**Supernatural Girlz**

On the Line: Stan Gordon

1  
00:00:30,730 --> 00:00:28,750  
archangels ghosts and Bigfoot oh my it's

2  
00:00:33,880 --> 00:00:30,740  
just another night for Supernatural

3  
00:00:36,280 --> 00:00:33,890  
girls real stories real answers to

4  
00:00:38,799 --> 00:00:36,290  
life's biggest supernatural mysteries

5  
00:00:41,530 --> 00:00:38,809  
and now for another exciting interview

6  
00:00:44,290 --> 00:00:41,540  
with Errol experts in this world and

7  
00:00:47,319 --> 00:00:44,300  
others here's your host paranormal

8  
00:00:47,650 --> 00:00:47,329  
researcher Patricia Baker on the one the

9  
00:01:06,550 --> 00:00:47,660  
only

10  
00:01:09,170 --> 00:01:06,560  
[Music]

11  
00:01:12,350 --> 00:01:09,180  
welcome everyone to another exciting

12  
00:01:15,139 --> 00:01:12,360  
episode of Supernatural girls radio

13  
00:01:18,770 --> 00:01:15,149

I'm your host Patricia Baker I am here

14

00:01:20,960 --> 00:01:18,780

with my co-host Patricia Kirkman pique

15

00:01:23,690 --> 00:01:20,970

all the way from Tucson how are you fake

16

00:01:27,590 --> 00:01:23,700

a I have just been melting all day it's

17

00:01:29,690 --> 00:01:27,600

been in the 90s today don't think that

18

00:01:33,080 --> 00:01:29,700

the weather knows that it's fall

19

00:01:35,480 --> 00:01:33,090

I just smells like it the trees the

20

00:01:38,270 --> 00:01:35,490

leaves are dropping like crazy but the

21

00:01:40,430 --> 00:01:38,280

poor plants don't know what to do I know

22

00:01:42,859 --> 00:01:40,440

you mean I had friends of mine telling

23

00:01:45,050 --> 00:01:42,869

me their roses are blooming mm-hmm their

24

00:01:48,620 --> 00:01:45,060

flowers are blooming here in New England

25

00:01:50,419 --> 00:01:48,630

and it's been very warm I'm not

26  
00:01:52,760 --> 00:01:50,429  
complaining because I know what's coming

27  
00:01:55,040 --> 00:01:52,770  
around the corner you know what but our

28  
00:02:04,460 --> 00:01:55,050  
plans are gonna die not knowing what to

29  
00:02:07,729 --> 00:02:04,470  
do oh what a show we have tonight yes we

30  
00:02:09,790 --> 00:02:07,739  
do my god Stan Gordon he is one of the

31  
00:02:13,070 --> 00:02:09,800  
golden oldies he has been researching

32  
00:02:15,949 --> 00:02:13,080  
UFOs and strange creatures for over 50

33  
00:02:18,290 --> 00:02:15,959  
years and he's with us tonight we are

34  
00:02:21,170 --> 00:02:18,300  
going to talk about all the stuff that

35  
00:02:23,869 --> 00:02:21,180  
he knows all about Kecksburg and Bigfoot

36  
00:02:26,270 --> 00:02:23,879  
and just incredible things incredible

37  
00:02:27,920 --> 00:02:26,280  
thing that only Stan knows so we're

38  
00:02:31,250 --> 00:02:27,930

gonna bring him on in a few minutes but

39

00:02:32,960 --> 00:02:31,260

first first what's going on with the

40

00:02:36,020 --> 00:02:32,970

numbers what do we got going on with

41

00:02:39,650 --> 00:02:36,030

that well the numbers all I got to do is

42

00:02:42,380 --> 00:02:39,660

tell you this Halloween night is a 6

43

00:02:44,140 --> 00:02:42,390

which is all about family family type

44

00:02:47,809 --> 00:02:44,150

situations wanting things to be perfect

45

00:02:51,080 --> 00:02:47,819

so do-over see the youngsters because I

46

00:02:53,630 --> 00:02:51,090

found out that Halloween evening is the

47

00:02:55,910 --> 00:02:53,640

most dangerous for youngsters when it

48

00:02:58,339 --> 00:02:55,920

comes to traffic accidents oh no they

49

00:03:01,130 --> 00:02:58,349

have more children are damaged or

50

00:03:03,290 --> 00:03:01,140

injured or I'm not going to say the

51  
00:03:07,580 --> 00:03:03,300  
other word on Halloween Eve than at any

52  
00:03:09,679 --> 00:03:07,590  
other time Wow so definitely keep a

53  
00:03:11,390 --> 00:03:09,689  
close eye on your kids this Halloween I

54  
00:03:11,940 --> 00:03:11,400  
know other people have parties now

55  
00:03:14,160 --> 00:03:11,950  
instead of

56  
00:03:16,440 --> 00:03:14,170  
it's going out trick-or-treating -

57  
00:03:18,930 --> 00:03:16,450  
unknown houses they just do everything

58  
00:03:21,420 --> 00:03:18,940  
in one central location which makes a

59  
00:03:23,339 --> 00:03:21,430  
lot of sense in today's world I think it

60  
00:03:24,930 --> 00:03:23,349  
makes a lot of sense because in the old

61  
00:03:27,479 --> 00:03:24,940  
days when people could go around in the

62  
00:03:29,040 --> 00:03:27,489  
neighborhoods and that was fine but the

63  
00:03:31,350 --> 00:03:29,050

neighborhoods aren't the same anymore

64

00:03:33,509 --> 00:03:31,360

and when they started having candy was

65

00:03:35,850 --> 00:03:33,519

tampered with yeah things of that nature

66

00:03:37,559 --> 00:03:35,860

that's when the city started putting

67

00:03:39,690 --> 00:03:37,569

some of these things together which is

68

00:03:45,030 --> 00:03:39,700

great it's much better to have them safe

69

00:03:47,370 --> 00:03:45,040

and in one space it is it is and did so

70

00:03:49,080 --> 00:03:47,380

I'm looking forward to hearing about it

71

00:03:50,910 --> 00:03:49,090

for my six-year-old granddaughter she's

72

00:03:55,229 --> 00:03:50,920

already playing with her costume trying

73

00:04:01,920 --> 00:03:55,239

to figure out what Lord she's ready

74

00:04:04,289 --> 00:04:01,930

store in town everybody has fun and

75

00:04:06,509 --> 00:04:04,299

stays safe you also found some

76

00:04:08,729 --> 00:04:06,519

interesting trivia about Halloween how

77

00:04:11,940 --> 00:04:08,739

they use these products instead of

78

00:04:14,940 --> 00:04:11,950

pumpkins yeah turnip was what they use

79

00:04:17,400 --> 00:04:14,950

for it before the pumpkin was used they

80

00:04:20,099 --> 00:04:17,410

carved out the turnip put a candle in it

81

00:04:22,529 --> 00:04:20,109

and they used it as we use the

82

00:04:24,270 --> 00:04:22,539

jack-o'-lantern today how funny

83

00:04:30,840 --> 00:04:24,280

oh my goodness I guess they must have

84

00:04:34,020 --> 00:04:30,850

been more prevalent than pumpkins now

85

00:04:36,360 --> 00:04:34,030

you also found sing little ghost stories

86

00:04:39,060 --> 00:04:36,370

to tell us well and bringing our

87

00:04:41,340 --> 00:04:39,070

attention to well I was taking a look at

88

00:04:43,740 --> 00:04:41,350

some things and they're talking about in

89

00:04:46,650 --> 00:04:43,750

England of course there's with the death

90

00:04:50,879 --> 00:04:46,660

of Anne Boleyn I could hand of good old

91

00:04:53,580 --> 00:04:50,889

Henry that her remnants shall we say

92

00:04:56,430 --> 00:04:53,590

keeps walking the walls and are very

93

00:05:00,810 --> 00:04:56,440

much prevalent there but how many times

94

00:05:03,120 --> 00:05:00,820

the different people from that era they

95

00:05:05,339 --> 00:05:03,130

don't know they're gone one of the most

96

00:05:07,980 --> 00:05:05,349

important excuse me

97

00:05:11,400 --> 00:05:07,990

ghost sightings had to do in England

98

00:05:13,560 --> 00:05:11,410

with Henry's wife and nothing after that

99

00:05:17,790 --> 00:05:13,570

ever seemed to be put into place

100

00:05:20,159 --> 00:05:17,800

properly so if you take a look at some

101  
00:05:21,719 --> 00:05:20,169  
of the things ongoing we take a look at

102  
00:05:25,500 --> 00:05:21,729  
here in the states we've got the Queen

103  
00:05:30,240 --> 00:05:25,510  
Mary the ship in the long beach

104  
00:05:33,660 --> 00:05:30,250  
that has many many shall we say ghosts

105  
00:05:35,520 --> 00:05:33,670  
and goblins involved there people that

106  
00:05:39,750 --> 00:05:35,530  
are seeing sightings of the people that

107  
00:05:42,690 --> 00:05:39,760  
worked on the ships they also see around

108  
00:05:45,150 --> 00:05:42,700  
the pool area they will see people in

109  
00:05:47,700 --> 00:05:45,160  
the old-fashioned bathing suits and

110  
00:05:50,550 --> 00:05:47,710  
dress and even though the pool is empty

111  
00:05:54,930 --> 00:05:50,560  
they'll see wet footprints around the

112  
00:05:59,430 --> 00:05:54,940  
pool so I thought that is a little bit

113  
00:06:03,720 --> 00:05:59,440

much how cool is that so yes it has a

114

00:06:07,010 --> 00:06:03,730

very heavily populated ship yes I

115

00:06:08,280 --> 00:06:07,020

believe Victoria gross takes people oh

116

00:06:12,090 --> 00:06:08,290

right

117

00:06:13,950 --> 00:06:12,100

oh I've seen very unusual things yeah

118

00:06:16,320 --> 00:06:13,960

there has been and one of the things too

119

00:06:18,240 --> 00:06:16,330

is they keep saying that Churchill used

120

00:06:21,300 --> 00:06:18,250

to be on there he had his own place on

121

00:06:23,400 --> 00:06:21,310

board the ship and they can smell his

122

00:06:25,530 --> 00:06:23,410

cigars all the time they always know

123

00:06:29,190 --> 00:06:25,540

when he's when he's out and about but

124

00:06:31,530 --> 00:06:29,200

they receive phantom crews that go along

125

00:06:34,050 --> 00:06:31,540

with it walk in the decks and it's

126

00:06:35,280 --> 00:06:34,060

really incredible but you know one of

127

00:06:37,260 --> 00:06:35,290

the things that I came across that I

128

00:06:39,300 --> 00:06:37,270

thought was interesting was the fact in

129

00:06:42,150 --> 00:06:39,310

the agents when they started having

130

00:06:45,120 --> 00:06:42,160

funerals its to put the spirits in the

131

00:06:47,610 --> 00:06:45,130

ground so that they know that it's exit

132

00:06:49,440 --> 00:06:47,620

that this person is dead they don't want

133

00:06:52,440 --> 00:06:49,450

it coming back so they figured by the

134

00:06:55,110 --> 00:06:52,450

funeral that let it know that it don't

135

00:06:57,690 --> 00:06:55,120

longer have right to come back and walk

136

00:07:01,440 --> 00:06:57,700

among the rest of us even though they

137

00:07:05,760 --> 00:07:01,450

still do wow so that put through the

138

00:07:08,910 --> 00:07:05,770

lying we do well that's so interesting

139

00:07:10,740 --> 00:07:08,920

and then we also found an a wild story

140

00:07:16,140 --> 00:07:10,750

that we posted on our Facebook page

141

00:07:22,020 --> 00:07:16,150

about a patient in a hospital in South

142

00:07:24,570 --> 00:07:22,030

Africa who they believe teleported

143

00:07:26,130 --> 00:07:24,580

Islam he was in his bag they came to

144

00:07:29,460 --> 00:07:26,140

check on him he was missing they

145

00:07:31,710 --> 00:07:29,470

couldn't find him anywhere and I guess

146

00:07:35,490 --> 00:07:31,720

it was a week or so later they found him

147

00:07:37,890 --> 00:07:35,500

up in the ceiling mm-hmm no idea how he

148

00:07:39,090 --> 00:07:37,900

got there he was in his bed one minute

149

00:07:41,160 --> 00:07:39,100

gone the next

150

00:07:44,760 --> 00:07:41,170

they don't know if this is Colonel beard

151  
00:07:48,090 --> 00:07:44,770  
murder situation they have no clue but

152  
00:07:50,660 --> 00:07:48,100  
it's a very strange thing and it's it's

153  
00:07:53,760 --> 00:07:50,670  
interesting that they're mentioning

154  
00:07:56,270 --> 00:07:53,770  
teleportation this particular event but

155  
00:08:00,890 --> 00:07:56,280  
that's on our Facebook page which else

156  
00:08:03,600 --> 00:08:00,900  
to go and read it's very very strange

157  
00:08:05,370 --> 00:08:03,610  
that it is you know one thing I was

158  
00:08:06,690 --> 00:08:05,380  
going to mention too about in Tucson

159  
00:08:07,650 --> 00:08:06,700  
there's a hotel called the hotel

160  
00:08:10,560 --> 00:08:07,660  
Congress

161  
00:08:13,410 --> 00:08:10,570  
it's where Dillinger and his men came to

162  
00:08:14,790 --> 00:08:13,420  
and shall we say hang out like there's a

163  
00:08:15,810 --> 00:08:14,800

lot of different people that stayed

164

00:08:18,630 --> 00:08:15,820

there because it was near the railroad

165

00:08:21,180 --> 00:08:18,640

track and they ended up having the fire

166

00:08:23,790 --> 00:08:21,190

at the hotel that took out the third

167

00:08:25,190 --> 00:08:23,800

floor but when the people that were

168

00:08:29,490 --> 00:08:25,200

staying there

169

00:08:31,980 --> 00:08:29,500

out into the public what are the men of

170

00:08:33,779 --> 00:08:31,990

Dillinger's group asked the firemen to

171

00:08:35,219 --> 00:08:33,789

go up and get their bags because there's

172

00:08:36,600 --> 00:08:35,229

so bad bags up there that were quite

173

00:08:39,270 --> 00:08:36,610

heavy to bring them down

174

00:08:41,760 --> 00:08:39,280

well when the firemen went up to bring

175

00:08:44,820 --> 00:08:41,770

the bag he checked it out there was

176  
00:08:46,110 --> 00:08:44,830  
money and amp and guns etc in it so he

177  
00:08:52,200 --> 00:08:46,120  
wouldn't tell the police that's how

178  
00:08:55,800 --> 00:08:52,210  
Dillinger got caught so I guess you

179  
00:08:59,720 --> 00:08:55,810  
should well who told us Carmen never

180  
00:09:03,960 --> 00:08:59,730  
forgets an address tonight

181  
00:09:06,630 --> 00:09:03,970  
we're gonna move right into this amazing

182  
00:09:08,310 --> 00:09:06,640  
guests that we have stand guard and I'm

183  
00:09:10,200 --> 00:09:08,320  
gonna tell you a little bit about him

184  
00:09:13,080 --> 00:09:10,210  
before we bring him on because he's

185  
00:09:14,880 --> 00:09:13,090  
quite impressive he was trained as an

186  
00:09:17,670 --> 00:09:14,890  
electronics technician who specialized

187  
00:09:19,560 --> 00:09:17,680  
in radio communications being of radio

188  
00:09:23,370 --> 00:09:19,570

communications I'm hearing an echo and I

189

00:09:28,950 --> 00:09:23,380

really hope our audience is not too but

190

00:09:32,340 --> 00:09:28,960

anyways they don't have to it and and if

191

00:09:35,580 --> 00:09:32,350

you are hearing it please let us know in

192

00:09:37,800 --> 00:09:35,590

the chat room go to IR and chat let us

193

00:09:39,240 --> 00:09:37,810

know and if you have any questions for

194

00:09:41,580 --> 00:09:39,250

Stan that's where you want to write them

195

00:09:43,560 --> 00:09:41,590

also so Stan worked in the advanced

196

00:09:46,050 --> 00:09:43,570

commute consumer electronics sales field

197

00:09:48,210 --> 00:09:46,060

for over 40 years he's lived in

198

00:09:51,360 --> 00:09:48,220

Greensburg Pennsylvania all of his life

199

00:09:52,970 --> 00:09:51,370

and he began his interest in the UFO

200

00:09:57,360 --> 00:09:52,980

subject and others

201  
00:10:00,570 --> 00:09:57,370  
incidents at the age of 10 in 1959 and

202  
00:10:02,520 --> 00:10:00,580  
in the late 1960s he acted as the

203  
00:10:05,880 --> 00:10:02,530  
telephone UFO sighting report

204  
00:10:09,750 --> 00:10:05,890  
investigations coordinator for the UFO

205  
00:10:12,120 --> 00:10:09,760  
Research Institute of Pittsburgh so he

206  
00:10:16,440 --> 00:10:12,130  
began his field investigations of UFOs

207  
00:10:19,980 --> 00:10:16,450  
and other mysterious events in 1965 it

208  
00:10:24,030 --> 00:10:19,990  
is the primary investigator of the

209  
00:10:26,940 --> 00:10:24,040  
December 9 1965 UFO crash recovery

210  
00:10:29,190 --> 00:10:26,950  
incident that occurred near Kecksburg

211  
00:10:33,420 --> 00:10:29,200  
Pennsylvania one of our favorites that's

212  
00:10:35,280 --> 00:10:33,430  
an amazing case so he established a UFO

213  
00:10:37,980 --> 00:10:35,290

hotline for the public to report UFO

214

00:10:39,530 --> 00:10:37,990

sightings for him to investigate he's

215

00:10:41,730 --> 00:10:39,540

been involved in many television

216

00:10:42,870 --> 00:10:41,740

productions he has a number of books

217

00:10:46,320 --> 00:10:42,880

which I'm going to tell you about right

218

00:10:49,950 --> 00:10:46,330

now he is the author of really

219

00:10:52,770 --> 00:10:49,960

mysterious Pennsylvania silent invasion

220

00:10:54,710 --> 00:10:52,780

the Pennsylvania UFO Bigfoot case book

221

00:10:57,120 --> 00:10:54,720

and astonishing encounters

222

00:10:58,890 --> 00:10:57,130

Pennsylvania's unknown creatures so

223

00:11:01,830 --> 00:10:58,900

let's get him on the show and hopefully

224

00:11:05,730 --> 00:11:01,840

the second will go away so Stan welcome

225

00:11:06,810 --> 00:11:05,740

to the show thanks for having me on our

226

00:11:09,960 --> 00:11:06,820

pleasure

227

00:11:12,840 --> 00:11:09,970

so my goodness you have everything that

228

00:11:15,480 --> 00:11:12,850

we love going on in your life and we

229

00:11:16,890 --> 00:11:15,490

want it we want to know it all so where

230

00:11:19,470 --> 00:11:16,900

would you like to start

231

00:11:21,030 --> 00:11:19,480

which event do you want to start with

232

00:11:23,160 --> 00:11:21,040

Kecksburg or do you want to start with

233

00:11:25,190 --> 00:11:23,170

your triangle of events over there which

234

00:11:27,870 --> 00:11:25,200

one do you want to tell us about first

235

00:11:31,050 --> 00:11:27,880

well maybe I should tells over about how

236

00:11:33,060 --> 00:11:31,060

Halloween season how how I got involved

237

00:11:34,980 --> 00:11:33,070

in this because Quintin dentally my

238

00:11:39,900 --> 00:11:34,990

birthday Durin's happens to be during

239

00:11:41,640 --> 00:11:39,910

the Halloween season it was in 1959 at

240

00:11:44,430 --> 00:11:41,650

my tenth birthday my parents gave me an

241

00:11:46,350 --> 00:11:44,440

AM radio as a birthday gift and I happen

242

