others here's your host paranormal

8
00:00:47,650 --> 00:00:47,329
researcher Patricia Baker on the one the

9
00:01:07,580 --> 00:00:47,660
only

10
00:01:09,889 --> 00:01:07,590
[Music]

11
00:01:12,800 --> 00:01:09,899
welcome everyone to another exciting

12
00:01:15,440 --> 00:01:12,810
episode of Supernatural girls radio I'm

13
00:01:18,080 --> 00:01:15,450

your host Patricia Baker I am here with

14

00:01:20,420 --> 00:01:18,090

my co-host all the way from Tucson

15

00:01:23,600 --> 00:01:20,430

Patricia Kirkman pique how are you

16

00:01:25,609 --> 00:01:23,610

tonight absolutely fabulous and so

17

00:01:28,520 --> 00:01:25,619

anxious to get into our show tonight oh

18

00:01:31,760 --> 00:01:28,530

my god you know we are lucky ladies I

19

00:01:35,330 --> 00:01:31,770

got us s we are so lucky because we have

20

00:01:37,130 --> 00:01:35,340

Eddie Becker from a true haunting that's

21

00:01:39,770 --> 00:01:37,140

gonna he's gonna join us in just a few

22

00:01:41,840 --> 00:01:39,780

minutes now as you know we had Nick

23

00:01:45,199 --> 00:01:41,850

Redfern scheduled for tonight but poor

24

00:01:47,149 --> 00:01:45,209

Nick he got sick and he got really sick

25

00:01:52,639 --> 00:01:47,159

sick to the point where he lost his

26

00:01:56,179 --> 00:01:52,649

voice so we had to change our venue

27

00:01:58,100 --> 00:01:56,189

around and I called Edie today and Ed

28

00:02:00,830 --> 00:01:58,110

was kind enough to say I'll come on the

29

00:02:02,539 --> 00:02:00,840

show and I gotta tell you I love it

30

00:02:04,999 --> 00:02:02,549

because I get we're gonna get into this

31

00:02:07,699 --> 00:02:05,009

before I introduce him and after our

32

00:02:10,309 --> 00:02:07,709

numerology segment we had quite an

33

00:02:13,370 --> 00:02:10,319

adventure with Edie on our last show

34

00:02:15,110 --> 00:02:13,380

which was several years ago when his

35

00:02:17,479 --> 00:02:15,120

first book came out now he's got two

36

00:02:20,479 --> 00:02:17,489

books right true haunting and a true

37

00:02:22,789 --> 00:02:20,489

haunting - but when his first book came

38

00:02:24,530 --> 00:02:22,799

out Helene and I were doing the show on

39

00:02:26,569 --> 00:02:24,540

vlog talk and we're gonna get into that

40

00:02:28,340 --> 00:02:26,579

and share with everybody exactly what

41

00:02:33,229 --> 00:02:28,350

happened before we bring it on because

42

00:02:35,630 --> 00:02:33,239

it was really creepy so anyway the

43

00:02:38,750 --> 00:02:35,640

spooky October the supernatural girls

44

00:02:41,030 --> 00:02:38,760

this week and so PK let's start off with

45

00:02:42,979 --> 00:02:41,040

the numerology we got a lot of crazy

46

00:02:45,650 --> 00:02:42,989

stuff going on so tell us what's

47

00:02:47,780 --> 00:02:45,660

happening well first off as we've talked

48

00:02:51,650 --> 00:02:47,790

about in the past this month is a

49

00:02:55,009 --> 00:02:51,660

preview of next year and God folks it

50

00:02:57,620 --> 00:02:55,019

has between the weather issues the fires

51
00:02:59,680 --> 00:02:57,630
and the deviates that are out there and

52
00:03:03,379 --> 00:02:59,690
about which we're going to talk about

53
00:03:06,559 --> 00:03:03,389
mr. Weinstein hmm all of these things

54
00:03:09,530 --> 00:03:06,569
that are going on don't forget this is a

55
00:03:11,809 --> 00:03:09,540
preview of what's coming we are not out

56
00:03:13,759 --> 00:03:11,819
of the woods weather-wise we're going to

57
00:03:17,720 --> 00:03:13,769
have major issues throughout this coming

58
00:03:19,490 --> 00:03:17,730
year but as far as people in the news

59
00:03:20,270 --> 00:03:19,500
we're going to see more and more

60
00:03:22,790 --> 00:03:20,280
negative

61
00:03:24,830 --> 00:03:22,800
he bounced up and hopefully by the years

62
00:03:27,260 --> 00:03:24,840
and we can clear the deck and get some

63
00:03:31,010 --> 00:03:27,270

of these crazy people off the list and

64

00:03:33,230 --> 00:03:31,020

out of the way good but Harvey Weinstein

65

00:03:35,720 --> 00:03:33,240

you asked me to take a look at him well

66

00:03:37,309 --> 00:03:35,730

he was fired on a nine day which says

67

00:03:38,449 --> 00:03:37,319

ending and wrapping up of old things

68

00:03:44,990 --> 00:03:38,459

that he can't fix

69

00:03:47,449 --> 00:03:45,000

he's also he he has so much karma within

70

00:03:51,140 --> 00:03:47,459

his chart but he's got an arrogance that

71

00:03:53,540 --> 00:03:51,150

is absolutely unbelievable in his chart

72

00:03:56,540 --> 00:03:53,550

he is very he doesn't have a big ego

73

00:03:59,240 --> 00:03:56,550

from his standpoint really how he how he

74

00:04:01,790 --> 00:03:59,250

projects himself but he thinks he can

75

00:04:06,320 --> 00:04:01,800

say and do anything and get away with it

76

00:04:09,199 --> 00:04:06,330

that's the difference Wow oh yeah

77

00:04:12,800 --> 00:04:09,209

anything to do with change and changes

78

00:04:14,840 --> 00:04:12,810

he wants his way and he thinks it's only

79

00:04:18,349 --> 00:04:14,850

done his way most of his chart is about

80

00:04:21,140 --> 00:04:18,359

me by and I so taking a look at things

81

00:04:23,870 --> 00:04:21,150

hey he was fired on a one out of nine

82

00:04:27,830 --> 00:04:23,880

day in a month that represents this

83

00:04:30,560 --> 00:04:27,840

coming year so is coming here it's a six

84

00:04:32,570 --> 00:04:30,570

year and he has six 5s in his chart so

85

00:04:35,120 --> 00:04:32,580

he loves change and he likes to do it

86

00:04:38,300 --> 00:04:35,130

his way but he's always trying to set up

87

00:04:41,390 --> 00:04:38,310

what he considers perfection it just got

88

00:04:43,820 --> 00:04:41,400

cut in half because it's not coming that

89

00:04:47,210 --> 00:04:43,830
way anymore it's been a long time coming

90

00:04:49,670 --> 00:04:47,220
but the best part about all this is that

91

00:04:52,340 --> 00:04:49,680
there's changes that are taking place

92

00:04:55,250 --> 00:04:52,350
are not going to allow him to get away

93

00:04:58,690 --> 00:04:55,260
with anything anymore and we talked

94

00:05:01,670 --> 00:04:58,700
earlier about his brother as well this

95

00:05:04,610 --> 00:05:01,680
these are two bad boys Wow

96

00:05:06,520 --> 00:05:04,620
they're they're really not mentally well

97

00:05:09,469 --> 00:05:06,530
if you take a look at their attitude

98

00:05:09,860 --> 00:05:09,479
very clever at what it how they do what

99

00:05:12,380 --> 00:05:09,870
they do

100

00:05:14,990 --> 00:05:12,390
don't question about that but a strange

101
00:05:15,830 --> 00:05:15,000
part neither one of them are good

102
00:05:20,300 --> 00:05:15,840
communicators

103
00:05:21,409 --> 00:05:20,310
there are demanders they are you know

104
00:05:23,900 --> 00:05:21,419
we've talked about before with the

105
00:05:26,240 --> 00:05:23,910
person once it has to communicate they

106
00:05:28,040 --> 00:05:26,250
have to cut it soft the edges neither

107
00:05:30,920 --> 00:05:28,050
one of these people they don't care they

108
00:05:33,269 --> 00:05:30,930
just go for the throat they're not the

109
00:05:35,939 --> 00:05:33,279
least bit caring about making it

110
00:05:40,229 --> 00:05:35,949
for anybody else it's all about them and

111
00:05:41,639 --> 00:05:40,239
I do mean all about them it's going to

112
00:05:44,189 --> 00:05:41,649
be a nasty thing before it's over

113
00:05:47,249 --> 00:05:44,199

because we're going to see it tie up not

114

00:05:51,659 --> 00:05:47,259

only with Harvey but what he and Robert

115

00:05:53,909 --> 00:05:51,669

have built shall we say as a backdrop

116

00:05:56,159 --> 00:05:53,919

for the bad side and the negative side

117

00:05:57,509 --> 00:05:56,169

of Hollywood all of a sudden these

118

00:05:58,679 --> 00:05:57,519

people are going to start to get sick

119

00:06:01,739 --> 00:05:58,689

and tired of being sick and tired

120

00:06:03,839 --> 00:06:01,749

because most of them and I shouldn't say

121

00:06:05,189 --> 00:06:03,849

all of them but a good portion had been

122

00:06:07,199 --> 00:06:05,199

caught with their hand in the cookie jar

123

00:06:09,569 --> 00:06:07,209

and now they either have to play it

124

00:06:11,789 --> 00:06:09,579

straight or get out from out out of the

125

00:06:14,119 --> 00:06:11,799

line of fire because these people are

126

00:06:17,369 --> 00:06:14,129

gonna bring a lot of them down with them

127

00:06:20,749 --> 00:06:17,379

I bet and you know it's about time oh

128

00:06:23,579 --> 00:06:20,759

god yes when you hear you know the tape

129

00:06:26,429 --> 00:06:23,589

recording of the New York City sting and

130

00:06:29,669 --> 00:06:26,439

how he was talking to that model and oh

131

00:06:31,859 --> 00:06:29,679

my god it was just horrible and the more

132

00:06:34,889 --> 00:06:31,869

serious crimes that he's been accused of

133

00:06:38,009 --> 00:06:34,899

also but going beyond that Hollywood in

134

00:06:44,249 --> 00:06:38,019

general is long been rumored to harbor

135

00:06:46,229 --> 00:06:44,259

an entire pedophile Network it was this

136

00:06:48,359 --> 00:06:46,239

has been going on but he would not name

137

00:06:51,389 --> 00:06:48,369

names because he said if I do that

138

00:06:53,939 --> 00:06:51,399

they'll either destroy my career or kill

139

00:06:56,189 --> 00:06:53,949

me or both and so it's something that

140

00:06:58,919 --> 00:06:56,199

people have been so afraid to talk about

141

00:07:02,909 --> 00:06:58,929

so it's not just women oh no no right

142

00:07:05,369 --> 00:07:02,919

now you know kudos to Rose McGowan and

143

00:07:07,379 --> 00:07:05,379

the other women that have come to the

144

00:07:09,629 --> 00:07:07,389

forefront and risked everything to

145

00:07:12,059 --> 00:07:09,639

expose this going to be more and more

146

00:07:14,909 --> 00:07:12,069

that into a male actor this morning he

147

00:07:16,979 --> 00:07:14,919

said as a youngster he was you know put

148

00:07:20,819 --> 00:07:16,989

into a position where the producer came

149

00:07:23,279 --> 00:07:20,829

out in his robe and expected him to take

150

00:07:24,779 --> 00:07:23,289

care of him this is ridiculous and who

151

00:07:27,179 --> 00:07:24,789

would that hell do they think they are

152

00:07:29,159 --> 00:07:27,189

that's right who do they think they are

153

00:07:30,899 --> 00:07:29,169

well you know the Hollywood elite has

154

00:07:33,089 --> 00:07:30,909

embarrassed themselves in so many

155

00:07:35,009 --> 00:07:33,099

different ways yeah over the last year

156

00:07:36,629 --> 00:07:35,019

and we've all come to see them for what

157

00:07:38,699 --> 00:07:36,639

they really are and I think this whole

158

00:07:40,229 --> 00:07:38,709

celebrity worship saying is going to

159

00:07:44,489 --> 00:07:40,239

come down around them around their

160

00:07:47,610 --> 00:07:44,499

ankles so well know that better than

161

00:07:52,719 --> 00:07:50,890

right just but I think if we pay

162

00:07:55,950 --> 00:07:52,729

attention with what's coming up this

163

00:08:01,719 --> 00:07:55,960

year we're going to see a lot of people

164

00:08:07,830 --> 00:08:01,729

fall from grace welcome miss line pique

165

00:08:13,810 --> 00:08:12,100

it's only just begun it has well very

166

00:08:15,879 --> 00:08:13,820

interesting with the numbers thank you

167

00:08:19,689 --> 00:08:15,889

for taking a look at all of that for us

168

00:08:22,000 --> 00:08:19,699

and on our website and on our Facebook

169

00:08:23,469 --> 00:08:22,010

page we've got some interesting stories

170

00:08:26,080 --> 00:08:23,479

don't we we've got a story about

171

00:08:28,420 --> 00:08:26,090

mermaids you should everybody should

172

00:08:29,710 --> 00:08:28,430

take a look at and Yellowstone's been

173

00:08:31,990 --> 00:08:29,720

rockin and rollin

174

00:08:33,430 --> 00:08:32,000

who knows what's coming next with

175

00:08:36,070 --> 00:08:33,440

Earth's changes and as you mentioned

176

00:08:38,320 --> 00:08:36,080

there's we got a long road to go with

177

00:08:40,089 --> 00:08:38,330

that but Yellowstone has logged in more

178

00:08:43,029 --> 00:08:40,099

earthquakes minor earthquakes there's

179

00:08:45,460 --> 00:08:43,039

still so many more than ever before in

180

00:08:47,740 --> 00:08:45,470

in recorded history so there's something

181

00:08:49,300 --> 00:08:47,750

happening all across the world with

182

00:08:51,250 --> 00:08:49,310

earthquakes but in Yellowstone

183

00:08:53,100 --> 00:08:51,260

especially that's on our Facebook page

184

187

00:09:04,120 --> 00:09:01,220

posting more and more stories for you we

188

00:09:07,960 --> 00:09:04,130

do that every week so take a look there

189

00:09:11,260 --> 00:09:07,970

now I'm I gotta tell you and I mentioned

190

00:09:14,710 --> 00:09:11,270

this earlier but when Halim is alive we

191

00:09:18,010 --> 00:09:14,720

did a show with Edie and his wife Marcia

192

00:09:20,140 --> 00:09:18,020

at the time it was available they both

193

00:09:24,640 --> 00:09:20,150

came on the show we were on a different

194

00:09:27,940 --> 00:09:24,650

network and during the show and in

195

00:09:30,550 --> 00:09:27,950

Marcia were terrific yes they were able

196

00:09:33,699 --> 00:09:30,560

to tell us this incredible story it

197

00:09:36,040 --> 00:09:33,709

scared the crap out of us it was really

198

00:09:38,949 --> 00:09:36,050

really great story but during the

199

00:09:43,540 --> 00:09:38,959

interview we heard this heavy breathing

200

00:09:45,940 --> 00:09:43,550

and during the break Colleen said I'm

201
00:09:47,980 --> 00:09:45,950
gonna go talk to ed and Marsha and I'm

202
00:09:50,590 --> 00:09:47,990
just gonna tell them somebody's

203
00:09:53,050 --> 00:09:50,600
breathing like really closely and their

204
00:09:54,819 --> 00:09:53,060
microphone and they need to move the mic

205
00:09:56,140 --> 00:09:54,829
away from their mouths so that we don't

206
00:09:58,390 --> 00:09:56,150
hear this heavy breathing and it was

207
00:10:00,280 --> 00:09:58,400
very noticeable I mean it was very loud

208
