

Tim Swartz | A Conspiracy Machine at Work to Suppress the Truth

Listen on

inceptionradionetwork.com

1
00:00:02,899 --> 00:00:01,250
what if anything it's good to be back

2
00:00:05,329 --> 00:00:02,909
with you again and we got Heidi Hollis

3
00:00:10,100 --> 00:00:05,339
on board from a recent white knight

4
00:00:12,169 --> 00:00:10,110
coast-to-coast appearance as the six

5
00:00:14,629 --> 00:00:12,179
minutes six minutes notice for something

6
00:00:16,730 --> 00:00:14,639
like that yeah you know just like with

7
00:00:19,000 --> 00:00:16,740
our show even you know sometimes guests

8
00:00:22,220 --> 00:00:19,010
have reasons they have to cancel and I

9
00:00:25,820 --> 00:00:22,230
got six minutes notice and I was just

10
00:00:27,950 --> 00:00:25,830
about to go to bed I'm like wow wow but

11
00:00:29,839 --> 00:00:27,960
I did tell him I wouldn't mind being a

12
00:00:31,759 --> 00:00:29,849
last-minute fill-in for them well they

13
00:00:33,770 --> 00:00:31,769

took me up on that offer and had a

14

00:00:36,920 --> 00:00:33,780

really good show got to talk about my

15

00:00:39,470 --> 00:00:36,930

Jesus no joke book and hat man

16

00:00:42,080 --> 00:00:39,480

experience stuff and you know talk about

17

00:00:45,410 --> 00:00:42,090

the end of the world it was pretty cool

18

00:00:47,240 --> 00:00:45,420

I had a good time well I'm glad you did

19

00:00:49,250 --> 00:00:47,250

I'm glad you did of course since our

20

00:00:50,299 --> 00:00:49,260

last show we had the Las Vegas shooting

21

00:00:53,000 --> 00:00:50,309

and that's all they're talking about

22

00:00:54,860 --> 00:00:53,010

these days yeah horrible prayers to the

23

00:00:57,410 --> 00:00:54,870

people that were affected by that and

24

00:00:59,569 --> 00:00:57,420

the world is affected by it but the

25

00:01:03,020 --> 00:00:59,579

people that were right there I mean I

26
00:01:04,700 --> 00:01:03,030
cannot imagine terrible well you know

27
00:01:06,890 --> 00:01:04,710
there is some suspicion in the

28
00:01:08,539 --> 00:01:06,900
conspiracy circles that he had other

29
00:01:13,820 --> 00:01:08,549
help but I don't think so they'd have

30
00:01:16,789 --> 00:01:13,830
found out about that by now but I will

31
00:01:17,780 --> 00:01:16,799
say this though this guy I don't know

32
00:01:20,810 --> 00:01:17,790
for an amateur

33
00:01:24,620 --> 00:01:20,820
he sure was pretty efficient to knocking

34
00:01:27,410 --> 00:01:24,630
off you know 60 people and wounding 500

35
00:01:30,740 --> 00:01:27,420
I mean they said he'd been collecting

36
00:01:34,550 --> 00:01:30,750
guns for 20 years no I didn't know that

37
00:01:36,890 --> 00:01:34,560
I'd hear that part yeah I mean it's

38
00:01:38,870 --> 00:01:36,900

weird they he could get all those many

39

00:01:44,090 --> 00:01:38,880

guns in this very advanced and

40

00:01:45,710 --> 00:01:44,100

sophisticated hotel no truly I mean you

41

00:01:47,630 --> 00:01:45,720

know you know I know I'm always

42

00:01:48,800 --> 00:01:47,640

conservative but even I have to admit

43

00:01:51,649 --> 00:01:48,810

that's absurd

44

00:01:54,020 --> 00:01:51,659

I mean look I believe in personal

45

00:01:56,690 --> 00:01:54,030

defense weapon like you know like a

46

00:01:59,810 --> 00:01:56,700

Glock or something right right but the

47

00:02:03,499 --> 00:01:59,820

idea of having you know semi-automatic

48

00:02:05,300 --> 00:02:03,509

or yeah automatic weapons I mean

49

00:02:07,100 --> 00:02:05,310

semi-automatic weapons is one thing but

50

00:02:08,540 --> 00:02:07,110

they with a few adjustments they can

51
00:02:11,690 --> 00:02:08,550
make it fully automatic and I don't

52
00:02:12,500 --> 00:02:11,700
think that's necessary no I don't well

53
00:02:14,540 --> 00:02:12,510
that's the big

54
00:02:15,949 --> 00:02:14,550
debate out there though it's psycho if

55
00:02:17,930 --> 00:02:15,959
you take those away from us you'll take

56
00:02:22,130 --> 00:02:17,940
everything away from us so it's it's

57
00:02:24,800 --> 00:02:22,140
like but need such a gun I don't I mean

58
00:02:27,470 --> 00:02:24,810
not even to kill a deer for crying well

59
00:02:30,710 --> 00:02:27,480
no oh no you don't need that it's absurd

60
00:02:33,110 --> 00:02:30,720
and uh you know realistically I think

61
00:02:34,910 --> 00:02:33,120
that's out of line but I mean you know

62
00:02:37,190 --> 00:02:34,920
even I would but I mean you know our

63
00:02:40,160 --> 00:02:37,200

Glock for home defense yeah yeah yeah a

64

00:02:42,890 --> 00:02:40,170

pistol 9-millimeter Glock whatever but

65

00:02:45,110 --> 00:02:42,900

not something like that and not in the

66

00:02:47,479 --> 00:02:45,120

amount this idiot was buying I mean he

67

00:02:48,979 --> 00:02:47,489

must have had they said a thousand

68

00:02:52,339 --> 00:02:48,989

rounds he must have had a lot more than

69

00:02:57,589 --> 00:02:52,349

a thousand rounds to five hundred

70

00:02:59,270 --> 00:02:57,599

injuries crazy well in other words you

71

00:03:02,360 --> 00:02:59,280

know I believe in that people having

72

00:03:03,680 --> 00:03:02,370

guns but not this kind of thing I mean I

73

00:03:05,569 --> 00:03:03,690

don't believe you should have a rocket

74

00:03:07,940 --> 00:03:05,579

launcher either you know I mean come on

75

00:03:11,089 --> 00:03:07,950

I'm surprised he didn't do that he was

76

00:03:12,589 --> 00:03:11,099

planning everything else yeah you know

77

00:03:15,110 --> 00:03:12,599

what's weird though he was fairly

78

00:03:19,250 --> 00:03:15,120

affluent as they had a little show on

79

00:03:20,960 --> 00:03:19,260

him locally millionaire cuz he yeah he

80

00:03:23,210 --> 00:03:20,970

was I mean he had an apartment complex

81

00:03:26,449 --> 00:03:23,220

in Mesquite Texas and weirdly he lived

82

00:03:28,849 --> 00:03:26,459

in Mesquite Nevada and it's odd not

83

00:03:31,009 --> 00:03:28,859

named like that but what what I'm saying

84

00:03:32,990 --> 00:03:31,019

is he it was that they show the

85

00:03:35,150 --> 00:03:33,000

apartment complex he was the sole owner

86

00:03:38,120 --> 00:03:35,160

of it was very nice you know that didn't

87

00:03:39,740 --> 00:03:38,130

come cheap and so he wasn't hurting for

88

00:03:41,839 --> 00:03:39,750

cash as a matter of fact I heard Heidi

89

00:03:44,210 --> 00:03:41,849

he won 40,000 bucks at the casino the

90

00:03:50,470 --> 00:03:44,220

other night good well he was a high

91

00:03:52,550 --> 00:03:50,480

gambler big big stakes kind of guy yeah

92

00:03:54,620 --> 00:03:52,560

yeah but it isn't like he had a bad

93

00:03:58,009 --> 00:03:54,630

street he went crazy because I mean this

94

00:04:00,920 --> 00:03:58,019

took a lot of forethought to uh you know

95

00:04:05,569 --> 00:04:00,930

buy all these guns bring them up and

96

00:04:07,280 --> 00:04:05,579

organize a casino effort I mean so

97

00:04:11,330 --> 00:04:07,290

besides who cares whether you lost your

98

00:04:13,400 --> 00:04:11,340

butter or not I'm he mean come on didn't

99

00:04:16,120 --> 00:04:13,410

have him do the bunch of country-western

100

00:04:18,140 --> 00:04:16,130

concert attendees I mean it that's I

101
00:04:20,479 --> 00:04:18,150
mean I don't see where that would be an

102
00:04:23,940 --> 00:04:20,489
excuse for murdering all those people

103
00:04:26,340 --> 00:04:23,950
but crazy you know it's it's

104
00:04:29,310 --> 00:04:26,350
weird to me when they try to categorize

105
00:04:32,490 --> 00:04:29,320
if this is domestic terrorism or what it

106
00:04:35,520 --> 00:04:32,500
is and and you know people wonder why

107
00:04:37,110 --> 00:04:35,530
that's so important but if it is a form

108
00:04:40,320 --> 00:04:37,120
of terrorism my understanding is the

109
00:04:43,170 --> 00:04:40,330
federal government will compensate the

110
00:04:45,450 --> 00:04:43,180
victims to an extent much like not all

111
00:04:46,590 --> 00:04:45,460
the privates here they won't find a

112
00:04:48,960 --> 00:04:46,600
terrible evening

113
00:04:51,990 --> 00:04:48,970

well it's messy terrorism like Timothy

114

00:04:53,370 --> 00:04:52,000

McVeigh type of stuff well I mean it

115

00:04:55,470 --> 00:04:53,380

depends on how you define it I was

116

00:04:57,450 --> 00:04:55,480

thinking in terms of you know [h__h]

