00:00:07,670 --> 00:00:04,970
hello it's Wednesday October 25th 2017

2
00:00:10,009 --> 00:00:07,680
you are listening to inception Radio

3
00:00:17,120 --> 00:00:10,019
Network voice of the fringe majority

4
00:00:21,099 --> 00:00:17,130
this is Carol Carl hears earth sky for

5
00:00:25,849 --> 00:00:21,109
tonight they advise moon gazing tonight

6
00:00:28,670 --> 00:00:25,859
think of Pluto - Oh Pluto little dwarf

7
00:00:30,950 --> 00:00:28,680
planet demoted from full of planet hood

8
00:00:33,709 --> 00:00:30,960
perhaps at least for the time being

9
00:00:36,200 --> 00:00:33,719
here's what Bruce McClure offers in the

10
00:00:38,900 --> 00:00:36,210
night sky for tonight tonight and

11
00:00:41,780 --> 00:00:38,910
tomorrow night as well the rather wide

12
00:00:44,540 --> 00:00:41,790
waxing crescent moon shines fairly close

13
00:00:47,510 --> 00:00:44,550

on the skies dome it's close to dwarf

14

00:00:49,840 --> 00:00:47,520

planet Pluto both are in front of the

15

00:00:53,299 --> 00:00:49,850

constellations Sagittarius the Archer

16

00:00:56,840 --> 00:00:53,309

just don't expect to see Pluto which is

17

00:00:59,180 --> 00:00:56,850

about 1,600 times fainter than the

18

00:01:02,180 --> 00:00:59,190

dimmiest star visible to the eye on a

19

00:01:04,789 --> 00:01:02,190

dark moonless night in fact you probably

20

00:01:07,609 --> 00:01:04,799

would need at least a 14 inch or larger

21

00:01:10,580 --> 00:01:07,619

telescope and a sky chart as well to

22

00:01:13,100 --> 00:01:10,590

spot this distant world but you can take

23

00:01:16,580 --> 00:01:13,110

this opportunity to think about Pluto

24

00:01:19,070 --> 00:01:16,590

hmm the Pluto ponder Pluto's one of our

25

00:01:20,780 --> 00:01:19,080

solar system's most fascinating worlds

26

00:01:23,690 --> 00:01:20,790

here's the plan

27

00:01:26,090 --> 00:01:23,700

stand outside use the moon to get an

28

00:01:28,249 --> 00:01:26,100

idea of Pluto's place in front of the

29

00:01:30,980 --> 00:01:28,259

starry heavens some people are familiar

30

00:01:33,590 --> 00:01:30,990

with the famous teapot asterism That

31

00:01:37,010 --> 00:01:33,600

star pattern in the Western Sagittarius

32

00:01:39,469 --> 00:01:37,020

area Pluto is found to the northeast of

33

00:01:42,740 --> 00:01:39,479

the teapot at the moment fairly close to

34

00:01:46,910 --> 00:01:42,750

the 3rd magnitude star al Ball ha that

35

00:01:50,120 --> 00:01:46,920

spelled al b al DHA also known as pi

36

00:01:52,399 --> 00:01:50,130

Sagittarii i and then think about blue

37

00:01:54,760 --> 00:01:52,409

toes awesome history in terms of our

38

00:01:58,399 --> 00:01:54,770

human understanding of the cosmos in

39

00:02:01,340 --> 00:01:58,409

1930 astronomers hailed Pluto as a new

40

00:02:03,289 --> 00:02:01,350

planet in our solar system that was

41

00:02:05,840 --> 00:02:03,299

before we knew the outer solar system

42

00:02:09,080 --> 00:02:05,850

contains many small objects sometimes

43

00:02:11,240 --> 00:02:09,090

called trans-neptunian objects of which

44

00:02:12,740 --> 00:02:11,250

several hundred are currently numbered

45

00:02:16,310 --> 00:02:12,750

and several thousand

46

00:02:18,980 --> 00:02:16,320

are known but remain unnumbered Pluto is

47

00:02:20,990 --> 00:02:18,990

the largest so far this increasing

48

00:02:24,230 --> 00:02:21,000

number of known objects in the outer

49

00:02:27,010 --> 00:02:24,240

solar system is one reason why in 2006

50

00:02:31,060 --> 00:02:27,020

the International Astronomical Union

51
00:02:33,740 --> 00:02:31,070
relegated Pluto to dwarf planet status

52
00:02:36,320 --> 00:02:33,750
Pluto wasn't denied planetary status

53
00:02:39,830 --> 00:02:36,330
because it's not massive enough to be a

54
00:02:43,040 --> 00:02:39,840
planet by the way Pluto in and of itself

55
00:02:46,570 --> 00:02:43,050
has sufficient mass to qualify rather

56
00:02:49,430 --> 00:02:46,580
Pluto was reclassified by that

57
00:02:51,979 --> 00:02:49,440
International Astronomical Union because

58
00:02:55,250 --> 00:02:51,989
this world doesn't have sufficient heft

59
00:02:59,750 --> 00:02:55,260
heft to quote clear the neighborhood

60
00:03:01,850 --> 00:02:59,760
around its orbit end quotes this great

61
00:03:04,160 --> 00:03:01,860
article also includes a link to a

62
00:03:08,180 --> 00:03:04,170
fantastic black-and-white photograph of

63
00:03:10,760 --> 00:03:08,190

a starry eyed Clyde w Tom bow at his

64

00:03:14,270 --> 00:03:10,770

family's farm with that homemade

65

00:03:18,190 --> 00:03:14,280

telescope the shot was taken in 1928 two

66

00:03:22,039 --> 00:03:18,200

years before he discovered Pluto in 1930

67

00:03:26,630 --> 00:03:22,049

here's just a little bit about Clyde W

68

00:03:29,150 --> 00:03:26,640

Tom bow and yep there are UFOs involved

69

00:03:32,930 --> 00:03:29,160

this is an article from UFO sightings

70

00:03:35,660 --> 00:03:32,940

daily.com a headline let's celebrate

71

00:03:40,100 --> 00:03:35,670

Clyde Tombaugh who discovered Pluto and

72

00:03:45,890 --> 00:03:40,110

saw six UFOs over Las Cruces New Mexico

73

00:03:49,430 --> 00:03:45,900

on August 20th 1949 Clyde William Tom

74

00:03:53,960 --> 00:03:49,440

Bow born February 4th nineteen six he

75

00:03:57,470 --> 00:03:53,970

died January 17 1997 he was an American