00:10:02,050 --> 00:10:00,290
so Helene

209
00:10:04,269 --> 00:10:02,060
into the private room with them and

210
00:10:05,949 --> 00:10:04,279
tells them you know who's got the mic

211
00:10:09,639 --> 00:10:05,959
you got to move it away and add in

212
00:10:14,590 --> 00:10:09,649
Marcia very politely totaling it's not

213
00:10:16,449 --> 00:10:14,600

us we are not doing it a breathing here

214

00:10:19,600 --> 00:10:16,459

into the microphone or microphone is far

215

00:10:23,670 --> 00:10:19,610

away and it's not us but this happens

216

00:10:25,900 --> 00:10:23,680

when we go on shows there's this entity

217

00:10:30,400 --> 00:10:25,910

that starts doing this heavy breathing

218

00:10:32,530 --> 00:10:30,410

and we swear to god it isn't us so again

219

00:10:35,050 --> 00:10:32,540

that was that was what I mean ooh we had

220

00:10:38,170 --> 00:10:35,060

visitors on this show and then following

221

00:10:41,019 --> 00:10:38,180

and Marcia around now as you know Helene

222

00:10:44,319 --> 00:10:41,029

was great vanishing things that didn't

223

00:10:47,860 --> 00:10:44,329

belong so she just little banishment and

224

00:10:51,850 --> 00:10:47,870

it stopped but I can't promise that I

225

00:10:54,460 --> 00:10:51,860

can do the same we may just have to

226

00:10:55,720 --> 00:10:54,470

listen to it if the breather comes to

227

00:10:57,699 --> 00:10:55,730

the show so we're gonna see what happens

228

00:10:59,410 --> 00:10:57,709

but as I was when it's talking to Ed

229

00:11:01,120 --> 00:10:59,420

earlier today I said I've had all kinds

230

00:11:03,730 --> 00:11:01,130

of electronic glitches which I never had

231

00:11:06,100 --> 00:11:03,740

I said I think it's from your your

232

00:11:08,559 --> 00:11:06,110

followers you've got this little band of

233

00:11:13,269 --> 00:11:08,569

followers I think they came to pay me a

234

00:11:15,430 --> 00:11:13,279

visit today so anyways we are so blessed

235

00:11:16,780 --> 00:11:15,440

we are so lucky to have ad on the show

236

00:11:19,240 --> 00:11:16,790

tonight I'm going to tell you a little

237

00:11:22,030 --> 00:11:19,250

bit more about him he has the

238

00:11:25,090 --> 00:11:22,040

distinction of owning a haunted building

239

00:11:28,620 --> 00:11:25,100

in Chicago that became the subject of

240

00:11:33,220 --> 00:11:28,630

the first televised paranormal event in

241

00:11:35,889 --> 00:11:33,230

1970 by NBC long before the Exorcist

242

00:11:36,939 --> 00:11:35,899

long before the Amityville Horror there

243

00:11:40,329 --> 00:11:36,949

was true

244

00:11:42,430 --> 00:11:40,339

haunting he never sought recognition

245

00:11:48,699 --> 00:11:42,440

until his daughter published his

246

00:11:50,829 --> 00:11:48,709

recollections and and 2011 says so but

247

00:11:54,100 --> 00:11:50,839

the book true haunting became an instant

248

00:11:57,970 --> 00:11:54,110

bestseller holding number one on Amazon

249

00:11:59,550 --> 00:11:57,980

us for a year in parapsychology and for

250

00:12:02,170 --> 00:11:59,560

six months in the United Kingdom

251
00:12:05,410 --> 00:12:02,180
breaking his publishers e-book record

252
00:12:07,679 --> 00:12:05,420
and topping the sales of their 96,000

253
00:12:10,449 --> 00:12:07,689
book catalogue it holds the most

254
00:12:13,930 --> 00:12:10,459
five-star reviews of any true ghost

255
00:12:16,570 --> 00:12:13,940
story in Kindle history

256
00:12:18,010 --> 00:12:16,580
and has appeared on Syfy's paranormal

257
00:12:20,740 --> 00:12:18,020
witness and I'm gonna tell everybody if

258
00:12:23,020 --> 00:12:20,750
you haven't seen the tenants the name of

259
00:12:25,450 --> 00:12:23,030
the segment on paranormal witness you

260
00:12:28,960 --> 00:12:25,460
gotta check it out it's on YouTube it's

261
00:12:30,910 --> 00:12:28,970
fabulous it is it is incredible and it's

262
00:12:35,230 --> 00:12:30,920
one of their highest-rated shows also

263
00:12:36,880 --> 00:12:35,240

and anyways this is this is a great

264

00:12:39,040 --> 00:12:36,890

guest that we're so lucky to have on

265

00:12:41,650 --> 00:12:39,050

with us tonight I want to urge everybody

266

00:12:44,980 --> 00:12:41,660

to get both of his books true hunting

267

00:12:51,850 --> 00:12:44,990

and true hunting too so ed welcome to

268

00:12:53,110 --> 00:12:51,860

the show okay you said yeah right you

269

00:13:02,800 --> 00:12:53,120

can hear you just fine

270

00:13:04,690 --> 00:13:02,810

and now you've had it's a great book

271

00:13:07,050 --> 00:13:04,700

is it great but both of them are great

272

00:13:11,340 --> 00:13:07,060

books and we read the second one today

273

00:13:14,410 --> 00:13:11,350

you have had an experience and a half

274

00:13:16,180 --> 00:13:14,420

with this haunted building and it hasn't

275

00:13:19,420 --> 00:13:16,190

left you I mean this is something that

276

00:13:22,360 --> 00:13:19,430

literally has followed you around yeah I

277

00:13:25,960 --> 00:13:22,370

mean we were a few other radio programs

278

00:13:29,020 --> 00:13:25,970

I did a lot of actually between 2012 and

279

00:13:33,070 --> 00:13:29,030

2014 and we had a couple of them where

280

00:13:35,200 --> 00:13:33,080

they heard EVPs and then the chatroom

281

00:13:38,350 --> 00:13:35,210

started interpreting what the EVPs were

282

00:13:42,250 --> 00:13:38,360

saying while mercenaire we're at so

283

00:13:44,880 --> 00:13:42,260

things follow us said it's the reason I

284

00:13:46,870 --> 00:13:44,890

warn people I get a lot of mail and

285

00:13:49,510 --> 00:13:46,880

people want to get involved in the

286

00:13:53,110 --> 00:13:49,520

paranormal and I tell them don't open

287

00:13:55,150 --> 00:13:53,120

that door because you're gonna encounter

288

00:13:57,640 --> 00:13:55,160

something that you have no idea where

289

00:14:01,150 --> 00:13:57,650

its intentions are you certainly have no

290

00:14:04,090 --> 00:14:01,160

control over it and if its intentions

291

00:14:05,740 --> 00:14:04,100

are bad you're going to stop and I've

292

00:14:08,320 --> 00:14:05,750

got a laundry list of people that I've

293

00:14:11,080 --> 00:14:08,330

seen really suffer in the last five

294

00:14:15,700 --> 00:14:11,090

years personally I only changes and all

295

00:14:19,150 --> 00:14:15,710

kinds of things go start of law yeah

296

00:14:21,220 --> 00:14:19,160

we're you're messing with something that

297

00:14:23,350 --> 00:14:21,230

you can't control and you can't see it

298

00:14:24,850 --> 00:14:23,360

so you know when I talk to these

299

00:14:27,700 --> 00:14:24,860

investigators it's a lot of times I

300

00:14:33,040 --> 00:14:27,710

laugh because I'm gonna go catch a go

301
00:14:36,790 --> 00:14:33,050
all right it's easy to be brave when you

302
00:14:38,590 --> 00:14:36,800
can't see it you know if they really saw

303
00:14:40,900 --> 00:14:38,600
what's on the other side of their realm

304
00:14:42,280 --> 00:14:40,910
I don't think that they'd want to go

305
00:14:44,350 --> 00:14:42,290
hunting for it myself

306
00:14:46,120 --> 00:14:44,360
I think you're right they probably want

307
00:14:48,280 --> 00:14:46,130
to run screaming into the night it's

308
00:14:50,650 --> 00:14:48,290
unpleasant and a lot of the things you

309
00:14:52,570 --> 00:14:50,660
went through and your wife went through

310
00:14:54,160 --> 00:14:52,580
and your tenants went through which is

311
00:14:56,140 --> 00:14:54,170
the focus of the second book is what

312
00:14:58,450 --> 00:14:56,150
your tenants went through it's it's

313
00:15:01,060 --> 00:14:58,460

really pretty horrific and you were a

314

00:15:05,230 --> 00:15:01,070

non-believer when all this started right

315

00:15:08,800 --> 00:15:05,240

oh yeah absolutely and when I look back

316

00:15:10,900 --> 00:15:08,810

at my whole experience I was pretty

317

00:15:13,780 --> 00:15:10,910

ignorant even when I just become a

318

00:15:15,670 --> 00:15:13,790

believer I became a believer that there

319

00:15:19,960 --> 00:15:15,680

was paranormal something was happening

320

00:15:23,050 --> 00:15:19,970

but I had no idea of the power and what

321

00:15:24,820 --> 00:15:23,060

these things can do to you I mean I got

322

00:15:27,550 --> 00:15:24,830

a letter today from a woman and actually

323

00:15:30,430 --> 00:15:27,560

stopped the Africa and she asked me if I

324

00:15:35,370 --> 00:15:30,440

was ever totally afraid and I told her I

325

00:15:44,910 --> 00:15:39,430

I was too stupid

326

00:15:47,320 --> 00:15:44,920

I I had no respect for their realm and

327

00:15:50,170 --> 00:15:47,330

sine thorns and now I'd never really

328

00:15:53,020 --> 00:15:50,180

afraid I I wouldn't go back there today

329

00:15:55,600 --> 00:15:53,030

I mean I've been offered money and

330

00:15:58,000 --> 00:15:55,610

offered a lot of things that go back and

331

00:15:59,590 --> 00:15:58,010

visit and not because the building was

332

00:16:02,410 --> 00:15:59,600

under foreclosure for a while so it was

333

00:16:05,290 --> 00:16:02,420

quite open to the public I wouldn't go

334

00:16:09,600 --> 00:16:05,300

back there never handing in law that

335

00:16:13,350 --> 00:16:09,610

pretium out you know I came out of it I

336

00:16:15,700 --> 00:16:13,360

don't think I'm totally unscathed but

337

00:16:20,650 --> 00:16:15,710

yeah I came out of it with affection I

338

00:16:22,510 --> 00:16:20,660

can live with now the movie that was

339

00:16:25,030 --> 00:16:22,520

done or the television show I should say

340

00:16:28,360 --> 00:16:25,040

that was done by paranormal witness was

341

00:16:31,090 --> 00:16:28,370

excellent and one of the this the shots

342

00:16:33,700 --> 00:16:31,100

had really had me holding my breath was

343

00:16:35,800 --> 00:16:33,710

when your wife was in the kitchen and

344

00:16:40,310 --> 00:16:35,810

all of a sudden the baby stroller starts

345

00:16:42,470 --> 00:16:40,320

heading towards the basement stairs

346

00:16:44,180 --> 00:16:42,480

did that really happen because I didn't

347

00:16:47,180 --> 00:16:44,190

know if that was dramatised but it

348

00:16:49,430 --> 00:16:47,190

really was scary they did dramatize that

349

00:16:54,100 --> 00:16:49,440

I mean at they dramatized everything but

350

00:16:58,520 --> 00:16:54,110

that really did help and it forced me to

351

00:17:00,260 --> 00:16:58,530

there was no door on their downstairs

352

00:17:01,940 --> 00:17:00,270

basement because the woman who lived

353

00:17:05,630 --> 00:17:01,950

there previously would go back and forth

354

00:17:08,240 --> 00:17:05,640

with her will so that day I up where do

355

00:17:11,150 --> 00:17:08,250

I put the door down the basement I want

356

00:17:13,360 --> 00:17:11,160

the door up put it on there and put a

357

00:17:16,250 --> 00:17:13,370

clasp on there so they could close it

358

00:17:17,660 --> 00:17:16,260

that didn't happen that was very

359

00:17:20,210 --> 00:17:17,670

frightening I mean you see the your

360

00:17:23,329 --> 00:17:20,220

little baby in that stroller and

361

00:17:26,210 --> 00:17:23,339

something unseen pushing it quickly I

362

00:17:28,490 --> 00:17:26,220

mean fast towards that door which would

363

00:17:31,310 --> 00:17:28,500

have sent your baby flying down the

364

00:17:38,210 --> 00:17:31,320

stairs oh my god that was a really

365

00:17:39,560 --> 00:17:38,220

frightening moment watching that there

366

00:17:41,000 --> 00:17:39,570

were so many things that happens the

367

00:17:44,660 --> 00:17:41,010

reason that there's a true morning -

368

00:17:50,570 --> 00:17:44,670

because when I mean damn damn wife who's

369

00:17:54,110 --> 00:17:50,580

in my book we hadn't talked to each

370

00:17:56,930 --> 00:17:54,120

other in for almost 45 years and when he

371

00:17:58,880 --> 00:17:56,940

left if you read true anyone they left

372

00:18:04,430 --> 00:17:58,890

in him they went on to their life as far

373

00:18:06,980 --> 00:18:04,440

as we knew that's right right well when

374

00:18:08,660 --> 00:18:06,990

I was filming paranormal witness I asked

375

00:18:09,680 --> 00:18:08,670

the director could he come down and give

376

00:18:12,200 --> 00:18:09,690

some footage I'm there

377

00:18:16,910 --> 00:18:12,210

so they said yeah so Dan came down from

378

00:18:18,110 --> 00:18:16,920

Illinois Upper Illinois and he started

379

00:18:20,810 --> 00:18:18,120

to tell me I mean the first thing he

380

00:18:23,840 --> 00:18:20,820

said to me was he bought my book he read

381

00:18:26,630 --> 00:18:23,850

it and he said just some of the same

382

00:18:29,000 --> 00:18:26,640

things happened to him which I didn't

383

00:18:32,600 --> 00:18:29,010

really know about and then he said their

384

00:18:35,870 --> 00:18:32,610

dead house ruined my life and I said how

385

00:18:38,060 --> 00:18:35,880

did Daniel figure and he said I guess

386

00:18:40,340 --> 00:18:38,070

his wife hadn't lived there 90 days to

387

00:18:41,630 --> 00:18:40,350

stuff I didn't know but before they

388

00:18:45,500 --> 00:18:41,640

lived there three months she already

389

00:18:48,590 --> 00:18:45,510

wanted out and she even left and going

390

00:18:50,810 --> 00:18:48,600

to her mother's for a month or so by the

391

00:18:54,010 --> 00:18:50,820

end of it they wound up separating

392

00:18:56,890 --> 00:18:54,020

getting a divorce and he was invited

393

00:18:59,680 --> 00:18:56,900

she lives at the other Wow she took it

394

00:19:03,150 --> 00:18:59,690

she took his firstborn and he's never

395

00:19:04,419 --> 00:19:03,160

seen his firstborn for him oh my gosh

396

00:19:06,549 --> 00:19:04,429

yeah

397

00:19:08,980 --> 00:19:06,559

so and he and he started telling me

398

00:19:11,650 --> 00:19:08,990

about their experience I was

399

00:19:13,870 --> 00:19:11,660

flabbergasted you know usually when a

400

00:19:16,240 --> 00:19:13,880

writer writes the book it's nonfiction

401

00:19:18,520 --> 00:19:16,250

you fear the fact you through the met

402

00:19:20,490 --> 00:19:18,530

that someone's gonna pop off and say oh

403

00:19:23,500 --> 00:19:20,500

