

# Caroline Cory | The Science of E.T. Contact Proves THEY Are Here

California Radio  
**MUFON**  
LORIEN FENTON

**WEDNESDAY** 11PM EASTERN  
8PM PACIFIC

Listen on

[inceptionradionetwork.com](http://inceptionradionetwork.com)

1  
00:00:10,400 --> 00:00:05,269  
and now your host of California guffawed

2  
00:00:13,040 --> 00:00:10,410  
radio Laurie infant welcome everyone to

3  
00:00:15,740 --> 00:00:13,050  
the California MUFON radio show I'm your

4  
00:00:17,780 --> 00:00:15,750  
host Lori Ann Fenton I am so glad you

5  
00:00:19,010 --> 00:00:17,790  
guys are with me here tonight boy I'll

6  
00:00:21,140 --> 00:00:19,020  
tell you lots of things have been

7  
00:00:25,310 --> 00:00:21,150  
happening this week the first thing that

8  
00:00:28,549 --> 00:00:25,320  
happened was that I actually signed the

9  
00:00:31,790 --> 00:00:28,559  
contract to go on KCUR with Tina

10  
00:00:35,419 --> 00:00:31,800  
Collette over at K cor I decided to do

11  
00:00:37,790 --> 00:00:35,429  
it it's been a two-year battle trying to

12  
00:00:39,889 --> 00:00:37,800  
decide whether I was going to add her

13  
00:00:42,650 --> 00:00:39,899

network to the list and I'm very happy

14

00:00:44,660 --> 00:00:42,660

to say I have done so so you guys will

15

00:00:48,680 --> 00:00:44,670

be able to hear me on Monday nights from

16

00:00:51,439 --> 00:00:48,690

8 to 10 p.m. on KCUR out of Las Vegas my

17

00:00:53,209 --> 00:00:51,449

favorite city in the world and it's

18

00:00:54,709 --> 00:00:53,219

gonna be a lot of fun it's gonna be a

19

00:00:58,669 --> 00:00:54,719

different type of show it's gonna be

20

00:01:01,579 --> 00:00:58,679

mostly conspiracy and a lot about JFK

21

00:01:03,889 --> 00:01:01,589

and a lot about the shootings and all

22

00:01:07,460 --> 00:01:03,899

the craziness as you guys all know I

23

00:01:09,859 --> 00:01:07,470

love a good conspiracy and so that's

24

00:01:11,120 --> 00:01:09,869

what it's gonna be about and I'm pretty

25

00:01:14,149 --> 00:01:11,130

excited about it

26

00:01:16,010 --> 00:01:14,159

and it's not gonna be a call-in show I

27

00:01:19,190 --> 00:01:16,020

was going to do a call-in show but I

28

00:01:20,780 --> 00:01:19,200

decided not to because I just I'm not

29

00:01:25,100 --> 00:01:20,790

really good with people

30

00:01:27,440 --> 00:01:25,110

oh god we'll get into that here in a few

31

00:01:30,080 --> 00:01:27,450

minutes and why I'm not good with people

32

00:01:32,870 --> 00:01:30,090

because I don't like to be wrong you

33

00:01:34,340 --> 00:01:32,880

know okay but then that's not true folks

34

00:01:35,959 --> 00:01:34,350

but I try to throw that out there

35

00:01:39,260 --> 00:01:35,969

because a lot of people that is their

36

00:01:42,170 --> 00:01:39,270

issue so um so I'm on K cor now on

37

00:01:46,639 --> 00:01:42,180

Monday night starting December 4th and

38

00:01:51,800 --> 00:01:46,649

also thank God the guys here at IR + MJ

39  
00:01:54,319 --> 00:01:51,810  
Lukas Bob tarmac and Joe champion have

40  
00:01:56,929 --> 00:01:54,329  
allowed me to share this show worldwide

41  
00:01:58,669 --> 00:01:56,939  
because you know without them being the

42  
00:02:01,399 --> 00:01:58,679  
great guy as they are here at the

43  
00:02:03,980 --> 00:02:01,409  
network by sharing my show it would not

44  
00:02:07,190 --> 00:02:03,990  
be simulcast not it's not simulcast

45  
00:02:12,110 --> 00:02:07,200  
tonight no it's being replayed on now

46  
00:02:15,380 --> 00:02:12,120  
Katie LK the fringe f FM the fringe dot

47  
00:02:15,820 --> 00:02:15,390  
F M so you can find them and they're

48  
00:02:18,760 --> 00:02:15,830  
really

49  
00:02:20,590 --> 00:02:18,770  
for guys they love my show and you but

50  
00:02:22,300 --> 00:02:20,600  
you got and also late night in the

51  
00:02:24,130 --> 00:02:22,310  
Midlands they've been playing my show

52  
00:02:26,380 --> 00:02:24,140  
over late night in the Midlands now for

53  
00:02:28,030 --> 00:02:26,390  
a good year and a half maybe two years I

54  
00:02:31,720 --> 00:02:28,040  
don't know but they grabbed this show

55  
00:02:35,230 --> 00:02:31,730  
they love the show they play also my

56  
00:02:37,390 --> 00:02:35,240  
Monday show at Rev radio and you know

57  
00:02:39,730 --> 00:02:37,400  
there's a lot of guys up there reading

58  
00:02:41,740 --> 00:02:39,740  
out guys a lot of radio networks

59  
00:02:43,780 --> 00:02:41,750  
internet radio networks replaying my

60  
00:02:45,490 --> 00:02:43,790  
podcast which I'm you know to be honest

61  
00:02:49,690 --> 00:02:45,500  
with I'm kind of flabbergasted because

62  
00:02:51,520 --> 00:02:49,700  
it's like me muah why be uh but as my

63  
00:02:54,220 --> 00:02:51,530

guess is just saying everybody's

64

00:02:57,880 --> 00:02:54,230

expecting now rants out of me so I guess

65

00:03:00,220 --> 00:02:57,890

are becoming my signature thing so we'll

66

00:03:02,890 --> 00:03:00,230

get one going here in just a moment but

67

00:03:05,230 --> 00:03:02,900

before I do I just want to thank all the

68

00:03:07,780 --> 00:03:05,240

guys out there the fringed on FM late

69

00:03:10,090 --> 00:03:07,790

nine the Midlands and all the guys here

70

00:03:11,949 --> 00:03:10,100

at IR and for sharing me with the world

71

00:03:15,910 --> 00:03:11,959

I really do appreciate that they don't

72

00:03:18,310 --> 00:03:15,920

know how much because you know I don't

73

00:03:19,810 --> 00:03:18,320

know I'm gonna start weeping now because

74

00:03:22,080 --> 00:03:19,820

you know the thing is there's so many

75

00:03:25,479 --> 00:03:22,090

networks out there that are just so

76

00:03:27,310 --> 00:03:25,489

grubby about holding on to their talent

77

00:03:28,870 --> 00:03:27,320

you know it's like they just can't let

78

00:03:31,600 --> 00:03:28,880

them go they can't let it be replayed

79

00:03:35,650 --> 00:03:31,610

anywhere and they just it's so you know

80

00:03:37,360 --> 00:03:35,660

it's it's not fair because isn't that

81

00:03:39,520 --> 00:03:37,370

what we're all here for isn't that why

82

00:03:41,050 --> 00:03:39,530

everybody started the radio networks is

83

00:03:43,509 --> 00:03:41,060

because they wanted to get the truth out

84

00:03:45,970 --> 00:03:43,519

about something and you know it all

85

00:03:47,890 --> 00:03:45,980

comes down to that and I and I applaud

86

00:03:50,800 --> 00:03:47,900

the guys here at IRM because they

87

00:03:54,220 --> 00:03:50,810

understand that they understand that if

88

00:03:56,110 --> 00:03:54,230

I'm on IR an and three others networks

89

00:03:58,540 --> 00:03:56,120

are broadcasting me it's doing as much

90

00:04:01,030 --> 00:03:58,550

good for irn as it is those networks

91

00:04:04,930 --> 00:04:01,040

it's doing good for everybody and that's

92

00:04:07,660 --> 00:04:04,940

a big win win and I just gotta say I so

93

00:04:09,900 --> 00:04:07,670

applaud them and you know they really

94

00:04:13,120 --> 00:04:09,910

have set a standard for all the other

95

00:04:15,009 --> 00:04:13,130

podcasting networks out there and they

96

00:04:16,990 --> 00:04:15,019

all know who I'm talking about there's a

97

00:04:19,180 --> 00:04:17,000

lot of them out there that are just like

98

00:04:21,940 --> 00:04:19,190

I said they're clingy to their talent

99

00:04:23,590 --> 00:04:21,950

they say nasty things about other

100

00:04:26,219 --> 00:04:23,600

people's networks I mean they do

101  
00:04:29,110 --> 00:04:26,229  
everything they can to sabotage anybody

102  
00:04:29,740 --> 00:04:29,120  
leaving them and what they don't

103  
00:04:32,020 --> 00:04:29,750  
understand

104  
00:04:34,270 --> 00:04:32,030  
is if they would share if they'd be more

105  
00:04:36,880 --> 00:04:34,280  
open if they'd just be more loving than

106  
00:04:38,440 --> 00:04:36,890  
just airing about the world and the

107  
00:04:41,170 --> 00:04:38,450  
truth that they're supposedly getting

108  
00:04:42,820 --> 00:04:41,180  
out there it would work for them it

109  
00:04:45,010 --> 00:04:42,830  
would work for them so well as sure

110  
00:04:47,500 --> 00:04:45,020  
worked here at IR an ir n is just

111  
00:04:49,360 --> 00:04:47,510  
growing like leaps and bounds and you

112  
00:04:51,640 --> 00:04:49,370  
know I don't know how to describe it

113  
00:04:53,830 --> 00:04:51,650

ir n really has their act together it's

114

00:04:56,320 --> 00:04:53,840

all I can say and so I'm very excited to

115

00:04:58,120 --> 00:04:56,330

be over at K cor I'm also excited still

116

00:05:01,900 --> 00:04:58,130

to be a revolution radio I've been there

117

00:05:03,610 --> 00:05:01,910

forever and I want to thank Nighthawk

118

00:05:06,580 --> 00:05:03,620

for having you know tricked me into

119

00:05:08,260 --> 00:05:06,590

getting on radio back in 2011 without

120

00:05:10,450 --> 00:05:08,270

Night Hawk over revolution radio

121

00:05:12,640 --> 00:05:10,460

tricking me into it this would I would

122

00:05:14,290 --> 00:05:12,650

never be here guys and you guys all know

123

00:05:18,730 --> 00:05:14,300

the story I mean I thought he had 22

124

00:05:21,250 --> 00:05:18,740

listeners and I was vomiting and shaking

125

00:05:23,140 --> 00:05:21,260

like a leaf that's how it all started

126

00:05:25,960 --> 00:05:23,150

for me it was like oh I can't do this

127

00:05:28,480 --> 00:05:25,970

what I was trying to quit I never wanted

128

00:05:31,510 --> 00:05:28,490

to be a radio broadcaster this is not my

129

00:05:33,790 --> 00:05:31,520

field guys I tried it once in college

130

00:05:36,550 --> 00:05:33,800

and for a couple of months when I was

131

00:05:38,740 --> 00:05:36,560

doing communications and I realized

132

00:05:42,640 --> 00:05:38,750

television and radio are not my thing

133

00:05:45,850 --> 00:05:42,650

and here we are you know I'm 60 years

134

00:05:47,650 --> 00:05:45,860

old and I'm in radio and now I'm in

135

00:05:49,660 --> 00:05:47,660

television and and it's not real

136

00:05:51,640 --> 00:05:49,670

television television it's Internet

137

00:05:53,620 --> 00:05:51,650

television but still I mean I still have

138

00:05:55,990 --> 00:05:53,630

to go to a set I got to sit there I got

139

00:06:00,010 --> 00:05:56,000

any film there's take you know the whole

140

00:06:01,930 --> 00:06:00,020

bit it might as well be you know and I'm

141

00:06:04,480 --> 00:06:01,940

just going how did this all happen to me

142

00:06:06,610 --> 00:06:04,490

I just want to make pots I just want to

143

00:06:09,700 --> 00:06:06,620

make jewelry I just want to make goat

144

00:06:11,740 --> 00:06:09,710

soap you know and I'm just like what but

145

00:06:14,620 --> 00:06:11,750

see this is the coolest part about the

146

00:06:16,900 --> 00:06:14,630

whole thing I have been assured by my

147

00:06:18,670 --> 00:06:16,910

angel aliens I called them my angel

148

00:06:20,530 --> 00:06:18,680

aliens now because I have no idea what

149

00:06:22,030 --> 00:06:20,540

to call them I have no idea what

150

00:06:24,760 --> 00:06:22,040

dimensional time-space there and I have

151  
00:06:27,280 --> 00:06:24,770  
no idea if they're from V God the AI God

152  
00:06:28,930 --> 00:06:27,290  
the reptilian gods I mean I have no idea

153  
00:06:31,540 --> 00:06:28,940  
where these guys come from but they're

154  
00:06:34,090 --> 00:06:31,550  
fallen angels maybe they're tricking me

155  
00:06:35,740 --> 00:06:34,100  
I don't know I mean I have no idea but I

156  
00:06:38,880 --> 00:06:35,750  
can tell you this I was telling somebody

157  
00:06:42,160 --> 00:06:38,890  
the other day they've kept me alive

158  
00:06:43,570 --> 00:06:42,170  
since I was 18 months old in the crib in

159  
00:06:46,000 --> 00:06:43,580  
that hospital

160  
00:06:47,590 --> 00:06:46,010  
my grandmother said she saw the angel

161  
00:06:49,270 --> 00:06:47,600  
bite at the crib and knew I was gonna be

162  
00:06:52,660 --> 00:06:49,280  
fine and fell asleep and my parents were

163  
00:06:55,570 --> 00:06:52,670

mortified I mean I'll never forget that

164

00:06:57,430 --> 00:06:55,580

story now I can't remember she this is

165

00:06:59,410 --> 00:06:57,440

the part I've talked to my sisters and

166

00:07:02,020 --> 00:06:59,420

my parents about this that I've gotten

167

00:07:04,540 --> 00:07:02,030

three different stories the the story

168

00:07:06,610 --> 00:07:04,550

number one is she saw the angel by the

169

00:07:09,340 --> 00:07:06,620

crib story number two is she saw the

170

00:07:12,010 --> 00:07:09,350

same angel she saw when she was very

171

00:07:14,530 --> 00:07:12,020

sick and dying when she was 13 or 14

172

00:07:17,020 --> 00:07:14,540

years old that was app that was at her

173

00:07:20,500 --> 00:07:17,030

window at their farmhouse in Idaho and

174

00:07:22,750 --> 00:07:20,510

she said she saw it in a dream now while

175

00:07:26,170 --> 00:07:22,760

she was by the crib and then the third

176

00:07:29,440 --> 00:07:26,180

version is she saw the angel by the crib

177

00:07:31,870 --> 00:07:29,450

that she saw when she was dying when she

178

00:07:34,210 --> 00:07:31,880

was younger and went to sleep because

179

00:07:36,280 --> 00:07:34,220

she knew she I would be okay because the

180

00:07:39,130 --> 00:07:36,290

angel had told her at that time she

181

00:07:41,650 --> 00:07:39,140

would be okay and now she knew I was

182

00:07:44,980 --> 00:07:41,660

gonna be okay so there she saw it she

183

00:07:48,160 --> 00:07:44,990

dreamed it and she saw the she saw an

184

00:07:50,620 --> 00:07:48,170

angel she saw and dreamed the same angel

185

00:07:53,100 --> 00:07:50,630

or she actually saw the same angel who

186

00:07:57,010 --> 00:07:53,110

knows what it is but the story goes that

187

00:07:59,590 --> 00:07:57,020

somehow she knew I was going to be safe

188

00:08:01,870 --> 00:07:59,600

and fine and Here I am laying there with

189

00:08:04,540 --> 00:08:01,880

little sandbags all over me keeping me

190

00:08:08,020 --> 00:08:04,550

from moving because I just ate like five

191

00:08:11,610 --> 00:08:08,030

tablespoons of warfarin and my blood was

192

00:08:14,920 --> 00:08:11,620

so thin it was seeping through my veins

193

00:08:16,450 --> 00:08:14,930

I'm like dying here you know and they

194

00:08:18,670 --> 00:08:16,460

didn't know what kind of organ damage

195

00:08:20,410 --> 00:08:18,680

had happened or brain damage maybe I'm

196

00:08:22,750 --> 00:08:20,420

just brain damaged maybe that's the

197

00:08:24,820 --> 00:08:22,760

whole problem you know I still they

198

00:08:26,890 --> 00:08:24,830

always said growing up I was always so

199

00:08:31,780 --> 00:08:26,900

different and they were very worried

200

00:08:33,520 --> 00:08:31,790

about me and I got really wild when I

201  
00:08:35,560 --> 00:08:33,530  
was a teenager for you guys but I was

202  
00:08:38,560 --> 00:08:35,570  
always wild you know I always said no I

203  
00:08:40,480 --> 00:08:38,570  
always did what I wanted I'd like run

204  
00:08:42,610 --> 00:08:40,490  
away from home all the time all day long

205  
00:08:44,650 --> 00:08:42,620  
I'd be gone until midnight they'd be out

206  
00:08:47,770 --> 00:08:44,660  
looking for me and I'm out you know in

207  
00:08:51,340 --> 00:08:47,780  
the woods you know play with frogs you

208  
00:08:54,250 --> 00:08:51,350  
know I mean just I was not your normal

209  
00:08:56,260 --> 00:08:54,260  
kid I know that but then when I started

210  
00:08:57,310 --> 00:08:56,270  
dancing at 6 years old everything

211  
00:08:59,290 --> 00:08:57,320  
changed it

212  
00:09:02,020 --> 00:08:59,300  
like oh I finally found what I was gonna

213  
00:09:04,630 --> 00:09:02,030

do the rest of my life anyhow so I

214

00:09:08,020 --> 00:09:04,640

digressed away from my my rant tonight

215

00:09:10,240 --> 00:09:08,030

anyhow so who knows what my angels are

216

00:09:12,910 --> 00:09:10,250

but they've kind of guided me into this

217

00:09:15,670 --> 00:09:12,920

whole radio and TV thing and you know

218

00:09:20,050 --> 00:09:15,680

seriously folks I was telling my story

219

00:09:23,410 --> 00:09:20,060

on the other Network about this another

220

00:09:25,420 --> 00:09:23,420

about a week ago maybe no it was Sunday

221

00:09:28,000 --> 00:09:25,430

night a week ago I was thinking about

222

00:09:30,400 --> 00:09:28,010

quitting for good everything again I was

223

00:09:33,400 --> 00:09:30,410

having one of those moments it was truly

224

00:09:35,530 --> 00:09:33,410

the the moment you know like okay I've

225

00:09:37,600 --> 00:09:35,540

got to quit you know I can't afford this

226

00:09:41,200 --> 00:09:37,610

it's taking way too much money out of my

227

00:09:43,330 --> 00:09:41,210

pocket how am I gonna do you know it's

228

00:09:44,980 --> 00:09:43,340

just I can't feed the cats I mean kitty

229

00:09:46,660 --> 00:09:44,990

litter when it gets thick you know guys

230

00:09:50,020 --> 00:09:46,670

you know when it gets the worst is when

231

00:09:52,660 --> 00:09:50,030

I don't care if I eat and I all I need

232

00:09:55,210 --> 00:09:52,670

is coffee if I got my coffee I'm good

233

00:09:57,310 --> 00:09:55,220

I'm good coffee creamer and sweetener

234

00:09:59,290 --> 00:09:57,320

hey I'm good I'm good for two days I can

235

00:10:01,780 --> 00:09:59,300

go onto the coffee fast two days and I'm

236

00:10:03,880 --> 00:10:01,790

fine but when the cats are meowing and

237

00:10:06,040 --> 00:10:03,890

there's dirty kitty litter and they just

238

00:10:08,020 --> 00:10:06,050

won't go you know they're like crossing

239

00:10:10,180 --> 00:10:08,030

their little kitty legs and saying this

240

00:10:12,100 --> 00:10:10,190

is horrible you know they're just

241

00:10:14,140 --> 00:10:12,110

miserable they said we were not we're

242

00:10:16,240 --> 00:10:14,150

not in India why are you putting us

243

00:10:19,120 --> 00:10:16,250

through those you know I give you I can

244

00:10:22,510 --> 00:10:19,130

hear their little brains just talking at

245

00:10:25,450 --> 00:10:22,520

me yeah when the kitty litter is very

246

00:10:27,250 --> 00:10:25,460

dirty and there's very little cats left

247

00:10:30,010 --> 00:10:27,260

to shake in the little container to get

248

00:10:32,800 --> 00:10:30,020

them to come running at night that's

249

00:10:34,960 --> 00:10:32,810

when it hits me it hits me that I could

250

00:10:37,090 --> 00:10:34,970

be doing I could be working those eight

251

00:10:39,460 --> 00:10:37,100

to ten hours a week that I'm on radio

252

00:10:41,650 --> 00:10:39,470

and doing all the crazy things I do and

253

00:10:43,720 --> 00:10:41,660

I could be making a lot of money I could

254

00:10:46,180 --> 00:10:43,730

be surviving just fine and I'm in the

255

00:10:48,010 --> 00:10:46,190

richest place in the world to survive it

256

00:10:49,780 --> 00:10:48,020

I could be surviving just fine I can't

257

00:10:52,150 --> 00:10:49,790

pay very well for what I do it's just I

258

00:10:55,480 --> 00:10:52,160

don't work very much that's the problem

259

00:10:58,500 --> 00:10:55,490

so I mean trust me folks I've been

260

00:11:01,690 --> 00:10:58,510

offered some jobs I mean like real jobs

261

00:11:03,280 --> 00:11:01,700

like will pay you a lot a lot of money

262

00:11:05,590 --> 00:11:03,290

like hundreds of thousands of dollars

263

00:11:08,140 --> 00:11:05,600

sit here and manage all these people and

264

00:11:10,090 --> 00:11:08,150

I'm like no thank you I can't do that

265

00:11:11,170 --> 00:11:10,100

I'm not that kind of person anymore I

266

00:11:13,960 --> 00:11:11,180

was in my

267

00:11:16,210 --> 00:11:13,970

like mid-30s but not anymore there's no

268

00:11:19,840 --> 00:11:16,220

way ever to anything like that again

269

00:11:22,600 --> 00:11:19,850

so I digressed again but I'm laying a

270

00:11:24,760 --> 00:11:22,610

bed and the cats are you know screamin

271

00:11:26,950 --> 00:11:24,770

and I'm miserable can't feed them too

272

00:11:29,020 --> 00:11:26,960

much and I finally found some money the

273

00:11:32,050 --> 00:11:29,030

next day and I'm thinking that's it I'm

274

00:11:34,090 --> 00:11:32,060

gonna quit and I also had realized that

275

00:11:35,950 --> 00:11:34,100

the vibrating in my upper body that

276

00:11:37,480 --> 00:11:35,960

happens before the Downloads from

277

00:11:39,280 --> 00:11:37,490

whatever these things are that

278

00:11:41,850 --> 00:11:39,290

communicate with me whether or not it's

279

00:11:44,380 --> 00:11:41,860

my Higher Self I know it could be that

280

00:11:46,090 --> 00:11:44,390

had kind of stopped for the last six

281

00:11:47,650 --> 00:11:46,100

months and I'm thinking oh goody could

282

00:11:49,180 --> 00:11:47,660

either leaving me alone maybe I can

283

00:11:51,070 --> 00:11:49,190

really quit this time and everything

284

00:11:53,830 --> 00:11:51,080

will be done at all it's all over yeah

285

00:11:55,600 --> 00:11:53,840

hey you know I'm like I'm actually I was

286

00:11:58,540 --> 00:11:55,610

late again I'm so excited I was gonna

287

00:12:00,700 --> 00:11:58,550

quit everything planning out starting a

288

00:12:03,040 --> 00:12:00,710

jewelry business and a pottery business

289

00:12:04,870 --> 00:12:03,050

and you know I'm sitting here oh yeah

290

00:12:07,120 --> 00:12:04,880

I'll have time to do all those things I

291

00:12:09,460 --> 00:12:07,130

want to do and I was actually getting

292

00:12:12,970 --> 00:12:09,470

excited and then God wouldn't you know

293

00:12:18,340 --> 00:12:12,980

it the next morning I wake up in my

294

00:12:21,490 --> 00:12:18,350

body's vibrating no no no don't do this

295

00:12:25,900 --> 00:12:21,500

to me and I I just kind of faintly hear

296

00:12:26,890 --> 00:12:25,910

in my head it's okay it's okay just a

297

00:12:30,730 --> 00:12:26,900

while longer

298

00:12:32,980 --> 00:12:30,740

I heard it's okay it's okay just a while

299

00:12:35,920 --> 00:12:32,990

longer I don't know how but long a while

300

00:12:38,740 --> 00:12:35,930

longer is I tried to quit in 14-inch now

301  
00:12:40,540 --> 00:12:38,750  
seventeen so you know what what's a

302  
00:12:44,740 --> 00:12:40,550  
while that's kind of what they told me

303  
00:12:47,140 --> 00:12:44,750  
back then so I'm like okay okay it's

304  
00:12:49,270 --> 00:12:47,150  
fine I was really I was getting bad then

305  
00:12:51,250 --> 00:12:49,280  
I was like man I was like human man and

306  
00:12:53,860 --> 00:12:51,260  
I sit down at my computer I'm like no

307  
00:13:00,160 --> 00:12:53,870  