00:11:48,570 --> 00:11:46,360

to be tuning around the radio dial that

243

00:11:50,760 --> 00:11:48,580

night because of Halloween there were

244

00:11:52,890 --> 00:11:50,770

some radio shows talking about haunted

245

00:11:55,380 --> 00:11:52,900

houses and flying saucers and strange

246

00:11:57,540 --> 00:11:55,390

things and I was a curious ten-year-old

247

00:11:59,160 --> 00:11:57,550

and I wanted to know these people making

248

00:12:01,350 --> 00:11:59,170

these stories up they telling the truth

249

00:12:03,150 --> 00:12:01,360

so I began to make a lot of trips in our

250

00:12:03,850 --> 00:12:03,160

local Greensburg library right all the

251  
00:12:06,580 --> 00:12:03,860  
books a

252  
00:12:09,400 --> 00:12:06,590  
and that's kind of where started for me

253  
00:12:11,110 --> 00:12:09,410  
and then I was 16 years old when the

254  
00:12:13,720 --> 00:12:11,120  
incident happened your Kecksburg PA was

255  
00:12:15,490 --> 00:12:13,730  
about 12 miles from where I live and I

256  
00:12:17,740 --> 00:12:15,500  
start documenting that case house was

257  
00:12:20,380 --> 00:12:17,750  
breaking on the news that afternoon or

258  
00:12:22,450 --> 00:12:20,390  
that evening and I began to go out into

259  
00:12:24,070 --> 00:12:22,460  
the field to investigate all kind of

260  
00:12:27,330 --> 00:12:24,080  
phenomena after that and I've been doing

261  
00:12:30,370 --> 00:12:27,340  
it ever since and now 58 years later

262  
00:12:32,050 --> 00:12:30,380  
still very busy getting a lot of reports

263  
00:12:34,030 --> 00:12:32,060

coming in here pretty much continuously

264

00:12:37,300 --> 00:12:34,040

my hard line has never stopped bringing

265

00:12:39,700 --> 00:12:37,310

since 1969 between that and the emails I

266

00:12:42,190 --> 00:12:39,710

get every day it's amazing what's going

267

00:12:44,200 --> 00:12:42,200

on out there it is now please tell

268

00:12:47,230 --> 00:12:44,210

everybody your website so they'll know

269

00:12:52,390 --> 00:12:47,240

how to contact you they can just go to

270

00:12:55,390 --> 00:12:52,400

of course WW Stan Gordon Geor do n dot

271

00:12:58,660 --> 00:12:55,400

info INF oh so it's Stan Gordon thought

272

00:13:00,460 --> 00:12:58,670

info terrific terrific so you are in

273

00:13:02,130 --> 00:13:00,470

love with the paranormal just like we

274

00:13:03,520 --> 00:13:02,140

are and that's why we love having you on

275

00:13:07,600 --> 00:13:03,530

now

276

00:13:10,150 --> 00:13:07,610

tell us for Tex burg that was huge and

277

00:13:12,010 --> 00:13:10,160

it was one of our favorite cases so much

278

00:13:13,870 --> 00:13:12,020

went on during that time there was a lot

279

00:13:15,700 --> 00:13:13,880

of cover-up but there were a lot of

280

00:13:16,470 --> 00:13:15,710

witnesses so it was hard to cover it up

281

00:13:19,720 --> 00:13:16,480

right

282

00:13:21,160 --> 00:13:19,730

yeah we well we could talk literally for

283

00:13:25,150 --> 00:13:21,170

days about what I've uncovered about

284

00:13:27,040 --> 00:13:25,160

Kecksburg and you know yeah well 16

285

00:13:30,580 --> 00:13:27,050

wouldn't happened as I mentioned and how

286

00:13:35,230 --> 00:13:30,590

it all began it was a Thursday December

287

00:13:37,210 --> 00:13:35,240

9th 1965 and I was listening to the the

288

00:13:39,730 --> 00:13:37,220

major radio station Pittsburgh as night

289

00:13:42,220 --> 00:13:39,740

KDKA they had a very well-known talk

290

00:13:44,830 --> 00:13:42,230

radio show called contact on and the

291

00:13:46,270 --> 00:13:44,840

host of our program had a personal I

292

00:13:48,760 --> 00:13:46,280

knew I wanted to listen to you might

293

00:13:51,130 --> 00:13:48,770

recognize his name was Frank Edwards who

294

00:13:52,990 --> 00:13:51,140

was a journalist he had written some

295

00:13:55,210 --> 00:13:53,000

books on strange happening so I wanted

296

00:13:59,050 --> 00:13:55,220

to tune in to listen to that radio show

297

00:14:03,090 --> 00:13:59,060

and as we're listening interestingly

298

00:14:06,040 --> 00:14:03,100

pretty much the entire program was

299

00:14:08,410 --> 00:14:06,050

concentrating on breaking news of this

300

00:14:11,350 --> 00:14:08,420

brilliant fireball this fiery object was

301  
00:14:14,950 --> 00:14:11,360  
seen from Ontario Canada / Michigan Ohio

302  
00:14:16,840 --> 00:14:14,960  
and Pennsylvania and apparently that

303  
00:14:20,110 --> 00:14:16,850  
object came in over the Greater pizza

304  
00:14:22,600 --> 00:14:20,120  
about 4:47 p.m. that afternoon just

305  
00:14:25,329 --> 00:14:22,610  
getting dark in this area and multitudes

306  
00:14:27,400 --> 00:14:25,339  
of people saw this object and they were

307  
00:14:30,790 --> 00:14:27,410  
calling the police and the radio and TV

308  
00:14:32,710 --> 00:14:30,800  
and newspapers reporting this and it was

309  
00:14:34,230 --> 00:14:32,720  
fascinating just hear what was going on

310  
00:14:37,840 --> 00:14:34,240  
so they were interviewing eyewitnesses

311  
00:14:39,910 --> 00:14:37,850  
they're interviewing reporters or up the

312  
00:14:41,290 --> 00:14:39,920  
readings of breaking news wire stories

313  
00:14:45,519 --> 00:14:41,300

that are coming across about the

314

00:14:47,620 --> 00:14:45,529

sightings and as the evening went on the

315

00:14:49,509 --> 00:14:47,630

things got even more interesting I can

316

00:14:51,160 --> 00:14:49,519

remember those days very well I was

317

00:14:52,509 --> 00:14:51,170

running back and forth out from the

318

00:14:55,480 --> 00:14:52,519

living room with a black-and-white

319

00:14:57,220 --> 00:14:55,490

console TV was to the radio in the other

320

00:14:59,740 --> 00:14:57,230

room try to get all the latest reports

321

00:15:01,240 --> 00:14:59,750

and then ktkk me in Pittsburgh was

322

00:15:03,699 --> 00:15:01,250

breaking in that evening with live

323

00:15:05,860 --> 00:15:03,709

reports that the military was now

324

00:15:09,069 --> 00:15:05,870

arriving in a Kecksburg area to search

325

00:15:11,379 --> 00:15:09,079

for an unidentified flying object so it

326

00:15:13,090 --> 00:15:11,389

was a very intriguing night I wasn't

327

00:15:16,300 --> 00:15:13,100

driving it I had no way to get out there

328

00:15:17,860 --> 00:15:16,310

stayed up late and I couldn't wait to

329

00:15:19,629 --> 00:15:17,870

get up next morning go to local

330

00:15:21,970 --> 00:15:19,639

newsstands he was in the news the local

331

00:15:23,949 --> 00:15:21,980

newspapers and there it was it was the

332

00:15:26,710 --> 00:15:23,959

headlines and all the local papers and

333

00:15:28,360 --> 00:15:26,720

was making national news our local paper

334

00:15:30,610 --> 00:15:28,370

the Greens retributive you had two

335

00:15:33,850 --> 00:15:30,620

editions the early morning Edition had

336

00:15:37,210 --> 00:15:33,860

army ropes off area unidentified flying

337

00:15:39,009 --> 00:15:37,220

object falls in her Kecksburg and very

338

00:15:40,629 --> 00:15:39,019

interesting account there was one of the

339

00:15:42,610 --> 00:15:40,639

reporter Bob Gaddy was there that

340

00:15:46,170 --> 00:15:42,620

evening and there were other reporters

341

00:15:48,309 --> 00:15:46,180

also from the trip on the scene and

342

00:15:49,780 --> 00:15:48,319

indicated that something apparently did

343

00:15:51,699 --> 00:15:49,790

fall down until the wooded ravine that

344

00:15:54,280 --> 00:15:51,709

no one was being a lot anywhere near the

345

00:15:56,290 --> 00:15:54,290

object that the area was cordoned off on

346

00:15:58,360 --> 00:15:56,300

the orders of the US Army and the State

347

00:16:01,059 --> 00:15:58,370

Police that they were waiting the

348

00:16:03,069 --> 00:16:01,069

arrival of civilian scientists and army

349

00:16:05,819 --> 00:16:03,079

engineers to examine whatever had fallen

350

00:16:07,480 --> 00:16:05,829

there was also discussion that there was

351  
00:16:09,850 --> 00:16:07,490  
considerations as they may have been

352  
00:16:11,800 --> 00:16:09,860  
radioactive well thought there was a

353  
00:16:13,780 --> 00:16:11,810  
royal interesting account the later

354  
00:16:16,360 --> 00:16:13,790  
edition of the newspaper comes out with

355  
00:16:18,100 --> 00:16:16,370  
a number of different stories including

356  
00:16:24,179 --> 00:16:18,110  
one that immediately clawed my eye which

357  
00:16:29,600 --> 00:16:26,679  
there was a search to early morning

358  
00:16:32,690 --> 00:16:29,610  
hours but absolutely nothing was

359  
00:16:35,150 --> 00:16:32,700  
and that officially they were saying it

360  
00:16:37,009 --> 00:16:35,160  
was his people's imagination that they

361  
00:16:39,290 --> 00:16:37,019  
had seen a bright meteor in the sky but

362  
00:16:41,990 --> 00:16:39,300  
nothing had fallen to the ground so now

363  
00:16:44,630 --> 00:16:42,000

we're you know based on that report that

364

00:16:46,280 --> 00:16:44,640

was was given that this was the real

365

00:16:48,230 --> 00:16:46,290

deal this was it

366

00:16:51,410 --> 00:16:48,240

mmm because they wouldn't have tried to

367

00:16:52,579 --> 00:16:51,420

cover it up if it wasn't well you know

368

00:16:54,470 --> 00:16:52,589

the next day again

369

00:16:56,180 --> 00:16:54,480

you hear this you hear the media report

370

00:16:58,250 --> 00:16:56,190

and there was so much we did not know at

371

00:16:59,810 --> 00:16:58,260

the time I mean there was so few names

372

00:17:01,819 --> 00:16:59,820

on the paper I tried to follow up the

373

00:17:04,579 --> 00:17:01,829

next day I was writing down everything I

374

00:17:07,490 --> 00:17:04,589

could and it was appeared over weeks and

375

00:17:11,350 --> 00:17:07,500

months and years that I began to get a

376

00:17:14,449 --> 00:17:11,360

lot of new information on the case and I

377

00:17:16,250 --> 00:17:14,459

began occasion I would find somebody who

378

00:17:18,319 --> 00:17:16,260

was involved I would get information

379

00:17:20,480 --> 00:17:18,329

relatives and neighbors and friends of

380

00:17:23,360 --> 00:17:20,490

people who were involved and by the

381

00:17:24,829 --> 00:17:23,370

1980s I had a lot of information which

382

00:17:27,140 --> 00:17:24,839

suggests that there was a lot more to

383

00:17:28,750 --> 00:17:27,150

the story than anybody knew about so we

384

00:17:30,470 --> 00:17:28,760

really began to do a very detailed

385

00:17:32,840 --> 00:17:30,480

investigation and since then I've

386

00:17:35,000 --> 00:17:32,850

interviewed hundreds of people I've lost

387

00:17:36,740 --> 00:17:35,010

track many hundreds of people who have

388

00:17:39,110 --> 00:17:36,750

information on the case I tracked down

389

00:17:41,780 --> 00:17:39,120

the reporters who are on the scene to

390

00:17:44,330 --> 00:17:41,790

volunteer firemen estate police military

391

00:17:47,240 --> 00:17:44,340

sources and I mean there is absolutely

392

00:17:49,039 --> 00:17:47,250

no doubt whatsoever that something fell

393

00:17:51,770 --> 00:17:49,049

from the sky and the military came and

394

00:17:54,200 --> 00:17:51,780

recovered it and it's a fascinating

395

00:17:57,799 --> 00:17:54,210

story and and what we didn't know at

396

00:17:59,780 --> 00:17:57,809

that time was that this object whatever

397

00:18:02,810 --> 00:17:59,790

it was it was moving relatively slowly

398

00:18:05,720 --> 00:18:02,820

it was making change in direction along

399

00:18:07,190 --> 00:18:05,730

its trajectory along its path the people

400

00:18:09,860 --> 00:18:07,200

who saw it come down in the woods that

401  
00:18:12,260 --> 00:18:09,870  
afternoon said it did not come down at a

402  
00:18:13,970 --> 00:18:12,270  
high rate of speed such as you would

403  
00:18:16,549 --> 00:18:13,980  
have for example with re-entry of space

404  
00:18:18,440 --> 00:18:16,559  
debris or our meteor coming in then I

405  
00:18:20,630 --> 00:18:18,450  
came down almost like a medic controlled

406  
00:18:23,659 --> 00:18:20,640  
landing but we know it crashed through

407  
00:18:26,570 --> 00:18:23,669  
the trees it knock trees over broke the

408  
00:18:28,909 --> 00:18:26,580  
top trees out we discovered that

409  
00:18:34,150 --> 00:18:28,919  
trajectory and that path of damage in

410  
00:18:37,700 --> 00:18:34,160  
1980s and and what we found out was that

411  
00:18:39,799 --> 00:18:37,710  
some of the local people soon after it

412  
00:18:42,659 --> 00:18:39,809  
fell went down into the wooded ravine

413  
00:18:45,029 --> 00:18:42,669

and they came across as large

414

00:18:47,009 --> 00:18:45,039

talak acorn shaped objects mi bear in

415

00:18:49,049 --> 00:18:47,019

the ground and some of these people were

416

00:18:53,039 --> 00:18:49,059

only a few feet away from it and this

417

00:18:55,259 --> 00:18:53,049

thing was kind of a big arc of a big

418

00:18:56,999 --> 00:18:55,269

acorn shaped thing maybe 10 to 12 feet

419

00:19:00,330 --> 00:18:57,009

or more legs about 8 to 10 feet in

420

00:19:02,489 --> 00:19:00,340

diameter it's one solid piece of metal

421

00:19:05,039 --> 00:19:02,499

off gold bronze color

422

00:19:09,299 --> 00:19:05,049

there's no rivet marks no seams no

423

00:19:11,129 --> 00:19:09,309

fuselage no windows the wings on the

424

00:19:13,710 --> 00:19:11,139

raised up back like you'd have on an

425

00:19:15,629 --> 00:19:13,720

acorn witnesses who were close to it

426

00:19:18,359 --> 00:19:15,639

said door raised up markings off the

427

00:19:21,090 --> 00:19:18,369

surface they look more like some type of

428

00:19:23,399 --> 00:19:21,100

symbols and writing and they're luckily

429

00:19:24,570 --> 00:19:23,409

one of the key witnesses because of his

430

00:19:27,299 --> 00:19:24,580

family background you what they

431

00:19:29,639 --> 00:19:27,309

volunteer farm at the time he stood on a

432

00:19:32,779 --> 00:19:29,649

few feet away from and he said what he

433

00:19:34,859 --> 00:19:32,789

saw because he was Murray was seeing

434

00:19:37,440 --> 00:19:34,869

Russian or Cyrillic and he said that's

435

00:19:40,109 --> 00:19:37,450

not what it was and in fact from his

436

00:19:42,629 --> 00:19:40,119

memory over the years he spent time in

437

00:19:44,399 --> 00:19:42,639

libraries looking up ancient writings he

438

00:19:46,560 --> 00:19:44,409

said the closest thing he could recall

439

00:19:53,669 --> 00:19:46,570

would be someone anxious Gyptian

440

00:19:55,019 --> 00:19:53,679

hieroglyphics no kidding yeah and

441

00:19:56,399 --> 00:19:55,029

there's absolutely no doubt that the

442

00:19:58,680 --> 00:19:56,409

military was there I mean it made

443

00:19:59,099 --> 00:19:58,690

national news about the military being

444

00:20:01,169 --> 00:19:59,109

there

445

00:20:03,090 --> 00:20:01,179

I interviewed reporters who either

446

00:20:06,119 --> 00:20:03,100

interacted with a military or solid

447

00:20:08,549 --> 00:20:06,129

military side military vehicles hundreds

448

00:20:10,349 --> 00:20:08,559

of people that night after hearing the

449

00:20:12,299 --> 00:20:10,359

radio TV broadcasts of all around

450

00:20:14,220 --> 00:20:12,309

Pittsburgh about a UFO falling they

451  
00:20:16,049 --> 00:20:14,230  
descended on the small little farming

452  
00:20:18,450 --> 00:20:16,059  
community that try to get a look at

453  
00:20:19,919 --> 00:20:18,460  
things this thing down in the woods but

454  
00:20:21,539 --> 00:20:19,929  
by the time one of those people got out

455  
00:20:23,720 --> 00:20:21,549  
there the area was already cordoned off

456  
00:20:26,159 --> 00:20:23,730  
why the roads were being shut down

457  
00:20:28,529 --> 00:20:26,169  
hundreds of people were coming in I mean

458  
00:20:31,109 --> 00:20:28,539  
it was an amazing account for so many

459  
00:20:34,129 --> 00:20:31,119  
different people but I also found out

460  
00:20:36,389 --> 00:20:34,139  
that there were a number of people I

461  
00:20:38,489 --> 00:20:36,399  
should say this first you had the local

462  
00:20:40,320 --> 00:20:38,499  
people right after the object fell went

463  
00:20:42,570 --> 00:20:40,330

down the woods then later he had

464

00:20:43,979 --> 00:20:42,580

volunteer firemen coming in who were

465

00:20:47,249 --> 00:20:43,989

getting reports that death may have been

466

00:20:48,989 --> 00:20:47,259

a possible plane crash so they were

467

00:20:51,119 --> 00:20:48,999

setting up a search and a large wooded

468

00:20:52,739 --> 00:20:51,129

area of course not aware that other

469

00:20:54,269 --> 00:20:52,749

people already went down on the woods

470

00:20:57,810 --> 00:20:54,279

they were looking for a downed aircraft

471

00:20:59,940 --> 00:20:57,820

but those teams came across the object

472

00:21:02,190 --> 00:20:59,950

and then you had the military come in

473

00:21:04,200 --> 00:21:02,200

and when they got in that everybody was

474

00:21:06,089 --> 00:21:04,210

thrown out of the area what the military

475

00:21:08,249 --> 00:21:06,099

did know was that there were people who

476  
00:21:10,080 --> 00:21:08,259  
had already been down there and there

477  
00:21:12,330 --> 00:21:10,090  
were some people actually hiding down on

478  
00:21:15,089 --> 00:21:12,340  
the ridge which we were able to find um

479  
00:21:16,739 --> 00:21:15,099  
some and they were watching a military

480  
00:21:21,599 --> 00:21:16,749  
