

Paranormal Blender Ep. 5 | Roundtable Chat on Cryptids, Aliens, & Ghosts

Listen on

inceptionradionetwork.com

1
00:00:04,340 --> 00:00:02,149
my home needs something you know what

2
00:00:05,930 --> 00:00:04,350
Macy's backstage is perfect for finding

3
00:00:08,330 --> 00:00:05,940
those just right little accent pieces

4
00:00:10,640 --> 00:00:08,340
that really freshen up your home a great

5
00:00:12,499 --> 00:00:10,650
base a perfect mirror candles throw

6
00:00:15,110 --> 00:00:12,509
pillows remember that elephant statues

7
00:00:17,330 --> 00:00:15,120
so cute and every week there's new stuff

8
00:00:18,140 --> 00:00:17,340
with prices so low we never need coupons

9
00:00:20,570 --> 00:00:18,150
okay

10
00:00:23,029 --> 00:00:20,580
we've gone backstage for fashion handbag

11
00:00:24,980 --> 00:00:23,039
even pet guarantees but today we're

12
00:00:27,290 --> 00:00:24,990
giving our homes a little backstage

13
00:00:28,880 --> 00:00:27,300

style Macy's backstage savings for

14

00:00:31,310 --> 00:00:28,890

everyday life visit Macy's backstage

15

00:00:34,160 --> 00:00:31,320

comm for locations you're locked into

16

00:01:30,280 --> 00:00:34,170

Inception Radio Network superior

17

00:01:34,790 --> 00:01:32,990

all right hello everybody welcome to

18

00:01:36,620 --> 00:01:34,800

Paris Lee universe on the inception

19

00:01:38,180 --> 00:01:36,630

radio network brought to you by the

20

00:01:40,609 --> 00:01:38,190

northern Wisconsin Paranormal Society

21

00:01:42,080 --> 00:01:40,619

limited and the North Woods Paranormal

22

00:01:44,300 --> 00:01:42,090

Research Center here in Rylander

23

00:01:46,760 --> 00:01:44,310

Wisconsin where your host Kevin and

24

00:01:49,550 --> 00:01:46,770

Jennifer metal hello everybody hello to

25

00:01:50,840 --> 00:01:49,560

everyone in the hyerin chat room we look

26
00:01:56,149 --> 00:01:50,850
forward to your questions and comments

27
00:02:00,399 --> 00:01:56,159
as always iron chat comm is the link so

28
00:02:03,080 --> 00:02:00,409
come join us there and tonight is

29
00:02:06,230 --> 00:02:03,090
another edition of her versatile

30
00:02:08,810 --> 00:02:06,240
universes paranormal blender our end of

31
00:02:10,219 --> 00:02:08,820
the month news report covering eight

32
00:02:12,740 --> 00:02:10,229
categories of the unknown and

33
00:02:16,449 --> 00:02:12,750
unexplained that including ghost on a

34
00:02:19,610 --> 00:02:16,459
places monsters cryptids aliens and UFOs

35
00:02:24,310 --> 00:02:19,620
metaphysics theology conspiracies

36
00:02:28,060 --> 00:02:24,320
forbidden archeology and urban legends /

37
00:02:32,810 --> 00:02:28,070
folklore if it's paranormal supernatural

38
00:02:35,870 --> 00:02:32,820

estimate eric 40n or just ultra bizarre

39

00:02:38,509 --> 00:02:35,880

and if it's in the news there's a good

40

00:02:42,949 --> 00:02:38,519

chance we'll be covering it and joining

41

00:02:46,280 --> 00:02:42,959

us tonight for analysis our two focal

42

00:02:48,560 --> 00:02:46,290

members of the NW PS northern wisconsin

43

00:02:52,670 --> 00:02:48,570

Paranormal Society ecologist and

44

00:02:55,190 --> 00:02:52,680

producer Mike and Lucas and buzu

45

00:03:01,569 --> 00:02:55,200

ologists and shaman Don Young

46

00:03:07,190 --> 00:03:01,579

how are you guys doing tonight real good

47

00:03:13,340 --> 00:03:07,200

happy fall everybody doing good yes yeah

48

00:03:16,690 --> 00:03:13,350

a warm fall tippie well before we start

49

00:03:20,870 --> 00:03:16,700

with the news we have some shout outs

50

00:03:24,470 --> 00:03:20,880

that we do shout outs go to those people

51
00:03:30,710 --> 00:03:24,480
who share our banners every week the

52
00:03:33,080 --> 00:03:30,720
show banners on social media and who do

53
00:03:35,599 --> 00:03:33,090
we for this week great this week we have

54
00:03:38,869 --> 00:03:35,609
Jason bland and Jamie dumb loops of

55
00:03:42,009 --> 00:03:38,879
paranormal soup cindy-lou of bizarro

56
00:03:43,550 --> 00:03:42,019
world katrina Cooper of Forever Friends

57
00:03:48,050 --> 00:03:43,560
Debby crash

58
00:03:51,470 --> 00:03:48,060
Shmuel grands paranormal Walter Brooks

59
00:03:52,510 --> 00:03:51,480
thoughts of Christo's Hallie Odell of

60
00:03:57,170 --> 00:03:52,520
the rift

61
00:04:01,490 --> 00:03:57,180
- chairs Geoff stems Four Seasons guide

62
00:04:06,170 --> 00:04:01,500
service and Deacon my copper OFS order

63
00:04:08,870 --> 00:04:06,180

of Franciscans and thank you to

64

00:04:10,580 --> 00:04:08,880

everybody in chat the chat room this

65

00:04:13,370 --> 00:04:10,590

evening for showing up we love to see

66

00:04:16,729 --> 00:04:13,380

you here every week as I've seen the

67

00:04:19,370 --> 00:04:16,739

regulars and new people as well alright

68

00:04:27,490 --> 00:04:19,380

here are some of the headlines from this

69

00:04:36,110 --> 00:04:32,150

September 2017 will be covering oh wait

70

00:04:38,150 --> 00:04:36,120

a minute hold on a sec let me get my

71

00:04:52,150 --> 00:04:38,160

notes here for the right spot I always

72

00:04:58,120 --> 00:04:54,409

well anyways why don't we just start

73

00:05:03,520 --> 00:04:58,130

with the I had seen in this place in my

74

00:05:06,740 --> 00:05:03,530

spot so why don't just start with okay

75

00:05:09,409 --> 00:05:06,750

so our first story is actually really

76

00:05:13,550 --> 00:05:09,419

really funny and it was actually updated

77

00:05:16,279 --> 00:05:13,560

on September 23rd of this year and it's

78

00:05:18,050 --> 00:05:16,289

from the New York Post and when we saw

79

00:05:20,270 --> 00:05:18,060

this one it just cracked me up and we

80

00:05:23,300 --> 00:05:20,280

had to share this with you guys man

81

00:05:27,550 --> 00:05:23,310

jumps into the ocean to escape police

82

00:05:30,710 --> 00:05:27,560

and gets changed by a shark instead of a

83

00:05:33,080 --> 00:05:30,720

North Carolina man allegedly attempted

84

00:05:35,600 --> 00:05:33,090

to elude police Wednesday by diving into

85

00:05:37,430 --> 00:05:35,610

the ocean and swimming way what was

86

00:05:41,170 --> 00:05:37,440

unknowingly just feet away from a shark

87

00:05:44,990 --> 00:05:41,180

while trying the brazen escape

88

00:05:47,540 --> 00:05:45,000

Zachery Kingsbury 20 was pulled over for

89

00:05:51,290 --> 00:05:47,550

a traffic stop just before 5 p.m. in

90

00:05:54,020 --> 00:05:51,300

Surf City he allegedly tried to escape

91

00:05:56,420 --> 00:05:54,030

when officer spotted illegal contraband

92

00:05:57,379 --> 00:05:56,430

inside the vehicle and asked him to exit

93

00:05:59,570 --> 00:05:57,389

the car

94

00:06:00,820 --> 00:05:59,580

Kingsbury jumped into the ocean and

95

00:06:04,510 --> 00:06:00,830

began swimming away

96

00:06:07,869 --> 00:06:04,520

leading to an hours-long standoff

97

00:06:10,999 --> 00:06:07,879

official said within an hour

98

00:06:12,890 --> 00:06:11,009

Kingsbury was reportedly four thousand

99

00:06:16,600 --> 00:06:12,900

feet from the shore and the Surf City

100

00:06:22,040 --> 00:06:16,610

Police Department launched a drone to

101
00:06:24,159 --> 00:06:22,050
track the escape at that point the

102
00:06:27,200 --> 00:06:24,169
operation became a rescue operation

103
00:06:29,809 --> 00:06:27,210
police said in a statement but as police

104
00:06:32,089 --> 00:06:29,819
were trying to save Kingsbury they

105
00:06:35,749 --> 00:06:32,099
noticed a shark swimming near the man

106
00:06:36,920 --> 00:06:35,759
drone footage showed police were able to

107
00:06:39,770 --> 00:06:36,930
nab Kingsbury

108
00:06:42,709 --> 00:06:39,780
about 7:45 p.m. according to the

109
00:06:45,980 --> 00:06:42,719
Charlotte Observer I would have drowned

110
00:06:48,580 --> 00:06:45,990
after 10 minutes dudes an animal a

111
00:06:50,600 --> 00:06:48,590
witness wrote in a Facebook post

112
00:06:54,140 --> 00:06:50,610
Kingsbury was charged with resisting

113
00:06:57,019 --> 00:06:54,150

arrest obstructing an officer possession

114

00:07:00,769 --> 00:06:57,029

of drug paraphernalia methamphetamine

115

00:07:08,959 --> 00:07:00,779

and possession of marijuana of up to

116

00:07:13,159 --> 00:07:08,969

half an ounce whoa you know never minds

117

00:07:15,079 --> 00:07:13,169

me of the story Maxim Brady listed just

118

00:07:19,010 --> 00:07:15,089

a little bit ago with the guy who was on

119

00:07:20,930 --> 00:07:19,020

a ship and he had some it was a

120

00:07:26,029 --> 00:07:20,940

restaurant it was shaped like a ship

121

00:07:27,740 --> 00:07:26,039

right on I'm the CEO and the bill was

122

00:07:30,439 --> 00:07:27,750

like hundreds of dollars after you had

123

00:07:33,170 --> 00:07:30,449

eaten and to skip the bill he jumped off

124

00:07:34,670 --> 00:07:33,180

this gym or whatever and slam oh and the

125

00:07:37,040 --> 00:07:34,680

police had to go out on the same thing

126

00:07:40,790 --> 00:07:37,050

you know go out there and find him and

127

00:07:43,159 --> 00:07:40,800

see I would have rather have dealt with

128

00:07:45,200 --> 00:07:43,169

the cops honestly than jumping in an

129

00:07:47,390 --> 00:07:45,210

ocean and trying to swim away like do

130

00:07:52,519 --> 00:07:47,400

you not automatically think that there

131

00:07:54,350 --> 00:07:52,529

could be sharks around you and the guy

132

00:07:56,719 --> 00:07:54,360

and another story a Kevin was talking

133

00:07:59,450 --> 00:07:56,729

about it was a rapper at a seafood

134

00:08:01,309 --> 00:07:59,460

restaurant and if the bill came out to

135

00:08:03,159 --> 00:08:01,319

be several hundred dollars and he

136

00:08:07,820 --> 00:08:03,169

couldn't he didn't want to pay it so

137

00:08:10,960 --> 00:08:07,830

that's what he did again and I'd have to

138

00:08:17,960 --> 00:08:10,970

