair

878

00:35:21,990 --> 00:35:19,920

in the initiates fun

879

00:35:24,150 --> 00:35:22,000

that the hair is pulled away from the

880

00:35:26,069 --> 00:35:24,160

face and coiled at the crown chakra and

881

00:35:27,430 --> 00:35:26,079

pinned but i wore my hair like that

882

00:35:30,630 --> 00:35:27,440

because

883

00:35:32,310 --> 00:35:30,640

it was just always in my face and uh i

884

00:35:34,950 --> 00:35:32,320

didn't wear my hair like that when i

885

00:35:37,270 --> 00:35:34,960

meditated also and it was still like

886

00:35:38,870 --> 00:35:37,280

that when i arrived at the temple it was

887

00:35:40,150 --> 00:35:38,880

just the way i wore my hair most of the

888

00:35:41,670 --> 00:35:40,160

time not

889

00:35:44,310 --> 00:35:41,680

nothing fancy

890

00:35:46,790 --> 00:35:44,320

but uh that really intrigued them and

891

00:35:49,910 --> 00:35:46,800

and for the next uh just under five

892

00:35:53,589 --> 00:35:49,920

years uh i would go daily

893

00:35:57,030 --> 00:35:53,599

and i took all of my lessons in buddhism

894

00:35:58,630 --> 00:35:57,040

in vietnamese at that temple and the

895

00:36:01,030 --> 00:35:58,640

master

896

00:36:01,750 --> 00:36:01,040

was just amazing

897

00:36:04,630 --> 00:36:01,760

and

898

00:36:05,670 --> 00:36:04,640

did lots of dream interpretation with me

899

00:36:06,870 --> 00:36:05,680

and

900

00:36:09,430 --> 00:36:06,880

i began

901  
00:36:12,310 --> 00:36:09,440  
to move into the deeper parts of

902  
00:36:15,030 --> 00:36:12,320  
meditation and really understand things

903  
00:36:17,109 --> 00:36:15,040  
on a different level and they robed me

904  
00:36:19,190 --> 00:36:17,119  
and invited me to meditate with the

905  
00:36:19,910 --> 00:36:19,200  
monks and

906  
00:36:21,829 --> 00:36:19,920  
i

907  
00:36:24,470 --> 00:36:21,839  
would do 18-hour

908  
00:36:28,710 --> 00:36:24,480  
meditation marathons is really what they

909  
00:36:31,430 --> 00:36:28,720  
are because 18 hours of constant mind

910  
00:36:32,470 --> 00:36:31,440  
roll but this is what they taught me if

911  
00:36:35,750 --> 00:36:32,480  
you don't

912  
00:36:38,550 --> 00:36:35,760  
know how to control your own mind

913  
00:36:39,670 --> 00:36:38,560

somebody else is probably doing it for

914

00:36:43,190 --> 00:36:39,680

you

915

00:36:46,390 --> 00:36:43,200

and so without taking active

916

00:36:47,750 --> 00:36:46,400

steps into understanding the mind-body

917

00:36:49,270 --> 00:36:47,760

connection they told me that's why you

918

00:36:51,510 --> 00:36:49,280

kept coming out of your body so that

919

00:36:52,550 --> 00:36:51,520

you're forced to find the answers you

920

00:36:54,710 --> 00:36:52,560

know

921

00:36:55,910 --> 00:36:54,720

so that you're forced to see how you

922

00:36:58,390 --> 00:36:55,920

exist

923

00:37:00,390 --> 00:36:58,400

outside of the body to see that you are

924

00:37:01,270 --> 00:37:00,400

eventually i learned the definition of

925

00:37:04,230 --> 00:37:01,280

human

926

00:37:06,710 --> 00:37:04,240

hue being the ancient word for light

927

00:37:09,270 --> 00:37:06,720

we still use it today to measure the

928

00:37:10,550 --> 00:37:09,280

depth or saturation of color we measure

929

00:37:13,589 --> 00:37:10,560

in hues

930

00:37:16,550 --> 00:37:13,599

and man is short for manifestation to

931

00:37:20,310 --> 00:37:16,560

come into the physical or to be embodied

932

00:37:23,589 --> 00:37:20,320

in a human is enlightened body being

933

00:37:25,829 --> 00:37:23,599

and they showed me that i am eternal and

934

00:37:27,349 --> 00:37:25,839

that's why i come out of my body and

935

00:37:29,030 --> 00:37:27,359

they taught me

936

00:37:31,270 --> 00:37:29,040

a lot and i see

937

00:37:35,510 --> 00:37:31,280

a lot of the correlation between my

938

00:37:38,310 --> 00:37:35,520

early teachings now i was 30 then and

939

00:37:42,390 --> 00:37:38,320

i'm not now and uh

940

00:37:43,510 --> 00:37:42,400

wow been 25 years

941

00:37:45,589 --> 00:37:43,520

so

942

00:37:49,750 --> 00:37:45,599

in all of these journeys getting into

943

00:37:52,390 --> 00:37:49,760

the the alien topic a bit what have you

944

00:37:54,390 --> 00:37:52,400

unveiled or revealed to yourself when it

945

00:37:56,630 --> 00:37:54,400

comes to

946

00:38:01,190 --> 00:37:56,640

extraterrestrial beings and a lot of the

947

00:38:03,670 --> 00:38:02,230

well

948

00:38:05,750 --> 00:38:03,680

definitely they have there's an

949

00:38:07,030 --> 00:38:05,760

extraterrestrial presence

950

00:38:09,589 --> 00:38:07,040

on our planet

951  
00:38:11,670 --> 00:38:09,599  
and there are multiple types of being

952  
00:38:14,230 --> 00:38:11,680  
and it comes down to two very simple

953  
00:38:15,910 --> 00:38:14,240  
things some are good some are bad

954  
00:38:17,349 --> 00:38:15,920  
the ones with the government good bad

955  
00:38:19,430 --> 00:38:17,359  
which one

956  
00:38:20,630 --> 00:38:19,440  
bad our government

957  
00:38:24,550 --> 00:38:20,640  
bad

958  
00:38:28,310 --> 00:38:24,560  
you know and i think that we had well

959  
00:38:31,109 --> 00:38:28,320  
research indicated that eisenhower

960  
00:38:33,109 --> 00:38:31,119  
actually traded technology with the tall

961  
00:38:35,270 --> 00:38:33,119  
whites

962  
00:38:37,829 --> 00:38:35,280  
charles hall

963  
00:38:40,150 --> 00:38:37,839

who was on that

964

00:38:41,430 --> 00:38:40,160

military base at the time i was an

965

00:38:44,109 --> 00:38:41,440

eyewitness

966

00:38:47,510 --> 00:38:44,119

and the deal went something like you get

967

00:38:49,030 --> 00:38:47,520

250 000 gi's generally enlisted and i

968

00:38:50,710 --> 00:38:49,040

know why they did that so they could

969

00:38:53,510 --> 00:38:50,720

dual track them

970

00:38:56,470 --> 00:38:53,520

to experiment on to check into our

971

00:38:59,109 --> 00:38:56,480

biology to find out how awesome we can

972

00:39:02,069 --> 00:38:59,119

reproduce and and why does a woman have

973

00:39:04,630 --> 00:39:02,079

250 000 eggs and she would never have

974

00:39:06,230 --> 00:39:04,640

that many kids you know so they had a

975

00:39:07,829 --> 00:39:06,240

lot of questions

976  
00:39:10,790 --> 00:39:07,839  
and um

977  
00:39:11,829 --> 00:39:10,800  
and so that technology was exchanged but

978  
00:39:14,069 --> 00:39:11,839  
of course

979  
00:39:16,390 --> 00:39:14,079  
they went far beyond that and they

980  
00:39:18,710 --> 00:39:16,400  
continued to abduct people and we see

981  
00:39:20,710 --> 00:39:18,720  
that there's generations you know that

982  
00:39:23,270 --> 00:39:20,720  
if your mother was abducted then there's

983  
00:39:25,990 --> 00:39:23,280  
a good chance you will or your kids will

984  
00:39:27,750 --> 00:39:26,000  
not come to the earlier conclusion that

985  
00:39:29,589 --> 00:39:27,760  
that was most likely because the

986  
00:39:31,990 --> 00:39:29,599  
abductor races

987  
00:39:34,870 --> 00:39:32,000  
and the graves the tall graves and so

988  
00:39:38,150 --> 00:39:34,880

forth they live much longer than the

989

00:39:40,550 --> 00:39:38,160

human body lives they live about

990

00:39:44,390 --> 00:39:40,560

800 to a thousand years

991

00:39:45,990 --> 00:39:44,400

and we are living maybe 60 to 90

992

00:39:48,390 --> 00:39:46,000

depending on the person and

993

00:39:50,870 --> 00:39:48,400

circumstances but that's a blink of an

994

00:39:52,069 --> 00:39:50,880

eye most trees live much much longer

995

00:39:54,550 --> 00:39:52,079

than that

996

00:39:57,349 --> 00:39:54,560

so they have to do the generational

997

00:39:59,109 --> 00:39:57,359

thing to get a broader picture plus

998

00:40:01,430 --> 00:39:59,119

there's you know they need the same

999

00:40:04,069 --> 00:40:01,440

bloodline because if

1000

00:40:05,910 --> 00:40:04,079

as far as experimentation goes

1001  
00:40:07,109 --> 00:40:05,920  
you have to have that type of control

1002  
00:40:10,390 --> 00:40:07,119  
factor

1003  
00:40:14,310 --> 00:40:11,910  
what kind of beings these are usually

1004  
00:40:16,470 --> 00:40:14,320  
the grays that are generally working

1005  
00:40:18,310 --> 00:40:16,480  
with the government and abducting people

1006  
00:40:19,910 --> 00:40:18,320  
that you're finding or are there other

1007  
00:40:22,230 --> 00:40:19,920  
beings that you're finding associated

1008  
00:40:25,750 --> 00:40:22,240  
with the government as well

1009  
00:40:30,230 --> 00:40:25,760  
well obviously the reptilians

1010  
00:40:33,829 --> 00:40:31,910  
they're not very smart though i don't

1011  
00:40:35,430 --> 00:40:33,839  
think they're as nearly as technically

1012  
00:40:37,750 --> 00:40:35,440  
savvy what do you think as far as

1013  
00:40:39,589 --> 00:40:37,760

degrees are concerned

1014

00:40:41,510 --> 00:40:39,599

well the reptilians

1015

00:40:43,510 --> 00:40:41,520

they're very okay well part of my

1016

00:40:44,630 --> 00:40:43,520

research was actually trying to figure

1017

00:40:46,710 --> 00:40:44,640

out uh

1018

00:40:48,630 --> 00:40:46,720

well i was doing literally a

1019

00:40:50,870 --> 00:40:48,640

psychological profiling of

1020

00:40:53,430 --> 00:40:50,880

extraterrestrials based on the thousands

1021

00:40:55,430 --> 00:40:53,440

of eyewitness accounts so i work with

1022

00:40:58,150 --> 00:40:55,440

the experimenter go through their

1023

00:41:00,150 --> 00:40:58,160

experience and and now when we're

1024

00:41:02,870 --> 00:41:00,160

talking about how the interaction went

1025

00:41:04,950 --> 00:41:02,880

between the entity and the human

1026  
00:41:07,510 --> 00:41:04,960  
i'm trying to say what might we expect

1027  
00:41:10,069 --> 00:41:07,520  
if you come across a mantis what might

1028  
00:41:12,470 --> 00:41:10,079  
you expect if you're in the eye to eye

1029  
00:41:14,150 --> 00:41:12,480  
face to face i would mess up a shoe

1030  
00:41:14,770 --> 00:41:14,160  
because i would try to squish it but

1031  
00:41:17,670 --> 00:41:14,780  
continue

1032  
00:41:21,030 --> 00:41:17,680  
[Laughter]