I'm not gonna do it I'm just not gonna

308  
00:13:03,280 --> 00:13:00,170  
do it I'm not gonna do it and I opened

309  
00:13:05,680 --> 00:13:03,290  
my very first email and it's from this

310  
00:13:07,180 --> 00:13:05,690  
lovely lady named Nikki and I'm not

311  
00:13:09,640 --> 00:13:07,190  
gonna tell you the whole gist of it

312  
00:13:12,070 --> 00:13:09,650  
basically she lived in South Africa and

313  
00:13:14,920 --> 00:13:12,080

she just loved my show and they moved to

314

00:13:16,750 --> 00:13:14,930

England and she said oh my god we love

315

00:13:19,210 --> 00:13:16,760

your show and I was so bored I wasn't be

316

00:13:21,040 --> 00:13:19,220

able to find you out here and you know

317

00:13:23,290 --> 00:13:21,050

it's the internet so she found me so

318

00:13:24,460 --> 00:13:23,300

she's all happy again but you know I get

319

00:13:26,980 --> 00:13:24,470

these emails

320

00:13:29,620 --> 00:13:26,990

and it's not about the fact that I get

321

00:13:31,660 --> 00:13:29,630

them all I don't get them often I very

322

00:13:34,540 --> 00:13:31,670

seldom hear from anybody about anything

323

00:13:35,980 --> 00:13:34,550

I like most of the time I think MJ and

324

00:13:38,830 --> 00:13:35,990

these guys are fooling me

325

00:13:41,200 --> 00:13:38,840

like they say oh yeah yeah you've got a

326

00:13:42,910 --> 00:13:41,210

radio show but really it's just going

327

00:13:50,050 --> 00:13:42,920

out to like a hundred people somewhere

328

00:13:52,030 --> 00:13:50,060

in Istanbul you know most of the time I

329

00:13:54,070 --> 00:13:52,040

swear to god you guys I never hear from

330

00:13:56,740 --> 00:13:54,080

anybody I hardly ever it's just air

331

00:13:58,330 --> 00:13:56,750

every once in a blue moon someone will

332

00:14:00,520 --> 00:13:58,340

get a hold of me and say oh I'm your

333

00:14:02,920 --> 00:14:00,530

biggest fan or something like that be

334

00:14:05,710 --> 00:14:02,930

like oh I trip to a bush pedal and then

335

00:14:07,900 --> 00:14:05,720

I then I go Oh God okay this gave me six

336

00:14:10,720 --> 00:14:07,910

months of life force back into my radio

337

00:14:14,290 --> 00:14:10,730

shows you know so it's quite

338

00:14:16,480 --> 00:14:14,300

extraordinary I gotta say boy I wouldn't

339

00:14:20,950 --> 00:14:16,490

wish this upon anybody to be honest with

340

00:14:23,290 --> 00:14:20,960

you I find it it's it's just bizarre

341

00:14:26,890 --> 00:14:23,300

that's all I can say it's just frickin

342

00:14:29,350 --> 00:14:26,900

bizarre okay so that's my little that's

343

00:14:32,620 --> 00:14:29,360

my little personal rant for today now I

344

00:14:34,480 --> 00:14:32,630

want to get off onto a UFO rant oh and

345

00:14:36,430 --> 00:14:34,490

the reason I did that personal rant is I

346

00:14:39,640 --> 00:14:36,440

want to thank all of you who do listen

347

00:14:43,570 --> 00:14:39,650

to me that was the whole point the point

348

00:14:45,310 --> 00:14:43,580

the point of the ramp tonight I want to

349

00:14:46,960 --> 00:14:45,320

thank you all for listening to me

350

00:14:50,020 --> 00:14:46,970

I really do I want to thank you all from

351

00:14:53,050 --> 00:14:50,030

the bottom of my heart it's like without

352

00:14:55,240 --> 00:14:53,060

you and without those angel aliens

353

00:14:58,330 --> 00:14:55,250

bugging me all the time to keep

354

00:15:01,090 --> 00:14:58,340

informing you guys I wouldn't be able to

355

00:15:03,790 --> 00:15:01,100

do it honestly you know when your your

356

00:15:05,740 --> 00:15:03,800

timing of your little emails that come

357

00:15:08,800 --> 00:15:05,750

to me that just say thank you for doing

358

00:15:11,140 --> 00:15:08,810

your show I mean one sentence turns I

359

00:15:12,610 --> 00:15:11,150

sit here and I swear to God and I'm and

360

00:15:15,160 --> 00:15:12,620

I probably shouldn't admit this but I

361

00:15:17,170 --> 00:15:15,170

cry and then I go oh my god someone

362

00:15:19,840 --> 00:15:17,180

cares you know and I'm just I'm a mess

363

00:15:21,400 --> 00:15:19,850

you know and I'm like I can't quit I

364

00:15:23,590 --> 00:15:21,410

can't quit you know if there's one

365

00:15:26,170 --> 00:15:23,600

person out there who actually listens to

366

00:15:28,780 --> 00:15:26,180

me you know and then I ask myself is

367

00:15:31,180 --> 00:15:28,790

that my ego or is that some kind of a

368

00:15:33,220 --> 00:15:31,190

crazy thing that I gotta do because I'm

369

00:15:36,310 --> 00:15:33,230

obsessed for no reason and then I

370

00:15:38,140 --> 00:15:36,320

finally realize no I'm not that person

371

00:15:40,120 --> 00:15:38,150

I'm not the Eco I'm not

372

00:15:43,600 --> 00:15:40,130

the people out there that I could

373

00:15:45,610 --> 00:15:43,610

mention name and just go on about from

374

00:15:47,290 --> 00:15:45,620

that going do you guys all know who I'm

375

00:15:51,370 --> 00:15:47,300

talking about it's a people that have to

376

00:15:53,440 --> 00:15:51,380

hear their own voice all night long I

377

00:16:29,170 --> 00:15:53,450

kind of you know honestly I don't care

378

00:16:35,260 --> 00:16:29,180

that's the worst part maybe try to give

379

00:16:37,600 --> 00:16:35,270

you guys you know bang oh maybe I should

380

00:16:39,400 --> 00:16:37,610

just start doing it you know it doesn't

381

00:16:41,800 --> 00:16:39,410

look like it's gonna end up anytime soon

382

00:16:45,190 --> 00:16:41,810

and I do really owe that to you guys you

383

00:16:47,920 --> 00:16:45,200

teach me so I'm gonna try I'll tell you

384

00:16:50,530 --> 00:16:47,930

what in January I'm gonna read the web

385

00:16:53,769 --> 00:16:50,540

website over the holidays I won't have

386

00:16:56,980 --> 00:16:53,779

time until I you know basically put that

387

00:16:59,440 --> 00:16:56,990

into the drawer until December

388

00:17:01,810 --> 00:16:59,450

you know rebuild the website start my

389

00:17:03,550 --> 00:17:01,820

membership site and hopefully you guys

390

00:17:05,919 --> 00:17:03,560

can support me too I mean it's only

391

00:17:08,199 --> 00:17:05,929

gonna be a few bucks a month but I've

392

00:17:10,360 --> 00:17:08,209

also realized how much money I'm losing

393

00:17:12,669 --> 00:17:10,370

doing this and I really do kind of need

394

00:17:15,189 --> 00:17:12,679

your support so this is a thank you for

395

00:17:18,280 --> 00:17:15,199

listening and maybe in January you guys

396

00:17:19,929 --> 00:17:18,290

can all start helping me out because for

397

00:17:22,449 --> 00:17:19,939

me being here you know the one thing

398

00:17:24,370 --> 00:17:22,459

like I said I love doing this I really

399

00:17:27,010 --> 00:17:24,380

do love it in spite of the fact that

400

00:17:30,210 --> 00:17:27,020

it's like you know been forced upon me

401  
00:17:35,169 --> 00:17:30,220  
like spoon-fed and shoved down my throat

402  
00:17:36,549 --> 00:17:35,179  
and gently of course but the one thing I

403  
00:17:38,860 --> 00:17:36,559  
really don't like is the fact that I

404  
00:17:41,410 --> 00:17:38,870  
have to worry about my cats and you guys

405  
00:17:43,390 --> 00:17:41,420  
you know my cats are my kids and that's

406  
00:17:44,799 --> 00:17:43,400  
the most important thing to me you know

407  
00:17:46,840 --> 00:17:44,809  
and I'm worried they're getting old

408  
00:17:48,970 --> 00:17:46,850  
they're really getting old and and every

409  
00:17:51,580 --> 00:17:48,980  
day I wake up and I look at them they're

410  
00:17:52,240 --> 00:17:51,590  
usually guys gonna love this baby boy

411  
00:17:56,170 --> 00:17:52,250  
with his

412  
00:17:58,600 --> 00:17:56,180  
bear big feet feet was on my shoulder

413  
00:18:00,550 --> 00:17:58,610

laying across the side of my body and

414

00:18:04,210 --> 00:18:00,560

he's really long so he goes from my hips

415

00:18:07,000 --> 00:18:04,220

all the way up to my shoulder and he's

416

00:18:09,670 --> 00:18:07,010

got these big claws and he hangs them

417

00:18:11,970 --> 00:18:09,680

over my shoulder right down by my neck

418

00:18:14,980 --> 00:18:11,980

and then he looks at me and he just

419

00:18:17,560 --> 00:18:14,990

perches up there like the Sphinx in the

420

00:18:19,480 --> 00:18:17,570

desert with his paws hanging over me and

421

00:18:21,100 --> 00:18:19,490

all I do is I kind of turn my head to

422

00:18:23,230 --> 00:18:21,110

the side and look up and there he's

423

00:18:26,020 --> 00:18:23,240

right there three inches away from my

424

00:18:28,840 --> 00:18:26,030

nose and it's just it's the most amazing

425

00:18:31,480 --> 00:18:28,850

thing and he just has the biggest blue

426

00:18:33,730 --> 00:18:31,490

eyes and he just melts my heart and it's

427

00:18:36,310 --> 00:18:33,740

like I'm looking at my baby love and

428

00:18:37,780 --> 00:18:36,320

what can I say I mean that's it that's

429

00:18:39,760 --> 00:18:37,790

what it's all about for me and if

430

00:18:41,320 --> 00:18:39,770

anything happened yeah you know they're

431

00:18:44,320 --> 00:18:41,330

getting old and I just every day I wake

432

00:18:46,630 --> 00:18:44,330

up I go okay don't you know and I just

433

00:18:47,980 --> 00:18:46,640

pray and I pray and I pray so you know

434

00:18:50,620 --> 00:18:47,990

I'm trying to keep them until they're at

435

00:18:53,860 --> 00:18:50,630

least 22 that's my goal

436

00:18:55,450 --> 00:18:53,870

22 year old cats and well I'll tell you

437

00:18:57,910 --> 00:18:55,460

what I'm not going to be on the show

438

00:19:00,010 --> 00:18:57,920

that week when the cats are gone you

439

00:19:01,870 --> 00:19:00,020

guys will be a big old black banner out

440

00:19:03,640 --> 00:19:01,880

there that says lorian's children have

441

00:19:06,610 --> 00:19:03,650

passed and she's taking some time off

442

00:19:08,950 --> 00:19:06,620

because seriously there they are my

443

00:19:10,690 --> 00:19:08,960

pride my joy my love their their

444

00:19:12,490 --> 00:19:10,700

everything and they're so smart

445

00:19:14,350 --> 00:19:12,500

that's why I say I'm prideful of them

446

00:19:16,510 --> 00:19:14,360

because they're so smart they really are

447

00:19:19,870 --> 00:19:16,520

smart they're like dogs

448

00:19:22,050 --> 00:19:19,880

it's amazing to me anyhow okay now that

449

00:19:24,700 --> 00:19:22,060

was the personal rant believe it at that

450

00:19:26,620 --> 00:19:24,710

I'm gonna get to the rant rant and I

451  
00:19:27,820 --> 00:19:26,630  
hope my guest doesn't mind me keeping

452  
00:19:28,930 --> 00:19:27,830  
her a little longer but this will only

453  
00:19:31,300 --> 00:19:28,940  
take a few minutes

454  
00:19:34,810 --> 00:19:31,310  
I was listening now you guys are gonna

455  
00:19:36,790 --> 00:19:34,820  
love this I got sent a link to the Corey

456  
00:19:38,530 --> 00:19:36,800  
Goode presentation in Europe I don't

457  
00:19:41,200 --> 00:19:38,540  
know where it was in Europe all he knows

458  
00:19:42,910 --> 00:19:41,210  
it was on September 20th so you guys can

459  
00:19:44,650 --> 00:19:42,920  
all look it up if you want to I don't

460  
00:19:46,930 --> 00:19:44,660  
care I don't even care anymore I'm just

461  
00:19:51,640 --> 00:19:46,940  
so mad right now I could just fit

462  
00:19:53,530 --> 00:19:51,650  
bullets about this man you know I have a

463  
00:19:56,260 --> 00:19:53,540

lot of good friends in ufology

464

00:19:58,990 --> 00:19:56,270

and I'm gonna mention a few of them

465

00:20:02,740 --> 00:19:59,000

David Adair mark McCandlish Melinda

466

00:20:04,570 --> 00:20:02,750

Leslie my buddy Petronas the list goes

467

00:20:06,130 --> 00:20:04,580

on and on I mean I can go down with

468

00:20:08,710 --> 00:20:06,140

these are people

469

00:20:09,430 --> 00:20:08,720

we've been in UF ology for 30 years

470

00:20:13,780 --> 00:20:09,440

minimum

471

00:20:16,090 --> 00:20:13,790

each okay Misha Misha was in it and out

472

00:20:18,190 --> 00:20:16,100

of it and back unit Misha Johnston I

473

00:20:22,210 --> 00:20:18,200

mean the woman's been 300 life's been

474

00:20:25,390 --> 00:20:22,220

threatened Stan Roman Ahmed threatened

475

00:20:29,289 --> 00:20:25,400

he's been almost killed he's been in car

476  
00:20:35,860 --> 00:20:29,299  
he's been accused of pornography I go

477  
00:20:37,810 --> 00:20:35,870  
back with a Robert Dean I mean but you

478  
00:20:39,370 --> 00:20:37,820  
guys don't understand is I may have been

479  
00:20:42,070 --> 00:20:39,380  
behind the scenes that nobody knew who I

480  
00:20:44,980 --> 00:20:42,080  
was but I followed all these people I am

481  
00:20:46,930 --> 00:20:44,990  
I I did research on them I knew who they

482  
00:20:49,720 --> 00:20:46,940  
were I knew what they were doing I knew

483  
00:20:51,340 --> 00:20:49,730  
what was happening I kept looking tad

484  
00:20:55,900 --> 00:20:51,350  
there's a whole bunch of others I mean I

485  
00:20:58,270 --> 00:20:55,910  
probably 150 to 200 other people Sheree

486  
00:21:00,100 --> 00:20:58,280  
adamak was around with Greer back in the

487  
00:21:02,409 --> 00:21:00,110  
day when he started this whole thing I

488  
00:21:04,299 --> 00:21:02,419

followed rare to but kept you know kept

489

00:21:06,610 --> 00:21:04,309

in the shadows just keeping sure you

490

00:21:08,470 --> 00:21:06,620

know keeping an eye on him and then

491

00:21:10,930 --> 00:21:08,480

there's Jordan Maxwell I kept an eye on

492

00:21:13,480 --> 00:21:10,940

him his entire time I mean I'd go to

493

00:21:15,669 --> 00:21:13,490

these these conferences I was quite as a

494

00:21:18,730 --> 00:21:15,679

Churchmouse never talked to anybody just

495

00:21:20,890 --> 00:21:18,740

took notes took mental notes it would

496

00:21:24,460 --> 00:21:20,900

say hello and walk away I won't even

497

00:21:26,890 --> 00:21:24,470

talk to him okay and I can't I just did

498

00:21:29,799 --> 00:21:26,900

my own thing and then when the time was

499

00:21:33,460 --> 00:21:29,809

right for me to actually get involved I

500

00:21:34,960 --> 00:21:33,470

did and that's why people go well how is

501  
00:21:36,730 --> 00:21:34,970  
it that you know all these people so

502  
00:21:38,680 --> 00:21:36,740  
suddenly oh my god well it's just

503  
00:21:40,900 --> 00:21:38,690  
because I know all about them so

504  
00:21:42,909 --> 00:21:40,910  
suddenly that is not so suddenly I knew

505  
00:21:43,810 --> 00:21:42,919  
all about them from what I've been doing

506  
00:21:46,870 --> 00:21:43,820  
over the years

507  
00:21:49,450 --> 00:21:46,880  
I'd walk up to them and I just say one

508  
00:21:51,580 --> 00:21:49,460  
thing to them they go oh my god how do

509  
00:21:54,070 --> 00:21:51,590  
you know about that and I go because I

510  
00:21:55,990 --> 00:21:54,080  
do my research you know I'm not you know

511  
00:22:01,299 --> 00:21:56,000  
I don't talk about this much on there

512  
00:22:04,630 --> 00:22:01,309  
okay so anyhow now that brings me around

513  
00:22:06,549 --> 00:22:04,640

to Corey good okay now I told you guys

514

00:22:08,680 --> 00:22:06,559

my whole rant about the movements and

515

00:22:10,630 --> 00:22:08,690

Toto zoom in July when I was there and

516

00:22:12,520 --> 00:22:10,640

he spoke and the reason I was not

517

00:22:15,640 --> 00:22:12,530

allowed to be in the room and this is my

518

00:22:18,520 --> 00:22:15,650

five best friends and and a couple other

519

00:22:19,869 --> 00:22:18,530

people move on and basically kindly

520

00:22:22,389 --> 00:22:19,879

suggest that the Davie

521

00:22:24,939 --> 00:22:22,399

for that I not show up at 10:30 to see

522

00:22:27,009 --> 00:22:24,949

his presentation that why don't you take

523

00:22:28,389 --> 00:22:27,019

the code to the live stream and watch it

524

00:22:30,489 --> 00:22:28,399

from the house and take your time

525

00:22:32,649 --> 00:22:30,499

getting over to the conference center

526

00:22:34,749 --> 00:22:32,659

and I thought you know that's a darn

527

00:22:37,149 --> 00:22:34,759

good idea because I had a sneaking

528

00:22:39,489 --> 00:22:37,159

suspicion I was probably going to do one

529

00:22:42,609 --> 00:22:39,499

of two things stand in the back of the

530

00:22:45,819 --> 00:22:42,619

room and scream you lying son of a B or

531

00:22:48,549 --> 00:22:45,829

I was gonna stand there and go you stole

532

00:22:50,499 --> 00:22:48,559

that from so-and-so and just tear on up

533

00:22:52,449 --> 00:22:50,509

to the front of the stage grab the

534

00:22:54,849 --> 00:22:52,459

microphone away from him and say the

535

00:22:58,749 --> 00:22:54,859

last things you said came from so and so

536

00:22:59,979 --> 00:22:58,759

and so so so it sums up and and what do

537

00:23:01,599 --> 00:22:59,989

you have to say for yourself you know I

538

00:23:03,399 --> 00:23:01,609

could just hear myself doing this and

539

00:23:05,469 --> 00:23:03,409

they could to see this is the thing

540

00:23:08,229 --> 00:23:05,479

though luckily enough my friends know me

541

00:23:10,389 --> 00:23:08,239

so well they know that I am like oh my

542

00:23:13,209 --> 00:23:10,399

god but I started getting like this

543

00:23:15,519 --> 00:23:13,219

there's no stopping me and there's a

544

00:23:16,809 --> 00:23:15,529

point where I will lose it really bad

545

00:23:18,849 --> 00:23:16,819

and they know it

546

00:23:22,299 --> 00:23:18,859

and they all knew it every was it was

547

00:23:24,369 --> 00:23:22,309

the producer of the video that was there

548

00:23:26,139 --> 00:23:24,379

it was the people at MUFON it was all my

549

00:23:27,519 --> 00:23:26,149

friend they all news is coming and

550

00:23:31,299 --> 00:23:27,529

they're like oh my god we got to keep

551

00:23:33,189 --> 00:23:31,309

her home so they did and I did I got

552

00:23:35,409 --> 00:23:33,199

there after right when it was ending

553

00:23:38,769 --> 00:23:35,419

because I watched an hour of it and I

554

00:23:43,839 --> 00:23:38,779

was so of so angry I drove it like 120

555

00:23:46,479 --> 00:23:43,849

miles an hour to get over to the god in

556

00:23:49,209 --> 00:23:46,489

the room my good friend Melinda says to

557

00:23:51,459 --> 00:23:49,219

me oh my god I'm so angry oh my god I'm

558

00:23:53,709 --> 00:23:51,469

so glad you weren't here those are the

559

00:23:55,509 --> 00:23:53,719

first two words she senses out of her

560

00:23:57,219 --> 00:23:55,519

mouth and three other people behind her

561

00:23:59,739 --> 00:23:57,229

said the same exact thing they said oh

562

00:24:02,409 --> 00:23:59,749

my god we're so mad oh my God we're so

563

00:24:04,599 --> 00:24:02,419

glad you weren't here so I was just like

564

00:24:06,399 --> 00:24:04,609

I was kind of laughing by that point so

565

00:24:08,949 --> 00:24:06,409

the point of this is I've already

566

00:24:11,859 --> 00:24:08,959

explained to you that he basically sat

567

00:24:15,579 --> 00:24:11,869

there at that conference and reiterated

568

00:24:18,339 --> 00:24:15,589

and regurgitated everybody else's stuff

569

00:24:21,609 --> 00:24:18,349

from the last 30 years okay except for

570

00:24:24,879 --> 00:24:21,619

his few experiences with the aliens as a

571

00:24:27,159 --> 00:24:24,889

contact II and I get that okay but

572

00:24:29,919 --> 00:24:27,169

here's the part that really got me angry

573

00:24:31,839 --> 00:24:29,929

I mean I was human angry after I watched

574

00:24:33,280 --> 00:24:31,849

this somebody sent me this link okay

575

00:24:38,710 --> 00:24:33,290

they're going back the big

576

00:24:43,630 --> 00:24:38,720

in my rant tonight another call 7:22

577

00:24:45,430 --> 00:24:43,640

somewhere in Europe I'm like oh pretty

578

00:24:47,920 --> 00:24:45,440

good okay you know what I'm being real

579

00:24:49,540 --> 00:24:47,930

positive about this right I'm like okay

580

00:24:52,000 --> 00:24:49,550

he must be getting better because he's

581

00:24:53,500 --> 00:24:52,010

had a lot of critique even his handlers

582

00:24:55,660 --> 00:24:53,510

are now telling them what to say you

583

00:24:57,460 --> 00:24:55,670

know I'm sure I'm sure he's getting

584

00:24:59,590 --> 00:24:57,470

better because now he's going big-time

585

00:25:03,280 --> 00:24:59,600

and he's going all theatrical with his a

586

00:25:06,970 --> 00:25:03,290

CGI you know I'm trying really to be

587

00:25:09,250 --> 00:25:06,980

warm and fuzzy to him but oh my god the

588

00:25:10,540 --> 00:25:09,260

only thing he starts talking and you

589

00:25:11,620 --> 00:25:10,550

guys can watch it for yourself he

590

00:25:14,140 --> 00:25:11,630

pecially says yes we're all

591

00:25:18,760 --> 00:25:14,150

mind-controlled but I'm thinking oh my

592

00:25:20,140 --> 00:25:18,770

god oh my god just about broke my poor

593

00:25:23,050 --> 00:25:20,150

little cell phone when I was watching

594

00:25:24,700 --> 00:25:23,060

the DVD cuz I'm like oh my god

595

00:25:27,520 --> 00:25:24,710

that's what I've been telling everybody

596

00:25:31,060 --> 00:25:27,530

about him since the day he walked on

597

00:25:33,640 --> 00:25:31,070

that walked out into the into the UFO

598

00:25:35,230 --> 00:25:33,650

community that he chose and I just

599

00:25:37,570 --> 00:25:35,240

looked at him the first day and the way

600

00:25:39,640 --> 00:25:37,580

his affect the way he talks how he acts

601  
00:25:41,980 --> 00:25:39,650  
when he does he's a complete mind

602  
00:25:43,420 --> 00:25:41,990  
control person then the next words out

603  
00:25:44,980 --> 00:25:43,430  
of his mouth after he goes through this

604  
00:25:48,550 --> 00:25:44,990  
whole thing yeah we're all mind-control

605  
00:25:49,720 --> 00:25:48,560  
victims alright then he says oh yeah

606  
00:25:52,330 --> 00:25:49,730  
we're all mylabs

607  
00:25:54,550 --> 00:25:52,340  
too and I'm thinking oh my god when

608  
00:25:58,780 --> 00:25:54,560  
Melinda hears this she's gonna have a

609  
00:26:02,530 --> 00:25:58,790  
cow literally no alien baby she have

610  
00:26:04,660 --> 00:26:02,540  
another alien baby I swear to God so I

611  
00:26:06,820 --> 00:26:04,670  
called her today and I told her all

612  
00:26:07,600 --> 00:26:06,830  
about it and she's gonna watch it so

613  
00:26:09,340 --> 00:26:07,610

there we go

614

00:26:12,280 --> 00:26:09,350

and we'll see what her you know the

615

00:26:14,260 --> 00:26:12,290

alien baby's gonna pop out at Lofland

616

00:26:17,020 --> 00:26:14,270

when I'm over there next weekend by the

617

00:26:20,200 --> 00:26:17,030

way I won't be here next week because

618

