

UFO Orb Phenomenon | Are Aliens Using this Technology for a Purpose?

California Radio
MUFON
LORIE FENTON
WEDNESDAY 11PM EASTERN
8PM PACIFIC

Listen on

inceptionradionetwork.com

1
00:00:04,230 --> 00:00:01,990
i got is

2
00:00:06,070 --> 00:00:04,240
why is he the savior of the ufo

3
00:00:08,070 --> 00:00:06,080
community now you know i think that's

4
00:00:10,070 --> 00:00:08,080
dwindling after this last conference

5
00:00:12,709 --> 00:00:10,080
where hardly anybody showed up i mean he

6
00:00:14,390 --> 00:00:12,719
had about 200 people he was lucky and i

7
00:00:16,630 --> 00:00:14,400
just think after the child protected

8
00:00:18,870 --> 00:00:16,640
services thing you know

9
00:00:20,230 --> 00:00:18,880
you know i'll tell you this is very

10
00:00:22,470 --> 00:00:20,240
interesting

11
00:00:24,950 --> 00:00:22,480
um i believe

12
00:00:27,990 --> 00:00:24,960
that because he is not the little

13
00:00:29,990 --> 00:00:28,000

darling minion of david wilcock anymore

14

00:00:32,310 --> 00:00:30,000

or his other three handlers that he's

15

00:00:34,389 --> 00:00:32,320

starting to have a voice of his own

16

00:00:36,150 --> 00:00:34,399

i think they are the people that turned

17

00:00:38,869 --> 00:00:36,160

him into the child protective services

18

00:00:41,270 --> 00:00:38,879

and i think he's gonna suffer the wrath

19

00:00:43,510 --> 00:00:41,280

of everyone else who's actually gotten

20

00:00:44,709 --> 00:00:43,520

out there and spoke their mind and done

21

00:00:47,510 --> 00:00:44,719

their thing

22

00:00:49,670 --> 00:00:47,520

and our true contact bees and that is

23

00:00:51,350 --> 00:00:49,680

misha who is almost misha johnson who

24

00:00:52,229 --> 00:00:51,360

they tried to kill her like three times

25

00:00:58,790 --> 00:00:52,239

and

26

00:01:00,310 --> 00:00:58,800

let's see oh stan romanek they

27

00:01:02,310 --> 00:01:00,320

threatened to kill him and they almost

28

00:01:04,630 --> 00:01:02,320

did twice and now he's going to go to

29

00:01:05,830 --> 00:01:04,640

prison maybe i don't know his case is

30

00:01:07,670 --> 00:01:05,840

coming up

31

00:01:10,630 --> 00:01:07,680

wendell stevens ended up in prison i

32

00:01:12,469 --> 00:01:10,640

mean the list goes on and on now those

33

00:01:14,149 --> 00:01:12,479

are the real whistleblowers you guys

34

00:01:15,350 --> 00:01:14,159

people like corey good

35

00:01:17,749 --> 00:01:15,360

you know

36

00:01:20,070 --> 00:01:17,759

i think corey is a whistleblower but i i

37

00:01:22,950 --> 00:01:20,080

think he was handled into that position

38

00:01:25,030 --> 00:01:22,960

and now that he's no longer following

39

00:01:26,469 --> 00:01:25,040

the script of the handlers and the

40

00:01:28,390 --> 00:01:26,479

wilcock crowd

41

00:01:30,789 --> 00:01:28,400

and he's going off on his own kind of

42

00:01:32,310 --> 00:01:30,799

thing i think this is what the real

43

00:01:35,749 --> 00:01:32,320

problem is now he's probably going to

44

00:01:37,429 --> 00:01:35,759

get shut up you know i so that tells me

45

00:01:39,510 --> 00:01:37,439

he's probably telling the truth about

46

00:01:40,950 --> 00:01:39,520

his contact and everything but you're

47

00:01:43,190 --> 00:01:40,960

probably not going to hear too much more

48

00:01:44,950 --> 00:01:43,200

about him if he starts telling the truth

49

00:01:47,510 --> 00:01:44,960

and getting out there and doing not what

50

00:01:49,670 --> 00:01:47,520

he's supposedly doing with them you know

51
00:01:52,710 --> 00:01:49,680
if you go off script it's all over for

52
00:01:54,469 --> 00:01:52,720
you most of the time in the community so

53
00:01:56,550 --> 00:01:54,479
anyhow i've been on a

54
00:01:58,789 --> 00:01:56,560
tangent here i've been running back and

55
00:02:00,149 --> 00:01:58,799
forth and here and there but the bottom

56
00:02:03,270 --> 00:02:00,159
line is

57
00:02:05,510 --> 00:02:03,280
now i'm beginning to suspect that

58
00:02:07,510 --> 00:02:05,520
the whole corey good thing was a big

59
00:02:09,190 --> 00:02:07,520
setup to see who the

60
00:02:10,869 --> 00:02:09,200
who the people were that were gonna back

61
00:02:12,710 --> 00:02:10,879
him and who wouldn't and who would fall

62
00:02:15,110 --> 00:02:12,720
for it and who wouldn't to see how far

63
00:02:17,510 --> 00:02:15,120

they can push the ufo narrative on the

64

00:02:19,190 --> 00:02:17,520

people already in the community

65

00:02:21,110 --> 00:02:19,200

so and i've said it all along there's a

66

00:02:23,910 --> 00:02:21,120

big psyops going on with this whole

67

00:02:26,070 --> 00:02:23,920

thing so we'll see how it plays out

68

00:02:28,550 --> 00:02:26,080

but um you know i don't know i just

69

00:02:30,949 --> 00:02:28,560

don't think he's all that anymore now

70

00:02:32,550 --> 00:02:30,959

maybe you guys can clear my head on this

71

00:02:34,390 --> 00:02:32,560

you know in the chat room if you guys

72

00:02:35,910 --> 00:02:34,400

want to go to inception radio network

73

00:02:37,030 --> 00:02:35,920

which i'm going to try to get to right

74

00:02:41,270 --> 00:02:37,040

now

75

00:02:44,790 --> 00:02:43,190

i'm gonna go there and i'm going to go

76
00:02:46,869 --> 00:02:44,800
into the chat room if you guys have any

77
00:02:49,190 --> 00:02:46,879
other opinions about this let me know

78
00:02:51,670 --> 00:02:49,200
and maybe plutronis and i will discuss

79
00:02:56,150 --> 00:02:51,680
the further joke and i'm going to try to

80
00:02:58,470 --> 00:02:56,160
get clatronis uh take on the whole um

81
00:03:01,350 --> 00:02:58,480
psyops and the whole ufo community and

82
00:03:03,350 --> 00:03:01,360
what his experience has been with it and

83
00:03:06,309 --> 00:03:03,360
and what he thinks about it so tron are

84
00:03:09,830 --> 00:03:07,509
howdy

85
00:03:11,750 --> 00:03:09,840
hi you know i

86
00:03:13,589 --> 00:03:11,760
i'm getting so fed up with people

87
00:03:16,790 --> 00:03:13,599
attacking me i wish i had never gotten

88
00:03:19,589 --> 00:03:16,800

on that damn list of bill ryan's

89

00:03:21,750 --> 00:03:19,599

do you know about that

90

00:03:24,710 --> 00:03:21,760

well i heard about it i mean how can you

91

00:03:27,190 --> 00:03:24,720

not hear about stuff like that

92

00:03:30,229 --> 00:03:27,200

it's dark to begin with and it's is

93

00:03:32,789 --> 00:03:30,239

promoted by little minds

94

00:03:35,030 --> 00:03:32,799

now what's that the bill ryan list or

95

00:03:37,350 --> 00:03:35,040

the corey good thing the

96

00:03:38,789 --> 00:03:37,360

the the whole the whole stick

97

00:03:42,070 --> 00:03:38,799

the whole shtick

98

00:03:43,830 --> 00:03:42,080

the what the the the attacks the

99

00:03:46,470 --> 00:03:43,840

and you know anytime the reptilians are

100

00:03:48,869 --> 00:03:46,480

involved you know it's dark well right

101
00:03:50,789 --> 00:03:48,879
but did corey ever say reptilians were

102
00:03:51,589 --> 00:03:50,799
involved i don't know about no but you

103
00:03:56,149 --> 00:03:51,599
know

104
00:03:58,070 --> 00:03:56,159
a completely different perspective

105
00:04:00,390 --> 00:03:58,080
i it's my opinion that this is a

106
00:04:02,550 --> 00:04:00,400
reptilian world

107
00:04:05,190 --> 00:04:02,560
and that and that the big secret is that

108
00:04:07,030 --> 00:04:05,200
humanity was made by god but the big

109
00:04:09,830 --> 00:04:07,040
secret is that humanity was made by

110
00:04:11,509 --> 00:04:09,840
dragons which is which we became which

111
00:04:14,550 --> 00:04:11,519
we humans

112
00:04:17,270 --> 00:04:14,560
grew to dislike and hate and loathe so

113
00:04:19,670 --> 00:04:17,280

much that that we invented a word for it

114

00:04:21,110 --> 00:04:19,680

for the race and that race word became

115

00:04:23,510 --> 00:04:21,120

devil

116

00:04:25,510 --> 00:04:23,520

and throughout the centuries they have

117

00:04:27,990 --> 00:04:25,520

systematically meaning the reptilians

118

00:04:31,110 --> 00:04:28,000

have systematically erased from the

119

00:04:34,390 --> 00:04:31,120

racial consciousness of humanity

120

00:04:36,070 --> 00:04:34,400

all vestiges of their presence

121

00:04:37,909 --> 00:04:36,080

however

122

00:04:39,189 --> 00:04:37,919

uh each and every one of us in my

123

00:04:41,909 --> 00:04:39,199

opinion

124

00:04:43,830 --> 00:04:41,919

has a reptilian overlord you know an

125

00:04:46,629 --> 00:04:43,840

oversoul it's part of our consciousness

126

00:04:49,030 --> 00:04:46,639

it's integrated into us

127

00:04:50,710 --> 00:04:49,040

and you know and if you don't think and

128

00:04:52,150 --> 00:04:50,720

you think i'm talking nonsense here i

129

00:04:53,749 --> 00:04:52,160

mean think about the fact that jesus

130

00:04:54,950 --> 00:04:53,759

went up on the mount to get rid of his

131

00:04:56,469 --> 00:04:54,960

devil

132

00:04:58,070 --> 00:04:56,479

fight with satan what was he doing

133

00:05:00,310 --> 00:04:58,080

getting rid of that

134

00:05:02,310 --> 00:05:00,320

yeah he's getting rid of his reptilian

135

00:05:04,950 --> 00:05:02,320

oversoul and we each and every one of us

136

00:05:07,510 --> 00:05:04,960

have to do it at some point

137

00:05:09,909 --> 00:05:07,520

and and the process of learning how to

138

00:05:11,670 --> 00:05:09,919

do that is one of the deepest biggest

139

00:05:13,749 --> 00:05:11,680

secrets on the planet

140

00:05:15,749 --> 00:05:13,759

and if you do it exactly the right way

141

00:05:17,670 --> 00:05:15,759

and do it ex keep your mouth shut while

142

00:05:19,990 --> 00:05:17,680

you're learning how to do it they'll let

143

00:05:22,790 --> 00:05:20,000

you go

144

00:05:26,310 --> 00:05:22,800

this is only one earth earth in our life

145

00:05:29,270 --> 00:05:26,320

here on this planet is just but one stop

146

00:05:30,550 --> 00:05:29,280

amongst many stops on the railroad into

147

00:05:32,629 --> 00:05:30,560

the sky

148

00:05:35,029 --> 00:05:32,639

this is just one train station and we've

149

00:05:37,510 --> 00:05:35,039

been we've we got caught on a side track

150

00:05:39,590 --> 00:05:37,520

here and it's a reptilian side track and

151

00:05:42,150 --> 00:05:39,600

they keep us reincarnating

152

00:05:44,550 --> 00:05:42,160

here on this planet lifetime after

153

00:05:47,029 --> 00:05:44,560

lifetime after lifetime and that's how

154

00:05:48,550 --> 00:05:47,039

they that's how they use us they keep us

155

00:05:50,550 --> 00:05:48,560

here we're

156

00:05:52,550 --> 00:05:50,560

whether they use it for fuel whether

157

00:05:55,350 --> 00:05:52,560

they're eating us or how the however

158

00:05:56,870 --> 00:05:55,360

they're harvesting us is up is beyond my

159

00:05:59,110 --> 00:05:56,880

understanding

160

00:06:01,350 --> 00:05:59,120

but it is very clear to me that we're

161

00:06:02,710 --> 00:06:01,360

being used by them and if you don't and

162

00:06:03,510 --> 00:06:02,720

if you think i'm the only one that knows

163

00:06:06,070 --> 00:06:03,520

this

164

00:06:08,870 --> 00:06:06,080

uh go read some of dr jacques valet

165

00:06:10,070 --> 00:06:08,880

books demon haunted world

166

00:06:12,710 --> 00:06:10,080

yeah

167

00:06:15,909 --> 00:06:12,720

uh well now on and on and on everybody

168

00:06:17,430 --> 00:06:15,919

that does any serious study of ufology

169

00:06:19,749 --> 00:06:17,440

knows that that

170

00:06:21,670 --> 00:06:19,759

they've been coming here far too long

171

00:06:23,670 --> 00:06:21,680

for it to be science

172

00:06:25,430 --> 00:06:23,680

they know everything us

173

00:06:27,990 --> 00:06:25,440

they're not studying us now there may be

174

00:06:30,150 --> 00:06:28,000

some species that come here momentarily

175

00:06:32,790 --> 00:06:30,160

and study us and then take off

176

00:06:34,309 --> 00:06:32,800

uh but the guys that own the world know

177

00:06:35,830 --> 00:06:34,319

exactly well they made us they

178

00:06:37,189 --> 00:06:35,840

engineered us

179

00:06:39,110 --> 00:06:37,199

for a purpose

180

00:06:41,430 --> 00:06:39,120

and the big secret is they never left

181

00:06:43,990 --> 00:06:41,440

they're still here but they they're here

182

00:06:46,629 --> 00:06:44,000

in a format in a way that prevents us

183

00:06:47,990 --> 00:06:46,639

from uh being aware of it they control

184

00:06:50,390 --> 00:06:48,000

our perception of their of their

185

00:06:52,150 --> 00:06:50,400

presence they control and a few of us

186

00:06:54,550 --> 00:06:52,160

once a while get little glimpses of it

187

00:06:55,590 --> 00:06:54,560

and in the big in the way we able to see

188

00:06:57,749 --> 00:06:55,600

them

189

00:07:00,230 --> 00:06:57,759

and it looks spiritual to us but it's

190

00:07:03,270 --> 00:07:00,240

not spiritual it is technical

191

00:07:05,189 --> 00:07:03,280

it's a technology assisted civilization

192

00:07:06,870 --> 00:07:05,199

and their technology is so advanced it

193

00:07:09,270 --> 00:07:06,880

looks spiritual to us and and it

194

00:07:11,830 --> 00:07:09,280

probably from our perception it is

195

00:07:15,189 --> 00:07:11,840

spiritual in the sense that it's a it's

196

00:07:16,390 --> 00:07:15,199

a it's a super it's a it supersedes

197

00:07:20,790 --> 00:07:16,400

physics

198

00:07:23,430 --> 00:07:20,800

of science and then

199

00:07:24,230 --> 00:07:23,440

uh super physics is what we call you

200

00:07:29,430 --> 00:07:24,240

know

201

00:07:31,830 --> 00:07:29,440

spiritual word the

202

00:07:33,110 --> 00:07:31,840

the next dimension up instead of being

203

00:07:35,830 --> 00:07:33,120

in the physical dimension the next

204

00:07:38,230 --> 00:07:35,840

dimension up is uh yet zero or ask the

205

00:07:39,990 --> 00:07:38,240

astral plane okay we think of that as

206

00:07:41,510 --> 00:07:40,000

being a spiritual plane in reality

207

00:07:42,790 --> 00:07:41,520

because we can access it with our

208

00:07:45,430 --> 00:07:42,800

consciousness

209

00:07:47,189 --> 00:07:45,440

but their technology accesses it through

210

00:07:49,270 --> 00:07:47,199

machines

211

00:07:52,309 --> 00:07:49,280

that's right that's intriguing do you

212

00:07:54,950 --> 00:07:52,319

think that they have an ai type of

213

00:07:56,869 --> 00:07:54,960

system that runs how we we perceive

214

00:07:59,430 --> 00:07:56,879

everything around us

215

00:08:03,909 --> 00:07:59,440

i mean am i looking through

216

00:08:07,830 --> 00:08:05,189

who knows

217

00:08:10,309 --> 00:08:07,840

well i can tell you one thing we we're

218

00:08:12,950 --> 00:08:10,319

our bodies are machines without a doubt

219

00:08:14,710 --> 00:08:12,960

everything about us is a machine

220

00:08:16,790 --> 00:08:14,720

it's uh and we don't think of it as

221

00:08:18,550 --> 00:08:16,800

being a machine because it's biological

222

00:08:21,189 --> 00:08:18,560

and it can get sick

223

00:08:22,790 --> 00:08:21,199

with you know uh bacterium and those

224

00:08:25,110 --> 00:08:22,800

that's just the characteristics of

225

00:08:26,950 --> 00:08:25,120

having a biological machine

226

00:08:28,550 --> 00:08:26,960

but

227

00:08:30,629 --> 00:08:28,560

it's

228

00:08:31,749 --> 00:08:30,639

the way we're designed the way we

229

00:08:33,509 --> 00:08:31,759

function

230

00:08:35,909 --> 00:08:33,519

is without a doubt i mean you can go to

231

00:08:37,670 --> 00:08:35,919

system school and and learn about

232

00:08:39,589 --> 00:08:37,680

machines that work exactly like the

233

00:08:41,190 --> 00:08:39,599

human body works

234

00:08:44,070 --> 00:08:41,200

you know it's got a fuel system it's got

235

00:08:45,590 --> 00:08:44,080

a waste systems it generates heat it

236

00:08:47,750 --> 00:08:45,600

moves

237

00:08:49,590 --> 00:08:47,760

it gets old and it's parts fail uh you

238

00:08:51,990 --> 00:08:49,600

know what part of it's not a machine you

239

00:08:53,670 --> 00:08:52,000

know well that's true that's the only

240

00:08:56,310 --> 00:08:53,680

thing we got better than machines is we

241

00:08:56,620 --> 00:08:56,320

get to have a little focation here and

242

00:08:58,949 --> 00:08:56,630

there

243

00:09:01,750 --> 00:08:58,959

[Laughter]

