[Music]

18

00:01:40,110 --> 00:01:32,820

and now your host of California guffawed

19

00:01:42,540 --> 00:01:40,120

Radio Maury infant welcome everyone to

20

00:01:45,030 --> 00:01:42,550

the California MUFON radio show I'm your

21

00:01:46,920 --> 00:01:45,040

host Lori Ann Fenton I am so glad you

22

00:01:49,230 --> 00:01:46,930

guys are with me here tonight boy it's

23

00:01:51,840 --> 00:01:49,240

been a wild couple of weeks here at irr

24

00:01:53,940 --> 00:01:51,850

and I just found out tonight the reason

25

00:01:56,100 --> 00:01:53,950

that many of you have been emailing me

26
00:01:58,470 --> 00:01:56,110
privately through my website and saying

27
00:02:02,520 --> 00:01:58,480
hey Laureen you're not live anymore did

28
00:02:03,930 --> 00:02:02,530
you quit like no I didn't quit you guys

29
00:02:06,120 --> 00:02:03,940
it's just that they were having some

30
00:02:08,160 --> 00:02:06,130
troubles with the server the software

31
00:02:10,440 --> 00:02:08,170
and all kinds of fun things here at irn

32
00:02:12,420 --> 00:02:10,450
and we have it all straightened out and

33
00:02:14,400 --> 00:02:12,430
actually MJ and Jo got it all

34
00:02:16,350 --> 00:02:14,410
straightened out they did their dander

35
00:02:18,600 --> 00:02:16,360
start I'm not supposed to swear in the

36
00:02:20,699 --> 00:02:18,610
air they did their darndest to get it

37
00:02:22,740 --> 00:02:20,709
all fixed so there we go

38
00:02:25,350 --> 00:02:22,750

so it's all done and we should be fine

39
00:02:28,320 --> 00:02:25,360
for now and who knows you know Skype is

40
00:02:30,000 --> 00:02:28,330
just an issue altogether and I feel so

41
00:02:32,730 --> 00:02:30,010
sorry for the software programmers who

42
00:02:34,320 --> 00:02:32,740
who program all this radio broadcasting

43
00:02:36,720 --> 00:02:34,330
equipment is how are they supposed to

44
00:02:40,110 --> 00:02:36,730
keep up with the old Microsoft you know

45
00:02:42,030 --> 00:02:40,120
it's like what a pain it's all sad that

46
00:02:44,100 --> 00:02:42,040
it all has to come down to everybody

47
00:02:47,850 --> 00:02:44,110
having to you know argue with each other

48
00:02:51,930 --> 00:02:47,860
over software anyhow so speaking of

49
00:02:54,150 --> 00:02:51,940
arguments my guest tonight is Jason quit

50
00:02:56,400 --> 00:02:54,160
and before I give to Jason we were just

51
00:02:59,310 --> 00:02:56,410
talking about what I'm fed up with this

52
00:03:01,380 --> 00:02:59,320
week and you guys you know I I thought

53
00:03:03,630 --> 00:03:01,390
the whole Corey Goode thing was behind

54
00:03:07,170 --> 00:03:03,640
me and it pretty much is I only get a

55
00:03:09,630 --> 00:03:07,180
few retractors here and there every once

56
00:03:12,600 --> 00:03:09,640
in a while that say I'm a evil horrible

57
00:03:15,150 --> 00:03:12,610
person for for putting him down and all

58
00:03:18,840 --> 00:03:15,160
this and then I say to venom I say just

59
00:03:22,470 --> 00:03:18,850
because Bill Ryan put me on the hit list

60
00:03:24,180 --> 00:03:22,480
doesn't mean that I am a total retractor

61
00:03:26,009 --> 00:03:24,190
of quarry good I'm gonna be very clear

62
00:03:29,460 --> 00:03:26,019
one more time and hopefully this is the

63
00:03:31,560 --> 00:03:29,470

last time I have to say this I think

64

00:03:33,660 --> 00:03:31,570

he's an experimenter I think he is a

65

00:03:35,400 --> 00:03:33,670

mind-control victim I think there is a

66

00:03:39,240 --> 00:03:35,410

lot more going on here than meets the

67

00:03:41,850 --> 00:03:39,250

eye and I think he is just like every

68

00:03:44,040 --> 00:03:41,860

other experimenter that comes to me and

69

00:03:47,010 --> 00:03:44,050

every other person that's in the secrets

70

00:03:49,440 --> 00:03:47,020

face program and I believe he's being

71

00:03:52,200 --> 00:03:49,450

taken and I believe he sees blue aviate

72

00:03:55,170 --> 00:03:52,210

avians or whether I call them the blue

73

00:03:58,290 --> 00:03:55,180

super chickens of space this space

74

00:04:00,270 --> 00:03:58,300

chickens but whatever whatever you see

75

00:04:02,280 --> 00:04:00,280

and that's great he's communicating with

76

00:04:04,620 --> 00:04:02,290

him hey I can indicate with angels you

77

00:04:06,270 --> 00:04:04,630

know so I have no problem with him

78

00:04:09,780 --> 00:04:06,280

communicating with the triangle head

79

00:04:12,090 --> 00:04:09,790

goal fiends and and all that and my

80

00:04:14,430 --> 00:04:12,100

friend Janet she she communicates with

81

00:04:16,830 --> 00:04:14,440

all kinds of crazy people in another

82

00:04:18,630 --> 00:04:16,840

dimension and and she has spacecraft

83

00:04:21,270 --> 00:04:18,640

park outside of their place and in

84

00:04:23,790 --> 00:04:21,280

Hawaii off the bluff and it just sits

85

00:04:25,950 --> 00:04:23,800

out there for hours on end and only her

86

00:04:28,320 --> 00:04:25,960

and Sasha can see it you know nobody

87

00:04:29,400 --> 00:04:28,330

else can see it but they can actually a

88

00:04:31,140 --> 00:04:29,410

couple of other people that have lived

89

00:04:33,900 --> 00:04:31,150

there have seen him too but what I'm

90

00:04:38,040 --> 00:04:33,910

trying to say is he's no different than

91

00:04:40,290 --> 00:04:38,050

anybody else and his story is not that

92

00:04:42,510 --> 00:04:40,300

fantastic compared to some of the stuff

93

00:04:44,520 --> 00:04:42,520

I've heard from people that will not

94

00:04:46,260 --> 00:04:44,530

come out and pretend that they are the

95

00:04:49,470 --> 00:04:46,270

Guru and they're gonna save the UFO

96

00:04:51,030 --> 00:04:49,480

community okay so wait Oh Corey could

97

00:04:53,310 --> 00:04:51,040

get to hold that the stories that I've

98

00:04:55,620 --> 00:04:53,320

got from a couple of secret and I'm

99

00:04:59,640 --> 00:04:55,630

these are truly secret space program

100

00:05:02,550 --> 00:04:59,650

people that I'm telling you folks if I

101

00:05:05,250 --> 00:05:02,560

can ever get them to talk it'll make

102

00:05:06,000 --> 00:05:05,260

Corey look like he was a janitor in a

103

00:05:08,250 --> 00:05:06,010

high school

104

00:05:11,940 --> 00:05:08,260

I mean seriously that's how complex

105

00:05:13,620 --> 00:05:11,950

their their events are and I'm gonna

106

00:05:15,510 --> 00:05:13,630

tell you guys just one thing and I I

107

00:05:18,870 --> 00:05:15,520

wasn't ever gonna talk about this but

108

00:05:21,570 --> 00:05:18,880

one of these people at contact in the

109

00:05:23,460 --> 00:05:21,580

desert came up to a friend of mine right

110

00:05:25,770 --> 00:05:23,470

after we had a little powwow and I was

111

00:05:28,050 --> 00:05:25,780

running out the door and she went up to

112

00:05:31,650 --> 00:05:28,060

my friend and she said oh and by the way

113

00:05:34,620 --> 00:05:31,660

because it was so crazy

114

00:05:37,320 --> 00:05:34,630

oh and by the way ships follow me around

115

00:05:39,780 --> 00:05:37,330

all over the place too and we and he

116

00:05:42,330 --> 00:05:39,790

looked up and there is a frickin ship

117

00:05:45,630 --> 00:05:42,340

right above contact in the desert now

118

00:05:48,030 --> 00:05:45,640

this is so crazy folks and he and

119

00:05:51,150 --> 00:05:48,040

probably her and maybe a couple other

120

00:05:53,460 --> 00:05:51,160

people could see it that's how and this

121

00:05:56,150 --> 00:05:53,470

thing was fairly low and fairly large

122

00:05:57,690 --> 00:05:56,160

and they were looking right at it and

123

00:05:59,910 --> 00:05:57,700

she started

124

00:06:01,410 --> 00:05:59,920

him about the secret space program which

125

00:06:04,290 --> 00:06:01,420

he doesn't it you know blah blah blah

126

00:06:07,800 --> 00:06:04,300

and if she's got a ship that hangs over

127

00:06:09,990 --> 00:06:07,810

her and follows her around I'm just

128

00:06:12,180 --> 00:06:10,000

thinking Cory good has never said that

129

00:06:14,100 --> 00:06:12,190

and Cory never said the ship was over

130

00:06:17,340 --> 00:06:14,110

contact in the desert for him and

131

00:06:19,140 --> 00:06:17,350

neither did Greer you know I or Wilcock

132

00:06:22,020 --> 00:06:19,150

or any of these guys so I'm sitting

133

00:06:22,530 --> 00:06:22,030

there and I'm thinking okay this is so

134

00:06:24,120 --> 00:06:22,540

crazy

135

00:06:26,340 --> 00:06:24,130

and another thing that happened at

136

00:06:28,680 --> 00:06:26,350

contact in the desert that I can't tell

137

00:06:30,860 --> 00:06:28,690

you who what when and how but a bunch of

138

00:06:33,900 --> 00:06:30,870

friends of mine who were all contactees

139

00:06:36,810 --> 00:06:33,910

rented a house out there Joshua Tree and

140

00:06:39,690 --> 00:06:36,820

there was an orange orbit ship about

141

00:06:41,610 --> 00:06:39,700

twelve feet in diameter by yeah just

142

00:06:44,700 --> 00:06:41,620

twelve feet circumference you know

143

00:06:47,490 --> 00:06:44,710

diameter hovering over the backyard the

144

00:06:49,260 --> 00:06:47,500

entire contact in the desert and they

145

00:06:50,730 --> 00:06:49,270

all go over there at night and sit there

146

00:06:52,290 --> 00:06:50,740

and look at the ship and commune with

147

00:06:54,990 --> 00:06:52,300

aliens I mean they were all having

148

00:06:57,420 --> 00:06:55,000

telepathic communication so I'm sitting

149

00:06:59,400 --> 00:06:57,430

here going okay so Cory good you know I

150

00:07:01,860 --> 00:06:59,410

mean it's like really come on I mean

151

00:07:04,740 --> 00:07:01,870

he's just the like I said he's the

152

00:07:07,590 --> 00:07:04,750

janitor in the school you know and

153

00:07:11,400 --> 00:07:07,600

everybody else is I got far superior

154

00:07:13,410 --> 00:07:11,410

stories much more to talk about amazing

155

00:07:16,500 --> 00:07:13,420

stuff going on in their life and they

156

00:07:18,180 --> 00:07:16,510

won't come out and say I'm gonna change

157

00:07:19,860 --> 00:07:18,190

the world that I'm gonna make comic

158

00:07:21,480 --> 00:07:19,870

books and I'm gonna make bobblehead

159

00:07:23,520 --> 00:07:21,490

dolls and I'm gonna do all this stuff

160

00:07:25,980 --> 00:07:23,530

you know cuz they're smart enough to

161

00:07:27,780 --> 00:07:25,990

realize that when you're chosen to do

162

00:07:29,280 --> 00:07:27,790

this and work you got to do it in a way

163

00:07:31,890 --> 00:07:29,290

that you're not really killed and taken

164

00:07:34,860 --> 00:07:31,900

out I mean what what was he thinking

165

00:07:38,160 --> 00:07:34,870

coming out and doing all this and

166

00:07:40,260 --> 00:07:38,170

expecting everybody to embrace him you

167

00:07:43,650 --> 00:07:40,270

know I never came out like that I never

168

00:07:45,210 --> 00:07:43,660

said my story is crazy bizarre everybody

169

00:07:46,260 --> 00:07:45,220

just looks at me at their mouth drop and

170

00:07:48,870 --> 00:07:46,270

open and they don't even know what to

171

00:07:51,210 --> 00:07:48,880

say you know I mean it's literally that

172

00:07:53,100 --> 00:07:51,220

crazy bizarre and what do you do with

173

00:07:54,840 --> 00:07:53,110

something like that I know I never got

174

00:07:56,730 --> 00:07:54,850

up and said oh I was chosen and I'm

175

00:07:59,100 --> 00:07:56,740

gonna be the one to bring all this

176

00:08:01,170 --> 00:07:59,110

together and all this stuff I mean I was

177

00:08:03,830 --> 00:08:01,180

absolutely dumbfounded the MUFON

178

00:08:06,270 --> 00:08:03,840

symposium but he got up on the stage and

179

00:08:07,740 --> 00:08:06,280

said he was going to bring all of us

180

00:08:09,360 --> 00:08:07,750

together and that he was gonna create

181

00:08:11,790 --> 00:08:09,370

conferences that actually accomplished

182

00:08:14,189 --> 00:08:11,800

something I'm sitting there thinking

183

00:08:16,260 --> 00:08:14,199

really you're standing at the MUFON

184

00:08:18,059 --> 00:08:16,270

symposium speaking at the MUFON

185

00:08:19,920 --> 00:08:18,069

symposium been around for 40 some-odd

186

00:08:21,420 --> 00:08:19,930

years now whether I like what they do or

187

00:08:23,420 --> 00:08:21,430

not it's another whole issue but they

188

00:08:26,939 --> 00:08:23,430

have been there 40 some years folks and

189

00:08:28,890 --> 00:08:26,949

they're going on 50 and I think they

190

00:08:31,830 --> 00:08:28,900

have changed the world in a lot of ways

191

00:08:33,990 --> 00:08:31,840

in spite of themselves okay and he's

192

00:08:36,389 --> 00:08:34,000

standing up there and he has an audacity

193

00:08:39,029 --> 00:08:36,399

to tell them you know pretty much back

194

00:08:41,100 --> 00:08:39,039

handedly my conference is gonna be much

195

00:08:43,259 --> 00:08:41,110

better than yours because I'm the Guru

196

00:08:45,180 --> 00:08:43,269

that's gonna save the UFO community I'm

197

00:08:46,980 --> 00:08:45,190

like oh my god this isn't really

198

00:08:49,290 --> 00:08:46,990

happening anyhow you guys know my whole

199

00:08:51,600 --> 00:08:49,300

story about the MUFON symposium where I

200

00:08:54,120 --> 00:08:51,610

wasn't allowed to be this presentation I

201
00:08:56,160 --> 00:08:54,130
had to watch it on the live stream

202
00:08:57,990 --> 00:08:56,170
because people were afraid I'd run up on

203
00:09:00,780 --> 00:08:58,000
the stage and start taking taking him on

204
00:09:03,210 --> 00:09:00,790
about what he was talking about which I

205
00:09:05,880 --> 00:09:03,220
might have done you know who knows but I

206
00:09:07,620 --> 00:09:05,890
I wasn't the only one who was furious at

207
00:09:09,900 --> 00:09:07,630
the end of his presentation let's just

208
00:09:11,790 --> 00:09:09,910
leave it at that okay there were a lot

209
00:09:15,150 --> 00:09:11,800
of people a lot of old-timers that were

210
00:09:18,090 --> 00:09:15,160
really offended totally offended by this

211
00:09:20,400 --> 00:09:18,100
guy okay okay enough of Corey good I

212
00:09:22,470 --> 00:09:20,410
can't I really gotta let this one go

213
00:09:24,449 --> 00:09:22,480

because it just angers me every time I

214

00:09:26,430 --> 00:09:24,459

think about it so my point with Corey is

215

00:09:28,430 --> 00:09:26,440

this he has an experience here he is

216

00:09:31,170 --> 00:09:28,440

whatever I think he's giving misguided

217

00:09:33,389 --> 00:09:31,180

information I believe that he's got

218

00:09:34,650 --> 00:09:33,399

handlers and you know trust me when

219

00:09:36,300 --> 00:09:34,660

you're in the mind control community

220

00:09:38,040 --> 00:09:36,310

there's always somebody trying to handle

221

00:09:40,680 --> 00:09:38,050

you and make your money for you are not

222

00:09:42,150 --> 00:09:40,690

making money for you you know they

223

00:09:44,040 --> 00:09:42,160

either try to destroy you or they try to

224

00:09:45,690 --> 00:09:44,050

bolster you up until they realize they

225

00:09:48,630 --> 00:09:45,700

can't because you're not bright enough

226

00:09:50,370 --> 00:09:48,640

to get what's going on and then they

227

00:09:52,620 --> 00:09:50,380

dump you and then you're in worse shape

228

00:09:55,040 --> 00:09:52,630

than you were in the beginning and why

229

00:09:57,569 --> 00:09:55,050

he hasn't seen that you know I'm sorry

230

00:09:59,490 --> 00:09:57,579

everybody that's in that's in this game

231

00:10:01,769 --> 00:09:59,500

knows that story we've all seen it

232

00:10:04,500 --> 00:10:01,779

happen or what happened to Stan Roman AG

233

00:10:06,210 --> 00:10:04,510

happens to you or Wendell Stevens or any

234

00:10:08,430 --> 00:10:06,220

of the other guys that they've accused

235

00:10:10,350 --> 00:10:08,440

of being a pedophile or a rapist or

236

00:10:13,230 --> 00:10:10,360

whatever you know that's the next thing

237

00:10:15,930 --> 00:10:13,240

that happens so folks you know I just I

238

00:10:19,230 --> 00:10:15,940

don't dislike the guy I mean I honestly

239

00:10:21,420 --> 00:10:19,240

it's at one point I said to myself if he

240

00:10:23,430 --> 00:10:21,430

would just show up for an interview I

241

00:10:25,620 --> 00:10:23,440

would treat him with kid gloves but I

242

00:10:29,070 --> 00:10:25,630

would try to get him like I did

243

00:10:30,870 --> 00:10:29,080

Annie Besant passaggio is that I try to

244

00:10:34,440 --> 00:10:30,880

get him to understand that there's much

245

00:10:36,180 --> 00:10:34,450

more to this than he is dealing that

246

00:10:38,820 --> 00:10:36,190

he's dealing with on the surface and

247

00:10:41,340 --> 00:10:38,830

that maybe he's being programmed in ways

248

00:10:42,450 --> 00:10:41,350

he doesn't understand and here's the

249

00:10:45,420 --> 00:10:42,460

kicker on all this

250

00:10:47,820 --> 00:10:45,430

maybe Cory is smart like a fox and maybe

251
00:10:50,190 --> 00:10:47,830
he is understanding how he's being

252
00:10:52,290 --> 00:10:50,200
controlled I don't know but I'd like to

253
00:10:55,410 --> 00:10:52,300
find out on radio I'd love to interview

254
00:10:58,500 --> 00:10:55,420
him I'll have an open invitation to him I

255
00:11:01,320 --> 00:10:58,510
would never disrespect his contact I

256
00:11:03,420 --> 00:11:01,330
would never disrespect anything he is

257
00:11:05,910 --> 00:11:03,430
doing except for the fact that I do not

258
00:11:07,470 --> 00:11:05,920
like what he says on stage sometimes in

259
00:11:09,540 --> 00:11:07,480
his presentations and I would take him

260
00:11:10,170 --> 00:11:09,550
to task on that - I would confront him

261
00:11:13,710 --> 00:11:10,180
about it

262
00:11:16,500 --> 00:11:13,720
confront him about and ask him where he

263
00:11:18,180 --> 00:11:16,510

he got all of his information and who

264

00:11:20,250 --> 00:11:18,190

the people were that he got these

265

00:11:22,200 --> 00:11:20,260

stories from and I want him to cite them

266

00:11:23,730 --> 00:11:22,210

for me because I know exactly where he

267

00:11:25,980 --> 00:11:23,740

got all that information I can almost

268

00:11:29,160 --> 00:11:25,990

cite them version you know verse for

269

00:11:31,380 --> 00:11:29,170

word or whatever they say so there you

270

00:11:33,480 --> 00:11:31,390

go so Lee Correale you know out of this

271

00:11:36,150 --> 00:11:33,490

when my rant tonight is it supposed to

272

00:11:40,950 --> 00:11:36,160

be about him but today I guess I kind of

273

00:11:42,930 --> 00:11:40,960

got off on it again but yeah so like I

274

00:11:44,910 --> 00:11:42,940

said guys don't bash me about Corey

275

00:11:46,860 --> 00:11:44,920

anymore I just and I'm not gonna I'm not

276

00:11:48,330 --> 00:11:46,870

gonna respond I'm not gonna even email

277

00:11:51,390 --> 00:11:48,340

you back I'm not gonna say a word about

278

00:11:53,430 --> 00:11:51,400

it because honestly if you just come and

279

00:11:56,160 --> 00:11:53,440

talk to me I'd even invite him to speak

280

00:11:58,800 --> 00:11:56,170

at my conference if he would talk about

281

00:12:00,720 --> 00:11:58,810

his experience in a way that he was

282

00:12:02,280 --> 00:12:00,730

helping other people understand their

283

00:12:04,830 --> 00:12:02,290

experiences that would be really

284

00:12:06,390 --> 00:12:04,840

wonderful instead of talking to us like

285

00:12:08,090 --> 00:12:06,400

we're children that we don't understand

286

00:12:09,270 --> 00:12:08,100

what's going on that really bothers me

287

00:12:14,640 --> 00:12:09,280

okay

288

00:12:17,160 --> 00:12:14,650

been sitting here this whole Tom DeLonge

289

00:12:19,470 --> 00:12:17,170

thing has got my knickers in a bunch as

290

00:12:21,720 --> 00:12:19,480

they say her panties in a twist or

291

00:12:23,190 --> 00:12:21,730

whatever you want to call it I'm really

292

00:12:24,900 --> 00:12:23,200

having a hard time with it that's

293

00:12:26,730 --> 00:12:24,910

another thing I'm just I thought when

294

00:12:28,950 --> 00:12:26,740

the coal quarry good thing was dying

295

00:12:32,820 --> 00:12:28,960

down that I would be free to breathe

296

00:12:34,890 --> 00:12:32,830

easy on radio for a while but no Tom

297

00:12:39,090 --> 00:12:34,900

DeLonge had to show up and put another

298

00:12:41,520 --> 00:12:39,100

you know Hornet in my car I mean Jesus

299

00:12:44,520 --> 00:12:41,530

I don't understand this maybe I'm the

300

00:12:47,280 --> 00:12:44,530

only crazy person out there but in the

301
00:12:50,370 --> 00:12:47,290
UFO community who looks at everything

302
00:12:52,590 --> 00:12:50,380
from a very I look at it from a good

303
00:12:55,050 --> 00:12:52,600
perspective a bad perspective and right

304
00:12:56,970 --> 00:12:55,060
down the middle and you guys what you

305
00:12:58,680 --> 00:12:56,980
don't understand is consciousness and

306
00:13:01,490 --> 00:12:58,690
mind control and everything they could

307
00:13:05,970 --> 00:13:01,500
do to you is the total endgame here and

308
00:13:09,600 --> 00:13:05,980
when these guys make one point real

309
00:13:12,120 --> 00:13:09,610
clear to everybody how put off Colm

310
00:13:15,950 --> 00:13:12,130
Kelleher and all those guys that are

311
00:13:18,750 --> 00:13:15,960
scientists that are on this team have

312
00:13:22,590 --> 00:13:18,760
non-disclosure contracts with the

313
00:13:24,540 --> 00:13:22,600

Department of Defense the D the as a DIA

314

00:13:26,910 --> 00:13:24,550

I can't remember all the alphabet

315

00:13:30,810 --> 00:13:26,920

agencies they cannot talk about anything

316

00:13:33,150 --> 00:13:30,820

they absolutely know : Keller has a

317

00:13:33,630 --> 00:13:33,160

non-disclosure agreement with Bob

318

00:13:35,730 --> 00:13:33,640

Bigelow

319

00:13:38,700 --> 00:13:35,740

he can't talk about anything he knows

320

00:13:40,590 --> 00:13:38,710

especially if it was gotten the

321

00:13:43,740 --> 00:13:40,600

information was gleaned from the knids

322

00:13:45,810 --> 00:13:43,750

Ranch okay so we're sitting here with a

323

00:13:48,660 --> 00:13:45,820

whole team of people who can't open

324

00:13:51,210 --> 00:13:48,670

their mouth about what they know in the

325

00:13:54,510 --> 00:13:51,220

past or from their experiences with

326

00:13:58,800 --> 00:13:54,520

these agencies governments and private

327

00:14:01,680 --> 00:13:58,810

contractors okay so how are they going

328

00:14:04,530 --> 00:14:01,690

to be doing what they do to do further

329

00:14:06,060 --> 00:14:04,540

disclosure and do all this if they have

330

00:14:08,220 --> 00:14:06,070

to keep their mouth shut and they can't

331

00:14:09,510 --> 00:14:08,230

talk about it now possibly and I'm

332

00:14:15,350 --> 00:14:09,520

giving them the benefit of the doubt

333

00:14:18,240 --> 00:14:15,360

here possibly they are going about it by

334

00:14:20,340 --> 00:14:18,250

you know using the knowledge they have

335

00:14:22,620 --> 00:14:20,350

to start projects and they're kind of

336

00:14:25,110 --> 00:14:22,630

prodding them in a direction that is

337

00:14:26,550 --> 00:14:25,120

beyond what they already know in other

338

00:14:29,160 --> 00:14:26,560

words like let's say they're gonna do

339

00:14:31,320 --> 00:14:29,170

research into Bigfoot and they'll say oh

340

00:14:34,020 --> 00:14:31,330

we don't need to do that because we

341

00:14:35,670 --> 00:14:34,030

could just go right to step four because

342

00:14:36,690 --> 00:14:35,680

they already know that step one through

343

00:14:40,470 --> 00:14:36,700

three are bogus

344

00:14:41,720 --> 00:14:40,480

or already proven or already done or the

345

00:14:45,540 --> 00:14:41,730

government already knows about it

346

00:14:48,210 --> 00:14:45,550

whatever and maybe that's their plan and

347

00:14:49,920 --> 00:14:48,220

then I'm giving them credit to be doing

348

00:14:52,590 --> 00:14:49,930

that because they are much brighter than

349

00:14:55,350 --> 00:14:52,600

I and I'm assuming that's

350

00:14:57,210 --> 00:14:55,360

they're doing but the and that's the

351

00:14:58,860 --> 00:14:57,220

scientific end of it all they're doing

352

00:15:01,079 --> 00:14:58,870

research that's wonderful I have no

353

00:15:03,870 --> 00:15:01,089

problem with that and I really wish they

354

00:15:06,420 --> 00:15:03,880

would do another complete research

355

00:15:08,059 --> 00:15:06,430