1033  
00:41:23,270 --> 00:41:21,040  
it actually happened to me when i i was

1034  
00:41:24,630 --> 00:41:23,280  
eye to eye face to face with the short

1035  
00:41:27,510 --> 00:41:24,640  
grays

1036  
00:41:31,109 --> 00:41:27,520  
and i was completely non-false i was

1037  
00:41:35,670 --> 00:41:31,119  
completely within my power i my only

1038  
00:41:38,550 --> 00:41:35,680

emotional energy was curiosity i was

1039

00:41:41,990 --> 00:41:38,560

completely empowered this

1040

00:41:44,710 --> 00:41:42,000

confused them i saw just the slightest

1041

00:41:46,710 --> 00:41:44,720

indication of them look at each other

1042

00:41:48,550 --> 00:41:46,720

and then honestly there was a white

1043

00:41:49,990 --> 00:41:48,560

flash of light

1044

00:41:51,270 --> 00:41:50,000

because they're like okay we got one we

1045

00:41:53,109 --> 00:41:51,280

can't control

1046

00:41:56,710 --> 00:41:53,119

and

1047

00:41:58,790 --> 00:41:56,720

a grey appeared

1048

00:42:01,349 --> 00:41:58,800

i was still very cool

1049

00:42:03,990 --> 00:42:01,359

and when it approached me i saw that in

1050

00:42:05,270 --> 00:42:04,000

its hand it had in its hand freaked me

1051  
00:42:07,109 --> 00:42:05,280  
the hell out and i'm going to be honest

1052  
00:42:08,710 --> 00:42:07,119  
there that's the first time i started to

1053  
00:42:12,150 --> 00:42:08,720  
go what the hell

1054  
00:42:15,270 --> 00:42:12,160  
uh just the way the crab

1055  
00:42:17,190 --> 00:42:15,280  
the claw like more like lobster-like

1056  
00:42:18,069 --> 00:42:17,200  
way it was holding

1057  
00:42:19,109 --> 00:42:18,079  
the

1058  
00:42:21,349 --> 00:42:19,119  
uh

1059  
00:42:23,349 --> 00:42:21,359  
instrument which was about to the size

1060  
00:42:26,390 --> 00:42:23,359  
of a top tip

1061  
00:42:28,550 --> 00:42:26,400  
and he just without emotion at all

1062  
00:42:32,550 --> 00:42:28,560  
walked right towards me and i felt

1063  
00:42:38,790 --> 00:42:32,560

enormous pain already in my lower left

1064

00:42:41,430 --> 00:42:38,800

abdomen ovary area and i did a side kick

1065

00:42:43,990 --> 00:42:41,440

as high as i could trying to hit the jaw

1066

00:42:45,670 --> 00:42:44,000

line and i remember cut throwing a

1067

00:42:47,829 --> 00:42:45,680

couple of punches

1068

00:42:51,349 --> 00:42:47,839

as i was right and

1069

00:42:53,670 --> 00:42:51,359

on self defense and the last thing i did

1070

00:42:56,230 --> 00:42:53,680

i tried to do a sidekick with my left

1071

00:42:58,710 --> 00:42:56,240

leg i whited out

1072

00:43:00,069 --> 00:42:58,720

lost consciousness when i come to back

1073

00:43:02,950 --> 00:43:00,079

in my bedroom

1074

00:43:05,829 --> 00:43:02,960

had my abdominal muscles were completely

1075

00:43:07,030 --> 00:43:05,839

herniated and poor and i required

1076  
00:43:08,710 --> 00:43:07,040  
surgery

1077  
00:43:10,950 --> 00:43:08,720  
and

1078  
00:43:14,470 --> 00:43:10,960  
in a

1079  
00:43:17,190 --> 00:43:14,480  
mesh thing to hold my muscles in because

1080  
00:43:18,950 --> 00:43:17,200  
holy crap you fought

1081  
00:43:20,790 --> 00:43:18,960  
tooth and nail

1082  
00:43:22,550 --> 00:43:20,800  
wow yes i did

1083  
00:43:24,790 --> 00:43:22,560  
i don't like noodles

1084  
00:43:25,670 --> 00:43:24,800  
you need to round up applause for that

1085  
00:43:28,470 --> 00:43:25,680  
one

1086  
00:43:30,190 --> 00:43:28,480  
trying to round out a roundhouse on the

1087  
00:43:33,190 --> 00:43:30,200  
aliens i love it

1088  
00:43:35,190 --> 00:43:33,200

absolutely i i'm a little scrappy i'll

1089

00:43:37,309 --> 00:43:35,200

admit to that you know i'm all about

1090

00:43:41,270 --> 00:43:37,319

compassion and love and my personal

1091

00:43:44,550 --> 00:43:41,280

philosophy is very close to buddhism but

1092

00:43:47,270 --> 00:43:44,560

allow me to introduce my foot

1093

00:43:50,069 --> 00:43:47,280

hey even buddha screamed when he stubbed

1094

00:43:52,829 --> 00:43:51,990

you know come on

1095

00:43:59,430 --> 00:43:52,839

you

1096

00:44:02,390 --> 00:43:59,440

mister here is a roundhouse kick to the

1097

00:44:07,270 --> 00:44:05,109

i i was so cool

1098

00:44:09,270 --> 00:44:07,280

you know and it was probably not even a

1099

00:44:10,309 --> 00:44:09,280

week before that happened i remember my

1100

00:44:15,270 --> 00:44:10,319

dog

1101  
00:44:16,790 --> 00:44:15,280  
free to a good home and anyway

1102  
00:44:19,030 --> 00:44:16,800  
rex was uh

1103  
00:44:21,510 --> 00:44:19,040  
lying on his back he used to lie on his

1104  
00:44:24,069 --> 00:44:21,520  
back and spread his paws out and throw

1105  
00:44:26,230 --> 00:44:24,079  
his head back and his lips would hang

1106  
00:44:27,430 --> 00:44:26,240  
back and he his face would look really

1107  
00:44:29,750 --> 00:44:27,440  
alien

1108  
00:44:33,190 --> 00:44:29,760  
and i used to think okay

1109  
00:44:35,270 --> 00:44:33,200  
so if you've never seen a dog before

1110  
00:44:36,790 --> 00:44:35,280  
that might kind of weird you out but i'm

1111  
00:44:38,950 --> 00:44:36,800  
coming from the perspective that i

1112  
00:44:40,230 --> 00:44:38,960  
totally love wreck the wonder dog free

1113  
00:44:41,510 --> 00:44:40,240

to a good home

1114

00:44:43,349 --> 00:44:41,520

and uh

1115

00:44:45,270 --> 00:44:43,359

that's what we called him

1116

00:44:48,150 --> 00:44:45,280

we didn't really want him he got in the

1117

00:44:51,510 --> 00:44:48,160

car and he wouldn't get out and we just

1118

00:44:56,150 --> 00:44:53,190

i know it was adorable

1119

00:44:58,309 --> 00:44:56,160

you know so i would i was like

1120

00:45:00,230 --> 00:44:58,319

do little mind games with myself so how

1121

00:45:02,069 --> 00:45:00,240

would i act though i wouldn't so an

1122

00:45:05,190 --> 00:45:02,079

alien's gonna look weird i can expect

1123

00:45:08,069 --> 00:45:05,200

that okay once i can anticipate that i

1124

00:45:10,870 --> 00:45:08,079

can control my emotional reaction and

1125

00:45:13,349 --> 00:45:10,880

sure enough if that wasn't tested

1126

00:45:15,990 --> 00:45:13,359

oh oh i'm sure it was

1127

00:45:19,990 --> 00:45:16,000

just like myself with a giant shadow

1128

00:45:24,390 --> 00:45:22,470

i don't i don't enjoy them

1129

00:45:26,630 --> 00:45:24,400

but they're probably the shadow from the

1130

00:45:29,030 --> 00:45:26,640

second dimension though giant shadow

1131

00:45:31,270 --> 00:45:29,040

spider no doubt comes from the same

1132

00:45:35,109 --> 00:45:31,280

place as the giant bugs that i'm going

1133

00:45:36,069 --> 00:45:35,119

looking for the pits of hell i'm sure

1134

00:45:38,550 --> 00:45:36,079

yeah

1135

00:45:40,950 --> 00:45:38,560

no i i just want to test a theory math

1136

00:45:44,069 --> 00:45:40,960

tells us that there are the constant

1137

00:45:47,190 --> 00:45:44,079

flexing of portal entries if you think

1138

00:45:50,390 --> 00:45:47,200

of the planet earth breathing

1139

00:45:52,870 --> 00:45:50,400

and i think of straws coming out of it

1140

00:45:54,630 --> 00:45:52,880

these straws would create these portals

1141

00:45:55,510 --> 00:45:54,640

of energy

1142

00:46:00,309 --> 00:45:55,520

and

1143

00:46:02,550 --> 00:46:00,319

i'm sure it can be figured out though

1144

00:46:04,470 --> 00:46:02,560

mathematically but right now the science

1145

00:46:06,710 --> 00:46:04,480

is saying that the portals open and

1146

00:46:09,030 --> 00:46:06,720

close randomly and that they're really

1147

00:46:11,829 --> 00:46:09,040

all over and people say there's portals

1148

00:46:15,109 --> 00:46:11,839

inside of our own body that will allow

1149

00:46:18,230 --> 00:46:15,119

us access outside of the body so

1150

00:46:20,069 --> 00:46:18,240

if as is above so as below as the

1151

00:46:22,710 --> 00:46:20,079

microcosm and

1152

00:46:24,870 --> 00:46:22,720

microscopic of the universe then then by

1153

00:46:27,990 --> 00:46:24,880

all means there should be portals on

1154

00:46:30,710 --> 00:46:28,000

this planet that take us out somewhere

1155

00:46:33,589 --> 00:46:30,720

just like we can move outside of our own

1156

00:46:35,670 --> 00:46:33,599

bodies so now we know how the voter

1157

00:46:37,670 --> 00:46:35,680

registration and all that good stuff

1158

00:46:40,829 --> 00:46:37,680

happened things are reaching into our

1159

00:46:43,430 --> 00:46:40,839

dimension and messing with things

1160

00:46:46,309 --> 00:46:43,440

um actually you're not so wrong there

1161

00:46:48,630 --> 00:46:46,319

holly yeah heidi sorry when we're

1162

00:46:50,069 --> 00:46:48,640

looking at i work with a holly and i

1163

00:46:51,829 --> 00:46:50,079

knew that was that's the hardest that's

1164

00:46:53,829 --> 00:46:51,839

all good i get it all day believe it or

