Listen on

inceptionradionetwork.com

1
00:00:05,530 --> 00:00:02,300
plus the economic Heidi Hollis we've got

2
00:00:09,730 --> 00:00:05,540
a good guest on tonight Judith Baker

3
00:00:13,129 --> 00:00:09,740
dealing with the JFK assassination and I

4
00:00:15,169 --> 00:00:13,139
want to mention about Karen's book it's

5
00:00:17,779 --> 00:00:15,179
come out it's the amazing afterlife of

6
00:00:20,570 --> 00:00:17,789
animals and I just wanted to people

7
00:00:24,230 --> 00:00:20,580
might do a Amazon search for it by Karen

8
00:00:27,470 --> 00:00:24,240
Anderson and I've got it I got a copy

9
00:00:32,389 --> 00:00:27,480
I'll send you one but it's a it's just

10
00:00:37,340 --> 00:00:32,399
really a darn good book and it's a crazy

11
00:00:39,410 --> 00:00:37,350
mad nuts for animals before you read

12
00:00:43,990 --> 00:00:39,420
mine I sent you a long time ago look at

13
00:00:47,389 --> 00:00:44,000

that oh here's a while back ah but but

14

00:00:49,639 --> 00:00:47,399

but anyhow here's the thing about it did

15

00:00:51,049 --> 00:00:49,649

I I did tell you on the phone I didn't

16

00:00:53,060 --> 00:00:51,059

tell you all the details but I was

17

00:00:55,119 --> 00:00:53,070

making kissing sounds in the Walmart

18

00:00:59,779 --> 00:00:55,129

parking lot where I feed the birds and

19

00:01:02,959 --> 00:00:59,789

this pigeon comes right up to me I mean

20

00:01:05,149 --> 00:01:02,969

I mean it's kind of like something very

21

00:01:07,340 --> 00:01:05,159

unusual I mean it wasn't you know I know

22

00:01:09,230 --> 00:01:07,350

Mike Rowe comes up to me or used to when

23

00:01:13,100 --> 00:01:09,240

he was around but the pigeon was

24

00:01:14,300 --> 00:01:13,110

something totally different yeah and I

25

00:01:18,320 --> 00:01:14,310

didn't have the relationship with the

26

00:01:19,609 --> 00:01:18,330

pigeon I had with the crow because the

27

00:01:21,469 --> 00:01:19,619

curl was kind of like to the crows

28

00:01:23,719 --> 00:01:21,479

colleague Mike Rowe but Avery did you

29

00:01:29,149 --> 00:01:23,729

know no I'm not saintly and as you might

30

00:01:33,590 --> 00:01:29,159

have observed by now but there was a st.

