1  
00:00:04,700 --> 00:00:01,340  
well it's good to be back with you again

2  
00:00:10,459 --> 00:00:04,710  
we got Heidi Hollis bright on duty and

3  
00:00:12,589 --> 00:00:10,469  
everything and as well well Heidi uh you

4  
00:00:14,299 --> 00:00:12,599  
know I Love New York in New Jersey but

5  
00:00:16,279 --> 00:00:14,309  
unfortunately New Jersey is getting well

6  
00:00:20,179 --> 00:00:16,289  
I'm glad it's not New York but I mean

7  
00:00:24,500 --> 00:00:20,189  
New Jersey's getting hit with 8 foot

8  
00:00:27,380 --> 00:00:24,510  
swells from Hurricane Jose Wow crazy

9  
00:00:31,569 --> 00:00:27,390  
Jersey Jersey can handle a lousy 8 foot

10  
00:00:35,780 --> 00:00:31,579  
swell but Puerto Rico is in that class 5

11  
00:00:38,720 --> 00:00:35,790  
trajectory it just got hammered by the

12  
00:00:40,459 --> 00:00:38,730  
other hurricane Harvey and now it's

13  
00:00:42,700 --> 00:00:40,469

going to give it looked like the track

14

00:00:45,200 --> 00:00:42,710

is going to go from the the whole

15

00:00:46,790 --> 00:00:45,210

eastern side to the western side of

16

00:00:53,180 --> 00:00:46,800

Puerto Rico I mean make a swath through

17

00:00:55,639 --> 00:00:53,190

the whole place weather patterns what is

18

00:00:57,770 --> 00:00:55,649

this I mean we already know that they

19

00:00:59,990 --> 00:00:57,780

are bio engineering this there are

20

00:01:03,650 --> 00:01:00,000

weather that it's pretty much admitted

21

00:01:06,350 --> 00:01:03,660

to so why are pulling it's hard to get

22

00:01:08,929 --> 00:01:06,360

the attention off from Trump right away

23

00:01:10,070 --> 00:01:08,939

gosh well I mean I'm not saying oh now

24

00:01:12,469 --> 00:01:10,080

you're gonna blame the Hurricanes on

25

00:01:14,810 --> 00:01:12,479

Donald no I'm saying it got the

26

00:01:17,749 --> 00:01:14,820

attention off from him I mean but it's

27

00:01:19,280 --> 00:01:17,759

like why I mean we had like news a day

28

00:01:23,240 --> 00:01:19,290

with Trump now it's like all hurricanes

29

00:01:24,980 --> 00:01:23,250

it's it's so sad well it is sad but also

30

00:01:27,289 --> 00:01:24,990

the poor Puerto Ricans were already

31

00:01:30,429 --> 00:01:27,299

reeling and and not just that the st.

