

# John Ford UFO Nightmare | Episode 24: Why is He Still Incarcerated?

Listen on

[inceptionradionetwork.com](http://inceptionradionetwork.com)

1  
00:00:07,570 --> 00:00:02,270  
you're locked into Inception Radio

2  
00:00:48,990 --> 00:00:17,500  
[Music]

3  
00:00:56,380 --> 00:00:53,430  
welcome to the John Ford UFO nightmare a

4  
00:01:04,110 --> 00:00:56,390  
dedicated you apologists journey through

5  
00:01:09,219 --> 00:01:06,480  
[Music]

6  
00:01:11,770 --> 00:01:09,229  
welcome to the John Ford UFO nightmare

7  
00:01:14,170 --> 00:01:11,780  
episode 26 I believe we have some

8  
00:01:16,900 --> 00:01:14,180  
exciting news and to talk about tonight

9  
00:01:19,030 --> 00:01:16,910  
on the air we have our full brain trust

10  
00:01:20,469 --> 00:01:19,040  
of researchers on tonight I'm not going

11  
00:01:23,830 --> 00:01:20,479  
to go through introductions everybody

12  
00:01:25,780 --> 00:01:23,840  
knows who's on tonight if you've been a

13  
00:01:28,030 --> 00:01:25,790

regular listener to the John 41

14

00:01:30,700 --> 00:01:28,040

nightmare and I'm gonna hand it over to

15

00:01:32,680 --> 00:01:30,710

mr. Bob tarmac to take it over and we're

16

00:01:34,359 --> 00:01:32,690

gonna get into some really really good I

17

00:01:36,100 --> 00:01:34,369

would say good news finally with the

18

00:01:41,260 --> 00:01:36,110

John 40 awful nightmare take it away mr.

