11
00:01:52,200 --> 00:01:49,450
voyagers I've got an excellent guest

12
00:01:54,390 --> 00:01:52,210
tonight my co-host Heidi Hollis Anna

13
00:01:55,920 --> 00:01:54,400

wanna say hello to Ken Sherri and tell

14

00:02:01,920 --> 00:01:55,930

him we'll give him a good show but you

15

00:02:03,810 --> 00:02:01,930

doing okay Heidi I'm surviving little

16

00:02:06,180 --> 00:02:03,820

grumpy tonight but I'm like all right

17

00:02:07,950 --> 00:02:06,190

thanks for ruff there's a lot of

18

00:02:14,420 --> 00:02:07,960

allergies are you having big allergies

19

00:02:18,360 --> 00:02:14,430

up there and wheezing including myself

20

00:02:20,850 --> 00:02:18,370

it's been it's been kind of an odd

21

00:02:23,699 --> 00:02:20,860

season allergies are really really bad

22

00:02:25,770 --> 00:02:23,709

up here so bad as I remember it because

23

00:02:31,020 --> 00:02:25,780

I take what he call it zyrtec and then I

24

00:02:37,470 --> 00:02:31,030

have to augment it with benadryl - vally

25

00:02:40,050 --> 00:02:37,480

- well I know I know strong well I'm uh

26

00:02:43,710 --> 00:02:40,060

oh I don't know I'm pretty sturdy fella

27

00:02:45,120 --> 00:02:43,720

but I mean it's just I don't know Heidi

28

00:02:48,240 --> 00:02:45,130

it's it's just miserable

29

00:02:50,250 --> 00:02:48,250

but I mean sniffing and I also have one

30

00:02:54,030 --> 00:02:50,260

of those little inhalers I carry every

31

00:02:57,780 --> 00:02:54,040

now and then so I don't know it's it's

32

00:02:59,190 --> 00:02:57,790

just that way but yeah but anyhow it's

33

00:03:02,160 --> 00:02:59,200

worse than I can remember it in years

34

00:03:05,759 --> 00:03:02,170

past I guess it's well it's hot and dry

35

00:03:08,910 --> 00:03:05,769

here in the Fort Worth Dallas area and

36

00:03:10,410 --> 00:03:08,920

it's dusty so I didn't think Chicago

37

00:03:12,330 --> 00:03:10,420

would actually be a bad place for

38

00:03:15,120 --> 00:03:12,340

allergies I guess it just is I don't

39

00:03:17,520 --> 00:03:15,130

know Midwest they have a lot of pollen

40

00:03:20,310 --> 00:03:17,530

stuff and ragweed ragweed is like the

41

00:03:22,699 --> 00:03:20,320

one that really takes people out but I

42

00:03:27,330 --> 00:03:22,709

don't know if you saw this report that

43

00:03:30,910 --> 00:03:27,340

those antibacterial soaps are going to

44

00:03:34,050 --> 00:03:30,920

be made to not be allowed as

45

00:03:36,760 --> 00:03:34,060

next year sometime I believe and really

46

00:03:39,010 --> 00:03:36,770

yeah one of the reasons is because it

47

00:03:41,350 --> 00:03:39,020

increases the likelihood that you'll get

48

00:03:46,540 --> 00:03:41,360

allergies or make them worse um like

49

00:03:47,320 --> 00:03:46,550

what well I mean I do use them a lot but

50

00:03:49,210 --> 00:03:47,330

then

51
00:03:51,090 --> 00:03:49,220
Jihu why would that have anything to do

52
00:03:53,590 --> 00:03:51,100
I don't know

53
00:03:59,830 --> 00:03:53,600
strangest thing I'm like well heck that

54
00:04:02,199 --> 00:03:59,840
alone explains maybe part of why well

55
00:04:04,390 --> 00:04:02,209
that's why that's why well now the

56
00:04:06,820 --> 00:04:04,400
subject matter tonight is going to be on

57
00:04:10,809 --> 00:04:06,830
the hat man and some of the other issues

58
00:04:12,280 --> 00:04:10,819
you cover in your books and we might

59
00:04:13,840 --> 00:04:12,290
throw a little of something on Marian

60
00:04:15,520 --> 00:04:13,850
apparitions but first I thought we might

61
00:04:17,110 --> 00:04:15,530
do a couple news pieces and like we

62
00:04:21,789 --> 00:04:17,120
usually do on our show but Kevin Cook

63
00:04:27,550 --> 00:04:21,799

show on Tuesdays and and I don't want to

64

00:04:29,890 --> 00:04:27,560

blame or this too much but Trump

65

00:04:32,560 --> 00:04:29,900

supposedly made an insensitive call to

66

00:04:34,510 --> 00:04:32,570

some mother of a dead soldier and

67

00:04:35,770 --> 00:04:34,520

listened at and supposedly with half a

68

00:04:39,940 --> 00:04:35,780

dozen people were listening in on the

69

00:04:43,090 --> 00:04:39,950

call in the car and I don't know Heidi

70

00:04:44,980 --> 00:04:43,100

this is a bit much even for Trump I mean

71

00:04:48,490 --> 00:04:44,990

in other words I'm taking Trump side at

72

00:04:52,300 --> 00:04:48,500

this because he's not the most sensitive

73

00:04:55,930 --> 00:04:52,310

individual no but I think Trump could

74

00:05:02,080 --> 00:04:55,940

sneeze and they'd mischaracterized the

75

00:05:03,730 --> 00:05:02,090

sneeze is what I'm saying I mean I guess

76

00:05:06,310 --> 00:05:03,740

it was just they were literally on their

77

00:05:08,650 --> 00:05:06,320

way to go receive the body of the slain

78

00:05:19,690 --> 00:05:08,660

soldier and it was a sensitive time I

79

00:05:22,240 --> 00:05:19,700

guess you know well I know well yeah but

80

00:05:23,920 --> 00:05:22,250

here's the thing about it is there's a

81

00:05:25,719 --> 00:05:23,930

certain hypocrisy there because Bush

82

00:05:31,000 --> 00:05:25,729

stuck his nose in it you know George

83

00:05:34,360 --> 00:05:31,010

Bush Jr's yeah yeah but here's the thing

84

00:05:35,770 --> 00:05:34,370

this lowdown got us in a phony war over

85

00:05:38,350 --> 00:05:35,780

there that even Clinton said was

86

00:05:40,990 --> 00:05:38,360

ridiculous he's responsible for probably

87

00:05:43,650 --> 00:05:41,000

4,000 people dying for no reason and

88

00:05:47,890 --> 00:05:43,660

he's acting holier than thou

89

00:05:49,600 --> 00:05:47,900

yeah so you know it's like easier to

90

00:05:51,490 --> 00:05:49,610

know what really took place but it you

91

00:05:53,590 --> 00:05:51,500

know several of the family members are

92

00:05:55,210 --> 00:05:53,600

vouching this one but seven and you know

93

00:05:57,940 --> 00:05:55,220

honestly it's kind of the words I could

94

00:06:00,490 --> 00:05:57,950

see Trump seeing if he said it you know

95

00:06:02,410 --> 00:06:00,500

stand by it and be like oops I'm sorry

96

00:06:05,500 --> 00:06:02,420

instead of saying you know that lady's a

97

00:06:07,270 --> 00:06:05,510

liar it's like just hey it sounds like

98

00:06:09,670 --> 00:06:07,280

your words Trump you know we all say

99

00:06:12,070 --> 00:06:09,680

things that we shouldn't say and you

100

00:06:14,980 --> 00:06:12,080

know just just back it up and say oops

101

00:06:17,650 --> 00:06:14,990

well I guess I guess so Heidi but it's

102

00:06:19,060 --> 00:06:17,660

just arson because you know I I mean I

103

00:06:20,920 --> 00:06:19,070

like to say I'm not trying to defend the

104

00:06:24,280 --> 00:06:20,930

man but I mean enough there's enough on

105

00:06:27,390 --> 00:06:24,290

that and also I'll get off the Trump

106

00:06:30,070 --> 00:06:27,400

issue in a minute but what I'm saying is

107

00:06:33,430 --> 00:06:30,080

Geraldo Rivera did get back from Puerto

108

00:06:35,290 --> 00:06:33,440

Rico and he on no uncertain terms said

109

00:06:39,100 --> 00:06:35,300

they're they're damming the federal

110

00:06:41,560 --> 00:06:39,110

efforts unfairly because this was basic

111

00:06:46,000 --> 00:06:41,570

basically Geraldo who's got no dog in

112

00:06:47,650 --> 00:06:46,010

the hunt he said that the place was a

113

00:06:49,510 --> 00:06:47,660

little nightmare to begin with this is

114

00:06:52,660 --> 00:06:49,520

another seventy billion dollars in debt

115

00:06:54,790 --> 00:06:52,670

Heidi before that before the storm and

116

00:06:56,530 --> 00:06:54,800

their infrastructure was you know it's

117

00:06:57,970 --> 00:06:56,540

kind of like cardboard shacks

118

00:07:00,790 --> 00:06:57,980

practically held together with baling

119

00:07:03,430 --> 00:07:00,800

wire so in other words it isn't like you

120

00:07:05,980 --> 00:07:03,440

know a modern town like Houston or oh

121

00:07:08,650 --> 00:07:05,990

you know somewhere in Florida I mean

122

00:07:16,710 --> 00:07:08,660

this thing you could have a heavy gust

123

00:07:23,380 --> 00:07:19,990

well I have been since I was a kid but

124

00:07:25,270 --> 00:07:23,390

I'm just saying that they're talking

125

00:07:27,340 --> 00:07:25,280

about the interior of the island and

126

00:07:29,770 --> 00:07:27,350

that's where most of the hardship isn't

127

00:07:32,050 --> 00:07:29,780

restoring services and all that so to

128

00:07:34,420 --> 00:07:32,060

blame Trump for that is like you know

129

00:07:36,130 --> 00:07:34,430

come on now it's like go to a garbage

130

00:07:37,720 --> 00:07:36,140

dump and complain it's not cleaned up

131

00:07:39,610 --> 00:07:37,730

you know I believe they said only nine

132

00:07:42,790 --> 00:07:39,620

percent of the water needs have been met

133

00:07:46,360 --> 00:07:42,800

so the people are literally oh my gosh

134

00:07:48,730 --> 00:07:46,370

go digging into wells from business

135

00:07:50,710 --> 00:07:48,740

waste waters I I just

136

00:07:53,710 --> 00:07:50,720

that's true but how is that trust fall

137

00:07:55,959 --> 00:07:53,720

but how was that Trump's fall we would

138

00:07:58,539 --> 00:07:55,969

not allow taxes to go through that

139

00:07:59,559 --> 00:07:58,549

that's the problem it's like an office

140

00:08:02,769 --> 00:07:59,569

since January

141

00:08:06,549 --> 00:08:02,779

he's supposed to have solved the water

142

00:08:08,319 --> 00:08:06,559

problem in Puerto Rico take it from the

143

00:08:10,989 --> 00:08:08,329

storm it wasn't a problem beforehand

144

00:08:13,509 --> 00:08:10,999

there's no running water well honestly

145

00:08:15,249 --> 00:08:13,519

Fort Lauderdale or Fort Myers running

146

00:08:17,379 --> 00:08:15,259

out of water or anything like that and

147

00:08:18,939 --> 00:08:17,389

they never were in a water shortage what

148

00:08:22,149 --> 00:08:18,949

I'm saying is you're talking like

149

00:08:25,359 --> 00:08:22,159

third-world country conditions and if it

150

00:08:27,699 --> 00:08:25,369

isn't like you know Dallas Texas in two

151
00:08:28,209 --> 00:08:27,709
days it's Trump's fault see that's what

152
00:08:33,939 --> 00:08:28,219
I'm saying

153
00:08:37,300 --> 00:08:33,949
that's certainly isn't the interior of

154
00:08:38,860 --> 00:08:37,310
it it certainly is I didn't think so but

155
00:08:40,569 --> 00:08:38,870
they're American citizens know it

156
00:08:44,679 --> 00:08:40,579
nonetheless it's like they just want the

157
00:08:47,069 --> 00:08:44,689
basics water keep the electricity back

158
00:08:49,119 --> 00:08:47,079
yes but this isn't this is something

159
00:08:51,100 --> 00:08:49,129
this isn't something you can wave a

160
00:08:52,749 --> 00:08:51,110
magic wand and it's done in a month and

161
00:08:57,460 --> 00:08:52,759
everybody's singing in the sunshine it's

162
00:08:58,329 --> 00:08:57,470
not like that it's location but I mean

163
00:09:00,160 --> 00:08:58,339

my goodness

164

00:09:03,179 --> 00:09:00,170

I think Haiti had a better response when

165

00:09:06,189 --> 00:09:03,189

they went through a storm and you know

166

00:09:07,780 --> 00:09:06,199

goodness it's just I hate to see it I

167

00:09:10,210 --> 00:09:07,790

know several people that live over there

168

00:09:11,829 --> 00:09:10,220

and Families can't even reach out

169

00:09:13,689 --> 00:09:11,839

because they don't have any phone

170

00:09:16,420 --> 00:09:13,699

service to do so and it was like see

171

00:09:19,119 --> 00:09:16,430

what see I mean it's damages happen I

172

00:09:21,129 --> 00:09:19,129

mean he you know you live in a

173

00:09:22,960 --> 00:09:21,139

poverty-stricken Island things happen

174

00:09:24,429 --> 00:09:22,970

they're not seventy billion dollars in

175

00:09:31,210 --> 00:09:24,439

debt because they're uptight and out of

176
00:09:33,610 --> 00:09:31,220
sight I mean they're not yeah why does

177
00:09:36,340 --> 00:09:33,620
to on infrastructure spending it does

178
00:09:39,189 --> 00:09:36,350
too but any rate I'm just saying that

179
00:09:43,329 --> 00:09:39,199
that's an issue that came up and Oh on a

180
00:09:45,549 --> 00:09:43,339
conspiratorial note get this George

181
00:09:48,910 --> 00:09:45,559
Soros you know the little evil behind

182
00:09:52,809 --> 00:09:48,920
the scenes billionaire and all that he

183
00:09:54,639 --> 00:09:52,819
sold MGM stock short and if you don't

184
00:09:58,210 --> 00:09:54,649
know what selling stock short is you're

185
00:10:01,090 --> 00:09:58,220
basically betting it's gonna go down two

186
00:10:04,070 --> 00:10:01,100
months two months before that Las Vegas

187
00:10:10,410 --> 00:10:08,190
and MGM is like the casino company up

188
00:10:12,360 --> 00:10:10,420

there I mean it's uh you know you

189

00:10:14,699 --> 00:10:12,370

wouldn't want a bet that they would lose

190

00:10:17,670 --> 00:10:14,709

because they're always jammed to the

191

00:10:20,970 --> 00:10:17,680

rafters with gamblers so what I'm saying

192

00:10:22,920 --> 00:10:20,980

is that that was very suspicious I don't

193

00:10:26,370 --> 00:10:22,930

know it's fueled the conspiratorial

194

00:10:27,960 --> 00:10:26,380

fires it's very suspicious it made me

195

00:10:30,210 --> 00:10:27,970

mean nothing in the whole scheme of

196

00:10:35,940 --> 00:10:30,220

things but you gotta admit that was very

197

00:10:39,150 --> 00:10:35,950

unusual but any rate that's all the

198

00:10:42,570 --> 00:10:39,160

non-porn on the paranormal stuff but now

199

00:10:45,630 --> 00:10:42,580

there was a ghost or seemingly a ghostly

200

00:10:47,720 --> 00:10:45,640

photo taken it's on the coast Coast AM

201
00:10:50,900 --> 00:10:47,730
website it's on their little news pieces

202
00:10:53,190 --> 00:10:50,910
and you know I can't speak to the

203
00:10:54,600 --> 00:10:53,200
legitimacy of that particular one

204
00:10:57,329 --> 00:10:54,610
they've got several on there actually

205
00:10:59,430 --> 00:10:57,339
now but what I'm saying is Heidi with

206
00:11:02,639 --> 00:10:59,440
all these closed-circuit TV cameras all

207
00:11:09,810 --> 00:11:02,649
over I mean certainly they can't all be

208
00:11:14,760 --> 00:11:09,820
like bogus DUP witnesses and numbers

209
00:11:19,280 --> 00:11:14,770
kind of well that's what it does to me

210
00:11:22,440 --> 00:11:19,290
too I mean and also it's not just

211
00:11:24,630 --> 00:11:22,450
security cameras they've had things

212
00:11:29,250 --> 00:11:24,640
picked up by even oddball cameras like

213
00:11:30,960 --> 00:11:29,260

oh you know hunters will put out cameras

214

00:11:33,120 --> 00:11:30,970

in the field just to see I guess if they

215

00:11:35,760 --> 00:11:33,130

trespassers are odd game or whatever's

216

00:11:38,100 --> 00:11:35,770

on those and they've had some really

217

00:11:41,310 --> 00:11:38,110

weird ll looking little creatures show

218

00:11:43,740 --> 00:11:41,320

up in the background and uh on some of

219

00:11:46,019 --> 00:11:43,750

this sod it's not where you can call

220

00:11:49,280 --> 00:11:46,029

security feed but unless Kagame's eat or

221

00:11:52,230 --> 00:11:49,290

whatever you want to call it and farm

222

00:11:54,449 --> 00:11:52,240

cameras now there were some all kinds of

223

00:11:56,760 --> 00:11:54,459

different directions and and ID also

224

00:12:00,230 --> 00:11:56,770

some of this footage they've had seen

225

00:12:02,819 --> 00:12:00,240

odd odd anomalies on has been from

226

00:12:08,880 --> 00:12:02,829

municipal cameras that you know nobody's

227

00:12:12,420 --> 00:12:08,890

gonna finagle anything on so I mean

228

00:12:14,010 --> 00:12:12,430

Heidi I guess you know you don't want to

229

00:12:15,510 --> 00:12:14,020

believe just everything but I mean you

230

00:12:16,980 --> 00:12:15,520

have to be kind of a Deadhead not to

231

00:12:17,450 --> 00:12:16,990

believe there's picking up picking up

232

00:12:20,570 --> 00:12:17,460

Stu

233

00:12:23,889 --> 00:12:20,580

right right no I hear ya oh that's

234

00:12:27,139 --> 00:12:23,899

that's wild I I think I really dig those

235

00:12:28,940 --> 00:12:27,149

types of video footage that you know

236

00:12:30,710 --> 00:12:28,950

just so happens to be like a trail cam

237

00:12:40,370 --> 00:12:30,720

or something and it's like a trail cam

238

00:12:44,530 --> 00:12:40,380

yeah yeah yeah well it is and I guess I

239

00:12:46,850 --> 00:12:44,540

guess from from witnesses I've talked to

240

00:12:49,579 --> 00:12:46,860

you know like we mentioned on our show

241

00:12:53,360 --> 00:12:49,589

one night there's a hotel in Fort Worth

242

00:12:55,300 --> 00:12:53,370

called the hotel Texas and it dates way

243

00:12:58,130 --> 00:12:55,310

back see that Fort Worth has one little

244

00:13:00,290 --> 00:12:58,140

historical stockyards district where I

245

00:13:02,150 --> 00:13:00,300

guess way back to antiquity they you

246

00:13:04,010 --> 00:13:02,160

know drive the herds into Fort Worth to

247

00:13:06,170 --> 00:13:04,020

sell the cattle and so forth so on and

248

00:13:08,090 --> 00:13:06,180

then the Cowboys would go to like an

249

00:13:10,130 --> 00:13:08,100

entertainment district and you know

250

00:13:12,430 --> 00:13:10,140

drink and carry on all this and this

251

00:13:14,540 --> 00:13:12,440

hotel Texas is a long-standing

252

00:13:19,940 --> 00:13:14,550

institution there I mean it dates back

253

00:13:21,829 --> 00:13:19,950

Oh Heidi this 1840s or 50s or something

254

00:13:23,630 --> 00:13:21,839

way back okay yeah

255

00:13:26,360 --> 00:13:23,640

and for those who've never heard about

256

00:13:29,090 --> 00:13:26,370

this I talked to this lady who's a very

257

00:13:30,710 --> 00:13:29,100

good Christian gal I mean let's put this

258

00:13:33,320 --> 00:13:30,720

way out there's not many people that are

259

00:13:35,240 --> 00:13:33,330

full of baloney they work two jobs she

260

00:13:38,060 --> 00:13:35,250

worked at the Six Flags Texas as a

261

00:13:41,630 --> 00:13:38,070

marketing person and then she worked ten

262

00:13:45,920 --> 00:13:41,640

years as the night manager at this hotel

263

00:13:47,570 --> 00:13:45,930

Texas and she's a big Christian all that

264

00:13:49,910 --> 00:13:47,580

stuff I mean she and she didn't write

265

00:13:51,949 --> 00:13:49,920

any books and she wasn't trying to beef

266

00:13:54,019 --> 00:13:51,959

up attendance at the hotel because it

267

00:13:55,790 --> 00:13:54,029

was hard I mean she I asked her so I'd

268

00:13:58,550 --> 00:13:55,800

heard these rumors he said Kevin without

269

00:14:01,850 --> 00:13:58,560

question without question without fail

270

00:14:03,500 --> 00:14:01,860

its haunted Wow

271

00:14:05,449 --> 00:14:03,510

I didn't ever ask her about

272

00:14:07,220 --> 00:14:05,459

closed-circuit TV cameras at the time

273

00:14:10,040 --> 00:14:07,230

because about 10 years ago 12 years ago

274

00:14:11,840 --> 00:14:10,050

I talked to her but but she I mean the

275

00:14:13,310 --> 00:14:11,850

maids would make up a room and then

276

00:14:15,170 --> 00:14:13,320

they'd lock it up and then of course you

277

00:14:17,449 --> 00:14:15,180

wouldn't mess with it until they've

278

00:14:19,340 --> 00:14:17,459

rear-ended a because the maids aren't

279

00:14:20,900 --> 00:14:19,350

gonna want to mess up their own work but

280

00:14:23,480 --> 00:14:20,910

she'd go back and stuff would be thrown

281

00:14:25,610 --> 00:14:23,490

all over the room and you know water

282

00:14:27,260 --> 00:14:25,620

running or so I mean just little cranky

283

00:14:31,000 --> 00:14:27,270

kind of things there had to be

284

00:14:32,740 --> 00:14:31,010

absolutely frustrating as a worker there

285

00:14:34,840 --> 00:14:32,750

oh well you know the major that I want

286

00:14:37,180 --> 00:14:34,850

to ruin their own job right exactly and

287

00:14:40,840 --> 00:14:37,190

then and then as a side kicker this

288

00:14:43,660 --> 00:14:40,850

woman said that after all those years of

289

00:14:49,300 --> 00:14:43,670

working there what they would do is they

290

00:14:51,519 --> 00:14:49,310

would they come back and the the guests

291

00:14:53,170 --> 00:14:51,529

would see shadowy figures of cowboys in

292

00:14:56,680 --> 00:14:53,180

the hallway you know like a ghostly

293

00:14:59,560 --> 00:14:56,690

figure if you will Wow seemingly with

294

00:15:01,750 --> 00:14:59,570

period dress and all that and you know

295

00:15:04,660 --> 00:15:01,760

obviously the guests aren't going to say

296

00:15:07,210 --> 00:15:04,670

that it's some money off the rumor ad or

297

00:15:09,090 --> 00:15:07,220

something I mean it's just it's just

298

00:15:12,400 --> 00:15:09,100

part and parcel of it is what I'm saying

299

00:15:14,110 --> 00:15:12,410

and that's one of thousands of places

300

00:15:18,220 --> 00:15:14,120

that you could say the same thing about

301

00:15:20,370 --> 00:15:18,230

I guess Heidi it's kind of like that

302

00:15:23,470 --> 00:15:20,380

place up your way in Chicago as the

303

00:15:24,910 --> 00:15:23,480

white lady hitchhiker lady in white

304

00:15:31,090 --> 00:15:24,920

hitchhiker or whatever it is near that

305

00:15:33,250 --> 00:15:31,100

cemetery that sounds familiar yeah how

306

00:15:43,329 --> 00:15:33,260

long is that that's been going on for

307

00:15:46,870 --> 00:15:43,339

