1
00:00:02,869 --> 00:00:01,250
well good evening it's good to be with

2
00:00:04,880 --> 00:00:02,879
you again on the Kevin cook show and

3
00:00:07,900 --> 00:00:04,890
Heidi Hollis my trusty co-host is on

4
00:00:10,250 --> 00:00:07,910
with us and interesting a very

5
00:00:11,870 --> 00:00:10,260
interesting guest at Garry Parker we're

6
00:00:14,959 --> 00:00:11,880
gonna talk about alien messages and

7
00:00:17,029 --> 00:00:14,969
pyramids and you know this shouldn't be

8
00:00:19,340 --> 00:00:17,039
your average show here I think this is

9
00:00:20,810 --> 00:00:19,350
some pretty wild stuff and the pyramids

10
00:00:23,810 --> 00:00:20,820
have always interested me anyway it

11
00:00:25,279 --> 00:00:23,820
should be fun oh yeah well I mean

12
00:00:26,990 --> 00:00:25,289
there's no way they were constructed the

13
00:00:28,670 --> 00:00:27,000

way those you know they taught us in

14

00:00:30,050 --> 00:00:28,680

school where they know they had logs and

15

00:00:32,299 --> 00:00:30,060

they rolled it they didn't I mean

16

00:00:34,819 --> 00:00:32,309

they've had several shows over the years

17

00:00:38,000 --> 00:00:34,829

that debunk that it would have taken

18

00:00:40,369 --> 00:00:38,010

basically the entire army of Egypt to

19

00:00:41,750 --> 00:00:40,379

have accomplished what they did and of

20

00:00:43,459 --> 00:00:41,760

course Egypt would have crumbled as an

21

00:00:44,750 --> 00:00:43,469

empire they couldn't have done it it's

22

00:00:47,510 --> 00:00:44,760

in other words there had to be more to

23

00:00:49,880 --> 00:00:47,520

the story in there somewhere than you

24

00:00:52,369 --> 00:00:49,890

know just you know bringing the big old

25

00:00:55,040 --> 00:00:52,379

giant stones up a bunch of logs and you

26

00:00:56,990 --> 00:00:55,050

know manually it just didn't work that

27

00:01:00,619 --> 00:00:57,000

way physically but anyway we'll get into

28

00:01:05,329 --> 00:01:00,629

all that with Gary later and now I mean

29

00:01:07,640 --> 00:01:05,339

this is a bizarre story and Trump what

30

00:01:09,980 --> 00:01:07,650

kind of showed his hand a few days ago

31

00:01:13,340 --> 00:01:09,990

when he was talking about releasing the

32

00:01:15,800 --> 00:01:13,350

JFK files Thursday yeah unless unless

33

00:01:18,590 --> 00:01:15,810

otherwise advised he had that corollary

34

00:01:20,990 --> 00:01:18,600

in there and we learned of this earlier

35

00:01:23,480 --> 00:01:21,000

because we were both contacted to have a

36

00:01:28,039 --> 00:01:23,490

certain somebody on the shows both of

37

00:01:32,149 --> 00:01:28,049

our shows well it's I mean this is

38

00:01:34,429 --> 00:01:32,159

pretty bizarre because I mean 50 years

39

00:01:36,920 --> 00:01:34,439
ago they they sealed these records to be

40

00:01:40,760 --> 00:01:36,930
released the 50th anniversary beats

41

00:01:43,160 --> 00:01:40,770
Thursday and Heidi if someone doesn't

42

00:01:46,969 --> 00:01:43,170
think that that was a con they've never

43

00:01:50,870 --> 00:01:46,979
run across a con I mean I mean I

44

00:01:53,270 --> 00:01:50,880
remember way back in antiquity you know

45

00:01:59,090 --> 00:01:53,280
this is circa like 68 or something I was

46

00:02:02,600 --> 00:01:59,100
a kid NBC had a special on it and they

47

00:02:04,370 --> 00:02:02,610
they got not just you know marks men you

48

00:02:07,190 --> 00:02:04,380
know it's an average marine like Oswald

49

00:02:09,499 --> 00:02:07,200
was they got sniper super expert

50

00:02:10,999 --> 00:02:09,509
marksman to try to duplicate what he did

51
00:02:12,850 --> 00:02:11,009
a couple of them with that

52
00:02:15,790 --> 00:02:12,860
mannlicher-carcano rifle

53
00:02:19,210 --> 00:02:15,800
just a cheap Italian rifle yeah couldn't

54
00:02:20,950 --> 00:02:19,220
do it I couldn't do it and of course you

55
00:02:22,450 --> 00:02:20,960
know the story about it the magic bullet

56
00:02:24,610 --> 00:02:22,460
was supposed to you know hit Kennedy

57
00:02:26,590 --> 00:02:24,620
turned around picked a bale of cotton

58
00:02:28,180 --> 00:02:26,600
you know I'm you know rode long and had

59
00:02:34,900 --> 00:02:28,190
a coke I mean you know another word

60
00:02:37,450 --> 00:02:34,910
stuff one shot but I mean this was stuff

61
00:02:41,890 --> 00:02:37,460
that and then and then the coup de

62
00:02:43,510 --> 00:02:41,900
Grasse was who the heck said this what

63
00:02:46,449 --> 00:02:43,520

was it the mortician that did the

64

00:02:50,020 --> 00:02:46,459

autopsy I mean the you know the doctor

65

00:02:51,910 --> 00:02:50,030

did the autopsy to burn the the notes of

66

00:02:55,140 --> 00:02:51,920

the autopsy who in the hell gave him

67

00:02:58,630 --> 00:02:55,150

permission to do that nobody does that

68

00:03:00,250 --> 00:02:58,640

and but I mean there are so many

69

00:03:02,590 --> 00:03:00,260

negatives and then of course all kinds

70

00:03:04,960 --> 00:03:02,600

of witnesses a lot of croaked and all

71

00:03:06,940 --> 00:03:04,970

this stuff but back to the story though

72

00:03:09,940 --> 00:03:06,950

it's what the heck could they be

73

00:03:11,740 --> 00:03:09,950

covering up after all these many years

74

00:03:15,040 --> 00:03:11,750

all the participants would be dead

75

00:03:16,600 --> 00:03:15,050

except George Bush Senior well we're

76

00:03:19,990 --> 00:03:16,610

gonna find out some more first-hand

77

00:03:23,590 --> 00:03:20,000

knowledge about that whenever we haven't

78

00:03:26,470 --> 00:03:23,600

Judith come on a couple days days yeah

79

00:03:28,180 --> 00:03:26,480

yeah that'll be pretty cool I got the

80

00:03:30,160 --> 00:03:28,190

opportunity to have her in Jim Marrs on

81

00:03:32,020 --> 00:03:30,170

at one point that's the fiance or the

82

00:03:35,380 --> 00:03:32,030

girlfriend of Lee Harvey Oswald were

83

00:03:39,130 --> 00:03:35,390

talking about so yes that's I know I

84

00:03:41,440 --> 00:03:39,140

know but I mean this this just smells a

85

00:03:43,860 --> 00:03:41,450

rat now I will say this when I will get

86

00:03:46,900 --> 00:03:43,870

off this point but I will say this

87

00:03:49,509 --> 00:03:46,910

George Bush Senior was actually in

88

00:03:53,890 --> 00:03:49,519

Dallas that day on some official

89

00:03:58,380 --> 00:03:53,900

capacity and nobody knows what and who

90

00:04:03,520 --> 00:04:00,930

should be fascinating

91

00:04:05,680 --> 00:04:03,530

well it'll be different it sure well we

92

00:04:09,039 --> 00:04:05,690

do have a show coming on it's coming on

93

00:04:10,930 --> 00:04:09,049

soon now in your beloved Los Angeles in

94

00:04:16,569 --> 00:04:10,940

California it's a hundred and three

95

00:04:20,560 --> 00:04:16,579

degrees today yeah Reid I mean why are

96

00:04:22,900 --> 00:04:20,570

you enjoy so crazy about this hellhole

97

00:04:24,970 --> 00:04:22,910

well if you guys get crazy temperatures

98

00:04:28,330 --> 00:04:24,980

of Florida and the bug stick to you cuz

99

00:04:30,940 --> 00:04:28,340

it's so humid all they disturb being

100

00:04:32,530 --> 00:04:30,950

cuddly there's nothing wrong with it and

101
00:04:38,290 --> 00:04:32,540
the humidity just keeps you from drying

102
00:04:40,450 --> 00:04:38,300
out give me the draggy any day yes but

103
00:04:42,610 --> 00:04:40,460
you know I know I grew up in both places

104
00:04:47,530 --> 00:04:42,620
and I love the Northeast it's cold it's

105
00:04:52,330 --> 00:04:47,540
dreary and it's just nice son his sons

106
00:04:54,550 --> 00:04:52,340
covered up you can have cold and dreary

107
00:04:57,700 --> 00:04:54,560
here in Chicago been raining pretty much

108
00:05:00,580 --> 00:04:57,710
three days straight it's just gross out

109
00:05:03,430 --> 00:05:00,590
I wish I could be there with you yeah

110
00:05:05,740 --> 00:05:03,440
it'll get really cold soon you want I

111
00:05:09,730 --> 00:05:05,750
like what no I do like the cold I don't

112
00:05:11,950 --> 00:05:09,740
care if it's minus 20 oh well Wisconsin

113
00:05:14,470 --> 00:05:11,960

we've have this thing called 50 below

114

00:05:17,950 --> 00:05:14,480

where like your nose hairs freeze and

115

00:05:20,800 --> 00:05:17,960

they it's like feels like caps your

116

00:05:24,670 --> 00:05:20,810

nostrils cuz your nose hairs freeze

117

00:05:26,440 --> 00:05:24,680

together oh my gosh I mean I look at

118

00:05:27,970 --> 00:05:26,450

people and I ask them have you ever

119

00:05:29,820 --> 00:05:27,980

experienced such a thing and then I'm

120

00:05:32,620 --> 00:05:29,830

like then you don't know what cold is I

121

00:05:34,180 --> 00:05:32,630

guess I don't I've been in minus 25 and

122

00:05:36,700 --> 00:05:34,190

was singing in the rain but I guess

123

00:05:39,190 --> 00:05:36,710

minus 50 is a step beyond it oh I mean I

124

00:05:41,440 --> 00:05:39,200

guess I might have been in minus 28 at

125

00:05:43,810 --> 00:05:41,450

one time but never any more than that no

126

00:05:45,370 --> 00:05:43,820

that's bad I mean it's not like typical

127

00:05:47,290 --> 00:05:45,380

to have that in Wisconsin all the time

128

00:05:49,840 --> 00:05:47,300

but nose hair is freezing together to

129

00:05:51,430 --> 00:05:49,850

feel like you got caps on your nostrils

130

00:05:53,530 --> 00:05:51,440

a lot of Wisconsin I don't listening

131

00:05:55,920 --> 00:05:53,540

right now going yeah yeah I know that

132

00:05:59,800 --> 00:05:58,510

well I mean you know I remember last

133

00:06:01,990 --> 00:05:59,810

time I this is my daughter at the

134

00:06:04,720 --> 00:06:02,000

University of Colorado it was minus 25

135

00:06:06,550 --> 00:06:04,730

and I was just happy as a kid in there

136

00:06:08,230 --> 00:06:06,560

and the meadow jumping up and down I

137

00:06:11,040 --> 00:06:08,240

mean I thought it was wonderful but

138

00:06:16,390 --> 00:06:11,050

anyway well someday I'll slither back to

139

00:06:20,050 --> 00:06:16,400

New York and enjoy it but anyway oh

140

00:06:22,330 --> 00:06:20,060

speaking of which you off UFOs were

141

00:06:26,320 --> 00:06:22,340

doing wheelies all over Long Island

142

00:06:26,680 --> 00:06:26,330

October 1st cool they don't know what

143

00:06:29,710 --> 00:06:26,690

they were

144

00:06:34,930 --> 00:06:29,720

and nobody's identifying what it was but

145

00:06:36,640 --> 00:06:34,940

what it was was weird and oh and an

146

00:06:38,530 --> 00:06:36,650

honor of Pam Geller who's going to be on

147

00:06:43,390 --> 00:06:38,540

next week I know you're gonna be a WOL

148

00:06:47,680 --> 00:06:43,400

yes a Muslim cleric named Ahmed bin Saud

149

00:06:50,830 --> 00:06:47,690

al quani who's a Saudi said that women

150

00:06:52,810 --> 00:06:50,840

who incite rape by dressing

151
00:06:58,570 --> 00:06:52,820
provocatively and wearing perfume and

152
00:07:00,220 --> 00:06:58,580
stuff a common notion so that in other

153
00:07:01,659 --> 00:07:00,230
words that matter just completely

154
00:07:03,220 --> 00:07:01,669
innocent and no matter I mean which is

155
00:07:06,970 --> 00:07:03,230
of course it's 'red but anyway I just

156
00:07:09,430 --> 00:07:06,980
thought I'd throw that in also this was

157
00:07:11,200 --> 00:07:09,440
the truth of the matter what twenty

158
00:07:12,610 --> 00:07:11,210
years ago when women accused men of

159
00:07:14,680 --> 00:07:12,620
raping them they're like what were you

160
00:07:20,200 --> 00:07:14,690
wearing that was part of the code here -

161
00:07:20,650 --> 00:07:20,210
oh there's just a little behind come on

162
00:07:22,719 --> 00:07:20,660
Kevin

163
00:07:28,420 --> 00:07:22,729

you're a thousand years old you've heard

164

00:07:30,430 --> 00:07:28,430

that I know I'm a thousand years old but

165

00:07:32,950 --> 00:07:30,440

I never had to rape it don't see their

166

00:07:35,620 --> 00:07:32,960

wonder write me but you never looked

167

00:07:36,730 --> 00:07:35,630

into women that had a fight for the

168

00:07:38,290 --> 00:07:36,740

right to be able to say I should be

169

00:07:40,480 --> 00:07:38,300

allowed to wear a skirt and not be raped

170

00:07:44,230 --> 00:07:40,490

because that was always brought up what

171

00:07:45,460 --> 00:07:44,240

were they wearing no this was a common

172

00:07:46,870 --> 00:07:45,470

thing I'm saying that was in the court

173

00:07:48,880 --> 00:07:46,880

system if a woman was raped and they

174

00:07:50,740 --> 00:07:48,890

accused a guy of it that was brought up

175

00:07:51,820 --> 00:07:50,750

yeah it was like like that was defense

176

00:07:53,050 --> 00:07:51,830

well what were you wearing

177

00:07:54,790 --> 00:07:53,060

you know like men can't control

178

00:07:58,420 --> 00:07:54,800

themselves that is that's just

179

00:08:02,620 --> 00:07:58,430

historical fact that was pretty hot come

180

00:08:05,140 --> 00:08:02,630

on talk about you I know you say you're

181

00:08:09,159 --> 00:08:05,150

a stud I know well guess what I modeled

182

00:08:10,690 --> 00:08:09,169

but I don't talk about it yes I was but

183

00:08:12,430 --> 00:08:10,700

any rate that's not the issue the issue

184

00:08:14,800 --> 00:08:12,440

is for coming up to the top of the hour

185

00:08:17,030 --> 00:08:14,810

break and we'll be back with Gary barber

186

00:08:18,090 --> 00:08:17,040

will be right

187

00:08:20,100 --> 00:08:18,100

[Music]