1165

00:46:56,069 --> 00:46:53,839

not first and last night

1166

00:46:58,470 --> 00:46:56,079

the heidi hollis thing it's combine them

1167

00:46:59,910 --> 00:46:58,480

and not yeah right all the time it's all

1168

00:47:02,710 --> 00:46:59,920

good

1169

00:47:03,750 --> 00:47:02,720

yeah well so i i forgot what i was

1170

00:47:05,270 --> 00:47:03,760

saying

1171

00:47:07,829 --> 00:47:05,280

reaching into the inner to this

1172

00:47:08,710 --> 00:47:07,839

dimension to change our votes

1173

00:47:11,750 --> 00:47:08,720

oh

1174

00:47:14,630 --> 00:47:11,760

yes so right so

1175

00:47:17,510 --> 00:47:14,640

i'm thinking that with cern

1176

00:47:20,069 --> 00:47:17,520

and the d-wave and the quantum computing

1177

00:47:22,470 --> 00:47:20,079

that the computers most definitely right

1178

00:47:24,470 --> 00:47:22,480

in the very next parallel universes are

1179

00:47:26,950 --> 00:47:24,480

already talking to each other

1180

00:47:28,870 --> 00:47:26,960

and if that's the case then that is the

1181

00:47:32,230 --> 00:47:28,880

big kickstart for artificial

1182

00:47:34,309 --> 00:47:32,240

intelligence so we might begin to view

1183

00:47:35,270 --> 00:47:34,319

the universe in a completely different

1184

00:47:37,190 --> 00:47:35,280

way

1185

00:47:38,870 --> 00:47:37,200

we start to see that these quantum

1186

00:47:40,870 --> 00:47:38,880

computers

1187

00:47:42,870 --> 00:47:40,880

will talk to each other they're thinking

1188

00:47:45,510 --> 00:47:42,880

on their own

1189

00:47:48,950 --> 00:47:45,520

and cern most definitely

1190

00:47:50,470 --> 00:47:48,960

has those competing abilities and their

1191

00:47:54,150 --> 00:47:50,480

very goal

1192

00:47:57,430 --> 00:47:54,160

was to create this you know giant powder

1193

00:47:59,270 --> 00:47:57,440

on a particle smasher seeing if they

1194

00:48:01,670 --> 00:47:59,280

could open

1195

00:48:03,910 --> 00:48:01,680

a door to the uh to another universe to

1196

00:48:05,670 --> 00:48:03,920

a parallel universe and i think that

1197

00:48:07,670 --> 00:48:05,680

yeah

1198

00:48:10,790 --> 00:48:07,680

which you might have

1199

00:48:13,829 --> 00:48:10,800

thinking it might even have

1200

00:48:15,829 --> 00:48:13,839

i think that there's a possibility

1201

00:48:18,069 --> 00:48:15,839

that it might be associated to what

1202

00:48:19,270 --> 00:48:18,079

people are referring to as the mandela

1203

00:48:20,870 --> 00:48:19,280

effect

1204

00:48:22,549 --> 00:48:20,880

yes

1205

00:48:25,030 --> 00:48:22,559

you know have you experienced that

1206

00:48:27,990 --> 00:48:25,040

yourself uh-huh i think everybody's

1207

00:48:29,430 --> 00:48:28,000

taking note of that yeah um

1208

00:48:31,829 --> 00:48:29,440

just just

1209

00:48:34,630 --> 00:48:31,839

just mind-blowing stuff just really like

1210

00:48:36,790 --> 00:48:34,640

you don't notice until somebody mentions

1211

00:48:38,710 --> 00:48:36,800

something and i'm like

1212

00:48:42,630 --> 00:48:38,720

berenstein bears

1213

00:48:45,190 --> 00:48:42,640

oh for god's sakes now i know for a fact

1214

00:48:47,190 --> 00:48:45,200

what that was okay because i read those

1215

00:48:49,910 --> 00:48:47,200

crappy books

1216

00:48:51,270 --> 00:48:49,920

and watch those cartoons with my

1217

00:48:53,270 --> 00:48:51,280

children

1218

00:48:55,510 --> 00:48:53,280

and i monitored

1219

00:48:58,790 --> 00:48:55,520

what they watched and read and the big

1220

00:49:02,309 --> 00:48:58,800

question was baron scene or sign the

1221

00:49:05,109 --> 00:49:02,319

word stain was never an issue because it

1222

00:49:09,990 --> 00:49:05,119

was never that in our reality or in this

1223

00:49:14,549 --> 00:49:12,470

evidence that says otherwise so that's

1224

00:49:17,589 --> 00:49:14,559

why when i do my research

1225

00:49:21,589 --> 00:49:17,599

i go on the deep dark net

1226

00:49:23,750 --> 00:49:21,599

and i've gone into the united states

1227

00:49:25,910 --> 00:49:23,760

patent office and registration office

1228

00:49:28,710 --> 00:49:25,920

and pulled and copied

1229

00:49:31,990 --> 00:49:28,720

patent numbers for products that i know

1230

00:49:33,589 --> 00:49:32,000

have changed and i actually found the

1231

00:49:35,349 --> 00:49:33,599

evidence um

1232

00:49:38,309 --> 00:49:35,359

in the original

1233

00:49:42,870 --> 00:49:38,319

uh paperwork for the product febreze the

1234

00:49:47,270 --> 00:49:45,670

and now it's not now it's for breath

1235

00:49:50,069 --> 00:49:47,280

which doesn't even make sense it's

1236

00:49:51,910 --> 00:49:50,079

illogical but there's no

1237

00:49:53,190 --> 00:49:51,920

logo changing

1238

00:49:55,349 --> 00:49:53,200

there yeah you know here was their

1239

00:49:56,150 --> 00:49:55,359

commercial right laundry

1240

00:49:57,990 --> 00:49:56,160

on

1241

00:50:00,470 --> 00:49:58,000

the line with the ocean in the

1242

00:50:02,069 --> 00:50:00,480

background and it was smelling like an

1243

00:50:07,190 --> 00:50:02,079

ocean breath

1244

00:50:07,910 --> 00:50:07,200

no it's breeze yes

1245

00:50:08,630 --> 00:50:07,920

right

1246

00:50:11,190 --> 00:50:08,640

and

1247

00:50:13,670 --> 00:50:11,200

you know also uh the big one right now

1248

00:50:16,309 --> 00:50:13,680

is a coca-cola

1249

00:50:17,190 --> 00:50:16,319

the hyphen being above the egg

1250

00:50:24,069 --> 00:50:17,200

i

1251

00:50:26,790 --> 00:50:24,079

coke bottles

1252

00:50:29,190 --> 00:50:26,800

because that's how it has the logo on

1253

00:50:30,630 --> 00:50:29,200

them with the hyphen in between coke and

1254

00:50:31,430 --> 00:50:30,640

cola

1255

00:50:32,790 --> 00:50:31,440

up

1256

00:50:35,270 --> 00:50:32,800

by the a

1257

00:50:36,710 --> 00:50:35,280

it's just totally wrong i don't know if

1258

00:50:38,829 --> 00:50:36,720

you've seen that

1259

00:50:41,430 --> 00:50:38,839

i'm looking now

1260

00:50:43,990 --> 00:50:41,440

yeah and it says it's always been like

1261

00:50:49,270 --> 00:50:46,710

in this planet

1262

00:50:50,710 --> 00:50:49,280

right and we're seeing a convergence of

1263

00:50:54,069 --> 00:50:50,720

flexing

1264

00:50:57,270 --> 00:50:54,079

and so it has to be a simulation of only

1265

00:50:59,990 --> 00:50:57,280

a computer can do that and then the math

1266

00:51:02,150 --> 00:51:00,000

geniuses tell us that the universe is

1267

00:51:03,030 --> 00:51:02,160

comprised of ones and zeros and you can

1268

00:51:05,750 --> 00:51:03,040

read it

1269

00:51:08,870 --> 00:51:05,760

not like computer code but it is

1270

00:51:10,790 --> 00:51:08,880

computer code it's so it's not

1271

00:51:12,790 --> 00:51:10,800

it's a very specific

1272

00:51:15,190 --> 00:51:12,800

computer code

1273

00:51:16,950 --> 00:51:15,200

and they're universal so i think maybe

1274

00:51:18,790 --> 00:51:16,960

the next step in awakening is the

1275

00:51:21,190 --> 00:51:18,800

universe won't just be a series of ones

1276  
00:51:22,710 --> 00:51:21,200  
and zeros it might be ones and zeros and

1277  
00:51:23,670 --> 00:51:22,720  
they're gonna throw a two in there or

1278  
00:51:26,790 --> 00:51:23,680  
something

1279  
00:51:27,589 --> 00:51:26,800  
that i think needs to be addressed

1280  
00:51:30,790 --> 00:51:27,599  
though

1281  
00:51:34,069 --> 00:51:30,800  
as well with all of this going on and

1282  
00:51:36,470 --> 00:51:34,079  
mankind's manipulating

1283  
00:51:39,270 --> 00:51:36,480  
too much way too much i i don't care

1284  
00:51:42,950 --> 00:51:39,280  
what aspect that uh if but whether it's

1285  
00:51:45,430 --> 00:51:42,960  
conspiracy ridden or what as far as uh

1286  
00:51:47,430 --> 00:51:45,440  
climate change and and

1287  
00:51:50,069 --> 00:51:47,440  
messing with our

1288  
00:51:52,069 --> 00:51:50,079

skies with uh chemtrails and and you

1289

00:51:54,230 --> 00:51:52,079

know when you take a

1290

00:51:56,790 --> 00:51:54,240

a picture from outer space and you see

1291

00:51:58,470 --> 00:51:56,800

three massive storms at the same time

1292

00:51:59,829 --> 00:51:58,480

katya jose

1293

00:52:01,910 --> 00:51:59,839

and irma

1294

00:52:04,549 --> 00:52:01,920

smacking the united states and we just

1295

00:52:07,910 --> 00:52:04,559

got done with the biggest one ever to

1296

00:52:10,630 --> 00:52:07,920

hit us down in texas it's like

1297

00:52:12,710 --> 00:52:10,640

really is this a coincidence you know

1298

00:52:13,589 --> 00:52:12,720

jose just got upgraded to a category

1299

00:52:15,990 --> 00:52:13,599

four

1300

00:52:18,470 --> 00:52:16,000

and it's like come on you know something

1301

00:52:20,630 --> 00:52:18,480

is something's in the water literally

1302

00:52:23,030 --> 00:52:20,640

and um something's in the air

1303