32

00:01:32,870 --> 00:01:30,439

Thomas to st. Thomas and st. Croix

33

00:01:35,270 --> 00:01:32,880

factory this and they just got a hammer

34

00:01:36,560 --> 00:01:35,280

to and was little rat Rati islands I

35

00:01:39,350 --> 00:01:36,570

mean I even know their names all of them

36

00:01:41,870 --> 00:01:39,360

but or something was one of them yeah

37

00:01:49,389 --> 00:01:41,880

Barbuda I never I grew up partially down

38

00:01:52,580 --> 00:01:49,399

there I don't never know Barbuda muta

39

00:01:54,469 --> 00:01:52,590

but yeah but no I mean you know of

40

00:01:57,620 --> 00:01:54,479

course we went to the nice places we

41

00:01:59,510 --> 00:01:57,630

went to Nassau on sing you know and like

42

00:02:02,620 --> 00:01:59,520

that I mean we were millionaires we'd

43

00:02:04,609 --> 00:02:02,630

never worry about Barbuda but but I mean

44

00:02:06,620 --> 00:02:04,619

anyway we were millionaires when

45

00:02:08,960 --> 00:02:06,630

millionaires counted for something but

46

00:02:11,610 --> 00:02:08,970

of course that goes back to them you

47

00:02:15,339 --> 00:02:11,620

know the horse cavalry days

48

00:02:16,809 --> 00:02:15,349

but anyway what it is though is the poor

49

00:02:20,650 --> 00:02:16,819

guys I feel sorry for them because the

50

00:02:22,510 --> 00:02:20,660

Puerto Ricans hand us nothing but anyhow

51  
00:02:24,400 --> 00:02:22,520  
that's that's what's gonna happen guys

52  
00:02:28,240 --> 00:02:24,410  
will be okay that's just a category one

53  
00:02:30,880 --> 00:02:28,250  
out there but anyway this aw that was

54  
00:02:33,520 --> 00:02:30,890  
interesting a bunch of news and I sure

55  
00:02:37,089 --> 00:02:33,530  
do know pray for them because they're in

56  
00:02:39,790 --> 00:02:37,099  
a world of hurt now there's all kinds of

57  
00:02:42,100 --> 00:02:39,800  
other news though it's more interesting

58  
00:02:45,160 --> 00:02:42,110  
Trumpy was the UN and he was saying

59  
00:02:48,970 --> 00:02:45,170  
we're gonna absolutely you know carpet

60  
00:02:54,190 --> 00:02:48,980  
bomb which frankly I'd be in favor of

61  
00:02:56,110 --> 00:02:54,200  
that I am not surprised I mean I really

62  
00:02:57,729 --> 00:02:56,120  
would I mean to be honest with you I

63  
00:02:59,410 --> 00:02:57,739

would cuz enough is enough we're not

64

00:03:01,120 --> 00:02:59,420

gonna put up with any more SBS it's like

65

00:03:02,410 --> 00:03:01,130

you know there's a threat and you know

66

00:03:04,240 --> 00:03:02,420

there's a threat you got to do something

67

00:03:06,070 --> 00:03:04,250

about the threat besides they eat dogs

68

00:03:08,320 --> 00:03:06,080

in Korea and as far as I'm concerned but

69

00:03:11,140 --> 00:03:08,330

each dogs needs to be nuked anyway I

70

00:03:13,600 --> 00:03:11,150

don't care nuke them all start from one

71

00:03:16,870 --> 00:03:13,610

part go to the other don't that's your

72

00:03:20,530 --> 00:03:16,880

divinity training speaking I'm sure know

73

00:03:24,970 --> 00:03:20,540

that's you know half Russian half Irish

74

00:03:28,330 --> 00:03:24,980

I mean I mean and also Heidi I really do

75

00:03:31,090 --> 00:03:28,340

like the US I really am a patriot I mean

76

00:03:33,069 --> 00:03:31,100

if it happens that miserable wife out of

77

00:03:35,800 --> 00:03:33,079

stayed in the army anyway I stop they

78

00:03:37,930 --> 00:03:35,810

still be in the army and or maybe they

79

00:03:44,520 --> 00:03:37,940

made me leave by now but just a couple

80

00:03:47,440 --> 00:03:44,530

years ago and I mean I'm right wing but

81

00:03:52,229 --> 00:03:47,450

but no I mean we should carpet bomb a

82

00:03:55,629 --> 00:03:52,239

bunch of dog eating your dough stump the

83

00:03:57,970 --> 00:03:55,639

dictators we should and there is oh by

84

00:03:59,860 --> 00:03:57,980

the way they are training a SEAL team to

85

00:04:01,930 --> 00:03:59,870

assassinate him they really really are

86

00:04:03,009 --> 00:04:01,940

that's not me making it up that's oh I'm

87

00:04:05,800 --> 00:04:03,019

not surprised

88

00:04:09,190 --> 00:04:05,810

yeah well he's absolutely reckless with

89

00:04:11,199 --> 00:04:09,200

the entire world so we need a ride

90

00:04:13,470 --> 00:04:11,209

little little stomp he's gonna get his

91

00:04:17,800 --> 00:04:13,480

one of these days soon and it's

92

00:04:21,969 --> 00:04:17,810

it can't happen soon enough and I'm all

93

00:04:24,810 --> 00:04:21,979

in favor and now sorry for those poor

94

00:04:27,520 --> 00:04:24,820

people cuz people are really suffering

95

00:04:29,260 --> 00:04:27,530

for them but they eat dogs and if they

96

00:04:31,780 --> 00:04:29,270

eat dogs they should be nuked anyway I

97

00:04:34,870 --> 00:04:31,790

don't he's not feeding them what do you

98

00:04:43,840 --> 00:04:34,880

do when you're not being fed that eat

99

00:04:46,360 --> 00:04:43,850

something else okay I'm a little

100

00:04:50,499 --> 00:04:46,370

hard bitten Heidi must admit that's all

101  
00:04:54,790 --> 00:04:50,509  
I understand but I love animals I've got

102  
00:04:57,520 --> 00:04:54,800  
ones laying about me right now but but

103  
00:05:00,430 --> 00:04:57,530  
any rate and my beloved Ann Coulter has

104  
00:05:01,810 --> 00:05:00,440  
a bad Trump over his immigration status

105  
00:05:04,200 --> 00:05:01,820  
of being moderate dealing with the

106  
00:05:11,110 --> 00:05:04,210  
Democrats

107  
00:05:12,189 --> 00:05:11,120  
I'm not surprised she's upset well she

108  
00:05:15,939 --> 00:05:12,199  
is she's calling for his impeachment

109  
00:05:19,420 --> 00:05:15,949  
over that is she really Wow she's going

110  
00:05:22,600 --> 00:05:19,430  
all out she has and I'm proud of Ann for

111  
00:05:24,640 --> 00:05:22,610  
that and oh it was so wonderful I was I

112  
00:05:27,790 --> 00:05:24,650  
was eating popcorn watching the video of

113  
00:05:29,650 --> 00:05:27,800

it Nancy Pelosi who has kissed every

114

00:05:34,140 --> 00:05:29,660

Latin Americans rear end from here to

115

00:05:37,210 --> 00:05:34,150

Colombia and you know every gay

116

00:05:40,510 --> 00:05:37,220

immigrant whatever she's in favor of

117

00:05:42,310 --> 00:05:40,520

okay she was in a meeting and she was

118

00:05:44,080 --> 00:05:42,320

saying to the group that she was meeting

119

00:05:45,850 --> 00:05:44,090

with Donald Trump to try to amend the

120

00:05:49,510 --> 00:05:45,860

daca thing and all that try to butter

121

00:05:51,820 --> 00:05:49,520

these constituents up okay fine well

122

00:05:53,710 --> 00:05:51,830

what happens is they shouted at her and

123

00:05:56,260 --> 00:05:53,720

we're screaming at her and trying to

124

00:05:57,370 --> 00:05:56,270

talk over and she screamed at him like

125

00:06:01,270 --> 00:05:57,380

you don't know what you're talking about

126  
00:06:03,399 --> 00:06:01,280  
which is probably true and what happened

127  
00:06:05,620 --> 00:06:03,409  
was it was wonderful what happened was

128  
00:06:08,110 --> 00:06:05,630  
they were saying I we demand complete

129  
00:06:10,240 --> 00:06:08,120  
exoneration of the 11 million illegals

130  
00:06:13,149 --> 00:06:10,250  
here in the country right now nuts to

131  
00:06:14,890 --> 00:06:13,159  
just daca and all this and any rate she

132  
00:06:19,600 --> 00:06:14,900  
she actually screamed at him to shut up

133  
00:06:21,610 --> 00:06:19,610  
and left the podium huh I mean I was I

134  
00:06:23,260 --> 00:06:21,620  
would just want to get a box popcorn and

135  
00:06:27,040 --> 00:06:23,270  
replay that replay that it was like

136  
00:06:30,430 --> 00:06:27,050  
wonderful I'm not surprised

137  
00:06:32,439 --> 00:06:30,440  
that's wild huh I did not say that well

138  
00:06:35,740 --> 00:06:32,449

I'd be happy if they dropped one bomb on

139

00:06:38,770 --> 00:06:35,750

top of Nancy Pelosi too but

140

00:06:41,020 --> 00:06:38,780

I mean I'm charged the US military but I

141

00:06:43,060 --> 00:06:41,030

mean and really your your native

142

00:06:44,860 --> 00:06:43,070

California I'd be just as happy to cut

143

00:06:48,940 --> 00:06:44,870

it off and tow it off into the Pacific

144

00:06:52,960 --> 00:06:48,950

and sink it my goodness I'm in a rare

145

00:06:56,620 --> 00:06:52,970

mood tonight but you don't like I'm

146

00:06:58,930 --> 00:06:56,630

holding my crucifix well I said I said

147

00:07:00,970 --> 00:06:58,940

the Divine Mercy chaplet today and I

148

00:07:05,050 --> 00:07:00,980

said the Rosary last night but I'm just

149

00:07:06,340 --> 00:07:05,060

logic it didn't help did it yes it did

150

00:07:08,970 --> 00:07:06,350

actually I'm sure I'm a lot better

151

00:07:11,020 --> 00:07:08,980

person than I would be otherwise I

152

00:07:11,770 --> 00:07:11,030

couldn't imagine what you were before

153

00:07:14,320 --> 00:07:11,780

that

154

00:07:16,030 --> 00:07:14,330

oh no I'm devout as all get-out I said

155

00:07:19,210 --> 00:07:16,040

Divine Mercy chaplet every day three

156

00:07:20,080 --> 00:07:19,220

like you're supposed to when I what does

157

00:07:23,080 --> 00:07:20,090

that involve

158

00:07:26,230 --> 00:07:23,090

I mean what are you saying well I said

159

00:07:28,659 --> 00:07:26,240

it to you before an email oh that one oh

160

00:07:32,530 --> 00:07:28,669

okay no I did see that that's what it's

161

00:07:37,000 --> 00:07:32,540

called got it yeah prayers that's pretty

162

00:07:38,740 --> 00:07:37,010

good but you know I would be a daily

163

00:07:43,150 --> 00:07:38,750

communicative so I didn't have animal

164

00:07:45,040 --> 00:07:43,160

duties but I always was but well the

165

00:07:47,710 --> 00:07:45,050

other dog wasn't his labour-intensive

166

00:07:49,240 --> 00:07:47,720

disease but but anyway that that's

167

00:07:51,310 --> 00:07:49,250

that's the story beau there was an

168

00:07:54,070 --> 00:07:51,320

excellent thing on coast to coast that

169

00:07:56,520 --> 00:07:54,080

this white cat was on a guy's grave and

170

00:07:59,950 --> 00:07:56,530

would not leave it was on their website

171

00:08:01,630 --> 00:07:59,960

and the guy who died was a big cat lover

172

00:08:03,550 --> 00:08:01,640

he meant us of the friend of this cat

173

00:08:05,800 --> 00:08:03,560

this cat would not leave the gravesite

174

00:08:07,840 --> 00:08:05,810

wouldn't do it Wow

175

00:08:12,960 --> 00:08:07,850

yeah your grave sites gonna have a whole

176

00:08:17,140 --> 00:08:12,970

herd of Chihuahuas probably flowers cats

177

00:08:19,870 --> 00:08:17,150

birds lots of birds oh yeah I got the

178

00:08:23,740 --> 00:08:19,880

birds I'm like the Birdman of North

179

00:08:26,409 --> 00:08:23,750

Texas and kitties love me too I'm sister

180

00:08:34,959 --> 00:08:26,419

and horses - it might be a crowded up

181

00:08:36,610 --> 00:08:34,969

gravesite that's okay but but no things

182

00:08:38,230 --> 00:08:36,620

are getting kind of dicey but I kind of

183

00:08:41,620 --> 00:08:38,240

like it in some ways I've kind of got

184

00:08:42,969 --> 00:08:41,630

used to it you know yeah Sharon's

185

00:08:44,920 --> 00:08:42,979

written a good book

186

00:08:47,079 --> 00:08:44,930

amazing afterlife of animals I'm

187

00:08:49,700 --> 00:08:47,089

presuming that Joe was seriously in the

188

00:08:52,880 --> 00:08:49,710

background we're getting her on duty

189

00:08:55,880 --> 00:08:52,890

and we know but but I were just about to

190

00:08:57,620 --> 00:08:55,890

the top of the hour break but I guess we

191

00:08:59,780 --> 00:08:57,630

should say adieu and we'll be right back

192

00:09:03,650 --> 00:08:59,790

with Karen Anderson and the amazing

193

00:09:05,150 --> 00:09:03,660

after life without him well it's great

194

00:09:06,710 --> 00:09:05,160

to be back with Heidi Hollis we've got

195

00:09:08,420 --> 00:09:06,720

Karen Anderson on with us who's the

196

00:09:09,860 --> 00:09:08,430

author of the amazing afterlife of

197

00:09:12,320 --> 00:09:09,870

animals and other things

198

00:09:16,010 --> 00:09:12,330

Karen is animal communicator and a

199

00:09:19,100 --> 00:09:16,020

psychic and one of my favorite gifts you

200

00:09:21,920 --> 00:09:19,110

doin okay Karen well thank you for that

201  
00:09:28,360 --> 00:09:21,930  
nice introduction and you guys are one

202  
00:09:32,960 --> 00:09:30,860  
well I don't have my regular radio dog

203  
00:09:34,460 --> 00:09:32,970  
on me usually the I've got the little

204  
00:09:36,200 --> 00:09:34,470  
black Chihuahua with it but I've got the

205  
00:09:39,380 --> 00:09:36,210  
one that loves me is here tonight she's

206  
00:09:41,300 --> 00:09:39,390  
a little more problem than than the

207  
00:09:43,250 --> 00:09:41,310  
black chihuahua so I don't know how

208  
00:09:46,270 --> 00:09:43,260  
that'll go but I've got a co-host on

209  
00:09:49,670 --> 00:09:46,280  
tonight so it'll be all right

210  
00:09:51,470 --> 00:09:49,680  
know what Karen I had a little uh I

211  
00:09:54,080 --> 00:09:51,480  
guess I had another animal encounter

212  
00:09:55,550 --> 00:09:54,090  
this past week I had a cat that fell in

213  
00:10:09,020 --> 00:09:55,560

love with me was trying to follow me

214

00:10:10,520 --> 00:10:09,030

home but well I mean this was I mean

215

00:10:12,290 --> 00:10:10,530

this was kind of over the top like the

216

00:10:14,180 --> 00:10:12,300

cat that adopted me ten years ago but

217

00:10:17,680 --> 00:10:14,190

this one I had to shoe it off kinda cuz

218

00:10:21,290 --> 00:10:17,690

this wanted just leave with me but I

219

00:10:25,700 --> 00:10:21,300

don't know I just uh that's the way it

220

00:10:27,530 --> 00:10:25,710

goes but there's a great thing that was

221

00:10:30,500 --> 00:10:27,540

on Coast coast I was telling Heidi they

222

00:10:33,320 --> 00:10:30,510

had a UH on their website they had a

223

00:10:35,810 --> 00:10:33,330

white cat this was a South American

224

00:10:38,270 --> 00:10:35,820

country but a fella was buried and he

225

00:10:40,190 --> 00:10:38,280

was a cat fancier and this cat this

226

00:10:42,170 --> 00:10:40,200

white cat would not leave his grave

227

00:10:43,700 --> 00:10:42,180

would not do it they tried to shoo it

228

00:10:45,320 --> 00:10:43,710

off with a broom or whatever they were

229

00:10:48,470 --> 00:10:45,330

trying to do in a cat wouldn't leave

230

00:10:55,160 --> 00:10:48,480

period and they finally just let it go

231

00:10:56,660 --> 00:10:55,170

but Wow but gee no of course we talked

232

00:10:59,540 --> 00:10:56,670

once before when you wrought about that

233

00:11:01,280 --> 00:10:59,550

phenomena of Grave dogs where the dogs

234

00:11:02,990 --> 00:11:01,290

will do the same thing their master will

235

00:11:03,500 --> 00:11:03,000

die and they'll just flat lay down on

236

00:11:06,430 --> 00:11:03,510

the gray

237

00:11:09,500 --> 00:11:06,440

at the famous one in a Moscow Cemetery

238

00:11:11,690 --> 00:11:09,510

the dog actually stayed on the grave for

239

00:11:14,480 --> 00:11:11,700

six years and the you know the grave

240

00:11:15,710 --> 00:11:14,490

workers and the visitors the graveyard

241

00:11:19,670 --> 00:11:15,720

would feed it but it went through

242

00:11:21,940 --> 00:11:19,680

Russian winters right on the great yeah

243

00:11:24,500 --> 00:11:21,950

I don't know too many humans that would

244

00:11:26,210 --> 00:11:24,510

go through something like that for their

245

00:11:28,970 --> 00:11:26,220

loved one only an animal would express

246

00:11:31,970 --> 00:11:28,980

that much love right true very true

247

00:11:34,790 --> 00:11:31,980

Oh my ex-wife wouldn't care whether I

248

00:11:37,280 --> 00:11:34,800

was both of them I have two ex-wife but

249

00:11:38,900 --> 00:11:37,290

neither one of them if I was floating in

250

00:11:43,130 --> 00:11:38,910

the Atlantic on the raft I wouldn't

251  
00:11:50,240 --> 00:11:43,140  
think but oh they contacted me for the

252  
00:11:51,980 --> 00:11:50,250  
hurricane thing but they both did but

253  
00:11:54,890 --> 00:11:51,990  
they're probably looking to see any

254  
00:11:58,100 --> 00:11:54,900  
money see if they're inherit any money

255  
00:12:01,100 --> 00:11:58,110  
or something the first one was the

256  
00:12:03,410 --> 00:12:01,110  
physical minister's daughter and we got

257  
00:12:05,090 --> 00:12:03,420  
divorce and she got married five times

258  
00:12:06,980 --> 00:12:05,100  
after that and I could have been husband

259  
00:12:13,520 --> 00:12:06,990  
number one number seven but I kind of

260  
00:12:16,130 --> 00:12:13,530  
backed out of that but Karen I'm I'm

261  
00:12:18,830 --> 00:12:16,140  
very interested and what's your what's

262  
00:12:21,890 --> 00:12:18,840  
your work been the turning torrents

263  
00:12:23,060 --> 00:12:21,900

lately what's what's going on with some

264

00:12:26,000 --> 00:12:23,070

of the little critters that you've been

265

00:12:29,530 --> 00:12:26,010

coming across well as you can imagine

266

00:12:33,250 --> 00:12:29,540

there's a lot of upset in the world with

267

00:12:38,210 --> 00:12:33,260

animals they're humans are going through

268

00:12:40,100 --> 00:12:38,220

forest fires and evacuations and smoke

269

00:12:42,140 --> 00:12:40,110

is in the air and then we have the

270

00:12:45,410 --> 00:12:42,150

Hurricanes and the heavy rains and

271

00:12:49,250 --> 00:12:45,420

flooding it's been kind of crazy the

272

00:12:52,480 --> 00:12:49,260

last several weeks have been a lot of

273

00:12:55,090 --> 00:12:52,490

lost animal calls as you can imagine

274

00:12:57,580 --> 00:12:55,100