00:26:22,060 --> 00:26:20,210

I'm on a plane to Laughlin and it's

619

00:26:23,920 --> 00:26:22,070

gonna be quite interesting and when

620

00:26:26,950 --> 00:26:23,930

Melinda watches that because you know

621

00:26:29,140 --> 00:26:26,960

what there are people act like these

622

00:26:31,480 --> 00:26:29,150

conferences that Melinda speaks at when

623

00:26:34,990 --> 00:26:31,490

she talks about all this MyLab stuff she

624

00:26:37,450 --> 00:26:35,000

is the ultimate expert on my laughs the

625

00:26:40,890 --> 00:26:37,460

ultimate expert she's he only went out

626  
00:26:43,990 --> 00:26:40,900  
there that was brave enough 15 years ago

627  
00:26:46,570 --> 00:26:44,000  
to get up and talk about my labs

628  
00:26:51,970 --> 00:26:46,580  
besides Carla Turner who's dead

629  
00:26:54,850 --> 00:26:51,980  
besides Eve Lauren and Bart J James

630  
00:26:56,470 --> 00:26:54,860  
Bartley and a few the others that you

631  
00:26:59,830 --> 00:26:56,480  
know are kind of still in the woodwork

632  
00:27:02,530 --> 00:26:59,840  
around but nothing like Melinda Melinda

633  
00:27:04,300 --> 00:27:02,540  
has been tenacious especially since 2011

634  
00:27:05,980 --> 00:27:04,310  
when I hooked up with her and I said you

635  
00:27:08,260 --> 00:27:05,990  
got to keep going you got to keep

636  
00:27:10,600 --> 00:27:08,270  
talking about this it's super super

637  
00:27:12,220 --> 00:27:10,610  
important because she too was thinking

638  
00:27:14,620 --> 00:27:12,230

well you know it's run its course people

639

00:27:17,050 --> 00:27:14,630

don't care and I said people do care

640

00:27:20,080 --> 00:27:17,060

because my labs is truly a major player

641

00:27:21,910 --> 00:27:20,090

in this whole thing and yes there's the

642

00:27:23,650 --> 00:27:21,920

good lovin fight and all that but also

643

00:27:25,210 --> 00:27:23,660

you guys there's the dark side and I

644

00:27:26,950 --> 00:27:25,220

want to make sure everybody understands

645

00:27:28,780 --> 00:27:26,960

the dark side so they can embrace the

646

00:27:30,820 --> 00:27:28,790

light I mean if you're not looking at

647

00:27:32,800 --> 00:27:30,830

the dark side then why bother you know I

648

00:27:36,160 --> 00:27:32,810

mean you've got to really got to look at

649

00:27:38,680 --> 00:27:36,170

it all anyhow bottom line to this I was

650

00:27:42,040 --> 00:27:38,690

incensed when I saw this I was furious

651  
00:27:46,120 --> 00:27:42,050  
and I was very angry and only because

652  
00:27:49,350 --> 00:27:46,130  
now suddenly after his Eclipse event

653  
00:27:52,960 --> 00:27:49,360  
after all the stuff suddenly now he's a

654  
00:27:54,520 --> 00:27:52,970  
mind control victim like you know what

655  
00:27:57,430 --> 00:27:54,530  
is he doing is he asking to be it

656  
00:27:59,770 --> 00:27:57,440  
speaking my mind control conference no

657  
00:28:01,480 --> 00:27:59,780  
but he certainly grabbed onto my stuff

658  
00:28:04,570 --> 00:28:01,490  
because I've been very vocal about it

659  
00:28:07,390 --> 00:28:04,580  
very very vocal so someone out there

660  
00:28:10,270 --> 00:28:07,400  
belongs in his camp that listens to my

661  
00:28:12,580 --> 00:28:10,280  
show thank you very much but I'm the one

662  
00:28:14,380 --> 00:28:12,590  
who said it first about him and he can't

663  
00:28:18,520 --> 00:28:14,390

get around there and talking about about

664

00:28:20,650 --> 00:28:18,530

himself okay if he wants to that's fine

665

00:28:22,960 --> 00:28:20,660

but he should say just like he should be

666

00:28:25,360 --> 00:28:22,970

saying with everybody else and he cites

667

00:28:27,610 --> 00:28:25,370

the stuff he just rambles on about it he

668

00:28:29,650 --> 00:28:27,620

never tells you where he got the

669

00:28:31,840 --> 00:28:29,660

information tell him to start saying

670

00:28:33,970 --> 00:28:31,850

that if he would say yes I got this

671

00:28:37,120 --> 00:28:33,980

information from Robert Dean yes I got

672

00:28:39,490 --> 00:28:37,130

this information from er Isley yes I got

673

00:28:41,560 --> 00:28:39,500

this insight from Lorien fencin yes I

674

00:28:44,290 --> 00:28:41,570

got this information from Melinda Leslie

675

00:28:46,570 --> 00:28:44,300

you know whatever whatever he wants to

676

00:28:48,280 --> 00:28:46,580

say that's fine people would accept him

677

00:28:49,990 --> 00:28:48,290

a hell of a lot more of you instead of

678

00:28:51,340 --> 00:28:50,000

getting up there and having us all go

679

00:28:54,400 --> 00:28:51,350

wait a minute I've heard that before

680

00:28:56,170 --> 00:28:54,410

from somebody else you know that just

681

00:28:57,910 --> 00:28:56,180

makes him look like a tool that's all I

682

00:29:00,340 --> 00:28:57,920

got to say about it okay I'm there with

683

00:29:03,519 --> 00:29:00,350

my rant I'm done done done

684

00:29:06,009 --> 00:29:03,529

and I've taken way too long I want to

685

00:29:08,529 --> 00:29:06,019

apologize to my guests and my guest

686

00:29:11,320 --> 00:29:08,539

tonight is Carolyn Corrie and I want you

687

00:29:14,529 --> 00:29:11,330

guys all to meet her she is not miss UFO

688

00:29:15,669 --> 00:29:14,539

abductee but she is one step removed and

689

00:29:27,820 --> 00:29:15,679

she knows all about it

690

00:29:37,769 --> 00:29:27,830

right Carolyn hi yes I should probably

691

00:29:41,049 --> 00:29:37,779

take a five minute meditation break okay

692

00:29:43,539 --> 00:29:41,059

geez I'm telling ya I just I've been

693

00:29:46,060 --> 00:29:43,549

having just like I just want to scream

694

00:29:46,720 --> 00:29:46,070

get on the radio and scream for five

695

00:29:51,430 --> 00:29:46,730

minutes

696

00:29:54,490 --> 00:29:51,440

I think I'll be fine yeah no I mean

697

00:29:57,090 --> 00:29:54,500

sometimes you know you're going to hear

698

00:29:59,889 --> 00:29:57,100

someone and you want the authentic

699

00:30:03,549 --> 00:29:59,899

information I mean otherwise what's the

700

00:30:05,680 --> 00:30:03,559

point you know if you would just stick

701  
00:30:08,830 --> 00:30:05,690  
to his experience like all the other

702  
00:30:10,210 --> 00:30:08,840  
contactees I'd have no problem with it

703  
00:30:12,310 --> 00:30:10,220  
but when you get up there and start

704  
00:30:14,560 --> 00:30:12,320  
repeating everybody else's stuff it just

705  
00:30:17,320 --> 00:30:14,570  
makes it seriously to the really

706  
00:30:19,509 --> 00:30:17,330  
hardcore researchers he's been totally

707  
00:30:21,820 --> 00:30:19,519  
written off in the community I mean it's

708  
00:30:23,440 --> 00:30:21,830  
yeah it's very sad and he could have had

709  
00:30:26,440 --> 00:30:23,450  
a really important place in the

710  
00:30:28,840 --> 00:30:26,450  
community like Rare if he had said these

711  
00:30:30,759 --> 00:30:28,850  
are my experiences and I don't and I

712  
00:30:33,490 --> 00:30:30,769  
know that everybody else is having the

713  
00:30:35,440 --> 00:30:33,500

same thing or I know these researchers

714

00:30:37,269 --> 00:30:35,450

have done a lot of work around it let's

715

00:30:39,490 --> 00:30:37,279

explore what they've done and see how it

716

00:30:42,249 --> 00:30:39,500

compares to what's happened to me mmm

717

00:30:45,310 --> 00:30:42,259

don't you have to say that's what I do

718

00:30:48,310 --> 00:30:45,320

when I get up and speak you know because

719

00:30:50,560 --> 00:30:48,320

I bring up Whitley and I bring up Travis

720

00:30:53,499 --> 00:30:50,570

Walton and I bring up a lot of people

721

00:30:56,919 --> 00:30:53,509

but I do it in the context of how does

722

00:30:58,360 --> 00:30:56,929

their contact relate to how I perceive

723

00:31:00,340 --> 00:30:58,370

it and what has happened to them that

724

00:31:03,920 --> 00:31:00,350

that's happened to me and we kind of

725

00:31:07,470 --> 00:31:03,930

compare it off you know we don't wash

726

00:31:09,390 --> 00:31:07,480

I'm a shower curtain I do one thing keep

727

00:31:11,520 --> 00:31:09,400

water from leaking everywhere so you see

728

00:31:13,320 --> 00:31:11,530

why I feel useless compared to Geico who

729

00:31:14,730 --> 00:31:13,330

does so much more like not only could

730

00:31:16,980 --> 00:31:14,740

Geico save you money but they've been

731

00:31:19,290 --> 00:31:16,990

around for over 75 years and they give

732

00:31:21,150 --> 00:31:19,300

you 24/7 access online over the phone or

733

00:31:22,920 --> 00:31:21,160

on the Geico app and they've got a 97

734

00:31:24,600 --> 00:31:22,930

percent customer satisfaction rating

735

00:31:27,000 --> 00:31:24,610

they do all this while I have to listen

736

00:31:30,990 --> 00:31:27,010

to this chucklehead oh good he stopped

737

00:31:34,050 --> 00:31:31,000

oh great an encore Geico expect great

738

00:31:36,420 --> 00:31:34,060

savings and a whole lot more do I'm the

739

00:31:39,890 --> 00:31:36,430

only authority out there that's you know

740

00:31:43,080 --> 00:31:39,900

having this this thing anyhow okay

741

00:31:47,130 --> 00:31:43,090

that'd be ridiculous

742

00:31:49,350 --> 00:31:47,140

now I'm going too far so I'm going to

743

00:31:51,300 --> 00:31:49,360

inception radio network right next I

744

00:31:52,890 --> 00:31:51,310

forgot to go in there as usual I'm gonna

745

00:31:54,510 --> 00:31:52,900

get in the chat room so we can get some

746

00:31:56,880 --> 00:31:54,520

questions in the last half-hour of the

747

00:31:58,590 --> 00:31:56,890

show because I know by the time we get

748

00:32:03,450 --> 00:31:58,600

there Carolyn that there's gonna be

749

00:32:06,240 --> 00:32:03,460

plenty of questions for you I hope so hi

750

00:32:07,950 --> 00:32:06,250

everyone okay you guys I'm here I'm

751  
00:32:10,320 --> 00:32:07,960  
finally here so why don't you guys join

752  
00:32:12,930 --> 00:32:10,330  
us in the chat room if you don't mind

753  
00:32:16,410 --> 00:32:12,940  
that's inception Radio Network com

754  
00:32:19,170 --> 00:32:16,420  
forward slash chat just do that

755  
00:32:21,720 --> 00:32:19,180  
inception radio network on forward slash

756  
00:32:23,730 --> 00:32:21,730  
chat you get in there I'll know you're

757  
00:32:26,850 --> 00:32:23,740  
there and we can you know rock and roll

758  
00:32:28,620 --> 00:32:26,860  
tonight okay so Carolyn why don't you

759  
00:32:30,860 --> 00:32:28,630  
first tell this is a whole new audience

760  
00:32:34,500 --> 00:32:30,870  
from the audience I have over my other

761  
00:32:36,540 --> 00:32:34,510  
station yeah do me a big favor and tell

762  
00:32:38,610 --> 00:32:36,550  
everybody who you are what you're about

763  
00:32:40,560 --> 00:32:38,620

where they can find your website and all

764

00:32:42,480 --> 00:32:40,570

this stuff then you and I can just start

765

00:32:46,470 --> 00:32:42,490

chatting away and having a great old

766

00:32:49,560 --> 00:32:46,480

time here okay great so in fact you you

767

00:32:52,800 --> 00:32:49,570

said it I my background is not ufology

768

00:32:55,800 --> 00:32:52,810

at all I did not come in contact with

769

00:32:59,880 --> 00:32:55,810

the spaceships or I wasn't abducted or

770

00:33:02,970 --> 00:32:59,890

anything like that I was I had direct

771

00:33:06,960 --> 00:33:02,980

contact with some beings when I was very

772

00:33:09,540 --> 00:33:06,970

very young and in fact the first a very

773

00:33:14,340 --> 00:33:09,550

significant contact experience happened

774

00:33:16,350 --> 00:33:14,350

at the age of five and I had those light

775

00:33:17,520 --> 00:33:16,360

beings that showed up and we started

776

00:33:20,910 --> 00:33:17,530

communicating tulip

777

00:33:23,490 --> 00:33:20,920

practically and so since that time that

778

00:33:26,610 --> 00:33:23,500

opened me up to a whole new world as you

779

00:33:28,770 --> 00:33:26,620

can imagine I started to realize also

780

00:33:33,900 --> 00:33:28,780

that I could see subtle energy very

781

00:33:37,680 --> 00:33:33,910

clearly so it wasn't just seeing the

782

00:33:41,700 --> 00:33:37,690

beings but I could kind of read or see

783

00:33:44,760 --> 00:33:41,710

the their consciousness pattern so so I

784

00:33:47,310 --> 00:33:44,770

could detect where they came from what

785

00:33:49,860 --> 00:33:47,320

they were about there is no hiding

786

00:33:53,790 --> 00:33:49,870

actually when you contact spirit you

787

00:33:57,360 --> 00:33:53,800

kind of know the all of the information

788

00:33:59,820 --> 00:33:57,370

and so so that that started at a very

789

00:34:03,300 --> 00:33:59,830

young age with that first experience and

790

00:34:07,050 --> 00:34:03,310

then as I grew up I started meeting

791

00:34:11,220 --> 00:34:07,060

other types of beings and you know from

792

00:34:13,649 --> 00:34:11,230

the material ones to two different kinds

793

00:34:17,010 --> 00:34:13,659

of beings not just the people talk about

794

00:34:19,230 --> 00:34:17,020

the platy ins and Arcturians and things

795

00:34:21,510 --> 00:34:19,240

like that but also I had a couple of

796

00:34:26,270 --> 00:34:21,520

greys showed up showing up in my bedroom

797

00:34:29,520 --> 00:34:26,280

one day but most of my experiences were

798

00:34:32,730 --> 00:34:29,530

some of them were telepathic some of

799

00:34:35,730 --> 00:34:32,740

them were interdimensional meaning they

800

00:34:37,530 --> 00:34:35,740

would kind of come in they appear kind

801  
00:34:40,409 --> 00:34:37,540  
of like a spirit type thing and then

802  
00:34:43,020 --> 00:34:40,419  
disappear and others were literally

803  
00:34:48,710 --> 00:34:43,030  
material I mean they were in physical

804  
00:34:52,590 --> 00:34:48,720  
form so so because of that I really

805  
00:34:55,350 --> 00:34:52,600  
understood the the bigger spectrum if

806  
00:34:58,470 --> 00:34:55,360  
you will it's not just about the greys

807  
00:35:01,260 --> 00:34:58,480  
and the you know the government lying to

808  
00:35:05,150 --> 00:35:01,270  
us about what's happening with them and

809  
00:35:07,560 --> 00:35:05,160  
it it was more to me it was more about

810  
00:35:10,140 --> 00:35:07,570  
consciousness different types of life

811  
00:35:12,450 --> 00:35:10,150  
forms in the universe so that's really

812  
00:35:16,980 --> 00:35:12,460  
my world you know that's where I come

813  
00:35:20,250 --> 00:35:16,990

from and so so why I would consider you

814

00:35:23,430 --> 00:35:20,260

a kind of contact II like myself because

815

00:35:26,430 --> 00:35:23,440

I'm not I'm not a an alien contact II

816

00:35:29,610 --> 00:35:26,440

per se because but now I have seen a

817

00:35:31,150 --> 00:35:29,620

ship I've had an amazing experience over

818

00:35:33,010 --> 00:35:31,160

a weekend's time

819

00:35:35,740 --> 00:35:33,020

where I actually saw what I think was

820

00:35:38,370 --> 00:35:35,750

another ship and you know I've had some

821

00:35:42,310 --> 00:35:38,380

extraordinary experiences but I've never

822

00:35:44,170 --> 00:35:42,320

had standing in front of me a gray yet

823

00:35:46,600 --> 00:35:44,180

so you've had much more experience than

824

00:35:48,880 --> 00:35:46,610

I have and I've never had a reptilian

825

00:35:51,670 --> 00:35:48,890

I've never had anything solid that I

826

00:35:54,700 --> 00:35:51,680

could remember and I always always

827

00:35:57,850 --> 00:35:54,710

phrasing that now because if you'd asked

828

00:35:59,620 --> 00:35:57,860

me eight years ago I'd go oh I'm not I'm

829

00:36:02,170 --> 00:35:59,630

not any of those things right you know

830

00:36:06,070 --> 00:36:02,180

but then when everything happened to me

831

00:36:08,830 --> 00:36:06,080

of all of my friends now say well you've

832

00:36:13,360 --> 00:36:08,840

been my lab we do know that I was taken

833

00:36:15,760 --> 00:36:13,370

in a group my labs military operations

834

00:36:17,620 --> 00:36:15,770

but that's happened to me we knew I've

835

00:36:19,240 --> 00:36:17,630

seen craft we know I've done this we

836

00:36:22,210 --> 00:36:19,250

know I've had some extraordinary

837

00:36:24,130 --> 00:36:22,220

experiences of recall when I wake up

838

00:36:26,620 --> 00:36:24,140

sometimes that are just mind-boggling

839

00:36:28,840 --> 00:36:26,630

that people go oh my god you know you

840

00:36:32,380 --> 00:36:28,850

were you were definitely on a craft you

841

00:36:35,230 --> 00:36:32,390

were whatever but I have no recall of

842

00:36:38,050 --> 00:36:35,240

any of this and the interesting part to

843

00:36:40,120 --> 00:36:38,060

it to me is that I'm the one person that

844

00:36:43,240 --> 00:36:40,130

they probably should give the recall but

845

00:36:46,060 --> 00:36:43,250

I'm also that one one person that if I

846

00:36:49,090 --> 00:36:46,070

knew this was all real I probably

847

00:36:51,460 --> 00:36:49,100

freaked out so bad I'd be in a rubber

848

00:36:53,410 --> 00:36:51,470

room for the rest of my life so they

849

00:36:56,320 --> 00:36:53,420

know what they're doing don't you think

850

00:36:59,590 --> 00:36:56,330

yeah absolutely I mean most people don't

851  
00:37:02,710 --> 00:36:59,600  
remember these experiences because it is

852  
00:37:05,260 --> 00:37:02,720  
it's very hard to deal with it's very

853  
00:37:07,030 --> 00:37:05,270  
traumatic and I have to say even I've

854  
00:37:10,150 --> 00:37:07,040  
been working with a lot of people

855  
00:37:13,270 --> 00:37:10,160  
throughout the years because I wanted to

856  
00:37:17,170 --> 00:37:13,280  
say also that my experiences led me in

857  
00:37:19,180 --> 00:37:17,180  
the field of consciousness so I've been

858  
00:37:20,770 --> 00:37:19,190  
teaching I've written books I've been

859  
00:37:23,560 --> 00:37:20,780  
lecturing and teaching about

860  
00:37:26,170 --> 00:37:23,570  
consciousness expansion how to tap into

861  
00:37:29,320 --> 00:37:26,180  
other realities healings and stuff like

862  
00:37:31,870 --> 00:37:29,330  
that and so through throughout these

863  
00:37:34,240 --> 00:37:31,880

years I came in contact with a lot of

864

00:37:37,150 --> 00:37:34,250

folks who would tell me their

865

00:37:40,750 --> 00:37:37,160

experiences and I realized that not only

866

00:37:43,270 --> 00:37:40,760

was it traumatic but even those who had

867

00:37:45,160 --> 00:37:43,280

a positive experience so sometimes I

868

00:37:46,450 --> 00:37:45,170

would be working with someone

869

00:37:48,460 --> 00:37:46,460

and they'd be telling me about an

870

00:37:50,950 --> 00:37:48,470

experience they had when they were a kid

871

00:37:53,380 --> 00:37:50,960

and I would look at what actually

872

00:37:55,059 --> 00:37:53,390

happened as they were talking and I

873

00:37:57,220 --> 00:37:55,069

would see that it actually it was a very

874

00:37:59,980 --> 00:37:57,230

positive experience it was it wasn't an

875

00:38:02,529 --> 00:37:59,990

abduction it wasn't anything scary they

876

00:38:05,769 --> 00:38:02,539

never were taken on a spaceship by fours

877

00:38:08,319 --> 00:38:05,779

or anything like that it was more of an

878

00:38:10,390 --> 00:38:08,329

angelic form that was helping them like

879

00:38:14,740 --> 00:38:10,400

you're mentioning for yourself it was

880

00:38:16,779 --> 00:38:14,750

very positive but because it kind of

881

00:38:18,759 --> 00:38:16,789

didn't make sense to them because when

882

00:38:21,940 --> 00:38:18,769

you're a kid certain things happen to

883

00:38:24,160 --> 00:38:21,950

you you cannot explain and then you you

884

00:38:25,839 --> 00:38:24,170

shut it down because you you know you

885

00:38:29,109 --> 00:38:25,849

just don't know how to deal with it

886

00:38:30,849 --> 00:38:29,119

so what I want to say is that not just

887

00:38:33,009 --> 00:38:30,859

the negative experience but sometimes

888

00:38:36,190 --> 00:38:33,019

even positive experiences with these

889

00:38:38,859 --> 00:38:36,200

other realities are have a traumatic

890

00:38:41,710 --> 00:38:38,869

effect and that's the reason why we tend

891

00:38:44,589 --> 00:38:41,720

to forget or we tend to pretend they

892

00:38:47,140 --> 00:38:44,599

didn't happen or we just kind of shoved

893

00:38:50,410 --> 00:38:47,150

them down in their subconscious at a

894

00:38:53,470 --> 00:38:50,420

subconscious level oh yeah yeah I

895

00:38:56,829 --> 00:38:53,480

totally agree yeah you know I I had this

896

00:38:57,609 --> 00:38:56,839

very vivid kind of epiphany one

897

00:39:00,069 --> 00:38:57,619

afternoon

898

00:39:02,230 --> 00:39:00,079

I'm sitting here and I realize maybe I'm

899

00:39:05,049 --> 00:39:02,240

the cause of not remembering any of this

900

00:39:07,960 --> 00:39:05,059

like you just said maybe I am so flipped

901  
00:39:10,329 --> 00:39:07,970  
out afraid that I can't deal with it and

902  
00:39:12,759 --> 00:39:10,339  
I and I know that maybe that's really in

903  
00:39:14,380 --> 00:39:12,769  
my core beam I know that but they talk

904  
00:39:16,630 --> 00:39:14,390  
to me all the time I mean literally I've

905  
00:39:19,059 --> 00:39:16,640  
had them talk to me in my head where

906  
00:39:20,769 --> 00:39:19,069  
they say you know pull over and get in

907  
00:39:22,329 --> 00:39:20,779  
the right lane I've told this story on

908  
00:39:24,249 --> 00:39:22,339  
the show a couple of times over the

909  
00:39:26,549 --> 00:39:24,259  
years where I they actually saved my

910  
00:39:29,289 --> 00:39:26,559  
life and phantomon screaming in my head

911  
00:39:30,910 --> 00:39:29,299  
and what's even funnier I kind of

912  
00:39:33,970 --> 00:39:30,920  
accepted that somebody was screaming in

913  
00:39:35,589 --> 00:39:33,980

my head you know it didn't even bother

914

00:39:38,200 --> 00:39:35,599

me at the time that someone was yelling

915

00:39:39,910 --> 00:39:38,210

at me what bothered me was the fact that

916

00:39:44,640 --> 00:39:39,920

I didn't want to slow down and get in

917

00:39:48,700 --> 00:39:46,990

you know it's just the fact that they

918

00:39:52,029 --> 00:39:48,710

were telling me what to do I was being

919

00:39:54,009 --> 00:39:52,039

defiant right yeah dawn on me that some

920

00:39:55,420 --> 00:39:54,019

other force was screaming in my head at

921

00:39:57,700 --> 00:39:55,430

me right no stop

922

00:39:58,810 --> 00:39:57,710

that's how indoctrinated I am I might

923

00:40:00,280 --> 00:39:58,820

have the stuff

924

00:40:02,650 --> 00:40:00,290

you know it's just like everyday

925

00:40:04,450 --> 00:40:02,660

occurrence kind of thing but also at the

926

00:40:07,540 --> 00:40:04,460

