1
00:00:04,789 --> 00:00:02,710
important and really nice friends of

2
00:00:06,550 --> 00:00:04,799
mine here on the show this evening our

3
00:00:09,990 --> 00:00:06,560
first hour we're going to have

4
00:00:11,350 --> 00:00:10,000
tyler clark who is one of my original i

5
00:00:14,390 --> 00:00:11,360
want to call him

6
00:00:17,109 --> 00:00:14,400
my most favorite my most i probably

7
00:00:19,670 --> 00:00:17,119
truly one of my sons out there in the in

8
00:00:22,790 --> 00:00:19,680
the ether universe of dimensional time

9
00:00:23,990 --> 00:00:22,800
space is tyler clark and i'm just so

10
00:00:26,150 --> 00:00:24,000
excited that he's going to be on the

11
00:00:27,910 --> 00:00:26,160
show tonight he hasn't been on my show

12
00:00:29,269 --> 00:00:27,920
for at least three years that i can

13
00:00:30,790 --> 00:00:29,279

think of so it's going to be quite

14

00:00:32,790 --> 00:00:30,800

extraordinary to talk to him this

15

00:00:35,830 --> 00:00:32,800

evening and then in the second hour

16

00:00:36,630 --> 00:00:35,840

we've got my other buddy and long time

17

00:00:39,430 --> 00:00:36,640

uh

18

00:00:41,350 --> 00:00:39,440

guest on my show at all you know he

19

00:00:43,670 --> 00:00:41,360

always fills in when the guests don't

20

00:00:44,630 --> 00:00:43,680

show up and he's just an amazing dude

21

00:00:45,430 --> 00:00:44,640

and that's

22

00:00:47,590 --> 00:00:45,440

this

23

00:00:49,750 --> 00:00:47,600

buddy tron you know that you guys all

24

00:00:51,670 --> 00:00:49,760

love to hate so he'll be out in the

25

00:00:53,430 --> 00:00:51,680

second hour and you know it's

26

00:00:54,389 --> 00:00:53,440

interesting i was thinking about this

27

00:00:57,110 --> 00:00:54,399

today

28

00:00:59,750 --> 00:00:57,120

i started thinking about my relationship

29

00:01:01,270 --> 00:00:59,760

with all of like max and james rink

30

00:01:03,830 --> 00:01:01,280

tyler clark

31

00:01:06,630 --> 00:01:03,840

and then all the people i met in the

32

00:01:09,270 --> 00:01:06,640

years to follow the last super soldier

33

00:01:12,310 --> 00:01:09,280

summit i did in 2014

34

00:01:14,390 --> 00:01:12,320

that really uh by that one that was a

35

00:01:16,630 --> 00:01:14,400

tough one tyler doesn't know about what

36

00:01:19,270 --> 00:01:16,640

happened at that one but it was pretty

37

00:01:21,990 --> 00:01:19,280

wild and uh that was the one where i

38

00:01:24,149 --> 00:01:22,000

decided i wasn't doing this ever again

39

00:01:27,190 --> 00:01:24,159

and you know lo and behold i will be

40

00:01:28,630 --> 00:01:27,200

holding one more mind control summit

41

00:01:32,789 --> 00:01:28,640

that's going to cover targeted

42

00:01:34,870 --> 00:01:32,799

individuals super soldiers and

43

00:01:37,270 --> 00:01:34,880

satanism

44

00:01:40,789 --> 00:01:37,280

and uh i'm going to be doing that

45

00:01:43,030 --> 00:01:40,799

sometime in june of 2018 is we just

46

00:01:45,190 --> 00:01:43,040

picked the date yesterday as a matter of

47

00:01:47,030 --> 00:01:45,200

fact so i will be doing it i'm

48

00:01:48,389 --> 00:01:47,040

announcing it now i'm ready for the

49

00:01:50,550 --> 00:01:48,399

blowback

50

00:01:52,469 --> 00:01:50,560

it always happens the minute i announce

51
00:01:56,789 --> 00:01:52,479
i'm doing this you guys my life just

52
00:01:58,389 --> 00:01:56,799
gets in sand insane so um you know i i

53
00:02:00,230 --> 00:01:58,399
don't know what to do it's one of those

54
00:02:02,709 --> 00:02:00,240
things i'm damned if i do and i damned

55
00:02:05,830 --> 00:02:02,719
if i don't but i i really feel a need to

56
00:02:08,630 --> 00:02:05,840
do one last big one and uh but we'll be

57
00:02:10,469 --> 00:02:08,640
talking more about that in the future

58
00:02:12,869 --> 00:02:10,479
and you know maybe it won't happen you

59
00:02:14,630 --> 00:02:12,879
know i just i kind of like waffle back

60
00:02:16,309 --> 00:02:14,640
and forth um

61
00:02:18,470 --> 00:02:16,319
i really have a lot of people out there

62
00:02:20,630 --> 00:02:18,480
that want me to do this and uh people

63
00:02:23,350 --> 00:02:20,640

are coming from all over the world to be

64

00:02:25,670 --> 00:02:23,360

in this last one you know and i call it

65

00:02:27,110 --> 00:02:25,680

the last rodeo because i'll tell you

66

00:02:28,470 --> 00:02:27,120

folks these are

67

00:02:30,470 --> 00:02:28,480

these are really tough to put on and

68

00:02:32,390 --> 00:02:30,480

we'll get into that a little bit with

69

00:02:34,390 --> 00:02:32,400

tyler here in a few minutes but before i

70

00:02:35,910 --> 00:02:34,400

do i just want to let you guys all know

71

00:02:37,190 --> 00:02:35,920

that i'm feeling much better and i want

72

00:02:39,190 --> 00:02:37,200

to thank i don't know if it was this

73

00:02:41,430 --> 00:02:39,200

show or my other show that i told the

74

00:02:43,990 --> 00:02:41,440

story about this leg infection or foot

75

00:02:46,070 --> 00:02:44,000

infection i got in july at the mufon

76
00:02:47,750 --> 00:02:46,080
symposium i think it was my other show

77
00:02:50,949 --> 00:02:47,760
and people were sending me all kinds of

78
00:02:53,589 --> 00:02:50,959
well wishes and they were giving me uh

79
00:02:56,470 --> 00:02:53,599
natural herbal remedies and

80
00:02:58,229 --> 00:02:56,480
i'm doing much better so um yeah after

81
00:03:01,270 --> 00:02:58,239
rounds and rounds of antibiotics and

82
00:03:03,190 --> 00:03:01,280
being in the er twice and all kinds of

83
00:03:05,110 --> 00:03:03,200
crazy things happening with it i think

84
00:03:06,390 --> 00:03:05,120
we finally beat it so i think we're all

85
00:03:08,229 --> 00:03:06,400
doing well

86
00:03:09,589 --> 00:03:08,239
it's the first week i've actually felt

87
00:03:11,350 --> 00:03:09,599
pretty good

88
00:03:13,430 --> 00:03:11,360

and uh yeah i've been battling this

89

00:03:17,030 --> 00:03:13,440

since that mufon symposium which was

90

00:03:19,509 --> 00:03:17,040

what the third weekend of july so it was

91

00:03:21,509 --> 00:03:19,519

really bad then you know the problem was

92

00:03:23,350 --> 00:03:21,519

folks that i just didn't go to the er

93

00:03:25,110 --> 00:03:23,360

when i was in vegas i just didn't want

94

00:03:27,110 --> 00:03:25,120

to go i was in one of those moods where

95

00:03:29,190 --> 00:03:27,120

it was like do i want to deal with them

96

00:03:31,350 --> 00:03:29,200

haranguing me about insurance do you

97

00:03:33,509 --> 00:03:31,360

know it goes on and on it's like you

98

00:03:35,910 --> 00:03:33,519

know i've gotten to the point

99

00:03:38,149 --> 00:03:35,920

where is it worth all the paperwork the

100

00:03:40,789 --> 00:03:38,159

headache the hassle afterwards the

101
00:03:43,110 --> 00:03:40,799
trying to get the the co-pay thing to go

102
00:03:45,589 --> 00:03:43,120
through the you know all that or go to

103
00:03:47,509 --> 00:03:45,599
the hospital you know i'm just like do i

104
00:03:50,229 --> 00:03:47,519
even want to bother the last time i went

105
00:03:53,270 --> 00:03:50,239
to a hospital in another state it took

106
00:03:55,270 --> 00:03:53,280
me seven months to straighten it out

107
00:03:56,710 --> 00:03:55,280
seven months and they kept billing me

108
00:03:59,589 --> 00:03:56,720
for stuff i wasn't supposed to have to

109
00:04:01,270 --> 00:03:59,599
pay for and i just it's like everything

110
00:04:03,030 --> 00:04:01,280
has gotten out of control i was just

111
00:04:05,670 --> 00:04:03,040
telling my good friend robert peralta

112
00:04:08,710 --> 00:04:05,680
the other day i said you know i am done

113
00:04:11,190 --> 00:04:08,720

every day is like just to pay my bills

114

00:04:14,949 --> 00:04:11,200

is a whole day-long operation

115

00:04:16,710 --> 00:04:14,959

it's insane you know and i just i wonder

116

00:04:18,229 --> 00:04:16,720

how more you know just normal people

117

00:04:21,349 --> 00:04:18,239

survive of course they don't have as

118

00:04:23,590 --> 00:04:21,359

complicated the life as i do but still

119

00:04:26,150 --> 00:04:23,600

you know it's just everything's a big

120

00:04:28,790 --> 00:04:26,160

hassle it takes so much time you know i

121

00:04:30,870 --> 00:04:28,800

give anything to go back to 1970 when i

122

00:04:31,990 --> 00:04:30,880

had two checks to write one for the

123

00:04:34,070 --> 00:04:32,000

phone

124

00:04:36,230 --> 00:04:34,080

one for the electric company and then

125

00:04:40,790 --> 00:04:36,240

i'd walk next door and pay my rent and

126

00:04:45,909 --> 00:04:43,670

let me tell you anyhow so um enough

127

00:04:48,150 --> 00:04:45,919

about me and my crazy life i want to say

128

00:04:50,230 --> 00:04:48,160

out there that uh let's see what's

129

00:04:52,629 --> 00:04:50,240

happened uh any i'm trying to think if

130

00:04:54,469 --> 00:04:52,639

anything is coming up oh yes

131

00:04:57,590 --> 00:04:54,479

there is something coming up if you guys

132

00:04:59,510 --> 00:04:57,600

are anywhere near northern california

133

00:05:00,629 --> 00:04:59,520

and you're got nothing to do halloween

134

00:05:03,909 --> 00:05:00,639

weekend

135

00:05:05,590 --> 00:05:03,919

i'm going to be hosting a ufo

136

00:05:06,950 --> 00:05:05,600

alien panel

137

00:05:09,909 --> 00:05:06,960

that's called

138

00:05:11,670 --> 00:05:09,919

ufos and aliens are they paranormal and

139

00:05:14,310 --> 00:05:11,680

it's going to be at a big halloween

140

00:05:16,870 --> 00:05:14,320

event they expect about 10 000 people

141

00:05:18,790 --> 00:05:16,880

there it's halloween con or something

142

00:05:21,749 --> 00:05:18,800

like that and it's all around

143

00:05:24,950 --> 00:05:21,759

scary movies and famous monsters and

144

00:05:27,590 --> 00:05:24,960

that kind of thing but they wanted a ufo

145

00:05:29,590 --> 00:05:27,600

twist to the whole event this year and

146

00:05:30,870 --> 00:05:29,600

they brought me in and a few of my

147

00:05:33,350 --> 00:05:30,880

friends and we're going to do it it'll

148

00:05:34,710 --> 00:05:33,360

be a lot of fun so if you're into that

149

00:05:36,550 --> 00:05:34,720

kind of thing and you're in northern

150

00:05:38,469 --> 00:05:36,560

california or even southern california

151
00:05:41,029 --> 00:05:38,479
you want to drive up for the weekend

152
00:05:44,870 --> 00:05:41,039
it is a really fun event everybody comes

153
00:05:46,469 --> 00:05:44,880
in costumes and it is just it's wild

154
00:05:48,629 --> 00:05:46,479
it's one of the wildest things i've ever

155
00:05:50,710 --> 00:05:48,639
gone to my entire life i don't dress up

156
00:05:52,310 --> 00:05:50,720
in a costume i'm like i'm like the only

157
00:05:53,990 --> 00:05:52,320
person there maybe there's two other

158
00:05:55,749 --> 00:05:54,000
people there that are like me that don't

159
00:05:57,990 --> 00:05:55,759
wear a costume but that's it i mean

160
00:05:59,830 --> 00:05:58,000
everybody's in costume including the

161
00:06:01,590 --> 00:05:59,840
other people that are speakers at these

162
00:06:03,510 --> 00:06:01,600
things you know these cons are very

163
00:06:04,469 --> 00:06:03,520

different than the old style conferences

164

00:06:07,670 --> 00:06:04,479

so

165

00:06:09,430 --> 00:06:07,680

make that uh i'll get that up on my

166

00:06:10,150 --> 00:06:09,440

website sometime this week i'm going to

167

00:06:13,110 --> 00:06:10,160

be

168

00:06:15,430 --> 00:06:13,120

revamping my entire website in the next

169

00:06:17,189 --> 00:06:15,440

two weeks so everything i'll announce it

170

00:06:19,110 --> 00:06:17,199

to you guys what i'm doing out there i

171

00:06:20,950 --> 00:06:19,120

am starting a membership

172

00:06:23,110 --> 00:06:20,960

site so you guys can listen to my other

173

00:06:25,350 --> 00:06:23,120

shows and i'm doing a lot of things so

174

00:06:27,350 --> 00:06:25,360

anyhow i'll keep you posted i promise

175

00:06:29,670 --> 00:06:27,360

promise promise so there we are and

176

00:06:32,309 --> 00:06:29,680

don't forget international ufo congress

177

00:06:33,830 --> 00:06:32,319

is coming up in february so start

178

00:06:36,390 --> 00:06:33,840

planning for it now i'm going to be

179

00:06:38,150 --> 00:06:36,400

there broadcasting live maybe doing a

180

00:06:39,830 --> 00:06:38,160

few other things with them i don't know

181

00:06:41,189 --> 00:06:39,840

alejandro and i are just starting to

182

00:06:43,430 --> 00:06:41,199

talk about it

183

00:06:45,110 --> 00:06:43,440

but uh i hope you guys are going to make

184

00:06:46,950 --> 00:06:45,120

that one it's always great and if you're

185

00:06:49,830 --> 00:06:46,960

in northern california at the end of

186

00:06:52,070 --> 00:06:49,840

march next year or even you know oregon

187

00:06:54,710 --> 00:06:52,080

washington southern california be sure

188

00:06:56,950 --> 00:06:54,720

to get to ufo and conspiracy con i'm

189

00:06:58,469 --> 00:06:56,960

putting on a a different kind of event

190

00:07:00,550 --> 00:06:58,479

this year so it's gonna be great so

191

00:07:02,309 --> 00:07:00,560

anyhow we're just getting all jacked up

192

00:07:03,909 --> 00:07:02,319

and ready for next year i don't know why

193

00:07:05,589 --> 00:07:03,919

it all seems like it's winding down but

194

00:07:07,110 --> 00:07:05,599

it really isn't there's still more

195

00:07:08,629 --> 00:07:07,120

things to come

196

00:07:10,070 --> 00:07:08,639

for the season you know but once the

197

00:07:12,710 --> 00:07:10,080

holidays happen

198

00:07:15,270 --> 00:07:12,720

these things slow down a bit so anyhow

199

00:07:16,870 --> 00:07:15,280

okay tyler how are you doing my friend i

200

00:07:19,110 --> 00:07:16,880

haven't talked to you for so long are

201

00:07:23,189 --> 00:07:19,120

you okay what's up

202

00:07:27,189 --> 00:07:24,309

no

203

00:07:28,950 --> 00:07:27,199

yeah go ahead say that one more time

204

00:07:31,430 --> 00:07:28,960

over here in boston now

205

00:07:33,110 --> 00:07:31,440

yeah i know it's such a big difference

206

00:07:35,589 --> 00:07:33,120

for you because you know you grew up in

207

00:07:36,629 --> 00:07:35,599

washington state right

208

00:07:42,070 --> 00:07:36,639

yeah

209

00:07:44,790 --> 00:07:42,080

and from wild west you know so

210

00:07:47,189 --> 00:07:44,800

yeah and isn't it weird going back there

211

00:07:49,990 --> 00:07:47,199

and the culture's so different than what

212

00:07:52,070 --> 00:07:50,000

we grew up in i just you know every time

213

00:07:54,629 --> 00:07:52,080

i back east i'm kind of i feel so out of

214

00:07:56,309 --> 00:07:54,639

place but are you handling it okay are

215

00:07:59,029 --> 00:07:56,319

you doing all right

216

00:08:01,830 --> 00:07:59,039

no i've i've embraced it

217

00:08:02,869 --> 00:08:01,840

you've embraced it

218

00:08:04,550 --> 00:08:02,879

now uh

219

00:08:06,309 --> 00:08:04,560

everywhere i go

220

00:08:07,350 --> 00:08:06,319

there is some there's there's always an

221

00:08:10,469 --> 00:08:07,360

interesting

222

00:08:13,510 --> 00:08:10,479

attitude of the boston bostonian uh you

223

00:08:15,830 --> 00:08:13,520

know the the the the what they call fish

224

00:08:17,510 --> 00:08:15,840

town and the whole bit down there

225

00:08:19,189 --> 00:08:17,520

yeah no there's there's a greater

226

00:08:20,550 --> 00:08:19,199

there's a greater purpose for me to come

227

00:08:22,150 --> 00:08:20,560

out here and

228

00:08:24,070 --> 00:08:22,160

there's a lot of interesting places out

229

00:08:25,110 --> 00:08:24,080

here you just have to know where to find

230

00:08:27,749 --> 00:08:25,120

them

231

00:08:30,390 --> 00:08:27,759

yeah yeah that's true well you know that

232

00:08:33,430 --> 00:08:30,400

kind of leads me to how we met now back

233

00:08:34,870 --> 00:08:33,440

in what when did we meet 2012 i think

234

00:08:37,029 --> 00:08:34,880

for the first uh

235

00:08:39,589 --> 00:08:37,039

super soldier conference in marin county

236

00:08:40,709 --> 00:08:39,599

didn't you just show up with

237

00:08:42,709 --> 00:08:40,719

i did

238

00:08:44,470 --> 00:08:42,719

you did and you were wonderful you know

239

00:08:46,790 --> 00:08:44,480

if it wasn't for tyler i got to tell

240

00:08:47,990 --> 00:08:46,800

everybody was it for tyler that year i

241

00:08:49,590 --> 00:08:48,000

don't know if i could have made it

242

00:08:51,509 --> 00:08:49,600

through it because he really kept me

243

00:08:53,910 --> 00:08:51,519

grounded i don't know if he realized

244

00:08:55,990 --> 00:08:53,920

that maybe he did but he was the

245

00:08:56,870 --> 00:08:56,000

grounding force of that whole conference

246

00:08:59,190 --> 00:08:56,880

you know

247

00:09:01,670 --> 00:08:59,200

tyler i have never really talked about

248

00:09:04,870 --> 00:09:01,680

this much i know james brought it up on

249

00:09:08,150 --> 00:09:04,880

his uh super soldier site uh james rank

250

00:09:10,949 --> 00:09:08,160

at one point after max died he started

251
00:09:14,790 --> 00:09:10,959
to tell the story about how max almost

252
00:09:18,310 --> 00:09:16,870
what was that i'm aware of all of that

253
00:09:21,030 --> 00:09:18,320
yes the video

254
00:09:23,509 --> 00:09:21,040
yes i know about that yeah and you know

255
00:09:24,870 --> 00:09:23,519
it kind of it kind of made me mad and

256
00:09:28,470 --> 00:09:24,880
i'll tell you why

257
00:09:31,910 --> 00:09:28,480
i don't remember it the way he does

258
00:09:35,110 --> 00:09:31,920
he made it sound like he saved max

259
00:09:37,430 --> 00:09:35,120
and uh when max was laying on the couch

260
00:09:40,070 --> 00:09:37,440
on my lap and i was feeling his chest

261
00:09:42,310 --> 00:09:40,080
and he was not breathing very much

262
00:09:44,790 --> 00:09:42,320
and i said okay you guys were take i'm

263
00:09:46,550 --> 00:09:44,800

taking him to the hospital right now

264

00:09:49,190 --> 00:09:46,560

and they were all just standing around

265

00:09:51,750 --> 00:09:49,200

looking at us right i mean it was no i

266

00:09:53,509 --> 00:09:51,760

i remember the exact uh scene you're

267

00:09:55,590 --> 00:09:53,519

talking about i just came out of the

268

00:09:56,949 --> 00:09:55,600

other room and you told me

269

00:10:00,389 --> 00:09:56,959

and actually told me to get ready to go

270

00:10:02,230 --> 00:10:00,399

with you yep i did i did i was flipping

271

00:10:03,990 --> 00:10:02,240

out because you know he was in bad shape

272

00:10:06,150 --> 00:10:04,000

and i knew it and i said there's no way

273

00:10:08,470 --> 00:10:06,160

this is that you know we're going to the

274

00:10:11,110 --> 00:10:08,480

hospital right now and uh

275

00:10:13,670 --> 00:10:11,120

anyhow so it just made me kind of angry

276

00:10:15,350 --> 00:10:13,680

that james got up there and said

277

00:10:17,269 --> 00:10:15,360

that he saved him

278

00:10:18,470 --> 00:10:17,279

i was like yeah right

279

00:10:21,030 --> 00:10:18,480

but uh

280

00:10:23,750 --> 00:10:21,040

anyhow so needless to say so do do you

281

00:10:25,829 --> 00:10:23,760

want to tell people

282

00:10:27,750 --> 00:10:25,839

a little bit about that conference from

283

00:10:29,910 --> 00:10:27,760

your perspective

284

00:10:31,509 --> 00:10:29,920

okay

285

00:10:33,990 --> 00:10:31,519

tell us what you thought about it and

286

00:10:36,710 --> 00:10:34,000

what you did and what you remember

287

00:10:39,110 --> 00:10:36,720

okay well um

288

00:10:41,190 --> 00:10:39,120

i was still

289

00:10:43,430 --> 00:10:41,200

kind of going through a long

290

00:10:46,470 --> 00:10:43,440

stairwell of an awakening process you

291

00:10:48,389 --> 00:10:46,480

know each step was kind of a day

292

00:10:50,310 --> 00:10:48,399

if you know what i mean

293

00:10:52,710 --> 00:10:50,320

so every day i would

294

00:10:55,190 --> 00:10:52,720

take that next step and

295

00:10:56,949 --> 00:10:55,200

and knowledge and

296

00:10:59,190 --> 00:10:56,959

just everything that was going on with

297

00:11:01,030 --> 00:10:59,200

me and everything going on around me and

298

00:11:03,750 --> 00:11:01,040

when i ended up there

299

00:11:06,230 --> 00:11:03,760

yeah we should preface this with um

300

00:11:08,710 --> 00:11:06,240

isn't max the person that told you about

301
00:11:13,030 --> 00:11:08,720
the conference

302
00:11:14,389 --> 00:11:13,040
um originally it was i believe james

303
00:11:16,790 --> 00:11:14,399
rank actually

304
00:11:19,269 --> 00:11:16,800
oh really okay that's wonderful i wasn't

305
00:11:22,230 --> 00:11:19,279
quite sure if it was james or max so

306
00:11:25,110 --> 00:11:22,240
that's great okay so james told me

307
00:11:29,670 --> 00:11:25,120
yeah if i remember recall back i think

308
00:11:33,910 --> 00:11:31,350
for me to come

309
00:11:35,430 --> 00:11:33,920
exactly and i think they asked if

310
00:11:37,269 --> 00:11:35,440
i think they got a hold of me ahead of

311
00:11:40,230 --> 00:11:37,279
time and said we have this guy we'd like

312
00:11:42,790 --> 00:11:40,240
he'd like to come kenny and i said sure

313
00:11:45,030 --> 00:11:42,800

i i don't remember a whole lot about it

314

00:11:47,190 --> 00:11:45,040

except for that when you were there i

315

00:11:49,350 --> 00:11:47,200

was so grateful you had come that's all

316

00:11:51,030 --> 00:11:49,360

i remember at the time i

317

00:11:53,350 --> 00:11:51,040

i honestly wasn't even sure if i was

318

00:11:55,110 --> 00:11:53,360

going to be able to do it and

319

00:11:57,190 --> 00:11:55,120

just at the last minute everything fell

320

00:11:58,870 --> 00:11:57,200

into place so

321

00:12:00,470 --> 00:11:58,880

well you were definitely meant to be

322

00:12:03,430 --> 00:12:00,480

there because you were really a great

323

00:12:05,509 --> 00:12:03,440

help to me and the second one you were

324

00:12:06,949 --> 00:12:05,519

wonderful help to me and you just always

325

00:12:09,030 --> 00:12:06,959

been there for me and i really do

326

00:12:10,790 --> 00:12:09,040

appreciate that tyler because

327

00:12:12,470 --> 00:12:10,800

the problem in this whole group of

328

00:12:14,230 --> 00:12:12,480

people as you know and you've learned

329

00:12:16,230 --> 00:12:14,240

along the way

330

00:12:18,790 --> 00:12:16,240

is no matter what you do

331

00:12:20,949 --> 00:12:18,800

they're always programmed to go against

332

00:12:23,590 --> 00:12:20,959

you at some point or another and pretty

333

00:12:26,310 --> 00:12:23,600

much stab you in the back and

334

00:12:28,710 --> 00:12:26,320

and i get that and there have been

335

00:12:31,509 --> 00:12:28,720

points and times where i've heard rumor

336

00:12:33,430 --> 00:12:31,519

in in stories from everybody about

337

00:12:36,069 --> 00:12:33,440

everybody stabbing me in the back and i

338

00:12:37,990 --> 00:12:36,079

get it and i get that it happens

339

00:12:40,550 --> 00:12:38,000

um but the one part that i've always

340

00:12:42,790 --> 00:12:40,560

been steadfast about is the fact that no

341

00:12:44,629 --> 00:12:42,800