go to court in pain anyway

139

00:08:19,910 --> 00:08:17,970

yeah you guys are thoughts on that yep

140

00:08:20,720 --> 00:08:19,920

stay on lands though I'm gonna say stay

141

00:08:27,230 --> 00:08:20,730

on

142

00:08:28,790 --> 00:08:27,240

read this here yeah this these are the

143

00:08:31,700 --> 00:08:28,800

stories that we're gonna cover anyways

144

00:08:34,310 --> 00:08:31,710

coming up um we're gonna talk about the

145

00:08:37,719 --> 00:08:34,320

September 30th national ghost hunting

146

00:08:40,310 --> 00:08:37,729

day which is tomorrow talking about

147

00:08:45,110 --> 00:08:40,320

reports of shape-shifting empires

148

00:08:48,170 --> 00:08:45,120

causes panic and Malala more on the

149

00:08:51,980 --> 00:08:48,180

Chicago flying phantom of course DNA

150

00:08:55,340 --> 00:08:51,990

results on the three figured mummified

151
00:09:00,500 --> 00:08:55,350
aliens for those in the archaeology and

152
00:09:02,870 --> 00:09:00,510
new faculty uh see house fire in

153
00:09:07,430 --> 00:09:02,880
Maryland reveals mysterious tunnel

154
00:09:10,720 --> 00:09:07,440
network a new study on Catholics and

155
00:09:13,880 --> 00:09:10,730
their beliefs in the devil is released

156
00:09:20,260 --> 00:09:13,890
and of course doomsday is postponed

157
00:09:24,920 --> 00:09:20,270
until October Halloween holiday band

158
00:09:27,110 --> 00:09:24,930
Massachusetts School System giant mob of

159
00:09:30,890 --> 00:09:27,120
bees attack people six folks

160
00:09:37,880 --> 00:09:30,900
hospitalized and a new type of chocolate

161
00:09:42,530 --> 00:09:37,890
is invented this month so the first

162
00:09:45,980 --> 00:09:42,540
thing is the the world's largest ghost

163
00:09:48,650 --> 00:09:45,990

hunt next tomorrow and the details on

164

00:09:51,800 --> 00:09:48,660

that state the following the paranormal

165

00:09:54,950 --> 00:09:51,810

world will unite again with collective

166

00:09:58,010 --> 00:09:54,960

consciousness to seek the spirit using

167

00:10:00,950 --> 00:09:58,020

amazing skill intuition and purpose to

168

00:10:06,230 --> 00:10:00,960

be held on September 30th national ghost

169

00:10:10,730 --> 00:10:06,240

hunting date from 10 p.m. to 12 noon

170

00:10:13,400 --> 00:10:10,740

night not including prep time held in

171

00:10:15,500 --> 00:10:13,410

your community and a historical property

172

00:10:18,770 --> 00:10:15,510

known to be haunted and supported its

173

00:10:21,740 --> 00:10:18,780

preservation we will be live streaming

174

00:10:23,590 --> 00:10:21,750

into one portal where the world can look

175

00:10:26,290 --> 00:10:23,600

into the hunt

176

00:10:29,500 --> 00:10:26,300

the mission is paranormal unity and

177

00:10:32,340 --> 00:10:29,510

historical property preservation this

178

00:10:37,270 --> 00:10:32,350

year they will have hundreds of

179

00:10:40,870 --> 00:10:37,280

investigators in ten countries they're

180

00:10:49,440 --> 00:10:40,880

also conducting a paranormal experiment

181

00:11:09,130 --> 00:10:53,770

that is that is what they got coming

182

00:11:13,450 --> 00:11:09,140

tomorrow yeah and see if I can okay yeah

183

00:11:15,460 --> 00:11:13,460

I just read that so anyways I know

184

00:11:20,070 --> 00:11:15,470

there's a couple teams Wisconsin

185

00:11:22,510 --> 00:11:20,080

participating but I'm not sure

186

00:11:25,390 --> 00:11:22,520

otherwise this is but this is something

187

00:11:29,950 --> 00:11:25,400

newer I mean this I was just like year

188

00:11:31,420 --> 00:11:29,960

two or year three possibly on but in

189

00:11:34,090 --> 00:11:31,430

every year it gets bigger and bigger and

190

00:11:38,560 --> 00:11:34,100

more teams participate and they're

191

00:11:41,950 --> 00:11:38,570

streaming and I you know like go online

192

00:11:44,170 --> 00:11:41,960

and watch it and I know they have like I

193

00:11:45,520 --> 00:11:44,180

was talking to one of the teams

194

00:11:49,450 --> 00:11:45,530

participating and they said they have a

195

00:11:51,430 --> 00:11:49,460

schedule we're like it's crap time or

196

00:11:54,130 --> 00:11:51,440

like at this time they want you to do

197

00:11:58,360 --> 00:11:54,140

this like EVPs and then later on they

198

00:12:01,120 --> 00:11:58,370

want you to do you know this or that or

199

00:12:04,060 --> 00:12:01,130

well you know whatever the case EMF or

200

00:12:05,140 --> 00:12:04,070

ghost box or you know in the and they

201
00:12:07,720 --> 00:12:05,150
kind of got a thing and then you're

202
00:12:11,470 --> 00:12:07,730
supposed to go through stuff and orsa

203
00:12:16,180 --> 00:12:11,480
keeping it all that's but yeah as far as

204
00:12:18,970 --> 00:12:16,190
paranormal unity you know for those

205
00:12:21,220 --> 00:12:18,980
involved and looking for that that's a

206
00:12:22,780 --> 00:12:21,230
good thing for them you know and as far

207
00:12:27,139 --> 00:12:22,790
as historical preservation I think

208
00:12:32,490 --> 00:12:29,940
yeah Kevin it helps create create good

209
00:12:37,079 --> 00:12:32,500
awareness to of you know the research

210
00:12:38,700 --> 00:12:37,089
ended it - well yeah like you know we

211
00:12:42,000 --> 00:12:38,710
were going to tours at the stove would

212
00:12:45,120 --> 00:12:42,010
meet the end built-ins a couple years

213
00:12:48,600 --> 00:12:45,130

ago and that was a really old two

214

00:12:52,530 --> 00:12:48,610

buildings actually and you know for the

215

00:12:55,340 --> 00:12:52,540

time we were doing it we enjoyed it you

216

00:13:04,740 --> 00:12:55,350

know we really enjoyed it

217

00:13:10,340 --> 00:13:04,750

so and our next story is this one comes

218

00:13:16,260 --> 00:13:10,350

from Tobias Weiland yet singular for TN

219

00:13:19,260 --> 00:13:16,270

September 23rd 2017 bat like floppy

220

00:13:28,079 --> 00:13:19,270

humanoid sightings continue to come from

221

00:13:30,420 --> 00:13:28,089

Chicago's little village yeah and two

222

00:13:33,240 --> 00:13:30,430

new sightings of the bat like humanoid

223

00:13:35,640 --> 00:13:33,250

that has been haunting Chicago since

224

00:13:37,560 --> 00:13:35,650

early 2017 have been reported in the

225

00:13:39,990 --> 00:13:37,570

city's little village neighborhood

226

00:13:42,300 --> 00:13:40,000

the sightings were reported to manual in

227

00:13:46,500 --> 00:13:42,310

Evette of UFO Clearing House in

228

00:13:50,280 --> 00:13:46,510

September 20th and 21st respectively but

229

00:13:52,140 --> 00:13:50,290

occurred earlier in the month the report

230

00:13:54,210 --> 00:13:52,150

submitted on September 20th actually

231

00:13:56,790 --> 00:13:54,220

took place on the 16th according to

232

00:14:01,199 --> 00:13:56,800

investigators this report was submitted

233

00:14:05,160 --> 00:14:01,209

to you [h__h] you Foch on Wednesday

234

00:14:07,410 --> 00:14:05,170

September 20th 2017 the actual incident

235

00:14:11,900 --> 00:14:07,420

happened on Saturday September 16th

236

00:14:15,150 --> 00:14:11,910

about 10 o'clock in the evening the UFO

237

00:14:18,930 --> 00:14:15,160

CH investigator did talk to the witness

238

00:14:24,750 --> 00:14:18,940

and to the investigators notes will

239

00:14:27,930 --> 00:14:24,760

appear below I will read these we were

240

00:14:30,840 --> 00:14:27,940

wat this is the first of I believe two

241

00:14:33,440 --> 00:14:30,850

reports yeah so I'll read the first one

242

00:14:36,360 --> 00:14:33,450

and then Jennifer to take the second one

243

00:14:38,190 --> 00:14:36,370

we were walking back from visiting a

244

00:14:40,140 --> 00:14:38,200

family member's house when we saw that

245

00:14:44,190 --> 00:14:40,150

looked like a large

246

00:14:46,680 --> 00:14:44,200

yeah flyover heads and continue down the

247

00:14:48,470 --> 00:14:46,690

street as we continued walking we saw

248

00:14:51,960 --> 00:14:48,480

that the bat had landed on the ground

249

00:14:54,890 --> 00:14:51,970

across the street from the convenience

250

00:14:57,750 --> 00:14:54,900

store on the corner of Ridgeway and 24th

251
00:14:59,640 --> 00:14:57,760
we also voted that it was looking right

252
00:15:02,220 --> 00:14:59,650
at us as we walked towards the

253
00:15:05,850 --> 00:15:02,230
intersection it was very easy to see

254
00:15:08,190 --> 00:15:05,860
with its lights as we got nearer we saw

255
00:15:10,380 --> 00:15:08,200
someone come out of the convenience

256
00:15:12,720 --> 00:15:10,390
store across the street and this thing

257
00:15:16,610 --> 00:15:12,730
turned its attention toward the person

258
00:15:19,019 --> 00:15:16,620
who saw it and screamed took off running

259
00:15:21,390 --> 00:15:19,029
it was under turned back to us and

260
00:15:24,900 --> 00:15:21,400
opened its wings and took a step towards

261
00:15:26,640 --> 00:15:24,910
us my sister and I did not stand around

262
00:15:28,980 --> 00:15:26,650
to see what was going to happen next and

263
00:15:32,340 --> 00:15:28,990

took off running back towards 23rd

264

00:15:34,290 --> 00:15:32,350

Street the family needs something you

265

00:15:35,790 --> 00:15:34,300

know what Macy's backstage is perfect

266

00:15:38,040 --> 00:15:35,800

for finding those just right little

267

00:15:40,320 --> 00:15:38,050

accent pieces that really freshen up

268

00:15:42,150 --> 00:15:40,330

your home a great base of perfect mirror

269

00:15:44,850 --> 00:15:42,160

candles throw pillows remember that

270

00:15:46,949 --> 00:15:44,860

elephant statues so cute and every week

271

00:15:49,140 --> 00:15:46,959

there's new stuff with prices so low we

272

00:15:51,870 --> 00:15:49,150

never need coupons okay we've gone

273

00:15:54,030 --> 00:15:51,880

backstage for fashion handbag even pet

274

00:15:56,670 --> 00:15:54,040

guarantees but today we're giving our

