

Gary Parker

California Radio
MUFON
LORIE FENTON

WEDNESDAY 11PM EASTERN
8PM PACIFIC

Listen on

inceptionradionetwork.com

1
00:00:15,129 --> 00:00:08,290
and now your host of California guffawed

2
00:00:17,560 --> 00:00:15,139
radio Laurie infant welcome everyone to

3
00:00:20,170 --> 00:00:17,570
the California MUFON radio show I'm your

4
00:00:22,749 --> 00:00:20,180
host Lori and Fenton I'm really glad you

5
00:00:24,490 --> 00:00:22,759
guys are with me here tonight oh my god

6
00:00:26,560 --> 00:00:24,500
what's been going on everybody keeps

7
00:00:29,320 --> 00:00:26,570
asking I get the weirdest Facebook

8
00:00:31,179 --> 00:00:29,330
requests of people just go I heard your

9
00:00:33,850 --> 00:00:31,189
voice on the radio you stand up like a

10
00:00:39,400 --> 00:00:33,860
nice person boy if I get everybody

11
00:00:42,580 --> 00:00:39,410
fooled you said that to me that's so

12
00:00:43,750 --> 00:00:42,590
sweet you know you know Facebook is a

13
00:00:45,459 --> 00:00:43,760

weird thing I don't think I've ever

14

00:00:47,830 --> 00:00:45,469

really talked about Facebook much on

15

00:00:49,569 --> 00:00:47,840

this show but Facebook is really odd and

16

00:00:53,290 --> 00:00:49,579

I'll tell you guys my story about

17

00:00:55,630 --> 00:00:53,300

Facebook but before I get to Facebook I

18

00:00:57,369 --> 00:00:55,640

got to tell you guys I'm still getting

19

00:00:58,720 --> 00:00:57,379

blowback from the whole Corey Goode

20

00:01:00,729 --> 00:00:58,730

thing I just want you all to know that

21

00:01:03,150 --> 00:01:00,739

there are good things about Facebook and

22

00:01:05,860 --> 00:01:03,160

there are bad things about Facebook and

23

00:01:08,110 --> 00:01:05,870

there's this whole thing going on where

24

00:01:10,330 --> 00:01:08,120

I'm being attacked as being part of the

25

00:01:13,120 --> 00:01:10,340

Dark Alliance as you guys all know I was

26

00:01:15,880 --> 00:01:13,130

announced in the list of bill Ryan's

27

00:01:18,430 --> 00:01:15,890

people that were like a gift Cory good I

28

00:01:21,370 --> 00:01:18,440

felt kind of proud in the moment but

29

00:01:23,830 --> 00:01:21,380

what's it's turned into as people think

30

00:01:26,800 --> 00:01:23,840

I don't like Cory good and I have been

31

00:01:29,470 --> 00:01:26,810

trying to tell all of you I don't not

32

00:01:30,970 --> 00:01:29,480

like we're good I don't dislike him I

33

00:01:33,670 --> 00:01:30,980

don't have any problem with him

34

00:01:37,120 --> 00:01:33,680

personally I have no problem at all with

35

00:01:38,650 --> 00:01:37,130

him I and hold on a second here I'm

36

00:01:40,840 --> 00:01:38,660

gonna try to get my roommate to bring

37

00:01:44,380 --> 00:01:40,850

back my drink that I'm not finished with

38

00:01:45,700 --> 00:01:44,390

thank you okay so back to what I was

39

00:01:48,520 --> 00:01:45,710

saying oh yeah it's not that I don't

40

00:01:50,440 --> 00:01:48,530

like very good he personally I have no

41

00:01:53,170 --> 00:01:50,450

problem with the man at all except for

42

00:01:54,850 --> 00:01:53,180

that he dissed me at the MUFON symposium

43

00:01:56,710 --> 00:01:54,860

and didn't show up on the radio show but

44

00:01:58,180 --> 00:01:56,720

you know hey I've tried to get him on

45

00:02:00,370 --> 00:01:58,190

the show for three years he won't come

46

00:02:03,940 --> 00:02:00,380

on I don't blame them is being advised

47

00:02:05,890 --> 00:02:03,950

not to be on my show because frankly I'd

48

00:02:07,900 --> 00:02:05,900

ask him the tough questions and people

49

00:02:09,790 --> 00:02:07,910

don't want to have the tough questions

50

00:02:11,949 --> 00:02:09,800

you know when they're in the position

51
00:02:15,160 --> 00:02:11,959
that he's in and I get that you know I

52
00:02:17,470 --> 00:02:15,170
totally get that what I don't understand

53
00:02:20,849 --> 00:02:17,480
is how people can equate what I say

54
00:02:27,009 --> 00:02:24,849
he's being handled he's being used and I

55
00:02:28,750 --> 00:02:27,019
feel sorry for the guy personally this

56
00:02:31,119 --> 00:02:28,760
is my whole point to this whole thing

57
00:02:34,270 --> 00:02:31,129
it's not about Cory good it's about the

58
00:02:37,000 --> 00:02:34,280
psyops that's being perpetrated against

59
00:02:39,429 --> 00:02:37,010
the whole UFO community through Cory

60
00:02:41,229 --> 00:02:39,439
good his handlers and the marketing

61
00:02:43,479 --> 00:02:41,239
people that are around him in this whole

62
00:02:47,050 --> 00:02:43,489
deal with the TV show I

63
00:02:49,720 --> 00:02:47,060

it's basically what has happened is the

64

00:02:51,729 --> 00:02:49,730

powers that be and I figured this out

65

00:02:55,780 --> 00:02:51,739

and so of a lot of other people the

66

00:02:58,300 --> 00:02:55,790

powers that be the NSA the mj-12 the

67

00:03:00,159 --> 00:02:58,310

people that run the whole psyops against

68

00:03:02,770 --> 00:03:00,169

the UFO community to keep us in the dark

69

00:03:04,809 --> 00:03:02,780

like a bunch of mushrooms have decided

70

00:03:07,929 --> 00:03:04,819

that they're gonna use Cory good to see

71

00:03:10,689 --> 00:03:07,939

how far they can control a cult another

72

00:03:13,420 --> 00:03:10,699

cult organization through through the

73

00:03:16,750 --> 00:03:13,430

UFO community you know every time they

74

00:03:19,899 --> 00:03:16,760

they they get a guy like him they use

75

00:03:22,569 --> 00:03:19,909

him to start a whole new movement in the

76

00:03:24,520 --> 00:03:22,579

UFO community and these guys are

77

00:03:26,259 --> 00:03:24,530

absolutely duped I mean I think they're

78

00:03:28,030 --> 00:03:26,269

just brainwashed I don't know what the

79

00:03:30,189 --> 00:03:28,040

problem is but they absolutely believe

80

00:03:31,809 --> 00:03:30,199

they're gonna change things and the

81

00:03:34,030 --> 00:03:31,819

reality is they never change anything

82

00:03:36,129 --> 00:03:34,040

they never do anything to change the

83

00:03:37,089 --> 00:03:36,139

whole way the UFO community is handled

84

00:03:39,159 --> 00:03:37,099

who runs it

85

00:03:41,499 --> 00:03:39,169

you know these conference producers that

86

00:03:43,270 --> 00:03:41,509

produce these same people over and over

87

00:03:45,219 --> 00:03:43,280

and over again and because they're

88

00:03:47,499 --> 00:03:45,229

making him into something they actually

89

00:03:52,119 --> 00:03:47,509

aren't like I keep telling you guys I

90

00:03:56,020 --> 00:03:52,129

like Dolan I mean as a person he's you

91

00:03:58,089 --> 00:03:56,030

know he's he's he's got any problems in

92

00:03:59,619 --> 00:03:58,099

the past but you know I forgiving him as

93

00:04:02,229 --> 00:03:59,629

a person

94

00:04:03,550 --> 00:04:02,239

I love his ex-wife Karen her and I are

95

00:04:05,409 --> 00:04:03,560

you know we see each other at all the

96

00:04:08,020 --> 00:04:05,419

conferences I think she's amazing

97

00:04:10,719 --> 00:04:08,030

his new wife may be amazing - I don't

98

00:04:12,909 --> 00:04:10,729

know but personally I have no problem

99

00:04:14,409 --> 00:04:12,919

with the guy on that level he still owes

100

00:04:18,759 --> 00:04:14,419

me an apology but we'll get there

101
00:04:21,729 --> 00:04:18,769
someday and the reality is though this

102
00:04:23,980 --> 00:04:21,739
guy is a major figure at all the

103
00:04:26,680 --> 00:04:23,990
conferences he's written all these books

104
00:04:29,589 --> 00:04:26,690
he's talked to a few whistleblowers but

105
00:04:31,420 --> 00:04:29,599
he's never seen a UFO or talked to an

106
00:04:32,610 --> 00:04:31,430
alien or had an encounter or have a

107
00:04:36,120 --> 00:04:32,620
download or

108
00:04:38,490 --> 00:04:36,130
experience or been saved or you know

109
00:04:40,860 --> 00:04:38,500
believes in aliens I mean and what does

110
00:04:43,140 --> 00:04:40,870
this guy do them being at every

111
00:04:45,420 --> 00:04:43,150
conference speaking I don't get it I

112
00:04:47,969 --> 00:04:45,430
really don't get it I in same thing with

113
00:04:49,560 --> 00:04:47,979

Stanton Friedman god bless him he's been

114

00:04:51,840 --> 00:04:49,570

around since the beginning you know

115

00:04:53,520 --> 00:04:51,850

these people are advocates I gotta say

116

00:04:57,689 --> 00:04:53,530

they do their job is that but they are

117

00:04:59,790 --> 00:04:57,699

not experiencers and I think that's what

118

00:05:02,040 --> 00:04:59,800

this whole psyops is about it's like the

119

00:05:04,110 --> 00:05:02,050

see they already played out the whole

120

00:05:05,850 --> 00:05:04,120

thing where the scientific guys and the

121

00:05:08,580 --> 00:05:05,860

guys that do the researcher now the

122

00:05:10,890 --> 00:05:08,590

Guru's in the community and now they're

123

00:05:12,570 --> 00:05:10,900

starting to see that I put on and this

124

00:05:14,820 --> 00:05:12,580

is just an example I'm throwing at you

125

00:05:16,950 --> 00:05:14,830

guys I put on the first experience or

126

00:05:18,990 --> 00:05:16,960

conference on the west coast there's

127

00:05:21,120 --> 00:05:19,000

another group of twins that put went on

128

00:05:23,340 --> 00:05:21,130

on the East Coast but I put one on the

129

00:05:25,439 --> 00:05:23,350

west coast and there were some spooks

130

00:05:26,790 --> 00:05:25,449

there I knew that when I put it on I

131

00:05:29,070 --> 00:05:26,800

could tell I didn't know who these

132

00:05:31,740 --> 00:05:29,080

people were they acted awfully weird

133

00:05:33,840 --> 00:05:31,750

they said they were experiencers I doubt

134

00:05:35,969 --> 00:05:33,850

it very seriously I've never seen these

135

00:05:37,800 --> 00:05:35,979

people I have no idea who they were they

136

00:05:38,339 --> 00:05:37,810

don't go to anything I've never seen him

137

00:05:40,740 --> 00:05:38,349

since

138

00:05:41,940 --> 00:05:40,750

and they looked off least out of place

139

00:05:44,580 --> 00:05:41,950

let's just put it that way and they

140

00:05:46,110 --> 00:05:44,590

didn't talk the lingo they had no idea

141

00:05:47,310 --> 00:05:46,120

what everyone was going on around them

142

00:05:49,260 --> 00:05:47,320

and these guys are supposed to be

143

00:05:51,290 --> 00:05:49,270

experiencers right so good on this

144

00:05:53,730 --> 00:05:51,300

conference and it's all about

145

00:05:55,500 --> 00:05:53,740

experiences I had 12 different people

146

00:05:58,080 --> 00:05:55,510

speak and they have 12 different types

147

00:06:00,270 --> 00:05:58,090

of experiences all the way from evil

148

00:06:03,029 --> 00:06:00,280

eating you you know like you had to

149

00:06:05,850 --> 00:06:03,039

serve man type of experiences all the

150

00:06:09,360 --> 00:06:05,860

way and killing the aliens by the way to

151
00:06:11,670 --> 00:06:09,370
manila lint beautiful angelic beams like

152
00:06:13,379 --> 00:06:11,680
I probably deal with because I've never

153
00:06:14,129 --> 00:06:13,389
seen them and they've done nothing but

154
00:06:16,469 --> 00:06:14,139
good to me

155
00:06:18,629 --> 00:06:16,479
so they saved my life more than one or

156
00:06:22,020 --> 00:06:18,639
two or three or four times now at least

157
00:06:23,730 --> 00:06:22,030
and so you know everything I ran the

158
00:06:25,260 --> 00:06:23,740
whole gamut and then we did breakout

159
00:06:27,029 --> 00:06:25,270
sessions for different types of

160
00:06:29,640 --> 00:06:27,039
encounters with different types of

161
00:06:31,920 --> 00:06:29,650
psychotherapists and and hypnotherapist

162
00:06:34,830 --> 00:06:31,930
and it was a really extraordinary

163
00:06:38,070 --> 00:06:34,840

conference and I think out of that came

164

00:06:39,600 --> 00:06:38,080

the whole psyops of or you know not just

165

00:06:41,370 --> 00:06:39,610

mine I mean I'm ain't blowing my horn

166

00:06:43,320 --> 00:06:41,380

here a little bit but all of the ones

167

00:06:45,899 --> 00:06:43,330

that are starting to crop up around in

168

00:06:46,379 --> 00:06:45,909

an experimenter I think they went ooh

169

00:06:49,290 --> 00:06:46,389

there

170

00:06:51,149 --> 00:06:49,300

a whole new genre you know floating to

171

00:06:54,029 --> 00:06:51,159

the surface I think the experiences are

172

00:06:56,490 --> 00:06:54,039

getting a voice maybe we better control

173

00:06:58,290 --> 00:06:56,500

what their voice is saying and I think

174

00:07:01,409 --> 00:06:58,300

that's what the whole quarry good things

175

00:07:02,670 --> 00:07:01,419

all about and I think that that's where

176

00:07:04,230 --> 00:07:02,680

they're heading they're gonna try to

177

00:07:06,330 --> 00:07:04,240

control the narrative for the

178

00:07:08,969 --> 00:07:06,340

experiencers just like they control the

179

00:07:11,249 --> 00:07:08,979

narrative for the the scientific end and

180

00:07:13,499 --> 00:07:11,259

it may be through MUFON and David

181

00:07:15,839 --> 00:07:13,509

Davenport's group or a Peter Davenport's

182

00:07:17,309 --> 00:07:15,849

group or through different types of

183

00:07:18,749 --> 00:07:17,319

groups that are out there that they

184

00:07:21,809 --> 00:07:18,759

control the narrative from the

185

00:07:23,909 --> 00:07:21,819

scientific point of view of UFOs but now

186

00:07:27,779 --> 00:07:23,919

there's they're heading into the whole

187

00:07:29,850 --> 00:07:27,789

unknown world of the experiencer I don't

188

00:07:33,059 --> 00:07:29,860

think they realize the backlash they

189

00:07:34,850 --> 00:07:33,069

were gonna get I don't think that they

190

00:07:37,320 --> 00:07:34,860

realized that there's too many

191

00:07:38,999 --> 00:07:37,330

experiences that go to these events that

192

00:07:41,369 --> 00:07:39,009

deal with this type of subject that have

193

00:07:44,730 --> 00:07:41,379

written that many books and that

194

00:07:46,800 --> 00:07:44,740

understand that his his experiences are

195

00:07:48,600 --> 00:07:46,810

not that extraordinary there are people

196

00:07:50,219 --> 00:07:48,610

out there that have 10 times more

197

00:07:53,820 --> 00:07:50,229

extraordinary experiences than Corey

198

00:07:56,279 --> 00:07:53,830

Goode and even if he he's had all the

199

00:07:58,260 --> 00:07:56,289

experiences he's had my super soldier

200

00:08:01,499 --> 00:07:58,270

dudes have had ten times more

201
00:08:03,540 --> 00:08:01,509
experiences than he and also they can

202
00:08:04,829 --> 00:08:03,550
remember them they can remember most of

203
00:08:06,990 --> 00:08:04,839
them and they can remember the

204
00:08:09,899 --> 00:08:07,000
horrendous parts of it to the point

205
00:08:12,329 --> 00:08:09,909
where they can't function so you know if

206
00:08:14,369 --> 00:08:12,339
Corey Goode really was having the

207
00:08:16,559 --> 00:08:14,379
experiences he was having and those

208
00:08:19,409 --> 00:08:16,569
horrible experiences he says he did have

209
00:08:21,629 --> 00:08:19,419
then why is he still talking

210
00:08:23,760 --> 00:08:21,639
why is he able to function at any level

211
00:08:26,100 --> 00:08:23,770
because both of the guys I know that had

212
00:08:28,230 --> 00:08:26,110
that they can't function and the last

213
00:08:29,879 --> 00:08:28,240

thing they want to do is get any fame

214

00:08:31,740 --> 00:08:29,889

and fortune around it because it's so

215

00:08:34,050 --> 00:08:31,750

horrific they don't even want to think

216

00:08:36,930 --> 00:08:34,060

about it and they don't want humanity

217

00:08:39,029 --> 00:08:36,940

you have to deal with it either because

218

00:08:43,170 --> 00:08:39,039

they're hoping every one of these guys

219

00:08:45,030 --> 00:08:43,180

is hoping that it will end and it

220

00:08:45,569 --> 00:08:45,040

they'll do anything they can to make it

221

00:08:48,360 --> 00:08:45,579

end

222

00:08:49,259 --> 00:08:48,370

Corey goods not doing anything he can to

223

00:08:52,889 --> 00:08:49,269

make it end

224

00:08:55,559 --> 00:08:52,899

he's just perpetuating the the good

225

00:08:56,699 --> 00:08:55,569

parts of it or his story parter now

226

00:09:00,300 --> 00:08:56,709

still trying to figure out what he is

227

00:09:03,240 --> 00:09:00,310

perpetuating Ill don't get why anybody

228

00:09:06,060 --> 00:09:03,250

follow this guy I mean from what I heard

229

00:09:08,010 --> 00:09:06,070

he was part of a slave colony of people

230

00:09:10,590 --> 00:09:08,020

working and you know doing horrific

231

00:09:12,540 --> 00:09:10,600

things to children and you know and why

232

00:09:14,400 --> 00:09:12,550

would any be Revere that guy I mean my

233

00:09:17,010 --> 00:09:14,410

guys are ashamed they're absolutely

234

00:09:19,079 --> 00:09:17,020

ashamed to come forward and here this

235

00:09:21,420 --> 00:09:19,089

guy comes forward and I'm like what and

236

00:09:23,220 --> 00:09:21,430

you know I've had other people that have

237

00:09:24,840 --> 00:09:23,230

written books that have mentioned the

238

00:09:26,010 --> 00:09:24,850

horrific things that have happened to

239

00:09:29,690 --> 00:09:26,020

them

240

00:09:32,400 --> 00:09:29,700

on the move and in different places and

241

00:09:33,720 --> 00:09:32,410

if you want to believe them that you

242

00:09:36,210 --> 00:09:33,730

know they only write about it they

243

00:09:37,890 --> 00:09:36,220

hardly ever talk about it and they don't

244

00:09:40,040 --> 00:09:37,900

bring it up if they're ever asked to

245

00:09:43,079 --> 00:09:40,050

speak anywhere which most of them aren't

246

00:09:45,390 --> 00:09:43,089

they never bring up the bad stuff they

247

00:09:47,579 --> 00:09:45,400

only bring up the good stuff but I must

248

00:09:49,470 --> 00:09:47,589

say they do mention the bad stuff in the

249

00:09:51,030 --> 00:09:49,480

context of they've got to make it stop

250

00:09:57,390 --> 00:09:51,040

and they really do go out of their way

251
00:09:59,400 --> 00:09:57,400
to say that this is an arrest in this

252
00:10:01,050 --> 00:09:59,410
community I mean whatever's going on

253
00:10:03,329 --> 00:10:01,060
with aliens out there when they do these

254
00:10:05,790 --> 00:10:03,339
horrific things they've got to be

255
00:10:07,920 --> 00:10:05,800
stopped and I just don't know how we're

256
00:10:09,480 --> 00:10:07,930
gonna do it you guys I you know we can't

257
00:10:10,980 --> 00:10:09,490
have people like Cory good running

258
00:10:12,990 --> 00:10:10,990
around saying they're gonna change

259
00:10:15,600 --> 00:10:13,000
everything when they won't even address

260
00:10:17,790 --> 00:10:15,610
it they won't even talk about it you

261
00:10:21,930 --> 00:10:17,800
know all they'll do is talk about other

262
00:10:24,780 --> 00:10:21,940
people's experience that's what I say at

263
00:10:26,400 --> 00:10:24,790

the dange MUFON symposium anyhow I'm

264

00:10:28,200 --> 00:10:26,410

getting far afield here and I'm going

265

00:10:30,150 --> 00:10:28,210

way off in different tangents but I just

266

00:10:32,670 --> 00:10:30,160

want you to know that it's not the

267

00:10:34,590 --> 00:10:32,680

people it is this whole psyops that's

268

00:10:37,560 --> 00:10:34,600

going on around it that I'm just getting

269

00:10:39,720 --> 00:10:37,570

I'm getting furious I just I can't

270

00:10:43,530 --> 00:10:39,730

believe that people can't see what's

271

00:10:45,510 --> 00:10:43,540

really happening so I just hope you guys

272

00:10:47,940 --> 00:10:45,520

are aware you know that's why I'm saying

273

00:10:48,480 --> 00:10:47,950

all this and you know hey I'll buy Dolan

274

00:10:52,650 --> 00:10:48,490

a drink

275

00:10:55,020 --> 00:10:52,660

out after you know a presentation at any

276

00:10:57,300 --> 00:10:55,030

conference and have a nice chat with

277

00:10:57,570 --> 00:10:57,310

them as people I have no problem with

278

00:11:00,050 --> 00:10:57,580

that

279

00:11:03,260 --> 00:11:00,060

what I don't like is people being played

280

00:11:06,090 --> 00:11:03,270

into the system and being used to

281

00:11:09,690 --> 00:11:06,100

control the narrative of the UFO

282

00:11:12,150 --> 00:11:09,700

community on how the NSA wants us the

283

00:11:13,860 --> 00:11:12,160

NSA this you know CIA everybody's

284

00:11:16,140 --> 00:11:13,870

involved you guys it isn't one

285

00:11:18,150 --> 00:11:16,150

group it isn't mj-12 like everybody

286

00:11:20,610 --> 00:11:18,160

wants to believe it is it's all of them

287

00:11:22,890 --> 00:11:20,620

they want to control it trust me they do

288

00:11:26,460 --> 00:11:22,900

this is a huge topic and it's one of

289

00:11:29,910 --> 00:11:26,470

those topics is gaining speed and it's

290

00:11:32,519 --> 00:11:29,920

gaining popularity and it's all over TV

291

00:11:33,990 --> 00:11:32,529

and they control the narrative on TV we

292

00:11:38,190 --> 00:11:34,000

ever noticed that it's very interesting

293

00:11:40,350 --> 00:11:38,200

to me anyhow ok so that's my beef about

294

00:11:44,730 --> 00:11:40,360

that and I'm tired of all the people on

295

00:11:47,490 --> 00:11:44,740

Facebook attacking me for telling it

296

00:11:48,960 --> 00:11:47,500

like I see it you know I mean I don't

297

00:11:51,030 --> 00:11:48,970

attack anybody else

298

00:11:53,340 --> 00:11:51,040

I don't even attack Corey Goode I'd

299

00:11:55,740 --> 00:11:53,350

never have I got on that list only

300

00:11:57,390 --> 00:11:55,750

because I said that I don't like the

301
00:12:00,269 --> 00:11:57,400
whole psyops thing that's going on with

302
00:12:03,540 --> 00:12:00,279
him not him as a person you know and I'm

303
00:12:05,760 --> 00:12:03,550
I just please everybody stop getting

304
00:12:08,400 --> 00:12:05,770
after me on Facebook I really don't

305
00:12:09,750 --> 00:12:08,410
appreciate it and you know maybe this is

306
00:12:11,579 --> 00:12:09,760
the end of me on Facebook and that's

307
00:12:14,220 --> 00:12:11,589
what I started the whole show with today

308
00:12:17,670 --> 00:12:14,230
Facebook is a psyops you guys it's a

309
00:12:20,130 --> 00:12:17,680
giant psyops people all over Facebook

310
00:12:21,420 --> 00:12:20,140
sit there and Yammer all day long about

311
00:12:24,990 --> 00:12:21,430
everything that's going on in their

312
00:12:27,000 --> 00:12:25,000
lives what is the point I want to tell

313
00:12:29,040 --> 00:12:27,010

you guys I've been sick for over a month

314

00:12:30,720 --> 00:12:29,050

and a half no one knew about it on

315

00:12:33,269 --> 00:12:30,730

Facebook no one even knew about it my

316

00:12:35,310 --> 00:12:33,279

family I dealt with it I was sick I was

317

00:12:36,240 --> 00:12:35,320

I dealt with it I did what I had to do

318

00:12:38,519 --> 00:12:36,250

to deal with it

319

00:12:42,180 --> 00:12:38,529

I got a leg infection at the MUFON

320

00:12:44,010 --> 00:12:42,190

symposium and I got home from that and I

321

00:12:46,110 --> 00:12:44,020

ended up in the ER and I was on all

322

00:12:48,810 --> 00:12:46,120

kinds of icky antibiotics and drugs and

323

00:12:51,329 --> 00:12:48,820

felt like crapola for two weeks and then

324

00:12:53,400 --> 00:12:51,339

I stopped the drugs and then it got King

325

00:12:56,550 --> 00:12:53,410

back at this time with a vengeance that

326

00:12:58,890 --> 00:12:56,560

was really sick for my birthday and then

327

00:13:01,890 --> 00:12:58,900

I threw my back out on my birthday and I

328

00:13:03,960 --> 00:13:01,900

mean and you know and no one even

329

00:13:05,400 --> 00:13:03,970

freaking knew except for my back because

330

00:13:06,840 --> 00:13:05,410

there were a bunch of people there when

331

00:13:08,670 --> 00:13:06,850

I threw my back out so they knew I was

332

00:13:10,199 --> 00:13:08,680

in absolutely agony but you know I don't

333

00:13:11,970 --> 00:13:10,209

tell people things I don't go on

334

00:13:14,250 --> 00:13:11,980

Facebook and tell everybody about all my

335

00:13:16,500 --> 00:13:14,260

problems what's the point

336

00:13:18,540 --> 00:13:16,510

Facebook is a psyops it's there to make

337

00:13:21,269 --> 00:13:18,550

you think that you're special and

338

00:13:23,190 --> 00:13:21,279

important and you're not not any more

339

00:13:24,870 --> 00:13:23,200

important than the next guy next door to

340

00:13:25,530 --> 00:13:24,880

you that's going through the same thing

341

00:13:27,390 --> 00:13:25,540

every day

342

00:13:29,190 --> 00:13:27,400

Facebook is a sham

343

00:13:30,750 --> 00:13:29,200

and there's no reason to be on it the

344

00:13:33,930 --> 00:13:30,760

only reason I go on it is to promote

345

00:13:36,510 --> 00:13:33,940

animal advocacy and things to change the

346

00:13:38,040 --> 00:13:36,520

world in the UFO community and every

347

00:13:41,280 --> 00:13:38,050

once in a while I'll comment on some

348

00:13:43,530 --> 00:13:41,290

people's you know issues on Facebook but

349

00:13:45,750 --> 00:13:43,540

you know I can't I just don't see any

350

00:13:47,340 --> 00:13:45,760

reason for it and I am you know another

351

00:13:50,160 --> 00:13:47,350

thing I'm getting kind of tired of all

352

00:13:52,019 --> 00:13:50,170

my friends calling me and saying you

353

00:13:53,310 --> 00:13:52,029

don't have a presence on Facebook you'll

354

00:13:54,840 --> 00:13:53,320

never be able to speak at the

355

00:13:56,220 --> 00:13:54,850

conference's you'll never be able to do

356

00:13:57,600 --> 00:13:56,230

all these things you'll never have this

357

00:13:58,950 --> 00:13:57,610

you'll never have that and I'm thinking

358

00:14:02,130 --> 00:13:58,960

do I really care

359

00:14:04,050 --> 00:14:02,140

see you ought to ask yourself every last

360

00:14:06,750 --> 00:14:04,060

one of you that is addicted to this

361

00:14:08,430 --> 00:14:06,760

freaking Facebook if it's that important

362

00:14:10,769 --> 00:14:08,440

to you you know who's gonna be there

363

00:14:11,850 --> 00:14:10,779

looks like I said when 2010 when I

364

00:14:14,340 --> 00:14:11,860

almost died

365

00:14:15,900 --> 00:14:14,350

nobody from Facebook showed up the only

366

00:14:19,860 --> 00:14:15,910

people that showed up to see if I was

367

00:14:23,610 --> 00:14:19,870

okay was one of my bosses very concerned

368

00:14:26,130 --> 00:14:23,620

about me and my lady friend next door

369

00:14:28,380 --> 00:14:26,140

and that was it there was nobody else

370

00:14:30,630 --> 00:14:28,390

not even my family came to see how it

371

00:14:32,310 --> 00:14:30,640

was of course there are miles and miles

372

00:14:34,829 --> 00:14:32,320

of miles away and they called the doctor

373

00:14:36,720 --> 00:14:34,839

every day but still the point is you

374

00:14:39,269 --> 00:14:36,730

know unless someone who's gonna show up

375

00:14:41,130 --> 00:14:39,279

and then help you and you're dying you

376

00:14:42,600 --> 00:14:41,140

know these people no one came to see me

377

00:14:47,190 --> 00:14:42,610

for the three minutes I was a cooperate

378

00:14:50,430 --> 00:14:47,200

in a bed either so you know it really I

379

00:14:52,230 --> 00:14:50,440

don't know people just the things they

380

00:14:54,329 --> 00:14:52,240

do about Facebook just blows my mind

381

00:14:56,460 --> 00:14:54,339

okay well I'm done complaining about

382

00:14:58,199 --> 00:14:56,470

Facebook now all right now I've got my

383

00:15:00,600 --> 00:14:58,209

coffee I'm doing a little better I do

384

00:15:02,310 --> 00:15:00,610

have a slight headache so if I I ramble

385

00:15:04,980 --> 00:15:02,320

on about how upset I am about anything

386

00:15:07,079 --> 00:15:04,990

it's probably because I think you know

387

00:15:09,480 --> 00:15:07,089

take some Advil on the break that would

388