matter what happens to this original

342

00:12:46,949 --> 00:12:44,639

group of people who got involved with

343

00:12:48,389 --> 00:12:46,959

the first super soldier awakening here

344

00:12:51,190 --> 00:12:48,399

in america

345

00:12:53,750 --> 00:12:51,200

is that i've always got you guys's back

346

00:12:55,829 --> 00:12:53,760

no matter what happens because you know

347

00:12:58,069 --> 00:12:55,839

i tell i tell people even on there to

348

00:13:01,269 --> 00:12:58,079

this day hey james and i don't see eye

349

00:13:03,030 --> 00:13:01,279

to eye but you know it's okay you know

350

00:13:05,190 --> 00:13:03,040

i've had i've had my moments with him

351
00:13:07,990 --> 00:13:05,200
and you know about it too because it's

352
00:13:10,310 --> 00:13:08,000
when he was starting to do these things

353
00:13:12,550 --> 00:13:10,320
where he calls it a reading or a

354
00:13:15,350 --> 00:13:12,560
regression or something

355
00:13:17,269 --> 00:13:15,360
and i keep telling him you can't be

356
00:13:20,150 --> 00:13:17,279
doing regressions

357
00:13:22,949 --> 00:13:20,160
on people without a hypnotherapy license

358
00:13:25,190 --> 00:13:22,959
you know you just don't do it and uh it

359
00:13:27,430 --> 00:13:25,200
just bothers me that he's not a trained

360
00:13:29,350 --> 00:13:27,440
regressionist and then he goes out and

361
00:13:31,990 --> 00:13:29,360
does these regressions you know it makes

362
00:13:33,829 --> 00:13:32,000
me nuts but i still love him you know in

363
00:13:35,509 --> 00:13:33,839

spite of all of it but i'm not going to

364

00:13:37,190 --> 00:13:35,519

put up with that because

365

00:13:39,110 --> 00:13:37,200

you know to me it's not a good thing to

366

00:13:41,430 --> 00:13:39,120

be doing if you're not trained you

367

00:13:43,190 --> 00:13:41,440

shouldn't be messing with this at all

368

00:13:49,350 --> 00:13:43,200

yeah

369

00:13:51,509 --> 00:13:49,360

don't you don't have to i just wanted to

370

00:13:53,110 --> 00:13:51,519

make that real clear to people but

371

00:13:55,670 --> 00:13:53,120

you've never done anything weird like

372

00:13:57,509 --> 00:13:55,680

that so

373

00:13:59,670 --> 00:13:57,519

so i don't have a problem with anything

374

00:14:01,910 --> 00:13:59,680

you've been doing as a matter of fact

375

00:14:05,590 --> 00:14:01,920

you guys tyler's the first guy that i

376

00:14:07,990 --> 00:14:05,600

ever met that had an amazing recall from

377

00:14:09,829 --> 00:14:08,000

and i hope i can say this tyler from

378

00:14:12,150 --> 00:14:09,839

being on ships

379

00:14:14,389 --> 00:14:12,160

long before i heard people like corey

380

00:14:16,629 --> 00:14:14,399

good or you know even about mark

381

00:14:18,150 --> 00:14:16,639

richards um

382

00:14:19,990 --> 00:14:18,160

tyler was telling me stuff that was

383

00:14:21,910 --> 00:14:20,000

absolutely amazing

384

00:14:24,230 --> 00:14:21,920

so you know again

385

00:14:26,230 --> 00:14:24,240

my whole thing about this whole corey

386

00:14:28,150 --> 00:14:26,240

good thing that's going on

387

00:14:30,470 --> 00:14:28,160

tyler is one of those guys that i'd say

388

00:14:33,110 --> 00:14:30,480

has 10 times more experiences than corey

389

00:14:35,350 --> 00:14:33,120

goode probably has ever had and has

390

00:14:37,590 --> 00:14:35,360

amazing things to tell people

391

00:14:41,670 --> 00:14:37,600

but you know he's not out there you know

392

00:14:47,110 --> 00:14:44,710

here you are not that you wouldn't right

393

00:14:49,430 --> 00:14:47,120

yeah i haven't had a chance i'll be

394

00:14:52,230 --> 00:14:49,440

honest i've been so wrapped up just with

395

00:14:54,230 --> 00:14:52,240

my family and just taking care of myself

396

00:14:56,310 --> 00:14:54,240

and uh

397

00:14:57,990 --> 00:14:56,320

just trying to heal all my different

398

00:14:59,910 --> 00:14:58,000

things that i have going on that i

399

00:15:01,670 --> 00:14:59,920

haven't even had a chance to follow all

400

00:15:03,269 --> 00:15:01,680

the other people and

401
00:15:05,110 --> 00:15:03,279
see if there's a synchronicity or

402
00:15:07,269 --> 00:15:05,120
anything or

403
00:15:10,829 --> 00:15:07,279
well you know tyler i think there is i

404
00:15:12,629 --> 00:15:10,839
think there's no there might be and uh

405
00:15:16,870 --> 00:15:12,639
so

406
00:15:18,710 --> 00:15:16,880
i'm gonna have to get a hold of you

407
00:15:20,310 --> 00:15:18,720
again and and we'll have to reconnect

408
00:15:21,990 --> 00:15:20,320
and i'm gonna turn you on to some new

409
00:15:24,710 --> 00:15:22,000
people that i've met that i think you

410
00:15:26,629 --> 00:15:24,720
would be really interested in talking to

411
00:15:28,790 --> 00:15:26,639
because they have some amazing parallels

412
00:15:31,350 --> 00:15:28,800
to what you were talking about so

413
00:15:33,110 --> 00:15:31,360

uh you know i kind of cut you off at the

414

00:15:34,470 --> 00:15:33,120

knees about what happened at that

415

00:15:35,750 --> 00:15:34,480

conference so why don't you go ahead and

416

00:15:37,590 --> 00:15:35,760

tell people and you know what we're not

417

00:15:40,150 --> 00:15:37,600

going to take a break tonight mj at the

418

00:15:42,550 --> 00:15:40,160

bottom of the hour because i know

419

00:15:44,870 --> 00:15:42,560

tyler's got a lot to say so

420

00:15:47,030 --> 00:15:44,880

so let's let's go back to that that

421

00:15:48,310 --> 00:15:47,040

moment in time and talk a little bit

422

00:15:51,110 --> 00:15:48,320

about uh

423

00:15:54,230 --> 00:15:51,120

your involvement and max and in your

424

00:15:55,749 --> 00:15:54,240

whole take from that

425

00:15:57,829 --> 00:15:55,759

so uh

426

00:16:00,470 --> 00:15:57,839

that's like the be at the beginning of

427

00:16:02,389 --> 00:16:00,480

the conference or just uh yeah yeah just

428

00:16:05,030 --> 00:16:02,399

your whole take on that whole conference

429

00:16:07,269 --> 00:16:05,040

and and what max was doing at the time

430

00:16:09,269 --> 00:16:07,279

and first that kind of thing first i

431

00:16:10,629 --> 00:16:09,279

just want to say just a quick couple

432

00:16:12,710 --> 00:16:10,639

sentences on

433

00:16:14,550 --> 00:16:12,720

what it took to get there because it

434

00:16:17,590 --> 00:16:14,560

isn't it's it's a slightly interesting

435

00:16:19,990 --> 00:16:17,600

story it is i remember yeah go ahead at

436

00:16:22,710 --> 00:16:20,000

the time i didn't have a vehicle

437

00:16:25,430 --> 00:16:22,720

well i did but it wasn't operable and

438

00:16:27,670 --> 00:16:25,440

then i didn't have the funds

439

00:16:29,590 --> 00:16:27,680

and i was also taking care of two

440

00:16:31,189 --> 00:16:29,600

elderly people which were my

441

00:16:32,389 --> 00:16:31,199

grandparents

442

00:16:35,269 --> 00:16:32,399

and

443

00:16:38,470 --> 00:16:35,279

at literally the day before all the

444

00:16:39,829 --> 00:16:38,480

funds had had just kind of

445

00:16:42,310 --> 00:16:39,839

just acquired

446

00:16:44,790 --> 00:16:42,320

in my wallet it was amazing

447

00:16:49,189 --> 00:16:44,800

so anyway i had got all the money

448

00:16:51,269 --> 00:16:49,199

together and the day before i did the uh

449

00:16:53,749 --> 00:16:51,279

the brakes on a van

450

00:16:54,550 --> 00:16:53,759

in my front yard

451
00:16:56,629 --> 00:16:54,560
uh

452
00:16:59,030 --> 00:16:56,639
just with a few tools and the bare

453
00:17:02,870 --> 00:16:59,040
necessities to save money

454
00:17:05,270 --> 00:17:02,880
and did the rotors and the uh brake pads

455
00:17:06,630 --> 00:17:05,280
with just a hand um

456
00:17:09,429 --> 00:17:06,640
um

457
00:17:11,590 --> 00:17:09,439
tire iron from the back of the van

458
00:17:13,270 --> 00:17:11,600
and spend a couple hours out there and

459
00:17:15,029 --> 00:17:13,280
probably save myself about a thousand

460
00:17:17,350 --> 00:17:15,039
dollars in labor

461
00:17:19,110 --> 00:17:17,360
that's right yeah

462
00:17:21,029 --> 00:17:19,120
so

463
00:17:22,549 --> 00:17:21,039

and i actually did a really premier job

464

00:17:24,789 --> 00:17:22,559

i went and broke them in professionally

465

00:17:26,230 --> 00:17:24,799

and everything

466

00:17:28,710 --> 00:17:26,240

so

467

00:17:30,630 --> 00:17:28,720

that was just wonderful yeah

468

00:17:32,230 --> 00:17:30,640

yeah i remember that you were telling me

469

00:17:33,909 --> 00:17:32,240

that it was just like a last minute

470

00:17:36,150 --> 00:17:33,919

thing and you were so lucky you'd done

471

00:17:37,830 --> 00:17:36,160

everything and uh kind of got ready and

472

00:17:40,230 --> 00:17:37,840

it and the money came through and you

473

00:17:42,710 --> 00:17:40,240

were ready to zip down there and you did

474

00:17:45,430 --> 00:17:42,720

you drove all the way from uh washington

475

00:17:46,150 --> 00:17:45,440

state to northern california and i did

476
00:17:47,430 --> 00:17:46,160
it

477
00:17:48,630 --> 00:17:47,440
in one day

478
00:17:50,230 --> 00:17:48,640
yep

479
00:17:53,430 --> 00:17:50,240
which i've done before and it's not a

480
00:17:54,710 --> 00:17:53,440
whole lot of fun is it it's a long drive

481
00:17:57,110 --> 00:17:54,720
i somehow

482
00:17:58,630 --> 00:17:57,120
literally like as the it was almost like

483
00:18:01,350 --> 00:17:58,640
one of those movies where you're racing

484
00:18:03,430 --> 00:18:01,360
to get to the destination before the sun

485
00:18:05,830 --> 00:18:03,440
goes down

486
00:18:06,710 --> 00:18:05,840
it was literally just like that

487
00:18:09,510 --> 00:18:06,720
racing

488
00:18:11,669 --> 00:18:09,520

san francisco before the sun gets down

489

00:18:13,669 --> 00:18:11,679

that was great yeah so anyhow so you

490

00:18:15,750 --> 00:18:13,679

were kind of really blessed to get there

491

00:18:17,270 --> 00:18:15,760

and join us which was amazing you got

492

00:18:20,470 --> 00:18:17,280

there just in time i think to help us

493

00:18:22,789 --> 00:18:20,480

set up and yeah we're moving along and

494

00:18:25,029 --> 00:18:22,799

it was fabulous and then

495

00:18:26,950 --> 00:18:25,039

no it was kind of sad but i had you guys

496

00:18:28,470 --> 00:18:26,960

all staying at a house which was

497

00:18:30,070 --> 00:18:28,480

wonderful i i

498

00:18:31,669 --> 00:18:30,080

hope it was wonderful for you guys it

499

00:18:33,190 --> 00:18:31,679

was wonderful for me

500

00:18:34,549 --> 00:18:33,200

because i got to come over and hang out

501

00:18:37,110 --> 00:18:34,559

with you a little bit instead of being

502

00:18:38,630 --> 00:18:37,120

at a hotel which is the one at san

503

00:18:41,669 --> 00:18:38,640

rafael

504

00:18:43,029 --> 00:18:41,679

yeah yeah the house we had in navato

505

00:18:46,150 --> 00:18:43,039

okay yeah

506

00:18:48,870 --> 00:18:46,160

that was a lot of fun so anyhow um let's

507

00:18:50,390 --> 00:18:48,880

move on to the conference itself what

508

00:18:52,870 --> 00:18:50,400

did you think of

509

00:18:54,870 --> 00:18:52,880

the pr presenters it was the first time

510

00:18:58,230 --> 00:18:54,880

you'd seen anything like that had you

511

00:19:00,950 --> 00:18:58,240

met james before have you met max before

512

00:19:04,150 --> 00:19:00,960

i i had heard of douglas and some of the

513

00:19:06,470 --> 00:19:04,160

others before i just had never uh

514

00:19:07,909 --> 00:19:06,480

really reviewed their material before

515

00:19:09,830 --> 00:19:07,919

i'd met them

516

00:19:11,830 --> 00:19:09,840

interesting had you heard of solaris

517

00:19:12,710 --> 00:19:11,840

blue raven before then

518

00:19:15,350 --> 00:19:12,720

no

519

00:19:17,750 --> 00:19:15,360

oh yeah okay cool so this is kind of

520

00:19:19,990 --> 00:19:17,760

like a whole new world for you at that

521

00:19:21,990 --> 00:19:20,000

point yeah there you know there was

522

00:19:22,870 --> 00:19:22,000

there was a purpose for me to be there

523

00:19:29,750 --> 00:19:22,880

so

524

00:19:31,990 --> 00:19:29,760

um before the first conference the

525

00:19:34,870 --> 00:19:32,000

reason you guys met was because you were

526

00:19:36,870 --> 00:19:34,880

giving him wasn't it coordinates to

527

00:19:38,870 --> 00:19:36,880

different areas where there might be

528

00:19:40,630 --> 00:19:38,880

underground bases

529

00:19:43,590 --> 00:19:40,640

yeah

530

00:19:45,430 --> 00:19:43,600

it was very intriguing to me are you

531

00:19:47,990 --> 00:19:45,440

still doing any of that

532

00:19:50,310 --> 00:19:48,000

so here's the brief

533

00:19:52,549 --> 00:19:50,320

here's the brief okay folks

534

00:19:54,710 --> 00:19:52,559

perk up your ears here we go

535

00:19:56,549 --> 00:19:54,720

it's it's buried in the archives in the

536

00:19:59,350 --> 00:19:56,559

internet but it's not easy to find

537

00:20:03,190 --> 00:19:59,360

because it was deleted from uh

538

00:20:05,270 --> 00:20:03,200

the super soldier talk uh blog

539

00:20:08,470 --> 00:20:05,280

so uh

540

00:20:11,270 --> 00:20:08,480

at one point i released 27

541

00:20:14,789 --> 00:20:11,280

different bases

542

00:20:16,710 --> 00:20:14,799

with photos coordinates and explanations

543

00:20:19,029 --> 00:20:16,720

of

544

00:20:22,310 --> 00:20:19,039

not what each one was but

545

00:20:23,510 --> 00:20:22,320

a reference to tie it into the hollywood

546

00:20:24,549 --> 00:20:23,520

theme

547

00:20:26,470 --> 00:20:24,559

because

548

00:20:28,070 --> 00:20:26,480

of all the information stolen in the

549

00:20:30,789 --> 00:20:28,080

past

550

00:20:32,789 --> 00:20:30,799

oh okay now wait a minute

551
00:20:35,029 --> 00:20:32,799
now i just got lost because you said it

552
00:20:36,950 --> 00:20:35,039
referencing a hollywood theme but

553
00:20:38,950 --> 00:20:36,960
because of information stolen from past

554
00:20:42,230 --> 00:20:38,960
so i'm confused okay

555
00:20:44,870 --> 00:20:42,240
with each base that i released

556
00:20:46,830 --> 00:20:44,880
there would be so many images within the

557
00:20:48,950 --> 00:20:46,840
base

558
00:20:51,510 --> 00:20:48,960
architecture and i would use those

559
00:20:55,110 --> 00:20:51,520
images and reference them to

560
00:20:57,110 --> 00:20:55,120
um hollywood um marvel type things

561
00:21:00,230 --> 00:20:57,120
and you know

562
00:21:02,630 --> 00:21:00,240
so that way when people would look up

563
00:21:05,110 --> 00:21:02,640

those things it would come up

564

00:21:06,789 --> 00:21:05,120

and it's also it's it's i i did it in

565

00:21:09,110 --> 00:21:06,799

the same way the illuminati does where

566

00:21:10,470 --> 00:21:09,120

they do more than one thing in one

567

00:21:11,750 --> 00:21:10,480

one move

568

00:21:15,110 --> 00:21:11,760

i gotcha

569

00:21:19,590 --> 00:21:16,789

yeah you know what i'm saying

570

00:21:21,270 --> 00:21:19,600

i do i understand completely and so you

571

00:21:24,870 --> 00:21:21,280

would call something like you know

572

00:21:27,750 --> 00:21:24,880

underground bunker ant-man or

573

00:21:30,310 --> 00:21:27,760

or thor's hammer or something right let

574

00:21:32,390 --> 00:21:30,320

me give you an example um sure on the

575

00:21:34,149 --> 00:21:32,400

mount adams one i did

576

00:21:36,230 --> 00:21:34,159

i had astro

577

00:21:38,549 --> 00:21:36,240

up there was an actual picture of that

578

00:21:40,710 --> 00:21:38,559

what looked like astro on the side

579

00:21:42,390 --> 00:21:40,720

and that's the dog from the george

580

00:21:47,350 --> 00:21:42,400

jetsons cartoon

581

00:21:50,789 --> 00:21:47,360

right okay another one was um

582

00:21:53,190 --> 00:21:50,799

the the teacher from um

583

00:21:54,710 --> 00:21:53,200

simpsons

584

00:21:56,950 --> 00:21:54,720

oh okay

585

00:21:58,630 --> 00:21:56,960

okay and each one it was almost coded

586

00:22:00,230 --> 00:21:58,640

too the way i did it

587

00:22:03,270 --> 00:22:00,240

because

588

00:22:05,029 --> 00:22:03,280

it's not it wasn't

589

00:22:08,070 --> 00:22:05,039

everybody has to understand that that

590

00:22:12,950 --> 00:22:10,470

no longer exists

591

00:22:15,590 --> 00:22:12,960

oh really so you're not doing the remote

592

00:22:19,029 --> 00:22:15,600

viewing type of stuff anymore that you

593

00:22:22,470 --> 00:22:19,039

were doing back in 2012 13 and 14. i i

594

00:22:25,029 --> 00:22:22,480

can still do that it's just that uh

595

00:22:26,390 --> 00:22:25,039

i'm on to other things it's just there's

596

00:22:28,710 --> 00:22:26,400

okay so

597

00:22:31,029 --> 00:22:28,720

so this is the reason though because you

598

00:22:32,470 --> 00:22:31,039

were doing some phenomenal work tyler

599

00:22:35,830 --> 00:22:32,480

because

600

00:22:39,510 --> 00:22:35,840

okay so no let me take some steps back

601
00:22:41,430 --> 00:22:39,520
yeah the 27 bases between mars the moon

602
00:22:42,630 --> 00:22:41,440
and earth

603
00:22:44,390 --> 00:22:42,640
okay

604
00:22:47,110 --> 00:22:44,400
um

605
00:22:48,149 --> 00:22:47,120
four of them were were on uh

606
00:22:51,350 --> 00:22:48,159
mars

607
00:22:52,830 --> 00:22:51,360
one of them was ceruli crater

608
00:22:55,430 --> 00:22:52,840
another one was

609
00:22:57,669 --> 00:22:55,440
um i'm trying to think all the names

610
00:22:59,029 --> 00:22:57,679
it's been so long

611
00:23:00,549 --> 00:22:59,039
well now this

612
00:23:01,830 --> 00:23:00,559
now people are listening to this and

613
00:23:03,029 --> 00:23:01,840

they're all going they're all rolling

614

00:23:04,470 --> 00:23:03,039

their eyes back in their head and

615

00:23:06,390 --> 00:23:04,480

they're kind of going what is all this

616

00:23:08,710 --> 00:23:06,400

craziness and i want you guys to hear

617

00:23:10,950 --> 00:23:08,720

something very interesting

618

00:23:12,950 --> 00:23:10,960

what tyler has been talking about all

619

00:23:15,430 --> 00:23:12,960

these years i kind of you know i listen

620

00:23:17,590 --> 00:23:15,440

to tyler what he has to say i stored it

621

00:23:19,430 --> 00:23:17,600

away in my head and i remembered this

622

00:23:20,789 --> 00:23:19,440

base on mars that he's talking about

623

00:23:23,510 --> 00:23:20,799

right now

624

00:23:26,470 --> 00:23:23,520

and i have run into two other

625

00:23:29,430 --> 00:23:26,480

experiencer contactee

626

00:23:30,630 --> 00:23:29,440

secret space program super soldier dudes

627

00:23:31,990 --> 00:23:30,640

that's all i'm going to call them right

628

00:23:34,149 --> 00:23:32,000

now because i don't know what else to

629

00:23:36,230 --> 00:23:34,159

call them because like you know

630

00:23:38,070 --> 00:23:36,240

my whole view on how everybody's labeled

631

00:23:39,110 --> 00:23:38,080

this really changed over the years too

632

00:23:40,470 --> 00:23:39,120

tyler

633

00:23:43,190 --> 00:23:40,480

so um

634

00:23:45,990 --> 00:23:43,200

but anyhow i met two guys since then

635

00:23:48,710 --> 00:23:46,000

that have told me about the same bases

636

00:23:50,950 --> 00:23:48,720

you're talking about on mars and they

637

00:23:54,470 --> 00:23:50,960

use the almost the same coordinates and

638

00:23:56,230 --> 00:23:54,480

the names of these places yeah yeah so i

639

00:23:58,630 --> 00:23:56,240

and they don't know you and i would

640

00:24:00,710 --> 00:23:58,640

never tell you who they are so this is

641

00:24:03,270 --> 00:24:00,720

like blowing my mind when they told me

642

00:24:05,830 --> 00:24:03,280

this stuff i went oh my god tyler told

643

00:24:07,590 --> 00:24:05,840

me that it's really great it's a big one

644

00:24:09,350 --> 00:24:07,600

that's definitely a big one

645

00:24:10,390 --> 00:24:09,360

a lot of activity out of that one for

646

00:24:12,870 --> 00:24:10,400

sure

647

00:24:15,190 --> 00:24:12,880

exactly and that that's the one that one

648

00:24:16,950 --> 00:24:15,200

of them actually worked in he worked in

649

00:24:20,070 --> 00:24:16,960

that base

650

00:24:21,830 --> 00:24:20,080

yeah yeah so i mean this is these are

651
00:24:23,830 --> 00:24:21,840
the stories they're telling me so i'm

652
00:24:26,149 --> 00:24:23,840
like going okay so tyler was on to

653
00:24:28,310 --> 00:24:26,159
something really cool so

654
00:24:31,510 --> 00:24:28,320
for me though

655
00:24:33,830 --> 00:24:31,520
during all of my google earth campaign

656
00:24:37,510 --> 00:24:33,840
which was part of an awakening process

657
00:24:38,950 --> 00:24:37,520
where i weaponized a 200 laptop

658
00:24:41,430 --> 00:24:38,960
um

659
00:24:43,269 --> 00:24:41,440
you certainly did because i remember

660
00:24:44,710 --> 00:24:43,279
weren't they hacking into your computer

661
00:24:49,029 --> 00:24:44,720
like every day

662
00:24:54,230 --> 00:24:52,070
you couldn't click on anything and

663
00:24:56,950 --> 00:24:54,240

you know you'd sometimes see the mouse

664

00:24:58,870 --> 00:24:56,960

arrow go across by itself and

665

00:25:01,190 --> 00:24:58,880

it definitely wasn't a ghost or anything

666

00:25:04,070 --> 00:25:01,200

like that no no it was somebody plus it

667

00:25:05,750 --> 00:25:04,080

was a really cheap laptop i'm sure it

668

00:25:07,430 --> 00:25:05,760

wouldn't take much more than a youtube

669

00:25:08,630 --> 00:25:07,440

video of

670

00:25:10,149 --> 00:25:08,640

training and

671

00:25:13,110 --> 00:25:10,159

probably hack it

672

00:25:14,549 --> 00:25:13,120

yeah oh yeah well the thing is you know

673

00:25:16,710 --> 00:25:14,559

you and i were experiencing a lot of the

674

00:25:19,990 --> 00:25:16,720

same things at the same time

675

00:25:21,350 --> 00:25:20,000

yeah 2012 and 14 i would be at five

676

00:25:23,190 --> 00:25:21,360

o'clock in the morning i'd be in front

677

00:25:25,750 --> 00:25:23,200

of my computer and suddenly the mouse is

678

00:25:27,750 --> 00:25:25,760

going around clicking on files so i'd be

679

00:25:29,269 --> 00:25:27,760

like okay they're obviously in here

680

00:25:31,029 --> 00:25:29,279

poking around i think i'll just go to

681

00:25:33,110 --> 00:25:31,039

bed and let them you know that's what i

682

00:25:34,230 --> 00:25:33,120

did i just like i gave up i just if

683

00:25:36,149 --> 00:25:34,240

they're gonna get in there they're gonna

684

00:25:37,990 --> 00:25:36,159

get in there right there's not a whole

685

00:25:40,310 --> 00:25:38,000

lot you can do about it

686

00:25:41,669 --> 00:25:40,320

that's really no longer an issue for me

687

00:25:43,110 --> 00:25:41,679

though

688

00:25:43,909 --> 00:25:43,120

yeah me either

689

00:25:45,750 --> 00:25:43,919

so

690

00:25:47,190 --> 00:25:45,760

what do you think changed for everybody

691

00:25:50,149 --> 00:25:47,200

i mean i've talked to a lot of people

692

00:25:51,110 --> 00:25:50,159

that they're not being bothered anymore

693

00:25:53,669 --> 00:25:51,120

um

694

00:25:55,190 --> 00:25:53,679

it may be that i just

695

00:25:56,440 --> 00:25:55,200

looked a few people in the eye once in

696

00:25:58,390 --> 00:25:56,450

passing

697

00:26:01,029 --> 00:25:58,400

[Laughter]

