just got better because they threw

92

00:04:08,330 --> 00:04:07,110

Reese's Pieces oh man I just couldn't

93

00:04:11,350 --> 00:04:08,340

imagine that could have gotten better

94

00:04:16,360 --> 00:04:11,360

but it sure did mmm it is delicious so

95

00:04:19,849 --> 00:04:16,370

don't mind me I'm still enjoying those

96

00:04:21,920 --> 00:04:19,859

so you know what I've done this evening

97

00:04:26,670 --> 00:04:21,930

because our guest this evening is truly

98

00:04:30,330 --> 00:04:26,680

truly kind of in the same in the same

99

00:04:32,850 --> 00:04:30,340

of the holiday and the outlandish corner

100

00:04:34,950 --> 00:04:32,860

so and I will officially introduce them

101
00:04:37,320 --> 00:04:34,960
after the break but he's gonna join me

102
00:04:40,439 --> 00:04:37,330
for the outlandish corner so I would

103
00:04:42,960 --> 00:04:40,449
like to tell Brandon my sulo hello I

104
00:04:45,450 --> 00:04:42,970
hope I said it right to pop on in here

105
00:04:49,020 --> 00:04:45,460
Brandon you there yes I'm here

106
00:04:53,070 --> 00:04:49,030
yeehaw how do you masuleh said it well

107
00:04:57,950 --> 00:04:53,080
sue oh yeah you're my sulo okay I'm

108
00:05:03,029 --> 00:05:01,260
so I am ecstatic that you know it's been

109
00:05:06,270 --> 00:05:03,039
a while since I've invited a guest to

110
00:05:08,760 --> 00:05:06,280
join me for the outlandish corner but

111
00:05:11,550 --> 00:05:08,770
for so you guys know sneak peek okay I'm

112
00:05:15,029 --> 00:05:11,560
his uh his bio he has written a new book

113
00:05:16,770 --> 00:05:15,039

called ghost studies oh yeah so um

114

00:05:19,170 --> 00:05:16,780

Brandon and I did not like ferret

115

00:05:20,850 --> 00:05:19,180

through these emails before selecting

116

00:05:23,460 --> 00:05:20,860

them I just kind of copy paste it and

117

00:05:24,810 --> 00:05:23,470

just kind of went with it so I think a

118

00:05:27,060 --> 00:05:24,820

little alien or something in there I

119

00:05:32,610 --> 00:05:27,070

don't know we're gonna see so I don't

120

00:05:35,790 --> 00:05:32,620

know from there or Bigfoot crap let's

121

00:05:39,510 --> 00:05:35,800

see what we got to the Hat here all

122

00:05:41,129 --> 00:05:39,520

right so these are fun but not always

123

00:05:43,409 --> 00:05:41,139

there it could be really horrifying

124

00:05:45,870 --> 00:05:43,419

stuff but okay so anyways this says dear

125

00:05:47,730 --> 00:05:45,880

Heidi I have no one that I could tell

126

00:05:49,620 --> 00:05:47,740

this to that would understand I think

127

00:05:52,560 --> 00:05:49,630

that it wasn't imagining what I

128

00:05:54,659 --> 00:05:52,570

experienced oh okay try entire life I

129

00:05:57,510 --> 00:05:54,669

have been connected with the paranormal

130

00:06:00,149 --> 00:05:57,520

aliens haha there you go Brandon had a

131

00:06:02,040 --> 00:06:00,159

near-death experience when I was little

132

00:06:05,969 --> 00:06:02,050

and this year experience something that

133

00:06:07,980 --> 00:06:05,979

I cannot clarify on Mother's Day weekend

134

00:06:10,620 --> 00:06:07,990

of this year I woke up around 4:30 a.m.

