

The Night Skype Crashed | Let's Blame it on the Paranormal

Listen on

inceptionradionetwork.com

1
00:00:20,010 --> 00:00:16,100

[Music]

2
00:00:26,320 --> 00:00:23,230

there are 1,000 UFO sightings reported

3
00:00:29,520 --> 00:00:26,330

around the world every month 90% of

4
00:00:33,729 --> 00:00:29,530

these sightings can be explained but 10%

5
00:00:36,250 --> 00:00:33,739

cannot officially and unofficially the

6
00:00:40,630 --> 00:00:36,260

US military has been investigating UFOs

7
00:00:42,670 --> 00:00:40,640

since 1947 of their top-secret goal is

8
00:00:45,490 --> 00:00:42,680

to find out what's behind these

9
00:00:48,640 --> 00:00:45,500

unexplained sightings the Pentagon

10
00:00:51,790 --> 00:00:48,650

classifies them as unusual airborne

11
00:00:56,280 --> 00:00:51,800

anomalies but a better term on these

12
00:01:00,160 --> 00:00:56,290

x-file join us as we explore these

13
00:01:03,490 --> 00:01:00,170

unsolved cases UFO incidents that baffle

14

00:01:06,910 --> 00:01:03,500
even the US military this is Mack

15

00:01:11,890 --> 00:01:06,920
Maloney's military x-files

16

00:01:13,510 --> 00:01:11,900
now here's back Maloney go good evening

17

00:01:15,340 --> 00:01:13,520
everyone and welcome to macaronis mill

18

00:01:17,830 --> 00:01:15,350
track style show here on the distant

19

00:01:20,859 --> 00:01:17,840
Thunder radio network this is Mac

20

00:01:23,380 --> 00:01:20,869
morning we have very unusual shoe for

21

00:01:26,290 --> 00:01:23,390
you tonight but there's been a change in

22

00:01:29,560 --> 00:01:26,300
the posse apparently one of our posse

23

00:01:33,100 --> 00:01:29,570
members the very famous one one is mi a

24

00:01:35,249 --> 00:01:33,110
missing in action actually we know where

25

00:01:37,690 --> 00:01:35,259
he is we just can't contact him so

26

00:01:40,090 --> 00:01:37,700

sitting in his Chi is virtual Chi I'm

27

00:01:42,639 --> 00:01:40,100

moving up in the batting order

28

00:01:44,139 --> 00:01:42,649

they call him Coco on the streets you

29

00:01:46,600 --> 00:01:44,149

know I'm you love them as come in but

30

00:01:48,790 --> 00:01:46,610

Cobra good evening Mac I just like to

31

00:01:51,609 --> 00:01:48,800

clarify just a teensy tiny [h__h] I

32

00:01:56,080 --> 00:01:51,619

believe actually I had the chair before

33

00:01:59,529 --> 00:01:56,090

you brought one one swoop swoop into the

34

00:02:04,270 --> 00:01:59,539

show really yes in fact we can look at

35

00:02:07,650 --> 00:02:04,280

that contractually anytime that you want

36

00:02:09,240 --> 00:02:07,660

to go away for Thanksgiving yeah that's

37

00:02:11,860 --> 00:02:09,250

that's okay

38

00:02:18,789 --> 00:02:11,870

all right anytime brother any time

39

00:02:23,050 --> 00:02:18,799

Chelsea okay you know sites yeah yeah in

40

00:02:24,819 --> 00:02:23,060

the dream world and any rate it's

41

00:02:26,530 --> 00:02:24,829

wonderful to be here I don't have any

42

00:02:28,030 --> 00:02:26,540

kind of sports regalia on and I

43

00:02:31,170 --> 00:02:28,040

understand that there's not a lot of

44

00:02:36,630 --> 00:02:31,180

choice to celebrate but I did hear that

45

00:02:40,120 --> 00:02:36,640

that one ones hero may have been injured

46

00:02:40,930 --> 00:02:40,130

don't scare me people in the future or

47

00:02:44,650 --> 00:02:40,940

the past

48

00:02:49,960 --> 00:02:44,660

Patriots won and Brady is at the tip-top

49

00:02:51,910 --> 00:02:49,970

of shape why okay I guess I may be maybe

50

00:02:52,960 --> 00:02:51,920

I could be remote-viewing something here

51
00:02:53,620 --> 00:02:52,970
though they don't understand that's

52
00:02:56,470 --> 00:02:53,630
that's okay

53
00:02:59,560 --> 00:02:56,480
no this information there my friend you

54
00:03:02,350 --> 00:02:59,570
know one of these people I understand

55
00:03:04,690 --> 00:03:02,360
them sorry please don't talk about

56
00:03:06,039 --> 00:03:04,700
subject I have no rule groats what's

57
00:03:08,949 --> 00:03:06,049
gonna happen to poor one one when he

58
00:03:11,289 --> 00:03:08,959
hears this well maybe he'll get on it'll

59
00:03:15,130 --> 00:03:11,299
come off his high horse and you know the

60
00:03:18,910 --> 00:03:15,140
tv12 is might be her and that gizelle is

61
00:03:20,900 --> 00:03:18,920
suddenly available I think this is you

62
00:03:22,550 --> 00:03:20,910
know you think that's part of it

63
00:03:26,240 --> 00:03:22,560

I think that's its I think that's the

64

00:03:27,680 --> 00:03:26,250

end of the rainbow for him yes no but

65

00:03:28,940 --> 00:03:27,690

hey who knows he's not here but

66

00:03:30,590 --> 00:03:28,950

hopefully he'll be joining us later on

67

00:03:33,590 --> 00:03:30,600

maybe on the phone I think there might

68

00:03:35,300 --> 00:03:33,600

be some issues with Skype tonight so you

69

00:03:37,820 --> 00:03:35,310

know if it's still have time to sell

70

00:03:41,240 --> 00:03:37,830

your shares up there people so we're

71

00:03:42,770 --> 00:03:41,250

going to hopefully talk to Steve the

72

00:03:45,230 --> 00:03:42,780

Hammond Hammond's hasn't been on the

73

00:03:48,020 --> 00:03:45,240

show in a while he's the remote viewing

74

00:03:50,240 --> 00:03:48,030

expert we have on every once in awhile

75

00:03:52,850 --> 00:03:50,250

always a very interesting chat with him

76

00:03:56,090 --> 00:03:52,860

we're going to be talking to Rob back

77

00:03:58,280 --> 00:03:56,100

housing of war is boring talking about

78

00:03:59,600 --> 00:03:58,290

the difference we got a fan letter the

79

00:04:00,950 --> 00:03:59,610

other day actually thank you for the

80

00:04:03,350 --> 00:04:00,960

family as we're getting so many we're

81

00:04:04,880 --> 00:04:03,360

gonna have to bring someone on to handle

82

00:04:08,060 --> 00:04:04,890

the fan mail and you know the strange

83

00:04:10,130 --> 00:04:08,070

thing about a Cobra's in that is what I

84

00:04:15,140 --> 00:04:10,140

usually handle most your fan mail but

85

00:04:17,720 --> 00:04:15,150

from 90% of what comes to our address

86

00:04:21,410 --> 00:04:17,730

yeah my email address okay right

87

00:04:23,900 --> 00:04:21,420

90% of for one one and doesn't surprise

88

00:04:28,520 --> 00:04:23,910

me and 50% of them are from women or

89
00:04:30,110 --> 00:04:28,530
people who are posing as women so we're

90
00:04:32,320 --> 00:04:30,120
gonna have someone actually we're hiring

91
00:04:34,850 --> 00:04:32,330
a head of security for the show

92
00:04:37,130 --> 00:04:34,860
hopefully we'll introduce them and next

93
00:04:39,470 --> 00:04:37,140
week one of their jobs will be go

94
00:04:41,150 --> 00:04:39,480
through the fan mail to make sure

95
00:04:43,880 --> 00:04:41,160
there's no let's say white powder in

96
00:04:46,280 --> 00:04:43,890
there if you know what I mean yeah I

97
00:04:48,320 --> 00:04:46,290
think there's a much more classy way to

98
00:04:51,550 --> 00:04:48,330
indicate what you're trying to say there

99
00:04:54,380 --> 00:04:51,560
but we do know that you have in your

100
00:04:56,450 --> 00:04:54,390
writing past you postulated a very

101

00:04:58,040 --> 00:04:56,460

interesting theory about the writing

102

00:05:00,920 --> 00:04:58,050

power that got you visits from the FBI

103

00:05:03,460 --> 00:05:00,930

because you were so interesting on your

104

00:05:05,300 --> 00:05:03,470

conclusion so once again I believe

105

00:05:06,470 --> 00:05:05,310

what's that think we're ready to use

106

00:05:08,810 --> 00:05:06,480

absolutely

107

00:05:11,659 --> 00:05:08,820

yeah you postulated what was going on

108

00:05:13,640 --> 00:05:11,669

when we had the scare of anthrax I

109

00:05:16,250 --> 00:05:13,650

remember that was posted on your website

110

00:05:19,190 --> 00:05:16,260

this be yes he dates the show yeah and

111

00:05:21,980 --> 00:05:19,200

then because of it you you had some

112

00:05:23,690 --> 00:05:21,990

folks come and talk to you oh yeah well

113

00:05:26,450 --> 00:05:23,700

you know it will gave me a lesson in the

114

00:05:27,830 --> 00:05:26,460

FBI the thumbnail is is that they really

115

00:05:32,600 --> 00:05:27,840

don't know and they didn't know then

116

00:05:34,930 --> 00:05:32,610

what they were doing because we believe

117

00:05:37,240 --> 00:05:34,940

me we've hammered Skype and the

118

00:05:38,620 --> 00:05:37,250

good yeah I think so you know woman have

119

00:05:40,030 --> 00:05:38,630

to kill some time let me tell this story

120

00:05:43,800 --> 00:05:40,040

real quick you think that'd be

121

00:05:46,960 --> 00:05:43,810

interesting to the audience yes I do

122

00:05:50,230 --> 00:05:46,970

where I lived I just happen to live next

123

00:05:55,480 --> 00:05:50,240

door to the gentleman who owned the

124

00:05:57,400 --> 00:05:55,490

second largest safe box company in the

125

00:06:00,130 --> 00:05:57,410

country now safe boxes i if you can

126

00:06:02,200 --> 00:06:00,140

imagine an aquarium with two rubber

127

00:06:05,320 --> 00:06:02,210

gloves sticking through the window whoa

128

00:06:11,320 --> 00:06:05,330

is the FBI right there stop talking like

129

00:06:13,630 --> 00:06:11,330

a story and they seem so for about

130

00:06:15,310 --> 00:06:13,640

30,000 bucks apiece I don't know why

131

00:06:17,380 --> 00:06:15,320

because it's literally an aquarium with

132

00:06:19,530 --> 00:06:17,390

212 hands and then what happens is you

133

00:06:21,640 --> 00:06:19,540

put Tazz's materials in there and the

134

00:06:24,180 --> 00:06:21,650

researcher can kind of open them up

135

00:06:26,770 --> 00:06:24,190

without threat through his safety

136

00:06:28,330 --> 00:06:26,780

once again my neighbor happened to own

137

00:06:31,690 --> 00:06:28,340

the second largest one in the United

138

00:06:33,640 --> 00:06:31,700

States so after 9/11 people remember

139

00:06:36,310 --> 00:06:33,650

people were getting sent anthrax in the

140

00:06:38,320 --> 00:06:36,320

mail and there was Scrolls down the

141

00:06:40,750 --> 00:06:38,330

bottom of Fox News CNN you know if you

142

00:06:43,300 --> 00:06:40,760

see anything report to the FBI so on and

143

00:06:45,730 --> 00:06:43,310

so forth and so I said to my neighbor

144

00:06:49,300 --> 00:06:45,740

one drunken night one night let's say on

145

00:06:51,880 --> 00:06:49,310

his boat I said you know what it seems

146

00:06:54,070 --> 00:06:51,890

like if this if the anthrax bomber at

147

00:06:55,540 --> 00:06:54,080

the in tracks person who was sending in

148

00:06:56,920 --> 00:06:55,550

Thrax - I think he sent two people of

149

00:06:58,570 --> 00:06:56,930

the National Enquirer and different

150

00:07:00,580 --> 00:06:58,580

senators and stuff yep

151
00:07:02,230 --> 00:07:00,590
he killed a couple of people did he kill

152
00:07:04,180 --> 00:07:02,240
them man I know some people got affected

153
00:07:07,510 --> 00:07:04,190
I think a mailman did die on that yeah

154
00:07:10,390 --> 00:07:07,520
so I said to my neighbor I said looking

155
00:07:11,890 --> 00:07:10,400
at some point he must have he must have

156
00:07:14,440 --> 00:07:11,900
a safe box and he must have bought it

157
00:07:17,380 --> 00:07:14,450
from you or your number-one competitor

158
00:07:18,640 --> 00:07:17,390
who happens to be his son who hasn't

159
00:07:21,340 --> 00:07:18,650
actually right across the street from

160
00:07:23,290 --> 00:07:21,350
the old man right so he says this guy

161
00:07:25,090 --> 00:07:23,300
must have bought you know so go back in

162
00:07:27,909 --> 00:07:25,100
your records call the FBI go back in

163
00:07:30,040 --> 00:07:27,919

your records you know see whom but safe

164

00:07:31,630 --> 00:07:30,050

boxes you know recently and you know you

165

00:07:36,070 --> 00:07:31,640

might have you a guy right I mean is

166

00:07:38,409 --> 00:07:36,080

that I you know I remember when we I've

167

00:07:40,510 --> 00:07:38,419

read about it first because you and I

168

00:07:42,190 --> 00:07:40,520

were not I wasn't able to talk to you

169

00:07:44,230 --> 00:07:42,200

directly I was reading stuff that you

170

00:07:46,210 --> 00:07:44,240

had posted on the website this is and

171

00:07:48,050 --> 00:07:46,220

we're sending e-mails back and forth and

172

00:07:49,610 --> 00:07:48,060

I remember you kind of had an ax

173

00:07:52,040 --> 00:07:49,620

email back me I can't talk about it

174

00:07:53,390 --> 00:07:52,050

right now right now I got in and I

175

00:07:56,330 --> 00:07:53,400

called you and he said you told me about

176

00:07:58,970 --> 00:07:56,340

the FBI visit and the yep the whole

177

00:08:00,920 --> 00:07:58,980

thing and I thought you like I said the

178

00:08:03,020 --> 00:08:00,930

what you had death there I would say

179

00:08:04,340 --> 00:08:03,030

possibly it was you would hope they done

180

00:08:06,500 --> 00:08:04,350

my best guess is you probably

181

00:08:08,480 --> 00:08:06,510

embarrassed some people because you took

182

00:08:11,060 --> 00:08:08,490

a very what I call a Yellow Pages kind

183

00:08:14,120 --> 00:08:11,070

of moodily you know you're right there

184

00:08:16,970 --> 00:08:14,130

you say okay look up anthrax people

185

00:08:19,370 --> 00:08:16,980

underage and then start working from

186

00:08:21,440 --> 00:08:19,380

there so okay I just got a text from

187

00:08:23,750 --> 00:08:21,450

switch he cannot get into Skype either

188

00:08:25,909 --> 00:08:23,760

so though there there is definitely

189

00:08:30,830 --> 00:08:25,919

something afoot tonight all right so let

190

00:08:33,260 --> 00:08:30,840

me finish the story okay so he says my

191

00:08:35,029 --> 00:08:33,270

name is okay let's do it now you know I

192

00:08:36,560 --> 00:08:35,039

got to be completely honest about it you

193

00:08:38,360 --> 00:08:36,570

know there's a mercenary reason above

194

00:08:41,659 --> 00:08:38,370

because there was a substantial you know

195

00:08:46,820 --> 00:08:41,669

reward right guess this dude right

196

00:08:50,570 --> 00:08:46,830

so we yeah yeah so we we call the FBI I

197

00:08:53,590 --> 00:08:50,580

got the number from I don't know if it

198

00:08:57,050 --> 00:08:53,600

was XO who it was but anyone so you know

199

00:09:01,220 --> 00:08:57,060

for our new listeners X refers to Agent

200

00:09:05,000 --> 00:09:01,230

X Hazen X right and he yeah well anyway

201
00:09:07,490 --> 00:09:05,010
I talked to someone and they actually I

202
00:09:08,570 --> 00:09:07,500
left they asked my name and stuff and

203
00:09:11,360 --> 00:09:08,580
they said we'll have someone call you

204
00:09:13,370 --> 00:09:11,370
back so you know like two days later I'm

205
00:09:14,690 --> 00:09:13,380
sitting by the phone you know for the

206
00:09:16,760 --> 00:09:14,700
next twelve hours right

207
00:09:18,560 --> 00:09:16,770
two days later the guy calls me up I

208
00:09:27,770 --> 00:09:18,570
haven't seen you have some information

209
00:09:31,130 --> 00:09:27,780
on the and anthrax letter calling me

210
00:09:33,350 --> 00:09:31,140
hang on this will be we're getting in

211
00:09:33,920 --> 00:09:33,360
reports yes I'm getting reports I just

212
00:09:37,810 --> 00:09:33,930
looked it up

213
00:09:41,510 --> 00:09:37,820

Skype is getting massive reports of

214

00:09:44,449 --> 00:09:41,520

inability connect calls I guess very

215

00:09:45,710 --> 00:09:44,459

fortunate that where I wonder if we were

216

00:09:48,500 --> 00:09:45,720

like a select group that's being

217

00:09:49,970 --> 00:09:48,510

examined that could be and everyone else

218

00:09:51,890 --> 00:09:49,980

is being isolated from us

219

00:09:55,699 --> 00:09:51,900

alright can I finish my story there good

220

00:09:57,290 --> 00:09:55,709

sir so anyway this guy interviews me so

221

00:09:58,310 --> 00:09:57,300

let's see about a half hour you know

222

00:09:59,780 --> 00:09:58,320

when they go through the whole story oh

223

00:10:01,910 --> 00:09:59,790

then I tell them the story just as I get

224

00:10:06,859 --> 00:10:01,920

told you he said okay so

225

00:10:08,329 --> 00:10:06,869

way back so two more weeks go by again I

226

00:10:13,429 --> 00:10:08,339

think these people are gonna be but a

227

00:10:14,869 --> 00:10:13,439

bling right another guy calls and he

228

00:10:18,559 --> 00:10:14,879

says I understand you have information

229

00:10:20,780 --> 00:10:18,569

about the anthrax killer I said yeah but

230

00:10:22,879 --> 00:10:20,790

I told you thread through we saw well he

231

00:10:25,340 --> 00:10:22,889

say tell me again okay well make a

232

00:10:28,840 --> 00:10:25,350

really long story short that happened

233

00:10:31,639 --> 00:10:28,850

five times over the next three months

234

00:10:33,169 --> 00:10:31,649

some New Age someone some different

235

00:10:34,669 --> 00:10:33,179

agent would call me every time is

236

00:10:36,799 --> 00:10:34,679

usually eight o'clock at night and he

237

00:10:38,960 --> 00:10:36,809

would say I understand you have had to

238

00:10:41,179 --> 00:10:38,970

understand you have information evidence

239

00:10:43,489 --> 00:10:41,189

yet on the anthrax killer case I had to

240

00:10:46,699 --> 00:10:43,499

start at square one with each all five

241

00:10:48,859 --> 00:10:46,709

of them okay meanwhile my neighbor is

242

00:10:51,590 --> 00:10:48,869

going freakin nuts because now that he

243

00:10:54,679 --> 00:10:51,600

is a little more sober he's realizing

244

00:10:57,019 --> 00:10:54,689

he's on what the FBI in his operation or

245

00:10:58,460 --> 00:10:57,029

to me I'm not saying that we might have

246

00:11:00,229 --> 00:10:58,470

to cut some of the cell but you know

247

00:11:02,749 --> 00:11:00,239

that's anything elite was going on but

248

00:11:05,449 --> 00:11:02,759

who wants the FBI to be in your in your

249

00:11:08,689 --> 00:11:05,459

underpants you know anything right okay

250

00:11:09,049 --> 00:11:08,699

and end to make it even the drama even

251
00:11:11,749 --> 00:11:09,059
better

252
00:11:13,280 --> 00:11:11,759
his sent across the street is relative

253
00:11:15,319 --> 00:11:13,290
across the street now has the FBI

254
00:11:17,689 --> 00:11:15,329
calling him up and he doesn't want them

255
00:11:19,369 --> 00:11:17,699
and they read this so this is they say

256
00:11:24,559 --> 00:11:19,379
like they say in the military a real

257
00:11:26,629 --> 00:11:24,569
cluster yes follow-up okay and and and

258
00:11:27,409 --> 00:11:26,639
that's how they lived it they came to

259
00:11:29,569 --> 00:11:27,419
each one

260
00:11:32,479 --> 00:11:29,579
they stayed a total in both of them

261
00:11:34,220 --> 00:11:32,489
maybe about 20 minutes 25 minutes or so

262
00:11:35,289 --> 00:11:34,230
then they left never heard from them

263
00:11:39,249 --> 00:11:35,299

again

264

00:11:43,329 --> 00:11:39,259

and the case was never solved officially

265

00:11:45,919 --> 00:11:43,339

we're gonna have to edit some of those

266

00:11:47,269 --> 00:11:45,929

but yeah yeah well the case was solved

267

00:11:51,169 --> 00:11:47,279

never they found that guy and he was

268

00:11:52,669 --> 00:11:51,179

doing it he was mixing it in a pond he

269

00:11:54,199 --> 00:11:52,679

would bring them here agreement stuff

270

00:11:59,329 --> 00:11:54,209

done and he was missing it in an

271

00:12:01,009 --> 00:11:59,339

airtight case underwater yeah and and

272

00:12:04,099 --> 00:12:01,019

you've never heard the counter theories

273

00:12:06,319 --> 00:12:04,109

about how that explanation didn't they

274

00:12:08,809 --> 00:12:06,329

didn't they arrested oh yeah they arrest

275

00:12:11,139 --> 00:12:08,819

them you know it's turned into like Lee

276

00:12:13,699 --> 00:12:11,149

Harvey Oswald there's all kinds of

277

00:12:15,590 --> 00:12:13,709

counterclaims that if he had done what

278

00:12:18,110 --> 00:12:15,600

he had done the

279

00:12:20,030 --> 00:12:18,120

or would not have been functional that

280

00:12:21,319 --> 00:12:20,040

he didn't have the airtight you know the

281

00:12:23,269 --> 00:12:21,329

containers how could he have seen what

282

00:12:24,650 --> 00:12:23,279

he was doing how could he accuracy how

283

00:12:26,389 --> 00:12:24,660

it would not be on the outside because

284

00:12:30,980 --> 00:12:26,399

what really freaked a lot of people out

285

00:12:32,689 --> 00:12:30,990

was it was not being detected externally

286

00:12:34,189 --> 00:12:32,699

there's ways it's detected when they

287

00:12:35,870 --> 00:12:34,199

started to look for it at least that's

288

00:12:38,230 --> 00:12:35,880

what they claimed so yeah wrong

289

00:12:41,090 --> 00:12:38,240

I think the dye just showed how

290

00:12:43,100 --> 00:12:41,100

absolutely nasty that particular case is

291

00:12:45,889 --> 00:12:43,110

if everyone's decides to get into it

292

00:12:48,680 --> 00:12:45,899

case in point we always fall back on

293

00:12:52,430 --> 00:12:48,690

this let's talk about our favorite place

294

00:12:54,199 --> 00:12:52,440

out there in Utah Dugway proving grounds

295

00:12:56,780 --> 00:12:54,209

right the water chemical biological work

296

00:12:57,829 --> 00:12:56,790

what did they do two years ago they

297

00:13:00,019 --> 00:12:57,839

mailed out anthrax

298

00:13:02,749 --> 00:13:00,029

by Federal Express and where was one of

299

00:13:05,689 --> 00:13:02,759

the places that it went did include a

300

00:13:08,870 --> 00:13:05,699

cube or something well dog Cuba was the

301

00:13:10,460 --> 00:13:08,880

missile remember that missile they got

302

00:13:11,960 --> 00:13:10,470

missing on the show in Paris and it

303

00:13:17,749 --> 00:13:11,970

ended up in Cuba and the Cubans were

304

00:13:19,249 --> 00:13:17,759

slow to give it back South Korea Korea

305

00:13:21,499 --> 00:13:19,259

yeah South Korea isn't that interesting

306

00:13:24,620 --> 00:13:21,509

see the usual suspects we keep going

307

00:13:25,970 --> 00:13:24,630

back to the same places Wow well hey you

308

00:13:29,150 --> 00:13:25,980

know you never know what's going on

309

00:13:30,889 --> 00:13:29,160

behind the scenes you know I mean so

310

00:13:32,720 --> 00:13:30,899

what do we have cooking here

311

00:13:36,170 --> 00:13:32,730

okay so we're gonna be you gonna take a

312

00:13:38,990 --> 00:13:36,180

commercial break now we're going to see

313

00:13:39,620 --> 00:13:39,000

if we can personally get Skype up and

314

00:13:41,809 --> 00:13:39,630

running again

315

00:13:43,970 --> 00:13:41,819

and then we'll be back with some

316

00:13:46,160 --> 00:13:43,980

fascinating segments got to call some

317

00:13:47,780 --> 00:13:46,170

favors that I bet that yeah so you

318

00:13:50,569 --> 00:13:47,790

listening to Mac Maloney's Miller extra

319

00:13:55,720 --> 00:13:50,579

show here on the distant Thunder radio

320

00:14:01,420 --> 00:13:58,910

UFOs are found in Renaissance art on

321

00:14:04,880 --> 00:14:01,430

ancient coins and etched on cave walls

322

00:14:07,130 --> 00:14:04,890

they are even reported in the Bible but

323

00:14:10,389 --> 00:14:07,140

more surprising is when UFOs have seen

324

00:14:13,100 --> 00:14:10,399

the most in times of war

325

00:14:14,840 --> 00:14:13,110

through centuries thousands of UFO

326

00:14:17,329 --> 00:14:14,850

sightings have been made by high-ranking

327

00:14:19,940 --> 00:14:17,339

officials military pilots and ordinary

328

00:14:21,920 --> 00:14:19,950

soldiers often these fantastic

329

00:14:25,310 --> 00:14:21,930

appearances occur at the height of great

330

00:14:28,340 --> 00:14:25,320

battles from World War one to d-day to

331

00:14:31,010 --> 00:14:28,350

Korea Vietnam and beyond military

332

00:14:32,780 --> 00:14:31,020

investigators are baffled why do UFO

333

00:14:33,590 --> 00:14:32,790

sightings spike so drastically during

334

00:14:36,139 --> 00:14:33,600

wartime

335

00:14:39,380 --> 00:14:36,149

could it be mistaken aircraft or as

336

00:14:42,590 --> 00:14:39,390

someone or some thing looking in on us

337

00:14:44,360 --> 00:14:42,600

in UFOs in wartime what they didn't want

338

00:14:46,250 --> 00:14:44,370

you to know Mac Malone II chronicles

339

00:14:48,380 --> 00:14:46,260

centuries of these incredible sightings

340

00:14:50,780 --> 00:14:48,390

and tries to solve the puzzle of why so

341

00:14:54,110 --> 00:14:50,790

many UFOs are seen while Humanity is at

342

00:14:56,840 --> 00:14:54,120

war read about the scare ships the ghost

343

00:14:59,720 --> 00:14:56,850

planes and the ghost rockets alien

344

00:15:03,019 --> 00:14:59,730

Giants in the jungles of Vietnam UFOs

345

00:15:04,730 --> 00:15:03,029

controlling our ICBM bases dogfights

346

00:15:08,810 --> 00:15:04,740

with flying saucers during the Gulf War

347

00:15:10,880 --> 00:15:08,820

and more 300 pages of unbelievable

348

00:15:11,660 --> 00:15:10,890

stories along with many startling

349

00:15:14,840 --> 00:15:11,670

photographs

350

00:15:17,570 --> 00:15:14,850

that's UFOs in wartime what they didn't

351
00:15:23,840 --> 00:15:17,580
want you to know by Mack Maloney on sale

352
00:15:23,850 --> 00:15:32,530
[Music]