275

00:15:58,740 --> 00:15:56,680

homes a little backstage style Macy's

276

00:16:01,230 --> 00:15:58,750

backstage savings for everyday life this

277

00:16:04,050 --> 00:16:01,240

at Macy's backstage com4 locations our

278

00:16:05,820 --> 00:16:04,060

toasts where we had come from was near

279

00:16:08,790 --> 00:16:05,830

the viaduct where the train goes over

280

00:16:11,310 --> 00:16:08,800

this large bat let out a shriek and took

281

00:16:13,800 --> 00:16:11,320

off into the air because it flew just

282

00:16:17,130 --> 00:16:13,810

over our heads and then landed about 15

283

00:16:19,680 --> 00:16:17,140

feet in front of us on the road it would

284

00:16:22,920 --> 00:16:19,690

right at us and shrieked at us at that

285

00:16:26,970 --> 00:16:22,930

time a car turned onto the Ridgeway from

286

00:16:30,510 --> 00:16:26,980

behind 24th Street this bat took off the

287

00:16:33,810 --> 00:16:30,520

road and took off leaving us cowering on

288

00:16:37,230 --> 00:16:33,820

the sidewalk the improvements have

289

00:16:39,600 --> 00:16:37,240

scared and all of our lives and we hate

290

00:16:41,490 --> 00:16:39,610

to think of what would happen to us if

291

00:16:45,060 --> 00:16:41,500

the car had not turned the corner when

292

00:16:47,040 --> 00:16:45,070

it did the car continued on its way not

293

00:16:49,800 --> 00:16:47,050

even stopping and we headed back to her

294

00:16:53,490 --> 00:16:49,810

family member's house and her son gave

295

00:16:58,740 --> 00:16:56,220

so and then it goes back to what the

296

00:17:00,870 --> 00:16:58,750

reporter was writing while investigators

297

00:17:03,150 --> 00:17:00,880

with UFO Clearing House do feel the

298

00:17:04,800 --> 00:17:03,160

witness was genuine in their interview

299

00:17:07,260 --> 00:17:04,810

there's our opinion that further

300

00:17:13,770 --> 00:17:07,270

follow-up is needed due to somewhat

301
00:17:15,390 --> 00:17:13,780
unique nature of the sighting after

302
00:17:17,790 --> 00:17:15,400
receiving the reporter and investigator

303
00:17:19,730 --> 00:17:17,800
did contact the witness and spoke at

304
00:17:22,410 --> 00:17:19,740
length with both of them via telephone

305
00:17:24,480 --> 00:17:22,420
both siblings spoke to the events

306
00:17:26,550 --> 00:17:24,490
leading up to the encounter neither

307
00:17:29,160 --> 00:17:26,560
straight from the story that's told in

308
00:17:32,520 --> 00:17:29,170
settings report even after being

309
00:17:35,400 --> 00:17:32,530
questioned by the investigators they

310
00:17:36,330 --> 00:17:35,410
both told exact same story with no

311
00:17:38,520 --> 00:17:36,340
embellishment

312
00:17:40,460 --> 00:17:38,530
they have both agreed to meet with a

313
00:17:44,160 --> 00:17:40,470

field investigator to retrace the steps

314

00:17:46,470 --> 00:17:44,170

at the site of the counter there will be

315

00:17:48,420 --> 00:17:46,480

scheduled for a future day and any

316

00:17:48,870 --> 00:17:48,430

information will be posted on the

317

00:17:51,810 --> 00:17:48,880

website

318

00:17:53,190 --> 00:17:51,820

NORAD said this the investigators

319

00:17:55,410 --> 00:17:53,200

opinion that the sighting is appear

320

00:17:57,060 --> 00:17:55,420

genuine but further investigation is

321

00:17:58,650 --> 00:17:57,070

warranted since the nature and setting

322

00:18:02,850 --> 00:17:58,660

is completely different than any of the

323

00:18:04,440 --> 00:18:02,860

others field guys field investigators

324

00:18:07,650 --> 00:18:04,450

will be sent to the location within the

325

00:18:10,110 --> 00:18:07,660

next 72 hours to gather any additional

326

00:18:12,780 --> 00:18:10,120

data and to attempt to speak with people

327

00:18:16,580 --> 00:18:12,790

in the area in the attempt to gather

328

00:18:19,170 --> 00:18:16,590

more information the report submitted

329

00:18:27,510 --> 00:18:19,180

September 21st actually occurred earlier

330

00:18:30,420 --> 00:18:27,520

this month the night on September 9 2017

331

00:18:31,950 --> 00:18:30,430

at about 10:30 p.m. I was standing

332

00:18:35,940 --> 00:18:31,960

outside with some friends

333

00:18:38,940 --> 00:18:35,950

grilling carnitas and drinking beer and

334

00:18:43,220 --> 00:18:38,950

listening to some music we are on South

335

00:18:46,800 --> 00:18:43,230

Harding just past 25th Avenue and la

336

00:18:49,860 --> 00:18:46,810

ville it little village neighborhood of

337

00:18:52,290 --> 00:18:49,870

Chicago we were talking when we heard a

338

00:18:54,180 --> 00:18:52,300

very loud sound that sounded like a

339

00:18:56,690 --> 00:18:54,190

scream that was loud enough that the

340

00:18:59,340 --> 00:18:56,700

entire neighborhood must have heard it

341

00:19:01,980 --> 00:18:59,350

as we looked around and see if someone

342

00:19:04,140 --> 00:19:01,990

needed help one of my friends saw a

343

00:19:07,490 --> 00:19:04,150

large black figure with large black

344

00:19:11,640 --> 00:19:07,500

wings landing across the street near

345

00:19:14,970 --> 00:19:11,650

and I says name name redacted for FRA

346

00:19:19,830 --> 00:19:14,980

oversees house it landed right past the

347

00:19:25,560 --> 00:19:19,840

tree and was standing by the gate again

348

00:19:29,220 --> 00:19:25,570

the house was not noted for privacy

349

00:19:31,289 --> 00:19:29,230

reasons it was easy to see because the

350

00:19:33,720 --> 00:19:31,299

fence is white and the street light

351

00:19:36,180 --> 00:19:33,730

across the street was lighting up the

352

00:19:39,539 --> 00:19:36,190

area but stood there and it seems to be

353

00:19:41,520 --> 00:19:39,549

doing something with its wings at one

354

00:19:43,440 --> 00:19:41,530

point this thing stretched out its wings

355

00:19:46,470 --> 00:19:43,450

and they must have been about nine feet

356

00:19:50,010 --> 00:19:46,480

wide but did not look like the wings of

357

00:19:53,700 --> 00:19:50,020

a bird the thing stood here for about

358

00:19:55,860 --> 00:19:53,710

fifteen seconds or more before it must

359

00:19:58,950 --> 00:19:55,870

have noticed us and looked right at us

360

00:20:01,200 --> 00:19:58,960

with large glowing red eyes and the

361

00:20:04,680 --> 00:20:01,210

pitch shot up into the air over the

362

00:20:06,510 --> 00:20:04,690

house it was gone we all saw it and it

363

00:20:09,690 --> 00:20:06,520

looked like a black demon with large

364

00:20:11,970 --> 00:20:09,700

wings an investigator has reached out to

365

00:20:14,520 --> 00:20:11,980

this witness for further details and any

366

00:20:17,070 --> 00:20:14,530

updates will be added to this article

367

00:20:19,320 --> 00:20:17,080

both sightings happen within a week of

368

00:20:22,409 --> 00:20:19,330

the previously reported sighting in the

369

00:20:24,659 --> 00:20:22,419

little village neighborhood and all

370

00:20:26,630 --> 00:20:24,669

three show a return to nighttime

371

00:20:28,860 --> 00:20:26,640

sightings of the creature

372

00:20:31,470 --> 00:20:28,870

Chicago's little village is less than

373

00:20:33,690 --> 00:20:31,480

five miles from Lake Michigan which is

374

00:20:36,150 --> 00:20:33,700

well within the zone around the Great

375

00:20:39,830 --> 00:20:36,160

Lake that seems to spawn the most

376

00:20:42,650 --> 00:20:39,840

sightings these are the latest in a

377

00:20:45,840 --> 00:20:42,660

string of flying humanoid sightings

378

00:20:47,700 --> 00:20:45,850

reported in the Chicago area most of the

379

00:20:49,890 --> 00:20:47,710

sightings have taken place near the

380

00:20:52,440 --> 00:20:49,900

lakefront within a few miles of Lake

381

00:20:53,820 --> 00:20:52,450

Michigan although there are some reports

382

00:20:56,520 --> 00:20:53,830

coming from the suburbs surrounding

383

00:20:59,940 --> 00:20:56,530

Chicago the sightings generally take

384

00:21:04,610 --> 00:20:59,950

place in the evening or at night often

385

00:21:07,919 --> 00:21:04,620

in or near park and around water

386

00:21:10,620 --> 00:21:07,929

witnesses consistently describe a large

387

00:21:13,350 --> 00:21:10,630

fat or bird-like creature with humanoid

388

00:21:17,940 --> 00:21:13,360

features although in one case the

389

00:21:19,500 --> 00:21:17,950

creature was reportedly insect-like UFO

390

00:21:21,210 --> 00:21:19,510

Clearing House also offered the

391

00:21:24,000 --> 00:21:21,220

following plea to witnesses

392

00:21:27,450 --> 00:21:24,010

who may be concerned with being

393

00:21:30,420 --> 00:21:27,460

identified publicly this is a plea to

394

00:21:32,220 --> 00:21:30,430

any witness or witnesses that have had

395

00:21:34,650 --> 00:21:32,230

similar encounters in a little village

396

00:21:36,420 --> 00:21:34,660

neighborhood you are assured that your

397

00:21:39,630 --> 00:21:36,430

report and your identity will remain

398

00:21:41,280 --> 00:21:39,640

anonymous if you so wish the information

399

00:21:44,850 --> 00:21:41,290

gathered here will be purely for

400

00:21:50,130 --> 00:21:44,860

research purpose in order to get this in

401
00:21:52,470 --> 00:21:50,140
order to get into these sightings and

402
00:21:54,540 --> 00:21:52,480
will not be shared with anyone else

403
00:21:56,580 --> 00:21:54,550
outside of the UFO Clearing House

404
00:21:59,330 --> 00:21:56,590
research team and will not be shared

405
00:22:04,470 --> 00:21:59,340
with any government or law enforcement

406
00:22:07,500 --> 00:22:04,480
agencies to report a sighting contact

407
00:22:13,170 --> 00:22:07,510
law and Strickler and phantomon monsters

408
00:22:20,550 --> 00:22:13,180
comm or call them directly the number is

409
00:22:24,110 --> 00:22:20,560
also listed at enamines Matsusaka so I'd

410
00:22:27,990 --> 00:22:24,120