31

00:01:36,920 --> 00:01:33,600

Kevin wild birds would fly lay on his

32

00:01:39,170 --> 00:01:36,930

armor you know roost on his arm I never

33

00:01:40,760 --> 00:01:39,180

heard of such a dance well I know

34

00:01:44,240 --> 00:01:40,770

certain people go out in the park and

35

00:01:46,280 --> 00:01:44,250

you know the wildlife gets used to them

36

00:01:49,100 --> 00:01:46,290

and they tend to crowd around them men

37

00:01:52,130 --> 00:01:49,110

may land on him so maybe that was one of

38

00:01:54,580 --> 00:01:52,140

those types of birds it had by then it

39

00:01:57,620 --> 00:01:54,590

might have been as cute though that's uh

40

00:02:00,620 --> 00:01:57,630

it was it was now a world renowned

41

00:02:05,350 --> 00:02:00,630

journalist and uh by this ain't no easy

42

00:02:08,419 --> 00:02:05,360

name Cara wanna gal is like Galicia

43

00:02:11,559 --> 00:02:08,429

she's she's were now didn't know that's

44

00:02:13,800 --> 00:02:11,569

bad name she's for a Maltese woman and

45

00:02:19,050 --> 00:02:13,810

she's a big-time journalist

46

00:02:22,170 --> 00:02:19,060

in Europe and she was killed by a car

47

00:02:24,690 --> 00:02:22,180

bomb this past week and she was

48

00:02:26,640 --> 00:02:24,700

responsible for leaking the Panama

49

00:02:31,170 --> 00:02:26,650

papers she exposed high-level corruption

50

00:02:33,780 --> 00:02:31,180

in the world and she also exposed to

51
00:02:38,850 --> 00:02:33,790
elements of the Clinton corruption and

52
00:02:40,880 --> 00:02:38,860
via the Clinton Foundation so a lot of

53
00:02:47,490 --> 00:02:40,890
people wanted her dead in other words oh

54
00:02:50,370 --> 00:02:47,500
man I guess they did but two years ago I

55
00:02:54,920 --> 00:02:50,380
mean this goes back Oh golly Heidi this

56
00:02:58,979 --> 00:02:54,930
goes back probably seventeen years ago I

57
00:03:01,500 --> 00:02:58,989
was maybe 18 I had a sale I used to sell

58
00:03:05,039 --> 00:03:01,510
promotional products on the side and I

59
00:03:07,620 --> 00:03:05,049
had a customer and he says I listen let

60
00:03:10,470 --> 00:03:07,630
me go show you guys this and he had a

61
00:03:11,970 --> 00:03:10,480
list of people that were uncommon weird

62
00:03:14,490 --> 00:03:11,980
deaths that were connected with the

63
00:03:19,680 --> 00:03:14,500

Clinton administration I mean guys like

64

00:03:22,560 --> 00:03:19,690

Heidi like 40 year old bodyguards and

65

00:03:25,199 --> 00:03:22,570

military attache czar in the you know

66

00:03:27,030 --> 00:03:25,209

you know fit you know fitness peak of

67

00:03:29,960 --> 00:03:27,040

their life and all this stuff not people

68

00:03:31,860 --> 00:03:29,970

would have bizarre heart attacks or

69

00:03:35,370 --> 00:03:31,870

slip-and-falls I'm here talking guys

70

00:03:37,650 --> 00:03:35,380

that go through doors anyway and it

71

00:03:40,289 --> 00:03:37,660

wasn't just a couple I he this was like

72

00:03:41,460 --> 00:03:40,299

and see I had I had never I really

73

00:03:42,720 --> 00:03:41,470

wasn't that interested in politics

74

00:03:47,490 --> 00:03:42,730

during that year and he kind of like

75

00:03:49,590 --> 00:03:47,500

Clinton in my own way you know and what

76
00:03:51,390 --> 00:03:49,600
happened was he showed me this list and

77
00:03:54,809 --> 00:03:51,400
I thought oh my god this is not

78
00:03:57,360 --> 00:03:54,819
coincidence I mean we're talking 25 to

79
00:03:59,970 --> 00:03:57,370
30 very uncommon prime of their life

80
00:04:02,400 --> 00:03:59,980
kind of guys with questionable deaths

81
00:04:04,319 --> 00:04:02,410
and I guess this might be one of the

82
00:04:08,910 --> 00:04:04,329
long body count the Clintons have always

83
00:04:11,430 --> 00:04:08,920
been reputed to have there's a trail of

84
00:04:13,530 --> 00:04:11,440
bodies behind them I mean what

85
00:04:16,170 --> 00:04:13,540
politician doesn't have one behind him

86
00:04:19,979 --> 00:04:16,180
oh I'm not saying they're unique because

87
00:04:23,520 --> 00:04:19,989
it was rumored that LBJ did two in his

88
00:04:27,120 --> 00:04:23,530

day there was people connected with LBJ

89

00:04:30,270 --> 00:04:27,130

that supposedly get the corner

90

00:04:31,860 --> 00:04:30,280

Texas rule did a suicide and yet the guy

91

00:04:34,560 --> 00:04:31,870

was shot in the back of the head with a

92

00:04:39,540 --> 00:04:34,570

rifle how in the heck what kind of

93

00:04:42,540 --> 00:04:39,550

contortionist could do that but yeah

94

00:04:45,390 --> 00:04:42,550

that's it's kind of odd and the if you

95

00:04:47,370 --> 00:04:45,400

remember correctly about a year ago

96

00:04:49,110 --> 00:04:47,380

there was a couple witnesses that were

97

00:04:51,930 --> 00:04:49,120

gonna give testimony against Hillary and

98

00:04:53,910 --> 00:04:51,940

they one of them was a young guy say 30

99

00:04:56,370 --> 00:04:53,920

odd years old and he was found dead on

100

00:04:57,840 --> 00:04:56,380

the streets of New York and it wasn't

101
00:04:59,310 --> 00:04:57,850
even a robbery they said it was a

102
00:05:00,600 --> 00:04:59,320
robbery but they didn't steal as well

103
00:05:03,030 --> 00:05:00,610
and they didn't steal his expensive

104
00:05:07,770 --> 00:05:03,040
watch that doesn't sound like they're

105
00:05:09,600 --> 00:05:07,780
very successful beeps no so any rate

106
00:05:11,580 --> 00:05:09,610
this this is just another way and as a

107
00:05:13,680 --> 00:05:11,590
finality that number John legato that

108
00:05:16,430 --> 00:05:13,690
retired FBI guy we had on he said it's

109
00:05:20,420 --> 00:05:16,440
nothing but a criminal enterprise man

110
00:05:22,980 --> 00:05:20,430
really oh yeah I believe it it's crazy

111
00:05:25,400 --> 00:05:22,990
now here's one thing that you might like

112
00:05:28,770 --> 00:05:25,410
because you love animals too I'm sure

113
00:05:29,850 --> 00:05:28,780

there's a biker group there good plate

114

00:05:34,530 --> 00:05:29,860

I'm just kidding

115

00:05:36,960 --> 00:05:34,540

oh you got plates okay but but now

116

00:05:39,780 --> 00:05:36,970

there's a biker gang called Rescue Inc

117

00:05:42,540 --> 00:05:39,790

and what they do is they confront

118

00:05:44,970 --> 00:05:42,550

dogfighting rings beat the hell out of

119

00:05:49,410 --> 00:05:44,980

the dog fighters confiscate the animals

120

00:05:51,150 --> 00:05:49,420

and you know they investigate stolen

121

00:05:54,210 --> 00:05:51,160

animal claims all the things related to

122

00:05:59,640 --> 00:05:57,360

it's called rescue Inc and that's very

123

00:06:00,150 --> 00:05:59,650

cool sound like people right after my

124

00:06:04,050 --> 00:06:00,160

own heart

125

00:06:05,520 --> 00:06:04,060

really yeah but I don't know I just

126

00:06:09,330 --> 00:06:05,530

thought I'd throw that in since we had

127

00:06:11,160 --> 00:06:09,340

an animal theme tonight but Sutherland

128

00:06:13,290 --> 00:06:11,170

Springs Texas course the shooting the

129

00:06:15,750 --> 00:06:13,300

guy that went wacko and shot all those

130

00:06:18,240 --> 00:06:15,760

poor slob in the church it had nothing

131

00:06:21,480 --> 00:06:18,250

to do with his in-laws I can't bad Heidi

132

00:06:23,160 --> 00:06:21,490

I can't figure out yeah cuz weren't

133

00:06:27,930 --> 00:06:23,170

there it's like you think you would have

134

00:06:30,360 --> 00:06:27,940

known that no they weren't and of course

135

00:06:32,970 --> 00:06:30,370

he'd know that right away hi they said