188

00:08:22,500 --> 00:08:20,110

plus could be factored mighty and we've

189

00:08:23,700 --> 00:08:22,510

got Gary Parker on with us and Gary was

190

00:08:27,240 --> 00:08:23,710

born and raised in Wilmington Delaware

191

00:08:29,970 --> 00:08:27,250

and moved to Los Angeles and where he's

192

00:08:33,659 --> 00:08:29,980

a real estate developer and movie script

193

00:08:36,870 --> 00:08:33,669

writer and he created Parker Rose

194

00:08:39,600 --> 00:08:36,880

productions and wrote a movie that were

195

00:08:41,010 --> 00:08:39,610

called thank heaven with Jenny McCarthy

196

00:08:45,480 --> 00:08:41,020

which I've always been in love with her

197

00:08:47,880 --> 00:08:45,490

and he he's written a fantastic book on

198

00:08:49,800 --> 00:08:47,890

the pyramids and Gary the pyramids have

199

00:08:51,870 --> 00:08:49,810

always been very fascinating to me cuz

200

00:08:54,930 --> 00:08:51,880

you know I've seen shows on them over

201
00:08:56,460 --> 00:08:54,940
that many years and well I mean they

202
00:08:57,330 --> 00:08:56,470
obviously weren't built the way they

203
00:08:58,680 --> 00:08:57,340
bent

204
00:09:00,440 --> 00:08:58,690
you know they taught us in school where

205
00:09:03,120 --> 00:09:00,450
they only had logs and they rolled the

206
00:09:06,360 --> 00:09:03,130
giant stones up there and got him within

207
00:09:07,800 --> 00:09:06,370
credit-card distance between the two

208
00:09:10,020 --> 00:09:07,810
stones I mean it didn't couldn't happen

209
00:09:11,220 --> 00:09:10,030
matter fact Gary at one time it was

210
00:09:13,980 --> 00:09:11,230
estimated they would have taken the

211
00:09:15,690 --> 00:09:13,990
entire army of Egypt like 50 years to do

212
00:09:17,520 --> 00:09:15,700
that and the whole time the whole

213
00:09:19,170 --> 00:09:17,530

civilization would have fallen apart if

214

00:09:20,760 --> 00:09:19,180

they didn't have an army in other words

215

00:09:25,620 --> 00:09:20,770

it didn't happen the way they told it's

216

00:09:27,150 --> 00:09:25,630

all I'm saying good so so tell us about

217

00:09:28,530 --> 00:09:27,160

how you got interested in this field

218

00:09:30,450 --> 00:09:28,540

well well

219

00:09:32,160 --> 00:09:30,460

Kevin actually of you and mentioned I

220

00:09:35,370 --> 00:09:32,170

had written a book I did not write a

221

00:09:36,660 --> 00:09:35,380

book oh no I'm sorry I'm sorry I wrote

222

00:09:40,260 --> 00:09:36,670

the screenplay for the movie thank

223

00:09:42,360 --> 00:09:40,270

heaven on that okay know that because

224

00:09:44,400 --> 00:09:42,370

usually they say well right you know

225

00:09:46,470 --> 00:09:44,410

they usually say well where can I find

226

00:09:48,480 --> 00:09:46,480

it or I just don't want your little you

227

00:09:50,370 --> 00:09:48,490

know thing and I wrote a book so no I

228

00:09:54,300 --> 00:09:50,380

mean I'm a spring well yeah okay okay

229

00:09:57,660 --> 00:09:54,310

yes so so your question was how did this

230

00:10:01,560 --> 00:09:57,670

all come about you know yeah what

231

00:10:05,310 --> 00:10:01,570

happened was yeah what happened was a

232

00:10:07,560 --> 00:10:05,320

little over two and two years ago I had

233

00:10:09,870 --> 00:10:07,570

I come up with I was trying to come up

234

00:10:13,380 --> 00:10:09,880

with a great idea to promote world peace

235

00:10:16,020 --> 00:10:13,390

and and I and I thought this is this

236

00:10:20,100 --> 00:10:16,030

would be a good idea what if we the

237

00:10:22,710 --> 00:10:20,110

whole world tried to throw in some money

238

00:10:23,340 --> 00:10:22,720

and restore the Great Pyramid in the

239

00:10:25,470 --> 00:10:23,350

Sphinx

240

00:10:27,540 --> 00:10:25,480

and when I say restore it I don't mean

241

00:10:29,880 --> 00:10:27,550

making it you know but make it into

242

00:10:31,440 --> 00:10:29,890

perfect condition I mean every time you

243

00:10:33,030 --> 00:10:31,450

look at the Sphinx and the

244

00:10:35,730 --> 00:10:33,040

Great Pyramid they're falling apart

245

00:10:37,740 --> 00:10:35,740

Egypt is 284 billion dollars in debt

246

00:10:40,320 --> 00:10:37,750

they have rolling blackouts throughout

247

00:10:41,910 --> 00:10:40,330

Cairo and I thought how fun would it be

248

00:10:43,680 --> 00:10:41,920

kind of to bring the world together

249

00:10:47,760 --> 00:10:43,690

you're like with a global crowdfunding

250

00:10:49,320 --> 00:10:47,770

and and and and restore the Great

251
00:10:50,970 --> 00:10:49,330
Pyramid of space with like putting some

252
00:10:52,680 --> 00:10:50,980
stucco on and now when I say stucco I

253
00:10:54,630 --> 00:10:52,690
don't mean the kind they put on houses I

254
00:10:55,920 --> 00:10:54,640
mean you know you get a sample from the

255
00:10:58,170 --> 00:10:55,930
second pyramid that's still there

256
00:10:59,940 --> 00:10:58,180
ancient stucco and you figure out and

257
00:11:03,210 --> 00:10:59,950
you put it together and you try to make

258
00:11:05,070 --> 00:11:03,220
it and if you put it on the pier exactly

259
00:11:07,740 --> 00:11:05,080
that's the word thank you replicate it

260
00:11:11,430 --> 00:11:07,750
so what happens is I think this is a

261
00:11:14,700 --> 00:11:11,440
great idea and and out of 193 countries

262
00:11:17,040 --> 00:11:14,710
that are in the in the United Nations I

263
00:11:18,900 --> 00:11:17,050

thought well probably 183 would love

264

00:11:20,430 --> 00:11:18,910

this idea and all the people on the

265

00:11:23,280 --> 00:11:20,440

planet loved the Great Pyramid in the

266

00:11:24,870 --> 00:11:23,290

Sphinx most Oh so what happens is I went

267

00:11:26,280 --> 00:11:24,880

and I pitched it to a couple Hollywood

268

00:11:28,170 --> 00:11:26,290

producer friends of mine they said what

269

00:11:30,180 --> 00:11:28,180

do you guys think of this idea they said

270

00:11:32,130 --> 00:11:30,190

Gary we love it this this sounds really

271

00:11:34,260 --> 00:11:32,140

like a Hands Across America type deal

272

00:11:36,720 --> 00:11:34,270

other than its going to be global and

273

00:11:38,670 --> 00:11:36,730

and they said yes you you should do this

274

00:11:41,280 --> 00:11:38,680

so I said do you guys have any

275

00:11:42,390 --> 00:11:41,290

billionaires email addresses because

276

00:11:44,400 --> 00:11:42,400

what I want to do is I want to get

277

00:11:47,070 --> 00:11:44,410

between five and fifteen maybe even

278

00:11:49,080 --> 00:11:47,080

twenty million dollar seed money to get

279

00:11:51,510 --> 00:11:49,090

this thing going so one of my producers

280

00:11:53,370 --> 00:11:51,520

friend said yeah I have I have Sir

281

00:11:55,950 --> 00:11:53,380

Richard Branson you know from Atlanta

282

00:11:58,380 --> 00:11:55,960

from Virgin Atlantic and Virgin Galactic

283

00:11:59,730 --> 00:11:58,390

I have his email and he said Kerry

284

00:12:07,140 --> 00:11:59,740

whatever you do don't tell him where you

285

00:12:10,260 --> 00:12:07,150

got the email I know so the other

286

00:12:13,230 --> 00:12:10,270

producers say Kerry I have Elon Musk's

287

00:12:15,330 --> 00:12:13,240

email address but you you can't tell

288

00:12:17,100 --> 00:12:15,340

them anything I said don't worry I won't

289

00:12:18,870 --> 00:12:17,110

divulge anything and I said guys the

290

00:12:21,510 --> 00:12:18,880

chances of them emailing me back are

291

00:12:23,190 --> 00:12:21,520

pretty slim but in my head I was

292

00:12:25,710 --> 00:12:23,200

thinking these are the kind of guys who

293

00:12:26,820 --> 00:12:25,720

would love because these guys people who

294

00:12:29,550 --> 00:12:26,830

are billionaires they think they're

295

00:12:31,740 --> 00:12:29,560

pharaohs anyway so if they have any any

296

00:12:33,240 --> 00:12:31,750

way to be connected to the Great Pyramid

297

00:12:36,300 --> 00:12:33,250

of Sphinx they're gonna probably return

298

00:12:38,490 --> 00:12:36,310

my email so all right so anyway so and I

299

00:12:40,470 --> 00:12:38,500

forgot to say Heidi and Kevin thank you

300

00:12:42,660 --> 00:12:40,480

so much for having me on the show of

301
00:12:44,190 --> 00:12:42,670
course I forgot to say that the

302
00:12:47,730 --> 00:12:44,200
beginning I apologize

303
00:12:50,040 --> 00:12:47,740
no it's all gravy okay okay thank you

304
00:12:52,320 --> 00:12:50,050
so so what happens is I shoot out an

305
00:12:54,920 --> 00:12:52,330
email with the heading restore the Great

306
00:12:58,050 --> 00:12:54,930
Pyramid is a Great Pyramid and Sphinx

307
00:13:00,300 --> 00:12:58,060
global crowdfunding would love to hear

308
00:13:03,330 --> 00:13:00,310
your opinion so I send it out to Elon

309
00:13:05,520 --> 00:13:03,340
Musk and to Sir Richard Branson guys the

310
00:13:07,050 --> 00:13:05,530
next day in the morning the next day

311
00:13:09,390 --> 00:13:07,060
like I'm gonna say eight o'clock in the

312
00:13:11,610 --> 00:13:09,400
morning I get an email from Sir Richard

313
00:13:13,650 --> 00:13:11,620

Branson the first thing and believe me

314

00:13:16,590 --> 00:13:13,660

want you to believe me is his email it's

315

00:13:19,230 --> 00:13:16,600

him and he says Gary I don't I don't

316

00:13:21,840 --> 00:13:19,240

know how you got my email but I love

317

00:13:23,760 --> 00:13:21,850

this idea he says I love it and he said

318

00:13:25,740 --> 00:13:23,770

I would love to be part of it if this is

319

00:13:27,780 --> 00:13:25,750

for real or if it's a joke why email him

320

00:13:30,000 --> 00:13:27,790

right back and I said Sir Richard thank

321

00:13:31,320 --> 00:13:30,010

you so much for hitting me back I said

322

00:13:33,420 --> 00:13:31,330

it's not a joke I'm actually going to

323

00:13:36,000 --> 00:13:33,430

try to put it together now like you said

324

00:13:38,850 --> 00:13:36,010

in at the beginning Kevin I had built

325

00:13:40,530 --> 00:13:38,860

houses and then a couple condo complexes

326

00:13:42,870 --> 00:13:40,540

in Los Angeles so I know how to do

327

00:13:43,380 --> 00:13:42,880

construction but this is huge this is

328

00:13:45,810 --> 00:13:43,390

huge

329

00:13:49,320 --> 00:13:45,820

so I said to Sir Richard Branson I said

330

00:13:51,720 --> 00:13:49,330

I have a lot of months to do as far as

331

00:13:53,040 --> 00:13:51,730

research I'll get back to you give me

332

00:13:54,750 --> 00:13:53,050

four or five months and I'll get back to

333

00:13:56,250 --> 00:13:54,760

you but thank you so much and he

334

00:13:57,900 --> 00:13:56,260

actually emailed me back and he said

335

00:14:01,710 --> 00:13:57,910

Gary here's the number to my foundation

336

00:14:03,690 --> 00:14:01,720

in New York they are ICC them so they

337

00:14:04,920 --> 00:14:03,700

you can talk with them or you can email

338

00:14:07,980 --> 00:14:04,930

me I said awesome

339

00:14:10,740 --> 00:14:07,990

so then 10 minutes after I had emailed

340

00:14:14,100 --> 00:14:10,750

that last email I I don't get an email

341

00:14:16,200 --> 00:14:14,110

from from Elon Musk but I get an email

342

00:14:16,830 --> 00:14:16,210

from a lady by the name of Gwen and

343

00:14:19,410 --> 00:14:16,840

Shotwell

344

00:14:24,750 --> 00:14:19,420

and Gwen is shot well is the president

345

00:14:28,920 --> 00:14:24,760

of space X and that's owned by Elon Musk

346

00:14:31,440 --> 00:14:28,930

and she said and she said Gary Iran

347

00:14:34,230 --> 00:14:31,450

doesn't know how you got his email but

348

00:14:36,810 --> 00:14:34,240

we both love this idea is it for real or

349

00:14:38,160 --> 00:14:36,820

is it a joke and I sent her back email

350

00:14:39,960 --> 00:14:38,170

right away thank you so much because you

351

00:14:42,990 --> 00:14:39,970

know she's the president of space x-ray

352

00:14:44,430 --> 00:14:43,000

gosh sakes so I said this is amazing so

353

00:14:46,530 --> 00:14:44,440

I emailed her back I said thank you give

354

00:14:48,300 --> 00:14:46,540

me a few months I'll have more details

355

00:14:51,210 --> 00:14:48,310

for you I I have to put a lot of things

356

00:14:53,910 --> 00:14:51,220

together so what happens is I'm sitting

357

00:14:55,800 --> 00:14:53,920

here going oh my god I pitched it to a

358

00:14:56,610 --> 00:14:55,810

couple producers two days later I get

359

00:14:57,510 --> 00:14:56,620

emails back

360

00:14:59,490 --> 00:14:57,520

from billionaire's and they're

361

00:15:01,800 --> 00:14:59,500

interested so I think this is amazing

362

00:15:03,390 --> 00:15:01,810

this is this this is really gonna happen

363

00:15:04,980 --> 00:15:03,400

you know what I mean it was like blown

364

00:15:08,100 --> 00:15:04,990

me away but I thought it's all a

365

00:15:09,330 --> 00:15:08,110

positive vibe because it resonated

366

00:15:11,270 --> 00:15:09,340

because it's about peace and about

367

00:15:14,790 --> 00:15:11,280

bringing the world together on a project

368

00:15:17,010 --> 00:15:14,800

so anyway so then I said well you know

369

00:15:18,720 --> 00:15:17,020

what I should only because it's Egypt

370

00:15:20,460 --> 00:15:18,730

and you know they don't want foreigners

371

00:15:22,470 --> 00:15:20,470

coming in to their to their country and

372

00:15:25,770 --> 00:15:22,480

and and taken over anything so I figured

373

00:15:28,050 --> 00:15:25,780

I'd write contact the ambassador in

374

00:15:30,900 --> 00:15:28,060

Washington DC from Egypt you know and

375

00:15:33,840 --> 00:15:30,910

well so I email his office the next day

376

00:15:35,790 --> 00:15:33,850

his secretary email me back in because I

377

00:15:38,910 --> 00:15:35,800

had mentioned that Elon Musk

378

00:15:41,910 --> 00:15:38,920

gwenna Shotwell and Sir Richard Branson

379

00:15:44,280 --> 00:15:41,920

loved the idea and the Secretary of the

380

00:15:46,590 --> 00:15:44,290

the ambassador secretary said that the

381

00:15:48,750 --> 00:15:46,600

Ambassador says Kerry if you can put

382

00:15:50,580 --> 00:15:48,760

this together he will present it to the

383

00:15:57,360 --> 00:15:50,590

antiquities department but you have a

384

00:15:58,920 --> 00:15:57,370

lot to do and I said that way no guys

385

00:16:00,630 --> 00:15:58,930

it's unbelievable no but you got to

386

00:16:02,850 --> 00:16:00,640

remember because I was in Hollywood and

387

00:16:04,620 --> 00:16:02,860

and I'm I'm a total hack I'm a total

388

00:16:06,810 --> 00:16:04,630

hack believe me I'm a hack writer my

389

00:16:09,390 --> 00:16:06,820

partner Margie though she was the writer

390

00:16:11,700 --> 00:16:09,400

but I was the guy who would go in and do

391

00:16:14,070 --> 00:16:11,710

the pitch to the studios so I was always

392

00:16:15,720 --> 00:16:14,080

good in the room for with a pitch and so

393

00:16:17,730 --> 00:16:15,730

I thought to myself this is a great

394

00:16:19,740 --> 00:16:17,740

pitch it's gonna come together my god

395

00:16:21,810 --> 00:16:19,750

everybody's getting on board plus you

396

00:16:23,490 --> 00:16:21,820

got to remember the budget that I kind

397

00:16:25,560 --> 00:16:23,500

of ballparked in my head to do this

398

00:16:28,110 --> 00:16:25,570

restoration was approximately seven

399

00:16:29,940 --> 00:16:28,120

billion dollars over a 10 to 12 year

400

00:16:30,990 --> 00:16:29,950

period so you gotta remember with that

401
00:16:32,820 --> 00:16:31,000
kind of money

402
00:16:34,910 --> 00:16:32,830
everybody in Egypt is going to get paid

403
00:16:37,140 --> 00:16:34,920
and we're only going to use Egyptian

404
00:16:39,150 --> 00:16:37,150
workers you know they're their biggest

405
00:16:41,130 --> 00:16:39,160
construction company would be doing this

406
00:16:42,780 --> 00:16:41,140
project so everybody in Egypt would make

407
00:16:44,820 --> 00:16:42,790
money and the government would make

408
00:16:45,840 --> 00:16:44,830
money and everybody would be happy that

409
00:16:48,110 --> 00:16:45,850
was my plan

410
00:16:54,720 --> 00:16:48,120
so anyway so it's good plan right guys

411
00:16:56,490 --> 00:16:54,730
yeah I'm just like thank god you've got

412
00:16:58,590 --> 00:16:56,500
the energy to do this because I don't

413
00:17:00,630 --> 00:16:58,600

know what that could even think of

414

00:17:03,030 --> 00:17:00,640

juggling such a thing that's amazing no

415

00:17:04,500 --> 00:17:03,040

but but like I said what at first I

416

00:17:06,360 --> 00:17:04,510

thought well this is really big but it's

417

00:17:07,920 --> 00:17:06,370

really kind of fun but as soon as the

418

00:17:09,910 --> 00:17:07,930

billionaire's email me back I thought

419

00:17:12,550 --> 00:17:09,920

holy cow I can put this

420

00:17:14,620 --> 00:17:12,560

together let's go you know so what

421

00:17:17,260 --> 00:17:14,630

happens I was really excited guys and I

422

00:17:18,400 --> 00:17:17,270

put the cart before the horse and I said

423

00:17:22,360 --> 00:17:18,410

you know what I'm going to do I'm going

424

00:17:24,850 --> 00:17:22,370

to download a couple NASA photos of the

425

00:17:27,670 --> 00:17:24,860

Great Pyramid I'm going to zoom in and

426

00:17:30,370 --> 00:17:27,680

see where you can put men and machinery

427

00:17:32,380 --> 00:17:30,380

because as you know the Giza Plateau is

428

00:17:35,110 --> 00:17:32,390

sacred land you can't you can't take a

429

00:17:37,000 --> 00:17:35,120