same time I'm petrified

927

00:40:10,000 --> 00:40:07,550

you know yeah I mean the thing also is

928

00:40:13,150 --> 00:40:10,010

we're not trained in this I mean when we

929

00:40:15,370 --> 00:40:13,160

are kids we're very open to all sorts of

930

00:40:17,950 --> 00:40:15,380

experiences our brain channels are

931

00:40:20,860 --> 00:40:17,960

picking up all sorts of signals I mean

932

00:40:23,890 --> 00:40:20,870

that's you hear about kids having seeing

933

00:40:26,500 --> 00:40:23,900

in having invisible friends and talking

934

00:40:28,840 --> 00:40:26,510

and hearing things I mean it's very very

935

00:40:31,840 --> 00:40:28,850

very common and it's supposed to be that

936

00:40:33,670 --> 00:40:31,850

way so but we're not trained we don't

937

00:40:38,590 --> 00:40:33,680

know how to handle it

938

00:40:42,010 --> 00:40:38,600

parent stuff obviously don't know how to

939

00:40:46,240 --> 00:40:42,020

handle it most of the time anyway and so

940

00:40:48,850 --> 00:40:46,250

because of this confusion we we just

941

00:40:51,940 --> 00:40:48,860

kind of like put it in our subconscious

942

00:40:54,910 --> 00:40:51,950

mind a part of us knows that it's

943

00:40:57,790 --> 00:40:54,920

natural so kinda we keep that you know

944

00:41:00,460 --> 00:40:57,800

channel open like yourself you know you

945

00:41:01,990 --> 00:41:00,470

know part of you a part of you knows

946

00:41:03,850 --> 00:41:02,000

that it's okay

947

00:41:05,710 --> 00:41:03,860

and another part of you doesn't know how

948

00:41:08,170 --> 00:41:05,720

to deal with it you know what I mean so

949

00:41:13,210 --> 00:41:08,180

there's this gotten dichotomy going on

950

00:41:15,520 --> 00:41:13,220

you know so yeah I probably kicked bit

951  
00:41:18,580 --> 00:41:15,530  
and screamed all the way to whatever

952  
00:41:20,740 --> 00:41:18,590  
abduction they are taking the first time

953  
00:41:22,720 --> 00:41:20,750  
and they're probably like okay we don't

954  
00:41:25,240 --> 00:41:22,730  
want that to happen let's try or another

955  
00:41:28,210 --> 00:41:25,250  
way you know I mean I'm sure I've been a

956  
00:41:30,070 --> 00:41:28,220  
handful for them you know yeah like you

957  
00:41:34,090 --> 00:41:30,080  
just you know it's how you just kind of

958  
00:41:36,010 --> 00:41:34,100  
know yeah absolutely I think we can't we

959  
00:41:39,310 --> 00:41:36,020  
come here not I think I know for sure

960  
00:41:42,160 --> 00:41:39,320  
because I remember exactly how it works

961  
00:41:44,110 --> 00:41:42,170  
I I know how I mean I know from my

962  
00:41:47,380 --> 00:41:44,120  
experience and I could see it as well as

963  
00:41:49,990 --> 00:41:47,390

so many folks that I'm working with we

964

00:41:53,410 --> 00:41:50,000

come in and we don't really disconnect

965

00:41:58,000 --> 00:41:53,420

ever from what I call our spirit lineage

966

00:42:01,450 --> 00:41:58,010

spirit family and so that brain channel

967

00:42:03,820 --> 00:42:01,460

stays tapped into that frequency and

968

00:42:06,310 --> 00:42:03,830

even when you incarnate in human form

969

00:42:09,310 --> 00:42:06,320

you don't turn off that dial you know I

970

00:42:12,640 --> 00:42:09,320

mean you you're that channel is still on

971

00:42:16,150 --> 00:42:12,650

and so we are meant

972

00:42:20,440 --> 00:42:16,160

to train our human brain to switch back

973

00:42:23,650 --> 00:42:20,450

and forth from that radio channel that's

974

00:42:25,900 --> 00:42:23,660

keeping it connected to the cosmic you

975

00:42:28,630 --> 00:42:25,910

know family and then go back and forth

976

00:42:30,579 --> 00:42:28,640

with the human brain channel which is

977

00:42:32,769 --> 00:42:30,589

you know communicating with other humans

978

00:42:34,539 --> 00:42:32,779

and so on and so forth but we know we

979

00:42:36,849 --> 00:42:34,549

don't know we don't we don't know how to

980

00:42:39,430 --> 00:42:36,859

how to master the human mind in this way

981

00:42:42,910 --> 00:42:39,440

and go back and forth and so we end up

982

00:42:45,069 --> 00:42:42,920

just just shutting one down but so

983

00:42:48,160 --> 00:42:45,079

that's why a part of you knows it is

984

00:42:51,400 --> 00:42:48,170

natural to keep that that line of

985

00:42:53,079 --> 00:42:51,410

communication open and that's what

986

00:42:55,150 --> 00:42:53,089

that's the reason why you you're okay

987

00:43:00,250 --> 00:42:55,160

with the people talking in your in your

988

00:43:02,920 --> 00:43:00,260

head yeah it's normal everyday and in

989

00:43:05,730 --> 00:43:02,930

fact I actually think that it's so hard

990

00:43:09,789 --> 00:43:05,740

for the human mind to deal with it and

991

00:43:15,130 --> 00:43:09,799

recognize it and manage it it and to me

992

00:43:18,450 --> 00:43:15,140

I see that at the core of the base of

993

00:43:23,460 --> 00:43:18,460

mental illness in fact when I work with

994

00:43:25,539 --> 00:43:23,470

some schizophrenic folks or paranoid

995

00:43:28,089 --> 00:43:25,549

schizophrenia because my background is

996

00:43:31,859 --> 00:43:28,099

is psychology and so I you know I've

997

00:43:34,990 --> 00:43:31,869

worked also in some cases like that and

998

00:43:37,329 --> 00:43:35,000

you know I could see that those folks

999

00:43:40,000 --> 00:43:37,339

who were saying well there's a voice in

1000

00:43:43,120 --> 00:43:40,010

my head telling me to go do this or

1001  
00:43:45,279 --> 00:43:43,130  
whatever or I'm being told that I'm

1002  
00:43:48,250 --> 00:43:45,289  
being followed or what have you so

1003  
00:43:50,829 --> 00:43:48,260  
because I could see the subtle energy

1004  
00:43:54,220 --> 00:43:50,839  
very clearly like I could literally see

1005  
00:43:57,670 --> 00:43:54,230  
like a video what is happening around

1006  
00:43:59,799 --> 00:43:57,680  
them I mean the voice in their head is

1007  
00:44:03,430 --> 00:43:59,809  
not a voice it's a real being that's

1008  
00:44:05,980 --> 00:44:03,440  
there that's talking to them and so but

1009  
00:44:08,769 --> 00:44:05,990  
the person that cannot handle it doesn't

1010  
00:44:11,890 --> 00:44:08,779  
know how to handle it so with time they

1011  
00:44:14,109 --> 00:44:11,900  
end up drinking to kind of forget that

1012  
00:44:16,990 --> 00:44:14,119  
that somebody is in their head talking

1013  
00:44:20,680 --> 00:44:17,000

to them so a lot of schizophrenic

1014

00:44:24,519 --> 00:44:20,690

schizophrenic cases paranormal paranoid

1015

00:44:25,860 --> 00:44:24,529

cases are also very much associated with

1016

00:44:35,560 --> 00:44:25,870

alcohol

1017

00:44:38,170 --> 00:44:35,570

so it's huge in the but this is an is

1018

00:44:41,190 --> 00:44:38,180

this kind of unspoken secret in the UFO

1019

00:44:44,370 --> 00:44:41,200

community but there are a lot of

1020

00:44:47,110 --> 00:44:44,380

alcoholics and a lot of drug addicts I

1021

00:44:52,030 --> 00:44:47,120

would say mostly alcoholics though

1022

00:44:53,740 --> 00:44:52,040

yeah in the lot of the contactees I mean

1023

00:44:57,640 --> 00:44:53,750

because that's truly one of the few ways

1024

00:45:00,220 --> 00:44:57,650

you know you can knock yourself out and

1025

00:45:02,470 --> 00:45:00,230

hopefully you don't remember them taking

1026

00:45:07,810 --> 00:45:02,480

your or you're too drunk for them to

1027

00:45:09,790 --> 00:45:07,820

take that's your coping mechanism but

1028

00:45:14,170 --> 00:45:09,800

unfortunately the more you drink the

1029

00:45:15,940 --> 00:45:14,180

more you're actually open to more of

1030

00:45:16,780 --> 00:45:15,950

these experiences that you cannot

1031

00:45:21,070 --> 00:45:16,790

control

1032

00:45:24,070 --> 00:45:21,080

so now absolutely your Center out

1033

00:45:29,800 --> 00:45:24,080

completely and then other things can get

1034

00:45:31,780 --> 00:45:29,810

in that it gets worse and also alcohol

1035

00:45:34,060 --> 00:45:31,790

has a very low vibration so now you're

1036

00:45:36,760 --> 00:45:34,070

bringing your cellular vibration to a

1037

00:45:39,640 --> 00:45:36,770

very very low frequency and now you're

1038

00:45:41,740 --> 00:45:39,650

attracting even more stuff so that's the

1039

00:45:44,680 --> 00:45:41,750

product and then before you know it it

1040

00:45:47,200 --> 00:45:44,690

becomes a vicious circle the voices and

1041

00:45:49,960 --> 00:45:47,210

other things now attachments and all

1042

00:45:52,630 --> 00:45:49,970

sorts of entity starts to float around

1043

00:45:55,870 --> 00:45:52,640

you so now this is how eventually this

1044

00:45:59,410 --> 00:45:55,880

becomes mental illness and so that's the

1045

00:46:02,590 --> 00:45:59,420

reason why I mean at a very young age we

1046

00:46:05,410 --> 00:46:02,600

have to recognize that it is normal to

1047

00:46:08,380 --> 00:46:05,420

be open to several channels in fact

1048

00:46:10,870 --> 00:46:08,390

that's what autistic children do so what

1049

00:46:13,360 --> 00:46:10,880

they've done is I mean of course I'm

1050

00:46:16,900 --> 00:46:13,370

generalizing not every single autistic

1051  
00:46:22,570 --> 00:46:16,910  
child has is exactly like that but in

1052  
00:46:25,900 --> 00:46:22,580  
general these kids they come in with

1053  
00:46:29,790 --> 00:46:25,910  
that mind channel brain channel tapped

1054  
00:46:33,550 --> 00:46:29,800  
into galactic frequencies or other star

1055  
00:46:37,590 --> 00:46:33,560  
frequencies so basically they're picking

1056  
00:46:39,840 --> 00:46:37,600  
up signals beyond the earth line

1057  
00:46:41,700 --> 00:46:39,850  
and that signal is a lot more exciting

1058  
00:46:43,280 --> 00:46:41,710  
because it's a very high vibration it's

1059  
00:46:46,590 --> 00:46:43,290  
very high frequency it's very

1060  
00:46:51,060 --> 00:46:46,600  
stimulating to the brain and so instead

1061  
00:46:55,110 --> 00:46:51,070  
of going to the human brain channels

1062  
00:46:58,860 --> 00:46:55,120  
that are that is very slow it's just the

1063  
00:47:01,110 --> 00:46:58,870

rhythm is very just very dense and slow

1064

00:47:04,620 --> 00:47:01,120

compared with the other one autistic

1065

00:47:06,660 --> 00:47:04,630

children decide to just tune into that

1066

00:47:08,910 --> 00:47:06,670

cosmic one and that's the reason why

1067

00:47:11,820 --> 00:47:08,920

they don't communicate they don't want

1068

00:47:16,170 --> 00:47:11,830

to communicate so that's how they cope

1069

00:47:19,200 --> 00:47:16,180

with this they tune into their cosmic

1070

00:47:22,860 --> 00:47:19,210

channel and turn off the earth one it

1071

00:47:25,320 --> 00:47:22,870

does that and this is just my belief in

1072

00:47:29,970 --> 00:47:25,330

this having done a lot of study into

1073

00:47:32,460 --> 00:47:29,980

autism I believe also that besides that

1074

00:47:34,560 --> 00:47:32,470

I absolutely believe they're there you

1075

00:47:39,630 --> 00:47:34,570

know they're connected to some other

1076  
00:47:42,510 --> 00:47:39,640  
source of energy fields definitely but

1077  
00:47:44,910 --> 00:47:42,520  
do you think that they are actually

1078  
00:47:47,130 --> 00:47:44,920  
pulsating their frequencies between the

1079  
00:47:49,740 --> 00:47:47,140  
right left brain so quickly that they

1080  
00:47:52,290 --> 00:47:49,750  
they're like four million miles ahead of

1081  
00:47:54,300 --> 00:47:52,300  
the regular human brain who needs to

1082  
00:47:57,420 --> 00:47:54,310  
process from right to left and left to

1083  
00:47:59,040 --> 00:47:57,430  
right yeah I think that they're just

1084  
00:48:01,830 --> 00:47:59,050  
like you know they're firing on all

1085  
00:48:03,630 --> 00:48:01,840  
cylinders whereas I'm firing on to at

1086  
00:48:06,690 --> 00:48:03,640  
what and then it takes the other - a

1087  
00:48:08,400 --> 00:48:06,700  
second - you know react to the other -

1088  
00:48:10,620 --> 00:48:08,410

you know whereas I think they're just

1089

00:48:12,690 --> 00:48:10,630

mad they're they're able to access so

1090

00:48:14,700 --> 00:48:12,700

many things at once that it's

1091

00:48:16,860 --> 00:48:14,710

overwhelming I mean I couldn't imagine

1092

00:48:18,720 --> 00:48:16,870

being stuck in this physical body and

1093

00:48:22,260 --> 00:48:18,730

having that kind of brain power that

1094

00:48:24,960 --> 00:48:22,270

would be exactly hard yeah it's hard but

1095

00:48:26,820 --> 00:48:24,970

also it's very stimulates exciting it's

1096

00:48:29,910 --> 00:48:26,830

kind of like you know a computer

1097

00:48:31,620 --> 00:48:29,920

compared with like you know like 100

1098

00:48:34,350 --> 00:48:31,630

year old typewriter you know what I mean

1099

00:48:37,260 --> 00:48:34,360

so yeah when you once you get used to

1100

00:48:39,600 --> 00:48:37,270

the speed of the computer and you know

1101

00:48:42,210 --> 00:48:39,610

like just you're bombarded with all of

1102

00:48:45,330 --> 00:48:42,220

this information it becomes stimulating

1103

00:48:49,660 --> 00:48:45,340

and exciting so that you don't want to

1104

00:48:52,549 --> 00:48:49,670

tune in to the very slow you know den

1105

00:48:55,270 --> 00:48:52,559

frequency that's the reason why so

1106

00:48:57,349 --> 00:48:55,280

they're actually very excited very happy

1107

00:48:59,210 --> 00:48:57,359

where they are and of course we're

1108

00:49:02,660 --> 00:48:59,220

trying to pull them into the human

1109

00:49:04,670 --> 00:49:02,670

vibration the idea is well I mean it

1110

00:49:06,890 --> 00:49:04,680

depends again we're generalizing here

1111

00:49:09,079 --> 00:49:06,900

with the autistic children but there are

1112

00:49:12,380 --> 00:49:09,089

downloading tons of information they are

1113

00:49:15,559 --> 00:49:12,390

serving a different type of purpose and

1114

00:49:19,430 --> 00:49:15,569

they're supposed to be maintaining that

1115

00:49:22,160 --> 00:49:19,440

channel open for other for the

1116

00:49:24,680 --> 00:49:22,170

collective in a way for the future at

1117

00:49:26,630 --> 00:49:24,690

one point when you have a lot of people

1118

00:49:28,849 --> 00:49:26,640

who are who can tap into those

1119

00:49:29,510 --> 00:49:28,859

frequencies then they'll be right at

1120

00:49:31,520 --> 00:49:29,520

home

1121

00:49:34,370 --> 00:49:31,530

you see what I mean they're kind of like

1122

00:49:38,780 --> 00:49:34,380

holding that pathway open for many other

1123

00:49:40,430 --> 00:49:38,790

people yeah I'm 200 years we're all

1124

00:49:47,960 --> 00:49:40,440

going to be autistic and that will be

1125

00:49:49,700 --> 00:49:47,970

the seen the movie Midnight Express or

1126

00:49:51,980 --> 00:49:49,710

midnight special I can't for the name of

1127

00:49:54,049 --> 00:49:51,990

it but now that's terrible that I can

1128

00:49:56,720 --> 00:49:54,059

wear I'll look it up on the break it's

1129

00:49:58,250 --> 00:49:56,730

the movie about the young boy and his

1130

00:50:01,280 --> 00:49:58,260

parents are trying to save him from the

1131

00:50:02,420 --> 00:50:01,290

cult have you seen that movie um that

1132

00:50:06,049 --> 00:50:02,430

rings a bell

1133

00:50:11,030 --> 00:50:06,059

yeah at the end basically as all to do

1134

00:50:14,180 --> 00:50:11,040

with aliens or other dimensions I I

1135

00:50:17,089 --> 00:50:14,190

don't know which one it is it is the

1136

00:50:19,190 --> 00:50:17,099

most remarkable movie I dream I look it

1137

00:50:21,020 --> 00:50:19,200

up and I will get you and I will also

1138

00:50:24,710 --> 00:50:21,030

talk about it briefly for the audience

1139

00:50:26,870 --> 00:50:24,720

because that movie did it for me it was

1140

00:50:30,109 --> 00:50:26,880

like in all the movies up to that point

1141

00:50:32,569 --> 00:50:30,119

you know et and you know Close

1142

00:50:35,780 --> 00:50:32,579

Encounters and you know on and on and on

1143

00:50:38,569 --> 00:50:35,790

even my JFK movie Oliver Stone even all

1144

00:50:40,760 --> 00:50:38,579

of it he put it all together and then

1145

00:50:43,250 --> 00:50:40,770

we're not in the new one arrival I

1146

00:50:45,349 --> 00:50:43,260

absolutely adore that movie you seen

1147

00:50:47,870 --> 00:50:45,359

arrival yes yeah yeah I had oh I

1148

00:50:49,880 --> 00:50:47,880

absolutely like that one it's so near

1149

00:50:52,339 --> 00:50:49,890

and dear to my heart but anyhow but

1150

00:50:54,109 --> 00:50:52,349

midnight special I think is just

1151  
00:50:56,930 --> 00:50:54,119  
extraordinary and I think people should

1152  
00:51:01,099 --> 00:50:56,940  
see it because it truly is I think we're

1153  
00:51:03,080 --> 00:51:01,109  
heading now yeah it's it's I don't want

1154  
00:51:04,610 --> 00:51:03,090  
to give it away but it's definitely

1155  
00:51:06,620 --> 00:51:04,620  
one of the most amazing movies I've seen

1156  
00:51:10,400 --> 00:51:06,630  
there's a lot to do transhumanism

1157  
00:51:12,140 --> 00:51:10,410  
basically yeah I think the aliens at

1158  
00:51:14,300 --> 00:51:12,150  
this point I don't know if you've if

1159  
00:51:15,890 --> 00:51:14,310  
you've talked to a lot of contactees

1160  
00:51:18,920 --> 00:51:15,900  
Carroll and I just don't know if you do

1161  
00:51:22,070 --> 00:51:18,930  
that but in the contacting world right

1162  
00:51:25,340 --> 00:51:22,080  
now within the last five to ten years

1163  
00:51:28,370 --> 00:51:25,350

maybe a little longer the human hybrid

1164

00:51:31,400 --> 00:51:28,380

stuff is slowed down quite a bit or

1165

00:51:33,170 --> 00:51:31,410

maybe it has become refined that's the

1166

00:51:35,200 --> 00:51:33,180

way I'd like to describe it I think they

1167

00:51:38,750 --> 00:51:35,210

were doing a mass population

1168

00:51:41,570 --> 00:51:38,760

cross-section in the 40s 50s 60s maybe

1169

00:51:44,120 --> 00:51:41,580

the 20s maybe the teens you know I don't

1170

00:51:47,810 --> 00:51:44,130

know back in the early the 1900s okay

1171

00:51:52,010 --> 00:51:47,820

mom and I think when we hit 2000 and

1172

00:51:54,740 --> 00:51:52,020

Beyond they now have that that broad

1173

00:51:56,630 --> 00:51:54,750

spectrum is already done that projects

1174

00:51:59,960 --> 00:51:56,640

finished and now they're focusing on

1175

00:52:02,450 --> 00:51:59,970

another very small group and they're and

1176

00:52:04,970 --> 00:52:02,460

they're creating a new type of hybrid

1177

00:52:08,420 --> 00:52:04,980

out of the small group that are actually

1178

00:52:10,550 --> 00:52:08,430

probably two or three thousand years of

1179

00:52:12,950 --> 00:52:10,560

their hybridization to get us to this

1180

00:52:14,150 --> 00:52:12,960

level of human that they could work with

1181

00:52:16,220 --> 00:52:14,160

okay

1182

00:52:18,080 --> 00:52:16,230

and now I think they're at the point

1183

00:52:20,060 --> 00:52:18,090

where they're grabbing certain people

1184

00:52:23,300 --> 00:52:20,070

like there's this young lady named Lisa

1185

00:52:24,920 --> 00:52:23,310

in Sedona and she tells about her

1186

00:52:26,690 --> 00:52:24,930

children that they're being made and

1187

00:52:29,240 --> 00:52:26,700

she's very young I mean she's in her

1188

00:52:33,230 --> 00:52:29,250

early 30s and you know she's the next

1189

00:52:35,900 --> 00:52:33,240

generation of hybridization mothers I

1190

00:52:38,000 --> 00:52:35,910

call them the hybrid moon and but

1191

00:52:40,610 --> 00:52:38,010

there's not as many and when they do

1192

00:52:42,350 --> 00:52:40,620

come out there they're very specialized

1193

00:52:44,030 --> 00:52:42,360

then they're very focused on these

1194

00:52:46,820 --> 00:52:44,040

children and they know all about them

1195

00:52:48,950 --> 00:52:46,830

and they don't freak out about them and

1196

00:52:51,230 --> 00:52:48,960

they're never taken in these mass groups

1197

00:52:53,570 --> 00:52:51,240

that you know 150 naked men and women

1198

00:52:55,220 --> 00:52:53,580

you know like that used to happen in the

1199

00:52:56,810 --> 00:52:55,230

60s 70s and 80s

1200

00:52:59,450 --> 00:52:56,820

I'm just not hearing about that stuff

1201  
00:53:02,300 --> 00:52:59,460  
anymore so anyhow the reason I bring

1202  
00:53:05,810 --> 00:53:02,310  
this all up to you is when you deal with

1203  
00:53:09,170 --> 00:53:05,820  
these people do you feel like that

1204  
00:53:11,240 --> 00:53:09,180  
they're some of them might be the people

1205  
00:53:14,720 --> 00:53:11,250  
that are going to change the future of

1206  
00:53:16,940 --> 00:53:14,730  
the alien human connection that's going

1207  
00:53:19,040 --> 00:53:16,950  
on you have those people that you deal

1208  
00:53:28,400 --> 00:53:19,050  
yeah in fact there a few of them are in

1209  
00:53:35,510 --> 00:53:28,410  
my film okay okay your guides are doing

1210  
00:53:37,220 --> 00:53:35,520  
good keep talking in her ear I was just

1211  
00:53:39,200 --> 00:53:37,230  
gonna say you know it's almost time for

1212  
00:53:41,540 --> 00:53:39,210  
a break maybe we should start telling

1213  
00:53:43,700 --> 00:53:41,550

them about your film and what you do for

1214

00:53:48,339 --> 00:53:43,710

your training courses and all that stuff

1215

00:53:52,040 --> 00:53:48,349

yeah so yeah so I have a couple of those

1216

00:53:54,440 --> 00:53:52,050

hybrid mothers in the film and they tell

1217

00:53:56,990 --> 00:53:54,450

us about how they're taking on ships but

1218

00:54:00,170 --> 00:53:57,000

like you just said it's nothing scary

1219

00:54:03,109 --> 00:54:00,180

it's not this groups of people being

1220

00:54:05,300 --> 00:54:03,119

yeah none of that and they absolutely

1221

00:54:08,120 --> 00:54:05,310

love the experience I mean you should

1222

00:54:11,050 --> 00:54:08,130

see them hear them in the film they they

1223

00:54:14,329 --> 00:54:11,060

feel it's totally normal its natural

1224

00:54:16,940 --> 00:54:14,339

they talk about their children and they

1225

00:54:19,000 --> 00:54:16,950

draw their pictures of their children I

1226  
00:54:24,950 --> 00:54:19,010  
mean not pictures like a snapshot but

1227  
00:54:27,829 --> 00:54:24,960  
images that they drew yeah and they have

1228  
00:54:30,020 --> 00:54:27,839  
you know to the path of communication

1229  
00:54:32,540 --> 00:54:30,030  
and actually they get to go on the ship

1230  
00:54:35,030 --> 00:54:32,550  
as well and see the children and like

1231  
00:54:39,559 --> 00:54:35,040  
you said it's amazing I mean there is no

1232  
00:54:42,680 --> 00:54:39,569  
fear whatsoever it's it just feels like

