knowledge forbidden religion and shine a

21

00:01:13,850 --> 00:00:58,289

light on the conspiracies to keep it all

22

00:01:13,860 --> 00:01:40,450

[Music]

23

00:01:40,460 --> 00:01:45,170

welcome to night-vision radio

24

00:01:50,490 --> 00:01:47,789

hey everybody welcome to night vision

25

00:01:52,170 --> 00:01:50,500

I'm your host Renee Barnett and I'm

26

00:01:54,539 --> 00:01:52,180

really excited about tonight's show I

27

00:01:58,080 --> 00:01:54,549

think it's gonna be a lot of fun and

28

00:02:00,749 --> 00:01:58,090

very informative I might say should have

29

00:02:04,590 --> 00:02:00,759

done this show a long time ago cuz I got

30

00:02:07,080 --> 00:02:04,600

my colleague Heidi Hollis on tonight she

31

00:02:10,919 --> 00:02:07,090

is an author a paranormal researcher and

32

00:02:14,479 --> 00:02:10,929

maybe most importantly an experimenter I

33

00:02:17,340 --> 00:02:14,489

think she's also sort of a reluctant

34

00:02:19,380 --> 00:02:17,350

medium or psychic but she she doesn't

35

00:02:22,080 --> 00:02:19,390

like to call herself that but she

36

00:02:24,990 --> 00:02:22,090

definitely has those kind of talents of

37

00:02:26,729 --> 00:02:25,000

drawing the strangeness to her so we're

38

00:02:29,400 --> 00:02:26,739

so happy to have her tonight to talk

39

00:02:31,979 --> 00:02:29,410

about her own experiences and also her

40

00:02:34,170 --> 00:02:31,989

new book or her latest book the hat man

41

00:02:36,990 --> 00:02:34,180

where she has identified yet another

42

00:02:39,750 --> 00:02:37,000

strange phenomena and named it for us so

43

00:02:44,100 --> 00:02:39,760

we're going to be finding out about just

44

00:02:46,530 --> 00:02:44,110

who or what the Hat man is and what

45

00:02:48,479 --> 00:02:46,540

Heidi's experiences are with that hat

46

00:02:50,430 --> 00:02:48,489

man and also those stories from others

47

00:03:03,650 --> 00:02:50,440

that she's gathered in that same room

48

00:03:09,479 --> 00:03:07,319

I'm doing fine doing fine now I I heard

49

00:03:11,940 --> 00:03:09,489

MJ bragging over there about some kind

50

00:03:16,259 --> 00:03:11,950

of football score you guys must both be

51
00:03:18,240 --> 00:03:16,269
a Green Bay Packer fan yes yeah we're

52
00:03:21,030 --> 00:03:18,250
both from Wisconsin and I happen to live

53
00:03:22,530 --> 00:03:21,040
in Chicago so I'm surrounded by the ones

54
00:03:25,340 --> 00:03:22,540
that are getting fans right about now

55
00:03:28,949 --> 00:03:25,350
yeah tons of them you better keep your

56
00:03:31,920 --> 00:03:28,959
sports fan ship to yourself in that

57
00:03:34,800 --> 00:03:31,930
neighborhood I would say well they they

58
00:03:37,319 --> 00:03:34,810
understand they understand yeah

59
00:03:39,150 --> 00:03:37,329
you know I also want to remind everybody

60
00:03:41,490 --> 00:03:39,160
probably a lot of people listening to

61
00:03:44,789 --> 00:03:41,500
this show already know that you have a

62
00:03:48,080 --> 00:03:44,799
show on right here on inception radio

63
00:03:50,629 --> 00:03:48,090

network the airs live every Friday night

64

00:03:54,119 --> 00:03:50,639

that's 9 p.m. Eastern

65

00:03:57,149 --> 00:03:54,129

yes and 8 p.m. Central and it goes for

66

00:03:58,559 --> 00:03:57,159

90 minutes and there and then Tuesday

67

00:04:00,420 --> 00:03:58,569

you have the outliner then

68

00:04:02,160 --> 00:04:00,430

stays i co-host on the kevin cook show

69

00:04:07,789 --> 00:04:02,170

unfortunately where we argue and bicker

70

00:04:10,849 --> 00:04:07,799

and yeah i hear you too I tell ya

71

00:04:16,409 --> 00:04:10,859

neither one of you guys are very shy

72

00:04:19,800 --> 00:04:16,419

yeah it's on last week we had a great

73

00:04:22,439 --> 00:04:19,810

time talking of course about his book on

74

00:04:26,550 --> 00:04:22,449

Marian apparitions and his research and

75

00:04:28,140 --> 00:04:26,560

his own experiences in that realm so

76

00:04:31,110 --> 00:04:28,150

that was that was really interesting and

77

00:04:34,800 --> 00:04:31,120

fun and it's always fun you hang out

78

00:04:37,409 --> 00:04:34,810

with your colleagues yeah because they

79

00:04:39,900 --> 00:04:37,419

kind of get you know where I'm sitting

80

00:04:43,710 --> 00:04:39,910

on my seat and now it's my pleasure to

81

00:04:44,939 --> 00:04:43,720

have you on the hot seat we so should

82

00:04:51,060 --> 00:04:44,949

have done this a long time ago

83

00:04:54,990 --> 00:04:51,070

I mean before too long now if if you

84

00:04:58,469 --> 00:04:55,000

don't mind I kind of like to just start

85

00:05:02,100 --> 00:04:58,479

with you know just about you and almost

86

00:05:07,110 --> 00:05:02,110

as as your book goes the new book the

87

00:05:10,260 --> 00:05:07,120

hat man you kind of shared some personal

88

00:05:12,089 --> 00:05:10,270

life details about how you've caught

89

00:05:13,920 --> 00:05:12,099

sort of had these I start to say being

90

00:05:15,149 --> 00:05:13,930

drawn to these experiences but I think

91

00:05:17,879 --> 00:05:15,159

it's the other way around

92

00:05:20,580 --> 00:05:17,889

I think these things are drawn to you I

93

00:05:23,430 --> 00:05:20,590

called you in my posts today a

94

00:05:26,550 --> 00:05:23,440

phenomenon magnet and and because that's

95

00:05:28,379 --> 00:05:26,560

what it seems like it's like you always

96

00:05:35,460 --> 00:05:28,389

seem to be in either the right place or

97

00:05:37,170 --> 00:05:35,470

the wrong place depending on yeah it's

98

00:05:40,469 --> 00:05:37,180

not been a joy I could tell you that

99

00:05:42,659 --> 00:05:40,479

it's it's like no no not again it's kind

100

00:05:45,959 --> 00:05:42,669

of one of those situations especially as

101
00:05:47,610 --> 00:05:45,969
a kid having experienced way too much

102
00:05:50,249 --> 00:05:47,620
there though it's just absolutely

103
00:05:53,249 --> 00:05:50,259
horrifying it's it's nothing that I know

104
00:05:55,529 --> 00:05:53,259
of any child that's like yeah just like

105
00:05:59,520 --> 00:05:55,539
the Ghostbusters or something no it was

106
00:06:02,430 --> 00:05:59,530
horrifying and I just thought you know

107
00:06:03,749 --> 00:06:02,440
it was isolated initially you know thank

108
00:06:06,270 --> 00:06:03,759
God we moved away from that haunted

109
00:06:08,969 --> 00:06:06,280
house and then we moved to literally a

110
00:06:10,950 --> 00:06:08,979
brand new house my parents built so they

111
00:06:12,490 --> 00:06:10,960
wouldn't have to deal with anybody

112
00:06:16,270 --> 00:06:12,500
having lived there you know

113
00:06:18,610 --> 00:06:16,280

being haunted and and I had experiences

114

00:06:20,680 --> 00:06:18,620

there that took a different turn and I'm

115

00:06:22,780 --> 00:06:20,690

like well crap and I move out as a

116

00:06:25,420 --> 00:06:22,790

college student and you know there's

117

00:06:27,910 --> 00:06:25,430

ghosts in my dormitory that are coming

118

00:06:30,720 --> 00:06:27,920

my way and it was just like oh my gosh

119

00:06:33,670 --> 00:06:30,730

and it just went from that aliens to

120

00:06:40,930 --> 00:06:33,680

anything and everything I don't know I

121

00:06:46,810 --> 00:06:40,940

think I'm cursed you know it was a case

122

00:06:49,990 --> 00:06:46,820

of you know to begin with it you had

123

00:06:54,480 --> 00:06:50,000

somehow presented somehow an opportunity

124

00:06:59,110 --> 00:06:54,490

for these entities or this phenomena

125

00:07:01,810 --> 00:06:59,120

phenomena to make themselves known or do

126

00:07:04,030 --> 00:07:01,820

you think that possibly you were in that

127

00:07:07,330 --> 00:07:04,040

situation in that physical location

128

00:07:09,340 --> 00:07:07,340

which happened to be haunted and strange

129

00:07:11,560 --> 00:07:09,350

things were going on and then is it

130

00:07:16,750 --> 00:07:11,570

possible that when you left you sort of

131

00:07:19,000 --> 00:07:16,760

took it with you um you know I honestly

132

00:07:22,270 --> 00:07:19,010

feel is like the home that we lived in

133

00:07:26,380 --> 00:07:22,280

was not haunted until my mother passed

134

00:07:28,270 --> 00:07:26,390

away and everybody said oh it's your

135

00:07:30,550 --> 00:07:28,280

mother haunting the house and it's like

136

00:07:32,440 --> 00:07:30,560

you know what mother do you know which

137

00:07:34,540 --> 00:07:32,450

one it's your eyes they're extremely

138

00:07:37,870 --> 00:07:34,550

young children you know I was seven

139

00:07:40,390 --> 00:07:37,880

years old and I had a younger sister was

140

00:07:42,940 --> 00:07:40,400

five and then you know a couple of other

141

00:07:46,870 --> 00:07:42,950

siblings and it's like it I think that

142

00:07:49,930 --> 00:07:46,880

her protective love kept it away I think

143

00:07:53,890 --> 00:07:49,940

it was always kind of coming around and

144

00:07:55,510 --> 00:07:53,900

she kept it at bay and when she passed I

145

00:07:58,840 --> 00:07:55,520

mean that protective barrier kind of

146

00:08:02,409 --> 00:07:58,850

fell down and you know it's it's kind of

147

00:08:04,000 --> 00:08:02,419

I don't know I mean in my family we've

148

00:08:05,890 --> 00:08:04,010

all experienced something a little bit

149

00:08:08,110 --> 00:08:05,900

odd here and there in our lifetimes but

150

00:08:09,909 --> 00:08:08,120

I seem to really get the the big ol

151
00:08:11,770 --> 00:08:09,919
mother lode of it all the time so if

152
00:08:13,390 --> 00:08:11,780
something runs in the family I guess to

153
00:08:19,270 --> 00:08:13,400
be able to experience the stuff that I

154
00:08:21,670 --> 00:08:19,280
do I just I guess you know I I don't

155
00:08:23,589 --> 00:08:21,680
know how to title it but my psychic

156
00:08:26,110 --> 00:08:23,599
friends and medium friends will say oh

157
00:08:26,439 --> 00:08:26,120
well you're a medium like really it's

158
00:08:27,879 --> 00:08:26,449
like I

159
00:08:29,350 --> 00:08:27,889
feel too ordinary for that it's like

160
00:08:31,659 --> 00:08:29,360
because I sure don't look for it it's

161
00:08:32,370 --> 00:08:31,669
kind of like waifu it comes when it

162
00:08:36,699 --> 00:08:32,380
wants

163
00:08:39,459 --> 00:08:36,709

I'll totally get you on that I I don't

164

00:08:41,290 --> 00:08:39,469

claim to you know have any extra psychic

165

00:08:44,170 --> 00:08:41,300

ability or anything like that but people

166

00:08:46,900 --> 00:08:44,180

are always telling me that and I do have

167

00:08:49,949 --> 00:08:46,910

things that happen and and have had over

168

00:08:51,519 --> 00:08:49,959

you know over my lifetime I think your

169

00:08:54,280 --> 00:08:51,529

experiences are a little bit more

170

00:08:55,990 --> 00:08:54,290

in-your-face type experiences with

171

00:08:58,269 --> 00:08:56,000

entities and things like that but might

172

00:09:00,160 --> 00:08:58,279

have been more with sort of just

173

00:09:03,280 --> 00:09:00,170

foreknowledge of something that's going

174

00:09:06,870 --> 00:09:03,290

to happen either through a dream or just

175

00:09:10,060 --> 00:09:06,880

through a sudden epiphany I'll just know

176

00:09:14,829 --> 00:09:10,070

something is going on remotely and and

177

00:09:17,259 --> 00:09:14,839

it bears out later but like you it's I

178

00:09:21,930 --> 00:09:17,269

didn't feel that there was anything

179

00:09:25,960 --> 00:09:21,940

particular about me do you feel that

180

00:09:28,240 --> 00:09:25,970

we're sort of all these conduits of this

181

00:09:31,780 --> 00:09:28,250

type of material or this type of

182

00:09:33,189 --> 00:09:31,790

information but you know some of us are

183

00:09:35,850 --> 00:09:33,199

just a little more fine-tuned I know you

184

00:09:38,559 --> 00:09:35,860

talked about in your book about you know

185

00:09:40,389 --> 00:09:38,569

there are ways to fine-tune it and maybe

186

00:09:50,819 --> 00:09:40,399

one of these days you'll pay attention

187

00:09:55,600 --> 00:09:50,829

to that we sort of all have that same

188

00:09:58,990 --> 00:09:55,610

ability and maybe just because of where

189

00:10:01,569 --> 00:09:59,000

we grew up the environment we grew up in

190

00:10:05,769 --> 00:10:01,579

you know certain variations in our body

191

00:10:07,389 --> 00:10:05,779

chemistry or DNA makes certain people a

192

00:10:08,889 --> 00:10:07,399

little bit more open just like some

193

00:10:11,170 --> 00:10:08,899

people are better playing the piano than

194

00:10:13,569 --> 00:10:11,180

other people and that sort of thing but

195

00:10:15,370 --> 00:10:13,579

do you think we all sort of have that

196

00:10:18,939 --> 00:10:15,380

but it's been sort of programmed out of

197

00:10:20,740 --> 00:10:18,949

us i i think i feel that everybody has a

198

00:10:24,939 --> 00:10:20,750

certain level of abilities that they

199

00:10:26,740 --> 00:10:24,949

they ignore or doubt or even question it

200

00:10:28,780 --> 00:10:26,750

always cracks me up when i get some of

201

00:10:30,280 --> 00:10:28,790

these emails from people that have

202

00:10:32,470 --> 00:10:30,290

experienced something I don't want some

203

00:10:35,829 --> 00:10:32,480

you know level-headed advice or whatever

204

00:10:38,920 --> 00:10:35,839

and and like one of their first lines is

205

00:10:40,120 --> 00:10:38,930

I'm not crazy I don't do drugs but I'm

206

00:10:41,560 --> 00:10:40,130

pretty sure my eyes are playing

207

00:10:42,940 --> 00:10:41,570

tricks on me I'm like hold it but those

208

00:10:44,920 --> 00:10:42,950

are the same eyes that you used to drive

209

00:10:48,130 --> 00:10:44,930

your car every day you know it's like

210

00:10:50,950 --> 00:10:48,140

you don't trust your freaking eyeballs

211

00:10:53,710 --> 00:10:50,960

okay Wow you know that's it's a doozy to

212

00:10:56,350 --> 00:10:53,720

me like people really like to look for

213

00:10:58,600 --> 00:10:56,360

any other answer except for the obvious

214

00:11:01,150 --> 00:10:58,610

one that's their eyeballs are using to

215

00:11:05,230 --> 00:11:01,160

transmit to their brain to say look at

216

00:11:08,320 --> 00:11:05,240

here so it's like I don't know it's like

217

00:11:11,350 --> 00:11:08,330

I feel like you know if we don't have a

218

00:11:14,590 --> 00:11:11,360

common explanation or our context for it

219

00:11:17,620 --> 00:11:14,600

like you'll see something and then you

220

00:11:19,240 --> 00:11:17,630