353
00:15:36,160 --> 00:15:34,540
welcome back its back for these little

354
00:15:38,110 --> 00:15:36,170
tracks I'll show here on the distant

355
00:15:40,660 --> 00:15:38,120
Thunder radio network eight

356
00:15:44,470 --> 00:15:40,670
this is macaroni and it's the night of

357
00:15:48,090 --> 00:15:44,480
the enormous Skype blackout yeah this is

358
00:15:51,430 --> 00:15:48,100
like you know be aware were the worlds

359
00:15:54,090 --> 00:15:51,440
as we sit here and speak apparently a

360
00:15:56,710 --> 00:15:54,100
lot of the Skype network has been I

361
00:15:59,139 --> 00:15:56,720
don't know who knows it's just a select

362
00:16:01,420 --> 00:15:59,149
seized it it's selective in its nature

363
00:16:03,460 --> 00:16:01,430

for targets that are being affected back

364

00:16:08,170 --> 00:16:03,470

who's that talking who is that voice in

365

00:16:09,699 --> 00:16:08,180

my oh my cocoa was here somehow you and

366

00:16:12,579 --> 00:16:09,709

I man she cannot escape that my friend

367

00:16:19,090 --> 00:16:12,589

though I know I its our symbiotic

368

00:16:27,550 --> 00:16:19,100

relationship hmm hang on hang on just

369

00:16:30,220 --> 00:16:27,560

simbiani this happens to be man at least

370

00:16:34,629 --> 00:16:30,230

that's still working huh the Symbionese

371

00:16:38,650 --> 00:16:34,639

Liberation Army Patty Hearst Patty

372

00:16:41,160 --> 00:16:38,660

Hearst yep she was worth about back then

373

00:16:45,430 --> 00:16:41,170

about 40 million maybe 45 million bucks

374

00:16:47,949 --> 00:16:45,440

and her a boyfriend at the time and they

375

00:16:49,870 --> 00:16:47,959

he was there when the see beanies the

376

00:16:54,460 --> 00:16:49,880

Liberation Army kidnapped her his name

377

00:16:56,710 --> 00:16:54,470

was Steven weed and whatever college

378

00:17:01,059 --> 00:16:56,720

they went to the word was get you weed

379

00:17:03,819 --> 00:17:01,069

from weed they didn't marry right they

380

00:17:05,380 --> 00:17:03,829

want their son so as soon as yeah she

381

00:17:10,350 --> 00:17:05,390

was you know she had been to other

382

00:17:12,760 --> 00:17:10,360

worlds if you know what I mean Erica's

383

00:17:20,530 --> 00:17:12,770

there was there was no there's no going

384

00:17:23,199 --> 00:17:20,540

back as they say okay so listen so now

385

00:17:26,380 --> 00:17:23,209

that the Skype network has been

386

00:17:28,510 --> 00:17:26,390

sabotaged or something corporate you

387

00:17:31,480 --> 00:17:28,520

finally had your chance to shine on the

388

00:17:33,100 --> 00:17:31,490

show finally excellent okay all right

389

00:17:35,350 --> 00:17:33,110

well we're turning this into a cobra

390

00:17:38,260 --> 00:17:35,360

special all right not that every time

391

00:17:40,000 --> 00:17:38,270

you join us isn't special but this is

392

00:17:42,220 --> 00:17:40,010

very oh and I'm the only person I'm the

393

00:17:42,850 --> 00:17:42,230

most special person in the world oh no I

394

00:17:45,250 --> 00:17:42,860

understand

395

00:17:46,180 --> 00:17:45,260

remember those shows back in the sixties

396

00:17:47,680 --> 00:17:46,190

seventies ABC

397

00:17:50,140 --> 00:17:47,690

is to put them on there was like so many

398

00:17:52,390 --> 00:17:50,150

specials in the name of the title it was

399

00:17:53,920 --> 00:17:52,400

like a very special special special you

400

00:17:56,290 --> 00:17:53,930

know what I mean and they'd have all the

401
00:17:58,570 --> 00:17:56,300
people from laugh-in and is that to all

402
00:18:01,810 --> 00:17:58,580
the reference for you no sir it's not

403
00:18:03,940 --> 00:18:01,820
like Goldie Hawn never very much Rowan &

404
00:18:05,770 --> 00:18:03,950
Martin's laugh-in alright yeah okay you

405
00:18:08,290 --> 00:18:05,780
know that that being Rowan they got the

406
00:18:11,440 --> 00:18:08,300
mustache right the straight at the end

407
00:18:13,750 --> 00:18:11,450
of the two right married the other guys

408
00:18:20,590 --> 00:18:13,760
done well here is yeah holla me I told

409
00:18:22,840 --> 00:18:20,600
you anyway yeah very funny show okay had

410
00:18:24,910 --> 00:18:22,850
two very obscene questions have just

411
00:18:26,770 --> 00:18:24,920
come in for me to ask you later on but

412
00:18:28,060 --> 00:18:26,780
let's just use this segment there's a

413
00:18:29,440 --> 00:18:28,070

bunch of questions I've always want to

414

00:18:31,180 --> 00:18:29,450

ask you and also our regular

415

00:18:33,580 --> 00:18:31,190

correspondence I'm gonna set up a

416

00:18:35,350 --> 00:18:33,590

scenario for you okay okay you can

417

00:18:37,000 --> 00:18:35,360

noodle this during the ad if you want

418

00:18:43,530 --> 00:18:37,010

there we go alright

419

00:18:46,950 --> 00:18:43,540

it's 1947 you're part of a secret

420

00:18:51,400 --> 00:18:46,960

operation within the US Air Force

421

00:18:57,310 --> 00:18:51,410

descend high-altitude balloons with

422

00:19:00,490 --> 00:18:57,320

audio detectives on them from the desert

423

00:19:02,650 --> 00:19:00,500

of New Mexico to go up to the high speed

424

00:19:07,000 --> 00:19:02,660

winds up at around sixty seventy

425

00:19:08,800 --> 00:19:07,010

thousand feet dick to fly Eastwood over

426

00:19:13,870 --> 00:19:08,810

the Soviet Union and tried to pick up

427

00:19:15,820 --> 00:19:13,880

acoustic signals that the Soviets are

428

00:19:19,350 --> 00:19:15,830

detonating atomic weapons

429

00:19:22,720 --> 00:19:19,360

okay now you put together this

430

00:19:25,930 --> 00:19:22,730

particular balloon by the balloon itself

431

00:19:27,880 --> 00:19:25,940

is very elaborate in fact it's made by

432

00:19:30,280 --> 00:19:27,890

General Mills the people who make

433

00:19:33,430 --> 00:19:30,290

Cheerios but I digress

434

00:19:35,470 --> 00:19:33,440

okay but to get it into the air just

435

00:19:38,050 --> 00:19:35,480

into the air you have to attach a kite

436

00:19:40,900 --> 00:19:38,060

to the bottom of it just to get it up

437

00:19:43,780 --> 00:19:40,910

off the ground and so you make this kite

438

00:19:46,000 --> 00:19:43,790

out of pieces of balsa wood that you

439

00:19:50,560 --> 00:19:46,010

have bought by that you have found in

440

00:19:52,960 --> 00:19:50,570

the trash and also pieces of paper to

441

00:19:55,180 --> 00:19:52,970

stabilize it that you've also found in

442

00:19:56,760 --> 00:19:55,190

the trash that has a letter this and

443

00:19:59,389 --> 00:19:56,770

kind of scribbles and numbers on them

444

00:20:02,870 --> 00:19:59,399

okay one of these balloons goes

445

00:20:05,210 --> 00:20:02,880

it falls to the ground people find it

446

00:20:07,399 --> 00:20:05,220

it's in pieces because it came down

447

00:20:10,279 --> 00:20:07,409

pretty high but they find pieces of the

448

00:20:13,450 --> 00:20:10,289

balsa wood and taste of the balsa wood

449

00:20:17,600 --> 00:20:13,460

have let's say hieroglyphics on them and

450

00:20:22,370 --> 00:20:17,610

the paper that they find has lots of

451
00:20:24,950 --> 00:20:22,380
numbers an alphanumeric stuff on it only

452
00:20:27,830 --> 00:20:24,960
AT&T offers unlimited data with HBO

453
00:20:30,169 --> 00:20:27,840
included and you never pay overages plus

454
00:20:33,590 --> 00:20:30,179
get DIRECTV now for only \$10 a month

455
00:20:35,330 --> 00:20:33,600
it's entertainment your way after 22

456
00:20:36,769 --> 00:20:35,340
gigabytes of data usage 18 UTMA slow

457
00:20:37,759 --> 00:20:36,779
speeds plan include stream saver and

458
00:20:38,810 --> 00:20:37,769
videos will stream and standard

459
00:20:40,220 --> 00:20:38,820
definition unless you turn it off

460
00:20:42,049 --> 00:20:40,230
credits start within three Bell cycles

461
00:20:44,269 --> 00:20:42,059
\$10 price based on \$35 live a little

462
00:20:45,950 --> 00:20:44,279
package - \$25 credit service price is

463
00:20:47,180 --> 00:20:45,960

subject to change other usage speed and

464

00:20:52,879 --> 00:20:47,190

restrictions apply visit your nearest

465

00:20:56,950 --> 00:20:52,889

18t store okay do you still do you

466

00:20:58,999 --> 00:20:56,960

believe that that's a rational end to

467

00:21:01,310 --> 00:20:59,009

the beginning of the story in other

468

00:21:02,869 --> 00:21:01,320

words do you believe the weather balloon

469

00:21:04,519 --> 00:21:02,879

that not the weather balloon but the spy

470

00:21:06,499 --> 00:21:04,529

balloon that it describes you could

471

00:21:10,039 --> 00:21:06,509

person it could possibly crash and

472

00:21:14,990 --> 00:21:10,049

people would find this debris and things

473

00:21:19,100 --> 00:21:15,000

something different of it I think it has

474

00:21:24,139 --> 00:21:19,110

a reasonable level of intrigue there and

475

00:21:27,169 --> 00:21:24,149

and mixed in facts that were true that

476

00:21:30,799 --> 00:21:27,179

archway should say that you could

477

00:21:32,570 --> 00:21:30,809

confuse this to be something that other

478

00:21:36,830 --> 00:21:32,580

than what it's been attributed to be

479

00:21:39,080 --> 00:21:36,840

obviously this is the basis of the

480

00:21:43,190 --> 00:21:39,090

Roswell explanation that was put up by

481

00:21:47,419 --> 00:21:43,200

the government to explain what people

482

00:21:49,580 --> 00:21:47,429

had found and it some of the materials

483

00:21:51,950 --> 00:21:49,590

that are being asked for the question

484

00:21:55,970 --> 00:21:51,960

and the combination of adding things

485

00:21:58,009 --> 00:21:55,980

like balsa wood and then basically

486

00:21:59,869 --> 00:21:58,019

adding other materials to it plastics

487

00:22:04,360 --> 00:21:59,879

and other things that were put into it

488

00:22:08,119 --> 00:22:04,370

I've seen over the years a number of

489

00:22:10,730 --> 00:22:08,129

explanations and quote-unquote proof of

490

00:22:12,920 --> 00:22:10,740

why this kind of writing was on there

491

00:22:17,240 --> 00:22:12,930

some of it they had used base

492

00:22:20,000 --> 00:22:17,250

we from they had used from toy

493

00:22:23,180 --> 00:22:20,010

manufacturers forest was a florist

494

00:22:26,600 --> 00:22:23,190

actually yeah I mean I've heard a large

495

00:22:28,910 --> 00:22:26,610

number of different sources for this so

496

00:22:30,980 --> 00:22:28,920

on the basis wood we use materials like

497

00:22:33,710 --> 00:22:30,990

this for something as daunting as

498

00:22:36,260 --> 00:22:33,720

putting balloons over the top of the

499

00:22:39,200 --> 00:22:36,270

soap then Soviet Union to have listening

500

00:22:41,510 --> 00:22:39,210

devices to transmit back yes we would

501
00:22:44,660 --> 00:22:41,520
have tried all manner of things and

502
00:22:46,730 --> 00:22:44,670
that's 1947 is a very short distance out

503
00:22:49,490 --> 00:22:46,740
of World War to World War two you had

504
00:22:51,440 --> 00:22:49,500
the most advanced jets and technology on

505
00:22:54,010 --> 00:22:51,450
one end and you had people attaching

506
00:22:56,480 --> 00:22:54,020
small incendiary devices to bats and

507
00:22:59,120 --> 00:22:56,490
dropping them there's over areas to go

508
00:23:02,750 --> 00:22:59,130
do that so all manner of activity was

509
00:23:05,750 --> 00:23:02,760
still going right at Full Tilt also the

510
00:23:07,520 --> 00:23:05,760
OSS was disbanded the CIA came on so

511
00:23:11,120 --> 00:23:07,530
there was a huge gap in there that I

512
00:23:14,420 --> 00:23:11,130
think anyone that had I mean I did the

513
00:23:15,980 --> 00:23:14,430

CIA has used people that did do dowsing

514

00:23:18,290 --> 00:23:15,990

they use remote viewing

515

00:23:20,450 --> 00:23:18,300

so I there's a whole multitude of things

516

00:23:23,450 --> 00:23:20,460

that would go on there we hadn't really

517

00:23:25,100 --> 00:23:23,460

officially accepted the position of

518

00:23:27,290 --> 00:23:25,110

being in the Atomic Age that's really

519

00:23:29,540 --> 00:23:27,300

considered the fifties it's not

520

00:23:32,600 --> 00:23:29,550

interesting you know you don't I mean

521

00:23:35,630 --> 00:23:32,610

interested and I think there was such

522

00:23:37,520 --> 00:23:35,640

euphoria in some areas and we ghost this

523

00:23:39,800 --> 00:23:37,530

like I think about every 40 years we

524

00:23:41,960 --> 00:23:39,810

believe that the last war has been

525

00:23:43,310 --> 00:23:41,970

fought peace dividends you know all the

526

00:23:45,470 --> 00:23:43,320

things that go on we think it's all

527

00:23:47,660 --> 00:23:45,480

going to be better than it was

528

00:23:49,460 --> 00:23:47,670

so but yeah and that something else will

529

00:23:56,510 --> 00:23:49,470

come up and happen you find out that's

530

00:23:59,000 --> 00:23:56,520

going on you know why you know why

531

00:24:00,110 --> 00:23:59,010

because people don't change right you

532

00:24:01,550 --> 00:24:00,120

know right people don't change there's

533

00:24:05,480 --> 00:24:01,560

always gonna be someone out there no

534

00:24:07,850 --> 00:24:05,490

matter how moral and and you know that

535

00:24:10,160 --> 00:24:07,860

we are okay no matter how long we stick

536

00:24:12,410 --> 00:24:10,170

to these American principles you know

537

00:24:14,420 --> 00:24:12,420

just doing the right thing helping your

538

00:24:16,460 --> 00:24:14,430

neighbor helping you fit your your

539

00:24:18,260 --> 00:24:16,470

fellow citizen you know I mean there's

540

00:24:20,150 --> 00:24:18,270

there's no country in the world that

541

00:24:21,950 --> 00:24:20,160

responds like this country when there's

542

00:24:23,720 --> 00:24:21,960

a flood somewhere right when there's a

543

00:24:26,100 --> 00:24:23,730

tornado somewhere right

544

00:24:28,259 --> 00:24:26,110

they don't go through this you know like

545

00:24:30,629 --> 00:24:28,269

we do they poor we made people go down

546

00:24:33,330 --> 00:24:30,639

there they walk to the disaster site to

547

00:24:34,980 --> 00:24:33,340

help okay these are the things that you

548

00:24:36,659 --> 00:24:34,990

want to hang on to but it's the

549

00:24:38,279 --> 00:24:36,669

politicians that screw it up for

550

00:24:40,769 --> 00:24:38,289

everybody because they don't have the

551
00:24:42,830 --> 00:24:40,779
same kind of makeup yeah what else well

552
00:24:45,659 --> 00:24:42,840
I think they detach from reality I mean

553
00:24:47,970 --> 00:24:45,669
that's what you haven't worked for what

554
00:24:50,369 --> 00:24:47,980
you're doing and your whole goal is to

555
00:24:54,139 --> 00:24:50,379
can is continually gather power I don't

556
00:24:59,789 --> 00:24:56,610
politics because both sides are in in

557
00:25:02,580 --> 00:24:59,799
right this is a basically failed lawyers

558
00:25:04,259 --> 00:25:02,590
okay and you can't make a living as a

559
00:25:06,779 --> 00:25:04,269
lawyer these days then you know you

560
00:25:08,820 --> 00:25:06,789
should be doing something else okay you

561
00:25:13,100 --> 00:25:08,830
shouldn't be a politician but that's the

562
00:25:16,169 --> 00:25:13,110
type of person that it attracts you know

563
00:25:18,360 --> 00:25:16,179

I think knowledge of the law allows you

564

00:25:21,360 --> 00:25:18,370

to have a certain dodge that you had no

565

00:25:25,350 --> 00:25:21,370

certain maneuvers certain procedural

566

00:25:27,720 --> 00:25:25,360

things that allow you to control a lot

567

00:25:29,190 --> 00:25:27,730

more than you have or that you should

568

00:25:30,720 --> 00:25:29,200

have at your at your belly work so

569

00:25:33,560 --> 00:25:30,730

that's a long distance off this question

570

00:25:37,169 --> 00:25:33,570

from the balloon and I think it is a

571

00:25:39,509 --> 00:25:37,179

possibility I still think that there's

572

00:25:41,669 --> 00:25:39,519

still a great deal of uncertainty the

573

00:25:44,730 --> 00:25:41,679

way that that was handled right and

574

00:25:47,039 --> 00:25:44,740

explained that it looks like the early

575

00:25:49,499 --> 00:25:47,049

or they continued disinformation by

576

00:25:51,269 --> 00:25:49,509
saying it was something else the

577

00:25:53,480 --> 00:25:51,279
materials and I'll they had they acted

578

00:25:55,619 --> 00:25:53,490
and those kinds of things

579

00:25:56,850 --> 00:25:55,629
here's the very strange thing about it

580

00:26:01,379 --> 00:25:56,860
and then we're gonna go to a commercial

581

00:26:04,619 --> 00:26:01,389
okay is that when I did my book UFOs in

582

00:26:06,810 --> 00:26:04,629
watt I'm still available as bookstores

583

00:26:08,730 --> 00:26:06,820
everywhere and a great book there's a

584

00:26:11,519 --> 00:26:08,740
chapter in there and it what it devotes

585

00:26:14,669 --> 00:26:11,529
what is devoted to is that flying

586

00:26:18,710 --> 00:26:14,679
saucers UFOs interfering with our ICBM

587

00:26:21,119 --> 00:26:18,720
silos bases okay and the 60s and the 70s

588

00:26:24,360 --> 00:26:21,129

we built a lot of these things not

589

00:26:26,159 --> 00:26:24,370

Dakota South Dakota Colorado Kansas go

590

00:26:28,440 --> 00:26:26,169

all the way down to the Texas and New

591

00:26:30,990 --> 00:26:28,450

Mexico they would build these silos

592

00:26:33,899 --> 00:26:31,000

miles from each other they would put an

593

00:26:36,090 --> 00:26:33,909

ICBM in into the ground it would be

594

00:26:37,270 --> 00:26:36,100

impossible to find them all and these

595

00:26:39,370 --> 00:26:37,280

ICBMs at the

596

00:26:41,950 --> 00:26:39,380

I think that they have they were merged

597

00:26:43,480 --> 00:26:41,960

so that they have like for getting yeah

598

00:26:45,040 --> 00:26:43,490

in the beginning they weren't and that's

599

00:26:48,280 --> 00:26:45,050

really white had so many that that

600

00:26:51,130 --> 00:26:48,290

spread out in another scale right that

601
00:26:52,810 --> 00:26:51,140
you would have enough time to get at

602
00:26:54,310 --> 00:26:52,820
least some of them off before you would

603
00:26:56,200 --> 00:26:54,320
have impacts mm-hmm

604
00:26:58,480 --> 00:26:56,210
then when the Murph came that's why we

605
00:27:00,400 --> 00:26:58,490
lowered a number of silos and it changed

606
00:27:01,870 --> 00:27:00,410
a lot of it because now you're assuring

607
00:27:03,040 --> 00:27:01,880
each other that you're not going to go

608
00:27:05,770 --> 00:27:03,050
out to the missiles you're going to go

609
00:27:07,420 --> 00:27:05,780
after the power centers right the cities

610
00:27:09,190 --> 00:27:07,430
in the population centers because you

611
00:27:16,810 --> 00:27:09,200
know you have one and it can shoot off a

612
00:27:20,940 --> 00:27:16,820
number of different heads Oh crickets

613
00:27:23,650 --> 00:27:20,950

well crickets Coco yeah I think it's I

614

00:27:26,350 --> 00:27:23,660

think it's one why it's the ghost of one

615

00:27:27,640 --> 00:27:26,360

one so that's for our Halloween show

616

00:27:30,430 --> 00:27:27,650

which we come out in a couple weeks

617

00:27:33,760 --> 00:27:30,440

MERS our mi V which had multiple

618

00:27:35,740 --> 00:27:33,770

multiple independently targeted reentry

619

00:27:38,470 --> 00:27:35,750

entries vehicles okay so when you would

620

00:27:40,300 --> 00:27:38,480

see these ICBMs go off it wasn't just

621

00:27:42,190 --> 00:27:40,310

phone wall head it was like four and

622

00:27:43,240 --> 00:27:42,200

they would go up there they break apart

623

00:27:45,400 --> 00:27:43,250

and the four we're going to

624

00:27:47,410 --> 00:27:45,410

independently targeted places this is

625

00:27:49,720 --> 00:27:47,420

like mass destruction we're talking

626
00:27:51,340 --> 00:27:49,730
about okay and UFOs interfere with these

627
00:27:53,440 --> 00:27:51,350
during the sixties and seventies Parade

628
00:27:55,080 --> 00:27:53,450
magazine did a huge story on it Peter

629
00:27:57,760 --> 00:27:55,090
Jennings did over huge three-hour

630
00:27:59,260 --> 00:27:57,770
special water right before not before he

631
00:28:00,640 --> 00:27:59,270
died but a year before he died okay I

632
00:28:03,820 --> 00:28:00,650
suppose comprehensive thing you've ever

633
00:28:06,460 --> 00:28:03,830
seen on network TV so anyway one of

634
00:28:08,950 --> 00:28:06,470
these ICBM places before they even put

635
00:28:11,200 --> 00:28:08,960
the missile in was every night UFOs

636
00:28:13,240 --> 00:28:11,210
would show up right visitation it's not

637
00:28:14,950 --> 00:28:13,250
kind yet right you know and and it got

638
00:28:18,310 --> 00:28:14,960

so bad that as they're building this

639

00:28:20,320 --> 00:28:18,320

this silo okay in the desert let's say

640

00:28:22,390 --> 00:28:20,330

the people who were sent out there the

641

00:28:23,860 --> 00:28:22,400

MPS or the Air Force police were sent up

642

00:28:26,440 --> 00:28:23,870

there to protect this place at night

643

00:28:28,030 --> 00:28:26,450

went on strike they didn't want to go

644

00:28:30,940 --> 00:28:28,040

out there because so many UFOs are

645

00:28:32,680 --> 00:28:30,950

showing up okay and this is basically

646

00:28:35,470 --> 00:28:32,690

the Haunted site and as soon as they put

647

00:28:37,150 --> 00:28:35,480

the missile in okay it even got worse it

648

00:28:39,070 --> 00:28:37,160

got worse in fact they would have liked

649

00:28:41,410 --> 00:28:39,080

to scramble jets at a local Air Force

650

00:28:42,850 --> 00:28:41,420

Base on call all the time just to fly

651
00:28:45,580 --> 00:28:42,860
over there but as soon as they flew over

652
00:28:47,320 --> 00:28:45,590
the UFOs disappear they go when UFOs

653
00:28:49,390 --> 00:28:47,330
come back it's like the standard thing

654
00:28:50,890 --> 00:28:49,400
well it turns out the hunt silo is in

655
00:28:53,290 --> 00:28:50,900
Roswell New Mexico

656
00:28:55,930 --> 00:28:53,300
okay it's not more than 90 miles away

657
00:28:58,030 --> 00:28:55,940
from this whole Roswell balloon stuff

658
00:29:00,490 --> 00:28:58,040
had happened and if people just kind of

659
00:29:02,620 --> 00:29:00,500
shifted their gaze a little bit you know

660
00:29:05,470 --> 00:29:02,630
and leave the museum and the high jinks

661
00:29:07,299 --> 00:29:05,480
in the carnival alone and go and look at

662
00:29:09,549 --> 00:29:07,309
this hunt of salò and Roswell New Mexico

663
00:29:13,870 --> 00:29:09,559

you'd be more convinced of UFOs than

664

00:29:15,580 --> 00:29:13,880

ever believe me but anyway now it's like

665

00:29:17,950 --> 00:29:15,590

that beautiful but I think the other

666

00:29:20,830 --> 00:29:17,960

part that you talk about and he talked

667

00:29:22,780 --> 00:29:20,840

about in your book this also occurs at

668

00:29:25,630 --> 00:29:22,790

Grinnell and I work where they had some

669

00:29:28,090 --> 00:29:25,640

UFO activity and there's been reports of

670

00:29:29,740 --> 00:29:28,100

its same thing happening with submarines

671

00:29:32,919 --> 00:29:29,750

that were carrying nukes that they had

672

00:29:34,810 --> 00:29:32,929

over flights so yeah this is definitely

673

00:29:37,270 --> 00:29:34,820

the one we should be talking about and

674

00:29:39,400 --> 00:29:37,280

we still argue about the material and

675

00:29:43,570 --> 00:29:39,410

they said so said hieroglyphics that was

676

00:29:45,130 --> 00:29:43,580

actually some kind of a floral shop and

677

00:29:47,260 --> 00:29:45,140

they said oh yeah we used to put these

678

00:29:48,790 --> 00:29:47,270

displays in the window and the way that

679

00:29:50,230 --> 00:29:48,800

we bought the balsa wood they would put

680

00:29:51,669 --> 00:29:50,240

instead of putting words they put like a

681

00:29:53,830 --> 00:29:51,679

picture of a bird a picture of a flower

682

00:29:55,540 --> 00:29:53,840

a picture of a you know the sign or

683

00:29:56,919 --> 00:29:55,550

whatever and people thought this is some

684

00:29:58,630 --> 00:29:56,929

kind of code he says no while they are

685

00:30:00,460 --> 00:29:58,640

is there like five symbols from the five

686

00:30:01,900 --> 00:30:00,470

different distribution points you know I

687

00:30:03,520 --> 00:30:01,910

think they were making all the hell

688

00:30:05,919 --> 00:30:03,530

mouths you know I'm not enjoying those

689

00:30:07,930 --> 00:30:05,929

days but you know but they were just the

690

00:30:09,430 --> 00:30:07,940

distribution codes so they could go to

691

00:30:11,860 --> 00:30:09,440

different countries that people didn't

692

00:30:13,540 --> 00:30:11,870

have to read English okay it's the boss

693

00:30:15,490 --> 00:30:13,550

of what that was used in the you know of

694

00:30:19,720 --> 00:30:15,500

display window with a floral shop okay

695

00:30:25,060 --> 00:30:19,730

so don't you know don't be so aroused by

696

00:30:26,950 --> 00:30:25,070

it Roswell look at the Haunted ICBM silo

697

00:30:28,990 --> 00:30:26,960

in Roswell and you'll be more than ever

698

00:30:31,570 --> 00:30:29,000

convinced that they're your Falls around

699

00:30:33,580 --> 00:30:31,580

and not some bloom that just kind of and

700

00:30:36,160 --> 00:30:33,590

if you take a step even further back and

701
00:30:38,260 --> 00:30:36,170
listen to or read any of the Native

702
00:30:40,930 --> 00:30:38,270
American histories in that part again

703
00:30:43,660 --> 00:30:40,940
another series of activities that have

704
00:30:44,650 --> 00:30:43,670
gone on for years right hey Koko I have

705
00:30:47,830 --> 00:30:44,660
a bulletin here

706
00:30:49,750 --> 00:30:47,840
okay stand by issues connecting to Skype

707
00:30:51,460 --> 00:30:49,760
services we are aware of an incident

708
00:30:54,250 --> 00:30:51,470
where users will not be able to log on

709
00:30:56,290 --> 00:30:54,260
to Skype users already logged in may not

710
00:30:58,330 --> 00:30:56,300
be able to make calls to landlines or

711
00:31:00,370 --> 00:30:58,340
perform other transactions that's

712
00:31:02,260 --> 00:31:00,380
exactly what we're trying to do our

713
00:31:04,050 --> 00:31:02,270

entities are actively working on it you

714

00:31:05,910 --> 00:31:04,060

know that right yeah

715

00:31:07,230 --> 00:31:05,920

I think the lunch shop right now there

716

00:31:09,120 --> 00:31:07,240

at the florist right are getting the

717

00:31:10,230 --> 00:31:09,130

balsa wood and plastic right right you

718

00:31:12,300 --> 00:31:10,240

know they probably only took 30 minutes

719

00:31:14,310 --> 00:31:12,310

and not an hour for lunch so you know

720

00:31:17,040 --> 00:31:14,320

hats off to these heroes we hope to

721

00:31:19,980 --> 00:31:17,050

resolve as soon as possible wow that's a

722

00:31:23,430 --> 00:31:19,990

little bad English wise we apologize

723

00:31:26,000 --> 00:31:23,440

it's of course that this is cause I use

724

00:31:28,320 --> 00:31:26,010

this so that's why you and I tonight

725

00:31:31,380 --> 00:31:28,330

vamping as they say in the biz but I'll

726

00:31:32,940 --> 00:31:31,390

tell you what the best friend of vamping

727

00:31:35,990 --> 00:31:32,950

is to take a commercial so we can you

728

00:31:39,600 --> 00:31:36,000

know catch our breath so let's say yeah

729

00:31:42,450 --> 00:31:39,610

okay I'm getting a the is an avalanche

730

00:31:44,790 --> 00:31:42,460

of letters and emails with questions who

731

00:31:46,470 --> 00:31:44,800

asked you by the way so yeah you might

732

00:31:48,870 --> 00:31:46,480

want to have another orange juice and

733

00:31:51,030 --> 00:31:48,880

get ready so when we do this when we

734

00:31:53,460 --> 00:31:51,040

take a commercial break now and we'll be

735

00:31:56,250 --> 00:31:53,470

right back with this ask Cobra this is a

736

00:31:59,250 --> 00:31:56,260

special edition of ask Cobra as Cobra in

737

00:32:00,360 --> 00:31:59,260

the crutch Coco in the crunch hey Coco

738

00:32:02,670 --> 00:32:00,370

in the crunch okay

739

00:32:05,210 --> 00:32:02,680

all right if you prefer that that's fine

740

00:32:07,590 --> 00:32:05,220

with me let's see what happens

741

00:32:09,000 --> 00:32:07,600

why don't we take an ad now and we'll be

742

00:32:11,130 --> 00:32:09,010

right back after this you listening to

743

00:32:14,070 --> 00:32:11,140

Matheny's military-style show here on

744

00:32:18,930 --> 00:32:14,080

the distant Thunder radio network stay

745

00:32:20,730 --> 00:32:18,940

with us after the events of 9/11 we

746

00:32:23,850 --> 00:32:20,740

thought America would never be the same

747

00:32:26,550 --> 00:32:23,860

our homeland was attacked our fellow

748

00:32:30,750 --> 00:32:26,560

Americans killed by terrorists it seemed

749

00:32:32,490 --> 00:32:30,760

like all hope was lost until a special

750

00:32:35,190 --> 00:32:32,500

group of Patriots came together and

751
00:32:38,970 --> 00:32:35,200
defied the Pentagon and vowed to take

752
00:32:40,830 --> 00:32:38,980
revenge but in their own way they took

753
00:32:42,690 --> 00:32:40,840
the battle to the terrorists doorstep

754
00:32:45,330 --> 00:32:42,700
turning the tables on the murderers

755
00:32:47,790 --> 00:32:45,340
fighting with no rules taking no

756
00:32:50,430 --> 00:32:47,800
prisoners until they became terrorists

757
00:32:53,400 --> 00:32:50,440
themselves this is the story of the

758
00:32:56,010 --> 00:32:53,410
super Hawks soldiers so secret even the

759
00:32:58,170 --> 00:32:56,020
president didn't know they existed their

760
00:32:59,700 --> 00:32:58,180
mission was to kill bin Laden but they

761
00:33:02,940 --> 00:32:59,710
wound up saving the world

762
00:33:04,410 --> 00:33:02,950
super Hawks a new series for Kindles and

763
00:33:10,830 --> 00:33:04,420

nooks by Mac Malone

764

00:33:10,840 --> 00:33:35,799

[Music]

