

Walter Bosley | Shocking Evidence of Breakaway Civilizations on the Moon and Mars

TO LISTEN LIVE GO TO
INCEPTIONRADIONETWORK.COM

HEIDI HOLLIS
THE OUTLANDER

FRIDAY 9PM EASTERN
6PM PACIFIC

 Listen on
inceptionradionetwork.com

1
00:00:02,130 --> 00:00:08,870
[Applause]

2
00:00:14,390 --> 00:00:09,910
now

3
00:00:17,510 --> 00:00:14,400
treat and and you'll you'll understand

4
00:00:19,029 --> 00:00:17,520
why i had to bump off the outlandish

5
00:00:20,230 --> 00:00:19,039
corner this evening

6
00:00:23,189 --> 00:00:20,240
you guys ready okay i'm going to

7
00:00:25,269 --> 00:00:23,199
introduce my guest so walter bosley has

8
00:00:28,070 --> 00:00:25,279
spent almost 20 years in national

9
00:00:30,070 --> 00:00:28,080
security investigations and operations

10
00:00:31,349 --> 00:00:30,080
and is currently a licensed private

11
00:00:33,990 --> 00:00:31,359
investigator

12
00:00:36,790 --> 00:00:34,000
bosley founded his own publishing label

13
00:00:38,069 --> 00:00:36,800

in o2 and has since written eight works

14

00:00:41,430 --> 00:00:38,079

of fiction

15

00:00:43,510 --> 00:00:41,440

and nine non-fiction books holy cannoli

16

00:00:46,709 --> 00:00:43,520

that's a lot more than me um bosley

17

00:00:48,470 --> 00:00:46,719

dabbles in micro budget indie filmmaking

18

00:00:50,790 --> 00:00:48,480

and he has also appeared on history

19

00:00:53,189 --> 00:00:50,800

channels ancient aliens mysteries of

20

00:00:55,189 --> 00:00:53,199

national parks on the travel channel

21

00:00:57,670 --> 00:00:55,199

and his magazine articles have appeared

22

00:00:59,510 --> 00:00:57,680

in world explorer magazine and fate

23

00:01:02,150 --> 00:00:59,520

magazine you guys should know those ones

24

00:01:05,030 --> 00:01:02,160

all right so awesome bosley's most

25

00:01:08,950 --> 00:01:05,040

recent works are shimmering light

26

00:01:10,469 --> 00:01:08,960

lost in an mk ultra house of anu and

27

00:01:13,030 --> 00:01:10,479

destination

28

00:01:15,830 --> 00:01:13,040

carcosa i hope that's how you say it and

29

00:01:18,070 --> 00:01:15,840

ambrose beerus and the empire of the

30

00:01:19,030 --> 00:01:18,080

wheel everybody give a round of applause

31

00:01:20,550 --> 00:01:19,040

to

32

00:01:21,830 --> 00:01:20,560

walter bosley

33

00:01:23,590 --> 00:01:21,840

walter

34

00:01:26,149 --> 00:01:23,600

have a seat

35

00:01:28,070 --> 00:01:26,159

how are you doing this evening

36

00:01:30,710 --> 00:01:28,080

great how are you

37

00:01:32,069 --> 00:01:30,720

life is fantastic and hot it's very hot

38

00:01:34,230 --> 00:01:32,079

right now

39

00:01:36,469 --> 00:01:34,240

we're having see we're having really

40

00:01:38,149 --> 00:01:36,479

nice cool weather right now so you guys

41

00:01:40,469 --> 00:01:38,159

got all our heat i guess

42

00:01:41,749 --> 00:01:40,479

we're in california i did hear that i

43

00:01:44,550 --> 00:01:41,759

have a lot of friends over there and

44

00:01:46,789 --> 00:01:44,560

they're like seventies i'm like

45

00:01:48,870 --> 00:01:46,799

i would see for the last several years

46

00:01:51,190 --> 00:01:48,880

we've had these darn 99 degree

47

00:01:54,550 --> 00:01:51,200

halloweens that we're getting tired of

48

00:01:56,710 --> 00:01:54,560

but uh if it stays like this you know

49

00:01:58,870 --> 00:01:56,720

it might be nice

50

00:02:01,109 --> 00:01:58,880

that is wow that's pretty cool and no

51
00:02:04,469 --> 00:02:01,119
wildfires right no wildfires i don't

52
00:02:06,550 --> 00:02:04,479
want those right not lately

53
00:02:10,150 --> 00:02:06,560
my goodness so well that's well that's

54
00:02:11,910 --> 00:02:10,160
good to hear so do tell you oh my gosh

55
00:02:13,430 --> 00:02:11,920
you've been in this for a long time i

56
00:02:15,110 --> 00:02:13,440
mean you started your publishing company

57
00:02:17,030 --> 00:02:15,120
in o2

58
00:02:18,710 --> 00:02:17,040
what possessed you i i know what

59
00:02:20,309 --> 00:02:18,720
possessed me to write my first book in

60
00:02:23,990 --> 00:02:20,319
97. so

61
00:02:26,070 --> 00:02:24,000
what possessed you to perk up and say i

62
00:02:27,110 --> 00:02:26,080
better write this thing

63
00:02:28,710 --> 00:02:27,120

well

64

00:02:32,470 --> 00:02:28,720

um

65

00:02:34,630 --> 00:02:32,480

my first love was cinema and i started

66

00:02:37,350 --> 00:02:34,640

making you know little film super 8

67

00:02:38,229 --> 00:02:37,360

films in junior high and through high

68

00:02:40,070 --> 00:02:38,239

school

69

00:02:41,589 --> 00:02:40,080

and

70

00:02:42,630 --> 00:02:41,599

it was really

71

00:02:44,949 --> 00:02:42,640

english

72

00:02:46,949 --> 00:02:44,959

was always my best subject in school

73

00:02:49,589 --> 00:02:46,959

so by the time i got into high school i

74

00:02:50,710 --> 00:02:49,599

started taking writing seriously

75

00:02:52,390 --> 00:02:50,720

and

76
00:02:54,470 --> 00:02:52,400
at the same time i was doing filmmaking

77
00:02:56,229 --> 00:02:54,480
i started writing screenplays and

78
00:02:57,830 --> 00:02:56,239
started taking that seriously when i was

79
00:03:00,470 --> 00:02:57,840
in college

80
00:03:01,350 --> 00:03:00,480
and i continued writing we're talking

81
00:03:04,470 --> 00:03:01,360
fiction

82
00:03:05,350 --> 00:03:04,480
through

83
00:03:07,670 --> 00:03:05,360
you know

84
00:03:10,630 --> 00:03:07,680
high school through college and even in

85
00:03:12,869 --> 00:03:10,640
my early days in my career

86
00:03:15,190 --> 00:03:12,879
doing that other stuff i continued to

87
00:03:17,430 --> 00:03:15,200
write screenplays and would try to sell

88
00:03:20,710 --> 00:03:17,440

them and stuff and so after all these

89

00:03:22,949 --> 00:03:20,720
years of writing writing writing um

90

00:03:25,830 --> 00:03:22,959
i get into

91

00:03:27,030 --> 00:03:25,840
really what was my best money-making job

92

00:03:29,270 --> 00:03:27,040
i've ever had

93

00:03:31,110 --> 00:03:29,280
so i you know was thinking ah you know

94

00:03:33,910 --> 00:03:31,120
maybe i ought to uh

95

00:03:35,430 --> 00:03:33,920
you know throw some of this money at

96

00:03:38,470 --> 00:03:35,440
one of my passions

97

00:03:41,030 --> 00:03:38,480
and originally in o2 i

98

00:03:42,390 --> 00:03:41,040
was kind of inspired or moved to do a

99

00:03:43,830 --> 00:03:42,400
magazine

100

00:03:45,270 --> 00:03:43,840
and

101

00:03:47,509 --> 00:03:45,280

i thought well

102

00:03:49,589 --> 00:03:47,519

why just a magazine why not a publishing

103

00:03:51,750 --> 00:03:49,599

company and in that same year i had gone

104

00:03:53,750 --> 00:03:51,760

on two trips to

105

00:03:56,149 --> 00:03:53,760

central mexico

106

00:03:58,630 --> 00:03:56,159

with david childress and

107

00:04:00,390 --> 00:03:58,640

you know the adventures unlimited

108

00:04:02,789 --> 00:04:00,400

world explorer group

109

00:04:05,429 --> 00:04:02,799

i did two of those mexico trips that

110

00:04:08,070 --> 00:04:05,439

year and i looked at david childress's

111

00:04:09,190 --> 00:04:08,080

working model for aup and what he does

112

00:04:10,869 --> 00:04:09,200

and i said you know what i'd kind of

113

00:04:13,350 --> 00:04:10,879

like to do the take the same working

114

00:04:16,069 --> 00:04:13,360

model and apply that to fiction so

115

00:04:18,550 --> 00:04:16,079

that's how i stood up lost a continent

116

00:04:20,469 --> 00:04:18,560

library in o2 started out purely as you

117

00:04:23,430 --> 00:04:20,479

know adventure adventure pulp fiction

118

00:04:25,189 --> 00:04:23,440

later on i got into the non-fiction

119

00:04:27,590 --> 00:04:25,199

holy smokes

120

00:04:29,030 --> 00:04:27,600

well that's that's quite a feat so

121

00:04:31,270 --> 00:04:29,040

i i don't know about you but it's like

122

00:04:33,270 --> 00:04:31,280

when when i go to sit and write a book

123

00:04:34,550 --> 00:04:33,280

and write when i think hey i don't think

124

00:04:36,150 --> 00:04:34,560

i'll ever have to write another one i

125

00:04:37,590 --> 00:04:36,160

think i got all it all out just now and

126

00:04:40,469 --> 00:04:37,600

it's like nope i didn't i got to do

127

00:04:42,870 --> 00:04:40,479

another one so right and then you have

128

00:04:44,629 --> 00:04:42,880

always like a manuscript or five sitting

129

00:04:46,710 --> 00:04:44,639

around so how many have you not

130

00:04:47,510 --> 00:04:46,720

published

131

00:04:48,790 --> 00:04:47,520

well

132

00:04:51,110 --> 00:04:48,800

um

133

00:04:52,790 --> 00:04:51,120

let's see i had

134

00:04:54,390 --> 00:04:52,800

like i said i had written some you know

135

00:04:56,310 --> 00:04:54,400

screenplays over the years through

136

00:04:57,830 --> 00:04:56,320

college and then do you know the course

137

00:05:01,270 --> 00:04:57,840

of my other career

138

00:05:02,230 --> 00:05:01,280

and in uh oh but between

139

00:05:07,270 --> 00:05:02,240

oh

140

00:05:09,029 --> 00:05:07,280

probably uh the late 90s and 2005 um

141

00:05:11,350 --> 00:05:09,039

i had two or three

142

00:05:13,830 --> 00:05:11,360

particular ones that i had written and

143

00:05:16,070 --> 00:05:13,840

then i wrote uh three or four more

144

00:05:17,830 --> 00:05:16,080

that i've been turning into my pulp

145

00:05:19,749 --> 00:05:17,840

novels that i've been coming out with

146

00:05:23,029 --> 00:05:19,759

for the last few years

147

00:05:25,350 --> 00:05:23,039

and so those were literally manuscripts

148

00:05:27,590 --> 00:05:25,360

laying around that i just in the cases

149

00:05:30,469 --> 00:05:27,600

of the scripts i just adapted them

150

00:05:33,749 --> 00:05:30,479

to uh novels but i had published um a

151

00:05:35,510 --> 00:05:33,759

couple of novels previously

152

00:05:38,469 --> 00:05:35,520

before the pulps

153

00:05:39,909 --> 00:05:38,479

uh i've pretty much except for a couple

154

00:05:41,990 --> 00:05:39,919

of cases i think i've run out of the

155

00:05:45,189 --> 00:05:42,000

ones that have been laying around

156

00:05:47,430 --> 00:05:45,199

i i think i think except for two

157

00:05:50,150 --> 00:05:47,440

i've converted them all and got them out

158

00:05:52,230 --> 00:05:50,160

there so i i'm gonna have to be starting

159

00:05:53,430 --> 00:05:52,240

some fresh stuff here pretty soon on the

160

00:05:55,990 --> 00:05:53,440

fiction front

161

00:05:58,150 --> 00:05:56,000

oh wow my goodness now the in the

162

00:06:00,230 --> 00:05:58,160

non-fiction yeah

163

00:06:02,310 --> 00:06:00,240

i don't think i don't put it's out there

164

00:06:05,909 --> 00:06:02,320

just to have a book out there um

165

00:06:08,390 --> 00:06:05,919

sincerely my non-fiction books all are

166

00:06:10,710 --> 00:06:08,400

born out of

167

00:06:11,590 --> 00:06:10,720

the research i've done

168

00:06:13,270 --> 00:06:11,600

now

169

00:06:16,230 --> 00:06:13,280

yes sometimes when i'm in the middle of

170

00:06:18,230 --> 00:06:16,240

one book i realize okay wow i've

171

00:06:21,189 --> 00:06:18,240

stumbled upon some other information

172

00:06:22,469 --> 00:06:21,199

here and i'll set that aside for a book

173

00:06:25,189 --> 00:06:22,479

later that's what happened with the

174

00:06:26,790 --> 00:06:25,199

ambrose beers book i was working on the

175

00:06:28,870 --> 00:06:26,800

richard francis burton book secret

176

00:06:30,790 --> 00:06:28,880

missions 2 and i stumbled upon the

177

00:06:33,029 --> 00:06:30,800

beerus material that motivated me to

178

00:06:34,629 --> 00:06:33,039

write that and i set that aside for like

179

00:06:35,430 --> 00:06:34,639

a year

180

00:06:38,950 --> 00:06:35,440

and

181

00:06:40,710 --> 00:06:38,960

went back to it but i i never have like

182

00:06:43,350 --> 00:06:40,720

i don't have this plan

183

00:06:44,710 --> 00:06:43,360

where i see my next five non-fiction

184

00:06:46,950 --> 00:06:44,720

books

185

00:06:49,189 --> 00:06:46,960

and i sure as heck don't

186

00:06:51,510 --> 00:06:49,199

crank it out just to have a book out all

187

00:06:54,790 --> 00:06:51,520

of my books so far knock on wood have

188

00:06:57,029 --> 00:06:54,800

been truly inspired by the research

189

00:06:58,710 --> 00:06:57,039

oh amazing so

190

00:07:01,350 --> 00:06:58,720

well it's starting from the beginning of

191

00:07:03,589 --> 00:07:01,360

these nonfiction books so what what was

192

00:07:04,870 --> 00:07:03,599

that first one and what was the topic

193

00:07:08,309 --> 00:07:04,880

matter

194

00:07:11,909 --> 00:07:08,319

ah the first one was latitude 33 key to

195

00:07:14,629 --> 00:07:11,919

the kingdom and that actually happened

196

00:07:18,790 --> 00:07:14,639

out of a conversation i was having with

197

00:07:23,430 --> 00:07:18,800

greg bishop on his podcast and

198

00:07:25,830 --> 00:07:23,440

we were talking about why is club 33 the

199

00:07:27,670 --> 00:07:25,840

the kind of it used to be more exclusive

200

00:07:29,990 --> 00:07:27,680

but it still kind of is because it's

201
00:07:32,230 --> 00:07:30,000
expensive to be a member of club 33 but

202
00:07:35,029 --> 00:07:32,240
it's the exclusive membership restaurant

203
00:07:37,189 --> 00:07:35,039
in disneyland here in anaheim and it's

204
00:07:39,510 --> 00:07:37,199
called club 33 and we were just yapping

205
00:07:41,830 --> 00:07:39,520
about why is it called club 33 so you

206
00:07:43,430 --> 00:07:41,840
know on air we start you know

207
00:07:45,909 --> 00:07:43,440
going on googling this that and the

208
00:07:49,749 --> 00:07:45,919
other and we discovered that night that

209
00:07:51,110 --> 00:07:49,759
disneyland is at the uh 33rd degree

210
00:07:52,469 --> 00:07:51,120
of latitude

211
00:07:54,390 --> 00:07:52,479
and of course

212
00:07:55,990 --> 00:07:54,400
you know what comes with that as your

213
00:07:58,469 --> 00:07:56,000

listeners probably know

214

00:08:00,629 --> 00:07:58,479

is or you know the ancient pyramids and

215

00:08:03,350 --> 00:08:00,639

all these other weird it's in that zone

216

00:08:06,309 --> 00:08:03,360

of weirdness around the planet

217

00:08:08,150 --> 00:08:06,319

yeah and and what got us started on

218

00:08:10,629 --> 00:08:08,160

talking about weirdness at disneyland

219

00:08:13,510 --> 00:08:10,639

was an experience i had there very

220

00:08:16,150 --> 00:08:13,520

strange experience back in 1981 that had

221

00:08:17,909 --> 00:08:16,160

haunted me for years well between that

222

00:08:19,909 --> 00:08:17,919

haunting me for years

223

00:08:21,189 --> 00:08:19,919

and this conversation with greg bishop

224

00:08:23,670 --> 00:08:21,199

on his show when we discovered the

225

00:08:25,670 --> 00:08:23,680

latitude 33 thing i realized you know

226

00:08:28,390 --> 00:08:25,680

what i need to write a book about this

227

00:08:30,869 --> 00:08:28,400

and that became my first non-fiction

228

00:08:32,870 --> 00:08:30,879

book which i think was first released in

229

00:08:35,430 --> 00:08:32,880

2008.