and a lot of I've done a lot of

275

00:13:00,400 --> 00:12:57,590

reassuring to let pets know that their

276

00:13:03,220 --> 00:13:00,410

people are gonna be there to get them or

277

00:13:05,380 --> 00:13:03,230

you know come back for them or you know

278

00:13:08,530 --> 00:13:05,390

that sort of things I've been through

279

00:13:11,290 --> 00:13:08,540

two forest fires and evacuations when I

280

00:13:13,150 --> 00:13:11,300

lived in Colorado and let me tell you it

281

00:13:16,210 --> 00:13:13,160

is like the worst nightmare in the world

282

00:13:16,810 --> 00:13:16,220

because we had a lot of I had a lot of

283

00:13:20,320 --> 00:13:16,820

pets

284

00:13:22,810 --> 00:13:20,330

I had horses and dogs and cats and quite

285

00:13:25,630 --> 00:13:22,820

a few of them and you know I'd leave all

286

00:13:28,060 --> 00:13:25,640

of my other stuff behind but not them

287

00:13:32,200 --> 00:13:28,070

and trying to get them out in time is

288

00:13:34,780 --> 00:13:32,210

really horrible so anyone who's gone

289

00:13:36,940 --> 00:13:34,790

through that I can totally relate and

290

00:13:38,560 --> 00:13:36,950

you really have to have a plan you have

291

00:13:40,420 --> 00:13:38,570

to plan ahead all that emergency

292

00:13:44,020 --> 00:13:40,430

planning that everyone talks about and

293

00:13:45,790 --> 00:13:44,030

nobody does it really matters you know

294

00:13:47,860 --> 00:13:45,800

get your ducks in a row and know what

295

00:13:50,580 --> 00:13:47,870

you're going to do with your pets you

296

00:13:54,910 --> 00:13:50,590

know before a disaster strikes like that

297

00:13:56,380 --> 00:13:54,920

it's not for you guys for West Coast you

298

00:14:01,060 --> 00:13:56,390

guys the West Coast just have it

299

00:14:04,210 --> 00:14:01,070

terribly rough yeah yeah we've had fires

300

00:14:05,890 --> 00:14:04,220

all around us I think there are over 300

301  
00:14:08,050 --> 00:14:05,900  
burning in the state of Washington and

302  
00:14:10,060 --> 00:14:08,060  
I'm in eastern Washington and you know

303  
00:14:11,860 --> 00:14:10,070  
for weeks he couldn't even open the

304  
00:14:15,820 --> 00:14:11,870  
windows because the smoke was so thick

305  
00:14:17,350 --> 00:14:15,830  
and you know it's very disconcerting you

306  
00:14:20,800 --> 00:14:17,360  
you just feel like you're kind of in

307  
00:14:24,520 --> 00:14:20,810  
this haze you know it never clears up

308  
00:14:36,010 --> 00:14:24,530  
now we have rain last day it's nice we

309  
00:14:37,450 --> 00:14:36,020  
finally got some rain I don't know well

310  
00:14:40,800 --> 00:14:37,460  
I don't know I could never live on the

311  
00:14:42,670 --> 00:14:40,810  
west coast I just bad enough living here

312  
00:14:43,990 --> 00:14:42,680  
nobody ought to live anywhere except

313  
00:14:47,790 --> 00:14:44,000

between New York and Virginia

314

00:14:53,410 --> 00:14:47,800

I love the west coast though I dig it

315

00:14:55,810 --> 00:14:53,420

sign is meant for humans I just I don't

316

00:14:57,310 --> 00:14:55,820

know I just I think it's but you know

317

00:15:01,810 --> 00:14:57,320

the one thing is depends of what's your

318

00:15:04,379 --> 00:15:01,820

costume I've lived in the Midwest mostly

319

00:15:07,699 --> 00:15:04,389

but I don't know and it's

320

00:15:08,939 --> 00:15:07,709

it's a it still just pulls at me

321

00:15:11,609 --> 00:15:08,949

goodness

322

00:15:13,410 --> 00:15:11,619

so you know I've been seeing a lot of

323

00:15:15,419 --> 00:15:13,420

believe it or not there's been a lot of

324

00:15:17,910 --> 00:15:15,429

big efforts from the Chicago area to go

325

00:15:20,699 --> 00:15:17,920

down and help out during Hurricane

326

00:15:23,030 --> 00:15:20,709

Harvey with rescuing the the animals

327

00:15:25,799 --> 00:15:23,040

that have been strayed and stranded and

328

00:15:30,239 --> 00:15:25,809

yeah it's been kind of it's been rather

329

00:15:31,710 --> 00:15:30,249

beautiful actually so I know that

330

00:15:34,289 --> 00:15:31,720

there's been a lot of loss and and

331

00:15:36,509 --> 00:15:34,299

whatnot but I just cannot imagine people

332

00:15:39,329 --> 00:15:36,519

some people said that the the waters

333

00:15:41,729 --> 00:15:39,339

came in so darn quickly they barely had

334

00:15:44,579 --> 00:15:41,739

time to run out themselves I can imagine

335

00:15:46,319 --> 00:15:44,589

getting their pets was you know a lot of

336

00:15:49,530 --> 00:15:46,329

people had to leave them behind that it

337

00:15:53,579 --> 00:15:49,540

has to be heart-wrenching and I would oh

338

00:15:55,559 --> 00:15:53,589

my gosh I don't know but alligators are

339

00:15:57,119 --> 00:15:55,569

getting new pets though - alligators are

340

00:16:01,139 --> 00:15:57,129

coming in people's homes they were

341

00:16:03,749 --> 00:16:01,149

anyways my goodness so Houston has

342

00:16:05,309 --> 00:16:03,759

alligators or something yeah there were

343

00:16:09,030 --> 00:16:05,319

some in people's yards I'm like well

344

00:16:11,659 --> 00:16:09,040

that's a new pet but you know what I'm

345

00:16:17,069 --> 00:16:11,669

curious are there some animals that have

346

00:16:20,460 --> 00:16:17,079

a higher and in a manner of thinking

347

00:16:23,159 --> 00:16:20,470

versus like an alligator like me me me

348

00:16:25,350 --> 00:16:23,169

killed me smashed against rock I mean it

349

00:16:27,350 --> 00:16:25,360

is there like an animal that it's just a

350

00:16:30,590 --> 00:16:27,360

little bit more Neanderthal thinking

351  
00:16:34,710 --> 00:16:30,600  
versus like a poodle or something

352  
00:16:38,309 --> 00:16:34,720  
absolutely I mean any in any group of

353  
00:16:41,639 --> 00:16:38,319  
animals if you communicate with let's

354  
00:16:45,659 --> 00:16:41,649  
say 50 different animals cats dogs

355  
00:16:47,460 --> 00:16:45,669  
horses you know alligators whatever you

356  
00:16:50,789 --> 00:16:47,470  
want you're gonna have some that are

357  
00:16:52,619 --> 00:16:50,799  
super intelligent and super bright and

358  
00:16:56,280 --> 00:16:52,629  
very tuned in and know what they're

359  
00:16:58,319 --> 00:16:56,290  
talking about and just in total contrast

360  
00:17:00,749 --> 00:16:58,329  
you're gonna have a handful that are not

361  
00:17:04,319 --> 00:17:00,759  
and it doesn't matter what the species

362  
00:17:06,059 --> 00:17:04,329  
is in any species mmm you're gonna have

363  
00:17:08,309 --> 00:17:06,069

super intelligent ones you're gonna have

364

00:17:09,899 --> 00:17:08,319

super not intelligent ones and then the

365

00:17:12,289 --> 00:17:09,909

majority of them fall kind of right in

366

00:17:15,610 --> 00:17:12,299

the middle so it really doesn't matter

367

00:17:17,410 --> 00:17:15,620

species wise I mean there's just just

368

00:17:19,660 --> 00:17:17,420

take the same group of 50 people you're

369

00:17:21,880 --> 00:17:19,670

gonna sell 50 out of 50 people you're

370

00:17:24,040 --> 00:17:21,890

gonna have some super intelligence so

371

00:17:25,689 --> 00:17:24,050

I'm not super intelligent and most of us

372

00:17:28,000 --> 00:17:25,699

will fall right in the middle and it's

373

00:17:29,290 --> 00:17:28,010

the same thing with you that's

374

00:17:31,570 --> 00:17:29,300

interesting so it doesn't go according

375

00:17:34,660 --> 00:17:31,580

to speeches so when you call somebody a

376

00:17:37,690 --> 00:17:34,670

birdbrain so we should not take that

377

00:17:43,720 --> 00:17:37,700

heart birds have as deep of feelings as

378

00:17:45,280 --> 00:17:43,730

as a cat yeah absolutely I mean it I

379

00:17:46,480 --> 00:17:45,290

don't know where that came from

380

00:17:51,850 --> 00:17:46,490

because they're at birds are actually

381

00:17:54,460 --> 00:17:51,860

really smart creatures though I think

382

00:17:57,280 --> 00:17:54,470

once crows were very smart somebody a

383

00:17:59,799 --> 00:17:57,290

birdbrain like you know their brain is

384

00:18:02,350 --> 00:17:59,809

so small or something but you know it's

385

00:18:04,419 --> 00:18:02,360

like I don't know birds don't they don't

386

00:18:07,470 --> 00:18:04,429

snuggle up like you know a kitty cat

387

00:18:10,360 --> 00:18:07,480

could or something to show you they do

388

00:18:11,460 --> 00:18:10,370

know I mean a sparrow I guess will go

389

00:18:20,230 --> 00:18:11,470

too fast

390

00:18:22,240 --> 00:18:20,240

well you're weird cockatiel boy that

391

00:18:24,520 --> 00:18:22,250

cockatiel thinks I'm just the best thing

392

00:18:26,410 --> 00:18:24,530

that walked down the planet he as soon

393

00:18:28,840 --> 00:18:26,420

as I walk in the main house he'll start

394

00:18:30,610 --> 00:18:28,850

screaming and carrying on and I he'll

395

00:18:32,740 --> 00:18:30,620

what he'll do he'll show off for me like

396

00:18:34,870 --> 00:18:32,750

he'll spin in his cage and stuff just to

397

00:18:36,970 --> 00:18:34,880

try to show off that he can be a good

398

00:18:40,450 --> 00:18:36,980

spinner you know around the bar he's he

399

00:18:42,880 --> 00:18:40,460

sets on his perch and oh he's got

400

00:18:48,190 --> 00:18:42,890

personality he does he could talk to he

401

00:18:50,110 --> 00:18:48,200

talks I like at one time my business

402

00:18:52,120 --> 00:18:50,120

partners family over there in the main

403

00:18:55,419 --> 00:18:52,130

house I'll go visit them and that over

404

00:18:58,090 --> 00:18:55,429

there and what it was was a the cops

405

00:19:00,310 --> 00:18:58,100

came in because the daughter had drugs

406

00:19:02,080 --> 00:19:00,320

or potentially in that and a bedroom or

407

00:19:03,790 --> 00:19:02,090

whatever and the bird was in the bedroom

408

00:19:11,260 --> 00:19:03,800

he told the cops we'll close the door

409

00:19:13,600 --> 00:19:11,270

close the door and you know and other

410

00:19:17,590 --> 00:19:13,610

things I think he told one of the cops

411

00:19:19,060 --> 00:19:17,600

to get out I think one of the more

412

00:19:20,530 --> 00:19:19,070

fascinating birds that I want to say

413

00:19:24,220 --> 00:19:20,540

it's called the Lyrebird

414

00:19:26,680 --> 00:19:24,230  
of Australia that the male's if they

415

00:19:28,930 --> 00:19:26,690  
learn the more different sounds that

416

00:19:30,310 --> 00:19:28,940  
they'll learn to whistle out the

417

00:19:33,430 --> 00:19:30,320  
more that they're able to attract a

418

00:19:38,610 --> 00:19:33,440  
female and and they could imitate

419

00:19:42,250 --> 00:19:38,620  
telephone rings cars locking saws

420

00:19:44,170 --> 00:19:42,260  
lawnmowers I mean and these are like yes

421

00:19:45,280 --> 00:19:44,180  
it's amazing I want to say they come

422

00:19:49,750 --> 00:19:45,290  
lyrebirds

423

00:19:54,040 --> 00:19:49,760  
I mean yeah it's just amazing and it's

424

00:19:58,510 --> 00:19:54,050  
like wow those are strange times yeah oh

425

00:20:00,580 --> 00:19:58,520  
yeah it's called ly re bird and some of

426

00:20:03,280 --> 00:20:00,590

them they'll just mimic construction

427

00:20:05,710 --> 00:20:03,290

sounds anything and they're just you

428

00:20:08,980 --> 00:20:05,720

know wild birds and it's a it's

429

00:20:11,050 --> 00:20:08,990

fascinating there's one that there's a

430

00:20:14,590 --> 00:20:11,060

video online of it sound like a chainsaw

431

00:20:17,230 --> 00:20:14,600

on just crazy so I mean they have to be

432

00:20:19,330 --> 00:20:17,240

rather intelligent to be able to pull

433

00:20:23,170 --> 00:20:19,340

something like that together I mean well

434

00:20:26,230 --> 00:20:23,180

but you know to get a lady you know

435

00:20:28,390 --> 00:20:26,240

Karen I think crows if you'll feed crows

436

00:20:30,460 --> 00:20:28,400

I've heard of them coming back to

437

00:20:32,860 --> 00:20:30,470

households where they get fed and they'd

438

00:20:34,660 --> 00:20:32,870

bring like whoever fed them like little

439

00:20:36,130 --> 00:20:34,670

bobbles like they'll find a glass bead

440

00:20:38,370 --> 00:20:36,140

or a marble they'll bring it back to

441

00:20:41,370 --> 00:20:38,380

them to pay them for the food kind of

442

00:20:47,370 --> 00:20:41,380

they do it's like little tokens of their

443

00:20:51,460 --> 00:20:49,870

I've never seen anybody leave me

444

00:20:57,370 --> 00:20:51,470

anything they just clear out the

445

00:20:59,920 --> 00:20:57,380

sunflower seeds well no I've heard of

446

00:21:02,830 --> 00:20:59,930

that though I mean this one woman had a

447

00:21:04,770 --> 00:21:02,840

hole I read about had a whole shoebox

448

00:21:07,570 --> 00:21:04,780

full of little marbles or a little

449

00:21:08,950 --> 00:21:07,580

little sparkly things that they'd bring

450

00:21:14,620 --> 00:21:08,960

her they thought she might like it's

451  
00:21:16,990 --> 00:21:14,630  
kind of cute so what about fish how do

452  
00:21:20,110 --> 00:21:17,000  
they go how deep do they go I mean they

453  
00:21:23,410 --> 00:21:20,120  
just I mean they're different from the

454  
00:21:25,530 --> 00:21:23,420  
mammals of the oceans so I don't know I

455  
00:21:28,450 --> 00:21:25,540  
mean are they are they equivalent or

456  
00:21:31,060 --> 00:21:28,460  
well you know I don't talk to too many

457  
00:21:34,860 --> 00:21:31,070  
fish the majority of my work is around

458  
00:21:36,010 --> 00:21:34,870  
cats and dogs and horses and I get a few

459  
00:21:39,280 --> 00:21:36,020  
parrots

460  
00:21:40,910 --> 00:21:39,290  
every once in a while but not too many

461  
00:21:42,860 --> 00:21:40,920  
people that

462  
00:21:45,560 --> 00:21:42,870  
clients that want me to talk to their

463  
00:21:49,820 --> 00:21:45,570

fish so I don't know a whole lot of

464

00:21:52,610 --> 00:21:49,830

scientific evidence for you there I am

465

00:21:54,650 --> 00:21:52,620

not kidding you I knew a guy who had a

466

00:21:57,560 --> 00:21:54,660

koi pond in the middle of his living

467

00:21:59,750 --> 00:21:57,570

room that had a stream that went under

468

00:22:04,060 --> 00:21:59,760

the foundation of us home and out to the

469

00:22:06,800 --> 00:22:04,070

yard and the fish followed him like dogs

470

00:22:08,870 --> 00:22:06,810

and he was just like in this one is

471

00:22:10,850 --> 00:22:08,880

sandy and that's Charlie I'm like and

472

00:22:16,970 --> 00:22:10,860

they would jump up to his hands it was

473

00:22:19,340 --> 00:22:16,980

it was amazing so I believe that the koi

474

00:22:21,830 --> 00:22:19,350

are very smart actually I did write

475

00:22:24,950 --> 00:22:21,840

about one koi in my first book Carol

476

00:22:26,930 --> 00:22:24,960

creatures kind of yeah kind of blew me

477

00:22:29,780 --> 00:22:26,940

out of the water it said some incredible

478

00:22:30,830 --> 00:22:29,790

thing and I was like oh my gosh I wasn't

479

00:22:33,860 --> 00:22:30,840

expecting that

480

00:22:36,170 --> 00:22:33,870

oh dude to share what they say oh I

481

00:22:38,720 --> 00:22:36,180

gotta look it up so let me get to that

482

00:22:40,520 --> 00:22:38,730

page you guys say something intriguing

483

00:22:45,020 --> 00:22:40,530

while I look at well you know I will say

484

00:22:47,210 --> 00:22:45,030

this though what they call grouper holes

485

00:22:50,330 --> 00:22:47,220

where the groupers will go down little

486

00:22:53,210 --> 00:22:50,340

holes in the and the seabed and so forth

487

00:22:55,640 --> 00:22:53,220

but what happens is the groupers will

488

00:22:57,740 --> 00:22:55,650

they'll be regular neighborhood groupers

489

00:23:00,260 --> 00:22:57,750

that will come if you dive in that area

490

00:23:02,870 --> 00:23:00,270

the same grouper will come back for some

491

00:23:05,360 --> 00:23:02,880

companion like that I mean they're very

492

00:23:09,110 --> 00:23:05,370

friendly groupers are big fish - yes

493

00:23:10,880 --> 00:23:09,120

they're huge and strange-looking they

494

00:23:15,890 --> 00:23:10,890

are but they're very friendly I got it

495

00:23:19,700 --> 00:23:15,900

okay cool I got it okay this koi it's a

496

00:23:22,310 --> 00:23:19,710

female and her name is big sneeze and

497

00:23:25,460 --> 00:23:22,320

there's a story about this behind her

498

00:23:27,200 --> 00:23:25,470

name and apparently it had something to

499

00:23:29,240 --> 00:23:27,210

do with how she would come up to the

500

00:23:33,710 --> 00:23:29,250

water and literally like spray it you

501  
00:23:35,840 --> 00:23:33,720  
know like as if you were sneezing that's

502  
00:23:39,770 --> 00:23:35,850  
her name she's still alive in fact I

503  
00:23:42,260 --> 00:23:39,780  
just talked to her her human mom this

504  
00:23:44,560 --> 00:23:42,270  
summer and big sneeze is doing great but

505  
00:23:48,590 --> 00:23:44,570  
any she's like I don't know 60 here so

506  
00:23:51,560 --> 00:23:48,600  
she's an old boy here's what she said

507  
00:23:52,580 --> 00:23:51,570  
and I'm quoting from my book here all

508  
00:23:56,480 --> 00:23:52,590  
creatures

509  
00:24:00,289 --> 00:23:56,490  
each what is this 31 a beautiful koi

510  
00:24:04,000 --> 00:24:00,299  
named big sneeze told me the wisdom we

511  
00:24:08,539 --> 00:24:04,010  
all seek lies within our own hearts

512  
00:24:12,740 --> 00:24:08,549  
inner beauty knows no limits inner peace

513  
00:24:16,310 --> 00:24:12,750

no boundaries the lines between human

514

00:24:19,370 --> 00:24:16,320

and animal sometimes blur as the soul

515

00:24:22,140 --> 00:24:19,380

progresses and realizes its full

516

00:24:29,240 --> 00:24:24,610

[Laughter]