know not you necessarily because you've

221

00:11:22,290 --> 00:11:19,250

become accustomed to this sort of thing

222

00:11:24,730 --> 00:11:22,300

but the average Joe will just say oh

223

00:11:26,200 --> 00:11:24,740

that couldn't have happened so it didn't

224

00:11:28,900 --> 00:11:26,210

I must of my eyes must have been playing

225

00:11:31,540 --> 00:11:28,910

tricks on me or I just you know thought

226

00:11:33,520 --> 00:11:31,550

I saw that it was just you know you know

227

00:11:38,830 --> 00:11:33,530

a shadow moving across the room or

228

00:11:42,370 --> 00:11:38,840

whatever yeah so I think we do talk

229

00:11:45,330 --> 00:11:42,380

ourselves out of the stuff yeah and you

230

00:11:47,740 --> 00:11:45,340

know even experiences that are kind of

231

00:11:51,160 --> 00:11:47,750

in your face like I was talking about

232

00:11:53,740 --> 00:11:51,170

that you have you know very compelling

233

00:11:55,600 --> 00:11:53,750

experiences well sometimes sort of fade

234

00:11:58,030 --> 00:11:55,610

over time you sort of start

235

00:12:01,390 --> 00:11:58,040

rationalizing and talking yourself out

236

00:12:03,310 --> 00:12:01,400

of it yes I don't know I've done that

237

00:12:07,600 --> 00:12:03,320

you know and I think a lot of people do

238

00:12:11,470 --> 00:12:07,610

too but yeah I think if we kind of like

239

00:12:12,880 --> 00:12:11,480

decide to perceive things that we all

240

00:12:14,620 --> 00:12:12,890

might perceive a little bit more now I'm

241

00:12:18,880 --> 00:12:14,630

hoping we don't all perceive quite as

242

00:12:23,380 --> 00:12:18,890

much as you do yeah you know it it's so

243

00:12:26,740 --> 00:12:23,390

weird it's like I I'm like did that

244

00:12:28,810 --> 00:12:26,750

really happen you know it's like it did

245

00:12:31,810 --> 00:12:28,820

and it's like I was so glad that I

246

00:12:33,790 --> 00:12:31,820

captured a lot of what it was I

247

00:12:35,740 --> 00:12:33,800

experienced soon after I experienced

248

00:12:37,330 --> 00:12:35,750

some of the things because I think I

249

00:12:39,490 --> 00:12:37,340

would have lost the luster and the glow

250

00:12:43,360 --> 00:12:39,500

and the impact of it to some extent

251
00:12:45,100 --> 00:12:43,370
because I mean it just does kind of tend

252
00:12:48,190 --> 00:12:45,110
to fade over time our our memories even

253
00:12:50,020 --> 00:12:48,200
get drift apart and it's just like I

254
00:12:52,480 --> 00:12:50,030
forgot I dreamt of the World Trade

255
00:12:53,840 --> 00:12:52,490
Center planes going into the building I

256
00:12:56,000 --> 00:12:53,850
forgot about it

257
00:12:57,950 --> 00:12:56,010
I told my friends many years earlier and

258
00:12:59,840 --> 00:12:57,960
they're like you know I I it was

259
00:13:02,810 --> 00:12:59,850
probably two years after the World Trade

260
00:13:04,640 --> 00:13:02,820
Center versus went down that I saw my

261
00:13:06,800 --> 00:13:04,650
friends and I'm like I think we're right

262
00:13:08,390 --> 00:13:06,810
and I'm like about what you know I

263
00:13:11,000 --> 00:13:08,400

totally forgot about it

264

00:13:14,120 --> 00:13:11,010

it's our memories are funny like that

265

00:13:16,790 --> 00:13:14,130

and I had a similar experience about

266

00:13:21,140 --> 00:13:16,800

that now I didn't see the planes going

267

00:13:24,440 --> 00:13:21,150

into the World Trade Center but I saw a

268

00:13:27,050 --> 00:13:24,450

plane you know a big commercial airliner

269

00:13:29,780 --> 00:13:27,060

coming down and you know how dreams are

270

00:13:33,770 --> 00:13:29,790

you know sometimes you can do the

271

00:13:35,480 --> 00:13:33,780

impossible in the impossible as possible

272

00:13:39,740 --> 00:13:35,490

in a dream but I remember and this was a

273

00:13:43,310 --> 00:13:39,750

dream that I had repeatedly over my life

274

00:13:47,120 --> 00:13:43,320

for years and years and years and again

275

00:13:49,910 --> 00:13:47,130

I didn't immediately draw the

276

00:13:53,510 --> 00:13:49,920

correlation with 9/11 until I realized

277

00:13:56,120 --> 00:13:53,520

that after that they stopped but I had

278

00:13:58,700 --> 00:13:56,130

this recurring dream of a giant

279

00:14:01,130 --> 00:13:58,710

commercial airliner of standing out in a

280

00:14:04,610 --> 00:14:01,140

field now I'm thinking maybe I saw the

281

00:14:07,040 --> 00:14:04,620

one that came down in Pennsylvania and I

282

00:14:09,820 --> 00:14:07,050

could see the people in through the

283

00:14:13,010 --> 00:14:09,830

windows and I could see their faces and

284

00:14:16,160 --> 00:14:13,020

it was it was a horrifying dream that I

285

00:14:16,880 --> 00:14:16,170

had over and over again for many many

286

00:14:21,260 --> 00:14:16,890

years

287

00:14:23,660 --> 00:14:21,270

goodness so isn't that wild though a

288

00:14:26,600 --> 00:14:23,670

plain dream that scene you know yours is

289

00:14:29,450 --> 00:14:26,610

Hobbs absolutely connected mine wasn't

290

00:14:33,290 --> 00:14:29,460

quite quite as clearly connected but it

291

00:14:35,030 --> 00:14:33,300

did seem like it reminded me later when

292

00:14:37,910 --> 00:14:35,040

I thought about it of the Pennsylvania

293

00:14:41,110 --> 00:14:37,920

where the the people were you know

294

00:14:44,660 --> 00:14:41,120

obviously aware of what was going on and

295

00:14:47,660 --> 00:14:44,670

made the determination to storm the

296

00:14:50,570 --> 00:14:47,670

cockpit and bring that plane down so it

297

00:14:52,850 --> 00:14:50,580

that it was well but you know you were

298

00:14:56,410 --> 00:14:52,860

talking about your mom passing and how a

299

00:15:01,400 --> 00:14:56,420

lot of this stuff started at that time

300

00:15:03,230 --> 00:15:01,410

did why do you think that was because

301
00:15:06,290 --> 00:15:03,240
you you think that she sort of was

302
00:15:07,460 --> 00:15:06,300
holding holding the spirits at bay while

303
00:15:10,040 --> 00:15:07,470
she was there but

304
00:15:11,150 --> 00:15:10,050
she was gone there was sort of an

305
00:15:15,550 --> 00:15:11,160
opening left

306
00:15:18,230 --> 00:15:15,560
I assume Excel

307
00:15:20,390 --> 00:15:18,240
nearly immediate after she passed away

308
00:15:24,620 --> 00:15:20,400
and and an interesting thing happened

309
00:15:27,140 --> 00:15:24,630
with my mom's my dad's mom's my

310
00:15:29,510 --> 00:15:27,150
grandmother well she came over to visit

311
00:15:32,360 --> 00:15:29,520
us soon after my mom had passed away and

312
00:15:35,240 --> 00:15:32,370
my my grandma she is a pastor and she

313
00:15:38,090 --> 00:15:35,250

came to step a Pentecostal one mind you

314

00:15:40,040 --> 00:15:38,100

she came to step into our home and you

315

00:15:41,870 --> 00:15:40,050

know we were you know dealing with this

316

00:15:44,570 --> 00:15:41,880

that's haunting at that time and she

317

00:15:46,520 --> 00:15:44,580

went to take a step in she stopped she

318

00:15:48,230 --> 00:15:46,530

looked around or eyes got wide she

319

00:15:51,160 --> 00:15:48,240

stepped back out she's like I'm not

320

00:15:55,430 --> 00:15:51,170

coming in here your mother was a witch

321

00:15:57,830 --> 00:15:55,440

it's like it's like wow she stayed on

322

00:15:59,330 --> 00:15:57,840

the porch she would not come in my dad

323

00:16:02,000 --> 00:15:59,340

had to get her a hotel she's like

324

00:16:04,250 --> 00:16:02,010

something's going on in there and she

325

00:16:08,390 --> 00:16:04,260

never left from what I recall she never

326

00:16:10,370 --> 00:16:08,400

really spoke much else about it but yeah

327

00:16:13,820 --> 00:16:10,380

but I didn't know my mom to be dabbling

328

00:16:15,680 --> 00:16:13,830

and anything bizarre think so but I was

329

00:16:17,860 --> 00:16:15,690

quite young but my older siblings never

330

00:16:19,250 --> 00:16:17,870

said anything either I'm like wow that's

331

00:16:28,660 --> 00:16:19,260

weird

332

00:16:31,760 --> 00:16:28,670

said that you had had a lot of

333

00:16:34,730 --> 00:16:31,770

experiences in your life of when people

334

00:16:37,460 --> 00:16:34,740

that you cared about loved ones family

335

00:16:41,840 --> 00:16:37,470

members would pass over that you had

336

00:16:43,370 --> 00:16:41,850

experiences they would come by and sort

337

00:16:45,800 --> 00:16:43,380

of give you a little farewell or a

338

00:16:49,160 --> 00:16:45,810

little message but you didn't have that

339

00:16:53,210 --> 00:16:49,170

with your with your mom all right but

340

00:16:56,060 --> 00:16:53,220

the weird thing seems was that your mom

341

00:17:00,620 --> 00:16:56,070

might have are not your mom herself but

342

00:17:03,380 --> 00:17:00,630

perhaps the image of your mom was used

343

00:17:05,840 --> 00:17:03,390

to scare you could you tell a little bit

344

00:17:10,040 --> 00:17:05,850

about how that happened

345

00:17:13,310 --> 00:17:10,050

yeah um so after my mother passed we

346

00:17:16,250 --> 00:17:13,320

might my stepmom had been in came into

347

00:17:18,410 --> 00:17:16,260

the picture when my dad and she decided

348

00:17:21,360 --> 00:17:18,420

to build a new house to get away from

349

00:17:26,130 --> 00:17:21,370

the haunted house and so myself

350

00:17:28,260 --> 00:17:26,140

my two sisters it was weird it's like we

351

00:17:32,760 --> 00:17:28,270

all individually started having

352

00:17:35,190 --> 00:17:32,770

nightmares of our mother and it was

353

00:17:37,020 --> 00:17:35,200

nothing that we dared to share with each

354

00:17:39,420 --> 00:17:37,030

other because they portrayed our mother

355

00:17:43,230 --> 00:17:39,430

in the most horrific manner and it was

356

00:17:47,190 --> 00:17:43,240

always this image of my mom with solid

357

00:17:51,120 --> 00:17:47,200

black eyes going about trying to kill me

358

00:17:53,490 --> 00:17:51,130

and just being horrified by it and and

359

00:17:55,950 --> 00:17:53,500

it being so you know seeing her at the

360

00:17:58,380 --> 00:17:55,960

distance going Oh mom oh my goodness and

361

00:18:00,120 --> 00:17:58,390

running towards her anything ah it's

362

00:18:02,250 --> 00:18:00,130

this black eyed thing and it's it's

363

00:18:05,190 --> 00:18:02,260

choking me it's throwing me down it's

364

00:18:07,500 --> 00:18:05,200

chasing me I see my sister's running and

365

00:18:08,940 --> 00:18:07,510

I started to notice that my younger

366

00:18:11,940 --> 00:18:08,950

sister

367

00:18:14,520 --> 00:18:11,950

didn't sound so good on the phone and

368

00:18:16,470 --> 00:18:14,530

she had moved out already by this stage

369

00:18:18,030 --> 00:18:16,480

and and I'm like what's going on she's

370

00:18:21,600 --> 00:18:18,040

like I'm just having these horrible

371

00:18:24,840 --> 00:18:21,610

nightmares and I like really like that's

372

00:18:27,150 --> 00:18:24,850

weird and I like of what you know and

373

00:18:29,760 --> 00:18:27,160

she goes you know she was hesitant to

374

00:18:31,470 --> 00:18:29,770

say then my younger sister she's not

375

00:18:32,640 --> 00:18:31,480

looking so good she's not sleeping much

376

00:18:34,710 --> 00:18:32,650

and she's starting to do a lot of

377

00:18:36,750 --> 00:18:34,720

superstitious things like knock on wood

378

00:18:37,470 --> 00:18:36,760

and throwing salt and I'm like what are

379

00:18:39,720 --> 00:18:37,480

you doing

380

00:18:41,430 --> 00:18:39,730

and it's like I'm trying to make the

381

00:18:43,230 --> 00:18:41,440

nightmares go away I'm like what

382

00:18:45,480 --> 00:18:43,240

nightmare it says she described the same

383

00:18:48,180 --> 00:18:45,490

thing and then I was like okay

384

00:18:52,770 --> 00:18:48,190

hey all three of us got to talk and we

385

00:18:55,650 --> 00:18:52,780

talked about having these pretty much

386

00:18:58,020 --> 00:18:55,660

shared dreams we were all in the same

387

00:19:01,049 --> 00:18:58,030

dream I saw my sister's running ahead of

388

00:19:02,970 --> 00:19:01,059

me from this thing and I'm like that was

389

00:19:06,060 --> 00:19:02,980

the same dream my goodness like we

390

00:19:08,850 --> 00:19:06,070

literally were in them and yeah it was

391

00:19:10,770 --> 00:19:08,860

it was pretty horrifying and that

392

00:19:13,799 --> 00:19:10,780

happened from the age of like eight

393

00:19:17,250 --> 00:19:13,809

years old up through my 20s I mean I was

394

00:19:22,530 --> 00:19:17,260

just like huh it was crazy it was really

395

00:19:26,220 --> 00:19:22,540

horrifying and you know I it resurfaced

396

00:19:29,520 --> 00:19:26,230

again I have a good friend that's a

397

00:19:31,919 --> 00:19:29,530

psychic that I had on my show at one

398

00:19:33,630 --> 00:19:31,929

point and she doesn't like to give

399

00:19:34,930 --> 00:19:33,640

readings of friends thank God I'm like

400

00:19:39,550 --> 00:19:34,940

great don't do it you know

401

00:19:41,470 --> 00:19:39,560

I noticed you won't do that and then I

402

00:19:43,120 --> 00:19:41,480

got this feeling like during the

403

00:19:46,090 --> 00:19:43,130

commercial break I'm like you're not

404

00:19:48,850 --> 00:19:46,100

gonna talk about my mother are you and

405

00:19:50,980 --> 00:19:48,860

she goes oh how did you know your mother

406

00:19:53,170 --> 00:19:50,990

came to me oh I have to just give you

407

00:19:54,910 --> 00:19:53,180

this message I'm like no no don't don't

408

00:19:57,850 --> 00:19:54,920

bring up my mom and and we didn't have

409

00:20:00,220 --> 00:19:57,860

enough time to say why you know and so

410

00:20:02,110 --> 00:20:00,230

during the show it's just like so

411

00:20:03,490 --> 00:20:02,120

anyways your mom stopped by she's so

412

00:20:06,100 --> 00:20:03,500

proud of you and done it out of that and

413

00:20:07,750 --> 00:20:06,110

I'm like oh gosh you're really sitting

414

00:20:08,230 --> 00:20:07,760

this to death that I'm like oh that's

415

00:20:10,570 --> 00:20:08,240

great

416

00:20:12,460 --> 00:20:10,580

okay anyways moving along and then at

417

00:20:14,560 --> 00:20:12,470

the end of the show I go to tell her I'm

418

00:20:17,410 --> 00:20:14,570

like look I had these nightmares and

419

00:20:19,180 --> 00:20:17,420

whatever that thing was I don't I don't

420

00:20:20,530 --> 00:20:19,190

know I I don't want to think of it's

421

00:20:23,020 --> 00:20:20,540

just like oh hi to your mom's not a

422

00:20:26,020 --> 00:20:23,030