1233  
00:54:45,410 --> 00:54:42,690  
it's part of their work like you just

1234  
00:54:47,540 --> 00:54:45,420  
said so I just going back to your

1235  
00:54:50,660 --> 00:54:47,550  
question do you feel that these are the

1236  
00:54:56,480 --> 00:54:50,670  
ones that are changing the planet or you

1237  
00:54:59,569 --> 00:54:56,490  
know evolving the human species I think

1238  
00:55:01,700 --> 00:54:59,579

they're playing one part I don't think

1239

00:55:05,300 --> 00:55:01,710

they're you know kind of leading the

1240

00:55:07,490 --> 00:55:05,310

whole much bigger picture but I want to

1241

00:55:11,569 --> 00:55:07,500

say on a local level and what I mean by

1242

00:55:13,400 --> 00:55:11,579

local is more this planetary system you

1243

00:55:17,150 --> 00:55:13,410

know it's like there's different levels

1244

00:55:21,339 --> 00:55:17,160

of awakening species on a planet and I

1245

00:55:23,690 --> 00:55:21,349

think they're just part of the local

1246

00:55:28,339 --> 00:55:23,700

evolution of the species there's a

1247

00:55:30,589 --> 00:55:28,349

bigger umbrella as well that is leading

1248

00:55:32,870 --> 00:55:30,599

the human species

1249

00:55:35,870 --> 00:55:32,880

it's evolutionary path does that make

1250

00:55:38,569 --> 00:55:35,880

sense they're kind of oh yeah the bigger

1251  
00:55:43,039 --> 00:55:38,579  
picture yeah exactly I think that's just

1252  
00:55:45,349 --> 00:55:43,049  
one one slice of what this whole this

1253  
00:55:48,049 --> 00:55:45,359  
whole you you know our whole galaxy and

1254  
00:55:49,789 --> 00:55:48,059  
that's planets you know we may have been

1255  
00:55:52,420 --> 00:55:49,799  
terraformed and you know what we're

1256  
00:55:54,920 --> 00:55:52,430  
gonna talk about that after the break

1257  
00:55:56,779 --> 00:55:54,930  
there we go folks I'm actually hit a

1258  
00:55:59,029 --> 00:55:56,789  
break on time for the first time in

1259  
00:56:01,910 --> 00:55:59,039  
weeks and here we are it's not it's 9:00

1260  
00:56:04,069 --> 00:56:01,920  
p.m. here on the beautiful west coast

1261  
00:56:08,140 --> 00:56:04,079  
and so we'll take a break we'll be back

1262  
00:56:13,099 --> 00:56:10,999  
welcome back everyone to the California

1263  
00:56:15,440 --> 00:56:13,109

MUFON radio show I'm your host Lori

1264

00:56:17,660 --> 00:56:15,450

intentan I am happy you guys are here

1265

00:56:19,460 --> 00:56:17,670

with me tonight and Carolyn Cortese with

1266

00:56:21,289 --> 00:56:19,470

us and we're having a great time talking

1267

00:56:22,759 --> 00:56:21,299

about all things consciousness and

1268

00:56:25,519 --> 00:56:22,769

aliens they're kind of all mixed

1269

00:56:27,710 --> 00:56:25,529

together maybe angels news but before we

1270

00:56:32,150 --> 00:56:27,720

get back to Carolyn I do have to tell

1271

00:56:34,279 --> 00:56:32,160

you guys the MUFON dues went up today I

1272

00:56:36,440 --> 00:56:34,289

couldn't I forgot to tell you last week

1273

00:56:39,229 --> 00:56:36,450

to get your MUFON at the old raping you

1274

00:56:40,999 --> 00:56:39,239

know what it's really cool just to get

1275

00:56:43,009 --> 00:56:41,009

it the new rape because there's a lot of

1276

00:56:46,219 --> 00:56:43,019

new perks involved with the new rate

1277

00:56:48,289 --> 00:56:46,229

that they've got going on and also you

1278

00:56:50,029 --> 00:56:48,299

know the MUFON websites changing it's

1279

00:56:51,289 --> 00:56:50,039

evolving I went there the other day and

1280

00:56:53,299 --> 00:56:51,299

it was completely different than it was

1281

00:56:55,459 --> 00:56:53,309

when I was there a couple months ago so

1282

00:56:57,620 --> 00:56:55,469

lots of things are happening at MUFON

1283

00:57:00,259 --> 00:56:57,630

and you know with the whole Tom DeLonge

1284

00:57:02,900 --> 00:57:00,269

thing happening and the whole corey

1285

00:57:06,170 --> 00:57:02,910

goodies evolution and all you know guy a

1286

00:57:08,209 --> 00:57:06,180

TV you know that MUFON is kind of still

1287

00:57:09,650 --> 00:57:08,219

hanging in there you know they're in the

1288

00:57:11,089 --> 00:57:09,660

background we'll see what happens

1289

00:57:14,120 --> 00:57:11,099

there's two other groups that are

1290

00:57:16,130 --> 00:57:14,130

starting up now but like I said MUFON

1291

00:57:18,289 --> 00:57:16,140

it's been there since 69 it's been

1292

00:57:22,219 --> 00:57:18,299

through the wars I would definitely say

1293

00:57:24,079 --> 00:57:22,229

MUFON is probably battle tested and they

1294

00:57:26,329 --> 00:57:24,089

caused a lot of their own battles though

1295

00:57:28,509 --> 00:57:26,339

I will throw that in because I love them

1296

00:57:30,799 --> 00:57:28,519

dearly and I always speak the truth and

1297

00:57:33,130 --> 00:57:30,809

but you guys you know the one great

1298

00:57:35,450 --> 00:57:33,140

thing about MUFON is that I'm a MUFON

1299

00:57:39,170 --> 00:57:35,460

section director up here in Northern

1300

00:57:41,779 --> 00:57:39,180

California and nobody tells me who I can

1301

00:57:44,029 --> 00:57:41,789

have and who I can't have at my MUFON

1302

00:57:44,480 --> 00:57:44,039

meetings no one sits there and says I

1303

00:57:46,850 --> 00:57:44,490

have

1304

00:57:49,460 --> 00:57:46,860

to be on a certain agenda no one tells

1305

00:57:51,530 --> 00:57:49,470

me anything they just say Lorien go tell

1306

00:57:54,109 --> 00:57:51,540

people the truth and just have a great

1307

00:57:57,500 --> 00:57:54,119

time on your your day so that's what I

1308

00:58:00,500 --> 00:57:57,510

do and you know they I think they highly

1309

00:58:02,390 --> 00:58:00,510

respect me for her too because you never

1310

00:58:05,540 --> 00:58:02,400

know who's gonna show up at my events

1311

00:58:07,550 --> 00:58:05,550

and speaking of this Saturday is my

1312

00:58:10,090 --> 00:58:07,560

Lafond day it's the first Saturday of

1313

00:58:12,680 --> 00:58:10,100

the month and we're gonna have Garry

1314

00:58:14,930 --> 00:58:12,690

Parker who was here on inception radio

1315

00:58:17,840 --> 00:58:14,940

network the guy who calls in the aliens

1316

00:58:20,300 --> 00:58:17,850

down in the river in Arizona the alien

1317

00:58:22,430 --> 00:58:20,310

that was the Anunnaki God if I remember

1318

00:58:24,710 --> 00:58:22,440

correctly he talked about Egypt and how

1319

00:58:28,460 --> 00:58:24,720

these maps and all these discoveries he

1320

00:58:30,230 --> 00:58:28,470

made and you he was quite fun and I

1321

00:58:31,850 --> 00:58:30,240

think we're gonna have him at the yeah

1322

00:58:34,040 --> 00:58:31,860

I'm sure we're having him at our MUFON

1323

00:58:36,050 --> 00:58:34,050

meeting talking about all the stuff we

1324

00:58:37,760 --> 00:58:36,060

were hoping to get him to go down to the

1325

00:58:39,260 --> 00:58:37,770

river and then my friend Aaron was gonna

1326

00:58:41,510 --> 00:58:39,270

go down there cuz he lives in Arizona

1327

00:58:43,880 --> 00:58:41,520

and he's gonna Facebook live the whole

1328

00:58:45,830 --> 00:58:43,890

alien thing we're gonna kind of hold

1329

00:58:48,800 --> 00:58:45,840

that for maybe a conference we're

1330

00:58:50,390 --> 00:58:48,810

thinking about filming that and having

1331

00:58:53,150 --> 00:58:50,400

to come to the conference and talk about

1332

00:58:55,099 --> 00:58:53,160

it and you know I'm gonna go back to the

1333

00:58:57,440 --> 00:58:55,109

Tom DeLonge thing not to take too much

1334

00:58:59,120 --> 00:58:57,450

time away from Carolyn here but I do

1335

00:59:01,300 --> 00:58:59,130

want to mention the whole Tom DeLonge

1336

00:59:03,980 --> 00:59:01,310

thing you guys this is my prediction

1337

00:59:06,830 --> 00:59:03,990

it'll fizzle out within a year or two

1338

00:59:09,620 --> 00:59:06,840

and it'll go somewhere bye-bye because

1339

00:59:13,040 --> 00:59:09,630

you know they're they've approached ray

1340

00:59:15,500 --> 00:59:13,050

Hernandez and bless his soul they

1341

00:59:17,660 --> 00:59:15,510

offered him four million dollars to give

1342

00:59:20,270 --> 00:59:17,670

over the database and he wouldn't give

1343

00:59:22,400 --> 00:59:20,280

it to them yay for Ray I want to thank

1344

00:59:25,250 --> 00:59:22,410

rate you know if I ever see Randall and

1345

00:59:27,080 --> 00:59:25,260

the big ol planet kiss on that guy he

1346

00:59:29,359 --> 00:59:27,090

deserves all the kudos in the world for

1347

00:59:32,570 --> 00:59:29,369

not selling out to these guys god what a

1348

00:59:36,710 --> 00:59:32,580

good guy there is rumor also on Facebook

1349

00:59:38,960 --> 00:59:36,720

that there is a woman who got a video of

1350

00:59:42,170 --> 00:59:38,970

an alien when she was speaking at a

1351  
00:59:44,210 --> 00:59:42,180  
conference somewhere and they offered

1352  
00:59:45,650 --> 00:59:44,220  
her four million dollars for it now

1353  
00:59:47,510 --> 00:59:45,660  
whether it's true or not it's another

1354  
00:59:49,430 --> 00:59:47,520  
whole issue and whether it's true they

1355  
00:59:51,349 --> 00:59:49,440  
offered four million to either one of

1356  
00:59:53,750 --> 00:59:51,359  
them I don't know maybe it was a million

1357  
00:59:55,490 --> 00:59:53,760  
you know maybe the story exaggerated spy

1358  
00:59:57,530 --> 00:59:55,500  
a million dollars every time someone

1359  
00:59:58,220 --> 00:59:57,540  
talks about if they only offered Rafe a

1360  
01:00:00,400 --> 00:59:58,230  
half a million

1361  
01:00:03,500 --> 01:00:00,410  
who knows but the point that this is

1362  
01:00:05,780 --> 01:00:03,510  
they're desperate for for everybody

1363  
01:00:08,030 --> 01:00:05,790

else's research so that tells me these

1364

01:00:10,220 --> 01:00:08,040

guys don't have a leg to stand on so I'm

1365

01:00:11,840 --> 01:00:10,230

predicting within two years it'll be

1366

01:00:13,550 --> 01:00:11,850

kind of like the joke of the UFO

1367

01:00:14,120 --> 01:00:13,560

community I'll be gone but I can tell

1368

01:00:16,490 --> 01:00:14,130

you this

1369

01:00:18,740 --> 01:00:16,500

MUFON will still be there I'll still be

1370

01:00:21,620 --> 01:00:18,750

having my meetings maybe that's a quote

1371

01:00:23,390 --> 01:00:21,630

unquote maybe and you will always be

1372

01:00:24,770 --> 01:00:23,400

able to find a MUFON meeting near you

1373

01:00:27,320 --> 01:00:24,780

you'll be able to get together it's like

1374

01:00:28,970 --> 01:00:27,330

people of like mine you'll be able to go

1375

01:00:30,710 --> 01:00:28,980

out to dinner you'll be able to have a

1376

01:00:32,810 --> 01:00:30,720

speaker you'll be able to share your

1377

01:00:35,300 --> 01:00:32,820

your experience food you'll be able to

1378

01:00:37,010 --> 01:00:35,310

have some fun it's once a month where

1379

01:00:39,170 --> 01:00:37,020

you can actually hang out with people

1380

01:00:42,230 --> 01:00:39,180

and you're not the weirdo and they'll

1381

01:00:46,340 --> 01:00:42,240

actually listen to you they'll actually

1382

01:00:48,800 --> 01:00:46,350

say oh my god really instead of I gotta

1383

01:00:51,890 --> 01:00:48,810

go do the dishes you know you get that

1384

01:00:54,170 --> 01:00:51,900

reaction it'll be so nice for James so

1385

01:00:58,099 --> 01:00:54,180

do come to a MUFON meeting near you go

1386

01:01:00,320 --> 01:00:58,109

to MUFON em UFO and.com check it out and

1387

01:01:02,930 --> 01:01:00,330

check out the meetings and have a great

1388

01:01:05,150 --> 01:01:02,940

time and tell Lori incent you because it

1389

01:01:07,099 --> 01:01:05,160

really irritates them when you guys all

1390

01:01:08,780 --> 01:01:07,109

get together and start meetings and do

1391

01:01:11,390 --> 01:01:08,790

this and say hey Lori and Vincent sent

1392

01:01:14,420 --> 01:01:11,400

me and I'm supposed to be here they'll

1393

01:01:18,140 --> 01:01:14,430

go oh my god that girl she just never

1394

01:01:20,300 --> 01:01:18,150

stops okay so anyhow you guys thank you

1395

01:01:22,460 --> 01:01:20,310

very much for supporting me thank you

1396

01:01:24,740 --> 01:01:22,470

for supporting irn and thank you for

1397

01:01:28,280 --> 01:01:24,750

taking care of MUFON - I appreciated it

1398

01:01:30,980 --> 01:01:28,290

okay Carolyn we're back and I've done my

1399

01:01:34,220 --> 01:01:30,990

spiel for the night and you know what a

1400

01:01:36,380 --> 01:01:34,230

great feel it is I get hi it's me that

1401  
01:01:38,120 --> 01:01:36,390  
little voice inside your head you spent

1402  
01:01:40,670 --> 01:01:38,130  
all year taking care of business

1403  
01:01:42,830 --> 01:01:40,680  
let Office Depot office max take care of

1404  
01:01:46,310 --> 01:01:42,840  
you there's this new HP Pavilion laptop

1405  
01:01:48,830 --> 01:01:46,320  
with eighth generation Intel Core i5

1406  
01:01:53,300 --> 01:01:48,840  
processor save 200 bucks

1407  
01:01:56,180 --> 01:01:53,310  
now just for 49 look at it it's only for

1408  
01:02:02,330 --> 01:01:56,190  
49 at Office Depot office max go ahead

1409  
01:02:04,670 --> 01:02:02,340  
you deserve it offer ends 1111 limit 1

1410  
01:02:06,500 --> 01:02:04,680  
promote a group of people that get

1411  
01:02:09,109 --> 01:02:06,510  
together once a month all over the

1412  
01:02:10,700 --> 01:02:09,119  
United States and and get to talk about

1413  
01:02:13,730 --> 01:02:10,710

UFOs and aliens and they've been doing

1414

01:02:14,150 --> 01:02:13,740

it since 1969 so it's pretty cool isn't

1415

01:02:18,680 --> 01:02:14,160

it

1416

01:02:20,630 --> 01:02:18,690

that's great we need that there's lots

1417

01:02:22,820 --> 01:02:20,640

of other cool groups too and you know

1418

01:02:24,890 --> 01:02:22,830

one of these nights I think I'm gonna do

1419

01:02:26,300 --> 01:02:24,900

a little marathon of different people

1420

01:02:28,010 --> 01:02:26,310

who are starting different groups

1421

01:02:30,230 --> 01:02:28,020

there's one that's doing nothing but

1422

01:02:33,050 --> 01:02:30,240

consciousness and alien till it's Leppa

1423

01:02:34,970 --> 01:02:33,060

the-- they probably got 15,000 people

1424

01:02:38,960 --> 01:02:34,980

over the United States working on it

1425

01:02:41,060 --> 01:02:38,970

there's also comedy yeah yeah there's

1426

01:02:44,660 --> 01:02:41,070

kosta there's this guy who does these uh

1427

01:02:46,450 --> 01:02:44,670

oh gosh he does the same thing and you

1428

01:02:48,320 --> 01:02:46,460

know there's all these really amazing

1429

01:02:50,780 --> 01:02:48,330

consciousness people that are out there

1430

01:02:53,420 --> 01:02:50,790

connecting with aliens on a very

1431

01:02:55,130 --> 01:02:53,430

telepathic instead of you know like they

1432

01:02:58,190 --> 01:02:55,140

got to come down to their ship to see me

1433

01:03:01,250 --> 01:02:58,200

kind of communication going on and you

1434

01:03:03,950 --> 01:03:01,260

know what it's working in numbers it's

1435

01:03:06,380 --> 01:03:03,960

so crazy now if you found this out to be

1436

01:03:07,790 --> 01:03:06,390

true this whole like you know a thousand

1437

01:03:10,520 --> 01:03:07,800

people think of something and they all

1438

01:03:15,020 --> 01:03:10,530

get contacted but that's what I've been

1439

01:03:17,690 --> 01:03:15,030

doing I the last 15 years so so what

1440

01:03:20,090 --> 01:03:17,700

happened because this happened like I

1441

01:03:22,430 --> 01:03:20,100

said to me organically this connection

1442

01:03:25,760 --> 01:03:22,440

telepathic connection at the age of five

1443

01:03:30,560 --> 01:03:25,770

and that continued on I when I started

1444

01:03:33,770 --> 01:03:30,570

teaching about consciousness I kind of

1445

01:03:36,859 --> 01:03:33,780

created a whole experiential methodology

1446

01:03:39,620 --> 01:03:36,869

to tap into all sorts of thing not just

1447

01:03:46,070 --> 01:03:39,630

ETS I mean it's not just only ETS out

1448

01:03:48,950 --> 01:03:46,080

there you know what I mean so there's

1449

01:03:50,810 --> 01:03:48,960

other dimensional beans that may be of a

1450

01:03:53,450 --> 01:03:50,820

different frequency that don't even look

1451

01:03:55,310 --> 01:03:53,460

like us or or like an alien alien you

1452

01:03:57,440 --> 01:03:55,320

know exactly that well these are the

1453

01:03:59,150 --> 01:03:57,450

types of beings that we talk to most of

1454

01:04:02,780 --> 01:03:59,160

the time there are a lot more exciting

1455

01:04:05,509 --> 01:04:02,790

than the little greys but you know so so

1456

01:04:08,139 --> 01:04:05,519

what I've been doing is I've been

1457

01:04:11,719 --> 01:04:08,149

as we are you know I'm leading a class

1458

01:04:13,309 --> 01:04:11,729

we talk about let's say okay well what's

1459

01:04:16,159 --> 01:04:13,319

really happening on the moon or

1460

01:04:18,380 --> 01:04:16,169

something or on Mars but not from a

1461

01:04:20,149 --> 01:04:18,390

ufology like I said this is not my

1462

01:04:24,259 --> 01:04:20,159

background and this is not our focus

1463

01:04:26,809 --> 01:04:24,269

actually right right it's more from what

1464

01:04:28,699 --> 01:04:26,819

is this planetary system who else is out

1465

01:04:32,749 --> 01:04:28,709

there how does it work what what what

1466

01:04:34,969 --> 01:04:32,759

about creation where does humanity fit

1467

01:04:37,249 --> 01:04:34,979

within the bigger that's all that's what

1468

01:04:41,359 --> 01:04:37,259

I'm questioning and so we we raise a

1469

01:04:44,149 --> 01:04:41,369

question and then we we I lead an

1470

01:04:46,759 --> 01:04:44,159

experiential meditation and so for

1471

01:04:50,409 --> 01:04:46,769

example I call them a cosmic exploration

1472

01:04:54,019 --> 01:04:50,419

so sometimes I give them a specific

1473

01:04:56,749 --> 01:04:54,029

coordinate in its face and we all go

1474

01:04:58,909 --> 01:04:56,759

there it's it's not like it's kind of

1475

01:05:02,389 --> 01:04:58,919

like remote viewing but not quite we're

1476

01:05:04,639 --> 01:05:02,399

literally there you know so and so we

1477

01:05:08,659 --> 01:05:04,649

feel things differently than the remote

1478

01:05:13,539 --> 01:05:08,669

viewing and so so for example sometimes

1479

01:05:16,159 --> 01:05:13,549

we one time we went to Jupiter and

1480

01:05:18,739 --> 01:05:16,169

because we don't have any other

1481

01:05:20,299 --> 01:05:18,749

information as to what's on Jupiter

1482

01:05:22,009 --> 01:05:20,309

who's there or whatever I mean I don't

1483

01:05:25,969 --> 01:05:22,019

know maybe there is information but we

1484

01:05:29,209 --> 01:05:25,979

don't look it up we want to happen we

1485

01:05:33,379 --> 01:05:29,219

want to have the direct experience so we

1486

01:05:36,679 --> 01:05:33,389

met all sorts of actually humans who are

1487

01:05:39,949 --> 01:05:36,689

on Jupiter and they were kind of humans

1488

01:05:43,120 --> 01:05:39,959

from the future so we learn a lot we

1489

01:05:46,209 --> 01:05:43,130

discovered a lot of different types of

1490

01:05:48,949 --> 01:05:46,219

humans and non-human intelligence that

1491

01:05:51,829 --> 01:05:48,959

we're not really hearing about and

1492

01:05:54,199 --> 01:05:51,839

talking about most of the time so so

1493

01:05:56,539 --> 01:05:54,209

we've been doing this I've been doing

1494

01:06:00,169 --> 01:05:56,549

this with groups for at least 15 years

1495

01:06:05,509 --> 01:06:00,179

and what some yeah and so what's amazing

1496

01:06:08,289 --> 01:06:05,519

is that because like we have no

1497

01:06:10,279 --> 01:06:08,299

preconceived ideas we didn't we don't go

1498

01:06:13,699 --> 01:06:10,289

researching you know this and that

1499

01:06:15,589 --> 01:06:13,709

sometimes we go we go to a an asteroid

1500

01:06:21,469 --> 01:06:15,599

so

1501

01:06:23,809 --> 01:06:21,479

happens is that we after the after the

1502

01:06:25,489 --> 01:06:23,819

meditation after the exercise we come

1503

01:06:29,859 --> 01:06:25,499

back let's say there's 50 people in the

1504

01:06:33,469 --> 01:06:29,869

class and we I started collecting data

1505

01:06:36,109 --> 01:06:33,479

because it was amazing how many people

1506

01:06:38,900 --> 01:06:36,119

were seeing the exact same thing so we

1507

01:06:42,979 --> 01:06:38,910

would go to this place and then when we

1508

01:06:47,180 --> 01:06:42,989

come back between 62 to 98% of the

1509

01:06:49,489 --> 01:06:47,190

people 68 to 92 percent of the people in

1510

01:06:52,269 --> 01:06:49,499

the class see exactly the same thing

1511

01:06:55,219 --> 01:06:52,279

come back with the exact same message

1512

01:06:59,989 --> 01:06:55,229

describe the location exactly in the

1513

01:07:02,719 --> 01:06:59,999

same way so it works when a group of

1514

01:07:04,849 --> 01:07:02,729

people you know summons is specific and

1515

01:07:07,279 --> 01:07:04,859

then the same thing like you just said

1516

01:07:09,469 --> 01:07:07,289

when we want to come in contact with a

1517

01:07:11,390 --> 01:07:09,479

certain type of being we all focus and

1518

01:07:17,299 --> 01:07:11,400

invite that being and we all have the

1519

01:07:20,660 --> 01:07:17,309

same experience Wow yeah it's really

1520

01:07:22,609 --> 01:07:20,670

that simple every time I think about all

1521

01:07:25,519 --> 01:07:22,619

the remote viewing guys that came before

1522

01:07:28,819 --> 01:07:25,529

all this they really blazed a trail for

1523

01:07:30,650 --> 01:07:28,829

us all to do this in just a fraction of

1524

01:07:31,910 --> 01:07:30,660

a second like I've been doing that my

1525

01:07:34,430 --> 01:07:31,920

entire life

1526

01:07:37,729 --> 01:07:34,440

I am I always am going somewhere in my

1527

01:07:39,109 --> 01:07:37,739

head and I and I I'm always calling you

1528

01:07:41,689 --> 01:07:39,119

know what I've been doing my entire life

1529

01:07:46,069 --> 01:07:41,699

instead of a telephone I call people in

1530

01:07:47,449 --> 01:07:46,079

my head I go or in Siri call me I'm busy

1531

01:07:49,339 --> 01:07:47,459

I don't have time to get the phone call

1532

01:07:52,189 --> 01:07:49,349

me tomorrow at 4 o'clock and sure enough

1533

01:07:54,650 --> 01:07:52,199

if I Florence are tuned in enough with

1534

01:07:56,479 --> 01:07:54,660

me that they know that I'm trying to get

1535

01:07:59,150 --> 01:07:56,489

a hold of them and that they need to

1536

01:08:00,559 --> 01:07:59,160

call me and they usually think oh god

1537

01:08:02,209 --> 01:08:00,569

you know what's she doing it while she's

1538