76

00:04:00,020 --> 00:03:57,480

astronomer and that object Pluto his

77

00:04:01,940 --> 00:04:00,030

discovery in 1930 that was the first

78

00:04:04,940 --> 00:04:01,950

object to be discovered in what would

79

00:04:07,460 --> 00:04:04,950

later be called the Kuiper belt his

80

00:04:11,120 --> 00:04:07,470

ashes are now in space aboard that

81

00:04:13,699 --> 00:04:11,130

spacecraft so here's a bit a tidbit of

82

00:04:15,949 --> 00:04:13,709

news about Clyde something that the

83

00:04:19,580 --> 00:04:15,959

author of this article says we won't see

84

00:04:23,510 --> 00:04:19,590

in the news it's his UFO sighting here's

85

00:04:25,240 --> 00:04:23,520

what Scott C wearing writes clyde w tom

86

00:04:26,629 --> 00:04:25,250

bow was probably the preeminent

87

00:04:29,300 --> 00:04:26,639

astronomer to

88

00:04:34,100 --> 00:04:29,310

have reported seeing unidentified flying

89

00:04:36,939 --> 00:04:34,110

objects on August 20th 1949 Tom bow saw

90

00:04:40,239 --> 00:04:36,949

several UFOs near Los Cruces New Mexico

91

00:04:42,920 --> 00:04:40,249

he described them as six to eight

92

00:04:46,850 --> 00:04:42,930

rectangular lights here's a statement

93

00:04:50,360 --> 00:04:46,860

quote I doubt that the phenomena has any

94

00:04:52,670 --> 00:04:50,370

terrestrial reflection because nothing

95

00:04:55,519 --> 00:04:52,680

of the kind has ever appeared before or

96

00:04:56,959 --> 00:04:55,529

since I was so unprepared for such a

97

00:05:00,820 --> 00:04:56,969

strange sight that I was really

98

00:05:02,839 --> 00:05:00,830

petrified with astonishment and quotes a

99

00:05:05,659 --> 00:05:02,849

similar shocked response has been

100

00:05:07,850 --> 00:05:05,669

reported many times by others who claim

101
00:05:10,999 --> 00:05:07,860
to have seen mysterious aerial objects

102
00:05:14,080 --> 00:05:11,009
Tom bow was also later to report having

103
00:05:17,390 --> 00:05:14,090
seen three of the mysterious green

104
00:05:20,300 --> 00:05:17,400
fireballs green fireballs which suddenly

105
00:05:23,089 --> 00:05:20,310
appeared over New Mexico in late 1948

106
00:05:27,649 --> 00:05:23,099
and continued at least through the early

107
00:05:30,709 --> 00:05:27,659
1950s in 1956 Tom bow had the following

108
00:05:33,679 --> 00:05:30,719
to say about his various sightings quote

109
00:05:36,320 --> 00:05:33,689
I have seen three objects in the last

110
00:05:38,950 --> 00:05:36,330
seven years which defied any explanation

111
00:05:43,459 --> 00:05:38,960
of known phenomenon such as Venus

112
00:05:45,100 --> 00:05:43,469
atmospheric optic meteors or planes I'm

113
00:05:48,110 --> 00:05:45,110

a professional a highly skilled

114

00:05:50,329 --> 00:05:48,120

professional astronomer in addition I

115

00:05:53,179 --> 00:05:50,339

have seen three green fireballs which

116

00:05:55,429 --> 00:05:53,189

were unusual in behavior from normal

117

00:05:57,200 --> 00:05:55,439

green fireballs I think that several

118

00:06:00,170 --> 00:05:57,210

reputable scientists are being

119

00:06:02,350 --> 00:06:00,180

unscientific in refusing to entertain

120

00:06:07,219 --> 00:06:02,360

the possibility of extraterrestrial

121

00:06:11,959 --> 00:06:07,229

origin and nature end quotes yep that's

122

00:06:15,019 --> 00:06:11,969

what cly w Tom Bow himself said in 1956

123

00:06:18,170 --> 00:06:15,029

mind you fast forward and back to

124

00:06:21,110 --> 00:06:18,180

tonight's sky watching in July of 2015

125

00:06:23,629 --> 00:06:21,120

the New Horizons spacecraft became the

126

00:06:27,589 --> 00:06:23,639

first earth craft to sweep past Pluto

127

00:06:30,679 --> 00:06:27,599

it's data required an earth year to be

128

00:06:32,629 --> 00:06:30,689

returned and scientists are still mining

129

00:06:35,719 --> 00:06:32,639

all that data learning new things about

130

00:06:38,480 --> 00:06:35,729

Pluto images recently analyzed from the

131

00:06:39,540 --> 00:06:38,490

craft cameras revealed what appear to be

132

00:06:42,870 --> 00:06:39,550

small

133

00:06:45,990 --> 00:06:42,880

lying isolated clouds the first to be

134

00:06:47,610 --> 00:06:46,000

seen on the dwarf planet Alan Stern he's

135

00:06:50,999 --> 00:06:47,620

principal investigator for the New

136

00:06:53,790 --> 00:06:51,009

Horizons mission commented thusly quote

137

00:06:56,760 --> 00:06:53,800

if there are clouds it would mean the

138

00:07:00,450 --> 00:06:56,770

weather on Pluto is even more complex

139

00:07:02,150 --> 00:07:00,460

than we imagined end quotes New Horizons

140

00:07:05,339 --> 00:07:02,160

is now headed for another

141

00:07:08,730 --> 00:07:05,349

trans-neptunian object by the way a cold

142

00:07:11,999 --> 00:07:08,740

classic Kuiper belt object called mu six

143

00:07:15,390 --> 00:07:12,009

nine it ought to get there in late 2018

144

00:07:18,570 --> 00:07:15,400

and here's a tidbit about Pluto's orbit

145

00:07:20,760 --> 00:07:18,580

its orbit is highly inclined with

146

00:07:23,909 --> 00:07:20,770

respect to the ecliptic the path of the

147

00:07:27,719 --> 00:07:23,919

Sun Moon and major planets Pluto's orbit

148

00:07:29,969 --> 00:07:27,729

is also very eccentric it's oblong it

149

00:07:33,390 --> 00:07:29,979

carries this world from about 30

150

00:07:37,589 --> 00:07:33,400