135

00:06:12,960 --> 00:06:10,630

and could not get back to sleep after

136

00:06:16,620 --> 00:06:12,970

some time I decided to order a movie

137

00:06:19,770 --> 00:06:16,630

while still lying in bed when lying Abed

138

00:06:22,050 --> 00:06:19,780

I faced the entrance to my bedroom as I

139

00:06:25,379 --> 00:06:22,060

was watching the movie I saw movement

140

00:06:30,750 --> 00:06:25,389

come in to focus in the doorway I looked

141

00:06:34,020 --> 00:06:30,760

up and saw black sharp features leaning

142

00:06:35,000 --> 00:06:34,030

on the doorframe of my bedroom whoa that

143

00:06:39,269 --> 00:06:35,010

gives me chills

144

00:06:39,999 --> 00:06:39,279

the shapes were sharp and black like

145

00:06:47,140 --> 00:06:40,009

flat

146

00:06:51,159 --> 00:06:47,150

paper the shape was that of a head and a

147

00:06:52,570 --> 00:06:51,169

shoulder leaning in as if it was peeking

148

00:06:56,499 --> 00:06:52,580

around the corner

149

00:06:57,790 --> 00:06:56,509

ooh Brandon we got a juicy one here I

150

00:07:00,639 --> 00:06:57,800

saw it

151
00:07:04,480 --> 00:07:00,649
had enough time to realize I was looking

152
00:07:06,850 --> 00:07:04,490
at something and then look to my dog who

153
00:07:09,790 --> 00:07:06,860
was lying on the bed to see if he would

154
00:07:11,769 --> 00:07:09,800
have reacted or is paying attention he

155
00:07:13,570 --> 00:07:11,779
was licking his paws and the presents

156
00:07:16,839 --> 00:07:13,580
didn't disturb him or call his attention

157
00:07:20,469 --> 00:07:16,849
I looked back at the object and in my

158
00:07:22,719 --> 00:07:20,479
head said it's a shadow person as soon

159
00:07:25,719 --> 00:07:22,729
as I thought went through my head the

160
00:07:29,260 --> 00:07:25,729
black figure immediately began to

161
00:07:32,230 --> 00:07:29,270
dissipate it didn't disappear but turned

162
00:07:35,350 --> 00:07:32,240
green and looked as if the shape was

163
00:07:37,929 --> 00:07:35,360

fading green energy I could clearly

164

00:07:40,659 --> 00:07:37,939

still see the outline of the shapes as

165

00:07:44,769 --> 00:07:40,669

the head and shoulder sections turned

166

00:07:48,189 --> 00:07:44,779

from 2d black cutout to green energy and

167

00:07:51,549 --> 00:07:48,199

dissolve completely Wow I wasn't

168

00:07:53,679 --> 00:07:51,559

terrified but more in shock to me I feel

169

00:07:56,829 --> 00:07:53,689

that it was a shadow person I would have

170

00:08:00,070 --> 00:07:56,839

been completely terrified chill hora etc

171

00:08:03,549 --> 00:08:00,080

I feel I truly feel that if it was more

172

00:08:06,820 --> 00:08:03,559

alien related do you have any idea what

173

00:08:08,290 --> 00:08:06,830

I saw or any thoughts and regards any

174

00:08:10,899 --> 00:08:08,300

hope you could give me would be greatly

175

00:08:13,570 --> 00:08:10,909

appreciated every day I replay this I

176

00:08:15,249 --> 00:08:13,580

can't sleep in my room without keeping

177

00:08:18,879 --> 00:08:15,259

the lights I don't blame you even

178

00:08:20,499 --> 00:08:18,889

thought the and even took place what

179

00:08:23,139 --> 00:08:20,509

even thought that sometimes they don't

180

00:08:25,540 --> 00:08:23,149

edit that's okay even thought that it

181

00:08:28,179 --> 00:08:25,550

even took place well it was light

182

00:08:30,279 --> 00:08:28,189

outside I have two little boys and I'm a

183

00:08:33,279 --> 00:08:30,289

single mom and want to make sure that

184

00:08:35,170 --> 00:08:33,289

they are not in any danger or if I need

185

00:08:43,059 --> 00:08:35,180

to call on further help thank you so

186

00:08:47,170 --> 00:08:43,069

much Tracy boom Brandon oh wow that was

187

00:08:50,590 --> 00:08:47,180

really really descriptive like she got

188

00:08:52,870 --> 00:08:50,600

the color changes she got everything and

189

00:08:53,830 --> 00:08:52,880

I guess I always wonder why it seems

190

00:08:55,720 --> 00:08:53,840

often that the

191

00:08:58,750 --> 00:08:55,730

figures and apparitions appear in

192

00:09:02,050 --> 00:08:58,760

doorways in doorframe it doesn't always

193

00:09:04,000 --> 00:09:02,060

seem that way it does well a collection

194

00:09:05,590 --> 00:09:04,010

of positive negative ions what are we

195

00:09:09,010 --> 00:09:05,600

talking about like a lightning rod of

196

00:09:11,080 --> 00:09:09,020

sorts a third world I don't know it's

197

00:09:13,030 --> 00:09:11,090

its it seems like they're almost hanging

198

00:09:16,180 --> 00:09:13,040

out in the doorway just looking at it at

199

00:09:18,340 --> 00:09:16,190

someone it's a weird phenomenon but I

200

00:09:20,200 --> 00:09:18,350

guess my question I almost want to ask

201
00:09:24,430 --> 00:09:20,210
her questions like how often does this

202
00:09:27,100 --> 00:09:24,440
happen how long was the apparition there

203
00:09:28,780 --> 00:09:27,110
what makes that day different than every

204
00:09:31,750 --> 00:09:28,790
other day like what was going on that

205
00:09:33,400 --> 00:09:31,760
that thing appeared that day I know

206
00:09:35,740 --> 00:09:33,410
you're more of an expert on shadow

207
00:09:36,640 --> 00:09:35,750
people than that I'll ever yeah yeah but

208
00:09:40,170 --> 00:09:36,650
there aren't there aren't any

209
00:09:44,590 --> 00:09:40,180
sharp-edged shadow people I've heard of

210
00:09:47,320 --> 00:09:44,600
yeah so that's the that's the kicker for

211
00:09:49,330 --> 00:09:47,330
me so it that's a good question so it's

212
00:09:51,430 --> 00:09:49,340
like to ask you know I wish I had that

213
00:09:53,140 --> 00:09:51,440

opportunity but yeah a lot of people are

214

00:09:55,300 --> 00:09:53,150

shy and they'll send an email versus

215

00:09:57,790 --> 00:09:55,310

calling in so it's all good and they get

216

00:09:59,440 --> 00:09:57,800

a lot more I think details even so they

217

00:10:01,450 --> 00:09:59,450

take time to figure this stuff out how

218

00:10:04,870 --> 00:10:01,460

they want to express it so yeah that was

219

00:10:06,820 --> 00:10:04,880

very detailed but it's it's amazing to

220

00:10:10,900 --> 00:10:06,830

have an experience like that and sort of

221

00:10:13,930 --> 00:10:10,910

I mean it's almost it's out of this

222

00:10:17,020 --> 00:10:13,940

world in a way so if you sort of

223

00:10:18,310 --> 00:10:17,030

document get how often it comes what

224

00:10:20,890 --> 00:10:18,320

your mood was what was different about

225

00:10:23,050 --> 00:10:20,900

that day and sort of if you can get a

226

00:10:24,520 --> 00:10:23,060

consistency maybe get an idea of how

227

00:10:26,650 --> 00:10:24,530

often this thing is showing up I think

228

00:10:29,260 --> 00:10:26,660

you have a better idea of what it is

229

00:10:31,420 --> 00:10:29,270

yeah it sounded like a one time deal

230

00:10:34,300 --> 00:10:31,430

that that's popped up and she keeps

231

00:10:36,430 --> 00:10:34,310

replaying it in her head so okay alright

232

00:10:39,100 --> 00:10:36,440

tag I'm gonna I'm gonna say what I think

233

00:10:42,460 --> 00:10:39,110

this might have been I don't think it

234

00:10:46,330 --> 00:10:42,470

was a shadow person shadow people have a

235

00:10:50,680 --> 00:10:46,340

connection with alien beings but sounded

236

00:10:55,060 --> 00:10:50,690

like some form of you know it's odd to

237

00:10:57,880 --> 00:10:55,070

say but it sounded kind of mechanical it

238

00:10:59,830 --> 00:10:57,890

sounded Pro be like but she described it

239

00:11:02,560 --> 00:10:59,840

as having a head with shoulders but with

240

00:11:04,480 --> 00:11:02,570

sharp edges that is so so out of this

241

00:11:06,620 --> 00:11:04,490

world I haven't heard of that before and

242

00:11:11,240 --> 00:11:06,630

shadow people would give you a sense of

243

00:11:14,809 --> 00:11:11,250

absolute dread aliens more nosey more

244

00:11:16,309 --> 00:11:14,819

inquisitive more yeah taking a peek but

245

00:11:17,509 --> 00:11:16,319

shadow people have been known to do that

246

00:11:20,269 --> 00:11:17,519

as well

247

00:11:21,920 --> 00:11:20,279

in which she described this dissipating

248

00:11:25,460 --> 00:11:21,930

green energy that sounds like a

249

00:11:27,340 --> 00:11:25,470

technology once again I'm gonna share a

250

00:11:31,009 --> 00:11:27,350

quick story Tracy this is crazy

251
00:11:33,620 --> 00:11:31,019
but um I had a friend okay they are okay

252
00:11:37,910 --> 00:11:33,630
this is oh this is a roommate at the

253
00:11:39,829 --> 00:11:37,920
time and we had some strange things

254
00:11:40,340 --> 00:11:39,839
going on in the apartment that's just a

255
00:11:44,389 --> 00:11:40,350
given

256
00:11:47,600 --> 00:11:44,399
and so that this friend was was Jewish

257
00:11:49,850 --> 00:11:47,610
and put like oh I'm is Lazar or

258
00:11:51,980 --> 00:11:49,860
something on the door to keep negative

259
00:11:53,389 --> 00:11:51,990
things out and because so many things

260
00:11:55,430 --> 00:11:53,399
were just happening it was just so

261
00:11:57,139 --> 00:11:55,440
bizarre so I put this little little

262
00:11:58,879 --> 00:11:57,149
scroll thing of the Ten Commandments or

263
00:12:00,590 --> 00:11:58,889

something on the door or some kind of

264

00:12:06,379 --> 00:12:00,600

blessing I don't know something along

265

00:12:07,819 --> 00:12:06,389

those lines and next day I'm like she's

266

00:12:12,230 --> 00:12:07,829

in the living room watching TV I'm

267

00:12:13,819 --> 00:12:12,240

washing dishes or something and like she

268

00:12:16,999 --> 00:12:13,829

shrieked or something I can't remember

269

00:12:17,449 --> 00:12:17,009

and it's just like oh my god did you see

270

00:12:20,090 --> 00:12:17,459

that

271

00:12:22,999 --> 00:12:20,100

and I'm thinking because we had a rodent

272

00:12:25,639 --> 00:12:23,009

run in this apartment at what it is like

273

00:12:28,759 --> 00:12:25,649

and I heard something hit the bag and

274

00:12:29,269 --> 00:12:28,769

she's streaking like oh my God look and

275

00:12:31,670 --> 00:12:29,279

I'm like

276

00:12:33,679 --> 00:12:31,680

turning him like and I saw the big kind

277

00:12:35,449 --> 00:12:33,689

of tumbled over a little bit I'm like oh

278

00:12:38,449 --> 00:12:35,459

my god where'd it go she's like freaked

279

00:12:40,699 --> 00:12:38,459

out paralyzed going no it went down the

280

00:12:42,740 --> 00:12:40,709

hallway and it couldn't get in her

281

00:12:44,449 --> 00:12:42,750

description out night chasing to go see

282

00:12:45,740 --> 00:12:44,459

what the heck it was I'm from the

283

00:12:49,579 --> 00:12:45,750

country I'm not afraid of no little

284

00:12:52,040 --> 00:12:49,589

field mice so I'm like looking to see

285

00:12:54,259 --> 00:12:52,050

where this thing went when she finally

286

00:13:01,370 --> 00:12:54,269

calmed down she described to me a 2d

287

00:13:05,749 --> 00:13:01,380

flat very dark brown a square that kind

288

00:13:09,019 --> 00:13:05,759

of came through the door somehow hit the

289

00:13:12,350 --> 00:13:09,029

garbage bag and flattened itself and

290

00:13:14,900 --> 00:13:12,360

went flat down the hall way so a

291

00:13:17,030 --> 00:13:14,910

technology of some sort of probe of some

292

00:13:18,769 --> 00:13:17,040

sort I don't know but when I hear this

293

00:13:20,600 --> 00:13:18,779

story from Tracy here it's all I could

294

00:13:24,230 --> 00:13:20,610

think up to being the closest

295

00:13:27,560 --> 00:13:24,240

do it like a 2d thing like you know can

296

00:13:29,449 --> 00:13:27,570

it can it can it slap a triangular head

297

00:13:31,850 --> 00:13:29,459

on it and it make it look like it was

298

00:13:33,650 --> 00:13:31,860

head and shoulders I don't know but this

299

00:13:37,250 --> 00:13:33,660

is a doozy Tracey if I come across

300

00:13:39,230 --> 00:13:37,260

something similar I'll definitely get

301

00:13:42,889 --> 00:13:39,240

back to you let you know that's it that

302

00:13:44,269 --> 00:13:42,899

was a cool one Wow Tracey thanks thanks

303

00:13:48,710 --> 00:13:44,279

so much for writing that one that was

304

00:13:50,660 --> 00:13:48,720

wild okay so I got a big one here okay

305

00:13:54,160 --> 00:13:50,670

Brandon oh boy here we go

306

00:13:56,720 --> 00:13:54,170

this one says hi Heidi I was absolutely

307

00:13:59,120 --> 00:13:56,730

absolutely ecstatic to hear you on

308

00:14:01,460 --> 00:13:59,130

coast-to-coast am tonight okay that was

309

00:14:04,100 --> 00:14:01,470

a little over a week ago I love hearing

310

00:14:06,230 --> 00:14:04,110

about phenomena which I myself have

311

00:14:08,240 --> 00:14:06,240

experienced or at least I think I have

312

00:14:10,009 --> 00:14:08,250

sleep paralysis since I was young girl

313

00:14:11,930 --> 00:14:10,019

for about four or five years I had

314

00:14:15,199 --> 00:14:11,940

recurring nightmares where a very large

315

00:14:17,449 --> 00:14:15,209

dark energy male energy would stand at

316

00:14:19,730 --> 00:14:17,459

the end of my bed grab me by the ankles

317

00:14:22,009 --> 00:14:19,740

and try to pull me off the bed obviously

318

00:14:24,079 --> 00:14:22,019

I was terrified but the problem was that

319

00:14:25,610 --> 00:14:24,089

I was also paralyzed eventually I was

320

00:14:28,400 --> 00:14:25,620

struggled to the point where I felt I

321

00:14:30,710 --> 00:14:28,410

must have passed out when I woke up it

322

00:14:33,439 --> 00:14:30,720

was usually daytime and the dark man

323

00:14:36,079 --> 00:14:33,449

quote was gone prior to the dark man

324

00:14:38,389 --> 00:14:36,089

appearing I'd first heard hear footsteps

325

00:14:41,210 --> 00:14:38,399

down the hallway outside my bedroom

326

00:14:43,759 --> 00:14:41,220

always seemingly to stop at my door but

327

00:14:46,370 --> 00:14:43,769

the time I was around 15 or 16 the quote

328

00:14:47,930 --> 00:14:46,380

dark man no longer came to my room but I

329

00:14:51,019 --> 00:14:47,940

continued to experience sleep paralysis

330

00:14:54,560 --> 00:14:51,029

in fact I still do and I'm 53 years old

331

00:14:56,840 --> 00:14:54,570

from about that same age I often tell my

332

00:14:59,420 --> 00:14:56,850

friends that I came from the stars and

333

00:15:01,370 --> 00:14:59,430

that I didn't belong here I always felt

334

00:15:04,220 --> 00:15:01,380

different from everyone else even from

335

00:15:07,160 --> 00:15:04,230

the earliest memories there are no baby

336

00:15:09,439 --> 00:15:07,170

pictures of me not until I was five and

337

00:15:11,840 --> 00:15:09,449

whenever I asked my mom to describe me

338

00:15:13,160 --> 00:15:11,850

as a child you would only ever say you

339

00:15:15,079 --> 00:15:13,170

were just different

340

00:15:16,639 --> 00:15:15,089

mom saying you're ugly baby I'm sorry

341

00:15:19,280 --> 00:15:16,649

I'm just kidding

342

00:15:22,970 --> 00:15:19,290

let's go reptilians not too long ago

343

00:15:25,519 --> 00:15:22,980

August 2013 I was attending a past life

344

00:15:28,730 --> 00:15:25,529

regression conference in Vancouver BC

345

00:15:31,189 --> 00:15:28,740

Canada the workshop was led by Brian

346

00:15:33,950 --> 00:15:31,199

Weiss probably one of the world's most

347

00:15:35,750 --> 00:15:33,960

recognized experts on the subject I had

348

00:15:37,790 --> 00:15:35,760

only become interested in subject three

349

00:15:40,640 --> 00:15:37,800

months earlier a good friend of mine and

350

00:15:44,720 --> 00:15:40,650

yours okay Robin

351

00:15:47,240 --> 00:15:44,730

introduced me to some of Brian's books

352

00:15:49,640 --> 00:15:47,250

which really really intrigued me I then

353

00:15:51,980 --> 00:15:49,650

I found out that as luck would have it

354

00:15:53,450 --> 00:15:51,990

he was coming to Vancouver a short drive

355

00:15:56,900 --> 00:15:53,460

from my current home just a few months

356

00:16:00,470 --> 00:15:56,910

away from first exposure to his works I

357

00:16:03,440 --> 00:16:00,480

went and along with about 1000 others

358

00:16:05,810 --> 00:16:03,450

got to experience four regressions all

359

00:16:09,620 --> 00:16:05,820

led by dr. Weiss Wow can you imagine all

360

00:16:11,300 --> 00:16:09,630

that going on at once whoo-hoo and wild

361

00:16:14,750 --> 00:16:11,310

that sounds like I never did doing a

362

00:16:17,900 --> 00:16:14,760

regression that sounds like hate yeah I

363

00:16:20,240 --> 00:16:17,910

think so it says that I sat in the front

364

00:16:22,940 --> 00:16:20,250

row and was completely transfixed by dr.