698

00:26:02,950 --> 00:26:01,039

i know that feeling let me tell you you

699

00:26:05,510 --> 00:26:02,960

know mine was a little different instead

700

00:26:07,990 --> 00:26:05,520

of me having to confront them with the

701
00:26:10,630 --> 00:26:08,000
evil eye like you did

702
00:26:13,430 --> 00:26:10,640
i actually prayed a lot and i got some

703
00:26:15,750 --> 00:26:13,440
protection and it really it wasn't

704
00:26:17,190 --> 00:26:15,760
it wasn't evil it was it was just like i

705
00:26:21,830 --> 00:26:17,200
know

706
00:26:23,350 --> 00:26:21,840
yeah

707
00:26:25,750 --> 00:26:23,360
hey did you ever get to meet james

708
00:26:27,750 --> 00:26:25,760
caspel you did did you at the 2013

709
00:26:30,789 --> 00:26:27,760
conference yeah

710
00:26:33,350 --> 00:26:30,799
so let's let's uh let's go to two

711
00:26:36,870 --> 00:26:33,360
different places okay um

712
00:26:40,390 --> 00:26:36,880
first let's go back to the night that um

713
00:26:42,230 --> 00:26:40,400

i saved max with your help and james's

714

00:26:43,990 --> 00:26:42,240

help getting him in the car because i

715

00:26:45,590 --> 00:26:44,000

remember you guys really helped me a lot

716

00:26:48,630 --> 00:26:45,600

getting him in the car

717

00:26:50,710 --> 00:26:48,640

did you go to the hospital with me

718

00:26:52,950 --> 00:26:50,720

we did we went to the hospital james was

719

00:26:54,630 --> 00:26:52,960

there for that but

720

00:26:56,149 --> 00:26:54,640

james didn't go to the hospital did he

721

00:26:58,630 --> 00:26:56,159

because wasn't he back at the house and

722

00:27:02,070 --> 00:26:58,640

i was texting him to try to get the

723

00:27:05,269 --> 00:27:02,080

pictures of the bottles of the

724

00:27:07,909 --> 00:27:05,279

the the drugs that max had taken

725

00:27:10,870 --> 00:27:07,919

um he had that with us

726

00:27:12,870 --> 00:27:10,880

oh we did okay i thought i thought for

727

00:27:15,590 --> 00:27:12,880

sure that we were i cuz i remember

728

00:27:16,549 --> 00:27:15,600

showing it to the doctor my cell phone

729

00:27:18,390 --> 00:27:16,559

so

730

00:27:21,430 --> 00:27:18,400

or maybe we had the wrong thing or

731

00:27:25,590 --> 00:27:23,510

now but maybe we send him back to the

732

00:27:27,269 --> 00:27:25,600

house to take pictures and email him to

733

00:27:29,590 --> 00:27:27,279

us i think that's what happened at the

734

00:27:31,909 --> 00:27:29,600

time because we didn't know and then he

735

00:27:33,110 --> 00:27:31,919

went back to the house

736

00:27:35,430 --> 00:27:33,120

yeah because

737

00:27:37,750 --> 00:27:35,440

we uh you had to stay there for like an

738

00:27:39,830 --> 00:27:37,760

hour or something or two hours oh i was

739

00:27:43,830 --> 00:27:39,840

there until four o'clock in the morning

740

00:27:45,990 --> 00:27:43,840

yeah whatever it was yeah it was ugly

741

00:27:47,750 --> 00:27:46,000

after a while or something

742

00:27:50,070 --> 00:27:47,760

yeah so i think you guys went back to

743

00:27:52,310 --> 00:27:50,080

the house if i remember correctly and i

744

00:27:54,470 --> 00:27:52,320

just stayed with them but you know what

745

00:27:56,389 --> 00:27:54,480

people don't get is max had a lot of

746

00:27:58,389 --> 00:27:56,399

things going on in his life and he

747

00:28:00,950 --> 00:27:58,399

wasn't if everybody doesn't know who i'm

748

00:28:02,549 --> 00:28:00,960

talking about just look up max spears on

749

00:28:03,990 --> 00:28:02,559

the internet and you'll find out

750

00:28:06,230 --> 00:28:04,000

everything you need to know i'm not

751
00:28:09,269 --> 00:28:06,240
going to go into it all i'm tired of

752
00:28:10,230 --> 00:28:09,279
going into it all but max was uh the

753
00:28:12,950 --> 00:28:10,240
first

754
00:28:14,310 --> 00:28:12,960
i met james rink and max beer yeah max

755
00:28:16,549 --> 00:28:14,320
bears the first

756
00:28:18,950 --> 00:28:16,559
weekend that i got into all of this

757
00:28:21,350 --> 00:28:18,960
stuff and all the super soldier stuff

758
00:28:23,190 --> 00:28:21,360
and uh so james and max were like my

759
00:28:25,350 --> 00:28:23,200
first two and then tyler was like but

760
00:28:27,029 --> 00:28:25,360
the third child in the process and then

761
00:28:29,830 --> 00:28:27,039
it just grew from there

762
00:28:33,149 --> 00:28:29,840
and then caspel came along for the next

763
00:28:35,830 --> 00:28:33,159

year's event so um so let's talk about

764

00:28:40,070 --> 00:28:35,840

2013's uh super soldier conference

765

00:28:42,070 --> 00:28:40,080

instead of 12 12 we we now know that max

766

00:28:44,149 --> 00:28:42,080

overdosed and i took him to the hospital

767

00:28:45,350 --> 00:28:44,159

with your help and and james's help at

768

00:28:47,830 --> 00:28:45,360

first

769

00:28:49,990 --> 00:28:47,840

and uh we got him there we saved his

770

00:28:51,350 --> 00:28:50,000

life we got him back going again and he

771

00:28:53,350 --> 00:28:51,360

is now dead

772

00:28:56,389 --> 00:28:53,360

from something that happened to him

773

00:28:58,789 --> 00:28:56,399

poland do you have any idea what might

774

00:28:59,990 --> 00:28:58,799

have happened to max in poland at the

775

00:29:02,389 --> 00:29:00,000

time

776
00:29:03,669 --> 00:29:02,399
of his death

777
00:29:07,110 --> 00:29:03,679
well i

778
00:29:09,430 --> 00:29:07,120
i spoke to him about

779
00:29:12,389 --> 00:29:09,440
maybe four or five days prior

780
00:29:14,310 --> 00:29:12,399
oh you did oh god i'm so glad you did

781
00:29:16,310 --> 00:29:14,320
how is he doing

782
00:29:18,549 --> 00:29:16,320
um he

783
00:29:20,710 --> 00:29:18,559
he actually was giving me just some like

784
00:29:22,070 --> 00:29:20,720
uh health food advice if you really want

785
00:29:24,470 --> 00:29:22,080
to know

786
00:29:27,430 --> 00:29:24,480
that's good i mean he was pretty into

787
00:29:30,950 --> 00:29:27,440
that he had his his act together on it

788
00:29:32,870 --> 00:29:30,960

um i'm i'm a little concerned about some

789

00:29:37,350 --> 00:29:32,880

of the people that were around him at

790

00:29:39,990 --> 00:29:37,360

the time of his death and i think too um

791

00:29:41,430 --> 00:29:40,000

he had actually asked me on facebook if

792

00:29:43,909 --> 00:29:41,440

uh

793

00:29:46,149 --> 00:29:43,919

just for some clues on what like

794

00:29:49,430 --> 00:29:46,159

what type of uh words that you know

795

00:29:55,029 --> 00:29:52,070

just to mess with him you know

796

00:29:56,470 --> 00:29:55,039

mm-hmm uh like altered stuff trigger

797

00:29:58,710 --> 00:29:56,480

words and things

798

00:30:01,190 --> 00:29:58,720

exactly yeah because see i have a

799

00:30:02,710 --> 00:30:01,200

feeling and nothing against a lot of

800

00:30:04,470 --> 00:30:02,720

people i'm not even saying names i'm

801
00:30:05,909 --> 00:30:04,480

just gonna say this folks

802
00:30:07,510 --> 00:30:05,919

i think there were some players out

803
00:30:10,310 --> 00:30:07,520

there that were meant to take him down

804
00:30:13,190 --> 00:30:10,320

because they weren't helping him when he

805
00:30:14,710 --> 00:30:13,200

he in my opinion tyler and this is just

806
00:30:16,710 --> 00:30:14,720

my opinion

807
00:30:18,710 --> 00:30:16,720

i think he he broke down and i think he

808
00:30:20,630 --> 00:30:18,720

was doing drugs again but instead of

809
00:30:23,029 --> 00:30:20,640

somebody there and the reason i brought

810
00:30:25,430 --> 00:30:23,039

this all up about 2012 when we all took

811
00:30:28,310 --> 00:30:25,440

him to the hospital and saved his life

812
00:30:30,310 --> 00:30:28,320

in 2012 there was nobody there and you

813
00:30:32,470 --> 00:30:30,320

know in 2017

814

00:30:35,110 --> 00:30:32,480

to save him this time they all just let

815

00:30:38,470 --> 00:30:35,120

him die and it was almost ritualistic

816

00:30:42,389 --> 00:30:40,310

i don't really feel that was the case on

817

00:30:44,789 --> 00:30:42,399

this on this don't

818

00:30:46,549 --> 00:30:44,799

visit macy's backstage.com for a

831

00:31:15,590 --> 00:31:13,600

location near you okay so what do you

832

00:31:18,950 --> 00:31:15,600

think happened

833

00:31:22,470 --> 00:31:18,960

he he had actually told me um

834

00:31:27,269 --> 00:31:23,590

he had

835

00:31:29,190 --> 00:31:27,279

started writing a book

836

00:31:30,630 --> 00:31:29,200

he had a website going

837

00:31:33,190 --> 00:31:30,640

yeah

838

00:31:34,950 --> 00:31:33,200

that he had planned to try to fix things

839

00:31:35,909 --> 00:31:34,960

with uh sarah

840

00:31:37,350 --> 00:31:35,919

right

841

00:31:39,669 --> 00:31:37,360

or at least try to

842

00:31:42,630 --> 00:31:39,679

and yeah he had a bunch of positive

843

00:31:44,070 --> 00:31:42,640

goals going on at least it seemed

844

00:31:46,149 --> 00:31:44,080

on the phone

845

00:31:49,029 --> 00:31:46,159

and he felt that there was a few people

846

00:31:51,029 --> 00:31:49,039

that were interfering with uh

847

00:31:53,269 --> 00:31:51,039

that process

848

00:31:57,430 --> 00:31:53,279

right some way

849

00:32:00,470 --> 00:31:57,440

and and it was more on a personal

850

00:32:03,430 --> 00:32:00,480

uh social matter i think because of the

851

00:32:06,230 --> 00:32:03,440

way he was asking me for uh

852

00:32:09,350 --> 00:32:06,240

advice on like uh just different words

853

00:32:12,549 --> 00:32:09,360

and i was trying to think of a way to

854

00:32:15,590 --> 00:32:12,559

you know put words out there but not

855

00:32:17,029 --> 00:32:15,600

you know trigger someone

856

00:32:17,909 --> 00:32:17,039

exactly

857

00:32:19,669 --> 00:32:17,919

well

858

00:32:21,830 --> 00:32:19,679

it's just i don't know something's

859

00:32:24,549 --> 00:32:21,840

rotten in denmark with this whole death

860

00:32:26,789 --> 00:32:24,559

um it it makes sense to me though that

861

00:32:28,870 --> 00:32:26,799

he might have gotten a hold of um you

862

00:32:32,310 --> 00:32:28,880

know a batch of drugs

863

00:32:34,070 --> 00:32:32,320

and and maybe od but even if he did od

864

00:32:36,230 --> 00:32:34,080

it was obvious to them i mean during

865

00:32:39,509 --> 00:32:36,240

that interview the day before wasn't it

866

00:32:41,750 --> 00:32:39,519

the day before he did that interview

867

00:32:44,710 --> 00:32:41,760

where he was passing out

868

00:32:48,549 --> 00:32:44,720

are you aware that uh

869

00:32:53,990 --> 00:32:51,669

a professional um certified reiki healer

870

00:32:55,269 --> 00:32:54,000

and another healer heal him

871

00:32:58,470 --> 00:32:55,279

uh no

872

00:33:02,630 --> 00:33:00,549

oh well if they had done that i've

873

00:33:03,990 --> 00:33:02,640

actually been reaching out to multiple

874

00:33:05,509 --> 00:33:04,000

people for

875

00:33:07,509 --> 00:33:05,519

um

876

00:33:10,549 --> 00:33:07,519

support like healing and all kinds of

877

00:33:15,350 --> 00:33:13,350

he was networking with more people than

878

00:33:17,430 --> 00:33:15,360

i think everybody was aware of

879

00:33:19,750 --> 00:33:17,440

well i'm sure he was i know he was

880

00:33:22,389 --> 00:33:19,760

involved with a gentleman i'm not going

881

00:33:24,789 --> 00:33:22,399

to mention that we all know about

882

00:33:27,430 --> 00:33:24,799

montauk guy and you know just a whole

883

00:33:29,110 --> 00:33:27,440

bunch of people and i get that but if

884

00:33:31,909 --> 00:33:29,120

you're telling me he had somebody

885

00:33:33,750 --> 00:33:31,919

working on him tyler that scares me

886

00:33:35,669 --> 00:33:33,760

because that means the people that were

887

00:33:37,029 --> 00:33:35,679

working on him may have not been really

888

00:33:39,269 --> 00:33:37,039

working on him they may have been

889

00:33:41,110 --> 00:33:39,279

killing him no

890

00:33:43,990 --> 00:33:41,120

no you don't think so the stuff that i'm

891

00:33:46,230 --> 00:33:44,000

talking about is uh

892

00:33:49,190 --> 00:33:46,240

these are this is this is an actual

893

00:33:50,789 --> 00:33:49,200

person with like a business

894

00:33:52,950 --> 00:33:50,799

okay

895

00:33:54,149 --> 00:33:52,960

and do you think they were helping him

896

00:33:57,430 --> 00:33:54,159

yes i do

897

00:33:59,750 --> 00:33:57,440

oh okay okay and so he actually um said

898

00:34:01,909 --> 00:33:59,760

that he felt better in

899

00:34:03,909 --> 00:34:01,919

the reply and the message and continued

900

00:34:05,029 --> 00:34:03,919

on in the conversation for several days

901
00:34:07,350 --> 00:34:05,039
after that

902
00:34:09,750 --> 00:34:07,360
oh okay

903
00:34:11,990 --> 00:34:09,760
well so that's good so

904
00:34:14,470 --> 00:34:12,000
so what do you think it was though if it

905
00:34:16,389 --> 00:34:14,480
wasn't a drug overdose which it kind of

906
00:34:18,230 --> 00:34:16,399
and only from my perspective having

907
00:34:21,190 --> 00:34:18,240
dealt with him for so long for so many

908
00:34:22,310 --> 00:34:21,200
years and knowing him as well as i did

909
00:34:24,790 --> 00:34:22,320
up until

910
00:34:25,990 --> 00:34:24,800
sarah you know basically got together

911
00:34:27,990 --> 00:34:26,000
with him and the two of them were

912
00:34:29,829 --> 00:34:28,000
together i was even in their life up for

913
00:34:30,790 --> 00:34:29,839

a year after that so

914

00:34:32,950 --> 00:34:30,800

but

915

00:34:35,669 --> 00:34:32,960

knowing him as well as i did when i

916

00:34:37,510 --> 00:34:35,679

heard him slurring and falling asleep

917

00:34:39,750 --> 00:34:37,520

during that interview

918

00:34:42,310 --> 00:34:39,760

it just pulled at my heartstrings that

919

00:34:44,629 --> 00:34:42,320

he had gotten back on some you know some

920

00:34:47,270 --> 00:34:44,639

downers or some drugs or something and i

921

00:34:50,470 --> 00:34:47,280

just was very concerned that that might

922

00:34:51,750 --> 00:34:50,480

have been his demise but at the same

923

00:34:53,829 --> 00:34:51,760

time

924

00:34:56,149 --> 00:34:53,839

if you're listening to a guy on a radio

925

00:34:57,670 --> 00:34:56,159

show and he's having that going on tyler

926

00:34:59,829 --> 00:34:57,680

you know what i'd do if he was on my

927

00:35:01,829 --> 00:34:59,839

show and i was sitting right next to him

928

00:35:03,750 --> 00:35:01,839

i would stop the show and i'd be taking

929

00:35:05,990 --> 00:35:03,760

them to the emergency room because

930

00:35:08,310 --> 00:35:06,000

that's the kind of person i am what is

931

00:35:10,470 --> 00:35:08,320

wrong with the dude who is

932

00:35:12,630 --> 00:35:10,480

letting him sit there and slur and fall

933

00:35:15,030 --> 00:35:12,640

asleep and god knows what's wrong with

934

00:35:17,190 --> 00:35:15,040

them and letting it go on i was i was

935

00:35:18,710 --> 00:35:17,200

absolutely appalled that that guy wasn't

936

00:35:21,589 --> 00:35:18,720

arrested

937

00:35:24,069 --> 00:35:21,599

for not helping him

938

00:35:27,430 --> 00:35:24,079

we have uh a multitude of factors we

939

00:35:30,870 --> 00:35:27,440

have to keep in mind as well

940

00:35:32,470 --> 00:35:30,880

well and what are those in your opinion

941

00:35:34,630 --> 00:35:32,480

well there's multiple

942

00:35:35,910 --> 00:35:34,640

intelligence agencies

943

00:35:39,510 --> 00:35:35,920

yeah

944

00:35:42,069 --> 00:35:39,520

that's true that are definitely uh

945

00:35:44,710 --> 00:35:42,079

keeping an eye on everything

946

00:35:47,270 --> 00:35:44,720

do you think that maybe he was being

947

00:35:49,990 --> 00:35:47,280

targeted with you know electronic

948

00:35:53,030 --> 00:35:50,000

warfare by and that's what was causing

949

00:35:54,950 --> 00:35:53,040

the slurry and the the sleepiness and

950

00:35:55,990 --> 00:35:54,960

the could very well have been there

951
00:35:58,870 --> 00:35:56,000
that's

952
00:36:01,829 --> 00:35:58,880
because

953
00:36:03,270 --> 00:36:01,839
i've been hit with things that um

954
00:36:06,790 --> 00:36:03,280
can impair you

955
00:36:07,910 --> 00:36:06,800
temporarily exactly me too

956
00:36:10,630 --> 00:36:07,920
another thing

957
00:36:14,069 --> 00:36:13,030
when he had spoken to me he didn't say

958
00:36:17,030 --> 00:36:14,079
it but

959
00:36:19,030 --> 00:36:17,040
i had almost wondered if maybe

960
00:36:20,230 --> 00:36:19,040
someone had possibly been slipping

961
00:36:22,150 --> 00:36:20,240
something in his

962
00:36:24,470 --> 00:36:22,160
like drinks or food

963
00:36:26,550 --> 00:36:24,480

well that was just my thought

964

00:36:28,310 --> 00:36:26,560

yeah that was another thought i had i

965

00:36:29,589 --> 00:36:28,320

thought well if he didn't do it to

966

00:36:32,310 --> 00:36:29,599

himself

967

00:36:34,310 --> 00:36:32,320

maybe they were doing it to him

968

00:36:36,550 --> 00:36:34,320

and because

969

00:36:37,750 --> 00:36:36,560

yeah you have to think of all

970

00:36:39,430 --> 00:36:37,760

variables

971

00:36:41,829 --> 00:36:39,440

yeah and it's

972

00:36:45,190 --> 00:36:41,839

it's an ugly scene over there especially

973

00:36:47,510 --> 00:36:45,200

for the crew that's in charge over there

974

00:36:50,630 --> 00:36:47,520

well that's in your turf so

975

00:36:52,870 --> 00:36:50,640

yeah yeah yeah absolutely and i

976
00:36:55,349 --> 00:36:52,880
what bothers me about the european

977
00:36:58,230 --> 00:36:55,359
faction of this whole game that we've

978
00:37:00,870 --> 00:36:58,240
all gotten ourselves into at some level

979
00:37:03,910 --> 00:37:00,880
in the what i call the conscious super

980
00:37:06,470 --> 00:37:03,920
soldiers secret space program community

981
00:37:09,030 --> 00:37:06,480
is that you don't know who's

982
00:37:11,030 --> 00:37:09,040
who's playing on whose side ever because

983
00:37:13,990 --> 00:37:11,040
in a lot of cases these guys are all

984
00:37:16,230 --> 00:37:14,000
programmed with 16 personalities like i

985
00:37:18,790 --> 00:37:16,240
mean let's go talk about uh

986
00:37:19,670 --> 00:37:18,800
duncan for a minute duncan o'finion

987
00:37:21,910 --> 00:37:19,680
i mean

988
00:37:24,950 --> 00:37:21,920

i love the dude and he's you know he's

989

00:37:28,630 --> 00:37:24,960

been after me and bad-mouthing me since

990

00:37:31,750 --> 00:37:28,640

day one when he decided lauren

991

00:37:33,109 --> 00:37:31,760

yeah go ahead but i thought um another

992

00:37:36,310 --> 00:37:33,119

thing too

993

00:37:38,150 --> 00:37:36,320

is some subject content too

994

00:37:40,790 --> 00:37:38,160

can trigger

995

00:37:43,750 --> 00:37:40,800

a person to just not be responsive and

996

00:37:46,390 --> 00:37:43,760

not give you any straight answers and

997

00:37:48,710 --> 00:37:46,400

and pretty much put up a wall

998

00:37:51,510 --> 00:37:48,720

well that's true yeah especially if

999

00:37:55,990 --> 00:37:51,520

you're programmed as much as max was

1000

00:38:02,550 --> 00:37:59,829

he was one of the elite ss under the uk

1001
00:38:06,550 --> 00:38:04,710
and also

1002
00:38:10,870 --> 00:38:06,560
also connected to the

1003
00:38:12,870 --> 00:38:10,880
to the uss side too as well so

1004
00:38:15,430 --> 00:38:12,880
it's a big connection

1005
00:38:17,670 --> 00:38:15,440
it's a huge connection and it also goes

1006
00:38:20,310 --> 00:38:17,680
back to his connection with james caspel

1007
00:38:22,150 --> 00:38:20,320
because as you and i both know um the

1008
00:38:24,390 --> 00:38:22,160
next thing i wanted to talk about was

1009
00:38:27,190 --> 00:38:24,400
2013 and henderson

1010
00:38:28,390 --> 00:38:27,200
because i i owe you an apology tyler

1011
00:38:31,190 --> 00:38:28,400
because

1012
00:38:34,390 --> 00:38:31,200
i did not believe that we were all taken

1013
00:38:36,390 --> 00:38:34,400

that night and i was absolutely adamant

1014

00:38:39,270 --> 00:38:36,400

that i was going to go on air and i did

1015

00:38:41,750 --> 00:38:39,280

for four to five months after that event

1016

00:38:44,710 --> 00:38:41,760

and i pooh-poohed that whole thing

1017

00:38:47,030 --> 00:38:44,720

i absolutely was telling people that it

1018

00:38:49,750 --> 00:38:47,040

did not happen that people were having a

1019

00:38:51,750 --> 00:38:49,760

mass hallucination and blah blah blah

1020

00:38:53,109 --> 00:38:51,760

but i'll tell you what happened and i i

1021

00:38:54,870 --> 00:38:53,119

don't know if i've ever mentioned this

1022

00:38:55,750 --> 00:38:54,880

on air before

1023

00:38:58,710 --> 00:38:55,760

but

1024

00:39:00,390 --> 00:38:58,720

melinda leslie called me in september

1025

00:39:02,390 --> 00:39:00,400

now this was may that we had the

1026

00:39:05,109 --> 00:39:02,400

conference and then you and i went up to

1027

00:39:07,349 --> 00:39:05,119

rachel with ken and and then you went on

1028

00:39:08,390 --> 00:39:07,359

to wherever you went to and we went back

1029

00:39:11,510 --> 00:39:08,400

home

1030

00:39:13,510 --> 00:39:11,520

um afterwards um but

1031

00:39:15,510 --> 00:39:13,520

that it was sunday night that we were

1032

00:39:16,950 --> 00:39:15,520

taken and you were part of it weren't

1033

00:39:20,150 --> 00:39:16,960

you weren't you part of the group that

1034

00:39:22,950 --> 00:39:21,109

yes

1035

00:39:24,950 --> 00:39:22,960

yeah i thought so

1036

00:39:28,150 --> 00:39:24,960

well anyhow

1037

00:39:31,030 --> 00:39:28,160

melinda calls me in september and says

1038

00:39:33,430 --> 00:39:31,040

lorian i'm having ptsd from us being

1039

00:39:34,310 --> 00:39:33,440

taken on that at that conference and i'm

1040

00:39:36,470 --> 00:39:34,320

like

1041

00:39:37,990 --> 00:39:36,480

well you know it didn't happen melinda

1042

00:39:40,630 --> 00:39:38,000

but i'll listen to your story because

1043

00:39:42,710 --> 00:39:40,640

she's a friend right so i'm listening to

1044

00:39:45,910 --> 00:39:42,720

this whole story and then tyler at one

1045

00:39:48,310 --> 00:39:45,920

point she says and the guy was wearing

1046

00:39:51,430 --> 00:39:48,320

and i had a complete flashback in the

1047

00:39:52,550 --> 00:39:51,440

moment of this perpetrator coming into

1048

00:39:55,030 --> 00:39:52,560

my room

1049

00:39:56,470 --> 00:39:55,040

and he's leaning over me and telling me

1050

00:39:57,510 --> 00:39:56,480

to get out of bed

1051
00:39:59,270 --> 00:39:57,520
and

1052
00:40:01,270 --> 00:39:59,280
i'm feeling

1053
00:40:03,270 --> 00:40:01,280
something brushing up against my nose

1054
00:40:05,349 --> 00:40:03,280
and my chin i want to say it was dog

1055
00:40:07,190 --> 00:40:05,359
tags but i don't think so i think it was

1056
00:40:10,069 --> 00:40:07,200
a necklace or something

1057
00:40:11,190 --> 00:40:10,079
and i told her exactly what he was

1058
00:40:13,750 --> 00:40:11,200
wearing

1059
00:40:15,430 --> 00:40:13,760
and i told her who it was and i think

1060
00:40:16,710 --> 00:40:15,440
you know who it was

1061
00:40:21,030 --> 00:40:16,720
and

1062
00:40:23,109 --> 00:40:21,040
that that was exactly what he was

1063
00:40:25,589 --> 00:40:23,119

wearing she was reading her notes from

1064

00:40:28,790 --> 00:40:25,599

the next day after it happened

1065

00:40:30,550 --> 00:40:28,800

so that that point tyler i realized that

1066

00:40:31,910 --> 00:40:30,560

something happened to us all at that

1067

00:40:34,870 --> 00:40:31,920

conference

1068

00:40:36,550 --> 00:40:34,880

but i still was in denial but i at least

1069

00:40:38,470 --> 00:40:36,560

was starting to sink in that it was a

1070

00:40:40,390 --> 00:40:38,480

possibility so i'm at the point now

1071

00:40:43,430 --> 00:40:40,400

where i'm in acceptance

1072

00:40:46,150 --> 00:40:43,440

i'm not sure i'm accepting all the way

1073

00:40:47,990 --> 00:40:46,160

but i am an acceptance that it happened

1074

00:40:50,069 --> 00:40:48,000

and uh there's a couple other things

1075

00:40:52,390 --> 00:40:50,079

that she told me that made it really

1076

00:40:55,349 --> 00:40:52,400

clear to me that it probably did happen

1077

00:40:56,790 --> 00:40:55,359

and then um in 2014 which you weren't

1078

00:41:01,030 --> 00:40:56,800

there for

1079

00:41:03,109 --> 00:41:01,040

um she told misha johnston and uh joanne

1080

00:41:05,190 --> 00:41:03,119

richards and niara eisley and a whole

1081

00:41:07,510 --> 00:41:05,200

bunch of people who was there being

1082

00:41:10,390 --> 00:41:07,520

taken and they didn't believe it either

1083

00:41:12,390 --> 00:41:10,400

but they went and got regressed to find

1084

00:41:14,630 --> 00:41:12,400

out if it was true or not and they all

1085

00:41:16,790 --> 00:41:14,640

came out of their regressions knowing

1086

00:41:18,309 --> 00:41:16,800

that it absolutely happened

1087

00:41:20,150 --> 00:41:18,319

so you know they've been trying to

1088

00:41:23,349 --> 00:41:20,160

convince me since then that it really

1089

00:41:25,990 --> 00:41:23,359

did happen but anyhow so i i owe you an

1090

00:41:27,910 --> 00:41:26,000

apology aaron hicks an apology i owe

1091

00:41:29,750 --> 00:41:27,920

everybody an apology for how i treated

1092

00:41:31,670 --> 00:41:29,760

you guys the first month after this

1093

00:41:34,150 --> 00:41:31,680

because everybody's calling me saying no

1094

00:41:35,829 --> 00:41:34,160

it happened it happened i'm like no way

1095

00:41:37,349 --> 00:41:35,839

never happened you're gonna go on air

1096

00:41:38,230 --> 00:41:37,359

and deny it

1097

00:41:41,109 --> 00:41:38,240

you know

1098

00:41:43,510 --> 00:41:41,119

i was totally like oh god i'm so nasty

1099

00:41:45,270 --> 00:41:43,520

to you guys i felt so bad later but

1100

00:41:47,270 --> 00:41:45,280

anyhow so

1101
00:41:49,510 --> 00:41:47,280
do you remember anything about that

1102
00:41:50,710 --> 00:41:49,520
night

1103
00:41:52,950 --> 00:41:50,720
i do

1104
00:41:54,069 --> 00:41:52,960
you do could you would you mind sharing

1105
00:41:56,150 --> 00:41:54,079
i mean we're at the point now where

1106
00:41:57,510 --> 00:41:56,160
everybody else is shared you might as

1107
00:41:58,470 --> 00:41:57,520
well share too and i'll tell you

1108
00:42:01,510 --> 00:41:58,480
something

1109
00:42:03,270 --> 00:42:01,520
cow's bolt story is a complete croc as

1110
00:42:05,670 --> 00:42:03,280
you and i both know

1111
00:42:08,150 --> 00:42:05,680
now that we know what really happened

1112
00:42:10,790 --> 00:42:08,160
we know that his story was totally

1113
00:42:14,950 --> 00:42:10,800

not the deal but anyhow do you remember

1114

00:42:20,309 --> 00:42:17,990

yeah yeah i had my face lasered open and

1115

00:42:23,030 --> 00:42:20,319

had a wire placed into my jaw and an

1116

00:42:25,510 --> 00:42:23,040

implant placed in the back of my ear

1117

00:42:27,510 --> 00:42:25,520

oh my god

1118

00:42:29,430 --> 00:42:27,520

that is very intriguing and i'll tell

1119

00:42:31,430 --> 00:42:29,440

you why folks you know you're just

1120

00:42:38,230 --> 00:42:31,440

freaking me out because misha said they

1121

00:42:43,750 --> 00:42:40,390

what was that

1122

00:42:45,430 --> 00:42:43,760

i know that is i

1123

00:42:47,510 --> 00:42:45,440

used a spell

1124

00:42:50,550 --> 00:42:47,520

to unlock my memories

1125

00:42:53,030 --> 00:42:50,560

oh wonderful okay so you did basic kind

1126

00:42:55,270 --> 00:42:53,040

of like self self hypnosis

1127

00:42:59,030 --> 00:42:55,280

and you did it through a magical

1128

00:43:01,589 --> 00:42:59,040

incantation and you got it to work

1129

00:43:03,510 --> 00:43:01,599

no i placed a spell on a rock

1130

00:43:05,109 --> 00:43:03,520

and then i interacted it with my body

1131

00:43:08,230 --> 00:43:05,119

electric field

1132

00:43:10,309 --> 00:43:08,240

okay and then over time

1133

00:43:11,990 --> 00:43:10,319

it intertwines through

1134

00:43:17,270 --> 00:43:12,000

the

1135

00:43:20,470 --> 00:43:17,280

word that you say

1136

00:43:23,030 --> 00:43:20,480

and through that it pulls out what

1137

00:43:25,990 --> 00:43:23,040

you want which is

1138

00:43:27,910 --> 00:43:26,000

recall of past memories

1139

00:43:29,750 --> 00:43:27,920

now that's you're going to have to teach

1140

00:43:31,829 --> 00:43:29,760

me how to do that

1141

00:43:34,230 --> 00:43:31,839

i'm going to call you for for magic

1142

00:43:35,190 --> 00:43:34,240

lessons here pretty soon that is very

1143

00:43:37,750 --> 00:43:35,200

cool

1144

00:43:38,950 --> 00:43:37,760

um okay so

1145

00:43:40,550 --> 00:43:38,960

yeah go ahead

1146

00:43:42,230 --> 00:43:40,560

um well i was gonna

1147

00:43:44,470 --> 00:43:42,240

get into uh

1148

00:43:46,550 --> 00:43:44,480

since we've spoken i had my

1149

00:43:47,910 --> 00:43:46,560

33rd birthday

1150

00:43:50,790 --> 00:43:47,920

some years back

1151
00:43:53,349 --> 00:43:50,800
yesterday at that time

1152
00:43:56,069 --> 00:43:53,359
at the time of me

1153
00:43:57,990 --> 00:43:56,079
turning that age

1154
00:44:01,430 --> 00:43:58,000
a great great many things were revealed

1155
00:44:07,190 --> 00:44:05,589
of past lives um also other dimensions

1156
00:44:11,270 --> 00:44:07,200
places

1157
00:44:12,550 --> 00:44:11,280
multiple uh biblical characters

1158
00:44:14,390 --> 00:44:12,560
um

1159
00:44:16,950 --> 00:44:14,400
all kinds of things that you would never

1160
00:44:20,230 --> 00:44:16,960
think um

1161
00:44:22,470 --> 00:44:20,240