involving free who's already been doing

356

00:15:10,829 --> 00:15:08,069

the the data gathering about

357

00:15:13,740 --> 00:15:10,839

experiencers I really wish they work

358

00:15:18,809 --> 00:15:13,750

with them but it sounds to me like Rey

359

00:15:20,639 --> 00:15:18,819

Hernandez turned down Tom's but you know

360

00:15:22,590 --> 00:15:20,649

I don't know how he begged borrowed and

361

00:15:24,600 --> 00:15:22,600

steeled or whatever he was trying to do

362

00:15:26,579 --> 00:15:24,610

to get it but he was trying to get the

363

00:15:30,019 --> 00:15:26,589

data from Ray and Ray refused to sell it

364

00:15:35,340 --> 00:15:30,029

so I think that's kind of interesting

365

00:15:36,569 --> 00:15:35,350

you know I think it says a lot about the

366

00:15:39,720 --> 00:15:36,579

integrity of Ray

367

00:15:41,160 --> 00:15:39,730

I must admit and the other part that

368

00:15:44,639 --> 00:15:41,170

bothers we've got the whole Tom DeLonge

369

00:15:47,189 --> 00:15:44,649

things is that they're really focused on

370

00:15:49,559 --> 00:15:47,199

entertainment that he's really focused

371

00:15:52,259 --> 00:15:49,569

on entertainment he is not an

372

00:15:54,059 --> 00:15:52,269

experimenter he's been brought into

373

00:15:57,210 --> 00:15:54,069

certain situations with high-level

374

00:16:01,050 --> 00:15:57,220

people in the UFO game as I call it and

375

00:16:04,079 --> 00:16:01,060

he's been read in and since he's not an

376

00:16:06,689 --> 00:16:04,089

experienced or what is their end game

377

00:16:09,030 --> 00:16:06,699

using him except for that they know they

378

00:16:11,480 --> 00:16:09,040

can leak information or they can leak

379

00:16:13,889 --> 00:16:11,490

wrong information to all of us out here

380

00:16:16,769 --> 00:16:13,899

you know sitting here with bated breath

381

00:16:18,210 --> 00:16:16,779

and we put \$200 into his company or

382

00:16:18,960 --> 00:16:18,220

whatever and we're waiting for the

383

00:16:21,840 --> 00:16:18,970

answers

384

00:16:23,699 --> 00:16:21,850

here's the bottom line folks nobody's

385

00:16:26,370 --> 00:16:23,709

gonna tell me how to think about the

386

00:16:28,530 --> 00:16:26,380

UFOs the aliens or the agenda all around

387

00:16:31,079 --> 00:16:28,540

it nobody's gonna guide me nobody's

388

00:16:34,139 --> 00:16:31,089

gonna give me a narrative on how to

389

00:16:37,829 --> 00:16:34,149

handle this not at all

390

00:16:40,889 --> 00:16:37,839

and let's see what MJ has to say I see a

391

00:16:42,329 --> 00:16:40,899

little bubble popping up anyhow yes one

392

00:16:45,269 --> 00:16:42,339

break at the top of the hour Thank You

393

00:16:47,040 --> 00:16:45,279

MJ so folks this is the biggest bubble

394

00:16:48,960 --> 00:16:47,050

about this whole thing that bothers me

395

00:16:49,350 --> 00:16:48,970

and that's it's what's keeping me awake

396

00:16:51,870 --> 00:16:49,360

at night

397

00:16:55,530 --> 00:16:51,880

it's like where did this Tom DeLonge guy

398

00:16:58,679 --> 00:16:55,540

come from who does he think he is yeah

399

00:17:00,150 --> 00:16:58,689

he's done a lot of stuff you know he's

400

00:17:01,470 --> 00:17:00,160

listened to a lot of people he's

401
00:17:03,329 --> 00:17:01,480
listened to every art bell show

402
00:17:06,150 --> 00:17:03,339
apparently he's done you know he's done

403
00:17:08,640 --> 00:17:06,160
is his is online research

404
00:17:10,650 --> 00:17:08,650
that's great I know about 900 people

405
00:17:12,390 --> 00:17:10,660
have done the same thing they don't have

406
00:17:13,410 --> 00:17:12,400
money though or if they do they aren't

407
00:17:17,340 --> 00:17:13,420
talking about it

408
00:17:19,500 --> 00:17:17,350
okay and he's not an experimenter that I

409
00:17:21,840 --> 00:17:19,510
know of maybe he'll come out he'll say

410
00:17:23,760 --> 00:17:21,850
oh and by the way they take me every

411
00:17:26,610 --> 00:17:23,770
night if he did then I'd have a lot more

412
00:17:28,260 --> 00:17:26,620
respect for him okay maybe I'm supposed

413
00:17:29,790 --> 00:17:28,270

to be reading between the lines of these

414

00:17:32,160 --> 00:17:29,800

and experience here and I just am not

415

00:17:34,560 --> 00:17:32,170

getting it I don't know but you know

416

00:17:36,870 --> 00:17:34,570

he's being read into all this stuff why

417

00:17:39,060 --> 00:17:36,880

because they can handle him easier than

418

00:17:41,160 --> 00:17:39,070

anybody else cuz he's so gullible I

419

00:17:41,550 --> 00:17:41,170

don't know I'm still trying to figure it

420

00:17:44,490 --> 00:17:41,560

all out

421

00:17:46,980 --> 00:17:44,500

so yeah anyhow like I said no one's

422

00:17:48,450 --> 00:17:46,990

gonna tell me how to think about or what

423

00:17:49,830 --> 00:17:48,460

and that a movies coming out that's

424

00:17:51,420 --> 00:17:49,840

gonna explain everything and that a

425

00:17:53,580 --> 00:17:51,430

comic books gonna come out or our books

426

00:17:54,810 --> 00:17:53,590

gonna come out or that a TV series is

427

00:17:56,910 --> 00:17:54,820

gonna come out or whatever

428

00:17:58,650 --> 00:17:56,920

I am always good to be thinking for

429

00:18:00,690 --> 00:17:58,660

myself I'm always gonna look at it from

430

00:18:02,490 --> 00:18:00,700

every angle I can look at it from and

431

00:18:05,550 --> 00:18:02,500

the most important angle to look at it

432

00:18:07,590 --> 00:18:05,560

from is is God involved and is love the

433

00:18:10,800 --> 00:18:07,600

answer because that's what they told me

434

00:18:13,140 --> 00:18:10,810

a long time ago that you know if money's

435

00:18:14,880 --> 00:18:13,150

the answer or if money is the the

436

00:18:18,030 --> 00:18:14,890

motivation for everything they're doing

437

00:18:19,470 --> 00:18:18,040

then I don't know you know I'm just I

438

00:18:21,240 --> 00:18:19,480

don't know if I want to be involved with

439

00:18:24,330 --> 00:18:21,250

that kind of group you know it just

440

00:18:26,220 --> 00:18:24,340

doesn't make sense to me so I don't know

441

00:18:29,880 --> 00:18:26,230

folks that's that's my little diatribe

442

00:18:31,710 --> 00:18:29,890

for tonight I'm just very concerned that

443

00:18:34,680 --> 00:18:31,720

these guys are gonna be getting to

444

00:18:36,480 --> 00:18:34,690

everybody under 35 that has a cellphone

445

00:18:39,030 --> 00:18:36,490

and they're gonna be telling them what's

446

00:18:41,700 --> 00:18:39,040

going on in the UFO community and just

447

00:18:44,790 --> 00:18:41,710

like in the you know Excalibur the movie

448

00:18:46,680 --> 00:18:44,800

where Merlin sets to our key Arthur

449

00:18:48,990 --> 00:18:46,690

after they've defeated the Romans or

450

00:18:50,730 --> 00:18:49,000

something like that don't forget this

451
00:18:54,120 --> 00:18:50,740
because you know we're doomed to repeat

452
00:18:55,620 --> 00:18:54,130
it if you keep forgetting stuff and the

453
00:18:58,650 --> 00:18:55,630
young people coming into the community

454
00:19:01,470 --> 00:18:58,660
now don't remember anything they don't

455
00:19:03,840 --> 00:19:01,480
and they don't believe anything if it

456
00:19:05,700 --> 00:19:03,850
doesn't suit their purpose that they've

457
00:19:08,400 --> 00:19:05,710
been brainwashed into thinking that you

458
00:19:10,860 --> 00:19:08,410
know the gray aliens don't make babies

459
00:19:13,260 --> 00:19:10,870
you know or whatever they're not gonna

460
00:19:15,510 --> 00:19:13,270
believe it and the trick is folks you

461
00:19:18,440 --> 00:19:15,520
can't disbelieve or totally believe

462
00:19:20,070 --> 00:19:18,450
everything you have to get as many

463
00:19:21,570 --> 00:19:20,080

people tell

464

00:19:23,580 --> 00:19:21,580

you what their experience is worse you

465

00:19:25,470 --> 00:19:23,590

can melt them all together and see what

466

00:19:27,659 --> 00:19:25,480

they're actually doing that's the bottom

467

00:19:31,110 --> 00:19:27,669

line here and that's where I think you

468

00:19:33,990 --> 00:19:31,120

von Smith Barbara lamb and you know Bob

469

00:19:35,430 --> 00:19:34,000

oh shoot I can't think of his name any

470

00:19:37,350 --> 00:19:35,440

I'm looking at all I'm looking at John

471

00:19:39,180 --> 00:19:37,360

Mac's face and just you know all the

472

00:19:41,279 --> 00:19:39,190

great people that went in the past and

473

00:19:43,500 --> 00:19:41,289

all the research that then Leo sprinkle

474

00:19:45,210 --> 00:19:43,510

I mean the list goes on and on all those

475

00:19:47,880 --> 00:19:45,220

people who got all those people together

476

00:19:49,710 --> 00:19:47,890

and got them to talk about their

477

00:19:52,200 --> 00:19:49,720

experiences and bring them to the

478

00:19:54,629 --> 00:19:52,210

forefront so we'd understand what it is

479

00:19:57,240 --> 00:19:54,639

that the the certain species are doing

480

00:19:59,279 --> 00:19:57,250

to us and the kids nowadays they don't

481

00:20:00,870 --> 00:19:59,289

even care about that they just want to

482

00:20:03,810 --> 00:20:00,880

say oh yeah aliens are real they're here

483

00:20:05,129 --> 00:20:03,820

they're doing this and and or I love God

484

00:20:06,629 --> 00:20:05,139

and I love the aliens and we're all

485

00:20:07,889 --> 00:20:06,639

going to communion together or so you

486

00:20:10,409 --> 00:20:07,899

know I don't even get what they're doing

487

00:20:13,830 --> 00:20:10,419

you know it's just it's so bizarre to me

488

00:20:15,750 --> 00:20:13,840

okay well okay I'm leaving it and

489

00:20:17,820 --> 00:20:15,760

leaving it at that I know it's kind of a

490

00:20:19,620 --> 00:20:17,830

crazy place to leave it and I'm gonna

491

00:20:22,049 --> 00:20:19,630

read what Neutron just said in the

492

00:20:24,029 --> 00:20:22,059

chatroom if he doesn't mind he said a

493

00:20:26,250 --> 00:20:24,039

woman recently said in order to hide the

494

00:20:28,860 --> 00:20:26,260

truth you create five layers of lives

495

00:20:32,120 --> 00:20:28,870

and relationship to it and each layer a

496

00:20:35,250 --> 00:20:32,130

lie of the other I suspect a similar

497

00:20:37,620 --> 00:20:35,260

it's similar it's being practiced by the

498

00:20:40,019 --> 00:20:37,630

establishment in this phenomena well

499

00:20:42,539 --> 00:20:40,029

said Neutron and this woman whoever she

500

00:20:48,120 --> 00:20:42,549

was very bright woman which would have

501
00:20:50,549 --> 00:20:48,130
been me yeah that's the truth you know

502
00:20:52,560 --> 00:20:50,559
it's layers of lies upon lives if you

503
00:20:54,750 --> 00:20:52,570
guys watch mirage man it'll open your

504
00:20:56,970 --> 00:20:54,760
eyes up please if you're under 40 please

505
00:20:59,009 --> 00:20:56,980
watch the movie mirage men and just see

506
00:21:01,080 --> 00:20:59,019
how they've hoodwinked us at least at

507
00:21:06,120 --> 00:21:01,090
that point in time I'd really appreciate

508
00:21:07,649 --> 00:21:06,130
it okay um let's see here well Jason are

509
00:21:10,879 --> 00:21:07,659
you still there with me or did you hang

510
00:21:14,009 --> 00:21:10,889
up because I was going on too long I

511
00:21:24,480 --> 00:21:14,019
didn't know I was coming on for such a

512
00:21:30,180 --> 00:21:24,490
loaded conversation Oh Mike you can find

513
00:21:32,549 --> 00:21:30,190

out much more about him at Christmas yes

514

00:21:33,810 --> 00:21:32,559

the crystal Sun calm the crystal stone

515

00:21:35,730 --> 00:21:33,820

calm amazing

516

00:21:39,090 --> 00:21:35,740

stuff there now he wrote in an amazing

517

00:21:41,640 --> 00:21:39,100

blog article it was yesterday Jason yeah

518

00:21:43,890 --> 00:21:41,650

it was yesterday about the secret space

519

00:21:45,420 --> 00:21:43,900

program and you know why don't we why

520

00:21:46,950 --> 00:21:45,430

don't we do this why don't we start with

521

00:21:50,040 --> 00:21:46,960

you talking about what you wrote about

522

00:21:51,600 --> 00:21:50,050

and then we can kind of back circle into

523

00:21:55,530 --> 00:21:51,610

what I talked about earlier how's that

524

00:21:57,120 --> 00:21:55,540

sound sounds fine okay it's but you got

525

00:22:00,920 --> 00:21:57,130

my blood pumping from what you just said

526

00:22:03,780 --> 00:22:00,930

I don't know if we get off those topics

527

00:22:05,310 --> 00:22:03,790

start with it sure what's your take on

528

00:22:07,380 --> 00:22:05,320

the whole Tom you know do you want to

529

00:22:08,970 --> 00:22:07,390

start with Tom or Cory or all of it or

530

00:22:12,960 --> 00:22:08,980

well it's just a big three-ring circus

531

00:22:15,270 --> 00:22:12,970

what do you think like like you said

532

00:22:17,850 --> 00:22:15,280

there's many layers and you know I can't

533

00:22:19,740 --> 00:22:17,860

discount any of them especially Cory

534

00:22:23,010 --> 00:22:19,750

he's put out a lot of very interesting

535

00:22:25,650 --> 00:22:23,020

information I gotta say I've never

536

00:22:27,330 --> 00:22:25,660

argued with that and he hasn't brought a

537

00:22:30,630 --> 00:22:27,340

lot of new people to the table that

538

00:22:32,040 --> 00:22:30,640

otherwise wouldn't be here so it's it's

539

00:22:39,210 --> 00:22:32,050

pretty amazing that he's captured that

540

00:22:42,390 --> 00:22:39,220

audience so what is he giving them to

541

00:22:44,430 --> 00:22:42,400

believe in you know I mean he says he's

542

00:22:46,230 --> 00:22:44,440

here to enlighten everybody but I

543

00:22:48,690 --> 00:22:46,240

watched three or four of his

544

00:22:50,760 --> 00:22:48,700

presentations now and I'm still trying

545

00:22:55,560 --> 00:22:50,770

to figure out what it is he's trying to

546

00:22:57,930 --> 00:22:55,570

give to us you know and just with and

547

00:23:02,300 --> 00:22:57,940

this is what I've been seeing especially

548

00:23:04,800 --> 00:23:02,310

with Tom is that they're casting nets

549

00:23:07,200 --> 00:23:04,810

yeah that's what they're doing they're

550

00:23:10,080 --> 00:23:07,210

capturing people's attention and holding

551
00:23:13,230 --> 00:23:10,090
them now if you actually read the

552
00:23:16,860 --> 00:23:13,240
statements on you know to the Stars

553
00:23:19,710 --> 00:23:16,870
Academy Tom DeLonge site yes which I

554
00:23:21,510 --> 00:23:19,720
have read you know he has he breaks it

555
00:23:24,210 --> 00:23:21,520
down into science aerospace and

556
00:23:28,020 --> 00:23:24,220
entertainment now if you read the first

557
00:23:31,470 --> 00:23:28,030
thing which is the science it's pretty

558
00:23:35,400 --> 00:23:31,480
horrifying if you ask me the first thing

559
00:23:38,610 --> 00:23:35,410
he states is they want to do a human

560
00:23:41,720 --> 00:23:38,620
ultra experience database develop a

561
00:23:43,680 --> 00:23:41,730
worldwide digital database cattle a

562
00:23:46,680 --> 00:23:43,690
cataloging different types of

563
00:23:47,780 --> 00:23:46,690

supernormal experiences with the goal of

564

00:23:50,610 --> 00:23:47,790

creating

565

00:23:53,060 --> 00:23:50,620

proprietary algorithms to find detailed

566

00:23:57,270 --> 00:23:53,070

patterns and correlate them with other

567

00:23:58,830 --> 00:23:57,280

academic research and that X scares the

568

00:24:01,560 --> 00:23:58,840

bejesus out of me

569

00:24:05,040 --> 00:24:01,570

say it isn't yet wolf that's why I'm

570

00:24:11,280 --> 00:24:05,050

saying it it's doesn't isn't that the

571

00:24:14,970 --> 00:24:11,290

plot to x-men catalog you know and then

572

00:24:17,760 --> 00:24:14,980

they had next and then the next thing

573

00:24:21,170 --> 00:24:17,770

they say is they want to build some type

574

00:24:25,500 --> 00:24:21,180

of brain computer interface technology

575

00:24:27,360 --> 00:24:25,510

great ok so the first two things that he

576

00:24:29,700 --> 00:24:27,370

promotes on this site has nothing to do

577

00:24:33,380 --> 00:24:29,710

with disclosure there's nothing to do

578

00:24:36,740 --> 00:24:33,390

with aerial phenomenon it has to do with

579

00:24:39,740 --> 00:24:36,750

true experiencers and they want to

580

00:24:43,320 --> 00:24:39,750

catalog and database those experiences

581

00:24:47,310 --> 00:24:43,330

now who is cataloging these experiences

582

00:24:49,860 --> 00:24:47,320

the people that were on Tom's panel like

583

00:24:58,470 --> 00:24:49,870

you said the alphabet agencies of the

584

00:25:00,210 --> 00:24:58,480

DoD D I D you know all the Department of

585

00:25:01,980 --> 00:25:00,220

Energy don't forget they run a lot of

586

00:25:06,960 --> 00:25:01,990

the underground bases okay

587

00:25:11,100 --> 00:25:06,970

anyhow anyhow most of these people just

588

00:25:13,440 --> 00:25:11,110

left their jobs two weeks ago doesn't

589

00:25:16,140 --> 00:25:13,450

that freak you out what I saw that I was

590

00:25:18,510 --> 00:25:16,150

totally like oh my god what do we do we

591

00:25:21,870 --> 00:25:18,520

which means this was all developed

592

00:25:23,160 --> 00:25:21,880

before they got out and I don't I don't

593

00:25:25,320 --> 00:25:23,170

even think they did get out I think

594

00:25:28,590 --> 00:25:25,330

that's just what there's telling people

595

00:25:30,440 --> 00:25:28,600

well see the thing I know about these

596

00:25:32,220 --> 00:25:30,450

guys that retire there's never

597

00:25:34,620 --> 00:25:32,230

retirement what they do is they just

598

00:25:36,630 --> 00:25:34,630

move them into position in a private

599

00:25:38,340 --> 00:25:36,640

corporation where they need them and

600

00:25:41,130 --> 00:25:38,350

they use them there and that's exactly

601
00:25:43,470 --> 00:25:41,140
what Tom's company is it may not be an

602
00:25:47,040 --> 00:25:43,480
aerospace company it may not be a Boeing

603
00:25:49,140 --> 00:25:47,050
you know company or scandia labs or you

604
00:25:50,490 --> 00:25:49,150
know or Northrop Grumman and you know it

605
00:25:54,060 --> 00:25:50,500
may not be one of those but it's

606
00:25:55,380 --> 00:25:54,070
definitely it's a player now this is

607
00:25:57,600 --> 00:25:55,390
this is how they're getting to the

608
00:25:59,970 --> 00:25:57,610
experience there so I mean this is just

609
00:26:01,560 --> 00:25:59,980
really crazy anyhow go ahead I don't

610
00:26:04,710 --> 00:26:01,570
interrupt no no so

611
00:26:07,590 --> 00:26:04,720
so out of this whole thing this is what

612
00:26:09,390 --> 00:26:07,600
shocked me the most because they're

613
00:26:11,970 --> 00:26:09,400

coming forward you know we're going to

614

00:26:14,430 --> 00:26:11,980

disclose we're gonna release UFO

615

00:26:15,780 --> 00:26:14,440

information UFO technology but their

616

00:26:18,360 --> 00:26:15,790

mission statement says they're actually

617

00:26:21,540 --> 00:26:18,370

getting a database of experiencers now

618

00:26:22,890 --> 00:26:21,550

and then and I gotta say one more thing

619

00:26:25,590 --> 00:26:22,900

about that yes

620

00:26:27,870 --> 00:26:25,600

ray Hernandez bless his heart for not

621

00:26:32,940 --> 00:26:27,880

selling the data to these guys

622

00:26:36,390 --> 00:26:32,950

bless his heart yes and and then when

623

00:26:38,280 --> 00:26:36,400

they get on to the propulsion system

624

00:26:40,320 --> 00:26:38,290

that they want to bring out to the

625

00:26:41,160 --> 00:26:40,330

public and by the way they didn't say

626
00:26:42,450 --> 00:26:41,170
when

627
00:26:44,310 --> 00:26:42,460
they're gonna bring this out to the

628
00:26:47,310 --> 00:26:44,320
public

629
00:26:48,470 --> 00:26:47,320
they said advanced Alecto electro

630
00:26:53,190 --> 00:26:48,480
gravity

631
00:26:55,350 --> 00:26:53,200
propulsion and I remember people like

632
00:26:58,230 --> 00:26:55,360
Stanton Friedman talking about this

633
00:27:02,370 --> 00:26:58,240
stuff but he was relating it to the 60s

634
00:27:05,280 --> 00:27:02,380
oh yeah yeah he did a big experiment

635
00:27:08,930 --> 00:27:05,290
with it out in the desert at area 51 or

636
00:27:13,650 --> 00:27:08,940
whatever was called back in the day and

637
00:27:15,780 --> 00:27:13,660
it actually exploded and all the guys on

638
00:27:18,600 --> 00:27:15,790

the team got radiation poisoning he

639

00:27:21,090 --> 00:27:18,610

bowed out of it after out of his service

640

00:27:23,130 --> 00:27:21,100

as a you know whatever he was we was a

641

00:27:26,310 --> 00:27:23,140

physicist at the time on that project

642

00:27:29,790 --> 00:27:26,320

and yeah they never went back and did it

643

00:27:32,190 --> 00:27:29,800

again so what does that tell us and I

644

00:27:34,380 --> 00:27:32,200

remember talking to Stanton and him kind

645

00:27:37,320 --> 00:27:34,390

of raising his his eyebrow at me and

646

00:27:42,090 --> 00:27:37,330

saying research this and he said that to

647

00:27:46,370 --> 00:27:42,100

me Oh interesting they're soldiers so I

648

00:27:48,870 --> 00:27:46,380

got I get the feeling that this has been

649

00:27:52,890 --> 00:27:48,880

used for a very long time

650

00:27:55,290 --> 00:27:52,900

in let's say black ops projects oh so

651
00:27:57,090 --> 00:27:55,300
yours ok because see when Stanton got

652
00:27:59,760 --> 00:27:57,100
out there they were working on

653
00:28:02,220 --> 00:27:59,770
supposedly this project and a radiation

654
00:28:04,680 --> 00:28:02,230
leak happened and an explosion happened

655
00:28:06,780 --> 00:28:04,690
and a bunch of scientists got radiated

656
00:28:08,580 --> 00:28:06,790
and that was the end of the program but

657
00:28:12,270 --> 00:28:08,590
see now I'm beginning to think that was

658
00:28:15,000 --> 00:28:12,280
a cover story right ok got it all right

659
00:28:16,950 --> 00:28:15,010
right so what I'm inferring

660
00:28:19,100 --> 00:28:16,960
that's the right word is that this

661
00:28:24,570 --> 00:28:19,110
technology has probably been in use

662
00:28:27,120 --> 00:28:24,580
since the late 60s and early 70s so it's

663
00:28:29,040 --> 00:28:27,130

been out there for such a long time and

664

00:28:30,660 --> 00:28:29,050

now they're saying with your help I

665

00:28:32,880 --> 00:28:30,670

don't know how many millions they want

666

00:28:35,600 --> 00:28:32,890

to raise before they even make something

667

00:28:38,610 --> 00:28:35,610

like this but let's say they do raise

668

00:28:42,080 --> 00:28:38,620

five hundred million dollars which by

669

00:28:45,690 --> 00:28:42,090

the looks of it it's kind of impossible

670

00:28:47,580 --> 00:28:45,700

unless they release you know they they

671

00:28:53,160 --> 00:28:47,590

pull up at a conference an alien to talk

672

00:28:57,690 --> 00:28:53,170

to us I'm part of the company and I'm

673

00:29:02,490 --> 00:28:57,700

gonna do this for you suddenly they'll

674

00:29:04,800 --> 00:29:02,500

have five Cory goods blue avian dudes

675

00:29:06,570 --> 00:29:04,810

will show up that would be cool I don't

676

00:29:09,690 --> 00:29:06,580

mess they'll raise half a billion

677

00:29:13,200 --> 00:29:09,700

dollars overnight for sure yeah exactly

678

00:29:15,480 --> 00:29:13,210

oh and then okay so let's say they raise

679

00:29:17,970 --> 00:29:15,490

the money and then they get into the

680

00:29:19,500 --> 00:29:17,980

research and development phase you know

681

00:29:23,100 --> 00:29:19,510

that could take a couple years then they

682

00:29:26,040 --> 00:29:23,110

can get into a prototype which they can

683

00:29:29,660 --> 00:29:26,050

show us on TV or you know YouTube videos

684

00:29:32,190 --> 00:29:29,670

and say look we're we're floating this

685

00:29:34,980 --> 00:29:32,200

electromagnetic propulsion system in the

686

00:29:37,500 --> 00:29:34,990

laboratory it may be ten twenty years

687

00:29:40,380 --> 00:29:37,510

before you see a ship like they're

688

00:29:43,520 --> 00:29:40,390

trying to show us yeah okay so that's 20

689

00:29:47,610 --> 00:29:43,530

years in the future showing us a ship

690

00:29:49,470 --> 00:29:47,620

now now that we see the ship this ship

691

00:29:51,600 --> 00:29:49,480

probably cost a billion dollars at least

692

00:29:55,650 --> 00:29:51,610

say it cost a billion dollars to make

693

00:29:57,780 --> 00:29:55,660

this ship right who's gonna fly it who's

694