765

00:33:39,799 --> 00:33:38,210

welcome back at Windham a colonial track

766

00:33:41,749 --> 00:33:39,809

style show here on the distant Thunder

767

00:33:44,180 --> 00:33:41,759

radio network this is Mack Bologna and

768

00:33:47,690 --> 00:33:44,190

we're in the mists of a special edition

769

00:33:49,840 --> 00:33:47,700

that might ask cocoa okay Skype has gone

770

00:33:52,659 --> 00:33:49,850

down so this is Coco's time to shine

771

00:33:55,489 --> 00:33:52,669

anything you want to ask mana Cobra ever

772

00:33:58,519 --> 00:33:55,499

please let us know you know our email

773

00:34:00,470 --> 00:33:58,529

you know our text we will answer well he

774

00:34:02,599 --> 00:34:00,480

will answer the question so we asked him

775

00:34:05,539 --> 00:34:02,609

are you ready to talk oh I am sir is

776

00:34:07,789 --> 00:34:05,549

this was like the \$64,000 question right

777

00:34:10,490 --> 00:34:07,799

I'm yes and I'm really good a good at

778

00:34:18,319 --> 00:34:10,500

this okay here we go

779

00:34:21,349 --> 00:34:18,329

I ready okay from a fan you ready I'd

780

00:34:24,020 --> 00:34:21,359

like to ask Cobra if he had any cold war

781

00:34:26,869 --> 00:34:24,030

experiences regarding what would happen

782

00:34:29,990 --> 00:34:26,879

to him in the event of World War 3 would

783

00:34:35,109 --> 00:34:30,000

he go on any mystery missions was he

784

00:34:37,789 --> 00:34:35,119

ever told he would I did have a couple

785

00:34:39,379 --> 00:34:37,799

well we practiced all the time for the

786

00:34:41,510 --> 00:34:39,389

various missions that we did and I think

787

00:34:43,099 --> 00:34:41,520

I've explained some of those in the past

788

00:34:45,919 --> 00:34:43,109

one other Mike always thought was really

789

00:34:48,710 --> 00:34:45,929

interesting kind of kind of fun was the

790

00:34:50,200 --> 00:34:48,720

an-2 cult which is still around the

791

00:34:55,159 --> 00:34:50,210

North Koreans have a whole bunch of them

792

00:34:58,730 --> 00:34:55,169

it's a fabric coverage in parts wood

793

00:35:02,990 --> 00:34:58,740

metal tube frame airplane and it's

794

00:35:05,470 --> 00:35:03,000

capable of doing carrying a lot of their

795

00:35:11,150 --> 00:35:05,480

Special Forces Spetsnaz of Spetsnaz

796

00:35:13,670 --> 00:35:11,160

forces and many of the former clients of

797

00:35:15,470 --> 00:35:13,680

the Soviet Union and Friends of the of

798

00:35:18,319 --> 00:35:15,480

the emerging Russian Empire still used

799

00:35:20,240 --> 00:35:18,329

them they're very simple airplanes to to

800

00:35:22,010 --> 00:35:20,250

maintain they're not very fast they fly

801
00:35:23,569 --> 00:35:22,020
low and slow they have big tires and

802
00:35:24,950 --> 00:35:23,579
they could land anywhere and one of the

803
00:35:27,079 --> 00:35:24,960
missions that we used to talk about

804
00:35:29,539 --> 00:35:27,089
practice all the time was trying to take

805
00:35:31,700 --> 00:35:29,549
these out you would fly in our

806
00:35:33,770 --> 00:35:31,710
helicopters you'd position over the top

807
00:35:35,599 --> 00:35:33,780
of them and then you basically saw the

808
00:35:37,460 --> 00:35:35,609
tail off with a machine gun to get them

809
00:35:39,500 --> 00:35:37,470
spinning and crash because you wanted

810
00:35:41,120 --> 00:35:39,510
those guys not to be able to get out of

811
00:35:43,670 --> 00:35:41,130
the airplane okay because there were

812
00:35:47,569 --> 00:35:43,680
some nasty characters there may have

813
00:35:47,990 --> 00:35:47,579

been some excursions across once which

814

00:35:50,210 --> 00:35:48,000

was the

815

00:35:52,760 --> 00:35:50,220

boundaries between the country I was

816

00:35:55,490 --> 00:35:52,770

stationed in you go into too much detail

817

00:35:57,800 --> 00:35:55,500

there but there's a lot of activity that

818

00:35:59,630 --> 00:35:57,810

went on and that was this country that

819

00:36:04,970 --> 00:35:59,640

it have the word that they have them the

820

00:36:07,250 --> 00:36:04,980

letters sta em at the end of it no no no

821

00:36:13,730 --> 00:36:07,260

no this is this is all in Germany

822

00:36:16,610 --> 00:36:13,740

Central Europe in those days okay I did

823

00:36:19,430 --> 00:36:16,620

spend a lot of time on various stands

824

00:36:21,080 --> 00:36:19,440

and ands when I was working as a

825

00:36:23,240 --> 00:36:21,090

contractor on a rack that was always a

826

00:36:25,070 --> 00:36:23,250

pretty busy okay all right are the world

827

00:36:30,610 --> 00:36:25,080

do you know how dan means you know what

828

00:36:31,940 --> 00:36:30,620

sta n means yeah the Iranian embassy car

829

00:36:33,860 --> 00:36:31,950

hang on

830

00:36:38,330 --> 00:36:33,870

I'm sure it's an update from Skype okay

831

00:36:44,660 --> 00:36:38,340

ready okay no yeah here it is you ready

832

00:36:46,610 --> 00:36:44,670

Cobra I am just oh okay you know no I

833

00:36:47,360 --> 00:36:46,620

don't know that means our homeland I

834

00:36:51,250 --> 00:36:47,370

will land

835

00:36:57,440 --> 00:36:51,260

oh that's Pakistan you know Afghanistan

836

00:36:58,850 --> 00:36:57,450

thumbscrew is Stan I'm so you would get

837

00:37:00,560 --> 00:36:58,860

on this how you snuck into this country

838

00:37:05,750 --> 00:37:00,570

night yeah we were doing you know we did

839

00:37:08,120 --> 00:37:05,760

a lot of work along those borders so one

840

00:37:09,680 --> 00:37:08,130

of the things that we prepared for and a

841

00:37:13,570 --> 00:37:09,690

couple of the warplane missions that we

842

00:37:16,370 --> 00:37:13,580

had were basically one-way missions we

843

00:37:19,250 --> 00:37:16,380

brought the crew on board that was going

844

00:37:22,010 --> 00:37:19,260

to do the special work the the various

845

00:37:24,080 --> 00:37:22,020

special forces this predates so calm and

846

00:37:27,040 --> 00:37:24,090

JSOC they were just coming together as I

847

00:37:30,350 --> 00:37:27,050

was finishing that first assignment and

848

00:37:31,940 --> 00:37:30,360

we would go in and the deal was is that

849

00:37:33,320 --> 00:37:31,950

we didn't have fuel to get out there

850

00:37:34,970 --> 00:37:33,330

wasn't going to be tanker support

851

00:37:38,000 --> 00:37:34,980

there's just too many things going on

852

00:37:40,280 --> 00:37:38,010

and the idea was to get these men into

853

00:37:42,710 --> 00:37:40,290

positions so that they would be placed

854

00:37:45,230 --> 00:37:42,720

that radars would be in place that

855

00:37:48,260 --> 00:37:45,240

they'd have the gear and slow up the

856

00:37:49,910 --> 00:37:48,270

secondary issue on moving in and for the

857

00:37:51,380 --> 00:37:49,920

rest of us that were on board we could

858

00:37:55,030 --> 00:37:51,390

try to fly back but there was no place

859

00:37:59,360 --> 00:37:55,040

to fly to most likely so we were gonna

860

00:38:01,550 --> 00:37:59,370

kind of hang out with them and about for

861

00:38:03,170 --> 00:38:01,560

the flag yep

862

00:38:04,940 --> 00:38:03,180

so there was a couple of things that you

863

00:38:06,290 --> 00:38:04,950

know when you're young you look at that

864

00:38:07,850 --> 00:38:06,300

you just think it's a big adventure and

865

00:38:12,350 --> 00:38:07,860

you think it's gonna it's all going to

866

00:38:15,580 --> 00:38:12,360

work and I do remember a couple very fun

867

00:38:18,260 --> 00:38:15,590

missions practicing once again where we

868

00:38:20,330 --> 00:38:18,270

we were practicing very close to where

869

00:38:21,920 --> 00:38:20,340

the then Soviets the Russians were

870

00:38:23,870 --> 00:38:21,930

because they were having an exercise at

871

00:38:28,220 --> 00:38:23,880

the same time the vintage spy versus spy

872

00:38:30,530 --> 00:38:28,230

situation with airplanes helicopters and

873

00:38:34,790 --> 00:38:30,540

in the dark and we were supposed to drop

874

00:38:36,380 --> 00:38:34,800

us seals and Norwegian seals they're

875

00:38:38,030 --> 00:38:36,390

gonna go out by parachute with their

876

00:38:39,260 --> 00:38:38,040

rubber boat we're just gonna have them

877

00:38:41,990 --> 00:38:39,270

they were gonna walk off into the

878

00:38:44,390 --> 00:38:42,000

darkness and I'm talking to the lead

879

00:38:48,220 --> 00:38:44,400

seal and we were looking at the water

880

00:38:50,330 --> 00:38:48,230

conditions and it was just absolutely I

881

00:38:51,920 --> 00:38:50,340

mean in wartime it would have been

882

00:38:53,510 --> 00:38:51,930

considered pretty stupid to do this

883

00:38:55,400 --> 00:38:53,520

because you're gonna end up losing a lot

884

00:38:58,070 --> 00:38:55,410

of your folks for training absolutely

885

00:38:59,390 --> 00:38:58,080

not so he said to me well you know if we

886

00:39:00,920 --> 00:38:59,400

could just land on the beach and that

887

00:39:02,300 --> 00:39:00,930

was like a hugely for boat and we

888

00:39:04,280 --> 00:39:02,310

weren't supposed to do it you know they

889

00:39:06,170 --> 00:39:04,290

play so of course I went down I land on

890

00:39:09,710 --> 00:39:06,180

the beach and I brought the boat back

891

00:39:12,020 --> 00:39:09,720

everybody with seals were and what you

892

00:39:14,600 --> 00:39:12,030

still have the boat so we insured them

893

00:39:15,920 --> 00:39:14,610

and they went and they got really really

894

00:39:17,150 --> 00:39:15,930

reason they weren't supposed to go on

895

00:39:20,090 --> 00:39:17,160

the beaches because they got really

896

00:39:25,010 --> 00:39:20,100

really close to the possible potential

897

00:39:26,450 --> 00:39:25,020

adversary so and but it's okay that's

898

00:39:29,510 --> 00:39:26,460

good we should put some music beyond

899

00:39:31,910 --> 00:39:29,520

that some stirring music but did you

900

00:39:33,830 --> 00:39:31,920

have a place if World War three happened

901
00:39:36,560 --> 00:39:33,840
right who have a place you had to be

902
00:39:38,390 --> 00:39:36,570
yeah I mean I was at my unit I mean

903
00:39:41,330 --> 00:39:38,400
there was just no go another any other

904
00:39:43,400 --> 00:39:41,340
place okay we were there I mean in Jurek

905
00:39:45,230 --> 00:39:43,410
normally we would have moved to a

906
00:39:46,670 --> 00:39:45,240
forward operating location before

907
00:39:48,440 --> 00:39:46,680
anything what happened as soon as that

908
00:39:51,380 --> 00:39:48,450
happened we routinely would get exercise

909
00:39:53,540 --> 00:39:51,390
to do that you get the phone call and it

910
00:39:54,860 --> 00:39:53,550
was it was actually almost humorous when

911
00:39:56,120 --> 00:39:54,870
you look at it you could tell when it

912
00:39:57,650 --> 00:39:56,130
happened because I'd get up on my

913
00:39:59,330 --> 00:39:57,660

second-floor apartment where I lived in

914

00:40:01,250 --> 00:39:59,340

a house in Germany I'd look out through

915

00:40:03,020 --> 00:40:01,260

the window and I could see two houses

916

00:40:04,970 --> 00:40:03,030

over that like go on a couple minutes

917

00:40:06,950 --> 00:40:04,980

after I did as you get dressed we had

918

00:40:09,650 --> 00:40:06,960

bags ready to go there was stuff at the

919

00:40:12,020 --> 00:40:09,660

base and really for most of us whoever

920

00:40:14,270 --> 00:40:12,030

got there first got a better position

921

00:40:15,470 --> 00:40:14,280

you got to get packing or did you want

922

00:40:16,940 --> 00:40:15,480

to fly out that you wanted

923

00:40:19,780 --> 00:40:16,950

in the back you know what however you

924

00:40:22,220 --> 00:40:19,790

wanted to do it and of course I would I

925

00:40:24,530 --> 00:40:22,230

was living the dream in those days so I

926
00:40:25,910 --> 00:40:24,540
would be there is lickety-split I'd have

927
00:40:27,680 --> 00:40:25,920
the thing preflighted and as soon as

928
00:40:30,109 --> 00:40:27,690
there everybody was on board at the

929
00:40:34,609 --> 00:40:30,119
stars and we were gone and we practiced

930
00:40:37,280 --> 00:40:34,619
it only AT&T offers unlimited data with

931
00:40:40,130 --> 00:40:37,290
HBO included and you never pay overages

932
00:40:41,750 --> 00:40:40,140
plus get to wreck TV now for only \$10 a

933
00:40:44,240 --> 00:40:41,760
month it's entertainment

934
00:40:46,160 --> 00:40:44,250
your way after 22 gigabytes of data

935
00:40:47,540 --> 00:40:46,170
usage 18 am a slow speeds plan includes

936
00:40:48,800 --> 00:40:47,550
stream saver and videos will stream in

937
00:40:49,970 --> 00:40:48,810
standard definition unless you turn it

938
00:40:52,010 --> 00:40:49,980

off credits start within free bill

939

00:40:54,050 --> 00:40:52,020

cycles \$10 price based on \$35 live a

940

00:40:55,130 --> 00:40:54,060

little package - \$25 credit service

941

00:40:56,660 --> 00:40:55,140

prices subject to change

942

00:41:00,740 --> 00:40:56,670

other usage speed and restrictions apply

943

00:41:04,910 --> 00:41:00,750

visit your nearest 18t store quite a bit

944

00:41:07,430 --> 00:41:04,920

now were those I'm not sure if Matt can

945

00:41:10,099 --> 00:41:07,440

hear me Mac if you hear me nod on the

946

00:41:13,010 --> 00:41:10,109

screen yeah I can't hear you something

947

00:41:15,140 --> 00:41:13,020

is gone on your side well you know it's

948

00:41:17,090 --> 00:41:15,150

funny because you mentioned that because

949

00:41:19,099 --> 00:41:17,100

as you know we live in an island and

950

00:41:23,000 --> 00:41:19,109

when we first moved out here which

951
00:41:27,920 --> 00:41:25,460
we got a robo call that said there was a

952
00:41:30,080 --> 00:41:27,930
blizzard coming and that they advised

953
00:41:32,450 --> 00:41:30,090
people to go to the mainland as they put

954
00:41:43,130 --> 00:41:32,460
it right so we're kind of up on a hill

955
00:41:48,050 --> 00:41:43,140
and we see cows start out and all manner

956
00:41:49,880 --> 00:41:48,060
of dress you know everything but as I

957
00:41:52,820 --> 00:41:49,890
said the big difference was we were

958
00:41:54,740 --> 00:41:52,830
totally drilled and grilled for that so

959
00:41:56,180 --> 00:41:54,750
you had bags to go and then sometimes

960
00:41:58,820 --> 00:41:56,190
you were told bring your warm weather

961
00:42:00,470 --> 00:41:58,830
bag and other times you're told bring

962
00:42:02,420 --> 00:42:00,480
the cold weather bag and wouldn't

963
00:42:05,210 --> 00:42:02,430

offices season because you were getting

964

00:42:06,560 --> 00:42:05,220

raided and it was partially to test but

965

00:42:08,120 --> 00:42:06,570

sometimes it kept going I mean I

966

00:42:10,160 --> 00:42:08,130

remember we were brought in and we were

967

00:42:12,859 --> 00:42:10,170

headed to Africa because we were going

968

00:42:14,930 --> 00:42:12,869

to sling out a Soviet then Soviet

969

00:42:16,400 --> 00:42:14,940

helicopter had crashed we were going to

970

00:42:18,830 --> 00:42:16,410

try to bring it out because they wanted

971

00:42:20,570 --> 00:42:18,840

to exploit the technology all right yeah

972

00:42:22,520 --> 00:42:20,580

we started we made it as far as Spain

973

00:42:23,690 --> 00:42:22,530

and then they turned off the mission oh

974

00:42:25,820 --> 00:42:23,700

really yeah

975

00:42:28,010 --> 00:42:25,830

why hang on a second I would say hey

976

00:42:28,859 --> 00:42:28,020

listening to Michael andis military so

977

00:42:30,960 --> 00:42:28,869

I'll show here on the

978

00:42:32,160 --> 00:42:30,970

since then their radio network Skype is

979

00:42:36,239 --> 00:42:32,170

down but we are up

980

00:42:43,279 --> 00:42:36,249

we are the Agra of the Internet network

981

00:42:45,779 --> 00:42:43,289

so to think their what yeah you see now

982

00:42:47,759 --> 00:42:45,789

we're reaching off stride so let me ask

983

00:42:50,670 --> 00:42:47,769

you this okay so basically what happened

984

00:42:52,109 --> 00:42:50,680

was they had you go in okay and they

985

00:42:53,970 --> 00:42:52,119

were gonna pick up this helicopter it's

986

00:42:55,829 --> 00:42:53,980

similar to picking up the Russian sub in

987

00:42:57,599 --> 00:42:55,839

the middle of Pacific that the globe

988

00:43:00,660 --> 00:42:57,609

explored that it's the same idea

989

00:43:02,940 --> 00:43:00,670

yes they're technologists I can write

990

00:43:04,499 --> 00:43:02,950

and we'll will dissect it we'll see you

991

00:43:06,509 --> 00:43:04,509

know this stuff we don't know well most

992

00:43:08,640 --> 00:43:06,519

of we don't know right but why would

993

00:43:11,160 --> 00:43:08,650

they cancel that operation when you've

994

00:43:14,160 --> 00:43:11,170

got you know basically halfway to your

995

00:43:18,059 --> 00:43:14,170

goal well I did find out at a later date

996

00:43:19,380 --> 00:43:18,069

that a better deal came along so the

997

00:43:22,079 --> 00:43:19,390

payoffs that they would have to make to

998

00:43:23,630 --> 00:43:22,089

various governments okay that were

999

00:43:25,499 --> 00:43:23,640

involved on the continent of Africa

1000

00:43:27,480 --> 00:43:25,509

writing int animals that we're gonna

1001
00:43:30,269 --> 00:43:27,490
cause weren't worth it and another

1002
00:43:31,559 --> 00:43:30,279
friendly nation actually had acquired

1003
00:43:34,109 --> 00:43:31,569
one that was intact

1004
00:43:35,489 --> 00:43:34,119
that was not crashed so why bother and

1005
00:43:37,920 --> 00:43:35,499
then turned it over to the United States

1006
00:43:39,839 --> 00:43:37,930
I mean I'm sure I do something this is

1007
00:43:42,299 --> 00:43:39,849
probably inside but do you think that

1008
00:43:44,489 --> 00:43:42,309
someone just called the Soviet embassy

1009
00:43:48,450 --> 00:43:44,499
or whatever was the time say listen you

1010
00:43:50,099 --> 00:43:48,460
want the helicopter back you owe us no I

1011
00:43:52,289 --> 00:43:50,109
think in this particular case that they

1012
00:43:55,140 --> 00:43:52,299
didn't really care the Soviets had sold

1013
00:43:59,069 --> 00:43:55,150

this this was being flown by a third

1014

00:44:03,029 --> 00:43:59,079

world nation military then and did it

1015

00:44:12,690 --> 00:44:03,039

crashed and you're not too far it's

1016

00:44:15,660 --> 00:44:12,700

further west of us oh my and in so many

1017

00:44:18,870 --> 00:44:15,670

so many offers on the on the menu there

1018

00:44:21,120 --> 00:44:18,880

to choose from you know the the the one

1019

00:44:23,489 --> 00:44:21,130

that did come and it was the first of

1020

00:44:25,739 --> 00:44:23,499

many that fall rapidly after that was a

1021

00:44:28,470 --> 00:44:25,749

country that's friendly that were

1022

00:44:31,349 --> 00:44:28,480

friendly with and they had engaged in

1023

00:44:33,630 --> 00:44:31,359

much activity and one was left behind

1024

00:44:35,190 --> 00:44:33,640

and they took it all right okay all

1025

00:44:37,140 --> 00:44:35,200

right let me ask you this okay

1026

00:44:38,700 --> 00:44:37,150

yeah listening to Mack Moniz miltank

1027

00:44:41,490 --> 00:44:38,710

sauce show here on the distant Thunder

1028

00:44:42,900 --> 00:44:41,500

radio network I don't have my shades on

1029

00:44:46,140 --> 00:44:42,910

yeah it you'll feel better yeah

1030

00:44:48,270 --> 00:44:46,150

everybody yeah we should yeah I know we

1031

00:44:50,040 --> 00:44:48,280

should explain we're doing a very

1032

00:44:52,950 --> 00:44:50,050

different kind of show tonight because

1033

00:44:54,450 --> 00:44:52,960

apparently Skype has collapsed okay it's

1034

00:44:56,880 --> 00:44:54,460

the end of civilization as we know it

1035

00:44:59,490 --> 00:44:56,890

because I believe it's I think it's the

1036

00:45:01,410 --> 00:44:59,500

Kim brothers somehow are the we're on

1037

00:45:03,270 --> 00:45:01,420

skype which is kind of strange so what

1038

00:45:05,430 --> 00:45:03,280

we're doing is we're asking Cobra

1039

00:45:07,140 --> 00:45:05,440

questions and you've always wanted to

1040

00:45:10,220 --> 00:45:07,150

ask them okay and I'm gonna ask you a

1041

00:45:13,920 --> 00:45:12,359

you've asked me some doozies over the

1042

00:45:16,230 --> 00:45:13,930

years no no no well now this is from an

1043

00:45:19,790 --> 00:45:16,240

email but I'm gonna um I'm gonna edit it

1044

00:45:22,770 --> 00:45:19,800

a little bit okay have you ever in your

1045

00:45:25,080 --> 00:45:22,780

time of service to this country

1046

00:45:27,839 --> 00:45:25,090

okay both in the military and then

1047

00:45:30,960 --> 00:45:27,849

serving as a military contractor have

1048

00:45:34,800 --> 00:45:30,970

you ever embarrassed the flag have you

1049