like to hear what Donna says say odd oh

411
00:22:31,230 --> 00:22:28,000
no I don't want to do anyone ever say

412
00:22:35,100 --> 00:22:31,240
how tall this creature is no I noticed

413
00:22:39,590 --> 00:22:35,110

you mentioned a nine foot wingspan one

414

00:22:45,440 --> 00:22:39,600

of the witnesses said yes

415

00:22:48,690 --> 00:22:45,450

knowledge goes with animals of flight

416

00:22:51,570 --> 00:22:48,700

basically this means that the the

417

00:22:55,380 --> 00:22:51,580

creature would only be probably about

418

00:22:59,280 --> 00:22:55,390

three to four feet high a nine foot

419

00:23:03,710 --> 00:22:59,290

wingspan basically if it was say a six

420

00:23:08,160 --> 00:23:03,720

foot human humanoid it wouldn't get lift

421

00:23:10,320 --> 00:23:08,170

it would have to be something like three

422

00:23:14,550 --> 00:23:10,330

foot tall in order to get lift with a

423

00:23:16,980 --> 00:23:14,560

nine foot wingspan fifteen foot wingspan

424

00:23:22,290 --> 00:23:16,990

no that's a little different a six foot

425

00:23:25,530 --> 00:23:22,300

man could get lift with a fifteen foot

426
00:23:27,360 --> 00:23:25,540
wingspan but not a nine so that was one

427
00:23:30,840 --> 00:23:27,370
of the questions I would have is to find

428
00:23:33,950 --> 00:23:30,850
out what the witnesses say as far as how

429
00:23:36,379 --> 00:23:33,960
high or tall this creature is

430
00:23:38,570 --> 00:23:36,389
well I know that there are some of the

431
00:23:41,149 --> 00:23:38,580
reports they indicate that the witnesses

432
00:23:46,669 --> 00:23:41,159
claim that the wings the Wiis were wider

433
00:23:50,690 --> 00:23:46,679
than it was tall which helps a little

434
00:23:52,820 --> 00:23:50,700
bit and I want to say 7 feet but I don't

435
00:23:55,580 --> 00:23:52,830
quote me on that I could be wrong but if

436
00:23:57,560 --> 00:23:55,590
it were 7 feet and this were 9 feet then

437
00:24:00,739 --> 00:23:57,570
the body is still smaller the wingspan

438
00:24:06,070 --> 00:24:00,749

but not to the proportions yeah yeah but

439

00:24:10,669 --> 00:24:06,080

you figure you know it would have to be

440

00:24:11,330 --> 00:24:10,679

1/3 the wingspan height in order to get

441

00:24:16,029 --> 00:24:11,340

a lift

442

00:24:18,859 --> 00:24:16,039

unless you like like birds they have the

443

00:24:22,159 --> 00:24:18,869

hollow bone cavity which makes them

444

00:24:27,590 --> 00:24:22,169

lighter that they can lift up yet

445

00:24:30,739 --> 00:24:27,600

they're still considerably smaller in

446

00:24:33,350 --> 00:24:30,749

size than their wingspan you know look

447

00:24:37,820 --> 00:24:33,360

at the Eagle which can the golden eagle

448

00:24:41,720 --> 00:24:37,830

can have a 9 foot wingspan let's say and

449

00:24:45,919 --> 00:24:41,730

the Eagle only stands three three and a

450

00:24:50,269 --> 00:24:45,929

half feet feet tall so for this to be a

451
00:24:55,129 --> 00:24:50,279
man-sized creature the wingspan would

452
00:24:59,029 --> 00:24:55,139
have to be at least 15 feet all right

453
00:25:03,739 --> 00:24:59,039
that's a maybe it sounds like a rambling

454
00:25:06,859 --> 00:25:03,749
but it I'm going on the the lift you

455
00:25:09,279 --> 00:25:06,869
know it would be impossible for a yeah

456
00:25:20,710 --> 00:25:09,289
you you even look at a hang glider

457
00:25:34,759 --> 00:25:30,830
go ahead no they're good points my my

458
00:25:36,529 --> 00:25:34,769
big question but if I can if I could ant

459
00:25:40,779 --> 00:25:36,539
or I can have the answer to one question

460
00:25:45,200 --> 00:25:40,789
on this mystery would be is this thing

461
00:25:47,810 --> 00:25:45,210
the interdimensional or not because that

462
00:25:50,599 --> 00:25:47,820
would determine if we're dealing with a

463
00:25:53,840 --> 00:25:50,609

terrestrial something or if we're

464

00:25:56,119 --> 00:25:53,850

dealing with something that is could

465

00:25:57,710 --> 00:25:56,129

possibly define a lot of physics like

466

00:25:59,779 --> 00:25:57,720

we're talking about yeah that's where

467

00:26:03,889 --> 00:25:59,789

I'm that's where I'm going with is not

468

00:26:06,769 --> 00:26:03,899

the spiritual or anything like that I'm

469

00:26:09,200 --> 00:26:06,779

my question with the height and wingspan

470

00:26:12,440 --> 00:26:09,210

was basically for a physical animal

471

00:26:17,139 --> 00:26:12,450

right a physical animal it would be

472

00:26:21,399 --> 00:26:17,149

impossible for a physical animal that is

473

00:26:25,129 --> 00:26:21,409

standing there at 6 feet tall average

474

00:26:28,279 --> 00:26:25,139

human height with a 9 foot wingspan that

475

00:26:31,930 --> 00:26:28,289

wouldn't yeah he could have them so did

476

00:26:34,879 --> 00:26:31,940

the dodo bird but he ain't got a fly was

477

00:26:39,349 --> 00:26:34,889

right well some of the drawings they

478

00:26:43,099 --> 00:26:39,359

have they show that it's more bat light

479

00:26:45,229 --> 00:26:43,109

and the body and the drugs in flight

480

00:26:48,589 --> 00:26:45,239

make it look smaller like it smoke like

481

00:26:51,769 --> 00:26:48,599

it is like terrestrial you know and we

482

00:26:54,739 --> 00:26:51,779

and you know we have legends from around

483

00:26:57,049 --> 00:26:54,749

the world of bat people I know Vietnam

484

00:27:01,549 --> 00:26:57,059

had reports when men were in Vietnam and

485

00:27:02,690 --> 00:27:01,559

I know they had you know there was Laura

486

00:27:07,659 --> 00:27:02,700

coming from the caves

487

00:27:10,519 --> 00:27:07,669

oh god of the caves in the Middle East

488

00:27:17,830 --> 00:27:10,529

of bad people living deep within these

489

00:27:20,769 --> 00:27:17,840

caves and stuff so it's not her you know

490

00:27:23,659 --> 00:27:20,779

and to you know I could just be a

491

00:27:26,810 --> 00:27:23,669

miscalculation from this witness saying

492

00:27:29,149 --> 00:27:26,820

nine feet it could be as much as 20 feet

493

00:27:32,210 --> 00:27:29,159

a 20-foot wingspan but at the distance

494

00:27:33,979 --> 00:27:32,220

from the beam across the street it just

495

00:27:37,460 --> 00:27:33,989

looked like it was nine feet it could

496

00:27:40,399 --> 00:27:37,470

have been 15 maybe 20 feet of a wingspan

497

00:27:44,570 --> 00:27:40,409

you know it would be good for whoever

498

00:27:48,259 --> 00:27:44,580

the investigator is that is looking into

499

00:27:50,659 --> 00:27:48,269

this is to look at something over there

500

00:27:53,539 --> 00:27:50,669

say like a light pole or something have

501

00:28:00,570 --> 00:27:53,549

that witness say how tall was it you

502

00:28:08,080 --> 00:28:00,580

know and then from there Judge Paul wide

503

00:28:11,980 --> 00:28:08,090

that's how I do it okay and the other

504

00:28:14,860 --> 00:28:11,990

thing the other thing I had thought is

505

00:28:17,500 --> 00:28:14,870

the red glowing eyes that I thought was

506

00:28:19,420 --> 00:28:17,510

significant too because I suffered well

507

00:28:20,950 --> 00:28:19,430

it's either you're gonna be creating a

508

00:28:23,380 --> 00:28:20,960

song money or it's gonna be reflecting

509

00:28:25,180 --> 00:28:23,390

light and if it's glowing and this is

510

00:28:30,370 --> 00:28:25,190

another report when they call it glowing

511

00:28:32,170 --> 00:28:30,380

red eyes you know I don't know to make

512

00:28:35,080 --> 00:28:32,180

it that either because I I mean that

513

00:28:39,520 --> 00:28:35,090

sounds more supernatural but then again

514

00:28:42,640 --> 00:28:39,530

their knowledge of that that goes on to

515

00:28:45,880 --> 00:28:42,650

the spiritual again any kind of glowing

516

00:28:48,100 --> 00:28:45,890

eyes but now this is in a city where

517

00:28:48,820 --> 00:28:48,110

you've got artificial lights all over

518

00:28:51,780 --> 00:28:48,830

the place

519

00:28:54,610 --> 00:28:51,790

you've got street lights you've got

520

00:28:56,890 --> 00:28:54,620

front door lights you've got yard lights

521

00:29:01,900 --> 00:28:56,900

and everything like that that could give

522

00:29:03,820 --> 00:29:01,910

off I shine but then again if it is

523

00:29:07,930 --> 00:29:03,830

actual glowing eyes that could be a

524

00:29:12,970 --> 00:29:07,940

spiritual or terrestrial something on

525

00:29:18,900 --> 00:29:12,980

that order because anytime I say

526

00:29:24,040 --> 00:29:21,850

yeah you you talk to anybody that's

527

00:29:25,180 --> 00:29:24,050

Catholic or Christian they're the first

528

00:29:26,500 --> 00:29:25,190

thing we're going to tell you that it's

529

00:29:28,960 --> 00:29:26,510

demonic and they're gonna tell you that

530

00:29:30,970 --> 00:29:28,970

more than likely in a cult demon this is

531

00:29:35,230 --> 00:29:30,980

a red eyes give me not saying that's

532

00:29:37,710 --> 00:29:35,240

what it is right well we got like three

533

00:29:41,620 --> 00:29:37,720

minutes and I got time for one little

534

00:29:45,430 --> 00:29:41,630

quick before we take a break

535

00:29:54,250 --> 00:29:45,440

and this one is from TD earth keet

536

00:29:58,300 --> 00:29:54,260

channel 7 in WCVB BBC five near the

537

00:30:00,850 --> 00:29:58,310

Massachusetts ok

538

00:30:03,180 --> 00:30:00,860

a Massachusetts elementary school has

539

00:30:06,160 --> 00:30:03,190

decided to cancel Halloween events

540

00:30:08,710 --> 00:30:06,170

saying the holiday is not inclusive and

541

00:30:11,409 --> 00:30:08,720

can be awkward for some children

542

00:30:14,049 --> 00:30:11,419

the principal a Mitchell Elementary

543

00:30:17,859 --> 00:30:14,059

School in Eden Ham announced the chain

544

00:30:19,539 --> 00:30:17,869

Thursday in a lot of the families for

545

00:30:21,969 --> 00:30:19,549