230

00:08:38,230 --> 00:08:35,440

wow that's fascinating i i've i've not

231

00:08:39,829 --> 00:08:38,240

heard of this club 33 i i almost wanted

232

00:08:44,149 --> 00:08:39,839

to be a member when you said disney but

233

00:08:46,949 --> 00:08:44,159

now i'm i'm backing up i i really am um

234

00:08:48,870 --> 00:08:46,959

wow i swell mickey's not our friend

235

00:08:50,470 --> 00:08:48,880

that's the i mean are we talking about

236

00:08:53,030 --> 00:08:50,480

dark stuff or we're talking about

237

00:08:55,269 --> 00:08:53,040

mystical stuff well mystical because

238

00:08:57,590 --> 00:08:55,279

actually what the book is about is the

239

00:08:59,590 --> 00:08:57,600

esoteric engineering

240

00:09:01,990 --> 00:08:59,600

uh physical engineering that went into

241

00:09:02,949 --> 00:09:02,000

the park what i discovered you know blew

242

00:09:05,350 --> 00:09:02,959

my mind

243

00:09:07,910 --> 00:09:05,360

it and it's not an anti-disney book at

244

00:09:10,310 --> 00:09:07,920

all it's not one of those walt disney

245

00:09:13,030 --> 00:09:10,320

with an evil guy books at all

246

00:09:15,590 --> 00:09:13,040

in fact in my research i dug out and

247

00:09:16,710 --> 00:09:15,600

found out that walt disney was never a

248

00:09:19,269 --> 00:09:16,720

mason

249

00:09:22,310 --> 00:09:19,279

i'll say that again because i constantly

250

00:09:25,910 --> 00:09:22,320

get people you know walt disney was not

251
00:09:28,230 --> 00:09:25,920
a mason he had been in demolay in high

252
00:09:29,350 --> 00:09:28,240
school which is yes masonic affiliated

253
00:09:31,670 --> 00:09:29,360
but

254
00:09:33,670 --> 00:09:31,680
he he was never made a mason i am a

255
00:09:35,430 --> 00:09:33,680
mason so i know how to ask i was just

256
00:09:37,430 --> 00:09:35,440
going to say what's so evil about them

257
00:09:39,350 --> 00:09:37,440
you know it makes sense i i know people

258
00:09:42,790 --> 00:09:39,360
in my family that were

259
00:09:44,389 --> 00:09:42,800
yeah it's you know um well you know on

260
00:09:46,470 --> 00:09:44,399
the higher deeper levels there are some

261
00:09:49,030 --> 00:09:46,480
issues people have been known to use

262
00:09:50,949 --> 00:09:49,040
masonry for nefarious purposes but but

263
00:09:53,670 --> 00:09:50,959

you know christianity too i mean they

264

00:09:56,070 --> 00:09:53,680

killed people didn't they you know yeah

265

00:09:57,269 --> 00:09:56,080

um so uh you know walt disney was never

266

00:09:58,550 --> 00:09:57,279

amazing that's one of the things i found

267

00:10:00,870 --> 00:09:58,560

out but the more interesting thing what

268

00:10:02,829 --> 00:10:00,880

the book is about is i discovered that

269

00:10:05,670 --> 00:10:02,839

the guy who designed

270

00:10:06,389 --> 00:10:05,680

the physical disneyland who engineered

271

00:10:09,350 --> 00:10:06,399

it

272

00:10:11,350 --> 00:10:09,360

the disney's met at sri the stanford

273

00:10:13,509 --> 00:10:11,360

research institute now those are the

274

00:10:15,350 --> 00:10:13,519

guys involved with the creation of

275

00:10:18,949 --> 00:10:15,360

scientific remote viewing and all sorts

276

00:10:20,069 --> 00:10:18,959

of other interesting weird esoterica and

277

00:10:22,710 --> 00:10:20,079

this guy

278

00:10:25,750 --> 00:10:22,720

was very much into

279

00:10:32,710 --> 00:10:29,110

phenomena and things like that and

280

00:10:35,030 --> 00:10:32,720

he he was hired away from sri by the

281

00:10:38,310 --> 00:10:35,040

disney's to be the chief engineer of

282

00:10:40,310 --> 00:10:38,320

disneyland and what my book does is it

283

00:10:42,389 --> 00:10:40,320

presents all the stuff that's in

284

00:10:45,430 --> 00:10:42,399

disneyland that most people don't

285

00:10:48,790 --> 00:10:45,440

realize is very mystical and hermetic

286

00:10:51,590 --> 00:10:48,800

and and occultic not in a bad way i mean

287

00:10:54,069 --> 00:10:51,600

it alchemically and uh

288

00:10:56,310 --> 00:10:54,079

and it gets into the history of this guy

289

00:10:59,110 --> 00:10:56,320

and his engineering of the park and my

290

00:11:01,670 --> 00:10:59,120

theory that disneyland itself physical

291

00:11:04,630 --> 00:11:01,680

disneyland was designed to be a

292

00:11:07,190 --> 00:11:04,640

psychotronic device and the operative

293

00:11:09,509 --> 00:11:07,200

mechanism that made it all work was the

294

00:11:11,350 --> 00:11:09,519

carousel but when they redesigned

295

00:11:13,030 --> 00:11:11,360

fantasyland the carousel was moved

296

00:11:16,310 --> 00:11:13,040

several feet back

297

00:11:20,949 --> 00:11:16,320

and i think that disengaged the device

298

00:11:21,910 --> 00:11:20,959

that the park is because it sat on what

299

00:11:24,389 --> 00:11:21,920

um

300

00:11:26,470 --> 00:11:24,399

has been suggested to me by a guy who

301

00:11:28,870 --> 00:11:26,480

provides me with this information on

302

00:11:31,430 --> 00:11:28,880

telerik currents on the intersection of

303

00:11:33,509 --> 00:11:31,440

three to lure currents or popularly

304

00:11:35,509 --> 00:11:33,519

called ley lines but that is technically

305

00:11:38,870 --> 00:11:35,519

an incorrect term but the you know the

306

00:11:39,829 --> 00:11:38,880

three currents of earth grid energy

307

00:11:42,790 --> 00:11:39,839

um

308

00:11:44,790 --> 00:11:42,800

apparently intersect right there in

309

00:11:46,630 --> 00:11:44,800

disneyland in fantasyland and the

310

00:11:48,710 --> 00:11:46,640

carousel used to sit right on top of

311

00:11:50,389 --> 00:11:48,720

that intersection it does not anymore

312

00:11:52,870 --> 00:11:50,399

and the boat gets into

313

00:11:54,790 --> 00:11:52,880

changes in the park since then

314

00:11:57,269 --> 00:11:54,800

but that's what the disneyland book is

315

00:12:00,069 --> 00:11:57,279

all about and of course i i i discussed

316

00:12:03,030 --> 00:12:00,079

my weird experience i had there and how

317

00:12:05,030 --> 00:12:03,040

that ties in with these other things i'm

318

00:12:07,350 --> 00:12:05,040

talking about regards

319

00:12:09,509 --> 00:12:07,360

is the book it's not titled the happiest

320

00:12:11,910 --> 00:12:09,519

place on earth and here's why i'm just

321

00:12:14,949 --> 00:12:13,430

it kind of goes into that it's like

322

00:12:17,750 --> 00:12:14,959

here's why it was

323

00:12:19,990 --> 00:12:17,760

um but yeah it's it's latitude 33 key to

324

00:12:21,509 --> 00:12:20,000

the kingdom uh the the

325

00:12:23,030 --> 00:12:21,519

oh i'd have to look on the darn cover of

326

00:12:24,790 --> 00:12:23,040

the book i think the hermetic

327

00:12:26,710 --> 00:12:24,800

engineering of the happiest place on

328

00:12:28,389 --> 00:12:26,720

earth or something like that

329

00:12:30,550 --> 00:12:28,399

i'll walk over here to my shelf and pull

330

00:12:32,150 --> 00:12:30,560

the book off and take a look it is

331

00:12:35,350 --> 00:12:32,160

latitude 33 key to the kingdom the

332

00:12:37,190 --> 00:12:35,360

arcane science and hermetic engineering

333

00:12:39,990 --> 00:12:37,200

of the happiest place on earth that's

334

00:12:41,910 --> 00:12:40,000

the title ah nice well i mean you have

335

00:12:44,230 --> 00:12:41,920

too many books you're allowed to you

336

00:12:46,069 --> 00:12:44,240

know not remember 100 all of it i mean

337

00:12:49,110 --> 00:12:46,079

even i i only have six books out and i'm

338

00:12:51,590 --> 00:12:49,120

like what was that subtitle

339

00:12:54,389 --> 00:12:51,600

so i get it i get it so

340

00:12:56,949 --> 00:12:54,399

and then book two so we're creeping up

341

00:12:59,269 --> 00:12:56,959

your your your bookshelf here

342

00:13:00,790 --> 00:12:59,279

what was that on non-fiction

343

00:13:02,550 --> 00:13:00,800

oh

344

00:13:04,829 --> 00:13:02,560

that was um

345

00:13:08,470 --> 00:13:04,839

when i kicked off the empire of the

346

00:13:10,550 --> 00:13:08,480

wheel books because about the time that

347

00:13:12,389 --> 00:13:10,560

i was finishing up my investigation on

348

00:13:14,949 --> 00:13:12,399

disneyland

349

00:13:16,470 --> 00:13:14,959

and working on that book i

350

00:13:19,509 --> 00:13:16,480

was

351
00:13:21,990 --> 00:13:19,519
i had fallen headlong into

352
00:13:24,870 --> 00:13:22,000
some very deep weirdness

353
00:13:26,550 --> 00:13:24,880
as a result of remote viewing

354
00:13:27,750 --> 00:13:26,560
as a matter of fact

355
00:13:29,350 --> 00:13:27,760
and

356
00:13:32,949 --> 00:13:29,360
i had

357
00:13:35,030 --> 00:13:32,959
i i i was actually following up on the

358
00:13:36,710 --> 00:13:35,040
disneyland research because one of these

359
00:13:38,550 --> 00:13:36,720
three taller currents i talked about

360
00:13:41,030 --> 00:13:38,560
intersecting in the park

361
00:13:43,350 --> 00:13:41,040
two of them actually they they if you

362
00:13:45,990 --> 00:13:43,360
follow them um

363
00:13:47,030 --> 00:13:46,000

out of the park in the northeastern

364

00:13:51,829 --> 00:13:47,040

direction

365

00:13:53,509 --> 00:13:51,839

what we call the inland empire out here

366

00:13:55,030 --> 00:13:53,519

californians out here will will know

367

00:13:56,710 --> 00:13:55,040

what i mean it's east of where

368

00:13:59,269 --> 00:13:56,720

disneyland is it's

369

00:14:01,030 --> 00:13:59,279

it's about halfway between palm springs

370

00:14:03,350 --> 00:14:01,040

and los angeles

371

00:14:07,189 --> 00:14:03,360

two of these lines that intersect at

372

00:14:08,710 --> 00:14:07,199

disneyland pass through this area okay

373

00:14:10,310 --> 00:14:08,720

and so

374

00:14:12,470 --> 00:14:10,320

i wanted to

375

00:14:15,110 --> 00:14:12,480

research if there was any

376

00:14:17,670 --> 00:14:15,120

strange you know relative phenomena that

377

00:14:21,110 --> 00:14:17,680

have been reported in the area and

378

00:14:22,949 --> 00:14:21,120

that's when i learned about a a haunting

379

00:14:25,030 --> 00:14:22,959

reports of a haunting

380

00:14:27,430 --> 00:14:25,040

at the local mall that that's been

381

00:14:28,389 --> 00:14:27,440

around here since 1967 called the inland

382

00:14:31,750 --> 00:14:28,399

center

383

00:14:34,710 --> 00:14:31,760

so when i went to follow up on that

384

00:14:37,350 --> 00:14:34,720

i met a librarian

385

00:14:38,470 --> 00:14:37,360

um ann walker

386

00:14:40,949 --> 00:14:38,480

who

387

00:14:43,189 --> 00:14:40,959

introduced me to the cora stanton

388

00:14:45,350 --> 00:14:43,199

mystery she's the one that

389

00:14:48,550 --> 00:14:45,360

had posted the ghost stories she told me

390

00:14:49,990 --> 00:14:48,560

the very interesting tales of the the

391

00:14:51,430 --> 00:14:50,000

the lady ghost

392

00:14:53,350 --> 00:14:51,440

that haunted one of the department

393

00:14:56,069 --> 00:14:53,360

stores i talked about that in the in the

394

00:14:58,629 --> 00:14:56,079

first empire the wheel book she said go

395

00:15:00,389 --> 00:14:58,639

to the library look up the old newspaper

396

00:15:02,230 --> 00:15:00,399

reports you'll see there's something

397

00:15:03,990 --> 00:15:02,240

funny going on

398

00:15:05,590 --> 00:15:04,000

and sure enough i agreed with her not

399

00:15:08,470 --> 00:15:05,600

only did i think something funny was

400

00:15:10,949 --> 00:15:08,480

going on i found six other deaths that

401
00:15:13,189 --> 00:15:10,959
happened within days or weeks

402
00:15:14,470 --> 00:15:13,199
of this mystery woman named cora

403
00:15:17,509 --> 00:15:14,480
stanton's death

404
00:15:20,470 --> 00:15:17,519
and i you know my gut instinct as an

405
00:15:22,230 --> 00:15:20,480
investigator and just as a person was

406
00:15:25,430 --> 00:15:22,240
there was some type of serial murders

407
00:15:28,310 --> 00:15:25,440
going on here this is very sacrifices it

408
00:15:29,590 --> 00:15:28,320
sounds like my goodness exactly and boy

409
00:15:31,030 --> 00:15:29,600
from there

410
00:15:32,949 --> 00:15:31,040
i just

411
00:15:33,910 --> 00:15:32,959
i dived into it

412
00:15:37,590 --> 00:15:33,920
and

413
00:15:40,949 --> 00:15:37,600

there was just uh esoteric mystical

414

00:15:41,670 --> 00:15:40,959

alchemical um dark occult stuff you name

415

00:15:44,230 --> 00:15:41,680

it

416

00:15:48,629 --> 00:15:44,240

that was just jumping out of these

417

00:15:51,350 --> 00:15:48,639

reports and it had not been talked about

418

00:15:53,829 --> 00:15:51,360

or written about by anyone for almost

419

00:15:58,230 --> 00:15:53,839

100 years it was as if it was something

420

00:15:59,749 --> 00:15:58,240

that san bernardino wanted deeply buried

421

00:16:01,590 --> 00:15:59,759

and i think they still do

422

00:16:04,230 --> 00:16:01,600

because you know i've had some

423

00:16:06,230 --> 00:16:04,240

interesting reactions from

424

00:16:08,389 --> 00:16:06,240

some places here when i was

425

00:16:10,150 --> 00:16:08,399

investigating i've been followed

426

00:16:12,790 --> 00:16:10,160

you know i was followed from you know

427

00:16:14,790 --> 00:16:12,800

around my neighborhood i i had you know

428

00:16:18,150 --> 00:16:14,800

someone at the coroner's office act

429

00:16:19,350 --> 00:16:18,160

really uh weird in a hostile manner

430

00:16:21,350 --> 00:16:19,360

towards me

431

00:16:23,269 --> 00:16:21,360

when i was you know requesting a nearly

432

00:16:25,670 --> 00:16:23,279

100 year old report just really

433

00:16:27,590 --> 00:16:25,680

