1  
00:00:04,849 --> 00:00:02,210  
okay keep your eyes closed okay I want

2  
00:00:08,780 --> 00:00:04,859  
to show you my first ever painting all

3  
00:00:12,620 --> 00:00:08,790  
right okay open your eyes oh that's a

4  
00:00:16,580 --> 00:00:12,630  
lot of colors and shades so be honest

5  
00:00:17,990 --> 00:00:16,590  
what do you think well I like how if you

6  
00:00:19,640 --> 00:00:18,000  
switch to Geico you could save hundreds

7  
00:00:22,849 --> 00:00:19,650  
of dollars on car insurance oh yeah

8  
00:00:25,160 --> 00:00:22,859  
that's that's true yeah here why don't I

9  
00:00:27,769 --> 00:00:25,170  
hold your paintbrush while you call them

10  
00:00:30,750 --> 00:00:27,779  
Geico because saving 15% or more on car

11  
00:00:32,730 --> 00:00:30,760  
insurance is always a great answer

12  
00:00:33,100 --> 00:00:32,740  
[Music]

13  
00:00:38,820 --> 00:00:33,110

[Applause]

14

00:00:45,009 --> 00:00:41,270

[Music]

15

00:00:51,729 --> 00:00:48,200

there are over 1000 UFO sightings

16

00:00:54,079 --> 00:00:51,739

reported around the world every month

17

00:00:57,250 --> 00:00:54,089

90% of these sightings to be explained

18

00:00:59,750 --> 00:00:57,260

but 10% and not

19

00:01:01,490 --> 00:00:59,760

officially and unofficially the US

20

00:01:03,490 --> 00:01:01,500

government has been investigating UFOs

21

00:01:06,020 --> 00:01:03,500

since 1947

22

00:01:07,490 --> 00:01:06,030

new top-secret goal is to find out

23

00:01:10,749 --> 00:01:07,500

what's behind these unexplained

24

00:01:16,940 --> 00:01:13,999

the Pentagon classifies these as unusual

25

00:01:21,969 --> 00:01:16,950

airborne anomalies but a better term is

26  
00:01:27,969 --> 00:01:25,639  
join us as Mac Longbourn and Commander

27  
00:01:30,980 --> 00:01:27,979  
Cobra it's where these unsolved cases

28  
00:01:35,059 --> 00:01:30,990  
UFO incidents that even baffled the US

29  
00:01:35,840 --> 00:01:35,069  
military this is mech Melones military

30  
00:01:36,969 --> 00:01:35,850  
x-files

31  
00:01:38,499 --> 00:01:36,979  
[Music]

