exciting episode of Supernatural girls

13
00:01:18,139 --> 00:01:15,180

radio I am your host Patricia Baker and

14

00:01:21,109 --> 00:01:18,149

I am here with my co-host all the way

15

00:01:24,649 --> 00:01:21,119

from sunny Tucson miss Patricia Kirkman

16

00:01:27,109 --> 00:01:24,659

how are you PK absolutely fabulous our

17

00:01:32,620 --> 00:01:27,119

weather has turned cool enough I could

18

00:01:36,680 --> 00:01:33,980

yes

19

00:01:39,380 --> 00:01:36,690

Wow Wow Wow I'll tell you what it's

20

00:01:42,560 --> 00:01:39,390

gotten a little too chilly here I have

21

00:01:43,969 --> 00:01:42,570

my little ski parka on today in my snow

22

00:01:47,600 --> 00:01:43,979

boots even though thank God we didn't

23

00:01:49,399 --> 00:01:47,610

have any snow it's chilly I hear I heard

24

00:01:51,980 --> 00:01:49,409

a rumor it's gonna warm up by the end of

25

00:01:55,399 --> 00:01:51,990

the week I'm hoping and praying that it

26
00:01:57,790 --> 00:01:55,409
does but anyways we have got a great

27
00:02:02,839 --> 00:01:57,800
show for everybody tonight do we not

28
00:02:06,050 --> 00:02:02,849
yeah yes we've got Carl Higdon and his

29
00:02:08,930 --> 00:02:06,060
lovely wife Marjorie and we had a few

30
00:02:10,699 --> 00:02:08,940
technical difficulties with the video so

31
00:02:12,229 --> 00:02:10,709
we're gonna start with the phone who

32
00:02:14,780 --> 00:02:12,239
knows maybe we'll be able to get the

33
00:02:16,460 --> 00:02:14,790
video working at some point but they are

34
00:02:21,260 --> 00:02:16,470
they just the most adorable couple

35
00:02:24,440 --> 00:02:21,270
aren't they oh they're far too sweet

36
00:02:26,809 --> 00:02:24,450
yes very sweet and they have the most

37
00:02:27,920 --> 00:02:26,819
amazing story to tell is it a real story

38
00:02:30,290 --> 00:02:27,930

it's a true story

39

00:02:32,720 --> 00:02:30,300

with real evidence everybody and we are

40

00:02:34,400 --> 00:02:32,730

lucky enough to have them on this show

41

00:02:38,240 --> 00:02:34,410

and this is all thanks to one of our

42

00:02:40,760 --> 00:02:38,250

former guests Leo sprinkle Leo is the

43

00:02:43,220 --> 00:02:40,770

one who told us about this amazing case

44

00:02:45,830 --> 00:02:43,230

and he is close friends also with

45

00:02:48,559 --> 00:02:45,840

Marjorie and Carl and he said these

46

00:02:51,500 --> 00:02:48,569

people have an incredible case it's not

47

00:02:53,150 --> 00:02:51,510

talked about much and it's really too

48

00:02:57,500 --> 00:02:53,160

bad it isn't because I think it's one of

49

00:03:00,170 --> 00:02:57,510

the absolute best UFO abduction cases

50

00:03:02,390 --> 00:03:00,180

ever and why I'm saying that and you

51
00:03:05,479 --> 00:03:02,400
know this PK it's because the evidence

52
00:03:07,250 --> 00:03:05,489
it's just I mean you just can't turn

53
00:03:09,500 --> 00:03:07,260
away from the evidence the evidence is

54
00:03:11,420 --> 00:03:09,510
physical and it's there what do you

55
00:03:12,470 --> 00:03:11,430
think about this absolutely

56
00:03:14,809 --> 00:03:12,480
mind-boggling

57
00:03:17,110 --> 00:03:14,819
I could not believe it as I going

58
00:03:20,059 --> 00:03:17,120
through this and I'm just fascinated

59
00:03:23,059 --> 00:03:20,069
absolutely fascinated by this I can't

60
00:03:26,000 --> 00:03:23,069
wait to have Carl tell us about his

61
00:03:28,160 --> 00:03:26,010
adventure and Marjorie tawdry as well

62
00:03:32,930 --> 00:03:28,170
because she got the she got the scare

63
00:03:35,539 --> 00:03:32,940

side yeah where the heck are husband

64

00:03:37,250 --> 00:03:35,549

went so yes so we're gonna be talking to

65

00:03:40,190 --> 00:03:37,260

these lovely folks in just a couple of

66

00:03:41,720 --> 00:03:40,200

minutes but first pk we have to find out

67

00:03:43,759 --> 00:03:41,730

a little bit about the numbers what's

68

00:03:47,420 --> 00:03:43,769

going on we've had craziness again in

69

00:03:49,220 --> 00:03:47,430

New York City yes firstly you've got to

70

00:03:51,229 --> 00:03:49,230

remember this is that our month change

71

00:03:53,089 --> 00:03:51,239

so this is a new month it's a universal

72

00:03:56,990 --> 00:03:53,099

three month and it's all about

73

00:03:59,990 --> 00:03:57,000

communications creativity and everything

74

00:04:02,030 --> 00:04:00,000

going crazy from the outside so what's

75

00:04:03,770 --> 00:04:02,040

happening is everybody's got something

76

00:04:04,849 --> 00:04:03,780

to say something to do and they don't

77

00:04:08,569 --> 00:04:04,859

know what to do about it

78

00:04:11,949 --> 00:04:08,579

but it is a wonderful time if you pay

79

00:04:14,030 --> 00:04:11,959

attention there is a lot to share

80

00:04:17,330 --> 00:04:14,040

communications of all forms are going to

81

00:04:19,009 --> 00:04:17,340

go out we're going to find out that the

82

00:04:22,279 --> 00:04:19,019

weak link this month is going to deal

83

00:04:23,960 --> 00:04:22,289

with the throat and lungs because you

84

00:04:27,409 --> 00:04:23,970

will find that if you don't speak your

85

00:04:30,110 --> 00:04:27,419

truth something may be a little raspy or

86

00:04:33,520 --> 00:04:30,120

if you start getting a sore throat stop

87

00:04:36,800 --> 00:04:33,530

and think what did I not say that I was

88

00:04:39,409 --> 00:04:36,810

okay so speak your truth or you're going

89

00:04:43,460 --> 00:04:39,419

to end up with some kind of illness sore

90

00:04:46,070 --> 00:04:43,470

throat coughing something like that we

91

00:04:48,170 --> 00:04:46,080

don't want that nobody wants that

92

00:04:50,450 --> 00:04:48,180

but the nice thing about this month is

93

00:04:53,540 --> 00:04:50,460

the creativity and the communication

94

00:04:56,210 --> 00:04:53,550

abilities are very good can be very

95

00:04:59,210 --> 00:04:56,220

scattered but there's a luck factor that

96

00:05:01,850 --> 00:04:59,220

goes with it so if you get that inkling

97

00:05:04,339 --> 00:05:01,860

to baby take a flyer on something this

98

00:05:06,500 --> 00:05:04,349

month by all means do so stand a better

99

00:05:08,360 --> 00:05:06,510

chance of winning this month that that

100

00:05:11,450 --> 00:05:08,370

most threes and fives are always have a

101
00:05:14,029 --> 00:05:11,460
winning element to them time to buy the

102
00:05:15,500 --> 00:05:14,039
lottery tickets that's right I was going

103
00:05:19,640 --> 00:05:15,510
to stop on the way home but I had to get

104
00:05:23,000 --> 00:05:19,650
home to take a look at you look at that

105
00:05:24,770 --> 00:05:23,010
how sweet well we we have some great

106
00:05:25,810 --> 00:05:24,780
stories on our Facebook page again I

107
00:05:27,550 --> 00:05:25,820
want to

108
00:05:29,440 --> 00:05:27,560
everybody to make a visit over there

109
00:05:32,350 --> 00:05:29,450
because you've got some really unusual

110
00:05:34,240 --> 00:05:32,360
stories about men in black we've got

111
00:05:36,700 --> 00:05:34,250
some more UFO sightings that have come

112
00:05:39,190 --> 00:05:36,710
around it's a lot of UFO sites I mean

113
00:05:40,210 --> 00:05:39,200

more than ever before I was basing this

114

00:05:41,740 --> 00:05:40,220

remember this is all about

115

00:05:45,850 --> 00:05:41,750

communications it's going to be coming

116

00:05:49,300 --> 00:05:45,860

up this month well maybe this again huh

117

00:05:54,490 --> 00:05:49,310

about time yes I'm ready

118

00:05:56,470 --> 00:05:54,500

thank you Georgie's on the show it's

119

00:05:58,120 --> 00:05:56,480

time we got to start interviewing the

120

00:05:59,740 --> 00:05:58,130

aliens you know we're interviewing the

121

00:06:02,290 --> 00:05:59,750

abductees the people that have these

122

00:06:04,090 --> 00:06:02,300

scary experiences but I think it's not

123

00:06:07,030 --> 00:06:04,100

gonna be the alien so open invitation

124

00:06:09,520 --> 00:06:07,040

guys and gals out there in cosmic space

125

00:06:10,840 --> 00:06:09,530

so yeah I think it's time to find out

126

00:06:13,060 --> 00:06:10,850

what they have to say they can come down

127

00:06:15,940 --> 00:06:13,070

here and have a seat next to me or you

128

00:06:17,710 --> 00:06:15,950

and will we'll have a chat I think our

129

00:06:19,630 --> 00:06:17,720

audience would enjoy it and what about

130

00:06:21,730 --> 00:06:19,640

you what do you think I think that's a

131

00:06:23,260 --> 00:06:21,740

great idea and you know who you're

132

00:06:26,140 --> 00:06:23,270

talking about all the things coming up

133

00:06:28,570 --> 00:06:26,150

this month because of the creative side

134

00:06:31,690 --> 00:06:28,580

we're talking about the dreams and

135

00:06:34,330 --> 00:06:31,700

dreaming and what yes with dreams I

136

00:06:36,250 --> 00:06:34,340

think that is excellent not for people

137

00:06:39,010 --> 00:06:36,260

to get in touch with so thank you and

138

00:06:40,600 --> 00:06:39,020

it's a little bit more about that yes I

139

00:06:42,940 --> 00:06:40,610

think people should get in touch with me

140

00:06:44,320 --> 00:06:42,950

if they want to do any any work on your

141

00:06:46,660 --> 00:06:44,330

dreams at all if you want to get a

142

00:06:48,520 --> 00:06:46,670

little deeper into these levels of

143

00:06:51,400 --> 00:06:48,530

consciousness then this is the way to do

144

00:06:54,040 --> 00:06:51,410

dreaming is your ticket I'll be happy to

145

00:06:56,140 --> 00:06:54,050

help anybody who wants to do that kind

146

00:06:59,290 --> 00:06:56,150

of work and learn more about it personal

147

00:07:01,270 --> 00:06:59,300

symbols universal symbols this is what

148

00:07:02,800 --> 00:07:01,280

I've done for so many years and I love

149

00:07:06,670 --> 00:07:02,810

it it's one of my most favorite things

150

00:07:08,530 --> 00:07:06,680

to do and also to visit you for the

151

00:07:11,410 --> 00:07:08,540

numbers if you want to know what your

152

00:07:13,660 --> 00:07:11,420

numerology looks like then Patricia

153

00:07:17,470 --> 00:07:13,670

Kirkman comm that's where you want to go

154

00:07:19,450 --> 00:07:17,480

156

00:07:23,260 --> 00:07:20,690

it's gonna look like for you in the

157

00:07:25,750 --> 00:07:23,270

coming year and certainly the energy has

158

00:07:28,240 --> 00:07:25,760

been wild and so it's good to get a hint

159

00:07:30,820 --> 00:07:28,250