136

00:06:34,110 --> 00:06:32,980

on CBS tonight that he targeted babies

137

00:06:37,140 --> 00:06:34,120

and their mothers

138

00:06:39,620 --> 00:06:37,150

that was sick yeah I did hear that it's

139

00:06:41,300 --> 00:06:39,630

horrible not what what kind of fun

140

00:06:43,520 --> 00:06:41,310

would do that I mean I could see if you

141

00:06:46,460 --> 00:06:43,530

have fight with your wife or some such

142

00:06:49,130 --> 00:06:46,470

thing but to go in and lowdown babies an

143

00:06:50,720 --> 00:06:49,140

old someone person was 78 years old I

144

00:06:53,330 --> 00:06:50,730

mean people that wouldn't know this guy

145

00:06:56,000 --> 00:06:53,340

for the man in the moon and they want to

146

00:06:58,960 --> 00:06:56,010

make it a mental health issue when it's

147

00:07:04,340 --> 00:06:58,970

just I don't think so Ill think that

148

00:07:09,410 --> 00:07:04,350

it's - though I mean it's like just it's

149

00:07:11,570 --> 00:07:09,420

like it's that kind of a gun and I even

150

00:07:12,980 --> 00:07:11,580

I've said that before I even I've said

151
00:07:17,180 --> 00:07:12,990
that I mean come on you don't need an

152
00:07:20,510 --> 00:07:17,190
ak-47 or I mean if you had like a Glock

153
00:07:21,860 --> 00:07:20,520
ten shot nine-millimeter it would be

154
00:07:24,260 --> 00:07:21,870
good for protection but it's not gonna

155
00:07:27,200 --> 00:07:24,270
take out a crowd you know I saw a joke

156
00:07:30,200 --> 00:07:27,210
today that it's it said America the land

157
00:07:32,990 --> 00:07:30,210
of gun care and health control you know

158
00:07:37,300 --> 00:07:33,000
we don't have health care but we have

159
00:07:40,820 --> 00:07:37,310
gun I mean it's crazy it's just crazy

160
00:07:43,040 --> 00:07:40,830
like that bozo up in Vegas I mean

161
00:07:44,720 --> 00:07:43,050
wouldn't it be a red flag that this guy

162
00:07:47,690 --> 00:07:44,730
is buying enough ammunition to take out

163
00:07:50,660 --> 00:07:47,700

a battalion of Marines yeah

164

00:07:54,530 --> 00:07:50,670

crazy it's like now what is he going

165

00:07:56,840 --> 00:07:54,540

hunting a neighborhood I mean what do

166

00:07:59,690 --> 00:07:56,850

you do that for as much as this goal

167

00:08:03,170 --> 00:07:59,700

Texas unloaded - I mean what they said

168

00:08:06,260 --> 00:08:03,180

hundred thirty rounds good no I think he

169

00:08:07,610 --> 00:08:06,270

had a total of five hundred rounds no he

170

00:08:11,000 --> 00:08:07,620

may not have shot them all off but he

171

00:08:13,070 --> 00:08:11,010

had 500 crazy you know it would sound to

172

00:08:14,570 --> 00:08:13,080

me not you know like I say I'm for

173

00:08:16,370 --> 00:08:14,580

people having guns for self-protection

174

00:08:19,040 --> 00:08:16,380

but I mean you got to be reasonable but

175

00:08:22,580 --> 00:08:19,050

this like I say a 9-millimeter Glock

176

00:08:25,130 --> 00:08:22,590

okay okay but you don't need an ar-15 no

177

00:08:27,260 --> 00:08:25,140

there's no reason for that I don't think

178

00:08:29,000 --> 00:08:27,270

America will ever be rid of their guns I

179

00:08:30,620 --> 00:08:29,010

don't I don't think it's necessary to

180

00:08:32,900 --> 00:08:30,630

like make everybody turn in their guns

181

00:08:35,330 --> 00:08:32,910

but good lord we don't need machine guns

182

00:08:38,930 --> 00:08:35,340

and we don't need a k40 I mean we just

183

00:08:41,150 --> 00:08:38,940

don't it and it's just you know I just

184

00:08:43,070 --> 00:08:41,160

don't mean it there's nothing that will

185

00:08:45,020 --> 00:08:43,080

make me ever feel different that we

186

00:08:47,120 --> 00:08:45,030

don't need to know I'm with you on that

187

00:08:48,800 --> 00:08:47,130

I really am I mean logic has to apply

188

00:08:51,710 --> 00:08:48,810

and yeah

189

00:08:53,210 --> 00:08:51,720

Burnley to me raise a red flag that like

190

00:08:56,119 --> 00:08:53,220

that yokel up in Vegas

191

00:08:57,679 --> 00:08:56,129

my goodness 500 rhymes ammunition or no

192

00:08:59,300 --> 00:08:57,689

he had thousands of rounds what am I

193

00:09:01,429 --> 00:08:59,310

saying that would have to call it like

194

00:09:04,790 --> 00:09:01,439

but now hopefully our the connection

195

00:09:06,199 --> 00:09:04,800

with Judith Baker will be okay and we're

196

00:09:07,999 --> 00:09:06,209

just about writing to the top of the

197

00:09:10,639 --> 00:09:08,009

hour that having a little difficulty

198

00:09:13,069 --> 00:09:10,649

with it but we'll keep our fingers

199

00:09:15,129 --> 00:09:13,079

crossed and we'll be right back we'll be

200

00:09:17,540 --> 00:09:15,139

right back

201
00:09:19,069 --> 00:09:17,550
plus could be back with Heidi and Judith

202
00:09:21,340 --> 00:09:19,079
Baker's aunt will be on with us shortly

203
00:09:25,069 --> 00:09:21,350
we're having a few technical glitches

204
00:09:27,439 --> 00:09:25,079
she's traveling a little bit and it's

205
00:09:29,629 --> 00:09:27,449
not as handy as it would be and familiar

206
00:09:32,480 --> 00:09:29,639
surroundings yeah but she'll be with us

207
00:09:36,170 --> 00:09:32,490
in a second I guess how do you be happy

208
00:09:43,489 --> 00:09:36,180
you'd be happy to know yeah that it's

209
00:09:47,030 --> 00:09:43,499
finally cooled off in this hellhole 990

210
00:09:52,280 --> 00:09:47,040
last week yes but but no it's actually

211
00:09:55,939 --> 00:09:52,290
gonna be down to 48 tomorrow come on

212
00:09:57,559 --> 00:09:55,949
what happened well I don't know this

213
00:09:58,999 --> 00:09:57,569

whole by the way for whatever that is

214

00:10:01,189 --> 00:09:59,009

about global warming and all that I

215

00:10:04,040 --> 00:10:01,199

don't know why it's happening though it

216

00:10:06,170 --> 00:10:04,050

obviously has but this was the hottest

217

00:10:09,139 --> 00:10:06,180

year on record and the dallas-fort Worth

218

00:10:11,990 --> 00:10:09,149

area and 118 years of record-keeping it

219

00:10:14,299 --> 00:10:12,000

has been to this point hmm Wow

220

00:10:16,900 --> 00:10:14,309

sounds like that's a pattern across the

221

00:10:21,799 --> 00:10:16,910

country breaking records but of course

222

00:10:25,100 --> 00:10:21,809

warming is global global climate change

223

00:10:26,689 --> 00:10:25,110

is not a reality to those in power yes

224

00:10:29,809 --> 00:10:26,699

but there's one thing I mean I'm not

225

00:10:34,850 --> 00:10:29,819

trying to no wait by agreeing but what

226

00:10:36,860 --> 00:10:34,860

I'm saying is that some scientists have

227

00:10:38,780 --> 00:10:36,870

said it the whole solar system has

228

00:10:40,460 --> 00:10:38,790

warmed up which of course wouldn't

229

00:10:42,829 --> 00:10:40,470

having to the industrial pollution you

230

00:10:44,840 --> 00:10:42,839

know yeah I mean so I mean they're

231

00:10:47,720 --> 00:10:44,850

seeing higher temperatures on Venus and

232

00:10:50,360 --> 00:10:47,730

Mars and so forth so I mean I don't know

233

00:10:52,939 --> 00:10:50,370

but now one thing I can't I can say I

234

00:10:55,340 --> 00:10:52,949

know this sounds prejudiced but my home

235

00:11:00,889 --> 00:10:55,350

sweet home is gonna be down to four

236

00:11:02,240 --> 00:11:00,899

degrees Friday so are four and it's

237

00:11:06,770 --> 00:11:02,250

gonna snow three or four times

238

00:11:10,460 --> 00:11:06,780

the next 10 days wow that's uh that's

239

00:11:12,170 --> 00:11:10,470