365

00:16:25,130 --> 00:16:22,950

Weiss and by the process of regression

366

00:16:27,080 --> 00:16:25,140

everything was going great I mean that I

367

00:16:28,670 --> 00:16:27,090

was really having amazing regression

368

00:16:31,520 --> 00:16:28,680

it's including a rebirth experience

369

00:16:33,770 --> 00:16:31,530

which I'll never forget my bed however

370

00:16:36,590 --> 00:16:33,780

things suddenly went sideways on the

371

00:16:38,120 --> 00:16:36,600

last regression as dr. Weiss spoke to

372

00:16:40,370 --> 00:16:38,130

the audience and set up the final

373

00:16:43,220 --> 00:16:40,380

regression he told us to ask the person

374

00:16:45,410 --> 00:16:43,230

next to us for our personal object of

375

00:16:48,050 --> 00:16:45,420

theirs the lady next to me was an

376

00:16:49,490 --> 00:16:48,060

elderly woman from st. Louis she and I

377

00:16:51,260 --> 00:16:49,500

had been chatting for most of the

378

00:16:53,660 --> 00:16:51,270

conference so I felt comfortable asking

379

00:16:55,400 --> 00:16:53,670

for something personal she thought about

380

00:16:57,170 --> 00:16:55,410

it for a few minutes then unhooked a

381

00:16:59,150 --> 00:16:57,180

chain from her neck the necklace was

382

00:17:02,270 --> 00:16:59,160

long silver chain with medium sized

383

00:17:05,420 --> 00:17:02,280

links with a huge cross with Jesus on it

384

00:17:06,980 --> 00:17:05,430

the typical crucifixion posture I placed

385

00:17:09,650 --> 00:17:06,990

it in the palm of my left hand close my

386

00:17:11,810 --> 00:17:09,660

close my hand then my eyes waiting for

387

00:17:13,970 --> 00:17:11,820

dr. Rice's regression instructions

388

00:17:16,240 --> 00:17:13,980

within a few moments of him speaking to

389

00:17:19,460 --> 00:17:16,250

the crowd guiding us into a trance a

390

00:17:24,260 --> 00:17:19,470

meditative state to my utter horror I

391

00:17:29,090 --> 00:17:24,270

quote saw that my left hand had morphed

392

00:17:33,290 --> 00:17:29,100

into a reptilian like hand oh oh oh this

393

00:17:36,650 --> 00:17:33,300

is a good one Brandon it was it was very

394

00:17:40,010 --> 00:17:36,660

large the color was a brilliant

395

00:17:43,730 --> 00:17:40,020

iridescent green with blue and yellow

396

00:17:47,810 --> 00:17:43,740

tones as well the hand had huge talent

397

00:17:50,390 --> 00:17:47,820

like claws 2 to 3 inches long my armless

398

00:17:53,510 --> 00:17:50,400

scaled up to my elbow in my entire leg

399

00:17:56,690 --> 00:17:53,520

and foot which my hand was resting upon

400

00:18:00,560 --> 00:17:56,700

was of the same scaly texture also

401
00:18:02,990 --> 00:18:00,570
brilliant green blue the palm of my hand

402
00:18:06,790 --> 00:18:03,000
where the necklace crucifix is resting

403
00:18:08,090 --> 00:18:06,800
was sitting in a pool of dark red blood

404
00:18:10,550 --> 00:18:08,100
ha

405
00:18:12,680 --> 00:18:10,560
I was so rattled after this experience I

406
00:18:14,810 --> 00:18:12,690
didn't really know how to express what

407
00:18:16,760 --> 00:18:14,820
had happened after the regression I

408
00:18:18,770 --> 00:18:16,770
immediately got up from my seat to look

409
00:18:20,750 --> 00:18:18,780
for the restroom after using the

410
00:18:23,060 --> 00:18:20,760
washroom I walked back to my speed seat

411
00:18:24,590 --> 00:18:23,070
speaking to no one as I sat down across

412
00:18:27,650 --> 00:18:24,600
my legs odd I have it and felt a

413
00:18:30,680 --> 00:18:27,660

stinging sensation across my lower left

414

00:18:34,190 --> 00:18:30,690

leg I looked at my leg and saw a very

415

00:18:38,240 --> 00:18:34,200

fresh gash four to six inches long a

416

00:18:40,550 --> 00:18:38,250

quarter inch wide on a steep angle from

417

00:18:43,310 --> 00:18:40,560

one side of the lake to the other it

418

00:18:47,180 --> 00:18:43,320

really hurt and I was at a complete loss

419

00:18:49,610 --> 00:18:47,190

as to how it got there who it took me a

420

00:18:52,070 --> 00:18:49,620

long long time to feel okay after this

421

00:18:54,800 --> 00:18:52,080

event and plunge me into a kind of mini

422

00:18:56,480 --> 00:18:54,810

depression something extremely rare for

423

00:18:58,670 --> 00:18:56,490

me after speaking with Robin a few

424

00:19:02,360 --> 00:18:58,680

others I trusted it became apparent that

425

00:19:04,520 --> 00:19:02,370

I hadn't protected myself first prior to

426
00:19:06,320 --> 00:19:04,530
being regressed I had not even

427
00:19:08,780 --> 00:19:06,330
considered that I wouldn't need

428
00:19:12,590 --> 00:19:08,790
protection for myself in these

429
00:19:14,780 --> 00:19:12,600
situations from what I asked now I know

430
00:19:17,870 --> 00:19:14,790
this past September October I consulted

431
00:19:19,850 --> 00:19:17,880
a man named Michael he performed several

432
00:19:22,820 --> 00:19:19,860
clearings on myself at home he

433
00:19:25,940 --> 00:19:22,830
identified chords which would need to be

434
00:19:28,040 --> 00:19:25,950
cut as well as two non earthbound

435
00:19:30,020 --> 00:19:28,050
entities and one earthbound entity

436
00:19:32,120 --> 00:19:30,030
Michael never tells the client when the

437
00:19:33,860 --> 00:19:32,130
clearing is going to happen he sends a

438
00:19:36,530 --> 00:19:33,870

follow-up email once he has completed

439

00:19:38,510 --> 00:19:36,540

the remote clearing one afternoon he a

440

00:19:40,910 --> 00:19:38,520

few days after I signed up for my

441

00:19:43,990 --> 00:19:40,920

clearing I expected a dark cloud

442

00:19:46,370 --> 00:19:44,000

oh I experienced a dark cloud of energy

443

00:19:49,670 --> 00:19:46,380

approximately half the size of my body

444

00:19:52,070 --> 00:19:49,680

leaving my body and floating up into the

445

00:19:53,780 --> 00:19:52,080

ceiling above my head many other bizarre

446

00:19:55,850 --> 00:19:53,790

things happen that day but the dark

447

00:19:58,550 --> 00:19:55,860

cloud leaving my body was by far the

448

00:20:00,080 --> 00:19:58,560

most interesting after the clearing I

449

00:20:02,240 --> 00:20:00,090

felt a lot better but not

450

00:20:04,850 --> 00:20:02,250

completely free of a Dark Presence which

451
00:20:08,060 --> 00:20:04,860
had become somewhat of a dark shadow

452
00:20:10,010 --> 00:20:08,070
energy to me ever since the past life

453
00:20:11,960 --> 00:20:10,020
regression conference a week later I

454
00:20:13,940 --> 00:20:11,970
went to a weekend clearing retreat which

455
00:20:15,740 --> 00:20:13,950
was very very powerful and I can

456
00:20:17,570 --> 00:20:15,750
honestly say that the dark energy that

457
00:20:20,090 --> 00:20:17,580
had dog my world for more than a year

458
00:20:22,010 --> 00:20:20,100
was completely gone however lately I'm

459
00:20:24,110 --> 00:20:22,020
experiencing energy beings of

460
00:20:25,820 --> 00:20:24,120
questionable motives so I guess I need

461
00:20:27,440 --> 00:20:25,830
to develop some more protection

462
00:20:30,110 --> 00:20:27,450
strategies my spiritual beliefs are

463
00:20:32,419 --> 00:20:30,120

mixed I believe in an afterlife past

464

00:20:35,690 --> 00:20:32,429

lives aliens as possibly a

465

00:20:38,510 --> 00:20:35,700

representation of our alter egos evil as

466

00:20:40,580 --> 00:20:38,520

possibly one facet of love a universal

467

00:20:43,909 --> 00:20:40,590

field of possibilities co-creation and

468

00:20:45,350 --> 00:20:43,919

love is God that's my story I'd love to

469

00:20:49,100 --> 00:20:45,360

know what you think thank you so much

470

00:20:53,899 --> 00:20:49,110

for sharing your stories hugs and gee

471

00:20:56,090 --> 00:20:53,909

Wow Wow we went from sleep paralysis to

472

00:20:58,220 --> 00:20:56,100

past life regression to dark cloud of

473

00:21:03,799 --> 00:20:58,230

energy wow that was a lot coming on

474

00:21:06,919 --> 00:21:03,809

there go for you go for it Brandon well

475

00:21:08,029 --> 00:21:06,929

I am I actually suffered I haven't had

476

00:21:10,580 --> 00:21:08,039

in a while but I used to suffer from

477

00:21:12,200 --> 00:21:10,590

sleep paralysis as well I used to see a

478

00:21:13,909 --> 00:21:12,210

dark kind of like she mentioned like a

479

00:21:16,039 --> 00:21:13,919

dark shadow figure coming at me and I

480

00:21:18,529 --> 00:21:16,049

couldn't move and I would try to scream

481

00:21:21,560 --> 00:21:18,539

and I couldn't talk sleep paralysis is

482

00:21:24,169 --> 00:21:21,570

terrifying I don't know what happened I

483

00:21:25,789 --> 00:21:24,179

I just sort of stopped having them I

484

00:21:28,430 --> 00:21:25,799

don't know if it was stress-related or

485

00:21:33,070 --> 00:21:28,440

what but I definitely feel the pain when

486

00:21:36,860 --> 00:21:35,180

you know you speak it to the shadow

487

00:21:39,320 --> 00:21:36,870

people guru right

488

00:21:41,889 --> 00:21:39,330

yeah well psychological demons probably

489

00:21:46,190 --> 00:21:41,899

that's for sure

490

00:21:49,190 --> 00:21:46,200

but what happens during a regression is

491

00:21:50,899 --> 00:21:49,200

it like a hypnosis type situation or is

492

00:21:51,820 --> 00:21:50,909

it like meditation because she kept

493

00:21:54,769 --> 00:21:51,830

saying

494

00:21:58,070 --> 00:21:54,779

regressions I kept thinking going on is

495

00:21:59,990 --> 00:21:58,080

he like yeah it's like to get him to a

496

00:22:02,450 --> 00:22:00,000

relaxed state so they can more easily

497

00:22:04,820 --> 00:22:02,460

recall from whence they came or what

498

00:22:08,299 --> 00:22:04,830

took place during an event things like

499

00:22:10,100 --> 00:22:08,309

that it sounds it ah yeah it almost

500

00:22:11,539 --> 00:22:10,110

seems like you know Carl yeah you know

501
00:22:12,240 --> 00:22:11,549
have you ever heard of Carl Jung yes

502
00:22:14,970 --> 00:22:12,250
yeah

503
00:22:18,240 --> 00:22:14,980
he did a lot on collective unconscious

504
00:22:19,620 --> 00:22:18,250
and archetypes and things like that it

505
00:22:22,260 --> 00:22:19,630
almost seems like she sort of tapped

506
00:22:24,390 --> 00:22:22,270
into a an archetype here with the

507
00:22:26,040 --> 00:22:24,400
reptilian and with that thing it seemed

508
00:22:29,910 --> 00:22:26,050
like that somehow surfaced during this

509
00:22:33,150 --> 00:22:29,920
regression that's what I would that's

510
00:22:36,510 --> 00:22:33,160
where I would explore that yeah you know

511
00:22:39,390 --> 00:22:36,520
obviously she believes that there was

512
00:22:43,830 --> 00:22:39,400
something mystical about her childhood

513
00:22:45,960 --> 00:22:43,840

which no one is telling her but I would

514

00:22:47,430 --> 00:22:45,970

say that during these regressions in

515

00:22:48,750 --> 00:22:47,440

meditative state she might have tapped

516

00:22:51,390 --> 00:22:48,760

into something like collectively

517

00:22:53,580 --> 00:22:51,400

unconscious and archetype wise that sort

518

00:22:55,080 --> 00:22:53,590

of came up that reptilian or that snake

519

00:23:00,570 --> 00:22:55,090

because that's one of Jung's biggest

520

00:23:02,400 --> 00:23:00,580

archetypes is the snake yeah hey I have

521

00:23:04,860 --> 00:23:02,410

to give it a brain for trying to tackle

522

00:23:08,930 --> 00:23:04,870

it if that's a big juicy multifaceted

523

00:23:12,260 --> 00:23:08,940

one here you know usually I get the

524

00:23:15,180 --> 00:23:12,270

shadow people happen and type of stuff

525

00:23:17,100 --> 00:23:15,190

I've been getting a lot more of a

526

00:23:19,710 --> 00:23:17,110

mixture as of late and it's it's kind of

527

00:23:22,020 --> 00:23:19,720

cool it's interesting she brought up

528

00:23:23,640 --> 00:23:22,030

past life regression here yeah I live in

529

00:23:24,780 --> 00:23:23,650

Ohio and there was a place down the

530

00:23:27,000 --> 00:23:24,790

street that was doing that a couple

531

00:23:28,470 --> 00:23:27,010

weeks ago and I mean I really want to go

532

00:23:29,940 --> 00:23:28,480

to this past life regression just to see

533

00:23:32,460 --> 00:23:29,950

what it's like and I ended up not

534

00:23:34,410 --> 00:23:32,470

knowing but now if I would have had so

535

00:23:37,140 --> 00:23:34,420

much more to add for this conversation

536

00:23:39,960 --> 00:23:37,150

oh it's all good so all right I'm gonna

537

00:23:43,100 --> 00:23:39,970

tackle it so this this this reptilian

538

00:23:46,830 --> 00:23:43,110

thing that's actually a pretty common

539

00:23:49,470 --> 00:23:46,840

thing that people either witness or

540

00:23:54,270 --> 00:23:49,480

experience for themselves it's seeing a

541

00:23:58,080 --> 00:23:54,280

revelation of reptiles I slay stacks

542

00:24:00,540 --> 00:23:58,090

whatever you want to call them it's such

543

00:24:02,190 --> 00:24:00,550

a such a strange thing but I've met many

544

00:24:04,290 --> 00:24:02,200

people I've received many emails for

545

00:24:06,030 --> 00:24:04,300

people who are like you know I was

546

00:24:09,300 --> 00:24:06,040

sitting there talking to my friend Susie

547

00:24:11,700 --> 00:24:09,310

and I look in Susie's like standing

548

00:24:13,530 --> 00:24:11,710

there but well this thing is wearing her

549

00:24:16,020 --> 00:24:13,540

clothes I hear her voice but it's all

550

00:24:19,020 --> 00:24:16,030

reptile and and it's just like the

551
00:24:22,980 --> 00:24:19,030
strangest thing or seeing somebody's

552
00:24:25,260 --> 00:24:22,990
feet changed into big claws and then

553
00:24:28,320 --> 00:24:25,270
it's like well I don't think that these

554
00:24:29,460 --> 00:24:28,330
people are always so readily aware but

555
00:24:32,340 --> 00:24:29,470
then other times I think they are

556
00:24:34,440 --> 00:24:32,350
because when they start to kind of morph

557
00:24:37,530 --> 00:24:34,450
in and out and if you got that drop jaw

558
00:24:39,570 --> 00:24:37,540
look they kind of go and they they they

559
00:24:41,610 --> 00:24:39,580
might turn around real quick or and

560
00:24:44,970 --> 00:24:41,620
we've seen newscasters even do that

561
00:24:48,210 --> 00:24:44,980
there's a whole slew if you if you go

562
00:24:49,980 --> 00:24:48,220
into YouTube and say you know reptile

563
00:24:51,480 --> 00:24:49,990

news reporter or something it's a bunch

564

00:24:54,150 --> 00:24:51,490

of them where they start to kind of

565

00:24:55,800 --> 00:24:54,160

change on camera and if some of them

566

00:24:59,340 --> 00:24:55,810

seem to realize and they grab their face

567

00:25:01,920 --> 00:24:59,350

it's so weird what is going on with that

568

00:25:04,710 --> 00:25:01,930

it I am not always certain but when you

569

00:25:07,200 --> 00:25:04,720

when you talk about this dark cloud

570

00:25:10,200 --> 00:25:07,210

having left you and you feel like it's

571

00:25:12,780 --> 00:25:10,210

fully gone I have heard of people

572

00:25:14,760 --> 00:25:12,790

claiming to kind of be possessed by

573

00:25:17,160 --> 00:25:14,770

alien beings go figure

574

00:25:19,950 --> 00:25:17,170

but it's something that's truly going on

575

00:25:22,200 --> 00:25:19,960

and I would suggest listening to a show

576

00:25:26,040 --> 00:25:22,210

that I did with Kathleen Mardon

577

00:25:28,500 --> 00:25:26,050

marden she's the niece of Betty and

578

00:25:30,750 --> 00:25:28,510

Barney Hill and if you go to inception

579

00:25:33,690 --> 00:25:30,760

Radio Network tune into that one because

580

00:25:36,270 --> 00:25:33,700

she kind of discusses that to some

581

00:25:38,100 --> 00:25:36,280

extent we got into the juicy bits of it

582

00:25:41,430 --> 00:25:38,110

and it's the solo interview that's dish

583

00:25:43,890 --> 00:25:41,440

she and I did there was one that I at

584

00:25:48,000 --> 00:25:43,900

she did with Stanton Friedman it's not

585

00:25:50,610 --> 00:25:48,010

that that's the other one so so I it's

586

00:25:53,430 --> 00:25:50,620

it's something that is happening to

587

00:25:55,260 --> 00:25:53,440

people and what triggers it what opens

588

00:25:56,970 --> 00:25:55,270

it yeah it could have been because he

589

00:25:59,520 --> 00:25:56,980

went into that meditative state your

590

00:26:02,190 --> 00:25:59,530

your guard was down something said oh

591

00:26:05,160 --> 00:26:02,200

how about that let me go take a look and

592

00:26:06,960 --> 00:26:05,170

slide on in there and how can I say

593

00:26:10,230 --> 00:26:06,970

people feel they're looking through the

594

00:26:12,720 --> 00:26:10,240

eyes of an alien being and they'll see

595

00:26:15,540 --> 00:26:12,730

their alien body and though it's not

596

00:26:16,050 --> 00:26:15,550

their own - and it's like well what is

597

00:26:18,300 --> 00:26:16,060

that about

598

00:26:21,630 --> 00:26:18,310

you know tapping into something for sure

599

00:26:23,910 --> 00:26:21,640

sounds like what you did as far as the

600

00:26:25,830 --> 00:26:23,920

sleep paralysis thing it sounds like

601
00:26:27,930 --> 00:26:25,840
Brandon is in the belief of the sleep

602
00:26:32,660 --> 00:26:27,940
paralysis being a psychological thing

603
00:26:35,370 --> 00:26:32,670
I'm on the demon side so these things I

604
00:26:39,360 --> 00:26:35,380
personally I think that these things

605
00:26:41,730 --> 00:26:39,370
like to suck the energy the fear out of

606
00:26:43,710 --> 00:26:41,740
it's if people all describe the same

607
00:26:45,510 --> 00:26:43,720
thing and and people that have not met

608
00:26:48,860 --> 00:26:45,520
each other and I'm the person that's

609
00:26:52,440 --> 00:26:48,870
collected these all for 20 more years

610
00:26:54,240 --> 00:26:52,450
about happy had shadow people and so

611
00:26:55,799 --> 00:26:54,250
many times people are like I thought I

612
00:26:57,419 --> 00:26:55,809
was the only one you know and they're

613
00:27:00,710 --> 00:26:57,429

describing the exact same thing and it's

614

00:27:05,010 --> 00:27:00,720

like it can can we all just suddenly be

615

00:27:07,769 --> 00:27:05,020

having this great sense of imagination

616

00:27:09,659 --> 00:27:07,779

to think oh it's that you know that

617

00:27:10,740 --> 00:27:09,669

we're all connected we got the psychic

618

00:27:12,990 --> 00:27:10,750

link going on and we're all just

619

00:27:14,700 --> 00:27:13,000

happened to be able to form that I'm of

620

00:27:16,889 --> 00:27:14,710

the opinion that no there's something

621

00:27:18,659 --> 00:27:16,899

sinister going on because people will be

622

00:27:21,330 --> 00:27:18,669

wide awake and see these same things as

623

00:27:25,139 --> 00:27:21,340

well such as my first several

624

00:27:28,169 --> 00:27:25,149

experiences no fun watching it chase

625

00:27:30,570 --> 00:27:28,179

myself and one and one of my friends

626

00:27:33,419 --> 00:27:30,580

really crazy broad daylight

627

00:27:35,370 --> 00:27:33,429

I wasn't sleeping and it's the same

628

00:27:39,000 --> 00:27:35,380

thing creeping into people's bedrooms at

629

00:27:40,620 --> 00:27:39,010

night so yeah not cool but you know the

630

00:27:42,659 --> 00:27:40,630