what forever where they spoke up hello

308

00:15:49,269 --> 00:15:46,880

lady and white haunting scattered all

309

00:15:54,160 --> 00:15:49,279

over the country oh yeah there's one

310

00:15:57,160 --> 00:15:54,170

down here yeah lady died on her wedding

311

00:16:00,220 --> 00:15:57,170

night just before her wedding she killed

312

00:16:02,590 --> 00:16:00,230

herself or she lost her love and yeah

313

00:16:05,769 --> 00:16:02,600

it's like similar stories all over the

314

00:16:08,920 --> 00:16:05,779

place and it's like what a strange theme

315

00:16:10,629 --> 00:16:08,930

and to be so consistent and to have so

316

00:16:14,079 --> 00:16:10,639

many witnesses by so many different

317

00:16:17,079 --> 00:16:14,089

outlets and locations it's that is the

318

00:16:20,590 --> 00:16:17,089

Missal a lot of bad wedding yeah a lot

319

00:16:21,850 --> 00:16:20,600

of bad wedding feedback yeah well now

320

00:16:23,949 --> 00:16:21,860

there was something funny and I know

321

00:16:25,540 --> 00:16:23,959

I've been married twice of course but

322

00:16:29,259 --> 00:16:25,550

what I'm saying is there's a real funny

323

00:16:31,210 --> 00:16:29,269

oh one of the little action movie or

324

00:16:33,220 --> 00:16:31,220

what TV series I saw recently they were

325

00:16:34,780 --> 00:16:33,230

talking to some old cop series they're

326

00:16:36,009 --> 00:16:34,790

talking to some guy this is yeah half

327

00:16:41,019 --> 00:16:36,019

the marriages don't work out the other

328

00:16:44,110 --> 00:16:41,029

half people are miserable that about

329

00:16:50,560 --> 00:16:47,829

but true it is it is well they have one

330

00:16:52,780 --> 00:16:50,570

here in Dallas it's called the the lady

331

00:16:54,820 --> 00:16:52,790

of White Rock Lake or something and

332

00:16:58,269 --> 00:16:54,830

she's dressed in white as well and I

333

00:16:58,450 --> 00:16:58,279

don't know whether she jumped in the

334

00:17:00,280 --> 00:16:58,460

lake

335

00:17:03,070 --> 00:17:00,290

committing suicide something along those

336

00:17:06,309 --> 00:17:03,080

lines from a negative America marital

337

00:17:08,590 --> 00:17:06,319

experience but it's always there's

338

00:17:09,910 --> 00:17:08,600

always some kind of white wearing woman

339

00:17:18,910 --> 00:17:09,920

there's something like yeah why can't

340

00:17:20,890 --> 00:17:18,920

you be wearing jeans and exactly evening

341

00:17:23,740 --> 00:17:20,900

dress or something yeah I know I know

342

00:17:26,559 --> 00:17:23,750

but I mean this is this is so well

343

00:17:27,939 --> 00:17:26,569

reputed that it's like if you mentioned

344

00:17:29,080 --> 00:17:27,949

it's one of the local residents it's a

345

00:17:31,540 --> 00:17:29,090

fairly nice little neighborhood of

346

00:17:34,750 --> 00:17:31,550

Dallas fairly affluent and the lake is

347

00:17:37,240 --> 00:17:34,760

big but it's big enough and they say

348

00:17:40,360 --> 00:17:37,250

yeah it's as obviously that's true is

349

00:17:45,400 --> 00:17:40,370

you know birds in the sky I mean it just

350

00:17:47,590 --> 00:17:45,410

is but I guess I don't mean to dwell on

351

00:17:49,419 --> 00:17:47,600

that too much but I guess it's just it's

352

00:17:52,180 --> 00:17:49,429

just odd because it came up today on

353

00:17:55,090 --> 00:17:52,190

that news piece on coasts and and some

354

00:17:56,650 --> 00:17:55,100

others recently and I guess I was

355

00:17:58,690 --> 00:17:56,660

thinking about it reflecting on a

356

00:18:00,610 --> 00:17:58,700

secular how could anybody not believe in

357

00:18:03,430 --> 00:18:00,620

ghosts with all the evidence not just a

358

00:18:05,410 --> 00:18:03,440

camera thing but just the visual

359

00:18:07,990 --> 00:18:05,420

sightings overall as many here's not

360

00:18:12,640 --> 00:18:08,000

everybody's a fruitcake I've even seen a

361

00:18:17,320 --> 00:18:12,650

ghost you know it took me by surprise

362

00:18:19,930 --> 00:18:17,330

and it I was taking an apartment complex

363

00:18:22,090 --> 00:18:19,940

and there's a lot of people who died in

364

00:18:27,870 --> 00:18:22,100

that little apartment complex I guess

365

00:18:30,340 --> 00:18:27,880

and it wasn't really scary it was just

366

00:18:34,120 --> 00:18:30,350

like a little dumpy Casper the ghost

367

00:18:38,580 --> 00:18:34,130

looking coast but my business partner

368

00:18:45,640 --> 00:18:42,580

no no it wasn't and uh it just was

369

00:18:46,990 --> 00:18:45,650

visible for maybe oh I don't know seven

370

00:18:50,620 --> 00:18:47,000

or eight seconds long enough for you to

371

00:18:52,030 --> 00:18:50,630

see it and and you know we looked at it

372

00:18:54,880 --> 00:18:52,040

analytically there's no way it was a

373

00:18:56,110 --> 00:18:54,890

projection from anything or shadow or I

374

00:18:57,900 --> 00:18:56,120

think because it didn't look like a

375

00:19:00,570 --> 00:18:57,910

shadow it looked like

376

00:19:02,580 --> 00:19:00,580

like it had a very dark charcoal gray

377

00:19:05,700 --> 00:19:02,590

outline and in the inside it was the

378

00:19:07,799 --> 00:19:05,710

misty kind of wispy smoky kind of look

379

00:19:13,200 --> 00:19:07,809

but it had an outline those what I'm

380

00:19:16,049 --> 00:19:13,210

saying and you I've never seen well it

381

00:19:18,270 --> 00:19:16,059

happened I mean it matter of fact I

382

00:19:19,950 --> 00:19:18,280

think what happened was cuz he was

383

00:19:22,230 --> 00:19:19,960

staying with me for a while because he's

384

00:19:27,870 --> 00:19:22,240

gotten divorced I let him flop there for

385

00:19:30,330 --> 00:19:27,880

a while and what happened was uh it was

386

00:19:32,669 --> 00:19:30,340

fooling with things on his little

387

00:19:35,100 --> 00:19:32,679

dresser and you know it like he's one of

388

00:19:36,919 --> 00:19:35,110

these nut cases it's really I like that

389

00:19:39,360 --> 00:19:36,929

obsessive compulsive person that always

390

00:19:42,899 --> 00:19:39,370

puts their stuff lined up in the same

391

00:19:45,510 --> 00:19:42,909

normal contour you know yeah and it

392

00:19:49,710 --> 00:19:45,520

would like move itself around on the

393

00:19:51,090 --> 00:19:49,720

dresser you know and I obviously I

394

00:19:53,010 --> 00:19:51,100

wouldn't do it I'm not gonna mess with

395

00:19:54,020 --> 00:19:53,020

what I care about his little paranoid

396

00:19:56,640 --> 00:19:54,030

buddy

397

00:19:59,909 --> 00:19:56,650

Rosie's but but I mean in other words

398

00:20:03,120 --> 00:19:59,919

stuff would move around it obviously had

399

00:20:04,740 --> 00:20:03,130

to do with some outside force and it

400

00:20:06,690 --> 00:20:04,750

wasn't because the Air Force jets were

401
00:20:07,980 --> 00:20:06,700
going over near the base it wasn't that

402
00:20:10,440 --> 00:20:07,990
I mean that wasn't going over that

403
00:20:11,850 --> 00:20:10,450
powerfully so in other words it was

404
00:20:13,799 --> 00:20:11,860
doing the moving of the object thing and

405
00:20:15,149 --> 00:20:13,809
then finally it showed itself and that

406
00:20:17,310 --> 00:20:15,159
was kind of like its coup de Grasse

407
00:20:20,779 --> 00:20:17,320
because after that nothing ever moved

408
00:20:23,850 --> 00:20:20,789
and nothing was ever seen in there again

409
00:20:25,950 --> 00:20:23,860
so I get I guess I had the only place

410
00:20:30,299 --> 00:20:25,960
where a ghost was too bored to haunt

411
00:20:32,039 --> 00:20:30,309
anymore whatever greener pastures but

412
00:20:35,159 --> 00:20:32,049
that did happen and I got can attest to

413
00:20:37,409 --> 00:20:35,169

that I'm pretty good witness so anyway

414

00:20:40,590 --> 00:20:37,419

that but now you've written lots of

415

00:20:44,760 --> 00:20:40,600

books I mean you're just a glutton for

416

00:20:47,130 --> 00:20:44,770

punishment in the book how many have you

417

00:20:52,039 --> 00:20:47,140

written all together I have six

418

00:20:57,090 --> 00:20:52,049

published and I have about five five

419

00:20:59,730 --> 00:20:57,100

yeah great scoff I D I know that's just

420

00:21:01,980 --> 00:20:59,740

a lot of work how do you find time to do

421

00:21:07,680 --> 00:21:01,990

it all that editing and all that awful

422

00:21:09,659 --> 00:21:07,690

stuff you know it's it's odd but it's

423

00:21:11,220 --> 00:21:09,669

something that just kind of burns in me

424

00:21:13,980 --> 00:21:11,230

to get done and and

425

00:21:17,310 --> 00:21:13,990

don't isolate myself as I once did I go

426
00:21:21,210 --> 00:21:17,320
and I go to like a Starbucks or a Barnes

427
00:21:24,539 --> 00:21:21,220
& Noble and write and draw there or

428
00:21:27,270 --> 00:21:24,549
whatever so so yeah it's kind of I I

429
00:21:30,030 --> 00:21:27,280
think the the most beautiful thing is a

430
00:21:32,549 --> 00:21:30,040
blank sheet of paper I just love it or a

431
00:21:34,919 --> 00:21:32,559
blank screen just fail to type whatever

432
00:21:35,460 --> 00:21:34,929
the heck I want yeah or to draw whatever

433
00:21:38,430 --> 00:21:35,470
I want

434
00:21:41,220 --> 00:21:38,440
it's fun it's it's exciting and to know

435
00:21:43,799 --> 00:21:41,230
that I'm able to do it too it's like you

436
00:21:46,169 --> 00:21:43,809
know that's good of course yeah well I

437
00:21:48,840 --> 00:21:46,179
wrote book the Marian apparitions are

438
00:21:50,340 --> 00:21:48,850

real and but that was such an onerous

439

00:21:53,669 --> 00:21:50,350

thing and I did it because I felt I was

440

00:21:56,299 --> 00:21:53,679

meant to do it but Oh Heidi if it claims

441

00:21:58,799 --> 00:21:56,309

if I had a choice between doing that or

442

00:22:00,810 --> 00:21:58,809

working in a Pennsylvania coal mine I

443

00:22:01,230 --> 00:22:00,820

would take the coal mine and be happy to

444

00:22:03,390 --> 00:22:01,240

take it

445

00:22:07,710 --> 00:22:03,400

instead of writing up I feel that

446

00:22:15,900 --> 00:22:07,720

strongly not that I'm a bad writer but

447

00:22:17,940 --> 00:22:15,910

it just is onerous well now the editing

448

00:22:20,070 --> 00:22:17,950

was not exactly yes I would have to say

449

00:22:21,419 --> 00:22:20,080

that would be the the researching wasn't

450

00:22:26,460 --> 00:22:21,429

that bad I've always kind of liked

451
00:22:29,240 --> 00:22:26,470
researching stuff but that oh well

452
00:22:31,710 --> 00:22:29,250
that's what we could collaborate yeah

453
00:22:36,180 --> 00:22:31,720
but no I didn't mind the researching to

454
00:22:38,039 --> 00:22:36,190
the editing was just unpleasant and but

455
00:22:40,169 --> 00:22:38,049
but I I have to take my hat off to you

456
00:22:43,289 --> 00:22:40,179
to actually produce six books with five

457
00:22:45,780 --> 00:22:43,299
more in the wings yeah I'm gonna have

458
00:22:48,480 --> 00:22:45,790
one coming out pretty soon I was

459
00:22:50,190 --> 00:22:48,490
debating if I should let it come out in

460
00:22:52,919 --> 00:22:50,200
January since we're so close to the end

461
00:22:55,440 --> 00:22:52,929
of the year but sometimes you know it

462
00:22:58,010 --> 00:22:55,450
looks like things will line up well

463
00:23:01,409 --> 00:22:58,020

enough for it to be released in November

464

00:23:03,060 --> 00:23:01,419

late November or early December so I'm I

465

00:23:06,690 --> 00:23:03,070

just have a lot of things to pull

466

00:23:08,820 --> 00:23:06,700

together I got I got sidetracked with

467

00:23:13,080 --> 00:23:08,830

what what's the subject matter of that

468

00:23:15,690 --> 00:23:13,090

book talking about for a while it to get

469

00:23:18,020 --> 00:23:15,700

out and it's called the other F word and

470

00:23:19,950 --> 00:23:18,030

it's on the topic of faith because oh

471

00:23:23,430 --> 00:23:19,960

you know I get a lot of people that

472

00:23:24,430 --> 00:23:23,440

write me about demonic stuff coming into

473

00:23:26,320 --> 00:23:24,440

their home

474

00:23:28,510 --> 00:23:26,330

they do and no but I'm not into that

475

00:23:30,100 --> 00:23:28,520

religious thing I'm like well then you

476

00:23:32,080 --> 00:23:30,110

might as well throw a shoe or a book at

477

00:23:33,670 --> 00:23:32,090

it because if you don't have faith

478

00:23:35,380 --> 00:23:33,680

behind you how are you gonna fight

479

00:23:39,160 --> 00:23:35,390

something that can walk through your

480

00:23:44,410 --> 00:23:39,170

wall and you're shooting or something

481

00:23:48,400 --> 00:23:44,420

right oh yeah something that you know is

482

00:23:51,190 --> 00:23:48,410

evil you have an inkling where its

483

00:23:53,620 --> 00:23:51,200

source comes from that right there

484

00:23:55,900 --> 00:23:53,630

should give you the faith of more

485

00:23:58,300 --> 00:23:55,910

mustard seeds than you can muster to

486

00:24:00,460 --> 00:23:58,310

know that there's an opposite and

487

00:24:03,940 --> 00:24:00,470

opposing force to that or yet at least

488

00:24:05,410 --> 00:24:03,950

better hope so so right yeah well I

489

00:24:06,940 --> 00:24:05,420

agree with that I'm at agreement without

490

00:24:11,380 --> 00:24:06,950

of course I've experienced the negative

491

00:24:14,470 --> 00:24:11,390

side of it too and well without

492

00:24:16,210 --> 00:24:14,480

intentionally having it I mean I you

493

00:24:18,880 --> 00:24:16,220

know what's never dabbled in negative

494

00:24:23,470 --> 00:24:18,890

things like black masses or anything but

495

00:24:25,960 --> 00:24:23,480

I I just did it via martial arts coogee

496

00:24:27,840 --> 00:24:25,970

curry exercises I mean I was no more

497

00:24:31,540 --> 00:24:27,850

thinking about anything negative than

498

00:24:33,610 --> 00:24:31,550

you know baseball but what I'm saying is

499

00:24:36,850 --> 00:24:33,620

yeah people that mess with stuff like

500

00:24:39,480 --> 00:24:36,860

this Ouija board thing and some of this

501
00:24:51,610 --> 00:24:39,490
meditational aspects even if it seems

502
00:24:53,560 --> 00:24:51,620
benign it isn't to their faith and how

503
00:24:55,420 --> 00:24:53,570
to get it because people just doubt

504
00:24:57,760 --> 00:24:55,430
their faith too much or they you don't

505
00:25:00,610 --> 00:24:57,770
know if it's right or how do you test

506
00:25:02,050 --> 00:25:00,620
that and and it's like well you know

507
00:25:04,330 --> 00:25:02,060
what the only way that you could figure

508
00:25:06,070 --> 00:25:04,340
that out is by analyzing a few things

509
00:25:08,920 --> 00:25:06,080
and I thought I would have fun with the

510
00:25:11,170 --> 00:25:08,930
topic sorry I drew comics put some jokes

511
00:25:13,570 --> 00:25:11,180
in and but also got down to the

512
00:25:15,190 --> 00:25:13,580
nitty-gritty with that book and try to

513
00:25:16,480 --> 00:25:15,200

help people decipher for themselves

514

00:25:19,570 --> 00:25:16,490

where they stand with their faith

515

00:25:21,490 --> 00:25:19,580

because it's a serious topic but it

516

00:25:24,040 --> 00:25:21,500

should be a fun topic too because too

517

00:25:25,360 --> 00:25:24,050

many people get freaked out and are

518

00:25:26,830 --> 00:25:25,370

terrified that they're gonna do

519

00:25:29,380 --> 00:25:26,840

something wrong when it comes to faith

520

00:25:32,140 --> 00:25:29,390

it's like you know the one area in our

521

00:25:33,700 --> 00:25:32,150

lives where as flawed as can be as human

522

00:25:35,560 --> 00:25:33,710

beings and the one area in our lives

523

00:25:38,080 --> 00:25:35,570

that we are not supposed to be flawed in

524

00:25:40,870 --> 00:25:38,090

is our faith in

525

00:25:42,490 --> 00:25:40,880

and it's like hold on God knew what the

526
00:25:44,740 --> 00:25:42,500
heck he was doing when he made us he

527
00:25:47,710 --> 00:25:44,750
knew we were a hot mess he knew we would

528
00:25:50,350 --> 00:25:47,720
be flawed in the way that we see to our

529
00:25:51,880 --> 00:25:50,360
faith and go about our faith so I'm

530
00:25:55,120 --> 00:25:51,890
trying to encourage people to give

531
00:25:57,130 --> 00:25:55,130
themselves a break rewind take another

532
00:25:59,590 --> 00:25:57,140
step in this direction or that one and

533
00:26:01,810 --> 00:25:59,600
you know get right with it to where they

534
00:26:04,180 --> 00:26:01,820
feel comfortable instead of being so

535
00:26:08,530 --> 00:26:04,190
darn hard on themselves so the other F

536
00:26:10,630 --> 00:26:08,540
word and the subtitle is how to find

537
00:26:15,700 --> 00:26:10,640
faith and laugh at yourself at the same

538
00:26:17,410 --> 00:26:15,710

time because it's important it really is

539

00:26:20,470 --> 00:26:17,420

and I don't see how people to go through

540

00:26:22,330 --> 00:26:20,480

life just winging it they need to figure

541

00:26:24,370 --> 00:26:22,340

it out well I know what you're saying I

542

00:26:26,290 --> 00:26:24,380

think I've been fortunate and I've had

543

00:26:27,940 --> 00:26:26,300

some very powerful religious experiences

544

00:26:30,850 --> 00:26:27,950

which obviously can't obviously came

545

00:26:32,740 --> 00:26:30,860

from sources outside me I mean so

546

00:26:34,300 --> 00:26:32,750

demonstrative that maybe we'll talk

547

00:26:37,060 --> 00:26:34,310

about it later but it's so demonstrative

548

00:26:38,800 --> 00:26:37,070

that you'd have to be a nitwit to not

549

00:26:41,860 --> 00:26:38,810

believe it was from the benign side of

550

00:26:44,230 --> 00:26:41,870

things and I've been fortunate because

551
00:26:45,520 --> 00:26:44,240
most people don't have that not dermat

552
00:26:48,790 --> 00:26:45,530
and you've had those kind of things -

553
00:26:51,420 --> 00:26:48,800
not dramatic clear-cut smack you in the

554
00:26:54,880 --> 00:26:51,430
face with a tuna kind of experiences

555
00:26:56,680 --> 00:26:54,890
alright and that that is hard I can say

556
00:26:59,650 --> 00:26:56,690
I've had that and you've had it it's

557
00:27:01,360 --> 00:26:59,660
appreciated appreciated where a divine

558
00:27:04,420 --> 00:27:01,370
I've actually experienced it in that

559
00:27:07,210 --> 00:27:04,430
that's something a lot of people haven't

560
00:27:09,190 --> 00:27:07,220
been able to say oh yeah I feel like

561
00:27:12,580 --> 00:27:09,200
cheated in my faith and I always say

562
00:27:14,350 --> 00:27:12,590
that because I was weak in it I you know

563
00:27:17,860 --> 00:27:14,360

questioned things or didn't dive all

564

00:27:19,930 --> 00:27:17,870

into it either and you know that I had

565

00:27:21,610 --> 00:27:19,940

these Jesus encounters which I wrote

566

00:27:24,640 --> 00:27:21,620

about in my book called Jesus it's no

567

00:27:29,710 --> 00:27:24,650

joke highest-rated book I've got up

568

00:27:32,740 --> 00:27:29,720

there it was number one for eight months

569

00:27:36,790 --> 00:27:32,750

and in near-death experience category

570

00:27:39,010 --> 00:27:36,800

and it's like I I really needed to you

571

00:27:40,840 --> 00:27:39,020

know figure out where I stood in my

572

00:27:42,760 --> 00:27:40,850

faith little did I know how important it

573

00:27:46,080 --> 00:27:42,770

was it was paranormal source I'm looking

574

00:27:49,810 --> 00:27:46,090

into this tough but it was important and

575

00:27:51,730 --> 00:27:49,820

yeah so I I think that you know people

576

00:27:53,950 --> 00:27:51,740

need to come full circle as I

577

00:27:56,950 --> 00:27:53,960

I needed to in order to even speak on

578

00:27:59,500 --> 00:27:56,960

the paranormal well I agree with that I

579

00:28:01,030 --> 00:27:59,510

agree with that like I say the trouble

580

00:28:03,070 --> 00:28:01,040

is I you know of course I don't want to

581

00:28:06,100 --> 00:28:03,080

beat the drum too strong for the

582

00:28:08,110 --> 00:28:06,110

Catholic Church but you know I had some

583

00:28:10,630 --> 00:28:08,120

religious experiences early on but well

584

00:28:13,930 --> 00:28:10,640

as a child but it was only later in life

585

00:28:15,160 --> 00:28:13,940

when I was pulled packing by the hair

586

00:28:17,950 --> 00:28:15,170

into the Catholic Church that I

587

00:28:18,910 --> 00:28:17,960

experienced so many things and I'm not

588

00:28:21,430 --> 00:28:18,920

saying you have to be a Catholic

589

00:28:23,380 --> 00:28:21,440

obviously like you're not but I mean to

590

00:28:25,419 --> 00:28:23,390

experience them but it it went hand in

591

00:28:29,410 --> 00:28:25,429

hand with my experience and I was

592

00:28:31,480 --> 00:28:29,420

thankful I did have it but well we'll

593

00:28:33,549 --> 00:28:31,490

talk about that later perhaps but but no

594

00:28:37,419 --> 00:28:33,559

I feel for people who have not been

595

00:28:39,310 --> 00:28:37,429

exposed to a demonstrative take it to

596

00:28:42,790 --> 00:28:39,320

the bank we live this experience it's a

597

00:28:44,710 --> 00:28:42,800

life-changing thing to build your faith

598

00:28:46,570 --> 00:28:44,720

around in other words without having

599

00:28:50,049 --> 00:28:46,580

anything it can't seem pretty Drive

600

00:28:52,450 --> 00:28:50,059

right and I do appreciate that and I

601
00:28:54,790 --> 00:28:52,460
appreciate what I've experienced but boy

602
00:28:59,169 --> 00:28:54,800
the average person has got to pretty

603
00:29:01,450 --> 00:28:59,179