crazy I don't look for it just now yeah

240

00:11:16,930 --> 00:11:12,180

but I mean that's at least some place

241

00:11:23,300 --> 00:11:20,270

I'm just yeah you know I wanted to

242

00:11:26,270 --> 00:11:23,310

mention something that we were talking

243

00:11:28,070 --> 00:11:26,280

about before the break and and somebody

244

00:11:30,230 --> 00:11:28,080

had made a pointed this on social media

245

00:11:33,560 --> 00:11:30,240

and and I'm like you know they're so

246

00:11:37,250 --> 00:11:33,570

right yeah one guy puts a bomb in his

247

00:11:40,360 --> 00:11:37,260

shoe and forever across the country we

248

00:11:44,480 --> 00:11:40,370

all have to take off our freaking shoes

249

00:11:46,820 --> 00:11:44,490

you know since that one incident now

250

00:11:49,970 --> 00:11:46,830

company how many people have gotten

251

00:11:54,080 --> 00:11:49,980

ahold of these ak-47s and whatnot

252

00:11:56,560 --> 00:11:54,090

and over and over again and we're not

253

00:11:59,300 --> 00:11:56,570

being made to do anything different so

254

00:12:02,300 --> 00:11:59,310

essentially America saying it's okay to

255

00:12:05,360 --> 00:12:02,310

shoot babies as it's what the person had

256

00:12:07,010 --> 00:12:05,370

said it's like okay it almost feels that

257

00:12:09,530 --> 00:12:07,020

way because it's like okay we want we

258

00:12:12,470 --> 00:12:09,540

want to control shoes but we don't want

259

00:12:14,270 --> 00:12:12,480

to control it that's there's no rhyme or

260

00:12:16,700 --> 00:12:14,280

reason to it Heidi the people at the

261

00:12:18,920 --> 00:12:16,710

airport I you know I you know I get into

262

00:12:21,320 --> 00:12:18,930

battles with him all the time and I did

263

00:12:24,680 --> 00:12:21,330

oh wait almost got to fistfight this

264

00:12:25,880 --> 00:12:24,690

last time no boy I mean I was gonna deck

265

00:12:27,890 --> 00:12:25,890

you and then I'd have hit a federal

266

00:12:31,970 --> 00:12:27,900

officer and I'll yeah I'd be in jail you

267

00:12:34,100 --> 00:12:31,980

never could do the show but but it can't

268

00:12:36,110 --> 00:12:34,110

it came to just about that but what I'm

269

00:12:38,840 --> 00:12:36,120

saying is the year before that was the

270

00:12:40,310 --> 00:12:38,850

same way I told that one yokel you

271

00:12:42,680 --> 00:12:40,320

couldn't find an Arab terrorist if he

272

00:12:44,630 --> 00:12:42,690

was stick it at your shirt pocket damn

273

00:12:47,270 --> 00:12:44,640

and curse that pissed him off but I

274

00:12:49,370 --> 00:12:47,280

wanted to piss him off but I mean what

275

00:12:52,010 --> 00:12:49,380

I'm saying is come on now or you got a

276

00:12:57,010 --> 00:12:52,020

guy that's obviously been here his whole

277

00:12:58,700 --> 00:12:57,020

life and the you know all this bit and

278

00:13:01,160 --> 00:12:58,710

you know it's just

279

00:13:02,660 --> 00:13:01,170

Mandi I see grandmother's he's 80 year

280

00:13:05,840 --> 00:13:02,670

old grandmothers they're frisking them

281

00:13:08,210 --> 00:13:05,850

down like like their 20 year old Arab

282

00:13:10,040 --> 00:13:08,220

terrorists or something right old granny

283

00:13:12,760 --> 00:13:10,050

from Des Moines Iowa I mean it's not

284

00:13:15,870 --> 00:13:12,770

much of the threat right yeah

285

00:13:19,240 --> 00:13:15,880

I felt like Osama's baby sister when

286

00:13:22,000 --> 00:13:19,250

things really were heated I mean my god

287

00:13:25,180 --> 00:13:22,010

and one Airport I would stop three times

288

00:13:28,389 --> 00:13:25,190

I'm like give me a break

289

00:13:30,220 --> 00:13:28,399

I said I was just checked here I'm check

290

00:13:33,760 --> 00:13:30,230

to go on the floor I mean it was just

291

00:13:36,070 --> 00:13:33,770

ridiculous I'm like pulling out my all

292

00:13:38,920 --> 00:13:36,080

my stuff out of my suitcase my carry-on

293

00:13:41,079 --> 00:13:38,930

I'm like I was like I was just enough it

294

00:13:42,760 --> 00:13:41,089

was just nothing well I think what it is

295

00:13:45,280 --> 00:13:42,770

and I could be wrong but I think what it

296

00:13:47,889 --> 00:13:45,290

is they have to do like extra special

297

00:13:50,320 --> 00:13:47,899

efforts so many times an hour or

298

00:13:54,870 --> 00:13:50,330

something like you know check their

299

00:13:58,000 --> 00:13:54,880

dad's feet or something or something

300

00:14:01,000 --> 00:13:58,010

yeah but I've gone the other way with it

301
00:14:02,590 --> 00:14:01,010
is not about two three years ago I went

302
00:14:05,949 --> 00:14:02,600
to Vegas and I said come here mr. cook I

303
00:14:07,300 --> 00:14:05,959
don't want to help I do and but it was

304
00:14:09,639 --> 00:14:07,310
on the other side of it they say you

305
00:14:10,420 --> 00:14:09,649
don't have to go through all this you

306
00:14:11,740 --> 00:14:10,430
know you don't have to go through

307
00:14:13,240 --> 00:14:11,750
security we'll just take you through and

308
00:14:17,769 --> 00:14:13,250
they did they had a girl just take me

309
00:14:19,870 --> 00:14:17,779
through how come y'all doing this annex

310
00:14:21,280 --> 00:14:19,880
oh no we just selected you that's right

311
00:14:23,889 --> 00:14:21,290
but that that's not true they had a

312
00:14:28,030 --> 00:14:23,899
reason but right I don't know why Oh

313
00:14:30,579 --> 00:14:28,040

what that time when I got stopped four

314

00:14:34,389 --> 00:14:30,589

times and I I had to ask the last one I

315

00:14:36,760 --> 00:14:34,399

said what caused you to pick me out of

316

00:14:39,130 --> 00:14:36,770

this whole line of people like that they

317

00:14:40,810 --> 00:14:39,140

said well you're travelling alone and

318

00:14:43,480 --> 00:14:40,820

you bought your ticket at the last

319

00:14:45,910 --> 00:14:43,490

minute I said you could tell all of that

320

00:14:48,639 --> 00:14:45,920

from across the room cuz I saw you point

321

00:14:50,860 --> 00:14:48,649

at me from across the room and Caleb

322

00:14:53,470 --> 00:14:50,870

everybody buy stuff at the last time in

323

00:14:55,780 --> 00:14:53,480

it all playing you did not know that by

324

00:14:58,540 --> 00:14:55,790

looking at me come on now right right

325

00:15:01,810 --> 00:14:58,550

crazy crazy well people buy stuff at the

326

00:15:03,819 --> 00:15:01,820

last minute all the time that's yeah but

327

00:15:06,190 --> 00:15:03,829

they didn't know that by just glancing

328

00:15:08,740 --> 00:15:06,200

at me I mean they know what I was there

329

00:15:10,870 --> 00:15:08,750

with this is crazy I just couldn't

330

00:15:12,490 --> 00:15:10,880

believe it I was so dead I wanted on the

331

00:15:14,769 --> 00:15:12,500

positive side of it because I'm not a

332

00:15:17,170 --> 00:15:14,779

government official or anything you know

333

00:15:18,430 --> 00:15:17,180

on I do know some people in the

334

00:15:23,290 --> 00:15:18,440

government but they're not gonna help me

335

00:15:25,480 --> 00:15:23,300

with the airport and but I'm just saying

336

00:15:26,480 --> 00:15:25,490

it was I mean this was like for like

337

00:15:28,340 --> 00:15:26,490

Unix

338

00:15:29,660 --> 00:15:28,350

a billionaire to be treated on the

339

00:15:32,210 --> 00:15:29,670

outcome that come on mr. cook you'd have

340

00:15:34,070 --> 00:15:32,220

to go do that come to see and I think

341

00:15:37,760 --> 00:15:34,080

he's got me mistaken for another mr.