the past life regression thing

631

00:27:44,490 --> 00:27:42,669

absolutely cool that's something I would

632

00:27:47,070 --> 00:27:44,500

like to do or I have not been an easy

633

00:27:49,019 --> 00:27:47,080

person to hypnotize I would love to try

634

00:27:50,820 --> 00:27:49,029

it again and see what happens but I

635

00:27:53,220 --> 00:27:50,830

never tried for a past life I remember

636

00:27:57,539 --> 00:27:53,230

enough without it but I still would like

637

00:28:01,200 --> 00:27:57,549

to well Brandon this was a this is

638

00:28:04,889 --> 00:28:01,210

really juicy I swear it's like I I just

639

00:28:07,260 --> 00:28:04,899

I'm really wow I was hoping that I get a

640

00:28:09,419 --> 00:28:07,270

nice mix but that was pretty good

641

00:28:11,220 --> 00:28:09,429

everybody had a lot of time and effort

642

00:28:13,409 --> 00:28:11,230

into those emails I mean that that was

643

00:28:15,690 --> 00:28:13,419

yeah those were really detailed and then

644

00:28:17,220 --> 00:28:15,700

kudos to them for sitting down and

645

00:28:19,230 --> 00:28:17,230

writing all that down it's really all

646

00:28:21,269 --> 00:28:19,240

right I have a few hundred more to get

647

00:28:27,630 --> 00:28:21,279

through but I'm just not I'm run out of

648

00:28:30,510 --> 00:28:27,640

time I don't know it's just like every

649

00:28:33,269 --> 00:28:30,520

time I think I've got no I just no I

650

00:28:36,779 --> 00:28:33,279

have not but you know one thing I have

651

00:28:41,639 --> 00:28:36,789

to tell this this Tracy and the hoesley

652

00:28:45,350 --> 00:28:41,649

initials M G for writing in you know

653

00:28:48,600 --> 00:28:45,360

part of educating people and part of

654

00:28:50,669 --> 00:28:48,610

strength building is sharing your story

655

00:28:52,290 --> 00:28:50,679

against all odds if somebody cracks a

656

00:28:54,660 --> 00:28:52,300

smile or laugh even I laughed

657

00:28:56,040 --> 00:28:54,670

myself so the stuff I've experienced but

658

00:28:58,740 --> 00:28:56,050

that's just life and that's just how

659

00:29:00,180 --> 00:28:58,750

things are but let people laugh let's my

660

00:29:02,760 --> 00:29:00,190

land smirk but guess what

661

00:29:04,320 --> 00:29:02,770

women and if they have something weird

662

00:29:07,920 --> 00:29:04,330

going on in their life you'll be the

663

00:29:09,900 --> 00:29:07,930

first person they will call so you're

664

00:29:12,720 --> 00:29:09,910

gonna be the beacon of light whether you

665

00:29:14,580 --> 00:29:12,730

like it or not and you know this is this

666

00:29:17,880 --> 00:29:14,590

is part of growing up in this

667

00:29:19,530 --> 00:29:17,890

paranormally charged world so good you

668

00:29:21,770 --> 00:29:19,540

got to get that out you got a vented you

669

00:29:24,240 --> 00:29:21,780

can't keep that in that's what this in

670

00:29:26,700 --> 00:29:24,250

psychology I can't keep those emotions

671

00:29:28,410 --> 00:29:26,710

and thoughts and issues inside indeed

672

00:29:30,840 --> 00:29:28,420

indeed so you guys we're gonna

673

00:29:32,700 --> 00:29:30,850

officially introduce the guests that's

674

00:29:34,230 --> 00:29:32,710

been helping me out here and we're gonna

675

00:29:35,850 --> 00:29:34,240

go to our first break you listen to me

676
00:29:38,810 --> 00:29:35,860
Heidi Hollis the Outlander and we will

677
00:29:42,780 --> 00:29:41,070
welcome back everybody you're listening

678
00:29:44,790 --> 00:29:42,790
to me how do you house the Outlander

679
00:29:47,310 --> 00:29:44,800
remembering always if it's weird we're

680
00:29:49,020 --> 00:29:47,320
here we're giving you advice and insight

681
00:29:50,490 --> 00:29:49,030
on that ledge of topics phone lines are

682
00:29:52,200 --> 00:29:50,500
always open white and eight eight eight

683
00:29:55,830 --> 00:29:52,210
nine one nine twenty three fifty five

684
00:29:57,390 --> 00:29:55,840
and now I get to officially introduce

685
00:30:01,620 --> 00:29:57,400
the mysterious voice you heard in the

686
00:30:03,750 --> 00:30:01,630
first section Brandon my solo I said it

687
00:30:06,030 --> 00:30:03,760
wrong is a clinical therapist and pair

688
00:30:08,820 --> 00:30:06,040

of psychologists residing in Northeast

689

00:30:12,180 --> 00:30:08,830

Ohio while studying at the University of

690

00:30:14,370 --> 00:30:12,190

Edinburgh Castle ur parapsychology unit

691

00:30:17,760 --> 00:30:14,380

he conducted research which centred on

692

00:30:21,780 --> 00:30:17,770

how the neurobiological correlates with

693

00:30:27,690 --> 00:30:21,790

ghostly encounters whoa everybody give a

694

00:30:34,050 --> 00:30:27,700

round of applause to Brandon oh yeah you

695

00:30:35,730 --> 00:30:34,060

got it brand new book ghost Lee studies

696

00:30:38,490 --> 00:30:35,740

or go studies what is that go sleep

697

00:30:42,900 --> 00:30:38,500

ghostly studies there go study but ghost

698

00:30:45,360 --> 00:30:42,910

studies okay yeah and so two people okay

699

00:30:47,190 --> 00:30:45,370

your clinical therapist I just find that

700

00:30:49,200 --> 00:30:47,200

a fascinating I I'm an occupational

701
00:30:54,000 --> 00:30:49,210
therapist my eye specialist like

702
00:30:55,980 --> 00:30:54,010
psychology and I just I think it's so

703
00:30:59,130 --> 00:30:55,990
fascinating that you combine the two

704
00:31:01,380 --> 00:30:59,140
that you did so do you have a lot of

705
00:31:03,870 --> 00:31:01,390
paranormally charged people come and

706
00:31:05,330 --> 00:31:03,880
looking for you you know I actually I

707
00:31:07,730 --> 00:31:05,340
haven't

708
00:31:10,220 --> 00:31:07,740
what I know I know well the book just

709
00:31:14,230 --> 00:31:10,230
came out so yeah you know maybe when

710
00:31:16,760 --> 00:31:14,240
word gets around but you know i-i-i

711
00:31:19,970 --> 00:31:16,770
majority of my clinical work has been I

712
00:31:21,830 --> 00:31:19,980
did residential treatment and a

713
00:31:25,190 --> 00:31:21,840

substance abuse facility for a while and

714

00:31:27,140 --> 00:31:25,200

then I did outpatient counseling and

715

00:31:29,630 --> 00:31:27,150

then I worked in an emergency room doing

716

00:31:31,370 --> 00:31:29,640

psychological evaluations for about six

717

00:31:36,290 --> 00:31:31,380

or seven years for a local hospital here

718

00:31:38,240 --> 00:31:36,300

so I would get the consult on in the ER

719

00:31:40,030 --> 00:31:38,250

or medical floors if people were having

720

00:31:43,070 --> 00:31:40,040

problems with depression and anxiety

721

00:31:46,900 --> 00:31:43,080

substance abuse even psychosis all that

722

00:31:50,210 --> 00:31:46,910

so I was doing like got three to four

723

00:31:54,790 --> 00:31:50,220

behavioral health consults a day so I've

724

00:31:59,390 --> 00:31:54,800

done probably 5,000 in my lifetime and

725

00:32:01,340 --> 00:31:59,400

usually I will get someone you know

726

00:32:04,160 --> 00:32:01,350

talking about ghosts ghosts and things

727

00:32:05,450 --> 00:32:04,170

like that but a lot of the encounters

728

00:32:07,190 --> 00:32:05,460

that I got from my book weren't

729

00:32:09,920 --> 00:32:07,200

necessarily from patients it was more

730

00:32:11,450 --> 00:32:09,930

from outside of that because I lived in

731

00:32:13,370 --> 00:32:11,460

Scotland for a year and if you've ever

732

00:32:15,530 --> 00:32:13,380

been to Scotland everyone has a ghost

733

00:32:18,670 --> 00:32:15,540

story in Scotland so did she have a

734

00:32:21,470 --> 00:32:18,680

translator they've got a strong accent

735

00:32:23,600 --> 00:32:21,480

it took about four weeks

736

00:32:25,910 --> 00:32:23,610

well I struggled that first month I

737

00:32:27,530 --> 00:32:25,920

really did but after that I started

738

00:32:29,510 --> 00:32:27,540

picking it up pretty quickly and you you

739

00:32:34,280 --> 00:32:29,520

kind of get used to it if you see I mean

740

00:32:35,810 --> 00:32:34,290

every day all day you can't no no don't

741

00:32:38,540 --> 00:32:35,820

catch on you're gonna fall to the

742

00:32:40,340 --> 00:32:38,550

wayside yeah well I lived in Australia

743

00:32:46,700 --> 00:32:40,350

for a bit night just giggled all day it

744

00:32:50,780 --> 00:32:46,710

was like British boys just fine so Wow

745

00:32:52,610 --> 00:32:50,790

so yeah you know I I think that I I

746

00:32:54,710 --> 00:32:52,620

don't know I find that a lot more people

747

00:32:57,650 --> 00:32:54,720

are opening up to the possibilities of

748

00:32:59,720 --> 00:32:57,660

the paranormal and I feel like there's a

749

00:33:02,150 --> 00:32:59,730

big need for people like yourself who

750

00:33:05,540 --> 00:33:02,160

have a good understanding and what you

751
00:33:07,760 --> 00:33:05,550
do I'm shocked that there haven't been

752
00:33:10,160 --> 00:33:07,770
more that are like googling you up I

753
00:33:13,750 --> 00:33:10,170
hope that it does change soon because

754
00:33:15,740 --> 00:33:13,760
gosh you're needed actually in in

755
00:33:17,210 --> 00:33:15,750
parapsychology there's there's actually

756
00:33:18,710 --> 00:33:17,220
I don't know if I consider it a branch

757
00:33:19,160 --> 00:33:18,720
of it or not but it's called clinical

758
00:33:22,100 --> 00:33:19,170
pear

759
00:33:23,900 --> 00:33:22,110
psychology and that's really a lot of

760
00:33:27,680 --> 00:33:23,910
practitioners who are getting into sort

761
00:33:30,260 --> 00:33:27,690
of specializing and counseling are

762
00:33:32,300 --> 00:33:30,270
helping people through paranormal events

763
00:33:35,120 --> 00:33:32,310

that somewhat are distressing for people

764

00:33:39,080 --> 00:33:35,130

so you know if you start getting you

765

00:33:42,380 --> 00:33:39,090

know premonitions or clairvoyance or you

766

00:33:43,970 --> 00:33:42,390

start having some ESP or SCI abilities

767

00:33:45,560 --> 00:33:43,980

it's a lot for people to wrap their

768

00:33:49,490 --> 00:33:45,570

heads around they start thinking like

769

00:33:51,080 --> 00:33:49,500

they're going crazy they you know so the

770

00:33:53,690 --> 00:33:51,090

clinical parapsychology really deals

771

00:33:55,400 --> 00:33:53,700

with counseling and help for people who

772

00:33:57,200 --> 00:33:55,410

are going through paranormal phenomena

773

00:33:58,880 --> 00:33:57,210

that's causing some distress there's

774

00:34:00,830 --> 00:33:58,890

text books on it there's a lot of

775

00:34:03,530 --> 00:34:00,840

research and journal papers on it so

776

00:34:06,560 --> 00:34:03,540

that's actually getting I wants him yet

777

00:34:08,030 --> 00:34:06,570

more popular in the last 5-10 years so

778

00:34:10,760 --> 00:34:08,040

there are some practitioners who sort of

779

00:34:13,850 --> 00:34:10,770

specialize in that that's amazing

780

00:34:15,440 --> 00:34:13,860

you know what was wild to me I'm from

781

00:34:18,530 --> 00:34:15,450

Milwaukee Wisconsin originally though

782

00:34:22,610 --> 00:34:18,540

I'm here in Chicago and I got contacted

783

00:34:26,720 --> 00:34:22,620

by a crisis center for the the state der

784

00:34:29,930 --> 00:34:26,730

the city of Wisconsin to put me down

785

00:34:33,350 --> 00:34:29,940

as a crisis person to contact in case of

786

00:34:36,380 --> 00:34:33,360

alien abductions ghostly phenomena I was

787

00:34:40,220 --> 00:34:36,390

like wow yeah sure put my name down it

788

00:34:41,780 --> 00:34:40,230

was it was wild it was really wild yeah

789

00:34:43,130 --> 00:34:41,790

but I thought well would it open mind

790

00:34:46,940 --> 00:34:43,140

and that was twenty years ago you know

791

00:34:48,860 --> 00:34:46,950

I'm like oh yeah I was really moved that

792

00:34:50,450 --> 00:34:48,870

you know there are some areas that are

793

00:34:52,640 --> 00:34:50,460

open to that and realize they'll come

794

00:34:54,830 --> 00:34:52,650

across that but a serious question to

795

00:34:59,380 --> 00:34:54,840

ask you because I work around a lotta

796

00:35:02,360 --> 00:34:59,390

mentally ill or mood disorders folks and

797

00:35:05,690 --> 00:35:02,370

sometimes sometimes I've come across

798

00:35:08,900 --> 00:35:05,700

people that wow they're just really on

799

00:35:10,790 --> 00:35:08,910

top of it for paranormal stuff going on

800

00:35:12,920 --> 00:35:10,800

and like god that fits right in the hole

801
00:35:14,930 --> 00:35:12,930
what have you come across some of your

802
00:35:16,670 --> 00:35:14,940
patients that are like maybe they're

803
00:35:18,770 --> 00:35:16,680
just a little bit too in touch then

804
00:35:20,540 --> 00:35:18,780
maybe they're not as far gone or maybe

805
00:35:22,280 --> 00:35:20,550
they saw too much and they couldn't

806
00:35:27,890 --> 00:35:22,290
handle it I mean have you come across

807
00:35:29,780 --> 00:35:27,900
that um I think sometimes usually a lot

808
00:35:32,900 --> 00:35:29,790
of patients I saw in the ER were pretty

809
00:35:34,910 --> 00:35:32,910
crisis level so they were pretty pretty

810
00:35:37,670 --> 00:35:34,920
psychotic and overwhelmed with their

811
00:35:40,370 --> 00:35:37,680
symptoms usually when I would talk to

812
00:35:42,410 --> 00:35:40,380
teenagers because the part of the ER was

813
00:35:44,299 --> 00:35:42,420

it was assessing teenagers and young

814

00:35:46,339 --> 00:35:44,309

adults too you would really sometimes

815

00:35:49,150 --> 00:35:46,349

get to where they were having a lot of

816

00:35:51,079 --> 00:35:49,160

these phenomenon that you know really

817

00:35:53,960 --> 00:35:51,089

couldn't be explained

818

00:35:54,950 --> 00:35:53,970

you know rationally so occasionally you

819

00:35:57,079 --> 00:35:54,960

start to think well maybe they are

820

00:35:58,940 --> 00:35:57,089

picking something up or maybe there is

821

00:36:00,380 --> 00:35:58,950

something else going on because one of

822

00:36:02,960 --> 00:36:00,390

the standard questions you always ask

823

00:36:04,519 --> 00:36:02,970

and an emergency room assessment is do

824

00:36:06,799 --> 00:36:04,529

you here see anything that other people

825

00:36:10,789 --> 00:36:06,809

don't hear see so that could be a loaded

826

00:36:14,089 --> 00:36:10,799

question for somebody who you know has

827

00:36:17,120 --> 00:36:14,099

you know issues has ghosts in her house

828

00:36:20,660 --> 00:36:17,130

or feels like their house is haunted you

829

00:36:23,150 --> 00:36:20,670

know a lab coat asking you psych

830

00:36:24,920 --> 00:36:23,160

questions and you're gonna start yeah

831

00:36:28,880 --> 00:36:24,930

am I gonna tell them I have a high I

832

00:36:30,140 --> 00:36:28,890

have a ghost in my house so I know I

833

00:36:32,749 --> 00:36:30,150

find this hilarious

834

00:36:34,460 --> 00:36:32,759

I've had a concussion okay and I've been

835

00:36:37,789 --> 00:36:34,470

asked that question with so many times

836

00:36:39,740 --> 00:36:37,799

and I'm like oh hold on and I'm like I

837

00:36:42,740 --> 00:36:39,750

just so happen to have one of my books

838

00:36:47,569 --> 00:36:42,750

on me at the time like I said you can't

839

00:36:50,269 --> 00:36:47,579

ask me that yeah look I mean this is

840

00:36:52,490 --> 00:36:50,279

what I do and and it's like I hope I

841

00:36:53,839 --> 00:36:52,500

don't have any crazy psych diagnoses

842

00:36:56,660 --> 00:36:53,849

floating around out there

843

00:36:58,789 --> 00:36:56,670

but you know I have to ask you Brandon

844

00:37:01,730 --> 00:36:58,799

is this your real name Brandon myself my

845

00:37:04,279 --> 00:37:01,740

soul oh yeah okay okay so welcome to the

846

00:37:06,200 --> 00:37:04,289

fold and God help you if your patients

847

00:37:11,120 --> 00:37:06,210

Google you because I haven't met with

848

00:37:13,579 --> 00:37:11,130

that yeah well I'm not I'm not as I'm

849

00:37:17,569 --> 00:37:13,589

not as famous as you so hopefully oh

850

00:37:20,150 --> 00:37:17,579

it'll happen it's it's just a thing it's

851

00:37:22,700 --> 00:37:20,160

bit that that people do you're walking

852

00:37:24,829 --> 00:37:22,710

into a new job whatever they googled you

853

00:37:26,210 --> 00:37:24,839

and I'm thinking oh I'm in the clear

854

00:37:28,490 --> 00:37:26,220

they wouldn't Google me why would they

855

00:37:34,370 --> 00:37:28,500

Google and they're like so tell us about

856

00:37:36,230 --> 00:37:34,380

the demons you fact about start laughing

857

00:37:38,180 --> 00:37:36,240

and it's just like what wait I have

858

00:37:40,519 --> 00:37:38,190

questions I'm like oh my goodness so

859

00:37:42,589 --> 00:37:40,529

yeah it's not it's never been to my

860

00:37:44,599 --> 00:37:42,599

detriment that's for sure but oh it

861

00:37:46,660 --> 00:37:44,609

leads to interesting conversations

862

00:37:49,390 --> 00:37:46,670

that's for sure

863

00:37:50,920 --> 00:37:49,400

usually I think I think you're right

864

00:37:53,589 --> 00:37:50,930

most people before they see someone they

865

00:37:54,910 --> 00:37:53,599

usually Google them in some fact so

866

00:37:56,289 --> 00:37:54,920

maybe that makes them feel more

867

00:37:58,359 --> 00:37:56,299

comfortable if they have these

868

00:38:00,640 --> 00:37:58,369

paranormal phenomenon knowing that I

869

00:38:03,720 --> 00:38:00,650

studied parapsychology and I'm more open

870

00:38:06,599 --> 00:38:03,730

to it maybe then the typical person

871

00:38:09,579 --> 00:38:06,609

counselor or psychologist or whatever

872

00:38:11,710 --> 00:38:09,589

truly thank goodness okay it's funneling

873

00:38:13,269 --> 00:38:11,720

people your way you know I apologize and

874

00:38:15,220 --> 00:38:13,279

sing your title of your book wrong I

875

00:38:17,859 --> 00:38:15,230

mean this is your first book the ghost

876

00:38:21,309 --> 00:38:17,869

studies and you know there's been so

877

00:38:23,799 --> 00:38:21,319

many books written on ghosts but yours

878

00:38:26,950 --> 00:38:23,809

is very different

879

00:38:29,579 --> 00:38:26,960

do tell because you're going from an

880

00:38:32,200 --> 00:38:29,589

ankle I don't think I've seen before

881

00:38:36,400 --> 00:38:32,210

yeah I like to think it's really

882

00:38:38,920 --> 00:38:36,410

different um you know I've been a fan of

883

00:38:41,109 --> 00:38:38,930

the paranormal for 20 years and one of

884

00:38:42,460 --> 00:38:41,119

the things that there's a lot of great

885

00:38:44,650 --> 00:38:42,470

books out there there's no doubt about

886

00:38:47,740 --> 00:38:44,660

it but one of the things that in this

887

00:38:50,289 --> 00:38:47,750

book is I actually you know I give a

888

00:38:51,309 --> 00:38:50,299

little bit more it's its ghost stories

889

00:38:53,109 --> 00:38:51,319

but then there's a little bit of

890

00:38:56,499 --> 00:38:53,119

explanation for maybe why this was

891

00:38:58,960 --> 00:38:56,509

occurring so what I like to say is it's

892

00:39:02,499 --> 00:38:58,970

it's a mixture of ghost stories and

893

00:39:04,299 --> 00:39:02,509

science and explanations so what I do in