astronomical units a use from the Sun at

151

00:07:41,520 --> 00:07:37,599

perihelion to 50 a use from the Sun at

152

00:07:44,010 --> 00:07:41,530

aphelion surprisingly perhaps Pluto was

153

00:07:47,600 --> 00:07:44,020

actually closer to the Sun than was the

154

00:07:51,810 --> 00:07:47,610

planet Neptune from the years 1979 to

155

00:07:54,540 --> 00:07:51,820

1999 earth sky dot-org supplies a bunch

156

00:07:56,700 --> 00:07:54,550

of technical information here you can

157

00:07:59,999 --> 00:07:56,710

find it later if you want to at UFO

158

00:08:04,379 --> 00:08:00,009

headline news calm pluto by the way is

159

00:08:08,040 --> 00:08:04,389

locked into a 2.3 orbital resonance with

160

00:08:13,320 --> 00:08:08,050

Neptune so here comes the bottom line on

161

00:08:16,320 --> 00:08:13,330

October 25th and October 26th 2017 the

162

00:08:19,620 --> 00:08:16,330

waxing crescent moon shines in the same

163

00:08:23,430 --> 00:08:19,630

part of the sky as tiny fascinating

164

00:08:26,279 --> 00:08:23,440

Pluto we have a fascinating story to

165

00:08:29,070 --> 00:08:26,289

pick up again the threads we left off

166

00:08:32,250 --> 00:08:29,080

last week will weave into this week the

167

00:08:35,699 --> 00:08:32,260

Linda Cortile abduction case the

168

00:08:38,940 --> 00:08:35,709

Manhattan abduction case so to get us to

169

00:08:43,319 --> 00:08:38,950

the state of mind and a New York state

170

00:08:46,079 --> 00:08:43,329

of UFO mind let's go to Bainbridge New

171

00:08:48,930 --> 00:08:46,089

York it's an older sighting the date of

172

00:08:52,079 --> 00:08:48,940

this sighting is 2005 the date is

173

00:08:53,610 --> 00:08:52,089

October 9th our witness for some reason

174

00:08:58,230 --> 00:08:53,620

didn't report it till twin

175

00:09:00,390 --> 00:08:58,240

d-17 on the same date October 9th MUFON

176

00:09:04,070 --> 00:09:00,400

has issued a case number it's eight

177

00:09:07,140 --> 00:09:04,080

seven two three eight here's the summary

178

00:09:10,140 --> 00:09:07,150

glowing silver shape comes straight

179

00:09:13,920 --> 00:09:10,150

towards us very slowly then straight

180

00:09:16,470 --> 00:09:13,930

back very quickly under the categories

181

00:09:19,800 --> 00:09:16,480

that include citing specifics we find a

182

00:09:23,030 --> 00:09:19,810

listed viewing distance of 101 to 500

183

00:09:26,220 --> 00:09:23,040

feet the altitude was 500 feet or less

184

and the object shape is also described

187

00:09:37,740 --> 00:09:34,930

as other someone involved with this

188

00:09:41,519 --> 00:09:37,750

report sleuth down the weather archives

189

00:09:43,440 --> 00:09:41,529

the maximum temperature in 2005 over

190

00:09:46,380 --> 00:09:43,450

Bainbridge New York at the time of this

191

00:09:48,990 --> 00:09:46,390

event was maximum temperature of 51

192

00:09:51,810 --> 00:09:49,000

degrees Fahrenheit 11 degrees Celsius

193

00:09:55,590 --> 00:09:51,820

dropping down to a minimum of 43 degrees

194

00:09:58,230 --> 00:09:55,600

Fahrenheit six degrees Celsius maximum

195

00:10:01,110 --> 00:09:58,240

visibility six miles ten kilometers and

196

00:10:04,949 --> 00:10:01,120

the conditions indicate it was foggy and

197

00:10:08,070 --> 00:10:04,959

raining here is this remembered account

198

00:10:10,410 --> 00:10:08,080

I was with a friend and we had just

199

00:10:12,960 --> 00:10:10,420

gotten home from her family reunion that

200

00:10:15,690 --> 00:10:12,970

was about 11 p.m. so it was quite dark

201
00:10:18,960 --> 00:10:15,700
out her dad walked inside ahead of us

202
00:10:22,260 --> 00:10:18,970
and both of us then stopped and looked

203
00:10:24,600 --> 00:10:22,270
up I don't know why we did that because

204
00:10:27,990 --> 00:10:24,610
we didn't hear or see anything to make

205
00:10:31,140 --> 00:10:28,000
us turn around and look up above her

206
00:10:35,030 --> 00:10:31,150
barn was this bright light like a sliver

207
00:10:38,519 --> 00:10:35,040
in the sky I had no idea what it was as

208
00:10:42,269 --> 00:10:38,529
we stared at it it slowly very slowly

209
00:10:44,040 --> 00:10:42,279
got bigger and bigger it was hard to

210
00:10:46,650 --> 00:10:44,050
tell how far away this was in

211
00:10:50,340 --> 00:10:46,660
correlation to its size because it

212
00:10:53,070 --> 00:10:50,350
glowed in the strangest way it didn't

213
00:10:55,980 --> 00:10:53,080

blink nor did it have lights that I

214

00:10:59,010 --> 00:10:55,990

could see more like it was just made of

215

00:11:01,949 --> 00:10:59,020

light the shape was like a smooshed

216

00:11:04,860 --> 00:11:01,959

football kind of like if it were

217

00:11:07,240 --> 00:11:04,870

horizontal in the thinner it seemed to

218

00:11:09,760 --> 00:11:07,250

me that it was right in front of

219

00:11:13,030 --> 00:11:09,770

right above us it started out small

220

00:11:15,790 --> 00:11:13,040

above her barn then got very large as it

221

00:11:17,980 --> 00:11:15,800

traveled straight towards us and due to

222

00:11:20,920 --> 00:11:17,990

its coming straight towards us like that

223

00:11:23,380 --> 00:11:20,930

it seemed that it grew in size it didn't

224

00:11:26,470 --> 00:11:23,390

grow in size perhaps it could have been

225

00:11:28,360 --> 00:11:26,480

just the illusion at any rate it hovered