01:08:04,729 --> 01:08:02,219

busy right now ok I'll call her later

1539

01:08:07,069 --> 01:08:04,739

but see they're so into with me they

1540

01:08:09,979 --> 01:08:07,079

know what's going on I have friends that

1541

01:08:11,959 --> 01:08:09,989

literally call me and say you just had

1542

01:08:13,219 --> 01:08:11,969

something really bad happen yeah and I'm

1543

01:08:15,170 --> 01:08:13,229

going yeah

1544

01:08:16,729 --> 01:08:15,180

like god I can't hide it I could never

1545

01:08:18,919 --> 01:08:16,739

mask it it's like everybody in the

1546

01:08:22,490 --> 01:08:18,929

universe knows and I got something bad

1547

01:08:24,649 --> 01:08:22,500

going yeah I guess I just automatically

1548

01:08:26,749 --> 01:08:24,659

emanated out to them and because what

1549

01:08:29,150 --> 01:08:26,759

I'm doing is I'm trying to disperse it

1550

01:08:31,520 --> 01:08:29,160

so that they can all take a

1551

01:08:34,040 --> 01:08:31,530

little tiny chunk of it and just get rid

1552

01:08:35,840 --> 01:08:34,050

of it for me and I thank them all for it

1553

01:08:37,760 --> 01:08:35,850

it's kind of like I'm dispelling the the

1554

01:08:41,990 --> 01:08:37,770

myth you know I'm just like it's gone

1555

01:08:43,400 --> 01:08:42,000

okay it's all over now you know but some

1556

01:08:47,720 --> 01:08:43,410

of them will just be like oh my god

1557

01:08:52,480 --> 01:08:47,730

that's a horrible okay and they're just

1558

01:08:58,910 --> 01:08:56,620

it's absolutely amazing how it works and

1559

01:09:01,940 --> 01:08:58,920

you know I spent my whole life thinking

1560

01:09:03,770 --> 01:09:01,950

I was a psychic and I tell the story on

1561

01:09:05,300 --> 01:09:03,780

the show all the time about my

1562

01:09:07,310 --> 01:09:05,310

grandmother's and I both my

1563

01:09:09,800 --> 01:09:07,320

grandmother's were when was a card

1564

01:09:12,830 --> 01:09:09,810

reader and and for the Italian

1565

01:09:14,690 --> 01:09:12,840

neighborhood in you know our area she

1566

01:09:15,770 --> 01:09:14,700

was considered you know psychic or

1567

01:09:17,960 --> 01:09:15,780

something I guess

1568

01:09:19,850 --> 01:09:17,970

I think they never called her a stronger

1569

01:09:21,350 --> 01:09:19,860

which is a witch but they just always

1570

01:09:23,090 --> 01:09:21,360

said you know if you even answered

1571

01:09:27,260 --> 01:09:23,100

anything goes to be my grandmother right

1572

01:09:30,910 --> 01:09:27,270

and then my other grandmother and I he

1573

01:09:33,950 --> 01:09:30,920

had this such a deep connection that

1574

01:09:36,830 --> 01:09:33,960

when she was calling on the phone I

1575

01:09:39,440 --> 01:09:36,840

would hear her call before she'd call I

1576

01:09:41,930 --> 01:09:39,450

know what she was gonna say and I tell

1577

01:09:44,150 --> 01:09:41,940

my mother is like you know I'm running

1578

01:09:45,800 --> 01:09:44,160

out the door to go play Oh tell grandma

1579

01:09:48,410 --> 01:09:45,810

that you know I'll be back in so-and-so

1580

01:09:49,790 --> 01:09:48,420

and we can have dinner in five you know

1581

01:09:52,100 --> 01:09:49,800

something like that my mom's always like

1582

01:09:53,450 --> 01:09:52,110

but and then you know after a while my

1583

01:09:55,100 --> 01:09:53,460

mother just got to the point where she

1584

01:09:59,360 --> 01:09:55,110

just pick up the phone and go Lorene

1585

01:10:01,970 --> 01:09:59,370

said yeah and it was so crazy it was

1586

01:10:04,340 --> 01:10:01,980

like you know just so connected and so

1587

01:10:07,130 --> 01:10:04,350

what you're doing is you're basically

1588

01:10:09,920 --> 01:10:07,140

telling every you're giving everybody

1589

01:10:12,440 --> 01:10:09,930

that has not made me grown up like this

1590

01:10:14,690 --> 01:10:12,450

but you're giving them the tools that

1591

01:10:18,440 --> 01:10:14,700

they need to have this happen as a daily

1592

01:10:20,570 --> 01:10:18,450

them part of their life right absolutely

1593

01:10:23,210 --> 01:10:20,580

I mean it's really it's the most natural

1594

01:10:25,550 --> 01:10:23,220

thing so now it's not easy yeah it's

1595

01:10:27,470 --> 01:10:25,560

like it's no big deal so now all these

1596

01:10:30,260 --> 01:10:27,480

folks who have been studying with me I

1597

01:10:32,600 --> 01:10:30,270

mean we would at this point

1598

01:10:35,720 --> 01:10:32,610

sometimes we're at a conference and they

1599

01:10:37,940 --> 01:10:35,730

show up or you know and we're just

1600

01:10:41,330 --> 01:10:37,950

having dinner or something like we're

1601  
01:10:42,290 --> 01:10:41,340  
not enough you know like in a focused

1602  
01:10:45,350 --> 01:10:42,300  
mode

1603  
01:10:49,240 --> 01:10:45,360  
whatever and and now it happens in the

1604  
01:10:51,740 --> 01:10:49,250  
split second so for example one time we

1605  
01:10:54,109 --> 01:10:51,750  
you know we were sitting at a dinner

1606  
01:10:56,510 --> 01:10:54,119  
table and then somebody asked a question

1607  
01:10:59,390 --> 01:10:56,520  
I said well let's let's just go there

1608  
01:11:01,640 --> 01:10:59,400  
and and and find out so in that split

1609  
01:11:04,370 --> 01:11:01,650  
second like we went and we we saw

1610  
01:11:05,600 --> 01:11:04,380  
exactly the type of being that was

1611  
01:11:07,220 --> 01:11:05,610  
communicating with us

1612  
01:11:10,010 --> 01:11:07,230  
you know like you see what I mean so it

1613  
01:11:12,379 --> 01:11:10,020

becomes a habit it becomes your brain

1614

01:11:15,950 --> 01:11:12,389

you train your brain to know how to

1615

01:11:17,660 --> 01:11:15,960

position its align itself to pick up the

1616

01:11:19,879 --> 01:11:17,670

information with clarity no matter

1617

01:11:21,770 --> 01:11:19,889

what's happening around you you know

1618

01:11:25,189 --> 01:11:21,780

even in a restaurant or even in a store

1619

01:11:27,410 --> 01:11:25,199

so so I mean that's what we should have

1620

01:11:31,490 --> 01:11:27,420

been doing with all the children you

1621

01:11:34,970 --> 01:11:31,500

know oh yeah what should be happening is

1622

01:11:36,799 --> 01:11:34,980

your your your your teaching your your

1623

01:11:38,689 --> 01:11:36,809

classes or whatever your it is that

1624

01:11:40,609 --> 01:11:38,699

you're offering should be how they're

1625

01:11:44,479 --> 01:11:40,619

running schools these days and I think

1626

01:11:46,459 --> 01:11:44,489

about twenty to forty years it will be I

1627

01:11:49,910 --> 01:11:46,469

really do I think so if we can get over

1628

01:11:52,430 --> 01:11:49,920

killing each other well you just get

1629

01:11:54,319 --> 01:11:52,440

over that you know like it only has been

1630

01:11:56,270 --> 01:11:54,329

three thousand years we've been tromping

1631

01:11:58,479 --> 01:11:56,280

on each other but if we could just get

1632

01:12:01,280 --> 01:11:58,489

to the point where we realized that

1633

01:12:04,160 --> 01:12:01,290

spirituality at a very young age and the

1634

01:12:06,560 --> 01:12:04,170

the freedom to be able to think that way

1635

01:12:08,240 --> 01:12:06,570

without being you know slapped on the

1636

01:12:10,970 --> 01:12:08,250

wrist or being told you're wrong or

1637

01:12:13,399 --> 01:12:10,980

being whatever it's truly the way that

1638

01:12:15,830 --> 01:12:13,409

we're gonna all unite this is what keeps

1639

01:12:18,109 --> 01:12:15,840

everybody together is this this type of

1640

01:12:20,060 --> 01:12:18,119

training you know once you can all read

1641

01:12:21,290 --> 01:12:20,070

each other's minds there's nothing you

1642

01:12:25,760 --> 01:12:21,300

know no one's gonna kill each other

1643

01:12:28,160 --> 01:12:25,770

right in fact I created an educational

1644

01:12:30,530 --> 01:12:28,170

system like that you know just to know

1645

01:12:32,510 --> 01:12:30,540

how to tune into the information to see

1646

01:12:34,790 --> 01:12:32,520

beyond what's written in other words

1647

01:12:37,700 --> 01:12:34,800

read an article simply by looking at it

1648

01:12:41,299 --> 01:12:37,710

without reading it because you kind of

1649

01:12:43,160 --> 01:12:41,309

see the the consciousness of it or the

1650

01:12:46,370 --> 01:12:43,170

information you know what I mean like

1651

01:12:48,620 --> 01:12:46,380

the truth behind it so this also helps

1652

01:12:51,020 --> 01:12:48,630

you with discernment so you're not being

1653

01:12:53,330 --> 01:12:51,030

biased by oh it's this guy who wrote

1654

01:12:55,650 --> 01:12:53,340

this book oh it's that person who says

1655

01:12:58,830 --> 01:12:55,660

something about this art you know what

1656

01:13:03,660 --> 01:12:58,840

it's just your your your bypassing all

1657

01:13:06,540 --> 01:13:03,670

the human programming to get directly to

1658

01:13:10,740 --> 01:13:06,550

the information in a truthful manner so

1659

01:13:13,770 --> 01:13:10,750

so and and also I know there so I've

1660

01:13:15,810 --> 01:13:13,780

been also teaching how to read an entire

1661

01:13:19,800 --> 01:13:15,820

book without even opening it you know

1662

01:13:24,920 --> 01:13:19,810

things like that so that yeah because

1663

01:13:27,960 --> 01:13:24,930

that trains your brain to read without

1664

01:13:30,360 --> 01:13:27,970

to go beyond the actual language because

1665

01:13:32,610 --> 01:13:30,370

when you read language your brain

1666

01:13:35,160 --> 01:13:32,620

operates differently your frontal lobe

1667

01:13:37,590 --> 01:13:35,170

the temporal lobe the firing of the

1668

01:13:39,900 --> 01:13:37,600

brain is very different when you read as

1669

01:13:43,140 --> 01:13:39,910

opposed to when you tap into the

1670

01:13:45,780 --> 01:13:43,150

information of your words you know and

1671

01:13:48,240 --> 01:13:45,790

so so that's what what I've been

1672

01:13:50,100 --> 01:13:48,250

teaching is actually well you know we

1673

01:13:53,160 --> 01:13:50,110

haven't even gone there yet so we've

1674

01:13:59,640 --> 01:13:53,170

gotta get to UM neom universe calm you

1675

01:14:04,350 --> 01:13:59,650

guys that's om n I um that's um neom ni

1676

01:14:05,940 --> 01:14:04,360

um om and I um universe calm and check

1677

01:14:08,100 --> 01:14:05,950

it out cuz what we're gonna do right now

1678

01:14:10,680 --> 01:14:08,110

if it's okay with Carolyn so we're gonna

1679

01:14:12,480 --> 01:14:10,690

start going through the website because

1680

01:14:14,670 --> 01:14:12,490

she's got some amazing things there

1681

01:14:16,320 --> 01:14:14,680

she's got some things for free there and

1682

01:14:18,900 --> 01:14:16,330

we're gonna start talking about it and

1683

01:14:21,450 --> 01:14:18,910

just kind of mosey our way through so

1684

01:14:24,180 --> 01:14:21,460

you guys understand how powerful what

1685

01:14:26,220 --> 01:14:24,190

she has to offer can change your life it

1686

01:14:28,140 --> 01:14:26,230

can change you it can help you it can

1687

01:14:30,180 --> 01:14:28,150

you can do all kinds of things it's

1688

01:14:31,890 --> 01:14:30,190

really really cool I've been checking it

1689

01:14:34,310 --> 01:14:31,900

out ever since I first interviewed her a

1690

01:14:36,600 --> 01:14:34,320

couple weeks ago on revolution radio and

1691

01:14:38,700 --> 01:14:36,610

there's some amazing things here so

1692

01:14:41,460 --> 01:14:38,710

let's start Carolyn if it's okay with

1693

01:14:45,680 --> 01:14:41,470

you are you at the website I'm not at

1694

01:14:51,570 --> 01:14:49,770

really worried about it right to add

1695

01:14:53,910 --> 01:14:51,580

something real quick to what you said I

1696

01:14:55,860 --> 01:14:53,920

think also this work which is really

1697

01:14:58,500 --> 01:14:55,870

about consciousness and that bigger

1698

01:15:02,880 --> 01:14:58,510

sense you see how it affects education

1699

01:15:04,380 --> 01:15:02,890

it affects healing but also you start to

1700

01:15:09,130 --> 01:15:04,390

understand your place within the

1701

01:15:13,160 --> 01:15:09,140

universe so that whole UFO et

1702

01:15:14,479 --> 01:15:13,170

thing story starts to take on a

1703

01:15:16,760 --> 01:15:14,489

different you have a different

1704

01:15:19,700 --> 01:15:16,770

perspective because it's kind of like

1705

01:15:24,620 --> 01:15:19,710

you know it's like you have the even

1706

01:15:27,260 --> 01:15:24,630

bigger picture than the guys visiting us

1707

01:15:30,530 --> 01:15:27,270

or the space program or whatever because

1708

01:15:34,940 --> 01:15:30,540

all of this believe it or not still fits

1709

01:15:37,550 --> 01:15:34,950

within creation within the multiverse

1710

01:15:38,870 --> 01:15:37,560

within the universal consciousness you

1711

01:15:41,240 --> 01:15:38,880

know what I mean like there is bigger

1712

01:15:45,680 --> 01:15:41,250

consciousness than the ETS you know what

1713

01:15:48,770 --> 01:15:45,690

I mean so that's the reason why it's

1714

01:15:51,979 --> 01:15:48,780

important I feel at one point you know

1715

01:15:54,110 --> 01:15:51,989

you need to kind of get past the you

1716

01:15:56,209 --> 01:15:54,120

know here we are and here the ETS what

1717

01:15:58,520 --> 01:15:56,219

do they want and you know they're here

1718

01:16:01,040 --> 01:15:58,530

to do this to us and do that to us

1719

01:16:04,340 --> 01:16:01,050

I mean yes there's that but there's also

1720

01:16:08,600 --> 01:16:04,350

a much much bigger story and this is

1721

01:16:11,270 --> 01:16:08,610

this you know website is about just to

1722

01:16:15,080 --> 01:16:11,280

throw this out and not to that we're

1723

01:16:18,140 --> 01:16:15,090

gonna bring him on this but my buddy

1724

01:16:20,950 --> 01:16:18,150

Jason quit I'd I introduced you to him

1725

01:16:24,830 --> 01:16:20,960

and he's very much into the

1726

01:16:26,930 --> 01:16:24,840

consciousness universe as well and it

1727

01:16:28,910 --> 01:16:26,940

seems to be and the reason I bring him

1728

01:16:30,650 --> 01:16:28,920

up is because it seems to be a lot of

1729

01:16:34,670 --> 01:16:30,660

people that are speaking at these kind

1730

01:16:36,950 --> 01:16:34,680

of consciousness UFO alien spirituality

1731

01:16:38,780 --> 01:16:36,960

events you know that we've got going on

1732

01:16:43,880 --> 01:16:38,790

all over the West Coast you're pretty

1733

01:16:46,610 --> 01:16:43,890

much they really are starting to take

1734

01:16:48,979 --> 01:16:46,620

hold with people that the whole alien

1735

01:16:51,890 --> 01:16:48,989

agenda really is just a microcosm

1736

01:16:54,050 --> 01:16:51,900

compared to a personal AI or the

1737

01:16:57,680 --> 01:16:54,060

consciousness that we have surrounding

1738

01:17:02,229 --> 01:16:57,690

us because without it those those beings

1739

01:17:04,729 --> 01:17:02,239

can't get into our reality because

1740

01:17:06,890 --> 01:17:04,739

they're happy okay for exists and I'm

1741

01:17:09,800 --> 01:17:06,900

gonna give a quick example on this let's

1742

01:17:12,560 --> 01:17:09,810

say it's 500 years ago and you were you

1743

01:17:14,150 --> 01:17:12,570

saw a gray our consciousness was so

1744

01:17:15,830 --> 01:17:14,160

uninvolved that we thought it might have

1745

01:17:17,690 --> 01:17:15,840

been a fairy and that's the kind of

1746

01:17:19,670 --> 01:17:17,700

image they would put in for our brains

1747

01:17:22,060 --> 01:17:19,680

at that time it was so easy for them

1748

01:17:24,340 --> 01:17:22,070

it's gotten harder and hard

1749

01:17:27,250 --> 01:17:24,350

the more we get more conscious to the

1750

01:17:30,460 --> 01:17:27,260

universe around us and we become far

1751

01:17:33,310 --> 01:17:30,470

more developed and we become more aware

1752

01:17:37,920 --> 01:17:33,320

as a species they're now having a really

1753

01:17:44,530 --> 01:17:41,640

with our mind expanding consciousness so

1754

01:17:46,480 --> 01:17:44,540

yeah so I don't know how our

1755

01:17:48,780 --> 01:17:46,490

consciousness just got so expanded that

1756

01:17:51,910 --> 01:17:48,790

we can actually see these guys now but

1757

01:17:54,430 --> 01:17:51,920

however it happened you know I I truly

1758

01:17:58,000 --> 01:17:54,440

believe that the the consciousness God

1759

01:18:00,730 --> 01:17:58,010

with big G is making sure that we we

1760

01:18:03,400 --> 01:18:00,740

become as evolved as we can in a very

1761

01:18:05,500 --> 01:18:03,410

productive manner instead of this kind

1762

01:18:08,020 --> 01:18:05,510

of horrible thing that's been happening

1763

01:18:10,690 --> 01:18:08,030

to our planet for such a long time you

1764

01:18:12,910 --> 01:18:10,700

know war and death and and people not

1765

01:18:14,830 --> 01:18:12,920

even having a place to live I mean I I

1766

01:18:16,420 --> 01:18:14,840

swear to God you know if I see one more

1767

01:18:19,000 --> 01:18:16,430

homeless person I don't know how I'm

1768

01:18:22,060 --> 01:18:19,010

gonna handle it anymore because when you

1769

01:18:24,160 --> 01:18:22,070

know that there are so many foreclosed

1770

01:18:24,910 --> 01:18:24,170

homes sitting empty in the United States

1771

01:18:27,280 --> 01:18:24,920

alone

1772

01:18:30,010 --> 01:18:27,290

that there that there is two for every

1773

01:18:31,600 --> 01:18:30,020

homeless person I mean see this just

1774

01:18:33,550 --> 01:18:31,610

blows my mind that we don't take care of

1775

01:18:35,260 --> 01:18:33,560

each other I don't even understand it

1776

01:18:39,820 --> 01:18:35,270

it's so sad

1777

01:18:42,280 --> 01:18:39,830

so anyway okay I got to cry and throw

1778

01:18:47,350 --> 01:18:42,290

things around my office so let's get to

1779

01:18:49,690 --> 01:18:47,360

your website so it's on the om and I um

1780

01:18:51,640 --> 01:18:49,700

universe calm you guys go there visit

1781

01:18:53,470 --> 01:18:51,650

with us and the first thing I want to

1782

01:18:59,170 --> 01:18:53,480

talk about is your Healing Center

1783

01:19:00,460 --> 01:18:59,180

commune that page sure sure okay well

1784

01:19:03,310 --> 01:19:00,470

first of all you have out there the

1785

01:19:05,350 --> 01:19:03,320

method the healing sessions the prayers

1786

01:19:08,020 --> 01:19:05,360

the guided meditation and then you have

1787

01:19:10,090 --> 01:19:08,030

private sessions mm-hmm go ahead and

1788

01:19:11,770 --> 01:19:10,100

kind of give us an overview of what that

1789

01:19:15,060 --> 01:19:11,780

whole page is about

1790

01:19:19,200 --> 01:19:15,070

so the omnia method is a method of

1791

01:19:22,090 --> 01:19:19,210

healing and it's based on basically

1792

01:19:24,910 --> 01:19:22,100

reprogramming the DNA and there's

1793

01:19:27,640 --> 01:19:24,920

there's only a handful of folks around

1794

01:19:31,210 --> 01:19:27,650

the world one of them is a Russian

1795

01:19:33,310 --> 01:19:31,220

scientist who get it that you can

1796

01:19:35,000 --> 01:19:33,320

literally not only get it but I think

1797

01:19:39,260 --> 01:19:35,010

they've done expect

1798

01:19:43,040 --> 01:19:39,270

to actually show that in fact in my last

1799

01:19:46,400 --> 01:19:43,050

film I just showed scientifically how

1800

01:19:51,050 --> 01:19:46,410

that's possible that basically if you

1801  
01:19:54,140 --> 01:19:51,060  
reprogram your DNA which you can do you

1802  
01:19:57,260 --> 01:19:54,150  
can change whatever condition you have

1803  
01:19:59,930 --> 01:19:57,270  
obviously and so and we know that for a

1804  
01:20:01,820 --> 01:19:59,940  
fact simply by observing for example

1805  
01:20:06,170 --> 01:20:01,830  
when you have cancer we can see that the

1806  
01:20:09,500 --> 01:20:06,180  
DNA mutates and then in in one direction

1807  
01:20:12,140 --> 01:20:09,510  
so if the DNA mutates in one direction

1808  
01:20:16,190 --> 01:20:12,150  
it means it mutates period it means that

1809  
01:20:19,280 --> 01:20:16,200  
it can change so so it's not just about

1810  
01:20:22,280 --> 01:20:19,290  
a virus but it was shown scientifically

1811  
01:20:26,330 --> 01:20:22,290  
that your intent can also do the same

1812  
01:20:27,950 --> 01:20:26,340  
thing and so my whole methodology is

1813  
01:20:31,550 --> 01:20:27,960

based on that principle but the

1814

01:20:35,360 --> 01:20:31,560

techniques the tools that I've created

1815

01:20:38,150 --> 01:20:35,370

are a range of techniques so some of

1816

01:20:40,370 --> 01:20:38,160

them are based on zero point alignment

1817

01:20:43,760 --> 01:20:40,380

some of them are based on certain

1818

01:20:45,860 --> 01:20:43,770

geometry geometric patterns another

1819

01:20:49,670 --> 01:20:45,870

technique is called singularity another

1820

01:20:53,540 --> 01:20:49,680

one is called time suspension so it's

1821

01:20:56,480 --> 01:20:53,550

very sophisticated technique to repair

1822

01:20:58,550 --> 01:20:56,490

the DNA but you said that my brain was

1823

01:21:00,980 --> 01:20:58,560

kind of going now do I have to do them

1824

01:21:03,140 --> 01:21:00,990

in a certain order is there instruments

1825

01:21:07,580 --> 01:21:03,150

within some of these do I have a glass

1826

01:21:10,310 --> 01:21:07,590

you know like wand or I mean is there

1827

01:21:12,590 --> 01:21:10,320

what what is it kind of entail I mean is

1828

01:21:15,140 --> 01:21:12,600

it just meditating on these certain

1829

01:21:17,930 --> 01:21:15,150

things or do I have instruments and I'm

1830

01:21:19,790 --> 01:21:17,940

having to do physical things as well

1831

01:21:22,610 --> 01:21:19,800

there's no instruments whatsoever

1832

01:21:26,950 --> 01:21:22,620

because I believe I believe that

1833

01:21:30,470 --> 01:21:26,960

consciousness heals consciousness

1834

01:21:33,020 --> 01:21:30,480

instead of a machine instead of I'm not

1835

01:21:35,060 --> 01:21:33,030

now I'm not putting down the effect you

1836

01:21:37,250 --> 01:21:35,070

know the effect of certain devices or

1837

01:21:39,920 --> 01:21:37,260

whatever sending out a frequency but

1838

01:21:41,960 --> 01:21:39,930

guess what if you if you can if you have

1839

01:21:46,580 --> 01:21:41,970

a machine that sends out a frequency

1840

01:21:48,370 --> 01:21:46,590

healing frequency of whatever 700 Hertz

1841

01:21:51,110 --> 01:21:48,380

yeah well guess

1842

01:21:53,870 --> 01:21:51,120

yeah yeah well it's what my

1843

01:22:00,890 --> 01:21:53,880

consciousness can do that and more so

1844

01:22:03,200 --> 01:22:00,900

why why not send a an organic frequency

1845

01:22:04,670 --> 01:22:03,210

from consciousness to consciousness you

1846