interesting stuff and and anyway all of

434

00:16:28,389 --> 00:16:27,600

that led to the first empire the wheel

435

00:16:29,829 --> 00:16:28,399

book

436

00:16:32,230 --> 00:16:29,839

and then

437

00:16:36,949 --> 00:16:34,870

the one you know as i pulled more thread

438

00:16:38,629 --> 00:16:36,959

that really that ended up expanding into

439

00:16:40,389 --> 00:16:38,639

three books

440

00:16:42,230 --> 00:16:40,399

holy smokes so

441

00:16:45,030 --> 00:16:42,240

well i don't know any city that wants to

442

00:16:47,590 --> 00:16:45,040

shed light on uh blood and torture

443

00:16:49,509 --> 00:16:47,600

people you know so i get it it's like

444

00:16:50,870 --> 00:16:49,519

he's gonna break down our population

445

00:16:52,230 --> 00:16:50,880

everybody's going to want to move out or

446

00:16:53,269 --> 00:16:52,240

something right

447

00:16:55,350 --> 00:16:53,279

and you know

448

00:16:57,430 --> 00:16:55,360

also when i was investigating the first

449

00:17:00,230 --> 00:16:57,440

book early on

450

00:17:01,749 --> 00:17:00,240

um i had stumbled upon the stuff that

451
00:17:03,030 --> 00:17:01,759
led to

452
00:17:04,789 --> 00:17:03,040
when i was investigating the first time

453
00:17:05,990 --> 00:17:04,799
for the wheel book um you know i was

454
00:17:08,630 --> 00:17:06,000
talking about how when i was doing the

455
00:17:10,630 --> 00:17:08,640
burton book the beers book emerged out

456
00:17:12,949 --> 00:17:10,640
of that research well the secret

457
00:17:14,549 --> 00:17:12,959
missions one about juan cabrillo

458
00:17:16,230 --> 00:17:14,559
that emerged out of the empire of the

459
00:17:18,230 --> 00:17:16,240
wheel investigation

460
00:17:21,510 --> 00:17:18,240
and that kind of sat there for a while

461
00:17:22,710 --> 00:17:21,520
until i could get to it so um

462
00:17:24,949 --> 00:17:22,720
really

463
00:17:27,829 --> 00:17:24,959

and i discovered this as i went along

464

00:17:29,669 --> 00:17:27,839

and i've said this before recently

465

00:17:33,270 --> 00:17:29,679

all my non-fiction books have a

466

00:17:35,510 --> 00:17:33,280

legitimate thread of connection when you

467

00:17:37,669 --> 00:17:35,520

when you when you when you read them all

468

00:17:39,750 --> 00:17:37,679

you see that there is

469

00:17:42,630 --> 00:17:39,760

this thread of connection to all of them

470

00:17:45,270 --> 00:17:42,640

i had a feeling and looking at the books

471

00:17:47,110 --> 00:17:45,280

that i have here of yours it's like

472

00:17:49,830 --> 00:17:47,120

i mean a person just doesn't start off

473

00:17:52,789 --> 00:17:49,840

where you where you're at right now

474

00:17:55,110 --> 00:17:52,799

it's just like hold on you know

475

00:17:58,390 --> 00:17:55,120

in fact let's let's touch on that so

476
00:17:59,830 --> 00:17:58,400
shimmering light lost in an mk ultra

477
00:18:01,110 --> 00:17:59,840
house of a

478
00:18:01,990 --> 00:18:01,120
do tell

479
00:18:06,549 --> 00:18:02,000
let's

480
00:18:09,590 --> 00:18:06,559
what the heck is is going on with

481
00:18:15,430 --> 00:18:11,990
in general or in the case of what i'm

482
00:18:17,669 --> 00:18:15,440
writing about with my dad well yeah

483
00:18:19,590 --> 00:18:17,679
you know what i'll let you decide

484
00:18:22,470 --> 00:18:19,600
whichever you think is most relevant to

485
00:18:25,110 --> 00:18:22,480
to help explain to the audience

486
00:18:27,909 --> 00:18:25,120
how to even decipher

487
00:18:30,230 --> 00:18:27,919
yeah i think a lot of people are

488
00:18:31,510 --> 00:18:30,240

familiar with or have heard of mk ultra

489

00:18:34,710 --> 00:18:31,520

basically

490

00:18:36,549 --> 00:18:34,720

it was the program

491

00:18:39,029 --> 00:18:36,559

by the time it was called mk ultra i

492

00:18:40,630 --> 00:18:39,039

believe we were into the 1950s

493

00:18:41,590 --> 00:18:40,640

it was

494

00:18:42,950 --> 00:18:41,600

a

495

00:18:46,110 --> 00:18:42,960

wow

496

00:18:47,909 --> 00:18:46,120

how do you thumbnail this it was a

497

00:18:49,510 --> 00:18:47,919

psychological

498

00:18:51,430 --> 00:18:49,520

science

499

00:18:53,830 --> 00:18:51,440

uh program

500

00:18:55,430 --> 00:18:53,840

that was stood up by

501
00:18:56,549 --> 00:18:55,440
the cia

502
00:18:58,310 --> 00:18:56,559
okay

503
00:19:01,510 --> 00:18:58,320
um

504
00:19:04,390 --> 00:19:01,520
as a product a byproduct of

505
00:19:06,470 --> 00:19:04,400
the um the same kind of research

506
00:19:08,310 --> 00:19:06,480
that had started

507
00:19:12,630 --> 00:19:08,320
with the operation paperclip scientists

508
00:19:15,510 --> 00:19:12,640
that came from germany okay now mk ultra

509
00:19:16,710 --> 00:19:15,520
was actually the pursuit

510
00:19:19,350 --> 00:19:16,720
ultimately

511
00:19:21,590 --> 00:19:19,360
to find a way to create a mind

512
00:19:23,990 --> 00:19:21,600
controlled assassin

513
00:19:26,230 --> 00:19:24,000

that's what the cia that was big picture

514

00:19:30,150 --> 00:19:26,240

what they were trying to do now there

515

00:19:33,270 --> 00:19:30,160

were byproducts that came off of this

516

00:19:36,070 --> 00:19:33,280

one of them was learning how to erase

517

00:19:38,710 --> 00:19:36,080

people's memories

518

00:19:42,310 --> 00:19:38,720

one of the biggest ways they use this

519

00:19:46,070 --> 00:19:42,320

was through uh intense hypnosis okay

520

00:19:48,870 --> 00:19:46,080

they they were trying to pursue

521

00:19:52,789 --> 00:19:48,880

being able to create and control

522

00:19:55,270 --> 00:19:52,799

an assassin who wouldn't know what he or

523

00:19:57,750 --> 00:19:55,280

she was doing as an assassin

524

00:20:00,390 --> 00:19:57,760

when they were in their normal

525

00:20:02,310 --> 00:20:00,400

state okay their normal state of mind

526
00:20:05,510 --> 00:20:02,320
but just like in the film the manchurian

527
00:20:07,669 --> 00:20:05,520
candidate they wanted to be able to have

528
00:20:10,789 --> 00:20:07,679
a trigger okay

529
00:20:11,669 --> 00:20:10,799
um a word or or whatever

530
00:20:13,830 --> 00:20:11,679
to

531
00:20:15,909 --> 00:20:13,840
turn the switch on so that that

532
00:20:18,390 --> 00:20:15,919
particular assassin could be operational

533
00:20:21,110 --> 00:20:18,400
go do his or her job and then when they

534
00:20:23,350 --> 00:20:21,120
were done they could turn the switch off

535
00:20:24,630 --> 00:20:23,360
and when the switch was off the person

536
00:20:25,990 --> 00:20:24,640
theoretically

537
00:20:28,630 --> 00:20:26,000
could just go about their business in

538
00:20:30,710 --> 00:20:28,640

their life and they wanted to do this

539

00:20:33,830 --> 00:20:30,720

for what we call operational security

540

00:20:35,909 --> 00:20:33,840

just to ensure that it was classified

541

00:20:37,750 --> 00:20:35,919

you know because the assassin if they

542

00:20:40,230 --> 00:20:37,760

don't remember it

543

00:20:42,470 --> 00:20:40,240

um when they're when the switch is off

544

00:20:44,710 --> 00:20:42,480

then you know they won't be talking this

545

00:20:47,190 --> 00:20:44,720

was the goal this was the objective and

546

00:20:48,950 --> 00:20:47,200

in that they did all sorts of crazy

547

00:20:50,950 --> 00:20:48,960

things that ended up being very heinous

548

00:20:52,149 --> 00:20:50,960

things one of the things they played

549

00:20:55,830 --> 00:20:52,159

with was

550

00:20:57,510 --> 00:20:55,840

psychedelic drugs okay this is where lsd

551
00:20:59,669 --> 00:20:57,520
came from

552
00:21:02,470 --> 00:20:59,679
they were going around the cia guys

553
00:21:03,830 --> 00:21:02,480
testing lsd on uh

554
00:21:08,390 --> 00:21:03,840
witting

555
00:21:11,110 --> 00:21:08,400
subjects at one point you can read about

556
00:21:12,870 --> 00:21:11,120
the adventures of the party house that

557
00:21:14,630 --> 00:21:12,880
they had in san francisco where they

558
00:21:15,590 --> 00:21:14,640
would just invite a bunch of different

559
00:21:18,710 --> 00:21:15,600
people

560
00:21:20,149 --> 00:21:18,720
and they had the lsd in an aerosol can

561
00:21:22,149 --> 00:21:20,159
and they would just spray this in the

562
00:21:24,390 --> 00:21:22,159
air and they would have people breathing

563
00:21:26,549 --> 00:21:24,400

it and then they would observe how they

564

00:21:27,750 --> 00:21:26,559

would react and of course as you can

565

00:21:33,669 --> 00:21:27,760

imagine

566

00:21:38,710 --> 00:21:35,830

um when you know another scientist

567

00:21:40,710 --> 00:21:38,720

slipped it into his uh drink

568

00:21:43,350 --> 00:21:40,720

and you know he ends up in the hospital

569

00:21:45,029 --> 00:21:43,360

oh what are co-workers for of course

570

00:21:47,830 --> 00:21:45,039

exactly

571

00:21:49,669 --> 00:21:47,840

another guy ended up uh killing himself

572

00:21:51,750 --> 00:21:49,679

jumping out of a window

573

00:21:54,310 --> 00:21:51,760

as a result of this

574

00:21:57,510 --> 00:21:54,320

and that was one of those things that

575

00:22:00,390 --> 00:21:57,520

ultimately in 1973 the cia was hauled

576
00:22:02,310 --> 00:22:00,400
before congress and they had to testify

577
00:22:03,510 --> 00:22:02,320
about all of this all these things they

578
00:22:04,470 --> 00:22:03,520
had been doing

579
00:22:06,950 --> 00:22:04,480
since

580
00:22:09,830 --> 00:22:06,960
the early 50s and all through the 50s

581
00:22:13,830 --> 00:22:09,840
and all through the 60s now where it

582
00:22:17,750 --> 00:22:13,840
starts to tie into what i wrote about in

583
00:22:20,789 --> 00:22:17,760
shimmering light about my dad is when i

584
00:22:22,710 --> 00:22:20,799
discovered that during the early days of

585
00:22:25,270 --> 00:22:22,720
mk ultra

586
00:22:26,470 --> 00:22:25,280
the military was very enthusiastic about

587
00:22:27,350 --> 00:22:26,480
this technology

588
00:22:28,669 --> 00:22:27,360

and

589

00:22:31,270 --> 00:22:28,679

the most

590

00:22:33,510 --> 00:22:31,280

enthusiastic branch of the military that

591

00:22:35,750 --> 00:22:33,520

really loved this stuff

592

00:22:38,549 --> 00:22:35,760

was the united states air force they

593

00:22:39,350 --> 00:22:38,559

were the most enthused about mk ultra

594

00:22:42,549 --> 00:22:39,360

and

595

00:22:45,430 --> 00:22:42,559

they eventually started their own

596

00:22:47,430 --> 00:22:45,440

mk ultra technology program now here's

597

00:22:49,750 --> 00:22:47,440

the beauty of this heidi

598

00:22:52,149 --> 00:22:49,760

and we we hear about the church

599

00:22:53,750 --> 00:22:52,159

committee in 1973 where the cia had

600

00:22:56,630 --> 00:22:53,760

become clean

601
00:22:58,950 --> 00:22:56,640
the dod and the u.s air force have never

602
00:23:01,990 --> 00:22:58,960
had to go before congress

603
00:23:04,549 --> 00:23:02,000
and tell everyone about their mk ultra

604
00:23:06,470 --> 00:23:04,559
program in other words

605
00:23:08,789 --> 00:23:06,480
they were left out of this

606
00:23:10,390 --> 00:23:08,799
the cia admitted to what they were doing

607
00:23:11,350 --> 00:23:10,400
but the air force has never had to

608
00:23:13,270 --> 00:23:11,360
reveal

609
00:23:14,630 --> 00:23:13,280
what i'm not surprised they're always

610
00:23:16,230 --> 00:23:14,640
the ones that are caught with their

611
00:23:19,190 --> 00:23:16,240
hands in the cookie jar when it comes to

612
00:23:20,870 --> 00:23:19,200
like military abductions sacred space

613
00:23:22,950 --> 00:23:20,880

program anything and everything out of

614

00:23:24,310 --> 00:23:22,960

the ordinary that's abusing

615

00:23:26,549 --> 00:23:24,320

the public

616

00:23:28,789 --> 00:23:26,559

well i a lot of that gets exaggerated

617

00:23:31,190 --> 00:23:28,799

you know i i'm an air force officer so

618

00:23:34,230 --> 00:23:31,200

you know reserve inactive let me add

619

00:23:36,710 --> 00:23:34,240

that so people don't freak out um and i

620

00:23:38,390 --> 00:23:36,720

and i was a i was a special agent in

621

00:23:39,510 --> 00:23:38,400

that group of

622

00:23:41,830 --> 00:23:39,520

you know

623

00:23:44,310 --> 00:23:41,840

one of them that's right i was an osi

624

00:23:46,149 --> 00:23:44,320

guy and so i know how i know how the air

625

00:23:47,750 --> 00:23:46,159

force works in general i will tell you

626

00:23:51,270 --> 00:23:47,760

they are the most

627

00:23:53,110 --> 00:23:51,280

um as far as their uh public relations

628

00:23:56,149 --> 00:23:53,120

goes and stuff like that they are the

629

00:23:57,909 --> 00:23:56,159

most conservative branch they really

630

00:24:00,870 --> 00:23:57,919

they really

631

00:24:03,110 --> 00:24:00,880

really strive to they try i'm not saying

632

00:24:05,029 --> 00:24:03,120

they achieve this but they try to be if

633

00:24:07,350 --> 00:24:05,039

if there's any branch that has the you

634

00:24:09,350 --> 00:24:07,360

know the choir boys in it the air force

635

00:24:11,350 --> 00:24:09,360

would look would love to be that branch

636

00:24:13,190 --> 00:24:11,360

because i wonder how proud they are of

637

00:24:15,590 --> 00:24:13,200

you at this moment um

638

00:24:17,830 --> 00:24:15,600

walter we've got to get to our first

639

00:24:19,350 --> 00:24:17,840

break uh and we'll start off where we

640

00:24:21,110 --> 00:24:19,360

left off you guys are listening to me

641

00:24:22,870 --> 00:24:21,120

heidi hollis the outlander and we will

642

00:24:24,310 --> 00:24:22,880

be right back

643

00:24:25,830 --> 00:24:24,320

[Music]