well make it you know one faith alone

604
00:29:04,150 --> 00:29:01,460
without something to buy it up and that

605
00:29:05,799 --> 00:29:04,160
is hard and I got obviously look at all

606
00:29:09,640 --> 00:29:05,809
the miracles they had in the Bible they

607
00:29:11,110 --> 00:29:09,650
had those miracles for a reason to shake

608
00:29:12,490 --> 00:29:11,120
people by the shoulders and say look

609
00:29:16,000 --> 00:29:12,500
look look you understand this this is

610
00:29:17,680 --> 00:29:16,010
not normal comes here you know like like

611
00:29:21,100 --> 00:29:17,690
Jesus with the loaves and the fishes I

612
00:29:23,500 --> 00:29:21,110
mean things did happen here right and

613
00:29:25,000 --> 00:29:23,510

I've those were always raised enough

614

00:29:26,799 --> 00:29:25,010

that I raise people from the dead for

615

00:29:28,180 --> 00:29:26,809

goodness sakes any rate we should be

616

00:29:30,490 --> 00:29:28,190

coming to our first break right now

617

00:29:39,730 --> 00:29:30,500

let's take it in though we'll be right

618

00:29:42,160 --> 00:29:39,740

back three to go well Heidi I don't know

619

00:29:45,940 --> 00:29:42,170

I guess like I say some people just have

620

00:29:47,260 --> 00:29:45,950

to make it on dry faith but see that was

621

00:29:50,290 --> 00:29:47,270

the trouble in the Episcopal Church

622

00:29:52,210 --> 00:29:50,300

there was never any fire in lightning

623

00:29:54,010 --> 00:29:52,220

like there is in the Catholic Church the

624

00:29:56,860 --> 00:29:54,020

Baptist Church or some other churches

625

00:29:59,260 --> 00:29:56,870

it's I mean I'm not saying there aren't

626

00:30:02,320 --> 00:29:59,270

good Episcopalians out there but let's

627

00:30:05,470 --> 00:30:02,330

put it this way I never heard of the

628

00:30:05,740 --> 00:30:05,480

things outside of the in the Episcopal

629

00:30:08,410 --> 00:30:05,750

Church

630

00:30:09,790 --> 00:30:08,420

that have occurred that I've experienced

631

00:30:16,480 --> 00:30:09,800

in the Catholic Church they experience

632

00:30:19,590 --> 00:30:16,490

every day I mean it's just I'd like to

633

00:30:23,560 --> 00:30:19,600

write a book similar to what your

634

00:30:25,510 --> 00:30:23,570

topical issues you write on about about

635

00:30:29,530 --> 00:30:25,520

Eucharistic miracles and things I mean

636

00:30:32,290 --> 00:30:29,540

stuff that is so tied together with

637

00:30:34,060 --> 00:30:32,300

science that you'd have to be a nitwit

638

00:30:36,220 --> 00:30:34,070

to not realize it's true like we had a

639

00:30:38,110 --> 00:30:36,230

show on our on the Kevin cook show on

640

00:30:39,550 --> 00:30:38,120

inception radio about Eucharistic

641

00:30:42,340 --> 00:30:39,560

miracles where Heidi I'm talking about

642

00:30:45,360 --> 00:30:42,350

stuff that's been submitted to 200

643

00:30:47,830 --> 00:30:45,370

different talk Turkish you know and

644

00:30:50,950 --> 00:30:47,840

we're elements of the host that's in the

645

00:30:53,110 --> 00:30:50,960

mass or are bleeding and there's no way

646

00:30:54,970 --> 00:30:53,120

that was fabricated I mean they've had

647

00:30:57,700 --> 00:30:54,980

its in storage some of them for a couple

648

00:30:59,530 --> 00:30:57,710

hundred years and it shows to be living

649

00:31:03,070 --> 00:30:59,540

tissue and so forth and so on cardiac

650

00:31:05,350 --> 00:31:03,080

tissue with that and I mean you can't

651

00:31:07,690 --> 00:31:05,360

deny it I mean it's just like it's right

652

00:31:09,040 --> 00:31:07,700

there it's just like you know it's like

653

00:31:12,490 --> 00:31:09,050

your truck when you get into it in the

654

00:31:16,950 --> 00:31:12,500

morning it's there all right and that's

655

00:31:27,670 --> 00:31:22,480

the story of Jesus having shown his

656

00:31:29,380 --> 00:31:27,680

wounds on his hands and saying you know

657

00:31:31,810 --> 00:31:29,390

blessed are those who believe and have

658

00:31:35,440 --> 00:31:31,820

not seen me so yes you know your

659

00:31:37,510 --> 00:31:35,450

miracles are cool but I find that

660

00:31:39,670 --> 00:31:37,520

sometimes people look for these things

661

00:31:41,110 --> 00:31:39,680

in order to increase their faith and and

662

00:31:43,900 --> 00:31:41,120

that's where I have a bit of a problem

663

00:31:47,560 --> 00:31:43,910

because it's like you should be able to

664

00:31:50,020 --> 00:31:47,570

be fine without looking searching

665

00:31:51,640 --> 00:31:50,030

certified I don't know I know I know

666

00:31:52,810 --> 00:31:51,650

what you're saying blessed are those who

667

00:31:55,300 --> 00:31:52,820

haven't seen and believed yeah I

668

00:31:57,700 --> 00:31:55,310

understand that I guess what it is

669

00:32:01,300 --> 00:31:57,710

though Heidi is that the regular

670

00:32:02,950 --> 00:32:01,310

day-to-day circumstances are so New

671

00:32:05,260 --> 00:32:02,960

Yorkers knew a good deal when they see

672

00:32:08,290 --> 00:32:05,270

and get four lines for \$40 per line per

675

680

00:32:31,420 --> 00:32:27,030

for all now \$40 per month a value for a

681

00:32:37,310 --> 00:32:34,610

suffocating you no job issues money

682

00:32:39,740 --> 00:32:37,320

issues marital issues blah blah blah

683

00:32:42,890 --> 00:32:39,750

health issues whatever that it's like

684

00:32:46,100 --> 00:32:42,900

people are just bombarded with the cares

685

00:32:49,070 --> 00:32:46,110

of the world and understandably you know

686

00:32:50,570 --> 00:32:49,080

I mean you know things are not spy t'v

687

00:32:53,060 --> 00:32:50,580

all the SAS things are not good

688

00:32:54,770 --> 00:32:53,070

economically people don't make near the

689

00:32:58,220 --> 00:32:54,780

money for their jobs that they used to

690

00:33:00,050 --> 00:32:58,230

allowing for inflation and you know

691

00:33:03,350 --> 00:33:00,060

that's a difficulty factor in their

692

00:33:05,120 --> 00:33:03,360

regular lives and what one out of two

693

00:33:06,860 --> 00:33:05,130

marriages bites the dust so I mean

694

00:33:09,530 --> 00:33:06,870

that's another thing that keeps people's

695

00:33:11,630 --> 00:33:09,540

lives fomented up so I mean there's so

696

00:33:14,990 --> 00:33:11,640

many things distract you from God and

697

00:33:18,170 --> 00:33:15,000

godly issues that I can understand that

698

00:33:20,960 --> 00:33:18,180

there's problems and I do feel very

699

00:33:23,210 --> 00:33:20,970

thankful for your experiences and for

700

00:33:32,300 --> 00:33:23,220

mine and other people's that they don't

701
00:33:38,960 --> 00:33:32,310
have to guess they don't have to because

702
00:33:40,820 --> 00:33:38,970
it's just like when they see a UFO and

703
00:33:43,850 --> 00:33:40,830
they think eyes are playing tricks on me

704
00:33:47,240 --> 00:33:43,860
and I see it for myself it's very much

705
00:33:49,250 --> 00:33:47,250
like you know I got shook from the

706
00:33:51,860 --> 00:33:49,260
inside out I knew what it was I had

707
00:33:55,880 --> 00:33:51,870
experienced and I knew who I experienced

708
00:33:58,280 --> 00:33:55,890
and yes Jesus Christ and for me you

709
00:34:00,260 --> 00:33:58,290
haven't been a huge skeptic I was such a

710
00:34:05,840 --> 00:34:00,270
skeptic I wrote about it in my first

711
00:34:08,060 --> 00:34:05,850
book the secret war how people who would

712
00:34:11,950 --> 00:34:08,070
say that oh jesus is in my bowl of soup

713
00:34:14,480 --> 00:34:11,960

or a tree trunk and I'm like no yeah

714

00:34:17,840 --> 00:34:14,490

ridiculous that I'd actually criticized

715

00:34:20,210 --> 00:34:17,850

it in my book saying you know this this

716

00:34:21,500 --> 00:34:20,220

is but if Jesus were around I think I

717

00:34:23,389 --> 00:34:21,510

would have seen him by now I know people

718

00:34:23,599 --> 00:34:23,399

are seeing them in the cloud you know it

719

00:34:25,639 --> 00:34:23,609

is

720

00:34:30,919 --> 00:34:25,649

you know well they call that they call

721

00:34:36,249 --> 00:34:30,929

that matrix experience that I did seeing

722

00:34:39,289 --> 00:34:36,259

him I was very much moved and for me to

723

00:34:41,539 --> 00:34:39,299

be as moved as I was I had to go and

724

00:34:44,119 --> 00:34:41,549

rewrite that chapter though I left parts

725

00:34:46,460 --> 00:34:44,129

of my skepticism in there and the change

726

00:34:48,169 --> 00:34:46,470

and why the change happened because just

727

00:34:51,190 --> 00:34:48,179

before I put out the secret war because

728

00:34:54,289 --> 00:34:51,200

when I'd had my Jesus encounters and

729

00:34:56,869 --> 00:34:54,299

life changing and and for people who

730

00:34:59,180 --> 00:34:56,879

look at me as the shadow people hat me

731

00:35:00,859 --> 00:34:59,190

on paranormal person and I'm like I

732

00:35:02,359 --> 00:35:00,869

would not be able to do any of this had

733

00:35:04,970 --> 00:35:02,369

I not had the Jesus encounter

734

00:35:07,479 --> 00:35:04,980

experiences and I rely upon those

735

00:35:10,130 --> 00:35:07,489

experiences because one of the things

736

00:35:11,930 --> 00:35:10,140

that Jesus had said to me and it's not

737

00:35:13,849 --> 00:35:11,940

like he had a whole ton of words for me

738

00:35:15,499 --> 00:35:13,859

either it wasn't like I don't know how

739

00:35:17,479 --> 00:35:15,509

some people have had encounters with him

740

00:35:25,609 --> 00:35:17,489

and have like chapters to write up his

741

00:35:27,680 --> 00:35:25,619

quotes oh really moving and he told me

742

00:35:29,420 --> 00:35:27,690

not to worry what others thought that

743

00:35:32,420 --> 00:35:29,430

know that he would be there to give me

744

00:35:34,609 --> 00:35:32,430

the word so every time I go to do a show

745

00:35:36,650 --> 00:35:34,619

every time I go to do anything in

746

00:35:38,420 --> 00:35:36,660

regards to these topics cuz I was

747

00:35:40,759 --> 00:35:38,430

painfully shy would you believe it that

748

00:35:43,370 --> 00:35:40,769

I gave up grades in college and would

749

00:35:46,099 --> 00:35:43,380

not do presentations so every time I

750

00:35:48,499 --> 00:35:46,109

would go up and do something I'm like

751
00:35:49,970 --> 00:35:48,509
you know Jesus you promised me you'd

752
00:35:52,339 --> 00:35:49,980
give me the words and now I'm holding

753
00:35:55,849 --> 00:35:52,349
you to it because you know every time

754
00:35:57,829 --> 00:35:55,859
it's not there's no other reason that I

755
00:36:01,370 --> 00:35:57,839
do what I do because it has to do only

756
00:36:03,259 --> 00:36:01,380
for the the purpose said yeah he asked

757
00:36:05,450 --> 00:36:03,269
me to he asked me to finish writing my

758
00:36:08,349 --> 00:36:05,460
book the secret word a war and not to

759
00:36:11,059 --> 00:36:08,359
worry what others told spoke of it so I

760
00:36:13,309 --> 00:36:11,069
finished it and you know gotta follow

761
00:36:15,470 --> 00:36:13,319
your heart and gut on these things and

762
00:36:19,039 --> 00:36:15,480
and also if Jesus asked you to do a

763
00:36:23,479 --> 00:36:19,049

favor not to be shy about it well yeah I

764

00:36:26,349 --> 00:36:23,489

guess so I guess so but I I don't know I

765

00:36:29,180 --> 00:36:26,359

I guess I feel done very thankful that I

766

00:36:31,489 --> 00:36:29,190

because I mentioned in other shows we do

767

00:36:33,739 --> 00:36:31,499

we've done before on our regular

768

00:36:35,690 --> 00:36:33,749

Kevin Cooke show about how I've had

769

00:36:37,339 --> 00:36:35,700

these experiences and the Catholic

770

00:36:39,769 --> 00:36:37,349

Church and I tell my priest about

771

00:36:41,960 --> 00:36:39,779

I said what's up with this and basically

772

00:36:44,690 --> 00:36:41,970

the thrust of it is it's very frequent

773

00:36:46,880 --> 00:36:44,700

that people have them it's not like you

774

00:36:51,009 --> 00:36:46,890

know a blue moon thing it has it's a

775

00:36:53,210 --> 00:36:51,019

regularized basis and it makes it

776

00:36:56,180 --> 00:36:53,220

certainly more comfortable I mean your

777

00:36:57,529 --> 00:36:56,190

your faith is reassured all the time and

778

00:37:00,200 --> 00:36:57,539

like I said that the about the

779

00:37:02,029 --> 00:37:00,210

Eucharistic miracle thing you go there

780

00:37:03,739 --> 00:37:02,039

and visit these places where they've got

781

00:37:06,140 --> 00:37:03,749

them stored and stare at it and read the

782

00:37:07,940 --> 00:37:06,150

medical reports and all that it just

783

00:37:12,229 --> 00:37:07,950

makes it a little easier going I guess

784

00:37:18,729 --> 00:37:12,239

but yeah so so you're gonna put this

785

00:37:21,170 --> 00:37:18,739

book out this next one out aiming for

786

00:37:23,829 --> 00:37:21,180

maybe in about three weeks or so I'm

787

00:37:26,690 --> 00:37:23,839

trying to get some things lined up and I

788

00:37:29,239 --> 00:37:26,700

got distracted with someone who wanted

789

00:37:31,910 --> 00:37:29,249

to help put the book out and then had

790

00:37:34,969 --> 00:37:31,920

some issues going on and help promote

791

00:37:37,219 --> 00:37:34,979

the book I should say and yeah so it

792

00:37:39,880 --> 00:37:37,229

just got delayed with that

793

00:37:42,739 --> 00:37:39,890

dilly-dallying and I'm just like look I

794

00:37:45,049 --> 00:37:42,749

people need this now and you know it's

795

00:37:47,569 --> 00:37:45,059

just like what people tell me oh gosh I

796

00:37:50,509 --> 00:37:47,579

hope that you know the world ends soon

797

00:37:53,089 --> 00:37:50,519

and you know things are so bad I'm like

798

00:37:55,789 --> 00:37:53,099

you know what I like think about it if

799

00:37:58,519 --> 00:37:55,799

the world ended soon look at how many

800

00:38:01,099 --> 00:37:58,529

people we would lose because there are

801
00:38:04,519 --> 00:38:01,109
so many lost souls out there who've not

802
00:38:06,680 --> 00:38:04,529
only lost their faith well so it's like

803
00:38:08,839 --> 00:38:06,690
it's a matter of you know getting these

804
00:38:10,880 --> 00:38:08,849
people to wake up and look to the

805
00:38:12,319 --> 00:38:10,890
brighter side in the lighter side and to

806
00:38:15,349 --> 00:38:12,329
God for crying out loud

807
00:38:17,930 --> 00:38:15,359
and not being shy about saying guess

808
00:38:21,349 --> 00:38:17,940
what I believe in God guess what I'm

809
00:38:24,739 --> 00:38:21,359
Christian you know it's like this big

810
00:38:27,380 --> 00:38:24,749
taboo now to say that and I remember a

811
00:38:28,910 --> 00:38:27,390
time being in the paranormal and the UFO

812
00:38:31,549 --> 00:38:28,920
stuff and putting out the books that I

813
00:38:34,130 --> 00:38:31,559

did and and so many people writing me

814

00:38:37,519 --> 00:38:34,140

saying like they didn't think they were

815

00:38:40,009 --> 00:38:37,529

allowed to believe UFOs existed and to

816

00:38:46,339 --> 00:38:40,019

keep their faith and to I'm like what

817

00:38:49,249 --> 00:38:46,349

like like it was somehow well there's uh

818

00:38:49,870 --> 00:38:49,259

it's okay it's okay it's just like a pet

819

00:38:51,670 --> 00:38:49,880

your head

820

00:38:56,650 --> 00:38:51,680

your stomach at the same time it's okay

821

00:38:59,530 --> 00:38:56,660

if you could there is a certain tendency

822

00:39:03,090 --> 00:38:59,540

and some evangelical communities to view

823

00:39:05,080 --> 00:39:03,100

UFOs as being a demonic of demonic aura

824

00:39:09,520 --> 00:39:05,090

jh4 I've heard that before

825

00:39:11,170 --> 00:39:09,530

I think it goes according to what you

826

00:39:13,000 --> 00:39:11,180

think and how you treat it

827

00:39:14,950 --> 00:39:13,010

it's not about bowing down and get on

828

00:39:17,140 --> 00:39:14,960

your hands and knees to worship aliens

829

00:39:18,910 --> 00:39:17,150

that's acknowledging there may be life

830

00:39:20,350 --> 00:39:18,920

out there even the Vatican is

831

00:39:23,740 --> 00:39:20,360

acknowledged it may be brothers and

832

00:39:27,060 --> 00:39:23,750

sisters Oh governed by the same God and

833

00:39:29,800 --> 00:39:27,070

it's like it's okay everybody you know

834

00:39:31,690 --> 00:39:29,810

it's it's like acknowledging there may

835

00:39:36,550 --> 00:39:31,700

be breeds of dogs out there you don't

836

00:39:38,020 --> 00:39:36,560

know well even in the Bible Jesus said

837

00:39:39,910 --> 00:39:38,030

that in my father's house are many

838

00:39:42,940 --> 00:39:39,920

mansions and I go to prepare a place for

839

00:39:44,680 --> 00:39:42,950

you but he alluded to already different

840

00:39:47,170 --> 00:39:44,690

aspects or dimensions or whatever you

841

00:39:48,670 --> 00:39:47,180

want to call it already existing and I

842

00:39:51,880 --> 00:39:48,680

go to prepare a place for you and

843

00:39:55,270 --> 00:39:51,890

talking about human time so so there is

844

00:39:58,660 --> 00:39:55,280

diversities what I'm saying yes and even

845

00:40:01,660 --> 00:39:58,670

in the Bible there was a group that was

846

00:40:03,850 --> 00:40:01,670

referred to as Watchers and they weren't

847

00:40:06,280 --> 00:40:03,860

angels per se and they weren't demons

848

00:40:10,240 --> 00:40:06,290

but they were Watchers and and somehow

849

00:40:11,680 --> 00:40:10,250

that there was a biblical warnings about

850

00:40:13,900 --> 00:40:11,690

not messing with them or something like

851

00:40:16,530 --> 00:40:13,910

that but they weren't characterized as

852

00:40:18,150 --> 00:40:16,540

demons per se just washers or some

853

00:40:21,280 --> 00:40:18,160

bleed-over

854

00:40:23,170 --> 00:40:21,290

entities or whatever so I mean that this

855

00:40:26,890 --> 00:40:23,180

has been alluded to in the Bible before

856

00:40:29,680 --> 00:40:26,900

ya know what gets jumbled in people's

857

00:40:32,440 --> 00:40:29,690

perception sometimes in regards to the

858

00:40:36,340 --> 00:40:32,450

paranormal and UFOs and whatnot and I

859

00:40:38,020 --> 00:40:36,350

think because people sometimes wonder

860

00:40:40,540 --> 00:40:38,030

why something would look their way

861

00:40:43,030 --> 00:40:40,550

paranormal or otherwise that well they

862

00:40:45,670 --> 00:40:43,040

may have darker ties and so they were

863

00:40:51,400 --> 00:40:45,680

all very possibly it could but I'm just

864

00:40:53,230 --> 00:40:51,410

saying that like well I have to admit

865

00:40:56,620 --> 00:40:53,240

that even I wonder about the ghostly

866

00:40:59,560 --> 00:40:56,630

thing but the Bible spoke of ghosts even

867

00:41:02,260 --> 00:40:59,570

Jesus spoke of ghosts now where they fit

868

00:41:03,650 --> 00:41:02,270

in the hierarchy of things I don't know

869

00:41:08,070 --> 00:41:03,660

I mean

870

00:41:10,830 --> 00:41:08,080

mm cases where old grandpa comes back

871

00:41:12,660 --> 00:41:10,840

and then a dream tells his grandson

872

00:41:15,750 --> 00:41:12,670

that's okay Louie I'm all right or

873

00:41:17,790 --> 00:41:15,760

whatever and I mean this is there's a

874

00:41:20,430 --> 00:41:17,800

fella that I know in business is a

875

00:41:21,960 --> 00:41:20,440

pretty sharp old guy and his older

876

00:41:24,810 --> 00:41:21,970

brother died and he had a very vivid

877

00:41:26,520 --> 00:41:24,820

dream that he this guy came visit him so

878

00:41:31,740 --> 00:41:26,530

I just want you know I'm all right like

879

00:41:33,120 --> 00:41:31,750

that and this guy's like ghosts are

880

00:41:41,250 --> 00:41:33,130

those things that linger around and

881

00:41:49,530 --> 00:41:41,260

knock stuff over what kind of thing yeah

882

00:41:51,660 --> 00:41:49,540

that's what it was a knocking on my face

883

00:41:53,610 --> 00:41:51,670

it's over or something yeah well no I

884

00:41:55,860 --> 00:41:53,620

appreciate that but there's been untold

885

00:41:58,740 --> 00:41:55,870

stories of that kind of I experienced

886

00:42:02,610 --> 00:41:58,750

one like it I guess I could mention now

887

00:42:05,310 --> 00:42:02,620

that one in church actually that was

888

00:42:07,350 --> 00:42:05,320

kind of like that uh remember the one I

889

00:42:09,120 --> 00:42:07,360

spoke up about when I was in Mass and I

890

00:42:13,070 --> 00:42:09,130

started feeling a grieving in the pit of

891

00:42:18,000 --> 00:42:16,170

sorry well what it was that's okay what

892

00:42:20,310 --> 00:42:18,010

it was was I wasn't this is about a

893

00:42:23,460 --> 00:42:20,320

little shy of a year ago close to a year

894

00:42:26,430 --> 00:42:23,470

ago I was uh going through mass in the

895

00:42:28,380 --> 00:42:26,440

normal way and it was about halfway done

896

00:42:31,050 --> 00:42:28,390

and I started feeling a real grieving

897

00:42:32,670 --> 00:42:31,060

feeling in the pit of my stomach but for

898

00:42:36,690 --> 00:42:32,680

a guy that was like a second father to

899

00:42:38,910 --> 00:42:36,700

me and and this was strange because you

900

00:42:41,160 --> 00:42:38,920

know I'm not overly emotional person and

901
00:42:44,490 --> 00:42:41,170
you know the guy had been dead for 25

902
00:42:49,530 --> 00:42:44,500
years it wasn't like you know you know

903
00:42:52,440 --> 00:42:49,540
an immediate shocking thing and this was

904
00:42:54,390 --> 00:42:52,450
like hydeia like like you just got a