517

00:24:31,730 --> 00:24:29,250

I know anyone who thinks that koi don't

518

00:24:34,970 --> 00:24:31,740

have it going on I got some news for you

519

00:24:36,440 --> 00:24:34,980

I'm glad I tell you what guys okay what

520

00:24:39,230 --> 00:24:36,450

we're coming up we're coming up to the

521

00:24:40,639 --> 00:24:39,240

half bottom of the hour break we'll do

522

00:24:42,320 --> 00:24:40,649

that we'll come back and talk about the

523

00:24:46,149 --> 00:24:42,330

amazing afterlife of animals and we'll

524

00:24:51,169 --> 00:24:48,830

great to be back with Karen and Heidi

525

00:24:53,560 --> 00:24:51,179

and I don't know I've got this like I

526

00:24:55,669 --> 00:24:53,570

say this rookie radio dog I had to

527

00:24:57,080 --> 00:24:55,679

settle her down the other one just goes

528

00:25:03,260 --> 00:24:57,090

to sleep through the whole show this one

529

00:25:05,000 --> 00:25:03,270

expects you to Tedder she wants to send

530

00:25:08,149 --> 00:25:05,010

her some vibes do you do that over the

531

00:25:10,700 --> 00:25:08,159

phone Karen yeah all my sessions are

532

00:25:14,149 --> 00:25:10,710

over the phone and you know I actually

533

00:25:16,039 --> 00:25:14,159

tell clients that it's it's better over

534

00:25:18,860 --> 00:25:16,049

the phone because the animals can do

535

00:25:22,100 --> 00:25:18,870

whatever they are naturally doing they

536

00:25:24,200 --> 00:25:22,110

can sleep they can hang out they don't

537

00:25:27,590 --> 00:25:24,210

have to be anywhere near me or near the

538

00:25:52,370 --> 00:25:27,600

phone and it works much better that way

539

00:25:54,919 --> 00:25:52,380

Oh rather ones more independent this

540

00:26:00,110 --> 00:25:54,929

one's more it was totally for my selfish

541

00:26:02,510 --> 00:26:00,120

reasons Karen this one so possessive

542

00:26:04,159 --> 00:26:02,520

that if I go to the door and come back

543

00:26:06,080 --> 00:26:04,169

she's waiting by the door for me to come

544

00:26:08,269 --> 00:26:06,090

back I mean like that so

545

00:26:10,539 --> 00:26:08,279

I mean the dogs are like a spy and I

546

00:26:13,460 --> 00:26:10,549

just really thought that maybe maybe

547

00:26:16,279 --> 00:26:13,470

they don't mean to be I don't mean to be

548

00:26:18,169 --> 00:26:16,289

spies they just tell it like it is and

549

00:26:23,659 --> 00:26:18,179

you know you never know what they'll

550

00:26:27,409 --> 00:26:23,669

talk about that's part of the fun so

551  
00:26:29,659 --> 00:26:27,419  
what's what's new in this this book did

552  
00:26:33,590 --> 00:26:29,669  
you go at it from a different angle the

553  
00:26:38,139 --> 00:26:33,600  
afterlife what what is this new book

554  
00:26:41,360 --> 00:26:38,149  
entail well you know one of the the most

555  
00:26:43,519 --> 00:26:41,370  
common questions I get from my clients

556  
00:26:47,060 --> 00:26:43,529  
is they want to know if their pets who

557  
00:26:49,820 --> 00:26:47,070  
have died are still around if they are

558  
00:26:52,730 --> 00:26:49,830  
still connected if they're okay if they

559  
00:26:56,090 --> 00:26:52,740  
are with loved ones on the other side

560  
00:26:58,310 --> 00:26:56,100  
both human and animal so that's a very

561  
00:27:02,049 --> 00:26:58,320  
very big part of what I do every day I'm

562  
00:27:06,649 --> 00:27:02,059  
always connecting to the other side and

563  
00:27:10,399 --> 00:27:06,659

the messages that come through are so

564

00:27:11,960 --> 00:27:10,409

amazing that I just decided you know

565

00:27:14,210 --> 00:27:11,970

what I could write a whole book about

566

00:27:16,220 --> 00:27:14,220

just the afterlife and so that's what I

567

00:27:18,620 --> 00:27:16,230

did I just sat down and started writing

568

00:27:21,049 --> 00:27:18,630

some of my most memorable moments and

569

00:27:22,610 --> 00:27:21,059

then it that kind of grew and snow

570

00:27:26,029 --> 00:27:22,620

balled and then the next thing I knew I

571

00:27:29,419 --> 00:27:26,039

had this whole entire manuscript with

572

00:27:32,600 --> 00:27:29,429

just these incredible messages with pets

573

00:27:35,330 --> 00:27:32,610

that have been recently passed like you

574

00:27:36,830 --> 00:27:35,340

know within a few days weeks months or

575

00:27:39,110 --> 00:27:36,840

whatever and then others have been gone

576

00:27:42,049 --> 00:27:39,120

for many many years they still know

577

00:27:44,899 --> 00:27:42,059

what's going on with their human parents

578

00:27:47,960 --> 00:27:44,909

lives they're still connected they still

579

00:27:49,789 --> 00:27:47,970

are current like they know the current

580

00:27:51,590 --> 00:27:49,799

events of what's happening to their

581

00:27:54,440 --> 00:27:51,600

family and loved ones it's just

582

00:27:57,279 --> 00:27:54,450

mind-boggling Wow

583

00:27:59,149 --> 00:27:57,289

and you know what gets me and I have to

584

00:28:01,370 --> 00:27:59,159

you know everybody's got things that

585

00:28:03,110 --> 00:28:01,380

bother them but there's a certain degree

586

00:28:05,149 --> 00:28:03,120

of Christians that think I know animals

587

00:28:08,299 --> 00:28:05,159

don't have a soul I thinking you

588

00:28:11,210 --> 00:28:08,309

I mean a I mean what did it what

589

00:28:14,360 --> 00:28:11,220

I'm saying that is even in in the Bible

590

00:28:16,190 --> 00:28:14,370

it says in the next life the lion will

591

00:28:19,050 --> 00:28:16,200

lay down with the lamb as it were

592

00:28:21,210 --> 00:28:19,060

it speaks of an afterlife for animals

593

00:28:23,640 --> 00:28:21,220

and of course they're not eating each

594

00:28:25,950 --> 00:28:23,650

other but what I'm saying is these

595

00:28:27,000 --> 00:28:25,960

people that act holier than thou like

596

00:28:28,560 --> 00:28:27,010

they know what they're talking about

597

00:28:31,460 --> 00:28:28,570

that humans are the only ones that have

598

00:28:34,380 --> 00:28:31,470

souls haven't read their own Bible and

599

00:28:36,570 --> 00:28:34,390

you know one thing of course my emphasis

600

00:28:40,130 --> 00:28:36,580

has been on Marian apparitions in my

601  
00:28:42,240 --> 00:28:40,140  
studies and book book I've written and I

602  
00:28:44,850 --> 00:28:42,250  
don't know what I told you about this

603  
00:28:47,250 --> 00:28:44,860  
but and the apparitional event adds I'd

604  
00:28:49,620 --> 00:28:47,260  
to in Egypt and others but specifically

605  
00:28:52,620 --> 00:28:49,630  
any of that one the 68 through 1970 that

606  
00:28:54,680 --> 00:28:52,630  
Karen 14 million people were witnesses

607  
00:28:58,530 --> 00:28:54,690  
to the events in sites in Egypt and

608  
00:29:00,330 --> 00:28:58,540  
suburb romário but what happened was

609  
00:29:02,570 --> 00:29:00,340  
when the Virgin Mary made her appearance

610  
00:29:06,780 --> 00:29:02,580  
over the st. marqs Coptic Church there

611  
00:29:14,340 --> 00:29:06,790  
they had ghostly visions of birds around

612  
00:29:18,300 --> 00:29:14,350  
her I mean he could discern that's

613  
00:29:20,970 --> 00:29:18,310

really cool yeah 14 million people saw

614

00:29:23,250 --> 00:29:20,980

this on Arab television in person pretty

615

00:29:25,410 --> 00:29:23,260

cool look it up it's it's beautiful

616

00:29:29,280 --> 00:29:25,420

pictures I mean just like no denying

617

00:29:32,010 --> 00:29:29,290

really clear I know and like I say this

618

00:29:33,690 --> 00:29:32,020

was you know this was 1968 through 1970

619

00:29:39,330 --> 00:29:33,700

it wasn't like you could phony things up

620

00:29:40,980 --> 00:29:39,340

and they government of course was

621

00:29:42,540 --> 00:29:40,990

and they tried to even though they

622

00:29:44,850 --> 00:29:42,550

venerate the Virgin Mary they don't

623

00:29:46,530 --> 00:29:44,860

they're not trying to you know boost

624

00:29:48,870 --> 00:29:46,540

things up around st. Mark's Coptic

625

00:29:50,670 --> 00:29:48,880

Church which is Christian Church but a

626

00:29:53,750 --> 00:29:50,680

right make a long story short they were

627

00:29:56,520 --> 00:29:53,760

birds she was there it just happened and

628

00:29:58,980 --> 00:29:56,530

it and other events they've seen these

629

00:30:02,700 --> 00:29:58,990

birds router - so I mean of course I

630

00:30:04,290 --> 00:30:02,710

love birds anyway I'm glad to you know

631

00:30:06,330 --> 00:30:04,300

I'm glad they have an afterlife and I

632

00:30:11,790 --> 00:30:06,340

hope to have a few my buddies hanging

633

00:30:13,560 --> 00:30:11,800

around I feed them every day not that

634

00:30:20,520 --> 00:30:13,570

that makes me st. Francis or anything

635

00:30:22,470 --> 00:30:20,530

but maybe in a past life Kevin maybe

636

00:30:24,630 --> 00:30:22,480

that's the whole thing like you know

637

00:30:26,970 --> 00:30:24,640

with you and your connection with

638

00:30:32,840 --> 00:30:26,980

animals it could be a past life thing

639

00:30:35,240 --> 00:30:32,850

it must be blame it I tell you what

640

00:30:37,130 --> 00:30:35,250

little stinkers of prima donnas so fire

641

00:30:39,320 --> 00:30:37,140

if I go into Walmart bottle but wheat

642

00:30:41,120 --> 00:30:39,330

bread they don't like it but if I the

643

00:30:44,960 --> 00:30:41,130

white bread they do the wheat bread

644

00:30:46,430 --> 00:30:44,970

Syn crude for them and I mean they'll

645

00:30:49,550 --> 00:30:46,440

just chow through the white bread light

646

00:30:52,900 --> 00:30:49,560

I guess it's sweeter and stuff but there

647

00:30:58,400 --> 00:30:52,910

they are prima donnas they really are

648

00:31:00,620 --> 00:30:58,410

wild my goodness I put my bets on a past

649

00:31:04,580 --> 00:31:00,630

life connection that's where that's all

650

00:31:07,250 --> 00:31:04,590

coming from has to be oh well I don't

651  
00:31:09,020 --> 00:31:07,260  
know I tell you what if I I would have

652  
00:31:16,370 --> 00:31:09,030  
been a vet but I couldn't stand putting

653  
00:31:18,080 --> 00:31:16,380  
them out you know but you know I'm

654  
00:31:20,750 --> 00:31:18,090  
curious you know you know how some

655  
00:31:25,190 --> 00:31:20,760  
people will say oh that's a young seller

656  
00:31:28,910 --> 00:31:25,200  
oh that's an old soul do you find if

657  
00:31:32,780 --> 00:31:28,920  
there's any pattern to the talkativeness

658  
00:31:36,550 --> 00:31:32,790  
of one critter versus another based on

659  
00:31:41,480 --> 00:31:36,560  
what seems to be a young or older soul

660  
00:31:43,280 --> 00:31:41,490  
yeah I I do and and what that is to me

661  
00:31:45,890 --> 00:31:43,290  
when I open up to the energy because I

662  
00:31:48,800 --> 00:31:45,900  
read energy so I work off of a

663  
00:31:50,750 --> 00:31:48,810

photograph of the animal and I have the

664

00:31:52,970 --> 00:31:50,760

client on the phone with me and so I

665

00:31:54,950 --> 00:31:52,980

open up basically through meditation and

666

00:31:56,570 --> 00:31:54,960

a prayer and a blessing and then I just

667

00:31:58,160 --> 00:31:56,580

start reading the energy it's like

668

00:31:59,540 --> 00:31:58,170

little snippets of information just

669

00:32:02,210 --> 00:31:59,550

start coming through and I'll start

670

00:32:05,450 --> 00:32:02,220

picking up on things if an animal is an

671

00:32:08,540 --> 00:32:05,460

old soul or a highly evolved soul it

672

00:32:10,430 --> 00:32:08,550

feels very different to me than for a

673

00:32:12,620 --> 00:32:10,440

younger soul or an animal that has not

674

00:32:15,770 --> 00:32:12,630

been here many many times it actually

675

00:32:18,410 --> 00:32:15,780

feels like I'm talking to somebody more

676  
00:32:21,830 --> 00:32:18,420  
intelligent than how we consider human

677  
00:32:24,470 --> 00:32:21,840  
beings to be intelligent so there really

678  
00:32:27,680 --> 00:32:24,480  
is a difference I can tell just there

679  
00:32:30,710 --> 00:32:27,690  
vibration is much higher they're lighter

680  
00:32:33,380 --> 00:32:30,720  
it's like a lighter more transparent

681  
00:32:35,420 --> 00:32:33,390  
energy if that's that's a good

682  
00:32:38,180 --> 00:32:35,430  
description so you've got maybe a

683  
00:32:39,260 --> 00:32:38,190  
thicker energy if you're a younger soul

684  
00:32:40,990 --> 00:32:39,270  
and how

685  
00:32:49,520 --> 00:32:41,000  
in here as many times older Souls

686  
00:32:52,100 --> 00:32:49,530  
six-headed that's the human okay okay

687  
00:32:54,500 --> 00:32:52,110  
well yeah you know what when I'm curious

688  
00:32:58,120 --> 00:32:54,510

too about that you know so you know some

689

00:33:01,100 --> 00:32:58,130

some creatures some little doggies have

690

00:33:03,410 --> 00:33:01,110

more of an attitude versus another and

691

00:33:05,419 --> 00:33:03,420

it's like you you finally be so

692

00:33:08,150 --> 00:33:05,429

intelligent and you're like you know

693

00:33:11,750 --> 00:33:08,160

better why did you go potty again on my

694

00:33:13,430 --> 00:33:11,760

bed you know what what is that you know

695

00:33:17,180 --> 00:33:13,440

that and it's like you know that they

696

00:33:20,360 --> 00:33:17,190

can figure it out and that it's really

697

00:33:22,669 --> 00:33:20,370

upsetting I mean what what are they what

698

00:33:25,430 --> 00:33:22,679

have you come across when a critter is

699

00:33:27,560 --> 00:33:25,440

doing something that seems so purposeful

700

00:33:30,590 --> 00:33:27,570

are they trying to teach you a lesson

701

00:33:33,860 --> 00:33:30,600

what is it what is it that they have in

702

00:33:36,590 --> 00:33:33,870

them well first of all animals act

703

00:33:38,060 --> 00:33:36,600

instinctually so the animal is usually

704

00:33:41,570 --> 00:33:38,070

doing something that they would normally

705

00:33:43,640 --> 00:33:41,580

do in nature if we weren't in the

706

00:33:46,520 --> 00:33:43,650

picture and the reason that they're

707

00:33:48,049 --> 00:33:46,530

doing it is because well there's could

708

00:33:51,410 --> 00:33:48,059

be several reasons but the main reason

709

00:33:53,840 --> 00:33:51,420

is because we allow them to whether we

710

00:33:56,060 --> 00:33:53,850

like it or not we allow them to or we

711

00:33:58,520 --> 00:33:56,070

don't modify their environment so that

712

00:34:02,750 --> 00:33:58,530

they can't do that behavior we leave it

713

00:34:05,750 --> 00:34:02,760

up to them I have a lot of sessions with

714

00:34:08,510 --> 00:34:05,760

clients who will call in about a

715

00:34:10,520 --> 00:34:08,520

behavior problem such as you know maybe

716

00:34:12,020 --> 00:34:10,530

house training or that sort of thing and

717

00:34:13,639 --> 00:34:12,030

they'll just say to me you know they

718

00:34:14,960 --> 00:34:13,649

know no they're not supposed to go in

719

00:34:17,930 --> 00:34:14,970

the house and yet they still go in the

720

00:34:20,149 --> 00:34:17,940

house okay well what has a human done to

721

00:34:22,700 --> 00:34:20,159

modify to make sure that they don't go

722

00:34:25,220 --> 00:34:22,710

in the house are you restraining them to

723

00:34:27,109 --> 00:34:25,230

a certain area are you keeping an eye on

724

00:34:29,330 --> 00:34:27,119

them are you creating them you know what

725

00:34:31,790 --> 00:34:29,340

are you doing to make sure they don't do

726

00:34:33,619 --> 00:34:31,800

that and they're doing nothing they just

727

00:34:36,740 --> 00:34:33,629

want the animal to come up with it on

728

00:34:38,570 --> 00:34:36,750

their own so I put a lot of the

729

00:34:40,879 --> 00:34:38,580

responsibility back on the humans

730

00:34:42,830 --> 00:34:40,889

because we just want the easy fix we

731

00:34:44,840 --> 00:34:42,840

want it to just have Karen sprinkle

732

00:34:45,830 --> 00:34:44,850

fairy dust over the situation and make

733

00:34:50,090 --> 00:34:45,840

everything better

734

00:34:52,240 --> 00:34:50,100

of course and sometimes I can do that I

735

00:34:56,200 --> 00:34:52,250

have a big bottle of fairy dust sitting

736

00:34:58,630 --> 00:34:56,210

here on my desk Oh wrinkle by wrinkle it

737

00:35:02,650 --> 00:34:58,640

all over the place but sometimes I need

738

00:35:06,340 --> 00:35:02,660

a lot of fairy dust and the human has to

739

00:35:07,930 --> 00:35:06,350

actually modify the environment and

740

00:35:11,170 --> 00:35:07,940

change what they're doing you're not

741

00:35:13,480 --> 00:35:11,180

gonna get the outcome that you want if

742

00:35:15,460 --> 00:35:13,490

you don't change something that you're

743

00:35:17,710 --> 00:35:15,470

doing it's got to change

744

00:35:20,230 --> 00:35:17,720

you got to implement change and that's I

745

00:35:23,080 --> 00:35:20,240

spend a lot of my time coaching them on

746

00:35:25,330 --> 00:35:23,090

how to do that and how to help them the

747

00:35:28,300 --> 00:35:25,340

animals are just acting out naturally

748

00:35:30,370 --> 00:35:28,310

and doing what comes naturally to them

749

00:35:33,430 --> 00:35:30,380

you said instincts but then they could

750

00:35:37,000 --> 00:35:33,440

be so darn evolved and so observant and

751

00:35:39,850 --> 00:35:37,010

so like suddenly that little just

752

00:35:41,800 --> 00:35:39,860

dependable little angel and then they'll

753

00:35:45,220 --> 00:35:41,810

go and crap on your bed or something and

754

00:35:48,070 --> 00:35:45,230

it's like well Heidi have you not heard

755

00:35:49,780 --> 00:35:48,080

about being have you Heidi have you not

756

00:35:51,490 --> 00:35:49,790

heard about have you not heard about pee

757

00:35:54,610 --> 00:35:51,500

pads and those things that are scented

758

00:35:58,210 --> 00:35:54,620

that they the guys oh yes I've heard you

759

00:35:59,620 --> 00:35:58,220

know I don't my my dog alien he was it

760

00:36:01,600 --> 00:35:59,630

was pretty good but he there was a

761

00:36:22,270 --> 00:36:01,610

couple of times where it's just like you

762

00:36:23,980 --> 00:36:22,280

did it on purpose yeah I've got these

763

00:36:25,690 --> 00:36:23,990

pads and both showers that use that I

764

00:36:28,480 --> 00:36:25,700

mean it's not like it's that's

765

00:36:29,680 --> 00:36:28,490

scientifically advanced a thing I'm just

766

00:36:34,120 --> 00:36:29,690

saying there should be no reason for

767

00:36:35,710 --> 00:36:34,130

that that's all my dog yelling was

768

00:36:37,720 --> 00:36:35,720

perfectly trained he knew what he was

769