117

00:04:59,840 --> 00:04:57,460

terrorism or something like that yeah

118

00:05:02,850 --> 00:04:59,850

did you hear Isis claimed responsibility

119

00:05:05,820 --> 00:05:02,860

I don't know if I was news or what I'm

120

00:05:10,980 --> 00:05:05,830

like I don't think so no they did they

121

00:05:13,800 --> 00:05:10,990

did but I mean that's kind of merging

122

00:05:16,920 --> 00:05:13,810

their credibility I guess I mean you

123

00:05:18,870 --> 00:05:16,930

know yeah well it's kind of 80 the otic

124

00:05:20,610 --> 00:05:18,880

this guy had know his brother said he

125

00:05:24,330 --> 00:05:20,620

had no religious connection at all then

126

00:05:26,610 --> 00:05:24,340

he sort you know right so his brother

127

00:05:29,340 --> 00:05:26,620

was was weirded out I mean he said he

128

00:05:34,200 --> 00:05:29,350

was kind of a quirky guy yeah

129

00:05:36,720 --> 00:05:34,210

but not you know that abnormal I don't

130

00:05:39,750 --> 00:05:36,730

know I mean Heidi you could believe

131

00:05:42,870 --> 00:05:39,760

anything at this point I mean the woods

132

00:05:44,550 --> 00:05:42,880

are full of nuts and you know it doesn't

133

00:05:49,320 --> 00:05:44,560

have to do with politics obviously this

134

00:05:50,940 --> 00:05:49,330

guy wasn't hurting and well he's an

135

00:05:56,580 --> 00:05:50,950

accountant made a lot of money all that

136

00:05:58,470 --> 00:05:56,590

owned properties just a nut and you know

137

00:06:02,190 --> 00:05:58,480

there may even be a connection with

138

00:06:04,650 --> 00:06:02,200

demonic content you know I mean yeah no

139

00:06:09,030 --> 00:06:04,660

demon possession does exist who knows

140

00:06:11,760 --> 00:06:09,040

what you know what's out there but it

141

00:06:13,890 --> 00:06:11,770

was sad but boy they said I did here

142

00:06:16,560 --> 00:06:13,900

tonight though they said that down the

143

00:06:22,230 --> 00:06:16,570

strip it was just like a ghost town man

144

00:06:24,060 --> 00:06:22,240

I cannot imagine no I can't really

145

00:06:27,210 --> 00:06:24,070

it really is that's that's some sick

146

00:06:28,260 --> 00:06:27,220

stuff but anyhow you know I'm surprised

147

00:06:29,910 --> 00:06:28,270

someone said it wasn't

148

00:06:37,170 --> 00:06:29,920

Trump's fault or something you know I

149

00:06:37,920 --> 00:06:37,180

mean everything else is but well you

150

00:06:39,600 --> 00:06:37,930

know I'm not

151
00:06:42,570 --> 00:06:39,610
ladies Trump supporter but I mean Oh

152
00:06:49,350 --> 00:06:42,580
Geraldo Rivera I don't care what your

153
00:06:53,999 --> 00:06:49,360
boss Joe said I don't care Joe was

154
00:06:58,080 --> 00:06:54,009
trying to stick up for for the Liberals

155
00:07:02,100 --> 00:06:58,090
and all that what yes Joe is turning

156
00:07:05,700 --> 00:07:02,110
into a secret but anti Trump guy I know

157
00:07:08,219 --> 00:07:05,710
actually okay well I know I think Joe

158
00:07:11,219 --> 00:07:08,229
he's starting almost sound like one of

159
00:07:13,980 --> 00:07:11,229
you guys but no I mean Trump Trump as a

160
00:07:16,830 --> 00:07:13,990
as a quirky character yes but Geraldo

161
00:07:19,290 --> 00:07:16,840
Rivera really did tweet that's he didn't

162
00:07:21,570 --> 00:07:19,300
see anybody dead down there and San Juan

163
00:07:23,189 --> 00:07:21,580

and all that and you know I know that

164

00:07:25,080 --> 00:07:23,199

after all the Rivera doesn't have a

165

00:07:26,400 --> 00:07:25,090

helicopter to cover one end of Puerto

166

00:07:28,020 --> 00:07:26,410

Rico to the other all four or five

167

00:07:30,870 --> 00:07:28,030

hundred miles and then I mean no new

168

00:07:33,300 --> 00:07:30,880

news Trump maybe he was gonna open up

169

00:07:36,390 --> 00:07:33,310

Capone's vault again and really discover

170

00:07:37,400 --> 00:07:36,400

something this time after that I don't

171

00:07:41,550 --> 00:07:37,410

believe much

172

00:07:44,580 --> 00:07:41,560

well the idea being though is that you

173

00:07:48,930 --> 00:07:44,590

know the logistics and getting everybody

174

00:07:50,490 --> 00:07:48,940

squirt away in Cuba I mean in San Juan

175

00:07:52,770 --> 00:07:50,500

Puerto Rico in Puerto Rico as a whole

176

00:07:56,250 --> 00:07:52,780

that Islands a big island it's hard to

177

00:07:59,070 --> 00:07:56,260

do who you've got you know world peep-bo

178

00:08:01,430 --> 00:07:59,080

I mean look Heidi it be hard to take

179

00:08:04,469 --> 00:08:01,440

care of rural Arkansas let alone a rural

180

00:08:06,270 --> 00:08:04,479

Porto Rico and an island they made fun

181

00:08:08,189 --> 00:08:06,280

of him for saying it's an island and all

182

00:08:09,870 --> 00:08:08,199

that but it is an island it's not like

183

00:08:14,070 --> 00:08:09,880

driving stuff from Dallas to Houston

184

00:08:16,230 --> 00:08:14,080

it's not like that bad you know these

185

00:08:19,439 --> 00:08:16,240

poor slob's are living with you know

186

00:08:22,770 --> 00:08:19,449

basically the corrupted infrastructure

187

00:08:24,540 --> 00:08:22,780

instead so I mean you can't just remedy

188

00:08:29,249 --> 00:08:24,550

everything ain't like you could in

189

00:08:31,950 --> 00:08:29,259

Houston it's not that way I could they

190

00:08:34,529 --> 00:08:31,960

say only 35% of Puerto Ricans have their

191

00:08:37,199 --> 00:08:34,539

cell phones working and they have all of

192

00:08:38,490 --> 00:08:37,209

the this equipment you know this is the

193

00:08:40,170 --> 00:08:38,500

thing that gives me it Trump said

194

00:08:42,719 --> 00:08:40,180

everything was so highly organized and

195

00:08:45,090 --> 00:08:42,729

it's going well and but it turns out no

196

00:08:47,280 --> 00:08:45,100

one can get a phone call to help

197

00:08:49,199 --> 00:08:47,290

organize the distribution of the stuff

198

00:08:51,210 --> 00:08:49,209

so truck drivers roll in

199

00:08:56,999 --> 00:08:51,220

we've gotta go to what we've got to go

200

00:08:59,189 --> 00:08:57,009

to our lesson we'll be right back Heidi

201
00:09:03,299 --> 00:08:59,199
we've got Tim Schwartz Todd is my second

202
00:09:07,519 --> 00:09:03,309
favor the guest of the group and it's

203
00:09:13,319 --> 00:09:07,529
good to have him second favorite yeah

204
00:09:16,199 --> 00:09:13,329
did you hear that Tim Oh Tim is gone

205
00:09:19,319 --> 00:09:16,209
well he didn't hear it so there he

206
00:09:23,879 --> 00:09:19,329
didn't hear he was disgusted and hung up

207
00:09:27,150 --> 00:09:23,889
oh well sorry girls she's no he's still

208
00:09:30,869 --> 00:09:27,160
here with us I feel his presence knock

209
00:09:33,150 --> 00:09:30,879
twice Tim if you can hear us well I I

210
00:09:36,109 --> 00:09:33,160
don't know Jill had him on earlier I

211
00:09:39,540 --> 00:09:36,119
think Jo just snatched him off the side

212
00:09:41,579 --> 00:09:39,550
could you check on your uh your computer

213
00:09:44,160 --> 00:09:41,589

on the side I can I have access to one

214

00:09:48,199 --> 00:09:44,170

and I know you do is are the Yankees

215

00:09:54,239 --> 00:09:53,100

idiots I knew they were due to lose my

216

00:09:55,949 --> 00:09:54,249

computer's that I knew they were

217

00:09:57,539 --> 00:09:55,959

I knew they were due to lose because

218

00:09:59,400 --> 00:09:57,549

they beaten the twins like 10 straight

219

00:10:03,109 --> 00:09:59,410

games or something I knew they were just

220

00:10:07,079 --> 00:10:03,119

by luck of the draw they were let's see

221

00:10:12,269 --> 00:10:07,089

it says Minnesota Twins New York Yankee

222

00:10:13,769 --> 00:10:12,279

is twins have three Yankees four get out

223

00:10:16,559 --> 00:10:13,779

of town here I'm not telling you that to

224

00:10:20,280 --> 00:10:16,569

make me happy are you no I believe this

225

00:10:21,869 --> 00:10:20,290

is this is live on ESPN that says hey

226

00:10:23,090 --> 00:10:21,879

let me get the live update just to make

227

00:10:28,439 --> 00:10:23,100

certain

228

00:10:30,389 --> 00:10:28,449

dude there's a 3-4 I'm assuming okay oh

229

00:10:34,230 --> 00:10:30,399

did the Yankees have 401 so do they have

230

00:10:38,220 --> 00:10:34,240

no runs I'm looking at this right I

231

00:10:40,470 --> 00:10:38,230

don't watch baseball that much it says

232

00:10:44,759 --> 00:10:40,480

23 Yankees four yeah

233

00:10:50,939 --> 00:10:44,769

golly bill oh yeah oh that's wonderful

234

00:10:52,829 --> 00:10:50,949

it's a miracle God well the Yankees must

235

00:10:54,210 --> 00:10:52,839

have scored four but I never figured it

236

00:10:56,220 --> 00:10:54,220

would happened because see what happen

237

00:10:57,720 --> 00:10:56,230

Heidi is that poor yet poor twins have

238

00:11:00,480 --> 00:10:57,730

lost so many games straight to the

239

00:11:02,700 --> 00:11:00,490

Yankees it's almost a joke and I figured

240

00:11:04,710 --> 00:11:02,710

I figured they were due to lose one

241

00:11:07,260 --> 00:11:04,720

see and this is the wild card playoff

242

00:11:08,730 --> 00:11:07,270

game and out this is important one to

243

00:11:11,850 --> 00:11:08,740

lose it isn't like you know being down

244

00:11:14,340 --> 00:11:11,860

one to nothing in a series before or

245

00:11:17,270 --> 00:11:14,350

what it best-of-five or something any

246

00:11:20,520 --> 00:11:17,280

rate I'm glad they were scored for back

247

00:11:21,690 --> 00:11:20,530

that's crazy but we still have Tim

248

00:11:24,450 --> 00:11:21,700

Schwartz though that that's the

249

00:11:28,260 --> 00:11:24,460

weirdness well let's see what he's still

250

00:11:31,730 --> 00:11:28,270

online with us and Joe says he warned us

251
00:11:33,900 --> 00:11:31,740
that he was having issues ok well that's

252
00:11:36,270 --> 00:11:33,910
that's all right that's all right

253
00:11:39,180 --> 00:11:36,280
but but he'll be on eventually but but

254
00:11:41,550 --> 00:11:39,190
no Heidi uh now here's another news

255
00:11:44,580 --> 00:11:41,560
piece that we didn't have time for yeah

256
00:11:47,280 --> 00:11:44,590
is an Argentine town named corrientes

257
00:11:49,820 --> 00:11:47,290
now this is in late it's UFO sightings I

258
00:11:53,310 --> 00:11:49,830
get that on my email every day and

259
00:11:56,280 --> 00:11:53,320
supposedly supposedly now the Argentine

260
00:11:59,100 --> 00:11:56,290
that Argentinian police have a photo of

261
00:12:01,770 --> 00:11:59,110
an alien being as it was harassing the

262
00:12:05,340 --> 00:12:01,780
local residents of Cory entus Argentina

263
00:12:07,200 --> 00:12:05,350

now I got to look at the story I didn't

264

00:12:12,030 --> 00:12:07,210

get to vet it because how could I anyway

265

00:12:13,560 --> 00:12:12,040

in Argentina but what's offensively you

266

00:12:19,410 --> 00:12:13,570

know they're photographing aliens

267

00:12:22,440 --> 00:12:19,420

Argentina so I mean I don't know yeah

268

00:12:24,150 --> 00:12:22,450

usually latest UFO sightings is usually

269

00:12:25,830 --> 00:12:24,160

a pretty darn good website I mean you

270

00:12:29,310 --> 00:12:25,840

know they don't have a lot of shaky

271

00:12:31,020 --> 00:12:29,320

stuff on there Oh get this you know I

272

00:12:32,640 --> 00:12:31,030

told you all these fat people were

273

00:12:36,200 --> 00:12:32,650

running around Vegas when I was up there

274

00:12:41,550 --> 00:12:39,090

well what fat's fat it doesn't mean

275

00:12:45,210 --> 00:12:41,560

they're awful people it just means

276

00:12:49,290 --> 00:12:45,220

they're fat okay we got Tim so you can

277

00:12:54,810 --> 00:12:49,300

stop insulting people do you think I'm

278

00:12:56,850 --> 00:12:54,820

here help me Tim I told this woman that

279

00:12:58,470 --> 00:12:56,860

when I was up in Vegas in August that

280

00:13:00,990 --> 00:12:58,480

there's a lot of fat people running

281

00:13:02,700 --> 00:13:01,000

around now that that isn't like it's the

282

00:13:05,670 --> 00:13:02,710

worst thing going if they're fat they're

283

00:13:08,250 --> 00:13:05,680

fat they know they're fat I mean you

284

00:13:10,110 --> 00:13:08,260

know waddle around like a walrus you're

285

00:13:12,800 --> 00:13:10,120

fat that's all there is to it you sound

286

00:13:16,410 --> 00:13:12,810

like a cousin of Trump talking like that

287

00:13:19,950 --> 00:13:16,420

well maybe I'm a realist

288

00:13:21,690 --> 00:13:19,960

but I mean I was gonna bring up the but

289

00:13:23,550 --> 00:13:21,700

him that was up there was like a bunch

290

00:13:25,470 --> 00:13:23,560

of whales walking around the street and

291

00:13:27,960 --> 00:13:25,480

I go up there every year house for 12

292

00:13:30,120 --> 00:13:27,970

years straight and there's just an

293

00:13:33,030 --> 00:13:30,130

uncommon number of fat people up there

294

00:13:36,060 --> 00:13:33,040

and there was a news piece that came out

295

00:13:39,000 --> 00:13:36,070

that the number of obesity related

296

00:13:40,560 --> 00:13:39,010

cancers is gigantic Leon the rise in the

297

00:13:42,990 --> 00:13:40,570

US and I was gonna relate the two

298

00:13:48,540 --> 00:13:43,000

stories whoa we've had trouble getting

299

00:13:50,250 --> 00:13:48,550

you on the air Heidi how can this Heidi

300

00:13:52,560 --> 00:13:50,260

character think that's some kind of a

301
00:13:56,640 --> 00:13:52,570
bad thing to mention that people are fat

302
00:14:02,430 --> 00:13:56,650
I mean cell phone call whatever they are

303
00:14:09,240 --> 00:14:02,440
I mean is what they are that's a hard

304
00:14:11,430 --> 00:14:09,250
one to respond to that's not cool I'll

305
00:14:13,260 --> 00:14:11,440
be intimidated by this little squirt I

306
00:14:16,860 --> 00:14:13,270
mean she's gonna be bite you through the

307
00:14:19,830 --> 00:14:16,870
phone I mean yeah it's Heidi Heidi

308
00:14:24,240 --> 00:14:19,840
doesn't intimidate me no no offense

309
00:14:26,190 --> 00:14:24,250
Heidi but you know I just I don't know I

310
00:14:28,680 --> 00:14:26,200
guess maybe it was it was the way that

311
00:14:33,720 --> 00:14:28,690
that I was brought up that you know you

312
00:14:38,240 --> 00:14:33,730
just you don't go and you know hidden so

313
00:14:49,080 --> 00:14:41,160

situations conditions know things like

314

00:14:52,980 --> 00:14:49,090

that I mean yeah well you know I mean

315

00:14:56,580 --> 00:14:52,990

after after I reached a certain age I've

316

00:15:02,250 --> 00:14:56,590

had a lot of trouble you know battling

317

00:15:06,620 --> 00:15:02,260

that midlife bulbs or Dunlop's to these

318

00:15:08,760 --> 00:15:06,630

folks yes yeah yeah well you know we

319

00:15:10,290 --> 00:15:08,770

yeah but we're not talking about being a

320

00:15:12,780 --> 00:15:10,300

few pounds overweight we're talking

321

00:15:15,300 --> 00:15:12,790

about just people that are grossly obese

322

00:15:17,010 --> 00:15:15,310

you know I mean everything of the

323

00:15:19,980 --> 00:15:17,020

middle-aged paunch thing is a well-known

324

00:15:21,630 --> 00:15:19,990

phenomenon but mmm but not but now I'm

325

00:15:26,510 --> 00:15:21,640

talking about just a bunch of people

326

00:15:29,040 --> 00:15:26,520

that were just truly surprising but hey

327

00:15:30,060 --> 00:15:29,050

it was just a weird collection up there

328

00:15:34,950 --> 00:15:30,070

this year

329

00:15:36,510 --> 00:15:34,960

it really was mmm well you know there I

330

00:15:40,080 --> 00:15:36,520

was just I was just reading something

331

00:15:44,400 --> 00:15:40,090

the other day talking about various

332

00:15:49,920 --> 00:15:44,410

kinds of ailments that could be caused

333

00:15:56,870 --> 00:15:49,930

by parasites viruses things like that

334

00:16:01,410 --> 00:15:56,880

diabetes in included and you know like

335

00:16:05,970 --> 00:16:01,420

not being able to to control your weight

336

00:16:07,380 --> 00:16:05,980

of course now then again I mean I like

337

00:16:09,540 --> 00:16:07,390

everybody else I mean I'm sure that

338

00:16:11,610 --> 00:16:09,550

you've been to say like a Chinese buffet

339

00:16:15,600 --> 00:16:11,620

and see people come in and just you know

340

00:16:17,550 --> 00:16:15,610

load their plates too lowly no you know

341

00:16:19,080 --> 00:16:17,560

so I mean you know I can't I can't go

342

00:16:23,400 --> 00:16:19,090

and respond too much about today about

343

00:16:24,900 --> 00:16:23,410

people like that but you know and I

344

00:16:26,400 --> 00:16:24,910

don't need I don't need to rub it in

345

00:16:30,660 --> 00:16:26,410

just kind of funny because we had a

346

00:16:32,400 --> 00:16:30,670

character on here who's my well he's my

347

00:16:34,350 --> 00:16:32,410

pseudo brother-in-law we mentioned him

348

00:16:37,320 --> 00:16:34,360

he's a very sinister character this kind

349

00:16:40,140 --> 00:16:37,330

of refugee from a Stephen King novel and

350

00:16:43,650 --> 00:16:40,150

hide he knows nothing and he's

351

00:16:45,390 --> 00:16:43,660

telepathic everything else and he's the

352

00:16:47,490 --> 00:16:45,400

only one I've ever seen that was ejected

353

00:16:54,510 --> 00:16:47,500

from a Chinese restaurant for eating too

354

00:16:56,910 --> 00:16:54,520

much at the buffet oh my god not yeah

355

00:16:59,250 --> 00:16:56,920

now that that's that's pretty bad when

356

00:17:03,420 --> 00:16:59,260

you get thrown out of an all-you-can-eat

357

00:17:05,550 --> 00:17:03,430

buffet he was he was a bark my business

358

00:17:08,970 --> 00:17:05,560

partner was that with him at the buffet

359

00:17:20,180 --> 00:17:08,980

and the Chinese guy said you leave you

360

00:17:20,190 --> 00:17:26,480

[Music]