32  
00:01:49,050 --> 00:01:38,509  
and

33  
00:01:52,429 --> 00:01:49,060  
to Mack Moniz military style show here

34  
00:01:55,740 --> 00:01:52,439  
on the distant Thunder radio and network

35  
00:01:58,130 --> 00:01:55,750  
this is Beth Bologna we were very

36  
00:02:00,620 --> 00:01:58,140  
interesting shoe for you tonight but

37  
00:02:03,359 --> 00:02:00,630  
we've had a shuffling in the posse

38  
00:02:04,830 --> 00:02:03,369

remember last week one one had been here

39

00:02:06,600 --> 00:02:04,840

in nineteen weeks in a row he was

40

00:02:09,320 --> 00:02:06,610

praying that he'd be here 20 weeks in

41

00:02:11,420 --> 00:02:09,330

row but nope his string has

42

00:02:13,970 --> 00:02:11,430

been broken at

43

00:02:16,110 --> 00:02:13,980

1919 so he has to start all over again

44

00:02:18,210 --> 00:02:16,120

he'll be glad to know that that's the

45

00:02:19,410 --> 00:02:18,220

exact same number of games that the New

46

00:02:22,229 --> 00:02:19,420

England Patriots have to win to go to

47

00:02:24,030 --> 00:02:22,239

the Super Bowl so that might be the

48

00:02:27,360 --> 00:02:24,040

reason might he's not here tonight who

49

00:02:30,030 --> 00:02:27,370

knows however we will carry on without

50

00:02:32,400 --> 00:02:30,040

him I mean a Cobra will be calling in in

51  
00:02:35,880 --> 00:02:32,410  
a little while we'll also be talking to

52  
00:02:37,440 --> 00:02:35,890  
rob Beck Heusen of Juarez boring we're

53  
00:02:39,600 --> 00:02:37,450  
going to be talking to Emily min and

54  
00:02:41,550 --> 00:02:39,610  
Maya a little bit later on about the

55  
00:02:44,880 --> 00:02:41,560  
Michigan Paracon conference that she

56  
00:02:46,640 --> 00:02:44,890  
went to and we also have a very special

57  
00:02:49,759 --> 00:02:46,650  
guest appearance from

58  
00:02:52,199 --> 00:02:49,769  
dribbles to clown the bit of clown so a

59  
00:02:55,259 --> 00:02:52,209  
jam-packed show for you tonight but I

60  
00:02:57,300 --> 00:02:55,269  
want to bring in my dragooned co-host

61  
00:02:59,550 --> 00:02:57,310  
for the night switchblade Steve what up

62  
00:03:02,520 --> 00:02:59,560  
there in the bowl of flakes battle creek

63  
00:03:05,970 --> 00:03:02,530

michigan yeah how you doing good are you

64

00:03:07,920 --> 00:03:05,980

doing yeah okay I feel like I moved up

65

00:03:09,420 --> 00:03:07,930

in status temporarily here well we to

66

00:03:13,559 --> 00:03:09,430

get the paycheck and then you can decide

67

00:03:15,360 --> 00:03:13,569

okay okay LC um so what yeah one one not

68

00:03:17,400 --> 00:03:15,370

here I remember he was going on last

69

00:03:20,550 --> 00:03:17,410

week about the Patriots and you wanted

70

00:03:24,240 --> 00:03:20,560

to be hated streak and I know he was

71

00:03:27,120 --> 00:03:24,250

very proud of his is an uninterrupted

72

00:03:29,729 --> 00:03:27,130

streak right yep what did you pajamas

73

00:03:31,250 --> 00:03:29,739

and so on but you know he can just add

74

00:03:34,789 --> 00:03:31,260

another street

75

00:03:36,720 --> 00:03:34,799

I hate to even suggest that to him but

76

00:03:38,160 --> 00:03:36,730

you know we have an interest in show

77

00:03:40,050 --> 00:03:38,170

tonight's which you're gonna be back on

78

00:03:42,960 --> 00:03:40,060

later on with Emily talking to us about

79

00:03:44,840 --> 00:03:42,970

the Michigan para Tom exactly

80

00:03:47,970 --> 00:03:44,850

non-conference and

81

00:03:50,099 --> 00:03:47,980

did you before let's tease it a little

82

00:03:51,840 --> 00:03:50,109

bit okay but I should say you know we

83

00:03:53,310 --> 00:03:51,850

have especially just in the studio with

84

00:03:55,020 --> 00:03:53,320

us tonight you've heard us Steve talked

85

00:03:57,000 --> 00:03:55,030

about the mystery Airport down here near

86

00:04:00,479 --> 00:03:57,010

will yeah right

87

00:04:02,720 --> 00:04:00,489

well we have courtesy of a command I

88

00:04:05,610 --> 00:04:02,730

really a wrangled this one

89

00:04:07,500 --> 00:04:05,620

the manager the operator of the mystery

90

00:04:09,420 --> 00:04:07,510

employed right John Murray alright

91

00:04:11,100 --> 00:04:09,430

that's right what's your title well

92

00:04:13,860 --> 00:04:11,110

chief flight instructor you might say

93

00:04:15,750 --> 00:04:13,870

excellent all right maybe you can you

94

00:04:17,370 --> 00:04:15,760

could you explain to me why I'm afraid

95

00:04:18,810 --> 00:04:17,380

of flying I've been I've got the

96

00:04:21,000 --> 00:04:18,820

psychiatrist shrinks and no one can

97

00:04:23,400 --> 00:04:21,010

explain it I thought maybe a pilot could

98

00:04:27,180 --> 00:04:23,410

do it well it could be fear of death

99

00:04:29,340 --> 00:04:27,190

that's it thank you most people confess

100

00:04:33,620 --> 00:04:29,350

its fear of heights but I don't believe

101  
00:04:37,409 --> 00:04:36,029  
so um we're gonna be talking about this

102  
00:04:39,810 --> 00:04:37,419  
little airport down the street from us

103  
00:04:41,100 --> 00:04:39,820  
here in the next segment but you've

104  
00:04:42,540 --> 00:04:41,110  
heard us talk about it Steve right do

105  
00:04:43,850 --> 00:04:42,550  
you remember them all the crazy stuff

106  
00:04:47,340 --> 00:04:43,860  
that's going on there

107  
00:04:48,570 --> 00:04:47,350  
I remember some of it but I haven't

108  
00:04:50,370 --> 00:04:48,580  
really been following that much just

109  
00:04:51,689 --> 00:04:50,380  
just what I've heard on your show okay

110  
00:04:53,460 --> 00:04:51,699  
well that's it's the only place you've

111  
00:04:55,800 --> 00:04:53,470  
been hearing it on the show oh okay so

112  
00:04:58,560 --> 00:04:55,810  
it's a small airport down on the coast

113  
00:05:00,600 --> 00:04:58,570

near the barrier island called some

114

00:05:02,640 --> 00:05:00,610

Island it's been there for a long time

115

00:05:04,469 --> 00:05:02,650

it has quite a history in just you know

116

00:05:06,900 --> 00:05:04,479

since we've been doing the show people

117

00:05:09,029 --> 00:05:06,910

have contacted us and it seems odd

118

00:05:10,290 --> 00:05:09,039

things happening down there so we're

119

00:05:12,060 --> 00:05:10,300

gonna be talking to join in the next

120

00:05:13,680 --> 00:05:12,070

segment about you know maybe explaining

121

00:05:16,140 --> 00:05:13,690

some of them but looking forward to

122

00:05:18,029 --> 00:05:16,150

doing this stuff quite a while um so

123

00:05:19,379 --> 00:05:18,039

switch while you wrote the Michigan

124

00:05:23,760 --> 00:05:19,389

program did you meet any you know

125

00:05:25,980 --> 00:05:23,770

celebrities are I did you know the

126

00:05:28,740 --> 00:05:25,990

listeners I'm sure are familiar with the

127

00:05:31,830 --> 00:05:28,750

show Finding Bigfoot right oh yes not

128

00:05:33,900 --> 00:05:31,840

well I love the show I mean I you know I

129

00:05:35,339 --> 00:05:33,910

go into reality shows knowing what they

130

00:05:39,089 --> 00:05:35,349

are yes and knowing that they aren't

131

00:05:42,450 --> 00:05:39,099

quite reality probably quite but I met

132

00:05:45,779 --> 00:05:42,460

two of the principal characters from

133

00:05:49,080 --> 00:05:45,789

that show James Bobo Fay and cliff

134

00:05:51,439 --> 00:05:49,090

barackman Wow the short guy you know the

135

00:05:55,560 --> 00:05:51,449

kind of I've

136

00:05:58,080 --> 00:05:55,570

never seen no gay no I and Bobo is the

137

00:06:01,560 --> 00:05:58,090

big guy he's actually dropped a lot of

138

00:06:03,810 --> 00:06:01,570

weight looks pretty good Wow but him

139

00:06:05,399 --> 00:06:03,820

I've seen it's it was that nice at him

140

00:06:08,490 --> 00:06:05,409

I've seen I saw a clip of him then he

141

00:06:10,790 --> 00:06:08,500

leave like a pizza and in the woods for

142

00:06:13,360 --> 00:06:10,800

Bigfoot and

143

00:06:15,890 --> 00:06:13,370

okay back in the piece it was happy

144

00:06:18,230 --> 00:06:15,900

obviously even stuff like bacon and

145

00:06:20,210 --> 00:06:18,240

pizza kind of stuff that he likes yeah

146

00:06:21,649 --> 00:06:20,220

that's he's convinced that Bigfoot likes

147

00:06:23,839 --> 00:06:21,659

so you leave that kind of stuff behind

148

00:06:25,670 --> 00:06:23,849

the backstory as they say in the biz so

149

00:06:29,809 --> 00:06:25,680

so what was he by crows bubble likely

150

00:06:31,339 --> 00:06:29,819

tenant office an absolute great guy you

151  
00:06:32,869 --> 00:06:31,349  
never know what somebody's gonna be like

152  
00:06:35,659 --> 00:06:32,879  
until you meet him and you know the way

153  
00:06:37,730 --> 00:06:35,669  
they portray these people on on the show

154  
00:06:39,680 --> 00:06:37,740  
you know he's kind of a big guy and they

155  
00:06:42,589 --> 00:06:39,690  
kind of you know what they wouldn't when

156  
00:06:44,390 --> 00:06:42,599  
they with a magic of editing you know he

157  
00:06:46,219 --> 00:06:44,400  
just kind of looks they make him kind of

158  
00:06:48,830 --> 00:06:46,229  
look like a big Oh sometimes maybe not

159  
00:06:51,469 --> 00:06:48,840  
quite so bright but that's just the

160  
00:06:54,860 --> 00:06:51,479  
opposite as out as true he's playing a

161  
00:06:57,469 --> 00:06:54,870  
character well well and also the well

162  
00:06:59,089 --> 00:06:57,479  
you know he complained a lot about he

163  
00:07:01,550 --> 00:06:59,099

says sometimes they they run into some

164

00:07:03,409 --> 00:07:01,560

really interesting stuff but these now

165

00:07:06,020 --> 00:07:03,419

this wasn't his word this is my word

166

00:07:07,790 --> 00:07:06,030

right the the pinheads you know from the

167

00:07:10,779 --> 00:07:07,800

studio yes they took the editing these

168

00:07:14,830 --> 00:07:10,789

little young college types go ahead

169

00:07:18,230 --> 00:07:14,840

really you know just horribly

170

00:07:19,430 --> 00:07:18,240

mangle the episodes really where some of

171

00:07:21,769 --> 00:07:19,440

the and I've heard this before from

172

00:07:23,689 --> 00:07:21,779

other people that I've done reality

173

00:07:26,510 --> 00:07:23,699

shows but sometimes some of the best

174

00:07:28,719 --> 00:07:26,520

stuff for some some unknown reason ends

175

00:07:31,760 --> 00:07:28,729

up on the cutting room floor

176  
00:07:33,649 --> 00:07:31,770  
you know why I mean I'm sure that those

177  
00:07:35,659 --> 00:07:33,659  
two shows I mean let's face it they're

178  
00:07:37,279 --> 00:07:35,669  
not gonna find Bigfoot okay so they got

179  
00:07:38,510 --> 00:07:37,289  
to fill them up with pizza and bacon and

180  
00:07:40,459 --> 00:07:38,520  
all that can so if you think that they

181  
00:07:42,559 --> 00:07:40,469  
were Jim in every little interesting

182  
00:07:44,510 --> 00:07:42,569  
piece they could write they always they

183  
00:07:47,350 --> 00:07:44,520  
always have some kind of a gimmick going

184  
00:07:50,510 --> 00:07:47,360  
you know there's plays play some kind of

185  
00:07:52,219 --> 00:07:50,520  
like like whale sounds over loudspeakers

186  
00:07:54,769 --> 00:07:52,229  
or you know that the producers come up

187  
00:07:56,420 --> 00:07:54,779  
with all kinds of crazy stuff right but

188  
00:07:59,209 --> 00:07:56,430

what the heck it's it's an entertainment

189

00:08:02,930 --> 00:07:59,219

vehicle yeah and but you know when I've

190

00:08:04,219 --> 00:08:02,940

heard I've heard James Bobo Fay all he's

191

00:08:06,230 --> 00:08:04,229

known as Bobo yes I've heard him

192

00:08:07,760 --> 00:08:06,240

interviewed several times on radio talk

193

00:08:10,339 --> 00:08:07,770

shows so I know this guy is no dummy

194

00:08:12,980 --> 00:08:10,349

right and you know he says look this

195

00:08:14,930 --> 00:08:12,990

this show is like Bigfoot 101 it's it's

196

00:08:17,360 --> 00:08:14,940

an entertainment vehicle it when they

197

00:08:18,980 --> 00:08:17,370

first started out doing this show they

198

00:08:20,329 --> 00:08:18,990

had you know they would drag all these

199

00:08:22,339 --> 00:08:20,339

lights and everything into the woods

200

00:08:24,050 --> 00:08:22,349

following these guys around and it's

201  
00:08:26,030 --> 00:08:24,060  
like look if they're happy just happened

202  
00:08:28,490 --> 00:08:26,040  
to be a big foot there he ain't gonna be

203  
00:08:31,490 --> 00:08:28,500  
there very long right so so they finally

204  
00:08:34,400 --> 00:08:31,500  
negotiated after the first short season

205  
00:08:37,159 --> 00:08:34,410  
they said look they they they needed to

206  
00:08:40,520 --> 00:08:37,169  
have some time you know like solo

207  
00:08:42,740 --> 00:08:40,530  
expeditions so every every episode one

208  
00:08:45,680 --> 00:08:42,750  
of them will go off solo for three days

209  
00:08:47,480 --> 00:08:45,690  
notice one cameraman and and they're

210  
00:08:48,920 --> 00:08:47,490  
doing this in areas of you know where

211  
00:08:51,920 --> 00:08:48,930  
there have been a lot of sightings so

212  
00:08:53,690 --> 00:08:51,930  
it's not completely out of the realm of

213  
00:08:56,180 --> 00:08:53,700

possibility that they might actually

214

00:08:58,310 --> 00:08:56,190

experience something right sure okay but

215

00:09:00,170 --> 00:08:58,320

you just hear something that doesn't go

216

00:09:01,160 --> 00:09:00,180

out what they do think well with the

217

00:09:03,830 --> 00:09:01,170

cameraman are they're their own

218

00:09:05,300 --> 00:09:03,840

cameraman no they go out with when they

219

00:09:08,720 --> 00:09:05,310

do the solo when they go out with one

220

00:09:09,650 --> 00:09:08,730

cameraman no at I know that they've

221

00:09:11,090 --> 00:09:09,660

they've showed a lot of behind the

222

00:09:13,040 --> 00:09:11,100

scenes stuff on some of the episodes so

223

00:09:15,380 --> 00:09:13,050

they do have several camps several

224

00:09:16,880 --> 00:09:15,390

camera people they're normally following

225

00:09:18,950 --> 00:09:16,890

the four of them around you know the

226

00:09:21,200 --> 00:09:18,960

Gundy Matt moneymaker is kind of the

227

00:09:22,670 --> 00:09:21,210

head guy oh honey well you you brought

228

00:09:25,690 --> 00:09:22,680

up the magic word there any idea how

229

00:09:28,130 --> 00:09:25,700

much I'm Bobo brings home a week

230

00:09:30,410 --> 00:09:28,140

absolutely none but they've been you

231

00:09:33,560 --> 00:09:30,420

know doing this for several years now so

232

00:09:34,940 --> 00:09:33,570

presumably you know they're the salaries

233

00:09:36,170 --> 00:09:34,950

going up a little bit there's some

234

00:09:38,030 --> 00:09:36,180

question as to whether or not they're

235

00:09:41,930 --> 00:09:38,040

they're coming back they do have some

236

00:09:43,550 --> 00:09:41,940

episodes in the can yes but the I don't

237

00:09:45,290 --> 00:09:43,560

think discovery is going to keep them

238

00:09:46,910 --> 00:09:45,300

anymore I think they're the Travel

239

00:09:48,770 --> 00:09:46,920

Channel may buy them up know more they

240

00:09:50,810 --> 00:09:48,780

might you know I it might come into some

241

00:09:54,260 --> 00:09:50,820

other incarnation but but here's the

242

00:09:56,930 --> 00:09:54,270

cool thing remember a month or two ago I

243

00:09:59,690 --> 00:09:56,940

went down to Point Pleasant yes to to

244

00:10:02,000 --> 00:09:59,700

introduce that new documentary by small

245

00:10:05,150 --> 00:10:02,010

town monsters called the Mothman of

246

00:10:07,160 --> 00:10:05,160

Point Pleasant yes Seth Breedlove is the

247

00:10:09,890 --> 00:10:07,170

guy that engineered all that stuff okay

248

00:10:11,450 --> 00:10:09,900

well Bobo had just seen that and he was

249

00:10:14,090 --> 00:10:11,460

really impressed by it this guy is

250

00:10:16,220 --> 00:10:14,100

actually a big Mothman fan he was asked

251  
00:10:17,990 --> 00:10:16,230  
all kinds of questions about you know I

252  
00:10:19,880 --> 00:10:18,000  
told them that you know my experience

253  
00:10:21,680 --> 00:10:19,890  
with the festival and how many years

254  
00:10:22,850 --> 00:10:21,690  
I've been interested in this and that

255  
00:10:26,030 --> 00:10:22,860  
I'd be speaking this year at the

256  
00:10:27,950 --> 00:10:26,040  
festival so I had you know I actually

257  
00:10:30,740 --> 00:10:27,960  
missed a lot of the speakers because

258  
00:10:32,300 --> 00:10:30,750  
some of the people at their their tables

259  
00:10:35,300 --> 00:10:32,310  
there were much more interesting to talk

260  
00:10:38,060 --> 00:10:35,310  
to so I talked to to Bobo at some length

261  
00:10:40,250 --> 00:10:38,070  
a couple different times about you all

262  
00:10:41,480 --> 00:10:40,260  
kinds of things so that was a real a lot

263  
00:10:43,550 --> 00:10:41,490

of fun how about getting him on the show

264

00:10:45,860 --> 00:10:43,560

would you come on the show you know I

265

00:10:49,340 --> 00:10:45,870

think he might not on other you know

266

00:10:51,740 --> 00:10:49,350

vehicles before right and so you know

267

00:10:54,470 --> 00:10:51,750

it's very possible did you see the text

268

00:10:56,810 --> 00:10:54,480

numbers or smiley emoticons or anything

269

00:10:58,939 --> 00:10:56,820

like that what's that did you exchange

270

00:11:01,009 --> 00:10:58,949

numbers you know do I send you a note

271

00:11:02,750 --> 00:11:01,019

like smiley well I did not but I can I'm

272

00:11:05,329 --> 00:11:02,760

sure I can contact him through Facebook

273

00:11:07,060 --> 00:11:05,339

yeah let's try it you know I know all

274

00:11:10,220 --> 00:11:07,070

right

275

00:11:11,290 --> 00:11:10,230

but and also I uh I have two nephews

276

00:11:13,550 --> 00:11:11,300

that

277

00:11:15,350 --> 00:11:13,560

absolutely love Bobo so I was able to

278

00:11:16,759 --> 00:11:15,360

get some sign pictures Wow for the

279

00:11:18,079 --> 00:11:16,769

hamster I'm gonna I'm gonna be king of

280

00:11:19,970 --> 00:11:18,089

the hill there for a while right right

281

00:11:21,350 --> 00:11:19,980

you know I think Bobo I'm hope he's

282

00:11:23,650 --> 00:11:21,360

putting at least half his salary in the

283

00:11:25,850 --> 00:11:23,660

bank you know what I mean

284

00:11:27,829 --> 00:11:25,860

when the trains gonna stop and some like

285

00:11:29,600 --> 00:11:27,839

that that's right so listen I switch you

286

00:11:30,920 --> 00:11:29,610

know what you can do hang around with us

287

00:11:33,199 --> 00:11:30,930

for a while and we're gonna take a

288

00:11:34,970 --> 00:11:33,209

commercial break and we're gonna try to

289

00:11:38,180 --> 00:11:34,980

contact the Cobra and talking about the

290

00:11:40,009 --> 00:11:38,190

mystery Airport okay so um he'll grab

291

00:11:42,590 --> 00:11:40,019

292

00:11:43,819 --> 00:11:42,600

293

00:11:45,290 --> 00:11:43,829

real good okay you're listening to Mack

294

00:11:47,319 --> 00:11:45,300

mommy's Mill tracks I'll show here on

295

00:11:50,720 --> 00:11:47,329

the distant Thunder radio network

296

00:11:52,910 --> 00:11:50,730

we'll be right back after this UFOs are

297

00:11:55,060 --> 00:11:52,920

found in Renaissance art on ancient

298

00:11:58,490 --> 00:11:55,070

coins and etched on cave walls

299

00:12:00,769 --> 00:11:58,500

they are even reported in the Bible but

300

00:12:04,030 --> 00:12:00,779

more surprising is when UFOs have seen

301

00:12:06,740 --> 00:12:04,040

the most in times of war

302

00:12:08,180 --> 00:12:06,750

through centuries thousands of UFO

303

00:12:10,970 --> 00:12:08,190

sightings have been made by high-ranking

304

00:12:13,579 --> 00:12:10,980

officials military pilots and ordinary

305

00:12:15,560 --> 00:12:13,589

soldiers often these fantastic

306

00:12:18,949 --> 00:12:15,570

appearances occur at the height of great

307

00:12:21,980 --> 00:12:18,959

battles from World War one to d-day to

308

00:12:24,650 --> 00:12:21,990

Korea Vietnam and Beyond military

309

00:12:26,420 --> 00:12:24,660

investigators are baffled why do UFO

310

00:12:29,600 --> 00:12:26,430

sighting spikes so drastically during

311

00:12:32,809 --> 00:12:29,610

wartime could it be mistaken aircraft or

312

00:12:36,170 --> 00:12:32,819

is someone or some thing looking in on

313

00:12:38,270 --> 00:12:36,180

us in UFOs in wartime what they didn't

314

00:12:39,890 --> 00:12:38,280

want you to know Mack Maloney chronicles

315

00:12:42,020 --> 00:12:39,900

centuries of these incredible sightings

316

00:12:44,420 --> 00:12:42,030

and tries to solve the puzzle of why so

317

00:12:47,750 --> 00:12:44,430

many UFOs are seen while Humanity is at

318

00:12:50,480 --> 00:12:47,760

war read about the scare ships the ghost

319

00:12:52,360 --> 00:12:50,490

planes and the ghost rockets alien

320

00:12:55,660 --> 00:12:52,370

Giants in the jungles of Vietnam

321

00:12:58,070 --> 00:12:55,670

UFOs controlling our ICBM bases

322

00:12:59,860 --> 00:12:58,080

dogfights with flying saucers during the

323

00:13:03,590 --> 00:12:59,870

Gulf War and more

324

00:13:05,960 --> 00:13:03,600

fireworks there Steve oh you're a

345

00:14:16,210 --> 00:14:15,120

married man what should i I shouldn't

346

00:14:19,220 --> 00:14:16,220

say that mean

347

00:14:21,920 --> 00:14:19,230

yeah actually my wife was with me oh

348

00:14:26,440 --> 00:14:21,930

really yeah and sister so you know I was

349

00:14:31,460 --> 00:14:29,420

another guy another one of the Mothman

350

00:14:33,410 --> 00:14:31,470

regulars was just hanging with oh really

351  
00:14:35,630 --> 00:14:33,420  
yeah okay yeah all right excellent

352  
00:14:38,150 --> 00:14:35,640  
sounds like a lot of fun it was it was a

353  
00:14:39,620 --> 00:14:38,160  
bland okay okay well that's switchblade

co-host because the famous one one is

356  
00:14:46,400 --> 00:14:45,390  
not here jazzy J swoop he was otherwise

357  
00:14:48,740 --> 00:14:46,410  
engaged

358  
00:14:51,130 --> 00:14:48,750  
so his streak of consecutive appearances

359  
00:14:54,410 --> 00:14:51,140  
here in the studio is snapped at 19 I

360  
00:14:56,780 --> 00:14:54,420  
think it's the way he wanted it yeah but

361  
00:15:00,430 --> 00:14:56,790  
also on the line with us command Cobras

362  
00:15:02,300 --> 00:15:00,440  
here good evening gentlemen okay and

363  
00:15:05,240 --> 00:15:02,310

also sitting in the studio with us

364

00:15:06,889 --> 00:15:05,250

tonight is John Murray who is the let's

365

00:15:08,360 --> 00:15:06,899

say the manager of our own little

366

00:15:09,350 --> 00:15:08,370

mystery Airport here on the North Shore

367

00:15:11,569 --> 00:15:09,360

of Boston

368

00:15:13,759 --> 00:15:11,579

you didn't drain yourself so far John

369

00:15:15,620 --> 00:15:13,769

yes I'm enchanted by what you're doing

370

00:15:18,139 --> 00:15:15,630

there we go see no one has ever

371

00:15:20,960 --> 00:15:18,149

described this isn't champing that's

372

00:15:24,370 --> 00:15:20,970

amazing did you already give him the 20

373

00:15:28,009 --> 00:15:24,380

or I gotta go to the ATM

374

00:15:30,230 --> 00:15:28,019

but anyway yeah yeah so we're gonna be

375

00:15:32,630 --> 00:15:30,240

talking to John we should there's one

376

00:15:35,389 --> 00:15:32,640

other thing I have two T's and that's in

377

00:15:37,970 --> 00:15:35,399

three weeks now hopefully we're gonna

378

00:15:39,380 --> 00:15:37,980

have our first show in front of a live

379

00:15:41,480 --> 00:15:39,390

audience this is

380

00:15:43,130 --> 00:15:41,490

yeah I'll still need some wrangling to

381

00:15:45,070 --> 00:15:43,140

be done but it's it's kind of looking on

382

00:15:46,350 --> 00:15:45,080

the positive side now and

383

00:15:49,120 --> 00:15:46,360

we have

384

00:15:50,620 --> 00:15:49,130

variously translated into trips to ATM

385

00:15:52,389 --> 00:15:50,630

machine because you don't align those

386

00:15:54,250 --> 00:15:52,399

lines but but we have added I've talked

387

00:15:57,009 --> 00:15:54,260

to management we've been able to add two

388

00:15:59,199 --> 00:15:57,019

more seats okay so if there's anyone in

389

00:16:00,670 --> 00:15:59,209

the area I know that we go all around

390

00:16:02,370 --> 00:16:00,680

the world but if you're within you know

391

00:16:05,350 --> 00:16:02,380

let's say

392

00:16:07,680 --> 00:16:05,360

50 miles of new report Massachusetts and

393

00:16:11,199 --> 00:16:07,690

you want to join us just write us at

394

00:16:13,389 --> 00:16:11,209

wing minute Mac Maloney comm wing minute

395

00:16:15,639 --> 00:16:13,399

Mac Morecambe and you know if the two

396

00:16:18,190 --> 00:16:15,649

seats are left the one whatever they

397

00:16:21,040 --> 00:16:18,200

know us so that's a that's gonna be

398

00:16:22,930 --> 00:16:21,050

September 19th looking forward to it I

399

00:16:24,370 --> 00:16:22,940

don't know how it's going to go Matt the

400

00:16:27,190 --> 00:16:24,380

last week we had Mitch Stinson the

401  
00:16:30,370 --> 00:16:27,200  
stand-up comedian in and you know we

402  
00:16:32,319 --> 00:16:30,380  
told him about it and you know his smile

403  
00:16:33,759 --> 00:16:32,329  
turned upside down until Franny says oh

404  
00:16:35,430 --> 00:16:33,769  
you don't want to do that but you didn't

405  
00:16:37,750 --> 00:16:35,440  
explain Cobra so

406  
00:16:39,639 --> 00:16:37,760  
we're gonna find out the hard way okay

407  
00:16:41,350 --> 00:16:39,649  
you know the world of Naval Aviation

408  
00:16:43,269 --> 00:16:41,360  
that's what Mitch is talking it from

409  
00:16:45,040 --> 00:16:43,279  
that's right that's the background well

410  
00:16:47,380 --> 00:16:45,050  
luckily we have a laugh machine Tim we

411  
00:16:50,620 --> 00:16:47,390  
can always sweeten it up anyway so when

412  
00:16:52,840 --> 00:16:50,630  
we get it to a special guest tonight in

413  
00:16:55,300 --> 00:16:52,850

the studio with us is mr. John Murray

414

00:16:56,370 --> 00:16:55,310

and he is the what's commonly operations

415

00:16:58,630 --> 00:16:56,380

manager of

416

00:17:00,730 --> 00:16:58,640

some Island Airport which is right down

417

00:17:03,190 --> 00:17:00,740

the street from us to do thanks for

418

00:17:05,770 --> 00:17:03,200

joining us John well it's great to be

419

00:17:07,510 --> 00:17:05,780

here okay and next time we're doing that

420

00:17:10,600 --> 00:17:07,520

we're gonna use the word enchanted as a

421

00:17:13,059 --> 00:17:10,610

blur of is that okay yes sir

422

00:17:15,610 --> 00:17:13,069

so how long have you worked on the

423

00:17:18,030 --> 00:17:15,620

airport it's probably the tenth year I

424

00:17:21,189 --> 00:17:18,040

started in a very small way and

425

00:17:23,829 --> 00:17:21,199

I you the manager am I correct in well

426

00:17:27,730 --> 00:17:23,839

I'm the operator of the flight school or

427

00:17:29,530 --> 00:17:27,740

the chief flight instructor okay and how

428

00:17:31,180 --> 00:17:29,540

long now this the place has quite a

429