00:15:11,370 --> 00:15:09,490

be good thing okay I can't remember what

389

00:15:13,440 --> 00:15:11,380

I started the show about oh I did do a

390

00:15:15,449 --> 00:15:13,450

little survey and figured out how much I

391

00:15:18,690 --> 00:15:15,459

lose every month by doing all my radio

392

00:15:20,910 --> 00:15:18,700

show oh god you guys I'm gonna have to

393

00:15:23,190 --> 00:15:20,920

do something I I can't afford to be

394

00:15:24,780 --> 00:15:23,200

losing this much money and I just got

395

00:15:27,600 --> 00:15:24,790

asked to do another show on another

396

00:15:29,460 --> 00:15:27,610

network and I'm thinking about it but

397

00:15:32,579 --> 00:15:29,470

you know I'm gonna have to do something

398

00:15:35,910 --> 00:15:32,589

I think what I'm gonna do is I'm gonna

399

00:15:37,829 --> 00:15:35,920

start a membership website by Lori and

400

00:15:39,660 --> 00:15:37,839

Fenton comm website will become a

401
00:15:41,160 --> 00:15:39,670
membership site I've been planning this

402
00:15:42,810 --> 00:15:41,170
for a while but

403
00:15:45,930 --> 00:15:42,820
now I'm really gonna have to start

404
00:15:47,610 --> 00:15:45,940
monetizing it and I and I wasn't going

405
00:15:49,259 --> 00:15:47,620
to charge much but now I think I'm gonna

406
00:15:52,259 --> 00:15:49,269
have to charge at least three dollars a

407
00:15:56,759 --> 00:15:52,269
month to be able to even start beginning

408
00:15:58,769 --> 00:15:56,769
to recuperate what I'm losing and and be

409
00:16:00,720 --> 00:15:58,779
able to feed the cats that's important

410
00:16:02,250 --> 00:16:00,730
gotta feed the cats so anyhow but I'll

411
00:16:04,230 --> 00:16:02,260
give you guys more information on that

412
00:16:06,030 --> 00:16:04,240
as it starts happening I think I'm gonna

413
00:16:08,400 --> 00:16:06,040

start revamping the site within the next

414

00:16:10,650 --> 00:16:08,410

week or so so well keep you posted okay

415

00:16:17,430 --> 00:16:10,660

let's see what someone's trying to tell

416

00:16:19,439 --> 00:16:17,440

me here in Skype I am messages well I

417

00:16:23,699 --> 00:16:19,449

can't see them so there you go so I

418

00:16:27,389 --> 00:16:23,709

can't MJ can you oh I know what it is I

419

00:16:28,949 --> 00:16:27,399

can't see Gary that's what's going on

420

00:16:31,980 --> 00:16:28,959

okay

421

00:16:36,930 --> 00:16:31,990

my guest tonight his name is Gary Parker

422

00:16:39,420 --> 00:16:36,940

and I am not sure what Gary has Gary got

423

00:16:41,160 --> 00:16:39,430

ahold of me Gary how did you find me I'm

424

00:16:43,439 --> 00:16:41,170

just curious how did you find out about

425

00:16:45,990 --> 00:16:43,449

me well hi Lauren and thank you for

426
00:16:48,600 --> 00:16:46,000
letting me be on the show you bet no

427
00:16:51,120 --> 00:16:48,610
problem that's awesome you know what I

428
00:16:53,939 --> 00:16:51,130
was actually um I was down I was

429
00:16:55,889 --> 00:16:53,949
googling people that I thought would be

430
00:16:58,710 --> 00:16:55,899
sensitive to what I'm about to tell you

431
00:17:01,410 --> 00:16:58,720
and your listeners about my discovery

432
00:17:04,140 --> 00:17:01,420
and so I went to MoveOn

433
00:17:06,000 --> 00:17:04,150
and I saw that you had a podcast a radio

434
00:17:07,890 --> 00:17:06,010
show and I said alright you know maybe

435
00:17:09,809 --> 00:17:07,900
Lauren would be interested so I emailed

436
00:17:12,329 --> 00:17:09,819
you that there are a few things and you

437
00:17:14,730 --> 00:17:12,339
emailed me back and said hey yeah one of

438
00:17:16,860 --> 00:17:14,740

my guest isn't showing up on Wednesday

439

00:17:17,610 --> 00:17:16,870

sure come on come on there I would love

440

00:17:21,569 --> 00:17:17,620

to hear your story

441

00:17:23,309 --> 00:17:21,579

oh yeah I gotta let everybody know Sean

442

00:17:25,169 --> 00:17:23,319

David Martin was scheduled to be my

443

00:17:30,480 --> 00:17:25,179

guest tonight but he ended up in prison

444

00:17:32,940 --> 00:17:30,490

on the 21st of August and so that would

445

00:17:35,250 --> 00:17:32,950

that's that guys they finally got to him

446

00:17:38,039 --> 00:17:35,260

so someday when I can get ahold of Sean

447

00:17:41,220 --> 00:17:38,049

I'm gonna have him either write us or

448

00:17:43,320 --> 00:17:41,230

call us from prison and do it we'll work

449

00:17:45,000 --> 00:17:43,330

it out but anyhow so Sean David Martin

450

00:17:49,289 --> 00:17:45,010

is in prison if you hadn't heard about

451
00:17:50,940 --> 00:17:49,299
it already okay so go ahead Gary oh yes

452
00:17:53,190 --> 00:17:50,950
did you want me to start him with what

453
00:17:54,830 --> 00:17:53,200
happened what I discovered yeah yeah

454
00:17:57,470 --> 00:17:54,840
please do it tell us all

455
00:17:59,570 --> 00:17:57,480
first tell us about yourself oh I'm just

456
00:18:02,120 --> 00:17:59,580
in hell this all kind of happened to you

457
00:18:06,620 --> 00:18:02,130
yes I actually live in a place called

458
00:18:08,420 --> 00:18:06,630
San Tan Valley Arizona and but I before

459
00:18:10,100 --> 00:18:08,430
and I'm and I'm a real estate developer

460
00:18:13,070 --> 00:18:10,110
I'm not big I just bought a couple

461
00:18:15,470 --> 00:18:13,080
houses a year and before that I used to

462
00:18:18,860 --> 00:18:15,480
live in Sherman Oaks California for a

463
00:18:20,570 --> 00:18:18,870

series are you a contractor as well do

464

00:18:23,270 --> 00:18:20,580

you build it yourself or do you higher

465

00:18:24,530 --> 00:18:23,280

ground don't know I I hire out I just I

466

00:18:26,570 --> 00:18:24,540

get the property and then I hire

467

00:18:27,170 --> 00:18:26,580

everybody else so you're just like my

468

00:18:32,120 --> 00:18:27,180

dad

469

00:18:34,220 --> 00:18:32,130

developer from Portland Oregon all

470

00:18:36,710 --> 00:18:34,230

that's that's wild and and also like I

471

00:18:38,600 --> 00:18:36,720

said when I when I lived in in Los

472

00:18:40,430 --> 00:18:38,610

Angeles in Sherman Oaks for last 30

473

00:18:44,330 --> 00:18:40,440

years because I've only been out here in

474

00:18:46,280 --> 00:18:44,340

Arizona for four years but I was a

475

00:18:47,630 --> 00:18:46,290

screenwriter and I also did some real

476

00:18:49,640 --> 00:18:47,640

estate deals and I was lucky enough to

477

00:18:51,650 --> 00:18:49,650

to sell some screenplays and I actually

478

00:18:54,260 --> 00:18:51,660

had one movie made I think it's on

479

00:18:55,970 --> 00:18:54,270

Netflix it's called thank heaven and it

480

00:18:59,600 --> 00:18:55,980

stars Jenny McCarthy as a matter of fact

481

00:19:01,580 --> 00:18:59,610

so yeah it's fun it was really fun and I

482

00:19:03,710 --> 00:19:01,590

I'm still doing it I still have a couple

483

00:19:05,810 --> 00:19:03,720

things in development at a production

484

00:19:07,790 --> 00:19:05,820

company there in Hollywood and it's good

485

00:19:09,260 --> 00:19:07,800

it's good it's all fun but what I'm

486

00:19:10,760 --> 00:19:09,270

about to tell you will blow you away

487

00:19:12,950 --> 00:19:10,770

I mean you're gonna say oh my god I

488

00:19:17,660 --> 00:19:12,960

can't believe this happen to you so go

489

00:19:20,150 --> 00:19:17,670

ahead okay I'm getting ready we got what

490

00:19:22,010 --> 00:19:20,160

that I said got getting ready but we got

491

00:19:24,500 --> 00:19:22,020

lots of time so don't spill it two

492

00:19:26,720 --> 00:19:24,510

sentences oh I won't I want it it's

493

00:19:28,520 --> 00:19:26,730

going to take a little while but yes so

494

00:19:29,870 --> 00:19:28,530

so what happened was about two years ago

495

00:19:33,050 --> 00:19:29,880

because I'm always trying to come up

496

00:19:35,510 --> 00:19:33,060

with movie ideas and just anything that

497

00:19:37,100 --> 00:19:35,520

could be a good story and that I could

498

00:19:38,780 --> 00:19:37,110

possibly pitch why came up with an idea

499

00:19:41,030 --> 00:19:38,790

I thought well you know what how could I

500

00:19:43,580 --> 00:19:41,040

be involved with world peace what could

501
00:19:45,530 --> 00:19:43,590
I do to have anything to do with world

502
00:19:47,270 --> 00:19:45,540
peace and I thought to myself well you

503
00:19:52,460 --> 00:19:47,280
know what what could bring the world

504
00:19:53,780 --> 00:19:52,470
together that would be really fun and

505
00:19:56,210 --> 00:19:53,790
interesting and I thought what about

506
00:19:59,240 --> 00:19:56,220
this what about restoring the Great

507
00:20:01,580 --> 00:19:59,250
Pyramid and the Sphinx in Egypt you know

508
00:20:02,960 --> 00:20:01,590
Egypt is 284 billion dollars in debt

509
00:20:04,940 --> 00:20:02,970
they have rolling blackouts and I

510
00:20:08,170 --> 00:20:04,950
thought that would boost their economy I

511
00:20:10,750 --> 00:20:08,180
could do a global crowdfunding campaign

512
00:20:11,680 --> 00:20:10,760
and everybody in the world in there 7.2

513
00:20:13,960 --> 00:20:11,690

billion people

514

00:20:15,490 --> 00:20:13,970

everybody could put in 50 cents or \$1 or

515

00:20:17,680 --> 00:20:15,500

high schools could do funding and

516

00:20:20,020 --> 00:20:17,690

everybody throws in a few dollars and we

517

00:20:21,820 --> 00:20:20,030

could actually restore the great

518

00:20:23,800 --> 00:20:21,830

pyramids and the Sphinx now I said when

519

00:20:25,690 --> 00:20:23,810

I say restore it I don't mean like move

520

00:20:28,750 --> 00:20:25,700

the blocks I mean just put some some

521

00:20:30,820 --> 00:20:28,760

like a some stucco on it and make it

522

00:20:32,440 --> 00:20:30,830

look nice and because as you whenever

523

00:20:37,450 --> 00:20:32,450

you see it it looks like it's falling

524

00:20:40,480 --> 00:20:37,460

apart the do you agree right when it was

525

00:20:42,970 --> 00:20:40,490

built it supposedly had like this white

526

00:20:45,160 --> 00:20:42,980

beautiful marble or rock right or what

527

00:20:47,350 --> 00:20:45,170

works or my whole thing my whole thing

528

00:20:49,060 --> 00:20:47,360

was it could boost the economy in Egypt

529

00:20:51,490 --> 00:20:49,070

and he could also they could do a

530

00:20:54,130 --> 00:20:51,500

24-hour surveillance on it so you could

531

00:20:55,870 --> 00:20:54,140

see the progress happening as time went

532

00:20:57,700 --> 00:20:55,880

on you know so it wouldn't it would be

533

00:20:59,320 --> 00:20:57,710

amazing so I thought well yeah maybe

534

00:21:01,390 --> 00:20:59,330

that could promote a little world peace

535

00:21:02,710 --> 00:21:01,400

but naturally I needed some startup

536

00:21:04,720 --> 00:21:02,720

money so I said well I wonder who'd be

537

00:21:06,040 --> 00:21:04,730

interested in this so I believe it or

538

00:21:08,260 --> 00:21:06,050

not I have some producer friends who

539

00:21:10,060 --> 00:21:08,270

know a couple billionaires and I emailed

540

00:21:13,090 --> 00:21:10,070

Sir Richard Branson you know the guy

541

00:21:15,850 --> 00:21:13,100

from Virgin Atlantic right and I also

542

00:21:17,740 --> 00:21:15,860

emailed Elon Musk okay so I email both

543

00:21:21,340 --> 00:21:17,750

of those guys and I and I said to them

544

00:21:22,630 --> 00:21:21,350

my name is Gary Parker I'm gonna putting

545

00:21:24,160 --> 00:21:22,640

together a deal to restore the Great

546

00:21:26,070 --> 00:21:24,170

Pyramid and the Sphinx would you be

547

00:21:28,480 --> 00:21:26,080

interested and just how the blue like

548

00:21:30,580 --> 00:21:28,490

just how the blue I thought this would

549

00:21:32,950 --> 00:21:30,590

be fun if they get back to me Lauren the

550

00:21:36,280 --> 00:21:32,960

very next day Sir Richard Branson

551
00:21:38,350 --> 00:21:36,290
emailed me back he said Gary yeah it was

552
00:21:40,000 --> 00:21:38,360
amazing he said Gary I don't know who

553
00:21:42,100 --> 00:21:40,010
you are I don't know how you got my

554
00:21:44,740 --> 00:21:42,110
email address he said but I love this

555
00:21:46,780 --> 00:21:44,750
idea he said I agree with you we need to

556
00:21:48,940 --> 00:21:46,790
restore the Great Pyramid because it's

557
00:21:51,010 --> 00:21:48,950
Jim but pretty much the oldest thing on

558
00:21:52,600 --> 00:21:51,020
earth and we have to take care of it and

559
00:21:54,880 --> 00:21:52,610
I said that's great and he said well get

560
00:21:56,830 --> 00:21:54,890
in touch with he said let me know how

561
00:21:58,330 --> 00:21:56,840
your progress is going but I love this

562
00:21:59,940 --> 00:21:58,340
idea and I want to be part of it I said

563
00:22:03,760 --> 00:21:59,950

that's fantastic

564

00:22:05,710 --> 00:22:03,770

later that day Elon Musk could not did

565

00:22:08,710 --> 00:22:05,720

not email me back but the president of

566

00:22:10,840 --> 00:22:08,720

SpaceX her name is Gwen ashot well she

567

00:22:13,450 --> 00:22:10,850

emailed me back and she said Gary Elon

568

00:22:15,640 --> 00:22:13,460

and I Allah and I love this love this

569

00:22:17,950 --> 00:22:15,650

idea we want to be part of it I said

570

00:22:21,130 --> 00:22:17,960

this is insane how is this happening so

571

00:22:21,670 --> 00:22:21,140

fast so what happened was was I emailed

572

00:22:23,110 --> 00:22:21,680

her back

573

00:22:25,810 --> 00:22:23,120

thank you for getting back to me I'm

574

00:22:27,220 --> 00:22:25,820

doing my research I need to put a lot of

575

00:22:29,470 --> 00:22:27,230

things together but I need some startup

576

00:22:31,600 --> 00:22:29,480

money and going to Shotwell email me

577

00:22:32,620 --> 00:22:31,610

back I said let us know the number let

578

00:22:34,900 --> 00:22:32,630

us know how it

579

00:22:36,370 --> 00:22:34,910

she said Gary this is a big deal you're

580

00:22:37,870 --> 00:22:36,380

gonna have to go through lawyers I said

581

00:22:38,920 --> 00:22:37,880

no problem I'll put all that together

582

00:22:42,520 --> 00:22:38,930

don't worry about it

583

00:22:44,050 --> 00:22:42,530

so so I thought to myself well you know

584

00:22:45,160 --> 00:22:44,060

what I have to do I have to naturally

585

00:22:46,570 --> 00:22:45,170

have to do a lot of research and just

586

00:22:48,130 --> 00:22:46,580

because I build some homes

587

00:22:49,270 --> 00:22:48,140

doesn't mean you can repair the Great

588

00:22:50,080 --> 00:22:49,280

Pyramid the Sphinx because you have to

589

00:22:52,720 --> 00:22:50,090

deal with the Egyptian government

590

00:22:54,280 --> 00:22:52,730

naturally so what happens I said well be

591

00:22:56,230 --> 00:22:54,290

frightened too before I contact the

592

00:22:58,690 --> 00:22:56,240

consulate in Washington the Egyptian

593

00:23:00,550 --> 00:22:58,700

ambassador and see what they think of

594

00:23:03,370 --> 00:23:00,560

the idea I figured look I got I have

595

00:23:05,110 --> 00:23:03,380

Elon Musk and I have Sir Richard Branson

596

00:23:06,220 --> 00:23:05,120

behind me and they're not really behind

597

00:23:08,020 --> 00:23:06,230

me at the time they never wrote me a

598

00:23:09,940 --> 00:23:08,030

check or anything it's just verbally and

599

00:23:10,540 --> 00:23:09,950

on an email they said Gary we love this

600

00:23:12,730 --> 00:23:10,550

idea

601
00:23:14,830 --> 00:23:12,740
so I was I was excited I said my god

602
00:23:16,000 --> 00:23:14,840
this could come together so what I did

603
00:23:17,710 --> 00:23:16,010
was I said well I'm going to get a

604
00:23:19,930 --> 00:23:17,720
couple I'm going to download a couple

605
00:23:21,910 --> 00:23:19,940
images from the space station a couple

606
00:23:23,740 --> 00:23:21,920
and and I'm going to zoom in on the

607
00:23:25,600 --> 00:23:23,750
Great Pyramid in the sphinx and see

608
00:23:27,040 --> 00:23:25,610
where you could put people where you

609
00:23:28,390 --> 00:23:27,050
could because as you know that sacred

610
00:23:31,300 --> 00:23:28,400
land there you're really not allowed to

611
00:23:32,650 --> 00:23:31,310
touch it or even drive on it you know

612
00:23:34,960 --> 00:23:32,660
unless you have like diamonds or

613
00:23:37,120 --> 00:23:34,970

something so what happened was what so

614

00:23:39,310 --> 00:23:37,130

yes it's amazing so what happens is I I

615

00:23:40,840 --> 00:23:39,320

download this this this photo from the

616

00:23:43,390 --> 00:23:40,850

International Space Station now you have

617

00:23:45,580 --> 00:23:43,400

to know that the photos in it from the

618

00:23:47,620 --> 00:23:45,590

International Space Station are taken by

619

00:23:50,050 --> 00:23:47,630

an astronaut like well the 20-inch lens

620

00:23:51,730 --> 00:23:50,060

it's like a canon camera and they and

621

00:23:56,110 --> 00:23:51,740

they just take a picture from one of the

622

00:23:57,970 --> 00:23:56,120

windows okay so what I do is I download

623

00:24:00,190 --> 00:23:57,980

one of the one of the photos and I zoom

624

00:24:02,740 --> 00:24:00,200

in on the Great Pyramid well as soon as

625

00:24:05,110 --> 00:24:02,750

i zoom in on the Great Pyramid I see

626
00:24:08,800 --> 00:24:05,120
something that looks like writing I mean

627
00:24:11,380 --> 00:24:08,810
it looked like a sentence and I said oh

628
00:24:13,360 --> 00:24:11,390
my gosh that those words but it's

629
00:24:18,040 --> 00:24:13,370
written in a language that almost look

630
00:24:20,620 --> 00:24:18,050
like it was like Aramaic or maybe or

631
00:24:22,090 --> 00:24:20,630
maybe a Hebrew or a mixture of the two

632
00:24:23,800 --> 00:24:22,100
but I don't know because I don't know

633
00:24:25,720 --> 00:24:23,810
really anything about it I just googled

634
00:24:27,070 --> 00:24:25,730
it and I noticed that they the letters

635
00:24:28,930 --> 00:24:27,080
look like that so what I did was I wrote

636
00:24:31,120 --> 00:24:28,940
the letters down on a piece of paper I

637
00:24:34,630 --> 00:24:31,130
took a picture with my phone and I

638
00:24:35,410 --> 00:24:34,640

emailed the the letters to a couple of

639

00:24:38,910 --> 00:24:35,420

judaics

640

00:24:41,170 --> 00:24:38,920

a couple aramaic scholars a couple

641

00:24:43,870 --> 00:24:41,180

Egyptologists and I said hey can you

642

00:24:45,730 --> 00:24:43,880

guys tell me if this says anything so

643

00:24:46,870 --> 00:24:45,740

any of you knows you know all the

644

00:24:48,340 --> 00:24:46,880

universities you can get the people's

645

00:24:49,780 --> 00:24:48,350

emails and you can send it to him and

646

00:24:52,360 --> 00:24:49,790

yeah I actually tended the guys who

647

00:24:55,330 --> 00:24:52,370

worked on the Dead Sea Scrolls oh okay

648

00:24:57,070 --> 00:24:55,340

so cool okay so okay so and feel free to

649

00:24:59,290 --> 00:24:57,080

interrupt me if I'm if I guess I'm if

650

00:25:00,790 --> 00:24:59,300

I'm running off at the mouth no no when

651

00:25:03,700 --> 00:25:00,800

I have a question believe me I'll

652

00:25:06,250 --> 00:25:03,710

interrupt okay great so what happens is

653

00:25:08,560 --> 00:25:06,260

I okay excellent so and not only that

654

00:25:10,900 --> 00:25:08,570

not only did I find find those letters

655

00:25:13,210 --> 00:25:10,910

right beside the Great Pyramid but I

656

00:25:15,070 --> 00:25:13,220

also found just a little off I off the

657

00:25:17,350 --> 00:25:15,080

side of the Great Pyramid I found some

658

00:25:19,570 --> 00:25:17,360

Hebrew so I wrote down the Hebrew and I

659

00:25:22,570 --> 00:25:19,580

sent it to a Judaic scholar here at the

660

00:25:24,580 --> 00:25:22,580

University of Arizona and he emails me

661

00:25:27,220 --> 00:25:24,590

back and he says Gary I know what this

662

00:25:28,360 --> 00:25:27,230

says he said where did you find it well

663

00:25:30,040 --> 00:25:28,370

the one thing is you don't want to tell

664

00:25:31,720 --> 00:25:30,050

people you found anything by the Great

665

00:25:32,080 --> 00:25:31,730

Pyramid because they'll think you're

666

00:25:34,750 --> 00:25:32,090

nuts

667

00:25:38,290 --> 00:25:34,760

but I said I found it in a NASA photo

668

00:25:40,390 --> 00:25:38,300

and he said well why don't you go ahead

669

00:25:42,910 --> 00:25:40,400

go ahead yeah I was gonna say before we

670

00:25:44,500 --> 00:25:42,920

get to what he says I'm looking at one

671

00:25:48,010 --> 00:25:44,510

of the photos I'm looking at the black

672

00:25:50,040 --> 00:25:48,020

and white that's the close-up of the and

673

00:25:53,020 --> 00:25:50,050

it's quite pixelated by the way folks

674

00:25:56,640 --> 00:25:53,030

the side of the pyramid and what I'm

675

00:26:00,460 --> 00:25:56,650

seeing are shadows of buildings or

676
00:26:02,590 --> 00:26:00,470
something what Cantor kid well let me if

677
00:26:05,110 --> 00:26:02,600
I can tell your listeners this let can I

678
00:26:07,090 --> 00:26:05,120
give them the the International Space

679
00:26:10,300 --> 00:26:07,100
Station number so they can they can pull

680
00:26:13,060 --> 00:26:10,310
it up on their computer sure and also in

681
00:26:15,190 --> 00:26:13,070
the chat I believe MJ's gonna try

682
00:26:17,950 --> 00:26:15,200
posting them either up on the website or

683
00:26:18,910 --> 00:26:17,960
the chat room so people can go there to

684
00:26:24,240 --> 00:26:18,920
look at them

685
00:26:34,090 --> 00:26:24,250
great so the the NASA file numbers are I

686
00:26:34,330 --> 00:26:34,100
SS 0 3 2 - E - 0 0 9 1 2 3 let me repeat

687
00:26:43,570 --> 00:26:34,340
that

688
00:26:46,630 --> 00:26:43,580

it's I SS 0 3 2 - E - 0 0 9 1 2 3 when

689

00:26:48,250 --> 00:26:46,640

you google that guys it will you'll see

690

00:26:48,850 --> 00:26:48,260

a thing come up and it will say NASA

691

00:26:51,820 --> 00:26:48,860

Pier

692

00:26:54,220 --> 00:26:51,830

at Giza Egypt click on that okay once

693

00:26:56,350 --> 00:26:54,230

you click on that the photo will come up

694

00:26:57,940 --> 00:26:56,360

from the NASA website what I need you to

695

00:27:00,910 --> 00:26:57,950

do though in order for you to be able to

696

00:27:02,980 --> 00:27:00,920

zoom in once the picture comes up scroll

697

00:27:04,870 --> 00:27:02,990

down the picture and you will see a

698

00:27:08,140 --> 00:27:04,880

little sign there and it will say

699

00:27:11,740 --> 00:27:08,150

download image you have to click on full

700

00:27:13,510 --> 00:27:11,750

size if you don't click on full size you

701
00:27:14,230 --> 00:27:13,520
won't be able to zoom in fest and a

702
00:27:16,960 --> 00:27:14,240
close enough

703
00:27:18,160 --> 00:27:16,970
okay got it all right cool it was it was

704
00:27:21,340 --> 00:27:18,170
it was that clear enough

705
00:27:25,360 --> 00:27:21,350
yeah it was clear enough for me okay

706
00:27:27,580 --> 00:27:25,370
okay so anyway yes so just once they

707
00:27:29,800 --> 00:27:27,590
download the photo they have to scroll

708
00:27:32,320 --> 00:27:29,810
down to download image and they have to

709
00:27:33,940 --> 00:27:32,330
click on full size because I've had many

710
00:27:35,680 --> 00:27:33,950
people who I have met and showing it to

711
00:27:37,510 --> 00:27:35,690
they say well Gary I can't find it and I

712
00:27:44,470 --> 00:27:37,520
said well you have to click on full size

713
00:27:46,990 --> 00:27:44,480

okay so anyway so um yes so when I sent

714

00:27:48,190 --> 00:27:47,000

this oh let me say this to where the

715

00:27:49,690 --> 00:27:48,200

writing is where you said where the

716

00:27:53,260 --> 00:27:49,700

shadows where it looks like shadows

717

00:27:54,730 --> 00:27:53,270

remember from from 200 miles above earth

718

00:27:58,330 --> 00:27:54,740

where the International Space Station

719

00:28:00,370 --> 00:27:58,340

circles the earth it does it looks like

720

00:28:03,850 --> 00:28:00,380

shadows or it was but what happens is I

721

00:28:05,800 --> 00:28:03,860

contacted a lady in in Egypt and Sharon

722

00:28:08,130 --> 00:28:05,810

and she's actually the professor of

723

00:28:10,240 --> 00:28:08,140

Egyptology at the American you know

724

00:28:13,270 --> 00:28:10,250

American University of Cairo and her

725

00:28:14,770 --> 00:28:13,280

name is Celine Salima Ikram and she

726

00:28:17,440 --> 00:28:14,780

she's pretty famous she's been on all

727

00:28:19,810 --> 00:28:17,450

the ancient astronauts and stuff and she

728

00:28:22,570 --> 00:28:19,820

emailed me back and she says Gary I see

729

00:28:25,180 --> 00:28:22,580

this but she says I see the letters but

730

00:28:27,400 --> 00:28:25,190

she said there's nothing there in that

731

00:28:28,600 --> 00:28:27,410

area that could make those shadows she

732

00:28:30,700 --> 00:28:28,610

says and if you notice some of the

733

00:28:32,290 --> 00:28:30,710

shadows are going up on to the pyramid

734

00:28:35,110 --> 00:28:32,300

she said this is impossible

735

00:28:36,850 --> 00:28:35,120

she said not only that but she says Gary

736

00:28:38,770 --> 00:28:36,860

I don't know what this says but it does

737

00:28:40,030 --> 00:28:38,780

it says something but but you're gonna

738

00:28:42,340 --> 00:28:40,040

have to give me time to figure it out

739

00:28:43,780 --> 00:28:42,350

that was approximately about a year and

740

00:28:46,990 --> 00:28:43,790

three months ago that she sent me that

741

00:28:51,340 --> 00:28:47,000

email so since then she hasn't contacted

742

00:28:55,060 --> 00:28:51,350

me so anyway okay so where was I oh you

743

00:28:57,160 --> 00:28:55,070

were at you sent the the the cipher but

744

00:29:00,520 --> 00:28:57,170

we'll call it that the cipher next to

745

00:29:02,530 --> 00:29:00,530

the pyramid to your buddy that is the or

746

00:29:04,960 --> 00:29:02,540

the guys that were doing the dead

747

00:29:06,370 --> 00:29:04,970

Sea Scrolls and you were given let me

748

00:29:07,870 --> 00:29:06,380

just say this - they're not my buddy

749

00:29:10,030 --> 00:29:07,880

something I don't know from Adam I just

750

00:29:13,990 --> 00:29:10,040

sent it to him you know oh oh it

751
00:29:16,180 --> 00:29:14,000
happened was what happened was was be a

752
00:29:18,430 --> 00:29:16,190
couple of the Aramaic scholars and

753
00:29:21,220 --> 00:29:18,440
today's scholars in the Middle East and

754
00:29:23,320 --> 00:29:21,230
in Israel they emailed me back and they

755
00:29:27,310 --> 00:29:23,330
say Gary these letters that are written

756
00:29:28,570 --> 00:29:27,320
beside the pyramid are Fred because I

757
00:29:30,790 --> 00:29:28,580
had to eventually tell him it's beside

758
00:29:32,440 --> 00:29:30,800
the pyramid and when they looked at they

759
00:29:33,790 --> 00:29:32,450
said they're gigantic if you notice how

760
00:29:36,010 --> 00:29:33,800
big they're they're almost as big as the

761
00:29:38,470 --> 00:29:36,020
pyramid itself but from space you can

762
00:29:40,420 --> 00:29:38,480
hardly see them well they actually said

763
00:29:43,060 --> 00:29:40,430

Gary we and they all say different

764

00:29:45,400 --> 00:29:43,070

things but but I love all the things

765

00:29:50,110 --> 00:29:45,410

they said they said we see an eye an

766

00:29:53,020 --> 00:29:50,120

English eye and an M and a and and God

767

00:29:55,720 --> 00:29:53,030

or creator and but that's pretty much

768

00:29:58,030 --> 00:29:55,730

all they got on the on their so on the

769

00:30:00,520 --> 00:29:58,040

on the writings beside the pyramid but

770

00:30:03,700 --> 00:30:00,530

the Judaic scholar at the University of

771

00:30:06,400 --> 00:30:03,710

Arizona who I showed the who I emailed

772

00:30:08,980 --> 00:30:06,410

the ancient Hebrew to he said Gary these

773

00:30:11,110 --> 00:30:08,990

words say God and the Lord of the

774

00:30:12,790 --> 00:30:11,120

underworld and then he said to me say