361

00:17:34,860 --> 00:17:30,360

they say they saw their profit margin

362

00:17:37,530 --> 00:17:34,870

dwindling fast well this guy could be

363

00:17:38,620 --> 00:17:37,540

two double double hamburgers at the what

364

00:17:46,360 --> 00:17:38,630

a burger and

365

00:17:48,669 --> 00:17:46,370

oh my gosh doughnuts will at one time so

366

00:17:51,549 --> 00:17:48,679

I mean that's usually serious boy that

367

00:17:55,590 --> 00:17:51,559

is that is but I don't know what I mean

368

00:17:58,150 --> 00:17:55,600

now you know if you go and you look at

369

00:18:02,320 --> 00:17:58,160

what are supposed to be you know like

370

00:18:06,310 --> 00:18:02,330

healthy proportions for a meal for an

371

00:18:09,909 --> 00:18:06,320

average adult compared to say like a

372

00:18:12,760 --> 00:18:09,919

restaurant you know where you get just

373

00:18:15,190 --> 00:18:12,770

like you know a normal meal you know

374

00:18:17,500 --> 00:18:15,200

you'll be served probably double if not

375

00:18:19,899 --> 00:18:17,510

triple in a lot of places you know

376

00:18:22,539 --> 00:18:19,909

what's considered a healthy proportion

377

00:18:24,490 --> 00:18:22,549

so you know it's it's it's no wonder

378

00:18:28,149 --> 00:18:24,500

that a peak a lot of people just you

379

00:18:32,560 --> 00:18:28,159

know way overeat and not even realize

380

00:18:34,480 --> 00:18:32,570

they're doing it yeah it is but you know

381

00:18:36,310 --> 00:18:34,490

since I've gone vague and I don't really

382

00:18:41,919 --> 00:18:36,320

like to eat I'm gonna rock hard for me

383

00:18:45,090 --> 00:18:41,929

to keep weight on now really handed to

384

00:18:50,110 --> 00:18:45,100

it I mean to be able to go you know

385

00:18:53,529 --> 00:18:50,120

vagin like that I mean I probably should

386

00:18:59,080 --> 00:18:53,539

myself but I'm too much of a of a

387

00:19:01,810 --> 00:18:59,090

carnivore I don't want to hurt little

388

00:19:04,810 --> 00:19:01,820

animals and I I've gotten sold on that

389

00:19:11,649 --> 00:19:04,820

and just I just don't have much appetite

390

00:19:14,110 --> 00:19:11,659

anymore really after look at you I have

391

00:19:19,299 --> 00:19:14,120

to eat like these protein bars to keep

392

00:19:21,250 --> 00:19:19,309

going you know I have to asked him what

393

00:19:22,450 --> 00:19:21,260

is new in the conspiracy world since

394

00:19:24,520 --> 00:19:22,460

that's what you're here for

395

00:19:26,070 --> 00:19:24,530

because what we'll talk about his crazy

396

00:19:35,049 --> 00:19:26,080

eating habits and his crazy

397

00:19:36,399 --> 00:19:35,059

brother-in-law did you check out the did

398

00:19:39,880 --> 00:19:36,409

you check out the Marian apparitions in

399

00:19:42,100 --> 00:19:39,890

Bavarian yes I did yes I did check I did

400

00:19:44,409 --> 00:19:42,110

check that out and it's very interesting

401
00:19:46,240 --> 00:19:44,419
and again you know it's like I said to

402
00:19:49,830 --> 00:19:46,250
you over the over the telephone it's

403
00:19:53,250 --> 00:19:49,840
just you know any time that I see

404
00:19:56,200 --> 00:19:53,260
operations like that or you know or

405
00:19:58,510 --> 00:19:56,210
situations where statues will start

406
00:20:00,130 --> 00:19:58,520
crying or bleeding it just always makes

407
00:20:02,590 --> 00:20:00,140
me wonder if there's you know not

408
00:20:06,100 --> 00:20:02,600
something you know going to happen in

409
00:20:07,870 --> 00:20:06,110
that area in in the near future I mean

410
00:20:12,070 --> 00:20:07,880
because you saw that at you know like

411
00:20:14,530 --> 00:20:12,080
Fatima and more I can never pronounce

412
00:20:18,190 --> 00:20:14,540
the one in the yuccas in Yugoslavia

413
00:20:20,860 --> 00:20:18,200

magic or not well yes yes even even

414

00:20:23,680 --> 00:20:20,870

though you know the war managed to stay

415

00:20:25,930 --> 00:20:23,690

away from that location I mean it wasn't

416

00:20:27,790 --> 00:20:25,940

too long after you know with kids you

417

00:20:29,320 --> 00:20:27,800

know had to visit eight you know visions

418

00:20:32,470 --> 00:20:29,330

there that that you know but the

419

00:20:35,590 --> 00:20:32,480

horrible war broke out so you know it's

420

00:20:38,020 --> 00:20:35,600

just it's it's almost like that all the

421

00:20:40,750 --> 00:20:38,030

people seen the you know the Mothman

422

00:20:44,790 --> 00:20:40,760

or you know like the flying creature up

423

00:20:47,380 --> 00:20:44,800

in Chicago or over this past summer and

424

00:20:49,660 --> 00:20:47,390

always makes me yeah just always makes

425

00:20:51,900 --> 00:20:49,670

me think that's not and no hiding you

426

00:20:57,340 --> 00:20:51,910

will you know that I mean you're there

427

00:20:59,290 --> 00:20:57,350

in the area yeah yeah I haven't come

428

00:21:00,640 --> 00:20:59,300

across these people that are witnessing

429

00:21:04,150 --> 00:21:00,650

this I have to say I've gone around

430

00:21:06,280 --> 00:21:04,160

trying to find if anything is up and I'm

431

00:21:08,080 --> 00:21:06,290

like I don't see how they're even seeing

432

00:21:11,230 --> 00:21:08,090

the freakin sky in this this city

433

00:21:14,320 --> 00:21:11,240

because the the lights are so bright and

434

00:21:17,290 --> 00:21:14,330

you barely could see out from the the

435

00:21:25,150 --> 00:21:17,300

city lights and the in the building so

436

00:21:31,270 --> 00:21:25,160

it's no sacrifice perhaps they'll sweep

437

00:21:33,750 --> 00:21:31,280

down I don't know well you know people

438

00:21:36,850 --> 00:21:33,760

have pointed out that you know like the

439

00:21:39,610 --> 00:21:36,860

the original Point Pleasant sightings

440

00:21:43,450 --> 00:21:39,620

you know they're in West Virginia that

441

00:21:45,100 --> 00:21:43,460

people were seen this this strange

442

00:21:47,770 --> 00:21:45,110

flying you know creature for quite a

443

00:21:49,570 --> 00:21:47,780

while shortly before the the silver

444

00:21:52,200 --> 00:21:49,580

Birds collapsed and you know killed a

445

00:21:54,400 --> 00:21:52,210

bunch people sending them into the river

446

00:21:57,490 --> 00:21:54,410

so there's you know there's been the

447

00:21:59,830 --> 00:21:57,500

speculation since that time that you

448

00:22:01,810 --> 00:21:59,840

know it could be almost like a like a

449

00:22:03,990 --> 00:22:01,820

harbinger like you know

450

00:22:07,600 --> 00:22:04,000

normal type of creature that harbins

451
00:22:09,810 --> 00:22:07,610
some kind of disaster you know there

452
00:22:12,850 --> 00:22:09,820
were reports because where was it was a

453
00:22:17,670 --> 00:22:12,860
Minneapolis where there was a bridge

454
00:22:20,560 --> 00:22:17,680
that collapsed but oh yeah I was about

455
00:22:23,440 --> 00:22:20,570
10 years ago or something and but there

456
00:22:25,630 --> 00:22:23,450
have been reports supposedly now you

457
00:22:28,270 --> 00:22:25,640
know of course I did not run across

458
00:22:31,150 --> 00:22:28,280
these reports until after you know this

459
00:22:35,070 --> 00:22:31,160
this disaster that people were seeing

460
00:22:37,330 --> 00:22:35,080
again some kind of you know like flying

461
00:22:39,610 --> 00:22:37,340
type of creature I mean they always call

462
00:22:43,510 --> 00:22:39,620
it a Mothman but actually it's just it's

463
00:22:48,190 --> 00:22:43,520

more like human humanoid shape with bat

464

00:22:50,140 --> 00:22:48,200

wings rather than a moth so well and

465

00:22:52,510 --> 00:22:50,150

almost not all the Marian apparitions

466

00:22:57,370 --> 00:22:52,520

though are not necessarily around you

467

00:23:00,790 --> 00:22:57,380

know foreboding events necessarily the

468

00:23:04,270 --> 00:23:00,800

fatter one I mean the world war one was

469

00:23:07,210 --> 00:23:04,280

already going on at the time but I don't

470

00:23:09,400 --> 00:23:07,220

know but the Vatican observer there and

471

00:23:11,560 --> 00:23:09,410

the thing that got me about it Tim was

472

00:23:13,300 --> 00:23:11,570

they did have a bunch of people

473

00:23:15,730 --> 00:23:13,310

experience the odour of sanctity out of

474

00:23:18,190 --> 00:23:15,740

that crowd and several hundred

475

00:23:22,600 --> 00:23:18,200

experienced and it could very well have

476

00:23:27,070 --> 00:23:22,610

validity oh yeah yeah well you know I'm

477

00:23:30,180 --> 00:23:27,080

always those those types of miraculous

478

00:23:39,270 --> 00:23:30,190

events voice of fascinated me you know

479

00:23:47,380 --> 00:23:45,040

there's a pattern almost on on how they

480

00:23:51,150 --> 00:23:47,390

occur and the types of people that end

481

00:23:56,470 --> 00:23:51,160

up being you know involved with them

482

00:24:00,310 --> 00:23:56,480

there was the the Guate

483

00:24:03,820 --> 00:24:00,320

Guadalajara Marian apparitions that

484

00:24:05,440 --> 00:24:03,830

really haven't got a lot of place since

485

00:24:07,630 --> 00:24:05,450

they happened in the sixties I don't

486

00:24:10,120 --> 00:24:07,640

know are you familiar with that one very

487

00:24:12,680 --> 00:24:10,130

much kept well in the same situation

488

00:24:17,210 --> 00:24:12,690

where it was like a group of

489

00:24:23,660 --> 00:24:17,220

of children who who had this visitation

490

00:24:26,840 --> 00:24:23,670

and like the like the others that that

491

00:24:29,780 --> 00:24:26,850

involve children I mean they would they

492

00:24:31,460 --> 00:24:29,790

would go into almost like a trance at

493

00:24:35,330 --> 00:24:31,470

the same time and they wouldn't either

494

00:24:37,190 --> 00:24:35,340

have to they wouldn't have I don't mean

495

00:24:39,530 --> 00:24:37,200

to corrupt timber with just about at the

496

00:24:41,900 --> 00:24:39,540

bottom of the hour break we might get

497

00:24:43,760 --> 00:24:41,910

right back to those right after that's

498

00:24:45,650 --> 00:24:43,770

one I really had heard about I'd heard

499

00:24:47,810 --> 00:24:45,660

of most all of them but I mean there's

500

00:24:50,360 --> 00:24:47,820

some there's like 10 or 15 going on at

501
00:24:52,520 --> 00:24:50,370
every every time at any given time

502
00:24:54,170 --> 00:24:52,530
alright em we'll be we'll take our

503
00:24:56,170 --> 00:24:54,180
half-hour break and we'll be right back

504
00:24:58,400 --> 00:24:56,180
we'll be right back

505
00:25:01,070 --> 00:24:58,410
[Music]