even things that happened even before

1162
00:44:25,589 --> 00:44:22,480
this planet was created

1163
00:44:27,829 --> 00:44:25,599

you know tyler if you said that to me

1164

00:44:29,349 --> 00:44:27,839

you know back in 2012 or 13 i probably

1165

00:44:31,430 --> 00:44:29,359

would have looked at you cross-eyed but

1166

00:44:33,589 --> 00:44:31,440

right now after what i've heard from

1167

00:44:35,750 --> 00:44:33,599

everybody else that i'm in communication

1168

00:44:37,990 --> 00:44:35,760

with about all this stuff there's

1169

00:44:39,190 --> 00:44:38,000

awakenings going on with you what i call

1170

00:44:41,109 --> 00:44:39,200

the kids

1171

00:44:43,750 --> 00:44:41,119

the people under 40 that are in this

1172

00:44:46,230 --> 00:44:43,760

whole consciousness um uh

1173

00:44:48,309 --> 00:44:46,240

expanded knowledge uh

1174

00:44:50,390 --> 00:44:48,319

realm where you guys are just you're

1175

00:44:52,870 --> 00:44:50,400

waking up like exponentially

1176

00:44:55,349 --> 00:44:52,880

i know and i have to go ahead let me

1177

00:45:01,670 --> 00:44:58,950

so in in order to prove what i just said

1178

00:45:03,270 --> 00:45:01,680

is i in fact chose

1179

00:45:04,069 --> 00:45:03,280

to come here

1180

00:45:18,230 --> 00:45:04,079

i

1181

00:45:19,910 --> 00:45:18,240

there's there's you have to understand

1182

00:45:21,510 --> 00:45:19,920

how to do that and then you can go

1183

00:45:24,630 --> 00:45:21,520

through a black hole

1184

00:45:27,109 --> 00:45:24,640

that's another way to come here

1185

00:45:29,430 --> 00:45:27,119

and that's what happened to me

1186

00:45:32,390 --> 00:45:29,440

god that is so cool and you know what

1187

00:45:35,190 --> 00:45:32,400

tyler i just heard a very similar thing

1188

00:45:36,390 --> 00:45:35,200

from another guy about five months ago

1189

00:45:38,550 --> 00:45:36,400

and

1190

00:45:40,550 --> 00:45:38,560

yeah go ahead it's not that i'm separate

1191

00:45:42,069 --> 00:45:40,560

from the this

1192

00:45:43,829 --> 00:45:42,079

the whole

1193

00:45:45,510 --> 00:45:43,839

um human

1194

00:45:46,630 --> 00:45:45,520

soul group or anything like that it's

1195

00:45:48,150 --> 00:45:46,640

just i was

1196

00:45:49,990 --> 00:45:48,160

away

1197

00:45:52,069 --> 00:45:50,000

and now i'm back

1198

00:45:53,270 --> 00:45:52,079

in circulation at least for the time

1199

00:45:56,230 --> 00:45:53,280

being

1200

00:45:59,910 --> 00:45:56,240

and do you consider yourself uh

1201
00:46:01,750 --> 00:45:59,920
an alien or non-human or you just aware

1202
00:46:04,470 --> 00:46:01,760
of your soul essence to the point where

1203
00:46:09,510 --> 00:46:04,480
you understand this stuff

1204
00:46:19,510 --> 00:46:13,190
am

1205
00:46:21,349 --> 00:46:19,520
greats were in the past

1206
00:46:23,190 --> 00:46:21,359
the only difference with me is the only

1207
00:46:25,270 --> 00:46:23,200
difference with me is i possess the

1208
00:46:27,270 --> 00:46:25,280
genetic of both

1209
00:46:28,950 --> 00:46:27,280
gods

1210
00:46:30,870 --> 00:46:28,960
vampire

1211
00:46:33,589 --> 00:46:30,880
and the aryan bloodline

1212
00:46:35,430 --> 00:46:33,599
and and the area of the cherokee bud

1213
00:46:37,430 --> 00:46:35,440

and cherokee outside now i have all

1214

00:46:39,750 --> 00:46:37,440

these different headlines

1215

00:46:42,470 --> 00:46:39,760

intermixed within me

1216

00:46:44,870 --> 00:46:42,480

and then also if you take

1217

00:46:46,309 --> 00:46:44,880

the collins bloodline relation

1218

00:46:48,470 --> 00:46:46,319

that has

1219

00:46:50,309 --> 00:46:48,480

a definite

1220

00:46:51,750 --> 00:46:50,319

illuminati connection

1221

00:46:53,589 --> 00:46:51,760

you get

1222

00:46:55,349 --> 00:46:53,599

the perfect candidate for the god

1223

00:46:58,230 --> 00:46:55,359

projects

1224

00:47:01,030 --> 00:46:58,240

in the mk ultra industry

1225

00:47:02,470 --> 00:47:01,040

right right now yeah and the people that

1226

00:47:04,470 --> 00:47:02,480

are listening to this that are rolling

1227

00:47:06,309 --> 00:47:04,480

their eyes again i got to tell you folks

1228

00:47:07,349 --> 00:47:06,319

tyler's on to something huge here

1229

00:47:09,030 --> 00:47:07,359

because

1230

00:47:10,710 --> 00:47:09,040

i didn't believe this either and i was

1231

00:47:13,030 --> 00:47:10,720

just on the phone the other day with

1232

00:47:15,109 --> 00:47:13,040

fritz springmeier and we were talking a

1233

00:47:17,430 --> 00:47:15,119

lot about the bloodlines and nick

1234

00:47:19,030 --> 00:47:17,440

redfern's very much into it as well so i

1235

00:47:21,270 --> 00:47:19,040

hope you people are listening to what

1236

00:47:22,630 --> 00:47:21,280

tyler's saying because tyler just gave

1237

00:47:24,390 --> 00:47:22,640

you the key

1238

00:47:27,190 --> 00:47:24,400

to a lot of things here

1239

00:47:29,670 --> 00:47:27,200

the perfect storm for mk ultra is a

1240

00:47:32,470 --> 00:47:29,680

combination of many things and tyler has

1241

00:47:33,270 --> 00:47:32,480

them all so go ahead tyler go ahead okay

1242

00:47:34,470 --> 00:47:33,280

yeah

1243

00:47:36,550 --> 00:47:34,480

okay

1244

00:47:38,870 --> 00:47:36,560

so um

1245

00:47:42,230 --> 00:47:38,880

what's happened is

1246

00:47:44,069 --> 00:47:42,240

is there's some ss that can okay i want

1247

00:47:45,430 --> 00:47:44,079

to get the whole super soldier thing out

1248

00:47:47,190 --> 00:47:45,440

of the way right now

1249

00:47:49,430 --> 00:47:47,200

sure go for it

1250

00:47:51,109 --> 00:47:49,440

in the underground it's not called that

1251
00:47:52,390 --> 00:47:51,119
and i was going to say that on carrie

1252
00:47:53,670 --> 00:47:52,400
cassidy's video

1253
00:47:55,829 --> 00:47:53,680
but

1254
00:47:57,670 --> 00:47:55,839
i wasn't comfortable

1255
00:47:59,990 --> 00:47:57,680
so i decided not to

1256
00:48:01,349 --> 00:48:00,000
go into depths of information but it

1257
00:48:03,510 --> 00:48:01,359
ties into

1258
00:48:05,430 --> 00:48:03,520
the itching

1259
00:48:09,589 --> 00:48:05,440
book of change

1260
00:48:11,510 --> 00:48:09,599
and the true ss are superior soldiers

1261
00:48:13,270 --> 00:48:11,520
they're the superior man

1262
00:48:15,670 --> 00:48:13,280
they know what powers they need they

1263
00:48:17,510 --> 00:48:15,680

know what powers they don't

1264

00:48:18,710 --> 00:48:17,520

they know when to talk and then when not

1265

00:48:30,950 --> 00:48:18,720

to

1266

00:48:32,390 --> 00:48:30,960

the superior man that's a superior man

1267

00:48:34,950 --> 00:48:32,400

okay

1268

00:48:36,870 --> 00:48:34,960

is this that's the truth

1269

00:48:39,109 --> 00:48:36,880

yeah it because

1270

00:48:41,349 --> 00:48:39,119

that's the true super soldier the ss

1271

00:48:44,230 --> 00:48:41,359

because it's basically it came out of

1272

00:48:47,829 --> 00:48:44,240

world war ii the mk ultra program

1273

00:48:50,470 --> 00:48:47,839

through the nazi uh prison camps and the

1274

00:48:54,069 --> 00:48:50,480

and joseph mengele and that whole group

1275

00:48:56,630 --> 00:48:54,079

right yeah now so some of them can

1276

00:48:59,270 --> 00:48:56,640

and when you get into the projects where

1277

00:49:02,069 --> 00:48:59,280

um so let's just use the ibis project as

1278

00:49:04,069 --> 00:49:02,079

a quick example okay

1279

00:49:06,390 --> 00:49:04,079

that's one where

1280

00:49:09,910 --> 00:49:06,400

it's a god type project where they were

1281

00:49:15,030 --> 00:49:12,630

a certain god into a body through the

1282

00:49:17,430 --> 00:49:15,040

genetics that were in the body

1283

00:49:19,349 --> 00:49:17,440

okay so some ss

1284

00:49:22,870 --> 00:49:19,359

can um

1285

00:49:26,309 --> 00:49:22,880

possess themselves with one god

1286

00:49:28,230 --> 00:49:26,319

but then there's one ss

1287

00:49:32,150 --> 00:49:28,240

that can do

1288

00:49:35,109 --> 00:49:32,160

any one of them that they want

1289

00:49:36,630 --> 00:49:35,119

tyler when you say that

1290

00:49:39,349 --> 00:49:36,640

yeah i was just going to say we need to

1291

00:49:41,430 --> 00:49:39,359

talk a little bit about egypt dna and a

1292

00:49:43,430 --> 00:49:41,440

lot of things that were happening at

1293

00:49:45,430 --> 00:49:43,440

that time because you're also talking

1294

00:49:48,630 --> 00:49:45,440

about satanism being

1295

00:49:52,470 --> 00:49:48,640

or luciferianism or whatever because

1296

00:49:54,790 --> 00:49:52,480

they they breed into these children or

1297

00:49:56,790 --> 00:49:54,800

people that they want to have these

1298

00:49:58,790 --> 00:49:56,800

certain genetics and when you call it

1299

00:50:00,309 --> 00:49:58,800

the god genetics what do you

1300

00:50:03,670 --> 00:50:00,319

specifically mean do you mean a certain

1301

00:50:07,190 --> 00:50:03,680

type of dna from alien races

1302

00:50:12,710 --> 00:50:08,870

in order to really

1303

00:50:15,270 --> 00:50:12,720

give the audience a 100 scientific term

1304

00:50:19,109 --> 00:50:15,280

you literally have to take

1305

00:50:20,950 --> 00:50:19,119

it down to a microscopic level but uh

1306

00:50:25,109 --> 00:50:20,960

it's

1307

00:50:27,030 --> 00:50:25,119

i don't know what the exact name of it

1308

00:50:30,230 --> 00:50:27,040

is i don't know okay

1309

00:50:32,630 --> 00:50:30,240

that's a lot of names and yes

1310

00:50:33,910 --> 00:50:32,640

in the public public arena there is no

1311

00:50:34,870 --> 00:50:33,920

name

1312

00:50:38,230 --> 00:50:34,880

right

1313

00:50:39,990 --> 00:50:38,240

in the medical scientific community that

1314

00:50:43,030 --> 00:50:40,000

we live in right now there's no names

1315

00:50:46,230 --> 00:50:43,040

for this i think it actually hits upon a

1316

00:50:49,750 --> 00:50:46,240

more energetic electrical level

1317

00:50:52,230 --> 00:50:49,760

uh um the the best thing i can actually

1318

00:50:54,790 --> 00:50:52,240

really describe it is it's an angelic

1319

00:50:56,470 --> 00:50:54,800

class of dna structure and and i know

1320

00:50:58,150 --> 00:50:56,480

how it works

1321

00:51:00,710 --> 00:50:58,160

i can actually feel it when it happens

1322

00:51:04,309 --> 00:51:00,720

in my body

1323

00:51:07,670 --> 00:51:04,319

through the helixal coil of your dna

1324

00:51:09,829 --> 00:51:07,680

when you put a block and it doesn't

1325

00:51:13,510 --> 00:51:09,839

form a perfect coil

1326

00:51:15,430 --> 00:51:13,520

and that and it one piece is taken out

1327

00:51:16,950 --> 00:51:15,440

that being can no longer do that with

1328

00:51:18,470 --> 00:51:16,960

that beam because

1329

00:51:21,910 --> 00:51:18,480

um

1330

00:51:24,390 --> 00:51:21,920

the energy doesn't go in a full circle

1331

00:51:25,670 --> 00:51:24,400

got it doesn't cycle properly it comes

1332

00:51:27,109 --> 00:51:25,680

to an end

1333

00:51:28,790 --> 00:51:27,119

through the dna

1334

00:51:31,510 --> 00:51:28,800

in um

1335

00:51:34,710 --> 00:51:31,520

the stargate tv shows

1336

00:51:37,109 --> 00:51:34,720

it took a person with specific dna to go

1337

00:51:39,829 --> 00:51:37,119

down to antarctica and sit in a chair to

1338

00:51:41,829 --> 00:51:39,839

activate a stargate

1339

00:51:43,829 --> 00:51:41,839

and that's another thing that they do

1340

00:51:46,069 --> 00:51:43,839

that's what they do with me

1341

00:51:47,589 --> 00:51:46,079

and i can explain how that all works it

1342

00:51:50,790 --> 00:51:47,599

actually goes back to

1343

00:51:52,870 --> 00:51:50,800

adolf hitler in world war ii he um had

1344

00:51:54,630 --> 00:51:52,880

sent out all of his best ss in the

1345

00:51:57,589 --> 00:51:54,640

middle of the war when his generals

1346

00:52:01,589 --> 00:51:57,599

advised him not to to go after

1347

00:52:02,470 --> 00:52:01,599

all the important relics of the past

1348

00:52:04,069 --> 00:52:02,480

so

1349

00:52:05,430 --> 00:52:04,079

now let me interrupt you for a second

1350

00:52:08,230 --> 00:52:05,440

because everybody's going to go oh

1351
00:52:09,990 --> 00:52:08,240
that's indiana jones but indiana jones

1352
00:52:12,230 --> 00:52:10,000
was taken off of this story because i

1353
00:52:15,109 --> 00:52:12,240
know that this story is true because

1354
00:52:17,349 --> 00:52:15,119
i've asked people in the cia whether

1355
00:52:18,870 --> 00:52:17,359
that happens so you go ahead to continue

1356
00:52:20,390 --> 00:52:18,880
on i just want people to know that

1357
00:52:21,510 --> 00:52:20,400
you're not making this up this is

1358
00:52:23,109 --> 00:52:21,520
absolutely

1359
00:52:24,549 --> 00:52:23,119
a reality so

1360
00:52:26,710 --> 00:52:24,559
during the project

1361
00:52:29,589 --> 00:52:26,720
paper clip movement and the building of

1362
00:52:32,470 --> 00:52:29,599
underground tunnels all throughout the

1363
00:52:35,589 --> 00:52:32,480

50 40s 50s 60s 70s and 80s here on the

1364

00:52:37,670 --> 00:52:35,599

east coast and all the united states

1365

00:52:39,430 --> 00:52:37,680

corporations were formed

1366

00:52:41,510 --> 00:52:39,440

and corporations and different

1367

00:52:42,950 --> 00:52:41,520

businesses bought

1368

00:52:45,990 --> 00:52:42,960

um

1369

00:52:49,109 --> 00:52:46,000

which were important military sites that

1370

00:52:51,750 --> 00:52:49,119

contain stargates and other um

1371

00:52:53,990 --> 00:52:51,760

important uh

1372

00:52:56,390 --> 00:52:54,000

let's just say sites i don't know what

1373

00:52:58,790 --> 00:52:56,400

all the technologies would be but

1374

00:53:02,950 --> 00:52:58,800

they use these corporations which were

1375

00:53:07,750 --> 00:53:05,589

so therefore you have

1376
00:53:09,990 --> 00:53:07,760
the military secret society members and

1377
00:53:12,630 --> 00:53:10,000
corporations

1378
00:53:15,510 --> 00:53:12,640
all collaborating

1379
00:53:18,549 --> 00:53:15,520
and we find this all over

1380
00:53:21,030 --> 00:53:18,559
and that's what the deal is over here

1381
00:53:22,710 --> 00:53:21,040
and that's what um

1382
00:53:23,910 --> 00:53:22,720
so what the queen came over here for

1383
00:53:25,910 --> 00:53:23,920
from england

1384
00:53:27,670 --> 00:53:25,920
to send all those troops here

1385
00:53:33,589 --> 00:53:27,680
was to in fact

1386
00:53:37,990 --> 00:53:36,230
the royal family knew

1387
00:53:39,190 --> 00:53:38,000
that one of the other stargates was over

1388
00:53:40,870 --> 00:53:39,200

here

1389

00:53:43,109 --> 00:53:40,880

and they wanted it

1390

00:53:44,630 --> 00:53:43,119

and they lost uh

1391

00:53:46,069 --> 00:53:44,640

their foothold

1392

00:53:47,670 --> 00:53:46,079

and that's what part of that war was

1393

00:53:49,670 --> 00:53:47,680

about there's many things about that war

1394

00:53:52,230 --> 00:53:49,680

but that's one thing that was part of

1395

00:53:56,069 --> 00:53:52,240

that okay what were you talking about

1396

00:53:57,750 --> 00:53:56,079

i'm sorry i'm confused 1776. oh that war

1397

00:54:00,710 --> 00:53:57,760

okay

1398

00:54:01,750 --> 00:54:00,720

revolution what are we talking about

1399

00:54:03,030 --> 00:54:01,760

okay

1400

00:54:04,870 --> 00:54:03,040

back in

1401
00:54:06,630 --> 00:54:04,880
that time

1402
00:54:08,069 --> 00:54:06,640
and you know what's even weirder about

1403
00:54:10,549 --> 00:54:08,079
this tyler

1404
00:54:12,630 --> 00:54:10,559
just five months ago i was talking to a

1405
00:54:15,109 --> 00:54:12,640
friend in canada who had been doing a

1406
00:54:18,150 --> 00:54:15,119
whole bunch of research on the high

1407
00:54:20,630 --> 00:54:18,160
mason tree at the time in 1776

1408
00:54:23,829 --> 00:54:20,640
and there are many references to a

1409
00:54:25,670 --> 00:54:23,839
stargate or a star portal

1410
00:54:28,230 --> 00:54:25,680
that they were or uh

1411
00:54:30,069 --> 00:54:28,240
they call it a god portal or something

1412
00:54:32,390 --> 00:54:30,079
that this person's going to write a book

1413
00:54:34,870 --> 00:54:32,400

about these masons and i'm like well

1414

00:54:36,470 --> 00:54:34,880

what is the star portal this god portal

1415

00:54:38,470 --> 00:54:36,480

what are you talking about he goes you

1416

00:54:39,990 --> 00:54:38,480

know from what i can tell it seems to me

1417

00:54:42,150 --> 00:54:40,000

that there must have been some kind of

1418

00:54:43,990 --> 00:54:42,160

portal to another dimension

1419

00:54:45,990 --> 00:54:44,000

here in america and he goes i can't

1420

00:54:47,990 --> 00:54:46,000

figure out where because i'm not finding

1421

00:54:51,589 --> 00:54:48,000

anything but i'm barely finding it but

1422

00:54:53,510 --> 00:54:51,599

it is referencing coming up about every

1423

00:54:55,430 --> 00:54:53,520

you know two or three volumes of

1424

00:54:57,109 --> 00:54:55,440

whatever he's getting his hands on he's

1425

00:54:59,910 --> 00:54:57,119

finding reference to this and they were

1426
00:55:01,510 --> 00:54:59,920
supposedly protecting it is this correct

1427
00:55:03,910 --> 00:55:01,520
do you know anything about the masons

1428
00:55:07,109 --> 00:55:04,950
yeah

1429
00:55:08,230 --> 00:55:07,119
well the masons the masons are very

1430
00:55:10,309 --> 00:55:08,240
important

1431
00:55:12,309 --> 00:55:10,319
they they've been infiltrated by so many

1432
00:55:14,470 --> 00:55:12,319
different groups that

1433
00:55:16,630 --> 00:55:14,480
that that the masons themselves struggle

1434
00:55:19,109 --> 00:55:16,640
to maintain their structure

1435
00:55:21,030 --> 00:55:19,119
yeah that's true as far as their their

1436
00:55:24,230 --> 00:55:21,040
secret part of their structure which is

1437
00:55:25,430 --> 00:55:24,240
the knowledge and all the elders

1438
00:55:27,349 --> 00:55:25,440

and

1439

00:55:29,670 --> 00:55:27,359

the there's a good side of the masons

1440

00:55:32,790 --> 00:55:29,680

the masons have had a bad name put out a

1441

00:55:34,549 --> 00:55:32,800

form because of some that were

1442

00:55:37,829 --> 00:55:34,559

you know not following

1443

00:55:39,589 --> 00:55:37,839

the original traditions too yeah um i

1444

00:55:41,430 --> 00:55:39,599

grew up in a

1445

00:55:43,589 --> 00:55:41,440

a masonic family and i'm considered a

1446

00:55:44,870 --> 00:55:43,599

seventh generation mason but i'm not a

1447

00:55:46,470 --> 00:55:44,880

mason

1448

00:55:49,589 --> 00:55:46,480

but i've been to the halls and i've

1449

00:55:51,750 --> 00:55:49,599

spoken to a great many masons

1450

00:55:53,910 --> 00:55:51,760

and in fact the masons have actually

1451

00:55:55,910 --> 00:55:53,920

helped me when uh

1452

00:55:58,069 --> 00:55:55,920

when no one else would so

1453

00:56:00,150 --> 00:55:58,079

you know yeah i think people

1454

00:56:01,990 --> 00:56:00,160

in fact what needs to happen is more

1455

00:56:07,270 --> 00:56:02,000

good people need to go into the masons

1456

00:56:12,230 --> 00:56:10,230

i totally agree with you tyler i have a

1457

00:56:13,750 --> 00:56:12,240

lot of good friends that are older that

1458

00:56:15,430 --> 00:56:13,760

have been in the masons for years

1459

00:56:17,190 --> 00:56:15,440

they've done nothing but good works i

1460

00:56:20,470 --> 00:56:17,200

know them personally i've been at their

1461

00:56:23,349 --> 00:56:20,480

dinner tables these are great people and

1462

00:56:25,349 --> 00:56:23,359

um if there is degrees above 33rd they

1463

00:56:27,109 --> 00:56:25,359

don't even know about it so you know it

1464

00:56:29,190 --> 00:56:27,119

just bothers me when people blanket

1465

00:56:31,030 --> 00:56:29,200

statement that all masons are bad you

1466

00:56:33,510 --> 00:56:31,040

know this whole thing

1467

00:56:35,670 --> 00:56:33,520

so anyhow well your life is just turning

1468

00:56:37,430 --> 00:56:35,680

out to be fascinating and i gotta say

1469

00:56:39,430 --> 00:56:37,440

i'm so happy you've been on the show but

1470

00:56:41,270 --> 00:56:39,440

do you have any last words for us before

1471

00:56:43,510 --> 00:56:41,280

we hit the break

1472

00:56:45,670 --> 00:56:43,520

okay go on to our next guest i've been

1473

00:56:48,069 --> 00:56:45,680

so entrenched with my life and raises in

1474

00:56:49,990 --> 00:56:48,079

my family that i've had to take a break

1475

00:56:52,710 --> 00:56:50,000

and push a lot of people away and i

1476

00:56:54,710 --> 00:56:52,720

apologize to everyone i did

1477

00:56:57,990 --> 00:56:54,720

because i

1478

00:57:00,309 --> 00:56:58,000

i had to focus on some other things and

1479

00:57:03,349 --> 00:57:00,319

perfecting a few shielding techniques

1480

00:57:05,430 --> 00:57:03,359

and i had a number of issues going on

1481

00:57:08,630 --> 00:57:05,440

but what i need to do now is i need to

1482

00:57:09,990 --> 00:57:08,640

get louder i need to actually reach out

1483

00:57:11,349 --> 00:57:10,000

to the

1484

00:57:12,710 --> 00:57:11,359

to some friends in the hollywood

1485

00:57:14,789 --> 00:57:12,720

community

1486

00:57:16,390 --> 00:57:14,799

because there's a lot of there's a lot

1487

00:57:17,910 --> 00:57:16,400

of people in the hollywood community

1488

00:57:21,510 --> 00:57:17,920

that need a lot of help

1489

00:57:23,589 --> 00:57:21,520

yeah tell me about it i know exactly

1490

00:57:25,510 --> 00:57:23,599

there's been a whole long line of

1491

00:57:28,789 --> 00:57:25,520

uh deaths lately

1492

00:57:31,910 --> 00:57:28,799

and uh i think that uh

1493

00:57:32,789 --> 00:57:31,920

i think that that's not gonna stop

1494

00:57:35,589 --> 00:57:32,799

so

1495

00:57:37,430 --> 00:57:35,599

yeah yeah i agree well tyler thank you

1496

00:57:38,870 --> 00:57:37,440

so much sweetie i really appreciate it i

1497

00:57:40,470 --> 00:57:38,880

just loved having you on the show

1498

00:57:42,710 --> 00:57:40,480

tonight and what i'm gonna do is i'm

1499

00:57:44,950 --> 00:57:42,720

gonna have you on my other show for a

1500

00:57:46,789 --> 00:57:44,960

full two hours coming up pretty soon can

1501

00:57:47,990 --> 00:57:46,799

you do that for me

1502

00:57:50,230 --> 00:57:48,000

i sure can

1503

00:57:51,990 --> 00:57:50,240

great that's just great i've got to move

1504

00:57:54,390 --> 00:57:52,000

on to the next guest we're to take our

1505

00:57:56,150 --> 00:57:54,400

break folks so tyler clark you're gonna

1506

00:57:57,910 --> 00:57:56,160

be hearing a lot more about tyler

1507

00:58:00,150 --> 00:57:57,920

because i'm gonna help him get back out

1508

00:58:01,910 --> 00:58:00,160

there and get involved with people i'll

1509

00:58:04,710 --> 00:58:01,920

do the best i can to help him he was

1510

00:58:06,870 --> 00:58:04,720

there helping me save max the first time

1511

00:58:09,030 --> 00:58:06,880

so you know we we didn't get get to him

1512

00:58:10,870 --> 00:58:09,040

the second time but you know hopefully

1513

00:58:12,390 --> 00:58:10,880

we can do things in the future to keep

1514

00:58:13,990 --> 00:58:12,400

anybody else from

1515

00:58:16,390 --> 00:58:14,000

dying in the community if we have

1516

00:58:19,910 --> 00:58:16,400

anything to say about it right tyler no

1517

00:58:20,829 --> 00:58:19,920

we we had we've all had good intentions

1518

00:58:24,390 --> 00:58:20,839

and

1519

00:58:26,870 --> 00:58:24,400

uh i'm i just kind of hope over time

1520

00:58:28,150 --> 00:58:26,880

that everything comes you know is

1521

00:58:31,030 --> 00:58:28,160

revealed

1522

00:58:32,630 --> 00:58:31,040

yeah me too absolutely okay sweetheart

1523

00:58:34,789 --> 00:58:32,640

i'll talk to you really soon have a

1524

00:58:36,630 --> 00:58:34,799

great night and folks we're gonna take a

1525

00:58:39,109 --> 00:58:36,640

break and then we'll get over to

1526

00:58:41,190 --> 00:58:39,119

plutonium and uh let's just see if he's

1527

00:58:44,789 --> 00:58:41,200

there he's getting ready okay folks

1528

00:58:49,270 --> 00:58:46,950

welcome back everyone to the california

1529

00:58:51,670 --> 00:58:49,280

mufon radio show i'm your host lauren

1530

00:58:53,829 --> 00:58:51,680

fenton and you know what guys i think

1531

00:58:56,390 --> 00:58:53,839

plutona's forgot to

1532

00:58:57,430 --> 00:58:56,400

come i think he forgot about the show

1533

00:58:59,670 --> 00:58:57,440

tonight

1534

00:59:02,470 --> 00:58:59,680

oh well i'm just going to i'm going to

1535

00:59:05,589 --> 00:59:02,480

go on without him and i just uh oh

1536

00:59:11,670 --> 00:59:05,599

robert stanley may be joining us um can

1537

00:59:13,750 --> 00:59:11,680

you join us live on air right now let's

1538

00:59:16,230 --> 00:59:13,760

see what he says

1539

00:59:19,270 --> 00:59:16,240

uh let's see what he has to say i i just

1540

00:59:21,109 --> 00:59:19,280

started you know instead of butt dialing

1541

00:59:23,510 --> 00:59:21,119

i'm skype dialing i'm kind of going

1542

00:59:25,750 --> 00:59:23,520

around uh asking my friends that i see

1543

00:59:29,510 --> 00:59:25,760

that are awake and you know around on

1544

00:59:33,510 --> 00:59:29,520

skype oh cool he said yes um mj

1545

00:59:35,589 --> 00:59:33,520

so let me get you his um uh

1546

00:59:38,150 --> 00:59:35,599

his profile name i haven't talked to

1547

00:59:41,750 --> 00:59:38,160

robert for some time

1548

00:59:44,789 --> 00:59:41,760

so let me get that for you

1549

00:59:47,829 --> 00:59:44,799

hello oh there we are um

1550

00:59:53,109 --> 00:59:47,839

did inception radio network called mj

1551

00:59:57,430 --> 00:59:53,910

uh

1552

01:00:00,789 --> 00:59:59,349

so i'll make sure i'm still on it that i

1553

01:00:02,549 --> 01:00:00,799

didn't answer

1554

01:00:04,950 --> 01:00:02,559

robert

1555

01:00:06,150 --> 01:00:04,960

what's happening

1556

01:00:08,630 --> 01:00:06,160

sorry guys

1557

01:00:11,430 --> 01:00:08,640

oh adding him now okay god i'm looking

1558

01:00:13,589 --> 01:00:11,440

at the wrong thing so okay robert hi

1559

01:00:16,230 --> 01:00:13,599

it's so good to talk to you my guest uh

1560

01:00:17,190 --> 01:00:16,240

forgot about the show tonight oh that's

1561

01:00:19,349 --> 01:00:17,200

secrets

1562

01:00:22,230 --> 01:00:19,359

oh god it's so crazy

1563

01:00:24,150 --> 01:00:22,240

uh oh he's uh oh you hear you guys andy

1564

01:00:26,789 --> 01:00:24,160

beshago says no i'm appearing on

1565

01:00:29,670 --> 01:00:26,799

midnight in the desert in 24 miser with

1566

01:00:32,309 --> 01:00:29,680

heather wade okay i gotta say thanks

1567

01:00:36,470 --> 01:00:32,319

thanks to andy

1568

01:00:39,030 --> 01:00:36,480

i i got robert stanley so we're good hey

1569

01:00:40,829 --> 01:00:39,040

robert i'm so glad to talk to you hey

1570

01:00:41,910 --> 01:00:40,839

lauren yeah it's been a while hope you

1571

01:00:43,670 --> 01:00:41,920

do yes

1572

01:00:45,030 --> 01:00:43,680

yeah i just thought i did

1573

01:00:47,190 --> 01:00:45,040

i was just telling everybody i'm doing

1574

01:00:48,950 --> 01:00:47,200

the comparative butt dialing but in

1575

01:00:49,829 --> 01:00:48,960

skype

1576

01:00:51,750 --> 01:00:49,839

god

1577

01:00:53,910 --> 01:00:51,760

i'm just looking around going what time

1578

01:00:55,430 --> 01:00:53,920

is it there by the way i was going to do

1579

01:00:56,549 --> 01:00:55,440

i didn't bother

1580

01:01:00,710 --> 01:00:56,559

it's noon

1581

01:01:03,750 --> 01:01:00,720

you've had a cup of coffee you're good

1582

01:01:06,309 --> 01:01:03,760

to go yeah i'm up at 5 30 these days to

1583

01:01:07,270 --> 01:01:06,319

help take care of my elderly dog

1584

01:01:09,430 --> 01:01:07,280

oh

1585

01:01:11,430 --> 01:01:09,440

is how's he doing

1586

01:01:13,109 --> 01:01:11,440

well he's 16 and a half but he's doing

1587

01:01:14,789 --> 01:01:13,119

pretty well he just said hi you've

1588

01:01:16,630 --> 01:01:14,799

reached the high fashion hotline hi

1589

01:01:18,150 --> 01:01:16,640

spiced apple cider is back and so are

1590

01:01:19,910 --> 01:01:18,160

the fall trends my family needs new

1591

01:01:21,670 --> 01:01:19,920

clothes to spice up our fall wardrobe

1592

01:01:24,150 --> 01:01:21,680

spice up their style with new jeans from

1593

01:01:25,829 --> 01:01:24,160

old navy old navy yep right now all

1594

01:01:27,670 --> 01:01:25,839

jeans from distress to stretch are on

1595

01:01:29,589 --> 01:01:27,680

sale from fifteen dollars for adults ten

1596

01:01:31,670 --> 01:01:29,599

dollars for kids plus get up to fifty

1597

01:01:33,510 --> 01:01:31,680

percent off store wide all jeans on sale

1598

01:01:35,030 --> 01:01:33,520

and up to fifty percent off store wide

1599

01:01:36,789 --> 01:01:35,040

that's right all your family's favorite

1600

01:01:37,670 --> 01:01:36,799

jeans are on sale now at old navy and

1601
01:01:41,910 --> 01:01:37,680
old

1602
01:01:43,349 --> 01:01:41,920
navy valid 914-920 excludes in-store

1603
01:01:45,349 --> 01:01:43,359
clearance so take two kinds of

1604
01:01:47,829 --> 01:01:45,359
medication now for his heart and lungs

1605
01:01:50,549 --> 01:01:47,839
but uh

1606
01:01:52,549 --> 01:01:50,559
oh that's wonderful now is it okay if we

1607
01:01:53,750 --> 01:01:52,559
tell people where you're living

1608
01:01:54,790 --> 01:01:53,760
whoa

1609
01:01:56,870 --> 01:01:54,800
yes

1610
01:01:58,470 --> 01:01:56,880
[Laughter]