905
00:42:55,920 --> 00:42:54,400
phone call and your sister was in a car

906
00:42:58,920 --> 00:42:55,930
wreck or something right I mean that

907
00:43:02,370 --> 00:42:58,930
kind of imminent powerful punch in the

908
00:43:03,900 --> 00:43:02,380
stomach kind of feeling right and uh and

909
00:43:07,140 --> 00:43:03,910
I thought this is strange because it

910
00:43:09,210 --> 00:43:07,150
ain't like me and okay what happened is

911
00:43:11,760 --> 00:43:09,220
I I'm just kind of scratched my head

912
00:43:15,000 --> 00:43:11,770
about it and then I went out to the

913
00:43:16,970 --> 00:43:15,010

parking lot which you know has probably

914

00:43:18,980 --> 00:43:16,980

thousand cars and it

915

00:43:21,190 --> 00:43:18,990

and parked right next to me in Keller

916

00:43:24,830 --> 00:43:21,200

Texas was a car from Atlanta Georgia

917

00:43:26,690 --> 00:43:24,840

where the business was I mean in the

918

00:43:31,070 --> 00:43:26,700

chances those two things in an exact

919

00:43:33,230 --> 00:43:31,080

happening are about zero inhale at like

920

00:43:34,849 --> 00:43:33,240

one of the trillion or something and I

921

00:43:36,470 --> 00:43:34,859

told the priest about he said Kevin if

922

00:43:39,740 --> 00:43:36,480

you think that was a coincidence you're

923

00:43:41,930 --> 00:43:39,750

pretty naive and what it was it was kind

924

00:43:48,050 --> 00:43:41,940

of like a little ghostly visitation kind

925

00:43:49,970 --> 00:43:48,060

of and in a reassuring way and some guy

926
00:43:53,480 --> 00:43:49,980
cared about like a second father kind of

927
00:43:55,730 --> 00:43:53,490
guy and there was no way that anyone

928
00:43:57,410 --> 00:43:55,740
with any wit of intelligence about them

929
00:44:01,460 --> 00:43:57,420
would not see that that was a contrived

930
00:44:03,500 --> 00:44:01,470
and positive thing and it was reassuring

931
00:44:05,840 --> 00:44:03,510
I and I've experienced things like that

932
00:44:08,420 --> 00:44:05,850
similar things more religious oriented

933
00:44:10,730 --> 00:44:08,430
things but but I mean that I guess that

934
00:44:16,670 --> 00:44:10,740
was a good spiritual contact thing you

935
00:44:18,320 --> 00:44:16,680
know yeah and all my stuff happens by

936
00:44:20,080 --> 00:44:18,330
the way almost all of it in the Catholic

937
00:44:22,670 --> 00:44:20,090
Church I mean nothing there's no well

938
00:44:30,109 --> 00:44:22,680

you know go chasing down ghosts and bars

939

00:44:31,790 --> 00:44:30,119

or hotels or anything oh no I'm not

940

00:44:32,990 --> 00:44:31,800

saying they can't but I mean mine for

941

00:44:34,370 --> 00:44:33,000

some reason I guess this knucklehead

942

00:44:37,370 --> 00:44:34,380

couldn't handle if it wasn't in the

943

00:44:43,070 --> 00:44:37,380

church so cool just keep him confined to

944

00:44:45,020 --> 00:44:43,080

that but I don't know I don't know but

945

00:44:49,250 --> 00:44:45,030

the faith thing I understand the faith

946

00:44:53,390 --> 00:44:49,260

thing is an issue and it's just so hard

947

00:44:55,220 --> 00:44:53,400

and uh you know I have a battle all the

948

00:44:57,680 --> 00:44:55,230

time like my business partner will be

949

00:45:00,140 --> 00:44:57,690

you know he and I Drive around doing

950

00:45:01,940 --> 00:45:00,150

sales calls and you know he knows I'm

951
00:45:04,040 --> 00:45:01,950
big Christian and all that and he'd say

952
00:45:05,840 --> 00:45:04,050
you know oh wise God allow this wise God

953
00:45:11,410 --> 00:45:05,850
allow that and I frankly a lot of times

954
00:45:30,830 --> 00:45:29,090
Wow the idea being tackled the topic of

955
00:45:31,099 --> 00:45:30,840
faith in the mare that I did because I

956
00:45:32,630 --> 00:45:31,109
think

957
00:45:36,589 --> 00:45:32,640
people are way too hard in themselves

958
00:45:38,479 --> 00:45:36,599
and need to start taking it a little bit

959
00:45:41,359 --> 00:45:38,489
a little bit easier on themselves and

960
00:45:43,039 --> 00:45:41,369
you know keeping an open mind to this

961
00:45:46,309 --> 00:45:43,049
crazy world that we live in that there

962
00:45:48,589 --> 00:45:46,319
are different levels of dimensions going

963
00:45:50,660 --> 00:45:48,599

on here I mean we believe in the holy

964

00:45:52,729 --> 00:45:50,670

spirit for crying out loud what is the

965

00:45:55,069 --> 00:45:52,739

whole spirit you can't poke your finger

966

00:45:56,989 --> 00:45:55,079

and its eye so what are we talking about

967

00:45:59,479 --> 00:45:56,999

you know God is everywhere well that's

968

00:46:01,339 --> 00:45:59,489

another kind of level of something - and

969

00:46:03,650 --> 00:46:01,349

it's like a Jesus ascended well where'd

970

00:46:05,390 --> 00:46:03,660

he go you know so there's a lot of

971

00:46:09,410 --> 00:46:05,400

different levels of understanding that I

972

00:46:11,210 --> 00:46:09,420

think that people need to you know take

973

00:46:16,279 --> 00:46:11,220

it all in there's there's a lot going on

974

00:46:18,829 --> 00:46:16,289

on this planet that we can't oh yes I

975

00:46:22,009 --> 00:46:18,839

know there is a way to understand and to

976

00:46:24,109 --> 00:46:22,019

be open and to observe it and to filter

977

00:46:26,809 --> 00:46:24,119

into your life without freaking out too

978

00:46:29,569 --> 00:46:26,819

much and acknowledging UFOs may be out

979

00:46:33,019 --> 00:46:29,579

there and ghosts and spirits and angels

980

00:46:34,759 --> 00:46:33,029

God all that demons you know and it's

981

00:46:36,769 --> 00:46:34,769

okay it's okay if it's a little

982

00:46:39,380 --> 00:46:36,779

confusing at first but I think as you

983

00:46:42,170 --> 00:46:39,390

take baby steps understand one element

984

00:46:45,739 --> 00:46:42,180

move to the next element see how the two

985

00:46:47,150 --> 00:46:45,749

interrelate and work together it just

986

00:46:47,900 --> 00:46:47,160

pulls together and it starts to make

987

00:46:51,319 --> 00:46:47,910

more sense

988

00:46:53,539 --> 00:46:51,329

I affirm myself I don't feel clouded in

989

00:46:55,999 --> 00:46:53,549

my thoughts and what it is that I've

990

00:46:58,970 --> 00:46:56,009

experienced it I don't feel confusing I

991

00:47:00,650 --> 00:46:58,980

think things happen in the order that

992

00:47:07,759 --> 00:47:00,660

they did I don't know if you want to go

993

00:47:11,359 --> 00:47:07,769

into my stuff yet before thing but but I

994

00:47:13,430 --> 00:47:11,369

grew up in a haunted house and I saw I

995

00:47:16,819 --> 00:47:13,440

knew other reality is existed and

996

00:47:18,710 --> 00:47:16,829

something that was very scary was

997

00:47:20,569 --> 00:47:18,720

happening my family and I we were

998

00:47:23,539 --> 00:47:20,579

experiencing something that we knew who

999

00:47:25,309 --> 00:47:23,549

wasn't typical and you know we didn't

1000

00:47:27,410 --> 00:47:25,319

speak of it to our school friends and

1001
00:47:29,390 --> 00:47:27,420
and everything and we're very relieved

1002
00:47:31,579 --> 00:47:29,400
and happy when we moved to a brand new

1003
00:47:33,079 --> 00:47:31,589
house at my parents built so they

1004
00:47:37,910 --> 00:47:33,089
wouldn't have to deal with a haunting

1005
00:47:40,579 --> 00:47:37,920
any longer and from then on I lived out

1006
00:47:42,049 --> 00:47:40,589
in the what was country enough for me

1007
00:47:44,280 --> 00:47:42,059
was on the outskirts in Milwaukee

1008
00:47:45,570 --> 00:47:44,290
Wisconsin and

1009
00:47:47,670 --> 00:47:45,580
didn't have many street lights or

1010
00:47:49,950 --> 00:47:47,680
anything and there was a couple farms

1011
00:47:51,780 --> 00:47:49,960
around the area and neighbors had horses

1012
00:47:54,210 --> 00:47:51,790
that would come up every once awhile you

1013
00:47:57,420 --> 00:47:54,220

know it's like it was a little little

1014

00:47:59,760 --> 00:47:57,430

country and I would walk it to where I

1015

00:48:03,810 --> 00:47:59,770

needed to go and I would see strange

1016

00:48:06,540 --> 00:48:03,820

lights in the sky and it yeah it's like

1017

00:48:08,280 --> 00:48:06,550

they would do 90-degree angle turns and

1018

00:48:10,770 --> 00:48:08,290

kind of get too bright come a little

1019

00:48:13,260 --> 00:48:10,780

lower go back up and I'm like you know

1020

00:48:17,580 --> 00:48:13,270

I'm seeing something that's really out

1021

00:48:19,680 --> 00:48:17,590

of the ordinary and then as I know how

1022

00:48:22,110 --> 00:48:19,690

old I was I think it was about 12 13 I

1023

00:48:24,630 --> 00:48:22,120

started having out-of-body experiences

1024

00:48:28,260 --> 00:48:24,640

and oh really how those do oh my

1025

00:48:31,740 --> 00:48:28,270

goodness it one that really floored me

1026

00:48:35,130 --> 00:48:31,750

because I just this is this is really

1027

00:48:37,730 --> 00:48:35,140

wild so the first one that I recall and

1028

00:48:40,710 --> 00:48:37,740

I shared a room with my younger sister

1029

00:48:43,530 --> 00:48:40,720

so I had to be about 12 or something and

1030

00:48:47,280 --> 00:48:43,540

I woke up because I felt something cold

1031

00:48:49,950 --> 00:48:47,290

on my cheek and rough and I'm like gosh

1032

00:48:52,890 --> 00:48:49,960

what is that and I go to to you know

1033

00:49:01,410 --> 00:48:52,900

pull my head up to look and it was the

1034

00:49:04,100 --> 00:49:01,420

ceiling oh okay see my body and boom I

1035

00:49:08,090 --> 00:49:04,110

went back into it with us Mac like Oh

1036

00:49:11,550 --> 00:49:08,100

what on earth and I don't know how much

1037

00:49:15,420 --> 00:49:11,560

later I had another out-of-body

1038

00:49:18,420 --> 00:49:15,430

experience and I remember going around

1039

00:49:21,780 --> 00:49:18,430

the neighborhood and and the the place

1040

00:49:24,840 --> 00:49:21,790

where were a nearby where I lived it was

1041

00:49:26,550 --> 00:49:24,850

a model home area so they're brand new

1042

00:49:28,650 --> 00:49:26,560

empty houses people would come and look

1043

00:49:31,890 --> 00:49:28,660

at them and decide if they want to build

1044

00:49:33,300 --> 00:49:31,900

that house somewhere so it was

1045

00:49:36,870 --> 00:49:33,310

interesting me and my sister go and

1046

00:49:38,880 --> 00:49:36,880

explore them it was fun but so so the

1047

00:49:40,830 --> 00:49:38,890

area was it was really you know starting

1048

00:49:44,430 --> 00:49:40,840

to build up a little bit here and there

1049

00:49:47,010 --> 00:49:44,440

like and I was I remember going low by

1050

00:49:50,190 --> 00:49:47,020

the trees and feeling the cool leaves

1051
00:49:52,320 --> 00:49:50,200
and stuff and and this one time I I went

1052
00:49:56,010 --> 00:49:52,330
a little bit further out and I saw these

1053
00:49:56,580 --> 00:49:56,020
two towers being built and I'm like well

1054
00:49:58,109 --> 00:49:56,590
that's weird

1055
00:50:00,779 --> 00:49:58,119
I don't know of those

1056
00:50:03,660 --> 00:50:00,789
be there you know what is that and you

1057
00:50:05,370 --> 00:50:03,670
know I got confirmation I think it was

1058
00:50:07,170 --> 00:50:05,380
the following week when my parents drove

1059
00:50:09,480 --> 00:50:07,180
past there sure enough two towers were

1060
00:50:11,130 --> 00:50:09,490
being built it I was like that really

1061
00:50:12,839 --> 00:50:11,140
happened that you know that's when it

1062
00:50:15,539 --> 00:50:12,849
really hit me sure sure

1063
00:50:18,269 --> 00:50:15,549

but what really really hit me this is a

1064

00:50:23,009 --> 00:50:18,279

crazy one I don't this this is just

1065

00:50:25,730 --> 00:50:23,019

beyond so my sister and I and neighbor

1066

00:50:29,069 --> 00:50:25,740

kids are playing in our backyard and we

1067

00:50:31,049 --> 00:50:29,079

had this linoleum sighting or aluminum

1068

00:50:34,380 --> 00:50:31,059

siding I'm sorry on the side of the

1069

00:50:37,230 --> 00:50:34,390

house and and this we're walking by and

1070

00:50:39,870 --> 00:50:37,240

talking to me my sister and and I look

1071

00:50:44,130 --> 00:50:39,880

up and on the side like right outside of

1072

00:50:46,140 --> 00:50:44,140

our bedroom window what was and it was

1073

00:50:48,739 --> 00:50:46,150

kind of a matte finish to this aluminum

1074

00:50:53,759 --> 00:50:48,749

siding but I write on the outside were

1075

00:50:57,470 --> 00:50:53,769

sweaty feet footprint Oh footprints

1076
00:51:01,440 --> 00:50:57,480
going straight up the side of the house

1077
00:51:05,940 --> 00:51:01,450
it all the way to the roof no it was a

1078
00:51:08,789 --> 00:51:05,950
ranch-style house so it's one story and

1079
00:51:10,859 --> 00:51:08,799
I'm like what you know it's the house

1080
00:51:16,259 --> 00:51:10,869
that the son had to hit it just right

1081
00:51:18,930 --> 00:51:16,269
and it just glistened and I'm like whose

1082
00:51:21,329 --> 00:51:18,940
footprints and I'm like I said oh my

1083
00:51:24,029 --> 00:51:21,339
gosh I had that out-of-body dream you

1084
00:51:33,180 --> 00:51:24,039
know and and I took my shoe off and I

1085
00:51:36,059 --> 00:51:33,190
put my foot but I'm like oh my dad and

1086
00:51:39,509 --> 00:51:36,069
we're like you know dad look at this and

1087
00:51:42,390 --> 00:51:39,519
he comes out and he's like you girls are

1088
00:51:45,450 --> 00:51:42,400

playing a joke I mean I sure feel like

1089

00:51:50,339 --> 00:51:45,460

dad how on earth could we do that

1090

00:51:52,799 --> 00:51:50,349

get our I mean yeah I mean how did you

1091

00:51:54,930 --> 00:51:52,809

pull that prank oh hell I remember being

1092

00:51:58,620 --> 00:51:54,940

absolutely stunned and looking and

1093

00:52:03,180 --> 00:51:58,630

knowing like oh my gosh I did this how

1094

00:52:06,839 --> 00:52:03,190

you know I just I just didn't know how

1095

00:52:10,470 --> 00:52:06,849

to fit it in and figure it out it was

1096

00:52:11,269 --> 00:52:10,480

just so bizarre but um yeah so that's

1097

00:52:13,609 --> 00:52:11,279

sort of my life

1098

00:52:15,409 --> 00:52:13,619

to the paranormal and then you know I'm

1099

00:52:18,169 --> 00:52:15,419

like what what is this everywhere I move

1100

00:52:20,409 --> 00:52:18,179

every place I go paranormal things would

1101
00:52:24,739 --> 00:52:20,419
be happening or I would be having these

1102
00:52:26,779 --> 00:52:24,749
premonition like dreams and it wasn't

1103
00:52:29,779 --> 00:52:26,789
something I associated with being a

1104
00:52:33,169 --> 00:52:29,789
wonderful fun thing I was terrorized as

1105
00:52:34,969 --> 00:52:33,179
a kid with the haunting and the UFO

1106
00:52:37,159 --> 00:52:34,979
lights what scared me walking alone late

1107
00:52:40,009 --> 00:52:37,169
at night for miles in the dark you know

1108
00:52:44,449 --> 00:52:40,019
I'm like oh no you know what are those

1109
00:52:47,989 --> 00:52:44,459
lights up around for and wasn't

1110
00:52:51,409 --> 00:52:47,999
something I enjoyed and then I moved

1111
00:52:52,099 --> 00:52:51,419
into a dormitory and when I went off to

1112
00:52:54,049 --> 00:52:52,109
college

1113
00:52:58,959 --> 00:52:54,059

and wouldn't you know it paranormal

1114

00:53:02,769 --> 00:52:58,969

stuff I told you there too or I mean

1115

00:53:06,409 --> 00:53:02,779

just strange this just strangeness and I

1116

00:53:09,079 --> 00:53:06,419

this this was this is probably the most

1117

00:53:12,769 --> 00:53:09,089

prominent ones it and they kind of lead

1118

00:53:15,019 --> 00:53:12,779

it they tie in together so my sweet mate

1119

00:53:17,269 --> 00:53:15,029

and I we're racing to the elevators

1120

00:53:20,539 --> 00:53:17,279

because we lived on the 23rd floor that

1121

00:53:22,399 --> 00:53:20,549

we have Big O dormitory there are huge

1122

00:53:24,529 --> 00:53:22,409

in there they had three towers and we're

1123

00:53:26,809 --> 00:53:24,539

in the tallest one and 23rd floor you

1124

00:53:28,370 --> 00:53:26,819

did not want to do those stairs and it

1125

00:53:30,529 --> 00:53:28,380

would take forever for the elevators to

1126

00:53:32,749 --> 00:53:30,539

come back so we're running and and we're

1127

00:53:35,449 --> 00:53:32,759

like old elevator we're running and the

1128

00:53:36,979 --> 00:53:35,459

doors popped up open just as they're

1129

00:53:40,699 --> 00:53:36,989

closing and we're like getting on to

1130

00:53:42,819 --> 00:53:40,709

think the person on the elevator and we

1131

00:53:46,969 --> 00:53:42,829

get on and there's nobody there

1132

00:53:49,279 --> 00:53:46,979

and we're like really quiet and we felt

1133

00:53:51,229 --> 00:53:49,289

like a presence there really quiet way

1134

00:53:53,419 --> 00:53:51,239

to say a word till we got to the 23rd

1135

00:53:55,370 --> 00:53:53,429

floor we got off and we're both like did

1136

00:53:58,370 --> 00:53:55,380

you see the girl that was I'm like yes I

1137

00:53:59,870 --> 00:53:58,380

saw the girl I'm like oh my gosh what a

1138

00:54:02,959 --> 00:53:59,880

ghostly figure of a girl

1139

00:54:05,149 --> 00:54:02,969

oh it was she was sullen she said blue

1140

00:54:08,390 --> 00:54:05,159

jeans and a and a leather bomber jacket

1141

00:54:10,849 --> 00:54:08,400

she was blond and and pretty and and

1142

00:54:13,880 --> 00:54:10,859

we're just like oh my gosh I saw her too

1143

00:54:15,499 --> 00:54:13,890

and we're both like what was that yeah

1144

00:54:20,509 --> 00:54:15,509

so where did you see this figure was it

1145

00:54:22,299 --> 00:54:20,519

in the elevator itself or the door are

1146

00:54:25,179 --> 00:54:22,309

you Oh

1147

00:54:27,160 --> 00:54:25,189

doors for us and we're just like what

1148

00:54:30,910 --> 00:54:27,170

the heck so now this gets even creepier

1149

00:54:34,569 --> 00:54:30,920

maybe two weeks later I am I had a

1150

00:54:37,839 --> 00:54:34,579

roommate so the suite is four rooms no

1151

00:54:39,099 --> 00:54:37,849

one three rooms and there are two single

1152

00:54:41,380 --> 00:54:39,109

rooms and there was a double room

1153

00:54:47,400 --> 00:54:41,390

I hid a double room with my best friend

1154

00:54:50,559 --> 00:54:47,410

and this one night I wake up to her

1155

00:54:55,120 --> 00:54:50,569

asking me who are you talking to Heidi

1156

00:54:58,420 --> 00:54:55,130

not like I find myself in now my my bed

1157

00:55:00,400 --> 00:54:58,430

is like as at a bunkbed height okay and

1158

00:55:02,499 --> 00:55:00,410

I am standing there pointing out the

1159

00:55:04,120 --> 00:55:02,509

window saying don't do it and I'm

1160

00:55:08,079 --> 00:55:04,130

talking to a blonde girl in the bomber

1161

00:55:09,609 --> 00:55:08,089

jacket oh okay the same girl suitemates

1162

00:55:11,439 --> 00:55:09,619

hear all the commotion it's like 2:00

1163

00:55:12,819 --> 00:55:11,449

3:00 in the morning like what's going on

1164

00:55:15,099 --> 00:55:12,829

I'm like I was telling this girl not to

1165

00:55:18,309 --> 00:55:15,109

jump sure enough we found out later a

1166

00:55:22,269 --> 00:55:18,319

girl head jump from our floor so crazy

1167

00:55:23,769 --> 00:55:22,279

oh yeah so that was it but now okay now

1168

00:55:27,160 --> 00:55:23,779

when she opened the elevator door for

1169

00:55:30,489 --> 00:55:27,170

you was she like a occupant of the car I

1170

00:55:32,259 --> 00:55:30,499

mean you know she opened up the elevator

1171

00:55:36,279 --> 00:55:32,269

to our floor of course you know we're

1172

00:55:38,229 --> 00:55:36,289

going to the 23rd floor but I mean you

1173

00:55:40,419 --> 00:55:38,239

know they never they knew that somebody

1174

00:55:45,039 --> 00:55:40,429

had jumped from either the 23rd or 24th

1175

00:55:46,689 --> 00:55:45,049

floor and I guess what I'm saying is

1176

00:55:48,039 --> 00:55:46,699

when he walked into the elevator was

1177

00:55:50,699 --> 00:55:48,049

she's standing there than you she's

1178

00:55:53,650 --> 00:55:50,709

standing there like a regular person

1179

00:55:55,419 --> 00:55:53,660

like oh we got onto like say thank you

1180

00:55:57,429 --> 00:55:55,429

for opening the door and boom there's

1181

00:55:59,589 --> 00:55:57,439

nobody there oh I got she's just

1182

00:56:01,779 --> 00:55:59,599

disappeared yeah yes you just totally

1183

00:56:03,789 --> 00:56:01,789

disappeared and you know we get off and

1184

00:56:05,890 --> 00:56:03,799

we're both confirming who we saw what we

1185

00:56:09,099 --> 00:56:05,900

saw and then for two weeks later or

1186

00:56:11,169 --> 00:56:09,109

whatever the time was to be waking up

1187

00:56:13,390 --> 00:56:11,179

talking to this girl I'm standing there

1188

00:56:14,949 --> 00:56:13,400

I came down off my bunk bed standing

1189

00:56:17,109 --> 00:56:14,959

there pointing out the window window

1190

00:56:20,829 --> 00:56:17,119

telling her don't do it

1191

00:56:23,910 --> 00:56:20,839

don't jump and then we confirmed later

1192

00:56:26,589 --> 00:56:23,920

that a girl had jumped from the window

1193

00:56:30,809 --> 00:56:26,599

and we didn't know which room and I'm

1194

00:56:35,579 --> 00:56:34,120

that is wild that is well you know

1195

00:56:38,549 --> 00:56:35,589

that's similar I'm

1196

00:56:40,589 --> 00:56:38,559

I don't know that I guess it's similar

1197

00:56:41,759 --> 00:56:40,599

to the story about the one we mentioned