644

00:24:27,350 --> 00:24:25,840

welcome back everybody you're listening

645

00:24:29,110 --> 00:24:27,360

to me heidi house the outlander

646

00:24:31,190 --> 00:24:29,120

remembering always if it's weird we're

647

00:24:33,350 --> 00:24:31,200

here we're giving you advice and insight

648

00:24:35,510 --> 00:24:33,360

on outlandish topics phone lines are

649

00:24:37,750 --> 00:24:35,520

always open but i do realize most of you

650

00:24:39,350 --> 00:24:37,760

guys listen to us through the app so

651

00:24:42,909 --> 00:24:39,360

you're not listening to us live so it's

652

00:24:48,549 --> 00:24:45,750

1-888-919-2355 and i have walter bosley

653

00:24:51,110 --> 00:24:48,559

who is just shimmying down the rankings

654

00:24:55,430 --> 00:24:51,120

of the united states air force and his

655

00:24:59,990 --> 00:24:57,269

that he had

656

00:25:02,310 --> 00:25:00,000

he dedicated to this country which is

657

00:25:05,590 --> 00:25:02,320

but you're you're sharing how the united

658

00:25:07,190 --> 00:25:05,600

states air force did not have to

659

00:25:09,110 --> 00:25:07,200

i don't know go to confession like

660

00:25:11,590 --> 00:25:09,120

everybody else did right

661

00:25:13,669 --> 00:25:11,600

as if they're untouchable in a lot of

662

00:25:15,269 --> 00:25:13,679

ways now why is that when the navy is a

663

00:25:16,310 --> 00:25:15,279

lot older than the air force what is

664

00:25:20,789 --> 00:25:16,320

this

665

00:25:22,950 --> 00:25:20,799

dig in as an air force guy

666

00:25:25,510 --> 00:25:22,960

here it comes i know you guys you know

667

00:25:29,029 --> 00:25:25,520

uh i hate to say it but world war ii

668

00:25:31,350 --> 00:25:29,039

kind of kind of prove that uh

669

00:25:33,830 --> 00:25:31,360

air power is uh

670

00:25:36,310 --> 00:25:33,840

where it's at baby

671

00:25:37,750 --> 00:25:36,320

uh you know in in the world war one era

672

00:25:40,230 --> 00:25:37,760

you know remember between world war one

673

00:25:41,990 --> 00:25:40,240

and world war ii we had uh you know a

674

00:25:43,029 --> 00:25:42,000

couple of guys get in trouble you know

675

00:25:44,870 --> 00:25:43,039

the point where they were even

676
00:25:47,909 --> 00:25:44,880
court-martialed over saying that same

677
00:25:49,830 --> 00:25:47,919
thing but world war ii proved it um

678
00:25:51,750 --> 00:25:49,840
no there's a friendly little rivalry

679
00:25:54,390 --> 00:25:51,760
going on there because uh

680
00:25:55,750 --> 00:25:54,400
you know um what i think you know it's

681
00:25:58,149 --> 00:25:55,760
interesting that's a good question you

682
00:26:00,630 --> 00:25:58,159
ask why why do they seem to be

683
00:26:03,110 --> 00:26:00,640
untouchable why have they not been

684
00:26:04,070 --> 00:26:03,120
made to confess this up and that gets

685
00:26:06,470 --> 00:26:04,080
into

686
00:26:08,950 --> 00:26:06,480
again one of the things in the book i

687
00:26:10,470 --> 00:26:08,960
think one of the reasons and i hadn't

688
00:26:11,590 --> 00:26:10,480

thought of it this way so that's a very

689

00:26:13,029 --> 00:26:11,600

good question

690

00:26:14,630 --> 00:26:13,039

one of the reasons

691

00:26:17,110 --> 00:26:14,640

why probably

692

00:26:19,750 --> 00:26:17,120

they've been left alone uh might be

693

00:26:21,909 --> 00:26:19,760

because of a secret space program right

694

00:26:24,630 --> 00:26:21,919

yeah because i was thinking the same

695

00:26:27,029 --> 00:26:24,640

you know if this is connected in any way

696

00:26:29,510 --> 00:26:27,039

to a secret space program you know we

697

00:26:31,430 --> 00:26:29,520

don't want to reveal that so we don't

698

00:26:33,430 --> 00:26:31,440

we don't want to haul these guys up and

699

00:26:35,430 --> 00:26:33,440

have to spill those beans yeah and be

700

00:26:37,269 --> 00:26:35,440

like so you really want us to tell

701
00:26:39,830 --> 00:26:37,279
everything do you really want to make me

702
00:26:41,669 --> 00:26:39,840
sweat on the stand do you really want to

703
00:26:43,350 --> 00:26:41,679
do this to me okay i'll tell you

704
00:26:45,269 --> 00:26:43,360
everything you know yeah it's like okay

705
00:26:47,029 --> 00:26:45,279
okay okay never mind never mind i guess

706
00:26:48,950 --> 00:26:47,039
so see that so

707
00:26:52,230 --> 00:26:48,960
yeah they get off and i don't as i say

708
00:26:53,669 --> 00:26:52,240
in the book you know i don't condemn

709
00:26:55,750 --> 00:26:53,679
and we'll get into this when we start

710
00:26:58,470 --> 00:26:55,760
talking about my dad and what you know

711
00:27:01,269 --> 00:26:58,480
what might have been done in his case

712
00:27:04,070 --> 00:27:01,279
i still don't condem

713
00:27:05,350 --> 00:27:04,080

them for using this on my dad if they

714

00:27:07,909 --> 00:27:05,360

indeed did

715

00:27:09,909 --> 00:27:07,919

because i still right now i'm convinced

716

00:27:11,510 --> 00:27:09,919

that he would have and he and the other

717

00:27:13,669 --> 00:27:11,520

guys he worked with would have agreed to

718

00:27:16,310 --> 00:27:13,679

this voluntarily i think in the 50s it

719

00:27:19,029 --> 00:27:16,320

was a new toy and you know they they

720

00:27:21,590 --> 00:27:19,039

were learning new ways to try to keep

721

00:27:24,630 --> 00:27:21,600

operational security to maintain a

722

00:27:26,549 --> 00:27:24,640

classified secret and i could see them

723

00:27:28,070 --> 00:27:26,559

you know saying to the personnel hey

724

00:27:29,750 --> 00:27:28,080

guys if you're going to be part of this

725

00:27:32,149 --> 00:27:29,760

extra special project we're using this

726

00:27:33,110 --> 00:27:32,159

new mk ultra stuff and we're going to be

727

00:27:34,630 --> 00:27:33,120

able to

728

00:27:36,470 --> 00:27:34,640

after you're done we're going to be able

729

00:27:38,230 --> 00:27:36,480

to just hypnotize you a little bit and

730

00:27:39,669 --> 00:27:38,240

you won't even have to worry about

731

00:27:41,110 --> 00:27:39,679

slipping up and talking about this stuff

732

00:27:43,430 --> 00:27:41,120

because it'll suppress it and i could

733

00:27:45,029 --> 00:27:43,440

see my dad and the other guys going hey

734

00:27:47,430 --> 00:27:45,039

cool sounds good to me

735

00:27:49,990 --> 00:27:47,440

let's rock and roll you know i i could

736

00:27:50,950 --> 00:27:50,000

see that i could see this being

737

00:27:53,110 --> 00:27:50,960

you know

738

00:27:54,710 --> 00:27:53,120

in the air force application at least

739

00:27:56,870 --> 00:27:54,720

you know where my dad's part would be

740

00:27:59,430 --> 00:27:56,880

concerned i could see this being kind of

741

00:28:01,510 --> 00:27:59,440

on a naive

742

00:28:04,230 --> 00:28:01,520

kind of look at the new toy we've got in

743

00:28:06,389 --> 00:28:04,240

our toolbox kind of thing and then

744

00:28:08,310 --> 00:28:06,399

later realizing oh

745

00:28:10,549 --> 00:28:08,320

heck look what this does to these guys

746

00:28:12,070 --> 00:28:10,559

because i do think it affected my dad in

747

00:28:14,070 --> 00:28:12,080

a negative way

748

00:28:15,110 --> 00:28:14,080

the rest of his life

749

00:28:17,350 --> 00:28:15,120

but i

750

00:28:18,230 --> 00:28:17,360

really don't think that it was intended

751
00:28:20,549 --> 00:28:18,240
to

752
00:28:23,269 --> 00:28:20,559
or it was something that they knew about

753
00:28:26,230 --> 00:28:23,279
but neglected i think it was just

754
00:28:27,830 --> 00:28:26,240
you know just the way it was

755
00:28:28,710 --> 00:28:27,840
so how do we

756
00:28:31,990 --> 00:28:28,720
get

757
00:28:34,470 --> 00:28:32,000
our tail ends into space how did the air

758
00:28:39,909 --> 00:28:34,480
force get the goods on this or was it

759
00:28:46,230 --> 00:28:42,549
well for the record i think both

760
00:28:47,190 --> 00:28:46,240
both of those branches are the ones that

761
00:28:48,070 --> 00:28:47,200
make up

762
00:28:52,630 --> 00:28:48,080
the

763
00:28:54,710 --> 00:28:52,640

program is and i think

764

00:28:57,830 --> 00:28:54,720

it all and i get into this in the book

765

00:29:00,470 --> 00:28:57,840

of course in great detail

766

00:29:02,630 --> 00:29:00,480

if it's and it's all there in documented

767

00:29:04,070 --> 00:29:02,640

history about world war ii and operation

768

00:29:08,070 --> 00:29:04,080

paper clip

769

00:29:10,630 --> 00:29:08,080

you had from the 1920s in the 1930s

770

00:29:12,230 --> 00:29:10,640

aviation scientists in the united states

771

00:29:14,950 --> 00:29:12,240

in germany france other parts of the

772

00:29:17,350 --> 00:29:14,960

world who were pursuing

773

00:29:18,470 --> 00:29:17,360

in a nutshell the ability

774

00:29:21,350 --> 00:29:18,480

to

775

00:29:24,870 --> 00:29:21,360

keep a pilot and an air crew safe and

776

00:29:26,310 --> 00:29:24,880

functional alive in high altitudes okay

777

00:29:27,990 --> 00:29:26,320

because the guys engineering the

778

00:29:29,830 --> 00:29:28,000

aerospace engineers were trying to build

779

00:29:31,750 --> 00:29:29,840

those planes to go faster and higher

780

00:29:34,950 --> 00:29:31,760

each day right

781

00:29:36,789 --> 00:29:34,960

and so you had your aviation scientists

782

00:29:39,669 --> 00:29:36,799

most of these guys were medical doctors

783

00:29:42,950 --> 00:29:39,679

that's where we get aviation medicine as

784

00:29:45,110 --> 00:29:42,960

a field okay and and that's where

785

00:29:46,149 --> 00:29:45,120

believe it or not the great advancements

786

00:29:46,950 --> 00:29:46,159

in

787

00:29:49,110 --> 00:29:46,960

uh

788

00:29:51,350 --> 00:29:49,120

secret space program in space technology

789

00:29:52,950 --> 00:29:51,360

really came from as these aviation

790

00:29:54,870 --> 00:29:52,960

medicine scientists

791

00:29:57,110 --> 00:29:54,880

were pushing

792

00:29:59,190 --> 00:29:57,120

you know the ability to keep

793

00:30:01,110 --> 00:29:59,200

pilots and air crews safe and alive and

794

00:30:03,669 --> 00:30:01,120

functional in those high altitudes now

795

00:30:06,310 --> 00:30:03,679

what you had was a guy named colonel

796

00:30:08,389 --> 00:30:06,320

harry armstrong who was a us army air

797

00:30:10,149 --> 00:30:08,399

corps and he was one of the main

798

00:30:13,110 --> 00:30:10,159

instrumental guys behind operation

799

00:30:15,830 --> 00:30:13,120

pay-per-click he was pushing to get i

800

00:30:17,590 --> 00:30:15,840

believe the total was 58 of these german

801
00:30:19,590 --> 00:30:17,600
scientists who were who had been

802
00:30:22,389 --> 00:30:19,600
involved in varying degrees with

803
00:30:24,789 --> 00:30:22,399
aviation medicine science okay

804
00:30:27,430 --> 00:30:24,799
to get them into the united states to

805
00:30:28,870 --> 00:30:27,440
advance our

806
00:30:31,669 --> 00:30:28,880
aviation medicine or what we call

807
00:30:32,950 --> 00:30:31,679
aerospace medicine after that uh for the

808
00:30:35,269 --> 00:30:32,960
united states for the benefit of the

809
00:30:36,389 --> 00:30:35,279
united states okay and that that really

810
00:30:38,710 --> 00:30:36,399
when you look at the history of

811
00:30:40,870 --> 00:30:38,720
operation paperclip and it blew my mind

812
00:30:42,789 --> 00:30:40,880
um everybody thinks that it was the bomb

813
00:30:45,110 --> 00:30:42,799

that was driving that and that was very

814

00:30:47,029 --> 00:30:45,120

much a big part of it okay but actually

815

00:30:48,630 --> 00:30:47,039

when you dig into the history of

816

00:30:50,789 --> 00:30:48,640

operation paperclip you'll see that it

817

00:30:53,510 --> 00:30:50,799

was the air core guys the eventually the

818

00:30:55,590 --> 00:30:53,520

air force guys and it was really about

819

00:30:56,870 --> 00:30:55,600

the drive to get the aviation medicine

820

00:30:58,310 --> 00:30:56,880

guys

821

00:31:00,870 --> 00:30:58,320

that were all about putting people at

822

00:31:02,789 --> 00:31:00,880

higher altitudes and then by the time

823

00:31:04,789 --> 00:31:02,799

otis benson

824

00:31:07,269 --> 00:31:04,799

took over aviation medicine for the

825

00:31:09,430 --> 00:31:07,279

united states air force in the late 40s

826

00:31:11,190 --> 00:31:09,440

early 50s it became when you look at

827

00:31:13,990 --> 00:31:11,200

what he was doing it became all about

828

00:31:16,470 --> 00:31:14,000

putting man in space okay so you've got

829

00:31:17,510 --> 00:31:16,480

that context going into the 50s all

830

00:31:19,990 --> 00:31:17,520

right

831

00:31:20,870 --> 00:31:20,000

really you've got benson driving this

832

00:31:23,350 --> 00:31:20,880

um

833

00:31:25,350 --> 00:31:23,360

you've got the us air force driving this

834

00:31:27,269 --> 00:31:25,360

through aviation medicine okay you got

835

00:31:30,710 --> 00:31:27,279

the ufo that crashed in roswell that

836

00:31:33,590 --> 00:31:30,720

they stole the technology from yeah well

837

00:31:36,389 --> 00:31:33,600

you know that that's we'll get to that

838

00:31:39,029 --> 00:31:36,399

okay okay yeah but but you've got you

839

00:31:41,110 --> 00:31:39,039

got this context you've got

840

00:31:42,789 --> 00:31:41,120

you know benson driving this the u.s air

841

00:31:45,029 --> 00:31:42,799

force aviation medicine is going that

842

00:31:47,909 --> 00:31:45,039

way really put man in space

843

00:31:50,549 --> 00:31:47,919

in by 1955 when my dad joins the air

844

00:31:52,950 --> 00:31:50,559

force okay now what happened to him

845

00:31:55,269 --> 00:31:52,960

specifically that the book focuses on

846

00:31:56,230 --> 00:31:55,279

happened in 1958

847

00:31:58,549 --> 00:31:56,240

and

848

00:32:01,269 --> 00:31:58,559

that's where actually we have to come

849

00:32:02,870 --> 00:32:01,279

back to roswell okay

850

00:32:04,549 --> 00:32:02,880

so that was good timing

851

00:32:05,350 --> 00:32:04,559

uh

852

00:32:10,389 --> 00:32:05,360

you

853

00:32:12,230 --> 00:32:10,399

otis benson who is involved in this

854

00:32:14,149 --> 00:32:12,240

during the paper clip era he was

855

00:32:15,990 --> 00:32:14,159

involved with heidelberg and all that at

856

00:32:18,149 --> 00:32:16,000

the end of the war getting them to

857

00:32:19,350 --> 00:32:18,159

you know bring the paper clip guys over

858

00:32:22,230 --> 00:32:19,360

and stuff

859

00:32:23,830 --> 00:32:22,240

and you've got all these paper clip

860

00:32:27,590 --> 00:32:23,840

scientists

861

00:32:31,029 --> 00:32:27,600

right there in new mexico in 1947

862

00:32:33,750 --> 00:32:31,039

okay and a lot of them again are these

863

00:32:35,750 --> 00:32:33,760

aviation medicine guys the other ones

864

00:32:37,430 --> 00:32:35,760

are the rocket guys werner von braun in

865

00:32:39,269 --> 00:32:37,440

them willie lay

866

00:32:40,549 --> 00:32:39,279

and uh

867

00:32:43,750 --> 00:32:40,559

oberth

868

00:32:44,710 --> 00:32:43,760

in them there they are

869

00:32:45,750 --> 00:32:44,720

okay

870

00:32:47,990 --> 00:32:45,760

it's

871

00:32:49,590 --> 00:32:48,000

uh uh less than a year and a half after

872

00:32:51,430 --> 00:32:49,600

or maybe a year and a half after the end

873

00:32:53,909 --> 00:32:51,440

of the war okay

874

00:32:55,669 --> 00:32:53,919

you got these guys these germans who

875

00:32:58,070 --> 00:32:55,679

from the time they were little kids have

876

00:32:59,430 --> 00:32:58,080

dreamed about putting man in space

877

00:33:01,509 --> 00:32:59,440

you've got their

878

00:33:03,350 --> 00:33:01,519

their ingenious rocket engineers the

879

00:33:04,389 --> 00:33:03,360

ones we got you know the russians got

880

00:33:06,950 --> 00:33:04,399

their share

881

00:33:09,029 --> 00:33:06,960

you've got the aviation medicine guys

882

00:33:11,029 --> 00:33:09,039

and then you've got the us army air

883

00:33:13,110 --> 00:33:11,039

corps eventually the air force but at

884

00:33:15,430 --> 00:33:13,120

the time still the us army air corps

885

00:33:17,909 --> 00:33:15,440

with harry armstrong and those guys and

886

00:33:19,110 --> 00:33:17,919

they really dream about putting man in

887

00:33:22,310 --> 00:33:19,120

space

888

00:33:23,350 --> 00:33:22,320

and here is no relation to neil right

889

00:33:25,830 --> 00:33:23,360

right

890

00:33:27,029 --> 00:33:25,840

not that not that i ever found but i

891

00:33:29,830 --> 00:33:27,039

didn't know

892

00:33:32,149 --> 00:33:29,840

that there could be so here you have all

893

00:33:34,389 --> 00:33:32,159

these guys in the right place

894

00:33:36,710 --> 00:33:34,399

with the same vision

895

00:33:38,870 --> 00:33:36,720

we've you know the united states you

896

00:33:41,909 --> 00:33:38,880

know and the allies have just won the

897

00:33:43,669 --> 00:33:41,919

war right um we're heading right into

898

00:33:45,750 --> 00:33:43,679

the cold war they're getting a bunch of

899

00:33:48,149 --> 00:33:45,760

money thrown their way they pretty much

900

00:33:50,710 --> 00:33:48,159

feel like they can do whatever they want

901
00:33:51,509 --> 00:33:50,720
so i ask the reader i ask people all the

902
00:33:53,750 --> 00:33:51,519
time

903
00:33:56,149 --> 00:33:53,760
what do you think they would have tried

904
00:33:57,750 --> 00:33:56,159
the best german or the the best rocket

905
00:33:59,909 --> 00:33:57,760
scientist the united states could get

906
00:34:01,909 --> 00:33:59,919
their hands on the best aviation

907
00:34:04,830 --> 00:34:01,919
medicine technology the united states

908
00:34:06,950 --> 00:34:04,840
get their hand on a bunch of money and a

909
00:34:09,349 --> 00:34:06,960
secret installation out there to do

910
00:34:12,790 --> 00:34:09,359
whatever you wanted i argue

911
00:34:14,790 --> 00:34:12,800
that the big secret of roswell is not

912
00:34:17,430 --> 00:34:14,800
that it was extraterrestrial

913
00:34:19,270 --> 00:34:17,440

is that it was a first

914

00:34:22,790 --> 00:34:19,280

and classified

915

00:34:25,109 --> 00:34:22,800

attempt at manned space travel by

916

00:34:26,950 --> 00:34:25,119

the united states but the united states

917

00:34:29,109 --> 00:34:26,960

army air corps and their german

918

00:34:31,109 --> 00:34:29,119

scientists right there in new mexico i

919

00:34:33,349 --> 00:34:31,119

think it was very very classified

920

00:34:35,589 --> 00:34:33,359

because we were already in the cold war

921

00:34:38,550 --> 00:34:35,599

okay we did not want the russians to

922

00:34:41,589 --> 00:34:38,560

know that we were attempting to do this

923

00:34:43,349 --> 00:34:41,599

okay and i think they put them up there

924

00:34:44,790 --> 00:34:43,359

and i think on the way back down is when

925

00:34:46,389 --> 00:34:44,800

they crashed

926

00:34:49,030 --> 00:34:46,399

and they were willing and they grew

927

00:34:50,869 --> 00:34:49,040

extra fingers because these things that

928

00:34:52,110 --> 00:34:50,879

people described didn't quite look look

929

00:34:54,550 --> 00:34:52,120

right maybe they got distorted

930

00:34:55,829 --> 00:34:54,560

[Music]