1611
01:02:00,309 --> 01:01:58,480
just as soon as you said that neighbors

1612
01:02:02,549 --> 01:02:00,319
started drilling upstairs

1613
01:02:03,750 --> 01:02:02,559

oh dear yeah that's right yes i'm in

1614

01:02:07,190 --> 01:02:03,760

hong kong

1615

01:02:08,630 --> 01:02:07,200

okay wonderful see folks i have friends

1616

01:02:10,549 --> 01:02:08,640

they're all over the place i got another

1617

01:02:13,109 --> 01:02:10,559

friend in south korea and another guy

1618

01:02:14,630 --> 01:02:13,119

that i was calling in canada and i

1619

01:02:15,990 --> 01:02:14,640

thought boy you know i wonder what time

1620

01:02:18,150 --> 01:02:16,000

it is for everybody i really shouldn't

1621

01:02:20,549 --> 01:02:18,160

be doing this but hey i'm so glad you're

1622

01:02:22,870 --> 01:02:20,559

here and i just had uh

1623

01:02:25,589 --> 01:02:22,880

tyler clark on and he was talking about

1624

01:02:27,990 --> 01:02:25,599

super soldiers and mind control and my

1625

01:02:31,430 --> 01:02:28,000

super soldier conferences that we were

1626

01:02:34,069 --> 01:02:31,440

at together and uh do you know about max

1627

01:02:35,910 --> 01:02:34,079

spears's death do you ever follow that

1628

01:02:39,430 --> 01:02:35,920

do you know sure

1629

01:02:41,190 --> 01:02:39,440

yeah i mean i haven't heard anything new

1630

01:02:43,109 --> 01:02:41,200

about it at least it hasn't been

1631

01:02:46,230 --> 01:02:43,119

announced publicly i mean it was a huge

1632

01:02:48,789 --> 01:02:46,240

deal when it happened right right

1633

01:02:51,910 --> 01:02:48,799

well tyler and i told for the first time

1634

01:02:54,150 --> 01:02:51,920

i think on air ever about the fact that

1635

01:02:56,230 --> 01:02:54,160

in 2012 when i put on the very first

1636

01:03:00,309 --> 01:02:56,240

super soldier conference

1637

01:03:02,789 --> 01:03:00,319

uh max uh got a hold of a mass quantity

1638

01:03:03,910 --> 01:03:02,799

of uh drugs

1639

01:03:06,950 --> 01:03:03,920

uh he

1640

01:03:09,349 --> 01:03:06,960

he it's a long story but all i can tell

1641

01:03:11,670 --> 01:03:09,359

you is that uh there's been a lot of

1642

01:03:13,430 --> 01:03:11,680

stories out there about how james rink

1643

01:03:16,950 --> 01:03:13,440

saved him at the super soldier

1644

01:03:19,029 --> 01:03:16,960

conference and the reality was um i had

1645

01:03:22,390 --> 01:03:19,039

gone to the house that evening

1646

01:03:23,910 --> 01:03:22,400

uh it was it was a one-day uh conference

1647

01:03:26,390 --> 01:03:23,920

my first one was only one day on a

1648

01:03:28,549 --> 01:03:26,400

saturday and this was saturday night

1649

01:03:31,910 --> 01:03:28,559

after the conference was over

1650

01:03:34,230 --> 01:03:31,920

and um i went to the house i put them

1651

01:03:36,069 --> 01:03:34,240

all up in a big mansion and it had a

1652

01:03:39,109 --> 01:03:36,079

swimming pool the whole bit i mean this

1653

01:03:41,109 --> 01:03:39,119

place was amazing it was on airbnb of

1654

01:03:43,750 --> 01:03:41,119

all places and i got a great deal on i

1655

01:03:46,069 --> 01:03:43,760

couldn't believe it it slept 14 people

1656

01:03:47,670 --> 01:03:46,079

anyhow long story short i get to the

1657

01:03:49,349 --> 01:03:47,680

house and we're all gonna you know have

1658

01:03:52,710 --> 01:03:49,359

dinner or a night cap or something

1659

01:03:55,349 --> 01:03:52,720

together and max comes into the room and

1660

01:03:57,910 --> 01:03:55,359

he is just a mess he's slurring and

1661

01:04:00,150 --> 01:03:57,920

wobbly and he sits on the couch and then

1662

01:04:02,069 --> 01:04:00,160

he lays his head down in my lap and i'm

1663

01:04:04,549 --> 01:04:02,079

kind of stroking his hair and talking to

1664

01:04:05,670 --> 01:04:04,559

him and then i realized he's really out

1665

01:04:07,270 --> 01:04:05,680

of it i thought he was just a little

1666

01:04:09,589 --> 01:04:07,280

drunk or something was wrong with him

1667

01:04:11,750 --> 01:04:09,599

right and he's you know telling me i

1668

01:04:13,829 --> 01:04:11,760

love you and he's like really out of it

1669

01:04:14,710 --> 01:04:13,839

i'm thinking how much did he drink you

1670

01:04:17,829 --> 01:04:14,720

know

1671

01:04:20,470 --> 01:04:17,839

and so i put my hand on his chest and

1672

01:04:23,109 --> 01:04:20,480

and robert i realized he was only

1673

01:04:26,710 --> 01:04:23,119

breathing like every 30 seconds i mean

1674

01:04:28,870 --> 01:04:26,720

it was like so shallow and so infrequent

1675

01:04:31,349 --> 01:04:28,880

that i was surprised he was alive and i

1676

01:04:34,150 --> 01:04:31,359

was like oh my god he's taken something

1677

01:04:35,750 --> 01:04:34,160

so i i grabbed i called for tyler who

1678

01:04:37,190 --> 01:04:35,760

was just on the show tonight and i said

1679

01:04:39,430 --> 01:04:37,200

we're going to the hospital we're going

1680

01:04:41,910 --> 01:04:39,440

right now and they help me get him to

1681

01:04:43,750 --> 01:04:41,920

the car because he was being competitive

1682

01:04:46,710 --> 01:04:43,760

and didn't want to go and he could

1683

01:04:48,390 --> 01:04:46,720

barely walk at that point and i got him

1684

01:04:50,390 --> 01:04:48,400

in the car took him to the hospital and

1685

01:04:52,870 --> 01:04:50,400

he passed out in the car

1686

01:04:55,430 --> 01:04:52,880

and then they helped the the er people

1687

01:04:57,990 --> 01:04:55,440

help me get him into the er

1688

01:04:59,990 --> 01:04:58,000

and it got even weirder after that and

1689

01:05:01,990 --> 01:05:00,000

here's something i i didn't talk about

1690

01:05:04,069 --> 01:05:02,000

when tyler was on the air but you might

1691

01:05:06,549 --> 01:05:04,079

be interested in hearing this

1692

01:05:07,910 --> 01:05:06,559

as i'm in the hospital with him and we

1693

01:05:09,510 --> 01:05:07,920

go through this whole thing and the

1694

01:05:12,150 --> 01:05:09,520

doctors are they were thinking about

1695

01:05:13,670 --> 01:05:12,160

throwing them in jail i mean or you know

1696

01:05:15,349 --> 01:05:13,680

rehab or i don't know what they were

1697

01:05:18,470 --> 01:05:15,359

going to do to him but they were talking

1698

01:05:21,270 --> 01:05:18,480

about admitting him to a a rehab place

1699

01:05:24,150 --> 01:05:21,280

and i think off even maybe even prison

1700

01:05:25,430 --> 01:05:24,160

for you know for stealing the pills i

1701

01:05:27,910 --> 01:05:25,440

don't know how that came up in the

1702

01:05:30,390 --> 01:05:27,920

conversation long story short talked him

1703

01:05:32,630 --> 01:05:30,400

out of everything and i'm stuck at the

1704

01:05:35,349 --> 01:05:32,640

hospital with him until he can actually

1705

01:05:38,150 --> 01:05:35,359

urinate because he had taken so many of

1706

01:05:39,589 --> 01:05:38,160

these pills that oh he took vicodin

1707

01:05:42,069 --> 01:05:39,599

that's what it was he took so many

1708

01:05:44,470 --> 01:05:42,079

vicodin that they were worried he had

1709

01:05:46,150 --> 01:05:44,480

poisoned his kidneys or his liver and he

1710

01:05:47,190 --> 01:05:46,160

was not going to be able he wasn't going

1711

01:05:49,510 --> 01:05:47,200

to live

1712

01:05:51,510 --> 01:05:49,520

and they weren't as worried about his

1713

01:05:53,990 --> 01:05:51,520

the drugs in it you know the hydrocodone

1714

01:05:57,510 --> 01:05:54,000

as they were the tylenol apparently

1715

01:05:59,829 --> 01:05:57,520

so um i had to stay there until he could

1716

01:06:01,270 --> 01:05:59,839

you know do do that thing by himself and

1717

01:06:03,270 --> 01:06:01,280

get his kidneys working because they

1718

01:06:05,270 --> 01:06:03,280

thought they were shutting down

1719

01:06:07,589 --> 01:06:05,280

anyhow so i'm stuck at the hospital with

1720

01:06:09,910 --> 01:06:07,599

him robert and i'm sitting there and i'm

1721

01:06:12,069 --> 01:06:09,920

half asleep and at one

1722

01:06:14,309 --> 01:06:12,079

point i you know i kept looking up to

1723

01:06:16,630 --> 01:06:14,319

see how he was doing every 10 minutes or

1724

01:06:18,630 --> 01:06:16,640

so as i was kind of sleeping

1725

01:06:21,109 --> 01:06:18,640

and at one point i looked up it was

1726

01:06:23,670 --> 01:06:21,119

about four o'clock in the morning and i

1727

01:06:25,750 --> 01:06:23,680

glanced over he was on my left side i

1728

01:06:26,789 --> 01:06:25,760

was sitting in a chair by the emergency

1729

01:06:30,069 --> 01:06:26,799

bed

1730

01:06:32,630 --> 01:06:30,079

and i looked over to the left and just

1731

01:06:35,510 --> 01:06:32,640

as i started to wake up and look over to

1732

01:06:38,390 --> 01:06:35,520

the left i see a black

1733

01:06:41,190 --> 01:06:38,400

shadow figure

1734

01:06:43,829 --> 01:06:41,200

around him his upper body i couldn't see

1735

01:06:47,190 --> 01:06:43,839

below the the bed of course

1736

01:06:49,750 --> 01:06:47,200

but i'm looking at this thing and

1737

01:06:52,150 --> 01:06:49,760

it looks to me like it's got hands

1738

01:06:54,470 --> 01:06:52,160

coming out of it and it looks like it's

1739

01:06:56,390 --> 01:06:54,480

going around the blackness is going

1740

01:07:00,069 --> 01:06:56,400

around his head

1741

01:07:02,789 --> 01:07:00,079

and i got i kind of jumped i startled

1742

01:07:03,990 --> 01:07:02,799

when i saw this and it dissipated it was

1743

01:07:06,309 --> 01:07:04,000

gone

1744

01:07:07,910 --> 01:07:06,319

so i thought i was just you know

1745

01:07:09,670 --> 01:07:07,920

dreaming i didn't you know i didn't

1746

01:07:12,789 --> 01:07:09,680

think too much of it

1747

01:07:15,270 --> 01:07:12,799

but later i talked to another woman

1748

01:07:16,390 --> 01:07:15,280

who's very much a big player in the

1749

01:07:18,230 --> 01:07:16,400

community

1750

01:07:21,190 --> 01:07:18,240

and she had said

1751

01:07:24,950 --> 01:07:21,200

that at some point

1752

01:07:27,270 --> 01:07:24,960

she had had one of these shadow figures

1753

01:07:29,829 --> 01:07:27,280

trying to choke her out

1754

01:07:30,630 --> 01:07:29,839

in her bed while she was sleeping

1755

01:07:33,589 --> 01:07:30,640

so

1756

01:07:36,069 --> 01:07:33,599

i was putting two and two together and

1757

01:07:38,230 --> 01:07:36,079

then i started thinking about

1758

01:07:41,270 --> 01:07:38,240

what you had talked about with you know

1759

01:07:44,150 --> 01:07:41,280

all the covert stuff that's going on and

1760

01:07:46,390 --> 01:07:44,160

camellio by robert guffey where our

1761

01:07:48,150 --> 01:07:46,400

military has you know invisibility

1762

01:07:50,950 --> 01:07:48,160

cloaks and then

1763

01:07:52,549 --> 01:07:50,960

i really got going on this whole dark

1764

01:07:54,230 --> 01:07:52,559

shadow figure that's trying to kill

1765

01:07:57,190 --> 01:07:54,240

people um

1766

01:07:59,750 --> 01:07:57,200

through um the

1767

01:08:02,789 --> 01:07:59,760

the remote viewing community and the

1768

01:08:05,349 --> 01:08:02,799

psyops community because i found out

1769

01:08:07,829 --> 01:08:05,359

they were using psychics to develop

1770

01:08:10,309 --> 01:08:07,839

these kind of astral dark beans that

1771

01:08:12,150 --> 01:08:10,319

could go to people in person and

1772

01:08:15,190 --> 01:08:12,160

strangle them kill them give them heart

1773

01:08:17,590 --> 01:08:15,200

attacks do whatever and that this is a

1774

01:08:18,789 --> 01:08:17,600

real deal and they're doing this

1775

01:08:21,030 --> 01:08:18,799

yes

1776

01:08:22,229 --> 01:08:21,040

in tibet the monks

1777

01:08:24,390 --> 01:08:22,239

do this

1778

01:08:26,390 --> 01:08:24,400

they're known to have done this

1779

01:08:28,070 --> 01:08:26,400

whenever they feel that they're under

1780

01:08:29,910 --> 01:08:28,080

they need to protect themselves and they

1781

01:08:32,950 --> 01:08:29,920

create an energy being or a thought form

1782

01:08:34,950 --> 01:08:32,960

like that called the toolpaw t-u-l-p-a

1783

01:08:36,470 --> 01:08:34,960

right right

1784

01:08:38,709 --> 01:08:36,480

exactly

1785

01:08:41,110 --> 01:08:38,719

so my question and the reason i'm

1786

01:08:42,789 --> 01:08:41,120

bringing this all up to you is besides

1787

01:08:44,630 --> 01:08:42,799

knowing about this have you ever

1788

01:08:47,430 --> 01:08:44,640

experienced anything like this i know

1789

01:08:49,590 --> 01:08:47,440

you saw a shadow kind of

1790

01:08:51,510 --> 01:08:49,600

bug or something the very first time you

1791

01:08:54,070 --> 01:08:51,520

were kind of awakening

1792

01:08:55,030 --> 01:08:54,080

you said you saw these little creatures

1793

01:08:56,950 --> 01:08:55,040

um

1794

01:08:58,870 --> 01:08:56,960

were they kind of like that do you think

1795

01:09:00,309 --> 01:08:58,880

they're other dimensional what do you

1796

01:09:03,349 --> 01:09:00,319

think they are

1797

01:09:06,390 --> 01:09:03,359

yeah um well you can see pictures of

1798

01:09:08,390 --> 01:09:06,400

what something similar on my website uh

1799

01:09:10,229 --> 01:09:08,400

in the article section just click uh

1800

01:09:11,510 --> 01:09:10,239

scroll down to meet our covert

1801
01:09:13,189 --> 01:09:11,520
controllers

1802
01:09:15,189 --> 01:09:13,199
the archons and there's there's

1803
01:09:17,110 --> 01:09:15,199
photographs there um

1804
01:09:18,950 --> 01:09:17,120
taken with infrared

1805
01:09:22,070 --> 01:09:18,960
some of the photos are from nasa taken

1806
01:09:24,309 --> 01:09:22,080
in space and they look like amoeba

1807
01:09:25,829 --> 01:09:24,319
but they there's obviously entities that

1808
01:09:28,950 --> 01:09:25,839
are non-physical that can do the same

1809
01:09:30,789 --> 01:09:28,960
thing they're parasitic or predatory

1810
01:09:33,590 --> 01:09:30,799
and a lot of a lot of people have

1811
01:09:35,829 --> 01:09:33,600
described them very similar manner and

1812
01:09:37,110 --> 01:09:35,839
obviously the same type of

1813
01:09:39,510 --> 01:09:37,120

behavior

1814

01:09:41,510 --> 01:09:39,520

so um

1815

01:09:44,070 --> 01:09:41,520

yeah it's too bad i'm not sure why max

1816

01:09:46,309 --> 01:09:44,080

was targeted like that but a lot of

1817

01:09:47,829 --> 01:09:46,319

times people it's i mean i know the

1818

01:09:49,110 --> 01:09:47,839

catholic church would consider that

1819

01:09:51,189 --> 01:09:49,120

possession

1820

01:09:52,470 --> 01:09:51,199

right right and they're obviously not

1821

01:09:55,110 --> 01:09:52,480

very

1822

01:09:56,709 --> 01:09:55,120

whatever they're doing it isn't working

1823

01:09:58,470 --> 01:09:56,719

very well

1824

01:10:00,070 --> 01:09:58,480

no it's not is it

1825

01:10:02,149 --> 01:10:00,080

you know every once in a while they're

1826

01:10:04,070 --> 01:10:02,159

able to break through people well you

1827

01:10:05,669 --> 01:10:04,080

know what we haven't done robert is i

1828

01:10:06,950 --> 01:10:05,679

haven't even told anybody who you are

1829

01:10:08,630 --> 01:10:06,960

where you're from and what you're doing

1830

01:10:10,630 --> 01:10:08,640

we should probably do that first real

1831

01:10:12,790 --> 01:10:10,640

quick how's that then i'm gonna get into

1832

01:10:14,630 --> 01:10:12,800

some good stuff juicy stuff with you

1833

01:10:17,110 --> 01:10:14,640

yeah it's cool i mean lorien i guess you

1834

01:10:19,910 --> 01:10:17,120

didn't know i'm world famous now

1835

01:10:24,630 --> 01:10:22,229

yeah thanks to youtube well thanks to

1836

01:10:27,030 --> 01:10:24,640

youtube um some of my

1837

01:10:30,070 --> 01:10:27,040

some of my interviews video interviews

1838

01:10:31,270 --> 01:10:30,080

have gone a bit viral i mean over 300

1839

01:10:34,310 --> 01:10:31,280

views and

1840

01:10:35,990 --> 01:10:34,320

on one particular thing so it's it's

1841

01:10:37,750 --> 01:10:36,000

yeah i'm starting to get a reputation

1842

01:10:39,830 --> 01:10:37,760

not that i really want that it's just

1843

01:10:41,590 --> 01:10:39,840

you know for whatever reason that's

1844

01:10:43,350 --> 01:10:41,600

a lot of people are

1845

01:10:45,430 --> 01:10:43,360

know who i am these days

1846

01:10:47,830 --> 01:10:45,440

but yeah you can tell you can tell tell

1847

01:10:50,550 --> 01:10:47,840

this audience well robert stanley has

1848

01:10:52,790 --> 01:10:50,560

unicus magazine and robert spell it for

1849

01:10:55,590 --> 01:10:52,800

them would you sure it's yeah it's

1850

01:10:58,950 --> 01:10:55,600

spelled u n i c u s

1851

01:11:05,910 --> 01:11:02,470

and he has the most amazing stories

1852

01:11:07,110 --> 01:11:05,920

articles he's published other people was

1853

01:11:09,750 --> 01:11:07,120

penray

1854

01:11:11,590 --> 01:11:09,760

is also one of the people that you uh

1855

01:11:13,910 --> 01:11:11,600

put up on your website correctly aren't

1856

01:11:15,750 --> 01:11:13,920

you kind of his archivist or his person

1857

01:11:17,750 --> 01:11:15,760

that well

1858

01:11:19,510 --> 01:11:17,760

yeah we've collaborated on some things i

1859

01:11:21,750 --> 01:11:19,520

think we found some common ground i'm

1860

01:11:23,110 --> 01:11:21,760

also featuring in my library which is

1861

01:11:27,910 --> 01:11:23,120

free

1862

01:11:30,070 --> 01:11:27,920

uh

1863

01:11:31,990 --> 01:11:30,080

written by a guy named john pinella and

1864

01:11:34,550 --> 01:11:32,000

that that series is it's called the

1865

01:11:35,830 --> 01:11:34,560

divine secret garden and that's very

1866

01:11:38,149 --> 01:11:35,840

interesting

1867

01:11:40,470 --> 01:11:38,159

uh some people are finding it helpful i

1868

01:11:43,910 --> 01:11:40,480

did so that's that's also up there now

1869

01:11:45,910 --> 01:11:43,920

what did it do for you in a nutshell

1870

01:11:49,430 --> 01:11:45,920

well it helped me to understand the

1871

01:11:51,590 --> 01:11:49,440

difference between and uh

1872

01:11:53,110 --> 01:11:51,600

well it was kind of shocking i i didn't

1873

01:11:55,030 --> 01:11:53,120

want to i really didn't want to believe

1874

01:11:56,709 --> 01:11:55,040

this but apparently some of the people

1875

01:11:59,110 --> 01:11:56,719

here that we think are human are

1876

01:12:01,590 --> 01:11:59,120

actually part of the simulation

1877

01:12:03,430 --> 01:12:01,600

they are programs they're not really

1878

01:12:05,430 --> 01:12:03,440

connected to a soul

1879

01:12:07,030 --> 01:12:05,440

and that was kind of a shocker but i

1880

01:12:08,790 --> 01:12:07,040

guess it really helped put things in the

1881

01:12:09,669 --> 01:12:08,800

proper context so

1882

01:12:10,950 --> 01:12:09,679

um

1883

01:12:15,350 --> 01:12:10,960

that

1884

01:12:17,990 --> 01:12:15,360

just you just opened up like the biggest

1885

01:12:21,110 --> 01:12:18,000

can of worms in my brain that i've ever

1886

01:12:23,189 --> 01:12:21,120

encroached upon but okay so let me ask

1887

01:12:24,790 --> 01:12:23,199

you something if they are part of the

1888

01:12:26,149 --> 01:12:24,800

matrix and they're part like a

1889

01:12:27,750 --> 01:12:26,159

holographic

1890

01:12:28,709 --> 01:12:27,760

you know whatever

1891

01:12:31,510 --> 01:12:28,719

yeah

1892

01:12:33,910 --> 01:12:31,520

they're still organic material they're

1893

01:12:37,189 --> 01:12:33,920

still a human body right no no they're

1894

01:12:39,830 --> 01:12:37,199

not oh my god everything you know

1895

01:12:41,189 --> 01:12:39,840

everything in the matrix is digital

1896

01:12:43,590 --> 01:12:41,199

everything in it

1897

01:12:45,590 --> 01:12:43,600

i mean see this is the thing i

1898

01:12:47,270 --> 01:12:45,600

i okay so here's the deal if you go to

1899

01:12:49,510 --> 01:12:47,280

my website the first thing you're going

1900

01:12:51,430 --> 01:12:49,520

to see is a new article called the

1901

01:12:53,189 --> 01:12:51,440

matrix exit

1902

01:12:54,470 --> 01:12:53,199

ah so hold on

1903

01:12:56,229 --> 01:12:54,480

okay

1904

01:12:58,950 --> 01:12:56,239

yeah my neighbors as soon as i said that

1905

01:13:03,990 --> 01:12:58,960

they started drilling anyway um

1906

01:13:07,750 --> 01:13:06,709

what what we need to understand about

1907

01:13:09,910 --> 01:13:07,760

uh

1908

01:13:12,070 --> 01:13:09,920

oh robert by the way the the drilling's

1909

01:13:15,270 --> 01:13:12,080

not very loud for us okay good good

1910

01:13:19,270 --> 01:13:16,550

it's right over my head and i wasn't

1911

01:13:21,430 --> 01:13:19,280

sure if you were hearing it um okay so

1912

01:13:24,070 --> 01:13:21,440

anyway like i said there's a new article

1913

01:13:25,669 --> 01:13:24,080

right on the front page of the website

1914

01:13:27,990 --> 01:13:25,679

and if you click on that called the

1915

01:13:29,830 --> 01:13:28,000

matrix exit

1916

01:13:32,550 --> 01:13:29,840

it'll give you a summary of what i've

1917

01:13:34,070 --> 01:13:32,560

learned in the last few months and i

1918

01:13:35,590 --> 01:13:34,080

mean there's there's some very

1919

01:13:38,950 --> 01:13:35,600

interesting

1920

01:13:41,189 --> 01:13:38,960

graphic examples and other articles and

1921

01:13:42,709 --> 01:13:41,199

animation and stuff that'll make it

1922

01:13:44,630 --> 01:13:42,719

quite clear

1923

01:13:46,870 --> 01:13:44,640

what i'm trying to say to you in a

1924

01:13:49,110 --> 01:13:46,880

nutshell is that

1925

01:13:50,870 --> 01:13:49,120

everything in the matrix is a simulation

1926

01:13:52,070 --> 01:13:50,880

it's based on something real but it

1927

01:13:54,470 --> 01:13:52,080

isn't

1928

01:13:56,390 --> 01:13:54,480

so the only way okay so so how in the

1929

01:13:58,229 --> 01:13:56,400

world does this relate to us well some

1930

01:13:59,669 --> 01:13:58,239

of us are souls

1931

01:14:01,510 --> 01:13:59,679

not all of the people you see running

1932

01:14:03,430 --> 01:14:01,520

around here are

1933

01:14:05,110 --> 01:14:03,440

connected to a soul

1934

01:14:06,550 --> 01:14:05,120

so it's like it's like this if you're in

1935

01:14:09,430 --> 01:14:06,560

a video game

1936

01:14:12,870 --> 01:14:09,440

um

1937

01:14:15,430 --> 01:14:12,880

it seems real but you know it's not

1938

01:14:17,350 --> 01:14:15,440

right your avatar the avatar that you're

1939

01:14:18,709 --> 01:14:17,360

controlling in a video game

1940

01:14:20,229 --> 01:14:18,719

is

1941

01:14:23,189 --> 01:14:20,239

um

1942

01:14:26,070 --> 01:14:23,199

equivalent to the body that you consider

1943

01:14:27,110 --> 01:14:26,080

to be you right here in the matrix

1944

01:14:28,390 --> 01:14:27,120

got it

1945

01:14:30,550 --> 01:14:28,400

all right so

1946

01:14:33,350 --> 01:14:30,560

this is the problem though if when we've

1947

01:14:35,910 --> 01:14:33,360

been playing the game too long

1948

01:14:37,910 --> 01:14:35,920

that our souls basically forget

1949

01:14:39,270 --> 01:14:37,920

who they are and how they got here and

1950

01:14:42,630 --> 01:14:39,280

more importantly

1951

01:14:44,470 --> 01:14:42,640

how to leave at some point so they

1952

01:14:47,110 --> 01:14:44,480

they'll be here for a lifetime after

1953

01:14:50,790 --> 01:14:47,120

lifetime after lifetime and that is be

1954

01:14:55,669 --> 01:14:54,070

okay and detrimental in what way is it

1955

01:14:56,550 --> 01:14:55,679

because

1956

01:14:58,470 --> 01:14:56,560

well

1957

01:15:00,149 --> 01:14:58,480

think about it this way lauren yeah if

1958

01:15:02,470 --> 01:15:00,159

somebody is playing you know that we

1959

01:15:04,149 --> 01:15:02,480

know this is for a fact if someone is

1960

01:15:04,950 --> 01:15:04,159

playing sitting

1961

01:15:12,950 --> 01:15:04,960

in

1962

01:15:14,390 --> 01:15:12,960

and hours and hours on end it starts to

1963

01:15:15,590 --> 01:15:14,400

affect their life

1964

01:15:18,310 --> 01:15:15,600

their health

1965

01:15:19,669 --> 01:15:18,320

their thought process is all affected

1966

01:15:21,830 --> 01:15:19,679

negatively

1967

01:15:23,510 --> 01:15:21,840

so the same is true for a soul if if

1968

01:15:25,189 --> 01:15:23,520

they have been

1969

01:15:27,510 --> 01:15:25,199

connected to the matrix for too long and

1970

01:15:30,470 --> 01:15:27,520

they start to believe that it's real

1971

01:15:33,189 --> 01:15:30,480