00:17:33,070 --> 00:17:31,190

history you know we have found that it's

430

00:17:36,159 --> 00:17:33,080

been around for a long time right yes

431

00:17:39,490 --> 00:17:36,169

okay and they've been movies film there

432

00:17:43,690 --> 00:17:39,500

and all this kind of you know kind of

433

00:17:47,620 --> 00:17:43,700

stories in its background yes and it is

434

00:17:50,700 --> 00:17:47,630

the oldest airport in the Northeast so

435

00:17:53,560 --> 00:17:50,710

the first flight of an airplane in

436

00:17:55,960 --> 00:17:53,570

Massachusetts took place here wow that's

437

00:17:58,130 --> 00:17:55,970

wild on 19 leave those like what 1910

438

00:17:59,270 --> 00:17:58,140

right John that's right I've been you

439

00:18:01,100 --> 00:17:59,280

know seven years after the Wright

440

00:18:04,820 --> 00:18:01,110

brothers was Wright brothers in 2000 in

441

00:18:06,590 --> 00:18:04,830

1903 yes that's correct so it how long

442

00:18:08,390 --> 00:18:06,600

is the runway people ask me this all the

443

00:18:10,270 --> 00:18:08,400

time now there's two runways right the

444

00:18:13,160 --> 00:18:10,280

grass runway in a

445

00:18:14,930 --> 00:18:13,170

concrete runway or whatever asphalt how

446

00:18:17,840 --> 00:18:14,940

long are the runways well the grass

447

00:18:20,870 --> 00:18:17,850

runway which we consider perhaps the

448

00:18:23,330 --> 00:18:20,880

smoothest around mm-hmm is 2,300 feet

449

00:18:24,680 --> 00:18:23,340

long okay all right half a mile almost a

450

00:18:27,440 --> 00:18:24,690

little less than a half a mile in other

451  
00:18:30,680 --> 00:18:27,450  
words and then the the paved one the

452  
00:18:35,450 --> 00:18:30,690  
paved one is a little bit shorter 2,100

453  
00:18:37,340 --> 00:18:35,460  
feet uh-huh and it's it's good aircraft

454  
00:18:40,010 --> 00:18:37,350  
accelerate better on pavement for

455  
00:18:43,850 --> 00:18:40,020  
takeoff oh okay but but often the

456  
00:18:46,940 --> 00:18:43,860  
landings are better on the turf because

457  
00:18:50,540 --> 00:18:46,950  
the turf will help the plane slow down

458  
00:18:53,090 --> 00:18:50,550  
don't point uh-huh conserve tire wear

459  
00:18:54,590 --> 00:18:53,100  
uh-huh all right now I'm just gonna get

460  
00:18:56,710 --> 00:18:54,600  
right to the story that really started

461  
00:19:01,070 --> 00:18:56,720  
this whole mystery implement thing okay

462  
00:19:04,970 --> 00:19:01,080  
about a year ago one of our um regular

463  
00:19:06,070 --> 00:19:04,980

brown guests who lived on Long Island as

464

00:19:09,260 --> 00:19:06,080

I do

465

00:19:11,960 --> 00:19:09,270

told us that his wife was driving home

466

00:19:14,390 --> 00:19:11,970

from work in the middle of the day and I

467

00:19:16,330 --> 00:19:14,400

think it was in the springtime and she

468

00:19:20,870 --> 00:19:16,340

saw a

469

00:19:22,400 --> 00:19:20,880

lodge she put it as a large business jet

470

00:19:23,990 --> 00:19:22,410

but we have since figured out it wasn't

471

00:19:28,780 --> 00:19:24,000

a jet but it was maybe like some kind of

472

00:19:33,290 --> 00:19:28,790

turboprop plane came in landed on the

473

00:19:36,590 --> 00:19:33,300

concrete runway turned around took off

474

00:19:38,180 --> 00:19:36,600

again Circle came in and landed again

475

00:19:42,200 --> 00:19:38,190

and then right on its tail was that

476  
00:19:43,310 --> 00:19:42,210  
exact same kind of plane it landed she

477  
00:19:45,290 --> 00:19:43,320  
stopped because there's just the one

478  
00:19:47,480 --> 00:19:45,300  
usual plus they came very low over the

479  
00:19:49,090 --> 00:19:47,490  
street over the road over the trend hike

480  
00:19:54,470 --> 00:19:49,100  
and

481  
00:19:56,090 --> 00:19:54,480  
one pulled up to the other a guy at one

482  
00:20:00,610 --> 00:19:56,100  
person get out of one plane got on the

483  
00:20:08,810 --> 00:20:04,750  
most likely that was an operator from

484  
00:20:10,280 --> 00:20:08,820  
Portsmouth trait port uh-huh that has a

485  
00:20:13,120 --> 00:20:10,290  
fleet

486  
00:20:17,470 --> 00:20:13,130  
maybe 50 of those

487  
00:20:21,500 --> 00:20:17,480  
approximately 10 passenger okay

488  
00:20:24,080 --> 00:20:21,510

business or personal planes right very

489

00:20:26,570 --> 00:20:24,090

often they're owned not necessarily by

490

00:20:28,910 --> 00:20:26,580

the the company at Portsmouth but by

491

00:20:31,460 --> 00:20:28,920

individual owners even throughout the

492

00:20:34,370 --> 00:20:31,470

United States okay and a quarter share

493

00:20:36,890 --> 00:20:34,380

basis okay oh I see okay so so why would

494

00:20:38,210 --> 00:20:36,900

why would this go on why would one it

495

00:20:40,610 --> 00:20:38,220

was something wrong with the plane he

496

00:20:43,400 --> 00:20:40,620

was on it's nothing and why the switch I

497

00:20:46,310 --> 00:20:43,410

may not have been there that day but

498

00:20:50,110 --> 00:20:46,320

there that's a very good line to use

499

00:20:56,210 --> 00:20:52,940

okay Kevin for the grand prize of 1

500

00:21:00,970 --> 00:20:56,220

million dollars what color is the White

501  
00:21:05,000 --> 00:21:00,980  
House I know this into this I know this

502  
00:21:06,260 --> 00:21:05,010  
5 seconds Oh switching to Geico could

503  
00:21:06,970 --> 00:21:06,270  
save you a bunch of money on car

504  
00:21:15,220 --> 00:21:06,980  
insurance

505  
00:21:21,940 --> 00:21:18,170  
Geico because saving 15% or more on car

506  
00:21:24,770 --> 00:21:21,950  
insurance is always a great answer

507  
00:21:26,540 --> 00:21:24,780  
may or may not yeah I've been there

508  
00:21:29,360 --> 00:21:26,550  
beautiful but we've had a relationship

509  
00:21:32,780 --> 00:21:29,370  
with that company and their prime

510  
00:21:36,350 --> 00:21:32,790  
mission involving us the ghost airport

511  
00:21:40,220 --> 00:21:36,360  
in Newburyport right is to train their

512  
00:21:43,100 --> 00:21:40,230  
crews to work comfortably with shorter

513  
00:21:46,280 --> 00:21:43,110

runways okay all right that's how we get

514

00:21:47,990 --> 00:21:46,290

together to begin with okay so what do

515

00:21:51,280 --> 00:21:48,000

you think it was an IP swap from one

516

00:21:53,780 --> 00:21:51,290

plane to the other what is IPO

517

00:21:55,730 --> 00:21:53,790

important person these military guys I

518

00:21:58,040 --> 00:21:55,740

forget all the terminology important

519

00:22:00,770 --> 00:21:58,050

person him once you say video oh maybe

520

00:22:02,330 --> 00:22:00,780

no no instructor pilot as well yeah it

521

00:22:05,510 --> 00:22:02,340

could have been instructor pilots swap

522

00:22:09,860 --> 00:22:05,520

uh-huh because I don't believe that they

523

00:22:12,640 --> 00:22:09,870

would come in to our airport to pick up

524

00:22:15,110 --> 00:22:12,650

or discharge passengers because

525

00:22:17,860 --> 00:22:15,120

the planes have to be light when they

526

00:22:20,150 --> 00:22:17,870

arrive right okay because it's

527

00:22:21,950 --> 00:22:20,160

Island International right right yeah

528

00:22:23,210 --> 00:22:21,960

exactly but you could see how someone

529

00:22:25,220 --> 00:22:23,220

you know who

530

00:22:26,840 --> 00:22:25,230

you know was just like a civilian let's

531

00:22:27,950 --> 00:22:26,850

say seeing what's going on it looks like

532

00:22:30,080 --> 00:22:27,960

something from the Mantha month or

533

00:22:31,460 --> 00:22:30,090

something you know yeah and of course we

534

00:22:33,620 --> 00:22:31,470

talked about for about seven weeks on

535

00:22:37,850 --> 00:22:33,630

here okay that's not a true story dipa -

536

00:22:40,880 --> 00:22:37,860

I was my wife was on her way to work so

537

00:22:43,010 --> 00:22:40,890

must have been in May April of May okay

538

00:22:44,240 --> 00:22:43,020

and she we live on Plum and she's coming

539

00:22:46,100 --> 00:22:44,250

up the later she calls me up and

540

00:22:47,049 --> 00:22:46,110

she says you have to get up here there

541

00:22:49,580 --> 00:22:47,059

were people

542

00:22:51,500 --> 00:22:49,590

taking a submarine out of the back of a

543

00:22:53,750 --> 00:22:51,510

truck at the airport and I said a

544

00:22:56,330 --> 00:22:53,760

submarine she says yes submarine so I

545

00:22:59,060 --> 00:22:56,340

grew up and what was was it was the body

546

00:23:01,250 --> 00:22:59,070

of like a homemade drone and by the time

547

00:23:03,350 --> 00:23:01,260

I get up there they had put wings on it

548

00:23:05,500 --> 00:23:03,360

they had put a propeller on it and so on

549

00:23:09,620 --> 00:23:05,510

and

550

00:23:11,090 --> 00:23:09,630

it was obviously students with a bunch

551  
00:23:12,860 --> 00:23:11,100  
of teachers you could just tell a bunch

552  
00:23:16,310 --> 00:23:12,870  
of young kids and then four or five you

553  
00:23:17,480 --> 00:23:16,320  
know olds doesn't say so I'm just

554  
00:23:19,820 --> 00:23:17,490  
standing there you know wondering what's

555  
00:23:21,740 --> 00:23:19,830  
going on I want to see their mom you

556  
00:23:23,510 --> 00:23:21,750  
know take this get this thing airborne

557  
00:23:25,490 --> 00:23:23,520  
and one of the guys came over to me and

558  
00:23:26,810 --> 00:23:25,500  
we're talking and I told him well you

559  
00:23:29,390 --> 00:23:26,820  
know we have this show it's about

560  
00:23:30,799 --> 00:23:29,400  
military you know x-files and this looks

561  
00:23:33,279 --> 00:23:30,809  
a little odd you know what's going on

562  
00:23:35,870 --> 00:23:33,289  
here and he says

563  
00:23:37,789 --> 00:23:35,880

he said no nothing nothing really

564

00:23:40,010 --> 00:23:37,799

nothing is going it's kind of like you

565

00:23:41,630 --> 00:23:40,020

know keep moving nothing is going on

566

00:23:44,630 --> 00:23:41,640

here so then I talked to another guy and

567

00:23:47,120 --> 00:23:44,640

he said oh we're working for Lincoln

568

00:23:49,039 --> 00:23:47,130

labs Lincoln labs and I said you mean a

569

00:23:50,450 --> 00:23:49,049

military thing he says no no no no no

570

00:23:54,380 --> 00:23:50,460

Michael Labs doesn't do any military

571

00:23:55,820 --> 00:23:54,390

work and we all know and a lot of our

572

00:23:57,740 --> 00:23:55,830

listeners know you know close to it

573

00:23:59,330 --> 00:23:57,750

making less does a lot of work for the

574

00:24:01,190 --> 00:23:59,340

military so it's just unusual that

575

00:24:04,730 --> 00:24:01,200

they're connected they're basically mi

576

00:24:07,100 --> 00:24:04,740

t--'s weapons lab okay so it was unusual

577

00:24:09,020 --> 00:24:07,110

that he came up and wanted me to kind of

578

00:24:10,940 --> 00:24:09,030

know this okay and then just as I'm

579

00:24:12,320 --> 00:24:10,950

leaving another guy comes over and tells

580

00:24:14,360 --> 00:24:12,330

me the same thing you know no Lincoln

581

00:24:15,799 --> 00:24:14,370

lab doesn't do any military work so they

582

00:24:18,230 --> 00:24:15,809

were kind of overcompensating and

583

00:24:20,240 --> 00:24:18,240

they're you know cover story listen but

584

00:24:22,700 --> 00:24:20,250

but then they finally put this thing on

585

00:24:24,919 --> 00:24:22,710

a car and then ran the callee crazy down

586

00:24:27,110 --> 00:24:24,929

the runway and it took off and it was

587

00:24:28,909 --> 00:24:27,120

big it was up it was it was a good sized

588

00:24:30,500 --> 00:24:28,919

run it looked like a telephone pole

589

00:24:31,970 --> 00:24:30,510

maneuvering in the air you know they had

590

00:24:35,299 --> 00:24:31,980

it going all over the place in land and

591

00:24:36,200 --> 00:24:35,309

so on so any idea what was going on

592

00:24:39,710 --> 00:24:36,210

there

593

00:24:43,730 --> 00:24:39,720

I can only add as a you might say a

594

00:24:48,920 --> 00:24:43,740

layman because because they're MIT right

595

00:24:51,140 --> 00:24:48,930

because they're MIT a group then we we

596

00:24:54,260 --> 00:24:51,150

offer them I think we offer them free

597

00:24:56,060 --> 00:24:54,270

use of the airport as long as they stay

598

00:24:59,470 --> 00:24:56,070

in a certain position right and they

599

00:25:03,410 --> 00:24:59,480

give way to our planes right but

600

00:25:06,020 --> 00:25:03,420

two of the professor's I have met I've

601  
00:25:08,720 --> 00:25:06,030  
seen their cards yeah they say something

602  
00:25:13,220 --> 00:25:08,730  
about the division of aeronautics within

603  
00:25:14,420 --> 00:25:13,230  
MIT and and then they always alert us

604  
00:25:16,310 --> 00:25:14,430  
when they're coming they were there this

605  
00:25:18,260 --> 00:25:16,320  
morning oh really yeah they're this

606  
00:25:20,300 --> 00:25:18,270  
morning and on that big drone they have

607  
00:25:22,220 --> 00:25:20,310  
replaced the engine with something that

608  
00:25:24,590 --> 00:25:22,230  
sounds much better oh well yeah it was

609  
00:25:26,600 --> 00:25:24,600  
kind of noisy yeah but this new engine

610  
00:25:27,860 --> 00:25:26,610  
sounds wonderful well it's almost like

611  
00:25:31,130 --> 00:25:27,870  
they're operating on a very limited

612  
00:25:33,590 --> 00:25:31,140  
budget but and they replaced the car

613  
00:25:36,040 --> 00:25:33,600

with a truck as far as the launch

614

00:25:38,750 --> 00:25:36,050

vehicle oh okay yeah Wow

615

00:25:41,780 --> 00:25:38,760

but much of my life I grew up around

616

00:25:43,550 --> 00:25:41,790

Hanscom field in Bedford yep and it's

617

00:25:44,980 --> 00:25:43,560

funny to hear that description of

618

00:25:47,140 --> 00:25:44,990

Lincoln Laboratory

619

00:25:49,640 --> 00:25:47,150

because which one

620

00:25:51,490 --> 00:25:49,650

was mentioned earlier but they're not

621

00:25:54,320 --> 00:25:51,500

into any military all right right yeah

622

00:25:56,300 --> 00:25:54,330

what I want you to hide what they what

623

00:25:59,060 --> 00:25:56,310

they developed through Lincoln lab of

624

00:26:02,060 --> 00:25:59,070

course the military pays them for many

625

00:26:03,890 --> 00:26:02,070

many things right so okay another

626

00:26:05,600 --> 00:26:03,900

definition I guess see that's we talked

627

00:26:07,910 --> 00:26:05,610

a lot about that just that very thing

628

00:26:09,530 --> 00:26:07,920

where they didn't even have to bring up

629

00:26:12,170 --> 00:26:09,540

Lincoln labs with me you know but they

630

00:26:13,580 --> 00:26:12,180

wanted to get across to me that we're

631

00:26:15,020 --> 00:26:13,590

working from Lincoln labs and Lincoln

632

00:26:16,790 --> 00:26:15,030

labs has nothing to do with the military

633

00:26:18,050 --> 00:26:16,800

and they just say well maybe 99% of

634

00:26:19,910 --> 00:26:18,060

people would say okay you don't know big

635

00:26:21,160 --> 00:26:19,920

deal but to me it looked like that drone

636

00:26:25,220 --> 00:26:21,170

is

637

00:26:27,740 --> 00:26:25,230

a do-it-yourself drone you know what I

638

00:26:29,840 --> 00:26:27,750

mean in that nothing fancy on it you

639

00:26:30,980 --> 00:26:29,850

know but it flies in it and it's highly

640

00:26:32,930 --> 00:26:30,990

maneuverable that's the other string

641

00:26:34,810 --> 00:26:32,940

they've you've seen a fly yeah I mean

642

00:26:37,400 --> 00:26:34,820

they've really got that thing doing some

643

00:26:38,540 --> 00:26:37,410

maneuvers you know that I just I always

644

00:26:40,340 --> 00:26:38,550

think of drones is just kind of

645

00:26:43,760 --> 00:26:40,350

basically flying a landling flying a

646

00:26:46,220 --> 00:26:43,770

landing I watched it today and and it

647

00:26:47,470 --> 00:26:46,230

made me think of that u2 spike yeah the

648

00:26:50,620 --> 00:26:47,480

wings of

649

00:26:53,470 --> 00:26:50,630

like those long kind of albatross wings

650

00:26:55,720 --> 00:26:53,480

yes train so so they don't rent you give

651  
00:26:57,250 --> 00:26:55,730  
this to them for free I mean you know

652  
00:26:59,289 --> 00:26:57,260  
I'm not really the manager of the

653  
00:27:01,620 --> 00:26:59,299  
airport I just as you described earlier

654  
00:27:05,200 --> 00:27:01,630  
operate the flight school okay all right

655  
00:27:08,740 --> 00:27:05,210  
but but I know that the the manager does

656  
00:27:10,330 --> 00:27:08,750  
get fees at the airfield for the jet

657  
00:27:11,860 --> 00:27:10,340  
model airplanes sure the rows are there

658  
00:27:14,379 --> 00:27:11,870  
a lot yes right yeah you're over there

659  
00:27:19,060 --> 00:27:14,389  
many weekends right but I don't think

660  
00:27:20,680 --> 00:27:19,070  
we've charged MIT so far and how about

661  
00:27:22,960 --> 00:27:20,690  
when those business planes land there I

662  
00:27:24,460 --> 00:27:22,970  
mean I'm always curious can you you know

663  
00:27:25,960 --> 00:27:24,470

I always think there's some kind of a

664

00:27:28,090 --> 00:27:25,970

fee you have to pay if you land at an

665

00:27:29,220 --> 00:27:28,100

airport or if you dock your boat in a

666

00:27:31,899 --> 00:27:29,230

Yacht Club or something there's always

667

00:27:34,750 --> 00:27:31,909

we mow them in most airplanes we just

668

00:27:37,360 --> 00:27:34,760

ask them for \$10 ramp fee if they're

669

00:27:38,799 --> 00:27:37,370

going to get out of their airplanes if

670

00:27:41,200 --> 00:27:38,809

they're just going to use the runways

671

00:27:43,750 --> 00:27:41,210

for practice landings and takeoffs we

672

00:27:46,419 --> 00:27:43,760

don't want to discourage that because we

673

00:27:49,680 --> 00:27:46,429

are a public use Airport right although

674

00:27:53,190 --> 00:27:49,690

one of the smallest ones around okay

675

00:27:56,710 --> 00:27:53,200

also well very accommodating to flybys

676

00:27:57,940 --> 00:27:56,720

by the by commander Cobra when I when I

677

00:28:00,580 --> 00:27:57,950

come by I just worked out which other

678

00:28:03,220 --> 00:28:00,590

Cobra has done a some wonderful flyovers

679

00:28:05,620 --> 00:28:03,230

for us right and of course his the plane

680

00:28:08,110 --> 00:28:05,630

that he flies the push/pull right wait

681

00:28:10,000 --> 00:28:08,120

plane is one of my absolute favorite yes

682

00:28:11,799 --> 00:28:10,010

it's cool he he flies over my house two

683

00:28:13,120 --> 00:28:11,809

down we live down near the basin in Long

684

00:28:15,490 --> 00:28:13,130

Island you know you'd be familiar with

685

00:28:16,659 --> 00:28:15,500

that area and my neighbor's still can't

686

00:28:18,060 --> 00:28:16,669

figure out what the hell was going on

687

00:28:20,289 --> 00:28:18,070

you know but

688

00:28:24,220 --> 00:28:20,299

all right now story gets his driveway

689

00:28:27,120 --> 00:28:24,230

shovel for free that works out we

690

00:28:29,759 --> 00:28:27,130

weren't going to mention that so

691

00:28:31,950 --> 00:28:29,769

the other thing too is when

692

00:28:34,029 --> 00:28:31,960

those RC

693

00:28:36,759 --> 00:28:34,039

remote-controlled planes are down there

694

00:28:37,799 --> 00:28:36,769

some of them are so Lodge they almost

695

00:28:40,330 --> 00:28:37,809

look like little

696

00:28:42,629 --> 00:28:40,340

planes actual planes you know what I

697

00:28:46,509 --> 00:28:42,639

mean especially when you see them flying

698

00:28:49,149 --> 00:28:46,519

now how about if a plane went in to land

699

00:28:51,279 --> 00:28:49,159

at Plum Island Airport while the IC

700

00:28:54,279 --> 00:28:51,289

people there what happens well there's

701

00:28:57,620 --> 00:28:54,289

two different setups our local Plum

702

00:28:59,980 --> 00:28:57,630

Island model airplane flying Club

703

00:29:02,390 --> 00:28:59,990

tends to be there Thursday mornings and

704

00:29:05,930 --> 00:29:02,400

they're a smaller group perhaps four or

705

00:29:08,360 --> 00:29:05,940

five will come so in that case they have

706

00:29:11,720 --> 00:29:08,370

a radio two-way radio that's on the same

707

00:29:14,390 --> 00:29:11,730

frequency as we are oh I see and and

708

00:29:16,490 --> 00:29:14,400

they just coordinate very often we call

709

00:29:21,170 --> 00:29:16,500

their coordinator we call him the air

710

00:29:23,920 --> 00:29:21,180

boss so he does his best to land his jet

711

00:29:28,760 --> 00:29:26,690

quickly if we have an operation of

712

00:29:30,830 --> 00:29:28,770

certified airplanes that need to come

713

00:29:33,740 --> 00:29:30,840

and go right okay so that works real

714

00:29:36,440 --> 00:29:33,750

fine but coming up for example September

715

00:29:39,590 --> 00:29:36,450

16th I think there's going to be a big

716

00:29:43,730 --> 00:29:39,600

show and in that case we'll probably

717

00:29:46,400 --> 00:29:43,740

close the airport to large regular

718

00:29:49,490 --> 00:29:46,410

planes for most of the day on Saturday

719

00:29:52,640 --> 00:29:49,500

and Sunday maybe even Friday and they're

720

00:29:55,610 --> 00:29:52,650

going to have a model airplane replicas

721

00:29:57,440 --> 00:29:55,620

of real airplanes warbird airplanes are

722

00:29:59,240 --> 00:29:57,450

very nice yes they're going to enjoy

723

00:30:00,140 --> 00:29:59,250

putting that on I mean you drive by

724

00:30:01,400 --> 00:30:00,150

there it looks like they're having a

725

00:30:02,990 --> 00:30:01,410

great time they set up tents and

726

00:30:05,260 --> 00:30:03,000

everything and we have like trailers old

727

00:30:07,880 --> 00:30:05,270

trail isms bonfires and stuff

728

00:30:08,990 --> 00:30:07,890

now someone also wrote to me this

729

00:30:11,000 --> 00:30:09,000

morning they knew we were going to do

730

00:30:13,130 --> 00:30:11,010

the show they said two weeks ago there

731

00:30:15,530 --> 00:30:13,140

are at about to reach oh they're at one

732

00:30:17,570 --> 00:30:15,540

of the icy shows and they said that a

733

00:30:19,160 --> 00:30:17,580

plane was coming in a real plane was

734

00:30:21,380 --> 00:30:19,170

coming in and some guy pulled right out

735

00:30:22,970 --> 00:30:21,390

in front of him he almost had this middy

736

00:30:24,740 --> 00:30:22,980

a collision down the mystery of what

737

00:30:26,690 --> 00:30:24,750

have you heard anything about that yes I

738

00:30:31,340 --> 00:30:26,700

think I was there that time I admit that

739

00:30:33,950 --> 00:30:31,350

one and in that case the the model

740

00:30:35,570 --> 00:30:33,960

airplane air boss there was very few

741

00:30:36,980 --> 00:30:35,580

people there that day that was just a

742

00:30:38,960 --> 00:30:36,990

local club it could have been a Friday

743

00:30:41,510 --> 00:30:38,970

was just a local club sounds it right

744

00:30:43,730 --> 00:30:41,520

and and I know I think I know that

745

00:30:47,120 --> 00:30:43,740

person was on the radio he is not a

746

00:30:50,480 --> 00:30:47,130

licensed pilot like the majority of

747

00:30:52,190 --> 00:30:50,490

their radio operators are okay licensed

748

00:30:55,220 --> 00:30:52,200

pilots and one or two of them even have

749

00:30:57,920 --> 00:30:55,230

an airline transport pilot rating mm-hmm

750

00:30:59,780 --> 00:30:57,930

but this man if I remember it is not a

751  
00:31:01,940 --> 00:30:59,790  
pilot so you might say he was in

752  
00:31:06,170 --> 00:31:01,950  
training and and maybe they weren't

753  
00:31:08,240 --> 00:31:06,180  
watching or listening the way it's for

754  
00:31:11,349 --> 00:31:08,250  
their bosses would have been right okay

755  
00:31:15,019 --> 00:31:11,359  
all right one last question um

756  
00:31:16,369 --> 00:31:15,029  
about maybe two years ago during the

757  
00:31:19,580 --> 00:31:16,379  
summer my wife and I were out on the

758  
00:31:21,440 --> 00:31:19,590  
porch probably 11 o'clock at night we

759  
00:31:23,839 --> 00:31:21,450  
see two lights come in off the ocean

760  
00:31:26,269 --> 00:31:23,849  
right over the beach go right to the

761  
00:31:28,519 --> 00:31:26,279  
airport land there helicopters oh they

762  
00:31:30,049 --> 00:31:28,529  
were helicopters took off flew back out

763  
00:31:31,639 --> 00:31:30,059

and then probably ten minutes later they

764

00:31:33,649 --> 00:31:31,649

circled around and I came back and they

765

00:31:35,889 --> 00:31:33,659

they'd land to begin took off and then

766

00:31:38,330 --> 00:31:35,899

off they went oh

767

00:31:40,489 --> 00:31:38,340

there's the military sometimes use it

768

00:31:42,560 --> 00:31:40,499

maybe at night as a training ground or

769

00:31:45,049 --> 00:31:42,570

something well I know that the Coast

770

00:31:48,259 --> 00:31:45,059

Guard is very friendly with us and the

771

00:31:51,339 --> 00:31:48,269

Army National Guard helicopters from

772

00:31:54,049 --> 00:31:51,349

both Vermont and from New Hampshire

773

00:31:56,210 --> 00:31:54,059

have reason to come down quite a bit

774

00:31:57,560 --> 00:31:56,220

maybe just to have lunch with relatives

775

00:32:00,619 --> 00:31:57,570

right okay

776

00:32:02,869 --> 00:32:00,629

but at night I guess but I'm sure what

777

00:32:04,190 --> 00:32:02,879

to say okay so now you've been there for

778

00:32:05,960 --> 00:32:04,200

ten years and you know a lot about the

779

00:32:07,549 --> 00:32:05,970

history a place anything you know from

780

00:32:09,080 --> 00:32:07,559

your point of view anything very strange

781

00:32:12,379 --> 00:32:09,090

ever happened down there since you've

782

00:32:14,979 --> 00:32:12,389

been there very strange well if not you

783

00:32:17,330 --> 00:32:14,989

can make it up

784

00:32:19,430 --> 00:32:17,340

a little bit what happened this summer

785

00:32:21,859 --> 00:32:19,440

with the the wailing voice is the

786

00:32:23,239 --> 00:32:21,869

missing or after massive search none of

787

00:32:26,359 --> 00:32:23,249

the people they heard the people

788

00:32:28,690 --> 00:32:26,369

screaming in the alongside the river

789

00:32:32,330 --> 00:32:28,700

they're probably

790

00:32:34,940 --> 00:32:32,340

beginning of the summer you know I do

791

00:32:36,710 --> 00:32:34,950

remember that but I've forgotten most of

792

00:32:38,719 --> 00:32:36,720

it okay all right yeah this story kind

793

00:32:41,960 --> 00:32:38,729

of went away hey John Murray thank you

794

00:32:44,239 --> 00:32:41,970

for joining us and just make us promise

795

00:32:45,859 --> 00:32:44,249

like if anything really weird anything

796

00:32:47,479 --> 00:32:45,869

doesn't have to be really weird just

797

00:32:49,159 --> 00:32:47,489

slightly we it happens you know get in

798

00:32:50,570 --> 00:32:49,169

touch with us okay and we'll have it

799

00:32:53,539 --> 00:32:50,580

back on you can tell us what happened

800

00:32:55,609 --> 00:32:53,549

thank you men for having me okay and

801

00:32:57,049 --> 00:32:55,619

John before you go I do want to put a

802

00:33:00,080 --> 00:32:57,059

couple plugs in there you have a great

803

00:33:01,839 --> 00:33:00,090

little Museum which is dedicated to mr.