many years McDowell has celebrated

546

00:30:23,830 --> 00:30:21,979

Halloween with class parties and a

547

00:30:27,669 --> 00:30:23,840

parade of students in costume

548

00:30:30,489 --> 00:30:27,679

however Halloween is a holiday that not

549

00:30:33,729 --> 00:30:30,499

all families celebrate and for variety

550

00:30:36,519 --> 00:30:33,739

of reasons some Mitchell families keep

551
00:30:41,950 --> 00:30:36,529
their children home from school on that

552
00:30:43,570 --> 00:30:41,960
day said principal rigor base adding one

553
00:30:46,539 --> 00:30:43,580
teacher said there was an awkward

554
00:30:50,169 --> 00:30:46,549
planning it was awkward planning a class

555
00:30:52,560 --> 00:30:50,179
of libration knowing that not all of her

556
00:30:56,919 --> 00:30:52,570
students would be able to participate I

557
00:30:59,379 --> 00:30:56,929
said the faculty was near onion animus

558
00:31:03,310 --> 00:30:59,389
and believed school should no longer

559
00:31:05,739 --> 00:31:03,320
host Halloween computer execute 12.4 P

560
00:31:09,339 --> 00:31:05,749
operation optimizing algorithm running

561
00:31:12,279 --> 00:31:09,349
encryption macit alpha night oh I don't

562
00:31:13,210 --> 00:31:12,289
feel so good what what is it computer is

563
00:31:15,369 --> 00:31:13,220

it hot in here

564

00:31:18,399 --> 00:31:15,379

it feels hot in here I feel a little

565

00:31:21,159 --> 00:31:18,409

clammy I should lay down or something

566

00:31:23,409 --> 00:31:21,169

a computer with a virus surprising

567

00:31:24,969 --> 00:31:23,419

what's not surprising how much you could

568

00:31:27,279 --> 00:31:24,979

say if by switching to Geico

569

00:31:30,369 --> 00:31:27,289

those Oysters Rockefeller for a mistake

570

00:31:33,009 --> 00:31:30,379

Geico 15 minutes could save you 15% or

571

00:31:35,830 --> 00:31:33,019

more thanks I recognize that this

572

00:31:37,389 --> 00:31:35,840

decision will be disappointing to some

573

00:31:39,099 --> 00:31:37,399

of those who feel like Mitchell is

574

00:31:41,710 --> 00:31:39,109

changing I would agree that that

575

00:31:44,169 --> 00:31:41,720

represents a change but I believe that

576
00:31:46,210 --> 00:31:44,179
in the long term and he changed towards

577
00:31:48,700 --> 00:31:46,220
including all children is a positive

578
00:31:51,580 --> 00:31:48,710
change that will benefit our students in

579
00:31:55,239 --> 00:31:51,590
their community hero said of Halloween

580
00:31:57,580 --> 00:31:55,249
school hopeful William Mitchell day a

581
00:32:06,099 --> 00:31:57,590
celebration of autumn in the school

582
00:32:08,979 --> 00:32:06,109
Thunder night and with that it is time

583
00:32:11,589 --> 00:32:08,989
for our first commercial break you are

584
00:32:16,000 --> 00:32:11,599
listening to personal universe on inside

585
00:32:20,570 --> 00:32:18,590
welcome back perversity university

586
00:32:23,210 --> 00:32:20,580
inception radio network we're gonna bust

587
00:32:28,269 --> 00:32:23,220
Kevin and Jennifer Malik and we are

588
00:32:32,779 --> 00:32:28,279

doing the paranormal blender news hour

589

00:32:34,549 --> 00:32:32,789

under the month news report but before

590

00:32:35,870 --> 00:32:34,559

we get back into the news then I take a

591

00:32:38,659 --> 00:32:35,880

minute and thank everyone that makes

592

00:32:40,630 --> 00:32:38,669

reversal universe possible including

593

00:32:43,759 --> 00:32:40,640

graphic arts designer Lawrence tamizha

594

00:32:47,269 --> 00:32:43,769

webmaster Joe champion music by Matt

595

00:32:48,830 --> 00:32:47,279

stuns producer Mike MJ Lucas and of

596

00:32:51,950 --> 00:32:48,840

course the got for granting us this

597

00:32:55,070 --> 00:32:51,960

wonderful show an opportunity here to be

598

00:32:57,680 --> 00:32:55,080

with you all the segment is brought to

599

00:33:01,639 --> 00:32:57,690

you by Lucas wellness and UFO Wisconsin

600

00:33:07,610 --> 00:33:01,649

research team and by the book trail of a

601
00:33:10,250 --> 00:33:07,620
sasquatch before we start with the news

602
00:33:12,560 --> 00:33:10,260
wanted to let everybody know that for

603
00:33:14,570 --> 00:33:12,570
the next two weeks we'll be done

604
00:33:17,240 --> 00:33:14,580
assignment Jennifer and myself will be

605
00:33:20,330 --> 00:33:17,250
attempting to pair cons back to back

606
00:33:23,509 --> 00:33:20,340
here in the Midwest first one will be

607
00:33:27,769 --> 00:33:23,519
the Chicago Ghost conference on October

608
00:33:34,310 --> 00:33:27,779
7th and 8th we will have a booth as well

609
00:33:37,129 --> 00:33:34,320
or will have a booth and the NW PS and

610
00:33:41,509 --> 00:33:37,139
at or as that WPS in Para versal

611
00:33:44,840 --> 00:33:41,519
universe then we will be in Milwaukee

612
00:33:47,930 --> 00:33:44,850
for October 14th and 15th the Milwaukee

613
00:33:50,799 --> 00:33:47,940

paranormal conference will be having a

614

00:33:54,889 --> 00:33:50,809

vendor table there as well

615

00:33:57,799 --> 00:33:54,899

darah will be doing angel Oracle Tarot

616

00:33:59,899 --> 00:33:57,809

and palm readings at both defense and I

617

00:34:02,750 --> 00:33:59,909

will be speaking on behalf of the UFO

618

00:34:05,740 --> 00:34:02,760

Wisconsin research team is one of the

619

00:34:07,909 --> 00:34:05,750

father just on the 14th of October

620

00:34:11,060 --> 00:34:07,919

talking about chaos structure and

621

00:34:15,139 --> 00:34:11,070

protocols and if I have time I'll share

622

00:34:18,560 --> 00:34:15,149

a personal experience I had looking

623

00:34:22,190 --> 00:34:18,570

forward to it anyhow Mike isn't Holly

624

00:34:24,710 --> 00:34:22,200

gonna be down there yeah hi yeah Heidi

625

00:34:26,570 --> 00:34:24,720

Heidi will be down there speaking also

626
00:34:27,430 --> 00:34:26,580
and she will be doing some broadcasts

627
00:34:29,079 --> 00:34:27,440
for Iran

628
00:34:30,790 --> 00:34:29,089
to that the network soul should be doing

629
00:34:33,190 --> 00:34:30,800
a little bit of that to someone Facebook

630
00:34:38,829 --> 00:34:33,200
live for us yeah so should we be there

631
00:34:41,680 --> 00:34:38,839
oh definitely awesome yeah yeah okay

632
00:34:44,139 --> 00:34:41,690
well let's get back in get back into the

633
00:34:47,700 --> 00:34:44,149
nude yep all right so this next article

634
00:34:53,609 --> 00:34:47,710
comes from us from coast to coast amp

635
00:34:58,660 --> 00:34:53,619
and it is from September 28th 2017

636
00:35:00,430 --> 00:34:58,670
Indian State fans Blackmagic in a

637
00:35:03,520 --> 00:35:00,440
response to what is seen as it's

638
00:35:06,099 --> 00:35:03,530

bubbling rise in occult practices state

639

00:35:08,800 --> 00:35:06,109

in India has passed an expansive law

640

00:35:16,030 --> 00:35:08,810

which bans a vast array of black magic

641

00:35:18,430 --> 00:35:16,040

rituals earlier this week the Karnataka

642

00:35:22,150 --> 00:35:18,440

state government approved their

643

00:35:25,380 --> 00:35:22,160

prevention and eradication of inhuman

644

00:35:30,069 --> 00:35:25,390

evil practices in black magic though

645

00:35:33,640 --> 00:35:30,079

known as simply the anti superstition

646

00:35:35,620 --> 00:35:33,650

bill the new regulations prohibit a

647

00:35:39,160 --> 00:35:35,630

remarkable number of esoteric rituals

648

00:35:42,579 --> 00:35:39,170

which range from the strange to the

649

00:35:44,859 --> 00:35:42,589

downright dangerous included among the

650

00:35:47,730 --> 00:35:44,869

outlawed practices are walking it's hot

651
00:35:50,980 --> 00:35:47,740
hot coals as part of a religious ritual

652
00:35:53,740 --> 00:35:50,990
calling upon ghosts to aid in a person's

653
00:35:55,809 --> 00:35:53,750
affairs and telling an individual that

654
00:35:59,079 --> 00:35:55,819
they are possessed by evil spirits as a

655
00:36:02,440 --> 00:35:59,089
way of ensnaring them into servitude to

656
00:36:04,510 --> 00:36:02,450
those who use black magic throwing

657
00:36:08,500 --> 00:36:04,520
stones at houses and evening children

658
00:36:10,750 --> 00:36:08,510
upon a bed of thorns obstinately to

659
00:36:14,319 --> 00:36:10,760
cleanse them of negativity are also

660
00:36:16,210 --> 00:36:14,329
banned by the bill as is eating a person

661
00:36:19,540 --> 00:36:16,220
who is believed to be suffering from

662
00:36:21,880 --> 00:36:19,550
demonic possession additionally

663
00:36:25,059 --> 00:36:21,890

attempting to sneak hidden treasure or

664

00:36:27,520 --> 00:36:25,069

lost items by way of rituals reportedly

665

00:36:30,430 --> 00:36:27,530

allowing one to contact the proverbial

666

00:36:35,200 --> 00:36:30,440

other side for guidance is no longer

667

00:36:38,079 --> 00:36:35,210

permitted under the law ultimately the

668

00:36:40,390 --> 00:36:38,089

bill is largely aimed at putting a stop

669

00:36:41,140 --> 00:36:40,400

to the rituals where people are

670

00:36:43,930 --> 00:36:41,150

physically

671

00:36:46,390 --> 00:36:43,940

armed or could be easily entered as more

672

00:36:49,150 --> 00:36:46,400

benign religious practices such as

673

00:36:51,839 --> 00:36:49,160

piercing a child's ear or holding

674

00:36:55,450 --> 00:36:51,849

festivals are still allowed and

675

00:36:57,730 --> 00:36:55,460

indicating that not all esoteric arts

676

00:37:00,069 --> 00:36:57,740

are forbidden by the bill the use of

677

00:37:03,730 --> 00:37:00,079

astrology for divination and guidance

678

00:37:06,400 --> 00:37:03,740

remains legal whether the newly passed

679

00:37:09,370 --> 00:37:06,410

law can eradicate the state's black

680

00:37:11,460 --> 00:37:09,380

magic problem remains to be seen as

681

00:37:14,620 --> 00:37:11,470

belief with the power of these rituals

682

00:37:18,460 --> 00:37:14,630