demon don't worry about that I'm like

423

00:20:29,470 --> 00:20:26,030

uh-huh okay great so anyways the next

424

00:20:32,470 --> 00:20:29,480

day I get this horrific email from earth

425

00:20:34,090 --> 00:20:32,480

egg her daughter woke up in the middle

426

00:20:36,550 --> 00:20:34,100

of night screaming and she ran to go

427

00:20:38,350 --> 00:20:36,560

help her out it's just like what's going

428

00:20:40,390 --> 00:20:38,360

on it's just like there's a demon woman

429

00:20:42,550 --> 00:20:40,400

in my room going through things

430

00:20:48,370 --> 00:20:42,560

terrorizing me and she's like Oh sweetie

431

00:20:50,440 --> 00:20:48,380

just relax hey guys welcome deck tonight

432

00:20:52,390 --> 00:20:50,450

vision radio we're gonna pick up right

433

00:20:55,720 --> 00:20:52,400

where we left off you know how do we

434

00:20:57,820 --> 00:20:55,730

were talking about the fact that you you

435

00:21:01,570 --> 00:20:57,830

know we're having these strange and kind

436

00:21:03,400 --> 00:21:01,580

of terrible experiences that were in the

437

00:21:06,610 --> 00:21:03,410

image of your mother after she passed

438

00:21:09,820 --> 00:21:06,620

away and I don't think you or I think

439

00:21:13,990 --> 00:21:09,830

that it was your mom but that her image

440

00:21:16,300 --> 00:21:14,000

and and and that essence was being used

441

00:21:17,740 --> 00:21:16,310

to sort of scare you or for some

442

00:21:20,470 --> 00:21:17,750

somewhat reason we don't know who was

443

00:21:23,760 --> 00:21:20,480

behind what was behind it but I was also

444

00:21:27,580 --> 00:21:23,770

saying the fact that you know when

445

00:21:28,840 --> 00:21:27,590

certain close loved loved ones passed

446

00:21:30,940 --> 00:21:28,850

away especially if you're particularly

447

00:21:33,910 --> 00:21:30,950

close like it's when my daughter passed

448

00:21:36,850 --> 00:21:33,920

away years ago all her friends got

449

00:21:39,430 --> 00:21:36,860

messages you know and even my mother she

450

00:21:43,060 --> 00:21:39,440

actually came to visit my mother then I

451
00:21:45,850 --> 00:21:43,070
she died at the time of her death but my

452
00:21:47,539 --> 00:21:45,860
mother didn't know what didn't recognize

453
00:21:52,430 --> 00:21:47,549
what was happening

454
00:21:54,049 --> 00:21:52,440
but I knew just by figuring things out

455
00:21:56,840 --> 00:21:54,059
you know although I found her in the

456
00:22:02,210 --> 00:21:56,850
morning then I knew about what time it

457
00:22:04,489 --> 00:22:02,220
was when she had passed and when I had

458
00:22:07,789 --> 00:22:04,499
talked to my mom later there my mother's

459
00:22:09,560 --> 00:22:07,799
in another state and she said you know I

460
00:22:13,070 --> 00:22:09,570
had this dream last night

461
00:22:15,799 --> 00:22:13,080
and she said it was so vivid and so

462
00:22:18,019 --> 00:22:15,809
strong and she said I was in this place

463
00:22:22,129 --> 00:22:18,029

and she said it was like a room she said

464

00:22:25,519 --> 00:22:22,139

it but it was full of like blue smoke

465

00:22:28,340 --> 00:22:25,529

blue fog and she said and I saw someone

466

00:22:30,950 --> 00:22:28,350

approaching me coming through the fog

467

00:22:33,769 --> 00:22:30,960

and she said I knew I knew that person

468

00:22:38,259 --> 00:22:33,779

but I couldn't quite make out who it was

469

00:22:41,210 --> 00:22:38,269

and the person approached and she said I

470

00:22:43,430 --> 00:22:41,220

met up with the person and they hugged

471

00:22:46,340 --> 00:22:43,440

me and I hugged them and I just cried

472

00:22:47,509 --> 00:22:46,350

and cried she said but I couldn't figure

473

00:22:51,499 --> 00:22:47,519

out who it was

474

00:22:55,190 --> 00:22:51,509

and she said but I it was so vivid and

475

00:22:59,149 --> 00:22:55,200

so strong that it woke me up and when

476

00:23:02,479 --> 00:22:59,159

she looked at the clock it was I think

477

00:23:05,960 --> 00:23:02,489

11 p.m. where she was and my daughter

478

00:23:08,239 --> 00:23:05,970

had died about 9 p.m. Pacific time and

479

00:23:11,139 --> 00:23:08,249

she was Central Time so it would have

480

00:23:13,460 --> 00:23:11,149

been right around the exact time but

481

00:23:15,349 --> 00:23:13,470

that was so amazing my mom didn't tell

482

00:23:17,960 --> 00:23:15,359

me about that for a little while because

483

00:23:19,999 --> 00:23:17,970

she just was afraid it you know

484

00:23:23,029 --> 00:23:20,009

everything was that upsetting to me at

485

00:23:26,479 --> 00:23:23,039

the time but I horribles sorry to hear

486

00:23:29,570 --> 00:23:26,489

oh thank you yeah I did find things like

487

00:23:31,779 --> 00:23:29,580

that comforting though and then her her

488

00:23:37,549 --> 00:23:31,789

oldest child had some experiences with

489

00:23:39,529 --> 00:23:37,559

some things going on around him so but I

490

00:23:42,669 --> 00:23:39,539

never did it and what I was saying to

491

00:23:45,049 --> 00:23:42,679

you is do you think that sometimes like

492

00:23:48,080 --> 00:23:45,059

when we're really really close to

493

00:23:51,950 --> 00:23:48,090

someone or when we're particularly upset

494

00:23:54,139 --> 00:23:51,960

or in grief and deep grief do you think

495

00:23:58,430 --> 00:23:54,149

that we can kind of keep people away

496

00:24:00,890 --> 00:23:58,440

from us from the you know get through I

497

00:24:03,950 --> 00:24:00,900

wonder because I do kind of

498

00:24:05,600 --> 00:24:03,960

you're that more often than not that you

499

00:24:07,370 --> 00:24:05,610

know like I mother didn't see their get

500

00:24:08,810 --> 00:24:07,380

a chance to see their daughter or you

501
00:24:11,480 --> 00:24:08,820
know somebody that was really really

502
00:24:14,750 --> 00:24:11,490
close to them it seems to be that the

503
00:24:19,430 --> 00:24:14,760
most like I lost a sister a couple of

504
00:24:22,730 --> 00:24:19,440
years ago and I mean she she kind of

505
00:24:25,670 --> 00:24:22,740
gave me a bit of a message and I have

506
00:24:30,980 --> 00:24:25,680
seen her in a couple of dreams but her

507
00:24:33,560 --> 00:24:30,990
immediate go-to person was my nephew who

508
00:24:36,800 --> 00:24:33,570
oh gosh how old was he five years old at

509
00:24:39,560 --> 00:24:36,810
the time and it's like you know it

510
00:24:41,480 --> 00:24:39,570
literally my my other two sisters I just

511
00:24:42,290 --> 00:24:41,490
come from the hospital it was like 3:00

512
00:24:45,770 --> 00:24:42,300
in the morning

513
00:24:48,320 --> 00:24:45,780

coming into the home and the

514

00:24:51,050 --> 00:24:48,330

five-year-old sleeping on the couch my

515

00:24:53,270 --> 00:24:51,060

sister goes oh my god what are you doing

516

00:24:54,980 --> 00:24:53,280

up you know and he's like all excited oh

517

00:24:56,810 --> 00:24:54,990

I got to tell you got to tell you it's

518

00:24:57,940 --> 00:24:56,820

just his eyes are wide you said he was

519

00:25:01,250 --> 00:24:57,950

just jumping up and down it's like

520

00:25:03,200 --> 00:25:01,260

auntie Wanda said that that she had to

521

00:25:05,510 --> 00:25:03,210

go to heaven and that she loved me and I

522

00:25:09,350 --> 00:25:05,520

told her I loved her too and that she

523

00:25:11,360 --> 00:25:09,360

was gonna miss me and I mean she they

524

00:25:12,350 --> 00:25:11,370

did not get the chance to tell anyone

525

00:25:15,170 --> 00:25:12,360

she had fast

526

00:25:17,990 --> 00:25:15,180

they just walked in the door I mean it

527

00:25:21,650 --> 00:25:18,000

was like oh wow yeah out of the mouths

528

00:25:24,290 --> 00:25:21,660

of babes it's like she's Wow I mean that

529

00:25:26,900 --> 00:25:24,300

was such a you know hey I'm gonna be

530

00:25:28,220 --> 00:25:26,910

okay you don't let everybody know you

531

00:25:31,310 --> 00:25:28,230

know there's no way you could make that

532

00:25:33,020 --> 00:25:31,320

out it was just beautiful so yeah you

533

00:25:34,820 --> 00:25:33,030

know it does seem like to happen like

534

00:25:36,710 --> 00:25:34,830

that a lot with kids you know because I

535

00:25:39,920 --> 00:25:36,720

think they don't have that self

536

00:25:41,390 --> 00:25:39,930

ensorship that we develop as we get

537

00:25:44,390 --> 00:25:41,400

older like oh that's not supposed to

538

00:25:47,720 --> 00:25:44,400

happen so yeah obviously it didn't it's

539

00:25:49,940 --> 00:25:47,730

like they're so open and innocent that

540

00:25:53,510 --> 00:25:49,950

you know it's like everything can make

541

00:25:56,420 --> 00:25:53,520

sense to them so that is interesting it

542

00:25:58,250 --> 00:25:56,430

does seem like a lot of children you

543

00:26:00,620 --> 00:25:58,260

know I've read a lot of books about

544

00:26:05,810 --> 00:26:00,630

children having psychic experiences and

545

00:26:08,030 --> 00:26:05,820

especially with angels angel appearances

546

00:26:10,430 --> 00:26:08,040

they seem to come to children a lot and

547

00:26:13,250 --> 00:26:10,440

maybe they come to a lot of us a lot and

548

00:26:15,400 --> 00:26:13,260

we just reject them you know who know

549

00:26:20,390 --> 00:26:15,410

they're going to be surprised

550

00:26:23,630 --> 00:26:20,400

yeah but now you I know you had a lot of

551
00:26:26,080 --> 00:26:23,640
you know what you termed it in your in

552
00:26:28,220 --> 00:26:26,090
your books a hat man you turn scary

553
00:26:30,590 --> 00:26:28,230
experiences and kind of horrifying

554
00:26:33,800 --> 00:26:30,600
experiences throughout your life of the

555
00:26:37,850 --> 00:26:33,810
paranormal but yet here you are you've

556
00:26:40,850 --> 00:26:37,860
sort of carved out you know a profession

557
00:26:44,500 --> 00:26:40,860
following the paranormal how you kind of

558
00:26:49,160 --> 00:26:44,510
how'd you get to that god only knows

559
00:26:51,920 --> 00:26:49,170
Renee who write books you give lectures

560
00:26:54,170 --> 00:26:51,930
you you have your own radio shows you've

561
00:26:55,850 --> 00:26:54,180
been on television shows you do other

562
00:26:59,210 --> 00:26:55,860
people's radio shows like you're doing

563
00:27:03,620 --> 00:26:59,220

right now so out of all that horror can

564

00:27:04,210 --> 00:27:03,630

know your your very own itch so how did

565

00:27:07,130 --> 00:27:04,220

that

566

00:27:11,000 --> 00:27:07,140

metamorphosis take place I you know I

567

00:27:13,340 --> 00:27:11,010

think truly out of need I actually I'm

568

00:27:17,030 --> 00:27:13,350

an occupational therapist keeps me busy

569

00:27:19,580 --> 00:27:17,040

enough but I as a college student when I

570

00:27:23,270 --> 00:27:19,590

first started experiencing the shadow

571

00:27:25,550 --> 00:27:23,280

beings I was just I knew they were real

572

00:27:27,740 --> 00:27:25,560

I knew what I was experiencing and I

573

00:27:32,630 --> 00:27:27,750

searched for answers and could not find

574

00:27:36,350 --> 00:27:32,640

anything and as answers came to me and I

575

00:27:38,750 --> 00:27:36,360

thought wow this maybe I need to help

576

00:27:41,210 --> 00:27:38,760

put together something that would help

577

00:27:42,950 --> 00:27:41,220

guide other people because I was given

578

00:27:44,960 --> 00:27:42,960

the impression that this is going to

579

00:27:47,450 --> 00:27:44,970

become a phenomena that will spread

580

00:27:50,780 --> 00:27:47,460

worldwide but I didn't know I had

581

00:27:53,570 --> 00:27:50,790

already started at the time and so that

582

00:27:57,140 --> 00:27:53,580

was a shocker for me so while in college

583

00:27:59,570 --> 00:27:57,150

I working full-time working like two

584

00:28:04,010 --> 00:27:59,580

three jobs at the time going to school

585

00:28:06,530 --> 00:28:04,020

full-time and I wrote my first book the

586

00:28:08,660 --> 00:28:06,540

secret war it took me two months to

587

00:28:11,150 --> 00:28:08,670

write it and four years to finally get

588

00:28:15,470 --> 00:28:11,160

it published what a nightmare that was

589

00:28:17,840 --> 00:28:15,480

and everything just kind of shot away

590

00:28:21,530 --> 00:28:17,850

from there I mean it was it was like I

591

00:28:23,720 --> 00:28:21,540

put this book out and I'm like okay you

592

00:28:25,910 --> 00:28:23,730

know and I was kind of hesitant to use

593

00:28:27,950 --> 00:28:25,920

this word this name I made up I'm like

594

00:28:28,460 --> 00:28:27,960

well shadow people's what I call them

595

00:28:30,649 --> 00:28:28,470

and

596

00:28:34,000 --> 00:28:30,659

you know I know people can't relate but

597

00:28:37,940 --> 00:28:34,010

and then it was like boom yes we can and

598

00:28:42,020 --> 00:28:37,950

thousands upon thousands of emails came

599

00:28:45,470 --> 00:28:42,030

to me immediately and at the time I had

600

00:28:49,549 --> 00:28:45,480

this thing called AOL and AOL would

601
00:28:52,760 --> 00:28:49,559
delete emails if you got too many yes so

602
00:28:54,799 --> 00:28:52,770
it every few seconds delete hundreds

603
00:28:56,930 --> 00:28:54,809
delete hundreds they were just going

604
00:29:00,500 --> 00:28:56,940
going and I'm like I couldn't open them

605
00:29:03,529 --> 00:29:00,510
up fast enough I lost so many and and

606
00:29:07,820 --> 00:29:03,539
then I started kidding females up why

607
00:29:10,610 --> 00:29:07,830
did you answer me like what is going on

608
00:29:13,370 --> 00:29:10,620
here that was my ID got in Costa cosets

609
00:29:16,159 --> 00:29:13,380
or my very first show with sightings and

610
00:29:18,860 --> 00:29:16,169
and then I did coast to coast and it

611
00:29:21,680 --> 00:29:18,870
just it's never slowed down ever since

612
00:29:24,620 --> 00:29:21,690
and and my jaws just been open the whole

613
00:29:27,710 --> 00:29:24,630

time going this is already a thing this

614

00:29:30,350 --> 00:29:27,720

is already this widespread and became

615

00:29:33,710 --> 00:29:30,360

the world's foremost expert on the topic

616

00:29:36,320 --> 00:29:33,720

and though everybody likes to steal my

617

00:29:39,110 --> 00:29:36,330

information and Oh make movies video

618

00:29:40,850 --> 00:29:39,120

games and all that but yeah I haven't

619

00:29:44,870 --> 00:29:40,860

seen any of the movies just so people

620

00:29:46,610 --> 00:29:44,880

know not but I've heard and some of the

621

00:29:49,760 --> 00:29:46,620

books I have not read them because I'm

622

00:29:51,529 --> 00:29:49,770