804

00:33:04,969 --> 00:33:01,849

Burgess who is one of the original

805

00:33:07,460 --> 00:33:04,979

early aviators and designers yachts two

806

00:33:10,249 --> 00:33:07,470

airplanes great little museum display in

807

00:33:13,129 --> 00:33:10,259

there huh and it's always a very fun

808

00:33:15,139 --> 00:33:13,139

Airport to stop by I start there well

809

00:33:17,180 --> 00:33:15,149

about 50 years no that's a little too

810

00:33:18,229 --> 00:33:17,190

much forty years ago when I first

811

00:33:20,829 --> 00:33:18,239

started flying I'm waiting to Plum

812

00:33:22,370 --> 00:33:20,839

Island Plum Island

813

00:33:24,260 --> 00:33:22,380

Airport

814

00:33:26,240 --> 00:33:24,270

great little Museum and it's the

815

00:33:28,490 --> 00:33:26,250

original flying wing mr. Burgess

816

00:33:29,780 --> 00:33:28,500

actually created a flying wing in 1914

817

00:33:31,160 --> 00:33:29,790

that he sold to the Navy and the

818

00:33:32,870 --> 00:33:31,170

Canadians well you know you know

819

00:33:35,270 --> 00:33:32,880

something there I didn't know there you

820

00:33:38,680 --> 00:33:35,280

go no occasionally I guess you know they

821

00:33:43,310 --> 00:33:41,510

thank you Cobra and thank you John for

822

00:33:45,580 --> 00:33:43,320

823

00:33:49,330 --> 00:33:45,590

825

00:33:52,610 --> 00:33:51,330

next segment right after this you

826

00:33:54,380 --> 00:33:52,620

listening to Mack mommy's mill tracks

827

00:33:57,020 --> 00:33:54,390

file show here on the distant Thunder

828

00:33:59,060 --> 00:33:57,030

radio network we'll be right back after

829

00:34:01,370 --> 00:33:59,070

this over the years

830

00:34:03,620 --> 00:34:01,380

Air Force Major Hawk Hunter and his band

831

00:34:05,840 --> 00:34:03,630

of patriotic fighter pilots have fought

832

00:34:08,419 --> 00:34:05,850

tirelessly to reunite a fractured

833

00:34:09,580 --> 00:34:08,429

America devastated by a Russian sneak

834

00:34:12,710 --> 00:34:09,590

attack

835

00:34:15,889 --> 00:34:12,720

now returning from a mysterious space

836

00:34:18,590 --> 00:34:15,899

odyssey hunter finds a huge Russian army

837

00:34:21,710 --> 00:34:18,600

occupying New York City ready to invade

838

00:34:23,750 --> 00:34:21,720

the rest of America buzzing through the

839

00:34:26,270 --> 00:34:23,760

city skyscraper canyons in a tiny

840

00:34:28,580 --> 00:34:26,280

top-secret ghost plane and seeing the

841

00:34:30,770 --> 00:34:28,590

invaders massive weaponry for himself

842

00:34:32,960 --> 00:34:30,780

Hawk realizes he's up against the

843

00:34:33,940 --> 00:34:32,970

greatest danger his homeland has ever

844

00:34:36,740 --> 00:34:33,950

faced

845

00:34:38,629 --> 00:34:36,750

but equally alarming are reports

846

00:34:40,790 --> 00:34:38,639

claiming that Hawks former girlfriend

847

00:34:42,980 --> 00:34:40,800

Dominique is living with the head of the

848

00:34:46,159 --> 00:34:42,990

Russian secret police in a Manhattan

849

00:34:48,250 --> 00:34:46,169

penthouse is she is prisoner or is she

850

00:34:50,810 --> 00:34:48,260

something else

851  
00:34:53,180 --> 00:34:50,820  
with the woman in the country he loves

852  
00:34:55,940 --> 00:34:53,190  
in dire peril hawk hunter the wing man

853  
00:34:57,950 --> 00:34:55,950

on America's most famous hero the wing

863  
00:35:25,730 --> 00:35:19,580

868

00:35:54,849 --> 00:35:52,700

hey welcome back everyone tonight

869

00:35:57,009 --> 00:35:54,859

mommy's no trash style show here on the

870

00:35:59,470 --> 00:35:57,019

distant Thunder radio network this is

871

00:36:01,089 --> 00:35:59,480

Mack mom I'm in the studio alone tonight

872

00:36:03,390 --> 00:36:01,099

doesn't happen very often because one

873

00:36:06,160 --> 00:36:03,400

one is not here his consecutive

874

00:36:08,289 --> 00:36:06,170

appearance streak ended at 19 the same

875

00:36:11,440 --> 00:36:08,299

number of games the New England Patriots

876

00:36:13,359 --> 00:36:11,450

have to win this year to put a ring on

877

00:36:16,029 --> 00:36:13,369

their other thumb I think that's why he

878

00:36:19,180 --> 00:36:16,039

ended it at 19 I have that feeling I got

879

00:36:21,910 --> 00:36:19,190

the vibe anyway he's not here however on

880

00:36:24,970 --> 00:36:21,920

the phone with us mana Cobra is there

881

00:36:26,470 --> 00:36:24,980

right good evening sir okay all right I

882

00:36:29,890 --> 00:36:26,480

suppose you're gonna have to just

883

00:36:32,460 --> 00:36:29,900

imagine me saluting you okay in my heart

884

00:36:36,819 --> 00:36:32,470

I know you are okay thank you

885

00:36:38,859 --> 00:36:36,829

and also on the phone with us sitting in

886

00:36:41,319 --> 00:36:38,869

for Wan WAN not that anyone could take

887

00:36:42,849 --> 00:36:41,329

his seat actually no one would want to

888

00:36:44,339 --> 00:36:42,859

it's really heavily stained at this

889

00:36:46,499 --> 00:36:44,349

point but

890

00:36:50,140 --> 00:36:46,509

switchblade Steve Lord

891

00:36:52,150 --> 00:36:50,150

892

00:36:54,130 --> 00:36:52,160

honor and I'm looking forward to you

893

00:36:55,809 --> 00:36:54,140

know want to get the paycheck yeah just

894

00:36:57,519 --> 00:36:55,819

time Leki's worth it just how much he

895

00:36:59,079 --> 00:36:57,529

makes a week well let me say it sit down

896

00:37:00,970 --> 00:36:59,089

take an aspirin and then take a peek

897

00:37:03,279 --> 00:37:00,980

okay because you might not yet you might

898

00:37:05,710 --> 00:37:03,289

get the vapors as they used to say some

899

00:37:06,849 --> 00:37:05,720

we'll have to remind you thanks for

900

00:37:08,670 --> 00:37:06,859

doing us you're gonna have to get a

901  
00:37:11,499 --> 00:37:08,680  
press agent soon there switch because

902  
00:37:12,819 --> 00:37:11,509  
you're co-hosting the show you're giving

903  
00:37:14,979 --> 00:37:12,829  
the big speech down at the Mothman

904  
00:37:17,109 --> 00:37:14,989  
festival the third week in September

905  
00:37:19,120 --> 00:37:17,119  
third Sunday in September and then that

906  
00:37:21,970 --> 00:37:19,130  
week is gonna be all switch all week

907  
00:37:24,819 --> 00:37:21,980  
across our six networks the best of

908  
00:37:26,650 --> 00:37:24,829  
switchblade I'm going to get like a like

909  
00:37:28,299 --> 00:37:26,660  
a business card kind of a deal you know

910  
00:37:31,089 --> 00:37:28,309  
what you're gonna have to get is is a

911  
00:37:39,180 --> 00:37:31,099  
bag of what looks like talcum powder

912  
00:37:45,740 --> 00:37:43,010  
and so would Cobra however as

913  
00:37:48,660 --> 00:37:45,750

try as we might to be funny

914

00:37:52,010 --> 00:37:48,670

it's often not because also on the phone

915

00:37:55,440 --> 00:37:52,020

with us is the king of funny you

916

00:37:57,440 --> 00:37:55,450

know them you might not love them but

917

00:38:00,630 --> 00:37:57,450

he's with us again

918

00:38:02,910 --> 00:38:00,640

Jeff you can please cue the clown music

919

00:38:05,490 --> 00:38:02,920

now okay keep your eyes closed okay I

920

00:38:09,540 --> 00:38:05,500

want to show you my first-ever painting

921

00:38:13,620 --> 00:38:09,550

all right okay open your eyes oh that's

922

00:38:17,580 --> 00:38:13,630

a lot of colors and shades so be honest

923

00:38:18,990 --> 00:38:17,590

what do you think well I like how if you

924

00:38:20,640 --> 00:38:19,000

switch to Geico you could save hundreds

925

00:38:23,850 --> 00:38:20,650

of dollars on car insurance oh yeah

926

00:38:26,130 --> 00:38:23,860

that's that's true yeah here why don't I

927

00:38:28,500 --> 00:38:26,140

hold your paintbrush while you call them

928

00:38:30,420 --> 00:38:28,510

Geico because saving fifteen percent or

929

00:38:46,020 --> 00:38:30,430

more on car insurance is always a great

930

00:38:52,710 --> 00:38:49,210

there are over 1000 UFO sightings

931

00:38:55,090 --> 00:38:52,720

reported around the world every month

932

00:38:58,230 --> 00:38:55,100

90% of these sightings can be explained

933

00:39:00,760 --> 00:38:58,240

but 10% and not

934

00:39:02,470 --> 00:39:00,770

officially and unofficially the US

935

00:39:04,500 --> 00:39:02,480

government has been investigating UFOs

936

00:39:07,030 --> 00:39:04,510

since 1947

937

00:39:08,500 --> 00:39:07,040

new top-secret goal is to find out

938

00:39:11,760 --> 00:39:08,510

what's behind these unexplained

939

00:39:17,920 --> 00:39:15,010

the Pentagon classifies these as unusual

940

00:39:22,980 --> 00:39:17,930

airborne anomalies but a better term is

941

00:39:29,980 --> 00:39:26,650

join us as Mac Longbourn and Commander

942

00:39:31,990 --> 00:39:29,990

Cobra explore these unsolved cases UFO

943

00:39:36,070 --> 00:39:32,000

incidents that even baffled the US

944

00:39:38,160 --> 00:39:36,080

military this is met Melones military

945

00:39:46,080 --> 00:39:38,170

x-files

946

00:39:50,050 --> 00:39:48,100

well good evening everyone and welcome

947

00:39:53,430 --> 00:39:50,060

to Mack Moniz military style show here

948

00:39:56,830 --> 00:39:53,440

on the distant Thunder radio and network

949

00:39:59,130 --> 00:39:56,840

this is Beth Bologna we were very

950

00:40:02,140 --> 00:39:59,140

interesting shoe for you tonight but

951

00:40:04,210 --> 00:40:02,150

we've had a shuffling in the posse if

952

00:40:06,370 --> 00:40:04,220

you remember last week one one had been

953

00:40:07,930 --> 00:40:06,380

here in 19 weeks in a row he was praying

954

00:40:10,320 --> 00:40:07,940

that he'd be here 20 weeks in row but

955

00:40:12,420 --> 00:40:10,330

nope his string has

956

00:40:14,970 --> 00:40:12,430

been broken at

957

00:40:17,170 --> 00:40:14,980

1919 so he has to start all over again

958

00:40:19,240 --> 00:40:17,180

he'll be glad to know that that's the

959

00:40:20,410 --> 00:40:19,250

exact same number of games at the New

960

00:40:23,140 --> 00:40:20,420

England Patriots have to win to go to

961

00:40:25,030 --> 00:40:23,150

the Super Bowl so that might be the

962

00:40:28,360 --> 00:40:25,040

reason might he's not here tonight who

963

00:40:31,000 --> 00:40:28,370

knows however we will carry on without

964

00:40:33,400 --> 00:40:31,010

him I mean a Cobra will be calling in in

965

00:40:36,790 --> 00:40:33,410

a little while we'll also be talking to

966

00:40:40,090 --> 00:40:36,800

brother like a pool Oh marriage back oh

967

00:40:43,330 --> 00:40:40,100

yes there was no was supposed to be boys

968

00:40:45,550 --> 00:40:43,340

but drib let my little French clown

969

00:40:49,990 --> 00:40:45,560

stripper she ran off with that rat

970

00:40:52,420 --> 00:40:50,000

smiley smile you know what she said he

971

00:40:55,030 --> 00:40:52,430

had issues than me but trust me they

972

00:40:57,550 --> 00:40:55,040

weren't that much bigger so you know the

973

00:41:00,310 --> 00:40:57,560

other say about shoes in you know what I

true in the clown world really okay all

990

00:41:38,530 --> 00:41:37,010

right interesting so so you broke up

991

00:41:39,880 --> 00:41:38,540

with her I could just see her just after

992

00:41:43,500 --> 00:41:39,890

two days going up man what am I doing

993

00:41:43,510 --> 00:41:58,110

gerbils and you're gonna pick on my joke

994

00:42:04,300 --> 00:42:00,940

like like Wham it's kind of mean yeah

995

00:42:06,610 --> 00:42:04,310

yep you know so I'm sorry switch did I

996

00:42:08,920 --> 00:42:06,620

interrupt you no no I was I was gonna

997

00:42:10,920 --> 00:42:08,930

use the same joke but you know he beat

998

00:42:14,470 --> 00:42:10,930

me to it okay well

999

00:42:16,020 --> 00:42:14,480

thank you so I said the bad joke you

1000

00:42:19,300 --> 00:42:16,030

didn't fall into the same

1001  
00:42:21,670 --> 00:42:19,310  
that's right he paved the way good good

1002  
00:42:23,470 --> 00:42:21,680  
timing okay so dribbles you're supposed

1003  
00:42:26,260 --> 00:42:23,480  
to be entertaining so allegedly where

1004  
00:42:29,620 --> 00:42:26,270  
are you these days all right well boys

1005  
00:42:31,870 --> 00:42:29,630  
I'm in Vegas after after dribbler left

1006  
00:42:35,470 --> 00:42:31,880  
me I kicked everybody out of the clown

1007  
00:42:37,510 --> 00:42:35,480  
car and I headed down baby all right I

1008  
00:42:40,690 --> 00:42:37,520  
love that idea rum you know that the

1009  
00:42:43,630 --> 00:42:40,700  
cops will tell you that when anyone is

1010  
00:42:45,700 --> 00:42:43,640  
like on the run okay like a husband on

1011  
00:42:47,650 --> 00:42:45,710  
the run from his wife bank robbers on

1012  
00:42:49,870 --> 00:42:47,660  
the run from the law anyone who just

1013  
00:42:53,080 --> 00:42:49,880

wants to get lost they always go to Las

1014

00:42:54,820 --> 00:42:53,090

Vegas and that's what they find 90% of

1015

00:42:56,380 --> 00:42:54,830

these people you know it's like I'm just

1016

00:42:58,080 --> 00:42:56,390

gonna hide in Vegas you can't hide in

1017

00:43:00,760 --> 00:42:58,090

Vegas the cops all over the police there

1018

00:43:03,370 --> 00:43:00,770

so I see a press release enough you two

1019

00:43:05,849 --> 00:43:03,380

did tribbles arrested for drunk and

1020

00:43:08,200 --> 00:43:05,859

disorderly maybe

1021

00:43:10,510 --> 00:43:08,210

well could it could happen it could

1022

00:43:13,870 --> 00:43:10,520

happen listen though I've been having

1023

00:43:16,870 --> 00:43:13,880

fun I stayed at the Bellagio for about a

1024

00:43:24,960 --> 00:43:16,880

week but I felt like I had all the time

1025

00:43:30,760 --> 00:43:26,910

Coco

1026

00:43:32,920 --> 00:43:30,770

very funny well I will tell you guys I

1027

00:43:34,809 --> 00:43:32,930

did see the Beatles love at the wind

1028

00:43:41,430 --> 00:43:34,819

okay hang on reload you what would you

1029

00:43:46,059 --> 00:43:44,530

that's the commander that's his MO so

1030

00:43:50,010 --> 00:43:46,069

please we need all the troops we can so

1031

00:43:56,410 --> 00:43:54,190

I said did I stated the Bellagio for

1032

00:43:57,450 --> 00:43:56,420

about a week but I felt like I had a pee

1033

00:44:00,520 --> 00:43:57,460

all the time

1034

00:44:02,220 --> 00:44:00,530

so I had a together that dwell to

1035

00:44:06,540 --> 00:44:02,230

explain why that is

1036

00:44:10,000 --> 00:44:06,550

anyway that have been to to Vegas

1037

00:44:12,730 --> 00:44:10,010

yes and so I moved on to the Mirage

1038

00:44:15,339 --> 00:44:12,740

gonna have to like that why why do they

1039

00:44:18,490 --> 00:44:15,349

have a big fountain or something they

1040

00:44:19,990 --> 00:44:18,500

plug the Bellagio in Palacio yeah it

1041

00:44:23,170 --> 00:44:20,000

does never big something and that makes

1042

00:44:25,270 --> 00:44:23,180

you dinner in a degenerate yeah if I

1043

00:44:27,099 --> 00:44:25,280

gotta explain maybe the joke is just not

1044

00:44:29,430 --> 00:44:27,109

gonna work well we didn't have to move

1045

00:44:32,770 --> 00:44:29,440

on it's the judge and jury right

1046

00:44:34,660 --> 00:44:32,780

I'm just saying I'm very familiar Sam

1047

00:44:37,089 --> 00:44:34,670

two dribbles go ahead please you went to

1048

00:44:40,599 --> 00:44:37,099

the Mirage I know what happened oh all

1049

00:44:44,650 --> 00:44:40,609

right so then I I saw the Beatles love

1050

00:44:47,440 --> 00:44:44,660

at the wind yes by Cirque de Soleil what

1051

00:44:50,230 --> 00:44:47,450

kind of circus is that there's no real

1052

00:44:52,930 --> 00:44:50,240

clowns there's bicycles in the air yes

1053

00:44:55,540 --> 00:44:52,940

there's no elephants and then I saw four

1054

00:44:58,390 --> 00:44:55,550

girls doing some kind of area aerial

1055

00:45:01,599 --> 00:44:58,400

yoga during here comes the Sun what's

1056

00:45:04,030 --> 00:45:01,609

that yeah I know well I will say at the

1057

00:45:06,490 --> 00:45:04,040

risk of alienating party offer the

1058

00:45:08,290 --> 00:45:06,500

audience that there are many clowns at

1059

00:45:14,370 --> 00:45:08,300

Cirque de Soleil they just have to be

1060

00:45:21,310 --> 00:45:18,400

I can talk about

1061

00:45:24,400 --> 00:45:21,320

I can't talk about the other okay all

1062

00:45:26,940 --> 00:45:24,410

right so what you saying Koko is that a

1063

00:45:29,380 --> 00:45:26,950

lot of clowns go see

1064

00:45:31,480 --> 00:45:29,390

the big circus away has some really

1065

00:45:33,730 --> 00:45:31,490

great skilled arts I've just never

1066

00:45:36,520 --> 00:45:33,740

understood why they put it under the

1067

00:45:39,610 --> 00:45:36,530

word of circus life the way that it's

1068

00:45:42,250 --> 00:45:39,620

that it's it's handled is that it's like

1069

00:45:44,500 --> 00:45:42,260

it's like high hitter and it's not what

1070

00:45:46,150 --> 00:45:44,510

we're what we are accustomed to there's

1071

00:45:49,860 --> 00:45:46,160

no you're saying that's not how Theatre

1072

00:45:53,830 --> 00:45:52,660

that's about as high as it gets in Las

1073

00:45:55,690 --> 00:45:53,840

Vegas you know what I mean but it's a

1074

00:45:58,450 --> 00:45:55,700

lot of people on trapeze and dancing and

1075

00:46:01,560 --> 00:45:58,460

music and feathers being waved around is

1076

00:46:06,760 --> 00:46:05,260

more or less more or less so I got the

1077

00:46:09,370 --> 00:46:06,770

hell out of there yes that's all you

1078

00:46:12,640 --> 00:46:09,380

need to know yes I walked out I walked

1079

00:46:15,280 --> 00:46:12,650

out yes now you walk around big dressed

1080

00:46:18,790 --> 00:46:15,290

as a clown are you in are you in clown

1081

00:46:20,620 --> 00:46:18,800

when you're doing this he just blends

1082

00:46:23,530 --> 00:46:20,630

right in what's the scenery no is it

1083

00:46:25,170 --> 00:46:23,540

time he will not be found he wears that

1084

00:46:27,850 --> 00:46:25,180

outfit

1085

00:46:31,510 --> 00:46:27,860

are you ever out of clown are you ever

1086

00:46:34,180 --> 00:46:31,520

out of yes I mean that the Joker I know

1087

00:46:36,220 --> 00:46:34,190

he's the Joker right he's a sad clown I

1088

00:46:38,760 --> 00:46:36,230

can believe that please dribble I you

1089

00:46:41,830 --> 00:46:38,770

are you ever out of clown I

1090

00:46:44,710 --> 00:46:41,840

would prefer to be in clown all the time

1091

00:46:48,490 --> 00:46:44,720

the only time I'm at a clown boys is

1092

00:46:50,650 --> 00:46:48,500

when I'm overly happy but luckily not

1093

00:46:53,200 --> 00:46:50,660

ever overly happens on dressed like a

1094

00:46:55,620 --> 00:46:53,210

clown all it dies you okay all right

1095

00:46:58,330 --> 00:46:55,630

overly happy the way that works

1096

00:47:00,520 --> 00:46:58,340

okay all right so I should tell you I

1097

00:47:04,090 --> 00:47:00,530

should tell you when I was shooting crap

1098

00:47:06,910 --> 00:47:04,100

at Caesars I met a new girl and had a

1099

00:47:09,580 --> 00:47:06,920

waitress named Bambi Bambi I have I'm

1100

00:47:13,540 --> 00:47:09,590

sorry I just a quick shot here back to

1101  
00:47:15,760 --> 00:47:13,550  
the dribbles you shot crap or craps I'm

1102  
00:47:17,560 --> 00:47:15,770  
and I'm not that I'm skilled in the arts

1103  
00:47:19,900 --> 00:47:17,570  
of gambling it's a crab but I never

1104  
00:47:21,090 --> 00:47:19,910  
heard of it it's a craps game where you

1105  
00:47:23,980 --> 00:47:21,100  
shoot craps

1106  
00:47:26,320 --> 00:47:23,990  
right yeah in the oh okay but in the old

1107  
00:47:28,990 --> 00:47:26,330  
days we call it shooting crap shoot

1108  
00:47:32,990 --> 00:47:29,000  
understand that some people drop an S

1109  
00:47:35,240 --> 00:47:33,000  
but I'm from the Dayman run schoolboys

1110  
00:47:37,670 --> 00:47:35,250  
okay here's a shooting crap if I was

1111  
00:47:40,520 --> 00:47:37,680  
there shooting craps right and a clown

1112  
00:47:42,200 --> 00:47:40,530  
came up and he was in the line I'd say I

1113  
00:47:44,480 --> 00:47:42,210

cash out you know I wouldn't want to be

1114

00:47:46,270 --> 00:47:44,490

playing with a clown frankly if that

1115

00:47:51,850 --> 00:47:46,280

makes me a clown

1116

00:47:54,290 --> 00:47:51,860

ish no what would I be I'd be anti clown

1117

00:47:56,990 --> 00:47:54,300

trope you're not gonna be racist about

1118

00:47:59,000 --> 00:47:57,000

me please save us me and my people now I

1119

00:48:01,850 --> 00:47:59,010

gotta tell you though this girl Bambi

1120

00:48:04,280 --> 00:48:01,860

though my mother's not happy no because

1121

00:48:06,800 --> 00:48:04,290

she's not a clown and my mother said no

1122

00:48:08,450 --> 00:48:06,810

mixed marriages oh wait okay all right

1123

00:48:10,750 --> 00:48:08,460

all right how'd you feel about the

1124

00:48:14,330 --> 00:48:10,760

French one they messed up with

1125

00:48:16,880 --> 00:48:14,340

yes got that all work well I I I finally

1126

00:48:19,100 --> 00:48:16,890

got her to talk to me after that but you

1127

00:48:21,800 --> 00:48:19,110

know yeah she's pretty sure I don't have

1128

00:48:25,010 --> 00:48:21,810

any I have no taste she doesn't think

1129

00:48:27,620 --> 00:48:25,020

but I think I do well okay all right

1130

00:48:30,020 --> 00:48:27,630

that's all that's important so that's

1131

00:48:31,640 --> 00:48:30,030

all that matters Bambi and I bet she

1132

00:48:32,770 --> 00:48:31,650

probably that's that I with a little hot

1133

00:48:36,140 --> 00:48:32,780

right

1134

00:48:38,660 --> 00:48:36,150

well what else okay yeah you know do you

1135

00:48:41,000 --> 00:48:38,670

know any babies who don't know so where

1136

00:48:43,780 --> 00:48:41,010

are you keeping her what would Sarah do

1137

00:48:47,120 --> 00:48:43,790

you have her chained up

1138

00:48:48,590 --> 00:48:47,130

let's thank you for blowing my cover I

1139

00:48:51,740 --> 00:48:48,600

don't know Bernie what she's saying

1140

00:48:55,130 --> 00:48:51,750

she's staying with me at the Mirage and

1141

00:48:57,470 --> 00:48:55,140

as long as long as I keep winning at the

1142

00:49:01,490 --> 00:48:57,480

tables yep she'll stay with me at the

1143

00:49:04,220 --> 00:49:01,500

Mirage okay all right me I'm doing a

1144

00:49:06,520 --> 00:49:04,230

little Texas Hold'em some blackjack you

1145

00:49:11,200 --> 00:49:06,530

know what I won't do boy what I

1146

00:49:14,450 --> 00:49:11,210

won't put on that I won't put on the

1147

00:49:17,150 --> 00:49:14,460

the Pampers and sit there the one-armed

1148

00:49:20,270 --> 00:49:17,160

bandits okay that's the one line I will

1149

00:49:22,760 --> 00:49:20,280

not cross put on the one one under one

1150

00:49:25,670 --> 00:49:22,770

you guys now safer you guys know this

1151

00:49:27,050 --> 00:49:25,680

old ladies put on diapers I don't want

1152

00:49:28,730 --> 00:49:27,060

to I don't want to gross out your

1153

00:49:31,400 --> 00:49:28,740

audience here but then they stay all day

1154

00:49:35,270 --> 00:49:31,410

they say that the one-armed bandit that

1155

00:49:37,430 --> 00:49:35,280

is not something I'm gonna do you just I

1156

00:49:40,880 --> 00:49:37,440

always used to think of Las Vegas as Oz

1157

00:49:43,310 --> 00:49:40,890

you don't I mean that light the city up

1158

00:49:44,870 --> 00:49:43,320

in the sky just drawing you to it and

1159

00:49:47,530 --> 00:49:44,880

now you've just kind of ruined that

1160

00:49:49,000 --> 00:49:47,540

there trips thank you and I jump in a

1161

00:49:53,200 --> 00:49:49,010

real quick I got a couple things I

1162

00:49:55,540 --> 00:49:53,210

wanted it so dribs good news bad days I

1163

00:49:57,490 --> 00:49:55,550

guess in the bad news area I would like

1164

00:49:59,020 --> 00:49:57,500

to get your reaction to the passing of

1165

00:50:00,599 --> 00:49:59,030

Jerry Lewis Jerry that must have been a

1166

00:50:05,740 --> 00:50:00,609

big moment oh

1167

00:50:08,500 --> 00:50:05,750

I loved him boys he was great

1168

00:50:10,900 --> 00:50:08,510

a that typewriter that typewriter sketch

1169

00:50:13,660 --> 00:50:10,910

yes he nothing better than that

1170

00:50:16,030 --> 00:50:13,670

typewriter sketch okay you're talking

1171

00:50:20,020 --> 00:50:16,040

though it's gonna be 80 is it's gonna be

1172

00:50:21,970 --> 00:50:20,030

a sad thing yeah he you know he played

1173

00:50:24,220 --> 00:50:21,980

some classical piece of music I'm a

1174

00:50:30,450 --> 00:50:24,230

typewriter to me was that the bit

1175

00:50:35,349 --> 00:50:33,190

he's gonna be missed guys and let me

1176  
00:50:37,990 --> 00:50:35,359  
tell you we may say what we might say

1177  
00:50:41,440 --> 00:50:38,000  
about triplet but the French they got

1178  
00:50:45,270 --> 00:50:41,450  
him they understood I need to know about

1179  
00:50:47,320 --> 00:50:45,280  
the funny it really

1180  
00:50:48,359 --> 00:50:47,330  
completely take it right away from me

1181  
00:50:51,190 --> 00:50:48,369  
there

1182  
00:50:53,790 --> 00:50:51,200  
well alright on the good news side you

1183  
00:50:56,260 --> 00:50:53,800  
must be excited about going to cinema

1184  
00:51:00,690 --> 00:50:56,270  
since you're all classed up out there in

1185  
00:51:06,120 --> 00:51:00,700  
Vegas and seeing it when it comes out

1186  
00:51:09,370 --> 00:51:06,130  
it I can't I can't we may see it oh

1187  
00:51:15,450 --> 00:51:09,380  
but I mean wait time I did it the in

1188  
00:51:21,550 --> 00:51:19,030

that hello right okay yeah Tim Tim Curry

1189

00:51:23,609 --> 00:51:21,560

played it in the TV mini-series oh yeah

1190

00:51:27,030 --> 00:51:23,619

that right that's correct

1191

00:51:31,829 --> 00:51:30,040

hasn't opened yet it's it's gonna open I

1192

00:51:34,930 --> 00:51:31,839

think you can go to the

1193

00:51:37,690 --> 00:51:34,940

I can't think of the the IMAX that's

1194

00:51:41,290 --> 00:51:37,700

right near Caesars oh yeah nice wow

1195

00:51:44,800 --> 00:51:41,300

that's wild and if you show up in your

1196

00:51:47,950 --> 00:51:44,810

normal attire I believe men you probably

1197

00:51:48,960 --> 00:51:47,960

buy you libations I think they'll lead

1198

00:51:51,370 --> 00:51:48,970

them away in

1199

00:51:54,030 --> 00:51:51,380

if he shows up you think they give me

1200

00:51:58,190 --> 00:51:54,040

another bend over surely oh wait in

1201  
00:52:00,930 --> 00:51:58,200  
Vegas baby there's yeah day there Wow

1202  
00:52:05,150 --> 00:52:00,940  
Raika breath get a bend over Greta over

1203  
00:52:12,210 --> 00:52:08,420  
okay switch come on alive

1204  
00:52:13,770 --> 00:52:12,220  
so dribbles did you tell me at one point

1205  
00:52:16,160 --> 00:52:13,780  
you were trying to adopt a kid from

1206  
00:52:19,470 --> 00:52:16,170  
Somalia

1207  
00:52:21,650 --> 00:52:19,480  
actually I think you told me I was gonna