244

00:09:05,030 --> 00:09:01,760

well yeah that's true i remember those

245

00:09:06,710 --> 00:09:05,040

days geez okay okay we should be talking

246

00:09:09,910 --> 00:09:06,720

about that tonight

247

00:09:11,750 --> 00:09:09,920

um okay so now that he got me laughing

248

00:09:14,389 --> 00:09:11,760

i'm i've lost my total train of thought

249

00:09:16,230 --> 00:09:14,399

i'm sorry we were talking about the

250

00:09:18,150 --> 00:09:16,240

the shtick

251

00:09:20,230 --> 00:09:18,160

well basically

252

00:09:21,190 --> 00:09:20,240

i'm an organic machine is what you're

253

00:09:24,630 --> 00:09:21,200

saying

254

00:09:26,870 --> 00:09:24,640

and these guys these reptilian yeah we

255

00:09:29,110 --> 00:09:26,880

all are these reptilian dudes are out

256

00:09:30,710 --> 00:09:29,120

there running our consciousness are they

257

00:09:34,230 --> 00:09:30,720

are they in control of our consciousness

258

00:09:35,430 --> 00:09:34,240

or do we have no control of it no i i

259

00:09:37,030 --> 00:09:35,440

don't think they control our

260

00:09:39,430 --> 00:09:37,040

consciousness

261

00:09:43,110 --> 00:09:41,430

it gets complicated in here pretty quick

262

00:09:44,389 --> 00:09:43,120

because first of all i don't understand

263

00:09:46,310 --> 00:09:44,399

it fully

264

00:09:47,829 --> 00:09:46,320

it's a working theory some of this is

265

00:09:49,670 --> 00:09:47,839

working through some of it's just out

266

00:09:51,269 --> 00:09:49,680

you know just outline outright

267

00:09:52,949 --> 00:09:51,279

speculation

268

00:09:54,230 --> 00:09:52,959

uh some of it's based in my

269

00:09:56,230 --> 00:09:54,240

understanding about how things are

270

00:09:58,150 --> 00:09:56,240

working based on my own experiences with

271

00:10:00,310 --> 00:09:58,160

the reptilians

272

00:10:02,790 --> 00:10:00,320

and um

273

00:10:04,150 --> 00:10:02,800

i've had a significant amount of contact

274

00:10:05,590 --> 00:10:04,160

with reptilians there people out there

275

00:10:07,030 --> 00:10:05,600

love them i think they're the greatest

276
00:10:08,710 --> 00:10:07,040
guys around

277
00:10:10,710 --> 00:10:08,720
uh right

278
00:10:11,670 --> 00:10:10,720
it's i look at the reptilians sort of

279
00:10:13,829 --> 00:10:11,680
like

280
00:10:15,990 --> 00:10:13,839
zookeepers

281
00:10:20,230 --> 00:10:16,000
they're good ones and they're bad ones

282
00:10:22,150 --> 00:10:20,240
okay but you're still inside the cage

283
00:10:23,829 --> 00:10:22,160
okay are they evil

284
00:10:25,350 --> 00:10:23,839
well i mean

285
00:10:28,230 --> 00:10:25,360
if they're in if they

286
00:10:29,829 --> 00:10:28,240
induce cancer in us and there's a very

287
00:10:31,750 --> 00:10:29,839
high incidence

288
00:10:34,069 --> 00:10:31,760

of cancer

289

00:10:38,230 --> 00:10:34,079

induced in people who have either

290

00:10:45,190 --> 00:10:39,030

or

291

00:10:47,829 --> 00:10:45,200

trying to seek out the reptilians

292

00:10:49,350 --> 00:10:47,839

people who work in the psychic realms

293

00:10:51,829 --> 00:10:49,360

specifically for the purpose of

294

00:10:53,750 --> 00:10:51,839

awakening if you don't do it exactly the

295

00:10:56,230 --> 00:10:53,760

right way lots of those people get

296

00:10:58,630 --> 00:10:56,240

cancer and people say oh well cancer is

297

00:10:59,990 --> 00:10:58,640

everywhere everybody gets cancer uh

298

00:11:02,230 --> 00:11:00,000

that's not the reason the truth of the

299

00:11:04,870 --> 00:11:02,240

matter is is

300

00:11:08,470 --> 00:11:04,880

one of the guys who um

301
00:11:10,550 --> 00:11:08,480
a guy named um colin kelleher

302
00:11:12,230 --> 00:11:10,560
some of you may have heard his name he's

303
00:11:16,550 --> 00:11:12,240
a phd

304
00:11:20,870 --> 00:11:16,560
biologist who was hired by billionaires

305
00:11:23,190 --> 00:11:20,880
his uh and he was a uh he is a cancer

306
00:11:25,590 --> 00:11:23,200
research scientist and that's right and

307
00:11:27,829 --> 00:11:25,600
most people in the ufo community have no

308
00:11:30,069 --> 00:11:27,839
idea about that about him

309
00:11:30,949 --> 00:11:30,079
he's very interested very smart guy

310
00:11:32,470 --> 00:11:30,959
yep

311
00:11:35,990 --> 00:11:32,480
very smart guy one of the smartest guys

312
00:11:37,030 --> 00:11:36,000
i've ever met honestly and i and and i i

313
00:11:39,990 --> 00:11:37,040

hang out with

314

00:11:42,069 --> 00:11:40,000

minds

315

00:11:44,470 --> 00:11:42,079

well i also hang out with big babblers

316

00:11:46,470 --> 00:11:44,480

too but

317

00:11:48,470 --> 00:11:46,480

well yeah with me and i don't know where

318

00:11:50,630 --> 00:11:48,480

i fit in that category i hope it's in

319

00:11:52,870 --> 00:11:50,640

between somewhere

320

00:11:55,350 --> 00:11:52,880

colin

321

00:11:57,190 --> 00:11:55,360

call him i don't remember he told me or

322

00:11:59,350 --> 00:11:57,200

i read it someplace

323

00:12:02,310 --> 00:11:59,360

i think he told me

324

00:12:04,069 --> 00:12:02,320

uh i think colin taylor told me

325

00:12:05,750 --> 00:12:04,079

uh and it's it's a blur after world

326

00:12:08,310 --> 00:12:05,760

because i spent so much time studying

327

00:12:11,190 --> 00:12:08,320

robert bigelow and the and the nids

328

00:12:12,870 --> 00:12:11,200

community and and and reading all of uh

329

00:12:15,269 --> 00:12:12,880

cullen's books and

330

00:12:17,590 --> 00:12:15,279

uh you know uh he's written a number

331

00:12:19,350 --> 00:12:17,600

he's written phd papers uh you know he's

332

00:12:22,069 --> 00:12:19,360

a genuine authentic

333

00:12:24,389 --> 00:12:22,079

uh uh research scientist yeah and we

334

00:12:27,110 --> 00:12:24,399

should let we should let the audience

335

00:12:29,190 --> 00:12:27,120

know you were part of

336

00:12:31,910 --> 00:12:29,200

uh that whole uh

337

00:12:33,110 --> 00:12:31,920

ranch scenario at some point right at

338

00:12:34,710 --> 00:12:33,120

some point

339

00:12:42,870 --> 00:12:34,720

but i'm not allowed to talk about it

340

00:12:47,590 --> 00:12:45,030

how i got to know them it's through a

341

00:12:48,870 --> 00:12:47,600

scientist named alan tuff

342

00:12:51,590 --> 00:12:48,880

oh okay

343

00:12:53,829 --> 00:12:51,600

alan tuff was a seti scientist

344

00:12:55,829 --> 00:12:53,839

with the city institute

345

00:12:57,190 --> 00:12:55,839

and uh i was

346

00:12:58,550 --> 00:12:57,200

studying

347

00:13:01,110 --> 00:12:58,560

i was trying to find out who the big

348

00:13:02,949 --> 00:13:01,120

boys were that were doing e.t some et

349

00:13:04,790 --> 00:13:02,959

science because one of the things i

350

00:13:05,670 --> 00:13:04,800

discovered pretty quick when i got into

351

00:13:08,230 --> 00:13:05,680

uh

352

00:13:10,150 --> 00:13:08,240

ufology is that everybody's jacking but

353

00:13:12,069 --> 00:13:10,160

very few people know anything

354

00:13:15,990 --> 00:13:12,079

and yet what's straight what's

355

00:13:19,269 --> 00:13:16,000

interesting about it is is you can go to

356

00:13:20,870 --> 00:13:19,279

virtually any ufo group and they're

357

00:13:23,269 --> 00:13:20,880

selectively they know a lot of

358

00:13:25,110 --> 00:13:23,279

information but individually

359

00:13:27,590 --> 00:13:25,120

uh individually

360

00:13:28,389 --> 00:13:27,600

each person knows a piece of something

361

00:13:31,509 --> 00:13:28,399

but

362

00:13:34,069 --> 00:13:31,519

out of their same mouth will become gobs

363

00:13:36,069 --> 00:13:34,079

of noise gobs of uh you know theories

364

00:13:37,269 --> 00:13:36,079

and speculations but they know a little

365

00:13:39,110 --> 00:13:37,279

piece of something that's actually

366

00:13:41,430 --> 00:13:39,120

accurate information you take them

367

00:13:43,269 --> 00:13:41,440

collectively as a group and the group

368

00:13:45,350 --> 00:13:43,279

knows a lot but individually they don't

369

00:13:47,030 --> 00:13:45,360

know anything just other than little

370

00:13:49,430 --> 00:13:47,040

tiny pieces that's part of the

371

00:13:51,030 --> 00:13:49,440

frustrating thing about ufology exactly

372

00:13:53,350 --> 00:13:51,040

but do you think that is from the

373

00:13:55,190 --> 00:13:53,360

experiencers themselves because yes they

374

00:13:57,189 --> 00:13:55,200

only get little tiny pieces of their

375

00:14:01,430 --> 00:13:57,199

experience right

376

00:14:03,910 --> 00:14:01,440

uh well yeah i think more or less um

377

00:14:06,310 --> 00:14:03,920

it's the problem is is

378

00:14:08,870 --> 00:14:06,320

it it's like hal put off said he says

379

00:14:10,710 --> 00:14:08,880

the big problem is discriminating

380

00:14:14,150 --> 00:14:10,720

the data from the noise the signal from

381

00:14:16,069 --> 00:14:14,160

the noise he's the guy came up with uh

382

00:14:18,870 --> 00:14:16,079

he's the guy who reverse engineered the

383

00:14:21,670 --> 00:14:18,880

soviet union's psychic spying program

384

00:14:23,110 --> 00:14:21,680

which uh engel swan named as

385

00:14:24,470 --> 00:14:23,120

remote viewing

386

00:14:25,590 --> 00:14:24,480

right

387

00:14:27,030 --> 00:14:25,600

once again

388

00:14:29,590 --> 00:14:27,040

anyway by the way the russians didn't

389

00:14:32,230 --> 00:14:29,600

invent it remote viewing is an ancient

390

00:14:33,750 --> 00:14:32,240

mystical art form that's right

391

00:14:35,990 --> 00:14:33,760

you know as long as it goes all the way

392

00:14:37,030 --> 00:14:36,000

back past the egyptians if i remember

393

00:14:39,670 --> 00:14:37,040

correctly

394

00:14:41,590 --> 00:14:39,680

well anybody that's you know we're all

395

00:14:44,949 --> 00:14:41,600

conscious

396

00:14:46,870 --> 00:14:44,959

okay we all can do it every one of us

397

00:14:48,790 --> 00:14:46,880

can do it remote viewings they can't do

398

00:14:52,389 --> 00:14:48,800

it are the ones that have been had their

399

00:14:53,750 --> 00:14:52,399

neurology modified by the reptilians

400

00:14:54,870 --> 00:14:53,760

what

401
00:14:56,629 --> 00:14:54,880

okay now

402
00:14:58,790 --> 00:14:56,639

you just got me on that one what do you

403
00:15:00,470 --> 00:14:58,800

mean their neurology modified i don't

404
00:15:02,389 --> 00:15:00,480

even get that how do you even know about

405
00:15:03,829 --> 00:15:02,399

that

406
00:15:05,590 --> 00:15:03,839

well

407
00:15:07,829 --> 00:15:05,600

yeah

408
00:15:09,829 --> 00:15:07,839

i mean i saw this

409
00:15:10,949 --> 00:15:09,839

i you know it's hard it's hard to

410
00:15:12,790 --> 00:15:10,959

explain

411
00:15:15,189 --> 00:15:12,800

because you know it's that's okay you're

412
00:15:16,949 --> 00:15:15,199

a contact d right oh yeah i'm

413
00:15:19,430 --> 00:15:16,959

experienced okay so if you're an

414

00:15:24,150 --> 00:15:19,440

experiencer you've got a little college

415

00:15:27,350 --> 00:15:24,160

alien craft operating over los angeles

416

00:15:28,310 --> 00:15:27,360

and they what i saw were it looked just

417

00:15:30,629 --> 00:15:28,320

like

418

00:15:32,870 --> 00:15:30,639

uh harvesting machines reminding me of

419

00:15:34,389 --> 00:15:32,880

harvesting machines on a farm

420

00:15:35,990 --> 00:15:34,399

when you're up fairly high and you're

421

00:15:38,069 --> 00:15:36,000

looking down and you see this harvesting

422

00:15:40,389 --> 00:15:38,079

machine there you see the rows of corn

423

00:15:43,110 --> 00:15:40,399

or rows of falva and they've got these

424

00:15:45,990 --> 00:15:43,120

very distinct roads and this machine's

425

00:15:47,829 --> 00:15:46,000

driving between in the the dirt

426

00:15:49,829 --> 00:15:47,839

the dirt roads is what the what's what

427

00:15:52,150 --> 00:15:49,839

the machine drives in

428

00:15:54,310 --> 00:15:52,160

they don't want to drive over the plants

429

00:15:56,150 --> 00:15:54,320

right crush the plants so the wheels go

430

00:15:58,230 --> 00:15:56,160

into the roads that's what why there's

431

00:16:00,949 --> 00:15:58,240

all these roads down there on on in a

432

00:16:03,269 --> 00:16:00,959

farm field they're driving the machines

433

00:16:06,230 --> 00:16:03,279

driving through the roads but they're

434

00:16:09,030 --> 00:16:06,240

spraying and uh they're picking and

435

00:16:11,030 --> 00:16:09,040

they're uh de-weeding and they're uh

436

00:16:12,310 --> 00:16:11,040

they're fertilizing they're watering

437

00:16:15,110 --> 00:16:12,320

they're doing all kinds of things with

438

00:16:17,670 --> 00:16:15,120

the plants these rows and rows and rows

439

00:16:20,790 --> 00:16:17,680

and rows of plants well what i saw were

440

00:16:24,150 --> 00:16:20,800

alien spacecraft flying down the rows

441

00:16:26,550 --> 00:16:24,160

and rows and rows of human streets

442

00:16:27,430 --> 00:16:26,560

and neighborhoods

443

00:16:31,189 --> 00:16:27,440

and

444

00:16:33,430 --> 00:16:31,199

they were huge black triangle craft

445

00:16:35,910 --> 00:16:33,440

jesus okay

446

00:16:37,269 --> 00:16:35,920

they were they were their altitude was

447

00:16:39,910 --> 00:16:37,279

fairly high

448

00:16:41,990 --> 00:16:39,920

but they were also in the yet zero

449

00:16:42,790 --> 00:16:42,000

dimension they were the same thing as uh

450

00:16:45,509 --> 00:16:42,800

and

451

00:16:48,310 --> 00:16:45,519

sanskrit is a a astral plane astral

452

00:16:51,509 --> 00:16:48,320

plane is and and uh yet zero the same

453

00:16:53,189 --> 00:16:51,519

place yet zero's hebrew

454

00:16:53,990 --> 00:16:53,199

and uh

455

00:16:56,550 --> 00:16:54,000

uh

456

00:16:58,710 --> 00:16:56,560

astro sanskrit okay and that's it but

457

00:17:00,870 --> 00:16:58,720

they mean exactly the same thing

458

00:17:02,790 --> 00:17:00,880

and it's the next dimension up in terms

459

00:17:06,150 --> 00:17:02,800

of the one of the four dimensions of

460

00:17:07,909 --> 00:17:06,160

god's mind and where we are right now

461

00:17:10,630 --> 00:17:07,919

listening to this and talking in this is

462

00:17:12,150 --> 00:17:10,640

in the asea which is the world of

463

00:17:14,470 --> 00:17:12,160

of activity

464

00:17:15,909 --> 00:17:14,480

and we're our eyes are open and this is

465

00:17:18,069 --> 00:17:15,919

where our wake

466

00:17:19,350 --> 00:17:18,079

but right anyway so these craft were in

467

00:17:24,150 --> 00:17:19,360

yet zero

468

00:17:26,150 --> 00:17:24,160

and they're they were up their altitude

469

00:17:28,230 --> 00:17:26,160

physical altitude was probably my guess

470

00:17:29,669 --> 00:17:28,240

around fifteen thousand feet

471

00:17:31,270 --> 00:17:29,679

uh maybe

472

00:17:33,590 --> 00:17:31,280

but but they were also in the next

473

00:17:35,750 --> 00:17:33,600

dimension they're up and yet zero

474

00:17:37,190 --> 00:17:35,760

fifteen thousand feet it's a physical

475

00:17:39,750 --> 00:17:37,200

dimension it's just a different

476
00:17:41,510 --> 00:17:39,760
vibrational density yeah yeah i was just

477
00:17:43,350 --> 00:17:41,520
gonna say isn't that where they all hang

478
00:17:46,230 --> 00:17:43,360
out all the time i think they're here

479
00:17:48,390 --> 00:17:46,240
all the time everywhere around yes yeah

480
00:17:51,029 --> 00:17:48,400
that's that's my opinion i believe that

481
00:17:52,630 --> 00:17:51,039
i believe that the alien craft operate

482
00:17:55,590 --> 00:17:52,640
in yet zero

483
00:17:57,430 --> 00:17:55,600
uh because well for one thing it

484
00:17:58,789 --> 00:17:57,440
uses a different type of energy to get

485
00:18:01,590 --> 00:17:58,799
around

486
00:18:03,909 --> 00:18:01,600
two it doesn't require it uh you can't

487
00:18:05,830 --> 00:18:03,919
detect it on radar

488
00:18:07,750 --> 00:18:05,840

military radar can't see it because it's

489

00:18:08,870 --> 00:18:07,760

the next dimension up

490

00:18:11,270 --> 00:18:08,880

uh

491

00:18:12,950 --> 00:18:11,280

they're essentially and and but because

492

00:18:14,390 --> 00:18:12,960

they're up there they can see us they're

493

00:18:15,990 --> 00:18:14,400

totally aware of us

494

00:18:17,590 --> 00:18:16,000

when you're in the next dimension up you

495

00:18:19,350 --> 00:18:17,600

can see the night the the previous

496

00:18:23,909 --> 00:18:19,360

dimension down

497

00:18:25,669 --> 00:18:23,919

really oh yeah i can't see one below us

498

00:18:27,029 --> 00:18:25,679

well because you're not awake right now

499

00:18:29,029 --> 00:18:27,039

in that dimension

500

00:18:30,470 --> 00:18:29,039

we shift back and forth this is part of

501
00:18:32,870 --> 00:18:30,480
the programming

502
00:18:34,230 --> 00:18:32,880
in my opinion we're i believe that we're

503
00:18:35,750 --> 00:18:34,240
neurological we'll get to that in a

504
00:18:37,750 --> 00:18:35,760
minute anyway so they okay go ahead

505
00:18:38,789 --> 00:18:37,760
these craft were were

506
00:18:40,870 --> 00:18:38,799
driving

507
00:18:42,870 --> 00:18:40,880
up and down i saw uh

508
00:18:45,430 --> 00:18:42,880
probably six or seven of these crap

509
00:18:47,270 --> 00:18:45,440
moving like they're like a like

510
00:18:50,710 --> 00:18:47,280
rows of machines

511
00:18:52,870 --> 00:18:50,720
driving down the rows of people's houses

512
00:18:54,310 --> 00:18:52,880
slowly driving and when they would see

513
00:18:56,549 --> 00:18:54,320

one of these houses that would have a

514

00:18:58,549 --> 00:18:56,559

glow around it it was a very kind of a

515

00:19:02,470 --> 00:18:58,559

milky white

516

00:19:04,710 --> 00:19:02,480

not a not unpleasant but it was it was a

517

00:19:06,950 --> 00:19:04,720

a soft white glow

518

00:19:09,190 --> 00:19:06,960

around around the house

519

00:19:10,950 --> 00:19:09,200

and then

520

00:19:13,110 --> 00:19:10,960

using some kind of machine they would

521

00:19:14,950 --> 00:19:13,120

could look right into the house to see

522

00:19:17,430 --> 00:19:14,960

where the glow was coming from and it

523

00:19:19,909 --> 00:19:17,440

was always around people's heads

524

00:19:22,710 --> 00:19:19,919

and the machine would stop the triangle

525

00:19:24,870 --> 00:19:22,720

craft would stop over that house and i

526

00:19:25,669 --> 00:19:24,880

watched a big green

527

00:19:28,950 --> 00:19:25,679

uh

528

00:19:31,510 --> 00:19:28,960

didn't you know when you turn on a laser

529

00:19:32,950 --> 00:19:31,520

beam it's it it's instantaneous it turns

530

00:19:35,909 --> 00:19:32,960

on it's there it's traveled about you

531

00:19:38,070 --> 00:19:35,919

know 286 000 miles per second turn on

532

00:19:40,789 --> 00:19:38,080

right and this one went slower to it and

533

00:19:41,990 --> 00:19:40,799

this went this it descended down like an

534

00:19:43,750 --> 00:19:42,000

elevator

535

00:19:46,230 --> 00:19:43,760

it went down slowly

536

00:19:48,310 --> 00:19:46,240

it it looked like jello it looked like

537

00:19:50,150 --> 00:19:48,320

it was made of solid jello and it was

538

00:19:51,990 --> 00:19:50,160

green it was a pretty green and it came

539

00:19:53,669 --> 00:19:52,000

down like a telescoping antenna and it

540

00:19:55,430 --> 00:19:53,679

came down real slow

541

00:19:57,510 --> 00:19:55,440

down through the dimensions down through

542

00:19:59,350 --> 00:19:57,520

the altitudes passed through the roof of

543

00:20:01,669 --> 00:19:59,360

the house and came to rest right on this

544

00:20:04,310 --> 00:20:01,679

person's forehead

545

00:20:05,510 --> 00:20:04,320

and it hovered there for maybe five or

546

00:20:07,669 --> 00:20:05,520

six minutes

547

00:20:09,510 --> 00:20:07,679

and then it's retracted back up into the

548

00:20:12,150 --> 00:20:09,520

sky into the back into the belly of the

549

00:20:13,830 --> 00:20:12,160

spacecraft whatever it was craft machine

550

00:20:15,909 --> 00:20:13,840

whatever harvesting machine whatever it

551
00:20:18,070 --> 00:20:15,919
is and when it retracted back the globe

552
00:20:18,950 --> 00:20:18,080
was gone from the person's head

553
00:20:21,669 --> 00:20:18,960
now

554
00:20:23,590 --> 00:20:21,679
my guess is it's harvesting my my

555
00:20:25,270 --> 00:20:23,600
original thought

556
00:20:28,390 --> 00:20:25,280
when i saw this is that they were

557
00:20:30,070 --> 00:20:28,400
turning off our psychic senses

558
00:20:31,830 --> 00:20:30,080
that was my original thought that's what

559
00:20:34,149 --> 00:20:31,840
i believed at the time

560
00:20:36,710 --> 00:20:34,159
now i kind of you know my rash my

561
00:20:38,310 --> 00:20:36,720
rationality is kicking in and i'm not no

562
00:20:40,470 --> 00:20:38,320
longer in that hyper state of

563
00:20:42,070 --> 00:20:40,480

consciousness that i was in in that time

564

00:20:44,149 --> 00:20:42,080

period

565

00:20:46,310 --> 00:20:44,159

and i rationally want to believe that

566

00:20:48,070 --> 00:20:46,320

what they're doing is harvesting our psy

567

00:20:50,070 --> 00:20:48,080

energy

568

00:20:52,470 --> 00:20:50,080

that's that's what my rational mind

569

00:20:54,630 --> 00:20:52,480

thinks but at the time psychically i

570

00:20:56,149 --> 00:20:54,640

knew that they were turning off our

571

00:20:58,470 --> 00:20:56,159

psychic senses and what they were doing

572

00:21:01,990 --> 00:20:58,480

is they're constantly tuning us