00:30:00,210 --> 00:29:57,790

gonna build these ships if they're cost

695

00:30:01,890 --> 00:30:00,220

so much money and then when is the

696

00:30:04,710 --> 00:30:01,900

public going to have access to that

697

00:30:06,360 --> 00:30:04,720

technology we may be talking 50 years

698

00:30:10,020 --> 00:30:06,370

out before any of that technology

699

00:30:13,080 --> 00:30:10,030

reaches us so what's so what's the game

700

00:30:15,570 --> 00:30:13,090

plan here yeah I know did you read the

701

00:30:20,280 --> 00:30:15,580

first the prospectus that they put up

702

00:30:22,560 --> 00:30:20,290

online the PDF not entirely no but I

703

00:30:24,000 --> 00:30:22,570

read the first three pages and and by

704

00:30:25,350 --> 00:30:24,010

the time I got to the point where it

705

00:30:28,980 --> 00:30:25,360

said you basically are gonna lose all

706

00:30:30,659 --> 00:30:28,990

your money if you invest with us oh yeah

707

00:30:32,760 --> 00:30:30,669

we don't have anything to prove we don't

708

00:30:34,889 --> 00:30:32,770

have anything to make money with really

709

00:30:37,019 --> 00:30:34,899

you know maybe we'll make money maybe we

710

00:30:38,760 --> 00:30:37,029

won't I was kind of like okay well I

711

00:30:43,649 --> 00:30:38,770

guess I'm not working with these guys

712

00:30:48,510 --> 00:30:43,659

you know what was your take on that it's

713

00:30:50,639 --> 00:30:48,520

the same it's like okay let's raise five

714

00:30:52,740 --> 00:30:50,649

hundred million dollars let's put it

715

00:30:54,720 --> 00:30:52,750

towards research and development into a

716

00:30:58,230 --> 00:30:54,730

project that's already been developed

717

00:31:00,210 --> 00:30:58,240

for 50 years yeah exactly

718

00:31:03,360 --> 00:31:00,220

so just slap slap us in the face again

719

00:31:06,950 --> 00:31:03,370

slap me in the face again

720

00:31:10,380 --> 00:31:06,960

take the money builds the prototypes

721

00:31:12,899 --> 00:31:10,390

that already exist and then you are the

722

00:31:16,350 --> 00:31:12,909

heroes of the day you're the heroes of

723

00:31:20,760 --> 00:31:16,360

the situation you have brought and the

724

00:31:24,330 --> 00:31:20,770

interesting thing is they never ever in

725

00:31:26,820 --> 00:31:24,340

in anything you read on this website it

726

00:31:28,680 --> 00:31:26,830

never says anything about aliens or

727

00:31:31,950 --> 00:31:28,690

outer space or other technology the only

728

00:31:35,580 --> 00:31:31,960

thing that comes close to that statement

729

00:31:39,740 --> 00:31:35,590

is it mimics the capabilities observed

730

00:31:43,110 --> 00:31:39,750

an unidentified aerial phenomenon

731

00:31:47,820 --> 00:31:43,120

exactly that's exactly that's the most

732

00:31:50,970 --> 00:31:47,830

they ever say to the UFO subject yeah it

733

00:31:54,210 --> 00:31:50,980

mimics the capability so you know we

734

00:31:57,210 --> 00:31:54,220

could make a movie of a you know a light

735

00:31:58,289 --> 00:31:57,220

in the sky like zooming around and we

736

00:32:04,110 --> 00:31:58,299

could say we're gonna build something

737

00:32:07,710 --> 00:32:04,120

that mimics that animation on screen you

738

00:32:11,310 --> 00:32:07,720

know so it's like again it's a pretty

739

00:32:13,070 --> 00:32:11,320

light promising something and giving us

740

00:32:15,659 --> 00:32:13,080

something completely different and

741

00:32:19,019 --> 00:32:15,669

holding strong because I remember a

742

00:32:24,860 --> 00:32:19,029

couple days after this release they were

743

00:32:29,310 --> 00:32:24,870

talking about they're going to release

744

00:32:31,600 --> 00:32:29,320

18t store did you hear that no I didn't

760
00:33:07,910 --> 00:33:06,000
hear that that's very interesting

761
00:33:10,820 --> 00:33:07,920
so the first stuff that they want to do

762
00:33:14,290 --> 00:33:10,830
or what I've heard is that they're going

763
00:33:17,780 --> 00:33:14,300

to release videos taken by military with

764

00:33:21,550 --> 00:33:17,790

super high definition cameras so that

765

00:33:27,200 --> 00:33:21,560

you can see these ships in action well

766

00:33:30,460 --> 00:33:27,210

okay now that's very intriguing how do

767

00:33:35,000 --> 00:33:30,470

we know those aren't our own ships

768

00:33:38,990 --> 00:33:35,010

exactly this is my first thought and

769

00:33:42,110 --> 00:33:39,000

then after that even if they aren't our

770

00:33:44,780 --> 00:33:42,120

own ships does that prove anything I

771

00:33:46,730 --> 00:33:44,790

mean does it I mean if we how are they

772

00:33:48,380 --> 00:33:46,740

gonna prove it's not us and if they do

773

00:33:50,510 --> 00:33:48,390

prove its not us then isn't that

774

00:33:53,510 --> 00:33:50,520

disclosure and and should the president

775

00:33:57,080 --> 00:33:53,520

be talking about it but that's the thing

776

00:33:58,940 --> 00:33:57,090

is that let's say that most of the

777

00:34:01,490 --> 00:33:58,950

aircraft that we see that are

778

00:34:04,670 --> 00:34:01,500

unidentified let's just pretend that

779

00:34:06,380 --> 00:34:04,680

those are our ships those are things in

780

00:34:09,560 --> 00:34:06,390

black programs or whatever you want to

781

00:34:11,690 --> 00:34:09,570

call it they're flying their ships if

782

00:34:14,659 --> 00:34:11,700

they come forward and say this is what

783

00:34:16,760 --> 00:34:14,669

an alien craft looks like and it gets

784

00:34:22,340 --> 00:34:16,770

all the news coverage of oh my god this

785

00:34:24,700 --> 00:34:22,350

is alien craft then they they can

786

00:34:29,330 --> 00:34:24,710

pretend that those ships are not

787

00:34:31,250 --> 00:34:29,340

military oh I see you're saying so

788

00:34:33,110 --> 00:34:31,260

you're basically that it's a camouflage

789

00:34:35,030 --> 00:34:33,120

it's a smokescreen to keep us off the

790

00:34:38,030 --> 00:34:35,040

fact that we have a secret space program

791

00:34:39,470 --> 00:34:38,040

right so you now we go blue themed

792

00:34:41,149 --> 00:34:39,480

technology that everybody's been talking

793

00:34:44,210 --> 00:34:41,159

about all these years about how we're

794

00:34:45,260 --> 00:34:44,220

going to be invaded by these these

795

00:34:47,030 --> 00:34:45,270

holographic

796

00:34:48,919 --> 00:34:47,040

ships all over the world and it's

797

00:34:51,560 --> 00:34:48,929

basically blue what they call blue beam

798

00:34:53,240 --> 00:34:51,570

technology holographic technology to

799

00:34:55,460 --> 00:34:53,250

scare us into thinking that the aliens

800

00:34:57,710 --> 00:34:55,470

have invaded when they're actually being

801
00:35:01,880 --> 00:34:57,720
projected by our deep dark black ops

802
00:35:07,690 --> 00:35:01,890
government right but in this way like

803
00:35:10,550 --> 00:35:07,700
Tom has the attention of politicians of

804
00:35:13,010 --> 00:35:10,560
newscasters and they will print a story

805
00:35:17,560 --> 00:35:13,020
in mainstream newspapers and it may even

806
00:35:20,870 --> 00:35:17,570
be on CNN so if they if he comes forward

807
00:35:26,090 --> 00:35:20,880
standing there with his you know line up

808
00:35:29,440 --> 00:35:26,100
and says this is what an alien craft

809
00:35:32,690 --> 00:35:29,450
looks like and we have high-definition

810
00:35:35,240 --> 00:35:32,700
photography of it in video and this is

811
00:35:37,910 --> 00:35:35,250
played out in the mainstream world it

812
00:35:42,350 --> 00:35:37,920
would be a disclosure that there are

813
00:35:43,820 --> 00:35:42,360

craft in the sky flying and people will

814

00:35:45,560 --> 00:35:43,830

look up and if they see it then they

815

00:35:48,620 --> 00:35:45,570

could say that's an alien ship but like

816

00:35:51,290 --> 00:35:48,630

you said it's a smokescreen so my

817

00:35:53,660 --> 00:35:51,300

impression is they don't want to hide

818

00:35:55,280 --> 00:35:53,670

anymore they just want to be flying out

819

00:35:57,410 --> 00:35:55,290

in the open doing what they have to do

820

00:36:08,440 --> 00:35:57,420

and not you know have a million people

821

00:36:13,880 --> 00:36:10,880

well you know you've got a really

822

00:36:16,190 --> 00:36:13,890

amazing point there it kind of scares

823

00:36:18,680 --> 00:36:16,200

the bejesus out of me because what it's

824

00:36:21,470 --> 00:36:18,690

doing is again just like I said it's

825

00:36:24,860 --> 00:36:21,480

controlling the narrative down to a one

826

00:36:26,180 --> 00:36:24,870

bullet point issue in other words we're

827

00:36:28,070 --> 00:36:26,190

gonna you know this is what we're gonna

828

00:36:31,700 --> 00:36:28,080

do we're gonna make it so that everybody

829

00:36:34,340 --> 00:36:31,710

on the planet knows what happened to the

830

00:36:37,460 --> 00:36:34,350

disclosure hearings back in 20 was it 10

831

00:36:40,100 --> 00:36:37,470

I can't remember we're Greer put 70 with

832

00:36:43,610 --> 00:36:40,110

70 witnesses or 50 witnesses on the

833

00:36:45,260 --> 00:36:43,620

stand and ex-military people like

834

00:36:47,840 --> 00:36:45,270

Clifford stone that was a crash

835

00:36:50,030 --> 00:36:47,850

retrieval dude and they all talked about

836

00:36:52,610 --> 00:36:50,040

everything from aliens to ships who are

837

00:36:54,500 --> 00:36:52,620

our secret space program what happens to

838

00:36:58,070 --> 00:36:54,510

all that documentation how come no one's

839

00:36:59,120 --> 00:36:58,080

believing that over one film of a

840

00:37:01,220 --> 00:36:59,130

military ship

841

00:37:03,410 --> 00:37:01,230

they say oh by the way this is an alien

842

00:37:06,260 --> 00:37:03,420

see that's how much control they have

843

00:37:07,820 --> 00:37:06,270

over us now nobody's willing to go oh

844

00:37:09,200 --> 00:37:07,830

yeah there were fifty people that went

845

00:37:11,750 --> 00:37:09,210

to come you know and and spoke in

846

00:37:13,610 --> 00:37:11,760

Washington DC in and nobody's paying

847

00:37:16,550 --> 00:37:13,620

attention you know I mean this is so

848

00:37:18,890 --> 00:37:16,560

crazy to me okay so if you're an

849

00:37:21,320 --> 00:37:18,900

intelligence officer and let's say

850

00:37:23,420 --> 00:37:21,330

information is leaked so let's say a

851

00:37:26,030 --> 00:37:23,430

document gets out or a whistleblower

852

00:37:27,410 --> 00:37:26,040

gets out and they say there's UFOs the

853

00:37:30,500 --> 00:37:27,420

government's known about it for all

854

00:37:33,050 --> 00:37:30,510

these years exactly what happens to the

855

00:37:35,930 --> 00:37:33,060

intelligence it's been leaked to the

856

00:37:40,360 --> 00:37:35,940

public so there's only two options you

857

00:37:43,490 --> 00:37:40,370

have the two options you have is deny it

858

00:37:45,380 --> 00:37:43,500

you know say you know this person's

859

00:37:48,200 --> 00:37:45,390

crazy they've never worked here you know

860

00:37:50,060 --> 00:37:48,210

what a liar you know yeah like they did

861

00:37:53,870 --> 00:37:50,070

just so many of our our past

862

00:37:57,080 --> 00:37:53,880

predecessors yeah or they tried to

863

00:37:59,720 --> 00:37:57,090

retake control of the information yeah

864

00:38:01,820 --> 00:37:59,730

there's only two ways of doing this well

865

00:38:03,770 --> 00:38:01,830

you're absolutely right and I think this

866

00:38:06,980 --> 00:38:03,780

whole Tom DeLonge thing it's a giant

867

00:38:09,170 --> 00:38:06,990

retake of the whole last 15 years we've

868

00:38:11,930 --> 00:38:09,180

made some serious progress within the

869

00:38:15,350 --> 00:38:11,940

community and they don't even care about

870

00:38:16,940 --> 00:38:15,360

anybody over 58 anymore or 45 anybody

871

00:38:18,410 --> 00:38:16,950

that's not glued to a cell phone they

872

00:38:20,540 --> 00:38:18,420

don't care about because they know we

873

00:38:24,530 --> 00:38:20,550

and all think our way out of a paper bag

874

00:38:27,740 --> 00:38:24,540

and we all know that the cell phone and

875

00:38:30,080 --> 00:38:27,750

you know YouTube and Facebook and all

876

00:38:32,270 --> 00:38:30,090

that is a mind-control device we're all

877

00:38:34,520 --> 00:38:32,280

smart enough is because we did not grow

878

00:38:37,280 --> 00:38:34,530

up on it so we are not indoctrinated to

879

00:38:38,660 --> 00:38:37,290

it so they just really don't care about

880

00:38:41,240 --> 00:38:38,670

us anymore you know it's very

881

00:38:43,880 --> 00:38:41,250

interesting but this is why the concept

882

00:38:46,010 --> 00:38:43,890

that Cory put forward Cory good put

883

00:38:49,010 --> 00:38:46,020

forward about the comic book was so

884

00:38:52,850 --> 00:38:49,020

genius because he should be yeah it's

885

00:38:55,670 --> 00:38:52,860

capturing that new generation and you

886

00:38:58,250 --> 00:38:55,680

know even if I like I'm you know 35

887

00:39:01,250 --> 00:38:58,260

right now I would still consider myself

888

00:39:05,090 --> 00:39:01,260

pretty young even if I would create

889

00:39:08,090 --> 00:39:05,100

projects now I would really want to

890

00:39:10,880 --> 00:39:08,100

focus those efforts on the people coming

891

00:39:11,870 --> 00:39:10,890

up into the community right right

892

00:39:12,960 --> 00:39:11,880

exactly

893

00:39:16,200 --> 00:39:12,970

because

894

00:39:19,140 --> 00:39:16,210

and and you know you know a lot of my

895

00:39:22,560 --> 00:39:19,150

friends it's the people that have been

896

00:39:26,370 --> 00:39:22,570

here the longest yeah you know they have

897

00:39:29,130 --> 00:39:26,380

done so much research and when I have

898

00:39:30,960 --> 00:39:29,140

newcomers talk to me about this I always

899

00:39:33,630 --> 00:39:30,970

say you got to read this book and read

900

00:39:37,050 --> 00:39:33,640

that book and check out this old-timer

901
00:39:39,079 --> 00:39:37,060
oh exactly yeah because of has to know

902
00:39:43,170 --> 00:39:39,089
you can't just come into the this

903
00:39:45,750 --> 00:39:43,180
community and just like latch onto like

904
00:39:48,569 --> 00:39:45,760
one or two people that are brand-new in

905
00:39:51,990 --> 00:39:48,579
in the community and think that's the

906
00:39:54,390 --> 00:39:52,000
best reliable sources of information if

907
00:39:59,880 --> 00:39:54,400
you have a very strong grounding to all

908
00:40:02,790 --> 00:39:59,890
those other sources it makes you pretty

909
00:40:04,440 --> 00:40:02,800
open to new information but you'll

910
00:40:07,530 --> 00:40:04,450
always have a critical eye you won't

911
00:40:09,630 --> 00:40:07,540
jump on all these other things yes you

912
00:40:12,060 --> 00:40:09,640
won't become what I call a UFO groupie

913
00:40:14,190 --> 00:40:12,070

you know where it's like Steven Greer is

914

00:40:16,079 --> 00:40:14,200

the thing or David Wilcock is the thing

915

00:40:17,370 --> 00:40:16,089

or Cory's the thing or whatever not and

916

00:40:19,650 --> 00:40:17,380

you know I just want to touch upon

917

00:40:22,859 --> 00:40:19,660

Cory's comic books and stuff I do make

918

00:40:25,950 --> 00:40:22,869

light of them but in a in a in a very

919

00:40:28,500 --> 00:40:25,960

good way if the material in these comic

920

00:40:30,150 --> 00:40:28,510

books is good now I haven't seen one yet

921

00:40:33,030 --> 00:40:30,160

have you seen has he produced them yet

922

00:40:36,000 --> 00:40:33,040

are they out there no no I haven't heard

923

00:40:37,109 --> 00:40:36,010

or seen anything okay well but I just

924

00:40:40,109 --> 00:40:37,119

very intriguing

925

00:40:44,160 --> 00:40:40,119

is intriguing and I gotta say I would

926
00:40:46,740 --> 00:40:44,170
like it if it was a really cool comic

927
00:40:48,900 --> 00:40:46,750
book that told some really great truths

928
00:40:51,240 --> 00:40:48,910
than in and it wasn't just all about him

929
00:40:53,069 --> 00:40:51,250
see that's that's what I kind of assumed

930
00:40:55,200 --> 00:40:53,079
that's what's gonna happen I'm gonna

931
00:40:56,819 --> 00:40:55,210
hold judgment on that I'm gonna say that

932
00:40:59,030 --> 00:40:56,829
right now here on the show you guys so

933
00:41:01,470 --> 00:40:59,040
if anybody ever gets one of those or

934
00:41:02,880 --> 00:41:01,480
when they come out let me know and I'll

935
00:41:05,490 --> 00:41:02,890
take a look at him and we'll dissect

936
00:41:07,079 --> 00:41:05,500
them here on the show because if he's

937
00:41:09,030 --> 00:41:07,089
doing a really good job of helping

938
00:41:11,670 --> 00:41:09,040

people get through this whole you know

939

00:41:15,120 --> 00:41:11,680

disclosure thing which I think Cory

940

00:41:16,829 --> 00:41:15,130

really wants to have happen he'll do a

941

00:41:19,260 --> 00:41:16,839

really good comic book so you know I'm

942

00:41:20,970 --> 00:41:19,270

leaving that open but the bobblehead

943

00:41:23,040 --> 00:41:20,980

doll thing and it's not bobbleheads I

944

00:41:25,319 --> 00:41:23,050

know he's doing action figures or

945

00:41:26,400 --> 00:41:25,329

something I don't know yeah something

946

00:41:28,380 --> 00:41:26,410

like action figures

947

00:41:31,559 --> 00:41:28,390

which I find kind of strange but you

948

00:41:34,589 --> 00:41:31,569

know maybe in a weird way it's really

949

00:41:37,109 --> 00:41:34,599

good Jason because um you know maybe

950

00:41:39,510 --> 00:41:37,119

kids will look at a reptilian and not

951
00:41:46,799 --> 00:41:39,520
freak out but in a weird way maybe they

952
00:41:49,319 --> 00:41:46,809
should be freaking out trust me even if

953
00:41:53,579 --> 00:41:49,329
they have an action figure if one walks

954
00:41:57,900 --> 00:41:53,589
into their room they will be free no no

955
00:41:59,880 --> 00:41:57,910
doll is gonna help okay good good so I'm

956
00:42:04,770 --> 00:41:59,890
not crazy in that regard I'm just kind

957
00:42:07,920 --> 00:42:04,780
of like I don't know so you were saying

958
00:42:09,660 --> 00:42:07,930
that Corey's bringing out the comic

959
00:42:11,760 --> 00:42:09,670
books which help the younger generation

960
00:42:13,620 --> 00:42:11,770
you know in a way maybe we don't know

961
00:42:17,460 --> 00:42:13,630
yet but we're hoping okay

962
00:42:20,789 --> 00:42:17,470
yeah and you know I would I would also

963
00:42:24,660 --> 00:42:20,799

love to work on projects similar just

964

00:42:26,849 --> 00:42:24,670

because you know I feel that it's it's

965

00:42:29,490 --> 00:42:26,859

my duty like I I really can't tell

966

00:42:32,640 --> 00:42:29,500

people like you more than what you

967

00:42:35,309 --> 00:42:32,650

already know you know you've been so

968

00:42:38,670 --> 00:42:35,319

long yeah and that's what makes people

969

00:42:41,250 --> 00:42:38,680

like myself and Melinda Melinda knows

970

00:42:43,740 --> 00:42:41,260

I'm speaking of Melinda Leslie folks one

971

00:42:45,569 --> 00:42:43,750

of my best friends that woman has done

972

00:42:48,870 --> 00:42:45,579

more research and she knows more about

973

00:42:52,049 --> 00:42:48,880

the whole alien contact thing from the

974

00:42:55,410 --> 00:42:52,059

dark side that anybody out there besides

975

00:42:57,359 --> 00:42:55,420

maybe Misha Johnston and niara Isley and

976
00:42:58,920 --> 00:42:57,369
a few of the other women experiencers

977
00:43:01,500 --> 00:42:58,930
that have come forward over the years

978
00:43:03,630 --> 00:43:01,510
there's a few contact deeds I know as

979
00:43:05,549 --> 00:43:03,640
well that have had some really harrowing

980
00:43:07,680 --> 00:43:05,559
experiences and understand a lot of

981
00:43:09,809 --> 00:43:07,690
what's going on but I'm telling you

982
00:43:11,940 --> 00:43:09,819
folks they've been doing their research

983
00:43:13,829 --> 00:43:11,950
and when I say research that means every

984
00:43:16,910 --> 00:43:13,839
week all day long for most of their

985
00:43:19,019 --> 00:43:16,920
lives they have been asking talking

986
00:43:21,329 --> 00:43:19,029
finding people that are also

987
00:43:22,920 --> 00:43:21,339
experiencers and people like John Mack

988
00:43:24,480 --> 00:43:22,930

and they don't just stop it like oh I

989

00:43:26,220 --> 00:43:24,490

want to talk to my friends about it they

990

00:43:28,260 --> 00:43:26,230

go to the people that are prominent in

991

00:43:30,390 --> 00:43:28,270

the community and have dealt with them

992

00:43:32,640 --> 00:43:30,400

as well so I mean that's a real

993

00:43:34,500 --> 00:43:32,650

researcher to me Jason is somebody who

994

00:43:36,539 --> 00:43:34,510

says well I'm just not gonna sit here in

995

00:43:38,220 --> 00:43:36,549

it and think this is the way it is I'm

996

00:43:39,559 --> 00:43:38,230

gonna go talk to these people ask them

997

00:43:42,469 --> 00:43:39,569

how they see it

998

00:43:44,390 --> 00:43:42,479

from their perspective absolutely just

999

00:43:47,150 --> 00:43:44,400

get all of their opinions because it's

1000

00:43:49,939 --> 00:43:47,160

super important like even I'm looking at

1001
00:43:51,709 --> 00:43:49,949
David Jacobs David Jacobs and I have had

1002
00:43:53,920 --> 00:43:51,719
three really heart-to-heart

1003
00:43:57,410 --> 00:43:53,930
conversations he's been on my radio show

1004
00:43:58,819 --> 00:43:57,420
he absolutely is got a completely

1005
00:44:01,069 --> 00:43:58,829
different view about it than I do

1006
00:44:02,299 --> 00:44:01,079
I don't think that they're all bad and I

1007
00:44:04,430 --> 00:44:02,309
don't think they're all gonna come down

1008
00:44:08,630 --> 00:44:04,440
and you know suck us up in a blender you

1009
00:44:10,969 --> 00:44:08,640
know but you never know I mean maybe

1010
00:44:14,630 --> 00:44:10,979
some of them are that bad but you can't

1011
00:44:17,089 --> 00:44:14,640
sit here and judge all aliens by the

1012
00:44:20,930 --> 00:44:17,099
Twilight Zone episode to serve man you

1013
00:44:23,509 --> 00:44:20,940

know what I told David he was doing I

1014

00:44:28,969 --> 00:44:23,519

said man you're the surf man poster

1015

00:44:32,959 --> 00:44:28,979

child you know so you keep it you can

1016

00:44:35,870 --> 00:44:32,969

really get caught up in this yeah the

1017

00:44:37,370 --> 00:44:35,880

pride is there so many avenues you go

1018

00:44:39,049 --> 00:44:37,380

down and then you can get stuck down

1019

00:44:41,689 --> 00:44:39,059

there thinking it's the right one

1020

00:44:43,519 --> 00:44:41,699

you know and I hope right one I hope

1021

00:44:47,390 --> 00:44:43,529

that there's new people listening to

1022

00:44:49,910 --> 00:44:47,400

your show tonight because what what I

1023

00:44:53,719 --> 00:44:49,920

want to say is that when I started my

1024

00:44:56,959 --> 00:44:53,729

awakening and this was when was this

1025

00:44:58,910 --> 00:44:56,969

around like 2002 yeah you know this

1026

00:45:00,979 --> 00:44:58,920

wasn't this is before Facebook

1027

00:45:03,680 --> 00:45:00,989

I believe it's before Facebook or

1028

00:45:06,559 --> 00:45:03,690

YouTube or some time they all started

1029

00:45:08,420 --> 00:45:06,569

was little after 9/11 if I remember

1030

00:45:10,039 --> 00:45:08,430

correctly okay so this was just like

1031

00:45:13,099 --> 00:45:10,049

right in the beginning this was right in

1032

00:45:17,269 --> 00:45:13,109

the beginning of all the social media um

1033

00:45:19,849 --> 00:45:17,279

I when the first thing I did when I

1034

00:45:26,989 --> 00:45:19,859

awakened is all I research was the most

1035

00:45:28,729 --> 00:45:26,999

awful things you could imagine well it's

1036

00:45:30,529 --> 00:45:28,739

like the fear it's like you have this

1037

00:45:33,170 --> 00:45:30,539

fear inside you that you you know like

1038

00:45:35,930 --> 00:45:33,180

the world is not what I thought it was

1039

00:45:37,849 --> 00:45:35,940

oh yeah there's something not right and

1040

00:45:40,160 --> 00:45:37,859

then you keep going down the rabbit hole

1041

00:45:42,049 --> 00:45:40,170

and you you get to a place where it's

1042

00:45:45,199 --> 00:45:42,059

like you you know you want to throw up

1043

00:45:47,569 --> 00:45:45,209

when you wake up exactly you know that

1044

00:45:50,089 --> 00:45:47,579

is the dad tell everybody this and and

1045