just it's just so bizarre and like they

623

00:29:53,149 --> 00:29:51,539

didn't wrote our friends my stuff what

624

00:29:56,570 --> 00:29:53,159

it's like where'd you get this from okay

625

00:29:58,370 --> 00:29:56,580

alright whatever it's it's the weirdest

626

00:30:01,940 --> 00:29:58,380

thing it's like I'll ask people what did

627

00:30:04,370 --> 00:30:01,950

they did they reference no Heidi no they

628

00:30:06,649 --> 00:30:04,380

just owned it themselves and like well

629

00:30:10,159 --> 00:30:06,659

they're gonna regret that at some point

630

00:30:13,130 --> 00:30:10,169

but it's just it's a weird thing it's

631

00:30:15,350 --> 00:30:13,140

like you know I got poo poed so much

632

00:30:17,600 --> 00:30:15,360

from people when I would try to go to

633

00:30:19,159 --> 00:30:17,610

speaking at conferences like what is she

634

00:30:22,460 --> 00:30:19,169

talking about and I always connected

635

00:30:25,220 --> 00:30:22,470

them to alien beings not not the other

636

00:30:27,890 --> 00:30:25,230

way around but as being like something

637

00:30:30,529 --> 00:30:27,900

ethereal like ghostly or something

638

00:30:33,289 --> 00:30:30,539

however they are connected in a way that

639

00:30:36,169 --> 00:30:33,299

way as well but they're there they've

640

00:30:38,389 --> 00:30:36,179

got they've got something hands all over

641

00:30:41,149 --> 00:30:38,399

the place it's it's it's a truly

642

00:30:42,290 --> 00:30:41,159

frightening phenomena now you know for

643

00:30:45,800 --> 00:30:42,300

people who may not know

644

00:30:48,860 --> 00:30:45,810

could you describe what what are the

645

00:30:53,060 --> 00:30:48,870

shadow people what and how did you first

646

00:30:56,090 --> 00:30:53,070

become aware of the phenomenon shadow

647

00:30:58,760 --> 00:30:56,100

people are essentially a black mass that

648

00:31:02,900 --> 00:30:58,770

could take on various forms shadowcats

649

00:31:05,210 --> 00:31:02,910

shadow rodents shadow heavy shoulder

650

00:31:08,870 --> 00:31:05,220

shadows was one that I named because it

651
00:31:10,460 --> 00:31:08,880
looks like a a big hulking man with its

652
00:31:12,710 --> 00:31:10,470
head directly connected to its shoulders

653
00:31:17,300 --> 00:31:12,720
and it's kind of rounded glowing red

654
00:31:19,490 --> 00:31:17,310
eyes but not always and shadow spiders

655
00:31:23,870 --> 00:31:19,500
oh my gosh that was the one I saw a lot

656
00:31:27,950 --> 00:31:23,880
of - and their presence is one of being

657
00:31:32,630 --> 00:31:27,960
very nosey very intimidating very

658
00:31:36,020 --> 00:31:32,640
watchful and they often like to jump on

659
00:31:37,130 --> 00:31:36,030
people and choke them pin them down make

660
00:31:39,800 --> 00:31:37,140
them feel as if they're suffocating

661
00:31:42,770 --> 00:31:39,810
until they just feel like they're

662
00:31:46,100 --> 00:31:42,780
literally going to die and are about to

663
00:31:49,400 --> 00:31:46,110

give up when they're released and so

664

00:31:52,730 --> 00:31:49,410

they essentially are seemingly choking

665

00:31:54,260 --> 00:31:52,740

and doing all these things to absorb the

666

00:31:56,840 --> 00:31:54,270

the fear that's being emitted from

667

00:32:01,760 --> 00:31:56,850

people which is a really really just

668

00:32:03,800 --> 00:32:01,770

serving you lightly oh you're dying okay

669

00:32:06,530 --> 00:32:03,810

I'm done you know it's like right when

670

00:32:10,940 --> 00:32:06,540

they give up they're done so they sort

671

00:32:13,370 --> 00:32:10,950

of feed off the energy of the fear it it

672

00:32:14,720 --> 00:32:13,380

truly yes it truly does seem so and the

673

00:32:16,040 --> 00:32:14,730

people that have experienced this they

674

00:32:18,860 --> 00:32:16,050

feel that too because they're like right

675

00:32:20,810 --> 00:32:18,870

when I could not give any more horror to

676

00:32:23,330 --> 00:32:20,820

the situation right when I couldn't

677

00:32:27,320 --> 00:32:23,340

allow my life to continue because I was

678

00:32:30,920 --> 00:32:27,330

literally pinned and suffocating it let

679

00:32:33,020 --> 00:32:30,930

me go you know and it's like haha Macy's

one find all this and more at Macy's

693

00:33:04,090 --> 00:33:01,940

Woodbridge you know what is what is

694

00:33:06,549 --> 00:33:04,100

going on with this so yeah a lot of

695

00:33:08,260 --> 00:33:06,559

people I always find it fascinating how

696

00:33:10,510 --> 00:33:08,270

people are able to answer their own

697

00:33:13,150 --> 00:33:10,520

questions when they write me and again I

698

00:33:16,930 --> 00:33:13,160

have thousands upon thousands of these

699

00:33:19,060 --> 00:33:16,940

stories now and and and they feel their

700

00:33:21,010 --> 00:33:19,070

feeding off the fear they feel like it's

701
00:33:23,799 --> 00:33:21,020
literally just sucking it out of them

702
00:33:26,950 --> 00:33:23,809
and you know I came across this

703
00:33:29,590 --> 00:33:26,960
phenomena initially because I I saw

704
00:33:32,380 --> 00:33:29,600
something following a friend of mine in

705
00:33:36,130 --> 00:33:32,390
broad daylight walking along in a park

706
00:33:39,669 --> 00:33:36,140
and I I'm thinking I'm seeing things I

707
00:33:43,210 --> 00:33:39,679
see a big black mass hop from one bush

708
00:33:45,010 --> 00:33:43,220
to a tree and I'm like huh he's going on

709
00:33:47,590 --> 00:33:45,020
here my friends just talking and

710
00:33:49,390 --> 00:33:47,600
carrying on and and I'm like I think I

711
00:33:51,630 --> 00:33:49,400
saw something that's just not quite

712
00:33:53,770 --> 00:33:51,640
right and it was huge like ten feet tall

713
00:33:56,230 --> 00:33:53,780

she walks along we get to our

714

00:33:57,940 --> 00:33:56,240

destination we turned back to come back

715

00:34:01,780 --> 00:33:57,950

to her home I was staying at there with

716

00:34:03,789 --> 00:34:01,790

her family and it followed us all the

717

00:34:06,970 --> 00:34:03,799

way back and I got a real good look at

718

00:34:09,609 --> 00:34:06,980

it and we get into her parents door and

719

00:34:12,010 --> 00:34:09,619

I stepped in and I'm like I'm just

720

00:34:12,970 --> 00:34:12,020

beside myself I'm like look I don't know

721

00:34:15,700 --> 00:34:12,980

what I saw

722

00:34:17,950 --> 00:34:15,710

but I saw something following us and I

723

00:34:20,470 --> 00:34:17,960

grabbed a piece of paper and I happen to

724

00:34:23,349 --> 00:34:20,480

be a cartoonist and I I can I drew this

725

00:34:26,169 --> 00:34:23,359

head and shoulder looking creature you

726
00:34:28,570 --> 00:34:26,179
could see the image on my website Heidi

727
00:34:31,149 --> 00:34:28,580
Hollis calm of the heading head and

728
00:34:32,409 --> 00:34:31,159
shoulder looking shadow being and I'm

729
00:34:34,359 --> 00:34:32,419
thinking my friends gonna look at this

730
00:34:36,609 --> 00:34:34,369
drawing and go oh he weren't just a

731
00:34:45,010 --> 00:34:36,619
nutcase and she looks at it and she goes

732
00:34:48,659 --> 00:34:45,020
oh that guy and dad comes over oh is he

733
00:34:51,639 --> 00:34:48,669
back oh gosh not again and I'm like huh

734
00:34:54,220 --> 00:34:51,649
you know I'm just stunned like what what

735
00:34:57,309 --> 00:34:54,230
just happened here and

736
00:34:59,950 --> 00:34:57,319
this darn thing you know it was shocking

737
00:35:01,960 --> 00:34:59,960
to me that they were so pretty much

738
00:35:04,390 --> 00:35:01,970

nonchalant like oh it followed her for

739

00:35:06,250 --> 00:35:04,400

years she was a kid would hide under her

740

00:35:08,950 --> 00:35:06,260

bed that she'd scream her dad would run

741

00:35:12,309 --> 00:35:08,960

and it would he'd see it - around the

742

00:35:14,890 --> 00:35:12,319

room or - out and like come on I had to

743

00:35:16,960 --> 00:35:14,900

go upstairs - I was staying in there

744

00:35:18,640 --> 00:35:16,970

their attic bedroom and when you go up

745

00:35:21,789 --> 00:35:18,650

the stairs it's like completely black

746

00:35:23,680 --> 00:35:21,799

but then the room that I was staying in

747

00:35:25,150 --> 00:35:23,690

had natural lighting coming in it was

748

00:35:26,829 --> 00:35:25,160

broad daylight out so there's enough

749

00:35:28,029 --> 00:35:26,839

sunshine coming in that room I had to

750

00:35:30,940 --> 00:35:28,039

grab something upstairs

751

00:35:34,870 --> 00:35:30,950

went to go do that turned around to

752

00:35:39,579 --> 00:35:34,880

leave the room and that darn thing was

753

00:35:42,579 --> 00:35:39,589

standing there just hulking over me with

754

00:35:44,319 --> 00:35:42,589

just I can't even describe the fear of

755

00:35:47,500 --> 00:35:44,329

such a thing I get chills every time I

756

00:35:50,559 --> 00:35:47,510

think about it because it just it nearly

757

00:35:53,620 --> 00:35:50,569

paralyzed me with just like this is here

758

00:35:57,370 --> 00:35:53,630

what's this here it's looking at me and

759

00:35:59,980 --> 00:35:57,380

I knew if I ran it was going to get me

760

00:36:05,049 --> 00:35:59,990

if I swung at it that it was going to

761

00:36:09,279 --> 00:36:05,059

get me and all I knew is that I had to

762

00:36:12,160 --> 00:36:09,289

keep my wits about myself kind of says a

763

00:36:14,680 --> 00:36:12,170

little prayer and I'm like I'm going to

764

00:36:15,700 --> 00:36:14,690

die if I stay here any longer cuz I knew

765

00:36:19,390 --> 00:36:15,710

it wanted to kill me

766

00:36:23,019 --> 00:36:19,400

I knew it wanted to and I took very slow

767

00:36:26,950 --> 00:36:23,029

methodical steps to walk through this

768

00:36:28,900 --> 00:36:26,960

thing and I mean I had a big dark room

769

00:36:32,140 --> 00:36:28,910

to walk through and I'm just like keep

770

00:36:34,630 --> 00:36:32,150

your page keep your pace this thing was

771

00:36:36,160 --> 00:36:34,640

so angry with me by the time I got to

772

00:36:36,730 --> 00:36:36,170

the top of the stairs my legs were like

773

00:36:39,609 --> 00:36:36,740

jelly

774

00:36:41,440 --> 00:36:39,619

I literally fumbled all the way down the

775

00:36:46,059 --> 00:36:41,450

stairs and my friend found me they're

776

00:36:48,760 --> 00:36:46,069

like saying it was just horrifying oh my

777

00:36:50,500 --> 00:36:48,770

god yeah I see someone in the chat room

778

00:36:52,539 --> 00:36:50,510

is saying it sounds like Mothman I was

779

00:36:55,269 --> 00:36:52,549

actually I speak their way here and I'm

780

00:36:57,370 --> 00:36:55,279

like I see the I see the similarities

781

00:36:59,440 --> 00:36:57,380

that's for sure but yeah didn't look

782

00:37:03,039 --> 00:36:59,450

didn't look like a moth did not look

783

00:37:05,589 --> 00:37:03,049

like no you know as a matter of fact I

784

00:37:07,569 --> 00:37:05,599

should mention we do have a live chat

785

00:37:09,999 --> 00:37:07,579

room going please join us when you can

786

00:37:12,579 --> 00:37:10,009

and I'll be happy to try to work in your

787

00:37:14,170 --> 00:37:12,589

questions when possible and when they go

788

00:37:17,410 --> 00:37:14,180

along with what we're talking about I

789

00:37:19,509 --> 00:37:17,420

love to have you guys join in and you

790

00:37:23,400 --> 00:37:19,519

always give such great questions you

791

00:37:25,989 --> 00:37:23,410

know in fact you know thinking of that I

792

00:37:28,599 --> 00:37:25,999

I was thinking about you know people

793

00:37:31,120 --> 00:37:28,609

I've heard talk about now I'm not sure

794

00:37:33,849 --> 00:37:31,130

about shadow people but certainly black

795

00:37:36,039 --> 00:37:33,859

masses and giving that same kind of

796

00:37:38,999 --> 00:37:36,049

feeling that you're talking about the

797

00:37:43,390 --> 00:37:39,009

sort of smothering the sort of fear

798

00:37:46,299 --> 00:37:43,400

inducing thing but all that that I've

799

00:37:48,670 --> 00:37:46,309

heard about have been generally you know

800

00:37:50,410 --> 00:37:48,680

fairly modern stories and in Carroll is

801
00:37:52,809 --> 00:37:50,420
I don't know if you saw Heidi in the

802
00:37:55,900 --> 00:37:52,819
chat yes yes asked have you been able to

803
00:37:59,319 --> 00:37:55,910
trace shadow people activity to ancient

804
00:38:03,390 --> 00:37:59,329
times I never thought about that yeah

805
00:38:06,579 --> 00:38:03,400
howdy Carol I love Carol she's awesome

806
00:38:10,269 --> 00:38:06,589
you know as far as tracing it back I

807
00:38:13,120 --> 00:38:10,279
have learned that evil is evil and evil

808
00:38:14,439 --> 00:38:13,130
has been around for a very long time I

809
00:38:18,670 --> 00:38:14,449
think from the beginning of time

810
00:38:20,489 --> 00:38:18,680
so I categorized these things as kind of

811
00:38:22,719 --> 00:38:20,499
being one and the same I you know

812
00:38:26,019 --> 00:38:22,729
shapeless being able to manipulate

813
00:38:29,289 --> 00:38:26,029

itself to deceive sounds very devilish

814

00:38:31,870 --> 00:38:29,299

to me and I kind of equate it to that

815

00:38:34,529 --> 00:38:31,880

but also being a darkness that's not

816

00:38:35,650 --> 00:38:34,539

quite from this planet at the same time

817

00:38:39,160 --> 00:38:35,660

yeah

818

00:38:40,900 --> 00:38:39,170

now you mentioned that you know someone

819

00:38:44,439 --> 00:38:40,910

in the chatroom it said it sounds like

820

00:38:46,900 --> 00:38:44,449

Mothman that was Susan Susan G and I

821

00:38:50,079 --> 00:38:46,910

also wanted to give a shout out to Susan

822

00:38:53,559 --> 00:38:50,089

because she was the first person that

823

00:38:56,650 --> 00:38:53,569

suggested that I have you come on and

824

00:38:59,499 --> 00:38:56,660

I'm very very pleased about that and

825

00:39:02,729 --> 00:38:59,509

I've had others but Susan was the first

826

00:39:06,189 --> 00:39:02,739

one and she's a good friend and a great

827

00:39:08,319 --> 00:39:06,199

friend of the show here and obvious is a

828

00:39:11,259 --> 00:39:08,329

friend of your show as well so she got

829

00:39:13,870 --> 00:39:11,269

us together so we have blossom Susan G

830

00:39:15,819 --> 00:39:13,880

and the chatroom thank you so so much

831

00:39:17,380 --> 00:39:15,829

Thank You Susan we should have done it

832

00:39:18,310 --> 00:39:17,390

on our own but we need a little help

833

00:39:20,999 --> 00:39:18,320

from friends

834

00:39:25,029 --> 00:39:21,009

[Laughter]