19

00:01:44,350 --> 00:01:41,270

tarmac well we have some good news if

20

00:01:47,080 --> 00:01:44,360

you're listening to the chauffeur's were

21

00:01:50,530 --> 00:01:47,090

very first time this is about John Ford

22

00:01:54,510 --> 00:01:50,540

it's about a fellow who was doing UFO

23

00:01:56,830 --> 00:01:54,520

research and got too close to

24

00:02:00,609 --> 00:01:56,840

information that he was not supposed to

25

00:02:04,749 --> 00:02:00,619

know about what eventually happened is

26  
00:02:07,050 --> 00:02:04,759  
he was railroaded he was framed and he's

27  
00:02:12,400 --> 00:02:07,060  
been incarcerated for the last 20 years

28  
00:02:15,539 --> 00:02:12,410  
I am rather new to this I've only had

29  
00:02:19,740 --> 00:02:15,549  
maybe a year to two years worth of

30  
00:02:22,930 --> 00:02:19,750  
exposure to it we do have some good news

31  
00:02:28,449 --> 00:02:22,940  
there has been a development with John

32  
00:02:30,789 --> 00:02:28,459  
four case all I didn't mention we

33  
00:02:34,539 --> 00:02:30,799  
haven't just been incarcerated in a jail

34  
00:02:36,910 --> 00:02:34,549  
they they took a man who is completely

35  
00:02:40,720 --> 00:02:36,920  
innocent never convicted any crime

36  
00:02:44,080 --> 00:02:40,730  
whatsoever he is a court officer with

37  
00:02:46,569 --> 00:02:44,090  
the New York State Supreme Court and so

38  
00:02:49,240 --> 00:02:46,579

very well trusted individuals they

39

00:02:52,060 --> 00:02:49,250

locked him away and then Institutes of

40

00:02:54,790 --> 00:02:52,070

the criminally insane the worst possible

41

00:02:57,330 --> 00:02:54,800

place you could put somebody in D

42

00:02:58,510 --> 00:02:57,340

they're not going to let him out so

43

00:03:02,770 --> 00:02:58,520

that's

44

00:03:06,160 --> 00:03:02,780

this is why we have the show it's this

45

00:03:11,320 --> 00:03:06,170

travesty in the public eye and hopefully

46

00:03:14,170 --> 00:03:11,330

as we have the show aired week after

47

00:03:16,810 --> 00:03:14,180

week month after month the public will

48

00:03:18,960 --> 00:03:16,820

say this without raging beast and any

49

00:03:25,720 --> 00:03:18,970

case I'm going to hand us over to

50

00:03:28,420 --> 00:03:25,730

Marilyn Marilyn you have some goodies I

51  
00:03:30,490 --> 00:03:28,430  
do I do I'm just I'm really excited

52  
00:03:34,900 --> 00:03:30,500  
about this I didn't talk to Jo the other

53  
00:03:38,860 --> 00:03:34,910  
day he gave me this information and he

54  
00:03:41,670 --> 00:03:38,870  
has a new lawyer to the tune of \$25,000

55  
00:03:45,610 --> 00:03:41,680  
but it's a flat fee that he'll do it for

56  
00:03:49,420 --> 00:03:45,620  
25,000 and concluding court fees his

57  
00:03:52,420 --> 00:03:49,430  
name is Steve Metcalf from Metcalf and

58  
00:03:56,680 --> 00:03:52,430  
Metcalf PC you want me to give the

59  
00:04:01,660 --> 00:03:56,690  
address of where he's located it's 11

60  
00:04:08,110 --> 00:04:01,670  
Broadway sweet 615 new york new york one

61  
00:04:10,000 --> 00:04:08,120  
zero zero zero four and dick and i spent

62  
00:04:14,860 --> 00:04:10,010  
the better part of two hours the other

63  
00:04:17,380 --> 00:04:14,870

day and we copied and stapled every

64

00:04:21,670 --> 00:04:17,390

letter that john had ever written to

65

00:04:26,320 --> 00:04:21,680

elaine Douglas and she had saved every

66

00:04:28,540 --> 00:04:26,330

one of those letters and so some of them

67

00:04:30,430 --> 00:04:28,550

are like love letters some just are

68

00:04:35,530 --> 00:04:30,440

general information of what's going on

69

00:04:37,660 --> 00:04:35,540

with John but in our opinion we think

70

00:04:40,060 --> 00:04:37,670

that those letters indicate what frame

71

00:04:43,090 --> 00:04:40,070

of mind John was in or knew the rest

72

00:04:46,920 --> 00:04:43,100

they were dating when when he was

73

00:04:50,470 --> 00:04:46,930

arrested so they had a relationship

74

00:04:53,490 --> 00:04:50,480

later on Elaine kind of gave up on the

75

00:04:57,280 --> 00:04:53,500

relationship and then moved to Moab Utah

76

00:04:59,620 --> 00:04:57,290

but I I'd like to read you the cover

77

00:05:02,230 --> 00:04:59,630

letter that we what with all those

78

00:05:03,909 --> 00:05:02,240

letters we figured that he'd get these

79

00:05:07,990 --> 00:05:03,919

letters and say what the heck is this

80

00:05:11,350 --> 00:05:08,000

you know so here's my letter Metcalfe at

81

00:05:12,340 --> 00:05:11,360

Metcalfe PC 11 Broadway sweet 615 New

82

00:05:15,100 --> 00:05:12,350

York New York

83

00:05:17,860 --> 00:05:15,110

zero zero zero for reference John Ford

84

00:05:19,360 --> 00:05:17,870

case mid-hudson psychiatric hospital

85

00:05:22,690 --> 00:05:19,370

Hampton New York

86

00:05:24,820 --> 00:05:22,700

dear mr. Steve Metcalfe you're receiving

87

00:05:26,830 --> 00:05:24,830

these personal letters written by John

88

00:05:29,860 --> 00:05:26,840

Ford over a period of years - miss

89

00:05:31,630 --> 00:05:29,870

Elaine Douglas of Moab Utah John and

90

00:05:32,920 --> 00:05:31,640

Elaine were in a relationship at the

91

00:05:35,200 --> 00:05:32,930

time of his arrest

92

00:05:38,530 --> 00:05:35,210

Elaine passed away two years ago in

93

00:05:39,970 --> 00:05:38,540

January 2015 it is our opinion that

94

00:05:42,610 --> 00:05:39,980

these letters will show the state of

95

00:05:45,370 --> 00:05:42,620

mind John had had at the time of his

96

00:05:46,290 --> 00:05:45,380

arrest until 2007 when the letters

97

00:05:48,790 --> 00:05:46,300

stopped coming

98

00:05:52,300 --> 00:05:48,800

Elaine stopped writing him due to a

99

00:05:55,180 --> 00:05:52,310

serious illness and she later died from

100

00:05:56,620 --> 00:05:55,190

breast cancer when he lame dad was

101

00:05:58,960 --> 00:05:56,630

passed our team

102

00:06:01,390 --> 00:05:58,970

the Oklahoma UFO paranormal team was

103

00:06:05,290 --> 00:06:01,400

asked if we wanted to wanted her

104

00:06:07,030 --> 00:06:05,300

research files we of course said yes it

105

00:06:09,190 --> 00:06:07,040

was within these files that we

106

00:06:12,270 --> 00:06:09,200

discovered a very large file on John

107

00:06:16,150 --> 00:06:12,280

Ford among them were his letters to her

108

00:06:19,240 --> 00:06:16,160

John's letters all indicate to us he was

109

00:06:21,790 --> 00:06:19,250

not mentally ill in any way we chose not

110

00:06:24,100 --> 00:06:21,800

to publish some things in the file for

111

00:06:26,650 --> 00:06:24,110

personal reasons they were not meant for

112

00:06:31,810 --> 00:06:26,660

the public to read the majority of the

113

00:06:34,060 --> 00:06:31,820

files are on WWE legolas files calm if

114

00:06:36,370 --> 00:06:34,070

you have any questions regarding these

115

00:06:40,030 --> 00:06:36,380

letters please contact us and I give

116

00:06:43,390 --> 00:06:40,040

them our number or email address and our

117

00:06:46,180 --> 00:06:43,400

mailing address sincerely Marilyn and

118

00:06:47,920 --> 00:06:46,190

Richard Carlson so that's the letter

119

00:06:49,420 --> 00:06:47,930

that went with those hope its

120

00:06:56,530 --> 00:06:49,430

explanatory

121

00:06:58,180 --> 00:06:56,540

well done Marilyn well done so if he

122

00:06:59,800 --> 00:06:58,190

takes the time to sit and read them he's

123

00:07:02,680 --> 00:06:59,810

going to be able to formulate a pretty

124

00:07:07,510 --> 00:07:02,690

good opinion including

125

00:07:12,570 --> 00:07:07,520

if he spends his time reading John's 82

126

00:07:15,930 --> 00:07:12,580

page public statement that he made

127

00:07:19,510 --> 00:07:15,940

regarding it's practically a book

128

00:07:23,400 --> 00:07:19,520

regarding what happened to him and how

129

00:07:26,290 --> 00:07:23,410

he got himself into that situation so

130

00:07:28,180 --> 00:07:26,300

anyway that's that's the latest news

131

00:07:32,020 --> 00:07:28,190

is that he does have a new attorney and

132

00:07:36,010 --> 00:07:32,030

I'm I'm really happy that he's switched

133

00:07:37,390 --> 00:07:36,020

attorneys his other attorney as many of

134

00:07:40,600 --> 00:07:37,400

you who've been listening to the show

135

00:07:44,140 --> 00:07:40,610

may know became very ill with with with

136

00:07:46,029 --> 00:07:44,150

cancer and he basically didn't have

137

00:07:46,839 --> 00:07:46,039

anybody in the office pick up the ball

138

00:07:50,320 --> 00:07:46,849

and run with it

139

00:07:54,879 --> 00:07:50,330

so John had to give up on him and move

140

00:07:58,480 --> 00:07:54,889

on to another attorney so how did he

141

00:08:02,170 --> 00:07:58,490

come to pick this particular guy Joe

142

00:08:05,950 --> 00:08:02,180

didn't you help oh yeah we said it was

143

00:08:08,950 --> 00:08:05,960

through Marty Marty Tankleff the

144

00:08:14,610 --> 00:08:08,960

gentleman was who was arrested when he

145

00:08:18,040 --> 00:08:14,620

was might coming through okay yeah okay

146

00:08:20,409 --> 00:08:18,050

Marty Tankleff is a he's basically he's

147

00:08:22,809 --> 00:08:20,419

a celebrity in the New York area he was

148

00:08:24,339 --> 00:08:22,819

arrested at the age of 17 and convicted

149

00:08:28,920 --> 00:08:24,349

of a very serious crime

150

00:08:32,139 --> 00:08:28,930

in prison for 17 years and only after

151  
00:08:34,420 --> 00:08:32,149  
after 17 years he finally proved as he

152  
00:08:36,459 --> 00:08:34,430  
had to prove his innocence basically it

153  
00:08:39,010 --> 00:08:36,469  
was a similar situation except he was

154  
00:08:41,620 --> 00:08:39,020  
found guilty after trial and John never

155  
00:08:45,490 --> 00:08:41,630  
had a trial he was John John Ford was

156  
00:08:48,000 --> 00:08:45,500  
completely denied access to the to the

157  
00:08:51,010 --> 00:08:48,010  
court system and so forth but the

158  
00:08:53,590 --> 00:08:51,020  
Tankleff became basically a local

159  
00:08:58,420 --> 00:08:53,600  
celebrity he went to law school and now

160  
00:09:01,300 --> 00:08:58,430  
he scours around and he if he has an

161  
00:09:03,639 --> 00:09:01,310  
interest in a case he picks attorneys to

162  
00:09:07,360 --> 00:09:03,649  
do the you know whatever their specialty

163  
00:09:10,210 --> 00:09:07,370

is whether it be litigation civil rights

164

00:09:14,100 --> 00:09:10,220

it's mostly civil rights you know were

165

00:09:16,860 --> 00:09:14,110

the the rock layer of through the

166

00:09:21,850 --> 00:09:16,870

justice system and the court system

167

00:09:24,430 --> 00:09:21,860

cases and he basically he basically

168

00:09:26,920 --> 00:09:24,440

instructed mr. Metcalf to contact John

169

00:09:28,540 --> 00:09:26,930

at the contact mate and make

170

00:09:30,699 --> 00:09:28,550

arrangements so that they could take the

171

00:09:34,990 --> 00:09:30,709

case they're very interested in the case

172

00:09:37,210 --> 00:09:35,000

now and it's been for so long I mean

173

00:09:41,019 --> 00:09:37,220

we're talking about 21 and a half

174

00:09:43,990 --> 00:09:41,029

in custody illegally and I spoke with

175

00:09:48,670 --> 00:09:44,000

him at someone and I said to him every

176

00:09:51,280 --> 00:09:48,680

possible website link every video links

177

00:09:54,460 --> 00:09:51,290

to videos that are up there concerning

178

00:09:58,540 --> 00:09:54,470

the the district attorney and so forth

179

00:10:04,900 --> 00:09:58,550

and you know it was only after this past

180

00:10:10,150 --> 00:10:04,910

Tuesday John was John was had his mental

181

00:10:16,420 --> 00:10:10,160

health evaluation for the for the staff

182

00:10:18,660 --> 00:10:16,430

at the North Hudson facility there they

183

00:10:21,429 --> 00:10:18,670

had five psychiatrists and the entire

184

00:10:23,920 --> 00:10:21,439

the entire treatment team go in there

185

00:10:26,530 --> 00:10:23,930

and give testimony concerning John and

186

00:10:36,929 --> 00:10:26,540

John was led in there with this present

187

00:10:40,629 --> 00:10:36,939

lawyer which is a mr. Reno Reno okay so

188

00:10:43,150 --> 00:10:40,639

it was after that that John it was over

189

00:10:45,189 --> 00:10:43,160

the weekend prior to that John gave me

190

00:10:47,559 --> 00:10:45,199

the final say so that it was okay to

191

00:10:49,990 --> 00:10:47,569

send this guy in this guy is checked for

192

00:10:54,100 --> 00:10:50,000

more actually more than he makes in a

193

00:10:56,499 --> 00:10:54,110

year for his disability income from the

194

00:11:00,610 --> 00:10:56,509

state of New York which he wouldn't have

195

00:11:03,910 --> 00:11:00,620

access to if he had pled guilty to a to

196

00:11:08,490 --> 00:11:03,920

a felony even a low a low level felony

197

00:11:11,530 --> 00:11:08,500

and and he would not have been able to

198

00:11:16,809 --> 00:11:11,540

to have any access to to a to an

199

00:11:19,749 --> 00:11:16,819

attorney of the stature and considering

200

00:11:23,439 --> 00:11:19,759

his level of expertise John's getting a

201

00:11:27,400 --> 00:11:23,449

bargain okay and but I had a wait for

202

00:11:28,240 --> 00:11:27,410

final agreement you know with John are

203

00:11:30,040 --> 00:11:28,250

you absolutely sure

204

00:11:31,780 --> 00:11:30,050

is he gonna cover everything have you

205

00:11:33,309 --> 00:11:31,790

spoken with the guy spoke with him

206

00:11:35,679 --> 00:11:33,319

several times and I believe he's going

207

00:11:37,629 --> 00:11:35,689

up to visit him sometime this week I'm

208

00:11:40,480 --> 00:11:37,639

not certain of that I spoke with John

209

00:11:44,879 --> 00:11:40,490

earlier this evening and he seems very

210

00:11:51,310 --> 00:11:49,540

according to Reno the last event on this

211

00:11:53,170 --> 00:11:51,320

past Tuesday

212

00:11:56,530 --> 00:11:53,180

the the meeting with the psychiatrist

213

00:11:59,860 --> 00:11:56,540

and the only and the lawyers and the

214

00:12:02,500 --> 00:11:59,870

district attorney's office he arena

215

00:12:04,090 --> 00:12:02,510

Trina told him that he thought something

216

00:12:05,350 --> 00:12:04,100

smelled something wasn't right

217

00:12:08,290 --> 00:12:05,360

they were trying to set him up for

218

00:12:12,420 --> 00:12:08,300

something but he did very well in his

219

00:12:16,630 --> 00:12:12,430

his participation in that in that venue

220

00:12:18,640 --> 00:12:16,640

so so we have the guy as soon as he

221

00:12:20,860 --> 00:12:18,650

cashes the check I guess you can go up

222

00:12:22,120 --> 00:12:20,870

and see John and I get any other

223

00:12:24,490 --> 00:12:22,130

information he needs

224

00:12:32,560 --> 00:12:24,500

oh that's where that's the ends right

225

00:12:34,410 --> 00:12:32,570

now okay okay I was curious I had to

226

00:12:36,610 --> 00:12:34,420

initially been under the impression that

227

00:12:39,070 --> 00:12:36,620

Marty Tankleff was going to take over

228

00:12:40,000 --> 00:12:39,080

himself is there some reason why he

229

00:12:45,160 --> 00:12:40,010

recommended

230

00:12:50,020 --> 00:12:45,170

he's Metcalfe yes there was Marty

231

00:12:53,710 --> 00:12:50,030

Tankleff is not he's not able to take

232

00:12:59,020 --> 00:12:53,720

certain cases by himself because of his

233

00:13:04,000 --> 00:12:59,030

level of expertise is with the bar and

234

00:13:06,490 --> 00:13:04,010

so forth he hasn't but he only started

235

00:13:09,480 --> 00:13:06,500

going to school and then to law school

236

00:13:14,200 --> 00:13:09,490

when he was 34 okay

237

00:13:16,180 --> 00:13:14,210

he's 37 or 38 so he what he does is he

238

00:13:18,430 --> 00:13:16,190

you know after winning one of the suits

239

00:13:21,010 --> 00:13:18,440

now he can go out and hire these lawyers

240

00:13:27,940 --> 00:13:21,020

and pick the cases that he wants to so

241

00:13:29,320 --> 00:13:27,950

they work for him okay and he gets

242

00:13:31,210 --> 00:13:29,330

somebody that has a lot of courtroom

243

00:13:32,920 --> 00:13:31,220

experience if something has to go to

244

00:13:35,980 --> 00:13:32,930

federal court he's dead so somebody that

245

00:13:37,960 --> 00:13:35,990

only with Viral court ifs mental health

246

00:13:40,780 --> 00:13:37,970

court they bring somebody mental health

247

00:13:42,610 --> 00:13:40,790

experts in so he said he picks and

248

00:13:44,500 --> 00:13:42,620

chooses and he finds the best people for

249

00:13:47,230 --> 00:13:44,510

the job and people aren't going to back

250

00:13:50,440 --> 00:13:47,240

down and he specifically taught me that

251  
00:13:52,240 --> 00:13:50,450  
several times on the phone people that

252  
00:13:53,910 --> 00:13:52,250  
don't back down are going to be involved

253  
00:13:56,140 --> 00:13:53,920  
in this people that want publicity

254  
00:13:58,720 --> 00:13:56,150  
regarding this case that people are

255  
00:14:01,480 --> 00:13:58,730  
gonna shower with like like his previous

256  
00:14:03,430 --> 00:14:01,490  
attorneys all right people want

257  
00:14:04,820 --> 00:14:03,440  
publicity that wants to be on a radio

258  
00:14:07,790 --> 00:14:04,830  
over there I go bring it to the

259  
00:14:09,920 --> 00:14:07,800  
of local and network and hopefully

260  
00:14:12,590 --> 00:14:09,930  
international television just like the

261  
00:14:14,630 --> 00:14:12,600  
alleged crime okay and there was no

262  
00:14:17,000 --> 00:14:14,640  
crime let's make it let's make that very

263  
00:14:19,190 --> 00:14:17,010

very clear there was no crime this is a

264

00:14:21,410 --> 00:14:19,200

fourth crime this is something that was

265

00:14:24,680 --> 00:14:21,420

taken from an innocent man in his home

266

00:14:25,550 --> 00:14:24,690

where the expectation of privacy was was

267

00:14:28,220 --> 00:14:25,560

paramount

268

00:14:30,590 --> 00:14:28,230

all right it was the dirtiest way

269

00:14:34,430 --> 00:14:30,600

possible okay everybody here knows what

270

00:14:38,480 --> 00:14:34,440

I'm talking about am I correct yes yeah

271

00:14:40,010 --> 00:14:38,490

I'm totally how yeah this is something

272

00:14:42,290 --> 00:14:40,020

that we are we talk about even on the

273

00:14:44,720 --> 00:14:42,300

radio joking around about you know this

274