931

00:34:56,950 --> 00:34:55,839

no there's a problem with these

932

00:34:58,150 --> 00:34:56,960

witnesses

933

00:35:00,150 --> 00:34:58,160

roswell

934

00:35:02,150 --> 00:35:00,160

all this stuff we've heard from all

935

00:35:03,829 --> 00:35:02,160

these witnesses and all this stuff

936

00:35:05,990 --> 00:35:03,839

really fell apart

937

00:35:07,270 --> 00:35:06,000

into a pile of nonsense

938

00:35:09,589 --> 00:35:07,280

the witnesses

939

00:35:13,109 --> 00:35:09,599

have there goes the roswell celebration

940

00:35:14,710 --> 00:35:13,119

everybody man yes dropped well you know

941

00:35:16,470 --> 00:35:14,720

they have a big you know roswell new

942

00:35:17,990 --> 00:35:16,480

mexico it's a it's a big

943

00:35:21,030 --> 00:35:18,000

well it's big money now they've got to

944

00:35:22,630 --> 00:35:21,040

keep doing that you know because

945

00:35:24,470 --> 00:35:22,640

you know the local merchants probably

946

00:35:26,550 --> 00:35:24,480

rely on it it's you know that's a

947

00:35:27,430 --> 00:35:26,560

separate thing but i hate to tell them

948

00:35:31,349 --> 00:35:27,440

you know

949

00:35:33,109 --> 00:35:31,359

the roswell as e.t event the whole thing

950

00:35:35,589 --> 00:35:33,119

has fallen apart it doesn't you just

951
00:35:37,510 --> 00:35:35,599
lost your space in their parade that's

952
00:35:41,829 --> 00:35:37,520
all i'm going to say walter oh i i lost

953
00:35:44,870 --> 00:35:42,710
but

954
00:35:46,230 --> 00:35:44,880
i think they were willing to let

955
00:35:47,670 --> 00:35:46,240
anything

956
00:35:49,829 --> 00:35:47,680
get out there

957
00:35:52,230 --> 00:35:49,839
let people believe anything other than

958
00:35:53,670 --> 00:35:52,240
it was a first manned attempt

959
00:35:55,990 --> 00:35:53,680
okay so

960
00:35:59,430 --> 00:35:56,000
yeah flying saucer oh yeah yeah yeah

961
00:36:01,109 --> 00:35:59,440
that's it um oh okay gray's you know oh

962
00:36:03,670 --> 00:36:01,119
great these people are going off on this

963
00:36:06,630 --> 00:36:03,680

tangent now for 50 years that this is

964

00:36:08,550 --> 00:36:06,640

going to be aliens wonderful great cover

965

00:36:11,270 --> 00:36:08,560

okay

966

00:36:16,710 --> 00:36:13,190

that is what i think

967

00:36:19,430 --> 00:36:16,720

very possibly roswell was

968

00:36:22,710 --> 00:36:21,349

do you have this this perspective

969

00:36:25,349 --> 00:36:22,720

because i have met

970

00:36:27,990 --> 00:36:25,359

people who claim to have worked for the

971

00:36:30,790 --> 00:36:28,000

government and who

972

00:36:32,710 --> 00:36:30,800

imitated abductions

973

00:36:34,710 --> 00:36:32,720

though they weren't abductions so is it

974

00:36:36,870 --> 00:36:34,720

does this come to you

975

00:36:38,470 --> 00:36:36,880

because you have heard of the same kind

976
00:36:40,630 --> 00:36:38,480
of uh

977
00:36:42,150 --> 00:36:40,640
project of of our government abducting

978
00:36:46,390 --> 00:36:42,160
people trying to make them believe they

979
00:36:48,630 --> 00:36:47,109
yeah

980
00:36:51,349 --> 00:36:48,640
i don't i

981
00:36:54,950 --> 00:36:51,359
i don't know what to say to that because

982
00:36:57,670 --> 00:36:54,960
there there is just so much untruth

983
00:36:59,829 --> 00:36:57,680
and nonsense that gets mixed up in that

984
00:37:01,510 --> 00:36:59,839
whole thing that

985
00:37:02,870 --> 00:37:01,520
uh

986
00:37:06,230 --> 00:37:02,880
i i

987
00:37:08,550 --> 00:37:06,240
you are so air force oh my gosh oh no no

988
00:37:09,430 --> 00:37:08,560

be specific you've had people tell you

989

00:37:11,030 --> 00:37:09,440

that

990

00:37:13,270 --> 00:37:11,040

they've been about

991

00:37:14,310 --> 00:37:13,280

to convince them that roswell was an e.t

992

00:37:16,950 --> 00:37:14,320

event

993

00:37:19,670 --> 00:37:16,960

no people that worked for the government

994

00:37:22,230 --> 00:37:19,680

who were ordered to create fake

995

00:37:24,470 --> 00:37:22,240

abductions to make people believe they

996

00:37:26,230 --> 00:37:24,480

were abducted that's why i'm wondering

997

00:37:27,670 --> 00:37:26,240

if that's a connection yeah that's

998

00:37:29,510 --> 00:37:27,680

that's it's

999

00:37:30,870 --> 00:37:29,520

we were talking about roswell and i was

1000

00:37:33,430 --> 00:37:30,880

just trying to find the

1001
00:37:35,270 --> 00:37:33,440
connection there that whole other the

1002
00:37:37,270 --> 00:37:35,280
military abduction thing that's that's

1003
00:37:39,270 --> 00:37:37,280
that's a whole other topic well i mean

1004
00:37:41,910 --> 00:37:39,280
like literally like you know just like

1005
00:37:43,750 --> 00:37:41,920
the reboot of the x-files it was it was

1006
00:37:46,230 --> 00:37:43,760
the government faking

1007
00:37:48,150 --> 00:37:46,240
uh alien abductions you know making

1008
00:37:49,750 --> 00:37:48,160
people think that they were being taken

1009
00:37:51,349 --> 00:37:49,760
by aliens when there was no such thing

1010
00:37:53,750 --> 00:37:51,359
it was all people doing it in our

1011
00:37:55,510 --> 00:37:53,760
government so okay and when i was saying

1012
00:37:57,190 --> 00:37:55,520
they were willing to let anything cover

1013
00:37:59,190 --> 00:37:57,200

for roswell yeah okay

1014

00:38:02,069 --> 00:37:59,200

i was addressing specifically back then

1015

00:38:04,390 --> 00:38:02,079

in 47 and then

1016

00:38:06,390 --> 00:38:04,400

yeah i understand yeah yeah

1017

00:38:08,230 --> 00:38:06,400

yeah um uh yeah the abduction thing

1018

00:38:09,270 --> 00:38:08,240

that's that's something that i think

1019

00:38:10,550 --> 00:38:09,280

started

1020

00:38:13,510 --> 00:38:10,560

later and

1021

00:38:14,230 --> 00:38:13,520

and uh oh

1022

00:38:16,630 --> 00:38:14,240

but

1023

00:38:17,750 --> 00:38:16,640

or was being done by somebody else which

1024

00:38:20,150 --> 00:38:17,760

again

1025

00:38:21,910 --> 00:38:20,160

there's another topic that

1026

00:38:24,069 --> 00:38:21,920

is very interesting in itself but

1027

00:38:26,150 --> 00:38:24,079

specifically on roswell when you look at

1028

00:38:28,630 --> 00:38:26,160

what happened you know what we're told

1029

00:38:30,230 --> 00:38:28,640

what we think happened what we hear

1030

00:38:36,470 --> 00:38:30,240

i propose that when you look at the

1031

00:38:42,310 --> 00:38:40,150

explanation is this first manned

1032

00:38:45,270 --> 00:38:42,320

space attempt that they wanted to keep

1033

00:38:46,870 --> 00:38:45,280

classified now to answer two things come

1034

00:38:47,750 --> 00:38:46,880

out of this number one

1035

00:38:49,829 --> 00:38:47,760

okay

1036

00:38:52,550 --> 00:38:49,839

why and how would this first manned

1037

00:38:53,910 --> 00:38:52,560

attempt remain so classified for all

1038

00:38:54,870 --> 00:38:53,920

these years

1039

00:38:55,990 --> 00:38:54,880

well

1040

00:39:01,109 --> 00:38:56,000

if

1041

00:39:02,230 --> 00:39:01,119

a secret space program that continues to

1042

00:39:04,710 --> 00:39:02,240

this day

1043

00:39:06,230 --> 00:39:04,720

there's your reason why and how they

1044

00:39:08,150 --> 00:39:06,240

could keep

1045

00:39:10,470 --> 00:39:08,160

the real truth behind roswell as i

1046

00:39:14,390 --> 00:39:10,480

propose it a secret because if it's an

1047

00:39:16,710 --> 00:39:14,400

ongoing thing they have ways to to clamp

1048

00:39:17,990 --> 00:39:16,720

down on that now the other thing the

1049

00:39:20,310 --> 00:39:18,000

other point i

1050

00:39:23,430 --> 00:39:20,320

said that comes up with this though is

1051
00:39:24,790 --> 00:39:23,440
my dad's story you know my dad says he

1052
00:39:25,589 --> 00:39:24,800
was shown

1053
00:39:28,470 --> 00:39:25,599
uh

1054
00:39:29,589 --> 00:39:28,480
the debris from roswell the bodies and

1055
00:39:32,710 --> 00:39:29,599
and

1056
00:39:35,670 --> 00:39:32,720
his version differs from that suggestion

1057
00:39:37,349 --> 00:39:35,680
i make about the man classified program

1058
00:39:40,470 --> 00:39:37,359
in his version

1059
00:39:43,190 --> 00:39:40,480
it's not extraterrestrials he was very

1060
00:39:45,190 --> 00:39:43,200
adamant about that for all the years

1061
00:39:46,870 --> 00:39:45,200
that it was not extraterrestrials it was

1062
00:39:48,710 --> 00:39:46,880
not greys

1063
00:39:51,589 --> 00:39:48,720

what he says he was told when he was

1064

00:39:53,430 --> 00:39:51,599

briefed in on this in 1958

1065

00:39:56,470 --> 00:39:53,440

at right pat

1066

00:39:58,630 --> 00:39:56,480

was that it was a

1067

00:40:00,550 --> 00:39:58,640

civilization that exists on this planet

1068

00:40:01,829 --> 00:40:00,560

parallel to our own

1069

00:40:03,750 --> 00:40:01,839

and that

1070

00:40:06,069 --> 00:40:03,760

what crashed was one of their flying

1071

00:40:08,790 --> 00:40:06,079

craft and the bodies were people from

1072

00:40:10,950 --> 00:40:08,800

their civilization that were as human as

1073

00:40:12,710 --> 00:40:10,960

you and i but the way he described him

1074

00:40:14,630 --> 00:40:12,720

was yeah they were a little bit smaller

1075

00:40:15,990 --> 00:40:14,640

in stature and they were virtually

1076

00:40:18,310 --> 00:40:16,000

hairless

1077

00:40:19,910 --> 00:40:18,320

that's what he was shown that's what he

1078

00:40:21,990 --> 00:40:19,920

was told about who they were and where

1079

00:40:23,829 --> 00:40:22,000

they came from because

1080

00:40:25,190 --> 00:40:23,839

he was told he and the guys he was

1081

00:40:26,790 --> 00:40:25,200

working with are getting briefed in on

1082

00:40:28,950 --> 00:40:26,800

this they were told it has happened

1083

00:40:31,190 --> 00:40:28,960

again this civilization

1084

00:40:34,230 --> 00:40:31,200

has crashed another vehicle

1085

00:40:35,430 --> 00:40:34,240

and they have come to us now to request

1086

00:40:37,750 --> 00:40:35,440

we assist

1087

00:40:39,910 --> 00:40:37,760

in the retrieval

1088

00:40:41,990 --> 00:40:39,920

of their pilot their air crew or

1089

00:40:43,750 --> 00:40:42,000

whatever and wow they're going to start

1090

00:40:45,589 --> 00:40:43,760

it they have to have an age limit on

1091

00:40:46,470 --> 00:40:45,599

their driving

1092

00:40:50,790 --> 00:40:46,480

so

1093

00:40:54,069 --> 00:40:50,800

civilization are we talking about

1094

00:40:55,670 --> 00:40:54,079

underground uh parallel universe what

1095

00:40:56,470 --> 00:40:55,680

are we speaking of

1096

00:41:01,589 --> 00:40:56,480

he

1097

00:41:03,270 --> 00:41:01,599

briefed at wright-patterson was a

1098

00:41:05,990 --> 00:41:03,280

human civilization that had gone

1099

00:41:07,670 --> 00:41:06,000

subterranean a long time ago when there

1100

00:41:10,790 --> 00:41:07,680

had been some type of cataclysm on the

1101
00:41:13,349 --> 00:41:10,800
surface of the earth and some of us came

1102
00:41:16,390 --> 00:41:13,359
back up a lot of us stayed back down

1103
00:41:18,150 --> 00:41:16,400
there and it and those people

1104
00:41:21,109 --> 00:41:18,160
who stayed down there

1105
00:41:22,950 --> 00:41:21,119
developed their own civilization with

1106
00:41:25,910 --> 00:41:22,960
technology a little different than ours

1107
00:41:27,750 --> 00:41:25,920
in some ways a little more advanced

1108
00:41:29,829 --> 00:41:27,760
what's uh what was the benefit of your

1109
00:41:32,390 --> 00:41:29,839
father being briefed on such a thing

1110
00:41:34,790 --> 00:41:32,400
because it's they're so secretive why

1111
00:41:37,190 --> 00:41:34,800
would he need to know that was he

1112
00:41:38,630 --> 00:41:37,200
uh was his position uh

1113
00:41:40,309 --> 00:41:38,640

i don't know part of

1114

00:41:42,630 --> 00:41:40,319

covering up

1115

00:41:45,670 --> 00:41:42,640

no his position was he was a

1116

00:41:48,390 --> 00:41:45,680

physiological training specialist within

1117

00:41:50,790 --> 00:41:48,400

the aviation medicine field of command

1118

00:41:51,910 --> 00:41:50,800

okay he worked for

1119

00:41:54,470 --> 00:41:51,920

essentially

1120

00:41:56,870 --> 00:41:54,480

otis benson's aerospace

1121

00:41:58,309 --> 00:41:56,880

medicine division of the air force and

1122

00:41:59,750 --> 00:41:58,319

what is a physiological training

1123

00:42:02,150 --> 00:41:59,760

specialist these are the guys they run

1124

00:42:05,349 --> 00:42:02,160

pilots throughout the two chambers they

1125

00:42:07,829 --> 00:42:05,359

uh give the briefings and lectures to

1126

00:42:09,910 --> 00:42:07,839

when pilots are learning about

1127

00:42:12,710 --> 00:42:09,920

flying at high altitude the effects on

1128

00:42:14,069 --> 00:42:12,720

human physiology that kind of thing

1129

00:42:16,870 --> 00:42:14,079

they also

1130

00:42:19,270 --> 00:42:16,880

test they do the ground testing

1131

00:42:21,829 --> 00:42:19,280

and some flight testing of pressure

1132

00:42:24,790 --> 00:42:21,839

suits and oxygen system technology my

1133

00:42:26,550 --> 00:42:24,800

dad used to go up and in jet aircraft in

1134

00:42:28,230 --> 00:42:26,560

the in the back seat in the passenger

1135

00:42:29,430 --> 00:42:28,240

seat you know

1136

00:42:30,870 --> 00:42:29,440

when they would

1137

00:42:32,470 --> 00:42:30,880

test out equipment make sure it was

1138

00:42:34,870 --> 00:42:32,480

working right most of that was done on

1139

00:42:37,670 --> 00:42:34,880

the ground his unit at george air force

1140

00:42:40,710 --> 00:42:37,680

base did the ground testing for the

1141

00:42:43,270 --> 00:42:40,720

mercury space program suits now a lot of

1142

00:42:46,470 --> 00:42:43,280

people say oh but that was nasa

1143

00:42:48,950 --> 00:42:46,480

not originally mercury was the manned

1144

00:42:51,510 --> 00:42:48,960

program assigned to the united states

1145

00:42:53,109 --> 00:42:51,520

air force before nasa even existed the

1146

00:42:54,950 --> 00:42:53,119

u.s air force

1147

00:42:57,510 --> 00:42:54,960

had been developing the technology that

1148

00:42:58,950 --> 00:42:57,520

led to mercury and they were continuing

1149

00:43:01,109 --> 00:42:58,960

to develop it

1150

00:43:05,190 --> 00:43:01,119

when nasa was stood up

1151
00:43:08,230 --> 00:43:05,200
in late 1958 and then mercury the public

1152
00:43:10,790 --> 00:43:08,240
part of it was handed off to them

1153
00:43:12,550 --> 00:43:10,800
my dad's unit at george

1154
00:43:14,950 --> 00:43:12,560
was involved in the ground testing of

1155
00:43:16,309 --> 00:43:14,960
those silver pressure suits you see in

1156
00:43:18,630 --> 00:43:16,319
the movie the right stuff and the

1157
00:43:19,990 --> 00:43:18,640
history films that the mercury

1158
00:43:22,069 --> 00:43:20,000
astronauts wore

1159
00:43:23,990 --> 00:43:22,079
you know i i learned something and you

1160
00:43:27,270 --> 00:43:24,000
know this may seem really

1161
00:43:30,870 --> 00:43:27,280
silly but i i was stunned to learn this

1162
00:43:31,750 --> 00:43:30,880
i i met one of the red tails um guys

1163
00:43:34,390 --> 00:43:31,760

and

1164

00:43:36,630 --> 00:43:34,400

i i was curious i'm like you know you're

1165

00:43:37,430 --> 00:43:36,640

flying around for who knows how long i'm

1166

00:43:39,910 --> 00:43:37,440

like

1167

00:43:41,990 --> 00:43:39,920

how do you use the bathroom and i just

1168

00:43:44,870 --> 00:43:42,000

really was curious

1169

00:43:48,390 --> 00:43:44,880

he's like diapers what

1170

00:43:50,390 --> 00:43:48,400

it's like right and little little

1171

00:43:51,750 --> 00:43:50,400

urine bags you know they just kind of

1172

00:43:54,230 --> 00:43:51,760

hook up

1173

00:43:56,309 --> 00:43:54,240

oh my gosh i was stunned i'm like you

1174

00:43:59,349 --> 00:43:56,319

know i just had to ask it because he's

1175

00:44:00,870 --> 00:43:59,359

in his 90s and and he's like oh yeah the

1176

00:44:02,470 --> 00:44:00,880

diapers i'm like you know i would have

1177

00:44:04,870 --> 00:44:02,480

drawn the line right there i would not

1178

00:44:07,030 --> 00:44:04,880

want to be a pilot but yeah now you know

1179

00:44:09,109 --> 00:44:07,040

why they invented you know the

1180

00:44:10,390 --> 00:44:09,119

the the space toilets and stuff like

1181

00:44:12,470 --> 00:44:10,400

that those guys are probably tired of

1182

00:44:15,510 --> 00:44:12,480

wearing that

1183

00:44:17,270 --> 00:44:15,520

yeah but that explains why people say

1184

00:44:19,910 --> 00:44:17,280

why would your dad be briefed on this

1185

00:44:21,510 --> 00:44:19,920

stuff you know a staff sergeant well yes

1186

00:44:22,950 --> 00:44:21,520

because he was a physiological training

1187

00:44:24,390 --> 00:44:22,960

specialist and did all those things and

1188

00:44:27,430 --> 00:44:24,400

because he did the things i just

1189

00:44:29,030 --> 00:44:27,440

explained he had a very high clearance

1190

00:44:30,870 --> 00:44:29,040

because he worked with space program

1191

00:44:33,990 --> 00:44:30,880

stuff u.s air force space program stuff

1192

00:44:36,550 --> 00:44:34,000

and as i discovered on a forum

1193

00:44:39,190 --> 00:44:36,560

from the 50s the george air force base

1194

00:44:40,470 --> 00:44:39,200

form 101 that described his duties

1195

00:44:42,550 --> 00:44:40,480

one of the

1196

00:44:45,030 --> 00:44:42,560

duties he was assigned to was a little

1197

00:44:47,030 --> 00:44:45,040

something called casualty collection

1198

00:44:49,349 --> 00:44:47,040

team number one

1199

00:44:51,910 --> 00:44:49,359

folks that's a retrieval that's crash

1200

00:44:54,790 --> 00:44:51,920

retrieval now

1201
00:44:56,150 --> 00:44:54,800
that's aircraft human remains that kind

1202
00:44:58,150 --> 00:44:56,160
of thing but

1203
00:44:59,829 --> 00:44:58,160
it qualifies you when you add the

1204
00:45:02,950 --> 00:44:59,839
clearance he had

1205
00:45:04,309 --> 00:45:02,960
should something fall from another world

1206
00:45:05,829 --> 00:45:04,319
who do you think they're going to get

1207
00:45:08,790 --> 00:45:05,839
they're going to get this remember this

1208
00:45:10,630 --> 00:45:08,800
is 1958 this is not nowadays when you go

1209
00:45:12,230 --> 00:45:10,640
on these super commando teams this is

1210
00:45:14,230 --> 00:45:12,240
1958

1211
00:45:15,829 --> 00:45:14,240
you know my dad was on this casualty

1212
00:45:17,510 --> 00:45:15,839
collection team and i remember when i

1213
00:45:18,630 --> 00:45:17,520

was a kid him talking about the crashes

1214

00:45:20,790 --> 00:45:18,640

and they'd have to go out there you know

1215

00:45:22,790 --> 00:45:20,800

when the jets would crash and the pilots

1216

00:45:25,829 --> 00:45:22,800

he knew and stuff um

1217

00:45:28,069 --> 00:45:25,839

would crash but uh you know so there you

1218

00:45:29,510 --> 00:45:28,079

go you have his what he did in his job

1219

00:45:31,349 --> 00:45:29,520

that put him in

1220

00:45:33,430 --> 00:45:31,359

uh you know working with u.s air force

1221

00:45:36,470 --> 00:45:33,440

space program technology which required

1222

00:45:38,390 --> 00:45:36,480

the high clearance okay and you have him

1223

00:45:40,069 --> 00:45:38,400

already trained and a part of this

1224

00:45:40,950 --> 00:45:40,079

casualty collection

1225

00:45:43,190 --> 00:45:40,960

uh

1226

00:45:47,109 --> 00:45:43,200

team you know this kind of work

1227

00:45:49,510 --> 00:45:47,119

so when this happens out in arizona

1228

00:45:51,349 --> 00:45:49,520

he was in training at

1229

00:45:53,430 --> 00:45:51,359

gunner air force base

1230

00:45:55,670 --> 00:45:53,440

back in montgomery alabama

1231

00:45:57,030 --> 00:45:55,680

that's why he was he and the guys he

1232

00:45:59,349 --> 00:45:57,040

worked with the other guys who did the

1233

00:46:01,910 --> 00:45:59,359

stuff he did were taken up to wright

1234

00:46:02,790 --> 00:46:01,920

patterson and briefed in on roswell i

1235

00:46:04,950 --> 00:46:02,800

say

1236

00:46:07,190 --> 00:46:04,960

a question a question from the chat room

1237

00:46:08,870 --> 00:46:07,200

uh russ is asking how does the guest

1238

00:46:10,550 --> 00:46:08,880

decide who's telling the truth when so

1239

00:46:13,030 --> 00:46:10,560

many are sharing

1240

00:46:14,470 --> 00:46:13,040

dis or disinformation misinformation but

1241

00:46:18,150 --> 00:46:14,480

when it's your dad i think it's it's

1242

00:46:19,910 --> 00:46:18,160

easier to decide i take it uh yeah

1243

00:46:23,190 --> 00:46:19,920

yeah you know i

1244

00:46:25,750 --> 00:46:23,200

yeah i i what do i say um you know this

1245

00:46:27,589 --> 00:46:25,760

is something as i say in the book and as

1246

00:46:29,510 --> 00:46:27,599

i said elsewhere you know this is

1247

00:46:32,630 --> 00:46:29,520

something he started telling me

1248

00:46:35,349 --> 00:46:32,640

around 1974 when i was a kid

1249

00:46:36,309 --> 00:46:35,359

and you know his it stayed consistent

1250

00:46:39,270 --> 00:46:36,319

for

1251
00:46:41,190 --> 00:46:39,280
you know almost 40 years and then i go

1252
00:46:43,349 --> 00:46:41,200
on to have a clearance and work in the

1253
00:46:45,829 --> 00:46:43,359
spook world and you know i'm an air

1254
00:46:48,950 --> 00:46:45,839
force officer and an osi agent on top of

1255
00:46:50,950 --> 00:46:48,960
that with a fairly respectable clearance

1256
00:46:53,589 --> 00:46:50,960
within that organization

1257
00:46:56,309 --> 00:46:53,599
and you know i was kind of recruited

1258
00:46:58,710 --> 00:46:56,319
into this as a young guy by a mentor who

1259
00:47:01,349 --> 00:46:58,720
passed away last year an uncle of mine

1260
00:47:02,470 --> 00:47:01,359
and he had 44 years in the intelligence

1261
00:47:04,790 --> 00:47:02,480
business

1262
00:47:06,470 --> 00:47:04,800
and some interesting things in his past

1263
00:47:08,790 --> 00:47:06,480

and you know

1264

00:47:10,950 --> 00:47:08,800

he was kind of

1265

00:47:11,910 --> 00:47:10,960

a superior officer

1266

00:47:13,510 --> 00:47:11,920

i i

1267

00:47:15,109 --> 00:47:13,520

it's too long of a story to get into it

1268

00:47:17,270 --> 00:47:15,119

but during my career

1269

00:47:20,309 --> 00:47:17,280

you know there there was kind of a level

1270

00:47:23,190 --> 00:47:20,319

of reporting to him you might say okay

1271

00:47:24,630 --> 00:47:23,200

but here here's another uh kind of

1272

00:47:26,950 --> 00:47:24,640

things and brief man on some of these

1273

00:47:29,270 --> 00:47:26,960

things too well here's a question that

1274

00:47:31,670 --> 00:47:29,280

it should be pretty obvious like why on

1275

00:47:33,670 --> 00:47:31,680

earth would the air force allow you to

1276

00:47:35,750 --> 00:47:33,680

continue to research and write about

1277

00:47:37,109 --> 00:47:35,760

these things because you don't go deep

1278

00:47:38,870 --> 00:47:37,119

enough or

1279

00:47:41,349 --> 00:47:38,880

are they feeding you

1280

00:47:44,230 --> 00:47:41,359

the the angle to go at i mean how are

1281

00:47:46,470 --> 00:47:44,240

you sitting here uh doing this

1282

00:47:48,470 --> 00:47:46,480

yes first of all the u.s air force

1283

00:47:51,430 --> 00:47:48,480

believe me has nothing

1284

00:47:55,910 --> 00:47:51,440

uh no involvement with with what i'm

1285

00:47:58,390 --> 00:47:55,920

doing um i'm sure that somebody in osi

1286

00:48:00,790 --> 00:47:58,400

you know kind of keeps their ear cocked

1287

00:48:01,510 --> 00:48:00,800

and in one eye aimed my way

1288

00:48:03,430 --> 00:48:01,520

but

1289

00:48:04,950 --> 00:48:03,440

look at it this way what i've done with

1290

00:48:06,390 --> 00:48:04,960

this book

1291

00:48:08,550 --> 00:48:06,400

in particular is

1292

00:48:09,750 --> 00:48:08,560

i've written about my dad i've written

1293

00:48:12,309 --> 00:48:09,760

about something that happened in the

1294

00:48:14,710 --> 00:48:12,319

late 50s you know a story that he was

1295

00:48:17,430 --> 00:48:14,720

telling me for 40 years

1296

00:48:18,829 --> 00:48:17,440

most of my book is scholarship that digs

1297

00:48:21,670 --> 00:48:18,839

into

1298

00:48:23,990 --> 00:48:21,680

um world war ii era history and

1299

00:48:27,030 --> 00:48:24,000

operation paper clip history you know i

1300

00:48:29,990 --> 00:48:27,040

framed this within a context of

1301

00:48:33,190 --> 00:48:30,000

documented historical evidence and i'm

1302

00:48:34,950 --> 00:48:33,200

using the documentation from his service

1303

00:48:37,349 --> 00:48:34,960

interesting thing was they didn't get me

1304

00:48:38,790 --> 00:48:37,359

his personnel file until after i had to

1305

00:48:40,950 --> 00:48:38,800

release the book you know it was time to

1306

00:48:42,790 --> 00:48:40,960

release the book i released it and then

1307

00:48:45,190 --> 00:48:42,800

a couple months later i get uh the

1308

00:48:48,069 --> 00:48:45,200

personnel file um

1309

00:48:49,750 --> 00:48:48,079

i assume he is not collecting a pension

1310

00:48:52,390 --> 00:48:49,760

now

1311

00:48:54,950 --> 00:48:52,400

my dad died um

1312

00:48:56,549 --> 00:48:54,960

nine years ago he was essentially he's

1313

00:48:58,870 --> 00:48:56,559

essentially murdered

1314

00:49:00,150 --> 00:48:58,880

he was assaulted by a former employee

1315

00:49:01,430 --> 00:49:00,160

and it took him

1316

00:49:03,109 --> 00:49:01,440

like about a year

1317

00:49:04,390 --> 00:49:03,119

in hospitals so

1318

00:49:06,150 --> 00:49:04,400

terrific

1319

00:49:07,750 --> 00:49:06,160

for nine years and he and when he got

1320

00:49:10,230 --> 00:49:07,760

out of the air force he didn't retire so

1321

00:49:12,549 --> 00:49:10,240

no he was never um in fact i don't think

1322

00:49:14,069 --> 00:49:12,559

he ever even used his veterans medical

1323

00:49:17,190 --> 00:49:14,079

benefits until

1324

00:49:19,349 --> 00:49:17,200

you know maybe around the year 2000 2001

1325

00:49:21,589 --> 00:49:19,359

so no you know there's no

1326

00:49:23,349 --> 00:49:21,599

air force pension there's no

1327

00:49:26,870 --> 00:49:23,359

you know um they haven't said anything

1328

00:49:28,549 --> 00:49:26,880

to me yet now um again

1329

00:49:29,990 --> 00:49:28,559

you know i hate to hold you there but we

1330

00:49:31,829 --> 00:49:30,000

got to go to our next break and then

1331

00:49:32,950 --> 00:49:31,839

we'll pick right back up you guys are

1332

00:49:35,250 --> 00:49:32,960

listening to me heidi hall is the

1333

00:49:37,109 --> 00:49:35,260

outlander and we will be right back

1334

00:49:38,710 --> 00:49:37,119

[Music]