775

00:30:14,770 --> 00:30:12,800

would you come down and meet with me so

776

00:30:16,180 --> 00:30:14,780

I said sure so I'm only like an hour and

777

00:30:18,670 --> 00:30:16,190

20 minutes away from the University of

778

00:30:21,400 --> 00:30:18,680

Arizona and the today's scholars name

779

00:30:23,680 --> 00:30:21,410

his name is dr. Edward right really

780

00:30:26,020 --> 00:30:23,690

really nice man and I went down and I

781

00:30:27,640 --> 00:30:26,030

showed it to him and he said to me said

782

00:30:30,100 --> 00:30:27,650

Gary you know here's here's my problem

783

00:30:32,050 --> 00:30:30,110

he says you walk into my office I don't

784

00:30:34,420 --> 00:30:32,060

know you you may have put these you may

785

00:30:35,680 --> 00:30:34,430

have photoshopped this and I thought and

786

00:30:37,270 --> 00:30:35,690

I said some I said you know what you're

787

00:30:39,430 --> 00:30:37,280

right you don't know me I said but first

788

00:30:41,620 --> 00:30:39,440

of all how many people I said that to

789

00:30:44,410 --> 00:30:41,630

dr. right I said how many people know

790

00:30:46,570 --> 00:30:44,420

ancient Hebrew he said well not many he

791

00:30:48,220 --> 00:30:46,580

said so for you just to show up and show

792

00:30:50,380 --> 00:30:48,230

me this it really is amazing

793

00:30:52,540 --> 00:30:50,390

and I said well dr. right what's even

794

00:30:56,770 --> 00:30:52,550

more amazing is this whole photo is a

795

00:30:58,840 --> 00:30:56,780

message and and I tried to show him more

796

00:31:00,610 --> 00:30:58,850

but he said Gary I I can't believe this

797

00:31:02,590 --> 00:31:00,620

stuff and it's just too much for me and

798

00:31:03,060 --> 00:31:02,600

he pretty much he kicked me out of his

799

00:31:06,749 --> 00:31:03,070

office

800

00:31:14,159 --> 00:31:09,569

for the grand prize of 1 million dollars

801
00:31:18,209 --> 00:31:14,169
what color is the White House I know

802
00:31:20,879 --> 00:31:18,219
this I know this I know this 5 seconds

803
00:31:23,519 --> 00:31:20,889
Oh switching to Geico could save you a

804
00:31:28,279 --> 00:31:23,529
bunch of money on car insurance okay

805
00:31:30,769 --> 00:31:28,289
judges that's true Kevin congratulations

806
00:31:33,719 --> 00:31:30,779
you're a winner

807
00:31:35,969 --> 00:31:33,729
Geico because saving 15% or more on car

808
00:31:37,680 --> 00:31:35,979
insurance is always a great answer and

809
00:31:39,629 --> 00:31:37,690
this is a good place for us to stop

810
00:31:42,629 --> 00:31:39,639
because we should take a break right now

811
00:31:44,009 --> 00:31:42,639
but this is very intriguing and when you

812
00:31:47,309 --> 00:31:44,019
get back I'm gonna talk to you a little

813
00:31:48,809 --> 00:31:47,319

bit about this but the people the whole

814

00:31:50,969 --> 00:31:48,819

aspect of people kicking you out of

815

00:31:53,430 --> 00:31:50,979

their offices for finding something very

816

00:31:55,919 --> 00:31:53,440

extraordinary because it happens in this

817

00:31:57,329 --> 00:31:55,929

community all the time so don't feel

818

00:31:59,159 --> 00:31:57,339

alone and we're gonna leave you with

819

00:32:01,499 --> 00:31:59,169

that right now folks we'll be back in

820

00:32:03,119 --> 00:32:01,509

just a few minutes so stick around gonna

821

00:32:07,309 --> 00:32:03,129

be a very interesting evening with Gary

822

00:32:12,299 --> 00:32:09,989

welcome back everyone to the California

823

00:32:14,389 --> 00:32:12,309

MUFON radio show and if I haven't said

824

00:32:17,369 --> 00:32:14,399

it lately folks I need to say it now

825

00:32:19,469 --> 00:32:17,379

you've got to support your MUFON groups

826

00:32:21,839 --> 00:32:19,479

you know but there's been so much flap

827

00:32:23,789 --> 00:32:21,849

about MUFON this last year and all kinds

828

00:32:25,979 --> 00:32:23,799

of crazy things going on I hope it's all

829

00:32:28,199 --> 00:32:25,989

settling down because you know the

830

00:32:30,509 --> 00:32:28,209

reality is where else do you get to go

831

00:32:33,569 --> 00:32:30,519

and find a meeting like MUFON has I

832

00:32:37,049 --> 00:32:33,579

gotta say at the MUFON symposium in July

833

00:32:39,449 --> 00:32:37,059

the Phoenix MUFON was awarded best

834

00:32:41,489 --> 00:32:39,459

chapter of the year it's a new award

835

00:32:43,619 --> 00:32:41,499

they're starting with MUFON and the

836

00:32:48,089 --> 00:32:43,629

reason they got that award folks was

837

00:32:50,849 --> 00:32:48,099

because they have almost 200 people a

838

00:32:53,129 --> 00:32:50,859

month show up that anywhere for 120

839

00:32:56,039 --> 00:32:53,139

people a month show up at their meetings

840

00:32:57,899 --> 00:32:56,049

every month and this is really important

841

00:32:59,669 --> 00:32:57,909

because you know the reason they got

842

00:33:03,149 --> 00:32:59,679

that award is because people are getting

843

00:33:05,069 --> 00:33:03,159

the word out about UFOs aliens and all

844

00:33:08,129 --> 00:33:05,079

kinds of other things involved through

845

00:33:10,739 --> 00:33:08,139

the MUFON meeting once a month so like I

846

00:33:12,329 --> 00:33:10,749

say to you guys please please the only

847

00:33:14,099 --> 00:33:12,339

way we're gonna make this change I

848

00:33:16,829 --> 00:33:14,109

talked to Jan Harrison about it at

849

00:33:19,289 --> 00:33:16,839

length is the fact that you guys have

850

00:33:20,400 --> 00:33:19,299

got to go to the move on website that's

851
00:33:23,730 --> 00:33:20,410
muf

852
00:33:25,590 --> 00:33:23,740
oh and dot-com and become a member of

853
00:33:26,820 --> 00:33:25,600
MUFON if you can I'm not yeah I'm not

854
00:33:28,850 --> 00:33:26,830
seeing everybody's got to become a

855
00:33:32,130 --> 00:33:28,860
member but what you do really need to do

856
00:33:34,410 --> 00:33:32,140
is you need to go to your state you

857
00:33:36,870 --> 00:33:34,420
define the button that says get involved

858
00:33:39,540 --> 00:33:36,880
or whatever it is find your chapter find

859
00:33:42,390 --> 00:33:39,550
your state find out who your state

860
00:33:44,910 --> 00:33:42,400
director or your assistant state

861
00:33:48,360 --> 00:33:44,920
director is whoever lives nearest you

862
00:33:50,730 --> 00:33:48,370
call them on the phone email them do

863
00:33:55,680 --> 00:33:50,740

whatever it takes get a hold of them and

864

00:33:57,780 --> 00:33:55,690

say I want to go to a meeting we need to

865

00:33:59,850 --> 00:33:57,790

have a meeting once a month in my area

866

00:34:03,150 --> 00:33:59,860

if you're not going to hold the meeting

867

00:34:05,820 --> 00:34:03,160

yourself I will do it for you you guys

868

00:34:08,280 --> 00:34:05,830

have got to pick up the mantle you've

869

00:34:09,990 --> 00:34:08,290

got to take some responsibility you guys

870

00:34:11,580 --> 00:34:10,000

have just got to do it I mean there's

871

00:34:14,190 --> 00:34:11,590

nothing I can't help you any more than

872

00:34:15,930 --> 00:34:14,200

that I can lead you to the water but I

873

00:34:18,210 --> 00:34:15,940

can't make you drink it if you guys

874

00:34:20,669 --> 00:34:18,220

really want to find other people who are

875

00:34:22,620 --> 00:34:20,679

experiencing the same thing you are one

876

00:34:24,090 --> 00:34:22,630

or two or three of you've got to get

877

00:34:26,640 --> 00:34:24,100

together and say we're gonna have a

878

00:34:28,440 --> 00:34:26,650

meeting in our town and just do it

879

00:34:30,570 --> 00:34:28,450

because you know it doesn't really take

880

00:34:33,570 --> 00:34:30,580

much there's libraries there's community

881

00:34:35,370 --> 00:34:33,580

centers there's I live in a senior

882

00:34:37,830 --> 00:34:35,380

mobile home park and we have a clubhouse

883

00:34:40,590 --> 00:34:37,840

and that was where my my first meeting

884

00:34:42,510 --> 00:34:40,600

in Santa Rosa was years ago a guy was

885

00:34:44,760 --> 00:34:42,520

running a meeting up here and he had it

886

00:34:46,830 --> 00:34:44,770

at a Senior Clubhouse I mean you can

887

00:34:48,630 --> 00:34:46,840

have them just about anywhere and it

888

00:34:51,090 --> 00:34:48,640

doesn't cost anything you can get a lot

889

00:34:53,460 --> 00:34:51,100

of them for free or you can get them for

890

00:34:55,590 --> 00:34:53,470

a very small amount like I do the Senior

891

00:34:57,750 --> 00:34:55,600

Center and Petaluma is where we meet and

892

00:34:59,850 --> 00:34:57,760

I have a deal with them where I give

893

00:35:01,770 --> 00:34:59,860

them 50 percent of the proceeds and I

894

00:35:04,050 --> 00:35:01,780

charge a small fee for everybody to be

895

00:35:06,750 --> 00:35:04,060

there and it works out wonderfully for

896

00:35:09,330 --> 00:35:06,760

everybody so you know there's ways to do

897

00:35:11,850 --> 00:35:09,340

it so please I'm going on at this at

898

00:35:14,520 --> 00:35:11,860

length tonight because it's so important

899

00:35:17,280 --> 00:35:14,530

to me that some of you start doing

900

00:35:19,800 --> 00:35:17,290

something to help repel the UFO

901
00:35:21,840 --> 00:35:19,810
community and also remember when you

902
00:35:24,150 --> 00:35:21,850
guys do this when you start your MUFON

903
00:35:26,730 --> 00:35:24,160
meetings you can have speakers there

904
00:35:29,640 --> 00:35:26,740
that you think are have the gravitas in

905
00:35:32,280 --> 00:35:29,650
the community to actually say something

906
00:35:34,109 --> 00:35:32,290
of importance you know you don't have to

907
00:35:36,150 --> 00:35:34,119
hit you you don't you won't

908
00:35:38,069 --> 00:35:36,160
shoved down your throat whoever the

909
00:35:40,559 --> 00:35:38,079
conference producers have decided you've

910
00:35:42,210 --> 00:35:40,569
got to hear okay so remember that that's

911
00:35:44,370 --> 00:35:42,220
what's important about these meetings I

912
00:35:46,380 --> 00:35:44,380
have people show up for my meetings and

913
00:35:49,470 --> 00:35:46,390

presents that no one knows about and

914

00:35:51,509 --> 00:35:49,480

it's absolutely fabulous and every month

915

00:35:53,730 --> 00:35:51,519

people leave my meeting and they thank

916

00:35:55,099 --> 00:35:53,740

me thank me thank me for bringing in

917

00:35:57,480 --> 00:35:55,109

people they've never heard about before

918

00:35:59,279 --> 00:35:57,490

because they're just so excited they

919

00:36:02,609 --> 00:35:59,289

they leave and they're so happy it's

920

00:36:04,710 --> 00:36:02,619

amazing so anyhow so that's my spiel to

921

00:36:06,480 --> 00:36:04,720

you guys tonight you've got to eat if

922

00:36:09,239 --> 00:36:06,490

you don't have a MUFON meeting near you

923

00:36:12,480 --> 00:36:09,249

create one that's what it's all about go

924

00:36:15,210 --> 00:36:12,490

to MUFON comm em UFO and calm get ahold

925

00:36:17,759 --> 00:36:15,220

of your seer district your state your

926

00:36:19,589 --> 00:36:17,769

whatever representative and find out if

927

00:36:22,380 --> 00:36:19,599

you guys can have that meeting okay

928

00:36:25,259 --> 00:36:22,390

enough said about MUFON tonight you guys

929

00:36:26,880 --> 00:36:25,269

so here we go back to Gary Gary we were

930

00:36:30,779 --> 00:36:26,890

just at the point where you were getting

931

00:36:32,370 --> 00:36:30,789

kicked out of the office by a wonderful

932

00:36:36,480 --> 00:36:32,380

scholar at the Arizona it was the

933

00:36:41,009 --> 00:36:36,490

University of Arizona yes but no yeah he

934

00:36:45,089 --> 00:36:41,019

was really nice yeah he was nice he's

935

00:36:47,549 --> 00:36:45,099

extremely bright and he actually did a

936

00:36:50,970 --> 00:36:47,559

great job translating what the ancient

937

00:36:52,380 --> 00:36:50,980

Hebrew said and and I really can't say

938

00:36:54,539 --> 00:36:52,390

anything bad about the guy I just wish

939

00:36:56,430 --> 00:36:54,549

he would have taken more time to take

940

00:36:59,220 --> 00:36:56,440

looking at the foot examining the photo

941

00:37:01,890 --> 00:36:59,230

but he didn't and I couldn't convince

942

00:37:03,690 --> 00:37:01,900

that happened yeah and it happens this

943

00:37:05,400 --> 00:37:03,700

is what I was gonna bring up to you and

944

00:37:07,680 --> 00:37:05,410

to everybody else that it's involved in

945

00:37:10,650 --> 00:37:07,690

the UFO community this happens all the

946

00:37:14,069 --> 00:37:10,660

time with our group of people whether

947

00:37:16,499 --> 00:37:14,079

it's UFO or consciousness or you know

948

00:37:17,940 --> 00:37:16,509

offshoots of religious aspects order

949

00:37:21,720 --> 00:37:17,950

whatever it is that people are

950

00:37:23,670 --> 00:37:21,730

researching or John Mack or or Budd

951

00:37:27,420 --> 00:37:23,680

Hopkins need the guys that did the

952

00:37:29,489 --> 00:37:27,430

original experience or research you take

953

00:37:33,210 --> 00:37:29,499

any of that to somebody who's got a job

954

00:37:35,160 --> 00:37:33,220

at a college or a university and they've

955

00:37:37,229 --> 00:37:35,170

got tenure and they'll run the other

956

00:37:38,729 --> 00:37:37,239

directions faster than you can catch

957

00:37:40,970 --> 00:37:38,739

them because they don't want to lose

958

00:37:44,970 --> 00:37:40,980

their job and I don't blame them one bit

959

00:37:47,220 --> 00:37:44,980

well that I know Mike yeah Michael Sawa

960

00:37:48,070 --> 00:37:47,230

who's in the UFO community now and doing

961

00:37:50,830 --> 00:37:48,080

quite well with

962

00:37:52,870 --> 00:37:50,840

books and everything he got kicked out

963

00:37:55,720 --> 00:37:52,880

of his position because he pursued the

964

00:37:57,370 --> 00:37:55,730

UFO phenomena and so did John Mack for

965

00:37:59,860 --> 00:37:57,380

pursuing you know helping the

966

00:38:02,040 --> 00:37:59,870

experiencers and dealing with their

967

00:38:05,380 --> 00:38:02,050

psyche it's like psychiatric and

968

00:38:07,390 --> 00:38:05,390

therapeutic you know needs and so the

969

00:38:09,100 --> 00:38:07,400

poor man I'm he got almost got kicked

970

00:38:12,460 --> 00:38:09,110

out of Harvard I mean it was it was a

971

00:38:14,500 --> 00:38:12,470

big deal so anyhow so go ahead now we

972

00:38:18,420 --> 00:38:14,510

know this poor guy he was probably just

973

00:38:22,330 --> 00:38:18,430

petrified you know I don't blame well

974

00:38:24,850 --> 00:38:22,340

well what happens is when that happens

975

00:38:27,580 --> 00:38:24,860

and I found the the Hebrew and I found

976

00:38:30,700 --> 00:38:27,590

the other letters beside the pyramid I

977

00:38:32,200 --> 00:38:30,710

what I did was I started looking at the

978

00:38:35,110 --> 00:38:32,210

photo and if I can tell your listeners

979

00:38:37,960 --> 00:38:35,120

please if you can't look at the photo on

980

00:38:39,610 --> 00:38:37,970

your laptop and and make the room as

981

00:38:40,480 --> 00:38:39,620

dark as possible no it's going to make

982

00:38:42,070 --> 00:38:40,490

sense in a minute

983

00:38:43,570 --> 00:38:42,080

because that you're thinking well Gary

984

00:38:46,270 --> 00:38:43,580

well why I have a big screen well

985

00:38:48,670 --> 00:38:46,280

because of this if you look at it on a

986

00:38:51,250 --> 00:38:48,680

laptop and you open up the screen as far

987

00:38:53,500 --> 00:38:51,260

as it will go and you tilt it back you

988

00:38:56,080 --> 00:38:53,510

tilt it back what will happen is and

989

00:38:58,510 --> 00:38:56,090

like I said make the photos small like

990

00:38:59,710 --> 00:38:58,520

make the photo so it fits right on your

991

00:39:01,810 --> 00:38:59,720

screen and you can see everything

992

00:39:03,910 --> 00:39:01,820

perfectly like for me like like almost

993

00:39:05,860 --> 00:39:03,920

the shot from the International Space

994

00:39:08,530 --> 00:39:05,870

Station well what happens is when you

995

00:39:12,400 --> 00:39:08,540

tilt the screen all the way to your lap

996

00:39:14,110 --> 00:39:12,410

or to the desktop you will see that do

997

00:39:18,760 --> 00:39:14,120

you have that you have that ability um

998

00:39:19,150 --> 00:39:18,770

Lauren no no I do I'm sorry oh no no

999

00:39:22,120 --> 00:39:19,160

problem

1000

00:39:24,250 --> 00:39:22,130

well when you've not opened not now okay

1001
00:39:27,130 --> 00:39:24,260
no problem when you tilt it you will see

1002
00:39:28,900 --> 00:39:27,140
that's the whole right side of the photo

1003
00:39:31,720 --> 00:39:28,910
the whole right side which is the Giza

1004
00:39:35,560 --> 00:39:31,730
Plateau the whole right side is the left

1005
00:39:37,270 --> 00:39:35,570
profile of an alien you'll see his chin

1006
00:39:40,360 --> 00:39:37,280
he has a big thick neck he has a big

1007
00:39:43,930 --> 00:39:40,370
elongated head where where these okay

1008
00:39:45,280 --> 00:39:43,940
now wait a minute I gotta go I gotta go

1009
00:39:48,490 --> 00:39:45,290
look at this now we're talking about the

1010
00:39:50,260 --> 00:39:48,500
what the distance photo you can look at

1011
00:39:51,520 --> 00:39:50,270
it from a distance yes make make it so

1012
00:39:53,770 --> 00:39:51,530
you look at it from a distance and

1013
00:39:57,010 --> 00:39:53,780

you'll see the whole right side of that

1014

00:39:58,720 --> 00:39:57,020

photo there it looks like sand it's kind

1015

00:39:59,630 --> 00:39:58,730

of but it's it's it looks like gold and

1016

00:40:02,360 --> 00:39:59,640

sand and

1017

00:40:04,520 --> 00:40:02,370

you'll see it's the left profile of an

1018

00:40:06,860 --> 00:40:04,530

alien he has a channel this [h__\h] as a

1019

00:40:08,720 --> 00:40:06,870

thick neck where his nose is where the

1020

00:40:11,420 --> 00:40:08,730

Great Pyramid is and then he has a brow

1021

00:40:17,000 --> 00:40:11,430

and then his head goes up it's the whole

1022

00:40:19,280 --> 00:40:17,010

right side of the photo oh my god I'm

1023

00:40:22,060 --> 00:40:19,290

trying to see it I will get your you

1024

00:40:24,590 --> 00:40:22,070

just keep talking okay

1025

00:40:25,760 --> 00:40:24,600

just what's the easiest to see like I

1026
00:40:28,340 --> 00:40:25,770
said if you make them if you make the

1027
00:40:30,470 --> 00:40:28,350
picture smaller you make it small you'll

1028
00:40:32,570 --> 00:40:30,480
see the whole right side is the less

1029
00:40:33,980 --> 00:40:32,580
profile of an alien head it's got the

1030
00:40:36,110 --> 00:40:33,990
huge elongated head and as a matter of

1031
00:40:40,670 --> 00:40:36,120
fact you can see that there's kind of a

1032
00:40:42,410 --> 00:40:40,680
real bright white road or if that runs

1033
00:40:44,360 --> 00:40:42,420
all the way from the from the east to

1034
00:40:46,670 --> 00:40:44,370
the west and it wasn't only that well

1035
00:40:48,650 --> 00:40:46,680
that that that is that is this big head

1036
00:40:49,940 --> 00:40:48,660
and then you'll come down a little bit

1037
00:40:52,190 --> 00:40:49,950
and you'll see a ridge and that's his

1038
00:40:54,110 --> 00:40:52,200

brow whereas I would be and then the

1039

00:40:56,990 --> 00:40:54,120

nose is a little pointy and it comes

1040

00:41:01,490 --> 00:40:57,000

down then his mouth is where you see his

1041

00:41:05,690 --> 00:41:01,500

round chin there anyway see I see two

1042

00:41:08,840 --> 00:41:05,700

big gray eyes and that road is cutting

1043

00:41:14,000 --> 00:41:08,850

off right above his eyes is that correct

1044

00:41:15,860 --> 00:41:14,010

no no what it is darn okay okay can you

1045

00:41:18,620 --> 00:41:15,870

see his round chin can you see like a

1046

00:41:21,080 --> 00:41:18,630

chin there it's roundish and then his

1047

00:41:22,990 --> 00:41:21,090

neck is look at the hole like I said

1048

00:41:26,420 --> 00:41:23,000

make it small make the picture small

1049

00:41:28,580 --> 00:41:26,430

okay it's small and you'll see okay is

1050

00:41:31,910 --> 00:41:28,590

it small now you'll see the whole right

1051

00:41:35,090 --> 00:41:31,920

side is the left profile he he has like

1052

00:41:36,500 --> 00:41:35,100

I said you see Jesus hard to explain

1053

00:41:40,790 --> 00:41:36,510

over phone I wish I was there with you

1054

00:41:42,380 --> 00:41:40,800

but where his where his nose would be is

1055

00:41:44,060 --> 00:41:42,390

where the Great Pyramid and all three

1056

00:41:49,460 --> 00:41:44,070

pyramids are kind of run along just

1057

00:41:54,140 --> 00:41:49,470

below his nose oh okay so I'm looking at

1058

00:41:56,210 --> 00:41:54,150

a profile of a god you know what I hate

1059

00:41:58,460 --> 00:41:56,220

to differ with you guess who I think it

1060

00:42:02,120 --> 00:41:58,470

looks like oh I think it looks like

1061

00:42:03,770 --> 00:42:02,130

Nefertiti well yes it is exactly you're

1062

00:42:06,470 --> 00:42:03,780

absolutely right it has that kind of

1063

00:42:08,300 --> 00:42:06,480

features nowhere near as pretty but as

1064

00:42:10,370 --> 00:42:08,310

you see is a real thick neck like you

1065

00:42:11,630 --> 00:42:10,380

see the blue over to the right you can

1066

00:42:12,780 --> 00:42:11,640

see this the lines

1067

00:42:14,250 --> 00:42:12,790

ones one is

1068

00:42:17,640 --> 00:42:14,260

like a 45-degree angle then it comes

1069

00:42:19,320 --> 00:42:17,650

down and they're blue and that and and

1070

00:42:21,690 --> 00:42:19,330

then if you have like a real thick neck

1071

00:42:23,760 --> 00:42:21,700

and then it goes up to a round chin but

1072

00:42:25,680 --> 00:42:23,770

you're right he has a Nefertiti kind of

1073

00:42:28,020 --> 00:42:25,690

like vibe with this yeah that's what it

1074

00:42:31,680 --> 00:42:28,030

looks like to me I don't see the grey

1075

00:42:34,260 --> 00:42:31,690

alien because I'm looking yeah it's not

1076

00:42:36,570 --> 00:42:34,270

a grey alien no it's not a good see

1077

00:42:38,880 --> 00:42:36,580

there's the problem I'm looking for grey

1078

00:42:42,030 --> 00:42:38,890

alien and I know and I don't see it

1079

00:42:45,000 --> 00:42:42,040

buddy but hey it's Nefertiti is the one

1080

00:42:47,880 --> 00:42:45,010

is you're absolutely right it did it can

1081

00:42:50,850 --> 00:42:47,890

you see it at all yeah I do definitely

1082

00:42:53,370 --> 00:42:50,860

now now that I got the chin and the

1083

00:42:55,710 --> 00:42:53,380

mouth is kind of that that row of dark

1084

00:42:56,970 --> 00:42:55,720

teeth looks like tea exactly was it

1085

00:42:58,470 --> 00:42:56,980

actually those are buildings yeah

1086

00:43:00,060 --> 00:42:58,480

because they built on the grew on the

1087

00:43:01,770 --> 00:43:00,070

Giza Plateau which they should not do

1088

00:43:03,900 --> 00:43:01,780

but you're right those buildings are

1089

00:43:05,640 --> 00:43:03,910

like his teeth exactly then it goes up

1090

00:43:06,900 --> 00:43:05,650

with a little lip and then you'll see

1091

00:43:09,300 --> 00:43:06,910

the Great Pyramid stuff as where as

1092

00:43:10,710 --> 00:43:09,310

noses it's kind of little point to it

1093

00:43:12,510 --> 00:43:10,720

and then it goes up where his eye would

1094

00:43:14,220 --> 00:43:12,520

be and there's a little bump like where

1095

00:43:18,530 --> 00:43:14,230

his forehead would be and then his head

1096

00:43:20,400 --> 00:43:18,540

is elongated exactly yeah okay I'm

1097

00:43:23,760 --> 00:43:20,410

telling you Nefertiti

1098

00:43:27,060 --> 00:43:23,770

I'm absolutely right but what happens is

1099

00:43:29,970 --> 00:43:27,070

he is actually looking at can you see

1100

00:43:32,340 --> 00:43:29,980

where the over to the left is Cairo can

1101

00:43:35,850 --> 00:43:32,350

you see where the the Nile rivers

1102

00:43:39,210 --> 00:43:35,860

running down mm-hmm it's blue is it yeah

1103

00:43:41,550 --> 00:43:39,220

sure yeah you can okay well above up up

1104

00:43:44,040 --> 00:43:41,560

above you can see a thing that

1105

00:43:46,560 --> 00:43:44,050

intersects the the it's a road that

1106

00:43:48,090 --> 00:43:46,570

intersects the Nile River is called Ring

1107

00:43:50,070 --> 00:43:48,100

Road it's an eight Lane freeway that

1108

00:43:51,750 --> 00:43:50,080

goes into Cairo can you see that like it

1109

00:43:54,000 --> 00:43:51,760

almost like to make you know it almost

1110

00:43:56,490 --> 00:43:54,010

makes like a cross can you see that yes

1111

00:43:58,350 --> 00:43:56,500

absolutely okay and you can see that the

1112

00:44:00,810 --> 00:43:58,360

Ring Road when you go now just know this

1113

00:44:03,750 --> 00:44:00,820

to this picture was put it was

1114

00:44:07,740 --> 00:44:03,760

downloaded by NASA upside down so to the

1115

00:44:10,440 --> 00:44:07,750

right is West to the left is east up is

1116

00:44:12,930 --> 00:44:10,450

south down is north okay okay

1117

00:44:15,390 --> 00:44:12,940

so watch it but okay cool so what

1118

00:44:16,950 --> 00:44:15,400

happens is if you see where those things

1119

00:44:19,680 --> 00:44:16,960

intersecting like I said it looks like a

1120

00:44:22,680 --> 00:44:19,690

cross okay okay

1121

00:44:25,500 --> 00:44:22,690

that's the Cygnus constellation that's

1122

00:44:26,490 --> 00:44:25,510

the constellation you're right I know

1123

00:44:28,290 --> 00:44:26,500

I'm right

1124

00:44:30,510 --> 00:44:28,300

so and I'll explain how I'm writing how

1125

00:44:32,520 --> 00:44:30,520

I know all these things in it okay let's

1126

00:44:35,300 --> 00:44:32,530

do that because a lot of people are

1127

00:44:38,280 --> 00:44:35,310

having to imagine this in their mind oh

1128

00:44:40,200 --> 00:44:38,290

well what happens is he this that being

1129

00:44:43,080 --> 00:44:40,210

that Nefertiti type head is a male

1130

00:44:45,900 --> 00:44:43,090

though is looking at the constellation

1131

00:44:47,700 --> 00:44:45,910

of cygnus and if you tilt if you have if

1132

00:44:50,610 --> 00:44:47,710

you have it downloaded onto your laptop

1133

00:44:52,860 --> 00:44:50,620

and your laptop and you tilt it back you

1134

00:44:55,200 --> 00:44:52,870

will see that all the lights on the

1135

00:44:57,330 --> 00:44:55,210

left-hand side in the city will go out

1136

00:44:59,760 --> 00:44:57,340

except for one and it's right at the

1137

00:45:02,940 --> 00:44:59,770

junction in the intersection of where

1138

00:45:06,620 --> 00:45:02,950

Ring Road meets the Nile and that star

1139

00:45:09,270 --> 00:45:06,630

is called seder SI dr and that's in the

1140

00:45:14,000 --> 00:45:09,280

Cygnus constellation now you might say

1141

00:45:16,920 --> 00:45:14,010

well Gary how do you know this yeah Gary

1142

00:45:22,410 --> 00:45:16,930

good question I thought you'd never ask

1143

00:45:24,450 --> 00:45:22,420

what happens what happens is is after I

1144

00:45:26,490 --> 00:45:24,460

found this writing after I found this

1145

00:45:28,050 --> 00:45:26,500

writing beside the pyramid and

1146

00:45:30,330 --> 00:45:28,060

especially the Hebrew writing after I

1147

00:45:32,490 --> 00:45:30,340

met with with the Judaic scholar down at

1148

00:45:34,830 --> 00:45:32,500

the University of Arizona that night

1149

00:45:37,110 --> 00:45:34,840

when I got home I had a wild dream and

1150

00:45:39,360 --> 00:45:37,120

in the dream this I'm telling you it

1151

00:45:42,600 --> 00:45:39,370

Laura is it's crazy I had this dream and

1152

00:45:45,990 --> 00:45:42,610

in the dream a man's voice says to me go

1153

00:45:49,350 --> 00:45:46,000

to the river stand in the water face

1154

00:45:54,780 --> 00:45:49,360

east okay put your hands above your head

1155

00:45:59,760 --> 00:45:54,790

and say abba-abba-abba Kadosh Kadosh