operation now they were how their

481  
00:21:23,399 --> 00:21:21,609  
loaders say on the flatbed truck you

482  
00:21:31,200 --> 00:21:23,409  
couldn't keep the secret then very well

483  
00:21:32,729 --> 00:21:31,210  
good they very well could they I mean

484  
00:21:34,950 --> 00:21:32,739  
that's it that's great that there are

485  
00:21:37,169 --> 00:21:34,960  
people hiding that people could see it

486  
00:21:38,999 --> 00:21:37,179  
and you have so many witnesses but let

487  
00:21:41,399 --> 00:21:39,009  
me ask you this stand because you've

488  
00:21:45,359 --> 00:21:41,409

done such a thorough investigation over

489

00:21:47,519 --> 00:21:45,369

so many years have you been told to stop

490

00:21:51,419 --> 00:21:47,529

have you been told to back off have you

491

00:21:54,570 --> 00:21:51,429

been told not to talk about this uh no I

492

00:21:56,279 --> 00:21:54,580

have not and it may be well because I've

493

00:21:58,710 --> 00:21:56,289

been in the public eye for years and

494

00:22:00,869 --> 00:21:58,720

years of investigating this that there

495

00:22:02,460 --> 00:22:00,879

are so many people who are involved so

496

00:22:05,460 --> 00:22:02,470

what's interesting about the case is

497

00:22:08,849 --> 00:22:05,470

while a number of people have gone

498

00:22:10,649 --> 00:22:08,859

public about this you know over the

499

00:22:12,989 --> 00:22:10,659

years and and on some of the different

500

00:22:14,849 --> 00:22:12,999

TV shows and radio shows with me the

501  
00:22:16,739 --> 00:22:14,859  
majority people I've interviewed have

502  
00:22:18,989 --> 00:22:16,749  
still never gone public unfortunately

503  
00:22:21,450 --> 00:22:18,999  
many of are now deceased many of those

504  
00:22:24,060 --> 00:22:21,460  
witnesses who were involved at that time

505  
00:22:27,690 --> 00:22:24,070  
pad were kids or teenagers well they

506  
00:22:32,669 --> 00:22:27,700  
later grew up to be educators and police

507  
00:22:34,619 --> 00:22:32,679  
officers CEOs engineers all kind of you

508  
00:22:36,930 --> 00:22:34,629  
know professional people one was even

509  
00:22:38,159 --> 00:22:36,940  
the district attorney and for various

510  
00:22:39,539 --> 00:22:38,169  
reasons they didn't want to go public

511  
00:22:42,570 --> 00:22:39,549  
now some of these people after they

512  
00:22:45,589 --> 00:22:42,580  
retired they did provide me more

513  
00:22:48,419 --> 00:22:45,599

information and some did go public but

514

00:22:50,460 --> 00:22:48,429

after the event came out the next day in

515

00:22:52,470 --> 00:22:50,470

a paper I mean most of these people just

516

00:22:54,149 --> 00:22:52,480

kept her mouth shut they talked to a few

517

00:22:56,369 --> 00:22:54,159

friends and relatives and neighbors but

518

00:22:58,289 --> 00:22:56,379

that was it they never came forward

519

00:23:00,839 --> 00:22:58,299

because the government said nothing had

520

00:23:02,759 --> 00:23:00,849

fallen they knew was thought with what

521

00:23:05,849 --> 00:23:02,769

happened and they just kept quiet for

522

00:23:07,980 --> 00:23:05,859

years and years so it wasn't easy to

523

00:23:09,990 --> 00:23:07,990

find a lot of these people I mean

524

00:23:12,930 --> 00:23:10,000

these people were not forthcoming it's

525

00:23:14,400 --> 00:23:12,940

because I got kept even anonymous tips

526

00:23:15,930 --> 00:23:14,410

and we followed up and found some of

527

00:23:18,290 --> 00:23:15,940

these people but a lot of these people

528

00:23:21,120 --> 00:23:18,300

just decide to keep their mouth shut

529

00:23:23,100 --> 00:23:21,130

exactly well you can see why I mean it's

530

00:23:24,750 --> 00:23:23,110

not a lot of upside to sharing this

531

00:23:28,200 --> 00:23:24,760

information especially when the media is

532

00:23:29,520 --> 00:23:28,210

that it didn't happen but what about I'm

533

00:23:31,590 --> 00:23:29,530

sorry go ahead pika no I'm just gonna

534

00:23:38,040 --> 00:23:31,600

ask if intimidation was used against

535

00:23:40,860 --> 00:23:38,050

those people remember there were so many

536

00:23:43,290 --> 00:23:40,870

people involved no way that they could

537

00:23:44,970 --> 00:23:43,300

follow up and track down all those

538

00:23:47,040 --> 00:23:44,980

people who were out there involved with

539

00:23:49,320 --> 00:23:47,050

the incident but there were some

540

00:23:51,270 --> 00:23:49,330

individuals we talk to their families

541

00:23:53,280 --> 00:23:51,280

I've got information over here some

542

00:23:55,620 --> 00:23:53,290

relatives of people who believe that

543

00:23:57,210 --> 00:23:55,630

somebody did intimidate some of the

544

00:24:01,140 --> 00:23:57,220

people who knew him it was involved at

545

00:24:03,390 --> 00:24:01,150

the time there's a lot of interesting

546

00:24:04,799 --> 00:24:03,400

aspects in this case probably one of the

547

00:24:06,480 --> 00:24:04,809

most interesting because it's so well

548

00:24:08,220 --> 00:24:06,490

document in fact today I just happen to

549

00:24:10,380 --> 00:24:08,230

be a vet tonight and I saw one of those

550

00:24:13,710 --> 00:24:10,390

prime ma witnesses who happen to be

551  
00:24:15,960 --> 00:24:13,720  
there today when I walked in but the

552  
00:24:17,970 --> 00:24:15,970  
first reporter that we know on the scene

553  
00:24:20,340 --> 00:24:17,980  
was the late John Murphy who was the

554  
00:24:22,620 --> 00:24:20,350  
news director at the local whjb radio

555  
00:24:26,850 --> 00:24:22,630  
station which was the prime news outlet

556  
00:24:28,470 --> 00:24:26,860  
back in 65 and he was on another

557  
00:24:30,450 --> 00:24:28,480  
incident that afternoon when he got a

558  
00:24:32,340 --> 00:24:30,460  
radio call to go out to route 30 east

559  
00:24:34,740 --> 00:24:32,350  
that there have been a reported an

560  
00:24:37,530 --> 00:24:34,750  
explosion in the sky and he went out

561  
00:24:39,780 --> 00:24:37,540  
there and he didn't see anything and he

562  
00:24:41,430 --> 00:24:39,790  
went into the station by then the

563  
00:24:42,720 --> 00:24:41,440

phone's ringing off the hook at the

564

00:24:46,169 --> 00:24:42,730

radio station about all these people

565

00:24:49,530 --> 00:24:46,179

calling in about it and he was doing the

566

00:24:53,400 --> 00:24:49,540

6:30 evening news and it was right

567

00:24:55,440 --> 00:24:53,410

around that time that a caller reported

568

00:24:57,810 --> 00:24:55,450

in there was actually the mother of a

569

00:24:59,490 --> 00:24:57,820

young boy who had seen the object going

570

00:25:01,500 --> 00:24:59,500

down and told them that that thing that

571

00:25:03,180 --> 00:25:01,510

they're looking for apparently fell in a

572

00:25:03,780 --> 00:25:03,190

wooded area not too far from where they

573

00:25:06,980 --> 00:25:03,790

lived

574

00:25:09,570 --> 00:25:06,990

which would be outside of Kecksburg and

575

00:25:11,490 --> 00:25:09,580

so Murphy took all the information down

576

00:25:12,840 --> 00:25:11,500

called the State Police gave them the

577

00:25:16,820 --> 00:25:12,850

information then the area at the

578

00:25:19,049 --> 00:25:16,830

Kecksburg well there was a lot of

579

00:25:21,870 --> 00:25:19,059

information was never released publicly

580

00:25:24,750 --> 00:25:21,880

at the time from him or others

581

00:25:27,420 --> 00:25:24,760

he actually went on to produce a very

582

00:25:30,030 --> 00:25:27,430

informative special radio show called

583

00:25:32,610 --> 00:25:30,040

object in the woods that was released

584

00:25:35,250 --> 00:25:32,620

about a week later in a censored fashion

585

00:25:37,170 --> 00:25:35,260

but when I what we found it is a night I

586

00:25:38,640 --> 00:25:37,180

did a documentary I want to film or for

587

00:25:41,400 --> 00:25:38,650

about this called Kecksburg and told

588

00:25:43,500 --> 00:25:41,410

story which is still out there and I

589

00:25:44,730 --> 00:25:43,510

interviewed Murphy's wife and several

590

00:25:45,870 --> 00:25:44,740

the people that worked at the radio

591

00:25:49,020 --> 00:25:45,880

station with him

592

00:25:51,300 --> 00:25:49,030

and what was not made public was the

593

00:25:53,130 --> 00:25:51,310

fact that apparently he got down into

594

00:25:54,930 --> 00:25:53,140

the woods before the State Police Fire

595

00:25:57,720 --> 00:25:54,940

Marshal another investigator arrived on

596

00:25:59,310 --> 00:25:57,730

the scene he was in radio contact with

597

00:26:01,380 --> 00:25:59,320

his wife and some of the other people

598

00:26:02,880 --> 00:26:01,390

and he came up out of the woods and he

599

00:26:05,220 --> 00:26:02,890

told them that he had gone down in the

600

00:26:07,410 --> 00:26:05,230

woods he had seen the object he had

601  
00:26:11,790 --> 00:26:07,420  
taken pictures of it then had strange

602  
00:26:13,740 --> 00:26:11,800  
markings on it at some point the film in

603  
00:26:15,870 --> 00:26:13,750  
his camera was confiscated by some of

604  
00:26:17,430 --> 00:26:15,880  
the authorities on the scene apparently

605  
00:26:22,020 --> 00:26:17,440  
had another role in that they didn't

606  
00:26:23,760 --> 00:26:22,030  
know about two people who had seen the

607  
00:26:26,750 --> 00:26:23,770  
black-and-white pictures at that time

608  
00:26:30,090 --> 00:26:26,760  
those pictures all vanish we never saw

609  
00:26:32,550 --> 00:26:30,100  
his no Sarah went away but anyhow what

610  
00:26:35,130 --> 00:26:32,560  
we also found out was as he's preparing

611  
00:26:37,530 --> 00:26:35,140  
this radio documentary into the radio

612  
00:26:40,200 --> 00:26:37,540  
station these apparently government men

613  
00:26:42,180 --> 00:26:40,210

came in one day and asked for him they

614

00:26:44,070 --> 00:26:42,190

went in to up one of the studio rooms

615

00:26:47,070 --> 00:26:44,080

and talked there for quite a while and

616

00:26:50,100 --> 00:26:47,080

apparently when they left he Sean came

617

00:26:52,230 --> 00:26:50,110

out and he was very very upset and had

618

00:26:54,600 --> 00:26:52,240

told one of the managers of these men

619

00:26:56,190 --> 00:26:54,610

had confiscated the voice interviews he

620

00:26:59,070 --> 00:26:56,200

did with witnesses which would have been

621

00:27:01,950 --> 00:26:59,080

on realreal at that time and so they

622

00:27:05,310 --> 00:27:01,960

later broadcast that in a censored

623

00:27:08,340 --> 00:27:05,320

fashion and all later on I mean a period

624

00:27:11,760 --> 00:27:08,350

of time soon after here is his biggest

625

00:27:14,160 --> 00:27:11,770

story it was a huge story he was doing

626  
00:27:15,660 --> 00:27:14,170  
auto research on it and all of a sudden

627  
00:27:17,790 --> 00:27:15,670  
he just didn't want to talk about it

628  
00:27:19,920 --> 00:27:17,800  
anymore and all his notes always

629  
00:27:21,090 --> 00:27:19,930  
pictured all that stuff vanished and

630  
00:27:23,100 --> 00:27:21,100  
nobody ever saw it again

631  
00:27:25,170 --> 00:27:23,110  
so something apparently happened at that

632  
00:27:27,930 --> 00:27:25,180  
time period and there were other people

633  
00:27:31,740 --> 00:27:27,940  
that we heard about that there was

634  
00:27:33,390 --> 00:27:31,750  
pressure put on them as well and just to

635  
00:27:35,790 --> 00:27:33,400  
give you another little tidbit about it

636  
00:27:38,020 --> 00:27:35,800  
because it would fit into the

637  
00:27:39,910 --> 00:27:38,030  
right after we did the unsolved

638  
00:27:43,180 --> 00:27:39,920

mysteries TV show in 1990 it was a

639

00:27:45,760 --> 00:27:43,190

season premiere on this case dad opened

640

00:27:47,980 --> 00:27:45,770

up for a huge amount of new information

641

00:27:50,440 --> 00:27:47,990

so many people were contacting me who

642

00:27:52,570 --> 00:27:50,450

used to live in the area in 65 who have

643

00:27:54,580 --> 00:27:52,580

been involved there were other many

644

00:27:57,670 --> 00:27:54,590

other sources of contact me some were

645

00:27:59,650 --> 00:27:57,680

anonymous tips one fell in particular

646

00:28:03,010 --> 00:27:59,660

called me and our members name was Myron

647

00:28:05,590 --> 00:28:03,020

he's now deceased and Myron told me he

648

00:28:07,480 --> 00:28:05,600

said I see that it's now on TV I guess

649

00:28:08,890 --> 00:28:07,490

I'm allowed to talk about it and I said

650

00:28:11,140 --> 00:28:08,900

what are you talking about my own he

651

00:28:15,520 --> 00:28:11,150

said we said well said I worked for a

652

00:28:17,410 --> 00:28:15,530

large supply house in Ohio and when a

653

00:28:19,480 --> 00:28:17,420

few days two or three days after the

654

00:28:20,680 --> 00:28:19,490

object fell in Pennsylvania and it was

655

00:28:25,120 --> 00:28:20,690

brought to wright-patterson Air Force

656

00:28:27,910 --> 00:28:25,130

Base he said I worked for the special

657

00:28:31,570 --> 00:28:27,920

supply house and a Navy officer came to

658

00:28:33,310 --> 00:28:31,580

the base came to the office and ordered

659

00:28:35,830 --> 00:28:33,320

a large supply of a special type of

660

00:28:40,060 --> 00:28:35,840

glazed engineering brick to be shipped

661

00:28:42,520 --> 00:28:40,070

to wright-patterson and so anyhow it was

662

00:28:44,830 --> 00:28:42,530

a fascinating story there was the second

663

00:28:47,830 --> 00:28:44,840

truck driver involved who initially

664

00:28:50,500 --> 00:28:47,840

refused to talk but later he did he did

665

00:28:53,560 --> 00:28:50,510

talk to the late Leonard Stringfield who

666

00:28:55,570 --> 00:28:53,570

were close with me and myself and

667

00:28:58,530 --> 00:28:55,580

confirmed the fact that he was there the

668

00:29:02,320 --> 00:28:58,540

first day with the first load of bricks

669

00:29:04,570 --> 00:29:02,330

using his breakfast for well apparently

670

00:29:06,310 --> 00:29:04,580

they were sealing this thing up inside

671

00:29:08,650 --> 00:29:06,320

of a large warehouse building at

672

00:29:11,530 --> 00:29:08,660

wright-patterson they were imposing it

673

00:29:15,850 --> 00:29:11,540

in this and inside of this other

674

00:29:17,800 --> 00:29:15,860

building and anyhow when the first truck

675

00:29:21,070 --> 00:29:17,810

driver got there he saw the military

676

00:29:23,620 --> 00:29:21,080

flatbed trailer with the tarps object on

677

00:29:25,210 --> 00:29:23,630

it that day the next day when he and

678

00:29:27,880 --> 00:29:25,220

Meyer and returned and there was an

679

00:29:30,280 --> 00:29:27,890

officer took him into the base told him

680

00:29:33,460 --> 00:29:30,290

do your job don't be looking around

681

00:29:35,800 --> 00:29:33,470

well Myron was the curious type when

682

00:29:38,230 --> 00:29:35,810

they got there by the way flatbed

683

00:29:40,180 --> 00:29:38,240

trailer was still there the tarp was

684

00:29:43,210 --> 00:29:40,190

laying over it but the object was gone

685

00:29:46,180 --> 00:29:43,220

so what he sees he sees these guys are

686

00:29:47,910 --> 00:29:46,190

white coveralls with sidearms and first

687

00:29:50,130 --> 00:29:47,920

type of protective clothing

688

00:29:52,650 --> 00:29:50,140

and there periodically changing their

689

00:29:54,540 --> 00:29:52,660

outer clothing and he wonder what's

690

00:29:56,370 --> 00:29:54,550

going on big building and when he didn't

691

00:29:58,860 --> 00:29:56,380

see anybody around he ran into the

692

00:29:59,670 --> 00:29:58,870

entrance and looked inside and up on the

693

00:30:02,430 --> 00:29:59,680

scaffolding

694

00:30:04,590 --> 00:30:02,440

here's his big metallic acorn shaped

695

00:30:07,770 --> 00:30:04,600

object with ladders on it and the

696

00:30:09,780 --> 00:30:07,780

lighting was not real good and you know

697

00:30:11,520 --> 00:30:09,790

gave us a very detailed account but they

698

00:30:12,540 --> 00:30:11,530

finally found they thought at first you

699

00:30:14,760 --> 00:30:12,550

must have been cleared

700

00:30:16,230 --> 00:30:14,770

because usually ask some questions and

701  
00:30:18,780 --> 00:30:16,240  
when they realized that he wasn't

702  
00:30:21,300 --> 00:30:18,790  
cleared they told him forget about

703  
00:30:24,270 --> 00:30:21,310  
everything you've seen we're gonna throw

704  
00:30:25,740 --> 00:30:24,280  
you in jail and throw away the keys 20

705  
00:30:27,930 --> 00:30:25,750  
years this will all be public knowledge

706  
00:30:31,530 --> 00:30:27,940  
and of course whatever happened now of

707  
00:30:33,990 --> 00:30:31,540  
course now sits hi we're gonna take a

708  
00:30:35,730 --> 00:30:34,000  
very short commercial break we'll be

709  
00:30:38,280 --> 00:30:35,740  
right back we're gonna follow up with

710  
00:30:40,050 --> 00:30:38,290  
the Kecksburg story and more this is

711  
00:30:43,440 --> 00:30:40,060  
great stuff everybody we are speaking

712  
00:30:50,220 --> 00:30:43,450  
with Stan Gordon tonight stay tuned

713  
00:30:52,500 --> 00:30:50,230

we'll be right back welcome back

714

00:30:54,750 --> 00:30:52,510

everyone to supernatural girls radio I'm

715

00:30:58,140 --> 00:30:54,760

your host Patricia Baker here with my

716

00:31:00,210 --> 00:30:58,150

to help people with any of their

727

00:31:29,910 --> 00:31:25,990

questions about their future their past

728

00:31:53,940 --> 00:31:29,920

or today so yes Patricia Kirkman comm

729