894

00:39:06,910 --> 00:39:04,309

the book is I provide two new

895

00:39:10,029 --> 00:39:06,920

perspectives on sort of what may cause

896

00:39:11,740 --> 00:39:10,039

ghostly encounters so that's that's

897

00:39:13,809 --> 00:39:11,750

really what makes the book a little bit

898

00:39:17,019 --> 00:39:13,819

more different than than what's normally

899

00:39:19,029 --> 00:39:17,029

out there so I have gosh a lot of

900

00:39:22,079 --> 00:39:19,039

chapters on sort of scientific theories

901
00:39:24,339 --> 00:39:22,089
a lot of the latest research on energy

902
00:39:26,289 --> 00:39:24,349
and electricity when it comes to

903
00:39:29,170 --> 00:39:26,299
hauntings and sort of a little bit about

904
00:39:31,269 --> 00:39:29,180
how emotions bioenergetics and

905
00:39:33,339 --> 00:39:31,279
consciousness sort and play a role in

906
00:39:35,259 --> 00:39:33,349
ghostly encounters as well so it's a

907
00:39:37,960 --> 00:39:35,269
mixture of a lot of things in this book

908
00:39:39,490 --> 00:39:37,970
and usually by the end of it I've got a

909
00:39:41,829 --> 00:39:39,500
lot of people telling me that you know

910
00:39:43,509 --> 00:39:41,839
it really helped me look at ghostly

911
00:39:47,380 --> 00:39:43,519
phenomenon or ghostly encounters in a

912
00:39:49,539 --> 00:39:47,390
different way so then that's the biggest

913
00:39:51,640 --> 00:39:49,549

compliment I can take from people who've

914

00:39:53,380 --> 00:39:51,650

read this book and you know you don't

915

00:39:56,620 --> 00:39:53,390

have to be a paranormal expert to read

916

00:39:58,809 --> 00:39:56,630

this my wife is not a paranormal expert

917

00:39:59,810 --> 00:39:58,819

and she said there was a lot she got out

918

00:40:01,280 --> 00:39:59,820

of it

919

00:40:03,650 --> 00:40:01,290

some family members I've had some

920

00:40:06,110 --> 00:40:03,660

friends and just some people who you

921

00:40:08,030 --> 00:40:06,120

know I've met at some these conventions

922

00:40:10,940 --> 00:40:08,040

say you know I don't really I don't

923

00:40:12,620 --> 00:40:10,950

follow goes too much but I did graphed

924

00:40:15,500 --> 00:40:12,630

everything you were saying it was really

925

00:40:19,190 --> 00:40:15,510

a an interesting read that's good that

926

00:40:20,780 --> 00:40:19,200

you know it's always a bonus when people

927

00:40:22,580 --> 00:40:20,790

don't feel like you spoke over their

928

00:40:24,800 --> 00:40:22,590

head but they don't need to have a

929

00:40:28,070 --> 00:40:24,810

degree in what you do in order to

930

00:40:28,790 --> 00:40:28,080

understand it so it that that's a huge

931

00:40:32,390 --> 00:40:28,800

compliment

932

00:40:33,080 --> 00:40:32,400

so you you say what causes ghostly

933

00:40:36,500 --> 00:40:33,090

experience

934

00:40:39,680 --> 00:40:36,510

it's just now a lot of times and I find

935

00:40:40,700 --> 00:40:39,690

that a lot of ghost hunters and whatnot

936

00:40:42,080 --> 00:40:40,710

they're just like well if something

937

00:40:46,880 --> 00:40:42,090

really bad happened in this area a lot

938

00:40:57,200 --> 00:40:46,890

of concentrated negative energy it's

939

00:40:59,570 --> 00:40:57,210

really good I mean what what causes it I

940

00:41:01,040 --> 00:40:59,580

mean there it I had a I had a ghost

941

00:41:03,620 --> 00:41:01,050

hunter on one time this is this a

942

00:41:06,830 --> 00:41:03,630

fascinating point that he made and he's

943

00:41:08,030 --> 00:41:06,840

like you know Heidi you can't get rid of

944

00:41:10,040 --> 00:41:08,040

ghosts I'm like what do you mean you

945

00:41:12,170 --> 00:41:10,050

can't he's like look at how many

946

00:41:13,250 --> 00:41:12,180

billions of people have died they're

947

00:41:14,420 --> 00:41:13,260

everywhere

948

00:41:16,880 --> 00:41:14,430

what are you gonna shove them to a

949

00:41:18,470 --> 00:41:16,890

corner I'm like well yeah as long as I'm

950

00:41:21,200 --> 00:41:18,480

out of my space you know I don't care if

951
00:41:24,170 --> 00:41:21,210
I plow them down in the road but I mean

952
00:41:25,970 --> 00:41:24,180
so what causes ghost experiences why

953
00:41:30,860 --> 00:41:25,980
aren't there are thousand of them in our

954
00:41:33,860 --> 00:41:30,870
homes you know yeah you know I think

955
00:41:35,630 --> 00:41:33,870
it's everyone defines ghosts and spirits

956
00:41:40,550 --> 00:41:35,640
and and everything a little bit

957
00:41:43,610 --> 00:41:40,560
differently you know if you if you see a

958
00:41:46,340 --> 00:41:43,620
visual apparition does it automatically

959
00:41:49,640 --> 00:41:46,350
mean it's a ghost there could be other

960
00:41:51,410 --> 00:41:49,650
explanations for that and it you know

961
00:41:53,450 --> 00:41:51,420
from all the mainstream stuff of

962
00:41:56,840 --> 00:41:53,460
hallucinations to sleep paralysis like

963
00:41:59,270 --> 00:41:56,850

we talked about earlier to you know all

964

00:42:02,300 --> 00:41:59,280

those types of things but also and on

965

00:42:04,820 --> 00:42:02,310

the you know the believer side or the

966

00:42:06,860 --> 00:42:04,830

spiritualist side it could be you know

967

00:42:10,040 --> 00:42:06,870

ESP working it could be thought

968

00:42:12,470 --> 00:42:10,050

transference it could be a number of

969

00:42:13,810 --> 00:42:12,480

things you know gathering stuff from the

970

00:42:16,060 --> 00:42:13,820

environment

971

00:42:18,700 --> 00:42:16,070

so it doesn't necessarily have to be

972

00:42:20,170 --> 00:42:18,710

survival after death and I think you

973

00:42:22,630 --> 00:42:20,180

know one of the things I talk about in

974

00:42:25,089 --> 00:42:22,640

this book is like let's let's go into

975

00:42:27,790 --> 00:42:25,099

let's go into this and throw all of our

976

00:42:29,800 --> 00:42:27,800

stereotypes out of what a ghost is and

977

00:42:33,220 --> 00:42:29,810

you know obviously the definition of a

978

00:42:37,780 --> 00:42:33,230

phone has changed since the 1800s oh yes

979

00:42:40,329 --> 00:42:37,790

it's a magic one now exactly so with

980

00:42:42,550 --> 00:42:40,339

with with definitions I think sometimes

981

00:42:44,770 --> 00:42:42,560

we have to they have to adapt a little

982

00:42:46,329 --> 00:42:44,780

bit and we've you know the definition of

983

00:42:48,010 --> 00:42:46,339

a ghost is pretty much I'm guessing

984

00:42:50,440 --> 00:42:48,020

somewhat stay the same since the

985

00:42:51,880 --> 00:42:50,450

beginning of time in a way so I think

986

00:42:54,490 --> 00:42:51,890

it's maybe time to look at things a

987

00:42:56,050 --> 00:42:54,500

little bit differently as far as you

988

00:42:58,359 --> 00:42:56,060

know what we're looking at when we say

989

00:42:59,589 --> 00:42:58,369

ghostly encounters and I think that

990

00:43:02,079 --> 00:42:59,599

that's something the book really looks

991

00:43:03,609 --> 00:43:02,089

at it's a different perspective you know

992

00:43:05,290 --> 00:43:03,619

it's a really different perspective on

993

00:43:07,089 --> 00:43:05,300

ghosts it has a little bit to do with

994

00:43:08,710 --> 00:43:07,099

some of this perspective in

995

00:43:11,050 --> 00:43:08,720

parapsychology but I add a little twist

996

00:43:13,839 --> 00:43:11,060

to things as well so when I talk to

997

00:43:15,819 --> 00:43:13,849

paranormal investigators I when I sit

998

00:43:17,440 --> 00:43:15,829

down and talk to them I like it hey

999

00:43:19,390 --> 00:43:17,450

let's let's get on the same wavelength

1000

00:43:21,460 --> 00:43:19,400

what's your definition of a ghost and

1001
00:43:23,200 --> 00:43:21,470
how do you feel about this and how do

1002
00:43:27,370 --> 00:43:23,210
you feel about imprint theory and place

1003
00:43:30,010 --> 00:43:27,380
theory yes the residual hauntings yes

1004
00:43:31,510 --> 00:43:30,020
exactly you know all that stuff and and

1005
00:43:33,280 --> 00:43:31,520
and when you sit down and talk to

1006
00:43:37,690 --> 00:43:33,290
somebody you open that dialogue and you

1007
00:43:40,930 --> 00:43:37,700
find that you know maybe maybe what they

1008
00:43:42,730 --> 00:43:40,940
term a ghost isn't really a an external

1009
00:43:44,740 --> 00:43:42,740
spirit trying to communicate but it

1010
00:43:46,720 --> 00:43:44,750
could be something in the environment

1011
00:43:49,290 --> 00:43:46,730
like a telepathic distress signal in a

1012
00:43:52,059 --> 00:43:49,300
way that they're tapping into it yeah

1013
00:43:54,030 --> 00:43:52,069

sometimes because I've seen a lot of

1014

00:43:59,500 --> 00:43:54,040

weird stuff okay I'm one of those people

1015

00:44:01,359 --> 00:43:59,510

and I just I I knew when one was a ghost

1016

00:44:03,640 --> 00:44:01,369

you know when it's like looking at you I

1017

00:44:06,430 --> 00:44:03,650

were taking a shower I'm like hey that

1018

00:44:10,900 --> 00:44:06,440

thing's knows I'm here and then there's

1019

00:44:12,730 --> 00:44:10,910

something a person rushing past you well

1020

00:44:14,589 --> 00:44:12,740

I had one run right well two of him run

1021

00:44:16,660 --> 00:44:14,599

right through me like they were in a

1022

00:44:17,920 --> 00:44:16,670

rush they were going and I was in the

1023

00:44:20,770 --> 00:44:17,930

way and they didn't care and I'm like

1024

00:44:23,980 --> 00:44:20,780

they weren't aware that it was it was

1025

00:44:25,870 --> 00:44:23,990

just like a repeat loop of a movie I was

1026

00:44:30,850 --> 00:44:25,880

watching or something and

1027

00:44:33,790 --> 00:44:30,860

and yeah an imprint residual juicy bit

1028

00:44:36,550 --> 00:44:33,800

lingering in the air but what things to

1029

00:44:38,740 --> 00:44:36,560

so you know collide and just so happen

1030

00:44:40,540 --> 00:44:38,750

to hit my eyeballs just right at the

1031

00:44:43,480 --> 00:44:40,550

right angle to see them just as they

1032

00:44:45,340 --> 00:44:43,490

were it's it's my blame because it's not

1033

00:44:47,050 --> 00:44:45,350

like I could repeat it you know it's

1034

00:44:48,370 --> 00:44:47,060

kind of like a deja vu it just happened

1035

00:44:50,920 --> 00:44:48,380

and there they go

1036

00:44:53,620 --> 00:44:50,930

you know so and those those one-time

1037

00:44:55,780 --> 00:44:53,630

spontaneous cases are the best way to

1038

00:44:58,110 --> 00:44:55,790

get information about paranormal

1039

00:45:01,600 --> 00:44:58,120

phenomenon because they occur one time

1040

00:45:03,100 --> 00:45:01,610

there's only one witness the witness

1041

00:45:04,810 --> 00:45:03,110

probably knows all the variables that

1042

00:45:06,700 --> 00:45:04,820

were going on where they were what time

1043

00:45:09,550 --> 00:45:06,710

of day it was you know how they were

1044

00:45:12,130 --> 00:45:09,560

feeling emotion wise and so they really

1045

00:45:15,490 --> 00:45:12,140

give a great snapshot so if you try to

1046

00:45:16,980 --> 00:45:15,500

study a haunted location you take away

1047

00:45:19,090 --> 00:45:16,990

the one witness and now you have

1048

00:45:20,860 --> 00:45:19,100

hundreds of witnesses with different

1049

00:45:22,390 --> 00:45:20,870

stories different locations different

1050

00:45:23,980 --> 00:45:22,400

times a day so it becomes a little bit

1051
00:45:29,050 --> 00:45:23,990
more complicated to study that type of

1052
00:45:32,160 --> 00:45:29,060
thing yeah makes sense so you have gone

1053
00:45:34,690 --> 00:45:32,170
and interviewed ghost hunters have you

1054
00:45:42,520 --> 00:45:34,700
know been a sacrificial lamb at any

1055
00:45:44,590 --> 00:45:42,530
haunted location did you lock yourself

1056
00:45:49,630 --> 00:45:44,600
in any place to do it did you try to

1057
00:45:52,000 --> 00:45:49,640
feel the vibes no I've been to I've been

1058
00:45:54,730 --> 00:45:52,010
to a lot of haunted locations in my time

1059
00:45:57,130 --> 00:45:54,740
I never got somewhere locked myself in

1060
00:45:59,620 --> 00:45:57,140
overnight or anything like that but I've

1061
00:46:01,330 --> 00:45:59,630
been to plenty of haunted locations when

1062
00:46:03,850 --> 00:46:01,340
I when I lived in an borough

1063
00:46:07,180 --> 00:46:03,860

I did research at up I don't know if you

1064

00:46:09,850 --> 00:46:07,190

ever heard of Mary Kings close no it's a

1065

00:46:11,050 --> 00:46:09,860

haunted location in N borough but they

1066

00:46:13,570 --> 00:46:11,060

say it's one of those haunted places

1067

00:46:15,370 --> 00:46:13,580

although the TV shows have been there

1068

00:46:19,480 --> 00:46:15,380

Ghost Adventures Ghost Hunters most

1069

00:46:22,000 --> 00:46:19,490

haunted I could name all of them but

1070

00:46:25,300 --> 00:46:22,010

it's like an underground city so he's

1071

00:46:27,640 --> 00:46:25,310

got during the 1600s some businesses and

1072

00:46:30,520 --> 00:46:27,650

apartments were actually underground you

1073

00:46:33,700 --> 00:46:30,530

know to save space because the city was

1074

00:46:34,900 --> 00:46:33,710

so overwhelmed so there was all kinds of

1075

00:46:37,060 --> 00:46:34,910

stuff that happened down there but

1076

00:46:39,520 --> 00:46:37,070

legend has it that when the plague came

1077

00:46:41,680 --> 00:46:39,530

around they actually blocked

1078

00:46:44,680 --> 00:46:41,690

Wald people up down in this underground

1079

00:46:46,720 --> 00:46:44,690

city Mary Kings close and they died down

1080

00:46:48,820 --> 00:46:46,730

there and there was murders and all that

1081

00:46:51,190 --> 00:46:48,830

other stuff going on down there too but

1082

00:46:53,110 --> 00:46:51,200

one of the things is before I did the

1083

00:46:55,750 --> 00:46:53,120

research I had to take baseline readings

1084

00:46:58,180 --> 00:46:55,760

of EMF every morning so I did this for

1085

00:47:02,230 --> 00:46:58,190

seven days so I'd go down in the clothes

1086

00:47:04,090 --> 00:47:02,240

by myself which was an eerie place so I

1087

00:47:06,220 --> 00:47:04,100

was hanging out down there for maybe an

1088

00:47:08,350 --> 00:47:06,230

hour so by myself and you know you get

1089

00:47:10,570 --> 00:47:08,360

some peculiar things happening but I

1090

00:47:12,550 --> 00:47:10,580

never saw like a full-blown apparition

1091

00:47:14,050 --> 00:47:12,560

or anything like that and I've never

1092

00:47:19,270 --> 00:47:14,060

seen anything in any of the haunted

1093

00:47:21,790 --> 00:47:19,280

locations I've been to darn yeah it's

1094

00:47:24,700 --> 00:47:21,800

like man you've been so dedicated for 20

1095

00:47:27,010 --> 00:47:24,710

years and I've met many people like

1096

00:47:30,130 --> 00:47:27,020

yourself who are you know it's just so

1097

00:47:32,170 --> 00:47:30,140

dedicated and that one thing just not

1098

00:47:34,810 --> 00:47:32,180

has not come up come there away and it's

1099

00:47:36,310 --> 00:47:34,820

like what it what a shame oh well I'm

1100

00:47:38,230 --> 00:47:36,320

not gonna pray that you see yet though

1101
00:47:38,860 --> 00:47:38,240
because once you see it you can't unsee

1102
00:47:42,130 --> 00:47:38,870
it

1103
00:47:44,680 --> 00:47:42,140
and yeah yeah I I had a friend and I'm

1104
00:47:46,600 --> 00:47:44,690
not kidding you he was really into UFOs

1105
00:47:49,780 --> 00:47:46,610
hello you a full sight and everything

1106
00:47:52,660 --> 00:47:49,790
and and he never seen a UFO my go see

1107
00:47:56,950 --> 00:47:52,670
what it's like huh like yeah let's go

1108
00:47:57,910 --> 00:47:56,960
and yeah I took him to go see a UFO was

1109
00:48:00,700 --> 00:47:57,920
probably one of the more fascinating

1110
00:48:05,710 --> 00:48:00,710
ones I've seen as a really active area

1111
00:48:08,170 --> 00:48:05,720
in Wisconsin for them and he let's just

1112
00:48:10,600 --> 00:48:08,180
say he had a mini breakdown without

1113
00:48:13,450 --> 00:48:10,610

going into too much details but he

1114

00:48:16,540 --> 00:48:13,460

disappeared for a bit I had no idea into

1115

00:48:18,790 --> 00:48:16,550

the cops called me and yeah it was

1116

00:48:20,200 --> 00:48:18,800

really sad and I'm like I was really

1117

00:48:23,710 --> 00:48:20,210

surprised for someone who was so

1118

00:48:25,240 --> 00:48:23,720

dedicated how little they thought of

1119

00:48:27,390 --> 00:48:25,250

what it would really mean to them to

1120

00:48:30,580 --> 00:48:27,400

have experienced something like that and

1121

00:48:32,230 --> 00:48:30,590

yeah I I mean it really can shake up

1122

00:48:35,020 --> 00:48:32,240

your world no matter how well you think

1123

00:48:36,820 --> 00:48:35,030

you're prepared that really that was a

1124

00:48:38,950 --> 00:48:36,830

lesson for me too because I'm like I'm

1125

00:48:44,830 --> 00:48:38,960

gonna be careful in who I invite from

1126

00:48:45,400 --> 00:48:44,840

now on if it comes in your face like

1127

00:48:46,930 --> 00:48:45,410

that

1128

00:48:49,780 --> 00:48:46,940

everyone has wond a little bit

1129

00:48:52,150 --> 00:48:49,790

differently to it yeah I had no idea

1130

00:48:57,490 --> 00:48:52,160

it'd be such a cool one but you

1131

00:49:00,430 --> 00:48:57,500

these things happen but I mean so your

1132

00:49:02,650 --> 00:49:00,440

interest got peaked with I mean was

1133

00:49:04,420 --> 00:49:02,660

there like a really moving something

1134

00:49:06,010 --> 00:49:04,430

that someone in your family a good

1135

00:49:10,240 --> 00:49:06,020

friend tell you something that you're

1136

00:49:13,539 --> 00:49:10,250

just became a believer of this stuff um

1137

00:49:16,750 --> 00:49:13,549

no I I don't have a cool story Heidi I'm

1138

00:49:20,380 --> 00:49:16,760

sorry I yeah well I I know I just um

1139

00:49:22,630 --> 00:49:20,390

when I was in high school I I picked up

1140

00:49:24,849 --> 00:49:22,640

a book about parapsychology and I

1141

00:49:26,920 --> 00:49:24,859

started reading it and it was really

1142

00:49:30,240 --> 00:49:26,930

fascinating an interest to me and this

1143

00:49:33,039 --> 00:49:30,250

is ESP this is you know remote-viewing

1144

00:49:35,589 --> 00:49:33,049

telepathy and obviously ghosts

1145

00:49:37,150 --> 00:49:35,599

reincarnation that type of thing and I

1146

00:49:38,799 --> 00:49:37,160

thought this is really cool that people

1147

00:49:40,960 --> 00:49:38,809

are working and trying to figure out

1148

00:49:42,099 --> 00:49:40,970

answers to this and I was like man I

1149

00:49:44,859 --> 00:49:42,109

really like to do this

1150

00:49:47,620 --> 00:49:44,869

and then I went to college and I started

1151
00:49:49,359 --> 00:49:47,630
studying psychology and you know about

1152
00:49:51,069 --> 00:49:49,369
halfway through I I remember I pulled up

1153
00:49:53,079 --> 00:49:51,079
one of the professors aside and I said

1154
00:49:55,120 --> 00:49:53,089
you know I'm really looking at getting

1155
00:49:56,500 --> 00:49:55,130
into parapsychology and he basically

1156
00:50:00,150 --> 00:49:56,510
told me that's a bad idea

1157
00:50:02,559 --> 00:50:00,160
[Laughter]