right there's a there's a negative

1972

01:15:34,790 --> 01:15:33,199

effect that is that follows from that

1973

01:15:37,510 --> 01:15:34,800

in other words they become asleep they

1974

01:15:39,590 --> 01:15:37,520

forget who they really are oh absolutely

1975

01:15:40,550 --> 01:15:39,600

you know i've always said this and i

1976

01:15:42,709 --> 01:15:40,560

think

1977

01:15:44,790 --> 01:15:42,719

the first thing that goes for people

1978

01:15:47,270 --> 01:15:44,800

that have been here too long and have

1979

01:15:50,149 --> 01:15:47,280

forgotten that they have a counterpart

1980

01:15:52,390 --> 01:15:50,159

out there in the in the other dimensions

1981

01:15:54,630 --> 01:15:52,400

that may or not be in other dimensions i

1982

01:15:57,750 --> 01:15:54,640

don't know but i can tell you this

1983

01:15:59,590 --> 01:15:57,760

i know that i am not just this lorian

1984

01:16:01,990 --> 01:15:59,600

sitting here in the chair doing my radio

1985

01:16:04,950 --> 01:16:02,000

show you know i've been other places i

1986

01:16:07,910 --> 01:16:04,960

know that this place is seriously hell

1987

01:16:09,910 --> 01:16:07,920

and uh i know that it is what you make

1988

01:16:12,310 --> 01:16:09,920

it and but i also know that i've got to

1989

01:16:14,790 --> 01:16:12,320

get the heck out of dodge you know my

1990

01:16:16,790 --> 01:16:14,800

whole gig is this is the last time i'm

1991

01:16:18,870 --> 01:16:16,800

coming here it's my mantra every morning

1992

01:16:20,870 --> 01:16:18,880

i get up and i say okay just remember

1993

01:16:22,550 --> 01:16:20,880

this last time yeah you're stationed

1994

01:16:25,110 --> 01:16:22,560

here you're not going to be here next

1995

01:16:27,830 --> 01:16:25,120

time so don't worry about it you know

1996

01:16:29,110 --> 01:16:27,840

and uh you know i'm very much aware that

1997

01:16:31,110 --> 01:16:29,120

this is not

1998

01:16:32,950 --> 01:16:31,120

everything okay

1999

01:16:35,030 --> 01:16:32,960

and then i get around the people that

2000

01:16:36,790 --> 01:16:35,040

don't even understand that there is

2001

01:16:39,189 --> 01:16:36,800

something else

2002

01:16:42,229 --> 01:16:39,199

and i realize that they've lost touch

2003

01:16:43,910 --> 01:16:42,239

with their soul and and what you're

2004

01:16:45,510 --> 01:16:43,920

saying makes a lot of sense it's like

2005

01:16:48,390 --> 01:16:45,520

they've got a disease they don't have

2006

01:16:50,709 --> 01:16:48,400

empathy anymore they can't think uh

2007

01:16:53,110 --> 01:16:50,719

clearly they don't they're they're so

2008

01:16:54,790 --> 01:16:53,120

self-absorbed they don't even understand

2009

01:16:57,830 --> 01:16:54,800

there's people right next to them in

2010

01:17:00,070 --> 01:16:57,840

line at a grocery store you know they

2011

01:17:01,590 --> 01:17:00,080

they cut in line in front of you they do

2012

01:17:03,110 --> 01:17:01,600

weird things and then you're looking at

2013

01:17:05,510 --> 01:17:03,120

them and they don't understand that

2014

01:17:07,990 --> 01:17:05,520

you're like i'm just going to use

2015

01:17:10,149 --> 01:17:08,000

another prime example of another just so

2016

01:17:12,229 --> 01:17:10,159

simple thing that makes me insane

2017

01:17:14,709 --> 01:17:12,239

on this planet is i'm at the orchard

2018

01:17:16,630 --> 01:17:14,719

supply hardware buying some stuff i get

2019

01:17:20,470 --> 01:17:16,640

in line the lady opens up the cash

2020

01:17:22,550 --> 01:17:20,480

register and she says to me i'm not the

2021

01:17:25,110 --> 01:17:22,560

the next person in line she says to me

2022

01:17:27,030 --> 01:17:25,120

come on over here and i said no there's

2023

01:17:30,070 --> 01:17:27,040

two people in front of me let's ask the

2024

01:17:31,830 --> 01:17:30,080

lady in front of the the next lady if

2025

01:17:34,229 --> 01:17:31,840

she would like to come over to your line

2026

01:17:35,110 --> 01:17:34,239

i mean this is how unaware people are

2027

01:17:40,149 --> 01:17:35,120

you know

2028

01:17:42,149 --> 01:17:40,159

if it's go ahead i'm i go crazy over

2029

01:17:43,750 --> 01:17:42,159

this stuff so there's something that you

2030

01:17:44,950 --> 01:17:43,760

should in order to clarify what you're

2031

01:17:47,430 --> 01:17:44,960

saying there

2032

01:17:49,669 --> 01:17:47,440

some of the people who are connected to

2033

01:17:51,510 --> 01:17:49,679

the so to a soul outside the matrix

2034

01:17:54,470 --> 01:17:51,520

those so if those souls are so deeply

2035

01:17:55,910 --> 01:17:54,480

asleep then yeah they tend to act badly

2036

01:17:56,709 --> 01:17:55,920

behave badly

2037

01:17:58,390 --> 01:17:56,719

yeah

2038

01:18:00,870 --> 01:17:58,400

they've forgotten but then there's the

2039

01:18:02,470 --> 01:18:00,880

other extreme of that which is that some

2040

01:18:03,430 --> 01:18:02,480

of the as i said before some of the

2041

01:18:05,350 --> 01:18:03,440

people

2042

01:18:06,950 --> 01:18:05,360

are not connected to a soul they're just

2043

01:18:09,430 --> 01:18:06,960

part of the matrix

2044

01:18:11,669 --> 01:18:09,440

their programs and there's increasingly

2045

01:18:13,590 --> 01:18:11,679

there's been more and more of them

2046

01:18:15,110 --> 01:18:13,600

there aren't more souls coming here and

2047

01:18:17,030 --> 01:18:15,120

the reason they're doing that is so that

2048

01:18:19,270 --> 01:18:17,040

they will they can keep more of us

2049

01:18:20,790 --> 01:18:19,280

distracted so that we'll stay here the

2050

01:18:22,229 --> 01:18:20,800

reason being

2051
01:18:24,870 --> 01:18:22,239
from my understanding at this point is

2052
01:18:26,709 --> 01:18:24,880
that once all the souls have left the

2053
01:18:28,550 --> 01:18:26,719
matrix it will end

2054
01:18:30,070 --> 01:18:28,560
it no longer serves any purpose and it

2055
01:18:30,950 --> 01:18:30,080
will end

2056
01:18:35,110 --> 01:18:30,960
so

2057
01:18:37,110 --> 01:18:35,120
entities that that started it and are

2058
01:18:39,110 --> 01:18:37,120
running it and feel like that's their

2059
01:18:40,550 --> 01:18:39,120
whole reason for being which is kind of

2060
01:18:43,270 --> 01:18:40,560
idiotic but

2061
01:18:44,870 --> 01:18:43,280
um it it's like it's sort of like having

2062
01:18:45,510 --> 01:18:44,880
an amusement park right

2063
01:18:47,430 --> 01:18:45,520

yeah

2064

01:18:48,950 --> 01:18:47,440

if nobody went to disneyland they'd at

2065

01:18:51,830 --> 01:18:48,960

some point it would just deteriorate

2066

01:18:53,189 --> 01:18:51,840

into nothing it would and nobody would

2067

01:18:54,709 --> 01:18:53,199

i mean why would you go to work there

2068

01:18:55,669 --> 01:18:54,719

because there isn't anybody going to the

2069

01:18:56,470 --> 01:18:55,679

park

2070

01:19:00,390 --> 01:18:56,480

right

2071

01:19:02,070 --> 01:19:00,400

that's uh and you know the other thing

2072

01:19:03,910 --> 01:19:02,080

is they know that more and more of us

2073

01:19:05,990 --> 01:19:03,920

are waking up and this is why they're

2074

01:19:08,070 --> 01:19:06,000

acting increasingly desperate but the

2075

01:19:10,470 --> 01:19:08,080

unintended consequences that is it

2076

01:19:11,990 --> 01:19:10,480

actually wakes more souls up when they

2077

01:19:14,950 --> 01:19:12,000

do that

2078

01:19:17,590 --> 01:19:14,960

you know i was i was forced not forced i

2079

01:19:19,350 --> 01:19:17,600

woke up early i mean this next round go

2080

01:19:20,870 --> 01:19:19,360

around a lot of people are you know in

2081

01:19:23,030 --> 01:19:20,880

the next few years are going to wake up

2082

01:19:25,030 --> 01:19:23,040

and leave but

2083

01:19:27,830 --> 01:19:25,040

i mean i was you know

2084

01:19:34,390 --> 01:19:27,840

the encounters that i had starting in

2085

01:19:39,590 --> 01:19:37,669

woke me up i didn't really have a choice

2086

01:19:42,870 --> 01:19:39,600

about it i mean i kind of wanted to go

2087

01:19:44,149 --> 01:19:42,880

back to sleep part of me really did but

2088

01:19:46,630 --> 01:19:44,159

there was

2089

01:19:47,990 --> 01:19:46,640

certain factors that lined up in a way

2090

01:19:50,790 --> 01:19:48,000

that there's just i didn't have the

2091

01:19:53,110 --> 01:19:50,800

luxury of doing that i couldn't go back

2092

01:19:54,149 --> 01:19:53,120

i couldn't hit the snooze alarm so

2093

01:19:55,590 --> 01:19:54,159

um

2094

01:19:58,070 --> 01:19:55,600

yeah then i had to deal with the

2095

01:19:59,990 --> 01:19:58,080

implications of being awake

2096

01:20:00,950 --> 01:20:00,000

and that's that's how i got to this

2097

01:20:02,950 --> 01:20:00,960

point

2098

01:20:04,630 --> 01:20:02,960

in my research and

2099

01:20:07,189 --> 01:20:04,640

i'm pretty much done i i mean i've

2100

01:20:09,510 --> 01:20:07,199

answered all the questions that i was

2101

01:20:11,830 --> 01:20:09,520

you know seeking you know and that's why

2102

01:20:13,590 --> 01:20:11,840

tonight when i i typed to you because i

2103

01:20:15,110 --> 01:20:13,600

i got that information from you the

2104

01:20:17,030 --> 01:20:15,120

other day which i haven't had a chance

2105

01:20:20,229 --> 01:20:17,040

to read yet i've been dying to get to it

2106

01:20:22,390 --> 01:20:20,239

um okay but uh i i saw that you were

2107

01:20:23,990 --> 01:20:22,400

active on skype and i thought you know

2108

01:20:26,149 --> 01:20:24,000

what robert told me he doesn't want to

2109

01:20:27,830 --> 01:20:26,159

do any more stuff

2110

01:20:29,510 --> 01:20:27,840

but maybe he'll come on the show for an

2111

01:20:31,910 --> 01:20:29,520

hour we could just gab like we do on the

2112

01:20:34,470 --> 01:20:31,920

telephone you know yeah yeah thank you

2113

01:20:36,229 --> 01:20:34,480

yeah so um you know it's very

2114

01:20:38,870 --> 01:20:36,239

interesting you bring this up tonight

2115

01:20:41,270 --> 01:20:38,880

because i i kind of been having this

2116

01:20:44,550 --> 01:20:41,280

weird thought lately that i'm wondering

2117

01:20:46,229 --> 01:20:44,560

if people are organic just like suits

2118

01:20:48,709 --> 01:20:46,239

like you know i was thinking about the

2119

01:20:50,630 --> 01:20:48,719

old dan burroughs uh episode i don't know

2120

01:20:53,750 --> 01:20:50,640

if you followed that whole thing

2121

01:20:55,430 --> 01:20:53,760

and read it intently but i i followed

2122

01:20:57,430 --> 01:20:55,440

everything that came out about dan

2123

01:20:59,510 --> 01:20:57,440

bursch i read every article i watched

2124

01:21:01,830 --> 01:20:59,520

every interview i did everything i could

2125

01:21:03,910 --> 01:21:01,840

to try to understand this man because i

2126
01:21:05,910 --> 01:21:03,920
thought he was pretty extraordinary and

2127
01:21:08,630 --> 01:21:05,920
if the story was true in any way shape

2128
01:21:11,350 --> 01:21:08,640
or form he had done something quite

2129
01:21:13,990 --> 01:21:11,360
remarkable by pushing that alien entity

2130
01:21:17,110 --> 01:21:14,000
back into a um

2131
01:21:20,149 --> 01:21:17,120
a tunnel and oh mj i can skip the break

2132
01:21:22,390 --> 01:21:20,159
you're so sweet thank you oh that's so

2133
01:21:24,950 --> 01:21:22,400
nice i'm i'm not helping the economy

2134
01:21:26,790 --> 01:21:24,960
tonight here at inception radio network

2135
01:21:29,350 --> 01:21:26,800
but i i'm gonna skip the break if it's

2136
01:21:33,669 --> 01:21:29,360
okay with you robert and so we can talk

2137
01:21:35,510 --> 01:21:33,679
longer sure so um yeah so anyhow uh what

2138
01:21:38,390 --> 01:21:35,520

i was saying uh what was i saying i was

2139

01:21:40,470 --> 01:21:38,400

talking about oh yeah dan burrish and he

2140

01:21:43,830 --> 01:21:40,480

pushed that alien back through the

2141

01:21:46,149 --> 01:21:43,840

portal back to his world okay

2142

01:21:48,149 --> 01:21:46,159

and uh the one thing he did say though

2143

01:21:49,910 --> 01:21:48,159

that i thought was extraordinary and

2144

01:21:51,750 --> 01:21:49,920

that no one really picked up on and

2145

01:21:53,910 --> 01:21:51,760

thought anything about

2146

01:21:56,390 --> 01:21:53,920

was the fact that he said there were

2147

01:21:59,430 --> 01:21:56,400

some evil entities that came into our

2148

01:22:02,629 --> 01:21:59,440

world and they would take over and

2149

01:22:05,110 --> 01:22:02,639

animate dead human bodies

2150

01:22:05,990 --> 01:22:05,120

and i thought that was really weird and

2151
01:22:08,709 --> 01:22:06,000
and

2152
01:22:11,110 --> 01:22:08,719
but he was adamant about this he said it

2153
01:22:13,430 --> 01:22:11,120
many times he was not joking he told

2154
01:22:16,790 --> 01:22:13,440
about the day he and his girlfriend were

2155
01:22:19,830 --> 01:22:16,800
at their house and this dead animated

2156
01:22:21,189 --> 01:22:19,840
thing came and went after her

2157
01:22:25,750 --> 01:22:21,199
and

2158
01:22:27,910 --> 01:22:25,760
horrible but i got to thinking it's got

2159
01:22:29,910 --> 01:22:27,920
to be true you know why why would you

2160
01:22:31,669 --> 01:22:29,920
make up something like that when you

2161
01:22:34,310 --> 01:22:31,679
already got enough trouble with people

2162
01:22:36,709 --> 01:22:34,320
believing your alien story right sure

2163
01:22:38,550 --> 01:22:36,719

sure sure yeah i know i know

2164

01:22:39,990 --> 01:22:38,560

he's an interesting character um i did

2165

01:22:41,350 --> 01:22:40,000

interview him one time

2166

01:22:43,910 --> 01:22:41,360

but i you know here's the thing the

2167

01:22:46,470 --> 01:22:43,920

matrix is set up so in such manner that

2168

01:22:48,310 --> 01:22:46,480

it's it's challenging us is designed to

2169

01:22:49,510 --> 01:22:48,320

confuse and control us

2170

01:22:52,950 --> 01:22:49,520

the

2171

01:22:55,750 --> 01:22:52,960

good and evil

2172

01:22:57,590 --> 01:22:55,760

mixing so in that regard uh truth is

2173

01:22:59,590 --> 01:22:57,600

mixed with lies

2174

01:23:02,229 --> 01:22:59,600

and so it's very difficult to discern

2175

01:23:04,550 --> 01:23:02,239

which is which and so and also because

2176
01:23:06,149 --> 01:23:04,560
things are taken out of context see this

2177
01:23:08,310 --> 01:23:06,159
is the thing i no longer believe the

2178
01:23:10,390 --> 01:23:08,320
matrix is real so that's the first step

2179
01:23:12,070 --> 01:23:10,400
preparation for me to leave

2180
01:23:14,229 --> 01:23:12,080
uh there's no way that they can distract

2181
01:23:16,390 --> 01:23:14,239
me any further and keep me here

2182
01:23:18,229 --> 01:23:16,400
unless i want to stay

2183
01:23:20,790 --> 01:23:18,239
see that was the thing about the movie

2184
01:23:22,950 --> 01:23:20,800
that was very instructive it was about

2185
01:23:23,990 --> 01:23:22,960
about the power of belief

2186
01:23:28,709 --> 01:23:24,000
right

2187
01:23:31,750 --> 01:23:28,719
so once but i thought once we were aware

2188
01:23:33,510 --> 01:23:31,760

that the matrix is real and and folks i

2189

01:23:37,030 --> 01:23:33,520

got to tell you something man i as far

2190

01:23:39,669 --> 01:23:37,040

as i'm concerned it is it is a matrix um

2191

01:23:42,709 --> 01:23:39,679

the day uh i saw that movie the very

2192

01:23:44,149 --> 01:23:42,719

first one um i went home i think i told

2193

01:23:45,669 --> 01:23:44,159

you this story didn't i robert what

2194

01:23:48,390 --> 01:23:45,679

happened to me

2195

01:23:49,990 --> 01:23:48,400

it was extraordinary i can't remember

2196

01:23:51,510 --> 01:23:50,000

oh i gotta tell everybody because i

2197

01:23:53,110 --> 01:23:51,520

don't know if i've ever talked see i

2198

01:23:54,550 --> 01:23:53,120

forget what i tell on the air and i

2199

01:23:55,830 --> 01:23:54,560

forget what i tell my friends and i

2200

01:23:57,350 --> 01:23:55,840

forget everything so i'll just get it

2201

01:23:59,430 --> 01:23:57,360

out tonight

2202

01:24:01,669 --> 01:23:59,440

i saw the movie i came home i pulled

2203

01:24:04,149 --> 01:24:01,679

into my driveway parking lot space in

2204

01:24:06,070 --> 01:24:04,159

front of my little cottage at the time

2205

01:24:08,310 --> 01:24:06,080

and suddenly as i'm reaching for the

2206

01:24:09,350 --> 01:24:08,320

door handle to open it to go into the

2207

01:24:12,629 --> 01:24:09,360

house

2208

01:24:15,430 --> 01:24:12,639

the whole thing pixelated my vision went

2209

01:24:18,709 --> 01:24:15,440

completely pixelated so that all i was

2210

01:24:20,870 --> 01:24:18,719

seeing was little squares everywhere

2211

01:24:22,149 --> 01:24:20,880

just like you do when you're working in

2212

01:24:24,550 --> 01:24:22,159

photoshop

2213

01:24:25,830 --> 01:24:24,560

yeah yeah i understand and it was just

2214

01:24:28,070 --> 01:24:25,840

like the matrix because there were

2215

01:24:29,189 --> 01:24:28,080

several scenes where it pixelated on

2216

01:24:32,470 --> 01:24:29,199

everybody

2217

01:24:34,470 --> 01:24:32,480

yeah and i was like oh my god and i

2218

01:24:36,709 --> 01:24:34,480

literally it would not stop i kept

2219

01:24:38,550 --> 01:24:36,719

blinking my eyes i kept doing all this

2220

01:24:39,510 --> 01:24:38,560

stuff and it was just it wouldn't go

2221

01:24:41,910 --> 01:24:39,520

away

2222

01:24:43,990 --> 01:24:41,920

and i was so disoriented i was getting a

2223

01:24:46,070 --> 01:24:44,000

little nauseous too because it was like

2224

01:24:47,990 --> 01:24:46,080

looking at you know through some kind of

2225

01:24:49,270 --> 01:24:48,000

weird prism thing at all this these

2226

01:24:51,030 --> 01:24:49,280

little squares

2227

01:24:53,750 --> 01:24:51,040

and i couldn't really see and it was

2228

01:24:54,709 --> 01:24:53,760

dark and so you know i crawled i

2229

01:24:56,629 --> 01:24:54,719

literally

2230

01:24:59,110 --> 01:24:56,639

got out of the car got on the ground on

2231

01:25:00,870 --> 01:24:59,120

my hands and knees and crawled up the

2232

01:25:02,790 --> 01:25:00,880

boardwalk i was living on a boardwalk i

2233

01:25:05,910 --> 01:25:02,800

had to walk out this boardwalk to my

2234

01:25:07,590 --> 01:25:05,920

cottage out in the marsh and i crawled

2235

01:25:09,430 --> 01:25:07,600

all the way down the boardwalk until i

2236

01:25:11,590 --> 01:25:09,440

got near the house and i could make out

2237

01:25:13,830 --> 01:25:11,600

the shape of the the porch and the light

2238

01:25:15,350 --> 01:25:13,840

on the porch and crawled up opened the

2239

01:25:17,189 --> 01:25:15,360

handle walked in the house and the

2240

01:25:19,030 --> 01:25:17,199

minute i got in the house it it

2241

01:25:22,229 --> 01:25:19,040

completely went away

2242

01:25:26,070 --> 01:25:22,239

and i was so flipped out for two days it

2243

01:25:28,550 --> 01:25:26,080

was insane and it came back briefly that

2244

01:25:30,709 --> 01:25:28,560

night i had to use the restroom about

2245

01:25:32,950 --> 01:25:30,719

four o'clock in the morning went into

2246

01:25:35,750 --> 01:25:32,960

the bathroom and it was it totally

2247

01:25:38,149 --> 01:25:35,760

pixelated while i was in the bathroom

2248

01:25:40,310 --> 01:25:38,159

and then i blinked a few times i thought

2249

01:25:42,709 --> 01:25:40,320

to myself oh my god if this goes on if

2250

01:25:45,189 --> 01:25:42,719

this is permanent i'm screwed i can't

2251

01:25:48,550 --> 01:25:45,199

walk around like this i can't read i

2252

01:25:50,070 --> 01:25:48,560

can't see whatever and it went away

2253

01:25:51,590 --> 01:25:50,080

right after that right after i had the

2254

01:25:53,350 --> 01:25:51,600

thought of oh my god how am i going to

2255

01:25:55,830 --> 01:25:53,360

live like this right

2256

01:25:57,430 --> 01:25:55,840

so and i was petrified for days

2257

01:26:00,470 --> 01:25:57,440

afterwards that it was going to keep

2258

01:26:03,189 --> 01:26:00,480

happening and it it never happened again

2259

01:26:06,149 --> 01:26:03,199

but it scared to be jesus out of me but

2260

01:26:09,270 --> 01:26:06,159

later i realized it was just making a

2261

01:26:11,189 --> 01:26:09,280

very solid point to my subconscious

2262

01:26:14,070 --> 01:26:11,199

and my conscience

2263

01:26:16,229 --> 01:26:14,080

conscious uh reality that this is

2264

01:26:19,350 --> 01:26:16,239

totally real the matrix movie was the

2265

01:26:20,709 --> 01:26:19,360

key and there you go you know

2266

01:26:23,110 --> 01:26:20,719

i thought it was very poignant what our

2267

01:26:23,910 --> 01:26:23,120

subconscious can do in a situation like

2268

01:26:28,470 --> 01:26:23,920

that

2269

01:26:30,950 --> 01:26:28,480

i thought it was really crazy but hey

2270

01:26:33,590 --> 01:26:30,960

that movie the day i saw that i knew the

2271

01:26:35,830 --> 01:26:33,600

red pill thing i i was like oh my god

2272

01:26:37,830 --> 01:26:35,840

this is it this is the answer to life

2273

01:26:39,110 --> 01:26:37,840

you know if you do nothing else your

2274

01:26:40,870 --> 01:26:39,120

whole life you've got to watch that

2275

01:26:43,590 --> 01:26:40,880

movie

2276

01:26:44,790 --> 01:26:43,600

so getting back to what i said uh it

2277

01:26:46,870 --> 01:26:44,800

isn't

2278

01:26:49,030 --> 01:26:46,880

real it's virtual reality it's a

2279

01:26:51,189 --> 01:26:49,040

simulation

2280

01:26:53,750 --> 01:26:51,199

the experiences that we have here are

2281

01:26:55,990 --> 01:26:53,760

virtual but we are still learning from

2282

01:26:58,229 --> 01:26:56,000

them that's why it exists

2283

01:27:00,629 --> 01:26:58,239

it was set up originally by lucifer or

2284

01:27:01,430 --> 01:27:00,639

anki whatever you want to call him as a

2285

01:27:04,070 --> 01:27:01,440

way

2286

01:27:06,310 --> 01:27:04,080

he's a means for him to be lord god

2287

01:27:07,990 --> 01:27:06,320

savior or creator whatever

2288

01:27:09,910 --> 01:27:08,000

of his own domain

2289

01:27:11,430 --> 01:27:09,920

and we agreed to come here this is not

2290

01:27:12,709 --> 01:27:11,440

punishment we agreed to come here

2291

01:27:15,270 --> 01:27:12,719

because it was interesting it was

2292

01:27:16,870 --> 01:27:15,280

different and it was allowed to happen

2293

01:27:19,189 --> 01:27:16,880

because

2294

01:27:20,950 --> 01:27:19,199

much like a flight simulator

2295

01:27:22,229 --> 01:27:20,960

uh we you know you have to do that

2296

01:27:23,830 --> 01:27:22,239

before you can learn how to fly an

2297

01:27:25,430 --> 01:27:23,840

aircraft because it's safer to do it

2298

01:27:27,669 --> 01:27:25,440

that way obviously if you crash you're

2299

01:27:29,910 --> 01:27:27,679

not going to kill anybody and so if you

2300

01:27:33,270 --> 01:27:29,920

think about it this is really what the

2301

01:27:36,149 --> 01:27:33,280

matrix is for it's a it's a curriculum

2302

01:27:40,629 --> 01:27:37,830

it's we're learning through experiences

2303

01:27:42,629 --> 01:27:40,639

and it is very challenging but there's

2304

01:27:45,350 --> 01:27:42,639

as i said there's all also

2305

01:27:47,430 --> 01:27:45,360

a danger if a person is in it too long

2306

01:27:49,990 --> 01:27:47,440

and they start to believe that it is

2307

01:27:51,510 --> 01:27:50,000

real they don't they forget the context

2308

01:27:53,830 --> 01:27:51,520

that they're not fully here that their

2309

01:27:56,790 --> 01:27:53,840

soul is outside the matrix and they're

2310

01:27:58,470 --> 01:27:56,800

just controlling a body remotely

2311

01:28:00,310 --> 01:27:58,480

in the matrix

2312

01:28:01,990 --> 01:28:00,320

they can become very disoriented and

2313

01:28:03,430 --> 01:28:02,000

actually believe that the matrix is real

2314

01:28:05,270 --> 01:28:03,440

when it's not

2315

01:28:07,110 --> 01:28:05,280

yeah yeah

2316

01:28:09,430 --> 01:28:07,120

well this leads me back to the whole

2317

01:28:12,470 --> 01:28:09,440

thing that i always get to with you is

2318

01:28:15,110 --> 01:28:12,480

this inky character how does he play in

2319

01:28:18,310 --> 01:28:15,120

with this i mean he he has no

2320

01:28:20,950 --> 01:28:18,320

control over us on the other dimensional

2321

01:28:23,189 --> 01:28:20,960

side where we're a soul being

2322

01:28:25,830 --> 01:28:23,199

and controlling this body here does oh

2323

01:28:28,149 --> 01:28:25,840