stone off of that that area or you could

430

00:17:39,310 --> 00:17:37,010

be arrested or you're find you're

431

00:17:41,050 --> 00:17:39,320

handsome you can't you can't climb up

432

00:17:43,750 --> 00:17:41,060

the Great Pyramid you can't do anything

433

00:17:45,820 --> 00:17:43,760

because that's sacred land okay right so

434

00:17:47,140 --> 00:17:45,830

so but I thought you know what I was so

435

00:17:49,570 --> 00:17:47,150

excited about it and I thought I'm gonna

436

00:17:51,580 --> 00:17:49,580

zoom in anyway I'm gonna get a photo so

437

00:17:54,700 --> 00:17:51,590

what I did and if it's okay if I can

438

00:17:55,960 --> 00:17:54,710

give I'm sorry guys somebody's calling

439

00:17:58,390 --> 00:17:55,970

it don't worry about that I apologize

440

00:18:02,470 --> 00:17:58,400

I told nobody call me right now so

441

00:18:05,320 --> 00:18:02,480

anyway so so what happens is I go to the

442

00:18:07,150 --> 00:18:05,330

NASA website and I and I used this file

443

00:18:08,710 --> 00:18:07,160

number and they're like I said I want to

444

00:18:11,110 --> 00:18:08,720

read it to your audience just in case

445

00:18:13,810 --> 00:18:11,120

and I'm do you guys have the photos

446

00:18:17,140 --> 00:18:13,820

downloaded onto your onto your computers

447

00:18:19,750 --> 00:18:17,150

I'm looking at it now Heidi I don't okay

448

00:18:22,090 --> 00:18:19,760

okay okay so because a lot of people

449

00:18:23,470 --> 00:18:22,100

have said to me well Gary you know what

450

00:18:25,060 --> 00:18:23,480

are the what are the what's the file

451
00:18:33,460 --> 00:18:25,070
number two NASA well this is a number

452
00:18:41,370 --> 00:18:33,470
it's AI SS 0 3 2 - e - 0 0 9 1 2 3

453
00:18:44,170 --> 00:18:41,380
that's ISS 0 3 2 - E - 0 0 9 1 2 3 now

454
00:18:46,540 --> 00:18:44,180
what happens is I get the photo and I

455
00:18:48,310 --> 00:18:46,550
and I download it and it this is another

456
00:18:49,990 --> 00:18:48,320
thing for your listeners guys in order

457
00:18:52,540 --> 00:18:50,000
to zoom in close enough the Great

458
00:18:54,460 --> 00:18:52,550
Pyramid dish to show to show you what

459
00:18:57,010 --> 00:18:54,470
I'm going to tell you you actually have

460
00:18:59,350 --> 00:18:57,020
to go to download image on the photo and

461
00:19:01,660 --> 00:18:59,360
it will say full size if you don't click

462
00:19:04,090 --> 00:19:01,670
on full size you can't zoom in close

463
00:19:07,270 --> 00:19:04,100

enough to the pyramids okay so anyway so

464

00:19:09,730 --> 00:19:07,280

I download the photo and you know most

465

00:19:11,710 --> 00:19:09,740

people these photos are this photo

466

00:19:13,930 --> 00:19:11,720

anyway was taken by the International

467

00:19:16,990 --> 00:19:13,940

Space Station it's not a satellite image

468

00:19:19,450 --> 00:19:17,000

it's actually an actual astronaut who

469

00:19:20,890 --> 00:19:19,460

has a huge canon camera and there's and

470

00:19:23,320 --> 00:19:20,900

he sticks it up to the window and he

471

00:19:25,750 --> 00:19:23,330

takes pictures so that's the picture

472

00:19:29,350 --> 00:19:25,760

that you're downloading so anyway so

473

00:19:31,510 --> 00:19:29,360

when i zoom in to the Great Pyramid tip

474

00:19:33,280 --> 00:19:31,520

from the sky I see something that looks

475

00:19:34,660 --> 00:19:33,290

like shadows right beside the Great

476

00:19:36,610 --> 00:19:34,670

Pyramid right beside it when I say

477

00:19:40,630 --> 00:19:36,620

beside it when you're looking at the

478

00:19:43,210 --> 00:19:40,640

photo that going up which would be north

479

00:19:45,520 --> 00:19:43,220

it's actually South and down is North to

480

00:19:48,310 --> 00:19:45,530

the right is West to the left disease it

481

00:19:50,980 --> 00:19:48,320

was actually downloaded upside-down by

482

00:19:55,060 --> 00:19:50,990

NASA and it was downloaded onto the

483

00:19:58,180 --> 00:19:55,070

internet on July 26 2012 okay

484

00:20:01,180 --> 00:19:58,190

so anyway so i zoom in on an area which

485

00:20:04,450 --> 00:20:01,190

is which runs east and west along the

486

00:20:06,220 --> 00:20:04,460

the southern side of the Great Pyramid

487

00:20:08,830 --> 00:20:06,230

and I see these things that look like

488

00:20:10,780 --> 00:20:08,840

shadows and as i zoom in closer the

489

00:20:13,570 --> 00:20:10,790

shadows turned into letters no not

490

00:20:15,430 --> 00:20:13,580

English letters but some kind of kind of

491

00:20:21,600 --> 00:20:15,440

I'm gonna call them alien letters or

492

00:20:27,700 --> 00:20:25,180

some other ancient civilization maybe

493

00:20:30,270 --> 00:20:27,710

even a little bit of what's the Egyptian

494

00:20:32,530 --> 00:20:30,280

language called hieroglyphics

495

00:20:34,450 --> 00:20:32,540

hieroglyphics yeah so there's all these

496

00:20:36,820 --> 00:20:34,460

things in here but it looks like letters

497

00:20:38,890 --> 00:20:36,830

it looks like so what I did was I wrote

498

00:20:40,630 --> 00:20:38,900

it down on a piece of paper and as a

499

00:20:42,790 --> 00:20:40,640

matter of fact if you're looking at the

500

00:20:45,340 --> 00:20:42,800

well anyway I'm sorry I'm jumping around

501
00:20:49,090 --> 00:20:45,350
but the NASA pyramid exercise put it up

502
00:20:51,790 --> 00:20:49,100
in the chat roll down if you scroll down

503
00:20:53,440 --> 00:20:51,800
to that last photo you'll see the

504
00:20:55,960 --> 00:20:53,450
letters that I had written on a white

505
00:20:59,050 --> 00:20:55,970
piece of paper yes I don't know if you

506
00:21:01,630 --> 00:20:59,060
can scroll down on yeah I see him okay

507
00:21:04,060 --> 00:21:01,640
so what happens is I like I said I write

508
00:21:06,160 --> 00:21:04,070
them down and I say that says something

509
00:21:10,560 --> 00:21:06,170
I'm sure it says something I take a

510
00:21:13,360 --> 00:21:10,570
photo with my phone and I email it to

511
00:21:15,340 --> 00:21:13,370
Judaic scholars down one dude a

512
00:21:19,960 --> 00:21:15,350
excalibur at the University of Arizona

513
00:21:23,140 --> 00:21:19,970

I email it to two Egyptologist in Cairo

514

00:21:25,390 --> 00:21:23,150

I email it to a few Aramaic scholars in

515

00:21:28,150 --> 00:21:25,400

the Middle East and I think one more

516

00:21:31,600 --> 00:21:28,160

dude a scholar in Israel and I say don't

517

00:21:34,420 --> 00:21:31,610

can anybody and just for your listeners

518

00:21:36,460 --> 00:21:34,430

and to understand I don't know these

519

00:21:38,740 --> 00:21:36,470

people if you go to any

520

00:21:40,899 --> 00:21:38,750

if you google any University you can

521

00:21:42,460 --> 00:21:40,909

pull up these people and they're experts

522

00:21:46,240 --> 00:21:42,470

say that they've worked on Dead Sea

523

00:21:48,490 --> 00:21:46,250

Scrolls their genius their legend we

524

00:21:50,590 --> 00:21:48,500

totally did and their professors you

525

00:21:53,049 --> 00:21:50,600

know as the copper dead anyway so what

526

00:21:56,289 --> 00:21:53,059

happens is the next day I get an email

527

00:21:58,899 --> 00:21:56,299

from a very famous Egyptologist and her

528

00:22:01,830 --> 00:21:58,909

name is dr. Salima Ikram and she's

529

00:22:05,049 --> 00:22:01,840

actually the head Egyptologist at the

530

00:22:07,690 --> 00:22:05,059

American University of Cairo and she

531

00:22:10,210 --> 00:22:07,700

says Gary where did you find this and

532

00:22:12,310 --> 00:22:10,220

she said it does say something but I

533

00:22:14,110 --> 00:22:12,320

don't know what it says and I emailed

534

00:22:16,539 --> 00:22:14,120

her back and I said I found it in the

535

00:22:19,149 --> 00:22:16,549

NASA photo beside the Great Pyramid and

536

00:22:21,010 --> 00:22:19,159

she says can you send me that photo

537

00:22:24,310 --> 00:22:21,020

because as you guys know anytime you

538

00:22:25,720 --> 00:22:24,320

talk about anything about the Great

539

00:22:28,029 --> 00:22:25,730

Pyramid people think you're nuts they

540

00:22:31,120 --> 00:22:28,039

just of course what toe and I totally

541

00:22:34,270 --> 00:22:31,130

accept that so all of a sudden she says

542

00:22:36,820 --> 00:22:34,280

she sees the next day she emails me back

543

00:22:39,250 --> 00:22:36,830

and she says Gary did you photoshop this

544

00:22:40,899 --> 00:22:39,260

and I said to her I said I said go to

545

00:22:43,510 --> 00:22:40,909

the NASA website and I gave her that

546

00:22:45,250 --> 00:22:43,520

file number I said look at it at the

547

00:22:48,820 --> 00:22:45,260

NASA website and you'll see the exact

548

00:22:51,010 --> 00:22:48,830

thing because I did not Photoshop it so

549

00:22:52,299 --> 00:22:51,020

maybe about two hours later she emails

550

00:22:53,049 --> 00:22:52,309

me back and she goes Gary this is

551
00:22:55,360 --> 00:22:53,059
impossible

552
00:22:57,100 --> 00:22:55,370
and I said I said well do you know what

553
00:23:00,100 --> 00:22:57,110
it says and she says no she said but

554
00:23:03,190 --> 00:23:00,110
Gary from from space or from the sky it

555
00:23:05,169 --> 00:23:03,200
looks like a shadow but as you zoom in

556
00:23:06,730 --> 00:23:05,179
she was those shadows turned into these

557
00:23:08,470 --> 00:23:06,740
letters that you sent me she goes but

558
00:23:10,840 --> 00:23:08,480
here's the thing she was Gary on that

559
00:23:14,200 --> 00:23:10,850
side of the pyramid there's only one

560
00:23:16,090 --> 00:23:14,210
little Museum where they had where they

561
00:23:18,220 --> 00:23:16,100
had discovered a Pharaoh's boat and they

562
00:23:21,310 --> 00:23:18,230
built a small Museum she goes there's no

563
00:23:23,260 --> 00:23:21,320

buildings or any mounds on that side of

564

00:23:25,840 --> 00:23:23,270

the pyramid that that could make these

565

00:23:28,029 --> 00:23:25,850

letters appear and I said well that's

566

00:23:30,190 --> 00:23:28,039

amazing and she my back she was yes she

567

00:23:31,960 --> 00:23:30,200

was it's impossible and she said give me

568

00:23:33,070 --> 00:23:31,970

a few months let me work on this I'm

569

00:23:35,529 --> 00:23:33,080

going to send it to a few of my

570

00:23:37,840 --> 00:23:35,539

colleagues and we'll get back to you I

571

00:23:39,549 --> 00:23:37,850

said fantastic thank you so much in the

572

00:23:42,909 --> 00:23:39,559

meantime guys what happened was the

573

00:23:45,430 --> 00:23:42,919

Aramaic scholar the two aramaic scholars

574

00:23:47,770 --> 00:23:45,440

in in the Middle East and the Judaic

575

00:23:48,880 --> 00:23:47,780

scholar here in the University of

576

00:23:51,220 --> 00:23:48,890

Arizona he

577

00:23:52,840 --> 00:23:51,230

they email me back and they say they

578

00:23:55,780 --> 00:23:52,850

actually tried to translate they said

579

00:23:58,240 --> 00:23:55,790

well we see the word I we see an M and

580

00:24:00,420 --> 00:23:58,250

maybe God or creator and I said and they

581

00:24:02,890 --> 00:24:00,430

said but we really were not sure and

582

00:24:04,450 --> 00:24:02,900

they say and they all emailed me back

583

00:24:07,330 --> 00:24:04,460

and said where did you find this and I

584

00:24:09,340 --> 00:24:07,340

said in a NASA photo as of the Giza

585

00:24:13,300 --> 00:24:09,350

Plateau beside the Great Pyramid and

586

00:24:14,830 --> 00:24:13,310

it's very I'm an interruption it's

587

00:24:16,150 --> 00:24:14,840

fascinating stuff but we're coming up to

588

00:24:21,880 --> 00:24:16,160

our bottom of the hour break we'll be

589

00:24:25,240 --> 00:24:21,890

right back just be back with Gary and

590

00:24:27,400 --> 00:24:25,250

Heidi and I didn't mean to interrupt you

591

00:24:30,060 --> 00:24:27,410

it was just so fast natives a bad timing

592

00:24:33,070 --> 00:24:30,070

for the break but go ahead with that

593

00:24:38,800 --> 00:24:33,080

yeah I'm like on the edge of my seat

594

00:24:40,360 --> 00:24:38,810

this is really yeah it's amazing so what

595

00:24:42,580 --> 00:24:40,370

happens is and you gotta remember guys

596

00:24:45,160 --> 00:24:42,590

this started to a little over two years

597

00:24:46,870 --> 00:24:45,170

ago so I've been doing meeting with a

598

00:24:49,360 --> 00:24:46,880

lot of people and doing this stuff and

599

00:24:52,540 --> 00:24:49,370

anyway and here we go back to the story

600

00:24:55,210 --> 00:24:52,550

so what happens is is after I find those

601
00:24:58,150 --> 00:24:55,220
letters I actually I'm looking on the

602
00:25:01,540 --> 00:24:58,160
photo and I look above the third smaller

603
00:25:04,390 --> 00:25:01,550
pyramid and I start seeing oh I forgot

604
00:25:07,270 --> 00:25:04,400
that I forgot to mention the when I

605
00:25:09,130 --> 00:25:07,280
emailed it out to the Judaic scholars

606
00:25:11,470 --> 00:25:09,140
and Aramaic scholars in the Middle East

607
00:25:13,510 --> 00:25:11,480
they asked me this is where we left off

608
00:25:16,120 --> 00:25:13,520
they asked me where did you find this

609
00:25:19,660 --> 00:25:16,130
and as soon as I said beside the Great

610
00:25:21,340 --> 00:25:19,670
Pyramid in on the Giza Plateau three of

611
00:25:23,860 --> 00:25:21,350
them said we don't have anything to do

612
00:25:26,710 --> 00:25:23,870
with you this is a joke so they cut me

613
00:25:29,650 --> 00:25:26,720

off now that yes it was how but but the

614

00:25:31,090 --> 00:25:29,660

cool thing was as before I had

615

00:25:32,710 --> 00:25:31,100

gotten that email back from them where

616

00:25:35,110 --> 00:25:32,720

they said Gary this is a joke you

617

00:25:37,930 --> 00:25:35,120

photoshopped it what happened was a

618

00:25:42,130 --> 00:25:37,940

above the third smaller pyramid on the

619

00:25:44,050 --> 00:25:42,140

NASA photo I found ancient Hebrew and

620

00:25:46,060 --> 00:25:44,060

what happened was I knew was Hebrew

621

00:25:47,290 --> 00:25:46,070

because when I saw it I said my god

622

00:25:50,080 --> 00:25:47,300

that looks like Hebrew and then I went

623

00:25:52,390 --> 00:25:50,090

to I googled Hebrew ancient Hebrew in

624

00:25:54,880 --> 00:25:52,400

Hebrew and actually pictures of the Dead

625

00:25:57,040 --> 00:25:54,890

Sea Scrolls and I wrote it down and I

626

00:25:59,200 --> 00:25:57,050

sent it to the same guy his native down

627

00:26:02,680 --> 00:25:59,210

at the University of Arizona whose name

628

00:26:04,810 --> 00:26:02,690

is dr. Edward are right

629

00:26:06,940 --> 00:26:04,820

very famous guy worked on the Dead Sea

630

00:26:09,190 --> 00:26:06,950

Scrolls has been doing it for 40 years

631

00:26:11,349 --> 00:26:09,200

and I sent him this ancient Hebrew and I

632

00:26:13,060 --> 00:26:11,359

said dr. Reich you tell me what this

633

00:26:15,879 --> 00:26:13,070

says and he emails me right back and he

634

00:26:18,700 --> 00:26:15,889

says yes it says God and the Lord of the

635

00:26:20,109 --> 00:26:18,710

underworld and he said Gary you got to

636

00:26:22,869 --> 00:26:20,119

come down here and show me where you

637

00:26:25,029 --> 00:26:22,879

found this in the NASA photo so I made

638

00:26:27,940 --> 00:26:25,039

it I'm only an hour and a half away from

639

00:26:30,219 --> 00:26:27,950

the University of Arizona so I hop in

640

00:26:32,469 --> 00:26:30,229

the car I go down and he meets with me

641

00:26:34,629 --> 00:26:32,479

and he sees it and he says Gary he goes

642

00:26:36,219 --> 00:26:34,639

this is impossible he says what you're

643

00:26:38,049 --> 00:26:36,229

showing me is impossible and I said yeah

644

00:26:40,119 --> 00:26:38,059

I said it's totally insane

645

00:26:41,799 --> 00:26:40,129

and he said listen he said Gary you walk

646

00:26:43,930 --> 00:26:41,809

into my office I don't know you from

647

00:26:44,379 --> 00:26:43,940

anybody he says I've been doing this my

648

00:26:46,899 --> 00:26:44,389

whole life

649

00:26:48,759 --> 00:26:46,909

I'm close to retirement he says I can't

650

00:26:49,659 --> 00:26:48,769

have anything to do with this and I said

651
00:26:53,019 --> 00:26:49,669
well why not

652
00:26:55,269 --> 00:26:53,029
I said why he goes he goes because Gary

653
00:26:57,190 --> 00:26:55,279
he says I have a reputation you know I

654
00:26:58,839 --> 00:26:57,200
I'm not going to be finding things in

655
00:27:02,259 --> 00:26:58,849
the NASA photo and I said to him I said

656
00:27:05,739 --> 00:27:02,269
dr. Wright what better place for someone

657
00:27:09,190 --> 00:27:05,749
either an alien or a God to communicate

658
00:27:11,680 --> 00:27:09,200
with our planet than a NASA photo I said

659
00:27:14,320 --> 00:27:11,690
because you can't it's hard to refute

660
00:27:17,499 --> 00:27:14,330
how many people could hack into NASA and

661
00:27:19,599 --> 00:27:17,509
do this to their photo I said huh I said

662
00:27:21,879 --> 00:27:19,609
I said and not only that but it's Egypt

663
00:27:23,019 --> 00:27:21,889

I said it's perfect and he said Gary I

664

00:27:24,339 --> 00:27:23,029

don't know if you're a computer genius

665

00:27:27,759 --> 00:27:24,349

and he goes and I don't know how you

666

00:27:29,560 --> 00:27:27,769

know ancient Hebrew he said but it's

667

00:27:31,899 --> 00:27:29,570

perfect you wrote it perfect and I think

668

00:27:34,269 --> 00:27:31,909

you photoshopped it and I said to him I

669

00:27:36,879 --> 00:27:34,279