that's not true it didn't happen anyway

404

00:19:27,490 --> 00:19:23,510

and I had the exact opposite happened

405

00:19:30,430 --> 00:19:27,500

I mean dad gave me such a he didn't want

406

00:19:33,370 --> 00:19:30,440

to walk he won't call radio he doesn't

407

00:19:35,590 --> 00:19:33,380

like to go public but he gave me pages

408

00:19:39,940 --> 00:19:35,600

and pages and pages of his recollections

409

00:19:45,070 --> 00:19:39,950

and I had a choice to make whether I

410

00:19:49,419 --> 00:19:45,080

should redo to my mom or created - honey

411

00:19:51,160 --> 00:19:49,429

- and by the time I decided to write

412

00:19:53,350 --> 00:19:51,170

through line - either in soul

413

00:19:55,990 --> 00:19:53,360

I don't thirty to forty thousand copies

414

00:19:57,790 --> 00:19:56,000

of true haunting so I figured it

415

00:20:02,290 --> 00:19:57,800

wouldn't be fair these people to ask

416

00:20:04,960 --> 00:20:02,300

them to buy it again and it sang so I

417

00:20:07,840 --> 00:20:04,970

wrote true on him - and there's enough

418

00:20:10,660 --> 00:20:07,850

in there to fill it because honest to

419

00:20:12,610 --> 00:20:10,670

god I never did take marcia into account

420

00:20:15,310 --> 00:20:12,620

I mean I talked about her and through

421

00:20:19,210 --> 00:20:15,320

pointing one but as a as a young man

422

00:20:23,200 --> 00:20:19,220

with a big ego and facing something that

423

00:20:25,590 --> 00:20:23,210

I could not do anything about I wouldn't

424

00:20:27,970 --> 00:20:25,600

come home and say how is your day I

425

00:20:33,549 --> 00:20:27,980

already knew Howard day was not my

426

00:20:35,530 --> 00:20:33,559

hearing so you know she had her

427

00:20:39,130 --> 00:20:35,540

recollections and there were quite a few

428

00:20:42,580 --> 00:20:39,140

things in true hunting - did I learned I

429

00:20:43,990 --> 00:20:42,590

had forgotten there was one instance in

430

00:20:45,370 --> 00:20:44,000

never where she talks about how I got up

431

00:20:50,260 --> 00:20:45,380

and broke when to Tara

432

00:20:52,299 --> 00:20:50,270

I forgot I did that but I did I one of

433

00:20:54,820 --> 00:20:52,309

the things the spirit had a different

434

00:20:57,760 --> 00:20:54,830

effect I think I'm different people but

435

00:20:59,560 --> 00:20:57,770

I was always agitated and angry so it

436

00:21:02,500 --> 00:20:59,570

didn't take me much to get angry

437

00:21:05,350 --> 00:21:02,510

and she said I got angry I got up and if

438

00:21:07,300 --> 00:21:05,360

I get tired at this in a home run with

439

00:21:10,060 --> 00:21:07,310

it against the wall

440

00:21:12,880 --> 00:21:10,070

and that's what it did to me aside from

441

00:21:16,300 --> 00:21:12,890

you know sleep deprivation anybody who

442

00:21:20,880 --> 00:21:16,310

is involved in a real on it you don't

443

00:21:23,260 --> 00:21:20,890

sleep well you know it's why today I

444

00:21:25,420 --> 00:21:23,270

recommend to a lot of people I get a lot

445

00:21:28,830 --> 00:21:25,430

of letters where people have some kind

446

00:21:32,200 --> 00:21:28,840

of activity it's not really frightening

447

00:21:33,270 --> 00:21:32,210

so when it snapped write me I tell them

448

00:21:36,070 --> 00:21:33,280

leave it alone

449

00:21:38,290 --> 00:21:36,080

because one thing I know for sure that

450

00:21:41,830 --> 00:21:38,300

if you try to stop it it'll manifest

451
00:21:44,860 --> 00:21:41,840
something else which isn't the mistake I

452
00:21:47,290 --> 00:21:44,870
made that Camel 3 do you think that

453
00:21:50,500 --> 00:21:47,300
there was more than one entity in that

454
00:21:55,120 --> 00:21:50,510
house oh yeah there were at least uh at

455
00:21:57,850 --> 00:21:55,130
least four maybe five oh they each had

456
00:21:59,500 --> 00:21:57,860
their zones so I don't believe that I

457
00:22:02,440 --> 00:21:59,510
mean there was something really dark on

458
00:22:05,080 --> 00:22:02,450
the first floor when Jody Louise the

459
00:22:07,090 --> 00:22:05,090
medium went down there and came back up

460
00:22:09,460 --> 00:22:07,100
and said you couldn't he couldn't handle

461
00:22:10,090 --> 00:22:09,470
what's there he still had to go seek an

462
00:22:12,550 --> 00:22:10,100
exorcist

463
00:22:15,520 --> 00:22:12,560

I didn't even know where an actress's

464

00:22:17,920 --> 00:22:15,530

wasn't Oh Cheers so he did table

465

00:22:19,630 --> 00:22:17,930

predictions as a medium he didn't want

466

00:22:24,220 --> 00:22:19,640

to make contact with it whatever it all

467

00:22:27,460 --> 00:22:24,230

was now upstairs I felt that I mean

468

00:22:28,810 --> 00:22:27,470

Marsha took refuge in the kitchen even

469

00:22:32,050 --> 00:22:28,820

though there was activity of the kids

470

00:22:34,120 --> 00:22:32,060

and she never felt fear unless you'd

471

00:22:36,250 --> 00:22:34,130

crosses across the threshold into the

472

00:22:39,340 --> 00:22:36,260

rest of the house that's where the

473

00:22:41,290 --> 00:22:39,350

bathroom was and not after she had her

474

00:22:44,200 --> 00:22:41,300

bathtub instant mean she never close the

475

00:22:46,410 --> 00:22:44,210

bathroom door again and should we like

476

00:22:50,670 --> 00:22:46,420

see when I got home to take her be out

477

00:22:54,540 --> 00:22:50,680

and so we knew you know we were familiar

478

00:23:02,170 --> 00:22:54,550

absolutely with with two possibly three

479

00:23:04,570 --> 00:23:02,180

and Joe Joseph or at least four know the

480

00:23:07,090 --> 00:23:04,580

kitchen for your wife at least was a

481

00:23:11,800 --> 00:23:07,100

safe zone she felt safe in the kitchen

482

00:23:13,990 --> 00:23:11,810

yeah I made it brighter with brighter

483

00:23:15,460 --> 00:23:14,000

lights and then she also had the back

484

00:23:18,610 --> 00:23:15,470

door which went to the enclosed back

485

00:23:20,560 --> 00:23:18,620

porch which was false all windows Lucas

486

00:23:22,800 --> 00:23:20,570

she could see the outside

487

00:23:26,200 --> 00:23:22,810

she could actually get outside quickly

488

00:23:29,290 --> 00:23:26,210

you know she had a exit and she'd felt

489

00:23:30,700 --> 00:23:29,300

more comfortable there now that I you

490

00:23:33,220 --> 00:23:30,710

know when these things happen to you

491

00:23:35,980 --> 00:23:33,230

have exchanged you don't even notice it

492

00:23:37,510 --> 00:23:35,990

sometimes but she used to land the cops

493

00:23:40,330 --> 00:23:37,520

in the front room watching the soap

494

00:23:42,430 --> 00:23:40,340

operas and once we moved in the camel

495

00:23:45,880 --> 00:23:42,440

streets she never did that again I've

496

00:23:49,420 --> 00:23:45,890

worn a little a little tiny TV and she

497

00:23:50,650 --> 00:23:49,430

sat on the kitchen table and yeah she

498

00:23:51,600 --> 00:23:50,660

didn't want to go into the rest of the

499

00:23:54,130 --> 00:23:51,610

house

500

00:23:56,620 --> 00:23:54,140

neither did you know I can't Archy I've

501
00:23:58,540 --> 00:23:56,630
got chased out because originally she

502
00:24:01,570 --> 00:23:58,550
she picked her throne to be in the front

503
00:24:03,880 --> 00:24:01,580
row on a belt a chair and one night she

504
00:24:07,600 --> 00:24:03,890
gave one night she came out screaming

505
00:24:09,790 --> 00:24:07,610
and growling my tail was all extended

506
00:24:11,080 --> 00:24:09,800
and she went to our bedroom and she just

507
00:24:13,930 --> 00:24:11,090
never left the bedroom after there

508
00:24:17,200 --> 00:24:13,940
something over the get box and my

509
00:24:19,660 --> 00:24:17,210
exchanger yeah I was surprised what not

510
00:24:22,180 --> 00:24:19,670
that purnama wooden is meeting with Dan

511
00:24:24,720 --> 00:24:22,190
because he laughs twenty of you somebody

512
00:24:26,920 --> 00:24:24,730
read the book and so they lost two dogs

513
00:24:30,700 --> 00:24:26,930

and I said what was so funny about that

514

00:24:34,540 --> 00:24:30,710

he's well I lost mine oh my god I never

515

00:24:38,500 --> 00:24:34,550

knew he had a dog so I said what a jammy

516

00:24:41,500 --> 00:24:38,510

he'd bought an expensive Mia in less

517

00:24:42,220 --> 00:24:41,510

than three days oh my word and then what

518

00:24:46,240 --> 00:24:42,230

happened

519

00:24:48,010 --> 00:24:46,250

it showed the fence was gone these dogs

520

00:24:50,710 --> 00:24:48,020

just took off they didn't want to stay

521

00:24:52,660 --> 00:24:50,720

anywhere near this house yeah absolutely

522

00:24:58,840 --> 00:24:52,670

I mean the cat got thrown out the window

523

00:25:02,520 --> 00:24:58,850

twice until I actually nailed the window

524

00:25:07,420 --> 00:25:02,530

shut and

525

00:25:12,340 --> 00:25:07,430

I can't explain it because she went 24

526
00:25:14,860 --> 00:25:12,350
feet 25 feet down to concrete and the

527
00:25:17,320 --> 00:25:14,870
first time she was on skates is perfect

528
00:25:20,140 --> 00:25:17,330
just huddled up and afraid I picked her

529
00:25:21,670 --> 00:25:20,150
up abroad in the house the second time

530
00:25:25,270 --> 00:25:21,680
she had a little bit of blood on her

531
00:25:31,060 --> 00:25:25,280
girls and that's why the other the

532
00:25:33,340 --> 00:25:31,070
window shut so he had terrorizing hear

533
00:25:34,120 --> 00:25:33,350
that noise I was just gonna ask do you

534
00:25:37,900 --> 00:25:34,130
hear something that

535
00:25:40,920 --> 00:25:37,910
dog panting yes I do do you hear that uh

536
00:25:43,240 --> 00:25:40,930
it just stopped when PK said something

537
00:25:45,580 --> 00:25:43,250
listening to it I kept thinking oh it's

538
00:25:47,260 --> 00:25:45,590

my imagination that no it is now and and

539

00:25:51,310 --> 00:25:47,270

I was just gonna say it when you said it

540

00:25:53,100 --> 00:25:51,320

yeah might be like dog scratching over

541

00:25:57,130 --> 00:25:53,110

just predator for throw or pillow

542

00:26:01,510 --> 00:25:57,140

starlett stop it we'll see if it's

543

00:26:03,430 --> 00:26:01,520

Skylar it's interesting we're talking

544

00:26:06,580 --> 00:26:03,440

about pets and there is a question in

545

00:26:08,440 --> 00:26:06,590

the chat room about cuts Shan Derek

546

00:26:10,870 --> 00:26:08,450

wants to know what about the pets in the

547

00:26:12,610 --> 00:26:10,880

family you know do entities affect

548

00:26:15,130 --> 00:26:12,620

animals well you certainly just answered

549

00:26:16,960 --> 00:26:15,140

that question so they certainly did

550

00:26:20,290 --> 00:26:16,970

affect the pets in the family in a major

551
00:26:24,580 --> 00:26:20,300
way yeah it was

552
00:26:28,030 --> 00:26:24,590
I was rarely afraid that was too stupid

553
00:26:31,060 --> 00:26:28,040
I guess but what did scare me was that

554
00:26:32,770 --> 00:26:31,070
the first dog was a part there was a

555
00:26:36,640 --> 00:26:32,780
shepherd husky looked like it was part

556
00:26:37,660 --> 00:26:36,650
wolf it was that size now the etad was

557
00:26:40,420 --> 00:26:37,670
very loyal

558
00:26:42,070 --> 00:26:40,430
so you know if I was walk in the woods

559
00:26:44,920 --> 00:26:42,080
and a bear came out then dog would get

560
00:26:48,160 --> 00:26:44,930
between me and a bear it was Stanley on

561
00:26:51,070 --> 00:26:48,170
that brave and the one night it came

562
00:26:53,800 --> 00:26:51,080
into our bedroom came out of the dining

563
00:26:57,400 --> 00:26:53,810

room would jump on the bed and it

564

00:26:59,770 --> 00:26:57,410

staring at our bedroom door and put his

565

00:27:02,380 --> 00:26:59,780

back up and throw it down like it was

566

00:27:06,130 --> 00:27:02,390

ready to attack and just growled like a

567

00:27:08,050 --> 00:27:06,140

son of a company hmm and I had to calm

568

00:27:09,670 --> 00:27:08,060

her down and I took her for a walk and

569

00:27:09,970 --> 00:27:09,680

it was the next morning that she ran

570

00:27:14,050 --> 00:27:09,980

away

571

00:27:17,920 --> 00:27:14,060

oh but when I thought about that it was

572

00:27:19,150 --> 00:27:17,930

like if that dog would take on a beer or

573

00:27:22,180 --> 00:27:19,160

protect me from anything

574

00:27:25,420 --> 00:27:22,190

what the hell did she see yeah exactly

575

00:27:27,310 --> 00:27:25,430

that never scared her that much yeah

576

00:27:29,650 --> 00:27:27,320

that made her leave your property had

577

00:27:35,740 --> 00:27:29,660

never come back as loyal as she was oh

578

00:27:37,510 --> 00:27:35,750

my gosh incredible yeah second dog but

579

00:27:42,940 --> 00:27:37,520

the second dog didn't find it what else

580

00:27:46,180 --> 00:27:42,950

is long but now you know I taught people

581

00:27:47,630 --> 00:27:46,190

and I do it here my bedroom was a

582

00:27:51,180 --> 00:27:47,640

sanctuary

583

00:27:52,230 --> 00:27:51,190

so it may buddy goes in there they

584

00:27:55,920 --> 00:27:52,240

probably think I'm some kind of

585

00:27:59,370 --> 00:27:55,930

psychopath like I can't so I got twenty

586

00:28:02,610 --> 00:27:59,380

rosaries bedroo the same should worry

587

00:28:03,810 --> 00:28:02,620

and I recommend that to everybody it's

588

00:28:08,820 --> 00:28:03,820

best if they have an entity in their

589

00:28:10,560 --> 00:28:08,830

house keep keep your guns locked up and

590

00:28:12,240 --> 00:28:10,570

protected because that's where you sleep

591

00:28:16,910 --> 00:28:12,250

that's where you go if dreams or

592

00:28:20,010 --> 00:28:16,920

subconscious your vulnerable point yes

593

00:28:24,870 --> 00:28:20,020

would you recommend they put in there

594

00:28:28,110 --> 00:28:24,880

besides Rosa reason and such I hope they

595

00:28:32,880 --> 00:28:28,120

hold strong beliefs in mmm-hmm I mean I

596

00:28:36,240 --> 00:28:32,890

was brought up Catholic so I I've got

597

00:28:38,340 --> 00:28:36,250

two hopeless rosaries mm-hmm I've got a

598

00:28:43,080 --> 00:28:38,350

statue of the infant of Prague that was

599

00:28:47,100 --> 00:28:43,090

in a church in Rome actually it's about

600

00:28:51,600 --> 00:28:47,110

a hundred years old I you know I that

601
00:28:59,010 --> 00:28:51,610
power they're not supposed to be in