342

00:15:39,769 --> 00:15:37,770

cook speaking of billionaires over here

343

00:15:41,540 --> 00:15:39,779

in Illinois where it looks like we're

344

00:15:44,380 --> 00:15:41,550

gonna get rid of our Republican

345

00:15:55,100 --> 00:15:44,390

billionaire governor for another

346

00:15:57,800 --> 00:15:55,110

billionaire be really involved in the

347

00:16:00,829 --> 00:15:57,810

community and gives bear hugs to people

348

00:16:03,410 --> 00:16:00,839

and just like oh we gotta fuzzy wuzzy

349

00:16:07,100 --> 00:16:03,420

billionaire coming in so I hope he wins

350

00:16:10,220 --> 00:16:07,110

anyways so I guess you know I guess so

351

00:16:12,800 --> 00:16:10,230

Oh I mean our last governor didn't want

352

00:16:14,540 --> 00:16:12,810

to pay for lottery winners and I like

353

00:16:16,370 --> 00:16:14,550

the guy had had it closed down because

354

00:16:18,170 --> 00:16:16,380

he didn't want to pay his bills so I

355

00:16:21,230 --> 00:16:18,180

couldn't pay my bills because the

356

00:16:27,290 --> 00:16:21,240

Medicaid payments were apparently too

357

00:16:31,100 --> 00:16:27,300

much for them to handle so all the time

358

00:16:34,400 --> 00:16:31,110

they got ruckus all the time oh that's

359

00:16:36,980 --> 00:16:34,410

this is just the Illinoisan way why is

360

00:16:39,800 --> 00:16:36,990

it and all these other facets there's no

361

00:16:41,810 --> 00:16:39,810

unusual because you're mafia boys used

362

00:16:44,930 --> 00:16:41,820

to run this place and they kind of grew

363

00:16:46,699 --> 00:16:44,940

up learning that way I think yeah but

364

00:16:48,199 --> 00:16:46,709

now wait a minute now New York has run

365

00:16:50,449 --> 00:16:48,209

pretty good and the mobs had a heavy

366

00:16:53,269 --> 00:16:50,459

input of math you can't be too hard on

367

00:16:54,889 --> 00:16:53,279

them well something's crooked though

368

00:16:56,660 --> 00:16:54,899

going on over here I don't know what it

369

00:16:58,730 --> 00:16:56,670

is but you know what I think that

370

00:17:01,519 --> 00:16:58,740

there's a bigger sense of community in

371

00:17:05,600 --> 00:17:01,529

New York versus Chicago we have our

372

00:17:08,360 --> 00:17:05,610

separate neighborhoods and then New York

373

00:17:11,449 --> 00:17:08,370

has their yeah they're like family so we

374

00:17:12,890 --> 00:17:11,459

got Judith yay yeah dude if it's good to

375

00:17:16,329 --> 00:17:12,900

have you I'm sorry it's been a little

376

00:17:18,439 --> 00:17:16,339

difficult tonight all right

377

00:17:19,250 --> 00:17:18,449

interrupting phone calls it's not all

378

00:17:21,220 --> 00:17:19,260

hit nobody

379

00:17:23,780 --> 00:17:21,230

producers fault or anything like that oh

380

00:17:30,310 --> 00:17:23,790

no well he's the boss anyway we can't

381

00:17:39,780 --> 00:17:37,040

thank you yeah let me give a little

382

00:17:41,280 --> 00:17:39,790

preface Judith Judith

383

00:17:43,110 --> 00:17:41,290

maker has degrees in medical and

384

00:17:45,770 --> 00:17:43,120

cultural anthropology English and

385

00:17:48,600 --> 00:17:45,780

communication she's an author artist

386

00:17:51,330 --> 00:17:48,610

futurist and a former cancer researcher

387

00:17:54,750 --> 00:17:51,340

and she wrote me and Lee how I came to

388

00:18:01,470 --> 00:17:54,760

know love and lose Lee Harvey Oswald and

389

00:18:05,160 --> 00:18:01,480

also David Ferrie dot mafia pilot power

390

00:18:06,780 --> 00:18:05,170

yes I suppose but but but Judith it's

391

00:18:08,730 --> 00:18:06,790

awful good to have you back and I guess

392

00:18:13,110 --> 00:18:08,740

it's very timely considering the release

393

00:18:16,140 --> 00:18:13,120

of the JFK suppose it information it has

394

00:18:18,150 --> 00:18:16,150

been hectic because a number of things I

395

00:18:20,280 --> 00:18:18,160

wrote about me and Lee now the book is

396

00:18:22,590 --> 00:18:20,290

all in everybody's interest again

397

00:18:24,750 --> 00:18:22,600

because if some of these things are

398

00:18:27,000 --> 00:18:24,760

verified that before I have no evidence

399

00:18:29,520 --> 00:18:27,010

you know now they've come out so it's

400

00:18:31,110 --> 00:18:29,530

been exciting really for me well I'm

401

00:18:32,130 --> 00:18:31,120

glad out of that I'm glad of that and of

402

00:18:36,330 --> 00:18:32,140

course I couldn't mention your

403

00:18:38,060 --> 00:18:36,340

co-authors ed Schwartz and I you know as

404

00:18:41,370 --> 00:18:38,070

I might have mentioned one other time

405

00:18:43,440 --> 00:18:41,380

past interview we had a this was kind of

406

00:18:44,970 --> 00:18:43,450

a seminal thing for me when I was a kid

407

00:18:46,530 --> 00:18:44,980

and I was hearing all this stuff in the

408

00:18:49,350 --> 00:18:46,540

late sixties about the JFK assassination

409

00:18:52,050 --> 00:18:49,360

because I you know I guess I read mark

410

00:18:56,070 --> 00:18:52,060

lanes book and NBC to its credit back

411

00:19:01,320 --> 00:18:56,080

then try to reconstruct the Dealey Plaza

412

00:19:04,590 --> 00:19:01,330

scene with two expert Marine snipers not

413

00:19:06,780 --> 00:19:04,600

just an average one like Oswald was but

414

00:19:09,600 --> 00:19:06,790

I mean real top of the line snipers and

415

00:19:15,660 --> 00:19:09,610

they couldn't duplicate the shot they

416

00:19:16,350 --> 00:19:15,670

just didn't do it wonder why when in

417

00:19:18,930 --> 00:19:16,360

Dallas

418

00:19:20,780 --> 00:19:18,940

literally over in New Orleans they had a

419

00:19:23,450 --> 00:19:20,790

bargain bin there filled with the

420

00:19:25,380 --> 00:19:23,460

mannlicher-carcano he could get for \$10

421

00:19:27,960 --> 00:19:25,390

anyone would go in through a mail order

422

00:19:30,470 --> 00:19:27,970

on a rifle you could find around the

423

00:19:34,410 --> 00:19:30,480

corner it just shows how they framed him