226

00:11:31,210 --> 00:11:28,370

in front of us for a little while and

227

00:11:33,670 --> 00:11:31,220

after a minute or so this thing zoomed

228

00:11:36,370 --> 00:11:33,680

straight backwards so far that it

229

00:11:37,090 --> 00:11:36,380

disappeared it was just too small to see

230

00:11:39,880 --> 00:11:37,100

anymore

231

00:11:42,280 --> 00:11:39,890

it was as if this thing zoomed back and

232

00:11:44,860 --> 00:11:42,290

blinked out of existence

233

00:11:47,800 --> 00:11:44,870

the speed with which it went backwards

234

00:11:50,890 --> 00:11:47,810

and how far away it got so quickly was

235

00:11:53,110 --> 00:11:50,900

like nothing I've ever seen before while

236

00:11:56,320 --> 00:11:53,120

I watched this scene I was awestruck I

237

00:11:59,620 --> 00:11:56,330

didn't feel anything at all I just

238

00:12:02,830 --> 00:11:59,630

watched this with no emotion I'm a very

239

00:12:04,960 --> 00:12:02,840

scared and cautious person but I just

240

00:12:07,440 --> 00:12:04,970

stood there and watch this with no

241

00:12:09,850 --> 00:12:07,450

feelings towards it whatsoever

242

00:12:12,280 --> 00:12:09,860

once it disappeared my friend turned

243

00:12:15,970 --> 00:12:12,290

towards me and said did you see that I

244

00:12:18,160 --> 00:12:15,980

replied oh thank God you saw it too we

245

00:12:20,260 --> 00:12:18,170

both preceded them to go inside and tell

246

00:12:22,620 --> 00:12:20,270

her father and he said oh you crazy

247

00:12:25,540 --> 00:12:22,630

girls you have quite the imaginations

248

00:12:29,470 --> 00:12:25,550

which made me angry because I needed

249

00:12:31,600 --> 00:12:29,480

validation after such a sight well then

250

00:12:34,329 --> 00:12:31,610

we went upstairs to bed she just falls

251
00:12:37,390 --> 00:12:34,339
right asleep my friend before she even

252
00:12:39,310 --> 00:12:37,400
hits the pillow I was up all night I

253
00:12:42,430 --> 00:12:39,320
waited for the Sun to rise before I

254
00:12:45,100 --> 00:12:42,440
could even close my eyes I was scared to

255
00:12:47,730 --> 00:12:45,110
death to look out the windows but also I

256
00:12:50,560 --> 00:12:47,740
was scared to not look out the windows

257
00:12:52,930 --> 00:12:50,570
it was a very nerve-wracking night for

258
00:12:57,460 --> 00:12:52,940
me plenty of hiding under the blankets I

259
00:13:00,070 --> 00:12:57,470
was just too scared to move yep just

260
00:13:02,590 --> 00:13:00,080
those crazy kids and those wild

261
00:13:06,010 --> 00:13:02,600
imaginings and this could explain why

262
00:13:09,340 --> 00:13:06,020
our witness held off on reporting for so

263
00:13:11,829 --> 00:13:09,350

long there did you feel that ripple

264

00:13:14,829 --> 00:13:11,839

around you that subtle shift in

265

00:13:17,230 --> 00:13:14,839

space-time a mild disruption in the

266

00:13:20,560 --> 00:13:17,240

force field perhaps well it's way back

267

00:13:21,160 --> 00:13:20,570

Wednesday part-and-parcel we're going to

268

00:13:23,939 --> 00:13:21,170

pick

269

00:13:28,079 --> 00:13:23,949

with part three of the Linda Cortile

270

00:13:29,759 --> 00:13:28,089

Manhattan abduction case in a nutshell

271

00:13:33,759 --> 00:13:29,769

November 30th

272

00:13:36,729 --> 00:13:33,769

1989 housewife and mother Linda Cortile

273

00:13:39,429 --> 00:13:36,739

later to call herself Linda Napolitano

274

00:13:43,479 --> 00:13:39,439

for reasons unknown to this broadcaster

275

00:13:46,689 --> 00:13:43,489

was abducted from her 12th storey

276

00:13:50,619 --> 00:13:46,699

Manhattan apartment bedroom window out

277

00:13:53,169 --> 00:13:50,629

into the night and up seen with a couple

278

00:13:56,769 --> 00:13:53,179

of extraterrestrials the classic gray

279

00:14:00,340 --> 00:13:56,779

shape on either side of her up and into

280

00:14:03,280 --> 00:14:00,350

a departing spacecraft who the witnesses

281

00:14:06,369 --> 00:14:03,290

were makes the case extraordinary author

282

00:14:09,729 --> 00:14:06,379

and artist Budd Hopkins famous hypnotist

283

00:14:11,829 --> 00:14:09,739

and UFO researcher made this case very

284

00:14:14,979 --> 00:14:11,839

well known in fact he called it the

285

00:14:18,189 --> 00:14:14,989

Manhattan abduction case and it's an

286

00:14:21,099 --> 00:14:18,199

interesting read lots of elements in

287

00:14:23,189 --> 00:14:21,109

this lots of people crying hoaxes we

288

00:14:26,769 --> 00:14:23,199

take the story now in a slight

289

00:14:29,799 --> 00:14:26,779

divergence our excellent supplier of a

290

00:14:31,960 --> 00:14:29,809

treasure trove of information our man in

291

00:14:35,049 --> 00:14:31,970

the high castle from his secure and

292

00:14:37,960 --> 00:14:35,059

undisclosed location provided us with

293

00:14:41,169 --> 00:14:37,970

this information a possible link to

294

00:14:43,619 --> 00:14:41,179

President George Bush who better to

295

00:14:47,249 --> 00:14:43,629

provide presidential UFO information

296

00:14:52,109 --> 00:14:47,259

than Grant Cameron and his site called

297

00:14:54,819 --> 00:14:52,119

presidential UFO calm and he writes of

298

00:14:57,369 --> 00:14:54,829

all the presidents that have been faced

299

00:14:59,439 --> 00:14:57,379

with a UFO problem George Bush seemed on

300

00:15:01,780 --> 00:14:59,449