has proven to be remarkably strong and

683

00:37:21,400 --> 00:37:18,470

prohibiting the occult practices could

684

00:37:27,460 --> 00:37:21,410

wind up only giving them or power in the

685

00:37:30,910 --> 00:37:27,470

minds of those who may turn to them so

686

00:37:33,809 --> 00:37:30,920

if you lived in that country and you

687

00:37:36,339 --> 00:37:33,819

want somebody started pounding on and

688

00:37:39,010 --> 00:37:36,349

the police came up to you said you don't

689

00:37:41,380 --> 00:37:39,020

understand he was possessed oh oh it's

690

00:37:43,900 --> 00:37:41,390

ok then because the law says you could

691

00:37:47,859 --> 00:37:43,910

do that you know that's that's so weird

692

00:37:53,549 --> 00:37:47,869

imagine that their laws are so different

693

00:38:00,640 --> 00:37:53,559

you know yeah you know I can't imagine

694

00:38:04,930 --> 00:38:00,650

you know how unique that yeah I guess it

695

00:38:08,049 --> 00:38:04,940

would be call it small town on a far

696

00:38:10,299 --> 00:38:08,059

away culture well think about this you

697

00:38:12,549 --> 00:38:10,309

come across a person that is truly c'mon

698

00:38:15,430 --> 00:38:12,559

eclis possessed in their experience of

699

00:38:18,490 --> 00:38:15,440

possession their body is being put

700

00:38:22,089 --> 00:38:18,500

through all kinds of torment we can't

701
00:38:23,799 --> 00:38:22,099
even begin to imagine and turn around

702
00:38:26,700 --> 00:38:23,809
and have people that are supposed to

703
00:38:28,990 --> 00:38:26,710
help us get rid of these beings

704
00:38:31,569 --> 00:38:29,000
physically beating on a possessed person

705
00:38:34,450 --> 00:38:31,579
is not a way to get rid of demons you're

706
00:38:39,039 --> 00:38:34,460
right and it and demons haven't human

707
00:38:40,450 --> 00:38:39,049
strength so not only are you beating on

708
00:38:43,569 --> 00:38:40,460
the person that's possessed but you're

709
00:38:47,410 --> 00:38:43,579
leaving yourself open to get that

710
00:38:49,660 --> 00:38:47,420
beating in return if not worse yeah you

711
00:38:52,990 --> 00:38:49,670
know and that goes to show that maybe

712
00:38:54,400 --> 00:38:53,000
some of their deliverance practices

713
00:39:00,840 --> 00:38:54,410

aren't maybe

714

00:39:04,000 --> 00:39:00,850

the most sound you know I that's uh

715

00:39:07,120 --> 00:39:04,010

that's that's really bizarre I think the

716

00:39:09,430 --> 00:39:07,130

one that gets me is them throwing their

717

00:39:11,680 --> 00:39:09,440

kids on beds of thorns to get rid of

718

00:39:13,540 --> 00:39:11,690

negativity like okay there are other

719

00:39:18,370 --> 00:39:13,550

ways to do that not throwing your kids

720

00:39:22,360 --> 00:39:18,380

on as of thorns is one of them here does

721

00:39:24,940 --> 00:39:22,370

have any thoughts on that well I think

722

00:39:28,120 --> 00:39:24,950

what's gonna happen over in this country

723

00:39:30,310 --> 00:39:28,130

is because they're out lying a lot of it

724

00:39:33,310 --> 00:39:30,320

see now right now apparently before they

725

00:39:34,600 --> 00:39:33,320

outlawed it a lot of this stuff was done

726

00:39:38,200 --> 00:39:34,610

right yeah

727

00:39:40,690 --> 00:39:38,210

in humpin basically everyone knew about

728

00:39:42,630 --> 00:39:40,700

it now that they're out long and it's

729

00:39:44,740 --> 00:39:42,640

going to be kind of like prohibition

730

00:39:48,780 --> 00:39:44,750

they're gonna be doing it more

731

00:39:51,400 --> 00:39:48,790

secretively and it's gonna get darker

732

00:39:53,200 --> 00:39:51,410

instead of leaving it in the open where

733

00:39:55,060 --> 00:39:53,210

they can keep an eye on it now it's

734

00:39:57,160 --> 00:39:55,070

gonna be in the dark shadows and

735

00:40:03,640 --> 00:39:57,170

catacombs and there's gonna be even more

736

00:40:05,200 --> 00:40:03,650

evil done that's my thought that's a

737

00:40:07,060 --> 00:40:05,210

good point that's real good well he's

738

00:40:08,770 --> 00:40:07,070

right because these people that practice

739

00:40:14,140 --> 00:40:08,780

this are gonna go after the ones that

740

00:40:15,970 --> 00:40:14,150

pass this bill and set these laws my

741

00:40:16,720 --> 00:40:15,980

question is what I mean was it really

742

00:40:18,340 --> 00:40:16,730

that bad

743

00:40:21,520 --> 00:40:18,350

that they were compelled to do this or

744

00:40:24,010 --> 00:40:21,530

is this peer pressure from I don't know

745

00:40:26,410 --> 00:40:24,020

do you enter or something I mean it's

746

00:40:29,320 --> 00:40:26,420

just it's weird because it it's really

747

00:40:31,690 --> 00:40:29,330

anti culture in a sense I mean not that

748

00:40:34,950 --> 00:40:31,700

okay yes the stuff that they were

749

00:40:39,790 --> 00:40:34,960

describing doesn't sound healthy and hat

750

00:40:42,150 --> 00:40:39,800

but you know I guess I've always

751
00:40:44,770 --> 00:40:42,160
believed that the community should uh

752
00:40:48,640 --> 00:40:44,780
you know he Karen was community instead

753
00:40:52,090 --> 00:40:48,650
of a larger body you know imposing well

754
00:40:54,550 --> 00:40:52,100
hey maybe that's just you know everyone

755
00:41:00,120 --> 00:40:54,560
is different and I understand that so I

756
00:41:04,930 --> 00:41:00,130
and do many in politics on here but yeah

757
00:41:06,589 --> 00:41:04,940
it is described extremely good Anders

758
00:41:11,120 --> 00:41:06,599
first places all

759
00:41:15,829 --> 00:41:11,130
Kati and Jamaica where the religious

760
00:41:18,049 --> 00:41:15,839
practices can be quite brutal you know

761
00:41:19,940 --> 00:41:18,059
so probably in this country you know the

762
00:41:22,130 --> 00:41:19,950
one that you mentioned though I think

763
00:41:25,969 --> 00:41:22,140

that's more or less mind over matter is

764

00:41:27,950 --> 00:41:25,979

where the the firewalking I don't think

765

00:41:30,200 --> 00:41:27,960

they should have made that one illegal

766

00:41:33,799 --> 00:41:30,210

you know that one is just that's in a

767

00:41:37,880 --> 00:41:33,809

lot of cultures that is a rite of

768

00:41:41,210 --> 00:41:37,890

passage almost right why are walking is

769

00:41:44,900 --> 00:41:41,220

thought to be sacred yeah but like to

770

00:41:48,979 --> 00:41:44,910

throw throwing a kid on thorns yeah

771

00:41:56,120 --> 00:41:48,989

that's that's uh stepping on certain

772

00:42:02,509 --> 00:41:56,130

wrongs there or punching the snot out

773

00:42:05,299 --> 00:42:02,519

that's person I'm not grown and we just

774

00:42:08,769 --> 00:42:05,309

watch now you know and I'm just gonna

775

00:42:20,299 --> 00:42:13,569

okay max newts story comes from Fox News

776

00:42:23,180 --> 00:42:20,309

and this is September 22nd and we all

777

00:42:26,089 --> 00:42:23,190

remembered probably the biggest story of

778

00:42:28,190 --> 00:42:26,099

the month I hate to say that but it was

779

00:42:32,150 --> 00:42:28,200

talked about more posts or dot about

780

00:42:34,160 --> 00:42:32,160

this end of the world right and we have

781

00:42:37,239 --> 00:42:34,170

these every so many years you know

782

00:42:42,319 --> 00:42:37,249

there's logic a and twenty twelve and

783

00:42:45,079 --> 00:42:42,329

you know now 2017 but guess what dooms

784

00:42:48,410 --> 00:42:45,089

date is not on Saturday after all or on

785

00:42:50,690 --> 00:42:48,420

the September 23rd undone writer says

786

00:42:55,690 --> 00:42:50,700

after decking the end of the world

787

00:43:01,160 --> 00:42:55,700

Nupur ologist says apocalypse is near

788

00:43:04,579 --> 00:43:01,170

okay the end is still night just not as

789

00:43:08,870 --> 00:43:04,589

nigh as what is a week earlier doomsday

790

00:43:11,450 --> 00:43:08,880

writer says okay even he'd who cleaned

791

00:43:13,969 --> 00:43:11,460

the world is ending on Saturday the

792

00:43:16,809 --> 00:43:13,979

mysterious planet collides with earth is

793

00:43:19,790 --> 00:43:16,819

now backtracking on the calamitous claim

794

00:43:26,090 --> 00:43:19,800

Mead said the world will end

795

00:43:28,520 --> 00:43:26,100

September 23rd but instead Saturday will

796

00:43:31,550 --> 00:43:28,530

only mark the beginning of a series of

797

00:43:34,670 --> 00:43:31,560

catastrophic events to occur over

798

00:43:38,230 --> 00:43:34,680

several weeks the world is not ending

799

00:43:41,750 --> 00:43:38,240

but the world as we know it is indeed

800

00:43:44,330 --> 00:43:41,760

told The Washington Post a major part of

801
00:43:47,050 --> 00:43:44,340
the world will not be the same the

802
00:43:49,550 --> 00:43:47,060
beginning of October

803
00:43:51,950 --> 00:43:49,560
it said the prediction is based on

804
00:43:55,280 --> 00:43:51,960
verses and numeral codes found in the

805
00:43:57,770 --> 00:43:55,290
Bible specifically in the packet of the

806
00:44:00,350 --> 00:43:57,780
book of Revelation he said the recent

807
00:44:01,400 --> 00:44:00,360
events such as the polar eclipse and

808
00:44:03,890 --> 00:44:01,410
hurricanes

809
00:44:07,040 --> 00:44:03,900
irma and heartbeat are omens of the

810
00:44:12,590 --> 00:44:07,050
approaching apocalypse the significant

811
00:44:17,770 --> 00:44:12,600
number is 33 according to Meade he says

812
00:44:20,360 --> 00:44:17,780
Jesus lived for 33 years named Elohim

813
00:44:23,630 --> 00:44:20,370

which is the name of God for the Jews

814

00:44:25,550 --> 00:44:23,640

was mentioned 33 times in the Bible he

815

00:44:29,080 --> 00:44:25,560

said it's a very biblical it very

816

00:44:31,580 --> 00:44:29,090

biblically significant numerology

817

00:44:34,310 --> 00:44:31,590

numerologically significant number of

818

00:44:38,360 --> 00:44:34,320

talking astronomy and tucked in the

819