506
00:25:02,330 --> 00:25:01,080
yeah I didn't mean to interrupt him but

507
00:25:03,860 --> 00:25:02,340
we were just coming right to the bottom

508
00:25:06,020 --> 00:25:03,870
they are break but but the splatter

509
00:25:08,690 --> 00:25:06,030
apparition ah I wasn't for me I wasn't

510
00:25:10,670 --> 00:25:08,700
for me with that in the 60s now I again

511
00:25:12,710 --> 00:25:10,680
I'm not I'm not quite sure if it was if

512
00:25:15,380 --> 00:25:12,720
it was a Guadalajara that's the name

513
00:25:20,120 --> 00:25:15,390

that came to mind at this yeah this took

514

00:25:24,080 --> 00:25:20,130

place in the in the 1960s but these

515

00:25:26,480 --> 00:25:24,090

children they would even if they were in

516

00:25:30,260 --> 00:25:26,490

different locations they would go under

517

00:25:32,330 --> 00:25:30,270

a trance at the very same time and then

518

00:25:37,490 --> 00:25:32,340

you know leave wherever they were and

519

00:25:40,030 --> 00:25:37,500

meet at a central location and and then

520

00:25:43,010 --> 00:25:40,040

Hammond had their vision and in fact

521

00:25:46,940 --> 00:25:43,020

there was I guess film taken of these

522

00:25:51,260 --> 00:25:46,950

kids you know supposedly that they were

523

00:25:53,930 --> 00:25:51,270

that they were looking at a Mary in the

524

00:25:58,730 --> 00:25:53,940

sky and they were they would be like

525

00:26:01,370 --> 00:25:58,740

bent over backwards with their heads

526
00:26:04,000 --> 00:26:01,380
almost touching the almost touching the

527
00:26:08,560 --> 00:26:04,010
ground and then they would run backwards

528
00:26:11,690 --> 00:26:08,570
to follow this visitation you know

529
00:26:14,030 --> 00:26:11,700
Exorcist very very much so very very

530
00:26:16,310 --> 00:26:14,040
much so and I mean they definitely were

531
00:26:23,770 --> 00:26:16,320
having some kind of you know a static

532
00:26:25,680 --> 00:26:23,780
static vision but yet I have to check my

533
00:26:27,930 --> 00:26:25,690
technophiles who

534
00:26:30,240 --> 00:26:27,940
more closely I don't know Tim I really

535
00:26:31,950 --> 00:26:30,250
don't you know I know most of them you

536
00:26:33,450 --> 00:26:31,960
know from the research I did but the

537
00:26:35,220 --> 00:26:33,460
only one but the only ones that I really

538
00:26:37,830 --> 00:26:35,230

highlighted in the book were the ones

539

00:26:39,480 --> 00:26:37,840

that were absolutely you know approved

540

00:26:41,970 --> 00:26:39,490

by the local bishop or the church as a

541

00:26:47,210 --> 00:26:41,980

whole and you know I think another one

542

00:26:49,800 --> 00:26:47,220

we're not and but that's Wow but okay

543

00:26:51,270 --> 00:26:49,810

well like I said the International

544

00:26:54,960 --> 00:26:51,280

Marine Research Institute that the books

545

00:26:58,380 --> 00:26:54,970

on a bibliography on 2010 was they told

546

00:27:00,510 --> 00:26:58,390

me that there's about a 10 or 15 under

547

00:27:04,070 --> 00:27:00,520

study at any given time so I mean

548

00:27:09,920 --> 00:27:04,080

there's all kinds of variables I guess

549

00:27:12,570 --> 00:27:09,930

it would be it'd be interesting to see

550

00:27:15,810 --> 00:27:12,580

and again I've got I've got files on

551

00:27:19,740 --> 00:27:15,820

this just like when one like was the

552

00:27:24,900 --> 00:27:19,750

earliest appearance I was 40 80 40 80

553

00:27:28,020 --> 00:27:24,910

there 48 either does it does it follow

554

00:27:31,230 --> 00:27:28,030

the same pattern as you know all the

555

00:27:33,450 --> 00:27:31,240

rest know the years because that's you

556

00:27:37,470 --> 00:27:33,460

know I always I'm always interested in

557

00:27:38,930 --> 00:27:37,480

you know in in patterns and how though

558

00:27:43,380 --> 00:27:38,940

this was more of a personal revelation

559

00:27:45,900 --> 00:27:43,390

yeah it's it's these it's he's group

560

00:27:50,430 --> 00:27:45,910

ones that really fascinate me especially

561

00:27:55,740 --> 00:27:50,440

you know like groups of of youngsters

562

00:27:57,600 --> 00:27:55,750

it does it does kit not always but it

563

00:28:02,340 --> 00:27:57,610

continued it frequently comes to young

564

00:28:06,690 --> 00:28:02,350

children where she appears and but not

565

00:28:11,550 --> 00:28:06,700

always I mean like Juan Diego was you

566

00:28:15,330 --> 00:28:11,560

know the seer if you will and that was a

567

00:28:17,580 --> 00:28:15,340

grad Luke papers about looping right but

568

00:28:20,310 --> 00:28:17,590

I mean he was a older guy but I mean

569

00:28:23,130 --> 00:28:20,320

frequently the the frequent experiences

570

00:28:24,870 --> 00:28:23,140

with its young people yes well you know

571

00:28:27,540 --> 00:28:24,880

there was there was one and it wasn't

572

00:28:31,950 --> 00:28:27,550

just Marian apparition it was in was

573

00:28:33,510 --> 00:28:31,960

Scotland I think in the middle late

574

00:28:35,190 --> 00:28:33,520

1800s

575

00:28:42,180 --> 00:28:35,200

where

576

00:28:43,950 --> 00:28:42,190

this entire village saw what looked to

577

00:28:47,970 --> 00:28:43,960

be almost like a three-dimensional

578

00:28:51,570 --> 00:28:47,980

tableau tableau pronounce it you know in

579

00:28:53,190 --> 00:28:51,580

front of this church and in fact people

580

00:28:55,830 --> 00:28:53,200

at first thought that it was some kind

581

00:28:59,269 --> 00:28:55,840

of reenactment that was taking place

582

00:29:02,129 --> 00:28:59,279

that nobody wanted Ireland that was not

583

00:29:03,870 --> 00:29:02,139

okay yeah see that that one to me was

584

00:29:06,810 --> 00:29:03,880

really fascinating because I mean there

585

00:29:09,090 --> 00:29:06,820

wasn't any you know any kind of messages

586

00:29:13,169 --> 00:29:09,100

you know laughed or anything like that

587

00:29:16,230 --> 00:29:13,179

it was just these these really bizarre a

588

00:29:17,850 --> 00:29:16,240

scene being played out almost like it

589

00:29:20,789 --> 00:29:17,860

was like a hologram what we'd call a

590

00:29:22,350 --> 00:29:20,799

hologram now you know yeah I remember

591

00:29:26,250 --> 00:29:22,360

that that's right it's actually a church

592

00:29:28,440 --> 00:29:26,260

approved one actually you know I gotta

593

00:29:31,379 --> 00:29:28,450

tell you guys I read something a long

594

00:29:33,120 --> 00:29:31,389

time ago before our like internet was

595

00:29:38,159 --> 00:29:33,130

really popular which wasn't that long

596

00:29:41,490 --> 00:29:38,169

really I read a magazine article and I

597

00:29:44,610 --> 00:29:41,500

can never find this story again and it

598

00:29:48,240 --> 00:29:44,620

was somewhere in Europe and this woman

599

00:29:50,490 --> 00:29:48,250

was sharing her story on an experience

600

00:29:53,490 --> 00:29:50,500

that she and her family shared and she

601
00:29:56,490 --> 00:29:53,500
was coming home when she found her

602
00:30:00,060 --> 00:29:56,500
mother and her sister with their there

603
00:30:01,889 --> 00:30:00,070
oh gosh oh there were they facing her oh

604
00:30:03,120 --> 00:30:01,899
yeah they were facing her and they're on

605
00:30:07,169 --> 00:30:03,130
their knees and they were worshipping

606
00:30:10,259 --> 00:30:07,179
this image of Mary and she's walking

607
00:30:14,399 --> 00:30:10,269
towards them and she is looking behind

608
00:30:18,899 --> 00:30:14,409
them over the house and is watching a

609
00:30:20,610 --> 00:30:18,909
UFO project this image of Mary and the

610
00:30:22,649 --> 00:30:20,620
mother and daughter are like get on your

611
00:30:25,110 --> 00:30:22,659
knees you know behold you know Mary and

612
00:30:27,870 --> 00:30:25,120
and she's like look behind you that's

613
00:30:29,669 --> 00:30:27,880

the UFO doing this and they never turned

614

00:30:31,789 --> 00:30:29,679

their attention to it and she was always

615

00:30:34,080 --> 00:30:31,799

highly disappointed and it was a great

616

00:30:36,539 --> 00:30:34,090

topic of debate between her and her

617

00:30:38,879 --> 00:30:36,549

family because just like it wasn't Mary

618

00:30:41,639 --> 00:30:38,889

it was a UFO but you wouldn't turn you

619

00:30:43,649 --> 00:30:41,649

didn't believe me you know and so it was

620

00:30:45,000 --> 00:30:43,659

an interesting story and I've looked for

621

00:30:48,040 --> 00:30:45,010

it for all these years and I could never

622

00:30:49,840 --> 00:30:48,050

find it it just never got

623

00:30:51,670 --> 00:30:49,850

yeah I don't know about that but they've

624

00:30:56,320 --> 00:30:51,680

been some though the Heidi that church

625

00:30:58,150 --> 00:30:56,330

has rejected in some you know or if

626

00:30:59,950 --> 00:30:58,160

there is something spurious about it

627

00:31:01,780 --> 00:30:59,960

they kind of reject it but for the most

628

00:31:05,080 --> 00:31:01,790

part there's not a bunch of UFO activity

629

00:31:08,350 --> 00:31:05,090

is just very appearing in person well

630

00:31:10,420 --> 00:31:08,360

but it's a it's a story of for sure of

631

00:31:13,390 --> 00:31:10,430

how something sometimes these things

632

00:31:15,550 --> 00:31:13,400

could be deceitful you know and they can

633

00:31:20,110 --> 00:31:15,560

be they've been said there's been some

634

00:31:22,180 --> 00:31:20,120

satanic deceptions truly yes yes but for

635

00:31:24,130 --> 00:31:22,190

the most part it's it's most of them

636

00:31:25,600 --> 00:31:24,140

from what the International Aryan

637

00:31:27,810 --> 00:31:25,610

Research Institute's told me are for

638

00:31:30,370 --> 00:31:27,820

personal revelation and that's where I

639

00:31:33,400 --> 00:31:30,380

haven't had one but I mean if Mary would

640

00:31:35,260 --> 00:31:33,410

come and see me or some other individual

641

00:31:39,640 --> 00:31:35,270

or something like that I mean most of it

642

00:31:41,380 --> 00:31:39,650

is just one-on-one stuff it's not you

643

00:31:46,900 --> 00:31:41,390

know the ones for public revelation like

644

00:31:48,220 --> 00:31:46,910

Zeitoun or others yeah Latanya to a

645

00:31:51,130 --> 00:31:48,230

certain extent

646

00:31:53,440 --> 00:31:51,140

we're for public view but most of them

647

00:31:55,060 --> 00:31:53,450

are for personal revelation well you

648

00:31:56,650 --> 00:31:55,070

know Heidi that that that's a

649

00:31:59,290 --> 00:31:56,660

fascinating story I'm gonna have to look

650

00:32:02,140 --> 00:31:59,300

and see if I can find that one myself it

651
00:32:06,460 --> 00:32:02,150
might do you have to get in touch with

652
00:32:10,390 --> 00:32:06,470
me about it oh yeah it well it reminds

653
00:32:14,440 --> 00:32:10,400
me there was there was a case in in

654
00:32:19,710 --> 00:32:14,450
South America where this guy was was

655
00:32:23,410 --> 00:32:19,720
kidnapped by creatures from a UFO and

656
00:32:25,270 --> 00:32:23,420
they took him to what he said appeared

657
00:32:27,040 --> 00:32:25,280
to be like a cavern or you know I can

658
00:32:28,090 --> 00:32:27,050
under some kind of underground structure

659
00:32:29,470 --> 00:32:28,100
because he said though you know the

660
00:32:34,510 --> 00:32:29,480
walls were made of rock and everything

661
00:32:36,850 --> 00:32:34,520
like that and when they took their suits

662
00:32:39,100 --> 00:32:36,860
off they were like you know little like

663
00:32:42,220 --> 00:32:39,110

little hairy guys you know almost like a

664

00:32:46,120 --> 00:32:42,230

small like trolls or Bigfoot types of

665

00:32:49,560 --> 00:32:46,130

creatures except you know short shorter

666

00:32:52,240 --> 00:32:49,570

than he was and they they were trying

667

00:32:54,100 --> 00:32:52,250

they didn't they didn't speak English

668

00:32:55,900 --> 00:32:54,110

and they were they wanted something from

669

00:32:57,760 --> 00:32:55,910

him but he doesn't he didn't understand

670

00:33:01,780 --> 00:32:57,770

them and they actually like you know

671

00:33:06,640 --> 00:33:01,790

beat him up a few times out of frustrate

672

00:33:09,250 --> 00:33:06,650

well then he said a figure that that he

673

00:33:12,880 --> 00:33:09,260

thought was Christ appeared in the

674

00:33:15,520 --> 00:33:12,890

cavern and talked to him but these

675

00:33:18,220 --> 00:33:15,530

creatures couldn't see it couldn't see

676

00:33:19,960 --> 00:33:18,230

what he was seen and but they could tell

677

00:33:22,690 --> 00:33:19,970

that he was obviously you know looking

678

00:33:25,390 --> 00:33:22,700

and talking at something and this this

679

00:33:28,630 --> 00:33:25,400

figure promised that that he would help

680

00:33:32,170 --> 00:33:28,640

this guy get away from these these

681

00:33:36,040 --> 00:33:32,180

creatures and then he he had like a

682

00:33:37,990 --> 00:33:36,050

blackout and woke up back close to the

683

00:33:40,600 --> 00:33:38,000

spot that he'd been kidnapped but he had

684

00:33:42,880 --> 00:33:40,610

been you know missing for at least three

685

00:33:44,980 --> 00:33:42,890

days and you know relatives had you know

686

00:33:47,530 --> 00:33:44,990

called the police and thought thought

687

00:33:51,430 --> 00:33:47,540

that you know he was a dad and alike so

688

00:33:55,450 --> 00:33:51,440

so yeah I mean you know there's there

689

00:33:58,920 --> 00:33:55,460

there is a there is a history of you

690

00:34:02,170 --> 00:33:58,930

know like UFO sightings and an

691

00:34:04,870 --> 00:34:02,180

association with various religious

692

00:34:08,710 --> 00:34:04,880

figures and you know this guy he was

693

00:34:11,200 --> 00:34:08,720

Catholic and he even though this this

694

00:34:13,480 --> 00:34:11,210

this visitation he had didn't identify

695

00:34:15,880 --> 00:34:13,490

itself you know as any kind of religious

696

00:34:18,190 --> 00:34:15,890

figure this this guy thought that it was

697

00:34:20,409 --> 00:34:18,200

it was Jesus because apparently he you

698

00:34:23,050 --> 00:34:20,419

know it looked like you know the

699

00:34:26,800 --> 00:34:23,060

traditional I suppose you know white

700

00:34:28,300 --> 00:34:26,810

Jesus a cockade Caucasian looks and you

701
00:34:32,380 --> 00:34:28,310
know belong hair and the beard and all

702
00:34:34,240 --> 00:34:32,390
that what I think honestly like I was

703
00:34:37,750 --> 00:34:34,250
probably one of the first researchers

704
00:34:39,909 --> 00:34:37,760
authors that went out there and and told

705
00:34:42,370 --> 00:34:39,919
people if you're being met with negative

706
00:34:46,560 --> 00:34:42,380
alien beings to use the name of Jesus to

707
00:34:50,409 --> 00:34:46,570
repel them and and it works so it's

708
00:34:52,570 --> 00:34:50,419
fascinating to me that and I've heard of

709
00:34:54,700 --> 00:34:52,580
Jesus intervening before when so-called

710
00:34:56,230 --> 00:34:54,710
aliens come around it's like you know a

711
00:34:58,330 --> 00:34:56,240
lot of people feel like oh they're not

712
00:35:00,310 --> 00:34:58,340
all bad I'm like well then why did Jesus

713
00:35:00,670 --> 00:35:00,320

have to show up to help you out or

714

00:35:04,210 --> 00:35:00,680

whatever

715

00:35:06,820 --> 00:35:04,220

Jesus scare them you know so it's it

716

00:35:10,660 --> 00:35:06,830

comes it doesn't come as a huge shock

717

00:35:13,020 --> 00:35:10,670

you know but Harry Bigfoot like things

718

00:35:24,900 --> 00:35:13,030

it sounds like some knuckle-dragging

719

00:35:31,630 --> 00:35:28,180

I have some Denisovan relatives but

720

00:35:33,640 --> 00:35:31,640

that's an abnormal bone structure Sam

721

00:35:36,609 --> 00:35:33,650

yeah I'm just eating some kind of en

722

00:35:38,469 --> 00:35:36,619

route for all types but but you know the

723

00:35:40,870 --> 00:35:38,479

thing is though well you know it doesn't

724

00:35:45,400 --> 00:35:40,880

mean we're evil this means we're sloth

725

00:35:46,479 --> 00:35:45,410

like but I don't know I don't know but

726

00:35:49,180 --> 00:35:46,489

Tim what other what other kind of

727

00:35:52,680 --> 00:35:49,190

conspiracies are going on right now well

728

00:35:57,900 --> 00:35:52,690

right now Kevin I'm kind of back into

729

00:36:01,900 --> 00:35:57,910

nikola tesla mode i I was out in