1158
00:50:05,260 --> 00:50:02,569
he's like you'll never make money in it

1159
00:50:07,180 --> 00:50:05,270
there's nowhere in America that all the

1160
00:50:09,190 --> 00:50:07,190
because there's no place no universities

1161
00:50:13,089 --> 00:50:09,200
in America actually have courses on

1162
00:50:15,220 --> 00:50:13,099
parapsychology so you know I I kind of

1163
00:50:17,700 --> 00:50:15,230

took his advice and then I went the the

1164

00:50:20,380 --> 00:50:17,710

conventional route and I got a degree in

1165

00:50:22,779 --> 00:50:20,390

psychology and then master's degree in

1166

00:50:24,579 --> 00:50:22,789

clinical counseling and I was doing that

1167

00:50:26,130 --> 00:50:24,589

for a while and I thought to myself now

1168

00:50:28,599 --> 00:50:26,140

let's let me see about this

1169

00:50:31,750 --> 00:50:28,609

parapsychology so that's when I applied

1170

00:50:33,579 --> 00:50:31,760

and got accepted over to University of

1171

00:50:36,099 --> 00:50:33,589

Edinburgh Scotland and I studied

1172

00:50:39,339 --> 00:50:36,109

psychological research methods and I had

1173

00:50:42,579 --> 00:50:39,349

a specialization in parapsychology so my

1174

00:50:44,680 --> 00:50:42,589

dissertation was on a thing called

1175

00:50:48,309 --> 00:50:44,690

environmental sensitivity and paranormal

1176

00:50:49,900 --> 00:50:48,319

experiences and I really that's really

1177

00:50:52,329 --> 00:50:49,910

where I started learning the most about

1178

00:50:54,849 --> 00:50:52,339

parapsychology and I really have always

1179

00:50:56,769 --> 00:50:54,859

focused on ghosts and apparitions I

1180

00:50:58,839 --> 00:50:56,779

never really got too much into the other

1181

00:51:01,960 --> 00:50:58,849

stuff that a lot of Paris psychologists

1182

00:51:03,839 --> 00:51:01,970

do and so my interest at picking up that

1183

00:51:06,250 --> 00:51:03,849

book really just carried me throughout

1184

00:51:09,130 --> 00:51:06,260

and you know it's it's kind

1185

00:51:10,900 --> 00:51:09,140

one of those things where a I think a

1186

00:51:13,060 --> 00:51:10,910

lot of people in the field have had an

1187

00:51:16,840 --> 00:51:13,070

experience and that sort of pushes them

1188

00:51:18,400 --> 00:51:16,850

to seek more answers whereas I I'm on

1189

00:51:22,420 --> 00:51:18,410

the opposite end of that I've never had

1190

00:51:25,120 --> 00:51:22,430

an experience but the books and going

1191

00:51:27,310 --> 00:51:25,130

out I'm really looking for more I don't

1192

00:51:28,900 --> 00:51:27,320

say I'm looking for experience but maybe

1193

00:51:32,260 --> 00:51:28,910

to get a little bit a better idea of

1194

00:51:33,760 --> 00:51:32,270

what's going on yeah oh there's so many

1195

00:51:36,280 --> 00:51:33,770

opportunities but you've been to a lot

1196

00:51:40,240 --> 00:51:36,290

of different places so that it always

1197

00:51:42,100 --> 00:51:40,250

surprises me how these things choose who

1198

00:51:45,400 --> 00:51:42,110

they'll reveal themselves to and why

1199

00:51:47,740 --> 00:51:45,410

it's like you could be in a I've had so

1200

00:51:51,340 --> 00:51:47,750

many encounters with like UFOs and and

1201
00:51:53,490 --> 00:51:51,350
oddities paranormal things and and even

1202
00:51:56,320 --> 00:51:53,500
in the in the case of seeing a UFO

1203
00:51:58,630 --> 00:51:56,330
there's 50 people one time and we all

1204
00:52:01,030 --> 00:51:58,640
described well like half of us said it

1205
00:52:03,370 --> 00:52:01,040
was blue the other half said purple you

1206
00:52:04,840 --> 00:52:03,380
know it was like what do you mean it's

1207
00:52:08,050 --> 00:52:04,850
like I was a distinctive dark blue I'm

1208
00:52:10,810 --> 00:52:08,060
like no it was purple and it's it's just

1209
00:52:11,950 --> 00:52:10,820
is so strange it's like I think it has

1210
00:52:13,450 --> 00:52:11,960
something to do with some of the signs

1211
00:52:17,530 --> 00:52:13,460
that you're looking into the way that

1212
00:52:20,020 --> 00:52:17,540
our eyes are the way the light hits our

1213
00:52:22,390 --> 00:52:20,030

our eyes our retina and interprets or

1214

00:52:25,000 --> 00:52:22,400

you know and then there's been times

1215

00:52:27,130 --> 00:52:25,010

where people in a crowd could see a UFO

1216

00:52:30,310 --> 00:52:27,140

in the sky and others thought they saw a

1217

00:52:32,950 --> 00:52:30,320

dancing Sun you know that's what was

1218

00:52:34,450 --> 00:52:32,960

that and one of the sightings of Mary I

1219

00:52:37,180 --> 00:52:34,460

don't know if it was [h__h] gorya or

1220

00:52:39,550 --> 00:52:37,190

something I think it was but it's like

1221

00:52:43,150 --> 00:52:39,560

huh you know what what is going on here

1222

00:52:44,410 --> 00:52:43,160

so I mean no no to to people experience

1223

00:52:47,110 --> 00:52:44,420

the world the same and that's when I

1224

00:52:49,240 --> 00:52:47,120

found out over the last 10 years or so

1225

00:52:51,070 --> 00:52:49,250

studying psychology and parapsychology

1226

00:52:54,400 --> 00:52:51,080

everyone's perception of the world is

1227

00:52:55,780 --> 00:52:54,410

different so even colors you know you

1228

00:53:00,790 --> 00:52:55,790

see colors different than I do

1229

00:53:02,860 --> 00:53:00,800

everything's variable for me you taste

1230

00:53:05,350 --> 00:53:02,870

things differently than I do that smell

1231

00:53:07,000 --> 00:53:05,360

was different than mine you know I I

1232

00:53:09,970 --> 00:53:07,010

know when I go with my wife to pick out

1233

00:53:13,510 --> 00:53:09,980

colors for the house I see you know like

1234

00:53:16,750 --> 00:53:13,520

six colors you know white red blue

1235

00:53:19,430 --> 00:53:16,760

whatever and she sees you know you know

1236

00:53:22,430 --> 00:53:19,440

awesome I'll make shell white and

1237

00:53:25,160 --> 00:53:22,440

I don't know what's going on so you know

1238

00:53:27,230 --> 00:53:25,170

everyone sees things differently and I

1239

00:53:30,410 --> 00:53:27,240

think there's a subset of the population

1240

00:53:32,750 --> 00:53:30,420

that's actually extremely extremely

1241

00:53:35,690 --> 00:53:32,760

sensitive to the environment around us

1242

00:53:39,910 --> 00:53:35,700

you know everything that's going on from

1243

00:53:43,250 --> 00:53:39,920

magnetic fields to weather changes -

1244

00:53:46,450 --> 00:53:43,260

smells - you know these people tend to

1245

00:53:49,670 --> 00:53:46,460

have a lot of migraines and fibromyalgia

1246

00:53:51,650 --> 00:53:49,680

and environmental illnesses that that go

1247

00:53:52,849 --> 00:53:51,660

along with that and and what they found

1248

00:53:54,920 --> 00:53:52,859

is these people who are really

1249

00:53:56,660 --> 00:53:54,930

hypersensitive to everything around them

1250

00:53:58,550 --> 00:53:56,670

they have way way way way more

1251
00:54:01,069 --> 00:53:58,560
paranormal experiences than the general

1252
00:54:02,240 --> 00:54:01,079
population so one of the questions that

1253
00:54:05,120 --> 00:54:02,250
I looked at in a lot of my research was

1254
00:54:06,980 --> 00:54:05,130
why is that why is this subset of the

1255
00:54:10,579 --> 00:54:06,990
population having these wonderful

1256
00:54:11,870 --> 00:54:10,589
experiences what is it about them and

1257
00:54:15,380 --> 00:54:11,880
that's that's really what got me going

1258
00:54:18,620 --> 00:54:15,390
and the whole you know what writing the

1259
00:54:21,760 --> 00:54:18,630
book and ghosts and well we're missing

1260
00:54:24,620 --> 00:54:21,770
chromosomes I think that's the problem

1261
00:54:26,180 --> 00:54:24,630
you know I have so many questions that

1262
00:54:28,880 --> 00:54:26,190
have been coming up here in the chat

1263
00:54:30,680 --> 00:54:28,890

room so I'll definitely post them for

1264

00:54:32,569 --> 00:54:30,690

those to you here soon we're gonna get

1265

00:54:34,099 --> 00:54:32,579

to our next break you guys you are

1266

00:54:39,410 --> 00:54:34,109

listening to me Heidi how's the outlet

1267

00:54:41,569 --> 00:54:39,420

and ER and we'll be right back welcome

1268

00:54:44,930 --> 00:54:41,579

back everybody you listen to me Heidi

1269

00:54:48,530 --> 00:54:44,940

house the Outlander I have the author of

1270

00:54:51,710 --> 00:54:48,540

The Ghost studies Brandon who is

1271

00:54:53,440 --> 00:54:51,720

discussing some interesting aspects to

1272

00:54:56,000 --> 00:54:53,450

his book that I don't think I've seen

1273

00:54:59,020 --> 00:54:56,010

culminated into one book so his first

1274

00:55:01,670 --> 00:54:59,030

book and what a fabulous way to approach

1275

00:55:03,980 --> 00:55:01,680

ghostly things and you're kind of

1276

00:55:06,319 --> 00:55:03,990

combining the psyche aspects the

1277

00:55:09,859 --> 00:55:06,329

emotional aspects the science aspect the

1278

00:55:13,010 --> 00:55:09,869

neurobiological ones I mean yeah are

1279

00:55:16,040 --> 00:55:13,020

there any like cool stories that you

1280

00:55:21,170 --> 00:55:16,050

depict in the book and then apply this

1281

00:55:23,390 --> 00:55:21,180

new approach - yeah I have gosh I have a

1282

00:55:25,970 --> 00:55:23,400

whole chapter of just case case studies

1283

00:55:27,470 --> 00:55:25,980

in the book and I think for me

1284

00:55:30,349 --> 00:55:27,480

personally and this is going through

1285

00:55:33,319 --> 00:55:30,359

school and even as an adult I learn best

1286

00:55:37,459 --> 00:55:33,329

with case examples and I learn best with

1287

00:55:39,349 --> 00:55:37,469

sort of you know reading a case study

1288

00:55:43,309 --> 00:55:39,359

and then sort of explaining what's going

1289

00:55:45,859 --> 00:55:43,319

on after it one of the things in the

1290

00:55:47,539 --> 00:55:45,869

book I there's a I saw someone at a chat

1291

00:55:49,640 --> 00:55:47,549

room was talking about civil war stuff

1292

00:55:52,519 --> 00:55:49,650

and Gettysburg all right

1293

00:55:54,589 --> 00:55:52,529

you know I I have some I have a case

1294

00:55:58,309 --> 00:55:54,599

example about some Civil War soldiers

1295

00:55:59,870 --> 00:55:58,319

and in the book as well and I kind of

1296

00:56:03,140 --> 00:55:59,880

break it down about Willie what I'm

1297

00:56:06,949 --> 00:56:03,150

thinking about there did you want to

1298

00:56:10,759 --> 00:56:06,959

hear a case example actually asked if

1299

00:56:12,319 --> 00:56:10,769

he'd gone out to blast of a war area so

1300

00:56:14,359 --> 00:56:12,329

yeah let's do it

1301

00:56:16,039 --> 00:56:14,369

let's yeah well let's let's pick one

1302

00:56:18,829 --> 00:56:16,049

from Gettysburg because that's that's

1303

00:56:23,469 --> 00:56:18,839

when I talk about them sometimes on the

1304

00:56:25,999 --> 00:56:23,479

in the book here but so this is in 1863

1305

00:56:27,519 --> 00:56:26,009

Deborah had a nineteen year old son who

1306

00:56:29,839 --> 00:56:27,529

was fighting in the Battle of Gettysburg

1307

00:56:32,719 --> 00:56:29,849

all right and this is just the sort of

1308

00:56:34,729 --> 00:56:32,729

an account from Deborah I woke up one

1309

00:56:36,920 --> 00:56:34,739

morning around 2:00 a.m. feeling like

1310

00:56:38,930 --> 00:56:36,930

I've been punched in the head I was

1311

00:56:41,779 --> 00:56:38,940

covered in sweat had a terrible headache

1312

00:56:44,209 --> 00:56:41,789

and felt blood gushing down my face I

1313

00:56:46,910 --> 00:56:44,219

couldn't breathe and I was gasping for

1314

00:56:49,279 --> 00:56:46,920

air as if choking I felt if my lungs

1315

00:56:51,140 --> 00:56:49,289

were filling with water or sludge so I

1316

00:56:53,479 --> 00:56:51,150

went to the bathroom to try and cough up

1317

00:56:56,420 --> 00:56:53,489

the substance I was overwhelmed with

1318

00:56:58,279 --> 00:56:56,430

feelings of fear sadness and anger so

1319

00:57:01,039 --> 00:56:58,289

feeling weak i sat down on the bathroom

1320

00:57:03,410 --> 00:57:01,049

floor while crying at that moment I saw

1321

00:57:04,999 --> 00:57:03,420

an image of my son in full civil war

1322

00:57:08,089 --> 00:57:05,009

uniform and covered in blood

1323

00:57:09,499 --> 00:57:08,099

I then heard my voice my son's voice say

1324

00:57:12,410 --> 00:57:09,509

tell mom I love her

1325

00:57:14,120 --> 00:57:12,420

please tell her I love her the image and

1326
00:57:16,430 --> 00:57:14,130
my physical symptoms vanished within

1327
00:57:18,170 --> 00:57:16,440
seconds picking myself off the floor I

1328
00:57:19,729 --> 00:57:18,180
looked into the mirror and saw no blood

1329
00:57:21,349 --> 00:57:19,739
or bump that would indicate I hurt my

1330
00:57:23,479 --> 00:57:21,359
head a week later

1331
00:57:25,249 --> 00:57:23,489
Deborah learned of her son's death which

1332
00:57:27,859 --> 00:57:25,259
occurred at the same time as her strange

1333
00:57:30,199 --> 00:57:27,869
symptoms that evening according to

1334
00:57:33,140 --> 00:57:30,209
reports he died from a gunshot to the

1335
00:57:36,079 --> 00:57:33,150
chest and severe head trauma so that

1336
00:57:38,650 --> 00:57:36,089
might explain why she had headache felt

1337
00:57:42,109 --> 00:57:38,660
blood gushing down her head and had

1338
00:57:47,150 --> 00:57:42,119

feelings of blood her lungs filling with

1339

00:57:50,750 --> 00:57:47,160

water my goodness what a

1340

00:57:54,500 --> 00:57:50,760

what a story and you know moms have that

1341

00:57:57,620 --> 00:57:54,510

sixth sense anyways but that is like

1342

00:58:00,740 --> 00:57:57,630

that's a lot of detail yeah Wow

1343

00:58:03,380 --> 00:58:00,750

it means that that's like a a blueprint

1344

00:58:05,840 --> 00:58:03,390

or a typical crisis apparition or

1345

00:58:07,250 --> 00:58:05,850

deathbed vision and I'm sure you of a

1346

00:58:09,440 --> 00:58:07,260

lot of your listeners have read story

1347

00:58:11,360 --> 00:58:09,450

very similar to this so you have these

1348

00:58:14,150 --> 00:58:11,370

phenomenon happening at the same time

1349

00:58:17,330 --> 00:58:14,160

when someone's in distress or you either

1350

00:58:19,760 --> 00:58:17,340

just died or is dying or is in some sort

1351
00:58:22,670 --> 00:58:19,770
of crisis and they somehow communicate

1352
00:58:24,830 --> 00:58:22,680
their symptoms to their fan it's usually

1353
00:58:28,870 --> 00:58:24,840
family members someone they're linked

1354
00:58:32,390 --> 00:58:28,880
with emotionally you know miles apart or

1355
00:58:33,920 --> 00:58:32,400
states away or something like that so in

1356
00:58:36,920 --> 00:58:33,930
this case maybe Deborah was in in

1357
00:58:40,400 --> 00:58:36,930
Indiana and the Sun was in Gettysburg Pa

1358
00:58:44,030 --> 00:58:40,410
so he's transferring all this stuff over

1359
00:58:47,450 --> 00:58:44,040
to to his his mom and she's experienced

1360
00:58:50,420 --> 00:58:47,460
that pretty much at the same time and

1361
00:58:53,660 --> 00:58:50,430
that that is a little bit about what I

1362
00:58:55,970 --> 00:58:53,670
talked about in my theories you know one

1363
00:58:57,440 --> 00:58:55,980

of the theories that I have that it is

1364

00:58:58,960 --> 00:58:57,450

probably the most interesting in the

1365

00:59:02,480 --> 00:58:58,970

book is something I called spontaneous

1366

00:59:04,910 --> 00:59:02,490

appartional tres theory hmm and and and

1367

00:59:07,160 --> 00:59:04,920

what that does is it it sort of says

1368

00:59:09,380 --> 00:59:07,170

that in every haunted location there's

1369

00:59:12,410 --> 00:59:09,390

an individual who sent this sort of

1370

00:59:13,970 --> 00:59:12,420

telepathic telepathic distress call to

1371

00:59:16,810 --> 00:59:13,980

someone who they were emotionally linked

1372

00:59:19,220 --> 00:59:16,820

with that sort of stuck in that location

1373

00:59:20,990 --> 00:59:19,230

so it's a little bit of the imprint

1374

00:59:23,360 --> 00:59:21,000

theory which I'll talk about in a second

1375

00:59:26,150 --> 00:59:23,370

but from my viewpoint it's this

1376

00:59:28,010 --> 00:59:26,160

telepathic distress call that sensitives

1377

00:59:30,050 --> 00:59:28,020

are picking up on and ghost hunters are

1378

00:59:32,210 --> 00:59:30,060

encountering with their equipment and I

1379

00:59:34,430 --> 00:59:32,220

think that this this idea or this

1380

00:59:36,860 --> 00:59:34,440

hypothesis can account for a great deal

1381

00:59:40,490 --> 00:59:36,870

of recurrent apparitions residual

1382

00:59:43,190 --> 00:59:40,500

hauntings and what's great about my

1383

00:59:45,590 --> 00:59:43,200

theory is it haunting doesn't have to

1384

00:59:48,260 --> 00:59:45,600

coincide with the location of the tragic

1385

00:59:50,210 --> 00:59:48,270

event so in this case the haunting

1386

00:59:52,130 --> 00:59:50,220

doesn't have to happen at Gettysburg it

1387

00:59:54,260 --> 00:59:52,140

could also happen if people were

1388

00:59:58,880 --> 00:59:54,270

investigating Deborah's house the mom's

1389

01:00:00,560 --> 00:59:58,890

house in Indiana so it accounts it goes

1390

01:00:01,970 --> 01:00:00,570

a step further and it's

1391

01:00:03,470 --> 01:00:01,980

there's a lot of ghost hunters and

1392

01:00:06,050 --> 01:00:03,480

paranormal investigators will go into a

1393

01:00:09,620 --> 01:00:06,060

house and they'll say well you know

1394

01:00:11,750 --> 01:00:09,630

there's Meneely unlikely it's it's a

1395

01:00:13,700 --> 01:00:11,760

haunting or paranormal because no

1396

01:00:16,100 --> 01:00:13,710

tragedy occurred here no death occurred

1397

01:00:17,780 --> 01:00:16,110

here nothing traumatic occurred here

1398

01:00:19,790 --> 01:00:17,790

well they'll go into a house that's 2 or

1399

01:00:22,370 --> 01:00:19,800

3 years old and say well you know this

1400

01:00:24,200 --> 01:00:22,380

this house is too new to have a haunting

1401

01:00:25,640 --> 01:00:24,210

to it but my theory sort of throws that

1402

01:00:27,260 --> 01:00:25,650

out the way and says you don't need

1403

01:00:29,180 --> 01:00:27,270

those types of things to have a haunting

1404

01:00:32,510 --> 01:00:29,190

at a location or haunt type phenomenon

1405

01:00:35,780 --> 01:00:32,520

Adam okay well that's wild

1406

01:00:39,050 --> 01:00:35,790

you know and speaking on civil war but I

1407

01:00:42,140 --> 01:00:39,060

have a family member who like outright

1408

01:00:45,470 --> 01:00:42,150

recalls it with great detail and it was

1409

01:00:47,290 --> 01:00:45,480

like a real dream to them of seeing

1410

01:00:52,190 --> 01:00:47,300

their reflection and they were a young

1411

01:00:55,130 --> 01:00:52,200

Civil War soldier and just and know that

1412

01:00:57,770 --> 01:00:55,140

they died during that war and it's like

1413

01:01:00,260 --> 01:00:57,780

huh you know it's it's interesting to me

1414

01:01:00,830 --> 01:01:00,270

how people get these hints but I got one

1415

01:01:05,260 --> 01:01:00,840

for you

1416

01:01:09,410 --> 01:01:05,270

okay hmm I have seen residual things and

1417

01:01:11,120 --> 01:01:09,420

but this one has a weird note I just

1418

01:01:13,640 --> 01:01:11,130

don't even know how to apply it but I

1419

01:01:16,850 --> 01:01:13,650

went until your folk conference of all

1420

01:01:19,220 --> 01:01:16,860

places okay my friends in the car I just

1421

01:01:20,690 --> 01:01:19,230

pull up to the hotel where the

1422

01:01:23,990 --> 01:01:20,700

conference is being held and where I'm

1423

01:01:25,190 --> 01:01:24,000

staying I go to put the car in park and

1424

01:01:29,600 --> 01:01:25,200

I'm talking to her and I'm looking hit

1425

01:01:34,250 --> 01:01:29,610

ahead of the car and through the trees

1426

01:01:37,100 --> 01:01:34,260

came this blonde lady in a baby blue

1427

01:01:39,410 --> 01:01:37,110

like like jogging outfit with white

1428

01:01:43,250 --> 01:01:39,420

stripes going down the side blonde

1429

01:01:45,740 --> 01:01:43,260

ponytail blue eyes and just look like

1430

01:01:49,820 --> 01:01:45,750

jogging and she's coming through the

1431

01:01:52,220 --> 01:01:49,830

trees comes bolting through my car I

1432

01:01:56,080 --> 01:01:52,230

threw everything up in the air screams

1433

01:02:01,520 --> 01:01:56,090

jumped up at the car my first like what

1434

01:02:03,830 --> 01:02:01,530

and I'm like you know what she came

1435

01:02:06,050 --> 01:02:03,840

through the car and I like on the other

1436

01:02:10,010 --> 01:02:06,060

side of this little patch of woods there

1437

01:02:12,650 --> 01:02:10,020

is a road so later on I'd go to my

1438

01:02:14,210 --> 01:02:12,660

friends who happen to live in the area

1439

01:02:16,910 --> 01:02:14,220

and also attended the car

1440

01:02:18,620 --> 01:02:16,920

fred's and I'm of course disturbed by

1441

01:02:21,440 --> 01:02:18,630

what I've experienced the day earlier

1442

01:02:24,560 --> 01:02:21,450

and I'm like hey guys did did a blonde

1443

01:02:25,730 --> 01:02:24,570

girl get hit on the road here and died

1444

01:02:29,510 --> 01:02:25,740

or something

1445

01:02:32,000 --> 01:02:29,520

and they they froze and they looked at

1446

01:02:35,599 --> 01:02:32,010

me and they're like why Heidi and I'm

1447

01:02:38,180 --> 01:02:35,609

like well I saw this blonde lady in his

1448

01:02:39,560 --> 01:02:38,190

jogging suit and I said it they said

1449

01:02:42,260 --> 01:02:39,570

something like they finished my

1450

01:02:45,830 --> 01:02:42,270

sentences so was it was a blue with

1451
01:02:47,810 --> 01:02:45,840
white stripes I'm like you know what I'm

1452
01:02:50,720 --> 01:02:47,820
like yes and they're like no Heidi a

1453
01:02:53,060 --> 01:02:50,730
girl did not die there and I'm like I'm

1454
01:02:56,270 --> 01:02:53,070
confused what do you mean and they said

1455
01:02:59,599 --> 01:02:56,280
they did not know but a woman in st.