00:45:53,360 --> 00:45:50,099

everybody else is awakened knows this

1046

00:45:55,640 --> 00:45:53,370

this line I say the day I discover

1047

00:45:58,850 --> 00:45:55,650

there was good and evil was the day that

1048

00:46:01,220 --> 00:45:58,860

my mission started because once you

1049

00:46:03,350 --> 00:46:01,230

realize there is good and evil then

1050

00:46:05,150 --> 00:46:03,360

everything else becomes superfluous

1051
00:46:07,910 --> 00:46:05,160
because you know you're in a battle to

1052
00:46:10,070 --> 00:46:07,920
help the good conquer the evil I mean

1053
00:46:12,380 --> 00:46:10,080
it's just that simple really in the long

1054
00:46:14,600 --> 00:46:12,390
run you know I mean whether there's good

1055
00:46:16,640 --> 00:46:14,610
aliens or bad aliens or whatever you

1056
00:46:25,880 --> 00:46:16,650
know humans need all the help they can

1057
00:46:29,270 --> 00:46:25,890
get yeah it's very very easy easy to get

1058
00:46:31,070 --> 00:46:29,280
stuck in those places very very easy and

1059
00:46:33,740 --> 00:46:31,080
I've seen friends of mine I've seen

1060
00:46:36,440 --> 00:46:33,750
people that for years they've just

1061
00:46:39,170 --> 00:46:36,450
focused on this one thing

1062
00:46:41,960 --> 00:46:39,180
yeah it's eating them every single day

1063
00:46:44,450 --> 00:46:41,970

yeah and we need to step out of those

1064

00:46:47,150 --> 00:46:44,460

things because when it comes to energy

1065

00:46:51,260 --> 00:46:47,160

and multi-dimensional energy which I'm

1066

00:46:52,790 --> 00:46:51,270

going to get into soon in the second to

1067

00:46:57,230 --> 00:46:52,800

your consciousness because I love it

1068

00:46:59,360 --> 00:46:57,240

there what when you focus and put your

1069

00:47:02,960 --> 00:46:59,370

energy on to these negative and dark

1070

00:47:06,110 --> 00:47:02,970

things they step right into the room

1071

00:47:08,000 --> 00:47:06,120

with you that's right that is absolutely

1072

00:47:10,190 --> 00:47:08,010

they've become a part of you so the

1073

00:47:12,050 --> 00:47:10,200

things that you hate the most and you're

1074

00:47:14,900 --> 00:47:12,060

pulling your attention to the most

1075

00:47:16,840 --> 00:47:14,910

you're giving your energy to it and

1076

00:47:20,870 --> 00:47:16,850

they're gonna be right there with you

1077

00:47:25,700 --> 00:47:20,880

yeah that's and when you develop the

1078

00:47:28,820 --> 00:47:25,710

sense to see or to feel or to know it's

1079

00:47:30,590 --> 00:47:28,830

so obvious that like I was telling you

1080

00:47:33,620 --> 00:47:30,600

the first time I went to an alien Expo

1081

00:47:37,040 --> 00:47:33,630

oh yeah yeah you have people on stage

1082

00:47:41,570 --> 00:47:37,050

you know fear-mongering about different

1083

00:47:43,100 --> 00:47:41,580

entities or beings and I'm looking at

1084

00:47:45,490 --> 00:47:43,110

them and they're standing on stage with

1085

00:47:49,100 --> 00:47:45,500

them oh absolutely

1086

00:47:51,200 --> 00:47:49,110

was it you that told me about at contact

1087

00:47:53,300 --> 00:47:51,210

in the desert how they were there

1088

00:47:55,130 --> 00:47:53,310

watching a panel and they never seen so

1089

00:48:02,240 --> 00:47:55,140

many aliens on a stage in their entire

1090

00:48:03,740 --> 00:48:02,250

life but one of my contact D friends and

1091

00:48:05,600 --> 00:48:03,750

walked up to me and said there were more

1092

00:48:06,670 --> 00:48:05,610

reptilians on that stage and there were

1093

00:48:11,070 --> 00:48:06,680

humans

1094

00:48:15,250 --> 00:48:11,080

like okay that's interesting because the

1095

00:48:17,830 --> 00:48:15,260

mind is a beacon the mind is a beacon

1096

00:48:21,010 --> 00:48:17,840

and the worst is if you have the fear of

1097

00:48:23,830 --> 00:48:21,020

it yep so you're getting up there and

1098

00:48:27,430 --> 00:48:23,840

you're you're putting the fear of these

1099

00:48:29,770 --> 00:48:27,440

things into the people of course they're

1100

00:48:32,950 --> 00:48:29,780

gonna come because they want their

1101
00:48:36,910 --> 00:48:32,960
presence to be felt by more people yeah

1102
00:48:39,850 --> 00:48:36,920
and they will so we have to learn how to

1103
00:48:43,540 --> 00:48:39,860
kind of shift out of that and find our

1104
00:48:46,740 --> 00:48:43,550
own true self and then that's where we

1105
00:48:49,750 --> 00:48:46,750
find this kind of consciousness compass

1106
00:48:51,670 --> 00:48:49,760
well absolutely and also you find out

1107
00:48:53,940 --> 00:48:51,680
that you're on equal footing with them

1108
00:48:56,770 --> 00:48:53,950
in another dimensional time-space and

1109
00:48:58,180 --> 00:48:56,780
you can talk to them anytime you want

1110
00:48:59,770 --> 00:48:58,190
and you can tell them to leave if

1111
00:49:01,510 --> 00:48:59,780
they're giving you a problem and you can

1112
00:49:04,120 --> 00:49:01,520
invite them in if you need their help

1113
00:49:06,940 --> 00:49:04,130

and you can have a relationship with

1114

00:49:08,950 --> 00:49:06,950

them yes see that is the whole key to my

1115

00:49:11,950 --> 00:49:08,960

book and it's called extraordinary

1116

00:49:13,660 --> 00:49:11,960

contact and what all I'm trying to say

1117

00:49:15,160 --> 00:49:13,670

in this whole book when it gets down to

1118

00:49:18,250 --> 00:49:15,170

it and I'll tell everybody it's a

1119

00:49:20,560 --> 00:49:18,260

spoiler right now but I'm interviewing

1120

00:49:22,480 --> 00:49:20,570

people who have had contact their entire

1121

00:49:24,100 --> 00:49:22,490

lives and the reason I'm only

1122

00:49:25,570 --> 00:49:24,110

interviewing those people and that

1123

00:49:27,460 --> 00:49:25,580

people that have gone out into the

1124

00:49:28,780 --> 00:49:27,470

public and said I've had contact and

1125

00:49:30,250 --> 00:49:28,790

they've been ridiculed and I'm just

1126

00:49:33,970 --> 00:49:30,260

following their whole like 40 year

1127

00:49:35,620 --> 00:49:33,980

history of of contact is because most of

1128

00:49:39,340 --> 00:49:35,630

those people at some point or another

1129

00:49:41,710 --> 00:49:39,350

finally realize that they are having a

1130

00:49:43,510 --> 00:49:41,720

relationship with these beings they

1131

00:49:45,070 --> 00:49:43,520

don't just you know they may spend 10

1132

00:49:47,140 --> 00:49:45,080

years in a basement shivering and

1133

00:49:50,050 --> 00:49:47,150

cowering you know or they may be angry

1134

00:49:52,330 --> 00:49:50,060

and mad or you know whatever it takes

1135

00:49:54,870 --> 00:49:52,340

but it truly is like the kubler-ross

1136

00:49:57,550 --> 00:49:54,880

you know what is it the seven stages of

1137

00:49:59,890 --> 00:49:57,560

grief you know it's kind of like anger

1138

00:50:01,240 --> 00:49:59,900

resentment you know acceptance blah blah

1139

00:50:02,920 --> 00:50:01,250

blah you get through all that then you

1140

00:50:04,900 --> 00:50:02,930

finally realize well shoot I'm having a

1141

00:50:07,840 --> 00:50:04,910

relationship with this I mean I'll never

1142

00:50:10,960 --> 00:50:07,850

forget the day that Whitley Strieber was

1143

00:50:12,970 --> 00:50:10,970

on air talking about how an streamer was

1144

00:50:15,940 --> 00:50:12,980

jealous of the alien he used to have sex

1145

00:50:19,599 --> 00:50:15,950

with and I got to thinking my god this

1146

00:50:21,670 --> 00:50:19,609

is just like you know a real-life drama

1147

00:50:23,859 --> 00:50:21,680

flamed out with their their life you

1148

00:50:25,509 --> 00:50:23,869

know it's like some woman's come in

1149

00:50:28,509 --> 00:50:25,519

between them and he's having an affair

1150

00:50:30,670 --> 00:50:28,519

and that's how she feels and that's what

1151
00:50:32,589 --> 00:50:30,680
happened you know and that's the only

1152
00:50:34,420 --> 00:50:32,599
way they were able to deal with it you

1153
00:50:36,190 --> 00:50:34,430
know but they were very honest and open

1154
00:50:40,449 --> 00:50:36,200
about it that's what kept them together

1155
00:50:43,539 --> 00:50:40,459
you know but I mean and that's just

1156
00:50:46,380 --> 00:50:43,549
Whitley story but everybody that has

1157
00:50:49,420 --> 00:50:46,390
been contacted since they were a child

1158
00:50:51,190 --> 00:50:49,430
has some type of relationship with these

1159
00:50:53,049 --> 00:50:51,200
beings whether they've told them to

1160
00:50:54,940 --> 00:50:53,059
leave them alone and they are or whether

1161
00:50:57,099 --> 00:50:54,950
they've embraced them and they and they

1162
00:50:58,870 --> 00:50:57,109
communicate or whether they're learning

1163
00:51:01,120 --> 00:50:58,880

something from them or whether they're

1164

00:51:02,739 --> 00:51:01,130

learning something from the human you

1165

00:51:04,539 --> 00:51:02,749

know there's always some kind of

1166

00:51:06,219 --> 00:51:04,549

relationship and that's super important

1167

00:51:09,699 --> 00:51:06,229

that people get to that point understand

1168

00:51:13,479 --> 00:51:09,709

you know and we have power we have power

1169

00:51:15,489 --> 00:51:13,489

in the relationship yeah and what I tell

1170

00:51:18,299 --> 00:51:15,499

people which many people don't like to

1171

00:51:22,479 --> 00:51:18,309

hear but I'll repeat it on your show is

1172

00:51:26,229 --> 00:51:22,489

we play all roles oh absolutely

1173

00:51:30,670 --> 00:51:26,239

yeah all right so once we understand

1174

00:51:34,359 --> 00:51:30,680

that there is nothing that can come to

1175

00:51:37,299 --> 00:51:34,369

you that will really scare you you're in

1176

00:51:39,519 --> 00:51:37,309

other words you can only get what you

1177

00:51:41,739 --> 00:51:39,529

know you're ready for it in a weird way

1178

00:51:43,150 --> 00:51:41,749

like what is it that saying you know God

1179

00:51:46,299 --> 00:51:43,160

gives you what you get only what you can

1180

00:51:49,390 --> 00:51:46,309

handle you know it's it's completely

1181

00:51:51,519 --> 00:51:49,400

true yeah so in this case it's like our

1182

00:51:54,160 --> 00:51:51,529

consciousness God is giving us all we

1183

00:51:56,620 --> 00:51:54,170

can handle especially for all of us

1184

00:51:58,299 --> 00:51:56,630

awaken people on this planet oh my god

1185

00:52:00,849 --> 00:51:58,309

the stuff being thrown at us it's like

1186

00:52:03,400 --> 00:52:00,859

it's a constant you know I feel like

1187

00:52:08,979 --> 00:52:03,410

ever since I've awoken that it's just

1188

00:52:12,370 --> 00:52:08,989

everyday I'm on high alert but I have to

1189

00:52:14,650 --> 00:52:12,380

really like I hockey hockey is the only

1190

00:52:16,359 --> 00:52:14,660

thing I can use as a descriptor of

1191

00:52:17,979 --> 00:52:16,369

something that I just say okay I'm

1192

00:52:20,829 --> 00:52:17,989

checking out I'm unplugging all my

1193

00:52:22,630 --> 00:52:20,839

consciousness tubes I'm you know my

1194

00:52:26,019 --> 00:52:22,640

golden cord is gonna shut down for a

1195

00:52:27,999 --> 00:52:26,029

while my my life force fields coming in

1196

00:52:29,529 --> 00:52:28,009

I'm gonna go lay on the couch and I'm

1197

00:52:33,670 --> 00:52:29,539

gonna watch hockey and not think about

1198

00:52:36,799 --> 00:52:33,680

anything my brain is going silent

1199

00:52:38,839 --> 00:52:36,809

and that's what I do Jason but that's

1200

00:52:40,400 --> 00:52:38,849

the only you know two hour and a half to

1201
00:52:42,259 --> 00:52:40,410
two hours you know a couple days a

1202
00:52:44,180 --> 00:52:42,269
couple days yeah a couple days a week

1203
00:52:46,609 --> 00:52:44,190
two hours but four hours a week i gifted

1204
00:52:50,180 --> 00:52:46,619
like shut it down because there's a

1205
00:52:52,460 --> 00:52:50,190
constant barrage now of so much stuff

1206
00:52:55,969 --> 00:52:52,470
going on how's it for you what do you do

1207
00:53:04,460 --> 00:52:55,979
to relax one I don't really pay too much

1208
00:53:07,099 --> 00:53:04,470
attention of what's going on I kind of

1209
00:53:08,870 --> 00:53:07,109
have to yeah I try to just focus on the

1210
00:53:12,859 --> 00:53:08,880
projects at hand and try to get those

1211
00:53:14,809 --> 00:53:12,869
done and that takes up a lot of time and

1212
00:53:16,400 --> 00:53:14,819
when you are writing your book you'll

1213
00:53:25,160 --> 00:53:16,410

realize that you're only gonna have time

1214

00:53:27,529 --> 00:53:25,170

for doing that and ya know I've seen it

1215

00:53:29,509 --> 00:53:27,539

live here on air because you know

1216

00:53:31,729 --> 00:53:29,519

basically Jason's the one who's gonna be

1217

00:53:33,440 --> 00:53:31,739

the key to this if I ever get it done so

1218

00:53:35,059 --> 00:53:33,450

I'm just gonna put it out there buddy

1219

00:53:37,999 --> 00:53:35,069

pray for me and Jason getting my book

1220

00:53:41,359 --> 00:53:38,009

done you you know I will help you

1221

00:53:43,039 --> 00:53:41,369

everybody know you that's what's kind of

1222

00:53:46,609 --> 00:53:43,049

making me excited about we're getting it

1223

00:53:48,890 --> 00:53:46,619

done so here we go that'll happen so

1224

00:53:50,209 --> 00:53:48,900

anyhow what do you do to disconnect

1225

00:53:52,249 --> 00:53:50,219

though I mean I know you've got to be

1226

00:53:53,900 --> 00:53:52,259

able to disconnect somehow you you know

1227

00:53:55,969 --> 00:53:53,910

you just take off with the wife and just

1228

00:53:57,849 --> 00:53:55,979

go watch a movie or I mean how do you

1229

00:54:00,410 --> 00:53:57,859

handle it

1230

00:54:03,680 --> 00:54:00,420

actually Netflix there's some

1231

00:54:06,349 --> 00:54:03,690

advertising there I love Netflix it's

1232

00:54:08,569 --> 00:54:06,359

great yeah it's the only thing I have in

1233

00:54:11,329 --> 00:54:08,579

this house I love Netflix I want to ask

1234

00:54:13,609 --> 00:54:11,339

you something did you see the 800 or

1235

00:54:16,400 --> 00:54:13,619

whatever was the only way yeah did you

1236

00:54:19,609 --> 00:54:16,410

watch that of course I watch that I

1237

00:54:22,219 --> 00:54:19,619

thought that was extraordinary I really

1238

00:54:25,459 --> 00:54:22,229

did they touched me in so many levels I

1239

00:54:28,519 --> 00:54:25,469

was just I was really blown away about

1240

00:54:30,769 --> 00:54:28,529

how profound and on so many levels that

1241

00:54:31,219 --> 00:54:30,779

show was is it coming back for a second

1242

00:54:33,650 --> 00:54:31,229

season

1243

00:54:36,109 --> 00:54:33,660

you know it I believe it is and stranger

1244

00:54:39,289 --> 00:54:36,119

things is coming back in a couple days

1245

00:54:40,549 --> 00:54:39,299

as well oh my god thing about stranger

1246

00:54:42,769 --> 00:54:40,559

things do you have a minute to talk

1247

00:54:45,709 --> 00:54:42,779

about well first I want to talk about

1248

00:54:47,690 --> 00:54:45,719

the Oh baby oh yeah let's talk about the

1249

00:54:52,830 --> 00:54:47,700

oh a okay

1250

00:54:55,260 --> 00:54:52,840

they were doing postures I know I know

1251
00:54:56,849 --> 00:54:55,270
and and I want to tell you something

1252
00:54:58,650 --> 00:54:56,859
really quick that I've never told

1253
00:55:01,320 --> 00:54:58,660
anybody and I'm doing this for the first

1254
00:55:04,290 --> 00:55:01,330
time on air I wrote a short science

1255
00:55:07,770 --> 00:55:04,300
fiction story about dance when I was

1256
00:55:11,130 --> 00:55:07,780
giving a dance major and in it I wrote

1257
00:55:15,420 --> 00:55:11,140
about these different postures that had

1258
00:55:18,720 --> 00:55:15,430
symbolic spiritual powers that you could

1259
00:55:20,880 --> 00:55:18,730
use in in a it's in the colony and

1260
00:55:24,090 --> 00:55:20,890
another planet in another system and

1261
00:55:26,550 --> 00:55:24,100
another time and that's how you became a

1262
00:55:29,520 --> 00:55:26,560
high priestess or Priestess of time

1263
00:55:33,599 --> 00:55:29,530

travel well when you just add another

1264

00:55:36,150 --> 00:55:33,609

layer of weirdness to this is in the Oh

1265

00:55:37,740 --> 00:55:36,160

a the first set of postures that was

1266

00:55:41,040 --> 00:55:37,750

given to them was the postures that

1267

00:55:44,070 --> 00:55:41,050

healed that was it was all about healing

1268

00:55:45,810 --> 00:55:44,080

and then the next set of postures was

1269

00:55:49,710 --> 00:55:45,820

the one to transfer out of this

1270

00:55:52,020 --> 00:55:49,720

dimension that's right I feel and what

1271

00:55:54,030 --> 00:55:52,030

are my two books the salutes the Sun

1272

00:55:56,160 --> 00:55:54,040

which is the postures a healing and the

1273

00:56:01,470 --> 00:55:56,170

salute to the moon is leaving the earth

1274

00:56:04,170 --> 00:56:01,480

field that's right I when I saw that it

1275

00:56:06,180 --> 00:56:04,180

was like it just blew my mind that you

1276
00:56:08,730 --> 00:56:06,190
know there's others out there that know

1277
00:56:12,750 --> 00:56:08,740
this I'm not gonna call them up and say

1278
00:56:16,349 --> 00:56:12,760
you stole my information well I think

1279
00:56:18,150 --> 00:56:16,359
she didn't she write that quite a long

1280
00:56:19,740 --> 00:56:18,160
time ago and then it took her a long

1281
00:56:22,530 --> 00:56:19,750
time to get it to the point where could

1282
00:56:25,800 --> 00:56:22,540
actually be a TV show or a movie I have

1283
00:56:27,240 --> 00:56:25,810
no idea but I have been teaching this no

1284
00:56:30,930 --> 00:56:27,250
I haven't but I've been teaching this

1285
00:56:35,160 --> 00:56:30,940
publicly since 2007 oh wow

1286
00:56:38,310 --> 00:56:35,170
well it's been a while doing this but

1287
00:56:39,570 --> 00:56:38,320
you know I'm not saying it's you know I

1288
00:56:42,000 --> 00:56:39,580

should probably doesn't know anything

1289

00:56:45,480 --> 00:56:42,010

about me I'm just that blew my mind of

1290

00:56:47,730 --> 00:56:45,490

this such a synchronicity well can I ask

1291

00:56:49,740 --> 00:56:47,740

a really dumb question did you just get

1292

00:56:52,349 --> 00:56:49,750

all of this through your consciousness

1293

00:56:54,540 --> 00:56:52,359

connection when you're out in the astral

1294

00:56:56,370 --> 00:56:54,550

you got all of this out there right I

1295

00:56:58,349 --> 00:56:56,380

mean yeah get to you out there

1296

00:57:00,880 --> 00:56:58,359

well maybe she was out there in the same

1297

00:57:03,430 --> 00:57:00,890

space you were I believe so

1298

00:57:06,100 --> 00:57:03,440

yeah I absolutely believe so because

1299

00:57:08,290 --> 00:57:06,110

what was in that show there's very few

1300

00:57:12,070 --> 00:57:08,300

people would know those things that's

1301
00:57:14,830 --> 00:57:12,080
why I was so shocked yeah when I saw

1302
00:57:16,960 --> 00:57:14,840
that I thought of you I thought of my

1303
00:57:18,280 --> 00:57:16,970
stuff from the past I thought of all the

1304
00:57:21,550 --> 00:57:18,290
things I've been through and I thought

1305
00:57:24,250 --> 00:57:21,560
oh my god this is just blowing my mind I

1306
00:57:25,960 --> 00:57:24,260
mean I was just like where did you know

1307
00:57:27,670 --> 00:57:25,970
and then I realized the same thing we

1308
00:57:29,590 --> 00:57:27,680
just said you know she must have been

1309
00:57:33,070 --> 00:57:29,600
out there you know communion in that

1310
00:57:36,160 --> 00:57:33,080
that you know that non time-space that

1311
00:57:39,070 --> 00:57:36,170
you've been - I've been to Martin

1312
00:57:42,010 --> 00:57:39,080
Sebastian's been to that we've all hit

1313
00:57:44,140 --> 00:57:42,020

at some point with our connection to the

1314

00:57:46,390 --> 00:57:44,150

I don't know I get taken there by my

1315

00:57:48,510 --> 00:57:46,400

downloads I don't know how you get there

1316

00:57:51,130 --> 00:57:48,520

you you go out of your body don't you

1317

00:57:54,370 --> 00:57:51,140

yeah well especially for the postures

1318

00:57:57,640 --> 00:57:54,380

what would happen is I would go to sleep

1319

00:58:01,990 --> 00:57:57,650

at night and I would just wake up in a

1320

00:58:05,080 --> 00:58:02,000

temple and I'd be standing in a room

1321

00:58:06,400 --> 00:58:05,090

with these it's he looks like a fairy

1322

00:58:08,950 --> 00:58:06,410

just looks like a statue

1323

00:58:10,840 --> 00:58:08,960

just like the statues and they would

1324

00:58:12,160 --> 00:58:10,850

just be standing in a posture they

1325

00:58:13,480 --> 00:58:12,170

wouldn't be talking or moving or

1326

00:58:16,060 --> 00:58:13,490

anything they'd just be standing in a

1327

00:58:18,160 --> 00:58:16,070

posture and I would just stand in front

1328

00:58:21,610 --> 00:58:18,170

of them and copy them that's how I

1329

00:58:24,700 --> 00:58:21,620

learned it Wow that is really cool now

1330

00:58:26,980 --> 00:58:24,710

my guys give me like video pictures they

1331

00:58:28,630 --> 00:58:26,990

never take me anywhere oh no this is

1332

00:58:30,400 --> 00:58:28,640

like you're right right there

1333

00:58:32,170 --> 00:58:30,410

yeah no I don't I don't get video

1334

00:58:34,720 --> 00:58:32,180

pictures like that's why I tell people

1335

00:58:36,130 --> 00:58:34,730

I'm not a psychic or anything for me I

1336

00:58:39,490 --> 00:58:36,140

guess they need to really hit me over

1337

00:58:46,510 --> 00:58:39,500

the head with it so it's like well maybe

1338

00:58:52,420 --> 00:58:46,520

I weigh too much they just take she's

1339

00:58:55,240 --> 00:58:52,430

too heavy to carry and this is this gets

1340

00:58:59,440 --> 00:58:55,250

into the next topic and the next hour is

1341

00:59:02,350 --> 00:58:59,450

that you know what if I was that person

1342

00:59:04,510 --> 00:59:02,360

in that life doing those postures and

1343

00:59:06,640 --> 00:59:04,520

all that's really happening is I'm just

1344

00:59:09,430 --> 00:59:06,650

retrieving those memories exactly and

1345

00:59:11,680 --> 00:59:09,440

well what I think is going on is the

1346

00:59:13,930 --> 00:59:11,690

fact that you're going into the no time

1347

00:59:14,380 --> 00:59:13,940

space yeah that the Kabbalah talks about

1348

00:59:19,720 --> 00:59:14,390

that

1349

00:59:21,810 --> 00:59:19,730

of the religions from the beginning of

1350

00:59:25,900 --> 00:59:21,820

man even Satanism and everything else

1351

00:59:27,220 --> 00:59:25,910

it's that space where you connect with

1352

00:59:31,390 --> 00:59:27,230

every other life you're living

1353

00:59:33,820 --> 00:59:31,400

simultaneously yes so it's just I called

1354

00:59:35,260 --> 00:59:33,830

the no time-space because there is no

1355

00:59:38,140 --> 00:59:35,270

time there it's just everything all at

1356

00:59:40,870 --> 00:59:38,150

once and what I'm starting to believe

1357

00:59:43,270 --> 00:59:40,880

and this is just my old age creeping in

1358

00:59:45,400 --> 00:59:43,280

I guess I'm really starting to think

1359

00:59:47,920 --> 00:59:45,410

that I'm having more and more connection

1360

00:59:51,940 --> 00:59:47,930

with the know time-space than I am

1361

00:59:53,920 --> 00:59:51,950

with this base I mean it's just I every

1362

00:59:55,960 --> 00:59:53,930

day I wake up and I'm kind of like stuck

1363

00:59:58,030 --> 00:59:55,970

in that space when I get out of bed I'm

1364

01:00:00,220 --> 00:59:58,040

just like I'm in the no time space you

1365

01:00:02,140 --> 01:00:00,230

know and I'm connecting with all my

1366

01:00:04,270 --> 01:00:02,150

selves and I've got all these things

1367

01:00:06,820 --> 01:00:04,280

going on and it takes me a little while

1368

01:00:09,010 --> 01:00:06,830

of meditating to get myself back into my

1369

01:00:10,930 --> 01:00:09,020

body and here and doing you know the

1370

01:00:13,120 --> 01:00:10,940

mundane thing that this humans got to do

1371

01:00:16,510 --> 01:00:13,130

at this lifetime it's kind of

1372

01:00:20,290 --> 01:00:16,520

disconcerting in a weird way it is

1373

01:00:25,000 --> 01:00:20,300

because when people and this is how it

1374

01:00:26,590 --> 01:00:25,010

happened to me when I was very sick it

1375

01:00:26,890 --> 01:00:26,600

was almost like I had one foot out the

1376

01:00:30,420 --> 01:00:26,900

door

1377

01:00:33,580 --> 01:00:30,430