on it know how to handle your own energy

160

00:07:32,830 --> 00:07:30,830

as you move forward and he won't dream

161

00:07:34,900 --> 00:07:32,840

180

00:08:23,800 --> 00:08:21,710

181

00:08:26,560 --> 00:08:23,810

tonight and we've not great yes we have

184

00:08:34,300 --> 00:08:32,690

Marjorie and Karl Higden and we're going

185

00:08:36,310 --> 00:08:34,310

to bring them on the show and we're

186

00:08:39,159 --> 00:08:36,320

going to start with Marjorie's account

187

00:08:41,710 --> 00:08:39,169

of what happened the day that her

188

00:08:42,969 --> 00:08:41,720

husband went hunting and the dates just

189

00:08:47,560 --> 00:08:42,979

so everybody knows that we're talking

190

00:08:51,550 --> 00:08:47,570

about this happened on October 25th 1974

191

00:08:53,800 --> 00:08:51,560

and Carl was 41 years old at the time he

192

00:08:58,420 --> 00:08:53,810

was an oil well driller he had the day

193

00:09:01,360 --> 00:08:58,430

off he decided to go elk hunting so at

194

00:09:04,150 --> 00:09:01,370

home was his lovely wife Marjorie and

195

00:09:05,710 --> 00:09:04,160

their four children and we're gonna pick

196

00:09:07,720 --> 00:09:05,720

it up from there we're gonna all about

197

00:09:09,940 --> 00:09:07,730

it now if you have questions for

198

00:09:11,830 --> 00:09:09,950

Marjorie and Carl then you can write

199

00:09:14,020 --> 00:09:11,840

those in the chat room and we will ask

200

00:09:17,230 --> 00:09:14,030

those questions for you on your behalf

201
00:09:18,630 --> 00:09:17,240
so Marjorie Carl are you there are you

202
00:09:22,510 --> 00:09:18,640
with us

203
00:09:25,210 --> 00:09:22,520
yes I am Carl's working trying to get

204
00:09:27,370 --> 00:09:25,220
the video to come back up oh gosh that's

205
00:09:29,950 --> 00:09:27,380
great well Marjorie we're gonna start

206
00:09:32,710 --> 00:09:29,960
with you anyway so while Carl is working

207
00:09:34,780 --> 00:09:32,720
on the video so again welcome to the

208
00:09:39,340 --> 00:09:34,790
show thank you so much for joining us

209
00:09:39,910 --> 00:09:39,350
tonight thank you for asking us our

210
00:09:44,110 --> 00:09:39,920
pleasure

211
00:09:46,750 --> 00:09:44,120
to hear from you now you were at home

212
00:09:49,120 --> 00:09:46,760
that day Carl went off hunting tell us

213
00:09:52,870 --> 00:09:49,130

what happened how to set this up for us

214

00:09:55,150 --> 00:09:52,880

what oh yeah yeah I heard you

215

00:09:58,840 --> 00:09:55,160

I had been at work that day and I had

216

00:10:02,760 --> 00:09:58,850

come home from work and around 4 o'clock

217

00:10:05,770 --> 00:10:02,770

roughly and I just had this uneasy

218

00:10:09,340 --> 00:10:05,780

feeling that I had to go find my husband

219

00:10:11,680 --> 00:10:09,350

I knew he had gone hunting I had no idea

220

00:10:15,100 --> 00:10:11,690

where he had gone he had said he was

221

00:10:18,310 --> 00:10:15,110

going out to out south probably to the

222

00:10:19,540 --> 00:10:18,320

McCarty Canyon but I had this idea I had

223

00:10:23,500 --> 00:10:19,550

to go look for him

224

00:10:26,260 --> 00:10:23,510

I caught my girlfriend and asked her if

225

00:10:29,410 --> 00:10:26,270

she would take me out and and help me

226

00:10:31,630 --> 00:10:29,420

look for him and she kind of settled me

227

00:10:33,610 --> 00:10:31,640

down and she explained that if Carl bag

228

00:10:36,580 --> 00:10:33,620

did nelq it would take him some time to

229

00:10:38,080 --> 00:10:36,590

field-dress it and carry it out and she

230

00:10:40,570 --> 00:10:38,090

told me just be patient

231

00:10:43,660 --> 00:10:40,580

and so we talked a little bit and I hung

232

00:10:46,810 --> 00:10:43,670

up and I started busying myself with

233

00:10:50,320 --> 00:10:46,820

supper and as I worked more with supper

234

00:10:55,060 --> 00:10:50,330

the feeling eased and then about 6:30

235

00:10:57,550 --> 00:10:55,070

the phone rang and it was Carl's Foreman

236

00:11:01,240 --> 00:10:57,560

had called and he wanted to know where

237

00:11:05,200 --> 00:11:01,250

Carl is and I told him I really did not

238

00:11:07,270 --> 00:11:05,210

know and he told me that they had

239

00:11:10,240 --> 00:11:07,280

someone on the phone on the company

240

00:11:13,090 --> 00:11:10,250

radio and they we think this man has

241

00:11:16,030 --> 00:11:13,100

been hurt it sounds like Carl but we're

242

00:11:19,660 --> 00:11:16,040

not for sure Wow now where did he go

243

00:11:21,100 --> 00:11:19,670

honey and again I told him I really

244

00:11:28,440 --> 00:11:21,110

didn't know where he went

245

00:11:31,690 --> 00:11:28,450

I just knew we had gone hunting and the

246

00:11:34,570 --> 00:11:31,700

office in Riverton had established that

247

00:11:38,140 --> 00:11:34,580

it was Carl's company pickup and that

248

00:11:41,620 --> 00:11:38,150

the man on the radio was probably Carl

249

00:11:44,620 --> 00:11:41,630

and the sheriff said that the game

250

00:11:48,280 --> 00:11:44,630

warden had talked with Carl earlier that

251
00:11:51,940 --> 00:11:48,290
afternoon and Carl was standing in front

252
00:11:55,120 --> 00:11:51,950
of his pickup parked on a knoll and I

253
00:11:58,060 --> 00:11:55,130
want to emphasize that that the he was

254
00:12:01,750 --> 00:11:58,070
his pickup was parked on a knoll that

255
00:12:04,310 --> 00:12:01,760
afternoon and so they had narrowed it

256
00:12:08,480 --> 00:12:04,320
down to the forest south of town

257
00:12:11,120 --> 00:12:08,490
and have pinpointed the general area so

258
00:12:12,830 --> 00:12:11,130
unless here you must have felt a little

259
00:12:15,680 --> 00:12:12,840
bit better that at least they saw his

260
00:12:17,480 --> 00:12:15,690
pickup at least they saw him he may have

261
00:12:18,680 --> 00:12:17,490
been injured but at least they found him

262
00:12:24,430 --> 00:12:18,690
that must have made you feel a little

263
00:12:27,560 --> 00:12:24,440

bit better well not exactly that kind of

264

00:12:31,550 --> 00:12:27,570

made me want to go to him and I had to

265

00:12:33,650 --> 00:12:31,560

go to him then oh sure way I felt and

266

00:12:35,270 --> 00:12:33,660

what town did this happen in this is

267

00:12:37,330 --> 00:12:35,280

just a question that came up in the chat

268

00:12:40,880 --> 00:12:37,340

room where were you living at the time

269

00:12:45,260 --> 00:12:40,890

we were living in Rawlins Wyoming and

270

00:12:51,830 --> 00:12:45,270

this happened out south out south in the

271

00:12:54,050 --> 00:12:51,840

forest area medicine animal forest so go

272

00:12:57,110 --> 00:12:54,060

ahead so they found him and they found

273

00:12:59,240 --> 00:12:57,120

his truck and a knoll that's a very

274

00:13:01,490 --> 00:12:59,250

strange thing that it was in the null so

275

00:13:03,980 --> 00:13:01,500

go ahead what happened to all that no no

276

00:13:06,800 --> 00:13:03,990

you got that wrong okay though the

277

00:13:09,800 --> 00:13:06,810

pickup was was parked on well so I'm

278

00:13:13,280 --> 00:13:09,810

parked on top of a hill well in the game

279

00:13:19,100 --> 00:13:13,290

warden talk to him then they had kind of

280

00:13:21,140 --> 00:13:19,110

pinpointed the area from there oh and

281

00:13:24,190 --> 00:13:21,150

then there was a search party

282

00:13:28,400 --> 00:13:24,200

of I I don't remember how many

283

00:13:30,650 --> 00:13:28,410

four-wheel drive pickups that went out

284

00:13:34,070 --> 00:13:30,660

for the in the search party

285

00:13:35,900 --> 00:13:34,080

once again I called my girlfriend and

286

00:13:39,110 --> 00:13:35,910

told her that they were going out to

287

00:13:41,900 --> 00:13:39,120

look for Carl and asked if her and her

288

00:13:45,560 --> 00:13:41,910

husband would help me and take me out

289

00:13:49,400 --> 00:13:45,570

and they came right down and picked me

290

00:13:54,350 --> 00:13:49,410

up and we went out to the forest also

291

00:13:57,170 --> 00:13:54,360

they would not allow Marilyn and Don and

292

00:14:00,560 --> 00:13:57,180

I to go on out to where they were going

293

00:14:05,630 --> 00:14:00,570

where they made us stay in the forest on

294

00:14:09,220 --> 00:14:05,640

top of the hill okay he kept calling on

295

00:14:13,640 --> 00:14:09,230

the CB to see if they had found him yet

296

00:14:17,300 --> 00:14:13,650

I'm just going to quote a reply came

297

00:14:17,660 --> 00:14:17,310

back see him he'll we aren't even into

298

00:14:20,750 --> 00:14:17,670

the

299

00:14:23,570 --> 00:14:20,760

yet we keep getting stuck and have to

300

00:14:24,260 --> 00:14:23,580

pull each other it is a hell of a mess

301
00:14:28,070 --> 00:14:24,270
in here

302
00:14:31,610 --> 00:14:28,080
stay on the hill don't even think of

303
00:14:35,000 --> 00:14:31,620
coming in here we will call you when we

304
00:14:38,030 --> 00:14:35,010
find him in his office still has him on

305
00:14:41,960 --> 00:14:38,040
the company radio we are pretty sure of

306
00:14:46,640 --> 00:14:41,970
the area and we set in the pickup on top

307
00:14:49,250 --> 00:14:46,650
of the hill waiting deer and is we were

308
00:14:52,550 --> 00:14:49,260
waiting we kind of decided well we might

309
00:14:54,950 --> 00:14:52,560
as well get a little bit of rest my

310
00:14:59,660 --> 00:14:54,960
girlfriend leaned her head back on the

311
00:15:01,640 --> 00:14:59,670
back of the pickup seat and started to

312
00:15:05,060 --> 00:15:01,650
doze off when all of a sudden she

313
00:15:06,590 --> 00:15:05,070

hollered quit moving the truck and we

314

00:15:09,710 --> 00:15:06,600

both still know we're not moving the

315

00:15:11,990 --> 00:15:09,720

truck and she said look at that star

316

00:15:15,650 --> 00:15:12,000

it's moving and changing colors and

317

00:15:18,050 --> 00:15:15,660

doing crazy things and God told her just

318

00:15:24,740 --> 00:15:18,060

go to sleep you're dreaming just leave

319

00:15:26,720 --> 00:15:24,750

us alone and go back to sleep and then a

320

00:15:29,560 --> 00:15:26,730

little bit late and I want to make a

321

00:15:32,480 --> 00:15:29,570

note - that night was not a full moon

322

00:15:35,660 --> 00:15:32,490

but that night you could have picked up

323

00:15:40,030 --> 00:15:35,670

a dime on the forest road it was that

324

00:15:47,600 --> 00:15:44,600

in its own right in a little after a

325