00:44:42,080 --> 00:44:38,370

Bible and merging the two September 23rd

820

00:44:43,960 --> 00:44:42,090

is also 33 days since the August 21st

821

00:44:46,520 --> 00:44:43,970

solar eclipse

822

00:44:49,850 --> 00:44:46,530

neither's also built his theory on

823

00:44:54,230 --> 00:44:49,860

so-called Planet X which we all know is

824

00:44:56,480 --> 00:44:54,240

Nibiru people use will pass earth on

825

00:44:57,170 --> 00:44:56,490

September 23rd this will cause volcanic

826

00:45:01,070 --> 00:44:57,180

eruptions

827

00:45:08,080 --> 00:45:01,080

tsunamis earthquakes etc nASA has

828

00:45:15,620 --> 00:45:13,130

and we can needs prediction has been

829

00:45:17,960 --> 00:45:15,630

dismissed by people of faith including

830

00:45:22,760 --> 00:45:17,970

Roman Catholic and Protestant branches

831

00:45:24,920 --> 00:45:22,770

of Christianity incite sir professor an

832

00:45:28,550 --> 00:45:24,930

executive director at Wheaton College

833

00:45:30,410 --> 00:45:28,560

Billy Graham Center for evangelism slam

834

00:45:33,499 --> 00:45:30,420

to meet slippery on Friday calling it

835

00:45:39,739 --> 00:45:33,509

fake news and asked Christians to be

836

00:45:43,989 --> 00:45:39,749

critical so apparently yeah they've

837

00:45:59,799 --> 00:45:43,999

changed to date from September to

838

00:46:05,449 --> 00:46:03,109

hey that's making these prediction with

839

00:46:07,849 --> 00:46:05,459

all these numbers and anything like that

840

00:46:10,159 --> 00:46:07,859

did you happen to come up with anything

841

00:46:16,069 --> 00:46:10,169

about the little psychotic North Korean

842

00:46:19,189 --> 00:46:16,079

I don't know I think that's more or less

843

00:46:21,109 --> 00:46:19,199

on the biggest scale right there of

844

00:46:26,659 --> 00:46:21,119

anything that's gonna come towards any

845

00:46:30,259 --> 00:46:26,669

kind of threat great France I hasn't

846

00:46:34,309 --> 00:46:30,269

seen any gigantic meteors or anything

847

00:46:36,889 --> 00:46:34,319

coming at us you know I don't think

848

00:46:38,839 --> 00:46:36,899

there's anything like that but when you

849

00:46:41,269 --> 00:46:38,849

got the little psycho over there in

850

00:46:48,049 --> 00:46:41,279

North Korea I think that's more or less

851
00:46:50,059 --> 00:46:48,059
on more realistic outcome you know well

852
00:46:52,069 --> 00:46:50,069
yeah I agree with that because he's a

853
00:46:55,039 --> 00:46:52,079
little creep and a lot of people were

854
00:46:56,839 --> 00:46:55,049
thinking that he was actually gonna do

855
00:46:59,329 --> 00:46:56,849
something on that particular day like

856
00:47:01,759 --> 00:46:59,339
people were thinking that yeah yeah

857
00:47:05,089 --> 00:47:01,769
that's what I was thinking you know if

858
00:47:07,419 --> 00:47:05,099
anything you know you look at different

859
00:47:10,579 --> 00:47:07,429
different stuff i l'm not sure but

860
00:47:14,599 --> 00:47:10,589
Nostradamus had said stuff about I think

861
00:47:16,549 --> 00:47:14,609
it was Hitler and stuff like that so you

862
00:47:18,949 --> 00:47:16,559
look at I was just wondering if anyone

863
00:47:28,839 --> 00:47:18,959

had predicted anything about whatever

864

00:47:34,639 --> 00:47:32,059

yeah I don't know I do not like okay I

865

00:47:39,079 --> 00:47:34,649

know that they teach planet in a beer in

866

00:47:40,370 --> 00:47:39,089

Russia okay it's like if I grew up in

867

00:47:41,989 --> 00:47:40,380

Russia I would have been taught about

868

00:47:44,989 --> 00:47:41,999

planet nibiru just like I would have

869

00:47:47,510 --> 00:47:44,999

been taught about Pluto and f2 and Venus

870

00:47:52,730 --> 00:47:47,520

and all of the other on

871

00:47:55,580 --> 00:47:52,740

I believe in new girl I do I think it's

872

00:47:56,960 --> 00:47:55,590

that close to Earth I think they said

873

00:48:00,080 --> 00:47:56,970

nubira supposed to be this monstrous

874

00:48:03,950 --> 00:48:00,090

planet I would think that something so

875

00:48:05,930 --> 00:48:03,960

big we're not just sneak up on us now I

876

00:48:08,060 --> 00:48:05,940

see pictures some kind of time people

877

00:48:09,410 --> 00:48:08,070

claim it if you take a picture in the

878

00:48:13,609 --> 00:48:09,420

right spot of the sky at the right time

879

00:48:16,580 --> 00:48:13,619

you can get in a beer you know and

880

00:48:19,190 --> 00:48:16,590

there's some of the pictures are like

881

00:48:21,859 --> 00:48:19,200

lens flares some of the pictures are

882

00:48:25,850 --> 00:48:21,869

funny reflections but some of the

883

00:48:29,780 --> 00:48:25,860

pictures are kind of compelling and you

884

00:48:33,920 --> 00:48:29,790

know Nibiru it's been mentioned in

885

00:48:35,690 --> 00:48:33,930

ancient texts and the last you know the

886

00:48:38,359 --> 00:48:35,700

other thing is like you know NASA says

887

00:48:41,000 --> 00:48:38,369

it's blah blah blah well you know never

888

00:48:44,570 --> 00:48:41,010

straight answer yeah exactly

889

00:48:46,940 --> 00:48:44,580

if there's you know I mean trusting NASA

890

00:48:49,010 --> 00:48:46,950

is like trusting to see that it's just

891

00:48:51,650 --> 00:48:49,020

hard to do because have you ever heard

892

00:48:55,310 --> 00:48:51,660

of anything like this I've heard about

893

00:48:59,870 --> 00:48:55,320

it it's like a it could be a dark hole

894

00:49:04,400 --> 00:48:59,880

or a dark planet that you can only see

895

00:49:08,750 --> 00:49:04,410

it by it blocking out stars as it passes

896

00:49:14,060 --> 00:49:08,760

by that's in something like that you

897

00:49:16,790 --> 00:49:14,070

know you it it does not you know when

898

00:49:18,650 --> 00:49:16,800

the Sun shines on it the only way you'd

899

00:49:22,790 --> 00:49:18,660

be able to see it as if it passes in

900

00:49:24,830 --> 00:49:22,800

front of the Sun but yeah it's just

901
00:49:26,180 --> 00:49:24,840
something that I didn't have much of an

902
00:49:29,870 --> 00:49:26,190
interest in so I didn't pay much

903
00:49:32,270 --> 00:49:29,880
attention but from what I understood it

904
00:49:34,790 --> 00:49:32,280
when you look up into the sky and also

905
00:49:36,410 --> 00:49:34,800
say you're looking at stars and also and

906
00:49:39,859 --> 00:49:36,420
a bunch of stars just disappear and

907
00:49:45,260 --> 00:49:39,869
that's it passing passing by it's either

908
00:49:48,050 --> 00:49:45,270
I don't know some kind of a planet a

909
00:49:50,570 --> 00:49:48,060
dark planet of vortex or whatever like

910
00:49:52,970 --> 00:49:50,580
that that's going past maybe that's what

911
00:49:54,040 --> 00:49:52,980
they're talking about something like

912
00:49:58,520 --> 00:49:54,050
that

913
00:50:00,710 --> 00:49:58,530

colliding with the earth okay so with

914

00:50:01,430 --> 00:50:00,720

this with this topic that we just story

915

00:50:03,590 --> 00:50:01,440

that we

916

00:50:05,330 --> 00:50:03,600

Sudan actually asked a really good

917

00:50:08,210 --> 00:50:05,340

question about it and it goes out to all

918

00:50:11,240 --> 00:50:08,220

of us to answer this question and he see

919

00:50:13,220 --> 00:50:11,250

what I'm sector sitting earlier given

920

00:50:16,430 --> 00:50:13,230

the passing of the latest deadline from

921

00:50:18,050 --> 00:50:16,440

the apocalypse and the tendency of the

922

00:50:19,670 --> 00:50:18,060

people to get caught up in the group

923

00:50:22,370 --> 00:50:19,680

energies of this sort of prediction

924

00:50:24,740 --> 00:50:22,380

where do you see the community moving on

925

00:50:27,350 --> 00:50:24,750

with this sort of thing how do you move

926
00:50:34,730 --> 00:50:27,360
on and how do you not fall into the trap

927
00:50:39,410 --> 00:50:34,740
of the group did your thought the group

928
00:50:41,060 --> 00:50:39,420
thought yes well I I mean I think

929
00:50:42,230 --> 00:50:41,070
there's like every so often we're gonna

930
00:50:44,600 --> 00:50:42,240
have another date

931
00:50:48,050 --> 00:50:44,610
that's almost gonna calculate you know

932
00:50:49,940 --> 00:50:48,060
uh it seems I mean at least in our

933
00:50:51,980 --> 00:50:49,950
lifetime we've had a few of them right

934
00:50:55,040 --> 00:50:51,990
they were supposed to be into the world

935
00:50:57,350 --> 00:50:55,050
or or you know that kind of thing I we

936
00:50:59,320 --> 00:50:57,360
we last month

937
00:51:02,720 --> 00:50:59,330
we didn't we seek that there's and

938
00:51:04,550 --> 00:51:02,730

there's a 2020 list next whatever I

939

00:51:07,880 --> 00:51:04,560

don't know you know

940

00:51:11,480 --> 00:51:07,890

this doomsday that they hear that I'm

941

00:51:14,240 --> 00:51:11,490

pretty sure that every year since the

942

00:51:16,250 --> 00:51:14,250

beginning of recorded time someone has

943

00:51:21,110 --> 00:51:16,260

said the next year we're going to all

944

00:51:26,210 --> 00:51:21,120

die is going to be destroyed or

945

00:51:29,090 --> 00:51:26,220

something end of time you know so is

946

00:51:33,140 --> 00:51:29,100

it's a just an ongoing thing it's people

947

00:51:36,650 --> 00:51:33,150

that are looking for fame or trying to

948

00:51:38,810 --> 00:51:36,660

get their name with some kind of a

949

00:51:41,060 --> 00:51:38,820

happening and by chance if it happens

950

00:51:44,440 --> 00:51:41,070

then they're looked at as the ones I

951
00:51:46,910 --> 00:51:44,450
predicted it and they were just lucky

952
00:51:50,210 --> 00:51:46,920
yeah I wouldn't have to say so

953
00:51:51,680 --> 00:51:50,220
um and funny on a funny note here on the

954
00:51:54,790 --> 00:51:51,690
day that the world was supposed to end

955
00:51:57,340 --> 00:51:54,800
was actually Kevin's birthday

956
00:52:01,130 --> 00:51:57,350
[Laughter]