602
00:29:02,520 --> 00:28:59,020
there anyway except to you right you I

603
00:29:07,080 --> 00:29:02,530
get a lot of emails and letters from

604
00:29:08,670 --> 00:29:07,090
people operations appearing and that's

605
00:29:12,750 --> 00:29:08,680
where they're better at their bed are

606
00:29:16,440 --> 00:29:12,760
very very common and most times the

607
00:29:19,350 --> 00:29:16,450
people don't iron afraid they seem to

608
00:29:20,550 --> 00:29:19,360
recognize who the apparition was when

609
00:29:23,190 --> 00:29:20,560
they don't doesn't only have to come

610
00:29:29,660 --> 00:29:23,200
fright and that's my tell is sealed or

611
00:29:32,010 --> 00:29:29,670
better you know seal it all up lots of

612
00:29:33,510 --> 00:29:32,020
questions for you that are coming up in

613
00:29:35,850 --> 00:29:33,520

the chat room we're gonna try to get to

614

00:29:37,980 --> 00:29:35,860

them after the break and you've

615

00:29:39,750 --> 00:29:37,990

stimulated a lot of conversation here

616

00:29:41,090 --> 00:29:39,760

people have a lot of things they want to

617

00:29:45,060 --> 00:29:41,100

PK and our incredible guest Edie Becker

630

00:30:21,350 --> 00:30:17,639

who is the author of two terrific books

631

00:30:23,389 --> 00:30:21,360

and they are called true hunting and

632

00:30:25,879 --> 00:30:23,399

true hunting too you want to make sure

633

00:30:29,480 --> 00:30:25,889

to get them so that you can read all the

634

00:30:32,060 --> 00:30:29,490

details of this amazing haunted house

635

00:30:33,919 --> 00:30:32,070

story and it's really about haunted

636

00:30:36,580 --> 00:30:33,929

people too it's not just the house

637

00:30:39,619 --> 00:30:36,590

that's really had an effect on everybody

638

00:30:44,379 --> 00:30:39,629

now Camille is asking is the sequel of

639

00:30:50,840 --> 00:30:48,590

right I'm Kendall Camille so go out and

640

00:30:53,029 --> 00:30:50,850

get it on Kindle now here's an easy

641

00:30:57,680 --> 00:30:53,039

question from wookie wants to know how

642

00:31:01,549 --> 00:30:57,690

many square feet was this property the

643

00:31:04,070 --> 00:31:01,559

property or the building the building

644

00:31:07,009 --> 00:31:04,080

I'm sure they're asking it was true

645

00:31:10,039 --> 00:31:07,019

stories in a basement and I'm gonna

646

00:31:12,590 --> 00:31:10,049

guess that the each floor was about it

647

00:31:17,930 --> 00:31:12,600

wasn't a large it more like 800 square

648

00:31:21,769 --> 00:31:17,940

feet or something yeah okay now here's a

649

00:31:24,379 --> 00:31:21,779

question right here's a question this is

650

00:31:27,529 --> 00:31:24,389

from zan darkus who wants to know was

651
00:31:35,240 --> 00:31:27,539
this story picked up by any news outlets

652
00:31:39,139 --> 00:31:35,250
outside of the city no NBC here and one

653
00:31:41,269 --> 00:31:39,149
of the tragedies yes is that because I

654
00:31:43,430 --> 00:31:41,279
guess didn't know shoes they had

655
00:31:46,009 --> 00:31:43,440
regulations about how many times

656
00:31:48,980 --> 00:31:46,019
something could air and the company and

657
00:31:50,810 --> 00:31:48,990
the footage from the news ran there in

658
00:31:53,180 --> 00:31:50,820
all weekend and part of the next week

659
00:31:56,539 --> 00:31:53,190
because they just kept getting demands

660
00:31:59,419 --> 00:31:56,549
and people were calling well NBC NBC

661
00:32:01,580 --> 00:31:59,429
made a 20-minute segment for a program

662
00:32:01,950 --> 00:32:01,590
that they had in that time call to the

663
00:32:05,970 --> 00:32:01,960

new

664

00:32:09,029 --> 00:32:05,980

called first Tuesday their aim was to go

665

00:32:12,139 --> 00:32:09,039

after the 60 Minutes crowd a segment was

666

00:32:14,460 --> 00:32:12,149

made of our experience for first Tuesday

667

00:32:18,930 --> 00:32:14,470

we never got to see it she didn't play

668

00:32:22,350 --> 00:32:18,940

in Illinois and prepared on a witness

669

00:32:25,830 --> 00:32:22,360

because they're owned by NBC I had

670

00:32:29,519 --> 00:32:25,840

access to their archives so I wanted all

671

00:32:31,500 --> 00:32:29,529

the footage if you look on the YouTube

672

00:32:34,070 --> 00:32:31,510

video and about the minute of the half

673

00:32:36,600 --> 00:32:34,080

mark you've got clearly see it ghost

674

00:32:39,870 --> 00:32:36,610

they'll come into the door and then back

675

00:32:41,399 --> 00:32:39,880

off no kidding whenever you're told

676

00:32:44,580 --> 00:32:41,409

I won't watch the footage but when a

677

00:32:47,519 --> 00:32:44,590

reader told me that I knew that NBC then

678

00:32:50,399 --> 00:32:47,529

filmed there for 16 hours on two

679

00:32:53,130 --> 00:32:50,409

different days so I asked if I could get

680

00:32:54,990 --> 00:32:53,140

all the footage well they said somebody

681

00:33:02,250 --> 00:32:55,000

in Chicago and they they claimed it was

682

00:33:02,850 --> 00:33:02,260

all lost oh yeah you know what can you

683

00:33:04,289 --> 00:33:02,860

do

684

00:33:07,070 --> 00:33:04,299

I didn't give anything to see all

685

00:33:10,370 --> 00:33:07,080

because I know that whoever in the 16

686

00:33:13,289 --> 00:33:10,380

hours would not be looking for ghosts

687

00:33:20,549 --> 00:33:13,299

all right what what else was in there

688

00:33:22,669 --> 00:33:20,559

that they didn't see but ya know what

689

00:33:26,190 --> 00:33:22,679

marcin i after it was over we're here

690

00:33:29,820 --> 00:33:26,200

you know unlike some people that raise a

691

00:33:32,519 --> 00:33:29,830

flag and they want celebrity status and

692

00:33:35,610 --> 00:33:32,529

they want to be recognized we took we

693

00:33:39,120 --> 00:33:35,620

changed our name out of the phone book

694

00:33:42,750 --> 00:33:39,130

we ran for the hills we didn't want any

695

00:33:46,320 --> 00:33:42,760

celebrity status it in those years

696

00:33:48,510 --> 00:33:46,330

having a haunted building was you know

697

00:33:51,360 --> 00:33:48,520

it was something that could hurt you

698

00:33:53,970 --> 00:33:51,370

reputation wise I was in the computers

699

00:33:57,570 --> 00:33:53,980

so imagine a guy who works with logic in

700

00:34:03,180 --> 00:33:57,580

this most illogical and some yeah most

701
00:34:06,930 --> 00:34:03,190
illogical situation that's what kept me

702
00:34:08,520 --> 00:34:06,940
in denial for so long well sure sure and

703
00:34:10,409 --> 00:34:08,530
here's a question that feeds right into

704
00:34:12,869 --> 00:34:10,419
what you're talking about from an to do

705
00:34:15,359 --> 00:34:12,879
or on who's asking do you think that the

706
00:34:15,780 --> 00:34:15,369
paranormal is considered taboo now as it

707
00:34:19,980 --> 00:34:15,790
was bad

708
00:34:22,710 --> 00:34:19,990
in the 60s and 70s oh definitely not I

709
00:34:25,909 --> 00:34:22,720
don't use considered taboo but I'm

710
00:34:30,419 --> 00:34:25,919
embarrassed for what it's developed into

711
00:34:32,820 --> 00:34:30,429
because you talk to people even

712
00:34:35,010 --> 00:34:32,830
specialists who are talking about

713
00:34:38,250 --> 00:34:35,020

certain areas of paranormal and they're

714

00:34:42,240 --> 00:34:38,260

all using movie references and they're

715

00:34:45,440 --> 00:34:42,250

losing the using stuff from the sea on

716

00:34:51,150 --> 00:34:48,030

you know they're talking it was one

717

00:34:54,450 --> 00:34:51,160

investigators that he exercised the

718

00:34:56,640 --> 00:34:54,460

Windigo on the East Coast well the only

719

00:34:59,850 --> 00:34:56,650

time when to go was use the program

720

00:35:03,120 --> 00:34:59,860

supernatural and in a book I wrote okay

721

00:35:06,990 --> 00:35:03,130

in 1995 the Windigo is nothing but a

722

00:35:11,010 --> 00:35:07,000

it's a myth a folklore for the Chippewa

723

00:35:13,620 --> 00:35:11,020

Indians you know Jim Boice yes very

724

00:35:16,410 --> 00:35:13,630

little there's a very little population

725

00:35:18,810 --> 00:35:16,420

that would even use that word and but

726

00:35:20,160 --> 00:35:18,820

people are ready you know their search

727

00:35:24,360 --> 00:35:20,170

they find these things and they're using

728

00:35:27,750 --> 00:35:24,370

them and you know if you read the true

729

00:35:29,640 --> 00:35:27,760

hunting one I don't know how you won't

730

00:35:33,840 --> 00:35:29,650

find the word horrified or terrified in

731

00:35:36,660 --> 00:35:33,850

there I never tried to make to scare

732

00:35:40,410 --> 00:35:36,670

people because this was exactly what can

733

00:35:43,110 --> 00:35:40,420

happen to you if they will open doors

734

00:35:47,190 --> 00:35:43,120

which very common they will in great

735

00:35:49,830 --> 00:35:47,200

footsteps and don't you feel that they

736

00:35:52,230 --> 00:35:49,840

also that they feed off of the fear and

737

00:35:53,100 --> 00:35:52,240

they feed off of anger because you were

738

00:35:55,260 --> 00:35:53,110

finding yourself

739

00:35:57,210 --> 00:35:55,270

he said angry and irritated and it

740

00:36:03,590 --> 00:35:57,220

didn't take much for your temper to

741

00:36:06,690 --> 00:36:03,600

flare yeah I was perpetual agitation I

742

00:36:09,780 --> 00:36:06,700

don't know how subscribing I would not a

743

00:36:13,080 --> 00:36:09,790

lot of it probably sleep deprivation but

744

00:36:16,860 --> 00:36:13,090

they knew you know these entities are

745

00:36:19,140 --> 00:36:16,870

smart when we install the telephone I

746

00:36:20,580 --> 00:36:19,150

put it in the middle of the house now

747

00:36:22,160 --> 00:36:20,590

there's a reason for that that's because

748

00:36:25,200 --> 00:36:22,170

it was accessible from either side and

749

00:36:27,930 --> 00:36:25,210

folks were very expensive you had to get

750

00:36:29,490 --> 00:36:27,940

him from the phone company you know you

751

00:36:33,120 --> 00:36:29,500

couldn't own a phone

752

00:36:34,800 --> 00:36:33,130

their FCC license so I got the phone

753

00:36:36,630 --> 00:36:34,810

yeah I couldn't afford to put three or

754

00:36:38,580 --> 00:36:36,640

four phones here so I think it was

755

00:36:41,610 --> 00:36:38,590

something I want to stay with like \$85

756

00:36:47,160 --> 00:36:41,620

at \$90 attack and that's about what I

757

00:36:49,320 --> 00:36:47,170

made a week so put the phone in I'd be

758

00:36:52,440 --> 00:36:49,330

at work at down home number it'd be busy

759

00:36:55,200 --> 00:36:52,450

now those years there was no call

760

00:36:57,600 --> 00:36:55,210

waiting there was there was no automatic

761

00:37:00,480 --> 00:36:57,610

stuff at all he was all high sport

762

00:37:02,870 --> 00:37:00,490

operators mm-hmm so if you took your

763

00:37:07,080 --> 00:37:02,880

phone off the book it would make an

764

00:37:08,940 --> 00:37:07,090

sound for a short period of time until

765

00:37:13,110 --> 00:37:08,950

the switchboard operator at the Illinois

766

00:37:14,670 --> 00:37:13,120

bill would just pull the plug on it I'd

767

00:37:16,260 --> 00:37:14,680

come home when I'd be yelling at Marc

768

00:37:18,840 --> 00:37:16,270

sure like what the hell are you doing

769

00:37:21,030 --> 00:37:18,850

the phone all day she said was not at

770

00:37:23,790 --> 00:37:21,040

home well I look in the front room and

771

00:37:28,140 --> 00:37:23,800

there it is laying there and that took

772

00:37:30,690 --> 00:37:28,150

me through a whole bunch of rationales

773

00:37:33,750 --> 00:37:30,700

and then excuses because I said okay it

774

00:37:37,280 --> 00:37:33,760

must be the dog must be the cat so it

775

00:37:42,120 --> 00:37:37,290

was just laying there off the hook yeah

776

00:37:45,870 --> 00:37:42,130

the end but I'd come home and I'd be

777

00:37:48,270 --> 00:37:45,880

irritated and uh and of course Marcia

778

00:37:50,490 --> 00:37:48,280

was telling me she was telling me the

779

00:37:52,260 --> 00:37:50,500

truth I mean she she understood the time

780

00:37:55,290 --> 00:37:52,270

we move in there that there was

781

00:37:58,190 --> 00:37:55,300

something in the house I just basically

782

00:38:02,460 --> 00:37:58,200

gave her two Bs for it too many times

783

00:38:04,910 --> 00:38:02,470

so I just didn't believe it even when

784

00:38:09,840 --> 00:38:04,920

the priest who christened our daughter

785

00:38:12,990 --> 00:38:09,850

lost our house his brass dispenser for

786

00:38:16,620 --> 00:38:13,000

holy water shattered not like a new

787

00:38:21,120 --> 00:38:16,630

movie screen trend he just raised his

788

00:38:23,820 --> 00:38:21,130

hand and it's like crumpled and he

789

00:38:25,980 --> 00:38:23,830

immediately crossed himself got down and

790

00:38:29,250 --> 00:38:25,990

started picking up pieces and became

791

00:38:29,970 --> 00:38:29,260

unglued and much too kind of knew what

792

00:38:34,500 --> 00:38:29,980

that was about

793

00:38:36,230 --> 00:38:34,510

I didn't so I was I was actually mad at

794

00:38:39,950 --> 00:38:36,240

him but he didn't finish the blessing I

795

00:38:42,090 --> 00:38:39,960

forced him to bless our daughter's room

796

00:38:43,729 --> 00:38:42,100

but I think he knew what he was up

797

00:38:46,620 --> 00:38:43,739

against

798

00:38:48,779 --> 00:38:46,630

and you know I don't even know if you

799

00:38:50,430 --> 00:38:48,789

know if the United States had an

800

00:38:56,279 --> 00:38:50,440

exorcist resident in the whole damn

801
00:39:01,289 --> 00:38:56,289
place in 1970 exorcism or just very very

802
00:39:03,979 --> 00:39:01,299
rare it was that nun yeah things changed

803
00:39:06,809 --> 00:39:03,989
now though and I hear that Exorcist sir

804
00:39:08,400 --> 00:39:06,819
their demand is on the rise and there's

805
00:39:10,769 --> 00:39:08,410
more of them so I guess there's some

806
00:39:14,039 --> 00:39:10,779
level of acceptance that this is real

807
00:39:16,200 --> 00:39:14,049
and it needs to be attempted - here's a

808
00:39:18,450 --> 00:39:16,210
question again from looking who's asking

809
00:39:21,719 --> 00:39:18,460
how many mediums and psychics took a

810