730

00:36:04,959 --> 00:36:01,910

Colorado Springs not too long ago

731

00:36:08,859 --> 00:36:04,969

shooting for some episodes for an

732

00:36:12,009 --> 00:36:08,869

upcoming a program that's that's going

733

00:36:17,049 --> 00:36:12,019

to be on the History Channel dealing

734

00:36:20,170 --> 00:36:17,059

with with Nikola Tesla and I I found out

735

00:36:21,699 --> 00:36:20,180

some new things and the people involved

736

00:36:26,189 --> 00:36:21,709

with the show found out some new things

737

00:36:31,689 --> 00:36:26,199

for me and so it just was was was was

738

00:36:35,339 --> 00:36:31,699

extremely interesting my I was I was

739

00:36:41,469 --> 00:36:35,349

doing for the show I uh kind of like a a

740

00:36:43,739 --> 00:36:41,479

presentation on the FBI files that had

741

00:36:48,400 --> 00:36:43,749

been released a couple of years ago

742

00:36:50,589 --> 00:36:48,410

dealing with with Tesla and even though

743

00:36:53,519 --> 00:36:50,599

I was I was familiar with these files I

744

00:36:57,699 --> 00:36:53,529

I really had not had a chance just to

745

00:37:00,039 --> 00:36:57,709

delve too deeply into them and so in in

746

00:37:03,309 --> 00:37:00,049

you know preparation for this show I had

747

00:37:08,229 --> 00:37:03,319

a chance to really you know read up on

748

00:37:14,079 --> 00:37:08,239

it and and just found out just all kinds

749

00:37:15,939 --> 00:37:14,089

of fascinating things that have just you

750

00:37:18,489 --> 00:37:15,949

know it's just like I said it's kind of

751
00:37:21,039 --> 00:37:18,499
renewed my interest because I'm always

752
00:37:24,459 --> 00:37:21,049
and always been interested in in Tesla

753
00:37:27,760 --> 00:37:24,469
but it's always exciting to find you

754
00:37:30,700 --> 00:37:27,770
know new information that I hadn't

755
00:37:33,250 --> 00:37:30,710
hadn't run across before and as new

756
00:37:37,120 --> 00:37:33,260
information and you know connections

757
00:37:39,570 --> 00:37:37,130
with with people and Tesla that you I

758
00:37:44,670 --> 00:37:39,580
didn't realize that there had been

759
00:37:50,370 --> 00:37:44,680
connections and as well as you know

760
00:37:53,890 --> 00:37:50,380
government and the and FBI chicanery

761
00:37:57,580 --> 00:37:53,900
involved with Tesla so like what kind of

762
00:37:59,860 --> 00:37:57,590
sustained reopen what did you well one

763
00:38:03,310 --> 00:37:59,870

of the one of the main things is that

764

00:38:05,500 --> 00:38:03,320

the FBI documents that were released

765

00:38:08,950 --> 00:38:05,510

now according the FBI naturally these

766

00:38:15,220 --> 00:38:08,960

were does everything that they had yet

767

00:38:17,590 --> 00:38:15,230

they begin in 1940 with one page that

768

00:38:22,060 --> 00:38:17,600

said that somebody had notified the FBI

769

00:38:25,900 --> 00:38:22,070

that they were worried that foreign

770

00:38:32,740 --> 00:38:25,910

agents were going to try to kidnap Tesla

771

00:38:34,600 --> 00:38:32,750

or you know steal his notes and papers

772

00:38:38,500 --> 00:38:34,610

and you know I think they could get

773

00:38:42,400 --> 00:38:38,510

their hands on to and and then it wasn't

774

00:38:44,830 --> 00:38:42,410

until 1943 when Tesla passed away that

775

00:38:48,960 --> 00:38:44,840

there was additional documents in the

776

00:38:52,960 --> 00:38:48,970

FBI files now then if you know the FBI

777

00:38:56,680 --> 00:38:52,970

they kept tabs on everybody yeah

778

00:39:00,760 --> 00:38:56,690

everybody and you can't you can't tell

779

00:39:03,730 --> 00:39:00,770

me that all the stuff that Tesla had

780

00:39:08,920 --> 00:39:03,740

been involved if over the years that it

781

00:39:12,910 --> 00:39:08,930

wasn't until 1940 that the FBI had

782

00:39:14,140 --> 00:39:12,920

something on him that that's just a you

783

00:39:15,670 --> 00:39:14,150

know that's the first thing that I

784

00:39:17,950 --> 00:39:15,680

notice and it was just like you know all

785

00:39:22,230 --> 00:39:17,960

the and you know especially you know in

786

00:39:27,640 --> 00:39:22,240

the nineteen you know 1920s and 30s

787

00:39:29,770 --> 00:39:27,650

especially the the mid 30s until you

788

00:39:32,070 --> 00:39:29,780

know like right up to the time that he

789

00:39:35,410 --> 00:39:32,080

died you know Tesla was talking about

790

00:39:38,650 --> 00:39:35,420

his his death beam you know his his

791

00:39:40,930 --> 00:39:38,660

particle beam weapon oh yeah yeah that I

792

00:39:42,400 --> 00:39:40,940

mean he was he was you know it

793

00:39:44,319 --> 00:39:42,410

she tried to give into the United States

794

00:39:47,050 --> 00:39:44,329

that you know this could be easily built

795

00:39:49,540 --> 00:39:47,060

and they would give them you know quite

796

00:39:51,819 --> 00:39:49,550

a superiority well you know nobody was

797

00:39:55,089 --> 00:39:51,829

interested or at least that's what they

798

00:39:57,900 --> 00:39:55,099

told him and so he petitioned other

799

00:40:01,960 --> 00:39:57,910

governments you know including

800

00:40:05,950 --> 00:40:01,970

Yugoslavia his home country and so you

801
00:40:09,400 --> 00:40:05,960
know I I would think that the FBI would

802
00:40:12,370 --> 00:40:09,410
have been very keenly interested and in

803
00:40:14,620 --> 00:40:12,380
in Tesla doing all this stuff and

804
00:40:18,760 --> 00:40:14,630
apparently they were so what happened to

805
00:40:22,660 --> 00:40:18,770
you know the the papers the files on

806
00:40:25,000 --> 00:40:22,670
this interest Tesla passed away in a

807
00:40:27,040 --> 00:40:25,010
hotel in New York and called The New

808
00:40:29,980 --> 00:40:27,050
Yorker and he'd lived there for you know

809
00:40:32,680 --> 00:40:29,990
probably about ten years before I passed

810
00:40:35,829 --> 00:40:32,690
away well apparently the FBI had a

811
00:40:37,990 --> 00:40:35,839
presence basically a permanent presence

812
00:40:42,190 --> 00:40:38,000
in that hotel will test the lid there

813
00:40:47,140 --> 00:40:42,200

and I'm dr. J Edgar Hoover had had put

814

00:40:52,510 --> 00:40:47,150

out a call to various offices that they

815

00:40:54,940 --> 00:40:52,520

needed agents to to live there to I

816

00:40:57,370 --> 00:40:54,950

supposed to keep a watch on Tesla you

817

00:41:00,819 --> 00:40:57,380

know or helping out or you know or

818

00:41:03,849 --> 00:41:00,829

whatever but you know none of that

819

00:41:07,660 --> 00:41:03,859

material ended up in the the officially

820

00:41:10,020 --> 00:41:07,670

released FBI files so I mean that's just

821

00:41:14,020 --> 00:41:10,030

that's just that's just one example of

822

00:41:15,790 --> 00:41:14,030

you know the so-called FBI Tesla

823

00:41:19,089 --> 00:41:15,800

connection like what happened to all

824

00:41:21,400 --> 00:41:19,099

that stuff before 1940 in 1943

825

00:41:24,190 --> 00:41:21,410

uh I've got a question from the chat

826

00:41:26,170 --> 00:41:24,200

room if you don't mind out sure and this

827

00:41:28,960 --> 00:41:26,180

comes from Neutron who asks if you can

828

00:41:31,829 --> 00:41:28,970

enlighten us with concerning the story

829

00:41:34,300 --> 00:41:31,839

of Tesla receiving a signal from space

830

00:41:37,720 --> 00:41:34,310

that caused him to find the Black

831

00:41:40,030 --> 00:41:37,730

Knights satellite you ever hear such a

832

00:41:43,420 --> 00:41:40,040

thing oh yes definitely what you know

833

00:41:46,300 --> 00:41:43,430

those those are two stories that I think

834

00:41:48,910 --> 00:41:46,310

have gotten kinda two separate stories

835

00:41:50,500 --> 00:41:48,920

actually that have gotten combined

836

00:41:54,550 --> 00:41:50,510

together

837

00:41:54,940 --> 00:41:54,560

or you know recently you know over the

838

00:41:59,339 --> 00:41:54,950

years

839

00:42:03,010 --> 00:41:59,349

Tesla what he was in Colorado Springs in

840

00:42:06,790 --> 00:42:03,020

1899 he was doing research on whether or

841

00:42:10,089 --> 00:42:06,800

not he could tap in to thunderstorms and

842

00:42:12,609 --> 00:42:10,099

actually use lightning as a power source

843

00:42:14,770 --> 00:42:12,619

you know considering how powerful and

844

00:42:17,230 --> 00:42:14,780

energetic you know lightning is you know

845

00:42:19,270 --> 00:42:17,240

just would be an excellent excellent way

846

00:42:23,710 --> 00:42:19,280

to power everything and we talked about

847

00:42:27,160 --> 00:42:23,720

free energy at the time Tesla had a

848

00:42:28,810 --> 00:42:27,170

radio receiver probably the only one

849

00:42:31,270 --> 00:42:28,820

that existed in the world at the time

850

00:42:33,510 --> 00:42:31,280

that he was using to track thunderstorms

851
00:42:37,089 --> 00:42:33,520
and he could tell from this receiver

852
00:42:40,060 --> 00:42:37,099
where a thunderstorm was how far away it

853
00:42:42,430 --> 00:42:40,070
was from his location and you know how

854
00:42:45,990 --> 00:42:42,440
far away and how many lightning strikes

855
00:42:51,130 --> 00:42:46,000
were going on up a time well one night

856
00:42:55,720 --> 00:42:51,140
he started receiving what he described

857
00:42:57,849 --> 00:42:55,730
as pulses and they were definitely not

858
00:43:01,809 --> 00:42:57,859
that you know like the static that could

859
00:43:03,849 --> 00:43:01,819
get from from thunderstorms or from you

860
00:43:07,359 --> 00:43:03,859
know like the the the radio waves of the

861
00:43:11,470 --> 00:43:07,369
Sun and other bodies like Jupiter you

862
00:43:13,870 --> 00:43:11,480
know put out this was a bead of three

863
00:43:17,079 --> 00:43:13,880

almost like a Morse code you would go

864

00:43:21,130 --> 00:43:17,089

like you know dot dot dot and then

865

00:43:25,770 --> 00:43:21,140

there'd be a pause dot dot dot then a

866

00:43:29,230 --> 00:43:25,780

pause and he was convinced that this was

867

00:43:31,750 --> 00:43:29,240

a and then tell an intelligent signal

868

00:43:34,450 --> 00:43:31,760

that this was coming from outside of

869

00:43:36,370 --> 00:43:34,460

planet Earth probably from an

870

00:43:38,230 --> 00:43:36,380

intelligent source now he speculated at

871

00:43:40,809 --> 00:43:38,240

the time that it could be coming from

872

00:43:44,559 --> 00:43:40,819

Mars or Venus Mars especially because

873

00:43:47,550 --> 00:43:44,569

Mars was was a hot item at that time I

874

00:43:51,370 --> 00:43:47,560

mean there was a lot of speculation that

875

00:43:52,839 --> 00:43:51,380

Mars harbored life so I mean that's he

876

00:43:54,550 --> 00:43:52,849

didn't you know he didn't have any proof

877

00:43:57,030 --> 00:43:54,560

that it was coming from Mars there's

878

00:44:04,500 --> 00:43:57,040

like hey well you know why not

879

00:44:07,570 --> 00:44:04,510

now the black night was a some

880

00:44:10,570 --> 00:44:07,580

the the the airforce classified it as a

881

00:44:16,480 --> 00:44:10,580

satellite and it was picked up by radar

882

00:44:19,690 --> 00:44:16,490

in the middle to late 1950s before

883

00:44:25,390 --> 00:44:19,700

anybody had really been able to orbit

884

00:44:27,190 --> 00:44:25,400

any any satellites and this was a large

885

00:44:29,650 --> 00:44:27,200

object I mean it was large enough to be

886

00:44:33,640 --> 00:44:29,660

picked up by by radar in orbit around

887

00:44:35,680 --> 00:44:33,650

the planet I can't remember how large

888

00:44:40,090 --> 00:44:35,690

they said it was but definitely too

889

00:44:42,160 --> 00:44:40,100

large to be from Earth considering the

890

00:44:46,540 --> 00:44:42,170

primitive Rockets that we had at the

891

00:44:49,360 --> 00:44:46,550

time and the Air Force and various other

892

00:44:52,930 --> 00:44:49,370

agencies you know track this object for

893

00:44:55,930 --> 00:44:52,940

a number of years and I think in my

894

00:44:58,720 --> 00:44:55,940

memory it's quite I think that it was in

895

00:45:03,940 --> 00:44:58,730

a polar orbit as well which at that time

896

00:45:06,490 --> 00:45:03,950

was extremely difficult to obtain I mean

897

00:45:08,700 --> 00:45:06,500

later you know when we did manage to you

898

00:45:11,080 --> 00:45:08,710

know start shooting rocks up in the air

899

00:45:13,840 --> 00:45:11,090

they could never really achieve a polar

900

00:45:16,870 --> 00:45:13,850

orbit so this was something that was

901
00:45:24,040 --> 00:45:16,880
orbiting the planet in an eccentric

902
00:45:25,870 --> 00:45:24,050
orbit that did not appear to be of human

903
00:45:27,310 --> 00:45:25,880
origin you know a speculation at the

904
00:45:30,970 --> 00:45:27,320
time was that maybe it was like an

905
00:45:33,010 --> 00:45:30,980
asteroid that had gotten caught up you

906
00:45:35,140 --> 00:45:33,020
know in the gravitational field of the

907
00:45:37,330 --> 00:45:35,150
earth but considering the orbit that it

908
00:45:46,320 --> 00:45:37,340
had this polar orbit that seemed to be

909
00:45:52,420 --> 00:45:46,330
pretty unlikely there was stories where

910
00:45:55,630 --> 00:45:52,430
ham radio operators and just like radio

911
00:45:58,900 --> 00:45:55,640
just regular radio transmissions

912
00:46:02,580 --> 00:45:58,910
especially in the the the early days of

913
00:46:05,380 --> 00:46:02,590

radio 20s and 30s they would get an echo

914

00:46:07,780 --> 00:46:05,390

they would transmit a radio signal and

915

00:46:10,090 --> 00:46:07,790

after a certain period of time that

916

00:46:13,510 --> 00:46:10,100

signal would would bounce back to them

917

00:46:16,249 --> 00:46:13,520

and it appeared to have been bouncing

918

00:46:21,499 --> 00:46:16,259

off maybe the black nights

919

00:46:25,519 --> 00:46:21,509

one one scientist actually said that he

920

00:46:28,459 --> 00:46:25,529

was able to decipher a message that was

921

00:46:33,019 --> 00:46:28,469

hidden within some of these returned

922

00:46:36,229 --> 00:46:33,029

echoes that that the this was like an

923

00:46:38,539 --> 00:46:36,239

automatic transmission that indicated

924

00:46:44,199 --> 00:46:38,549

that whatever this thing was it had come

925

00:46:49,999 --> 00:46:44,209

from oh gosh they're like the the bootys

926
00:46:52,430 --> 00:46:50,009
star system or consolation and I'm just

927
00:46:55,190 --> 00:46:52,440
you know summarizing this from the best

928
00:46:59,959 --> 00:46:55,200
of my bootys I was gonna remind you this

929
00:47:00,670 --> 00:46:59,969
is a family show epsilon epsilon booties

930
00:47:11,269 --> 00:47:00,680
Bo

931
00:47:14,599 --> 00:47:11,279
OPM but you know the speculation you

932
00:47:19,150 --> 00:47:14,609
know was that possibly this is what what

933
00:47:22,400 --> 00:47:19,160
Tesla had been you know picking up but

934
00:47:25,249 --> 00:47:22,410
again this is something that is kind of

935
00:47:27,499 --> 00:47:25,259
you know the speculations came about

936
00:47:30,319 --> 00:47:27,509
more recently rather than that rather

937
00:47:32,870 --> 00:47:30,329
than something that you know was talked

938
00:47:35,120 --> 00:47:32,880

about you know a while back so you know

939

00:47:36,680 --> 00:47:35,130

while it's you know both of these

940

00:47:37,999 --> 00:47:36,690

stories are interesting interesting

941

00:47:42,880 --> 00:47:38,009

whether or not they're actually

942

00:47:44,989 --> 00:47:42,890

connected or not is you know is open

943

00:47:46,430 --> 00:47:44,999

that's pretty striking all that

944

00:47:50,209 --> 00:47:46,440

information on that saddle that

945

00:47:51,829 --> 00:47:50,219

ostensibly a satellite oh yeah well and

946

00:47:53,329 --> 00:47:51,839

the other weird thing about it is is

947

00:47:56,630 --> 00:47:53,339

that after a certain period of time it

948

00:47:59,479 --> 00:47:56,640

disappeared just disappear well it just

949

00:48:01,219 --> 00:47:59,489

disappeared yeah so you know once once

950

00:48:08,539 --> 00:48:01,229

again and of course this was at the

951
00:48:10,579 --> 00:48:08,549
height of the the whole UFO waves that

952
00:48:12,079 --> 00:48:10,589
were taking the place you know first

953
00:48:13,549 --> 00:48:12,089
starting in the United States and then

954
00:48:16,309 --> 00:48:13,559