835

00:39:27,309 --> 00:39:25,039

also Susan if you scroll back up in the

836

00:39:30,640 --> 00:39:27,319

chatroom a little but Heidi you'll see

837

00:39:34,749 --> 00:39:30,650

that early on she asked me to have you

838

00:39:38,799 --> 00:39:34,759

talk about if you would your guide on

839

00:39:44,410 --> 00:39:38,809

the other side is it case Oh calf okay

840

00:39:47,370 --> 00:39:44,420

oh yeah I see it um yeah okay it hold on

841

00:39:50,769 --> 00:39:47,380

don't your about your seat

842

00:39:54,789 --> 00:39:50,779

well calf okay all right gonna we're

843

00:39:58,599 --> 00:39:54,799

gonna back it up a little bit so ah so I

844

00:40:00,640 --> 00:39:58,609

I was living in okay sorry I had the

845

00:40:02,829 --> 00:40:00,650

experiences that I did with the one

846

00:40:04,420 --> 00:40:02,839

channel being that came after me and I I

847

00:40:07,900 --> 00:40:04,430

thought that my experiences were

848

00:40:09,849 --> 00:40:07,910

essentially done with I I didn't realize

849

00:40:11,440 --> 00:40:09,859

that they had only just altered because

850

00:40:14,620 --> 00:40:11,450

I started having lots of nightmares of

851
00:40:16,479 --> 00:40:14,630
shadow spiders and and seeing stuff like

852
00:40:18,249 --> 00:40:16,489
that with my eyes open I'm like why is

853
00:40:20,949 --> 00:40:18,259
my nightmares still here you know it's

854
00:40:25,859 --> 00:40:20,959
just the strangest stuff so but I I

855
00:40:29,829 --> 00:40:25,869
moved into an apartment by myself and

856
00:40:35,109 --> 00:40:29,839
I'd had a very strange encounter while

857
00:40:36,130 --> 00:40:35,119
living alone I know K people I apologize

858
00:40:38,380 --> 00:40:36,140
for people that have heard this a

859
00:40:42,489 --> 00:40:38,390
million times but so I lived on the

860
00:40:44,589 --> 00:40:42,499
first floor in this apartment and I woke

861
00:40:46,180 --> 00:40:44,599
up to a lot of noise and my dad had

862
00:40:48,279 --> 00:40:46,190
always warned me a young lady living on

863
00:40:50,829 --> 00:40:48,289

the first floor you know that's not safe

864

00:40:52,660 --> 00:40:50,839

but I had bars like on the windows so

865

00:40:54,489 --> 00:40:52,670

nobody could get in there it wasn't a

866

00:40:56,859 --> 00:40:54,499

bad day BER hood was just a safety thing

867

00:40:58,239 --> 00:40:56,869

and when I hear those noise I'm like oh

868

00:41:00,130 --> 00:40:58,249

my god my dad was right somebody broke

869

00:41:04,150 --> 00:41:00,140

in and there her bars in the window I

870

00:41:07,180 --> 00:41:04,160

cannot get out like okay so I knew that

871

00:41:10,390 --> 00:41:07,190

I would just have to bolt through my

872

00:41:14,439 --> 00:41:10,400

apartment and get the heck out of there

873

00:41:16,059 --> 00:41:14,449

I go to run out of the apartment from I

874

00:41:19,059 --> 00:41:16,069

had to run through the living room where

875

00:41:21,699 --> 00:41:19,069

I heard this noise and I stopped dead in

876
00:41:25,779 --> 00:41:21,709
my tracks mid motion because there were

877
00:41:27,279 --> 00:41:25,789
two little people I thought the size of

878
00:41:29,559 --> 00:41:27,289
four-year-olds standing in my living

879
00:41:33,060 --> 00:41:29,569
room but they're back to me and I'm like

880
00:41:34,660 --> 00:41:33,070
you know it's Curtis hold up what

881
00:41:38,350 --> 00:41:34,670
four-year-olds broke into my apartment

882
00:41:41,520 --> 00:41:38,360
like I think I could take them in the

883
00:41:43,780 --> 00:41:41,530
sidestep between the two of them and

884
00:41:45,340 --> 00:41:43,790
they essentially had my stuff in their

885
00:41:48,040 --> 00:41:45,350
hands and they're they're going through

886
00:41:49,300 --> 00:41:48,050
my bookshelf I'm like who are you what

887
00:41:50,800 --> 00:41:49,310
are you doing here and I grabbed there I

888
00:41:53,950 --> 00:41:50,810

grabbed my stuff on their hands and put

889

00:41:55,780 --> 00:41:53,960

it down and it's just to speak for it a

890

00:41:58,240 --> 00:41:55,790

little bit there's two more in my closet

891

00:42:03,010 --> 00:41:58,250

two more in my kitchen two more in my

892

00:42:05,380 --> 00:42:03,020

bathroom and crazy crazy crazy nasai I'm

893

00:42:06,250 --> 00:42:05,390

like and I keep repeating who are you

894

00:42:07,900 --> 00:42:06,260

what are you doing here you know I

895

00:42:09,370 --> 00:42:07,910

thought it was at death's door that

896

00:42:12,040 --> 00:42:09,380

somebody broke in was gonna kill me and

897

00:42:14,130 --> 00:42:12,050

robbed the place whatever and there's

898

00:42:17,350 --> 00:42:14,140

little four-year-old looking bald-headed

899

00:42:23,890 --> 00:42:17,360

gray alien beings instead that's what

900

00:42:25,900 --> 00:42:23,900

they were and yeah so these guys I none

901
00:42:27,160 --> 00:42:25,910
of them were answering but they all had

902
00:42:29,590 --> 00:42:27,170
this little look of surprise on their

903
00:42:32,260 --> 00:42:29,600
face with like a like wow you said oh I

904
00:42:33,940 --> 00:42:32,270
literally had a their mouths net shape

905
00:42:40,420 --> 00:42:33,950
like they were saying oh crap she's

906
00:42:43,330 --> 00:42:40,430
awake yeah it was crazy so I'm in I had

907
00:42:45,220 --> 00:42:43,340
just flung up in my bathroom door there

908
00:42:47,140 --> 00:42:45,230
were two more in there I didn't know one

909
00:42:49,810 --> 00:42:47,150
was behind the door so when I flung it

910
00:42:51,130 --> 00:42:49,820
open I hit the floor and there was

911
00:42:54,460 --> 00:42:51,140
another one that was reaching something

912
00:42:55,900 --> 00:42:54,470
for something behind on my toilet that

913
00:42:59,170 --> 00:42:55,910

one had clothes on I

914

00:43:01,270 --> 00:42:59,180

I picked the little sucker up and I took

915

00:43:03,720 --> 00:43:01,280

him with every word I'm like repeating

916

00:43:06,730 --> 00:43:03,730

who are you what are you doing here and

917

00:43:09,220 --> 00:43:06,740

the one on the floor had put his arms up

918

00:43:11,920 --> 00:43:09,230

saying I'm your nephew I'm your nephew

919

00:43:15,910 --> 00:43:11,930

and I look down and I'm not kidding you

920

00:43:18,760 --> 00:43:15,920

i watch this thing shape-shift into my

921

00:43:21,790 --> 00:43:18,770

nephew and a baby blue suit and I like

922

00:43:24,340 --> 00:43:21,800

my nephew was almost the same age as I

923

00:43:26,620 --> 00:43:24,350

was and I'm like you're not my nephew

924

00:43:28,480 --> 00:43:26,630

you look like him he was 10 he's 20 now

925

00:43:33,060 --> 00:43:28,490

you know I'm like what's going on in

926
00:43:36,490 --> 00:43:33,070
here you know it was it was crazy and so

927
00:43:38,260 --> 00:43:36,500
too because it's it's so crazy so I turn

928
00:43:41,680 --> 00:43:38,270
around there's the rest of the beings

929
00:43:43,510 --> 00:43:41,690
are at the bathroom door when I go to

930
00:43:45,370 --> 00:43:43,520
turn around and trying to calm this

931
00:43:46,270 --> 00:43:45,380
other one down and I offered it a cookie

932
00:43:51,790 --> 00:43:46,280
it's crazy

933
00:43:55,420 --> 00:43:51,800
it's just so much like it was just crazy

934
00:43:59,800 --> 00:43:55,430
but like the next day it's like nothing

935
00:44:04,000 --> 00:43:59,810
happened but my place was overrun with

936
00:44:05,920 --> 00:44:04,010
shadow people and I'm like holy crap I

937
00:44:09,340 --> 00:44:05,930
just got rid of some little grey little

938
00:44:11,950 --> 00:44:09,350

monsters and all these head and

939

00:44:14,560 --> 00:44:11,960

shoulders shadows are just lurking all

940

00:44:18,700 --> 00:44:14,570

over my place it was crazy I'm like what

941

00:44:22,090 --> 00:44:18,710

is going on here now I lived alone but I

942

00:44:24,390 --> 00:44:22,100

soon got a roommate and I moved across

943

00:44:27,940 --> 00:44:24,400

the hall to a larger apartment 2-bedroom

944

00:44:31,720 --> 00:44:27,950

apartment and this roommate was

945

00:44:33,460 --> 00:44:31,730

Pentecostal but an artist yeah artists

946

00:44:35,590 --> 00:44:33,470

like myself though she's a cartoonist

947

00:44:37,540 --> 00:44:35,600

was just so rare and I'm like how the

948

00:44:40,030 --> 00:44:37,550

cartoon is - oh this would be great you

949

00:44:41,920 --> 00:44:40,040

know and I told her but hold on I've had

950

00:44:44,020 --> 00:44:41,930

some weird stuff going on in my place

951
00:44:49,930 --> 00:44:44,030
and she's like and she's like the no

952
00:44:51,820 --> 00:44:49,940
hair cutting ones you know so it's just

953
00:44:53,590 --> 00:44:51,830
like oh your demons won't bother me you

954
00:44:55,960 --> 00:44:53,600
know I've got on my side I'm like demons

955
00:44:58,060 --> 00:44:55,970
like okay you know I I didn't know what

956
00:45:01,600 --> 00:44:58,070
to think was you know that so she moved

957
00:45:03,100 --> 00:45:01,610
on in anyways and the only time I it was

958
00:45:05,860 --> 00:45:03,110
surprising to me she and experience

959
00:45:09,610 --> 00:45:05,870
things Oh on side of me she was able to

960
00:45:13,000 --> 00:45:09,620
see things I did I would see the

961
00:45:15,880 --> 00:45:13,010
outlines of alien beings even sometimes

962
00:45:17,440 --> 00:45:15,890
but I couldn't see the details she was

963
00:45:19,030 --> 00:45:17,450

an artist who had won the presidential

964

00:45:20,860 --> 00:45:19,040

awards like four times had a full

965

00:45:27,780 --> 00:45:20,870

tuition scholarship and works for Disney

966

00:45:32,230 --> 00:45:30,520

rosin sketching I'm like crazy I'm like

967

00:45:34,750 --> 00:45:32,240

oh wow she could see it better than me

968

00:45:37,150 --> 00:45:34,760

and and so we're experiencing these

969

00:45:39,610 --> 00:45:37,160

things but she would not call him alien

970

00:45:41,320 --> 00:45:39,620

because she felt like if she saw a UFO

971

00:45:42,640 --> 00:45:41,330

for some reason then she'd know it was

972

00:45:44,860 --> 00:45:42,650

alien otherwise they were all

973

00:45:47,380 --> 00:45:44,870

categorized as demons I'm like okay and

974

00:45:51,130 --> 00:45:47,390

she would not talk about it not unless

975

00:45:53,590 --> 00:45:51,140

she was making fun of it no um a little

976

00:45:59,410 --> 00:45:53,600

bit prior to when she became my roommate

977

00:46:00,370 --> 00:45:59,420

I had seen some pretty major UFOs and my

978

00:46:03,910 --> 00:46:00,380

life is crazy

979

00:46:06,759 --> 00:46:03,920

so I joined this paranormal a UFO group

980

00:46:09,160 --> 00:46:06,769

and I was like you know just a vent you

981

00:46:11,170 --> 00:46:09,170

know like oh my god I saw UFO that was

982

00:46:12,880 --> 00:46:11,180

just like the size of the one in

983

00:46:15,999 --> 00:46:12,890

Independence Day it took up the whole

984

00:46:19,359 --> 00:46:16,009

sky so you MA I guess downtown Milwaukee

985

00:46:21,400 --> 00:46:19,369

and so I joined this group and everybody

986

00:46:22,930 --> 00:46:21,410

that was in the group we're all alien

987

00:46:25,960 --> 00:46:22,940

abductees except for me

988

00:46:27,640 --> 00:46:25,970

and I'm like and it was soon after I had

989

00:46:31,259 --> 00:46:27,650

joined that group is when those greys

990

00:46:33,700 --> 00:46:31,269

came to my apartment so I assumed they

991

00:46:35,829 --> 00:46:33,710

would check me out cuz I was going to

992

00:46:38,049 --> 00:46:35,839

those meetings I didn't know um but the

993

00:46:42,039 --> 00:46:38,059

shadow people part didn't make any sense

994

00:46:44,829 --> 00:46:42,049

so anyways see that my roommates name

995

00:46:46,240 --> 00:46:44,839

was Samantha she did not talk about want

996

00:46:48,309 --> 00:46:46,250

to talk about any of that stuff and she

997

00:46:50,589 --> 00:46:48,319

thought I was nuts to be going to such a

998

00:46:53,200 --> 00:46:50,599

meeting and she thought all my friends

999

00:46:56,620 --> 00:46:53,210

that were there were wax and I'll just

1000

00:46:59,079 --> 00:46:56,630

so so much so you couldn't talk about

1001
00:47:00,160 --> 00:46:59,089
the topic of aliens or anything unless

1002
00:47:05,230 --> 00:47:00,170
she was making fun of it

1003
00:47:06,999 --> 00:47:05,240
so one day she is driving to the Art

1004
00:47:11,980 --> 00:47:07,009
Institute where she went to college in

1005
00:47:13,289 --> 00:47:11,990
Milwaukee and she called me an absolute

1006
00:47:15,849 --> 00:47:13,299
hysterics

1007
00:47:18,069 --> 00:47:15,859
sobbing and carrying on and I'm like

1008
00:47:21,339 --> 00:47:18,079
what wait calm down what's going on

1009
00:47:23,740 --> 00:47:21,349
she's like Heidi Heidi an alien jumped

1010
00:47:28,109 --> 00:47:23,750
on the hood of my car and shoved its

1011
00:47:31,749 --> 00:47:28,119
head through my windshield and I like

1012
00:47:34,930 --> 00:47:31,759
what in this he goes and it's in my

1013
00:47:37,120 --> 00:47:34,940

classroom like oh my gosh and she's

1014

00:47:39,640 --> 00:47:37,130

carrying on she's had obviously having a

1015

00:47:42,910 --> 00:47:39,650

hard time and I didn't know what to

1016

00:47:44,829 --> 00:47:42,920

think of it now later on that evening we

1017

00:47:46,870 --> 00:47:44,839

go to talk about what took place we

1018

00:47:52,230 --> 00:47:46,880

drove to Lake Michigan and we're sitting

1019

00:47:55,539 --> 00:47:54,370

literally like a couple minutes into the

1020

00:47:57,670 --> 00:47:55,549

conversation and what she had

1021

00:48:00,190 --> 00:47:57,680

experienced she's like I feel I need to

1022

00:48:02,620 --> 00:48:00,200

meditate I'm like meditate like I didn't

1023

00:48:04,749 --> 00:48:02,630

know she meditated and I've now learned

1024

00:48:06,609 --> 00:48:04,759

that that's more that's kind of a state

1025

00:48:08,890 --> 00:48:06,619

that Pentecostals kind of go into I

1026

00:48:12,430 --> 00:48:08,900

guess for prayer I didn't know I wasn't

1027

00:48:14,340 --> 00:48:12,440

familiar with it and I was like okay you

1028

00:48:16,380 --> 00:48:14,350

want to get out of the car

1029

00:48:18,990 --> 00:48:16,390

no she was Puerto Rican she had a very

1030

00:48:23,190 --> 00:48:19,000

thick accent and even a kind of a speech

1031

00:48:24,780 --> 00:48:23,200

impediment of a sort and almost

1032

00:48:27,270 --> 00:48:24,790

immediately she closed her eyes that she

1033

00:48:29,850 --> 00:48:27,280

comes with this pretty clear voice that

1034

00:48:34,070 --> 00:48:29,860

goes hello I've been waiting to speak to

1035

00:48:39,300 --> 00:48:34,080

you for a very long time and I'm like

1036

00:48:43,260 --> 00:48:39,310

Samantha you know I'm like and it's Oh

1037

00:48:45,720 --> 00:48:43,270

and I'm like okay you know it was like

1038

00:48:48,390 --> 00:48:45,730

it's you know so many things with my

1039

00:48:50,750 --> 00:48:48,400

head like is she pulling the biggest

1040

00:48:54,780 --> 00:48:50,760

joke off in her life I'm like you know

1041

00:48:57,660 --> 00:48:54,790

her tears and how she carried on and so

1042

00:49:02,100 --> 00:48:57,670

this being essentially introduced itself

1043

00:49:06,330 --> 00:49:02,110

by spelling out its name CAF th and I

1044

00:49:08,700 --> 00:49:06,340

was like CAF and it said ooh I hate the

1045

00:49:12,150 --> 00:49:08,710

way your human mouths for my name I'm

1046

00:49:14,100 --> 00:49:12,160

like well you know what is this you know

1047

00:49:16,260 --> 00:49:14,110

it was it was just a strangest thing and

1048

00:49:19,260 --> 00:49:16,270

now haven't belonged to that UFO

1049

00:49:22,790 --> 00:49:19,270

discussion group I had seen people who

1050

00:49:25,590 --> 00:49:22,800

got hypnotically regressed and who had

1051
00:49:28,260 --> 00:49:25,600
instead of just you know recanting their

1052
00:49:30,480 --> 00:49:28,270
story like one of the beings kind of

1053
00:49:33,990 --> 00:49:30,490
speaking to them so I had seen that

1054
00:49:37,320 --> 00:49:34,000
before and I'm like why this why this

1055
00:49:38,820 --> 00:49:37,330
now you know I and why her but I I was

1056
00:49:41,430 --> 00:49:38,830
patient enough of course trying to

1057
00:49:44,130 --> 00:49:41,440
figure it out soon

1058
00:49:46,500 --> 00:49:44,140
into the conversation I'm like okay okay

1059
00:49:48,920 --> 00:49:46,510
this is really going on there's a being

1060
00:49:51,870 --> 00:49:48,930