00:14:47,060 --> 00:14:44,730

guy and this guy and political opponents

275

00:14:49,820 --> 00:14:47,070

people what we believe in people that

276

00:14:53,810 --> 00:14:49,830

you know that attracted detractors to

277

00:14:57,740 --> 00:14:53,820

the you know just two basic moral from

278

00:14:59,960 --> 00:14:57,750

anybody you know of any living human and

279

00:15:02,030 --> 00:14:59,970

these people were so far below that and

280

00:15:03,910 --> 00:15:02,040

they had to find a scapegoat for their

281

00:15:07,130 --> 00:15:03,920

dirty deeds and they won't have to join

282

00:15:08,450 --> 00:15:07,140

okay it's just a horrible horrible thing

283

00:15:12,560 --> 00:15:08,460

it's all political

284

00:15:15,140 --> 00:15:12,570

and it smells and hep 20 over 21 years

285

00:15:16,070 --> 00:15:15,150

now it's just gotten to the point of

286

00:15:19,420 --> 00:15:16,080

stupidity

287

00:15:27,500 --> 00:15:19,430

John just turned I believe 70 this past

288

00:15:29,420 --> 00:15:27,510

the best way clay price okay I put it

289

00:15:41,410 --> 00:15:29,430

this way night they don't remember I use

290

00:15:48,920 --> 00:15:46,850

thanks buddy speaker s crickets are I

291

00:16:07,760 --> 00:15:48,930

think I that that's about the update

292

00:16:10,970 --> 00:16:07,770

upshot of everything it's the 11th and

293

00:16:14,510 --> 00:16:10,980

younger sister August so we both have

294

00:16:17,810 --> 00:16:14,520

very many more jobs

295

00:16:18,560 --> 00:16:17,820

what's interesting Joe his 11th was my

296

00:16:24,080 --> 00:16:18,570

dad's

297

00:16:26,480 --> 00:16:24,090

think it's better you mentioned two

298

00:16:29,000 --> 00:16:26,490

siblings - the only siblings one on

299

00:16:38,860 --> 00:16:29,010

August 6 and the other one on 9/11

300

00:16:43,670 --> 00:16:41,870

no it's actually the 11th I put then I

301  
00:16:47,090 --> 00:16:43,680  
put down a tenth so people won't

302  
00:16:50,660 --> 00:16:47,100  
associate me with that day you know

303  
00:17:02,420 --> 00:16:50,670  
unless I do have a friend actually whose

304  
00:17:04,520 --> 00:17:02,430  
birthday is now it's hard to celebrate

305  
00:17:07,760 --> 00:17:04,530  
you have such of an arm in his birthday

306  
00:17:15,470 --> 00:17:07,770  
yeah my dad says he was the first

307  
00:17:17,030 --> 00:17:15,480  
disaster on 9/11 it's funny okay Peter

308  
00:17:22,010 --> 00:17:17,040  
moon could I take over for a bit here

309  
00:17:26,000 --> 00:17:22,020  
sure and I want to talk about something

310  
00:17:29,390 --> 00:17:26,010  
that occurred Friday night and how it

311  
00:17:33,830 --> 00:17:29,400  
ties into the John Ford paradigm there

312  
00:17:37,720 --> 00:17:33,840  
was a History Channel documentary on a

313  
00:17:41,750 --> 00:17:37,730

new that was about the Montauk Project

314

00:17:45,440 --> 00:17:41,760

on the dark files now Jerry 'some ECU's

315

00:17:47,600 --> 00:17:45,450

you saw this correct if they did okay

316

00:17:50,170 --> 00:17:47,610

I'd like you to now give I mean so it's

317

00:17:52,940 --> 00:17:50,180

not because this concerns I you know

318

00:17:55,370 --> 00:17:52,950

research the Montauk Project for 27

319

00:17:57,490 --> 00:17:55,380

years I'm the author and publisher of

320

00:17:59,810 --> 00:17:57,500

the book along with Preston Nichols and

321

00:18:01,520 --> 00:17:59,820

because Jerry you're a reporter who's

322

00:18:05,450 --> 00:18:01,530

been on the scene for a long long time

323

00:18:11,360 --> 00:18:05,460

I'd like to give your objective account

324

00:18:16,640 --> 00:18:11,370

of what you saw on Friday well as you as

325

00:18:19,430 --> 00:18:16,650

I had I had messaged you Saturday my you

326

00:18:23,360 --> 00:18:19,440

know one thing I was I was immensely

327

00:18:26,090 --> 00:18:23,370

bothered by it was that now I I know I

328

00:18:29,210 --> 00:18:26,100

know from you know Peter previously

329

00:18:31,580 --> 00:18:29,220

mentioned that he had been interviewed

330

00:18:33,110 --> 00:18:31,590

for this for this for this show at

331

00:18:36,140 --> 00:18:33,120

length

332

00:18:38,840 --> 00:18:36,150

then so I was very eager to see now the

333

00:18:43,310 --> 00:18:38,850

number one they didn't use his interview

334

00:18:47,060 --> 00:18:43,320

at all and number two when they talked

335

00:18:48,590 --> 00:18:47,070

about the Montauk books they just said

336

00:18:51,970 --> 00:18:48,600

press and Nichols author of the Montauk

337

00:18:55,280 --> 00:18:51,980

books when I know a few Peter at all

338

00:18:57,650 --> 00:18:55,290

know so I I was I was pretty outraged

339

00:18:59,900 --> 00:18:57,660

it's just that that to me says a lot

340

00:19:02,780 --> 00:18:59,910

about something at first why would they

341

00:19:07,220 --> 00:19:02,790

even do that number number one secondly

342

00:19:10,070 --> 00:19:07,230

the fact is if those original Montauk

343

00:19:12,740 --> 00:19:10,080

books if obviously Preston gave a lot of

344

00:19:15,049 --> 00:19:12,750

info about it I know maybe I shouldn't

345

00:19:17,480 --> 00:19:15,059

say I know I'm surmising that Peter

346

00:19:20,690 --> 00:19:17,490

actually did the writing that ya know

347

00:19:22,669 --> 00:19:20,700

you know presidents apart so to just say

348

00:19:24,770 --> 00:19:22,679

I mean I know if I had been the

349

00:19:26,720 --> 00:19:24,780

co-author a book and I see it on TV

350

00:19:28,370 --> 00:19:26,730

program and they just mentioned my

351

00:19:31,419 --> 00:19:28,380

co-author as the author I'd be pretty

352

00:19:35,540 --> 00:19:31,429

pissed and the fact the fact is that

353

00:19:36,260 --> 00:19:35,550

it's really without Peter moon this

354

00:19:38,120 --> 00:19:36,270

whole month

355

00:19:40,250 --> 00:19:38,130

it you know I guess it would have been a

356

00:19:43,549 --> 00:19:40,260

local legends or people will talk about

357

00:19:46,250 --> 00:19:43,559

it locally on Long Island but he put it

358

00:19:50,210 --> 00:19:46,260

out there there would be no teeth TV

359

00:19:55,070 --> 00:19:50,220

thing I don't understand why they did

360

00:19:56,630 --> 00:19:55,080

that and I you know I I mean that to me

361

00:19:58,880 --> 00:19:56,640

stands out among everything I'm not

362

00:20:00,110 --> 00:19:58,890

saying that they had these they had

363

00:20:03,320 --> 00:20:00,120

three people they have one was a

364

00:20:08,030 --> 00:20:03,330

reporter one was allegedly had worked

365

00:20:16,760 --> 00:20:08,040

previously in the CIA and the third guy

366

00:20:20,780 --> 00:20:16,770

was a guy who could get a no I yeah he

367

00:20:23,299 --> 00:20:20,790

did the movie right right and and he

368

00:20:25,850 --> 00:20:23,309

yeah he had he had apparently summit in

369

00:20:28,490 --> 00:20:25,860

Montauk as a kid he mentioned some

370

00:20:31,100 --> 00:20:28,500

incident when he was say less than ten

371

00:20:35,990 --> 00:20:31,110

in the early 80s where he was walking on

372

00:20:38,690 --> 00:20:36,000

the beach with his dad and around camp

373

00:20:42,470 --> 00:20:38,700

hero you know I guess in the the

374

00:20:45,200 --> 00:20:42,480

shoreline primitive camp ERL and they

375

00:20:46,970 --> 00:20:45,210

were stopped from going further by some

376

00:20:49,460 --> 00:20:46,980

guy he just who described it

377

00:20:53,419 --> 00:20:49,470

you can't go past here I had piqued his

378

00:20:54,860 --> 00:20:53,429

interest in over the years he had you

379

00:20:56,450 --> 00:20:54,870

know kind of follow this and I guess

380

00:20:59,360 --> 00:20:56,460

when the book came the books came out he

381

00:21:03,110 --> 00:20:59,370

followed the story and then he also they

382

00:21:04,850 --> 00:21:03,120

interviewed somebody if I'm correct if

383

00:21:06,890 --> 00:21:04,860

the guy's name his last name is minik is

384

00:21:14,360 --> 00:21:06,900

that right Peter something like that

385

00:21:16,310 --> 00:21:14,370

yeah yeah as as a kid as a teenager or

386

00:21:18,560 --> 00:21:16,320

young guy he and his friend said you

387

00:21:21,110 --> 00:21:18,570

know clandestinely gone on the base

388

00:21:25,180 --> 00:21:21,120

because exploring the buildings and did

389

00:21:27,950 --> 00:21:25,190

a lot of filming and you know nobody

390

00:21:30,680 --> 00:21:27,960

nobody can take me I was there when I

391

00:21:32,960 --> 00:21:30,690

was in my 30s okay I was out there with

392

00:21:34,909 --> 00:21:32,970

the creative people and I have hours and

393

00:21:36,950 --> 00:21:34,919

hours of video that's much better than

394

00:21:39,730 --> 00:21:36,960

the stuff they put on that show and they

395

00:21:42,380 --> 00:21:39,740

so Preston in his worst shape possible

396

00:21:44,030 --> 00:21:42,390

they come completely off-guard they have

397

00:21:46,159 --> 00:21:44,040

a guy standing out there with a medal

398

00:21:49,430 --> 00:21:46,169

wearing that wearing a pot on his head

399

00:21:51,260 --> 00:21:49,440

what does that say well let me let me

400

00:21:53,390 --> 00:21:51,270

surmise this and get to it I like I like

401  
00:22:00,710 --> 00:21:53,400  
I like Peter to give his comments off

402  
00:22:03,770 --> 00:22:00,720  
since he was involved in Peter Peter as

403  
00:22:05,840 --> 00:22:03,780  
you surmised this would you please tie

404  
00:22:10,250 --> 00:22:05,850  
it in because the John Ford for the

405  
00:22:12,470 --> 00:22:10,260  
audience I'm gonna tie it in and this is

406  
00:22:14,870 --> 00:22:12,480  
though and I'll just briefly address

407  
00:22:18,400 --> 00:22:14,880  
these because the whole point here is

408  
00:22:24,110 --> 00:22:18,410  
that this was a documentary that was

409  
00:22:27,620 --> 00:22:24,120  
pretending to be objective I had you

410  
00:22:29,450 --> 00:22:27,630  
know of course there's all sorts of

411  
00:22:33,230 --> 00:22:29,460  
information that was supplied to them

412  
00:22:35,150 --> 00:22:33,240  
the final conclusion was that no there's

413  
00:22:38,020 --> 00:22:35,160

no plausibility that time travel

414

00:22:41,500 --> 00:22:38,030

happened well I supplied them with a

415

00:22:44,030 --> 00:22:41,510

patent application for the time reactor

416

00:22:47,480 --> 00:22:44,040

certain people were misrepresented to me

417

00:22:50,299 --> 00:22:47,490

and I'm overall I'm happy that they

418

00:22:52,720 --> 00:22:50,309

promoted the book so and also what it's

419

00:22:57,169 --> 00:22:52,730

done is create a groundswell of support

420

00:23:00,260 --> 00:22:57,179

for another documentary which might well

421

00:23:00,649 --> 00:23:00,270

include Joe's apart oh I have to what

422

00:23:02,149 --> 00:23:00,659

this is

423

00:23:03,859 --> 00:23:02,159

stellen development because there's a

424

00:23:04,539 --> 00:23:03,869

lot of interesting things happening

425

00:23:08,029 --> 00:23:04,549

right now

426

00:23:09,979 --> 00:23:08,039

obesity me with connections in los

427

00:23:11,419 --> 00:23:09,989

angeles or doing something but that's

428

00:23:17,450 --> 00:23:11,429

really beside the point

429

00:23:19,519 --> 00:23:17,460

now with written here is that this

430

00:23:22,129 --> 00:23:19,529

pretends to be objective and I told them

431

00:23:24,200 --> 00:23:22,139

about John for two and they wanted to do

432

00:23:28,369 --> 00:23:24,210

a whole this whole show was supposed to

433

00:23:30,529 --> 00:23:28,379

be a pilot for a series and they were

434

00:23:32,239 --> 00:23:30,539

using the Montauk Project as a vehicle

435

00:23:34,820 --> 00:23:32,249

and they advertise that they're going to

436

00:23:36,259 --> 00:23:34,830

do area 51 Dulce that the same old stuff

437

00:23:38,719 --> 00:23:36,269

we've heard of before

438

00:23:41,779 --> 00:23:38,729

so it's really about putting on a radio

439

00:23:46,729 --> 00:23:41,789

TV show that will mimic the success of

440

00:23:48,019 --> 00:23:46,739

ancient aliens so what we're getting now

441

00:23:50,479 --> 00:23:48,029

when the rete we talk about aliens

442

00:23:52,099 --> 00:23:50,489

that's a show I can't stand to watch by

443

00:23:55,460 --> 00:23:52,109

the way but that's beside the point a

444

00:23:59,749 --> 00:23:55,470

John Ford was a UFO investigator his

445

00:24:04,639 --> 00:23:59,759

case is a dark file his case yeah or

446

00:24:07,249 --> 00:24:04,649

important then area 51 or Dulce or even

447

00:24:09,889 --> 00:24:07,259

the Montauk Project because it is a

448

00:24:12,649 --> 00:24:09,899

civil rights issue of all human beings

449

00:24:14,960 --> 00:24:12,659

in the United States of America so yeah

450

00:24:18,229 --> 00:24:14,970

and you see they're not interested in

451  
00:24:25,009 --> 00:24:18,239  
pursuing this now when we go back to the

452  
00:24:27,950 --> 00:24:25,019  
History Channel it is owned by the it's

453  
00:24:29,659 --> 00:24:27,960  
the same situation as a and E but it's

454  
00:24:32,599 --> 00:24:29,669  
its own I think it's owned by an e but

455  
00:24:35,139 --> 00:24:32,609  
the ultimate corporate owners are Disney

456  
00:24:38,089 --> 00:24:35,149  
and the Hearst Corporation

457  
00:24:40,310 --> 00:24:38,099  
so of course and it's tied to an e I

458  
00:24:43,129 --> 00:24:40,320  
forget the structure and AM II was the

459  
00:24:45,859 --> 00:24:43,139  
one that that basically ashcan

460  
00:24:48,889 --> 00:24:45,869  
the John Ford investigation in the first

461  
00:24:51,859 --> 00:24:48,899  
place so we're dealing with media that

462  
00:24:55,609 --> 00:24:51,869  
will create a narrative that is not in

463  
00:24:58,009 --> 00:24:55,619

the best interests of anyone it is sort

464

00:25:00,440 --> 00:24:58,019

of like a sleight of hand like oh look

465

00:25:03,649 --> 00:25:00,450

at all this interesting stuff yet we're

466

00:25:06,070 --> 00:25:03,659

not giving you the real issue now this

467

00:25:11,269 --> 00:25:06,080

is a cause a legitimate cause for

468

00:25:13,260 --> 00:25:11,279

outrage but then a good we can all be

469

00:25:15,750 --> 00:25:13,270

outraged but the

470

00:25:18,840 --> 00:25:15,760

news is that there is a groundswell of

471

00:25:20,910 --> 00:25:18,850

support swelling right now but this will

472

00:25:26,220 --> 00:25:20,920

take time it will not immediately

473

00:25:27,840 --> 00:25:26,230

relieve the John Ford case but I just

474

00:25:28,830 --> 00:25:27,850

wanted to mention that this is what

475

00:25:31,110 --> 00:25:28,840

we're up against

476

00:25:33,570 --> 00:25:31,120

I'm I'm I have no reason to be

477

00:25:35,070 --> 00:25:33,580

optimistic about this new attorney other

478

00:25:38,100 --> 00:25:35,080

than he's a new attorney and I'm

479

00:25:41,790 --> 00:25:38,110

thankful that we have a new attorney so

480

00:25:44,670 --> 00:25:41,800

I the beacon of which hey Maryland do

481

00:25:47,910 --> 00:25:44,680

you think this legal beagle would come

482

00:25:50,970 --> 00:25:47,920

on the show and talk to us all I can say

483

00:25:54,330 --> 00:25:50,980

is we can certainly talk to him if it's

484

00:25:56,610 --> 00:25:54,340

really the case that they want to be on

485

00:25:59,400 --> 00:25:56,620

TV and they want to talk about things I

486

00:26:04,140 --> 00:25:59,410

would see no reason why they would

487

00:26:06,420 --> 00:26:04,150

decline doing a great interview so I

488

00:26:08,520 --> 00:26:06,430

would say the odds in ninety percent are

489

00:26:10,380 --> 00:26:08,530

greater because this guy sounded like he

490

00:26:13,370 --> 00:26:10,390

wanted to get everything out there and

491

00:26:17,040 --> 00:26:13,380

that he was looking for media attention

492

00:26:18,990 --> 00:26:17,050

twice cases are one of the media and you

493

00:26:20,730 --> 00:26:19,000

see that guy who used to be the Southern

494

00:26:22,530 --> 00:26:20,740

Poverty I don't know that he was the

495

00:26:26,600 --> 00:26:22,540

white guy that was always fighting civil

496

00:26:31,230 --> 00:26:26,610

rights causes in the south a white guy

497

00:26:32,340 --> 00:26:31,240

very prominent attorney I can't think of

498

00:26:35,010 --> 00:26:32,350

a say but I know who you're talking

499

00:26:37,830 --> 00:26:35,020

about it's always on you know pounding

500

00:26:40,410 --> 00:26:37,840

the pavement to make his case is known

501  
00:26:43,500 --> 00:26:40,420  
and it's in this Gloria Allred who does

502  
00:26:45,660 --> 00:26:43,510  
up oh yeah sex abuse she's always in the

503  
00:26:48,480 --> 00:26:45,670  
media she's a media magnate and you know

504  
00:26:50,130 --> 00:26:48,490  
she never tries cases I heard she's

505  
00:26:53,040 --> 00:26:50,140  
never tried a case she always gets

506  
00:26:56,670 --> 00:26:53,050  
settlements because she's a media

507  
00:26:59,070 --> 00:26:56,680  
magnate and that's what she does well

508  
00:27:02,940 --> 00:26:59,080  
about damn time yet somebody gets out

509  
00:27:04,680 --> 00:27:02,950  
we're still even even if you say they

510  
00:27:06,810 --> 00:27:04,690  
didn't want to get to the depth of the

511  
00:27:09,240 --> 00:27:06,820  
situation I don't even understand the

512  
00:27:11,490 --> 00:27:09,250  
purpose in cutting you out of that show

513  
00:27:14,160 --> 00:27:11,500

and not even accrediting you with the

514

00:27:16,320 --> 00:27:14,170

flip books I don't even know well I will

515

00:27:19,080 --> 00:27:16,330

tell you why Jerry I will tell you what

516

00:27:23,370 --> 00:27:19,090

because I actually offered them evidence

517

00:27:25,350 --> 00:27:23,380

of time travel and you can see it on my

518

00:27:26,460 --> 00:27:25,360

website time travel education center

519

00:27:28,860 --> 00:27:26,470

calm

520

00:27:31,230 --> 00:27:28,870

these this is actual science based upon

521

00:27:33,659 --> 00:27:31,240

somebody who has actually created a time

522

00:27:36,870 --> 00:27:33,669

reactor with a patent application it

523

00:27:38,760 --> 00:27:36,880

stands up to scientific scrutiny and if

524

00:27:41,399 --> 00:27:38,770

they wanted to discredit it and

525

00:27:44,340 --> 00:27:41,409

discredit me they would have gotten some

526  
00:27:45,870 --> 00:27:44,350  
hack scientists up there hey well this