00:45:37,470 --> 00:45:34,810

ever embarrassed USA and before you

1050

00:45:39,839 --> 00:45:37,480

answer I just want to bring you I just

1051

00:45:42,060 --> 00:45:39,849

want to tell you that you had told us a

1052

00:45:44,940 --> 00:45:42,070

story about you and your buddies when

1053

00:45:47,099 --> 00:45:44,950

she took the train through Germany - yes

1054

00:45:50,430 --> 00:45:47,109

communist Germany to Berlin right

1055

00:45:52,890 --> 00:45:50,440

correct okay all right can you some nail

1056

00:45:53,730 --> 00:45:52,900

bed trips very quickly and then I want

1057

00:45:56,790 --> 00:45:53,740

to have a follow-up

1058

00:46:01,950 --> 00:45:56,800

all right so the incident Mac refers to

1059

00:46:05,400 --> 00:46:01,960

is the German government provided like

1060

00:46:12,060 --> 00:46:05,410

an all-expense-paid trip to Berlin what

1061

00:46:15,089 --> 00:46:12,070

year this would be 1985 yeah so so the

1062

00:46:18,870 --> 00:46:15,099

the theory behind it was is that it was

1063

00:46:20,760 --> 00:46:18,880

to get you to see what it was like for

1064

00:46:23,460 --> 00:46:20,770

the East Germans and why you were there

1065

00:46:26,849 --> 00:46:23,470

and why we're putting this this this big

1066

00:46:29,579 --> 00:46:26,859

defense up against and it was pretty

1067

00:46:32,160 --> 00:46:29,589

incredible trip it and it had all the

1068

00:46:33,990 --> 00:46:32,170

Hawking's and markings of something that

1069

00:46:35,460 --> 00:46:34,000

you would see in a movie you don't leave

1070

00:46:36,930 --> 00:46:35,470

the train station and you don't get to

1071

00:46:39,750 --> 00:46:36,940

enter eastern me till it's dark when you

1072

00:46:41,790 --> 00:46:39,760

come up to the area where you go through

1073

00:46:44,579 --> 00:46:41,800

the rail yard to go in there then Easter

1074

00:46:46,500 --> 00:46:44,589

me now it's also about Jimmy it looks

1075

00:46:49,020 --> 00:46:46,510

like you know the searchlights are there

1076

00:46:51,060 --> 00:46:49,030

the barbed wire the guys the guys that

1077

00:46:53,220 --> 00:46:51,070

Stasi looking guys walking around

1078

00:46:54,540 --> 00:46:53,230

there's the movie it's the yeah it was

1079

00:46:56,640 --> 00:46:54,550

the movies you know

1080

00:46:58,200 --> 00:46:56,650

where are your papers I mean they did

1081

00:47:00,000 --> 00:46:58,210

that did at that moment comes and you

1082

00:47:03,480 --> 00:47:00,010

had special orders that were written in

1083

00:47:04,950 --> 00:47:03,490

German French English and Russian and

1084

00:47:07,830 --> 00:47:04,960

you had to have them they had to be

1085

00:47:09,360 --> 00:47:07,840

right so we should explain that that the

1086

00:47:10,770 --> 00:47:09,370

city of Berlin the way that they after

1087

00:47:13,050 --> 00:47:10,780

World War two what they did was that

1088

00:47:15,510 --> 00:47:13,060

they they took masse Germany and they

1089

00:47:17,520 --> 00:47:15,520

divided it into four therefore they

1090

00:47:19,920 --> 00:47:17,530

allowed the Russians to come very far

1091

00:47:22,050 --> 00:47:19,930

towards the middle and right and in a

1092

00:47:23,850 --> 00:47:22,060

Bic the country itself was divided into

1093

00:47:26,220 --> 00:47:23,860

four sections of men Berlin the capital

1094

00:47:28,560 --> 00:47:26,230

which was deeply in the Russian zone

1095

00:47:30,960 --> 00:47:28,570

that itself was divided into four

1096

00:47:33,780 --> 00:47:30,970

different sections and his us English

1097

00:47:36,150 --> 00:47:33,790

French and Russian the winners basically

1098

00:47:39,090 --> 00:47:36,160

okay but if you wanted to get the Berlin

1099

00:47:41,430 --> 00:47:39,100

from let's say our sect that you had to

1100

00:47:44,340 --> 00:47:41,440

take a train or a plane or a car through

1101
00:47:46,320 --> 00:47:44,350
communist East Berlin East Germany to

1102
00:47:48,720 --> 00:47:46,330
get the broom in that's so that's where

1103
00:47:50,910 --> 00:47:48,730
we are and and of course it sets up you

1104
00:47:53,880 --> 00:47:50,920
know a place of absolute injury if

1105
00:47:57,270 --> 00:47:53,890
you've seen bridge of spies excellence

1106
00:48:00,600 --> 00:47:57,280
by those movie actually I movie and it

1107
00:48:03,090 --> 00:48:00,610
covers a lot of you know compiles a lot

1108
00:48:07,110 --> 00:48:03,100
of those incidents into one of what was

1109
00:48:08,820 --> 00:48:07,120
going on so now much later in the 80s I

1110
00:48:11,700 --> 00:48:08,830
have to tell you that the eat then East

1111
00:48:13,920 --> 00:48:11,710
Germans really disliked us a little bit

1112
00:48:16,320 --> 00:48:13,930
more than the Russians because they

1113
00:48:18,420 --> 00:48:16,330

blamed us for the situation they were in

1114

00:48:19,560 --> 00:48:18,430

they you know many of them had family so

1115

00:48:21,590 --> 00:48:19,570

they knew what it was like in West

1116

00:48:23,880 --> 00:48:21,600

Germany West Germany's you know rien

1117

00:48:25,650 --> 00:48:23,890

industrializing they're getting cars to

1118

00:48:27,510 --> 00:48:25,660

building houses or when they're living

1119

00:48:29,100 --> 00:48:27,520

they're living very poorly in East

1120

00:48:31,230 --> 00:48:29,110

Germany it was very very East German it

1121

00:48:34,560 --> 00:48:31,240

was just like the real I'm pitiful and

1122

00:48:36,420 --> 00:48:34,570

and they and the Russians were punishing

1123

00:48:38,730 --> 00:48:36,430

them and they were also treating it as

1124

00:48:40,860 --> 00:48:38,740

the the bludgeon the anvil that they

1125

00:48:43,440 --> 00:48:40,870

were going they were they would had no

1126

00:48:47,790 --> 00:48:43,450

problem doing anything they had to to

1127

00:48:49,860 --> 00:48:47,800

wipe out of friendly forces our forces

1128

00:48:51,120 --> 00:48:49,870

in East Germany if that was chemical or

1129

00:48:53,430 --> 00:48:51,130

nuke they were gonna do it there was

1130

00:48:55,680 --> 00:48:53,440

just no if it were the East Germans

1131

00:48:58,050 --> 00:48:55,690

every day whatever that was just gonna

1132

00:49:00,150 --> 00:48:58,060

be the way it was right we're on the

1133

00:49:01,710 --> 00:49:00,160

train and we're really having a good

1134

00:49:03,960 --> 00:49:01,720

time and we're getting crazier and

1135

00:49:08,280 --> 00:49:03,970

having more and and and it's it's it's

1136

00:49:09,930 --> 00:49:08,290

fraught with the kind of of intrigue and

1137

00:49:11,070 --> 00:49:09,940

that you could find and it was around

1138

00:49:12,600 --> 00:49:11,080

the Christmas holidays and that's the

1139

00:49:14,130 --> 00:49:12,610

reason normally it would be husband and

1140

00:49:16,350 --> 00:49:14,140

wife kind of couplings that had gone on

1141

00:49:18,600 --> 00:49:16,360

these trips nobody wanted to go at the

1142

00:49:21,780 --> 00:49:18,610

Christmas holiday so I saw a single guys

1143

00:49:23,640 --> 00:49:21,790

go and we are absolutely just tearing it

1144

00:49:24,870 --> 00:49:23,650

up at this point we're having a great

1145

00:49:27,150 --> 00:49:24,880

time and of course they're giving the

1146

00:49:29,640 --> 00:49:27,160

East German who comes on board a hard

1147

00:49:32,880 --> 00:49:29,650

time about the papers and the whole nine

1148

00:49:34,770 --> 00:49:32,890

yards and it's getting better and one of

1149

00:49:36,810 --> 00:49:34,780

my dear friends in the middle of all

1150

00:49:38,310 --> 00:49:36,820

this for now we're finally settling down

1151

00:49:39,510 --> 00:49:38,320

we're glad we could we have to get

1152

00:49:41,010 --> 00:49:39,520

serious we've got to get some sleep

1153

00:49:42,990 --> 00:49:41,020

because we're gonna be rolling into the

1154

00:49:44,730 --> 00:49:43,000

station in a few hours and we've got to

1155

00:49:47,790 --> 00:49:44,740

get our uniforms on and go about our

1156

00:49:49,890 --> 00:49:47,800

business there he does this

1157

00:49:51,990 --> 00:49:49,900

hop up handstand I'll never forget it

1158

00:49:56,490 --> 00:49:52,000

and he puts his head right into the

1159

00:49:58,890 --> 00:49:56,500

light bulb in our compartment the light

1160

00:50:02,550 --> 00:49:58,900

bulb explodes he course you know gets

1161

00:50:03,990 --> 00:50:02,560

hurt drops down into the dark it's mass

1162

00:50:05,490 --> 00:50:04,000

pain it looked like something out of the

1163

00:50:08,520 --> 00:50:05,500

Marx Brothers at this point why we're

1164

00:50:10,260 --> 00:50:08,530

going on we got some pretty dirty looks

1165

00:50:11,970 --> 00:50:10,270

when we rolled into the station so I'd

1166

00:50:14,370 --> 00:50:11,980

say that that was a bit of a borderline

1167

00:50:15,780 --> 00:50:14,380

if not maybe being the best officer in

1168

00:50:17,130 --> 00:50:15,790

general and I could be but I remind

1169

00:50:19,730 --> 00:50:17,140

people it took an act of Congress to

1170

00:50:25,110 --> 00:50:19,740

make me a gentleman so keep that in mind

1171

00:50:29,310 --> 00:50:25,120

another small aspect there we had a

1172

00:50:31,500 --> 00:50:29,320

tendency to be somewhat disrespectful

1173

00:50:33,690 --> 00:50:31,510

towards our East German host when we

1174

00:50:34,980 --> 00:50:33,700

were on that part of the not the the

1175

00:50:36,860 --> 00:50:34,990

folks the people actually we're actually

1176

00:50:41,160 --> 00:50:36,870

quite cool we had a lot of fun there

1177

00:50:44,430 --> 00:50:41,170

with the folks there but the a lot of

1178

00:50:46,440 --> 00:50:44,440

times the the guards and the the related

1179

00:50:48,780 --> 00:50:46,450

folks they they would give you a hard

1180

00:50:50,190 --> 00:50:48,790

time we'd give a right back to him but I

1181

00:50:54,120 --> 00:50:50,200

think we thought that was part of the

1182

00:50:58,020 --> 00:50:54,130

the game that we were playing I have

1183

00:51:00,480 --> 00:50:58,030

really not had too many opportunities to

1184

00:51:05,790 --> 00:51:00,490

do something that would be a disgrace in

1185

00:51:10,140 --> 00:51:05,800

any way the times that I have maybe gone

1186

00:51:12,180 --> 00:51:10,150

off the the the appointed orders are

1187

00:51:14,010 --> 00:51:12,190

signed the sheet that we were supposed

1188

00:51:15,600 --> 00:51:14,020

to do I was able to usually correct

1189

00:51:17,580 --> 00:51:15,610

myself or at least make the reason why I

1190

00:51:19,260 --> 00:51:17,590

made the deviations that I did generally

1191

00:51:21,450 --> 00:51:19,270

I pulled things the way they were

1192

00:51:21,900 --> 00:51:21,460

supposed to go right let me can I ask

1193

00:51:23,520 --> 00:51:21,910

you another

1194

00:51:26,760 --> 00:51:23,530

quick email question then we'll go to a

1195

00:51:28,079 --> 00:51:26,770

break sure this is from the central part

1196

00:51:29,160 --> 00:51:28,089

of the country have you ever done

1197

00:51:30,390 --> 00:51:29,170

anything maybe you've already entered

1198

00:51:32,910 --> 00:51:30,400

this have you ever done anything

1199

00:51:36,270 --> 00:51:32,920

undercover where you had to literally

1200

00:51:40,500 --> 00:51:36,280

dress differently and yes so on yes

1201
00:51:45,299 --> 00:51:40,510
I mean well a couple occasions one of

1202
00:51:48,299 --> 00:51:45,309
them in the military I went to a country

1203
00:51:51,980 --> 00:51:48,309
that we were developing relationships

1204
00:51:57,480 --> 00:51:51,990
with they wanted to have the ability to

1205
00:52:00,150 --> 00:51:57,490
increase their connection and their

1206
00:52:02,309 --> 00:52:00,160
ability to rebuild their military much

1207
00:52:05,010 --> 00:52:02,319
like wave the American military is built

1208
00:52:07,020 --> 00:52:05,020
and I was asked to go I spent most of my

1209
00:52:09,150 --> 00:52:07,030
time not in uniform they're only at the

1210
00:52:09,690 --> 00:52:09,160
very end when I went to a official

1211
00:52:14,569 --> 00:52:09,700
function

1212
00:52:17,970 --> 00:52:14,579
I flew in their aircraft showing them

1213
00:52:21,349 --> 00:52:17,980

ways to help we did business and ended

1214

00:52:25,230 --> 00:52:21,359

up actually doing some some light

1215

00:52:27,029 --> 00:52:25,240

special mission work with them and it

1216

00:52:30,120 --> 00:52:27,039

was I still have very close friends

1217

00:52:32,579 --> 00:52:30,130

there and it was a very rewarding one it

1218

00:52:36,359 --> 00:52:32,589

wasn't anything so that I felt like well

1219

00:52:38,339 --> 00:52:36,369

if I got myself in trouble any more or

1220

00:52:40,230 --> 00:52:38,349

less I don't think any I think they

1221

00:52:43,109 --> 00:52:40,240

would have just viewed me as a really

1222

00:52:45,000 --> 00:52:43,119

good english-speaking person in that

1223

00:52:46,440 --> 00:52:45,010

country and I would have seen the same

1224

00:52:48,299 --> 00:52:46,450

fate that most of the folks that I was

1225

00:52:50,099 --> 00:52:48,309

helping are working with what of which

1226

00:52:51,779 --> 00:52:50,109

wouldn't have been very pleasant because

1227

00:52:53,460 --> 00:52:51,789

they were you know they were involved in

1228

00:52:55,140 --> 00:52:53,470

a light compact type situation for the

1229

00:52:57,120 --> 00:52:55,150

most of time I was there so that was

1230

00:53:00,000 --> 00:52:57,130

kind of neat and I did a lot of that

1231

00:53:02,099 --> 00:53:00,010

interesting work as a contractor I had

1232

00:53:04,319 --> 00:53:02,109

different agencies that would approach

1233

00:53:08,069 --> 00:53:04,329

us to do work because we had the ability

1234

00:53:09,599 --> 00:53:08,079

to be very flexible in comparison to the

1235

00:53:15,079 --> 00:53:09,609

military military generally has a lot of

1236

00:53:18,950 --> 00:53:15,089

rules on there and I from about 2000 on

1237

00:53:23,640 --> 00:53:18,960

post 9/11 especially the acceleration of

1238

00:53:25,440 --> 00:53:23,650

thinking outside the box and taking what

1239

00:53:27,510 --> 00:53:25,450

was available and turning into something

1240

00:53:29,010 --> 00:53:27,520

bigger than it was that you know it was

1241

00:53:32,370 --> 00:53:29,020

greater than the sum of all the parts

1242

00:53:34,950 --> 00:53:32,380

really came a flight I mean that do you

1243

00:53:35,579 --> 00:53:34,960

see that with the drone or UAS activity

1244

00:53:37,559 --> 00:53:35,589

how people do

1245

00:53:41,190 --> 00:53:37,569

they exploded that capability very

1246

00:53:43,140 --> 00:53:41,200

quickly we had huge gaps in our ability

1247

00:53:45,690 --> 00:53:43,150

to do observation and reconnaissance

1248

00:53:47,579 --> 00:53:45,700

that's why the contractor world that I

1249

00:53:49,859 --> 00:53:47,589

was in we spent so much time doing that

1250

00:53:51,660 --> 00:53:49,869

and just the group of people I had doing

1251
00:53:54,239 --> 00:53:51,670
that came from all backgrounds in the

1252
00:53:56,099 --> 00:53:54,249
military my doctor pilots I had fighter

1253
00:53:59,880 --> 00:53:56,109
pilots I had transport down your spine

1254
00:54:04,979 --> 00:53:59,890
right we use fine not so much spine

1255
00:54:07,140 --> 00:54:04,989
because spying you generally are working

1256
00:54:08,940 --> 00:54:07,150
in a very clandestine way we were doing

1257
00:54:11,249 --> 00:54:08,950
a surveillance reconnaissance kind of

1258
00:54:12,690 --> 00:54:11,259
role where we we wanted a cloak as much

1259
00:54:15,269 --> 00:54:12,700
as we could we tried to lose the cover

1260
00:54:17,640 --> 00:54:15,279
of darkness but if we were caught our

1261
00:54:19,859 --> 00:54:17,650
fate was going to be much like anybody

1262
00:54:22,829 --> 00:54:19,869
else that that part of the world doesn't

1263
00:54:24,469 --> 00:54:22,839

differentiate between spies I mean

1264

00:54:26,609 --> 00:54:24,479

people don't get along

1265

00:54:28,709 --> 00:54:26,619

within the same tribe in that part of

1266

00:54:32,160 --> 00:54:28,719

the world right yes very well so I mean

1267

00:54:34,019 --> 00:54:32,170

I standing there - I don't think I don't

1268

00:54:41,430 --> 00:54:34,029

think I was going to do any better with

1269

00:54:43,829 --> 00:54:41,440

you no okay all right just yes or no ok

1270

00:54:45,630 --> 00:54:43,839

and then you're listening to Mack Moniz

1271

00:54:47,579 --> 00:54:45,640

mill tracks show here on the distant

1272

00:54:48,479 --> 00:54:47,589

Thunder radio don't worry I mean it says

1273

00:54:51,209 --> 00:54:48,489

Koko

1274

00:54:53,400 --> 00:54:51,219

okay I'm gonna ask you this you can

1275

00:54:56,039 --> 00:54:53,410

think over the commercial if you want

1276

00:54:58,109 --> 00:54:56,049

I'm gonna really zap you ready yep the

1277

00:55:00,209 --> 00:54:58,119

Baltimore Police riots a few years ago

1278

00:55:03,479 --> 00:55:00,219

did you fly over those did you eavesdrop

1279

00:55:05,700 --> 00:55:03,489

on those did you spy surveil Mo's I did

1280

00:55:08,069 --> 00:55:05,710

not the people on my stream I do know

1281

00:55:10,739 --> 00:55:08,079

that that activity was going it was done

1282

00:55:13,079 --> 00:55:10,749

it was done but I want to explain

1283

00:55:14,729 --> 00:55:13,089

anything I want explain more what I'm we

1284

00:55:16,709 --> 00:55:14,739

come back okay well you gonna have to

1285

00:55:21,930 --> 00:55:16,719

wait until after this Dunkin Donuts ad

1286

00:55:24,690 --> 00:55:21,940

okay Coco I'm ready sir okay see ya

1287

00:55:27,690 --> 00:55:24,700

listening to me play I wish Wan long

1288

00:55:33,509 --> 00:55:27,700

let's see yeah you know I mean he's my

1289

00:55:34,200 --> 00:55:33,519

binky you know what I mean anyway let's

1290

00:55:35,819 --> 00:55:34,210

take a break

1291

00:55:37,380 --> 00:55:35,829

you listening to Macanese military

1292

00:55:39,120 --> 00:55:37,390

exercise show here on the distant

1293

00:55:41,960 --> 00:55:39,130

Thunder radio network we'll be right

1294

00:55:46,460 --> 00:55:44,630

over the years Air Force meteor Hawk

1295

00:55:48,950 --> 00:55:46,470

Hunter and his band of patriotic fighter

1296

00:55:51,140 --> 00:55:48,960

pilots have fought tirelessly to reunite

1297

00:55:54,800 --> 00:55:51,150

a fractured America devastated by a

1298

00:55:57,200 --> 00:55:54,810

Russian sneak attack now returning from

1299

00:55:59,569 --> 00:55:57,210

a mysterious Space Odyssey hunter finds

1300

00:56:02,500 --> 00:55:59,579

a huge Russian army occupying New York

1301
00:56:04,730 --> 00:56:02,510
City ready to invade the rest of America

1302
00:56:06,950 --> 00:56:04,740
buzzing through the city's skyscraper

1303
00:56:09,230 --> 00:56:06,960
canyons in a tiny top-secret ghost plane

1304
00:56:10,099 --> 00:56:09,240
and seeing the invaders massive weaponry

1305
00:56:11,990 --> 00:56:10,109
for himself

1306
00:56:13,940 --> 00:56:12,000
puck realizes he's up against the

1307
00:56:14,740 --> 00:56:13,950
greatest danger his homeland has ever

1308
00:56:17,359 --> 00:56:14,750
faced

1309
00:56:18,980 --> 00:56:17,369
but equally alarming are reports

1310
00:56:20,930 --> 00:56:18,990
cleaning that Hawks former girlfriend

1311
00:56:22,790 --> 00:56:20,940
dominating is living with the head of

1312
00:56:26,059 --> 00:56:22,800
the Russian secret police in a Manhattan

1313
00:56:29,300 --> 00:56:26,069

penthouse is she is prisoner or is she

1314

00:56:31,309 --> 00:56:29,310

something else with the woman in the

1315

00:56:33,470 --> 00:56:31,319

country he loves in dire peril hawk

1316

00:56:35,510 --> 00:56:33,480

hunter the wingman will apply all his

1317

00:56:37,940 --> 00:56:35,520

aviation prowess to launch the most

1318

00:56:41,000 --> 00:56:37,950

crucial battle for America yet no matter

1319

00:56:43,069 --> 00:56:41,010

what the risks filled with fast-paced

1320

00:56:45,200 --> 00:56:43,079

action a wide range of aircraft and

1321

00:56:46,370 --> 00:56:45,210

military hardware battle for a merit

1322

00:56:48,559 --> 00:56:46,380

that brings back your favorite

1323

00:56:50,809 --> 00:56:48,569

characters from earlier books in the

1324

00:56:52,910 --> 00:56:50,819

wingman series and delivers a riveting

1325

00:56:55,809 --> 00:56:52,920

story that reveals new insight on

1326
00:56:59,210 --> 00:56:55,819
America's most famous hero but wingman

1327
00:57:02,240 --> 00:56:59,220
that's wingman 18 the battle for America

1328
00:57:03,520 --> 00:57:02,250
on sale now amazon.com and available at

1329
00:57:24,980 --> 00:57:03,530
your local bookstore

1330
00:57:26,870 --> 00:57:24,990
[Music]