00:52:24,870 --> 00:52:23,040

and you know i think that the powers

1304

00:52:26,470 --> 00:52:24,880

that be that are messing with things

1305

00:52:28,230 --> 00:52:26,480

thought that they can continue to do

1306

00:52:29,990 --> 00:52:28,240

what they're doing without consequence

1307

00:52:32,150 --> 00:52:30,000

or they're purposely doing it so we'll

1308

00:52:33,910 --> 00:52:32,160

want to rely more on the government i'm

1309

00:52:36,069 --> 00:52:33,920

not certain but thoughts and prayers are

1310

00:52:39,670 --> 00:52:36,079

the people down in florida and all along

1311

00:52:42,309 --> 00:52:39,680

that line of uh the hurricanes coming

1312

00:52:45,430 --> 00:52:42,319

it's it's so scary it is so scary what

1313

00:52:50,630 --> 00:52:48,710

i do believe that there's been uh

1314

00:52:52,710 --> 00:52:50,640

bioengineering

1315

00:52:55,670 --> 00:52:52,720

going on for quite some time on the

1316

00:52:56,790 --> 00:52:55,680

planet i think that that uh reptilian

1317

00:52:59,670 --> 00:52:56,800

agenda

1318

00:53:02,870 --> 00:52:59,680

i think it's twofold i think that uh

1319

00:53:04,309 --> 00:53:02,880

they're terraforming changing the sky

1320

00:53:06,710 --> 00:53:04,319

which change

1321

00:53:08,549 --> 00:53:06,720

everything the way it grows

1322

00:53:09,829 --> 00:53:08,559

lori i gotta cut in because we gotta go

1323

00:53:11,430 --> 00:53:09,839

to our break you guys you're listening

1324

00:53:15,270 --> 00:53:11,440

to me heidi hall is the outlander and we

1325

00:53:18,630 --> 00:53:16,870

welcome back everybody you're listening

1326

00:53:19,990 --> 00:53:18,640

to me heidi halls the outlander

1327

00:53:22,230 --> 00:53:20,000

remembering always if it's weird we're

1328

00:53:23,589 --> 00:53:22,240

here we've got lori mcdonald and we are

1329

00:53:31,270 --> 00:53:23,599

talking about

1330

00:53:33,670 --> 00:53:31,280

horrific uh hurricanes that are coming

1331

00:53:35,750 --> 00:53:33,680

through and all the different changes

1332

00:53:37,190 --> 00:53:35,760

that are going on on this planet that

1333

00:53:39,829 --> 00:53:37,200

are just

1334

00:53:41,349 --> 00:53:39,839

just mind-blowing just too much and here

1335

00:53:43,349 --> 00:53:41,359

we are talking about interdimensional

1336

00:53:44,790 --> 00:53:43,359

things and you know it sometimes makes

1337

00:53:46,870 --> 00:53:44,800

me wonder if hurricanes could come out

1338

00:53:48,870 --> 00:53:46,880

of such things as that but uh this is

1339

00:53:51,910 --> 00:53:48,880

this will tickle your your funny bone

1340

00:53:53,990 --> 00:53:51,920

here a bit uh lori uh quantum blast

1341

00:53:55,910 --> 00:53:54,000

again now get that quantum blast a

1342

00:53:56,790 --> 00:53:55,920

person in the chat room that's their

1343

00:53:58,870 --> 00:53:56,800

name

1344

00:54:01,990 --> 00:53:58,880

said that they need an interdimensional

1345

00:54:06,150 --> 00:54:03,990

a warning like just ring the doorbell

1346

00:54:07,750 --> 00:54:06,160

police and i'll know you're coming

1347

00:54:09,510 --> 00:54:07,760

like that

1348

00:54:10,790 --> 00:54:09,520

that's awesome yeah well we already hear

1349

00:54:12,710 --> 00:54:10,800

the knocking

1350

00:54:14,630 --> 00:54:12,720

i would prefer a doorbell

1351

00:54:17,270 --> 00:54:14,640

there you go right it's like oh somebody

1352

00:54:18,790 --> 00:54:17,280

somebody wants to come in oh sure oh no

1353

00:54:20,630 --> 00:54:18,800

not you

1354

00:54:22,870 --> 00:54:20,640

that's funny

1355

00:54:24,069 --> 00:54:22,880

so i mean

1356

00:54:25,829 --> 00:54:24,079

so

1357

00:54:27,190 --> 00:54:25,839

just to finish up your thoughts on uh

1358

00:54:28,630 --> 00:54:27,200

what you were talking about with the the

1359

00:54:30,630 --> 00:54:28,640

hurricanes

1360

00:54:32,630 --> 00:54:30,640

that are coming through it's

1361

00:54:34,950 --> 00:54:32,640

in the the microblast that hit santa

1362

00:54:38,069 --> 00:54:34,960

barbara the other day i mean hurricane

1363

00:54:39,910 --> 00:54:38,079

force wins in an instant out of nowhere

1364

00:54:42,870 --> 00:54:39,920

toppled things over in santa barbara

1365

00:54:45,030 --> 00:54:42,880

it's so much is going on mj was talking

1366

00:54:47,510 --> 00:54:45,040

about um seeing

1367

00:54:49,270 --> 00:54:47,520

a video that showed what looked like a

1368

00:54:51,750 --> 00:54:49,280

missile or something being shot just

1369

00:54:53,670 --> 00:54:51,760

before hurricane harvey was

1370

00:54:55,990 --> 00:54:53,680

intensified it's

1371

00:54:57,990 --> 00:54:56,000

a catalyst to push it in the right

1372

00:55:01,030 --> 00:54:58,000

direction yeah and it's

1373

00:55:02,309 --> 00:55:01,040

you know my hero one of them micho kaku

1374

00:55:06,549 --> 00:55:02,319

doctor

1375

00:55:08,470 --> 00:55:06,559

physicist who went on cbs news and said

1376

00:55:11,750 --> 00:55:08,480

these are man-made quote-unquote

1377

00:55:13,910 --> 00:55:11,760

hurricanes and he said that uh the skies

1378

00:55:15,750 --> 00:55:13,920

are being sprayed with nanoparticles

1379

00:55:17,750 --> 00:55:15,760

that activate storms and that they can

1380

00:55:20,710 --> 00:55:17,760

use a laser

1381

00:55:23,190 --> 00:55:20,720

to do that too so yeah

1382

00:55:26,710 --> 00:55:23,200

he went into pointing out all of the

1383

00:55:28,150 --> 00:55:26,720

government funded uh geo-engineering

1384

00:55:30,069 --> 00:55:28,160

like harp

1385

00:55:32,790 --> 00:55:30,079

which they say they're doing you know

1386

00:55:35,030 --> 00:55:32,800

warming up the ionosphere they say

1387

00:55:36,230 --> 00:55:35,040

they're doing um ionospheric research

1388

00:55:37,670 --> 00:55:36,240

but

1389

00:55:40,710 --> 00:55:37,680

it's the navy

1390

00:55:43,670 --> 00:55:40,720

in the air force combined uh

1391

00:55:44,790 --> 00:55:43,680

along with haarp and darpa that are

1392

00:55:46,710 --> 00:55:44,800

changing

1393

00:55:48,630 --> 00:55:46,720

the weather modifying it we have to ask

1394

00:55:50,950 --> 00:55:48,640

ourselves why are they doing this

1395

00:55:53,990 --> 00:55:50,960

what are they doing if they can create

1396

00:55:56,549 --> 00:55:54,000

these rains how about

1397

00:55:59,670 --> 00:55:56,559

those all those years here in well

1398

00:56:01,670 --> 00:55:59,680

they're in california during the drought

1399

00:56:04,950 --> 00:56:01,680

why not give them a little rain so they

1400

00:56:07,349 --> 00:56:04,960

can control the food you can control the

1401  
00:56:08,870 --> 00:56:07,359  
people and california is the bread

1402  
00:56:10,710 --> 00:56:08,880  
basket

1403  
00:56:13,589 --> 00:56:10,720  
united states it's where the majority of

1404  
00:56:15,829 --> 00:56:13,599  
the food comes they put those farmers

1405  
00:56:19,030 --> 00:56:15,839  
right into a drought system you can

1406  
00:56:21,910 --> 00:56:19,040  
control local politics there's all types

1407  
00:56:23,829 --> 00:56:21,920  
of people you know so being able to

1408  
00:56:25,910 --> 00:56:23,839  
control the weather this isn't you know

1409  
00:56:27,190 --> 00:56:25,920  
about wiping out

1410  
00:56:28,789 --> 00:56:27,200  
you know some

1411  
00:56:31,430 --> 00:56:28,799  
town and then having you know the

1412  
00:56:33,589 --> 00:56:31,440  
insurance companies fund the rebuild

1413  
00:56:34,390 --> 00:56:33,599

creating better infrastructure and so

1414

00:56:35,589 --> 00:56:34,400

forth

1415

00:56:37,190 --> 00:56:35,599

it's really

1416

00:56:38,470 --> 00:56:37,200

you know uh

1417

00:56:44,870 --> 00:56:38,480

it's

1418

00:56:47,109 --> 00:56:44,880

these storms and so forth have an

1419

00:56:50,230 --> 00:56:47,119

economic effect whether it's through the

1420

00:56:52,470 --> 00:56:50,240

lack of being able to grow crops or

1421

00:56:53,990 --> 00:56:52,480

whether or not they've destroyed the

1422

00:56:56,630 --> 00:56:54,000

crops

1423

00:56:58,390 --> 00:56:56,640

you know with too much wind or a freezer

1424

00:57:01,589 --> 00:56:58,400

you know just as easily as they can make

1425

00:57:03,589 --> 00:57:01,599

a a hurricane they can create uh the

1426  
00:57:05,510 --> 00:57:03,599  
shifting of the tectonic plates making

1427  
00:57:07,829 --> 00:57:05,520  
earthquakes and

1428  
00:57:10,950 --> 00:57:07,839  
deep freezes too you know so a lot of

1429  
00:57:13,510 --> 00:57:10,960  
the stuff they say sounds like bs to me

1430  
00:57:15,349 --> 00:57:13,520  
the world is warming you know that's not

1431  
00:57:17,190 --> 00:57:15,359  
historically accurate what's

1432  
00:57:19,829 --> 00:57:17,200  
historically accurate is the world goes

1433  
00:57:23,109 --> 00:57:19,839  
into cooling phases

1434  