00:36:40,840 --> 00:36:37,730

doing and then it was just like he'd

770

00:36:46,900 --> 00:36:40,850

sneak a poo in your room and just be

771

00:36:49,150 --> 00:36:46,910

like what whoa no it was it was just

772

00:36:50,770 --> 00:36:49,160

weird it was like he didn't like he

773

00:36:53,500 --> 00:36:50,780

didn't like go out going out in the rain

774

00:36:55,150 --> 00:36:53,510

and he was just like oh yeah I don't

775

00:36:56,980 --> 00:36:55,160

know it was just but sometimes it was

776

00:36:58,870 --> 00:36:56,990

other things and it was like you were

777

00:37:02,140 --> 00:36:58,880

you were ticked off before and chest you

778

00:37:05,620 --> 00:37:02,150

got me so sometimes it could be a little

779

00:37:08,680 --> 00:37:05,630

vegetable those little devils can't they

780

00:37:11,079 --> 00:37:08,690

they can they're pretty smart but you

781

00:37:14,950 --> 00:37:11,089

know they're it's really the human

782

00:37:18,099 --> 00:37:14,960

animal that is revenge-seeking you know

783

00:37:22,839 --> 00:37:18,109

animals aren't that our pets aren't

784

00:37:24,900 --> 00:37:22,849

quite as revenge-seeking as humans they

785

00:37:28,450 --> 00:37:24,910

can figure things out they certainly

786

00:37:32,019 --> 00:37:28,460

have done that I won't deny that but

787

00:37:34,809 --> 00:37:32,029

generally speaking when the human takes

788

00:37:37,299 --> 00:37:34,819

control and takes responsibility you

789

00:37:41,499 --> 00:37:37,309

don't have as many of those situations

790

00:37:45,759 --> 00:37:41,509

pop up wild

791

00:37:49,029 --> 00:37:45,769

have you ever come across a creature

792

00:37:54,640 --> 00:37:49,039

that was just like really just mean and

793

00:37:58,630 --> 00:37:54,650

really enjoyed being mean I don't think

794

00:38:02,319 --> 00:37:58,640

I don't think mean no grumpy yes I've

795

00:38:03,730 --> 00:38:02,329

had grumpy critters but most of the time

796

00:38:07,029 --> 00:38:03,740

they were grumpy because they were

797

00:38:15,490 --> 00:38:07,039

either in pain and they weren't being

798

00:38:17,109 --> 00:38:15,500

treated for it that's in other words as

799

00:38:20,319 --> 00:38:17,119

far as I know there's plenty of evil

800

00:38:21,819 --> 00:38:20,329

people because I've sure met them but so

801  
00:38:24,309 --> 00:38:21,829  
you have you don't run across the

802  
00:38:29,650 --> 00:38:24,319  
extreme evil and creatures that you do

803  
00:38:36,759 --> 00:38:29,660  
in humans then really no no no I don't

804  
00:38:38,049 --> 00:38:36,769  
never met an evil no there's you know

805  
00:38:39,670 --> 00:38:38,059  
there's plenty of there's plenty of

806  
00:38:41,319 --> 00:38:39,680  
humans yeah there's plenty of humans I

807  
00:38:46,359 --> 00:38:41,329  
just didn't snap their neck as look at

808  
00:38:48,039 --> 00:38:46,369  
them and right but I mean I believe that

809  
00:38:51,430 --> 00:38:48,049  
because you know Heidi I thinking about

810  
00:38:52,749 --> 00:38:51,440  
I there are some vicious dogs but

811  
00:38:54,910 --> 00:38:52,759  
usually it's not because they're acting

812  
00:38:58,299 --> 00:38:54,920  
protective or something it's not that

813  
00:39:03,309 --> 00:38:58,309

they're just great evil at least once

814

00:39:05,980 --> 00:39:03,319

I've run across there's there's a movie

815

00:39:07,720 --> 00:39:05,990

that's always disturbed me and I like

816

00:39:10,509 --> 00:39:07,730

the movie but I was like this really

817

00:39:13,539 --> 00:39:10,519

happened the ghost and the darkness did

818

00:39:15,359 --> 00:39:13,549

you see that movie about the two lions I

819

00:39:18,549 --> 00:39:15,369

believe those two lines that just

820

00:39:19,289 --> 00:39:18,559

murdered people for for the kill

821

00:39:22,019 --> 00:39:19,299

they did

822

00:39:23,370 --> 00:39:22,029

eat them it would sneak up and just it

823

00:39:27,449 --> 00:39:23,380

just slaughtered people

824

00:39:29,039 --> 00:39:27,459

it's a believer prevents true events yes

825

00:39:30,599 --> 00:39:29,049

and it's called the ghost in the

826

00:39:32,459 --> 00:39:30,609

darkness that's what they called these

827

00:39:34,919 --> 00:39:32,469

lines because they would come into town

828

00:39:38,789 --> 00:39:34,929

and just murder people and leave them

829

00:39:40,769 --> 00:39:38,799

and not eat them and it was like what on

830

00:39:42,509 --> 00:39:40,779

earth there was just like they'd never

831

00:39:45,269 --> 00:39:42,519

seen it before and that you know they

832

00:39:47,939 --> 00:39:45,279

had to do this movie was amazing so I

833

00:39:49,919 --> 00:39:47,949

just wondered you know wow is there just

834

00:39:53,399 --> 00:39:49,929

you know are there some animals that are

835

00:39:55,289 --> 00:39:53,409

just like they like to harm but she said

836

00:39:57,929 --> 00:39:55,299

there wasn't though well how long does

837

00:40:01,409 --> 00:39:57,939

that move you want to come out oh gosh

838

00:40:05,399 --> 00:40:01,419

you know I'm gonna look up right now I'm

839

00:40:07,069 --> 00:40:05,409

not sure that movie and you have to

840

00:40:09,870 --> 00:40:07,079

remember whatever has been

841

00:40:13,199 --> 00:40:09,880

sensationalized in Hollywood and you

842

00:40:14,699 --> 00:40:13,209

know what's gonna make a good movie you

843

00:40:17,880 --> 00:40:14,709

have to keep that in mind

844

00:40:20,309 --> 00:40:17,890

maybe those Lions did kill and didn't

845

00:40:22,769 --> 00:40:20,319

eat the victim that they killed but

846

00:40:26,519 --> 00:40:22,779

maybe they felt threatened by them maybe

847

00:40:29,099 --> 00:40:26,529

they felt you know who knows what those

848

00:40:32,819 --> 00:40:29,109

what the humans were doing it happened

849

00:40:35,519 --> 00:40:32,829

in 1898 and the movie was 1996 and it

850

00:40:40,620 --> 00:40:35,529

was a greatly done movie that was great

851  
00:40:42,599 --> 00:40:40,630  
it was a really good movie various kind

852  
00:40:47,189 --> 00:40:42,609  
of nail-biting sit on the edge of your

853  
00:40:50,939 --> 00:40:47,199  
seat movie yeah yeah so but I will flip

854  
00:40:52,949 --> 00:40:50,949  
that right back to natural instinct and

855  
00:40:55,199 --> 00:40:52,959  
there is something probably there that

856  
00:40:58,109 --> 00:40:55,209  
the Lions were trying to either protect

857  
00:41:02,639 --> 00:40:58,119  
their territory or you know there's

858  
00:41:04,739 --> 00:41:02,649  
always a rogue and every species there's

859  
00:41:07,019 --> 00:41:04,749  
a rogue I mean yeah look at all the

860  
00:41:10,139 --> 00:41:07,029  
Rogues in human society that are out

861  
00:41:12,389 --> 00:41:10,149  
there just loitering for no reason you

862  
00:41:14,849 --> 00:41:12,399  
know sure there's gonna be that out

863  
00:41:16,259 --> 00:41:14,859

there but it's very rare I certainly

864

00:41:20,220 --> 00:41:16,269

don't come across them because I do

865

00:41:24,180 --> 00:41:20,230

people's hats you know I do it yeah in

866

00:41:26,400 --> 00:41:24,190

and you know we have a perspective good

867

00:41:28,410 --> 00:41:26,410

perspective though not only psychic and

868

00:41:30,450 --> 00:41:28,420

you deal with animal communication but

869

00:41:35,490 --> 00:41:30,460

you've been a cop before and you know

870

00:41:37,650 --> 00:41:35,500

how terrible people are and well get me

871

00:41:41,910 --> 00:41:37,660

started on those cop stories because you

872

00:41:43,980 --> 00:41:41,920

know I won't shut up my brother was a

873

00:41:46,370 --> 00:41:43,990

cop and I was almost gonna be a cop but

874

00:41:49,680 --> 00:41:46,380

I decided well what are you

875

00:41:51,420 --> 00:41:49,690

what it was was I didn't want going to

876

00:41:53,130 --> 00:41:51,430

be I was accepted the Maryland State

877

00:41:54,780 --> 00:41:53,140

Troopers but then I thought all I have

878

00:41:58,140 --> 00:41:54,790

to be scraping bodies off the highway

879

00:41:59,520 --> 00:41:58,150

for ever and you know certainly in a

880

00:42:03,060 --> 00:41:59,530

thousand years I could have made

881

00:42:05,069 --> 00:42:03,070

detective son but you know I was I was

882

00:42:07,950 --> 00:42:05,079

only 18 when they accepted me you know I

883

00:42:09,660 --> 00:42:07,960

mean you know new perspectives and your

884

00:42:12,240 --> 00:42:09,670

decision-making process these weren't

885

00:42:14,490 --> 00:42:12,250

that great at 18 but I just went in the

886

00:42:16,829 --> 00:42:14,500

army and then went to college but but no

887

00:42:21,180 --> 00:42:16,839

but my brother was a cop and the stories

888

00:42:24,000 --> 00:42:21,190

he told me were oh it made you down on

889

00:42:27,030 --> 00:42:24,010

humanity all the way I mean get this get

890

00:42:30,809 --> 00:42:27,040

this Karen he arrested Nancy Pelosi's

891

00:42:32,400 --> 00:42:30,819

uncle on an aggravated rape charge and

892

00:42:37,890 --> 00:42:32,410

he had him dead bang and they let him

893

00:42:39,720 --> 00:42:37,900

walk out of course that's why it's

894

00:42:41,680 --> 00:42:39,730

called the legal system not a justice

895

00:42:46,520 --> 00:42:41,690

system because there's really no justice

896

00:42:51,480 --> 00:42:49,770

his brother was governor of Maryland so

897

00:42:53,160 --> 00:42:51,490

obviously he walked out of the charge my

898

00:42:55,109 --> 00:42:53,170

brother just do the badge on the table

899

00:42:57,030 --> 00:42:55,119

and lever I got to tell you guys

900

00:43:01,410 --> 00:42:57,040

something in regards to those killer

901  
00:43:06,059 --> 00:43:01,420  
liens they say it was between 28 and 135

902  
00:43:08,970 --> 00:43:06,069  
people they killed and and the liens

903  
00:43:11,550 --> 00:43:08,980  
just so happened to be on display here

904  
00:43:14,120 --> 00:43:11,560  
at Chicago's Field Museum Museum of

905  
00:43:17,010 --> 00:43:14,130  
Natural History

906  
00:43:20,460 --> 00:43:17,020  
they've got him on display I can't

907  
00:43:28,020 --> 00:43:20,470  
believe this from 1898 these these liens

908  
00:43:33,599 --> 00:43:29,670  
find those lines there's a lot of humans

909  
00:43:33,870 --> 00:43:33,609  
I'd like to Drew direct them to well

910  
00:43:36,480 --> 00:43:33,880  
here

911  
00:43:39,120 --> 00:43:36,490  
in Chicago you know what we've got a big

912  
00:43:43,020 --> 00:43:39,130  
problem here with coyotes coming into

913  
00:43:45,660 --> 00:43:43,030

Chicago freaking coyotes and they're not

914

00:43:48,690 --> 00:43:45,670

coming in the impacts usually it's like

915

00:43:51,180 --> 00:43:48,700

a couple wandering and well they have

916

00:43:53,190 --> 00:43:51,190

those in New York weird is so straight

917

00:43:55,590 --> 00:43:53,200

we've got quite a problem with them it's

918

00:43:59,850 --> 00:43:55,600

like it's not a dog oh my gosh you know

919

00:44:03,380 --> 00:43:59,860

that's what happens in major cities New

920

00:44:06,120 --> 00:44:03,390

York hasn't yeah do you find that

921

00:44:10,500 --> 00:44:06,130

wildlife I mean do you do you ever go

922

00:44:13,140 --> 00:44:10,510

out into wildlife and try to take in the

923

00:44:15,000 --> 00:44:13,150

creatures around you and see what they

924

00:44:18,120 --> 00:44:15,010

feel about like you know climate change

925

00:44:21,710 --> 00:44:18,130

or something you know I think that's

926

00:44:25,230 --> 00:44:21,720

probably one of the the things that is

927

00:44:26,760 --> 00:44:25,240

misunderstood about my work is that I go

928

00:44:29,850 --> 00:44:26,770

out and talk to all the animals all the

929

00:44:31,410 --> 00:44:29,860

time I live out in the wilderness in

930

00:44:33,660 --> 00:44:31,420

eastern Washington I live on thirty

931

00:44:39,060 --> 00:44:33,670

acres and I'm surrounded by wild turkeys

932

00:44:42,210 --> 00:44:39,070

and deer and coyotes and you know I

933

00:44:43,650 --> 00:44:42,220

don't I don't go out and have

934

00:44:48,420 --> 00:44:43,660

conversations with them and I'll tell

935

00:44:51,360 --> 00:44:48,430

you why I'm so busy with my sessions

936

00:44:54,330 --> 00:44:51,370

that I'm working on in my office that

937

00:44:59,940 --> 00:44:54,340

when I go outside Heidi I need a break

938

00:45:03,900 --> 00:44:59,950

I need I let my brain relax and just

939

00:45:12,170 --> 00:45:03,910

enjoy the surroundings and so never been

940

00:45:19,040 --> 00:45:16,650

okay and yes I have spoken to you know

941

00:45:23,540 --> 00:45:19,050

wild animals here and there and through

942

00:45:26,870 --> 00:45:23,550

the last 20 years but generally speaking

943

00:45:30,090 --> 00:45:26,880

they're usually not standing in my yard

944

00:45:33,000 --> 00:45:30,100

looking at me you know of course yes of

945

00:45:35,940 --> 00:45:33,010

course not it happened at my family's

946

00:45:39,090 --> 00:45:35,950

home but a deer is always deers in the

947

00:45:42,560 --> 00:45:39,100

yard there's always turkeys around you

948

00:45:46,289 --> 00:45:42,570

know in the yard and you know I'm and I

949

00:45:48,900 --> 00:45:46,299

don't see too many wild animals just

950

00:45:51,150 --> 00:45:48,910

in my yard so I have to have a

951  
00:45:54,120 --> 00:45:51,160  
connection there has to be you know an

952  
00:45:55,890 --> 00:45:54,130  
eye-to-eye connection or a photograph or

953  
00:45:57,539 --> 00:45:55,900  
something for me to dial up their energy

954  
00:46:04,799 --> 00:45:57,549  
I can't just walk out in my front yard

955  
00:46:08,489 --> 00:46:04,809  
and go okay mr. deer wherever you are go

956  
00:46:10,169 --> 00:46:08,499  
feel them out then kind of attracted to

957  
00:46:13,279 --> 00:46:10,179  
you like they are kind of to people like

958  
00:46:15,870 --> 00:46:13,289  
like yourself you know because it's

959  
00:46:18,509 --> 00:46:15,880  
machine I had a friend who could walk

960  
00:46:21,569 --> 00:46:18,519  
close to the woods and and deer would

961  
00:46:23,969 --> 00:46:21,579  
start coming forward it's like what is

962  
00:46:25,859 --> 00:46:23,979  
that you know so I it just seems like

963  
00:46:29,579 --> 00:46:25,869

there are some people the animals know

964

00:46:31,349 --> 00:46:29,589

and you know they're like oh family I

965

00:46:34,559 --> 00:46:31,359

don't know what it is it's just so

966

00:46:35,999 --> 00:46:34,569

fascinating but yeah they know they know

967

00:46:37,769 --> 00:46:36,009

they're safe here and they know they can

968

00:46:40,709 --> 00:46:37,779

hang out here and I don't bug them and

969

00:46:43,529 --> 00:46:40,719

they can you know hang out and not get

970

00:46:48,959 --> 00:46:43,539

shot at or shoot away or anything like

971

00:46:52,650 --> 00:46:48,969

that but honestly you guys when I'm not

972

00:46:55,650 --> 00:46:52,660

working I let my brain it just relax

973

00:46:58,380 --> 00:46:55,660

because it takes a lot of energy to do

974

00:47:01,289 --> 00:46:58,390

what I do it takes a lot of hope I have

975

00:47:02,669 --> 00:47:01,299

to be so accurate all the time you know

976

00:47:05,969 --> 00:47:02,679

I have to knock it out of the ballpark

977

00:47:07,709 --> 00:47:05,979

every single time and you guys think

978

00:47:09,299 --> 00:47:07,719

about your job what if you had to sit

979

00:47:11,219 --> 00:47:09,309

down at your job and literally hit a

980

00:47:13,499 --> 00:47:11,229

grand slam home run every single time

981

00:47:17,839 --> 00:47:13,509

you clocked in or every single time you

982

00:47:22,259 --> 00:47:17,849

did something yeah I'm a therapist and

983

00:47:24,299 --> 00:47:22,269

oh yeah so so really I have to i find

984

00:47:26,669 --> 00:47:24,309

balance I have to find balance in my

985

00:47:28,319 --> 00:47:26,679

life and that's my balance I don't walk

986

00:47:34,019 --> 00:47:28,329

around talking to all the animals around

987

00:47:36,209 --> 00:47:34,029

me it's just something I I find peace

988

00:47:39,390 --> 00:47:36,219

and knowing they're around and I join a

989

00:47:41,370 --> 00:47:39,400

company and you know and I I welcome

990

00:47:43,469 --> 00:47:41,380

that balance into my life and then I get

991

00:47:46,319 --> 00:47:43,479

back in my office and I knock out

992

00:47:47,969 --> 00:47:46,329

another you know six sessions a day or

993

00:47:50,370 --> 00:47:47,979

however many I have and that's where I

994

00:47:53,579 --> 00:47:50,380

put that energy that's where I focus

995

00:47:55,079 --> 00:47:53,589

that ya know I could imagine Karen

996

00:47:56,759 --> 00:47:55,089

because I mean I can't get into the

997

00:47:59,820 --> 00:47:56,769

details but I've been exposed to

998

00:48:06,030 --> 00:47:59,830

telepathy in past years and it does

999

00:48:10,410 --> 00:48:06,040

drain you yes it's very draining and you

1000

00:48:14,480 --> 00:48:10,420

have to be so accurate and so right on

1001

00:48:17,250 --> 00:48:14,490

and it is it's a very demanding

1002

00:48:19,950 --> 00:48:17,260

challenging I make it look easy because

1003

00:48:22,350 --> 00:48:19,960

you think oh she's just you know opening

1004

00:48:24,990 --> 00:48:22,360

up this portal and all this information

1005

00:48:27,300 --> 00:48:25,000

comes pouring in no I have to actually

1006

00:48:30,030 --> 00:48:27,310

engage my brain and then try to figure

1007

00:48:32,250 --> 00:48:30,040

out the messages and sometimes it's very

1008

00:48:33,840 --> 00:48:32,260

clear and sometimes it's not it depends

1009

00:48:36,600 --> 00:48:33,850

on an animal every animal will

1010

00:48:39,150 --> 00:48:36,610

communicate differently so I have to

1011

00:48:43,140 --> 00:48:39,160

change yeah I have to change my

1012

00:48:47,280 --> 00:48:43,150

abilities to each animal's method of

1013

00:48:50,640 --> 00:48:47,290

communicating and I can kind of do it on

1014

00:48:55,650 --> 00:48:50,650

the fly now but I really do preserve

1015

00:49:00,270 --> 00:48:55,660

that for my private sessions and yeah

1016

00:49:02,760 --> 00:49:00,280

sure of course let me ask you about the

1017

00:49:04,410 --> 00:49:02,770

book though I'm the amazing afterlife of

1018

00:49:06,750 --> 00:49:04,420

animals when is it being releases have

1019

00:49:11,850 --> 00:49:06,760

been released yet or is it in the near

1020

00:49:13,760 --> 00:49:11,860

offing it is so close I can feel it I

1021

00:49:18,390 --> 00:49:13,770

[Music]