said dr. Reich go to the NASA website

670

00:27:38,320 --> 00:27:36,889

and look at it you'll see it don't even

671

00:27:40,960 --> 00:27:38,330

look at the photo I sent you go to the

672

00:27:44,649 --> 00:27:40,970

NASA website and he said I don't have

673

00:27:46,960 --> 00:27:44,659

time for that I have 10,000 students you

674

00:27:49,330 --> 00:27:46,970

know that's something I do believe me

675

00:27:53,469 --> 00:27:49,340

I've met with many of them and so anyway

676
00:27:55,239 --> 00:27:53,479
so but after you know he and it just was

677
00:27:57,219 --> 00:27:55,249
amazing that he translated this so

678
00:27:59,229 --> 00:27:57,229
quickly and he knew what it said and it

679
00:28:02,109 --> 00:27:59,239
was awesome but anyway so what I did was

680
00:28:05,049 --> 00:28:02,119
if your listeners download this NASA

681
00:28:07,330 --> 00:28:05,059
photo and if they look at it they have

682
00:28:10,450 --> 00:28:07,340
to look at it or I'm sorry download it

683
00:28:14,079 --> 00:28:10,460
onto a laptop computer be in a darkroom

684
00:28:16,220 --> 00:28:14,089
zoom in and tilt the screen back to like

685
00:28:18,110 --> 00:28:16,230
put the screen at a 45 degree angle

686
00:28:21,049 --> 00:28:18,120
and tilt it back you will see that this

687
00:28:22,549 --> 00:28:21,059
photo has four levels to it now when I

688
00:28:25,430 --> 00:28:22,559

found the levels because when all this

689

00:28:27,409 --> 00:28:25,440

stuff was happening guys I said oh my

690

00:28:28,970 --> 00:28:27,419

god this is some kind of message and no

691

00:28:31,100 --> 00:28:28,980

one's believing me but that's ok because

692

00:28:33,350 --> 00:28:31,110

I'm kind of like kind of like the guy

693

00:28:36,409 --> 00:28:33,360

the Terminator I won't stop especially

694

00:28:40,970 --> 00:28:36,419

with subject amazing so what happens is

695

00:28:42,500 --> 00:28:40,980

is I google Arizona State University

696

00:28:44,570 --> 00:28:42,510

which is an hour away from me

697

00:28:48,350 --> 00:28:44,580

and I go up and I make a meeting with

698

00:28:49,909 --> 00:28:48,360

two professors who actually know how to

699

00:28:52,090 --> 00:28:49,919

build software because I'm saying this

700

00:28:54,860 --> 00:28:52,100

has four levels to it this is impossible

701
00:28:57,440 --> 00:28:54,870
so what happens is is I go and I meet

702
00:28:59,629 --> 00:28:57,450
with these two professors dr. Gupta and

703
00:29:01,840 --> 00:28:59,639
a doctor Whitehouse they look at the

704
00:29:05,299 --> 00:29:01,850
photo and they see that they see the the

705
00:29:06,769 --> 00:29:05,309
the ancient Hebrew and they see the

706
00:29:09,049 --> 00:29:06,779
other stuff beside the Great Pyramid and

707
00:29:11,000 --> 00:29:09,059
a few other things that I found and they

708
00:29:12,799 --> 00:29:11,010
said Gary look they go this has four

709
00:29:14,899 --> 00:29:12,809
levels to it we don't have this

710
00:29:16,789 --> 00:29:14,909
technology they said we build software

711
00:29:18,860 --> 00:29:16,799
there's no way we could have done this

712
00:29:21,259 --> 00:29:18,870
this they say the only people who could

713
00:29:23,570 --> 00:29:21,269

have done this is NASA and why would

714

00:29:26,840 --> 00:29:23,580

they do it in their own photo I said

715

00:29:28,850 --> 00:29:26,850

guys I go ahead guess no I just said

716

00:29:31,250 --> 00:29:28,860

they wouldn't of course they wouldn't it

717

00:29:34,039 --> 00:29:31,260

would be ridiculous so then what happens

718

00:29:36,259 --> 00:29:34,049

I said guys we and dr. Gupta actually

719

00:29:38,149 --> 00:29:36,269

said to me said Gary he got a magnifying

720

00:29:40,490 --> 00:29:38,159

glass we shrunk the picture down a

721

00:29:42,019 --> 00:29:40,500

little bit onto laptop he zoomed in on

722

00:29:43,940 --> 00:29:42,029

the with his magnifying glass he goes

723

00:29:46,580 --> 00:29:43,950

Gary here's another thing he says on

724

00:29:49,820 --> 00:29:46,590

this photo there are no ones it's a

725

00:29:52,070 --> 00:29:49,830

binary code of all zeros and I said well

726
00:29:54,649 --> 00:29:52,080
does that ever happened they said no all

727
00:29:57,049 --> 00:29:54,659
binary codes are 1 and 0 this has all

728
00:29:58,820 --> 00:29:57,059
zeros he goes this is impossible as they

729
00:30:00,710 --> 00:29:58,830
said both and they both said we can't

730
00:30:01,789 --> 00:30:00,720
have anything to do with this I said

731
00:30:04,399 --> 00:30:01,799
well I've heard that before

732
00:30:05,990 --> 00:30:04,409
so anyway so so then I said you know

733
00:30:07,820 --> 00:30:06,000
what since there's ancient Hebrew in

734
00:30:10,759 --> 00:30:07,830
this may be it so anyway they kicked me

735
00:30:12,879 --> 00:30:10,769
out of their office so you know this is

736
00:30:15,620 --> 00:30:12,889
a great example of how you know

737
00:30:18,830 --> 00:30:15,630
different pieces of knowledge and

738
00:30:21,110 --> 00:30:18,840

history gets shunned and and kept away

739

00:30:23,090 --> 00:30:21,120
from society so totally dismiss it's

740

00:30:24,560 --> 00:30:23,100
like this is ancient this is thousands

741

00:30:27,470 --> 00:30:24,570
of years old and they still feel

742

00:30:28,970 --> 00:30:27,480
threatened if they didn't discover it

743

00:30:29,360 --> 00:30:28,980
for themselves from the start or from

744

00:30:31,549 --> 00:30:29,370
the get

745

00:30:34,040 --> 00:30:31,559
go and they didn't have the chance to

746

00:30:36,380 --> 00:30:34,050
explain it to the world they're gonna

747

00:30:38,030 --> 00:30:36,390
just poopoo anybody that comes across

748

00:30:40,070 --> 00:30:38,040
something because oh my gosh we got to

749

00:30:42,380 --> 00:30:40,080
rewrite all the history books mostly gut

750

00:30:47,090 --> 00:30:42,390
and whiskers worms they're mostly

751

00:30:49,100 --> 00:30:47,100

gutless little goatee pullin worms nice

752

00:30:51,590 --> 00:30:49,110

let me just say this yes it was

753

00:30:54,860 --> 00:30:51,600

frustrating but in their defense let me

754

00:30:57,950 --> 00:30:54,870

just say this some guy walks into your

755

00:30:58,670 --> 00:30:57,960

into your into your office he turns off

756

00:31:00,410 --> 00:30:58,680

all the lights

757

00:31:03,110 --> 00:31:00,420

he shows you this photo he shows you the

758

00:31:05,090 --> 00:31:03,120

stuff in 30 minutes it's like a tsunami

759

00:31:07,520 --> 00:31:05,100

of information they're drowning they're

760

00:31:09,950 --> 00:31:07,530

gone this is impossible now if they had

761

00:31:12,590 --> 00:31:09,960

time and they had open minds like people

762

00:31:14,120 --> 00:31:12,600

with a paranormal community yes they'll

763

00:31:16,880 --> 00:31:14,130

listen they'll pay it and they'll look

764

00:31:19,520 --> 00:31:16,890

but these guys they do in their defense

765

00:31:22,520 --> 00:31:19,530

they have thousands of students some guy

766

00:31:25,760 --> 00:31:22,530

walks in throws us in front of them it's

767

00:31:28,120 --> 00:31:25,770

too much hold on were you able to handle

768

00:31:30,530 --> 00:31:28,130

it because we're handling it okay yeah

769

00:31:32,090 --> 00:31:30,540

that's the thing it's like oh they don't

770

00:31:33,770 --> 00:31:32,100

tell us about the aliens sitting on the

771

00:31:36,169 --> 00:31:33,780

moon because they don't know society can

772

00:31:38,150 --> 00:31:36,179

handle it like the guys that are

773

00:31:39,740 --> 00:31:38,160

monitoring the aliens on the moon can

774

00:31:48,950 --> 00:31:39,750

handle it so I think the rest of us can

775

00:31:50,720 --> 00:31:48,960

do it they need their money well okay

776

00:31:52,190 --> 00:31:50,730

that's it a lot of them actually said

777

00:31:53,840 --> 00:31:52,200

well I'm going on vacation and I said

778

00:31:55,610 --> 00:31:53,850

your pacing is more important than this

779

00:31:58,370 --> 00:31:55,620

message they said yes I said all right

780

00:32:02,900 --> 00:31:58,380

laughter then what sewing back to my

781

00:32:03,980 --> 00:32:02,910

great story so so what happens is I say

782

00:32:05,570 --> 00:32:03,990

we you know what since there's so much

783

00:32:07,130 --> 00:32:05,580

he brewing this I'm going to make I'm

784

00:32:10,850 --> 00:32:07,140

gonna have a meeting with it with with

785

00:32:12,560 --> 00:32:10,860

some rabbis up here in Phoenix so what I

786

00:32:15,320 --> 00:32:12,570

do is I go over to there's there's a

787

00:32:16,850 --> 00:32:15,330

couple Orthodox places up here in

788

00:32:19,490 --> 00:32:16,860

Phoenix with these guys whoo that's all

789

00:32:21,260 --> 00:32:19,500

they do they there non-stop into the

790

00:32:23,570 --> 00:32:21,270

Torah they know the whole nine yards and

791

00:32:24,770 --> 00:32:23,580

so I go to the room I go to them and I

792

00:32:27,320 --> 00:32:24,780

meet with five of them but I submit

793

00:32:28,970 --> 00:32:27,330

three into it at different times okay

794

00:32:31,549 --> 00:32:28,980

the first three guys they look at it and

795

00:32:33,620 --> 00:32:31,559

they say Gary we see the thing that says

796

00:32:36,230 --> 00:32:33,630

God in Lord of the underworld they said

797

00:32:37,820 --> 00:32:36,240

but beside that is a date there's a date

798

00:32:40,600 --> 00:32:37,830

written in Hebrew and I said what's it

799

00:32:45,230 --> 00:32:40,610

say they said July 20

800

00:32:46,820 --> 00:32:45,240

626 2022 and I said well that's amazing

801
00:32:48,669 --> 00:32:46,830
they said does that mean anything to you

802
00:32:52,370 --> 00:32:48,679
and I said well no I said what the photo

803
00:32:57,289 --> 00:32:52,380
was downloaded onto the Internet on July

804
00:32:59,149 --> 00:32:57,299
26 2012 and they said well Gary yeah

805
00:33:00,919 --> 00:32:59,159
so I said well that's a little bit of a

806
00:33:02,840 --> 00:33:00,929
coincidence so so they said well Gary

807
00:33:04,940 --> 00:33:02,850
here's our two problems with you and I

808
00:33:06,440 --> 00:33:04,950
said what's that they said first of all

809
00:33:08,330 --> 00:33:06,450
what you showed us now you got to

810
00:33:09,710 --> 00:33:08,340
remember something guys I've seen a lot

811
00:33:11,870 --> 00:33:09,720
more things and I showed the rabbis a

812
00:33:13,940 --> 00:33:11,880
lot more things and I also showed the

813
00:33:16,909 --> 00:33:13,950

professors at ASU a lot more things

814

00:33:19,190 --> 00:33:16,919

which they saw the rabbi said to me Gary

815

00:33:20,509 --> 00:33:19,200

what you showed us is in the Torah it's

816

00:33:22,759 --> 00:33:20,519

in the thing called their eschatology

817

00:33:24,470 --> 00:33:22,769

which is a prophecy thing they said but

818

00:33:26,360 --> 00:33:24,480

here's our problem two of them the first

819

00:33:28,909 --> 00:33:26,370

one is this you're not Jewish

820

00:33:31,580 --> 00:33:28,919

I they said the second thing is is we

821

00:33:33,200 --> 00:33:31,590

believe that only miracles happened in

822

00:33:35,870 --> 00:33:33,210

Israel and I laughed on this that's a

823

00:33:37,940 --> 00:33:35,880

joke I said right and then we really

824

00:33:40,580 --> 00:33:37,950

really believe it and I said well I said

825

00:33:43,399 --> 00:33:40,590

I've never heard that I said guys I said

826

00:33:45,470 --> 00:33:43,409

so you're telling me if if your Messiah

827

00:33:48,080 --> 00:33:45,480

showed up today you say well it's in

828

00:33:49,549 --> 00:33:48,090

Phoenix that can't be the guy yeah we

829

00:33:52,610 --> 00:33:49,559

wouldn't believe it he said I said what

830

00:33:53,269 --> 00:33:52,620

guys yes that's so narrow so they they

831

00:33:58,220 --> 00:33:53,279

kicked me out

832

00:33:59,899 --> 00:33:58,230

you know just a bit limiting yeah Dan

833

00:34:02,029 --> 00:33:59,909

what was great was he had given me that

834

00:34:03,560 --> 00:34:02,039

you just know this every meeting I've

835

00:34:05,090 --> 00:34:03,570

been on was never a waste because the

836

00:34:07,220 --> 00:34:05,100

guys always said something that helped

837

00:34:08,930 --> 00:34:07,230

and the rabbi gave me that date so I

838

00:34:10,879 --> 00:34:08,940

said well that must mean something so I

839

00:34:12,589 --> 00:34:10,889

come back to my house and I say well you

840

00:34:15,440 --> 00:34:12,599

know what it's time to get in touch with

841

00:34:18,139 --> 00:34:15,450

NASA now you know what because NASA if

842

00:34:20,480 --> 00:34:18,149

their photo they they're bound to be

843

00:34:24,889 --> 00:34:20,490

interested in it so guys they miss they

844

00:34:28,609 --> 00:34:24,899

missed airbrushing that one darn it so

845

00:34:32,240 --> 00:34:28,619

what happens is I come back and I google

846

00:34:34,099 --> 00:34:32,250

I google there's a place called the Ames

847

00:34:37,790 --> 00:34:34,109

Research Center in Northern California

848

00:34:39,560 --> 00:34:37,800

and you can google and and as you know

849

00:34:41,960 --> 00:34:39,570

and it pops up and the people who run

850

00:34:44,000 --> 00:34:41,970

the place their email pops up so I

851
00:34:45,560 --> 00:34:44,010
figured look I'm the guy who's trying to

852
00:34:48,320 --> 00:34:45,570
restore the great pair of in the Sphinx

853
00:34:50,419 --> 00:34:48,330
and I have Sir Richard Branson and Elon

854
00:34:52,370 --> 00:34:50,429
Musk and going to Shotwell who dig it

855
00:34:53,810 --> 00:34:52,380
and I said you know what these car

856
00:34:55,250 --> 00:34:53,820
that Nath's are gonna pay attention to

857
00:34:56,570 --> 00:34:55,260
me and they're gonna get back to me like

858
00:34:58,250 --> 00:34:56,580
I had no doubt that they were going to

859
00:35:01,130 --> 00:34:58,260
get back to me but I thought it might be

860
00:35:02,990 --> 00:35:01,140
a long long time so I email a couple

861
00:35:04,880 --> 00:35:03,000
physicist and the guy who is the

862
00:35:07,280 --> 00:35:04,890
director / president of the Ames

863
00:35:10,730 --> 00:35:07,290

Research Center whose name is dr. Peter

864

00:35:12,320 --> 00:35:10,740

warden okay guys I email him the next

865

00:35:14,150 --> 00:35:12,330

morning at 6:00 in the morning he emails

866

00:35:16,220 --> 00:35:14,160

me back and he says send me the photo I

867

00:35:18,710 --> 00:35:16,230

want to see it now the first thing in my

868

00:35:20,780 --> 00:35:18,720

head was yes I'm a genius yes I'm

869

00:35:23,570 --> 00:35:20,790

putting this whole thing together oh my

870

00:35:25,340 --> 00:35:23,580

god a guy who's running the Ames

871

00:35:27,380 --> 00:35:25,350

Research Center is going to email me

872

00:35:29,210 --> 00:35:27,390

back something's up something must have

873

00:35:32,090 --> 00:35:29,220

clicked on their website when it said

874

00:35:35,000 --> 00:35:32,100

when I put the heading Egypt alien

875

00:35:36,500 --> 00:35:35,010

message you know beside the Great

876

00:35:38,990 --> 00:35:36,510

Pyramid something clicked they want to

877

00:35:41,000 --> 00:35:39,000

see it something some so what happens is

878

00:35:43,160 --> 00:35:41,010

I emailing the photo with instructions

879

00:35:45,080 --> 00:35:43,170

on how to see the things he emails me

880

00:35:47,810 --> 00:35:45,090

back 20 minutes later and he says Gary I

881

00:35:50,240 --> 00:35:47,820

can't see it I say doctor I said during

882

00:35:52,070 --> 00:35:50,250

dr. warden didn't make sure it's on a

883

00:35:54,350 --> 00:35:52,080

laptop make sure you're in a dark room

884

00:35:55,580 --> 00:35:54,360

and call me and I will go over it over

885

00:35:58,100 --> 00:35:55,590

the phone just like I'm talking to you

886

00:35:59,510 --> 00:35:58,110

guys he said okay he calls me maybe like

887

00:36:02,120 --> 00:35:59,520

15 minutes later he goes I'm in the dark

888

00:36:04,190 --> 00:36:02,130

room I said okay now open the computer

889

00:36:05,990 --> 00:36:04,200

screen tilt the screen back the zoom in

890

00:36:07,310 --> 00:36:06,000

on the Great Pyramid and I had emailed

891

00:36:10,070 --> 00:36:07,320

him the letters and everything and he

892

00:36:11,180 --> 00:36:10,080

said I feel like okay great I said now

893

00:36:12,920 --> 00:36:11,190

I'm going to show you the other letters

894

00:36:14,420 --> 00:36:12,930

I said go a little bit go a little bit

895

00:36:16,790 --> 00:36:14,430

above which is remember it's upside down

896

00:36:18,800 --> 00:36:16,800

so it's you guys said go south if you

897

00:36:20,240 --> 00:36:18,810

own to the plateau he goes I see it I

898

00:36:22,310 --> 00:36:20,250

said now there's two other things I want

899

00:36:23,390 --> 00:36:22,320

you to see so I showed there's a I don't

900

00:36:25,370 --> 00:36:23,400

know if you guys can see it you can't

901
00:36:27,440 --> 00:36:25,380
see it Kevin but Heidi can now on the

902
00:36:29,270 --> 00:36:27,450
photo on the photo there's a whitewash

903
00:36:31,670 --> 00:36:29,280
that's actually that's actually a

904
00:36:34,040 --> 00:36:31,680
whitewash in this called Ring Road and

905
00:36:35,510 --> 00:36:34,050
it's after it when it leaves the Giza

906
00:36:38,960 --> 00:36:35,520
Plateau it goes into an eight Lane

907
00:36:41,990 --> 00:36:38,970
freeway going into Cairo and it crosses

908
00:36:43,640 --> 00:36:42,000