573

00:21:03,990 --> 00:21:02,000

and the neuro and apparently

574

00:21:06,549 --> 00:21:04,000

they have figured out when i say they

575

00:21:07,510 --> 00:21:06,559

i'm talking about the reptilians

576

00:21:09,350 --> 00:21:07,520

uh

577

00:21:12,149 --> 00:21:09,360

it's a super you know we're talking

578

00:21:14,470 --> 00:21:12,159

about an advanced race that came here

579

00:21:18,390 --> 00:21:14,480

150 000 years ago

580

00:21:20,710 --> 00:21:18,400

they landed our planet they colonized it

581

00:21:22,549 --> 00:21:20,720

it was mostly a water world apparently

582

00:21:24,950 --> 00:21:22,559

and uh i some of that information came

583

00:21:28,870 --> 00:21:24,960

from robert boule's book uh flying

584

00:21:33,590 --> 00:21:32,230

mankind by the way he was a nsa

585

00:21:35,909 --> 00:21:33,600

cryptographer

586

00:21:37,669 --> 00:21:35,919

and a multiple phd science research

587

00:21:39,190 --> 00:21:37,679

scientist and one of his one of the

588

00:21:40,870 --> 00:21:39,200

things that uh

589

00:21:43,350 --> 00:21:40,880

one of his fortes is that he was a

590

00:21:45,190 --> 00:21:43,360

pre-history historian a phd in

591

00:21:47,830 --> 00:21:45,200

pre-history historian

592

00:21:49,510 --> 00:21:47,840

who went out search for humanity and

593

00:21:51,029 --> 00:21:49,520

found the reptilians

594

00:21:52,710 --> 00:21:51,039

okay and wrote a book about it you know

595

00:21:54,390 --> 00:21:52,720

what we're gonna stop right there

596

00:21:57,510 --> 00:21:54,400

because it's time for our first break

597

00:21:59,430 --> 00:21:57,520

but man oh man okay

598

00:22:01,590 --> 00:21:59,440

the first half hour is like i'm sitting

599

00:22:03,909 --> 00:22:01,600

here going oh my god i forgot all about

600

00:22:06,070 --> 00:22:03,919

this part of your story and now i got a

601
00:22:07,750 --> 00:22:06,080
million more new questions so when we

602
00:22:10,549 --> 00:22:07,760
get back folks we're going to talk to

603
00:22:14,950 --> 00:22:10,559
plutonium about the reptilians so we'll

604
00:22:19,350 --> 00:22:17,110
welcome back everyone to the california

605
00:22:21,110 --> 00:22:19,360
mufon radio show i'm your host lauren

606
00:22:23,350 --> 00:22:21,120
fenton and i'm so glad you guys are with

607
00:22:26,710 --> 00:22:23,360
me here tonight my good friend plutonium

608
00:22:27,990 --> 00:22:26,720
is with us yay hear the crowds go wild

609
00:22:29,029 --> 00:22:28,000
for tron

610
00:22:30,870 --> 00:22:29,039
yay

611
00:22:32,870 --> 00:22:30,880
okay and before we get back to tron

612
00:22:35,590 --> 00:22:32,880
though i do have to say you guys have

613
00:22:38,390 --> 00:22:35,600

got to get your irr

614

00:22:40,710 --> 00:22:38,400

insiders club uh membership you got to

615

00:22:42,070 --> 00:22:40,720

get that going because hey you want to

616

00:22:44,070 --> 00:22:42,080

listen to all the shows here at

617

00:22:46,630 --> 00:22:44,080

inception radio network and support them

618

00:22:48,390 --> 00:22:46,640

i know you do it's only about five

619

00:22:50,070 --> 00:22:48,400

i think it's five dollars a month don't

620

00:22:51,990 --> 00:22:50,080

quote me on this guys

621

00:22:53,029 --> 00:22:52,000

i'm looking but i ca let's see where do

622

00:22:55,990 --> 00:22:53,039

i look

623

00:22:58,149 --> 00:22:56,000

yes host chat tube

624

00:22:59,430 --> 00:22:58,159

where is it why do i say oh that's

625

00:23:01,830 --> 00:22:59,440

because the

626

00:23:04,470 --> 00:23:01,840

the site has changed it's up at the very

627

00:23:06,630 --> 00:23:04,480

top now folks it is the fourth button in

628

00:23:08,630 --> 00:23:06,640

from the left at the top

629

00:23:11,430 --> 00:23:08,640

and it says members and that's where you

630

00:23:13,590 --> 00:23:11,440

go you the members button

631

00:23:16,149 --> 00:23:13,600

and let me see here

632

00:23:18,149 --> 00:23:16,159

what's going on why is it that i cannot

633

00:23:20,070 --> 00:23:18,159

get it to open well whatever the case

634

00:23:22,630 --> 00:23:20,080

may be go to the members button click on

635

00:23:24,710 --> 00:23:22,640

it and become a member of the

636

00:23:26,470 --> 00:23:24,720

uh insiders club and get all the shows

637

00:23:29,190 --> 00:23:26,480

here at inception radio network oh it

638

00:23:31,750 --> 00:23:29,200

opened up for me yay it is it's 4.99 a

639

00:23:33,830 --> 00:23:31,760

month and you can become an irn fan club

640

00:23:37,110 --> 00:23:33,840

member for free and listen to all the

641

00:23:39,029 --> 00:23:37,120

archives of my show anytime you'd like

642

00:23:41,669 --> 00:23:39,039

so there you go so you know support

643

00:23:43,830 --> 00:23:41,679

inception radio network get the app it's

644

00:23:45,270 --> 00:23:43,840

great to have it reminds me of my shows

645

00:23:47,590 --> 00:23:45,280

coming up and that i got to get in my

646

00:23:50,149 --> 00:23:47,600

car and boogie on home to do it for you

647

00:23:51,990 --> 00:23:50,159

guys so it'll do the same for you there

648

00:23:53,430 --> 00:23:52,000

you go okay

649

00:23:55,990 --> 00:23:53,440

all right let's get back to my buddy

650

00:23:59,190 --> 00:23:56,000

tron okay tron we were just talking

651
00:24:01,270 --> 00:23:59,200
about um robert brule

652
00:24:04,070 --> 00:24:01,280
and his book about the

653
00:24:05,190 --> 00:24:04,080
demons or the reptilians or the monsters

654
00:24:08,870 --> 00:24:05,200
whatever

655
00:24:10,549 --> 00:24:08,880
they're horrible no i shouldn't say that

656
00:24:12,870 --> 00:24:10,559
well i don't know if i don't know if i

657
00:24:13,750 --> 00:24:12,880
qualify quantify them as being horrible

658
00:24:14,789 --> 00:24:13,760
i mean

659
00:24:16,870 --> 00:24:14,799
uh

660
00:24:19,190 --> 00:24:16,880
if if you look at if you look at the

661
00:24:20,789 --> 00:24:19,200
fact that uh and there's a lot of

662
00:24:23,269 --> 00:24:20,799
evidence to yeah i shouldn't say

663
00:24:25,190 --> 00:24:23,279

evidence it's anecdotal at best

664

00:24:26,870 --> 00:24:25,200

okay i mean that's the problem with

665

00:24:28,710 --> 00:24:26,880

ancient

666

00:24:31,110 --> 00:24:28,720

it it's sort of like an archaeologist

667

00:24:33,750 --> 00:24:31,120

goes out and he he finds a leg bone of

668

00:24:35,750 --> 00:24:33,760

of a of a dinosaur and they draw a

669

00:24:37,510 --> 00:24:35,760

picture of what the dinosaur look like

670

00:24:40,310 --> 00:24:37,520

and they show it with a green hide and

671

00:24:42,390 --> 00:24:40,320

and around oval eyes

672

00:24:44,070 --> 00:24:42,400

what and they did they learned that from

673

00:24:46,470 --> 00:24:44,080

from an ankle bone

674

00:24:48,630 --> 00:24:46,480

right right okay it's anecdotal and then

675

00:24:50,470 --> 00:24:48,640

they find another piece and and and the

676
00:24:52,789 --> 00:24:50,480
in the picture changes a little bit and

677
00:24:55,350 --> 00:24:52,799
eventually they have the entire animal

678
00:24:57,750 --> 00:24:55,360
the entire bone sitting there and it

679
00:24:59,990 --> 00:24:57,760
doesn't look anything like like like the

680
00:25:01,669 --> 00:25:00,000
original animal but they still draw

681
00:25:04,310 --> 00:25:01,679
green with oval eyes and then they find

682
00:25:06,470 --> 00:25:04,320
one that's encased in you know in resin

683
00:25:09,110 --> 00:25:06,480
and it turned out it had bright red

684
00:25:12,310 --> 00:25:09,120
right bright red skin and and goat slit

685
00:25:14,950 --> 00:25:12,320
eyes and uh you know and that's

686
00:25:16,789 --> 00:25:14,960
exactly there's a story that evolved

687
00:25:19,029 --> 00:25:16,799
with it

688
00:25:21,029 --> 00:25:19,039

based on the evidence they and what

689

00:25:23,510 --> 00:25:21,039

however miniscule the evidence is and

690

00:25:25,430 --> 00:25:23,520

they look at the trends of the evidence

691

00:25:28,390 --> 00:25:25,440

well the trends of the evidence is that

692

00:25:30,549 --> 00:25:28,400

reptilians were mean and nasty

693

00:25:32,310 --> 00:25:30,559

the most ancient writings on earth which

694

00:25:34,390 --> 00:25:32,320

is in the upanishads

695

00:25:36,230 --> 00:25:34,400

the rig veda the event bupana sheds and

696

00:25:37,909 --> 00:25:36,240

the rig veda written in sanskrit

697

00:25:41,750 --> 00:25:37,919

incidentally

698

00:25:47,190 --> 00:25:44,470

says that when they weren't

699

00:25:49,029 --> 00:25:47,200

working this to death in the mines

700

00:25:51,190 --> 00:25:49,039

and being their slaves

701
00:25:52,630 --> 00:25:51,200
uh they were fornicating with us and

702
00:25:54,549 --> 00:25:52,640
when they weren't fornicating with us

703
00:25:57,110 --> 00:25:54,559
they were eating us

704
00:26:00,230 --> 00:25:57,120
and they you know we were the you we

705
00:26:02,310 --> 00:26:00,240
we're the ubiquitous universal uh you

706
00:26:04,390 --> 00:26:02,320
know package for the reptilians we were

707
00:26:07,029 --> 00:26:04,400
the all-purpose package there we were

708
00:26:09,029 --> 00:26:07,039
the universal all-powerful package right

709
00:26:11,350 --> 00:26:09,039
we were dinner we were

710
00:26:13,510 --> 00:26:11,360
we we could carry we could carry all the

711
00:26:15,990 --> 00:26:13,520
seasoning in and then they'd eat us with

712
00:26:17,990 --> 00:26:16,000
the seasoning you know i mean

713
00:26:20,230 --> 00:26:18,000

uh jesus and oh god

714

00:26:22,310 --> 00:26:20,240

really hate them we grew to hate them of

715

00:26:24,390 --> 00:26:22,320

course we did i mean really what were

716

00:26:26,390 --> 00:26:24,400

you gonna do but they created us right

717

00:26:28,710 --> 00:26:26,400

but they as best as i can tell they

718

00:26:29,909 --> 00:26:28,720

created us in the in in the garden of

719

00:26:31,909 --> 00:26:29,919

eden

720

00:26:33,830 --> 00:26:31,919

and uh you know and this is counter to

721

00:26:34,630 --> 00:26:33,840

everything that the religious all talk

722

00:26:37,029 --> 00:26:34,640

about

723

00:26:39,669 --> 00:26:37,039

uh they you know

724

00:26:42,470 --> 00:26:39,679

they're going on these ancient texts and

725

00:26:44,710 --> 00:26:42,480

their current transliterations of what

726

00:26:47,430 --> 00:26:44,720

the text meant

727

00:26:50,549 --> 00:26:47,440

you know today when you you know prior

728

00:26:52,390 --> 00:26:50,559

to the 1980s and 1960s when you said far

729

00:26:55,350 --> 00:26:52,400

out it meant way out there

730

00:26:57,669 --> 00:26:55,360

okay today it means oh cool far out you

731

00:27:00,630 --> 00:26:57,679

know it has a different historic meaning

732

00:27:03,269 --> 00:27:00,640

and that's the way words words and ideas

733

00:27:04,710 --> 00:27:03,279

change with the evolution of our brains

734

00:27:06,630 --> 00:27:04,720

change

735

00:27:10,070 --> 00:27:06,640

throughout the thousands of years that

736

00:27:13,430 --> 00:27:10,080

humanity has existed our ideas change

737

00:27:15,430 --> 00:27:13,440

and so when we write words and texts

738

00:27:18,390 --> 00:27:15,440

from that time period it has a different

739

00:27:21,590 --> 00:27:18,400

meaning then than it might have today

740

00:27:23,029 --> 00:27:21,600

and so you know the religious they don't

741

00:27:24,950 --> 00:27:23,039

know any more about what's going on than

742

00:27:26,310 --> 00:27:24,960

anybody else but i can tell it's my

743

00:27:28,950 --> 00:27:26,320

opinion

744

00:27:30,950 --> 00:27:28,960

that the reptilians made us

745

00:27:32,549 --> 00:27:30,960

and that they use us and they still use

746

00:27:33,430 --> 00:27:32,559

us for something

747

00:27:34,789 --> 00:27:33,440

and

748

00:27:36,630 --> 00:27:34,799

the reason why they don't make over

749

00:27:38,070 --> 00:27:36,640

contact with us is because they don't

750

00:27:39,510 --> 00:27:38,080

consider us to be

751
00:27:41,110 --> 00:27:39,520
first of all they don't want us to be

752
00:27:45,990 --> 00:27:41,120
equals

753
00:27:48,230 --> 00:27:46,000
best as i can tell they have a different

754
00:27:49,830 --> 00:27:48,240
tree of life than what we have and and

755
00:27:51,430 --> 00:27:49,840
by the way my

756
00:27:53,350 --> 00:27:51,440
my kabbalah teacher thinks that's

757
00:27:55,669 --> 00:27:53,360
poppycock

758
00:27:58,149 --> 00:27:55,679
uh he wait wait the cabala teacher

759
00:28:00,389 --> 00:27:58,159
thinks what's poppycock that they have a

760
00:28:03,430 --> 00:28:00,399
different tree of life than we do

761
00:28:08,230 --> 00:28:05,350
the tree of life that i've that i

762
00:28:09,430 --> 00:28:08,240
understand that they have has 22 saphir

763
00:28:11,510 --> 00:28:09,440

in it

764

00:28:13,350 --> 00:28:11,520
and the human tree of life has 10

765

00:28:16,070 --> 00:28:13,360
saphira in it

766

00:28:18,070 --> 00:28:16,080
and he says indeed and and

767

00:28:19,990 --> 00:28:18,080
and my teacher says that

768

00:28:22,389 --> 00:28:20,000
all tree of life everywhere in the

769

00:28:23,230 --> 00:28:22,399
universe had 10 saphir in it

770

00:28:24,549 --> 00:28:23,240
but you know

771

00:28:26,870 --> 00:28:24,559
[Music]

772

00:28:30,149 --> 00:28:26,880
there was a stella

773

00:28:31,430 --> 00:28:30,159
uh in iraq that was hit by a cruise

774

00:28:33,350 --> 00:28:31,440
missile attack an american cruise

775

00:28:36,470 --> 00:28:33,360
missile attack okay what what is this

776

00:28:41,110 --> 00:28:36,480

stella is that a holy uh mosque or

777

00:28:44,950 --> 00:28:41,120

something well it's a it was a it was a

778

00:28:48,070 --> 00:28:44,960

a stone wall with carving on it

779

00:28:50,789 --> 00:28:48,080

oh okay gotcha yeah okay and this

780

00:28:52,950 --> 00:28:50,799

particular stone wall had an annunaki

781

00:28:56,230 --> 00:28:52,960

standing on either side

782

00:28:57,590 --> 00:28:56,240

of a 22 sephirah tree of life

783

00:29:00,389 --> 00:28:57,600

interesting

784

00:29:02,549 --> 00:29:00,399

and they were standing there and this is

785

00:29:04,389 --> 00:29:02,559

in ancient iraq

786

00:29:07,510 --> 00:29:04,399

uh which is pretty close to the

787

00:29:10,149 --> 00:29:07,520

birthplace of where humanity was created

788

00:29:12,149 --> 00:29:10,159

uh as best as the evidence as best as

789

00:29:14,950 --> 00:29:12,159

you anybody can determine and i'm

790

00:29:17,430 --> 00:29:14,960

talking about scholars scholars that all

791

00:29:19,350 --> 00:29:17,440

roads lead back to sumer man all the

792

00:29:20,789 --> 00:29:19,360

roads lead back to sumer

793

00:29:23,830 --> 00:29:20,799

and um

794

00:29:26,389 --> 00:29:23,840

this tree this this stella shows these

795

00:29:29,029 --> 00:29:26,399

two bird-like beings stan one standing

796

00:29:31,830 --> 00:29:29,039

on either side one has a stitula

797

00:29:34,149 --> 00:29:31,840

uh which they call the stichel of life

798

00:29:35,430 --> 00:29:34,159

and water of life and it was the it was

799

00:29:38,149 --> 00:29:35,440

a symbol

800

00:29:39,750 --> 00:29:38,159

of uh immortality

801
00:29:41,590 --> 00:29:39,760
and the

802
00:29:44,310 --> 00:29:41,600
these two anunnakis are standing on

803
00:29:45,909 --> 00:29:44,320
either side of this tree of life and

804
00:29:47,430 --> 00:29:45,919
one of the things that irritated me

805
00:29:49,430 --> 00:29:47,440
about robert bellay and unfortunately i

806
00:29:52,310 --> 00:29:49,440
never had the opportunity to to talk to

807
00:29:54,710 --> 00:29:52,320
him i did try uh tracking him down but

808
00:29:56,549 --> 00:29:54,720
by the time i read his book and was

809
00:29:59,110 --> 00:29:56,559
trying to track him down he was he'd

810
00:30:01,110 --> 00:29:59,120
already had a form of dementia and then

811
00:30:02,950 --> 00:30:01,120
a year later he passed away so i never

812
00:30:05,669 --> 00:30:02,960
had a chance to chat with him

813
00:30:09,190 --> 00:30:05,679

the thing i saw that he was making

814

00:30:11,590 --> 00:30:09,200

certain i believe to be uh

815

00:30:13,590 --> 00:30:11,600

academic mistakes

816

00:30:16,230 --> 00:30:13,600

uh was that he did not seem to

817

00:30:18,389 --> 00:30:16,240

understand that there's a spiritual or a

818

00:30:20,789 --> 00:30:18,399

quanzi spiritual side to the

819

00:30:22,950 --> 00:30:20,799

understanding of how the tree of life

820

00:30:24,549 --> 00:30:22,960

works the tree of life is a spiritual

821

00:30:25,590 --> 00:30:24,559

object they're without a question of

822

00:30:26,710 --> 00:30:25,600

doubt

823

00:30:29,269 --> 00:30:26,720

but

824

00:30:30,870 --> 00:30:29,279

it shows the it's the it's the roadmap

825

00:30:34,230 --> 00:30:30,880

of consciousness

826

00:30:35,830 --> 00:30:34,240

were showing in that stella wasn't a

827

00:30:38,789 --> 00:30:35,840

human tree of life but it was at the

828

00:30:39,590 --> 00:30:38,799

reptilian tree of life

829

00:30:42,710 --> 00:30:39,600

and that

830

00:30:46,070 --> 00:30:42,720

these sephirah

831

00:30:48,710 --> 00:30:46,080

is where our our consciousness are

832

00:30:51,350 --> 00:30:48,720

operate out of these sephirah and these

833

00:30:53,990 --> 00:30:51,360

each one is a station of consciousness

834

00:30:56,950 --> 00:30:54,000

uh in the human uh tree of life we have

835

00:31:00,549 --> 00:30:56,960

ten sapira and the and they literally

836

00:31:01,830 --> 00:31:00,559

appear as as glowing balls uh colored

837

00:31:05,110 --> 00:31:01,840

balls

838

00:31:08,389 --> 00:31:05,120

and uh in the eastern vedic tradition

839

00:31:11,669 --> 00:31:08,399

uh they see this uh morphic icon as

840

00:31:14,070 --> 00:31:11,679

being a vertical uh flat tree with the

841

00:31:16,070 --> 00:31:14,080

saphira

842

00:31:18,070 --> 00:31:16,080

they call them chakras and they're

843

00:31:20,310 --> 00:31:18,080

straight up and down in line but

844

00:31:22,710 --> 00:31:20,320

basically it's the same it's a different

845

00:31:24,470 --> 00:31:22,720

tradition taught a different way

846

00:31:27,909 --> 00:31:24,480

and you got to remember the tree of life

847

00:31:30,830 --> 00:31:27,919

is is is nothing more than a uh it's a

848

00:31:33,590 --> 00:31:30,840

metaphor for something that happens

849

00:31:35,669 --> 00:31:33,600

spiritually great and it it may not

850

00:31:37,990 --> 00:31:35,679

physically look like a tree of life it

851

00:31:40,470 --> 00:31:38,000

may just be vibrational patterns in in

852

00:31:43,110 --> 00:31:40,480

brain cells i don't know where it exists

853

00:31:45,509 --> 00:31:43,120

like i i suspect that it's got something

854

00:31:47,590 --> 00:31:45,519

to do with the vibration the you know

855

00:31:49,029 --> 00:31:47,600

the wavelet transforms that are taking

856

00:31:51,350 --> 00:31:49,039

place in the quasi-oppositional

857

00:31:52,630 --> 00:31:51,360

processing of our hemispheres

858

00:31:54,070 --> 00:31:52,640

but

859

00:31:56,549 --> 00:31:54,080

um

860

00:32:00,310 --> 00:31:58,789

anyway the 22 sephirah

861

00:32:03,269 --> 00:32:00,320

are these different stations of

862

00:32:05,430 --> 00:32:03,279

consciousness in the human tree of life

863

00:32:07,029 --> 00:32:05,440

cats and dogs birds and everything else

864

00:32:08,870 --> 00:32:07,039

have these tens of fear because it's

865

00:32:09,909 --> 00:32:08,880

plugged into the soul matrix of mother

866

00:32:12,789 --> 00:32:09,919

earth

867

00:32:15,269 --> 00:32:12,799

uh these saphira

868

00:32:17,430 --> 00:32:15,279

are our drive our love our ability to

869

00:32:20,230 --> 00:32:17,440

emote and it follows the astrology very

870

00:32:22,870 --> 00:32:20,240

closely the the ten planets if you if

871

00:32:25,110 --> 00:32:22,880

you follow how the uh planets work the

872

00:32:26,549 --> 00:32:25,120

energies of the in astrology

873

00:32:27,509 --> 00:32:26,559

um

874

00:32:30,630 --> 00:32:27,519

so

875

00:32:33,669 --> 00:32:30,640

these are the way we function if you

876

00:32:36,710 --> 00:32:33,679

take and divide humanity uh or a

877

00:32:39,830 --> 00:32:36,720

person's behavior up into

878

00:32:41,110 --> 00:32:39,840

functions one will be the ability to get

879

00:32:44,070 --> 00:32:41,120

angry and

880

00:32:46,549 --> 00:32:44,080

emote uh you know the drive that the sex

881

00:32:49,750 --> 00:32:46,559

drive the critical nature that's that's

882

00:32:51,909 --> 00:32:49,760

that's gabra that says safire gabra and

883

00:32:53,269 --> 00:32:51,919

it's red and it's represented by the

884

00:32:56,630 --> 00:32:53,279

mars symbol

885

00:32:57,990 --> 00:32:56,640

uh where ability to express mercy and

886

00:33:00,549 --> 00:32:58,000

love and

887

00:33:03,509 --> 00:33:00,559

and and kindness well that's nutsac

888

00:33:05,990 --> 00:33:03,519

that's hebrew netsec for the for the uh

889

00:33:07,110 --> 00:33:06,000

for the mercy sephirah

890

00:33:09,750 --> 00:33:07,120

uh

891

00:33:11,590 --> 00:33:09,760

and so each one of our stations of

892

00:33:14,070 --> 00:33:11,600

stations of consciousness represents a

893

00:33:16,950 --> 00:33:14,080

different aspect of how we function as

894

00:33:19,029 --> 00:33:16,960

living conscious being well we've we're

895

00:33:22,710 --> 00:33:19,039

limited to 10.