1022

00:49:22,110 --> 00:49:18,400

sent the final photographs in to my

1023

00:49:22,740 --> 00:49:22,120

copyright guy and he is formatting it as

1024

00:49:27,930 --> 00:49:22,750

we speak

1025

00:49:32,280 --> 00:49:27,940

so I'm going to say it'll be very very

1026  
00:49:34,740 --> 00:49:32,290  
very very very very soon and I'm hoping

1027  
00:49:37,350 --> 00:49:34,750  
to have it out by October I know it's

1028  
00:49:40,380 --> 00:49:37,360  
the 19th of September but I'm hoping

1029  
00:49:47,370 --> 00:49:40,390  
October's going to be the months that it

1030  
00:49:49,470 --> 00:49:47,380  
goes out to the world but it is a joy of

1031  
00:49:51,660 --> 00:49:49,480  
mine to be able to share these

1032  
00:49:55,500 --> 00:49:51,670  
incredible messages because some of them

1033  
00:49:58,530 --> 00:49:55,510  
literally have left me speechless like I

1034  
00:49:59,970 --> 00:49:58,540  
couldn't believe what they were telling

1035  
00:50:02,940 --> 00:49:59,980  
me and how they knew what they knew it

1036  
00:50:05,160 --> 00:50:02,950  
was like no way could this be happening

1037  
00:50:06,660 --> 00:50:05,170  
so we're just about at the top of the

1038  
00:50:08,190 --> 00:50:06,670

hour break so maybe we could talk about

1039

00:50:10,890 --> 00:50:08,200

some of those messages when we get back

1040

00:50:12,060 --> 00:50:10,900

and also we'll mention where the best

1041

00:50:13,380 --> 00:50:12,070

place would be to get the book and

1042

00:50:15,210 --> 00:50:13,390

what-have-you but let's

1043

00:50:20,850 --> 00:50:15,220

top of the hour break and we'll be right

1044

00:50:23,340 --> 00:50:20,860

back back with you and I guess we were

1045

00:50:25,530 --> 00:50:23,350

talking off the air that these sessions

1046

00:50:28,020 --> 00:50:25,540

like telepathy and other things are very

1047

00:50:31,500 --> 00:50:28,030

exhausting and that's why Karen needs a

1048

00:50:34,160 --> 00:50:31,510

break when she needs a break but no it

1049

00:50:36,600 --> 00:50:34,170

actually did you ever find I don't know

1050

00:50:38,010 --> 00:50:36,610

how the animal communication would be

1051  
00:50:40,200 --> 00:50:38,020  
but it's probably similar to left did

1052  
00:50:44,580 --> 00:50:40,210  
you ever find that in the middle of

1053  
00:50:47,100 --> 00:50:44,590  
you're fired it would kind of be sore I

1054  
00:50:48,810 --> 00:50:47,110  
get like a low-grade headache so it's

1055  
00:50:51,240 --> 00:50:48,820  
for me it's at the base of the skull

1056  
00:50:53,970 --> 00:50:51,250  
it's just a low-grade headache and it

1057  
00:50:57,410 --> 00:50:53,980  
just kind of feels like pressure I've

1058  
00:51:01,920 --> 00:50:57,420  
never had the center of the forehead

1059  
00:51:04,320 --> 00:51:01,930  
pain yep but I definitely get the

1060  
00:51:05,910 --> 00:51:04,330  
low-grade headaches or I can get them

1061  
00:51:08,150 --> 00:51:05,920  
you know if I don't balance out if I

1062  
00:51:10,410 --> 00:51:08,160  
don't take a break in between sessions

1063  
00:51:12,630 --> 00:51:10,420

definitely and there it's accumulative

1064

00:51:15,540 --> 00:51:12,640

you know you start out the day fresh and

1065

00:51:19,860 --> 00:51:15,550

then the more time you spend on the

1066

00:51:21,570 --> 00:51:19,870

phones communicating and talking to the

1067

00:51:24,270 --> 00:51:21,580

clients you know by the end of the day

1068

00:51:26,310 --> 00:51:24,280

your whip you know you're tired you've

1069

00:51:28,560 --> 00:51:26,320

been putting yourself out there and

1070

00:51:30,570 --> 00:51:28,570

trying to gather little snippets of

1071

00:51:33,990 --> 00:51:30,580

information that are important to the

1072

00:51:37,590 --> 00:51:34,000

person and the animal and it takes a lot

1073

00:51:40,320 --> 00:51:37,600

of work and you know obviously it is

1074

00:51:42,480 --> 00:51:40,330

something that is my passion it's what I

1075

00:51:44,280 --> 00:51:42,490

really love to do I think it's from my

1076

00:51:45,000 --> 00:51:44,290

cop work I like getting gathering

1077

00:51:52,860 --> 00:51:45,010

evidence

1078

00:51:56,610 --> 00:51:52,870

be analytical like that sir drive comes

1079

00:51:58,710 --> 00:51:56,620

from if somebody wants to contact you to

1080

00:52:00,870 --> 00:51:58,720

get a reading of how they when they go

1081

00:52:05,310 --> 00:52:00,880

to your website or Facebook would be the

1082

00:52:07,920 --> 00:52:05,320

best mode go to my website I just put up

1083

00:52:10,740 --> 00:52:07,930

a pretty pretty pretty new website it's

1084

00:52:13,590 --> 00:52:10,750

got like this gigantic picture of my

1085

00:52:17,070 --> 00:52:13,600

face on the homepage it's like given my

1086

00:52:20,270 --> 00:52:17,080

mom my mom said did you have to put such

1087

00:52:24,120 --> 00:52:20,280

a big picture of your face on there I

1088

00:52:25,500 --> 00:52:24,130

tried to reduce it I tried I tried but

1089

00:52:28,440 --> 00:52:25,510

I'm so unset

1090

00:52:30,510 --> 00:52:28,450

with all this stuff so I just left it so

1091

00:52:34,200 --> 00:52:30,520

there's a gigantic picture of me on

1092

00:52:36,330 --> 00:52:34,210

there and anyway all kinds of fun stuff

1093

00:52:38,420 --> 00:52:36,340

on there it'll list all the different

1094

00:52:42,740 --> 00:52:38,430

types of sessions I do because I also

1095

00:52:47,400 --> 00:52:42,750

communicate with departed humans I also

1096

00:52:50,150 --> 00:52:47,410

do personal readings so people who are

1097

00:52:55,460 --> 00:52:50,160

struggling with career or relationships

1098

00:52:59,359 --> 00:52:55,470

or moving or you know just general life

1099

00:53:02,550 --> 00:52:59,369

situations I do those types of sessions

1100

00:53:07,590 --> 00:53:02,560

and it's all all kinds of information is

1101  
00:53:09,510 --> 00:53:07,600  
on there there's reviews there's my my

1102  
00:53:12,720 --> 00:53:09,520  
book Herald creatures I also have

1103  
00:53:15,330 --> 00:53:12,730  
another book I collaborated on with a

1104  
00:53:18,000 --> 00:53:15,340  
leading psychologist dr. Patricia

1105  
00:53:21,090 --> 00:53:18,010  
Carrington and she and I were on your

1106  
00:53:24,420 --> 00:53:21,100  
show the last time together and that

1107  
00:53:28,560 --> 00:53:24,430  
book is called the secrets in her life

1108  
00:53:31,220 --> 00:53:28,570  
of pets and we have all kinds of great

1109  
00:53:34,770 --> 00:53:31,230  
tons and tons of stories in there about

1110  
00:53:38,700 --> 00:53:34,780  
what the animals talk about and dr.