1198

00:56:45,120 --> 00:56:41,769

earlier when we first started the show

1199

00:56:48,900 --> 00:56:45,130

about the cemetery up your way where the

1200

00:56:50,910 --> 00:56:48,910

woman's asking for a hitchhike to the

1201
00:56:53,099 --> 00:56:50,920
cemetery or whatever it is and I think

1202
00:56:53,999 --> 00:56:53,109
you'd be cycling itself all over again I

1203
00:56:55,829 --> 00:56:54,009
don't know

1204
00:56:59,219 --> 00:56:55,839
I mean religiously I can't even imagine

1205
00:57:00,630 --> 00:56:59,229
what that's all about but I guess it

1206
00:57:03,569 --> 00:57:00,640
happens all the time because whatever

1207
00:57:05,930 --> 00:57:03,579
the local thing is in Dallas the Lady of

1208
00:57:08,430 --> 00:57:05,940
White Rock Lake I don't know I guess she

1209
00:57:09,839 --> 00:57:08,440
had a bad marital encounter and drowned

1210
00:57:14,609 --> 00:57:09,849
herself or something but it keeps

1211
00:57:16,529 --> 00:57:14,619
recycling all it's it's just such a it

1212
00:57:17,880 --> 00:57:16,539
is now one thing about it I'm thankful

1213
00:57:21,479 --> 00:57:17,890

for the religious experiences I've had

1214

00:57:25,890 --> 00:57:21,489

but it is a weird world it's so much

1215

00:57:30,769 --> 00:57:25,900

weirder than my scientist parents

1216

00:57:36,420 --> 00:57:33,509

pictured as Berg described it as being

1217

00:57:40,890 --> 00:57:36,430

it's totally different I think it really

1218

00:57:42,660 --> 00:57:40,900

is but well that Heidi we're just about

1219

00:57:44,969 --> 00:57:42,670

at our second break I guess we could

1220

00:57:50,999 --> 00:57:44,979

take that for a minute and we'll be

1221

00:57:52,170 --> 00:57:51,009

right back all right three two one well

1222

00:57:54,599 --> 00:57:52,180

it's good to be back with Heidi and

1223

00:57:58,799 --> 00:57:54,609

Heidi that that was pretty wild about

1224

00:58:03,989 --> 00:57:58,809

the girl and the elevator and that

1225

00:58:07,109 --> 00:58:03,999

really is something I guess it really

1226

00:58:13,140 --> 00:58:07,119

has I you know for the longest time mine

1227

00:58:14,729 --> 00:58:13,150

wasn't but but so what happened after

1228

00:58:24,479 --> 00:58:14,739

the cot during the college were there

1229

00:58:27,839 --> 00:58:24,489

more experiences interesting aspect well

1230

00:58:32,940 --> 00:58:27,849

I was in college I saw it oh my gosh I'd

1231

00:58:36,959 --> 00:58:32,950

seen some wild UFOs including a massive

1232

00:58:39,719 --> 00:58:36,969

one downtown Milwaukee and I was coming

1233

00:58:41,640 --> 00:58:39,729

home from one of the clubs me my friend

1234

00:58:44,459 --> 00:58:41,650

was going to and I was never a drinker

1235

00:58:48,390 --> 00:58:44,469

and she of course she's driving and so

1236

00:58:49,620 --> 00:58:48,400

she hadn't drink either and I saw this

1237

00:58:52,650 --> 00:58:49,630

bright light to the

1238

00:58:54,359 --> 00:58:52,660

to the right of us and and I'm like you

1239

00:58:56,849 --> 00:58:54,369

know for people from Wisconsin or in

1240

00:58:58,470 --> 00:58:56,859

Milwaukee it was a old Fondulac exit

1241

00:59:01,039 --> 00:58:58,480

that they took down that was close to

1242

00:59:04,920 --> 00:59:01,049

downtown exiting on to the east side of

1243

00:59:06,690 --> 00:59:04,930

Milwaukee and and I'm telling my my

1244

00:59:09,420 --> 00:59:06,700

friend I'm like that's what it's that

1245

00:59:11,910 --> 00:59:09,430

bright light and she looks over it past

1246

00:59:13,769 --> 00:59:11,920

me she's like uh I don't know but isn't

1247

00:59:19,079 --> 00:59:13,779

that the mood and I'm like if it's the

1248

00:59:22,440 --> 00:59:19,089

moon it's going to land on us and this

1249

00:59:24,870 --> 00:59:22,450

thing comes right over the top of us and

1250

00:59:27,990 --> 00:59:24,880

it was absolutely amazing I had never

1251
00:59:31,529 --> 00:59:28,000
seen or even heard of a UFO like this at

1252
00:59:35,220 --> 00:59:31,539
the time now I've heard of some but the

1253
00:59:37,880 --> 00:59:35,230
entire body of this thing glowed an

1254
00:59:41,279 --> 00:59:37,890
orangish reddish color and it almost

1255
00:59:43,920 --> 00:59:41,289
seemed alive the the edges were kind of

1256
00:59:47,730 --> 00:59:43,930
diffused and it was kind of oblong and

1257
00:59:50,460 --> 00:59:47,740
just massive it took up the entire sky I

1258
00:59:52,740 --> 00:59:50,470
would say three football fields and

1259
00:59:56,430 --> 00:59:52,750
lengths just humongous I couldn't see

1260
00:59:59,039 --> 00:59:56,440
past it and my friend she's absolutely

1261
01:00:01,170 --> 00:59:59,049
freaking out and she's like I don't see

1262
01:00:04,680 --> 01:00:01,180
this I don't see this I'm like oh and

1263
01:00:10,920 --> 01:00:04,690

she's all over the road I'm like because

1264

01:00:13,370 --> 01:00:10,930

you're gonna get what is it and the

1265

01:00:16,109 --> 01:00:13,380

thing goes back up into the night sky

1266

01:00:18,930 --> 01:00:16,119

and my friends like you will never hear

1267

01:00:23,730 --> 01:00:18,940

me speak of this ever and this thing

1268

01:00:26,190 --> 01:00:23,740

came back down oh really it did and

1269

01:00:28,799 --> 01:00:26,200

she's like you know almost as if in

1270

01:00:31,470 --> 01:00:28,809

response to her and then in an instant

1271

01:00:34,829 --> 01:00:31,480

it took off towards Lake Michigan it was

1272

01:00:37,019 --> 01:00:34,839

just gone and I'm like oh there is no

1273

01:00:41,039 --> 01:00:37,029

denying of this thing this thing was

1274

01:00:44,640 --> 01:00:41,049

huge and just don't you know how do you

1275

01:00:48,029 --> 01:00:44,650

categorize that so things had gotten to

1276

01:00:51,299 --> 01:00:48,039

be where I'd seen odd UFOs and and

1277

01:00:53,609 --> 01:00:51,309

things like that and I'd also

1278

01:00:56,460 --> 01:00:53,619

experienced something and this goes into

1279

01:01:02,009 --> 01:00:56,470

the topic of shadow people um I was

1280

01:01:03,030 --> 01:01:02,019

living in Iowa for a brief amount of

1281

01:01:06,540 --> 01:01:03,040

time

1282

01:01:07,920 --> 01:01:06,550

and between my college years and I was

1283

01:01:11,070 --> 01:01:07,930

trying to learn about the newspaper

1284

01:01:12,300 --> 01:01:11,080

business and I was staying at my

1285

01:01:15,870 --> 01:01:12,310

friend's house down there and her

1286

01:01:19,230 --> 01:01:15,880

family's home and I stayed in they have

1287

01:01:21,090 --> 01:01:19,240

like this attic bedroom which it just

1288

01:01:28,800 --> 01:01:21,100

spells out a nightmare to begin with but

1289

01:01:31,470 --> 01:01:28,810

so we needed to go to her uncle's house

1290

01:01:33,480 --> 01:01:31,480

and so we're both walking along and we

1291

01:01:36,600 --> 01:01:33,490

walked through this this park that was

1292

01:01:39,210 --> 01:01:36,610

behind a school and I saw something in

1293

01:01:41,840 --> 01:01:39,220

my peripheral vision to my right name I

1294

01:01:44,610 --> 01:01:41,850

thought I saw something shadowy move and

1295

01:01:46,590 --> 01:01:44,620

move from a bush to a tree and I'm like

1296

01:01:49,050 --> 01:01:46,600

what the heck of my friend she always

1297

01:01:50,850 --> 01:01:49,060

kind of walked faster than me and I like

1298

01:01:53,300 --> 01:01:50,860

what did I just see you know what I keep

1299

01:01:56,580 --> 01:01:53,310

walking and I see this thing again and

1300

01:01:59,190 --> 01:01:56,590

again and again the entire time that

1301
01:02:01,740 --> 01:01:59,200
we're walking and it was just a shadowy

1302
01:02:03,390 --> 01:02:01,750
mass hopping from a tree to a bush and

1303
01:02:05,820 --> 01:02:03,400
just ducking behind things and I got a

1304
01:02:09,900 --> 01:02:05,830
good luck thing kind of like shadowing

1305
01:02:13,560 --> 01:02:09,910
you you will hell yeah truly as we're

1306
01:02:14,760 --> 01:02:13,570
walking along I am you know getting more

1307
01:02:16,530 --> 01:02:14,770
and more freaked out this is broad

1308
01:02:18,750 --> 01:02:16,540
daylight and we get to her uncle's house

1309
01:02:20,250 --> 01:02:18,760
and then we turn and we had to bring

1310
01:02:22,680 --> 01:02:20,260
something to him we turn around to come

1311
01:02:25,170 --> 01:02:22,690
back to her home all these for this

1312
01:02:27,270 --> 01:02:25,180
thing to follow us all the way back now

1313
01:02:30,090 --> 01:02:27,280

by the time we reached her home I was

1314

01:02:31,770 --> 01:02:30,100

just beside myself I'm like look I just

1315

01:02:34,680 --> 01:02:31,780

saved hundreds of dollars by switching

1316

01:02:36,930 --> 01:02:34,690

to Geico I'm so happy I feel like I can

1317

01:02:38,340 --> 01:02:36,940

fly disclaimer you will not be able to

1318

01:02:39,630 --> 01:02:38,350

fly by switching to Geico this is

1319

01:02:40,980 --> 01:02:39,640

1330

01:03:07,410 --> 01:02:56,590

Hollywood blockbuster Geico 15 minutes

1331

could save you 15% or more I don't know

1332

01:03:13,620 --> 01:03:10,750

this thing is kind of looks like a Hulk

1333

01:03:15,810 --> 01:03:13,630

ll bulky man with his head directly

1334

01:03:19,380 --> 01:03:15,820

connected to his shoulders

1335

01:03:22,830 --> 01:03:19,390

and with no discernible legs and in

1336

01:03:24,470 --> 01:03:22,840

looking at us this thing I mean I'm

1337

01:03:26,700 --> 01:03:24,480

thinking oh my gosh my friend is gonna

1338

01:03:30,330 --> 01:03:26,710

laugh her head off what she sees my

1339

01:03:31,710 --> 01:03:30,340

drawing and I hand it to her and you

1340

01:03:33,900 --> 01:03:31,720

know prepare for the worst for her

1341

01:03:37,920 --> 01:03:33,910

laughter or she look barely looks at it

1342

01:03:45,660 --> 01:03:37,930

she goes oh that thing oh just clear as

1343

01:03:46,830 --> 01:03:45,670

crystal to her I was a kid let go hey

1344

01:03:49,740 --> 01:03:46,840

dad look

1345

01:03:51,870 --> 01:03:49,750

Heidi saw him too dad comes over well

1346

01:03:52,590 --> 01:03:51,880

let me have a look and it goes oh is he

1347

01:03:58,170 --> 01:03:52,600

back

1348

01:03:59,910 --> 01:03:58,180

I'm like what's going on here by this

1349

01:04:02,940 --> 01:03:59,920

thing and they're very not just a lot

1350

01:04:05,630 --> 01:04:02,950

like and they go on to talk about it

1351

01:04:08,550 --> 01:04:05,640

well yeah they go on to talk about how

1352

01:04:10,320 --> 01:04:08,560

this thing she would scream the middle

1353

01:04:13,200 --> 01:04:10,330

of the night heard running and he would

1354

01:04:15,360 --> 01:04:13,210

see it as well and just grab her and

1355

01:04:18,480 --> 01:04:15,370

bring her out of the room and I was like

1356

01:04:20,240 --> 01:04:18,490

this is this is just crazy so soon after

1357

01:04:22,650 --> 01:04:20,250

that I had to get something from my

1358

01:04:25,710 --> 01:04:22,660

attic bedroom and when you go up the

1359

01:04:28,800 --> 01:04:25,720

stairs this is big black empty Center

1360

01:04:30,750 --> 01:04:28,810

room and I go and I walk through that

1361

01:04:32,100 --> 01:04:30,760

big black Center room and it still broad

1362

01:04:34,920 --> 01:04:32,110

daylight out there was no windows in

1363

01:04:37,290 --> 01:04:34,930

that that Center room but in my room

1364

01:04:39,030 --> 01:04:37,300

there are low windows that had a lot of

1365

01:04:41,130 --> 01:04:39,040

sunshine still coming in so it lit up

1366

01:04:43,860 --> 01:04:41,140

well enough and I go in there grab what

1367

01:04:48,720 --> 01:04:43,870

I needed off my bed I turn around the

1368

01:04:51,720 --> 01:04:48,730

leave and that darn thing was standing

1369

01:04:57,720 --> 01:04:51,730

there blocking my exit out of the room

1370

01:05:01,980 --> 01:04:57,730

and probably ten feet tall Kevin just go

1371

01:05:05,370 --> 01:05:01,990

huge huge and I'm looking at this thing

1372

01:05:08,040 --> 01:05:05,380

and I mean you talk about every element

1373

01:05:12,740 --> 01:05:08,050

of the nightmare coming to life and you

1374

01:05:16,320 --> 01:05:12,750

being alone witnessing this and I'm like

1375

01:05:18,930 --> 01:05:16,330

wow you know so many thoughts go through

1376

01:05:20,070 --> 01:05:18,940

your head and it's like I should run no

1377

01:05:22,110 --> 01:05:20,080

I should swing at it

1378

01:05:24,300 --> 01:05:22,120

nope and I just knew not to do any of

1379

01:05:27,540 --> 01:05:24,310

those things and to take a deep breath

1380

01:05:29,020 --> 01:05:27,550

and start saying it a prayer rolling

1381

01:05:31,570 --> 01:05:29,030

over and over my head

1382

01:05:33,160 --> 01:05:31,580

and I knew if I stood there much longer

1383

01:05:36,490 --> 01:05:33,170

and I felt like this thing what did it

1384

01:05:38,740 --> 01:05:36,500

kill me I felt it was wrongful emanating

1385

01:05:41,890 --> 01:05:38,750

from it us from oh man it was just

1386

01:05:44,200 --> 01:05:41,900

jutting off from it like it just wanted

1387

01:05:47,470 --> 01:05:44,210

to reach out and rip my heart out and I

1388

01:05:50,740 --> 01:05:47,480

think if I had doubted my ability to get

1389

01:05:52,390 --> 01:05:50,750

out of that room for too long that it

1390

01:05:56,200 --> 01:05:52,400

would have succeeded because I thought I

1391

01:05:58,900 --> 01:05:56,210

was gonna pass out so uh I just I just

1392

01:06:04,060 --> 01:05:58,910

kind of started with the prayer and I

1393

01:06:07,750 --> 01:06:04,070

knew walk very carefully towards the

1394

01:06:12,190 --> 01:06:07,760

door and walk through this thing and I

1395

01:06:14,590 --> 01:06:12,200

just didn't I don't even know how and

1396

01:06:17,740 --> 01:06:14,600

people like well they feel like I'm like

1397

01:06:20,980 --> 01:06:17,750

look I was just looking to move out of

1398

01:06:23,770 --> 01:06:20,990

that place I I wasn't trying to take in

1399

01:06:26,140 --> 01:06:23,780

its vibes any further and made it

1400

01:06:29,830 --> 01:06:26,150

through that got to the top of the

1401

01:06:31,900 --> 01:06:29,840

stairs and by the time I reached the top

1402

01:06:34,480 --> 01:06:31,910

of the stairs I was just uh uh just

1403

01:06:39,670 --> 01:06:34,490

collapsed down the stairs and I my

1404

01:06:41,620 --> 01:06:39,680

friend found me there this is crazy

1405

01:06:45,760 --> 01:06:41,630

so that was my introduction to shadow

1406

01:06:47,350 --> 01:06:45,770

people and I thought that I was done

1407

01:06:49,300 --> 01:06:47,360

with having witnessed something like

1408

01:06:51,220 --> 01:06:49,310

that when I did the girl have never had

1409

01:06:52,720 --> 01:06:51,230

any really super negative experiences

1410

01:06:54,370 --> 01:06:52,730

with it like you know trying to enact

1411

01:07:01,060 --> 01:06:54,380

slap around the room or any her father

1412

01:07:04,840 --> 01:07:01,070

would choke her yeah oh yeah it was

1413

01:07:06,220 --> 01:07:04,850

quite abusive yeah and the father felt

1414

01:07:10,570 --> 01:07:06,230

like it was trying to challenge him and

1415

01:07:14,220 --> 01:07:10,580

yeah I'm pretty pretty brutal stuff but

1416

01:07:19,110 --> 01:07:14,230

well she had also interestingly enough

1417

01:07:21,400 --> 01:07:19,120

survived rolling lightning I was like

1418

01:07:23,530 --> 01:07:21,410

yeah you know those rolling balls of

1419

01:07:26,650 --> 01:07:23,540

lightning you ever hear those no I don't

1420

01:07:29,080 --> 01:07:26,660

know I never heard those down yeah just

1421

01:07:31,870 --> 01:07:29,090

like a rolling ball of it looks like

1422

01:07:34,420 --> 01:07:31,880

static electricity just shooting out and

1423

01:07:36,100 --> 01:07:34,430

her mom saw it coming it rolled into her

1424

01:07:37,630 --> 01:07:36,110

house as she was sitting there play one

1425

01:07:39,700 --> 01:07:37,640

of those things occur I've never I've

1426

01:07:41,410 --> 01:07:39,710

never even read about that I don't know

1427

01:07:42,789 --> 01:07:41,420

it's what she called it rolling ball of

1428

01:07:45,699 --> 01:07:42,799

lightning and

1429

01:07:48,640 --> 01:07:45,709

I guess the power of lightning can hit

1430

01:07:51,849 --> 01:07:48,650

something dry and kind of Furlan I don't

1431

01:07:53,819 --> 01:07:51,859

know but her mother told her dropped the

1432

01:07:57,459 --> 01:07:53,829

wire hangers she had in her hands and

1433

01:07:59,410 --> 01:07:57,469

and she just was a small kid if she just

1434

01:08:04,179 --> 01:07:59,420

dropped it and the Lightning just hit it

1435

01:08:07,059 --> 01:08:04,189

just boom hit the hanger so but you know

1436

01:08:08,499 --> 01:08:07,069

it's it's fascinating though when it

1437

01:08:12,039 --> 01:08:08,509

comes to the shadow people I thought

1438

01:08:14,499 --> 01:08:12,049

that I had finished with dealing with

1439

01:08:15,880 --> 01:08:14,509

the the you know whatever it was that I

1440

01:08:17,470 --> 01:08:15,890

had witness I didn't know what to think

1441

01:08:20,919 --> 01:08:17,480

of it I didn't know what to call it I

1442

01:08:22,870 --> 01:08:20,929

was just kind of in a and the notion of

1443

01:08:24,660 --> 01:08:22,880

you haven't survived this whatever it

1444

01:08:28,059 --> 01:08:24,670

was that attacked my friend for years

1445

01:08:30,039 --> 01:08:28,069

but I started having nightmares and I

1446

01:08:32,410 --> 01:08:30,049

didn't associate it necessarily because

1447

01:08:35,140 --> 01:08:32,420

I meant you haunting and stuff before I

1448

01:08:37,479 --> 01:08:35,150

guess I just associated with you know

1449

01:08:39,490 --> 01:08:37,489

having some more bad luck and I started

1450

01:08:42,819 --> 01:08:39,500

having nightmares of shadow spiders is

1451

01:08:47,049 --> 01:08:42,829

what I call them shadow spiders oh my

1452

01:08:49,569 --> 01:08:47,059

gosh just like waking up from a

1453

01:08:51,870 --> 01:08:49,579

nightmare of seeing giant spiders that

1454

01:08:55,329 --> 01:08:51,880

could take up literally the entire

1455

01:08:58,680 --> 01:08:55,339

ceiling of my bedroom and then opening

1456

01:09:01,089 --> 01:08:58,690

my eyes and still seeing it there and

1457

01:09:04,450 --> 01:09:01,099

and then having the thing dropped from

1458

01:09:07,180 --> 01:09:04,460

the ceiling hit my bed shaking the bed

1459

01:09:13,559 --> 01:09:07,190

and with every step moving the blankets

1460

01:09:15,549 --> 01:09:13,569

just crazy absolutely crazy and so these

1461

01:09:17,859 --> 01:09:15,559

nightmares I would usually wake up

1462

01:09:22,839 --> 01:09:17,869

looking for a shoe or something to hit

1463

01:09:24,729 --> 01:09:22,849

it just craziness but again I didn't

1464

01:09:28,930 --> 01:09:24,739

associate it with shadow people or

1465

01:09:33,329 --> 01:09:28,940

anything like that I moved back to to

1466

01:09:38,349 --> 01:09:33,339

Milwaukee finishing up school yeah and

1467

01:09:42,519 --> 01:09:38,359

I'd had a crazy encounter that I again I

1468

01:09:44,079 --> 01:09:42,529

I had joined a paranormal a UFO

1469

01:09:46,559 --> 01:09:44,089

paranormal discussion group is more like

1470

01:09:50,140 --> 01:09:46,569

a UFO alien abduction group actually oh

1471

01:09:52,870 --> 01:09:50,150

I see and that was a school or where or

1472

01:09:54,269 --> 01:09:52,880

near dwarfism it was in the middle rocky

1473

01:09:55,920 --> 01:09:54,279

areas

1474

01:09:58,380 --> 01:09:55,930

Oh believe it or not a psychotherapist

1475

01:09:59,820 --> 01:09:58,390

had started the group because oddly

1476

01:10:02,280 --> 01:09:59,830

enough she was running at all these

1477

01:10:05,310 --> 01:10:02,290

alien abductees that you know didn't

1478

01:10:07,920 --> 01:10:05,320

know why they had PTSD and she was

1479

01:10:09,660 --> 01:10:07,930

unraveling and finding it had alien eyes

1480

01:10:13,740 --> 01:10:09,670

looking back at him so she started this

1481

01:10:15,630 --> 01:10:13,750

group and I caught wind of it because I

1482

01:10:18,650 --> 01:10:15,640

had seen some you know UFOs and

1483

01:10:22,650 --> 01:10:18,660

everything but I joined this group and

1484

01:10:26,790 --> 01:10:22,660

soon after I joined I had an unmarked

1485

01:10:29,010 --> 01:10:26,800

black helicopter over my home yeah I'm

1486

01:10:33,650 --> 01:10:29,020

like I have read about these things and

1487

01:10:37,890 --> 01:10:33,660

knew that they were yeah that kid was

1488

01:10:40,140 --> 01:10:37,900

right with us is yeah yeah so it's it

1489

01:10:41,880 --> 01:10:40,150

was just crazy to me to you know Mike oh

1490

01:10:43,230 --> 01:10:41,890

my gosh I joined this group and here I

1491

01:10:45,390 --> 01:10:43,240

got you know I just joined the group

1492

01:10:49,380 --> 01:10:45,400

sight seen UFOs everybody else were

1493

01:10:51,630 --> 01:10:49,390

alien abductees just crazy

1494

01:10:54,780 --> 01:10:51,640

no one was just in the category haven't

1495

01:10:55,910 --> 01:10:54,790

seen UFOs and I'm like okay great I

1496

01:11:01,080 --> 01:10:55,920

joined this group in the government's

1497

01:11:03,330 --> 01:11:01,090

checking me out and I assumed moved not

1498

01:11:05,220 --> 01:11:03,340

too far up the street from where I live

1499

01:11:09,690 --> 01:11:05,230