1156

00:46:03,330 --> 00:45:59,770

Kadosh LLL Kadosh Kadosh Kadosh three

1157

00:46:05,460 --> 00:46:03,340

times and then say in Hebrew where did

1158

00:46:08,310 --> 00:46:05,470

you come from where did you really come

1159

00:46:10,170 --> 00:46:08,320

from okay so well first of all I didn't

1160

00:46:18,270 --> 00:46:10,180

know what abba-abba-abba I thought it

1161

00:46:20,460 --> 00:46:18,280

was you know that the scene group it's

1162

00:46:22,410 --> 00:46:20,470

actually said what it translates to and

1163

00:46:23,040 --> 00:46:22,420

I had to google it is father father

1164

00:46:27,480 --> 00:46:23,050

father

1165

00:46:30,960 --> 00:46:27,490

holy holy holy and L ll L was the

1166

00:46:34,010 --> 00:46:30,970

ancient name for God okay like I say so

1167

00:46:37,080 --> 00:46:34,020

so and this thing said to me in my dream

1168

00:46:38,820 --> 00:46:37,090

learn this in Hebrew go to the river now

1169

00:46:40,380 --> 00:46:38,830

what's great is there's a river here

1170

00:46:41,970 --> 00:46:40,390

four miles away from me now

1171

00:46:43,230 --> 00:46:41,980

it's in the middle of the desert but

1172

00:46:46,890 --> 00:46:43,240

there still water and it's called the

1173

00:46:51,480 --> 00:46:46,900

Gila River in Arizona so I say well you

1174

00:46:54,000 --> 00:46:51,490

know what this is all and plus Richard

1175

00:46:55,890 --> 00:46:54,010

Branson emailed me back Elon Musk Gwen

1176

00:46:57,900 --> 00:46:55,900

is shot while I'm thinking maybe this is

1177

00:47:00,450 --> 00:46:57,910

some kind of message that I'm being sent

1178

00:47:02,040 --> 00:47:00,460

for some crazy reason says I'm gonna go

1179

00:47:04,620 --> 00:47:02,050

down the river so I go down to the river

1180

00:47:06,420 --> 00:47:04,630

I get in the water I put my hands up and

1181

00:47:08,610 --> 00:47:06,430

and naturally water as you know was the

1182

00:47:11,970 --> 00:47:08,620

universal conduit between planes pretty

1183

00:47:14,190 --> 00:47:11,980

much so exactly and then I stand in the

1184

00:47:15,840 --> 00:47:14,200

water and I yelled this out I yell it

1185

00:47:19,050 --> 00:47:15,850

because it was supposed to be like in a

1186

00:47:21,000 --> 00:47:19,060

singsong me like a mantra so I do it and

1187

00:47:23,250 --> 00:47:21,010

I I don't think anything of it I think

1188

00:47:25,110 --> 00:47:23,260

okay I did it three times like you told

1189

00:47:26,270 --> 00:47:25,120

me and I did it in English and I did it

1190

00:47:29,340 --> 00:47:26,280

in Hebrew

1191

00:47:32,690 --> 00:47:29,350

abba-abba-abba kadosh kadosh kadosh ll o

1192

00:47:34,470 --> 00:47:32,700

kudos kudos kudos so I do it okay so I

1193

00:47:37,260 --> 00:47:34,480

don't feel any different

1194

00:47:40,650 --> 00:47:37,270

and I and I yell up I say hey if anybody

1195

00:47:42,120 --> 00:47:40,660

hears this let me know right okay well

1196

00:47:44,100 --> 00:47:42,130

yeah cuz I figure what the heck you know

1197

00:47:45,330 --> 00:47:44,110

this this is too wild now Eve Lauren

1198

00:47:47,040 --> 00:47:45,340

going I want it

1199

00:47:48,390 --> 00:47:47,050

yeah go ahead I want you to finish this

1200

00:47:52,380 --> 00:47:48,400

part and then I want to interject a

1201

00:47:55,560 --> 00:47:52,390

story of mine very briefly so the next

1202

00:47:56,970 --> 00:47:55,570

morning no exaggeration at 5:45 in the

1203

00:47:59,190 --> 00:47:56,980

morning I never and I never get up that

1204

00:47:59,520 --> 00:47:59,200

early I'm usually up at 7:00 5:45 in the

1205

00:48:02,190 --> 00:47:59,530

morning

1206

00:48:04,980 --> 00:48:02,200

I'm completely covered in sweat I look

1207

00:48:07,560 --> 00:48:04,990

at the computer my computer clicks on by

1208

00:48:09,900 --> 00:48:07,570

itself it clicks on to the photo all of

1209

00:48:11,790 --> 00:48:09,910

a sudden I could see everything in this

1210

00:48:14,160 --> 00:48:11,800

photo like I could see the Nefertiti

1211

00:48:16,770 --> 00:48:14,170

head the you know the alien head I could

1212

00:48:17,730 --> 00:48:16,780

see the outline of Cygnus which I didn't

1213

00:48:19,440 --> 00:48:17,740

know what was seeing this at the time

1214

00:48:22,260 --> 00:48:19,450

until I met with a couple astronomers

1215

00:48:24,930 --> 00:48:22,270

then what happened was I said oh my god

1216

00:48:27,420 --> 00:48:24,940

I can see these things so naturally what

1217

00:48:30,660 --> 00:48:27,430

I did was I emailed a guy by the name of

1218

00:48:34,170 --> 00:48:30,670

dr. Peter warden at the Ames Research

1219

00:48:36,420 --> 00:48:34,180

Center at NASA okay and I said I said

1220

00:48:37,830 --> 00:48:36,430

listen up dr. warden I emailed him I

1221

00:48:38,970 --> 00:48:37,840

said I found this stuff in your NASA

1222

00:48:42,030 --> 00:48:38,980

photo

1223

00:48:45,540 --> 00:48:42,040

it's Hebrew it's it's it's an alien it's

1224

00:48:46,920 --> 00:48:45,550

Cygnus and so not expecting to hear back

1225

00:48:50,100 --> 00:48:46,930

from him but because I just send it out

1226

00:48:51,510 --> 00:48:50,110

of the blue late an hour later he emails

1227

00:48:53,340 --> 00:48:51,520

me back and said send it to me I want to

1228

00:48:53,910 --> 00:48:53,350

see it an hour later this guy's the

1229

00:48:56,070 --> 00:48:53,920

president

1230

00:48:59,510 --> 00:48:56,080

of the Ames Research Center NASA oh no

1231

00:49:02,460 --> 00:48:59,520

no really seriously you got some my hand

1232

00:49:04,110 --> 00:49:02,470

he responded me an hour an hour after

1233

00:49:06,690 --> 00:49:04,120

sent him this guy's the president at the

1234

00:49:09,360 --> 00:49:06,700

time of the Ames Research Center no

1235

00:49:12,210 --> 00:49:09,370

freaking way the bat part blows me away

1236

00:49:14,700 --> 00:49:12,220

more than Elon Musk more than Branson

1237

00:49:17,940 --> 00:49:14,710

does NASA is notorious for ignoring us

1238

00:49:19,860 --> 00:49:17,950

okay Tory okay but get no yeah so did I

1239

00:49:22,140 --> 00:49:19,870

I said oh my god this is ridiculous he

1240

00:49:23,610 --> 00:49:22,150

Cal is he emailing me back that quickly

1241

00:49:26,070 --> 00:49:23,620

but I said it doesn't matter I need

1242

00:49:28,020 --> 00:49:26,080

somebody on my team that so I can tell

1243

00:49:30,390 --> 00:49:28,030

them what all this means or what I would

1244

00:49:33,780 --> 00:49:30,400

what I eventually learned so he might be

1245

00:49:36,330 --> 00:49:33,790

back and he says Gary I can't see it and

1246

00:49:39,420 --> 00:49:36,340

I said we'll call me and I'll tell you

1247

00:49:40,950 --> 00:49:39,430

how to see it so he calls me I said are

1248

00:49:43,050 --> 00:49:40,960

you sitting in a dark room do you have

1249

00:49:45,600 --> 00:49:43,060

your laptop and he said yes and I said

1250

00:49:47,880 --> 00:49:45,610

now tilt it and you'll see this this you

1251

00:49:50,880 --> 00:49:47,890

see the letters and he goes I see it I

1252

00:49:52,800 --> 00:49:50,890

see it and I said yeah I said but I said

1253

00:49:53,250 --> 00:49:52,810

dr. worden I said there's a lot more to

1254

00:49:54,840 --> 00:49:53,260

it than that

1255

00:49:56,970 --> 00:49:54,850

he goes Gary I'm going to get back to

1256

00:50:00,510 --> 00:49:56,980

you give me a little time three weeks

1257

00:50:04,260 --> 00:50:00,520

later he retires from NASA he gets

1258

00:50:06,570 --> 00:50:04,270

together with Stephen Hawking and a

1259

00:50:09,150 --> 00:50:06,580

billionaire from Russia and they started

1260

00:50:12,060 --> 00:50:09,160

et company so what happened was I

1261

00:50:15,090 --> 00:50:12,070

emailed him I said I say wait what

1262

00:50:17,730 --> 00:50:15,100

company they have a company that they're

1263

00:50:19,650 --> 00:50:17,740

searching for for extraterrestrials you

1264

00:50:22,200 --> 00:50:19,660

mean they have an organization that's

1265

00:50:23,940 --> 00:50:22,210

like a nonprofit that's doing this right

1266

00:50:25,350 --> 00:50:23,950

well whatever the billionaire's funded

1267

00:50:27,260 --> 00:50:25,360

is I'm sure he's getting a payday

1268

00:50:29,370 --> 00:50:27,270

you know I'm saying well so it's very

1269

00:50:31,950 --> 00:50:29,380

interesting I want to get a hold of this

1270

00:50:35,310 --> 00:50:31,960

this organization anyhow good I'm

1271

00:50:38,070 --> 00:50:35,320

extremely interesting so anyway so what

1272

00:50:39,960 --> 00:50:38,080

happens is he cuts me off he's like he

1273

00:50:42,330 --> 00:50:39,970

never responded and it's like so I

1274

00:50:44,670 --> 00:50:42,340

contacted another guy who emailed me

1275

00:50:46,380 --> 00:50:44,680

from NASA and he they won't talk to me

1276

00:50:48,480 --> 00:50:46,390

they won't email me back so I said okay

1277

00:50:51,660 --> 00:50:48,490

right I get it well see I figured it

1278

00:50:53,700 --> 00:50:51,670

this way I figured even if I show them

1279

00:50:54,960 --> 00:50:53,710

all these things they may already know

1280

00:50:56,670 --> 00:50:54,970

about it and they're probably wondering

1281

00:51:00,360 --> 00:50:56,680

how is Gary Parker know about this stuff

1282

00:51:01,650 --> 00:51:00,370

and and so so since they cut me off I

1283

00:51:05,490 --> 00:51:01,660

just figure that's par for the course

1284

00:51:07,380 --> 00:51:05,500

but so anyway so what happens was is is

1285

00:51:10,470 --> 00:51:07,390

after I see all this stuff

1286

00:51:12,660 --> 00:51:10,480

I I go back down to the river like I'm

1287

00:51:14,569 --> 00:51:12,670

gonna say 20 or 30 in the past

1288

00:51:15,809 --> 00:51:14,579

year-and-a-half probably 30 or 40 times

1289

00:51:18,000 --> 00:51:15,819

okay

1290

00:51:19,500 --> 00:51:18,010

not only do did you want to say

1291

00:51:22,309 --> 00:51:19,510

something I'm sorry am I talking too

1292

00:51:24,720 --> 00:51:22,319

much no no I'm just I had an experience

1293

00:51:26,309 --> 00:51:24,730

I'm gonna tell you about this Gary

1294

00:51:27,720 --> 00:51:26,319

because I think it's important at this

1295

00:51:30,960 --> 00:51:27,730

point I get up here

1296

00:51:34,650 --> 00:51:30,970

sure I was involved in the mind control

1297

00:51:37,259 --> 00:51:34,660

community very heavily between 2010 when

1298

00:51:38,789 --> 00:51:37,269

I had or 11 is when I had a known

1299

00:51:41,039 --> 00:51:38,799

wakening weekend

1300

00:51:44,759 --> 00:51:41,049

where I was told a whole bunch of stuff

1301
00:51:47,009 --> 00:51:44,769
by a and it was in a download and it was

1302
00:51:49,079 --> 00:51:47,019
in like two seconds

1303
00:51:51,150 --> 00:51:49,089
but it was like a lifetime's worth of

1304
00:51:52,799 --> 00:51:51,160
information that was imparted to me I

1305
00:51:54,299 --> 00:51:52,809
don't know how to describe this to

1306
00:51:56,190 --> 00:51:54,309
people but anyhow it was very

1307
00:51:58,950 --> 00:51:56,200
interesting that whole weekend awakened

1308
00:52:00,539 --> 00:51:58,960
me to the point where I could see things

1309
00:52:06,630 --> 00:52:00,549
like this I could always see things like

1310
00:52:09,450 --> 00:52:06,640
what you're showing us beforehand yeah

1311
00:52:11,309 --> 00:52:09,460
and I would never but I would never talk

1312
00:52:13,740 --> 00:52:11,319
about it with anybody or do anything any

1313
00:52:17,279 --> 00:52:13,750

how long story short in 2011 I got the

1314

00:52:19,799 --> 00:52:17,289

call-up as they say and I was put into

1315

00:52:23,099 --> 00:52:19,809

service of this whatever it is we're all

1316

00:52:25,589 --> 00:52:23,109

doing here and and they basically told

1317

00:52:28,230 --> 00:52:25,599

me it was really funny I was 53 years

1318

00:52:32,150 --> 00:52:28,240

old when it happened and they said we've

1319

00:52:35,579 --> 00:52:32,160

let you take a break until you're 53 and

1320

00:52:37,589 --> 00:52:35,589

good so it he had long story short I'm

1321

00:52:39,569 --> 00:52:37,599

now in the service of whatever this is I

1322

00:52:43,880 --> 00:52:39,579

ended up in the mind-control community

1323

00:52:45,839 --> 00:52:43,890

and I was being attacked incessantly by

1324

00:52:47,609 --> 00:52:45,849

other-dimensional forces that's all I'm

1325

00:52:49,349 --> 00:52:47,619

gonna say right now about it and I do

1326

00:52:53,069 --> 00:52:49,359

believe that they tried to kill me

1327

00:52:55,559 --> 00:52:53,079

several times and I was trying to figure

1328

00:52:58,140 --> 00:52:55,569

out how to stay alive because I had no

1329

00:53:00,329 --> 00:52:58,150

clue I had no nobody training no mentor

1330

00:53:02,819 --> 00:53:00,339

nobody no help I mean you get thrown

1331

00:53:03,660 --> 00:53:02,829

into this and it's like it's just you

1332

00:53:07,200 --> 00:53:03,670

know you're on your own

1333

00:53:09,299 --> 00:53:07,210

basically you have to use every ounce of

1334

00:53:12,089 --> 00:53:09,309

knowledge of your life as you've lived

1335

00:53:14,009 --> 00:53:12,099

it so far to get through this

1336

00:53:16,289 --> 00:53:14,019

and I guess they only pick the people

1337

00:53:18,390 --> 00:53:16,299

that have had a pretty extraordinary

1338

00:53:21,029 --> 00:53:18,400

life because I got to say my life before

1339

00:53:23,579 --> 00:53:21,039

this life was extra

1340

00:53:25,349 --> 00:53:23,589

Neri on many levels and I've been

1341

00:53:27,150 --> 00:53:25,359

through some battles mentally and

1342

00:53:30,269 --> 00:53:27,160

physically that are just you know people

1343

00:53:32,279 --> 00:53:30,279

go you're still alive right and so

1344

00:53:34,829 --> 00:53:32,289

anyhow but I was trying to figure out

1345

00:53:37,259 --> 00:53:34,839

how to navigate this whole community and

1346

00:53:41,669 --> 00:53:37,269

stay alive while doing it and I got a

1347

00:53:44,069 --> 00:53:41,679

hold of Jordan Maxwell and I asked him

1348

00:53:46,019 --> 00:53:44,079

on the phone I couldn't see him in

1349

00:53:47,729 --> 00:53:46,029

person right at that time so I called

1350

00:53:50,759 --> 00:53:47,739

him up I said Jordan I'm in trouble

1351
00:53:52,890 --> 00:53:50,769
they're trying to kill me and I need to

1352
00:53:55,529 --> 00:53:52,900
be able to do what I do and live through

1353
00:53:57,719 --> 00:53:55,539
this and I said how did you do it

1354
00:53:59,669 --> 00:53:57,729
because I know that he and everybody

1355
00:54:01,349 --> 00:53:59,679
else who gets involved in this community

1356
00:54:03,929 --> 00:54:01,359
and starts spilling the beans about the

1357
00:54:06,209 --> 00:54:03,939
truth is eventually targeted and they

1358
00:54:10,049 --> 00:54:06,219
usually try to kill you at some point

1359
00:54:12,059 --> 00:54:10,059
and he said to me Lorien here's what

1360
00:54:15,630 --> 00:54:12,069
you've got to do you've got to go out

1361
00:54:18,569 --> 00:54:15,640
into the woods or anywhere in nature he

1362
00:54:20,849 --> 00:54:18,579
goes water is best okay I'm just

1363
00:54:23,279 --> 00:54:20,859

throwing that in if you can be it by a

1364

00:54:26,309 --> 00:54:23,289

lake or the ocean or you know wherever

1365

00:54:28,529 --> 00:54:26,319

you can be that's better but you need to

1366

00:54:32,279 --> 00:54:28,539

go out there and you need to scream at

1367

00:54:34,439 --> 00:54:32,289

the top of your lungs a holy prayer if

1368

00:54:38,989 --> 00:54:34,449

you know one that you believe in and you

1369

00:54:42,239 --> 00:54:38,999

have to ask for protection and I said

1370

00:54:43,919 --> 00:54:42,249

okay sure right yeah he goes I did it

1371

00:54:46,109 --> 00:54:43,929

and it worked for me and I said well

1372

00:54:48,959 --> 00:54:46,119

what happened he goes I can't tell you

1373

00:54:50,909 --> 00:54:48,969

my personal experience but you'll know

1374

00:54:54,959 --> 00:54:50,919

when it happens and I was like yeah

1375

00:54:57,269 --> 00:54:54,969

right so for two it didn't even take two

1376
00:55:01,469 --> 00:54:57,279
weeks it took me about 10 days by the

1377
00:55:04,169 --> 00:55:01,479
tenth day I went home after screaming a

1378
00:55:06,839 --> 00:55:04,179
bit in the in the in the park area near

1379
00:55:08,609 --> 00:55:06,849
my house right on the San Francisco Bay

1380
00:55:13,349 --> 00:55:08,619
by the way I was standing in the marsh

1381
00:55:16,679 --> 00:55:13,359
and I go back home and within an hour

1382
00:55:22,349 --> 00:55:16,689
I'm sitting at my desk and I have an

1383
00:55:24,239 --> 00:55:22,359
amazing awakened vision of some angels

1384
00:55:25,739 --> 00:55:24,249
coming to protect me and that's all I'm

1385
00:55:27,929 --> 00:55:25,749
gonna tell everybody about it because it

1386
00:55:30,079 --> 00:55:27,939
is very personal on you and I really

1387
00:55:34,710 --> 00:55:30,089
need to keep that a personal thing but

1388
00:55:37,290 --> 00:55:34,720

bottom line is this whole thing of

1389

00:55:39,599 --> 00:55:37,300

calling to the gods and calling to God

1390

00:55:42,120 --> 00:55:39,609

or the gods or your protectors or

1391

00:55:44,790 --> 00:55:42,130

whatever from the river is very

1392

00:55:47,940 --> 00:55:44,800

intriguing to me because that's part of

1393

00:55:52,680 --> 00:55:47,950

mystical shamanism did you know that

1394

00:55:54,359 --> 00:55:52,690

well I knew that you know I had since I

1395

00:55:56,520 --> 00:55:54,369

found all this religious stuff and just

1396

00:55:58,620 --> 00:55:56,530

know this I haven't been in a church or

1397

00:56:01,620 --> 00:55:58,630

a temple or a synagogue in over 40 years

1398

00:56:03,960 --> 00:56:01,630

I'm not a religious guy I try to be nice

1399

00:56:07,109 --> 00:56:03,970

and live by the golden rule type of deal

1400

00:56:09,180 --> 00:56:07,119

but ROM but but what happened was was

1401

00:56:12,060 --> 00:56:09,190

when I first found this stuff I said

1402

00:56:14,580 --> 00:56:12,070

well I wonder how ancient man talked to

1403

00:56:17,070 --> 00:56:14,590

the gods and so I actually got a read

1404

00:56:18,720 --> 00:56:17,080

this book called the story of Adam and

1405

00:56:21,750 --> 00:56:18,730

Eve and they said when Adam and Eve got

1406

00:56:23,910 --> 00:56:21,760

kicked out of the out of the out of Eden

1407

00:56:26,160 --> 00:56:23,920

the first thing they did was each one

1408

00:56:28,890 --> 00:56:26,170

stood in a river they faced east and

1409

00:56:30,450 --> 00:56:28,900

they yelled at God please forgive me so

1410

00:56:32,070 --> 00:56:30,460

I said well if that's good enough for

1411

00:56:33,690 --> 00:56:32,080

Adam and Eve I should give it a shot

1412

00:56:35,310 --> 00:56:33,700

do you know maybe so so that's well

1413

00:56:37,740 --> 00:56:35,320

after I heard the voice and and I said

1414

00:56:39,120 --> 00:56:37,750

and also ancient Egyptians they used to

1415

00:56:40,829 --> 00:56:39,130

pray their gods by standing in the water

1416

00:56:45,180 --> 00:56:40,839

and facing east because as you know

1417

00:56:46,800 --> 00:56:45,190

that's right the the the the the Sphinx

1418

00:56:48,570 --> 00:56:46,810

and the great part they face East

1419

00:56:51,120 --> 00:56:48,580

because you know it's a new day rebirth

1420

00:56:52,380 --> 00:56:51,130

so hey it worked for me and I actually

1421

00:56:54,240 --> 00:56:52,390

think you could work for pretty much

1422

00:56:56,280 --> 00:56:54,250

anybody if they say the right

1423

00:56:58,620 --> 00:56:56,290

understanding physics yes without a

1424

00:57:01,380 --> 00:56:58,630

doubt and I think it would just open up

1425

00:57:02,910 --> 00:57:01,390

another part of their mind that could

1426
00:57:05,339 --> 00:57:02,920
possibly so they could see these things

1427
00:57:08,190 --> 00:57:05,349
even easier well they do it in India

1428
00:57:10,200 --> 00:57:08,200
also as part of these festivals they

1429
00:57:13,140 --> 00:57:10,210
have where they either get powdered with

1430
00:57:15,870 --> 00:57:13,150
color or they stand in the water and

1431
00:57:18,329 --> 00:57:15,880
they all force a direction it has a lot

1432
00:57:20,910 --> 00:57:18,339
to do with Islam too you know

1433
00:57:23,400 --> 00:57:20,920
oh yeah I didn't know that they stood in

1434
00:57:25,349 --> 00:57:23,410
water but they do on the Ganges River

1435
00:57:26,790 --> 00:57:25,359
there's this whole festival I can't

1436
00:57:30,480 --> 00:57:26,800
remember the name of it darn darn darn

1437
00:57:32,700 --> 00:57:30,490
but anyhow but then also it bled over

1438
00:57:34,829 --> 00:57:32,710

into Islam as well because they have to

1439

00:57:35,730 --> 00:57:34,839

face Mecca every day like three or four

1440

00:57:38,880 --> 00:57:35,740

times a day

1441

00:57:41,310 --> 00:57:38,890

gotcha so anyhow they go ahead this is

1442

00:57:45,900 --> 00:57:41,320

all fascinating to me I know I'm so

1443

00:57:48,630 --> 00:57:45,910

fascinating I can't stand it what

1444

00:57:51,420 --> 00:57:48,640

happens is is

1445

00:57:53,819 --> 00:57:51,430

after a while I naturally I went I've

1446

00:57:56,460 --> 00:57:53,829

met with I've met with some Orthodox

1447

00:58:00,839 --> 00:57:56,470

rabbis I've met with many priests I've

1448

00:58:02,819 --> 00:58:00,849

met with an Amman here in Phoenix and as

1449

00:58:04,769 --> 00:58:02,829

soon as I shown this stuff they refused

1450

00:58:07,559 --> 00:58:04,779

to believe it they say Gary we see it

1451
00:58:09,059 --> 00:58:07,569
but I'm not going to believe it and I

1452
00:58:13,980 --> 00:58:09,069
said well that's too bad

1453
00:58:17,190 --> 00:58:13,990
so so what happens is um after I got cut

1454
00:58:18,329 --> 00:58:17,200
off from NASA and after I I went like I

1455
00:58:21,779 --> 00:58:18,339
said I've been down to the river between

1456
00:58:23,549 --> 00:58:21,789
probably 40 and 45 times and each time I

1457
00:58:25,549 --> 00:58:23,559
go down there I see more and more and

1458
00:58:29,839 --> 00:58:25,559
I'm shown more and more in the photo and

1459
00:58:34,470 --> 00:58:29,849
and it actually all has to do with um

1460
00:58:37,079 --> 00:58:34,480
are you familiar with eschatology yes I

1461
00:58:41,730 --> 00:58:37,089
am I've actually looked into that but it

1462
00:58:45,930 --> 00:58:41,740
was years ago right yeah it has a lot to

1463
00:58:49,589 --> 00:58:45,940

do with them probably was yeah prophecy

1464

00:58:51,750 --> 00:58:49,599

but also I at the time I looked it up I

1465

00:58:54,990 --> 00:58:51,760

was also looking into sacred geometry

1466

00:58:58,140 --> 00:58:55,000

and the lines on the planet and I was

1467

00:59:01,009 --> 00:58:58,150

also looking into cartography to find

1468

00:59:03,420 --> 00:59:01,019

out sacred places on the planet from

1469

00:59:05,730 --> 00:59:03,430

google map when it first started you

1470

00:59:08,940 --> 00:59:05,740

know it first came out yeah go ahead

1471

00:59:10,470 --> 00:59:08,950

yes well you know this whole photo and

1472

00:59:13,380 --> 00:59:10,480

everything inside the sundial just know

1473

00:59:16,950 --> 00:59:13,390

this that when you look at the photo

1474

00:59:18,779 --> 00:59:16,960

flat on picture it in dimensions that

1475

00:59:20,579 --> 00:59:18,789

there was a guy there was a guy who was

1476

00:59:24,120 --> 00:59:20,589

the great-grandfather of Noah his name

1477

00:59:25,890 --> 00:59:24,130

was Enoch or Enoch okay and he said when

1478

00:59:27,960 --> 00:59:25,900

he went to heaven he saw ten heavens

1479

00:59:30,630 --> 00:59:27,970

well they really weren't heavens there

1480

00:59:34,380 --> 00:59:30,640

were ten dimensions okay when you laughs

1481

00:59:36,870 --> 00:59:34,390

its motive this photo has four to five

1482

00:59:41,309 --> 00:59:36,880

levels to it I actually took the photo

1483

00:59:44,069 --> 00:59:41,319

over to professor's of computer science

1484

00:59:46,710 --> 00:59:44,079

professors at ASU Arizona State

1485

00:59:48,059 --> 00:59:46,720

University and one was named dr. Gupta

1486

00:59:50,190 --> 00:59:48,069

and the other one wasn't named dr. White

1487

00:59:52,170 --> 00:59:50,200

House well when they saw it they said

1488

00:59:53,910 --> 00:59:52,180

Gary we don't have this technology

1489

00:59:56,279 --> 00:59:53,920

that's impossible that's four levels

1490

00:59:59,370 --> 00:59:56,289

down the only people who possibly could

1491

01:00:01,499 --> 00:59:59,380

have the technology to do this is NASA

1492

01:00:02,390 --> 01:00:01,509

and I said well I got I have no luck

1493

01:00:04,400 --> 01:00:02,400

with NASA and

1494

01:00:06,319 --> 01:00:04,410

but can you help me to show people that

1495

01:00:09,920 --> 01:00:06,329

this has so many levels and they both

1496

01:00:11,779 --> 01:00:09,930

said Gary were academics we won't have

1497

01:00:13,819 --> 01:00:11,789

anything to do with this I said I

1498

01:00:15,890 --> 01:00:13,829

totally understand I said I got the same

1499

01:00:19,220 --> 01:00:15,900

thing from the University of Arizona so

1500

01:00:21,740 --> 01:00:19,230

right city right so I said okay yeah I

1501

01:00:24,920 --> 01:00:21,750

said so and I'm hitting all the I'm hit

1502

01:00:26,839 --> 01:00:24,930

I actually went to a lady her name is so

1503

01:00:30,019 --> 01:00:26,849

she's a professor of Egyptian art

1504

01:00:32,690 --> 01:00:30,029

because it's all Egypt and she saw it -

1505

01:00:34,430 --> 01:00:32,700

her name is Adelaide Lewis and she said

1506

01:00:35,450 --> 01:00:34,440

Gary I see everything but man I'm not

1507

01:00:38,120 --> 01:00:35,460

gonna have anything to do with this

1508

01:00:40,609 --> 01:00:38,130

because I could lose my job and it's

1509

01:00:42,380 --> 01:00:40,619

just she goes this is just too much and

1510

01:00:44,150 --> 01:00:42,390

I said I understand I understand no

1511

01:00:46,910 --> 01:00:44,160

problem but you know me I never give up

1512

01:00:49,400 --> 01:00:46,920

on even if one professor one doctor one

1513

01:00:50,870 --> 01:00:49,410

academic says no I still set up a

1514

01:00:52,609 --> 01:00:50,880

meeting and I go in and try to show them

1515

01:00:54,289 --> 01:00:52,619

because I think I could use as many

1516

01:00:55,609 --> 01:00:54,299

people as possible to get behind this

1517

01:00:58,309 --> 01:00:55,619

and to see what it really is

1518

01:01:00,200 --> 01:00:58,319

perhaps I make that and and and you're

1519

01:01:03,730 --> 01:01:00,210

not the I got a stake you're you're not

1520

01:01:06,319 --> 01:01:03,740

the only one who has seen things within

1521

01:01:07,910 --> 01:01:06,329

you know these photographs that we're

1522

01:01:09,650 --> 01:01:07,920

getting everywhere as a matter of fact I

1523

01:01:12,410 --> 01:01:09,660

got to go back to the first one who did

1524

01:01:15,109 --> 01:01:12,420

something like this that actually made a

1525

01:01:17,269 --> 01:01:15,119

world splash was the face on Mars with

1526

01:01:19,819 --> 01:01:17,279

Richard Hoagland and bara and those men

1527

01:01:22,160 --> 01:01:19,829

that gang I mean very interesting you

1528

01:01:24,170 --> 01:01:22,170

know yes you're doing the same type of

1529

01:01:26,120 --> 01:01:24,180

thing I sure AM yeah absolutely right

1530

01:01:28,670 --> 01:01:26,130

and and but the one cool thing about

1531

01:01:31,880 --> 01:01:28,680

this is that like it was taken on earth

1532

01:01:34,579 --> 01:01:31,890

you can see the the Nefertiti / alien

1533

01:01:37,190 --> 01:01:34,589

heads profile you can see and and if

1534

01:01:38,620 --> 01:01:37,200

people take time daddy where do babies

1535

01:01:42,829 --> 01:01:38,630