896

00:33:23,909 --> 00:33:22,720

the reptilians have 22

897

00:33:25,909 --> 00:33:23,919

it doesn't mean that they're more

898

00:33:27,750 --> 00:33:25,919

advanced than us not necessarily but it

899

00:33:29,269 --> 00:33:27,760

does mean that they think and behave in

900

00:33:31,190 --> 00:33:29,279

ways that are beyond our ability to

901

00:33:32,870 --> 00:33:31,200

perceive and understand

902

00:33:34,870 --> 00:33:32,880

well i was just going to say i think

903

00:33:36,310 --> 00:33:34,880

this all has to do with the like you're

904

00:33:37,830 --> 00:33:36,320

talking about neural pathways in the

905

00:33:39,990 --> 00:33:37,840

brain i think it's even much more

906

00:33:42,789 --> 00:33:40,000

complex than that i think it's between

907

00:33:44,630 --> 00:33:42,799

the dna structure our endocrine system

908

00:33:46,710 --> 00:33:44,640

and our neural pathways in our brain i

909

00:33:48,470 --> 00:33:46,720

think that's the mechanism that causes

910

00:33:51,590 --> 00:33:48,480

it to replicate

911

00:33:53,669 --> 00:33:51,600

exactly exactly so my point to all this

912

00:33:56,310 --> 00:33:53,679

is maybe the difference is

913

00:33:58,710 --> 00:33:56,320

the difference is the rna and the dna

914

00:34:02,710 --> 00:33:58,720

does not create the tree of life the

915

00:34:04,950 --> 00:34:02,720

tree of life creates the dna and the rna

916

00:34:08,230 --> 00:34:04,960

oh now that's interesting so

917

00:34:10,550 --> 00:34:08,240

it has to be in it's a closed state

918

00:34:12,389 --> 00:34:10,560

it's a closed-loop state machine

919

00:34:14,710 --> 00:34:12,399

well and here's something else for you

920

00:34:17,030 --> 00:34:14,720

you know my theory is that our dna was

921

00:34:19,349 --> 00:34:17,040

snipped in half that our dna when they

922

00:34:21,669 --> 00:34:19,359

talk about the helix which i i hear

923

00:34:24,310 --> 00:34:21,679

recently that it isn't exactly a

924

00:34:27,589 --> 00:34:24,320

straight line of dna that it's a bundle

925

00:34:29,510 --> 00:34:27,599

of dna i still think it was snipped i

926
00:34:32,230 --> 00:34:29,520
think that it was all connected at one

927
00:34:33,669 --> 00:34:32,240
point and in a closed structure like

928
00:34:35,990 --> 00:34:33,679
you're talking about

929
00:34:36,629 --> 00:34:36,000
and that the way to kill us was to cut

930
00:34:39,030 --> 00:34:36,639
it

931
00:34:41,270 --> 00:34:39,040
so that our telomeres can shorten and if

932
00:34:43,109 --> 00:34:41,280
you have a perpetual circle going on in

933
00:34:45,190 --> 00:34:43,119
perpetual life

934
00:34:47,109 --> 00:34:45,200
it would have to have a closed system

935
00:34:48,470 --> 00:34:47,119
now we have an open system and things

936
00:34:50,710 --> 00:34:48,480
can die

937
00:34:52,389 --> 00:34:50,720
and anyhow that's just my take on it

938
00:34:54,629 --> 00:34:52,399

that's why i think it was happening i

939

00:34:56,230 --> 00:34:54,639

think that's what they did to us so that

940

00:34:57,589 --> 00:34:56,240

we do die

941

00:34:58,630 --> 00:34:57,599

well i think that is the one i

942

00:35:05,430 --> 00:34:58,640

understand

943

00:35:08,630 --> 00:35:05,440

inky inky was a uh was a was a dragon

944

00:35:10,470 --> 00:35:08,640

okay he was a quad he was a quadruped

945

00:35:12,710 --> 00:35:10,480

biped dragon

946

00:35:14,310 --> 00:35:12,720

and i have a statue of him in my in my

947

00:35:17,190 --> 00:35:14,320

living room

948

00:35:18,069 --> 00:35:17,200

and uh he was according to the ancient

949

00:35:20,150 --> 00:35:18,079

uh

950

00:35:21,990 --> 00:35:20,160

writings in sanskrit

951
00:35:25,829 --> 00:35:22,000
uh his sister

952
00:35:28,630 --> 00:35:25,839
uh and i think her name is ninh hersag

953
00:35:32,550 --> 00:35:28,640
was tasked with was tasked with creating

954
00:35:34,390 --> 00:35:32,560
humans and and she was unsuccessful she

955
00:35:36,870 --> 00:35:34,400
kept trying and kept trying and she was

956
00:35:39,349 --> 00:35:36,880
unable to do so and the reason for this

957
00:35:41,589 --> 00:35:39,359
when i was when i was communicating with

958
00:35:46,630 --> 00:35:41,599
the gray

959
00:35:46,640 --> 00:35:50,390
in the beginning

960
00:35:55,510 --> 00:35:52,310
well back up for a minute most of the

961
00:35:58,470 --> 00:35:55,520
worlds be because of the way worlds

962
00:36:00,870 --> 00:35:58,480
are created in the universe

963
00:36:03,430 --> 00:36:00,880

okay we're talking about planets

964

00:36:05,190 --> 00:36:03,440

and the genesis of how planets come into

965

00:36:07,030 --> 00:36:05,200

existence

966

00:36:09,910 --> 00:36:07,040

there's a there's a

967

00:36:11,349 --> 00:36:09,920

a process that takes place the same way

968

00:36:13,270 --> 00:36:11,359

every time it's

969

00:36:15,510 --> 00:36:13,280

not exactly the same way because nothing

970

00:36:18,710 --> 00:36:15,520

is set in stone in the way things happen

971

00:36:20,950 --> 00:36:18,720

in nature and chaos seems to be the body

972

00:36:23,349 --> 00:36:20,960

seems to be the driving force

973

00:36:24,150 --> 00:36:23,359

which means total randomness

974

00:36:27,190 --> 00:36:24,160

but

975

00:36:29,750 --> 00:36:27,200

the propensity of worlds seem to

976

00:36:31,510 --> 00:36:29,760

be created in a specific way

977

00:36:34,230 --> 00:36:31,520

the everything that you see touch

978

00:36:35,990 --> 00:36:34,240

feeling do on this planet

979

00:36:39,190 --> 00:36:36,000

all the matter the the rings on your

980

00:36:41,190 --> 00:36:39,200

hand the hairs on your head the dna in

981

00:36:42,630 --> 00:36:41,200

your in your bloodstream

982

00:36:44,390 --> 00:36:42,640

uh

983

00:36:46,550 --> 00:36:44,400

all of that came out of the fusion

984

00:36:48,630 --> 00:36:46,560

reactors of the sun

985

00:36:50,950 --> 00:36:48,640

of our sun and if you want to and the

986

00:36:53,829 --> 00:36:50,960

ancient egyptians thought of our sun as

987

00:36:56,630 --> 00:36:53,839

being raw the god of our solar system

988

00:36:59,750 --> 00:36:56,640

the life giver of our solar system

989

00:37:02,550 --> 00:36:59,760

but the fusion reactors spewed out

990

00:37:04,630 --> 00:37:02,560

all of the matter that our planet is

991

00:37:07,270 --> 00:37:04,640

made from and we are made of the we're

992

00:37:09,430 --> 00:37:07,280

made entirely our physicality exists

993

00:37:11,670 --> 00:37:09,440

completely out of the matter of our

994

00:37:12,630 --> 00:37:11,680

planet but because of the way planets

995

00:37:15,270 --> 00:37:12,640

form

996

00:37:18,950 --> 00:37:15,280

when suns become active and start

997

00:37:20,790 --> 00:37:18,960

spewing out uh planetary stuff

998

00:37:23,270 --> 00:37:20,800

you know the clouds

999

00:37:25,430 --> 00:37:23,280

and and the clouds coalesce and they

1000

00:37:28,390 --> 00:37:25,440

start clinging together and eventually

1001
00:37:31,510 --> 00:37:28,400
with time they because they're in space

1002
00:37:33,750 --> 00:37:31,520
and mass creates gravity and gravity so

1003
00:37:35,750 --> 00:37:33,760
the larger the cloud

1004
00:37:38,870 --> 00:37:35,760
uh clinging together the larger the

1005
00:37:40,790 --> 00:37:38,880
gravity in that area and the more dense

1006
00:37:42,790 --> 00:37:40,800
it becomes because it starts attracting

1007
00:37:45,589 --> 00:37:42,800
more matter and more mass and more

1008
00:37:47,190 --> 00:37:45,599
clouds to it until finally the there's a

1009
00:37:49,030 --> 00:37:47,200
glob

1010
00:37:50,390 --> 00:37:49,040
of

1011
00:37:52,069 --> 00:37:50,400
star stuff

1012
00:37:54,870 --> 00:37:52,079
sitting there and

1013
00:37:56,950 --> 00:37:54,880

and it's because it's being spewed out

1014

00:37:59,829 --> 00:37:56,960

with force away from the sun but the

1015

00:38:02,790 --> 00:37:59,839

gravity of the sun keeps pulling it back

1016

00:38:05,190 --> 00:38:02,800

it starts rotating around the sun

1017

00:38:07,030 --> 00:38:05,200

that's what creates the orbits

1018

00:38:09,510 --> 00:38:07,040

and the process of the orbits inside of

1019

00:38:11,510 --> 00:38:09,520

the gravity is what causes the the the

1020

00:38:13,829 --> 00:38:11,520

the star stuff the

1021

00:38:15,589 --> 00:38:13,839

planetary star stuff just to start

1022

00:38:18,150 --> 00:38:15,599

swirling and it makes a

1023

00:38:20,630 --> 00:38:18,160

circular ball and this by the way if you

1024

00:38:21,510 --> 00:38:20,640

want to see this effect you take molten

1025

00:38:24,150 --> 00:38:21,520

lead

1026
00:38:26,390 --> 00:38:24,160
and you take it up a 30 40 feet and drop

1027
00:38:27,750 --> 00:38:26,400
it into a bucket of water at the bottom

1028
00:38:30,470 --> 00:38:27,760
and this is how they used to make the

1029
00:38:32,150 --> 00:38:30,480
shot during the civil war for i was just

1030
00:38:33,510 --> 00:38:32,160
going to say i think i've heard this

1031
00:38:35,349 --> 00:38:33,520
before

1032
00:38:38,470 --> 00:38:35,359
and that's what happens you drop a ball

1033
00:38:40,390 --> 00:38:38,480
a molten take a cup or a spoon take a

1034
00:38:43,270 --> 00:38:40,400
spoon of molten lead and drop it and

1035
00:38:45,190 --> 00:38:43,280
what it does is it it's it the gravity

1036
00:38:46,870 --> 00:38:45,200
and the action of it falling down turns

1037
00:38:49,270 --> 00:38:46,880
it into a ball and it lands in the water

1038
00:38:50,950 --> 00:38:49,280

and you've got a round ball down there

1039

00:38:53,910 --> 00:38:50,960

right that's how it's affirmative didn't

1040

00:38:55,990 --> 00:38:53,920

they come up with those lead um molds

1041

00:38:57,750 --> 00:38:56,000

that used to well they all that's that's

1042

00:38:59,990 --> 00:38:57,760

when they discovered that if you put

1043

00:39:02,710 --> 00:39:00,000

rifling in the barrels and if you do

1044

00:39:04,950 --> 00:39:02,720

spinning make to make the bullet spin

1045

00:39:07,270 --> 00:39:04,960

uh take change and it turns out a ball

1046

00:39:10,630 --> 00:39:07,280

is up is not a very good aerodynamic

1047

00:39:13,190 --> 00:39:10,640

body but by putting a point on one end

1048

00:39:15,829 --> 00:39:13,200

and making it sl you know make it into a

1049

00:39:17,670 --> 00:39:15,839

cylinder a tapered cylinder and then you

1050

00:39:19,510 --> 00:39:17,680

put rifling and the purpose of the

1051
00:39:21,670 --> 00:39:19,520
rifling is to make it spin it makes it

1052
00:39:23,430 --> 00:39:21,680
spin stabilize that's why our spacecraft

1053
00:39:25,829 --> 00:39:23,440
when we launch our spacecraft all of

1054
00:39:28,390 --> 00:39:25,839
them are spinning it's just cause it's

1055
00:39:30,790 --> 00:39:28,400
to make the platform stable to get rid

1056
00:39:36,790 --> 00:39:30,800
of the wobble the spin stabilization

1057
00:39:39,510 --> 00:39:37,910
when

1058
00:39:41,109 --> 00:39:39,520
ninh hersag

1059
00:39:42,710 --> 00:39:41,119
all these planets

1060
00:39:44,470 --> 00:39:42,720
in the universe

1061
00:39:46,069 --> 00:39:44,480
and then or i should say the universe

1062
00:39:48,470 --> 00:39:46,079
let's say the galaxy our galaxy the

1063
00:39:50,710 --> 00:39:48,480

milky way galaxy that's really the only

1064

00:39:52,630 --> 00:39:50,720

galaxy we really know anything about

1065

00:39:57,589 --> 00:39:52,640

because we we're in it and we can sort

1066

00:40:03,829 --> 00:40:00,470

these planets all basically form and

1067

00:40:06,069 --> 00:40:03,839

create the same kinds of conditions

1068

00:40:07,910 --> 00:40:06,079

the first beings the first life forms

1069

00:40:09,670 --> 00:40:07,920

that grow up on these planets are almost

1070

00:40:11,430 --> 00:40:09,680

always reptilian

1071

00:40:13,589 --> 00:40:11,440

almost always lizards

1072

00:40:17,030 --> 00:40:13,599

yep that's okay so that's what the

1073

00:40:18,950 --> 00:40:17,040

plajarons have told many a person

1074

00:40:20,550 --> 00:40:18,960

right did you know that they told cindy

1075

00:40:21,910 --> 00:40:20,560

oh by the way you know cindy crawford

1076

00:40:23,270 --> 00:40:21,920

died i i mentioned that beginning the

1077

00:40:24,870 --> 00:40:23,280

show yeah i heard that

1078

00:40:25,750 --> 00:40:24,880

yeah sad

1079

00:40:28,870 --> 00:40:25,760

yeah

1080

00:40:31,510 --> 00:40:28,880

you bet

1081

00:40:33,750 --> 00:40:31,520

you could see and she was and she was uh

1082

00:40:35,430 --> 00:40:33,760

her problem was that her reptilian you

1083

00:40:36,550 --> 00:40:35,440

know she could see her reptilian too

1084

00:40:38,790 --> 00:40:36,560

closely

1085

00:40:40,710 --> 00:40:38,800

oh you bet her reptilian would pop in

1086

00:40:43,910 --> 00:40:40,720

and out all the time

1087

00:40:45,670 --> 00:40:43,920

yeah you know they did try nicely

1088

00:40:47,030 --> 00:40:45,680

in her backyard they tried to kill her

1089

00:40:49,750 --> 00:40:47,040

one night

1090

00:40:51,270 --> 00:40:49,760

yeah that's another story for another

1091

00:40:53,910 --> 00:40:51,280

there's there's something of a mystery

1092

00:40:56,470 --> 00:40:53,920

in that um i'll get to that in a minute

1093

00:40:58,150 --> 00:40:56,480

the point about the reptilian and when i

1094

00:41:00,390 --> 00:40:58,160

talk about reptilians in this form i'm

1095

00:41:02,150 --> 00:41:00,400

talking about like lizards and dinosaurs

1096

00:41:04,710 --> 00:41:02,160

and salamanders and

1097

00:41:07,109 --> 00:41:04,720

birds and you know that's that's the

1098

00:41:09,190 --> 00:41:07,119

that's the dominant life forms that were

1099

00:41:11,030 --> 00:41:09,200

on this planet one time and the reason

1100

00:41:14,069 --> 00:41:11,040

why mammals are here

1101

00:41:17,510 --> 00:41:14,079

uh was because of an asteroid and the

1102

00:41:20,150 --> 00:41:17,520

gray told me that it was this asteroid

1103

00:41:22,390 --> 00:41:20,160

that caused the problem for ninh herzeg

1104

00:41:24,470 --> 00:41:22,400

when she was trying to create the slaves

1105

00:41:25,270 --> 00:41:24,480

for the for their minds

1106

00:41:28,069 --> 00:41:25,280

uh

1107

00:41:30,390 --> 00:41:28,079

that consumer was because she had never

1108

00:41:31,910 --> 00:41:30,400

worked with a mammal

1109

00:41:34,309 --> 00:41:31,920

they always worked with they always

1110

00:41:37,829 --> 00:41:34,319

worked with reptilians they always had

1111

00:41:40,230 --> 00:41:37,839

they always had reptile uh genes to work

1112

00:41:42,150 --> 00:41:40,240

with every every world they came to the

1113

00:41:43,910 --> 00:41:42,160

dominant life forms on those planets

1114

00:41:46,150 --> 00:41:43,920

were all reptilian or all you know

1115

00:41:49,430 --> 00:41:46,160

lizards you know eating bugs and you

1116

00:41:51,030 --> 00:41:49,440

know they're a lower life form uh uh

1117

00:41:52,390 --> 00:41:51,040

animals they weren't they weren't

1118

00:41:53,829 --> 00:41:52,400

intelligent they weren't driving around

1119

00:41:55,750 --> 00:41:53,839

in cars they didn't make airplanes they

1120

00:41:57,829 --> 00:41:55,760

weren't doing radio they they weren't

1121

00:42:00,069 --> 00:41:57,839

doing spiritual things they were they

1122

00:42:01,190 --> 00:42:00,079

didn't have language yet uh unless you

1123

00:42:03,910 --> 00:42:01,200

call

1124

00:42:06,550 --> 00:42:03,920

a language uh you know they were they

1125

00:42:09,430 --> 00:42:06,560

were lower life form reptilians but

1126
00:42:11,589 --> 00:42:09,440
every planet in the galaxy when it forms

1127
00:42:13,990 --> 00:42:11,599
that's the life form that is on top of

1128
00:42:17,510 --> 00:42:14,000
the food chain so when the rip when when

1129
00:42:20,069 --> 00:42:17,520
the dragons landed on earth

1130
00:42:22,150 --> 00:42:20,079
and they started trying to cross the dna

1131
00:42:24,630 --> 00:42:22,160
to make to make the

1132
00:42:26,790 --> 00:42:24,640
slaves with their for their world

1133
00:42:29,829 --> 00:42:26,800
ninh hersag was failing because she was

1134
00:42:30,630 --> 00:42:29,839
used to working only with reptiles and

1135
00:42:38,390 --> 00:42:30,640
the

1136
00:42:41,109 --> 00:42:38,400
not reptilian it was a red-faced baboon

1137
00:42:44,630 --> 00:42:41,119
and it was a battle and you know

1138
00:42:47,270 --> 00:42:44,640

yeah inky came along her brother

1139

00:42:49,270 --> 00:42:47,280

and he was a some kind of a technologist

1140

00:42:52,069 --> 00:42:49,280

and according to the rig veda

1141

00:42:53,829 --> 00:42:52,079

he's the one that successfully made the

1142

00:42:57,589 --> 00:42:53,839

first humans

1143

00:42:59,750 --> 00:42:57,599

they didn't they

1144

00:43:02,550 --> 00:42:59,760

they had neither sex

1145

00:43:05,270 --> 00:43:02,560

that's very interesting now uh how did

1146

00:43:07,750 --> 00:43:05,280

you figure out that they were all

1147

00:43:09,430 --> 00:43:07,760

one sex first of all it's

1148

00:43:11,430 --> 00:43:09,440

first of all it's it's in the ancient

1149

00:43:12,950 --> 00:43:11,440

writings secondly i learned this in the

1150

00:43:13,990 --> 00:43:12,960

rosicrucian order

1151

00:43:16,309 --> 00:43:14,000

this is

1152

00:43:18,950 --> 00:43:16,319

this taught in the temple monographs so

1153

00:43:20,790 --> 00:43:18,960

it isn't just yeah it isn't just that uh

1154

00:43:23,030 --> 00:43:20,800

you know they made man and then took a

1155

00:43:25,270 --> 00:43:23,040

rib to make a female type of thing no no

1156

00:43:27,589 --> 00:43:25,280

no no no that's all that's all that's

1157

00:43:29,430 --> 00:43:27,599

all you know horsepecky

1158

00:43:31,270 --> 00:43:29,440

yeah i don't know

1159

00:43:33,270 --> 00:43:31,280

maybe it was maybe it was maybe it was

1160

00:43:35,829 --> 00:43:33,280

in the text it was mistranslated i don't

1161

00:43:37,430 --> 00:43:35,839

know i i'm not read the actual text in

1162

00:43:39,670 --> 00:43:37,440

the ancient sanskrit i can't read

1163

00:43:41,829 --> 00:43:39,680

sanskrit i am studying hebrew so i can

1164

00:43:43,589 --> 00:43:41,839

read the ancient languages very hard

1165

00:43:46,150 --> 00:43:43,599

it's very it's very tough going i have

1166

00:43:48,230 --> 00:43:46,160

to tell you yeah yeah i'm not making

1167

00:43:49,990 --> 00:43:48,240

good progress unfortunately

1168

00:43:51,990 --> 00:43:50,000

but i

1169

00:43:54,309 --> 00:43:52,000

there's interesting insights coming out

1170

00:43:56,150 --> 00:43:54,319

of it as a as a result of my studies of

1171

00:43:57,589 --> 00:43:56,160

sonata hebrew but anyway that's another

1172

00:43:58,790 --> 00:43:57,599

subject

1173

00:44:01,190 --> 00:43:58,800

the the

1174

00:44:02,870 --> 00:44:01,200

the storyline goes and i apologize

1175

00:44:05,349 --> 00:44:02,880

because a lot of this is some of this is

1176

00:44:07,030 --> 00:44:05,359

speculation it's like it's a collage of

1177

00:44:09,270 --> 00:44:07,040

information came from

1178

00:44:10,550 --> 00:44:09,280

from a variety of sources some of which

1179

00:44:12,870 --> 00:44:10,560

was psychic

1180

00:44:14,870 --> 00:44:12,880

perceptions that i saw some it was from

1181

00:44:16,630 --> 00:44:14,880

the gray that was my the hybrid grade

1182

00:44:17,990 --> 00:44:16,640

that was teaching me

1183

00:44:19,670 --> 00:44:18,000

taught me all about the reptilians and

1184

00:44:20,829 --> 00:44:19,680

nothing about the grays which was

1185

00:44:22,790 --> 00:44:20,839

interesting

1186

00:44:25,430 --> 00:44:22,800

um

1187

00:44:27,030 --> 00:44:25,440

and some of it came out of george robert

1188

00:44:29,589 --> 00:44:27,040

boule's book some of it came out of

1189

00:44:31,829 --> 00:44:29,599

discussions with uh the guys at the nids

1190

00:44:34,829 --> 00:44:31,839

ranch some of it came out of you know

1191

00:44:36,630 --> 00:44:34,839

i you know all kinds of sources

1192

00:44:37,910 --> 00:44:36,640

um but

1193

00:44:40,150 --> 00:44:37,920

the

1194

00:44:43,109 --> 00:44:40,160

information let it

1195

00:44:45,829 --> 00:44:43,119

get back on track

1196

00:44:46,550 --> 00:44:45,839

because we were so fragile the humans

1197

00:44:55,829 --> 00:44:46,560

the

1198

00:44:58,309 --> 00:44:55,839

having to remake new

1199

00:44:59,829 --> 00:44:58,319

uh new animals

1200

00:45:00,790 --> 00:44:59,839

okay

1201
00:45:03,270 --> 00:45:00,800
making

1202
00:45:05,109 --> 00:45:03,280
because they were mules and so basically

1203
00:45:06,150 --> 00:45:05,119
they were cloning they were mass

1204
00:45:09,109 --> 00:45:06,160
producers

1205
00:45:11,109 --> 00:45:09,119
that's right they were cloning

1206
00:45:14,309 --> 00:45:11,119
okay and

1207
00:45:18,950 --> 00:45:14,319
at some point they decided to allow

1208
00:45:20,870 --> 00:45:18,960
humans to the proto-humans to procreate

1209
00:45:21,990 --> 00:45:20,880
so that they would make their own

1210
00:45:24,230 --> 00:45:22,000
you know they would they would make it

1211
00:45:26,069 --> 00:45:24,240
but but along with that

1212
00:45:27,750 --> 00:45:26,079
along with that came certain kinds of

1213
00:45:30,069 --> 00:45:27,760

problems

1214

00:45:32,230 --> 00:45:30,079

now i was told and i saw this in a

1215

00:45:33,910 --> 00:45:32,240

series of visions

1216

00:45:34,870 --> 00:45:33,920

which

1217

00:45:36,630 --> 00:45:34,880

the

1218

00:45:39,670 --> 00:45:36,640

message was that

1219

00:45:42,390 --> 00:45:39,680

i asked why they chose to

1220

00:45:44,390 --> 00:45:42,400

cross the dna why inky cho chose to

1221

00:45:47,990 --> 00:45:44,400

cross the dna with the reptilians chose

1222

00:45:50,390 --> 00:45:48,000

to cross the dna with animals on earth

1223

00:45:52,630 --> 00:45:50,400

instead of from their own world

1224

00:45:55,510 --> 00:45:52,640

and just transport them here i was told

1225

00:45:57,670 --> 00:45:55,520

that the reason for this was is because

1226

00:45:59,750 --> 00:45:57,680

everything that grew up on this planet

1227

00:46:01,030 --> 00:45:59,760

is locked into the soul matrix of mother

1228

00:46:07,030 --> 00:46:01,040

earth

1229

00:46:09,030 --> 00:46:07,040

of water and minerals and stuff on it's

1230

00:46:12,710 --> 00:46:09,040

actually a living conscious being

1231

00:46:15,349 --> 00:46:12,720

however it's like a one cell brain

1232

00:46:18,230 --> 00:46:15,359

a one

1233

00:46:21,910 --> 00:46:18,240

it's very big it's very stupid

1234

00:46:23,589 --> 00:46:21,920

uh but it's conscious and it's it's it

1235

00:46:26,470 --> 00:46:23,599

has a soul

1236

00:46:27,750 --> 00:46:26,480

and everything that grows on this planet

1237

00:46:31,270 --> 00:46:27,760

is has

1238

00:46:33,829 --> 00:46:31,280

is locked into its soul matrix

1239

00:46:36,710 --> 00:46:33,839

so that when it dies it reincarnates

1240

00:46:38,390 --> 00:46:36,720

here and not on the reptilian world

1241

00:46:40,309 --> 00:46:38,400

and that's what locks that's and you

1242

00:46:42,150 --> 00:46:40,319

hear these stories about these soul

1243

00:46:44,069 --> 00:46:42,160

travelers and how they come from other

1244

00:46:45,750 --> 00:46:44,079

solar systems all that stuff

1245

00:46:47,670 --> 00:46:45,760

based on what i understand that ain't

1246

00:46:50,309 --> 00:46:47,680

that that doesn't work that way

1247

00:46:54,069 --> 00:46:50,319

really you reincarnate

1248

00:46:56,470 --> 00:46:54,079

okay why i mean i don't get it

1249

00:46:59,030 --> 00:46:56,480

you're locked in your soul is locked

1250

00:47:03,349 --> 00:46:59,040

into the soul matrix of the world on

1251

00:47:07,589 --> 00:47:05,910

okay now that's a fast rule they taught

1252

00:47:10,870 --> 00:47:07,599

you that the graves taught you that the

1253

00:47:13,190 --> 00:47:10,880

reptilians like uh it uh it's it's a

1254

00:47:15,270 --> 00:47:13,200

well first of all it's partially it's

1255

00:47:18,230 --> 00:47:15,280

this information is

1256

00:47:19,589 --> 00:47:18,240

is actually available from rosicrucian

1257

00:47:21,510 --> 00:47:19,599

doctrine

1258

00:47:24,550 --> 00:47:21,520

it's also supported by rhodes secretion

1259

00:47:26,230 --> 00:47:24,560

and masonic doctrine doctrine a lot of

1260

00:47:27,670 --> 00:47:26,240

people say bad things about the masons

1261

00:47:28,870 --> 00:47:27,680

but they're good people

1262

00:47:31,430 --> 00:47:28,880

yeah i don't have a problem with the

1263

00:47:34,309 --> 00:47:31,440

masons um but i do have a problem with

1264

00:47:36,230 --> 00:47:34,319

is secret societies in general that do

1265

00:47:38,870 --> 00:47:36,240

bad things to this planet that's all i

1266

00:47:40,870 --> 00:47:38,880

got well that sounds like the military

1267

00:47:42,950 --> 00:47:40,880

it sounds like the bilderbergers too it

1268

00:47:45,270 --> 00:47:42,960

sounds like oh yeah and the trilateral

1269

00:47:47,510 --> 00:47:45,280

commission and yeah yeah those guys

1270

00:47:48,309 --> 00:47:47,520

crossbones crowd and you know the you

1271

00:47:53,910 --> 00:47:48,319

guys

1272

00:47:55,510 --> 00:47:53,920

they're not sitting around teaching each

1273

00:47:58,069 --> 00:47:55,520

other how to ascend

1274

00:47:59,430 --> 00:47:58,079

the tree of life so they can uh so that

1275

00:48:01,349 --> 00:47:59,440

they can get the hell out of the

1276

00:48:04,550 --> 00:48:01,359

reptilian cage

1277

00:48:06,550 --> 00:48:04,560

unlike the rosicrucians and the masons

1278

00:48:09,349 --> 00:48:06,560

well i think that's very important to

1279

00:48:11,829 --> 00:48:09,359

know but that the truth i have around it

1280

00:48:13,670 --> 00:48:11,839

is is it the truth i mean is it the real

1281

00:48:16,630 --> 00:48:13,680

answer well you know what you know when

1282

00:48:19,109 --> 00:48:16,640

we have somebody come into our order

1283

00:48:21,030 --> 00:48:19,119

yeah i'm a rose prusion you know and we

1284

00:48:23,910 --> 00:48:21,040

have so many come into our i've heard

1285

00:48:26,390 --> 00:48:23,920

people say well you've been infiltrated

1286

00:48:28,309 --> 00:48:26,400

and i and i and i and i you know when we

1287

00:48:29,750 --> 00:48:28,319

get wait wait wait you know what we got

1288

00:48:31,430 --> 00:48:29,760

to take a break so let's take a break

1289

00:48:33,990 --> 00:48:31,440

and let's talk about the rosicrucians

1290

00:48:36,549 --> 00:48:34,000

being infiltrated when we come back this

1291

00:48:37,510 --> 00:48:36,559

is a cool topic actually so everybody

1292

00:48:39,190 --> 00:48:37,520

stick around it's going to be

1293

00:48:40,470 --> 00:48:39,200

interesting the next hour is going to

1294

00:48:43,910 --> 00:48:40,480

blow your mind

1295

00:48:48,230 --> 00:48:46,069

welcome back everyone to the california

1296

00:48:49,750 --> 00:48:48,240

mufon radio show i'm your host lori and

1297

00:48:52,230 --> 00:48:49,760

fenton we're here tonight with my

1298

00:48:55,030 --> 00:48:52,240

favorite friend and buddy tron mr

1299

00:48:56,870 --> 00:48:55,040

plutronic himself and he's talking about

1300

00:48:58,950 --> 00:48:56,880

the reptilians and right before the

1301

00:49:00,790 --> 00:48:58,960

break we're talking about

1302

00:49:03,510 --> 00:49:00,800

masons and we were talking about the

1303

00:49:05,990 --> 00:49:03,520

rosicrucians being infiltrated so what's

1304

00:49:07,190 --> 00:49:06,000

this whole thing about the prosecutions

1305

00:49:09,190 --> 00:49:07,200

that you were trying to what i was

1306

00:49:10,950 --> 00:49:09,200

waiting about i've had people i've had

1307

00:49:13,109 --> 00:49:10,960

people say well you guys could be

1308

00:49:14,390 --> 00:49:13,119

infiltrated and that's what happened to

1309

00:49:16,470 --> 00:49:14,400

the masons and what they don't

1310

00:49:19,829 --> 00:49:16,480

understand is that one of the things

1311

00:49:22,069 --> 00:49:19,839

we're taught how to do is be psychic

1312

00:49:24,470 --> 00:49:22,079

right and the bad guys can't infiltrate

1313

00:49:26,870 --> 00:49:24,480

because we know who they are

1314

00:49:28,950 --> 00:49:26,880

well yeah and how bad i mean you'd have

1315

00:49:31,510 --> 00:49:28,960

to be pretty stupid to be a bad guy

1316

00:49:33,270 --> 00:49:31,520

infiltrating a psychic organization

1317

00:49:35,510 --> 00:49:33,280

because it'll never work i mean it's

1318

00:49:37,109 --> 00:49:35,520

just that simple you'd have to be like

1319

00:49:39,190 --> 00:49:37,119

we're on a different frequency pull it

1320

00:49:41,109 --> 00:49:39,200

off yeah our frequency is to get the

1321

00:49:43,109 --> 00:49:41,119

hell out of here

1322

00:49:45,270 --> 00:49:43,119

it doesn't make any sense okay it ain't

1323

00:49:46,309 --> 00:49:45,280

about you know cooking babies and eating

1324

00:49:48,309 --> 00:49:46,319

them you know

1325

00:49:51,030 --> 00:49:48,319

all that stuff you hear you know that

1326

00:49:52,309 --> 00:49:51,040

david ikey crowd

1327

00:49:54,390 --> 00:49:52,319

cooking babies

1328

00:49:56,549 --> 00:49:54,400

give me a break well there are people

1329

00:49:59,670 --> 00:49:56,559

that do that on this planet i i mean i

1330

00:50:01,589 --> 00:49:59,680

hate this i'm sure there are but yeah

1331

00:50:03,510 --> 00:50:01,599

masons now that yeah that doesn't mean

1332

00:50:04,390 --> 00:50:03,520

that in an organization

1333

00:50:07,109 --> 00:50:04,400

uh

1334

00:50:09,589 --> 00:50:07,119

i met a guy once who i was sitting up on

1335

00:50:11,270 --> 00:50:09,599

the top of my my trailer

1336

00:50:15,630 --> 00:50:11,280

and in uh

1337

00:50:18,870 --> 00:50:15,640

in a suburb of los angeles back in like

1338

00:50:21,589 --> 00:50:18,880

1969 or 1970 that was fixing the roof of

1339

00:50:24,150 --> 00:50:21,599

my my my mobile home

1340

00:50:25,910 --> 00:50:24,160

and i just happened to look down

1341

00:50:27,190 --> 00:50:25,920

at this new trailer that just moved in

1342

00:50:28,790 --> 00:50:27,200

behind me

1343

00:50:30,950 --> 00:50:28,800

and there was a guy sitting down there

1344

00:50:32,950 --> 00:50:30,960

he was drinking beer smoking smoking a

1345

00:50:34,470 --> 00:50:32,960

joint and reading a rosicrucian

1346

00:50:37,109 --> 00:50:34,480

monograph

1347

00:50:39,190 --> 00:50:37,119

and i thought wow that's a trip i never

1348

00:50:41,750 --> 00:50:39,200

saw rosa cruz that smoked and drank

1349

00:50:43,589 --> 00:50:41,760

smoked smoked and drank and smoking

1350

00:50:45,670 --> 00:50:43,599

cigarettes while reading the monograph

1351
00:50:47,990 --> 00:50:45,680
so i went down we got to talking and he

1352
00:50:49,990 --> 00:50:48,000
was a lush he was a drunk he was of

1353
00:50:52,150 --> 00:50:50,000
course he you know he was one of these

1354
00:50:54,630 --> 00:50:52,160
people who joined the orders spent his

1355
00:50:56,390 --> 00:50:54,640
60 bucks was in for about

1356
00:50:57,589 --> 00:50:56,400
he he did the lessons for about two

1357
00:50:59,670 --> 00:50:57,599
weeks you know we're talking about

1358
00:51:01,510 --> 00:50:59,680
15-year lesson plan

1359
00:51:03,430 --> 00:51:01,520
right he did about two weeks of lessons

1360
00:51:05,030 --> 00:51:03,440
and then went to the temple and hung out

1361
00:51:06,710 --> 00:51:05,040
with the temple and became a social hang

1362
00:51:09,270 --> 00:51:06,720
for him he was there for eight or nine

1363
00:51:10,870 --> 00:51:09,280

years but he was not a functional he was

1364

00:51:12,390 --> 00:51:10,880

not a functional rose creation he wasn't

1365

00:51:14,470 --> 00:51:12,400

studying he wasn't doing the lessons he

1366

00:51:16,950 --> 00:51:14,480

wasn't doing the practices he you know

1367