01:22:06,740 --> 01:22:04,680

know instead of going through an

1847

01:22:08,870 --> 01:22:06,750

electromagnetic device because no matter

1848

01:22:12,890 --> 01:22:08,880

how you look at it it's a machine

1849

01:22:13,610 --> 01:22:12,900

there's electricity going through it you

1850

01:22:17,110 --> 01:22:13,620

know what I mean

1851

01:22:22,790 --> 01:22:17,120

there there's you note of non organic

1852

01:22:26,810 --> 01:22:22,800

something just playing like stupid lorry

1853

01:22:28,670 --> 01:22:26,820

in here you know Lorien I'm going how

1854

01:22:31,150 --> 01:22:28,680

would I ever figure out how to do that I

1855

01:22:34,490 --> 01:22:31,160

mean how do I tell my brain to start

1856

01:22:37,850 --> 01:22:34,500

banging out 700 you know whatever

1857

01:22:40,460 --> 01:22:37,860

decibels and make it go through my body

1858

01:22:44,030 --> 01:22:40,470

I mean I just I my brain just goes what

1859

01:22:46,280 --> 01:22:44,040

so is it that simple I mean is it just

1860

01:22:48,380 --> 01:22:46,290

like something like okay think of 700

1861

01:22:51,770 --> 01:22:48,390

Hertz and you just kind of go and you're

1862

01:22:56,720 --> 01:22:51,780

there or it is that simple believe it or

1863

01:22:59,870 --> 01:22:56,730

not so it depends if you are wanting to

1864

01:23:01,370 --> 01:22:59,880

have a healing session for yourself you

1865

01:23:03,380 --> 01:23:01,380

don't have to worry about any of this

1866

01:23:05,510 --> 01:23:03,390

you just go online and then you choose a

1867

01:23:09,080 --> 01:23:05,520

session and this and the meditation the

1868

01:23:11,420 --> 01:23:09,090

guided exercise has all this technique

1869

01:23:13,670 --> 01:23:11,430

in it all you have to do is kind of you

1870

01:23:16,880 --> 01:23:13,680

know just follow through but if you want

1871

01:23:18,860 --> 01:23:16,890

to use that if you want to train in this

1872

01:23:20,900 --> 01:23:18,870

methodology then you have to learn

1873

01:23:23,780 --> 01:23:20,910

there's like three full modules and it

1874

01:23:25,070 --> 01:23:23,790

gets very technical and you know but so

1875

01:23:28,250 --> 01:23:25,080

you don't have to worry about that but

1876

01:23:32,630 --> 01:23:28,260

but but really at the end of the day as

1877

01:23:34,730 --> 01:23:32,640

long as you clear your beliefs you know

1878

01:23:37,370 --> 01:23:34,740

for example if you don't believe that

1879

01:23:40,160 --> 01:23:37,380

you can reprogram your DNA as you can

1880

01:23:42,130 --> 01:23:40,170

all day long say hey change this change

1881

01:23:45,110 --> 01:23:42,140

that it's not going to happen because

1882

01:23:47,330 --> 01:23:45,120

you're on you have an unconscious belief

1883

01:23:49,850 --> 01:23:47,340

that this won't happen you know music

1884

01:23:53,620 --> 01:23:49,860

the first thing is for you to clear that

1885

01:23:55,820 --> 01:23:53,630

belief and then it's as simple as

1886

01:23:58,310 --> 01:23:55,830

speaking to your DNA

1887

01:24:01,730 --> 01:23:58,320

believe it or not yeah no I absolutely

1888

01:24:02,030 --> 01:24:01,740

I'm right I speak to my DNA all the time

1889

01:24:06,140 --> 01:24:02,040

and I

1890

01:24:08,270 --> 01:24:06,150

organs and people think I'm nuts when I

1891

01:24:13,850 --> 01:24:08,280

tell them this so I very seldom have

1892

01:24:16,190 --> 01:24:13,860

ever admitted that on radio but it's

1893

01:24:17,780 --> 01:24:16,200

scientifically proven like I said you

1894

01:24:19,370 --> 01:24:17,790

know these are the scientists who are at

1895

01:24:21,260 --> 01:24:19,380

the cutting edge you know obviously

1896

01:24:23,630 --> 01:24:21,270

mainstream science they own they're not

1897

01:24:25,640 --> 01:24:23,640

even looking at the DNA for that purpose

1898

01:24:29,510 --> 01:24:25,650

anyway they're just looking at it in

1899

01:24:32,780 --> 01:24:29,520

terms of genetics so but there's a wave

1900

01:24:35,360 --> 01:24:32,790

genetics that the Russians are working

1901

01:24:38,300 --> 01:24:35,370

on but I also did we did a DNA

1902

01:24:39,350 --> 01:24:38,310

experiment in the film I don't know if I

1903

01:24:41,630 --> 01:24:39,360

told you about that

1904

01:24:43,460 --> 01:24:41,640

so I remember you mentioned it but I

1905

01:24:46,180 --> 01:24:43,470

don't know if you went into any detail

1906

01:24:49,610 --> 01:24:46,190

so why don't you talk about that yeah

1907

01:24:53,000 --> 01:24:49,620

just so what I wanted to do in the film

1908

01:24:55,280 --> 01:24:53,010

was to show some sort of validation to

1909

01:24:58,220 --> 01:24:55,290

have some sort of scientific evidence

1910

01:25:01,630 --> 01:24:58,230

for the contact phenomenon not that the

1911

01:25:05,330 --> 01:25:01,640

UFO showed up or not that but more that

1912

01:25:07,750 --> 01:25:05,340

the human is actually coming in contact

1913

01:25:10,220 --> 01:25:07,760

with the nonhuman intelligence

1914

01:25:12,470 --> 01:25:10,230

telepathically or whether this being

1915

01:25:15,860 --> 01:25:12,480

shows up or not does not show up but

1916

01:25:17,900 --> 01:25:15,870

there are so many people who say I did

1917

01:25:20,390 --> 01:25:17,910

come in contact with a spirit being

1918

01:25:23,720 --> 01:25:20,400

it was my dead grandfather or it was

1919

01:25:26,900 --> 01:25:23,730

this angel what have what have you and I

1920

01:25:29,510 --> 01:25:26,910

know I did because I feel different I

1921

01:25:32,330 --> 01:25:29,520

feel different and so what I wanted to

1922

01:25:34,880 --> 01:25:32,340

do is how does that work you know I

1923

01:25:40,970 --> 01:25:34,890

wanted to have scientific validation for

1924

01:25:42,530 --> 01:25:40,980

these claims so I found at Glen Ryan I

1925

01:25:46,520 --> 01:25:42,540

don't know if you know him he's he's

1926

01:25:50,630 --> 01:25:46,530

he's a bio he's a quantum physicist by a

1927

01:25:54,440 --> 01:25:50,640

physicist and he's been working on DNA

1928

01:25:57,590 --> 01:25:54,450

with DNA samples from female placenta

1929

01:26:01,040 --> 01:25:57,600

from you know women pregnant women and

1930

01:26:02,960 --> 01:26:01,050

so from the placenta he was working with

1931

01:26:06,050 --> 01:26:02,970

the DNA samples and doing all sorts of

1932

01:26:08,600 --> 01:26:06,060

experiments but it was more in terms of

1933

01:26:13,070 --> 01:26:08,610

what happens if a healer you know sends

1934

01:26:15,319 --> 01:26:13,080

an intent energy to this DNA or on water

1935

01:26:17,359 --> 01:26:15,329

molecule which has been done before

1936

01:26:20,029 --> 01:26:17,369

nothing new there you know in the sense

1937

01:26:22,069 --> 01:26:20,039

of you know like he hasn't discovered

1938

01:26:24,739 --> 01:26:22,079

anything it was more to validate that

1939

01:26:27,529 --> 01:26:24,749

yes your intent does change the

1940

01:26:30,229 --> 01:26:27,539

structure of water this is what he was

1941

01:26:33,829 --> 01:26:30,239

working on and then I said yeah and so I

1942

01:26:36,979 --> 01:26:33,839

said I said hey what what I'm doing this

1943

01:26:40,129 --> 01:26:36,989

film on contact with a nonhuman like an

1944

01:26:43,790 --> 01:26:40,139

invisible being a spirit being

1945

01:26:47,239 --> 01:26:43,800

what if can we bring a spirit being and

1946

01:26:49,009 --> 01:26:47,249

see if the DNA gets affected or not and

1947

01:26:50,799 --> 01:26:49,019

he said well we've never been done

1948

01:26:56,599 --> 01:26:50,809

before I said well that's the point

1949

01:26:57,979 --> 01:26:56,609

let's try that and so you know like I

1950

01:27:00,829 --> 01:26:57,989

said I've been doing this for a very

1951

01:27:03,290 --> 01:27:00,839

long time so we sat there with this guy

1952

01:27:12,949 --> 01:27:03,300

sorry I've seen the TV look at each

1953

01:27:15,290 --> 01:27:12,959

other his eyebrow raises like I mean we

1954

01:27:19,009 --> 01:27:15,300

had the camera rolling no rehearsal

1955

01:27:22,969 --> 01:27:19,019

nothing you know you know what that's

1956

01:27:24,709 --> 01:27:22,979

the best way to do it yeah it was like

1957

01:27:28,040 --> 01:27:24,719

whatever happens happens and maybe

1958

01:27:30,799 --> 01:27:28,050

nothing and you know and so so I sat

1959

01:27:33,469 --> 01:27:30,809

there and I brought in this this you

1960

01:27:35,599 --> 01:27:33,479

know like I've just told you I invoke

1961

01:27:37,399 --> 01:27:35,609

this energy at the time I've just

1962

01:27:41,619 --> 01:27:37,409

brought in Archangel Michael just

1963

01:27:46,540 --> 01:27:41,629

because it was him he's my favorite guy

1964

01:27:48,889 --> 01:27:46,550

outer space dude outer dimensional okay

1965

01:27:50,449 --> 01:27:48,899

so and you know in a scientific

1966

01:27:52,969 --> 01:27:50,459

experiment even though it wasn't

1967

01:27:55,520 --> 01:27:52,979

rehearsed but it was certainly setup

1968

01:27:59,209 --> 01:27:55,530

properly in other words he had measured

1969

01:28:01,819 --> 01:27:59,219

the frequency of the DNA sample for a

1970

01:28:04,849 --> 01:28:01,829

long time in other words like make sure

1971

01:28:07,310 --> 01:28:04,859

that there's nothing affecting the DNA

1972

01:28:10,939 --> 01:28:07,320

he measures it over and over and over he

1973

01:28:13,250 --> 01:28:10,949

takes all sorts of different measurement

1974

01:28:15,889 --> 01:28:13,260

and he creates a database to kind of

1975

01:28:18,589 --> 01:28:15,899

know what the norm is so that by the

1976

01:28:21,379 --> 01:28:18,599

time we do something to it we know that

1977

01:28:24,819 --> 01:28:21,389

oh it wasn't a fluke or something I mean

1978

01:28:28,600 --> 01:28:24,829

that's how its set up scientifically so

1979

01:28:30,430 --> 01:28:28,610

so so we said so he set it up and he

1980

01:28:32,830 --> 01:28:30,440

you had all the parameters the control

1981

01:28:35,109 --> 01:28:32,840

settings so to speak and then I come in

1982

01:28:37,919 --> 01:28:35,119

and I just like brought in Archangel

1983

01:28:40,090 --> 01:28:37,929

Michael and boom like the the the

1984

01:28:41,800 --> 01:28:40,100

electrical conductivity he had

1985

01:28:47,290 --> 01:28:41,810

electrodes in the end the thing they

1986

01:28:49,899 --> 01:28:47,300

shot up like 400% so what yeah and it

1987

01:28:52,570 --> 01:28:49,909

was right there I was like very but even

1988

01:28:57,850 --> 01:28:52,580

the sound guy you know it was measured

1989

01:29:00,700 --> 01:28:57,860

in kilo ohms and ohms right yeah so they

1990

01:29:02,410 --> 01:29:00,710

were all like wow you know so and then

1991

01:29:05,590 --> 01:29:02,420

we did it again and again and again

1992

01:29:08,950 --> 01:29:05,600

that's how you you know that it wasn't

1993

01:29:11,859 --> 01:29:08,960

an accident is its repeatable it's

1994

01:29:14,379 --> 01:29:11,869

specific time times exactly that I was

1995

01:29:19,090 --> 01:29:14,389

invoking this energy this is where those

1996

01:29:23,200 --> 01:29:19,100

measurements were taken so 400% it went

1997

01:29:24,729 --> 01:29:23,210

up in electrical conductivity so what

1998

01:29:27,399 --> 01:29:24,739

this me and then we did another

1999

01:29:30,010 --> 01:29:27,409

experiment as well do you want me to

2000

01:29:32,830 --> 01:29:30,020

tell you that one as well yeah sure I

2001

01:29:35,260 --> 01:29:32,840

mean I'm fascinated about this I want

2002

01:29:37,390 --> 01:29:35,270

people to know about your movie because

2003

01:29:39,580 --> 01:29:37,400

I think you know you can tell us about

2004

01:29:43,570 --> 01:29:39,590

it but until they actually see it it

2005

01:29:46,600 --> 01:29:43,580

doesn't really you know you know get

2006

01:29:48,189 --> 01:29:46,610

your mice's great we're doing it on

2007

01:29:49,689 --> 01:29:48,199

radio but I can't wait till they can

2008

01:29:51,340 --> 01:29:49,699

actually see the movie so we'll talk

2009

01:29:54,100 --> 01:29:51,350

about how they can see the movie after

2010

01:29:56,590 --> 01:29:54,110

this okay but now go ahead yeah tell us

2011

01:29:59,649 --> 01:29:56,600

about the second experiment so then we

2012

01:30:02,709 --> 01:29:59,659

did another experiment where he actually

2013

01:30:05,709 --> 01:30:02,719

measures the frequencies of the it's

2014

01:30:09,399 --> 01:30:05,719

it's a it's a type of technique

2015

01:30:12,820 --> 01:30:09,409

scientific methodology to measure the

2016

01:30:15,970 --> 01:30:12,830

frequency of the tissue of this of the

2017

01:30:17,800 --> 01:30:15,980

DNA sample and so once again he measures

2018

01:30:22,180 --> 01:30:17,810

the frequency over and over and over and

2019

01:30:25,629 --> 01:30:22,190

over and he gets he knows the control so

2020

01:30:29,470 --> 01:30:25,639

to speak range of frequency that this

2021

01:30:33,220 --> 01:30:29,480

DNA sample has and once again here I

2022

01:30:36,430 --> 01:30:33,230

just brought in this this spirit entity

2023

01:30:38,379 --> 01:30:36,440

and and the frequency I mean I don't

2024

01:30:40,580 --> 01:30:38,389

want to give away the film because it's

2025

01:30:45,330 --> 01:30:40,590

pretty sure

2026  
01:30:48,810 --> 01:30:45,340  
but the frequency actually was different

2027  
01:30:52,259 --> 01:30:48,820  
so now wait a minute we're talking about

2028  
01:30:55,859 --> 01:30:52,269  
the actual frequency of the cell and I

2029  
01:30:59,339 --> 01:30:55,869  
mean what this means is that something

2030  
01:31:03,029 --> 01:30:59,349  
that's invisible or a spirit entity is

2031  
01:31:06,180 --> 01:31:03,039  
actually changing the frequency of the

2032  
01:31:12,000 --> 01:31:06,190  
DNA that's what was demonstrated on

2033  
01:31:16,859 --> 01:31:12,010  
camera did you ask the frequency or the

2034  
01:31:19,890 --> 01:31:16,869  
entity to change it of course not I just

2035  
01:31:23,040 --> 01:31:19,900  
sat there and I just brought the the

2036  
01:31:24,930 --> 01:31:23,050  
entity and I said you know we just you

2037  
01:31:27,870 --> 01:31:24,940  
know if you're there I mean I actually I

2038  
01:31:31,049 --> 01:31:27,880

didn't see anything in terms of like do

2039

01:31:33,390 --> 01:31:31,059

this or do that you know it was more

2040

01:31:35,100 --> 01:31:33,400

it's not I wasn't like it see on see you

2041

01:31:38,910 --> 01:31:35,110

know where you say if you're there let

2042

01:31:43,379 --> 01:31:38,920

us know it wasn't like that it was more

2043

01:31:45,390 --> 01:31:43,389

like this is I mean this is the the

2044

01:31:47,459 --> 01:31:45,400

parameters that we had for the

2045

01:31:49,379 --> 01:31:47,469

experiment and I just brought in that

2046

01:31:51,779 --> 01:31:49,389

that energy and it was pretty

2047

01:31:55,049 --> 01:31:51,789

instantaneous actually it was like in a

2048

01:31:57,810 --> 01:31:55,059

few seconds that the DNA just like was

2049

01:32:01,410 --> 01:31:57,820

measuring and registering all sorts of

2050

01:32:04,560 --> 01:32:01,420

stuff so remarkable I want you to do me

2051

01:32:07,020 --> 01:32:04,570

a favor hi it's me that little voice

2052

01:32:08,129 --> 01:32:07,030

inside your head you spent all year

2053

01:32:10,680 --> 01:32:08,139

taking care of business

2054

01:32:12,839 --> 01:32:10,690

let Office Depot OfficeMax take care of

2055

01:32:16,200 --> 01:32:12,849

you there's this new HP Pavilion laptop

2056

01:32:18,930 --> 01:32:16,210

with eighth generation Intel Core i5

2057

01:32:23,910 --> 01:32:18,940

processor save 200 bucks

2058

01:32:27,000 --> 01:32:23,920

now just 449 look at it it's only 449 at

2059

01:32:29,720 --> 01:32:27,010

Office Depot office max go ahead you

2060

01:32:33,479 --> 01:32:29,730

deserve it

2061

01:32:36,990 --> 01:32:33,489

offer ends 1111 limit 1 you ever do the

2062

01:32:40,979 --> 01:32:37,000

experiment again yeah I want you to ask

2063

01:32:44,970 --> 01:32:40,989

the entity change it to a certain

2064

01:32:47,040 --> 01:32:44,980

frequency yes exactly so Wow was what

2065

01:32:49,740 --> 01:32:47,050

happened after we did this experiment

2066

01:32:52,410 --> 01:32:49,750

you know Glanton and the the scientists

2067

01:32:54,090 --> 01:32:52,420

he couldn't believe it he said do you

2068

01:32:57,060 --> 01:32:54,100

realize this has never been done before

2069

01:33:00,990 --> 01:32:57,070

I mean this is like crazy this is like a

2070

01:33:04,050 --> 01:33:01,000

and a a new invention so to speak you

2071

01:33:06,060 --> 01:33:04,060

know so after the film and also we did

2072

01:33:08,640 --> 01:33:06,070

other experiments but I'm not gonna like

2073

01:33:12,750 --> 01:33:08,650

take too much of that time but after the

2074

01:33:14,970 --> 01:33:12,760

filming we then started to design we now

2075

01:33:17,010 --> 01:33:14,980

we designed a whole range of experiments

2076

01:33:20,520 --> 01:33:17,020

because then it was like ok wait a

2077

01:33:24,149 --> 01:33:20,530

minute if if Archangel Michael did that

2078

01:33:26,520 --> 01:33:24,159

to this DNA sample what if Lorien

2079

01:33:28,470 --> 01:33:26,530

brought in Archangel Michael do we get

2080

01:33:35,720 --> 01:33:28,480

the same reading or do we get a

2081

01:33:39,240 --> 01:33:35,730

different reading exactly yes like other

2082

01:33:41,220 --> 01:33:39,250

types of do along the same lines I'm

2083

01:33:43,680 --> 01:33:41,230

right there with you yes that's amazing

2084

01:33:47,010 --> 01:33:43,690

and then what happens if we say

2085

01:33:49,140 --> 01:33:47,020

specifically you know to this entity can

2086

01:33:51,330 --> 01:33:49,150

you change it to that frequency does

2087

01:33:53,459 --> 01:33:51,340

that happen and does it happen if you

2088

01:33:57,300 --> 01:33:53,469

said that or somebody else said that so

2089

01:33:58,890 --> 01:33:57,310

that way we if we did enough of those of

2090

01:34:00,750 --> 01:33:58,900

course you you have to do it over and

2091

01:34:04,979 --> 01:34:00,760

over you know over a period of time I

2092

01:34:07,200 --> 01:34:04,989

mean like scientifically you know if you

2093

01:34:09,419 --> 01:34:07,210

can come a project at that point yeah

2094

01:34:10,860 --> 01:34:09,429

exactly that's what we're doing we're

2095

01:34:12,930 --> 01:34:10,870

actually because we want to write a

2096

01:34:15,120 --> 01:34:12,940

scientific paper and publish it so you

2097

01:34:17,760 --> 01:34:15,130

gotta set it up properly over a long

2098

01:34:19,979 --> 01:34:17,770

period of time actually and so what's

2099

01:34:23,220 --> 01:34:19,989

happening imagine just like of course

2100

01:34:26,490 --> 01:34:23,230

now we're speculating but imagine that I

2101  
01:34:28,590 --> 01:34:26,500  
did that and those frequency change in a

2102  
01:34:30,450 --> 01:34:28,600  
specific way and then you did that and

2103  
01:34:33,600 --> 01:34:30,460  
that frequency and it changed in the

2104  
01:34:36,290 --> 01:34:33,610  
same way and then your neighbor did that

2105  
01:34:39,479 --> 01:34:36,300  
and so on and so forth if enough people

2106  
01:34:42,689 --> 01:34:39,489  
brought in Archangel Michael and the

2107  
01:34:43,140 --> 01:34:42,699  
frequency changed in the same way this

2108  
01:34:53,370 --> 01:34:43,150  
means

2109  
01:34:56,370 --> 01:34:53,380  
that that that frequency signature is

2110  
01:35:03,600 --> 01:34:56,380  
the frequency signature of our kingdom

2111  
01:35:06,149 --> 01:35:03,610  
Michael oh absolutely I was like yeah I

2112  
01:35:09,840 --> 01:35:06,159  
could talk to God now this is great okay

2113  
01:35:12,270 --> 01:35:09,850

yeah oh man that's just it it's so

2114

01:35:14,370 --> 01:35:12,280

freaking amazing what you're doing I

2115

01:35:16,830 --> 01:35:14,380

this the last time we got off the radio

2116

01:35:18,750 --> 01:35:16,840

I sat around and pondered everything you

2117

01:35:20,040 --> 01:35:18,760

had said during the radio broadcast I

2118

01:35:24,060 --> 01:35:20,050

was like oh my god this is just

2119

01:35:25,950 --> 01:35:24,070

remarkable stuff I think you know you

2120

01:35:29,130 --> 01:35:25,960

know did I talk to you about my friend

2121

01:35:30,689 --> 01:35:29,140

up in Oregon okay I can see her face I

2122

01:35:35,490 --> 01:35:30,699

can't think of her name right now look

2123

01:35:37,110 --> 01:35:35,500

come to me Hennessey doctor anyhow it'll

2124

01:35:38,820 --> 01:35:37,120

come to me the whole thing but she works

2125

01:35:40,950 --> 01:35:38,830

with the autistic children did I bring

2126  
01:35:41,520 --> 01:35:40,960  
that up during their last show I don't

2127  
01:35:43,770 --> 01:35:41,530  
think so

2128  
01:35:45,479 --> 01:35:43,780  
okay she's doing some remarkable work

2129  
01:35:48,479 --> 01:35:45,489  
and the only reason I'm bringing it up

2130  
01:35:52,320 --> 01:35:48,489  
is because she has discovered that

2131  
01:35:54,479 --> 01:35:52,330  
severely autistic children that can't

2132  
01:35:56,459 --> 01:35:54,489  
communicate with English language or

2133  
01:35:57,959 --> 01:35:56,469  
because their bodies are too you know

2134  
01:36:00,030 --> 01:35:57,969  
they're moving all the time or they

2135  
01:36:02,430 --> 01:36:00,040  
don't have the vocal cords developed or

2136  
01:36:05,130 --> 01:36:02,440  
their brain can't access communication

2137  
01:36:07,010 --> 01:36:05,140  
skills like on our level like we are

2138  
01:36:10,050 --> 01:36:07,020

talking about earlier in the show that

2139

01:36:12,470 --> 01:36:10,060

they've done double-blind scientific

2140

01:36:15,930 --> 01:36:12,480

studies that these kids are actually

2141

01:36:17,010 --> 01:36:15,940

communicating telepathically yeah yeah

2142

01:36:19,200 --> 01:36:17,020

I'm not surprised

2143

01:36:21,360 --> 01:36:19,210

mhm and the problem we've got is you've

2144

01:36:23,610 --> 01:36:21,370

got 50 of them in a school just

2145

01:36:26,370 --> 01:36:23,620

specialize you know set up for them and

2146

01:36:28,620 --> 01:36:26,380

maybe and here's how it'll happen for

2147

01:36:31,200 --> 01:36:28,630

her one of the guys she knows from

2148

01:36:33,780 --> 01:36:31,210

college or something or a friend's son

2149

01:36:35,340 --> 01:36:33,790

in college was taking care of one of

2150

01:36:39,419 --> 01:36:35,350

these children and started hearing

2151  
01:36:41,520 --> 01:36:39,429  
voices in his head he's very psychic so

2152  
01:36:43,620 --> 01:36:41,530  
he thought he was giving communication

2153  
01:36:46,050 --> 01:36:43,630  