424

00:19:35,940 --> 00:19:34,420

well if you're gonna shoot somebody pick

425

00:19:38,430 --> 00:19:35,950

a better rifle I guess I mean that's

426

00:19:39,780 --> 00:19:38,440

those kind of yeah even the magazine

427

00:19:41,580 --> 00:19:39,790

where he's supposed to have ordered

428

00:19:43,920 --> 00:19:41,590

right next to her they're fine rifles it

429

00:19:48,330 --> 00:19:43,930

would have done the job the humanitarian

430

00:19:50,940 --> 00:19:48,340

rifle yeah yeah I know that the this

431

00:19:53,130 --> 00:19:50,950

thing is not I guess what it what it did

432

00:19:56,010 --> 00:19:53,140

and of course everybody is always the

433

00:20:02,610 --> 00:19:56,020

a rational mind has always questioned

434

00:20:04,440 --> 00:20:02,620

the the analysis of its and I mean it

435

00:20:09,060 --> 00:20:04,450

made me realize that everything's

436

00:20:10,800 --> 00:20:09,070

crooked for an early start and I get if

437

00:20:14,490 --> 00:20:10,810

that was right what do you think about

438

00:20:17,790 --> 00:20:14,500

it Heidi overall well you know I had the

439

00:20:20,670 --> 00:20:17,800

pleasure of chatting with Judith and Jim

440

00:20:23,310 --> 00:20:20,680

Marrs a little while back

441

00:20:27,330 --> 00:20:23,320

yeah and just absolutely mind-blowing

442

00:20:29,640 --> 00:20:27,340

her old story or everything and and you

443

00:20:32,250 --> 00:20:29,650

know one thing that I think was really

444

00:20:34,640 --> 00:20:32,260

amazing that's really off topic Judith

445

00:20:37,500 --> 00:20:34,650

is your background as a cancer

446

00:20:39,750 --> 00:20:37,510

researcher having gotten close to the

447

00:20:44,700 --> 00:20:39,760

cure way back when and only to be

448

00:20:46,470 --> 00:20:44,710

blocked and pigeon-holed oh yes in fact

449

00:20:50,370 --> 00:20:46,480

I can't even get my own birth

450

00:20:52,500 --> 00:20:50,380

certificate to this day really yeah

451
00:20:54,540 --> 00:20:52,510
they've removed my name from well for

452
00:20:57,270 --> 00:20:54,550
example I do have the check stubs

453
00:20:59,370 --> 00:20:57,280
showing that I worked and right after

454
00:21:01,530 --> 00:20:59,380
they made me leave New Orleans they had

455
00:21:03,960 --> 00:21:01,540
a problem because newspaper reporters

456
00:21:05,580 --> 00:21:03,970
were following me around and they knew

457
00:21:08,010 --> 00:21:05,590
if I wasn't doing cancer research

458
00:21:10,320 --> 00:21:08,020
anymore because I'd been kicked out for

459
00:21:12,300 --> 00:21:10,330
you know objecting to using poor

460
00:21:14,070 --> 00:21:12,310
prisoners who were volunteering for

461
00:21:15,360 --> 00:21:14,080
cancer research and if it worked it

462
00:21:18,300 --> 00:21:15,370
would kill them and they didn't tell

463
00:21:20,130 --> 00:21:18,310

them that I was when I was sent back

464

00:21:22,320 --> 00:21:20,140

they said oh we've got a problem because

465

00:21:23,280 --> 00:21:22,330

after all the newspaper reporters are

466

00:21:25,230 --> 00:21:23,290

going to say what happened in New

467

00:21:26,850 --> 00:21:25,240

Orleans that she is not in cancer

468

00:21:29,370 --> 00:21:26,860

research anymore so they put me in a

469

00:21:31,620 --> 00:21:29,380

really fancy laboratory at the same time

470

00:21:33,600 --> 00:21:31,630

they destroyed my college records for

471

00:21:35,160 --> 00:21:33,610

example I invented a new way to get

472

00:21:36,780 --> 00:21:35,170

magnesium out of seawater when I was

473

00:21:39,960 --> 00:21:36,790

just 15 years old went to the

474

00:21:43,020 --> 00:21:39,970

International fair dial chemical took

475

00:21:45,690 --> 00:21:43,030

that new method alright which I invented

476

00:21:47,670 --> 00:21:45,700

now but I in the records that says I

477

00:21:49,230 --> 00:21:47,680

have a D in general chemistry and

478

00:21:54,420 --> 00:21:49,240

therefore can't talk anymore courses

479

00:21:57,030 --> 00:21:54,430

yeah that's yeah they just blocked me in

480

00:21:58,890 --> 00:21:57,040

every direction so I have this you know

481

00:22:00,780 --> 00:21:58,900

degree that it includes medical

482

00:22:04,350 --> 00:22:00,790

anthropology as the closest I could get

483

00:22:07,020 --> 00:22:04,360

just and I had to do it carefully it

484

00:22:08,930 --> 00:22:07,030

took me 25 years to slip

485

00:22:12,870 --> 00:22:08,940

that degree and under the wire you know

486

00:22:15,720 --> 00:22:12,880

that's crazy I mean it's like the things

487

00:22:19,140 --> 00:22:15,730

that this government did to you and your

488

00:22:21,990 --> 00:22:19,150

life is just and and the way that it

489

00:22:24,720 --> 00:22:22,000

also harmed society because if the

490

00:22:27,210 --> 00:22:24,730

research yet you had was absolutely

491

00:22:31,170 --> 00:22:27,220

mind-blowing and amazing and and weighed

492

00:22:33,780 --> 00:22:31,180

beyond your years my goodness and I had

493

00:22:36,000 --> 00:22:33,790

actually you yes ma'am you know and I'd

494

00:22:38,550 --> 00:22:36,010

actually invented a new way to detect

495

00:22:43,610 --> 00:22:38,560

cancer in the bloodstream and it took

496

00:22:49,140 --> 00:22:46,200

well that sounds about right because I

497

00:22:53,780 --> 00:22:49,150

mean a little bit after that era you

498

00:22:56,700 --> 00:22:53,790

know and I was a young guy I saw we

499

00:22:58,740 --> 00:22:56,710

young and recently married we had a

500

00:23:01,670 --> 00:22:58,750

couple that we socialized with and the

501
00:23:06,750 --> 00:23:01,680
woman worked at MD Anderson hospital

502
00:23:09,030 --> 00:23:06,760
does a lot of cancer and there happened

503
00:23:10,770 --> 00:23:09,040
to there was an NBC special that I saw

504
00:23:12,930 --> 00:23:10,780
that said that everybody was making any

505
00:23:15,060 --> 00:23:12,940
progress with cancer treatment had their