527  
00:27:48,720 --> 00:27:45,880  
doesn't exist they didn't want to do

528  
00:27:50,820 --> 00:27:48,730  
that and I think two German scientists

529  
00:27:54,120 --> 00:27:50,830  
here like in the last two years produced

530  
00:27:57,779 --> 00:27:54,130  
a mathematical formula that time travel

531  
00:28:01,049 --> 00:27:57,789  
is possible requires an enormous amount

532  
00:28:02,850 --> 00:28:01,059  
of energy but it is possible no just so

533  
00:28:05,250 --> 00:28:02,860  
you know this whole energy thing is

534  
00:28:07,500 --> 00:28:05,260  
solved they're there they're a little

535  
00:28:10,890 --> 00:28:07,510  
behind the eight they're a little far

536  
00:28:13,200 --> 00:28:10,900  
off there yes you can go onto my website

537  
00:28:14,580 --> 00:28:13,210  
time travel Education Center comm and

538  
00:28:16,080 --> 00:28:14,590

you will see the math and physics a

539

00:28:17,340 --> 00:28:16,090

junior high school can understand it

540

00:28:19,409 --> 00:28:17,350

junior high school student can

541

00:28:21,570 --> 00:28:19,419

understand it on the math and physics

542

00:28:23,970 --> 00:28:21,580

that shows the time travel does not

543

00:28:26,399 --> 00:28:23,980

violate the laws of physics or math and

544

00:28:32,100 --> 00:28:26,409

further well there is except to the rule

545

00:28:32,789 --> 00:28:32,110

or boundary but this is this is it's a

546

00:28:38,490 --> 00:28:32,799

done deal

547

00:28:40,980 --> 00:28:38,500

at all it's just the access to the

548

00:28:43,080 --> 00:28:40,990

technology and and the technology itself

549

00:28:46,399 --> 00:28:43,090

so what I'm saying is I provided this

550

00:28:50,070 --> 00:28:46,409

for them and they did not even choose to

551

00:28:52,380 --> 00:28:50,080

dissipate knowledge they did take the

552

00:28:56,149 --> 00:28:52,390

diagrams of Preston in the book that he

553

00:29:00,169 --> 00:28:56,159

provided for me and were rendered by my

554

00:29:03,240 --> 00:29:00,179

ex-wife and said that they were not

555

00:29:05,730 --> 00:29:03,250

engineering diagrams although I would

556

00:29:09,149 --> 00:29:05,740

I've known engineers of master engineers

557

00:29:11,940 --> 00:29:09,159

that would disagree with their their

558

00:29:13,320 --> 00:29:11,950

comments they also brought diagrams

559

00:29:16,039 --> 00:29:13,330

they're not there that's they're not

560

00:29:18,600 --> 00:29:16,049

schematics they're not in a schematic

561

00:29:20,820 --> 00:29:18,610

that's group they said they brought

562

00:29:22,770 --> 00:29:20,830

diagram and they should specify that

563

00:29:24,899 --> 00:29:22,780

they then they were supplied with marked

564

00:29:27,180 --> 00:29:24,909

diagrams not with schematic diagrams I

565

00:29:28,799 --> 00:29:27,190

mean any engineer knows the difference

566

00:29:30,720 --> 00:29:28,809

anybody knows the difference generally

567

00:29:33,090 --> 00:29:30,730

they were doing that they also disputed

568

00:29:36,810 --> 00:29:33,100

Preston's a degree from the University

569

00:29:40,440 --> 00:29:36,820

of Tampa and of course Preston had told

570

00:29:42,299 --> 00:29:40,450

me that the way he got his degree

571

00:29:44,129 --> 00:29:42,309

he had studied at Brooklyn Polytech and

572

00:29:47,549 --> 00:29:44,139

he was pulled into projects he was

573

00:29:49,139 --> 00:29:47,559

brilliant his you know he was not hired

574

00:29:50,849 --> 00:29:49,149

because of his degree he was hired

575

00:29:54,659 --> 00:29:50,859

because of his brilliance in in

576

00:29:56,489 --> 00:29:54,669

technical ease so anyway after he became

577

00:29:58,739 --> 00:29:56,499

he went to Tampa where they had a

578

00:30:01,109 --> 00:29:58,749

program where he could go there spend a

579

00:30:02,879 --> 00:30:01,119

week or two and take tests and they

580

00:30:04,470 --> 00:30:02,889

would validate his knowledge and they

581

00:30:06,659 --> 00:30:04,480

would give him a diploma it was an

582

00:30:09,930 --> 00:30:06,669

accredited university but it was at

583

00:30:14,190 --> 00:30:09,940

least that he attended as a regular

584

00:30:16,950 --> 00:30:14,200

student related courses what Garrett

585

00:30:19,590 --> 00:30:16,960

Otto did was they said oh whoa we

586

00:30:22,649 --> 00:30:19,600

contacted the Tampa University and they

587

00:30:26,039 --> 00:30:22,659

they have no record of Preston Nichols

588

00:30:28,799 --> 00:30:26,049

and and yet you know Preston did go

589

00:30:31,349 --> 00:30:28,809

there and did take take the test and

590

00:30:35,190 --> 00:30:31,359

pass it probably it's not here at otter

591

00:30:39,479 --> 00:30:35,200

who said that that was the the the CIA

592

00:30:41,009 --> 00:30:39,489

guy I was introduced to me as somebody

593

00:30:44,279 --> 00:30:41,019

who'd been in the CIA but he was the

594

00:30:46,680 --> 00:30:44,289

reporter the skeptical reporter but in

595

00:30:49,940 --> 00:30:46,690

any case it's like they're framing him

596

00:30:52,590 --> 00:30:49,950

and if you go to Wikipedia and look at

597

00:30:55,649 --> 00:30:52,600

Frank social framing and this sort of

598

00:30:58,499 --> 00:30:55,659

thing it's like you know you try and

599

00:31:01,320 --> 00:30:58,509

show somebody now Preston Nichols is

600

00:31:05,399 --> 00:31:01,330

somebody who is a genius at the same

601  
00:31:09,029 --> 00:31:05,409  
time he manifests signs of dysfunction

602  
00:31:11,759 --> 00:31:09,039  
and you know even insanity but they're

603  
00:31:13,859 --> 00:31:11,769  
they're simultaneous there's that fine

604  
00:31:18,299 --> 00:31:13,869  
line between being a genius and stepping

605  
00:31:21,659 --> 00:31:18,309  
over that fine line into insanity and

606  
00:31:24,389 --> 00:31:21,669  
Preston teeters on that that line yes

607  
00:31:27,330 --> 00:31:24,399  
but there is a value and bita when

608  
00:31:28,830 --> 00:31:27,340  
Preston Nichols I saw him last week for

609  
00:31:31,109 --> 00:31:28,840  
the first time in two years and he's

610  
00:31:34,139 --> 00:31:31,119  
he's on a walker and whatnot but he was

611  
00:31:35,759 --> 00:31:34,149  
very coherent he was you know he's he's

612  
00:31:39,029 --> 00:31:35,769  
doing better than he has in some time

613  
00:31:42,869 --> 00:31:39,039

how does this tie in then with the John

614

00:31:44,970 --> 00:31:42,879

Ford case I said that it's we're dealing

615

00:31:47,190 --> 00:31:44,980

with the media and the media's refusal

616

00:31:49,549 --> 00:31:47,200

to deal with it and it's like you're

617

00:31:52,470 --> 00:31:49,559

dealing and the media is controlled by

618

00:31:53,789 --> 00:31:52,480

powers behind the media that also

619

00:31:56,279 --> 00:31:53,799

control

620

00:31:57,720 --> 00:31:56,289

hours behind the Institute that he's in

621

00:32:00,299 --> 00:31:57,730

and the court system that he's in

622

00:32:02,220 --> 00:32:00,309

they're all tied together and if you go

623

00:32:05,220 --> 00:32:02,230

to the same clubs you might just find

624

00:32:08,009 --> 00:32:05,230

all of these people in you know being

625

00:32:08,639 --> 00:32:08,019

tortured by the same dominatrix and I'm

626  
00:32:12,539 --> 00:32:08,649  
not joking

627  
00:32:14,820 --> 00:32:12,549  
Preston were friends worthy not John and

628  
00:32:17,519 --> 00:32:14,830  
Preston were friends and Preston was a

629  
00:32:19,320 --> 00:32:17,529  
member of he was the scientific

630  
00:32:23,039 --> 00:32:19,330  
consultant for the Long Island UFO

631  
00:32:25,440 --> 00:32:23,049  
network yeah okay and he was the one

632  
00:32:28,590 --> 00:32:25,450  
that first notified me of John's

633  
00:32:30,210 --> 00:32:28,600  
incarceration and I asked him about the

634  
00:32:31,799 --> 00:32:30,220  
search warrant he went got it from the

635  
00:32:34,229 --> 00:32:31,809  
refrigerator it's a whole search warrant

636  
00:32:37,919 --> 00:32:34,239  
case so Preston was a part of the

637  
00:32:40,080 --> 00:32:37,929  
initial and I used to visit John in the

638  
00:32:41,549 --> 00:32:40,090

jail with Preston and one time they

639

00:32:43,109 --> 00:32:41,559

wouldn't let Preston in and he was

640

00:32:48,149 --> 00:32:43,119

outraged they let me in but they

641

00:32:51,450 --> 00:32:48,159

wouldn't let Preston in yeah so Walt

642

00:32:54,450 --> 00:32:51,460

with John Ford yeah as a friend and

643

00:32:57,599 --> 00:32:54,460

provided me with the with the audio

644

00:32:59,609 --> 00:32:57,609

tapes from the from the police which I

645

00:33:01,859 --> 00:32:59,619

listened to with which were on video and

646

00:33:04,830 --> 00:33:01,869

he put them on video for a specific

647

00:33:07,680 --> 00:33:04,840

reason because everything every 30th of

648

00:33:10,229 --> 00:33:07,690

every 60th of a second the speed is

649

00:33:12,930 --> 00:33:10,239

updated so the speed from the cassette

650

00:33:14,879 --> 00:33:12,940

tape to video tape is identical and

651  
00:33:17,999 --> 00:33:14,889  
everything everything should be perfect

652  
00:33:20,759 --> 00:33:18,009  
and unfortunately the time codes don't

653  
00:33:22,440 --> 00:33:20,769  
match up and that was that allowed me if

654  
00:33:24,899 --> 00:33:22,450  
it wasn't for Preston putting that on

655  
00:33:27,299 --> 00:33:24,909  
videotape and said it you're on the

656  
00:33:29,159 --> 00:33:27,309  
audio track of the video tape as opposed

657  
00:33:31,019 --> 00:33:29,169  
to putting it on it on an audio tape and

658  
00:33:33,739 --> 00:33:31,029  
having it degrade and stuff over time I

659  
00:33:38,279 --> 00:33:33,749  
would not have been able to ascertain

660  
00:33:41,430 --> 00:33:38,289  
down to the limits of of error you know

661  
00:33:48,149 --> 00:33:41,440  
to within any limits of error that that

662  
00:33:51,539 --> 00:33:48,159  
the the goryeo had been changed okay so

663  
00:33:55,259 --> 00:33:51,549

he he did he did really have it you know

664

00:33:58,080 --> 00:33:55,269

he had he had his stuff together back

665

00:34:00,239 --> 00:33:58,090

back when John was arrested he provided

666

00:34:03,450 --> 00:34:00,249

me with he with the with the audio

667

00:34:05,549 --> 00:34:03,460

evidence and I think what they did to

668

00:34:07,320 --> 00:34:05,559

him was a hatchet job they they took him

669

00:34:08,050 --> 00:34:07,330

at his worst and they had somebody

670

00:34:10,390 --> 00:34:08,060

outside

671

00:34:14,860 --> 00:34:10,400

alleging that he was a Preston Nichols

672

00:34:17,740 --> 00:34:14,870

disciple wearing a would equal a a pot

673

00:34:20,140 --> 00:34:17,750

on his head I mean come on they think

674

00:34:22,180 --> 00:34:20,150

they're making a guy look look nuts they

675

00:34:25,690 --> 00:34:22,190

take a couple of things to be statements

676  
00:34:29,710 --> 00:34:25,700  
out of context okay a couple of this do

677  
00:34:32,980 --> 00:34:29,720  
we understand is Joe and but was a

678  
00:34:36,510 --> 00:34:32,990  
hatchet job yes job back to the John

679  
00:34:40,180 --> 00:34:36,520  
port case with reference to this radio

680  
00:34:44,230 --> 00:34:40,190  
and video of the radio signals this is

681  
00:34:47,440 --> 00:34:44,240  
very good evidence that could be used to

682  
00:34:50,470 --> 00:34:47,450  
vindicate John the problem is we don't

683  
00:34:52,570 --> 00:34:50,480  
have a forum to vindicate John and the

684  
00:34:54,580 --> 00:34:52,580  
forum like say they create a forum with

685  
00:34:56,380 --> 00:34:54,590  
this TV show but in the court they

686  
00:34:59,020 --> 00:34:56,390  
create their own form and they frame

687  
00:35:02,560 --> 00:34:59,030  
things so that you know there's been no

688  
00:35:04,780 --> 00:35:02,570

opportunity to vindicate John with this

689

00:35:07,120 --> 00:35:04,790

evidence that you have and with an

690

00:35:11,640 --> 00:35:07,130

expert to such as yourself to explain

691

00:35:14,920 --> 00:35:11,650

the evidence to a jury or a judge and

692

00:35:18,580 --> 00:35:14,930

because the issue is not about whether

693

00:35:21,520 --> 00:35:18,590

John was framed by the police the issue

694

00:35:24,880 --> 00:35:21,530

is whether John is sane or not and this

695

00:35:27,100 --> 00:35:24,890

is the problem and this is right and and

696

00:35:29,410 --> 00:35:27,110

it's like and then they have five

697

00:35:31,630 --> 00:35:29,420

psychiatrists three through the district

698

00:35:34,620 --> 00:35:31,640

attorney's office - from the hospital

699

00:35:36,850 --> 00:35:34,630

and his treatment team taking taking the

700

00:35:39,550 --> 00:35:36,860

interviews from John with his attorney

701

00:35:41,710 --> 00:35:39,560

present but still the treatment team was

702

00:35:44,440 --> 00:35:41,720

interviewed separately and John was not

703

00:35:46,420 --> 00:35:44,450

allowed to have copies or anything

704

00:35:48,070 --> 00:35:46,430

anything hey have anything to do with

705

00:35:49,840 --> 00:35:48,080

that it was a lot to listen his lawyer

706

00:35:52,540 --> 00:35:49,850

wasn't allowed to go in there so what

707

00:35:55,300 --> 00:35:52,550

the treatment scene said to the to the

708

00:35:57,750 --> 00:35:55,310

psychiatrist and what John said to the

709

00:36:00,250 --> 00:35:57,760

psychiatrist are are two separate things

710

00:36:02,200 --> 00:36:00,260

okay and John was only allowed to have

711

00:36:05,620 --> 00:36:02,210

an attorney present and know what he

712

00:36:08,710 --> 00:36:05,630

said and what was asked of him okay so

713

00:36:10,090 --> 00:36:08,720

so he hasn't gotten a yay or nay or

714

00:36:12,730 --> 00:36:10,100

whether he's going to be going home or

715

00:36:14,770 --> 00:36:12,740

not but it doesn't look like it okay

716

00:36:17,200 --> 00:36:14,780

the whole issue is on it up before

717

00:36:19,990 --> 00:36:17,210

patients rights mental mental patients

718

00:36:21,970 --> 00:36:20,000

rights and it's like very limited very

719

00:36:24,609 --> 00:36:21,980

limited all right

720

00:36:27,190 --> 00:36:24,619

you know we've we've we've taken every

721

00:36:30,520 --> 00:36:27,200

tack that you that you suggested at

722

00:36:33,400 --> 00:36:30,530

least I've made enquiries about every

723

00:36:35,830 --> 00:36:33,410

tack that you suggested Peter and and

724

00:36:38,410 --> 00:36:35,840

this this guy does not want to budge it

725

00:36:39,910 --> 00:36:38,420

seems that the new guy does he's not

726

00:36:41,770 --> 00:36:39,920

just interested in that he's interested

727

00:36:45,880 --> 00:36:41,780

in getting the entire story i which

728

00:36:49,599 --> 00:36:45,890

includes the phony search the search

729

00:36:52,810 --> 00:36:49,609

warrant the firm the phony the phony

730

00:36:54,040 --> 00:36:52,820

audio every speaking of the attorney or

731

00:36:55,870 --> 00:36:54,050

the psychiatrist you're speaking of the

732

00:36:57,520 --> 00:36:55,880

attorney the attorney the attorney the

733

00:36:59,560 --> 00:36:57,530

new attorney okay

734

00:37:02,380 --> 00:36:59,570

the original attorney wants to play

735

00:37:05,170 --> 00:37:02,390

completely within the bounds of mental

736

00:37:06,700 --> 00:37:05,180

health law in New York State okay this

737

00:37:09,010 --> 00:37:06,710

guy wants to go out if he has to go to

738

00:37:10,990 --> 00:37:09,020

federal court he will all right if he

739

00:37:13,990 --> 00:37:11,000

gets to go if he has to appeal appeal is

740

00:37:16,210 --> 00:37:14,000

to a different a different level a

741

00:37:18,670 --> 00:37:16,220

different venue to get into into a civil

742

00:37:21,220 --> 00:37:18,680

rights type of situation he'll do it

743

00:37:23,440 --> 00:37:21,230

okay and I'm let me tell you something

744

00:37:27,609 --> 00:37:23,450

let me tell you something and this is

745

00:37:30,220 --> 00:37:27,619

that see what really is good if a lawyer

746

00:37:32,530 --> 00:37:30,230

has the pout like like if you go to a

747

00:37:35,530 --> 00:37:32,540

high law firm they have power and clout

748

00:37:37,300 --> 00:37:35,540

that a lower law firm doesn't and that

749

00:37:40,570 --> 00:37:37,310

means they have associates in the media

750

00:37:45,670 --> 00:37:40,580

and this is what we need now right now I

751  
00:37:48,630 --> 00:37:45,680  
am working with the whole sort of issue

752  
00:37:51,490 --> 00:37:48,640  
that Jerry had mentioned about myself

753  
00:37:52,990 --> 00:37:51,500  
being issue I'm dealing with a member

754  
00:37:55,000 --> 00:37:53,000  
who's been involved in many secret

755  
00:37:57,700 --> 00:37:55,010  
societies and the Defense Department of

756  
00:37:59,980 --> 00:37:57,710  
the defense industry and he's now he's

757  
00:38:03,430 --> 00:37:59,990  
outraged personally it the way I've been

758  
00:38:05,410 --> 00:38:03,440  
ignored by the media and my work not me

759  
00:38:07,990 --> 00:38:05,420  
so much but the work that I've done so

760  
00:38:10,990 --> 00:38:08,000  
in other words he has certain clout in

761  
00:38:13,900 --> 00:38:11,000  
terms of Technology in terms of bridge

762  
00:38:18,010 --> 00:38:13,910  
or we're gonna try and do a big end

763  
00:38:20,680 --> 00:38:18,020

around on everything and it's all as to

764

00:38:23,859 --> 00:38:20,690

do with movie technology but by the same

765

00:38:27,640 --> 00:38:23,869

token if this attorney it's like we need

766

00:38:30,430 --> 00:38:27,650

power brokers and I guess when I went

767

00:38:33,130 --> 00:38:30,440

from my own personal issue the times are

768

00:38:35,230 --> 00:38:33,140

changing the the Freemasons and these

769

00:38:37,900 --> 00:38:35,240

people have their own clockwork

770

00:38:41,980 --> 00:38:37,910

sometimes they will acknowledge and let

771

00:38:43,510 --> 00:38:41,990

loose truths I heard this many years ago

772

00:38:46,120 --> 00:38:43,520

that they were releasing all of this

773

00:38:49,240 --> 00:38:46,130

truth and information I'd never got debt

774

00:38:52,390 --> 00:38:49,250

and got to me per se but in other words

775

00:38:53,830 --> 00:38:52,400

they're not all bad they certainly get

776

00:38:56,230 --> 00:38:53,840

in the way of things but they basically

777