957
00:52:03,770 --> 00:52:01,140
yeah and the next issue post so the life

958
00:52:05,510 --> 00:52:03,780
event thanks sure that was my post on

959
00:52:11,350 --> 00:52:05,520
Facebook I literally made an event and

960
00:52:14,990 --> 00:52:13,190
but yeah I think you're right I think

961
00:52:16,250 --> 00:52:15,000
that's a constant

962
00:52:21,200 --> 00:52:16,260
and I think that something will always

963
00:52:23,780 --> 00:52:21,210

have and you know and of course for the

964

00:52:25,190 --> 00:52:23,790

guy who does get it right because one of

965

00:52:27,380 --> 00:52:25,200

these days one of these guys might get

966

00:52:30,110 --> 00:52:27,390

it right you know although the Bible

967

00:52:33,410 --> 00:52:30,120

says that uh you know nobody will know

968

00:52:37,220 --> 00:52:33,420

the exact date you know only God knows

969

00:52:41,660 --> 00:52:37,230

the except I'm the that's supposed to

970

00:52:45,170 --> 00:52:41,670

happen all that all you know in all

971

00:52:49,390 --> 00:52:45,180

fairness that the other camp he gives us

972

00:52:51,770 --> 00:52:49,400

signs in the heavens and stars you know

973

00:52:56,270 --> 00:52:51,780

you toss that back and forth for a while

974

00:53:00,490 --> 00:52:56,280

oh that's interesting do you want to be

975

00:53:04,220 --> 00:53:00,500

that think of it this way if anything

976
00:53:07,010 --> 00:53:04,230
catastrophic were to be or will happen

977
00:53:10,250 --> 00:53:07,020
to the earth I can pretty much guarantee

978
00:53:12,640 --> 00:53:10,260
the government is not going to tell the

979
00:53:17,990 --> 00:53:12,650
public because that will start a major

980
00:53:20,990 --> 00:53:18,000
panic so in in reality no one's gonna

981
00:53:22,460 --> 00:53:21,000
know when it happens you're not good

982
00:53:27,440 --> 00:53:22,470
you're just not gonna wake up the next

983
00:53:32,530 --> 00:53:27,450
day because the government ain't gonna

984
00:53:36,350 --> 00:53:32,540
tell you yeah and they're gonna you know

985
00:53:38,660 --> 00:53:36,360
and and they got their directives and

986
00:53:40,580 --> 00:53:38,670
their emergency procedures all set up so

987
00:53:42,620 --> 00:53:40,590
like you said they'll probably know

988
00:53:47,540 --> 00:53:42,630

about it before it happens they can tell

989

00:53:49,220 --> 00:53:47,550

anyone if they're all gonna hide well as

990

00:53:53,390 --> 00:53:49,230

much as they keep us in the dark now

991

00:53:55,370 --> 00:53:53,400

anyways that would not surprise me and

992

00:53:57,350 --> 00:53:55,380

what's the funny part about it it's here

993

00:53:59,960 --> 00:53:57,360

I would say for instance it's a

994

00:54:02,570 --> 00:53:59,970

catastrophic event that is gonna

995

00:54:04,660 --> 00:54:02,580

literally blow the earth up where the

996

00:54:07,550 --> 00:54:04,670

government is gonna go they dig a hole

997

00:54:13,910 --> 00:54:07,560

and they go hide in the hole like okay

998

00:54:17,750 --> 00:54:13,920

yeah that's gonna that's gonna help what

999

00:54:20,570 --> 00:54:17,760

do you think what well I know that big

1000

00:54:22,880 --> 00:54:20,580

one on December 21st 2012 I graduated

1001
00:54:24,740 --> 00:54:22,890
from college so I didn't want the planet

1002
00:54:27,150 --> 00:54:24,750
to blow up before I finish school

1003
00:54:28,800 --> 00:54:27,160
[Laughter]

1004
00:54:31,080 --> 00:54:28,810
right but there's always going to be a

1005
00:54:35,480 --> 00:54:31,090
profit motive with people that are

1006
00:54:37,950 --> 00:54:35,490
trying to predict an end of times for us

1007
00:54:39,270 --> 00:54:37,960
you know and I mean do you really want

1008
00:54:41,250 --> 00:54:39,280
to be the winner of that I mean what

1009
00:54:42,750 --> 00:54:41,260
what what well they were there what

1010
00:54:44,400 --> 00:54:42,760
would there be to prove you know if

1011
00:54:50,850 --> 00:54:44,410
you're right we won't know you were

1012
00:54:52,650 --> 00:54:50,860
right the day before if you know does it

1013
00:54:58,410 --> 00:54:52,660

right no one's ever gonna remember yeah

1014

00:55:03,390 --> 00:54:58,420

so our last story for the evening comes

1015

00:55:06,780 --> 00:55:03,400

from the mysterious universe September

1016

00:55:12,120 --> 00:55:06,790

28th 2017 house fire and Marilyn reveals

1017

00:55:13,080 --> 00:55:12,130

mysterious tunnel network you this one

1018

00:55:14,940 --> 00:55:13,090

is embarrassing

1019

00:55:17,880 --> 00:55:14,950

nothing like a house fire to reveal your

1020

00:55:19,620 --> 00:55:17,890

deepest darkest secrets of the world as

1021

00:55:21,960 --> 00:55:19,630

in literally deep in dark

1022

00:55:25,200 --> 00:55:21,970

law enforcement the fire departments

1023

00:55:27,120 --> 00:55:25,210

officials and the Theda Maryland near

1024

00:55:29,810 --> 00:55:27,130

Washington DC stumbled across an

1025

00:55:32,490 --> 00:55:29,820

unexplained and disconcerting scene

1026
00:55:36,720 --> 00:55:32,500
after responding to a house fire on

1027
00:55:40,410 --> 00:55:36,730
September 10 fire cause is still

1028
00:55:43,290 --> 00:55:40,420
undetermined body of an unidentified man

1029
00:55:44,580 --> 00:55:43,300
was found houses basement upon

1030
00:55:46,650 --> 00:55:44,590
recovering the body

1031
00:55:50,580 --> 00:55:46,660
fire officials encountered what they

1032
00:55:52,890 --> 00:55:50,590
described as a hoarding conditions and

1033
00:55:54,270 --> 00:55:52,900
they began excavating a gas line under

1034
00:55:56,850 --> 00:55:54,280
the house in an attempt to investigate

1035
00:55:59,060 --> 00:55:56,860
the fires cause they discovered what had

1036
00:56:02,190 --> 00:55:59,070
been described by law enforcement as a

1037
00:56:05,400 --> 00:56:02,200
house of horrors complete with the

1038
00:56:07,170 --> 00:56:05,410

mysterious network of tunnels dug below

1039

00:56:10,580 --> 00:56:07,180

the foundation of the house that

1040

00:56:13,860 --> 00:56:10,590

extended all the way to the street

1041

00:56:15,390 --> 00:56:13,870

Montgomery County Fire Chief Dan old and

1042

00:56:17,370 --> 00:56:15,400

has been pretty tight-lipped about the

1043

00:56:18,990 --> 00:56:17,380

whole investigation as it is still

1044

00:56:21,660 --> 00:56:19,000

ongoing but he has hinted that

1045

00:56:23,370 --> 00:56:21,670

investigators I thought what sounds like

1046

00:56:27,990 --> 00:56:23,380

a mad scientist secret underground

1047

00:56:29,670 --> 00:56:28,000

laboratory this has been credibly

1048

00:56:31,680 --> 00:56:29,680

complicated fire scene for our

1049

00:56:33,510 --> 00:56:31,690

vestigators the conditions in the

1050

00:56:35,670 --> 00:56:33,520

basement became more and more unusual as

1051
00:56:37,680 --> 00:56:35,680
investigation went on we did have some

1052
00:56:39,799 --> 00:56:37,690
electrical wiring for the lack of a

1053
00:56:43,229 --> 00:56:39,809
better word components I'm sure

1054
00:56:45,539 --> 00:56:43,239
I'm not sure exactly what they were at

1055
00:56:47,939 --> 00:56:45,549
the area think the ignition source was

1056
00:56:50,609 --> 00:56:47,949
the owner of the home who escaped a fire

1057
00:56:55,159 --> 00:56:50,619
Daniel Beckwith is a well-known on

1058
00:56:58,919 --> 00:56:55,169
computer hacking cyber security circuit

1059
00:57:01,379 --> 00:56:58,929
police - police have unearthed some sort

1060
00:57:04,229 --> 00:57:01,389
of underground hacking layer or

1061
00:57:07,139 --> 00:57:04,239
something more sinister like beneath the

1062
00:57:10,439 --> 00:57:07,149
ground and besito Maryland this time

1063
00:57:16,109 --> 00:57:10,449

this one remains a hinge and unnerving

1064

00:57:19,199 --> 00:57:16,119

history so that is our last story and

1065

00:57:26,509 --> 00:57:19,209

that is very interesting you guys have

1066

00:57:33,529 --> 00:57:31,289

okay well thank you everybody for tuning

1067

00:57:36,389 --> 00:57:33,539

in this week for the news or for the

1068

00:57:39,149 --> 00:57:36,399

month end of the month news report turn

1069

00:57:41,370 --> 00:57:39,159

on the blender your impaired reversal

1070

00:57:44,159 --> 00:57:41,380

universe Thank You Don and thank you

1071

00:57:46,729 --> 00:57:44,169

Mike so much as always yes thank you

1072

00:57:48,569 --> 00:57:46,739

both so much for being on with us again

1073

00:57:51,379 --> 00:57:48,579

thank you for having me

1074

00:57:53,999 --> 00:57:51,389

yes thanks for having me on thank you

1075

00:57:55,649 --> 00:57:54,009

and the huge thank you to everybody in

1076

00:57:58,319 --> 00:57:55,659

chat for hanging out with us tonight

1077

00:58:04,259 --> 00:57:58,329

and thank you Sudan for posting your

1078

00:58:08,370 --> 00:58:04,269

questions yeah I think we may have broke

1079

00:58:11,699 --> 00:58:08,380

a popsicle record I see one seven

1080

00:58:13,409 --> 00:58:11,709

numbers I'm looking at so okay to the

1081

00:58:15,239 --> 00:58:13,419

believer the evidence is overwhelming to

1082

00:58:17,579 --> 00:58:15,249

the skeptic there won't ever be enough

1083

00:58:20,399 --> 00:58:17,589

thank you god bless you everybody have a

1084

00:58:22,439 --> 00:58:20,409

wonderful weekend and we will see you in

1085

00:58:22,949 --> 00:58:22,449

the middle of October good night

1086

00:58:25,499 --> 00:58:22,959

everyone

1087

00:58:27,870 --> 00:58:25,509

I just saved hundreds of dollars by

1088

00:58:28,499 --> 00:58:27,880

switching to Geico I've never felt more

1089

00:58:30,629 --> 00:58:28,509

alive

1090

00:58:32,069 --> 00:58:30,639

disclaimer Geico cannot guarantee you

1091

00:58:33,359 --> 00:58:32,079

will feel more alive you either

1092

00:58:35,069 --> 00:58:33,369

possessed functioning respiratory and

1093

00:58:36,449 --> 00:58:35,079

circulatory systems or you do not all

1094

00:58:37,739 --> 00:58:36,459

you are a zombie if you are indeed a

1095

00:58:38,969 --> 00:58:37,749

brain starves on me and you would like

1096

00:58:40,169 --> 00:58:38,979

to save money on car insurance

1097

00:58:41,609 --> 00:58:40,179

the Geico legal team applaud your

1098

00:58:43,169 --> 00:58:41,619

excellent life choices even in your

1099

00:58:44,789 --> 00:58:43,179

shambling afterlife but we strongly

1100

00:58:46,109 --> 00:58:44,799

encourage you to visit geico.com or

1101

00:58:47,579 --> 00:58:46,119

download the Geico app please stay a

1102

00:58:49,229 --> 00:58:47,589

minimum of 500 feet away from our large

1103

00:58:50,120 --> 00:58:49,239

and presumably delicious delicious

1104

00:58:52,970 --> 00:58:50,130

brains