00:15:50,540 --> 00:15:47,610

little while the seed the search party

326

00:15:52,940 --> 00:15:50,550

called back on the CB and told dawn that

327

00:15:55,370 --> 00:15:52,950

we have Carl but we're going out a

328

00:15:57,950 --> 00:15:55,380

different way it'll be a lot easier to

329

00:16:02,690 --> 00:15:57,960

go out by the gate at the bottom meet us

330

00:16:04,820 --> 00:16:02,700

there and so we met him there but as we

331

00:16:08,990 --> 00:16:04,830

were waiting for them to come out

332

00:16:11,540 --> 00:16:09,000

through the bottom again you're in the

333

00:16:13,670 --> 00:16:11,550

mountains so we were on a hill they were

334

00:16:16,490 --> 00:16:13,680

coming in through the bottom part and

335

00:16:20,840 --> 00:16:16,500

circling around and then coming up to

336

00:16:23,570 --> 00:16:20,850

get out through the gate at that time we

337

00:16:27,440 --> 00:16:23,580

both made the remark the Sun is just

338

00:16:29,540 --> 00:16:27,450

coming up not thinking about the time of

339

00:16:31,070 --> 00:16:29,550

the night and that it was way too early

340

00:16:36,410 --> 00:16:31,080

for the Sun to become

341

00:16:39,320 --> 00:16:36,420

mean up so what were you seeing where

342

00:16:45,590 --> 00:16:39,330

was he in a bright orange light a bright

343

00:16:48,140 --> 00:16:45,600

orange light bright big okay really

344

00:16:50,150 --> 00:16:48,150

we were waiting for Carl so we didn't

345

00:16:52,790 --> 00:16:50,160

even think anything more about it at

346

00:16:55,580 --> 00:16:52,800

that time sure when they brought Carl

347

00:17:00,140 --> 00:16:55,590

out the first thing I did was I ran over

348

00:17:03,080 --> 00:17:00,150

to the pickup they had Carl in but he

349

00:17:06,890 --> 00:17:03,090

seemed different and I tried to talk to

350

00:17:10,610 --> 00:17:06,900

him and he he was just he just like he

351
00:17:13,280 --> 00:17:10,620
was looking through me finally I asked

352
00:17:16,190 --> 00:17:13,290
him did you get your elk the only thing

353
00:17:18,500 --> 00:17:16,200
I could think of and he looked dazed and

354
00:17:22,010 --> 00:17:18,510
then he looked up through the windshield

355
00:17:25,300 --> 00:17:22,020
and in a sing-song type of voice he said

356
00:17:28,780 --> 00:17:25,310
they took my elk they took my elk and

357
00:17:32,990 --> 00:17:28,790
Carl his shivering so bad he's so cold

358
00:17:35,590 --> 00:17:33,000
so I took my coat off and tried to drape

359
00:17:40,000 --> 00:17:35,600
it over his shoulders but he moved back

360
00:17:43,340 --> 00:17:40,010
crying don't you touch me don't touch me

361
00:17:46,490 --> 00:17:43,350
and I'm here I don't I don't know what's

362
00:17:48,920 --> 00:17:46,500
wrong so I told dawn I said get the

363
00:17:50,680 --> 00:17:48,930

rifle get it out of the truck I don't

364

00:17:54,320 --> 00:17:50,690

know what's wrong with him

365

00:17:58,730 --> 00:17:54,330

so dawn took rifle out of the gun holder

366

00:17:59,540 --> 00:17:58,740

and he disappeared and I tried to talk

367

00:18:02,150 --> 00:17:59,550

to him again

368

00:18:04,910 --> 00:18:02,160

but he just kept looking up through the

369

00:18:07,730 --> 00:18:04,920

windshield towards the sky and he just

370

00:18:10,880 --> 00:18:07,740

kept repeating they took my elk

371

00:18:12,950 --> 00:18:10,890

they took my elk and by this time

372

00:18:14,990 --> 00:18:12,960

everybody had filled their pickups with

373

00:18:18,970 --> 00:18:15,000

extra gas that they had brought and they

374

00:18:21,560 --> 00:18:18,980

were ready to go and his Foreman bud

375

00:18:24,550 --> 00:18:21,570

decided that the condition Carl was in

376

00:18:28,490 --> 00:18:24,560

they better take him to the hospital and

377

00:18:31,430 --> 00:18:28,500

I'll move either yes Don cept me by the

378

00:18:34,540 --> 00:18:31,440

shoulders and led me back to his truck

379

00:18:38,799 --> 00:18:34,550

and then we headed down the road

380

00:18:42,519 --> 00:18:38,809

following to the hospital in Rawlins

381

00:18:45,460 --> 00:18:42,529

but on through the hospital but on the

382

00:18:48,129 --> 00:18:45,470

way to the hospital one of Carl's

383

00:18:53,110 --> 00:18:48,139

company men had driven all the way down

384

00:18:56,739 --> 00:18:53,120

from Riverton Wyoming and to see if he

385

00:19:00,100 --> 00:18:56,749

could help and he stopped the

386

00:19:03,009 --> 00:19:00,110

conservative search crew and asked him

387

00:19:07,180 --> 00:19:03,019

if Carl would be better maybe in his car

388

00:19:12,399 --> 00:19:07,190

and so he stopped and he opened up the

389

00:19:15,940 --> 00:19:12,409

back door to his car and opens it to let

390

00:19:16,930 --> 00:19:15,950

Carl get in and that is when all hell

391

00:19:20,409 --> 00:19:16,940

broke loose

392

00:19:24,220 --> 00:19:20,419

oh no oh yes

393

00:19:26,889 --> 00:19:24,230

Carl bolted and ran from from the pickup

394

00:19:29,710 --> 00:19:26,899

the deputy sheriff friends to the side

395

00:19:32,560 --> 00:19:29,720

of the ditch he crouches down with his

396

00:19:35,830 --> 00:19:32,570

gun drawn and steadied on his knee ready

397

00:19:38,409 --> 00:19:35,840

to shoot if he needed Carl is not acting

398

00:19:39,129 --> 00:19:38,419

like himself and no one knows what he

399

00:19:44,529 --> 00:19:39,139

might do

400

00:19:48,850 --> 00:19:44,539

oh my god running a cherry line they

401
00:19:50,889 --> 00:19:48,860
might have shot him ah Carl is running

402
00:19:53,830 --> 00:19:50,899
with his arms over his eyes he is

403
00:19:57,909 --> 00:19:53,840
running and screaming the lights oh god

404
00:19:59,529 --> 00:19:57,919
the lights I finally realized that it

405
00:20:02,950 --> 00:19:59,539
was the car lights that was bothering

406
00:20:06,100 --> 00:20:02,960
him so I I scream for them to turn him

407
00:20:08,499 --> 00:20:06,110
off and so then bud and I both hollered

408
00:20:11,200 --> 00:20:08,509
for everyone to turn off their lights as

409
00:20:14,230 --> 00:20:11,210
soon as we turn the lights off Carl

410
00:20:16,499 --> 00:20:14,240
calmly walked over to the back door of

411
00:20:19,869 --> 00:20:16,509
Roy's car slams it shut

412
00:20:23,109 --> 00:20:19,879
Alton's the front door gets in and shuts

413
00:20:27,609 --> 00:20:23,119

the door and once again the search party

414

00:20:29,529 --> 00:20:27,619

is headed for the hospital Carl is

415

00:20:32,680 --> 00:20:29,539

sitting in the front seat with Roy and

416

00:20:35,409 --> 00:20:32,690

he talks with him he wants to know why

417

00:20:38,649 --> 00:20:35,419

Roy isn't dressed in black doesn't the

418

00:20:41,320 --> 00:20:38,659

Sun burn you and Carl talked about the

419

00:20:45,909 --> 00:20:41,330

hundred and sixty-three thousand light

420

00:20:48,190 --> 00:20:45,919

mile trip into outer space he talked of

421

00:20:52,259 --> 00:20:48,200

a lot of things about his trip that to

422

00:20:57,600 --> 00:20:52,269

this day Roy will not talk about

423

00:21:00,700 --> 00:20:57,610

like to nadinekarl karl is taken yes

424

00:21:03,639 --> 00:21:00,710

karl has taken to the Memorial Hospital

425

00:21:07,029 --> 00:21:03,649

emergency room in Rawlins Wyoming his

426
00:21:09,399 --> 00:21:07,039
eyes are watering profusely his shoulder

427
00:21:13,110 --> 00:21:09,409
hurts he keeps asking for his three-day

428
00:21:16,600 --> 00:21:13,120
pills the one that just floated to him

429
00:21:20,980 --> 00:21:16,610
and we had a new doctor on duty his name

430
00:21:24,190 --> 00:21:20,990
was dr. Tonko and he was karl was one of

431
00:21:26,230 --> 00:21:24,200
his first patients he's interested by

432
00:21:29,710 --> 00:21:26,240
what this patient is telling him about

433
00:21:31,690 --> 00:21:29,720
the beans dressed in black about his

434
00:21:35,850 --> 00:21:31,700
hundred and sixty-three thousand light

435
00:21:40,029 --> 00:21:35,860
mile journey cone hands that when waved

436
00:21:43,090 --> 00:21:40,039
everything disappeared not walking just

437
00:21:46,180 --> 00:21:43,100
floating just go from here to there no

438
00:21:49,509 --> 00:21:46,190

walking the lights the lights they

439

00:21:51,759 --> 00:21:49,519

burned they burned and I'm sorry but

440

00:21:56,259 --> 00:21:51,769

every time we talk of the light Karl's

441

00:22:01,210 --> 00:21:56,269

eyes start watering they're wrong oh my

442

00:22:04,659 --> 00:22:01,220

god all these years later oh my god we

443

00:22:07,779 --> 00:22:04,669

hear all these years later and even

444

00:22:14,789 --> 00:22:07,789

talking about it now the inside of me is

445

00:22:17,289 --> 00:22:14,799

vibrating happened every time what a

446

00:22:19,389 --> 00:22:17,299

serious oh my goodness

447

00:22:22,779 --> 00:22:19,399

Marjorie oh my god my heart goes out to

448

00:22:25,180 --> 00:22:22,789

you I know yours does 2pk this week yes

449

00:22:27,310 --> 00:22:25,190

yeah I I mean we're just on the edge of

450

00:22:29,649 --> 00:22:27,320

our seats here and we both have chills

451

00:22:32,259 --> 00:22:29,659

running through us because this is a

452

00:22:34,869 --> 00:22:32,269

very scary story much scarier than I

453

00:22:36,970 --> 00:22:34,879

imagined having read that read about

454

00:22:38,519 --> 00:22:36,980

this and having heard about it goes on

455

00:22:43,090 --> 00:22:38,529

and on

456

00:22:45,669 --> 00:22:43,100

dr. taco dr. taco was so intrigued that

457

00:22:49,060 --> 00:22:45,679

he even makes notes of this in Carl's

458

00:22:52,240 --> 00:22:49,070

medical records it was good girl thinks

459

00:22:53,580 --> 00:22:52,250

he's in an Abney chic state he doesn't

460

00:22:56,950 --> 00:22:53,590

even know who he is

461

00:22:59,970 --> 00:22:56,960

when his wife asked him his name he says

462

00:23:04,810 --> 00:22:59,980

they keep calling me Carl who's Carl ahh

463

00:23:05,350 --> 00:23:04,820

oh my goodness and I read in Marion

464

00:23:07,930 --> 00:23:05,360

Devon

465

00:23:10,120 --> 00:23:07,940

we had been married 17 years at that

466

00:23:11,400 --> 00:23:10,130

time I believe and he didn't recognize

467

00:23:14,860 --> 00:23:11,410

you

468

00:23:19,440 --> 00:23:14,870

no but he was very nice he called me the

469

00:23:19,450 --> 00:23:26,790

very nice even the down side he's smart

470

00:23:32,320 --> 00:23:29,830