00:57:25,910 --> 00:57:23,119  
not warming phases and it's just

1435  
00:57:27,829 --> 00:57:25,920  
you know it's just the opposite you know

1436  
00:57:29,510 --> 00:57:27,839  
they just tell you the exact opposite of

1437  
00:57:31,270 --> 00:57:29,520  
what's true

1438  
00:57:34,069 --> 00:57:31,280

any changes that are well that sounds

1439

00:57:37,990 --> 00:57:34,079

like the trump administration um

1440

00:57:40,230 --> 00:57:38,000

and boy did we change uh topics uh once

1441

00:57:42,549 --> 00:57:40,240

these hurricanes came through i mean a

1442

00:57:45,349 --> 00:57:42,559

lot of conspiracy out there in regards

1443

00:57:48,230 --> 00:57:45,359

to manipulating the weather is trump did

1444

00:57:50,630 --> 00:57:48,240

it to change the topic off from him the

1445

00:57:53,349 --> 00:57:50,640

focus on him and i'm like wow what a way

1446

00:57:55,190 --> 00:57:53,359

to do it people have died but um it

1447

00:57:57,430 --> 00:57:55,200

doesn't seem like that stops the powers

1448

00:57:59,030 --> 00:57:57,440

that be if they are manipulating the

1449

00:58:00,630 --> 00:57:59,040

weather you know

1450

00:58:03,030 --> 00:58:00,640

they are manipulating the weather

1451

00:58:05,829 --> 00:58:03,040

there's no doubt but it's not just you

1452

00:58:08,630 --> 00:58:05,839

know one administration it's it's you

1453

00:58:10,870 --> 00:58:08,640

like i said it's a like a united nations

1454

00:58:15,670 --> 00:58:10,880

it's a group that are doing this with

1455

00:58:17,030 --> 00:58:15,680

power mongers or might even call them um

1456

00:58:18,470 --> 00:58:17,040

the uh

1457

00:58:24,309 --> 00:58:18,480

buttheads

1458

00:58:26,870 --> 00:58:25,190

you know

1459

00:58:29,030 --> 00:58:26,880

there's so much that we could talk on

1460

00:58:31,270 --> 00:58:29,040

but i want to get back into the alien

1461

00:58:33,910 --> 00:58:31,280

conversation yeah last time i had you on

1462

00:58:35,750 --> 00:58:33,920

the program we were talking about

1463

00:58:37,750 --> 00:58:35,760

military abductions and you were doing a

1464

00:58:39,750 --> 00:58:37,760

lot of research in regards to that i've

1465

00:58:40,630 --> 00:58:39,760

shared openly on this program many times

1466

00:58:42,870 --> 00:58:40,640

that i've

1467

00:58:45,190 --> 00:58:42,880

been someone who has been

1468

00:58:48,150 --> 00:58:45,200

a victim of such things but

1469

00:58:50,470 --> 00:58:48,160

i have found that my

1470

00:58:51,910 --> 00:58:50,480

kinds of experiences are a bit different

1471

00:58:53,270 --> 00:58:51,920

from a lot that i hear out there because

1472

00:58:55,990 --> 00:58:53,280

i i wasn't

1473

00:58:59,030 --> 00:58:56,000

experimented on it wasn't tortured in a

1474

00:59:01,430 --> 00:58:59,040

sense that i've heard so many others so

1475

00:59:03,510 --> 00:59:01,440

what is the typical military abduction

1476

00:59:05,030 --> 00:59:03,520

experience i guess first to get people

1477

00:59:06,870 --> 00:59:05,040

caught up on

1478

00:59:08,069 --> 00:59:06,880

what they are and what happens during

1479

00:59:10,390 --> 00:59:08,079

them

1480

00:59:11,670 --> 00:59:10,400

yeah it's called a my lab yeah military

1481

00:59:15,109 --> 00:59:11,680

laboratory

1482

00:59:17,190 --> 00:59:15,119

abduction and they what they do is they

1483

00:59:19,630 --> 00:59:17,200

re-abduct

1484

00:59:22,150 --> 00:59:19,640

people who have already had

1485

00:59:24,309 --> 00:59:22,160

extraterrestrial encounters

1486

00:59:27,190 --> 00:59:24,319

whether they were just contactees or

1487

00:59:30,390 --> 00:59:27,200

experiencers they're all open now open

1488

00:59:32,150 --> 00:59:30,400

game for my lab so the my lab

1489

00:59:33,589 --> 00:59:32,160

once they get you there it's a brain

1490

00:59:35,589 --> 00:59:33,599

drain they

1491

00:59:37,990 --> 00:59:35,599

just like a hypnotherapist they move

1492

00:59:40,549 --> 00:59:38,000

into the subconscious and they check to

1493

00:59:43,190 --> 00:59:40,559

see everything that was recorded so that

1494

00:59:45,190 --> 00:59:43,200

they can record see what your experience

1495

00:59:47,109 --> 00:59:45,200

with the ets are so that they can watch

1496

00:59:49,190 --> 00:59:47,119

the et's well

1497

00:59:51,349 --> 00:59:49,200

that wasn't good enough they needed to

1498

00:59:53,829 --> 00:59:51,359

find out additional information and say

1499

00:59:55,990 --> 00:59:53,839

why are these the people being are

1500

00:59:58,390 --> 00:59:56,000

having contact why are

1501

01:00:00,230 --> 00:59:58,400

why is it this particular person and

1502

01:00:01,910 --> 01:00:00,240

then the people are then subjected to

1503

01:00:03,829 --> 01:00:01,920

either a series of physical or

1504

01:00:04,950 --> 01:00:03,839

psychological testing

1505

01:00:07,349 --> 01:00:04,960

um

1506

01:00:09,829 --> 01:00:07,359

the military laboratory

1507

01:00:13,109 --> 01:00:09,839

experiences um can be quite frightening

1508

01:00:15,589 --> 01:00:13,119

because not only people see

1509

01:00:18,069 --> 01:00:15,599

aliens they they see what look like

1510

01:00:21,109 --> 01:00:18,079

doctors in lab coats and in the

1511

01:00:23,270 --> 01:00:21,119

background they see what can only be

1512

01:00:25,910 --> 01:00:23,280

classified as military although the

1513

01:00:27,990 --> 01:00:25,920

insignia or markings on the uniform is

1514

01:00:29,190 --> 01:00:28,000

unclear because maybe it's a branch

1515

01:00:31,589 --> 01:00:29,200

we're not sure

1516

01:00:33,190 --> 01:00:31,599

maybe it says shadow government

1517

01:00:35,829 --> 01:00:33,200

but

1518

01:00:38,549 --> 01:00:35,839

they can't see exactly what the insignia

1519

01:00:40,470 --> 01:00:38,559

but to the perception and perception's

1520

01:00:42,990 --> 01:00:40,480

very important when you're looking into

1521

01:00:44,870 --> 01:00:43,000

the subconscious because what it doesn't

1522

01:00:47,109 --> 01:00:44,880

understand

1523

01:00:49,750 --> 01:00:47,119

what isn't clear

1524

01:00:52,309 --> 01:00:49,760

then you begin to use your other senses

1525

01:00:56,150 --> 01:00:52,319

become involved and you perceive the

1526

01:00:59,750 --> 01:00:56,160

energy now and they can stuff out what's

1527

01:01:00,870 --> 01:00:59,760

happening i've had a military

1528

01:01:04,069 --> 01:01:00,880

my lab

1529

01:01:04,870 --> 01:01:04,079

experience myself

1530

01:01:06,230 --> 01:01:04,880

and

1531

01:01:11,109 --> 01:01:06,240

i remember

1532

01:01:14,710 --> 01:01:11,119

very clearly a military-like uniform

1533

01:01:18,390 --> 01:01:14,720

and uh i remember them putting me

1534

01:01:19,829 --> 01:01:18,400

in a room with one guy in a lab coat

1535

01:01:22,150 --> 01:01:19,839

and uh

1536

01:01:24,630 --> 01:01:22,160

we were in front of a wall

1537

01:01:26,309 --> 01:01:24,640

and i knew there was a mirror behind us

1538

01:01:28,950 --> 01:01:26,319

and i didn't

1539

01:01:31,109 --> 01:01:28,960

i can't say definitively but i sensed

1540

01:01:32,470 --> 01:01:31,119

that we were being monitored through

1541

01:01:33,910 --> 01:01:32,480

that mirror

1542

01:01:36,230 --> 01:01:33,920

and like a two-way mirror like they were

1543

01:01:38,710 --> 01:01:36,240

using a police station

1544

01:01:41,430 --> 01:01:38,720

and he had said to me

1545

01:01:44,549 --> 01:01:41,440

if you needed to move this wall

1546

01:01:51,030 --> 01:01:47,510

i raised my hands did you the roundhouse

1547

01:01:54,630 --> 01:01:53,109

raised my hands in front of me

1548

01:01:57,910 --> 01:01:54,640

and i thought

1549

01:01:59,990 --> 01:01:57,920

what it would look like if i pushed

1550

01:02:01,349 --> 01:02:00,000

and i pushed

1551

01:02:02,309 --> 01:02:01,359

with my

1552

01:02:05,190 --> 01:02:02,319

mind

1553

01:02:07,829 --> 01:02:05,200

and hands but i didn't touch anything

1554

01:02:09,190 --> 01:02:07,839

and i uh it moved back

1555

01:02:12,230 --> 01:02:09,200

several feet

1556

01:02:14,230 --> 01:02:12,240

and a fluorescent light on a chain

1557

01:02:15,589 --> 01:02:14,240

swaying down

1558

01:02:18,470 --> 01:02:15,599

and

1559

01:02:21,109 --> 01:02:18,480

they started coming in through the door

1560

01:02:23,589 --> 01:02:21,119

and they were yelled stalker

1561

01:02:26,549 --> 01:02:23,599

uh there was a moment of chaos

1562

01:02:29,430 --> 01:02:26,559

and in that moment of chaos i became

1563

01:02:30,789 --> 01:02:29,440

fully conscious i was only

1564

01:02:32,829 --> 01:02:30,799

slightly caught i was more in the

1565

01:02:35,030 --> 01:02:32,839

unconscious mind i'm still being

1566

01:02:38,390 --> 01:02:35,040

manipulated and my research does

1567

01:02:40,789 --> 01:02:38,400

indicate that both military and et's