1335

00:49:40,710 --> 00:49:38,720

welcome back everybody you're listening

1336

00:49:42,230 --> 00:49:40,720

to me heidi hollis the outlander

1337

00:49:43,990 --> 00:49:42,240

remembering always if it's weird we're

1338

00:49:48,150 --> 00:49:44,000

here and that's why walter bosley is

1339

00:49:50,950 --> 00:49:49,270

you know

1340

00:49:53,030 --> 00:49:50,960

it's getting deeper it's getting even

1341

00:49:55,430 --> 00:49:53,040

more fascinating secret space program is

1342

00:49:57,430 --> 00:49:55,440

a really really hot topic these days a

1343

00:49:59,750 --> 00:49:57,440

lot of people who were

1344

00:50:02,150 --> 00:49:59,760

somehow involved or connected or getting

1345

00:50:04,549 --> 00:50:02,160

memories back are talking

1346

00:50:05,750 --> 00:50:04,559

and here it turns out that your father

1347

00:50:08,710 --> 00:50:05,760

was kind of

1348

00:50:11,430 --> 00:50:08,720

kind of in it from the beginning and you

1349

00:50:13,589 --> 00:50:11,440

kind of did a tag team with your uncle

1350

00:50:15,829 --> 00:50:13,599

and yourself

1351
00:50:16,950 --> 00:50:15,839
looking into some of these these these

1352
00:50:19,190 --> 00:50:16,960
topics

1353
00:50:21,589 --> 00:50:19,200
incognito is that what you're kind of

1354
00:50:24,829 --> 00:50:21,599
leading up to with uh

1355
00:50:28,630 --> 00:50:24,839
what your role was with some of this

1356
00:50:31,589 --> 00:50:28,640
well let me say this i i i don't want to

1357
00:50:33,510 --> 00:50:31,599
give anyone the impression that i

1358
00:50:35,910 --> 00:50:33,520
just because i was an osi agent doing

1359
00:50:39,190 --> 00:50:35,920
what i did for six years that i was

1360
00:50:40,470 --> 00:50:39,200
privy to everything the us air force the

1361
00:50:42,549 --> 00:50:40,480
dod

1362
00:50:44,549 --> 00:50:42,559
was up left hand never knows what the

1363
00:50:46,309 --> 00:50:44,559

right hand is doing i'm sure

1364

00:50:48,710 --> 00:50:46,319

um when you think about it one of the

1365

00:50:53,589 --> 00:50:48,720

reasons why an organization like osi is

1366

00:50:55,349 --> 00:50:53,599

this is because we had bad guys okay um

1367

00:50:57,589 --> 00:50:55,359

you know that was kind of part of it we

1368

00:51:00,230 --> 00:50:57,599

had to watch out for them bad guys that

1369

00:51:03,589 --> 00:51:00,240

would get in and violate things and uh

1370

00:51:06,150 --> 00:51:03,599

you know so i'm not naive um

1371

00:51:07,270 --> 00:51:06,160

you know i just am my personal

1372

00:51:10,309 --> 00:51:07,280

experience

1373

00:51:13,589 --> 00:51:10,319

you know was not with a nefarious

1374

00:51:15,270 --> 00:51:13,599

us air force in general now yeah i had

1375

00:51:16,630 --> 00:51:15,280

one of my guys working for me once when

1376

00:51:18,549 --> 00:51:16,640

i was at wright patterson for three

1377

00:51:21,109 --> 00:51:18,559

years that's where i was chief of a

1378

00:51:23,349 --> 00:51:21,119

counter espionage operations branch and

1379

00:51:24,870 --> 00:51:23,359

uh one of my guys he once said to me

1380

00:51:26,470 --> 00:51:24,880

look he said

1381

00:51:28,549 --> 00:51:26,480

he said you're here

1382

00:51:31,030 --> 00:51:28,559

you're you're he goes you you have a a

1383

00:51:33,030 --> 00:51:31,040

personal mission with your career i'm

1384

00:51:34,630 --> 00:51:33,040

like i'm looking at him

1385

00:51:37,670 --> 00:51:34,640

okay what's he getting at

1386

00:51:39,750 --> 00:51:37,680

um and says uh you're on a quest

1387

00:51:42,069 --> 00:51:39,760

and i looked at him

1388

00:51:44,309 --> 00:51:42,079

and he just kind of smiled at me says

1389

00:51:45,910 --> 00:51:44,319

you're on a personal quest he goes yeah

1390

00:51:47,589 --> 00:51:45,920

he goes you do the job right you're

1391

00:51:48,950 --> 00:51:47,599

dedicated to the job you know he goes

1392

00:51:51,430 --> 00:51:48,960

i'm not implying that you're not it goes

1393

00:51:54,230 --> 00:51:51,440

but this whole thing for you

1394

00:51:56,630 --> 00:51:54,240

fbi osi whatever you'll do after this he

1395

00:51:58,549 --> 00:51:56,640

goes you're actually on some type of

1396

00:51:59,910 --> 00:51:58,559

personal quest and that was where it

1397

00:52:01,510 --> 00:51:59,920

ended and

1398

00:52:03,670 --> 00:52:01,520

yeah he was right

1399

00:52:06,950 --> 00:52:03,680

i i'll put it to you this way when my

1400

00:52:08,470 --> 00:52:06,960

mentor first started working me overtly

1401

00:52:11,109 --> 00:52:08,480

um because he'd been watching me since i

1402

00:52:12,790 --> 00:52:11,119

was a kid when he first first started

1403

00:52:13,829 --> 00:52:12,800

working me

1404

00:52:16,230 --> 00:52:13,839

um

1405

00:52:19,030 --> 00:52:16,240

i was in my mid-twenties

1406

00:52:21,430 --> 00:52:19,040

early twenties and i had just gotten out

1407

00:52:23,109 --> 00:52:21,440

and uh you know where he he saw the

1408

00:52:24,790 --> 00:52:23,119

books i had he saw the things i was

1409

00:52:26,309 --> 00:52:24,800

interested in and he says you know

1410

00:52:29,510 --> 00:52:26,319

you're interested in all this curious

1411

00:52:32,630 --> 00:52:29,520

stuff ufos and other dimensions and all

1412

00:52:33,750 --> 00:52:32,640

this strange stuff he says uh you know a

1413

00:52:35,910 --> 00:52:33,760

good way

1414

00:52:37,589 --> 00:52:35,920

to learn more about that and to really

1415

00:52:39,589 --> 00:52:37,599

see what's going on

1416

00:52:41,990 --> 00:52:39,599

would be uh you know to go into the

1417

00:52:44,390 --> 00:52:42,000

spook world what we call you know that's

1418

00:52:45,349 --> 00:52:44,400

the age-old term for the spy world

1419

00:52:47,750 --> 00:52:45,359

okay

1420

00:52:50,870 --> 00:52:47,760

national security and stuff and and that

1421

00:52:52,870 --> 00:52:50,880

really that really flipped the switch

1422

00:52:53,910 --> 00:52:52,880

so that that puts you on your mission

1423

00:52:54,790 --> 00:52:53,920

even more

1424

00:52:57,030 --> 00:52:54,800

more so

1425

00:52:59,030 --> 00:52:57,040

yeah yeah okay so you know he was the

1426

00:53:01,190 --> 00:52:59,040

one that said go work for the fbi go

1427

00:53:03,750 --> 00:53:01,200

apply to the fbi and i did so what did

1428

00:53:05,829 --> 00:53:03,760

you come across uh so

1429

00:53:07,349 --> 00:53:05,839

secret space program what what did you

1430

00:53:09,589 --> 00:53:07,359

come across

1431

00:53:11,510 --> 00:53:09,599

that allowed you to get a wider

1432

00:53:13,349 --> 00:53:11,520

understanding of

1433

00:53:14,790 --> 00:53:13,359

what's going on out there like i i

1434

00:53:17,030 --> 00:53:14,800

mentioned during the break it's like

1435

00:53:19,430 --> 00:53:17,040

it's absolutely frustrating for people

1436

00:53:22,549 --> 00:53:19,440

like myself who have seen things

1437

00:53:24,390 --> 00:53:22,559

seen beings seen craft

1438

00:53:27,349 --> 00:53:24,400

have been harassed by the government

1439

00:53:29,750 --> 00:53:27,359

more times than i care to count and and

1440

00:53:30,630 --> 00:53:29,760

absolutely aggravated and and

1441

00:53:39,030 --> 00:53:30,640

know

1442

00:53:41,670 --> 00:53:39,040

they're interrogating people like myself

1443

00:53:44,390 --> 00:53:41,680

to get answers or to see how much i do

1444

00:53:47,990 --> 00:53:44,400

know and it's like okay you know why the

1445

00:53:50,230 --> 00:53:48,000

the shenanigans it gets old it's

1446

00:53:52,710 --> 00:53:50,240

infuriating nothing in my life makes me

1447

00:53:55,430 --> 00:53:52,720

more angry than their garbage that they

1448

00:53:57,510 --> 00:53:55,440

have done in my life and others

1449

00:53:59,030 --> 00:53:57,520

incognito mind you but

1450

00:54:00,870 --> 00:53:59,040

you know this is this is another thing i

1451
00:54:02,870 --> 00:54:00,880
i'm a human being just like these other

1452
00:54:04,630 --> 00:54:02,880
human beings some of them probably not

1453
00:54:06,069 --> 00:54:04,640
they're probably lizards

1454
00:54:07,670 --> 00:54:06,079
in the government

1455
00:54:09,750 --> 00:54:07,680
and think that i can't handle it but

1456
00:54:11,990 --> 00:54:09,760
only they can i mean who are they to

1457
00:54:14,150 --> 00:54:12,000
tell me i can't handle the truth

1458
00:54:16,069 --> 00:54:14,160
so what the heck is going on what's

1459
00:54:18,950 --> 00:54:16,079
going on

1460
00:54:21,510 --> 00:54:20,150
uh

1461
00:54:23,270 --> 00:54:21,520
you may not

1462
00:54:26,230 --> 00:54:23,280
buy what i'm saying

1463
00:54:29,670 --> 00:54:27,670

there could be people out there that are

1464

00:54:31,589 --> 00:54:29,680

just you know

1465

00:54:33,750 --> 00:54:31,599

there there are guys out there that are

1466

00:54:35,670 --> 00:54:33,760

very clumsy with what it is they're

1467

00:54:37,670 --> 00:54:35,680

supposed to do

1468

00:54:40,150 --> 00:54:37,680

there are things people are seeing out

1469

00:54:42,390 --> 00:54:40,160

there that honestly are just our

1470

00:54:44,710 --> 00:54:42,400

advanced technology and they want to

1471

00:54:45,990 --> 00:54:44,720

know you know what the person saw where

1472

00:54:48,069 --> 00:54:46,000

they saw it they want to know their

1473

00:54:49,750 --> 00:54:48,079

impressions of it and there are things

1474

00:54:53,190 --> 00:54:49,760

out there from other worlds that

1475

00:54:55,589 --> 00:54:53,200

certainly people are seeing and

1476

00:54:57,990 --> 00:54:55,599

an organization like the air force wants

1477

00:55:00,470 --> 00:54:58,000

to know who's seeing them and you know

1478

00:55:03,030 --> 00:55:00,480

what what they're seeing happen

1479

00:55:05,829 --> 00:55:03,040

it's all there everything you said i'm

1480

00:55:07,750 --> 00:55:05,839

not going to say didn't happen

1481

00:55:09,990 --> 00:55:07,760

at at all because

1482

00:55:13,190 --> 00:55:10,000

based on you know what i was told based

1483

00:55:15,109 --> 00:55:13,200

on what i've been convinced um yeah i

1484

00:55:17,829 --> 00:55:15,119

you know i people know

1485

00:55:20,390 --> 00:55:17,839

that just because i'm critical of like

1486

00:55:22,470 --> 00:55:20,400

these whistleblowers okay

1487

00:55:23,990 --> 00:55:22,480

anybody who knows me you know we could

1488

00:55:25,990 --> 00:55:24,000

get a whole conversation about some of

1489

00:55:27,190 --> 00:55:26,000

these recent whistleblowers and they're

1490

00:55:29,190 --> 00:55:27,200

full of crap

1491

00:55:30,870 --> 00:55:29,200

okay but that's another that's another

1492

00:55:32,390 --> 00:55:30,880

subject that doesn't mean that i don't

1493

00:55:37,510 --> 00:55:32,400

think et

1494

00:55:39,030 --> 00:55:37,520

there i think he's just not visiting huh

1495

00:55:39,910 --> 00:55:39,040

and they are visiting and they've been

1496

00:55:42,069 --> 00:55:39,920

dating

1497

00:55:44,870 --> 00:55:42,079

ever since of course and they don't

1498

00:55:47,430 --> 00:55:44,880

expect all of it okay that everybody's

1499

00:55:49,910 --> 00:55:47,440

seeing um but there are people out there

1500

00:55:50,950 --> 00:55:49,920

that are making things up to get

1501
00:55:53,670 --> 00:55:50,960
attention

1502
00:55:56,150 --> 00:55:53,680
okay or honestly they have an experience

1503
00:55:58,390 --> 00:55:56,160
that freaks them out or scares them and

1504
00:55:59,990 --> 00:55:58,400
you know some folks out of that they

1505
00:56:05,190 --> 00:56:00,000
they

1506
00:56:07,190 --> 00:56:05,200
what happened to them some folks not all

1507
00:56:08,789 --> 00:56:07,200
of them so yeah because this isn't this

1508
00:56:12,390 --> 00:56:08,799
isn't the business to be in if you want

1509
00:56:14,710 --> 00:56:12,400
to make some money just so people know

1510
00:56:17,510 --> 00:56:14,720
well that's the thing is that most most

1511
00:56:19,349 --> 00:56:17,520
of us learn that yeah yeah

1512
00:56:21,349 --> 00:56:19,359
but you know

1513
00:56:23,270 --> 00:56:21,359

you know as far as

1514

00:56:26,069 --> 00:56:23,280

these whistleblowers

1515

00:56:28,470 --> 00:56:26,079

the money that is in this field is being

1516

00:56:29,430 --> 00:56:28,480

pushed behind them and there's an agenda

1517

00:56:33,910 --> 00:56:29,440

there

1518

00:56:36,710 --> 00:56:33,920

so

1519

00:56:38,470 --> 00:56:36,720

what's going on what is this what is

1520

00:56:40,230 --> 00:56:38,480

this garbage

1521

00:56:42,789 --> 00:56:40,240

which which particular garbage there's a

1522

00:56:44,470 --> 00:56:42,799

lot of garbage well the garbage about

1523

00:56:46,309 --> 00:56:44,480

our government hiding what are

1524

00:56:47,270 --> 00:56:46,319

what are they doing out in space

1525

00:56:57,109 --> 00:56:47,280

what

1526
00:56:59,670 --> 00:56:57,119
unfortunately

1527
00:57:01,670 --> 00:56:59,680
is that nefarious

1528
00:57:03,829 --> 00:57:01,680
rotten

1529
00:57:06,630 --> 00:57:03,839
evil

1530
00:57:09,190 --> 00:57:06,640
military industrial complex call it a

1531
00:57:12,230 --> 00:57:09,200
cabal call it whatever you want

1532
00:57:13,910 --> 00:57:12,240
but a deal was made with the devil at

1533
00:57:14,789 --> 00:57:13,920
the end of the world

1534
00:57:17,589 --> 00:57:14,799
okay

1535
00:57:19,030 --> 00:57:17,599
and i suggest that all these negative

1536
00:57:19,910 --> 00:57:19,040
things you're talking about all this

1537
00:57:24,069 --> 00:57:19,920
stuff

1538
00:57:26,549 --> 00:57:24,079

that is the activity and the product of

1539

00:57:29,829 --> 00:57:26,559

this military industrial complex

1540

00:57:30,950 --> 00:57:29,839

uh thing that eisenhower warned about

1541

00:57:32,870 --> 00:57:30,960

okay

1542

00:57:35,109 --> 00:57:32,880

and unfortunately

1543

00:57:37,349 --> 00:57:35,119

it has infected

1544

00:57:39,030 --> 00:57:37,359

yeah it's infected our

1545

00:57:41,990 --> 00:57:39,040

our military

1546

00:57:44,309 --> 00:57:42,000

it's infected our industry that's what

1547

00:57:45,430 --> 00:57:44,319

the whole military industrial complex

1548

00:57:47,030 --> 00:57:45,440

problem is

1549

00:57:47,829 --> 00:57:47,040

is this infection

1550

00:57:49,589 --> 00:57:47,839

and

1551
00:57:51,430 --> 00:57:49,599
so to answer your question what have

1552
00:57:52,870 --> 00:57:51,440
they got to hide well i would venture to

1553
00:57:54,789 --> 00:57:52,880
say what they got to hide is their

1554
00:57:57,910 --> 00:57:54,799
breakaway group their breakaway

1555
00:57:58,789 --> 00:57:57,920
civilization their their secret space

1556
00:57:59,910 --> 00:57:58,799
program

1557
00:58:02,150 --> 00:57:59,920
okay

1558
00:58:03,910 --> 00:58:02,160
their activities now why are they

1559
00:58:05,589 --> 00:58:03,920
willing to go this far to treat people

1560
00:58:06,470 --> 00:58:05,599
this way and do all this nefariousness

1561
00:58:09,109 --> 00:58:06,480
right

1562
00:58:11,430 --> 00:58:09,119
is because for decades

1563
00:58:13,190 --> 00:58:11,440

they've been the big guys on the block

1564

00:58:16,309 --> 00:58:13,200

they've been the ones calling the shot

1565

00:58:17,270 --> 00:58:16,319