and then I would like to like the

471

00:23:34,570 --> 00:23:32,330

audience to know that dr. taco ordered

472

00:23:38,110 --> 00:23:34,580

the tests and he also ordered the truck

473

00:23:41,380 --> 00:23:38,120

drug test to see if Carl is on drugs

474

00:23:45,370 --> 00:23:41,390

his remark the replay this man is

475

00:23:47,650 --> 00:23:45,380

talking he must be on something and then

476

00:23:50,200 --> 00:23:47,660

the nurse in the emergency room she

477

00:23:52,750 --> 00:23:50,210

tried to make Carl comfort comfortable

478

00:23:55,390 --> 00:23:52,760

and she put a wash cloth over his eyes

479

00:23:57,220 --> 00:23:55,400

to sue them and she had to fold them

480

00:24:00,280 --> 00:23:57,230

several times so that the lights

481

00:24:02,110 --> 00:24:00,290

wouldn't bother his eyes and then she

482

00:24:05,350 --> 00:24:02,120

would take her hands and go over his

483

00:24:08,380 --> 00:24:05,360

body and ask him do you hurt do you hurt

484

00:24:10,300 --> 00:24:08,390

and Carl would say it hurts it hurts but

485

00:24:16,000 --> 00:24:10,310

when she went back over these same areas

486

00:24:19,600 --> 00:24:16,010

again it feels better now we don't

487

00:24:21,460 --> 00:24:19,610

understand well I know we're gonna have

488

00:24:23,770 --> 00:24:21,470

I'll hear more from you Marjorie and

489

00:24:26,440 --> 00:24:23,780

then we're gonna get Carl with us but

490

00:24:28,930 --> 00:24:26,450

right now we have to take a very short

491

00:24:31,870 --> 00:24:28,940

commercial break now everybody you are

492

00:24:35,830 --> 00:24:31,880

listening to the first interview in over

493

00:24:39,190 --> 00:24:35,840

30 years with Marjorie and Carl Higdon

494

00:24:42,970 --> 00:24:39,200

and this is all about the alien

495

00:24:45,100 --> 00:24:42,980

abduction that took place in Wyoming and

496

00:24:51,760 --> 00:24:45,110

00:24:59,620 --> 00:24:57,020

500

00:25:02,230 --> 00:24:59,630

physical evidence and the rest of the

00:25:03,040 --> 00:25:02,240
time we have together tonight incredible

502
00:25:05,500 --> 00:25:03,050

00:25:26,299 --> 00:25:23,579
are eventually going to get her husband

512
00:25:29,899 --> 00:25:26,309
Karl on the line with us karl was the

513
00:25:34,179 --> 00:25:29,909

focus of an incredible abduction that

514

00:25:37,489 --> 00:25:34,189

took place in Wyoming in 1974 and it has

515

00:25:40,039 --> 00:25:37,499

everything all of the elements including

516

00:25:41,629 --> 00:25:40,049

physical proof now we've just been on

517

00:25:44,599 --> 00:25:41,639

the edge of our seat listening to

518

00:25:46,279 --> 00:25:44,609

Marjorie talk about her experience of

519

00:25:49,009 --> 00:25:46,289

what happened when her husband went

520

00:25:52,099 --> 00:25:49,019

missing in the mountains of Wyoming he

521

00:25:53,059 --> 00:25:52,109

was on an elk hunting expedition and he

522

00:25:55,819 --> 00:25:53,069

didn't come home

523

00:25:57,979 --> 00:25:55,829

so he's been found just to bring you up

524

00:26:01,009 --> 00:25:57,989

to speed on this and they brought him to

525

00:26:03,859 --> 00:26:01,019

a hospital and he is in some type of

526
00:26:06,619 --> 00:26:03,869
amnesiac state where he doesn't even

527
00:26:10,969 --> 00:26:06,629
recognize his own wife he's not even

528
00:26:13,369 --> 00:26:10,979
sure who he is it has been an incredible

529
00:26:14,449 --> 00:26:13,379
incredible listen to Marjorie this

530
00:26:16,309 --> 00:26:14,459
evening and we're going to have her

531
00:26:18,829 --> 00:26:16,319
continue for just a little while longer

532
00:26:23,089 --> 00:26:18,839
and then we're going to bring Carl on to

533
00:26:25,819 --> 00:26:23,099
hear what happened that day in 1974

534
00:26:28,189 --> 00:26:25,829
so Marjorie welcome back to the show we

535
00:26:33,739 --> 00:26:28,199
are talking about what happened in the

536
00:26:36,319 --> 00:26:33,749
hospital so please continue okay and the

537
00:26:41,599 --> 00:26:36,329
doctor has come back with the results of

538
00:26:46,669 --> 00:26:41,609

the test he is in Abney shock and he is

539

00:26:50,799 --> 00:26:46,679

not on any drugs no drugs are found in

540

00:26:56,149 --> 00:26:50,809

his bloodstream at all I would like to

541

00:26:59,419 --> 00:26:56,159

emphasize that and Carl just called me

542

00:27:01,010 --> 00:26:59,429

the pretty lady from the emergency she

543

00:27:08,589 --> 00:27:01,020

doesn't know who I am

544

00:27:18,439 --> 00:27:14,959

yeahmaybe was flirting with me twice

545

00:27:21,169 --> 00:27:18,449

then right but since he couldn't

546

00:27:23,149 --> 00:27:21,179

remember anything I gave him a pencil

547

00:27:26,839 --> 00:27:23,159

and paper and told him to write down

548

00:27:29,929 --> 00:27:26,849

anything he can remember that is when he

549

00:27:31,580 --> 00:27:29,939

drew a picture of the being many draws a

550

00:27:34,490 --> 00:27:31,590

fork in the road

551
00:27:37,220 --> 00:27:34,500
and then he writes the tillow street and

552
00:27:40,779 --> 00:27:37,230
he says this is all he can remember he

553
00:27:44,360 --> 00:27:40,789
is tired the fork in the road has to do

554
00:27:48,789 --> 00:27:44,370
with he had planned to go hunting in the

555
00:27:52,430 --> 00:27:48,799
McCarty Canyon there were some two

556
00:27:53,930 --> 00:27:52,440
hunters that their pickup was stalled he

557
00:27:56,659 --> 00:27:53,940
stopped to help them

558
00:27:59,200 --> 00:27:56,669
he got it started for him and they told

559
00:28:02,330 --> 00:27:59,210
him the hunting was better in the forest

560
00:28:05,480 --> 00:28:02,340
no he had planned to go hunting in

561
00:28:09,950 --> 00:28:05,490
McCarty Canyon but went in the forest

562
00:28:20,210 --> 00:28:09,960
instead was this planned or what it just

563
00:28:22,310 --> 00:28:20,220

happened yes anyway later as Karl gets

564

00:28:26,120 --> 00:28:22,320

some rest I gather up all of his

565

00:28:29,060 --> 00:28:26,130

clothing to take home and his Foreman

566

00:28:33,710 --> 00:28:29,070

that came down from Riverton takes me

567

00:28:36,980 --> 00:28:33,720

home when we arrive at my house the Sun

568

00:28:41,389 --> 00:28:36,990

is just coming up in the east you got to

569

00:28:44,149 --> 00:28:41,399

remember this is hours later I made a

570

00:28:47,240 --> 00:28:44,159

comment that I thought the Sun had

571

00:28:49,549 --> 00:28:47,250

already risen we both commented that

572

00:28:52,460 --> 00:28:49,559

this was very unusual but we're both too

573

00:28:55,940 --> 00:28:52,470

tired and exhausted and didn't think

574

00:28:58,820 --> 00:28:55,950

anything more about it I go into the

575

00:29:01,220 --> 00:28:58,830

house and get ready to just take a

576

00:29:07,159 --> 00:29:01,230

shower and lay down I'm exhausted

577

00:29:09,889 --> 00:29:07,169

and when I put Karl's things on the top

578

00:29:14,260 --> 00:29:09,899

of the bureau something falls out of the

579

00:29:16,880 --> 00:29:14,270

canteen it is a mangled piece of metal I

580

00:29:18,620 --> 00:29:16,890

just put the medal back on top of the

581

00:29:21,110 --> 00:29:18,630

bureau and I went to bed went to sleep

582

00:29:24,440 --> 00:29:21,120

the phone rang several times people

583

00:29:26,090 --> 00:29:24,450

wanted to know how he is and as I talked

584

00:29:27,830 --> 00:29:26,100

to some of them I told him something

585

00:29:29,919 --> 00:29:27,840

about this mangled piece and they told

586

00:29:33,289 --> 00:29:29,929

me to take it to the sheriff

587

00:29:36,769 --> 00:29:33,299

so after showering and change of clothes

588

00:29:38,570 --> 00:29:36,779

I took it went to the sheriff and asked

589

00:29:40,520 --> 00:29:38,580

him that they knew what it was well the

590

00:29:43,399 --> 00:29:40,530

sheriff was gone but the deputy looked

591

00:29:44,340 --> 00:29:43,409

at it and he took it to the back room

592

00:29:46,830 --> 00:29:44,350

and came back

593

00:29:49,710 --> 00:29:46,840

and he said it is a shell casing I have

594

00:29:53,210 --> 00:29:49,720

never seen one in this condition it

595

00:29:56,580 --> 00:29:53,220

looks like it has been turned inside out

596

00:30:00,210 --> 00:29:56,590

Lord took it into another room he came

597

00:30:03,510 --> 00:30:00,220

back again he handed it back to me and

598

00:30:06,840 --> 00:30:03,520

verified it is a seven millimeter mag

599

00:30:10,770 --> 00:30:06,850

shell I asked him how did it get in this

600

00:30:15,990 --> 00:30:10,780

shape he replies leave it alone it was a

601
00:30:17,760 --> 00:30:16,000
weird night just leave it alone I told

602
00:30:20,850 --> 00:30:17,770
the deputy what Carl wrote on the paper

603
00:30:21,720 --> 00:30:20,860
she then says Enders I don't know what

604
00:30:24,840 --> 00:30:21,730
that means

605
00:30:27,720 --> 00:30:24,850
the deputy shows there was an Enders in

606
00:30:29,970 --> 00:30:27,730
the forest the same night but he was in

607
00:30:34,110 --> 00:30:29,980
a completely different area of the

608
00:30:39,720 --> 00:30:34,120
forest again he tells me don't question

609
00:30:42,029 --> 00:30:39,730
it leave it alone hmm Carl's memory did

610
00:30:45,510 --> 00:30:42,039
not return until our oldest daughter

611
00:30:47,850 --> 00:30:45,520
Rose came into his hospital room it was

612
00:30:50,850 --> 00:30:47,860
like he was programmed to get his memory

613
00:30:53,490 --> 00:30:50,860

back as soon as he saw her as soon as he

614

00:30:57,690 --> 00:30:53,500

saw her he knew everything he knew who

615

00:30:59,630 --> 00:30:57,700

he was who I was where he was he just

616

00:31:04,260 --> 00:30:59,640

seemed to be okay again

617

00:31:07,049 --> 00:31:04,270

and the doctor told him that he was okay

618

00:31:10,409 --> 00:31:07,059

and he could go home well The Daily

619

00:31:12,690 --> 00:31:10,419

Times and our newspaper there and

620

00:31:16,020 --> 00:31:12,700

Rollins got a hold of it and found out

621

00:31:18,740 --> 00:31:16,030

about the search party and she called to

622

00:31:23,580 --> 00:31:18,750

find out if the story was true she

623

00:31:25,590 --> 00:31:23,590

talked to Carl his remark I don't know

624

00:31:27,450 --> 00:31:25,600

if you want to talk to a crazy man or

625

00:31:31,680 --> 00:31:27,460

not that's crazy

626

00:31:34,110 --> 00:31:31,690

oh my Paul couldn't believe it yeah it's