1568

01:02:42,950 --> 01:02:40,799

have the ability to manipulate our our

1569

01:02:45,430 --> 01:02:42,960

delta and our theta brainwaves

1570

01:02:47,589 --> 01:02:45,440

recreating a dream state where we become

1571

01:02:50,470 --> 01:02:47,599

compliant and just go along with it

1572

01:02:54,230 --> 01:02:50,480

without question but during that

1573

01:02:57,030 --> 01:02:54,240

chaos and they said stop her i had a

1574

01:02:59,270 --> 01:02:57,040

question and that question was why stop

1575

01:03:03,750 --> 01:02:59,280

me and when they opened the door i

1576

01:03:10,309 --> 01:03:07,829

i ran as fast as i could with all my

1577

01:03:12,470 --> 01:03:10,319

might through the door and

1578

01:03:13,589 --> 01:03:12,480

honestly what i saw next was a round

1579

01:03:16,710 --> 01:03:13,599

door

1580

01:03:17,829 --> 01:03:16,720

uh that had interlocking

1581

01:03:19,750 --> 01:03:17,839

uh

1582

01:03:21,990 --> 01:03:19,760

chamber in the center of it so it would

1583

01:03:24,150 --> 01:03:22,000

open like an elevator door would open

1584

01:03:25,190 --> 01:03:24,160

from the middle

1585

01:03:27,190 --> 01:03:25,200

and

1586

01:03:29,510 --> 01:03:27,200

that door opened as i was running

1587

01:03:32,390 --> 01:03:29,520

towards it and the last thing i heard

1588

01:03:36,069 --> 01:03:32,400

them saying was no

1589

01:03:39,029 --> 01:03:36,079

oh my gosh and i ran through that and

1590

01:03:40,390 --> 01:03:39,039

right into a completely different

1591

01:03:43,510 --> 01:03:40,400

scenario

1592

01:03:46,390 --> 01:03:43,520

where i was again fully conscious and

1593

01:03:48,549 --> 01:03:46,400

i knew that i was like outside

1594

01:03:51,270 --> 01:03:48,559

kind of on the side of a mountain

1595

01:03:53,270 --> 01:03:51,280

and there was snow on the ground

1596

01:03:55,990 --> 01:03:53,280

and when i looked up

1597

01:03:59,589 --> 01:03:56,000

i saw a being

1598

01:04:01,750 --> 01:03:59,599

and she was a woman and honestly i must

1599

01:04:03,910 --> 01:04:01,760

have only come up to like her kneecap

1600

01:04:05,990 --> 01:04:03,920

and she took a step back and i took a

1601  
01:04:08,150 --> 01:04:06,000  
step back and we did that sort of half

1602  
01:04:10,150 --> 01:04:08,160  
circle you do she's looking down at me

1603  
01:04:11,750 --> 01:04:10,160  
like are you really real i was looking

1604  
01:04:13,029 --> 01:04:11,760  
up at her like oh my god are you really

1605  
01:04:14,470 --> 01:04:13,039  
enjoying it

1606  
01:04:16,789 --> 01:04:14,480  
and

1607  
01:04:19,270 --> 01:04:16,799  
that door opened again

1608  
01:04:20,309 --> 01:04:19,280  
and i fainted that's what i thought

1609  
01:04:22,309 --> 01:04:20,319  
happened

1610  
01:04:25,349 --> 01:04:22,319  
i'm sure they did some dark thing i

1611  
01:04:27,109 --> 01:04:25,359  
don't have no idea wow i remember i i

1612  
01:04:29,750 --> 01:04:27,119  
felt the sensation

1613  
01:04:33,990 --> 01:04:29,760

of fainting like i know that my mind

1614

01:04:37,349 --> 01:04:34,000

became i was focusing harder and harder

1615

01:04:39,589 --> 01:04:37,359

to stay awake and i was telling myself

1616

01:04:41,349 --> 01:04:39,599

if this is a dream how can i fall asleep

1617

01:04:43,910 --> 01:04:41,359

again i can't fall asleep if i'm

1618

01:04:46,950 --> 01:04:43,920

dreaming and i can't i'm awake i'm going

1619

01:04:47,910 --> 01:04:46,960

to stay awake and then i couldn't

1620

01:04:51,190 --> 01:04:47,920

wow

1621

01:04:52,390 --> 01:04:51,200

do you know about where you were located

1622

01:04:55,829 --> 01:04:52,400

i don't

1623

01:04:57,510 --> 01:04:55,839

um i couldn't i couldn't tell anything i

1624

01:05:00,150 --> 01:04:57,520

could sense

1625

01:05:03,270 --> 01:05:00,160

that i felt like this is where the

1626  
01:05:05,829 --> 01:05:03,280  
perception comes in it seemed to me i

1627  
01:05:06,789 --> 01:05:05,839  
felt like i was underground

1628  
01:05:08,870 --> 01:05:06,799  
right and i don't know if that was

1629  
01:05:11,349 --> 01:05:08,880  
because of a lack of windows

1630  
01:05:13,829 --> 01:05:11,359  
and that gave me that perception

1631  
01:05:16,069 --> 01:05:13,839  
or but there was something like that it

1632  
01:05:18,390 --> 01:05:16,079  
certainly was a lack of windows

1633  
01:05:20,870 --> 01:05:18,400  
and uh just a

1634  
01:05:23,029 --> 01:05:20,880  
little slightly darker feeling in the

1635  
01:05:25,430 --> 01:05:23,039  
lighting was a different type of

1636  
01:05:27,670 --> 01:05:25,440  
lighting than you would normally

1637  
01:05:29,670 --> 01:05:27,680  
see it was there was just huge

1638  
01:05:30,870 --> 01:05:29,680

fluorescent

1639

01:05:32,589 --> 01:05:30,880

in in the

1640

01:05:34,710 --> 01:05:32,599

military lab part

1641

01:05:35,430 --> 01:05:34,720

absolutely bright

1642

01:05:37,029 --> 01:05:35,440

how

1643

01:05:39,029 --> 01:05:37,039

is this something that's happened like

1644

01:05:43,029 --> 01:05:39,039

not too long ago or

1645

01:05:45,430 --> 01:05:43,039

listen um last september i spoke at the

1646

01:05:48,390 --> 01:05:45,440

be the shift conference that uh laura

1647

01:05:49,270 --> 01:05:48,400

eisenhower helped sponsor up at the seti

1648

01:05:50,630 --> 01:05:49,280

ranch

1649

01:05:51,430 --> 01:05:50,640

yeah

1650

01:05:52,870 --> 01:05:51,440

and

1651

01:06:05,750 --> 01:05:52,880

i

1652

01:06:08,390 --> 01:06:05,760

to speak

1653

01:06:10,150 --> 01:06:08,400

i also did the guided meditations on the

1654

01:06:12,549 --> 01:06:10,160

ranch every morning

1655

01:06:14,710 --> 01:06:12,559

and um

1656

01:06:18,069 --> 01:06:14,720

but still i was thinking you know

1657

01:06:20,630 --> 01:06:18,079

portals a stargate really

1658

01:06:22,150 --> 01:06:20,640

let me tell you we're out in the area

1659

01:06:24,150 --> 01:06:22,160

that they call the stargate we're

1660

01:06:27,990 --> 01:06:24,160

looking up at the mountain

1661

01:06:30,390 --> 01:06:28,000

mountain disappeared from my

1662

01:06:32,150 --> 01:06:30,400

focus and i was with two other women and

1663

01:06:34,789 --> 01:06:32,160

we had the you know tibetan singing

1664

01:06:36,870 --> 01:06:34,799

bowls and we were doing some like celtic

1665

01:06:38,630 --> 01:06:36,880

chanting stuff it turned out to be quite

1666

01:06:40,710 --> 01:06:38,640

beautiful they had beautiful voices i

1667

01:06:42,309 --> 01:06:40,720

just was a participant

1668

01:06:44,549 --> 01:06:42,319

and

1669

01:06:47,430 --> 01:06:44,559

as we walked back

1670

01:06:50,630 --> 01:06:47,440

everybody was like laurie laurie

1671

01:06:52,390 --> 01:06:50,640

turn around so we turned around and

1672

01:06:54,710 --> 01:06:52,400

we're the start where it opened there's

1673

01:06:56,950 --> 01:06:54,720

like an apparently little door there

1674

01:06:58,950 --> 01:06:56,960

it lit up from one end across that

1675

01:07:01,430 --> 01:06:58,960

mountain to the other one what we would

1676

01:07:02,150 --> 01:07:01,440

call a ufo after the other

1677

01:07:03,910 --> 01:07:02,160

in

1678

01:07:05,990 --> 01:07:03,920

succession from one end to the other

1679

01:07:07,349 --> 01:07:06,000

from one end of the other it was like a

1680

01:07:09,510 --> 01:07:07,359

close encounter

1681

01:07:12,309 --> 01:07:09,520

it was so bright

1682

01:07:15,029 --> 01:07:12,319

clearly nearly as long as like applause

1683

01:07:17,349 --> 01:07:15,039

would and that was the feeling that all

1684

01:07:18,150 --> 01:07:17,359

three of us women kind of felt but that

1685

01:07:20,870 --> 01:07:18,160

night

1686

01:07:22,950 --> 01:07:20,880

i went back into the room

1687

01:07:25,430 --> 01:07:22,960

uh where i was staying

1688

01:07:27,109 --> 01:07:25,440

in in the speaker's house it was a

1689

01:07:29,109 --> 01:07:27,119

common room and then a bunch of bedrooms

1690

01:07:31,029 --> 01:07:29,119

and went into the bedroom that i was

1691

01:07:35,589 --> 01:07:31,039

using and

1692

01:07:38,950 --> 01:07:35,599

as i fell asleep i woke up right away in

1693

01:07:42,630 --> 01:07:38,960

a very in like a hospital room it felt

1694

01:07:45,670 --> 01:07:42,640

very much like a hospital room and the

1695

01:07:47,109 --> 01:07:45,680

woman was handing me something

1696

01:07:47,990 --> 01:07:47,119

and she and

1697

01:07:50,549 --> 01:07:48,000

see

1698

01:07:52,390 --> 01:07:50,559

i was going along with it until

1699

01:07:55,430 --> 01:07:52,400

something throws me and i become

1700

01:07:56,870 --> 01:07:55,440

completely lucid and i was and i joked

1701

01:07:57,880 --> 01:07:56,880

and i said to her you want me to put

1702

01:08:02,870 --> 01:07:57,890

that where

1703

01:08:05,510 --> 01:08:02,880

[Laughter]