that's not true lauren oh no unfortunate

2324

01:28:30,310 --> 01:28:28,159

yes and it's not true because it and

2325

01:28:32,790 --> 01:28:30,320

it's not even it's not even control it's

2326

01:28:35,189 --> 01:28:32,800

it's very clever it's it's a

2327

01:28:37,350 --> 01:28:35,199

sophistry they they are again they're

2328

01:28:39,669 --> 01:28:37,360

trying to confuse us so when we

2329

01:28:41,510 --> 01:28:39,679

leave the physical body

2330

01:28:43,669 --> 01:28:41,520

that we're not fully in anyway the

2331

01:28:45,270 --> 01:28:43,679

connection is broken the silver cord is

2332

01:28:47,990 --> 01:28:45,280

snapped

2333

01:28:49,510 --> 01:28:48,000

and the body is the avatar is deleted

2334

01:28:52,229 --> 01:28:49,520

from the system

2335

01:28:54,790 --> 01:28:52,239

our soul is free to go however what they

2336

01:28:57,430 --> 01:28:54,800

do is they will trick us

2337

01:28:59,590 --> 01:28:57,440

into agreeing to come back

2338

01:29:01,990 --> 01:28:59,600

again if we're under the illusion if we

2339

01:29:03,270 --> 01:29:02,000

really believe that that this is the

2340

01:29:05,669 --> 01:29:03,280

reality

2341

01:29:07,990 --> 01:29:05,679

um it's very simple for them to you know

2342

01:29:10,629 --> 01:29:08,000

put the light in our eyes so to speak

2343

01:29:13,350 --> 01:29:10,639

you know and yeah appear to us as

2344

01:29:14,550 --> 01:29:13,360

whatever some sort of angelic

2345

01:29:17,669 --> 01:29:14,560

um

2346

01:29:18,870 --> 01:29:17,679

god-like beings or even it could be just

2347

01:29:21,590 --> 01:29:18,880

you know

2348

01:29:23,189 --> 01:29:21,600

loved ones they can morph into

2349

01:29:24,629 --> 01:29:23,199

like you know my grandmother and say to

2350

01:29:25,990 --> 01:29:24,639

me robert you know you're you have

2351

01:29:28,709 --> 01:29:26,000

unfinished business and there's this

2352

01:29:30,709 --> 01:29:28,719

wonderful family that you know is is

2353

01:29:32,149 --> 01:29:30,719

looking for they would they have room in

2354

01:29:34,310 --> 01:29:32,159

their family and they would be good to

2355

01:29:35,750 --> 01:29:34,320

you and help you and all this stuff and

2356

01:29:37,189 --> 01:29:35,760

it sounds great

2357

01:29:38,629 --> 01:29:37,199

you know but when

2358

01:29:41,910 --> 01:29:38,639

it's a trick

2359

01:29:44,390 --> 01:29:41,920

us to stay here as long as possible

2360

01:29:46,709 --> 01:29:44,400

because it's job security for them and

2361

01:29:47,910 --> 01:29:46,719

it's sort of an ego trip i guess too

2362

01:29:49,669 --> 01:29:47,920

uh

2363

01:29:51,430 --> 01:29:49,679

well it's it's kind of silly but anyway

2364

01:29:52,950 --> 01:29:51,440

that so those are the dynamics that are

2365

01:29:54,149 --> 01:29:52,960

going on

2366

01:29:56,470 --> 01:29:54,159

when we

2367

01:29:58,950 --> 01:29:56,480

so-called physically pass over

2368

01:30:00,709 --> 01:29:58,960

which is all an illusion but it's it

2369

01:30:02,629 --> 01:30:00,719

serves a purpose and it is very

2370

01:30:04,149 --> 01:30:02,639

challenging and i just want people to be

2371

01:30:05,669 --> 01:30:04,159

aware of that

2372

01:30:08,709 --> 01:30:05,679

i do have a very interesting article

2373

01:30:11,590 --> 01:30:08,719

about that called um

2374

01:30:13,750 --> 01:30:11,600

hold on let me see what it says here

2375

01:30:15,990 --> 01:30:13,760

yeah let me get back to the the death

2376

01:30:17,830 --> 01:30:16,000

trap the west henry wrote this it's

2377

01:30:19,189 --> 01:30:17,840

called the death trap and how to avoid

2378

01:30:21,590 --> 01:30:19,199

it

2379

01:30:24,550 --> 01:30:21,600

although my understanding you know wes

2380

01:30:26,709 --> 01:30:24,560

is his we're both evolving

2381

01:30:28,709 --> 01:30:26,719

on our understanding our levels of

2382

01:30:31,990 --> 01:30:28,719

understanding have increased after

2383

01:30:33,830 --> 01:30:32,000

reading the divine secret garden um

2384

01:30:35,750 --> 01:30:33,840

i i sent that to a lot of people when i

2385

01:30:37,430 --> 01:30:35,760

first started reading it and a lot of

2386

01:30:39,510 --> 01:30:37,440

people are actually benefiting including

2387

01:30:41,910 --> 01:30:39,520

wes penray um

2388

01:30:43,270 --> 01:30:41,920

and myself so

2389

01:30:45,189 --> 01:30:43,280

it's it's not

2390

01:30:47,350 --> 01:30:45,199

really just as simple as looking at for

2391

01:30:49,510 --> 01:30:47,360

a way to get through the grid the energy

2392

01:30:51,350 --> 01:30:49,520

grid around the planet there's some

2393

01:30:52,950 --> 01:30:51,360

other levels of preparation and i

2394

01:30:54,709 --> 01:30:52,960

outline that in

2395

01:30:55,990 --> 01:30:54,719

my newest page article whatever you want

2396

01:30:58,149 --> 01:30:56,000

to call it um

2397

01:31:00,790 --> 01:30:58,159

called the matrix exit

2398

01:31:02,870 --> 01:31:00,800

okay it's very very easy to find on the

2399

01:31:05,750 --> 01:31:02,880

front page of my website or in the arts

2400

01:31:06,790 --> 01:31:05,760

section yep yeah wonderful

2401

01:31:08,950 --> 01:31:06,800

thank you so

2402

01:31:10,870 --> 01:31:08,960

this is all just when did you discover

2403

01:31:12,950 --> 01:31:10,880

this book about the garden

2404

01:31:14,149 --> 01:31:12,960

i mean did i come to you

2405

01:31:17,590 --> 01:31:14,159

yes

2406

01:31:19,750 --> 01:31:17,600

his books and

2407

01:31:21,270 --> 01:31:19,760

no explanation

2408

01:31:23,830 --> 01:31:21,280

and i and i thought well that's

2409

01:31:25,750 --> 01:31:23,840

intriguing i i'm wondering divine secret

2410

01:31:28,310 --> 01:31:25,760

garden that sounds

2411

01:31:29,189 --> 01:31:28,320

pleasant i wonder what the secret is you

2412

01:31:31,510 --> 01:31:29,199

know

2413

01:31:33,590 --> 01:31:31,520

right so i clicked on the link

2414

01:31:35,270 --> 01:31:33,600

and and i looked at what he was his

2415

01:31:37,669 --> 01:31:35,280

books that he'd written and he was he

2416

01:31:40,629 --> 01:31:37,679

was giving away just like wes penry

2417

01:31:42,709 --> 01:31:40,639

these you know obviously a lot of time

2418

01:31:45,590 --> 01:31:42,719

and effort and research and social don't

tunic tees select styles only she went

2431

01:32:15,030 --> 01:32:14,320

into these writing these books

2432

01:32:17,510 --> 01:32:15,040

yeah

2433

01:32:19,189 --> 01:32:17,520

and he was giving them away a nice and

2434

01:32:20,070 --> 01:32:19,199

so

2435

01:32:23,030 --> 01:32:20,080

um

2436

01:32:24,830 --> 01:32:23,040

the first book it's called forbidden

2437

01:32:27,350 --> 01:32:24,840

i think it's called forbidden

2438

01:32:29,430 --> 01:32:27,360

knowledge it it

2439

01:32:31,590 --> 01:32:29,440

it has a lot of quotes from the bible in

2440

01:32:33,750 --> 01:32:31,600

it which at first glance i was like oh

2441

01:32:35,750 --> 01:32:33,760

no no i don't want to go through this

2442

01:32:37,430 --> 01:32:35,760

but as i've read it

2443

01:32:38,950 --> 01:32:37,440

i realized the only reason he was

2444

01:32:40,950 --> 01:32:38,960

quoting from the bible was to

2445

01:32:44,149 --> 01:32:40,960

deconstruct it and actually show you

2446

01:32:45,910 --> 01:32:44,159

where the lies were mixed with the truth

2447

01:32:47,750 --> 01:32:45,920

and that was very interesting to me so

2448

01:32:50,550 --> 01:32:47,760

it's not religious

2449

01:32:53,030 --> 01:32:50,560

um in fact it's it's the opposite it's

2450

01:32:58,390 --> 01:32:53,040

gnostic

2451

01:32:59,350 --> 01:32:58,400

gnosis spell with the g it means uh it

2452

01:33:01,430 --> 01:32:59,360

means

2453

01:33:03,910 --> 01:33:01,440

knowing through experience

2454

01:33:05,590 --> 01:33:03,920

so really what these teachings are is a

2455

01:33:07,910 --> 01:33:05,600

lesson plan for

2456

01:33:09,830 --> 01:33:07,920

a soul to

2457

01:33:11,430 --> 01:33:09,840

continue their growth

2458

01:33:14,470 --> 01:33:11,440

through experience

2459

01:33:15,270 --> 01:33:14,480

here and more importantly to prepare

2460

01:33:18,149 --> 01:33:15,280

to

2461

01:33:20,310 --> 01:33:18,159

leave the matrix and return home

2462

01:33:21,750 --> 01:33:20,320

and reunite with their sole

2463

01:33:24,550 --> 01:33:21,760

family

2464

01:33:26,550 --> 01:33:24,560

and it's very beautiful i mean he

2465

01:33:29,910 --> 01:33:26,560

i see why he contacted me because i use

2466

01:33:32,550 --> 01:33:29,920

a lot of similar terms or analogies for

2467

01:33:35,110 --> 01:33:32,560

the soul being a seed of light in a

2468

01:33:37,750 --> 01:33:35,120

garden that came from a tree etc you

2469

01:33:38,550 --> 01:33:37,760

know it's a very organic process

2470

01:33:42,870 --> 01:33:38,560

sure

2471

01:33:46,310 --> 01:33:44,629

trying to

2472

01:33:48,709 --> 01:33:46,320

illustrate and i think he did a pretty

2473

01:33:50,229 --> 01:33:48,719

good job that um

2474

01:33:52,070 --> 01:33:50,239

like what i've told you i didn't want to

2475

01:33:53,830 --> 01:33:52,080

believe this for the longest time but i

2476

01:33:56,950 --> 01:33:53,840

felt it was true in fact i think i would

2477

01:33:59,590 --> 01:33:56,960

have discovered this back in 1990

2478

01:34:01,189 --> 01:33:59,600

if i hadn't been uh psychically attacked

2479

01:34:02,790 --> 01:34:01,199

and i'm pretty sure that's why they came

2480

01:34:05,830 --> 01:34:02,800

after me i was at the told i think i

2481

01:34:07,830 --> 01:34:05,840

mentioned this when i in uh early 1990 i

2482

01:34:09,910 --> 01:34:07,840

was attacked by some sort of artificial

2483

01:34:12,550 --> 01:34:09,920

intelligence over the phone because they

2484

01:34:14,790 --> 01:34:12,560

were reading my mind and um i mean they

2485

01:34:17,270 --> 01:34:14,800

being a group network

2486

01:34:19,669 --> 01:34:17,280

ai is not new it's been here that's

2487

01:34:23,590 --> 01:34:19,679

right right see but yeah so i was

2488

01:34:26,470 --> 01:34:23,600

looking into abductions and androids

2489

01:34:30,149 --> 01:34:26,480

literally androids among us and that

2490

01:34:32,950 --> 01:34:30,159

that was a shocker at the time and um

2491

01:34:34,229 --> 01:34:32,960

but i think can i just i just need to

2492

01:34:37,030 --> 01:34:34,239

ask you one question are you talking

2493

01:34:38,149 --> 01:34:37,040

more along the terminator type of ai

2494

01:34:40,550 --> 01:34:38,159

creation

2495

01:34:43,990 --> 01:34:40,560

yeah okay okay i want to get my beam on

2496

01:34:45,189 --> 01:34:44,000

this not an alien type of created

2497

01:34:47,910 --> 01:34:45,199

no they're

2498

01:34:50,870 --> 01:34:47,920

they're called uh robotoids or

2499

01:34:53,430 --> 01:34:50,880

synthetics or so they're kind of like uh

2500

01:34:55,030 --> 01:34:53,440

they're a hybrid between a machine and a

2501

01:34:56,709 --> 01:34:55,040

clone

2502

01:34:59,830 --> 01:34:56,719

so they're copies they're copies but

2503

01:35:01,750 --> 01:34:59,840

they're modified copies and they can be

2504

01:35:03,510 --> 01:35:01,760

they're down there's a bit of a download

2505

01:35:05,110 --> 01:35:03,520

that goes on but it's it's more than

2506

01:35:06,950 --> 01:35:05,120

that there's the

2507

01:35:08,950 --> 01:35:06,960

once it's been downloaded then you can

2508

01:35:11,189 --> 01:35:08,960

augment it by um

2509

01:35:13,350 --> 01:35:11,199

uh programming

2510

01:35:16,229 --> 01:35:13,360

adding programming so anyway

2511

01:35:17,590 --> 01:35:16,239

anyway um yeah these explanations it

2512

01:35:19,990 --> 01:35:17,600

says you know

2513

01:35:21,830 --> 01:35:20,000

like anybody

2514

01:35:24,149 --> 01:35:21,840

if i had gotten too much information too

2515

01:35:25,110 --> 01:35:24,159

soon it wouldn't make any sense to me so

2516

01:35:26,950 --> 01:35:25,120

right

2517

01:35:28,870 --> 01:35:26,960

everybody progresses at their own rate

2518

01:35:30,790 --> 01:35:28,880

just like if you were in school you know

2519

01:35:32,390 --> 01:35:30,800

sometimes you can't get through a grade

2520

01:35:34,390 --> 01:35:32,400

so you're held back sometimes you

2521

01:35:35,990 --> 01:35:34,400

accelerate your your learning and you

2522

01:35:37,830 --> 01:35:36,000

actually skip grades

2523

01:35:39,110 --> 01:35:37,840

we see that all the time right so why

2524

01:35:41,669 --> 01:35:39,120

wouldn't it be why would it be any

2525

01:35:43,110 --> 01:35:41,679

different for a soul's progress or path

2526

01:35:45,030 --> 01:35:43,120

in the matrix

2527

01:35:46,310 --> 01:35:45,040

as i said it's a curriculum okay there's

2528

01:35:48,229 --> 01:35:46,320

a series of

2529

01:35:50,870 --> 01:35:48,239

it's just okay so in a video game if

2530

01:35:52,629 --> 01:35:50,880

once you've completed level one

2531

01:35:55,189 --> 01:35:52,639

why would you keep playing level one if

2532

01:35:57,750 --> 01:35:55,199

you can go to level two and so it's the

2533

01:36:00,229 --> 01:35:57,760

same game but it's there's

2534

01:36:02,390 --> 01:36:00,239

the challenges are greater

2535

01:36:03,830 --> 01:36:02,400

yeah and so the longer you stick with it

2536

01:36:04,870 --> 01:36:03,840

you know the challenges get greater or

2537

01:36:05,990 --> 01:36:04,880

greater and

2538

01:36:06,950 --> 01:36:06,000

um

2539

01:36:09,510 --> 01:36:06,960

uh

2540

01:36:12,310 --> 01:36:09,520

i believe that i came here to help wake

2541

01:36:15,110 --> 01:36:12,320

up souls that um

2542

01:36:16,709 --> 01:36:15,120

had really forgotten who they were and

2543

01:36:19,270 --> 01:36:16,719

basically stuck here

2544

01:36:21,430 --> 01:36:19,280

on some level they they were so deeply

2545

01:36:25,189 --> 01:36:21,440

into believing the matrix was all there

2546

01:36:26,310 --> 01:36:25,199

is and it's like the the reality

2547

01:36:28,870 --> 01:36:26,320

um

2548

01:36:30,950 --> 01:36:28,880

okay and so i'm and i'm not the only one

2549

01:36:32,870 --> 01:36:30,960

i believe there's been many souls that

2550

01:36:34,950 --> 01:36:32,880

came here thinking that oh it'll be

2551

01:36:37,189 --> 01:36:34,960

simple i'll just wake them up well

2552

01:36:38,870 --> 01:36:37,199

it isn't that simple and in the longer

2553

01:36:41,910 --> 01:36:38,880

you're here trying to do that

2554

01:36:43,669 --> 01:36:41,920

it's very it's very seductive you can

2555

01:36:45,669 --> 01:36:43,679

forget

2556

01:36:47,109 --> 01:36:45,679

yeah i mean i have days robert where i

2557

01:36:49,750 --> 01:36:47,119

wish i'd never

2558

01:36:52,229 --> 01:36:49,760

never woken up honest to god i swear to

2559

01:36:53,830 --> 01:36:52,239

god i wish i'd never had that weekend in

2560

01:36:55,350 --> 01:36:53,840

september which i never went to the

2561

01:36:57,510 --> 01:36:55,360

conference

2562

01:36:59,189 --> 01:36:57,520

oh yeah i see what you mean yeah yeah

2563

01:37:00,310 --> 01:36:59,199

remain blissfully

2564

01:37:01,109 --> 01:37:00,320

ignorant

2565

01:37:04,830 --> 01:37:01,119

yeah

2566

01:37:07,350 --> 01:37:04,840

that's not your

2567

01:37:09,109 --> 01:37:07,360

nature as a soul

2568

01:37:11,910 --> 01:37:09,119

at some point you have to wake up look

2569

01:37:13,990 --> 01:37:11,920

okay so back to the analogy you can't

2570

01:37:17,990 --> 01:37:14,000

school is not real

2571

01:37:20,229 --> 01:37:18,000

okay it is it's teaching you things

2572

01:37:22,390 --> 01:37:20,239

but it's not reality you have to go

2573

01:37:24,950 --> 01:37:22,400

outside of school at some point to live

2574

01:37:26,390 --> 01:37:24,960

in the real world that's true yeah okay

2575

01:37:30,149 --> 01:37:26,400

so the same thing is true for this

2576

01:37:32,709 --> 01:37:30,159

matrix we are learning from experiences

2577

01:37:35,189 --> 01:37:32,719

it's increasing our skill sets

2578

01:37:37,430 --> 01:37:35,199

but at some point we have to leave and

2579

01:37:39,430 --> 01:37:37,440

apply those skills and live in the real

2580

01:37:41,750 --> 01:37:39,440

world and this is not a real world it's

2581

01:37:43,830 --> 01:37:41,760

a simulation it's virtually real but it

2582

01:37:46,229 --> 01:37:43,840

isn't

2583

01:37:48,870 --> 01:37:46,239

it's nested within creation the true

2584

01:37:50,550 --> 01:37:48,880

reality okay but it's not reality now

2585

01:37:53,109 --> 01:37:50,560

here's the really big problem the reason

2586

01:37:56,390 --> 01:37:53,119

we're even talking about this is that

2587

01:37:58,310 --> 01:37:56,400

the luciferians know that

2588

01:37:59,830 --> 01:37:58,320

quite a few souls are waking up and even

2589

01:38:01,750 --> 01:37:59,840

more going to wake up here in the next

2590

01:38:03,270 --> 01:38:01,760

few years and they will leave the matrix

2591

01:38:05,189 --> 01:38:03,280

and not return

2592

01:38:07,109 --> 01:38:05,199

yeah so what they're doing

2593

01:38:09,510 --> 01:38:07,119

is not only are they adding more

2594

01:38:12,390 --> 01:38:09,520

programs into it that are distracting

2595

01:38:14,390 --> 01:38:12,400

and confusing us trying to control us

2596

01:38:16,790 --> 01:38:14,400

but they're also offering up the same

2597

01:38:18,550 --> 01:38:16,800

what is called a singularity

2598

01:38:20,790 --> 01:38:18,560

so that people think that they can

2599

01:38:23,590 --> 01:38:20,800

download themselves into

2600

01:38:25,350 --> 01:38:23,600

into a machine

2601

01:38:28,149 --> 01:38:25,360

right an artificial intelligence or a

2602

01:38:29,750 --> 01:38:28,159

cyborg type of situation so in essence

2603

01:38:31,270 --> 01:38:29,760

they're going to offer

2604

01:38:32,790 --> 01:38:31,280

their or they've already created it but

2605

01:38:33,990 --> 01:38:32,800

at some point in the near future they're

2606

01:38:35,590 --> 01:38:34,000

going to

2607

01:38:37,990 --> 01:38:35,600

say that you can

2608

01:38:40,229 --> 01:38:38,000

in essence it's a singularity

2609

01:38:43,270 --> 01:38:40,239

excuse me it's a simulation within the

2610

01:38:46,470 --> 01:38:43,280

simulation you can see examples of that

2611

01:38:48,550 --> 01:38:46,480

on my new page called the matrix exit so

2612

01:38:50,470 --> 01:38:48,560

this is really a desperate attempt and

2613

01:38:52,470 --> 01:38:50,480

it's going to work some people some

2614

01:38:53,910 --> 01:38:52,480
souls will actually go deeper into

2615

01:38:55,590 --> 01:38:53,920
another level it's sort of like the

2616

01:38:56,950 --> 01:38:55,600
russian dolls you know it's one nest

2617

01:38:59,430 --> 01:38:56,960
that is

2618

01:39:01,189 --> 01:38:59,440
so this is really they are in that's

2619

01:39:03,270 --> 01:39:01,199
their intention i think they will have

2620

01:39:04,950 --> 01:39:03,280
some success at that and i've been

2621

01:39:08,070 --> 01:39:04,960
trying to warn people that that's not a

2622

01:39:10,390 --> 01:39:08,080
good idea but again it's a choice

2623

01:39:12,550 --> 01:39:10,400
free will has to be respected and if if

2624

01:39:14,149 --> 01:39:12,560
a soul chooses to go deeper

2625

01:39:15,990 --> 01:39:14,159
into the matrix and

2626

01:39:17,830 --> 01:39:16,000

believing that that is their only option

2627

01:39:20,629 --> 01:39:17,840

or the best option

2628

01:39:22,550 --> 01:39:20,639

then we have to respect that um

2629

01:39:24,870 --> 01:39:22,560

but i don't agree with it i think it's a

2630

01:39:27,830 --> 01:39:24,880

terrible idea

2631

01:39:30,470 --> 01:39:27,840

okay well i'm still trying to wrap my

2632

01:39:32,790 --> 01:39:30,480

head around the fact that i i know that

2633

01:39:34,790 --> 01:39:32,800

my soul is somewhere else controlling

2634

01:39:37,510 --> 01:39:34,800

the situation i'm in here

2635

01:39:40,070 --> 01:39:37,520

right and uh what's interesting robert

2636

01:39:43,270 --> 01:39:40,080

do you ever find yourself saying that

2637

01:39:45,669 --> 01:39:43,280

feeling like your soul is more like god

2638

01:39:48,950 --> 01:39:45,679

i mean or that you're talking to your

2639

01:39:50,709 --> 01:39:48,960

soul as a separate entity i mean

2640

01:39:53,510 --> 01:39:50,719

i'm starting to wonder if i'm not like

2641

01:39:55,270 --> 01:39:53,520

getting sight you know crazy

2642

01:39:56,950 --> 01:39:55,280

having all these different personalities

2643

01:39:59,109 --> 01:39:56,960

running around i mean i'm like

2644

01:40:02,709 --> 01:39:59,119

wait a minute but just because my soul

2645

01:40:05,430 --> 01:40:02,719

is out there controlling me here now

2646

01:40:07,590 --> 01:40:05,440

um and here's another kicker i threw

2647

01:40:09,750 --> 01:40:07,600

into the mix on this one the other day

2648

01:40:12,229 --> 01:40:09,760

i'm thinking i wonder how many

2649

01:40:14,870 --> 01:40:12,239

different dimensions my soul is actually

2650

01:40:17,109 --> 01:40:14,880

controlling different versions of myself

2651
01:40:19,350 --> 01:40:17,119
good point good point it's great because

2652
01:40:21,590 --> 01:40:19,360
it is it is existing on multiple

2653
01:40:23,350 --> 01:40:21,600
dimensions at the same time

2654
01:40:25,109 --> 01:40:23,360
so here's what's interesting about the

2655
01:40:27,430 --> 01:40:25,119
work of john panella in the divine

2656
01:40:28,870 --> 01:40:27,440
secret garden he says that the parent

2657
01:40:31,830 --> 01:40:28,880
god creator

2658
01:40:33,030 --> 01:40:31,840
that has both mother father aspects to

2659
01:40:39,430 --> 01:40:33,040
it

2660
01:40:40,390 --> 01:40:39,440
separates much like a seed coming off a

2661
01:40:43,189 --> 01:40:40,400
tree

2662
01:40:45,270 --> 01:40:43,199
that spirit that spirit then resides in

2663
01:40:47,830 --> 01:40:45,280

a place it's not a tree yet but it's you

2664

01:40:49,830 --> 01:40:47,840

know it's come from the parent tree so

2665

01:40:52,390 --> 01:40:49,840

it has all the attributes of the tree

2666

01:40:53,910 --> 01:40:52,400

call it god so the spirit is not god but

2667

01:40:55,910 --> 01:40:53,920

it is a

2668

01:40:58,870 --> 01:40:55,920

um

2669

01:41:01,590 --> 01:40:58,880

it's a it's a fragment of god

2670

01:41:03,350 --> 01:41:01,600

okay all right so it is now existing in

2671

01:41:05,830 --> 01:41:03,360

another dimension

2672

01:41:06,870 --> 01:41:05,840

and it has the potential to become a

2673

01:41:09,590 --> 01:41:06,880

god

2674

01:41:11,350 --> 01:41:09,600

as well naturally as it matures and part

2675

01:41:13,350 --> 01:41:11,360

of its maturity is

2676

01:41:15,109 --> 01:41:13,360

its growth is it needs to have

2677

01:41:17,990 --> 01:41:15,119

experiences

2678

01:41:20,390 --> 01:41:18,000

to do that so what it does is the spirit

2679

01:41:22,229 --> 01:41:20,400

then fragments itself it sends out like

2680

01:41:24,870 --> 01:41:22,239

little sparks of light

2681

01:41:27,030 --> 01:41:24,880

again like seeds so the seed at some

2682

01:41:29,189 --> 01:41:27,040

point literally sends out more seeds but

2683

01:41:31,030 --> 01:41:29,199

these are now smaller segments or

2684

01:41:33,189 --> 01:41:31,040

versions of itself

2685

01:41:34,470 --> 01:41:33,199

and that's what a soul is and it's

2686

01:41:37,350 --> 01:41:34,480

interesting because i never ever

2687

01:41:39,510 --> 01:41:37,360

considered that or but when i read it it

2688

01:41:41,350 --> 01:41:39,520

it felt very familiar and i could

2689

01:41:43,430 --> 01:41:41,360

actually see it in my mind and i could

2690

01:41:46,310 --> 01:41:43,440

feel it in a part of me that i don't

2691

01:41:49,189 --> 01:41:46,320

think is physical at all in other words

2692

01:41:50,870 --> 01:41:49,199

it was like a memory a soul memory and

2693

01:41:51,910 --> 01:41:50,880

it really made sense

2694

01:41:53,109 --> 01:41:51,920

um

2695

01:41:55,350 --> 01:41:53,119

to me

2696

01:41:57,350 --> 01:41:55,360

i could relate to this so this is what

2697

01:41:59,830 --> 01:41:57,360

i'm telling you i'm relating it to you

2698

01:42:00,790 --> 01:41:59,840

right that our soul is actually just and

2699

01:42:03,830 --> 01:42:00,800

it's

2700

01:42:07,270 --> 01:42:03,840

a spirit can send out many many many

2701

01:42:10,149 --> 01:42:07,280

soul or sparks like like little drones