the surface to be the best qualified

301
00:15:04,329 --> 00:15:01,790
president to have been given the secret

302
00:15:06,850 --> 00:15:04,339
he spent a year as Director of Central

303
00:15:09,159 --> 00:15:06,860
Intelligence the head of the entire

304
00:15:13,569 --> 00:15:09,169
United States intelligence community for

305
00:15:15,909 --> 00:15:13,579
President Ford then as DCI director of

306
00:15:17,710 --> 00:15:15,919
Central Intelligence he was in charge of

307
00:15:19,689 --> 00:15:17,720
giving intelligence briefings to Jimmy

308
00:15:23,379 --> 00:15:19,699
Carter during his transition to the

309
00:15:27,129 --> 00:15:23,389
presidency in 1976 who better to know

310
00:15:29,949 --> 00:15:27,139
the ultimate top secret about UFOs than

311
00:15:32,979 --> 00:15:29,959
the man the CIA named the headquarters

312
00:15:34,639 --> 00:15:32,989
compound in Langley Virginia the George

313
00:15:37,939 --> 00:15:34,649

Bush Center for

314

00:15:41,299 --> 00:15:37,949

intelligence the CIA spoke glowingly of

315

00:15:43,579 --> 00:15:41,309

him quote CIA's relationship with Bush

316

00:15:45,559 --> 00:15:43,589

was undoubtedly the most productive it

317

00:15:48,290 --> 00:15:45,569

had enjoyed with any of the nine

318

00:15:51,530 --> 00:15:48,300

presidents it served since the agency's

319

00:15:53,139 --> 00:15:51,540

founding in 1947 President Bush was

320

00:15:57,379 --> 00:15:53,149

uniquely and extraordinarily

321

00:16:00,019 --> 00:15:57,389

well-informed end quotes the UFO

322

00:16:02,749 --> 00:16:00,029

incidents in the Bush presidency were

323

00:16:04,669 --> 00:16:02,759

few and far between this lack of

324

00:16:07,609 --> 00:16:04,679

disclosure may have gone back to George

325

00:16:10,639 --> 00:16:07,619

Bush's term as the head of the CIA for

326

00:16:12,739 --> 00:16:10,649

Gerald Ford Bush had learned the reasons

327

00:16:14,739 --> 00:16:12,749

for keeping secrets and remained

328

00:16:18,530 --> 00:16:14,749

tight-lipped about the UFO situation

329

00:16:20,600 --> 00:16:18,540

while President part of the lack of UFO

330

00:16:22,460 --> 00:16:20,610

incidents was undoubtedly due to the

331

00:16:25,400 --> 00:16:22,470

fact that President Bush only served one

332

00:16:28,549 --> 00:16:25,410

term in the White House the addition of

333

00:16:30,530 --> 00:16:28,559

Dan Quayle as vice president only added

334

00:16:33,319 --> 00:16:30,540

to the apparent weakness of the

335

00:16:35,949 --> 00:16:33,329

presidency rights Cameron apparently

336

00:16:39,410 --> 00:16:35,959

grant Cameron contacted the bush library

337

00:16:42,739 --> 00:16:39,420

for response on this they said only

338

00:16:45,499 --> 00:16:42,749

there was one UFO document in the entire

339

00:16:48,619 --> 00:16:45,509

presidential collection does this mean

340

00:16:51,259 --> 00:16:48,629

that the UFO phenomena went away during

341

00:16:53,809 --> 00:16:51,269

the Bush years or that Bush was able to

342

00:16:56,720 --> 00:16:53,819

deflect all UFO paperwork to other

343

00:16:59,569 --> 00:16:56,730

agencies such as the Air Force NASA or

344

00:17:02,989 --> 00:16:59,579

highly classified black budget programs

345

00:17:05,809 --> 00:17:02,999

set up specifically to deal with the UFO

346

00:17:07,340 --> 00:17:05,819

situation away from those probing eyes

347

00:17:10,039 --> 00:17:07,350

of the public

348

00:17:13,069 --> 00:17:10,049

and now here grant Cameron weaves back

349

00:17:15,279 --> 00:17:13,079

into our narrative regarding Linda

350

00:17:18,949 --> 00:17:15,289

Cortile and now calling her Linda

351
00:17:21,590 --> 00:17:18,959
Napolitano perhaps one of the strangest

352
00:17:23,960 --> 00:17:21,600
presidential UFO stories comes from

353
00:17:25,990 --> 00:17:23,970
circumstances surrounding and abduction

354
00:17:29,139 --> 00:17:26,000
of a lady by the name of Linda

355
00:17:33,019 --> 00:17:29,149
Napolitano that occurred in November of

356
00:17:37,070 --> 00:17:33,029
1989 and disclosures made about that

357
00:17:39,200 --> 00:17:37,080
case by dr. Steven Greer in order to

358
00:17:41,750 --> 00:17:39,210
understand the story one must review

359
00:17:45,019 --> 00:17:41,760
what dr. Greer's worldview regarding

360
00:17:48,560 --> 00:17:45,029
extraterrestrial visitations is and with

361
00:17:50,659 --> 00:17:48,570
The Associated abduction phenomena

362
00:17:53,299 --> 00:17:50,669
career has made it quite clear he does

363
00:17:56,240 --> 00:17:53,309

not agree with the interpretation of the

364

00:17:59,060 --> 00:17:56,250

abduction phenomena as it is written up

365

00:18:01,279 --> 00:17:59,070

by a number of researchers researchers

366

00:18:04,190 --> 00:18:01,289

who have studied that very phenomena

367

00:18:07,940 --> 00:18:04,200

this view expressed by ufologists such

368

00:18:11,149 --> 00:18:07,950

as Budd Hopkins contends that aliens are

369

00:18:14,870 --> 00:18:11,159

abducting humans as part of some sort of

370

00:18:17,029 --> 00:18:14,880

genetic program dr. Steven Greer on the

371

00:18:18,799 --> 00:18:17,039

other hand believes that a renegade

372

00:18:21,680 --> 00:18:18,809

quote black-budget

373

00:18:25,669 --> 00:18:21,690

and quotes group can explain almost all

374

00:18:27,769 --> 00:18:25,679

of these quote abductions end quotes dr.