00:39:23,400 --> 00:39:21,729
look at this place we get it two

811
00:39:26,690 --> 00:39:23,410
different groups actually the first

812
00:39:30,359 --> 00:39:26,700
group I considered them to be charlatans

813
00:39:31,950 --> 00:39:30,369

although one of the women did - in the

814

00:39:35,009 --> 00:39:31,960

first floor and she picked up on the

815

00:39:38,400 --> 00:39:35,019

dark energy in the front bedroom she was

816

00:39:40,349 --> 00:39:38,410

100% correct so she had some ability and

817

00:39:42,870 --> 00:39:40,359

I think he's gifted person has a

818

00:39:45,620 --> 00:39:42,880

different type of ability but the people

819

00:39:49,079 --> 00:39:45,630

that came with her were thrill seekers

820

00:40:00,779 --> 00:39:49,089

and they got their thrilling they ran

821

00:40:02,579 --> 00:40:00,789

the hell out of there yeah I was able to

822

00:40:05,190 --> 00:40:02,589

make the spirits through certain things

823

00:40:08,400 --> 00:40:05,200

of will so when I tied the kitchen door

824

00:40:09,930 --> 00:40:08,410

I could make this spirit vibrate that

825

00:40:12,630 --> 00:40:09,940

door because you like to open it and I

826
00:40:14,009 --> 00:40:12,640
tied his Chuck and because the string

827
00:40:16,999 --> 00:40:14,019
had a little bit of leeway in if he

828
00:40:21,329 --> 00:40:17,009
could vibrate it I could do that it will

829
00:40:23,880 --> 00:40:21,339
but the phone off the hook he would

830
00:40:28,170 --> 00:40:23,890
happen none of us ever saw it happen

831
00:40:31,079 --> 00:40:28,180
it would just be optimal and until his

832
00:40:32,430 --> 00:40:31,089
first group came in and the last thing

833
00:40:33,779 --> 00:40:32,440
they did is they were leaving out the

834
00:40:38,700 --> 00:40:33,789
door with the phone came off the

835
00:40:43,890 --> 00:40:38,710
receiver it was a princess phone so it

836
00:40:45,539 --> 00:40:43,900
just flopped over I don't know I don't

837
00:40:48,120 --> 00:40:45,549
know if I measured the block but I had

838
00:40:51,440 --> 00:40:48,130

to laugh because the one fellow looked

839

00:40:55,300 --> 00:40:51,450

like he might be had on mass and yeah uh

840

00:41:01,000 --> 00:40:55,310

he had a red wig it was askew

841

00:41:02,860 --> 00:41:01,010

and he got scared you know I was

842

00:41:05,440 --> 00:41:02,870

thinking after they left I was angry I

843

00:41:06,970 --> 00:41:05,450

was always angry so I told Corey I said

844

00:41:09,130 --> 00:41:06,980

those bla bla bla bla nice what the

845

00:41:14,710 --> 00:41:09,140

hell do you do not I'm ghost if he's so

846

00:41:19,000 --> 00:41:14,720

afraid within a second the second group

847

00:41:23,650 --> 00:41:19,010

of people were they were for real and

848

00:41:29,380 --> 00:41:23,660

they were they gave me the belief in

849

00:41:32,230 --> 00:41:29,390

that gift they sent in town Valentine an

850

00:41:34,930 --> 00:41:32,240

author he's written some novels he

851

00:41:36,910 --> 00:41:34,940

writes the medical books I've tried to

852

00:41:39,670 --> 00:41:36,920

reach him I can't find him but he came

853

00:41:43,300 --> 00:41:39,680

in to investigate Marsh and I had us

854

00:41:44,800 --> 00:41:43,310

fill out like almost a form of our

855

00:41:47,080 --> 00:41:44,810

personal habits I mean he checked

856

00:41:49,000 --> 00:41:47,090

everything in the house I checked our

857

00:41:52,990 --> 00:41:49,010

refrigerators did he find any beer

858

00:41:55,510 --> 00:41:53,000

you know I should I never did drink

859

00:41:59,710 --> 00:41:55,520

people are upset when they come to my

860

00:42:04,860 --> 00:41:59,720

house but there's no beer here but they

861

00:42:07,390 --> 00:42:04,870

did everything that he was she was

862

00:42:10,510 --> 00:42:07,400

paving the way for Joe delouise so we

863

00:42:14,860 --> 00:42:10,520

had national prominence at the time Joe

864

00:42:19,390 --> 00:42:14,870

had gotten some press because he helped

865

00:42:23,610 --> 00:42:19,400

find Tex Watson one of the Manson

866

00:42:25,660 --> 00:42:23,620

killers so he was able to locate him and

867

00:42:28,270 --> 00:42:25,670

that was like a big deal then he

868

00:42:29,860 --> 00:42:28,280

predicted some bridge collapse so in

869

00:42:35,890 --> 00:42:29,870

town Valentine that they did not want to

870

00:42:37,660 --> 00:42:35,900

send him in to be fooled you know so

871

00:42:39,880 --> 00:42:37,670

they made sure they examine the houses

872

00:42:43,170 --> 00:42:39,890

and when Jodie Louise came in he brought

873

00:42:44,920 --> 00:42:43,180

his protege with him a woman and she

874

00:42:49,390 --> 00:42:44,930

just blew me away

875

00:42:50,650 --> 00:42:49,400

I still remember they they came in and I

876

00:42:55,140 --> 00:42:50,660

was a little skeptical because of the

877

00:42:57,490 --> 00:42:55,150

last group and he looked kind of evil

878

00:43:00,670 --> 00:42:57,500

because he pictures of them he had a

879

00:43:04,090 --> 00:43:00,680

black booty and black area all wear all

880

00:43:06,880 --> 00:43:04,100

black and the girl with him was wearing

881

00:43:09,579 --> 00:43:06,890

black and she also had very very

882

00:43:12,549 --> 00:43:09,589

caught her here and they weren't smiling

883

00:43:15,670 --> 00:43:12,559

or anything so I was like they can look

884

00:43:19,890 --> 00:43:15,680

spooky to me plan to go upstairs and

885

00:43:22,239 --> 00:43:19,900

then Joe he looks in the dining room

886

00:43:24,279 --> 00:43:22,249

that's right we entered our apartment in

887

00:43:27,819 --> 00:43:24,289

the middle there's no furniture there

888

00:43:32,079 --> 00:43:27,829

and he looks at me and he says you don't

889

00:43:35,620 --> 00:43:32,089

Roos use this room very much and I mean

890

00:43:37,150 --> 00:43:35,630

I'm thinking in my head oh uh you know

891

00:43:39,849 --> 00:43:37,160

there's nothing there to use it's empty

892

00:43:42,789 --> 00:43:39,859

room then he looked over he saw her

893

00:43:45,519 --> 00:43:42,799

bedroom and there was only two adults to

894

00:43:47,319 --> 00:43:45,529

the infant but he saw the bedroom and

895

00:43:49,420 --> 00:43:47,329

there was no door on it on that bedroom

896

00:43:51,689 --> 00:43:49,430

we put a vinyl door folding doors

897

00:43:54,269 --> 00:43:51,699

earlier but he said that's your bedroom

898

00:43:56,620 --> 00:43:54,279

like if he was telling me something and

899

00:43:58,839 --> 00:43:56,630

I'm thinking to myself this is not gonna

900

00:44:05,400 --> 00:43:58,849

end well you know and I've got an

901
00:44:09,249 --> 00:44:08,380
Marshall Marshall do Marshall do it is

902
00:44:13,059 --> 00:44:09,259
boiling over

903
00:44:14,890 --> 00:44:13,069
no problem raise the eyebrow raised and

904
00:44:15,519 --> 00:44:14,900
about that time the woman with the grab

905
00:44:18,910 --> 00:44:15,529
my hand

906
00:44:23,439 --> 00:44:18,920
literally very gently and she looked at

907
00:44:26,709 --> 00:44:23,449
me and the items he said bullets and I

908
00:44:29,049 --> 00:44:26,719
said what she said bullets and only I

909
00:44:29,799 --> 00:44:29,059
knew what that meant because in cleaning

910
00:44:33,969 --> 00:44:29,809
out the basement

911
00:44:36,099 --> 00:44:33,979
I found this jar with bullets in it yeah

912
00:44:38,499 --> 00:44:36,109
I wouldn't in those years Chicago burned

913
00:44:40,660 --> 00:44:38,509

its garbage actually not too far from

914

00:44:42,910 --> 00:44:40,670

where we're living so I wouldn't throw

915

00:44:45,489 --> 00:44:42,920

it out because I figured they don't go

916

00:44:47,380 --> 00:44:45,499

often maybe heard of somebody so I took

917

00:44:50,680 --> 00:44:47,390

the jar I put it up in the rafters so

918

00:44:53,650 --> 00:44:50,690

when she said bullets a second time I

919

00:44:58,239 --> 00:44:53,660

said where and she sent her in the

920

00:45:01,809 --> 00:44:58,249

basement in the rafter oh my gosh there

921

00:45:04,180 --> 00:45:01,819

was no possible way no possible way she

922

00:45:06,160 --> 00:45:04,190

could know the other and at that point

923

00:45:09,759 --> 00:45:06,170

she had my attention they had people

924

00:45:14,229 --> 00:45:09,769

that my attention and Jill god bless him

925

00:45:16,089 --> 00:45:14,239

I mean he didn't deal with me too too

926

00:45:17,009 --> 00:45:16,099

long before he started the taper my

927

00:45:20,289 --> 00:45:17,019

behavior

928

00:45:22,449 --> 00:45:20,299

you know because so he heard the cursor

929

00:45:24,789 --> 00:45:22,459

I named the one but that was the outlet

930

00:45:27,189 --> 00:45:24,799

for all my anger so I start swearing a

931

00:45:30,009 --> 00:45:27,199

bit and Joe said don't do that

932

00:45:32,589 --> 00:45:30,019

you know they sit with prayer or

933

00:45:36,549 --> 00:45:32,599

compassion and he said these are lost

934

00:45:40,120 --> 00:45:36,559

souls he changed my whole attitude got

935

00:45:42,219 --> 00:45:40,130

me back to praying and which is all you

936

00:45:44,679 --> 00:45:42,229

can do really

937

00:45:47,849 --> 00:45:44,689

you can't was much like I said earlier

938

00:45:49,989 --> 00:45:47,859

you don't want to change the routine you

939

00:45:51,879 --> 00:45:49,999

you know when I tied the kitchen door

940

00:45:55,809 --> 00:45:51,889

shut I invited it to do something else

941

00:45:57,399 --> 00:45:55,819

which is what it did and if it if you

942

00:46:01,179 --> 00:45:57,409

have activity in your house that doesn't

943

00:46:02,979 --> 00:46:01,189

frighten you leave it along just leave

944

00:46:05,709 --> 00:46:02,989

it alone just protect your bedroom like

945

00:46:08,349 --> 00:46:05,719

I said earlier keep your bedroom your

946

00:46:10,629 --> 00:46:08,359

sanctuary that's good advice

947

00:46:13,569 --> 00:46:10,639

now here's a question from zeldathon

948

00:46:17,620 --> 00:46:13,579

who's asking did anyone die as a result

949

00:46:24,120 --> 00:46:17,630

of this haunting no one died as a result

950

00:46:26,679 --> 00:46:24,130

of no I mean my sister's life was ruined

951

00:46:30,279 --> 00:46:26,689

it's much like I said earlier why they

952

00:46:32,679 --> 00:46:30,289

got on the break right that's an office

953

00:46:34,989 --> 00:46:32,689

sad story with your sister I mean and my

954

00:46:36,969 --> 00:46:34,999

heart just breaks hearing this it's I

955

00:46:39,129 --> 00:46:36,979

know it's written about in your first

956

00:46:42,159 --> 00:46:39,139

book and it's also in the paranormal

957

00:46:44,769 --> 00:46:42,169

witness television show but it is it is

958

00:46:46,749 --> 00:46:44,779

just devastating to know that your

959

00:46:49,389 --> 00:46:46,759

sister's life was ruined this way by

960

00:46:53,229 --> 00:46:49,399

this haunting well that's what demons do

961

00:46:55,959 --> 00:46:53,239

they they're they're gonna enter you

962

00:46:57,729 --> 00:46:55,969

they're not gonna ever surface and

963

00:46:59,889 --> 00:46:57,739

they're not gonna walk out of the free

964

00:47:02,439 --> 00:46:59,899

will they're gonna ride you into hell

965

00:47:05,289 --> 00:47:02,449

now if it takes 40 years they don't care

966

00:47:08,439 --> 00:47:05,299

they have no time time is sort of our

967

00:47:10,599 --> 00:47:08,449

constructor they have no time and I mean

968

00:47:13,870 --> 00:47:10,609

it aggravates me I've got webisodes if

969

00:47:16,749 --> 00:47:13,880

you go to a www-what Becker com I've got

970

00:47:18,969 --> 00:47:16,759

a webisode on demons and I know a little

971

00:47:23,289 --> 00:47:18,979

bit about I've seen a real exorcism and

972

00:47:25,509 --> 00:47:23,299

I've known to Exorcist personally demons

973

00:47:27,669 --> 00:47:25,519

don't reveal themselves so it looks like

974

00:47:30,399 --> 00:47:27,679

I said if a person says I need an

975

00:47:30,950 --> 00:47:30,409

exorcism they really need a psychologist

976

00:47:33,140 --> 00:47:30,960

of course like

977

00:47:36,320 --> 00:47:33,150

at rest because the team is never going

978

00:47:39,109 --> 00:47:36,330

to offer their own exorcism the person

979

00:47:42,500 --> 00:47:39,119

themselves is not going to allow you I

980

00:47:44,870 --> 00:47:42,510

mean I should really ask that Exorcist

981

00:47:46,609 --> 00:47:44,880

today how they deal with it because if

982

00:47:49,849 --> 00:47:46,619

you're the true Exorcist you want to

983

00:47:53,210 --> 00:47:49,859

know that your subject first off is not

984

00:47:55,609 --> 00:47:53,220

mentally ill second off there's there's

985

00:47:57,680 --> 00:47:55,619

two kinds of 20 there's 2,000

986

00:48:00,620 --> 00:47:57,690

medications that can affect a person's

987

00:48:03,440 --> 00:48:00,630

personality write down the simple blood

988

00:48:05,660 --> 00:48:03,450

pressure medications so you've got to

989

00:48:09,620 --> 00:48:05,670

kind of figure out are they off what's

990

00:48:11,060 --> 00:48:09,630

their medication and then you kind of

991

00:48:12,200 --> 00:48:11,070

have to get a feel for whether the

992

00:48:14,650 --> 00:48:12,210

person is lying or not

993

00:48:18,790 --> 00:48:14,660

whether they're using another substance

994

00:48:22,220 --> 00:48:18,800

that they don't want to admit to and I

995

00:48:24,470 --> 00:48:22,230

don't know how they come about it was an

996

00:48:28,460 --> 00:48:24,480

exorcism because the one I saw it was a

997

00:48:31,820 --> 00:48:28,470

man and they think I'm strapped down you

998

00:48:32,570 --> 00:48:31,830

can't do that today and that demons

999

00:48:35,950 --> 00:48:32,580

gonna hurt you

1000

00:48:39,589 --> 00:48:35,960

and but you can't take a person in and

1001
00:48:40,190 --> 00:48:39,599
strap them down you can go to jail for

1002
00:48:42,290 --> 00:48:40,200
them

1003
00:48:44,240 --> 00:48:42,300
so I don't know how it just is

1004
00:48:47,210 --> 00:48:44,250
definitely handling today in this day

1005
00:48:50,329 --> 00:48:47,220
and age you know it's interesting there

1006
00:48:52,160 --> 00:48:50,339
is a there's an a new psychiatry but

1007