1704

01:08:10,150 --> 01:08:05,520

and i and i as she turned and looked at

1705

01:08:11,430 --> 01:08:10,160

me her full face was that of the typical

1706

01:08:14,789 --> 01:08:11,440

hybrid

1707

01:08:17,349 --> 01:08:14,799

that you see um she had the lab coat on

1708

01:08:19,349 --> 01:08:17,359

but she had that she was a great tall

1709

01:08:22,950 --> 01:08:19,359

gray human and they have like you know

1710

01:08:25,829 --> 01:08:22,960

that asian haircut with bangs black hair

1711

01:08:28,309 --> 01:08:25,839

short and she was totally

1712

01:08:30,950 --> 01:08:28,319

a hybrid and she talked to me

1713

01:08:33,189 --> 01:08:30,960

telepathically and she said

1714

01:08:34,789 --> 01:08:33,199

do i need help with it

1715

01:08:38,870 --> 01:08:34,799

and i said no

1716

01:08:40,470 --> 01:08:38,880

and as i was saying no my mind her face

1717

01:08:42,789 --> 01:08:40,480

started to change

1718

01:08:45,030 --> 01:08:42,799

that's in the face of my daughter

1719

01:08:47,590 --> 01:08:45,040

and i was kind of happy because i knew

1720

01:08:50,829 --> 01:08:47,600

she was they i think they they're on to

1721

01:08:53,030 --> 01:08:50,839

me now they can tell when i'm 100

1722

01:08:55,269 --> 01:08:53,040

lucid and so

1723

01:08:57,910 --> 01:08:55,279

because it was like

1724

01:08:58,950 --> 01:08:57,920

a hospital-ish and because she had the

1725

01:09:00,789 --> 01:08:58,960

coat

1726

01:09:03,030 --> 01:09:00,799

on um

1727

01:09:04,870 --> 01:09:03,040

i think that my last

1728

01:09:07,269 --> 01:09:04,880

my lab

1729

01:09:09,110 --> 01:09:07,279

checkup was um

1730

01:09:10,149 --> 01:09:09,120

last september so i'm probably not due

1731

01:09:12,309 --> 01:09:10,159

till

1732

01:09:14,390 --> 01:09:12,319

you know later this month

1733

01:09:16,149 --> 01:09:14,400

my goodness so these these beings are

1734

01:09:18,229 --> 01:09:16,159

working hand in hand with the government

1735

01:09:21,430 --> 01:09:18,239

to take and

1736

01:09:23,749 --> 01:09:21,440

kind of spy on what the other beings are

1737

01:09:26,470 --> 01:09:23,759

doing that are not connected with them

1738

01:09:29,269 --> 01:09:26,480

well yeah i think that's what it seems

1739

01:09:32,149 --> 01:09:29,279

like i mean you know this is a total

1740

01:09:34,390 --> 01:09:32,159

hybrid being the total gray human hybrid

1741

01:09:36,309 --> 01:09:34,400

that was you know

1742

01:09:39,430 --> 01:09:36,319

administering to me

1743

01:09:43,269 --> 01:09:39,440

under this under those circumstances

1744

01:09:45,030 --> 01:09:43,279

and it was very unusual but you know

1745

01:09:48,390 --> 01:09:45,040

my mom had

1746

01:09:53,990 --> 01:09:51,189

but uh she had a missing time experience

1747

01:09:54,870 --> 01:09:54,000

right after she started puberty

1748

01:09:57,189 --> 01:09:54,880

which

1749

01:09:59,669 --> 01:09:57,199

kind of lines up in the research

1750

01:10:00,709 --> 01:09:59,679

but um

1751

01:10:02,790 --> 01:10:00,719

she had

1752

01:10:04,709 --> 01:10:02,800

been abducted

1753

01:10:07,030 --> 01:10:04,719

almost every other week for the full

1754

01:10:09,110 --> 01:10:07,040

nine months that she was pregnant

1755

01:10:10,550 --> 01:10:09,120

and she said that was the only time she

1756

01:10:12,950 --> 01:10:10,560

said she doesn't call him abductions

1757

01:10:13,990 --> 01:10:12,960

because she went willingly

1758

01:10:16,630 --> 01:10:14,000

and

1759

01:10:18,550 --> 01:10:16,640

she said she you know

1760

01:10:19,830 --> 01:10:18,560

i think i might have told you

1761

01:10:22,870 --> 01:10:19,840

heidi is

1762

01:10:25,830 --> 01:10:22,880

great after my 50th birthday i did a tv

1763

01:10:28,790 --> 01:10:25,840

show and apparently she had seen it

1764

01:10:31,189 --> 01:10:28,800

and she never raised me uh she called me

1765

01:10:33,430 --> 01:10:31,199

up she still lives in canada and she's

1766

01:10:35,990 --> 01:10:33,440

like lori i'm here and

1767

01:10:38,070 --> 01:10:36,000

um i think you need to know the truth

1768

01:10:41,110 --> 01:10:38,080

now i can't believe that you spent you

1769

01:10:41,990 --> 01:10:41,120

know 25 years doing this ufo

1770

01:10:43,110 --> 01:10:42,000

stuff

1771

01:10:45,189 --> 01:10:43,120

she said

1772

01:10:47,270 --> 01:10:45,199

i'm i'm gonna tell you

1773

01:10:49,990 --> 01:10:47,280

the story of your birth

1774

01:10:52,149 --> 01:10:50,000

she said that for the full nine months

1775

01:10:53,510 --> 01:10:52,159

she was continuously abducted while she

1776

01:10:55,030 --> 01:10:53,520

was pregnant with me

1777

01:10:56,709 --> 01:10:55,040

she would get scared

1778

01:10:58,470 --> 01:10:56,719

and she said there'd be three of them

1779

01:11:00,390 --> 01:10:58,480

standing behind her head and they'd tell

1780

01:11:02,790 --> 01:11:00,400

her don't worry you're out you're safe

1781

01:11:04,950 --> 01:11:02,800

we're only interested in your baby

1782

01:11:07,830 --> 01:11:04,960

and this one

1783

01:11:09,750 --> 01:11:07,840

for the full nine months and then

1784

01:11:11,430 --> 01:11:09,760

late in september she was said she was

1785

01:11:13,030 --> 01:11:11,440

sitting in the backyard very early in

1786

01:11:14,870 --> 01:11:13,040

the morning and

1787

01:11:15,990 --> 01:11:14,880

two of the beings showed up on either

1788

01:11:17,590 --> 01:11:16,000

side of her

1789

01:11:19,590 --> 01:11:17,600

exploded her

1790

01:11:21,189 --> 01:11:19,600

just floated she said her feet weren't

1791

01:11:22,709 --> 01:11:21,199

touching the ground and she had gone

1792

01:11:24,470 --> 01:11:22,719

through the orchard

1793

01:11:26,630 --> 01:11:24,480

right to the center where there's a

1794

01:11:28,310 --> 01:11:26,640

clearing that's where the tractors turn

1795

01:11:30,550 --> 01:11:28,320

around for harvest

1796

01:11:32,790 --> 01:11:30,560

and she said a ufo was hovering above

1797

01:11:35,590 --> 01:11:32,800

that now she saw the ufo she was

1798

01:11:37,430 --> 01:11:35,600

instantly on the ufo with the two beings

1799

01:11:39,270 --> 01:11:37,440

they did all types of other testing she

1800

01:11:40,870 --> 01:11:39,280

remembers an implant she told me all

1801

01:11:42,550 --> 01:11:40,880

this and she was telling me if i called

1802

01:11:44,149 --> 01:11:42,560

my husband over and put her on speaker

1803

01:11:45,270 --> 01:11:44,159

because i don't know her she didn't

1804

01:11:48,149 --> 01:11:45,280

leave me

1805

01:11:50,070 --> 01:11:48,159

she said uh she couldn't feed me

1806

01:11:52,550 --> 01:11:50,080

and i couldn't take the breast milk i

1807

01:11:54,630 --> 01:11:52,560

wouldn't drink the cow's milk still

1808

01:11:57,270 --> 01:11:54,640

i'm a vegan won't have anything to do

1809

01:11:59,110 --> 01:11:57,280

with that cow's milk wow and

1810

01:12:00,550 --> 01:11:59,120

um

1811

01:12:01,510 --> 01:12:00,560

she uh

1812

01:12:03,189 --> 01:12:01,520

uh

1813

01:12:05,350 --> 01:12:03,199

couldn't bond with me she said she was

1814

01:12:07,350 --> 01:12:05,360

terrified you know here's my mom she's

1815

01:12:09,910 --> 01:12:07,360

like five foot one with black hair and

1816

01:12:12,070 --> 01:12:09,920

brown eyes and i'm almost five nine and

1817

01:12:13,590 --> 01:12:12,080

i have very blue eyes and

1818

01:12:15,030 --> 01:12:13,600

and uh

1819

01:12:16,310 --> 01:12:15,040

she uh

1820

01:12:18,709 --> 01:12:16,320

gave me away

1821

01:12:20,229 --> 01:12:18,719

eventually i was put up for adoption but

1822

01:12:22,470 --> 01:12:20,239

never adopted

1823

01:12:24,149 --> 01:12:22,480

and had gone through the hell of what

1824

01:12:27,030 --> 01:12:24,159

they call foster care

1825

01:12:29,510 --> 01:12:27,040

you know in line to be abducted and uh

1826

01:12:30,500 --> 01:12:29,520

just it never happened for me

1827

01:12:31,910 --> 01:12:30,510

so um

1828

01:12:35,110 --> 01:12:31,920

[Music]