1111  
00:53:40,920 --> 00:53:38,710  
Carrington shares her methods from her

1112  
00:53:44,040 --> 00:53:40,930  
psychology background on how to create a

1113  
00:53:46,400 --> 00:53:44,050

closer bond with your pet so take a look

1114

00:53:49,290 --> 00:53:46,410

at my website you can schedule online

1115

00:53:50,670 --> 00:53:49,300

you can what would my website be what

1116

00:53:53,670 --> 00:53:50,680

would be the website would be Karen

1117

00:53:55,530 --> 00:53:53,680

Anderson got met or yeah heck that would

1118

00:54:01,849 --> 00:53:55,540

help if I gave that to you it's Karen

1119

00:54:05,750 --> 00:54:01,859

Anderson dotnet or animal communicating

1120

00:54:08,970 --> 00:54:05,760

dot-com will get you to the same place

1121

00:54:11,099 --> 00:54:08,980

and I'm I'm on Facebook too

1122

00:54:13,980 --> 00:54:11,109

Karen Anderson I don't know what I'm on

1123

00:54:16,380 --> 00:54:13,990

there Karen Anderson's psychic medium

1124

00:54:18,270 --> 00:54:16,390

author I don't know something like that

1125

00:54:20,670 --> 00:54:18,280

the Facebook keeps trying to change me

1126

00:54:22,560 --> 00:54:20,680

and they keep saying we've reviewed your

1127

00:54:24,180 --> 00:54:22,570

page and you need to be just Karen

1128

00:54:26,849 --> 00:54:24,190

Anderson a public figure

1129

00:54:33,599 --> 00:54:26,859

and that's what they keep telling me so

1130

00:54:34,500 --> 00:54:33,609

I want the website has all kinds of good

1131

00:54:36,750 --> 00:54:34,510

stuff on it

1132

00:54:39,570 --> 00:54:36,760

you can check out my brothers and

1133

00:54:41,040 --> 00:54:39,580

okay everybody ought to check that out

1134

00:54:43,770 --> 00:54:41,050

because this is some interesting stuff

1135

00:54:48,300 --> 00:54:43,780

and very valid I should say though you

1136

00:54:49,980 --> 00:54:48,310

know one of the times you were on you

1137

00:54:52,140 --> 00:54:49,990

can get impressions and you got

1138

00:54:54,810 --> 00:54:52,150

impressions of Arctic scenes around me

1139

00:54:56,220 --> 00:54:54,820

and if you look under Facebook it's

1140

00:54:57,870 --> 00:54:56,230

gonna say Kevin Cook from Fort

1141

00:55:01,140 --> 00:54:57,880

Lauderdale Florida and this net the

1142

00:55:02,640 --> 00:55:01,150

other antivirus man an Irish name that

1143

00:55:06,210 --> 00:55:02,650

one wouldn't associate with Arctic

1144

00:55:10,880 --> 00:55:06,220

scenes but Heidi Karen didn't know I was

1145

00:55:14,100 --> 00:55:10,890

half Russian oh my goodness Thirteen's

1146

00:55:15,690 --> 00:55:14,110

well the Arctic scenes were as I

1147

00:55:18,870 --> 00:55:15,700

remember what Karen said we're kind of

1148

00:55:21,450 --> 00:55:18,880

your family background perceptions and

1149

00:55:24,060 --> 00:55:21,460

what-have-you and you know I come I come

1150

00:55:28,020 --> 00:55:24,070

from not just Russians but a very rough

1151  
00:55:29,490 --> 00:55:28,030  
lot of Russians Cossacks and you know

1152  
00:55:32,640 --> 00:55:29,500  
they were they were the most famous

1153  
00:55:34,680 --> 00:55:32,650  
entry infantry of men of you know

1154  
00:55:38,640 --> 00:55:34,690  
medieval times I mean there's a guys

1155  
00:55:40,260 --> 00:55:38,650  
running around swinging sabers and you

1156  
00:55:43,200 --> 00:55:40,270  
know marauding villages and everything

1157  
00:55:45,300 --> 00:55:43,210  
else and just a rough lot you know and

1158  
00:55:47,640 --> 00:55:45,310  
remember the Russian you remember the

1159  
00:55:50,880 --> 00:55:47,650  
Russian dancing where they danced where

1160  
00:55:51,780 --> 00:55:50,890  
they were they'd shoot their legs I mean

1161  
00:55:54,300 --> 00:55:51,790  
very picturesque

1162  
00:55:56,370 --> 00:55:54,310  
these were Hardy guys I mean the kind of

1163  
00:55:59,150 --> 00:55:56,380

guys that would run around shirtless

1164

00:56:01,320 --> 00:55:59,160

like Vlad and you know they just

1165

00:56:03,480 --> 00:56:01,330

terrorized the neighborhood you know and

1166

00:56:05,550 --> 00:56:03,490

that that's my relatives and they were

1167

00:56:08,100 --> 00:56:05,560

from Siberia so I mean they were not

1168

00:56:11,820 --> 00:56:08,110

exactly mild-mannered flower smelling

1169

00:56:14,340 --> 00:56:11,830

guys you know I don't remember I don't

1170

00:56:22,280 --> 00:56:14,350

remember you telling me all of that when

1171

00:56:26,670 --> 00:56:24,330

think I've just been you know an old

1172

00:56:29,340 --> 00:56:26,680

whiskey drinking Irishman which is half

1173

00:56:31,230 --> 00:56:29,350

of me are worth listen Frank everything

1174

00:56:33,570 --> 00:56:31,240

but I mean the the rough and rugged

1175

00:56:37,860 --> 00:56:33,580

bunch they were the Arctic bunch and

1176

00:56:39,740 --> 00:56:37,870

they were the most feared militia or

1177

00:56:44,430 --> 00:56:39,750

wherever you want to call it in all of

1178

00:56:46,680 --> 00:56:44,440

Asia really so Wow Kevin I didn't know

1179

00:56:50,650 --> 00:56:46,690

you had like a crazy barbaric side to

1180

00:56:52,180 --> 00:56:50,660

you well it comes out but I mean also

1181

00:56:55,090 --> 00:56:52,190

something weird about me genetically

1182

00:56:58,660 --> 00:56:55,100

maybe we all do reading but I broke my

1183

00:57:00,130 --> 00:56:58,670

leg once and an accident and when I woke

1184

00:57:02,350 --> 00:57:00,140

up from the anesthesia it had you know

1185

00:57:04,660 --> 00:57:02,360

the guy had to put a you know fixation

1186

00:57:06,460 --> 00:57:04,670

and it so could knit and the doctor said

1187

00:57:09,130 --> 00:57:06,470

he's North 20 year orthopedist he said

1188

00:57:10,720 --> 00:57:09,140

Kevin what genealogical background are

1189

00:57:13,000 --> 00:57:10,730

you and I said Oh Irish and Russian why

1190

00:57:16,240 --> 00:57:13,010

he says well Kevin I looked at the bone

1191

00:57:17,740 --> 00:57:16,250

structure and it's not human and I said

1192

00:57:19,120 --> 00:57:17,750

what do you know I'm coming out of the

1193

00:57:21,460 --> 00:57:19,130

anesthetic I said what do you pull my

1194

00:57:23,050 --> 00:57:21,470

leg I mean no joke attended I mean I

1195

00:57:25,870 --> 00:57:23,060

mean what do you mean not human he said

1196

00:57:27,820 --> 00:57:25,880

no I mean not human and it was three or

1197

00:57:30,730 --> 00:57:27,830

four and he was serious it was three or

1198

00:57:33,010 --> 00:57:30,740

four times denser than most humans and

1199

00:57:38,620 --> 00:57:33,020

I've always had a very weird musculature

1200

00:57:40,810 --> 00:57:38,630

it was well frankly not human no but he

1201  
00:57:43,000 --> 00:57:40,820  
kind of he kind of verified some of my

1202  
00:57:45,010 --> 00:57:43,010  
initial suspicions is I don't know

1203  
00:57:47,260 --> 00:57:45,020  
what's in me but it ain't regular and

1204  
00:57:49,690 --> 00:57:47,270  
it's more than just real cosign it's

1205  
00:57:51,190 --> 00:57:49,700  
more than Russian Cossack because I mean

1206  
00:57:54,100 --> 00:57:51,200  
he honestly said the bone structure was

1207  
00:57:57,640 --> 00:57:54,110  
three or four times more dense and also

1208  
00:57:59,290 --> 00:57:57,650  
I've always been like you know I could

1209  
00:58:00,580 --> 00:57:59,300  
got in other words without much effort

1210  
00:58:02,920 --> 00:58:00,590  
or much working out in the gym I could

1211  
00:58:06,460 --> 00:58:02,930  
benchpress my 30s at five hundred pounds

1212  
00:58:08,850 --> 00:58:06,470  
and no kidding and it always seemed a

1213  
00:58:11,410 --> 00:58:08,860

little eerie but I said just go with it

1214

00:58:15,430 --> 00:58:11,420

but I mean it was just weird so I don't

1215

00:58:16,690 --> 00:58:15,440

know what true genealogic a crazy that's

1216

00:58:19,150 --> 00:58:16,700

really great

1217

00:58:20,410 --> 00:58:19,160

it was different it was different but at

1218

00:58:22,210 --> 00:58:20,420

least he said you'll never have to worry

1219

00:58:24,880 --> 00:58:22,220

about osteoporosis because I mean you

1220

00:58:27,910 --> 00:58:24,890

know there's no way to wear these bones

1221

00:58:29,860 --> 00:58:27,920

out but it's just odd and just these

1222

00:58:34,750 --> 00:58:29,870

little novel is just a weird Heidi you

1223

00:58:36,310 --> 00:58:34,760

never know I mean they're told me no

1224

00:58:36,790 --> 00:58:36,320

one's ever told me anything crazy like

1225

00:58:41,830 --> 00:58:36,800

that

1226

00:58:44,710 --> 00:58:41,840

it's like Kevin you're in Italy well I

1227

00:58:47,920 --> 00:58:44,720

did some research into it and what it is

1228

00:58:49,710 --> 00:58:47,930

Karen is there's a Denisovans which were

1229

00:58:52,510 --> 00:58:49,720

like kissing cousins the Neanderthals

1230

00:58:55,140 --> 00:58:52,520

lived in that area they're just like

1231

00:59:00,220 --> 00:58:55,150

Neanderthals only a little denser and

1232

00:59:02,950 --> 00:59:00,230

they're just another form of human other

1233

00:59:04,570 --> 00:59:02,960

than Homo Sapien they were you know the

1234

00:59:07,900 --> 00:59:04,580

Neanderthals were like

1235

00:59:10,900 --> 00:59:07,910

cousins of Homo sapiens but humans

1236

00:59:13,270 --> 00:59:10,910

consider themselves descendants of and I

1237

00:59:16,390 --> 00:59:13,280

guess I had summoned in a Soviet mix in

1238

00:59:21,610 --> 00:59:16,400

there a falling down with all just

1239

00:59:24,870 --> 00:59:21,620

consider it that way but I've known

1240

00:59:26,830 --> 00:59:24,880

people that had talked about

1241

00:59:29,320 --> 00:59:26,840

abnormalities I know people that were

1242

00:59:31,660 --> 00:59:29,330

genetically attuned to telepathy that's

1243

00:59:33,310 --> 00:59:31,670

the people I referred to but I had to

1244

00:59:35,020 --> 00:59:33,320

let bethey with and there's a certain

1245

00:59:39,430 --> 00:59:35,030

percentage that most people don't know

1246

00:59:42,130 --> 00:59:39,440

that existed and it's about 1/4 to 1/2

1247

00:59:45,340 --> 00:59:42,140

of 1% that are genuinely telepathic and

1248

00:59:47,980 --> 00:59:45,350

people don't know it yeah it's like a

1249

00:59:50,560 --> 00:59:47,990

little subculture that exists from my

1250

00:59:52,630 --> 00:59:50,570

research to back in the day when I first

1251  
00:59:55,720 --> 00:59:52,640  
started learning about telepathy it was

1252  
00:59:59,440 --> 00:59:55,730  
it's actually still practiced by some

1253  
01:00:00,940 --> 00:59:59,450  
ancient tribes and ancient civilizations

1254  
01:00:05,200 --> 01:00:00,950  
that are still around today such as the

1255  
01:00:07,060 --> 01:00:05,210  
Aborigines they were very well known for

1256  
01:00:09,670 --> 01:00:07,070  
their telepathic communication and

1257  
01:00:14,590 --> 01:00:09,680  
communicating with animals Native

1258  
01:00:18,790 --> 01:00:14,600  
American cultures are of course they've

1259  
01:00:22,600 --> 01:00:18,800  
always communed with nature and wild

1260  
01:00:26,110 --> 01:00:22,610  
animals so telepathy goes back into

1261  
01:00:28,480 --> 01:00:26,120  
ancient ancient ancient history and it's

1262  
01:00:31,540 --> 01:00:28,490  
been around for a really long time we

1263  
01:00:35,040 --> 01:00:31,550

just all kind of got away from it as we

1264

01:00:40,270 --> 01:00:35,050

evolved and so I'm just kind of you know

1265

01:00:43,090 --> 01:00:40,280

awakening abilities that we all have and

1266

01:00:44,920 --> 01:00:43,100

using them on a day to day basis and

1267

01:00:46,210 --> 01:00:44,930

it's just like any other skill you know

1268

01:00:49,390 --> 01:00:46,220

whether you learn to play golf or tennis

1269

01:00:53,230 --> 01:00:49,400

or learn to sing the more you practice

1270

01:00:55,120 --> 01:00:53,240

the better you get yeah it was weird

1271

01:00:56,800 --> 01:00:55,130

running across little subculture of them

1272

01:01:00,220 --> 01:00:56,810

though I mean I'm not naturally

1273

01:01:02,290 --> 01:01:00,230

telepathic I have some telepathic

1274

01:01:04,270 --> 01:01:02,300

instincts as far as predictions

1275

01:01:08,110 --> 01:01:04,280

prophetic instincts but naturally I've

1276

01:01:10,030 --> 01:01:08,120

just a whole Deniz Oviatt it's that but

1277

01:01:13,630 --> 01:01:10,040

there there is a subculture out there

1278

01:01:16,870 --> 01:01:13,640

I'd either yeah yeah definitely I think

1279

01:01:18,089 --> 01:01:16,880

that we all kind of receive messages but

1280

01:01:21,960 --> 01:01:18,099

it's just a matter of

1281

01:01:23,940 --> 01:01:21,970

attention believing your own senses and

1282

01:01:25,999 --> 01:01:23,950

what it's telling you I think that's the

1283

01:01:28,319 --> 01:01:26,009

biggest hurdle I mean it would I mean

1284

01:01:31,680 --> 01:01:28,329

like you're saying Karen when you're

1285

01:01:35,339 --> 01:01:31,690

doing readings on people that if the

1286

01:01:37,109 --> 01:01:35,349

person is not open it's harder to you

1287

01:01:39,299 --> 01:01:37,119

know get a good feel on everything and

1288

01:01:43,319 --> 01:01:39,309

to get in the most accurate reading so

1289

01:01:46,109 --> 01:01:43,329

it's like how can we teach people or let

1290

01:01:51,660 --> 01:01:46,119

them know what part of themselves should

1291

01:01:54,779 --> 01:01:51,670

they open up to be more receptive well I

1292

01:01:59,249 --> 01:01:54,789

think the biggest thing for me is when a

1293

01:02:02,670 --> 01:01:59,259

new client comes to me they they have

1294

01:02:05,069 --> 01:02:02,680

unrealistic expectations like if they're

1295

01:02:08,249 --> 01:02:05,079

expecting to hear a certain nickname or

1296

01:02:09,930 --> 01:02:08,259

a certain like they said to their dog or

1297

01:02:12,180 --> 01:02:09,940

cat before they called in okay I'm gonna

1298

01:02:13,829 --> 01:02:12,190

give I'm gonna say a secret password to

1299

01:02:16,049 --> 01:02:13,839

you and if you tell Karen that secret

1300

01:02:18,779 --> 01:02:16,059

password then I'm gonna know she's for

1301

01:02:21,359 --> 01:02:18,789

real you know sometimes I get lucky and

1302

01:02:23,999 --> 01:02:21,369

I and I get the secret password but I

1303

01:02:25,979 --> 01:02:24,009

don't have an agenda on their own they

1304

01:02:30,690 --> 01:02:25,989

may or may not want to share the secret

1305

01:02:32,819 --> 01:02:30,700

password with me and so you have to set

1306

01:02:36,109 --> 01:02:32,829

realistic expectations and just be open

1307

01:02:40,380 --> 01:02:36,119

to whatever messages come through and

1308

01:02:43,829 --> 01:02:40,390

not try to expect a certain response I

1309

01:02:46,079 --> 01:02:43,839

always will say that we may not get the

1310

01:02:50,519 --> 01:02:46,089

messages that we want but we get the

1311

01:02:53,130 --> 01:02:50,529

messages that we need and the person who

1312

01:02:54,900 --> 01:02:53,140

can come to a session and bring positive

1313

01:02:57,870 --> 01:02:54,910

open energy and just be like you know

1314

01:03:00,029 --> 01:02:57,880

what this is these are my goals but I'm

1315

01:03:04,079 --> 01:03:00,039

open to whatever comes through they're

1316

01:03:06,440 --> 01:03:04,089

gonna have a great session but it's the

1317

01:03:09,269 --> 01:03:06,450

people that come in that are like nope

1318

01:03:11,039 --> 01:03:09,279

you know unless you tell me my Great

1319

01:03:14,579 --> 01:03:11,049

Aunt Mary's middle name

1320

01:03:18,809 --> 01:03:14,589

this isn't real you're not going to have

1321

01:03:21,150 --> 01:03:18,819

a very good session all right so you

1322

01:03:23,729 --> 01:03:21,160

just have to understand that this is not

1323

01:03:27,150 --> 01:03:23,739

an exact science we're dealing with

1324

01:03:30,150 --> 01:03:27,160

energies we're dealing with quantum

1325

01:03:31,050 --> 01:03:30,160

physics we're dealing with different

1326

01:03:34,010 --> 01:03:31,060

realms

1327

01:03:37,680 --> 01:03:34,020

and going back and forth between my

1328

01:03:40,860 --> 01:03:37,690

Earth's atmosphere and the other side

1329

01:03:43,560 --> 01:03:40,870

you have to learn how to navigate and

1330

01:03:46,710 --> 01:03:43,570

maneuver through those layers of

1331

01:03:48,570 --> 01:03:46,720

atmosphere and things can say what I

1332

01:03:50,550 --> 01:03:48,580

don't mean I don't mean to rub Karen but

1333

01:03:56,520 --> 01:03:50,560

we're just in our last break and we'll

1334

01:03:59,760 --> 01:03:56,530

be right back this goes by lickety-split

1335

01:04:01,740 --> 01:03:59,770

that's what it's done tonight now Karen

1336

01:04:03,780 --> 01:04:01,750

we better mention the website again and

1337

01:04:06,120 --> 01:04:03,790

the name of the book and any other

1338

01:04:09,510 --> 01:04:06,130

upcoming events you've got coming on

1339

01:04:12,750 --> 01:04:09,520

because time is wasting I guess yes just

1340

01:04:17,130 --> 01:04:12,760

us the website is Karen Anderson dotnet

1341

01:04:21,180 --> 01:04:17,140

and the book is called the amazing

1342

01:04:24,210 --> 01:04:21,190

afterlife of animals and hopefully it'll

1343

01:04:28,410 --> 01:04:24,220

be out here very soon I'm afraid to say

1344

01:04:31,770 --> 01:04:28,420

when but soon I'm shooting for October

1345

01:04:34,740 --> 01:04:31,780

but I don't have an exact date you can