2702

01:42:12,790 --> 01:42:10,159

out to have these experiences and so in

2703

01:42:13,669 --> 01:42:12,800

essence one spirit can

2704

01:42:17,830 --> 01:42:13,679

be

2705

01:42:19,750 --> 01:42:17,840

all from the same spirit

2706

01:42:20,950 --> 01:42:19,760

well exactly and i've got to be that's

2707

01:42:22,790 --> 01:42:20,960

what you're feeling

2708

01:42:25,030 --> 01:42:22,800

that's what you're tapping into and i

2709

01:42:26,629 --> 01:42:25,040

know it's a little disorienting at first

2710

01:42:28,390 --> 01:42:26,639

but you got to think of it as it's

2711

01:42:31,350 --> 01:42:28,400

actually a benefit it's an attribute

2712

01:42:33,830 --> 01:42:31,360

that you can uh i wouldn't call it this

2713

01:42:36,390 --> 01:42:33,840

terrible word you can exploit it

2714

01:42:38,709 --> 01:42:36,400

but not in a bad way it's in other words

2715

01:42:42,229 --> 01:42:38,719

it's a resource it's a beautiful

2716

01:42:43,830 --> 01:42:42,239

wonderful resource that that um because

2717

01:42:45,430 --> 01:42:43,840

here's the difference

2718

01:42:47,109 --> 01:42:45,440

all the souls

2719

01:42:48,629 --> 01:42:47,119

that are connected i've seen this i was

2720

01:42:50,790 --> 01:42:48,639

shown this before is that they're

2721

01:42:52,149 --> 01:42:50,800

they're all connected through a web

2722

01:42:53,830 --> 01:42:52,159

of light

2723

01:42:54,629 --> 01:42:53,840

that's right i was just going to say

2724

01:42:55,830 --> 01:42:54,639

that

2725

01:42:57,350 --> 01:42:55,840

i was

2726

01:42:59,109 --> 01:42:57,360

i know you're one of the few people that

2727

01:43:01,030 --> 01:42:59,119

have seen it right right right yeah but

2728

01:43:03,669 --> 01:43:01,040

see now the thing is

2729

01:43:05,830 --> 01:43:03,679

we all cooperate with one another

2730

01:43:07,350 --> 01:43:05,840

because we're all related and what would

2731

01:43:09,990 --> 01:43:07,360

be the point of competing against

2732

01:43:12,390 --> 01:43:10,000

yourself ourselves right

2733

01:43:15,189 --> 01:43:12,400

we're always cooperating and

2734

01:43:15,910 --> 01:43:15,199

collaborating with each other

2735

01:43:17,990 --> 01:43:15,920

so

2736

01:43:21,109 --> 01:43:18,000

whereas in the matrix

2737

01:43:22,629 --> 01:43:21,119

it's all about competition

2738

01:43:24,310 --> 01:43:22,639

that's true

2739

01:43:25,910 --> 01:43:24,320

that's it that's what it is you're

2740

01:43:27,350 --> 01:43:25,920

you've hit the nail on the head

2741

01:43:29,590 --> 01:43:27,360

competition

2742

01:43:32,870 --> 01:43:29,600

because that's really that's what leads

2743

01:43:33,750 --> 01:43:32,880

people away from love it leads them into

2744

01:43:35,830 --> 01:43:33,760

fear

2745

01:43:38,709 --> 01:43:35,840

it creates chaos

2746

01:43:41,030 --> 01:43:38,719

it causes um distrust

2747

01:43:42,070 --> 01:43:41,040

it doesn't allow you to connect with

2748

01:43:44,310 --> 01:43:42,080

others

2749

01:43:47,910 --> 01:43:44,320

you know and it all it is based in fear

2750

01:43:48,950 --> 01:43:47,920

as well though i mean don't you think so

2751

01:43:51,750 --> 01:43:48,960

absolutely

2752

01:43:54,950 --> 01:43:51,760

yes it is it but it's again this is what

2753

01:43:55,750 --> 01:43:54,960

part of the dynamic of good and evil

2754

01:43:58,790 --> 01:43:55,760

yeah

2755

01:44:00,950 --> 01:43:58,800

the those two things are

2756

01:44:03,510 --> 01:44:00,960

diametrically opposed

2757

01:44:05,830 --> 01:44:03,520

and yet they are

2758

01:44:07,910 --> 01:44:05,840

they're both active in the matrix you

2759

01:44:09,830 --> 01:44:07,920

know in fact it wouldn't be interesting

2760

01:44:11,430 --> 01:44:09,840

if it wasn't that way again if you were

2761

01:44:13,669 --> 01:44:11,440

at an amusement park and you get on a

2762

01:44:15,510 --> 01:44:13,679

roller coaster

2763

01:44:16,870 --> 01:44:15,520

you you know before you get on there

2764

01:44:22,470 --> 01:44:16,880

it's not it's probably not going to kill

2765

01:44:26,390 --> 01:44:24,070

what you feel when you're on there is

2766

01:44:28,229 --> 01:44:26,400

like oh shoot i'm

2767

01:44:30,550 --> 01:44:28,239

this is scary right i'm gonna i could

2768

01:44:32,950 --> 01:44:30,560

die up here running flying around like

2769

01:44:34,629 --> 01:44:32,960

this but afterwards you go wow i'm still

2770

01:44:36,790 --> 01:44:34,639

here that was interesting and now your

2771

01:44:39,350 --> 01:44:36,800

body's all ramped up and you're feeling

2772

01:44:40,629 --> 01:44:39,360

actually kind of good about it

2773

01:44:42,149 --> 01:44:40,639

so yeah

2774

01:44:44,070 --> 01:44:42,159

it's why we're here i told you we're

2775

01:44:46,709 --> 01:44:44,080

here to experience these things

2776

01:44:48,470 --> 01:44:46,719

virtually because it's safer to do so

2777

01:44:51,189 --> 01:44:48,480

and they don't want this type of

2778

01:44:55,030 --> 01:44:51,199

behavior or thought process

2779

01:44:57,270 --> 01:44:55,040

ever to exist in the higher dimensions

2780

01:45:00,390 --> 01:44:57,280

now in other words they don't want

2781

01:45:02,950 --> 01:45:00,400

creativity or just like neo says in the

2782

01:45:05,350 --> 01:45:02,960

whole thing they don't want choice

2783

01:45:07,830 --> 01:45:05,360

they don't want us to have those those

2784

01:45:09,990 --> 01:45:07,840

that that ability to be creative they

2785

01:45:11,270 --> 01:45:10,000

don't want us to be in

2786

01:45:14,310 --> 01:45:11,280

use love

2787

01:45:17,030 --> 01:45:14,320

as a as an impetus to get somewhere they

2788

01:45:18,790 --> 01:45:17,040

want us to use fear and hatred

2789

01:45:20,629 --> 01:45:18,800

right to compete with one another that

2790

01:45:22,149 --> 01:45:20,639

would be the evil side but the thing is

2791

01:45:24,550 --> 01:45:22,159

what's really interesting on the good

2792

01:45:26,229 --> 01:45:24,560

side one of the things that we can

2793

01:45:29,430 --> 01:45:26,239

practice one of the skills that we can

2794

01:45:32,070 --> 01:45:29,440

hone is to be servant to to be of

2795

01:45:33,750 --> 01:45:32,080

service to others of our own volition of

2796

01:45:36,390 --> 01:45:33,760

our own choice not because we're forced

2797

01:45:39,430 --> 01:45:36,400

to be a slave but no because we choose

2798

01:45:41,910 --> 01:45:39,440

to to help others to be of service to

2799

01:45:43,830 --> 01:45:41,920

others there's a huge difference those

2800

01:45:45,590 --> 01:45:43,840

are two completely different things and

2801

01:45:47,430 --> 01:45:45,600

actually the good deeds

2802

01:45:50,390 --> 01:45:47,440

that we do here are

2803

01:45:52,870 --> 01:45:50,400

are never lost those experiences

2804

01:45:58,709 --> 01:45:55,990

gestures those good deeds are

2805

01:46:00,149 --> 01:45:58,719

retained forever outside the matrix and

2806

01:46:01,430 --> 01:46:00,159

i guess

2807

01:46:03,750 --> 01:46:01,440

it's a terrible analogy but i'll just

2808

01:46:06,070 --> 01:46:03,760

call it a spiritual bank account

2809

01:46:07,590 --> 01:46:06,080

okay or if you're in school you have a

2810

01:46:09,990 --> 01:46:07,600

record right they keep a record of your

2811

01:46:12,229 --> 01:46:10,000

grades yeah okay so when you do good

2812

01:46:15,030 --> 01:46:12,239

it's yeah it's all in your record if you

2813

01:46:18,470 --> 01:46:15,040

do bad up to a point there's

2814

01:46:20,629 --> 01:46:18,480

a lot of that is um allowed for it's

2815

01:46:22,870 --> 01:46:20,639

understood that you're that you're going

2816

01:46:23,990 --> 01:46:22,880

to be tempted to do evil while you're

2817

01:46:26,550 --> 01:46:24,000

here because

2818

01:46:28,070 --> 01:46:26,560

again the body that is not yours the

2819

01:46:30,310 --> 01:46:28,080

body that you're controlling right now

2820

01:46:33,030 --> 01:46:30,320

that is part of the matrix and and even

2821

01:46:34,790 --> 01:46:33,040

though you're controlling it as you

2822

01:46:36,709 --> 01:46:34,800

started this conversation with you saw

2823

01:46:38,870 --> 01:46:36,719

you have seen other entities trying to

2824

01:46:40,550 --> 01:46:38,880

control the body of max spears and other

2825

01:46:43,910 --> 01:46:40,560

people right and they

2826

01:46:46,870 --> 01:46:43,920

do yeah they do so we our soul is not

2827

01:46:49,030 --> 01:46:46,880

fully in control of the body it can be

2828

01:46:50,470 --> 01:46:49,040

um there's a competitive thing going on

2829

01:46:51,990 --> 01:46:50,480

there all the time because well again

2830

01:46:54,229 --> 01:46:52,000

you think about it it's not our body to

2831

01:46:56,149 --> 01:46:54,239

begin with it's part of the matrix so

2832

01:46:58,629 --> 01:46:56,159

why wouldn't they have a back door to

2833

01:47:01,189 --> 01:46:58,639

control it

2834

01:47:03,990 --> 01:47:01,199

you see so it's it's a very interesting

2835

01:47:06,149 --> 01:47:04,000

dynamic it is and you know you're kind

2836

01:47:08,149 --> 01:47:06,159

of got me just really think every time i

2837

01:47:10,790 --> 01:47:08,159

talk to you robert i i for two days

2838

01:47:12,790 --> 01:47:10,800

afterwards i go into this hole like i go

2839

01:47:15,669 --> 01:47:12,800

i go nuts for about three days and then

2840

01:47:17,510 --> 01:47:15,679

i finally go okay that was a cool leap

2841

01:47:19,830 --> 01:47:17,520

because i make another leap in my

2842

01:47:21,270 --> 01:47:19,840

development i can always tell after i

2843

01:47:23,430 --> 01:47:21,280

talk to you i'm like oh my god i

2844

01:47:25,350 --> 01:47:23,440

progressed again gee is this what i

2845

01:47:27,510 --> 01:47:25,360

really wanted to know god

2846

01:47:29,430 --> 01:47:27,520

give you an analogy of what's happening

2847

01:47:31,910 --> 01:47:29,440

when we're it there's more than just

2848

01:47:33,590 --> 01:47:31,920

words being exchanged here

2849

01:47:38,550 --> 01:47:33,600

on a soul level

2850

01:47:40,790 --> 01:47:38,560

is like if you had a coal or an ember

2851

01:47:42,870 --> 01:47:40,800

and you blow on it

2852

01:47:45,430 --> 01:47:42,880

your soul is like that okay it has a

2853

01:47:47,830 --> 01:47:45,440

divine spark i am just rekindling that

2854

01:47:49,510 --> 01:47:47,840

spark i am blowing on it not

2855

01:47:52,070 --> 01:47:49,520

figuratively speaking

2856

01:47:55,109 --> 01:47:52,080

i am blowing a type of air on it and

2857

01:47:57,910 --> 01:47:55,119

brightening i'm making it glow brighter

2858

01:47:59,669 --> 01:47:57,920

that's it that's all it is yeah that's

2859

01:48:02,550 --> 01:47:59,679

part of the waking up

2860

01:48:05,030 --> 01:48:02,560

and you know what's cool i was told this

2861

01:48:06,470 --> 01:48:05,040

by the angelic beans that i get in

2862

01:48:08,229 --> 01:48:06,480

contact with

2863

01:48:10,390 --> 01:48:08,239

you know you know robert i never wanted

2864

01:48:12,629 --> 01:48:10,400

to do this i am not a radio talk show

2865

01:48:14,790 --> 01:48:12,639

host this is not my thing right i mean

2866

01:48:18,229 --> 01:48:14,800

this is like the last thing that uh you

2867

01:48:21,669 --> 01:48:18,239

know as you know very well yes yes so i

2868

01:48:23,510 --> 01:48:21,679

sit here and i go well you know what why

2869

01:48:25,669 --> 01:48:23,520

am i having to do this and what they

2870

01:48:27,510 --> 01:48:25,679

have said almost similar to what you're

2871

01:48:31,030 --> 01:48:27,520

saying they said people

2872

01:48:33,430 --> 01:48:31,040

can hear you that are ready to take this

2873

01:48:35,910 --> 01:48:33,440

on you know they're they're trying to

2874

01:48:38,950 --> 01:48:35,920

decide in their in their soul

2875

01:48:40,950 --> 01:48:38,960

and in their in within this whole matrix

2876

01:48:43,590 --> 01:48:40,960

if they're ready to open up and become

2877

01:48:46,629 --> 01:48:43,600

part of this reality okay

2878

01:48:49,189 --> 01:48:46,639

that my mission was to get to as many

2879

01:48:51,030 --> 01:48:49,199

people as i could through my radio show

2880

01:48:53,590 --> 01:48:51,040

that they understood

2881

01:48:56,310 --> 01:48:53,600

that this was real and that they could

2882

01:48:59,350 --> 01:48:56,320

actually hear that within not my voice

2883

01:49:03,109 --> 01:48:59,360

not what i'm saying but within the spark

2884

01:49:04,790 --> 01:49:03,119

of my soul to them on an emotional level

2885

01:49:05,910 --> 01:49:04,800

that's what they told me

2886

01:49:07,750 --> 01:49:05,920

right so

2887

01:49:10,149 --> 01:49:07,760

it's a soul recognition this happens to

2888

01:49:11,590 --> 01:49:10,159

me a lot people think that i look

2889

01:49:12,950 --> 01:49:11,600

familiar to them but what they don't

2890

01:49:14,709 --> 01:49:12,960

realize and it took me a while to figure

2891

01:49:16,870 --> 01:49:14,719

this out too it was like what is with my

2892

01:49:19,590 --> 01:49:16,880

face why do people think i look like

2893

01:49:23,109 --> 01:49:19,600

somebody else it's not that they

2894

01:49:24,870 --> 01:49:23,119

on a soul level they wreck the recognize

2895

01:49:26,550 --> 01:49:24,880

me they feel that

2896

01:49:28,229 --> 01:49:26,560

connection

2897

01:49:30,629 --> 01:49:28,239

but they and they're trying to put it

2898

01:49:32,709 --> 01:49:30,639

into words you know like oh you look

2899

01:49:34,470 --> 01:49:32,719

like so-and-so or i feel like i've known

2900

01:49:37,510 --> 01:49:34,480

you for a long time but it actually it's

2901

01:49:39,350 --> 01:49:37,520

it's on a much it's a higher level

2902

01:49:41,270 --> 01:49:39,360

yeah because as i told you we're all

2903

01:49:42,790 --> 01:49:41,280

family to begin with all right

2904

01:49:45,030 --> 01:49:42,800

those of us who are souls we all come

2905

01:49:46,870 --> 01:49:45,040

from the same place so that in that

2906

01:49:48,629 --> 01:49:46,880

regard we are family

2907

01:49:51,189 --> 01:49:48,639

do you think there's a lot of us that

2908

01:49:52,709 --> 01:49:51,199

are like in sub-pods of the soul i mean

2909

01:49:53,669 --> 01:49:52,719

like do you think you're in my soul

2910

01:49:55,750 --> 01:49:53,679

group

2911

01:49:58,229 --> 01:49:55,760

or do you think there are possible but

2912

01:50:00,229 --> 01:49:58,239

it's possible but that's really not

2913

01:50:02,149 --> 01:50:00,239

that's not important

2914

01:50:05,350 --> 01:50:02,159

lorient right because it's not because

2915

01:50:08,070 --> 01:50:05,360

all right all the spirits came from the

2916

01:50:10,470 --> 01:50:08,080

original place all the souls came from

2917

01:50:12,310 --> 01:50:10,480

the spirits and they're all connected to

2918

01:50:14,470 --> 01:50:12,320

the same family so you can fragment it

2919

01:50:16,550 --> 01:50:14,480

as many times as you want but at some

2920

01:50:17,830 --> 01:50:16,560

point all the souls return back to their

2921

01:50:19,910 --> 01:50:17,840

original

2922

01:50:22,070 --> 01:50:19,920

spirit all the spirits are connected

2923

01:50:23,109 --> 01:50:22,080

back to the original parent which was

2924

01:50:24,790 --> 01:50:23,119

which

2925

01:50:26,550 --> 01:50:24,800

um that tree

2926

01:50:28,310 --> 01:50:26,560

of life

2927

01:50:30,629 --> 01:50:28,320

and that is the oh and let me explain a

2928

01:50:32,070 --> 01:50:30,639

second that tree has borne many seeds

2929

01:50:33,669 --> 01:50:32,080

you know when a tree goes to seed it

2930

01:50:36,149 --> 01:50:33,679

isn't just one tree

2931

01:50:38,550 --> 01:50:36,159

it's thousands of seeds right and and

2932

01:50:39,990 --> 01:50:38,560

we're this is a this is kind of

2933

01:50:41,830 --> 01:50:40,000

just the best analogy i could come with

2934

01:50:45,109 --> 01:50:41,840

but we're really talking about infinite

2935

01:50:48,149 --> 01:50:45,119

number of spirits that are being born

2936

01:50:49,510 --> 01:50:48,159

from or from that original

2937

01:50:52,229 --> 01:50:49,520

god

2938

01:50:53,750 --> 01:50:52,239

creator tree yeah now the the tree is

2939

01:50:55,669 --> 01:50:53,760

important because in the bible it talks

2940

01:50:58,149 --> 01:50:55,679

about the tree of life

2941

01:50:59,830 --> 01:50:58,159

yes and the opposite of that is the tree

2942

01:51:03,750 --> 01:50:59,840

of good and evil

2943

01:51:06,390 --> 01:51:03,760

so the matrix is yes the matrix is

2944

01:51:09,510 --> 01:51:06,400

the family tree

2945

01:51:12,070 --> 01:51:09,520

of enki or lucifer

2946

01:51:14,790 --> 01:51:12,080

that's his tree so in a way you could

2947

01:51:16,390 --> 01:51:14,800

say we we were adopted by him those of

2948

01:51:18,709 --> 01:51:16,400

us that chose to come here have been

2949

01:51:20,870 --> 01:51:18,719

adopted by him and he wants us to

2950

01:51:23,350 --> 01:51:20,880

consider him to be like he did to me he

2951
01:51:25,910 --> 01:51:23,360
wants us to consider him

2952
01:51:28,629 --> 01:51:25,920
our father so i mean yes he created the

2953
01:51:30,390 --> 01:51:28,639
matrix yes he created our the physical

2954
01:51:32,550 --> 01:51:30,400
bodies the avatars

2955
01:51:34,629 --> 01:51:32,560
even though they're not real

2956
01:51:36,470 --> 01:51:34,639
they're they're simulated

2957
01:51:39,189 --> 01:51:36,480
he created all that

2958
01:51:40,790 --> 01:51:39,199
and that is his family tree and it is

2959
01:51:43,750 --> 01:51:40,800
the simulation of the matrix is good and

2960
01:51:46,790 --> 01:51:43,760
evil but even enki has a soul and he

2961
01:51:47,589 --> 01:51:46,800
came from the original family tree of

2962
01:51:51,430 --> 01:51:47,599
life

2963
01:51:52,709 --> 01:51:51,440

can't experience when we're in in the

2964

01:51:54,629 --> 01:51:52,719

matrix

2965

01:51:57,270 --> 01:51:54,639

right it's outside it exists outside the

2966

01:51:59,510 --> 01:51:57,280

matrix and yeah absolutely

2967

01:52:01,669 --> 01:51:59,520

talking you're talking about the torah

2968

01:52:04,550 --> 01:52:01,679

right now what you're basically saying

2969

01:52:06,709 --> 01:52:04,560

because that that's exactly where

2970

01:52:08,790 --> 01:52:06,719

it it describes this whole thing from

2971

01:52:09,910 --> 01:52:08,800

top to bottom and that the bottom is the

2972

01:52:12,229 --> 01:52:09,920

matrix

2973

01:52:15,109 --> 01:52:12,239

and that you have to ascend through the

2974

01:52:17,350 --> 01:52:15,119

different levels of the tree to get out

2975

01:52:19,510 --> 01:52:17,360

out of it basically

2976

01:52:21,669 --> 01:52:19,520

well yeah it's just remembering how you

2977

01:52:22,790 --> 01:52:21,679

got first of all i said you know

2978

01:52:27,109 --> 01:52:22,800

real

2979

01:52:30,310 --> 01:52:27,119

you have to stop believing the lie that

2980

01:52:32,070 --> 01:52:30,320

this is this is a reality when it i mean

2981

01:52:35,030 --> 01:52:32,080

it's virtually real but it's not our

2982

01:52:36,950 --> 01:52:35,040

home so there's a couple of things steps

2983

01:52:40,229 --> 01:52:36,960

that have to happen and i outline them

2984

01:52:42,070 --> 01:52:40,239

all in that that new page uh right okay

2985

01:52:44,790 --> 01:52:42,080

so yeah it's really right now this is

2986

01:52:46,629 --> 01:52:44,800

not this is not difficult lauren

2987

01:52:48,950 --> 01:52:46,639

the problem is it's been withheld from

2988

01:52:50,550 --> 01:52:48,960

us it is forbidden up to a point because

2989

01:52:53,430 --> 01:52:50,560

if you know think about it from the

2990

01:52:55,669 --> 01:52:53,440

point of view of the administrators here

2991

01:52:57,270 --> 01:52:55,679

okay so if you're in a classroom

2992

01:52:58,709 --> 01:52:57,280

if somebody walks up to you and gives

2993

01:53:00,870 --> 01:52:58,719

you all the answers to the next test

2994

01:53:02,950 --> 01:53:00,880

well that that is cheating and you

2995

01:53:04,550 --> 01:53:02,960

basically you're yeah okay because

2996

01:53:06,229 --> 01:53:04,560

because you're cheating yourself because

2997

01:53:08,310 --> 01:53:06,239

you're never going to really know if

2998

01:53:11,189 --> 01:53:08,320

you've learned the lessons or not

2999

01:53:13,750 --> 01:53:11,199

that's right okay so this is part of the

3000

01:53:15,510 --> 01:53:13,760

process here the answers are available

3001

01:53:18,149 --> 01:53:15,520

but you have to look for them

3002

01:53:19,669 --> 01:53:18,159

just as in a classroom they're in a book

3003

01:53:21,189 --> 01:53:19,679

or you can talk to a teacher or you can

3004

01:53:23,350 --> 01:53:21,199

talk to your classmates but eventually

3005

01:53:25,430 --> 01:53:23,360

you're going to find the answers and

3006

01:53:26,870 --> 01:53:25,440

then once you accept the answers and

3007

01:53:29,270 --> 01:53:26,880

make integrate them into your

3008

01:53:31,350 --> 01:53:29,280

consciousness then you will pass the

3009

01:53:33,510 --> 01:53:31,360

test and then at some point you can

3010

01:53:35,350 --> 01:53:33,520

apply that knowledge in the real world

3011

01:53:37,669 --> 01:53:35,360

so again that's really what's going on

3012

01:53:39,430 --> 01:53:37,679

here this isn't punishment i know it

3013

01:53:42,629 --> 01:53:39,440

feels like it at times it sure feels

3014

01:53:45,430 --> 01:53:42,639

like it to me i know it can be it's very

3015

01:53:47,350 --> 01:53:45,440

challenging it's very seductive but okay

3016

01:53:49,270 --> 01:53:47,360

we only have a minute left or less in

3017

01:53:52,310 --> 01:53:49,280

the show but i want to just say one

3018

01:53:54,950 --> 01:53:52,320

thing then why is there the e why do the

3019

01:53:57,430 --> 01:53:54,960

evil guys attack let's say me for

3020

01:54:00,390 --> 01:53:57,440

example why is that happening

3021

01:54:03,270 --> 01:54:00,400

well because you're helping others and

3022

01:54:04,870 --> 01:54:03,280

they're trying to inhibit you from doing

3023

01:54:07,189 --> 01:54:04,880

that

3024

01:54:09,510 --> 01:54:07,199

they can't entirely prohibit you from

3025

01:54:10,950 --> 01:54:09,520

doing it so all they can do is inhibit

3026

01:54:12,870 --> 01:54:10,960

this is why they don't want us going

3027

01:54:14,470 --> 01:54:12,880

astral traveling whenever we want

3028

01:54:15,990 --> 01:54:14,480

because it gives us access to all kinds

3029

01:54:16,950 --> 01:54:16,000

of information that they don't want us

3030

01:54:18,550 --> 01:54:16,960

to have

3031

01:54:20,070 --> 01:54:18,560

right because if you wake up too soon

3032

01:54:21,510 --> 01:54:20,080

and you start waking up others like oh

3033

01:54:23,830 --> 01:54:21,520

pretty soon everybody's like that's it

3034

01:54:26,070 --> 01:54:23,840

we're done we're gleaving and and

3035

01:54:27,270 --> 01:54:26,080

they're basically out of a job so

3036

01:54:29,510 --> 01:54:27,280

they're just doing what they're

3037

01:54:30,790 --> 01:54:29,520

basically just doing their job

3038

01:54:32,709 --> 01:54:30,800

well they're doing what they need to do

3039

01:54:34,790 --> 01:54:32,719

to survive it's right

3040

01:54:36,629 --> 01:54:34,800

we usually say it's human nature but now

3041

01:54:38,629 --> 01:54:36,639

i'm going to say it's soul nature to do

3042

01:54:40,070 --> 01:54:38,639

that right

3043

01:54:42,390 --> 01:54:40,080

correct

3044

01:54:44,229 --> 01:54:42,400

oh my god well this has been wonderful

3045

01:54:46,470 --> 01:54:44,239

thank you for stepping up to the plate

3046

01:54:48,950 --> 01:54:46,480

tonight i really appreciate it

3047

01:54:50,950 --> 01:54:48,960

and uh yeah so i'm really excited about

3048

01:54:52,149 --> 01:54:50,960

your new stuff on the website so this is

3049

01:54:54,550 --> 01:54:52,159

really cool

3050

01:54:56,310 --> 01:54:54,560

and uh i will be reading everything i

3051

01:54:58,310 --> 01:54:56,320

promise you and if i come up with any

3052

01:54:59,910 --> 01:54:58,320

questions i will definitely skype you

3053

01:55:02,550 --> 01:54:59,920

and ask you

3054

01:55:04,550 --> 01:55:02,560

okay sweetheart thank you so much

3055

01:55:05,830 --> 01:55:04,560

okay everybody we'll have a great week

3056

01:55:07,990 --> 01:55:05,840