1331
00:57:28,849 --> 00:57:26,880
welcome back in North Mountain one is

1332
00:57:33,380 --> 00:57:28,859
mookaite south show here on the distant

1333
00:57:35,599 --> 00:57:33,390
Thunder radio and network this is what a

1334
00:57:38,660 --> 00:57:35,609
different night it is I have a feeling

1335
00:57:40,430 --> 00:57:38,670
that Superman may have you know flown

1336
00:57:43,190 --> 00:57:40,440
very quickly around the world and

1337
00:57:47,120 --> 00:57:43,200
somehow altered the rotation because

1338
00:57:48,310 --> 00:57:47,130

Skype the mighty Skype is down but to

1339

00:57:51,260 --> 00:57:48,320

our advantage

1340

00:57:53,870 --> 00:57:51,270

Cobra and I are on the mind Cobra you

1341

00:57:55,400 --> 00:57:53,880

don't that means I have to salute you on

1342

00:57:56,450 --> 00:57:55,410

the line with us is the very famous

1343

00:57:59,300 --> 00:57:56,460

commander Cobra

1344

00:58:02,030 --> 00:57:59,310

good evening sir about that look god

1345

00:58:03,890 --> 00:58:02,040

it's good that's that really see I think

1346

00:58:05,540 --> 00:58:03,900

that when you're by yourself in one

1347

00:58:09,020 --> 00:58:05,550

one's not there to intimidate you you

1348

00:58:11,240 --> 00:58:09,030

get a better salute Wow huh so a little

1349

00:58:14,599 --> 00:58:11,250

bit on the anti-woman one thing no no no

1350

00:58:17,420 --> 00:58:14,609

no I won gives a very sharp salute well

1351

00:58:24,140 --> 00:58:17,430

yon is not absolute is not code for

1352

00:58:26,150 --> 00:58:24,150

anything it's you know Oh

1353

00:58:27,620 --> 00:58:26,160

Skype is done you know this is whatever

1354

00:58:31,609 --> 00:58:27,630

the date is it's like where are the

1355

00:58:34,910 --> 00:58:31,619

worlds oh yeah North Korea started yeah

1356

00:58:36,380 --> 00:58:34,920

we are we're the leading edge where the

1357

00:58:38,329 --> 00:58:36,390

Pathfinders right here we are path

1358

00:58:40,099 --> 00:58:38,339

finders also your foods and guys and a

1359

00:58:41,780 --> 00:58:40,109

bridge too far right now that's went to

1360

00:58:44,359 --> 00:58:41,790

the shelter and don't come and bang on

1361

00:58:48,290 --> 00:58:44,369

my door there don't think it personally

1362

00:58:52,310 --> 00:58:48,300

well we only have food for 30 ok anyway

1363

00:58:54,890 --> 00:58:52,320

so what we've turned this into is ask

1364

00:58:56,300 --> 00:58:54,900

Coco okay I mean I've had a million

1365

00:58:58,550 --> 00:58:56,310

questions I've always wanted to ask you

1366

00:59:00,680 --> 00:58:58,560

okay and now we having the chance to do

1367

00:59:02,839 --> 00:59:00,690

it and it's really cool so well I

1368

00:59:05,240 --> 00:59:02,849

happened to be out there fielding calls

1369

00:59:07,880 --> 00:59:05,250

you told your story about how you took

1370

00:59:11,150 --> 00:59:07,890

the train in - yes true correct

1371

00:59:13,490 --> 00:59:11,160

okay so how you were acting how you were

1372

00:59:18,230 --> 00:59:13,500

yes yes we went to the whole thing that

1373

00:59:20,030 --> 00:59:18,240

we had up a little bit I have this it

1374

00:59:21,770 --> 00:59:20,040

was a drunken display right it's like

1375

00:59:23,810 --> 00:59:21,780

The Three Stooges in that episode

1376

00:59:28,930 --> 00:59:23,820

whether it was more classy was more like

1377

00:59:33,470 --> 00:59:31,760

no no I just I'm saying if you're

1378

00:59:36,620 --> 00:59:33,480

looking for the genre it's in the

1379

00:59:38,000 --> 00:59:36,630

comedic side no doubt but it's more so I

1380

00:59:40,010 --> 00:59:38,010

mean I just

1381

00:59:41,840 --> 00:59:40,020

Jews are a different kind of comedy than

1382

00:59:43,609 --> 00:59:41,850

the mics brothers yes max brothers

1383

00:59:45,200 --> 00:59:43,619

hilarious there's no doubt about it and

1384

00:59:46,910 --> 00:59:45,210

we were hilarious there's no doubt about

1385

00:59:48,800 --> 00:59:46,920

it but the maestro's a little bit of

1386

00:59:49,820 --> 00:59:48,810

highbrow and the Stooges I think that

1387

00:59:51,740 --> 00:59:49,830

they're a little bit lower bra but

1388

00:59:53,930 --> 00:59:51,750

they're just just funny I guess some

1389

00:59:56,359 --> 00:59:53,940

guys like great you know someone these

1390

00:59:59,420 --> 00:59:56,369

people who you know you know kind of I

1391

01:00:02,500 --> 00:59:59,430

yell educated I said some honey how many

1392

01:00:05,960 --> 01:00:02,510

people do you think have you know

1393

01:00:07,609 --> 01:00:05,970

entertained have been entertained by the

1394

01:00:09,740 --> 01:00:07,619

Stooges and how many people do you think

1395

01:00:11,870 --> 01:00:09,750

have been entertained by picasso and

1396

01:00:14,120 --> 01:00:11,880

what is the bigger number and instead

1397

01:00:15,890 --> 01:00:14,130

it's the Stooges and it's the Marx

1398

01:00:17,780 --> 01:00:15,900

Brothers okay what people enjoy the

1399

01:00:19,310 --> 01:00:17,790

marsh brothers and anything Picasso ever

1400

01:00:22,570 --> 01:00:19,320

did you know ll mean oh yeah absolutely

1401

01:00:27,310 --> 01:00:22,580

and I mean by thinking about the

1402

01:00:31,210 --> 01:00:27,320

residuals the residuals no no I'm

1403

01:00:34,490 --> 01:00:31,220

thinking the wrong it's the wrong tree

1404

01:00:36,440 --> 01:00:34,500

it's generationally just keep going I

1405

01:00:38,510 --> 01:00:36,450

think I think after a while you actually

1406

01:00:40,099 --> 01:00:38,520

code that you say stuff and you make

1407

01:00:41,810 --> 01:00:40,109

people want to know about it right

1408

01:00:43,250 --> 01:00:41,820

exactly but can I hit no don't know

1409

01:00:45,080 --> 01:00:43,260

anything about it's a shame it's a

1410

01:00:46,609 --> 01:00:45,090

strange thing okay and this is really

1411

01:00:48,400 --> 01:00:46,619

weird and people should really look into

1412

01:00:52,220 --> 01:00:48,410

this all right

1413

01:00:54,680 --> 01:00:52,230

chicks do not dig the Stooges but Trix

1414

01:00:56,570 --> 01:00:54,690

will laugh at the mice brothers that's

1415

01:00:58,280 --> 01:00:56,580

correct it's very funny I mean if

1416

01:01:03,109 --> 01:00:58,290

there's a miser brothers bit where

1417

01:01:05,930 --> 01:01:03,119

they're on a ship and they only AT&T

1418

01:01:08,540 --> 01:01:05,940

offers unlimited data with HBO included

1419

01:01:10,970 --> 01:01:08,550

and you never pay overages Plus get to

1420

01:01:13,790 --> 01:01:10,980

wreck TV now for only \$10 a month it's

1421

01:01:15,560 --> 01:01:13,800

entertainment your way after 22

1422

01:01:16,940 --> 01:01:15,570

gigabytes of data usage 18 UTMA slow

package - \$25 credit service prices

1429

01:01:27,410 --> 01:01:26,190

subject to change other usage speed and

1430

01:01:29,530 --> 01:01:27,420

restrictions apply visit your nearest

1431

01:01:32,060 --> 01:01:29,540

18t storm

1432

01:01:34,130 --> 01:01:32,070

get as many people as you can

1433

01:01:37,010 --> 01:01:34,140

unbelievably humanly possible to get

1434

01:01:40,069 --> 01:01:37,020

into a cabin a small cabin you know in

1435

01:01:42,560 --> 01:01:40,079

the way they do it you can't start you

1436

01:01:45,020 --> 01:01:42,570

know but the Stooges would do it in a

1437

01:01:46,910 --> 01:01:45,030

different way okay it's just different I

1438

01:01:48,859 --> 01:01:46,920

think the basis of that is the

1439

01:01:51,410 --> 01:01:48,869

difference is men think slapstick is

1440

01:01:52,700 --> 01:01:51,420

funny because we hit each other I are we

1441

01:01:54,200 --> 01:01:52,710

used to I don't know if we're allowed to

1442

01:01:56,440 --> 01:01:54,210

do that anymore but when we would smack

1443

01:01:59,150 --> 01:01:56,450

each other and do stupid stuff right

1444

01:02:01,310 --> 01:01:59,160

that's what attracts men to the Stooges

1445

01:02:03,349 --> 01:02:01,320

kind of thing that and and the women

1446

01:02:08,120 --> 01:02:03,359

that think the Stooges are funny tend to

1447

01:02:10,040 --> 01:02:08,130

have a kind of a combo ish kind of label

1448

01:02:12,470 --> 01:02:10,050

that's applied to them right the Marx

1449

01:02:18,020 --> 01:02:12,480

Brothers was a lot more cerebral there's

1450

01:02:21,890 --> 01:02:18,030

a lot going on you know you had so much

1451

01:02:24,530 --> 01:02:21,900

flying through there that you had to

1452

01:02:26,359 --> 01:02:24,540

follow it to get that scene where the

1453

01:02:31,310 --> 01:02:26,369

road no does that with his brother with

1454

01:02:33,890 --> 01:02:31,320

the wears the fake mirror I hate to say

1455

01:02:36,170 --> 01:02:33,900

this but Skype has just come back online

1456

01:02:38,180 --> 01:02:36,180

excellent okay all right so why don't we

1457

01:02:39,829 --> 01:02:38,190

do this now we getting everyone in okay

1458

01:02:40,640 --> 01:02:39,839

but I want to just continue this one

1459

01:02:42,890 --> 01:02:40,650

second okay

1460

01:02:45,470 --> 01:02:42,900

don't you think I mean when people talk

1461

01:02:47,750 --> 01:02:45,480

about the elite is the elitism around

1462

01:02:51,620 --> 01:02:47,760

the world okay and I've seen it I've

1463

01:02:53,420 --> 01:02:51,630

seen it firsthand you know I've been to

1464

01:02:56,150 --> 01:02:53,430

Newport Rhode Island with Juan Juan

1465

01:02:58,099 --> 01:02:56,160

protect us from Vietcong somehow all

1466

01:02:59,839 --> 01:02:58,109

right and I've been to like block and in

1467

01:03:02,000 --> 01:02:59,849

those islands you know and you would see

1468

01:03:03,680 --> 01:03:02,010

these yachts and these you like to run

1469

01:03:07,160 --> 01:03:03,690

believable we went through we live I

1470

01:03:08,599 --> 01:03:07,170

went once and the guy in a boat we're

1471

01:03:12,800 --> 01:03:08,609

taking a ferry this is brother

1472

01:03:15,589 --> 01:03:12,810

oh man the ferry set in this yard there

1473

01:03:19,790 --> 01:03:15,599

was not one but two helicopter pads to

1474

01:03:22,250 --> 01:03:19,800

onion and he said one guy on our way in

1475

01:03:29,450 --> 01:03:22,260

said Depp that you have belongs to

1476

01:03:32,540 --> 01:03:29,460

Raymond Patriarca of Rhode Island on the

1477

01:03:34,670 --> 01:03:32,550

way yetiz goes wingo stars yacht okay if

1478

01:03:37,609 --> 01:03:34,680

you're the yacht that you can land two

1479

01:03:39,589 --> 01:03:37,619

choppers on aren't you kind of in the 1%

1480

01:03:41,990 --> 01:03:39,599

I'd say you're in the lake yeah okay but

1481

01:03:43,010 --> 01:03:42,000

the 1% is gonna be you know entertained

1482

01:03:44,840 --> 01:03:43,020

by

1483

01:03:46,460 --> 01:03:44,850

so the other night mentioned is gonna be

1484

01:03:48,920 --> 01:03:46,470

entertained by the my exposing the

1485

01:03:52,760 --> 01:03:48,930

Stooges who should be running the world

1486

01:03:55,970 --> 01:03:52,770

the Stooges and the my thanks and well

1487

01:03:59,720 --> 01:03:55,980

let's put it this way who's who's paying

1488

01:04:02,030 --> 01:03:59,730

for that one percent usually come in

1489

01:04:03,530 --> 01:04:02,040

Democrat not a Republican oh I'm a

1490

01:04:06,830 --> 01:04:03,540

little Aries can you believe this

1491

01:04:08,990 --> 01:04:06,840

I guess Skype is yeah so why don't we

1492

01:04:10,550 --> 01:04:09,000

take a break and then hopefully all

1493

01:04:13,730 --> 01:04:10,560

these people have been hanging on skype

1494

01:04:15,740 --> 01:04:13,740

will be able to talk to us Koba thank

1495

01:04:18,110 --> 01:04:15,750

you very much for tap-dancing you should

1496

01:04:19,460 --> 01:04:18,120

be unde answer with the Stars okay so

1497

01:04:23,750 --> 01:04:19,470

only cuz your wealth and knowledge we've

1498

01:04:26,990 --> 01:04:23,760

give it to hit up do an hour here right

1499

01:04:28,460 --> 01:04:27,000

yep I always enjoy answering the

1500

01:04:30,740 --> 01:04:28,470

question they're back alright well we'll

1501

01:04:32,660 --> 01:04:30,750

have more feel so well you're listening

1502

01:04:34,370 --> 01:04:32,670

to Mac Momo transfer show here on the

1503

01:04:39,350 --> 01:04:34,380

distant Thunder radio network we'll be

1504

01:04:41,720 --> 01:04:39,360

right back after this UFOs are found in

1505

01:04:44,630 --> 01:04:41,730

Renaissance art on ancient coins and

1506

01:04:47,000 --> 01:04:44,640

etched on cave walls they're even

1507

01:04:49,130 --> 01:04:47,010

reported in the Bible but more

1508

01:04:53,780 --> 01:04:49,140

surprising is when UFOs have seen the

1509

01:04:55,550 --> 01:04:53,790

most in times of war through centuries

1510

01:04:57,680 --> 01:04:55,560

thousands of UFO sightings have been

1511

01:05:01,070 --> 01:04:57,690

made by high-ranking officials military

1512

01:05:03,110 --> 01:05:01,080

pilots and ordinary soldiers often these

1513

01:05:05,690 --> 01:05:03,120

fantastic appearances occur at the

1514

01:05:09,190 --> 01:05:05,700

height of great battles from World War

1515

01:05:12,170 --> 01:05:09,200

one to d-day to Korea Vietnam and Beyond

1516

01:05:14,450 --> 01:05:12,180

military investigators are baffled why

1517

01:05:15,440 --> 01:05:14,460

do UFO sighting spike so drastically

1518

01:05:17,990 --> 01:05:15,450

during wartime

1519

01:05:21,230 --> 01:05:18,000

could it be mistaken aircraft or as

1520

01:05:24,590 --> 01:05:21,240

someone or some thing looking in on us

1521

01:05:26,210 --> 01:05:24,600

in UFOs in wartime what they didn't want

1522

01:05:28,100 --> 01:05:26,220

you to know Mac Malone II chronicles

1523

01:05:30,230 --> 01:05:28,110

centuries of these incredible sightings

1524

01:05:32,630 --> 01:05:30,240

and tries to solve the puzzle of why so

1525

01:05:35,960 --> 01:05:32,640

many UFOs are seen while Humanity is at

1526

01:05:38,690 --> 01:05:35,970

war read about the scare ships the ghost

1527

01:05:41,570 --> 01:05:38,700

planes and the ghost rockets alien

1528

01:05:44,870 --> 01:05:41,580

Giants in the jungles of Vietnam UFOs

1529

01:05:46,580 --> 01:05:44,880

controlling our ICBM bases dogfights

1530

01:05:50,690 --> 01:05:46,590

with flying saucers during the Gulf War

1531

01:05:52,730 --> 01:05:50,700

and more 300 pages of unbelievable

1532

01:05:53,610 --> 01:05:52,740

stories along with many startling

1533

01:05:56,730 --> 01:05:53,620

photographs

1534

01:05:59,430 --> 01:05:56,740

that's UFOs in wartime what they didn't

1535

01:06:06,080 --> 01:05:59,440

want you to know by Mack Bologna on sale

1536

01:06:11,460 --> 01:06:09,030

after the events of 9/11 we thought

1537

01:06:13,710 --> 01:06:11,470

America would never be the same our

1538

01:06:16,380 --> 01:06:13,720

homeland was attacked our fellow

1539

01:06:20,610 --> 01:06:16,390

Americans killed by terrorists it seemed

1540

01:06:22,290 --> 01:06:20,620

like all hope was lost until a special

1541

01:06:25,020 --> 01:06:22,300

group of Patriots came together and

1542

01:06:28,800 --> 01:06:25,030

defied the Pentagon and vowed to take

1543

01:06:30,690 --> 01:06:28,810

revenge but in their own way they took

1544

01:06:32,520 --> 01:06:30,700

the battle to the terrorists doorstep

1545

01:06:35,160 --> 01:06:32,530

turning the tables on the murderers

1546

01:06:37,620 --> 01:06:35,170

fighting with no rules taking no

1547

01:06:40,260 --> 01:06:37,630

prisoners until they became terrorists

1548

01:06:43,230 --> 01:06:40,270

themselves this is the story of the

1549

01:06:45,840 --> 01:06:43,240

super Hawks soldiers so secret even the

1550

01:06:48,030 --> 01:06:45,850

president didn't know they existed their

1551

01:06:49,650 --> 01:06:48,040

mission was to kill bin Laden but they

1552

01:06:52,770 --> 01:06:49,660

wound up saving the world

1553

01:06:55,080 --> 01:06:52,780

super Hawks a new series for Kindles and

1554

01:06:56,930 --> 01:06:55,090

nooks by Mac Maloney available on

1555

01:07:04,540 --> 01:06:56,940

amazon.com

1556

01:07:06,830 --> 01:07:04,550

[Music]