so those worlds were very open to me

1378

01:00:37,150 --> 01:00:33,590

absolutely and the the more that I

1379

01:00:40,450 --> 01:00:37,160

healed myself the less I had that

1380

01:00:42,070 --> 01:00:40,460

connection yep that's true that's I

1381

01:00:45,580 --> 01:00:42,080

wouldn't when I spent three months in

1382

01:00:47,560 --> 01:00:45,590

bed thick myself I know exactly what you

1383

01:00:49,600 --> 01:00:47,570

mean and also the two weeks in the

1384

01:00:51,040 --> 01:00:49,610

hospital I don't remember any of it cuz

1385

01:00:53,230 --> 01:00:51,050

I tried to sleep the whole time so I

1386

01:00:56,710 --> 01:00:53,240

could stay out of my body and not feel

1387

01:01:00,250 --> 01:00:56,720

what was going on yeah so yeah so I I

1388

01:01:02,140 --> 01:01:00,260

think I think for certain people I'm not

1389

01:01:03,940 --> 01:01:02,150

saying this for you so don't worry about

1390

01:01:06,940 --> 01:01:03,950

it but I'm saying there's certain people

1391

01:01:10,540 --> 01:01:06,950

that have this opening within them

1392

01:01:12,790 --> 01:01:10,550

they've always had it and as they go

1393

01:01:16,540 --> 01:01:12,800

through the process of leaving this

1394

01:01:18,850 --> 01:01:16,550

third dimensional plane very slowly the

1395

01:01:21,580 --> 01:01:18,860

multi-dimensional plane starts to open

1396

01:01:23,500 --> 01:01:21,590

up to them so that it's a very clean

1397

01:01:26,620 --> 01:01:23,510

transition it's not like a shock of

1398

01:01:27,650 --> 01:01:26,630

death yeah it's that you're stepping

1399

01:01:32,360 --> 01:01:27,660

from one

1400

01:01:34,790 --> 01:01:32,370

- and other seamlessly yeah without like

1401

01:01:36,560 --> 01:01:34,800

that idea and that's that's the way that

1402

01:01:38,990 --> 01:01:36,570

I believe the Buddhist monks and all

1403

01:01:41,420 --> 01:01:39,000

these higher masters transition they

1404

01:01:43,450 --> 01:01:41,430

always use the word transition yeah and

1405

01:01:46,160 --> 01:01:43,460

they know the point when they're leaving

1406

01:01:49,370 --> 01:01:46,170

because they have that opening and

1407

01:01:51,470 --> 01:01:49,380

awareness of they can see how much

1408

01:01:53,230 --> 01:01:51,480

they're living in that world and how

1409

01:01:56,000 --> 01:01:53,240

much they're living in this world

1410

01:01:57,500 --> 01:01:56,010

absolutely well god that's so profound I

1411

01:01:59,930 --> 01:01:57,510

can't wait to talk about it more we got

1412

01:02:01,700 --> 01:01:59,940

to take a break and so we'll be back in

1413

01:02:04,850 --> 01:02:01,710

a few minutes folks and we're Jason

1414

01:02:06,800 --> 01:02:04,860

quits with us and it is the crystal Sun

1415

01:02:08,810 --> 01:02:06,810

calm please go check it out because I

1416

01:02:11,840 --> 01:02:08,820

think in the second hour work also and

1417

01:02:13,640 --> 01:02:11,850

he get to his secret space program

1418

01:02:15,890 --> 01:02:13,650

article that he wrote up on the crystal

1419

01:02:17,660 --> 01:02:15,900

Sun and we'll talk about that too we got

1420

01:02:24,770 --> 01:02:17,670

lots more to come so stick around we'll

1421

01:02:27,440 --> 01:02:24,780

be right back welcome back everyone to

1422

01:02:29,030 --> 01:02:27,450

the California MUFON radio show I'm your

1423

01:02:31,100 --> 01:02:29,040

host Lori and Fenton and we're here on

1424

01:02:33,320 --> 01:02:31,110

inception radio network the home of the

1425

01:02:35,060 --> 01:02:33,330

most amazing app on the planet I hope

1426

01:02:37,370 --> 01:02:35,070

you guys have it so you can listen to us

1427

01:02:39,440 --> 01:02:37,380

anywhere you go any time of day you can

1428

01:02:41,450 --> 01:02:39,450

eat a bologna sandwich and listen to me

1429

01:02:44,270 --> 01:02:41,460

talk at the same time isn't that amazing

1430

01:02:46,610 --> 01:02:44,280

the world has come to an end I gotta say

1431

01:02:48,320 --> 01:02:46,620

and I want to thank Mike vara over

1432

01:02:50,210 --> 01:02:48,330

late-night in the Midlands for repeating

1433

01:02:52,220 --> 01:02:50,220

my show over there and I believe there's

1434

01:02:54,140 --> 01:02:52,230

a couple more stations trying to pick me

1435

01:02:56,030 --> 01:02:54,150

up here at I are in and I haven't asked

1436

01:02:58,610 --> 01:02:56,040

Joe yet but I'm sure he'll share me with

1437

01:03:01,540 --> 01:02:58,620

everybody so I do hope you guys are

1438

01:03:05,180 --> 01:03:01,550

01:03:39,079 --> 01:03:36,869

Laurieann Fenton comm that's Laurieann

1456

01:03:44,710 --> 01:03:39,089

Fenton just like it sounds

1457

01:03:47,479 --> 01:03:44,720

lor ien Fenton f en t OU and.com and

1458

01:03:49,009 --> 01:03:47,489

probably visit around the first week of

1459

01:03:50,900 --> 01:03:49,019

November because I've got a brand new

1460

01:03:52,460 --> 01:03:50,910

site coming up I'm gonna have some very

1461

01:03:53,809 --> 01:03:52,470

special stuff there and I'm not gonna

1462

01:03:57,200 --> 01:03:53,819

talk about it all tonight in the show

1463

01:03:59,420 --> 01:03:57,210

but we will do a little bit about my new

1464

01:04:01,999 --> 01:03:59,430

website in one of the new upcoming shows

1465

01:04:05,029 --> 01:04:02,009

and also what else is going on oh yeah

1466

01:04:06,529 --> 01:04:05,039

get to a MUFON meeting near you how many

1467

01:04:09,259 --> 01:04:06,539

times do I have to say they say like a

1468

01:04:11,630 --> 01:04:09,269

broken record I know I do but you guys

1469

01:04:13,430 --> 01:04:11,640

you know the bottom line is if you don't

1470

01:04:16,940 --> 01:04:13,440

start talking to people other than

1471

01:04:18,440 --> 01:04:16,950

listening to me and Jason and all my

1472

01:04:20,450 --> 01:04:18,450

other guests here on the show you've got

1473

01:04:22,249 --> 01:04:20,460

to start talking to people you got to

1474

01:04:24,410 --> 01:04:22,259

look them dead in the eye when they're

1475

01:04:26,450 --> 01:04:24,420

talking to you about this stuff it is

1476

01:04:28,519 --> 01:04:26,460

very important there's an energetic

1477

01:04:30,799 --> 01:04:28,529

connection that happens between all the

1478

01:04:33,319 --> 01:04:30,809

people of like mind when they get

1479

01:04:36,380 --> 01:04:33,329

together it feeds your soul

1480

01:04:38,839 --> 01:04:36,390

I don't know how more specific I can be

1481

01:04:41,359 --> 01:04:38,849

it feeds your soul it keeps you from

1482

01:04:43,039 --> 01:04:41,369

getting the crazy human stuff that

1483

01:04:45,170 --> 01:04:43,049

they're trying to do to you on many

1484

01:04:48,349 --> 01:04:45,180

levels because as we all know there is

1485

01:04:50,329 --> 01:04:48,359

good there is evil and you've got to

1486

01:04:52,519 --> 01:04:50,339

renew it you've got to renourish your

1487

01:04:54,890 --> 01:04:52,529

soul by hanging out with people that

1488

01:04:56,720 --> 01:04:54,900

have the love frequency and that are

1489

01:04:58,880 --> 01:04:56,730

having contact maybe are not having

1490

01:05:01,099 --> 01:04:58,890

contact maybe they just seen a ship

1491

01:05:02,900 --> 01:05:01,109

maybe they're very open and conscious

1492

01:05:04,489 --> 01:05:02,910

maybe they've channel beings I don't

1493

01:05:06,259 --> 01:05:04,499

know what they do but you guys have all

1494

01:05:08,359 --> 01:05:06,269

got to get together and talk to each

1495

01:05:10,489 --> 01:05:08,369

other and have a good time you don't

1496

01:05:12,890 --> 01:05:10,499

even have to say anything just being in

1497

01:05:14,779 --> 01:05:12,900

it all together in a room is like it'll

1498

01:05:17,150 --> 01:05:14,789

raise the vibration of you for a whole

1499

01:05:19,279 --> 01:05:17,160

month it'll raise theirs too everybody

1500

01:05:21,170 --> 01:05:19,289

will be happy their work will be easier

1501

01:05:23,420 --> 01:05:21,180

for them their love life will be easier

1502

01:05:25,309 --> 01:05:23,430

for them you know cuz I gotta tell you

1503

01:05:28,640 --> 01:05:25,319

guys there aren't very many people out

1504

01:05:31,099 --> 01:05:28,650

there that are over like you know 40-ish

1505

01:05:33,140 --> 01:05:31,109

that have relationships where their

1506

01:05:34,999 --> 01:05:33,150

spouses really care about these things

1507

01:05:37,609 --> 01:05:35,009

with them I know it sounds really weird

1508

01:05:39,650 --> 01:05:37,619

but tell me the truth I go to these

1509

01:05:40,729 --> 01:05:39,660

conferences people I always go oh

1510

01:05:42,019 --> 01:05:40,739

where's your wife where's your

1511

01:05:42,560 --> 01:05:42,029

girlfriend where's this oh well they're

1512

01:05:44,810 --> 01:05:42,570

not really

1513

01:05:47,720 --> 01:05:44,820

into it I just came alone you know

1514

01:05:49,610 --> 01:05:47,730

that's really sad but you guys can help

1515

01:05:52,130 --> 01:05:49,620

them feel a little more accepted and

1516

01:05:54,320 --> 01:05:52,140

it's easier to deal with the people at

1517

01:05:56,150 --> 01:05:54,330

home if once a month you can go hang out

1518

01:05:59,240 --> 01:05:56,160

with somebody who really actually

1519

01:06:01,610 --> 01:05:59,250

believes you it really makes a

1520

01:06:03,350 --> 01:06:01,620

difference I gotta say so get to a MUFON

1521

01:06:06,470 --> 01:06:03,360

meeting near you all you have to do is

1522

01:06:09,830 --> 01:06:06,480

go to MUFON comm that's M UFO and

1523

01:06:11,810 --> 01:06:09,840

dot-com go to your state you'll find it

1524

01:06:13,340 --> 01:06:11,820

on there somewhere and just gotta travel

1525

01:06:14,960 --> 01:06:13,350

around on the buttons it's probably good

1526

01:06:17,510 --> 01:06:14,970

for you to get lost in there for a day

1527

01:06:20,480 --> 01:06:17,520

or two anyhow so find the button that

1528

01:06:22,130 --> 01:06:20,490

gets you to the chapters by state find

1529

01:06:23,840 --> 01:06:22,140

your state and then when you click on

1530

01:06:26,750 --> 01:06:23,850

your state your section your state

1531

01:06:28,340 --> 01:06:26,760

directors will pop up their emails are

1532

01:06:30,920 --> 01:06:28,350

there their phone numbers are there are

1533

01:06:32,630 --> 01:06:30,930

many cases their addresses are there

1534

01:06:35,000 --> 01:06:32,640

there's all kinds of information on how

1535

01:06:37,790 --> 01:06:35,010

to get ahold of them please call them

1536

01:06:40,370 --> 01:06:37,800

and say do you have a meeting where is

1537

01:06:42,560 --> 01:06:40,380

it what date what time do you have a

1538

01:06:44,720 --> 01:06:42,570

website I can visit and if you don't

1539

01:06:47,870 --> 01:06:44,730

have any of these things what can I do

1540

01:06:50,450 --> 01:06:47,880

to help you start a meeting in my area

1541

01:06:52,550 --> 01:06:50,460

and please offer to do it you guys

1542

01:06:55,190 --> 01:06:52,560

because it's really not that much work

1543

01:06:58,100 --> 01:06:55,200

it's pretty darn simple and it really

1544

01:06:59,750 --> 01:06:58,110

helps a lot of people so if you want to

1545

01:07:02,270 --> 01:06:59,760

help out the community and you don't

1546

01:07:04,370 --> 01:07:02,280

have the big bucks like Tom DeLonge you

1547

01:07:06,370 --> 01:07:04,380

can do it this way and you'll make a

1548

01:07:09,380 --> 01:07:06,380

difference I promise you one of my

1549

01:07:11,240 --> 01:07:09,390

favorite days of the month is when I'm

1550

01:07:14,240 --> 01:07:11,250

sitting at the dinner table a

1551
01:07:15,770 --> 01:07:14,250
lumberjack's restaurant and everybody is

1552
01:07:18,440 --> 01:07:15,780
sitting there talking to each other

1553
01:07:20,510 --> 01:07:18,450
laughing and sharing stories and talking

1554
01:07:22,190 --> 01:07:20,520
about their cats I don't know how we end

1555
01:07:24,530 --> 01:07:22,200
up there but we always have talking

1556
01:07:27,620 --> 01:07:24,540
about our cats which are most of our

1557
01:07:30,260 --> 01:07:27,630
children and we just really you guys

1558
01:07:33,170 --> 01:07:30,270
it's a connection that I can't describe

1559
01:07:36,950 --> 01:07:33,180
unless you've actually made one yourself

1560
01:07:39,170 --> 01:07:36,960
and I just run from in their 40s and

1561
01:07:40,790 --> 01:07:39,180
younger a little younger all the way to

1562
01:07:42,680 --> 01:07:40,800
80 years old and they're all

1563
01:07:45,080 --> 01:07:42,690

communicating at all having a good time

1564

01:07:47,660 --> 01:07:45,090

so it you know that it brings us all

1565

01:07:49,370 --> 01:07:47,670

together because it's not about age it's

1566

01:07:51,050 --> 01:07:49,380

not about how much money you have it's

1567

01:07:53,660 --> 01:07:51,060

not about anything it's about the love

1568

01:07:56,150 --> 01:07:53,670

in your hearts the contact you're having

1569

01:07:56,359 --> 01:07:56,160

and how you affect people that's really

1570

01:07:58,339 --> 01:07:56,369

the

1571

01:08:00,170 --> 01:07:58,349

bottom line folks so you know if you can

1572

01:08:01,880 --> 01:08:00,180

do that if you can start a meeting or

1573

01:08:03,589 --> 01:08:01,890

get to the meetings it'll make a big

1574

01:08:05,269 --> 01:08:03,599

difference in your life and other

1575

01:08:07,940 --> 01:08:05,279

people's lives as well

1576

01:08:10,970 --> 01:08:07,950

okay I'm done that's it that's the

1577

01:08:12,670 --> 01:08:10,980

advertisements for today okay Jason

1578

01:08:15,289 --> 01:08:12,680

where were we

1579

01:08:18,760 --> 01:08:15,299

okay well we were talking about the the

1580

01:08:21,110 --> 01:08:18,770

article that I put out on my

1581

01:08:29,570 --> 01:08:21,120

observations of the secret space program

1582

01:08:33,620 --> 01:08:29,580

and what prompted this was you know

1583

01:08:36,050 --> 01:08:33,630

people have been asking me about the

1584

01:08:39,590 --> 01:08:36,060

secret space program for well over a

1585

01:08:42,470 --> 01:08:39,600

year now or more than a year and you

1586

01:08:44,320 --> 01:08:42,480

know I've always been very sour when it

1587

01:08:46,910 --> 01:08:44,330

comes to the secret space program

1588

01:08:50,899 --> 01:08:46,920

because of my personal interaction with

1589

01:08:52,820 --> 01:08:50,909

fake secret space program whistleblowers

1590

01:08:55,220 --> 01:08:52,830

and and you know that story about me

1591

01:08:58,669 --> 01:08:55,230

yeah so you know I was taken for a ride

1592

01:09:02,539 --> 01:08:58,679

by someone who was completely not true

1593

01:09:03,379 --> 01:09:02,549

and that really impacted my life it

1594

01:09:06,499 --> 01:09:03,389

really hurt me

1595

01:09:08,599 --> 01:09:06,509

so because of that experience I was

1596

01:09:10,939 --> 01:09:08,609

always I don't want to have anything to

1597

01:09:12,410 --> 01:09:10,949

do with secret space program anything

1598

01:09:15,169 --> 01:09:12,420

right right

1599

01:09:20,329 --> 01:09:15,179

and it's been serving me well not being

1600

01:09:22,370 --> 01:09:20,339

a part of that you know and oh yeah I

1601

01:09:25,039 --> 01:09:22,380

just one quick note the same Pearson

1602

01:09:28,099 --> 01:09:25,049

really hurt me too I mean really hurt me

1603

01:09:31,579 --> 01:09:28,109

I was I was devastated for quite a bit

1604

01:09:33,680 --> 01:09:31,589

time after it all came out about him I

1605

01:09:35,360 --> 01:09:33,690

just really bothered me but you know

1606

01:09:37,729 --> 01:09:35,370

anyhow what do we do we live and learn

1607

01:09:40,640 --> 01:09:37,739

right yeah and I'm sure he's not the

1608

01:09:42,860 --> 01:09:40,650

only one yeah oh yeah see now it really

1609

01:09:45,260 --> 01:09:42,870

made me question everybody else to see

1610

01:09:47,990 --> 01:09:45,270

that's another problem yeah go ahead

1611

01:09:52,610 --> 01:09:48,000

right so so you're sour I'm sour over

1612

01:09:54,680 --> 01:09:52,620

both sour okay yeah no I was just

1613

01:09:56,990 --> 01:09:54,690

curious because you know I keep hearing

1614

01:10:00,410 --> 01:09:57,000

all these things 20 and back 20 and back

1615

01:10:02,600 --> 01:10:00,420

this is like common between these

1616

01:10:08,870 --> 01:10:02,610

experiencers of the secret space program

1617

01:10:10,190 --> 01:10:08,880

right and dr. Michael Sawa put out an

1618

01:10:12,320 --> 01:10:10,200

article just

1619

01:10:16,010 --> 01:10:12,330

couple days ago October 23rd with this

1620

01:10:18,770 --> 01:10:16,020

new whistleblower and his name is

1621

01:10:21,830 --> 01:10:18,780

Michael girl off I think I'm pronouncing

1622

01:10:24,470 --> 01:10:21,840

his name correctly yes and I by the way

1623

01:10:27,440 --> 01:10:24,480

I've met Michael I know I met him

1624

01:10:29,390 --> 01:10:27,450

yeah at the MUFON symposium he and I had

1625

01:10:32,420 --> 01:10:29,400

some chats together and we're at a party

1626

01:10:34,730 --> 01:10:32,430

together so rate I said yeah great okay

1627

01:10:36,260 --> 01:10:34,740

so I you know I said okay you know what

1628

01:10:40,100 --> 01:10:36,270

I'm gonna look into this and I started

1629

01:10:44,810 --> 01:10:40,110

to listen to him and his experiences

1630

01:10:46,550 --> 01:10:44,820

growing up mirrored identical to what I

1631

01:10:48,590 --> 01:10:46,560

wrote about in my book what I say in my

1632

01:10:52,070 --> 01:10:48,600

presentations everything that I talk

1633

01:10:55,580 --> 01:10:52,080

about is mirrored in his story oh you're

1634

01:10:57,680 --> 01:10:55,590

kidding see I know that no he said when

1635

01:10:59,540 --> 01:10:57,690

he when he was a child he would go into

1636

01:11:01,880 --> 01:10:59,550

like a sleep paralysis there would be a

1637

01:11:03,920 --> 01:11:01,890

shadow in his room there would be a

1638

01:11:06,680 --> 01:11:03,930

being by his bed who he described as

1639

01:11:09,710 --> 01:11:06,690

like a hooded being with a dog face in

1640

01:11:12,010 --> 01:11:09,720

his room and he would explain these

1641

01:11:14,930 --> 01:11:12,020

outer body experiences growing up and

1642

01:11:16,580 --> 01:11:14,940

you know you know my story and you know

1643

01:11:18,380 --> 01:11:16,590

people could watch the contact in the

1644

01:11:21,620 --> 01:11:18,390

desert thing what he says mirrors

1645

01:11:24,410 --> 01:11:21,630

everything that I said growing up which

1646

01:11:26,720 --> 01:11:24,420

I'm like okay this person either he's

1647

01:11:28,520 --> 01:11:26,730

taken all this information that he's

1648

01:11:31,550 --> 01:11:28,530

heard either for me and or other sources

1649

01:11:34,550 --> 01:11:31,560

or he's had these experiences which

1650

01:11:37,760 --> 01:11:34,560

makes him an experience for him and say

1651
01:11:41,660 --> 01:11:37,770
he is an experiencer and yes I think he

1652
01:11:43,670 --> 01:11:41,670
he's a contact II probably just my

1653
01:11:45,170 --> 01:11:43,680
opinion I'm throwing it out there maybe

1654
01:11:47,210 --> 01:11:45,180
there's more coming out with Michael

1655
01:11:50,420 --> 01:11:47,220
Salah about him that I didn't talk to

1656
01:11:52,850 --> 01:11:50,430
him about at the conference but my the

1657
01:11:55,490 --> 01:11:52,860
whole take when I started talking to him

1658
01:11:58,250 --> 01:11:55,500
about his experiences but that he's much

1659
01:12:01,580 --> 01:11:58,260
more a contact D type of consciousness

1660
01:12:05,210 --> 01:12:01,590
experience er and possibly a

1661
01:12:07,460 --> 01:12:05,220
super-soldier a little bit more than you

1662
01:12:10,280 --> 01:12:07,470
know just like you're straight out I'm a

1663
01:12:13,700 --> 01:12:10,290

secret space program candidate and I fly

1664

01:12:14,090 --> 01:12:13,710

you know triangles kind of thing so yeah

1665

01:12:16,490 --> 01:12:14,100

go ahead

1666

01:12:18,020 --> 01:12:16,500

so give you my opinion before you give

1667

01:12:20,390 --> 01:12:18,030

yours because I want to hear what the

1668

01:12:23,939 --> 01:12:20,400

difference is between our assessment so

1669

01:12:27,240 --> 01:12:23,949

I really liked them I heard a stone

1670

01:12:29,370 --> 01:12:27,250

and I was like this guy is a true

1671

01:12:31,830 --> 01:12:29,380

experencer because he is saying things

1672

01:12:36,090 --> 01:12:31,840

that I know about and people don't talk

1673

01:12:39,750 --> 01:12:36,100

like that why she's oh so so I'm like

1674

01:12:41,459 --> 01:12:39,760

okay this this guy is real so I started

1675

01:12:43,380 --> 01:12:41,469

listening and listening and listening to

1676

01:12:45,450 --> 01:12:43,390

his experience is that they're mostly

1677

01:12:48,150 --> 01:12:45,460

you know multi-dimensional

1678

01:12:51,360 --> 01:12:48,160

extra-dimensional psychic channeling

1679

01:12:52,950 --> 01:12:51,370

type of things and he gets to a part

1680

01:12:56,280 --> 01:12:52,960

that I find the most interesting is when

1681

01:12:58,530 --> 01:12:56,290

he joins I think it's they're Marines

1682

01:13:03,030 --> 01:12:58,540

and he was asked if he wants to join the

1683

01:13:06,689 --> 01:13:03,040

Space Marines at a secret program and he

1684

01:13:08,640 --> 01:13:06,699

says yes and he gets taken away and he

1685

01:13:10,919 --> 01:13:08,650

starts signing all these all this

1686

01:13:12,600 --> 01:13:10,929

paperwork and when he's done signing the

1687

01:13:15,840 --> 01:13:12,610

paperwork that he's gonna be part of the

1688

01:13:18,540 --> 01:13:15,850

Space Command they take him in a car and

1689

01:13:22,080 --> 01:13:18,550

as he's driving with these military men

1690

01:13:26,220 --> 01:13:22,090

in the car he says he loses

1691

01:13:28,560 --> 01:13:26,230

consciousness yeah he says that he feels

1692

01:13:31,260 --> 01:13:28,570

himself losing consciousness and then he

1693

01:13:33,630 --> 01:13:31,270

feels a sucking or a pulling from his

1694

01:13:37,290 --> 01:13:33,640

back where he goes into the seat behind

1695

01:13:41,640 --> 01:13:37,300

him and out the back of the car yeah

1696

01:13:45,780 --> 01:13:41,650

Danna he says the next thing he knows is

1697

01:13:49,500 --> 01:13:45,790

he wakes up in a medical bed with the

1698

01:13:52,260 --> 01:13:49,510

same military men around him as in no

1699

01:13:54,810 --> 01:13:52,270

time has passed and he feels very

1700

01:13:58,410 --> 01:13:54,820

ashamed because he fell asleep in the

1701

01:14:01,979 --> 01:13:58,420

car and then they just send them back to

1702

01:14:03,600 --> 01:14:01,989

the Marines and he's like well you said

1703

01:14:08,250 --> 01:14:03,610

I was joining the space thing but now

1704

01:14:11,280 --> 01:14:08,260

you just sent me right back yeah so then

1705

01:14:16,020 --> 01:14:11,290

as his life goes on he gets these

1706

01:14:19,939 --> 01:14:16,030

memories that come back to him oh cool

1707

01:14:22,169 --> 01:14:19,949

okay so so okay so I'm watching this and

1708

01:14:23,340 --> 01:14:22,179

we know I've been on your program I

1709

01:14:25,350 --> 01:14:23,350

don't even know how many times have been

1710

01:14:29,189 --> 01:14:25,360

on your program but we've talked in

1711

01:14:30,450 --> 01:14:29,199

depth about you know leaving but leaving

1712

01:14:32,810 --> 01:14:30,460

your body going to other dimensions

1713

01:14:35,910 --> 01:14:32,820

other worlds other parallel worlds

1714

01:14:37,600 --> 01:14:35,920

exactly yeah and then experience thing

1715

01:14:40,640 --> 01:14:37,610

and then coming back and having

1716

01:14:43,729 --> 01:14:40,650

no memory of it but then you start to

1717

01:14:45,770 --> 01:14:43,739

have these bleed throughs because memory

1718

01:14:48,320 --> 01:14:45,780

yeah and if you if you don't have that

1719

01:14:51,439 --> 01:14:48,330

basis of doing this like this is my life

1720

01:14:53,689 --> 01:14:51,449

I've been doing this forever you know

1721

01:14:57,520 --> 01:14:53,699

this is normal consciousness to me is

1722

01:14:58,820 --> 01:14:57,530

what these people are explaining right

1723

01:15:04,060 --> 01:14:58,830

exactly

1724

01:15:08,810 --> 01:15:04,070

yes so mean so these are true

1725

01:15:10,459 --> 01:15:08,820

experiencers but I don't think they're

1726