627

00:31:37,169 --> 00:31:34,120

such an unusual experience this is not a

628

00:31:40,950 --> 00:31:37,179

man who would ever think of anything

629

00:31:44,100 --> 00:31:40,960

like this ever I mean this is such an

630

00:31:46,200 --> 00:31:44,110

inanimate ooh who he was now also I just

631

00:31:48,510 --> 00:31:46,210

unfortunately got kicked off the air for

632

00:31:51,950 --> 00:31:48,520

a minute but I'm back there are also a

633

00:31:56,070 --> 00:31:51,960

couple of pieces of evidence of medical

634

00:31:57,539 --> 00:31:56,080

value about his tuberculosis scars how

635

00:32:01,649 --> 00:31:57,549

that was cleared up do you want

636

00:32:04,440 --> 00:32:01,659

talk about that for a minute yes when we

637

00:32:08,810 --> 00:32:04,450

were going together he was in the

638

00:32:11,909 --> 00:32:08,820

hospital and he had spots on his lungs

639

00:32:15,919 --> 00:32:11,919

and then after we were married

640

00:32:19,489 --> 00:32:15,929

several years later he was passing

641

00:32:23,639 --> 00:32:19,499

kidney stones and he passed quite a few

642

00:32:27,119 --> 00:32:23,649

since the experience he no longer has

643

00:32:29,720 --> 00:32:27,129

any spots on his lungs he has not passed

644

00:32:33,690 --> 00:32:29,730

another kidney stone

645

00:32:36,989 --> 00:32:33,700

so everybody says these people are are

646

00:32:40,200 --> 00:32:36,999

they evil are they of the devil

647

00:32:41,999 --> 00:32:40,210

no I do not believe they were evil and I

648

00:32:44,999 --> 00:32:42,009

do not believe they were of the devil

649

00:32:47,700 --> 00:32:45,009

they helped him they did not hurt him

650

00:32:50,220 --> 00:32:47,710

and that's good news it puts our minds

651
00:32:52,499 --> 00:32:50,230
at rest with all of that and the other

652
00:32:55,259 --> 00:32:52,509
thing that they found in his blood work

653
00:32:57,419 --> 00:32:55,269
was that his blood work was I mean it

654
00:33:01,200 --> 00:32:57,429
showed an enrichment of vitamins and

655
00:33:06,139 --> 00:33:01,210
minerals right they they called it super

656
00:33:11,580 --> 00:33:08,549
that was just the remark that was made

657
00:33:16,259 --> 00:33:11,590
his blood was very good and they called

658
00:33:18,899 --> 00:33:16,269
it it's even super oh my god amazing

659
00:33:21,119 --> 00:33:18,909
amazing well this has been this has been

660
00:33:22,799 --> 00:33:21,129
a wonderful start to our evening I wish

661
00:33:24,749 --> 00:33:22,809
we had you all night long Marjorie

662
00:33:27,060 --> 00:33:24,759
because there's so much to the story I

663
00:33:28,769 --> 00:33:27,070

also want to let everybody know that you

664

00:33:32,070 --> 00:33:28,779

are in the process of writing a book

665

00:33:33,599 --> 00:33:32,080

about this experience it's not ready yet

666

00:33:35,489 --> 00:33:33,609

but when it is we're going to announce

667

00:33:38,039 --> 00:33:35,499

it so people will know that they can go

668

00:33:39,899 --> 00:33:38,049

to Amazon and buy it this is a book I

669

00:33:42,749 --> 00:33:39,909

know everybody's going to want to read

670

00:33:45,239 --> 00:33:42,759

it's it's going to be tremendous and you

671

00:33:47,729 --> 00:33:45,249

have another book also about your own

672

00:33:50,519 --> 00:33:47,739

personal experience with brain surgery

673

00:33:53,279 --> 00:33:50,529

and how Carl nursed you back to health

674

00:33:55,139 --> 00:33:53,289

which is a just so heartwarming so these

675

00:33:56,940 --> 00:33:55,149

two books will be available when they

676

00:33:59,489 --> 00:33:56,950

are we will let everybody in our

677

00:34:01,799 --> 00:33:59,499

audience know so they can purchase them

678

00:34:04,950 --> 00:34:01,809

and read it and hear it directly from

679

00:34:07,080 --> 00:34:04,960

you so in the meantime where's Carl can

680

00:34:09,750 --> 00:34:07,090

we get him on the phone and talk to him

681

00:34:10,980 --> 00:34:09,760

about what he read he's he's still

682

00:34:13,649 --> 00:34:10,990

trying to work

683

00:34:21,359 --> 00:34:13,659

on this but let me give the phone over

684

00:34:23,520 --> 00:34:21,369

to him okay Donald hello Karl

685

00:34:25,169 --> 00:34:23,530

well we haven't here you're part of the

686

00:34:28,230 --> 00:34:25,179

story we just heard from your beautiful

687

00:34:31,139 --> 00:34:28,240

wife and all of what she went through

688

00:34:34,859 --> 00:34:31,149

now tell us about your experience you

689

00:34:37,320 --> 00:34:34,869

went out to hunt elk you did see a herd

690

00:34:47,040 --> 00:34:37,330

of elk and you fired a shot at the

691

00:34:52,790 --> 00:34:47,050

biggest male and what happened well

692

00:35:04,260 --> 00:34:57,230

went out about 50 feet and dropped uh

693

00:35:07,530 --> 00:35:04,270

its dropped to the ground yeah I could

694

00:35:15,900 --> 00:35:07,540

adjust that had to be startling to see

695

00:35:19,140 --> 00:35:15,910

that happen yes so you saw that and then

696

00:35:27,380 --> 00:35:19,150

you turned to your left because somebody

697

00:35:39,330 --> 00:35:32,190

excuse me I saw a being about six foot

698

00:35:43,550 --> 00:35:39,340

tall weight maybe 180 pounds and he

699

00:35:47,520 --> 00:35:43,560

asked me if I was hungry

700

00:35:51,900 --> 00:35:47,530

hey I'll tell my my little there's my

701
00:35:55,099 --> 00:35:51,910
poaching payload over he floated by oh

702
00:35:55,109 --> 00:36:00,980
so you took a pill

703
00:36:10,760 --> 00:36:05,810
and Danny wanted he wanted to know what

704
00:36:22,250 --> 00:36:10,770
power wanted to go with them I said as

705
00:36:29,780 --> 00:36:22,260
well oh my goodness oh did you feel you

706
00:36:32,540 --> 00:36:29,790
had to say yes not really no so you

707
00:36:39,020 --> 00:36:32,550
actually wanted to go gosh you're brave

708
00:36:45,700 --> 00:36:39,030
man what else are you seeing with him

709
00:36:54,290 --> 00:36:51,740
give me a minute no I know there must

710
00:36:56,329 --> 00:36:54,300
have been a that cubical ship type of

711
00:36:58,700 --> 00:36:56,339
thing it looked like a glass elevator he

712
00:37:03,440 --> 00:36:58,710
said so now I was reading about in the

713
00:37:05,680 --> 00:37:03,450

story mm-hmm so you saw a glass elevator

714

00:37:13,220 --> 00:37:05,690

type of thing

715

00:37:21,380 --> 00:37:13,230

no I was about by proton high and five

716

00:37:25,160 --> 00:37:21,390

foot wide and seven foot long hmm and so

717

00:37:29,630 --> 00:37:25,170

he took you into this thing and you saw

718

00:37:38,540 --> 00:37:29,640

the people there right yeah there was

719

00:37:46,310 --> 00:37:38,550

another being inside it and put the five

720

00:37:53,200 --> 00:37:46,320

ELCA and a panda in the back and next

721

00:38:03,470 --> 00:37:59,780

like a basketball oh now we can see you

722

00:38:08,359 --> 00:38:03,480

on video so that's great okay there you

723

00:38:12,140 --> 00:38:08,369

are hi all right good good work Carl you

724

00:38:14,330 --> 00:38:12,150

did it so now what everybody's looking

725

00:38:16,550 --> 00:38:14,340

at who is watching us

726

00:38:19,280 --> 00:38:16,560

Facebook that is Carl Higdon and his

727

00:38:20,840 --> 00:38:19,290

beautiful wife Marjorie and we've been

728

00:38:24,110 --> 00:38:20,850

talking to about this incredible

729

00:38:27,860 --> 00:38:24,120

experience so Carl you that they

730

00:38:39,170 --> 00:38:27,870

actually took the elk and they they took

731

00:38:51,490 --> 00:38:39,180

it with them and you okay so they took

732

00:39:06,790 --> 00:38:51,500

all of this and you yeah we landed on a

733

00:39:17,290 --> 00:39:10,190

we kind of floated over to where didn't

734

00:39:24,410 --> 00:39:17,300

walk we floated to the door and went up

735

00:39:30,860 --> 00:39:24,420

and they put a poor body shield in front

736

00:39:35,330 --> 00:39:30,870

of it they said that's not what you're

737

00:39:42,230 --> 00:39:35,340

not what we mean okay Wow

738

00:39:50,240 --> 00:39:42,240

so they didn't want you that's probably

739

00:39:56,210 --> 00:39:50,250

a good thing when I get I'm sure

740

00:39:58,220 --> 00:39:56,220

Marjorie's pleased so they brought you

741

00:40:01,970 --> 00:39:58,230

back home that you were not what they

742

00:40:07,300 --> 00:40:01,980

wanted so why is it that they didn't

743

00:40:16,490 --> 00:40:07,310

want you I don't know maybe it was

744

00:40:18,560 --> 00:40:16,500

because of my back they couldn't use you

745

00:40:21,650 --> 00:40:18,570

for any kind of a breeding program if

746

00:40:25,880 --> 00:40:21,660

that's what they were up to I could

747

00:40:27,890 --> 00:40:25,890

maybe they wanted they wanted the elk

748

00:40:28,220 --> 00:40:27,900

now why did they want the elk did they

749

00:40:31,990 --> 00:40:28,230

want

750

00:40:35,930 --> 00:40:32,000

the elk for breeding for food per phone

751

00:40:39,490 --> 00:40:35,940

uh-huh I don't have much left on our

752

00:40:49,730 --> 00:40:39,500

planet I'll be darned

753

00:41:00,710 --> 00:40:49,740

so they came and took your elf yeah I'm

754

00:41:02,480 --> 00:41:00,720

sorry I know this is a very emotional

755

00:41:04,460 --> 00:41:02,490

experience can you know can you also

756

00:41:06,230 --> 00:41:04,470

lose the camera so that he's in the

757

00:41:08,839 --> 00:41:06,240

frame Marjorie cuz we can only see like

758

00:41:15,470 --> 00:41:08,849

little tiny parts of you and Carl any

759

00:41:18,020 --> 00:41:15,480

better okay that's better yeah we can

760

00:41:20,230 --> 00:41:18,030

only imagine how emotional this is for

761

00:41:23,859 --> 00:41:20,240

you Carl I mean this is an incredible

762

00:41:27,829 --> 00:41:23,869

truly out of this world experience and

763

00:41:31,670 --> 00:41:27,839

it's it's just an amazing amazing thing

764

00:41:34,940 --> 00:41:31,680

this happened now also the producers

765

00:41:37,520 --> 00:41:34,950

asking if you can hit the mic button to

766

00:41:43,460 --> 00:41:37,530

mute it Marjorie can you do that the

767

00:41:45,700 --> 00:41:43,470

little mic symbol okay and now we won't

768

00:41:48,829 --> 00:41:45,710

have any feedback so that's better

769

00:41:52,579 --> 00:41:48,839

okay so Carl they told you they were

770

00:41:54,950 --> 00:41:52,589

gonna bring you back home and so yeah

771

00:41:56,690 --> 00:41:54,960