from whatever but he'd be like okay

2154  
01:36:48,390 --> 01:36:46,060  
we're all gonna go down to the park now

2155  
01:36:51,270 --> 01:36:48,400  
and then here oh I can't wait to see the

2156  
01:36:53,970 --> 01:36:51,280  
squirrels or something like that yeah

2157  
01:36:56,260 --> 01:36:53,980  
and then he didn't know which one of the

2158  
01:37:01,300 --> 01:36:56,270  
kids was actually the culprit right

2159  
01:37:03,450 --> 01:37:01,310  
then it turns out well maybe yeah so she

2160  
01:37:05,980 --> 01:37:03,460  
did this whole double-blind Diane

2161  
01:37:09,130 --> 01:37:05,990  
something Hennessy is her name mm-hmm

2162  
01:37:11,860 --> 01:37:09,140  
Brian Hennessy Powell that's it okay

2163  
01:37:15,090 --> 01:37:11,870

just got anyhow so the point twelve this

2164

01:37:17,530 --> 01:37:15,100

is if we could come up with something

2165

01:37:20,020 --> 01:37:17,540

along the lines of your type of

2166

01:37:22,720 --> 01:37:20,030

consciousness training we could have

2167

01:37:24,490 --> 01:37:22,730

though the start those people start

2168

01:37:26,830 --> 01:37:24,500

working with those kids on a regular

2169

01:37:28,660 --> 01:37:26,840

basis and then eventually the type of

2170

01:37:30,430 --> 01:37:28,670

training you're talking about could

2171

01:37:33,250 --> 01:37:30,440

become the way that our regular school

2172

01:37:35,470 --> 01:37:33,260

system actually trains children to

2173

01:37:37,450 --> 01:37:35,480

communicate with you know the cosmos

2174

01:37:39,970 --> 01:37:37,460

with each other with life with spirit

2175

01:37:42,070 --> 01:37:39,980

you know whatever along with all the

2176  
01:37:44,650 --> 01:37:42,080  
hard sciences this could be just you

2177  
01:37:47,980 --> 01:37:44,660  
know another way that we that we

2178  
01:37:49,030 --> 01:37:47,990  
function and yeah so just like we were

2179  
01:37:51,280 --> 01:37:49,040  
talking about earlier in the show I'm

2180  
01:37:52,950 --> 01:37:51,290  
just reiterating that back because I did

2181  
01:37:55,570 --> 01:37:52,960  
took me forever to remember her name

2182  
01:37:57,340 --> 01:37:55,580  
it's all up without you know something

2183  
01:37:59,410 --> 01:37:57,350  
but what you're doing is very similar

2184  
01:38:01,360 --> 01:37:59,420  
and you guys are doing it scientifically

2185  
01:38:03,970 --> 01:38:01,370  
and that is the way to go nowadays

2186  
01:38:06,570 --> 01:38:03,980  
because there's so much what we call you

2187  
01:38:09,280 --> 01:38:06,580  
know bad science going on out there that

2188  
01:38:10,840 --> 01:38:09,290

we've got to have people do it at the

2189

01:38:13,030 --> 01:38:10,850

right you know the method the

2190

01:38:14,680 --> 01:38:13,040

methodology we've got to have it

2191

01:38:17,860 --> 01:38:14,690

published we got to have peer-reviewed

2192

01:38:19,540 --> 01:38:17,870

you know whatever it's just got to get

2193

01:38:20,740 --> 01:38:19,550

out there that way because it's the only

2194

01:38:23,200 --> 01:38:20,750

way anybody's gonna really pay attention

2195

01:38:25,870 --> 01:38:23,210

to it so I think you're doing great work

2196

01:38:27,850 --> 01:38:25,880

I just want you to know that I also want

2197

01:38:31,030 --> 01:38:27,860

to mention just real quickly here folks

2198

01:38:35,170 --> 01:38:31,040

you can get to her on the healing center

2199

01:38:37,630 --> 01:38:35,180

page and on DM universe comm you can get

2200

01:38:41,440 --> 01:38:37,640

to there's the addiction clearing

2201

01:38:44,590 --> 01:38:41,450

addictions session number 203 is free

2202

01:38:48,820 --> 01:38:44,600

and so is a physical body and enter can

2203

01:38:50,260 --> 01:38:48,830

cleanse its session G 802 so you can go

2204

01:38:53,050 --> 01:38:50,270

there and you got two free sessions

2205

01:38:56,050 --> 01:38:53,060

they'll blow your mind please do them

2206

01:38:59,500 --> 01:38:56,060

and you know just just do them I mean I

2207

01:39:00,670 --> 01:38:59,510

say that because there we go and if you

2208

01:39:02,860 --> 01:39:00,680

don't mind

2209

01:39:06,340 --> 01:39:02,870

Carolyn I'd like to move on to your

2210

01:39:07,510 --> 01:39:06,350

omnium universe because I got about 10

2211

01:39:09,160 --> 01:39:07,520

minutes left in the show I wanna make

2212

01:39:10,209 --> 01:39:09,170

sure we get through all this okay

2213

01:39:12,040 --> 01:39:10,219

yeah really

2214

01:39:14,979 --> 01:39:12,050

people know about what you're doing as

2215

01:39:18,430 --> 01:39:14,989

far as training goes so any now talking

2216

01:39:20,589 --> 01:39:18,440

about about that page yeah so yeah so

2217

01:39:22,270 --> 01:39:20,599

going back to we started off I was

2218

01:39:24,459 --> 01:39:22,280

talking about all these experiment

2219

01:39:27,520 --> 01:39:24,469

because it has to do basically we were

2220

01:39:30,370 --> 01:39:27,530

showing that the DNA is programmable

2221

01:39:33,430 --> 01:39:30,380

that's what we've done in the film so if

2222

01:39:36,759 --> 01:39:33,440

it is programmable and all I did was

2223

01:39:40,180 --> 01:39:36,769

brought bring an entity so I could have

2224

01:39:41,620 --> 01:39:40,190

also changed it with my own thoughts so

2225

01:39:46,390 --> 01:39:41,630

that's another thing that we are

2226

01:39:49,209 --> 01:39:46,400

designing right now so basically so the

2227

01:39:51,459 --> 01:39:49,219

this methodology is about reprogramming

2228

01:39:53,739 --> 01:39:51,469

the DNA through your intent but also

2229

01:39:56,410 --> 01:39:53,749

about clearing all the unconscious

2230

01:39:58,419 --> 01:39:56,420

blocks and things like that also this

2231

01:40:00,850 --> 01:39:58,429

methodology helps you go back to the

2232

01:40:02,890 --> 01:40:00,860

root cause of the issue because you know

2233

01:40:04,569 --> 01:40:02,900

sometimes the root cause you know we go

2234

01:40:07,989 --> 01:40:04,579

back to a childhood issue with the

2235

01:40:11,379 --> 01:40:07,999

mother and father but this helps you go

2236

01:40:14,709 --> 01:40:11,389

back to pretty much the beginning of

2237

01:40:18,339 --> 01:40:14,719

everything of your existence so you

2238

01:40:21,040 --> 01:40:18,349

learn to yeah so it's not like oh it

2239

01:40:24,879 --> 01:40:21,050

came from a past life or from some

2240

01:40:28,689 --> 01:40:24,889

trauma knows a lot of the blocks start

2241

01:40:32,250 --> 01:40:28,699

for example of you incarnated on the

2242

01:40:36,129 --> 01:40:32,260

earth the very first time hundreds of

2243

01:40:38,919 --> 01:40:36,139

thousands of years ago you know so this

2244

01:40:41,279 --> 01:40:38,929

is the sort of technique because if you

2245

01:40:44,379 --> 01:40:41,289

don't go there there's always going to

2246

01:40:46,419 --> 01:40:44,389

something will stay so you have to

2247

01:40:48,040 --> 01:40:46,429

resolve the issue at the root cause and

2248

01:40:52,419 --> 01:40:48,050

this is the technique that I've

2249

01:41:02,620 --> 01:40:52,429

developed in in this healing the onion

2250

01:41:07,209 --> 01:41:05,259

I've always been of the mind and this

2251

01:41:09,430 --> 01:41:07,219

last time you said this I don't know if

2252

01:41:10,989 --> 01:41:09,440

I asked the question or not but I've

2253

01:41:13,569 --> 01:41:10,999

always been at the mind that we are

2254

01:41:16,330 --> 01:41:13,579

experiencing all these past lives all at

2255

01:41:18,790 --> 01:41:16,340

the same time hmm so are you basically

2256

01:41:21,669 --> 01:41:18,800

saying that we're are are you saying

2257

01:41:23,259 --> 01:41:21,679

they are truly past live or do you

2258

01:41:23,979 --> 01:41:23,269

believe that they're all having at this

2259

01:41:25,600 --> 01:41:23,989

new time

2260

01:41:27,970 --> 01:41:25,610

yeah I don't know if we talked about

2261

01:41:31,690 --> 01:41:27,980

that last time but another very very

2262

01:41:34,660 --> 01:41:31,700

important huge thing that is part of

2263

01:41:36,760 --> 01:41:34,670

this learning and understanding of

2264

01:41:39,430 --> 01:41:36,770

consciousness has to do with the

2265

01:41:44,470 --> 01:41:39,440

planetary grid I'm not sure if we talked

2266

01:41:48,400 --> 01:41:44,480

about that last so what happens is that

2267

01:41:51,060 --> 01:41:48,410

there is a patterning of space itself

2268

01:41:56,229 --> 01:41:51,070

it's kind of you can look at it as being

2269

01:41:57,820 --> 01:41:56,239

the energy field of the planet so but

2270

01:42:00,850 --> 01:41:57,830

it's not just an energy field

2271

01:42:03,880 --> 01:42:00,860

it's very specifically organized in a

2272

01:42:06,250 --> 01:42:03,890

geometric pattern and so it starts at

2273

01:42:09,850 --> 01:42:06,260

the core of the planet but it expands up

2274

01:42:12,520 --> 01:42:09,860

about 7,000 miles above the surface of

2275

01:42:15,340 --> 01:42:12,530

the planet so imagine that there's this

2276

01:42:17,290 --> 01:42:15,350

whole web it's a grid within a grid

2277

01:42:20,890 --> 01:42:17,300

within a grid it's three grids within

2278

01:42:23,830 --> 01:42:20,900

one big grid and so all of these grids

2279

01:42:26,050 --> 01:42:23,840

are actually correlate with the human

2280

01:42:29,440 --> 01:42:26,060

brain in other words the geometry of the

2281

01:42:32,410 --> 01:42:29,450

human brain is coherent mathematically

2282

01:42:36,070 --> 01:42:32,420

with the geometry of these grids and so

2283

01:42:40,450 --> 01:42:36,080

what this means is when you align your

2284

01:42:43,300 --> 01:42:40,460

brain channels perfectly with the zero

2285

01:42:46,030 --> 01:42:43,310

points like the the points the vertex

2286

01:42:49,959 --> 01:42:46,040

points within this grid you become

2287

01:42:52,660 --> 01:42:49,969

coherent with the cosmos it's out like

2288

01:42:56,800 --> 01:42:52,670

the space around you itself and when you

2289

01:43:00,910 --> 01:42:56,810

do that you open up your human brain to

2290

01:43:03,190 --> 01:43:00,920

all of the universal pathways does that

2291

01:43:07,720 --> 01:43:03,200

make sense can you know yeah yeah yeah

2292

01:43:14,590 --> 01:43:07,730

yep and so I can't remember what your

2293

01:43:15,760 --> 01:43:14,600

first question was but at the same time

2294

01:43:18,310 --> 01:43:15,770

yeah exactly

2295

01:43:21,209 --> 01:43:18,320

and so what happens is that this grid

2296

01:43:24,250 --> 01:43:21,219

system also allows you to have the

2297

01:43:26,140 --> 01:43:24,260

experience of time and space one of the

2298

01:43:27,940 --> 01:43:26,150

gray I said there's three grids grid

2299

01:43:32,950 --> 01:43:27,950

within a grid within a grade so one of

2300

01:43:35,470 --> 01:43:32,960

these grids is patterns the space the

2301  
01:43:37,550 --> 01:43:35,480  
time and space in such a way that when

2302  
01:43:39,740 --> 01:43:37,560  
you incarnate as a human in

2303  
01:43:42,710 --> 01:43:39,750  
you're on the earth you're surrounded by

2304  
01:43:44,990 --> 01:43:42,720  
this grid and it's it's coherent with

2305  
01:43:47,780 --> 01:43:45,000  
your brain so you have the impression

2306  
01:43:51,740 --> 01:43:47,790  
that you're moving through time and

2307  
01:43:56,270 --> 01:43:51,750  
space so it's kind of our past in our

2308  
01:43:59,180 --> 01:43:56,280  
future exactly but but but now again

2309  
01:44:00,860 --> 01:43:59,190  
we're kind of I'm going very fast in

2310  
01:44:03,800 --> 01:44:00,870  
this explanation so when you're on the

2311  
01:44:06,800 --> 01:44:03,810  
inside you are now walking on the earth

2312  
01:44:09,590 --> 01:44:06,810  
and you're surrounded by this grid so

2313  
01:44:10,550 --> 01:44:09,600

you feel like you're going forward or

2314

01:44:13,550 --> 01:44:10,560

there's something that's called

2315

01:44:16,940 --> 01:44:13,560

backwards past life and forward and your

2316

01:44:19,430 --> 01:44:16,950

future but before you start you're

2317

01:44:21,770 --> 01:44:19,440

before you incarnate you're outside this

2318

01:44:24,530 --> 01:44:21,780

grid so you're let's let's say for the

2319

01:44:27,650 --> 01:44:24,540

sake of you know clarity or simplicity

2320

01:44:30,290 --> 01:44:27,660

you're outside the 7000 miles above the

2321

01:44:33,290 --> 01:44:30,300

earth you're coming from Mars

2322

01:44:37,280 --> 01:44:33,300

or whatever the plate is so from that

2323

01:44:41,210 --> 01:44:37,290

point before you incarnate you don't

2324

01:44:43,400 --> 01:44:41,220

have that time-space experience so when

2325

01:44:48,290 --> 01:44:43,410

you say I'm gonna go down on the earth

2326

01:44:51,680 --> 01:44:48,300

and you know do you human for a while be

2327

01:44:53,300 --> 01:44:51,690

human for a while and do this to evolve

2328

01:44:57,380 --> 01:44:53,310

the human species or whatever whatever

2329

01:45:00,740 --> 01:44:57,390

that equals to about seven or eight or

2330

01:45:02,570 --> 01:45:00,750

ten lifetimes because you're gonna need

2331

01:45:04,820 --> 01:45:02,580

you know what I mean like it's all

2332

01:45:06,350 --> 01:45:04,830

mathematics like you calculate how long

2333

01:45:09,200 --> 01:45:06,360

it's gonna take you from that

2334

01:45:12,800 --> 01:45:09,210

perspective equal how many how many

2335

01:45:16,670 --> 01:45:12,810

years in linear time down there you see

2336

01:45:19,160 --> 01:45:16,680

what I mean so that yeah so you go oh

2337

01:45:21,610 --> 01:45:19,170

well it's gonna take me whatever like

2338

01:45:24,590 --> 01:45:21,620

you know seven hundred thousand years so

2339

01:45:27,380 --> 01:45:24,600

because the average human can only live

2340

01:45:30,890 --> 01:45:27,390

about 80 years old or something this

2341

01:45:35,420 --> 01:45:30,900

equals to seven or eight or ten

2342

01:45:37,820 --> 01:45:35,430

lifetimes so from that original

2343

01:45:40,040 --> 01:45:37,830

perspective from the platies as you

2344

01:45:43,550 --> 01:45:40,050

project yourself down your consciousness

2345

01:45:47,180 --> 01:45:43,560

down you split to yourself in already in

2346

01:45:49,859 --> 01:45:47,190

seven or eight or seven or lifetimes you

2347

01:45:52,260 --> 01:45:49,869

see what I mean like yeah sure

2348

01:45:55,740 --> 01:45:52,270

using one particle of my consciousness

2349

01:45:58,430 --> 01:45:55,750

is gonna be born in the year 2000 2000

2350

01:46:00,570 --> 01:45:58,440

before Christ another one in the year

2351  
01:46:03,870 --> 01:46:00,580  
1200 and what you know what I mean like

2352  
01:46:05,609 --> 01:46:03,880  
oh yeah yeah that makes total sense

2353  
01:46:08,430 --> 01:46:05,619  
that's the best way I've ever heard it

2354  
01:46:10,010 --> 01:46:08,440  
described yeah so you're you're

2355  
01:46:11,939 --> 01:46:10,020  
splitting your consciousness

2356  
01:46:15,419 --> 01:46:11,949  
simultaneously because you're one

2357  
01:46:18,959 --> 01:46:15,429  
consciousness from up there and so so

2358  
01:46:21,689 --> 01:46:18,969  
those lifetimes already exist and they

2359  
01:46:22,260 --> 01:46:21,699  
are actually parallel lives they're not

2360  
01:46:26,399 --> 01:46:22,270  
past

2361  
01:46:29,490 --> 01:46:26,409  
absolutely absolutely show up in the

2362  
01:46:32,129 --> 01:46:29,500  
body of one of them and you're looking

2363  
01:46:35,100 --> 01:46:32,139

now horizontally you know I mean like

2364

01:46:37,890 --> 01:46:35,110

you're inside the earth now you're it

2365

01:46:41,220 --> 01:46:37,900

looks like it feels like oh this is me

2366

01:46:43,140 --> 01:46:41,230

before and this is me after you know so

2367

01:46:46,050 --> 01:46:43,150

you have that impression but actually

2368

01:46:50,459 --> 01:46:46,060

all of these lives are parallel and

2369

01:46:52,140 --> 01:46:50,469

simultaneous yeah and what's the worst

2370

01:46:54,479 --> 01:46:52,150

part about it is when they all start

2371

01:46:57,149 --> 01:46:54,489

bleeding over when you're so open up

2372

01:47:00,050 --> 01:46:57,159

that you're finding yourself going oh my

2373

01:47:03,839 --> 01:47:00,060

god is that me walking in the front door

2374

01:47:07,859 --> 01:47:03,849

exactly actually you know the idea is

2375

01:47:10,290 --> 01:47:07,869

for you to to recollect all of these

2376

01:47:13,729 --> 01:47:10,300

past lives in the one lifetime that's

2377

01:47:16,800 --> 01:47:13,739

the actual full awakening and ascension

2378

01:47:20,399 --> 01:47:16,810

because because this means that you are

2379

01:47:21,959 --> 01:47:20,409

bringing back all of your particles you

2380

01:47:25,470 --> 01:47:21,969

know what I mean in this one

2381

01:47:27,870 --> 01:47:25,480

consciousness instead of instead of you

2382

01:47:30,500 --> 01:47:27,880

being split up in ten lifetimes while

2383

01:47:33,300 --> 01:47:30,510

you're bringing all the ten lifetimes

2384

01:47:36,839 --> 01:47:33,310

into this one body into this one

2385

01:47:41,939 --> 01:47:36,849

consciousness then you become equal to

2386

01:47:45,000 --> 01:47:41,949

your original self and vaso and that is

2387

01:47:46,950 --> 01:47:45,010

the full mastery and then you can expend

2388

01:47:48,510 --> 01:47:46,960

that that's what it means to ascend

2389

01:47:51,720 --> 01:47:48,520

because it's like you've completed your

2390

01:47:53,459 --> 01:47:51,730

whole full cycle you know this is very

2391

01:47:55,649 --> 01:47:53,469

interesting you said it like this

2392

01:47:58,560 --> 01:47:55,659

because that is very similar to what the

2393

01:48:02,820 --> 01:47:58,570

bar does the Bardot's artists say and

2394

01:48:03,600 --> 01:48:02,830

it's the book of the dead on living and

2395

01:48:05,910 --> 01:48:03,610

dying

2396

01:48:07,979 --> 01:48:05,920

traveling to your next existence they

2397

01:48:10,140 --> 01:48:07,989

talk about how when you get there you

2398

01:48:12,870 --> 01:48:10,150

have to find your other selves yes

2399

01:48:14,459 --> 01:48:12,880

exactly and I'm like what does that mean

2400

01:48:16,350 --> 01:48:14,469

I've been you know when I was a kid when

2401

01:48:18,060 --> 01:48:16,360

I read that as a teenager I was like

2402

01:48:20,939 --> 01:48:18,070

what does that mean but now that I'm old

2403

01:48:21,840 --> 01:48:20,949

and well-seasoned you know I I finally

2404

01:48:23,430 --> 01:48:21,850

figured it out

2405

01:48:26,280 --> 01:48:23,440

so that's very cool that you brought

2406

01:48:28,649 --> 01:48:26,290

that up well so people can read about

2407

01:48:30,629 --> 01:48:28,659

this in the omnium University and the

2408

01:48:32,700 --> 01:48:30,639

courses they can read about the

2409

01:48:35,250 --> 01:48:32,710

planetary grid and the parallel lives

2410

01:48:36,840 --> 01:48:35,260

and you know make sense of that but of

2411

01:48:39,680 --> 01:48:36,850

course just a quick side note what

2412

01:48:42,450 --> 01:48:39,690

happens is that once you start the first

2413

01:48:45,570 --> 01:48:42,460

lifetime you kind of lose your way and

2414

01:48:47,100 --> 01:48:45,580

then you're not on you know on schedule

2415

01:48:48,810 --> 01:48:47,110

anymore let's say you're supposed to

2416

01:48:52,470 --> 01:48:48,820

finish your first life and do certain

2417

01:48:54,390 --> 01:48:52,480

things by the age of 80 let's say but

2418

01:48:58,800 --> 01:48:54,400

you actually you know you start taking

2419

01:49:01,050 --> 01:48:58,810

drugs and drink and you forget leads

2420

01:49:03,840 --> 01:49:01,060

into the next slide that's what karma is

2421

01:49:12,000 --> 01:49:03,850

it's like oh okay well now I need to add

2422

01:49:14,160 --> 01:49:12,010

that to the schedule I hope we don't

2423

01:49:17,180 --> 01:49:14,170

bounce on our particles off the universe

2424

01:49:20,250 --> 01:49:17,190

and forget and the letting them go

2425

01:49:23,280 --> 01:49:20,260

terrible well okay this has just been

2426

01:49:25,590 --> 01:49:23,290

again uh just a fabulous fabulous

2427

01:49:30,020 --> 01:49:25,600

interview with Carolyn Cory here folks

2428

01:49:33,149 --> 01:49:30,030

in its omnium universe om and I um

2429

01:49:34,830 --> 01:49:33,159

universe comm please go check it out

2430

01:49:36,240 --> 01:49:34,840

because she's got some amazing stuff

2431

01:49:38,310 --> 01:49:36,250

there and I'm sure you guys are gonna

2432

01:49:40,140 --> 01:49:38,320

want to take some of her classes do some

2433

01:49:41,970 --> 01:49:40,150

of the healing work I mean she's got a

2434

01:49:44,310 --> 01:49:41,980

media center she's got a movie coming

2435

01:49:47,879 --> 01:49:44,320

out which we didn't really get to how

2436

01:49:53,729 --> 01:49:47,889

did they get to the movie web page so

2437

01:49:57,720 --> 01:49:53,739

they can go to et - contact com et -

2438

01:49:59,580 --> 01:49:57,730

contact comm and they can read about it

2439

01:50:01,530 --> 01:49:59,590

they can click on watch the film and

2440

01:50:03,479 --> 01:50:01,540

they can rent it they can watch it right

2441

01:50:07,709 --> 01:50:03,489

now it's already been out so they can go

2442

01:50:11,669 --> 01:50:07,719

to Amazon and rent it or iTunes it's

2443

01:50:13,649 --> 01:50:11,679

it's out there right I love it well

2444

01:50:15,540 --> 01:50:13,659

Carolyn thank you so much for being on

2445

01:50:16,640 --> 01:50:15,550

tonight I really appreciate it and

2446

01:50:18,890 --> 01:50:16,650

everybody

2447

01:50:21,410 --> 01:50:18,900

I won't be here next week they'll take a

2448

01:50:23,780 --> 01:50:21,420

real good replay for you and we'll see

2449

01:50:25,400 --> 01:50:23,790

you the week after that now and you know

2450

01:50:28,220 --> 01:50:25,410

I might be broadcasting live from

2451

01:50:30,230 --> 01:50:28,230

Laughlin this year we'll see so look for

2452

01:50:32,810 --> 01:50:30,240

me maybe over the weekend

2453

01:50:34,700 --> 01:50:32,820

Clifford stones gonna be there and a few

2454

01:50:36,380 --> 01:50:34,710

other people grant Cameron's gonna be

2455

01:50:38,420 --> 01:50:36,390

there we'll have a lively discussion

2456

01:50:40,700 --> 01:50:38,430

about Tom DeLonge and who knows what

2457

01:50:43,100 --> 01:50:40,710

else might happen live and right there

2458

01:50:45,170 --> 01:50:43,110

at the conference so I hope to be able

2459

01:50:47,090 --> 01:50:45,180

to do that and I'll talk to you all next

2460

01:50:49,070 --> 01:50:47,100

week and thank you again Carolyn and

2461

01:50:51,110 --> 01:50:49,080

we'll see you next time here on the