01:15:12,320 --> 01:15:10,469

they're coming close but I don't think

1727

01:15:15,470 --> 01:15:12,330

they're really grasping what's actually

1728

01:15:17,890 --> 01:15:15,480

occurring to them because you know they

1729

01:15:20,919 --> 01:15:17,900

can say they've been away you know like

1730

01:15:24,950 --> 01:15:20,929

Randy Cramer he's been you know 17 years

1731

01:15:26,570 --> 01:15:24,960

fighting on Mars right right but his

1732

01:15:30,439 --> 01:15:26,580

physical body is on Earth so how does

1733

01:15:33,379 --> 01:15:30,449

that happen exactly exactly

1734

01:15:36,109 --> 01:15:33,389

it's just like Corey Goode she says the

1735

01:15:39,760 --> 01:15:36,119

20 M back yeah they have technology to

1736

01:15:47,359 --> 01:15:39,770

age regress them and wipe their memory

1737

01:15:48,830 --> 01:15:47,369

see now yeah yeah I think this is just

1738

01:15:50,660 --> 01:15:48,840

my opinion you're probably gonna save

1739

01:15:54,109 --> 01:15:50,670

this right after I do or maybe you don't

1740

01:15:55,129 --> 01:15:54,119

agree with me but I think what they're

1741

01:15:56,839 --> 01:15:55,139

doing is they're taking their

1742

01:16:00,649 --> 01:15:56,849

consciousness to another dimensional

1743

01:16:04,790 --> 01:16:00,659

time-space and twenty years can go by in

1744

01:16:06,439 --> 01:16:04,800

a fraction of a second here so easily I

1745

01:16:09,740 --> 01:16:06,449

don't know how they do it but it can be

1746

01:16:11,990 --> 01:16:09,750

done and because the aliens do it all

1747

01:16:14,600 --> 01:16:12,000

the time yeah when you're with them

1748

01:16:15,649 --> 01:16:14,610

there's no time-space so that's exactly

1749

01:16:20,689 --> 01:16:15,659

what I wrote

1750

01:16:31,129 --> 01:16:20,699

oh did you oh thank you Laurie Ann for

1751

01:16:31,970 --> 01:16:31,139

not reading Laurie and we're on the

1752

01:16:36,770 --> 01:16:31,980

exact same page

1753

01:16:40,490 --> 01:16:36,780

oh okay because what I said is and I

1754

01:16:42,320 --> 01:16:40,500

laid it out very well I think is

1755

01:16:44,229 --> 01:16:42,330

basically your consciousness could be

1756

01:16:46,850 --> 01:16:44,239

taken out of one world and into another

1757

01:16:49,220 --> 01:16:46,860

your consciousness can be placed into

1758

01:16:51,100 --> 01:16:49,230

another body of you or a clone in a

1759

01:16:53,260 --> 01:16:51,110

parallel existence

1760

01:16:56,250 --> 01:16:53,270

yeah and the thing about consciousness

1761

01:16:59,350 --> 01:16:56,260

is it's not bound by time and space

1762

01:17:01,900 --> 01:16:59,360

which means when your consciousness

1763

01:17:05,590 --> 01:17:01,910

leaves your body you know what happens

1764

01:17:07,240 --> 01:17:05,600

to your body you go to sleep a new

1765

01:17:10,240 --> 01:17:07,250

consciousness leaves your body you go to

1766

01:17:12,820 --> 01:17:10,250

sleep or pass out so you're losing

1767

01:17:15,010 --> 01:17:12,830

consciousness now your consciousness

1768

01:17:19,270 --> 01:17:15,020

Lily goes to the place of no time and

1769

01:17:21,900 --> 01:17:19,280

from that place in no time it can go to

1770

01:17:24,730 --> 01:17:21,910

that dimension or parallel existence

1771

01:17:26,590 --> 01:17:24,740

have that experience that experience

1772

01:17:30,310 --> 01:17:26,600

could be five seconds it could be twenty

1773

01:17:33,610 --> 01:17:30,320

years then it goes back to the place of

1774

01:17:36,160 --> 01:17:33,620

no time and then back to your body and

1775

01:17:40,260 --> 01:17:36,170

you wake up and the most amazing thing

1776

01:17:42,970 --> 01:17:40,270

about this is there's no break in time

1777

01:17:45,430 --> 01:17:42,980

there's no break here there's no yeah

1778

01:17:47,590 --> 01:17:45,440

that's correct so your consciousness

1779

01:17:50,680 --> 01:17:47,600

could be out there doing what it has to

1780

01:17:53,560 --> 01:17:50,690

do but when you come back you just wake

1781

01:17:58,090 --> 01:17:53,570

up there's no break in time except for

1782

01:18:00,340 --> 01:17:58,100

you're sleeping but but here's the thing

1783

01:18:03,490 --> 01:18:00,350

that's very important is that people

1784

01:18:05,050 --> 01:18:03,500

that are experiences like this

1785

01:18:06,880 --> 01:18:05,060

whistleblower that just came forward

1786

01:18:11,590 --> 01:18:06,890

that we were talking about Michael I

1787

01:18:15,550 --> 01:18:11,600

think his name is yeah Michael yeah when

1788

01:18:20,530 --> 01:18:15,560

you're an experimenter sometimes you get

1789

01:18:22,450 --> 01:18:20,540

a lot of bleed through yes which means a

1790

01:18:24,520 --> 01:18:22,460

normal person it would just be like a

1791

01:18:27,790 --> 01:18:24,530

dream they lose it it's gone

1792

01:18:30,570 --> 01:18:27,800

yeah but the experimenter for some reason

1793

01:18:35,500 --> 01:18:30,580

has a way of retaining some of the

1794

01:18:38,080 --> 01:18:35,510

moments of those memories so they can

1795

01:18:40,830 --> 01:18:38,090

they can feel like they were on Mars

1796

01:18:46,510 --> 01:18:40,840

fighting a war which they were

1797

01:18:48,580 --> 01:18:46,520

absolutely but their interpretation is

1798

01:18:52,180 --> 01:18:48,590

they were there physically on a secret

1799

01:18:56,340 --> 01:18:52,190

project right right when that's not that

1800

01:18:59,440 --> 01:18:56,350

case so I feel like there's this

1801

01:19:02,200 --> 01:18:59,450

disconnect where you know people are

1802

01:19:04,990 --> 01:19:02,210

saying no this is physical this is Space

1803

01:19:08,050 --> 01:19:05,000

Command they took me they gave me a pill

1804

01:19:11,650 --> 01:19:08,060

and suddenly I'm a child again yeah yeah

1805

01:19:13,930 --> 01:19:11,660

you know well does that mean that in the

1806

01:19:18,220 --> 01:19:13,940

physical 3d reality they can alter time

1807

01:19:20,650 --> 01:19:18,230

and space and you can't you have to step

1808

01:19:24,490 --> 01:19:20,660

out of time and space to do those things

1809

01:19:27,790 --> 01:19:24,500

and when you're an experimenter like

1810

01:19:29,860 --> 01:19:27,800

myself like you like others you know

1811

01:19:32,080 --> 01:19:29,870

that most of these experiences happen

1812

01:19:35,230 --> 01:19:32,090

once you start to lose consciousness or

1813

01:19:37,240 --> 01:19:35,240

go to sleep it's always in the different

1814

01:19:39,370 --> 01:19:37,250

you know like theta what are the the

1815

01:19:41,620 --> 01:19:39,380

five stages or three stages of sleep I

1816

01:19:44,110 --> 01:19:41,630

don't remember minds always in the one

1817

01:19:48,850 --> 01:19:44,120

right before awakening I don't know it

1818

01:19:51,160 --> 01:19:48,860

obvious alpha how I'm always there yes

1819

01:19:53,170 --> 01:19:51,170

and you know that's what meditation is

1820

01:19:54,520 --> 01:19:53,180

the meditation puts you in the alpha

1821

01:19:56,100 --> 01:19:54,530

state which you will have outer body

1822

01:19:58,090 --> 01:19:56,110

experiences memories come back

1823

01:20:01,840 --> 01:19:58,100

communication will open up because

1824

01:20:05,110 --> 01:20:01,850

you're entering that no space exact if

1825

01:20:08,380 --> 01:20:05,120

these gifted people what makes them

1826

01:20:12,030 --> 01:20:08,390

gifted is that they could retain the

1827

01:20:15,100 --> 01:20:12,040

know space in their waking life yeah

1828

01:20:19,840 --> 01:20:15,110

that's it agree with you that's the

1829

01:20:23,020 --> 01:20:19,850

secret yeah right so in the article what

1830

01:20:24,610 --> 01:20:23,030

I laid out for everybody and I'll just

1831

01:20:27,130 --> 01:20:24,620

kind of go through this very fast is

1832

01:20:28,540 --> 01:20:27,140

there's a couple really important points

1833

01:20:31,510 --> 01:20:28,550

that we have to understand before we

1834

01:20:35,160 --> 01:20:31,520

even get into this information okay and

1835

01:20:38,470 --> 01:20:35,170

you know the first point is we are all

1836

01:20:41,230 --> 01:20:38,480

eternal multi-dimensional beings yes

1837

01:20:44,850 --> 01:20:41,240

that's the first thing the second thing

1838

01:20:47,800 --> 01:20:44,860

is we live in a multiverse which

1839

01:20:50,470 --> 01:20:47,810

encompasses parallel worlds multiple

1840

01:20:52,080 --> 01:20:50,480

dimensions and in and out of time and

1841

01:20:54,850 --> 01:20:52,090

space

1842

01:20:57,850 --> 01:20:54,860

and the third most important thing is

1843

01:21:01,270 --> 01:20:57,860

time and space does not exist outside of

1844

01:21:02,800 --> 01:21:01,280

this third dimensional reality so if you

1845

01:21:07,320 --> 01:21:02,810

can leave the third dimensional reality

1846

01:21:10,270 --> 01:21:07,330

you are not restricted by time or space

1847

01:21:12,940 --> 01:21:10,280

all right so those are the three main

1848

01:21:16,960 --> 01:21:12,950

points that we all have to understand

1849

01:21:18,490 --> 01:21:16,970

that that is our true reality and once

1850

01:21:18,970 --> 01:21:18,500

we understand that then we can start

1851
01:21:20,650 --> 01:21:18,980
getting

1852
01:21:25,450 --> 01:21:20,660
to the secret space program type of

1853
01:21:27,580 --> 01:21:25,460
stuff okay so so now that we're we

1854
01:21:29,170 --> 01:21:27,590
understand let's say everybody listening

1855
01:21:32,380 --> 01:21:29,180
now is nodding their head going yeah I

1856
01:21:35,890 --> 01:21:32,390
get that so what about the secret space

1857
01:21:37,420 --> 01:21:35,900
program though are yes okay let me

1858
01:21:40,000 --> 01:21:37,430
rephrase that I'm trying I'm trying to

1859
01:21:42,610 --> 01:21:40,010
go down two paths at the same time

1860
01:21:44,770 --> 01:21:42,620
why are certain secret space program

1861
01:21:46,900 --> 01:21:44,780
people remembering stuff why are others

1862
01:21:48,460 --> 01:21:46,910
not and I think you're gonna have an

1863
01:21:51,430 --> 01:21:48,470

answer for me for that and the other

1864

01:21:53,890 --> 01:21:51,440

question is why are experiencers that

1865

01:21:57,130 --> 01:21:53,900

are being taken up by aliens in the ship

1866

01:21:59,260 --> 01:21:57,140

and being experimented on physically not

1867

01:22:01,690 --> 01:21:59,270

remembering maybe that they were in a

1868

01:22:04,000 --> 01:22:01,700

secret space program you know are they

1869

01:22:05,800 --> 01:22:04,010

completely different things going on

1870

01:22:07,540 --> 01:22:05,810

here I mean they're you know which I

1871

01:22:09,790 --> 01:22:07,550

think there are but you know what's your

1872

01:22:11,950 --> 01:22:09,800

opinion on that I think there's many

1873

01:22:14,020 --> 01:22:11,960

different things going on and I think

1874

01:22:16,690 --> 01:22:14,030

that people are looking for answers like

1875

01:22:18,790 --> 01:22:16,700

why was I taken with this and then they

1876

01:22:21,250 --> 01:22:18,800

remember something in there let's say

1877

01:22:23,110 --> 01:22:21,260

they're a military person yeah well

1878

01:22:26,020 --> 01:22:23,120

let's say a military person gets taken

1879

01:22:28,840 --> 01:22:26,030

on a ship and they remember certain

1880

01:22:31,210 --> 01:22:28,850

things because of their life experiences

1881

01:22:35,170 --> 01:22:31,220

they can say this is part of my military

1882

01:22:36,700 --> 01:22:35,180

experience gotcha when it may not have

1883

01:22:39,670 --> 01:22:36,710

anything to do with a military

1884

01:22:42,190 --> 01:22:39,680

experience it has to do with their

1885

01:22:45,340 --> 01:22:42,200

awakening process or their connection to

1886

01:22:49,030 --> 01:22:45,350

their multi-dimensional selves right

1887

01:22:51,820 --> 01:22:49,040

right okay that makes sense because you

1888

01:22:54,700 --> 01:22:51,830

know rich Rogers one of my first secret

1889

01:22:57,910 --> 01:22:54,710

super soldiers that came out he oh he

1890

01:23:00,880 --> 01:22:57,920

wrote a book called a interdimensional

1891

01:23:03,160 --> 01:23:00,890

warrior or spiritual warrior and he's

1892

01:23:05,110 --> 01:23:03,170

taken every night and he wakes up every

1893

01:23:07,600 --> 01:23:05,120

morning and remembers his training on

1894

01:23:09,670 --> 01:23:07,610

another planet I mean he just totally

1895

01:23:13,000 --> 01:23:09,680

remembers it now here's the kicker on

1896

01:23:15,670 --> 01:23:13,010

this one you're gonna love this his son

1897

01:23:17,950 --> 01:23:15,680

was the reason he came forward to me and

1898

01:23:19,720 --> 01:23:17,960

wrote his book is because his son was

1899

01:23:21,130 --> 01:23:19,730

starting to remember he would have

1900

01:23:23,860 --> 01:23:21,140

dreams where his son was starting to

1901
01:23:26,020 --> 01:23:23,870
show up in them and then he said at the

1902
01:23:29,410 --> 01:23:26,030
breakfast table with his son and his son

1903
01:23:32,430 --> 01:23:29,420
son would ask him why didn't you use a

1904
01:23:36,850 --> 01:23:32,440
different weapon last night

1905
01:23:38,620 --> 01:23:36,860
not amazing I know and he now here's the

1906
01:23:41,439 --> 01:23:38,630
real kicker and this is what blew my

1907
01:23:44,800 --> 01:23:41,449
mind I have another friend that is a

1908
01:23:47,740 --> 01:23:44,810
total experiencer and he's taken every

1909
01:23:50,200 --> 01:23:47,750
night almost every night - and he

1910
01:23:51,910 --> 01:23:50,210
remembers everything and he's been going

1911
01:23:53,649 --> 01:23:51,920
through this training program very

1912
01:23:57,700 --> 01:23:53,659
similar to rich Rogers this training

1913
01:23:59,260 --> 01:23:57,710

program and his son is now coming to the

1914

01:24:03,280 --> 01:23:59,270

breakfast table and asking him questions

1915

01:24:07,330 --> 01:24:03,290

about their sorte the night before so

1916

01:24:09,600 --> 01:24:07,340

it's now becoming clear to me that this

1917

01:24:11,530 --> 01:24:09,610

is now a dimensional consciousness

1918

01:24:14,410 --> 01:24:11,540

experiment going on with the

1919

01:24:17,410 --> 01:24:14,420

extraterrestrials or whoever's doing it

1920

01:24:21,970 --> 01:24:17,420

that has progressed beyond taking

1921

01:24:24,189 --> 01:24:21,980

families for egg and sperm and making

1922

01:24:26,260 --> 01:24:24,199

hybrid children I think now they're on

1923

01:24:29,580 --> 01:24:26,270

to the consciousness phase just my

1924

01:24:32,500 --> 01:24:29,590

opinion about that what do you think

1925

01:24:36,780 --> 01:24:32,510

yeah it definitely could be I'm gonna

1926

01:24:39,450 --> 01:24:36,790

give it a little twist okay I'm ready

1927

01:24:46,860 --> 01:24:39,460

now

1928

01:24:48,939 --> 01:24:46,870

we're being sold going to outer space

1929

01:24:50,800 --> 01:24:48,949

okay so that's our level of

1930

01:24:52,660 --> 01:24:50,810

consciousness we're being sold that we

1931

01:24:55,360 --> 01:24:52,670

could have technology to to leave this

1932

01:24:57,939 --> 01:24:55,370

planet yeah that's where we are in our

1933

01:25:00,399 --> 01:24:57,949

evolution basically exactly like we're

1934

01:25:02,260 --> 01:25:00,409

gonna hit Mars in 2020 or whatever it is

1935

01:25:04,870 --> 01:25:02,270

they think we're gonna get there and you

1936

01:25:06,910 --> 01:25:04,880

know blah blah if now so right so what

1937

01:25:10,540 --> 01:25:06,920

if the true hidden reality which you're

1938

01:25:13,660 --> 01:25:10,550

talking about is that it's not about

1939

01:25:16,149 --> 01:25:13,670

going to space it's about going through

1940

01:25:19,450 --> 01:25:16,159

dimensions of time and space and you

1941

01:25:23,220 --> 01:25:19,460

don't take a ship to get there oh cool

1942

01:25:25,750 --> 01:25:23,230

okay so you're asking why the

1943

01:25:29,530 --> 01:25:25,760

experencer is doing this is because

1944

01:25:31,450 --> 01:25:29,540

this experiencers are already open to

1945

01:25:34,120 --> 01:25:31,460

the multi-dimensional experience they're

1946

01:25:36,820 --> 01:25:34,130

already having these experiences of

1947

01:25:40,840 --> 01:25:36,830

parallel dimensions and worlds right

1948

01:25:43,510 --> 01:25:40,850

right alright so for example if a

1949

01:25:45,190 --> 01:25:43,520

military faction let's say the secret

1950

01:25:47,800 --> 01:25:45,200

space program

1951

01:25:50,050 --> 01:25:47,810

sees a person of interest which is like

1952

01:25:54,430 --> 01:25:50,060

a person with required talents and

1953

01:25:58,000 --> 01:25:54,440

abilities they say okay this subject

1954

01:26:00,310 --> 01:25:58,010

this individual is a dimensional I'll

1955

01:26:03,160 --> 01:26:00,320

just give it a name okay so this person

1956

01:26:05,440 --> 01:26:03,170

is a dimensional which means that they

1957

01:26:08,040 --> 01:26:05,450

are they're already open to the

1958

01:26:10,540 --> 01:26:08,050

multi-dimensional experience and now

1959

01:26:13,000 --> 01:26:10,550

here's the next thing that we have to

1960

01:26:16,060 --> 01:26:13,010

understand if they already know about

1961

01:26:20,580 --> 01:26:16,070

dimensionals it means they're already

1962

01:26:23,200 --> 01:26:20,590

having contact with other worlds

1963

01:26:25,000 --> 01:26:23,210

absolutely okay and they're they're

1964

01:26:27,850 --> 01:26:25,010

exchanging information they're

1965

01:26:30,360 --> 01:26:27,860

exchanging technologies between worlds

1966

01:26:33,760 --> 01:26:30,370

and when I say worlds I'm talking about

1967

01:26:36,070 --> 01:26:33,770

parallel timelines you know if you think

1968

01:26:37,960 --> 01:26:36,080

of parallel timelines there can be a

1969

01:26:41,410 --> 01:26:37,970

version of earth that we could have

1970

01:26:44,830 --> 01:26:41,420

contact with that is 2,000 years more

1971

01:26:46,810 --> 01:26:44,840

advanced than us oh absolutely yeah okay

1972

01:26:51,190 --> 01:26:46,820

it's the same timeline but they're 2,000

1973

01:26:53,670 --> 01:26:51,200

years ahead of us yeah you know so if we

1974

01:26:57,070 --> 01:26:53,680

are open to that type of communication

1975

01:27:01,540 --> 01:26:57,080

they may say you know what there's a war

1976

01:27:04,690 --> 01:27:01,550

going on on Mars and we have all these

1977

01:27:06,190 --> 01:27:04,700

clones out there fighting but you know

1978

01:27:08,490 --> 01:27:06,200

the clones aren't really good they need

1979

01:27:11,650 --> 01:27:08,500

human consciousness to fight these wars

1980

01:27:15,160 --> 01:27:11,660

they say okay we're gonna get you some

1981

01:27:18,150 --> 01:27:15,170

soldiers you know they they drugged them

1982

01:27:20,640 --> 01:27:18,160

or do something to these people and

1983

01:27:22,930 --> 01:27:20,650

suddenly their consciousness is

1984

01:27:24,760 --> 01:27:22,940

transported out of their body to that

1985

01:27:28,170 --> 01:27:24,770

other world so then now they're part of

1986

01:27:29,410 --> 01:27:28,180

the military faction on this timeline ah

1987

01:27:32,860 --> 01:27:29,420

got it

1988

01:27:34,750 --> 01:27:32,870

Wow okay and then when their service is

1989

01:27:38,650 --> 01:27:34,760

done at that parallel world they come

1990

01:27:43,660 --> 01:27:38,660

back like nothing has happened yes you

1991

01:27:48,190 --> 01:27:43,670

know it's it's I'm just saying that our

1992

01:27:51,340 --> 01:27:48,200

minds haven't expanded in a way where we

1993

01:27:53,650 --> 01:27:51,350

can see other realities to bring in more

1994

01:27:56,380 --> 01:27:53,660

information because if this is the way

1995

01:27:58,050 --> 01:27:56,390

the world really is if the world are is

1996

01:28:01,950 --> 01:27:58,060

part of a pair

1997

01:28:05,170 --> 01:28:01,960

multi-universe then you are living

1998

01:28:06,610 --> 01:28:05,180

simultaneous experiences eternally oh

1999

01:28:10,660 --> 01:28:06,620

absolutely

2000

01:28:14,500 --> 01:28:10,670

and what and you've heard my experiences

2001
01:28:19,000 --> 01:28:14,510
where I can jump and wake up in another

2002
01:28:20,650 --> 01:28:19,010
body oh yeah so cool could you tell us a

2003
01:28:23,560 --> 01:28:20,660
little bit about one of those

2004
01:28:25,060 --> 01:28:23,570
experiences so the audience gets an idea

2005
01:28:26,620 --> 01:28:25,070
of what you're talking about because I

2006
01:28:28,870 --> 01:28:26,630
know about it but I'm not sure everybody

2007
01:28:30,610 --> 01:28:28,880
even knows you know they may not listen

2008
01:28:32,800 --> 01:28:30,620
to your first couple of interviews with

2009
01:28:34,959 --> 01:28:32,810
me so sure sure talk about one of those

2010
01:28:38,200 --> 01:28:34,969
experiences would you sure they all

2011
01:28:39,970 --> 01:28:38,210
started with outer body experiences so

2012
01:28:41,830 --> 01:28:39,980
basically I would leave my body at night

2013
01:28:43,780 --> 01:28:41,840

it's very similar to a near-death

2014

01:28:46,360 --> 01:28:43,790

experience where you can see your body

2015

01:28:48,700 --> 01:28:46,370

laying on the bed you get pulled like a

2016

01:28:51,310 --> 01:28:48,710

magnet it it feels like a magnetic pull

2017

01:28:54,610 --> 01:28:51,320

and a portal opens up and you get sucked

2018

01:28:57,550 --> 01:28:54,620

into the portal and you'll fly through

2019

01:29:00,760 --> 01:28:57,560

this portal and let's say you come out

2020

01:29:04,360 --> 01:29:00,770

into outer space and I see a planet

2021

01:29:08,380 --> 01:29:04,370

ahead of me I will go down into that

2022

01:29:11,680 --> 01:29:08,390

planet into another being and I'd wake

2023

01:29:15,340 --> 01:29:11,690

up as that person just like in the movie

2024

01:29:17,950 --> 01:29:15,350

Avatar yes yeah exactly and there's

2025

01:29:22,090 --> 01:29:17,960

there's various stages to that I would

2026

01:29:24,940 --> 01:29:22,100

say 95% of those experiences it's like

2027

01:29:26,350 --> 01:29:24,950

your consciousness latches on so you're

2028

01:29:31,630 --> 01:29:26,360

not in control you're just an observer

2029

01:29:33,160 --> 01:29:31,640

of that life around that being okay okay

2030

01:29:35,200 --> 01:29:33,170

so it's like you're just walking around

2031

01:29:36,970 --> 01:29:35,210

with someone else but you know you're

2032

01:29:40,120 --> 01:29:36,980

having that experience through somebody

2033

01:29:43,660 --> 01:29:40,130

else and then maybe 5% of that is where

2034

01:29:46,840 --> 01:29:43,670

you enter the body and suddenly it's you

2035

01:29:50,729 --> 01:29:46,850

it's like you're crazy Jason from Earth

2036

01:29:54,130 --> 01:29:50,739

is now running around another planet you

2037

01:29:56,140 --> 01:29:54,140

know that's very slow that you know that

2038

01:30:01,570 --> 01:29:56,150

doesn't happen too often where you have

2039

01:30:03,820 --> 01:30:01,580

full control but basically your spirit

2040

01:30:06,850 --> 01:30:03,830

your energy your consciousness has its

2041

01:30:10,840 --> 01:30:06,860

unique vibration it's like every person

2042

01:30:13,530 --> 01:30:10,850

has a unique song and when that song

2043

01:30:17,010 --> 01:30:13,540

enters into another world or dimension

2044

01:30:23,260 --> 01:30:17,020

it's instantly drawn like a magnet to

2045

01:30:25,420 --> 01:30:23,270

the same frequency which is you yeah all

2046

01:30:28,900 --> 01:30:25,430

right so you can go to some other place

2047

01:30:32,800 --> 01:30:28,910

and time or space you may not be human

2048

01:30:34,390 --> 01:30:32,810

but it's still your song so you may go

2049

01:30:36,960 --> 01:30:34,400

and attach yourself to some alien

2050

01:30:40,810 --> 01:30:36,970

looking thing but it's still you

2051

01:30:42,790 --> 01:30:40,820

Brian till your essence yeah you know so

2052

01:30:44,410 --> 01:30:42,800

this just one quick question does this

2053

01:30:47,590 --> 01:30:44,420

have anything to do with like soul

2054

01:30:50,470 --> 01:30:47,600

groups and the reason I ask is because I

2055

01:30:54,340 --> 01:30:50,480

have this one vision when I was about 15

2056

01:30:56,140 --> 01:30:54,350

years old and I had I was sitting there

2057

01:30:59,680 --> 01:30:56,150

I don't know what was going on but I

2058