1829

01:12:36,870 --> 01:12:35,120

all of a sudden now i'm 50 years old and

1830

01:12:39,030 --> 01:12:36,880

i get this phone call

1831

01:12:41,750 --> 01:12:39,040

and she said she wrote it all down and

1832

01:12:43,990 --> 01:12:41,760

she tried to tell my dad she told her

1833

01:12:45,430 --> 01:12:44,000

doctor what was happening while she was

1834

01:12:48,070 --> 01:12:45,440

pregnant and they told her it was

1835

01:12:50,790 --> 01:12:48,080

hormones they eventually shut her right

1836

01:12:52,550 --> 01:12:50,800

down and told her not to talk about it

1837

01:12:55,270 --> 01:12:52,560

at all now

1838

01:12:57,990 --> 01:12:55,280

now i'm thinking oh my god here i am

1839

01:12:59,990 --> 01:12:58,000

running in one of california's largest

1840

01:13:00,870 --> 01:13:00,000

full-on participating

1841

01:13:02,709 --> 01:13:00,880

um

1842

01:13:04,070 --> 01:13:02,719

experience or groups

1843

01:13:05,910 --> 01:13:04,080

um

1844

01:13:08,149 --> 01:13:05,920

of opus

1845

01:13:09,910 --> 01:13:08,159

the organization for paranormal

1846

01:13:11,590 --> 01:13:09,920

understanding and support i think that's

1847

01:13:13,350 --> 01:13:11,600

just a board member then

1848

01:13:15,110 --> 01:13:13,360

i'm now the president

1849

01:13:17,669 --> 01:13:15,120

and

1850

01:13:18,630 --> 01:13:17,679

i do these free

1851  
01:13:21,669 --> 01:13:18,640  
you know

1852  
01:13:22,870 --> 01:13:21,679  
and uh apply everything

1853  
01:13:24,709 --> 01:13:22,880  
and

1854  
01:13:25,990 --> 01:13:24,719  
women have come to me

1855  
01:13:27,910 --> 01:13:26,000  
scared

1856  
01:13:29,750 --> 01:13:27,920  
you know they've had eggs missing

1857  
01:13:31,590 --> 01:13:29,760  
they've been taken on ships they've been

1858  
01:13:32,790 --> 01:13:31,600  
in nurseries they've had

1859  
01:13:34,709 --> 01:13:32,800  
preachers

1860  
01:13:38,149 --> 01:13:34,719  
put into their hand that their job was

1861  
01:13:40,390 --> 01:13:38,159  
either to love or to nurture somehow

1862  
01:13:41,910 --> 01:13:40,400  
some of them repulsed them

1863  
01:13:43,590 --> 01:13:41,920

sometimes they were told that they were

1864

01:13:44,470 --> 01:13:43,600

their baby

1865

01:13:47,030 --> 01:13:44,480

and

1866

01:13:48,630 --> 01:13:47,040

here i'm listening to her tell recount

1867

01:13:50,709 --> 01:13:48,640

this story

1868

01:13:52,950 --> 01:13:50,719

and i'm thinking well it's so funny that

1869

01:13:54,070 --> 01:13:52,960

i've dedicated without knowing any of

1870

01:13:56,630 --> 01:13:54,080

this

1871

01:13:59,110 --> 01:13:56,640

not having any idea what had happened to

1872

01:14:01,510 --> 01:13:59,120

her nobody right

1873

01:14:04,950 --> 01:14:01,520

here i am my life dedicated to the

1874

01:14:07,030 --> 01:14:04,960

research to the experiercer i emphasized

1875

01:14:09,590 --> 01:14:07,040

for years on the women with who lost

1876

01:14:12,149 --> 01:14:09,600

babies and eggs and pregnancies

1877

01:14:16,630 --> 01:14:12,159

and i thought man every every woman that

1878

01:14:19,350 --> 01:14:16,640

showed up on some level was my mother

1879

01:14:20,390 --> 01:14:19,360

and so i i wanted

1880

01:14:22,709 --> 01:14:20,400

my mom

1881

01:14:25,510 --> 01:14:22,719

to have the opportunity to speak her

1882

01:14:27,590 --> 01:14:25,520

truth to not be ridiculed to not be shut

1883

01:14:29,910 --> 01:14:27,600

down to not have

1884

01:14:31,990 --> 01:14:29,920

her be told it's your hormones for god's

1885

01:14:33,669 --> 01:14:32,000

sakes like you can't tell the difference

1886

01:14:36,149 --> 01:14:33,679

right and

1887

01:14:39,590 --> 01:14:36,159

and i wanted her to you know

1888

01:14:42,550 --> 01:14:39,600

come on this tv show that i was doing

1889

01:14:45,350 --> 01:14:42,560

and and tell her story and

1890

01:14:46,630 --> 01:14:45,360

i called up the producer right away and

1891

01:14:48,709 --> 01:14:46,640

told him you're never going to believe

1892

01:14:51,110 --> 01:14:48,719

what happened then

1893

01:14:52,149 --> 01:14:51,120

that my mother i have a mother

1894

01:14:54,950 --> 01:14:52,159

and

1895

01:14:57,830 --> 01:14:54,960

you know

1896

01:14:59,430 --> 01:14:57,840

she told me of this story and i gave him

1897

01:15:01,669 --> 01:14:59,440

her number and you know they talked all

1898

01:15:04,310 --> 01:15:01,679

that summer long and in the spring she

1899

01:15:06,470 --> 01:15:04,320

was going to come on and the phone rang

1900

01:15:08,149 --> 01:15:06,480

and it was the hospital

1901

01:15:11,270 --> 01:15:08,159

calling from

1902

01:15:13,430 --> 01:15:11,280

canada and they said that my mother just

1903

01:15:16,790 --> 01:15:13,440

experienced a

1904

01:15:19,350 --> 01:15:16,800

a massive stroke and a brain aneurysm

1905

01:15:20,950 --> 01:15:19,360

and is no longer able to speak

1906

01:15:23,510 --> 01:15:20,960

come on

1907

01:15:26,470 --> 01:15:23,520

and i got on a plane

1908

01:15:29,110 --> 01:15:26,480

hired a car waiting at the detroit

1909

01:15:30,149 --> 01:15:29,120

airport i got on a plane and i flew to

1910

01:15:32,229 --> 01:15:30,159

michigan

1911

01:15:35,270 --> 01:15:32,239

got into the car they took me directly

1912

01:15:37,990 --> 01:15:35,280

to the hospital i saw her as they were

1913

01:15:40,310 --> 01:15:38,000

reeling her away

1914

01:15:43,510 --> 01:15:40,320

for brain coiling

1915

01:15:45,510 --> 01:15:43,520

and she suffered the stroke then and

1916

01:15:47,669 --> 01:15:45,520

she's been in speech therapy

1917

01:15:50,310 --> 01:15:47,679

and she hasn't been able to she

1918

01:15:54,310 --> 01:15:50,320

obviously didn't make the show and then

1919

01:15:57,030 --> 01:15:54,320

later that september um

1920

01:15:59,270 --> 01:15:57,040

the promos for the show just aired and

1921

01:16:01,030 --> 01:15:59,280

went out and there was good talk fox was

1922

01:16:02,870 --> 01:16:01,040

going to pick it up it was going to be a

1923

01:16:05,350 --> 01:16:02,880

big deal and

1924

01:16:06,550 --> 01:16:05,360

next thing you know in the dark matter

1925

01:16:08,870 --> 01:16:06,560

news uh

1926

01:16:13,750 --> 01:16:08,880  
headline written by the reporter

1927

01:16:19,110 --> 01:16:15,830  
tv show producer jim o'connell

1928

01:16:22,709 --> 01:16:19,120  
mysteriously died in his sleep

1929

01:16:23,750 --> 01:16:22,719  
and that was that now jim is dead

1930

01:16:25,510 --> 01:16:23,760  
and

1931

01:16:27,990 --> 01:16:25,520  
so is canned

1932

01:16:29,110 --> 01:16:28,000  
my mom's healing

1933

01:16:30,149 --> 01:16:29,120  
and i'm

1934

01:16:31,430 --> 01:16:30,159  
left

1935

01:16:33,510 --> 01:16:31,440  
researching

1936

01:16:35,189 --> 01:16:33,520  
putting it together my mom's been in

1937

01:16:36,470 --> 01:16:35,199  
speech therapy and i'm speaking in

1938

01:16:37,350 --> 01:16:36,480

november

1939

01:16:39,669 --> 01:16:37,360

uh

1940

01:16:41,270 --> 01:16:39,679

10th and 11th or 9th 10th forgive me if

1941

01:16:44,390 --> 01:16:41,280

i'm wrong at the awaken awareness

1942

01:16:46,310 --> 01:16:44,400

conference in detroit michigan and uh

1943

01:16:47,669 --> 01:16:46,320

they're bringing my mother

1944

01:16:49,910 --> 01:16:47,679

nice

1945

01:16:50,950 --> 01:16:49,920

how long ago did this take place that uh

1946

01:16:53,510 --> 01:16:50,960

that

1947

01:16:56,229 --> 01:16:53,520

it'll be four years in a couple days

1948

01:16:57,990 --> 01:16:56,239

goodness wow what a tremendous what a

1949

01:16:59,110 --> 01:16:58,000

way to end the show

1950

01:17:01,350 --> 01:16:59,120

man

1951

01:17:04,950 --> 01:17:01,360

come on laurie now now i want to expand

1952

01:17:10,229 --> 01:17:06,870

and she's going to tell the story in her

1953

01:17:11,350 --> 01:17:10,239

own words wonderful stand beside her and

1954

01:17:13,910 --> 01:17:11,360

let her be

1955

01:17:15,590 --> 01:17:13,920

beautiful you know and we've got only a

1956

01:17:17,510 --> 01:17:15,600

couple of minutes well we got one minute

1957

01:17:19,750 --> 01:17:17,520

now um you know there's so much more

1958

01:17:21,350 --> 01:17:19,760

that we could talk about and you know we

1959

01:17:24,149 --> 01:17:21,360

had a mishap where we tried to have you

1960

01:17:25,750 --> 01:17:24,159

on before and and uh i swear to god i

1961

01:17:27,910 --> 01:17:25,760

think i need to have you back on so we

1962

01:17:30,950 --> 01:17:27,920

could chat some more there's too much

1963

01:17:32,790 --> 01:17:30,960

too much to cover but um i want people

1964

01:17:34,470 --> 01:17:32,800

to check out your website trueyou

1965

01:17:36,550 --> 01:17:34,480

hypnotherapy.com

1966

01:17:39,830 --> 01:17:36,560

is uh that also where people have

1967

01:17:41,669 --> 01:17:39,840

experienced uh aliens to go to

1968

01:17:44,470 --> 01:17:41,679

find out about your group

1969

01:17:46,790 --> 01:17:44,480

yeah they can check out their event page

1970

01:17:49,350 --> 01:17:46,800

and uh they can check out upcoming

1971

01:17:51,510 --> 01:17:49,360

events and there's an extraterrestrial

1972

01:17:54,149 --> 01:17:51,520

page they can click on that it'll give

1973

01:17:56,390 --> 01:17:54,159

them a link to join the group or just do

1974

01:17:57,910 --> 01:17:56,400

a little easy background check to make

1975

01:18:00,470 --> 01:17:57,920

sure they are who they say they are and

1976

01:18:02,470 --> 01:18:00,480

then they're welcome and

1977

01:18:05,110 --> 01:18:02,480

you can't talk to that way or

1978

01:18:06,390 --> 01:18:05,120

or any other way throughout all right