1557

01:07:08,900 --> 01:07:06,840

welcome back and want more news month

1558

01:07:12,740 --> 01:07:08,910

tracks out here on the distant Thunder

1559

01:07:14,780 --> 01:07:12,750

radio network doesn't well well well we

1560

01:07:16,700 --> 01:07:14,790

have a very interesting show too and you

1561

01:07:18,680 --> 01:07:16,710

know what it this might not be the

1562

01:07:20,660 --> 01:07:18,690

highlight might not might not be the

1563

01:07:23,980 --> 01:07:20,670

tentpole but it's gonna be one of them

1564

01:07:27,110 --> 01:07:23,990

because joining us the magic of a

1565

01:07:28,340 --> 01:07:27,120

renewed Skype very famous one one is

1566

01:07:31,970 --> 01:07:28,350

finally here

1567

01:07:35,540 --> 01:07:31,980

finally well where Wow

1568

01:07:37,760 --> 01:07:35,550

I can tell you they dude I referenced

1569

01:07:43,160 --> 01:07:37,770

you earlier I said I need one one here

1570

01:07:45,560 --> 01:07:43,170

he is my binky that I said that's the

1571

01:07:48,800 --> 01:07:45,570

new word for banks sweetie

1572

01:07:52,670 --> 01:07:48,810

yeah wrap your 1-1 around this there you

1573

01:07:55,520 --> 01:07:52,680

go no more smoothly swoop jazz it might

1574

01:07:57,860 --> 01:07:55,530

be binky well so I got a 1-1 voodoo doll

1575

01:07:59,030 --> 01:07:57,870

or something well you know there could

1576

01:08:01,160 --> 01:07:59,040

be in the future never know

1577

01:08:03,920 --> 01:08:01,170

and so one one to see how you doing a

1578

01:08:07,040 --> 01:08:03,930

pretty good through the magic of

1579

01:08:08,600 --> 01:08:07,050

Technology I was taking a breather but

1580

01:08:11,300 --> 01:08:08,610

here we are a breather

1581

01:08:15,430 --> 01:08:11,310

okay Skype was down for about an hour

1582

01:08:18,230 --> 01:08:15,440

was it like you know this 1966 blackout

1583

01:08:21,380 --> 01:08:18,240

I think it had the same impact by

1584

01:08:29,090 --> 01:08:21,390

looking at the website called what's up

1585

01:08:32,690 --> 01:08:29,100

or down detector dot-com hamster eggs

1586

01:08:34,660 --> 01:08:32,700

video do you know I didn't check wow so

1587

01:08:36,980 --> 01:08:34,670

busy trying to escape but you know I

1588

01:08:39,230 --> 01:08:36,990

usually has some went so much backup

1589

01:08:41,329 --> 01:08:39,240

infrastructure that right that we need

1590

01:08:44,390 --> 01:08:41,339

to put all those Russians out of work

1591

01:08:46,730 --> 01:08:44,400

anyway one one is here and also the very

1592

01:08:48,079 --> 01:08:46,740

famous equally famous now I have to call

1593

01:08:49,760 --> 01:08:48,089

him very famous one long because you

1594

01:08:53,349 --> 01:08:49,770

understand that he moved up the batting

1595

01:08:57,349 --> 01:08:53,359

order who I did commander Coburn Coco I

1596

01:09:00,500 --> 01:08:57,359

just like to say that you said viagra

1597

01:09:11,200 --> 01:09:00,510

and tentpole in the same show really

1598

01:09:17,090 --> 01:09:13,850

so one one was here so we are together

1599

01:09:19,130 --> 01:09:17,100

again we are not finally okay I'm so

1600

01:09:20,570 --> 01:09:19,140

relieved what we've been doing is we've

1601

01:09:23,290 --> 01:09:20,580

been asking and we've been asking people

1602

01:09:26,510 --> 01:09:23,300

to email us questions to ask Cobra and

1603

01:09:29,150 --> 01:09:26,520

we can only ask about 10% of them in the

1604

01:09:32,210 --> 01:09:29,160

air the rest of them the rest of you

1605

01:09:34,130 --> 01:09:32,220

died there was explicit website yeah

1606

01:09:37,510 --> 01:09:34,140

question and answer format Yeah right

1607

01:09:39,560 --> 01:09:37,520

haha the joke is on them but anyway

1608

01:09:41,840 --> 01:09:39,570

through the magic once again if

1609

01:09:42,260 --> 01:09:41,850

technology switcher Reno is here with us

1610

01:09:45,050 --> 01:09:42,270

right

1611

01:09:48,710 --> 01:09:45,060

St you there yeah that was quite an

1612

01:09:50,390 --> 01:09:48,720

ordeal trying to get yeah that's right

1613

01:09:53,030 --> 01:09:50,400

boy I'll tell you what I went on going

1614

01:09:54,890 --> 01:09:53,040

on Skyped and they said you know the

1615

01:09:56,360 --> 01:09:54,900

were you two troubleshooting six

1616

01:09:58,580 --> 01:09:56,370

everything's fine on skype you know it

1617

01:10:00,740 --> 01:09:58,590

must be just you and I'm looking at all

1618

01:10:02,840 --> 01:10:00,750

the messages all over the world people

1619

01:10:06,100 --> 01:10:02,850

are kicked off because they can't get on

1620

01:10:09,740 --> 01:10:06,110

its heels right it's you so busy you

1621

01:10:11,420 --> 01:10:09,750

negative attitude okay and maybe

1622

01:10:13,760 --> 01:10:11,430

hopefully joining us later on will be

1623

01:10:15,350 --> 01:10:13,770

eminently MIT Amaya and also rub back

1624

01:10:18,500 --> 01:10:15,360

how so but the switcher we know how you

1625

01:10:20,480 --> 01:10:18,510

doing there I feel good now okay all

1626

01:10:22,280 --> 01:10:20,490

right yeah okay listen that before we

1627

01:10:24,550 --> 01:10:22,290

went into this other format what was the

1628

01:10:29,900 --> 01:10:24,560

question that you wanted always to ask

1629

01:10:32,450 --> 01:10:29,910

Coco well I would like to know I know

1630

01:10:49,300 --> 01:10:32,460

he's done some I guess you could say

1631

01:10:52,190 --> 01:10:49,310

government work okay none all night

1632

01:10:55,610 --> 01:10:52,200

that's right he's gettin somethin man

1633

01:10:57,230 --> 01:10:55,620

he's moving up the chain okay well it

1634

01:10:59,270 --> 01:10:57,240

hasn't gone to my head just yet but

1635

01:11:02,450 --> 01:10:59,280

anyway I would like to know

1636

01:11:05,930 --> 01:11:02,460

commander Cobra if you have ever gone

1637

01:11:09,080 --> 01:11:05,940

undercover in any capacity and if so

1638

01:11:18,980 --> 01:11:09,090

what can you tell us about it what do we

1639

01:11:21,770 --> 01:11:18,990

do you that we got that question by

1640

01:11:22,550 --> 01:11:21,780

email and I did cover it oh you did okay

1641

01:11:24,560 --> 01:11:22,560

yes

1642

01:11:29,510 --> 01:11:24,570

listen to the show to find out what I

1643

01:11:36,530 --> 01:11:29,520

said being such a smartass I might have

1644

01:11:41,630 --> 01:11:36,540

answered it again actually have a listen

1645

01:11:43,880 --> 01:11:41,640

the damn show won the need stiletto and

1646

01:11:49,610 --> 01:11:43,890

then you took it you know I'm the one to

1647

01:11:51,290 --> 01:11:49,620

intervene in spending in Michigan guys

1648

01:11:52,790 --> 01:11:51,300

don't want you called stiletto because

1649

01:11:54,230 --> 01:11:52,800

they're gonna think of it as a heel not

1650

01:11:57,020 --> 01:11:54,240

the knife and that's how we ended up

1651

01:11:58,550 --> 01:11:57,030

with switchblade so this is how you pay

1652

01:12:00,920 --> 01:11:58,560

me back all right what's the second

1653

01:12:03,980 --> 01:12:00,930

question sir but the second question is

1654

01:12:09,590 --> 01:12:03,990

have you ever had a paranormal

1655

01:12:13,700 --> 01:12:09,600

experience Oh every Tuesday night very

1656

01:12:16,760 --> 01:12:13,710

near out-of-body experience so in the

1657

01:12:18,590 --> 01:12:16,770

UFO world part of the paranal know

1658

01:12:21,140 --> 01:12:18,600

everything I've seen that I couldn't

1659

01:12:24,530 --> 01:12:21,150

explain I was able to explain at a later

1660

01:12:29,120 --> 01:12:24,540

date and it was man-made so I seen some

1661

01:12:30,890 --> 01:12:29,130

stuff that kind of area in the ghosts

1662

01:12:34,250 --> 01:12:30,900

area since we're gonna be approaching

1663

01:12:35,030 --> 01:12:34,260

the the Halloween and there's no

1664

01:12:37,550 --> 01:12:35,040

Halloween show

1665

01:12:41,960 --> 01:12:37,560

yeah of the Dead I have had a couple

1666

01:12:45,010 --> 01:12:41,970

interesting concurrences there and I've

1667

01:12:47,630 --> 01:12:45,020

shared them with Mack in the past and

1668

01:12:51,380 --> 01:12:47,640

one was fairly recent was like 10 years

1669

01:12:53,720 --> 01:12:51,390

ago I was much older and I had a very

1670

01:13:01,610 --> 01:12:53,730

strange reaction to a place that I had

1671

01:13:02,810 --> 01:13:01,620

been around since I was a kid there by

1672

01:13:05,540 --> 01:13:02,820

the graveyard and I told you know I

1673

01:13:07,580 --> 01:13:05,550

played and I growing up as a kid and I

1674

01:13:09,530 --> 01:13:07,590

decided not to run the full five mile

1675

01:13:12,050 --> 01:13:09,540

set and I just I figured hey I'll do

1676

01:13:13,460 --> 01:13:12,060

what I've always done as a kid or I'll

1677

01:13:15,140 --> 01:13:13,470

cut through the cemetery get on the

1678

01:13:17,000 --> 01:13:15,150

other side of it and jump back out the

1679

01:13:19,130 --> 01:13:17,010

sidewalk and get the rest of them for

1680

01:13:20,540 --> 01:13:19,140

the running sounds like hey man go ahead

1681

01:13:25,490 --> 01:13:20,550

ya got in there

1682

01:13:30,230 --> 01:13:25,500

and I was overcome with a sense of dread

1683

01:13:32,420 --> 01:13:30,240

fear hair up on my arms I felt like a

1684

01:13:34,550 --> 01:13:32,430

presence on me and it was it was

1685

01:13:36,500 --> 01:13:34,560

uncomfortable I found out later on that

1686

01:13:39,649 --> 01:13:36,510

in the area that I had

1687

01:13:44,089 --> 01:13:39,659

as a kid and this part of the cemetery

1688

01:13:48,049 --> 01:13:44,099

was a very strange person was in turn

1689

01:13:51,129 --> 01:13:48,059

there there was stories of strange and

1690

01:13:54,529 --> 01:13:51,139

bombing that he did and at his home

1691

01:13:56,720 --> 01:13:54,539

experiments with life after death his

1692

01:13:58,279 --> 01:13:56,730

body was reported to be stolen by

1693

01:14:00,470 --> 01:13:58,289

Harvard Medical Students it's just a

1694

01:14:04,700 --> 01:14:00,480

crazy story that's behind it Wow and

1695

01:14:07,640 --> 01:14:04,710

headless corpse our ghost is supposed to

1696

01:14:11,450 --> 01:14:07,650

be seen in the cemetery at certain times

1697

01:14:12,950 --> 01:14:11,460

and it still goes on to this day so it

1698

01:14:14,240 --> 01:14:12,960

was a very strange reaction didn't know

1699

01:14:16,310 --> 01:14:14,250

anything about it till I started to look

1700

01:14:18,589 --> 01:14:16,320

into it now his years later I've had so

1701

01:14:20,600 --> 01:14:18,599

you've not end up in a person that you

1702

01:14:23,750 --> 01:14:20,610

would consider would being sensitive or

1703

01:14:27,410 --> 01:14:23,760

somebody that's had several experiences

1704

01:14:29,899 --> 01:14:27,420

over your life just well he is if I can

1705

01:14:32,450 --> 01:14:29,909

interrupt he is mr. sensitive so yes I

1706

01:14:37,370 --> 01:14:32,460

am trying to bring that up that I have

1707

01:14:42,649 --> 01:14:37,380

been by a medical professional tight as

1708

01:14:45,859 --> 01:14:42,659

a sensitive person but I've had I'd

1709

01:14:48,140 --> 01:14:45,869

Steve I would say that my reaction is

1710

01:14:52,399 --> 01:14:48,150

something uh put Mack writes about I

1711

01:14:54,680 --> 01:14:52,409

would say that it's gut reactions or the

1712

01:14:57,620 --> 01:14:54,690

inner voice where I would almost say

1713

01:15:00,140 --> 01:14:57,630

like a guardian angel or other forces

1714

01:15:03,109 --> 01:15:00,150

around those kinds of things I feel like

1715

01:15:05,629 --> 01:15:03,119

I've experienced the classical ghosts

1716

01:15:06,979 --> 01:15:05,639

kind of sighting or feeling no but I did

1717

01:15:09,020 --> 01:15:06,989

have an interesting one with my wife

1718

01:15:11,089 --> 01:15:09,030

when we move to the house that where I'm

1719

01:15:13,339 --> 01:15:11,099

doing the show from was this under the

1720

01:15:17,620 --> 01:15:13,349

covers - it could be under covered

1721

01:15:29,080 --> 01:15:20,390

this is Cobra does like a little bit of

1722

01:15:35,209 --> 01:15:32,629

owner the original owners of the land

1723

01:15:36,830 --> 01:15:35,219

have a family plot it's a it's about 60

1724

01:15:38,060 --> 01:15:36,840

feet from where I'm sitting in fact you

1725

01:15:39,589 --> 01:15:38,070

have all seen it you know when you've

1726

01:15:41,930 --> 01:15:39,599

been out to the compounder you've seen

1727

01:15:44,120 --> 01:15:41,940

the family plot that's out there yes

1728

01:15:46,339 --> 01:15:44,130

when well my wife and I were clearing

1729

01:15:50,280 --> 01:15:46,349

the land and really cleaning up that

1730

01:15:52,890 --> 01:15:50,290

cemetery and working things up we

1731

01:15:55,770 --> 01:15:52,900

notice that as we the course of the day

1732

01:15:58,530 --> 01:15:55,780

two toys were unearthed where we were

1733

01:16:00,540 --> 01:15:58,540

walking back and forth like the dirt had

1734

01:16:02,040 --> 01:16:00,550

cleared off them and one was a car that

1735

01:16:03,420 --> 01:16:02,050

looked a lot like the kind of car I was

1736

01:16:04,680 --> 01:16:03,430

driving at the time and one looked like

1737

01:16:06,900 --> 01:16:04,690

the truck that she was driving at the

1738

01:16:09,350 --> 01:16:06,910

time we have little girls that were

1739

01:16:11,760 --> 01:16:09,360

interned there so we always took that as

1740

01:16:13,410 --> 01:16:11,770

excuse me just for the sake of the

1741

01:16:15,240 --> 01:16:13,420

audience what you're saying is I know

1742

01:16:17,940 --> 01:16:15,250

that you have a graveyard

1743

01:16:19,980 --> 01:16:17,950

yes on your property you walk by it and

1744

01:16:22,260 --> 01:16:19,990

there was a model of the Caillou drove

1745

01:16:25,770 --> 01:16:22,270

and the model that the lovely mrs. get

1746

01:16:27,620 --> 01:16:25,780

drives of truck yes match box type cars

1747

01:16:30,690 --> 01:16:27,630

and they were obviously left by the

1748

01:16:32,760 --> 01:16:30,700

children that lived in the house many

1749

01:16:34,560 --> 01:16:32,770

many years after the people that I you

1750

01:16:36,270 --> 01:16:34,570

know know that are interned in the

1751

01:16:38,100 --> 01:16:36,280

summer day this is very very disruptive

1752

01:16:40,860 --> 01:16:38,110

we're talking a couple hundred years and

1753

01:16:42,750 --> 01:16:40,870

almost in time between the two groups

1754

01:16:44,730 --> 01:16:42,760

no we just noticed that we were working

1755

01:16:46,140 --> 01:16:44,740

all day and cleaning the cemetery and we

1756

01:16:47,580 --> 01:16:46,150

had talked about these girls because the

1757

01:16:49,410 --> 01:16:47,590

gravestones are there and we cleared

1758

01:16:52,800 --> 01:16:49,420

trees off of it and we cleaned up the

1759

01:16:55,320 --> 01:16:52,810

grave sites yes as we were working and

1760

01:16:57,570 --> 01:16:55,330

hauling stuff back and forth where we

1761

01:16:59,040 --> 01:16:57,580

were stepping these came up out of the

1762

01:17:00,780 --> 01:16:59,050

ground they were cleared away so like

1763

01:17:02,790 --> 01:17:00,790

someone had brushed him away or pushed

1764

01:17:04,800 --> 01:17:02,800

them up and it was really surprising

1765

01:17:06,300 --> 01:17:04,810

because we had been there all day it

1766

01:17:08,190 --> 01:17:06,310

wasn't like we just overlooked them

1767

01:17:09,750 --> 01:17:08,200

they're both white little cars that were

1768

01:17:11,430 --> 01:17:09,760

sitting there so we took it as a sign

1769

01:17:13,920 --> 01:17:11,440

that they were happy with what we've

1770

01:17:15,900 --> 01:17:13,930

done that they liked the animals that

1771

01:17:18,420 --> 01:17:15,910

we've had and we've never had any bad

1772

01:17:20,220 --> 01:17:18,430

things happen there at the house let me

1773

01:17:25,820 --> 01:17:20,230

ask you this are you preparing the food

1774

01:17:35,550 --> 01:17:30,480

there'll be a turkey turkey to fall

1775

01:17:37,320 --> 01:17:35,560

apart interesting okay so anyway Steve

1776

01:17:39,900 --> 01:17:37,330

you're you are with us we're trying to

1777

01:17:41,670 --> 01:17:39,910

get a hold of Emily minima who I think

1778

01:17:44,730 --> 01:17:41,680

it's gonna be back on here soon as

1779

01:17:47,250 --> 01:17:44,740

escape let's back up at Steve now how

1780

01:17:49,050 --> 01:17:47,260

are you doing what's going on you well

1781

01:17:52,590 --> 01:17:49,060

getting ready for the creature weekend

1782

01:17:55,500 --> 01:17:52,600

which is coming up this coming weekend

1783

01:17:57,480 --> 01:17:55,510

and my wife and I will be attending this

1784

01:18:01,410 --> 01:17:57,490

is this is held it's a Salt Fork State

1785

01:18:03,420 --> 01:18:01,420

Park in Ohio and this is an area that

1786

01:18:04,170 --> 01:18:03,430

allegedly there's been a lot of Bigfoot

1787

01:18:07,380 --> 01:18:04,180

sightings and so

1788

01:18:09,750 --> 01:18:07,390

fourth and it's run by Bruce Harrington

1789

01:18:12,300 --> 01:18:09,760

and he does a really good job he gets

1790

01:18:14,850 --> 01:18:12,310

together a last year he had Ron Morehead

1791

01:18:17,220 --> 01:18:14,860

who was a famous Bigfoot researcher that

1792

01:18:19,770 --> 01:18:17,230

captured the Sarah sounds back in the

1793

01:18:25,710 --> 01:18:19,780

Sierra Nevada Sierra Nevada is back

1794

01:18:28,290 --> 01:18:25,720

about 1973 or so ad this year one of the

1795

01:18:32,100 --> 01:18:28,300

speakers is going to be Adam Davies now

1796

01:18:35,090 --> 01:18:32,110

Adam Davies is a famous researcher who's

1797

01:18:37,530 --> 01:18:35,100

been who searched for the Yeti and

1798

01:18:40,560 --> 01:18:37,540

dinosaurs in the Congo and so forth

1799

01:18:43,320 --> 01:18:40,570

he's a we have a there's a dinner on

1800

01:18:45,150 --> 01:18:43,330

that you can sign up for on Friday night

1801

01:18:49,110 --> 01:18:45,160

and he's going to be speaking there at

1802

01:18:51,870 --> 01:18:49,120

the dinner as well as a be a speaker on

1803

01:18:53,760 --> 01:18:51,880

Saturday and at the dinner he's gonna be

1804

01:18:57,120 --> 01:18:53,770

talking about looking for dinosaurs on

1805

01:19:00,090 --> 01:18:57,130

the Congo the orang pendeks in Sumatra

1806

01:19:02,310 --> 01:19:00,100

the orang pendeks is kind of a smaller

1807

01:19:05,160 --> 01:19:02,320

more compact Bigfoot but the same kind

1808

01:19:07,380 --> 01:19:05,170

of idea and then when he speaks on

1809

01:19:10,140 --> 01:19:07,390

Saturday he's gonna be talking about the

1810

01:19:13,020 --> 01:19:10,150

the Yeti and into in expeditions he's

1811

01:19:14,520 --> 01:19:13,030

taken to Nepal and I guess he's been

1812

01:19:17,280 --> 01:19:14,530

part of some specials for the History

1813

01:19:20,490 --> 01:19:17,290

Channel he's also worked with Josh gates

1814

01:19:21,930 --> 01:19:20,500

you know of Destination Truth and his

1815

01:19:27,870 --> 01:19:21,940

newer show which I can't remember the

1816

01:19:32,720 --> 01:19:27,880

name but but can I ask you a question

1817

01:19:36,030 --> 01:19:32,730

yeah okay so we we hear a lot about

1818

01:19:38,490 --> 01:19:36,040

Bigfoot in in the US okay a lot of it

1819

01:19:41,390 --> 01:19:38,500

started seemed to be in the American

1820

01:19:43,770 --> 01:19:41,400

Northwest but I can remember years ago

1821

01:19:46,440 --> 01:19:43,780

this really got me into the paranormal

1822

01:19:49,350 --> 01:19:46,450

there was a story in Reader's Digest of

1823

01:19:51,420 --> 01:19:49,360

all places which talked about Sir Edmund

1824

01:19:53,070 --> 01:19:51,430

Hillary who was you know connected to

1825

01:19:55,260 --> 01:19:53,080

the British family I'm sure Coco knows

1826

01:19:56,490 --> 01:19:55,270

you know what the connection is but he

1827

01:19:59,580 --> 01:19:56,500

was the guy I think he might have been

1828

01:20:02,220 --> 01:19:59,590

the first guy who reached the peak of

1829

01:20:05,340 --> 01:20:02,230

Everest is that right there right okay

1830

01:20:07,050 --> 01:20:05,350

he was the first guy who really reported

1831

01:20:08,130 --> 01:20:07,060

on this thing called the the Yeti but

1832

01:20:10,680 --> 01:20:08,140

they used to come back then the ax

1833

01:20:13,290 --> 01:20:10,690

bondable Snowman which is a great name

1834

01:20:16,440 --> 01:20:13,300

and he was the guy who first found the

1835

01:20:18,149 --> 01:20:16,450

huge footprints and evidence that was

1836

01:20:21,120 --> 01:20:18,159

this some kind of creature

1837

01:20:23,399 --> 01:20:21,130

inhabiting the Himalayas and almost and

1838

01:20:25,439 --> 01:20:23,409

then that's kind of spread to the

1839

01:20:28,560 --> 01:20:25,449

northwest and then to the United States

1840

01:20:31,050 --> 01:20:28,570

itself so switch is the is the

1841

01:20:34,680 --> 01:20:31,060

abominable snowman the same creature as

1842

01:20:36,330 --> 01:20:34,690

the Bigfoot it seems to be it seems like

1843

01:20:38,069 --> 01:20:36,340

there's the tradition of these things

1844

01:20:40,379 --> 01:20:38,079

all over the world they just have

1845

01:20:42,479 --> 01:20:40,389

different names for them in different

1846

01:20:46,620 --> 01:20:42,489

parts of the US the Native Americans

1847

01:20:50,430 --> 01:20:46,630

have different names for them so I think

1848

01:20:52,470 --> 01:20:50,440

it was Ivan Sanderson that wrote what

1849

01:20:55,109 --> 01:20:52,480

was it called abominable snowman legend

1850

01:20:57,419 --> 01:20:55,119

come to life back in the was at late 50s

1851

01:20:59,580 --> 01:20:57,429

early 60s he's probably the one that

1852

01:21:01,770 --> 01:20:59,590

really put it on the map you know he I'm

1853

01:21:04,680 --> 01:21:01,780

sure he talked about the Sir Edmund

1854

01:21:06,569 --> 01:21:04,690

Hillary sighting and so forth and but

1855

01:21:08,550 --> 01:21:06,579

you're right it wasn't you know was I

1856

01:21:09,720 --> 01:21:08,560

remember back reading Frank Edwards you

1857

01:21:11,700 --> 01:21:09,730

know a lot of us have read Frank Edwards

1858

01:21:13,859 --> 01:21:11,710

and got kind of our interest in this

1859

01:21:15,390 --> 01:21:13,869

thing from him but there was say a

1860

01:21:18,419 --> 01:21:15,400

chapter in one of his books he wrote

1861

01:21:20,040 --> 01:21:18,429

these great anthologies with ghosts and

1862

01:21:22,169 --> 01:21:20,050

UFOs and everything called

1863

01:21:24,000 --> 01:21:22,179

like stranger than science and strangest

1864

01:21:26,430 --> 01:21:24,010

of all there was a chapter in one of

1865

01:21:28,680 --> 01:21:26,440

them it was called the monster apes of

1866

01:21:33,450 --> 01:21:28,690

Oregon and you know I don't even think

1867

01:21:36,030 --> 01:21:33,460

he used the term Bigfoot but only AT&T

1868

01:21:38,520 --> 01:21:36,040

offers unlimited data with HBO included

1869

01:21:41,040 --> 01:21:38,530

and you never pay overages plus get

1870

01:21:42,000 --> 01:21:41,050

DIRECTV now for only \$10 a month it's

1871

01:21:44,370 --> 01:21:42,010

entertainment

1872

01:21:46,229 --> 01:21:44,380

you're way after twenty two gigabytes of

1873

01:21:47,459 --> 01:21:46,239

data usage 1880 ma slow speeds plan

1874

01:21:48,629 --> 01:21:47,469

include stream saver and videos will

1875

01:21:49,890 --> 01:21:48,639

stream and standard definition unless

1876

01:21:52,020 --> 01:21:49,900

you turn it off credits start within

1877

01:21:53,939 --> 01:21:52,030

three Bell cycles \$10 price based on \$35

1878

01:21:55,500 --> 01:21:53,949

live a little package - \$25 credit

1879

01:21:57,270 --> 01:21:55,510

service price is subject to change other

1880

01:21:59,620 --> 01:21:57,280

usage speed and restrictions apply visit

1881

01:22:01,880 --> 01:21:59,630

your nearest 18t storm

1882

01:22:05,000 --> 01:22:01,890

back then they did talk about the

1883

01:22:08,510 --> 01:22:05,010

Sasquatch but so it was it was like the

1884

01:22:12,470 --> 01:22:08,520

it wasn't really coming into general

1885

01:22:14,720 --> 01:22:12,480

consciousness until the early mid 60s

1886

01:22:16,990 --> 01:22:14,730

but of course you go back and you'll

1887

01:22:20,479 --> 01:22:17,000

find that these things have been sighted

1888

01:22:22,459 --> 01:22:20,489

all over the world with like in with

1889

01:22:24,110 --> 01:22:22,469

different names and so forth like I say

1890

01:22:26,240 --> 01:22:24,120

the orang pendeks our mantra is

1891

01:22:30,500 --> 01:22:26,250

basically just a smaller more compact

1892

01:22:31,850 --> 01:22:30,510

Bigfoot the Yowie in Australia is it's

1893

01:22:33,740 --> 01:22:31,860

described as being a little bit

1894

01:22:36,590 --> 01:22:33,750

different in appearance but basically

1895

01:22:37,790 --> 01:22:36,600

the same thing so it's like in a way

1896

01:22:39,920 --> 01:22:37,800

it's like you know how there's the

1897

01:22:42,170 --> 01:22:39,930

tradition of the the little people the

1898

01:22:44,570 --> 01:22:42,180

leprechauns and so forth everywhere in

1899

01:22:46,880 --> 01:22:44,580

in one form or another is saying with

1900

01:22:49,010 --> 01:22:46,890

the with many other of these creatures

1901

01:22:52,850 --> 01:22:49,020

are just the tradition if you if you

1902

01:22:54,920 --> 01:22:52,860

look for it it's been there forever Mack

1903

01:22:57,229 --> 01:22:54,930

a quick question you made a remark about

1904

01:23:00,650 --> 01:22:57,239

Sir Edmund and the royal family what

1905

01:23:03,200 --> 01:23:00,660

were you asking me well wasn't he Edmund

1906

01:23:06,470 --> 01:23:03,210

Hillary he was connected with the no no

1907

01:23:08,990 --> 01:23:06,480

no no no he's from New Zealand and the

1908

01:23:10,760 --> 01:23:09,000

big flap is when he died when he passed

1909

01:23:12,740 --> 01:23:10,770

away no one from the royal family

1910

01:23:14,780 --> 01:23:12,750

attended his funeral I actually met him

1911

01:23:16,490 --> 01:23:14,790

in America he came down to McMurdo and

1912

01:23:18,410 --> 01:23:16,500

he was at the Kiwi base which is right

1913

01:23:22,400 --> 01:23:18,420

next to us in McMurdo very interesting

1914

01:23:25,910 --> 01:23:22,410

man very very stately guy but why why

1915

01:23:27,140 --> 01:23:25,920

why did they stop him uh that was a good

1916

01:23:28,729 --> 01:23:27,150

question you know they really didn't

1917

01:23:31,580 --> 01:23:28,739

give a good answer especially because

1918

01:23:33,890 --> 01:23:31,590

his announcement of of making it to

1919

01:23:35,660 --> 01:23:33,900

Everest was made on the morning of her

1920

01:23:38,600 --> 01:23:35,670

coronation the Queen's coronation that's

1921

01:23:44,150 --> 01:23:38,610

a restoring timing yeah when as I say

1922

01:23:46,459 --> 01:23:44,160

the P Abbas and he also received he's

1923

01:23:48,740 --> 01:23:46,469

knighted he's a knight of he's like one

1924

01:23:50,689 --> 01:23:48,750

of 24 or 25 people that's a knight of

1925

01:23:53,540 --> 01:23:50,699

the Garter or whatever that part is so

1926

01:23:56,110 --> 01:23:53,550

they did it really upset the Kiwis quite

1927

01:23:59,630 --> 01:23:56,120

a bit that because he's you know he's

1928

01:24:01,580 --> 01:23:59,640

revered as a really as a founding father

1929

01:24:03,260 --> 01:24:01,590

and because of his achievements and very

1930

01:24:05,780 --> 01:24:03,270

classy guy bravery and he was the guy

1931

01:24:07,220 --> 01:24:05,790

who made it to the top before anyone

1932

01:24:09,650 --> 01:24:07,230

else right that's correct that's correct

1933

01:24:13,600 --> 01:24:09,660

and how high is one of us like four

1934

01:24:16,550 --> 01:24:13,610

miles high 23,000 21,000

1935

01:24:18,680 --> 01:24:16,560

okay yeah what's that yeah before Maya's

1936

01:24:22,040 --> 01:24:18,690

hi yeah I can look at my why we're

1937

01:24:25,760 --> 01:24:22,050

talking there's a volcano on a on my

1938

01:24:28,520 --> 01:24:25,770

scope Olympus Mons right that's 14 miles

1939

01:24:32,840 --> 01:24:28,530

high right and it's base is the size of

1940

01:24:37,130 --> 01:24:32,850

Arizona okay so that's a volcano right

1941

01:24:38,630 --> 01:24:37,140

29,000 39,000 80 but still to climb up

1942

01:24:40,040 --> 01:24:38,640

there I don't understand people who do

1943

01:24:42,020 --> 01:24:40,050