00:31:59,400 --> 00:31:53,950

and you can find me at paes164.com her

730

00:32:01,039 --> 00:31:59,410

number 8 for fast dial okay happy to

731

00:32:03,379 --> 00:32:01,049

answer questions on dreams

732

00:32:05,299 --> 00:32:03,389

also adding reading that you might need

733

00:32:07,039 --> 00:32:05,309

because we know these are tumultuous

734

00:32:09,619 --> 00:32:07,049

times and we're here to give guidance

735

00:32:11,570 --> 00:32:09,629

and support feel free to contact each of

736

00:32:13,460 --> 00:32:11,580

us anytime you'd like and again we're

737

00:32:18,289 --> 00:32:13,470

both to be found on the supernatural

738

00:32:21,580 --> 00:32:18,299

Girls website now tonight we have Dan

739

00:32:24,200 --> 00:32:21,590

Gordon he is the man I'm telling you for

740

00:32:26,269 --> 00:32:24,210

all kinds of supernatural investigations

741

00:32:27,409 --> 00:32:26,279

a great researcher who were honored to

742

00:32:29,629 --> 00:32:27,419

have on our show tonight

743

00:32:32,690 --> 00:32:29,639

if you have a question for Stan you can

744

00:32:35,930 --> 00:32:32,700

write it in our chat room I are in chat

745

00:32:38,509 --> 00:32:35,940

com that's I are in chat comm we will

746

00:32:41,119 --> 00:32:38,519

ask the question on your behalf Stan

747

00:32:43,039 --> 00:32:41,129

will be happy to answer it and oh my god

748

00:32:45,950 --> 00:32:43,049

guys someone should talk about let's get

749

00:32:48,169 --> 00:32:45,960

back to my Hren now off the air we

750

00:32:49,909 --> 00:32:48,179

always knock off the air and this time

751  
00:32:53,210 --> 00:32:49,919  
we were talking about dear Myron who is

752  
00:32:56,810 --> 00:32:53,220  
passed on but he did tell you Stan that

753  
00:32:58,279 --> 00:32:56,820  
he saw an alien body can you tell us a

754  
00:33:00,169 --> 00:32:58,289  
little bit about that I know it's a big

755  
00:33:03,139 --> 00:33:00,179  
long story but at least tell people a

756  
00:33:05,210 --> 00:33:03,149  
little bit about what he saw well we

757  
00:33:08,060 --> 00:33:05,220  
can't say we can't say for sure it's an

758  
00:33:12,019 --> 00:33:08,070  
alien body but he saw something odd when

759  
00:33:13,369 --> 00:33:12,029  
I went I went to interview him 1996 I

760  
00:33:15,379 --> 00:33:13,379  
believe was when I was filming my

761  
00:33:19,070 --> 00:33:15,389  
Kecksburg the untold story documentary

762  
00:33:20,899 --> 00:33:19,080  
and when we got there to interview him

763  
00:33:24,259 --> 00:33:20,909

it was apparent his health was not good

764

00:33:25,820 --> 00:33:24,269

and he indicated that he said he wanted

765

00:33:27,799 --> 00:33:25,830

to tell me something had not told me

766

00:33:29,479 --> 00:33:27,809

before he said he talked to his son

767

00:33:30,979 --> 00:33:29,489

about the night before and he said the

768

00:33:32,479 --> 00:33:30,989

son said why he could bother and tell

769

00:33:34,700 --> 00:33:32,489

him he said because I may not be here

770

00:33:37,070 --> 00:33:34,710

tomorrow one another whole story and he

771

00:33:39,590 --> 00:33:37,080

went on to tell me that when he went

772

00:33:42,139 --> 00:33:39,600

into that building that day and they saw

773

00:33:44,180 --> 00:33:42,149

the object up on the scaffolding he said

774

00:33:46,220 --> 00:33:44,190

the lighting was not real good but there

775

00:33:49,519 --> 00:33:46,230

was a workbench on their work table and

776

00:33:51,409 --> 00:33:49,529

on that workbench it was a small body it

777

00:33:54,409 --> 00:33:51,419

was covered with a white cloth a white

778

00:33:56,899 --> 00:33:54,419

sheet and he said he could not see a lot

779

00:33:59,570 --> 00:33:56,909

of detail all he could see was I believe

780

00:34:02,119 --> 00:33:59,580

was a left arm aim down and they could

781

00:34:04,999 --> 00:34:02,129

see three fingers but he said the skin

782

00:34:06,440 --> 00:34:05,009

looked lizard-like and that's all he

783

00:34:08,960 --> 00:34:06,450

could see and I asked him many many

784

00:34:11,240 --> 00:34:08,970

times to give me more detail said that's

785

00:34:13,790 --> 00:34:11,250

all I could possibly see well that was

786

00:34:16,490 --> 00:34:13,800

interesting and was years

787

00:34:18,919 --> 00:34:16,500

later that I began to get some other

788

00:34:20,180 --> 00:34:18,929

information and and I don't have time we

789

00:34:21,860 --> 00:34:20,190

don't have time to get into this because

790

00:34:23,810 --> 00:34:21,870

I know you want to get into solve some

791

00:34:26,210 --> 00:34:23,820

other aspects of a lot of weird things

792

00:34:26,720 --> 00:34:26,220

that go on around here but mother with

793

00:34:29,780 --> 00:34:26,730

us

794

00:34:31,760 --> 00:34:29,790

so we found years later who reluctantly

795

00:34:35,780 --> 00:34:31,770

told me about how he was hiding down in

796

00:34:37,550 --> 00:34:35,790

the woods and indicated that he was

797

00:34:41,510 --> 00:34:37,560

there when the military was recovering

798

00:34:44,630 --> 00:34:41,520

the object and that there was a on the

799

00:34:46,520 --> 00:34:44,640

object himself on itself he saw what

800

00:34:49,790 --> 00:34:46,530

appeared to be a hatch open in the front

801  
00:34:53,000 --> 00:34:49,800  
and a very long elastic arm come out of

802  
00:34:54,440 --> 00:34:53,010  
it and there's other reports I have from

803  
00:34:56,660 --> 00:34:54,450  
other people which suggest the

804  
00:34:58,730 --> 00:34:56,670  
possibility that there may have been

805  
00:35:02,240 --> 00:34:58,740  
someone or something to sour the object

806  
00:35:04,000 --> 00:35:02,250  
now I keep an open mind and I'm always

807  
00:35:06,770 --> 00:35:04,010  
skeptical until I have more information

808  
00:35:08,060 --> 00:35:06,780  
but I feel that some of these people

809  
00:35:09,170 --> 00:35:08,070  
were telling me the best are knowledge

810  
00:35:11,120 --> 00:35:09,180  
what they were telling me to be the

811  
00:35:15,280 --> 00:35:11,130  
truth the question is what did they see

812  
00:35:17,990 --> 00:35:15,290  
you know when something very unusual or

813  
00:35:20,300 --> 00:35:18,000

couldn't is let's speculate what what if

814

00:35:23,300 --> 00:35:20,310

it was a human passenger whether it was

815

00:35:26,660 --> 00:35:23,310

some type of accident within the object

816

00:35:28,730 --> 00:35:26,670

and their body was distorted I'm just

817

00:35:31,190 --> 00:35:28,740

thinking of all kind of possibilities

818

00:35:34,160 --> 00:35:31,200

because we just don't know it's a very

819

00:35:35,750 --> 00:35:34,170

interesting aspect of the story and it

820

00:35:38,360 --> 00:35:35,760

just indicates there may be a lot more

821

00:35:40,460 --> 00:35:38,370

to this any of us realize well I hope

822

00:35:42,830 --> 00:35:40,470

that someone who knows more will contact

823

00:35:45,410 --> 00:35:42,840

you stamps because we deserve to know

824

00:35:47,150 --> 00:35:45,420

the truth and you're certainly an expert

825

00:35:49,460 --> 00:35:47,160

at getting to the bottom of it all this

826

00:35:53,630 --> 00:35:49,470

is the first we've heard about a

827

00:35:56,300 --> 00:35:53,640

possible live or dead entity we've

828

00:35:57,980 --> 00:35:56,310

associated with this object so again

829

00:36:00,500 --> 00:35:57,990

you're kind of giving us some breaking

830

00:36:02,660 --> 00:36:00,510

news here given your great research

831

00:36:05,570 --> 00:36:02,670

abilities and the fact that these people

832

00:36:07,940 --> 00:36:05,580

have talked to you and this is very very

833

00:36:10,520 --> 00:36:07,950

fascinating and I wonder was this long

834

00:36:12,500 --> 00:36:10,530

arm that they saw come out of the

835

00:36:14,900 --> 00:36:12,510

spaceship was does that mean that that

836

00:36:16,910 --> 00:36:14,910

entity was alive at the time and then

837

00:36:19,550 --> 00:36:16,920

died later I mean we can only speculate

838

00:36:22,400 --> 00:36:19,560

at this point but I hope whoever knows

839

00:36:25,340 --> 00:36:22,410

more I hope and pray they will contact

840

00:36:27,620 --> 00:36:25,350

you and again your website Stan Gordon

841

00:36:29,660 --> 00:36:27,630

dot info

842

00:36:32,329 --> 00:36:29,670

so for people that want to contact Stan

843

00:36:36,289 --> 00:36:32,339

that's the website to go to Stan Gordon

844

00:36:36,799 --> 00:36:36,299

dot info so I know I've got so much more

845

00:36:39,259 --> 00:36:36,809

to tell us

846

00:36:41,690 --> 00:36:39,269

I'm sorry Stan go ahead oh god I was

847

00:36:43,099 --> 00:36:41,700

gonna say my email and phone and all the

848

00:36:46,009 --> 00:36:43,109

information is on the website to reach

849

00:36:47,719 --> 00:36:46,019

me oh great that's great I hope people

850

00:36:50,029 --> 00:36:47,729

will reach out to you have real

851  
00:36:52,759 --> 00:36:50,039  
information about this case and others

852  
00:36:54,650 --> 00:36:52,769  
so now you are telling us off the air

853  
00:36:58,370 --> 00:36:54,660  
that you have investigated some

854  
00:37:02,089 --> 00:36:58,380  
fascinating cases of Bigfoot and um most

855  
00:37:03,890 --> 00:37:02,099  
together tell us about this okay well I

856  
00:37:05,870 --> 00:37:03,900  
have to give a little background and go

857  
00:37:09,499 --> 00:37:05,880  
I have to bear with me because it's dad

858  
00:37:12,650 --> 00:37:09,509  
but I need to know about it 1970 let me

859  
00:37:14,180 --> 00:37:12,660  
go back over further 1970 I had found

860  
00:37:15,739 --> 00:37:14,190  
that the first of three volunteer

861  
00:37:18,410 --> 00:37:15,749  
research groups and that was because

862  
00:37:21,170 --> 00:37:18,420  
when my heart line became public in 1969

863  
00:37:24,019 --> 00:37:21,180

the phone in my home was ringing off the

864

00:37:25,880 --> 00:37:24,029

hook about anything unusual calls are

865

00:37:29,150 --> 00:37:25,890

coming in not only about UFOs but

866

00:37:31,609 --> 00:37:29,160

haunted houses UFOs anything strange

867

00:37:33,529 --> 00:37:31,619

unusual people are calling in it was a

868

00:37:36,200 --> 00:37:33,539

lot more than I could handle on my own

869

00:37:38,630 --> 00:37:36,210

so it was my goal to establish a

870

00:37:41,479 --> 00:37:38,640

research group to go out to investigate

871

00:37:43,249 --> 00:37:41,489

these reports so in 1970 I founded the

872

00:37:44,839 --> 00:37:43,259

first of three groups that was called

873

00:37:47,299 --> 00:37:44,849

the West Warren County or for a study

874

00:37:49,400 --> 00:37:47,309

group we're about 30 miles east of

875

00:37:51,349 --> 00:37:49,410

Pittsburgh and we started out quite

876

00:37:55,400 --> 00:37:51,359

small and moved into the Pittsburgh area

877

00:37:57,890 --> 00:37:55,410

and I was even surprised who I got

878

00:38:00,499 --> 00:37:57,900

involved I had scientists and engineers

879

00:38:03,049 --> 00:38:00,509

and technicians from from Westinghouse

880

00:38:05,239 --> 00:38:03,059

from Gulf research from Alcoa there were

881

00:38:07,430 --> 00:38:05,249

people from carnism universities I had

882

00:38:09,589 --> 00:38:07,440

police officers I had former military

883

00:38:11,779 --> 00:38:09,599

intelligence people we're all doing this

884

00:38:14,029 --> 00:38:11,789

around our full-time jobs as volunteers

885

00:38:16,880 --> 00:38:14,039

and I had it set up to respond the case

886

00:38:19,609 --> 00:38:16,890

of 24 hours a day when my electronics

887

00:38:21,620 --> 00:38:19,619

background I set up an elaborate radio

888

00:38:24,229 --> 00:38:21,630

communication center and a QA radio

889

00:38:25,700 --> 00:38:24,239

dispatch system in my home so we could

890

00:38:29,839 --> 00:38:25,710

dispatch some of the investigators out

891

00:38:31,900 --> 00:38:29,849

to the scene by 1973 we had expanded the

892

00:38:34,789 --> 00:38:31,910

cover of the state of Pennsylvania and

893

00:38:37,519 --> 00:38:34,799

even to our surprise we begin to get

894

00:38:39,460 --> 00:38:37,529

referrals from the media from the State

895

00:38:42,190 --> 00:38:39,470

Police and we are just being

896

00:38:46,089 --> 00:38:42,200

very very actively always busy with

897

00:38:48,910 --> 00:38:46,099

reports but 1973 comes around and we

898

00:38:51,309 --> 00:38:48,920

have the biggest UFO outbreak ever

899

00:38:52,839 --> 00:38:51,319

recorded and then we have the biggest

900

00:38:56,680 --> 00:38:52,849

Bigfoot outbreak has that ever happened

901  
00:38:58,839 --> 00:38:56,690  
was documented might recall that the

902  
00:39:02,589 --> 00:38:58,849  
United States experienced a massive wave

903  
00:39:04,809 --> 00:39:02,599  
in the fall of 1973 those making a lot

904  
00:39:07,210 --> 00:39:04,819  
of national news at the time but here in

905  
00:39:09,370 --> 00:39:07,220  
Pennsylvania it began the first day of

906  
00:39:11,380 --> 00:39:09,380  
the year and didn't end to the last day

907  
00:39:13,809 --> 00:39:11,390  
of the year there were hundreds and

908  
00:39:15,849 --> 00:39:13,819  
hundreds of UFO reports coming in and

909  
00:39:18,730 --> 00:39:15,859  
many of these were not lights in the sky

910  
00:39:19,630 --> 00:39:18,740  
they were large structured craft low to

911  
00:39:21,520 --> 00:39:19,640  
the ground

912  
00:39:24,400 --> 00:39:21,530  
hovering over roads sightings on the

913  
00:39:27,039 --> 00:39:24,410

Pennsylvania Turnpike harboring rumors

914

00:39:29,500 --> 00:39:27,049

landing reports I mean we were out there

915

00:39:31,539 --> 00:39:29,510

day and they and back in those days it

916

00:39:33,339 --> 00:39:31,549

was making a lot of news locally and

917

00:39:38,859 --> 00:39:33,349

nationally on the sightings and our

918

00:39:41,500 --> 00:39:38,869

investigations and so 1973 in the summer

919

00:39:44,049 --> 00:39:41,510

we have this massive Bigfoot outbreak

920

00:39:45,970 --> 00:39:44,059

and it all began actually only a few

921

00:39:49,660 --> 00:39:45,980

miles from where I live in a in a very

922

00:39:51,069 --> 00:39:49,670

rural area at that time and a relative

923

00:39:53,440 --> 00:39:51,079

called me and said you need to talk to

924

00:39:56,049 --> 00:39:53,450

this person this incident happened him

925

00:39:58,390 --> 00:39:56,059

it was July 31st of 73 it was in the

926  
00:40:00,789 --> 00:39:58,400  
bathroom shaving because he always got

927  
00:40:02,260 --> 00:40:00,799  
up early for work it was a warm night he

928  
00:40:04,390 --> 00:40:02,270  
has a bathroom window open with the

929  
00:40:07,120 --> 00:40:04,400  
screen in began to smell this funny

930  
00:40:08,799 --> 00:40:07,130  
rotten odor turned around we looked in

931  
00:40:15,309 --> 00:40:08,809  
the window and here's these two years

932  
00:40:16,750 --> 00:40:15,319  
glowing red eyes staring at him there

933  
00:40:18,160 --> 00:40:16,760  
were dogs behind the house but they

934  
00:40:20,049 --> 00:40:18,170  
weren't making a sound which he thought

935  
00:40:22,329 --> 00:40:20,059  
boy that's really unusual the other

936  
00:40:23,799 --> 00:40:22,339  
relatives I smelled the funny odor they

937  
00:40:26,170 --> 00:40:23,809  
said it smelled like rotten eggs or

938  
00:40:28,240 --> 00:40:26,180

sulfur they whatever was in the window

939

00:40:29,920 --> 00:40:28,250

was gone so when I went out to interview

940

00:40:32,289 --> 00:40:29,930

him a week later because I didn't get to

941

00:40:34,660 --> 00:40:32,299

get a call to a week later he was still

942

00:40:36,519 --> 00:40:34,670

pretty shook up and I found out that

943

00:40:38,170 --> 00:40:36,529

several weeks before some of the local

944

00:40:40,299 --> 00:40:38,180

boys had taken a shortcut over to the

945

00:40:42,279 --> 00:40:40,309

local mall which was close by through

946

00:40:44,260 --> 00:40:42,289

the woods they heard a commotion in the

947

00:40:46,539 --> 00:40:44,270

woods they thought it was a deer began

948

00:40:49,240 --> 00:40:46,549

to throw some rocks him and here comes

949

00:40:53,819 --> 00:40:49,250

the 7 8 foot tall hairy creature with

950

00:41:00,339 --> 00:40:56,170

and they probably had to change their

951  
00:41:02,289 --> 00:41:00,349  
pants after that Wow almost after what

952  
00:41:03,609 --> 00:41:02,299  
we found up there so some of the kids

953  
00:41:06,039 --> 00:41:03,619  
follow me up we'll look I'm looking

954  
00:41:08,680 --> 00:41:06,049  
around in the area and I remember up on

955  
00:41:10,599 --> 00:41:08,690  
that hill the ground conditions were not

956  
00:41:12,789 --> 00:41:10,609  
real good and I stood stood around for a

957  
00:41:14,259 --> 00:41:12,799  
while check the area out nothing was

958  
00:41:17,349 --> 00:41:14,269  
there about ready to leave I have to

959  
00:41:19,239 --> 00:41:17,359  
look down there was a partial track and

960  
00:41:20,650 --> 00:41:19,249  
then a complete footprint of the

961  
00:41:24,160 --> 00:41:20,660  
strangest looking thing I'd ever seen

962  
00:41:27,309 --> 00:41:24,170  
and it was 13 inches long 8 inches wide

963  
00:41:28,960 --> 00:41:27,319

but clearly three toed and the kids came

964

00:41:31,569 --> 00:41:28,970

over and said what kind of animal could

965

00:41:33,670 --> 00:41:31,579

make a footprint like that so I got on

966

00:41:35,620 --> 00:41:33,680

the radio called one of my sizes he came