00:51:18,710 --> 00:51:16,960

he wasn't working to you know wasn't

1368

00:51:19,589 --> 00:51:18,720

wasn't working to improve himself that's

1369

00:51:22,790 --> 00:51:19,599

all

1370

00:51:24,309 --> 00:51:22,800

and we have those kinds of people

1371

00:51:26,790 --> 00:51:24,319

and yes those people and some of those

1372

00:51:29,349 --> 00:51:26,800

people might could easily be out there

1373

00:51:31,750 --> 00:51:29,359

robbing banks and being bad guys and

1374

00:51:33,270 --> 00:51:31,760

embezzling people and stuff we have all

1375

00:51:35,750 --> 00:51:33,280

kinds of people in the order but the

1376

00:51:37,670 --> 00:51:35,760

people who actually work at it

1377

00:51:39,430 --> 00:51:37,680

they're the inner circle people and the

1378

00:51:41,190 --> 00:51:39,440

inner circle people know who each other

1379

00:51:42,150 --> 00:51:41,200

are because we can see who each other

1380

00:51:44,069 --> 00:51:42,160

are

1381

00:51:45,589 --> 00:51:44,079

right you know every time i meet a new

1382

00:51:48,069 --> 00:51:45,599

person yeah

1383

00:51:50,790 --> 00:51:48,079

every time i need meet a new person

1384

00:51:53,589 --> 00:51:50,800

i see i see their sephirah all stacked

1385

00:51:55,670 --> 00:51:53,599

together it's called zitsum in hebrew

1386

00:51:58,069 --> 00:51:55,680

and it's instead of seeing the tree of

1387

00:52:00,710 --> 00:51:58,079

life spread out like a tree

1388

00:52:04,790 --> 00:52:00,720

i see them like layers of an onion

1389

00:52:07,190 --> 00:52:04,800

and each and there's a in there and they

1390

00:52:08,950 --> 00:52:07,200

you move inward and as you move inward

1391

00:52:12,069 --> 00:52:08,960

the innermost

1392

00:52:15,430 --> 00:52:12,079

sephirah is uh in nutsac it's uh nut

1393

00:52:17,109 --> 00:52:15,440

netsec it's it's in um at salute

1394

00:52:18,549 --> 00:52:17,119

and there's the iron software which is

1395

00:52:20,069 --> 00:52:18,559

the tree of life

1396

00:52:21,589 --> 00:52:20,079

tree it's the

1397

00:52:23,109 --> 00:52:21,599

the endless light

1398

00:52:25,030 --> 00:52:23,119

and that endless light is the energy

1399

00:52:26,870 --> 00:52:25,040

that comes from god and it's always

1400

00:52:29,589 --> 00:52:26,880

brilliant white

1401

00:52:31,270 --> 00:52:29,599

okay but i can see each of the sephirah

1402

00:52:33,349 --> 00:52:31,280

and depending on which of the saphir are

1403

00:52:35,109 --> 00:52:33,359

the dominant colors when i first i

1404

00:52:37,349 --> 00:52:35,119

always see it every time i meet a new

1405

00:52:39,990 --> 00:52:37,359

person i see this little flash and i see

1406

00:52:41,990 --> 00:52:40,000

this this system and that zitsum tells

1407

00:52:44,150 --> 00:52:42,000

me what's going on in that person

1408

00:52:46,470 --> 00:52:44,160

oh cool so when you saw me for the first

1409

00:52:49,430 --> 00:52:46,480

time what color was i

1410

00:52:51,589 --> 00:52:49,440

well we're all kinds of colors okay oh

1411

00:52:52,950 --> 00:52:51,599

i wasn't just one color for you no no

1412

00:52:55,030 --> 00:52:52,960

you but

1413

00:52:56,870 --> 00:52:55,040

sometimes sometimes i'll see just a

1414

00:52:59,510 --> 00:52:56,880

black saphira

1415

00:53:01,829 --> 00:52:59,520

with a with a bright silvery small

1416

00:53:04,150 --> 00:53:01,839

little tiny silvery white center

1417

00:53:06,470 --> 00:53:04,160

okay and what i see in that person

1418

00:53:09,750 --> 00:53:06,480

is it's being a consciousness

1419

00:53:12,710 --> 00:53:09,760

the black saphira is is is bena

1420

00:53:15,270 --> 00:53:12,720

and it's all about logic and fear

1421

00:53:17,670 --> 00:53:15,280

they've the being of consciousness is

1422

00:53:20,150 --> 00:53:17,680

one side it's is uh fear and the other

1423

00:53:22,390 --> 00:53:20,160

side is uh logic

1424

00:53:24,549 --> 00:53:22,400

okay and when you see a person with that

1425

00:53:26,549 --> 00:53:24,559

that's a dominant color in them you you

1426

00:53:27,750 --> 00:53:26,559

see somebody that you know

1427

00:53:30,390 --> 00:53:27,760

it could be they could be the

1428

00:53:32,069 --> 00:53:30,400

executioner out of prison

1429

00:53:34,710 --> 00:53:32,079

it could be uh they could be somebody

1430

00:53:36,069 --> 00:53:34,720

that uh tortures tortures animals for

1431

00:53:37,670 --> 00:53:36,079

fun you know

1432

00:53:40,069 --> 00:53:37,680

or they might be a mathematician a

1433

00:53:42,710 --> 00:53:40,079

hardcore mathematician making uh making

1434

00:53:45,190 --> 00:53:42,720

nukes for destroying civilizations i

1435

00:53:47,030 --> 00:53:45,200

mean that's the kind you don't you know

1436

00:53:50,309 --> 00:53:47,040

that's what you can see in that kind of

1437

00:53:51,910 --> 00:53:50,319

a person but very few very of very

1438

00:53:53,829 --> 00:53:51,920

seldom do you ever see just one

1439

00:53:54,870 --> 00:53:53,839

particular color when i say you i mean

1440

00:53:57,349 --> 00:53:54,880

me

1441

00:53:59,750 --> 00:53:57,359

generally i'll see green or i'll see

1442

00:54:01,190 --> 00:53:59,760

green with yellow and and those are

1443

00:54:03,190 --> 00:54:01,200

pretty colors by the way and the clearer

1444

00:54:05,750 --> 00:54:03,200

the color the the more pure that

1445

00:54:07,829 --> 00:54:05,760

person's station of consciousness if

1446

00:54:10,390 --> 00:54:07,839

they're operating in those areas in a

1447

00:54:12,470 --> 00:54:10,400

more pure form the purer the form the

1448

00:54:14,470 --> 00:54:12,480

better those areas functionality are in

1449

00:54:16,870 --> 00:54:14,480

that person's consciousness

1450

00:54:18,870 --> 00:54:16,880

uh when you start seeing the dirty dingy

1451

00:54:20,549 --> 00:54:18,880

kinds of colors those are areas that

1452

00:54:21,910 --> 00:54:20,559

that person needs to be working on to

1453

00:54:25,349 --> 00:54:21,920

you know become a better person to

1454

00:54:26,150 --> 00:54:25,359

become a better spiritual uh being

1455

00:54:29,109 --> 00:54:26,160

cool

1456

00:54:30,950 --> 00:54:29,119

but yeah

1457

00:54:34,390 --> 00:54:30,960

anyway so um my point about the

1458

00:54:36,710 --> 00:54:34,400

rosicrucians is that uh yeah we could

1459

00:54:39,190 --> 00:54:36,720

it's it's possible to be infiltrated but

1460

00:54:41,990 --> 00:54:39,200

it's only on the outer the outer rims

1461

00:54:43,750 --> 00:54:42,000

the outer realms of the order the social

1462

00:54:45,670 --> 00:54:43,760

side the people that hang out that don't

1463

00:54:47,589 --> 00:54:45,680

do the lessons are coming there hang out

1464

00:54:49,829 --> 00:54:47,599

to hang out with the chicks and have the

1465

00:54:51,750 --> 00:54:49,839

lunches and and prance around in their

1466

00:54:53,670 --> 00:54:51,760

little costumes then you got the inner

1467

00:54:55,589 --> 00:54:53,680

people who are doing the actual work

1468

00:54:57,349 --> 00:54:55,599

they're doing the actual lessons

1469

00:54:59,430 --> 00:54:57,359

they're practicing they're working at it

1470

00:55:00,950 --> 00:54:59,440

and those people we know who we are and

1471

00:55:02,309 --> 00:55:00,960

that's that's the realm that can't be

1472

00:55:04,150 --> 00:55:02,319

infiltrated

1473

00:55:06,390 --> 00:55:04,160

right because we know the pr it sounds

1474

00:55:08,230 --> 00:55:06,400

very similar to the remote viewing crowd

1475

00:55:10,309 --> 00:55:08,240

you know they all they all know who each

1476

00:55:12,549 --> 00:55:10,319

other are and there's no hiding from

1477

00:55:13,510 --> 00:55:12,559

each other and they all know who out

1478

00:55:15,750 --> 00:55:13,520

there

1479

00:55:18,150 --> 00:55:15,760

has the ability to do what they do you

1480

00:55:20,950 --> 00:55:18,160

know it's very simple it's like you know

1481

00:55:23,349 --> 00:55:20,960

it's just it's they're in tune

1482

00:55:26,230 --> 00:55:23,359

and they they don't have a religion

1483

00:55:27,430 --> 00:55:26,240

behind themselves but if they did i bet

1484

00:55:30,309 --> 00:55:27,440

you it would be

1485

00:55:31,589 --> 00:55:30,319

the kabbalah because it sounds like it's

1486

00:55:32,470 --> 00:55:31,599

right up here

1487

00:55:34,549 --> 00:55:32,480

i don't

1488

00:55:35,829 --> 00:55:34,559

first of all kabal is not a religion and

1489

00:55:37,829 --> 00:55:35,839

the word

1490

00:55:39,829 --> 00:55:37,839

means to perceive

1491

00:55:40,630 --> 00:55:39,839

right it's not a religion i'm sorry i

1492

00:55:43,190 --> 00:55:40,640

missed

1493

00:55:45,270 --> 00:55:43,200

you're not a religion either that's true

1494

00:55:46,829 --> 00:55:45,280

they're mystic orders would you call it

1495

00:55:49,030 --> 00:55:46,839

the difference between a

1496

00:55:50,870 --> 00:55:49,040

religion and

1497

00:55:53,750 --> 00:55:50,880

the mystical orders

1498

00:55:56,470 --> 00:55:53,760

do stuff

1499

00:55:58,870 --> 00:55:56,480

and the religions based on faith

1500

00:56:00,870 --> 00:55:58,880

that's true they teach that they tell

1501

00:56:02,549 --> 00:56:00,880

you that jesus died for you for your

1502

00:56:03,589 --> 00:56:02,559

sins baby you got to believe it that's

1503

00:56:05,589 --> 00:56:03,599

belief

1504

00:56:07,829 --> 00:56:05,599

that's that's a religion

1505

00:56:09,510 --> 00:56:07,839

boy and there's a crucial people pull

1506

00:56:11,430 --> 00:56:09,520

that one on you don't they uh

1507

00:56:14,789 --> 00:56:11,440

rosicrucians

1508

00:56:16,789 --> 00:56:14,799

who you were in your previous lifetime

1509

00:56:19,109 --> 00:56:16,799

and why you're [h__\h] up and oops messed

1510

00:56:22,150 --> 00:56:19,119

up in this lifetime messed up yeah we

1511

00:56:23,990 --> 00:56:22,160

like that word messed up

1512

00:56:25,510 --> 00:56:24,000

although president trump recently used

1513

00:56:28,870 --> 00:56:25,520

it on television

1514

00:56:30,870 --> 00:56:28,880

did he really i missed it dang

1515

00:56:32,230 --> 00:56:30,880

that would have been my favorite moment

1516

00:56:34,309 --> 00:56:32,240

seriously

1517

00:56:36,150 --> 00:56:34,319

um wow okay

1518

00:56:38,710 --> 00:56:36,160

oh so we get to skip the break at the

1519

00:56:41,750 --> 00:56:38,720

half hour okay cool that's nice okay

1520

00:56:44,390 --> 00:56:41,760

back to the back to this business about

1521

00:56:46,470 --> 00:56:44,400

so inky when inky made us

1522

00:56:49,589 --> 00:56:46,480

yeah he successfully made he

1523

00:56:50,470 --> 00:56:49,599

successfully was able to cross the dna

1524

00:56:52,710 --> 00:56:50,480

of the

1525

00:56:55,030 --> 00:56:52,720

red-faced baboon he showed me the animal

1526

00:56:57,510 --> 00:56:55,040

i actually saw the animal the father of

1527

00:57:01,190 --> 00:56:57,520

the human race was a red-faced baboon

1528

00:57:02,950 --> 00:57:01,200

and he had a very furry hairy kisser

1529

00:57:06,069 --> 00:57:02,960

and he squealed and yelled and screamed

1530

00:57:08,069 --> 00:57:06,079

when inky put the needle in his butt

1531

00:57:10,950 --> 00:57:08,079

and

1532

00:57:13,589 --> 00:57:10,960

out popped a human in 32 days out popped

1533

00:57:16,549 --> 00:57:13,599

a human it the the animal the the hair

1534

00:57:17,990 --> 00:57:16,559

fell off their hair fell off the animal

1535

00:57:20,230 --> 00:57:18,000

it went from being essentially a

1536

00:57:21,829 --> 00:57:20,240

quadruped to a bipad

1537

00:57:24,710 --> 00:57:21,839

uh the the

1538

00:57:26,549 --> 00:57:24,720

the hands on the mammal went from being

1539

00:57:28,150 --> 00:57:26,559

four fingers and a thumb two three

1540

00:57:29,349 --> 00:57:28,160

fingers on the thumb and the two inner

1541

00:57:31,750 --> 00:57:29,359

fingers

1542

00:57:33,270 --> 00:57:31,760

uh merged together

1543

00:57:35,270 --> 00:57:33,280

and if you look at and i've talked i've

1544

00:57:37,670 --> 00:57:35,280

mentioned this before but if you look at

1545

00:57:39,109 --> 00:57:37,680

all the ancient tarot cards and the most

1546

00:57:41,430 --> 00:57:39,119

ancient drawings

1547

00:57:43,510 --> 00:57:41,440

on the planet spiritual uh you know

1548

00:57:46,230 --> 00:57:43,520

especially hebrew and sanskrit drawings

1549

00:57:48,390 --> 00:57:46,240

uh from that period the enokian period

1550

00:57:51,510 --> 00:57:48,400

right almost all of the pictures show

1551

00:57:53,430 --> 00:57:51,520

humans with a with fat with uh

1552

00:57:55,910 --> 00:57:53,440

they hold their their two innermost

1553

00:57:57,510 --> 00:57:55,920

fingers together

1554

00:57:59,030 --> 00:57:57,520

and that's the index finger and the

1555

00:58:02,150 --> 00:57:59,040

middle finger

1556

00:58:04,390 --> 00:58:02,160

the uh the ring finger

1557

00:58:06,150 --> 00:58:04,400

okay the index fingers are okay

1558

00:58:07,910 --> 00:58:06,160

oh gotcha first finger

1559

00:58:09,349 --> 00:58:07,920

the second and third fingers are the two

1560

00:58:10,789 --> 00:58:09,359

fingers that get held together if you

1561

00:58:12,069 --> 00:58:10,799

look in the ancient tarot decks the

1562

00:58:14,069 --> 00:58:12,079

rider decks

1563

00:58:15,750 --> 00:58:14,079

all of the drawings are shown with those

1564

00:58:17,589 --> 00:58:15,760

two fingers together because that's the

1565

00:58:19,430 --> 00:58:17,599

reptilian hand

1566

00:58:21,349 --> 00:58:19,440

that's what our hands look like when we

1567

00:58:23,510 --> 00:58:21,359

came out of garden of eden

1568

00:58:25,030 --> 00:58:23,520

we had goat slit eyes we were we were

1569

00:58:26,870 --> 00:58:25,040

fairly tall

1570

00:58:29,190 --> 00:58:26,880

like eight to nine feet tall we were

1571

00:58:30,630 --> 00:58:29,200

covered in bright red uh

1572

00:58:32,390 --> 00:58:30,640

scales

1573

00:58:35,030 --> 00:58:32,400

uh we were naked

1574

00:58:37,030 --> 00:58:35,040

um and

1575

00:58:38,549 --> 00:58:37,040

we had these little horns they looked

1576

00:58:40,870 --> 00:58:38,559

like horns almost like little devil

1577

00:58:42,549 --> 00:58:40,880

horns but there were little bumps on the

1578

00:58:46,390 --> 00:58:42,559

top of her head

1579

00:58:48,710 --> 00:58:46,400

and i asked why they why why we were was

1580

00:58:50,230 --> 00:58:48,720

the second reason why inky across the

1581

00:58:51,349 --> 00:58:50,240

dna

1582

00:58:53,430 --> 00:58:51,359

with the

1583

00:58:55,670 --> 00:58:53,440

life forms on earth

1584

00:58:58,870 --> 00:58:55,680

was is the first reason was to make sure

1585

00:59:01,589 --> 00:58:58,880

the soul matrix reincarnated it caused

1586

00:59:04,950 --> 00:59:01,599

our souls would reincarnate here

1587

00:59:07,030 --> 00:59:04,960

instead of on uh

1588

00:59:08,069 --> 00:59:07,040

sirius b which is where the reptilians

1589

00:59:10,069 --> 00:59:08,079

came from

1590

00:59:11,510 --> 00:59:10,079

the star system

1591

00:59:13,670 --> 00:59:11,520

um

1592

00:59:15,510 --> 00:59:13,680

and the second reason the reason the

1593

00:59:17,910 --> 00:59:15,520

main reason why they did this why they

1594

00:59:19,109 --> 00:59:17,920

crossed the dna on every world they went

1595

00:59:25,030 --> 00:59:19,119

to

1596

00:59:27,670 --> 00:59:25,040

this the out the resultant being the

1597

00:59:29,430 --> 00:59:27,680

resultant animal that they made

1598

00:59:33,670 --> 00:59:29,440

that they engineered

1599

00:59:35,910 --> 00:59:33,680

a higher level of cognition

1600

00:59:37,670 --> 00:59:35,920

make it smarter and the reason for that

1601
00:59:38,309 --> 00:59:37,680
was so that they could communicate with

1602
00:59:42,470 --> 00:59:38,319
it

1603
00:59:43,990 --> 00:59:42,480
the species

1604
00:59:46,630 --> 00:59:44,000
and that okay

1605
00:59:48,630 --> 00:59:46,640
okay there's no universal translator out

1606
00:59:50,710 --> 00:59:48,640
there star trek they talk in in the

1607
00:59:52,390 --> 00:59:50,720
microphone out here while you're white

1608
00:59:54,309 --> 00:59:52,400
comes out the other side right and the

1609
00:59:55,670 --> 00:59:54,319
being on the other side is going oh yeah

1610
00:59:57,829 --> 00:59:55,680
and it comes out the microphone on the

1611
00:59:59,750 --> 00:59:57,839
universal translator uh well we want to

1612
01:00:01,510 --> 00:59:59,760
be friends with you okay

1613
01:00:03,109 --> 01:00:01,520

there is no universal translator in the

1614

01:00:04,150 --> 01:00:03,119

universe

1615

01:00:07,430 --> 01:00:04,160

but by

1616

01:00:12,630 --> 01:00:07,440

crossing the dna between species

1617

01:00:19,270 --> 01:00:16,069

neurologically becomes similar to the to

1618

01:00:21,030 --> 01:00:19,280

the dna to the to the reptilians and

1619

01:00:22,630 --> 01:00:21,040

that the host yeah whoever built the

1620

01:00:25,190 --> 01:00:22,640

host it creates a bridge a

1621

01:00:27,589 --> 01:00:25,200

commencability bridge so that they can

1622

01:00:29,990 --> 01:00:27,599

they so that they one can teach it to do

1623

01:00:32,230 --> 01:00:30,000

things and they can talk to it and that

1624

01:00:34,390 --> 01:00:32,240

it has a certain rationale

1625

01:00:36,549 --> 01:00:34,400

that it's it's all about communicating

1626
01:00:40,150 --> 01:00:36,559
with the with the resultant beings human

1627
01:00:42,710 --> 01:00:40,160
beings were engineered and cross dna

1628
01:00:45,030 --> 01:00:42,720
by the reptilians for the sole purpose

1629
01:00:46,789 --> 01:00:45,040
of being able to communicate with us

1630
01:00:47,750 --> 01:00:46,799
that was part of the reason why they did

1631
01:00:49,109 --> 01:00:47,760
it

1632
01:00:51,589 --> 01:00:49,119
um

1633
01:00:52,710 --> 01:00:51,599
they made us as slaves

1634
01:00:54,470 --> 01:00:52,720
and

1635
01:00:56,230 --> 01:00:54,480
at the same time they created this

1636
01:00:57,190 --> 01:00:56,240
communication channel so they could talk

1637
01:00:58,069 --> 01:00:57,200
to us

1638
01:01:00,789 --> 01:00:58,079

and

1639

01:01:02,630 --> 01:01:00,799

over a period of time during that time

1640

01:01:04,069 --> 01:01:02,640

period apparently we're essentially

1641

01:01:05,589 --> 01:01:04,079

immortal

1642

01:01:07,109 --> 01:01:05,599

uh there are

1643

01:01:09,750 --> 01:01:07,119

in the kings list there's something

1644

01:01:12,789 --> 01:01:09,760

called the kings list which is a

1645

01:01:15,030 --> 01:01:12,799

it's a uh it's an index from the

1646

01:01:16,950 --> 01:01:15,040

alexandrian library

1647

01:01:20,630 --> 01:01:16,960

uh

1648

01:01:22,309 --> 01:01:20,640

was two like most people know about the

1649

01:01:24,870 --> 01:01:22,319

alexandrian library there was about

1650

01:01:27,430 --> 01:01:24,880

nero's played his violin and they burned

1651
01:01:29,750 --> 01:01:27,440
the library well there was another huge

1652
01:01:32,710 --> 01:01:29,760
central library called embla

1653
01:01:34,630 --> 01:01:32,720
and uh in fact one of the uh one of the

1654
01:01:36,870 --> 01:01:34,640
set b groups

1655
01:01:39,270 --> 01:01:36,880
uh one of the one of the groups that are

1656
01:01:41,589 --> 01:01:39,280
proponents of my sephie search model

1657
01:01:45,030 --> 01:01:41,599
uh theo theodore

1658
01:01:46,630 --> 01:01:45,040
massimo in italy he's a

1659
01:01:47,910 --> 01:01:46,640
he's a

1660
01:01:52,390 --> 01:01:47,920
physicist

1661
01:01:55,750 --> 01:01:52,400
in italy who studies uh et craft and

1662
01:01:57,750 --> 01:01:55,760
orbs lunas orbs uh he named his research

1663
01:01:59,430 --> 01:01:57,760

group the embled group

1664

01:02:01,109 --> 01:01:59,440

based on the fact

1665

01:02:02,789 --> 01:02:01,119

because and this is it you've got to

1666

01:02:05,270 --> 01:02:02,799

understand that the emblem library in

1667

01:02:06,470 --> 01:02:05,280

the alexandrian libraries we we and

1668

01:02:08,789 --> 01:02:06,480

there's something of

1669

01:02:11,109 --> 01:02:08,799

a of a

1670

01:02:12,789 --> 01:02:11,119

of a mystery here that's not obvious to

1671

01:02:14,549 --> 01:02:12,799

anybody who you know and it wasn't

1672

01:02:16,710 --> 01:02:14,559

obvious to me either

1673

01:02:18,470 --> 01:02:16,720

and that mystery is is

1674

01:02:20,150 --> 01:02:18,480

who were the readers

1675

01:02:22,789 --> 01:02:20,160

this is supposedly in the dark this is

1676

01:02:24,710 --> 01:02:22,799

pretty dark ages time

1677

01:02:26,470 --> 01:02:24,720

i've always wondered that too but i

1678

01:02:27,829 --> 01:02:26,480

thought they came up with the answer was

1679

01:02:29,670 --> 01:02:27,839

the fact that they weren't books and

1680

01:02:32,390 --> 01:02:29,680

they weren't written they were uh

1681

01:02:34,309 --> 01:02:32,400

tablets that had picture picture graphs

1682

01:02:36,069 --> 01:02:34,319

on them or

1683

01:02:37,430 --> 01:02:36,079

whatever the graphs are these are twenty

1684

01:02:39,270 --> 01:02:37,440

thousand of them

1685

01:02:41,349 --> 01:02:39,280

well i don't know but that's what

1686

01:02:43,990 --> 01:02:41,359

everybody's library had two hundred

1687

01:02:46,630 --> 01:02:44,000

twenty thousand nokian titles

1688

01:02:48,950 --> 01:02:46,640

jeez that's a lot we're the reasons well

1689

01:02:52,710 --> 01:02:48,960

that's a hell of a lot of scrolls man

1690

01:02:54,390 --> 01:02:52,720

yeah it is if that's i mean you know how

1691

01:02:55,589 --> 01:02:54,400

one person writes a book and another guy

1692

01:02:57,349 --> 01:02:55,599

goes and reads it and he thinks it's

1693

01:02:58,630 --> 01:02:57,359

cool and he writes a book and and now

1694

01:02:59,750 --> 01:02:58,640

there's two books out there and two

1695

01:03:01,430 --> 01:02:59,760

people reading and they tell their

1696

01:03:02,390 --> 01:03:01,440

friends about it and they start reading

1697

01:03:04,950 --> 01:03:02,400

books and

1698

01:03:07,349 --> 01:03:04,960

and that's how it evolves the the the

1699

01:03:09,589 --> 01:03:07,359

the ecosystem of writing books and

1700

01:03:11,750 --> 01:03:09,599

readership is based on people reading

1701

01:03:15,190 --> 01:03:11,760

each other's books and writing books

1702

01:03:17,430 --> 01:03:15,200

okay well that meant for there to be 220

1703

01:03:20,309 --> 01:03:17,440

000 scrolls whoever with the tablet

1704

01:03:22,630 --> 01:03:20,319

scrolls uh pixel pictograms whatever it

1705

01:03:24,549 --> 01:03:22,640

was that's a hell of a lot of titles

1706

01:03:27,430 --> 01:03:24,559

yeah so do you think they weren't

1707

01:03:36,390 --> 01:03:27,440

actually in paper they were in some kind

1708

01:03:36,400 --> 01:03:41,349

all they have is the they have the index

1709

01:03:45,109 --> 01:03:43,270

and in the index was the kings list and

1710

01:03:46,309 --> 01:03:45,119

what i was getting to is the the king's

1711

01:03:48,069 --> 01:03:46,319

list was the

1712

01:03:51,510 --> 01:03:48,079

ruling

1713

01:03:53,270 --> 01:03:51,520

with the rulers of egypt

1714

01:03:56,230 --> 01:03:53,280

okay okay we're talking about we're

1715

01:03:58,470 --> 01:03:56,240

talking about the pre pre uh pyramid

1716

01:04:00,710 --> 01:03:58,480

period pre-pyramids

1717

01:04:02,390 --> 01:04:00,720

okay and these rulers and there's a

1718

01:04:04,470 --> 01:04:02,400

whole bunch of rulers people you know

1719

01:04:07,990 --> 01:04:04,480

all we know about is you know

1720

01:04:09,510 --> 01:04:08,000

uh tuta common and and king tutmo so we

1721

01:04:11,670 --> 01:04:09,520

know about those guys because they were

1722

01:04:13,589 --> 01:04:11,680

involved with the with the pyramids but

1723

01:04:15,109 --> 01:04:13,599

there are a bunch of rulers that existed

1724

01:04:17,109 --> 01:04:15,119

before them

1725

01:04:19,190 --> 01:04:17,119

and you get into this area that these

1726

01:04:20,549 --> 01:04:19,200

scholars today they don't like to talk

1727

01:04:23,109 --> 01:04:20,559

about this stuff they don't know what it

1728

01:04:25,349 --> 01:04:23,119

means they say well they ancients didn't

1729

01:04:27,190 --> 01:04:25,359

know how the sun worked and they didn't

1730

01:04:29,029 --> 01:04:27,200

know how long the days were and their

1731

01:04:30,390 --> 01:04:29,039

ideas well how long a year was different

1732

01:04:32,069 --> 01:04:30,400

from you know

1733

01:04:33,910 --> 01:04:32,079

they go into all these

1734

01:04:36,710 --> 01:04:33,920

excuses

1735

01:04:39,990 --> 01:04:36,720

right but the kings list shows

1736

01:04:42,309 --> 01:04:40,000

shows 15 12 i think it's 12 or 15 rulers

1737

01:04:44,789 --> 01:04:42,319

of egypt and each one of them

1738

01:04:47,430 --> 01:04:44,799

ruled this isn't how long they lived but

1739

01:04:52,950 --> 01:04:47,440

it's how long they were in power

1740

01:04:54,710 --> 01:04:52,960

for 12 000 years 15 000 years 22 000

1741

01:04:57,430 --> 01:04:54,720

years

1742

01:05:00,950 --> 01:04:57,440

what not how long they were alive but

1743

01:05:03,670 --> 01:05:00,960

how long they were in power in egypt

1744

01:05:05,829 --> 01:05:03,680

and the king's list identifies each of

1745

01:05:06,710 --> 01:05:05,839

the rulers and how long they were in

1746

01:05:07,589 --> 01:05:06,720

power

1747

01:05:15,109 --> 01:05:07,599

now

1748

01:05:17,510 --> 01:05:15,119

inky is not dead

1749

01:05:19,029 --> 01:05:17,520

he's still alive

1750

01:05:21,430 --> 01:05:19,039

well you know you're not and this was a

1751

01:05:24,150 --> 01:05:21,440

hundred thousand years ago

1752

01:05:25,910 --> 01:05:24,160

you're not the only one to say that and

1753

01:05:27,349 --> 01:05:25,920

i've been hearing it a lot from many

1754

01:05:29,829 --> 01:05:27,359

different people that i've had

1755

01:05:33,750 --> 01:05:29,839

encounters with them supposedly now when

1756

01:05:37,029 --> 01:05:33,760

you encountered inky he was a grey right

1757

01:05:39,029 --> 01:05:37,039

no no no inky was always a dragon

1758

01:05:40,789 --> 01:05:39,039

oh inky is always a dragon that's

1759

01:05:43,190 --> 01:05:40,799

interesting he's coming to all my

1760

01:05:46,069 --> 01:05:43,200

friends as many different things

1761

01:05:48,950 --> 01:05:46,079

well there's only one inky it's ian k i

1762

01:05:51,430 --> 01:05:48,960

and he was a dragon and he's up he has a

1763

01:05:53,990 --> 01:05:51,440

ceremonial wings the reptilians are a

1764

01:05:57,029 --> 01:05:54,000

cast specie

1765

01:06:00,470 --> 01:05:57,039

okay of the civilization works by by

1766

01:06:03,510 --> 01:06:00,480

monetary rewards and materialism

1767

01:06:06,549 --> 01:06:03,520

you do good in our society you get cars

1768

01:06:09,750 --> 01:06:06,559

and you get good looking girls and nice

1769

01:06:12,470 --> 01:06:09,760

apartments and lots of cash to splash

1770

01:06:14,230 --> 01:06:12,480

those are our material rewards in the

1771

01:06:17,029 --> 01:06:14,240

reptilian world

1772

01:06:19,109 --> 01:06:17,039

they get different body forms

1773

01:06:20,950 --> 01:06:19,119

oh okay

1774

01:06:23,589 --> 01:06:20,960

there's cast species

1775

01:06:25,990 --> 01:06:23,599

the most coveted body form

1776

01:06:28,309 --> 01:06:26,000

are the draco reptilian form and that's

1777

01:06:30,470 --> 01:06:28,319

that's the that's the warrior cast

1778

01:06:34,150 --> 01:06:30,480

they're the ones with the bat like wings

1779

01:06:35,589 --> 01:06:34,160

they look like they look like a raptor

1780

01:06:38,710 --> 01:06:35,599

they look like a

1781

01:06:41,029 --> 01:06:38,720

raptor with bat like wings only they're

1782

01:06:42,470 --> 01:06:41,039

not real skinny the raptors are kind of

1783

01:06:45,190 --> 01:06:42,480

a real skinny they're almost like a

1784

01:06:47,670 --> 01:06:45,200

salamander a lizard skinny a garden

1785

01:06:50,630 --> 01:06:47,680

lizard with a little thin skinny picture

1786

01:06:53,829 --> 01:06:50,640

a tyrannosaurus rex kind of face

1787

01:06:55,349 --> 01:06:53,839

right on a on a meaty

1788

01:06:57,589 --> 01:06:55,359

instead of leaning far forward with the

1789

01:06:59,109 --> 01:06:57,599

little arms hanging down these arms go

1790

01:07:01,109 --> 01:06:59,119

all the way down past the knees and

1791

01:07:03,430 --> 01:07:01,119

they're about 15 feet tall the animals

1792

01:07:05,670 --> 01:07:03,440

are about 15 feet tall and they're

1793

01:07:07,589 --> 01:07:05,680

bright red their height is bright red

1794

01:07:08,950 --> 01:07:07,599

and they have blood red eyes

1795

01:07:11,670 --> 01:07:08,960

and the eyes

1796

01:07:13,190 --> 01:07:11,680

are about the size of an orange

1797

01:07:16,549 --> 01:07:13,200

and there's a big

1798

01:07:19,750 --> 01:07:16,559

bright bright blood red orange

1799

01:07:21,829 --> 01:07:19,760

the the oculus humor blood red

1800

01:07:23,349 --> 01:07:21,839

[h__h] scary looking eyes man i'm

1801
01:07:25,990 --> 01:07:23,359
telling you

1802
01:07:27,910 --> 01:07:26,000
just about two feet from one and i'm

1803
01:07:30,069 --> 01:07:27,920
telling you look me right in the eyes

1804
01:07:33,430 --> 01:07:30,079
and he had that gleam and he had that

1805
01:07:35,190 --> 01:07:33,440
look like i'll catch you later look well

1806
01:07:37,109 --> 01:07:35,200
yeah

1807
01:07:39,349 --> 01:07:37,119
i'm telling you did he did he say

1808
01:07:40,470 --> 01:07:39,359
anything else at that time or was it

1809
01:07:42,950 --> 01:07:40,480
just

1810
01:07:44,710 --> 01:07:42,960
he said that uh and this is before i

1811
01:07:45,670 --> 01:07:44,720
knew anything about the tarot

1812
01:07:47,029 --> 01:07:45,680
i mean

1813
01:07:47,990 --> 01:07:47,039

once that terrell

1814

01:07:51,029 --> 01:07:48,000

was the

1815

01:07:52,549 --> 01:07:51,039

jedi tell the folks inky is your version

1816

01:07:53,270 --> 01:07:52,559

of the great right

1817

01:07:56,549 --> 01:07:53,280

or

1818

01:07:59,589 --> 01:07:56,559

okay so oh inky was a dragon

1819

01:08:01,910 --> 01:07:59,599

and he was a dragon and always a dragon

1820

01:08:04,789 --> 01:08:01,920

and he did appear to you

1821

01:08:06,390 --> 01:08:04,799

he he he

1822

01:08:11,029 --> 01:08:06,400

i was

1823

01:08:12,150 --> 01:08:11,039

introduced to him by a hybrid gray

1824

01:08:13,829 --> 01:08:12,160

okay

1825

01:08:16,550 --> 01:08:13,839

all right because i remember the same

1826

01:08:17,510 --> 01:08:16,560

story wrong completely wrong man

1827

01:08:22,070 --> 01:08:17,520

okay

1828

01:08:25,829 --> 01:08:22,080

inky is a bip he's a 12 to 15 foot tall

1829

01:08:30,309 --> 01:08:27,829

technologists with a you can call him a

1830

01:08:31,430 --> 01:08:30,319

technologist if you will he's still

1831

01:08:36,229 --> 01:08:31,440

alive

1832

01:08:39,669 --> 01:08:36,239

150 000 years

1833

01:08:41,030 --> 01:08:39,679

he's not a god but they are immortal

1834

01:08:42,550 --> 01:08:41,040

these beings are immortal got to

1835

01:08:44,870 --> 01:08:42,560

remember that they got

1836

01:08:46,950 --> 01:08:44,880

22 saphir in their tree of life they

1837

01:08:48,070 --> 01:08:46,960

operate in different ways that we cannot

1838

01:08:50,309 --> 01:08:48,080

perceive

1839

01:08:53,269 --> 01:08:50,319

and as best as i can tell

1840

01:08:55,590 --> 01:08:53,279

uh they're using us for our psi energy

1841

01:08:58,789 --> 01:08:55,600

and our psi energy is what keeps

1842

01:09:00,390 --> 01:08:58,799

when we're real young and we we heal

1843

01:09:02,910 --> 01:09:00,400

better and everything

1844

01:09:04,829 --> 01:09:02,920

we are born with a reptilian oversoul

1845

01:09:06,789 --> 01:09:04,839

[Music]