1456
01:03:03,170 --> 01:02:59,609
Louis saw the same thing and one of them

1457
01:03:06,109 --> 01:03:03,180
had seen the same day but I'm opposites

1458
01:03:08,690 --> 01:03:06,119
like many miles away and they're like we

1459
01:03:10,040 --> 01:03:08,700
don't know why all of us I'm like hold

1460
01:03:13,070 --> 01:03:10,050
it there's three of us sitting here I've

1461
01:03:15,380 --> 01:03:13,080
seen this woman at different spots and

1462
01:03:17,480 --> 01:03:15,390
they're like it's almost like a trigger

1463
01:03:19,460 --> 01:03:17,490

and they were like you know conspiracy

1464

01:03:21,079 --> 01:03:19,470

theory like we feel like a switch has

1465

01:03:23,810 --> 01:03:21,089

been flipped in our heads we don't know

1466

01:03:25,670 --> 01:03:23,820

I'm like I am freaked out I mean how do

1467

01:03:28,849 --> 01:03:25,680

you attribute that that was weird

1468

01:03:30,859 --> 01:03:28,859

yeah it's it's definitely weird and

1469

01:03:34,220 --> 01:03:30,869

unusual and and that's what makes this

1470

01:03:36,770 --> 01:03:34,230

this field so amazing but you know maybe

1471

01:03:40,579 --> 01:03:36,780

let's you said it was a blonde lady a

1472

01:03:42,500 --> 01:03:40,589

younger lady they yeah oh yeah so let's

1473

01:03:44,839 --> 01:03:42,510

say that and you were at this conference

1474

01:03:49,700 --> 01:03:44,849

let's say that this young lady was

1475

01:03:53,030 --> 01:03:49,710

jogging and got hit and I don't know New

1476
01:03:55,849 --> 01:03:53,040
York City or something right and maybe

1477
01:03:59,780 --> 01:03:55,859
her mom was was sitting at the same

1478
01:04:01,339 --> 01:03:59,790
location you were sitting at and she at

1479
01:04:03,440 --> 01:04:01,349
the time her daughter was hit by a car

1480
01:04:09,140 --> 01:04:03,450
she got overwhelming feelings of sadness

1481
01:04:10,550 --> 01:04:09,150
she felt like you know she felt she saw

1482
01:04:15,530 --> 01:04:10,560
an apparition of her daughter and

1483
01:04:18,230 --> 01:04:15,540
jogging uniform maybe she had you know

1484
01:04:19,520 --> 01:04:18,240
some physical symptoms like like feeling

1485
01:04:22,730 --> 01:04:19,530
like someone hit her with a bat or

1486
01:04:24,710 --> 01:04:22,740
something so so maybe this daughter sent

1487
01:04:27,060 --> 01:04:24,720
a telepathic distress call if you want

1488
01:04:29,910 --> 01:04:27,070

to call it to her mom where you doubt

1489

01:04:32,490 --> 01:04:29,920

she dialed the wrong number well that's

1490

01:04:34,980 --> 01:04:32,500

the thing she let's say this the the

1491

01:04:35,520 --> 01:04:34,990

when the woman died it was fifty years

1492

01:04:38,220 --> 01:04:35,530

ago

1493

01:04:40,230 --> 01:04:38,230

I'm just using a number here and that

1494

01:04:42,750 --> 01:04:40,240

telepathic message was sent to the mom

1495

01:04:45,330 --> 01:04:42,760

50 years ago so this distress message

1496

01:04:48,270 --> 01:04:45,340

goes out into the environment and it and

1497

01:04:49,860 --> 01:04:48,280

it links with the mom to say the the

1498

01:04:50,430 --> 01:04:49,870

joggers in New York and it links with

1499

01:04:52,620 --> 01:04:50,440

the mom

1500

01:04:55,320 --> 01:04:52,630

where was this conference at it was in

1501

01:04:58,590 --> 01:04:55,330

Arkansas and it and the mom is in

1502

01:05:01,020 --> 01:04:58,600

Arkansas so the the daughter gets hit

1503

01:05:03,090 --> 01:05:01,030

she sends a distress message to mom she

1504

01:05:05,280 --> 01:05:03,100

sees a visual apparition of her daughter

1505

01:05:07,470 --> 01:05:05,290

in danger so it's like a telepathic

1506

01:05:09,870 --> 01:05:07,480

distress signal in Arkansas where you're

1507

01:05:12,870 --> 01:05:09,880

at so this distress signal is in the

1508

01:05:14,760 --> 01:05:12,880

environment now and if people are

1509

01:05:16,670 --> 01:05:14,770

sensitive enough they could walk up and

1510

01:05:18,570 --> 01:05:16,680

maybe pick up on this residual

1511

01:05:20,910 --> 01:05:18,580

telepathic distress call

1512

01:05:24,900 --> 01:05:20,920

so maybe but she didn't but I'm in

1513

01:05:26,910 --> 01:05:24,910

another state yeah yeah so it's a

1514

01:05:31,620 --> 01:05:26,920

thought transference so if we look at

1515

01:05:34,200 --> 01:05:31,630

the Civil War case the son the son died

1516

01:05:36,450 --> 01:05:34,210

in Gettysburg and Deborah was in Indiana

1517

01:05:39,780 --> 01:05:36,460

and she got all those types of symptoms

1518

01:05:43,140 --> 01:05:39,790

so he communicated what he was doing to

1519

01:05:45,210 --> 01:05:43,150

his mother in Indiana five nine months

1520

01:05:47,700 --> 01:05:45,220

away or whatever same thing with this

1521

01:05:49,710 --> 01:05:47,710

this jogger she communicated her

1522

01:05:53,100 --> 01:05:49,720

distress symptoms to the mother in

1523

01:05:55,350 --> 01:05:53,110

Arkansas now they're you know we can

1524

01:05:57,780 --> 01:05:55,360

communicate nowadays through the

1525

01:05:59,190 --> 01:05:57,790

environment with just touching a phone

1526

01:06:01,860 --> 01:05:59,200

you know I could pick up my cell phone

1527

01:06:04,380 --> 01:06:01,870

and call Japan right now so this idea

1528

01:06:06,780 --> 01:06:04,390

that the you know communication a

1529

01:06:10,620 --> 01:06:06,790

distance is not possible that doesn't

1530

01:06:15,300 --> 01:06:10,630

exist but thought transference occurs so

1531

01:06:17,280 --> 01:06:15,310

then you have this this experience 50

1532

01:06:18,480 --> 01:06:17,290

years in the future in the same location

1533

01:06:20,940 --> 01:06:18,490

where the mom might have had the

1534

01:06:22,410 --> 01:06:20,950

experience in the past well the the

1535

01:06:24,870 --> 01:06:22,420

strange thing is though one of the

1536

01:06:27,390 --> 01:06:24,880

people saw her in another state and the

1537

01:06:29,760 --> 01:06:27,400

other people saw her like a week earlier

1538

01:06:33,150 --> 01:06:29,770

many miles away but not too far from

1539

01:06:36,090 --> 01:06:33,160

there but I mean you weird and I didn't

1540

01:06:38,460 --> 01:06:36,100

notice this other person and and I have

1541

01:06:40,240 --> 01:06:38,470

to say the the jogging outfit looked

1542

01:06:43,210 --> 01:06:40,250

dated it might have been 80

1543

01:06:45,700 --> 01:06:43,220

80s or something but see what my theory

1544

01:06:48,070 --> 01:06:45,710

can explain that because maybe maybe the

1545

01:06:49,900 --> 01:06:48,080

distress signal went to people she was

1546

01:06:53,140 --> 01:06:49,910

emotionally linked with so that could be

1547

01:06:56,850 --> 01:06:53,150

mom in Arkansas that could be brother in

1548

01:07:00,520 --> 01:06:56,860

st. Louis and that could be I don't know

1549

01:07:02,410 --> 01:07:00,530

husband in Ohio yeah so this went to all

1550

01:07:04,960 --> 01:07:02,420

these people so this distress signal is

1551

01:07:06,700 --> 01:07:04,970

out there in all these locations so you

1552

01:07:08,590 --> 01:07:06,710

know my theory would really say it

1553

01:07:10,660 --> 01:07:08,600

doesn't matter where you're at if the

1554

01:07:11,650 --> 01:07:10,670

distress signal was sent then someone

1555

01:07:14,290 --> 01:07:11,660

can pick up on it

1556

01:07:16,330 --> 01:07:14,300

gotcha wild I want to get to some of

1557

01:07:19,060 --> 01:07:16,340

these lovely questions that people are

1558

01:07:22,150 --> 01:07:19,070

posting here well you kind of you kind

1559

01:07:25,150 --> 01:07:22,160

of answered the Civil War thingy during

1560

01:07:26,920 --> 01:07:25,160

your time as a residential advisor did

1561

01:07:29,830 --> 01:07:26,930

you get any reports from the residents

1562

01:07:33,880 --> 01:07:29,840

of shadows of or apparitions in their in

1563

01:07:36,900 --> 01:07:33,890

their rooms I was never a residential

1564

01:07:40,530 --> 01:07:36,910

advisor yeah I worked on a residential

1565

01:07:45,520 --> 01:07:40,540

yeah I worked on a substance abuse unit

1566

01:07:47,440 --> 01:07:45,530

no I never know I I never had anyone

1567

01:07:49,530 --> 01:07:47,450

really say like the the place where they

1568

01:07:51,640 --> 01:07:49,540

were at was haunted as far as in a

1569

01:07:54,790 --> 01:07:51,650

psychiatric unit or a substance abuse

1570

01:07:56,800 --> 01:07:54,800

residential unit couch and you know what

1571

01:07:58,810 --> 01:07:56,810

just get you yeah I mean when you think

1572

01:08:01,600 --> 01:07:58,820

about it there's a lot of emotions tied

1573

01:08:03,220 --> 01:08:01,610

to it there's a lot of you know stuff

1574

01:08:03,700 --> 01:08:03,230

going on there but I'd never heard

1575

01:08:05,440 --> 01:08:03,710

anything

1576

01:08:07,440 --> 01:08:05,450

hospitals are typically a lot one of

1577

01:08:10,900 --> 01:08:07,450

those places that are frequently haunted

1578

01:08:12,700 --> 01:08:10,910

truly oh yeah yeah you hear those all

1579

01:08:15,880 --> 01:08:12,710

the time from nurse and usually from

1580

01:08:19,539 --> 01:08:15,890

nurses yeah things like that and I used

1581

01:08:21,309 --> 01:08:19,549

to have the third shift so yeah oh you

1582

01:08:22,809 --> 01:08:21,319

really got it then that I have

1583

01:08:25,210 --> 01:08:22,819

experienced stuff in the different

1584

01:08:27,579 --> 01:08:25,220

places I've worked and Wow and heard

1585

01:08:29,740 --> 01:08:27,589

stories from the patients and you know

1586

01:08:31,809 --> 01:08:29,750

one of the top things in health care is

1587

01:08:33,190 --> 01:08:31,819

because I worked in the ER was you know

1588

01:08:34,660 --> 01:08:33,200

every time I walk in it was a full moon

1589

01:08:36,039 --> 01:08:34,670

everyone would tell me you know it's a

1590

01:08:38,890 --> 01:08:36,049

full moon you're gonna be busy at night

1591

01:08:42,670 --> 01:08:38,900

because the implication people are

1592

01:08:45,190 --> 01:08:42,680

crazier during full moons you know it

1593

01:08:47,289 --> 01:08:45,200

and all these places have done all this

1594

01:08:49,090 --> 01:08:47,299

research saying that that's not true and

1595

01:08:50,710 --> 01:08:49,100

bla bla bla like a lot of skeptics

1596

01:08:52,390 --> 01:08:50,720

with it oh there's no correlation

1597

01:08:55,300 --> 01:08:52,400

between

1598

01:08:57,190 --> 01:08:55,310

full moon and psychiatric admissions but

1599

01:08:59,910 --> 01:08:57,200

I tell you what you work in an emergency

1600

01:09:04,210 --> 01:08:59,920

room and full moon comes around it does

1601
01:09:06,340 --> 01:09:04,220
yeah there's no yeah it happens you know

1602
01:09:09,010 --> 01:09:06,350
it really does in Wisconsin when the

1603
01:09:11,890 --> 01:09:09,020
Packers lose that's when Oh crazies come

1604
01:09:14,740 --> 01:09:11,900
out and now with our Rodgers purposely

1605
01:09:17,670 --> 01:09:14,750
injured yeah i'ma say it like that yeah

1606
01:09:20,140 --> 01:09:17,680
there's gonna be a lot more going on I

1607
01:09:28,950 --> 01:09:20,150
will say this I'm a Cleveland Browns fan

1608
01:09:31,930 --> 01:09:28,960
so you guys are lucky oh I tell you that

1609
01:09:34,030 --> 01:09:31,940
Rodgers your team is far superior that

1610
01:09:35,920 --> 01:09:34,040
aren't yeah well you know what they

1611
01:09:38,470 --> 01:09:35,930
really train them they don't let those

1612
01:09:41,050 --> 01:09:38,480
guys go they keep their guys and they

1613
01:09:42,910 --> 01:09:41,060

get them to the point of doing what they

1614

01:09:44,349 --> 01:09:42,920

do so it's yeah they're they're

1615

01:09:47,079 --> 01:09:44,359

different team they don't they don't let

1616

01:09:49,780 --> 01:09:47,089

their players go very often so they mold

1617

01:09:53,079 --> 01:09:49,790

them they mold them so another question

1618

01:09:54,430 --> 01:09:53,089

this says if I don't know if you know

1619

01:09:56,440 --> 01:09:54,440

about this stuff does Brandon have any

1620

01:09:58,930 --> 01:09:56,450

opinions on remote viewing or

1621

01:10:02,020 --> 01:09:58,940

experiences or was that just in the book

1622

01:10:04,000 --> 01:10:02,030

he read yeah you know I don't have very

1623

01:10:06,370 --> 01:10:04,010

much experience as remote viewing but

1624

01:10:08,500 --> 01:10:06,380

I'm gonna tell you and i'ma give the

1625

01:10:10,990 --> 01:10:08,510

people in the chatroom a place to go I I

1626

01:10:13,060 --> 01:10:11,000

spoke at the Paris Psychological

1627

01:10:16,210 --> 01:10:13,070

associations sixtieth sixtieth

1628

01:10:17,980 --> 01:10:16,220

anniversary anniversary celebration I

1629

01:10:19,780 --> 01:10:17,990

spoke on environmental sensitivity and

1630

01:10:23,950 --> 01:10:19,790

things like that but one of the speakers

1631

01:10:24,520 --> 01:10:23,960

there was dr. EDA and if if people don't

1632

01:10:26,950 --> 01:10:24,530

know who he is

1633

01:10:30,040 --> 01:10:26,960

he was the the lead researcher for

1634

01:10:36,120 --> 01:10:30,050

Stargate which is the what the the

1635

01:10:39,070 --> 01:10:36,130

government's the government's forte into

1636

01:10:43,600 --> 01:10:39,080

studying ESP insight and things like

1637

01:10:45,400 --> 01:10:43,610

that yes so right now I think it's 15-20

1638

01:10:48,250 --> 01:10:45,410

years after they shut it I mean the

1639

01:10:50,590 --> 01:10:48,260

program went for 15 20 years but they

1640

01:10:52,330 --> 01:10:50,600

Declassified everything after 15 20

1641

01:10:54,640 --> 01:10:52,340

years and he's got a new book coming out

1642

01:10:57,340 --> 01:10:54,650

here shortly and he talked a lot about

1643

01:10:59,680 --> 01:10:57,350

remote viewing and he talked about how

1644

01:11:02,530 --> 01:10:59,690

accurate some of the participants they

1645

01:11:05,260 --> 01:11:02,540

had in in this government study were and

1646

01:11:06,110 --> 01:11:05,270

it was absolutely fascinating but you

1647

01:11:08,540 --> 01:11:06,120

can go on

1648

01:11:10,580 --> 01:11:08,550

the Paris Psychological associations

1649

01:11:14,690 --> 01:11:10,590

YouTube page and you could watch his

1650

01:11:16,730 --> 01:11:14,700

full his full speech or presentation

1651

01:11:18,380 --> 01:11:16,740