talking through my Pentecostal friend

1061
00:49:53,550 --> 00:49:51,880
and like see if it could show itself

1062
00:49:55,290 --> 00:49:53,560
this is an alien and I'm like so where

1063
00:49:56,640 --> 00:49:55,300

are you and it's like gonna ship up high

1064

00:49:59,940 --> 00:49:56,650

and I'm like well can you bring your

1065

00:50:02,400 --> 00:49:59,950

ship lower and and I said they cannot do

1066

00:50:05,250 --> 00:50:02,410

that now because our our government knew

1067

00:50:07,410 --> 00:50:05,260

how to shoot them down and I'm like okay

1068

00:50:09,330 --> 00:50:07,420

and he's like oh but I you know

1069

00:50:11,880 --> 00:50:09,340

sometimes can project an image of myself

1070

00:50:14,340 --> 00:50:11,890

if I'm close enough I'm like alright you

1071

00:50:19,590 --> 00:50:14,350

know let's let's see what this is gonna

1072

00:50:21,900 --> 00:50:19,600

be about here and I mean my goodness you

1073

00:50:26,730 --> 00:50:21,910

could have counted to three and the car

1074

00:50:27,540 --> 00:50:26,740

started humming and this image showed up

1075

00:50:32,180 --> 00:50:27,550

between

1076
00:50:35,010 --> 00:50:32,190
two of us of this fleshy pinkish colored

1077
00:50:36,930 --> 00:50:35,020
creature and it was really out of focus

1078
00:50:38,340 --> 00:50:36,940
and I I was like okay okay I see

1079
00:50:40,380 --> 00:50:38,350
something I see something I'm like

1080
00:50:42,570 --> 00:50:40,390
trying to back myself nearly out of the

1081
00:50:45,990 --> 00:50:42,580
car and I'm like but it's not really

1082
00:50:47,940 --> 00:50:46,000
clear and it the voice came through my

1083
00:50:50,340 --> 00:50:47,950
friend saying well that cannot be helped

1084
00:50:54,030 --> 00:50:50,350
because you have weak human eyes I'm

1085
00:50:57,450 --> 00:50:54,040
like oh another slam on humans you know

1086
00:51:01,940 --> 00:50:57,460
this was crazy but uh to make a long

1087
00:51:04,380 --> 00:51:01,950
story short my friend pops back she is

1088
00:51:07,530 --> 00:51:04,390

you know like you know I kind of in a

1089

00:51:09,480 --> 00:51:07,540

panic like what was that what was you

1090

00:51:11,820 --> 00:51:09,490

know she was just didn't even know what

1091

00:51:13,830 --> 00:51:11,830

to think of it she did not like reading

1092

00:51:16,500 --> 00:51:13,840

English very much he started like four

1093

00:51:18,600 --> 00:51:16,510

of my alien books she wanted to talk to

1094

00:51:20,970 --> 00:51:18,610

everybody at the UFO meetings you know

1095

00:51:24,420 --> 00:51:20,980

she got on the phone right away I was

1096

00:51:30,210 --> 00:51:24,430

like this is this is wild so now this

1097

00:51:33,180 --> 00:51:30,220

being kept us we were like okay let's

1098

00:51:35,280 --> 00:51:33,190

see if we can tap back into talking to

1099

00:51:37,200 --> 00:51:35,290

him you know cuz he said I'm here to

1100

00:51:42,000 --> 00:51:37,210

talk to you again they were like oh yeah

1101
00:51:46,170 --> 00:51:42,010
did it sound like a male voice for some

1102
00:51:49,410 --> 00:51:46,180
reason the presence felt male and yeah

1103
00:51:53,240 --> 00:51:49,420
so it wasn't it was it was her voice

1104
00:51:56,820 --> 00:51:53,250
still but it just knew that it wasn't a

1105
00:51:59,370 --> 00:51:56,830
feminine of female the manner of

1106
00:52:01,260 --> 00:51:59,380
speaking was it completely different

1107
00:52:05,010 --> 00:52:01,270
like crazy ology than she would have

1108
00:52:08,460 --> 00:52:05,020
used and oh gosh yes I mean even some of

1109
00:52:10,370 --> 00:52:08,470
the words that she used and I mean she

1110
00:52:12,690 --> 00:52:10,380
was you know an ESL student

1111
00:52:17,670 --> 00:52:12,700
english-as-a-second-language words that

1112
00:52:20,420 --> 00:52:17,680
I was like no she wasn't aware of yeah

1113
00:52:23,190 --> 00:52:20,430

and I was like hold on and perfect

1114

00:52:25,950 --> 00:52:23,200

sentences and it was really interesting

1115

00:52:30,180 --> 00:52:25,960

really fascinating stuff and I'm like oh

1116

00:52:31,440 --> 00:52:30,190

my gosh this is really going on so yeah

1117

00:52:34,380 --> 00:52:31,450

it you know when he made himself

1118

00:52:36,120 --> 00:52:34,390

available it wasn't like he just viewed

1119

00:52:38,280 --> 00:52:36,130

all the answers to the universe you know

1120

00:52:41,130 --> 00:52:38,290

where it's just like like looking at a

1121

00:52:43,349 --> 00:52:41,140

blank slate and I'm like

1122

00:52:45,539 --> 00:52:43,359

do we have K you know it's like are you

1123

00:52:48,329 --> 00:52:45,549

on the line he's like yes I'm here I'm

1124

00:52:49,620 --> 00:52:48,339

like so what can you tell us about the

1125

00:52:52,200 --> 00:52:49,630

Big Bang Theory you know we didn't know

1126

00:52:54,720 --> 00:52:52,210

what to ask no she would write down her

1127

00:52:57,930 --> 00:52:54,730

questions so to ask through her and

1128

00:53:00,000 --> 00:52:57,940

sometimes she would just pop in and give

1129

00:53:02,549 --> 00:53:00,010

an interpretation of what she'd see cuz

1130

00:53:05,009 --> 00:53:02,559

she felt when she was doing this

1131

00:53:07,470 --> 00:53:05,019

connection that she was like out of her

1132

00:53:12,299 --> 00:53:07,480

body floating on his ship watching him

1133

00:53:14,039 --> 00:53:12,309

talk like to her control room and she

1134

00:53:16,890 --> 00:53:14,049

didn't like to call it channeling she

1135

00:53:20,519 --> 00:53:16,900

said i meditate he meets me halfway she

1136

00:53:21,690 --> 00:53:20,529

said I go into prayer and he's there she

1137

00:53:25,309 --> 00:53:21,700

said it's like some kind of technology

1138

00:53:29,819 --> 00:53:25,319

he's using and I'm like oh okay is this

1139

00:53:31,650 --> 00:53:29,829

interesting but yeah and so I we were

1140

00:53:34,319 --> 00:53:31,660

trying to learn how to ask the right

1141

00:53:36,480 --> 00:53:34,329

questions because he kept giving us

1142

00:53:38,819 --> 00:53:36,490

these these blocked responses like it

1143

00:53:40,170 --> 00:53:38,829

would not benefit you to know that it

1144

00:53:42,539 --> 00:53:40,180

would not benefit you to know that I was

1145

00:53:45,690 --> 00:53:42,549

like oh gosh you know what can we ask

1146

00:53:49,400 --> 00:53:45,700

and so I started off asking about a

1147

00:53:53,880 --> 00:53:49,410

weird dream that Samantha had and then

1148

00:53:56,240 --> 00:53:53,890

he started in and shocked me you know

1149

00:53:59,279 --> 00:53:56,250

after a few sessions of nothing and

1150

00:54:01,950 --> 00:53:59,289

Samantha had this weird dream kind of a

1151
00:54:04,380 --> 00:54:01,960
cataclysmic event everything was

1152
00:54:08,609 --> 00:54:04,390
destroyed in Milwaukee and there is this

1153
00:54:10,980 --> 00:54:08,619
this red mud everywhere she saw these

1154
00:54:14,130 --> 00:54:10,990
two men and white suits that spotted her

1155
00:54:16,559 --> 00:54:14,140
and came to chase her down and pin her

1156
00:54:18,870 --> 00:54:16,569
down and she said the air is so thick it

1157
00:54:23,240 --> 00:54:18,880
was hard to breathe and and she said

1158
00:54:27,150 --> 00:54:23,250
then it was just a strangest thing so

1159
00:54:28,589 --> 00:54:27,160
this is odd so she had come I can't I

1160
00:54:32,549 --> 00:54:28,599
can't quite remember the order of how

1161
00:54:35,460 --> 00:54:32,559
she she asked me a weird question about

1162
00:54:38,309 --> 00:54:35,470
some new boots that she had and the

1163
00:54:40,440 --> 00:54:38,319

boots had red mud on them and she goes

1164

00:54:42,569 --> 00:54:40,450

Heidi did you use my boots I'm like use

1165

00:54:43,980 --> 00:54:42,579

your boots and like I'm two sizes bigger

1166

00:54:45,120 --> 00:54:43,990

than you how can they use your boots

1167

00:54:48,509 --> 00:54:45,130

these are brand new boots that she's

1168

00:54:51,569 --> 00:54:48,519

never worn and that's what she connected

1169

00:54:54,329 --> 00:54:51,579

oh my gosh in my dream I was wearing

1170

00:54:54,660 --> 00:54:54,339

those boots this is the red mud from

1171

00:55:01,920 --> 00:54:54,670

that

1172

00:55:03,690 --> 00:55:01,930

and he goes he said those are one of the

1173

00:55:04,980 --> 00:55:03,700

many events that could happen in one of

1174

00:55:06,750 --> 00:55:04,990

the many ways that there could be

1175

00:55:10,020 --> 00:55:06,760

destroyed and we wanted to show her that

1176

00:55:11,880 --> 00:55:10,030

and I'm like oh you know and then I

1177

00:55:14,640 --> 00:55:11,890

shared a dream that I had of the moon

1178

00:55:16,110 --> 00:55:14,650

being moved across the sky and how it

1179

00:55:21,750 --> 00:55:16,120

felt like the Earth's protective bubble

1180

00:55:25,670 --> 00:55:21,760

had burst and he's he told me well we

1181

00:55:28,770 --> 00:55:25,680

were moving removing the moon so that

1182

00:55:31,110 --> 00:55:28,780

the shadows you call them shadow people

1183

00:55:33,570 --> 00:55:31,120

would not be able to destroy the earth

1184

00:55:36,870 --> 00:55:33,580

there's something and I'm like hold on

1185

00:55:40,560 --> 00:55:36,880

you know it was like all of a sudden his

1186

00:55:43,020 --> 00:55:40,570

whole reason for being to come to us was

1187

00:55:46,440 --> 00:55:43,030

to give information in regards to the

1188

00:55:49,740 --> 00:55:46,450

shadow people and that began the journey

1189

00:55:52,860 --> 00:55:49,750

to answers because we were both riddled

1190

00:55:55,260 --> 00:55:52,870

with so many encounters of these things

1191

00:55:57,410 --> 00:55:55,270

along with these aliens see through

1192

00:56:00,990 --> 00:55:57,420

alien beings kind of hanging around and

1193

00:56:04,080 --> 00:56:01,000

I mean literally balls of light would

1194

00:56:06,510 --> 00:56:04,090

attack these shadowy masses and it was

1195

00:56:09,540 --> 00:56:06,520

like a star wars going on in our

1196

00:56:11,910 --> 00:56:09,550

apartment and it was just the craziest

1197

00:56:14,790 --> 00:56:11,920

thing we didn't know what to expect now

1198

00:56:20,100 --> 00:56:14,800

how did she you know sort of reconcile

1199

00:56:23,040 --> 00:56:20,110

all this with her Pentecostal beliefs um

1200

00:56:25,680 --> 00:56:23,050

you know she really struggled she really

1201
00:56:28,200 --> 00:56:25,690
did struggle but when it came to her the

1202
00:56:30,960 --> 00:56:28,210
way that it did it seemed like she just

1203
00:56:34,110 --> 00:56:30,970
threw hold off to the side like this is

1204
00:56:36,960 --> 00:56:34,120
real this thing is talking to me I am

1205
00:56:39,090 --> 00:56:36,970
seeing this I'm you know even being able

1206
00:56:41,580 --> 00:56:39,100
to see these things in the apartment and

1207
00:56:43,560 --> 00:56:41,590
sketching it out that that was just

1208
00:56:47,610 --> 00:56:43,570
demons to her so she that didn't

1209
00:56:50,130 --> 00:56:47,620
translate to be I don't know like a big

1210
00:56:52,440 --> 00:56:50,140
jump a big leap but when the alien came

1211
00:56:53,880 --> 00:56:52,450
through her windshield and it was it

1212
00:56:54,480 --> 00:56:53,890
wasn't cast that came through her

1213
00:56:57,450 --> 00:56:54,490

windshield

1214

00:56:59,400 --> 00:56:57,460

it was another type of being and said he

1215

00:57:04,680 --> 00:56:59,410

was the introducer for who was to come

1216

00:57:07,800 --> 00:57:04,690

which was care yeah and yeah so it was

1217

00:57:08,640 --> 00:57:07,810

it was just wild and CAF became like

1218

00:57:12,230 --> 00:57:08,650

almost this

1219

00:57:15,300 --> 00:57:12,240

friendly cartoon character of sorts that

1220

00:57:17,160 --> 00:57:15,310

just so like riddles being given to us

1221

00:57:19,680 --> 00:57:17,170

of you know don't you remember what

1222

00:57:21,720 --> 00:57:19,690

you're here don't you know this and and

1223

00:57:25,350 --> 00:57:21,730

told us we didn't pray enough I'm like

1224

00:57:27,900 --> 00:57:25,360

what and spoke of God and Jesus is who

1225

00:57:30,900 --> 00:57:27,910

he said he was and I mean Wow

1226

00:57:33,420 --> 00:57:30,910

just mind-blowing stuff and we weren't

1227

00:57:36,960 --> 00:57:33,430

allowed to record him we weren't allowed

1228

00:57:37,980 --> 00:57:36,970

to do any of that and I'm like well how

1229

00:57:41,280 --> 00:57:37,990

are we supposed to keep this all

1230

00:57:43,170 --> 00:57:41,290

together and he and he turned her head

1231

00:57:46,740 --> 00:57:43,180

and it smiled and said your book will

1232

00:57:48,300 --> 00:57:46,750

turn out nicely I'm like look I'm a

1233

00:57:51,450 --> 00:57:48,310

college student have enough to write

1234

00:57:54,060 --> 00:57:51,460

there's no way I am writing anything you

1235

00:57:56,370 --> 00:57:54,070

know I I did not like writing I was a

1236

00:57:59,100 --> 00:57:56,380

cartoonist too at the time but also

1237

00:58:04,050 --> 00:57:59,110

getting a medical degree you know so it

1238

00:58:06,300 --> 00:58:04,060

was not easy I was busy and yeah when

1239

00:58:12,060 --> 00:58:06,310

you when you were sitting there and she

1240

00:58:15,170 --> 00:58:12,070

first started speaking or the or cat was

1241

00:58:18,150 --> 00:58:15,180

speaking through through your friend and

1242

00:58:19,790 --> 00:58:18,160

you know just sort of out of the blue it

1243

00:58:22,350 --> 00:58:19,800

started happening and I know you're

1244

00:58:24,480 --> 00:58:22,360

you're you were already used to a lot of

1245

00:58:26,250 --> 00:58:24,490

sort of paranormal type activity and

1246

00:58:28,950 --> 00:58:26,260

stuff so maybe your mind didn't go there

1247

00:58:31,560 --> 00:58:28,960

but you know when she first did it did

1248

00:58:33,960 --> 00:58:31,570

you think oh she's lost it or she's got

1249

00:58:37,890 --> 00:58:33,970

you know it's like a multiple

1250

00:58:39,360 --> 00:58:37,900

personality disorder someone in the in

1251
00:58:41,700 --> 00:58:39,370
the chat room mentioned that as well

1252
00:58:43,950 --> 00:58:41,710
it's like had she ever been diagnosed

1253
00:58:45,390 --> 00:58:43,960
with MPD I said I think the answer is

1254
00:58:47,730 --> 00:58:45,400
probably going to be no but I'll ask

1255
00:58:49,560 --> 00:58:47,740
yeah no but that's what I was saying

1256
00:58:51,870 --> 00:58:49,570
that you know I had witnessed something

1257
00:58:55,440 --> 00:58:51,880
similar several times over having been

1258
00:58:58,410 --> 00:58:55,450
part of that UFO discussion group people

1259
00:59:00,600 --> 00:58:58,420
who it was rather common actually people

1260
00:59:03,690 --> 00:59:00,610
who are being regressed to remember a

1261
00:59:06,750 --> 00:59:03,700
UFO alien encounter and instead of

1262
00:59:09,240 --> 00:59:06,760
recalling the details of the experience

1263
00:59:11,810 --> 00:59:09,250

like one of the beings would start

1264

00:59:15,030 --> 00:59:11,820

speaking directly to the hypnotherapist

1265

00:59:17,070 --> 00:59:15,040

and so I had seen it I'd seen it myself

1266

00:59:20,670 --> 00:59:17,080

with with a couple of really good

1267

00:59:21,260 --> 00:59:20,680

friends actually so it's so wild so you

1268

00:59:23,570 --> 00:59:21,270

were kind of

1269

00:59:26,960 --> 00:59:23,580

Baird for that well I wasn't prepared

1270

00:59:29,600 --> 00:59:26,970

for it I was I mean this is my roommate

1271

00:59:32,420 --> 00:59:29,610

college room you know like come on now

1272

00:59:34,550 --> 00:59:32,430

you know this is her you know my friends

1273

00:59:38,360 --> 00:59:34,560

I'm used to them picking on me for this

1274

00:59:41,780 --> 00:59:38,370

stuff not diving in and and doing this

1275

00:59:44,000 --> 00:59:41,790

and and just her reaction her just it

1276

00:59:45,830 --> 00:59:44,010

was so pure and so like you know

1277

00:59:49,340 --> 00:59:45,840

shocking it and I'll tell you this she's

1278

00:59:52,430 --> 00:59:49,350

never spoken about her experiences on a

1279

00:59:54,560 --> 00:59:52,440

public level she is she's drought she

1280

00:59:56,780 --> 00:59:54,570

dropped all that she's she's all about

1281

00:59:58,730 --> 00:59:56,790

her career she's like okay I have to end

1282

01:00:01,340 --> 00:59:58,740

this now I think I I think I've talked

1283

01:00:03,110 --> 01:00:01,350

to him enough and I got the message to