967

00:41:37,779 --> 00:41:35,630

out and we took photographs and measures

968

00:41:39,099 --> 00:41:37,789

and made a cast and while we were out

969

00:41:42,069 --> 00:41:39,109

there in the field we got a radio call

970

00:41:43,870 --> 00:41:42,079

to one of our investigators right almost

971

00:41:45,460 --> 00:41:43,880

between the pennsylvania ohio line that

972

00:41:47,710 --> 00:41:45,470

morning investigating the case of

973

00:41:49,420 --> 00:41:47,720

something 9-foot tall was looking in a

974

00:41:51,999 --> 00:41:49,430

structure and a police found large

975

00:41:54,430 --> 00:41:52,009

footprints up there so this started this

976

00:41:57,489 --> 00:41:54,440

massive Bigfoot wait the went on for

977

00:41:59,170 --> 00:41:57,499

weeks and months at the 1974 and it was

978

00:42:01,359 --> 00:41:59,180

making a tremendous amount of local

979

00:42:03,729 --> 00:42:01,369

national news for weeks and miik weeks

980

00:42:06,220 --> 00:42:03,739

and many of the Bigfoot sightings were

981

00:42:09,930 --> 00:42:06,230

not at night many are more in daylight

982

00:42:12,220 --> 00:42:09,940

many of them were at very close range

983

00:42:14,380 --> 00:42:12,230

where they walked out in front of cars

984

00:42:16,479 --> 00:42:14,390

for example so five to ten feet away

985

00:42:18,509 --> 00:42:16,489

from witnesses they walked near mobile

986

00:42:21,160 --> 00:42:18,519

homes a lot of sightings in rural areas

987

00:42:23,319 --> 00:42:21,170

and some in more populated areas where

988

00:42:27,160 --> 00:42:23,329

there's woods around and many of those

989

00:42:28,720 --> 00:42:27,170

instances either my team or the police

990

00:42:30,729 --> 00:42:28,730

departments would be on the scene within

991

00:42:33,160 --> 00:42:30,739

minister hours so we're documenting all

992

00:42:36,029 --> 00:42:33,170

this information as is going on and we

993

00:42:38,559 --> 00:42:36,039

made many castor footprints interviewed

994

00:42:40,150 --> 00:42:38,569

multitude of eyewitnesses saw a lot of

995

00:42:44,650 --> 00:42:40,160

very interesting evidence out in the

996

00:42:47,739 --> 00:42:44,660

field I smelled it on one time I believe

997

00:42:49,329 --> 00:42:47,749

I chased a Bigfoot through a field on on

998

00:42:52,059 --> 00:42:49,339

a farm one thing kept coming back

999

00:42:53,979 --> 00:42:52,069

whatever it was it was a lot faster we

1000

00:42:56,289 --> 00:42:53,989

were it was ahead of us in the dark in

1001  
00:42:58,690 --> 00:42:56,299  
the cornfield making this very strange

1002  
00:43:00,940 --> 00:42:58,700  
sound like somebody would answer my very

1003  
00:43:02,440 --> 00:43:00,950  
loud heavy breathing sound we recorded

1004  
00:43:03,400 --> 00:43:02,450  
the sounds we could never catch up to

1005  
00:43:05,319 --> 00:43:03,410  
whatever

1006  
00:43:08,289 --> 00:43:05,329  
there were tracks in the barn and the

1007  
00:43:10,900 --> 00:43:08,299  
animals were very rate and shook up on

1008  
00:43:14,319 --> 00:43:10,910  
the farm at the time there are

1009  
00:43:15,609 --> 00:43:14,329  
multitudes of cases that let me ask you

1010  
00:43:18,609 --> 00:43:15,619  
the first time I've heard of a

1011  
00:43:20,039 --> 00:43:18,619  
three-toed is this a three-toed Bigfoot

1012  
00:43:25,120 --> 00:43:20,049  
you think or was the three-toed

1013  
00:43:27,069 --> 00:43:25,130

belonging to something else well it's a

1014

00:43:28,839 --> 00:43:27,079

long stretch there's a lot of things

1015

00:43:31,209 --> 00:43:28,849

I've uncovered about Bigfoot's a lot of

1016

00:43:32,979 --> 00:43:31,219

people don't know about or a lot of

1017

00:43:35,440 --> 00:43:32,989

people in Bigfoot field would prefer not

1018

00:43:38,949 --> 00:43:35,450

to talk about this I sounds a long time

1019

00:43:40,930 --> 00:43:38,959

ago here's what what we know and many

1020

00:43:43,029 --> 00:43:40,940

people are big with you're aware of this

1021

00:43:44,859 --> 00:43:43,039

you know historically hear about a lot

1022

00:43:47,769 --> 00:43:44,869

of studies in Pacific Northwest and

1023

00:43:49,749 --> 00:43:47,779

Canada California Oregon and you hear

1024

00:43:51,880 --> 00:43:49,759

about your typical five toes footprints

1025

00:43:54,219 --> 00:43:51,890

but what has been known for many many

1026  
00:43:56,079 --> 00:43:54,229  
years going back to the least of 1970s

1027  
00:43:58,089 --> 00:43:56,089  
because I was in touch with many of the

1028  
00:43:59,859 --> 00:43:58,099  
well-known people in the field back in

1029  
00:44:02,620 --> 00:43:59,869  
those days in the United States and

1030  
00:44:04,239 --> 00:44:02,630  
around the world and in those areas

1031  
00:44:06,400 --> 00:44:04,249  
where you had your typical Bigfoot

1032  
00:44:09,160 --> 00:44:06,410  
sightings and your typical phyto tracks

1033  
00:44:12,130 --> 00:44:09,170  
they were also at times find three toe

1034  
00:44:13,660 --> 00:44:12,140  
tracks and even for toe tracks which is

1035  
00:44:15,939 --> 00:44:13,670  
another part of the mystery because the

1036  
00:44:18,099 --> 00:44:15,949  
school goes on and these do not appear

1037  
00:44:20,469 --> 00:44:18,109  
to be hoax tracks I mean we had a lot of

1038  
00:44:22,689 --> 00:44:20,479

experts in my teams and we could tell

1039

00:44:25,719 --> 00:44:22,699

when Simon was fabricated or not but

1040

00:44:28,599 --> 00:44:25,729

there are many cases of Bigfoot where

1041

00:44:30,130 --> 00:44:28,609

three toed tracks are showing up in some

1042

00:44:32,949 --> 00:44:30,140

of the famous case I believe the thought

1043

00:44:35,049 --> 00:44:32,959

monster and and the other ones around

1044

00:44:37,569 --> 00:44:35,059

the country three toed tracks have been

1045

00:44:40,509 --> 00:44:37,579

reported as well as five toe tracks and

1046

00:44:42,430 --> 00:44:40,519

during this time period in 73 and PA we

1047

00:44:45,400 --> 00:44:42,440

had five throat tracks and three-toed

1048

00:44:46,959 --> 00:44:45,410

tracks showing up but anyhow all these

1049

00:44:49,180 --> 00:44:46,969

reports are coming in for months and

1050

00:44:52,140 --> 00:44:49,190

months I had always solved for what I

1051  
00:44:54,640 --> 00:44:52,150  
knew about Bigfoot and in Pennsylvania

1052  
00:44:56,890 --> 00:44:54,650  
sightings of bass would go back to the

1053  
00:44:59,170 --> 00:44:56,900  
Native American legends I mean no

1054  
00:45:02,410 --> 00:44:59,180  
articles in the 1800s in the newspapers

1055  
00:45:04,329 --> 00:45:02,420  
about these events many sightings ever

1056  
00:45:06,219 --> 00:45:04,339  
since then so I worked on hundreds of

1057  
00:45:09,509 --> 00:45:06,229  
Bigfoot sightings over the years in

1058  
00:45:12,160 --> 00:45:09,519  
recent as recent weeks and months and

1059  
00:45:14,289 --> 00:45:12,170  
always felt that Bigfoot appeared to be

1060  
00:45:15,370 --> 00:45:14,299  
some type of unknown animal that size

1061  
00:45:18,770 --> 00:45:15,380  
they get the can

1062  
00:45:21,650 --> 00:45:18,780  
but as these reports are breaking in 73

1063  
00:45:24,490 --> 00:45:21,660

some very strange things begin to come

1064

00:45:27,260 --> 00:45:24,500

to our attention and you got to remember

1065

00:45:30,500 --> 00:45:27,270

1973 there's no cell phones there's no

1066

00:45:32,450 --> 00:45:30,510

internet he shows about it

1067

00:45:33,829 --> 00:45:32,460

so channeling when people were concerned

1068

00:45:36,020 --> 00:45:33,839

or afraid they're generally called the

1069

00:45:37,040 --> 00:45:36,030

police so while these reports were

1070

00:45:39,890 --> 00:45:37,050

initially coming in to the police

1071

00:45:42,740 --> 00:45:39,900

departments why are the weird things we

1072

00:45:44,030 --> 00:45:42,750

began to notice was our teams we get out

1073

00:45:46,430 --> 00:45:44,040

to some of these locations

1074

00:45:48,680 --> 00:45:46,440

there'll be trails of footprints that

1075

00:45:49,900 --> 00:45:48,690

would suddenly stop and disappear when

1076

00:45:53,960 --> 00:45:49,910

it should have been more tracks

1077

00:45:55,670 --> 00:45:53,970

sometimes even a fresh snow and even in

1078

00:45:57,980 --> 00:45:55,680

recent years we a case I guess we have

1079

00:46:00,050 --> 00:45:57,990

deep fresh snow there's no other tracks

1080

00:46:02,329 --> 00:46:00,060

around and he have these large tracks

1081

00:46:04,339 --> 00:46:02,339

and a big stride that are deep and they

1082

00:46:05,620 --> 00:46:04,349

suddenly stop and vanish which makes

1083

00:46:08,870 --> 00:46:05,630

absolutely no sense

1084

00:46:11,480 --> 00:46:08,880

that was something we began we began to

1085

00:46:15,470 --> 00:46:11,490

scratch our head and then we began to

1086

00:46:17,990 --> 00:46:15,480

see this pattern in 73 we would have a

1087

00:46:19,849 --> 00:46:18,000

UFO sighting in a certain area within

1088

00:46:21,200 --> 00:46:19,859

minutes two hours two days later we'd

1089

00:46:24,970 --> 00:46:21,210

have a Bigfoot sighting or vice versa

1090

00:46:27,440 --> 00:46:24,980

and then we began to have

1091

00:46:29,810 --> 00:46:27,450

well-documented case with Bigfoot and

1092

00:46:32,750 --> 00:46:29,820

UFOs seen together at the same same time

1093

00:46:34,880 --> 00:46:32,760

in place and we were we were really

1094

00:46:36,530 --> 00:46:34,890

scratching like what is going on here

1095

00:46:38,599 --> 00:46:36,540

leave none of us are out there looking

1096

00:46:40,910 --> 00:46:38,609

for this this is the kind of things that

1097

00:46:43,579 --> 00:46:40,920

we're going on and it was going on over

1098

00:46:46,700 --> 00:46:43,589

a widespread area one of the cases out

1099

00:46:49,070 --> 00:46:46,710

with September 27 1973 up in Beaver

1100

00:46:50,780 --> 00:46:49,080

County north of Pittsburgh where two

1101  
00:46:52,910 --> 00:46:50,790  
women were waiting for a friend to pick

1102  
00:46:55,579 --> 00:46:52,920  
them up and they see this eight to nine

1103  
00:46:57,200 --> 00:46:55,589  
foot tall upright man like Bigfoot

1104  
00:46:59,150 --> 00:46:57,210  
creature with very long arms come with

1105  
00:47:00,859 --> 00:46:59,160  
white hair you don't hear about the

1106  
00:47:03,349 --> 00:47:00,869  
white ones very often but they continue

1107  
00:47:05,300 --> 00:47:03,359  
to be reported on occasion it was

1108  
00:47:07,010 --> 00:47:05,310  
strange enough for them to see this huge

1109  
00:47:09,560 --> 00:47:07,020  
hairy creature running across the road

1110  
00:47:12,620 --> 00:47:09,570  
towards the woods but in one of its hand

1111  
00:47:15,859 --> 00:47:12,630  
it was carrying a small ball of light

1112  
00:47:18,140 --> 00:47:15,869  
and a short time later an object came

1113  
00:47:19,520 --> 00:47:18,150

across the sky and projected a beam of

1114

00:47:22,190 --> 00:47:19,530

light down at the woods with a creature

1115

00:47:23,690 --> 00:47:22,200

ran into now we thought that's pretty

1116

00:47:27,170 --> 00:47:23,700

interesting and that's just as an

1117

00:47:29,280 --> 00:47:27,180

example but then we had the case of all

1118

00:47:33,350 --> 00:47:29,290

cases which occur

1119

00:47:36,200 --> 00:47:33,360

forty-four years ago today October 25th

1120

00:47:39,150 --> 00:47:36,210

1973 in Fayette County Pennsylvania

1121

00:47:40,470 --> 00:47:39,160

which is along the Chestnut Ridge which

1122

00:47:43,440 --> 00:47:40,480

I'm sure we'll talk about in a few

1123

00:47:45,600 --> 00:47:43,450

minutes yeah and and that was an area

1124

00:47:47,340 --> 00:47:45,610

that was very active during that time

1125

00:47:49,530 --> 00:47:47,350

period and continues to be year after

1126

00:47:52,170 --> 00:47:49,540

year including this year but it was a

1127

00:47:54,690 --> 00:47:52,180

very strange event it was the case that

1128

00:47:57,060 --> 00:47:54,700

convinced me and my team that there was

1129

00:48:00,360 --> 00:47:57,070

a lot more stranger aspects to Bigfoot

1130

00:48:03,300 --> 00:48:00,370

than any of us realized what happened

1131

00:48:05,490 --> 00:48:03,310

was about 10:30 that night I got a call

1132

00:48:08,070 --> 00:48:05,500

from a state trooper from the Uniontown

1133

00:48:10,280 --> 00:48:08,080

barracks up in Fayette County when I

1134

00:48:13,050 --> 00:48:10,290

talked to him he was a little shook up

1135

00:48:14,400 --> 00:48:13,060

he asked me if we could get a team up

1136

00:48:16,260 --> 00:48:14,410

there as soon as possible

1137

00:48:18,150 --> 00:48:16,270

that he felt that there may be something

1138

00:48:21,020 --> 00:48:18,160

up in the past year might still be there

1139

00:48:24,390 --> 00:48:21,030

so what I found out was about 9 o'clock

1140

00:48:27,480 --> 00:48:24,400

about 15 people in this rural community

1141

00:48:30,510 --> 00:48:27,490

outside of Uniontown they observed this

1142

00:48:34,380 --> 00:48:30,520

object is about as big as a barn a big

1143

00:48:36,690 --> 00:48:34,390

red big ball in the sky about a hundred

1144

00:48:41,490 --> 00:48:36,700

feet off the ground and slowly beginning

1145

00:48:44,850 --> 00:48:41,500

to move down towards the pasture and the

1146

00:48:46,740 --> 00:48:44,860

story should focus on the farmer son who

1147

00:48:49,110 --> 00:48:46,750

was coming down the farm lane that

1148

00:48:51,390 --> 00:48:49,120

evening he sees the object in the sky

1149

00:48:52,680 --> 00:48:51,400

he's coming out to visit his father on

1150

00:48:55,080 --> 00:48:52,690

his father's farm where this is

1151  
00:48:56,640 --> 00:48:55,090  
occurring he sees other people standing

1152  
00:48:58,680 --> 00:48:56,650  
outside people on a porch of house

1153  
00:49:00,900 --> 00:48:58,690  
watching this thing in the sky coming

1154  
00:49:04,800 --> 00:49:00,910  
lower and lower to the ground so he goes

1155  
00:49:06,450 --> 00:49:04,810  
up on a hill to get a better view and he

1156  
00:49:08,220 --> 00:49:06,460  
and two young boys as their watches

1157  
00:49:10,140 --> 00:49:08,230  
thing they decide they want to go up and

1158  
00:49:12,810 --> 00:49:10,150  
to investigate to see what this thing is

1159  
00:49:14,280 --> 00:49:12,820  
coming down his dad's pasture so he runs

1160  
00:49:17,460 --> 00:49:14,290  
over and they run over to this dad's

1161  
00:49:20,130 --> 00:49:17,470  
farm they grab a 30.6 rifle and a

1162  
00:49:21,570 --> 00:49:20,140  
handful of ammunition what he didn't

1163  
00:49:24,630 --> 00:49:21,580

realize at the time was in that

1164

00:49:26,310 --> 00:49:24,640

ammunition were two tracers so for those

1165

00:49:27,420 --> 00:49:26,320

that are listening at Hunt you know when

1166

00:49:29,940 --> 00:49:27,430

you fire their tracer

1167

00:49:32,970 --> 00:49:29,950

you just get that luminous trail so

1168

00:49:35,670 --> 00:49:32,980

anyhow as they're moving down the farm

1169

00:49:37,470 --> 00:49:35,680

lane the dogs in the distance are going

1170

00:49:40,290 --> 00:49:37,480

crazy they hear this high-pitched

1171

00:49:42,620 --> 00:49:40,300

whining sound and he has his baby crying

1172

00:49:44,269 --> 00:49:42,630

sounds and as they get

1173

00:49:45,680 --> 00:49:44,279

those are closer to the past year all

1174

00:49:48,079 --> 00:49:45,690

the sounds of getting louder

1175

00:49:49,789 --> 00:49:48,089

they angle their truck with the

1176  
00:49:51,410 --> 00:49:49,799  
headlights on to see the way up to the

1177  
00:49:53,630 --> 00:49:51,420  
top of the pasture and they notice that

1178  
00:49:54,979 --> 00:49:53,640  
it looks like something's training the

1179  
00:49:56,210 --> 00:49:54,989  
power from the headlight so they've

1180  
00:49:59,029 --> 00:49:56,220  
never had that problem before

1181  
00:50:01,609 --> 00:49:59,039  
and of course historically there are

1182  
00:50:03,130 --> 00:50:01,619  
many incidents of low-level UFO case or

1183  
00:50:07,849 --> 00:50:03,140  
where they there's a power drainage

1184  
00:50:09,710 --> 00:50:07,859  
awesome power yes walking up the pasture

1185  
00:50:11,930 --> 00:50:09,720  
they get to the top of the hill they're

1186  
00:50:13,940 --> 00:50:11,940  
standing there you know looking across

1187  
00:50:16,099 --> 00:50:13,950  
the field and they can't believe what

1188  
00:50:18,920 --> 00:50:16,109

they're seeing because that object is

1189

00:50:21,469 --> 00:50:18,930

about 250 feet away and it's now on the

1190

00:50:23,299 --> 00:50:21,479

ground or right above it now it's like a

1191

00:50:25,130 --> 00:50:23,309

big white that's not a complete sphere

1192

00:50:28,370 --> 00:50:25,140

like a half a sphere like a big white

1193

00:50:30,430 --> 00:50:28,380

dome ruminating the whole area about a

1194

00:50:34,400 --> 00:50:30,440

hundred feet or so in diameter and

1195

00:50:36,079 --> 00:50:34,410

making this loud whining noise they're

1196

00:50:38,450 --> 00:50:36,089

standing there in amazement they can't

1197

00:50:40,430 --> 00:50:38,460

believe what they're seeing but then

1198

00:50:43,489 --> 00:50:40,440

their attentions drawn to this barbed

1199

00:50:45,620 --> 00:50:43,499

wire fence about 75 feet away so these

1200

00:50:48,469 --> 00:50:45,630

part the poles on that fence about six

1201  
00:50:51,680 --> 00:50:48,479  
feet tall along that barbed-wire fence

1202  
00:50:54,140 --> 00:50:51,690  