01:31:02,490 --> 01:30:59,690

suddenly was taken into deep space I

2059

01:31:05,500 --> 01:31:02,500

think it was it was all dark and

2060

01:31:08,770 --> 01:31:05,510

basically I was part of a group of a

2061

01:31:11,770 --> 01:31:08,780

consciousness pod that was floating

2062

01:31:15,220 --> 01:31:11,780

through time and space to our next

2063

01:31:17,110 --> 01:31:15,230

dimension night not Nick Nick next

2064

01:31:20,080 --> 01:31:17,120

dimension but next place of where we

2065

01:31:23,190 --> 01:31:20,090

were going to become part of the the the

2066

01:31:26,290 --> 01:31:23,200

world the life force that was there and

2067

01:31:28,060 --> 01:31:26,300

so when you say that there's a resonance

2068

01:31:30,850 --> 01:31:28,070

or a frequency and you go into it in

2069

01:31:33,220 --> 01:31:30,860

that dimension maybe I was just into

2070

01:31:35,350 --> 01:31:33,230

that cloud at that moment with my pod

2071

01:31:38,050 --> 01:31:35,360

and I could feel everything that the pod

2072

01:31:40,060 --> 01:31:38,060

was feeling and but I was still single

2073

01:31:44,530 --> 01:31:40,070

but I was part of a group kind like the

2074

01:31:46,030 --> 01:31:44,540

Borg but we had no bodies we were just

2075

01:31:48,340 --> 01:31:46,040

consciousness floating around and

2076

01:31:50,740 --> 01:31:48,350

wherever and I'm oh you're interesting

2077

01:31:54,430 --> 01:31:50,750

so is that the kind of thing you're

2078

01:32:00,610 --> 01:31:54,440

talking about or is wherever my

2079

01:32:02,620 --> 01:32:00,620

consciousness lie similar okay lurk

2080

01:32:06,060 --> 01:32:02,630

because what you're describing is a

2081

01:32:08,350 --> 01:32:06,070

group like a soul group yeah yeah and

2082

01:32:14,560 --> 01:32:08,360

you could be coming from the same

2083

01:32:16,690 --> 01:32:14,570

essence okay as in those consciousnesses

2084

01:32:18,760 --> 01:32:16,700

around you those other beings would

2085

01:32:21,010 --> 01:32:18,770

actually be part of your collective like

2086

01:32:23,799 --> 01:32:21,020

you said like the Borg but they're going

2087

01:32:27,970 --> 01:32:23,809

to be I almost had farmed out

2088

01:32:29,709 --> 01:32:27,980

if you farmed out other experiences but

2089

01:32:33,669 --> 01:32:29,719

because you're connected to them it's

2090

01:32:36,760 --> 01:32:33,679

almost like your family so that for

2091

01:32:38,770 --> 01:32:36,770

example a lot of people have contact

2092

01:32:41,080 --> 01:32:38,780

experience where a being will come to

2093

01:32:43,209 --> 01:32:41,090

them and say I am your family I am part

2094

01:32:45,490 --> 01:32:43,219

of you oh yeah a lot of people I'm

2095

01:32:48,129 --> 01:32:45,500

always amazed when that happens yeah

2096

01:32:51,669 --> 01:32:48,139

it's really it's happened to me multiple

2097

01:32:53,220 --> 01:32:51,679

times yeah and there's a there's a soul

2098

01:32:56,319 --> 01:32:53,230

connection there's a consciousness

2099

01:32:58,569 --> 01:32:56,329

connection there that is you feel it

2100

01:33:00,010 --> 01:32:58,579

it's like a it's like a homecoming

2101

01:33:03,069 --> 01:33:00,020

that's what it feels like it's like

2102

01:33:06,640 --> 01:33:03,079

where have you been it's such an amazing

2103

01:33:10,799 --> 01:33:06,650

experience so your family your soul

2104

01:33:12,760 --> 01:33:10,809

group family could come and visit you

2105

01:33:14,350 --> 01:33:12,770

unfortunately here on earth we're not

2106

01:33:16,089 --> 01:33:14,360

taught about soul families we're not

2107

01:33:17,220 --> 01:33:16,099

taught about parallels we're not taught

2108

01:33:20,169 --> 01:33:17,230

about any of this stuff

2109

01:33:21,910 --> 01:33:20,179

multi-dimensional so when so when the

2110

01:33:23,919 --> 01:33:21,920

family comes here you're like in shock

2111

01:33:26,890 --> 01:33:23,929

and you're like oh my god I'm you know

2112

01:33:29,260 --> 01:33:26,900

an alien came and saw me and I don't

2113

01:33:34,089 --> 01:33:29,270

know whether to fear it or to love it or

18t storm

2128
01:34:06,390 --> 01:34:03,909
part of some trick exactly yeah that's

2129
01:34:09,000 --> 01:34:06,400
you know and that's the thing that David

2130
01:34:11,459 --> 01:34:09,010
Jacobs and I still we argue with him

2131
01:34:13,469 --> 01:34:11,469
about it because you know you you can't

2132
01:34:15,540 --> 01:34:13,479
just say that everything's horrible is

2133
01:34:17,549 --> 01:34:15,550
there - yeah or whatever they're you

2134
01:34:20,279 --> 01:34:17,559
know doing something evil to you you

2135
01:34:22,350 --> 01:34:20,289
know I think it's our misperception in

2136
01:34:25,620 --> 01:34:22,360
many cases now I'm not saying there

2137
01:34:28,469 --> 01:34:25,630
aren't some bad you know juju aliens out

2138
01:34:30,359 --> 01:34:28,479

there but I just think it you know I

2139

01:34:32,520 --> 01:34:30,369

think we need to be much more

2140

01:34:34,799 --> 01:34:32,530

open-minded about the contact we're

2141

01:34:36,870 --> 01:34:34,809

having you would be having the contact

2142

01:34:37,799 --> 01:34:36,880

if you weren't ready for it right and

2143

01:34:42,689 --> 01:34:37,809

it's that simple

2144

01:34:47,299 --> 01:34:42,699

yeah and for those of us that have had

2145

01:34:50,520 --> 01:34:47,309

these experiences it is scary

2146

01:34:53,250 --> 01:34:50,530

yeah it is you do have a lot of fear

2147

01:34:55,259 --> 01:34:53,260

even if you think oh yeah like you know

2148

01:34:59,370 --> 01:34:55,269

I'm tough I'm good just bring bring the

2149

01:35:00,930 --> 01:34:59,380

alien to me try try feeling something

2150

01:35:04,350 --> 01:35:00,940

walking in your room and when you open

2151
01:35:07,890 --> 01:35:04,360
your eyes there's a like how big is this

2152
01:35:10,919 --> 01:35:07,900
eight but I got you know a three foot

2153
01:35:13,620 --> 01:35:10,929
wide mantis face an inch from yours oh

2154
01:35:16,020 --> 01:35:13,630
my god that happened you didn't it yeah

2155
01:35:21,390 --> 01:35:16,030
try it yeah try not to hit it with a

2156
01:35:26,729 --> 01:35:21,400
pillow a pillow how about the 45 well I

2157
01:35:28,919 --> 01:35:26,739
don't have that under my pillow yeah no

2158
01:35:30,330 --> 01:35:28,929
that would be so disconcerting I

2159
01:35:33,089 --> 01:35:30,340
wouldn't even you know I'd just be a

2160
01:35:35,279 --> 01:35:33,099
mess for quite some time right but but

2161
01:35:37,379 --> 01:35:35,289
then you realize oh it's just it's just

2162
01:35:39,660 --> 01:35:37,389
another self like just checking up and

2163
01:35:41,850 --> 01:35:39,670

saying what's up excited yeah

2164

01:35:45,839 --> 01:35:41,860

but you have to calm down first it's not

2165

01:35:48,330 --> 01:35:45,849

fun to wake up and be scared it's not

2166

01:35:51,359 --> 01:35:48,340

fun and you know I always tell the joke

2167

01:35:56,459 --> 01:35:51,369

to people it's only scary the first 500

2168

01:35:58,979 --> 01:35:56,469

times well yeah you know I didn't even

2169

01:36:00,989 --> 01:35:58,989

see this reptilian that hugged me from

2170

01:36:03,330 --> 01:36:00,999

the back seat and told me he loved me

2171

01:36:06,060 --> 01:36:03,340

and I was sitting in the the rest

2172

01:36:07,859 --> 01:36:06,070

stopped out of Las Vegas for two and a

2173

01:36:11,129 --> 01:36:07,869

half hours shaking I couldn't even drive

2174

01:36:13,450 --> 01:36:11,139

the car I didn't even see him I just

2175

01:36:16,120 --> 01:36:13,460

felt him and heard him you know I can

2176

01:36:18,670 --> 01:36:16,130

and room but I identified seen him oh my

2177

01:36:21,100 --> 01:36:18,680

god I think Simpsons that are perfectly

2178

01:36:23,020 --> 01:36:21,110

where mr. Burnes walks out of the forest

2179

01:36:26,080 --> 01:36:23,030

and he's he's an alien and he says I

2180

01:36:38,970 --> 01:36:26,090

bring you love and he goes they go quick

2181

01:36:42,070 --> 01:36:38,980

he's bringing in love kill them the show

2182

01:36:44,709 --> 01:36:42,080

you know that maybe they're they're all

2183

01:36:49,420 --> 01:36:44,719

about love and we're just too tough to

2184

01:36:53,050 --> 01:36:49,430

figure it out the pitchforks torches and

2185

01:36:55,360 --> 01:36:53,060

run out is so funny I kind of rent that

2186

01:36:58,180 --> 01:36:55,370

that's what the Simpsons yeah it's an

2187

01:37:00,870 --> 01:36:58,190

early episode I'll try to find it like

2188

01:37:04,330 --> 01:37:00,880

the first South Park episode where

2189

01:37:07,750 --> 01:37:04,340

Cartman gets the 30-foot dish antenna in

2190

01:37:10,570 --> 01:37:07,760

the heather unknown rear end of his you

2191

01:37:13,390 --> 01:37:10,580

know I I thought that was just amazing

2192

01:37:14,890 --> 01:37:13,400

to me what was more amazing about the

2193

01:37:17,080 --> 01:37:14,900

whole thing was the fact that that was

2194

01:37:19,360 --> 01:37:17,090

their first episode ever and they and

2195

01:37:24,130 --> 01:37:19,370

they brought in aliens I thought that

2196

01:37:25,870 --> 01:37:24,140

was just so profound well I think that

2197

01:37:28,600 --> 01:37:25,880

the most profound thing about that

2198

01:37:32,950 --> 01:37:28,610

episode was that earth was a reality

2199

01:37:34,479 --> 01:37:32,960

show for aliens oh that's right you know

2200

01:37:36,940 --> 01:37:34,489

like what's gonna happen when we put a

2201

01:37:41,680 --> 01:37:36,950

crocodile with a giraffe like that's

2202

01:37:45,190 --> 01:37:41,690

good great television right it's just

2203

01:37:46,840 --> 01:37:45,200

it's amazing to me that we are you know

2204

01:37:52,180 --> 01:37:46,850

we could be the entertainment value for

2205

01:37:54,370 --> 01:37:52,190

the universe I don't know oh my god it's

2206

01:37:55,890 --> 01:37:54,380

just so amazing to me we're aliens play

2207

01:37:59,740 --> 01:37:55,900

such a huge part of our consciousness

2208

01:38:02,140 --> 01:37:59,750

you know here nowadays I mean doesn't

2209

01:38:04,270 --> 01:38:02,150

that blow you away ever since the et

2210

01:38:06,910 --> 01:38:04,280

film you know phone home et and all that

2211

01:38:09,729 --> 01:38:06,920

came out and an Independence Day and

2212

01:38:12,090 --> 01:38:09,739

ants you know Star Wars and the whole

2213

01:38:15,400 --> 01:38:12,100

bit ever since those films all came out

2214

01:38:18,040 --> 01:38:15,410

it's become aliens are just part of our

2215

01:38:19,270 --> 01:38:18,050

culture now well so crazy

2216

01:38:21,520 --> 01:38:19,280

can I say something a little

2217

01:38:23,290 --> 01:38:21,530

mind-blowing yeah well of course you

2218

01:38:27,250 --> 01:38:23,300

can't okay

2219

01:38:32,110 --> 01:38:27,260

our reality is co-created

2220

01:38:34,120 --> 01:38:32,120

we have to literally see our dreams see

2221

01:38:35,979 --> 01:38:34,130

our future in front of us and we will

2222

01:38:39,810 --> 01:38:35,989

get there right

2223

01:38:43,390 --> 01:38:39,820

that's so you know we could have

2224

01:38:45,340 --> 01:38:43,400

episodes on TV of you know craft flying

2225

01:38:47,100 --> 01:38:45,350

in the sky before there was planes and

2226

01:38:50,860 --> 01:38:47,110

they would say that's impossible

2227

01:38:54,370 --> 01:38:50,870

but then we did it you know we can see

2228

01:38:57,040 --> 01:38:54,380

you know Star Trek and I would say Star

2229

01:38:59,229 --> 01:38:57,050

Trek not Star Wars you know we can see

2230

01:39:02,920 --> 01:38:59,239

Star Trek which is very highly advanced

2231

01:39:04,830 --> 01:39:02,930

I would say protocol of the universe you

2232

01:39:08,350 --> 01:39:04,840

know go out there and and assist

2233

01:39:11,020 --> 01:39:08,360

basically non-intervention and we can

2234

01:39:12,820 --> 01:39:11,030

see that and because we see it as

2235

01:39:15,430 --> 01:39:12,830

becoming part of our consciousness

2236

01:39:17,740 --> 01:39:15,440

it's almost pulling us into the future

2237

01:39:20,320 --> 01:39:17,750

like we are going to get there because

2238

01:39:24,250 --> 01:39:20,330

we've already created it and we're gonna

2239

01:39:27,430 --> 01:39:24,260

get there yeah that's true that is true

2240

01:39:29,320 --> 01:39:27,440

so let's just have all the aliens to

2241

01:39:32,650 --> 01:39:29,330

have all the aliens and all the people

2242

01:39:34,450 --> 01:39:32,660

coming forward it's almost like it's

2243

01:39:37,150 --> 01:39:34,460

going to get to a mass consciousness

2244

01:39:41,650 --> 01:39:37,160

where that is just going to be our

2245

01:39:45,070 --> 01:39:41,660

reality interesting interesting and so

2246

01:39:46,900 --> 01:39:45,080

like a 100 year scenario wake up and

2247

01:39:48,880 --> 01:39:46,910

they'll just you know check in with

2248

01:39:51,520 --> 01:39:48,890

their relatives happen to be you know

2249

01:39:54,390 --> 01:39:51,530

reptilian whatever five telepathic

2250

01:39:56,830 --> 01:39:54,400

communication instead of a cell phone

2251

01:39:59,080 --> 01:39:56,840

I'll be like who needs a cell phone

2252

01:40:01,000 --> 01:39:59,090

right yeah exactly just be like I wake

2253

01:40:03,729 --> 01:40:01,010

up and I go I wonder how my cousin

2254

01:40:06,100 --> 01:40:03,739

overrun you know whatever planet or

2255

01:40:08,500 --> 01:40:06,110

other dimension amen they start mapping

2256

01:40:10,120 --> 01:40:08,510

the dimensions and I'll just give them a

2257

01:40:11,650 --> 01:40:10,130

call in my head and say hey how you

2258

01:40:13,180 --> 01:40:11,660

doing is everything okay over there do

2259

01:40:15,040 --> 01:40:13,190

you need me for anything and he'll go no

2260

01:40:16,830 --> 01:40:15,050

we're good we're fine you know thanks

2261

01:40:19,540 --> 01:40:16,840

bye

2262

01:40:21,490 --> 01:40:19,550

so I don't have to travel there in my

2263

01:40:25,479 --> 01:40:21,500

dreams maybe it'll get to the point

2264

01:40:28,240 --> 01:40:25,489

where we're conscious of our traveling

2265

01:40:31,330 --> 01:40:28,250

or our you know other dimensional space

2266

01:40:33,610 --> 01:40:31,340

being time when we sleep because

2267

01:40:35,709 --> 01:40:33,620

obviously the government must have this

2268

01:40:37,570 --> 01:40:35,719

down to a science or they would be

2269

01:40:40,300 --> 01:40:37,580

sending people into the secret space

2270

01:40:41,830 --> 01:40:40,310

program that way right I remember

2271

01:40:45,010 --> 01:40:41,840

reading a book

2272

01:40:47,979 --> 01:40:45,020

by Robert Monroe oh I love that book I'm

2273

01:40:49,930 --> 01:40:47,989

in and he's talking about going up a

2274

01:40:52,750 --> 01:40:49,940

thousand years in the future yeah

2275

01:40:54,700 --> 01:40:52,760

remember this yeah and basically he's

2276

01:40:57,880 --> 01:40:54,710

saying that you know he's on some type

2277

01:41:02,830 --> 01:40:57,890

of ship in the atmosphere or outside the

2278

01:41:06,220 --> 01:41:02,840

atmosphere and basically they're they're

2279

01:41:09,970 --> 01:41:06,230

not physical you've evolved to a point

2280

01:41:14,080 --> 01:41:09,980

where they're not physical but this

2281

01:41:17,290 --> 01:41:14,090

planet is like the Eden and it has so

2282

01:41:20,950 --> 01:41:17,300

much life-forms on this planet that you

2283

01:41:23,680 --> 01:41:20,960

can say hmm I really want to experience

2284

01:41:26,440 --> 01:41:23,690

what it's like to be a shark in the

2285

01:41:28,330 --> 01:41:26,450

ocean exactly and then their

2286

01:41:30,459 --> 01:41:28,340

consciousness would go and be the shark

2287

01:41:32,200 --> 01:41:30,469

to have that experience and maybe beam

2288

01:41:34,420 --> 01:41:32,210

they wouldn't have the experience and

2289

01:41:36,820 --> 01:41:34,430

they leave they go back and they go okay

2290

01:41:39,040 --> 01:41:36,830

well I want to do this and I want to do

2291

01:41:41,020 --> 01:41:39,050

that so they're choosing what they want

2292

01:41:44,560 --> 01:41:41,030

to experience so they're not bound by a

2293

01:41:49,709 --> 01:41:44,570

the physicality of bodies right right

2294

01:41:53,470 --> 01:41:49,719

exactly yeah and I think that that is

2295

01:41:56,320 --> 01:41:53,480

probably the most beautiful evolution I

2296

01:41:58,510 --> 01:41:56,330

can think of because they are saying

2297

01:42:01,990 --> 01:41:58,520

that that I think what he was saying is

2298

01:42:04,270 --> 01:42:02,000

that the earth was destroyed but they

2299

01:42:07,240 --> 01:42:04,280

after they've evolved to a point where

2300

01:42:09,100 --> 01:42:07,250

they could completely heal the planet

2301
01:42:11,260 --> 01:42:09,110
and bring the species back and now they

2302
01:42:15,190 --> 01:42:11,270
enjoy it and they experience everything

2303
01:42:18,940 --> 01:42:15,200
I mean isn't that incredible you know I

2304
01:42:21,760 --> 01:42:18,950
love that in the once and future king by

2305
01:42:25,030 --> 01:42:21,770
psy to teach why I camera it's this

2306
01:42:27,880 --> 01:42:25,040
whole name but he wrote about training

2307
01:42:29,979 --> 01:42:27,890
King Arthur Merlin was training King

2308
01:42:32,560 --> 01:42:29,989
Arthur to be you know whatever it is he

2309
01:42:36,760 --> 01:42:32,570
turns out to be I want to say I've been

2310
01:42:39,400 --> 01:42:36,770
in Evelyn's King but knows what he did

2311
01:42:44,110 --> 01:42:39,410
you know anyhow bottom line to all this

2312
01:42:46,600 --> 01:42:44,120
is in the book he says to him I want you

2313
01:42:48,370 --> 01:42:46,610

to experience being the fish and I'll

2314

01:42:51,010 --> 01:42:48,380

never forget that party it was many

2315

01:42:53,680 --> 01:42:51,020

other animals too but you would talk and

2316

01:42:54,580 --> 01:42:53,690

into becoming the fish and being in the

2317

01:42:57,370 --> 01:42:54,590

water and

2318

01:42:59,470 --> 01:42:57,380

variance but fish does and feels and and

2319

01:43:02,200 --> 01:42:59,480

he did this with many different types of

2320

01:43:05,850 --> 01:43:02,210

animals and the whole reason he had him

2321

01:43:09,010 --> 01:43:05,860

do this was so that he could see

2322

01:43:11,290 --> 01:43:09,020

different views of what was going on

2323

01:43:13,660 --> 01:43:11,300

around him whether it be warfare or

2324

01:43:17,260 --> 01:43:13,670

romance or friends or you know other

2325

01:43:19,570 --> 01:43:17,270

peoples just you know their presence

2326

01:43:21,459 --> 01:43:19,580

that he could get into them so

2327

01:43:23,950 --> 01:43:21,469

empathically that he could understand

2328

01:43:27,250 --> 01:43:23,960

what they're feeling in the moment so he

2329

01:43:29,290 --> 01:43:27,260

can make good decisions as king and i

2330

01:43:31,240 --> 01:43:29,300

just thought to myself now if we all

2331

01:43:33,669 --> 01:43:31,250

could do that if we could all become

2332

01:43:37,540 --> 01:43:33,679

that empathic that we could feel the

2333

01:43:40,629 --> 01:43:37,550

other person's you know physicality or

2334

01:43:43,149 --> 01:43:40,639

feel their their emotions or have their

2335

01:43:44,859 --> 01:43:43,159

thoughts in our head we won't be this

2336

01:43:46,450 --> 01:43:44,869

mean as we are because if there was if

2337

01:43:48,010 --> 01:43:46,460

and it goes back to the whole alien

2338

01:43:49,600 --> 01:43:48,020

thing of if we could all read each

2339

01:43:53,200 --> 01:43:49,610

other's minds we never kill each other

2340

01:43:56,080 --> 01:43:53,210

right yes and now we have these two

2341

01:43:57,939 --> 01:43:56,090

futures now where it's like you have one

2342

01:43:58,570 --> 01:43:57,949

group that wants to get to what you're

2343

01:44:02,260 --> 01:43:58,580

saying

2344

01:44:04,750 --> 01:44:02,270

using technology exactly and then you

2345

01:44:07,620 --> 01:44:04,760

have one group that says no we just want

2346

01:44:10,839 --> 01:44:07,630

to raise our vibrations and meditate and

2347

01:44:13,240 --> 01:44:10,849

do this naturally so you have these two

2348

01:44:16,540 --> 01:44:13,250

divisions that are happening right now

2349

01:44:19,330 --> 01:44:16,550

in our society isn't that interesting

2350

01:44:23,050 --> 01:44:19,340

but that is the next step the next step

2351

01:44:27,010 --> 01:44:23,060

is to feel and expand your awareness to

2352

01:44:29,010 --> 01:44:27,020

the others and then I think even beyond

2353

01:44:34,839 --> 01:44:29,020

that so let's go even way beyond this

2354

01:44:38,050 --> 01:44:34,849

okay you get to experience your

2355

01:44:42,669 --> 01:44:38,060

parallels oh you know what I'm already

2356

01:44:45,310 --> 01:44:42,679

doing that alright so eyes in it's not

2357

01:44:48,640 --> 01:44:45,320

that much fun right now I guess tell you

2358

01:44:52,750 --> 01:44:48,650

but go ahead yeah as in it yeah go ahead

2359

01:44:56,160 --> 01:44:52,760

could you let's just think for a second

2360

01:44:59,260 --> 01:44:56,170

that your consciousness has now played

2361

01:45:01,899 --> 01:44:59,270

millions of experiences through time and

2362

01:45:05,919 --> 01:45:01,909

space exactly and now you have a

2363

01:45:08,469 --> 01:45:05,929

reservoir of experiences so that if you

2364

01:45:12,219 --> 01:45:08,479

are in situations you can just

2365

01:45:15,959 --> 01:45:12,229

go right there you can be that soldier

2366

01:45:19,180 --> 01:45:15,969

you can be that spaceman you can be that

2367

01:45:22,870 --> 01:45:19,190

chef you know yeah or fly a helicopter

2368

01:45:24,759 --> 01:45:22,880

just like in the matrix I mean it's yeah

2369

01:45:26,410 --> 01:45:24,769

and that's very interesting you're

2370

01:45:28,419 --> 01:45:26,420

saying that because I was just thinking

2371

01:45:30,729 --> 01:45:28,429

about that yesterday morning when I was

2372

01:45:34,209 --> 01:45:30,739

waking up because I have a tendency to

2373

01:45:35,620 --> 01:45:34,219

get into all my realities and like I

2374

01:45:37,239 --> 01:45:35,630

said I have to sort them all out and get

2375

01:45:40,029 --> 01:45:37,249

back to this one and when I wake up in

2376

01:45:42,520 --> 01:45:40,039

the morning and people ask me all the

2377

01:45:44,439 --> 01:45:42,530

time they go there's no way you've done

2378

01:45:47,410 --> 01:45:44,449

all you've done in the 60 years you've

2379

01:45:49,689 --> 01:45:47,420

been around and I said yes there is

2380

01:45:52,540 --> 01:45:49,699

because I know how to be many different

2381

01:45:55,270 --> 01:45:52,550

people at the same time and no one gets

2382

01:45:58,870 --> 01:45:55,280

that when I say it they you I bet you

2383

01:46:00,279 --> 01:45:58,880

know is they go how can you be a you

2384

01:46:01,359 --> 01:46:00,289

know on the computer and do what you do

2385

01:46:03,129 --> 01:46:01,369

on the computer how can you bring

2386

01:46:04,870 --> 01:46:03,139

conferences how can you work in job as a

2387

01:46:06,250 --> 01:46:04,880

bookkeeper how can you do this how could

2388

01:46:07,810 --> 01:46:06,260

you have a professional dance company

2389

01:46:09,430 --> 01:46:07,820

how could you be a dancer you know how

2390

01:46:11,529 --> 01:46:09,440

can you do all this nobody does all that

2391

01:46:13,779 --> 01:46:11,539

I can be a Potter I can do this I go

2392

01:46:17,049 --> 01:46:13,789

because I just tap into whatever it is

2393

01:46:19,540 --> 01:46:17,059

that I'm doing on my other timelines and

2394

01:46:23,680 --> 01:46:19,550

I just do it you know it's really no big

2395

01:46:25,930 --> 01:46:23,690

deal so when the matrix came out and

2396

01:46:27,879 --> 01:46:25,940

they were downloading stuff - what's her

2397

01:46:30,250 --> 01:46:27,889

name - like fly the helicopter in like

2398

01:46:31,629 --> 01:46:30,260

one second flat yeah I was sitting there

2399

01:46:33,580 --> 01:46:31,639

laughing because I thought to myself

2400

01:46:37,600 --> 01:46:33,590

well shoot where I'm already doing that

2401
01:46:39,069 --> 01:46:37,610
but on any a much slower basis and we

2402
01:46:42,009 --> 01:46:39,079
maybe I'll get to the point where we can

2403
01:46:43,689 --> 01:46:42,019