1346

01:04:37,740 --> 01:04:34,750

check out the reviews that are already

1347

01:04:40,500 --> 01:04:37,750

coming in I've had a handful of people

1348

01:04:42,300 --> 01:04:40,510

who have read the manuscript and the

1349

01:04:46,020 --> 01:04:42,310

reviews are rolling in it's getting

1350

01:04:48,870 --> 01:04:46,030

really really good reviews I have a an

1351

01:04:51,240 --> 01:04:48,880

event coming up the end of October I

1352

01:04:54,090 --> 01:04:51,250

will be at the Port Gamble ghosts

1353

01:04:58,320 --> 01:04:54,100

conference in Port Gamble Washington

1354

01:05:00,330 --> 01:04:58,330

which is very very beautiful historic

1355

01:05:04,110 --> 01:05:00,340

town that is the town is completely

1356

01:05:06,840 --> 01:05:04,120

haunted every building yeah every

1357

01:05:09,780 --> 01:05:06,850

building every house every shop

1358

01:05:12,840 --> 01:05:09,790

everything is very very haunted

1359

01:05:14,820 --> 01:05:12,850

paranormally active and every year

1360

01:05:17,640 --> 01:05:14,830

there's a ghost conference there yet and

1361

01:05:22,290 --> 01:05:17,650

they have great speakers and classes and

1362

01:05:26,400 --> 01:05:22,300

I'm doing a class on Saturday morning

1363

01:05:30,330 --> 01:05:26,410

October 27th so that event is from the

1364

01:05:32,580 --> 01:05:30,340

20s see 27 28 29 something like that the

1365

01:05:35,610 --> 01:05:32,590

last weekend before Halloween so that

1366

01:05:40,290 --> 01:05:35,620

Saturday I'm teaching an introduction to

1367

01:05:42,000 --> 01:05:40,300

animal communication class and what city

1368

01:05:45,339 --> 01:05:42,010

is that near what city is that near that

1369

01:05:48,319 --> 01:05:45,349

Port Gamble that is by port town

1370

01:05:51,739 --> 01:05:48,329

let's see Port Townsend so you cross

1371

01:05:55,039 --> 01:05:51,749

over the sound from Seattle and you go

1372

01:05:59,200 --> 01:05:55,049

north and you're heading towards Canada

1373

01:06:04,069 --> 01:05:59,210

and you're way up there on that point

1374

01:06:06,469 --> 01:06:04,079

beautiful area really really fun if

1375

01:06:09,430 --> 01:06:06,479

you're out in that area you don't want

1376

01:06:11,390 --> 01:06:09,440

to miss it and lots of fun

1377

01:06:14,479 --> 01:06:11,400

investigations you can sign up for your

1378

01:06:16,880 --> 01:06:14,489

ghost investigations or just listen to

1379

01:06:19,880 --> 01:06:16,890

all the speakers and there will be

1380

01:06:21,739 --> 01:06:19,890

tables and booths and demonstrations all

1381

01:06:25,279 --> 01:06:21,749

kinds of fun stuff so that's the last

1382

01:06:26,989 --> 01:06:25,289

weekend in October and I've always want

1383

01:06:31,849 --> 01:06:26,999

to get up that area I've seen pictures

1384

01:06:34,339 --> 01:06:31,859

of it and all that whole north west area

1385

01:06:35,779 --> 01:06:34,349

this looks very nice and it's cool and

1386

01:06:37,660 --> 01:06:35,789

pleasant for the most part as I

1387

01:06:44,089 --> 01:06:37,670

understand it wouldn't be like this

1388

01:06:46,789 --> 01:06:44,099

little annex of Hell I live in it's

1389

01:06:50,059 --> 01:06:46,799

chilly that time of year and on the

1390

01:06:51,859 --> 01:06:50,069

investigation you go on of course you go

1391

01:06:55,370 --> 01:06:51,869

on at night and there's no electricity

1392

01:06:56,870 --> 01:06:55,380

and some of the buildings that you go in

1393

01:06:58,999 --> 01:06:56,880

so it's just you and your flashlight and

1394

01:07:00,319 --> 01:06:59,009

then of course the ghostly people that

1395

01:07:02,359 --> 01:07:00,329

are there spirit people that are there

1396

01:07:04,489 --> 01:07:02,369

it's really it's an incredible

1397

01:07:08,059 --> 01:07:04,499

experience I've always had experiences

1398

01:07:09,620 --> 01:07:08,069

when I've been there always Wow well you

1399

01:07:11,749 --> 01:07:09,630

know Karen if I never saw another day

1400

01:07:13,880 --> 01:07:11,759

over 50 degrees I'd be happy I'm so

1401

01:07:16,819 --> 01:07:13,890

tired of it I've had enough this has

1402

01:07:18,920 --> 01:07:16,829

been the course I'm Catholic anyway I'm

1403

01:07:21,589 --> 01:07:18,930

hoping this is my early purgatory that I

1404

01:07:24,829 --> 01:07:21,599

could I've suffered enough

1405

01:07:31,130 --> 01:07:24,839

in other words but oh I mean it's gonna

1406

01:07:33,170 --> 01:07:31,140

be 95 everyday this week like little

1407

01:07:35,019 --> 01:07:33,180

antics but I say an annex of hell I

1408

01:07:39,190 --> 01:07:35,029

really mean an annex of hell I like

1409

01:07:43,640 --> 01:07:39,200

figurative language is really terrible

1410

01:07:45,259 --> 01:07:43,650

we've been anyway that's just my own you

1411

01:07:47,930 --> 01:07:45,269

know this is just a wild thought I have

1412

01:07:50,749 --> 01:07:47,940

to pose to Karen okay so like I always

1413

01:07:51,890 --> 01:07:50,759

thought there's this old show called

1414

01:07:56,450 --> 01:07:51,900

Grizzly Adams

1415

01:07:58,800 --> 01:07:56,460

and I used to think like wow that'd be

1416

01:08:01,230 --> 01:07:58,810

so cool to be surrounded by

1417

01:08:02,960 --> 01:08:01,240

and get lost in the woods it's like and

1418

01:08:06,030 --> 01:08:02,970

if I needed to find my way to

1419

01:08:08,490 --> 01:08:06,040

civilization perhaps I if they would one

1420

01:08:11,760 --> 01:08:08,500

of them would guide me I mean do you

1421

01:08:14,850 --> 01:08:11,770

think that animals can sense desperation

1422

01:08:17,789 --> 01:08:14,860

in that way because I've heard of like

1423

01:08:21,030 --> 01:08:17,799

dolphins rescue people

1424

01:08:23,610 --> 01:08:21,040

helium helium Gonzales the little kid

1425

01:08:26,280 --> 01:08:23,620

that came adrift from Cuba the dolphin

1426

01:08:29,610 --> 01:08:26,290

saved him you know it happens a lot I

1427

01:08:32,160 --> 01:08:29,620

know that yeah it's it's just but you

1428

01:08:34,019 --> 01:08:32,170

know there's but there's people who have

1429

01:08:36,120 --> 01:08:34,029

been lost and died out in the wilderness

1430

01:08:37,800 --> 01:08:36,130

I'm like well why didn't something help

1431

01:08:40,140 --> 01:08:37,810

them you know it's I don't know

1432

01:08:45,030 --> 01:08:40,150

selective selective reasoning with these

1433

01:08:46,829 --> 01:08:45,040

beasts well it has to I guess everything

1434

01:08:48,780 --> 01:08:46,839

has to line up for them the right animal

1435

01:08:52,500 --> 01:08:48,790

has to come along that wants to help a

1436

01:08:54,750 --> 01:08:52,510

human it's those stories are great and I

1437

01:08:58,010 --> 01:08:54,760

love hearing them where they rescue

1438

01:09:00,780 --> 01:08:58,020

people and yeah I've even seen it where

1439

01:09:03,000 --> 01:09:00,790

wild animals will save another wild

1440

01:09:05,910 --> 01:09:03,010

animal like out of the jaws of a

1441

01:09:08,210 --> 01:09:05,920

crocodile or something they pose come to

1442

01:09:09,480 --> 01:09:08,220

the rescue of a gazelle or something

1443

01:09:11,490 --> 01:09:09,490

yeah

1444

01:09:14,370 --> 01:09:11,500

I don't know it's it's it's an

1445

01:09:18,030 --> 01:09:14,380

incredible animal fascinate me you just

1446

01:09:20,370 --> 01:09:18,040

you can't ever be sure of what their

1447

01:09:23,460 --> 01:09:20,380

behavior is going to be their ever

1448

01:09:27,690 --> 01:09:23,470

changing ever evolving ever surprising

1449

01:09:32,160 --> 01:09:27,700

me their messages are fascinating how

1450

01:09:34,680 --> 01:09:32,170

much they know about us and how how they

1451

01:09:35,940 --> 01:09:34,690

pay attention to what we're doing and

1452

01:09:37,380 --> 01:09:35,950

I'm talking about things that you

1453

01:09:39,990 --> 01:09:37,390

wouldn't think that they would pay

1454

01:09:43,200 --> 01:09:40,000

attention to I just had a session today

1455

01:09:45,059 --> 01:09:43,210

brand new client and we were connecting

1456

01:09:47,490 --> 01:09:45,069

with her deceased dog who just passed

1457

01:09:51,300 --> 01:09:47,500

away like a week ago and the dog

1458

01:09:54,300 --> 01:09:51,310

mentioned to me something about boy

1459

01:09:58,050 --> 01:09:54,310

bands and I'm supposed to tease her

1460

01:10:02,280 --> 01:09:58,060

about liking boy bands like in sync or

1461

01:10:04,470 --> 01:10:02,290

you know boys to men or whatever and my

1462

01:10:07,830 --> 01:10:04,480

client started laughing she goes Karen I

1463

01:10:09,240 --> 01:10:07,840

work for one of the boy most popular boy

1464

01:10:13,860 --> 01:10:09,250

bands out there

1465

01:10:15,870 --> 01:10:13,870

oh honey oh you know it's like you would

1466

01:10:18,150 --> 01:10:15,880

think of all the things that a deceased

1467

01:10:24,390 --> 01:10:18,160

dog would talk about why would they talk

1468

01:10:28,820 --> 01:10:24,400

about that big because that's a big part

1469

01:10:32,700 --> 01:10:28,830

of her life can I pay you to spy on

1470

01:10:35,700 --> 01:10:32,710

picture of Kevin's dogs I do have a

1471

01:10:37,590 --> 01:10:35,710

picture will you tell me the dirt she's

1472

01:10:40,100 --> 01:10:37,600

got a picture to it I sent her a picture

1473

01:10:46,410 --> 01:10:40,110

it's not no you know she's not gonna

1474

01:10:50,070 --> 01:10:46,420

want that Karen what you don't listen to

1475

01:10:52,980 --> 01:10:50,080

me for a moment I think right now how

1476

01:10:55,710 --> 01:10:52,990

many times your pet has seen you in a

1477

01:11:00,150 --> 01:10:55,720

compromising position never it was not

1478

01:11:02,700 --> 01:11:00,160

allowed in my bedroom and honestly you

1479

01:11:04,140 --> 01:11:02,710

know walking through if the dog came in

1480

01:11:07,530 --> 01:11:04,150

the bathroom I was getting out of shower

1481

01:11:09,810 --> 01:11:07,540

I felt like they just were not they were

1482

01:11:15,600 --> 01:11:09,820

looking too hard because they're like

1483

01:11:16,860 --> 01:11:15,610

whoa we're too close like Karen I've got

1484

01:11:19,920 --> 01:11:16,870

I've got to ask you this there's one

1485

01:11:22,560 --> 01:11:19,930

time do you remember that movie

1486

01:11:26,130 --> 01:11:22,570

Crocodile Dundee where that guy was the

1487

01:11:28,140 --> 01:11:26,140

Australian guy okay he was in a movie

1488

01:11:29,820 --> 01:11:28,150

where there was a dog that was like a

1489

01:11:31,830 --> 01:11:29,830

German Shepherd he kind of dog kind of

1490

01:11:33,720 --> 01:11:31,840

threatening to him and he kind of went

1491

01:11:35,850 --> 01:11:33,730

indignant like an average and he kind of

1492

01:11:37,530 --> 01:11:35,860

would with he shook his hand his right

1493

01:11:40,020 --> 01:11:37,540

hand up and down like and went in and

1494

01:11:43,470 --> 01:11:40,030

like that and the dog was more or less

1495

01:11:45,090 --> 01:11:43,480

mesmerised and cooled out well you know

1496

01:11:47,880 --> 01:11:45,100

after seeing that movie sucked

1497

01:11:49,380 --> 01:11:47,890

for some quirk of events I was in a

1498

01:11:50,880 --> 01:11:49,390

situation where I was waiting for

1499

01:11:52,500 --> 01:11:50,890

somebody on a business meeting or

1500

01:11:54,600 --> 01:11:52,510

something and a dog was acting

1501  
01:11:56,430 --> 01:11:54,610  
territorial was a giant Shepherd I mean

1502  
01:11:59,550 --> 01:11:56,440  
much bigger than the regular was and I

1503  
01:12:01,530 --> 01:11:59,560  
did just that because I'm also a martial

1504  
01:12:03,000 --> 01:12:01,540  
artist and I was figuring well dog acts

1505  
01:12:05,490 --> 01:12:03,010  
up I'll just give it a sidekick and

1506  
01:12:08,160 --> 01:12:05,500  
knock it on his rear end but what it was

1507  
01:12:10,230 --> 01:12:08,170  
was I did that just like that guy did in

1508  
01:12:14,070 --> 01:12:10,240  
the movie and a dog started licking my

1509  
01:12:16,440 --> 01:12:14,080  
hand if what I mean where did that come

1510  
01:12:19,920 --> 01:12:16,450  
from in the movie and is it some reason

1511  
01:12:21,660 --> 01:12:19,930  
that worked or I don't know but I now

1512  
01:12:24,240 --> 01:12:21,670  
I'm gonna now I want to see what

1513  
01:12:26,820 --> 01:12:24,250

hande thing is I don't know what that is

1514

01:12:28,439 --> 01:12:26,830

I don't well all he did was like he

1515

01:12:30,419 --> 01:12:28,449

stuck his right hand he and you know he

1516

01:12:32,280 --> 01:12:30,429

moved his hand like up and down up and

1517

01:12:34,650 --> 01:12:32,290

down side to side like meaning in there

1518

01:12:36,600 --> 01:12:34,660

like that and the dog was just

1519

01:12:38,850 --> 01:12:36,610

mesmerized this maybe it just cooled it

1520

01:12:41,910 --> 01:12:38,860

out I mean I don't know what it did but

1521

01:12:44,010 --> 01:12:41,920

dog wad up being my buddy and laying

1522

01:12:46,500 --> 01:12:44,020

down next to me to be licked and petted

1523

01:12:47,220 --> 01:12:46,510

from banks I don't know maybe it's like

1524

01:12:50,310 --> 01:12:47,230

that

1525

01:12:53,820 --> 01:12:50,320

hypnotizing a king cobra thing they do I

1526

01:12:55,680 --> 01:12:53,830

don't know those guys dog would have

1527

01:12:57,209 --> 01:12:55,690

left the property with me and got and

1528

01:13:01,470 --> 01:12:57,219

left after that I don't it was just

1529

01:13:02,820 --> 01:13:01,480

strange but he animals are a trip they

1530

01:13:04,890 --> 01:13:02,830

really are but a very enjoyable what I

1531

01:13:06,600 --> 01:13:04,900

really you know if I could just live

1532

01:13:09,900 --> 01:13:06,610

with animals I would I would live in the

1533

01:13:12,930 --> 01:13:09,910

end rod axe with bears and coyotes and

1534

01:13:14,640 --> 01:13:12,940

just birds and just wouldn't wouldn't

1535

01:13:17,910 --> 01:13:14,650

ghosts go to town just when I absolutely

1536

01:13:19,979 --> 01:13:17,920

had to if I could but that's an that's a

1537

01:13:21,720 --> 01:13:19,989

whole nother story but Karen it's been

1538

01:13:24,720 --> 01:13:21,730

great have it's been great having you

1539

01:13:27,060 --> 01:13:24,730

and I well sure thank you truly thanks

1540

01:13:29,880 --> 01:13:27,070

for joining us thanks for having me it's

1541

01:13:32,550 --> 01:13:29,890

always fun I love you guys I appreciate

1542

01:13:37,830 --> 01:13:32,560

you letting me come on and selflessly

1543

01:13:39,419 --> 01:13:37,840

promote me we'll have a well I promise

1544

01:13:41,459 --> 01:13:39,429

you I'll have a major listenership to

1545

01:13:44,959 --> 01:13:41,469

this show and we'll send you a link and

1546

01:13:46,790 --> 01:13:44,969

it'll uh it'll be good well thanks guys

1547

01:13:50,939 --> 01:13:46,800

yes thank you

1548

01:13:54,900 --> 01:13:50,949

the exotic Northwest well I'm gonna go

1549

01:13:56,280 --> 01:13:54,910

chill out and you guys have a good rest

1550

01:14:04,560 --> 01:13:56,290

your evening and thanks to all the

1551

01:14:09,150 --> 01:14:04,570

listeners too for tuning in and good

1552

01:14:10,860 --> 01:14:09,160

night well you know Heidi animals just

1553

01:14:13,410 --> 01:14:10,870

interesting things they just do yeah

1554

01:14:15,209 --> 01:14:13,420

there's some people I'm not surprised

1555

01:14:17,280 --> 01:14:15,219

that there aren't that many evil animals

1556

01:14:18,840 --> 01:14:17,290

as opposed to evil people cuz there's

1557

01:14:23,729 --> 01:14:18,850

evil people everywhere you throw a rock

1558

01:14:25,709 --> 01:14:23,739

but yeah sure animals are a lot animals

1559

01:14:27,810 --> 01:14:25,719

maybe more evolved souls than humans if

1560

01:14:29,459 --> 01:14:27,820

you want to know the truth but next week

1561

01:14:31,020 --> 01:14:29,469

I'm gonna have to send you the data on

1562

01:14:33,060 --> 01:14:31,030

the two guests that it's gonna be more

1563

01:14:33,610 --> 01:14:33,070

of a topical kind of show not political

1564

01:14:36,700 --> 01:14:33,620

but

1565

01:14:38,230 --> 01:14:36,710

topical and I'll send you the data it's

1566

01:14:43,680 --> 01:14:38,240

not gonna be anything kind ruin your

1567

01:14:46,030 --> 01:14:43,690

little little liberal sensitive vomit

1568

01:14:48,160 --> 01:14:46,040

but I'm just hoping against hope that

1569

01:14:50,620 --> 01:14:48,170

Nancy Pelosi has another meeting with

1570

01:14:52,390 --> 01:14:50,630

these illegal aliens and they start

1571

01:14:55,120 --> 01:14:52,400

throwing rocks at her practically like

1572

01:14:58,150 --> 01:14:55,130

they did and she's their ally I thought

1573

01:15:00,160 --> 01:14:58,160

it was so funny oh I want to keep get

1574

01:15:05,980 --> 01:15:00,170

that video and look at it look at it

1575

01:15:07,840 --> 01:15:05,990

enjoy it again because I just did

1576

01:15:09,970 --> 01:15:07,850

not hear about that oh they gave her a

1577

01:15:10,900 --> 01:15:09,980

hard time she practically fled the stage

1578

01:15:14,560 --> 01:15:10,910

in terror

1579

01:15:16,300 --> 01:15:14,570

I mean he's expecting you know I've

1580

01:15:18,940 --> 01:15:16,310

missed the news this past few nights I

1581

01:15:20,350 --> 01:15:18,950

was out of town not good well listen I

1582

01:15:22,030 --> 01:15:20,360

guess we better say good night to the