1208  
00:52:24,930 --> 00:52:21,660  
adopt the kid from Somalia inside joke

1209  
00:52:26,940 --> 00:52:24,940  
in any case it was a thought it was a

1210  
00:52:30,840 --> 00:52:26,950  
thought but you see now that Riblet took

1211  
00:52:33,800 --> 00:52:30,850  
off yes you know single clown parent

1212  
00:52:36,660 --> 00:52:33,810  
families they don't go so well with

1213  
00:52:39,060 --> 00:52:36,670

adopted children you've got to have two

1214

00:52:41,250 --> 00:52:39,070

clowns in the family it doesn't matter

1215

00:52:43,890 --> 00:52:41,260

of what sex but it's got to be a two

1216

00:52:47,220 --> 00:52:43,900

clown family to climb family okay all

1217

00:52:50,300 --> 00:52:47,230

right Wow Steve do you have any

1218

00:52:52,580 --> 00:52:50,310

questions for dribbles

1219

00:52:56,820 --> 00:52:52,590

well I

1220

00:52:58,290 --> 00:52:56,830

guess a to please please let's see I

1221

00:53:00,210 --> 00:52:58,300

already asked about the we're so

1222

00:53:02,940 --> 00:53:00,220

disappointed with these bed over Greta

1223

00:53:06,090 --> 00:53:02,950

had just just asked him again did you

1224

00:53:10,610 --> 00:53:06,100

ask about his shoes well I'm exotic by

1225

00:53:14,660 --> 00:53:13,320

yeah well you first fitted for clown

1226

00:53:18,240 --> 00:53:14,670

shoes

1227

00:53:23,910 --> 00:53:18,250

well I remember the first time my father

1228

00:53:26,520 --> 00:53:23,920

brought me I was 16 the first time I was

1229

00:53:28,680 --> 00:53:26,530

fitted for the clown shoes and he he

1230

00:53:32,010 --> 00:53:28,690

said to me you know what he said instead

1231

00:53:34,550 --> 00:53:32,020

it's time we made you a man

1232

00:53:37,920 --> 00:53:34,560

and he brought me four clown shoes

1233

00:53:39,930 --> 00:53:37,930

now I imagine that they're probably more

1234

00:53:42,480 --> 00:53:39,940

expensive than your standard Buster

1235

00:53:43,680 --> 00:53:42,490

Brown's right so did you eat hell to get

1236

00:53:45,180 --> 00:53:43,690

you know what your feet were still

1237

00:53:47,460 --> 00:53:45,190

growing your probably had to buy you

1238

00:53:48,800 --> 00:53:47,470

know another year or two another bigger

1239

00:53:52,110 --> 00:53:48,810

pair two

1240

00:53:54,570 --> 00:53:52,120

feet got bigger and that's the whole

1241

00:53:56,670 --> 00:53:54,580

reason my mother said he'll grow into

1242

00:53:59,880 --> 00:53:56,680

them but the next thing you know I got

1243

00:54:02,820 --> 00:53:59,890

size 18 shoes that's ridiculous right

1244

00:54:06,430 --> 00:54:02,830

right yes it is ridiculous when you

1245

00:54:09,250 --> 00:54:06,440

think about it on a deeper level so

1246

00:54:12,190 --> 00:54:09,260

let's get back to this Bambi that's your

1247

00:54:15,029 --> 00:54:12,200

name vme right is she busy at the

1248

00:54:23,020 --> 00:54:19,710

honking well how about this after a feud

1249

00:54:24,910 --> 00:54:23,030

after a few of those liquid viagra he

1250

00:54:27,370 --> 00:54:24,920

was in behind King Hawking I should have

1251  
00:54:28,470 --> 00:54:27,380  
asked that 18 18 minutes and five

1252  
00:54:31,660 --> 00:54:28,480  
seconds ago

1253  
00:54:34,150 --> 00:54:31,670  
yes I can tell you it's one minute we

1254  
00:54:36,910 --> 00:54:34,160  
were drinking in the next minute Elvis

1255  
00:54:40,960 --> 00:54:36,920  
was marrying up the elephant Elvis okay

1256  
00:54:43,380 --> 00:54:40,970  
interesting and is she knows on and

1257  
00:54:51,160 --> 00:54:47,520  
it actually depends on her mood okay but

1258  
00:54:53,620 --> 00:54:51,170  
but I must I must tell you on a good

1259  
00:54:55,690 --> 00:54:53,630  
night it snows on those with an

1260  
00:54:58,089 --> 00:54:55,700  
excellent yeah it shoes wrong all the

1261  
00:55:00,990 --> 00:54:58,099  
time a good night right shoes on all the

1262  
00:55:04,450 --> 00:55:01,000  
time I'm guessing right

1263  
00:55:06,700 --> 00:55:04,460

well yeah until right at the end right

1264

00:55:08,380 --> 00:55:06,710

at the moment of well I can't say this

1265

00:55:12,130 --> 00:55:08,390

for your audience pleasure they go

1266

00:55:13,870 --> 00:55:12,140

flying against the wall all right I have

1267

00:55:16,750 --> 00:55:13,880

a visual of that for some reason I don't

1268

00:55:18,339 --> 00:55:16,760

know why well hopefully this

1269

00:55:20,109 --> 00:55:18,349

relationship will last longer than your

1270

00:55:21,900 --> 00:55:20,119

marriage which lasted about two and a

1271

00:55:25,539 --> 00:55:21,910

half days or so

1272

00:55:28,450 --> 00:55:25,549

yeah unfortunately and she really liked

1273

00:55:30,069 --> 00:55:28,460

the lines a bit miles go do that again

1274

00:55:34,240 --> 00:55:30,079

what's his name who did she ran away

1275

00:55:36,720 --> 00:55:34,250

with smiley smiley smile the clown

1276

00:55:39,490 --> 00:55:36,730

smiley smile the clown

1277

00:55:42,819 --> 00:55:39,500

so she actually ran off with some clown

1278

00:55:45,640 --> 00:55:42,829

yes literally yes we're going back to

1279

00:55:48,880 --> 00:55:45,650

that yes she did and I know the irony

1280

00:55:51,490 --> 00:55:48,890

though something right suddenly while I

1281

00:55:53,410 --> 00:55:51,500

say listen Whitney come up with a better

1282

00:55:56,289 --> 00:55:53,420

name he's a clown he's supposed to be

1283

00:55:59,890 --> 00:55:56,299

funny smiley mile I mean what's it's

1284

00:56:02,710 --> 00:55:59,900

terrible well smiley smiley smile he was

1285

00:56:06,190 --> 00:56:02,720

a big Beach Boys fan I think that's

1286

00:56:09,490 --> 00:56:06,200

named after an album and it felt smiles

1287

00:56:11,200 --> 00:56:09,500

yeah okay all right well listen dribs

1288

00:56:12,519 --> 00:56:11,210

why don't you call the but and go over

1289

00:56:14,470 --> 00:56:12,529

and tell them we'll buy the next drink

1290

00:56:16,870 --> 00:56:14,480

okay the next clip you both for you all

1291

00:56:19,480 --> 00:56:16,880

right so we want a couple of bend over

1292

00:56:21,560 --> 00:56:19,490

Shirley's and a couple of bend over

1293

00:56:27,020 --> 00:56:21,570

greta's

1294

00:56:30,650 --> 00:56:29,490

thank you dribbles please stay in touch

1295

00:56:33,840 --> 00:56:30,660

okay

1296

00:56:36,980 --> 00:56:33,850

hey all week night talking you guys all

1297

00:56:39,540 --> 00:56:36,990

the way in a month okay yeah enjoy yes

1298

00:56:41,460 --> 00:56:39,550

right we're getting on this model is

1299

00:56:42,990 --> 00:56:41,470

nothing are you winning that much at the

1300

00:56:44,870 --> 00:56:43,000

tables that you're able to support your

1301

00:56:47,550 --> 00:56:44,880

lifestyle out there

1302

00:56:49,830 --> 00:56:47,560

well I'll tell you what when I finally

1303

00:56:52,020 --> 00:56:49,840

run out that's it boys I'm heading to

1304

00:56:54,390 --> 00:56:52,030

Europe I finally decided I'm going to

1305

00:56:55,890 --> 00:56:54,400

it's time to see what they do over there

1306

00:56:58,710 --> 00:56:55,900

oh you don't want to no I don't think

1307

00:57:00,690 --> 00:56:58,720

that they they they probably love clams

1308

00:57:01,880 --> 00:57:00,700

though they love mimes right in France

1309

00:57:05,250 --> 00:57:01,890

right

1310

00:57:07,440 --> 00:57:05,260

well we're gonna actually keep an out of

1311

00:57:10,110 --> 00:57:07,450

France no but there's a big circus

1312

00:57:12,390 --> 00:57:10,120

there's Blackpool Tower Circus in

1313

00:57:16,560 --> 00:57:12,400

England there's Budapest circus and

1314

00:57:19,620 --> 00:57:16,570

hungry even circus Crona in Munich boys

1315

00:57:21,540 --> 00:57:19,630

really yeah and yeah that stays put

1316

00:57:24,690 --> 00:57:21,550

that's in a building so I'm thinking

1317

00:57:26,400 --> 00:57:24,700

it's time I'm thinking German audiences

1318

00:57:28,500 --> 00:57:26,410

are a tough audience for a clown I'm

1319

00:57:30,380 --> 00:57:28,510

just thinking that might be the case

1320

00:57:33,030 --> 00:57:30,390

right

1321

00:57:35,520 --> 00:57:33,040

that they are a little concerned yet

1322

00:57:37,920 --> 00:57:35,530

yeah okay stern alright that's one way

1323

00:57:40,500 --> 00:57:37,930

of putting it thank you dribbles for um

1324

00:57:43,110 --> 00:57:40,510

you know joining us and good luck stay

1325

00:57:44,600 --> 00:57:43,120

in touch keep laughing they're funny man

1326

00:57:46,710 --> 00:57:44,610

okay I

1327

00:57:49,020 --> 00:57:46,720

will you know what they say they say

1328

00:57:52,340 --> 00:57:49,030

left clown laugh that's right yes they

1329

00:57:58,050 --> 00:57:55,350

and the interesting thing to do tonight

1330

00:57:59,580 --> 00:57:58,060

he was supposed to make us laugh but you

1331

00:58:01,380 --> 00:57:59,590

know it's okay save up your best

1332

00:58:03,450 --> 00:58:01,390

material for the next time you're on I

1333

00:58:06,930 --> 00:58:03,460

understand that it's showbiz right trips

1334

00:58:07,980 --> 00:58:06,940

I work I will work on it boy okay all

1335

00:58:09,260 --> 00:58:07,990

right good luck to you in the little

1336

00:58:11,340 --> 00:58:09,270

lady okay

1337

00:58:14,700 --> 00:58:11,350

alright thank you very much I'll tell

1338

00:58:17,730 --> 00:58:14,710

Bambi you said hi okay thank you well

1339

00:58:19,920 --> 00:58:17,740

alright it was a pleasure to ceiling

1340

00:58:22,620 --> 00:58:19,930

always nice to speak to you and give my

1341

00:58:25,110 --> 00:58:22,630

regards to wine wine will do yep yeah

1342

00:58:26,670 --> 00:58:25,120

it's a shame he wasn't here tonight he

1343

00:58:28,500 --> 00:58:26,680

was just added to the fun and there he

1344

00:58:30,300 --> 00:58:28,510

goes I can see him walking away in his

1345

00:58:32,550 --> 00:58:30,310

big shoes

1346

00:58:34,340 --> 00:58:32,560

well why don't we talk to him again talk

1347

00:58:38,100 --> 00:58:34,350

Amanda

1348

00:58:41,220 --> 00:58:38,110

why is why do we have Joe because of the

1349

00:58:43,290 --> 00:58:41,230

clown crazy yeah a year ago he was the

1350

00:58:45,570 --> 00:58:43,300

guiding light through that crisis that's

1351

00:58:47,550 --> 00:58:45,580

right and I still suspect that he is

1352

00:58:50,670 --> 00:58:47,560

part of the reason that that thing got

1353

00:58:54,150 --> 00:58:50,680

under control he comes out the big clown

1354

00:58:55,950 --> 00:58:54,160

ring on the table right and said it was

1355

00:58:57,390 --> 00:58:55,960

time to start policing up yes I think a

1356

00:58:59,520 --> 00:58:57,400

lot of those guys were not Union clowns

1357

00:59:01,950 --> 00:58:59,530

the right although shenanigans yes right

1358

00:59:04,290 --> 00:59:01,960

right it just brings me back to I think

1359

00:59:08,070 --> 00:59:04,300

at the peak of it it was mrs. Cobra who

1360

00:59:12,860 --> 00:59:08,080

said the most illuminating thing we said

1361

00:59:16,710 --> 00:59:12,870

why clowns and she said it's their time

1362

00:59:19,230 --> 00:59:16,720

remember yes and I believe that dribbles

1363

00:59:21,860 --> 00:59:19,240

kind of echoed a similar sentiment yeah

1364

00:59:24,270 --> 00:59:21,870

in a separate occasion okay that it was

1365

00:59:25,530 --> 00:59:24,280

high well they should put a statue up

1366

00:59:27,330 --> 00:59:25,540

with him in New York City so they can

1367

00:59:29,400 --> 00:59:27,340

knock it down again you know that's what

1368

00:59:31,080 --> 00:59:29,410

they're doing but well I didn't want to

1369

00:59:35,010 --> 00:59:31,090

get into that is I'm not without go sure

1370

00:59:37,050 --> 00:59:35,020

I mean I do believe a few clown statues

1371

00:59:38,370 --> 00:59:37,060

will be coming down good yeah you know

1372

00:59:40,940 --> 00:59:38,380

what I say take take down all the

1373

00:59:44,490 --> 00:59:40,950

statues who cares hey go you know yeah

1374

00:59:46,590 --> 00:59:44,500

anyway well everybody not the Mothman

1375

00:59:48,450 --> 00:59:46,600

stage no no no nothing like me a thing

1376

00:59:52,040 --> 00:59:48,460

and also you have to leave every big bar

1377

00:59:54,780 --> 00:59:52,050

big boy along right absolutely

1378

00:59:56,490 --> 00:59:54,790

many of those left oh yeah yeah there's

1379

00:59:58,830 --> 00:59:56,500

one in wisdom we drive by it all the

1380

01:00:00,360 --> 00:59:58,840

time they're different franchises and

1381

01:00:02,610 --> 01:00:00,370

from Michigan we have the Elias brothers

1382

01:00:05,190 --> 01:00:02,620

big boys okay yeah that's all through

1383

01:00:07,590 --> 01:00:05,200

fishing yeah they completely have no

1384

01:00:09,660 --> 01:00:07,600

competition Yeah right not anyone yeah

1385

01:00:12,390 --> 01:00:09,670

good stuff why don't we take a

1386

01:00:14,160 --> 01:00:12,400

commercial break now and after that

1387

01:00:15,360 --> 01:00:14,170

we'll get back to the big shoe so you

1388

01:00:18,540 --> 01:00:15,370

listening to Mack Moniz mill tracks

1389

01:00:20,820 --> 01:00:18,550

files shown here on the distant Thunder

1390

01:00:23,280 --> 01:00:20,830

radio network we'll be right back after

1391

01:00:25,230 --> 01:00:23,290

this a 1-1 did you go to the beach a lot

1392

01:00:26,460 --> 01:00:25,240

as a kid yes Mac I sure did I have a

1393

01:00:28,290 --> 01:00:26,470

feeling like as a youth you would like

1394

01:00:29,610 --> 01:00:28,300

the 90-pound weakling them that bull

1395

01:00:31,410 --> 01:00:29,620

would use to keep skin in your face as a

1396

01:00:32,880 --> 01:00:31,420

matter of fact they did I mean I tried

1397

01:00:34,500 --> 01:00:32,890

to pump iron back then but I'd get

1398

01:00:35,420 --> 01:00:34,510

pooped pretty quickly

1399

01:00:39,270 --> 01:00:35,430

oh

1400

01:00:41,760 --> 01:00:39,280

before using

1456

01:02:50,130 --> 01:02:47,359

ufos are found in Renaissance art on

1457

01:02:53,589 --> 01:02:50,140

ancient coins and etched on cave walls

1458

01:02:55,839 --> 01:02:53,599

they are even reported in the Bible but

1459

01:02:59,099 --> 01:02:55,849

more surprising is when UFOs have seen

1460

01:03:01,810 --> 01:02:59,109

the most in times of war

1461

01:03:03,250 --> 01:03:01,820

through centuries thousands of UFO

1462

01:03:06,040 --> 01:03:03,260

sightings have been made by high-ranking

1463

01:03:08,650 --> 01:03:06,050

officials military pilots and ordinary

1464

01:03:10,630 --> 01:03:08,660

soldiers often these fantastic

1465

01:03:14,020 --> 01:03:10,640

appearances occur at the height of great

1466

01:03:16,780 --> 01:03:14,030

battles from World War 1 to d-day to

1467

01:03:19,720 --> 01:03:16,790

Korea Vietnam and beyond military

1468

01:03:21,490 --> 01:03:19,730

investigators are baffled why do UFO

1469

01:03:22,329 --> 01:03:21,500

sightings spike so drastically during

1470

01:03:25,300 --> 01:03:22,339

wartime

1471

01:03:29,500 --> 01:03:25,310

could it be mistaken aircraft or someone

1472

01:03:31,599 --> 01:03:29,510

or some thing looking in on us in UFOs

1473

01:03:33,339 --> 01:03:31,609

and more time what they didn't want you

1474

01:03:34,960 --> 01:03:33,349

to know Mack Moloney chronicles

1475

01:03:37,120 --> 01:03:34,970

centuries of these incredible sightings

1476

01:03:39,490 --> 01:03:37,130

and tries to solve the puzzle of why so

1477

01:03:42,820 --> 01:03:39,500

many UFOs are seen while Humanity is at

1478

01:03:45,550 --> 01:03:42,830

war read about the scare ships the ghost

1479

01:03:47,430 --> 01:03:45,560

planes and the ghost rockets alien

1480

01:03:50,730 --> 01:03:47,440

Giants in the jungles of Vietnam

1481

01:03:53,140 --> 01:03:50,740

UFOs controlling our ICBM bases

1482

01:03:54,930 --> 01:03:53,150

his consecutive appearance streak ended

1497

01:04:54,089 --> 01:04:51,750

at 19 and

1498

01:04:56,540 --> 01:04:54,099

he's just gonna have to start again but

1499

01:04:58,980 --> 01:04:56,550

19 is you know not been

1500

01:05:01,440 --> 01:04:58,990

taking his place tonight not that anyone

1501

01:05:03,960 --> 01:05:01,450

should really take JJ's place switch

1502

01:05:06,059 --> 01:05:03,970

would switchboard switchblade Steve

1503

01:05:08,030 --> 01:05:06,069

would and the ball flies up there

1504

01:05:11,700 --> 01:05:08,040

Michigan joining us co-hosting tonight

1505

01:05:13,680 --> 01:05:11,710

1507

01:05:17,270 --> 01:05:15,700

world damn my friend I know what I

1508

01:05:19,589 --> 01:05:17,280

really appreciate it you know this

1509

01:05:23,359 --> 01:05:19,599

seriously this is a blast doing this

1510

01:05:26,220 --> 01:05:23,369

show giving speeches he's going to be

1511

01:05:30,559 --> 01:05:26,230

so I'll switch all switchblade the third

1512

01:05:33,180 --> 01:05:30,569

week in September on six networks you're

1513

01:05:34,970 --> 01:05:33,190

rubbing elbows with celebrities Bobo

1514

01:05:37,410 --> 01:05:34,980

being one of them from Finding Bigfoot

1515

01:05:40,589 --> 01:05:37,420

right okay

1516

01:05:43,319 --> 01:05:40,599

yeah okay all right we should set you up

1517

01:05:45,800 --> 01:05:43,329

1518

01:05:48,540 --> 01:05:45,810

board how would that be

1519

01:05:50,059 --> 01:05:48,550

anyway thanks for joining us tonight

1520

01:05:52,819 --> 01:05:50,069

switch we appreciate it

1521

01:05:55,290 --> 01:05:52,829

also on the line with us

1522

01:05:58,079 --> 01:05:55,300

they call them cocoa on the streets

1523

01:05:59,940 --> 01:05:58,089

remember Cobra if you're holding your

1524

01:06:02,329 --> 01:05:59,950

pistol sideways it's a go see now that's

1525

01:06:05,359 --> 01:06:02,339

filthy you know

1526

01:06:08,960 --> 01:06:05,369

but that's what makes it funny

1527

01:06:11,099 --> 01:06:08,970

he's with us and on the phone with us

1528

01:06:14,460 --> 01:06:11,109

really we're really surprised that he's

1529

01:06:17,250 --> 01:06:14,470

alive I know one was very concerned Rob

1530

01:06:19,770 --> 01:06:17,260

Beck cowson from Juarez boring from

1531

01:06:22,079 --> 01:06:19,780

calling it from Dallas which is murder

1532

01:06:24,710 --> 01:06:22,089

capital the world as we know graveyard

1533

01:06:27,660 --> 01:06:24,720

of beloved presidents as we know but now

1534

01:06:30,240 --> 01:06:27,670

it's right on the edge of this massive

1535

01:06:32,430 --> 01:06:30,250

hurricane people of the future that just

1536

01:06:35,010 --> 01:06:32,440

doesn't want to leave Texas alone so

1537

01:06:36,110 --> 01:06:35,020

we have your bubbles going so he's still

1538

01:06:39,390 --> 01:06:36,120

breathing

1539

01:06:41,400 --> 01:06:39,400

yeah I'm here okay well I don't want to

1540

01:06:45,210 --> 01:06:41,410

overstate I mean we've been pretty dry

1541

01:06:47,460 --> 01:06:45,220

up here so but uh yes but well you know

1542

01:06:50,640 --> 01:06:47,470

I'm about 200 miles from Houston so

1543

01:06:53,460 --> 01:06:50,650

right it's pretty connotes it's the

1544

01:06:55,530 --> 01:06:53,470

hurricane as we're talking is it's now

1545

01:06:57,930 --> 01:06:55,540

starting to let up but it's just dumped

1546

01:07:00,270 --> 01:06:57,940

on Harris County right and now East

1547

01:07:02,760 --> 01:07:00,280

Texas Southeast Texas so really Indiana

1548

01:07:05,340 --> 01:07:02,770

so so so is there a rivalry between

1549

01:07:06,750 --> 01:07:05,350

Houston and Dallas you know I mean did

1550

01:07:10,050 --> 01:07:06,760

the touch Cities kind of hate each other

1551

01:07:12,090 --> 01:07:10,060

I am told that I mean I don't I don't

1552

01:07:15,600 --> 01:07:12,100

know how many people take it seriously

1553

01:07:17,190 --> 01:07:15,610

but right so you know like New York City

1554

01:07:19,560 --> 01:07:17,200

in Philadelphia and it's not it goes

1555

01:07:21,900 --> 01:07:19,570

beyond sports the two cities they just

1556

01:07:24,840 --> 01:07:21,910

like hate each other intensely you know

1557

01:07:27,590 --> 01:07:24,850

and I can well I would say that Dallas

1558

01:07:30,210 --> 01:07:27,600

people they tend to be

1559

01:07:31,890 --> 01:07:30,220

insular mm-hmm

1560

01:07:34,890 --> 01:07:31,900

it's very much like a kind of

1561

01:07:37,140 --> 01:07:34,900

self-contained Dallas yeah yeah I mean

1562

01:07:38,760 --> 01:07:37,150

people are kind of in their bubble yes I

1563

01:07:41,190 --> 01:07:38,770

think that there is a rivalry that

1564

01:07:43,260 --> 01:07:41,200

exists in Houston toward Dallas I'm

1565

01:07:45,690 --> 01:07:43,270

excite go to Houston and are you from

1566

01:07:48,960 --> 01:07:45,700

Dallas huh you know yeah but I think

1567

01:07:50,790 --> 01:07:48,970

that also reflects and I mean this

1568

01:07:53,190 --> 01:07:50,800

really I mean and about the hurricane

1569

01:07:56,130 --> 01:07:53,200

mean right now you know the focus is on

1570

01:07:59,700 --> 01:07:56,140

you know rescuing people yes

1571

01:08:02,940 --> 01:07:59,710

but afterwards I you know Houston has a

1572

01:08:05,100 --> 01:08:02,950

lot of civic pride yes that will get

1573

01:08:06,540 --> 01:08:05,110

them through it and its really strong

1574

01:08:08,640 --> 01:08:06,550

there can be you know compared to other

1575

01:08:11,880 --> 01:08:08,650

Texas cities right right and I think so

1576

01:08:13,860 --> 01:08:11,890

you know in Houston there's more of a

1577

01:08:16,940 --> 01:08:13,870

rivalry maybe that with other cities

1578

01:08:19,770 --> 01:08:16,950

right but there's also much more kind of

1579

01:08:20,970 --> 01:08:19,780

much stronger civic identity there but

1580

01:08:22,860 --> 01:08:20,980

can't you stop I'm saying that people

1581

01:08:24,150 --> 01:08:22,870

down staying there you know those punks

1582

01:08:26,430 --> 01:08:24,160

down there and Houston getting there he

1583

01:08:28,080 --> 01:08:26,440

is wet that type of thing no I don't

1584

01:08:30,750 --> 01:08:28,090

hear that I don't hear that I mean I and

1585

01:08:32,550 --> 01:08:30,760

you know in Texas is also kind of a kind

1586

01:08:34,170 --> 01:08:32,560

of contained place I mean to launch

1587

01:08:36,200 --> 01:08:34,180

Texans sort of very strongly identify

1588

01:08:38,850 --> 01:08:36,210

with Texas

1589

01:08:42,330 --> 01:08:38,860

without a state less you know they move

1590

01:08:43,560 --> 01:08:42,340

inside the state more yeah I mean it's

1591

01:08:45,300 --> 01:08:43,570

funny just because a lot of people don't

1592

01:08:47,280 --> 01:08:45,310

have cars that can make it out of Texas

1593

01:08:48,600 --> 01:08:47,290

the reason a lobbyist a in Texas because

1594

01:08:49,920 --> 01:08:48,610

the car breaks down before they're

1595

01:08:53,910 --> 01:08:49,930

actually able to clear the border of

1596

01:08:55,200 --> 01:08:53,920

Texas that's very true yeah and I mean

1597

01:08:56,700 --> 01:08:55,210

actually coporate I talked about this

1598

01:08:58,830 --> 01:08:56,710

earlier but you know if there's

1599

01:09:00,810 --> 01:08:58,840

something about port cities yes that

1600

01:09:02,280 --> 01:09:00,820

people seem to really I mean people who

1601

01:09:04,050 --> 01:09:02,290

live in port cities tend to have a

1602

01:09:06,510 --> 01:09:04,060

little do is more pride in the cities

1603

01:09:07,820 --> 01:09:06,520

and people I think there was a stronger

1604

01:09:10,320 --> 01:09:07,830

civic identity

1605

01:09:12,240 --> 01:09:10,330

and this is true all over the world it's

1606

01:09:15,120 --> 01:09:12,250

a pickup mix of people it's a it's a big

1607

01:09:16,230 --> 01:09:15,130

a mix of people yeah I mean in Dallas I

1608

01:09:18,570 --> 01:09:16,240

mean it's kind of like it could be like

1609

01:09:21,570 --> 01:09:18,580

Kansas City in a way it's like well it

1610

01:09:23,550 --> 01:09:21,580

has an identity but it's it's not as for

1611

01:09:26,160 --> 01:09:23,560

some reason I think that the coast and a

1612

01:09:28,650 --> 01:09:26,170

port anchors the city you know if you

1613

01:09:31,020 --> 01:09:28,660

think of a Boston or New York or you

1614

01:09:34,860 --> 01:09:31,030

know San Francisco Los Angeles you know

1615

01:09:36,630 --> 01:09:34,870

these are there's a different I don't

1616

01:09:37,830 --> 01:09:36,640

know I I can't really explain it but

1617

01:09:39,810 --> 01:09:37,840

there's something different about broad

1618

01:09:41,520 --> 01:09:39,820

cities well like they say if you need

1619

01:09:44,310 --> 01:09:41,530

anything I need anything done that's

1620

01:09:46,500 --> 01:09:44,320

where you hid right yeah Gobert Kovalev

1621

01:09:47,390 --> 01:09:46,510

grew up in Chelsea that's right on the

1622

01:09:50,190 --> 01:09:47,400

point

1623

01:09:52,560 --> 01:09:50,200

yes it is right okay all right that's

1624

01:09:54,870 --> 01:09:52,570

where you get your street smarts that's

1625

01:09:56,750 --> 01:09:54,880

where the cocoa got the initial lessons

1626

01:09:59,100 --> 01:09:56,760

that's correct okay

1627

01:10:00,750 --> 01:09:59,110

yeah and it's just funny to think one

1628

01:10:03,840 --> 01:10:00,760

one was just right across the river in

1629

01:10:06,290 --> 01:10:03,850

Charlestown all that time running

1630

01:10:08,310 --> 01:10:06,300

Charlestown

1631

01:10:10,530 --> 01:10:08,320

Houston's like a city you know I mean

1632

01:10:11,670 --> 01:10:10,540

it's like a real City it's not you know

1633

01:10:15,420 --> 01:10:11,680

it's not one of these Prairie towns

1634

01:10:16,710 --> 01:10:15,430

where I'm from right yeah well anyway

1635

01:10:19,500 --> 01:10:16,720

Texas is weird I've been there a couple

1636

01:10:22,670 --> 01:10:19,510

times and it's just really strange to

1637

01:10:25,490 --> 01:10:22,680

someone from up here you know oh yeah

1638

01:10:29,730 --> 01:10:25,500

the people are really kind of weird but

1639

01:10:33,450 --> 01:10:29,740

good food I love Texas myself just know

1640

01:10:35,640 --> 01:10:33,460

I mean wow I found out that if you are

1641

01:10:38,610 --> 01:10:35,650

in northern part of Texas have refer to

1642

01:10:40,530 --> 01:10:38,620

anybody from there is seemingly like

1643

01:10:42,510 --> 01:10:40,540

they're from Oklahoma that really gets

1644

01:10:43,800 --> 01:10:42,520

into some bad blood very quickly yeah

1645

01:10:46,070 --> 01:10:43,810

that's the rivalry up here it's with

1646

01:10:48,750 --> 01:10:46,080

Oklahoma yeah

1647

01:10:51,750 --> 01:10:48,760

Oklahoma is like a bad thing to say

1648

01:10:53,580 --> 01:10:51,760

about northern Texas and they're like no

1649

01:10:56,130 --> 01:10:53,590

it's right what hey the college football

1650

01:10:57,930 --> 01:10:56,140

teams hate each other you know no matter

1651  
01:11:00,740 --> 01:10:57,940  