originally after I saw that black

1500

01:11:11,010 --> 01:11:09,700

helicopter and I I was living alone but

1501

01:11:13,170 --> 01:11:11,020

then the first-floor apartment

1502

01:11:14,430 --> 01:11:13,180

my dad always warned me you know hey

1503

01:11:18,620 --> 01:11:14,440

young girl should be living by

1504

01:11:25,230 --> 01:11:23,070

make sense where there were bars on the

1505

01:11:28,470 --> 01:11:25,240

windows so you know it was it was safe I

1506

01:11:29,220 --> 01:11:28,480

felt of course the bars were there for a

1507

01:11:35,490 --> 01:11:29,230

reason

1508

01:11:37,740 --> 01:11:35,500

I think college side of town it was

1509

01:11:40,800 --> 01:11:37,750

nothing oh I definitely would Milwaukee

1510

01:11:42,510 --> 01:11:40,810

really yeah it's pretty right now it's

1511

01:11:44,730 --> 01:11:42,520

one of the most upscale sides of town

1512

01:11:47,370 --> 01:11:44,740

and it wasn't bad but I lived there so

1513

01:11:49,020 --> 01:11:47,380

it was just a safety feature because it

1514

01:11:51,360 --> 01:11:49,030

was on the first floor it's just kind of

1515

01:11:55,110 --> 01:11:51,370

too easy for anybody to slide on in

1516

01:11:58,200 --> 01:11:55,120

there but so this one night I woke up

1517

01:12:00,740 --> 01:11:58,210

because I heard noise like really loud

1518

01:12:03,450 --> 01:12:00,750

noise in my place like somebody was

1519

01:12:06,510 --> 01:12:03,460

ruffling and rustling to my stuff and

1520

01:12:09,270 --> 01:12:06,520

first thought was like oh my god my dad

1521

01:12:11,880 --> 01:12:09,280

right somebody's broken in I'm like how

1522

01:12:14,810 --> 01:12:11,890

did yeah and you know thinking yeah they

1523

01:12:18,120 --> 01:12:14,820

must have come in through the door and

1524

01:12:20,810 --> 01:12:18,130

my bedroom door is wide open I'm hearing

1525

01:12:24,920 --> 01:12:20,820

a lot of ruckus going on and I'm like

1526

01:12:27,360 --> 01:12:24,930

holy smokes second I put my feet down on

1527

01:12:30,420 --> 01:12:27,370

whoever is in here is going to see me

1528

01:12:32,280 --> 01:12:30,430

and I have bars on my windows I can't

1529

01:12:38,190 --> 01:12:32,290

get out the window I don't have my phone

1530

01:12:39,150 --> 01:12:38,200

near me oh my gosh absolutely terrifying

1531

01:12:43,350 --> 01:12:39,160

I don't know if I told you this story

1532

01:12:46,880 --> 01:12:43,360

before all right right oh no oh this is

1533

01:12:49,830 --> 01:12:46,890

just probably one of the wackiest

1534

01:12:52,020 --> 01:12:49,840

experiences I ever had so I go to put my

1535

01:12:54,750 --> 01:12:52,030

feet down on the ground and I'm like run

1536

01:12:57,780 --> 01:12:54,760

like heck to get out of there and I I

1537

01:12:59,820 --> 01:12:57,790

mean you're just a fight fight for your

1538

01:13:01,650 --> 01:12:59,830

life you know like so my gosh I gotta

1539

01:13:05,700 --> 01:13:01,660

just make it to the kitchen and get out

1540

01:13:08,880 --> 01:13:05,710

the front door put my feet down and I go

1541

01:13:14,970 --> 01:13:08,890

to run to the living room when all of a

1542

01:13:17,490 --> 01:13:14,980

sudden I am met with two beings the size

1543

01:13:22,790 --> 01:13:17,500

of four-year-olds with their backs to me

1544

01:13:24,600 --> 01:13:22,800

and I'm like what the heck you know

1545

01:13:27,180 --> 01:13:24,610

four-year-olds are broken into my

1546

01:13:30,570 --> 01:13:27,190

apartment I'm like suddenly some of my

1547

01:13:32,070 --> 01:13:30,580

fear left me I remember walking up to

1548

01:13:33,240 --> 01:13:32,080

them and they're they're they're their

1549

01:13:36,590 --> 01:13:33,250

backs are to me and they're going

1550

01:13:39,570 --> 01:13:36,600

through a short bookshelf that I had and

1551
01:13:41,880 --> 01:13:39,580
I'm like I go up between the two of them

1552
01:13:45,180 --> 01:13:41,890
and they both stop what they're doing

1553
01:13:48,570 --> 01:13:45,190
and they turn and look up right at me

1554
01:13:50,850 --> 01:13:48,580
and you know they're these things they

1555
01:13:53,220 --> 01:13:50,860
look just like the grey alien beings

1556
01:13:55,860 --> 01:13:53,230
that people write so often about and a

1557
01:13:58,970 --> 01:13:55,870
little dumpy cut aliens yeah well yeah

1558
01:14:02,430 --> 01:13:58,980
like grey with the big bulbous head

1559
01:14:05,280 --> 01:14:02,440
black almond-shaped eyes two slits for

1560
01:14:06,570 --> 01:14:05,290
an astro and a slit for a mouth at they

1561
01:14:09,540 --> 01:14:06,580
always say like they don't show any

1562
01:14:13,020 --> 01:14:09,550
expression these things they open their

1563
01:14:18,120 --> 01:14:13,030

mouths to form an o like oh crap she's

1564

01:14:19,290 --> 01:14:18,130

open and I'm like m'as weird because I

1565

01:14:21,990 --> 01:14:19,300

thought I was about to die

1566

01:14:23,720 --> 01:14:22,000

then all of a sudden there's two little

1567

01:14:26,459 --> 01:14:23,730

odd creatures I knew what they were

1568

01:14:28,109 --> 01:14:26,469

because I joined that group and I have

1569

01:14:30,569 --> 01:14:28,119

read books on the topic of alien

1570

01:14:33,560 --> 01:14:30,579

abductions and I'm like I said who are

1571

01:14:36,330 --> 01:14:33,570

you what are you doing here and I told

1572

01:14:39,660 --> 01:14:36,340

ya I grabbed my stuff that was in their

1573

01:14:42,930 --> 01:14:39,670

hands I put it down and I'm like

1574

01:14:44,580 --> 01:14:42,940

essentially just like not knowing what

1575

01:14:47,220 --> 01:14:44,590

the heck and why the heck they're there

1576

01:14:49,799 --> 01:14:47,230

I hear some more noise behind me there's

1577

01:14:51,290 --> 01:14:49,809

two more of my walk-in closet hey I

1578

01:14:54,450 --> 01:14:51,300

really didn't tell you about this Kevin

1579

01:14:58,229 --> 01:14:54,460

no no never this is odd this whoa holy

1580

01:15:05,310 --> 01:14:58,239

mackerel no this is told territory new

1581

01:15:07,470 --> 01:15:05,320

territory well what's strange to me too

1582

01:15:10,319 --> 01:15:07,480

is that I'm thinking you're just a

1583

01:15:12,240 --> 01:15:10,329

little girl and I'm thinking God you

1584

01:15:15,359 --> 01:15:12,250

know it I mean you know I'm older now

1585

01:15:18,149 --> 01:15:15,369

but at my high flike say 3035 I

1586

01:15:21,149 --> 01:15:18,159

I was literally without being silly

1587

01:15:23,669 --> 01:15:21,159

about it scared of no man I mean you

1588

01:15:25,709 --> 01:15:23,679

know I I chase off I mean I had battles

1589

01:15:28,470 --> 01:15:25,719

with Mafia gunsels and everything else

1590

01:15:30,569 --> 01:15:28,480

yeah yeah yeah but I mean I was scared

1591

01:15:32,129 --> 01:15:30,579

of nothing like that but a little old

1592

01:15:35,970 --> 01:15:32,139

girl experiencing these things are

1593

01:15:39,870 --> 01:15:35,980

picking up oh my goodness I was

1594

01:15:41,879 --> 01:15:39,880

terrified I mean at the time it's like I

1595

01:15:43,350 --> 01:15:41,889

was afraid of the dark to an extent

1596

01:15:45,450 --> 01:15:43,360

because I knew what was in the dark I

1597

01:15:46,979 --> 01:15:45,460

grew up in a haunted house I didn't

1598

01:15:49,799 --> 01:15:46,989

appreciate some of the things I had

1599

01:15:53,490 --> 01:15:49,809

experienced in you know to be met with

1600

01:15:55,890 --> 01:15:53,500

something solid like this I mean gray

1601
01:15:58,890 --> 01:15:55,900
alien beings I'm like you know again all

1602
01:16:00,780 --> 01:15:58,900
I could think of it was to tribute it to

1603
01:16:03,600 --> 01:16:00,790
the UFO group I had joined I'm like I

1604
01:16:06,899 --> 01:16:03,610
get a black helicopter now I have little

1605
01:16:09,419 --> 01:16:06,909
graves of my apartment and I wasn't

1606
01:16:11,010 --> 01:16:09,429
paralyzed like people say and I don't

1607
01:16:11,310 --> 01:16:11,020
feel like got abducted or anything like

1608
01:16:14,580 --> 01:16:11,320
that

1609
01:16:17,010 --> 01:16:14,590
um but you know to get to the shadow

1610
01:16:20,850 --> 01:16:17,020
people part practically this is the next

1611
01:16:24,180 --> 01:16:20,860
day I saw those head and shoulder shaped

1612
01:16:27,600 --> 01:16:24,190
shadow people in my apartment I'm like

1613
01:16:29,609 --> 01:16:27,610

oh my gosh those things are back you

1614

01:16:31,169 --> 01:16:29,619

know they were going right I mean

1615

01:16:32,939 --> 01:16:31,179

looking through your stuff I guess you

1616

01:16:37,199 --> 01:16:32,949

say the grey beings were

1617

01:16:39,209 --> 01:16:37,209

but the shadow beings like the next days

1618

01:16:40,949 --> 01:16:39,219

it's like what are the odds I just saw a

1619

01:16:45,390 --> 01:16:40,959

grey alien beings for the first time in

1620

01:16:48,299 --> 01:16:45,400

my life next day my place is a bombarded

1621

01:16:50,969 --> 01:16:48,309

with shadowy creatures and it was like

1622

01:16:53,399 --> 01:16:50,979

you know how when you see a bird diving

1623

01:16:55,529 --> 01:16:53,409

you know dive bombing or something and

1624

01:16:57,930 --> 01:16:55,539

they're so quick I was seeing something

1625

01:17:00,989 --> 01:16:57,940

the size of a bird's zipping past me all

1626

01:17:03,330 --> 01:17:00,999

the time and I'm like what is going on

1627

01:17:07,290 --> 01:17:03,340

here and this is interesting to Kevin

1628

01:17:09,870 --> 01:17:07,300

since you're a nature guy this is not

1629

01:17:12,540 --> 01:17:09,880

quite nature but whenever a fly would

1630

01:17:15,149 --> 01:17:12,550

come into my apartment they would stop

1631

01:17:17,850 --> 01:17:15,159

flying and they would walk I called them

1632

01:17:21,149 --> 01:17:17,860

crawlers because they wouldn't fly

1633

01:17:22,680 --> 01:17:21,159

anymore well that's not very normal I

1634

01:17:25,609 --> 01:17:22,690

mean that's abnormal itself they're

1635

01:17:31,160 --> 01:17:25,619

always flying around flitting around and

1636

01:17:39,540 --> 01:17:35,790

knew I had these black shadowy masses

1637

01:17:44,399 --> 01:17:39,550

and they felt very nosey very observant

1638

01:17:47,790 --> 01:17:44,409

and very negative just didn't know how

1639

01:17:49,080 --> 01:17:47,800

to how to think on what was going on in

1640

01:17:51,839 --> 01:17:49,090

my life all of a sudden they're like

1641

01:17:54,689 --> 01:17:51,849

tonight I open up a can of worms by

1642

01:17:56,910 --> 01:17:54,699

going to this group you know well you

1643

01:17:59,339 --> 01:17:56,920

wouldn't think so but I guess well now

1644

01:18:03,540 --> 01:17:59,349

this would indicate a demonic content as

1645

01:18:07,379 --> 01:18:03,550

opposed to just some fly by elion well

1646

01:18:11,040 --> 01:18:07,389

that's what I thought but then I started

1647

01:18:13,080 --> 01:18:11,050

to really connect it to there had to be

1648

01:18:15,870 --> 01:18:13,090

a connection between the aliens and

1649

01:18:19,189 --> 01:18:15,880

these shadow beings the timing was too

1650

01:18:22,469 --> 01:18:19,199

perfect and I actually had an experience

1651

01:18:24,689 --> 01:18:22,479

that was this is this is I don't talk

1652

01:18:27,509 --> 01:18:24,699

about this one so much but whenever

1653

01:18:30,330 --> 01:18:27,519

something weird would be coming near me

1654

01:18:32,160 --> 01:18:30,340

I would wake right up I I just it was

1655

01:18:33,839 --> 01:18:32,170

weird it was almost like my heart would

1656

01:18:37,020 --> 01:18:33,849

start beating and then I would get an

1657

01:18:39,029 --> 01:18:37,030

adrenaline rush and I'd wake up to see

1658

01:18:42,359 --> 01:18:39,039

whatever was in my room it was almost

1659

01:18:45,270 --> 01:18:42,369

like I had my own alarm system and this

1660

01:18:46,660 --> 01:18:45,280

one time I got that sudden adrenaline

1661

01:18:49,870 --> 01:18:46,670

rush and I'm like great

1662

01:18:54,130 --> 01:18:49,880

it's in here and uh Kevin this is so

1663

01:18:56,500 --> 01:18:54,140

gross there was a giant spider like

1664

01:18:58,630 --> 01:18:56,510

thing dropping down from the ceiling

1665

01:19:02,770 --> 01:18:58,640

like as if on a string with its legs

1666

01:19:06,340 --> 01:19:02,780

spread out going towards my face I open

1667

01:19:11,260 --> 01:19:06,350

my eyes this thing closed its legs

1668

01:19:16,150 --> 01:19:11,270

it started to retract and it formed a

1669

01:19:18,910 --> 01:19:16,160

grey aliens face as it retracted and I

1670

01:19:22,240 --> 01:19:18,920

slept was just I jumped up and I'm like

1671

01:19:28,540 --> 01:19:22,250

I see you I see you I see you I'm like

1672

01:19:30,790 --> 01:19:28,550

oh you like I saw you you know I know

1673

01:19:34,540 --> 01:19:30,800

now that you guys there was some

1674

01:19:36,610 --> 01:19:34,550

connection but you know how do you how

1675

01:19:38,880 --> 01:19:36,620

do you connect the dots it was just such

1676

01:19:41,320 --> 01:19:38,890

a crazy experience I know that's a weird

1677

01:19:44,320 --> 01:19:41,330

circumstances I mean I was excited to do

1678

01:19:47,710 --> 01:19:44,330

demonism as opposed to some fly by alien

1679

01:19:50,830 --> 01:19:47,720

type things now it's look at categorize

1680

01:19:53,290 --> 01:19:50,840

it as yeah Oh trust me I was just trying

1681

01:19:55,600 --> 01:19:53,300

to get through school and you know so

1682

01:19:59,050 --> 01:19:55,610

that apartment I had so many things

1683

01:20:07,840 --> 01:19:59,060

going on in there it was so just it was

1684

01:20:12,190 --> 01:20:07,850

hard to concentrate oh yeah therapists

1685

01:20:13,570 --> 01:20:12,200

now and you know it's like for me it was

1686

01:20:15,880 --> 01:20:13,580

like I was getting ready to become a

1687

01:20:19,090 --> 01:20:15,890

doctor I didn't feel like it would be

1688

01:20:21,250 --> 01:20:19,100

much more of a stretch to go further to

1689

01:20:23,230 --> 01:20:21,260

school if I wanted to I'm like what more

1690

01:20:28,390 --> 01:20:23,240

can they cram in my freaking head I was

1691

01:20:30,100 --> 01:20:28,400

so done but anyways I soon after that I

1692

01:20:31,960 --> 01:20:30,110

moved across the hall in the same

1693

01:20:36,100 --> 01:20:31,970

building I got a roommate I got a bigger

1694

01:20:39,430 --> 01:20:36,110

apartment and I thought it would be cool

1695

01:20:42,910 --> 01:20:39,440

that I'd get this this new roommate who

1696

01:20:45,700 --> 01:20:42,920

I'm a cartoonist as well and I actually

1697

01:20:48,280 --> 01:20:45,710

I welcome people to check out my comic

1698

01:20:52,870 --> 01:20:48,290

called the Outlanders if you go to the

1699

01:20:55,750 --> 01:20:52,880

Outlanders comic calm essentially a

1700

01:20:57,160 --> 01:20:55,760

Bigfoot gets alien neighbors with human

1701

01:20:59,160 --> 01:20:57,170

homesteaders in the opposite Hill so

1702

01:21:01,800 --> 01:20:59,170

it's it's kind of fun uh

1703

01:21:04,380 --> 01:21:01,810

but she was somebody who was also a

1704

01:21:06,360 --> 01:21:04,390

cartoonist and I'm like oh really what

1705

01:21:08,490 --> 01:21:06,370

are the chances of that that's oh she

1706

01:21:10,830 --> 01:21:08,500

was she did won the presidential award

1707

01:21:13,709 --> 01:21:10,840

four times full tuition scholarships she

1708

01:21:18,260 --> 01:21:13,719

was phenomenal and I thought how neat

1709

01:21:21,750 --> 01:21:18,270

and so we became roommates and she was

1710

01:21:24,810 --> 01:21:21,760

Pentecostal very religious very strict

1711

01:21:27,030 --> 01:21:24,820

and I did warn her that I had some weird

1712

01:21:27,919 --> 01:21:27,040

stuff going on even though I moved to a

1713

01:21:31,020 --> 01:21:27,929

new apartment

1714

01:21:34,459 --> 01:21:31,030

it just bounced next door to me I mean

1715

01:21:38,100 --> 01:21:34,469

all this weird stuff still was going on

1716

01:21:40,400 --> 01:21:38,110

no I have God on my side your demons

1717

01:21:43,530 --> 01:21:40,410

won't bother me and I'm like huh okay

1718

01:21:45,990 --> 01:21:43,540

well it turned out the things I was able

1719

01:21:49,050 --> 01:21:46,000

to see which were like transparent

1720

01:21:52,650 --> 01:21:49,060

looking like aliens sometimes where I

1721

01:21:57,800 --> 01:21:52,660

could just see the edge of stuff she was

1722

01:22:01,560 --> 01:21:57,810

able to see them so clear I called her

1723

01:22:03,950 --> 01:22:01,570

yes oh my gosh the very first time she

1724

01:22:06,959 --> 01:22:03,960

was point she had her back to me it was

1725

01:22:09,510 --> 01:22:06,969

sketching madly looking at the corner of

1726

01:22:12,720 --> 01:22:09,520

the wall and night I could see this like

1727

01:22:15,689 --> 01:22:12,730

out outline of a but like it looks like

1728

01:22:18,780 --> 01:22:15,699

an alien something it was standing there

1729

01:22:21,630 --> 01:22:18,790

but I couldn't see any details she turns

1730

01:22:24,750 --> 01:22:21,640

around and and and I I have drew what I

1731

01:22:27,200 --> 01:22:24,760

saw and I pulled out her drawing

1732

01:22:32,959 --> 01:22:27,210

holy smokes no so much detailed

1733

01:22:40,439 --> 01:22:38,220

you could see better than I can so but

1734

01:22:43,890 --> 01:22:40,449

because she she just kept calling them

1735

01:22:46,620 --> 01:22:43,900

demons she's like I can't categorize it

1736

01:22:49,560 --> 01:22:46,630

as anything else unless I see a UFO but

1737

01:22:51,780 --> 01:22:49,570

she was drawing aliens and then she

1738

01:22:55,200 --> 01:22:51,790

started seeing the shadow beings around

1739

01:22:59,910 --> 01:22:55,210

as well and she just it started a whole

1740

01:23:01,110 --> 01:22:59,920

new chapter for myself so what are you

1741

01:23:02,729 --> 01:23:01,120

saying in essence these are like

1742

01:23:04,439 --> 01:23:02,739

interdimensional beings as opposed to

1743

01:23:06,959 --> 01:23:04,449

being straight-up demons it's up how

1744

01:23:08,850 --> 01:23:06,969

your wave categorizing I think they're

1745

01:23:10,380 --> 01:23:08,860

one in the same I think that these are

1746

01:23:12,120 --> 01:23:10,390

these shadow beings are what was written

1747

01:23:12,729 --> 01:23:12,130

up in the Bible as being something that

1748

01:23:16,750 --> 01:23:12,739

could

1749

01:23:17,890 --> 01:23:16,760

shape I mean I shadow spider shadow cat

1750

01:23:22,959 --> 01:23:17,900

shadow people

1751

01:23:25,060 --> 01:23:22,969

shadows streaks clouds spiders they

1752

01:23:27,160 --> 01:23:25,070

could change it to anything and their

1753

01:23:29,830 --> 01:23:27,170

presence in their feel is so negative

1754

01:23:32,799 --> 01:23:29,840

and you know over the years as I've

1755

01:23:34,870 --> 01:23:32,809

received so many emails thousands and

1756

01:23:36,549 --> 01:23:34,880

I'm not exaggerating thousands I was on

1757

01:23:38,560 --> 01:23:36,559

some show that asked me how many

1758

01:23:41,529 --> 01:23:38,570

Sherrill people reports have you

1759

01:23:44,080 --> 01:23:41,539

investigated I said thousands they added

1760

01:23:49,049 --> 01:23:44,090

and said dozens and dozens I'm like the

1761

01:23:53,770 --> 01:23:51,700

yeah they asked me the question and then

1762

01:23:57,729 --> 01:23:53,780

they put this hollis says dozens and

1763

01:24:00,700 --> 01:23:57,739

dozens then no I did not so yeah editing

1764

01:24:05,109 --> 01:24:00,710

Liberty going on there but yeah so it

1765

01:24:06,669 --> 01:24:05,119

just just madness but I you know the the

1766

01:24:09,910 --> 01:24:06,679

capacity of people have witnessed these

1767

01:24:12,729 --> 01:24:09,920

things are forever changing and a lot of

1768

01:24:14,799 --> 01:24:12,739

the people said you know when they felt

1769

01:24:16,450 --> 01:24:14,809

these things around they would leave

1770

01:24:18,129 --> 01:24:16,460

after they gave up like they were so

1771

01:24:19,870 --> 01:24:18,139

terrified they just gave up I felt they

1772

01:24:23,049 --> 01:24:19,880

were gonna die and the shadow people

1773

01:24:25,120 --> 01:24:23,059

would leave after that like it was it

1774

01:24:27,729 --> 01:24:25,130

was an interesting thing they fed on

1775

01:24:29,589 --> 01:24:27,739

from the fear yeah I fed off the fears

1776

01:24:31,739 --> 01:24:29,599

oh I've heard of that I've heard of it

1777

01:24:36,549 --> 01:24:31,749

as I alluded to somewhere before yeah

1778

01:24:39,069 --> 01:24:36,559

Wow the craziest thing and this roommate

1779

01:24:41,200 --> 01:24:39,079

of mine who I'll just call Samantha she

1780

01:24:42,640 --> 01:24:41,210

is the one who experienced the half man

1781

01:24:46,750 --> 01:24:42,650

which is something we'll go into that

1782

01:24:48,970 --> 01:24:46,760

the last segment and I thought it was

1783

01:24:52,959 --> 01:24:48,980

another form that shadow people came in

1784

01:24:56,109 --> 01:24:52,969

but I was really wrong I placed a lot of

1785

01:24:58,149 --> 01:24:56,119

different images on my website the forms

1786

01:25:01,810 --> 01:24:58,159

of shadow people could take and I called

1787

01:25:06,640 --> 01:25:01,820

him the hat man shadow well the vision

1788

01:25:08,470 --> 01:25:06,650

of well yeah he's not a shadow being yes