the the Nile River which you can see it

909
00:36:47,150 --> 00:36:43,650
looks like a cross on the photo another

910
00:36:48,740 --> 00:36:47,160
you can see it there okay okay so what

911
00:36:50,690 --> 00:36:48,750
happens is and remember to the left is

912
00:36:53,930 --> 00:36:50,700
east to the right is West and on the

913
00:36:56,480 --> 00:36:53,940

left is Cairo so anyway so dr. Ward and

914

00:36:58,460 --> 00:36:56,490

I said can you see this image above Ring

915

00:37:00,050 --> 00:36:58,470

Road on the whitewash Joe Church Camry

916

00:37:00,440 --> 00:37:00,060

because I see it he goes Gary do me a

917

00:37:02,540 --> 00:37:00,450

favor

918

00:37:04,030 --> 00:37:02,550

here's I see everything he says give me

919

00:37:05,520 --> 00:37:04,040

a couple weeks I want to talk to my

920

00:37:06,840 --> 00:37:05,530

superiors about

921

00:37:09,330 --> 00:37:06,850

and we're going to get back to you I

922

00:37:11,700 --> 00:37:09,340

said fantastic thank you this is great

923

00:37:14,430 --> 00:37:11,710

this was the first yes I heard and it's

924

00:37:16,410 --> 00:37:14,440

coming from NASA so this is great three

925

00:37:20,400 --> 00:37:16,420

weeks of three guys three well it gets

926
00:37:21,990 --> 00:37:20,410
worse three weeks later I see on I see

927
00:37:25,310 --> 00:37:22,000
on the Internet

928
00:37:28,170 --> 00:37:25,320
dr. Peter worden retires from NASA

929
00:37:30,180 --> 00:37:28,180
listen he gets together with with Steven

930
00:37:31,740 --> 00:37:30,190
Hawkings the great physicist and they

931
00:37:34,290 --> 00:37:31,750
they get together with a Russian

932
00:37:38,070 --> 00:37:34,300
billionaire and they start a company

933
00:37:39,870 --> 00:37:38,080
searching for he tees Oh Mike you know

934
00:37:41,220 --> 00:37:39,880
what I swear to God I was gonna say

935
00:37:43,350 --> 00:37:41,230
you're the only person you have in

936
00:37:47,790 --> 00:37:43,360
contact of the Steven Hauk and then here

937
00:37:51,570 --> 00:37:47,800
is with your side of it Wow

938
00:37:54,090 --> 00:37:51,580

23 so anyway I read the alphabet well

939

00:37:56,160 --> 00:37:54,100

you know what in the long run it won't

940

00:37:57,900 --> 00:37:56,170

matter so what happens is I'm sitting

941

00:37:59,580 --> 00:37:57,910

there going oh my god this is this plus

942

00:38:02,100 --> 00:37:59,590

I tried the emailing maybe cut off all

943

00:38:03,810 --> 00:38:02,110

contact with me and so did NASA so I

944

00:38:06,540 --> 00:38:03,820

said okay all right I get it all right

945

00:38:09,030 --> 00:38:06,550

so what happens and if you guys have any

946

00:38:13,230 --> 00:38:09,040

questions please please jump in know for

947

00:38:15,450 --> 00:38:13,240

sure I'm jumping so what happens is I

948

00:38:17,130 --> 00:38:15,460

was a little depressed now just to keep

949

00:38:19,530 --> 00:38:17,140

make it clear to you guys into your

950

00:38:21,900 --> 00:38:19,540

listeners I have never ever had a

951
00:38:24,540 --> 00:38:21,910
paranormal experience I've never I've

952
00:38:26,880 --> 00:38:24,550
never seen the UFO I've never seen a

953
00:38:29,160 --> 00:38:26,890
ghost even though I believe in them I've

954
00:38:32,160 --> 00:38:29,170
never heard voices nothing like that

955
00:38:34,080 --> 00:38:32,170
they're regular you're a regular Joe I'm

956
00:38:35,220 --> 00:38:34,090
a totally regular Joe other than I'm the

957
00:38:37,200 --> 00:38:35,230
guy who tries to restore the Great

958
00:38:40,500 --> 00:38:37,210
Pyramid this finger other than that I'm

959
00:38:42,210 --> 00:38:40,510
a regular guy so what happens is is I'm

960
00:38:43,470 --> 00:38:42,220
thinking this this really sucks this is

961
00:38:45,870 --> 00:38:43,480
horrible now what does this take place

962
00:38:48,450 --> 00:38:45,880
again now what about when did this

963
00:38:49,920 --> 00:38:48,460

happen did this no remember it all

964

00:38:52,260 --> 00:38:49,930

started around two years a little over

965

00:38:54,750 --> 00:38:52,270

two years ago so six months later all

966

00:38:57,780 --> 00:38:54,760

this had happened okay so that's yeah

967

00:39:00,440 --> 00:38:57,790

okay so what happens is is what I'm

968

00:39:02,790 --> 00:39:00,450

doing is I'm in bed and I'm asleep and

969

00:39:04,920 --> 00:39:02,800

it's a real early in the morning and I

970

00:39:06,750 --> 00:39:04,930

hear a voice and like I said guys I very

971

00:39:09,690 --> 00:39:06,760

rarely even I never move when I'm asleep

972

00:39:12,030 --> 00:39:09,700

I sleep for between 7 8 hours I just I

973

00:39:14,730 --> 00:39:12,040

don't move and I very rarely have bad

974

00:39:15,380 --> 00:39:14,740

dreams ever so what happens is I hear

975

00:39:18,200 --> 00:39:15,390

this

976

00:39:21,950 --> 00:39:18,210

and it says to me it's a man's voice a

977

00:39:26,089 --> 00:39:21,960

regular voice and it says Gary go to the

978

00:39:28,519 --> 00:39:26,099

river faced east stand in the water in

979

00:39:30,680 --> 00:39:28,529

your bare feet face east and save these

980

00:39:32,509 --> 00:39:30,690

words now I'm telling you guys this and

981

00:39:34,339 --> 00:39:32,519

even as I'm dreaming I'm thinking I'm

982

00:39:36,589 --> 00:39:34,349

thinking in my head this is amazing and

983

00:39:37,759 --> 00:39:36,599

the words were the thing I was supposed

984

00:39:40,309 --> 00:39:37,769

to say and I was supposed to say it

985

00:39:43,220 --> 00:39:40,319

three times was father father father

986

00:39:45,200 --> 00:39:43,230

holy holy holy

987

00:39:47,779 --> 00:39:45,210

where did you come from where did you

988

00:39:50,690 --> 00:39:47,789

really come from in Hebrew the voice

989

00:39:52,670 --> 00:39:50,700

told me well I don't know Hebrew so it

990

00:39:54,589 --> 00:39:52,680

was like I said so what happens is and

991

00:39:57,170 --> 00:39:54,599

it said say it three times and you have

992

00:39:59,990 --> 00:39:57,180

to face these faced east and hold your

993

00:40:01,700 --> 00:40:00,000

hands up to the sky and look up to the

994

00:40:03,230 --> 00:40:01,710

sky and I said and naturally I'm

995

00:40:05,089 --> 00:40:03,240

thinking well this has to mean something

996

00:40:06,980 --> 00:40:05,099

because this all has to do with the

997

00:40:08,569 --> 00:40:06,990

Great Pyramid I found all this stuff and

998

00:40:10,370 --> 00:40:08,579

even though nobody believes me I got to

999

00:40:12,620 --> 00:40:10,380

get down to that River but first I have

1000

00:40:15,620 --> 00:40:12,630

to learn how to say it in Hebrew so I

1001
00:40:17,660 --> 00:40:15,630
call one of the one of the rabbis I met

1002
00:40:19,370 --> 00:40:17,670
and I said could you phonetically write

1003
00:40:20,749 --> 00:40:19,380
this out for me and email it to me

1004
00:40:22,460 --> 00:40:20,759
because they go what do you want it for

1005
00:40:24,529 --> 00:40:22,470
I said don't worry about it so what

1006
00:40:26,599 --> 00:40:24,539
happens is so what I did what he did

1007
00:40:28,220 --> 00:40:26,609
so I practice it and as you guys can

1008
00:40:30,890 --> 00:40:28,230
tell just from my phone call I'm very

1009
00:40:32,749 --> 00:40:30,900
loud and it said say it loud you know

1010
00:40:34,099 --> 00:40:32,759
the voice said Satan Hebrews say it loud

1011
00:40:36,140 --> 00:40:34,109
so I do

1012
00:40:39,410 --> 00:40:36,150
there's about maybe about three miles

1013
00:40:42,230 --> 00:40:39,420

from my house here in in Arizona which

1014

00:40:44,809 --> 00:40:42,240

is it's actually called San Tan Arizona

1015

00:40:47,630 --> 00:40:44,819

San Tan Valley Arizona there's a small

1016

00:40:49,249 --> 00:40:47,640

town called Florence Arizona and there's

1017

00:40:51,499 --> 00:40:49,259

a river there's a river it's called the

1018

00:40:53,390 --> 00:40:51,509

Gila River like the Gila River Indians

1019

00:40:55,549 --> 00:40:53,400

and they actually owned a casino but

1020

00:40:57,829 --> 00:40:55,559

it's only three miles away and it's not

1021

00:40:59,539 --> 00:40:57,839

a running water it's not a running river

1022

00:41:01,700 --> 00:40:59,549

but there's this one area where there's

1023

00:41:03,890 --> 00:41:01,710

kind of like a small lake but it's it's

1024

00:41:05,599 --> 00:41:03,900

it's the water's filthy but and it's

1025

00:41:09,289 --> 00:41:05,609

been probably four or five hundred yards

1026

00:41:10,910 --> 00:41:09,299

off of the main road so what I do is I

1027

00:41:12,470 --> 00:41:10,920

pull my truck up I park on the side I

1028

00:41:14,210 --> 00:41:12,480

walk down these four or five hundred

1029

00:41:15,980 --> 00:41:14,220

yards and I figured look I have to do

1030

00:41:18,380 --> 00:41:15,990

this there's the I just have to do it I

1031

00:41:20,690 --> 00:41:18,390

take off my I take off my shoes net I

1032

00:41:23,059 --> 00:41:20,700

have shorts on I'm not naked all right

1033

00:41:26,359 --> 00:41:23,069

stand in the water I put my hands up and

1034

00:41:27,770 --> 00:41:26,369

I yell out in kind of like in a mantra

1035

00:41:31,130 --> 00:41:27,780

because and

1036

00:41:33,110 --> 00:41:31,140

say abba-abba-abba kadosh kadosh kadosh

1037

00:41:33,620 --> 00:41:33,120

which his father father father holy holy

1038

00:41:35,600 --> 00:41:33,630

holy

1039

00:41:37,280 --> 00:41:35,610

and I say in Hebrew where did you come

1040

00:41:39,140 --> 00:41:37,290

from where did you really come from and

1041

00:41:40,610 --> 00:41:39,150

I say like three or four times and I say

1042

00:41:41,900 --> 00:41:40,620

it really loud and you didn't remember

1043

00:41:44,210 --> 00:41:41,910

I'm in the middle of the desert like

1044

00:41:47,990 --> 00:41:44,220

there's nothing around and other than

1045

00:41:50,420 --> 00:41:48,000

that road and there's a very scarce crap

1046

00:41:52,340 --> 00:41:50,430

and I think well that nothing happened I

1047

00:41:53,930 --> 00:41:52,350

stood there and nothing happened so I

1048

00:41:57,710 --> 00:41:53,940

wash me and it's like I said it's a

1049

00:42:00,080 --> 00:41:57,720

really dirty water so I wait my boy wipe

1050

00:42:01,610 --> 00:42:00,090

my feet off like I come back home and I

1051

00:42:05,120 --> 00:42:01,620

go to bed guys

1052

00:42:07,430 --> 00:42:05,130

the next morning 5:45 I wake up in that

1053

00:42:09,170 --> 00:42:07,440

guise I never wake up at 5:45 I usually

1054

00:42:12,500 --> 00:42:09,180

wake up around 7:00 7:15

1055

00:42:14,480 --> 00:42:12,510

so it's 5:45 I pop my eyes pop open I'm

1056

00:42:16,310 --> 00:42:14,490

covered in sweat I mean I'm in pretty

1057

00:42:17,810 --> 00:42:16,320

good shape I always work out and I'm

1058

00:42:20,390 --> 00:42:17,820

covered in sweat and I go what's wrong

1059

00:42:22,700 --> 00:42:20,400

with me and all of a sudden I sit up and

1060

00:42:25,430 --> 00:42:22,710

I look across the room and I have my

1061

00:42:28,040 --> 00:42:25,440

laptop with it with the with the top

1062

00:42:30,200 --> 00:42:28,050

open but there's a it's not on all of a

1063

00:42:32,420 --> 00:42:30,210

sudden it pops on to the NASA photo I

1064

00:42:34,610 --> 00:42:32,430

mean it actually just on to the NASA

1065

00:42:37,010 --> 00:42:34,620

photo and I go holy shelled man's that

1066

00:42:39,080 --> 00:42:37,020

that months of work so when I look at

1067

00:42:41,030 --> 00:42:39,090

the photo I can see things that I had

1068

00:42:43,610 --> 00:42:41,040

never seen before and I said oh my god I

1069

00:42:45,830 --> 00:42:43,620

see it these things whoever it is has

1070

00:42:49,820 --> 00:42:45,840

made some kind of contact with me and I

1071

00:42:52,250 --> 00:42:49,830

said so what happens is NASA I get up I

1072

00:42:54,140 --> 00:42:52,260

go right bounce it was maybe 7:00 7:30

1073

00:42:56,030 --> 00:42:54,150

in the morning I jump in the truck I go

1074

00:42:57,890 --> 00:42:56,040

back down to the river I yell up the

1075

00:43:00,230 --> 00:42:57,900

same words and I talk just like I'm

1076
00:43:03,290 --> 00:43:00,240
talking to you guys I go hey is this for

1077
00:43:04,970 --> 00:43:03,300
real I said is this a joke I said

1078
00:43:07,430 --> 00:43:04,980
because I said if this is the most

1079
00:43:09,050 --> 00:43:07,440
amazing thing I said if you guys need me

1080
00:43:12,830 --> 00:43:09,060
to help in any way I can

1081
00:43:15,380 --> 00:43:12,840
I'm your man I'm your boy just just for

1082
00:43:17,240 --> 00:43:15,390
you so what happens is I go back home

1083
00:43:18,710 --> 00:43:17,250
I look at the photo I can see so many

1084
00:43:21,530 --> 00:43:18,720
things in the photo I mean guys like

1085
00:43:23,690 --> 00:43:21,540
millions and millions of images and all

1086
00:43:27,620 --> 00:43:23,700
this stuff and I'm good it's just that

1087
00:43:31,220 --> 00:43:27,630
the whole photo the whole photo is is a

1088
00:43:33,020 --> 00:43:31,230

message is it's a message now is there

1089

00:43:34,370 --> 00:43:33,030

any are there any questions you know you

1090

00:43:37,100 --> 00:43:34,380

know someone in the chat room just

1091

00:43:39,650 --> 00:43:37,110

actually put the direct link to the

1092

00:43:41,509 --> 00:43:39,660

image so you can see the finer details

1093

00:43:43,339 --> 00:43:41,519

of it so it's pretty darn

1094

00:43:46,370 --> 00:43:43,349

fascinating yeah I know I'm looking at

1095

00:43:48,199 --> 00:43:46,380

it it's it's so uh I could see the

1096

00:43:50,509 --> 00:43:48,209

little divots of everything and I could

1097

00:43:52,669 --> 00:43:50,519

see how it could be potentially

1098

00:43:55,039 --> 00:43:52,679

interpreted Wow well it is but the main

1099

00:43:57,409 --> 00:43:55,049

thing that I saw if your people they

1100

00:43:59,149 --> 00:43:57,419

shrink the the NASA folded down a little

1101

00:44:01,219 --> 00:43:59,159

bit and I was talking to Heidi about

1102

00:44:03,139 --> 00:44:01,229

this earlier when we were on break if

1103

00:44:04,939 --> 00:44:03,149

you look at the photo on the right side

1104

00:44:06,289 --> 00:44:04,949

the whole sort of you cut it down the

1105

00:44:09,049 --> 00:44:06,299

middle is the Giza Plateau

1106

00:44:10,669 --> 00:44:09,059

it looks sandy and gold and then down

1107

00:44:12,559 --> 00:44:10,679

below you can see they built some

1108

00:44:15,169 --> 00:44:12,569

buildings there but it goes all the way

1109

00:44:18,739 --> 00:44:15,179

down then on the left is Cairo and what

1110

00:44:22,159 --> 00:44:18,749

happens is is is on the right hand side

1111

00:44:24,859 --> 00:44:22,169

and and on Heidi's website or on her

1112

00:44:26,479 --> 00:44:24,869

honor the photo I sent her mm-hmm

1113

00:44:30,679 --> 00:44:26,489

hopefully hopefully your people can see

1114

00:44:32,749 --> 00:44:30,689

it I outlined in red I outlined there's

1115

00:44:35,870 --> 00:44:32,759

a there's an image there the whole right

1116

00:44:38,179 --> 00:44:35,880

side is the left profile of a huge alien

1117

00:44:40,370 --> 00:44:38,189

and when I say huge alien it's his left

1118

00:44:42,949 --> 00:44:40,380

profile it's his head is going out of

1119

00:44:44,839 --> 00:44:42,959

screen he has it he has a baby his

1120

00:44:46,669 --> 00:44:44,849

little nose kind of nose is where the

1121

00:44:48,259 --> 00:44:46,679

Great Pyramid is then it comes down you

1122

00:44:50,449 --> 00:44:48,269

see his mouth thing to see his chin is

1123

00:44:52,219 --> 00:44:50,459

round and he has a thick neck and if

1124

00:44:55,069 --> 00:44:52,229

your listeners for your listeners if you

1125

00:44:57,769 --> 00:44:55,079

think about Queen Nefertiti who was

1126
00:44:59,839 --> 00:44:57,779
Akhenaten's wife or the you know that's

1127
00:45:01,459 --> 00:44:59,849
the profile and she has no real long

1128
00:45:03,799 --> 00:45:01,469
elongated head it's not like a gray

1129
00:45:06,289 --> 00:45:03,809
alien it's like a huge alien with a big

1130
00:45:06,949 --> 00:45:06,299
head so if you see it that is his right

1131
00:45:11,689 --> 00:45:06,959
profile

1132
00:45:18,019 --> 00:45:11,699
actually looking across at where the

1133
00:45:23,029 --> 00:45:18,029
Nile River crosses with that ring road

1134
00:45:25,069 --> 00:45:23,039
and if you can see that yeah that cross

1135
00:45:27,859 --> 00:45:25,079
now when you see that cross up there

1136
00:45:29,749 --> 00:45:27,869
that cause if when you're looking at

1137
00:45:33,439 --> 00:45:29,759
that cause if you if you had a laptop

1138
00:45:36,559 --> 00:45:33,449

computer if you tilt the laptop computer

1139

00:45:38,329 --> 00:45:36,569

back what will happen is is the lights

1140

00:45:41,479 --> 00:45:38,339

of Cairo will disappear and there will

1141

00:45:44,539 --> 00:45:41,489

only be about 10 or 12 lights left that

1142

00:45:48,259 --> 00:45:44,549

cross represents the constellation of

1143

00:45:50,539 --> 00:45:48,269

cygnus see yg and US and what happened

1144

00:45:54,109 --> 00:45:50,549

was I drew this as I drew the I drew

1145

00:45:55,079 --> 00:45:54,119

where ring-road and the Nile River

1146

00:45:58,739 --> 00:45:55,089

intersect

1147

00:46:00,660 --> 00:45:58,749

and I plotted out those lights and I

1148

00:46:03,049 --> 00:46:00,670

sent it to astronomers and they emailed

1149

00:46:05,430 --> 00:46:03,059