00:38:58,690 --> 00:38:56,240

control all of these things so it's like

778

00:39:01,870 --> 00:38:58,700

some people sometimes the the worm turns

779

00:39:05,470 --> 00:39:01,880

and if these lawyer if the lawyer has

780

00:39:08,230 --> 00:39:05,480

contacts in the media in influence it's

781

00:39:12,070 --> 00:39:08,240

like we need the the squirt gun to be

782

00:39:14,140 --> 00:39:12,080

fired and and shed some water or light

783

00:39:16,150 --> 00:39:14,150

on the situation and this is what in

784

00:39:18,190 --> 00:39:16,160

it's just because to put it in the

785

00:39:20,260 --> 00:39:18,200

framework of a like that like Robert

786

00:39:22,630 --> 00:39:20,270

Reno wanted to do he was trying to work

787

00:39:25,540 --> 00:39:22,640

in with a system and it sort of made

788

00:39:27,400 --> 00:39:25,550

sense but it didn't work and that's the

789

00:39:29,170 --> 00:39:27,410

problem cuz this life rate as Donald

790

00:39:33,130 --> 00:39:29,180

Trump would say the system is rigged and

791

00:39:35,410 --> 00:39:33,140

it is a great system and this yeah it's

792

00:39:37,870 --> 00:39:35,420

not just this it's not just this it l

793

00:39:41,290 --> 00:39:37,880

mean the man was never was never you

794

00:39:42,700 --> 00:39:41,300

know uh you know yeah he was invited but

795

00:39:45,790 --> 00:39:42,710

it you could invite a loaf of bread

796

00:39:50,050 --> 00:39:45,800

right you can somebody said you could

797

00:39:56,200 --> 00:39:53,020

well you you know you kid the diamond is

798

00:39:58,540 --> 00:39:56,210

not a conviction all right and the fact

799

00:40:03,790 --> 00:39:58,550

that John feared he had a legitimate

800

00:40:08,920 --> 00:40:03,800

reason for for allowing his attorney is

801  
00:40:12,820 --> 00:40:08,930  
that attorney in 1996-1997 who was

802  
00:40:15,670 --> 00:40:12,830  
tiring politically for claiming that he

803  
00:40:17,680 --> 00:40:15,680  
was he was psychiatrically impaired

804  
00:40:20,470 --> 00:40:17,690  
because he was protecting his pension

805  
00:40:22,930 --> 00:40:20,480  
okay this is his New York state pension

806  
00:40:25,990 --> 00:40:22,940  
he worked for over 20 years carrying a

807  
00:40:29,050 --> 00:40:26,000  
gun for the New York State New York

808  
00:40:32,560 --> 00:40:29,060  
state state Supreme Court without

809  
00:40:34,750 --> 00:40:32,570  
incident and how is he a problem how is

810  
00:40:37,330 --> 00:40:34,760  
he an issue how was he dangerous that's

811  
00:40:41,800 --> 00:40:37,340  
at the age of seventy now well that's

812  
00:40:46,180 --> 00:40:41,810  
been my question all along you got you

813  
00:40:48,849 --> 00:40:46,190

have twenty years of a man carrying a

814

00:40:52,420 --> 00:40:48,859

firearm in the judicial system and

815

00:40:54,579 --> 00:40:52,430

state of New York writers there is no

816

00:40:58,960 --> 00:40:54,589

indication that he had any mental

817

00:41:00,609 --> 00:40:58,970

problems okay and then and I think a

818

00:41:03,640 --> 00:41:00,619

Maryland those letters from Elaine

819

00:41:06,099 --> 00:41:03,650

Douglas I think is very very powerful

820

00:41:09,099 --> 00:41:06,109

not many people have read them but ken

821

00:41:12,150 --> 00:41:09,109

has read them and he is in full

822

00:41:15,220 --> 00:41:12,160

agreement with with dick and I that that

823

00:41:22,839 --> 00:41:15,230

those letters indicate that jon is not

824

00:41:24,670 --> 00:41:22,849

in that case yeah that's what pissed me

825

00:41:27,309 --> 00:41:24,680

off with this other legal big oak

826

00:41:30,069 --> 00:41:27,319

because he came on the show and that we

827

00:41:32,440 --> 00:41:30,079

told him about that yes that he did he

828

00:41:36,609 --> 00:41:32,450

could go to the Elaine Douglas website

829

00:41:44,710 --> 00:41:36,619

and see stuff and give you a an idea of

830

00:41:46,509 --> 00:41:44,720

John's frame of mind yeah and I can't

831

00:41:49,450 --> 00:41:46,519

believe that wasn't even given to his

832

00:41:51,069 --> 00:41:49,460

psychiatrist say hey Doc okay

833

00:41:54,009 --> 00:41:51,079

read these letters that tell me that

834

00:41:58,029 --> 00:41:54,019

this man is or is not saying the law the

835

00:42:00,729 --> 00:41:58,039

letters did not become known and and I

836

00:42:04,779 --> 00:42:00,739

don't I don't know why Elaine saved them

837

00:42:08,109 --> 00:42:04,789

but she did but uh Elaine you know she

838

00:42:11,170 --> 00:42:08,119

knows enough about the law because that

839

00:42:13,059 --> 00:42:11,180

was part of her business that she how

840

00:42:18,160 --> 00:42:13,069

she made a living was working with

841

00:42:20,729 --> 00:42:18,170

attorneys to promote themselves and to

842

00:42:26,140 --> 00:42:20,739

get their business up and running after

843

00:42:29,049 --> 00:42:26,150

law school graduation and she so she

844

00:42:31,059 --> 00:42:29,059

should have been able to come forward

845

00:42:33,220 --> 00:42:31,069

with those letters maybe she tried I

846

00:42:38,410 --> 00:42:33,230

don't know but we did not know about

847

00:42:40,989 --> 00:42:38,420

those letters until we inherited her all

848

00:42:44,170 --> 00:42:40,999

of her research files that she had done

849

00:42:50,559 --> 00:42:44,180

over the years with not just John Ford

850

00:42:53,019 --> 00:42:50,569

but many other UFO cases the way

851  
00:42:55,660 --> 00:42:53,029  
Integris Elaine Douglas was one of the

852  
00:42:59,559 --> 00:42:55,670  
first people that contacted me after

853  
00:43:01,900 --> 00:42:59,569  
John was committed and asked asset that

854  
00:43:03,220 --> 00:43:01,910  
if she could use my name address and

855  
00:43:07,270 --> 00:43:03,230  
telephone

856  
00:43:10,329 --> 00:43:07,280  
it was basically just a text website the

857  
00:43:14,130 --> 00:43:10,339  
original website for John Ford was run

858  
00:43:16,510 --> 00:43:14,140  
by Elaine Douglas it was it was a

859  
00:43:19,089 --> 00:43:16,520  
restored John Ford or something to that

860  
00:43:19,780 --> 00:43:19,099  
effect and it was me and maybe three

861  
00:43:25,510 --> 00:43:19,790  
other people

862  
00:43:28,329 --> 00:43:25,520  
I think maximum on their 1998 1997 yeah

863  
00:43:31,450 --> 00:43:28,339

when John was first put up there and it

864

00:43:33,670 --> 00:43:31,460

was just a long narrative and I I signed

865

00:43:36,400 --> 00:43:33,680

it with my name and phone number you

866

00:43:38,770 --> 00:43:36,410

know at that time the area code here was

867

00:43:40,900 --> 00:43:38,780

five one six thousand sixty one I had

868

00:43:43,260 --> 00:43:40,910

the same phone number but I had my name

869

00:43:46,599 --> 00:43:43,270

address and phone number up there and

870

00:43:50,530 --> 00:43:46,609

and and I was in communication with her

871

00:43:52,420 --> 00:43:50,540

as well and it was very well written so

872

00:43:58,000 --> 00:43:52,430

I believe she worked for CNN at one time

873

00:44:00,160 --> 00:43:58,010

in the early 90s in one yeah yeah and

874

00:44:02,349 --> 00:44:00,170

when she was in DC I was speaking with

875

00:44:04,720 --> 00:44:02,359

her well when she was in DC - he's over

876

00:44:06,250 --> 00:44:04,730

here visiting and she called me to ask

877

00:44:09,130 --> 00:44:06,260

me if he could use my name and I said

878

00:44:10,660 --> 00:44:09,140

absolutely after I read over I called

879

00:44:17,109 --> 00:44:10,670

her back I said you absolutely put my

880

00:44:20,380 --> 00:44:17,119

name right on there no problem in the

881

00:44:25,770 --> 00:44:20,390

lanes file she had a whole big list of

882

00:44:31,900 --> 00:44:29,440

group that she had their names addresses

883

00:44:34,809 --> 00:44:31,910

and phone numbers email addresses and so

884

00:44:38,559 --> 00:44:34,819

forth for contact and this is how I

885

00:44:41,140 --> 00:44:38,569

found Joseph Pardo was his name was on

886

00:44:43,660 --> 00:44:41,150

that list and I went down the list

887

00:44:45,030 --> 00:44:43,670

calling names some people returned my

888

00:44:47,260 --> 00:44:45,040

calls

889

00:44:49,180 --> 00:44:47,270

yeah we didn't even know if John was

890

00:44:52,030 --> 00:44:49,190

even alive when we found found those

891

00:44:57,309 --> 00:44:52,040

papers we'd heard about him but we they

892

00:44:59,200 --> 00:44:57,319

he was lost in the shuffle and and so we

893

00:45:00,790 --> 00:44:59,210

didn't know what happened to him and so

894

00:45:04,210 --> 00:45:00,800

I thought well I'm gonna try and find

895

00:45:06,520 --> 00:45:04,220

out so I called every name that Elena

896

00:45:07,000 --> 00:45:06,530

had on that list and Joseph Pardo's was

897

00:45:09,940 --> 00:45:07,010

there

898

00:45:13,390 --> 00:45:09,950

Preston Lang's amazed I was amazed

899

00:45:16,600 --> 00:45:13,400

because because nobody nobody called me

900

00:45:19,360 --> 00:45:16,610

up asking for Rio about John Ford I try

901  
00:45:21,100 --> 00:45:19,370  
to get coverage for John Ford I went I

902  
00:45:23,740 --> 00:45:21,110  
went out and I actively tried to get him

903  
00:45:26,260 --> 00:45:23,750  
some kind of coverage nobody nobody was

904  
00:45:28,840 --> 00:45:26,270  
interested that's newly nobody and all

905  
00:45:31,000 --> 00:45:28,850  
of a sudden first first you called then

906  
00:45:33,940 --> 00:45:31,010  
Rick called then I think Peter called

907  
00:45:35,920 --> 00:45:33,950  
rent in same year or the nectar falling

908  
00:45:39,310 --> 00:45:35,930  
here and then we got this radio show

909  
00:45:42,340 --> 00:45:39,320  
going yeah no I was amazed I was amazed

910  
00:45:43,180 --> 00:45:42,350  
that people finally you know after so

911  
00:45:45,100 --> 00:45:43,190  
many years

912  
00:45:46,600 --> 00:45:45,110  
yeah maybe they talked to John I didn't

913  
00:45:48,730 --> 00:45:46,610

know what the deal was I said if it's

914

00:45:51,130 --> 00:45:48,740

going to be good for John Ford you know

915

00:45:52,690 --> 00:45:51,140

if you look into it you created it free

916

00:45:54,430 --> 00:45:52,700

to fail like whatever you do is fine

917

00:45:59,710 --> 00:45:54,440

with me that's what that was my response

918

00:46:03,850 --> 00:45:59,720

might collect yes yeah yes that's true

919

00:46:07,140 --> 00:46:03,860

and so you know we just picked up the

920

00:46:09,730 --> 00:46:07,150

ball and ran with it and thank God

921

00:46:13,480 --> 00:46:09,740

inception radio decided that they would

922

00:46:17,170 --> 00:46:13,490

do a radio show and we you know it just

923

00:46:22,060 --> 00:46:17,180

it's been a blessing for John and and

924

00:46:25,030 --> 00:46:22,070

Joanne and Nick and I and you know these

925

00:46:28,000 --> 00:46:25,040

guys and you guys too for for all all of

926

00:46:31,300 --> 00:46:28,010

you for doing this and I am your key I

927

00:46:34,450 --> 00:46:31,310

have to say with I'm not you might call

928

00:46:36,700 --> 00:46:34,460

me in that case because it was out of

929

00:46:41,070 --> 00:46:36,710

the blue that I get this phone call from

930

00:46:43,840 --> 00:46:41,080

Elaine's uh from the fellow that was

931

00:46:47,620 --> 00:46:43,850

given the task of taking care of her

932

00:46:49,510 --> 00:46:47,630

estate and he asked us if we wanted her

933

00:46:51,910 --> 00:46:49,520

files and I could not believe it because

934

00:46:53,710 --> 00:46:51,920

I I'd never heard of them and before or

935

00:46:56,830 --> 00:46:53,720

anything and I get this phone call and

936

00:47:00,610 --> 00:46:56,840

right from the beginning I felt as if

937

00:47:02,650 --> 00:47:00,620

Elaine was up there somewhere saying you

938

00:47:04,990 --> 00:47:02,660

call Maryland she'll take care of it I

939

00:47:06,700 --> 00:47:05,000

know because she's a bulldog what we did

940

00:47:08,980 --> 00:47:06,710

right after she passed away we said I

941

00:47:10,240 --> 00:47:08,990

wonder where her thought what were files

942

00:47:13,360 --> 00:47:10,250

are going yeah

943

00:47:15,970 --> 00:47:13,370

and just amongst marijuana yeah and then

944

00:47:18,070 --> 00:47:15,980

right after that I get a phone call it

945

00:47:21,790 --> 00:47:18,080

was like men up I I must have been in

946

00:47:23,830 --> 00:47:21,800

tune with that one and well is she still

947

00:47:26,920 --> 00:47:23,840

under pitching for John Ford man her

948

00:47:29,019 --> 00:47:26,930

letters she has to be

949

00:47:30,309 --> 00:47:29,029

hey whatever you want to call it but

950

00:47:35,079 --> 00:47:30,319

there's still a force there at work

951  
00:47:38,170 --> 00:47:35,089  
absolutely yes yes yeah everything is

952  
00:47:40,839 --> 00:47:38,180  
evident and Peter I think your name was

953  
00:47:44,440 --> 00:47:40,849  
on that list as well I remember

954  
00:47:46,630 --> 00:47:44,450  
correctly I knew Elaine and you know we

955  
00:47:51,039 --> 00:47:46,640  
didn't dialogue a whole lot but yeah I

956  
00:47:55,329 --> 00:47:51,049  
didn't know her yeah yeah so you know I

957  
00:48:03,599 --> 00:47:55,339  
knew her when she was very very sick and

958  
00:48:07,480 --> 00:48:05,769  
hey you know a little bit about my

959  
00:48:10,180 --> 00:48:07,490  
personality so there were a couple of

960  
00:48:13,089 --> 00:48:10,190  
times that Elaine and I were nose to

961  
00:48:21,819 --> 00:48:13,099  
nose I mean in a professional friendly

962  
00:48:24,670 --> 00:48:21,829  
yes kind of kinda sorta way yeah the bad

963  
00:48:26,529 --> 00:48:24,680

part about it was she was riding with us

964

00:48:29,589 --> 00:48:26,539

and we were about a hundred miles from

965

00:48:31,180 --> 00:48:29,599

Oklahoma City and I says well you know

966

00:48:43,599 --> 00:48:31,190

maybe you're gonna have to take a cab

967

00:48:46,450 --> 00:48:43,609

back you know we had she was she was a

968

00:48:48,839 --> 00:48:46,460

good researcher though she she oh yes

969

00:48:51,099 --> 00:48:48,849

she was a digger

970

00:48:53,710 --> 00:48:51,109

yeah all of her files

971

00:48:56,829 --> 00:48:53,720

so what's it what's that Marilyn it was

972

00:48:58,660 --> 00:48:56,839

evident in all of her files right right

973

00:49:00,010 --> 00:48:58,670

anybody that that's listening to go to

974

00:49:04,470 --> 00:49:00,020

that website you'll see what we're

975

00:49:09,700 --> 00:49:07,720

was one of the one of the sites that I

976

00:49:12,599 --> 00:49:09,710

said the the attorney to were and my

977

00:49:15,819 --> 00:49:12,609

initial conversation with my email yeah

978

00:49:19,839 --> 00:49:15,829

and he promised to visit not just that

979

00:49:22,329 --> 00:49:19,849

but also Rick's site the the fundraising

980

00:49:25,269 --> 00:49:22,339

site with all the audio and stuff on it

981

00:49:29,440 --> 00:49:25,279

and then links to the to the video I

982

00:49:33,519 --> 00:49:29,450

have up on YouTube but like 10 15 minute

983

00:49:36,309 --> 00:49:33,529

segments of different mostly news 12

984

00:49:39,400 --> 00:49:36,319

which is on Long Island something Kathy

985

00:49:40,510 --> 00:49:39,410

mostly where that was the lead story

986

00:49:43,060 --> 00:49:40,520

every hour

987

00:49:45,790 --> 00:49:43,070

up until white a hundred was taken out

988

00:49:47,620 --> 00:49:45,800

of the sky that was the lead story you

989

00:49:50,140 --> 00:49:47,630

know this guy's crazy he's gonna put

990

00:49:52,840 --> 00:49:50,150

uranium and toothpaste and there won't

991

00:49:54,160 --> 00:49:52,850

be an open spirit night and there's no

992

00:49:56,350 --> 00:49:54,170

tokens he couldn't find another

993

00:49:58,810 --> 00:49:56,360

co-conspirator they had to drop the car

994

00:50:00,670 --> 00:49:58,820

charges against a beau it was the word

995

00:50:04,390 --> 00:50:00,680

of one man who doesn't really have much

996

00:50:10,000 --> 00:50:04,400

of a word Joe Massey Charlie okay and no

997

00:50:14,260 --> 00:50:10,010

one else was yeah I hate to keep stole a

998

00:50:16,300 --> 00:50:14,270

gun maybe maybe neither one gun and and

999

00:50:19,540 --> 00:50:16,310

you know the numbers come back to John

1000

00:50:22,120 --> 00:50:19,550

hey he's a perfect scapegoat okay he's a

1001  
00:50:24,730 --> 00:50:22,130  
perfect scapegoat for what they're doing

1002  
00:50:27,610 --> 00:50:24,740  
takes the attention off of the wealth of

1003  
00:50:29,860 --> 00:50:27,620  
the crooked politicians and it makes

1004  
00:50:32,260 --> 00:50:29,870  
them the target something hard and the

1005  
00:50:34,600 --> 00:50:32,270  
illegal dumping that was going on like

1006  
00:50:38,140 --> 00:50:34,610  
not just the illegal dropping to chop

1007  
00:50:40,420 --> 00:50:38,150  
shops drug deals sand mining there's

1008  
00:50:42,100 --> 00:50:40,430  
tons of stuff that they were doing that

1009  
00:50:44,350 --> 00:50:42,110  
they got away with right up until the

1010  
00:50:50,500 --> 00:50:44,360  
time they were either put in prison died

1011  
00:50:53,470 --> 00:50:50,510  
or you know you know I mean I mean once

1012  
00:50:55,660 --> 00:50:53,480  
and once John entered the hopper into

1013  
00:50:56,980 --> 00:50:55,670

that system that legal system it's

1014

00:50:59,530 --> 00:50:56,990

self-perpetuating

1015

00:51:02,140 --> 00:50:59,540

that I mean based upon what little I

1016

00:51:03,730 --> 00:51:02,150

know I mean they evaluate him and they

1017

00:51:05,890 --> 00:51:03,740

pass judgment on him he doesn't have it

1018

00:51:13,030 --> 00:51:05,900

he doesn't have a fair representation of

1019

00:51:16,840 --> 00:51:13,040

his case say no he can't get out

1020

00:51:19,210 --> 00:51:16,850

you know saying

1021

00:51:21,610 --> 00:51:19,220

that's ridiculous why should you have to

1022

00:51:23,080 --> 00:51:21,620

prove that you're saying okay he doesn't

1023

00:51:25,590 --> 00:51:23,090

believe in anything that we don't all

1024

00:51:29,080 --> 00:51:25,600

believe in okay yeah

1025

00:51:30,730 --> 00:51:29,090

even he doesn't believe in you know he

1026

00:51:33,640 --> 00:51:30,740

believes in whatever that's just show it

1027

00:51:35,830 --> 00:51:33,650

to him okay if he's shown you know

1028

00:51:39,370 --> 00:51:35,840