375

00:18:30,649 --> 00:18:27,779

Greer alleges this is done using

376

00:18:33,440 --> 00:18:30,659

deceptive psychological warfare on the

377

00:18:36,289 --> 00:18:33,450

American people he maintains that the

378

00:18:38,560 --> 00:18:36,299

group doing this possesses the developed

379

00:18:42,350 --> 00:18:38,570

technology to make members of the public

380

00:18:44,749 --> 00:18:42,360

believe that evil aliens have abducted

381

00:18:47,690 --> 00:18:44,759

them or that they have talked to God for

382

00:18:51,399 --> 00:18:47,700

instance or anything else they choose to

383

00:18:54,470 --> 00:18:51,409

have them believe he said quote we have

384

00:18:56,779 --> 00:18:54,480

advanced black-budget covert projects

385

00:19:00,129 --> 00:18:56,789

that operate outside of any

386

00:19:02,139 --> 00:19:00,139

constitutional oversight that have taken

387

00:19:05,060 --> 00:19:02,149

extraterrestrial materials and

388

00:19:08,240 --> 00:19:05,070

biological matter and created scenarios

389

00:19:11,090 --> 00:19:08,250

using those to make it look like they

390

00:19:14,299 --> 00:19:11,100

are extraterrestrial events that are

391

00:19:17,779 --> 00:19:14,309

going on which in fact they are not they

392

00:19:20,419 --> 00:19:17,789

are 100 percent human in origin for

393

00:19:23,690 --> 00:19:20,429

example the greys that I know that exist

394

00:19:27,110 --> 00:19:23,700

or artificial biological life-forms that

395

00:19:29,869 --> 00:19:27,120

are made out of a facility in New Mexico

396

00:19:33,560 --> 00:19:29,879

a facility named Dulce which is

397

00:19:37,070 --> 00:19:33,570

connected underground to Los Alamos and

398

00:19:39,289 --> 00:19:37,080

quotes again that's grant Cameron

399

00:19:43,190 --> 00:19:39,299

quoting the words of dr. Steven Greer

400

00:19:46,310 --> 00:19:43,200

who ends with this quote there is an

401
00:19:50,029 --> 00:19:46,320
attempt in my opinion to export this

402
00:19:52,850 --> 00:19:50,039
perceived threat military spending in

403
00:19:55,759 --> 00:19:52,860
the world just hit a trillion dollars to

404
00:19:59,930 --> 00:19:55,769
grow it in the next millennia you've got

405
00:20:02,580 --> 00:19:59,940
to have an enemy off planet instead of

406
00:20:04,890 --> 00:20:02,590
an evil empire being the Soviet Union

407
00:20:07,200 --> 00:20:04,900
there has been an attempt to gradually

408
00:20:10,310 --> 00:20:07,210
indoctrinate and conditioned people to

409
00:20:12,779 --> 00:20:10,320
be afraid of and to hate everything

410
00:20:18,870 --> 00:20:12,789
extraterrestrial so that there could be

411
00:20:22,110 --> 00:20:18,880
a military justification end quotes now

412
00:20:23,970 --> 00:20:22,120
here's grant Cameron again the power to

413
00:20:27,029 --> 00:20:23,980

abduct is according to Greer the

414

00:20:29,730 --> 00:20:27,039

ultimate trump card to hold the

415

00:20:33,029 --> 00:20:29,740

president or anyone else in power from

416

00:20:36,360 --> 00:20:33,039

revealing the UFO secret here's what

417

00:20:39,510 --> 00:20:36,370

Steven Greer said to the legendary radio

418

00:20:42,360 --> 00:20:39,520

hero art bell quote it can be made very

419

00:20:45,360 --> 00:20:42,370

clear to them that if they don't the

420

00:20:49,139 --> 00:20:45,370

public play along the trump card can be

421

00:20:51,090 --> 00:20:49,149

played end quotes a quick aside gentlest

422

00:20:53,639 --> 00:20:51,100

neurs this article was written previous

423

00:20:57,049 --> 00:20:53,649

to the current administration the word

424

00:21:00,200 --> 00:20:57,059

trump is the original usage of that word

425

00:21:03,029 --> 00:21:00,210

here is grant Cameron's nutshell

426
00:21:04,049 --> 00:21:03,039
observation regarding the incident in

427
00:21:07,220 --> 00:21:04,059
New York City

428
00:21:11,000 --> 00:21:07,230
Linda Napolitano quartile and

429
00:21:14,159 --> 00:21:11,010
peripherally her son on November 30th

430
00:21:17,279 --> 00:21:14,169
1989 an incident occurred in New York

431
00:21:20,490 --> 00:21:17,289
City involving Linda Napolitano and her

432
00:21:22,380 --> 00:21:20,500
son she recalled being abducted from her

433
00:21:24,299 --> 00:21:22,390
12th floor apartment building on the

434
00:21:28,019 --> 00:21:24,309
Lower East Side of Manhattan in New York

435
00:21:30,000 --> 00:21:28,029
City Budd Hopkins a New York City UFO

436
00:21:32,870 --> 00:21:30,010
researcher who had worked with hundreds

437
00:21:35,909 --> 00:21:32,880
of abductees investigated the case

438
00:21:38,130 --> 00:21:35,919

during the course of that investigation

439

00:21:41,010 --> 00:21:38,140

Hopkins learned that Linda had received

440

00:21:43,950 --> 00:21:41,020

correspondence from a man who claimed to

441

00:21:45,960 --> 00:21:43,960

have witnessed the abduction the man

442

00:21:49,110 --> 00:21:45,970

claimed his car had stalled two blocks

443

00:21:51,930 --> 00:21:49,120

away and that he and two men with him

444

00:21:54,870 --> 00:21:51,940

had witnessed the whole event about 3:30