1284

01:00:04,790 --> 01:00:03,120

you and what you needed you know and she

1285

01:00:07,910 --> 01:00:04,800

was just ran from as fast as she could

1286

01:00:10,940 --> 01:00:07,920

so uh yeah it wasn't anything to glorify

1287

01:00:13,570 --> 01:00:10,950

anything she was not ashamed she knew

1288

01:00:18,020 --> 01:00:13,580

what was going that it was true and real

1289

01:00:20,240 --> 01:00:18,030

she just I just couldn't filter it into

1290

01:00:23,330 --> 01:00:20,250

her life in that sense she really felt

1291

01:00:25,910 --> 01:00:23,340

like yeah it was done and okay I'm out

1292

01:00:29,890 --> 01:00:25,920

you know it's the type of thing so yeah

1293

01:00:34,550 --> 01:00:29,900

how long of a period did that go on oh

1294

01:00:36,530 --> 01:00:34,560

gosh uh how long did we talk to him you

1295

01:00:39,530 --> 01:00:36,540

know I've never I don't recall I think

1296

01:00:41,960 --> 01:00:39,540

it had to be close to a year or more it

1297

01:00:43,610 --> 01:00:41,970

was more than a year but you know the

1298

01:00:46,520 --> 01:00:43,620

times that we got to chat with him

1299

01:00:51,080 --> 01:00:46,530

became less and less because it drained

1300

01:00:53,030 --> 01:00:51,090

her I was really draining and she got to

1301

01:00:55,130 --> 01:00:53,040

be very much like a chief and it was

1302

01:00:57,740 --> 01:00:55,140

getting close to finished college you

1303

01:00:59,540 --> 01:00:57,750

know she's a pretty popular artist and

1304

01:01:06,590 --> 01:00:59,550

she's like I can't be known for doing

1305

01:01:09,050 --> 01:01:06,600

this you know so yeah Samantha's not her

1306

01:01:11,810 --> 01:01:09,060

real name just say no and did you figure

1307

01:01:14,840 --> 01:01:11,820

you know how she said she said you know

1308

01:01:16,640 --> 01:01:14,850

I feel like we've gotten the message you

1309

01:01:19,190 --> 01:01:16,650

know did you feel that way - did you

1310

01:01:20,900 --> 01:01:19,200

feel like okay we got we were supposed

1311

01:01:27,560 --> 01:01:20,910

to get now time to move on to the next

1312

01:01:30,410 --> 01:01:27,570

thing or no no it was not it wasn't just

1313

01:01:32,360 --> 01:01:30,420

me that wanted more I'll tell you a lot

1314

01:01:33,849 --> 01:01:32,370

of people asked me like oh how SCAF and

1315

01:01:40,509 --> 01:01:33,859

don't you talk to them and I'm like

1316

01:01:42,579 --> 01:01:40,519

I do not so okay so I this is what

1317

01:01:45,339 --> 01:01:42,589

happened and how things like I really

1318

01:01:47,049 --> 01:01:45,349

knew she was done talking with him and

1319

01:01:52,900 --> 01:01:47,059

having anything to do with the topic I

1320

01:01:57,249 --> 01:01:52,910

was sleeping and I heard crying like I

1321

01:02:00,009 --> 01:01:57,259

just get chills and I I it was like from

1322

01:02:02,529 --> 01:02:00,019

the heavens just like you just couldn't

1323

01:02:05,650 --> 01:02:02,539

imagine the pain and the anguish and I'm

1324

01:02:09,939 --> 01:02:05,660

like what is going on and it was so loud

1325

01:02:12,969 --> 01:02:09,949

and I got these strong images of people

1326

01:02:17,169 --> 01:02:12,979

in white robes and saying talk to her

1327

01:02:18,880 --> 01:02:17,179

talk to her and oh I just get chills and

1328

01:02:22,689 --> 01:02:18,890

I haven't talked about this that much

1329

01:02:24,939 --> 01:02:22,699

and I like I ran downstairs and she was

1330

01:02:28,089 --> 01:02:24,949

asleep on the couch and I'm like whoa

1331

01:02:31,329 --> 01:02:28,099

whoa whoa I said what what is going on

1332

01:02:33,849 --> 01:02:31,339

I'm like I just I think there's angels

1333

01:02:37,120 --> 01:02:33,859

crying upstairs I'm like I don't

1334

01:02:40,509 --> 01:02:37,130

understand and and she literally just

1335

01:02:43,900 --> 01:02:40,519

you know casually rolled over looked at

1336

01:02:47,559 --> 01:02:43,910

me and she said I know yes said you know

1337

01:02:49,779 --> 01:02:47,569

I'm like what and she said well these

1338

01:02:52,120 --> 01:02:49,789

angelic licking beings with the robes

1339

01:02:54,339 --> 01:02:52,130

came and and said we really need to talk

1340

01:02:56,439 --> 01:02:54,349

to you we have so much more to tell you

1341

01:02:58,479 --> 01:02:56,449

and and I told them I'm done I don't

1342

01:03:01,059 --> 01:02:58,489

care to have any more conversations with

1343

01:03:03,039 --> 01:03:01,069

them and and to be over okay keep your

1344

01:03:06,910 --> 01:03:03,049

eyes closed okay I want to show you my

1345

01:03:07,299 --> 01:03:06,920

first-ever painting all right okay open

1346

01:03:12,309 --> 01:03:07,309

your eyes

1347

01:03:15,489 --> 01:03:12,319

oh that's a lot of colors and shades so

1348

01:03:17,769 --> 01:03:15,499

be honest what do you think well I like

1349

01:03:18,939 --> 01:03:17,779

how if you switch to Geico you could

1350

01:03:19,419 --> 01:03:18,949

save hundreds of dollars on car

1351

01:03:22,689 --> 01:03:19,429

insurance

1352

01:03:24,969 --> 01:03:22,699

oh yeah that's that's true yeah here why

1353

01:03:25,539 --> 01:03:24,979

don't I hold your paintbrush while you

1354

01:03:28,059 --> 01:03:25,549

call them

1355

01:03:31,449 --> 01:03:28,069

Geico because saving 15% or more on car

1356

01:03:33,309 --> 01:03:31,459

insurance is always a great answer and I

1357

01:03:38,259 --> 01:03:33,319

wrote back dough or I went to sleep I

1358

01:03:40,870 --> 01:03:38,269

said you're kidding me yeah it wasn't it

1359

01:03:43,539 --> 01:03:40,880

wasn't CAF that came but it wasn't only

1360

01:03:44,890 --> 01:03:43,549

cat that would pop in every once in a

1361

01:03:47,889 --> 01:03:44,900

while I mean she would get some

1362

01:03:51,669 --> 01:03:47,899

interesting messages from

1363

01:03:53,589 --> 01:03:51,679

a far and and she had a an angel

1364

01:03:55,569 --> 01:03:53,599

encounter in a restaurant that would

1365

01:03:57,849 --> 01:03:55,579

have knocked your socks off

1366

01:04:00,429 --> 01:03:57,859

just just unbelievable she was such a

1367

01:04:03,309 --> 01:04:00,439

portal for such magnificent information

1368

01:04:06,189 --> 01:04:03,319

and she could not balance it with her

1369

01:04:11,739 --> 01:04:06,199

living this life it was us it was a sad

1370

01:04:14,979 --> 01:04:11,749

situation well that that's that's wild

1371

01:04:19,559 --> 01:04:14,989

do you never hear from her today not at

1372

01:04:23,709 --> 01:04:19,569

all you know how long ago is that been

1373

01:04:25,899 --> 01:04:23,719

hmm gosh it's probably been that I've

1374

01:04:26,319 --> 01:04:25,909

left last spoke to her probably like 10

1375

01:04:33,880 --> 01:04:26,329

years

1376

01:04:36,099 --> 01:04:33,890

oh wow wow yeah yeah so cap never tried

1377

01:04:39,399 --> 01:04:36,109

to come to you through anyone else or

1378

01:04:42,339 --> 01:04:39,409

through any other means or um you know

1379

01:04:44,589 --> 01:04:42,349

people claim different things and I I

1380

01:04:49,389 --> 01:04:44,599

don't know how to verify that I've had a

1381

01:04:52,120 --> 01:04:49,399

couple of they're kind of like a serial

1382

01:04:55,299 --> 01:04:52,130

like dreams of of him just smiling and

1383

01:04:59,559 --> 01:04:55,309

waving I'm like okay you know but no

1384

01:05:01,629 --> 01:04:59,569

nothing nothing of that sort and but

1385

01:05:03,370 --> 01:05:01,639

it's it's fascinating to me because when

1386

01:05:05,769 --> 01:05:03,380

a message needs to get across it gets

1387

01:05:08,349 --> 01:05:05,779

across and for me it'll be like right in

1388

01:05:11,049 --> 01:05:08,359

my face like boom hey Heidi guess what

1389

01:05:13,899 --> 01:05:11,059

we need to tell you oh my oh you know or

1390

01:05:17,589 --> 01:05:13,909

or to unsuspecting friends and family

1391

01:05:19,539 --> 01:05:17,599

who just get a crazy dream or a crazy

1392

01:05:22,089 --> 01:05:19,549

situation and they just have to blurt it

1393

01:05:25,299 --> 01:05:22,099

out to me and I'm like thank you I guess

1394

01:05:28,179 --> 01:05:25,309

I must have been closed that day so it's

1395

01:05:30,639 --> 01:05:28,189

you know messages come when they need to

1396

01:05:33,699 --> 01:05:30,649

and I don't always get it I don't always

1397

01:05:36,429 --> 01:05:33,709

understand what what needs to be done

1398

01:05:38,379 --> 01:05:36,439

but I do know that there's a lot more to

1399

01:05:40,409 --> 01:05:38,389

be done because there's literally what I

1400

01:05:43,389 --> 01:05:40,419

called my first book the secret war

1401

01:05:44,919 --> 01:05:43,399

here's a secret battle going on and

1402

01:05:48,519 --> 01:05:44,929

people need to be aware of it because

1403

01:05:51,269 --> 01:05:48,529

it's not just a possibility it's a

1404

01:05:56,379 --> 01:05:51,279

threat to come their way

1405

01:06:01,000 --> 01:05:56,389

well what can people do well they know

1406

01:06:02,859 --> 01:06:01,010

about it that's a another project

1407

01:06:05,440 --> 01:06:02,869

another book that I'll be having out

1408

01:06:07,599 --> 01:06:05,450

sooner than later I've had so many odd

1409

01:06:11,380 --> 01:06:07,609

things that have just stopped the

1410

01:06:13,660 --> 01:06:11,390

progress of this book to come out you

1411

01:06:15,730 --> 01:06:13,670

know so many for so many years I've been

1412

01:06:18,340 --> 01:06:15,740

blah blah blah protect yourself blah

1413

01:06:20,349 --> 01:06:18,350

blah blah say prayers and get the demon

1414

01:06:21,910 --> 01:06:20,359

out of your place and how to do it and I

1415

01:06:23,349 --> 01:06:21,920

keep getting these emails at people like

1416

01:06:25,180 --> 01:06:23,359

well I don't know any of that religious

1417

01:06:27,550 --> 01:06:25,190

stuff but anyways I've got a demon

1418

01:06:30,970 --> 01:06:27,560

looking at me what do I do I'm like if a

1419

01:06:33,040 --> 01:06:30,980

demons looking at you it that is proof

1420

01:06:35,410 --> 01:06:33,050

enough that there is there are other

1421

01:06:37,450 --> 01:06:35,420

forces out there and you better hope

1422

01:06:39,640 --> 01:06:37,460

that there's an opposing force to take

1423

01:06:41,530 --> 01:06:39,650

on the dark force you're looking at you

1424

01:06:44,440 --> 01:06:41,540

know and it it seems like a no-brainer

1425

01:06:48,040 --> 01:06:44,450

how to get your faith into something

1426

01:06:52,420 --> 01:06:48,050

else but these people are stuck at these

1427

01:06:54,400 --> 01:06:52,430

walls of disbelief I guess because the

1428

01:06:56,560 --> 01:06:54,410

priest did a lot of horrible things to

1429

01:06:58,930 --> 01:06:56,570

people why would I believe in that you

1430

01:07:00,880 --> 01:06:58,940

know sitting in church crap and you know

1431

01:07:03,940 --> 01:07:00,890

I'm gonna sit here and hold a crystal

1432

01:07:06,099 --> 01:07:03,950

and you know okay you know and I I

1433

01:07:07,690 --> 01:07:06,109

jumped off the bandwagon of believing in

1434

01:07:09,730 --> 01:07:07,700

a whole bunch of that stuff too I I

1435

01:07:12,250 --> 01:07:09,740

thought Jesus was a historical figure

1436

01:07:14,260 --> 01:07:12,260

that did his dance upon the earth and

1437

01:07:16,180 --> 01:07:14,270

you know it was great you know you did a

1438

01:07:18,370 --> 01:07:16,190

lot of good stuff and I was I was kind

1439

01:07:20,740 --> 01:07:18,380

of like I'd seen so many things I

1440

01:07:22,150 --> 01:07:20,750

honestly felt like if he were around I

1441

01:07:23,890 --> 01:07:22,160

think I would have seen him by now and I

1442

01:07:27,010 --> 01:07:23,900

put that in my first book I was so

1443

01:07:31,240 --> 01:07:27,020

critical of such things and lo and

1444

01:07:33,700 --> 01:07:31,250

behold um he showed up help me change

1445

01:07:36,790 --> 01:07:33,710

some things but it's a it's a crazy

1446

01:07:40,599 --> 01:07:36,800

world like when I when I look at it on

1447

01:07:42,370 --> 01:07:40,609

paper like okay person who saw this this

1448

01:07:44,109 --> 01:07:42,380

and that how does that make sense how

1449

01:07:46,330 --> 01:07:44,119

does it pull in together but you know it

1450

01:07:48,340 --> 01:07:46,340

makes perfect sense if you're on the

1451

01:07:51,010 --> 01:07:48,350

receiving end but I'm like how can I get

1452

01:07:53,950 --> 01:07:51,020

that out of myself to express to other

1453

01:07:55,450 --> 01:07:53,960

people the right way and to get them to

1454

01:07:57,730 --> 01:07:55,460

the level of understanding they've

1455

01:08:00,820 --> 01:07:57,740

they've got to have this balance between

1456

01:08:03,970 --> 01:08:00,830

all of this what seems like maddening

1457

01:08:06,820 --> 01:08:03,980

situations and you know all I could do

1458

01:08:07,690 --> 01:08:06,830

is be my silly self keep my sense of

1459

01:08:09,040 --> 01:08:07,700

humor about myself

1460

01:08:10,930 --> 01:08:09,050

I'm a cartoonist for crying out loud

1461

01:08:13,390 --> 01:08:10,940

yeah I'm a therapist as well but

1462

01:08:16,240 --> 01:08:13,400

cartooning was my life I

1463

01:08:18,550 --> 01:08:16,250

I mean it's just the soul of me and I'm

1464

01:08:20,980 --> 01:08:18,560

like if I can admit and I'm just a

1465

01:08:22,630 --> 01:08:20,990

flawed human being as well who has

1466

01:08:25,240 --> 01:08:22,640

experienced a lot of weird stuff who

1467

01:08:29,250 --> 01:08:25,250

hopes to be able to you know interpret

1468

01:08:32,080 --> 01:08:29,260

it great but you know when it comes to

1469

01:08:35,220 --> 01:08:32,090

having evil coming around the way that

1470

01:08:38,500 --> 01:08:35,230

it does we have to get our faith back

1471

01:08:40,030 --> 01:08:38,510

people just I tell people if you don't

1472

01:08:42,070 --> 01:08:40,040

have your faith and you're looking into

1473

01:08:44,680 --> 01:08:42,080

such darkness you might as well throw a

1474

01:08:46,960 --> 01:08:44,690

shoe at it because there's nothing gonna

1475

01:08:49,270 --> 01:08:46,970

work you know you can have a priest come

1476

01:08:51,280 --> 01:08:49,280

and sprinkle a bucket of holy water but

1477

01:08:55,450 --> 01:08:51,290

if you don't believe in it what's that

1478

01:08:58,450 --> 01:08:55,460

gonna do you know and it's like yeah I'm

1479

01:09:01,720 --> 01:08:58,460

I could consider myself to be Christian

1480

01:09:04,660 --> 01:09:01,730

I just am I have great friends that are

1481

01:09:08,260 --> 01:09:04,670

Muslim and that are Jewish and I found

1482

01:09:12,910 --> 01:09:08,270

out actually my mother may be Jewish but

1483

01:09:16,120 --> 01:09:12,920

it's like life is what it is I mean you

1484

01:09:19,270 --> 01:09:16,130

you it's it's about believing in the one

1485

01:09:22,000 --> 01:09:19,280

God to protect yourself against this

1486

01:09:24,700 --> 01:09:22,010

evil and so I have a book that I plan to

1487

01:09:28,360 --> 01:09:24,710

come out soon called the other F word

1488

01:09:29,800 --> 01:09:28,370

meaning for faith so people can learn

1489

01:09:32,110 --> 01:09:29,810

how to get their faith back you know

1490

01:09:33,400 --> 01:09:32,120

forgive themselves for fumbling you

1491

01:09:35,020 --> 01:09:33,410

forgive themselves for messing up

1492

01:09:36,690 --> 01:09:35,030

because God knew what he was doing what

1493

01:09:39,940 --> 01:09:36,700

he made all of us that we're a bunch of

1494

01:09:41,500 --> 01:09:39,950

crazy people we're gonna go muck that

1495

01:09:43,680 --> 01:09:41,510

are trying to figure this life out so to

1496

01:09:46,000 --> 01:09:43,690

give ourselves a break on that

1497

01:09:49,090 --> 01:09:46,010

that sounds good I'm gonna be looking

1498

01:09:52,770 --> 01:09:49,100

forward to that book coming out and if

1499

01:09:55,720 --> 01:09:52,780

you want to check out Holly's books and

1500

01:09:59,140 --> 01:09:55,730

Heidi's books and more information hi

1501
01:10:05,410 --> 01:09:59,150
Heidi Heidi hall as Holly hided I know I

1502
01:10:07,720 --> 01:10:05,420
get it all the time now you know we

1503
01:10:09,760 --> 01:10:07,730
we're down to the last 10 minutes the

1504
01:10:13,090 --> 01:10:09,770
show and haven't even really gotten into

1505
01:10:14,800 --> 01:10:13,100
the hat man I know that's just crazy and