one behind the other of these two huge

1203  
00:50:56,539 --> 00:50:54,150  
hairy Bigfoot creatures walking one

1204  
00:50:58,819 --> 00:50:56,549  
behind the other in their direction the

1205  
00:51:00,529 --> 00:50:58,829  
one in front about eight feet tall the

1206  
00:51:02,779 --> 00:51:00,539  
one behind it's about seven feet tall

1207  
00:51:04,190 --> 00:51:02,789  
when these guys saw in their first

1208  
00:51:06,200 --> 00:51:04,200  
thought was though they got to be bare

1209  
00:51:07,849 --> 00:51:06,210  
but they know what they looked like

1210  
00:51:10,640 --> 00:51:07,859  
these things were not like a bear at all

1211  
00:51:12,829 --> 00:51:10,650  
they soon realize that I mean the arms

1212  
00:51:14,599 --> 00:51:12,839  
are so long they have elongated man in

1213  
00:51:16,819 --> 00:51:14,609

here hanging off the body the arms are

1214

00:51:19,160 --> 00:51:16,829

so long almost down to the ground these

1215

00:51:22,459 --> 00:51:19,170

things have no neck they're walking

1216

00:51:24,469 --> 00:51:22,469

stiffly one behind the other upright the

1217

00:51:25,910 --> 00:51:24,479

eyes they said look about the size of 50

1218

00:51:28,309 --> 00:51:25,920

cent piece but they're luminous and

1219

00:51:31,549 --> 00:51:28,319

glowing bright green they're making this

1220

00:51:34,729 --> 00:51:31,559

loud baby crying whining sound that's

1221

00:51:37,370 --> 00:51:34,739

free one kid the one kid is so scared

1222

00:51:39,499 --> 00:51:37,380

that he runs out of the field the other

1223

00:51:40,190 --> 00:51:39,509

kid starts using the yup start shooting

1224

00:51:42,019 --> 00:51:40,200

sorry

1225

00:51:44,870 --> 00:51:42,029

starts yelling to the guy to shoot at

1226  
00:51:46,759 --> 00:51:44,880  
them and he takes his first shot which

1227  
00:51:49,549 --> 00:51:46,769  
is just a tracer so you just got that

1228  
00:51:53,089 --> 00:51:49,559  
luminous trail he fires the second

1229  
00:51:55,300 --> 00:51:53,099  
tracer and at that time what happens is

1230  
00:51:57,340 --> 00:51:55,310  
the large other two cream

1231  
00:52:00,790 --> 00:51:57,350  
reaches out as though to grab that

1232  
00:52:03,760 --> 00:52:00,800  
tracer and exactly that same time that

1233  
00:52:07,060 --> 00:52:03,770  
huge object in the field disappears it

1234  
00:52:09,280 --> 00:52:07,070  
doesn't take off it just vanishes so

1235  
00:52:11,410 --> 00:52:09,290  
most all the luminosity is gone that

1236  
00:52:13,030 --> 00:52:11,420  
loud whining noise is gone all the

1237  
00:52:13,510 --> 00:52:13,040  
brightness is gone and the object is

1238  
00:52:16,210 --> 00:52:13,520

gone

1239

00:52:17,710 --> 00:52:16,220

the creatures turn around and stories

1240

00:52:20,590 --> 00:52:17,720

from walking back along the fence line

1241

00:52:23,460 --> 00:52:20,600

towards the woods at that point the guy

1242

00:52:25,960 --> 00:52:23,470

starts firing live ammo from his 30.6

1243

00:52:28,090 --> 00:52:25,970

into the mainly into the main creature

1244

00:52:30,220 --> 00:52:28,100

and that guy always said to me said I'll

1245

00:52:32,230 --> 00:52:30,230

never forget how that you just saying

1246

00:52:35,020 --> 00:52:32,240

that creature kept staring at me as I'm

1247

00:52:37,260 --> 00:52:35,030

pumping by my enamel into my throat you

1248

00:52:40,090 --> 00:52:37,270

had sex with no effect on him whatsoever

1249

00:52:42,190 --> 00:52:40,100

that point they ran back to the truck

1250

00:52:43,750 --> 00:52:42,200

then went to the farmhouse told the

1251  
00:52:45,300 --> 00:52:43,760  
people what happened took him to a

1252  
00:52:48,250 --> 00:52:45,310  
neighbor's and called the State Police

1253  
00:52:51,700 --> 00:52:48,260  
when they were to arrive 45 minutes

1254  
00:52:53,590 --> 00:52:51,710  
later the witness was really reluctant

1255  
00:52:55,750 --> 00:52:53,600  
to talk to us I just forget about it you

1256  
00:52:57,250 --> 00:52:55,760  
guys think I'm crazy and a trooper said

1257  
00:52:58,690 --> 00:52:57,260  
look we had a report of two similar

1258  
00:53:00,970 --> 00:52:58,700  
creatures on the mountain the night

1259  
00:53:03,430 --> 00:53:00,980  
before I had to go up to investigate the

1260  
00:53:04,990 --> 00:53:03,440  
report so they go up in the troop corner

1261  
00:53:08,230 --> 00:53:05,000  
looking for evidence up in that field

1262  
00:53:10,750 --> 00:53:08,240  
and the state trooper told me the area

1263  
00:53:13,000 --> 00:53:10,760

where the object was on the ground will

1264

00:53:14,590 --> 00:53:13,010

solve luminescent glowing about a

1265

00:53:17,350 --> 00:53:14,600

hundred feet or more in diameter

1266

00:53:19,570 --> 00:53:17,360

he said the farm animals would not go

1267

00:53:21,220 --> 00:53:19,580

near it he said if he had a newspaper in

1268

00:53:23,350 --> 00:53:21,230

his hand he could have read the

1269

00:53:27,460 --> 00:53:23,360

newspaper from the light coming off the

1270

00:53:29,260 --> 00:53:27,470

glowing area hmm the story got stranger

1271

00:53:32,920 --> 00:53:29,270

and stranger during the night when our

1272

00:53:34,330 --> 00:53:32,930

teams got there it's a long story I

1273

00:53:36,490 --> 00:53:34,340

wrote the whole thing up my cell

1274

00:53:38,350 --> 00:53:36,500

invasion book it's probably one of the

1275

00:53:41,290 --> 00:53:38,360

weirdest stories that were documented

1276

00:53:43,900 --> 00:53:41,300

but it was the case that convinced my

1277

00:53:45,850 --> 00:53:43,910

team and myself that there's a lot more

1278

00:53:47,920 --> 00:53:45,860

of this phenomena and it's much stranger

1279

00:53:49,540 --> 00:53:47,930

than anybody realized and it was

1280

00:53:51,370 --> 00:53:49,550

probably around that time I was

1281

00:53:53,710 --> 00:53:51,380

beginning to ask more questions and I've

1282

00:53:55,540 --> 00:53:53,720

asked that ever since that time over the

1283

00:53:57,280 --> 00:53:55,550

years with all the Bigfoot case I

1284

00:53:59,920 --> 00:53:57,290

investigated that you know something

1285

00:54:02,290 --> 00:53:59,930

makes no sense here if Bigfoot is real

1286

00:54:04,210 --> 00:54:02,300

and they're seeing all repent sylvania

1287

00:54:06,610 --> 00:54:04,220

all over the country all over the world

1288

00:54:07,440 --> 00:54:06,620

something similar after all these years

1289

00:54:12,110 --> 00:54:07,450

we

1290

00:54:15,090 --> 00:54:12,120

have a body it makes absolutely no sense

1291

00:54:17,070 --> 00:54:15,100

yeah all this evidence that people are

1292

00:54:18,930 --> 00:54:17,080

these sightings and experiences people

1293

00:54:20,640 --> 00:54:18,940

have but we're gonna take another very

1294

00:54:22,830 --> 00:54:20,650

short commercial break everybody

1295

00:54:25,050 --> 00:54:22,840

stay tuned we are speaking with Stan

1296

00:54:27,960 --> 00:54:25,060

Gordon tonight you can find him at Stan

1297

00:54:30,180 --> 00:54:27,970

Gordon dot info so again you are

1298

00:54:33,720 --> 00:54:30,190

listening to Supernatural girls radio

1299

00:54:36,900 --> 00:54:33,730

we'll be right back piqué and our

1300

00:54:39,420 --> 00:54:36,910

amazing guest tonight Stan Gordon he is

1301  
00:54:42,270 --> 00:54:39,430  
the man for investigations of all things

1302  
00:54:45,150 --> 00:54:42,280  
paranormal and we are talking right now

1303  
00:54:46,410 --> 00:54:45,160  
about Bigfoot and UFOs and I know Stan

1304  
00:54:49,500 --> 00:54:46,420  
we're going to get into Chestnut Ridge

1305  
00:54:52,460 --> 00:54:49,510  
and one of the strangest stories that

1306  
00:54:55,380 --> 00:54:52,470  
you've heard recently so please continue

1307  
00:54:58,980 --> 00:54:55,390  
what else can you tell us my gosh are on

1308  
00:55:01,200 --> 00:54:58,990  
the edge of our seats here Stan well you

1309  
00:55:02,850 --> 00:55:01,210  
know first of all what I'm trying it is

1310  
00:55:05,310 --> 00:55:02,860  
very hard to explain something that none

1311  
00:55:08,040 --> 00:55:05,320  
of us have the answers for but and I'm

1312  
00:55:10,290 --> 00:55:08,050  
not trying to suggest for example what

1313  
00:55:13,290 --> 00:55:10,300

what you're hearing that Bigfoot is

1314

00:55:15,060 --> 00:55:13,300

necessarily an alien riding around in

1315

00:55:17,040 --> 00:55:15,070

the spaceship because we don't know for

1316

00:55:19,710 --> 00:55:17,050

sure what the UFOs are I mean there's a

1317

00:55:22,320 --> 00:55:19,720

lot of speculation out there but more

1318

00:55:24,960 --> 00:55:22,330

and more the evidence I'm seeing is that

1319

00:55:27,300 --> 00:55:24,970

for a lack of a better term that's some

1320

00:55:30,000 --> 00:55:27,310

type of UFOs and various type of

1321

00:55:32,010 --> 00:55:30,010

cryptids which include Bigfoot many of

1322

00:55:34,230 --> 00:55:32,020

the Bigfoot cases appear to be

1323

00:55:36,630 --> 00:55:34,240

interdimensional that under certain

1324

00:55:39,600 --> 00:55:36,640

conditions they come into our physical

1325

00:55:41,070 --> 00:55:39,610

reality they can look physically solid

1326  
00:55:42,510 --> 00:55:41,080  
at times even though there's cases where

1327  
00:55:44,880 --> 00:55:42,520  
they don't always appear to be

1328  
00:55:46,110 --> 00:55:44,890  
completely physically solid a lot of

1329  
00:55:48,000 --> 00:55:46,120  
people don't know about those either

1330  
00:55:50,040 --> 00:55:48,010  
they can leave evidence and are gone

1331  
00:55:52,440 --> 00:55:50,050  
they come and they go and there's

1332  
00:55:54,630 --> 00:55:52,450  
multitude to reports my my latest book

1333  
00:55:56,400 --> 00:55:54,640  
astonishing encounters Pennsylvania's

1334  
00:55:58,800 --> 00:55:56,410  
unknown creatures gets - all kind of

1335  
00:56:00,840 --> 00:55:58,810  
weird entities and things people name

1336  
00:56:04,380 --> 00:56:00,850  
their owner before which is just that as

1337  
00:56:07,980 --> 00:56:04,390  
well but anyhow going back to that 73-74

1338  
00:56:10,110 --> 00:56:07,990

time period we began to see even weirder

1339

00:56:12,720 --> 00:56:10,120

reports not just a Bigfoot UFO seen

1340

00:56:14,880 --> 00:56:12,730

together but other cases that suggested

1341

00:56:17,190 --> 00:56:14,890

that there may well be more to Bigfoot

1342

00:56:19,140 --> 00:56:17,200

than a flesh-and-blood explanation it

1343

00:56:19,890 --> 00:56:19,150

was a case that happened February 6

1344

00:56:21,990 --> 00:56:19,900

nineteen

1345

00:56:25,049 --> 00:56:22,000

me for way up in the mountains of

1346

00:56:27,750 --> 00:56:25,059

Fayette County again and again along the

1347

00:56:29,880 --> 00:56:27,760

Chestnut Ridge in that general area that

1348

00:56:31,680 --> 00:56:29,890

was the case that convinced me that

1349

00:56:34,680 --> 00:56:31,690

there was a lot more to Bigfoot than

1350

00:56:36,690 --> 00:56:34,690

just an unknown animal and I'm sure a

1351  
00:56:39,299 --> 00:56:36,700  
lot of your listeners will recall that

1352  
00:56:41,640 --> 00:56:39,309  
time period because there was a large

1353  
00:56:43,470 --> 00:56:41,650  
national trucker strike going on there

1354  
00:56:46,230 --> 00:56:43,480  
was gas rationing going on around the

1355  
00:56:47,970 --> 00:56:46,240  
country there was a violence on the

1356  
00:56:50,430 --> 00:56:47,980  
highways across the country so in

1357  
00:56:52,859 --> 00:56:50,440  
Pennsylvania the National Guard was

1358  
00:56:55,410 --> 00:56:52,869  
patrolling with the State Police they

1359  
00:56:57,630 --> 00:56:55,420  
they both responded to this incident

1360  
00:56:58,799 --> 00:56:57,640  
that evening when it happened I couldn't

1361  
00:57:02,059 --> 00:56:58,809  
get up here because I couldn't get

1362  
00:57:04,620 --> 00:57:02,069  
Gaston earlier next morning this woman

1363  
00:57:07,170 --> 00:57:04,630

lived in a little cabin home deep in the

1364

00:57:09,750 --> 00:57:07,180

mountains she lived here all her life

1365

00:57:11,220 --> 00:57:09,760

she knew animals very well she was

1366

00:57:13,500 --> 00:57:11,230

pretty much not afraid of too many

1367

00:57:16,890 --> 00:57:13,510

things she was a very good shot with her

1368

00:57:18,480 --> 00:57:16,900

weapons and she said no watchin TV she

1369

00:57:21,630 --> 00:57:18,490

hears this commotion on a little front

1370

00:57:23,400 --> 00:57:21,640

porch she had some empty pop cans out

1371

00:57:27,150 --> 00:57:23,410

there some was not gonna pop cans around

1372

00:57:28,920 --> 00:57:27,160

a few weeks before those a pack of wild

1373

00:57:30,510 --> 00:57:28,930

dogs came through and she said you know

1374

00:57:32,220 --> 00:57:30,520

what I bet you those dogs are back so

1375

00:57:34,769 --> 00:57:32,230

she thought you know what I'll grab my

1376

00:57:36,120 --> 00:57:34,779

shotgun and I'll load one chair out a

1377

00:57:41,130 --> 00:57:36,130

sheet over their head and scare those

1378

00:57:43,920 --> 00:57:41,140

dogs away brains lady she grabs her

1379

00:57:45,870 --> 00:57:43,930

shotgun blows one chamber she walks over

1380

00:57:48,210 --> 00:57:45,880

to the wall to turn on the switch to

1381

00:57:50,370 --> 00:57:48,220

turn on the porch light she walks to the

1382

00:57:54,329 --> 00:57:50,380

front door opens up the door and she

1383

00:57:56,519 --> 00:57:54,339

walks out there's no dogs there but only

1384

00:57:59,309 --> 00:57:56,529

a few feet away right in front of her is

1385

00:58:01,829 --> 00:57:59,319

his huge hairy bigfoot-type creature

1386

00:58:04,230 --> 00:58:01,839

with his arm straight up overhead and

1387

00:58:06,420 --> 00:58:04,240

she never the numerous times I

1388

00:58:08,099 --> 00:58:06,430

interviewed her she never ever called it

1389

00:58:10,859 --> 00:58:08,109

a Bigfoot she said it looked like a

1390

00:58:13,109 --> 00:58:10,869

great big hairy ape so what does she do

1391

00:58:15,900 --> 00:58:13,119

what she sees his creature she fires

1392

00:58:17,730 --> 00:58:15,910

right into it with her shotgun Eugene

1393

00:58:20,819 --> 00:58:17,740

said there was this bright flash of

1394

00:58:22,500 --> 00:58:20,829

light like the flash on a camera and the

1395

00:58:26,760 --> 00:58:22,510

creature disappears right in front of

1396

00:58:29,190 --> 00:58:26,770

her Wow oh my hear the gunshot a hundred

1397

00:58:30,809 --> 00:58:29,200

feet away and they call and ask her what

1398

00:58:31,950 --> 00:58:30,819

are you shooting at she tried to explain

1399

00:58:35,099 --> 00:58:31,960

to him what happened

1400

00:58:36,750 --> 00:58:35,109

her son Ola grabs his pistol he starts

1401  
00:58:39,660 --> 00:58:36,760  
walking up the dirt road towards the

1402  
00:58:41,550 --> 00:58:39,670  
home the cabin home he saw a figure

1403  
00:58:43,740 --> 00:58:41,560  
running up to run as he got closer he

1404  
00:58:46,260 --> 00:58:43,750  
said he was surrounded by four or five

1405  
00:58:48,630 --> 00:58:46,270  
eerie people with eyes like coals of

1406  
00:58:51,480 --> 00:58:48,640  
fire started shooting at shooting at

1407  
00:58:54,120 --> 00:58:51,490  
them he ran into the cabin and about the

1408  
00:58:56,130 --> 00:58:54,130  
same time there's this large object that

1409  
00:58:57,660 --> 00:58:56,140  
he said like a big Christmas ornament

1410  
00:59:00,210 --> 00:58:57,670  
with red lights on her hovering over the

1411  
00:59:04,800 --> 00:59:00,220  
woods at the same time no they called

1412  
00:59:07,320 --> 00:59:04,810  
police police the other investigators

1413  
00:59:10,470 --> 00:59:07,330

got up to the scene whatever was there

1414

00:59:12,480 --> 00:59:10,480

was gone however I talked to the primary

1415

00:59:14,550 --> 00:59:12,490

investigator and he said I don't know

1416

00:59:17,490 --> 00:59:14,560

what happened up there it was something

1417

00:59:20,099 --> 00:59:17,500

very strange Daddy based on the animal

1418

00:59:21,510 --> 00:59:20,109

reactions yeah and I know I mentioned

1419

00:59:22,859 --> 00:59:21,520

you but I've tried to mention this your

1420

00:59:24,810 --> 00:59:22,869

listeners and all the years I've been

1421

00:59:28,829 --> 00:59:24,820

doing this I have never personally seen

1422

00:59:30,900 --> 00:59:28,839

a UFO a Bigfoot myself but right I think

1423

00:59:34,170 --> 00:59:30,910

what the officers saw I've seen the

1424

00:59:37,260 --> 00:59:34,180

animal reactions you can fool people you

1425

00:59:39,780 --> 00:59:37,270

can for the animals very commonly when

1426

00:59:42,030 --> 00:59:39,790

Bigfoot these creatures are around farm

1427

00:59:45,180 --> 00:59:42,040

animals and animals are very shook up

1428

00:59:47,280 --> 00:59:45,190

very scared don't behave as normal but

1429

00:59:49,950 --> 00:59:47,290

it's very prominent and even the most

1430

00:59:51,780 --> 00:59:49,960

vicious dogs and this is something you

1431

00:59:54,450 --> 00:59:51,790

couldn't fabricate generally when

1432

00:59:56,400 --> 00:59:54,460

they're close by most dogs are just like

1433

00:59:59,400 --> 00:59:56,410

paralyzed and will not bark they don't

1434

01:00:01,109 --> 00:59:59,410

move they cower they hide sometimes

1435

01:00:03,390 --> 01:00:01,119

their diet changes they were only even

1436

01:00:04,829 --> 01:00:03,400

eat prey for 2-3 days later it can't

1437

01:00:06,780 --> 01:00:04,839