well they dropped you off right they

772

00:41:59,690 --> 00:41:56,700

brought you back they wanted to keep

773

00:42:17,180 --> 00:41:59,700

your rifle though as I recall they

774

00:42:21,770 --> 00:42:17,190

wanted your rifle you liked it and so

775

00:42:26,390 --> 00:42:21,780

they did this man his name was awesome

776

00:42:30,920 --> 00:42:28,849

and he wanted to keep your rifle but

777

00:42:35,510 --> 00:42:30,930

then he said they were not allowed to

778

00:43:01,950 --> 00:42:41,220

and so they brought me back and they

779

00:43:05,100 --> 00:43:01,960

gave you down and hurt my shoulder they

780

00:43:08,580 --> 00:43:05,110

remember that uh-huh it's very emotional

781

00:43:11,100 --> 00:43:08,590

I see that yes and again that's to me

782

00:43:13,620 --> 00:43:11,110

and everybody listening tonight this is

783

00:43:16,170 --> 00:43:13,630

the mark of a real real adventure this

784

00:43:18,870 --> 00:43:16,180

really happened to have this much

785

00:43:21,510 --> 00:43:18,880

emotion so many years later is very

786

00:43:23,160 --> 00:43:21,520

telling to the truth of this story and I

787

00:43:25,320 --> 00:43:23,170

hope everybody listening understands

788

00:43:28,140 --> 00:43:25,330

this this takes a lot of courage for

789

00:43:30,510 --> 00:43:28,150

Carl and Marjorie to relive this and

790

00:43:31,890 --> 00:43:30,520

share this experience with all of us and

791

00:43:45,530 --> 00:43:31,900

we're very grateful that you're doing

792

00:43:49,260 --> 00:43:45,540

that Carl and Marjorie thank you yes I

793

00:43:51,180 --> 00:43:49,270

can't even imagine this PK anyway I mean

794

00:43:54,090 --> 00:43:51,190

having to go through this it's so

795

00:43:55,980 --> 00:43:54,100

incredible to think that they would be

796

00:43:59,640 --> 00:43:55,990

able to take him like that but to see

797

00:44:02,280 --> 00:43:59,650

what he has as primitive yes you wonder

798

00:44:06,030 --> 00:44:02,290

how far in the fact that Charles said

799

00:44:08,340 --> 00:44:06,040

lack of food yes that says something

800

00:44:10,290 --> 00:44:08,350

else too but just to take the 11 why

801
00:44:12,210 --> 00:44:10,300
didn't they why were they looking for

802
00:44:14,570 --> 00:44:12,220
more food well they took all of the

803
00:44:20,520 --> 00:44:14,580
alkyl apparently there were a little ice

804
00:44:35,880 --> 00:44:20,530
okay so they took like the herd yeah

805
00:44:38,550 --> 00:44:35,890
yeah I did yes you know how are we gonna

806
00:44:42,690 --> 00:44:38,560
stop them we can't we have no way to

807
00:44:45,720 --> 00:44:42,700
know that yes wonderful

808
00:44:49,230 --> 00:44:45,730
what other types of foods they can eat

809
00:44:52,530 --> 00:44:49,240
or not eat but the choices

810
00:44:57,200 --> 00:44:52,540
they process their proved into pills

811
00:45:03,240 --> 00:44:57,210
oh that's why he offered you the bill

812
00:45:08,520 --> 00:45:03,250
asked if you are that pair horse last

813
00:45:13,980 --> 00:45:08,530

four days to them oh wow and it lasted

814

00:45:16,829 --> 00:45:13,990

about three and a half for me that's

815

00:45:20,160 --> 00:45:16,839

right because Marjorie was saying you

816

00:45:23,460 --> 00:45:20,170

weren't hungry at first that's real that

817

00:45:28,940 --> 00:45:23,470

one pill really filled you up for three

818

00:45:34,380 --> 00:45:31,500

that's incredible how advanced they were

819

00:45:36,990 --> 00:45:34,390

to do that now also you said you didn't

820

00:45:40,349 --> 00:45:37,000

have fish on your planet right now fish

821

00:45:42,480 --> 00:45:40,359

all right no pitch they come down and

822

00:45:47,609 --> 00:45:42,490

take fish out of the ocean

823

00:45:50,880 --> 00:45:47,619

oh those sneaky things out stealing our

824

00:46:02,849 --> 00:45:50,890

fish stealing our people thank God you

825

00:46:07,799 --> 00:46:02,859

brought you back okay I live in their

826

00:46:15,990 --> 00:46:07,809

water sure water is yellow and I had a

827

00:46:21,809 --> 00:46:16,000

scientist try to people they bucked this

828

00:46:26,480 --> 00:46:21,819

story and it said the reason their bow

829

00:46:31,170 --> 00:46:26,490

legs because they did not have vitamin D

830

00:46:37,490 --> 00:46:31,180

and not vitamin E so

831

00:46:40,140 --> 00:46:37,500

net count from Paltrow violent and pitch

832

00:46:47,700 --> 00:46:40,150

so I don't think they did

833

00:46:50,040 --> 00:46:47,710

very good job Oh incredible incredible

834

00:46:53,100 --> 00:46:50,050

did also one tell you anything else

835

00:46:55,560 --> 00:46:53,110

about their civilization he told you how

836

00:46:59,670 --> 00:46:55,570

far away they were and you you said it

837

00:47:04,170 --> 00:46:59,680

in light miles right right and we don't

838

00:47:05,480 --> 00:47:04,180

know what like mod huh no we don't have

839

00:47:12,390 --> 00:47:05,490

no idea

840

00:47:15,300 --> 00:47:12,400

bring you back and then of course you

841

00:47:19,290 --> 00:47:15,310

were disoriented right you didn't know

842

00:47:24,330 --> 00:47:19,300

what happened were and your truck wasn't

843

00:47:27,420 --> 00:47:24,340

there you were trying to find a truck my

844

00:47:32,490 --> 00:47:27,430

truck was stuck in a mud hole but I

845

00:47:34,680 --> 00:47:32,500

didn't know it was mine you dishes you

846

00:47:37,770 --> 00:47:34,690

didn't park it there right you did not

847

00:47:40,610 --> 00:47:37,780

leave your truck in that spot no when we

848

00:47:44,490 --> 00:47:40,620

come up when we come up off the ground

849

00:47:48,540 --> 00:47:44,500

Hazell pointed his hand at it and it

850

00:47:59,160 --> 00:47:48,550

disappeared Oh for heaven sakes I don't

851

00:48:03,720 --> 00:47:59,170

know very pretty but it's kinda hard to

852

00:48:06,240 --> 00:48:03,730

believe because it was found in a spot

853

00:48:08,430 --> 00:48:06,250

that was totally inaccessible and

854

00:48:10,290 --> 00:48:08,440

everybody said there is no way in hell

855

00:48:12,060 --> 00:48:10,300

that you could have driven it there it

856

00:48:16,410 --> 00:48:12,070

was like it had to be dropped by a

857

00:48:17,940 --> 00:48:16,420

military helicopter right there was no

858

00:48:19,740 --> 00:48:17,950

way that it could have gotten there with

859

00:48:34,410 --> 00:48:19,750

you driving it or anybody driving it

860

00:48:40,140 --> 00:48:34,420

there hey where's muddy road for about

861

00:48:41,910 --> 00:48:40,150

18 inches on both sides oh my god aatrox

862

00:48:48,390 --> 00:48:41,920

is going in

863

00:48:49,920 --> 00:48:48,400

Wow there's no way that ticket she could

864

00:48:53,970 --> 00:48:49,930

drive townie

865

00:48:55,700 --> 00:48:53,980

son give the four-wheel drives that come

866

00:49:01,470 --> 00:48:55,710

in there

867

00:49:03,240 --> 00:49:01,480

they cut Cree down to make her own well

868

00:49:05,550 --> 00:49:03,250

we're gonna come back in just a minute

869

00:49:08,460 --> 00:49:05,560

Carl and we're gonna have you continue

870

00:49:09,900 --> 00:49:08,470

with your story and what happened and

871

00:49:12,360 --> 00:49:09,910

everything else about it we're gonna

872

00:49:13,710 --> 00:49:12,370

talk about that bullet again and we're

873

00:49:15,360 --> 00:49:13,720

just gonna take a very short break

874

00:49:17,730 --> 00:49:15,370

everybody you are listening to

875

00:49:18,480 --> 00:49:17,740

supernatural girls radio we will be

876

00:49:20,670 --> 00:49:18,490

right back

877

00:49:22,680 --> 00:49:20,680

natural girls radio I'm your host

878

00:49:26,580 --> 00:49:22,690

Patricia Baker I am here with my co-host

879

00:49:29,070 --> 00:49:26,590

PK and the most intriguing guests I

880

00:49:31,650 --> 00:49:29,080

think we have ever had on the show we

881

00:49:34,530 --> 00:49:31,660

have Marjorie and Karl Higdon with us

882

00:49:36,750 --> 00:49:34,540

tonight talking about an incredible

883

00:49:38,490 --> 00:49:36,760

abduction experience and if you're

884

00:49:41,400 --> 00:49:38,500

watching us on video you can also see

885

00:49:44,820 --> 00:49:41,410

their adorable dog doc who has just

886

00:49:47,010 --> 00:49:44,830

joined us is the sweetest little dog but

887

00:49:49,710 --> 00:49:47,020

Carl we've been talking and Marjorie

888

00:49:52,080 --> 00:49:49,720

we've been talking about the bullet now

889

00:49:55,590 --> 00:49:52,090

that I will tell you I contacted a

890

00:49:58,650 --> 00:49:55,600

friend of mine who handled a munitions

891

00:50:02,940 --> 00:49:58,660

for the New York City Police Department

892

00:50:05,070 --> 00:50:02,950

and he trained snipers also and I showed

893

00:50:06,990 --> 00:50:05,080

him your article I showed him the

894

00:50:10,020 --> 00:50:07,000

picture of the bullet that Marjorie had

895

00:50:14,400 --> 00:50:10,030

studio shots taken up and he said

896

00:50:18,540 --> 00:50:14,410

Patricia I have never ever seen anything

897

00:50:22,130 --> 00:50:18,550

like this in all my years of working

898

00:50:24,630 --> 00:50:22,140

with the police and with ammunition

899

00:50:27,150 --> 00:50:24,640

never seen anything like this from a

900

00:50:28,800 --> 00:50:27,160

commercial weapon ever so it had

901
00:50:32,250 --> 00:50:28,810
basically been turned inside out

902
00:50:37,490 --> 00:50:32,260
and all the lead was gone right that's

903
00:50:43,680 --> 00:50:42,210
he had a force field up because it

904
00:50:45,330 --> 00:50:43,690
didn't find its target because you

905
00:50:47,940 --> 00:50:45,340
pointed it at the alka didn't hit the

906
00:50:52,350 --> 00:50:47,950
elk and you said you saw it just kind of

907
00:50:54,450 --> 00:50:52,360
floating and then drop but you picked it

908
00:50:55,680 --> 00:50:54,460
up which was it was great that you

909
00:51:01,559 --> 00:50:55,690
picked it up and put it

910
00:51:08,480 --> 00:51:01,569
in your canteen mm-hmm hi dad dad my

911
00:51:13,829 --> 00:51:08,490
poor that took me huh actually I don't

912
00:51:18,480 --> 00:51:13,839
know think it's an abduction I agreed to

913
00:51:20,280 --> 00:51:18,490

always you agreed to go so you don't

914

00:51:22,730 --> 00:51:20,290

think of it as they kidnapped you you

915

00:51:29,420 --> 00:51:22,740

think of it as you went along with it

916

00:51:37,589 --> 00:51:33,809