you know then spread out over the rest

955
00:48:20,029 --> 00:48:16,319
of the planet so then all of a sudden

956
00:48:21,920 --> 00:48:20,039
here ground-based radar is showing you

957
00:48:25,039 --> 00:48:21,930
know some kind of weird extremely large

958
00:48:27,019 --> 00:48:25,049
object in orbit around the planet and

959
00:48:28,430 --> 00:48:27,029
you know of course some of the

960
00:48:29,360 --> 00:48:28,440
speculation the problem you know like

961
00:48:31,100 --> 00:48:29,370
the the you

962
00:48:34,310 --> 00:48:31,110
though researchers is that you know love

963
00:48:36,230 --> 00:48:34,320

is making some kind of a mothership you

964

00:48:38,000 --> 00:48:36,240

know that it parked itself in orbit and

965

00:48:39,770 --> 00:48:38,010

that's where the flying saucers were

966

00:48:41,660 --> 00:48:39,780

coming from yeah you know I mean I

967

00:48:44,210 --> 00:48:41,670

suppose that's as good as explanation as

968

00:48:45,440 --> 00:48:44,220

any are you still getting a lot of that

969

00:48:47,540 --> 00:48:45,450

stuff from the Heidi's neck of the woods

970

00:48:49,250 --> 00:48:47,550

up in Chicago the Mothman thing is that

971

00:48:54,440 --> 00:48:49,260

still getting reports of that coming in

972

00:48:58,190 --> 00:48:54,450

or oh yes yeah well if you you go to the

973

00:49:01,160 --> 00:48:58,200

website phantoms and monsters that's

974

00:49:05,030 --> 00:49:01,170

that that's a really good source of

975

00:49:12,680 --> 00:49:05,040

information because the the guy who runs

976

00:49:15,530 --> 00:49:12,690

that he he's kind of made it his baby

977

00:49:18,020 --> 00:49:15,540

right now and so people are well aware

978

00:49:19,760 --> 00:49:18,030

of his site and will you know call in

979

00:49:22,880 --> 00:49:19,770

and report sightings you know directly

980

00:49:25,010 --> 00:49:22,890

to him and seems like every you know

981

00:49:26,750 --> 00:49:25,020

every couple of days you know you'll get

982

00:49:28,040 --> 00:49:26,760

a you'll get a new sighting I mean

983

00:49:31,450 --> 00:49:28,050

people have actually been seeing them

984

00:49:34,790 --> 00:49:31,460

now you know like walking on the ground

985

00:49:37,040 --> 00:49:34,800

you know people turn a corner and it'll

986

00:49:39,620 --> 00:49:37,050

be it'll be there facing them before it

987

00:49:41,150 --> 00:49:39,630

flies away but how do you haven't heard

988

00:49:45,140 --> 00:49:41,160

any much on it yourself

989

00:49:47,060 --> 00:49:45,150

I have not you know and I I think I keep

990

00:49:50,770 --> 00:49:47,070

my eyes and ears peeled for such things

991

00:49:54,320 --> 00:49:50,780

and I belong to a meetup group here that

992

00:49:57,050 --> 00:49:54,330

discusses everything odd and I don't

993

00:50:00,170 --> 00:49:57,060

know I'm like is this like a promotional

994

00:50:02,030 --> 00:50:00,180

thing for a movie because I'm not these

995

00:50:03,980 --> 00:50:02,040

people are hearing these stories I just

996

00:50:05,540 --> 00:50:03,990

don't know I'm right here so people

997

00:50:07,640 --> 00:50:05,550

reach out if you're experiencing

998

00:50:14,390 --> 00:50:07,650

something I will literally go out there

999

00:50:15,920 --> 00:50:14,400

and I'll get my fishing well this we're

1000

00:50:18,530 --> 00:50:15,930

just about coming to the top of the hour

1001
00:50:20,120 --> 00:50:18,540
break but uh hell I thought you'd hear

1002
00:50:23,380 --> 00:50:20,130
about that well let's take our break and

1003
00:50:25,700 --> 00:50:23,390
what we'll be right back we'll be like

1004
00:50:28,130 --> 00:50:25,710
let's good be back with Tim and he's a

1005
00:50:31,370 --> 00:50:28,140
source I didn't mention earlier guys but

1006
00:50:32,900 --> 00:50:31,380
he has like 300 odd stringers all over

1007
00:50:36,560 --> 00:50:32,910
the world that send him stories about

1008
00:50:38,480 --> 00:50:36,570
all kinds of exotic things and if you

1009
00:50:39,710 --> 00:50:38,490
don't get conspiracy journal you need to

1010
00:50:41,970 --> 00:50:39,720
do it right away he gets go to

1011
00:50:43,920 --> 00:50:41,980
conspiracy journal calm

1012
00:50:47,670 --> 00:50:43,930
that is right Tim Vince mercy journal

1013
00:50:49,650 --> 00:50:47,680

calm that's correct yes and and and and

1014

00:50:52,140 --> 00:50:49,660

subscribe to it and it comes right in

1015

00:50:53,880 --> 00:50:52,150

your email every Sunday and it's the

1016

00:50:57,089 --> 00:50:53,890

best thing going he's got all kinds of

1017

00:50:59,550 --> 00:50:57,099

stories from all kinds of sources all

1018

00:51:01,829 --> 00:50:59,560

over the world yeah and it comes right

1019

00:51:03,420 --> 00:51:01,839

your email and it's really just a great

1020

00:51:05,190 --> 00:51:03,430

thing you can get free because you can't

1021

00:51:09,599 --> 00:51:05,200

get anything good free for the most part

1022

00:51:12,930 --> 00:51:09,609

and and I mean Tim I look forward to it

1023

00:51:14,490 --> 00:51:12,940

every Sunday I really do thank you I

1024

00:51:17,609 --> 00:51:14,500

mean I've got I've got a lot of people

1025

00:51:19,500 --> 00:51:17,619

who you know same way that you know

1026
00:51:21,839 --> 00:51:19,510
something something happens you know I

1027
00:51:24,300 --> 00:51:21,849
get sick if I'm not able to you know get

1028
00:51:32,430 --> 00:51:24,310
it out boy I mean I hear these people

1029
00:51:36,990 --> 00:51:32,440
are horrible and and all kinds of good

1030
00:51:39,839 --> 00:51:37,000
and varied topics and I don't know now

1031
00:51:43,109 --> 00:51:39,849
Tim I I don't know what what the latest

1032
00:51:46,700 --> 00:51:43,119
is going to be on I do wish that you

1033
00:51:49,470 --> 00:51:46,710
would investigate the democrat

1034
00:51:52,109 --> 00:51:49,480
conspiracy thing to to some undermine

1035
00:51:56,309 --> 00:51:52,119
Trump because I mean he I know he's an

1036
00:51:58,440 --> 00:51:56,319
idiot of course he's an idiot but the

1037
00:52:00,329 --> 00:51:58,450
news media is completely organized

1038
00:52:03,420 --> 00:52:00,339

against him and I wonder if it's or if

1039

00:52:05,550 --> 00:52:03,430

if it is just a pile-on kind of a thing

1040

00:52:10,380 --> 00:52:05,560

or whether it's more sinister I don't

1041

00:52:11,819 --> 00:52:10,390

know in other words yeah that's right no

1042

00:52:15,530 --> 00:52:11,829

no no I was just gonna say anymore I

1043

00:52:20,069 --> 00:52:15,540

just I I just get so sick of politics

1044

00:52:21,750 --> 00:52:20,079

yeah yeah I just I just want to I just

1045

00:52:24,150 --> 00:52:21,760

want to stay out of it because it's just

1046

00:52:27,480 --> 00:52:24,160

like I mean the same thing same thing

1047

00:52:30,329 --> 00:52:27,490

was going on when you know Obama was

1048

00:52:32,490 --> 00:52:30,339

president or george w a you know it's

1049

00:52:36,030 --> 00:52:32,500

just like everybody you know everybody

1050

00:52:38,460 --> 00:52:36,040

always wants to you know pile onto the

1051
00:52:42,450 --> 00:52:38,470
guy to the guy in charge doesn't matter

1052
00:52:44,280 --> 00:52:42,460
if he's an idiot or you know if he's you

1053
00:52:46,710 --> 00:52:44,290
know really good what he's doing you

1054
00:52:49,800 --> 00:52:46,720
know it's just like yeah we saw some

1055
00:52:53,609 --> 00:52:49,810
thought every day you know i mean well i

1056
00:52:55,170 --> 00:52:53,619
mean we all we love to put people up on

1057
00:52:57,540 --> 00:52:55,180
pedestals

1058
00:53:00,180 --> 00:52:57,550
so then we can try to knock them down as

1059
00:53:02,280 --> 00:53:00,190
quickly yes we can you know that that's

1060
00:53:07,170 --> 00:53:02,290
that's a bizarre thing about human

1061
00:53:09,630 --> 00:53:07,180
nature it is I mean y-yeah me do well

1062
00:53:11,250 --> 00:53:09,640
you know we we talk these people up and

1063
00:53:13,710 --> 00:53:11,260

we get him up there there's like oh my

1064

00:53:18,120 --> 00:53:13,720

gosh he's so great now let's throw rocks

1065

00:53:19,680 --> 00:53:18,130

at him yeah I know but I mean he's a

1066

00:53:23,190 --> 00:53:19,690

little extreme as far as shooting

1067

00:53:24,630 --> 00:53:23,200

himself in the foot man I mean he maybe

1068

00:53:33,930 --> 00:53:24,640

he doesn't have any feet they're all

1069

00:53:36,150 --> 00:53:33,940

gone and this first one I got it I gotta

1070

00:53:37,800 --> 00:53:36,160

give my hats off to this person oh I

1071

00:53:40,110 --> 00:53:37,810

didn't catch their name but they said

1072

00:53:41,970 --> 00:53:40,120

hey Heidi can you asked him what he

1073

00:53:44,040 --> 00:53:41,980

thinks about the shadow people

1074

00:53:46,380 --> 00:53:44,050

now people you know that's my baby so

1075

00:53:51,120 --> 00:53:46,390

I'm curious - Tim just roll through it

1076
00:53:58,490 --> 00:53:51,130
come on mm-hmm well that's yeah it's

1077
00:54:02,970 --> 00:53:58,500
it's a fascinating topic and it's I

1078
00:54:06,030 --> 00:54:02,980
don't you know I don't really have any

1079
00:54:09,600 --> 00:54:06,040
firm conclusion of course I always try

1080
00:54:13,050 --> 00:54:09,610
to steer clear of making any you know

1081
00:54:15,870 --> 00:54:13,060
declarations of beliefs or you know or

1082
00:54:18,330 --> 00:54:15,880
or saying that yes this is definitely

1083
00:54:24,800 --> 00:54:18,340
what's what's going on because we just

1084
00:54:27,420 --> 00:54:24,810
we just don't know I do believe that

1085
00:54:31,230 --> 00:54:27,430
people who have these experiences are

1086
00:54:34,350 --> 00:54:31,240
having actual experiences I mean it's

1087
00:54:36,240 --> 00:54:34,360
like people think hooster UFOs or you

1088
00:54:42,690 --> 00:54:36,250

know the majority of these people I

1089

00:54:45,750 --> 00:54:42,700

think are are correct that you know

1090

00:54:48,480 --> 00:54:45,760

they're not trying to spin a story or to

1091

00:54:54,150 --> 00:54:48,490

get publicity cuz you can always tell

1092

00:54:55,890 --> 00:54:54,160

you would always yeah yeah yeah you know

1093

00:55:00,690 --> 00:54:55,900

the people who are trying to feed you a

1094

00:55:03,300 --> 00:55:00,700

line or something like that I think you

1095

00:55:05,540 --> 00:55:03,310

know one of the one of the most

1096

00:55:10,240 --> 00:55:05,550

interesting theories to me

1097

00:55:14,740 --> 00:55:10,250

that somebody suggested to me one time

1098

00:55:20,740 --> 00:55:14,750

was that your that the shadow people are

1099

00:55:23,060 --> 00:55:20,750

actually people who live in other

1100

00:55:26,720 --> 00:55:23,070

realities of their dimensions parallel

1101
00:55:30,470 --> 00:55:26,730
worlds you know whatever whatever term

1102
00:55:34,870 --> 00:55:30,480
that we would have for you know some

1103
00:55:38,900 --> 00:55:34,880
kind of unknown realm that that exists

1104
00:55:42,830 --> 00:55:38,910
fairly close to our own and that we're

1105
00:55:44,510 --> 00:55:42,840
seeing almost like blurry window so to

1106
00:55:45,650 --> 00:55:44,520
speak at certain certain times certain

1107
00:55:51,650 --> 00:55:45,660
locations

1108
00:55:54,800 --> 00:55:51,660
you know therapy for and for me it's it

1109
00:55:57,200 --> 00:55:54,810
doesn't it doesn't fly because these

1110
00:55:59,960 --> 00:55:57,210
things come and pounce and attack people

1111
00:56:01,520 --> 00:55:59,970
and they have glowing red eyes and once

1112
00:56:03,410 --> 00:56:01,530
those puppies look at you you're pretty

1113
00:56:06,350 --> 00:56:03,420

convinced they're there and they're here

1114

00:56:07,970 --> 00:56:06,360

now so it's like what I have heard that

1115

00:56:10,130 --> 00:56:07,980

but they can't slip in between different

1116

00:56:11,870 --> 00:56:10,140

dimensions so it's just one of those odd

1117

00:56:14,630 --> 00:56:11,880

things I've got another cool question

1118

00:56:16,400 --> 00:56:14,640

for you I'll take I'll take that that

1119

00:56:18,500 --> 00:56:16,410

answer because I it is one of those

1120

00:56:19,490 --> 00:56:18,510

things that if you haven't seen it how

1121

00:56:22,970 --> 00:56:19,500

do you believe it

1122

00:56:26,120 --> 00:56:22,980

how do you know so I get it okay this is

1123

00:56:30,080 --> 00:56:26,130

an interesting one if could any of the

1124

00:56:32,720 --> 00:56:30,090

sightings of the like the Mothman be a

1125

00:56:34,910 --> 00:56:32,730

prank a hologram of some sort and then

1126

00:56:38,180 --> 00:56:34,920

this is a good follow-up question saying

1127

00:56:43,570 --> 00:56:38,190

if there's any major conspiracy that you

1128

00:56:50,120 --> 00:56:47,030

well okay let's let's address the eye of

1129

00:56:50,750 --> 00:56:50,130

the Mothman the idea that we're dealing

1130

00:56:52,220 --> 00:56:50,760

with a hoax

1131

00:56:57,110 --> 00:56:52,230

yeah I mean you know sure could be a

1132

00:56:59,690 --> 00:56:57,120

hoax as for the idea that it's some kind

1133

00:57:03,050 --> 00:56:59,700

of hologram well I would sure love to

1134

00:57:06,650 --> 00:57:03,060

have that technology if that's around I

1135

00:57:10,010 --> 00:57:06,660

you know I usually stay pretty up on

1136

00:57:12,920 --> 00:57:10,020

like electronics and things that you can

1137

00:57:17,080 --> 00:57:12,930

you know have available to you but I

1138

00:57:21,910 --> 00:57:17,090

haven't seen anything that could really

1139

00:57:24,410 --> 00:57:21,920

you know have that kind of projection

1140

00:57:27,110 --> 00:57:24,420

realistic projection that it that it

1141

00:57:28,820 --> 00:57:27,120

could actually fool people like that I

1142

00:57:31,160 --> 00:57:28,830

mean I you know you've seen the things

1143

00:57:32,840 --> 00:57:31,170

and you know now it's October you know

1144

00:57:36,620 --> 00:57:32,850

you're seeing all these these these

1145

00:57:39,500 --> 00:57:36,630

great things coming out these are these

1146

00:57:41,870 --> 00:57:39,510

projections that you know project ghosts

1147

00:57:50,990 --> 00:57:41,880

and witches

1148

00:57:53,180 --> 00:57:51,000

Pennywise I'm out I don't know this is a

1149

00:57:56,120 --> 00:57:53,190

conspiracy of rumor but I thought that

1150

00:58:02,270 --> 00:57:56,130

Kennedy had like it was on the the table

1151
00:58:04,820 --> 00:58:02,280
to imitate coming of the Lord to Cuba to

1152
00:58:07,520 --> 00:58:04,830
kind of scare them into submission to

1153
00:58:12,560 --> 00:58:07,530
make them mingotts to use a hologram you

1154
00:58:14,960 --> 00:58:12,570
heard that right oh yeah yeah well it

1155
00:58:17,600 --> 00:58:14,970
wasn't a hologram something oh it wasn't

1156
00:58:20,030 --> 00:58:17,610
a hologram what was it no they what what

1157
00:58:22,430 --> 00:58:20,040
the idea that they had is that basically

1158
00:58:24,980 --> 00:58:22,440
it would just be you know like like

1159
00:58:28,280 --> 00:58:24,990
projecting almost a movie on to

1160
00:58:30,530 --> 00:58:28,290
low-lying clouds say like over over

1161
00:58:32,600 --> 00:58:30,540
Havana you know you'd have to get the

1162
00:58:34,550 --> 00:58:32,610
right weather conditions where the

1163
00:58:37,700 --> 00:58:34,560

clouds were low enough over the city and

1164

00:58:43,370 --> 00:58:37,710

then you know using say like a very high

1165

00:58:47,090 --> 00:58:43,380

powered projector do that but I don't

1166

00:58:49,130 --> 00:58:47,100

you know it's again it was it was an

1167

00:58:54,890 --> 00:58:49,140

idea but I don't know if anybody had

1168

00:58:56,150 --> 00:58:54,900

actually managed to try it out but now

1169

00:58:59,930 --> 00:58:56,160

okay now you're talking about something

1170

00:59:04,370 --> 00:58:59,940

that was proposed in the 1960s I would

1171

00:59:07,730 --> 00:59:04,380

think that now the military probably has

1172

00:59:10,340 --> 00:59:07,740

the ability to do something like that a

1173

00:59:12,740 --> 00:59:10,350

lot more sophisticated and probably

1174

00:59:16,250 --> 00:59:12,750

using what we would call you know

1175

00:59:17,700 --> 00:59:16,260

holographic technology like a to Puerto

1176

00:59:23,050 --> 00:59:17,710

Rico I'm just kidding

1177

00:59:26,030 --> 00:59:23,060

[Laughter]