00:48:55,820 --> 00:48:52,170
there's a psychiatrist that's coming out

1008
00:48:57,020 --> 00:48:55,830
as an exorcist - same as dr. Gallagher

1009
00:48:58,880 --> 00:48:57,030
we're hoping to get him on the show to

1010
00:49:00,320 --> 00:48:58,890
talk about these things and he says that

1011
00:49:02,270 --> 00:49:00,330
more and more psychiatrists and

1012
00:49:07,579 --> 00:49:02,280
psychologists are starting to understand

1013
00:49:10,400 --> 00:49:07,589

that these entities are real and they do

1014

00:49:12,740 --> 00:49:10,410

affect people and it's fascinating you

1015

00:49:16,690 --> 00:49:12,750

know because I know way back when all of

1016

00:49:18,740 --> 00:49:16,700

this started for you that was not how

1017

00:49:20,930 --> 00:49:18,750

professionals in the mental health field

1018

00:49:23,210 --> 00:49:20,940

were thinking but actually now that's

1019

00:49:25,310 --> 00:49:23,220

how they're thinking so it'll be

1020

00:49:27,770 --> 00:49:25,320

interesting to see how they handle these

1021

00:49:29,960 --> 00:49:27,780

types of situations with people who may

1022

00:49:32,060 --> 00:49:29,970

be possessed or may be influenced

1023

00:49:35,930 --> 00:49:32,070

because it sounds like your sister was

1024

00:49:38,000 --> 00:49:35,940

influenced in a very negative way part

1025

00:49:43,940 --> 00:49:38,010

of it was brought on by her use of Ouija

1026

00:49:44,630 --> 00:49:43,950

boards in the house yeah and that's

1027

00:49:46,730 --> 00:49:44,640

another thing

1028

00:49:48,710 --> 00:49:46,740

I don't advocate at all is that I don't

1029

00:49:50,359 --> 00:49:48,720

think you know the everybody who buys a

1030

00:49:53,740 --> 00:49:50,369

Ouija board is going to get possessed

1031

00:49:55,789 --> 00:49:53,750

I haven't dirty people are able to

1032

00:49:57,470 --> 00:49:55,799

achieve that level of being able to

1033

00:50:00,529 --> 00:49:57,480

cross that realm over the door right

1034

00:50:03,769 --> 00:50:00,539

yeah you're right it's much like I say

1035

00:50:07,759 --> 00:50:03,779

when you do open that door there's gonna

1036

00:50:08,750 --> 00:50:07,769

be spirits on the other side number one

1037

00:50:11,000 --> 00:50:08,760

you're gonna be looking for someone

1038

00:50:13,059 --> 00:50:11,010

specific maybe your uncle maybe your

1039

00:50:17,029 --> 00:50:13,069

aunt maybe your mother maybe powder

1040

00:50:18,799 --> 00:50:17,039

yes fear is gonna lie to you it's going

1041

00:50:20,599 --> 00:50:18,809

to tell you whatever the hell you want

1042

00:50:25,940 --> 00:50:20,609

to hear because he wants you to continue

1043

00:50:29,029 --> 00:50:25,950

to play and the analogy I use is that to

1044

00:50:31,700 --> 00:50:29,039

understand it if I were at a prison

1045

00:50:35,390 --> 00:50:31,710

standing on the prison wall and the yard

1046

00:50:36,740 --> 00:50:35,400

were full of prisoners and I took a cell

1047

00:50:39,410 --> 00:50:36,750

phone and threw it out there and said

1048

00:50:43,309 --> 00:50:39,420

whoever gets it can use it who do you

1049

00:50:47,150 --> 00:50:43,319

think would get the cell phone hi my

1050

00:50:50,450 --> 00:50:47,160

name is badass guy out there well when

1051
00:50:51,920 --> 00:50:50,460
you're when you're begging for somebody

1052
00:50:53,170 --> 00:50:51,930
it comes with a Ouija board who do you

1053
00:50:55,579 --> 00:50:53,180
think is gonna come through there

1054
00:50:58,849 --> 00:50:55,589
because you've got weak spirits you've

1055
00:51:00,470 --> 00:50:58,859
got stronger spirits I don't know why I

1056
00:51:03,109 --> 00:51:00,480
did I wish

1057
00:51:06,019 --> 00:51:03,119
investigators with questions and

1058
00:51:08,740 --> 00:51:06,029
compiler because some spirits could be a

1059
00:51:11,240 --> 00:51:08,750
share some spirits can't be seen in law

1060
00:51:15,499 --> 00:51:11,250
some spirits can manifest would be an

1061
00:51:18,140 --> 00:51:15,509
apparition why you know I don't know why

1062
00:51:19,730 --> 00:51:18,150
but the one thing I do know is coming at

1063
00:51:21,499 --> 00:51:19,740

you from Ouija boards gonna be strongest

1064

00:51:24,079 --> 00:51:21,509

fear on the other side and they're gonna

1065

00:51:26,569 --> 00:51:24,089

lie so they're gonna be whoever the hell

1066

00:51:29,630 --> 00:51:26,579

you ask them to be because they want you

1067

00:51:32,509 --> 00:51:29,640

to keep playing mm-hmm and I know a

1068

00:51:33,190 --> 00:51:32,519

fella who's a his story will not end

1069

00:51:35,839 --> 00:51:33,200

well

1070

00:51:38,809 --> 00:51:35,849

he's dicted to the Ouija board he he's a

1071

00:51:41,029 --> 00:51:38,819

trucker keeps in his truck oh mama oh

1072

00:51:46,130 --> 00:51:41,039

yeah he believes he's talking to his

1073

00:51:50,289 --> 00:51:46,140

soulmate and I don't know where it's

1074

00:51:53,420 --> 00:51:50,299

gonna end but it will not end well and I

1075

00:51:54,680 --> 00:51:53,430

stay away from those things and he I

1076

00:51:58,040 --> 00:51:54,690

don't even I wouldn't even like the

1077

00:52:01,040 --> 00:51:58,050

ghost boxes because what you're doing is

1078

00:52:06,830 --> 00:52:01,050

Ouija board arrested these things to

1079

00:52:09,020 --> 00:52:06,840

come over I think go ahead I'm sorry

1080

00:52:10,610 --> 00:52:09,030

you're raising some nuts okay you're

1081

00:52:12,620 --> 00:52:10,620

raising some really good points about

1082

00:52:13,880 --> 00:52:12,630

what's gonna come through is the biggest

1083

00:52:16,370 --> 00:52:13,890

baddest thing the one with the most

1084

00:52:17,960 --> 00:52:16,380

energy or focus and then while you're

1085

00:52:20,570 --> 00:52:17,970

waiting on one side of the Ouija board

1086

00:52:23,000 --> 00:52:20,580

do you have enough we'll focus and

1087

00:52:23,540 --> 00:52:23,010

understanding to handle what's coming

1088

00:52:26,630 --> 00:52:23,550

through

1089

00:52:29,090 --> 00:52:26,640

most people don't mm-hm so you know I

1090

00:52:31,490 --> 00:52:29,100

think you issue a warning with with good

1091

00:52:35,300 --> 00:52:31,500

common sense here and we also have told

1092

00:52:37,240 --> 00:52:35,310

people the same thing don't go shaking a

1093

00:52:40,010 --> 00:52:37,250

stick at a snake it's not a good idea

1094

00:52:41,510 --> 00:52:40,020

and if you don't you don't have training

1095

00:52:43,160 --> 00:52:41,520

you don't know what you're doing and

1096

00:52:46,400 --> 00:52:43,170

you're inviting these things into your

1097

00:52:49,310 --> 00:52:46,410

home you could end up in a very bad

1098

00:52:51,050 --> 00:52:49,320

situation and certainly you didn't

1099

00:52:53,990 --> 00:52:51,060

invite these things in they were just

1100

00:52:56,000 --> 00:52:54,000

there when you got there and then they

1101
00:52:59,240 --> 00:52:56,010
gradually made themselves known to you

1102
00:53:02,600 --> 00:52:59,250
and your wife and your tenants that they

1103
00:53:04,460 --> 00:53:02,610
were the ones in charge more or less in

1104
00:53:09,440 --> 00:53:04,470
your house now how long did you live

1105
00:53:11,540 --> 00:53:09,450
there in that house it was one year 18

1106
00:53:13,610 --> 00:53:11,550
months in 27 hours I think there's some

1107
00:53:15,200 --> 00:53:13,620
like that but it probably felt like a

1108
00:53:18,350 --> 00:53:15,210
hundred years well we're gonna have to

1109
00:53:19,940 --> 00:53:18,360

1110
00:53:23,930 --> 00:53:19,950

1135

Becker who survived a very scary

1136

00:54:26,450 --> 00:54:23,849

haunting in Chicago I would not want to

1137

00:54:30,920 --> 00:54:26,460

have been in his shoes right definitely

1138

00:54:33,170 --> 00:54:30,930

not oh my god okay well gotta get a ton

1139

00:54:34,849 --> 00:54:33,180

of questions for you ad from the chat

1140

00:54:39,109 --> 00:54:34,859

room and again I want to urge everybody

1141

00:54:42,440 --> 00:54:39,119

please go ahead and buy as very office

1142

00:54:44,750 --> 00:54:42,450

yes true hunting and true hunting too

1143

00:54:46,430 --> 00:54:44,760

they are available on Amazon and I'm

1144

00:54:49,339 --> 00:54:46,440

sure in books there you go it's gonna

1145

00:54:51,500 --> 00:54:49,349

hold up there they are very well-written

1146

00:54:53,450 --> 00:54:51,510

they will they you won't be able to put

1147

00:54:54,950 --> 00:54:53,460

them down I guarantee you once you start

1148

00:54:57,440 --> 00:54:54,960

reading them you'll be reading them

1149

00:54:59,809 --> 00:54:57,450

until they're done excellent books and

1150

00:55:03,289 --> 00:54:59,819

actually somebody was asking how long

1151

00:55:04,759 --> 00:55:03,299

did it take you to write your book it

1152

00:55:08,599 --> 00:55:04,769

didn't actually take me that long

1153

00:55:12,230 --> 00:55:08,609

because the book is so originally was a

1154

00:55:14,450 --> 00:55:12,240

diary okay so I wondered as a

1155

00:55:18,259 --> 00:55:14,460

recollection about that we went through

1156

00:55:19,999 --> 00:55:18,269

and it was full family to read but

1157

00:55:23,180 --> 00:55:20,009

family that took hold and maybe read in

1158

00:55:25,749 --> 00:55:23,190

the future grandchildren whatever and it

1159

00:55:29,660 --> 00:55:25,759

was my my youngest daughter when

1160

00:55:31,730 --> 00:55:29,670

electronic books came out she had taken

1161

00:55:33,769 --> 00:55:31,740

my manuscript which was in a folder and

1162

00:55:35,029 --> 00:55:33,779

she'd pass it around to some of her

1163

00:55:37,910 --> 00:55:35,039

friends and things like that and they

1164

00:55:41,539 --> 00:55:37,920

all said the same thing you know making

1165

00:55:45,440 --> 00:55:41,549

a book and she said she wanted to do and

1166

00:55:48,700 --> 00:55:45,450

so I gave her a flash drive and I gave

1167

00:55:51,740 --> 00:55:48,710

her this the cover of this is actually

1168

00:55:53,539 --> 00:55:51,750

my my cup it was supposed to be a

1169

00:55:56,059 --> 00:55:53,549

mock-up and I wanted then it was done

1170

00:55:58,849 --> 00:55:56,069

professionally she took the flash drive

1171

00:56:02,870 --> 00:55:58,859

and I had it written by Katherine Dignan

1172

00:56:05,779 --> 00:56:02,880

as told to by Edwin Becker I didn't want

1173

00:56:08,390 --> 00:56:05,789

any part of her at all but my youngest

1174

00:56:09,609 --> 00:56:08,400

son like my oldest doesn't listen to me

1175

00:56:12,920 --> 00:56:09,619

at all

1176

00:56:14,680 --> 00:56:12,930

so she took the flash drive took the

1177

00:56:19,190 --> 00:56:14,690

flashlight and she has published it and

1178

00:56:21,170 --> 00:56:19,200

I was well I was angry especially when I

1179

00:56:24,620 --> 00:56:21,180

saw that they need to change fix the

1180

00:56:26,870 --> 00:56:24,630

cover and but then I got a call

1181

00:56:36,320 --> 00:56:26,880

friend of mine who said here book is

1182

00:56:38,030 --> 00:56:36,330

number one in new releases but I had to

1183

00:56:40,760 --> 00:56:38,040

take it and I had to change it into a

1184

00:56:44,500 --> 00:56:40,770

book format and I made some screw-ups in

1185

00:56:46,460 --> 00:56:44,510

there I mean once my family read it I

1186

00:56:48,710 --> 00:56:46,470

mentioned there that my aunt hello with

1187

00:56:53,150 --> 00:56:48,720

my favorite aunt and then kind of put

1188

00:56:56,350 --> 00:56:53,160

off with my other aunts there that was

1189

00:57:00,890 --> 00:56:56,360

in my diary but it wasn't meant to be it

1190

00:57:03,050 --> 00:57:00,900

honestly get you in trouble okay so

1191

00:57:06,380 --> 00:57:03,060

here's a question for you add from the

1192

00:57:09,080 --> 00:57:06,390

chat room do you have any continuing

1193

00:57:15,650 --> 00:57:09,090

nightmares from this experience this is

1194

00:57:17,540 --> 00:57:15,660

from the walking dead nun and and here's

1195

00:57:22,160 --> 00:57:17,550

a question from Camille do you feel

1196

00:57:26,560 --> 00:57:22,170

anything followed you home that's

1197

00:57:29,980 --> 00:57:26,570

arguable because I'd like to say no but

1198

00:57:32,420 --> 00:57:29,990

I've had people in my life tell me yes

1199

00:57:35,060 --> 00:57:32,430

because I there's things that have

1200

00:57:40,520 --> 00:57:35,070

happened to me that I just had an

1201

00:57:43,190 --> 00:57:40,530

unusual I'd like to say you know I try

1202

00:57:47,330 --> 00:57:43,200

not to think about it I don't you know

1203

00:57:48,800 --> 00:57:47,340

it's looks like people spend their life

1204

00:57:50,660 --> 00:57:48,810

some people I know spend their legend

1205

00:57:54,520 --> 00:57:50,670

thinking about demons and demonology and

1206

00:57:57,470 --> 00:57:54,530

all that crap I think about angels I

1207

00:57:58,760 --> 00:57:57,480

pray to God I think about angels I don't

1208

00:58:03,280 --> 00:57:58,770

want to see the apparition I want to see

1209

00:58:05,410 --> 00:58:03,290

an angel and my mind is that everything

1210

00:58:09,590 --> 00:58:05,420

stays in a good place

1211

00:58:11,690 --> 00:58:09,600

wonderful

1212

00:58:13,160 --> 00:58:11,700

yes well after all you've been through

1213

00:58:17,150 --> 00:58:13,170

my goodness

1214

00:58:20,570 --> 00:58:17,160

now there's just so much to this story

1215

00:58:22,160 --> 00:58:20,580

so many things have happened and again I

1216

00:58:23,540 --> 00:58:22,170

want to urge everybody to buy your book

1217

00:58:26,440 --> 00:58:23,550

so that they can read every detail of

1218

00:58:29,120 --> 00:58:26,450

the story because it is remarkable and

1219

00:58:33,040 --> 00:58:29,130

also to take a look at paranormal

1220

00:58:35,420 --> 00:58:33,050

witness is called the tenants is the

1221

00:58:38,120 --> 00:58:35,430

segment that they did for their show is

1222

00:58:40,849 --> 00:58:38,130

an excellent for trail

1223

00:58:42,200 --> 00:58:40,859

your story very well done I love

1224

00:58:43,910 --> 00:58:42,210

paranormal witness it's one of my

1225

00:58:48,319 --> 00:58:43,920

favorite shows and I'm glad they picked

1226

00:58:52,339 --> 00:58:48,329