that you know you hit people going up

1944

01:24:44,570 --> 01:24:42,030

there all the time and and it's kind of

1945

01:24:46,370 --> 01:24:44,580

like a business there you know oh we do

1946

01:24:48,110 --> 01:24:46,380

it except these rich kids they have

1947

01:24:50,209 --> 01:24:48,120

nothing else to do you know take a look

1948

01:24:52,670 --> 01:24:50,219

at the pictures of the dump they have

1949

01:24:54,650 --> 01:24:52,680

made the base camp area before you go

1950

01:24:55,970 --> 01:24:54,660

out it's a mess there's bodies left

1951

01:25:02,030 --> 01:24:55,980

there from people that have died that

1952

01:25:04,670 --> 01:25:02,040

they can't get back down recycling all

1953

01:25:08,120 --> 01:25:04,680

the oxygen bottles are still sitting

1954

01:25:11,030 --> 01:25:08,130

there it's it's a mess Wow

1955

01:25:15,590 --> 01:25:11,040

so anyway and really you have to be kind

1956

01:25:17,180 --> 01:25:15,600

of like well-heeled to you know to be

1957

01:25:20,360 --> 01:25:17,190

able to afford the client could top of

1958

01:25:22,459 --> 01:25:20,370

Mount Everest right yeah okay so anyway

1959

01:25:26,479 --> 01:25:22,469

well I'll tell you what a night tonight

1960

01:25:29,300 --> 01:25:26,489

you know thank you Skype anyway so it

1961

01:25:30,530 --> 01:25:29,310

looks like Steve the Hannah Hammonds who

1962

01:25:34,010 --> 01:25:30,540

was gonna talk to us tonight about

1963

01:25:36,110 --> 01:25:34,020

remote viewing ironically enough won't

1964

01:25:40,040 --> 01:25:36,120

be at it come on because Skype is kind

1965

01:25:42,530 --> 01:25:40,050

of you know kind of crap if he had seen

1966

01:25:44,870 --> 01:25:42,540

all this or if you see what we've been

1967

01:25:46,310 --> 01:25:44,880

doing he's gonna yeah he has believe me

1968

01:25:48,200 --> 01:25:46,320

we've been in touch the whole time but

1969

01:25:50,360 --> 01:25:48,210

but people coming back on skype but

1970

01:25:52,940 --> 01:25:50,370

we're not able to get them on the phone

1971

01:25:54,950 --> 01:25:52,950

Emily minima is the same situation might

1972

01:25:58,330 --> 01:25:54,960

change but we have switchblade with us

1973

01:26:01,220 --> 01:25:58,340

here so switch do we interrupt you I

1974

01:26:04,880 --> 01:26:01,230

know I it was a great conversation

1975

01:26:06,680 --> 01:26:04,890

actually there is gonna be one thing I

1976

01:26:09,950 --> 01:26:06,690

do want to mention on Saturday night

1977

01:26:11,840 --> 01:26:09,960

after the speakers now Seth Breedlove is

1978

01:26:14,690 --> 01:26:11,850

the guy that is the head of small town

1979

01:26:16,940 --> 01:26:14,700

monsters and he's the one that did the

1980

01:26:19,750 --> 01:26:16,950

most recent documentary called the

1981

01:26:23,000 --> 01:26:19,760

Mothman a Point Pleasant and he's done

1982

01:26:23,540 --> 01:26:23,010

one on the boggy creek and another one

1983

01:26:25,950 --> 01:26:23,550

called

1984

01:26:28,550 --> 01:26:25,960

the Beast of Whitehall and

1985

01:26:31,200 --> 01:26:28,560

Minerva monster which are other Bigfoot

1986

01:26:33,720 --> 01:26:31,210

sightings in upstate New York and Ohio

1987

01:26:36,209 --> 01:26:33,730

but he's the one he's gonna premiere

1988

01:26:38,670 --> 01:26:36,219

that hasn't been shown yet on Saturday

1989

01:26:43,530 --> 01:26:38,680

night is called the invasion of Chestnut

1990

01:26:48,030 --> 01:26:43,540

Ridge now that goes back to southwestern

1991

01:26:50,670 --> 01:26:48,040

Pennsylvania back in 73 74 this is we've

1992

01:26:53,190 --> 01:26:50,680

talked about this hot spot before and

1993

01:26:55,800 --> 01:26:53,200

Stan Gordon the well-known UFO

1994

01:26:58,920 --> 01:26:55,810

researcher back in in those days was the

1995

01:27:01,860 --> 01:26:58,930

guy who was on the scene you know

1996

01:27:05,370 --> 01:27:01,870

looking at all this really bizarre stuff

1997

01:27:07,560 --> 01:27:05,380

that was going on this was classic UFO

1998

01:27:11,370 --> 01:27:07,570

sightings in conjunction with Bigfoot

1999

01:27:13,740 --> 01:27:11,380

reports and you know I suspect a lot of

2000

01:27:15,000 --> 01:27:13,750

the it's not just gonna be about Bigfoot

2001

01:27:17,640 --> 01:27:15,010

by the way at the weekend there's going

2002

01:27:20,280 --> 01:27:17,650

to be a guy talking about champ you know

2003

01:27:23,150 --> 01:27:20,290

if the the creature like the Loch Ness

2004

01:27:26,340 --> 01:27:23,160

type creature from Lake Champlain but

2005

01:27:28,350 --> 01:27:26,350

this this is this the Chestnut Ridge was

2006

01:27:30,750 --> 01:27:28,360

where you had these really bizarre

2007

01:27:32,400 --> 01:27:30,760

Bigfoot reports it didn't make any sense

2008

01:27:34,590 --> 01:27:32,410

they sometimes people would actually

2009

01:27:37,550 --> 01:27:34,600

shoot them point-blank and they would

2010

01:27:42,600 --> 01:27:37,560

seem to disappear in a hail of sparks

2011

01:27:45,630 --> 01:27:42,610

you know the some of these weekend's

2012

01:27:47,850 --> 01:27:45,640

tend to the speaker's tend to be more of

2013

01:27:49,470 --> 01:27:47,860

the flesh and blood type and they don't

2014

01:27:51,780 --> 01:27:49,480

really care I don't know about all these

2015

01:27:54,000 --> 01:27:51,790

guys here but they don't care too much

2016

01:27:56,970 --> 01:27:54,010

for the the weird stuff the what they

2017

01:27:59,220 --> 01:27:56,980

call the woowoo stuff last year Ron

2018

01:28:01,950 --> 01:27:59,230

Morehead was interesting because again I

2019

01:28:05,340 --> 01:28:01,960

mentioned him earlier because he was the

2020

01:28:08,040 --> 01:28:05,350

was Agee and Allen berry who was a

2021

01:28:10,740 --> 01:28:08,050

skeptical journalist at one time we're

2022

01:28:12,330 --> 01:28:10,750

out there in 73 back in the Sierra

2023

01:28:14,850 --> 01:28:12,340

Nevadas getting these incredible

2024

01:28:17,040 --> 01:28:14,860

recordings of these creatures well he

2025

01:28:19,410 --> 01:28:17,050

started out very much it's looking at

2026

01:28:22,290 --> 01:28:19,420

this as a purely flesh-and-blood

2027

01:28:25,770 --> 01:28:22,300

unknown creature but then he's got and

2028

01:28:27,570 --> 01:28:25,780

his first book was called voices of the

2029

01:28:28,979 --> 01:28:27,580

wilderness but more recently in the last

2030

01:28:31,620 --> 01:28:28,989

year he's come out with a book called

2031

01:28:33,450 --> 01:28:31,630

Quantum Bigfoot because he's recognized

2032

01:28:35,850 --> 01:28:33,460

he thinks now he'll this state that

2033

01:28:38,130 --> 01:28:35,860

Bigfoot is frankly interdimensional and

2034

01:28:39,250 --> 01:28:38,140

somehow can phase in and out of our

2035

01:28:41,170 --> 01:28:39,260

reality and this

2036

01:28:43,930 --> 01:28:41,180

a guy that went from you know like I say

2037

01:28:46,330 --> 01:28:43,940

very straightforward flesh and blood

2038

01:28:49,470 --> 01:28:46,340

don't don't talk about the weird stuff

2039

01:28:52,300 --> 01:28:49,480

to actually experiencing yet and then

2040

01:28:53,920 --> 01:28:52,310

relating it in his book so it's gonna be

2041

01:28:57,850 --> 01:28:53,930

interesting it's always interesting to

2042

01:29:01,330 --> 01:28:57,860

your different viewpoints on these type

2043

01:29:03,700 --> 01:29:01,340

of grub cryptids buddy can I interrupt -

2044

01:29:07,060 --> 01:29:03,710

we get a question from the audience a

2045

01:29:12,460 --> 01:29:07,070

long one is he still there yep yeah okay

2046

01:29:15,700 --> 01:29:12,470

is Skype owned by China it's owned by

2047

01:29:17,770 --> 01:29:15,710

Microsoft for starters okay all right

2048

01:29:18,940 --> 01:29:17,780

some conspiracy theorists in the

2049

01:29:23,860 --> 01:29:18,950

audience there okay

2050

01:29:26,800 --> 01:29:23,870

sorry switching spicity going on well I

2051

01:29:30,490 --> 01:29:26,810

don't know all of a sudden Skype is yeah

2052

01:29:33,280 --> 01:29:30,500

we're doing a show in Skype goes on and

2053

01:29:35,740 --> 01:29:33,290

went down I think only about an hour or

2054

01:29:40,540 --> 01:29:35,750

so before we came on the air according

2055

01:29:42,700 --> 01:29:40,550

to but it's an IP I mean it has to be

2056

01:29:46,240 --> 01:29:42,710

like this huge huge friggin thing right

2057

01:29:48,100 --> 01:29:46,250

yeah okay so what would actually well

2058

01:29:50,620 --> 01:29:48,110

the reason why Skype didn't go down

2059

01:29:52,600 --> 01:29:50,630

entirely is because the authentication

2060

01:29:55,000 --> 01:29:52,610

servers I'm assuming this the the

2061

01:29:57,910 --> 01:29:55,010

authentication servers that match your

2062

01:30:01,530 --> 01:29:57,920

user ID with your password yes

2063

01:30:04,270 --> 01:30:01,540

we're not happy so alright every Skype

2064

01:30:08,320 --> 01:30:04,280

well just count them drink of a couple

2065

01:30:09,910 --> 01:30:08,330

hook is and they will be happy so see

2066

01:30:14,050 --> 01:30:09,920

they seem very much like the Marx

2067

01:30:15,850 --> 01:30:14,060

Brothers right they let download the

2068

01:30:22,180 --> 01:30:15,860

latest version I was able do other Skype

2069

01:30:24,310 --> 01:30:22,190

things but yeah with you other Skype

2070

01:30:30,040 --> 01:30:24,320

things this in an ad with tentpole

2071

01:30:33,460 --> 01:30:30,050

Viagra it would do others Emily admitted

2072

01:30:35,980 --> 01:30:33,470

Myers train like crazy to get on but as

2073

01:30:38,830 --> 01:30:35,990

I know she's unable to get on because

2074

01:30:41,170 --> 01:30:38,840

she I know she was she's not scary we

2075

01:30:42,640 --> 01:30:41,180

can't call her for some reason you know

2076
01:30:45,430 --> 01:30:42,650
and I think that was where the problem

2077
01:30:48,070 --> 01:30:45,440
was stay the truth okay

2078
01:30:51,010 --> 01:30:48,080
but as it turns out she sent a question

2079
01:30:52,779 --> 01:30:51,020
not for Cobra not for one one but for me

2080
01:30:58,449 --> 01:30:52,789
okay let's see what

2081
01:30:59,349 --> 01:30:58,459
happens here and no we can't find it

2082
01:31:00,609 --> 01:30:59,359
anyway

2083
01:31:03,309 --> 01:31:00,619
I'm sure it wasn't that entertaining

2084
01:31:05,649 --> 01:31:03,319
anyway can we go back to another

2085
01:31:09,309 --> 01:31:05,659
question for Cobra oh I think I know

2086
01:31:11,409 --> 01:31:09,319
what whatever questions was good if if

2087
01:31:14,079 --> 01:31:11,419
you were not an author what would you be

2088
01:31:22,089 --> 01:31:14,089

doing in place of that very Cobra please

2089

01:31:23,199 --> 01:31:22,099

answer given uh no that was no question

2090

01:31:24,609 --> 01:31:23,209

she would have asked me if you weren't

2091

01:31:26,229 --> 01:31:24,619

an aviator what would you be doing

2092

01:31:27,789 --> 01:31:26,239

that's what he would say

2093

01:31:29,259 --> 01:31:27,799

Yeah right and I said I would have been

2094

01:31:30,759 --> 01:31:29,269

living the idyllic life of a writer

2095

01:31:33,969 --> 01:31:30,769

that's what I would have answered okay

2096

01:31:38,679 --> 01:31:33,979

well if you don't mind if the court

2097

01:31:40,919 --> 01:31:38,689

pleases in the fifth grade when the nun

2098

01:31:43,599 --> 01:31:40,929

put me in the last seat in the last row

2099

01:31:45,459 --> 01:31:43,609

which was like really you know you're in

2100

01:31:50,619 --> 01:31:45,469

Siberia there you know what I mean yeah

2101
01:31:53,709 --> 01:31:50,629
Cobra one one you went to get bruised by

2102
01:31:58,409 --> 01:31:53,719
12 inch pieces of wood otherwise called

2103
01:32:04,979 --> 01:31:58,419
a ruler okay right after all of that

2104
01:32:07,839 --> 01:32:04,989
exams to today but anyway twelve inches

2105
01:32:10,329 --> 01:32:07,849
just keeps rolling highbrow that's a

2106
01:32:13,329 --> 01:32:10,339
separate category and it's almost racist

2107
01:32:18,219 --> 01:32:13,339
so watch anyway the nun said to me you

2108
01:32:19,959 --> 01:32:18,229
know what Little Mac you know you've

2109
01:32:22,679 --> 01:32:19,969
been in English in you really are bad

2110
01:32:25,389 --> 01:32:22,689
and everything else so you might want to

2111
01:32:28,750 --> 01:32:25,399
you know try to write for a living when

2112
01:32:30,719 --> 01:32:28,760
you grow up so my answer to Emily is

2113
01:32:35,339 --> 01:32:30,729

that I can't think of anything else I

2114

01:32:38,169 --> 01:32:35,349

could be could you Cobra on one no

2115

01:32:40,779 --> 01:32:38,179

you're perfect as a writer driving a bus

2116

01:32:45,969 --> 01:32:40,789

see that's an insult though one I was

2117

01:32:49,929 --> 01:32:45,979

wondering have you written what you're

2118

01:32:51,489 --> 01:32:49,939

gonna have on your tombstone yes yes I

2119

01:32:56,199 --> 01:32:51,499

have you flesh that out

2120

01:32:57,699 --> 01:32:56,209

so yeah I would see you in doing the the

2121

01:33:00,729 --> 01:32:57,709

rock and roll thing I can see you

2122

01:33:03,459 --> 01:33:00,739

writing and doing music well as easily

2123

01:33:05,349 --> 01:33:03,469

as you're doing the writing yeah well

2124

01:33:06,790 --> 01:33:05,359

dad you kind of do that already so you

2125

01:33:08,440 --> 01:33:06,800

know the other thing is

2126
01:33:10,720 --> 01:33:08,450
you you appear to be one of those guys

2127
01:33:12,940 --> 01:33:10,730
that would be doing the really cool

2128
01:33:16,360 --> 01:33:12,950
indie movies that's why I've never

2129
01:33:18,310 --> 01:33:16,370
understood why the the wingman series

2130
01:33:22,140 --> 01:33:18,320
hasn't been picked up for some kind of

2131
01:33:25,480 --> 01:33:22,150
you know movie gig because the stuff is

2132
01:33:27,460 --> 01:33:25,490
that was really good stuff well I you

2133
01:33:29,350 --> 01:33:27,470
know if you ask that's what I think you

2134
01:33:30,910 --> 01:33:29,360
would be doing yeah it's very it would

2135
01:33:34,750 --> 01:33:30,920
be very visual I mean you could do a lot

2136
01:33:36,910 --> 01:33:34,760
with the with that he white writes when

2137
01:33:38,230 --> 01:33:36,920
he writes really poses a really

2138
01:33:45,430 --> 01:33:38,240

interesting video yeah if you pitched it

2139

01:33:53,470 --> 01:33:45,440

to the Weinstein brothers yet I know

2140

01:33:57,190 --> 01:33:53,480

what the pitch business women books have

2141

01:33:59,140 --> 01:33:57,200

been you know have been approached from

2142

01:34:01,330 --> 01:33:59,150

Hollywood okay they've been optioned as

2143

01:34:03,430 --> 01:34:01,340

they say and basically they give you

2144

01:34:05,560 --> 01:34:03,440

like some money for six months where

2145

01:34:07,210 --> 01:34:05,570

they have the exclusive rights to make a

2146

01:34:08,650 --> 01:34:07,220

movie about wingman and that they

2147

01:34:10,450 --> 01:34:08,660

renewed they give you a little bit more

2148

01:34:12,820 --> 01:34:10,460

money it's not crazy money but you know

2149

01:34:14,740 --> 01:34:12,830

it's okay you know but every time that

2150

01:34:16,720 --> 01:34:14,750

has happened the same thing from

2151

01:34:18,490 --> 01:34:16,730

different companies production companies

2152

01:34:19,840 --> 01:34:18,500

agents all those same thing comes back

2153

01:34:22,420 --> 01:34:19,850

and they say it would be too expensive

2154

01:34:25,180 --> 01:34:22,430

right doing a movie it'd be too

2155

01:34:27,520 --> 01:34:25,190

expensive because you would have to do

2156

01:34:29,140 --> 01:34:27,530

it and I say don't just do with CGI you

2157

01:34:32,620 --> 01:34:29,150

can see how tough the stuff on TV right

2158

01:34:35,470 --> 01:34:32,630

now is just like in people making it I

2159

01:34:38,160 --> 01:34:35,480

make it making a comic book you know

2160

01:34:40,870 --> 01:34:38,170

sure as your legal counsel on this but

2161

01:34:42,640 --> 01:34:40,880

the next time this ridiculous remark is

2162

01:34:44,620 --> 01:34:42,650

made by one of your Hollywood luminaries

2163

01:34:53,260 --> 01:34:44,630

yes would you please tell them have they

2164

01:34:57,420 --> 01:34:53,270

seen Sin City and tell how about Captain

2165

01:34:59,950 --> 01:34:57,430

tomorrow oh yes sky captain of the world

2166

01:35:04,030 --> 01:34:59,960

look at this they look at it as another

2167

01:35:06,460 --> 01:35:04,040

Top Gun and Top Gun when it was look at

2168

01:35:07,450 --> 01:35:06,470

sky I know but you tell you know I you

2169

01:35:18,160 --> 01:35:07,460

don't think I tried to tell them that

2170

01:35:20,170 --> 01:35:18,170

but you in the movie that's where I go

2171

01:35:20,950 --> 01:35:20,180

to send it's a corny minutes yeah 20

2172

01:35:23,200 --> 01:35:20,960

years ago talk

2173

01:35:25,030 --> 01:35:23,210

I think costs like 86 million dollars or

2174

01:35:25,900 --> 01:35:25,040

something like that and they had to pay

2175

01:35:30,160 --> 01:35:25,910

the Navy

2176

01:35:32,830 --> 01:35:30,170

paying the logistics is you know Koko

2177

01:35:34,750 --> 01:35:32,840

yes maybe did I get paid for that yeah

2178

01:35:36,580 --> 01:35:34,760

it's it's like the logistics of you know

2179

01:35:38,229 --> 01:35:36,590

getting the camera crew to the Naval

2180

01:35:40,630 --> 01:35:38,239

Station and taking us putting the

2181

01:35:42,700 --> 01:35:40,640

cameras in the f-14 and all that so it

2182

01:35:44,530 --> 01:35:42,710

took lots and lots of money and so

2183

01:35:46,150 --> 01:35:44,540

whenever they look at a wingman book

2184

01:35:48,700 --> 01:35:46,160

they look at it from that point of view

2185

01:35:51,840 --> 01:35:48,710

when I say like I said before make it

2186

01:35:55,870 --> 01:35:51,850

like a human comic book you know that's

2187

01:35:57,520 --> 01:35:55,880

right I guess so you don't I think we

2188

01:36:00,220 --> 01:35:57,530

should probably take a commercial break

2189

01:36:03,640 --> 01:36:00,230

right now on this special show the Skype

2190

01:36:05,709 --> 01:36:03,650

disasters show and um and then everyone

2191

01:36:08,830 --> 01:36:05,719

could it is a Hindenburg on the side of

2192

01:36:10,570 --> 01:36:08,840

it it said Skype the horror right is

2193

01:36:13,479 --> 01:36:10,580

that no the humanity I'm sorry

2194

01:36:15,459 --> 01:36:13,489

Oh humanity so why don't we take an ADD

2195

01:36:17,020 --> 01:36:15,469

now and we'll be right back after this

2196

01:36:18,640 --> 01:36:17,030

you're listening to Mack Moniz military

2197

01:36:24,729 --> 01:36:18,650

exercise show here on the distant

2198

01:36:27,280 --> 01:36:24,739

Thunder radio network stay with us over

2199

01:36:29,440 --> 01:36:27,290

the years Air Force Major Hawk Hunter

2200

01:36:31,690 --> 01:36:29,450

and his band of patriotic fighter pilots

2201

01:36:34,090 --> 01:36:31,700

have fought tirelessly to reunite a

2202

01:36:38,050 --> 01:36:34,100

fractured America devastated by a

2203

01:36:40,810 --> 01:36:38,060

Russian sneak attack now returning from

2204

01:36:43,420 --> 01:36:40,820

a mysterious space odyssey hunter finds

2205

01:36:46,800 --> 01:36:43,430

a huge Russian army occupying New York

2206

01:36:49,270 --> 01:36:46,810

City ready to invade the rest of America

2207

01:36:51,640 --> 01:36:49,280

buzzing through the city's skyscraper

2208

01:36:54,160 --> 01:36:51,650

canyons in a tiny top-secret ghost plane

2209

01:36:56,680 --> 01:36:54,170

and seeing the invaders massive weaponry

2210

01:36:58,900 --> 01:36:56,690

for himself Hawk realizes he's up

2211

01:37:00,390 --> 01:36:58,910

against the greatest danger his homeland

2212

01:37:03,190 --> 01:37:00,400

has ever faced

2213

01:37:05,080 --> 01:37:03,200

but equally alarming are reports

2214

01:37:07,240 --> 01:37:05,090

claiming that Hawks former girlfriend

2215

01:37:09,430 --> 01:37:07,250

Dominique is living with the head of the

2216

01:37:12,610 --> 01:37:09,440

Russian secret police in a Manhattan

2217

01:37:16,450 --> 01:37:12,620

penthouse is she is prisoner or is she

2218

01:37:18,670 --> 01:37:16,460

something else with the woman in the

2219

01:37:21,070 --> 01:37:18,680

country he loves in dire peril hawk

2220

01:37:23,350 --> 01:37:21,080

hunter the wing man will apply all his

2221

01:37:25,390 --> 01:37:23,360

aviation prowess to launch the most

2222

01:37:27,880 --> 01:37:25,400

crucial battle for America yet

2223

01:37:30,490 --> 01:37:27,890

no matter what the risks

2224

01:37:32,430 --> 01:37:30,500

filled with fast-paced action a wide

2225

01:37:34,960 --> 01:37:32,440

range of aircraft and military hardware

2226

01:37:37,390 --> 01:37:34,970

battle for America brings back your

2227

01:37:39,790 --> 01:37:37,400

favorite characters from earlier books

2228

01:37:42,310 --> 01:37:39,800

in the wingman series and delivers a

2229

01:37:44,890 --> 01:37:42,320

riveting story that reveals new insight

2230

01:37:46,020 --> 01:37:44,900

on America's most famous hero the

2231

01:37:52,990 --> 01:37:46,030

wingman

2232

01:37:55,540 --> 01:37:53,000

on sale loud amazon.com and available at

2233

01:37:56,590 --> 01:37:55,550

your local bookstore a 1-1 did you go to

2234

01:37:58,390 --> 01:37:56,600

the beach a lot as a kid

2235

01:37:59,950 --> 01:37:58,400

yes Mac I sure did I have a feeling like

2236

01:38:03,490 --> 01:37:59,960

as a youth you would like the 90-pound

2237

01:38:05,410 --> 01:38:03,500

weakling as a matter of fact they did I

2238

01:38:09,640 --> 01:38:05,420

mean I tried to pump iron back then but

2239

01:38:13,390 --> 01:38:09,650

I'd get pooped pretty quickly oh my God

2240

01:38:15,340 --> 01:38:13,400

look at you do girly men I don't what

2241

01:38:17,560 --> 01:38:15,350

are you doing here I'm here to make sure

2242

01:38:20,350 --> 01:38:17,570

you read the ad copy for this fabulous

2243

01:38:22,360 --> 01:38:20,360

new workout brother called SGX that I

2244

01:38:23,740 --> 01:38:22,370

can't endorse but I'm sure what

2245

01:38:26,620 --> 01:38:23,750

wonderfully Hey Arnold

2246

01:38:30,700 --> 01:38:26,630

what's that thing with you and me just

2247

01:38:34,480 --> 01:38:30,710

to the yeah man that's it I'm going to

2248

01:38:36,310 --> 01:38:34,490

tell you to to Vienna pretzels cos I'd

2249

01:38:38,140 --> 01:38:36,320

be glad to challenge what the boys are

2250

01:38:39,550 --> 01:38:38,150

trying to say is this is a new energy

2251

01:38:40,840 --> 01:38:39,560

drink that can give you the extra

2252

01:38:41,620 --> 01:38:40,850

current you need to get through your

2253

01:38:44,710 --> 01:38:41,630

daily workout

2254

01:38:47,050 --> 01:38:44,720

yeah it's called se X or strength energy

2255

01:38:49,000 --> 01:38:47,060

accelerator it comes easy to use just

2256

01:38:50,380 --> 01:38:49,010

mix a scoop with water and drink 30

2257

01:38:51,910 --> 01:38:50,390

minutes before you start your workout

2258

01:38:53,470 --> 01:38:51,920

and you find you can last longer and

2259

01:38:56,050 --> 01:38:53,480

feel all-around better after finishing

2260

01:38:57,700 --> 01:38:56,060

your regime yeah the mix comes in many

2261

01:39:00,310 --> 01:38:57,710

different flavors of course my favorite

2262

01:39:01,840 --> 01:39:00,320

is passion fruit and it contains all the

2263

01:39:03,520 --> 01:39:01,850

essentials you need to get over the top

2264

01:39:04,900 --> 01:39:03,530

whether you're trying to add muscle and

2265

01:39:06,730 --> 01:39:04,910

bulk or just maintain your current

2266

01:39:07,810 --> 01:39:06,740

physique you could look like me that's

2267

01:39:10,030 --> 01:39:07,820

scx

2268

01:39:12,850 --> 01:39:10,040

workout dietary supplement only through

2269

01:39:16,960 --> 01:39:12,860

caudillo us a visit caudillo.usa.com

2270

01:39:19,630 --> 01:39:16,970

for more details at CA r di ll o usa.com

2271

01:39:22,430 --> 01:39:19,640

can get some sex today

2272

01:39:24,350 --> 01:39:22,440

hey what's going on in here

2273

01:39:26,840 --> 01:39:24,360

this is no peace what are you doing here

2274

01:39:28,370 --> 01:39:26,850

I told you guys no partying in the

2275

01:39:31,070 --> 01:39:28,380

studio what are all these dumbbells

2276

01:39:31,400 --> 01:39:31,080

doing here hey just because you own this

2277

01:39:33,500 --> 01:39:31,410

place

2278

01:39:39,950 --> 01:39:33,510

doesn't mean you can call me a dumbbell

2279

01:39:41,630 --> 01:39:39,960

oh yeah tickets a speed as the ex

2280

01:39:44,330 --> 01:39:41,640

workout partner available only through

2281

01:40:01,640 --> 01:39:44,340

caudillo usa.com three instructions

2282

01:40:03,620 --> 01:40:01,650

carefully before using welcome back into

2283

01:40:05,450 --> 01:40:03,630

winter Mac Lundy no trash I'll show here

2284

01:40:08,120 --> 01:40:05,460

on the distant Thunder radio network

2285

01:40:10,460 --> 01:40:08,130

this is Mac Malone you know it's been a

2286

01:40:12,890 --> 01:40:10,470

very interesting night because usually

2287

01:40:14,840 --> 01:40:12,900

we introduce the Plassey at the being of

2288

01:40:17,960 --> 01:40:14,850

the show but we're gonna do it in the

2289

01:40:19,850 --> 01:40:17,970

end the show because Skype chose this

2290

01:40:22,640 --> 01:40:19,860

night the night we were recording to

2291

01:40:24,260 --> 01:40:22,650

collapse but they're back somehow so

2292

01:40:27,320 --> 01:40:24,270

let's just go right around the corner

2293

01:40:30,530 --> 01:40:27,330

here okay the very famous one one is

2294

01:40:34,310 --> 01:40:30,540

here yes sir hi Mac how's it going yeah

2295

01:40:37,550 --> 01:40:34,320

aside from Skype right you could be you

2296

01:40:40,750 --> 01:40:37,560

get the Vera Wang glasses on I see okay

2297

01:40:43,730 --> 01:40:40,760

you have to be happy that Tommy Brady

2298

01:40:45,860 --> 01:40:43,740

you know won again and Cobra was trying

2299

01:40:54,680 --> 01:40:45,870

to spread some disinformation and he was

2300

01:40:57,980 --> 01:40:54,690

hurt thank you thank you Wow yeah okay

2301

01:40:59,720 --> 01:40:57,990

sure we had an alternative theory theory

2302

01:41:03,440 --> 01:40:59,730

that you wanted he be in your

2303

01:41:07,130 --> 01:41:03,450

subconscious 1tb to be hard Noel will be

2304

01:41:09,830 --> 01:41:07,140

hurt he can be hurt but he can he can

2305

01:41:13,820 --> 01:41:09,840

force this body to play through it and

2306

01:41:19,640 --> 01:41:13,830

he's taking the right nutrients to heal

2307

01:41:22,280 --> 01:41:19,650

it as the game progresses okay a week to

2308

01:41:25,550 --> 01:41:22,290

heal up so he he played the Jets with a

2309

01:41:27,500 --> 01:41:25,560

little bit of pain but you know yeah hey

2310

01:41:29,840 --> 01:41:27,510

just a terrible against the spread but

2311

01:41:32,450 --> 01:41:29,850

Lee also on the line with us of course

2312

01:41:37,040 --> 01:41:32,460

is a Coco he looks like he's eaten what

2313

01:41:38,240 --> 01:41:37,050

we may read checks spirulina chips I

2314

01:41:40,880 --> 01:41:38,250

have to get in a couple hours ago to

2315

01:41:44,030 --> 01:41:40,890

work so I'm having breakfast right I

2316

01:41:49,040 --> 01:41:44,040

hope you're not flying are you I can't

2317

01:41:50,240 --> 01:41:49,050

comment what I'm doing right now let's

2318

01:41:52,220 --> 01:41:50,250

be undercover that's to the ground

2319

01:41:56,240 --> 01:41:52,230

everyone within the range of our voice

2320

01:42:00,800 --> 01:41:56,250

anyway let's say I've got a full rocket

2321

01:42:03,380 --> 01:42:00,810

load and Skype is on my on my loose okay

2322

01:42:04,040 --> 01:42:03,390

New Yorkers knew a good deal when they

2323

01:42:05,750 --> 01:42:04,050

see one

2324

01:42:08,780 --> 01:42:05,760

like getting the best unlimited

2325

01:42:11,720 --> 01:42:08,790

hassle-free switch to Verizon unlimited

2326

01:42:14,600 --> 01:42:11,730

and get four lines for \$40 per line per

2327

01:42:17,900 --> 01:42:14,610

month with unlimited talk text mobile

2328

01:42:20,840 --> 01:42:17,910

hotspot and 4G LTE data the deal you

2329

01:42:23,330 --> 01:42:20,850

want easy as can be on New York's number

2330

01:42:26,540 --> 01:42:23,340

one network as awarded by route metrics

2331

01:42:31,460 --> 01:42:26,550

unlimited for all now \$40 per month a

2332

01:42:37,700 --> 01:42:34,390

[Music]