1178

00:59:28,579 --> 00:59:26,040

now the thing you have to look into

1179

00:59:30,380 --> 00:59:28,589

these monkeys about is these leftists

1180

00:59:32,780 --> 00:59:30,390

because look look look

1181

00:59:35,120 --> 00:59:32,790

Trump did is just ten thousand people

1182

00:59:38,030 --> 00:59:35,130

bucking about down there but I mean Tim

1183

00:59:39,589 --> 00:59:38,040

this is a rural island it's not like

1184

00:59:41,450 --> 00:59:39,599

driving stuff from Dallas down to

1185

00:59:42,680 --> 00:59:41,460

Houston and the hurricane it's not like

1186

00:59:45,380 --> 00:59:42,690

that I mean there's a lot of logistics

1187

00:59:46,490 --> 00:59:45,390

involved is these guys are barely

1188

00:59:50,210 --> 00:59:46,500

hanging in there with their

1189

00:59:51,950 --> 00:59:50,220

infrastructure so obviously uh they've

1190

00:59:53,120 --> 00:59:51,960

got a lot more problems and bringing aid

1191

00:59:56,900 --> 00:59:53,130

to these people

1192

01:00:00,890 --> 00:59:56,910

oh yeah exactly exactly but I will I

1193

01:00:06,349 --> 01:00:00,900

will have to say that Trump really lacks

1194

01:00:09,170 --> 01:00:06,359

the FNS to to deal with the situation

1195

01:00:15,190 --> 01:00:09,180

and with you know say like the the mayor

1196

01:00:17,990 --> 01:00:15,200

of was a San Juan Puerto Rico and I mean

1197

01:00:19,309 --> 01:00:18,000

it's these kind of situations where you

1198

01:00:20,660 --> 01:00:19,319

know you just kind of have to like you

1199

01:00:26,930 --> 01:00:20,670

know hold your tongue or hold your tweet

1200

01:00:29,059 --> 01:00:26,940

so to speak and shampoo that might help

1201
01:00:32,740 --> 01:00:29,069
him out yes but the Governor of Puerto

1202
01:00:41,420 --> 01:00:32,750
Rico was complimenting Trump just today

1203
01:00:43,760 --> 01:00:41,430
people don't want to hear that when

1204
01:00:46,550 --> 01:00:43,770
you're face to face face to face with

1205
01:00:48,620 --> 01:00:46,560
the guy I mean they're probably and okay

1206
01:00:50,930 --> 01:00:48,630
now see that there's a good example of

1207
01:00:52,250 --> 01:00:50,940
you know that that political finance

1208
01:00:54,020 --> 01:00:52,260
finesse you know while you're face to

1209
01:01:01,099 --> 01:00:54,030
face with a guy you don't go and say you

1210
01:01:04,040 --> 01:01:01,109
know hey just stupid that's understand

1211
01:01:06,020 --> 01:01:04,050
you don't go you don't go and and kick

1212
01:01:09,640 --> 01:01:06,030
somebody while they're down and ask him

1213
01:01:12,730 --> 01:01:09,650

for help and and saying you know oh yeah

1214

01:01:18,520 --> 01:01:12,740

by the way you always you know it's a

1215

01:01:21,370 --> 01:01:18,530

bunch of money seventy billion dollars

1216

01:01:23,020 --> 01:01:21,380

in debt my god we that make them a

1217

01:01:24,760 --> 01:01:23,030

people all millionaires if they just go

1218

01:01:29,500 --> 01:01:24,770

away and declare independence and get

1219

01:01:31,960 --> 01:01:29,510

out of our hair I mean my nonsense is

1220

01:01:33,310 --> 01:01:31,970

not yeah well I mean there's been a lot

1221

01:01:44,380 --> 01:01:33,320

of people that says the same thing about

1222

01:01:46,060 --> 01:01:44,390

Texas Oh a terrible place things between

1223

01:01:49,090 --> 01:01:46,070

New York and Virginia I would want live

1224

01:01:55,750 --> 01:01:49,100

in it maybe Georgia I kind of like

1225

01:01:58,960 --> 01:01:55,760

Georgia I got another question

1226

01:02:01,150 --> 01:01:58,970

oh okay let me let me let me finish

1227

01:02:03,550 --> 01:02:01,160

just real quick about the you asking

1228

01:02:06,640 --> 01:02:03,560

about the conspiracy theory that I

1229

01:02:11,020 --> 01:02:06,650

definitely don't believe in yes that the

1230

01:02:14,590 --> 01:02:11,030

earth is flat yeah and that there's a

1231

01:02:16,660 --> 01:02:14,600

government or or whatever conspiracy to

1232

01:02:20,230 --> 01:02:16,670

keep it secret from the rest of us oh

1233

01:02:24,010 --> 01:02:20,240

yeah I don't I I do not I do not

1234

01:02:28,120 --> 01:02:24,020

understand how this has suddenly became

1235

01:02:31,660 --> 01:02:28,130

a thing again I mean you know yeah even

1236

01:02:34,780 --> 01:02:31,670

the ancient Greeks knew that the earth

1237

01:02:36,220 --> 01:02:34,790

was round you know these these stories

1238

01:02:38,560 --> 01:02:36,230

that you hear about you know like the

1239

01:02:40,330 --> 01:02:38,570

crew of Columbus being afraid that

1240

01:02:40,660 --> 01:02:40,340

they're gonna fall off the face of the

1241

01:02:43,510 --> 01:02:40,670

earth

1242

01:02:46,060 --> 01:02:43,520

you know that's those are just myths no

1243

01:02:51,820 --> 01:02:46,070

but you know it by Columbus's time

1244

01:02:53,980 --> 01:02:51,830

nobody believed that and now here we are

1245

01:02:55,900 --> 01:02:53,990

in the 21st century and we've got these

1246

01:02:59,800 --> 01:02:55,910

people's a little bit of I don't see a

1247

01:03:02,350 --> 01:02:59,810

curve yeah that is crazy

1248

01:03:05,080 --> 01:03:02,360

I think somebody sat around trying to

1249

01:03:06,850 --> 01:03:05,090

think of the stupidest conspiracy theory

1250

01:03:12,220 --> 01:03:06,860

and see if people would buy it and see

1251
01:03:13,660 --> 01:03:12,230
how far it would go and it's going what

1252
01:03:15,670 --> 01:03:13,670
is the government hiding concerning

1253
01:03:18,220 --> 01:03:15,680
Admiral Byrd's project high jump in

1254
01:03:21,040 --> 01:03:18,230
Antarctica when I remember we've only

1255
01:03:22,240 --> 01:03:21,050
got 45 seconds I know but this is you

1256
01:03:25,060 --> 01:03:22,250
could think on it

1257
01:03:26,470 --> 01:03:25,070
yeah yeah well I'll answer that one when

1258
01:03:28,930 --> 01:03:26,480
we come back from our break because

1259
01:03:31,510 --> 01:03:28,940
that's why that's when I can talk for

1260
01:03:42,280 --> 01:03:31,520
the rest of the show on sing a song

1261
01:03:45,790 --> 01:03:42,290
until we go to break smart-aleck me a

1262
01:03:48,360 --> 01:03:45,800
minute ago saying saying that I was an

1263
01:03:50,620 --> 01:03:48,370

ancient critter but people still put

1264

01:03:58,150 --> 01:03:50,630

alcohol on their kids teeth when they're

1265

01:03:59,590 --> 01:03:58,160

teething mmm okay well maybe that does

1266

01:04:01,150 --> 01:03:59,600

date me a little bit that's okay

1267

01:04:02,830 --> 01:04:01,160

well listen let's go to our break and

1268

01:04:06,730 --> 01:04:02,840

we'll be right back our last break we'll

1269

01:04:08,260 --> 01:04:06,740

be right back back what could be

1270

01:04:09,850 --> 01:04:08,270

backward Sam the time passes very

1271

01:04:11,860 --> 01:04:09,860

quickly but Heidi you had some things

1272

01:04:18,760 --> 01:04:11,870

set up with Tim saw for his answering

1273

01:04:27,210 --> 01:04:18,770

side better about Antarctica and let's

1274

01:04:35,230 --> 01:04:30,460

the question was about Admiral Richard

1275

01:04:37,810 --> 01:04:35,240

Byrd and an operation Highjump which was

1276

01:04:42,030 --> 01:04:37,820

this this really bizarre military

1277

01:04:44,890 --> 01:04:42,040

operation that took place right in 1947

1278

01:04:48,220 --> 01:04:44,900

you know world war ii hadn't been over

1279

01:04:51,430 --> 01:04:48,230

that long and in fact the the Navy had

1280

01:04:52,930 --> 01:04:51,440

been a decommissioning a bunch of ships

1281

01:04:55,420 --> 01:04:52,940

I just didn't need them anymore and then

1282

01:05:00,370 --> 01:04:55,430

there's all of a sudden they went and

1283

01:05:04,330 --> 01:05:00,380

called up this this huge Armada of ships

1284

01:05:09,010 --> 01:05:04,340

a submarine an aircraft carrier a couple

1285

01:05:12,100 --> 01:05:09,020

of thousand men to do this operation

1286

01:05:17,980 --> 01:05:12,110

Highjump is as it was called now to go

1287

01:05:20,770 --> 01:05:17,990

down to Antarctica during the the

1288

01:05:25,840 --> 01:05:20,780

southern hemispheres summer which would

1289

01:05:30,160 --> 01:05:25,850

you know be our our winter and the idea

1290

01:05:32,770 --> 01:05:30,170

was that they were going to look for you

1291

01:05:35,620 --> 01:05:32,780

know like mineral deposits and to train

1292

01:05:43,100 --> 01:05:39,890

in the event of the Soviet Union trying

1293

01:05:45,620 --> 01:05:43,110

to attack the United States coming over

1294

01:05:51,710 --> 01:05:45,630

say like the Arctic region you know like

1295

01:05:54,140 --> 01:05:51,720

across Alaska or Canada or something

1296

01:05:56,420 --> 01:05:54,150

like that now of course the first

1297

01:05:58,580 --> 01:05:56,430

question about that explanation comes to

1298

01:06:01,430 --> 01:05:58,590

mind is like well why didn't they just

1299

01:06:04,700 --> 01:06:01,440

go and train up in Alaska and then you

1300

01:06:07,070 --> 01:06:04,710

know Canada a Yukon lot closer and he

1301

01:06:08,570 --> 01:06:07,080

didn't have to spend you know a bunch of

1302

01:06:12,440 --> 01:06:08,580

money to send these ships down to

1303

01:06:14,510 --> 01:06:12,450

Antarctica so they they go down to

1304

01:06:18,610 --> 01:06:14,520

Antarctica like I said you know just you

1305

01:06:20,740 --> 01:06:18,620

know hundreds of ships thousands of men

1306

01:06:26,600 --> 01:06:20,750

they're supposed to be down there for

1307

01:06:28,190 --> 01:06:26,610

for at least four to six months and they

1308

01:06:29,930 --> 01:06:28,200

ended up turning around coming back

1309

01:06:32,120 --> 01:06:29,940

after about six weeks the explanation

1310

01:06:35,240 --> 01:06:32,130

being that all of a sudden weather got

1311

01:06:37,310 --> 01:06:35,250

really really bad and they needed to

1312

01:06:41,810 --> 01:06:37,320

turn around and come back

1313

01:06:46,940 --> 01:06:41,820

now when Byrd came back he actually gave

1314

01:06:48,800 --> 01:06:46,950

a secret talk to to Congress afterwards

1315

01:06:51,320 --> 01:06:48,810

and it was reported that he told them

1316

01:06:55,220 --> 01:06:51,330

that it was his fear that the United

1317

01:06:58,780 --> 01:06:55,230

States was going to be a tact by as he

1318

01:07:01,130 --> 01:06:58,790

put it missiles flying over the poles

1319

01:07:03,890 --> 01:07:01,140

and I don't think it's a coincidence

1320

01:07:07,360 --> 01:07:03,900

that just a few months later you started

1321

01:07:11,960 --> 01:07:07,370

seeing the whole modern day UFO era a

1322

01:07:15,430 --> 01:07:11,970

start and was a June of 1947 just a

1323

01:07:18,110 --> 01:07:15,440

couple months after operation Highjump

1324

01:07:20,750 --> 01:07:18,120

you know Kenneth Arnold start seeing

1325

01:07:24,820 --> 01:07:20,760

there was no saw UFOs flying around

1326

01:07:27,190 --> 01:07:24,830

Mount Rainier and in Washington so

1327

01:07:29,690 --> 01:07:27,200

there's been all kinds of different

1328

01:07:33,800 --> 01:07:29,700

speculations one of the most favorite is

1329

01:07:36,440 --> 01:07:33,810

that there was a secret Nazi base in

1330

01:07:39,430 --> 01:07:36,450

Antarctica we do know that the the Nazis

1331

01:07:42,340 --> 01:07:39,440

were very interested in establishing a

1332

01:07:44,320 --> 01:07:42,350

base in Antarctica and in fact