fabricate that I remember one of the

1438

01:00:08,670 --> 01:00:06,790

troopers told me he said when I got up

1439

01:00:11,190 --> 01:00:08,680

there that evening go several big dogs

1440

01:00:13,800 --> 01:00:11,200

there I think one was an Eskimo Spitz

1441

01:00:15,240 --> 01:00:13,810

was a German Shepherd one of them was in

1442

01:00:17,339 --> 01:00:15,250

a cage and a dog should have been

1443

01:00:19,800 --> 01:00:17,349

barking going crazy it wouldn't make a

1444

01:00:21,660 --> 01:00:19,810

sound he put his hand inside tried to

1445

01:00:22,650 --> 01:00:21,670

move the dog to pull the dog out dog

1446

01:00:24,839 --> 01:00:22,660

would even move

1447

01:00:26,579 --> 01:00:24,849

she'll rip the guy's arm off the next

1448

01:00:29,400 --> 01:00:26,589

morning everything back soon when I got

1449

01:00:32,490 --> 01:00:29,410

up to the scene that was one among other

1450

01:00:34,260 --> 01:00:32,500

cases which suggested that we were

1451  
01:00:37,380 --> 01:00:34,270  
dealing with something there wasn't a

1452  
01:00:41,680 --> 01:00:37,390  
normal unknown flesh-and-blood creature

1453  
01:00:44,110 --> 01:00:41,690  
yes cases of other critters

1454  
01:00:46,060 --> 01:00:44,120  
over the years we're seeing this as well

1455  
01:00:48,100 --> 01:00:46,070  
more and more even in recent months of

1456  
01:00:49,990 --> 01:00:48,110  
some of these reports so some of the

1457  
01:00:55,180 --> 01:00:50,000  
other cryptids we investigate here would

1458  
01:00:57,850 --> 01:00:55,190  
be Thunderbird reports black panther

1459  
01:01:00,430 --> 01:00:57,860  
sightings and then a whole variety of

1460  
01:01:03,010 --> 01:01:00,440  
all kind of other weird things that vary

1461  
01:01:05,710 --> 01:01:03,020  
from flying humanoids to floating

1462  
01:01:07,480 --> 01:01:05,720  
entities to just all kind of weird

1463  
01:01:11,920 --> 01:01:07,490

things that are people reporting even in

1464

01:01:13,830 --> 01:01:11,930

recent weeks and the Thunderbird reports

1465

01:01:16,300 --> 01:01:13,840

are very interesting I mean historically

1466

01:01:19,150 --> 01:01:16,310

reports of these giant birds have been

1467

01:01:20,440 --> 01:01:19,160

around for years and years and it's very

1468

01:01:22,510 --> 01:01:20,450

difficult

1469

01:01:25,600 --> 01:01:22,520

just like with UFO sightings to judge

1470

01:01:28,360 --> 01:01:25,610

altitude and size but in some cases the

1471

01:01:30,850 --> 01:01:28,370

huge flying creatures have been very low

1472

01:01:32,740 --> 01:01:30,860

off the ground or actually on the ground

1473

01:01:35,080 --> 01:01:32,750

we've had incidents where they were

1474

01:01:36,940 --> 01:01:35,090

blocking in the roadway and and the

1475

01:01:39,070 --> 01:01:36,950

witnesses could see their wingtips the

1476

01:01:40,810 --> 01:01:39,080

ends of the wings on the road there was

1477

01:01:43,630 --> 01:01:40,820

one case a neighboring West Virginia

1478

01:01:45,340 --> 01:01:43,640

back in 2007 where a fellow's riding

1479

01:01:47,470 --> 01:01:45,350

down a two-lane road that morning at the

1480

01:01:49,690 --> 01:01:47,480

hitters brakes got his it's huge

1481

01:01:53,170 --> 01:01:49,700

monstrous bird and wood roadkill in its

1482

01:01:55,660 --> 01:01:53,180

mouth he said it's totally four feet

1483

01:01:58,060 --> 01:01:55,670

tall it was taller on top of his vehicle

1484

01:01:58,570 --> 01:01:58,070

he was staring at it it was staring at

1485

01:02:00,940 --> 01:01:58,580

him

1486

01:02:02,560 --> 01:02:00,950

it was hobbling back and forth tried to

1487

01:02:04,810 --> 01:02:02,570

get off the ground with his huge body

1488

01:02:07,420 --> 01:02:04,820

crying and flapping its wings and he

1489

01:02:09,550 --> 01:02:07,430

said he's watching the wing tips and he

1490

01:02:11,830 --> 01:02:09,560

said you can see the dust and dirt going

1491

01:02:14,140 --> 01:02:11,840

up from the ground and finally it got up

1492

01:02:15,580 --> 01:02:14,150

over the trees and went away he said he

1493

01:02:17,500 --> 01:02:15,590

went back to the scene the next day to

1494

01:02:27,310 --> 01:02:17,510

measure it it was twenty-one feet across

1495

01:02:29,080 --> 01:02:27,320

oh my god enormous enormous there's been

1496

01:02:31,210 --> 01:02:29,090

a number of these giant bird sightings

1497

01:02:33,670 --> 01:02:31,220

stopped some of them up along the ridge

1498

01:02:35,740 --> 01:02:33,680

and the last week of May of this year up

1499

01:02:36,850 --> 01:02:35,750

on top of the ridge and I mean I've

1500

01:02:38,410 --> 01:02:36,860

interviewed a lot of these people and

1501

01:02:40,390 --> 01:02:38,420

these are really credible people and

1502

01:02:42,040 --> 01:02:40,400

these people weren't no publicity most

1503

01:02:44,230 --> 01:02:42,050

people I talked to were no publicity but

1504

01:02:46,510 --> 01:02:44,240

anyhow they've been living up there for

1505

01:02:48,130 --> 01:02:46,520

years and they said during that period

1506

01:02:51,160 --> 01:02:48,140

in May on a couple occasions they were

1507

01:02:54,650 --> 01:02:51,170

seeing these huge dark bird Jony dark

1508

01:02:57,440 --> 01:02:54,660

black black shelley dark brown or black

1509

01:02:59,450 --> 01:02:57,450

and with huge wingspans and one day they

1510

01:03:01,690 --> 01:02:59,460

saw some a number of them circling above

1511

01:03:03,770 --> 01:03:01,700

but on one day one day in particular

1512

01:03:06,260 --> 01:03:03,780

several these things when ended in their

1513

01:03:08,030 --> 01:03:06,270

big garden in their backyard and it was

1514

01:03:10,490 --> 01:03:08,040

six to eight of them on the ground and

1515

01:03:12,410 --> 01:03:10,500

they thought first of all was they must

1516

01:03:14,990 --> 01:03:12,420

be condors it's like no birds like that

1517

01:03:16,730 --> 01:03:15,000

around here that big but they but these

1518

01:03:19,190 --> 01:03:16,740

people in those turkey vultures I knew

1519

01:03:22,550 --> 01:03:19,200

blue herons a new Hawks they said that's

1520

01:03:25,310 --> 01:03:22,560

not what these were and they estimated

1521

01:03:28,250 --> 01:03:25,320

that some of these things stood five and

1522

01:03:30,680 --> 01:03:28,260

a half to six feet tall with at least a

1523

01:03:32,150 --> 01:03:30,690

10 to 12-foot wingspan the small one

1524

01:03:35,210 --> 01:03:32,160

store about four and a half to five feet

1525

01:03:39,410 --> 01:03:35,220

tall and luckily they got some pictures

1526

01:03:41,390 --> 01:03:39,420

oh and oh they're not that great you can

1527

01:03:43,670 --> 01:03:41,400

see some detail and I had a bird expert

1528

01:03:46,100 --> 01:03:43,680

look at some of the pictures and he was

1529

01:03:48,980 --> 01:03:46,110

he's skeptical but he was really

1530

01:03:50,900 --> 01:03:48,990

scratching his head because he looked at

1531

01:03:52,850 --> 01:03:50,910

some of these pictures on one specimen

1532

01:03:55,640 --> 01:03:52,860

in particular said it would appear to

1533

01:03:57,470 --> 01:03:55,650

be very tall and had a very large neck

1534

01:03:59,870 --> 01:03:57,480

and he mentioned how the head in the

1535

01:04:01,250 --> 01:03:59,880

neck was being held straight up and it

1536

01:04:05,030 --> 01:04:01,260

stumped him because he had never seen a

1537

01:04:06,470 --> 01:04:05,040

bird of that size in that position so

1538

01:04:09,860 --> 01:04:06,480

that was kind of interesting and then

1539

01:04:13,070 --> 01:04:09,870

even more recently and this would be up

1540

01:04:15,650 --> 01:04:13,080

in northern Pennsylvania there have been

1541

01:04:18,440 --> 01:04:15,660

a lot of sightings up around TYIN esta a

1542

01:04:24,770 --> 01:04:18,450

Bigfoot up north the Allegheny National

1543

01:04:27,710 --> 01:04:24,780

Forest up towards Kinzua Dam and anyhow

1544

01:04:30,830 --> 01:04:27,720

this was a man and another person was in

1545

01:04:32,660 --> 01:04:30,840

the vehicle at the time and I'm just

1546

01:04:34,010 --> 01:04:32,670

trying to think here it was only a few

1547

01:04:35,630 --> 01:04:34,020

months ago we see what I can find some

1548

01:04:41,150 --> 01:04:35,640

notes on this thing while we're talking

1549

01:04:42,740 --> 01:04:41,160

but he had an encounter and was very

1550

01:04:46,220 --> 01:04:42,750

strange and he said it's a curtain run

1551  
01:04:48,230 --> 01:04:46,230  
July 15th so it wasn't far from the time

1552  
01:04:50,660 --> 01:04:48,240  
that other sighting they're riding down

1553  
01:04:53,830 --> 01:04:50,670  
this road your big run P in Jefferson

1554  
01:04:56,570 --> 01:04:53,840  
County they they headlights on the road

1555  
01:04:58,400 --> 01:04:56,580  
about 10 of 12 feet ahead of them didn't

1556  
01:05:00,350 --> 01:04:58,410  
notice and a large deer standing or

1557  
01:05:03,170 --> 01:05:00,360  
right side of the road seconds later

1558  
01:05:05,450 --> 01:05:03,180  
this huge giant Birds swooped down -

1559  
01:05:08,150 --> 01:05:05,460  
with it and feet that move left to right

1560  
01:05:10,789 --> 01:05:08,160  
a friend or vehicle they can see a clue

1561  
01:05:12,770 --> 01:05:10,799  
high beams the wings were down when they

1562  
01:05:15,319 --> 01:05:12,780  
saw it they never saw the flap its wings

1563  
01:05:17,870 --> 01:05:15,329

the entire bird was either dark brown or

1564

01:05:20,690 --> 01:05:17,880

black the wings being pretty much larger

1565

01:05:23,240 --> 01:05:20,700

than deer estimators least 10 to 12 foot

1566

01:05:25,099 --> 01:05:23,250

they could see the feathers on it they

1567

01:05:27,049 --> 01:05:25,109

can see his long body very large

1568

01:05:29,359 --> 01:05:27,059

wingspan and they had appear to be more

1569

01:05:32,059 --> 01:05:29,369

flat it was short and the beak was short

1570

01:05:34,039 --> 01:05:32,069

they heard no sound when the bird

1571

01:05:35,960 --> 01:05:34,049

swooped down it glided two to three feet

1572

01:05:39,289 --> 01:05:35,970

above the ground they thought maybe it

1573

01:05:41,299 --> 01:05:39,299

was going down after the deer but the

1574

01:05:43,339 --> 01:05:41,309

witness said they soft like five to six

1575

01:05:45,559 --> 01:05:43,349

seconds they had never seen a bird that

1576

01:05:47,359 --> 01:05:45,569

big before it looked like I had a head

1577

01:05:50,359 --> 01:05:47,369

similar to an eagle but a headless

1578

01:05:54,410 --> 01:05:50,369

flatten had a short beak and that just

1579

01:05:56,150 --> 01:05:54,420

says these are amazing stories that let

1580

01:05:57,680 --> 01:05:56,160

me just stop you for a second got just a

1581

01:05:59,059 --> 01:05:57,690

couple questions I wanted to ask you

1582

01:06:01,460 --> 01:05:59,069

from the chat room I don't want to

1583

01:06:03,289 --> 01:06:01,470

ignore these folks this is from Karen

1584

01:06:04,789 --> 01:06:03,299

she's asking in all the years you've

1585

01:06:07,579 --> 01:06:04,799

been doing this do you think the

1586

01:06:09,470 --> 01:06:07,589

increase of YouTube's paranormal footage

1587

01:06:12,740 --> 01:06:09,480

postings has made it tougher for

1588

01:06:14,690 --> 01:06:12,750

investigators like you to be heard from

1589

01:06:17,930 --> 01:06:14,700

the rest of the crowd do you think it's

1590

01:06:20,599 --> 01:06:17,940

made it tougher for you or easier well

1591

01:06:23,180 --> 01:06:20,609

its pros and cons I mean what what the

1592

01:06:25,910 --> 01:06:23,190

the media exposure is doing from the TV

1593

01:06:27,559 --> 01:06:25,920

shows YouTube it's the least getting the

1594

01:06:29,630 --> 01:06:27,569

information out there that these things

1595

01:06:31,700 --> 01:06:29,640

are allegedly being seen around the

1596

01:06:34,010 --> 01:06:31,710

country and around the world so in some

1597

01:06:35,890 --> 01:06:34,020

places it's encouraging people who may

1598

01:06:38,510 --> 01:06:35,900

have been reluctant to report before

1599

01:06:40,519 --> 01:06:38,520

more of them maybe are willing to come

1600

01:06:42,680 --> 01:06:40,529

forward and talk even though the

1601  
01:06:44,720 --> 01:06:42,690  
majority of people call me they may tell

1602  
01:06:47,180 --> 01:06:44,730  
me about as many reluctantly but they

1603  
01:06:48,710 --> 01:06:47,190  
know what their names used right right

1604  
01:06:50,450 --> 01:06:48,720  
well that's an interesting perspective

1605  
01:06:53,120 --> 01:06:50,460  
and then here's another quick question

1606  
01:06:55,130 --> 01:06:53,130  
for you from Veritas who's asking since

1607  
01:06:59,480 --> 01:06:55,140  
the government is aware of UFOs are they

1608  
01:07:02,539 --> 01:06:59,490  
also where Bigfoot I believe so in fact

1609  
01:07:07,190 --> 01:07:02,549  
in my books I go into that going back to

1610  
01:07:08,870 --> 01:07:07,200  
that wave of 1973 there is no doubt that

1611  
01:07:12,019 --> 01:07:08,880  
there was some government interest in

1612  
01:07:14,450 --> 01:07:12,029  
our investigations and there was some

1613  
01:07:16,880 --> 01:07:14,460

mystery men that showed up so I go into

1614

01:07:20,049 --> 01:07:16,890

that in the silence Asian book there

1615

01:07:21,570 --> 01:07:20,059

were other incidents some very very

1616

01:07:23,430 --> 01:07:21,580

detailed

1617

01:07:26,190 --> 01:07:23,440

incidents I've had with UFOs and

1618

01:07:29,130 --> 01:07:26,200

cryptids and there were some cases which

1619

01:07:31,110 --> 01:07:29,140

suggested the possibility that some

1620

01:07:34,070 --> 01:07:31,120

government agencies got involved in the

1621

01:07:37,140 --> 01:07:34,080

investigations on their own as well and

1622

01:07:39,030 --> 01:07:37,150

for a long time I believed that the

1623

01:07:41,520 --> 01:07:39,040

government has an interest both in UFOs

1624

01:07:43,200 --> 01:07:41,530

and Bigfoot and I wouldn't be a bit

1625

01:07:45,090 --> 01:07:43,210

surprised that they're looking more and

1626

01:07:47,280 --> 01:07:45,100

more into what I've been looking into

1627

01:07:49,110 --> 01:07:47,290

into the interdimensional theory that

1628

01:07:51,090 --> 01:07:49,120

there may be more of this is something

1629

01:07:52,050 --> 01:07:51,100

extraterrestrial I don't think the

1630

01:07:54,540 --> 01:07:52,060

government has all the answers

1631

01:07:56,880 --> 01:07:54,550

themselves I have no doubt that they're

1632

01:07:58,890 --> 01:07:56,890

very intrigued by it they're very

1633

01:08:00,750 --> 01:07:58,900

concerned over it but they're not to

1634

01:08:02,160 --> 01:08:00,760

control what's happening and they don't

1635

01:08:03,570 --> 01:08:02,170

have all the answers themselves are

1636

01:08:05,130 --> 01:08:03,580

still trying to figure out what's going

1637

01:08:07,620 --> 01:08:05,140

on out there yeah well you think you're

1638

01:08:09,960 --> 01:08:07,630

right that's absolutely what's going on

1639

01:08:11,730 --> 01:08:09,970

they don't have all the answers and I'm

1640

01:08:14,190 --> 01:08:11,740

sure they would like to have them but

1641

01:08:16,890 --> 01:08:14,200

they're far from it so as you walked

1642

01:08:19,440 --> 01:08:16,900

into these other investigations oh my

1643

01:08:21,470 --> 01:08:19,450

gosh I they just sound stranger and

1644

01:08:24,030 --> 01:08:21,480

stranger so you you've had

1645

01:08:26,340 --> 01:08:24,040

investigations on these enormous birds

1646

01:08:28,260 --> 01:08:26,350

what about the flying hominids there's

1647

01:08:30,440 --> 01:08:28,270

been a lot of reports in Chicago have

1648

01:08:33,120 --> 01:08:30,450

you had that out there in Pennsylvania

1649

01:08:34,470 --> 01:08:33,130

yeah we have I'm just gonna tell you

1650

01:08:37,560 --> 01:08:34,480

about one more because this is recent

1651

01:08:39,210 --> 01:08:37,570

from one another researcher contacted me

1652

01:08:40,650 --> 01:08:39,220

very recently he's getting a lot of

1653

01:08:43,290 --> 01:08:40,660

reports of other parts along the

1654

01:08:46,349 --> 01:08:43,300

Chestnut Ridge as well but he got a

1655

01:08:51,030 --> 01:08:46,359

report recently in early October of this

1656

01:08:54,150 --> 01:08:51,040

year up on the ridge and let me see if I

1657

01:08:55,860 --> 01:08:54,160

have it here okay and this was outside

1658

01:08:57,810 --> 01:08:55,870

of Igonier PA which is where we get a

1659

01:09:00,320 --> 01:08:57,820

lot of reports for years of all kind of

1660

01:09:03,120 --> 01:09:00,330

weird things going on but this person

1661

01:09:06,690 --> 01:09:03,130

reportedly told them that they saw this

1662

01:09:09,660 --> 01:09:06,700

huge flying creature like a giant hawk

1663

01:09:12,120 --> 01:09:09,670

with a 10 to 12-foot wingspan they saw

1664

01:09:13,680 --> 01:09:12,130

it flapping its wings but heard no sound

1665

01:09:16,050 --> 01:09:13,690

even though the witness was close must

1666

01:09:18,450 --> 01:09:16,060

be able to hear but the strange part of

1667

01:09:20,760 --> 01:09:18,460

the story was a witness swears that the

1668

01:09:23,010 --> 01:09:20,770

bird was transparent and she could see

1669

01:09:25,770 --> 01:09:23,020

through the bird and that's just an

1670

01:09:27,960 --> 01:09:25,780

experience a lot of the different weird

1671

01:09:30,120 --> 01:09:27,970

cryptids I'm getting just like the Black

1672