do that just like every day right I mean

2404
01:46:46,410 --> 01:46:43,699
it should just become common occurrence

2405
01:46:50,199 --> 01:46:46,420
within the next 50 years I would have

2406
01:46:51,879 --> 01:46:50,209
it's it's a very nice idea and many

2407
01:46:55,930 --> 01:46:51,889
people are already experiencing these

2408
01:46:57,209 --> 01:46:55,940
types of downloads and it mostly comes

2409
01:47:00,850 --> 01:46:57,219
when you're in danger

2410
01:47:02,890 --> 01:47:00,860
well that's true now that I think right

2411
01:47:05,799 --> 01:47:02,900
so it's like let's say you're in a

2412
01:47:07,330 --> 01:47:05,809
life-threatening situation suddenly you

2413
01:47:09,459 --> 01:47:07,340

know how to get out of it you would

2414

01:47:12,729 --> 01:47:09,469

never know that information without for

2415

01:47:16,810 --> 01:47:12,739

some reason this thing came to you yeah

2416

01:47:20,770 --> 01:47:16,820

it's an it's because we do have higher

2417

01:47:22,360 --> 01:47:20,780

aspects of ourselves that are making

2418

01:47:25,240 --> 01:47:22,370

sure we do what we have to do

2419

01:47:27,550 --> 01:47:25,250

while we're here so if something's gonna

2420

01:47:28,450 --> 01:47:27,560

happen to us that's not supposed to

2421

01:47:30,910 --> 01:47:28,460

happen to us

2422

01:47:34,390 --> 01:47:30,920

there will be an intervention from these

2423

01:47:35,830 --> 01:47:34,400

higher beings to save us and a higher

2424

01:47:37,630 --> 01:47:35,840

being is yourself

2425

01:47:39,190 --> 01:47:37,640

they'll hire me right the hiding is

2426

01:47:42,040 --> 01:47:39,200

yourself and it's not going against your

2427

01:47:42,940 --> 01:47:42,050

free will because it is you right right

2428

01:47:46,300 --> 01:47:42,950

that makes sense

2429

01:47:48,280 --> 01:47:46,310

yeah you know so it's not like you know

2430

01:47:51,750 --> 01:47:48,290

some guiding hand is coming in and

2431

01:47:54,160 --> 01:47:51,760

saying nope sorry you know you're not

2432

01:47:56,730 --> 01:47:54,170

you have much more to do I'm gonna pull

2433

01:48:00,610 --> 01:47:56,740

you off the bridge you know yeah yeah

2434

01:48:02,860 --> 01:48:00,620

it's when you experience all these other

2435

01:48:05,260 --> 01:48:02,870

lives yourself do you find that it's

2436

01:48:06,970 --> 01:48:05,270

easier to do things that like let's see

2437

01:48:08,410 --> 01:48:06,980

you wake up one day and you go shoot you

2438

01:48:12,220 --> 01:48:08,420

know I really need to go work on the car

2439

01:48:14,110 --> 01:48:12,230

and maybe you don't want to but you know

2440

01:48:15,730 --> 01:48:14,120

do you ever just feel like well you know

2441

01:48:17,530 --> 01:48:15,740

maybe I can figure this out for myself

2442

01:48:18,670 --> 01:48:17,540

and you go out there and you kind of do

2443

01:48:20,080 --> 01:48:18,680

something and you've made an

2444

01:48:23,470 --> 01:48:20,090

accomplishment that you didn't think you

2445

01:48:25,150 --> 01:48:23,480

can do do you do you say to yourself

2446

01:48:27,130 --> 01:48:25,160

well it's just because I've got a higher

2447

01:48:28,900 --> 01:48:27,140

IQ and I know what I can figure things

2448

01:48:31,030 --> 01:48:28,910

out or you say oh maybe it's because

2449

01:48:32,590 --> 01:48:31,040

I've done this in another life you know

2450

01:48:34,800 --> 01:48:32,600

or I'm doing it in another life right

2451
01:48:37,090 --> 01:48:34,810
now in a parallel universe you know I

2452
01:48:41,050 --> 01:48:37,100
don't think of it that way I've just

2453
01:48:44,310 --> 01:48:41,060
always had the personality where it's

2454
01:48:47,250 --> 01:48:44,320
like why it's like just go do it

2455
01:48:50,260 --> 01:48:47,260
exactly yeah some people say like wow

2456
01:48:51,850 --> 01:48:50,270
how did you do this how did you make

2457
01:48:54,850 --> 01:48:51,860
that video or how did you make that

2458
01:48:57,970 --> 01:48:54,860
music or how did you you know put this

2459
01:49:01,210 --> 01:48:57,980
book together I said I just had to do it

2460
01:49:03,520 --> 01:49:01,220
I just did it that's my response to

2461
01:49:05,410 --> 01:49:03,530
everybody to is I just did it you just

2462
01:49:07,360 --> 01:49:05,420
have to learn how to do it yourself like

2463
01:49:09,940 --> 01:49:07,370

why are you pulling all these people in

2464

01:49:13,930 --> 01:49:09,950

pieces to help you guide you along the

2465

01:49:15,670 --> 01:49:13,940

way it's like if you got to get it done

2466

01:49:17,910 --> 01:49:15,680

just get it done and learn how to do it

2467

01:49:21,100 --> 01:49:17,920

because now you're acquiring this skill

2468

01:49:23,230 --> 01:49:21,110

exactly exactly now why is that so hard

2469

01:49:24,790 --> 01:49:23,240

for most people to grasp on this planet

2470

01:49:28,480 --> 01:49:24,800

I've yet to figure that out

2471

01:49:30,910 --> 01:49:28,490

but I do believe with my whole heart

2472

01:49:35,740 --> 01:49:30,920

Jason that all of us who have been

2473

01:49:37,920 --> 01:49:35,750

touched by the having this awareness

2474

01:49:41,830 --> 01:49:37,930

this consciousness aspect to ourselves

2475

01:49:44,170 --> 01:49:41,840

we can do anything you know we are a

2476

01:49:48,190 --> 01:49:44,180

very bright group of people you know you

2477

01:49:51,460 --> 01:49:48,200

go to the conferences and the brainpower

2478

01:49:54,430 --> 01:49:51,470

in a room of experiencers or

2479

01:49:56,140 --> 01:49:54,440

consciousness people or scientists that

2480

01:49:59,470 --> 01:49:56,150

have been touched by consciousness or

2481

01:50:02,830 --> 01:49:59,480

anybody who has that ability or has had

2482

01:50:06,220 --> 01:50:02,840

that connection they are really smart

2483

01:50:09,070 --> 01:50:06,230

cookies I mean really I'm always always

2484

01:50:11,590 --> 01:50:09,080

very impressed and how brilliant some of

2485

01:50:13,510 --> 01:50:11,600

these people are and it's 90% of them

2486

01:50:16,090 --> 01:50:13,520

I'm not kidding folks it's a it's a very

2487

01:50:17,740 --> 01:50:16,100

smart group of people at International

2488

01:50:19,420 --> 01:50:17,750

UFO Congress last year I was sitting

2489

01:50:21,400 --> 01:50:19,430

around looking around the room and I was

2490

01:50:25,090 --> 01:50:21,410

just thinking oh my god everybody I know

2491

01:50:28,510 --> 01:50:25,100

in this room must have at least of 135

2492

01:50:32,680 --> 01:50:28,520

IQ if not bigger you know you know

2493

01:50:35,320 --> 01:50:32,690

genius level you know so it's just

2494

01:50:36,970 --> 01:50:35,330

amazing to me do you believe that do you

2495

01:50:40,090 --> 01:50:36,980

believe that contact these in

2496

01:50:42,460 --> 01:50:40,100

consciousness it blessed people are are

2497

01:50:44,950 --> 01:50:42,470

a little smarter than the average bear

2498

01:50:47,380 --> 01:50:44,960

or am I just imagining this

2499

01:50:51,370 --> 01:50:47,390

I would I would just put it in different

2500

01:50:54,340 --> 01:50:51,380

terms I would say that you have the

2501
01:50:57,400 --> 01:50:54,350
person that is just focused on what is

2502
01:51:00,730 --> 01:50:57,410
in front of them the task at hand this

2503
01:51:03,820 --> 01:51:00,740
is what life is this is all I know you

2504
01:51:06,520 --> 01:51:03,830
know so it holds them and lets it you

2505
01:51:08,080 --> 01:51:06,530
know it holds them in a box and then you

2506
01:51:09,880 --> 01:51:08,090
have someone that's been held in a box

2507
01:51:12,520 --> 01:51:09,890
and suddenly they're touched by

2508
01:51:15,880 --> 01:51:12,530
consciousness and suddenly they can see

2509
01:51:19,210 --> 01:51:15,890
outside those confines it makes them a

2510
01:51:21,160 --> 01:51:19,220
very different thinker usually it makes

2511
01:51:26,140 --> 01:51:21,170
them perceive things at a very different

2512
01:51:28,770 --> 01:51:26,150
way so you can have very different

2513
01:51:30,550 --> 01:51:28,780

conversations with experiencers and

2514

01:51:35,440 --> 01:51:30,560

researchers that have been touched by

2515

01:51:39,670 --> 01:51:35,450

consciousness because the conversation

2516

01:51:42,430 --> 01:51:39,680

is not held with boundaries absolutely I

2517

01:51:44,620 --> 01:51:42,440

find with these experiences I can just

2518

01:51:47,680 --> 01:51:44,630

say anything I can throw out a crazy

2519

01:51:51,419 --> 01:51:47,690

concept and they're on it oh absolutely

2520

01:51:53,740 --> 01:51:51,429

it they'll help you research

2521

01:51:56,260 --> 01:51:53,750

whereas if you're talking to someone on

2522

01:51:58,390 --> 01:51:56,270

the bus you know who's focused on their

2523

01:52:00,120 --> 01:51:58,400

life they'll just raise their eyebrows

2524

01:52:03,609 --> 01:52:00,130

even go back to what they're doing Oh

2525

01:52:05,919 --> 01:52:03,619

exactly yeah it's so amazing to me you

2526

01:52:09,550 --> 01:52:05,929

know I really I got a bless all the

2527

01:52:11,470 --> 01:52:09,560

people out there that that were not

2528

01:52:13,090 --> 01:52:11,480

afraid you know have not been afraid and

2529

01:52:16,629 --> 01:52:13,100

they talked to other people about this

2530

01:52:18,820 --> 01:52:16,639

stuff because you know the hardest thing

2531

01:52:21,100 --> 01:52:18,830

to do is to come out and be open about

2532

01:52:23,260 --> 01:52:21,110

what's happened to you on any level

2533

01:52:25,120 --> 01:52:23,270

because somebody's gonna judge you you

2534

01:52:27,040 --> 01:52:25,130

know that's that's the biggest fear of

2535

01:52:29,590 --> 01:52:27,050

this somebody that hasn't had the

2536

01:52:34,090 --> 01:52:29,600

consciousness experience is always ready

2537

01:52:36,220 --> 01:52:34,100

and poised to judge you and for you to

2538

01:52:38,590 --> 01:52:36,230

come out the way you have and our buddy

2539

01:52:41,919 --> 01:52:38,600

John D'Souza who used to work for the

2540

01:52:44,890 --> 01:52:41,929

FBI I mean my point to saying this is

2541

01:52:46,840 --> 01:52:44,900

this some very amazing people are coming

2542

01:52:49,750 --> 01:52:46,850

out now and talking about their

2543

01:52:52,180 --> 01:52:49,760

experiences that you know like Paul

2544

01:52:55,330 --> 01:52:52,190

Hellyer I mean people like that I mean

2545

01:52:58,629 --> 01:52:55,340

just some really amazing government

2546

01:53:01,720 --> 01:52:58,639

types or healers like yourself or John

2547

01:53:03,189 --> 01:53:01,730

or John whose ex-fbi I mean it's like

2548

01:53:05,200 --> 01:53:03,199

they're coming out of the woodwork now

2549

01:53:07,870 --> 01:53:05,210

from so many walks of life that are very

2550

01:53:11,189 --> 01:53:07,880

well the revered walks of life you know

2551
01:53:13,570 --> 01:53:11,199
and I'm just so happy this is happening

2552
01:53:15,580 --> 01:53:13,580
do you think there's a reason why this

2553
01:53:17,979 --> 01:53:15,590
is happening right now within the last

2554
01:53:21,070 --> 01:53:17,989
18 months to two years and it just seems

2555
01:53:24,479 --> 01:53:21,080
like since 2015 there's just been an

2556
01:53:26,890 --> 01:53:24,489
exponential amount of people being brave

2557
01:53:29,050 --> 01:53:26,900
do you think they got a little dose of

2558
01:53:30,490 --> 01:53:29,060
bravery or from somewhere or do you

2559
01:53:34,510 --> 01:53:30,500
think they've just all decided well you

2560
01:53:36,669 --> 01:53:34,520
know what I'm just gonna talk you know

2561
01:53:39,100 --> 01:53:36,679
it's like a floodgate it's like once

2562
01:53:41,770 --> 01:53:39,110
they start hearing people like myself

2563
01:53:45,669 --> 01:53:41,780

and all these other people talking it

2564

01:53:48,340 --> 01:53:45,679

gives them more confidence I get emails

2565

01:53:50,229 --> 01:53:48,350

every single day I'm not joking every

2566

01:53:54,879 --> 01:53:50,239

single day I get emails from people

2567

01:53:56,370 --> 01:53:54,889

saying to me what you said I experienced

2568

01:53:59,589 --> 01:53:56,380

I'm not crazy now

2569

01:54:02,530 --> 01:53:59,599

yeah is it doesn't that make you feel

2570

01:54:03,430 --> 01:54:02,540

good I mean I really do feel great when

2571

01:54:05,770 --> 01:54:03,440

that happened

2572

01:54:08,770 --> 01:54:05,780

you know that people what that people

2573

01:54:11,709 --> 01:54:08,780

come to my MUFON meeting and they're

2574

01:54:14,470 --> 01:54:11,719

willing to cry in front of me you know I

2575

01:54:16,720 --> 01:54:14,480

mean they're they bear literally that

2576

01:54:19,150 --> 01:54:16,730

relieved that somebody cares enough

2577

01:54:21,820 --> 01:54:19,160

about him to hear their story you know I

2578

01:54:26,979 --> 01:54:21,830

mean I still get plenty of you're going

2579

01:54:29,260 --> 01:54:26,989

to hell but that's another whole subject

2580

01:54:31,209 --> 01:54:29,270

that I wish you know someday I want to

2581

01:54:34,030 --> 01:54:31,219

write something about I'm sure you have

2582

01:54:36,520 --> 01:54:34,040

but what about organized religion why

2583

01:54:38,920 --> 01:54:36,530

can't we just get this to go away I mean

2584

01:54:41,650 --> 01:54:38,930

I don't understand I mean I'm I'm a very

2585

01:54:44,350 --> 01:54:41,660

spiritual person I say this all the time

2586

01:54:47,350 --> 01:54:44,360

but I've had my biggest problems in the

2587

01:54:50,890 --> 01:54:47,360

community because I'm not a Christian or

2588

01:54:53,800 --> 01:54:50,900

I'm not a practicing Catholic or I'm not

2589

01:54:56,110 --> 01:54:53,810

a Buddhist or I'm not whatever and I

2590

01:54:58,510 --> 01:54:56,120

don't understand why people have to push

2591

01:55:01,959 --> 01:54:58,520

their religion on everybody else I just

2592

01:55:02,170 --> 01:55:01,969

well let's break it down let's break it

2593

01:55:05,740 --> 01:55:02,180

down

2594

01:55:07,689 --> 01:55:05,750

okay first of all we all need maps to

2595

01:55:11,229 --> 01:55:07,699

live in this world and so let's just

2596

01:55:13,990 --> 01:55:11,239

call it Maps so some very smart people

2597

01:55:17,050 --> 01:55:14,000

get together and they say you know this

2598

01:55:20,620 --> 01:55:17,060

is the guidelines that assisted us in

2599

01:55:22,630 --> 01:55:20,630

being better humans to farming you know

2600

01:55:26,229 --> 01:55:22,640

most of the ancient religions had to do

2601
01:55:29,709 --> 01:55:26,239
with stars you know when to harvest when

2602
01:55:32,410 --> 01:55:29,719
to plant that's basically what started

2603
01:55:34,209 --> 01:55:32,420
these religious things as the stars most

2604
01:55:38,040 --> 01:55:34,219
of the pagan religions are based on

2605
01:55:40,270 --> 01:55:38,050
agriculture that the religions now the

2606
01:55:41,740 --> 01:55:40,280
judeo-christian religions they still

2607
01:55:44,560 --> 01:55:41,750
celebrate those holidays on the same

2608
01:55:48,790 --> 01:55:44,570
days because it's part of that knowledge

2609
01:55:50,950 --> 01:55:48,800
that came from so far away so basically

2610
01:55:54,550 --> 01:55:50,960
it's a set of beliefs on what is

2611
01:55:56,560 --> 01:55:54,560
supposed to make us better people and to

2612
01:55:58,689 --> 01:55:56,570
get us further in a revolution the

2613
01:56:02,770 --> 01:55:58,699

problem being is a belief becomes

2614

01:56:05,950 --> 01:56:02,780

control where you can't expand outside

2615

01:56:08,290 --> 01:56:05,960

of that belief oh you can't do that

2616

01:56:11,650 --> 01:56:08,300

because this is going to happen to you

2617

01:56:13,900 --> 01:56:11,660

or don't step outta line so you're

2618

01:56:15,939 --> 01:56:13,910

getting the guidelines and it becomes a

2619

01:56:17,109 --> 01:56:15,949

religion where now you're stuck in the

2620

01:56:19,660 --> 01:56:17,119

guidelines

2621

01:56:21,879 --> 01:56:19,670

right and that's kind of what's been

2622

01:56:23,979 --> 01:56:21,889

happening for the past couple thousand

2623

01:56:26,410 --> 01:56:23,989

years is that we've been stuck in the

2624

01:56:28,060 --> 01:56:26,420

guidelines and you know if you were to

2625

01:56:29,709 --> 01:56:28,070

leave those guidelines a couple hundred

2626
01:56:31,959 --> 01:56:29,719
years ago you'd probably be burnt at the

2627
01:56:35,500 --> 01:56:31,969
stake so it wasn't a really good idea to

2628
01:56:39,970 --> 01:56:35,510
leave those guidelines exactly exactly

2629
01:56:41,500 --> 01:56:39,980
but in today's society you know because

2630
01:56:43,359 --> 01:56:41,510
of the internet because of people are

2631
01:56:45,760 --> 01:56:43,369
being more open they're realizing it's

2632
01:56:48,280 --> 01:56:45,770
safe now to step outside those

2633
01:56:51,399 --> 01:56:48,290
guidelines and you're not going to hell

2634
01:56:54,339 --> 01:56:51,409
you're not you know you may be pissing

2635
01:56:56,379 --> 01:56:54,349
off your family because because because

2636
01:56:59,050 --> 01:56:56,389
there's there's another thing there's

2637
01:57:02,129 --> 01:56:59,060
the tradition the family tradition being

2638
01:57:05,020 --> 01:57:02,139

passed down which takes on its own

2639

01:57:06,640 --> 01:57:05,030

religion basically so you have the

2640

01:57:09,129 --> 01:57:06,650

family traditions and then you have the

2641

01:57:11,859 --> 01:57:09,139

belief on top of that or the religion on

2642

01:57:14,350 --> 01:57:11,869

top of that so you're not only breaking

2643

01:57:15,790 --> 01:57:14,360

away from a religion or a belief you're

2644

01:57:18,100 --> 01:57:15,800

also breaking away from family

2645

01:57:20,620 --> 01:57:18,110

traditions so it's very difficult to

2646

01:57:24,160 --> 01:57:20,630

step out of those guidelines it is and

2647

01:57:26,410 --> 01:57:24,170

we're and as a culture this whole UFO

2648

01:57:28,089 --> 01:57:26,420

movement and the people intimate or the

2649

01:57:30,459 --> 01:57:28,099

consciousness movement or whatever you

2650

01:57:32,979 --> 01:57:30,469

want to call it even the conspiracy part

2651

01:57:35,140 --> 01:57:32,989

of it you know the dark side we are

2652

01:57:36,640 --> 01:57:35,150

breaking all those maps where we're

2653

01:57:38,560 --> 01:57:36,650

crunching them up and throwing them in

2654

01:57:40,990 --> 01:57:38,570

the trash and saying this is just not

2655

01:57:42,939 --> 01:57:41,000

the way it is folks and we're really

2656

01:57:45,700 --> 01:57:42,949

harping about it I think we're making

2657

01:57:49,000 --> 01:57:45,710

some headway because ninety nine percent

2658

01:57:51,040 --> 01:57:49,010

of what we do is good you know and I

2659

01:57:52,390 --> 01:57:51,050

think it's important for people to open

2660

01:57:55,750 --> 01:57:52,400

up to the fact that we aren't the only

2661

01:57:58,000 --> 01:57:55,760

creatures you know in the in the

2662

01:57:59,979 --> 01:57:58,010

multi-dimensional sphere angels aren't

2663

01:58:01,419 --> 01:57:59,989

the only thing there with God you know

2664

01:58:04,570 --> 01:58:01,429

there's other things to yourself

2665

01:58:07,419 --> 01:58:04,580

included and I think we're starting to

2666

01:58:09,220 --> 01:58:07,429

make an impact but it's I still think

2667

01:58:11,560 --> 01:58:09,230

it's gonna be 200 years before we really

2668

01:58:14,260 --> 01:58:11,570

better not be 200 maybe if we're lucky

2669

01:58:17,200 --> 01:58:14,270

it'll be 50 50 years of another

2670

01:58:19,600 --> 01:58:17,210

generation or two of children that

2671

01:58:22,839 --> 01:58:19,610

aren't necessarily brought up within

2672

01:58:25,359 --> 01:58:22,849

religious constraints and let's just

2673

01:58:28,330 --> 01:58:25,369

hope that it starts getting to the point

2674

01:58:30,970 --> 01:58:28,340

where they understand that consciousness

2675

01:58:33,010 --> 01:58:30,980

is really the key you know just like my

2676

01:58:35,770 --> 01:58:33,020

aliens or angels said to me you know

2677

01:58:37,270 --> 01:58:35,780

love is the key and time travels the

2678

01:58:40,060 --> 01:58:37,280

answer though I don't know why they told

2679

01:58:42,970 --> 01:58:40,070

me that but but consciousness is

2680

01:58:44,320 --> 01:58:42,980

definitely a major player in this and so

2681

01:58:46,600 --> 01:58:44,330

so what are we gonna do are we gonna

2682

01:58:50,020 --> 01:58:46,610

start our new religion consciousness

2683

01:58:53,680 --> 01:58:50,030

religion no no no we we throw out all

2684

01:58:55,720 --> 01:58:53,690

maps there is no Maps okay so then we

2685

01:58:57,550 --> 01:58:55,730

get they have our infighting between the

2686

01:59:03,010 --> 01:58:57,560

whole UFO community so we're back where

2687

01:59:05,320 --> 01:59:03,020

we started the show with yes yes wants

2688

01:59:08,229 --> 01:59:05,330

to be the leader now I guess I don't

2689

01:59:10,780 --> 01:59:08,239

know I don't I don't get it who wants to

2690

01:59:12,640 --> 01:59:10,790

be the leader in this it doesn't it's

2691

01:59:14,979 --> 01:59:12,650

the worst position you can put yourself

2692

01:59:17,410 --> 01:59:14,989

in I know I just sit there and I'm

2693

01:59:19,300 --> 01:59:17,420

always amazed that I just go why would

2694

01:59:21,729 --> 01:59:19,310

you want to do that I could barely

2695

01:59:24,160 --> 01:59:21,739

handle doing my job as part of it anyhow

2696

01:59:26,890 --> 01:59:24,170

so you know just awakening people it's a

2697

01:59:30,220 --> 01:59:26,900

big job in itself so anyhow you have

2698

01:59:32,320 --> 01:59:30,230

been an amazing guest as usual you are

2699

01:59:34,180 --> 01:59:32,330

so right on and so together and I just

2700

01:59:36,370 --> 01:59:34,190

so appreciate you Jason thank you for

2701
01:59:38,050 --> 01:59:36,380
coming up tonight and you know you kind

2702
01:59:39,820 --> 01:59:38,060
of knocked me around a little bit make

2703
01:59:43,510 --> 01:59:39,830
me think the things a little more

2704
01:59:44,950 --> 01:59:43,520
empathetic empathically which is good

2705
01:59:48,490 --> 01:59:44,960
for me because sometimes I get a little

2706
01:59:51,010 --> 01:59:48,500
myopic and I get a little focused on you

2707
01:59:52,660 --> 01:59:51,020
know but if I'm Italian so you know

2708
01:59:55,450 --> 01:59:52,670
there is that forgiveness we have to

2709
01:59:58,090 --> 01:59:55,460
give my Italian the family tradition

2710
01:59:59,770 --> 01:59:58,100
right it is my culture to sit and rant

2711
02:00:05,979 --> 01:59:59,780
and rave and they go looks that was it

2712
02:00:07,600 --> 02:00:05,989
right you know but but you know it's

2713
02:00:10,030 --> 02:00:07,610

just been really wonderful having you

2714

02:00:13,450 --> 02:00:10,040

you are amazing so everybody go to the

2715

02:00:15,460 --> 02:00:13,460

Crystal Sun yes check out all of Jason's

2716

02:00:17,740 --> 02:00:15,470

stuff and you've got some new crystals

2717

02:00:19,330 --> 02:00:17,750

and some new things you guys go check

2718

02:00:22,420 --> 02:00:19,340

them out they're really cool I've been

2719

02:00:26,320 --> 02:00:22,430

looking at them oh and I just and I just

2720

02:00:33,700 --> 02:00:26,330

got my 2000s hit on the secret space

2721

02:00:35,800 --> 02:00:33,710

program page in one day do you have a

2722

02:00:37,450 --> 02:00:35,810

lot of followers on like YouTube and

2723

02:00:40,959 --> 02:00:37,460

places like that do you do all that

2724

02:00:43,420 --> 02:00:40,969

stuff are mostly mostly on Facebook and

2725

02:00:45,069 --> 02:00:43,430

Twitter you can just look me up at Jason

2726

02:00:48,879 --> 02:00:45,079

quit on Facebook into a

2727

02:00:53,560 --> 02:00:48,889

and all my books guys yes is to to you i

2728

02:00:59,020 --> 02:00:53,570

TT o cancerous okay don't forget I quit

2729

02:01:01,270 --> 02:00:59,030

I quit life hard and extra tea you got

2730

02:01:03,370 --> 02:01:01,280

it okay darling thanks a lot and

2731

02:01:04,870 --> 02:01:03,380

everybody I'm not sure who my guest is

2732

02:01:06,790 --> 02:01:04,880

next week because I don't have the

2733

02:01:09,160 --> 02:01:06,800

calendar in front of me but it'll be

2734

02:01:10,750 --> 02:01:09,170

somebody interesting I'm sure so have a

2735

02:01:12,970 --> 02:01:10,760