1789

01:25:12,330 --> 01:25:08,480

he could look somewhat shadowy at times

1790

01:25:16,450 --> 01:25:12,340

but he is quite solid and quite uh quite

1791

01:25:18,700 --> 01:25:16,460

very much in control and very consistent

1792

01:25:21,850 --> 01:25:18,710

and what he does and what he says he

1793

01:25:24,310 --> 01:25:21,860

speaks shadow people make growl they'll

1794

01:25:25,790 --> 01:25:24,320

pin you down choke you and whatnot try

1795

01:25:28,600 --> 01:25:25,800

to scare the crap out of you but

1796

01:25:31,040 --> 01:25:28,610

hatman takes it to a whole new level and

1797

01:25:34,370 --> 01:25:31,050

what he would he be were generally

1798

01:25:37,190 --> 01:25:34,380

D'Amato sir oh I believe he's in control

1799

01:25:42,290 --> 01:25:37,200

of the demons I believe he is the demon

1800

01:25:44,030 --> 01:25:42,300

of all demons unfortunately oh yeah and

1801
01:25:45,740 --> 01:25:44,040
when you introduce a lovely little

1802
01:25:47,590 --> 01:25:45,750
experienced snare in the Midwest I

1803
01:25:56,740 --> 01:25:47,600
thought stuff is supposed to be

1804
01:26:00,620 --> 01:25:56,750
wholesome up that way our last break and

1805
01:26:03,910 --> 01:26:00,630
we'll be right back all right Kevin

1806
01:26:05,930 --> 01:26:03,920
we're back in three two one

1807
01:26:08,270 --> 01:26:05,940
well it's great to be back with Heidi

1808
01:26:10,550 --> 01:26:08,280
and uh boy I tell you what like I said

1809
01:26:12,950 --> 01:26:10,560
earlier yeah

1810
01:26:15,110 --> 01:26:12,960
big macho guy this little girl's doing

1811
01:26:17,060 --> 01:26:15,120
stuff that would scare me I'm putting up

1812
01:26:19,070 --> 01:26:17,070
stuff that would scare me it's really

1813
01:26:21,290 --> 01:26:19,080

wild but Heidi I've got to take my hat

1814

01:26:23,840 --> 01:26:21,300

off to you dealt with a lot of monsters

1815

01:26:26,750 --> 01:26:23,850

and made it through I guess you know

1816

01:26:30,080 --> 01:26:26,760

what I didn't even tell you eight years

1817

01:26:32,830 --> 01:26:30,090

old is when I was first left to take on

1818

01:26:36,800 --> 01:26:32,840

the haunting by my lovely siblings I

1819

01:26:39,650 --> 01:26:36,810

mean really uh you know I think that's

1820

01:26:40,910 --> 01:26:39,660

what its kind of prepared me for all

1821

01:26:43,610 --> 01:26:40,920

this stuff okay

1822

01:26:45,950 --> 01:26:43,620

this story really quick but I the

1823

01:26:49,660 --> 01:26:45,960

haunting in our house started the first

1824

01:26:52,790 --> 01:26:49,670

Christmas after my mother's passing and

1825

01:26:54,140 --> 01:26:52,800

my my soon-to-be stepmother and my dad

1826

01:26:56,840 --> 01:26:54,150

what's go it was literally it was

1827

01:26:58,970 --> 01:26:56,850

Christmas freaking morning and my my

1828

01:27:01,820 --> 01:26:58,980

soon-to-be stepmom and my dad went to

1829

01:27:03,230 --> 01:27:01,830

kill which others Merry Christmas and me

1830

01:27:05,060 --> 01:27:03,240

and my siblings had just finished

1831

01:27:08,180 --> 01:27:05,070

tearing through all of our gifts and

1832

01:27:11,660 --> 01:27:08,190

whatnot in and really digging it and and

1833

01:27:14,660 --> 01:27:11,670

my stepmother had just moved in an organ

1834

01:27:20,210 --> 01:27:14,670

and this thing started

1835

01:27:22,340 --> 01:27:20,220

playing no no it's pounding away ed and

1836

01:27:24,230 --> 01:27:22,350

me and my sisters we loved watching old

1837

01:27:27,170 --> 01:27:24,240

western movies and watching the

1838

01:27:30,320 --> 01:27:27,180

automatic pianos playing and we go up to

1839

01:27:32,330 --> 01:27:30,330

a point that is so cool and I go to my

1840

01:27:35,720 --> 01:27:32,340

future stepbrother we're like how does

1841

01:27:38,330 --> 01:27:35,730

it it's just like in the movies and his

1842

01:27:39,290 --> 01:27:38,340

little freckled red head and he's pale

1843

01:27:48,470 --> 01:27:39,300

as a ghost

1844

01:27:51,049 --> 01:27:48,480

it doesn't know we ran and locked

1845

01:27:54,950 --> 01:27:51,059

ourselves in the bathroom and a long

1846

01:27:57,709 --> 01:27:54,960

story short my I had a older sister who

1847

01:27:59,780 --> 01:27:57,719

was the bullying type and she's like oh

1848

01:28:05,089 --> 01:27:59,790

the bathroom is too crowded somebody has

1849

01:28:07,040 --> 01:28:05,099

to get out and she shoved me out I was

1850

01:28:08,899 --> 01:28:07,050

like I couldn't take it I could not take

1851

01:28:12,620 --> 01:28:08,909

this thing pounding away the way it was

1852

01:28:15,740 --> 01:28:12,630

in front of me so I got the keys to it

1853

01:28:17,629 --> 01:28:15,750

cuz I had a cover and went up and pulled

1854

01:28:19,370 --> 01:28:17,639

the cover over and I locked it I mean

1855

01:28:22,129 --> 01:28:19,380

those keys were pounding away right in

1856

01:28:29,030 --> 01:28:22,139

front of my face and I locked it really

1857

01:28:32,299 --> 01:28:29,040

oh yeah and oh when I did it stopped but

1858

01:28:34,490 --> 01:28:32,309

it didn't end there but it was just just

1859

01:28:37,910 --> 01:28:34,500

a crazy thing but um to get to the hat

1860

01:28:40,280 --> 01:28:37,920

man this this guy okay because I know we

1861

01:28:43,390 --> 01:28:40,290

don't have that much time but always we

1862

01:28:46,040 --> 01:28:43,400

got quite a bit well the Hat man is a

1863

01:28:48,169 --> 01:28:46,050

book in itself I wrote the book called

1864

01:28:52,669 --> 01:28:48,179

the hat man the true story - evil

1865

01:28:57,100 --> 01:28:52,679

encounters and the shadow people book is

1866

01:28:59,600 --> 01:28:57,110

called the secret war a true story about

1867

01:29:05,060 --> 01:28:59,610

shadow people in a real alien war

1868

01:29:07,760 --> 01:29:05,070

essentially and the Hat man was just a

1869

01:29:11,390 --> 01:29:07,770

whole element that I just didn't

1870

01:29:14,500 --> 01:29:11,400

understand so this one night I woke up

1871

01:29:17,390 --> 01:29:14,510

to my college roommate Samantha

1872

01:29:20,839 --> 01:29:17,400

screaming at the top of her lungs and I

1873

01:29:22,760 --> 01:29:20,849

was certain in this apartment she had a

1874

01:29:24,049 --> 01:29:22,770

door that opened in her bedroom that

1875

01:29:26,299 --> 01:29:24,059

opened to the porch

1876

01:29:28,850 --> 01:29:26,309

and she screamed to the top of her lungs

1877

01:29:32,419 --> 01:29:28,860

I'm thinking oh my gosh somebody's

1878

01:29:35,589 --> 01:29:32,429

killing her I wrote before I go in there

1879

01:29:39,640 --> 01:29:35,599

and only to find her absolutely

1880

01:29:42,919 --> 01:29:39,650

petrified and cowered in a corner

1881

01:29:45,740 --> 01:29:42,929

shaking and pointing her finger saying

1882

01:29:46,819 --> 01:29:45,750

the man the man I'm like oh no I'm like

1883

01:29:47,990 --> 01:29:46,829

somebody broke out I'm checking the

1884

01:29:49,310 --> 01:29:48,000

windows a check in the door I'm like

1885

01:29:51,620 --> 01:29:49,320

where where where where to go where to

1886

01:29:52,910 --> 01:29:51,630

go and with her first words she's like

1887

01:29:54,680 --> 01:29:52,920

no

1888

01:29:58,760 --> 01:29:54,690

he disappeared when you open the door

1889

01:30:01,939 --> 01:29:58,770

and I'm just like what you know and and

1890

01:30:05,689 --> 01:30:01,949

she went on to describe this man with a

1891

01:30:09,040 --> 01:30:05,699

Gaucha hat trench coat three-piece suit

1892

01:30:16,130 --> 01:30:09,050

a change water on his hip

1893

01:30:18,350 --> 01:30:16,140

oh yeah and goatee and very pale and

1894

01:30:20,540 --> 01:30:18,360

she's like he was so real he would not

1895

01:30:23,390 --> 01:30:20,550

leave he was just standing there looking

1896

01:30:25,310 --> 01:30:23,400

at me and she she was just oh it gives

1897

01:30:29,030 --> 01:30:25,320

me chills because I just remember the

1898

01:30:30,890 --> 01:30:29,040

horror of it and I'm like wow this must

1899

01:30:35,360 --> 01:30:30,900

be another form that shadow people take

1900

01:30:38,510 --> 01:30:35,370

so I I put half man shadow on my website

1901

01:30:41,240 --> 01:30:38,520

and almost immediately now this is a

1902

01:30:43,729 --> 01:30:41,250

freaky one too you know you'll dig this

1903

01:30:45,500 --> 01:30:43,739

story so I had just put all these images

1904

01:30:49,820 --> 01:30:45,510

on my website of the shadow people in

1905

01:30:50,810 --> 01:30:49,830

the hat man shadow and one of my sisters

1906

01:31:00,560 --> 01:30:50,820

I have six

1907

01:31:01,970 --> 01:31:00,570

she came over six sisters six sisters my

1908

01:31:05,030 --> 01:31:01,980

younger sister were the youngest of all

1909

01:31:07,640 --> 01:31:05,040

of them and and she comes over

1910

01:31:09,200 --> 01:31:07,650

unannounced and she's a bit shaken up

1911

01:31:11,600 --> 01:31:09,210

but I'm like too excited to show her my

1912

01:31:12,919 --> 01:31:11,610

new website and it's just like Heidi I

1913

01:31:14,300 --> 01:31:12,929

gotta talk to you about something I'm

1914

01:31:15,979 --> 01:31:14,310

like oh what a guy should I use it in my

1915

01:31:17,840 --> 01:31:15,989

new site it's like Heidi something

1916

01:31:20,060 --> 01:31:17,850

happened and I'm like yeah yeah yeah and

1917

01:31:23,150 --> 01:31:20,070

I'm like cuz here's my new site and I

1918

01:31:26,959 --> 01:31:23,160

pull it up and she screams and points

1919

01:31:29,750 --> 01:31:26,969

that's him and I'm like oh what and

1920

01:31:31,550 --> 01:31:29,760

she's pointing at the hat man and I said

1921

01:31:33,979 --> 01:31:31,560

what are you talking about she's like

1922

01:31:39,979 --> 01:31:33,989

Heidi I went downstairs to get my

1923

01:31:43,430 --> 01:31:39,989

laundry and this thing huge just rose up

1924

01:31:45,350 --> 01:31:43,440

from the from behind her dryer she said

1925

01:31:47,810 --> 01:31:45,360

I don't think I touched us step on the

1926

01:31:50,240 --> 01:31:47,820

way up she knocked her daughter over in

1927

01:31:52,040 --> 01:31:50,250

the process ran outside screaming and

1928

01:31:55,610 --> 01:31:52,050

her daughter bring it out behind her

1929

01:31:58,580 --> 01:31:55,620

she's like oh no what I had seen and

1930

01:32:01,700 --> 01:31:58,590

then soon after that I don't know if was

1931

01:32:03,890 --> 01:32:01,710

the next day or something she's driving

1932

01:32:06,740 --> 01:32:03,900

and she looks in her rearview mirror and

1933

01:32:13,400 --> 01:32:06,750

he's just as solid as anyone

1934

01:32:14,990 --> 01:32:13,410

with red glowing eyes it just like I see

1935

01:32:17,630 --> 01:32:15,000

ways in the backseat of the car I guess

1936

01:32:21,560 --> 01:32:17,640

or something Maxie literally sing there

1937

01:32:23,690 --> 01:32:21,570

with the glowing red eyes and he was so

1938

01:32:26,060 --> 01:32:23,700

responsive it was as soon as I put his

1939

01:32:28,970 --> 01:32:26,070

image up on my site and he goes after

1940

01:32:29,780 --> 01:32:28,980

the sister I'm closest to I'm like what

1941

01:32:33,500 --> 01:32:29,790

the heck

1942

01:32:36,410 --> 01:32:33,510

you know how purposeful how unbelievable

1943

01:32:39,740 --> 01:32:36,420

and almost immediately the emails that I

1944

01:32:41,300 --> 01:32:39,750

received for the first shadow people and

1945

01:32:44,810 --> 01:32:41,310

the hat man when I put the hat in up

1946

01:32:48,680 --> 01:32:44,820

there they were so different from shadow

1947

01:32:52,220 --> 01:32:48,690

people reports it was he came to me for

1948

01:32:54,140 --> 01:32:52,230

years he spoke to me he changes his hat

1949

01:32:57,410 --> 01:32:54,150

sometimes he takes his hat off I'm like

1950

01:32:59,300 --> 01:32:57,420

this is not a shadow person shadow

1951

01:33:01,400 --> 01:32:59,310

people take on different forms they're

1952

01:33:03,680 --> 01:33:01,410

wispy I just saved hundreds of dollars

1953

01:33:06,230 --> 01:33:03,690

by switching to Geico I've never felt

1954

01:33:08,030 --> 01:33:06,240

more alive disclaimer Tyco cannot

1955

01:33:09,380 --> 01:33:08,040

guarantee you will feel more alive you

1956

01:33:11,180 --> 01:33:09,390

either possessed functioning respiratory

1957

01:33:12,530 --> 01:33:11,190

and circulatory systems or you do not or

1958

1970

01:33:40,160 --> 01:33:38,070

recognized he did not change he wanted

1971

01:33:43,700 --> 01:33:40,170

people to see who he was and he'd even

1972

01:33:47,120 --> 01:33:43,710

introduce himself as a scratch which is

1973

01:33:48,470 --> 01:33:47,130

an old Norse term for the devil oh yeah

1974

01:33:53,990 --> 01:33:48,480

I see my remember that's them somewhere

1975

01:33:55,970 --> 01:33:54,000

yeah yeah so he his threats his going

1976

01:33:58,670 --> 01:33:55,980

into people's nightmares his beatings

1977

01:34:02,390 --> 01:33:58,680

his scratchings his bitings his raping

1978

01:34:06,170 --> 01:34:02,400

people is phenomenal went through the

1979

01:34:08,720 --> 01:34:06,180

roof and and it's not just a possibility

1980

01:34:11,740 --> 01:34:08,730

that you'll see this guy at some point

1981

01:34:13,820 --> 01:34:11,750

in your life it's it's a threat he is

1982

01:34:17,870 --> 01:34:13,830

just so awful

1983

01:34:19,790 --> 01:34:17,880

and honestly I I think the worst out of

1984

01:34:20,360 --> 01:34:19,800

it is when I hear from people who are

1985

01:34:23,150 --> 01:34:20,370

kid

1986

01:34:25,190 --> 01:34:23,160

who experienced him who yeah I was three

1987

01:34:27,740 --> 01:34:25,200

years old he used to terrorize me and

1988

01:34:29,930 --> 01:34:27,750

all the way through adulthood and it's

1989

01:34:32,720 --> 01:34:29,940

like like and some people have like

1990

01:34:34,370 --> 01:34:32,730

relationships with him that they feel

1991

01:34:37,010 --> 01:34:34,380

protected even though they know he's

1992

01:34:40,640 --> 01:34:37,020

evil and but he he makes sure that

1993

01:34:43,010 --> 01:34:40,650

they're under his wing and like I had

1994

01:34:46,070 --> 01:34:43,020

one guy who said he terrified me and

1995

01:34:48,080 --> 01:34:46,080

everything but my dad was abusive and

1996

01:34:53,530 --> 01:34:48,090

one time he knocked the crap out of him

1997

01:34:57,740 --> 01:34:53,540

I'm like oh hey so it's like how do you

1998

01:35:00,010 --> 01:34:57,750

this I mean I've gotten emails from all

1999

01:35:07,550 --> 01:35:00,020

over the world from the Philippines to

2000

01:35:08,480 --> 01:35:07,560

Serbia about its planet-wide experience

2001

01:35:12,470 --> 01:35:08,490

basically Oh

2002

01:35:15,440 --> 01:35:12,480

for centuries and um you know I just uh

2003

01:35:18,320 --> 01:35:15,450

I just that's why I felt it was so

2004

01:35:20,270 --> 01:35:18,330

important to get people to get right

2005

01:35:23,300 --> 01:35:20,280

with their faith because of one name

2006

01:35:26,950 --> 01:35:23,310

that he responds to is Jesus he leaves

2007

01:35:29,780 --> 01:35:26,960

shadow people leave aliens that abduct

2008

01:35:33,170 --> 01:35:29,790

with the name of Jesus now if they're

2009

01:35:36,740 --> 01:35:33,180

just aliens what aliens do is yo the

2010

01:35:39,170 --> 01:35:36,750

aliens do is working yeah they do they

2011

01:35:41,570 --> 01:35:39,180

do yeah so it's like so what are we

2012

01:35:44,300 --> 01:35:41,580

talking about here why is why does this

2013

01:35:47,660 --> 01:35:44,310

work and you know I might show the

2014

01:35:51,950 --> 01:35:47,670

Outlander also an inception radio I had

2015

01:35:55,580 --> 01:35:51,960

Kathleen Mart and on and uh we spoke

2016

01:35:58,130 --> 01:35:55,590

because I I knew that alien abductions

2017

01:36:00,340 --> 01:35:58,140

it had the they're not being reported as

2018

01:36:05,540 --> 01:36:00,350

they once were and she's in charge of

2019

01:36:07,820 --> 01:36:05,550

MUFON alien abduction Oh reports yeah

2020

01:36:10,940 --> 01:36:07,830

yeah she's the niece of Betty and Barney

2021

01:36:12,830 --> 01:36:10,950

Hill I remember that part of it I didn't

2022

01:36:15,710 --> 01:36:12,840

know what her active function was now

2023

01:36:17,150 --> 01:36:15,720

but yeah so so people are not people are

2024

01:36:18,650 --> 01:36:17,160

not reporting these issues like they

2025

01:36:21,650 --> 01:36:18,660

used to is that it they're not reporting

2026

01:36:24,260 --> 01:36:21,660

the alien abductions and she in fact she

2027

01:36:25,910 --> 01:36:24,270

and I both spoke on how it's quite

2028

01:36:27,950 --> 01:36:25,920

demonic what's going on out there and

2029

01:36:30,680 --> 01:36:27,960

I'm like that's something I wrote about

2030

01:36:33,490 --> 01:36:30,690

in my book the secret war the very first

2031

01:36:37,630 --> 01:36:33,500

book I wrote it in 97 and it's

2032

01:36:40,390 --> 01:36:37,640

just forever been a problem with these

2033

01:36:42,310 --> 01:36:40,400

these evil entities disguise is saying

2034

01:36:45,070 --> 01:36:42,320

you know oh you know they're just little

2035

01:36:47,440 --> 01:36:45,080

creatures and UFOs know they're looking

2036

01:36:49,450 --> 01:36:47,450

to the soul of you and people have had

2037

01:36:52,630 --> 01:36:49,460

near-death experiences and at the end of

2038

01:36:55,990 --> 01:36:52,640

their tunnel are aliens so they're

2039

01:36:58,150 --> 01:36:56,000

messing with things and messing with I

2040

01:36:59,800 --> 01:36:58,160

guess maybe the maybe the pentecostal

2041

01:37:02,680 --> 01:36:59,810

types that we're talking about the UFO

2042

01:37:04,630 --> 01:37:02,690

people being a demonic content maybe

2043

01:37:10,090 --> 01:37:04,640

their demonic origin maybe that is true

2044

01:37:11,680 --> 01:37:10,100

then yeah for sure I have to say it's

2045

01:37:13,270 --> 01:37:11,690

like you know the ones that abduct and

2046

01:37:14,500 --> 01:37:13,280

harm people those are the demonic ones

2047

01:37:16,420 --> 01:37:14,510

ones that you hear about the most

2048

01:37:18,190 --> 01:37:16,430

reptilians and greys praying mantis

2049

01:37:21,190 --> 01:37:18,200

those are demonic the ones that you

2050

01:37:22,900 --> 01:37:21,200

don't hear about are not because they're

2051
01:37:24,700 --> 01:37:22,910
not be they're not collabing people

2052
01:37:27,640 --> 01:37:24,710
against their will they'll talk to you

2053
01:37:30,550 --> 01:37:27,650
about music Jesus name to combat these

2054
01:37:33,220 --> 01:37:30,560
things and how there's a war going on

2055
01:37:35,170 --> 01:37:33,230
between positive beings and these

2056
01:37:37,530 --> 01:37:35,180
negative ones and that's when I base

2057
01:37:40,540 --> 01:37:37,540
that first book the secret war on and

2058
01:37:43,240 --> 01:37:40,550
you know I I just I'm I'm so a

2059
01:37:46,450 --> 01:37:43,250
ingredients O'Leary in regards to the

2060
01:37:49,090 --> 01:37:46,460
topic of half man because my emails used

2061
01:37:51,100 --> 01:37:49,100
to be a hundred percent aliens then it

2062
01:37:56,020 --> 01:37:51,110
became a hundred percent shadow people I

2063
01:38:00,070 --> 01:37:56,030

put up the hat man's image it's like 90

2064

01:38:03,130 --> 01:38:00,080

95 percent now happen going on out there

2065

01:38:06,160 --> 01:38:03,140

and he's so are you still still

2066

01:38:07,450 --> 01:38:06,170

bedeviled by this creature I don't have

2067

01:38:09,370 --> 01:38:07,460

any issues with him

2068

01:38:13,000 --> 01:38:09,380

but I'll tell you this just before I put

2069

01:38:16,450 --> 01:38:13,010

the book out called the Hat man yeah he

2070

01:38:19,900 --> 01:38:16,460

was once again very responsive he showed

2071

01:38:26,320 --> 01:38:22,870

10 10 15 minutes after talking about him

2072

01:38:27,730 --> 01:38:26,330

I practice as an occupational therapist

2073

01:38:30,670 --> 01:38:27,740

and I used to go to various facilities

2074

01:38:32,580 --> 01:38:30,680

and there'd be people whispering oh this

2075

01:38:34,630 --> 01:38:32,590

is the lady that writes those books and

2076

01:38:36,460 --> 01:38:34,640

and they're like so Heidi what are you

2077

01:38:39,280 --> 01:38:36,470

write about and I mentioned briefly and

2078

01:38:41,860 --> 01:38:39,290

15 minutes later one of the therapists

2079

01:38:45,130 --> 01:38:41,870

had a patient down in the therapy gym

2080

01:38:47,199 --> 01:38:45,140

and physical therapist walking a patient

2081

01:38:50,290 --> 01:38:47,209

in the parallel bars

2082

01:38:53,830 --> 01:38:50,300

and that patient started saying who is

2083

01:38:55,629 --> 01:38:53,840

the man in the black suit talking to me

2084

01:38:57,279 --> 01:38:55,639

in another language and he's pointing at

2085

01:39:00,100 --> 01:38:57,289

the mirror he's walking in front of

2086

01:39:02,080 --> 01:39:00,110

she's the therapist screams it comes it

2087

01:39:04,479 --> 01:39:02,090

comes and get me it just like look look

2088

01:39:06,520 --> 01:39:04,489

look at what he's saying and and I'm

2089

01:39:08,319 --> 01:39:06,530

like and the guy's like don't act like

2090

01:39:09,609 --> 01:39:08,329

I'm crazy you know Sood I'm talking

2091

01:39:12,370 --> 01:39:09,619

about it's like who was that man and I'm

2092

01:39:15,189 --> 01:39:12,380