506
00:23:17,370 --> 00:23:15,070
funds cut off and I mentioned that to

507
00:23:19,460 --> 00:23:17,380
her she said absolutely right she saw

508
00:23:21,660 --> 00:23:19,470
that special that they had a dead-bang

509
00:23:24,390 --> 00:23:21,670
anybody made any success or progress

510
00:23:27,960 --> 00:23:24,400
that they were cut off just like turning

511
00:23:29,880 --> 00:23:27,970
off the faucet huge consortium out there

512
00:23:32,430 --> 00:23:29,890
that makes they make billions upon

513
00:23:34,650 --> 00:23:32,440

billions of dollars by treating cancer

514

00:23:38,750 --> 00:23:34,660

with very expensive chemicals and so on

515

00:23:41,070 --> 00:23:38,760

huge machines are built many doctors and

516

00:23:42,810 --> 00:23:41,080

buildings have been built and all that

517

00:23:46,350 --> 00:23:42,820

would go away if you could cure cancer

518

00:23:48,720 --> 00:23:46,360

easily and we can that is a tragedy of

519

00:23:50,460 --> 00:23:48,730

it all well she'd worked there five

520

00:23:53,100 --> 00:23:50,470

years and she'd seen it replicated many

521

00:23:54,870 --> 00:23:53,110

times where they just cut them down to

522

00:23:56,880 --> 00:23:54,880

nothing if they had any success unless

523

00:23:58,770 --> 00:23:56,890

they they filed the same path like

524

00:24:04,380 --> 00:23:58,780

you're saying with the chemotherapy or

525

00:24:06,480 --> 00:24:04,390

the the drugs yeah so what would you do

526

00:24:08,790 --> 00:24:06,490

if you could cure cancer using bacteria

527

00:24:12,180 --> 00:24:08,800

Faiz which was we were working on in the

528

00:24:14,820 --> 00:24:12,190

early 60s that terrifies me a virus that

529

00:24:16,320 --> 00:24:14,830

can attack and discern a cell that's

530

00:24:18,780 --> 00:24:16,330

different from other cells in your body

531

00:24:20,100 --> 00:24:18,790

because it thinks it's bacteria we've

532

00:24:21,810 --> 00:24:20,110

actually

533

00:24:24,509 --> 00:24:21,820

have bacteria flies that will attack

534

00:24:26,190 --> 00:24:24,519

cancer cells but that is cheap so what

535

00:24:29,610 --> 00:24:26,200

they've done you can look it up

536

00:24:31,529 --> 00:24:29,620

they piggy back chemo nano packets of

537

00:24:34,740 --> 00:24:31,539

chemo on top of these tiny little

538

00:24:37,080 --> 00:24:34,750

viruses and have the new viruses deliver

539

00:24:39,210 --> 00:24:37,090

the chemo to the cancer cells instead of

540

00:24:41,009 --> 00:24:39,220

using the virus itself which is cheap

541

00:24:44,279 --> 00:24:41,019

but then nobody can patent it because

542

00:24:47,880 --> 00:24:44,289

it's that easy to do well that sounds

543

00:24:51,090 --> 00:24:47,890

like the slimy Devils it really does yep

544

00:24:52,830 --> 00:24:51,100

oh it does it does I mean oh it's

545

00:24:54,779 --> 00:24:52,840

disgusting but listen we're coming to

546

00:24:56,549 --> 00:24:54,789

the bottom of the hour break we'll be

547

00:24:57,870 --> 00:24:56,559

right back with you defend we've got a

548

00:24:59,970 --> 00:24:57,880

lot of good stuff to talk about it's

549

00:25:06,360 --> 00:24:59,980

already packed very enlightening we'll

550

00:25:10,230 --> 00:25:06,370

be right back with Heidi and Judith and

551
00:25:11,789 --> 00:25:10,240
uh I guess well I'm not surprised that

552
00:25:15,409 --> 00:25:11,799
they've tried they've tried to subvert

553
00:25:18,299 --> 00:25:15,419
all kinds of sensible and economical

554
00:25:19,769 --> 00:25:18,309
efforts and you know Judith ah I

555
00:25:21,180 --> 00:25:19,779
wouldn't doubt from it I've heard little

556
00:25:23,909 --> 00:25:21,190
glimmers of the fact they could treat

557
00:25:28,740 --> 00:25:23,919
diabetes also expensively I mean I've

558
00:25:32,580 --> 00:25:28,750
heard littles rumors of it so well

559
00:25:33,539 --> 00:25:32,590
frankly we're very advanced we don't

560
00:25:35,340 --> 00:25:33,549
know what they're doing in the

561
00:25:37,919 --> 00:25:35,350
biological labs today if they could

562
00:25:40,500 --> 00:25:37,929
create it as they did a biological

563
00:25:45,210 --> 00:25:40,510

weapon using a fast-acting cancer 50

564

00:25:47,759 --> 00:25:45,220

years ago what do they have now that's

565

00:25:49,500 --> 00:25:47,769

true I really am that's it's just

566

00:25:53,159 --> 00:25:49,510

despicable but you know it fits the

567

00:25:55,470 --> 00:25:53,169

pattern sadly it doesn't you know being

568

00:25:57,990 --> 00:25:55,480

a medical professional myself it's it's

569

00:26:00,090 --> 00:25:58,000

horrible to know that there is something

570

00:26:02,399 --> 00:26:00,100

better out there or there's something

571

00:26:04,950 --> 00:26:02,409

that not that's not available to all my

572

00:26:06,720 --> 00:26:04,960

patients even that we know of today it's

573

00:26:08,549 --> 00:26:06,730

like an you get a certain cancer oh the

574

00:26:10,769 --> 00:26:08,559

insurance won't cover that one that

575

00:26:14,220 --> 00:26:10,779

treatment or something and there's

576

00:26:15,690 --> 00:26:14,230

limitations it's it's sad but there's a

577

00:26:17,430 --> 00:26:15,700

better way than I just hope there's

578

00:26:20,960 --> 00:26:17,440

enough room in hell for all these people

579

00:26:23,730 --> 00:26:20,970

that's all I got to tell you you know

580

00:26:25,289 --> 00:26:23,740

truthfully I would like to have you know

581

00:26:27,180 --> 00:26:25,299

I know I'm conservative in many areas

582

00:26:33,280 --> 00:26:27,190

but not in the health area I'd like to

583

00:26:35,200 --> 00:26:33,290

have national health care they don't

584

00:26:36,700 --> 00:26:35,210

wants you to have this because it's you

585

00:26:38,680 --> 00:26:36,710

see here's what Nixon did a lot of

586

00:26:41,200 --> 00:26:38,690

people don't know in 19 I think the 72

587

00:26:42,370 --> 00:26:41,210

that a bill came before Nixon he said