445

00:21:57,930 --> 00:21:54,880

in the morning this man who wrote Linda

446

00:21:59,940 --> 00:21:57,940

and Hopkins about the event turned out

447

00:22:02,789 --> 00:21:59,950

to be the United Nations

448

00:22:05,880 --> 00:22:02,799

secretary-general Javier Perez de

449

00:22:07,649 --> 00:22:05,890

Cuellar era's de Cuellar was in New York

450

00:22:10,380 --> 00:22:07,659

City at the time traveling from a

451
00:22:13,799 --> 00:22:10,390
heliport into the city with his two

452
00:22:16,560 --> 00:22:13,809
Secret Service men gentle listeners we

453
00:22:20,580 --> 00:22:16,570
know these Secret Service men already

454
00:22:23,249 --> 00:22:20,590
as Richard and Dan after further

455
00:22:26,419 --> 00:22:23,259
investigation Budd Hopkins determined

456
00:22:30,710 --> 00:22:26,429
that Perez de Cuellar was not a witness

457
00:22:33,659 --> 00:22:30,720
but he had himself been abducted as well

458
00:22:35,820 --> 00:22:33,669
this fact was later confirmed by Linda's

459
00:22:39,299 --> 00:22:35,830
son who identified the secretary-general

460
00:22:42,389 --> 00:22:39,309
from 20 photographs of men shown to him

461
00:22:45,419 --> 00:22:42,399
by Budd Hopkins as the man who was with

462
00:22:48,659 --> 00:22:45,429
him and comforted him during the

463
00:22:51,029 --> 00:22:48,669

abduction but Hopkins contacted Perez de

464

00:22:54,240 --> 00:22:51,039

Cuellar in person about the letters he

465

00:22:58,350 --> 00:22:54,250

sent to Linda and himself and de Cuellar

466

00:23:00,869 --> 00:22:58,360

did not deny his involvement at the time

467

00:23:02,940 --> 00:23:00,879

Hopkins declined to name Perez de

468

00:23:05,100 --> 00:23:02,950

Cuellar in his book the book that

469

00:23:07,919 --> 00:23:05,110

detailed the abduction entitled

470

00:23:10,950 --> 00:23:07,929

witnessed the true story of the Brooklyn

471

00:23:13,889 --> 00:23:10,960

Bridge UFO abductions he said quote I

472

00:23:14,310 --> 00:23:13,899

feel a great deal of pity for him end

473

00:23:18,509 --> 00:23:14,320

quotes

474

00:23:21,529 --> 00:23:18,519

later in 1996 under pressure from the

475

00:23:24,539 --> 00:23:21,539

Nova television show to make it public

476
00:23:28,610 --> 00:23:24,549
Javier Perez de Cuellar then a private

477
00:23:32,159 --> 00:23:28,620
citizen denied that he had been abducted

478
00:23:34,799 --> 00:23:32,169
the next part of the story is provided

479
00:23:37,860 --> 00:23:34,809
again by dr. Steven Greer who himself

480
00:23:41,100 --> 00:23:37,870
has briefed United Nations Secretary

481
00:23:44,519 --> 00:23:41,110
General's about the UFO extraterrestrial

482
00:23:47,639 --> 00:23:44,529
intelligence situation Grier however

483
00:23:49,710 --> 00:23:47,649
fully believed that the incident with

484
00:23:53,310 --> 00:23:49,720
the secretary-general was not an

485
00:23:57,180 --> 00:23:53,320
abduction but a quote covert kidnapping

486
00:23:58,830 --> 00:23:57,190
and quote of the secretary-general beer

487
00:24:01,049 --> 00:23:58,840
received his account of the incident

488
00:24:03,990 --> 00:24:01,059

from a head of state who was involved

489

00:24:06,570 --> 00:24:04,000

with Perez de Cuellar at the time this

490

00:24:10,200 --> 00:24:06,580

official described to Greer what had

491

00:24:12,419 --> 00:24:10,210

happened using these words quote he was

492

00:24:15,480 --> 00:24:12,429

working with a number of other world

493

00:24:18,659 --> 00:24:15,490

leaders to come out with exactly what si

494

00:24:22,049 --> 00:24:18,669

said he is attempting to do now and he

495

00:24:24,029 --> 00:24:22,059

was made to disappear as it were in a

496

00:24:26,909 --> 00:24:24,039

faked or a hoax

497

00:24:29,250 --> 00:24:26,919

abduction attempt then he was told on

498

00:24:29,860 --> 00:24:29,260

board the craft that he should cease and

499

00:24:31,270 --> 00:24:29,870

desist from

500

00:24:34,690 --> 00:24:31,280

any further attempt to bring this

501
00:24:37,799 --> 00:24:34,700
information out if he and other leaders

502
00:24:40,350 --> 00:24:37,809
didn't all of them would be abducted

503
00:24:46,240 --> 00:24:40,360
Budd Hopkins thinks it was an abduction

504
00:24:48,040 --> 00:24:46,250
it was not an abduction and quotes and

505
00:24:49,960 --> 00:24:48,050
an article dr. Steven Greer wrote

506
00:24:52,870 --> 00:24:49,970
detailing his view of the abduction

507
00:24:55,240 --> 00:24:52,880
phenomena again he spoke of the de

508
00:24:57,970 --> 00:24:55,250
Cuellar abduction without mentioning

509
00:25:00,640 --> 00:24:57,980
Perez de Cuellar name specifically in

510
00:25:03,460 --> 00:25:00,650
the article he added that the event had

511
00:25:07,000 --> 00:25:03,470
so panicked the Bush White House that

512
00:25:10,090 --> 00:25:07,010
the disclosure plans for the UFO secret

513
00:25:13,180 --> 00:25:10,100

well those plans were immediately called

514

00:25:18,310 --> 00:25:13,190

off here's what dr. Steven Greer wrote

515

00:25:21,070 --> 00:25:18,320

of that quote specifically in the alien

516