you're the Oklahoma Oklahoma state are

1652  
01:11:04,330 --> 01:11:00,750  
you know the Texas teams they just hate

1653  
01:11:09,560 --> 01:11:07,790  
here's the secret behind all this the

1654  
01:11:11,750 --> 01:11:09,570  
North Texans and the Oklahoma the Okies

1655  
01:11:13,820 --> 01:11:11,760  
have the same accent oh that's different

1656  
01:11:15,320 --> 01:11:13,830  
from the Central Texas you know the

1657  
01:11:17,720 --> 01:11:15,330  
Central Texas people sound like George W

1658  
01:11:19,610 --> 01:11:17,730  
Bush a little more stupid yeah yeah

1659  
01:11:21,669 --> 01:11:19,620  
that's the second time I've done that

1660  
01:11:24,410 --> 01:11:21,679  
okay

1661  
01:11:26,479 --> 01:11:24,420  
it's the W Bush you know up here it's

1662  
01:11:29,360 --> 01:11:26,489  
like they they sound like Okies yeah and

1663  
01:11:30,160 --> 01:11:29,370

I can when my accent comes out if I'm in

1664

01:11:32,020 --> 01:11:30,170

I

1665

01:11:36,860 --> 01:11:32,030

don't

1666

01:11:38,320 --> 01:11:36,870

you really I believe he needs alcohol to

1667

01:11:41,030 --> 01:11:38,330

help

1668

01:11:43,580 --> 01:11:41,040

do it better hurry Steve have you ever

1669

01:11:45,680 --> 01:11:43,590

been to Texas which would ya I've got

1670

01:11:47,780 --> 01:11:45,690

family down there oh really dallas-fort

1671

01:11:49,010 --> 01:11:47,790

Worth area yeah my wife and I make the

1672

01:11:50,899 --> 01:11:49,020

pilgrimage down there every once in a

1673

01:11:52,580 --> 01:11:50,909

while to to visit oh so we've been in

1674

01:11:54,040 --> 01:11:52,590

Sullivan all this time you never let us

1675

01:11:55,820 --> 01:11:54,050

know you know

1676

01:11:57,500 --> 01:11:55,830

well I have a look there's a lot of

1677

01:11:58,939 --> 01:11:57,510

Secrets in my life oh I see okay well

1678

01:12:01,970 --> 01:11:58,949

now he's getting mysterious you have got

1679

01:12:03,290 --> 01:12:01,980

a press agent haven't you I I can't let

1680

01:12:05,000 --> 01:12:03,300

it all out at once you know you have to

1681

01:12:06,470 --> 01:12:05,010

let it out just a little bit now and

1682

01:12:08,840 --> 01:12:06,480

then to keep people interested that's

1683

01:12:11,000 --> 01:12:08,850

right yeah Wow see you've been schooled

1684

01:12:13,310 --> 01:12:11,010

someone has educated you on the way of

1685

01:12:15,680 --> 01:12:13,320

being uh so we're gonna it's gonna be we

1686

01:12:17,320 --> 01:12:15,690

knew him when we gave him his launching

1687

01:12:19,370 --> 01:12:17,330

pad car bomb who would know

1688

01:12:22,010 --> 01:12:19,380

but you know usually we're down there

1689

01:12:23,570 --> 01:12:22,020

visiting family one day we'd like to go

1690

01:12:25,939 --> 01:12:23,580

down to the area they call the Big

1691

01:12:27,380 --> 01:12:25,949

Thicket which is the forested area kind

1692

01:12:30,830 --> 01:12:27,390

of I guess on the east side of Texas

1693

01:12:32,740 --> 01:12:30,840

which kind of overlaps into what Alabama

1694

01:12:35,600 --> 01:12:32,750

well Arkansas

1695

01:12:37,430 --> 01:12:35,610

you're don't show your Michigan geology

1696

01:12:39,350 --> 01:12:37,440

no no this is I think there's a

1697

01:12:42,050 --> 01:12:39,360

geography rather excuse me that's not

1698

01:12:46,070 --> 01:12:42,060

just Arkansas but what's the next state

1699

01:12:47,270 --> 01:12:46,080

over east of Texas oh yeah Louisiana

1700

01:12:49,310 --> 01:12:47,280

that's what I met I believe oh nice

1701

01:12:52,810 --> 01:12:49,320

that's even better to go over from Texas

1702

01:12:56,450 --> 01:12:52,820

to Louisiana BAM that's the trip

1703

01:12:57,950 --> 01:12:56,460

and a piney Curtin yeah the pioneer in

1704

01:13:01,330 --> 01:12:57,960

is out they call it the planting Curtin

1705

01:13:03,919 --> 01:13:01,340

really I've heard that I've heard that

1706

01:13:07,700 --> 01:13:03,929

Bigfoot spook lights all kinds of good

1707

01:13:09,290 --> 01:13:07,710

stuff a lot of project airplane crashes

1708

01:13:12,400 --> 01:13:09,300

in an area two very very interesting

1709

01:13:14,740 --> 01:13:12,410

really really yes mmm-hmm but I've

1710

01:13:17,860 --> 01:13:14,750

actually yeah big UFO sighting happened

1711

01:13:20,140 --> 01:13:17,870

down there in 1957 they're flying out of

1712

01:13:21,850 --> 01:13:20,150

some base in Texas that went out over

1713

01:13:24,160 --> 01:13:21,860

the Gulf of my show they're in am I be

1714

01:13:27,970 --> 01:13:24,170

57 if you know it's like the little

1715

01:13:30,250 --> 01:13:27,980

brother the b-52 which appears on three

1716

01:13:32,920 --> 01:13:30,260

occasions my memory serves me correct in

1717

01:13:35,830 --> 01:13:32,930

the wingman series on sale everywhere

1718

01:13:38,890 --> 01:13:35,840

probably yeah and and they they had a

1719

01:13:40,930 --> 01:13:38,900

UFO that was actually trailing them and

1720

01:13:42,400 --> 01:13:40,940

because they were a reconnaissance craft

1721

01:13:43,720 --> 01:13:42,410

this is they can late 50s you know they

1722

01:13:45,850 --> 01:13:43,730

had all kinds of gear on they're

1723

01:13:48,070 --> 01:13:45,860

tracking the thing and radar written

1724

01:13:49,330 --> 01:13:48,080

sound and everything this thing stayed

1725

01:13:52,870 --> 01:13:49,340

with them for like about three or four

1726

01:13:55,570 --> 01:13:52,880

hours and had a lot of witnesses plane

1727

01:13:58,030 --> 01:13:55,580

other planes came up siren other radar

1728

01:14:00,120 --> 01:13:58,040

stations picked it up really quite a

1729

01:14:02,890 --> 01:14:00,130

case I think I covered that in

1730

01:14:04,210 --> 01:14:02,900

UFOs in one time every you know unseal

1731

01:14:05,470 --> 01:14:04,220

everywhere I think I can't remember

1732

01:14:07,120 --> 01:14:05,480

which one but yeah it's a fascinating

1733

01:14:09,190 --> 01:14:07,130

story so and that happened right down

1734

01:14:11,530 --> 01:14:09,200

there Gulf of Mexico flying over

1735

01:14:13,420 --> 01:14:11,540

Louisiana right into Texas and this

1736

01:14:14,830 --> 01:14:13,430

thing is all right of the sail what's

1737

01:14:17,260 --> 01:14:14,840

them in that one town is it lubbock

1738

01:14:19,930 --> 01:14:17,270

lubbock texas egg whites yeah gotta love

1739

01:14:22,060 --> 01:14:19,940

it lights right yeah Stevensville so

1740

01:14:24,100 --> 01:14:22,070

they've got they've got quite a record

1741

01:14:27,460 --> 01:14:24,110

of some pretty spectacular sightings

1742

01:14:30,820 --> 01:14:27,470

yeah yeah yeah so so Rob anything else

1743

01:14:32,430 --> 01:14:30,830

going on down there would you well I

1744

01:14:35,980 --> 01:14:32,440

mean

1745

01:14:38,320 --> 01:14:35,990

not really just seeing all but I live

1746

01:14:40,360 --> 01:14:38,330

really close to the FEMA regional

1747

01:14:41,800 --> 01:14:40,370

headquarters for a good eight so there's

1748

01:14:44,320 --> 01:14:41,810

a lot of busy bees coming back and forth

1749

01:14:46,300 --> 01:14:44,330

and they're all doing a yoga the Air

1750

01:14:48,100 --> 01:14:46,310

National Guard's flying you know

1751

01:14:51,090 --> 01:14:48,110

transport planes into into the Dallas

1752

01:14:54,520 --> 01:14:51,100

Love Field and right you know they and

1753

01:14:55,930 --> 01:14:54,530

did you know it's a a lot of the city is

1754

01:14:58,450 --> 01:14:55,940

gonna become a logistics hub for stuff

1755

01:15:01,330 --> 01:14:58,460

heading right yeah heading south no wow

1756

01:15:03,190 --> 01:15:01,340

yeah okay well that's good now let's get

1757

01:15:05,800 --> 01:15:03,200

to the important stuff how's the cat you

1758

01:15:09,070 --> 01:15:05,810

told us last week you had a cat oh yeah

1759

01:15:10,690 --> 01:15:09,080

that's fine has a runaway yet yeah yep

1760

01:15:13,180 --> 01:15:10,700

he jumped over the fence though I let

1761

01:15:14,680 --> 01:15:13,190

him out in the back oh and he came back

1762

01:15:17,890 --> 01:15:14,690

with Leisha all these share with our

1763

01:15:21,870 --> 01:15:17,900

audience again the name of your cat no

1764

01:15:24,700 --> 01:15:21,880

it's Pancho his legendary his legendary

1765

01:15:29,479 --> 01:15:24,710

give you some though give yourself a

1766

01:15:33,770 --> 01:15:29,489

splash there yeah like Pancho Villa yeah

1767

01:15:37,120 --> 01:15:33,780

yes so good chop of the Katniss chop oh

1768

01:15:40,580 --> 01:15:37,130

that's it right yeah chapo the

1769

01:15:42,560 --> 01:15:40,590

there's a drug yeah murder and why

1770

01:15:44,060 --> 01:15:42,570

didn't a ma'am after the drug lord if

1771

01:15:46,430 --> 01:15:44,070

this sounded like a cool like a cool I

1772

01:15:48,589 --> 01:15:46,440

believe that you last week that you did

1773

01:15:50,299 --> 01:15:48,599

say that yeah well I didn't oh you're

1774

01:15:53,000 --> 01:15:50,309

kiddin went you calm Hitler than if

1775

01:15:55,490 --> 01:15:53,010

that's your bro you know justification

1776

01:15:57,649 --> 01:15:55,500

right cuz it's a nice name Adolf it

1777

01:15:59,330 --> 01:15:57,659

offers a nice name for cat I think well

1778

01:16:04,100 --> 01:15:59,340

yeah well chop what mean shorty in

1779

01:16:07,970 --> 01:16:05,930

now it makes sense okay you just ed

1780

01:16:09,700 --> 01:16:07,980

explain it to us great cover story great

1781

01:16:13,520 --> 01:16:09,710

the other story yeah

1782

01:16:15,500 --> 01:16:13,530

so he's a little cat right yeah a little

1783

01:16:16,970 --> 01:16:15,510

got dog huh yep there's another word I'd

1784

01:16:19,520 --> 01:16:16,980

use but like I say we can't edit

1785

01:16:22,580 --> 01:16:19,530

tomorrow week oh yeah that's not dad oh

1786

01:16:25,580 --> 01:16:22,590

that's not called right just use your

1787

01:16:28,310 --> 01:16:25,590

imagination so so well I think it James

1788

01:16:31,459 --> 01:16:28,320

Bond movies the cat is there yes right

1789

01:16:34,160 --> 01:16:31,469

thank you Coco the cat is still there

1790

01:16:37,939 --> 01:16:34,170

and that Rob is not you know up to his

1791

01:16:40,399 --> 01:16:37,949

ass in floodwaters show yeah so so we

1792

01:16:42,709 --> 01:16:40,409

had the mystery airport manager on here

1793

01:16:44,419 --> 01:16:42,719

earlier tonight and you know the funny

1794

01:16:45,709 --> 01:16:44,429

thing is is that we've we threw out

1795

01:16:48,919 --> 01:16:45,719

every mystery to him and he had a

1796

01:16:53,620 --> 01:16:48,929

rational explanation for it so great for

1797

01:16:57,950 --> 01:16:56,359

John but he was a very nice guy and he

1798

01:17:00,439 --> 01:16:57,960

really explained everything that you

1799

01:17:02,419 --> 01:17:00,449

know we always wanted to know he did

1800

01:17:05,720 --> 01:17:02,429

that qualify it though that he couldn't

1801  
01:17:07,250 --> 01:17:05,730  
confirm or deny being at at the airport

1802  
01:17:08,959 --> 01:17:07,260  
during certain events so I thought that

1803  
01:17:10,640 --> 01:17:08,969  
was fun at three of the four incidents

1804  
01:17:12,850 --> 01:17:10,650  
he couldn't confirm him deny that he was

1805  
01:17:15,109 --> 01:17:12,860  
there or not

1806  
01:17:17,959 --> 01:17:15,119  
interesting okay leaves the mystery open

1807  
01:17:19,640 --> 01:17:17,969  
but anyway so well Rob you did some

1808  
01:17:23,589 --> 01:17:19,650  
research on other mystery up what's

1809  
01:17:25,970 --> 01:17:23,599  
around the world well um I like obscure

1810  
01:17:28,490 --> 01:17:25,980  
bases about I have to ask you guys

1811  
01:17:31,759 --> 01:17:28,500  
because I wanted to start with it's not

1812  
01:17:33,169 --> 01:17:31,769  
a mystery base but it's a it's one of my

1813  
01:17:35,750 --> 01:17:33,179

favorite which is the Dugway proving

1814

01:17:37,419 --> 01:17:35,760

ground Idaho Utah Koko's which is away

1815

01:17:39,430 --> 01:17:37,429

from home it's been there many times yes

1816

01:17:41,630 --> 01:17:39,440

you saw it

1817

01:17:43,400 --> 01:17:41,640

yeah so what's going on with that right

1818

01:17:45,740 --> 01:17:43,410

now Cobra I mean I know that I mean it

1819

01:17:47,020 --> 01:17:45,750

was a big it was a major site first he

1820

01:17:49,780 --> 01:17:47,030

was closed

1821

01:17:53,750 --> 01:17:49,790

areas yeah you should be area 52

1822

01:17:57,350 --> 01:17:53,760

quote-unquote you know area 51 is too

1823

01:18:00,170 --> 01:17:57,360

exposed and Dugway was used to alternate

1824

01:18:02,390 --> 01:18:00,180

landing zone for secret space shuttle

1825

01:18:04,780 --> 01:18:02,400

program yep

1826

01:18:07,040 --> 01:18:04,790

we know it does have a lot of of

1827

01:18:09,440 --> 01:18:07,050

biological and chemical tests they did

1828

01:18:11,840 --> 01:18:09,450

have a bit of a problem about a year was

1829

01:18:14,000 --> 01:18:11,850

it 18 months ago Mac they mailed out the

1830

01:18:15,560 --> 01:18:14,010

anthrax by accident a small that's just

1831

01:18:17,780 --> 01:18:15,570

a small error you know you have to get

1832

01:18:19,810 --> 01:18:17,790

places like Korea yeah and Europe yeah

1833

01:18:22,310 --> 01:18:19,820

no

1834

01:18:25,820 --> 01:18:22,320

they said the male breast didn't they

1835

01:18:28,000 --> 01:18:25,830

yes they said via Federal Express on

1836

01:18:31,880 --> 01:18:28,010

some days correct what could go wrong

1837

01:18:36,800 --> 01:18:31,890

but you know the big change this year I

1838

01:18:40,010 --> 01:18:36,810

gave a quick live report to Mac and Juan

1839

01:18:43,760 --> 01:18:40,020

Juan as I was coming through Dugway yes

1840

01:18:46,910 --> 01:18:43,770

right yep and right after that and I

1841

01:18:49,520 --> 01:18:46,920

mean right after about 30 days it kind

1842

01:18:53,900 --> 01:18:49,530

of became known that ugly was opening

1843

01:18:56,660 --> 01:18:53,910

its doors for expanded basic commercial

1844

01:18:58,400 --> 01:18:56,670

types of use or more open based policy

1845

01:19:00,500 --> 01:18:58,410

now they have a fantastic range

1846

01:19:03,920 --> 01:19:00,510

capability out there right we can drop

1847

01:19:05,860 --> 01:19:03,930

live ordnance which is critical for you

1848

01:19:08,980 --> 01:19:05,870

know testing and developing weapons and

1849

01:19:10,900 --> 01:19:08,990

actually getting the real air-to-ground

1850

01:19:13,130 --> 01:19:10,910

contact and

1851  
01:19:15,200 --> 01:19:13,140  
the checks that are needed to make sure

1852  
01:19:17,780 --> 01:19:15,210  
that it you can have a repeatable event

1853  
01:19:19,490 --> 01:19:17,790  
yes and and know that when you drop it

1854  
01:19:21,170 --> 01:19:19,500  
and you drop it close to the good guys

1855  
01:19:23,660 --> 01:19:21,180  
that the bad guys get hit and the good

1856  
01:19:26,450 --> 01:19:23,670  
guys don't doug ways are very unique

1857  
01:19:29,090 --> 01:19:26,460  
spot for doing that and it's you know

1858  
01:19:31,760 --> 01:19:29,100  
obviously big real estate but it's

1859  
01:19:33,680 --> 01:19:31,770  
interesting how that's changed so

1860  
01:19:35,330 --> 01:19:33,690  
rapidly so are they not doing the

1861  
01:19:37,460 --> 01:19:35,340  
chemical biological stuff there anymore

1862  
01:19:40,270 --> 01:19:37,470  
if they are they definitely have it

1863  
01:19:43,760 --> 01:19:40,280

corralled into a much smaller area

1864

01:19:45,650 --> 01:19:43,770

one of the real attractive reasons that

1865

01:19:47,980 --> 01:19:45,660

goes back to World War two that's why

1866

01:19:50,540 --> 01:19:47,990

Dugway Dugway proving grounds was that

1867

01:19:53,270 --> 01:19:50,550

because the population was very low out

1868

01:19:55,730 --> 01:19:53,280

there and a lot of biological agents do

1869

01:19:57,440 --> 01:19:55,740

not survive very well in sunlight so if

1870

01:20:00,650 --> 01:19:57,450

you have something that you know gets

1871

01:20:03,110 --> 01:20:00,660

out there the chances of it picking up a

1872

01:20:04,910 --> 01:20:03,120

vector like animals or insects are much

1873

01:20:08,180 --> 01:20:04,920

smaller and is not a lot of population

1874

01:20:09,470 --> 01:20:08,190

and there wasn't as many folks living

1875

01:20:11,180 --> 01:20:09,480

out there when they first opened it and

1876

01:20:13,940 --> 01:20:11,190

did those tests and it wasn't as many

1877

01:20:15,740 --> 01:20:13,950

roads that's changed quite a bit where

1878

01:20:17,870 --> 01:20:15,750

is less physically in the in the state

1879

01:20:21,350 --> 01:20:17,880

of Utah where is it is Utah right so

1880

01:20:23,180 --> 01:20:21,360

basically west of Salt Lake City okay

1881

01:20:25,550 --> 01:20:23,190

and and you know is it close to what the

1882

01:20:28,490 --> 01:20:25,560

Nevada border the California border yeah

1883

01:20:31,460 --> 01:20:28,500

Nevada Utah border and it's huge I mean

1884

01:20:32,660 --> 01:20:31,470

the the the area is just immense like I

1885

01:20:34,580 --> 01:20:32,670

said it's very close to Salt Lake City

1886

01:20:37,220 --> 01:20:34,590

see it's funny because you know this

1887

01:20:41,420 --> 01:20:37,230

whole kind of mystique has grown up

1888

01:20:43,340 --> 01:20:41,430

around area 51 right and where people

1889

01:20:46,070 --> 01:20:43,350

really didn't really know what area 51

1890

01:20:48,530 --> 01:20:46,080

was I mean to the casual observer until

1891

01:20:50,330 --> 01:20:48,540

the late 80s when that guy I forget his

1892

01:20:52,040 --> 01:20:50,340

name now he claimed he worked there and

1893

01:20:53,630 --> 01:20:52,050

saw UFOs and then he turned out to be

1894

01:20:56,000 --> 01:20:53,640

kind of a fraud and so on and so forth

1895

01:20:57,680 --> 01:20:56,010

but this mystique has built up around

1896

01:21:00,230 --> 01:20:57,690

its sense that you know there's UFO

1897

01:21:01,400 --> 01:21:00,240

reports there there's this is that but

1898

01:21:03,650 --> 01:21:01,410

you'd never hear anything about Doug

1899

01:21:06,700 --> 01:21:03,660

Wade you know having any kind of weird

1900

01:21:10,190 --> 01:21:06,710

you know history attached to it

1901

01:21:12,920 --> 01:21:10,200

well nothing that has it sticks I mean

1902

01:21:15,890 --> 01:21:12,930

there have been a number of things that

1903

01:21:17,810 --> 01:21:15,900

have been into it but it always seems to

1904

01:21:19,400 --> 01:21:17,820

shake it right and then you talk to a

1905

01:21:20,810 --> 01:21:19,410

number of people yeah I was a Dugway

1906

01:21:25,840 --> 01:21:20,820

where we're doing this kind of test work

1907

01:21:28,490 --> 01:21:25,850

so it's never held the the aura right

1908

01:21:30,050 --> 01:21:28,500

and the attraction and that may be by

1909

01:21:32,330 --> 01:21:30,060

design yeah right right yeah I remember

1910

01:21:35,330 --> 01:21:32,340

someone said you know area 51 it's it's

1911

01:21:37,190 --> 01:21:35,340

like the non top-secret top secret base

1912

01:21:39,290 --> 01:21:37,200

ever you know what I mean like Oprah did

1913

01:21:40,880 --> 01:21:39,300

a show about it you know it's not top

1914

01:21:44,180 --> 01:21:40,890

secret at all what they do there is top

1915

01:21:45,350 --> 01:21:44,190

secret but everybody knows what area 51

1916

01:21:46,670 --> 01:21:45,360

is now but I don't think I mean you're

1917

01:21:51,800 --> 01:21:46,680

probably talking about Bob Lazar right

1918

01:21:55,870 --> 01:21:51,810

yeah yeah yeah yeah I wanted to actually

1919

01:21:58,250 --> 01:21:55,880

bring up speaking of area 51 type sites

1920

01:22:00,950 --> 01:21:58,260

we spent a lot of time focusing on the

1921

01:22:02,720 --> 01:22:00,960

American you know stuff what you're

1922

01:22:04,479 --> 01:22:02,730

doing ran out of space on my phone so

1923

01:22:06,690 --> 01:22:04,489

I'm deleting some stuff

1924

01:22:10,780 --> 01:22:06,700

by singing dog

1925

01:22:13,690 --> 01:22:10,790

by goal I pronounce you by wedding

1926

01:22:15,400 --> 01:22:13,700

ceremony stop at MetroPCS you get two

1927

01:22:17,590 --> 01:22:15,410

free phones with twice as much memory

1928

01:22:20,080 --> 01:22:17,600

okay don't say bye to your memories

1929

01:22:22,060 --> 01:22:20,090

switch to MetroPCS and get two free LG

1930

01:22:24,459 --> 01:22:22,070

kit 20-plus phones with 32 gigs when you

1931

01:22:25,840 --> 01:22:24,469

switch to lines let your PCs wireless

1932

01:22:27,220 --> 01:22:25,850

figured out how efficient available in

1933

01:22:28,390 --> 01:22:27,230

some areas sales tax on include a phone

1934

01:22:29,680 --> 01:22:28,400

price excludes numbers on the t-mobile

1935

01:22:32,440 --> 01:22:29,690

network C store 40 chosen terms and

1936

01:22:35,160 --> 01:22:32,450

conditions but we know what about the

1937

01:22:37,690 --> 01:22:35,170

Russian version of area 51 right and

1938

01:22:40,410 --> 01:22:37,700

what I've found is there's one called

1939

01:22:47,950 --> 01:22:44,040

Houston Yard which is

1940

01:22:49,530 --> 01:22:47,960

near Volgograd which is or formerly

1941

01:22:52,560 --> 01:22:49,540

Stalingrad and

1942

01:22:54,729 --> 01:22:52,570

from my understanding it is is that it

1943

01:22:57,640 --> 01:22:54,739

for most the Cold War was a missile

1944

01:23:00,370 --> 01:22:57,650

testing site for all of these you know

1945

01:23:04,090 --> 01:23:00,380

you know pretty pretty awesome Soviet

1946

01:23:06,450 --> 01:23:04,100

city busters right and you know there's

1947

01:23:09,970 --> 01:23:06,460

a lot of areas you know UFO

1948

01:23:13,479 --> 01:23:09,980

rumors around it but I couldn't make

1949

01:23:15,430 --> 01:23:13,489

sense of what was you know what was

1950

01:23:18,310 --> 01:23:15,440

rumor and what was what was truly if I

1951

01:23:22,570 --> 01:23:18,320

could take this one it's a combination

1952

01:23:23,800 --> 01:23:22,580

of area 51 in Cape Canaveral and so they

1953

01:23:25,450 --> 01:23:23,810

have a lot of nuclear storage sites

1954

01:23:28,000 --> 01:23:25,460

there they do a lot of work on nuclear

1955

01:23:30,760 --> 01:23:28,010

weapons there but they also shoot things

1956

01:23:32,080 --> 01:23:30,770

into space there a lot of the German

1957

01:23:35,830 --> 01:23:32,090

scientists after World War 2 were

1958

01:23:38,770 --> 01:23:35,840

brought there now if you read be let's

1959

01:23:40,330 --> 01:23:38,780

say UFO history of the place it's this

1960

01:23:43,590 --> 01:23:40,340

been the scene of all these like kind of

1961

01:23:46,390 --> 01:23:43,600

spectacular UFO sightings and there's a

1962

01:23:48,220 --> 01:23:46,400

woman pilot over there Cobra probably

1963

01:23:51,220 --> 01:23:48,230

knows her name she's she's kind of like

1964

01:23:53,080 --> 01:23:51,230

the Chuck Yeager of Russia and she's

1965

01:23:54,340 --> 01:23:53,090

very very well known as you know the

1966

01:23:57,190 --> 01:23:54,350

first woman to break the sound barrier

1967

01:23:59,920 --> 01:23:57,200

and so on and so forth he row of the you

1968

01:24:01,290 --> 01:23:59,930

know Soviet Union all this and she's

1969

01:24:04,420 --> 01:24:01,300

written eight or nine books about

1970

01:24:07,390 --> 01:24:04,430

dogfights that she's had with UFOs above

1971

01:24:10,479 --> 01:24:07,400

Kapusta yeah now you know when they're

1972

01:24:12,459 --> 01:24:10,489

very dramatic and Stalin is like on the

1973

01:24:14,680 --> 01:24:12,469

radio with them and you know it did the

1974

01:24:17,620 --> 01:24:14,690

it's like I say they're very dramatic

1975

01:24:20,350 --> 01:24:17,630

and a doctor

1976

01:24:26,160 --> 01:24:20,360

Wow Oh was that a body who was that that

1977

01:24:32,320 --> 01:24:29,890

so anyway he just yeah sorry so anyway

1978

01:24:34,300 --> 01:24:32,330

so now dad's dollar if you look at one

1979

01:24:37,120 --> 01:24:34,310

half of it it's you know these cool you

1980

01:24:38,710 --> 01:24:37,130

upholsteries but on the other half what

1981

01:24:40,330 --> 01:24:38,720

other people have said is that that

1982

01:24:42,880 --> 01:24:40,340

stone was convinced that whatever was

1983

01:24:45,340 --> 01:24:42,890

showing up over to boost it yeah we're

1984

01:24:47,170 --> 01:24:45,350

like American spy planes or something so

1985

01:24:49,990 --> 01:24:47,180

that's where the order shoot anything

1986

01:24:52,270 --> 01:24:50,000

down any unidentified aircraft shoot it

1987

01:24:53,980 --> 01:24:52,280

down that there they could probably have

1988

01:24:56,230 --> 01:24:53,990

been shooting at yo USA aircraft from

1989

01:24:58,350 --> 01:24:56,240

recon aircraft or whatever but another

1990

01:25:00,850 --> 01:24:58,360

thing about the place is that

1991

01:25:02,380 --> 01:25:00,860

Laurance Rockefeller who I think just

1992

01:25:04,380 --> 01:25:02,390

passed away he was one of the you know

1993

01:25:06,700 --> 01:25:04,390

very fabulously rich billionaire

1994

01:25:08,890 --> 01:25:06,710

Rockefellers he actually funded a study

1995

01:25:11,860 --> 01:25:08,900

in the late 90s Steve you might know

1996

01:25:14,110 --> 01:25:11,870

about this where he had two guys write a

1997

01:25:16,960 --> 01:25:14,120

report on a UFO sighting at Kapusta

1998

01:25:19,480 --> 01:25:16,970

nyata that was seen by 30 people for

1999

01:25:21,640 --> 01:25:19,490

over two hours at this year classic kind

2000

01:25:23,950 --> 01:25:21,650

of flying saucer hovering above the

2001  
01:25:25,420 --> 01:25:23,960  
nuclear storage shed something above

2002  
01:25:28,570 --> 01:25:25,430  
their airport everything above the

2003  
01:25:31,090 --> 01:25:28,580  
warehouse on and so forth 30 people saw

2004  
01:25:34,090 --> 01:25:31,100  
it for more than two hours and what gave

2005  
01:25:35,380 --> 01:25:34,100  
Rockefeller the idea to do this well he

2006  
01:25:37,180 --> 01:25:35,390  
was convinced that these people telling

2007  
01:25:39,340 --> 01:25:37,190  
the truth because the first people who

2008  
01:25:42,460 --> 01:25:39,350  
got to them who talked to them was the

2009  
01:25:44,740 --> 01:25:42,470  
KGB and he said who would lie to the KGB

2010  
01:25:46,750 --> 01:25:44,750  
about something like this okay so he

2011  
01:25:49,480 --> 01:25:46,760  
says we have 30 perfect you know

2012  
01:25:51,880 --> 01:25:49,490  
witnesses to this he they did the report

2013  
01:25:53,730 --> 01:25:51,890

it couldn't conclude anything other than

2014

01:25:55,750 --> 01:25:53,740

this thing was not from this earth

2015

01:25:57,460 --> 01:25:55,760

Rockefeller cuz he had the pole and the

2016

01:25:59,530 --> 01:25:57,470

money he actually met with Clinton is

2017