01:09:31,860 --> 01:09:30,130

Panther reports you know we all know

1673

01:09:33,900 --> 01:09:31,870

when we think about black pants we're

1674

01:09:34,530 --> 01:09:33,910

thinking about black Jaguar black

1675

01:09:36,870 --> 01:09:34,540

Bluebird

1676

01:09:39,450 --> 01:09:36,880

I call this part of the world they see

1677

01:09:41,460 --> 01:09:39,460

them up in New England they see them

1678

01:09:44,400 --> 01:09:41,470

around here for years and years and

1679

01:09:46,890 --> 01:09:44,410

there's a lot of strange aspects to the

1680

01:09:48,470 --> 01:09:46,900

sightings of Black Panthers for example

1681

01:09:51,090 --> 01:09:48,480

a lot of people don't know is on

1682

01:09:53,309 --> 01:09:51,100

occasion for example when you have an

1683

01:09:56,340 --> 01:09:53,319

outbreak say a Bigfoot in a particular

1684

01:09:58,250 --> 01:09:56,350

area sometimes you get reports of other

1685

01:10:01,230 --> 01:09:58,260

clips and showing up the same time very

1686

01:10:03,360 --> 01:10:01,240

commonly Black Panther sightings occur

1687

01:10:05,640 --> 01:10:03,370

during the same time Bigfoot is being

1688

01:10:07,620 --> 01:10:05,650

seen and something a lot of people are

1689

01:10:09,450 --> 01:10:07,630

not aware ever don't discuss there have

1690

01:10:11,640 --> 01:10:09,460

been incidents with more than one

1691

01:10:14,400 --> 01:10:11,650

cryptid are seen together

1692

01:10:16,530 --> 01:10:14,410

so sometimes Bigfoot has been seen for

1693

01:10:18,990 --> 01:10:16,540

example with a black panther or other

1694

01:10:20,640 --> 01:10:19,000

cryptid at the same time these are a lot

1695

01:10:23,550 --> 01:10:20,650

of things that people don't know or

1696

01:10:26,790 --> 01:10:23,560

would prefer not to talk about it yeah

1697

01:10:28,980 --> 01:10:26,800

well it is a little overwhelming I think

1698

01:10:31,350 --> 01:10:28,990

for a lot of people not our audience of

1699

01:10:33,390 --> 01:10:31,360

course but most people in the world

1700

01:10:35,220 --> 01:10:33,400

today to think about Bigfoot and then to

1701

01:10:37,350 --> 01:10:35,230

think about another cryptic coming into

1702

01:10:39,630 --> 01:10:37,360

this reality through a nut through a

1703

01:10:41,760 --> 01:10:39,640

dimensional portal it is quite

1704

01:10:43,380 --> 01:10:41,770

overwhelming but it's great I mean we

1705

01:10:46,170 --> 01:10:43,390

love it because this is the stuff that

1706

01:10:48,210 --> 01:10:46,180

that we love to talk about Sheila's

1707

01:10:50,810 --> 01:10:48,220

experienced these things ourselves and

1708

01:10:53,490 --> 01:10:50,820

have at times but now you have other

1709

01:10:55,980 --> 01:10:53,500

things that you've heard about you've

1710

01:10:58,020 --> 01:10:55,990

heard about the flying human hominis

1711

01:11:01,020 --> 01:10:58,030

tell us about that because that's been

1712

01:11:05,340 --> 01:11:01,030

huge in Chicago but you've also had that

1713

01:11:07,140 --> 01:11:05,350

in Pennsylvania mm-hmm yeah and yeah I'm

1714

01:11:08,040 --> 01:11:07,150

aware of case around the country and

1715

01:11:11,120 --> 01:11:08,050

around the world

1716

01:11:17,880 --> 01:11:11,130

but probably one of our most interesting

1717

01:11:20,670 --> 01:11:17,890

reports occurred in 2011 up in Butler

1718

01:11:24,630 --> 01:11:20,680

County Pennsylvania north of Pittsburgh

1719

01:11:29,730 --> 01:11:24,640

and for a better term they now call it

1720

01:11:31,590 --> 01:11:29,740

the Butler gargoyles and this was 2011 I

1721

01:11:34,080 --> 01:11:31,600

interviewed this witness numerous I'm

1722

01:11:35,850 --> 01:11:34,090

he's very professional guy was our

1723

01:11:38,220 --> 01:11:35,860

business man was riding down our dark

1724

01:11:39,540 --> 01:11:38,230

rotors night headlights caught something

1725

01:11:41,940 --> 01:11:39,550

on the right side of the graph he

1726

01:11:42,990 --> 01:11:41,950

thought it was a deer he got closer turn

1727

01:11:46,650 --> 01:11:43,000

on his high-beams

1728

01:11:48,100 --> 01:11:46,660

and all of a sudden this huge 8-foot

1729

01:11:51,340 --> 01:11:48,110

tall creature stands up

1730

01:11:54,310 --> 01:11:51,350

the ground takes three big steps across

1731

01:11:56,680 --> 01:11:54,320

the road and goes into the woods and the

1732

01:11:58,390 --> 01:11:56,690

guy said to me he said people claim they

1733

01:12:00,459 --> 01:11:58,400

see Bigfoot he said this thing was not a

1734

01:12:03,010 --> 01:12:00,469

Bigfoot he said this thing was at least

1735

01:12:05,470 --> 01:12:03,020

eight foot tall but he said it was

1736

01:12:08,080 --> 01:12:05,480

covered with smooth leather like skin

1737

01:12:10,000 --> 01:12:08,090

does either dark tan or light brown

1738

01:12:11,740 --> 01:12:10,010

he said the creature never looked at him

1739

01:12:14,169 --> 01:12:11,750

the only side from the left side

1740

01:12:16,689 --> 01:12:14,179

they had appeared to be flat but it was

1741

01:12:17,169 --> 01:12:16,699

kind of swept back like an aerodynamic

1742

01:12:19,870 --> 01:12:17,179

helmet

1743

01:12:22,180 --> 01:12:19,880

he said the face was flat and the eyes

1744

01:12:24,669 --> 01:12:22,190

were not clearly defined but he thought

1745

01:12:26,830 --> 01:12:24,679

he might be pointed in the corner the

1746

01:12:29,020 --> 01:12:26,840

ears on the left side were long and flat

1747

01:12:30,070 --> 01:12:29,030

came up and back and pointed backwards

1748

01:12:32,320 --> 01:12:30,080

like a flap

1749

01:12:34,149 --> 01:12:32,330

he said the arms were muscular and a

1750

01:12:36,939 --> 01:12:34,159

little longer than that of a human but

1751

01:12:38,830 --> 01:12:36,949

it had claws instead of fingers he said

1752

01:12:39,700 --> 01:12:38,840

the one trait that really stood out was

1753

01:12:43,390 --> 01:12:39,710

its legs

1754

01:12:45,250 --> 01:12:43,400

it had very muscular legs and he said

1755

01:12:45,760 --> 01:12:45,260

the legs did not move like that of a

1756

01:12:46,930 --> 01:12:45,770

human

1757

01:12:49,780 --> 01:12:46,940

they looked like they were bent

1758

01:12:52,270 --> 01:12:49,790

backwards he said he also saw would

1759

01:12:55,149 --> 01:12:52,280

appear to be wings on its back which

1760

01:12:57,070 --> 01:12:55,159

were tucked into the body where the wing

1761

01:13:00,010 --> 01:12:57,080

tips extending towards the side of the

1762

01:13:02,229 --> 01:13:00,020

head and he went back at walked in front

1763

01:13:03,370 --> 01:13:02,239

of a big construction sign he went back

1764

01:13:05,250 --> 01:13:03,380

at measures of sign it was eight feet

1765

01:13:08,890 --> 01:13:05,260

tall so it was a little taller

1766

01:13:11,169 --> 01:13:08,900

interestingly within days after this man

1767

01:13:13,479 --> 01:13:11,179

reported this several other people in

1768

01:13:15,970 --> 01:13:13,489

that same area reported the sighting to

1769

01:13:18,040 --> 01:13:15,980

the local bo are you investigating group

1770

01:13:19,660 --> 01:13:18,050

up there I'll read you one of the

1771

01:13:22,419 --> 01:13:19,670

statements from the day received this is

1772

01:13:23,950 --> 01:13:22,429

up near rhymers Berg the two witnesses

1773

01:13:26,680 --> 01:13:23,960

were leaving the ice cream stand heading

1774

01:13:28,209 --> 01:13:26,690

down the road 30 feet away from them the

1775

01:13:30,070 --> 01:13:28,219

creature walks out in front of the road

1776

01:13:31,870 --> 01:13:30,080

it was least nine feet tall had dark

1777

01:13:34,149 --> 01:13:31,880

brown skin long horns and broad

1778

01:13:35,950 --> 01:13:34,159

shoulders had a pointed head flat

1779

01:13:38,229 --> 01:13:35,960

forehead pointed ears and would appear

1780

01:13:40,149 --> 01:13:38,239

to be wings on its back the body was

1781

01:13:42,280 --> 01:13:40,159

extremely muscular there were four

1782

01:13:43,330 --> 01:13:42,290

finger like claws in each hand the eyes

1783

01:13:45,550 --> 01:13:43,340

were squinted

1784

01:13:47,260 --> 01:13:45,560

but swept upwards at the corner as a

1785

01:13:49,180 --> 01:13:47,270

creature turned the whole body would

1786

01:13:50,950 --> 01:13:49,190

turn the movement of the ornaments were

1787

01:13:53,350 --> 01:13:50,960

not normal the mouth look like a slit

1788

01:13:55,359 --> 01:13:53,360

the wings look see-through like

1789

01:13:58,240 --> 01:13:55,369

see-through mesh resembled wings on a

1790

01:13:59,950 --> 01:13:58,250

bat the claws were blackest calm the

1791

01:14:02,020 --> 01:13:59,960

witness state and this thing was

1792

01:14:05,200 --> 01:14:02,030

straight from hell

1793

01:14:07,210 --> 01:14:05,210

Wow oh my goodness and you know what

1794

01:14:09,760 --> 01:14:07,220

makes it so much more credible too is

1795

01:14:12,130 --> 01:14:09,770

when you have other witnesses in the

1796

01:14:13,810 --> 01:14:12,140

area that have seen it they don't know

1797

01:14:15,430 --> 01:14:13,820

each other but they've had a similar

1798

01:14:20,470 --> 01:14:15,440

experience so this sounds like a

1799

01:14:22,120 --> 01:14:20,480

gargoyle it really does and and like I

1800

01:14:24,070 --> 01:14:22,130

said even in recent weeks there have

1801  
01:14:26,440 --> 01:14:24,080  
been numerous other strange reports

1802  
01:14:28,480 --> 01:14:26,450  
coming in like I said a lot of sightings

1803  
01:14:30,580 --> 01:14:28,490  
are occurring not only along the

1804  
01:14:32,800 --> 01:14:30,590  
Chestnut Ridge but that's still very

1805  
01:14:34,000 --> 01:14:32,810  
active with all kinds of other reports

1806  
01:14:37,060 --> 01:14:34,010  
came in from all over parts of

1807  
01:14:38,590 --> 01:14:37,070  
Pennsylvania Western PA some weird weird

1808  
01:14:40,090 --> 01:14:38,600  
sightings which we don't have time to

1809  
01:14:41,860 --> 01:14:40,100  
get into if they go to my website they

1810  
01:14:43,840 --> 01:14:41,870  
can read some of the latest reports

1811  
01:14:45,820 --> 01:14:43,850  
including it as very weird cryptid this

1812  
01:14:48,610 --> 01:14:45,830  
creature seen by a police officer on

1813  
01:14:51,070 --> 01:14:48,620

patrol in recent weeks and what is this

1814

01:14:54,610 --> 01:14:51,080

thing you said it's very strange give us

1815

01:14:56,710 --> 01:14:54,620

some answers of what it looks like well

1816

01:14:59,620 --> 01:14:56,720

what this police officer saw in the late

1817

01:15:00,850 --> 01:14:59,630

August he's on patrol and he patrols the

1818

01:15:03,190 --> 01:15:00,860

area all the time and he saw this

1819

01:15:05,920 --> 01:15:03,200

strange light like a ball of light not

1820

01:15:07,420 --> 01:15:05,930

very bright ball low to the ground he

1821

01:15:09,240 --> 01:15:07,430

knew there was no type of artificial

1822

01:15:12,340 --> 01:15:09,250

lighting the area as he moves closer

1823

01:15:15,160 --> 01:15:12,350

this light suddenly rises up or stands

1824

01:15:16,810 --> 01:15:15,170

up from the ground and he said it was a

1825

01:15:19,150 --> 01:15:16,820

weirdest thing he'd ever seen he told me

1826  
01:15:22,000 --> 01:15:19,160  
he said the ball was actually the head

1827  
01:15:24,520 --> 01:15:22,010  
of a strange being - look it'd be six

1828  
01:15:27,820 --> 01:15:24,530  
feet taller and larger it was tall and

1829  
01:15:29,380 --> 01:15:27,830  
on a skeletal thin he said that he was

1830  
01:15:30,910 --> 01:15:29,390  
the opinion that when he first saw him

1831  
01:15:33,370 --> 01:15:30,920  
was lying on its belly on the ground

1832  
01:15:36,780 --> 01:15:33,380  
with his head facing the road then it

1833  
01:15:39,580 --> 01:15:36,790  
stood up and faced out of the road and

1834  
01:15:42,130 --> 01:15:39,590  
the growth the glow was not real bright

1835  
01:15:44,200 --> 01:15:42,140  
lit up the shoulder area the creature

1836  
01:15:46,180 --> 01:15:44,210  
turned to faced him that turned to the

1837  
01:15:50,380 --> 01:15:46,190  
left and he said with incredible speed

1838  
01:15:52,900 --> 01:15:50,390

it moved off and he said it was abnormal

1839

01:15:55,390 --> 01:15:52,910

the way of moved fastened anything I'd

1840

01:15:57,520 --> 01:15:55,400

ever seen it was there that it was gone

1841

01:15:59,200 --> 01:15:57,530

something very common with cryptids

1842

01:16:00,760 --> 01:15:59,210

people tell me this they're here and

1843

01:16:03,790 --> 01:16:00,770

they're going they appear they disappear

1844

01:16:06,130 --> 01:16:03,800

and I had this head was about eight to

1845

01:16:08,320 --> 01:16:06,140

ten inches diameter ball shape but maybe

1846

01:16:10,210 --> 01:16:08,330

more of a posi egg shape the light

1847

01:16:11,980 --> 01:16:10,220

emitted to be dull white late

1848

01:16:13,630 --> 01:16:11,990

illuminator shoulder the top of the

1849

01:16:14,959 --> 01:16:13,640

chest and the section of the arms he

1850

01:16:16,850 --> 01:16:14,969

could see no hands

1851  
01:16:19,250 --> 01:16:16,860  
Tesla could be about 18 inches across

1852  
01:16:21,530 --> 01:16:19,260  
the waist appear to be small but arms

1853  
01:16:24,290 --> 01:16:21,540  
are abnormally long the long limbs also

1854  
01:16:26,120 --> 01:16:24,300  
look skeletal with no muscle mass the

1855  
01:16:28,400 --> 01:16:26,130  
skin tone appeared to be dull grayish

1856  
01:16:30,470 --> 01:16:28,410  
blue he could not see any facial

1857  
01:16:32,810 --> 01:16:30,480  
features as the creature ran off he

1858  
01:16:35,180 --> 01:16:32,820  
pulled us closer there on a spotlight on

1859  
01:16:38,660 --> 01:16:35,190  
the ground to see no evidence of it and

1860  
01:16:39,979 --> 01:16:38,670  
now interestingly I see just about a

1861  
01:16:41,810 --> 01:16:39,989  
week and a half two weeks ago another

1862  
01:16:44,180 --> 01:16:41,820  
witness called me who knew nothing about

1863  
01:16:46,370 --> 01:16:44,190

this lives in another area of the county

1864

01:16:50,900 --> 01:16:46,380

and described encountering a creature

1865

01:16:52,790 --> 01:16:50,910

very very similar oh my gosh see this

1866

01:16:54,560 --> 01:16:52,800

and it's getting stranger because this

1867

01:16:57,200 --> 01:16:54,570

we don't even have a reference point for

1868

01:16:59,689 --> 01:16:57,210

this one this doesn't follow a lot of

1869

01:17:01,760 --> 01:16:59,699

the categories before now Stan you said

1870

01:17:04,970 --> 01:17:01,770

there's a movie out that you're featured

1871

01:17:07,189 --> 01:17:04,980

in and people can get this from Amazon

1872

01:17:08,780 --> 01:17:07,199

and what is the name of this it's about

1873

01:17:10,880 --> 01:17:08,790

the Chestnut Ridge I know you said

1874

01:17:14,270 --> 01:17:10,890

before it sounds fascinating I can't

1875

01:17:15,890 --> 01:17:14,280

wait to see it so the name of it is it's

1876

01:17:19,280 --> 01:17:15,900

called the invasion on Chestnut Ridge

1877

01:17:20,840 --> 01:17:19,290

it's my small town monsters you can go

1878

01:17:25,280 --> 01:17:20,850

to the website small town monsters

1879

01:17:27,320 --> 01:17:25,290

believe calm and it's available on the

1880

01:17:29,209 --> 01:17:27,330

download on Amazon right now you go to

1881

01:17:30,560 --> 01:17:29,219

Amazon you can see it on there you can

1882

01:17:32,780 --> 01:17:30,570

rent it I believe where you can purchase

1883

01:17:35,810 --> 01:17:32,790

it from them as well but it's a very

1884

01:17:37,490 --> 01:17:35,820

very well-done documentary a lot of the

1885

01:17:40,580 --> 01:17:37,500

strange things that go on along the

1886

01:17:41,959 --> 01:17:40,590

Chestnut Ridge well I can't wait to see

1887

01:17:44,930 --> 01:17:41,969

it and I know our audience is going to

1888

01:17:47,000 --> 01:17:44,940

go and see it as well and again for

1889

01:17:48,890 --> 01:17:47,010

people if you'd like to contact stand

1890

01:17:53,600 --> 01:17:48,900

and purchase his books you can go to

1891

01:17:56,510 --> 01:17:53,610

Stan Gordon info that is Stan Gordon dot

1892

01:17:59,150 --> 01:17:56,520

info Stan we can't thank you enough for

1893

01:18:00,560 --> 01:17:59,160

an exciting hour and a half that feels

1894

01:18:02,720 --> 01:18:00,570

like it went by in about two minutes

1895

01:18:04,220 --> 01:18:02,730

it's just not long enough you have so

1896

01:18:05,959 --> 01:18:04,230

much to share with us we've got to have

1897

01:18:08,750 --> 01:18:05,969

you back on the show your fantastic

1898

01:18:11,120 --> 01:18:08,760

guests and we love hearing all of what

1899

01:18:12,229 --> 01:18:11,130

you're so involved with and we're so

1900

01:18:15,140 --> 01:18:12,239

glad that you're in love with the

1901

01:18:17,450 --> 01:18:15,150

paranormal like we are just an amazing

1902

01:18:19,250 --> 01:18:17,460

show tonight thank you so much I'm gonna

1903

01:18:22,090 --> 01:18:19,260

kick everybody we'll be back with

1904

01:18:23,410 --> 01:18:22,100

another show we have the Karl higdon

1905

01:18:25,270 --> 01:18:23,420

abductee

1906

01:18:27,790 --> 01:18:25,280

very little has been talked about

1907

01:18:29,649 --> 01:18:27,800

publicly we have Marjorie higden and her

1908

01:18:31,570 --> 01:18:29,659

husband Karl they're coming on the show

1909

01:18:34,359 --> 01:18:31,580

next week don't miss it until then

1910

01:18:37,310 --> 01:18:34,369

everybody we will see you on the blue