evidence that goes one way it leads one

1029

00:51:41,740 --> 00:51:39,380

way on purpose okay you know and they're

1030

00:51:43,990 --> 00:51:41,750

trying to steer in one way but he said

1031

00:51:47,430 --> 00:51:44,000

he's not the type of guy to act on that

1032

00:51:51,990 --> 00:51:47,440

to take to to yeah well

1033

00:51:55,350 --> 00:51:52,000

I they okay but he's not he's not he's

1034

00:51:57,930 --> 00:51:55,360

not he's not violent

1035

00:51:59,940 --> 00:51:57,940

okay never has been never won't be in my

1036

00:52:02,100 --> 00:51:59,950

opinion do you ever talk to John you

1037

00:52:06,600 --> 00:52:02,110

would hear it when you hear his voice

1038

00:52:11,280 --> 00:52:06,610

he's a very soft-spoken man and he's not

1039

00:52:12,900 --> 00:52:11,290

easily excitable and I could you know

1040

00:52:14,910 --> 00:52:12,910

because I asked him some really blunt

1041

00:52:17,910 --> 00:52:14,920

point-blank questions when I first

1042

00:52:19,800 --> 00:52:17,920

talked to him on the phone and he he was

1043

00:52:24,230 --> 00:52:19,810

as calm and as cool as could be and I

1044

00:52:29,280 --> 00:52:24,240

answered him with intelligence so a

1045

00:52:33,750 --> 00:52:29,290

belief we even posted up at one point in

1046

00:52:37,080 --> 00:52:33,760

time on on inception radio we we were

1047

00:52:39,150 --> 00:52:37,090

able to record it with his permission he

1048

00:52:43,070 --> 00:52:39,160

was not on the show the show itself but

1049

00:52:45,810 --> 00:52:43,080

I recorded it when I talked to him and

1050

00:52:48,060 --> 00:52:45,820

you can hear me talking to him and you

1051  
00:52:54,860 --> 00:52:48,070  
can hear his voice and I think that's up

1052  
00:52:56,910 --> 00:52:54,870  
on the website so you'll get there

1053  
00:53:00,420 --> 00:52:56,920  
Marilyn this has never been a case of

1054  
00:53:03,150 --> 00:53:00,430  
this innocence this is what to do with

1055  
00:53:05,340 --> 00:53:03,160  
just shutting him down waiting for him

1056  
00:53:07,470 --> 00:53:05,350  
to die out because I can't let him out

1057  
00:53:13,110 --> 00:53:07,480  
just like him said he's an illegal

1058  
00:53:19,140 --> 00:53:13,120  
hopper right now if they ever do let him

1059  
00:53:22,410 --> 00:53:19,150  
house which won't happen the lawsuits

1060  
00:53:28,560 --> 00:53:22,420  
will be in the billions of dollars I say

1061  
00:53:30,690 --> 00:53:28,570  
easily easily 21 years my wife the legal

1062  
00:53:33,180 --> 00:53:30,700  
motivation here the legal motivation on

1063  
00:53:42,720 --> 00:53:33,190

a crooked legal system is to keep him

1064

00:53:44,670 --> 00:53:42,730

there until he dies I don't see the

1065

00:53:46,620 --> 00:53:44,680

Montauk Project you know I don't see

1066

00:53:48,120 --> 00:53:46,630

that as like you don't see a lot of

1067

00:53:50,640 --> 00:53:48,130

people coming out of the woodwork and

1068

00:53:51,720 --> 00:53:50,650

saying hey I was brought here and I was

1069

00:53:53,520 --> 00:53:51,730

brought down there

1070

00:53:55,640 --> 00:53:53,530

and this is what happened this is the

1071

00:53:59,010 --> 00:53:55,650

result and here are the medical records

1072

00:54:00,960 --> 00:53:59,020

everything the open you know I can I can

1073

00:54:03,630 --> 00:54:00,970

kind of understand that wanting this

1074

00:54:06,870 --> 00:54:03,640

wanting to put the kibosh on nap before

1075

00:54:08,150 --> 00:54:06,880

anybody decides you know to start suing

1076  
00:54:10,710 --> 00:54:08,160  
the airforce

1077  
00:54:11,819 --> 00:54:10,720  
weather or whoever was running it at the

1078  
00:54:16,559 --> 00:54:11,829  
time

1079  
00:54:18,510 --> 00:54:16,569  
but you know I I don't understand what

1080  
00:54:19,859 --> 00:54:18,520  
they still have against John other than

1081  
00:54:21,690 --> 00:54:19,869  
that they're keeping him in there and

1082  
00:54:24,720 --> 00:54:21,700  
they're continuing to say he's crazy

1083  
00:54:31,950 --> 00:54:24,730  
because they don't want to have a

1084  
00:54:37,710 --> 00:54:34,800  
it's tort action mitigation that's all

1085  
00:54:41,430 --> 00:54:37,720  
it is and if anyone's followed what's

1086  
00:54:42,780 --> 00:54:41,440  
going on with the the oh gosh what's the

1087  
00:54:49,260 --> 00:54:42,790  
name of the county I'm drawing a blank

1088  
00:54:52,079 --> 00:54:49,270

so sorry the Suffolk County in the last

1089

00:54:54,059 --> 00:54:52,089

few years they have been screaming for

1090

00:54:57,990 --> 00:54:54,069

money they have no money there they're

1091

00:55:00,780 --> 00:54:58,000

broke and a New York state has had to

1092

00:55:03,839 --> 00:55:00,790

bail them out a few times and so if they

1093

00:55:05,430 --> 00:55:03,849

got sued for in the billions and that's

1094

00:55:07,490 --> 00:55:05,440

exactly what it would be is in the

1095

00:55:11,490 --> 00:55:07,500

billions

1096

00:55:17,240 --> 00:55:11,500

you know Suffolk County would you know

1097

00:55:25,589 --> 00:55:20,480

they what they do as they contain it and

1098

00:55:27,329 --> 00:55:25,599

judges will become very circumspect to

1099

00:55:30,210 --> 00:55:27,339

the point where they become prejudicial

1100

00:55:33,000 --> 00:55:30,220

and judging such cases in the past where

1101

00:55:34,980 --> 00:55:33,010

people have legitimate cases that are

1102

00:55:38,450 --> 00:55:34,990

not of this magnitude and they will

1103

00:55:40,710 --> 00:55:38,460

railroad the litigant right out of

1104

00:55:43,859 --> 00:55:40,720

getting any sort of settlement don't

1105

00:55:44,730 --> 00:55:43,869

even have you know policemen want to

1106

00:55:47,339 --> 00:55:44,740

come in and lie

1107

00:55:49,319 --> 00:55:47,349

sure and this who was one person who

1108

00:55:52,800 --> 00:55:49,329

exposed the policeman lying on the stand

1109

00:55:55,290 --> 00:55:52,810

and he did not he was railroaded out of

1110

00:55:58,260 --> 00:55:55,300

the court even after doing that because

1111

00:55:59,760 --> 00:55:58,270

in other words if you you you know it's

1112

00:56:02,190 --> 00:55:59,770

like you're basically declaring the

1113

00:56:05,190 --> 00:56:02,200

system guilty and the system will not

1114

00:56:07,770 --> 00:56:05,200

allow itself to be declared guilty so

1115

00:56:11,069 --> 00:56:07,780

for John to sue them he's never going to

1116

00:56:13,020 --> 00:56:11,079

be successful doing that even though he

1117

00:56:14,370 --> 00:56:13,030

has a legitimate complaint it's just

1118

00:56:18,000 --> 00:56:14,380

it's not how the system

1119

00:56:19,650 --> 00:56:18,010

words it will I don't know this guy look

1120

00:56:21,930 --> 00:56:19,660

at look would happen with the guy after

1121

00:56:24,320 --> 00:56:21,940

17 years right

1122

00:56:28,350 --> 00:56:24,330

they found whoever committed the crime

1123

00:56:31,920 --> 00:56:28,360

he was found not guilty at the 17 years

1124

00:56:33,990 --> 00:56:31,930

when he was caught by in a jury trial by

1125

00:56:36,990 --> 00:56:34,000

Kron tours he was found guilty at the

1126  
00:56:39,120 --> 00:56:37,000  
age of 17 he's out at the age of 34 and

1127  
00:56:40,920 --> 00:56:39,130  
now he's picking and choosing the

1128  
00:56:42,510 --> 00:56:40,930  
attorneys the same attorneys that are

1129  
00:56:46,080 --> 00:56:42,520  
going to be working on John's case from

1130  
00:56:51,600 --> 00:56:46,090  
here forward okay so I had a good one

1131  
00:56:55,890 --> 00:56:51,610  
yelling I'm sorry I hope he does win

1132  
00:57:00,090 --> 00:56:55,900  
it's also typical for a county or or

1133  
00:57:03,750 --> 00:57:00,100  
some entity to have insurance that will

1134  
00:57:09,650 --> 00:57:03,760  
then cover for them do the insurance

1135  
00:57:12,810 --> 00:57:09,660  
company then having been involved in

1136  
00:57:16,050 --> 00:57:12,820  
federal litigation at a civil at a civil

1137  
00:57:18,060 --> 00:57:16,060  
letter level I can assure you that even

1138  
00:57:21,150 --> 00:57:18,070

if it was billions it'll go into

1139

00:57:22,830 --> 00:57:21,160

arbitration and a judge will go hey you

1140

00:57:24,660 --> 00:57:22,840

know what there's no way that Suffolk

1141

00:57:26,070 --> 00:57:24,670

County can pay it but they can pay 60

1142

00:57:35,430 --> 00:57:26,080

man here's what you're gonna get

1143

00:57:37,350 --> 00:57:35,440

being that okay and so I want to remind

1144

00:57:40,230 --> 00:57:37,360

our listeners and somebody touched on it

1145

00:57:42,210 --> 00:57:40,240

earlier in the show and that is this is

1146

00:57:43,830 --> 00:57:42,220

a constitutional issue that we're

1147

00:57:45,870 --> 00:57:43,840

dealing with here there are

1148

00:57:49,280 --> 00:57:45,880

ramifications that affect each and every

1149

00:57:51,690 --> 00:57:49,290

one of us and we should remember that

1150

00:57:53,610 --> 00:57:51,700

you know the system's not perfect and

1151  
00:57:55,770 --> 00:57:53,620  
having worked in it for 31 years I can

1152  
00:57:59,490 --> 00:57:55,780  
testify that at 2:00 but it is the only

1153  
00:58:02,670 --> 00:57:59,500  
system I think that at least you've got

1154  
00:58:05,570 --> 00:58:02,680  
a shot at it and yes they're ours there

1155  
00:58:09,750 --> 00:58:05,580  
is corruption there is dishonesty but

1156  
00:58:11,280 --> 00:58:09,760  
when it's brought to light I think the

1157  
00:58:14,250 --> 00:58:11,290  
people and that's you and I and

1158  
00:58:16,830 --> 00:58:14,260  
everybody else have a right to to demand

1159  
00:58:18,300 --> 00:58:16,840  
that you know justice for all

1160  
00:58:21,090 --> 00:58:18,310  
you know that's reason why she's

1161  
00:58:26,460 --> 00:58:21,100  
blindfolded okay it's what the evidence

1162  
00:58:28,260 --> 00:58:26,470  
is yeah recently said to me that the

1163  
00:58:30,300 --> 00:58:28,270

justice system provides you and

1164

00:58:33,150 --> 00:58:30,310

opportunity for justice it does not

1165

00:58:36,840 --> 00:58:33,160

guarantee you just correct that and that

1166

00:58:40,950 --> 00:58:36,850

is absolutely correct and and there is

1167

00:58:42,900 --> 00:58:40,960

no guarantees that's a fact okay and but

1168

00:58:47,220 --> 00:58:42,910

it is one of the best systems I think

1169

00:58:50,040 --> 00:58:47,230

that anybody on the planet has I I would

1170

00:58:53,640 --> 00:58:50,050

rather be involved in in a situation

1171

00:58:58,050 --> 00:58:53,650

like John Ford in this country then

1172

00:59:00,360 --> 00:58:58,060

let's say Pakistan or India or less

1173

00:59:05,000 --> 00:59:00,370

corrupt although it's very rough is left

1174

00:59:08,400 --> 00:59:05,010

for us but at least we you know for what

1175

00:59:10,470 --> 00:59:08,410

we have the Constitution in the Bill of

1176  
00:59:13,800 --> 00:59:10,480  
Rights and that's basically what when it

1177  
00:59:16,020 --> 00:59:13,810  
all boils down to with John Ford I mean

1178  
00:59:17,760 --> 00:59:16,030  
from the moment that they decided that

1179  
00:59:21,030 --> 00:59:17,770  
they were going to arrest them there was

1180  
00:59:22,260 --> 00:59:21,040  
a number of missteps that any lawyer and

1181  
00:59:23,730 --> 00:59:22,270  
that's what I don't understand it very

1182  
00:59:25,770 --> 00:59:23,740  
GetGo I'm still kind of confused about

1183  
00:59:32,460 --> 00:59:25,780  
that because I think even though he was

1184  
00:59:35,280 --> 00:59:32,470  
arrested you know the the the warrant

1185  
00:59:37,110 --> 00:59:35,290  
the date you know everything there was

1186  
00:59:38,610 --> 00:59:37,120  
all kinds of you know the evidence that

1187  
00:59:40,650 --> 00:59:38,620  
they used to get the warrant I mean I

1188  
00:59:41,190 --> 00:59:40,660

got some serious problems with that his

1189

00:59:46,890 --> 00:59:41,200

attorney

1190

00:59:48,390 --> 00:59:46,900

not take up those issues he agreed with

1191

00:59:50,730 --> 00:59:48,400

the court and he was basically

1192

00:59:54,600 --> 00:59:50,740

railroading him because he was in

1193

00:59:59,930 --> 00:59:54,610

cahoots with with the John Ford's

1194

01:00:05,670 --> 01:00:03,180

respond to that when I at the time as

1195

01:00:08,010 --> 01:00:05,680

Jerry I brought that up to his attorney

1196

01:00:12,480 --> 01:00:08,020

about the warrant being dated two days

1197

01:00:13,710 --> 01:00:12,490

after his arrest the attorney said he he

1198

01:00:15,660 --> 01:00:13,720

didn't feel that that's good that's

1199

01:00:18,360 --> 01:00:15,670

going to be a viable avenues pursued

1200

01:00:19,620 --> 01:00:18,370

because what's just gonna happen is the

1201

01:00:21,240 --> 01:00:19,630

prosecution is going to say it's the

1202

01:00:23,850 --> 01:00:21,250

type of graphical error they're gonna

1203

01:00:27,420 --> 01:00:23,860

get it detective to swear before the

1204

01:00:30,810 --> 01:00:27,430

judge you know oh I ordered this this

1205

01:00:33,210 --> 01:00:30,820

warrant at this time and that's gonna be

1206

01:00:34,620 --> 01:00:33,220

it so I mean I I agree with you I

1207

01:00:36,000 --> 01:00:34,630

thought I thought the I suppose the

1208

01:00:38,280 --> 01:00:36,010

whole case would be could be thrown out

1209

01:00:40,080 --> 01:00:38,290

on that because when you know and what

1210

01:00:41,030 --> 01:00:40,090

it was Preston who showed me a copy of

1211

01:00:44,720 --> 01:00:41,040

that I remember

1212

01:00:47,510 --> 01:00:44,730

that very vividly but I and as you point

1213

01:00:49,490 --> 01:00:47,520

down you that's that's its heavily with

1214

01:00:51,109 --> 01:00:49,500

the unit always has with me and his

1215

01:00:53,270 --> 01:00:51,119

attorney just said you know they're just

1216

01:00:55,910 --> 01:00:53,280

going to get people to swear that it was

1217

01:00:59,930 --> 01:00:55,920

that it was done on X state and on the

1218

01:01:02,750 --> 01:00:59,940

twelfth and and they made a typo 402

1219

01:01:05,690 --> 01:01:02,760

fourteenth oh where did they get a judge

1220

01:01:10,150 --> 01:01:05,700

where did they get a judge at a twenty

1221

01:01:13,250 --> 01:01:10,160

on it on a Tuesday night you know really

1222

01:01:15,230 --> 01:01:13,260

and you know I would assume I'm excuse

1223

01:01:18,380 --> 01:01:15,240

me maybe ironically or sarcastically

1224

01:01:20,240 --> 01:01:18,390

that they had this that they got this

1225

01:01:25,880 --> 01:01:20,250

warrant at four o'clock in the afternoon

1226

01:01:27,410 --> 01:01:25,890

or whatever that day they wouldn't have

1227

01:01:29,570 --> 01:01:27,420

been able to get the warrant based on

1228

01:01:32,420 --> 01:01:29,580

the information they had to have that

1229

01:01:34,310 --> 01:01:32,430

where those last two recordings and I

1230

01:01:36,440 --> 01:01:34,320

believe that they use those in fact the

1231

01:01:38,630 --> 01:01:36,450

judge and that's why I say that's okay

1232

01:01:41,330 --> 01:01:38,640

it's because that's that's that's it I

1233

01:01:43,730 --> 01:01:41,340

nice and with all what gets me as he

1234

01:01:45,890 --> 01:01:43,740

went through I forget the original

1235

01:01:49,790 --> 01:01:45,900

attorney I can't think of her name now

1236

01:01:52,250 --> 01:01:49,800

John wrong no oh yeah well even after

1237

01:01:59,420 --> 01:01:52,260

Ralph I mean but after he was locked up

1238

01:02:01,520 --> 01:01:59,430

and then he had yeah Rizzoli's something

1239

01:02:07,190 --> 01:02:01,530

like that and then and then there we

1240

01:02:09,950 --> 01:02:07,200

know that nobody this to me is like just

1241

01:02:12,770 --> 01:02:09,960

unravels the whole case and and

1242

01:02:16,849 --> 01:02:12,780

apparently no one has put their hands on

1243

01:02:18,680 --> 01:02:16,859

it to do so nobody wasn't know there

1244

01:02:20,540 --> 01:02:18,690

especially they want to confront as a

1245

01:02:22,820 --> 01:02:20,550

mental health court and that's that and

1246

01:02:25,580 --> 01:02:22,830

you know that that's what he's been

1247

01:02:27,320 --> 01:02:25,590

dealing with you know there is no

1248

01:02:29,780 --> 01:02:27,330

justice there when you have to prove

1249

01:02:32,780 --> 01:02:29,790

that you're not that you're not insane

1250

01:02:35,120 --> 01:02:32,790

that you're not making this up that you

1251

01:02:36,349 --> 01:02:35,130

did plan to do something it says that

1252

01:02:39,260 --> 01:02:36,359

you said that you made these statements

1253

01:02:41,330 --> 01:02:39,270

and you now you're denying them and

1254

01:02:43,430 --> 01:02:41,340

they're nowhere recruit they're not

1255

01:02:45,380 --> 01:02:43,440

recorded anywhere other than on on a

1256

01:02:48,050 --> 01:02:45,390

district attorneys allegedly an

1257

01:02:51,700 --> 01:02:48,060

assistant district attorneys him

1258

01:02:54,760 --> 01:02:51,710

recording machine three with a person

1259

01:02:57,080 --> 01:02:54,770

you know freedom has a child

1260

01:02:59,450 --> 01:02:57,090

okay had nothing to do with anything

1261

01:03:03,590 --> 01:02:59,460

John said obviously he was never

1262

01:03:10,220 --> 01:03:03,600

recorded prior to the evening of his

1263

01:03:14,060 --> 01:03:10,230

arrest you understand then he got

1264

01:03:16,700 --> 01:03:14,070

recruited on the charge oh man Charlie

1265

01:03:19,730 --> 01:03:16,710

exclusively used the cell phone and all

1266

01:03:22,730 --> 01:03:19,740

one of the the entire evidence leading

1267

01:03:24,860 --> 01:03:22,740

up to the warrant to record in his home

1268

01:03:27,890 --> 01:03:24,870

was based on things gentleman's and

1269

01:03:29,780 --> 01:03:27,900

Shelley told either his friend or the

1270

01:03:31,040 --> 01:03:29,790

other guy who was working for the

1271

01:03:34,340 --> 01:03:31,050

district attorney's office

1272

01:03:36,350 --> 01:03:34,350

it's not fair to John and it never went

1273

01:03:37,670 --> 01:03:36,360

through any type of legal channels and

1274

01:03:39,380 --> 01:03:37,680

it hasn't been going through legal

1275

01:03:44,240 --> 01:03:39,390

channels for twenty-one and a half years

1276

01:03:46,340 --> 01:03:44,250

I think it's a pathetic indictment of

1277