00:25:24,880 --> 00:25:21,080

abduction of a certain past major world

517

00:25:27,490 --> 00:25:24,890

leader this was an orchestrated event by

518

00:25:30,040 --> 00:25:27,500

covert forces attempting to end a

519

00:25:33,160 --> 00:25:30,050

planned disclosure on this subject by

520

00:25:36,570 --> 00:25:33,170

this leader the United States president

521

00:25:38,799 --> 00:25:36,580

the head of the USSR and others a

522

00:25:42,190 --> 00:25:38,809

first-hand witness who is friends with

523

00:25:44,650 --> 00:25:42,200

this world leader and is himself a head

524

00:25:47,500 --> 00:25:44,660

of state has related the details of this

525

00:25:50,260 --> 00:25:47,510

abduction to me personally it was an

526

00:25:52,690 --> 00:25:50,270

effective if horrible attempt to

527

00:25:54,760 --> 00:25:52,700

frighten these world leaders into ending

528

00:25:57,340 --> 00:25:54,770

their plans to disclose the UFO

529

00:26:00,520 --> 00:25:57,350

information to the world at the end of

530

00:26:03,190 --> 00:26:00,530

the Cold War both this world leader and

531

00:26:05,560 --> 00:26:03,200

the head of state and friend who related

532

00:26:08,560 --> 00:26:05,570

this to me did not know that this event

533

00:26:11,470 --> 00:26:08,570

was done by covert human forces they

534

00:26:15,070 --> 00:26:11,480

themselves thought this to be an actual

535

00:26:17,500 --> 00:26:15,080

alien abduction and the message offered

536

00:26:21,340 --> 00:26:17,510

to this world leader by these hoaxed

537

00:26:23,860 --> 00:26:21,350

aliens quote cease your plans to

538

00:26:26,130 --> 00:26:23,870

disclose our presence to the world or we

539

00:26:30,490 --> 00:26:26,140

can and will abduct every world leader

540

00:26:33,610 --> 00:26:30,500

involved end quotes how convenient this

541

00:26:35,620 --> 00:26:33,620

I am told blew up quote like an atomic

542

00:26:38,740 --> 00:26:35,630

bomb in the White House and quotes and

543

00:26:42,220 --> 00:26:38,750

all plans to effect a disclosure on the

544

00:26:43,920 --> 00:26:42,230

subject were ended forthwith and forever

545

00:26:47,320 --> 00:26:43,930

end quotes

546

00:26:50,830 --> 00:26:47,330

now grant Cameron goes into the other

547

00:26:52,720 --> 00:26:50,840

side the rest of the story perhaps

548

00:26:55,750 --> 00:26:52,730

looking at it from a different

549

00:26:59,200 --> 00:26:55,760

perspective after look at all the sides

550

00:27:01,780 --> 00:26:59,210

he writes in checking the Greer version

551
00:27:04,720 --> 00:27:01,790
of the de cuéllar abduction a series of

552
00:27:07,270 --> 00:27:04,730
events were uncovered that indicated

553
00:27:09,880 --> 00:27:07,280
that the Greer story no matter how

554
00:27:13,300 --> 00:27:09,890
bizarre it seems at first glance might

555
00:27:16,060 --> 00:27:13,310
actually be true had there been a

556
00:27:17,980 --> 00:27:16,070
worldwide plan to release the UFO secret

557
00:27:20,590 --> 00:27:17,990
following the collapse of the Soviet

558
00:27:24,550 --> 00:27:20,600
Union and the Cold War was there an

559
00:27:27,070 --> 00:27:24,560
effort by someone to stop it so grant

560
00:27:31,120 --> 00:27:27,080
Cameron asks us to consider the

561
00:27:33,310 --> 00:27:31,130
following point one on the day of the de

562
00:27:36,460 --> 00:27:33,320
cuéllar abduction George Bush left

563
00:27:40,810 --> 00:27:36,470

Washington for Malta and the first post

564

00:27:43,210 --> 00:27:40,820

Cold War Summit point to the evening of

565

00:27:46,300 --> 00:27:43,220

the abduction only three hours before

566

00:27:49,000 --> 00:27:46,310

Linda Cortile Linda Napolitano's 3:00

567

00:27:51,940 --> 00:27:49,010

a.m. abduction Canadian Prime Minister

568

00:27:54,520 --> 00:27:51,950

Brian Mulroney was meeting privately

569

00:27:56,770 --> 00:27:54,530

with George Bush at the White House

570

00:27:59,080 --> 00:27:56,780

it seems Brian Mulroney had just

571

00:28:01,780 --> 00:27:59,090

returned from the Soviet Union and a

572

00:28:04,840 --> 00:28:01,790

meeting with Gorbachev his purpose in

573

00:28:09,730 --> 00:28:04,850

meeting with Bush was to brief him about

574

00:28:12,430 --> 00:28:09,740

his meeting with Gorbachev 0.3 rumors

575

00:28:14,770 --> 00:28:12,440

have Brian Mulroney in New York City

576

00:28:18,190 --> 00:28:14,780

following his visit with George Bush

577

00:28:21,280 --> 00:28:18,200

there were apparently five cars in that

578

00:28:24,520 --> 00:28:21,290

de cuéllar motorcade and there is at

579

00:28:26,290 --> 00:28:24,530

least one rumor that has Mulroney in

580

00:28:29,290 --> 00:28:26,300

that motorcade

581

00:28:31,000 --> 00:28:29,300

but Hopkins stated when asked he had

582

00:28:34,170 --> 00:28:31,010

never heard about the Canadian Prime

583

00:28:37,870 --> 00:28:34,180

Minister being in the motorcade and

584

00:28:40,780 --> 00:28:37,880

point four there is information that the

585

00:28:44,530 --> 00:28:40,790

de cuéllar motorcade was heading for a

586

00:28:46,600 --> 00:28:44,540