I think I'll take a trip Carl I was

917

00:51:40,980 --> 00:51:37,599

wondering if because you said the you

918

00:51:43,589 --> 00:51:40,990

didn't hit the elk with it were the eltz

919

00:51:46,770 --> 00:51:43,599

that they took did they take them living

920

00:51:53,120 --> 00:51:46,780

as yeah on the hoof shall we say as

921

00:51:57,180 --> 00:51:53,130

opposed to a sleeper or what have you

922

00:52:01,440 --> 00:51:57,190

well all I know is they floated across

923

00:52:07,910 --> 00:52:01,450

to peel mm-hmm and we're put in the back

924

00:52:14,730 --> 00:52:11,670

shall we all fit in that little cute

925

00:52:18,870 --> 00:52:14,740

tear McCoy but they were the elk were

926
00:52:20,940 --> 00:52:18,880
alive at the time yes so that's probably

927
00:52:22,410 --> 00:52:20,950
why they were alive he wanted to keep

928
00:52:28,740 --> 00:52:22,420
them alive that's why they didn't let

929
00:52:31,410 --> 00:52:28,750
the bullet hit them well I guess huh you

930
00:52:33,240 --> 00:52:31,420
also saw people in there humans right

931
00:52:40,109 --> 00:52:33,250
there you saw other human beings in

932
00:52:43,760 --> 00:52:40,119
there oh there was a man and three or

933
00:52:48,630 --> 00:52:43,770
four kids they were standing on the

934
00:52:52,940 --> 00:52:48,640
outside of this deal we went into when

935
00:52:56,030 --> 00:52:52,950
we come out they looked like humans so I

936
00:52:59,700 --> 00:52:56,040
don't know what they were doing there

937
00:53:04,740 --> 00:52:59,710
but they were talking amongst ourselves

938
00:53:09,070 --> 00:53:04,750

like nothing was wrong oh I don't know

939

00:53:13,660 --> 00:53:09,080

it may be these guys that got me

940

00:53:19,090 --> 00:53:13,670

were not human maybe they were hand

941

00:53:22,150 --> 00:53:19,100

roids oh that's a possibility death yes

942

00:53:26,380 --> 00:53:22,160

that's a possibility absolutely yes

943

00:53:30,310 --> 00:53:26,390

hey they did not walk they floated

944

00:53:37,350 --> 00:53:30,320

wherever they went they just floated

945

00:53:45,540 --> 00:53:41,340

these bend it hot scene up there

946

00:53:49,180 --> 00:53:45,550

Mike Malone er I don't know

947

00:53:51,640 --> 00:53:49,190

yeah that's it's hard to say now another

948

00:53:54,100 --> 00:53:51,650

thing that we just talked about off the

949

00:53:56,290 --> 00:53:54,110

air which we all find fascinating is

950

00:53:59,380 --> 00:53:56,300

that you still have a telepathic

951
00:54:05,920 --> 00:53:59,390
connection with also one you can still

952
00:54:22,320 --> 00:54:05,930
speak to him yeah

953
00:54:38,470 --> 00:54:31,870
about two weeks ago I told him I needed

954
00:54:43,410 --> 00:54:38,480
some rain the next day I got three

955
00:54:56,040 --> 00:54:43,420
inches of rain what else the day after

956
00:54:58,570 --> 00:54:56,050
we got to shut it out oh my goodness so

957
00:55:02,080 --> 00:54:58,580
like a good friend if he does something

958
00:55:12,370 --> 00:55:02,090
like that for you hmm

959
00:55:17,260 --> 00:55:12,380
I think he likes you could me I can ask

960
00:55:26,160 --> 00:55:17,270
him questions like how long will you

961
00:55:35,350 --> 00:55:33,280
hello hmm you mean you can ask him like

962
00:55:38,590 --> 00:55:35,360
how long I would live and he would know

963
00:55:42,730 --> 00:55:38,600

is that what you're saying yeah yeah nah

964

00:56:00,180 --> 00:55:42,740

my goodness my husband wants to know so

965

00:56:04,020 --> 00:56:00,190

he could buy the insurance policy I

966

00:56:14,110 --> 00:56:04,030

asked him about one of my wife's boat

967

00:56:18,820 --> 00:56:14,120

policies and he had cancer and I asked

968

00:56:22,890 --> 00:56:18,830

him is he gonna be okay he came back and

969

00:56:28,570 --> 00:56:22,900

said yeah he'll be home a month or so

970

00:56:36,720 --> 00:56:28,580

they'll be fine he come back he was

971

00:56:43,780 --> 00:56:40,570

incredible I'm amazed at this aren't you

972

00:56:47,230 --> 00:56:43,790

PK this is like this stutters yeah this

973

00:56:49,900 --> 00:56:47,240

is the first time I've heard this type

974

00:56:52,930 --> 00:56:49,910

of an interaction this kind of

975

00:56:55,480 --> 00:56:52,940

friendship where you're able to

976

00:56:57,700 --> 00:56:55,490

communicate with somebody from another

977

00:57:01,210 --> 00:56:57,710

galaxy I think he's from another galaxy

978

00:57:04,360 --> 00:57:01,220

who knows but yeah yeah I mean this is a

979

00:57:06,700 --> 00:57:04,370

there's a a really touching thing about

980

00:57:09,780 --> 00:57:06,710

this relationship you have with him is

981

00:57:14,410 --> 00:57:09,790

the first I've heard of it yeah

982

00:57:20,440 --> 00:57:14,420

it's a it's a blessing we had two

983

00:57:23,320 --> 00:57:20,450

questions please join us we also have a

984

00:57:27,790 --> 00:57:23,330

certificate from the psychiatry

985

00:57:31,570 --> 00:57:27,800

because he does not have any mental

986

00:57:38,230 --> 00:57:31,580

illnesses well I would not think so he's

987

00:57:41,670 --> 00:57:38,240

too bright yes very down-to-earth people

988

00:57:45,310 --> 00:57:41,680

I mean your your very down to earth and

989

00:57:49,510 --> 00:57:45,320

very methodical you know about how you

990

00:57:51,850 --> 00:57:49,520

go about things so it's it's just again

991

00:57:54,970 --> 00:57:51,860

the amazing experience that took you out

992

00:57:57,040 --> 00:57:54,980

of this reality and to another but I'm

993

00:58:00,580 --> 00:57:57,050

so impressed with your friendship with

994

00:58:03,700 --> 00:58:00,590

also one and I think again it really

995

00:58:08,620 --> 00:58:03,710

says something about who you both are as

996

00:58:11,260 --> 00:58:08,630

people that you are taken more or less

997

00:58:14,280 --> 00:58:11,270

under the wing of these advanced beings

998

00:58:16,630 --> 00:58:14,290

they must have respect for you which is

999

00:58:20,020 --> 00:58:16,640

unusual I mean because we must be like

1000

00:58:22,980 --> 00:58:20,030

ants to them you know but here here's

1001
00:58:26,950 --> 00:58:22,990
this friendship that you've developed

1002
00:58:30,810 --> 00:58:26,960
I'm just my heart is no love I mean I

1003
00:58:34,360 --> 00:58:30,820
just feel so amazed at this experience

1004
00:58:35,740 --> 00:58:34,370
this way it's it's incredible it's just

1005
00:58:38,830 --> 00:58:35,750
an incredible experience

1006
00:58:43,950 --> 00:58:38,840
no human you have you have you been told

1007
00:58:50,140 --> 00:58:43,960
anything to enhance your personal life

1008
00:59:01,750 --> 00:58:50,150
no so it's it's strictly on that makes

1009
00:59:07,500 --> 00:59:01,760
good sense also exactly can't help but

1010
00:59:10,540 --> 00:59:07,510
don't know yet oh okay you're on earth

1011
00:59:17,290 --> 00:59:10,550
okay can you be told something that's

1012
00:59:21,030 --> 00:59:17,300
going to take place know what I said can

1013
00:59:23,410 --> 00:59:21,040

he be told anything that may take place

1014

00:59:29,940 --> 00:59:23,420

sometimes if something that's coming in

1015

00:59:31,920 --> 00:59:29,950

the future they probably could yeah I

1016

00:59:36,049 --> 00:59:31,930

just don't

1017

00:59:42,089 --> 00:59:36,059

I don't look at the future I'm down

1018

00:59:43,920 --> 00:59:42,099

downstairs strictly one day at a time

1019

00:59:45,329 --> 00:59:43,930

that's that's nothing wrong with that

1020

00:59:46,740 --> 00:59:45,339

that's right

1021

00:59:48,900 --> 00:59:46,750

yes I'm types a little bit of dollar

1022

00:59:51,000 --> 00:59:48,910

just too much that's right

1023

01:00:03,960 --> 00:59:51,010

no Marjorie have you ever had any

1024

01:00:12,019 --> 01:00:03,970

dealings with also one you've seen it's

1025

01:00:16,470 --> 01:00:12,029

in the sky well I'd be sleeping it night

1026

01:00:19,099 --> 01:00:16,480

and wake up say we gotta go so we're

1027

01:00:22,589 --> 01:00:19,109

going how sap

1028

01:00:29,730 --> 01:00:22,599

so we went out south then we're supposed

1029

01:00:33,900 --> 01:00:29,740

to sit on this hill and we sit there for

1030

01:00:38,539 --> 01:00:33,910

about 15 minutes and we drove down so we

1031

01:00:41,819 --> 01:00:38,549

got done back down on the main road this

1032

01:00:46,289 --> 01:00:41,829

looked like an ice cream cone upside

1033

01:00:49,490 --> 01:00:46,299

down shot from something about a hundred

1034

01:00:56,400 --> 01:00:49,500

and fifty to two hundred feet in there

1035

01:01:02,880 --> 01:00:56,410

and then we smelt horrible like I don't

1036

01:01:07,440 --> 01:01:02,890

know dirty socks her yeah and so polite

1037

01:01:16,470 --> 01:01:07,450

I told her I've had a good time we

1038

01:01:21,420 --> 01:01:16,480

wasn't I don't know what they might have

1039

01:01:25,140 --> 01:01:21,430

took me and my wife and my son George

1040

01:01:28,710 --> 01:01:25,150

witness and they might have took us

1041

01:01:31,500 --> 01:01:28,720

again I don't know yeah you don't know

1042

01:01:33,900 --> 01:01:31,510

when in this situation but you you said

1043

01:01:36,109 --> 01:01:33,910

you were followed by lights in the sky

1044

01:01:40,819 --> 01:01:36,119

for a long time after the initial

1045

01:01:47,930 --> 01:01:45,510

my crew members even song huh heaven

1046

01:01:50,640 --> 01:01:47,940

sakes there wasn't just me

1047

01:01:52,910 --> 01:01:50,650

at least bit shy about letting you know

1048

01:01:55,440 --> 01:01:52,920

they were around then that's right

1049

01:01:58,950 --> 01:01:55,450

that's right they let you know they're

1050

01:02:03,569 --> 01:01:58,960

watching they were watching you hmm

1051
01:02:05,490 --> 01:02:03,579
gosh well why do you think they came to

1052
01:02:21,060 --> 01:02:05,500
you do you think it was just right place

1053
01:02:32,540 --> 01:02:21,070
right time wrong time they might have

1054
01:02:38,819 --> 01:02:35,930
oh okay

1055
01:02:44,430 --> 01:02:38,829
so other people have reported seeing

1056
01:02:48,210 --> 01:02:44,440
things okay okay so it's an the whole

1057
01:02:55,099 --> 01:02:48,220
area is is mystical for some reason

1058
01:03:03,740 --> 01:03:00,510
take pictures of the area a lot of them

1059
01:03:08,880 --> 01:03:03,750
would not go down into the actual area

1060
01:03:12,420 --> 01:03:08,890
they said it was too weird to they

1061