1846

01:09:08,870 --> 01:09:06,799

okay

1847

01:09:11,269 --> 01:09:08,880

every time someone says this oversoul

1848

01:09:13,030 --> 01:09:11,279

thing i don't get it and i'm not going

1849

01:09:15,910 --> 01:09:13,040

to go one step further into this

1850

01:09:18,229 --> 01:09:15,920

conversation until someone explains like

1851

01:09:20,229 --> 01:09:18,239

you what a damn oversoul is and i don't

1852

01:09:22,709 --> 01:09:20,239

understand it i mean i just need lori

1853

01:09:25,269 --> 01:09:22,719

and with my soul right

1854

01:09:26,950 --> 01:09:25,279

and now i've got a but we were when we

1855

01:09:29,269 --> 01:09:26,960

were dna

1856

01:09:31,030 --> 01:09:29,279

when we're our dna was crossed with with

1857

01:09:33,030 --> 01:09:31,040

the reptilian dna

1858

01:09:35,189 --> 01:09:33,040

part of the purpose of that was to get

1859

01:09:36,789 --> 01:09:35,199

was to create a

1860

01:09:39,669 --> 01:09:36,799

um

1861

01:09:41,510 --> 01:09:39,679

a psychic channel if it will or a

1862

01:09:43,669 --> 01:09:41,520

psychic attachment

1863

01:09:45,510 --> 01:09:43,679

to reptilians

1864

01:09:48,229 --> 01:09:45,520

we see we

1865

01:09:50,229 --> 01:09:48,239

we don't have control of our life death

1866

01:09:52,309 --> 01:09:50,239

cycles

1867

01:09:54,310 --> 01:09:52,319

most human most humans think that when

1868

01:09:56,149 --> 01:09:54,320

you die you're in the ground and you're

1869

01:09:57,350 --> 01:09:56,159

done

1870

01:09:59,510 --> 01:09:57,360

well they're still

1871

01:10:02,630 --> 01:09:59,520

we live on sorry our souls our

1872

01:10:05,030 --> 01:10:02,640

consciousness the conscious part of us

1873

01:10:06,630 --> 01:10:05,040

the the the spiritual energy it's called

1874

01:10:08,550 --> 01:10:06,640

the nephesh

1875

01:10:10,870 --> 01:10:08,560

uh in hebrew

1876

01:10:12,790 --> 01:10:10,880

i'm sorry i got that wrong the neshema

1877

01:10:15,270 --> 01:10:12,800

is the spiritual is the spiritual body

1878

01:10:16,950 --> 01:10:15,280

and the nephesh is the physical body the

1879

01:10:19,189 --> 01:10:16,960

nashema

1880

01:10:21,189 --> 01:10:19,199

lives on it is the part the part that

1881

01:10:23,910 --> 01:10:21,199

makes you conscious the part that it

1882

01:10:27,110 --> 01:10:23,920

doesn't it doesn't the brain

1883

01:10:29,990 --> 01:10:27,120

adds rationality and logic

1884

01:10:32,070 --> 01:10:30,000

but it's not what makes you think it's

1885

01:10:34,709 --> 01:10:32,080

not what makes you conscious it's not

1886

01:10:39,030 --> 01:10:34,719

what allows you to recognize reality

1887

01:10:40,790 --> 01:10:39,040

your spiritual consciousness

1888

01:10:42,870 --> 01:10:40,800

that's why when you have telepathy with

1889

01:10:45,270 --> 01:10:42,880

somebody you have this sense of

1890

01:10:46,470 --> 01:10:45,280

knowingness you didn't like hey i go

1891

01:10:48,229 --> 01:10:46,480

down to the store and pick me up a

1892

01:10:49,110 --> 01:10:48,239

bottle of milk

1893

01:10:51,189 --> 01:10:49,120

then

1894

01:10:52,790 --> 01:10:51,199

telepathy don't work that way

1895

01:10:54,070 --> 01:10:52,800

you just you just all of a sudden get

1896

01:10:55,910 --> 01:10:54,080

the impression oh i got to pick up a

1897

01:10:58,070 --> 01:10:55,920

bottle of milk why because

1898

01:10:59,270 --> 01:10:58,080

your mom wants you to pick up a bottle

1899

01:11:01,189 --> 01:10:59,280

of milk

1900

01:11:03,669 --> 01:11:01,199

you just suddenly know oh i got a cup of

1901

01:11:05,110 --> 01:11:03,679

bottled milk that's how telepathy how

1902

01:11:06,310 --> 01:11:05,120

you feel telepathy it's like an

1903

01:11:07,110 --> 01:11:06,320

intuition

1904

01:11:11,990 --> 01:11:07,120

it's

1905

01:11:13,669 --> 01:11:12,000

that's what super consciousness is is

1906

01:11:16,390 --> 01:11:13,679

oneness with everything when you become

1907

01:11:19,590 --> 01:11:16,400

super conscious which is a rosicrucian

1908

01:11:22,550 --> 01:11:19,600

uh term for being uh in resonance with

1909

01:11:24,550 --> 01:11:22,560

the oneself which is god you move into

1910

01:11:27,350 --> 01:11:24,560

resonance with everything

1911

01:11:28,310 --> 01:11:27,360

okay but that doesn't explain nowhere

1912

01:11:29,110 --> 01:11:28,320

yet

1913

01:11:31,990 --> 01:11:29,120

okay

1914

01:11:35,669 --> 01:11:32,000

the oversoul

1915

01:11:39,590 --> 01:11:35,679

is caused by the dna being the reptilian

1916

01:11:43,270 --> 01:11:39,600

dna being crossed with mammalian dna

1917

01:11:44,390 --> 01:11:43,280

that creates a psychic channel

1918

01:11:48,390 --> 01:11:44,400

for

1919

01:11:50,310 --> 01:11:48,400

of our consciousness

1920

01:11:51,590 --> 01:11:50,320

each and every one of us when we are

1921

01:11:54,149 --> 01:11:51,600

born

1922

01:11:55,189 --> 01:11:54,159

has a reptilian consciousness attached

1923

01:11:57,030 --> 01:11:55,199

to us

1924

01:11:59,910 --> 01:11:57,040

it's our reptilian

1925

01:12:02,470 --> 01:11:59,920

counter soul our oversoul the purpose of

1926

01:12:05,030 --> 01:12:02,480

that reptilians over soul is to use us

1927

01:12:08,550 --> 01:12:05,040

for our spiritual energy

1928

01:12:12,790 --> 01:12:08,560

we're they are immortal because of this

1929

01:12:15,750 --> 01:12:12,800

we're not more immortal because of it

1930

01:12:17,510 --> 01:12:15,760

and die because the energy that

1931

01:12:19,110 --> 01:12:17,520

beautiful brilliant

1932

01:12:22,390 --> 01:12:19,120

loving

1933

01:12:25,110 --> 01:12:22,400

healing energy that humans are notorious

1934

01:12:28,310 --> 01:12:25,120

for we have this amazing connection with

1935

01:12:29,270 --> 01:12:28,320

the god self because we're mammals

1936

01:12:32,229 --> 01:12:29,280

okay

1937

01:12:35,270 --> 01:12:32,239

something unique about us in mammals

1938

01:12:38,870 --> 01:12:35,280

allows us to have this beautiful energy

1939

01:12:41,990 --> 01:12:38,880

connection with god and that god is pure

1940

01:12:44,709 --> 01:12:42,000

love man i mean it's

1941

01:12:46,390 --> 01:12:44,719

if it's you know it's the brass ring man

1942

01:12:49,189 --> 01:12:46,400

you reach out and grab that brass ring

1943

01:12:52,070 --> 01:12:49,199

everything is beautiful with god

1944

01:12:55,189 --> 01:12:52,080

it's it's love it's it's it's abundance

1945

01:12:57,669 --> 01:12:55,199

it's it's it's resplendent it's it's

1946

01:13:00,390 --> 01:12:57,679

it's lovely everything about god so

1947

01:13:02,390 --> 01:13:00,400

that's the place i went to when i went

1948

01:13:05,030 --> 01:13:02,400

to that place of love and light

1949

01:13:06,470 --> 01:13:05,040

basically i just went there

1950

01:13:08,630 --> 01:13:06,480

and did you like it

1951

01:13:10,709 --> 01:13:08,640

loved it i didn't want to come back i i

1952

01:13:12,709 --> 01:13:10,719

tried to kill myself when i came here

1953

01:13:15,110 --> 01:13:12,719

back to this place the mods to the light

1954

01:13:21,830 --> 01:13:18,950

okay that's that that reptilian oversoul

1955

01:13:22,950 --> 01:13:21,840

that channel is siphoning that energy

1956

01:13:24,470 --> 01:13:22,960

from us

1957

01:13:28,310 --> 01:13:24,480

they don't take all of it because if

1958

01:13:32,630 --> 01:13:29,750

we die

1959

01:13:34,950 --> 01:13:32,640

but they take just enough of it and i is

1960

01:13:37,510 --> 01:13:34,960

my opinions my belief

1961

01:13:40,470 --> 01:13:37,520

that they harvest us

1962

01:13:45,270 --> 01:13:43,110

we eat we everything eats if it's

1963

01:13:47,669 --> 01:13:45,280

dynamic if it moves in our universe if

1964

01:13:50,390 --> 01:13:47,679

it exists in a gravity you got to use

1965

01:13:53,350 --> 01:13:50,400

energy you got to get it from somewhere

1966

01:13:55,110 --> 01:13:53,360

and living things are where you get

1967

01:13:57,030 --> 01:13:55,120

get life from what and what is it that

1968

01:13:59,590 --> 01:13:57,040

you're eating when you eat and being

1969

01:14:03,750 --> 01:13:59,600

when you eat chicken nut mcnuggets or

1970

01:14:07,669 --> 01:14:05,510

you're you're eating them while they may

1971

01:14:09,110 --> 01:14:07,679

taste good the truth of the matter is is

1972

01:14:10,950 --> 01:14:09,120

what's happening is you're transferring

1973

01:14:12,709 --> 01:14:10,960

its energy into you

1974

01:14:15,750 --> 01:14:12,719

that's right energy that's going from

1975

01:14:18,229 --> 01:14:15,760

that thing into you is the vital life

1976

01:14:20,950 --> 01:14:18,239

force that's what energizes your soul

1977

01:14:21,830 --> 01:14:20,960

it's what energizes it's what animates

1978

01:14:28,630 --> 01:14:21,840

you

1979

01:14:32,070 --> 01:14:28,640

okay well that's what the reptilians are

1980

01:14:34,229 --> 01:14:32,080

doing are they evil because they eat us

1981

01:14:37,510 --> 01:14:34,239

and use it for our psychic energy

1982

01:14:38,870 --> 01:14:37,520

they're smarter than we are we kill

1983

01:14:40,790 --> 01:14:38,880

we kill

1984

01:14:43,510 --> 01:14:40,800

the animals around us to get their

1985

01:14:46,390 --> 01:14:43,520

energy they don't kill us to get our

1986

01:14:48,950 --> 01:14:46,400

energy they use us on the bone

1987

01:14:51,110 --> 01:14:48,960

wow just about the time

1988

01:14:52,709 --> 01:14:51,120

just about the time we get old enough we

1989

01:14:53,990 --> 01:14:52,719

start figuring out what the hell is

1990

01:14:56,390 --> 01:14:54,000

going on

1991

01:14:58,470 --> 01:14:56,400

is when our dna kicks in and and and we

1992

01:15:01,030 --> 01:14:58,480

start deteriorating and we die

1993

01:15:03,750 --> 01:15:01,040

why it keeps us stupid it keeps the

1994

01:15:06,070 --> 01:15:03,760

whole world stupid it keeps everybody

1995

01:15:07,910 --> 01:15:06,080

stupid and everything that you learn

1996

01:15:09,669 --> 01:15:07,920

mechanically through the mental for the

1997

01:15:11,430 --> 01:15:09,679

through the physical body

1998

01:15:13,430 --> 01:15:11,440

is lost

1999

01:15:17,590 --> 01:15:13,440

when you die

2000

01:15:20,149 --> 01:15:17,600

the reptilians have figured out how to

2001
01:15:23,270 --> 01:15:20,159
propagate certain kinds of neural

2002
01:15:25,189 --> 01:15:23,280
neurological intuitions or or

2003
01:15:27,669 --> 01:15:25,199
the wrong term their

2004
01:15:30,229 --> 01:15:27,679
inheritance

2005
01:15:32,390 --> 01:15:30,239
inheritable traits dna traits

2006
01:15:33,910 --> 01:15:32,400
they have control of those areas that we

2007
01:15:36,390 --> 01:15:33,920
don't know yet our science hasn't

2008
01:15:39,030 --> 01:15:36,400
figured them out yet but but we will if

2009
01:15:40,950 --> 01:15:39,040
we're if we can continue to evolve as a

2010
01:15:42,630 --> 01:15:40,960
technical species

2011
01:15:45,110 --> 01:15:42,640
our problem is is we're coming up to

2012
01:15:47,189 --> 01:15:45,120
that period of time where

2013
01:15:48,229 --> 01:15:47,199

the reptilians are becoming aware once

2014

01:15:49,990 --> 01:15:48,239

again

2015

01:15:51,750 --> 01:15:50,000

that we're getting we're becoming

2016

01:15:53,189 --> 01:15:51,760

technically sufficiently technically

2017

01:15:55,350 --> 01:15:53,199

evolved

2018

01:15:57,270 --> 01:15:55,360

that we can actually break three of them

2019

01:15:59,110 --> 01:15:57,280

that we can figure out how to develop

2020

01:16:01,030 --> 01:15:59,120

countermeasures to get rid of their

2021

01:16:03,590 --> 01:16:01,040

influence in our world

2022

01:16:06,709 --> 01:16:03,600

and that's that's the period that's the

2023

01:16:08,790 --> 01:16:06,719

danger that's coming up uh art bell used

2024

01:16:11,189 --> 01:16:08,800

to refer to it as the quickening

2025

01:16:13,430 --> 01:16:11,199

uh everybody knows everybody knows that

2026

01:16:16,470 --> 01:16:13,440

there's something coming now the powers

2027

01:16:18,390 --> 01:16:16,480

that be have suppressed that knowledge

2028

01:16:20,149 --> 01:16:18,400

they we no longer hear people talking

2029

01:16:22,950 --> 01:16:20,159

about the quickening we no longer talk

2030

01:16:25,350 --> 01:16:22,960

about the the coming event there's a

2031

01:16:28,229 --> 01:16:25,360

coming event it's still coming but the

2032

01:16:31,030 --> 01:16:28,239

powers of beer they're manipulating the

2033

01:16:33,030 --> 01:16:31,040

the the fake news which is everywhere

2034

01:16:35,270 --> 01:16:33,040

and anybody who thinks trump is wrong on

2035

01:16:36,310 --> 01:16:35,280

that uh isn't isn't really paying

2036

01:16:39,189 --> 01:16:36,320

attention

2037

01:16:40,709 --> 01:16:39,199

because there's fake news everywhere man

2038

01:16:42,470 --> 01:16:40,719

disinformation

2039

01:16:43,350 --> 01:16:42,480

the most highly controlled society on

2040

01:16:45,189 --> 01:16:43,360

earth

2041

01:16:48,709 --> 01:16:45,199

i agree with you we're not fake news

2042

01:16:50,310 --> 01:16:48,719

here at irn no cerebral no no that's

2043

01:16:53,110 --> 01:16:50,320

true we're not fake news we may be

2044

01:16:57,430 --> 01:16:55,430

but it ain't fake it ain't fake it's

2045

01:16:58,870 --> 01:16:57,440

coming from our hearts that's for sure

2046

01:16:59,590 --> 01:16:58,880

from our hearts

2047

01:17:02,149 --> 01:16:59,600

but

2048

01:17:03,510 --> 01:17:02,159

the equivalent is being suppressed by

2049

01:17:06,550 --> 01:17:03,520

the powers that be

2050

01:17:08,310 --> 01:17:06,560

but there is we're coming up to a uh up

2051
01:17:10,070 --> 01:17:08,320
to a break point

2052
01:17:12,870 --> 01:17:10,080
and the powers that be i'm talking about

2053
01:17:15,030 --> 01:17:12,880
the reptilian the the overlords the

2054
01:17:16,870 --> 01:17:15,040
people that the the beings that own our

2055
01:17:19,350 --> 01:17:16,880
world and we think we own the world but

2056
01:17:20,550 --> 01:17:19,360
we don't we don't we're not i've never

2057
01:17:22,310 --> 01:17:20,560
felt them

2058
01:17:26,229 --> 01:17:22,320
periodically

2059
01:17:31,590 --> 01:17:28,310
and it happened to atlantis it happened

2060
01:17:33,110 --> 01:17:31,600
to ben salem it happened to lemuria

2061
01:17:35,350 --> 01:17:33,120
these are other civilizations that

2062
01:17:36,950 --> 01:17:35,360
existed prior to our current

2063
01:17:39,990 --> 01:17:36,960

civilization

2064

01:17:42,229 --> 01:17:40,000

uh if you want to get a a a snippet of

2065

01:17:45,590 --> 01:17:42,239

this get a hint of this read cornelia

2066

01:17:47,350 --> 01:17:45,600

grip his book the three uh books of

2067

01:17:52,229 --> 01:17:47,360

philosophy

2068

01:17:54,550 --> 01:17:52,239

um edited by uh by tyson donald tyson

2069

01:17:56,070 --> 01:17:54,560

there are sections of this guy was a

2070

01:17:58,310 --> 01:17:56,080

historian

2071

01:17:59,270 --> 01:17:58,320

he was he also has had a tendency to

2072

01:18:01,669 --> 01:17:59,280

write about

2073

01:18:04,149 --> 01:18:01,679

uh mystical things as well

2074

01:18:06,390 --> 01:18:04,159

but he was basically a historian that uh

2075

01:18:09,110 --> 01:18:06,400

and uh he worked for various kings of

2076

01:18:10,870 --> 01:18:09,120

the time and emperors what not

2077

01:18:13,030 --> 01:18:10,880

and the catholic church and he were not

2078

01:18:14,229 --> 01:18:13,040

on good terms

2079

01:18:18,070 --> 01:18:14,239

but

2080

01:18:21,030 --> 01:18:18,080

in there are these little uh tidbits

2081

01:18:23,350 --> 01:18:21,040

of information about gadgets and things

2082

01:18:24,630 --> 01:18:23,360

from a previous civilization and again

2083

01:18:26,470 --> 01:18:24,640

remember this book was written back in

2084

01:18:29,189 --> 01:18:26,480

the 1400s so

2085

01:18:31,590 --> 01:18:29,199

it's a pretty old book and uh and it's

2086

01:18:34,709 --> 01:18:31,600

talking about things that we have no

2087

01:18:36,550 --> 01:18:34,719

no records of uh michael kremel which is

2088

01:18:39,030 --> 01:18:36,560

the guy does the ancient civilization

2089

01:18:40,790 --> 01:18:39,040

stuff i met him once yeah michael he's a

2090

01:18:42,870 --> 01:18:40,800

great dude yeah i've known michael for

2091

01:18:44,950 --> 01:18:42,880

years yeah

2092

01:18:48,070 --> 01:18:44,960

uh he's the guy that uh

2093

01:18:50,229 --> 01:18:48,080

he studies ancient artifacts that are

2094

01:18:51,430 --> 01:18:50,239

obviously from previous civilizations

2095

01:18:52,630 --> 01:18:51,440

that weren't made in current

2096

01:18:55,189 --> 01:18:52,640

civilizations you know like where

2097

01:18:57,030 --> 01:18:55,199

they'll find a locket inside of olympic

2098

01:19:00,070 --> 01:18:57,040

coal that's you know eight million years

2099

01:19:02,229 --> 01:19:00,080

old and they break it open and this in

2100

01:19:04,550 --> 01:19:02,239

it the coal is wrapped completely around

2101

01:19:06,149 --> 01:19:04,560

the gold locket and then silence is a

2102

01:19:08,470 --> 01:19:06,159

strange photograph

2103

01:19:09,910 --> 01:19:08,480

of somebody and but the the olympic

2104

01:19:11,350 --> 01:19:09,920

cold's carbon dated back to eight

2105

01:19:13,590 --> 01:19:11,360

million years

2106

01:19:15,590 --> 01:19:13,600

you know how did they how did a a gold

2107

01:19:17,430 --> 01:19:15,600

locket get stuck into

2108

01:19:19,590 --> 01:19:17,440

a lump of coal that's you know eight

2109

01:19:22,229 --> 01:19:19,600

million years old those kinds of uh you

2110

01:19:23,990 --> 01:19:22,239

know artifacts yeah yeah and there are

2111

01:19:26,550 --> 01:19:24,000

little pieces of it here and there you

2112

01:19:30,630 --> 01:19:26,560

know we have had multiple civilizations

2113

01:19:32,790 --> 01:19:30,640

here apparently as best as i can tell

2114

01:19:33,910 --> 01:19:32,800

uh and the rosicrucians also talk about

2115

01:19:36,070 --> 01:19:33,920

this

2116

01:19:38,229 --> 01:19:36,080

uh is that our civilization has been

2117

01:19:40,390 --> 01:19:38,239

seated five times and that this is the

2118

01:19:41,830 --> 01:19:40,400

five route race we're in the fifth route

2119

01:19:44,149 --> 01:19:41,840

race right now and we're coming up to

2120

01:19:46,310 --> 01:19:44,159

the epic which seems to be right around

2121

01:19:51,430 --> 01:19:46,320

26 000 years

2122

01:19:53,510 --> 01:19:51,440

crawl out of the caves

2123

01:19:55,910 --> 01:19:53,520

to getting to the point where we got

2124

01:19:58,950 --> 01:19:55,920

uh light coming from crystals just like

2125

01:20:00,470 --> 01:19:58,960

in in atlantis right okay atlantis

2126
01:20:05,669 --> 01:20:00,480
crystals remember everybody's talking

2127
01:20:10,790 --> 01:20:08,390
yeah and so it is well

2128
01:20:13,270 --> 01:20:10,800
it isn't just the led lighting it's all

2129
01:20:15,510 --> 01:20:13,280
of it i mean we use crystals and silicon

2130
01:20:18,630 --> 01:20:15,520
to run our computers you know

2131
01:20:20,470 --> 01:20:18,640
i mean it's everywhere you know

2132
01:20:21,590 --> 01:20:20,480
we were in a crystalline civilization

2133
01:20:22,550 --> 01:20:21,600
right now

2134
01:20:24,550 --> 01:20:22,560
yep

2135
01:20:25,830 --> 01:20:24,560
without it we couldn't run anything we

2136
01:20:28,229 --> 01:20:25,840
do right now

2137
01:20:30,830 --> 01:20:28,239
right well that's exactly what atlantis

2138
01:20:32,390 --> 01:20:30,840

was was noted for being a crystalline

2139

01:20:33,669 --> 01:20:32,400

civilization

2140

01:20:35,830 --> 01:20:33,679

and the

2141

01:20:38,229 --> 01:20:35,840

the disinformation

2142

01:20:39,910 --> 01:20:38,239

hockey puck story that was going around

2143

01:20:41,830 --> 01:20:39,920

when i was growing up is that they

2144

01:20:43,510 --> 01:20:41,840

became too evil and that's why the

2145

01:20:45,030 --> 01:20:43,520

civilization got hammered well the truth

2146

01:20:47,110 --> 01:20:45,040

of the matter is is

2147

01:20:50,310 --> 01:20:47,120

i think they got hammered because

2148

01:20:54,310 --> 01:20:52,070

and that the brazilians you know it's

2149

01:20:56,390 --> 01:20:54,320

like milk if you have milk in there and

2150

01:20:57,830 --> 01:20:56,400

you don't move it

2151
01:20:59,910 --> 01:20:57,840
you go in there and look and it's

2152
01:21:00,790 --> 01:20:59,920
starting to smell bad shake it you shake

2153
01:21:02,390 --> 01:21:00,800
it you know what you're doing you're

2154
01:21:04,390 --> 01:21:02,400
breaking up the culture

2155
01:21:05,830 --> 01:21:04,400
the culture that's forming inside the

2156
01:21:11,750 --> 01:21:05,840
milk

2157
01:21:14,310 --> 01:21:11,760
right but it's becoming

2158
01:21:17,110 --> 01:21:14,320
an organization is becoming an organism

2159
01:21:19,189 --> 01:21:17,120
it's becoming organized and structured

2160
01:21:21,669 --> 01:21:19,199
and that's what a culture is

2161
01:21:22,870 --> 01:21:21,679
and by shaking it you break up that

2162
01:21:24,950 --> 01:21:22,880
culture

2163
01:21:26,470 --> 01:21:24,960

you keep it nice and tasty

2164

01:21:28,229 --> 01:21:26,480

well that's what the reptilians come and

2165

01:21:30,709 --> 01:21:28,239

do to us that periodically is they shake

2166

01:21:32,550 --> 01:21:30,719

up our culture they shake us up to break

2167

01:21:35,510 --> 01:21:32,560

up our structures

2168

01:21:38,229 --> 01:21:35,520

you know yeah here we're not

2169

01:21:39,510 --> 01:21:38,239

they don't want us to escape

2170

01:21:41,669 --> 01:21:39,520

well of course

2171

01:21:43,669 --> 01:21:41,679

they don't want us to go to the stars

2172

01:21:44,790 --> 01:21:43,679

if we make contact with other species

2173

01:21:46,709 --> 01:21:44,800

out there

2174

01:21:48,470 --> 01:21:46,719

they will say hey you guys are under the

2175

01:21:48,750 --> 01:21:48,480

thumbs of the reptilians and we can help

2176

01:21:49,990 --> 01:21:48,760

you

2177

01:21:52,390 --> 01:21:50,000

[Music]