come from

1536

01:01:45,799 --> 01:01:42,839

well honey mommy went to the store oh

1537

01:01:49,490 --> 01:01:45,809

well you see um well there's a mommy and

1538

01:01:52,099 --> 01:01:49,500

a daddy right and see when they call

1539

01:01:52,880 --> 01:01:52,109

Geico they could save a bunch of money

1540

01:01:55,640 --> 01:01:52,890

on car insurance

1541

01:01:57,950 --> 01:01:55,650

oh really and that makes them happy yes

1542

01:02:00,140 --> 01:01:57,960

that makes them very happy that's good

1543

01:02:01,099 --> 01:02:00,150

yeah well I'm glad we could have this

1544

01:02:03,829 --> 01:02:01,109

talk sunshine

1545

01:02:06,319 --> 01:02:03,839

Geico because saving 15% or more on car

1546

01:02:08,390 --> 01:02:06,329

insurance is always a great answer to

1547

01:02:10,190 --> 01:02:08,400

really examine the photo and when I say

1548

01:02:14,269 --> 01:02:10,200

examiner what they need to do is this if

1549

01:02:16,250 --> 01:02:14,279

you zoom in to - like I said - the Great

1550

01:02:18,260 --> 01:02:16,260

Pyramid and you zoom way and you'll see

1551

01:02:20,900 --> 01:02:18,270

did you say you you guys are downloading

1552

01:02:23,810 --> 01:02:20,910

it onto your people it's in the chat

1553

01:02:25,700 --> 01:02:23,820

right now it's in our chat room you can

1554

01:02:28,849 --> 01:02:25,710

see it there and I'm also I haven't up

1555

01:02:31,849 --> 01:02:28,859

on my big screens and and I'm going at

1556

01:02:33,950 --> 01:02:31,859

it from small to large so I've got a

1557

01:02:36,380 --> 01:02:33,960

joke too Blake good so so when people

1558

01:02:38,740 --> 01:02:36,390

see it but just know this like I said I

1559

01:02:44,240 --> 01:02:38,750

have been down to that River between

1560

01:02:48,800 --> 01:02:44,250

probably 40 to 45 times okay on my 38th

1561

01:02:51,320 --> 01:02:48,810

time this being that you're seeing he

1562

01:02:53,480 --> 01:02:51,330

shows up he shows I know this is going

1563

01:02:55,070 --> 01:02:53,490

to sound completely nuts but this not at

1564

01:02:58,730 --> 01:02:55,080

all you're talking to the right person

1565

01:03:00,620 --> 01:02:58,740

for this actually so but not but see are

1566

01:03:02,359 --> 01:03:00,630

you and number two I'm not real

1567

01:03:03,680 --> 01:03:02,369

religious but I had to do for the past

1568

01:03:05,830 --> 01:03:03,690

two years since all this stuff was

1569

01:03:08,180 --> 01:03:05,840

happening I had to go back and find out

1570

01:03:10,370 --> 01:03:08,190

why does this person why does this being

1571

01:03:12,830 --> 01:03:10,380

looked the way he looks and has anybody

1572

01:03:16,370 --> 01:03:12,840

else seen it well there was this there

1573

01:03:18,650 --> 01:03:16,380

was this prophet in in ancient and in

1574

01:03:23,330 --> 01:03:18,660

the ancient times his name was Ezekiel

1575

01:03:26,000 --> 01:03:23,340

you've ever heard oh you said yes right

1576

01:03:28,040 --> 01:03:26,010

well when he when he saw when he saw

1577

01:03:31,160 --> 01:03:28,050

what he called God he said he couldn't

1578

01:03:33,590 --> 01:03:31,170

see God's face but he saw spinning

1579

01:03:36,260 --> 01:03:33,600

wheels with eyes and he saw these things

1580

01:03:40,210 --> 01:03:36,270

but angels are cherubim with four heads

1581

01:03:45,220 --> 01:03:40,220

or four faces and they had wings

1582

01:03:48,050 --> 01:03:45,230

the Eagle the I can't remember well now

1583

01:03:51,710 --> 01:03:48,060

you know I want to say bear but that's

1584

01:03:53,630 --> 01:03:51,720

not right no it's actually the one on

1585

01:03:56,150 --> 01:03:53,640

the left sides of lion on the right

1586

01:03:58,220 --> 01:03:56,160

sides an eagle and like an ogre or an

1587

01:03:59,750 --> 01:03:58,230

oxen and a human face in the front okay

1588

01:04:01,640 --> 01:03:59,760

that's right thank you

1589

01:04:03,230 --> 01:04:01,650

that's right well yeah well come on I'm

1590

01:04:06,260 --> 01:04:03,240

living this stuff so anyway so what

1591

01:04:08,750 --> 01:04:06,270

happens is I see and also they said in

1592

01:04:13,160 --> 01:04:08,760

Ezekiel that that God was sitting on a

1593

01:04:15,640 --> 01:04:13,170

throne above there was like a whole

1594

01:04:17,810 --> 01:04:15,650

platform of crystal okay

1595

01:04:19,520 --> 01:04:17,820

so what happens is when I go down to the

1596

01:04:20,990 --> 01:04:19,530

river and also just know this I take

1597

01:04:22,400 --> 01:04:21,000

friends down with me and they fill me

1598

01:04:24,950 --> 01:04:22,410

with their with their phones because I

1599

01:04:28,400 --> 01:04:24,960

want to see if anything shows up right

1600

01:04:29,290 --> 01:04:28,410

right ideas right yes I'm very smart so

1601

01:04:35,160 --> 01:04:29,300

I

1602

01:04:38,320 --> 01:04:36,370

okay

1603

01:04:41,020 --> 01:04:38,330

so what happens is I'm in the I'm

1604

01:04:43,540 --> 01:04:41,030

standing the water this thing appears

1605

01:04:45,580 --> 01:04:43,550

with the crystal platform it's not sit

1606

01:04:47,890 --> 01:04:45,590

this being is not sitting in its and

1607

01:04:52,750 --> 01:04:47,900

it's hovering over the water and it's

1608

01:04:54,700 --> 01:04:52,760

not it's not it's it's not like I can

1609

01:04:58,510 --> 01:04:54,710

see its face and it's an alien face but

1610

01:05:00,190 --> 01:04:58,520

inside of its face or human faces but

1611

01:05:02,200 --> 01:05:00,200

they all look middle-eastern they're all

1612

01:05:03,610 --> 01:05:02,210

Middle Eastern and everybody's kind of

1613

01:05:05,290 --> 01:05:03,620

talking at the same time but nobody's

1614

01:05:08,410 --> 01:05:05,300

lips are moving but I can hear voices

1615

01:05:10,660 --> 01:05:08,420

and below them are two of these angels

1616

01:05:13,420 --> 01:05:10,670

now I what I'm going to do I'm going to

1617

01:05:16,420 --> 01:05:13,430

show you how to find the cherubim or the

1618

01:05:19,270 --> 01:05:16,430

angel and his name was Uriel and I had

1619

01:05:22,090 --> 01:05:19,280

no I I know it's not it's totally nuts

1620

01:05:23,950 --> 01:05:22,100

but what happens I had no idea when it

1621

01:05:25,450 --> 01:05:23,960

and when I talked to me it didn't move

1622

01:05:27,190 --> 01:05:25,460

its mouth it just and it looked like

1623

01:05:28,000 --> 01:05:27,200

burn bronze it looked like metal that

1624

01:05:33,250 --> 01:05:28,010

was on fire

1625

01:05:35,590 --> 01:05:33,260

okay let's slow down as we go through

1626

01:05:37,570 --> 01:05:35,600

descriptions of these aliens or other

1627

01:05:41,140 --> 01:05:37,580

dimensional beings I like to call them

1628

01:05:44,110 --> 01:05:41,150

myself personally because I I have never

1629

01:05:50,050 --> 01:05:44,120

seen an alien alien okay like the

1630

01:05:52,510 --> 01:05:50,060

typical gray reptilian or whatever an

1631

01:05:54,760 --> 01:05:52,520

alien go ahead yeah I've seen ghost I

1632

01:05:57,760 --> 01:05:54,770

have I've already seen that but I have

1633

01:05:59,860 --> 01:05:57,770

never seen the beans that talk to me but

1634

01:06:03,160 --> 01:05:59,870

they talk like you're talking about it's

1635

01:06:06,400 --> 01:06:03,170

not like they talk singly at once it's

1636

01:06:07,900 --> 01:06:06,410

like there's many voices but what's even

1637

01:06:11,080 --> 01:06:07,910

weirder and tell me if I'm right about

1638

01:06:13,350 --> 01:06:11,090

this it's not really sentences like

1639

01:06:17,260 --> 01:06:13,360

humans talk to each other it's more like

1640

01:06:20,170 --> 01:06:17,270

impressions of complete concepts no

1641

01:06:21,700 --> 01:06:20,180

minor imparted volume buying were sense

1642

01:06:24,880 --> 01:06:21,710

if they had beginning in an end

1643

01:06:26,020 --> 01:06:24,890

oh how bad now that's very interesting I

1644

01:06:28,750 --> 01:06:26,030

haven't heard that one yet

1645

01:06:31,000 --> 01:06:28,760

oh god I'm fascinated okay so go further

1646

01:06:32,920 --> 01:06:31,010

on now because I'm just fascinated how

1647

01:06:35,560 --> 01:06:32,930

this is happening for you well I know

1648

01:06:38,290 --> 01:06:35,570

it's amazing but uh but uh so what

1649

01:06:39,610 --> 01:06:38,300

happens is I can tell your listeners and

1650

01:06:42,400 --> 01:06:39,620

like I said it's hard to do over the

1651

01:06:46,390 --> 01:06:42,410

phone but I can show them where to find

1652

01:06:51,099 --> 01:06:46,400

the Uriel angel cherubim on on this

1653

01:06:52,990 --> 01:06:51,109

photo oh okay yes okay if you're looking

1654

01:06:55,200 --> 01:06:53,000

at the photo can you see now we see

1655

01:06:57,370 --> 01:06:55,210

where the Great Pyramid is correct right

1656

01:06:59,380 --> 01:06:57,380

okay and then you go up and you see the

1657

01:07:02,859 --> 01:06:59,390

guy's brow you see the guy's brow the

1658

01:07:05,260 --> 01:07:02,869

aliens Parral it's kind of a bump yes

1659

01:07:07,480 --> 01:07:05,270

okay it's it and then and then from the

1660

01:07:08,799 --> 01:07:07,490

brow there's kind of a straight line can

1661

01:07:09,849 --> 01:07:08,809

you see there's like a straight line and

1662

01:07:12,789 --> 01:07:09,859

then there's kind of like a little

1663

01:07:14,950 --> 01:07:12,799

square and it runs right into ring road

1664

01:07:17,260 --> 01:07:14,960

that comes on to the comes on to the

1665

01:07:19,900 --> 01:07:17,270

Giza Plateau can you see that oh the

1666

01:07:22,539 --> 01:07:19,910

square right above his brow yes I can

1667

01:07:24,789 --> 01:07:22,549

see okay well well just not now right

1668

01:07:27,279 --> 01:07:24,799

above that little that little square is

1669

01:07:28,930 --> 01:07:27,289

ring road you can see the road where it

1670

01:07:30,670 --> 01:07:28,940

comes yeah we're at intersects there

1671

01:07:32,799 --> 01:07:30,680

with the Nile River if you follow it in

1672

01:07:35,680 --> 01:07:32,809

a river to the right is West to the left

1673

01:07:37,930 --> 01:07:35,690

disease so if you follow Ring Road West

1674

01:07:39,970 --> 01:07:37,940

and then you're right on the Giza

1675

01:07:42,039 --> 01:07:39,980

Plateau where you know where it's sandy

1676

01:07:43,750 --> 01:07:42,049

okay yeah and you can see that that

1677

01:07:46,990 --> 01:07:43,760

right there kind of the road dips a

1678

01:07:48,519 --> 01:07:47,000

little bit can you see that yes okay now

1679

01:07:51,099 --> 01:07:48,529

what I want you to do you and your

1680

01:07:52,720 --> 01:07:51,109

listeners I want you to zoom in let me

1681

01:07:55,569 --> 01:07:52,730

see I have a right here and I'm doing it

1682

01:07:58,599 --> 01:07:55,579

one two three now I got to move my

1683

01:08:02,950 --> 01:07:58,609

picture down three zoom in like five

1684

01:08:06,940 --> 01:08:02,960

clicks to that area okay okay so it's

1685

01:08:12,700 --> 01:08:06,950

enlarging okay and now I already already

1686

01:08:16,209 --> 01:08:12,710

saw the angel okay please don't get

1687

01:08:20,370 --> 01:08:16,219

ahead of me okay am I being bossy I

1688

01:08:22,809 --> 01:08:20,380

apologize what okay what happens is is

1689

01:08:25,870 --> 01:08:22,819

ring road is pretty big now it's

1690

01:08:28,720 --> 01:08:25,880

actually a wash it's a wash okay buddy

1691

01:08:30,729 --> 01:08:28,730

okay above Ring Road can you see there's

1692

01:08:32,050 --> 01:08:30,739

kind of an outline of a property outline

1693

01:08:34,300 --> 01:08:32,060

with little dots on it

1694

01:08:36,249 --> 01:08:34,310

they're like little buildings can't see

1695

01:08:41,769 --> 01:08:36,259

it it's like a big kind of like almost

1696

01:08:44,410 --> 01:08:41,779

not a circle but and it runs along along

1697

01:08:46,479 --> 01:08:44,420

that area of it actually it actually

1698

01:08:48,160 --> 01:08:46,489

backs up to where Cairo is you know

1699

01:08:50,320 --> 01:08:48,170

where the worth of you see grass and

1700

01:08:51,880 --> 01:08:50,330

greenery and if you go right you can see

1701

01:08:54,700 --> 01:08:51,890

there's kind of an outline can you see

1702

01:08:58,959 --> 01:08:54,710

it like of a lot can you see that yeah

1703

01:09:02,920 --> 01:08:58,969

can see above the road okay right on the

1704

01:09:05,380 --> 01:09:02,930

edge of the desert yeah it looks like

1705

01:09:09,099 --> 01:09:05,390

there's like four squares in a kind of

1706

01:09:10,749 --> 01:09:09,109

like a sideways L exactly okay now what

1707

01:09:12,640 --> 01:09:10,759

is there very good you're very very good

1708

01:09:14,200 --> 01:09:12,650

what you go what I want you to do is I

1709

01:09:16,090 --> 01:09:14,210

want you to go with now now I want you

1710

01:09:18,400 --> 01:09:16,100

to always look down at Ring Road right

1711

01:09:19,990 --> 01:09:18,410

at the top of Ring Road okay and I want

1712

01:09:21,640 --> 01:09:20,000

you to now can you see right where the L

1713

01:09:23,380 --> 01:09:21,650

is if you go to the right a little bit

1714

01:09:27,459 --> 01:09:23,390

you're gonna see like there's kind of an

1715

01:09:30,640 --> 01:09:27,469

outline of a like almost like property

1716

01:09:33,610 --> 01:09:30,650

line it's like it is a big lot there can

1717

01:09:35,470 --> 01:09:33,620

you see it and it's kind of outline you

1718

01:09:37,599 --> 01:09:35,480

can and there's a look at dark corner

1719

01:09:39,880 --> 01:09:37,609

and a little like looks like an arrow

1720

01:09:43,059 --> 01:09:39,890

little baby arrow with a ball on the end

1721

01:09:45,370 --> 01:09:43,069

of it I can't I don't see that but

1722

01:09:47,470 --> 01:09:45,380

anyway but but we are going to the right

1723

01:09:51,940 --> 01:09:47,480

which is going to West correctly correct

1724

01:09:54,490 --> 01:09:51,950

yes okay now right along the property

1725

01:09:55,900 --> 01:09:54,500

line you're gonna see a big head it's

1726

01:09:58,090 --> 01:09:55,910

going to look like a head with a neck

1727

01:10:00,190 --> 01:09:58,100

and it's raped and it runs right along

1728

01:10:02,260 --> 01:10:00,200

the property line and it almost looks

1729

01:10:07,320 --> 01:10:02,270

like a distorted Ronald McDonald can you

1730

01:10:14,860 --> 01:10:11,800

the property line line is actually the

1731

01:10:16,510 --> 01:10:14,870

neck starts on Ring Road and then you'll

1732

01:10:17,830 --> 01:10:16,520

see kind of like a property line that is

1733

01:10:20,140 --> 01:10:17,840

like an indentation it almost looks like

1734

01:10:22,810 --> 01:10:20,150

a little road and it goes up to the left

1735

01:10:26,260 --> 01:10:22,820

it goes you come onto Ring Road and then

1736

01:10:27,820 --> 01:10:26,270

there's kind of a Lauren I'm really sure

1737

01:10:30,370 --> 01:10:27,830

this is tough over over the over the

1738

01:10:32,860 --> 01:10:30,380

phone it really no and that's why most

1739

01:10:34,450 --> 01:10:32,870

people would not do this type of radio

1740

01:10:37,300 --> 01:10:34,460

show because you got to have it right in

1741

01:10:40,240 --> 01:10:37,310

front of you but let's let's just let's

1742

01:10:43,180 --> 01:10:40,250

say for yaks I do see it what am I

1743

01:10:44,979 --> 01:10:43,190

looking at and and we'll talk about it

1744

01:10:47,080 --> 01:10:44,989

you know you and I off air we'll find it

1745

01:10:48,550 --> 01:10:47,090

and then I'll get it up on my website so

1746

01:10:53,260 --> 01:10:48,560

very good very good

1747

01:10:55,209 --> 01:10:53,270

but okay the L the L that you saw is in

1748

01:10:57,400 --> 01:10:55,219

the middle of the property and as you

1749

01:10:59,440 --> 01:10:57,410

look from from Ring Road all the way to

1750

01:11:02,229 --> 01:10:59,450

the top there's kind of a property line

1751

01:11:03,820 --> 01:11:02,239

you can see the kind of outlines whole

1752

01:11:06,310 --> 01:11:03,830

property like a big circle

1753

01:11:08,500 --> 01:11:06,320

okay well rate on the app as you go to

1754

01:11:11,290 --> 01:11:08,510

the right you'll see just outside

1755

01:11:13,930 --> 01:11:11,300

the property line you'll see like it

1756

01:11:16,180 --> 01:11:13,940

looks like a distorted face and it has

1757

01:11:18,129 --> 01:11:16,190

except for you can't you know what this

1758

01:11:20,290 --> 01:11:18,139

is really too tough but anyway if you do

1759

01:11:22,240 --> 01:11:20,300

this if anybody who's listening can see

1760

01:11:24,310 --> 01:11:22,250

it all you have to do is get your get

1761

01:11:26,109 --> 01:11:24,320

your laptop and tilt it all the way back

1762

01:11:28,330 --> 01:11:26,119

and when you tilt things all the way

1763

01:11:31,930 --> 01:11:28,340

back you're going to see a guy's face

1764

01:11:33,939 --> 01:11:31,940

that he's going to look like on his

1765

01:11:35,770 --> 01:11:33,949

right side which is our left side like

1766

01:11:37,930 --> 01:11:35,780

he's wearing a mask on his on his right

1767

01:11:40,180 --> 01:11:37,940

eye okay and it looks like he's wearing

1768

01:11:42,310 --> 01:11:40,190

a wet suit around his neck but what

1769

01:11:45,399 --> 01:11:42,320

happens is on his right side he's

1770

01:11:48,189 --> 01:11:45,409

actually a raven on his left side he is

1771

01:11:49,629 --> 01:11:48,199

a lion and above him he's an ogre but as

1772

01:11:49,990 --> 01:11:49,639

you look at him straight on he looks

1773

01:11:56,129 --> 01:11:50,000

human

1774

01:12:01,330 --> 01:11:58,060

you know we're gonna have to get

1775

01:12:03,310 --> 01:12:01,340

together maybe this weekend and what I'm

1776
01:12:06,310 --> 01:12:03,320
gonna do since I'm a Photoshop person

1777
01:12:09,640 --> 01:12:06,320
I'm gonna help you figure this all out

1778
01:12:12,490 --> 01:12:09,650
and we're gonna outline it in a pen you

1779
01:12:14,649 --> 01:12:12,500
know a little drawing and we'll put them

1780
01:12:16,240 --> 01:12:14,659
up on my website and we'll and we'll

1781
01:12:18,549 --> 01:12:16,250
have it as a place where people can go

1782
01:12:20,890 --> 01:12:18,559
to decipher this for you okay well

1783
01:12:22,419 --> 01:12:20,900
that's fantastic now what happened was

1784
01:12:24,700 --> 01:12:22,429
well let me just say this there's

1785
01:12:26,950 --> 01:12:24,710
there's a ton more and it goes down four

1786
01:12:29,049 --> 01:12:26,960
levels in five levels at the bottom

1787
01:12:34,359 --> 01:12:29,059
level there's a ton of there's a ton of

1788
01:12:37,540 --> 01:12:34,369

Hebrew writing and when I went to the to

1789

01:12:40,000 --> 01:12:37,550

the Orthodox rabbis out here in Phoenix

1790

01:12:43,299 --> 01:12:40,010

they said Gary actually there's a date

1791

01:12:47,770 --> 01:12:43,309

here so I said well what's the date they

1792

01:12:49,089 --> 01:12:47,780

said July 26 2022 and I noticed and as

1793

01:12:53,589 --> 01:12:49,099

soon as he told me the date I knew what

1794

01:12:56,430 --> 01:12:53,599

the date was because on July 26 2012 is

1795

01:13:01,450 --> 01:12:56,440

when this photo was downloaded onto thee

1796

01:13:05,640 --> 01:13:01,460

onto the onto the Internet okay so yes

1797

01:13:09,689 --> 01:13:05,650

yes so so what happened was on July 26

1798

01:13:14,709 --> 01:13:09,699

2012 was only five months away from

1799

01:13:16,810 --> 01:13:14,719

December 21st 2012 which was when the

1800

01:13:20,020 --> 01:13:16,820

Mayans said our world would come to an

1801
01:13:21,879 --> 01:13:20,030
end right all right yes and at the world

1802
01:13:24,370 --> 01:13:21,889
as we know it did come to an end because

1803
01:13:26,350 --> 01:13:24,380
this message that's in this photo I went

1804
01:13:30,609 --> 01:13:26,360
down to the river after I met with and

1805
01:13:34,509 --> 01:13:30,619
saw the Uriel and and the the operator

1806
01:13:37,389 --> 01:13:34,519
calling God I guess they told me that on

1807
01:13:40,000 --> 01:13:37,399
July 26 2022

1808
01:13:41,439 --> 01:13:40,010
they were going to return these people

1809
01:13:43,929 --> 01:13:41,449
these beings are the returned and

1810
01:13:45,120 --> 01:13:43,939
they're going to land in Jerusalem on

1811
01:13:51,959 --> 01:13:45,130
the Temple Mount

1812
01:13:55,509 --> 01:13:51,969
what is the message they gave you yes

1813
01:13:57,069 --> 01:13:55,519

well what was amazing was after when I

1814

01:13:59,279 --> 01:13:57,079

went to the rabbi's and they told me the

1815

01:14:01,540 --> 01:13:59,289

date that they found in ancient Hebrew

1816

01:14:05,520 --> 01:14:01,550

what I did was I said well wait a minute

1817

01:14:09,819 --> 01:14:05,530

that says that's that's that's July 26

1818

01:14:13,270 --> 01:14:09,829

2022 this photo was downloaded July 26

1819

01:14:15,040 --> 01:14:13,280

2012 and then when I said this means

1820

01:14:16,750 --> 01:14:15,050

something this is so then I guess I went

1821

01:14:19,179 --> 01:14:16,760

to the river and I yelled up and I say

1822

01:14:21,189 --> 01:14:19,189

guys and actually I do I say guys after

1823

01:14:23,739 --> 01:14:21,199

I do the spiel with the with the Hebrew

1824

01:14:25,389 --> 01:14:23,749

and Baba kudos kudos kudos and I don't

1825

01:14:27,009 --> 01:14:25,399

want to sound like I don't have respect

1826

01:14:28,540 --> 01:14:27,019

I do it's just

1827

01:14:30,699 --> 01:14:28,550

I'm thinking well if they picked me to

1828

01:14:35,199 --> 01:14:30,709

be the messenger I'm going to talk the

1829

01:14:37,620 --> 01:14:35,209

way I normally talk Oh Moses so did

1830

01:14:40,299 --> 01:14:37,630

Joseph so did everybody else was about

1831

01:14:41,889 --> 01:14:40,309

give it to them yeah I don't want to

1832

01:14:44,889 --> 01:14:41,899

think I'm anywhere near as great as all

1833

01:14:46,959 --> 01:14:44,899

those guys but but but they say the

1834

01:14:49,540 --> 01:14:46,969

voice came down and said you know we're

1835

01:14:52,239 --> 01:14:49,550

coming back they didn't say it like that

1836

01:14:58,120 --> 01:14:52,249

but the date they're gonna return is

1837

01:15:00,429 --> 01:14:58,130

July 26 2022 well now this now is this

1838

01:15:01,750 --> 01:15:00,439

kind of like the wrap-up of everything

1839

01:15:04,089 --> 01:15:01,760

that's been happening or is there more

1840

01:15:07,239 --> 01:15:04,099

sense they've given you that date have

1841

01:15:09,069 --> 01:15:07,249

you talked to them since then yes I have

1842

01:15:11,259 --> 01:15:09,079

but believe it or not since that time

1843

01:15:12,040 --> 01:15:11,269

they haven't talked back and they've

1844

01:15:14,560 --> 01:15:12,050

never showed up

1845

01:15:16,479 --> 01:15:14,570

they only showed up that one time and I

1846

01:15:18,669 --> 01:15:16,489

actually did say when I was and you know

1847

01:15:21,819 --> 01:15:18,679

how like in ancient times the guy likens

1848

01:15:23,290 --> 01:15:21,829

Ezekiel he fell on his knees and any and

1849

01:15:25,029 --> 01:15:23,300

he would couldn't look up at God I

1850

01:15:28,089 --> 01:15:25,039

looked the guy right in the face and I

1851

01:15:30,279 --> 01:15:28,099

said this is amazing I said this is

1852

01:15:32,169 --> 01:15:30,289

blowing me away I was so excited I

1853

01:15:33,790 --> 01:15:32,179

wasn't scared at all because I think

1854

01:15:36,060 --> 01:15:33,800

because I had seen everything pretty

1855

01:15:38,280 --> 01:15:36,070

much in the in the

1856

01:15:39,630 --> 01:15:38,290

in the NASA photo and I had talked to

1857

01:15:41,190 --> 01:15:39,640

ness and I had talked to all these other

1858

01:15:43,890 --> 01:15:41,200

people and I thought wait a minute this

1859

01:15:45,870 --> 01:15:43,900

is some kind of this is a real this is

1860

01:15:47,490 --> 01:15:45,880

something that's really happening so I

1861

01:15:50,850 --> 01:15:47,500

thought there's no reason to be afraid

1862

01:15:52,680 --> 01:15:50,860

so when it showed up I was so excited it

1863

01:15:54,750 --> 01:15:52,690

was like I was expecting it eventually

1864

01:15:56,820 --> 01:15:54,760

to show up but since then it has not

1865

01:15:59,040 --> 01:15:56,830

shown up and I have not heard any more

1866

01:16:02,370 --> 01:15:59,050

voices or heard any more voices coming

1867

01:16:05,010 --> 01:16:02,380

from the sky okay so let's go let's go

1868

01:16:08,580 --> 01:16:05,020

back to the the time she went down to

1869

01:16:11,340 --> 01:16:08,590

the river and you did call up to the the

1870

01:16:15,540 --> 01:16:11,350

Supreme Being or the God or whatever it

1871

01:16:17,010 --> 01:16:15,550

turns out to be and is you said Uriel

1872

01:16:20,310 --> 01:16:17,020

answered correct

1873

01:16:21,990 --> 01:16:20,320

no he spoke first and remember he's and

1874

01:16:24,870 --> 01:16:22,000

they want it yes and they were on a

1875

01:16:28,170 --> 01:16:24,880

crystal platform which I said to Ural I

1876

01:16:30,000 --> 01:16:28,180

said is this is this a holographic image

1877

01:16:31,800 --> 01:16:30,010

because it didn't look like it was real

1878

01:16:34,050 --> 01:16:31,810

it kind of looked like it was like a

1879

01:16:36,120 --> 01:16:34,060

being projected you know it's not like

1880

01:16:38,100 --> 01:16:36,130

right yeah that's what it looked like it

1881

01:16:40,920 --> 01:16:38,110

was it actually was going in and out

1882

01:16:42,870 --> 01:16:40,930

like their way way away from us like

1883

01:16:45,270 --> 01:16:42,880

they're like they had to put so so I

1884

01:16:47,520 --> 01:16:45,280

said are the crystals and are those

1885

01:16:49,680 --> 01:16:47,530

spinning wheels with the eyes is that so

1886

01:16:52,040 --> 01:16:49,690

I can see you is that you know in this

1887

01:16:54,540 --> 01:16:52,050

dimension he said yes he said yeah

1888

01:16:59,640 --> 01:16:54,550

pretty much I'm a I'm a pretty smart

1889

01:17:02,730 --> 01:16:59,650

talking monkey so anyway so glad I lost

1890

01:17:05,250 --> 01:17:02,740

my place well so let's let's go back to

1891

01:17:07,020 --> 01:17:05,260

the first 37 times did you have your

1892

01:17:09,600 --> 01:17:07,030

friends go with you and videotape you

1893

01:17:12,090 --> 01:17:09,610

during those times yes I did I say ever

1894

01:17:15,060 --> 01:17:12,100

pick up anything on their cell phones

1895

01:17:18,150 --> 01:17:15,070

did they pick up or did they what did he

1896

01:17:20,550 --> 01:17:18,160

get what happens is my one buddy he was

1897

01:17:23,040 --> 01:17:20,560

there and he filmed me and you can see

1898

01:17:24,810 --> 01:17:23,050

in the water is kind of a green it

1899

01:17:27,060 --> 01:17:24,820

almost looks like a green spirit thing

1900

01:17:29,250 --> 01:17:27,070

and it looks Egyptian at first it's just

1901

01:17:31,350 --> 01:17:29,260

like a little blob and and almost like

1902

01:17:33,210 --> 01:17:31,360

someone dropped some some paint into the

1903

01:17:36,300 --> 01:17:33,220

water and and it gets bigger and bigger

1904

01:17:38,940 --> 01:17:36,310

then it comes up my left side up onto my

1905

01:17:41,760 --> 01:17:38,950

shoulder and it actually looks like

1906

01:17:44,310 --> 01:17:41,770

Nefertiti it has like an Egyptian hat on

1907

01:17:48,330 --> 01:17:44,320

it and it's a woman and it's and it's on

1908

01:17:49,979 --> 01:17:48,340

my shoulders and because this thing is

1909

01:17:53,640 --> 01:17:49,989

six inches

1910

01:17:55,740 --> 01:17:53,650

no I'm gonna say it's probably maybe

1911

01:17:58,049 --> 01:17:55,750

four feet about four feet so it runs up

1912

01:18:00,660 --> 01:17:58,059

my side up onto my shoulders yeah it's

1913

01:18:03,689 --> 01:18:00,670