1506
01:10:16,990 --> 01:10:14,810
that's what he started out and that's

1507
01:10:19,980 --> 01:10:17,000
what I was going to talk about to begin

1508
01:10:23,680 --> 01:10:19,990
with and that is your latest book so

1509
01:10:24,780 --> 01:10:23,690
what the heck it's the Hat man just in

1510
01:10:26,690 --> 01:10:24,790
case there are people out there

1511
01:10:29,480 --> 01:10:26,700
experiencing it and then they don't

1512
01:10:32,360 --> 01:10:29,490
have a way to draw any correlation to

1513
01:10:34,400 --> 01:10:32,370

anything on it you know I when I first

1514

01:10:37,400 --> 01:10:34,410

came out with the shadow people

1515

01:10:39,200 --> 01:10:37,410

I had categorized the Hat man as being

1516

01:10:41,900 --> 01:10:39,210

another form shadow people take so I

1517

01:10:47,150 --> 01:10:41,910

called him the Hat man shadow and boy

1518

01:10:48,860 --> 01:10:47,160

was I mistaken the moment that I'll tell

1519

01:10:52,310 --> 01:10:48,870

you quickly at the moment I put that

1520

01:10:55,390 --> 01:10:52,320

image up on my website my younger sister

1521

01:10:57,710 --> 01:10:55,400

came over to my place unannounced and

1522

01:11:00,140 --> 01:10:57,720

I'm like oh I'm so glad to see you I

1523

01:11:01,640 --> 01:11:00,150

kind of show you in my new website

1524

01:11:04,820 --> 01:11:01,650

because I just put up all the images and

1525

01:11:06,260 --> 01:11:04,830

everything on my site it's just like hey

1526

01:11:08,090 --> 01:11:06,270

I need to talk to you I'm like oh yeah

1527

01:11:10,730 --> 01:11:08,100

yeah just talk to me I'm pulling up my

1528

01:11:12,860 --> 01:11:10,740

website now she goes Heidi I just don't

1529

01:11:16,700 --> 01:11:12,870

know and I pull up the hat man image and

1530

01:11:20,870 --> 01:11:16,710

she screams oh that's him and I'm like

1531

01:11:23,780 --> 01:11:20,880

what and I just froze I'm like this guy

1532

01:11:25,430 --> 01:11:23,790

I mean it's literally as I put him up on

1533

01:11:28,220 --> 01:11:25,440

my website when she'd seen him I just

1534

01:11:32,450 --> 01:11:28,230

put him up and see it experienced him

1535

01:11:35,270 --> 01:11:32,460

and he is something that is very

1536

01:11:39,080 --> 01:11:35,280

different very distinctive and how he

1537

01:11:43,130 --> 01:11:39,090

dresses he's he's this man who wears a

1538

01:11:46,910 --> 01:11:43,140

three-piece suit trench coat or cape he

1539

01:11:49,100 --> 01:11:46,920

wears a gaucho hat or a or a top hat

1540

01:11:52,460 --> 01:11:49,110

sometimes a cowboy hat isn't that crazy

1541

01:11:54,440 --> 01:11:52,470

but he changed his hat or no hat and if

1542

01:11:56,270 --> 01:11:54,450

you see his eyes if you see a skin it's

1543

01:11:57,230 --> 01:11:56,280

pale you might have a goatee might be

1544

01:11:59,540 --> 01:11:57,240

clean-shaven

1545

01:12:03,770 --> 01:11:59,550

he may have solid black eyes or red

1546

01:12:06,140 --> 01:12:03,780

glowing eyes and his sometimes a chain

1547

01:12:08,570 --> 01:12:06,150

watch is seen on his on his hip he could

1548

01:12:12,580 --> 01:12:08,580

be very very solid or he could look very

1549

01:12:15,470 --> 01:12:12,590

much like a shadow deep black shadow and

1550

01:12:17,690 --> 01:12:15,480

my sister had experienced him in that

1551

01:12:21,530 --> 01:12:17,700

form until he got into the backseat of

1552

01:12:24,370 --> 01:12:21,540

her car and he was very solid and he's

1553

01:12:28,370 --> 01:12:24,380

very responsive he is very in-your-face

1554

01:12:29,300 --> 01:12:28,380

he's very threatening and he's very

1555

01:12:34,310 --> 01:12:29,310

abusive

1556

01:12:36,800 --> 01:12:34,320

he beats bites rapes pummels anything

1557

01:12:39,770 --> 01:12:36,810

and everything threatens your soul grabs

1558

01:12:40,380 --> 01:12:39,780

your soul out of your body slams it

1559

01:12:44,430 --> 01:12:40,390

around the

1560

01:12:46,710 --> 01:12:44,440

a few times get sentir dreams it doesn't

1561

01:12:48,120 --> 01:12:46,720

matter he has no limitations and he

1562

01:12:50,730 --> 01:12:48,130

loves to go after children

1563

01:12:53,220 --> 01:12:50,740

I've had people write me who are like I

1564

01:12:57,000 --> 01:12:53,230

have been tortured by this man for 40

1565

01:12:59,730 --> 01:12:57,010

years he comes every night or he comes

1566

01:13:03,000 --> 01:12:59,740

once a week or he comes around certain

1567

01:13:06,330 --> 01:13:03,010

holidays it just never ends

1568

01:13:09,240 --> 01:13:06,340

he's disgusting and he is absolutely the

1569

01:13:12,060 --> 01:13:09,250

opposite of anything light and he will

1570

01:13:15,030 --> 01:13:12,070

sometimes brag and call himself scratch

1571

01:13:18,180 --> 01:13:15,040

which is the worst term for you know oat

1572

01:13:20,250 --> 01:13:18,190

scratch for the devil he's the evil of

1573

01:13:23,880 --> 01:13:20,260

most evils and he commands the shadow

1574

01:13:25,770 --> 01:13:23,890

people he commands the old hag he

1575

01:13:29,670 --> 01:13:25,780

commands the Grim Reaper looking type of

1576

01:13:31,740 --> 01:13:29,680

beings he is he's horrible and you know

1577

01:13:34,200 --> 01:13:31,750

I had a near-death experience author on

1578

01:13:35,550 --> 01:13:34,210

my show it when pointing and you know

1579

01:13:37,230 --> 01:13:35,560

everything's loving light you know and

1580

01:13:39,060 --> 01:13:37,240

everything to heaven I said yeah what

1581

01:13:41,880 --> 01:13:39,070

about the other near-death experiences

1582

01:13:44,040 --> 01:13:41,890

and it's like well that's interesting I

1583

01:13:48,090 --> 01:13:44,050

do get some of those and they see this

1584

01:13:51,450 --> 01:13:48,100

man and I'm like oh gosh here we go

1585

01:13:53,790 --> 01:13:51,460

you know so he is uh in those near-death

1586

01:13:58,860 --> 01:13:53,800

experiences I'm assuming those are the

1587

01:14:02,160 --> 01:13:58,870

sort of rare ones that are not fun yes

1588

01:14:04,440 --> 01:14:02,170

the other side yeah most of the NDEs we

1589

01:14:07,140 --> 01:14:04,450

hear about are wonderful people talk

1590

01:14:10,650 --> 01:14:07,150

about experiencing this feeling of

1591

01:14:13,410 --> 01:14:10,660

unconditional love a beautiful light Sam

1592

01:14:16,010 --> 01:14:13,420

loved ones but then you have the other

1593

01:14:19,530 --> 01:14:16,020

the other stories that where people

1594

01:14:21,840 --> 01:14:19,540

claim they've gone to hell and seeing

1595

01:14:26,850 --> 01:14:21,850

terrible beings and and so in some of

1596

01:14:30,810 --> 01:14:26,860

those that that guy appears yes he does

1597

01:14:32,640 --> 01:14:30,820

yes he does and yeah people have seen

1598

01:14:35,040 --> 01:14:32,650

him walking out of a room where somebody

1599

01:14:37,320 --> 01:14:35,050

just died or standing next to of a an

1600

01:14:38,760 --> 01:14:37,330

accident or causes the accident they

1601
01:14:41,700 --> 01:14:38,770
thought a man was standing in the road

1602
01:14:44,970 --> 01:14:41,710
they diverted and hit a tree and he's

1603
01:14:47,430 --> 01:14:44,980
horrible and he's no small man people

1604
01:14:49,320 --> 01:14:47,440
usually describe him being six foot tall

1605
01:14:51,240 --> 01:14:49,330
and twelve feet tall

1606
01:14:53,569 --> 01:14:51,250
usually when he comes into a room he has

1607
01:14:56,629 --> 01:14:53,579
to crouch over on the seal

1608
01:14:59,389 --> 01:14:56,639
because he's that tall it's just the

1609
01:15:02,959 --> 01:14:59,399
most intimidating kind of feeling that

1610
01:15:06,799 --> 01:15:02,969
she can imagine I've had people tell me

1611
01:15:10,219 --> 01:15:06,809
things that are just so ill don't even

1612
01:15:13,429 --> 01:15:10,229
know I've had one person I was a I was

1613
01:15:15,379 --> 01:15:13,439

supervising this therapist that was

1614

01:15:17,270 --> 01:15:15,389

working under me and you know there's

1615

01:15:19,279 --> 01:15:17,280

always whispers like how that's the lady

1616

01:15:20,929 --> 01:15:19,289

who writes those books and my students

1617

01:15:24,229 --> 01:15:20,939

like what kinds of books and I told her

1618

01:15:26,509 --> 01:15:24,239

briefly and I just like oh my god she's

1619

01:15:29,659 --> 01:15:26,519

like I have a story to tell you just

1620

01:15:31,069 --> 01:15:29,669

that was three years old I saw a fork

1621

01:15:33,439 --> 01:15:31,079

sitting on the floor and then I looked

1622

01:15:34,849 --> 01:15:33,449

over to the outlet and I looked at the

1623

01:15:36,379 --> 01:15:34,859

fork and I looked at the outlet and I

1624

01:15:38,929 --> 01:15:36,389

know my mom told me don't stick anything

1625

01:15:41,419 --> 01:15:38,939

in it but I was so tempted she said when

1626

01:15:43,969 --> 01:15:41,429

all of a sudden this extremely is tall

1627

01:15:45,469 --> 01:15:43,979

man who was bent over at the ceiling

1628

01:15:48,049 --> 01:15:45,479

appeared right in front of me and bent

1629

01:15:52,459 --> 01:15:48,059

all the way down to within an inch of my

1630

01:15:56,329 --> 01:15:52,469

face and said go ahead stick it in I

1631

01:15:59,959 --> 01:15:56,339

mean to encourage a three-year-old to

1632

01:16:03,020 --> 01:15:59,969

kill herself this man has no limits and

1633

01:16:05,329 --> 01:16:03,030

he has no man at all I've had people say

1634

01:16:08,089 --> 01:16:05,339

oh he's a guardian for me that's I only

1635

01:16:10,849 --> 01:16:08,099

a small handful am i any comment gertie

1636

01:16:13,429 --> 01:16:10,859

a guardian well he doesn't scare me

1637

01:16:14,750 --> 01:16:13,439

and he's just watching and then I had

1638

01:16:16,159 --> 01:16:14,760

somebody that was abused by their father

1639

01:16:17,989 --> 01:16:16,169

and they're like well one time he hit my

1640

01:16:23,329 --> 01:16:17,999

father and he slammed it across the room

1641

01:16:26,209 --> 01:16:23,339

oh yay you know it's just just weird and

1642

01:16:29,989 --> 01:16:26,219

sad but you know the sightings of him

1643

01:16:32,839 --> 01:16:29,999

are going up exponentially but it's

1644

01:16:37,729 --> 01:16:32,849

important to know that so are sightings

1645

01:16:40,179 --> 01:16:37,739

of Jesus going up exponentially and it's

1646

01:16:42,919 --> 01:16:40,189

a crazy phenomena going on in

1647

01:16:44,119 --> 01:16:42,929

predominantly Muslim countries believe

1648

01:16:46,429 --> 01:16:44,129

it or not there's several books written

1649

01:16:49,489 --> 01:16:46,439

on it and that Jesus is showing up not

1650

01:16:55,159 --> 01:16:49,499

just once but every night until they

1651

01:16:58,149 --> 01:16:55,169

look into who he is so well I tell you

1652

01:17:02,359 --> 01:16:58,159

you know obviously you know Islamic

1653

01:17:05,000 --> 01:17:02,369

extremists - the exception but a lot of

1654

01:17:07,069 --> 01:17:05,010

Muslims I know have a very high

1655

01:17:09,890 --> 01:17:07,079

reverence for Jesus

1656

01:17:10,760 --> 01:17:09,900

and they speak about him in the highest

1657

01:17:14,209 --> 01:17:10,770

regard

1658

01:17:15,939 --> 01:17:14,219

oh yeah same here you know yeah yeah so

1659

01:17:18,109 --> 01:17:15,949

it's he he

1660

01:17:20,990 --> 01:17:18,119

definitely they acknowledged that you

1661

01:17:25,520 --> 01:17:21,000

know he was someone special at the time

1662

01:17:27,229 --> 01:17:25,530

trying yeah yeah so it is interesting

1663

01:17:28,879 --> 01:17:27,239

and young we talked about that on this

1664

01:17:31,280 --> 01:17:28,889

show last week about the Marian

1665

01:17:36,049 --> 01:17:31,290

sightings increased Jesus sightings now

1666

01:17:39,950 --> 01:17:36,059

do you find that it seems to me when

1667

01:17:42,140 --> 01:17:39,960

things are happening for instance when

1668

01:17:45,439 --> 01:17:42,150

there are are revelations when there are

1669

01:17:49,120 --> 01:17:45,449

these events these phenomenal events

1670

01:17:53,149 --> 01:17:49,130

like Marian sightings Jesus sightings

1671

01:17:56,419 --> 01:17:53,159

miraculous things going on doesn't it

1672

01:17:59,750 --> 01:17:56,429

seem to you like there's a backlash of

1673

01:18:02,479 --> 01:17:59,760

this you know sort of a railing of the

1674

01:18:04,760 --> 01:18:02,489

other side against what's going on it's

1675

01:18:07,069 --> 01:18:04,770

sort of you have a kind of a back and

1676

01:18:09,109 --> 01:18:07,079

forth and it's like it's like the title

1677

01:18:12,859 --> 01:18:09,119

of your book like the war like a little

1678

01:18:15,319 --> 01:18:12,869

secret war yeah yeah definitely you know

1679

01:18:18,109 --> 01:18:15,329

I would have never expected to have had

1680

01:18:20,720 --> 01:18:18,119

a Jesus encounter at being such a

1681

01:18:23,000 --> 01:18:20,730

skeptic that I was but my book called

1682

01:18:25,149 --> 01:18:23,010

Jesus no joke is actually my most highly

1683

01:18:27,290 --> 01:18:25,159

rated book it's crazy but anyways

1684

01:18:30,859 --> 01:18:27,300

immediately after having that first

1685

01:18:34,490 --> 01:18:30,869

encounter with him I was met right away

1686

01:18:36,950 --> 01:18:34,500

with something very dark that questioned

1687

01:18:39,260 --> 01:18:36,960

what it was I had just experienced and

1688

01:18:42,560 --> 01:18:39,270

tried to get me to question it out loud

1689

01:18:44,540 --> 01:18:42,570

as well and so yeah and you know I

1690

01:18:47,270 --> 01:18:44,550

didn't know this but when I was sharing

1691

01:18:49,580 --> 01:18:47,280

like that story with people in the Bible

1692

01:18:51,020 --> 01:18:49,590

Belt Laura speaking at a UFO conference

1693

01:18:52,729 --> 01:18:51,030

they're like well that lets me know you

1694

01:18:55,220 --> 01:18:52,739

really did have an encounter because

1695

01:18:58,609 --> 01:18:55,230

that is a common theme of people who

1696

01:19:00,740 --> 01:18:58,619

have seen somebody like Jesus to be

1697

01:19:04,220 --> 01:19:00,750

followed up with something so evil and

1698

01:19:08,479 --> 01:19:04,230

I'm like wow didn't know that but yeah

1699

01:19:10,700 --> 01:19:08,489

crazy stuff crazy stuff absolutely yeah

1700

01:19:13,220 --> 01:19:10,710

well you know I want to encourage

1701

01:19:15,470 --> 01:19:13,230

everyone to go to Heidi Hollis calm

1702

01:19:17,390 --> 01:19:15,480

check out everything that she's doing

1703

01:19:21,020 --> 01:19:17,400

you can see her show times on there

1704

01:19:24,620 --> 01:19:21,030

she's on Tuesdays with Kevin

1705

01:19:28,780 --> 01:19:24,630

and then she's on on Friday nights with

1706

01:19:32,120 --> 01:19:28,790

herself and her wonderful guests so

1707

01:19:34,070 --> 01:19:32,130

she's got some great ones on her show

1708

01:19:37,370 --> 01:19:34,080

it's very popular show I hope you guys

1709

01:19:39,590 --> 01:19:37,380

will tune in the music is rolling want

1710

01:19:41,960 --> 01:19:39,600

to thank you Heidi for coming on thank

1711

01:19:43,490 --> 01:19:41,970

you this is a lot of fun we won't make

1712

01:19:46,400 --> 01:19:43,500

it easy so long next time yeah

1713

01:19:48,500 --> 01:19:46,410

absolutely and I want to thank MJ of

1714

01:19:50,600 --> 01:19:48,510

course our wonderful wonderful MJ and

1715

01:19:52,310 --> 01:19:50,610

thanks to everyone who joined us in the

1716

01:19:54,950 --> 01:19:52,320

chat room with their wonderful comments

1717

01:19:58,760 --> 01:19:54,960

and questions and thanks again to Sousa

1718

01:20:03,470 --> 01:19:58,770

G for writing to me about tonight's

1719

01:20:45,500 --> 01:20:14,610

[Music]

1720

01:20:53,010 --> 01:20:48,569

daddy where do babies come from

1721

01:20:55,830 --> 01:20:53,020

uh well honey mommy went to the store oh

1722

01:20:59,669 --> 01:20:55,840

well you see um well there's a mommy and

1723

01:21:00,479 --> 01:20:59,679

a daddy right and see when they call

1724

01:21:02,609 --> 01:21:00,489

Geico

1725

01:21:05,010 --> 01:21:02,619

they could save a bunch of money on car

1726

01:21:06,930 --> 01:21:05,020

insurance oh really and that makes them

1727

01:21:10,140 --> 01:21:06,940

happy yes that makes them very happy

1728

01:21:11,310 --> 01:21:10,150

that's good yeah well I'm glad we could

1729

01:21:14,010 --> 01:21:11,320

have this talk sunshine