up on your story now here's a question

1227

00:58:55,609 --> 00:58:52,349

about do you think that there's an

1228

00:58:58,670 --> 00:58:55,619

imprint of these spirits in the actual

1229

00:59:00,799 --> 00:58:58,680

building itself kind of a living imprint

1230

00:59:03,829 --> 00:59:00,809

in the bricks and the mortar of this

1231

00:59:08,690 --> 00:59:03,839

building no I really don't believe in

1232

00:59:10,519 --> 00:59:08,700

that or residual stuff I think I mean

1233

00:59:14,450 --> 00:59:10,529

one of the questions we've got in this

1234

00:59:16,640 --> 00:59:14,460

country 5000 investigation groups if you

1235

00:59:17,990 --> 00:59:16,650

go to paranormal Art Society zinc you'll

1236

00:59:20,660 --> 00:59:18,000

see there's like three thousand

1237

00:59:23,900 --> 00:59:20,670

registered and one of the things I wrote

1238

00:59:25,970 --> 00:59:23,910

William Wilkins the president as I said

1239

00:59:30,410 --> 00:59:25,980

if you can only get like 500 or so

1240

00:59:33,140 --> 00:59:30,420

groups to participate and answer given

1241

00:59:35,180 --> 00:59:33,150

the same questionnaire exactly the same

1242

00:59:36,349 --> 00:59:35,190

questionnaire so on record what time of

1243

00:59:39,440 --> 00:59:36,359

day what they're doing what the

1244

00:59:42,049 --> 00:59:39,450

environment was but then always ask the

1245

00:59:44,329 --> 00:59:42,059

same questions because one of the things

1246

00:59:46,009 --> 00:59:44,339

that tease me off of a bid is no one

1247

00:59:49,789 --> 00:59:46,019

knows more about paranormal than I did

1248

00:59:52,400 --> 00:59:49,799

45 years ago so you know is it hot on

1249

00:59:56,450 --> 00:59:52,410

the other side or the cold is it darker

1250

01:00:00,589 --> 00:59:56,460

is it light can they communicate with

1251

01:00:04,009 --> 01:00:00,599

each other do they have time there's

1252

01:00:06,140 --> 01:00:04,019

questions to be answered that could very

1253

01:00:07,370 --> 01:00:06,150

well be answered but no one's asking

1254

01:00:10,009 --> 01:00:07,380

those questions they're asking other

1255

01:00:12,589 --> 01:00:10,019

kinds of questions and I don't believe

1256

01:00:18,170 --> 01:00:12,599

that though I'm not sure but I think

1257

01:00:20,120 --> 01:00:18,180

spirits are bound by something you know

1258

01:00:23,170 --> 01:00:20,130

that they're bound because you know much

1259

01:00:25,519 --> 01:00:23,180

like that building was built in 1892

1260

01:00:26,930 --> 01:00:25,529

only family members lived there Marsha

1261

01:00:30,140 --> 01:00:26,940

and I were the first one to walk in

1262

01:00:34,009 --> 01:00:30,150

there they were not family so I mean

1263

01:00:37,249 --> 01:00:34,019

even though I never saw many of the

1264

01:00:38,749 --> 01:00:37,259

ghosts that were there you make an

1265

01:00:40,970 --> 01:00:38,759

assumption that yeah it's probably the

1266

01:00:44,269 --> 01:00:40,980

family in there too bounded it location

1267

01:00:47,150 --> 01:00:44,279

I kind of feel that that's what keeps a

1268

01:00:49,930 --> 01:00:47,160

lot of people here is they're attached

1269

01:00:53,589 --> 01:00:49,940

to something as far more important

1270

01:00:55,359 --> 01:00:53,599

then you'd obviously think you know

1271

01:00:57,750 --> 01:00:55,369

their tester right I don't know I don't

1272

01:01:00,069 --> 01:00:57,760

believe in haunted objects much because

1273

01:01:02,950 --> 01:01:00,079

Marsha and I owned a collectible Stuart

1274

01:01:05,620 --> 01:01:02,960

clever Missouri and I probably handle

1275

01:01:08,740 --> 01:01:05,630

the hundred thousand items pocket

1276

01:01:12,309 --> 01:01:08,750

watches from the 1800s and inscribed

1277

01:01:15,549 --> 01:01:12,319

rings and things like that and we take

1278

01:01:17,829 --> 01:01:15,559

come across a couple items out of you

1279

01:01:20,220 --> 01:01:17,839

know a hundred thousand maybe but

1280

01:01:23,289 --> 01:01:20,230

they're not it's not common to find that

1281

01:01:25,620 --> 01:01:23,299

in a hoarding item and there's no such

1282

01:01:30,520 --> 01:01:25,630

thing as on it doubts denied accounts a

1283

01:01:32,109 --> 01:01:30,530

demon needs a vessel it needs a soul if

1284

01:01:35,470 --> 01:01:32,119

you if it doesn't have a soul to take

1285

01:01:38,200 --> 01:01:35,480

whatever the item is it's worthless it's

1286

01:01:40,000 --> 01:01:38,210

worthless in that demon so you know when

1287

01:01:42,039 --> 01:01:40,010

I hear about haunted trains or haunted

1288

01:01:46,210 --> 01:01:42,049

dolls or ordering whatever you know

1289

01:01:49,000 --> 01:01:46,220

ghosts in a jar it's like no you it's

1290

01:01:55,359 --> 01:01:49,010

that to me that's a corruption the TV

1291

01:01:56,950 --> 01:01:55,369

and movies well you said haunted item in

1292

01:02:00,400 --> 01:01:56,960

your talking maybe a piece of jewelry

1293

01:02:02,410 --> 01:02:00,410

that someone may have the item that they

1294

01:02:06,240 --> 01:02:02,420

kept close to them that may have picked

1295

01:02:08,890 --> 01:02:06,250

up the negativity of the individual yeah

1296

01:02:10,720 --> 01:02:08,900

it don't have to be negative it may be

1297

01:02:13,210 --> 01:02:10,730

just jealousy or horror

1298

01:02:15,490 --> 01:02:13,220

okay you know I bought Marsha this is a

1299

01:02:19,510 --> 01:02:15,500

true story I bought Marsha the one item

1300

01:02:23,589 --> 01:02:19,520

that you know thousands of worship she

1301

01:02:25,750 --> 01:02:23,599

collected antique wedding bands and over

1302

01:02:27,250 --> 01:02:25,760

the years I've run somewhat unusual or

1303

01:02:29,799 --> 01:02:27,260

something nice I'd buy it for him

1304

01:02:32,140 --> 01:02:29,809

so I water earlier I arranged this 18

1305

01:02:36,400 --> 01:02:32,150

karat gold it happened to be her size

1306

01:02:39,279 --> 01:02:36,410

and it was tired all the way around it

1307

01:02:41,440 --> 01:02:39,289

was gorgeous it was a rose gold so I

1308

01:02:44,319 --> 01:02:41,450

bought it for and I gave it to her and

1309

01:02:45,760 --> 01:02:44,329

she loved it she flirted on and the next

1310

01:02:48,309 --> 01:02:45,770

morning she got up and she had the ring

1311

01:02:49,809 --> 01:02:48,319

and she put on the kitchen table and I

1312

01:02:52,450 --> 01:02:49,819

said what's the matter she said look

1313

01:02:56,289 --> 01:02:52,460

what it did to my finger well to me it

1314

01:02:58,740 --> 01:02:56,299

looked like you know at the kind of mark

1315

01:03:01,779 --> 01:02:58,750

an on gold light of wonder would make oh

1316

01:03:03,460 --> 01:03:01,789

sorry so I said this 18 care I know as

1317

01:03:05,470 --> 01:03:03,470

if you care

1318

01:03:07,690 --> 01:03:05,480

she said you know I I should put on your

1319

01:03:10,120 --> 01:03:07,700

other finger and your other hand so she

1320

01:03:11,230 --> 01:03:10,130

did that same thing and I said I said

1321

01:03:11,920 --> 01:03:11,240

what are you feeling it she said it

1322

01:03:16,270 --> 01:03:11,930

burns

1323

01:03:18,550 --> 01:03:16,280

Oh My heavens sakes so my daughter

1324

01:03:20,920 --> 01:03:18,560

wanted it my oldest daughter nice I said

1325

01:03:24,339 --> 01:03:20,930

no and I took it to a coin dealer and

1326

01:03:26,080 --> 01:03:24,349

what kind of in downtown and he didn't

1327

01:03:28,359 --> 01:03:26,090

deal in jewelry at all but he did dealer

1328

01:03:30,070 --> 01:03:28,369

than what's called melt so he saw

1329

01:03:32,500 --> 01:03:30,080

something he was gonna melt he'd give me

1330

01:03:36,400 --> 01:03:32,510

the melting nice I made him promise me

1331

01:03:39,010 --> 01:03:36,410

he was going to melt that ring that's

1332

01:03:42,849 --> 01:03:39,020

how we got rid of it

1333

01:03:43,870 --> 01:03:42,859

but people say well it's one of the nest

1334

01:03:46,810 --> 01:03:43,880

was gonna hurt you

1335

01:03:48,700 --> 01:03:46,820

it may just have been a jealousy it may

1336

01:03:51,490 --> 01:03:48,710

be that the new whatever was attached to

1337

01:03:55,300 --> 01:03:51,500

it didn't want anyone else to come in or

1338

01:03:58,839 --> 01:03:55,310

at all yeah you can't never explain it

1339

01:04:01,750 --> 01:03:58,849

you know I didn't watch paranormal is

1340

01:04:05,020 --> 01:04:01,760

clear that clear answers we know the

1341

01:04:08,650 --> 01:04:05,030

answers mm-hmm well here's a question

1342

01:04:11,020 --> 01:04:08,660

for you again from the walking dead

1343

01:04:13,420 --> 01:04:11,030

excuse me I'm gonna go to Gorgan now

1344

01:04:15,250 --> 01:04:13,430

what did the neighbors think about all

1345

01:04:22,960 --> 01:04:15,260

the commotion and the cameras around the

1346

01:04:25,630 --> 01:04:22,970

house they're curious but it's like I

1347

01:04:29,020 --> 01:04:25,640

tell people did you know some people had

1348

01:04:31,770 --> 01:04:29,030

between the SD letters except I when I

1349

01:04:34,690 --> 01:04:31,780

gave it away to my real estate agent I

1350

01:04:36,790 --> 01:04:34,700

you know I did tell him it was haunted

1351

01:04:39,760 --> 01:04:36,800

but there were no disclosures in those

1352

01:04:41,440 --> 01:04:39,770

years I didn't have to tell mm-hmm if I

1353

01:04:43,930 --> 01:04:41,450

did write haunted house on the front of

1354

01:04:45,910 --> 01:04:43,940

it you know the city probably would

1355

01:04:53,460 --> 01:04:45,920

sitting I would have arrested me give me

1356

01:04:58,960 --> 01:04:56,890

the neighbors saw what was going on but

1357

01:05:03,570 --> 01:04:58,970

I probably had one thought it was a

1358

01:05:06,390 --> 01:05:03,580

domestic disturbance or something I

1359

01:05:09,820 --> 01:05:06,400

really don't know what they thought

1360

01:05:11,820 --> 01:05:09,830

today I do know that I've talked to two

1361

01:05:14,680 --> 01:05:11,830

different people one is a woman in Miami

1362

01:05:16,350 --> 01:05:14,690

she owned a house very similar to mine

1363

01:05:18,900 --> 01:05:16,360

on the same block

1364

01:05:20,550 --> 01:05:18,910

so she wrote me to tell me about the

1365

01:05:25,110 --> 01:05:20,560

occupation of her house she had goes

1366

01:05:27,210 --> 01:05:25,120

there I don't know and you know I came

1367

01:05:29,310 --> 01:05:27,220

to realize I got a letter from another

1368

01:05:32,190 --> 01:05:29,320

person is still my friend we keep in

1369

01:05:36,570 --> 01:05:32,200

touch she lives two blocks over she also

1370

01:05:39,150 --> 01:05:36,580

has ghosts what I thought about it it's

1371

01:05:40,290 --> 01:05:39,160

like when you're you know whether you're

1372

01:05:44,070 --> 01:05:40,300

in Brooklyn or whether you're in

1373

01:05:46,130 --> 01:05:44,080

Baltimore Chicago or New York if you've

1374

01:05:49,260 --> 01:05:46,140

got buildings that are 100 years old

1375

01:05:54,180 --> 01:05:49,270

where they had funerals in the front of

1376

01:05:56,370 --> 01:05:54,190

wakes mm-hmm I mean number one if it's a

1377

01:05:59,340 --> 01:05:56,380

hundred years old do you think that no

1378

01:06:02,250 --> 01:05:59,350

one ever died there so you kind of know

1379

01:06:05,040 --> 01:06:02,260

the deaths were there whether they're

1380

01:06:09,480 --> 01:06:05,050

active or not you know it depends on the

1381

01:06:12,060 --> 01:06:09,490

situation it would surprise me if any of

1382

01:06:16,020 --> 01:06:12,070

the buildings that are in that age group

1383

01:06:22,530 --> 01:06:16,030

are not wanted in some way right it

1384

01:06:24,450 --> 01:06:22,540

really surprised me I'm sorry here's a

1385

01:06:26,100 --> 01:06:24,460

question from Big Bird and which

1386

01:06:29,550 --> 01:06:26,110

addresses something we were talking

1387

01:06:32,520 --> 01:06:29,560

about off the air does do you think the

1388

01:06:43,440 --> 01:06:32,530

Ouija board played a big part in these

1389

01:06:46,170 --> 01:06:43,450

happenings escalating activity because

1390

01:06:50,940 --> 01:06:46,180

you said that you found an old Warren

1391

01:06:53,130 --> 01:06:50,950

Beatty board right right so somebody had

1392

01:06:54,690 --> 01:06:53,140

it in the house before you moved in and

1393

01:06:55,350 --> 01:06:54,700

it looked like they had been using it

1394

01:06:57,930 --> 01:06:55,360

quite a bit

1395

01:07:00,150 --> 01:06:57,940

right right right at the time it meant

1396

01:07:03,620 --> 01:07:00,160

nothing to me but it wasn't till after

1397

01:07:06,360 --> 01:07:03,630

it was over and I had a good education I

1398

01:07:09,540 --> 01:07:06,370

realized that we chief Ward was born I

1399

01:07:12,210 --> 01:07:09,550

mean was worn out so did they catch or

1400

01:07:13,980 --> 01:07:12,220

something I don't know but it's very

1401
01:07:17,940 --> 01:07:13,990
well could be that the whole thing was a

1402
01:07:20,400 --> 01:07:17,950
bunch of conjured spirits and the during

1403
01:07:23,490 --> 01:07:20,410
any louder there is a spirit that I know

1404
01:07:26,870 --> 01:07:23,500
exists because I've seen it I don't

1405
01:07:29,760 --> 01:07:26,880
believe it's human so it's a dark mass

1406
01:07:35,100 --> 01:07:29,770
and it was forever at best

1407
01:07:36,420 --> 01:07:35,110
and I've seen it twice and I don't think

1408
01:07:40,080 --> 01:07:36,430
maybe there's something that comes out

1409
01:07:41,609 --> 01:07:40,090
of the netherworlds forever

1410
01:07:44,730 --> 01:07:41,619
you know I don't know much about hoodoo

1411
01:07:46,440 --> 01:07:44,740
or guru or anything like that but I I

1412
01:07:49,609 --> 01:07:46,450
think there's something else besides

1413
01:07:53,310 --> 01:07:49,619

human spirits it also walks the earth oh

1414

01:07:55,500 --> 01:07:53,320

yeah yeah we would agree with that and

1415

01:07:57,540 --> 01:07:55,510

here's a question from Shin dark again

1416

01:08:01,040 --> 01:07:57,550

it wants to know are we allowed to take

1417

01:08:05,130 --> 01:08:01,050

a look inside this house is it open I

1418

01:08:06,930 --> 01:08:05,140

never do the address stop so I the