me right back said oh this is uh this is

1150

00:46:07,079 --> 00:46:05,440

the constellation of Cygnus well I

1151

00:46:09,209 --> 00:46:07,089

didn't know it I just thought it was

1152

00:46:11,549 --> 00:46:09,219

something because guys I'm no astronomer

1153

00:46:13,890 --> 00:46:11,559

so they said and they said where did you

1154

00:46:16,079 --> 00:46:13,900

find this and I said in a NASA photo and

1155

00:46:19,259 --> 00:46:16,089

they said you photoshopped it so so

1156

00:46:21,180 --> 00:46:19,269

anyway so anyway yeah yeah hey dive

1157

00:46:24,329 --> 00:46:21,190

Kevin I've hit so many walls it's

1158

00:46:26,039 --> 00:46:24,339

unbelievable I never stopped so what

1159

00:46:28,489 --> 00:46:26,049

happens is and I put the cart before the

1160

00:46:31,769 --> 00:46:28,499

horse a little bit here again because

1161

00:46:34,109 --> 00:46:31,779

this the the profile that huge alien is

1162

00:46:37,109 --> 00:46:34,119

looking up there at the constellation of

1163

00:46:39,029 --> 00:46:37,119

Cygnus but I but I didn't know that it's

1164

00:46:42,420 --> 00:46:39,039

at first but I can tell you the story of

1165

00:46:44,099 --> 00:46:42,430

how I found out how I found out

1166

00:46:47,219 --> 00:46:44,109

everything in knew that that was Cygnus

1167

00:46:49,799 --> 00:46:47,229

and that's where they come from but go

1168

00:46:52,859 --> 00:46:49,809

there any questions well you know as I'm

1169

00:46:54,809 --> 00:46:52,869

looking at the the face honestly the two

1170

00:46:59,999 --> 00:46:54,819

pyramids kind of look like eyeballs if

1171

00:47:02,489 --> 00:47:00,009

you shuffle they're not what you do know

1172

00:47:03,690 --> 00:47:02,499

the nose is just above the Great Pyramid

1173

00:47:06,839 --> 00:47:03,700

a little business a little kind of like

1174

00:47:08,670 --> 00:47:06,849

just kind of like like anything ya know

1175

00:47:10,829 --> 00:47:08,680

the I would forget the other two

1176

00:47:12,690 --> 00:47:10,839

pyramids because the I would be up where

1177

00:47:14,400 --> 00:47:12,700

the I would be as a matter of fact if

1178

00:47:16,140 --> 00:47:14,410

you see a huge head you come down any

1179

00:47:18,390 --> 00:47:16,150

kind that has a brow there's kind of a

1180

00:47:20,309 --> 00:47:18,400

round little brow a thick one handed

1181

00:47:22,019 --> 00:47:20,319

yeah a thick one exactly and you almost

1182

00:47:23,789 --> 00:47:22,029

looks like a little road that runs down

1183

00:47:25,019 --> 00:47:23,799

there and then what you do is you come

1184

00:47:26,549 --> 00:47:25,029

down the brown then you have the little

1185

00:47:28,229 --> 00:47:26,559

pointy nose and you have his lip and

1186

00:47:29,670 --> 00:47:28,239

then you have his mouth which you can

1187

00:47:31,319 --> 00:47:29,680

see they have buildings in there and

1188

00:47:33,059 --> 00:47:31,329

then he has a round chin and there's a

1189

00:47:35,130 --> 00:47:33,069

thick neck what do you say to critics

1190

00:47:36,839 --> 00:47:35,140

that say well you know I can look at the

1191

00:47:38,849 --> 00:47:36,849

clouds and I could see something in it

1192

00:47:42,420 --> 00:47:38,859

too so what do you say critic said let's

1193

00:47:44,489 --> 00:47:42,430

say that yeah here's what I say let me

1194

00:47:47,279 --> 00:47:44,499

just say this yes what happens is is

1195

00:47:49,650 --> 00:47:47,289

this if people take their time yes you

1196

00:47:52,410 --> 00:47:49,660

can you can see anything in every for

1197

00:47:55,620 --> 00:47:52,420

sure you can but if your listeners if

1198

00:47:58,739 --> 00:47:55,630

they and you guys if you take 20 minutes

1199

00:48:00,450 --> 00:47:58,749

30 minutes a half hour and and it's hard

1200

00:48:02,160 --> 00:48:00,460

to tell you to instruct you guys over

1201

00:48:04,170 --> 00:48:02,170

the phone right just but I did it with

1202

00:48:05,640 --> 00:48:04,180

NASA because the guy we talked directly

1203

00:48:06,130 --> 00:48:05,650

and I told him get in the dark room and

1204

00:48:08,319 --> 00:48:06,140

call me

1205

00:48:10,599 --> 00:48:08,329

what I want to offer your listeners is

1206

00:48:12,849 --> 00:48:10,609

is this because I've had many emails

1207

00:48:14,920 --> 00:48:12,859

come to me and they say well you're not

1208

00:48:17,049 --> 00:48:14,930

you're just insane and I said did you

1209

00:48:19,690 --> 00:48:17,059

look at the photo did you take your time

1210

00:48:22,180 --> 00:48:19,700

and look and they said well no I said

1211

00:48:23,740 --> 00:48:22,190

well then I'm not insane you so what I'd

1212

00:48:26,049 --> 00:48:23,750

like to do because of that I'd like to

1213

00:48:28,150 --> 00:48:26,059

give out an email address that I have

1214

00:48:29,859 --> 00:48:28,160

where any of your listeners if they want

1215

00:48:32,500 --> 00:48:29,869

to email me so I can send them

1216

00:48:35,259 --> 00:48:32,510

instructions it's very easy they'll see

1217

00:48:37,990 --> 00:48:35,269

everything so use that email address

1218

00:48:38,349 --> 00:48:38,000

feel free circle okay okay thank you

1219

00:48:45,910 --> 00:48:38,359

guys

1220

00:48:52,299 --> 00:48:45,920

it's a G dot Parker PA RK er 36 36 gary

1221

00:48:56,170 --> 00:48:52,309

g ary at aol.com that's G dot Parker 36

1222

00:48:58,029 --> 00:48:56,180

Gary at aol.com and the Gary only has

1223

00:48:59,319 --> 00:48:58,039

one R so if you get any of your

1224

00:49:00,759 --> 00:48:59,329

listeners want to email me and they're

1225

00:49:02,200 --> 00:49:00,769

having a hard time seeing it believe me

1226

00:49:03,880 --> 00:49:02,210

I'll send them instructions because I

1227

00:49:06,250 --> 00:49:03,890

have them all written out same thing I

1228

00:49:08,230 --> 00:49:06,260

sent to NASA and you will see it you'll

1229

00:49:10,569 --> 00:49:08,240

see everything as a matter of fact guys

1230

00:49:12,249 --> 00:49:10,579

I had done a couple other radio shows

1231

00:49:14,620 --> 00:49:12,259

tonight and I got some emails from

1232

00:49:17,890 --> 00:49:14,630

people in Texas and on Saturday I

1233

00:49:19,120 --> 00:49:17,900

actually week ago they said Gary we want

1234

00:49:21,099 --> 00:49:19,130

to meet with you and we want you to show

1235

00:49:24,430 --> 00:49:21,109

us everything so I said no problem

1236

00:49:26,319 --> 00:49:24,440

so luckier I was I'm very lucky over

1237

00:49:29,049 --> 00:49:26,329

here in Florence there's a community

1238

00:49:31,480 --> 00:49:29,059

room that I can that I that you get for

1239

00:49:34,029 --> 00:49:31,490

free and I met with 10 people drove out

1240

00:49:35,079 --> 00:49:34,039

from Texas and they when I met with him

1241

00:49:36,970 --> 00:49:35,089

and I showed him everything else I

1242

00:49:40,150 --> 00:49:36,980

married this well it was unbelievable

1243

00:49:41,680 --> 00:49:40,160

but it was so fun for me because yeah it

1244

00:49:42,849 --> 00:49:41,690

was unbelievable and they said Gary this

1245

00:49:45,460 --> 00:49:42,859

is going to change the world and I said

1246

00:49:47,970 --> 00:49:45,470

yeah I said it's supposed to I said and

1247

00:49:50,710 --> 00:49:47,980

said and I'm just so lucky that I'm the

1248

00:49:53,049 --> 00:49:50,720

very but we're just about ready to our

1249

00:49:54,789 --> 00:49:53,059

top the hour break and this is

1250

00:49:59,080 --> 00:49:54,799

fascinating stuff but we'll be right

1251
00:50:03,520 --> 00:50:01,210
well it's great think back with Gary and

1252
00:50:05,400 --> 00:50:03,530
Heidi and if this isn't fascinating you

1253
00:50:08,080 --> 00:50:05,410
guys can't be fascinated by anything

1254
00:50:10,090 --> 00:50:08,090
serious let me get let me get out of

1255
00:50:12,970 --> 00:50:10,100
your way Gary and I didn't interrupt you

1256
00:50:13,980 --> 00:50:12,980
but we had to take that break but the

1257
00:50:16,960 --> 00:50:13,990
floor is yours

1258
00:50:19,150 --> 00:50:16,970
well okay so this is it no even though

1259
00:50:21,160 --> 00:50:19,160
this all is crazy and it's all exciting

1260
00:50:24,070 --> 00:50:21,170
the craziest thing is about to happen

1261
00:50:26,890 --> 00:50:24,080
and so and since I went down to the

1262
00:50:29,080 --> 00:50:26,900
river of those two times I went back at

1263
00:50:30,640 --> 00:50:29,090

least once or twice a week because I

1264

00:50:32,350 --> 00:50:30,650

would just I would just yell up hey if

1265

00:50:34,570 --> 00:50:32,360

there's anything like you can that you

1266

00:50:36,400 --> 00:50:34,580

can show me more you can help me out and

1267

00:50:38,200 --> 00:50:36,410

plus like I said it didn't take long to

1268

00:50:41,320 --> 00:50:38,210

walk to the water and I figure you know

1269

00:50:42,790 --> 00:50:41,330

what the heck so what happens is one

1270

00:50:46,570 --> 00:50:42,800

night and I had been to the river I

1271

00:50:48,910 --> 00:50:46,580

would say maybe 35 36 times and right

1272

00:50:52,840 --> 00:50:48,920

now it's it's been it's been almost a

1273

00:50:55,570 --> 00:50:52,850

year since all this happened and so I I

1274

00:50:57,100 --> 00:50:55,580

go down to the river I'm sorry I have I

1275

00:50:59,620 --> 00:50:57,110

have a dream and the voice comes to me

1276

00:51:01,360 --> 00:50:59,630

again and it says go to the river go to

1277

00:51:03,460 --> 00:51:01,370

the river I said okay you know so I get

1278

00:51:08,230 --> 00:51:03,470

up in the morning I go down to the river

1279

00:51:11,230 --> 00:51:08,240

and the date was actually July 26 2016

1280

00:51:13,570 --> 00:51:11,240

now remember that the the photo was

1281

00:51:16,930 --> 00:51:13,580

downloaded onto the net onto the wetland

1282

00:51:18,910 --> 00:51:16,940

to the internet on July 26 2012 right

1283

00:51:22,660 --> 00:51:18,920

and the rat and the rabbi gave me that

1284

00:51:25,210 --> 00:51:22,670

date July 26 2022 which I didn't know

1285

00:51:26,620 --> 00:51:25,220

anything about so I could the voice says

1286

00:51:28,750 --> 00:51:26,630

to me go to the river so I go to the

1287

00:51:30,940 --> 00:51:28,760

river I stay in the river I do my spiel

1288

00:51:33,430 --> 00:51:30,950

and all of a sudden guys I remember I'm

1289

00:51:36,160 --> 00:51:33,440

facing east okay I'm in the water I'm

1290

00:51:39,430 --> 00:51:36,170

facing knees above me just above me just

1291

00:51:41,380 --> 00:51:39,440

east I see kind of like in the sky like

1292

00:51:43,450 --> 00:51:41,390

crystals it almost looks like a like a

1293

00:51:46,600 --> 00:51:43,460

circular thing moving of crystals so

1294

00:51:50,340 --> 00:51:46,610

like the sky is being warped somehow and

1295

00:51:52,990 --> 00:51:50,350

I go oh something's gonna show up so I'm

1296

00:51:55,060 --> 00:51:53,000

too excited and also and you gotta

1297

00:51:57,370 --> 00:51:55,070

remember I haven't told you everything I

1298

00:52:00,820 --> 00:51:57,380

saw on the NASA photo but in the NASA

1299

00:52:03,190 --> 00:52:00,830

photo for the for that past year there

1300

00:52:05,230 --> 00:52:03,200

there are many many people and many many

1301
00:52:07,540 --> 00:52:05,240
things in it and they all have names

1302
00:52:08,530 --> 00:52:07,550
written in Hebrew that I had the rabbis

1303
00:52:10,900 --> 00:52:08,540
translate for me

1304
00:52:12,130 --> 00:52:10,910
so I saw these people in this photo so

1305
00:52:15,840 --> 00:52:12,140
this will come into play and

1306
00:52:18,700 --> 00:52:15,850
second so all of a sudden the the the

1307
00:52:21,160 --> 00:52:18,710
crystals start to move over the water

1308
00:52:22,810 --> 00:52:21,170
okay when I say over the water maybe 20

1309
00:52:24,610 --> 00:52:22,820
or 30 feet off the water and like I said

1310
00:52:26,140 --> 00:52:24,620
it's like a small lake something

1311
00:52:27,460 --> 00:52:26,150
something's gonna something's going to

1312
00:52:29,920 --> 00:52:27,470
appear well then it almost looks like

1313
00:52:32,020 --> 00:52:29,930

the sky has a rip in it right and these

1314

00:52:36,400 --> 00:52:32,030

crystals flatten out like a platform and

1315

00:52:38,200 --> 00:52:36,410

below the platform - angels pop up and I

1316

00:52:39,880 --> 00:52:38,210

know that sounds crazy but I am Telling

1317

00:52:46,270 --> 00:52:39,890

You you guys are familiar with did you

1318

00:52:47,830 --> 00:52:46,280

ever hear a guy named Ezekiel he's the

1319

00:52:49,540 --> 00:52:47,840

guy that saw the spinning wheels and

1320

00:52:52,090 --> 00:52:49,550

everything right and he's gone he saw

1321

00:52:54,190 --> 00:52:52,100

four angels that had like dual evade

1322

00:52:57,550 --> 00:52:54,200

they both had two sets of wings okay

1323

00:52:58,390 --> 00:52:57,560

what in my thing there's two angels and

1324

00:52:59,890 --> 00:52:58,400

they're actually they're not angels

1325

00:53:02,500 --> 00:52:59,900

they're actually they're actually called

1326

00:53:04,930 --> 00:53:02,510

cherubim they have four faces and what

1327

00:53:06,640 --> 00:53:04,940

happens is is is is that wheels are

1328

00:53:08,500 --> 00:53:06,650

there and all that nothing at all man

1329

00:53:11,650 --> 00:53:08,510

this is an easy kill deal but there's

1330

00:53:14,440 --> 00:53:11,660

only two of them and not four so the one

1331

00:53:16,900 --> 00:53:14,450

the angel on the left when I look at his

1332

00:53:19,270 --> 00:53:16,910

face I see that face because I've seen

1333

00:53:21,130 --> 00:53:19,280

it in the photo and that when I sent the

1334

00:53:24,130 --> 00:53:21,140

his name which I was written in Hebrew

1335

00:53:26,110 --> 00:53:24,140

sent to the Judaic scholar into the

1336

00:53:28,720 --> 00:53:26,120

rabbi's they both said Gary that says

1337

00:53:31,090 --> 00:53:28,730

you're real well nasha I googled that

1338

00:53:33,130 --> 00:53:31,100

and he's like some real big famous angel

1339

00:53:36,580 --> 00:53:33,140

or something Oh guys I forgot to tell

1340

00:53:38,620 --> 00:53:36,590

you I've never in the past 40 years I've

1341

00:53:40,300 --> 00:53:38,630

never been to a church or a temple or a

1342

00:53:42,610 --> 00:53:40,310

synagogue I'm not I've never been a

1343

00:53:44,380 --> 00:53:42,620

religious guy I was I was born and

1344

00:53:45,880 --> 00:53:44,390

raised Episcopalian but after 11 years

1345

00:53:47,710 --> 00:53:45,890

old we never went back to church again

1346

00:53:50,590 --> 00:53:47,720

so my whole my whole life's been

1347

00:53:54,160 --> 00:53:50,600

hopefully doing the the golden rule

1348

00:53:56,950 --> 00:53:54,170

thing you know you've got I'm a Jesus

1349

00:54:00,760 --> 00:53:56,960

book author and here's Kevin the Marian

1350

00:54:03,250 --> 00:54:00,770

apparition author so what happens is

1351

00:54:05,080 --> 00:54:03,260

it's so back to the story so here's

1352

00:54:06,400 --> 00:54:05,090

these guys and they're flapping their

1353

00:54:08,950 --> 00:54:06,410

wings and I look at that you're a guy

1354

00:54:11,050 --> 00:54:08,960

Yury old guy and I say you're Uriel and

1355

00:54:14,260 --> 00:54:11,060

he goes yeah Gary yes I am and he said

1356

00:54:15,640 --> 00:54:14,270

and Bhabha wants to speak to you now you

1357

00:54:17,890 --> 00:54:15,650

gotta remember I've been saying Abba

1358

00:54:20,980 --> 00:54:17,900

Abba Abba which is father father father

1359

00:54:23,110 --> 00:54:20,990

all of a sudden above these guys on this

1360

00:54:23,780 --> 00:54:23,120

on this platform shows up that alien

1361

00:54:25,730 --> 00:54:23,790

show

1362

00:54:28,970 --> 00:54:25,740

at the alien that has the profile there

1363

00:54:31,250 --> 00:54:28,980

on the Giza Plateau the his left profile

1364

00:54:32,870 --> 00:54:31,260

now also I forgot to tell you that these

1365

00:54:34,370 --> 00:54:32,880

two Rangers were anywhere between 18 and

1366

00:54:36,200 --> 00:54:34,380

20 feet tall and they were hovering

1367

00:54:40,340 --> 00:54:36,210

above the water and they were too far

1368

00:54:42,110 --> 00:54:40,350

away for me to touch but guys they

1369

00:54:44,600 --> 00:54:42,120

didn't look real it looked like a

1370

00:54:47,540 --> 00:54:44,610

projected image and I actually said to

1371

00:54:49,610 --> 00:54:47,550

Uriel I said is there only I said

1372

00:54:51,740 --> 00:54:49,620

Ezekiel saw for you guys is there only

1373

00:54:53,630 --> 00:54:51,750

two because you're closer to earth and

1374

00:54:55,520 --> 00:54:53,640

he said yes we're closer to Earth that's

1375

00:54:57,770 --> 00:54:55,530

why there's only what their mouths

1376
00:54:59,480 --> 00:54:57,780
moving or where they spear your mind

1377
00:55:01,490 --> 00:54:59,490
there okay not theirs

1378
00:55:03,950 --> 00:55:01,500
his mouth was moving so he we were

1379
00:55:10,910 --> 00:55:03,960
having a conversation so what happens is

1380
00:55:13,880 --> 00:55:10,920
is then I the other Abba that the main

1381
00:55:16,250 --> 00:55:13,890
get the main alien also Heidi on the on

1382
00:55:18,680 --> 00:55:16,260
the floor they sent you did you scroll

1383
00:55:20,600 --> 00:55:18,690
down and see the one that I drew of the

1384
00:55:22,610 --> 00:55:20,610
alien yes it's written you can see it

1385