01:26:01,660 --> 01:25:59,540

the middle of the 1790s and Clinton was

2018

01:26:03,250 --> 01:26:01,670

in there and he handed them the report

2019

01:26:05,110 --> 01:26:03,260

they were on TV Clinton said you know

2020

01:26:07,930 --> 01:26:05,120

I'll have my science advisor read it and

2021

01:26:10,150 --> 01:26:07,940

never heard another thing about it but

2022

01:26:12,310 --> 01:26:10,160

it's it's funny that there's this

2023

01:26:13,570 --> 01:26:12,320

American billionaire who's you know who

2024

01:26:15,310 --> 01:26:13,580

knows what he's spending his money on

2025

01:26:18,220 --> 01:26:15,320

but he actually spent the two hundred

2026

01:26:20,530 --> 01:26:18,230

thousand bucks on this study of this

2027

01:26:22,600 --> 01:26:20,540

place UFO over come on yeah and if you

2028

01:26:24,700 --> 01:26:22,610

read it you go wow you know this there's

2029

01:26:27,310 --> 01:26:24,710

no way this was a hoax or anything this

2030

01:26:29,260 --> 01:26:27,320

really happened Rockefeller funded a lot

2031

01:26:31,660 --> 01:26:29,270

of individuals here and there I think

2032

01:26:33,940 --> 01:26:31,670

Linda Moulton Howe I believe and Chris

2033

01:26:37,720 --> 01:26:33,950

O'Brien really got some of his Rocky's

2034

01:26:38,890 --> 01:26:37,730

money good for him yeah so you know it's

2035

01:26:40,210 --> 01:26:38,900

interesting you know so he's a guy you

2036

01:26:42,820 --> 01:26:40,220

think is one of these elites that

2037

01:26:44,140 --> 01:26:42,830

probably knows what's going on yet here

2038

01:26:45,880 --> 01:26:44,150

he is funding these independent

2039

01:26:47,740 --> 01:26:45,890

researchers right you try and figure out

2040

01:26:49,900 --> 01:26:47,750

what's going on yeah yeah you think that

2041

01:26:51,220 --> 01:26:49,910

he would be in the 1% that's family you

2042

01:26:52,570 --> 01:26:51,230

know I don't know but I'm sure they have

2043

01:26:54,430 --> 01:26:52,580

money now you don't hear about them as

2044

01:26:56,500 --> 01:26:54,440

much as you used to but you know they

2045

01:26:58,180 --> 01:26:56,510

were 1% of the 1% that's the show they

2046

01:27:00,790 --> 01:26:58,190

had a lot of dough man the Rockefeller

2047

01:27:03,850 --> 01:27:00,800

yeah and a lot of indictments back just

2048

01:27:05,350 --> 01:27:03,860

to keep my my record straight with you I

2049

01:27:07,720 --> 01:27:05,360

believe you're speaking of Colonel

2050

01:27:09,790 --> 01:27:07,730

marina Popovich yes that sounds right

2051  
01:27:11,170 --> 01:27:09,800  
the popular combo yep mm-hmm yeah and

2052  
01:27:13,800 --> 01:27:11,180  
she was a brilliant fighter pilot and

2053  
01:27:16,240 --> 01:27:13,810  
holds all my records and stuff yep and

2054  
01:27:18,640 --> 01:27:16,250  
she would go on TV and you know just

2055  
01:27:20,560 --> 01:27:18,650  
tell these incredible stories about

2056  
01:27:22,570 --> 01:27:20,570  
being in dogfights and so on and so

2057  
01:27:24,820 --> 01:27:22,580  
forth above this place and you know

2058  
01:27:26,110 --> 01:27:24,830  
fighting with UFOs and stuff and you

2059  
01:27:27,190 --> 01:27:26,120  
know as I said you know someone said

2060  
01:27:28,720 --> 01:27:27,200  
well yeah all you have to do is just

2061  
01:27:31,240 --> 01:27:28,730  
take out the word UFO and put you know

2062  
01:27:33,729 --> 01:27:31,250  
us reconnaissance planes almost what and

2063  
01:27:37,979 --> 01:27:33,739

that's what was really going on but it's

2064

01:27:37,989 --> 01:27:46,110

Wow okay

2065

01:27:50,890 --> 01:27:48,910

I wanted to actually mention it's not a

2066

01:27:52,750 --> 01:27:50,900

UFO base but it's a um it's but very

2067

01:27:57,010 --> 01:27:52,760

little reporting about it but it's a a

2068

01:27:59,190 --> 01:27:57,020

naval base in China that has been that

2069

01:28:01,990 --> 01:27:59,200

has exploded rapidly

2070

01:28:04,510 --> 01:28:02,000

since I mean they've been uh it's been

2071

01:28:06,250 --> 01:28:04,520

under construction since 2000 but there

2072

01:28:09,160 --> 01:28:06,260

seem satellite photos of it it's called

2073

01:28:12,940 --> 01:28:09,170

the Yulin Naval Base on Hainan Island

2074

01:28:15,130 --> 01:28:12,950

and so Hainan is that is an island off

2075

01:28:19,600 --> 01:28:15,140

the southern coast of China in the South

2076

01:28:24,750 --> 01:28:19,610

China Sea and it's a strategic location

2077

01:28:29,380 --> 01:28:24,760

for control of that sea and it's a

2078

01:28:33,070 --> 01:28:29,390

massive naval base that's built into a

2079

01:28:37,090 --> 01:28:33,080

mountain and it's principally designed

2080

01:28:38,800 --> 01:28:37,100

for a submarine fleet so if you look at

2081

01:28:42,459 --> 01:28:38,810

it there's this peninsula jutting out

2082

01:28:45,100 --> 01:28:42,469

from the island and that attaches to a

2083

01:28:49,170 --> 01:28:45,110

mountain there's a sub submarine tunnel

2084

01:28:56,590 --> 01:28:53,770

that can accommodate submarines that you

2085

01:28:58,660 --> 01:28:56,600

know can go you know inside to hide from

2086

01:29:00,060 --> 01:28:58,670

you know missile attack there are

2087

01:29:04,360 --> 01:29:00,070

submarine piers

2088

01:29:07,660 --> 01:29:04,370

to large surface piers for that can

2089

01:29:11,610 --> 01:29:07,670

accommodate a carrier each so they're

2090

01:29:14,700 --> 01:29:11,620

aiming to base carrier groups at Yulin

2091

01:29:16,450 --> 01:29:14,710

it's also decked out with

2092

01:29:19,360 --> 01:29:16,460

anti-ship missile launchers

2093

01:29:23,110 --> 01:29:19,370

anti-aircraft missile launchers you know

2094

01:29:26,430 --> 01:29:23,120

this is a it really is a major you know

2095

01:29:28,470 --> 01:29:26,440

major base for power projection

2096

01:29:31,540 --> 01:29:28,480

southwards and

2097

01:29:33,820 --> 01:29:31,550

to get at it unless you have the b-2

2098

01:29:35,800 --> 01:29:33,830

stealth bomber you're gonna have to

2099

01:29:38,590 --> 01:29:35,810

fight your way through this you know

2100

01:29:40,900 --> 01:29:38,600

these bubbles of Defense's on those

2101  
01:29:42,210 --> 01:29:40,910  
artificial islands in the South China

2102  
01:29:44,800 --> 01:29:42,220  
Sea

2103  
01:29:46,480 --> 01:29:44,810  
so it's a good thing then we have those

2104  
01:29:49,180 --> 01:29:46,490  
huh yeah it's pretty remarkable

2105  
01:29:53,340 --> 01:29:49,190  
otherwise though I I would look up

2106  
01:29:55,870 --> 01:29:53,350  
you'll in naval naval base and

2107  
01:29:57,670 --> 01:29:55,880  
satellite photos and you know there's

2108  
01:30:00,610 --> 01:29:57,680  
been some analysts who've you know

2109  
01:30:03,570 --> 01:30:00,620  
created such arts pointing out the the

2110  
01:30:06,310 --> 01:30:03,580  
key parts locations to this

2111  
01:30:08,020 --> 01:30:06,320  
what I found pretty interesting with

2112  
01:30:11,170 --> 01:30:08,030  
number of folks you and I have talked

2113  
01:30:12,700 --> 01:30:11,180

about this in the past rub is that a lot

2114

01:30:16,080 --> 01:30:12,710

of these bases just seem to go away

2115

01:30:22,860 --> 01:30:16,090

almost like on a cycle it's cyclic

2116

01:30:30,010 --> 01:30:25,200

Nazi weapons that they had brought back

2117

01:30:32,020 --> 01:30:30,020

especially the famous V ones they had

2118

01:30:34,420 --> 01:30:32,030

whole areas of the Southwest for

2119

01:30:38,250 --> 01:30:34,430

launching and basically trying to

2120

01:30:43,090 --> 01:30:41,140

you could still fly over large piles of

2121

01:30:45,250 --> 01:30:43,100

the ramps where they had built plywood

2122

01:30:47,380 --> 01:30:45,260

ramps to you know that climb and then

2123

01:30:49,990 --> 01:30:47,390

they would measure the distance how far

2124

01:30:51,390 --> 01:30:50,000

they flew building out the next part of

2125

01:30:54,220 --> 01:30:51,400

it

2126

01:30:57,340 --> 01:30:54,230

where do you think the current most

2127

01:30:59,920 --> 01:30:57,350

secret activities are now

2128

01:31:01,390 --> 01:30:59,930

start with for the state's obviously

2129

01:31:03,400 --> 01:31:01,400

there's this one for China and this one

2130

01:31:06,040 --> 01:31:03,410

for Russia still maintains quite a bit

2131

01:31:07,780 --> 01:31:06,050

of its its lore the Chinese obviously

2132

01:31:10,380 --> 01:31:07,790

have that huge one that they've gotten

2133

01:31:13,180 --> 01:31:10,390

the Gobi that constantly seems to uh

2134

01:31:15,550 --> 01:31:13,190

right I know yeah it's a strange place I

2135

01:31:18,000 --> 01:31:15,560

mean people say that it was a place

2136

01:31:20,710 --> 01:31:18,010

where you could kind of calibrate your

2137

01:31:22,000 --> 01:31:20,720

satellites or whatever right but then

2138

01:31:23,430 --> 01:31:22,010

there's another place there where they

2139

01:31:27,340 --> 01:31:23,440

built a

2140

01:31:29,140 --> 01:31:27,350

an exact recreation a 1/100 scale model

2141

01:31:31,810 --> 01:31:29,150

of this part of the Himalayas where they

2142

01:31:33,940 --> 01:31:31,820

fought India years ago dreams like in

2143

01:31:35,500 --> 01:31:33,950

1962 they had a small war during the

2144

01:31:37,180 --> 01:31:35,510

Cuban Missile Crisis in your in China

2145

01:31:39,310 --> 01:31:37,190

for at war and it's kind of get lost in

2146

01:31:41,200 --> 01:31:39,320

the back pages and for some reason in

2147

01:31:44,320 --> 01:31:41,210

the past ten years they've built this

2148

01:31:45,820 --> 01:31:44,330

exact model of it and you can see it

2149

01:31:48,160 --> 01:31:45,830

from space but they have no idea what

2150

01:31:50,110 --> 01:31:48,170

they're doing within why they would you

2151  
01:31:51,790 --> 01:31:50,120  
know basically make it looks like a

2152  
01:31:54,190 --> 01:31:51,800  
training ground at some point though

2153  
01:31:56,230 --> 01:31:54,200  
it's very small of this strange place

2154  
01:31:58,540 --> 01:31:56,240  
and of course this places hundreds and

2155  
01:31:59,770 --> 01:31:58,550  
hundreds of UFO reports so that was

2156  
01:32:02,320 --> 01:31:59,780  
something that you know got attached to

2157  
01:32:04,660 --> 01:32:02,330  
it but that's a strange place I'm gonna

2158  
01:32:07,210 --> 01:32:04,670  
I'm gonna throw in one I think the most

2159  
01:32:09,820 --> 01:32:07,220  
secret place in the u.s. these days is

2160  
01:32:11,500 --> 01:32:09,830  
not in the u.s. it's Autec in the the

2161  
01:32:13,500 --> 01:32:11,510  
Bahamas they do some really strange

2162  
01:32:16,060 --> 01:32:13,510  
stuff down there yeah

2163  
01:32:17,560 --> 01:32:16,070

it's like they're not even allied

2164

01:32:19,260 --> 01:32:17,570

countries you know way out in the

2165

01:32:22,410 --> 01:32:19,270

Australian outback

2166

01:32:25,720 --> 01:32:22,420

because they have that big

2167

01:32:28,300 --> 01:32:25,730

mistake SIGINT facility that says 'we

2168

01:32:31,800 --> 01:32:28,310

are little of nowhere you know out in

2169

01:32:36,100 --> 01:32:31,810

the ocean yeah like the Bahamas

2170

01:32:37,990 --> 01:32:36,110

another thing space as well mm-hmm you

2171

01:32:39,970 --> 01:32:38,000

know so there's probably some burrito

2172

01:32:41,800 --> 01:32:39,980

we've been there I know that there's a

2173

01:32:43,570 --> 01:32:41,810

mature satellite spotters that have seen

2174

01:32:46,720 --> 01:32:43,580

some really weird stuff out there yeah

2175

01:32:48,970 --> 01:32:46,730

really big arrays that are just totally

2176  
01:32:51,490 --> 01:32:48,980  
secret that's big you know someone told

2177  
01:32:52,990 --> 01:32:51,500  
us there at that telescope Club was up

2178  
01:32:54,970 --> 01:32:53,000  
north carolina's some place up in a

2179  
01:32:57,670 --> 01:32:54,980  
mountain kind of you know look at the

2180  
01:32:58,990 --> 01:32:57,680  
stars and they saw three you know you

2181  
01:33:00,460 --> 01:32:59,000  
know when you see a satellite you know

2182  
01:33:01,810 --> 01:33:00,470  
it's a satellite if you know what I mean

2183  
01:33:04,270 --> 01:33:01,820  
you know it's not a plane right away

2184  
01:33:06,490 --> 01:33:04,280  
because it has a strong steady movement

2185  
01:33:08,080 --> 01:33:06,500  
and it so it doesn't flash really you

2186  
01:33:09,430 --> 01:33:08,090  
can just tell it

2187  
01:33:11,770 --> 01:33:09,440  
and they said they saw three of them

2188  
01:33:14,380 --> 01:33:11,780

flying along an adult of formation three

2189

01:33:15,610 --> 01:33:14,390

satellites and I always thought back in

2190

01:33:18,190 --> 01:33:15,620

that boy that's kind of strange it's

2191

01:33:19,390 --> 01:33:18,200

lying inflammation up do ya there's a

2192

01:33:20,550 --> 01:33:19,400

lot of stuff that's probably also hidden

2193

01:33:24,100 --> 01:33:20,560

in plain sight

2194

01:33:26,830 --> 01:33:24,110

you know some in some light dust real

2195

01:33:28,120 --> 01:33:26,840

complex in a city somewhere and know

2196

01:33:29,830 --> 01:33:28,130

where nobody would really think to look

2197

01:33:31,480 --> 01:33:29,840

and it's it looks like just City office

2198

01:33:33,550 --> 01:33:31,490

building I mean if you've been on

2199

01:33:35,380 --> 01:33:33,560

military bases you know I mean I've been

2200

01:33:37,000 --> 01:33:35,390

on the MS Journal as a journalist and

2201

01:33:38,860 --> 01:33:37,010

they say well okay you're gonna

2202

01:33:40,690 --> 01:33:38,870

photograph this but don't take pictures

2203

01:33:42,310 --> 01:33:40,700

over there that's where the secret thing

2204

01:33:44,650 --> 01:33:42,320

is well I got it you know we could wrap

2205

01:33:45,970 --> 01:33:44,660

this up by saying you know a Gen X now

2206

01:33:47,890 --> 01:33:45,980

with me right I'm really collecting my

2207

01:33:51,130 --> 01:33:47,900

books tonight them in some reason behind

2208

01:33:53,170 --> 01:33:51,140

area 51 and he kind of helped me through

2209

01:33:54,850 --> 01:33:53,180

the document and in the last chapters I

2210

01:33:57,700 --> 01:33:54,860

said to him now you bring me to a place

2211

01:33:59,200 --> 01:33:57,710

that is a secret base that's hidden in

2212

01:34:00,670 --> 01:33:59,210

plain sight and this is the last chapter

2213

01:34:02,080 --> 01:34:00,680

to the book and so he called me up one

2214

01:34:03,910 --> 01:34:02,090

day we went to a place we had a couple

2215

01:34:06,190 --> 01:34:03,920

beers we walked down the street into

2216

01:34:07,600 --> 01:34:06,200

this pack sat on the bench and he says

2217

01:34:09,910 --> 01:34:07,610

we're here and we were in the middle of

2218

01:34:11,350 --> 01:34:09,920

Harvard Yard Harvard University he says

2219

01:34:14,110 --> 01:34:11,360

more stuff goes on here that you would

2220

01:34:15,460 --> 01:34:14,120

ever know yeah and also I mean when you

2221

01:34:17,440 --> 01:34:15,470

see in the military now plugging into

2222

01:34:23,250 --> 01:34:17,450

Silicon Valley and trying to figure out

2223

01:34:26,620 --> 01:34:23,260

ways to you know you work with the new

2224

01:34:29,350 --> 01:34:26,630

leader tech companies you saw military

2225

01:34:30,700 --> 01:34:29,360

problems right yeah yeah well okay we in

2226

01:34:32,920 --> 01:34:30,710

the minute we have left so nothing's

2227

01:34:34,480 --> 01:34:32,930

going on one one isn't here to ask the

2228

01:34:36,120 --> 01:34:34,490

question so I will your dishes are still

2229

01:34:41,350 --> 01:34:36,130

dirty in quotes

2230

01:34:44,190 --> 01:34:41,360

Rob yes okay all right I can't yeah the

2231

01:34:49,050 --> 01:34:44,200

cat is me company

2232

01:34:54,450 --> 01:34:51,760

okay you're not dressing them up yet

2233

01:34:54,460 --> 01:34:59,130

Al's cowboy sweater that's

2234

01:35:03,160 --> 01:35:01,330

okay if that happens let us know because

2235

01:35:05,080 --> 01:35:03,170

it might be intervention time then my

2236

01:35:06,520 --> 01:35:05,090

dak Prescott Jersey on the cat yeah

2237

01:35:08,050 --> 01:35:06,530

there you go yeah you don't mention the

2238

01:35:11,110 --> 01:35:08,060

other guy who did he go to jail yet

2239

01:35:13,540 --> 01:35:11,120

what's his name Oh Izzy Kelly is

2240

01:35:15,370 --> 01:35:13,550

suspended for seven games seven games or

2241

01:35:17,920 --> 01:35:15,380

something like that yeah that's huge in

2242

01:35:19,360 --> 01:35:17,930

the NFL and and Jerry Jones stuck right

2243

01:35:20,649 --> 01:35:19,370

with him right to the very bitter end

2244

01:35:24,129 --> 01:35:20,659

and

2245

01:35:26,839 --> 01:35:24,139

yeah that's how it is in Dallas Cowboys

2246

01:35:30,229 --> 01:35:26,849

anyway Thank You Rob Beck housing for

2247

01:35:32,509 --> 01:35:30,239

joining us and educating us and we'll

2248

01:35:34,160 --> 01:35:32,519

talk to you next week okay yeah it's my

2249

01:35:36,560 --> 01:35:34,170

pleasure I'll see you then okay thanks

2250

01:35:38,410 --> 01:35:36,570

Rob there you go another great report

2251

01:35:40,640 --> 01:35:38,420

from way down there in Texas

2252

01:35:42,040 --> 01:35:40,650

you know a lot of things happening down

2253

01:35:45,379 --> 01:35:42,050

there

2254

01:35:47,180 --> 01:35:45,389

and Rob is one of them and it's Kath as

2255

01:35:49,939 --> 01:35:47,190

someone said last week that's one lucky

2256

01:35:53,660 --> 01:35:49,949

cat member they cocoa how could you not

2257

01:35:55,489 --> 01:35:53,670

I mean how could you know right anyway

2258

01:35:57,199 --> 01:35:55,499

when we take a commercial break now and

2259

01:35:59,330 --> 01:35:57,209

we come back Leigh and have a special

2260

01:36:01,310 --> 01:35:59,340

report from switchblade and also Emily

2261

01:36:03,819 --> 01:36:01,320

min de Meyer about the Michigan

2262

01:36:07,100 --> 01:36:03,829

paranormal conference that they attended

2263

01:36:08,540 --> 01:36:07,110

recently so when we take a commercial

2264

01:36:09,919 --> 01:36:08,550

break now and we'll be right back after

2265

01:36:11,479 --> 01:36:09,929

this you're listening to Mack mommy's

2266

01:36:13,660 --> 01:36:11,489

military exile show here on the distant

2267

01:36:16,729 --> 01:36:13,670

Thunder radio network

2268

01:36:19,359 --> 01:36:16,739

UFOs are found in Renaissance art on

2269

01:36:22,850 --> 01:36:19,369

ancient coins and etched on cave walls

2270

01:36:25,069 --> 01:36:22,860

they are even reported in the Bible but

2271

01:36:28,330 --> 01:36:25,079

more surprising is when UFOs have seen

2272

01:36:31,040 --> 01:36:28,340

the most in times of war

2273

01:36:32,479 --> 01:36:31,050

through centuries thousands of UFO

2274

01:36:35,270 --> 01:36:32,489

sightings have been made by high-ranking

2275

01:36:37,879 --> 01:36:35,280

officials military pilots and ordinary

2276

01:36:39,859 --> 01:36:37,889

soldiers often these fantastic

2277

01:36:43,250 --> 01:36:39,869

appearances occur at the height of great

2278

01:36:46,279 --> 01:36:43,260

battles from World War one to d-day to

2279

01:36:48,949 --> 01:36:46,289

Korea Vietnam and beyond military

2280

01:36:50,719 --> 01:36:48,959

investigators are baffled why do UFO

2281

01:36:51,560 --> 01:36:50,729

sighting spikes so drastically during

2282

01:36:54,080 --> 01:36:51,570

wartime

2283

01:36:57,319 --> 01:36:54,090

could it be mistaken aircraft or as

2284

01:37:00,529 --> 01:36:57,329

someone or some thing looking in on us

2285

01:37:02,569 --> 01:37:00,539

in UFOs in wartime what they didn't want

2286

01:37:04,189 --> 01:37:02,579

you to know Mac Maloney chronicles

2287

01:37:06,319 --> 01:37:04,199

centuries are these incredible sightings

2288

01:37:08,719 --> 01:37:06,329

and tries to solve the puzzle of why so

2289

01:37:12,049 --> 01:37:08,729

many UFOs are seen while humanity is at

2290

01:37:14,779 --> 01:37:12,059

war read about the scare ships the ghost

2291

01:37:16,660 --> 01:37:14,789

I'm in a location I'm not allowed to

2360

01:40:22,610 --> 01:40:21,360

really speak about in fact they're a

2361

01:40:25,160 --> 01:40:22,620

little bit nervous when I was going to

2362

01:40:28,400 --> 01:40:25,170

do the show wow yeah can't tell us

2363

01:40:29,720 --> 01:40:28,410

one one is in here things just don't go

2368

01:40:40,720 --> 01:40:38,610

right for some reason we've got a lot of

2369

01:40:43,880 --> 01:40:40,730

technical difficulties tonight and

2370

01:40:45,500 --> 01:40:43,890

you know overall the show hasn't been

2371

01:40:50,020 --> 01:40:45,510

that funny would you agree there Coco I

2372

01:40:52,850 --> 01:40:50,030

think it's it's hard to fill the hole of

2373

01:40:53,950 --> 01:40:52,860

one why not being with us okay all right

2374

01:40:56,270 --> 01:40:53,960

that

2375

01:40:57,860 --> 01:40:56,280

hundreds and hundreds

2407

01:42:29,470 --> 01:42:27,590

and do is where they're celebrities

2408

01:42:31,270 --> 01:42:29,480

there this time like when you went to

2409

2428

01:43:16,720 --> 01:43:13,420

ghost people you know TV show people

2429

01:43:24,690 --> 01:43:16,730

let's see you can help me out here Emily

2430

01:43:29,320 --> 01:43:27,910

Amy Bruni and Adam berry formerly of

2431

01:43:32,140 --> 01:43:29,330

ghost hunters now they've got their own

2432

01:43:34,300 --> 01:43:32,150

show kindred spirits okay rosemary ellen

2433

01:43:36,610 --> 01:43:34,310

guiley gregg paranormal investigator

2434

01:43:41,260 --> 01:43:36,620

right you know if you've checked out her

2435

01:43:42,730 --> 01:43:41,270

books online they're phenomenal a really

2436

01:43:44,590 --> 01:43:42,740

great guy I know they're another guy got

2437

01:43:47,740 --> 01:43:44,600

a little bit of a man crush on John

2438

01:43:50,560 --> 01:43:47,750

Kenny G in an ey

2439

01:43:52,660 --> 01:43:50,570

he does weird lectures this guy is one

2440

01:43:55,180 --> 01:43:52,670

of the best speakers and I know Emily

2441

01:43:57,220 --> 01:43:55,190

will agree but I've ever seen just very

2442

01:43:58,690 --> 01:43:57,230

energy so I'm sorry Steve but you open

2443

01:44:00,400 --> 01:43:58,700

the door so we have to run through it so

2444

01:44:02,590 --> 01:44:00,410

now you went away to this conference and

2445

01:44:06,210 --> 01:44:02,600

you develop two man crushes while you

2446

01:44:11,440 --> 01:44:08,890

John Kenny and it developed another one

2447

01:44:14,320 --> 01:44:11,450

on Bobo okay oh really okay all right

2448

01:44:15,880 --> 01:44:14,330

maybe with Emily who as they say in the

2449

01:44:18,070 --> 01:44:15,890

Northeast you know ain't too bad on the

2450

01:44:20,790 --> 01:44:18,080

eyes and only what's a mess with you

2451

01:44:33,150 --> 01:44:20,800

Steve Steve what's the matter with you

2452

01:44:38,140 --> 01:44:35,710

Steve isn't into books it's okay that's

2453

01:44:40,750 --> 01:44:38,150

that shows you have some depth it's like

2454

01:44:42,610 --> 01:44:40,760

I said not in a bad way nothing never is

2455

01:44:45,850 --> 01:44:42,620

never is stand up there stand up it's

2456

01:44:47,590 --> 01:44:45,860

2017 Steve don't be embarrassed okay I

2457

01:44:49,990 --> 01:44:47,600

know which bathroom to use though okay

2458

01:44:51,850 --> 01:44:50,000

but do you remember two years ago when

2459

01:44:54,130 --> 01:44:51,860

you joined us that that we originally

2460

01:44:56,650 --> 01:44:54,140

thought your nickname was stiletto Steve

2461

01:44:58,360 --> 01:44:56,660

and I remember the litigation we went

2462

01:45:01,030 --> 01:44:58,370

through that to change the switchblade

2463

01:45:02,820 --> 01:45:01,040

and now you're you're enlightened we

2464

01:45:04,360 --> 01:45:02,830

should say

2465

01:45:05,590 --> 01:45:04,370

exactly

2466

01:45:07,450 --> 01:45:05,600

all right just want to go on the record

2467

01:45:09,640 --> 01:45:07,460

saying that so we're any of these

2468

01:45:12,450 --> 01:45:09,650

celebrities you met with them showbiz

2469

01:45:14,920 --> 01:45:12,460

a-holes or were they almost people

2470

01:45:18,100 --> 01:45:14,930

Emily I thought I was really impressed

2471

01:45:21,010 --> 01:45:18,110

yes generally speaking with how good

2472

01:45:24,250 --> 01:45:21,020

these people are for their fans just

2473

01:45:26,370 --> 01:45:24,260

genuinely Steve Gonzalez remember him of

2474

01:45:29,190 --> 01:45:26,380

ghost hunters

2475

01:45:31,870 --> 01:45:29,200

boy you know it just

2476

01:45:35,290 --> 01:45:31,880

Dustin pari another one up ghost hunters

2477

01:45:37,870 --> 01:45:35,300

formerly right yeah just one after

2478

01:45:39,610 --> 01:45:37,880

another oh and I got interviewed by the

2479

01:45:41,860 --> 01:45:39,620

paranormal podcast by the way for a my

2480

01:45:44,080 --> 01:45:41,870

bid okay Japan the show you mention the

2481

01:45:46,210 --> 01:45:44,090

show absolutely all right excellent

2482

01:45:47,740 --> 01:45:46,220

Steve thank you very much I appreciate

2483

01:45:50,850 --> 01:45:47,750

that see I'll tell you were growing in

2484

01:45:53,170 --> 01:45:50,860

popularity of my friend I know I

2485

01:45:54,550 --> 01:45:53,180

military X fight on the past don't mean

2486

01:45:56,560 --> 01:45:54,560

that and I'm not sucking up you know

2487

01:45:58,720 --> 01:45:56,570

okay doing that's okay that's all right

2488

01:46:01,080 --> 01:45:58,730

no problem then if you have a man crush

2489

01:46:02,790 --> 01:46:01,090

it's probably best to break that on air

2490

01:46:05,700 --> 01:46:02,800

that's true yeah that's where else would

2491

01:46:06,720 --> 01:46:05,710

you do it I've got to tell you at some

2492

01:46:09,360 --> 01:46:06,730

point I know we're gonna get to a

2493

01:46:11,760 --> 01:46:09,370

strange experience that Emily had okay

2494

01:46:14,310 --> 01:46:11,770

and and one of our other another Moss

2495

01:46:15,530 --> 01:46:14,320

man a regular came up there with us

2496

01:46:18,000 --> 01:46:15,540

right and

2497

01:46:20,010 --> 01:46:18,010

they both had kind of a strange

2498

01:46:23,400 --> 01:46:20,020

experience but all I want to say about

2499

01:46:26,370 --> 01:46:23,410

it is that I was with them yes and I

2500

01:46:27,900 --> 01:46:26,380

didn't see hear or feel anything maybe

2501  
01:46:31,580 --> 01:46:27,910  
you were distracted by all the romance

2502  
01:46:36,410 --> 01:46:34,110  
thinking about John Tenney Emily please

2503  
01:46:40,080 --> 01:46:36,420  
tell us what happened

2504  
01:46:43,470 --> 01:46:40,090  
yeah so two very different things

2505  
01:46:46,050 --> 01:46:43,480  
happened both of which were outside of

2506  
01:46:47,820 --> 01:46:46,060  
the conference but a Saturday night

2507  
01:46:49,500 --> 01:46:47,830  
after the conference was over and