amazing it's totally amazing now but

1914

01:18:06,779 --> 01:18:03,699

yeah this is the very first time

1915

01:18:09,990 --> 01:18:06,789

or is it get bigger with each time you

1916

01:18:12,330 --> 01:18:10,000

do this it was only one time that it

1917

01:18:14,790 --> 01:18:12,340

showed up it was only one time do you

1918

01:18:17,549 --> 01:18:14,800

know what time it was the second third

1919

01:18:19,399 --> 01:18:17,559

fourth fifth but you know which one it

1920

01:18:22,649 --> 01:18:19,409

was probably like the twenty fourth time

1921

01:18:24,479 --> 01:18:22,659

okay okay so this is a few times before

1922

01:18:26,700 --> 01:18:24,489

the one where you actually made the

1923

01:18:29,189 --> 01:18:26,710

connection right exactly

1924

01:18:30,899 --> 01:18:29,199

okay so you had made a connection with a

1925

01:18:33,870 --> 01:18:30,909

spirit being or an other-dimensional

1926

01:18:35,850 --> 01:18:33,880

being that's about four feet tall that's

1927

01:18:38,419 --> 01:18:35,860

kind of greenish that is in the shape of

1928

01:18:41,520 --> 01:18:38,429

a woman that looks like Nefertiti

1929

01:18:43,350 --> 01:18:41,530

previous well no I mean I could you

1930

01:18:45,720 --> 01:18:43,360

can't see features but she was wearing

1931

01:18:48,839 --> 01:18:45,730

that kind of hat that you see or kiss

1932

01:18:51,270 --> 01:18:48,849

skullcap that nephron is wearing same

1933

01:18:54,270 --> 01:18:51,280

thing but not green it's all green it's

1934

01:18:57,930 --> 01:18:54,280

all green amazing it's more like kind of

1935

01:19:01,680 --> 01:18:57,940

a smoky kind of figure is what you're

1936

01:19:03,569 --> 01:19:01,690

saying yes yes but you can see you can

1937

01:19:06,750 --> 01:19:03,579

see it I mean like you can you can make

1938

01:19:09,479 --> 01:19:06,760

it out you can okay I also have to tell

1939

01:19:11,220 --> 01:19:09,489

you if anybody wants to google this what

1940

01:19:14,069 --> 01:19:11,230

happens after I found all this stuff and

1941

01:19:16,049 --> 01:19:14,079

there's a lot more to this a lot lot

1942

01:19:17,580 --> 01:19:16,059

well let's get into it well what

1943

01:19:20,279 --> 01:19:17,590

happened was was I actually went down

1944

01:19:24,450 --> 01:19:20,289

here there's a small newspaper here in

1945

01:19:28,200 --> 01:19:24,460

in a place called Florence Arizona and I

1946

01:19:30,180 --> 01:19:28,210

met with a reporter there and he I

1947

01:19:31,649 --> 01:19:30,190

showed him everything and it blew him

1948

01:19:34,470 --> 01:19:31,659

away says Gary I see this this is

1949

01:19:36,089 --> 01:19:34,480

amazing so he wrote a story and if

1950

01:19:38,399 --> 01:19:36,099

people can google it it's a couple years

1951

01:19:40,740 --> 01:19:38,409

old maybe a year and a half or eighteen

1952

01:19:43,649 --> 01:19:40,750

months old but it's actually Gary Parker

1953

01:19:45,600 --> 01:19:43,659

and the Garden of Eden and they can read

1954

01:19:49,140 --> 01:19:45,610

about how I found some of these things

1955

01:19:51,810 --> 01:19:49,150

what I said but naturally it's a small

1956

01:19:53,129 --> 01:19:51,820

small paper so I and plus when people

1957

01:19:55,859 --> 01:19:53,139

read it they think you're crazy

1958

01:19:57,540 --> 01:19:55,869

until I show them like if I sit with you

1959

01:19:59,640 --> 01:19:57,550

and I show you all this stuff and I show

1960

01:20:01,649 --> 01:19:59,650

you exactly where everything is you

1961

01:20:03,090 --> 01:20:01,659

would say Gary I see it it is a message

1962

01:20:05,070 --> 01:20:03,100

I totally get it

1963

01:20:07,260 --> 01:20:05,080

but I'm hoping that your listeners and

1964

01:20:08,940 --> 01:20:07,270

everybody will put this on on on

1965

01:20:11,100 --> 01:20:08,950

Facebook and do all that kind of stuff

1966

01:20:14,220 --> 01:20:11,110

so everybody will see what I'm showing

1967

01:20:16,800 --> 01:20:14,230

them right right well once you and I get

1968

01:20:18,270 --> 01:20:16,810

the photos up on my site or your site or

1969

01:20:21,630 --> 01:20:18,280

whatever we're gonna do here in the near

1970

01:20:23,400 --> 01:20:21,640

future outlined so people can see it

1971

01:20:25,920 --> 01:20:23,410

this is very interesting you're bringing

1972

01:20:27,360 --> 01:20:25,930

this up because I have a good friend

1973

01:20:31,110 --> 01:20:27,370

named Larry Rivera

1974

01:20:34,230 --> 01:20:31,120

who has done this type of thing for the

1975

01:20:36,780 --> 01:20:34,240

Lee Harvey Oswald non assassination of

1976

01:20:41,850 --> 01:20:36,790

JFK what he's done is he's taken the the

1977

01:20:44,730 --> 01:20:41,860

School Book Depository steps and we know

1978

01:20:46,860 --> 01:20:44,740

the Lee Harvey Oswald is standing on the

1979

01:20:49,530 --> 01:20:46,870

third step right there when the

1980

01:20:51,360 --> 01:20:49,540

president shot the limousine is driving

1981

01:20:54,000 --> 01:20:51,370

by and there was a picture taken called

1982

01:20:55,920 --> 01:20:54,010

the Elgin six picture and Lee Harvey

1983

01:20:57,510 --> 01:20:55,930

Oswald standing there we've known this

1984

01:20:59,940 --> 01:20:57,520

for years and we've been trying to get

1985

01:21:02,520 --> 01:20:59,950

it out to the community just recently we

1986

01:21:04,080 --> 01:21:02,530

were able to get ahold the software that

1987

01:21:08,130 --> 01:21:04,090

it's kind of like facial recognition

1988

01:21:10,920 --> 01:21:08,140

software that the alligator and we have

1989

01:21:12,330 --> 01:21:10,930

proven that it's Lee Harvey Oswald

1990

01:21:13,910 --> 01:21:12,340

standing there so he couldn't have

1991

01:21:16,770 --> 01:21:13,920

killed the president so we're trying

1992

01:21:18,630 --> 01:21:16,780

apart that whole thing but in the

1993

01:21:21,120 --> 01:21:18,640

meantime the reason I bring that up is

1994

01:21:23,430 --> 01:21:21,130

we can use some similar software and

1995

01:21:25,680 --> 01:21:23,440

what we could do is we could outline

1996

01:21:29,340 --> 01:21:25,690

what you're talking about and then take

1997

01:21:31,650 --> 01:21:29,350

a gif animation and slowly bring up what

1998

01:21:33,720 --> 01:21:31,660

you're talking about through three or

1999

01:21:36,180 --> 01:21:33,730

four slides and make it into like a

2000

01:21:37,740 --> 01:21:36,190

little gift movie okay that would that

2001
01:21:39,330 --> 01:21:37,750
would be great you know the one thing

2002
01:21:40,830 --> 01:21:39,340
though is I'm glad that we're talking

2003
01:21:43,140 --> 01:21:40,840
about this now and you're seeing it now

2004
01:21:44,880 --> 01:21:43,150
because what happens is if you do too

2005
01:21:47,790 --> 01:21:44,890
much CGI which is you know

2006
01:21:49,650 --> 01:21:47,800
computer-generated images what happens

2007
01:21:52,890 --> 01:21:49,660
is people say oh we you you you

2008
01:21:55,110 --> 01:21:52,900
Photoshop this you know is that's oh and

2009
01:21:58,380 --> 01:21:55,120
I said to all the academics and I said

2010
01:22:00,450 --> 01:21:58,390
to every pastor and rabbi and priest

2011
01:22:02,880 --> 01:22:00,460
that I met who refused to believe it I

2012
01:22:04,830 --> 01:22:02,890
said go to the ISIS because they all say

2013
01:22:07,140 --> 01:22:04,840

well you photoshopped it and I said go

2014

01:22:09,750 --> 01:22:07,150

to the NASA website look at it yourself

2015

01:22:12,300 --> 01:22:09,760

but they all refused to so all right

2016

01:22:14,100 --> 01:22:12,310

well of course they do because then

2017

01:22:15,660 --> 01:22:14,110

you're then you're telling the truth is

2018

01:22:16,840 --> 01:22:15,670

you see it you know then they've got to

2019

01:22:19,930 --> 01:22:16,850

either go down that path

2020

01:22:22,360 --> 01:22:19,940

with you or not you know right oh thanks

2021

01:22:23,770 --> 01:22:22,370

thanks for the honest once though you

2022

01:22:26,080 --> 01:22:23,780

know the ones that yeah I can't without

2023

01:22:26,710 --> 01:22:26,090

because if I do you know I'm gonna lose

2024

01:22:28,630 --> 01:22:26,720

my job

2025

01:22:30,640 --> 01:22:28,640

that's pretty much for Santi but I

2026

01:22:33,040 --> 01:22:30,650

totally understand also that when I show

2027

01:22:34,900 --> 01:22:33,050

up at your office and at anybody's

2028

01:22:38,530 --> 01:22:34,910

office and I show them this it's like a

2029

01:22:42,580 --> 01:22:38,540

tsunami of information in a 45-minute

2030

01:22:45,450 --> 01:22:42,590

span it's too much it's like I can't

2031

01:22:47,500 --> 01:22:45,460

believe it it's just too much and so I

2032

01:22:48,280 --> 01:22:47,510

understand why they said Gary you got to

2033

01:22:50,230 --> 01:22:48,290

get out of my office

2034

01:22:52,600 --> 01:22:50,240

I totally understand and why it also

2035

01:22:53,830 --> 01:22:52,610

frightens them but because it is going

2036

01:22:55,450 --> 01:22:53,840

to be a little frightening when it shows

2037

01:22:57,070 --> 01:22:55,460

up it's going to be very frightening

2038

01:22:59,440 --> 01:22:57,080

because we're not used to it but

2039

01:23:02,020 --> 01:22:59,450

hopefully we have almost a little under

2040

01:23:05,410 --> 01:23:02,030

five years to warn everybody so when it

2041

01:23:09,760 --> 01:23:05,420

does show up people won't freak out and

2042

01:23:12,160 --> 01:23:09,770

jump out of buildings or do you think

2043

01:23:14,080 --> 01:23:12,170

that now okay well I got so many

2044

01:23:16,510 --> 01:23:14,090

questions now I'm like burning up here

2045

01:23:19,300 --> 01:23:16,520

okay we are going to take a break in at

2046

01:23:20,710 --> 01:23:19,310

the bottom of the hour so I skip the top

2047

01:23:26,020 --> 01:23:20,720

at the hour one because we're having too

2048

01:23:30,040 --> 01:23:26,030

much fun so but here's my question my

2049

01:23:32,020 --> 01:23:30,050

first question how religious are these

2050

01:23:35,890 --> 01:23:32,030

other dimensional beings and are they

2051

01:23:38,290 --> 01:23:35,900

truly the angel Uriel and are they from

2052

01:23:42,100 --> 01:23:38,300

the Old Testament stories or are these

2053

01:23:44,680 --> 01:23:42,110

another group may be using that as a way

2054

01:23:47,020 --> 01:23:44,690

to get to you to explain themselves I

2055

01:23:48,700 --> 01:23:47,030

mean how do I know they're for real well

2056

01:23:50,680 --> 01:23:48,710

that's a very good question that's a

2057

01:23:52,810 --> 01:23:50,690

very good question in my opinion because

2058

01:23:55,930 --> 01:23:52,820

I don't know I mean to me it seems real

2059

01:24:00,270 --> 01:23:55,940

it all has to do with Old Testament the

2060

01:24:04,870 --> 01:24:00,280

Torah it has to do with with eschatology

2061

01:24:06,370 --> 01:24:04,880

prophecy they about them returning I

2062

01:24:07,840 --> 01:24:06,380

know a lot of people who are Christians

2063

01:24:10,660 --> 01:24:07,850

and stuff like that they they call it

2064

01:24:12,040 --> 01:24:10,670

the second coming this being an old and

2065

01:24:13,660 --> 01:24:12,050

and Uriel and all the others they've

2066

01:24:15,610 --> 01:24:13,670

been here a lot more times than two

2067

01:24:22,570 --> 01:24:15,620

times this is you know they've been here

2068

01:24:24,340 --> 01:24:22,580

a lot of times so so did they tell you

2069

01:24:27,630 --> 01:24:24,350

they've been here many times and did

2070

01:24:30,730 --> 01:24:27,640

they say who they were when they came uh

2071

01:24:31,090 --> 01:24:30,740

that's a really good question no they

2072

01:24:33,910 --> 01:24:31,100

did not

2073

01:24:36,820 --> 01:24:33,920

tell me but but throughout history if

2074

01:24:38,620 --> 01:24:36,830

you if if you know the biblical stories

2075

01:24:40,540 --> 01:24:38,630

and the tourist stories you know when

2076

01:24:42,160 --> 01:24:40,550

God showed up it always seems like it's

2077

01:24:44,920 --> 01:24:42,170

been every two thousand years and

2078

01:24:47,920 --> 01:24:44,930

everything is on a timer and when I say

2079

01:24:50,110 --> 01:24:47,930

everything is on a timer we're talking

2080

01:24:52,450 --> 01:24:50,120

about the timer for mankind and the

2081

01:24:55,270 --> 01:24:52,460

timer for Earth is the Great Pyramid

2082

01:24:57,760 --> 01:24:55,280

it's actually a machine it still works

2083

01:25:02,890 --> 01:24:57,770

and I know how to turn it on because in

2084

01:25:04,900 --> 01:25:02,900

every way you threw something at me that

2085

01:25:08,230 --> 01:25:04,910

wasn't even part of this whole hour and

2086

01:25:11,110 --> 01:25:08,240

a half but there so I'm telling you of

2087

01:25:12,310 --> 01:25:11,120

Lauren there's not enough time for me to

2088

01:25:14,500 --> 01:25:12,320

show everything to show you everything

2089

01:25:16,240 --> 01:25:14,510

we take hours and hours yeah I

2090

01:25:17,440 --> 01:25:16,250

understand but we're gonna try to get

2091

01:25:18,820 --> 01:25:17,450

through as much as we can tonight

2092

01:25:21,340 --> 01:25:18,830

because I'm just so fascinating about

2093

01:25:23,290 --> 01:25:21,350

this it's blow my mind okay so let's go

2094

01:25:26,860 --> 01:25:23,300

back to the the look in the feel of

2095

01:25:31,030 --> 01:25:26,870

these other dimensional beings do you

2096

01:25:33,700 --> 01:25:31,040

think that they are the the hierarchy of

2097

01:25:35,470 --> 01:25:33,710

the other the greys the reptilians the

2098

01:25:37,420 --> 01:25:35,480

other things and everybody else has seen

2099

01:25:40,540 --> 01:25:37,430

do you think that they even are aware of

2100

01:25:42,670 --> 01:25:40,550

these other alien type forces that come

2101
01:25:45,880 --> 01:25:42,680
and visit our planet and are actually in

2102
01:25:48,520 --> 01:25:45,890
the process of controlling our populace

2103
01:25:52,120 --> 01:25:48,530
because these things the other guys are

2104
01:25:53,770 --> 01:25:52,130
pretty active with us I don't you know

2105
01:25:58,150 --> 01:25:53,780
what to say the truth one I don't know

2106
01:26:00,430 --> 01:25:58,160
anything about that at all okay the

2107
01:26:03,160 --> 01:26:00,440
information about know there are these

2108
01:26:04,480 --> 01:26:03,170
humans these beings and in the photo

2109
01:26:09,010 --> 01:26:04,490
you'll be able to see it they're the

2110
01:26:12,880 --> 01:26:09,020
ones who created us okay so these are

2111
01:26:15,730 --> 01:26:12,890
the guys that created us what did they

2112
01:26:19,720 --> 01:26:15,740
give them self anything any hint to you

2113
01:26:22,870 --> 01:26:19,730

that they might be the Annunaki yeah you

2114

01:26:25,030 --> 01:26:22,880

know what I love chickens and I love von

2115

01:26:27,970 --> 01:26:25,040

däniken I think those guys are awesome

2116

01:26:28,270 --> 01:26:27,980

and possibly but they didn't tell me

2117

01:26:31,600 --> 01:26:28,280

that

2118

01:26:35,320 --> 01:26:31,610

what they're called

2119

01:26:38,620 --> 01:26:35,330

I mean I only IVA and L you know so so

2120

01:26:40,930 --> 01:26:38,630

and I call your Uriel I think I only

2121

01:26:42,160 --> 01:26:40,940

know him by that I don't know and I

2122

01:26:42,820 --> 01:26:42,170

never asked him are you guys the

2123

01:26:44,229 --> 01:26:42,830

Anunnaki

2124

01:26:46,540 --> 01:26:44,239

I never asked on that night

2125

01:26:48,489 --> 01:26:46,550

these are in the photo and I can show

2126

01:26:49,899 --> 01:26:48,499

you exactly where it is what hopefully

2127

01:26:53,799 --> 01:26:49,909

one day I get to meet you and we'll sit

2128

01:26:56,979 --> 01:26:53,809

together in the photo is actually it

2129

01:26:59,770 --> 01:26:56,989

actually shows how mankind evolved and

2130

01:27:02,439 --> 01:26:59,780

then they came along they added their

2131

01:27:08,680 --> 01:27:02,449

DNA and the furnace of creation is in

2132

01:27:10,569 --> 01:27:08,690

this photo really oh yeah oh yeah okay

2133

01:27:12,489 --> 01:27:10,579

it's amazing amazing there's five

2134

01:27:19,120 --> 01:27:12,499

there's four levels to this thing it's

2135

01:27:21,459 --> 01:27:19,130

it's insane so let's see keep going back

2136

01:27:23,169 --> 01:27:21,469

to your encounter with them because I'm

2137

01:27:24,850 --> 01:27:23,179

finding that really fascinating so

2138

01:27:28,239 --> 01:27:24,860

you're describing the same thing that

2139

01:27:31,299 --> 01:27:28,249

Ezekiel saw from the Old Testament with

2140

01:27:31,870 --> 01:27:31,309

two less with he saw four angels I only

2141

01:27:39,069 --> 01:27:31,880

saw two

2142

01:27:41,140 --> 01:27:39,079

and I saw the the the platform that was

2143

01:27:43,540 --> 01:27:41,150

made out of crystals and then I solved

2144

01:27:48,009 --> 01:27:43,550

the the head being which we'll call Alba

2145

01:27:49,569 --> 01:27:48,019

or El standing there and he and and he

2146

01:27:52,390 --> 01:27:49,579

was alien he had an alien face but

2147

01:27:54,549 --> 01:27:52,400

inside his face were all human faces but

2148

01:27:56,770 --> 01:27:54,559

the faces the human faces were men and

2149

01:27:59,470 --> 01:27:56,780

women they weren't just men men and

2150

01:28:02,620 --> 01:27:59,480

women they all looked like from ancient

2151

01:28:04,680 --> 01:28:02,630

times okay interesting when I think

2152

01:28:08,620 --> 01:28:04,690

sometimes I'm talking about prophets

2153

01:28:10,120 --> 01:28:08,630

right very interesting okay do you think

2154

01:28:12,069 --> 01:28:10,130

you know I miss the throw I'm gonna

2155

01:28:12,640 --> 01:28:12,079

project this out to you as something to

2156

01:28:15,669 --> 01:28:12,650

think about

2157

01:28:22,810 --> 01:28:15,679

oh yeah okay you know what we're gonna

2158

01:28:24,970 --> 01:28:22,820

skip the break sorry guys sorry all our

2159

01:28:27,160 --> 01:28:24,980

advertisers but this is important stuff

2160

01:28:29,140 --> 01:28:27,170

know if you need if you need for

2161

01:28:31,000 --> 01:28:29,150

advertisers to break we can bro no no

2162

01:28:33,189 --> 01:28:31,010

it's okay it's a MUFON ad and I did a

2163

01:28:36,160 --> 01:28:33,199

big long wooden form tonight so we're

2164

01:28:38,410 --> 01:28:36,170

good okay so let me ask

2165

01:28:42,040 --> 01:28:38,420

so you're seeing profits within this

2166

01:28:45,489 --> 01:28:42,050

this alien this ailing in whatever gods

2167

01:28:48,250 --> 01:28:45,499

face I'm I need to know what his

2168

01:28:50,560 --> 01:28:48,260

original face looked like the sands the

2169

01:28:53,229 --> 01:28:50,570

the human faces within it can you

2170

01:28:55,029 --> 01:28:53,239

describe it to us yes as a matter of

2171

01:28:57,700 --> 01:28:55,039

fact I actually drew you a picture that

2172

01:28:59,560 --> 01:28:57,710

I sent you I

2173

01:29:01,810 --> 01:28:59,570

I emailed you and you'll see there's an

2174

01:29:05,230 --> 01:29:01,820

alien face and it's actually his profile

2175

01:29:07,360 --> 01:29:05,240

you'll see his face and and that's what

2176

01:29:10,390 --> 01:29:07,370

he look like do you have it on your uh

2177

01:29:13,630 --> 01:29:10,400

I'm trying to find it a separate email

2178

01:29:15,430 --> 01:29:13,640

than the pyramid features and it could

2179

01:29:16,660 --> 01:29:15,440

it could have been yes I actually drew

2180

01:29:19,690 --> 01:29:16,670

his picture my can send it to you again

2181

01:29:23,380 --> 01:29:19,700

no problem but I drew his picture and he

2182

01:29:25,810 --> 01:29:23,390

he's a classic he's a classic like I

2183

01:29:28,270 --> 01:29:25,820

don't see the email I haven't gotten it

2184

01:29:30,670 --> 01:29:28,280

from you that I know of so okay go ahead

2185

01:29:33,220 --> 01:29:30,680

well Ross tribe I'll resend it but as

2186

01:29:36,460 --> 01:29:33,230

you look at this profile they're like

2187

01:29:39,040 --> 01:29:36,470

the beak the big head and then he has

2188

01:29:43,030 --> 01:29:39,050

the chin and he has a little nose and he

2189

01:29:44,950 --> 01:29:43,040

looks he has like a almost like kind of

2190

01:29:46,960 --> 01:29:44,960

like a human face with the eyes and

2191

01:29:50,440 --> 01:29:46,970

stuff but he's he's a hundred percent

2192

01:29:54,780 --> 01:29:50,450

human but a hundred I mean human he's

2193

01:29:58,330 --> 01:29:54,790

100% alien and and but when I say alien

2194

01:30:00,820 --> 01:29:58,340

he's he's he's millions of years more

2195

01:30:03,370 --> 01:30:00,830

evolved than we are okay and he will

2196

01:30:08,320 --> 01:30:03,380

they were like us millions of years ago

2197

01:30:12,100 --> 01:30:08,330

so we're not involved into this yes okay

2198

01:30:17,050 --> 01:30:12,110

so did he have a regular shoulders and a

2199

01:30:19,360 --> 01:30:17,060

regular chest and yes yes as a matter of

2200

01:30:21,010 --> 01:30:19,370

fact very good question he had big

2201

01:30:23,500 --> 01:30:21,020

shoulders big chest

2202

01:30:26,560 --> 01:30:23,510

he actually was wearing a kind of like a

2203

01:30:28,930 --> 01:30:26,570

plate like when the ancient when the

2204

01:30:30,970 --> 01:30:28,940

ancient Hebrews were Israelites we're

2205

01:30:32,620 --> 01:30:30,980

going to the Ark of the Covenant to see

2206

01:30:34,540 --> 01:30:32,630

the articles coming in the temple they

2207

01:30:35,620 --> 01:30:34,550

would have to wear a breastplate and I

2208

01:30:37,060 --> 01:30:35,630

can't remember what it was called but it

2209

01:30:41,380 --> 01:30:37,070

was different colors he was wearing one

2210

01:30:43,960 --> 01:30:41,390

of that's right yes and you know I

2211

01:30:45,940 --> 01:30:43,970

figured out why they had to wear it I

2212

01:30:49,300 --> 01:30:45,950

wonder if you've got this information

2213

01:30:51,850 --> 01:30:49,310

from him I figured out that they had to

2214

01:30:54,790 --> 01:30:51,860
wear it to dispelled the electrical

2215

01:30:57,280 --> 01:30:54,800
charges that were happening on the ark

2216

01:31:01,660 --> 01:30:57,290
it was I can round him broad but on

2217

01:31:04,180 --> 01:31:01,670
their body right Raiders have lost our

2218

01:31:07,240 --> 01:31:04,190
same thing I totally agree with you yeah

2219

01:31:11,590 --> 01:31:07,250
yes yeah but he also wore a kind of a

2220

01:31:13,780 --> 01:31:11,600
reddish yellowish red coat that one from

2221

01:31:15,340 --> 01:31:13,790
but all the way to the floor so I could

2222

01:31:17,260 --> 01:31:15,350
barely see his feet the feet didn't look

2223

01:31:19,030 --> 01:31:17,270
like human feet but they were kinda like

2224

01:31:21,250 --> 01:31:19,040
they were they were plus they kind of

2225

01:31:22,660 --> 01:31:21,260
like they kind of melt it into the

2226

01:31:24,310 --> 01:31:22,670

crystals it was almost like he was

2227

01:31:26,490 --> 01:31:24,320

coming out of that and remember like I

2228

01:31:30,220 --> 01:31:26,500

said it wasn't they didn't look like

2229

01:31:31,960 --> 01:31:30,230

like flesh and bone they were kind of

2230

01:31:34,870 --> 01:31:31,970

like on fire they were kind of like

2231

01:31:36,700 --> 01:31:34,880

bright sheet metal but the thing was was

2232

01:31:39,430 --> 01:31:36,710

they didn't and they also it looked like

2233

01:31:41,200 --> 01:31:39,440

like a holographic image it didn't look

2234

01:31:43,780 --> 01:31:41,210

like it was like I could go up and stand

2235

01:31:49,300 --> 01:31:43,790

on the pedestal with him so it look like

2236

01:31:52,840 --> 01:31:49,310

a holographic image yes projected

2237

01:31:56,170 --> 01:31:52,850

through that that that places in our

2238

01:31:59,110 --> 01:31:56,180

time-space that's right into in front of

2239

01:32:02,350 --> 01:31:59,120

you with a three-dimensional look to it

2240

01:32:05,700 --> 01:32:02,360

so if you had walked behind it it might

2241

01:32:08,230 --> 01:32:05,710

have been flat is what you're telling us

2242

01:32:10,480 --> 01:32:08,240

you're listening to love advice with

2243

01:32:12,370 --> 01:32:10,490

Leanne caller you're on the air

2244

01:32:15,160 --> 01:32:12,380

hi Leanne longtime listener first-time

2245

01:32:17,500 --> 01:32:15,170

caller why in your professional opinion

2246

01:32:20,710 --> 01:32:17,510

do you never take my calls off the air

2247

01:32:22,030 --> 01:32:20,720

is this carleeee yep it's Carl I mean we

2248

01:32:25,990 --> 01:32:22,040

had a few dates everything was great I

2249

01:32:27,880 --> 01:32:26,000

thought well you know when you switch to

2250

01:32:28,690 --> 01:32:27,890

Geico you could save a lot of money on

2251

01:32:31,390 --> 01:32:28,700

car insurance

2252

01:32:33,970 --> 01:32:31,400

okay awesome you should call them I will

2253

01:32:37,120 --> 01:32:33,980

Geico because saving 15% or more on car

2254

01:32:38,260 --> 01:32:37,130

insurance is always a great answer yes

2255

01:32:40,480 --> 01:32:38,270

something like that

2256

01:32:42,430 --> 01:32:40,490

plus I was in the water and they were

2257

01:32:44,200 --> 01:32:42,440

hovering over the water and they were

2258

01:32:46,420 --> 01:32:44,210

proud of who it was it was like I'm

2259

01:32:48,460 --> 01:32:46,430

gonna say Uriel was probably I'm gonna

2260

01:32:53,500 --> 01:32:48,470

say between 15 and 20 feet tall

2261

01:32:55,120 --> 01:32:53,510

the man guy yet the L or Alba was he was

2262

01:32:59,650 --> 01:32:55,130

even bigger he was you they were huge

2263

01:33:01,420 --> 01:32:59,660

and here he is is I'm where I go to the

2264

01:33:03,220 --> 01:33:01,430

river down here at the Gila River it's

2265

01:33:04,780 --> 01:33:03,230

probably maybe five or seven hundred

2266

01:33:06,880 --> 01:33:04,790

yards off the road

2267

01:33:08,530 --> 01:33:06,890

so no one could ever see it so I was

2268

01:33:11,980 --> 01:33:08,540

wondering I wonder if anybody sees this

2269

01:33:14,680 --> 01:33:11,990

you know I mean so yeah that was I asked

2270

01:33:16,720 --> 01:33:14,690

him I I said can anybody else see this

2271

01:33:18,730 --> 01:33:16,730

and they told me no no one else will be

2272

01:33:20,710 --> 01:33:18,740

able to see it or hear it and I said

2273

01:33:22,630 --> 01:33:20,720

well that's not good for me I said I I

2274

01:33:24,069 --> 01:33:22,640

need some help with this is everybody

2275

01:33:26,260 --> 01:33:24,079

shooting me down and they

2276

01:33:28,720 --> 01:33:26,270

you know this is your job do you do what

2277

01:33:31,000 --> 01:33:28,730

we tell you do pretty much so you know

2278

01:33:32,950 --> 01:33:31,010

what I got that same message

2279

01:33:35,830 --> 01:33:32,960

you know they kicked me back they took

2280

01:33:37,569 --> 01:33:35,840

me to this place of the amazing light

2281

01:33:39,430 --> 01:33:37,579

and love that that's the only way I can

2282

01:33:42,120 --> 01:33:39,440

describe it which is going to my next

2283

01:33:44,680 --> 01:33:42,130

place I want to ask you questions about

2284

01:33:46,569 --> 01:33:44,690

they when they kicked me back they said

2285

01:33:48,580 --> 01:33:46,579

you've got work to do and we gave you a

2286

01:33:50,649 --> 01:33:48,590

vacation so here now it's all gonna come

2287

01:33:52,209 --> 01:33:50,659

unto you like you know you're never

2288

01:33:53,379 --> 01:33:52,219

gonna you're not gonna be able to do

2289

01:33:56,770 --> 01:33:53,389

anything else the rest of your life

2290

01:33:59,080 --> 01:33:56,780

basically so it's a full-time job now so

2291

01:34:00,160 --> 01:33:59,090

you know anyhow I I get that feeling

2292