2333

01:42:38,720 --> 01:42:37,710

he's gonna strafe Skype headquarters

2334

01:42:41,810 --> 01:42:38,730

wherever they may be

2335

01:42:44,300 --> 01:42:41,820

yeah hope his name is true switcher we

2336

01:42:46,850 --> 01:42:44,310

know how you doing that Bell good now

2337

01:42:48,680 --> 01:42:46,860

that the gang is all here and speaking

2338

01:42:50,930 --> 01:42:48,690

of the gang you know it can't be a gang

2339

01:42:57,200 --> 01:42:50,940

let's have like some hot chick and I'm

2340

01:42:58,729 --> 01:42:57,210

sorry you know every you really on TV

2341

01:42:59,840 --> 01:42:58,739

there's like five guys who don't know

2342

01:43:03,380 --> 01:42:59,850

what they're doing the neighbor very

2343

01:43:05,990 --> 01:43:03,390

attractive woman and she's Emily can you

2344

01:43:09,920 --> 01:43:06,000

fulfill that role for us I will try my

2345

01:43:12,140 --> 01:43:09,930

best okay I like that okay thank you so

2346

01:43:13,940 --> 01:43:12,150

it's been a night with some reason Skype

2347

01:43:16,220 --> 01:43:13,950

to laughs I'm sure we'll find out about

2348

01:43:18,470 --> 01:43:16,230

it tomorrow but we can attack this that

2349

01:43:21,220 --> 01:43:18,480

way through we ask over tons of

2350

01:43:23,420 --> 01:43:21,230

questions and he came through

2351

01:43:25,580 --> 01:43:23,430

magnificently there Cobra thank you

2352

01:43:30,890 --> 01:43:25,590

thank you you still haven't answered

2353

01:43:39,160 --> 01:43:30,900

what you're eating is it M&Ms or I just

2354

01:43:42,290 --> 01:43:39,170

can't come anyway switch so um I

2355

01:43:44,390 --> 01:43:42,300

actually I was bringing up we I gave you

2356

01:43:45,859 --> 01:43:44,400

one of the questions that Emily had come

2357

01:43:47,089 --> 01:43:45,869

up with for you

2358

01:43:50,839 --> 01:43:47,099

but I didn't come up with a second one

2359

01:43:54,770 --> 01:43:50,849

and the second one Emily maybe you want

2360

01:44:06,649 --> 01:43:54,780

to ask it is about the paranormal do you

2361

01:44:09,080 --> 01:44:06,659

do you even remember Emily had a

2362

01:44:10,819 --> 01:44:09,090

question about if you were to have a

2363

01:44:12,889 --> 01:44:10,829

paranormal experience what what type of

2364

01:44:14,750 --> 01:44:12,899

paranormal experience would you like

2365

01:44:15,739 --> 01:44:14,760

that was we did the other one which I

2366

01:44:18,229 --> 01:44:15,749

can't remember what the other one was

2367

01:44:19,459 --> 01:44:18,239

now anyway she wasn't a writer that's

2368

01:44:20,869 --> 01:44:19,469

right if he wasn't a writer what would

2369

01:44:22,459 --> 01:44:20,879

you be doing and you and you threw him

2370

01:44:24,319 --> 01:44:22,469

for the blades and I had to save us from

2371

01:44:27,439 --> 01:44:24,329

that one so let's not go down that path

2372

01:44:28,969 --> 01:44:27,449

again okay that's very complicated but

2373

01:44:29,989 --> 01:44:28,979

anyway I'll tell you the the strangest

2374

01:44:32,689 --> 01:44:29,999

thing that ever happened to me you know

2375

01:44:34,489 --> 01:44:32,699

one of the strange thing was when I was

2376

01:44:37,639 --> 01:44:34,499

when I was a kid I was probably like 10

2377

01:44:39,919 --> 01:44:37,649

years old or maybe 11 or so we lived in

2378

01:44:42,469 --> 01:44:39,929

this old house in the Dorchester part of

2379

01:44:44,089 --> 01:44:42,479

Boston okay which you know the local

2380

01:44:45,560 --> 01:44:44,099

people will know what that's like okay

2381

01:44:47,810 --> 01:44:45,570

it's kind of in the hood a little bit

2382

01:44:49,669 --> 01:44:47,820

and it was a very old house and it was

2383

01:44:51,139 --> 01:44:49,679

in our family my grandfather lived there

2384

01:44:53,600 --> 01:44:51,149

my great-grandfather lived there so on

2385

01:44:55,489 --> 01:44:53,610

and so forth and one day we were just

2386

01:44:57,409 --> 01:44:55,499

sitting it was a stormy day and it's

2387

01:44:59,689 --> 01:44:57,419

just my mother and I everyone else was

2388

01:45:00,290 --> 01:44:59,699

out and we heard voices talking in the

2389

01:45:03,709 --> 01:45:00,300

Attic

2390

01:45:06,949 --> 01:45:03,719

and it was just like very creepy but

2391

01:45:09,529 --> 01:45:06,959

very distinct voices talking in the

2392

01:45:11,359 --> 01:45:09,539

Attic you know so I don't know I think I

2393

01:45:14,000 --> 01:45:11,369

grabbed my grandfather's Knights of

2394

01:45:16,879 --> 01:45:14,010

Columbus sword or something that's the

2395

01:45:18,589 --> 01:45:16,889

stairs and it was like that Twilight

2396

01:45:19,759 --> 01:45:18,599

Zone we were talking about this which a

2397

01:45:22,250 --> 01:45:19,769

little while ago where you can hear

2398

01:45:26,540 --> 01:45:22,260

voices in the wall or something little

2399

01:45:29,089 --> 01:45:26,550

girl lost yeah in space it was very

2400

01:45:31,609 --> 01:45:29,099

strange and as it turned out that my

2401

01:45:34,250 --> 01:45:31,619

older brother had had a small old

2402

01:45:36,350 --> 01:45:34,260

reel-to-reel tape recorder and for

2403

01:45:39,049 --> 01:45:36,360

whatever reason it just decided to

2404

01:45:41,569 --> 01:45:39,059

kindly start turning again and those the

2405

01:45:43,879 --> 01:45:41,579

conversation on it but took to say about

2406

01:45:49,639 --> 01:45:43,889

10 minutes to find it and that was very

2407

01:45:53,089 --> 01:45:49,649

strange I mean if it was a

2408

01:45:56,239 --> 01:45:53,099

battery-operated yeah so Mack this is

2409

01:45:58,300 --> 01:45:56,249

the second time yes my device it's done

2410

01:45:59,419 --> 01:45:58,310

this this is like your your little

2411

01:46:01,880 --> 01:45:59,429

[Music]

2412

01:46:05,180 --> 01:46:01,890

once again yep yeah that's the ballroom

2413

01:46:06,740 --> 01:46:05,190

Christmas alone on it and you know when

2414

01:46:09,860 --> 01:46:06,750

that was happening before we figured out

2415

01:46:12,169 --> 01:46:09,870

exactly what was going on it was really

2416

01:46:14,060 --> 01:46:12,179

strange it was like really like what is

2417

01:46:16,729 --> 01:46:14,070

this like those voices that said the law

2418

01:46:18,649 --> 01:46:16,739

or something else oh but that's it I I

2419

01:46:20,750 --> 01:46:18,659

think I'm someone I've never seen UFO

2420

01:46:22,340 --> 01:46:20,760

and they've seen a ghost I think that

2421

01:46:25,280 --> 01:46:22,350

some people we've talked about this

2422

01:46:27,560 --> 01:46:25,290

before Emily is they some people I kind

2423

01:46:29,990 --> 01:46:27,570

of drawn to that some people a kind of I

2424

01:46:31,760 --> 01:46:30,000

don't know they're more receptive to

2425

01:46:39,050 --> 01:46:31,770

something like that and and I am NOT

2426

01:46:40,910 --> 01:46:39,060

like that interesting if you were to

2427

01:46:42,770 --> 01:46:40,920

have another experience what type would

2428

01:46:49,669 --> 01:46:42,780

you want to have do you want to see a

2429

01:46:51,860 --> 01:46:49,679

ghost see a UFO yeah sure do you want to

2430

01:46:58,040 --> 01:46:51,870

have it in either case would you like it

2431

01:47:00,200 --> 01:46:58,050

to be a female alien female know about

2432

01:47:03,350 --> 01:47:00,210

that objection in Brazil Antonio and

2433

01:47:05,899 --> 01:47:03,360

Kerry obvious poets back in the 50s yeah

2434

01:47:08,540 --> 01:47:05,909

that was a little bit x-rated women yeah

2435

01:47:11,419 --> 01:47:08,550

the Amazon alien thing there that he had

2436

01:47:13,760 --> 01:47:11,429

going you switching you explained that

2437

01:47:16,939 --> 01:47:13,770

in 30 seconds what I mean x-rated what I

2438

01:47:19,550 --> 01:47:16,949

said a guy a gentleman was supposedly

2439

01:47:22,130 --> 01:47:19,560

abducted and on port a UFO and

2440

01:47:29,030 --> 01:47:22,140

encouraged to have relations with a hot

2441

01:47:31,459 --> 01:47:29,040

alien Blaha babe well or ensign talked

2442

01:47:34,550 --> 01:47:31,469

about it in their book UFO occupants way

2443

01:47:40,580 --> 01:47:34,560

back when so there's a website dedicated

2444

01:47:42,410 --> 01:47:40,590

I would Mac if you want well it's sort

2445

01:47:53,780 --> 01:47:42,420

of an updated version of the succubus

2446

01:47:58,689 --> 01:47:53,790

actually you know the Incubus the

2447

01:48:02,630 --> 01:48:01,040

Emily has never heard the word succubus

2448

01:48:04,580 --> 01:48:02,640

and she will not admit to knowing what

2449

01:48:07,280 --> 01:48:04,590

it is so let's the connection move on

2450

01:48:09,860 --> 01:48:07,290

modern modern-day UFO experiences and

2451

01:48:11,270 --> 01:48:09,870

the past folklore and so forth yeah I

2452

01:48:12,799 --> 01:48:11,280

don't think I'm allowed to look at those

2453

01:48:16,129 --> 01:48:12,809

kind of websites sorry

2454

01:48:18,919 --> 01:48:16,139

I know I'm Emily what kind of that

2455

01:48:23,919 --> 01:48:18,929

you've had paranormal experiences before

2456

01:48:27,589 --> 01:48:23,929

what tie would you like or not like I

2457

01:48:37,399 --> 01:48:27,599

think you would like I think I'd like to

2458

01:48:50,209 --> 01:48:37,409

see a Bigfoot story there we should

2459

01:48:54,439 --> 01:48:52,100

what's your shoe size I got you on ears

2460

01:48:57,260 --> 01:48:54,449

last week shoe size this week please sir

2461

01:48:59,270 --> 01:48:57,270

eleven and a half Thank You Barbara

2462

01:49:03,500 --> 01:48:59,280

racist but go ahead please

2463

01:49:06,589 --> 01:49:03,510

I yeah so oh by the way Mackey I agree I

2464

01:49:08,029 --> 01:49:06,599

would much prefer UFOs to ghosts so the

2465

01:49:12,770 --> 01:49:08,039

horror movies they freak me out I have

2466

01:49:16,569 --> 01:49:12,780

got ghosts no good no I know people I

2467

01:49:20,870 --> 01:49:16,579

don't know anyone who's seen the coast I

2468

01:49:22,850 --> 01:49:20,880

have seen one but I've met somebody who

2469

01:49:24,830 --> 01:49:22,860

professors didn't seen a ghost but now

2470

01:49:27,950 --> 01:49:24,840

that being said what's up

2471

01:49:32,270 --> 01:49:27,960

okay well seen as this is a truncated

2472

01:49:33,919 --> 01:49:32,280

show is that the right word yeah I'm

2473

01:49:37,990 --> 01:49:33,929

kind of swooping in at the last minute I

2474

01:49:44,779 --> 01:49:42,379

all you can tell us how is pebbles um

2475

01:49:46,250 --> 01:49:44,789

he's good yeah yeah that's all yeah

2476

01:49:53,180 --> 01:49:46,260

that's all I got he runs out the door

2477

01:49:55,310 --> 01:49:53,190

down Rob's can't he we should do this as

2478

01:49:56,839 --> 01:49:55,320

a thumbnail is almost a year ago robbers

2479

01:50:01,520 --> 01:49:56,849

haven't someone doing his dishes for him

2480

01:50:03,950 --> 01:50:01,530

but now the dishwasher has gone away he

2481

01:50:05,750 --> 01:50:03,960

has got a cat that he gave on Craigslist

2482

01:50:07,879 --> 01:50:05,760

which is really kind of weird and he's

2483

01:50:11,060 --> 01:50:07,889

watching love wine at 2:00 a.m. is that

2484

01:50:13,399 --> 01:50:11,070

the Robin well I did do that I am NOT

2485

01:50:17,120 --> 01:50:13,409

currently doing that I was the

2486

01:50:21,410 --> 01:50:17,130

late-night radio because this is my one

2487

01:50:25,370 --> 01:50:21,420

Radio one radio gigs do one yes we have

2488

01:50:28,000 --> 01:50:25,380

an expert in the house Emily yes what

2489

01:50:30,129 --> 01:50:28,010

would you think if you mitts

2490

01:50:31,689 --> 01:50:30,139

and he said oh you know what he'd been

2491

01:50:37,089 --> 01:50:31,699

doing lately well I got are the copies

2492

01:50:38,830 --> 01:50:37,099

the coffee coffee shop okay and he said

2493

01:50:40,689 --> 01:50:38,840

well I got a cat recently and you know

2494

01:50:41,620 --> 01:50:40,699

up until lately I've been watchin

2495

01:50:48,189 --> 01:50:41,630

Loveline at 2:00 a.m.

2496

01:50:50,319 --> 01:50:48,199

we would you be attracted to him I like

2497

01:50:52,169 --> 01:50:50,329

the part about the cat oh you do oh

2498

01:50:55,359 --> 01:50:52,179

perfect

2499

01:50:59,890 --> 01:50:55,369

yeah Emily's a cat lover I am I'm a cat

2500

01:51:06,339 --> 01:50:59,900

lady you know I don't know about love

2501
01:51:08,649 --> 01:51:06,349
line though really listen Emily where

2502
01:51:17,310 --> 01:51:08,659
are you at where are you at yeah how far

2503
01:51:22,330 --> 01:51:19,810
okay Southwest would get you there in

2504
01:51:25,299 --> 01:51:22,340
like four or five touchdowns right how

2505
01:51:27,729 --> 01:51:25,309
far away is his name from Dallas really

2506
01:51:33,129 --> 01:51:27,739
I'm serious it's only like about 100

2507
01:51:35,020 --> 01:51:33,139
miles right that's like a like a 15 hour

2508
01:51:37,660 --> 01:51:35,030
drive or something at the least it

2509
01:51:40,060 --> 01:51:37,670
sounds like why you I would I drove the

2510
01:51:45,370 --> 01:51:40,070
Chicago once I you know I've never made

2511
01:51:47,200 --> 01:51:45,380
it this close okay well okay so Emily

2512
01:51:50,140 --> 01:51:47,210
just getting back to you so so somewhere

2513
01:51:52,839 --> 01:51:50,150

lines with a nine dollar special right

2514

01:51:57,399 --> 01:51:52,849

now if I can book it for Rob right now

2515

01:52:00,390 --> 01:51:57,409

I'm not sure about the cat \$49 two day

2516

01:52:06,040 --> 01:52:00,400

airfare sale right now Cincinnati Dallas

2517

01:52:08,919 --> 01:52:06,050

days just waiting no no it's two days

2518

01:52:19,810 --> 01:52:08,929

it's two days that the sale is on Mac

2519

01:52:22,359 --> 01:52:19,820

not it doesn't with this kind of kind of

2520

01:52:23,739 --> 01:52:22,369

friends managed to make a problem I'm

2521

01:52:28,660 --> 01:52:23,749

afraid of airplanes I'm afraid of flying

2522

01:52:32,259 --> 01:52:28,670

I so on it oh my yeah yeah it's gotta be

2523

01:52:36,669 --> 01:52:32,269

a training I have some extra miles and

2524

01:52:41,040 --> 01:52:39,910

Emily I do you don't mind you like

2525

01:52:44,010 --> 01:52:41,050

flying do you

2526

01:52:45,300 --> 01:52:44,020

uh yeah I just don't like being stuck in

2527

01:52:51,480 --> 01:52:45,310

the window-seat when you have to go the

2528

01:52:54,780 --> 01:52:51,490

bathroom okay

2529

01:52:57,300 --> 01:52:54,790

so how we understand that have you been

2530

01:53:00,960 --> 01:52:57,310

to Dallas recently do you fly to Dallas

2531

01:53:02,550 --> 01:53:00,970

I don't oh what's the closest you find

2532

01:53:05,310 --> 01:53:02,560

it down because I know you have some

2533

01:53:07,050 --> 01:53:05,320

really high-powered job right well I

2534

01:53:09,210 --> 01:53:07,060

don't know if I'd say high-powered but I

2535

01:53:12,750 --> 01:53:09,220

I go to California a lot Wow

2536

01:53:14,490 --> 01:53:12,760

okay all right Coble if we can work this

2537

01:53:17,400 --> 01:53:14,500

out okay I can see you noodling there

2538

01:53:19,020 --> 01:53:17,410

yeah I'm just checking her to see what

2539

01:53:21,690 --> 01:53:19,030

I've got for her extra gold points for

2540

01:53:24,060 --> 01:53:21,700

Rob if he wants to take a drive no we

2541

01:53:26,700 --> 01:53:24,070

only have a few minutes left and if I'm

2542

01:53:28,470 --> 01:53:26,710

if I'm crossing my boundaries one one

2543

01:53:31,230 --> 01:53:28,480

you have to tell me okay go I'll bail

2544

01:53:33,530 --> 01:53:31,240

you out sure we refer to you earlier as

2545

01:53:37,740 --> 01:53:33,540

my binky I don't know what that means

2546

01:53:39,510 --> 01:53:37,750

we'll find out okay Emily if there was

2547

01:53:43,050 --> 01:53:39,520

some situation where you find yourself

2548

01:53:48,450 --> 01:53:43,060

in Dallas but you allow Rob to buy you a

2549

01:53:48,840 --> 01:53:48,460

coffee at a yeah Starbucks it's sure why

2550

01:54:05,430 --> 01:53:48,850

not

2551

01:54:12,720 --> 01:54:05,440

Jesus pace right there that third strike

2552

01:54:13,950 --> 01:54:12,730

button hold up what is that the hold up

2553

01:54:15,510 --> 01:54:13,960

you don't like Starbucks

2554

01:54:17,760 --> 01:54:15,520

would you like to go to a steak house a

2555

01:54:19,890 --> 01:54:17,770

nice steak house oh no I do like

2556

01:54:21,960 --> 01:54:19,900

Starbucks are you doing okay so it's

2557

01:54:30,510 --> 01:54:21,970

right I would accept free coffee from

2558

01:54:32,100 --> 01:54:30,520

anyone you would or would not right more

2559

01:54:34,560 --> 01:54:32,110

informations not really helping the

2560

01:54:38,220 --> 01:54:34,570

imagery is an equal opportunity

2561

01:54:46,080 --> 01:54:38,230

Starbucks coffee drinker Cobra paying

2562

01:54:47,760 --> 01:54:46,090

for it that's true whatever we're out

2563

01:54:49,710 --> 01:54:47,770

and about Point Pleasant or whatever one

2564

01:54:51,630 --> 01:54:49,720

of our paranormal excursions every once

2565

01:54:55,879 --> 01:54:51,640

in a while Emily disappears she comes

2566

01:55:02,790 --> 01:54:58,469

and that's good that's gonna pot in the

2567

01:55:05,069 --> 01:55:02,800

way so you know so you robbed at a

2568

01:55:09,750 --> 01:55:05,079

Starbucks it could happen if we were

2569

01:55:25,850 --> 01:55:09,760

able to connect the dots right are you

2570

01:55:28,620 --> 01:55:25,860

asking yes oh yeah yeah sure yeah really

2571

01:55:30,239 --> 01:55:28,630

how about if Rob but his cat to the

2572

01:55:33,270 --> 01:55:30,249

Starbucks would that be a turn out for

2573

01:55:40,529 --> 01:55:33,280

you and of general sense oh I might take

2574

01:55:43,060 --> 01:55:40,539

the cat home with me core would you see

2575

01:55:47,839 --> 01:55:43,070

what I say take the cat leave the rug

2576

01:55:52,410 --> 01:55:48,989

okay

2577

01:55:54,390 --> 01:55:52,420

let's all combine now miles

2578

01:55:59,759 --> 01:55:54,400

and see what that would you both agree

2579

01:56:05,969 --> 01:55:59,769

to wear GoPros if this happen no nose

2580

01:56:07,379 --> 01:56:05,979

around yeah Emily well take care he

2581

01:56:09,509 --> 01:56:07,389

would you would like photographic

2582

01:56:12,569 --> 01:56:09,519

evidence recorded evidence of the of

2583

01:56:18,899 --> 01:56:12,579

this gathering is it say no say no just

2584

01:56:21,120 --> 01:56:18,909

say no now well anyway well hey listen

2585

01:56:22,560 --> 01:56:21,130

love is all around right love is all

2586

01:56:28,609 --> 01:56:22,570

around we might maybe a to make this

2587

01:56:31,379 --> 01:56:28,619

happen right we feel it work you guys

2588

01:56:34,439 --> 01:56:31,389

y'all put up putting up the dough here

2589

01:56:37,969 --> 01:56:34,449

so ya know the money is no object tip

2590

01:56:40,709 --> 01:56:37,979

one was a very rich man mm-hmm

2591

01:56:42,600 --> 01:56:40,719

send them a Starbucks rewards cards you

2592

01:56:45,180 --> 01:56:42,610

go switch what do you think about this

2593

01:56:46,620 --> 01:56:45,190

is this well you know when you said love

2594

01:56:50,239 --> 01:56:46,630

is all around I thought the three of you

2595

01:56:59,569 --> 01:56:57,359

get the reference reference it just

2596

01:57:01,470 --> 01:56:59,579

wasn't that funny okay I got it

2597

01:57:04,689 --> 01:57:01,480

welcome to the show

2598

01:57:08,020 --> 01:57:04,699

[Laughter]

2599

01:57:09,549 --> 01:57:08,030

you hotshots don't last 20 minutes of

2600

01:57:14,439 --> 01:57:09,559

the show and we're supposed to just be

2601
01:57:17,199 --> 01:57:14,449
rolling on the floor this push-ups here

2602
01:57:19,120 --> 01:57:17,209
for an hour and a half so hey listen if

2603
01:57:20,949 --> 01:57:19,130
I could you bring in our anonymous

2604
01:57:22,719 --> 01:57:20,959
producer does anyone have any idea how

2605
01:57:25,120 --> 01:57:22,729
much time we have left

2606
01:57:26,319 --> 01:57:25,130
anonymous for those of you I can tell

2607
01:57:29,709 --> 01:57:26,329
you sir

2608
01:57:34,509 --> 01:57:29,719
we have a clock running we are two

2609
01:57:36,100 --> 01:57:34,519
minutes over two minutes over okay Emily

2610
01:57:39,549 --> 01:57:36,110
thank you very much for joining us sorry

2611
01:57:41,040 --> 01:57:39,559
about this roof type but we will talk to

2612
01:57:43,330 --> 01:57:41,050
you next week about your scary

2613
01:57:45,609 --> 01:57:43,340

encounters down at the Point Pleasant

2614

01:57:47,890 --> 01:57:45,619

West Virginia right sounds good

2615

01:57:53,919 --> 01:57:47,900

there she go so right the current show

2616

01:57:56,680 --> 01:57:53,929

Emily Emily thank you thank you Miss

2617

01:58:01,689 --> 01:57:56,690

witchery no thank you for joining us my

2618

01:58:05,680 --> 01:58:01,699

pleasure I screwed up night okay what's

2619

01:58:07,870 --> 01:58:05,690

that one one is trying to say something

2620

01:58:12,040 --> 01:58:07,880

ed one please do you have any pictures

2621

01:58:18,250 --> 01:58:12,050

of Emily C yes I have a penny that I

2622

01:58:22,299 --> 01:58:18,260

posted on max timeline okay all right

2623

01:58:25,390 --> 01:58:22,309

what do you yeah add it to the

2624

01:58:27,160 --> 01:58:25,400

collection and woman Steve thanks for

2625

01:58:29,680 --> 01:58:27,170

dreaming of sorry for the screw-up mate

2626

01:58:30,339 --> 01:58:29,690

all right thanks guys we'll talk to you

2627

01:58:33,910 --> 01:58:30,349

next week

2628

01:58:38,109 --> 01:58:33,920

there you go right he's the best which

2629

01:58:41,680 --> 01:58:38,119

means I switch one one thank you you

2630

01:58:44,500 --> 01:58:41,690

office okay good to see you I thought

2631

01:58:49,180 --> 01:58:44,510

it'd happen tonight okay all right okay

2632

01:58:52,060 --> 01:58:49,190

with you yep everything's okay with the

2633

01:58:54,120 --> 01:58:52,070

world Cobra is a new learning he must be

2634

01:58:56,620 --> 01:58:54,130

bored thank you they're brought cocoa

2635

01:58:58,000 --> 01:58:56,630

it's been a strange night luckily he's

2636

01:58:59,589 --> 01:58:58,010

doing that yeah he's doing the Batman

2637

01:59:02,109 --> 01:58:59,599

advance now so he must be really having

2638

01:59:03,699 --> 01:59:02,119

you know the good thing about Coakley is

2639

01:59:06,189 --> 01:59:03,709

that he's such a wealth of knowledge so

2640

01:59:10,589 --> 01:59:06,199

we were able to like kind of vamp for an

2641

01:59:13,479 --> 01:59:10,599

hour and a half here oh good guys right

2642

01:59:15,790 --> 01:59:13,489

Thank You Coco oh my pleasure I was

2643

01:59:18,310 --> 01:59:15,800

always chilling my pleasure bye honey

2644

01:59:22,420 --> 01:59:18,320

made it we'll see you on Saturday

2645

01:59:25,810 --> 01:59:22,430

yes you will alright one one thank you

2646

01:59:28,390 --> 01:59:25,820

for you know finally joining us sound

2647

01:59:30,220 --> 01:59:28,400

well very interesting addition of ECMO

2648

01:59:35,230 --> 01:59:30,230

military so I'll show the night that

2649

01:59:37,660 --> 01:59:35,240

Skype crackled I'll crash short crashed

2650

01:59:41,530 --> 01:59:37,670

the night that's good crash and we saved

2651
01:59:43,620 --> 01:59:41,540
it so state our business was next week

2652
01:59:46,570 --> 01:59:43,630
or please try to catch us next week

2653
01:59:48,190 --> 01:59:46,580
those emails coming yeah keep the emails

2654
01:59:49,840 --> 01:59:48,200
coming we've got a lot of emails and

2655
01:59:51,850 --> 01:59:49,850
we've hired some addressed some good

2656
01:59:53,560 --> 01:59:51,860
ones this week one one you missed this

2657
01:59:56,200 --> 01:59:53,570
we've we've got so many that we've hired

2658
01:59:57,100 --> 01:59:56,210
a directive security we now have a

2659
01:59:59,770 --> 01:59:57,110
bodyguard

2660
02:00:02,470 --> 01:59:59,780
who goes through our email made me feel

2661
02:00:04,780 --> 02:00:02,480
nothing bad is in there anything

2662
02:00:08,770 --> 02:00:04,790
ninety percent of the email one one is

2663
02:00:10,360 --> 02:00:08,780

addressed to you who and half of that is

2664

02:00:13,780 --> 02:00:10,370

addressed by either women or people

2665

02:00:18,190 --> 02:00:13,790

trying to pretend they're women is

2666

02:00:19,960 --> 02:00:18,200

almost as good right so yeah now we have

2667

02:00:22,750 --> 02:00:19,970

some ones in it because of your

2668

02:00:24,100 --> 02:00:22,760

popularity oh my god yeah there you go

2669

02:00:26,530 --> 02:00:24,110

well it's the price of fame they my

2670

02:00:28,480 --> 02:00:26,540

friend so thank you and thank everyone

2671

02:00:29,140 --> 02:00:28,490

for listening to us to me thanks for

2672

02:00:31,330 --> 02:00:29,150

staying with us

2673

02:00:33,760 --> 02:00:31,340

very strange show next week we'll be

2674

02:00:37,030 --> 02:00:33,770

back a little bit back on the beam okay

2675

02:00:40,480 --> 02:00:37,040

so until then this is Mack Maloney for

2676

02:00:43,180 --> 02:00:40,490

the Cobra for JJ and for the rest of the

2677

02:00:49,630 --> 02:00:43,190

guests saying until next week be safe be

2678

02:00:52,600 --> 02:00:49,640

happy and bye-bye only AT&T offers

2679

02:00:55,090 --> 02:00:52,610

unlimited data with HBO included and you

2680

02:00:56,980 --> 02:00:55,100

never pay overages Plus get to wreck TV

2681

02:00:59,860 --> 02:00:56,990

now for only \$10 a month it's

2682

02:01:01,630 --> 02:00:59,870

entertainment your way after 22

2683

02:01:03,040 --> 02:01:01,640

gigabytes of data usage 18 UTMA slow

2684

02:01:03,760 --> 02:01:03,050

speeds plan include stream saver and

2685

02:01:04,990 --> 02:01:03,770

videos will stream and

2686

02:01:06,160 --> 02:01:05,000

standard-definition unless you turn it

2687

02:01:08,200 --> 02:01:06,170

off credits start within free bill

2688

02:01:10,240 --> 02:01:08,210

cycles \$10 price based on \$35 live a

2689

02:01:11,860 --> 02:01:10,250

little package - \$25 credit service

2690

02:01:13,330 --> 02:01:11,870

price is subject to change other usage

2691

02:01:14,910 --> 02:01:13,340