01:03:49,100 --> 01:03:46,350

our legal system whether it's this

1278

01:03:51,440 --> 01:03:49,110

country or any country that we thank you

1279

01:03:53,120 --> 01:03:51,450

how many lawyers how many lawyers have

1280

01:03:55,490 --> 01:03:53,130

we gone through but I'm glad to see the

1281

01:03:59,920 --> 01:03:55,500

current lawyers through it yeah

1282

01:04:03,230 --> 01:03:59,930

the current lawyer is not afraid to be

1283

01:04:06,680 --> 01:04:03,240

both popular and vilify and at the same

1284

01:04:09,140 --> 01:04:06,690

time you know and is willing to get his

1285

01:04:13,310 --> 01:04:09,150

hands dirty by getting in front of the

1286

01:04:14,900 --> 01:04:13,320

media and playing dirty ball and giving

1287

01:04:16,900 --> 01:04:14,910

him at a stillness and I would like to

1288

01:04:19,220 --> 01:04:16,910

get a hold of this Steven Metcalf and

1289

01:04:21,410 --> 01:04:19,230

organize a social media marketing

1290

01:04:23,960 --> 01:04:21,420

campaign in conjunction with what he's

1291

01:04:25,760 --> 01:04:23,970

doing this is what I've been waiting for

1292

01:04:27,950 --> 01:04:25,770

but the last three lawyers have been a

1293

01:04:32,440 --> 01:04:27,960

goddamn bunch of [h\_\_\h] and nobody

1294

01:04:38,900 --> 01:04:35,210

so I mean nobody's gonna do it better

1295

01:04:42,110 --> 01:04:38,910

than me you guys all know that so yeah I

1296

01:04:44,320 --> 01:04:42,120

would like to work with this lawyer and

1297

01:04:47,240 --> 01:04:44,330

find out his phone number

1298

01:04:48,640 --> 01:04:47,250

find out what his game plan is and get

1299

01:04:53,060 --> 01:04:48,650

on board with it

1300

01:04:56,030 --> 01:04:53,070

and synchronize you know everything with

1301

01:04:57,140 --> 01:04:56,040

that you know because that last thing I

1302

01:05:01,760 --> 01:04:57,150

want to do is do something that

1303

01:05:05,180 --> 01:05:01,770

conflicts with his ideas so and you know

1304

01:05:07,480 --> 01:05:05,190

I mean this is awesome I mean because I

1305

01:05:12,930 --> 01:05:07,490

mean you guys were a

1306

01:05:18,640 --> 01:05:12,940

we're talking about a lien before she

1307

01:05:22,720 --> 01:05:18,650

was my original inspiration for taking

1308

01:05:25,270 --> 01:05:22,730

the whole UFO arena down the path of

1309

01:05:27,160 --> 01:05:25,280

politics and economics and getting rid

1310

01:05:29,490 --> 01:05:27,170

of all of the oka Booga hocus-pocus

1311

01:05:31,630 --> 01:05:29,500

[h\_\_h] that everybody else clings to

1312

01:05:33,460 --> 01:05:31,640

you know like Peter Peter moon was

1313

01:05:35,290 --> 01:05:33,470

saying you know that crap on ancient

1314

01:05:37,960 --> 01:05:35,300

aliens yeah that's just they go for the

1315

01:05:39,880 --> 01:05:37,970

Ogopogo hocus-pocus crap and they never

1316

01:05:44,560 --> 01:05:39,890

get into the economics or the politics

1317

01:05:47,730 --> 01:05:44,570

and Alain Douglas was the first person

1318

01:05:51,340 --> 01:05:47,740

to do that and for me it's a powerful

1319

01:05:54,520 --> 01:05:51,350

synchronicity to basically pick up where

1320

01:05:57,190 --> 01:05:54,530

she left off back in the 90s with the

1321

01:05:58,960 --> 01:05:57,200

Defense Committee for John Ford you know

1322

01:06:01,630 --> 01:05:58,970

that was my inspiration therefore the

1323

01:06:04,090 --> 01:06:01,640

John Ford initiative was I remember that

1324

01:06:06,040 --> 01:06:04,100

I remember what she did and I remember

1325

01:06:08,970 --> 01:06:06,050

seeing her at a conference that John

1326

01:06:11,440 --> 01:06:08,980

Ford had put together talk about

1327

01:06:14,470 --> 01:06:11,450

synchronicity and people connected here

1328

01:06:16,300 --> 01:06:14,480

a conference that John our symposium

1329

01:06:17,710 --> 01:06:16,310

that John Ford had put together and

1330

01:06:21,220 --> 01:06:17,720

guess who one of the speakers were

1331

01:06:23,260 --> 01:06:21,230

Elaine Douglas you know and she was the

1332

01:06:26,830 --> 01:06:23,270

only speaker that stood out to me I

1333

01:06:29,500 --> 01:06:26,840

watched her lecture and I personally I

1334

01:06:34,090 --> 01:06:29,510

was in awe as this was the first time I

1335

01:06:37,180 --> 01:06:34,100

saw somebody take the discussion of UFOs

1336

01:06:39,070 --> 01:06:37,190

down an avenue that nobody else had been

1337

01:06:41,220 --> 01:06:39,080

doing at that point which goes a long

1338

01:06:44,290 --> 01:06:41,230

way to explaining why you know that

1339

01:06:47,890 --> 01:06:44,300

Masonic Lodge of bastards over there at

1340

01:06:51,220 --> 01:06:47,900

MUFON ostracized her raped her molested

1341

01:06:54,060 --> 01:06:51,230

her and booted her out so you know hey

1342

01:06:57,640 --> 01:06:54,070

you know we're right

1343

01:06:59,680 --> 01:06:57,650

I want to Rick Rick I want to take the

1344

01:07:03,040 --> 01:06:59,690

stage for a second oh the first time I

1345

01:07:06,040 --> 01:07:03,050

met Lane was at a MUFON conference I was

1346

01:07:10,480 --> 01:07:06,050

a shoulder to shoulder with a lot of the

1347

01:07:14,230 --> 01:07:10,490

MUFON higher echelon the first time I

1348

01:07:21,819 --> 01:07:14,240

met Elaine they pointed her out as

1349

01:07:28,670 --> 01:07:26,960

yeah yeah money together so Elaine could

1350

01:07:33,380 --> 01:07:28,680

go to that conference by the way oh

1351

01:07:35,059 --> 01:07:33,390

right okay yeah and and I would have

1352

01:07:36,950 --> 01:07:35,069

been the one shaking hands with her if I

1353

01:07:39,079 --> 01:07:36,960

could have but she had been so busy

1354

01:07:41,870 --> 01:07:39,089

talking to people at that symposium I

1355

01:07:45,529 --> 01:07:41,880

never got to meet her face-to-face yeah

1356

01:07:48,410 --> 01:07:45,539

she she she was elected amongst all of

1357

01:07:52,220 --> 01:07:48,420

us that were fighting MUFON and we're

1358

01:07:54,769 --> 01:07:52,230

trying to reform MUFON we decided she

1359

01:07:57,079 --> 01:07:54,779

was the one that could do it best and so

1360

01:08:05,529 --> 01:07:57,089

we pulled her funds together and sent

1361

01:08:13,480 --> 01:08:08,930

because Elaine kept pushing the John

1362

01:08:17,599 --> 01:08:13,490

Ford issue inside MUFON that was a part

1363

01:08:20,780 --> 01:08:17,609

okay she wanted MUFON to reform period

1364

01:08:23,570 --> 01:08:20,790

that MUFON had to miss their rules and

1365

01:08:27,890 --> 01:08:23,580

regulations she won an elected Board yes

1366

01:08:32,030 --> 01:08:27,900

she did one elected board and um because

1367

01:08:34,340 --> 01:08:32,040

uh when were fine acted like such an

1368

01:08:37,570 --> 01:08:34,350

imbecile towards John Forge when it came

1369

01:08:39,979 --> 01:08:37,580

to Lou fond not releasing records

1370

01:08:42,769 --> 01:08:39,989

personal records that he promised people

1371

01:08:44,689 --> 01:08:42,779

you know these are private they're not

1372

01:08:46,939 --> 01:08:44,699

gonna get released and MUFON came along

1373

01:08:49,459 --> 01:08:46,949

with an attitude of like well we want to

1374

01:08:50,809 --> 01:08:49,469

see what you have and John's like no you

1375

01:08:52,700 --> 01:08:50,819

have to get release forms from these

1376

01:08:58,970 --> 01:08:52,710

people I haven't even had a chance to do

1377

01:09:01,939 --> 01:08:58,980

that you know and move like well okay

1378

01:09:05,539 --> 01:09:01,949

you know screw you and John said it

1379

01:09:08,320 --> 01:09:05,549

through as well screw you so that's

1380

01:09:17,559 --> 01:09:08,330

where that whole conversation went so

1381

01:09:20,030 --> 01:09:17,569

and yeah and so the upper echelon of

1382

01:09:23,360 --> 01:09:20,040

male-dominated jackasses and MUFON

1383

01:09:26,510 --> 01:09:23,370

decided to close ranks against a woman

1384

01:09:29,329 --> 01:09:26,520

of all things who decided to speak out

1385

01:09:31,280 --> 01:09:29,339

on the black sheep the pariah John Ford

1386

01:09:33,959 --> 01:09:31,290

and you can see how all this would have

1387

01:09:37,079 --> 01:09:33,969

escalated against the lame

1388

01:09:38,700 --> 01:09:37,089

ah women yeah then they went after a

1389

01:09:41,189 --> 01:09:38,710

whole bunch of women women that were

1390

01:09:44,779 --> 01:09:41,199

real strong-willed like like Elaine was

1391

01:09:48,149 --> 01:09:44,789

and exactly that's what happened to me

1392

01:09:50,339 --> 01:09:48,159

cuz you know the FEMA the FEMA the the I

1393

01:09:53,160 --> 01:09:50,349

can see you know the female principal

1394

01:09:55,890 --> 01:09:53,170

has a much more direct approach on

1395

01:09:59,009 --> 01:09:55,900

things they want move on to reform and

1396

01:10:01,979 --> 01:09:59,019

be more honest and that's not gonna

1397

01:10:05,160 --> 01:10:01,989

happen with a male-dominated Masonic

1398

01:10:10,319 --> 01:10:05,170

Lodge that has a different agenda yes so

1399

01:10:15,629 --> 01:10:10,329

you know CIA yeah and I can I can I can

1400

01:10:18,660 --> 01:10:15,639

address that because Judy or Soddy threw

1401

01:10:22,100 --> 01:10:18,670

me God got on the board she was the only

1402

01:10:24,180 --> 01:10:22,110

female on that board and this was a

1403

01:10:24,830 --> 01:10:24,190

ballbuster of a woman she had her own

1404

01:10:29,910 --> 01:10:24,840

company

1405

01:10:31,950 --> 01:10:29,920

let me tell you she was they found out

1406

01:10:35,009 --> 01:10:31,960

probably after the second meeting and

1407

01:10:37,140 --> 01:10:35,019

they made she had a lot of connections

1408

01:10:40,049 --> 01:10:37,150

with the local TVs because she

1409

01:10:42,509 --> 01:10:40,059

advertised on those stations she had her

1410

01:10:45,239 --> 01:10:42,519

own business in a very successful one at

1411

01:10:48,689 --> 01:10:45,249

that and so she was able to buy her way

1412

01:10:53,250 --> 01:10:48,699

onto the board and they her position was

1413

01:10:55,469 --> 01:10:53,260

the PR officer if you will for MUFON it

1414

01:10:57,959 --> 01:10:55,479

was her job her job and she made a

1415

01:11:02,689 --> 01:10:57,969

statement at a dinner that she her goal

1416

01:11:10,469 --> 01:11:07,850

and and so that was her position and she

1417

01:11:13,979 --> 01:11:10,479

grabbed the bull by the horns and a lot

1418

01:11:18,270 --> 01:11:13,989

of people don't know this in fact Elaine

1419

01:11:18,660 --> 01:11:18,280

Douglas I told her to talk to Judy or

1420

01:11:21,029 --> 01:11:18,670

sati

1421

01:11:23,250 --> 01:11:21,039

but unfortunately Judy or Saudi was

1422

01:11:27,379 --> 01:11:23,260

killed in a motorcycle accident on

1423

01:11:29,700 --> 01:11:27,389

highway 34 outside of Golden Colorado

1424

01:11:38,129 --> 01:11:29,710

and the conversation never took place

1425

01:11:41,310 --> 01:11:38,139

but Judy or sati was basically in

1426

01:11:43,169 --> 01:11:41,320

control of the board that the men on the

1427

01:11:45,970 --> 01:11:43,179

board in we had several conversations

1428

01:11:47,620 --> 01:11:45,980

about this and

1429

01:11:50,320 --> 01:11:47,630

she says what do you think she goes Ken

1430

01:11:52,930 --> 01:11:50,330

I can sense a lot of animosity they

1431

01:11:58,360 --> 01:11:52,940

resent that I have a voice and a vote on

1432

01:12:03,130 --> 01:11:58,370

the board mm-hmm okay yeah yeah I can I

1433

01:12:05,050 --> 01:12:03,140

I mean and that comes from listening to

1434

01:12:07,630 --> 01:12:05,060

and I work directly under John

1435

01:12:10,960 --> 01:12:07,640

Schuessler out of the Littleton his eyes

1436

01:12:12,610 --> 01:12:10,970

I remember his name yeah definitely yeah

1437

01:12:16,900 --> 01:12:12,620

he was the international director and he

1438

01:12:20,710 --> 01:12:16,910

write cases that I went out and I mean

1439

01:12:26,410 --> 01:12:20,720

really good ones yeah

1440

01:12:28,240 --> 01:12:26,420

and I and and him and Judy orsatti got

1441

01:12:31,270 --> 01:12:28,250

to know each other really well and he

1442

01:12:34,090 --> 01:12:31,280

liked her and she liked him the problem

1443

01:12:36,250 --> 01:12:34,100

was that it the impression this is what

1444

01:12:38,350 --> 01:12:36,260

I told Judy it it was kind of like the

1445

01:12:40,900 --> 01:12:38,360

good old boys you know these were the

1446

01:12:42,940 --> 01:12:40,910

canoe club members and they resented

1447

01:12:46,180 --> 01:12:42,950

having an outsider especially a female

1448

01:12:47,890 --> 01:12:46,190

yeah that was aggressive knew how to

1449

01:12:50,080 --> 01:12:47,900

conduct business had a very very

1450

01:12:52,600 --> 01:12:50,090

successful business and had to all these

1451  
01:12:56,650 --> 01:12:52,610  
media connections they needed her but

1452  
01:13:00,070 --> 01:12:56,660  
they didn't want her right yeah yeah I

1453  
01:13:04,860 --> 01:13:00,080  
can see that being the case there so and

1454  
01:13:08,950 --> 01:13:04,870  
then uh you know the years go by and you

1455  
01:13:14,470 --> 01:13:08,960  
know it's like what was it I think it

1456  
01:13:20,590 --> 01:13:14,480  
was 2012 that I got the phone call out

1457  
01:13:22,870 --> 01:13:20,600  
of the blue from somebody I his name

1458  
01:13:27,460 --> 01:13:22,880  
escapes me now let me see I have it on

1459  
01:13:32,100 --> 01:13:27,470  
the website here I'll find him

1460  
01:13:38,310 --> 01:13:32,110  
eventually but he was good friends with

1461  
01:13:44,530 --> 01:13:38,320  
John Ford and George Dixon yeah yeah

1462  
01:13:46,840 --> 01:13:44,540  
well resync he had I remember that Peter

1463  
01:13:49,690 --> 01:13:46,850

moon was working with him and they were

1464

01:13:52,600 --> 01:13:49,700

trying to keep things going for John

1465

01:13:56,830 --> 01:13:52,610

Ford as best as they could George Dixon

1466

01:13:58,900 --> 01:13:56,840

calls me out of the blue and explains

1467

01:14:01,540 --> 01:13:58,910

the whole situation to me

1468

01:14:03,420 --> 01:14:01,550

and asked me if I would basically take

1469

01:14:06,490 --> 01:14:03,430

it over from there

1470

01:14:10,660 --> 01:14:06,500

unfortunately a few months later George

1471

01:14:13,560 --> 01:14:10,670

Dixon passes away and it seems from what

1472

01:14:16,750 --> 01:14:13,570

people have told me that he was existing

1473

01:14:20,050 --> 01:14:16,760

on ten years of overtime he should have

1474

01:14:21,670 --> 01:14:20,060

died ten years before and I think it was

1475

01:14:22,600 --> 01:14:21,680

the John Ford issue that was keeping him

1476

01:14:28,030 --> 01:14:22,610

going the whole time

1477

01:14:29,980 --> 01:14:28,040

but I at that point had gone back and

1478

01:14:32,890 --> 01:14:29,990

researched the original John Ford

1479

01:14:34,660 --> 01:14:32,900

defense community to being out of the

1480

01:14:36,370 --> 01:14:34,670

loop for that many years I was like you

1481

01:14:40,600 --> 01:14:36,380

know what happened to all those people

1482

01:14:42,120 --> 01:14:40,610

involved with that and I started trying

1483

01:14:44,890 --> 01:14:42,130

to hunt down

1484

01:14:48,730 --> 01:14:44,900

Alain Douglas and you know the sad truth

1485

01:14:53,410 --> 01:14:48,740

is is that by the time I found it

1486

01:14:55,120 --> 01:14:53,420

connected with Marilyn Carlson I found

1487

01:14:59,260 --> 01:14:55,130

out that I think it was like she had

1488

01:15:02,620 --> 01:14:59,270

passed away six months before or

1489

01:15:07,810 --> 01:15:02,630

something to that yeah on Facebook and I

1490

01:15:09,520 --> 01:15:07,820

was yeah I started that John know the

1491

01:15:11,680 --> 01:15:09,530

Elaine Douglas files that's what I put

1492

01:15:14,890 --> 01:15:11,690

on this book I set up a Alain Douglas

1493

01:15:18,070 --> 01:15:14,900

files Facebook page and posted some

1494

01:15:21,760 --> 01:15:18,080

things on John Ford and Rick saw them

1495

01:15:24,070 --> 01:15:21,770

and that's how we got in touch so yeah

1496

01:15:26,890 --> 01:15:24,080

and I was happy for that and at the same

1497

01:15:33,600 --> 01:15:26,900

time I was like oh no yeah I was like

1498

01:15:37,900 --> 01:15:33,610

yeah just the feeling of like all right

1499

01:15:40,120 --> 01:15:37,910

well it really was and because she could

1500

01:15:42,490 --> 01:15:40,130

have there's many a times because I'm

1501

01:15:44,440 --> 01:15:42,500

thinking that could get an answer to

1502

01:15:49,960 --> 01:15:44,450

this question and I have a Alain was

1503

01:15:52,810 --> 01:15:49,970

just still here you know and so when she

1504

01:15:55,720 --> 01:15:52,820

passed a lot of information went that a

1505

01:15:57,610 --> 01:15:55,730

lot of people and unfortunately most

1506

01:16:00,580 --> 01:15:57,620

people who are involved with the UFO

1507

01:16:02,860 --> 01:16:00,590

although this is changing people who are

1508

01:16:06,970 --> 01:16:02,870

involved with UFO groups are all members

1509

01:16:12,729 --> 01:16:06,980

of MUFON and we started our own separate

1510

01:16:18,560 --> 01:16:15,410

hey I'm still an investigator for him

1511

01:16:19,669 --> 01:16:18,570

yeah but me they call you Kim no I

1512

01:16:21,529 --> 01:16:19,679

haven't had they haven't assigned me a

1513

01:16:23,089 --> 01:16:21,539

case I think in about nine months now

1514

01:16:28,370 --> 01:16:23,099

yeah Wow

1515

01:16:34,870 --> 01:16:28,380

nine months holy cow soos car yeah yeah

1516

01:16:39,310 --> 01:16:34,880

yeah buddy but yeah but I I would I

1517

01:16:41,989 --> 01:16:39,320

would have gladly joined forces with

1518

01:16:45,830 --> 01:16:41,999

Alain Douglas if she had still been

1519

01:16:47,540 --> 01:16:45,840

alive if that was at all possible so I

1520

01:16:50,140 --> 01:16:47,550

would you know what I can't figure is

1521

01:16:56,959 --> 01:16:50,150

why she why John didn't follow her

1522

01:16:59,839 --> 01:16:56,969

advice really good advice on legal as a

1523

01:17:01,669 --> 01:16:59,849

legal counsel kind of thing and he

1524

01:17:03,529 --> 01:17:01,679

didn't follow through on some of that

1525

01:17:08,359 --> 01:17:03,539

yeah well she wasn't happy about

1526

01:17:10,399 --> 01:17:08,369

yesterday and she jumped him up one side