2508  
01:46:51,030 --> 01:46:49,510  
there's a dinner with all of the the

2509  
01:46:53,130 --> 01:46:51,040  
speakers and all of that and once that

2510  
01:46:54,780 --> 01:46:53,140  
was over word somehow got around I don't

2511  
01:46:56,790 --> 01:46:54,790  
I don't even know how we heard it that

2512  
01:46:58,410 --> 01:46:56,800  
some lady was going to be out in the

2513  
01:47:01,620 --> 01:46:58,420

parking lot of the hotel that this

2514

01:47:04,620 --> 01:47:01,630

conference was at afterwards singing to

2515

01:47:06,420 --> 01:47:04,630

UFOs yes

2516

01:47:10,800 --> 01:47:06,430

we all I think kind of looked at each

2517

01:47:12,060 --> 01:47:10,810

other like what on earth okay but we we

2518

01:47:13,710 --> 01:47:12,070

had to go up to the parking lot anyway

2519

01:47:17,010 --> 01:47:13,720

to leave so we figured we go check it

2520

01:47:18,390 --> 01:47:17,020

out and sure enough she had a crowd of I

2521

01:47:20,430 --> 01:47:18,400

don't even know how many people were out

2522

01:47:23,820 --> 01:47:20,440

there Steve it may be a hundred okay

2523

01:47:25,680 --> 01:47:23,830

yeah easily easily yeah and so all these

2524

01:47:28,050 --> 01:47:25,690

people standing out in the parking lot

2525

01:47:30,420 --> 01:47:28,060

of the hotel I don't know ten ten thirty

2526

01:47:31,650 --> 01:47:30,430

at night and she was explaining I

2527

01:47:35,400 --> 01:47:31,660

couldn't quite hear all of it but

2528

01:47:38,250 --> 01:47:35,410

explaining that she sees UFOs what like

2529

01:47:42,290 --> 01:47:38,260

twenty or thirty of them a day she said

2530

01:47:47,340 --> 01:47:44,940

that they love us they're very

2531

01:47:49,310 --> 01:47:47,350

benevolent they like to look out for for

2532

01:47:52,560 --> 01:47:49,320

humans and

2533

01:47:54,750 --> 01:47:52,570

enjoy singing how old was she how old

2534

01:47:55,580 --> 01:47:54,760

would she would you say oh I couldn't

2535

01:47:59,490 --> 01:47:55,590

tell

2536

01:48:02,100 --> 01:47:59,500

young middle-aged maybe okay I'm not

2537

01:48:03,450 --> 01:48:02,110

good with ages okay all right yeah it

2538

01:48:05,430 --> 01:48:03,460

was dark and I couldn't see her very

2539

01:48:07,620 --> 01:48:05,440

well not a real young lady but certainly

2540

01:48:09,420 --> 01:48:07,630

not an old lady okay go okay milk to

2541

01:48:12,000 --> 01:48:09,430

that dish that explains it we got the

2542

01:48:14,190 --> 01:48:12,010

visual now go ahead please

2543

01:48:17,729 --> 01:48:14,200

so she explained that there are certain

2544

01:48:20,479 --> 01:48:17,739

songs that that these UFOs and and the

2545

01:48:22,890 --> 01:48:20,489

beings in them love to hear

2546

01:48:26,460 --> 01:48:22,900

still at this point I thought this kind

2547

01:48:28,140 --> 01:48:26,470

of weird but I'll just see okay and so

2548

01:48:29,550 --> 01:48:28,150

she started singing what song did she

2549

01:48:35,600 --> 01:48:29,560

start off with I think she started up

2550

01:48:39,180 --> 01:48:37,590

yeah you would have thought you know

2551

01:48:41,570 --> 01:48:39,190

calling occupants from interplanetary

2552

01:48:44,479 --> 01:48:41,580

craft would have been the one number one

2553

01:48:47,460 --> 01:48:44,489

mental journey

2554

01:48:50,010 --> 01:48:47,470

so before she started singing though she

2555

01:48:52,320 --> 01:48:50,020

did say now they're here I'm already

2556

01:48:54,090 --> 01:48:52,330

starting to see them arrive and you know

2557

01:48:56,700 --> 01:48:54,100

we want everyone to look at the sky look

2558

01:48:57,740 --> 01:48:56,710

at the whole sky and you know you'll

2559

01:49:01,260 --> 01:48:57,750

start to see

2560

01:49:02,540 --> 01:49:01,270

you know flashes of light or you know

2561

01:49:05,310 --> 01:49:02,550

moving

2562

01:49:07,530 --> 01:49:05,320

lights on the sky you might see green

2563

01:49:09,150 --> 01:49:07,540

streaks across the sky that's them

2564

01:49:11,490 --> 01:49:09,160

they're coming I can already see them

2565

01:49:14,190 --> 01:49:11,500

coming and of course I looking up like

2566

01:49:16,080 --> 01:49:14,200

where are they we don't see anything and

2567

01:49:17,760 --> 01:49:16,090

at that point for me personally I know

2568

01:49:20,520 --> 01:49:17,770

Steve said he doesn't say anything but I

2569

01:49:22,440 --> 01:49:20,530

mean I saw nothing yeah all I could see

2570

01:49:24,180 --> 01:49:22,450

at first were stars that were stationary

2571

01:49:27,060 --> 01:49:24,190

you know kind of twinkling and then a

2572

01:49:29,130 --> 01:49:27,070

few airplanes and she pointed out where

2573

01:49:30,690 --> 01:49:29,140

the flight path was so if anything was

2574

01:49:32,970 --> 01:49:30,700

going through their flight path for

2575

01:49:34,170 --> 01:49:32,980

airplanes I should say and if anything

2576

01:49:36,450 --> 01:49:34,180

was going through there those rare

2577

01:49:39,479 --> 01:49:36,460

planes not UFOs and so she started

2578

01:49:41,880 --> 01:49:39,489

singing and I was looking up and sure

2579

01:49:45,210 --> 01:49:41,890

enough all of a sudden it looked like

2580

01:49:48,420 --> 01:49:45,220

and I probably saw six or seven of these

2581

01:49:50,940 --> 01:49:48,430

white lights appear in the sky and they

2582

01:49:52,680 --> 01:49:50,950

they were moving they weren't going

2583

01:49:56,490 --> 01:49:52,690

anywhere but they were kind of

2584

01:49:59,010 --> 01:49:56,500

meandering almost like hovering and I

2585

01:50:01,440 --> 01:49:59,020

thought no I'm just seeing stuff and you

2586

01:50:03,450 --> 01:50:01,450

know blinked looked around looked back

2587

01:50:06,240 --> 01:50:03,460

up they were still there they were still

2588

01:50:08,729 --> 01:50:06,250

moving and then I saw several green

2589

01:50:10,860 --> 01:50:08,739

streaks of light like bright neon green

2590

01:50:11,750 --> 01:50:10,870

streaks of light going through the sky

2591

01:50:16,020 --> 01:50:11,760

and

2592

01:50:18,570 --> 01:50:16,030

probably I don't know 15 minutes or so

2593

01:50:21,030 --> 01:50:18,580

and people in the group were starting to

2594

01:50:22,890 --> 01:50:21,040

point but what was in the sky and I

2595

01:50:25,470 --> 01:50:22,900

thought still thinking I'm just seeing

2596

01:50:27,209 --> 01:50:25,480

things then people were pointing at the

2597

01:50:29,010 --> 01:50:27,219

same areas that I was looking and they

2598

01:50:31,740 --> 01:50:29,020

were describing the you know the same

2599

01:50:33,120 --> 01:50:31,750

behavior of these white lights that I

2600

01:50:36,150 --> 01:50:33,130

was seeing that would occasionally kind

2601  
01:50:39,000 --> 01:50:36,160  
of change to gold or green red and then

2602  
01:50:41,370 --> 01:50:39,010  
back again to white and so to see

2603  
01:50:43,350 --> 01:50:41,380  
everyone else you know pointing these

2604  
01:50:46,410 --> 01:50:43,360  
things out and and describing the same

2605  
01:50:48,810 --> 01:50:46,420  
behavior or I thought huh I I don't know

2606  
01:50:51,840 --> 01:50:48,820  
what it is that I'm seeing but it's

2607  
01:50:55,189 --> 01:50:51,850  
definitely different so I'm still not

2608  
01:50:57,439 --> 01:50:55,199  
quite sure what to make of it I'm not a

2609  
01:51:01,890 --> 01:50:57,449  
ufos is probably

2610  
01:51:03,810 --> 01:51:01,900  
an a paranormal area that I am NOT the

2611  
01:51:06,300 --> 01:51:03,820  
most well versed in I mean I know some

2612  
01:51:08,720 --> 01:51:06,310  
and and have definitely done some

2613  
01:51:12,720 --> 01:51:08,730

research and I'm interested in but I'm

2614

01:51:15,300 --> 01:51:12,730

I'm relatively new to that to that field

2615

01:51:17,729 --> 01:51:15,310

of study so I honestly don't know what I

2616

01:51:20,300 --> 01:51:17,739

saw but it wasn't stars and they were in

2617

01:51:22,860 --> 01:51:20,310

airplanes Wow

2618

01:51:25,770 --> 01:51:22,870

Steve saw nothing right Steve you saw

2619

01:51:28,020 --> 01:51:25,780

another I saw nothing I know nothing I

2620

01:51:29,760 --> 01:51:28,030

saw nothing okay I was looking I mean I

2621

01:51:31,920 --> 01:51:29,770

was I know I was I was ready because you

2622

01:51:33,720 --> 01:51:31,930

know there have been some cases where I

2623

01:51:35,939 --> 01:51:33,730

forget the guys name but he would you

2624

01:51:37,890 --> 01:51:35,949

know call down UFOs in front of crowds

2625

01:51:40,439 --> 01:51:37,900

and he would see these lights of this

2626

01:51:43,979 --> 01:51:40,449

guy right this this may be some kind of

2627

01:51:45,870 --> 01:51:43,989

you know mental collective consciousness

2628

01:51:48,540 --> 01:51:45,880

phenomena as well I don't know that

2629

01:51:50,280 --> 01:51:48,550

we're literally dealing with aliens but

2630

01:51:52,350 --> 01:51:50,290

you know it's it's pretty interesting

2631

01:51:54,030 --> 01:51:52,360

that Emily and several other people saw

2632

01:51:55,740 --> 01:51:54,040

the same thing well we asked this

2633

01:51:57,420 --> 01:51:55,750

question I think Emily we might ask you

2634

01:51:59,310 --> 01:51:57,430

this the last time you're on do you

2635

01:52:02,220 --> 01:51:59,320

believe I mean I sort of coming around

2636

01:52:04,200 --> 01:52:02,230

to believe that ghosts and UFOs and

2637

01:52:07,430 --> 01:52:04,210

paranormal stuff only appear to certain

2638

01:52:13,620 --> 01:52:10,500

think they can't appear to anyone but I

2639

01:52:17,100 --> 01:52:13,630

think certain people or more yeah

2640

01:52:18,479 --> 01:52:17,110

multiple sightings of mine yes yes I

2641

01:52:20,640 --> 01:52:18,489

think people some people are more

2642

01:52:22,650 --> 01:52:20,650

sensitive to that type of activity than

2643

01:52:24,660 --> 01:52:22,660

others and have an easier time seeing it

2644

01:52:26,430 --> 01:52:24,670

I guess yeah or something like that

2645

01:52:28,140 --> 01:52:26,440

because it just seems like you know it's

2646

01:52:29,729 --> 01:52:28,150

a it's a smaller collection of people

2647

01:52:31,380 --> 01:52:29,739

who see these things over and over than

2648

01:52:32,970 --> 01:52:31,390

it is to you know people who have seen

2649

01:52:34,979 --> 01:52:32,980

like a what they thought was you go for

2650

01:52:37,479 --> 01:52:34,989

once or twice in their life you know

2651  
01:52:40,510 --> 01:52:37,489  
yeah so maybe you have the touch there

2652  
01:52:43,090 --> 01:52:40,520  
Emily and Steve hey I knew for several

2653  
01:52:44,950 --> 01:52:43,100  
years I kind of turned it off because at

2654  
01:52:47,590 --> 01:52:44,960  
a point several years ago I was just

2655  
01:52:49,689 --> 01:52:47,600  
seeing spirits all the time to the point

2656  
01:52:51,760 --> 01:52:49,699  
that it was somewhat overwhelming really

2657  
01:52:54,970 --> 01:52:51,770  
I kind of shut that part of my brain

2658  
01:52:56,950 --> 01:52:54,980  
down and just said no I can't when I'm

2659  
01:52:58,570 --> 01:52:56,960  
ready and and when I have the ability to

2660  
01:53:00,729 --> 01:52:58,580  
concentrate on what it is that I'm

2661  
01:53:03,570 --> 01:53:00,739  
seeing right okay open my mind back up

2662  
01:53:06,370 --> 01:53:03,580  
and sure enough a lot of it went away

2663  
01:53:10,090 --> 01:53:06,380

was it a sweaty 10th of the day or night

2664

01:53:13,020 --> 01:53:10,100

I'm sorry well I say it didn't all go

2665

01:53:15,850 --> 01:53:13,030

away because that that night after the

2666

01:53:17,560 --> 01:53:15,860

m2 the UFOs and all that stuff you had

2667

01:53:20,490 --> 01:53:17,570

some other experiences but you guys go

2668

01:53:23,470 --> 01:53:20,500

ahead well go ahead please fill us in

2669

01:53:26,439 --> 01:53:23,480

and let me preface this one Emily I was

2670

01:53:28,120 --> 01:53:26,449

out with with Emily and Devon we were

2671

01:53:30,310 --> 01:53:28,130

just kind of you know killing some time

2672

01:53:32,320 --> 01:53:30,320

and wandering around this is sue st.

2673

01:53:34,990 --> 01:53:32,330

Marie with all the sidewalks rolled up

2674

01:53:37,060 --> 01:53:35,000

right it was late at night and I let

2675

01:53:39,390 --> 01:53:37,070

Emily take it from here but again I saw

2676

01:53:43,240 --> 01:53:39,400

nothing felt nothing

2677

01:53:44,979 --> 01:53:43,250

please Emily go yeah sure so so like

2678

01:53:46,510 --> 01:53:44,989

Steve said we were walking around town

2679

01:53:49,479 --> 01:53:46,520

after we'd gotten back to the hotel and

2680

01:53:51,399 --> 01:53:49,489

we had seen down at the the hotel that

2681

01:53:54,430 --> 01:53:51,409

we were at was right on the water there

2682

01:53:56,979 --> 01:53:54,440

the between the US and Canada where the

2683

01:53:59,260 --> 01:53:56,989

locks are that the boats come through so

2684

01:54:01,479 --> 01:53:59,270

we're right on the water which tends to

2685

01:54:03,939 --> 01:54:01,489

enhance paranormal activity or so they

2686

01:54:05,500 --> 01:54:03,949

say okay and we can see from the hotel

2687

01:54:08,260 --> 01:54:05,510

but down at the end of the road there is

2688

01:54:11,800 --> 01:54:08,270

this obelisk and we wanted to just walk

2689

01:54:14,860 --> 01:54:11,810

down and see what was it so so we walked

2690

01:54:17,770 --> 01:54:14,870

down and as we were walking there was an

2691

01:54:19,450 --> 01:54:17,780

old building the water was to our left

2692

01:54:20,860 --> 01:54:19,460

as we were walking and there's an old

2693

01:54:22,330 --> 01:54:20,870

building on the left on the water that

2694

01:54:27,430 --> 01:54:22,340

was the what was at the War Department

2695

01:54:29,560 --> 01:54:27,440

Steve yes building and it was around

2696

01:54:31,300 --> 01:54:29,570

that building which is really close to

2697

01:54:33,910 --> 01:54:31,310

the hotel then I started feeling like

2698

01:54:36,129 --> 01:54:33,920

someone was either walking behind us or

2699

01:54:38,290 --> 01:54:36,139

watching us and I had turned around

2700

01:54:41,140 --> 01:54:38,300

didn't see anything or anybody I should

2701

01:54:42,520 --> 01:54:41,150

say and just kind of dismissed it my

2702

01:54:44,410 --> 01:54:42,530

thought wow you know this is a really

2703

01:54:46,490 --> 01:54:44,420

old town maybe it is a spirit who knows

2704

01:54:50,500 --> 01:54:46,500

but but kept walking we get the obelisk

2705

01:54:53,600 --> 01:54:50,510

and discover it's behind a gated in

2706

01:54:56,030 --> 01:54:53,610

stretch of land there was a plaque on

2707

01:54:58,280 --> 01:54:56,040

the gate that said that also that it was

2708

01:55:00,710 --> 01:54:58,290

an ancient Indian burial ground which I

2709

01:55:05,320 --> 01:55:00,720

know is very cliché for ghost stories

2710

01:55:08,300 --> 01:55:05,330

but this one's this one's legit so

2711

01:55:09,860 --> 01:55:08,310

odd why would they put that obelisk in

2712

01:55:12,380 --> 01:55:09,870

the middle of an ancient Indian burial

2713

01:55:14,120 --> 01:55:12,390

ground but no matter we just wanted to

2714

01:55:16,550 --> 01:55:14,130

see what it was and I decided to take a

2715

01:55:18,320 --> 01:55:16,560

picture of that plaque so I could get

2716

01:55:20,990 --> 01:55:18,330

the name of the the burial ground and

2717

01:55:23,270 --> 01:55:21,000

look it up later and just see you know

2718

01:55:26,270 --> 01:55:23,280

when it was from and and who was there

2719

01:55:28,580 --> 01:55:26,280

so I took a picture on my cellphone and

2720

01:55:30,470 --> 01:55:28,590

again it's like 11:00 11:30 at night so

2721

01:55:32,420 --> 01:55:30,480

it's very dark but got a picture of the

2722

01:55:34,010 --> 01:55:32,430

sign I always take two pictures of

2723

01:55:37,280 --> 01:55:34,020

everything just in case the first one

2724

01:55:40,490 --> 01:55:37,290

doesn't turn out so did that and then

2725

01:55:41,960 --> 01:55:40,500

something like in my mind told me I need

2726

01:55:44,480 --> 01:55:41,970

to take a picture looking into the

2727

01:55:46,010 --> 01:55:44,490

cemetery through this gate because I

2728

01:55:48,410 --> 01:55:46,020

feel like I'm gonna see something don't

2729

01:55:52,190 --> 01:55:48,420

think if I take a picture so I took

2730

01:55:55,190 --> 01:55:52,200

three pictures all in a row again

2731

01:55:57,620 --> 01:55:55,200

totally dark and so didn't look at it at

2732

01:55:59,210 --> 01:55:57,630

the time but we'll come back to that so

2733

01:56:01,100 --> 01:55:59,220

that we started walking back towards the

2734

01:56:04,100 --> 01:56:01,110

hotel decided to continue on a couple

2735

01:56:05,780 --> 01:56:04,110

more blocks just talking about things

2736

01:56:07,640 --> 01:56:05,790

and Steve giving us a preview of his

2737

01:56:12,190 --> 01:56:07,650

Mothman festival lecture which sounds

2738

01:56:17,840 --> 01:56:15,080

and then we cross the street to walk

2739

01:56:20,300 --> 01:56:17,850

back to the hotel and as we cross the

2740

01:56:22,310 --> 01:56:20,310

street that feeling of someone watching

2741

01:56:23,690 --> 01:56:22,320

us or walking behind us was suddenly

2742

01:56:25,820 --> 01:56:23,700

gone it had been there the whole time

2743

01:56:28,300 --> 01:56:25,830

and then as soon as we cross the street

2744

01:56:31,040 --> 01:56:28,310

it was gone went back to the hotel

2745

01:56:32,930 --> 01:56:31,050

didn't think much more of it I have a

2746

01:56:35,120 --> 01:56:32,940

question Emily a winner when did you and

2747

01:56:37,040 --> 01:56:35,130

Devon first figure out that you guys

2748

01:56:40,400 --> 01:56:37,050

were kind of picking up the same thing

2749

01:56:42,770 --> 01:56:40,410

so it was after we got back to the hotel

2750

01:56:45,740 --> 01:56:42,780

and we'd gone inside and I was looking

2751  
01:56:49,100 --> 01:56:45,750  
through my phone at the pictures that I

2752  
01:56:51,590 --> 01:56:49,110  
had taken and I noticed that the first

2753  
01:56:53,330 --> 01:56:51,600  
two pictures that were of the sign the

2754  
01:56:54,660 --> 01:56:53,340  
first one totally clear you could read

2755  
01:56:56,700 --> 01:56:54,670  
everything on it

2756  
01:57:00,810 --> 01:56:56,710  
get one the whole sign was just this

2757  
01:57:02,729 --> 01:57:00,820  
green like blurry glow well that's weird

2758  
01:57:04,530 --> 01:57:02,739  
scroll to the next picture which was a

2759  
01:57:07,020 --> 01:57:04,540  
picture looking into the cemetery it had

2760  
01:57:09,470 --> 01:57:07,030  
the gate the obelisk and then the the

2761  
01:57:12,209 --> 01:57:09,480  
land and turned out just fine

2762  
01:57:14,250 --> 01:57:12,219  
it was clear nothing weird and then the

2763  
01:57:16,020 --> 01:57:14,260

next two pictures after that of the same

2764

01:57:19,709 --> 01:57:16,030

thing looking into the cemetery have

2765

01:57:22,979 --> 01:57:19,719

these weird squiggly light anomalies

2766

01:57:25,189 --> 01:57:22,989

through the whole picture and I don't

2767

01:57:28,200 --> 01:57:25,199

know where they would have come from

2768

01:57:29,939 --> 01:57:28,210

you know it was dark and I took the

2769

01:57:30,900 --> 01:57:29,949

pictures all right in a row so I don't

2770

01:57:32,370 --> 01:57:30,910

think there was anything in the

2771

01:57:34,620 --> 01:57:32,380

environment that had changed that would

2772

01:57:36,419 --> 01:57:34,630

cause those and and normally I wouldn't

2773

01:57:37,620 --> 01:57:36,429

think too much of that you know it's

2774

01:57:41,400 --> 01:57:37,630

just something wrong with camera

2775

01:57:44,100 --> 01:57:41,410

whatever but the fact that I took the

2776

01:57:46,169 --> 01:57:44,110

pictures only because something was

2777

01:57:47,580 --> 01:57:46,179

telling me to take the pictures because

2778

01:57:50,250 --> 01:57:47,590

something weird was going to be in them

2779

01:57:55,560 --> 01:57:50,260

that's what creeped me out a little bit

2780

01:57:57,030 --> 01:57:55,570

so I showed them to Devin and he did you

2781

01:57:59,430 --> 01:57:57,040

feel something weird when we were out

2782

01:58:01,380 --> 01:57:59,440

walking with Steve he said it felt like

2783

01:58:03,810 --> 01:58:01,390

something was following us from when we

2784

01:58:05,880 --> 01:58:03,820

were walking down past the war building

2785

01:58:08,430 --> 01:58:05,890

to the obelisk and back and it stopped

2786

01:58:11,430 --> 01:58:08,440

when we crossed the street I said oh my

2787

01:58:13,410 --> 01:58:11,440

gosh I felt the exact same thing and at

2788

01:58:15,689 --> 01:58:13,420

the exact same spot so it was just

2789

01:58:17,370 --> 01:58:15,699

another point of validation where it's

2790

01:58:19,530 --> 01:58:17,380

time neither of us said anything about

2791

01:58:21,780 --> 01:58:19,540

it to the other so we didn't know that

2792

01:58:23,640 --> 01:58:21,790

the other had had experienced that and

2793

01:58:26,939 --> 01:58:23,650

then come to find out we had the exact

2794

01:58:30,120 --> 01:58:26,949

same paranormal experience he said does

2795

01:58:31,590 --> 01:58:30,130

that creep out occur a lot plan let's

2796

01:58:34,860 --> 01:58:31,600

not a creep but it does a creep out

2797

01:58:38,970 --> 01:58:34,870

feeling occur a lot often for you um it

2798

01:58:42,680 --> 01:58:38,980

does it's kind of I mean I feel spirits

2799

01:58:45,180 --> 01:58:42,690

around most of the time but not

2800

01:58:46,530 --> 01:58:45,190

not in the sense that they know that I'm

2801  
01:58:49,350 --> 01:58:46,540  
there that they're watching me they're

2802  
01:58:51,419 --> 01:58:49,360  
just found but this was definitely one

2803  
01:58:53,880 --> 01:58:51,429  
it knew we were there it was watching

2804  
01:58:55,740 --> 01:58:53,890  
what we were doing it wasn't bad but it

2805  
01:58:57,780 --> 01:58:55,750  
was definitely aware of us it wasn't

2806  
01:59:01,820 --> 01:58:57,790  
women Steve's fans stalking him was it

2807  
01:59:07,900 --> 01:59:04,350  
give them an autograph

2808  
01:59:11,540 --> 01:59:07,910  
spiritually sell tell me that I sell him

2809  
01:59:12,620 --> 01:59:11,550  
anyway so Emily you see you see spirits

2810  
01:59:14,090 --> 01:59:12,630  
around all the time when you have the

2811  
01:59:15,950 --> 01:59:14,100  
power to turn around show dropped is

2812  
01:59:18,320 --> 01:59:15,960  
there any time a day do you see spirits

2813  
01:59:19,850 --> 01:59:18,330

more often than not like for instance if

2814

01:59:20,930 --> 01:59:19,860

you saw spirits at night or if I saw

2815

01:59:23,360 --> 01:59:20,940

spirits that night that would really

2816

01:59:24,890 --> 01:59:23,370

upset me during the day if it's gonna

2817

01:59:27,200 --> 01:59:24,900

happen wouldn't you rather during the

2818

01:59:30,189 --> 01:59:27,210

day did you see it spirits have any

2819

01:59:33,920 --> 01:59:30,199

certain time of the day or night

2820

01:59:36,290 --> 01:59:33,930

a specific time of day I mean it happens

2821

01:59:39,310 --> 01:59:36,300

at any time of day I should say and I

2822

01:59:43,840 --> 01:59:39,320

definitely prefer the daytime once

2823

01:59:49,280 --> 01:59:43,850

usually at night I live by myself so I

2824

01:59:51,140 --> 01:59:49,290

I hear anything I kind of don't freak

2825

01:59:52,880 --> 01:59:51,150

out but I'm used to it but it still

2826  
01:59:56,150 --> 01:59:52,890  
makes me a little uneasy so I generally

2827  
01:59:57,700 --> 01:59:56,160  
always have the TV on yeah or something

2828  
01:59:59,870 --> 01:59:57,710  
on in the background right into sleep

2829  
02:00:04,600 --> 01:59:59,880  
have you had any kind of a bad

2830  
02:00:08,810 --> 02:00:07,220  
I don't even know if they were bad they

2831  
02:00:11,180 --> 02:00:08,820  
were just very strange or I had a bad

2832  
02:00:12,580 --> 02:00:11,190  
feeling about I guess maybe that's not

2833  
02:00:15,979 --> 02:00:12,590  
the right word but like a negative

2834  
02:00:18,229 --> 02:00:15,989  
result from what you were experienced

2835  
02:00:20,990 --> 02:00:18,239  
none that was a negative result I've

2836  
02:00:25,689 --> 02:00:21,000  
definitely felt like I've encountered

2837  
02:00:28,850 --> 02:00:25,699  
some very bad entities of some sort but

2838  
02:00:30,920 --> 02:00:28,860

nothing happened at the time and nothing

2839

02:00:32,450 --> 02:00:30,930

happened afterwards other than I was

2840

02:00:33,650 --> 02:00:32,460

just very uncomfortable I knew it was

2841

02:00:36,050 --> 02:00:33,660

something really bad and in those

2842

02:00:38,170 --> 02:00:36,060

situations I usually remove myself from

2843

02:00:42,550 --> 02:00:38,180

wherever it is

2844

02:00:45,229 --> 02:00:42,560

Emily would that be in the TNT area yes

2845

02:00:47,300 --> 02:00:45,239

TNT area north of Point Pleasant right

2846

02:00:48,650 --> 02:00:47,310

yeah those stairs I mean that happens a

2847

02:00:49,540 --> 02:00:48,660

lot right the people who get down to

2848

02:00:52,700 --> 02:00:49,550

that place

2849

02:00:55,550 --> 02:00:52,710

yeah not not all the time but yeah there

2850

02:00:57,320 --> 02:00:55,560

are some people do report shadow people

2851  
02:00:59,840 --> 02:00:57,330  
and sometimes negative feelings right

2852  
02:01:01,760 --> 02:00:59,850  
you know so anyway hey listen Emily

2853  
02:01:03,280 --> 02:01:01,770  
thank you much for joining us tonight

2854  
02:01:05,900 --> 02:01:03,290

2855  
02:01:07,430 --> 02:01:05,910

2858  
02:01:14,080 --> 02:01:11,100

2859  
02:01:16,400 --> 02:01:14,090  
the streets or something but

2860  
02:01:19,080 --> 02:01:16,410  
she got it she got a Reader's Digest

2861  
02:01:22,710 --> 02:01:20,850

02:01:25,680 --> 02:01:22,720

2863  
02:01:27,960 --> 02:01:25,690

Emily and Devin we're we're great they

2864

02:01:30,210 --> 02:01:27,970

they indulge me and they gave me a lot

2865

02:01:32,340 --> 02:01:30,220

of support that night so that's good so

2866

02:01:35,040 --> 02:01:32,350

2882  
02:02:18,780 --> 02:02:17,110  
the manager of the Plum Island Airport

2883  
02:02:20,700 --> 02:02:18,790

2884  
02:02:23,340 --> 02:02:20,710  
Airport here he kind of straighten us

2885  
02:02:26,070 --> 02:02:23,350  
out on that thanks to rod Beck Heusen

2886  
02:02:28,590 --> 02:02:26,080  
for calling us from Dallas which is not

2887  
02:02:30,510 --> 02:02:28,600  
under water miles and miles away from

2888  
02:02:33,120 --> 02:02:30,520

the hurricane people the future we also

2889

02:02:35,700 --> 02:02:33,130

2891

02:02:40,440 --> 02:02:38,410

been divorced he was pretty inebriated

and he's bouncing back he's bouncing

2893

02:02:46,080 --> 02:02:42,400