like Sara Libya find you do you see how

2093

01:39:16,959 --> 01:39:15,199

my knees like no I don't he's like but

2094

01:39:19,899 --> 01:39:16,969

now he's behind you and I'm like oh

2095

01:39:23,469 --> 01:39:19,909

great and then I bent down and I go sir

2096

01:39:25,779 --> 01:39:23,479

is he wearing a hat and he said I knew

2097

01:39:26,410 --> 01:39:25,789

you could see him yes of course he's got

2098

01:39:29,709 --> 01:39:26,420

a hat on

2099

01:39:31,449 --> 01:39:29,719

and I was just like oh my goodness like

2100

01:39:35,199 --> 01:39:31,459

he was that responsive

2101

01:39:38,529 --> 01:39:35,209

that's the Hat that's that's how evil

2102

01:39:40,660 --> 01:39:38,539

and so aware that is and and why people

2103

01:39:43,779 --> 01:39:40,670

have to get right with their their faith

2104

01:39:45,520 --> 01:39:43,789

you know and and figuring it out before

2105

01:39:47,850 --> 01:39:45,530

something like that comes along so

2106

01:39:50,109 --> 01:39:47,860

you'll at least be prepared because

2107

01:39:53,620 --> 01:39:50,119

there's just no telling when and where

2108

01:39:57,120 --> 01:39:53,630

he'll show up and I've had mass

2109

01:39:58,479 --> 01:39:57,130

sightings of him as far as families

2110

01:40:01,750 --> 01:39:58,489

spotting him

2111

01:40:06,489 --> 01:40:01,760

oh really kitchen and stuff oh yeah yes

2112

01:40:09,969 --> 01:40:06,499

horrible stuff so I just tell people to

2113

01:40:11,799 --> 01:40:09,979

take heed and bless their homes there is

2114

01:40:14,679 --> 01:40:11,809

a way to get out from under aliens

2115

01:40:18,069 --> 01:40:14,689

shadow people and hat man bless your

2116

01:40:20,229 --> 01:40:18,079

home figure your faith out and you know

2117

01:40:24,069 --> 01:40:20,239

don't have any doubts in that having

2118

01:40:25,839 --> 01:40:24,079

doubts gives them away in and right it's

2119

01:40:28,629 --> 01:40:25,849

it's just not healthy

2120

01:40:32,259 --> 01:40:28,639

so I don't know it's there's so much

2121

01:40:35,859 --> 01:40:32,269

that goes behind the paranormal and and

2122

01:40:38,229 --> 01:40:35,869

it some people they like to entertain

2123

01:40:39,370 --> 01:40:38,239

the thought they like to go in hey what

2124

01:40:39,790 --> 01:40:39,380

do you think about that with Ghost

2125

01:40:41,319 --> 01:40:39,800

Hunters

2126
01:40:45,160 --> 01:40:41,329
Kevin it was this something you'd never

2127
01:40:47,259 --> 01:40:45,170
see yourself doing no no I wouldn't I

2128
01:40:51,009 --> 01:40:47,269
don't like chasing down the negative and

2129
01:40:54,540 --> 01:40:51,019
I could never see mucking about trying

2130
01:40:57,250 --> 01:40:54,550
to do it no and I mean the other

2131
01:40:59,410 --> 01:40:57,260
experience I had with that negative form

2132
01:41:01,060 --> 01:40:59,420
of paranormal was actually fairly

2133
01:41:02,979 --> 01:41:01,070
innocent on my part I was

2134
01:41:06,580 --> 01:41:02,989
just doing the Coogee curry exercises I

2135
01:41:09,459 --> 01:41:06,590
wasn't anything evil and communicative

2136
01:41:13,209 --> 01:41:09,469
anything evil or just what happened but

2137
01:41:14,410 --> 01:41:13,219
I guess the old saying about be careful

2138
01:41:15,609 --> 01:41:14,420

what you fool with cuz it can really

2139

01:41:18,910 --> 01:41:15,619

hurt you if you don't know what you're

2140

01:41:21,040 --> 01:41:18,920

doing and just like the old Ouija board

2141

01:41:22,899 --> 01:41:21,050

issue from years ago

2142

01:41:27,729 --> 01:41:22,909

I guess I'm even them do they still make

2143

01:41:32,080 --> 01:41:27,739

Ouija boards on yes they do still

2144

01:41:35,229 --> 01:41:32,090

telling doesn't go there Wow

2145

01:41:37,569 --> 01:41:35,239

well I mean as I mean even George Noory

2146

01:41:41,850 --> 01:41:37,579

on his shows mentioned and you know even

2147

01:41:45,040 --> 01:41:41,860

love her because actually the older oh

2148

01:41:47,109 --> 01:41:45,050

the old Exorcist movie was based upon

2149

01:41:49,209 --> 01:41:47,119

somebody in st. Louis mucking about with

2150

01:41:55,959 --> 01:41:49,219

a region and that you know that's how

2151
01:41:57,339 --> 01:41:55,969
all that came about so players play with

2152
01:41:58,209 --> 01:41:57,349
stuff that you don't need to be playing

2153
01:42:03,899 --> 01:41:58,219
with it for sure

2154
01:42:07,450 --> 01:42:03,909
I carry aa s'ti killed the cat they say

2155
01:42:11,020 --> 01:42:07,460
well yes it really did and uh I don't

2156
01:42:12,729 --> 01:42:11,030
know like I say nori on his shows

2157
01:42:15,280 --> 01:42:12,739
mentioned many times just leave that

2158
01:42:16,750 --> 01:42:15,290
stuff alone don't do that and it's sort

2159
01:42:18,280 --> 01:42:16,760
of a jury what and you know and

2160
01:42:25,540 --> 01:42:18,290
Catholicism of course you're not

2161
01:42:29,140 --> 01:42:25,550
supposed to I recommend not doing I had

2162
01:42:32,470 --> 01:42:29,150
as a teenager and a little bit as an

2163
01:42:34,300 --> 01:42:32,480

adult but it was it's it's just so dark

2164

01:42:36,669 --> 01:42:34,310

and you don't know what you'll get when

2165

01:42:39,280 --> 01:42:36,679

you miss or something like that and they

2166

01:42:41,410 --> 01:42:39,290

have Angel boards to Kevin Angel boards

2167

01:42:44,800 --> 01:42:41,420

like like that's gonna bless whatever

2168

01:42:47,050 --> 01:42:44,810

comes through and not be evil but it's

2169

01:42:50,200 --> 01:42:47,060

like we do I don't know I don't know

2170

01:42:52,060 --> 01:42:50,210

about that that sounds like it's you I

2171

01:42:53,950 --> 01:42:52,070

mean the whole idea like they say the

2172

01:42:56,470 --> 01:42:53,960

church the Catholic churches itself

2173

01:42:59,680 --> 01:42:56,480

doesn't recommend any dabbling in a

2174

01:43:01,510 --> 01:42:59,690

cultism for that reason I mean Anna now

2175

01:43:04,109 --> 01:43:01,520

chasing the ghost down and talk to them

2176

01:43:06,790 --> 01:43:04,119

or anything like that don't do that and

2177

01:43:08,200 --> 01:43:06,800

and that's why but for the same reason

2178

01:43:11,950 --> 01:43:08,210

and because you don't know what you're

2179

01:43:13,450 --> 01:43:11,960

fooling with and that that is Wow but I

2180

01:43:14,979 --> 01:43:13,460

hope that's lesson to people because I

2181

01:43:18,190 --> 01:43:14,989

sure would want to be bedeviled with

2182

01:43:21,220 --> 01:43:18,200

hanging in the corner at Kai's for

2183

01:43:23,200 --> 01:43:21,230

anything else yeah I have I have it's I

2184

01:43:24,820 --> 01:43:23,210

have actually experienced an exorcism of

2185

01:43:29,290 --> 01:43:24,830

my own some 30 years ago

2186

01:43:30,910 --> 01:43:29,300

that's right did you live a - no but I

2187

01:43:35,979 --> 01:43:30,920

mean I could do some things that were

2188

01:43:38,979 --> 01:43:35,989

very scary yeah and and I used to

2189

01:43:41,590 --> 01:43:38,989

believe it or not it wasn't a very long

2190

01:43:43,660 --> 01:43:41,600

period before I had an exorcism but and

2191

01:43:46,290 --> 01:43:43,670

I was already a sturdy old Buzzard but I

2192

01:43:50,170 --> 01:43:46,300

would go to biker bars to pick fights

2193

01:43:52,120 --> 01:43:50,180

and I would do things that were you know

2194

01:43:56,200 --> 01:43:52,130

a sturdy guy or not I do stuff that was

2195

01:43:58,300 --> 01:43:56,210

way out of line like some guy was you

2196

01:44:00,580 --> 01:43:58,310

know huffing and puffing around and I

2197

01:44:02,800 --> 01:44:00,590

would like you know he's like six-four

2198

01:44:05,680 --> 01:44:02,810

six-five I just grabbed his arm I said

2199

01:44:08,170 --> 01:44:05,690

oh you must be real strong in a

2200

01:44:09,940 --> 01:44:08,180

sarcastic way and I grabbed his bicep so

2201
01:44:12,250 --> 01:44:09,950
hard he just fell to his knees and pain

2202
01:44:15,010 --> 01:44:12,260
you know this stuff like out of a movie

2203
01:44:17,860 --> 01:44:15,020
like out of a movie if you saw the The

2204
01:44:19,330 --> 01:44:17,870
Terminator the the our old Arnold

2205
01:44:22,330 --> 01:44:19,340
Schwarzenegger Terminator movie yeah

2206
01:44:23,830 --> 01:44:22,340
yeah remember we grabbed a guy under the

2207
01:44:26,410 --> 01:44:23,840
neck and picked him up off the ground

2208
01:44:29,290 --> 01:44:26,420
with one hand right I did that I did

2209
01:44:31,510 --> 01:44:29,300
that it was no more effort for me even

2210
01:44:35,910 --> 01:44:31,520
it was no more effort for me hi than

2211
01:44:38,979 --> 01:44:35,920
picking up a cup of coffee that's really

2212
01:44:40,900 --> 01:44:38,989
well I will say this not that I want to

2213
01:44:43,810 --> 01:44:40,910

ever happen again but when you are

2214

01:44:46,660 --> 01:44:43,820

possessed it is kind of amusing I mean

2215

01:44:48,910 --> 01:44:46,670

you know but there's a certain arrogance

2216

01:44:50,860 --> 01:44:48,920

that comes out of you like that's why I

2217

01:44:56,110 --> 01:44:50,870

said that to that guy like oh you must

2218

01:45:01,720 --> 01:44:56,120

be very strong and I actually cleared

2219

01:45:02,380 --> 01:45:01,730

the biker bar out like holy mackerel I'm

2220

01:45:05,560 --> 01:45:02,390

out of here

2221

01:45:07,720 --> 01:45:05,570

it was just stuff like that but like I

2222

01:45:10,090 --> 01:45:07,730

say it went away and that was fine but

2223

01:45:12,700 --> 01:45:10,100

it wasn't anything I'd ever want to ever

2224

01:45:14,830 --> 01:45:12,710

muck about again and I certainly would

2225

01:45:18,459 --> 01:45:14,840

never for the WETA for that would be the

2226

01:45:20,770 --> 01:45:18,469

last thing on earth I would do but it is

2227

01:45:26,400 --> 01:45:20,780

odd it is a strange world but in

2228

01:45:28,509 --> 01:45:26,410

fairness though in retrospect you know I

2229

01:45:33,370 --> 01:45:28,519

you know I'm gonna

2230

01:45:34,899 --> 01:45:33,380

ever since and certainly not bedeviled

2231

01:45:38,620 --> 01:45:34,909

with any creatures or anything like that

2232

01:45:41,709 --> 01:45:38,630

and I don't plan on it so I do think if

2233

01:45:43,299 --> 01:45:41,719

you stay in prayer and I had read a good

2234

01:45:44,799 --> 01:45:43,309

spiritual life I think you'll be all

2235

01:45:49,930 --> 01:45:44,809

right and protected from that kind of

2236

01:45:52,839 --> 01:45:49,940

ruckus people who write me and that are

2237

01:45:55,390 --> 01:45:52,849

like we're Christians understand what's

2238

01:45:58,359 --> 01:45:55,400

going on and and I'm like whoa it's not

2239

01:46:00,879 --> 01:45:58,369

always that it's a tract of tea because

2240

01:46:05,560 --> 01:46:00,889

you're rotten but much like a bug to a

2241

01:46:07,930 --> 01:46:05,570

light he does another is celebrating

2242

01:46:11,109 --> 01:46:07,940

others to be so light you know and

2243

01:46:12,700 --> 01:46:11,119

bright and positive so one other is

2244

01:46:17,109 --> 01:46:12,710

something that because are you familiar

2245

01:46:19,060 --> 01:46:17,119

with Padre Pio yes well see he was

2246

01:46:21,669 --> 01:46:19,070

actually bedeviled with some demons

2247

01:46:23,560 --> 01:46:21,679

every now and again it wouldn't last but

2248

01:46:26,739 --> 01:46:23,570

I mean they pestered him every now and

2249

01:46:28,899 --> 01:46:26,749

then yeah but but of course it wasn't

2250

01:46:29,200 --> 01:46:28,909

allowed to go on but I mean yes that's

2251

01:46:35,080 --> 01:46:29,210

true

2252

01:46:37,089 --> 01:46:35,090

like you know I tell people take it as a

2253

01:46:38,680 --> 01:46:37,099

compliment because it's it lets you know

2254

01:46:41,950 --> 01:46:38,690

that you're doing something right and

2255

01:46:45,029 --> 01:46:41,960

there's something really that they want

2256

01:46:47,410 --> 01:46:45,039

to possess and upset obsess over because

2257

01:46:49,989 --> 01:46:47,420

it's something that you can really help

2258

01:46:52,509 --> 01:46:49,999

Society and sometimes it's because if

2259

01:46:54,609 --> 01:46:52,519

people can see them that they want to

2260

01:46:56,500 --> 01:46:54,619

poke their eyes out essentially and shut

2261

01:47:00,459 --> 01:46:56,510

them up because they could warn others

2262

01:47:02,259 --> 01:47:00,469

to their presence and if you could see

2263

01:47:04,359 --> 01:47:02,269

your enemy you could prepare for them

2264

01:47:07,660 --> 01:47:04,369

and they don't like that so much just

2265

01:47:09,250 --> 01:47:07,670

out well it also underscores the of

2266

01:47:13,029 --> 01:47:09,260

their overall game plan it also

2267

01:47:15,609 --> 01:47:13,039

underscores a you know the more visible

2268

01:47:17,890 --> 01:47:15,619

understood they are then more people are

2269

01:47:20,229 --> 01:47:17,900

alerted and hopefully the more that

2270

01:47:23,739 --> 01:47:20,239

would turn back to Christ and religion

2271

01:47:26,020 --> 01:47:23,749

and so forth and they don't necessarily

2272

01:47:29,819 --> 01:47:26,030

want someone like you yet running off at

2273

01:47:33,250 --> 01:47:29,829

your yeah Quebec I guess I guess yeah

2274

01:47:35,979 --> 01:47:33,260

and alerting people basically but I

2275

01:47:38,020 --> 01:47:35,989

don't know Heidi it is it is I will say

2276

01:47:41,150 --> 01:47:38,030

this it is a strange world I know

2277

01:47:42,830 --> 01:47:41,160

there's plenty of good in it too but

2278

01:47:44,510 --> 01:47:42,840

was that old Ripley's Believe It or Not

2279

01:47:46,070 --> 01:47:44,520

life is stranger than it seems or

2280

01:47:53,410 --> 01:47:46,080

something like something old saying like

2281

01:47:58,250 --> 01:47:53,420

that it's a crazy world and but it's so

2282

01:48:01,430 --> 01:47:58,260

in our faces lately of climate change

2283

01:48:04,880 --> 01:48:01,440

negative things going on and and the

2284

01:48:08,360 --> 01:48:04,890

normal anomalies going on and and Jesus

2285

01:48:11,420 --> 01:48:08,370

showing up in the middle least just to

2286

01:48:14,300 --> 01:48:11,430

so many people who others a nation now

2287

01:48:17,810 --> 01:48:14,310

that really wasn't of the Muslim faith

2288

01:48:19,970 --> 01:48:17,820

who are suddenly seeing Jesus just night

2289

01:48:22,190 --> 01:48:19,980

after night just not just one night but

2290

01:48:25,310 --> 01:48:22,200

he keeps coming to them until they look

2291

01:48:27,230 --> 01:48:25,320

into who he is and there's many converts

2292

01:48:29,630 --> 01:48:27,240

all of a sudden and it's like hold on it

2293

01:48:32,780 --> 01:48:29,640

happen and showing up Jesus is showing

2294

01:48:34,700 --> 01:48:32,790

up it there's so many changes going on

2295

01:48:36,080 --> 01:48:34,710

the vibrations of the planet are

2296

01:48:38,030 --> 01:48:36,090

changing for crying out loud the

2297

01:48:39,890 --> 01:48:38,040

patterns of the planet as far as the

2298

01:48:42,170 --> 01:48:39,900

weather is changing so what what is

2299

01:48:44,630 --> 01:48:42,180

going on here so people need to really

2300

01:48:46,490 --> 01:48:44,640

take take and pay attention and I wanted

2301

01:48:47,840 --> 01:48:46,500

to also let people know that if they're

2302

01:48:50,330 --> 01:48:47,850

experiencing anything out of the

2303

01:48:50,720 --> 01:48:50,340

ordinary from Jesus encounters to shadow

2304

01:48:53,930 --> 01:48:50,730

people

2305

01:48:58,540 --> 01:48:53,940

aliens happen to go to my main website

2306

01:49:03,410 --> 01:48:58,550

which is Haight palace calm and again

2307

01:49:05,780 --> 01:49:03,420

right me my email is das Outlander at

2308

01:49:08,210 --> 01:49:05,790

gmail.com it's on the website and to

2309

01:49:11,090 --> 01:49:08,220

also you know everybody could use a

2310

01:49:12,710 --> 01:49:11,100

laugh I'm the comic strip and like it's

2311

01:49:14,600 --> 01:49:12,720

a paranormal comic I don't think

2312

01:49:19,010 --> 01:49:14,610

anything is out there like it

2313

01:49:21,530 --> 01:49:19,020

so the Outlanders comic calm and you

2314

01:49:26,150 --> 01:49:21,540

know just try to get people to connect

2315

01:49:28,160 --> 01:49:26,160

vent laugh enjoy enjoy this life instead

2316

01:49:31,160 --> 01:49:28,170

of taking this all so darn serious all

2317

01:49:33,860 --> 01:49:31,170

the time and and to not let the dark

2318

01:49:36,980 --> 01:49:33,870

side win by letting them go silent on

2319

01:49:38,720 --> 01:49:36,990

what it is they're experiencing well

2320

01:49:40,460 --> 01:49:38,730

that is true Heidi and that that's the

2321

01:49:43,940 --> 01:49:40,470

over all of it because the good is

2322

01:49:46,280 --> 01:49:43,950

stronger than the demonic and you have

2323

01:49:49,220 --> 01:49:46,290

to remember that and I don't know it's

2324

01:49:52,280 --> 01:49:49,230

just it is a strange one though it

2325

01:49:54,950 --> 01:49:52,290

really is and urge everybody also to

2326

01:49:57,430 --> 01:49:54,960

listen to our show it's a I said

2327

01:50:00,560 --> 01:49:57,440

Radio Network at 9:00 p.m. Eastern and

2328

01:50:03,050 --> 01:50:00,570

that's we fo every Tuesday and we have a

2329

01:50:05,600 --> 01:50:03,060

diverse little bunch of a guest coming

2330

01:50:07,940 --> 01:50:05,610

up yeah well we have fun with it and

2331

01:50:10,490 --> 01:50:07,950

I've got another on Friday inception

2332

01:50:14,030 --> 01:50:10,500

radio at 8:00 p.m. Central Standard Time

2333

01:50:14,660 --> 01:50:14,040

so we keep inception radio busy that's

2334

01:50:16,850 --> 01:50:14,670

for sure

2335

01:50:19,340 --> 01:50:16,860

we have fun with it oh we do we do and

2336

01:50:21,229 --> 01:50:19,350

we try to keep it you know varied it's

2337

01:50:23,900 --> 01:50:21,239

not the same old stuff all the time we

2338

01:50:26,240 --> 01:50:23,910

try to write now of course unlike this

2339

01:50:29,180 --> 01:50:26,250

network we do have love political shows

2340

01:50:32,320 --> 01:50:29,190

whose Ally the political is about as

2341

01:50:35,180 --> 01:50:32,330

bizarre as the paranormal these days I

2342

01:50:40,130 --> 01:50:35,190

mean I've never believed that and I

2343

01:50:42,020 --> 01:50:40,140

don't know it but it we do keep a keep

2344

01:50:45,590 --> 01:50:42,030

the posturing and I think we do a pretty

2345

01:50:47,270 --> 01:50:45,600

good job of it I really do but boy Heidi

2346

01:50:49,459 --> 01:50:47,280

you've really opened my eyes to a lot of

2347

01:50:51,860 --> 01:50:49,469

things tonight I'm you know you know uh

2348

01:50:55,430 --> 01:50:51,870

poor little old girl experiencing all

2349

01:50:57,200 --> 01:50:55,440

these metaphysical creatures and me

2350

01:51:07,040 --> 01:50:57,210

kicking around a bunch of bikers is kind

2351
01:51:10,160 --> 01:51:07,050
of mild stuff compared to that that was

2352
01:51:12,410 --> 01:51:10,170
the highlight of all my encounters Jesus

2353
01:51:15,050 --> 01:51:12,420
encounters nothing beats that and that

2354
01:51:17,630 --> 01:51:15,060
book Jesus is no joke well yes I mean

2355
01:51:20,870 --> 01:51:17,640
people check it out and you know there's

2356
01:51:24,500 --> 01:51:20,880
there's always a light side well it is

2357
01:51:27,979 --> 01:51:24,510
and the white the god side wins that's

2358
01:51:30,050 --> 01:51:27,989
true and the rest of it but it is odd

2359
01:51:32,260 --> 01:51:30,060
but I mean people don't realize I think

2360
01:51:35,000 --> 01:51:32,270
that's the thing is people don't realize

2361
01:51:38,060 --> 01:51:35,010
the depth of all the things were exposed

2362
01:51:41,300 --> 01:51:38,070
to and frankly in world events like

2363
01:51:43,760 --> 01:51:41,310

you're saying there are demons they're

2364

01:51:45,620 --> 01:51:43,770

very active and there's been stuff

2365

01:51:48,229 --> 01:51:45,630

that's so there have been things I don't

2366

01:51:51,590 --> 01:51:48,239

even bring up in the news pieces because

2367

01:51:53,300 --> 01:51:51,600

they're so exotic so evil that Heidi I

2368

01:51:56,060 --> 01:51:53,310

don't want to turn the listeners off I

2369

01:51:57,440 --> 01:51:56,070

mean maybe I should but I mean I've got

2370

01:51:59,900 --> 01:51:57,450

access to a lot of different stories

2371

01:52:01,670 --> 01:51:59,910

from a lot of different feeds and and

2372

01:52:03,920 --> 01:52:01,680

there's stuff that would frankly upsets

2373

01:52:05,660 --> 01:52:03,930

people sensibilities if I let him know

2374

01:52:09,020 --> 01:52:05,670

about all these different things

2375

01:52:11,690 --> 01:52:09,030

I believe I stay away from them

2376

01:52:13,490 --> 01:52:11,700

try to deal with more you know light

2377

01:52:17,870 --> 01:52:13,500

issues and keep them entertained I'm not

2378

01:52:19,460 --> 01:52:17,880

understood scare men in the earth anyway

2379

01:52:21,110 --> 01:52:19,470

Heidi I guess we're coming to the end of

2380

01:52:23,480 --> 01:52:21,120

this show I guess it was a good one it

2381

01:52:30,190 --> 01:52:23,490

certainly was the different yeah I guess

2382

01:52:35,180 --> 01:52:31,520

okay

2383

01:52:38,630 --> 01:52:35,190

well it's good to be a host on your show

2384

01:52:42,510 --> 01:52:38,640

again and uh Epica can cherry uh I wish