01:34:02,950 --> 01:34:00,170

because it's like you don't have a

2293

01:34:04,689 --> 01:34:02,960

choice it's like it just suddenly now

2294

01:34:07,120 --> 01:34:04,699

you're on a mission from God basically

2295

01:34:10,540 --> 01:34:07,130

like in The Blues Brothers and I don't

2296

01:34:12,580 --> 01:34:10,550

get out of it you know right it's I

2297

01:34:14,109 --> 01:34:12,590

can't explain it to anybody unless

2298

01:34:17,069 --> 01:34:14,119

they've had it happen to them and

2299

01:34:19,419 --> 01:34:17,079

finally I found a compadre and this you

2300

01:34:22,270 --> 01:34:19,429

well you know the whole thing that when

2301

01:34:24,459 --> 01:34:22,280

it all first started out in my mind was

2302

01:34:26,049 --> 01:34:24,469

when I first started to think about

2303

01:34:27,430 --> 01:34:26,059

world peace and I thought about

2304

01:34:29,729 --> 01:34:27,440

restoring the Great Pyramid in the

2305

01:34:32,109 --> 01:34:29,739

Sphinx it kind of all tied together and

2306

01:34:34,000 --> 01:34:32,119

somebody had said to me well Gary does

2307

01:34:36,040 --> 01:34:34,010

it feel evil to you and I said no it

2308

01:34:39,490 --> 01:34:36,050

feels the complete opposite it feels

2309

01:34:42,129 --> 01:34:39,500

like like a father to their to their

2310

01:34:44,200 --> 01:34:42,139

sons if they get along and it feels

2311

01:34:46,870 --> 01:34:44,210

really warm and friendly and nice and

2312

01:34:50,169 --> 01:34:46,880

like like anything's possible be good

2313

01:34:51,580 --> 01:34:50,179

but no matter how it feels to me when it

2314

01:34:53,649 --> 01:34:51,590

shows up it's going to be terrifying

2315

01:34:55,689 --> 01:34:53,659

because you know hopefully like I said

2316

01:34:57,879 --> 01:34:55,699

because no one in the world has ever

2317

01:35:01,180 --> 01:34:57,889

seen it before so hopefully people

2318

01:35:02,859 --> 01:35:01,190

seeing these images on the NASA photo

2319

01:35:04,600 --> 01:35:02,869

and when they like I said eventually

2320

01:35:06,490 --> 01:35:04,610

when you and I get together and we can

2321

01:35:08,530 --> 01:35:06,500

maybe make some of the images come out

2322

01:35:10,569 --> 01:35:08,540

even more people will be less afraid

2323

01:35:13,149 --> 01:35:10,579

and they'll say and they'll be looking

2324

01:35:15,609 --> 01:35:13,159

forward to it showing up well I got a

2325

01:35:17,649 --> 01:35:15,619

feeling that you're probably in the

2326

01:35:19,959 --> 01:35:17,659

right community trying to get this out

2327

01:35:21,850 --> 01:35:19,969

and it understood is what it what's

2328

01:35:23,979 --> 01:35:21,860

happened to you because I think you're

2329

01:35:27,640 --> 01:35:23,989

gonna be pleasantly surprised to find

2330

01:35:29,979 --> 01:35:27,650

that like a good 85% of the contactees

2331

01:35:31,990 --> 01:35:29,989

there is a small percentage that are

2332

01:35:33,879 --> 01:35:32,000

very adamant that they're their critters

2333

01:35:37,689 --> 01:35:33,889

are the only critters out there I call

2334

01:35:39,879 --> 01:35:37,699

them and there's a huge

2335

01:35:42,819 --> 01:35:39,889

engine see of people that believe there

2336

01:35:46,330 --> 01:35:42,829

are very higher dimensional beings

2337

01:35:48,580 --> 01:35:46,340

including God and angels that are part

2338

01:35:50,859 --> 01:35:48,590

of the alien scheme of things because

2339

01:35:53,109 --> 01:35:50,869

really that's what they are they're just

2340

01:35:55,660 --> 01:35:53,119

other dimensional beings as compared to

2341

01:35:58,390 --> 01:35:55,670

you know us and yes they are our

2342

01:36:01,330 --> 01:35:58,400

creators and yes they did see this and

2343

01:36:03,969 --> 01:36:01,340

they make us and but they're at a very

2344

01:36:06,189 --> 01:36:03,979

high vibration they're not even at the

2345

01:36:09,129 --> 01:36:06,199

solid vibration of the reptilians or the

2346

01:36:11,319 --> 01:36:09,139

grays and the Nordics and you know all

2347

01:36:13,089 --> 01:36:11,329

the other breed of cat of alien that

2348

01:36:17,350 --> 01:36:13,099

we've got visiting our planet in

2349

01:36:20,410 --> 01:36:17,360

communion with our people here so we how

2350

01:36:21,669 --> 01:36:20,420

glad I want to tell you and the

2351

01:36:23,739 --> 01:36:21,679

listeners too you know we're talking

2352

01:36:27,069 --> 01:36:23,749

about the great pyramid everything on

2353

01:36:30,069 --> 01:36:27,079

our planet and and for mankind it began

2354

01:36:32,830 --> 01:36:30,079

it ends and it begins again in Egypt

2355

01:36:34,779 --> 01:36:32,840

okay so and and like I said if they

2356

01:36:36,669 --> 01:36:34,789

examine this photo they'll understand

2357

01:36:38,319 --> 01:36:36,679

now the great Pierre because a lot of

2358

01:36:40,209 --> 01:36:38,329

people who said to me well Gary how are

2359

01:36:42,850 --> 01:36:40,219

these images that are in the sand around

2360

01:36:44,620 --> 01:36:42,860

Egypt are they still there like when did

2361

01:36:47,560 --> 01:36:44,630

they start when did it when did they

2362

01:36:49,390 --> 01:36:47,570

show up okay like the letters I and and

2363

01:36:55,029 --> 01:36:49,400

Uriel and all that what what happened

2364

01:36:57,310 --> 01:36:55,039

was was the great the Great Pyramid it

2365

01:36:59,560 --> 01:36:57,320

works on that it's not only solar but it

2366

01:37:01,989 --> 01:36:59,570

also works on vibrations so it made

2367

01:37:05,649 --> 01:37:01,999

these it made all these images actually

2368

01:37:07,299 --> 01:37:05,659

in the sand and it uses the sunlight so

2369

01:37:09,339 --> 01:37:07,309

they'll appear and by tilting your

2370

01:37:11,500 --> 01:37:09,349

laptop that's how you'll get to see all

2371

01:37:13,959 --> 01:37:11,510

the levels in the images and you know I

2372

01:37:19,209 --> 01:37:13,969

say well Gary how did it create it with

2373

01:37:23,379 --> 01:37:19,219

vibration well what I did was I I went

2374

01:37:26,350 --> 01:37:23,389

back to 1999 and I pulled up I pulled up

2375

01:37:28,209 --> 01:37:26,360

all the if the Egyptian Road department

2376

01:37:29,770 --> 01:37:28,219

has pictures from their satellite

2377

01:37:32,560 --> 01:37:29,780

whenever they do road work on the Giza

2378

01:37:35,919 --> 01:37:32,570

Plateau were in Cairo so I went back

2379

01:37:37,479 --> 01:37:35,929

13th to 1999 so I started looking at the

2380

01:37:39,729 --> 01:37:37,489

photos to see if I could see any of the

2381

01:37:41,620 --> 01:37:39,739

images like Uriel and the letters and

2382

01:37:43,149 --> 01:37:41,630

everything well I couldn't see them so I

2383

01:37:46,209 --> 01:37:43,159

looked six more months later and all of

2384

01:37:47,859 --> 01:37:46,219

a sudden I noticed that that the writing

2385

01:37:48,520 --> 01:37:47,869

and stuff was all the way at the top of

2386

01:37:52,060 --> 01:37:48,530

the screen

2387

01:37:53,380 --> 01:37:52,070

it wasn't beside the Great Pyramid so I

2388

01:37:55,480 --> 01:37:53,390

every six months I pulled up the

2389

01:37:57,400 --> 01:37:55,490

satellite image and the letter started

2390

01:37:59,530 --> 01:37:57,410

moving closer and closer and closer so

2391

01:38:03,480 --> 01:37:59,540

like an old cartoon if you flicked all

2392

01:38:06,460 --> 01:38:03,490

the pages from 1999 every six months to

2393

01:38:10,450 --> 01:38:06,470

2012 the letters and all the images were

2394

01:38:15,370 --> 01:38:10,460

being built and they ended up on at 7:21

2395

01:38:18,130 --> 01:38:15,380

a.m. July 26 2012 it was all right there

2396

01:38:20,830 --> 01:38:18,140

perfect it was like these beings knew

2397

01:38:23,950 --> 01:38:20,840

exactly when to take this photo that

2398

01:38:25,330 --> 01:38:23,960

when the photo was going to be shot well

2399

01:38:26,800 --> 01:38:25,340

of course they did because there other

2400

01:38:28,840 --> 01:38:26,810

conventional thinking they know

2401

01:38:31,930 --> 01:38:28,850

everything as it's happening in their

2402

01:38:34,150 --> 01:38:31,940

time-space we know now I'm gonna throw

2403

01:38:38,010 --> 01:38:34,160

this at ya because I'm a big time travel

2404

01:38:40,420 --> 01:38:38,020

buff yeah I think that these things are

2405

01:38:42,760 --> 01:38:40,430

pre-planned in other dimensions to

2406

01:38:45,310 --> 01:38:42,770

happen at certain times here to awaken

2407

01:38:47,290 --> 01:38:45,320

certain people certain things okay let

2408

01:38:49,030 --> 01:38:47,300

me add it yeah go ahead

2409

01:38:51,370 --> 01:38:49,040

let me just say this I understand what

2410

01:38:53,530 --> 01:38:51,380

you're saying but let me tell you this

2411

01:38:57,070 --> 01:38:53,540

these but what if you remember I told

2412

01:38:59,290 --> 01:38:57,080

you what what the the profile of the

2413

01:39:02,020 --> 01:38:59,300

alien the big profile he's looking at

2414

01:39:04,360 --> 01:39:02,030

the Cygnus constellation correct right

2415

01:39:06,880 --> 01:39:04,370

right where they intersect okay if you

2416

01:39:08,920 --> 01:39:06,890

tilt your screen like a couple inches up

2417

01:39:10,840 --> 01:39:08,930

and and some of the lights go out what

2418

01:39:13,500 --> 01:39:10,850

it does is it shows the constellation

2419

01:39:17,140 --> 01:39:13,510

cygnus but it also shows other

2420

01:39:20,530 --> 01:39:17,150

constellations in all over you know in

2421

01:39:22,780 --> 01:39:20,540

other universes this beam has thousands

2422

01:39:24,910 --> 01:39:22,790

of planets just like ours and different

2423

01:39:27,580 --> 01:39:24,920

in different in different times of

2424

01:39:29,500 --> 01:39:27,590

evolution they have thousands of planets

2425

01:39:31,090 --> 01:39:29,510

and they manage thousands of planets and

2426

01:39:33,970 --> 01:39:31,100

all in these planets right one has a

2427

01:39:35,590 --> 01:39:33,980

great pyramid okay they know from doing

2428

01:39:37,690 --> 01:39:35,600

this for so many times with our

2429

01:39:40,180 --> 01:39:37,700

evolution they knew that we would have a

2430

01:39:42,760 --> 01:39:40,190

NASA program that someone would be going

2431

01:39:45,040 --> 01:39:42,770

over there that they could have the have

2432

01:39:46,810 --> 01:39:45,050

the pyramid vibrate make these images

2433

01:39:49,180 --> 01:39:46,820

and they knew because they have done it

2434

01:39:51,460 --> 01:39:49,190

thousands of other times that it would

2435

01:39:54,190 --> 01:39:51,470

this picture would be taken so it was so

2436

01:39:57,580 --> 01:39:54,200

so so they can't go back in time and

2437

01:39:59,740 --> 01:39:57,590

make their linear but they have done it

2438

01:40:03,670 --> 01:39:59,750

so many times they knew how we we about

2439

01:40:05,579 --> 01:40:03,680

how we would evolve now how I think that

2440

01:40:08,279 --> 01:40:05,589

the vibration of me Stan

2441

01:40:10,409 --> 01:40:08,289

water I think it was the Great Pyramid

2442

01:40:14,579 --> 01:40:10,419

that sent me the message that night to

2443

01:40:16,290 --> 01:40:14,589

to to to look at the NASA photo and find

2444

01:40:18,149 --> 01:40:16,300

these things so I think everything is

2445

01:40:20,909 --> 01:40:18,159

connected to the to the Great Pyramid

2446

01:40:23,609 --> 01:40:20,919

and also the water that I was standing

2447

01:40:26,129 --> 01:40:23,619

in if you draw a circle from the Great

2448

01:40:27,569 --> 01:40:26,139

Pyramid all around the world all the way

2449

01:40:31,369 --> 01:40:27,579

around the world of latitude and

2450

01:40:33,000 --> 01:40:31,379

longitude it crosses this Gila River oh

2451

01:40:36,169 --> 01:40:33,010

you're kidding

2452

01:40:39,270 --> 01:40:36,179

oh that's really cool so it's like a

2453

01:40:41,819 --> 01:40:39,280

like a ley line it's like a connection

2454

01:40:43,859 --> 01:40:41,829

no but I but I think I'm a couple meters

2455

01:40:45,899 --> 01:40:43,869

off but I think the river eventually

2456

01:40:49,169 --> 01:40:45,909

hits one of the lines now I'm not an

2457

01:40:51,449 --> 01:40:49,179

astronomer I'm a real-estate guy but but

2458

01:40:54,569 --> 01:40:51,459

I naturally you can tell I've done a lot

2459

01:40:57,449 --> 01:40:54,579

of work on this stuff and so yes it all

2460

01:40:58,649 --> 01:40:57,459

kind of comes together and it all has to

2461

01:41:01,049 --> 01:40:58,659

do with the Great Pyramid

2462

01:41:04,109 --> 01:41:01,059

it really does now if I can if I can

2463

01:41:05,849 --> 01:41:04,119

tell you did you need to say anything no

2464

01:41:07,409 --> 01:41:05,859

well I've got about five more questions

2465

01:41:10,529 --> 01:41:07,419

for you yes so let me see if I can get

2466

01:41:13,589 --> 01:41:10,539

tumeric back to back to this other

2467

01:41:15,359 --> 01:41:13,599

dimensional beam he did his mouth move

2468

01:41:18,809 --> 01:41:15,369

when he spoke to you you said no earlier

2469

01:41:23,179 --> 01:41:18,819

correct no no he did speak in sentences

2470

01:41:26,520 --> 01:41:23,189

and they were English right yes okay and

2471

01:41:29,399 --> 01:41:26,530

did he let you get a word in edgewise

2472

01:41:30,719 --> 01:41:29,409

it's always a good question no because I

2473

01:41:32,759 --> 01:41:30,729

actually said that's a really good

2474

01:41:35,939 --> 01:41:32,769

question I actually said to him I said I

2475

01:41:37,679 --> 01:41:35,949

said listen I said this is amazing this

2476

01:41:40,889 --> 01:41:37,689

is great I get it you're the creator

2477

01:41:42,659 --> 01:41:40,899

it's awesome I love it I said but you

2478

01:41:44,969 --> 01:41:42,669

have a head you have arms you have a

2479

01:41:48,509 --> 01:41:44,979

chest let me say this to his arms his

2480

01:41:50,459 --> 01:41:48,519

hands were huge huge yes yeah and he did

2481

01:41:51,959 --> 01:41:50,469

have fingers and stuff but they didn't

2482

01:41:53,939 --> 01:41:51,969

look they didn't look really human aid

2483

01:41:55,079 --> 01:41:53,949

that they they were actually bright red

2484

01:41:57,479 --> 01:41:55,089

and stuff so it was hard to see if it

2485

01:42:02,909 --> 01:41:57,489

was skin which it probably was I said I

2486

01:42:05,099 --> 01:42:02,919

said I said you look you you have you're

2487

01:42:08,250 --> 01:42:05,109

a biological creature who created you

2488

01:42:09,689 --> 01:42:08,260

there was no answer so you know I don't

2489

01:42:12,059 --> 01:42:09,699

know I don't know if I pissed him off

2490

01:42:14,849 --> 01:42:12,069

but because I haven't heard from him

2491

01:42:16,649 --> 01:42:14,859

since I mean it was everything went good

2492

01:42:17,219 --> 01:42:16,659

after that but he did not answer that

2493

01:42:19,049 --> 01:42:17,229

question

2494

01:42:19,800 --> 01:42:19,059

because like right there's no as you

2495

01:42:21,480 --> 01:42:19,810

know

2496

01:42:23,880 --> 01:42:21,490

I've dealt with Harvard scholars I've

2497

01:42:25,620 --> 01:42:23,890

dealt with scholars here in Arizona

2498

01:42:28,170 --> 01:42:25,630

biblical scholars and a lot of them say

2499

01:42:30,060 --> 01:42:28,180

Gary we don't believe God is a physical

2500

01:42:32,760 --> 01:42:30,070

person we believe his spirit is a spirit

2501

01:42:34,560 --> 01:42:32,770

well that's what I always thought but

2502

01:42:37,950 --> 01:42:34,570

but and I said you guys might be right

2503

01:42:40,980 --> 01:42:37,960

but the person who created us isn't a

2504

01:42:46,050 --> 01:42:40,990

spiritual being it's it's biological

2505

01:42:48,390 --> 01:42:46,060

it's made of cells well yeah I totally

2506

01:42:51,470 --> 01:42:48,400

agree with you on that but I think what

2507

01:42:54,630 --> 01:42:51,480

you were seeing was more of a

2508

01:42:57,860 --> 01:42:54,640

holographic projection of what could

2509

01:43:00,840 --> 01:42:57,870

have been a real person maybe in another

2510

01:43:03,450 --> 01:43:00,850

place altogether maybe from a ship I

2511

01:43:06,000 --> 01:43:03,460

mean who knows where that that image was

2512

01:43:08,880 --> 01:43:06,010

coming from like I can actually show you

2513

01:43:12,980 --> 01:43:08,890

the ship in the picture but oh my god so

2514

01:43:18,720 --> 01:43:15,960

I know I can show it to you but it's

2515

01:43:20,130 --> 01:43:18,730

telling you over the phone and trying to

2516

01:43:22,230 --> 01:43:20,140

tell your listeners over the phone it's

2517

01:43:23,910 --> 01:43:22,240

really hard yeah yeah no I don't get

2518

01:43:27,300 --> 01:43:23,920

that so you're saying he was on a ship

2519

01:43:29,340 --> 01:43:27,310

projecting his is holographic imagery to

2520

01:43:31,440 --> 01:43:29,350

you and you can you're the only one that

2521

01:43:33,450 --> 01:43:31,450

could see it right I can actually show

2522

01:43:35,520 --> 01:43:33,460

you the ship yeah but now when I say

2523

01:43:37,860 --> 01:43:35,530

ship it's not like what you think of a

2524

01:43:40,280 --> 01:43:37,870

ship it's not like it's not like The Day

2525

01:43:44,970 --> 01:43:40,290

the Earth Stood Still the old one from

2526

01:43:48,150 --> 01:43:44,980

1950-51 it looks more like the ship from

2527

01:43:52,230 --> 01:43:48,160

Keanu Reeves The Day the Earth Stood

2528

01:43:54,570 --> 01:43:52,240

Still you remember that yeah it was like

2529

01:43:56,970 --> 01:43:54,580

a huge globe that was it was constantly

2530

01:43:58,950 --> 01:43:56,980

spinning round around it it don't it

2531

01:44:00,860 --> 01:43:58,960

looked like it was five or ten

2532

01:44:05,070 --> 01:44:00,870

dimensions all spinning at the same time

2533

01:44:08,700 --> 01:44:05,080

guys oh yes yeah yes that's what I can

2534

01:44:11,640 --> 01:44:08,710

show you in photo so interesting okay so

2535

01:44:15,450 --> 01:44:11,650

let's go back again back to our alien

2536

01:44:17,610 --> 01:44:15,460

dude a god or now you said there were

2537

01:44:20,850 --> 01:44:17,620

two angels what did the Angels look like

2538

01:44:23,040 --> 01:44:20,860

specifically what is it was like well if

2539

01:44:24,630 --> 01:44:23,050

you read Ezekiel that's exactly what

2540

01:44:26,640 --> 01:44:24,640

they look like they had the two sets of

2541

01:44:29,730 --> 01:44:26,650

wings they had eyes on the wings they

2542

01:44:32,880 --> 01:44:29,740

had the spinning wheels beside them the

2543

01:44:33,270 --> 01:44:32,890

eyes on her eyes on the wheels exactly

2544

01:44:34,890 --> 01:44:33,280

what is he

2545

01:44:38,760 --> 01:44:34,900

so they actually did they actually had

2546

01:44:40,649 --> 01:44:38,770

the feet of like where they call hooves

2547

01:44:46,350 --> 01:44:40,659

like hooks they didn't have human feet

2548

01:44:48,990 --> 01:44:46,360

and uh yes yes and they'd what's it

2549

01:44:51,299 --> 01:44:49,000

called uh and yeah and Uriel actually

2550

01:44:53,310 --> 01:44:51,309

you know well I had seen him before in

2551
01:44:56,129 --> 01:44:53,320
this NASA photo so I knew what do you

2552
01:44:58,200 --> 01:44:56,139
look like and I also referenced Ezekiel

2553
01:45:01,200 --> 01:44:58,210
so I was not worried when it showed up

2554
01:45:03,689 --> 01:45:01,210
you know what I mean yeah yeah there you

2555
01:45:05,760 --> 01:45:03,699
go okay so we got two angels and their

2556
01:45:07,799 --> 01:45:05,770
their names again you got both their

2557
01:45:09,390 --> 01:45:07,809
names I only had only got only got the

2558
01:45:11,100 --> 01:45:09,400
one name only so he was the only one to

2559
01:45:13,080 --> 01:45:11,110
talk to me so the other one was just

2560
01:45:16,290 --> 01:45:13,090
flapping around there well I think when

2561
01:45:18,510 --> 01:45:16,300
I say flap flap there's it was it was

2562
01:45:21,600 --> 01:45:18,520
everything was like in synchronicity

2563
01:45:23,609 --> 01:45:21,610

they they they the the wings would

2564

01:45:25,890 --> 01:45:23,619

flutter it was like everything had to be

2565

01:45:28,620 --> 01:45:25,900

done at a certain time in order for the

2566

01:45:30,390 --> 01:45:28,630

image to project that am I making sense

2567

01:45:33,359 --> 01:45:30,400

yeah absolutely

2568

01:45:34,620 --> 01:45:33,369

yeah and you know in Ezekiel that he

2569

01:45:36,060 --> 01:45:34,630

said they moved to the right and to the

2570

01:45:37,979 --> 01:45:36,070

left well these didn't move to the right

2571

01:45:39,689 --> 01:45:37,989

so if they stayed in one place but their

2572

01:45:42,270 --> 01:45:39,699

wings to go up they flap flap flap

2573

01:45:43,979 --> 01:45:42,280

once aside and it was like it was

2574

01:45:46,709 --> 01:45:43,989

everything almost like it was a

2575

01:45:50,240 --> 01:45:46,719

generator generating this image so I

2576

01:45:54,270 --> 01:45:50,250

could see it Wow

2577

01:45:55,910 --> 01:45:54,280

I'm telling you Lauren it's it's insane

2578

01:45:57,750 --> 01:45:55,920

and when you tell people these things

2579

01:46:00,299 --> 01:45:57,760

they say well who the hell are you

2580

01:46:02,520 --> 01:46:00,309

Ezekiel well no maybe I don't know maybe

2581

01:46:04,919 --> 01:46:02,530

if you believe in reincarnation but you

2582

01:46:06,839 --> 01:46:04,929

know it's like oh my god it's so hard to

2583

01:46:09,720 --> 01:46:06,849

tell people because if they don't see it

2584

01:46:11,069 --> 01:46:09,730

themselves but then but then and I'm

2585

01:46:12,689 --> 01:46:11,079

sorry I'm skipping around here but then

2586

01:46:14,189 --> 01:46:12,699

when I go back and I show them the NASA

2587

01:46:16,830 --> 01:46:14,199

photo when I show them the profile the

2588

01:46:18,299 --> 01:46:16,840

alien then I show them yeah Uriel in the

2589

01:46:20,160 --> 01:46:18,309

photo and I show them everything else

2590

01:46:22,470 --> 01:46:20,170

the letters beside the Great Pyramid

2591

01:46:24,240 --> 01:46:22,480

then they say Gary you have something

2592

01:46:25,830 --> 01:46:24,250

here you know you're right you're not

2593

01:46:28,950 --> 01:46:25,840

lying you're not making this up

2594

01:46:31,500 --> 01:46:28,960

well yeah see the problem with God is

2595

01:46:34,680 --> 01:46:31,510

like all the experiencers that are

2596

01:46:37,069 --> 01:46:34,690

coming forward these days and yours is a

2597

01:46:39,569 --> 01:46:37,079

very interesting experience because

2598

01:46:41,939 --> 01:46:39,579

you're dealing with very high

2599

01:46:44,100 --> 01:46:41,949

dimensional beings and I absolutely

2600

01:46:45,540 --> 01:46:44,110

believe I'm dealing with a very like

2601
01:46:46,260 --> 01:46:45,550
I've told everybody on the show a

2602
01:46:48,180 --> 01:46:46,270
million

2603
01:46:50,580 --> 01:46:48,190
times I've never seen an alien that I

2604
01:46:53,640 --> 01:46:50,590
know of that I can remember at all and

2605
01:46:56,190 --> 01:46:53,650
the only thing I can equate my my

2606
01:46:58,590 --> 01:46:56,200
connection with anything is angels

2607
01:47:00,210 --> 01:46:58,600
because that's all I've ever felt my

2608
01:47:02,790 --> 01:47:00,220
entire life and that is what my

2609
01:47:05,160 --> 01:47:02,800
grandmother said she saw by the crib in

2610
01:47:08,790 --> 01:47:05,170
the hospital when I was 18 months old

2611
01:47:11,130 --> 01:47:08,800
and almost died and that is that's where

2612
01:47:13,020 --> 01:47:11,140
that all comes from in my family of

2613
01:47:15,690 --> 01:47:13,030

course I was raised Catholic so angels

2614

01:47:18,930 --> 01:47:15,700

are party Catholicism so you know I mean

2615

01:47:24,330 --> 01:47:18,940

technically that's my alien is an angel

2616

01:47:25,770 --> 01:47:24,340

okay in this photo the angels which

2617

01:47:29,160 --> 01:47:25,780

there is that there is a section of

2618

01:47:31,170 --> 01:47:29,170

angels right behind Uriel actually they

2619

01:47:33,120 --> 01:47:31,180

the ones that are cherubim that have the

2620

01:47:36,030 --> 01:47:33,130

four faces are the only ones in this

2621

01:47:37,620 --> 01:47:36,040

photo that have links everybody else

2622

01:47:40,710 --> 01:47:37,630

there's no other there's no kids that

2623

01:47:42,750 --> 01:47:40,720

have wings there's no there's no adults

2624

01:47:45,000 --> 01:47:42,760

that have wings only these guys who have

2625

01:47:46,620 --> 01:47:45,010

four faces that's all I've seen now I'd

2626

01:47:49,620 --> 01:47:46,630

like I said I maybe I can see everything

2627

01:47:52,380 --> 01:47:49,630

go ahead yeah no that's very interesting

2628

01:47:54,720 --> 01:47:52,390

my angels that were sent to me do not

2629

01:47:56,910 --> 01:47:54,730

have wings either which is very

2630

01:48:00,540 --> 01:47:56,920

intriguing I've never said that before

2631

01:48:01,800 --> 01:48:00,550

here on the show ever I've just said

2632

01:48:03,270 --> 01:48:01,810

they were angels I just assumed

2633

01:48:08,010 --> 01:48:03,280

everybody thought they had wings which

2634

01:48:10,770 --> 01:48:08,020

is fine that lame do not have wings so

2635

01:48:12,600 --> 01:48:10,780

not that I've ever seen any how they do

2636

01:48:17,310 --> 01:48:12,610

what they do flutter around but they

2637

01:48:18,600 --> 01:48:17,320

don't do it with wings yeah like I said

2638

01:48:20,490 --> 01:48:18,610

hopefully one day we'll get together or

2639

01:48:22,500 --> 01:48:20,500

work on this with your with your buddy

2640

01:48:25,140 --> 01:48:22,510

with CGI and you'll be able to bring it

2641

01:48:26,880 --> 01:48:25,150

out you know yeah yeah it's not that

2642

01:48:28,230 --> 01:48:26,890

difficult to do actually I could

2643

01:48:29,820 --> 01:48:28,240

probably teach you how to do it in an

2644

01:48:31,650 --> 01:48:29,830

afternoon but because you're not really

2645

01:48:33,510 --> 01:48:31,660

bringing out you're not doing the facial

2646

01:48:36,630 --> 01:48:33,520

recognition software and all that all

2647

01:48:38,460 --> 01:48:36,640

you're doing is you're outlining the the

2648

01:48:40,020 --> 01:48:38,470

area in the photo and then what you're

2649

01:48:43,410 --> 01:48:40,030

gonna do is you're gonna take an overlay

2650

01:48:45,780 --> 01:48:43,420

of another color that's transparent and

2651

01:48:47,460 --> 01:48:45,790

lay it over it so people can see the

2652

01:48:50,280 --> 01:48:47,470

shape that's all you're trying to do

2653

01:48:52,560 --> 01:48:50,290

you're not trying to actually prove it's

2654

01:48:57,480 --> 01:48:52,570

you know prove it's not Lee Harvey

2655

01:48:58,800 --> 01:48:57,490

Oswald or it is yeah yeah if I if I

2656

01:49:03,330 --> 01:48:58,810

could just tell you one last thing

2657

01:49:05,340 --> 01:49:03,340

oh sure I got a couple more questions so

2658

01:49:07,440 --> 01:49:05,350

go ahead oh well did you want me to give

2659

01:49:08,010 --> 01:49:07,450

my because like I said I I I do have an

2660

01:49:10,980 --> 01:49:08,020

email address

2661

01:49:13,050 --> 01:49:10,990

yes before the show ends because I

2662

01:49:14,730 --> 01:49:13,060

always I run out of time so tell

2663

01:49:19,050 --> 01:49:14,740

everybody how to get a hold of you to

2664

01:49:21,060 --> 01:49:19,060

share their experiences do okay what now

2665

01:49:23,490 --> 01:49:21,070

should I give you my my email yeah yeah

2666

01:49:26,730 --> 01:49:23,500

go for it oh yeah it is yeah they can

2667

01:49:34,290 --> 01:49:26,740

feel free to call email me at G as in

2668

01:49:39,450 --> 01:49:34,300

Gary G dot Parker PA RK er 36 Gary G ary

2669

01:49:46,790 --> 01:49:39,460

at aol.com that was G dot Parker PA RK