2178

01:21:54,149 --> 01:21:52,400

well that's what everybody seems to be

2179

01:21:55,910 --> 01:21:54,159

saying these days there's many more

2180

01:21:57,310 --> 01:21:55,920

people out there having contact with

2181

01:22:00,070 --> 01:21:57,320

other types of

2182

01:22:02,310 --> 01:22:00,080

extraterrestrials or other dimensional

2183

01:22:05,350 --> 01:22:02,320

beings or something i mean at least i

2184

01:22:08,470 --> 01:22:05,360

have had what i consider contact with an

2185

01:22:10,149 --> 01:22:08,480

angelic being okay because my my people

2186

01:22:11,590 --> 01:22:10,159

don't ever appear but i know they're

2187

01:22:13,110 --> 01:22:11,600

angels okay

2188

01:22:15,910 --> 01:22:13,120

so i know they're really a higher

2189

01:22:18,149 --> 01:22:15,920

dimensional vibrational being

2190

01:22:21,030 --> 01:22:18,159

they basically kept me

2191

01:22:23,270 --> 01:22:21,040

safe from the reptilians that i know of

2192

01:22:24,629 --> 01:22:23,280

you know maybe they're lying to me but

2193

01:22:27,270 --> 01:22:24,639

i've always felt that i've been

2194

01:22:29,189 --> 01:22:27,280

protected now have you felt that as well

2195

01:22:32,070 --> 01:22:29,199

or is there any way to protect yourself

2196

01:22:36,470 --> 01:22:34,790

if you if you draw their ire

2197

01:22:38,229 --> 01:22:36,480

you'll need protection

2198

01:22:39,830 --> 01:22:38,239

yeah

2199

01:22:43,270 --> 01:22:39,840

i've heard that too

2200

01:22:45,189 --> 01:22:43,280

my problem is is that fortunately for me

2201

01:22:48,709 --> 01:22:45,199

i did draw their ire

2202

01:22:50,950 --> 01:22:48,719

and um i was under i was being attacked

2203

01:22:53,030 --> 01:22:50,960

and and it was it was quite significant

2204

01:22:55,270 --> 01:22:53,040

and it was very unpleasant

2205

01:22:56,390 --> 01:22:55,280

yeah and i had the help of millicent

2206

01:22:59,910 --> 01:22:56,400

coleman

2207

01:23:02,229 --> 01:22:59,920

yep who uh who saved my she saved my ass

2208

01:23:03,350 --> 01:23:02,239

yeah she thank god

2209

01:23:04,390 --> 01:23:03,360

kabbalah

2210

01:23:06,790 --> 01:23:04,400

yeah

2211

01:23:08,709 --> 01:23:06,800

and she's she's she literally she worked

2212

01:23:10,070 --> 01:23:08,719

with me every day free of charge for

2213

01:23:12,149 --> 01:23:10,080

three years

2214

01:23:15,350 --> 01:23:12,159

yeah thank god for melissa that's going

2215

01:23:17,030 --> 01:23:15,360

to go on your tombstone sweetie

2216

01:23:19,189 --> 01:23:17,040

yeah and um

2217

01:23:21,430 --> 01:23:19,199

and she passed away from cancer

2218

01:23:23,430 --> 01:23:21,440

i know isn't that interesting so did

2219

01:23:25,270 --> 01:23:23,440

carla turner so did everybody else

2220

01:23:28,229 --> 01:23:25,280

that's ever had anything to do with the

2221

01:23:30,550 --> 01:23:28,239

whole reptilian underground you know

2222

01:23:32,149 --> 01:23:30,560

very intriguing to me hey you know what

2223

01:23:34,550 --> 01:23:32,159

we've got about 20 minutes left in the

2224

01:23:36,550 --> 01:23:34,560

show and i promised everybody we would

2225

01:23:37,990 --> 01:23:36,560

get to their questions so i think we

2226

01:23:39,669 --> 01:23:38,000

should do it right now and then if we've

2227

01:23:42,709 --> 01:23:39,679

got time left over i'm going to ask you

2228

01:23:44,790 --> 01:23:42,719

some specific questions myself but uh do

2229

01:23:45,590 --> 01:23:44,800

you mind come on doing great love it

2230

01:23:49,350 --> 01:23:45,600

okay

2231

01:23:51,910 --> 01:23:49,360

this was from carol i believe yeah it

2232

01:23:54,550 --> 01:23:51,920

says could pl plutronus elaborate on

2233

01:23:57,270 --> 01:23:54,560

what his specific interactions were with

2234

01:24:02,550 --> 01:23:57,280

the reptilians and when and where have

2235

01:24:06,310 --> 01:24:04,310

i think we kind of covered that didn't

2236

01:24:07,590 --> 01:24:06,320

we about the ships and and you've seen

2237

01:24:09,430 --> 01:24:07,600

that have you ever

2238

01:24:11,510 --> 01:24:09,440

mostly my house

2239

01:24:14,310 --> 01:24:11,520

mostly most of these most of this stuff

2240

01:24:16,550 --> 01:24:14,320

happened in my house in an alternate in

2241

01:24:18,229 --> 01:24:16,560

an alternate reality and you've got to

2242

01:24:19,590 --> 01:24:18,239

understand i was raised in the in the

2243

01:24:20,790 --> 01:24:19,600

road secretion

2244

01:24:22,629 --> 01:24:20,800

uh

2245

01:24:24,470 --> 01:24:22,639

secret it's a secret

2246

01:24:26,310 --> 01:24:24,480

mystical society and the reason why

2247

01:24:28,950 --> 01:24:26,320

they're secret is so that we don't get

2248

01:24:29,750 --> 01:24:28,960

hounded by the religious authorities

2249

01:24:30,550 --> 01:24:29,760

who

2250

01:24:32,950 --> 01:24:30,560

are

2251

01:24:33,910 --> 01:24:32,960

you know ruled by the reptilians

2252

01:24:35,270 --> 01:24:33,920

i mean

2253

01:24:38,149 --> 01:24:35,280

you look at the religions who's the

2254

01:24:40,870 --> 01:24:38,159

number one guy and all the real you know

2255

01:24:42,870 --> 01:24:40,880

most of christianity it's jesus christ

2256

01:24:46,310 --> 01:24:42,880

and the devil and who's the devil the

2257

01:24:49,110 --> 01:24:46,320

reptilians yeah yeah okay

2258

01:24:50,310 --> 01:24:49,120

who has more power the reptilians or

2259

01:24:52,390 --> 01:24:50,320

jesus

2260

01:24:54,629 --> 01:24:52,400

i mean in terms of how they promote it

2261

01:24:56,070 --> 01:24:54,639

in the churches

2262

01:24:57,510 --> 01:24:56,080

well

2263

01:24:59,350 --> 01:24:57,520

in the number one the number one the

2264

01:25:01,189 --> 01:24:59,360

number one uh guys were after the

2265

01:25:03,030 --> 01:25:01,199

rosicrucians and the knights templars

2266

01:25:05,510 --> 01:25:03,040

and all those guys was the catholic

2267

01:25:08,149 --> 01:25:05,520

church and their big boy was satan which

2268

01:25:09,590 --> 01:25:08,159

is you know reptilian yeah that's true

2269

01:25:13,830 --> 01:25:09,600

bright red

2270

01:25:16,149 --> 01:25:13,840

goat goat eyes bat like wings that looks

2271

01:25:18,709 --> 01:25:16,159

like a draco to me

2272

01:25:21,270 --> 01:25:18,719

[h__\h] sir sounds like it well have you

2273

01:25:22,950 --> 01:25:21,280

ever had one appeared to you like in 3d

2274

01:25:25,270 --> 01:25:22,960

reality when you've been like walking

2275

01:25:26,950 --> 01:25:25,280

out to your car or anything remember the

2276

01:25:28,390 --> 01:25:26,960

story of barbara lamb and she's walking

2277

01:25:30,149 --> 01:25:28,400

through her living room and one appears

2278

01:25:32,550 --> 01:25:30,159

in her living room

2279

01:25:34,790 --> 01:25:32,560

i had one appear to me in the shower

2280

01:25:35,910 --> 01:25:34,800

standing next to me in the shower oh

2281

01:25:38,870 --> 01:25:35,920

shoot

2282

01:25:40,950 --> 01:25:38,880

millicent millicent and her mentor

2283

01:25:43,430 --> 01:25:40,960

working with me to try to get it they

2284

01:25:46,709 --> 01:25:43,440

were trying to get it out of my soul

2285

01:25:48,229 --> 01:25:46,719

ah and uh and it popped out of me it

2286

01:25:50,070 --> 01:25:48,239

literally popped out of me while i was

2287

01:25:52,870 --> 01:25:50,080

in the shower and looked at me and said

2288

01:25:54,950 --> 01:25:52,880

respect respect just like that and it

2289

01:25:56,870 --> 01:25:54,960

popped back in

2290

01:25:59,350 --> 01:25:56,880

well you know it's interesting that you

2291

01:26:01,270 --> 01:25:59,360

said he talked like that because that's

2292

01:26:03,430 --> 01:26:01,280

exactly what the reptilian did to me

2293

01:26:05,350 --> 01:26:03,440

that grabbed me around the waist

2294

01:26:07,669 --> 01:26:05,360

in the car while i was driving and put

2295

01:26:08,709 --> 01:26:07,679

his reptilian skin up to my cheek from

2296

01:26:10,870 --> 01:26:08,719

behind

2297

01:26:12,629 --> 01:26:10,880

and said i love you

2298

01:26:14,629 --> 01:26:12,639

and i was like uh

2299

01:26:16,550 --> 01:26:14,639

it totally flipped me out totally

2300

01:26:18,470 --> 01:26:16,560

flipped me out so you're so that could

2301
01:26:20,310 --> 01:26:18,480
have been my own reptilian

2302
01:26:21,189 --> 01:26:20,320
yep popping out

2303
01:26:23,910 --> 01:26:21,199
yep

2304
01:26:25,270 --> 01:26:23,920
oh jesus now i'm really freaked out okay

2305
01:26:28,550 --> 01:26:25,280
well let's get on to the next question

2306
01:26:30,790 --> 01:26:28,560
before i even think about that too long

2307
01:26:33,030 --> 01:26:30,800
okay next question is from durham and he

2308
01:26:36,550 --> 01:26:33,040
wants to know if plutonium thinks the

2309
01:26:39,189 --> 01:26:36,560
abduction of linda cortile courtiel

2310
01:26:41,590 --> 01:26:39,199
do you know linda's cornell's story oh

2311
01:26:43,830 --> 01:26:41,600
and the u.n secretary general javier

2312
01:26:47,510 --> 01:26:43,840
perez the cellar

2313
01:26:50,149 --> 01:26:47,520

was in my lab in response to george h

2314

01:26:52,390 --> 01:26:50,159

george h.w bush's plan to disclose the

2315

01:26:54,950 --> 01:26:52,400

ufo e.t truth

2316

01:26:56,790 --> 01:26:54,960

where what i i'm sorry durham i don't

2317

01:26:58,790 --> 01:26:56,800

understand the question because we don't

2318

01:27:00,870 --> 01:26:58,800

know who these people are

2319

01:27:03,990 --> 01:27:00,880

did you know the u.n secretary general

2320

01:27:06,310 --> 01:27:04,000

javier perez d said they are was it my

2321

01:27:09,350 --> 01:27:06,320

labs person did you know anything about

2322

01:27:11,189 --> 01:27:09,360

this tron i didn't know nothing about it

2323

01:27:12,950 --> 01:27:11,199

i know i don't really spend a lot of

2324

01:27:14,870 --> 01:27:12,960

time around the my lab stuff i believe

2325

01:27:17,110 --> 01:27:14,880

that there's something to the to to my

2326

01:27:19,350 --> 01:27:17,120

labs and there's without a question of a

2327

01:27:21,510 --> 01:27:19,360

doubt something going on in in mind

2328

01:27:23,430 --> 01:27:21,520

control and

2329

01:27:25,110 --> 01:27:23,440

i did spend a little time around that

2330

01:27:28,149 --> 01:27:25,120

and it was a very

2331

01:27:29,669 --> 01:27:28,159

it was dicey man it was dark wasn't it

2332

01:27:31,430 --> 01:27:29,679

it was dark and it was dicey and there

2333

01:27:33,590 --> 01:27:31,440

were a lot of people out there

2334

01:27:35,750 --> 01:27:33,600

being bothered by it and i don't have a

2335

01:27:36,629 --> 01:27:35,760

clue what's going on in that area

2336

01:27:38,950 --> 01:27:36,639

uh

2337

01:27:41,270 --> 01:27:38,960

everything i was having so much my own

2338

01:27:43,830 --> 01:27:41,280

problems at the time that when i put my

2339

01:27:45,189 --> 01:27:43,840

focus on it i would get these itches all

2340

01:27:46,870 --> 01:27:45,199

over my skin

2341

01:27:48,709 --> 01:27:46,880

it was itchy and i just i couldn't even

2342

01:27:50,229 --> 01:27:48,719

stand to be around i had to i had this i

2343

01:27:51,750 --> 01:27:50,239

had to separate myself from the

2344

01:27:54,310 --> 01:27:51,760

environment and get completely away from

2345

01:27:55,910 --> 01:27:54,320

it yep yep no i understand completely

2346

01:27:57,830 --> 01:27:55,920

there are people just can't deal with it

2347

01:27:59,350 --> 01:27:57,840

and i get that it's a total different

2348

01:28:02,790 --> 01:27:59,360

thing i'm sorry durham we don't know who

2349

01:28:04,390 --> 01:28:02,800

they are yeah if you can look into it

2350

01:28:06,390 --> 01:28:04,400

yeah i will too

2351

01:28:08,310 --> 01:28:06,400

i don't know who linda cortel is and the

2352

01:28:10,790 --> 01:28:08,320

name sounds familiar but i just don't

2353

01:28:11,750 --> 01:28:10,800

know something that name will you but

2354

01:28:13,910 --> 01:28:11,760

later

2355

01:28:15,830 --> 01:28:13,920

send that to me skype chat right now

2356

01:28:18,229 --> 01:28:15,840

it's in the skype chat if you can open

2357

01:28:21,189 --> 01:28:18,239

it up you'll see it so the next question

2358

01:28:23,990 --> 01:28:21,199

is from max and he says in most cases

2359

01:28:27,510 --> 01:28:24,000

aliens do not have sexual

2360

01:28:29,750 --> 01:28:27,520

tools as we have built in at birth so

2361

01:28:31,830 --> 01:28:29,760

how is it they made or have crossbreeds

2362

01:28:33,270 --> 01:28:31,840

among the mixture of the living

2363

01:28:34,709 --> 01:28:33,280

so um

2364

01:28:36,149 --> 01:28:34,719

because this kind of i think what he's

2365

01:28:37,669 --> 01:28:36,159

referring to is back when you were

2366

01:28:39,510 --> 01:28:37,679

saying that they were mules that they

2367

01:28:42,070 --> 01:28:39,520

didn't have the sex organs how in the

2368

01:28:43,669 --> 01:28:42,080

heck they were eating with us but we

2369

01:28:46,149 --> 01:28:43,679

didn't go on to the next phase which

2370

01:28:47,990 --> 01:28:46,159

says they created uh

2371

01:28:49,910 --> 01:28:48,000

we just said they created two species we

2372

01:28:53,510 --> 01:28:49,920

didn't elaborate upon

2373

01:28:56,550 --> 01:28:53,520

uh you know much about it so um

2374

01:28:58,470 --> 01:28:56,560

so how do they mate well i you know well

2375

01:29:01,510 --> 01:28:58,480

the reptilians have they have wieners

2376

01:29:02,470 --> 01:29:01,520

just like we do oh they do

2377

01:29:04,629 --> 01:29:02,480

yep

2378

01:29:07,110 --> 01:29:04,639

well they're our cousins man

2379

01:29:08,709 --> 01:29:07,120

well true now did you notice when that

2380

01:29:11,350 --> 01:29:08,719

one popped out in the shower with you if

2381

01:29:13,590 --> 01:29:11,360

he had his junk or i wasn't paying much

2382

01:29:15,430 --> 01:29:13,600

attention i was gonna have fun i had

2383

01:29:17,350 --> 01:29:15,440

other things on my mind

2384

01:29:18,149 --> 01:29:17,360

then she were freaking face to face with

2385

01:29:21,350 --> 01:29:18,159

something that looked like a

2386

01:29:23,590 --> 01:29:21,360

tyrannosaurus rex okay

2387

01:29:25,910 --> 01:29:23,600

in a shower with me man

2388

01:29:27,910 --> 01:29:25,920

and i i have to tell you it was it was

2389

01:29:30,790 --> 01:29:27,920

uh it was dicey

2390

01:29:33,430 --> 01:29:30,800

it was nicely done

2391

01:29:35,110 --> 01:29:33,440

i'm sorry i'm laughing but yeah the last

2392

01:29:36,790 --> 01:29:35,120

thing i'd be looking for is i'd go

2393

01:29:42,629 --> 01:29:36,800

excuse me we didn't excuse me do you

2394

01:29:46,870 --> 01:29:44,470

it's like oh come on

2395

01:29:48,149 --> 01:29:46,880

okay max you gave us a good laugh i love

2396

01:29:49,270 --> 01:29:48,159

that thank you

2397

01:29:51,430 --> 01:29:49,280

um

2398

01:29:53,910 --> 01:29:51,440

max says that you're saying that they

2399

01:29:55,830 --> 01:29:53,920

the reptilians are stealing our souls

2400

01:29:57,030 --> 01:29:55,840

and he's just kind of shocked about that

2401

01:29:58,870 --> 01:29:57,040

is is that i don't think they're

2402

01:30:01,910 --> 01:29:58,880

stealing our souls i think what they're

2403

01:30:05,110 --> 01:30:01,920

doing is they're siphoning the uh vital

2404

01:30:07,270 --> 01:30:05,120

life force out of our egg shell

2405

01:30:09,350 --> 01:30:07,280

ah yeah that's what keeps

2406

01:30:11,590 --> 01:30:09,360

that's what that's what heals us the

2407

01:30:13,750 --> 01:30:11,600

healing power it's the it's the body

2408

01:30:16,070 --> 01:30:13,760

life force is the healing power of the

2409

01:30:17,270 --> 01:30:16,080

human of the human soul

2410

01:30:18,830 --> 01:30:17,280

of the human

2411

01:30:21,990 --> 01:30:18,840

uh

2412

01:30:24,629 --> 01:30:22,000

um human entity is we're a complex

2413

01:30:26,709 --> 01:30:24,639

machine it's not just a soul

2414

01:30:29,270 --> 01:30:26,719

there's there's there's there's

2415

01:30:31,830 --> 01:30:29,280

spiritual layers there's the rx shell

2416

01:30:34,149 --> 01:30:31,840

which is actually a protection shell

2417

01:30:36,629 --> 01:30:34,159

uh and then there's then there's the

2418

01:30:38,390 --> 01:30:36,639

psychic body and then there's the uh

2419

01:30:40,950 --> 01:30:38,400

sympathetic nervous system and there's

2420

01:30:44,470 --> 01:30:40,960

all kinds of layers of spiritual

2421

01:30:46,830 --> 01:30:44,480

circuitry you might might say and in

2422

01:30:49,910 --> 01:30:46,840

this spiritual circuitry the

2423

01:30:52,709 --> 01:30:49,920

reptilians siphoned that energy and

2424

01:30:54,870 --> 01:30:52,719

that's and as best as i can tell they

2425

01:30:57,110 --> 01:30:54,880

well you know

2426

01:30:59,510 --> 01:30:57,120

the guys who that the two brothers one

2427

01:31:01,270 --> 01:30:59,520

of which has had a sex change recently

2428

01:31:04,310 --> 01:31:01,280

um the

2429

01:31:05,990 --> 01:31:04,320

brothers that's right uh they used to

2430

01:31:07,270 --> 01:31:06,000

come to my parties

2431

01:31:10,070 --> 01:31:07,280

at my

2432

01:31:12,870 --> 01:31:10,080

the matrix the matrix uh boys used to

2433

01:31:15,430 --> 01:31:12,880

come to my party and i believe that the

2434

01:31:17,510 --> 01:31:15,440

matrix is based on my story

2435

01:31:18,390 --> 01:31:17,520

and they showed what they did is they

2436

01:31:20,629 --> 01:31:18,400

showed

2437

01:31:22,790 --> 01:31:20,639

uh humans as being like the evergreen

2438

01:31:25,990 --> 01:31:22,800

every ready batteries

2439

01:31:29,189 --> 01:31:26,000

for an artificial intelligence uh you

2440

01:31:32,310 --> 01:31:29,199

know quasi holographic machine of some

2441

01:31:33,270 --> 01:31:32,320

kind whereas what i see happening is

2442

01:31:33,990 --> 01:31:33,280

that the

2443

01:31:36,310 --> 01:31:34,000

uh

2444

01:31:38,470 --> 01:31:36,320

that the reptilian civilization is

2445

01:31:40,470 --> 01:31:38,480

powered by it they're a psionic

2446

01:31:44,390 --> 01:31:40,480

civilization meaning that their their

2447

01:31:46,950 --> 01:31:44,400

technical spirituality it's machines

2448

01:31:50,310 --> 01:31:46,960

uh that have vibrated up into a higher

2449

01:31:53,430 --> 01:31:50,320

dimension that are powered and fueled by

2450

01:31:55,350 --> 01:31:53,440

the vital life force of humanity that's

2451

01:31:58,390 --> 01:31:55,360

what i think is happening now it's

2452

01:32:00,149 --> 01:31:58,400

that's speculation on my part i do have

2453

01:32:02,629 --> 01:32:00,159

some uh

2454

01:32:05,030 --> 01:32:02,639

technical support information support of

2455

01:32:07,830 --> 01:32:05,040

that but i can't i there's not enough

2456

01:32:09,990 --> 01:32:07,840

time in in 10 shows to describe it and

2457

01:32:10,830 --> 01:32:10,000

get into the details of how i came to

2458

01:32:13,030 --> 01:32:10,840

that

2459

01:32:14,709 --> 01:32:13,040

realization but

2460

01:32:17,270 --> 01:32:14,719

and it's difficult enough to just

2461

01:32:19,910 --> 01:32:17,280

describe the psionic aspects

2462

01:32:21,910 --> 01:32:19,920

psionics is the technical application on

2463

01:32:23,430 --> 01:32:21,920

the engineering application of the

2464

01:32:25,590 --> 01:32:23,440

spiritual world

2465

01:32:27,750 --> 01:32:25,600

just like we take a little bit drill the

2466

01:32:29,669 --> 01:32:27,760

physical world that

2467

01:32:32,709 --> 01:32:29,679

what we perceive as the physical world

2468

01:32:34,790 --> 01:32:32,719

is also a spiritual world but because

2469

01:32:36,149 --> 01:32:34,800

and there's nothing physical i mean well

2470

01:32:38,470 --> 01:32:36,159

you know you know how i got it with an

2471

01:32:39,910 --> 01:32:38,480

electron microscope yeah i was gonna say

2472

01:32:43,270 --> 01:32:39,920

you know how i know you're telling the

2473

01:32:45,830 --> 01:32:43,280

exact truth is because when dr um isn't

2474

01:32:48,229 --> 01:32:45,840

imoto discovered that water crystals

2475

01:32:49,590 --> 01:32:48,239

change without you know frequencies of

2476

01:32:51,830 --> 01:32:49,600

love and hate

2477

01:32:53,669 --> 01:32:51,840

well don't tell me that's not spiritual

2478

01:32:56,229 --> 01:32:53,679

that's a perfect example of how

2479

01:32:58,790 --> 01:32:56,239

spiritual water alone is

2480

01:33:00,470 --> 01:32:58,800

you know one of the water is one of the

2481

01:33:01,350 --> 01:33:00,480

one of the elements man one of what they

2482

01:33:02,390 --> 01:33:01,360

call the

2483

01:33:05,270 --> 01:33:02,400

fence

2484

01:33:08,229 --> 01:33:05,280

hydrogen water water hydrogen of air

2485

01:33:10,790 --> 01:33:08,239

fire and water you know yeah exactly and

2486

01:33:12,950 --> 01:33:10,800

see this is and if people don't grasp

2487

01:33:14,870 --> 01:33:12,960

just that then you can't even get them

2488

01:33:16,709 --> 01:33:14,880

to the next level you know it's like my

2489

01:33:18,550 --> 01:33:16,719

father's an atheist i'll never get him

2490

01:33:19,990 --> 01:33:18,560

to even understand that

2491