01:03:19,109 --> 01:03:12,430
refuse to go into the actual area so

1062
01:03:28,010 --> 01:03:19,119
they were they were spooked yeah yeah

1063
01:03:34,099 --> 01:03:30,690

the one think was really pray to it

1064

01:03:41,520 --> 01:03:34,109

where did you had the Japanese nothing

1065

01:03:43,069 --> 01:03:41,530

really they came and did a video down

1066

01:03:45,750 --> 01:03:43,079

there uh-huh

1067

01:03:52,110 --> 01:03:45,760

and they were they were afraid or they

1068

01:03:58,350 --> 01:03:56,850

you know right about you did they say

1069

01:04:03,870 --> 01:03:58,360

anything about what they were feeling or

1070

01:04:06,020 --> 01:04:03,880

what they anticipated the fear of no I

1071

01:04:13,860 --> 01:04:06,030

don't know what they were afraid that

1072

01:04:21,270 --> 01:04:13,870

maybe they've prayed that yeah yes they

1073

01:04:24,720 --> 01:04:21,280

could have been now when people heard

1074

01:04:27,660 --> 01:04:24,730

about this story this is back in 74 and

1075

01:04:29,760 --> 01:04:27,670

then on to 75 when you had your

1076

01:04:32,640 --> 01:04:29,770

television shows done you were also on

1077

01:04:34,890 --> 01:04:32,650

Leonard Nimoy's in search of they did a

1078

01:04:38,130 --> 01:04:34,900

segment about your story which I know is

1079

01:04:41,190 --> 01:04:38,140

excellent how did people treat you after

1080

01:04:43,590 --> 01:04:41,200

that were they accepting of this an

1081

01:04:49,710 --> 01:04:43,600

accepting of you were they supportive or

1082

01:04:52,950 --> 01:04:49,720

not I'm on the head one person say that

1083

01:04:57,500 --> 01:04:52,960

I was crazy and I talked to her for

1084

01:05:05,750 --> 01:04:57,510

about 30 minutes on the telephone she

1085

01:05:10,710 --> 01:05:08,370

that's good well you know and I think

1086

01:05:14,790 --> 01:05:10,720

it's it sounds like you live in a

1087

01:05:17,100 --> 01:05:14,800

community that is supportive and you all

1088

01:05:19,230 --> 01:05:17,110

stick together which is a good thing

1089

01:05:21,450 --> 01:05:19,240

because there's so many people that have

1090

01:05:24,270 --> 01:05:21,460

these experiences and then they get

1091

01:05:26,160 --> 01:05:24,280

treated so badly and so I'm really glad

1092

01:05:28,680 --> 01:05:26,170

to hear you were treated you were

1093

01:05:31,400 --> 01:05:28,690

treated well by your community at large

1094

01:05:34,260 --> 01:05:31,410

that's a wonderful thing to hear

1095

01:05:39,810 --> 01:05:34,270

definitely did it affect the children at

1096

01:05:45,600 --> 01:05:39,820

all even on my boss Mazda's felt the

1097

01:05:48,540 --> 01:05:45,610

same way they never said they accepted

1098

01:05:52,610 --> 01:05:48,550

it like it was good

1099

01:05:58,190 --> 01:05:52,620

wonder fantastic you know that is great

1100

01:06:02,070 --> 01:05:58,200

fact is a year after has happened to me

1101

01:06:03,260 --> 01:06:02,080

another company hired me for more money

1102

01:06:09,359 --> 01:06:03,270

than

1103

01:06:15,030 --> 01:06:09,369

making the poor well that's great second

1104

01:06:22,170 --> 01:06:15,040

long run yeah that's one that I had he

1105

01:06:26,700 --> 01:06:22,180

did anyway yeah that's good and I'll run

1106

01:06:28,010 --> 01:06:26,710

their World Service business for five

1107

01:06:34,620 --> 01:06:28,020

years

1108

01:06:38,670 --> 01:06:34,630

Victorian drilling and well service now

1109

01:06:43,620 --> 01:06:38,680

I had several man under me working and I

1110

01:06:46,170 --> 01:06:43,630

had no problem with none of them yes

1111

01:06:49,320 --> 01:06:46,180

this is excellent that's really good to

1112

01:06:52,560 --> 01:06:49,330

hear I have regained my faith in the

1113

01:06:53,089 --> 01:06:52,570

human race hearing that that's good very

1114

01:07:03,720 --> 01:06:53,099

good

1115

01:07:07,080 --> 01:07:03,730

Wow they said if it was anybody besides

1116

01:07:10,050 --> 01:07:07,090

Carl they would not have believed it but

1117

01:07:14,579 --> 01:07:10,060

no kidding Carl they believed it he's a

1118

01:07:17,280 --> 01:07:14,589

matter of fact oh that's great yes and

1119

01:07:19,829 --> 01:07:17,290

you can see there today I mean you're

1120

01:07:22,470 --> 01:07:19,839

both matter-of-fact people you're both

1121

01:07:24,540 --> 01:07:22,480

down to earth I can tell you both

1122

01:07:26,700 --> 01:07:24,550

wouldn't lie you make you would never

1123

01:07:30,300 --> 01:07:26,710

make up a story like this and besides it

1124

01:07:33,120 --> 01:07:30,310

so again outside of what you grew up

1125

01:07:35,430 --> 01:07:33,130

with what you knew about it just

1126

01:07:37,140 --> 01:07:35,440

wouldn't it's not possible I mean this

1127

01:07:38,849 --> 01:07:37,150

really happened that we have no doubt

1128

01:07:43,980 --> 01:07:38,859

and I know our audience has no doubt

1129

01:07:45,540 --> 01:07:43,990

that this truly did happen and Marjorie

1130

01:07:49,520 --> 01:07:45,550

can you get back on the phone for a

1131

01:07:54,060 --> 01:07:49,530

second I just want to ask you a question

1132

01:07:57,329 --> 01:07:54,070

okay go ahead um you know I'm just very

1133

01:08:00,750 --> 01:07:57,339

curious in terms of how this you see you

1134

01:08:02,430 --> 01:08:00,760

see this affecting your life in Carl's

1135

01:08:05,609 --> 01:08:02,440

life do you see it in a positive light

1136

01:08:07,440 --> 01:08:05,619

do you see that it was or how do you see

1137

01:08:09,300 --> 01:08:07,450

it I mean I just I'm gonna shut up and

1138

01:08:13,290 --> 01:08:09,310

just ask you the question how do you see

1139

01:08:15,839 --> 01:08:13,300

it well the way I see it if it hadn't

1140

01:08:17,050 --> 01:08:15,849

been for dr. sprinkle with neither one

1141

01:08:20,559 --> 01:08:17,060

of us would probably

1142

01:08:24,550 --> 01:08:20,569

be here tell us a little more about that

1143

01:08:28,230 --> 01:08:24,560

I wrote the book that I wrote I had to

1144

01:08:33,240 --> 01:08:28,240

write it about 20 years ago for my own

1145

01:08:41,650 --> 01:08:33,250

therapy trying to understand this mm-hmm

1146

01:08:45,340 --> 01:08:41,660

that kind of hypnosis with a pendulum

1147

01:08:47,500 --> 01:08:45,350

for Carl and I know Leo is a true healer

1148

01:08:50,980 --> 01:08:47,510

so I'm sure all of that really helped

1149

01:08:53,470 --> 01:08:50,990

put things in perspective not only that

1150

01:08:57,730 --> 01:08:53,480

Carl could call him in the middle of the

1151

01:09:01,360 --> 01:08:57,740

night and talk to him we had a lot of

1152

01:09:05,620 --> 01:09:01,370

things after this happened that happened

1153

01:09:09,480 --> 01:09:05,630

because of this and it's in my book that

1154

01:09:14,470 --> 01:09:09,490

Carl would have to talk to sprinkle and

1155

01:09:17,470 --> 01:09:14,480

try to understand it because Carl was

1156

01:09:19,990 --> 01:09:17,480

sure for a lot of times that he had to

1157

01:09:22,900 --> 01:09:20,000

have dreamt this he said it's just too

1158

01:09:30,490 --> 01:09:22,910

bizarre and I told him there's the

1159

01:09:34,300 --> 01:09:30,500

bullet there's the hospital bill that's

1160

01:09:36,340 --> 01:09:34,310

right there was the search party and and

1161

01:09:39,579 --> 01:09:36,350

there was all this other proof that we

1162

01:09:41,380 --> 01:09:39,589

have that something happened

1163

01:09:42,670 --> 01:09:41,390

Marjorie can you move a little closer so

1164

01:09:45,550 --> 01:09:42,680

we can see you and you move a little

1165

01:09:48,540 --> 01:09:45,560

closer to Carl there we want to see your

1166

01:09:51,670 --> 01:09:48,550

pretty face here thank you

1167

01:09:54,370 --> 01:09:51,680

well again a big thank you goes out to

1168

01:09:57,700 --> 01:09:54,380

Leo sprinkle doctor sprinkle is very

1169

01:10:00,040 --> 01:09:57,710

valuable in your integration of this

1170

01:10:02,860 --> 01:10:00,050

experience in your recovery from the

1171

01:10:05,200 --> 01:10:02,870

shock of it so thank goodness for

1172

01:10:07,630 --> 01:10:05,210

doctors sprinkle and we give a big shout

1173

01:10:11,470 --> 01:10:07,640

out to Leo he's certainly a dear friend

1174

01:10:12,940 --> 01:10:11,480

to so many and we appreciate he's he's a

1175

01:10:15,640 --> 01:10:12,950

great guy they hadn't been for him we

1176

01:10:17,260 --> 01:10:15,650

wouldn't have met you all and we were

1177

01:10:19,390 --> 01:10:17,270

very grateful I mean this is an

1178

01:10:22,260 --> 01:10:19,400

incredible story I can't wait for you to

1179

01:10:25,210 --> 01:10:22,270

finish your book exist so that we can

1180

01:10:27,640 --> 01:10:25,220

everybody so everybody can buy this as I

1181

01:10:30,460 --> 01:10:27,650

know we barely scratched the surface of

1182

01:10:30,879 --> 01:10:30,470

all of what has happened I know I've

1183

01:10:33,580 --> 01:10:30,889

read

1184

01:10:36,310 --> 01:10:33,590

countless articles but still we learned

1185

01:10:39,640 --> 01:10:36,320

even more tonight during the interview

1186

01:10:41,740 --> 01:10:39,650

though this is a story that has to be

1187

01:10:43,959 --> 01:10:41,750

told and we're so glad you're writing it

1188

01:10:47,590 --> 01:10:43,969

down Marjorie we're so happy that you're

1189

01:10:48,609 --> 01:10:47,600

doing that but the book should be out in

1190

01:10:51,580 --> 01:10:48,619

about a month

1191

01:11:07,660 --> 01:10:51,590

Oh wonderful just in time for a

1192

01:11:11,109 --> 01:11:07,670

Christmas gift right yes yes to anybody

1193

01:11:15,540 --> 01:11:11,119

after yeah doctor doctor sprinkle or

1194

01:11:19,330 --> 01:11:15,550

talk to somebody you know in truth

1195

01:11:23,950 --> 01:11:19,340

that's great advice yeah you don't want

1196

01:11:27,010 --> 01:11:23,960

to keep it all inside you can't sprinkle

1197

01:11:30,570 --> 01:11:27,020

who is able to help you through this and

1198

01:11:33,850 --> 01:11:30,580

help you understand all of it

1199

01:11:36,310 --> 01:11:33,860

then get on with your life don't dwell

1200

01:11:38,830 --> 01:11:36,320

on it that's and what I heard Marjorie

1201

01:11:43,720 --> 01:11:38,840

also say is don't dwell on it just keep

1202

01:11:46,930 --> 01:11:43,730

on going right right that's right well

1203

01:11:49,629 --> 01:11:46,940