1419

01:08:08,940 --> 01:08:06,940

history of it has been it's been sold

1420

01:08:12,930 --> 01:08:08,950

many times it's been in foreclosure

1421

01:08:14,850 --> 01:08:12,940

twice I had a letter today actually

1422

01:08:16,440 --> 01:08:14,860

asked me for the atmos and was more

1423

01:08:18,360 --> 01:08:16,450

wound in South Africa so I'm wondering

1424

01:08:28,519 --> 01:08:18,370

what the hell she wants the evidence in

1425

01:08:33,900 --> 01:08:31,320

people will come after me and disc

1426
01:08:37,320 --> 01:08:33,910
jockeys and attorneys and they all want

1427
01:08:40,200 --> 01:08:37,330
to know and my feeling is I hope the

1428
01:08:43,680 --> 01:08:40,210
house is quenched if it is cleansed the

1429
01:08:46,499 --> 01:08:43,690
people deserve peace but if it isn't

1430
01:08:48,360 --> 01:08:46,509
cleansed the people deserve peace they

1431
01:08:52,050 --> 01:08:48,370
don't need to have curiosity seekers on

1432
01:08:54,660 --> 01:08:52,060
again and you know it's one of these

1433
01:08:57,809 --> 01:08:54,670
things that I love investigators who are

1434
01:08:59,340 --> 01:08:57,819
human oriented yeah you know maybe

1435
01:09:02,190 --> 01:08:59,350
they'll diagnose the problem and then

1436
01:09:04,710 --> 01:09:02,200
help the person get help in fixing that

1437
01:09:06,329 --> 01:09:04,720
problem but a lot of unfortunately the

1438
01:09:10,019 --> 01:09:06,339

create a percentage of investigators

1439

01:09:13,050 --> 01:09:10,029

have thrill-seekers right and you know

1440

01:09:15,300 --> 01:09:13,060

like I would want to send a panel C

1441

01:09:17,190 --> 01:09:15,310

accrues to these people I mean I know

1442

01:09:18,510 --> 01:09:17,200

what I want to do if I loved these

1443

01:09:20,660 --> 01:09:18,520

investigation what came to the door

1444

01:09:25,170 --> 01:09:20,670

mm-hmm

1445

01:09:26,430 --> 01:09:25,180

seven spirit everything else I was

1446

01:09:28,620 --> 01:09:26,440

wondering since you're talking about

1447

01:09:32,030 --> 01:09:28,630

three different areas within a couple

1448

01:09:34,019 --> 01:09:32,040

blocks of one another if how far back

1449

01:09:37,740 --> 01:09:34,029

possibly something may have happened

1450

01:09:40,950 --> 01:09:37,750

within that perimeter possibly on the

1451

01:09:42,559 --> 01:09:40,960

land itself prior to the building hi I'm

1452

01:09:46,819 --> 01:09:42,569

here a medium told me

1453

01:09:50,319 --> 01:09:46,829

that she felt strongly that had nothing

1454

01:09:56,990 --> 01:09:50,329

to do with with the house itself yeah

1455

01:09:58,729 --> 01:09:57,000

the original landowners yeah I kept

1456

01:10:00,649 --> 01:09:58,739

picking that up as we're talking about

1457

01:10:02,959 --> 01:10:00,659

it when you're talking about the

1458

01:10:04,700 --> 01:10:02,969

different areas that it's maybe not the

1459

01:10:07,550 --> 01:10:04,710

houses but it's the land itself

1460

01:10:10,100 --> 01:10:07,560

something transpired is there any way of

1461

01:10:11,510 --> 01:10:10,110

checking historically what may have

1462

01:10:23,120 --> 01:10:11,520

happened on that property

1463

01:10:28,700 --> 01:10:23,130

oh the properties I don't know I don't

1464

01:10:31,700 --> 01:10:28,710

blame you I don't blame you did you get

1465

01:10:32,990 --> 01:10:31,710

them records well I don't have an

1466

01:10:35,899 --> 01:10:33,000

interest in that but the truth of the

1467

01:10:37,729 --> 01:10:35,909

matter is if I wanted to I would have

1468

01:10:39,859 --> 01:10:37,739

had to take time off work and go down to

1469

01:10:42,830 --> 01:10:39,869

City Hall I would have had a pair of

1470

01:10:44,839 --> 01:10:42,840

feet I'll fill out an application they

1471

01:10:47,870 --> 01:10:44,849

hit the records there were on microfilm

1472

01:10:50,899 --> 01:10:47,880

or and files so I would leave okay it

1473

01:10:52,160 --> 01:10:50,909

maybe did say come back Friday and I'd

1474

01:10:54,979 --> 01:10:52,170

come in Friday and then I would have

1475

01:10:58,580 --> 01:10:54,989

kept the copies and paid for and both

1476

01:11:03,080 --> 01:10:58,590

times taking time off work I was going

1477

01:11:05,209 --> 01:11:03,090

to do that and there's a reason that we

1478

01:11:07,490 --> 01:11:05,219

fall into some of these things the

1479

01:11:10,100 --> 01:11:07,500

reason was you weren't supposed to know

1480

01:11:12,830 --> 01:11:10,110

it wasn't sit you've had already been

1481

01:11:14,479 --> 01:11:12,840

through your portion of it they happened

1482

01:11:19,250 --> 01:11:14,489

to go through that with somebody else

1483

01:11:24,169 --> 01:11:19,260

is that what you needed or wanted yeah I

1484

01:11:27,109 --> 01:11:24,179

was never a curious person I mean though

1485

01:11:30,439 --> 01:11:27,119

I saw a psychologist sometimes yet for

1486

01:11:33,109 --> 01:11:30,449

my coping with my Orillia and she said

1487

01:11:36,919 --> 01:11:33,119

she said my usual person she said I can

1488

01:11:38,959 --> 01:11:36,929

shut the door and not open it because I

1489

01:11:40,819 --> 01:11:38,969

had she started to ask me about my

1490

01:11:45,140 --> 01:11:40,829

childhood which I agree had a very

1491

01:11:46,640 --> 01:11:45,150

abusive childhood violent and I said

1492

01:11:51,229 --> 01:11:46,650

what I can't talk about that

1493

01:11:52,580 --> 01:11:51,239

you know it doesn't affect me and in

1494

01:11:54,220 --> 01:11:52,590

talking to me she realized it really

1495

01:11:56,650 --> 01:11:54,230

didn't affect me

1496

01:11:57,940 --> 01:11:56,660

because I kind of believe that and I

1497

01:12:00,490 --> 01:11:57,950

hate when I meet someone who's

1498

01:12:02,170 --> 01:12:00,500

especially up to 40 years old and they

1499

01:12:04,720 --> 01:12:02,180

say the reason I did this is because my

1500

01:12:07,480 --> 01:12:04,730

father did the act it's like that's bull

1501
01:12:09,610 --> 01:12:07,490
crap you know I mean I fell down once I

1502
01:12:12,700 --> 01:12:09,620
was 78 years old I was my own Mia and

1503
01:12:14,140 --> 01:12:12,710
that's where the chapter started and I

1504
01:12:18,070 --> 01:12:14,150
know I can't blame my mother and my

1505
01:12:21,610 --> 01:12:18,080
father for anything so yeah I closed the

1506
01:12:27,340 --> 01:12:21,620
door and unless like I did camel Street

1507
01:12:30,190 --> 01:12:27,350
I other than printing my diary I didn't

1508
01:12:34,030 --> 01:12:30,200
want to be the paranormal so I mean it

1509
01:12:36,570 --> 01:12:34,040
mark if you talk to mark Lewis I went

1510
01:12:39,310 --> 01:12:36,580
through three three or four producers I

1511
01:12:43,570 --> 01:12:39,320
met I really paid him off

1512
01:12:46,770 --> 01:12:43,580
because I was absolutely cruel and rude

1513
01:12:50,080 --> 01:12:46,780

to them I said no I'm not doing anything

1514

01:12:53,080 --> 01:12:50,090

mm-hmm my granddaughter's more all scifi

1515

01:12:55,890 --> 01:12:53,090

they I don't have cable TV or dish

1516

01:12:58,540 --> 01:12:55,900

I don't care about any of these things

1517

01:13:01,480 --> 01:12:58,550

my granddaughter's do and when they

1518

01:13:02,980 --> 01:13:01,490

found out the program they said Papa you

1519

01:13:10,780 --> 01:13:02,990

know we're gonna disown you if you don't

1520

01:13:12,040 --> 01:13:10,790

do the program so I did paranormal

1521

01:13:15,730 --> 01:13:12,050

witness and that was the first time I

1522

01:13:19,360 --> 01:13:15,740

ever talked publicly and then you know

1523

01:13:20,770 --> 01:13:19,370

I'm so old school after paranormal

1524

01:13:23,080 --> 01:13:20,780

witness people came after me and they

1525

01:13:24,790 --> 01:13:23,090

said we do already a program well the

1526

01:13:27,070 --> 01:13:24,800

only radio program I ever did was check

1527

01:13:30,340 --> 01:13:27,080

eigen with Jody Louise in the seventies

1528

01:13:32,530 --> 01:13:30,350

he had to go down to a studio and you

1529

01:13:34,750 --> 01:13:32,540

got to sit there sometimes iris had an

1530

01:13:36,070 --> 01:13:34,760

audience and you gotta listen to the

1531

01:13:38,710 --> 01:13:36,080

delay through the speakers which was

1532

01:13:41,290 --> 01:13:38,720

maddening so the first person who called

1533

01:13:43,630 --> 01:13:41,300

me after Kurt awful witness and said do

1534

01:13:46,510 --> 01:13:43,640

you want to you know in program I said

1535

01:13:48,730 --> 01:13:46,520

no in the second one I said no and if

1536

01:13:51,420 --> 01:13:48,740

there when I said no and finally the

1537

01:13:54,130 --> 01:13:51,430

fourth the fourth one she said to me why

1538

01:13:55,140 --> 01:13:54,140

and I said like I don't travel ain't

1539

01:13:58,060 --> 01:13:55,150

going anywhere

1540

01:13:59,800 --> 01:13:58,070

and I said you're in chaplain and she

1541

01:14:05,490 --> 01:13:59,810

said you don't have to travel you do

1542

01:14:11,530 --> 01:14:09,430

that saves everything see when they told

1543

01:14:14,740 --> 01:14:11,540

me that I wouldn't be doing radio today

1544

01:14:20,410 --> 01:14:14,750

cuz I'm the laziest author that you

1545

01:14:21,700 --> 01:14:20,420

deliver me I I won't do pay I won't do

1546

01:14:24,090 --> 01:14:21,710

any appearances that won't do paid

1547

01:14:26,470 --> 01:14:24,100

appearances no one's ever seen me I mean

1548

01:14:27,940 --> 01:14:26,480

some people appear normal run for the

1549

01:14:31,540 --> 01:14:27,950

peer cons and they want to be there I

1550

01:14:34,510 --> 01:14:31,550

don't look here cons I've been asked to

1551

01:14:39,450 --> 01:14:34,520

host places where it's haunted I won't

1552

01:14:45,130 --> 01:14:42,729

understand and you know you are you are

1553

01:14:47,830 --> 01:14:45,140

a rare bird because quite honestly there

1554

01:14:49,600 --> 01:14:47,840

are I mean I love your attitude I love

1555

01:14:52,390 --> 01:14:49,610

the way that you can say no this isn't

1556

01:14:54,310 --> 01:14:52,400

for me and and just going about your

1557

01:14:57,580 --> 01:14:54,320

business and I think the strength of

1558

01:14:59,470 --> 01:14:57,590

your character and your ability to put

1559

01:15:02,470 --> 01:14:59,480

up boundaries to these things is

1560

01:15:04,960 --> 01:15:02,480

probably what kept you sane during these

1561

01:15:07,810 --> 01:15:04,970

experiences because let's face it it did

1562

01:15:09,550 --> 01:15:07,820

break your sister and you know again you

1563

01:15:11,830 --> 01:15:09,560

weren't the one fooling around the Ouija

1564

01:15:14,860 --> 01:15:11,840

board but you were at the effect of all

1565

01:15:16,620 --> 01:15:14,870

of these spirit encounters and they were

1566

01:15:19,090 --> 01:15:16,630

not a lot of them were not pleasant and

1567

01:15:21,970 --> 01:15:19,100

we're quite would be quite frightening

1568

01:15:23,650 --> 01:15:21,980

to most normal people but you know you

1569

01:15:27,610 --> 01:15:23,660

were able to come through this and

1570

01:15:29,500 --> 01:15:27,620

report it to us and our audience and and

1571

01:15:31,600 --> 01:15:29,510

let everybody know this is what happened

1572

01:15:34,720 --> 01:15:31,610

and don't fool around with it it's not

1573

01:15:37,690 --> 01:15:34,730

to be messed with and again great advice

1574

01:15:39,640 --> 01:15:37,700

great advice for everybody and it's your

1575

01:15:42,910 --> 01:15:39,650

strength of character that allowed this

1576

01:15:44,680 --> 01:15:42,920

I think to happen this way well if

1577

01:15:47,020 --> 01:15:44,690

anybody reads a book and you enjoy the

1578

01:15:49,840 --> 01:15:47,030

book you got a look up Kathryn Hinnant

1579

01:16:04,510 --> 01:15:49,850

and can't they do this when she goes by

1580

01:16:06,610 --> 01:16:04,520

on Facebook because well now you

1581

01:16:09,040 --> 01:16:06,620

mentioned that you have received quite a

1582

01:16:10,900 --> 01:16:09,050

few emails so how can people reach out

1583

01:16:12,729 --> 01:16:10,910

to you if they have questions how can

1584

01:16:15,040 --> 01:16:12,739

they get ahold of you well I'm on

1585

01:16:16,630 --> 01:16:15,050

Facebook and you can't miss me because I

1586

01:16:18,229 --> 01:16:16,640

use the true haunting picture is my

1587

01:16:23,370 --> 01:16:18,239

profile picture

1588

01:16:28,770 --> 01:16:23,380

I've got two two websites wwhen pecker

1589

01:16:30,950 --> 01:16:28,780

calm and www a true haunting calm true

1590

01:16:33,600 --> 01:16:30,960

wanting is a pretty nice website

1591

01:16:37,649 --> 01:16:33,610

it's got reviews it's got the story of

1592

01:16:41,270 --> 01:16:37,659

hearing of always it's got the story of

1593

01:16:44,850 --> 01:16:41,280

the whole place and when banggood.com is

1594

01:16:46,970 --> 01:16:44,860

got a little bit on it but I think most

1595

01:16:51,300 --> 01:16:46,980

popular recently are my webisodes

1596

01:16:53,669 --> 01:16:51,310

because I talk honestly and share my

1597

01:16:55,229 --> 01:16:53,679

experience for what it is that's why I

1598

01:16:57,450 --> 01:16:55,239

don't think I don't think there's

1599

01:16:59,220 --> 01:16:57,460

experts you know whenever I mean anybody

1600

01:17:03,089 --> 01:16:59,230

thinks they know what they know it all I

1601
01:17:07,040 --> 01:17:03,099
had one because we're lacking so many

1602
01:17:09,990 --> 01:17:07,050
answers when it comes to paranormal and

1603
01:17:11,910 --> 01:17:10,000
you know we don't know what we're doing

1604
01:17:13,649 --> 01:17:11,920
what's still yet we don't know what

1605
01:17:15,540 --> 01:17:13,659
we're dealing with well that's a very

1606
01:17:17,520 --> 01:17:15,550
good point you know we would all like to

1607
01:17:19,890 --> 01:17:17,530
know more and I think unfortunately

1608
01:17:23,069 --> 01:17:19,900
there's been such a stigma which we see

1609
01:17:26,490 --> 01:17:23,079
now starting to go away which is nice so

1610
01:17:28,770 --> 01:17:26,500
then we make finally I hope get some of

1611
01:17:31,500 --> 01:17:28,780
those answers and but and I want to

1612