00:55:26,000 --> 00:55:22,620
that's how he looks like here's the only

1386
00:55:28,550 --> 00:55:26,010
thing though these the the cherubim on

1387
00:55:31,070 --> 00:55:28,560
their left side they were a lion on the

1388
00:55:32,900 --> 00:55:31,080

right side they were actually Ravens not

1389

00:55:34,610 --> 00:55:32,910

Eagles because I'd read that that

1390

00:55:36,710 --> 00:55:34,620

what's-his-name is eco it said they were

1391

00:55:38,360 --> 00:55:36,720

Ravens and on top they look like bulls

1392

00:55:40,490 --> 00:55:38,370

or ogres but when they look at you

1393

00:55:42,830 --> 00:55:40,500

straight on they look like humans and

1394

00:55:45,560 --> 00:55:42,840

they also kind of look like burnt brass

1395

00:55:47,720 --> 00:55:45,570

it looked like to me like they were in

1396

00:55:49,880 --> 00:55:47,730

and out of different dimensions like we

1397

00:55:52,520 --> 00:55:49,890

need to watch a sci-fi movie so anyway

1398

00:55:55,100 --> 00:55:52,530

so all of a sudden the big alien shows

1399

00:55:57,020 --> 00:55:55,110

up and who and I looked at him and I

1400

00:55:58,820 --> 00:55:57,030

said what should I call you now he did

1401

00:56:00,920 --> 00:55:58,830

not speak with his mouth he spoke

1402

00:56:03,140 --> 00:56:00,930

telepathically and he goes call me ABBA

1403

00:56:06,050 --> 00:56:03,150

now the one thing about his face though

1404

00:56:08,840 --> 00:56:06,060

yes he had an alien face but inside his

1405

00:56:11,540 --> 00:56:08,850

face were between 60 and 70 men and

1406

00:56:13,250 --> 00:56:11,550

women and they all look like biblical

1407

00:56:15,590 --> 00:56:13,260

characters you know like you saw Jesus

1408

00:56:17,330 --> 00:56:15,600

or if you saw Moses however they look

1409

00:56:20,570 --> 00:56:17,340

but it was men and women and they were

1410

00:56:23,930 --> 00:56:20,580

all speaking all at once and it was and

1411

00:56:26,000 --> 00:56:23,940

it sounded like it sounded like a form

1412

00:56:27,800 --> 00:56:26,010

of Hebrew which it may have been Aramaic

1413

00:56:29,810 --> 00:56:27,810

but I don't know how that sounds but it

1414

00:56:31,820 --> 00:56:29,820

sounded it was and it was loud and they

1415

00:56:34,400 --> 00:56:31,830

were all talking at the same time but

1416

00:56:35,200 --> 00:56:34,410

but about the big aliens voice cut

1417

00:56:37,030 --> 00:56:35,210

through

1418

00:56:39,370 --> 00:56:37,040

and he said yes Gary I'm ABBA and

1419

00:56:42,220 --> 00:56:39,380

naturally guys I forgot to tell you he

1420

00:56:44,560 --> 00:56:42,230

is he's he was around 30 feet tall he

1421

00:56:48,060 --> 00:56:44,570

was a huge shouldered huge hands and he

1422

00:56:50,530 --> 00:56:48,070

was wearing a red world that had um

1423

00:56:52,960 --> 00:56:50,540

Hebrew written on it and they kept and

1424

00:56:54,910 --> 00:56:52,970

it kept changing and on his chest he was

1425

00:56:57,760 --> 00:56:54,920

huge I couldn't see his feet because

1426

00:57:00,970 --> 00:56:57,770

they were kind of melted into the into

1427

00:57:02,650 --> 00:57:00,980

the the crystals so what happens is yes

1428

00:57:04,390 --> 00:57:02,660

and he was and he looked like he was on

1429

00:57:06,420 --> 00:57:04,400

fire but he didn't look real either he

1430

00:57:08,620 --> 00:57:06,430

looked like a projected image and

1431

00:57:12,220 --> 00:57:08,630

naturally guys I'm so excited about

1432

00:57:15,160 --> 00:57:12,230

seeing this it was so fun and for the

1433

00:57:17,230 --> 00:57:15,170

past year I had seen him and everybody

1434

00:57:20,020 --> 00:57:17,240

else that I was seeing in the water in

1435

00:57:21,460 --> 00:57:20,030

this photo so I was ready to see it so

1436

00:57:24,220 --> 00:57:21,470

it didn't scare me at all

1437

00:57:26,470 --> 00:57:24,230

also I was dying for anybody to walk

1438

00:57:29,170 --> 00:57:26,480

past this river so they could see inside

1439

00:57:31,390 --> 00:57:29,180

could have some one so guys what happens

1440

00:57:33,609 --> 00:57:31,400

I hear you know your number I'm out in

1441

00:57:37,089 --> 00:57:33,619

the middle of the desert and a lot of

1442

00:57:39,280 --> 00:57:37,099

kids ride there and it's July 26 2016

1443

00:57:43,359 --> 00:57:39,290

and a lot of kids ride dirt bikes out

1444

00:57:46,030 --> 00:57:43,369

there or ATVs so I hear Union in Union

1445

00:57:49,630 --> 00:57:46,040

Union you know and I look and I turned

1446

00:57:50,920 --> 00:57:49,640

away even though the main alien orava is

1447

00:57:52,630 --> 00:57:50,930

standing there and I turned away from

1448

00:57:53,710 --> 00:57:52,640

him because I'm thinking oh my god

1449

00:57:55,240 --> 00:57:53,720

there's somebody here they're going to

1450

00:57:58,300 --> 00:57:55,250

see this this is going to be so great

1451
00:58:00,460 --> 00:57:58,310
some kid on a small dirt bike he must

1452
00:58:02,349 --> 00:58:00,470
have been 12 or 13 years old he pulls up

1453
00:58:04,030 --> 00:58:02,359
to the bank of this water and he goes

1454
00:58:07,089 --> 00:58:04,040
hey mister what are you doing in that

1455
00:58:09,190 --> 00:58:07,099
filthy water and I say kid can you see

1456
00:58:11,650 --> 00:58:09,200
it and Alba actually said to me in my

1457
00:58:15,190 --> 00:58:11,660
head he said Gary that no one can see us

1458
00:58:16,630 --> 00:58:15,200
but you at this time and I said look

1459
00:58:18,310 --> 00:58:16,640
guys I know I wasn't calling the guy a

1460
00:58:20,560 --> 00:58:18,320
liar but I was so excited that somebody

1461
00:58:22,030 --> 00:58:20,570
was there right I turned I turned away

1462
00:58:23,589 --> 00:58:22,040
from him and I looked at the kid ninth

1463
00:58:25,750 --> 00:58:23,599

say can you see anything in that water

1464

00:58:27,579 --> 00:58:25,760

he goes no man he goes but that water is

1465

00:58:29,859 --> 00:58:27,589

disgusting you better get out of there I

1466

00:58:33,430 --> 00:58:29,869

said kid I said thanks kid I said but

1467

00:58:35,829 --> 00:58:33,440

I'm doing some religious praying so he

1468

00:58:40,420 --> 00:58:35,839

takes off and I swear this happened guys

1469

00:58:42,910 --> 00:58:40,430

I turn back to Alva and to to Uriel and

1470

00:58:45,940 --> 00:58:42,920

they both rolled their eyes like what a

1471

00:58:51,380 --> 00:58:48,890

so all of a sudden I was I was even more

1472

00:58:53,300 --> 00:58:51,390

relaxed because I thought okay okay they

1473

00:58:55,970 --> 00:58:53,310

know I'm not perfect you know and I'm

1474

00:58:57,410 --> 00:58:55,980

and and and and it's like yes this is

1475

00:58:59,300 --> 00:58:57,420

exciting but I want to share it with

1476

00:59:01,400 --> 00:58:59,310

someone and I looked at I said guys give

1477

00:59:03,260 --> 00:59:01,410

me a break this doesn't happen every day

1478

00:59:04,910 --> 00:59:03,270

so obviously Gary you have to

1479

00:59:07,130 --> 00:59:04,920

concentrate I'm going to show you things

1480

00:59:08,690 --> 00:59:07,140

I'm going to tell you things so he he

1481

00:59:11,960 --> 00:59:08,700

starts telling me these things and I

1482

00:59:14,420 --> 00:59:11,970

said if I said since since I'm sorry

1483

00:59:16,850 --> 00:59:14,430

guys since I'm talking way too fast

1484

00:59:19,070 --> 00:59:16,860

since Uriel told me that you're closer

1485

00:59:21,140 --> 00:59:19,080

to earth does that mean you're returning

1486

00:59:23,690 --> 00:59:21,150

to earth and he said yes we will be

1487

00:59:25,970 --> 00:59:23,700

returning another sazabi say he said we

1488

00:59:30,290 --> 00:59:25,980

will return the date that the rabbi told

1489

00:59:31,940 --> 00:59:30,300

you I said July 26 2022 he said yes I

1490

00:59:34,520 --> 00:59:31,950

said where were you were you return back

1491

00:59:37,640 --> 00:59:34,530

to Egypt he said no we're gonna read our

1492

00:59:39,590 --> 00:59:37,650

return we will return to the Temple

1493

00:59:41,780 --> 00:59:39,600

Mount in Israel well you guys know what

1494

00:59:44,330 --> 00:59:41,790

the Temple Mount is for sure yes yes

1495

00:59:47,270 --> 00:59:44,340

okay so what happens is and I said well

1496

00:59:49,370 --> 00:59:47,280

I said that's awesome I said but I said

1497

00:59:52,520 --> 00:59:49,380

do the Jews have to build the Third

1498

00:59:54,830 --> 00:59:52,530

Temple they said no no java said we will

1499

00:59:57,380 --> 00:59:54,840

be I will be returning in the third

1500

00:59:59,030 --> 00:59:57,390

temple well there's this there's a lot

1501
01:00:00,680 --> 00:59:59,040
of like I said they wanted to show the

1502
01:00:02,510 --> 01:00:00,690
rabbi's this and told them about it they

1503
01:00:04,370 --> 01:00:02,520
said Gary that's impossible and I said

1504
01:00:08,270 --> 01:00:04,380
well there's a there's a there's a

1505
01:00:11,390 --> 01:00:08,280
Jewish rabbi sage from the 1500s whose

1506
01:00:14,420 --> 01:00:11,400
name was Rashi and he predicted he said

1507
01:00:16,160 --> 01:00:14,430
God will come down from the sky in the

1508
01:00:18,230 --> 01:00:16,170
third temple and that's just what Alba

1509
01:00:20,630 --> 01:00:18,240
told me so I said okay I got it no

1510
01:00:22,010 --> 01:00:20,640
problem I said he said Gary you know

1511
01:00:24,250 --> 01:00:22,020
what you have to do and I said yeah but

1512
01:00:26,990 --> 01:00:24,260
it would be so much better if you would

1513
01:00:28,670 --> 01:00:27,000

show up and show some people and help me

1514

01:00:31,460 --> 01:00:28,680

out and he said you're doing a good job

1515

01:00:34,010 --> 01:00:31,470

he didn't say it like that guys but it

1516

01:00:35,870 --> 01:00:34,020

sounded like that in my head you keep

1517

01:00:38,870 --> 01:00:35,880

doing what you're doing and he said and

1518

01:00:41,540 --> 01:00:38,880

he said think of other means of

1519

01:00:45,470 --> 01:00:41,550

communication then I automatically

1520

01:00:47,290 --> 01:00:45,480

thought paranormal paranormal radio rate

1521

01:00:49,760 --> 01:00:47,300

in my head I thought that right away so

1522

01:00:51,980 --> 01:00:49,770

so then he I actually said you only said

1523

01:00:53,810 --> 01:00:51,990

well how will the Third Temple let a

1524

01:00:55,340 --> 01:00:53,820

look because naturally I'm thinking in

1525

01:00:57,109 --> 01:00:55,350

my head the day they are stood still

1526

01:01:02,210 --> 01:00:57,119

with them with the flying saucer

1527

01:01:04,279 --> 01:01:02,220

in Washington hello right so I said how

1528

01:01:06,470 --> 01:01:04,289

will the Third Temple look and he said

1529

01:01:09,019 --> 01:01:06,480

it would look like this and in my head I

1530

01:01:10,970 --> 01:01:09,029

saw an image now I don't know if you

1531

01:01:13,249 --> 01:01:10,980

guys remember Keanu Reeves had a movie

1532

01:01:17,029 --> 01:01:13,259

he they remade the day there stood still

1533

01:01:20,180 --> 01:01:17,039

and when when when he returned it was it

1534

01:01:21,470 --> 01:01:20,190

was kind of a huge globe that spun

1535

01:01:24,470 --> 01:01:21,480

constantly and it looked like a

1536

01:01:27,019 --> 01:01:24,480

multi-dimensional craft and it was like

1537

01:01:31,489 --> 01:01:27,029

blue and black and his spun it rotated

1538

01:01:33,289 --> 01:01:31,499

and and it landed in what's the name of

1539

01:01:35,599 --> 01:01:33,299

the place up the park Central Park in

1540

01:01:37,400 --> 01:01:35,609

New York well he said this is this is

1541

01:01:39,559 --> 01:01:37,410

what it will look like so I said great

1542

01:01:42,049 --> 01:01:39,569

fantastic cuz NASA I go back to movies

1543

01:01:43,640 --> 01:01:42,059

and I realized that that's from the day

1544

01:01:47,359 --> 01:01:43,650

there stood still that's what it's going

1545

01:01:51,109 --> 01:01:47,369

to look like so anyway so so yes any

1546

01:01:52,609 --> 01:01:51,119

questions well you know there's an

1547

01:01:54,289 --> 01:01:52,619

interesting question here in the chat

1548

01:01:56,150 --> 01:01:54,299

room someone's asking if there's a

1549

01:02:00,140 --> 01:01:56,160

difference in seeing the layers if you

1550

01:02:01,880 --> 01:02:00,150

view it on LCD versus an LED screen guys

1551
01:02:04,220 --> 01:02:01,890
you know that's really good question I

1552
01:02:07,009 --> 01:02:04,230
had told Kevin once before that I'm

1553
01:02:10,339 --> 01:02:07,019
technologically challenged so I've been

1554
01:02:13,609 --> 01:02:10,349
looking at the photo on my 1998 Toshiba

1555
01:02:15,349 --> 01:02:13,619
so it has kind of a texture to it that's

1556
01:02:17,120 --> 01:02:15,359
what I was thinking and kind of

1557
01:02:19,430 --> 01:02:17,130
highlights things differently with that

1558
01:02:21,259 --> 01:02:19,440
kind of screen yeah and it may and it

1559
01:02:23,900 --> 01:02:21,269
made but the main things that I could

1560
01:02:25,160 --> 01:02:23,910
email back to your listeners they'll be

1561
01:02:27,109 --> 01:02:25,170
able to see them and then they'll see

1562
01:02:29,479 --> 01:02:27,119
more and more because the entire photo

1563
01:02:31,579 --> 01:02:29,489

is a message even if you look at the

1564

01:02:33,289 --> 01:02:31,589

image upside down there's a message

1565

01:02:36,190 --> 01:02:33,299

there there's more writing and there's

1566

01:02:38,569 --> 01:02:36,200

four levels deep and each level contains

1567

01:02:41,390 --> 01:02:38,579

millions and millions of people and they

1568

01:02:42,739 --> 01:02:41,400

all have names written all of them

1569

01:02:44,599 --> 01:02:42,749

there's tens of millions of people and

1570

01:02:47,239 --> 01:02:44,609

they're all their names are written in

1571

01:02:50,210 --> 01:02:47,249

Hebrew and I said to to ABBA

1572

01:02:52,870 --> 01:02:50,220

I said to him I said what about what

1573

01:02:55,640 --> 01:02:52,880

about what is it called when everybody

1574

01:02:59,210 --> 01:02:55,650

when God shows up there's going to be a

1575

01:03:01,249 --> 01:02:59,220

what does he do you know at the end of

1576

01:03:03,210 --> 01:03:01,259

times he's supposed to do anyway Oh

1577

01:03:05,130 --> 01:03:03,220

judgment judgment gets oh yeah

1578

01:03:06,420 --> 01:03:05,140

yeah yeah so I said don't I said is

1579

01:03:08,609 --> 01:03:06,430

there going to be a Judgment Day and he

1580

01:03:10,650 --> 01:03:08,619

says no he said Gary those Souls have

1581

01:03:12,420 --> 01:03:10,660

already gone on you know he said they

1582

01:03:16,260 --> 01:03:12,430

I'm not going to bring people back to

1583

01:03:18,180 --> 01:03:16,270

life he said in the NASA photo our tens

1584

01:03:20,099 --> 01:03:18,190

of millions and maybe even the billions

1585

01:03:21,780 --> 01:03:20,109

of people and they all have names that's

1586

01:03:23,819 --> 01:03:21,790

bringing the dead back to life

1587

01:03:25,559 --> 01:03:23,829

he said that's what's bringing the dead

1588

01:03:26,849 --> 01:03:25,569

back I said that's fantastic I said

1589

01:03:28,859 --> 01:03:26,859

those people would be terrified if the

1590

01:03:30,630 --> 01:03:28,869

dead came back to life okay I don't mean

1591

01:03:32,849 --> 01:03:30,640

to rough up we're at our last duck Gary

1592

01:03:34,770 --> 01:03:32,859

with our last break our last problem

1593

01:03:39,390 --> 01:03:34,780

will be right we'll be right back in

1594

01:03:41,040 --> 01:03:39,400

just a patient okay we'll be back with

1595

01:03:47,579 --> 01:03:41,050

Gary and Heidi and this is for this is

1596

01:03:53,490 --> 01:03:50,370

it really is it's totally nuts but the

1597

01:03:55,950 --> 01:03:53,500

one cool thing is you guys might save

1598

01:03:58,319 --> 01:03:55,960

yourself well Kerri how did all the

1599

01:04:01,140 --> 01:03:58,329

stuff get in the photo and I asked I

1600

01:04:03,720 --> 01:04:01,150

asked Alba that I said Alba how did this

1601

01:04:06,630 --> 01:04:03,730

get in the photo and he said Gary the

1602

01:04:08,760 --> 01:04:06,640

the Great Pyramid has is and always has

1603

01:04:11,099 --> 01:04:08,770

been a machine and it still works on

1604

01:04:14,400 --> 01:04:11,109

vibration and I said is there a way you

1605

01:04:17,280 --> 01:04:14,410

can show me or in my head show me how I

1606

01:04:19,050 --> 01:04:17,290

can show everybody how the the Great

1607

01:04:21,480 --> 01:04:19,060

Pyramid works and he showed me he showed

1608

01:04:23,760 --> 01:04:21,490

me how to turn it on he was actually on

1609

01:04:27,960 --> 01:04:23,770

but he actually showed me how to show

1610

01:04:29,970 --> 01:04:27,970

everyone that it works and and and but I

1611

01:04:31,530 --> 01:04:29,980

think we only had until 7:30 so

1612

01:04:39,440 --> 01:04:31,540

hopefully if you guys could ever invite

1613

01:04:48,030 --> 01:04:45,450

so so this this this Abba he spoke to

1614

01:04:50,250 --> 01:04:48,040

you directly he gave you specific

1615

01:04:54,150 --> 01:04:50,260

instructions on what to do to help

1616

01:04:56,010 --> 01:04:54,160

restore no or what did he what was his

1617

01:04:58,380 --> 01:04:56,020

main purpose for showing up to you

1618

01:04:59,880 --> 01:04:58,390

his main purpose was to show me that

1619

01:05:02,130 --> 01:04:59,890

they've been to let me know that they

1620

01:05:04,290 --> 01:05:02,140