it's absolutely free and it will

1652

01:11:21,020 --> 01:11:18,390

absolutely blow your mind

1653

01:11:23,510 --> 01:11:21,030

and remote viewing is one of the things

1654

01:11:26,150 --> 01:11:23,520

they studied the most in this government

1655

01:11:29,810 --> 01:11:26,160

research for 15 20 years and he shows

1656

01:11:32,660 --> 01:11:29,820

pictures of what the person was drawing

1657

01:11:34,880 --> 01:11:32,670

in the actual target which was I don't

1658

01:11:37,550 --> 01:11:34,890

know four hundred thousand miles away or

1659

01:11:40,010 --> 01:11:37,560

whatever the thing was but I don't talk

1660

01:11:42,770 --> 01:11:40,020

too much about remote viewing that is

1661

01:11:44,810 --> 01:11:42,780

another animal in and of itself I talk a

1662

01:11:47,540 --> 01:11:44,820

lot about telepathy thought transference

1663

01:11:51,590 --> 01:11:47,550

I talk a lot about consciousness I talk

1664

01:11:53,960 --> 01:11:51,600

a lot about you know apparitions and the

1665

01:11:55,670 --> 01:11:53,970

sigh hypothesis and things like that but

1666

01:11:57,170 --> 01:11:55,680

not specifically remote viewing

1667

01:11:58,700 --> 01:11:57,180

because remote viewing does it have too

1668

01:12:03,440 --> 01:11:58,710

much to do with ghosts and apparitions

1669

01:12:06,020 --> 01:12:03,450

it's it's more of like a yes ESP Clara

1670

01:12:08,000 --> 01:12:06,030

the remote viewing type situation catch

1671

01:12:10,960 --> 01:12:08,010

it what I have a question for you what

1672

01:12:12,890 --> 01:12:10,970

it what is your ultimate goal behind

1673

01:12:14,840 --> 01:12:12,900

some of the research that you've been

1674

01:12:16,040 --> 01:12:14,850

doing it seems like no matter what

1675

01:12:17,810 --> 01:12:16,050

whether you've experienced something or

1676

01:12:20,720 --> 01:12:17,820

not there's there's an ultimate passion

1677

01:12:23,780 --> 01:12:20,730

and a drive and a goal so what is it for

1678

01:12:29,480 --> 01:12:23,790

you with this book oh you know no one's

1679

01:12:33,410 --> 01:12:29,490

asked me that what is my goal you know I

1680

01:12:37,010 --> 01:12:33,420

tell you what and and from from starting

1681

01:12:39,350 --> 01:12:37,020

this whole thing to where I am now it's

1682

01:12:42,140 --> 01:12:39,360

it's kind of been quite a ride for the

1683

01:12:44,870 --> 01:12:42,150

most part but you know as far as my goal

1684

01:12:47,570 --> 01:12:44,880

I I think I just want to get some of my

1685

01:12:49,430 --> 01:12:47,580

ideas and thoughts in out there into the

1686

01:12:52,370 --> 01:12:49,440

world and kind of see what people think

1687

01:12:54,680 --> 01:12:52,380

about them so you know I have a website

1688

01:12:56,330 --> 01:12:54,690

and I have all this stuff going on but

1689

01:12:58,850 --> 01:12:56,340

really what I want to do is just talk

1690

01:13:01,910 --> 01:12:58,860

with people and get get an idea of kind

1691

01:13:04,820 --> 01:13:01,920

of how they feel what their thoughts are

1692

01:13:06,410 --> 01:13:04,830

on my on my book I mean I'll be honest

1693

01:13:08,270 --> 01:13:06,420

with everyone the original premise for

1694

01:13:09,860 --> 01:13:08,280

the book was a skeptical look at ghostly

1695

01:13:12,800 --> 01:13:09,870

phenomenon through the eyes of a mental

1696

01:13:18,770 --> 01:13:12,810

health clinician yeah oh yeah

1697

01:13:19,850 --> 01:13:18,780

oh it it took quite a turn so yeah so

1698

01:13:21,710 --> 01:13:19,860

what I did was you

1699

01:13:23,780 --> 01:13:21,720

I compiled all these research articles

1700

01:13:25,940 --> 01:13:23,790

from mainstream psychology and

1701

01:13:28,220 --> 01:13:25,950

parapsychology and I started writing

1702

01:13:31,100 --> 01:13:28,230

about the numerous psychological and

1703

01:13:32,660 --> 01:13:31,110

natural causes to ghostly phenomenon so

1704

01:13:34,580 --> 01:13:32,670

because I've always been fascinated with

1705

01:13:36,530 --> 01:13:34,590

ghosts and I never had an experience I

1706

01:13:39,650 --> 01:13:36,540

was you know old Brandon was really

1707

01:13:42,530 --> 01:13:39,660

skeptical those people who did so uh you

1708

01:13:45,110 --> 01:13:42,540

know prior to writing the book and and

1709

01:13:48,200 --> 01:13:45,120

Burrell I my my research that I

1710

01:13:50,540 --> 01:13:48,210

conducted beyond environmental

1711

01:13:52,310 --> 01:13:50,550

sensitivity I kind of looked at it

1712

01:13:53,990 --> 01:13:52,320

through a skeptics eye and I sort of

1713

01:13:56,540 --> 01:13:54,000

said well these these people are just

1714

01:13:58,340 --> 01:13:56,550

misinterpreting ambiguous stimuli and

1715

01:13:59,870 --> 01:13:58,350

I've been looking back at that I kind of

1716

01:14:03,590 --> 01:13:59,880

punched myself in the in the face

1717

01:14:06,350 --> 01:14:03,600

because what I did was I reduced like

1718

01:14:08,720 --> 01:14:06,360

over 600 paranormal experiences which

1719

01:14:11,330 --> 01:14:08,730

were reported in my research to being

1720

01:14:13,580 --> 01:14:11,340

misinterpreting ambiguous stimuli and I

1721

01:14:15,800 --> 01:14:13,590

think that's kind of a I don't know it's

1722

01:14:17,780 --> 01:14:15,810

it's a crappy thing to do so looking

1723

01:14:19,580 --> 01:14:17,790

back at it I kind of go I wish I

1724

01:14:21,290 --> 01:14:19,590

wouldn't have done it like that but

1725

01:14:23,390 --> 01:14:21,300

anyway about a year into researching the

1726

01:14:25,160 --> 01:14:23,400

book I I started to look more closely at

1727

01:14:27,650 --> 01:14:25,170

sort of the theories outside mainstream

1728

01:14:30,590 --> 01:14:27,660

science and that's Carl Jung that's

1729

01:14:32,960 --> 01:14:30,600

Rupert Sheldrake Michael chalice Leonard

1730

01:14:35,330 --> 01:14:32,970

Ravitz Harold Saxton burr Robert Becker

1731

01:14:37,040 --> 01:14:35,340

and it kind of opened my ID opened my

1732

01:14:40,010 --> 01:14:37,050

eyes to these alternative ideas out

1733

01:14:41,540 --> 01:14:40,020

there so I had an epiphany one night and

1734

01:14:43,550 --> 01:14:41,550

I was really struggling with all these

1735

01:14:45,860 --> 01:14:43,560

new concepts about consciousness sigh

1736

01:14:47,660 --> 01:14:45,870

and paranormal experiences I was trying

1737

01:14:51,020 --> 01:14:47,670

to fit him into my conservative view of

1738

01:14:52,880 --> 01:14:51,030

the world and I realized I spent too

1739

01:14:55,010 --> 01:14:52,890

much time reading articles books and

1740

01:14:56,300 --> 01:14:55,020

skeptical blogs that I forgot about the

1741

01:14:59,000 --> 01:14:56,310

most important thing in paranormal

1742

01:15:00,470 --> 01:14:59,010

experiences which is sort of people yeah

1743

01:15:02,420 --> 01:15:00,480

and then I I spent the next three to

1744

01:15:03,740 --> 01:15:02,430

four years just gathering as many

1745

01:15:05,990 --> 01:15:03,750

first-hand accounts of ghostly

1746

01:15:08,210 --> 01:15:06,000

experiences I could I read book after

1747

01:15:10,250 --> 01:15:08,220

book on ghostly encounters I listened to

1748

01:15:13,730 --> 01:15:10,260

ever wanted to talk to me about ghosts I

1749

01:15:15,200 --> 01:15:13,740

went to conventions I let people talk

1750

01:15:17,390 --> 01:15:15,210

about their encounters I didn't judge

1751

01:15:19,100 --> 01:15:17,400

them I didn't debunk them I didn't do

1752

01:15:22,010 --> 01:15:19,110

any of that and and what was amazing was

1753

01:15:25,070 --> 01:15:22,020

I started noticing these similarities of

1754

01:15:27,470 --> 01:15:25,080

these encounters and it led to these new

1755

01:15:30,650 --> 01:15:27,480

exciting theories that I have and I

1756

01:15:33,260 --> 01:15:30,660

really I really am grateful that I took

1757

01:15:33,620 --> 01:15:33,270

a step away from just reading articles

1758

01:15:35,300 --> 01:15:33,630

and

1759

01:15:36,830 --> 01:15:35,310

just listening to people because people

1760

01:15:40,010 --> 01:15:36,840

are experiencing this paranormal

1761

01:15:42,830 --> 01:15:40,020

phenomenon and you know I I in the past

1762

01:15:45,530 --> 01:15:42,840

old Brandon of 10 years ago might have

1763

01:15:47,990 --> 01:15:45,540

just dismissed this as this or that and

1764

01:15:53,959 --> 01:15:48,000

I kind of kicked myself in the butt for

1765

01:15:56,090 --> 01:15:53,969

doing that well welcome back to the the

1766

01:15:57,770 --> 01:15:56,100

correct side of the paranormal because I

1767

01:16:01,250 --> 01:15:57,780

think even Bigfoot would have threw a

1768

01:16:03,709 --> 01:16:01,260

rock at you yeah like that

1769

01:16:05,090 --> 01:16:03,719

you kinda yeah and I you know it's like

1770

01:16:06,860 --> 01:16:05,100

well I have a degree I know what I'm

1771

01:16:09,229 --> 01:16:06,870

talking about and you're wrong and I'm

1772

01:16:11,419 --> 01:16:09,239

right and that's a crappy attitude to

1773

01:16:14,720 --> 01:16:11,429

have and I see that a lot sometimes with

1774

01:16:16,939 --> 01:16:14,730

oh yeah you know you people kick open

1775

01:16:20,270 --> 01:16:16,949

the door and tell you well you're not

1776

01:16:21,979 --> 01:16:20,280

had seen a ghost it's blah blah blah and

1777

01:16:24,140 --> 01:16:21,989

it's kind of like you know it's like

1778

01:16:25,820 --> 01:16:24,150

telling somebody that you know they they

1779

01:16:30,229 --> 01:16:25,830

don't love their spouse you know it's

1780

01:16:33,110 --> 01:16:30,239

like you know what do me a favor you got

1781

01:16:36,050 --> 01:16:33,120

a look into this weird phenomena where

1782

01:16:38,030 --> 01:16:36,060

those who believe in ghosts don't

1783

01:16:40,220 --> 01:16:38,040

believe in aliens and then will make fun

1784

01:16:42,140 --> 01:16:40,230

of those people that have you know and

1785

01:16:43,490 --> 01:16:42,150

it's like in vice versa it's like hold

1786

01:16:45,890 --> 01:16:43,500

on and everybody

1787

01:16:48,110 --> 01:16:45,900

no wonder we haven't gotten as far as we

1788

01:16:49,910 --> 01:16:48,120

should and these odd topics because

1789

01:16:52,760 --> 01:16:49,920

you're too busy fighting each other and

1790

01:16:56,919 --> 01:16:52,770

and insulting I mean really a ghost

1791

01:17:02,720 --> 01:16:56,929

hunter is insulting a UFO hunter come on

1792

01:17:06,410 --> 01:17:02,730

yeah yeah I it seems like I have I have

1793

01:17:09,200 --> 01:17:06,420

a friend who has a who who kind of does

1794

01:17:12,290 --> 01:17:09,210

all of that he does cryptids he does

1795

01:17:15,379 --> 01:17:12,300

UFOs and he researches the ghosts too

1796

01:17:17,930 --> 01:17:15,389

and so his viewpoints and things are

1797

01:17:19,310 --> 01:17:17,940

amazingly it's like whoa I never really

1798

01:17:21,140 --> 01:17:19,320

thought about that and I think it's cuz

1799

01:17:24,620 --> 01:17:21,150

he has such a wide he's so open minded

1800

01:17:26,270 --> 01:17:24,630

to all that oh yeah this guy named MJ

1801
01:17:29,540 --> 01:17:26,280
that's producing tonight is also one of

1802
01:17:32,419 --> 01:17:29,550
those people he investigates all that

1803
01:17:34,640 --> 01:17:32,429
stuff and yeah it's it keeps life

1804
01:17:36,620 --> 01:17:34,650
interesting you're never bored and you

1805
01:17:39,500 --> 01:17:36,630
know a lot of people have to realize

1806
01:17:42,470 --> 01:17:39,510
you're not really gonna make a living by

1807
01:17:45,379 --> 01:17:42,480
disclosing the biggest UFO story you've

1808
01:17:47,360 --> 01:17:45,389
ever heard or ghost or whatever it's not

1809
01:17:48,950 --> 01:17:47,370
a way to make a living

1810
01:17:51,830 --> 01:17:48,960
people step forward they're usually

1811
01:17:54,770 --> 01:17:51,840
pouring their guts out because they need

1812
01:17:57,440 --> 01:17:54,780
to vent they hope to learn you know and

1813
01:17:59,840 --> 01:17:57,450

the meet up with others that just to

1814

01:18:01,880 --> 01:17:59,850

partner up and in this paranormal world

1815

01:18:03,380 --> 01:18:01,890

and and you know people are like oh

1816

01:18:05,840 --> 01:18:03,390

that's a bunch of malarkey I'm like hold

1817

01:18:07,340 --> 01:18:05,850

on the same person can testify in a

1818

01:18:11,060 --> 01:18:07,350

court of law

1819

01:18:14,360 --> 01:18:11,070

for witnessing something but if it flew

1820

01:18:16,790 --> 01:18:14,370

if it walked through a wall you can't

1821

01:18:20,090 --> 01:18:16,800

use that same testimony I mean it's just

1822

01:18:22,340 --> 01:18:20,100

it's sad I'm like what we've got to

1823

01:18:24,260 --> 01:18:22,350

change the attitudes that's out there

1824

01:18:26,270 --> 01:18:24,270

but yeah and one of the things I hate

1825

01:18:27,980 --> 01:18:26,280

them the most is you know someone will

1826

01:18:30,260 --> 01:18:27,990

you know you said pour their guts out

1827

01:18:32,390 --> 01:18:30,270

about a paranormal yeah and someone will

1828

01:18:33,560 --> 01:18:32,400

say well you're you're crazy or you're

1829

01:18:36,620 --> 01:18:33,570

imagining things

1830

01:18:39,530 --> 01:18:36,630

so automatically they they sort of go

1831

01:18:42,470 --> 01:18:39,540

towards questioning that person's mental

1832

01:18:45,080 --> 01:18:42,480

stability and and you know you're an

1833

01:18:47,420 --> 01:18:45,090

occupational therapist me that's that's

1834

01:18:49,010 --> 01:18:47,430

like the lowest you can go and

1835

01:18:51,200 --> 01:18:49,020

questioning someone's mental stability

1836

01:18:53,690 --> 01:18:51,210

because you know these paranormal

1837

01:18:57,170 --> 01:18:53,700

phenomenon there's millions of reported

1838

01:18:59,060 --> 01:18:57,180

occurrences every year so to have

1839

01:19:00,440 --> 01:18:59,070

someone who has an experience sort of

1840

01:19:03,040 --> 01:19:00,450

degrade them as saying they're sort of

1841

01:19:06,290 --> 01:19:03,050

mentally honest unstable to me is is

1842

01:19:08,540 --> 01:19:06,300

yeah it's almost unethical immoral to

1843

01:19:10,940 --> 01:19:08,550

say something like that it really is but

1844

01:19:12,920 --> 01:19:10,950

yeah I have to tell you it we've already

1845

01:19:15,020 --> 01:19:12,930