1333

01:07:46,780 --> 01:07:44,330

submarines

1334

01:07:49,540 --> 01:07:46,790

from Nazi Germany that gave themselves

1335

01:07:53,260 --> 01:07:49,550

up in Argentina at the end of the war

1336

01:07:56,710 --> 01:07:53,270

the captains actually claimed that that

1337

01:08:00,660 --> 01:07:56,720

they had stopped in Antarctica to to let

1338

01:08:04,270 --> 01:08:00,670

off a personnel and and equipment there

1339

01:08:06,400 --> 01:08:04,280

so possibly that was what operation

1340

01:08:08,860 --> 01:08:06,410

Highjump was about to go and check to

1341

01:08:10,780 --> 01:08:08,870

see if these stories were true and if

1342

01:08:13,390 --> 01:08:10,790

they were true you know maybe the you

1343

01:08:16,660 --> 01:08:13,400

know go and bomb the heck out of out of

1344

01:08:20,010 --> 01:08:16,670

the secret base that did not appear to

1345

01:08:25,539 --> 01:08:20,020

happen though I have seen a photograph

1346

01:08:28,150 --> 01:08:25,549

from 1968 that seems to show a nuclear

1347

01:08:30,820 --> 01:08:28,160

device being exploded over Antarctica

1348

01:08:33,130 --> 01:08:30,830

and of course Antarctica is one of these

1349

01:08:36,070 --> 01:08:33,140

locations where you know all the nuclear

1350

01:08:39,550 --> 01:08:36,080

powers agreed that they would not

1351

01:08:46,680 --> 01:08:39,560

conduct any tests yet somebody blew a

1352

01:08:50,050 --> 01:08:46,690

blue one up in 1968 so it's yeah it's

1353

01:08:55,539 --> 01:08:50,060

it's hard to say just exactly what was

1354

01:08:58,450 --> 01:08:55,549

going on with operation Highjump I the

1355

01:09:00,970 --> 01:08:58,460

the the Nazi base is is a favorite of

1356

01:09:03,970 --> 01:09:00,980

mine but I don't think it was quite as

1357

01:09:07,360 --> 01:09:03,980

extensive possibly as the rumors said it

1358

01:09:10,000 --> 01:09:07,370

was I think actually everything of real

1359

01:09:13,000 --> 01:09:10,010

importance was going on in South America

1360

01:09:15,360 --> 01:09:13,010

you know Argentina a place of Venezuela

1361

01:09:18,550 --> 01:09:15,370

places like that and I've been this way

1362

01:09:23,349 --> 01:09:18,560

places places like that there probably

1363

01:09:25,120 --> 01:09:23,359

was a base in in Antarctica you know but

1364

01:09:27,700 --> 01:09:25,130

you're talking about it extremely

1365

01:09:30,309 --> 01:09:27,710

difficult to maintain something like

1366

01:09:33,250 --> 01:09:30,319

that for any period of time yeah you

1367

01:09:36,620 --> 01:09:33,260

know because it would require constant

1368

01:09:43,039 --> 01:09:39,740

and you know constant we're bringing in

1369

01:09:47,059 --> 01:09:43,049

food and other types of supplies and if

1370

01:09:49,220 --> 01:09:47,069

the the Nazi regime had been destroyed

1371

01:09:50,210 --> 01:09:49,230

which it had been were you gonna get

1372

01:09:53,180 --> 01:09:50,220

this stuff from

1373

01:09:57,320 --> 01:09:53,190

so I mean possibly there was an enclave

1374

01:09:59,420 --> 01:09:57,330

still there and you know that may be why

1375

01:10:00,890 --> 01:09:59,430

the mission was cut short you know they

1376

01:10:03,070 --> 01:10:00,900

got there and they just found a few sick

1377

01:10:06,980 --> 01:10:03,080

soldiers and that was about it

1378

01:10:08,570 --> 01:10:06,990

yeah that's probably true that is

1379

01:10:10,700 --> 01:10:08,580

interesting though that is interesting

1380

01:10:11,540 --> 01:10:10,710

stuff about the nuclear explosion down

1381

01:10:14,660 --> 01:10:11,550

there who would do it

1382

01:10:18,500 --> 01:10:14,670

who would knock it often yeah it is I

1383

01:10:19,940 --> 01:10:18,510

mean it's the the the picture that I saw

1384

01:10:22,040 --> 01:10:19,950

and I've got it my files are somewhere

1385

01:10:23,930 --> 01:10:22,050

you know I mean it's it's obviously you

1386

01:10:25,670 --> 01:10:23,940

know a mushroom cloud of some kind of

1387

01:10:29,930 --> 01:10:25,680

course that doesn't necessarily mean you

1388

01:10:33,020 --> 01:10:29,940

know it was a nuke but you know in 1968

1389

01:10:36,770 --> 01:10:33,030

there weren't a lot of other explosive

1390

01:10:42,170 --> 01:10:36,780

devices that would produce you know such

1391

01:10:44,690 --> 01:10:42,180

a in an extensive mushroom kiled what's

1392

01:10:46,430 --> 01:10:44,700

coming up other than this what's coming

1393

01:10:49,430 --> 01:10:46,440

up on the horizon on conspiracy Journal

1394

01:10:51,260 --> 01:10:49,440

got a good since you can give us know

1395

01:10:54,370 --> 01:10:51,270

well you know it's every week it's

1396

01:10:57,380 --> 01:10:54,380

always something something different I'm

1397

01:10:59,450 --> 01:10:57,390

working on an article you know we talked

1398

01:11:01,520 --> 01:10:59,460

about Fairmont the Nazis here working an

1399

01:11:04,370 --> 01:11:01,530

article for a new book for Tim Beck Lee

1400

01:11:07,400 --> 01:11:04,380

just talking about the the weird

1401

01:11:11,030 --> 01:11:07,410

expeditions that you know Hitler and

1402

01:11:13,610 --> 01:11:11,040

Nazi Germany were conducting during

1403

01:11:17,570 --> 01:11:13,620

their time searching for like say like

1404

01:11:20,360 --> 01:11:17,580

the the the Hollow Earth from Tibet and

1405

01:11:23,300 --> 01:11:20,370

places like that or or searching for

1406

01:11:26,990 --> 01:11:23,310

holy relics that one that was another

1407

01:11:29,090 --> 01:11:27,000

one was didn't they they sure get

1408

01:11:31,250 --> 01:11:29,100

fascination for holy relics does Lance

1409

01:11:33,530 --> 01:11:31,260

that thrown in the side of Christ and

1410

01:11:35,360 --> 01:11:33,540

right right well see there's that

1411

01:11:37,490 --> 01:11:35,370

there's this whole you know a cult

1412

01:11:39,650 --> 01:11:37,500

connection

1413

01:11:43,640 --> 01:11:39,660

the Nazis were extremely fascinated you

1414

01:11:45,500 --> 01:11:43,650

know what with with via cults and and

1415

01:11:48,920 --> 01:11:45,510

you know and then who knows I mean you

1416

01:11:50,570 --> 01:11:48,930

know if you believe and you know Satan

1417

01:11:54,680 --> 01:11:50,580

and demons and I like that you know it's

1418

01:11:57,170 --> 01:11:54,690

like well maybe they were trying to get

1419

01:11:58,910 --> 01:11:57,180

in touch you know with with with the

1420

01:12:01,940 --> 01:11:58,920

Dark Lord I mean it's you know if you

1421

01:12:04,370 --> 01:12:01,950

don't believe in that and maybe they

1422

01:12:07,550 --> 01:12:04,380

were just interested in paranormal power

1423

01:12:11,990 --> 01:12:07,560

and trying to achieve it when Hitler was

1424

01:12:14,210 --> 01:12:12,000

very very much he was reported to have

1425

01:12:19,100 --> 01:12:14,220

been demon-possessed at different times

1426

01:12:20,810 --> 01:12:19,110

and to sense demonic entities around him

1427

01:12:26,000 --> 01:12:20,820

I mean that's pretty well reputed by the

1428

01:12:29,090 --> 01:12:26,010

people that were around him he was

1429

01:12:31,100 --> 01:12:29,100

pretty far gone but I do urge everybody

1430

01:12:33,740 --> 01:12:31,110

out there to go to conspiracy conspiracy

1431

01:12:35,630 --> 01:12:33,750

journal dot-com and get signed up it's a

1432

01:12:38,470 --> 01:12:35,640

great subscription to have it's free

1433

01:12:42,500 --> 01:12:38,480

which you know what's free anymore and

1434

01:12:44,240 --> 01:12:42,510

your high it's high level stuff it's

1435

01:12:45,800 --> 01:12:44,250

intriguing I look forward to it every

1436

01:12:46,610 --> 01:12:45,810

Sunday and if you don't you're missing

1437

01:12:51,380 --> 01:12:46,620

the boat

1438

01:12:53,330 --> 01:12:51,390

you really are how's it feel so going as

1439

01:12:56,810 --> 01:12:53,340

you got was still on with K Co are up

1440

01:12:59,240 --> 01:12:56,820

there in Vegas or yes yes exploring the

1441

01:13:02,750 --> 01:12:59,250

bizarre Thursday nights at 10:00 p.m.

1442

01:13:05,360 --> 01:13:02,760

Eastern Time on the K cor digital radio

1443

01:13:08,780 --> 01:13:05,370

network myself and Tim Buckley we always

1444

01:13:11,870 --> 01:13:08,790

have a lot of fun and have lots and lots

1445

01:13:14,120 --> 01:13:11,880

of fascinating guests every week that

1446

01:13:15,350 --> 01:13:14,130

sounds great you know if folks don't

1447

01:13:17,930 --> 01:13:15,360

follow up with that there they're just

1448

01:13:20,360 --> 01:13:17,940

missing the boat making a mistake well

1449

01:13:22,570 --> 01:13:20,370

Tim listen it's been great having ya I

1450

01:13:24,950 --> 01:13:22,580

look forward to you on every time and

1451

01:13:29,090 --> 01:13:24,960

you don't ever disappoint you sure don't

1452

01:13:31,580 --> 01:13:29,100

yeah yeah well thanks Kevin Holly I

1453

01:13:34,100 --> 01:13:31,590

appreciate you having me on and anytime

1454

01:13:37,700 --> 01:13:34,110

you want me back I'm always ready to do

1455

01:13:40,130 --> 01:13:37,710

I do appreciate that well listen you

1456

01:13:41,690 --> 01:13:40,140

have a good evening and we'll say a few

1457

01:13:43,160 --> 01:13:41,700

things about the upcoming guests and

1458

01:13:46,370 --> 01:13:43,170

we'll sail off the end of the blue here

1459

01:13:50,180 --> 01:13:46,380

all right guys thank you good night good

1460

01:13:51,290 --> 01:13:50,190

night good night that was a pretty good

1461

01:13:53,270 --> 01:13:51,300

show as usual

1462

01:13:55,640 --> 01:13:53,280

tim was a always repository of good

1463

01:13:57,170 --> 01:13:55,650

information and uh oh yeah that was

1464

01:13:59,660 --> 01:13:57,180

pretty it that's pretty interesting but

1465

01:14:01,310 --> 01:13:59,670

the old Nazis well well he there was

1466

01:14:04,220 --> 01:14:01,320

definitely an occult connection with the

1467

01:14:05,570 --> 01:14:04,230

Nazis there really was and yeah you know

1468

01:14:09,530 --> 01:14:05,580

we'll talk about that some other time

1469

01:14:11,960 --> 01:14:09,540

but now we've got Doug Geils coming on

1470

01:14:13,910 --> 01:14:11,970

next week and he's a conservative guest

1471

01:14:17,720 --> 01:14:13,920

and we've got two weird Florida coming

1472

01:14:24,050 --> 01:14:17,730

on after that so I have to play sick

1473

01:14:25,610 --> 01:14:24,060

next week oh that's okay but I think

1474

01:14:28,250 --> 01:14:25,620

you'll like the weird Florida thing

1475

01:14:30,200 --> 01:14:28,260

though that's that's really Florida is

1476

01:14:31,700 --> 01:14:30,210

very weird I mean they have all kinds of

1477

01:14:32,960 --> 01:14:31,710

stories like the two lesbians are

1478

01:14:34,490 --> 01:14:32,970

beating each other over the head and

1479

01:14:36,320 --> 01:14:34,500

arrested by the police competing each

1480

01:14:39,770 --> 01:14:36,330

other over the head with dildos and I

1481

01:14:42,190 --> 01:14:39,780

mean the Tampa Tribune has got a weird

1482

01:14:44,990 --> 01:14:42,200

Florida section almost every week so

1483

01:14:47,360 --> 01:14:45,000

it's just a lot of strange stuff happens

1484

01:14:49,670 --> 01:14:47,370

down there Heidi just really doesn't

1485

01:14:52,160 --> 01:14:49,680

always has really seni how we better

1486

01:14:53,600 --> 01:14:52,170

steal off into the night I guess sounds