01:33:22,070 --> 01:33:20,000

you know well

2492

01:33:23,910 --> 01:33:22,080

somebody needs to jolt him psychically

2493

01:33:25,669 --> 01:33:23,920

and then and then they they become

2494

01:33:27,350 --> 01:33:25,679

overnight believers

2495

01:33:29,110 --> 01:33:27,360

well you know how i'm going to jolt him

2496

01:33:31,510 --> 01:33:29,120

psychically i've been saying to him

2497

01:33:33,590 --> 01:33:31,520

every time i see him and i say goodbye i

2498

01:33:34,550 --> 01:33:33,600

said now remember if i don't see you

2499

01:33:37,189 --> 01:33:34,560

here

2500

01:33:39,350 --> 01:33:37,199

your job is when you pass over some

2501
01:33:41,350 --> 01:33:39,360
night to come and see me and say hello

2502
01:33:43,950 --> 01:33:41,360
and say guess what you were right all

2503
01:33:45,669 --> 01:33:43,960
along there is another place to go

2504
01:33:47,910 --> 01:33:45,679
unfortunately

2505
01:33:51,030 --> 01:33:47,920
i've come to realize that

2506
01:33:53,669 --> 01:33:51,040
the as conscious used as conscious as

2507
01:33:56,390 --> 01:33:53,679
you are here in this world is how

2508
01:33:58,709 --> 01:33:56,400
conscious you are in the at zero world

2509
01:34:02,470 --> 01:33:58,719
so if you work to be conscious and yet

2510
01:34:07,189 --> 01:34:04,870
the level of consciousness that you

2511
01:34:09,110 --> 01:34:07,199
achieve while you're in the flesh

2512
01:34:11,189 --> 01:34:09,120
by being awakened yet zero and there are

2513
01:34:13,110 --> 01:34:11,199

processes for doing this the road

2514

01:34:16,070 --> 01:34:13,120

secretion orders and the masonic orders

2515

01:34:18,310 --> 01:34:16,080

teach how to be awake simultaneously in

2516

01:34:19,270 --> 01:34:18,320

both the asea and yet zero at the same

2517

01:34:22,629 --> 01:34:19,280

time

2518

01:34:25,030 --> 01:34:22,639

and the when you start learning how to

2519

01:34:27,990 --> 01:34:25,040

be conscious in yet zero and then

2520

01:34:30,310 --> 01:34:28,000

continue the lessons the kabbalistic

2521

01:34:31,830 --> 01:34:30,320

lessons or the rosicrucian lessons

2522

01:34:33,270 --> 01:34:31,840

they're all different kinds of pathways

2523

01:34:35,110 --> 01:34:33,280

to doing this

2524

01:34:37,430 --> 01:34:35,120

some are safer than others

2525

01:34:39,750 --> 01:34:37,440

uh the more conscious you are in yet

2526

01:34:41,830 --> 01:34:39,760

zero while you're in the flesh that same

2527

01:34:43,750 --> 01:34:41,840

level of consciousness is how conscious

2528

01:34:46,390 --> 01:34:43,760

you are when you pass over when you

2529

01:34:48,390 --> 01:34:46,400

transition when you drop your body

2530

01:34:50,310 --> 01:34:48,400

when you drop the physicality of your

2531

01:34:51,990 --> 01:34:50,320

body and you're floating around and yet

2532

01:34:54,149 --> 01:34:52,000

zeroed like a ghost

2533

01:34:55,990 --> 01:34:54,159

your can be just as conscious as you

2534

01:34:58,390 --> 01:34:56,000

were when you were in the flesh it's

2535

01:35:00,390 --> 01:34:58,400

important to be conscious here because

2536

01:35:03,350 --> 01:35:00,400

you have the ability for

2537

01:35:05,270 --> 01:35:03,360

the drive the will and the logic to be

2538

01:35:08,550 --> 01:35:05,280

able to do the necessary things to learn

2539

01:35:10,470 --> 01:35:08,560

how to be conscious in yet zero now yeah

2540

01:35:11,910 --> 01:35:10,480

it's not that big a deal i mean you know

2541

01:35:12,870 --> 01:35:11,920

everybody's scared to die because you

2542

01:35:16,310 --> 01:35:12,880

don't know what the hell is going to

2543

01:35:19,350 --> 01:35:16,320

happen and we do have to we do go

2544

01:35:21,990 --> 01:35:19,360

through realms of hell unfortunately

2545

01:35:23,750 --> 01:35:22,000

but it's but it's not forever

2546

01:35:25,110 --> 01:35:23,760

now and you don't have to give your soul

2547

01:35:27,350 --> 01:35:25,120

to jesus

2548

01:35:30,229 --> 01:35:27,360

and you don't yeah you don't have to do

2549

01:35:31,750 --> 01:35:30,239

that is that you know it's sad that so

2550

01:35:34,070 --> 01:35:31,760

many people are duped into thinking

2551

01:35:36,229 --> 01:35:34,080

that's the only way to get there you

2552

01:35:37,590 --> 01:35:36,239

know i love jesus don't get me wrong but

2553

01:35:39,590 --> 01:35:37,600

i love it

2554

01:35:41,669 --> 01:35:39,600

anyway yeah that doesn't get you out

2555

01:35:43,510 --> 01:35:41,679

giving your sins to jesus doesn't get

2556

01:35:45,590 --> 01:35:43,520

you out of the out of the soup baby

2557

01:35:46,550 --> 01:35:45,600

that's right we all have to pay our own

2558

01:35:48,709 --> 01:35:46,560

debts

2559

01:35:51,189 --> 01:35:48,719

that's exact i was just going to say you

2560

01:35:53,270 --> 01:35:51,199

have to be forgiven by yourself first

2561

01:35:54,149 --> 01:35:53,280

and god second and then maybe you'll get

2562

01:35:55,350 --> 01:35:54,159

there

2563

01:35:57,350 --> 01:35:55,360

you know

2564

01:35:59,830 --> 01:35:57,360

and then you reincarnate

2565

01:36:02,310 --> 01:35:59,840

yeah yeah well hopefully we reincarnate

2566

01:36:03,910 --> 01:36:02,320

back to the planet earth uh i don't want

2567

01:36:05,270 --> 01:36:03,920

to be here again

2568

01:36:07,270 --> 01:36:05,280

that's what i want i don't want to come

2569

01:36:09,110 --> 01:36:07,280

back anymore man i'm tired but you know

2570

01:36:11,110 --> 01:36:09,120

one little thing and i end up in prison

2571

01:36:12,790 --> 01:36:11,120

one little thing i'm a combat soldier

2572

01:36:14,870 --> 01:36:12,800

sticking people with knives again i

2573

01:36:16,870 --> 01:36:14,880

don't want to do all that stuff i want

2574

01:36:20,149 --> 01:36:16,880

to be you know if i have to come back

2575

01:36:22,870 --> 01:36:20,159

again i want to dance next time

2576

01:36:26,149 --> 01:36:22,880

you want to be a what a dancer

2577

01:36:29,350 --> 01:36:27,669

i don't want to be a combat soldier i

2578

01:36:30,950 --> 01:36:29,360

don't want to be an engineer

2579

01:36:33,189 --> 01:36:30,960

uh it would be nice to have some money

2580

01:36:35,910 --> 01:36:33,199

but uh

2581

01:36:38,149 --> 01:36:35,920

i want to be a dancer man no you don't

2582

01:36:39,750 --> 01:36:38,159

no you do i did that this lifetime it

2583

01:36:42,390 --> 01:36:39,760

was hell

2584

01:36:43,990 --> 01:36:42,400

oh i love to dance got it i do i love to

2585

01:36:47,109 --> 01:36:44,000

dance too but you know what being a

2586

01:36:49,350 --> 01:36:47,119

professional dancer it is a tough road

2587

01:36:51,350 --> 01:36:49,360

to hoe man i'm telling you it's like

2588

01:36:53,750 --> 01:36:51,360

being a professional gymnast there's no

2589

01:36:55,189 --> 01:36:53,760

love nobody cares and you gotta care

2590

01:36:56,870 --> 01:36:55,199

about yourself and they're usually

2591

01:36:59,109 --> 01:36:56,880

competitive as hell

2592

01:37:01,189 --> 01:36:59,119

and at least

2593

01:37:02,709 --> 01:37:01,199

yeah and then the women are [h__h] and

2594

01:37:10,950 --> 01:37:02,719

the guys are gay and they love them

2595

01:37:15,510 --> 01:37:13,590

i love my gay friends trust me i have no

2596

01:37:17,270 --> 01:37:15,520

problem with them being gay at all that

2597

01:37:18,870 --> 01:37:17,280

that wasn't the problem the problem was

2598

01:37:21,510 --> 01:37:18,880

i'm saying the girls are [h__h] but the

2599

01:37:23,910 --> 01:37:21,520

guys are just as [h__h] in that field

2600

01:37:26,790 --> 01:37:23,920

because it's just a it's a female

2601
01:37:27,750 --> 01:37:26,800
dominated uh art form you know it's just

2602
01:37:30,310 --> 01:37:27,760
very

2603
01:37:33,430 --> 01:37:30,320
feminine and it's just it's a tough road

2604
01:37:35,910 --> 01:37:33,440
to hoe man i'm telling you i yeah yeah

2605
01:37:38,550 --> 01:37:37,189
yeah

2606
01:37:40,470 --> 01:37:38,560
anyhow

2607
01:37:42,390 --> 01:37:40,480
are you still there yeah i'm still here

2608
01:37:44,950 --> 01:37:42,400
i was just thinking so what i'm what i

2609
01:37:47,189 --> 01:37:44,960
was going to say is wish to be a dancer

2610
01:37:49,030 --> 01:37:47,199
with a very wealthy family in marin

2611
01:37:53,189 --> 01:37:49,040
county that can support you your whole

2612
01:37:55,270 --> 01:37:53,199
dance career you'll never have a problem

2613
01:37:57,510 --> 01:37:55,280

i like that idea and make sure you're a

2614

01:37:58,629 --> 01:37:57,520

beautiful woman okay that'll help you

2615

01:38:01,030 --> 01:37:58,639

too

2616

01:38:02,950 --> 01:38:01,040

oh that's great oh my god

2617

01:38:04,990 --> 01:38:02,960

next time i'm going to be a good looking

2618

01:38:06,950 --> 01:38:05,000

guy that's what i've decided

2619

01:38:08,390 --> 01:38:06,960

[Laughter]

2620

01:38:10,310 --> 01:38:08,400

well you know what

2621

01:38:12,149 --> 01:38:10,320

i i just i really don't want to come

2622

01:38:13,590 --> 01:38:12,159

back anymore but back to the questions

2623

01:38:15,350 --> 01:38:13,600

in the uh well we still have some oh

2624

01:38:19,270 --> 01:38:15,360

yeah yeah we got five minutes left okay

2625

01:38:21,590 --> 01:38:19,280

let's see um max's last question was um

2626

01:38:23,669 --> 01:38:21,600

could the reptilians be part of the

2627

01:38:25,430 --> 01:38:23,679

problem here on earth could they be the

2628

01:38:27,189 --> 01:38:25,440

characters that are keeping us fighting

2629

01:38:28,830 --> 01:38:27,199

amongst ourselves well i think we kind

2630

01:38:31,350 --> 01:38:28,840

of answered that already

2631

01:38:33,510 --> 01:38:31,360

absolutely yep because you gotta

2632

01:38:35,430 --> 01:38:33,520

remember god the the

2633

01:38:37,990 --> 01:38:35,440

the way the world works the way

2634

01:38:41,350 --> 01:38:38,000

spiritually the world works if we were

2635

01:38:42,229 --> 01:38:41,360

to take reptilians out of the picture

2636

01:38:44,550 --> 01:38:42,239

and

2637

01:38:45,990 --> 01:38:44,560

uh you know basically the devil

2638

01:38:47,109 --> 01:38:46,000

if we were to take the devil out of the

2639

01:38:49,910 --> 01:38:47,119

picture

2640

01:38:51,510 --> 01:38:49,920

yeah we still have a karmic condition

2641

01:38:53,910 --> 01:38:51,520

the karma is what causes us to

2642

01:38:56,709 --> 01:38:53,920

reincarnate on the planet

2643

01:38:58,390 --> 01:38:56,719

that's that's in the karmic conditions

2644

01:39:01,590 --> 01:38:58,400

is a vibrational

2645

01:39:03,830 --> 01:39:01,600

attachment to different levels of

2646

01:39:06,870 --> 01:39:03,840

planetary consciousness

2647

01:39:09,430 --> 01:39:06,880

and it occurs in physically

2648

01:39:11,590 --> 01:39:09,440

in physics we call them timelines

2649

01:39:13,590 --> 01:39:11,600

and depending on where we are

2650

01:39:15,510 --> 01:39:13,600

spiritually determines

2651
01:39:18,870 --> 01:39:15,520
and our common conditions determines

2652
01:39:20,950 --> 01:39:18,880
which timeline we reincarnate into

2653
01:39:22,629 --> 01:39:20,960
okay and all the timelines apparently

2654
01:39:24,709 --> 01:39:22,639
according to my teacher my kabbalah

2655
01:39:26,470 --> 01:39:24,719
teacher is happening in parallel now i

2656
01:39:29,270 --> 01:39:26,480
can't wrap my head around that i i don't

2657
01:39:31,109 --> 01:39:29,280
understand how it works but but he says

2658
01:39:32,950 --> 01:39:31,119
it's all happening now

2659
01:39:34,950 --> 01:39:32,960
it is it is all happening i don't know

2660
01:39:36,950 --> 01:39:34,960
that's the one thing i've i've been able

2661
01:39:39,510 --> 01:39:36,960
to wrap my head around it easily i don't

2662
01:39:40,470 --> 01:39:39,520
know why i i just don't know why but i

2663
01:39:41,910 --> 01:39:40,480

can

2664

01:39:44,709 --> 01:39:41,920

so

2665

01:39:46,950 --> 01:39:44,719

if you if you if you harm yourself or

2666

01:39:49,030 --> 01:39:46,960

harm others you create a karmic

2667

01:39:51,030 --> 01:39:49,040

condition called masala which is hebrew

2668

01:39:53,910 --> 01:39:51,040

for the same thing as karma karma

2669

01:39:56,229 --> 01:39:53,920

sanskrit and matala is hebrew means

2670

01:39:58,709 --> 01:39:56,239

exactly the same thing yeah and what it

2671

01:40:00,470 --> 01:39:58,719

is is that it it creates encrustations

2672

01:40:04,070 --> 01:40:00,480

on your on your sapphira on your tree of

2673

01:40:06,470 --> 01:40:04,080

life and when you when you uh when you

2674

01:40:08,790 --> 01:40:06,480

play back those recordings those

2675

01:40:11,270 --> 01:40:08,800

realities are recreated and we live

2676
01:40:14,229 --> 01:40:11,280
those realities over again that's how we

2677
01:40:16,310 --> 01:40:14,239
burn our karma is by by reliving those

2678
01:40:19,189 --> 01:40:16,320
conditions that we created either for

2679
01:40:22,070 --> 01:40:19,199
our others or ourselves

2680
01:40:23,669 --> 01:40:22,080
so without the reptilians being here we

2681
01:40:25,669 --> 01:40:23,679
still have the karmic conditions why

2682
01:40:27,590 --> 01:40:25,679
it's the natural laws of the universe

2683
01:40:29,750 --> 01:40:27,600
the natural laws of the spiritual

2684
01:40:32,550 --> 01:40:29,760
universe with the reptilians what

2685
01:40:33,790 --> 01:40:32,560
they're doing is they're manipulating us

2686
01:40:36,390 --> 01:40:33,800
to keep us

2687
01:40:39,189 --> 01:40:36,400
reincarnating here if we were left our

2688
01:40:41,669 --> 01:40:39,199

own devices without reptilian influence

2689

01:40:43,990 --> 01:40:41,679

or devil influence we would in a very

2690

01:40:46,390 --> 01:40:44,000

short period of time maybe 10 or 50 or

2691

01:40:48,550 --> 01:40:46,400

100 lifetimes we would evolve out of

2692

01:40:50,870 --> 01:40:48,560

this train station and we would go to

2693

01:40:52,229 --> 01:40:50,880

the next train station along the pathway

2694

01:40:54,709 --> 01:40:52,239

into the light

2695

01:40:57,109 --> 01:40:54,719

that's the natural evolutionary process

2696

01:40:59,270 --> 01:40:57,119

but the reptilians constantly fiddle

2697

01:41:01,350 --> 01:40:59,280

with this constantly keeping us angry

2698

01:41:04,070 --> 01:41:01,360

little impulses little anger its mind

2699

01:41:06,390 --> 01:41:04,080

control and these little impulses keep

2700

01:41:08,629 --> 01:41:06,400

us angry and keep us doing harmful

2701
01:41:10,950 --> 01:41:08,639
things to others and to ourselves which

2702
01:41:13,270 --> 01:41:10,960
and causes us to have more karmic

2703
01:41:15,109 --> 01:41:13,280
conditions which keeps us coming back

2704
01:41:17,270 --> 01:41:15,119
into the reincarnation cage why do they

2705
01:41:18,950 --> 01:41:17,280
keep us in a reincarnation cage it's

2706
01:41:21,030 --> 01:41:18,960
because they use us while we're in the

2707
01:41:22,790 --> 01:41:21,040
flesh they use this for our vital life

2708
01:41:24,470 --> 01:41:22,800
force that's my opinion now i could be

2709
01:41:27,350 --> 01:41:24,480
wrong about this stuff

2710
01:41:29,510 --> 01:41:27,360
this area is highly you know

2711
01:41:31,270 --> 01:41:29,520
it's a very controversial and very

2712
01:41:33,189 --> 01:41:31,280
personalized

2713
01:41:34,790 --> 01:41:33,199

opinion but

2714

01:41:36,629 --> 01:41:34,800

you're on the right track yeah i think

2715

01:41:38,470 --> 01:41:36,639

you're on the right track

2716

01:41:41,350 --> 01:41:38,480

so yes answer your question yes they

2717

01:41:44,550 --> 01:41:41,360

influence us in negative ways and it's

2718

01:41:48,149 --> 01:41:44,560

to their benefit to do so you bet well

2719

01:41:50,790 --> 01:41:48,159

the interesting part to all this is um

2720

01:41:52,709 --> 01:41:50,800

why are people like you me the people

2721

01:41:55,109 --> 01:41:52,719

who listen to my radio show we're very

2722

01:41:57,430 --> 01:41:55,119

awake we're very much aware of what's

2723

01:41:59,830 --> 01:41:57,440

going on and we all a lot of us believe

2724

01:42:02,310 --> 01:41:59,840

that we are living a karmic condition

2725

01:42:04,709 --> 01:42:02,320

with some kind of overseer that's got

2726

01:42:07,270 --> 01:42:04,719

control of us here on this planet do you

2727

01:42:09,350 --> 01:42:07,280

think that all of us that know this just

2728

01:42:11,270 --> 01:42:09,360

because we know it we have a chance to

2729

01:42:13,030 --> 01:42:11,280

break free

2730

01:42:15,669 --> 01:42:13,040

if you you have to know how to climb the

2731

01:42:17,830 --> 01:42:15,679

ladder to do it you may you may have the

2732

01:42:19,590 --> 01:42:17,840

awareness to climb the ladder you may

2733

01:42:21,030 --> 01:42:19,600

have the desire to climb the ladder but

2734

01:42:23,189 --> 01:42:21,040

first you have to find the ladder you

2735

01:42:25,270 --> 01:42:23,199

have to figure out how to climb it and

2736

01:42:26,870 --> 01:42:25,280

then you have to execute it and that's

2737

01:42:29,030 --> 01:42:26,880

what the cabala does the kabbalah

2738

01:42:30,950 --> 01:42:29,040

teaches you how to do those things

2739

01:42:31,990 --> 01:42:30,960

just having the desire to climb it isn't

2740

01:42:35,750 --> 01:42:32,000

enough

2741

01:42:37,830 --> 01:42:35,760

okay so if if we study the kabbalah

2742

01:42:40,390 --> 01:42:37,840

we would get these tools these

2743

01:42:43,030 --> 01:42:40,400

modalities these tools to be able to do

2744

01:42:44,790 --> 01:42:43,040

this passing in to death because that's

2745

01:42:46,149 --> 01:42:44,800

really when you need him right i mean

2746

01:42:47,430 --> 01:42:46,159

it's like it has nothing well you need

2747

01:42:52,390 --> 01:42:47,440

them now

2748

01:42:55,430 --> 01:42:52,400

you need to you need to do the work now

2749

01:42:57,750 --> 01:42:55,440

okay okay and when you when you become

2750

01:43:00,070 --> 01:42:57,760

functional in the now

2751
01:43:01,910 --> 01:43:00,080
and you pass over you can continue the

2752
01:43:03,990 --> 01:43:01,920
work on the other side

2753
01:43:06,470 --> 01:43:04,000
the other side of the veil

2754
01:43:07,990 --> 01:43:06,480
you don't have to just be a bug flying

2755
01:43:10,149 --> 01:43:08,000
floating up towards the light that's

2756
01:43:11,750 --> 01:43:10,159
what we all do man we all you get on the

2757
01:43:13,830 --> 01:43:11,760
other side and that love is so great all

2758
01:43:15,590 --> 01:43:13,840
we want to do is get into it

2759
01:43:17,430 --> 01:43:15,600
we're all like a bunch of little little

2760
01:43:18,709 --> 01:43:17,440
sperms heading for the for the for the

2761
01:43:20,629 --> 01:43:18,719
golden ring

2762
01:43:23,830 --> 01:43:20,639
i'm telling you that love is

2763
01:43:25,590 --> 01:43:23,840

unbelievable though it is so amazing and

2764

01:43:27,830 --> 01:43:25,600

if i could just stay there that'd be so

2765

01:43:29,350 --> 01:43:27,840

cool well you know what it's the end of

2766

01:43:30,870 --> 01:43:29,360

the show i can't believe it another

2767

01:43:32,870 --> 01:43:30,880

night goes by and you and i have

2768

01:43:35,189 --> 01:43:32,880

conquered the world again and answered

2769

01:43:36,950 --> 01:43:35,199

everybody's questions

2770

01:43:38,790 --> 01:43:36,960

i would like to make a quick shout out

2771

01:43:41,030 --> 01:43:38,800

to my friends at the edge of reality

2772

01:43:42,709 --> 01:43:41,040

bulletin board nice place to hang out if

2773

01:43:46,149 --> 01:43:42,719

you're an experiencer

2774

01:43:47,669 --> 01:43:46,159

and say hi to um to sandy and uh and

2775

01:43:49,510 --> 01:43:47,679

lance out there

2776

01:43:52,070 --> 01:43:49,520

oh wonderful

2777

01:43:53,830 --> 01:43:52,080

thank you very much and to everybody

2778

01:43:55,990 --> 01:43:53,840

good night it was great chatting with

2779

01:43:58,149 --> 01:43:56,000

you guys great if you guys wanna have me

2780

01:44:00,149 --> 01:43:58,159

on you bet there and uh if you wanna

2781

01:44:01,830 --> 01:44:00,159

hear more plutonium he's actually i

2782

01:44:03,590 --> 01:44:01,840

don't think you remembered this but i

2783

01:44:04,950 --> 01:44:03,600

actually booked him for monday on my

2784

01:44:06,790 --> 01:44:04,960

other show too

2785

01:44:08,149 --> 01:44:06,800

so uh you're gonna be hearing a lot from

2786

01:44:10,870 --> 01:44:08,159

him

2787

01:44:12,550 --> 01:44:10,880

coming up next week and we'll be yakking

2788

01:44:14,229 --> 01:44:12,560

away on monday too and who knows we

2789

01:44:16,950 --> 01:44:14,239

might even conquer you know the answers

2790

01:44:18,790 --> 01:44:16,960

to the world again on monday on uh

2791

01:44:20,870 --> 01:44:18,800

revolution radio so i do hope you guys

2792

01:44:23,270 --> 01:44:20,880

come along all right everybody see you

2793

01:44:25,750 --> 01:44:23,280

next week and my uh guest next week is

2794

01:44:27,750 --> 01:44:25,760

richard boyland i know it's not richard

2795

01:44:29,830 --> 01:44:27,760

boylan i'm not sure who it is he's the

2796

01:44:31,910 --> 01:44:29,840

week after anyhow i'm not sure who it's

2797

01:44:33,990 --> 01:44:31,920

going to be but it will be somebody