1527

01:17:13,279 --> 01:17:10,409

down the other on it and they they had a

1528

01:17:17,000 --> 01:17:13,289

big of a bit of a tip on phone

1529

01:17:18,410 --> 01:17:17,010

conversation and later John wrote her a

1530

01:17:22,069 --> 01:17:18,420

letter back and it's in the letters that

1531

01:17:25,520 --> 01:17:22,079

he apologized for getting mad at her but

1532

01:17:28,520 --> 01:17:25,530

you know who use that the urban mound Oh

1533

01:17:35,569 --> 01:17:28,530

what were you I would say it was

1534

01:17:38,720 --> 01:17:35,579

probably about 2008 maybe he doesn't it

1535

01:17:40,549 --> 01:17:38,730

yes at the time and they start taking an

1536

01:17:46,700 --> 01:17:40,559

interest in that and they and they said

1537

01:17:50,239 --> 01:17:46,710

they faces the the first John attorney

1538

01:17:52,220 --> 01:17:50,249

at Stewart Swezey

1539

01:17:55,129 --> 01:17:52,230

she had all that information on

1540

01:17:58,250 --> 01:17:55,139

Stewart's Weezy from a and he does that

1541

01:18:02,060 --> 01:17:58,260

mean right - yeah yeah yeah yeah yeah

1542

01:18:05,209 --> 01:18:02,070

yeah Stewart's company he was gonna sell

1543

01:18:08,239 --> 01:18:05,219

show - ray and he based on John Floyd

1544

01:18:11,209 --> 01:18:08,249

and as soon as they found out the Hurst

1545

01:18:14,029 --> 01:18:11,219

people found out that that that John was

1546

01:18:16,729 --> 01:18:14,039

in the loony bin that was it that just

1547

01:18:20,029 --> 01:18:16,739

killed it and killed the entire thing so

1548

01:18:24,140 --> 01:18:20,039

um but they but they had been paying for

1549

01:18:24,700 --> 01:18:24,150

an attorney and you know it's amazing

1550

01:18:30,130 --> 01:18:24,710

she's a

1551

01:18:33,250 --> 01:18:30,140

professor at purely War College and you

1552

01:18:35,470 --> 01:18:33,260

know and and in few years she went along

1553

01:18:37,540 --> 01:18:35,480

with just with this with again with

1554

01:18:40,660 --> 01:18:37,550

there with this mental health court

1555

01:18:43,540 --> 01:18:40,670

thing you know and it's got to be in

1556

01:18:46,390 --> 01:18:43,550

some type of it has to be in something

1557

01:18:51,400 --> 01:18:46,400

where he's actually me at justice you

1558

01:18:54,010 --> 01:18:51,410

know in federal court in in civil rights

1559

01:18:55,840 --> 01:18:54,020

law something like that and I think

1560

01:18:58,479 --> 01:18:55,850

these guys see it I think they get it

1561

01:19:00,790 --> 01:18:58,489

finally you know it took them long

1562

01:19:03,670 --> 01:19:00,800

enough but finally I think this guy back

1563

01:19:06,490 --> 01:19:03,680

cap Steve madcap you should definitely

1564

01:19:08,470 --> 01:19:06,500

be in trust with him Richard and yeah

1565

01:19:10,690 --> 01:19:08,480

one information you that definitely

1566

01:19:15,430 --> 01:19:10,700

definitely be in touch can we have a

1567

01:19:17,770 --> 01:19:15,440

phone number yeah yeah I don't I I

1568

01:19:19,270 --> 01:19:17,780

really rather not broadcasting so I'm

1569

01:19:22,479 --> 01:19:19,280

not sure if this is the number he uses

1570

01:19:28,560 --> 01:19:22,489

generally so let me give it to Richard

1571

01:19:33,190 --> 01:19:31,720

with he usually calls me from a cell

1572

01:19:36,370 --> 01:19:33,200

phone I have that number

1573

01:19:40,930 --> 01:19:36,380

okay and I'm not sure if he wants that

1574

01:19:42,729 --> 01:19:40,940

distributed publicly okay you know I you

1575

01:19:45,580 --> 01:19:42,739

know like I just hate to do that to

1576

01:19:48,520 --> 01:19:45,590

people I always ask them first though

1577

01:19:51,400 --> 01:19:48,530

and but I was a great move Richard

1578

01:19:54,010 --> 01:19:51,410

because you know because you're and you

1579

01:19:57,040 --> 01:19:54,020

know I mean like I even had a check with

1580

01:19:59,140 --> 01:19:57,050

John twice before I said to check out so

1581

01:20:01,870 --> 01:19:59,150

you know I've better about even

1582

01:20:04,510 --> 01:20:01,880

retaining the guy I want to make a char

1583

01:20:06,940 --> 01:20:04,520

you absolutely 100 percent sure are you

1584

01:20:11,140 --> 01:20:06,950

getting gonna get what you what you

1585

01:20:13,990 --> 01:20:11,150

expect he's gonna do what you want in in

1586

01:20:16,930 --> 01:20:14,000

in you know in in suitably at a suitable

1587

01:20:19,120 --> 01:20:16,940

time frame and he said absolutely okay

1588

01:20:20,950 --> 01:20:19,130

yeah that that was the point at which

1589

01:20:24,459 --> 01:20:20,960

they sent the check they have Facebook

1590

01:20:26,770 --> 01:20:24,469

to John his second time so you know I'm

1591

01:20:28,360 --> 01:20:26,780

not trying to look after the guy to you

1592

01:20:29,320 --> 01:20:28,370

know I mean it's however attorney but I

1593

01:20:31,660 --> 01:20:29,330

do what he says

1594

01:20:34,000 --> 01:20:31,670

you know I always make sure I asked him

1595

01:20:35,560 --> 01:20:34,010

first I'm gonna say something about him

1596

01:20:38,500 --> 01:20:35,570

I have his permission to say it

1597

01:20:40,450 --> 01:20:38,510

alright so um

1598

01:20:42,760 --> 01:20:40,460

you know that anybody assumed to be with

1599

01:20:45,610 --> 01:20:42,770

me you know probably before we would do

1600

01:20:48,670 --> 01:20:45,620

the show Rick you know that and so yeah

1601  
01:20:51,790 --> 01:20:48,680  
Peter I believe right you know that I

1602  
01:20:54,550 --> 01:20:51,800  
had to clear which on first right right

1603  
01:20:57,190 --> 01:20:54,560  
because I had nothing to sell and I have

1604  
01:20:59,380 --> 01:20:57,200  
nothing to gain from this so you know I

1605  
01:21:03,540 --> 01:20:59,390  
you know I'm the honest broker here if I

1606  
01:21:07,260 --> 01:21:06,250  
number four Metcalf Metcalf it's on the

1607  
01:21:18,700 --> 01:21:07,270  
website

1608  
01:21:21,730 --> 01:21:18,710  
he's got a he's got a number for

1609  
01:21:24,880 --> 01:21:21,740  
Metcalf Metcalfe BC on the website I

1610  
01:21:26,440 --> 01:21:24,890  
put that one up and refused that in the

1611  
01:21:28,720 --> 01:21:26,450  
mean Congress can't get through to him

1612  
01:21:30,730 --> 01:21:28,730  
on there I can get the cell phone number

1613  
01:21:34,780 --> 01:21:30,740

for you all right it's area code six

1614

01:21:39,610 --> 01:21:34,790

four six two five three zero five one

1615

01:21:42,220 --> 01:21:39,620

four wait what I'm sorry I lost my audio

1616

01:21:48,820 --> 01:21:42,230

here what's this phone number six four

1617

01:21:53,500 --> 01:21:48,830

six two five three zero five one four

1618

01:21:56,940 --> 01:21:53,510

zero five one four okay and who is this

1619

01:22:00,280 --> 01:21:56,950

again Metcalfe and Metcalfe the tree

1620

01:22:02,980 --> 01:22:00,290

that's the new attorney for uh for John

1621

01:22:09,700 --> 01:22:02,990

yeah sorry my audio cut out for some

1622

01:22:11,340 --> 01:22:09,710

reason for about thirty seconds you

1623

01:22:14,760 --> 01:22:11,350

never know what's happening with this

1624

01:22:22,890 --> 01:22:14,770

you have a very suspicious mind Marilyn

1625

01:22:30,040 --> 01:22:25,150

yeah but you believe in flying saucers

1626

01:22:35,880 --> 01:22:30,050

too just like John there's crazy UFO

1627

01:22:38,470 --> 01:22:35,890

people I tell ya it's weird insanity yep

1628

01:22:40,000 --> 01:22:38,480

they said they could use UFO against him

1629

01:22:41,800 --> 01:22:40,010

right but it's because he believed he

1630

01:22:43,600 --> 01:22:41,810

was being recruited by the CIA right

1631

01:22:46,540 --> 01:22:43,610

that they that they that's where his

1632

01:22:50,140 --> 01:22:46,550

delusional is actually he was an asset

1633

01:22:51,540 --> 01:22:50,150

during his college years he was and a

1634

01:22:53,100 --> 01:22:51,550

lot of people were

1635

01:22:55,320 --> 01:22:53,110

okay they used to go after these people

1636

01:22:57,060 --> 01:22:55,330

and they you know anybody that we had a

1637

01:22:58,530 --> 01:22:57,070

bright winning temperament they would go

1638

01:23:00,390 --> 01:22:58,540

after them and you know they go down

1639

01:23:02,670 --> 01:23:00,400

they never went after me I'm being blown

1640

01:23:04,470 --> 01:23:02,680

up they would go if they would the

1641

01:23:06,630 --> 01:23:04,480

building would that somebody's gonna

1642

01:23:08,970 --> 01:23:06,640

blow up an ROTC building he would report

1643

01:23:11,730 --> 01:23:08,980

it that was that was really the extent

1644

01:23:16,340 --> 01:23:11,740

of it you can go after you can because

1645

01:23:22,470 --> 01:23:19,890

well hey and you know once again I want

1646

01:23:26,070 --> 01:23:22,480

to reiterate you know this whole thing

1647

01:23:29,610 --> 01:23:26,080

surrounding John Ford we all have the

1648

01:23:31,440 --> 01:23:29,620

dog in that fight and whatever it takes

1649

01:23:33,810 --> 01:23:31,450

to get him out I don't care if they get

1650

01:23:36,630 --> 01:23:33,820

him out of the psychiatric ward and then

1651

01:23:39,690 --> 01:23:36,640

he can tell his story and go after him

1652

01:23:41,070 --> 01:23:39,700

civilly and all that about the warrant

1653

01:23:44,580 --> 01:23:41,080

and everything will come out in civil

1654

01:23:46,770 --> 01:23:44,590

court mm-hmm all that all that will be

1655

01:23:49,530 --> 01:23:46,780

brought out from the very moment that

1656

01:23:51,300 --> 01:23:49,540

the judicial system engaged John Ford

1657

01:23:56,370 --> 01:23:51,310

which he was a part of for 20 years

1658

01:23:58,710 --> 01:23:56,380

right yeah that's right yeah okay all of

1659

01:24:02,160 --> 01:23:58,720

a sudden all that's gonna come out in

1660

01:24:04,020 --> 01:24:02,170

civil court and the application for the

1661

01:24:06,210 --> 01:24:04,030

warrant and that's where the real key is

1662

01:24:11,990 --> 01:24:06,220

because it's possible the judge never

1663

01:24:14,400 --> 01:24:12,000

even listened to those tapes I mean III

1664

01:24:16,560 --> 01:24:14,410

the prime sure it's not any different

1665

01:24:18,750 --> 01:24:16,570

Suffolk than it was Arapaho and Douglas

1666

01:24:20,790 --> 01:24:18,760

and Adams County in Colorado you made an

1667

01:24:22,980 --> 01:24:20,800

application for an arrest search warrant

1668

01:24:24,450 --> 01:24:22,990

and you what you submitted it to the DA

1669

01:24:26,970 --> 01:24:24,460

and of course in this case he's crooked

1670

01:24:29,490 --> 01:24:26,980

as a snake so that's no problem and he

1671

01:24:30,840 --> 01:24:29,500

takes it to a judge and those DA's they

1672

01:24:32,580 --> 01:24:30,850

have they have influence with those

1673

01:24:35,550 --> 01:24:32,590

judges because they deal with him on a

1674

01:24:37,500 --> 01:24:35,560

daily basis and he made looked at the

1675

01:24:39,570 --> 01:24:37,510

application goes haha okay radium and

1676  
01:24:40,920 --> 01:24:39,580  
toothpaste yeah okay and then over here

1677  
01:24:43,200 --> 01:24:40,930  
the DA says yeah we've got taped

1678  
01:24:45,210 --> 01:24:43,210  
conversations where he's plotting to

1679  
01:24:50,480 --> 01:24:45,220  
carry out this mission the judge may

1680  
01:24:56,280 --> 01:24:54,240  
Joe is on there John was never on any of

1681  
01:24:58,560 --> 01:24:56,290  
those tapes what doesn't make it really

1682  
01:25:00,390 --> 01:24:58,570  
going after John well it doesn't make it

1683  
01:25:01,350 --> 01:25:00,400  
I'm talking about the application for

1684  
01:25:04,170 --> 01:25:01,360  
the warrant doesn't make any difference

1685  
01:25:05,310 --> 01:25:04,180  
whether he's on on the tapes or not all

1686  
01:25:07,470 --> 01:25:05,320  
they all the DA

1687  
01:25:09,180 --> 01:25:07,480  
says to the judge after show em all this

1688  
01:25:11,069 --> 01:25:09,190

other written testimony and statements

1689

01:25:13,229 --> 01:25:11,079

and the wires and the telephone

1690

01:25:15,330 --> 01:25:13,239

conversations and illegal wiretap that

1691

01:25:16,800 --> 01:25:15,340

went on and everything else but on top

1692

01:25:20,910 --> 01:25:16,810

of that the DA says yeah and I've got

1693

01:25:22,379 --> 01:25:20,920

these two tapes of John Ford and the

1694

01:25:24,419 --> 01:25:22,389

judge goes yeah okay good enough for me

1695

01:25:30,300 --> 01:25:24,429

and never even listened to annoying John

1696

01:25:32,520 --> 01:25:30,310

Ford was not on any of them in the civil

1697

01:25:35,339 --> 01:25:32,530

in a civil trial that will all come out

1698

01:25:37,740 --> 01:25:35,349

it has to because it'll go to the very

1699

01:25:40,890 --> 01:25:37,750

crux as as how John got thrown into the

1700

01:25:45,629 --> 01:25:40,900

hopper of this judicial grist and and

1701

01:25:48,050 --> 01:25:45,639

has been grounded for 20-some years yeah

1702

01:25:50,609 --> 01:25:48,060

yeah exactly

1703

01:25:52,260 --> 01:25:50,619

okay and that's what and that will all

1704

01:25:54,300 --> 01:25:52,270

come out in a civil that's where the

1705

01:25:55,620 --> 01:25:54,310

real story is gonna be and you know the

1706

01:25:59,459 --> 01:25:55,630

main thing is to get him out of that

1707

01:26:01,229 --> 01:25:59,469

incarceration and get his monkey butt on

1708

01:26:03,839 --> 01:26:01,239

the show so he can tell his side of the

1709

01:26:05,700 --> 01:26:03,849

story at least to some extent and how

1710

01:26:07,410 --> 01:26:05,710

what he feels and maybe you know field

1711

01:26:08,729 --> 01:26:07,420

some questions I think it would be

1712

01:26:12,330 --> 01:26:08,739

outstanding we need to get him out of

1713

01:26:15,780 --> 01:26:12,340

that out of that environment my concern

1714

01:26:19,410 --> 01:26:15,790

and then I'll shut up is that I'm

1715

01:26:22,229 --> 01:26:19,420

worried that John is institutionalized

1716

01:26:26,339 --> 01:26:22,239

and I brought it up on those occasions

1717

01:26:28,470 --> 01:26:26,349

right many times okay it's kind of like

1718

01:26:30,260 --> 01:26:28,480

the Stockholm Syndrome in some respects

1719

01:26:33,540 --> 01:26:30,270

but you're talking about a long-term

1720

01:26:35,250 --> 01:26:33,550

environment you're talking about you

1721

01:26:38,580 --> 01:26:35,260

know we used the term three hots and a

1722

01:26:40,589 --> 01:26:38,590

cot I mean think about his days planned

1723

01:26:42,359 --> 01:26:40,599

for him he doesn't have to do anything

1724

01:26:43,709 --> 01:26:42,369

he knows what he's gonna be doing

1725

01:26:46,260 --> 01:26:43,719

tomorrow he knows when he's gonna get

1726

01:26:50,010 --> 01:26:46,270

breakfast he knows his routine is mapped

1727

01:26:52,919 --> 01:26:50,020

out for and it can he spoke to me can

1728

01:26:57,720 --> 01:26:52,929

have you ever spoken with him no I no I

1729

01:27:00,030 --> 01:26:57,730

have not I okay if you speak with John

1730

01:27:07,200 --> 01:27:00,040

once you'll know that that's not the

1731

01:27:10,200 --> 01:27:07,210

case okay if you want I absolutely I you

1732

01:27:13,050 --> 01:27:10,210

know I read the letters that that we're

1733

01:27:15,060 --> 01:27:13,060

talking about hey phone sets up a

1734

01:27:16,830 --> 01:27:15,070

three-way conversation I mean if he

1735

01:27:19,500 --> 01:27:16,840

calls me I'll call Kevin get him in on

1736

01:27:23,580 --> 01:27:19,510

your fascination

1737

01:27:25,500 --> 01:27:23,590

yeah absolutely okay because I read the

1738

01:27:27,300 --> 01:27:25,510

letters and there's nothing in any of

1739

01:27:29,459 --> 01:27:27,310

those letters that I read on granted I'm

1740

01:27:31,910 --> 01:27:29,469

not a doctorate of psychiatry but I

1741

01:27:34,830 --> 01:27:31,920

certainly dealt with my share of mental

1742

01:27:36,330 --> 01:27:34,840

patients George I know you're listening

1743

01:27:38,030 --> 01:27:36,340

we were Downard that mental health

1744

01:27:42,630 --> 01:27:38,040

clinic at least twice a week handling

1745

01:27:44,010 --> 01:27:42,640

delusional psychotic psychiatric didn't

1746

01:27:46,950 --> 01:27:44,020

take their medicine patients

1747

01:27:47,310 --> 01:27:46,960

okay everybody and I didn't see any of

1748

01:27:49,560 --> 01:27:47,320

that

1749

01:27:53,280 --> 01:27:49,570

Kenny Kenny we've read letters John

1750

01:27:55,680 --> 01:27:53,290

struck me as a very sane a very lucid

1751  
01:27:57,750 --> 01:27:55,690  
his sentences were complete I mean he

1752  
01:27:59,490 --> 01:27:57,760  
could follow his train of thought at

1753  
01:28:03,660 --> 01:27:59,500  
least I could so maybe I'm just as nuts

1754  
01:28:05,010 --> 01:28:03,670  
as he is okay okay everybody yeah we've

1755  
01:28:07,770 --> 01:28:05,020  
reached the end of the show everybody

1756  
01:28:15,570 --> 01:28:07,780  
that was an hour ago and this extremely

1757  
01:28:17,250 --> 01:28:15,580  
very rational very calm yeah yeah okay

1758  
01:28:18,689 --> 01:28:17,260  
everybody ended the show already you

1759  
01:28:23,340 --> 01:28:18,699  
believe that hour and a half went by it

1760  
01:28:25,229 --> 01:28:23,350  
all quick oh my god no I liked you guys

1761  
01:28:34,280 --> 01:28:25,239  
go you guys were you guys were you guys

1762  
01:28:42,330 --> 01:28:37,110  
thanks to Joe for all this information

1763  
01:28:45,420 --> 01:28:42,340

but Jonathan this week it's yes thanks

1764

01:28:45,959 --> 01:28:45,430

Peter for being alone sure thank you

1765

01:28:48,900 --> 01:28:45,969

everybody

1766

01:28:50,820 --> 01:28:48,910

was a good show Barney barring an

1767

01:28:53,130 --> 01:28:50,830

attorney for next show

1768

01:28:55,950 --> 01:28:53,140

yep barring any any huge news will we be

1769

01:28:58,500 --> 01:28:55,960

will be back October 8th 9 p.m. Eastern

1770

01:29:01,170 --> 01:28:58,510

and definitely would love to get the

1771

01:29:04,110 --> 01:29:01,180

lawyer on - that would be a perfect time

1772

01:29:06,390 --> 01:29:04,120

October 8th Joe would you stay on and

1773

01:29:09,870 --> 01:29:06,400

Ken would you stay on or did Ken just

1774

01:29:11,729 --> 01:29:09,880

like I can't just left these know that

1775

01:29:22,750 --> 01:29:11,739

incense sorts left