2670

01:49:49,470 --> 01:49:46,800

er 36 36 gary g ary at aol.com and i

2671

01:49:52,380 --> 01:49:49,480

would more than be happy to send them

2672

01:49:54,320 --> 01:49:52,390

the photos and and also the the drawings

2673

01:49:56,550 --> 01:49:54,330

that i made and all that kind of stuff

2674

01:49:58,380 --> 01:49:56,560

wonderful and also I just want to let

2675

01:50:00,630 --> 01:49:58,390

everybody know I promised Gary I'd help

2676

01:50:02,880 --> 01:50:00,640

him with this so we'll try to get this

2677

01:50:05,760 --> 01:50:02,890

stuff up on my website in the next week

2678

01:50:08,160 --> 01:50:05,770

or two so that Gary when he ever goes on

2679

01:50:10,890 --> 01:50:08,170

other shows or you know emails you guys

2680

01:50:12,990 --> 01:50:10,900

can eventually say either I have my own

2681

01:50:14,970 --> 01:50:13,000

website or Lorien has put this up on a

2682

01:50:18,660 --> 01:50:14,980

page on her site that's you know

2683

01:50:20,460 --> 01:50:18,670

separate yeah where you go and you can

2684

01:50:23,060 --> 01:50:20,470

store your stuff there if you'd like I

2685

01:50:24,960 --> 01:50:23,070

don't have a problem with that at all

2686

01:50:26,310 --> 01:50:24,970

yeah because I think it's really

2687

01:50:27,960 --> 01:50:26,320

important they're they're able to look

2688

01:50:29,820 --> 01:50:27,970

at it while you're describing it

2689

01:50:32,310 --> 01:50:29,830

honestly I wish I could sit with each

2690

01:50:34,500 --> 01:50:32,320

one one at a time and but it's but

2691

01:50:36,480 --> 01:50:34,510

that's really hard to do yeah yeah but

2692

01:50:37,950 --> 01:50:36,490

eventually you'll be able to do this and

2693

01:50:39,420 --> 01:50:37,960

as long as they have a place to go on

2694

01:50:41,730 --> 01:50:39,430

the internet it'll be really smooth

2695

01:50:45,630 --> 01:50:41,740

sailing for you so anyhow I want to go

2696

01:50:47,550 --> 01:50:45,640

back to the vision now the what did

2697

01:50:49,320 --> 01:50:47,560

anybody capture anything on their

2698

01:50:52,950 --> 01:50:49,330

cellphones that was with you on that

2699

01:50:54,960 --> 01:50:52,960

actual day and what was the person with

2700

01:50:57,450 --> 01:50:54,970

the cell phone trying to record this for

2701

01:51:01,530 --> 01:50:57,460

use experience they did they know

2702

01:51:05,130 --> 01:51:01,540

anything was happening no no not at all

2703

01:51:06,060 --> 01:51:05,140

I have I have had other people come down

2704

01:51:08,310 --> 01:51:06,070

because they said look you have to come

2705

01:51:10,470 --> 01:51:08,320

down the river and save these words but

2706

01:51:12,030 --> 01:51:10,480

what happens is people get really weird

2707

01:51:13,210 --> 01:51:12,040

about that because some of them are

2708

01:51:16,330 --> 01:51:13,220

religious some are

2709

01:51:18,460 --> 01:51:16,340

it really scares people so no one has no

2710

01:51:20,820 --> 01:51:18,470

one will go down to the river with me I

2711

01:51:27,370 --> 01:51:20,830

actually should I'll do it

2712

01:51:29,890 --> 01:51:27,380

I actually had a an elected official at

2713

01:51:30,790 --> 01:51:29,900

a small town here in Arizona and he read

2714

01:51:32,590 --> 01:51:30,800

about me

2715

01:51:35,140 --> 01:51:32,600

Gary Parker at the and the Garden of

2716

01:51:36,670 --> 01:51:35,150

Eden said he googled and he called he

2717

01:51:39,910 --> 01:51:36,680

said Gary can I meet with you I said

2718

01:51:41,380 --> 01:51:39,920

sure so he said he said Gary I I want to

2719

01:51:44,260 --> 01:51:41,390

see it so I showed him everything he's a

2720

01:51:45,640 --> 01:51:44,270

mayor of a small town and and I showed

2721

01:51:48,250 --> 01:51:45,650

him and I showed him everything and he

2722

01:51:50,320 --> 01:51:48,260

said Gary do you think that the water

2723

01:51:51,580 --> 01:51:50,330

here in the Gila River is is a healing

2724

01:51:53,710 --> 01:51:51,590

water and I said well to tell you the

2725

01:51:56,230 --> 01:51:53,720

truth I don't know I said cuz I never

2726

01:51:58,480 --> 01:51:56,240

tried it to heal anybody so he said well

2727

01:52:01,030 --> 01:51:58,490

my son's dying of pancreatic cancer or

2728

01:52:02,350 --> 01:52:01,040

liver cancer and I said well what are

2729

01:52:03,700 --> 01:52:02,360

you saying I said if you want to take

2730

01:52:07,150 --> 01:52:03,710

him down to the river here and give it a

2731

01:52:08,350 --> 01:52:07,160

try I'm more than I do whatever it takes

2732

01:52:10,990 --> 01:52:08,360

I said if I can help

2733

01:52:12,280 --> 01:52:11,000

let's go down and try it so he said let

2734

01:52:14,500 --> 01:52:12,290

me talk it over with my wife because the

2735

01:52:18,640 --> 01:52:14,510

kid only had like maybe four weeks to

2736

01:52:20,080 --> 01:52:18,650

live and he I know was horrible and he

2737

01:52:21,670 --> 01:52:20,090

called me the next day and said you know

2738

01:52:23,980 --> 01:52:21,680

what my wife doesn't want to do it and

2739

01:52:25,750 --> 01:52:23,990

and he said we just don't we don't think

2740

01:52:28,240 --> 01:52:25,760

it's right and I said okay I said I

2741

01:52:29,860 --> 01:52:28,250

understand I said but but just know I'll

2742

01:52:31,690 --> 01:52:29,870

if you need to you can use my truck

2743

01:52:33,040 --> 01:52:31,700

we'll go pick him up and we'll take him

2744

01:52:34,900 --> 01:52:33,050

in his medical bag down there we'll lay

2745

01:52:36,280 --> 01:52:34,910

in the water and we'll yell up and we'll

2746

01:52:38,140 --> 01:52:36,290

see if anything good happens so I

2747

01:52:41,290 --> 01:52:38,150

haven't found anybody who will go on the

2748

01:52:44,410 --> 01:52:41,300

water with me or or maybe see if they

2749

01:52:45,820 --> 01:52:44,420

could heal peel you no no yeah that's

2750

01:52:49,240 --> 01:52:45,830

very interesting

2751

01:52:52,960 --> 01:52:49,250

I I will definitely we'll talk off-air

2752

01:52:55,930 --> 01:52:52,970

at some point soon and I would like to

2753

01:52:58,150 --> 01:52:55,940

bring my camera guy I've got a new tech

2754

01:53:00,010 --> 01:52:58,160

guy that travels with me to these kind

2755

01:53:02,530 --> 01:53:00,020

of things that I'm doing I'm because I

2756

01:53:04,570 --> 01:53:02,540

am gonna start a new website type of

2757

01:53:06,820 --> 01:53:04,580

site where I do memberships and people

2758

01:53:09,040 --> 01:53:06,830

who are members will only get to see

2759

01:53:16,210 --> 01:53:09,050

these amazing things and I go out and I

2760

01:53:17,740 --> 01:53:16,220

do Adventures of that but would that be

2761

01:53:20,290 --> 01:53:17,750

interesting and even though even if it

2762

01:53:23,320 --> 01:53:20,300

doesn't it doesn't even if the camera

2763

01:53:25,750 --> 01:53:23,330

can't see it if two of us were having

2764

01:53:26,680 --> 01:53:25,760

the same experience at the same time

2765

01:53:28,900 --> 01:53:26,690

that

2766

01:53:31,740 --> 01:53:28,910

is so much better than one person and

2767

01:53:34,900 --> 01:53:31,750

I'm going to give you a quick example we

2768

01:53:37,930 --> 01:53:34,910

this year at contact in the desert

2769

01:53:40,380 --> 01:53:37,940

melinda leslie misha johnston myself and

2770

01:53:44,350 --> 01:53:40,390

another friend of ours tan and newberry

2771

01:53:46,600 --> 01:53:44,360

went out with a group of 60 or 50 it was

2772

01:53:48,930 --> 01:53:46,610

fifty some odd people to do a night

2773

01:53:52,479 --> 01:53:48,940

vision sky watch out at giant rock and

2774

01:53:56,140 --> 01:53:52,489

luckily enough there were 62 of us out

2775

01:54:01,360 --> 01:53:56,150

there when an f15 250 feet over our

2776

01:54:06,010 --> 01:54:01,370

heads came flying over chasing a secret

2777

01:54:07,510 --> 01:54:06,020

space program black ops ship so they can

2778

01:54:09,939 --> 01:54:07,520

describe it it certainly wasn't an

2779

01:54:12,189 --> 01:54:09,949

aircraft that we know of that's for sure

2780

01:54:15,610 --> 01:54:12,199

it was a squirting it it through

2781

01:54:17,920 --> 01:54:15,620

airspace and all of us saw it you know

2782

01:54:19,750 --> 01:54:17,930

but Kirsten didn't make national news no

2783

01:54:22,270 --> 01:54:19,760

one cared about a MUFON didn't even care

2784

01:54:25,240 --> 01:54:22,280

about it I hate to say and nobody cared

2785

01:54:26,979 --> 01:54:25,250

that there were 62 witnesses but it made

2786

01:54:28,780 --> 01:54:26,989

a big difference to me because then I

2787

01:54:30,820 --> 01:54:28,790

finally realized something I thought

2788

01:54:33,250 --> 01:54:30,830

we'll shoot if this many people can see

2789

01:54:34,959 --> 01:54:33,260
the same thing because this is

2790

01:54:35,620 --> 01:54:34,969
extraordinary I also knew it was

2791

01:54:38,590 --> 01:54:35,630
man-made

2792

01:54:41,020 --> 01:54:38,600
because 62 people's thought that was the

2793

01:54:43,570 --> 01:54:41,030
other point to this usually when there's

2794

01:54:45,310 --> 01:54:43,580
a craft up in the sky you can have 30

2795

01:54:47,709 --> 01:54:45,320
people standing on the ground all

2796

01:54:51,220 --> 01:54:47,719
looking in the same space and only five

2797

01:54:55,000 --> 01:54:51,230
of them will see the craft well because

2798

01:54:56,709 --> 01:54:55,010
I can't see it yeah I've never like I

2799

01:54:59,380 --> 01:54:56,719
said I've never seen a UFO or a ghost

2800

01:55:00,700 --> 01:54:59,390
this is a and and this is the most

2801
01:55:03,550 --> 01:55:00,710
exciting thing that's ever happened to

2802
01:55:05,709 --> 01:55:03,560
me and I couldn't be happier so go ahead

2803
01:55:08,350 --> 01:55:05,719
yeah yeah we'll see that's the thing

2804
01:55:10,209 --> 01:55:08,360
once you're an experimenter you get to

2805
01:55:12,580 --> 01:55:10,219
carry that with you forever but the

2806
01:55:14,860 --> 01:55:12,590
problem is all of the other experiences

2807
01:55:16,930 --> 01:55:14,870
out there will tell you if you're the

2808
01:55:19,060 --> 01:55:16,940
only one having the experience no one

2809
01:55:21,520 --> 01:55:19,070
ever believes you and it becomes a real

2810
01:55:23,709 --> 01:55:21,530
here you know even your family you know

2811
01:55:25,420 --> 01:55:23,719
they look at you and they go oh don't

2812
01:55:34,450 --> 01:55:25,430
bring that up again you know it gets to

2813
01:55:37,240 --> 01:55:34,460

the point where it's like yeah exactly

2814

01:55:39,310 --> 01:55:37,250

and you know what and as I look at this

2815

01:55:40,479 --> 01:55:39,320

photo I'm telling you I've seen so many

2816

01:55:42,100 --> 01:55:40,489

more things

2817

01:55:43,840 --> 01:55:42,110

so you and I definitely have to get

2818

01:55:45,610 --> 01:55:43,850

together and talk about this because

2819

01:55:46,930 --> 01:55:45,620

it's kind of things there really are

2820

01:55:48,550 --> 01:55:46,940

there's there's so much you wouldn't

2821

01:55:50,200 --> 01:55:48,560

believe like I said there's it's amazing

2822

01:55:51,970 --> 01:55:50,210

him if I can point it out to you we'll

2823

01:55:54,910 --> 01:55:51,980

see it you'll say this is a message and

2824

01:55:57,280 --> 01:55:54,920

they are returning so there you go

2825

01:55:58,750 --> 01:55:57,290

well now what this is this was going

2826
01:56:00,729 --> 01:55:58,760
down the other vein of what I wanted to

2827
01:56:03,220 --> 01:56:00,739
ask you besides the total description

2828
01:56:05,080 --> 01:56:03,230
which I needed to clarify what you who

2829
01:56:07,510 --> 01:56:05,090
you were dealing with basically for me

2830
01:56:09,580 --> 01:56:07,520
is you're dealing with like I said very

2831
01:56:12,250 --> 01:56:09,590
high dimensional beings that are

2832
01:56:14,320 --> 01:56:12,260
considered our gods in this planet like

2833
01:56:16,650 --> 01:56:14,330
you described did they tell you that

2834
01:56:19,060 --> 01:56:16,660
were one of thousands of different

2835
01:56:25,600 --> 01:56:19,070
universes that they managed did they

2836
01:56:27,490 --> 01:56:25,610
tell you this I figured we weren't the

2837
01:56:28,360 --> 01:56:27,500
only one with a great pyramid you know

2838
01:56:31,750 --> 01:56:28,370

that's impossible

2839

01:56:33,280 --> 01:56:31,760

you know so yeah let's go to the great

2840

01:56:34,720 --> 01:56:33,290

pyramid you have a few minutes left so

2841

01:56:37,600 --> 01:56:34,730

let's talk about the pyramid now you

2842

01:56:41,110 --> 01:56:37,610

said every planet that they manage has a

2843

01:56:43,510 --> 01:56:41,120

pyramid type structure has are do you

2844

01:56:45,729 --> 01:56:43,520

know did they tell you if ours has been

2845

01:56:48,340 --> 01:56:45,739

destroyed and rebuilt many times because

2846

01:56:49,870 --> 01:56:48,350

that's my feeling no no but I can I can

2847

01:56:52,990 --> 01:56:49,880

I can actually tell your listeners how

2848

01:56:56,050 --> 01:56:53,000

to how to see the people who built them

2849

01:56:58,300 --> 01:56:56,060

you know this this being here that he

2850

01:57:02,140 --> 01:56:58,310

works with they work with a lot of other

2851

01:57:04,180 --> 01:57:02,150

races and and alien races and I can

2852

01:57:08,610 --> 01:57:04,190

actually show to tell you how to see

2853

01:57:11,229 --> 01:57:08,620

them to see one of them anyway yeah okay

2854

01:57:13,810 --> 01:57:11,239

with a guy named Rudolph get and bring

2855

01:57:16,450 --> 01:57:13,820

see ever hear of him no I've never heard

2856

01:57:17,920 --> 01:57:16,460

of this person in 1997 the Egyptian

2857

01:57:19,600 --> 01:57:17,930

government wanted to put an

2858

01:57:20,979 --> 01:57:19,610

air-conditioning unit in the Great

2859

01:57:23,080 --> 01:57:20,989

Pyramid because it's very stuffy in

2860

01:57:24,910 --> 01:57:23,090

there okay right so what they did was

2861

01:57:27,610 --> 01:57:24,920

they hire Rudolph captain Briggs who was

2862

01:57:29,260 --> 01:57:27,620

a German engineer too he built the robot

2863

01:57:30,910 --> 01:57:29,270

and there's that there's the there's the

2864

01:57:33,580 --> 01:57:30,920

King's Chamber and the Queen's Chamber

2865

01:57:42,160 --> 01:57:33,590

well in the Queen's Chamber there's a

2866

01:57:47,500 --> 01:57:42,170

north and south shaft little robot in

2867

01:57:50,709 --> 01:57:47,510

and it went through yes well in 1997

2868

01:57:53,259 --> 01:57:50,719

before because that the the the national

2869

01:57:55,839 --> 01:57:53,269

Geographics did it in 2002

2870

01:57:57,939 --> 01:57:55,849

Rudolph Ganton brings in 1997 sent a

2871

01:57:59,859 --> 01:57:57,949

robot up there with a with a with a with

2872

01:58:03,789 --> 01:57:59,869

a camera at the end of it and he noticed

2873

01:58:06,639 --> 01:58:03,799

that there was a 220 220 feet up the

2874

01:58:08,169 --> 01:58:06,649

southern shaft was a limestone block now

2875

01:58:10,750 --> 01:58:08,179

you got to remember it's 8 inches by 8

2876

01:58:13,209 --> 01:58:10,760

inches is the shaft and on the block

2877

01:58:15,129 --> 01:58:13,219

were two were two copper hoops okay and

2878

01:58:19,119 --> 01:58:15,139

it's and which blew everybody away

2879

01:58:21,669 --> 01:58:19,129

because copper hadn't been invented for

2880

01:58:23,799 --> 01:58:21,679

fifteen hundred years after the Great

2881

01:58:26,319 --> 01:58:23,809

Pyramid had been built supposedly you

2882

01:58:28,179 --> 01:58:26,329

know anything so right so everybody was

2883

01:58:31,629 --> 01:58:28,189

up in arms what is this was gone so what

2884

01:58:34,619 --> 01:58:31,639

they did is in 2002 this guy named Zahi

2885

01:58:37,299 --> 01:58:34,629

Hawass who was an otologist who ran the

2886

01:58:40,599 --> 01:58:37,309

the antiquities Department of Egypt yes

2887

01:58:43,599 --> 01:58:40,609

he got he knew all about him okay well

2888

01:58:45,429 --> 01:58:43,609

what happens is is he got national

2889

01:58:46,989 --> 01:58:45,439

Geographics and and they put another

2890

01:58:49,539 --> 01:58:46,999

Rover up there and they drilled a hole

2891

01:58:51,129 --> 01:58:49,549

well then they stuck a fiber-optic

2892

01:58:52,689 --> 01:58:51,139

camera into the hole which had a light

2893

01:58:55,179 --> 01:58:52,699

on at the end of it they took a bunch of

2894

01:58:57,399 --> 01:58:55,189

pictures okay well in the pictures the

2895

01:58:58,750 --> 01:58:57,409

pictures came out ten years later and it

2896

01:59:01,439 --> 01:58:58,760

really couldn't make them out and their

2897

01:59:04,209 --> 01:59:01,449

experts said that those pictures were

2898

01:59:07,659 --> 01:59:04,219

marks like in May and they represented

2899

01:59:10,659 --> 01:59:07,669

numbers like a feet or cubics cubits

2900

01:59:13,000 --> 01:59:10,669

from where the shaft starts and where it

2901
01:59:14,889 --> 01:59:13,010
ended which actually added up to 220 or

2902
01:59:16,239 --> 01:59:14,899
something like that right well what

2903
01:59:18,639 --> 01:59:16,249
happens is the pictures that were taken

2904
01:59:21,789 --> 01:59:18,649
if you look at the pictures when you

2905
01:59:23,439 --> 01:59:21,799
look at the pictures you will see you

2906
01:59:24,849 --> 01:59:23,449
zoom in on them like it's like you can

2907
01:59:27,399 --> 01:59:24,859
go to any site and pit and pick up the

2908
01:59:29,859 --> 01:59:27,409
pictures from 2004 actually they came

2909
01:59:32,529 --> 01:59:29,869
out in 2011 when you zoom in on the

2910
01:59:36,069 --> 01:59:32,539
pictures what happens you will see that

2911
01:59:38,799 --> 01:59:36,079
those pictures have a binary code the

2912
01:59:41,469 --> 01:59:38,809
binary code which in most computers on

2913
01:59:45,039 --> 01:59:41,479

earth are zeros and ones which enclose

2914

01:59:46,899 --> 01:59:45,049

this this binary code are all zeros when

2915

01:59:50,189 --> 01:59:46,909

I took it to Arizona State University

2916

01:59:52,599 --> 01:59:50,199

and the professors of dr. Gupta and dr.

2917

01:59:54,879 --> 01:59:52,609

Whitehouse sought they said okay that's

2918

01:59:56,799 --> 01:59:54,889

impossible there's no ones I said it's

2919

01:59:58,989 --> 01:59:56,809

not impossible because it's always open

2920

02:00:01,479 --> 01:59:58,999

and it's alien it's alien technology

2921

02:00:03,669 --> 02:00:01,489

it's a new binary code that's over six

2922

02:00:06,159 --> 02:00:03,679

hundred over six thousand years old and

2923

02:00:07,100 --> 02:00:06,169

they pretty much told me to get lost so

2924

02:00:11,000 --> 02:00:07,110

what happens is

2925

02:00:13,310 --> 02:00:11,010

is one of the motors yeah you know the

2926

02:00:17,330 --> 02:00:13,320

shows actually over but let's call on

2927

02:00:19,550 --> 02:00:17,340

don't worry no no we're recording it I

2928

02:00:21,710 --> 02:00:19,560

want to do another in few minutes and

2929

02:00:23,540 --> 02:00:21,720

I'm sure MJ's fine with it I want to

2930

02:00:25,700 --> 02:00:23,550

hear the end of this so go ahead okay

2931

02:00:27,530 --> 02:00:25,710

what happens is is when they took the

2932

02:00:29,660 --> 02:00:27,540

pictures they actually it took them nine

2933

02:00:32,590 --> 02:00:29,670

years to release the photos they took

2934

02:00:35,990 --> 02:00:32,600

him in 2002 they released them in 2011

2935

02:00:38,120 --> 02:00:36,000

Zahi Hawass and an expert said that the

2936

02:00:42,860 --> 02:00:38,130

that the that the photos that they took

2937

02:00:47,870 --> 02:00:42,870

were workers graffiti and marks that

2938

02:00:50,180 --> 02:00:47,880

represented feet or cubits 200 feet 20

2939

02:00:51,560 --> 02:00:50,190

feet well what happens is because I have

2940

02:00:53,120 --> 02:00:51,570

been down to the river and I had asked

2941

02:00:55,610 --> 02:00:53,130

to see everything and I do see

2942

02:00:57,080 --> 02:00:55,620

everything if you look it you'll see the

2943

02:01:00,200 --> 02:00:57,090

number so when you pull up when you

2944

02:01:02,930 --> 02:01:00,210

google the the the the show and they

2945

02:01:05,450 --> 02:01:02,940

show you that the photos understand

2946

02:01:07,340 --> 02:01:05,460

number 20 under the number 20 you will

2947

02:01:08,720 --> 02:01:07,350

see if you look at it you make it small

2948

02:01:10,370 --> 02:01:08,730

you make it big you use a magnifying

2949

02:01:13,340 --> 02:01:10,380

glass you get your ear to be in a dark

2950

02:01:15,650 --> 02:01:13,350

room use your laptop computer you will

2951

02:01:18,560 --> 02:01:15,660

see that in the photo

2952

02:01:20,720 --> 02:01:18,570

there are three people it's a man as a

2953

02:01:24,230 --> 02:01:20,730

husband a wife and a little boy and

2954

02:01:27,170 --> 02:01:24,240

they're sitting in a crystal throne and

2955

02:01:29,750 --> 02:01:27,180

they're flying over a crystal city of

2956

02:01:31,340 --> 02:01:29,760

pyramids the whole city of pyramids and

2957

02:01:33,320 --> 02:01:31,350

they're all crystal and what your

2958

02:01:34,910 --> 02:01:33,330

highness is that is now listen this is

2959

02:01:36,350 --> 02:01:34,920

really fun and I can actually send you a

2960

02:01:38,870 --> 02:01:36,360

picture that I drew of it and you'll

2961

02:01:41,150 --> 02:01:38,880

compare the picture to the photo what

2962

02:01:42,740 --> 02:01:41,160

happens is is is is the man is about

2963

02:01:44,090 --> 02:01:42,750

eight feet tall they're sitting in a

2964

02:01:46,250 --> 02:01:44,100

throw he's sitting in the throne he's

2965

02:01:48,110 --> 02:01:46,260

wearing like a large Pope hat you know

2966

02:01:50,210 --> 02:01:48,120

mitre hat you've heard of those yes big

2967

02:01:52,880 --> 02:01:50,220

white okay in the front of the Hat is a

2968

02:01:55,640 --> 02:01:52,890

huge crystal down by his forehead on the

2969

02:01:58,310 --> 02:01:55,650

Hat it's a small crystal his son is

2970

02:02:00,710 --> 02:01:58,320

sitting on his right shoulder and he has

2971

02:02:02,900 --> 02:02:00,720

his right arm around his dad's neck the

2972

02:02:05,270 --> 02:02:02,910

walk that and the little boy has his

2973

02:02:08,090 --> 02:02:05,280

left leg draped over his mother who's

2974

02:02:10,340 --> 02:02:08,100

sitting beside the father over her left

2975

02:02:12,470 --> 02:02:10,350

shoulder and she has her left arm

2976

02:02:14,570 --> 02:02:12,480

holding his left leg I have this all

2977

02:02:16,670 --> 02:02:14,580

drawn off entity and they're saying

2978

02:02:19,160 --> 02:02:16,680

there if they're in a crystal throne

2979

02:02:20,779 --> 02:02:19,170

that and and behind them is the thing

2980

02:02:24,099 --> 02:02:20,789

called into jet pillar do you know

2981

02:02:27,020 --> 02:02:24,109

Dillard's no I don't okay in 18 Egypt

2982

02:02:29,509 --> 02:02:27,030

from from Fatah the toss Sekhmet an

2983

02:02:31,489 --> 02:02:29,519

effort Tim were the coton Sekhmet were

2984

02:02:33,379 --> 02:02:31,499

the Creator gods they always were

2985

02:02:35,809 --> 02:02:33,389

represented with with with the things

2986

02:02:37,609 --> 02:02:35,819

that men power was was a pillar that

2987

02:02:39,259 --> 02:02:37,619

kind of looked like it had ridges on it

2988

02:02:41,029 --> 02:02:39,269

and it's called a digit pillar and

2989

02:02:43,129 --> 02:02:41,039

actually the project was called the

2990

02:02:45,169 --> 02:02:43,139

jetty project that's what their that it

2991

02:02:46,429 --> 02:02:45,179

was that the national Geographics when

2992

02:02:49,069 --> 02:02:46,439

they filmed it is called the jetty

2993

02:02:51,109 --> 02:02:49,079

project that majors the robots yeah it's

2994

02:02:54,020 --> 02:02:51,119

amazing but what happens is the three

2995

02:02:55,819 --> 02:02:54,030

people sitting on the throne in this

2996

02:02:58,819 --> 02:02:55,829

throne that's flying over Crystal City

2997

02:03:02,329 --> 02:02:58,829

of pyramids they are the creator gods

2998

02:03:03,770 --> 02:03:02,339

Ptah Sekhmet his wife and Deffer Tim his

2999

02:03:07,039 --> 02:03:03,780

son who was sitting on his shoulder and

3000

02:03:09,409 --> 02:03:07,049

the kid actually is wearing a small Pope

3001

02:03:11,539 --> 02:03:09,419

hat or mitre hat and the woman is

3002

02:03:13,789 --> 02:03:11,549

wearing a she's wearing kind of like a

3003

02:03:17,649 --> 02:03:13,799

like a Nefertiti type hat and she has a

3004

02:03:19,159 --> 02:03:17,659

realm crystal on her forehead on the Hat

3005

02:03:24,619 --> 02:03:19,169

Wow

3006

02:03:26,179 --> 02:03:24,629

very okay this has just been probably

3007

02:03:28,219 --> 02:03:26,189

one of the most fascinating shows I've

3008

02:03:29,809 --> 02:03:28,229

done in a long time Gary I really want

3009

02:03:31,819 --> 02:03:29,819

to thank you for getting a hold of me

3010

02:03:33,739 --> 02:03:31,829

and asking to be on the show because

3011

02:03:35,359 --> 02:03:33,749

this has just been extraordinary I'm

3012

02:03:37,849 --> 02:03:35,369

sure it's gonna be do a lot of people

3013

02:03:40,219 --> 02:03:37,859

getting a hold of you and I'm sure

3014

02:03:42,439 --> 02:03:40,229

there's many other experiencers as I

3015

02:03:45,379 --> 02:03:42,449

call them that listen to my show that

3016

02:03:47,539 --> 02:03:45,389

have had a similar experience if not the

3017

02:03:49,399 --> 02:03:47,549

same experience because I do have some

3018

02:03:52,009 --> 02:03:49,409

extraordinary people listening to my

3019

02:03:53,629 --> 02:03:52,019

show and I know that the the experiencer

3020

02:03:55,579 --> 02:03:53,639

is out there that have found out about

3021

02:03:57,979 --> 02:03:55,589

my show because I always talk about how

3022

02:04:00,139 --> 02:03:57,989

there's so many types of contact out

3023

02:04:02,659 --> 02:04:00,149

there and that mine have been angels and

3024

02:04:04,789 --> 02:04:02,669

blah blah so I do know that those people

3025

02:04:08,629 --> 02:04:04,799

are listening that contact this higher

3026

02:04:11,599 --> 02:04:08,639

dimensional group of aliens that are

3027

02:04:14,389 --> 02:04:11,609

here that created us and are our gods as

3028

02:04:16,489 --> 02:04:14,399

we want to say so so I hope they do fine

3029

02:04:19,789 --> 02:04:16,499

deal sorry do you remember the movie

3030

02:04:22,159 --> 02:04:19,799

Close Encounters oh gosh I just saw it

3031

02:04:24,559 --> 02:04:22,169

this week again the third time yeah well

3032

02:04:26,989 --> 02:04:24,569

in the movie in the movie not only

3033

02:04:28,339 --> 02:04:26,999

Richard Dreyfuss but there were other

3034

02:04:29,359 --> 02:04:28,349

people who were contacted but they

3035

02:04:31,909 --> 02:04:29,369

couldn't make the connection they

3036

02:04:34,129 --> 02:04:31,919

couldn't get up to the I think me I'm

3037

02:04:34,520 --> 02:04:34,139

one of many that have been contacted but

3038

02:04:37,669 --> 02:04:34,530

but

3039

02:04:40,010 --> 02:04:37,679

connection by going in the water

3040

02:04:41,899 --> 02:04:40,020

so I think that's my only difference

3041

02:04:44,060 --> 02:04:41,909

that I made this more of a connection I

3042

02:04:46,720 --> 02:04:44,070

think I think though that it's send out

3043

02:04:49,370 --> 02:04:46,730

a signal to a lot of people not just me

3044

02:04:51,319 --> 02:04:49,380

absolutely I agree with you on that so

3045

02:04:53,959 --> 02:04:51,329

anyhow well we'll have you back again

3046

02:04:55,970 --> 02:04:53,969

Carrie I promise you that and everybody

3047

02:04:58,310 --> 02:04:55,980

have a great week and we'll see you next