and controlling things okay so that's

1566

00:58:20,549 --> 00:58:17,280

why

1567

00:58:22,710 --> 00:58:20,559

um some personnel will call them

1568

00:58:24,390 --> 00:58:22,720

uh you know are given the freedom and

1569

00:58:26,470 --> 00:58:24,400

the margin to do

1570

00:58:27,829 --> 00:58:26,480

you know really rotten things to

1571

00:58:31,430 --> 00:58:27,839

witnesses and

1572

00:58:32,789 --> 00:58:31,440

you know uh play with mk ultra and and

1573

00:58:35,349 --> 00:58:32,799

with the mind

1574

00:58:36,950 --> 00:58:35,359

so that's what i'm saying i i don't i

1575

00:58:38,870 --> 00:58:36,960

don't doubt what you're saying about

1576

00:58:41,510 --> 00:58:38,880

this stuff happening i'm not saying it

1577

00:58:43,349 --> 00:58:41,520

doesn't happen what i'm saying is um and

1578

00:58:45,030 --> 00:58:43,359

i'm hoping to do this with

1579

00:58:49,270 --> 00:58:45,040

the new one when it comes out here real

1580

00:58:50,870 --> 00:58:49,280

soon um in a few weeks is to help people

1581

00:58:54,309 --> 00:58:50,880

really aim

1582

00:58:56,630 --> 00:58:54,319

the the spotlight on the right bad guys

1583

00:58:58,069 --> 00:58:56,640

and and you know it's not going to be

1584

00:59:00,069 --> 00:58:58,079

it you know it's going to be stuff

1585

00:59:01,829 --> 00:59:00,079

you're going to be familiar with but

1586

00:59:04,309 --> 00:59:01,839

what i do is i think i bring it into a

1587

00:59:06,150 --> 00:59:04,319

very tighter specific focus it'll be the

1588

00:59:08,470 --> 00:59:06,160

first time that i will actually point to

1589

00:59:10,230 --> 00:59:08,480

and name names in our present day

1590

00:59:12,950 --> 00:59:10,240

up to this point i've dealt with

1591

00:59:15,190 --> 00:59:12,960

historical you know the last 150 years

1592

00:59:17,750 --> 00:59:15,200

primarily you know leading up and i and

1593

00:59:19,270 --> 00:59:17,760

i haven't really got current i'm about

1594

00:59:23,030 --> 00:59:19,280

to go current

1595

00:59:24,390 --> 00:59:23,040

nice nice tell you i think who i think

1596

00:59:26,630 --> 00:59:24,400

are the ones that did these rotten

1597

00:59:28,390 --> 00:59:26,640

things to you and some other people

1598

00:59:30,789 --> 00:59:28,400

okay and

1599

00:59:33,270 --> 00:59:30,799

why it's dangerous very dangerous for us

1600

00:59:34,630 --> 00:59:33,280

today i had i had

1601
00:59:36,630 --> 00:59:34,640
kind of a bit of a shocking

1602
00:59:39,030 --> 00:59:36,640
enlightenment in this research which is

1603
00:59:41,190 --> 00:59:39,040
why i'm compelled to do this new book

1604
00:59:41,910 --> 00:59:41,200
and uh you know i've got some associates

1605
00:59:46,470 --> 00:59:41,920
that

1606
00:59:48,950 --> 00:59:46,480
are going huh you finally see right

1607
00:59:50,549 --> 00:59:48,960
yeah that's awesome

1608
00:59:53,030 --> 00:59:50,559
it's something that that you know my

1609
00:59:55,349 --> 00:59:53,040
first book that i i touched upon my book

1610
00:59:57,270 --> 00:59:55,359
is called the secret war and it had to

1611
00:59:59,190 --> 00:59:57,280
do with the darker beings which ones are

1612
01:00:01,109 --> 00:59:59,200
pulling the strings of what how they're

1613
01:00:02,870 --> 01:00:01,119

intertwined with the government and how

1614

01:00:05,430 --> 01:00:02,880

the government sold their souls and some

1615

01:00:08,789 --> 01:00:05,440

of ours to the devil so it's i i speak

1616

01:00:10,470 --> 01:00:08,799

your language i get you so yeah it is

1617

01:00:12,789 --> 01:00:10,480

and because i don't like to i don't i

1618

01:00:14,390 --> 01:00:12,799

know that yeah here's the thing i

1619

01:00:17,589 --> 01:00:14,400

believe in being honest

1620

01:00:19,750 --> 01:00:17,599

and objective all right um where where

1621

01:00:21,750 --> 01:00:19,760

the air force or the u.s military does

1622

01:00:24,390 --> 01:00:21,760

something bad i'm gonna say it

1623

01:00:26,150 --> 01:00:24,400

but where people are

1624

01:00:28,230 --> 01:00:26,160

you know wrong about that and where they

1625

01:00:29,670 --> 01:00:28,240

do good i'm gonna say that too right

1626

01:00:31,270 --> 01:00:29,680

awesome

1627

01:00:33,430 --> 01:00:31,280

and you know a lot of times people just

1628

01:00:35,510 --> 01:00:33,440

want to paint it all with the one brush

1629

01:00:36,870 --> 01:00:35,520

and that's not fair that's not right um

1630

01:00:38,390 --> 01:00:36,880

because

1631

01:00:41,109 --> 01:00:38,400

it's not the truth

1632

01:00:42,789 --> 01:00:41,119

um this is you know the the

1633

01:00:43,990 --> 01:00:42,799

the issue of the truth is why i have

1634

01:00:46,789 --> 01:00:44,000

trouble with these

1635

01:00:50,069 --> 01:00:46,799

whistleblowers that keep being thrown at

1636

01:00:51,030 --> 01:00:50,079

okay these guys who say this stuff

1637

01:00:53,990 --> 01:00:51,040

have

1638

01:00:55,670 --> 01:00:54,000

nothing to back it up and the stories

1639

01:00:56,710 --> 01:00:55,680

just get wilder

1640

01:00:58,470 --> 01:00:56,720

and

1641

01:01:02,069 --> 01:00:58,480

they've got

1642

01:01:05,349 --> 01:01:02,079

some pal you know where the money is

1643

01:01:06,150 --> 01:01:05,359

you know in this field is being put into

1644

01:01:11,990 --> 01:01:06,160

them

1645

01:01:14,549 --> 01:01:12,000

okay because

1646

01:01:16,309 --> 01:01:14,559

there's an agenda okay they want people

1647

01:01:18,230 --> 01:01:16,319

to think a certain thing they're pushing

1648

01:01:20,230 --> 01:01:18,240

people in a certain direction or they're

1649

01:01:23,589 --> 01:01:20,240

pushing people away from another

1650

01:01:25,910 --> 01:01:23,599

direction all right um the the direction

1651
01:01:27,750 --> 01:01:25,920
they're pushing you away from with these

1652
01:01:29,750 --> 01:01:27,760
ridiculous so-called whistleblower

1653
01:01:31,589 --> 01:01:29,760
stories is to get you away from the

1654
01:01:34,950 --> 01:01:31,599
people that are that that are pointing

1655
01:01:37,030 --> 01:01:34,960
to what you know is the more um factual

1656
01:01:39,990 --> 01:01:37,040
based stuff because that will uncover

1657
01:01:42,870 --> 01:01:40,000
them faster than any of the nonsense

1658
01:01:45,270 --> 01:01:42,880
they want people paying attention to

1659
01:01:48,150 --> 01:01:45,280
you know when i was 16 i was sent to

1660
01:01:50,950 --> 01:01:48,160
mars for 20 years to be a space commando

1661
01:01:53,349 --> 01:01:50,960
and then they timed me back to 16 years

1662
01:01:55,910 --> 01:01:53,359
old five minutes later or the latest guy

1663
01:01:57,910 --> 01:01:55,920

that i heard last night uh yeah yeah

1664

01:02:00,470 --> 01:01:57,920

when i was in the recruiting uh you know

1665

01:02:02,230 --> 01:02:00,480

in 1978 from the marine corps i was you

1666

01:02:04,950 --> 01:02:02,240

know taken through a door down through

1667

01:02:08,230 --> 01:02:04,960

this tunnel and i you know for 20 years

1668

01:02:09,589 --> 01:02:08,240

i was you know on the moon and doing all

1669

01:02:11,349 --> 01:02:09,599

this uh

1670

01:02:13,109 --> 01:02:11,359

you know fighting in space of the secret

1671

01:02:15,109 --> 01:02:13,119

space program and then they time

1672

01:02:16,789 --> 01:02:15,119

traveled me back to that very day i was

1673

01:02:18,309 --> 01:02:16,799

being recruited

1674

01:02:22,549 --> 01:02:18,319

give me a break

1675

01:02:25,030 --> 01:02:22,559

yeah yeah it gets deep it gets deep

1676

01:02:27,829 --> 01:02:25,040

yes they sell more fertilizer than home

1677

01:02:30,309 --> 01:02:27,839

depot does every year but we do know i

1678

01:02:33,109 --> 01:02:30,319

mean i think a lot of us do realize that

1679

01:02:35,750 --> 01:02:33,119

there are people being sent up into

1680

01:02:37,670 --> 01:02:35,760

space but how far are they going on how

1681

01:02:38,710 --> 01:02:37,680

long are they going do you have some

1682

01:02:41,109 --> 01:02:38,720

understanding

1683

01:02:43,270 --> 01:02:41,119

here's what's happening i i think the

1684

01:02:45,030 --> 01:02:43,280

closest thing i've heard that sounds

1685

01:02:48,230 --> 01:02:45,040

rash that sounds

1686

01:02:50,150 --> 01:02:48,240

you know logical impossible to me is

1687

01:02:52,150 --> 01:02:50,160

like some of the stuff that this uh

1688

01:02:53,990 --> 01:02:52,160

mckinnon guy gary mckinnon talks about

1689

01:02:56,230 --> 01:02:54,000

where you know what did he say he found

1690

01:02:58,150 --> 01:02:56,240

he said he found lists of personnel and

1691

01:02:59,190 --> 01:02:58,160

ships and stuff like that here's here's

1692

01:03:00,069 --> 01:02:59,200

what i think

1693

01:03:02,470 --> 01:03:00,079

that

1694

01:03:06,789 --> 01:03:02,480

there is a secret space program it is

1695

01:03:10,069 --> 01:03:06,799

more advanced than nasa uh yeah yeah

1696

01:03:11,829 --> 01:03:10,079

and it's not star trek okay it's not we

1697

01:03:14,950 --> 01:03:11,839

don't know how to start you just wrote

1698

01:03:17,990 --> 01:03:14,960

my dreams okay exactly we don't have

1699

01:03:19,029 --> 01:03:18,000

physical we we don't have some you know

1700

01:03:21,670 --> 01:03:19,039

i

1701

01:03:24,390 --> 01:03:21,680

90

1702

01:03:26,549 --> 01:03:24,400

we probably don't have some door you can

1703

01:03:29,029 --> 01:03:26,559

step through on earth and end up on mars

1704

01:03:30,789 --> 01:03:29,039

i'm not 100 that we don't on that but

1705

01:03:31,910 --> 01:03:30,799

that's a whole other conversation but

1706

01:03:32,789 --> 01:03:31,920

the thing is

1707

01:03:35,270 --> 01:03:32,799

um

1708

01:03:38,069 --> 01:03:35,280

here's my beef it's not so much that

1709

01:03:40,470 --> 01:03:38,079

what these guys are claiming is totally

1710

01:03:42,950 --> 01:03:40,480

impossible and out of the question

1711

01:03:46,069 --> 01:03:42,960

but here's the problem i have with it is

1712

01:03:48,549 --> 01:03:46,079

it's not as advanced as they spin it up

1713

01:03:50,789 --> 01:03:48,559

to be um for instance i think an

1714

01:03:53,190 --> 01:03:50,799

interplanetary ship is very much like

1715

01:03:55,349 --> 01:03:53,200

being on a u.s navy submarine but in

1716

01:03:57,349 --> 01:03:55,359

space that's that's what i think those

1717

01:03:59,430 --> 01:03:57,359

crews face okay that's why i think those

1718

01:04:01,990 --> 01:03:59,440

do yeah i think we put boots on mars a

1719

01:04:03,670 --> 01:04:02,000

long time ago of course i think so how

1720

01:04:05,190 --> 01:04:03,680

far do you think that we've gone i mean

1721

01:04:05,990 --> 01:04:05,200

what kind of evidence have you come

1722

01:04:08,230 --> 01:04:06,000

across

1723

01:04:09,670 --> 01:04:08,240

who knows i can't say i'm not in the

1724

01:04:10,870 --> 01:04:09,680

secret space program you know because

1725

01:04:13,910 --> 01:04:10,880

think about it if they've been doing it

1726

01:04:15,990 --> 01:04:13,920

secretly since the 1950s my gosh you

1727

01:04:17,670 --> 01:04:16,000

know think think what they could um have

1728

01:04:19,829 --> 01:04:17,680

accomplished but here's my other beef

1729

01:04:21,589 --> 01:04:19,839

with the whistleblower guys is the

1730

01:04:23,910 --> 01:04:21,599

people who would really have been in the

1731

01:04:25,029 --> 01:04:23,920

secret space program okay they don't

1732

01:04:26,950 --> 01:04:25,039

need to be

1733

01:04:29,510 --> 01:04:26,960

uh

1734

01:04:31,910 --> 01:04:29,520

they don't need to be time traveled back

1735

01:04:34,630 --> 01:04:31,920

to their 16 year old bodies you know in

1736

01:04:36,950 --> 01:04:34,640

in mind swiped like that okay

1737

01:04:38,870 --> 01:04:36,960

um i think what they are or what we in

1738

01:04:40,870 --> 01:04:38,880

the military call good soldiers good

1739

01:04:42,710 --> 01:04:40,880

airmen good sailors or whatever they do

1740

01:04:44,230 --> 01:04:42,720

their duty they keep their mouth shut

1741

01:04:46,549 --> 01:04:44,240

okay

1742

01:04:49,829 --> 01:04:46,559

the secret space program duty might just

1743

01:04:53,990 --> 01:04:49,839

be hey i'm a submariner in the united

1744

01:04:55,190 --> 01:04:54,000

states navy okay and for two years i was

1745

01:04:56,230 --> 01:04:55,200

assigned

1746

01:04:57,589 --> 01:04:56,240

to the

1747

01:04:58,470 --> 01:04:57,599

us

1748

01:05:02,309 --> 01:04:58,480

uh

1749

01:05:05,670 --> 01:05:02,319

orion let's call it okay or the u.s

1750

01:05:07,510 --> 01:05:05,680

lollipop okay and for those two years i

1751

01:05:09,029 --> 01:05:07,520

was on a classified missions between

1752

01:05:11,349 --> 01:05:09,039

here and mars

1753

01:05:13,109 --> 01:05:11,359

okay or here in the moon or whatever and

1754

01:05:14,789 --> 01:05:13,119

then you know they come back and they

1755

01:05:16,950 --> 01:05:14,799

you know do their careers on an aircraft

1756

01:05:19,190 --> 01:05:16,960

carrier or you know whatever i i think

1757

01:05:21,750 --> 01:05:19,200

it's it's probably something like that

1758

01:05:23,990 --> 01:05:21,760

um of course you you might have guys

1759

01:05:25,510 --> 01:05:24,000

that spend their entire career in this

1760

01:05:27,109 --> 01:05:25,520

secret space program i'm not saying that

1761

01:05:29,270 --> 01:05:27,119

you necessarily wouldn't

1762

01:05:31,109 --> 01:05:29,280

but i think that you know it's uh what i

1763

01:05:33,829 --> 01:05:31,119

think the reality is is it's a little

1764

01:05:36,630 --> 01:05:33,839

bit more down to earth than people think

1765

01:05:39,029 --> 01:05:36,640

it is or or want to think it is uh but

1766

01:05:40,789 --> 01:05:39,039

you've only come across the the fact

1767

01:05:43,190 --> 01:05:40,799

that it exists

1768

01:05:45,270 --> 01:05:43,200

but not so much

1769

01:05:47,990 --> 01:05:45,280

through my analysis and my research and

1770

01:05:50,390 --> 01:05:48,000

my personal experience with a how things

1771

01:05:53,029 --> 01:05:50,400

can actually remain classified in spite

1772

01:05:54,789 --> 01:05:53,039

of people's cynicism um the dedication

1773

01:05:57,349 --> 01:05:54,799

of military personnel when working on a

1774

01:05:59,190 --> 01:05:57,359

classified uh project

1775

01:06:01,109 --> 01:05:59,200

just what uh what little i've been

1776

01:06:04,309 --> 01:06:01,119

exposed to um

1777

01:06:06,789 --> 01:06:04,319

this air force secret technology in my

1778

01:06:08,150 --> 01:06:06,799

level of classification um

1779

01:06:10,870 --> 01:06:08,160

you know

1780

01:06:13,829 --> 01:06:10,880

and and things i've been briefed into

1781

01:06:16,470 --> 01:06:13,839

and things i've been told by superiors

1782

01:06:18,950 --> 01:06:16,480

yeah i'm personally convinced when you

1783

01:06:20,549 --> 01:06:18,960

add all that plus the historical context

1784

01:06:22,470 --> 01:06:20,559

i talked to earlier yeah i'm personally

1785

01:06:24,950 --> 01:06:22,480

convinced that we do have a secret space

1786

01:06:26,549 --> 01:06:24,960

program we would be idiots