were coming and that and what they were

1621

01:05:05,640 --> 01:05:04,300

going to do and and where they were

1622

01:05:09,630 --> 01:05:05,650

going to show up and what day they were

1623

01:05:12,359 --> 01:05:09,640

going to show up and also how to show

1624

01:05:16,530 --> 01:05:12,369

human beings or the earth how the Great

1625

01:05:18,990 --> 01:05:16,540

Pyramid works and how they you know you

1626

01:05:20,310 --> 01:05:19,000

guys it's amazing but like I said I

1627

01:05:23,850 --> 01:05:20,320

can't get into it because it would take

1628

01:05:25,530 --> 01:05:23,860

another hour and a half and you would

1629

01:05:27,630 --> 01:05:25,540

see you would you would see it working

1630

01:05:30,090 --> 01:05:27,640

what happens your whole restoring

1631

01:05:32,580 --> 01:05:30,100

project done well that was that went to

1632

01:05:34,230 --> 01:05:32,590

the you know that kind of went on the

1633

01:05:36,450 --> 01:05:34,240

back burner have had to because after

1634

01:05:40,170 --> 01:05:36,460

finding all this stuff I realized that

1635

01:05:42,450 --> 01:05:40,180

when this craft and this these beings

1636

01:05:44,640 --> 01:05:42,460

show up it's going to be terrifying I

1637

01:05:47,070 --> 01:05:44,650

actually had rabbis a rabbis had said to

1638

01:05:48,600 --> 01:05:47,080

me Gary if God shows up we're going to

1639

01:05:50,370 --> 01:05:48,610

be dancing in the streets and they said

1640

01:05:52,110 --> 01:05:50,380

rabbi you're gonna be crapping your

1641

01:05:54,150 --> 01:05:52,120

pants because you don't know what it

1642

01:05:56,070 --> 01:05:54,160

looks like and it's gonna show up and

1643

01:05:57,870 --> 01:05:56,080

not only that but you're an adult your

1644

01:05:59,550 --> 01:05:57,880

children and grandchildren are going to

1645

01:06:01,260 --> 01:05:59,560

be terrified because you're going to

1646

01:06:02,790 --> 01:06:01,270

think it's an invasion because you have

1647

01:06:05,100 --> 01:06:02,800

no idea what it looks like but I'm

1648

01:06:07,860 --> 01:06:05,110

telling you what it looks like and I and

1649

01:06:10,020 --> 01:06:07,870

so I have my job is to show everybody

1650

01:06:11,700 --> 01:06:10,030

everything in this photo explain it to

1651

01:06:13,980 --> 01:06:11,710

them so when it does show up people

1652

01:06:16,560 --> 01:06:13,990

don't jump off buildings almost like

1653

01:06:20,670 --> 01:06:16,570

what it was at the Daisy know a war the

1654

01:06:21,930 --> 01:06:20,680

world was essentially you thought was

1655

01:06:24,420 --> 01:06:21,940

God that showed up

1656

01:06:27,030 --> 01:06:24,430

well actually I actually asked him I I

1657

01:06:28,920 --> 01:06:27,040

said listen I said the Jews and many

1658

01:06:33,120 --> 01:06:28,930

many scholars that I talked to think

1659

01:06:35,160 --> 01:06:33,130

that God is a is a spiritual being

1660

01:06:37,680 --> 01:06:35,170

there's no that he has no chest or head

1661

01:06:39,000 --> 01:06:37,690

or arms I said you have arms and a head

1662

01:06:41,760 --> 01:06:39,010

and everything I said you're a baile

1663

01:06:44,160 --> 01:06:41,770

you're a biological creature I said I

1664

01:06:48,350 --> 01:06:44,170

said did you create us and he said yes

1665

01:06:51,780 --> 01:06:48,360

we from we you see didn't say I said we

1666

01:06:53,790 --> 01:06:51,790

created mankind and I said well okay I

1667

01:06:56,850 --> 01:06:53,800

said I get that I said who created you

1668

01:06:58,770 --> 01:06:56,860

and he said we don't know and I said

1669

01:07:02,250 --> 01:06:58,780

that's awesome I said he referred to

1670

01:07:04,410 --> 01:07:02,260

himself as a certain title no he called

1671

01:07:06,840 --> 01:07:04,420

he called himself AC told me to call him

1672

01:07:09,240 --> 01:07:06,850

Abba which his father and he but he

1673

01:07:11,700 --> 01:07:09,250

always referred to himself as we and

1674

01:07:14,010 --> 01:07:11,710

when I say wait he had 60 between 60 and

1675

01:07:16,920 --> 01:07:14,020

70 people and they're not just people

1676

01:07:19,110 --> 01:07:16,930

those are souls this being knows how to

1677

01:07:21,150 --> 01:07:19,120

manipulate souls then like I said guys I

1678

01:07:25,110 --> 01:07:21,160

could go on for another two hours in the

1679

01:07:26,880 --> 01:07:25,120

NASA photo you can see if you if you if

1680

01:07:28,860 --> 01:07:26,890

you tilt and that's a photo all the way

1681

01:07:30,120 --> 01:07:28,870

back be in a dark room all the ways that

1682

01:07:32,279 --> 01:07:30,130

they said

1683

01:07:35,730 --> 01:07:32,289

all the way back all you will see are

1684

01:07:39,289 --> 01:07:35,740

the lights from the pyramids will shine

1685

01:07:42,329 --> 01:07:39,299

okay the picture of that alien Baba is

1686

01:07:44,279 --> 01:07:42,339

like when they said in the Bible guy

1687

01:07:46,470 --> 01:07:44,289

created light the light was knowledge

1688

01:07:48,120 --> 01:07:46,480

and that knowledge is the Great Pyramid

1689

01:07:50,009 --> 01:07:48,130

in the Sphinx I'm at the Great Pyramid

1690

01:07:53,670 --> 01:07:50,019

and the other two pyramids and if you

1691

01:07:56,220 --> 01:07:53,680

look above where Albus I would be in in

1692

01:07:58,200 --> 01:07:56,230

the profile you will see then that the

1693

01:08:00,480 --> 01:07:58,210

alien that I drew and he is actually

1694

01:08:04,680 --> 01:08:00,490

manipulating souls and he's putting them

1695

01:08:05,430 --> 01:08:04,690

into the bodies of Apes the bodies of

1696

01:08:11,160 --> 01:08:05,440

apes

1697

01:08:13,499 --> 01:08:11,170

yes eight yes is that why is that what's

1698

01:08:14,490 --> 01:08:13,509

the because evolution to evolution got

1699

01:08:16,050 --> 01:08:14,500

as far as Apes

1700

01:08:17,910 --> 01:08:16,060

this is Diggs honest the other thing too

1701

01:08:19,709 --> 01:08:17,920

is there are thousands of great pyramids

1702

01:08:22,019 --> 01:08:19,719

on thousands of planets though they

1703

01:08:23,430 --> 01:08:22,029

managed thousands of planets they've

1704

01:08:26,160 --> 01:08:23,440

done this throughout the game through

1705

01:08:27,510 --> 01:08:26,170

many galaxies so yes this is the things

1706

01:08:28,800 --> 01:08:27,520

he told me and showed me but guys I

1707

01:08:30,809 --> 01:08:28,810

couldn't get into it because it's just

1708

01:08:32,820 --> 01:08:30,819

to it okay did he say anything about

1709

01:08:35,249 --> 01:08:32,830

there being a devil is there an opposing

1710

01:08:37,289 --> 01:08:35,259

force there is but the but is it but

1711

01:08:38,700 --> 01:08:37,299

it's not it's the way the Jews believed

1712

01:08:41,550 --> 01:08:38,710

the devil and it's not the devil it's

1713

01:08:43,169 --> 01:08:41,560

actually this is called Satan so so and

1714

01:08:46,140 --> 01:08:43,179

actually the God and the Lord of the

1715

01:08:48,599 --> 01:08:46,150

underworld is what we call the devil but

1716

01:08:50,789 --> 01:08:48,609

but that everybody works for him is

1717

01:08:53,099 --> 01:08:50,799

Jesus in this photo in three places yes

1718

01:08:56,099 --> 01:08:53,109

and he's a big deal he's a big big deal

1719

01:08:58,800 --> 01:08:56,109

and I asked all I said is is is Jesus

1720

01:09:01,289 --> 01:08:58,810

your son and he said yes I said it on

1721

01:09:03,660 --> 01:09:01,299

your son he said yes and he said I said

1722

01:09:07,620 --> 01:09:03,670

are they gods and he said no he said

1723

01:09:08,849 --> 01:09:07,630

it's just me so so guys but I'm telling

1724

01:09:12,809 --> 01:09:08,859

you I could go on for three more hours

1725

01:09:14,640 --> 01:09:12,819

now have you ever heard of when you're

1726

01:09:16,860 --> 01:09:14,650

presented with something like this

1727

01:09:19,229 --> 01:09:16,870

especially a christian faith they say

1728

01:09:21,419 --> 01:09:19,239

test the spirit to see if it truly

1729

01:09:23,309 --> 01:09:21,429

because when I had my Jesus encounters I

1730

01:09:26,099 --> 01:09:23,319

was told did you test the spirit to see

1731

01:09:28,320 --> 01:09:26,109

if it was really Jesus what did you do

1732

01:09:30,269 --> 01:09:28,330

what let you know that this was truly

1733

01:09:32,240 --> 01:09:30,279

what it was instead of like you're

1734

01:09:35,220 --> 01:09:32,250

saying you know the the the the

1735

01:09:36,450 --> 01:09:35,230

technology is available to project

1736

01:09:39,390 --> 01:09:36,460

something you said it look like a

1737

01:09:41,519 --> 01:09:39,400

projection and people will contest that

1738

01:09:43,650 --> 01:09:41,529

projections have been made of Mary of

1739

01:09:45,540 --> 01:09:43,660

UFOs of Jesus and things

1740

01:09:47,490 --> 01:09:45,550

the skies so how do you know with

1741

01:09:52,220 --> 01:09:47,500

certainty that this really was taking

1742

01:09:54,900 --> 01:09:52,230

place Oh nobody knows for certain but

1743

01:09:57,060 --> 01:09:54,910

like I could I could tell you why for

1744

01:09:58,740 --> 01:09:57,070

myself why I felt Jesus was in front of

1745

01:10:03,180 --> 01:09:58,750

me so what was it that told you this

1746

01:10:04,680 --> 01:10:03,190

100% was was the real deal for you Wow

1747

01:10:06,840 --> 01:10:04,690

well I've been doing it for over two

1748

01:10:09,360 --> 01:10:06,850

years I've met with numerous academics

1749

01:10:11,580 --> 01:10:09,370

I'm I've met with religious scholars

1750

01:10:14,280 --> 01:10:11,590

biblical scholars Judaic scholars

1751

01:10:17,130 --> 01:10:14,290

Aramaic scholars I've met with priests

1752

01:10:19,890 --> 01:10:17,140

and rabbis I've put so much time into

1753

01:10:22,160 --> 01:10:19,900

this so yeah all the proof is there

1754

01:10:25,140 --> 01:10:22,170

man's evolution is in this photo

1755

01:10:27,660 --> 01:10:25,150

everything a reincarnation it's all

1756

01:10:29,820 --> 01:10:27,670

about souls actually that's that they

1757

01:10:33,270 --> 01:10:29,830

use souls to power this crap that's

1758

01:10:35,370 --> 01:10:33,280

going to land on the on the so yes to

1759

01:10:39,030 --> 01:10:35,380

answer your question I have no doubt but

1760

01:10:41,400 --> 01:10:39,040

I but but if if your listeners or you or

1761

01:10:43,350 --> 01:10:41,410

Kevin put a little time into it you'll

1762

01:10:44,850 --> 01:10:43,360

see it and it will be it would be but

1763

01:10:46,950 --> 01:10:44,860

I've been doing it for a little over two

1764

01:10:49,980 --> 01:10:46,960

years so I see everything and actually I

1765

01:10:51,780 --> 01:10:49,990

metal I met them so yes and if you met

1766

01:10:55,020 --> 01:10:51,790

Jesus that's great I'm glad I'm happy

1767

01:10:58,050 --> 01:10:55,030

for you like for me like I tell people I

1768

01:11:00,120 --> 01:10:58,060

my my every cell of my body screamed its

1769

01:11:02,100 --> 01:11:00,130

Jesus I could have been blinded seen it

1770

01:11:04,140 --> 01:11:02,110

was him like my soul screamed it

1771

01:11:06,870 --> 01:11:04,150

what did it's what did your soul tell

1772

01:11:09,270 --> 01:11:06,880

you what's your experiencing well I

1773

01:11:11,670 --> 01:11:09,280

actually asked all I said I said when

1774

01:11:13,680 --> 01:11:11,680

was the last time you were here you and

1775

01:11:15,690 --> 01:11:13,690

everybody else that's under your you

1776

01:11:19,380 --> 01:11:15,700

know in this photo and he said the last

1777

01:11:21,780 --> 01:11:19,390

time we were here was although over

1778

01:11:24,060 --> 01:11:21,790

2,000 years ago so they haven't been

1779

01:11:26,400 --> 01:11:24,070

back here since then so when I hear when

1780

01:11:28,170 --> 01:11:26,410

I hear they now like I said I'm not I'm

1781

01:11:30,750 --> 01:11:28,180

not saying you didn't meet Jesus that's

1782

01:11:33,420 --> 01:11:30,760

great but they weren't close enough to

1783

01:11:35,310 --> 01:11:33,430

the planet for any other people they

1784

01:11:37,380 --> 01:11:35,320

were in some other universe for them to

1785

01:11:38,730 --> 01:11:37,390

have shown up here so people that say

1786

01:11:40,770 --> 01:11:38,740

they seen him that's great that's great

1787

01:11:45,690 --> 01:11:40,780

I really hope he did and I hope you did

1788

01:11:48,240 --> 01:11:45,700

but from him telling me you know yeah I

1789

01:11:50,430 --> 01:11:48,250

mean Heidi this is this is so out there

1790

01:11:53,070 --> 01:11:50,440

it's amazing but if you guys look at the

1791

01:11:54,270 --> 01:11:53,080

photo and you study a little bit in you

1792

01:11:55,859 --> 01:11:54,280

and and you eat

1793

01:11:57,959 --> 01:11:55,869

and ask questions I'll show you

1794

01:12:03,859 --> 01:11:57,969

everything and all the answers right so

1795

01:12:08,189 --> 01:12:06,089

you've been going at this for two years

1796

01:12:09,720 --> 01:12:08,199

and there's people have been involved in

1797

01:12:12,689 --> 01:12:09,730

these things and experienced things for

1798

01:12:15,089 --> 01:12:12,699

many more years now and one thing that's

1799

01:12:17,850 --> 01:12:15,099

always when it comes to religion when it

1800

01:12:19,740 --> 01:12:17,860

comes to faith it's it's difficult to

1801

01:12:31,439 --> 01:12:19,750

poopoo others for what they believe to

1802

01:12:33,089 --> 01:12:31,449

be true for themselves this guy this guy

1803

01:12:34,890 --> 01:12:33,099

and everything that we consider gods

1804

01:12:36,930 --> 01:12:34,900

they're not perfect beings we're not

1805

01:12:39,000 --> 01:12:36,940

perfect they're not perfect they're just

1806

01:12:41,040 --> 01:12:39,010

a higher involved than we are they're

1807

01:12:42,810 --> 01:12:41,050

not perfect and they can't be everywhere

1808

01:12:45,660 --> 01:12:42,820

at every time so when people say God's

1809

01:12:48,540 --> 01:12:45,670

everywhere no he's not you know who God

1810

01:12:51,299 --> 01:12:48,550

is we are we have God inside us so yes

1811

01:12:53,490 --> 01:12:51,309

if God is everywhere we are yeah it's a

1812

01:12:55,680 --> 01:12:53,500

well it's a that's a new-age thought

1813

01:13:01,439 --> 01:12:55,690

that's that's how I didn't know that

1814

01:13:04,229 --> 01:13:01,449

because that's very new to the river

1815

01:13:06,390 --> 01:13:04,239

come down to the river with me well not

1816

01:13:08,850 --> 01:13:06,400

Gary I'll be I sure appreciate it I sure

1817

01:13:11,549 --> 01:13:08,860

appreciate it Gary it's been some awful

1818

01:13:13,830 --> 01:13:11,559

fascinating material we better I mention

1819

01:13:15,950 --> 01:13:13,840

the next show and then shuffle off into

1820

01:13:18,270 --> 01:13:15,960

the night but we'll sure send you a link

1821

01:13:20,580 --> 01:13:18,280

thank you so much for having me on board

1822

01:13:23,510 --> 01:13:20,590

and I'm sorry if I'm if I'm too much of

1823

01:13:26,250 --> 01:13:23,520

a hammer on the nail I'm sorry

1824

01:13:28,260 --> 01:13:26,260

interesting interesting story sure yeah

1825

01:13:36,959 --> 01:13:28,270

you take care Gary see you guys

1826

01:13:39,299 --> 01:13:36,969

all right so we'll just we'll just throw

1827

01:13:44,370 --> 01:13:39,309

up I'll just stir our faiths out the

1828

01:13:46,310 --> 01:13:44,380

window I guess I don't I've experienced

1829

01:13:50,910 --> 01:13:46,320

the holy and you don't doubt it yeah

1830

01:13:52,140 --> 01:13:50,920

yeah I'm always wary um you know when

1831

01:13:54,089 --> 01:13:52,150

somebody will say outright well you're

1832

01:13:55,620 --> 01:13:54,099

wrong you know that's not right so it

1833

01:13:58,140 --> 01:13:55,630

you have to be careful when it comes to

1834

01:14:00,089 --> 01:13:58,150

people's faiths because there there's a

1835

01:14:02,759 --> 01:14:00,099

lot of miracles that are going on every

1836

01:14:05,310 --> 01:14:02,769

day and a lot of witnesses and God keeps

1837

01:14:07,270 --> 01:14:05,320

speaking everyday to everybody so he

1838

01:14:08,830 --> 01:14:07,280

does enough experts say

1839

01:14:10,870 --> 01:14:08,840

know the odor of sanctity and stuff I

1840

01:14:15,670 --> 01:14:10,880

knew that was it it's no doubt you know

1841

01:14:17,740 --> 01:14:15,680

that was the real deal but anyhow now

1842

01:14:19,900 --> 01:14:17,750

next week we've got another real deal in

1843

01:14:23,430 --> 01:14:19,910

town Geller and you're gonna be a WOL

1844

01:14:28,480 --> 01:14:23,440

but you know have a good time and she

1845

01:14:30,910 --> 01:14:28,490

she has the Geller reports and she the

1846

01:14:34,750 --> 01:14:30,920

main causes the Islamization of Western

1847

01:14:36,220 --> 01:14:34,760

society and and you know I'm so glad I

1848

01:14:38,320 --> 01:14:36,230

won't be here I'm gonna be out of

1849

01:14:41,410 --> 01:14:38,330

bookstore airlin books in Chicago

1850

01:14:43,930 --> 01:14:41,420

join me I'm talking my books and book

1851

01:14:47,440 --> 01:14:43,940

signing well Sam and I'll be just fine

1852

01:14:49,870 --> 01:14:47,450

thank you but I may even get make it on

1853

01:14:51,000 --> 01:14:49,880

to your place while you're gone oh

1854

01:14:53,740 --> 01:14:51,010

please

1855

01:14:57,880 --> 01:14:53,750

but anyhow we better shove off into the