1787

01:06:28,710 --> 01:06:26,559

if we didn't

1788

01:06:30,470 --> 01:06:28,720

now are we the only country going up

1789

01:06:32,230 --> 01:06:30,480

there oh no

1790

01:06:33,670 --> 01:06:32,240

yeah who's our biggest competition

1791

01:06:34,630 --> 01:06:33,680

russia right

1792

01:06:36,150 --> 01:06:34,640

uh

1793

01:06:38,150 --> 01:06:36,160

well the soviet union used to be our

1794

01:06:40,630 --> 01:06:38,160

biggest competition and i can say that i

1795

01:06:42,630 --> 01:06:40,640

worked against those guys every day for

1796

01:06:44,230 --> 01:06:42,640

for 12 years of my career

1797

01:06:48,390 --> 01:06:44,240

okay but now we have this country called

1798

01:06:52,230 --> 01:06:48,400

russia and uh and if we're smart

1799

01:06:54,789 --> 01:06:52,240

we would uh be friends with them

1800

01:06:57,029 --> 01:06:54,799

as long as they stop messing with us

1801

01:06:59,430 --> 01:06:57,039

i don't think well look the the intel

1802

01:07:01,670 --> 01:06:59,440

agencies we've all we mess with them

1803

01:07:03,589 --> 01:07:01,680

we're doing everything they do and

1804

01:07:05,510 --> 01:07:03,599

they're here's the thing they're not

1805

01:07:06,870 --> 01:07:05,520

doing half the crap they're being

1806

01:07:08,069 --> 01:07:06,880

accused of

1807

01:07:09,750 --> 01:07:08,079

you know

1808

01:07:12,789 --> 01:07:09,760

well who's to say

1809

01:07:14,390 --> 01:07:12,799

if some uh gru agent knocked on my door

1810

01:07:16,630 --> 01:07:14,400

right now and said hey walter come work

1811

01:07:17,670 --> 01:07:16,640

for us i'd say piss off i'm

1812

01:07:19,910 --> 01:07:17,680

you know

1813

01:07:21,430 --> 01:07:19,920

a u.s air force officer farmer go away

1814

01:07:24,870 --> 01:07:21,440

you guys know me better than that go

1815

01:07:27,670 --> 01:07:24,880

look in my file in moscow you know um

1816

01:07:29,510 --> 01:07:27,680

but but what i'm saying is

1817

01:07:31,510 --> 01:07:29,520

we're in a very dangerous time i'm going

1818

01:07:33,910 --> 01:07:31,520

to get into this in the new book

1819

01:07:35,510 --> 01:07:33,920

the public being spun things left and

1820

01:07:37,589 --> 01:07:35,520

right about what country this that and

1821

01:07:39,270 --> 01:07:37,599

the other it's very scary right now and

1822

01:07:40,789 --> 01:07:39,280

it's exactly where

1823

01:07:43,829 --> 01:07:40,799

this group behind the military

1824

01:07:46,549 --> 01:07:43,839

industrial complex wants to keep us

1825

01:07:48,710 --> 01:07:46,559

and um so yeah there's there's other

1826

01:07:50,789 --> 01:07:48,720

nations out there that are doing their

1827

01:07:52,870 --> 01:07:50,799

own secret stuff in space

1828

01:07:54,630 --> 01:07:52,880

certain ones not a lot

1829

01:07:57,750 --> 01:07:54,640

and i think there's the issue of the

1830

01:07:59,349 --> 01:07:57,760

breakaways you know i i think you know

1831

01:08:01,750 --> 01:07:59,359

they're out there of course

1832

01:08:04,069 --> 01:08:01,760

unfortunately because they're

1833

01:08:06,549 --> 01:08:04,079

you know behind you know the rise of our

1834

01:08:10,390 --> 01:08:06,559

military industrial complex they've got

1835

01:08:11,190 --> 01:08:10,400

their tendrils into our thing

1836

01:08:13,670 --> 01:08:11,200

so

1837

01:08:15,589 --> 01:08:13,680

this is part of the problem but there is

1838

01:08:19,669 --> 01:08:15,599

hope

1839

01:08:21,590 --> 01:08:19,679

it's got to be

1840

01:08:23,910 --> 01:08:21,600

otherwise i mean

1841

01:08:26,789 --> 01:08:23,920

there there are so many different levels

1842

01:08:28,309 --> 01:08:26,799

to what is going on out there in regards

1843

01:08:30,149 --> 01:08:28,319

to uh

1844

01:08:32,870 --> 01:08:30,159

our new technologies that are just

1845

01:08:36,709 --> 01:08:32,880

popping up left and right and uh the

1846

01:08:38,309 --> 01:08:36,719

space program uh potential alien

1847

01:08:40,590 --> 01:08:38,319

abductions

1848

01:08:43,510 --> 01:08:40,600

alien interferences

1849

01:08:45,910 --> 01:08:43,520

interdimensional beings i mean it's so

1850

01:08:48,229 --> 01:08:45,920

much it's like we could talk for weeks

1851

01:08:50,229 --> 01:08:48,239

and we will never touch upon everything

1852

01:08:51,590 --> 01:08:50,239

that is known out there or or that

1853

01:08:53,829 --> 01:08:51,600

you've experienced or i've experienced

1854

01:08:55,510 --> 01:08:53,839

or others have it's it's deep and it's

1855

01:08:56,470 --> 01:08:55,520

like how do we get this message out

1856

01:08:58,789 --> 01:08:56,480

there

1857

01:09:00,229 --> 01:08:58,799

well by doing what we're doing now and

1858

01:09:01,990 --> 01:09:00,239

you know you touched on something there

1859

01:09:03,990 --> 01:09:02,000

that in my book

1860

01:09:05,349 --> 01:09:04,000

which you've read you know i leave a

1861

01:09:08,309 --> 01:09:05,359

whole thing

1862

01:09:10,470 --> 01:09:08,319

kind of open and that is

1863

01:09:12,630 --> 01:09:10,480

you know there

1864

01:09:13,990 --> 01:09:12,640

there are clues and there's evidence

1865

01:09:15,910 --> 01:09:14,000

this is kind of where the title comes

1866

01:09:17,510 --> 01:09:15,920

from the subtitle lost in the mk ultra

1867

01:09:21,030 --> 01:09:17,520

house of anu

1868

01:09:22,709 --> 01:09:21,040

you know i talk about this group of

1869

01:09:26,390 --> 01:09:22,719

beings you know

1870

01:09:28,630 --> 01:09:26,400

human but from somewhere else that have

1871

01:09:31,189 --> 01:09:28,640

certain interdimensional qualities about

1872

01:09:35,669 --> 01:09:31,199

themselves that are in the mix here

1873

01:09:37,990 --> 01:09:35,679

and i don't know to what degree and

1874

01:09:40,149 --> 01:09:38,000

you know i i talk about that in the book

1875

01:09:42,789 --> 01:09:40,159

and you know you're right it amid all

1876

01:09:43,749 --> 01:09:42,799

this nefarious human stuff going on here

1877

01:09:45,990 --> 01:09:43,759

on earth

1878

01:09:49,189 --> 01:09:46,000

you know we do have these et's we've

1879

01:09:51,030 --> 01:09:49,199

also got these others from you know this

1880

01:09:53,269 --> 01:09:51,040

the other dimensional possibility that

1881

01:09:55,590 --> 01:09:53,279

are in the mix a lot going on here and

1882

01:09:56,709 --> 01:09:55,600

that's why people get confused and

1883

01:09:58,229 --> 01:09:56,719

that's why

1884

01:10:00,830 --> 01:09:58,239

organizations want to know what they're

1885

01:10:03,350 --> 01:10:00,840

experiencing and and it scares some

1886

01:10:05,189 --> 01:10:03,360

people um you know

1887

01:10:08,870 --> 01:10:05,199

there's

1888

01:10:10,550 --> 01:10:08,880

assigned to take it head on and that's

1889

01:10:12,870 --> 01:10:10,560

that group the collins elite that nick

1890

01:10:14,950 --> 01:10:12,880

redfearn has talked about and written

1891

01:10:19,830 --> 01:10:14,960

about woo who i think is a very real

1892

01:10:23,910 --> 01:10:21,750

yeah you've got you know i'm looking at

1893

01:10:26,070 --> 01:10:23,920

your site i want people to have a chance

1894

01:10:27,510 --> 01:10:26,080

to check it out so i want you to

1895

01:10:31,510 --> 01:10:27,520

tell them what your site is where they

1896

01:10:33,990 --> 01:10:31,520

can get all of your books oh well um i

1897

01:10:36,310 --> 01:10:34,000

i'm no longer on amazon kindle only the

1898

01:10:37,510 --> 01:10:36,320

disneyland book is at amazon on kindle

1899

01:10:40,070 --> 01:10:37,520

um

1900

01:10:41,590 --> 01:10:40,080

amazon is not good to uh authors and

1901

01:10:42,790 --> 01:10:41,600

indie publishers just for the record i

1902

01:10:44,630 --> 01:10:42,800

want to say that

1903

01:10:46,590 --> 01:10:44,640

so i pulled all my books off of them i

1904

01:10:48,630 --> 01:10:46,600

am at lulu.com

1905

01:10:50,550 --> 01:10:48,640

lulu.com where you can get my books

1906

01:10:53,189 --> 01:10:50,560

they're a little bit more than kindled

1907

01:10:55,430 --> 01:10:53,199

but they're printed you get a printed

1908

01:10:58,470 --> 01:10:55,440

physical book in your hands and uh

1909

01:10:59,350 --> 01:10:58,480

that's where you can find all my books i

1910

01:11:02,709 --> 01:10:59,360

have a blog

1911

01:11:07,590 --> 01:11:05,270

which i get on there when i can and post

1912

01:11:08,950 --> 01:11:07,600

essays and research related things if

1913

01:11:11,110 --> 01:11:08,960

you've never been there there's a whole

1914

01:11:13,669 --> 01:11:11,120

bunch there you can scroll back through

1915

01:11:16,870 --> 01:11:13,679

time and catch up on it

1916

01:11:18,870 --> 01:11:16,880

my my fun stuff my fiction publishing

1917

01:11:21,430 --> 01:11:18,880

company you can look at the the blog

1918

01:11:23,669 --> 01:11:21,440

there lost continent library at

1919

01:11:25,189 --> 01:11:23,679

blogspot.com

1920

01:11:27,510 --> 01:11:25,199

i'm also on

1921

01:11:30,149 --> 01:11:27,520

uh facebook and twitter and i also have

1922

01:11:33,270 --> 01:11:30,159

the walter bosley channel on youtube

1923

01:11:34,950 --> 01:11:33,280

where you can see my curmudgeonly uh

1924

01:11:36,870 --> 01:11:34,960

cranky uh commentary about

1925

01:11:38,550 --> 01:11:36,880

whistleblowers and other things i'm not

1926

01:11:42,950 --> 01:11:38,560

always

1927

01:11:46,070 --> 01:11:42,960

controlling those hey i like when you

1928

01:11:47,750 --> 01:11:46,080

show your teeth i mean it's all good

1929

01:11:50,950 --> 01:11:47,760

sometimes you have to

1930

01:11:52,550 --> 01:11:50,960

honestly you do i mean there's

1931

01:11:53,669 --> 01:11:52,560

there's so much to cover and it's like

1932

01:11:55,510 --> 01:11:53,679

and when you're passionate about

1933

01:11:56,870 --> 01:11:55,520

something it really shows and it shows

1934

01:11:58,470 --> 01:11:56,880

when you're you're speaking on this

1935

01:12:00,950 --> 01:11:58,480

topic and we need more people like

1936

01:12:02,709 --> 01:12:00,960

yourself to give a different perspective

1937

01:12:04,229 --> 01:12:02,719

and you know you can't

1938

01:12:05,750 --> 01:12:04,239

saying even saying you can't swallow

1939

01:12:07,030 --> 01:12:05,760

everything that that people are dishing

1940

01:12:08,950 --> 01:12:07,040

out there because

1941

01:12:11,590 --> 01:12:08,960

you've been in the mix your family's

1942

01:12:13,669 --> 01:12:11,600

been in the mix and you're like dude no

1943

01:12:15,669 --> 01:12:13,679

that's not right and you know and i like

1944

01:12:19,030 --> 01:12:15,679

to remind people i'm an experimenter of

1945

01:12:21,750 --> 01:12:19,040

things myself okay i just choose not to

1946

01:12:23,510 --> 01:12:21,760

talk about all of it all the time i when

1947

01:12:25,750 --> 01:12:23,520

when you see me publicly my research and

1948

01:12:27,669 --> 01:12:25,760

stuff i try to be objective i try to

1949

01:12:29,990 --> 01:12:27,679

provide documentary evidence if not that

1950

01:12:32,470 --> 01:12:30,000

historical context and i admit when i'm

1951

01:12:33,510 --> 01:12:32,480

speculating i admit when i don't know

1952

01:12:35,750 --> 01:12:33,520

something

1953

01:12:39,189 --> 01:12:35,760

and i didn't even push you on any of it

1954

01:12:43,030 --> 01:12:41,110

i could have totally dug into any of

1955

01:12:45,750 --> 01:12:43,040

your weird experiences i i dig those the

1956

01:12:47,910 --> 01:12:45,760

most of course but

1957

01:12:50,550 --> 01:12:47,920

oh gosh you better and then then it will

1958

01:12:53,110 --> 01:12:50,560

all be the juicy itself experiences

1959

01:12:55,270 --> 01:12:53,120

right right right yeah i will i i'll

1960

01:12:57,430 --> 01:12:55,280

talk about that stuff i just usually

1961

01:12:59,750 --> 01:12:57,440

don't write about it i hear you well i

1962

01:13:02,470 --> 01:12:59,760

mean i wanted to get into you know so

1963

01:13:05,990 --> 01:13:02,480

much that you cover because it is unique

1964

01:13:08,470 --> 01:13:06,000

it is family for you and it is your

1965

01:13:10,870 --> 01:13:08,480

career as well so i mean that that's a a

1966

01:13:12,790 --> 01:13:10,880

rare combo that you don't hear of much

1967

01:13:15,110 --> 01:13:12,800

out there so i i really appreciate you

1968

01:13:16,310 --> 01:13:15,120

uh taking the time to join us this

1969

01:13:18,709 --> 01:13:16,320

evening and

1970

01:13:19,910 --> 01:13:18,719

covering so much

1971

01:13:21,830 --> 01:13:19,920

you really

1972

01:13:23,510 --> 01:13:21,840

cross the spectrum

1973

01:13:25,189 --> 01:13:23,520

i appreciate you having me on i really

1974

01:13:27,030 --> 01:13:25,199

do and i i want your

1975

01:13:28,790 --> 01:13:27,040

more skeptical listeners to know that

1976

01:13:31,110 --> 01:13:28,800

i'm i am not

1977

01:13:33,590 --> 01:13:31,120

the bad guy air force guy i am not the

1978

01:13:35,990 --> 01:13:33,600

bad guy osi guy i'm actually probably

1979

01:13:37,910 --> 01:13:36,000

more their friend than they they realize

1980

01:13:40,070 --> 01:13:37,920

um

1981

01:13:42,630 --> 01:13:40,080

and for the record for all i know osi

1982

01:13:43,350 --> 01:13:42,640

they might hate me now

1983

01:13:44,950 --> 01:13:43,360

yeah

1984

01:13:47,030 --> 01:13:44,960

i was curious

1985

01:13:49,189 --> 01:13:47,040

they might say that darn bosley we wish

1986

01:13:50,229 --> 01:13:49,199

he'd shut up he's an embarrassment i

1987

01:13:51,830 --> 01:13:50,239

don't know

1988

01:13:54,149 --> 01:13:51,840

are you speaking anywhere are you gonna

1989

01:13:55,350 --> 01:13:54,159

be doing any any events

1990

01:13:57,590 --> 01:13:55,360

um

1991

01:13:59,350 --> 01:13:57,600

i'm i'm going to a little private

1992

01:14:02,470 --> 01:13:59,360

gathering that i've gone to a couple of

1993

01:14:05,750 --> 01:14:02,480

times uh in new mexico i'll be visiting

1994

01:14:08,390 --> 01:14:05,760

joseph farrell um i'll be uh

1995

01:14:09,189 --> 01:14:08,400

possibly uh visiting lynn buchanan

1996

01:14:10,550 --> 01:14:09,199

um

1997

01:14:12,149 --> 01:14:10,560

that's that's kind of a private

1998

01:14:15,189 --> 01:14:12,159

gathering where we put our heads

1999

01:14:17,510 --> 01:14:15,199

together and we you can't go to roswell

2000

01:14:19,830 --> 01:14:17,520

and uh been to roswell once just in that

2001

01:14:24,070 --> 01:14:19,840

capacity as a tourist um no i'm not

2002

01:14:25,990 --> 01:14:24,080

scheduled to be speaking at any event

2003

01:14:28,070 --> 01:14:26,000

but if you guys

2004

01:14:31,030 --> 01:14:28,080

okay all right well thank you once again

2005

01:14:32,870 --> 01:14:31,040

uh walter bosley for joining us and you

2006

01:14:35,189 --> 01:14:32,880

guys we've come to the bottom of another

2007

01:14:38,070 --> 01:14:35,199

awesome program this is a lot of fun as

2008

01:14:39,990 --> 01:14:38,080

always i oh my gosh but remember you

2009

01:14:41,590 --> 01:14:40,000

catch me here every friday at 8 pm

2010

01:14:43,590 --> 01:14:41,600

central 9 p.m eastern you've been