588

00:26:43,720 --> 00:26:42,380

we're going to push this through even

589

00:26:46,120 --> 00:26:43,730

though it's bad for the country and the

590

00:26:51,250 --> 00:26:46,130

music he was actually reported saying

591

00:26:53,440 --> 00:26:51,260

that because it gave the go-ahead the

592

00:26:56,920 --> 00:26:53,450

green light that the medical professions

593

00:26:58,960 --> 00:26:56,930

could operate for profit hospitals and

594

00:27:01,870 --> 00:26:58,970

for-profit HMOs

595

00:27:04,540 --> 00:27:01,880

which had not been allowed before and

596

00:27:06,130 --> 00:27:04,550

it's destroyed are so many we don't have

597

00:27:08,620 --> 00:27:06,140

inheritances we have people losing their

598

00:27:11,200 --> 00:27:08,630

home we have many bankruptcies because

599

00:27:13,480 --> 00:27:11,210

there is no way and they also have a

600

00:27:15,850 --> 00:27:13,490

bill out there's a law that the

601
00:27:17,530 --> 00:27:15,860
government is not allowed to negotiate

602
00:27:20,410 --> 00:27:17,540
as they are in every other country all

603
00:27:23,680 --> 00:27:20,420
yours you put any kind of you know any

604
00:27:25,360 --> 00:27:23,690
kind of limit to how much I I can buy my

605
00:27:29,200 --> 00:27:25,370
thyroid pills that it's the only

606
00:27:31,990 --> 00:27:29,210
medication I take thyroid medication it

607
00:27:34,480 --> 00:27:32,000
cost one set piece without insurance

608
00:27:37,360 --> 00:27:34,490
because I'm a foreigner overseas here

609
00:27:39,520 --> 00:27:37,370
with the coverage that I could only get

610
00:27:42,580 --> 00:27:39,530
because you have to be in country eight

611
00:27:46,810 --> 00:27:42,590
eight months before at least I do to

612
00:27:50,500 --> 00:27:46,820
have Medicaid chip in cost me a dollar a

613
00:27:52,300 --> 00:27:50,510

pill that's 100 times more I saw

614

00:27:58,390 --> 00:27:52,310

something I saw something like that

615

00:27:59,920 --> 00:27:58,400

recently I living overseas I might talk

616

00:28:02,110 --> 00:27:59,930

to my friend George and maybe I

617

00:28:04,660 --> 00:28:02,120

mentioned this before in an interview

618

00:28:06,790 --> 00:28:04,670

but George had a cancer operation he had

619

00:28:08,590 --> 00:28:06,800

was in the hospital six weeks they had

620

00:28:10,480 --> 00:28:08,600

to open him up take part of this insides

621

00:28:13,090 --> 00:28:10,490

out they gave him chemo they gave him

622

00:28:14,710 --> 00:28:13,100

radiation he had he had a self pump

623

00:28:16,480 --> 00:28:14,720

where he he didn't have to beg for

624

00:28:18,460 --> 00:28:16,490

medication he pumps himself when you

625

00:28:21,010 --> 00:28:18,470

know how much when he needed it for pain

626

00:28:23,170 --> 00:28:21,020

and what happened I asked how much they

627

00:28:29,760 --> 00:28:23,180

cost you George he said a dollar 25 a

628

00:28:37,600 --> 00:28:33,130

can't afford I mean pretty medical care

629

00:28:40,210 --> 00:28:37,610

they pre-colored is five weeks well it's

630

00:28:42,340 --> 00:28:40,220

like you don't fix this

631

00:28:44,320 --> 00:28:42,350

it's so ridiculous over here in this

632

00:28:46,780 --> 00:28:44,330

country when that's the one sticking

633

00:28:46,899 --> 00:28:46,790

point for me when it comes to those that

634

00:28:55,539 --> 00:28:46,909

are

635

00:28:57,279 --> 00:28:55,549

money people laying out in the street

636

00:29:04,359 --> 00:28:57,289

and step over them because that's what

637

00:29:06,479 --> 00:29:04,369

you're doing it's it's they've got I've

638

00:29:10,359 --> 00:29:06,489

got medical they've got medical tourism

639

00:29:13,119 --> 00:29:10,369

where my business partner about oh six

640

00:29:15,639 --> 00:29:13,129

or seven years ago he had a six way open

641

00:29:17,649 --> 00:29:15,649

heart bypass II thing anyway it was like

642

00:29:20,049 --> 00:29:17,659

a hundred eighty thousand you know for

643

00:29:22,379 --> 00:29:20,059

the insurance and all that but people

644

00:29:25,389 --> 00:29:22,389

can get that same operation in India

645

00:29:28,479 --> 00:29:25,399

from some surgeons that did their

646

00:29:30,729 --> 00:29:28,489

internship at Massachusetts General for

647

00:29:33,879 --> 00:29:30,739

ten thousand dollars

648

00:29:38,070 --> 00:29:33,889

yep same thing if they were in Sweden or

649

00:29:40,749 --> 00:29:38,080

Norway it'd be free right yeah exactly

650

00:29:43,629 --> 00:29:40,759

I'm willing to give up our library

651
00:29:45,789 --> 00:29:43,639
system in order to have free health care

652
00:29:47,739 --> 00:29:45,799
you know everybody say oh it's socialism

653
00:29:50,320 --> 00:29:47,749
I'm like well so are the police so we're

654
00:29:52,419 --> 00:29:50,330
the firemen so the libraries what are we

655
00:29:54,369 --> 00:29:52,429
saying here you know I think we could do

656
00:29:59,320 --> 00:29:54,379
without the libraries so we can make

657
00:30:00,999 --> 00:29:59,330
sure we're social is over in Sweden

658
00:30:03,359 --> 00:30:01,009
they're having elections coming up I

659
00:30:05,710 --> 00:30:03,369
mean they have like five to ten

660
00:30:08,229 --> 00:30:05,720
political parties everybody gets to vote

661
00:30:09,969 --> 00:30:08,239
and have their own voice and we have to

662
00:30:11,229 --> 00:30:09,979
in they're all buddies at the bottom you

663
00:30:14,950 --> 00:30:11,239

know they're shaking hands with you

664

00:30:17,589 --> 00:30:14,960

behind the seat oh I'm sure that every

665

00:30:19,629 --> 00:30:17,599

member of Congress has a bagman come

666

00:30:22,629 --> 00:30:19,639

through from the drug industry you know

667

00:30:24,129 --> 00:30:22,639

here's your sack congressman do us right

668

00:30:29,430 --> 00:30:24,139

or something and then leaves and that

669

00:30:34,419 --> 00:30:32,560

Lyndon Johnson Kennedy's body was still

670

00:30:36,159 --> 00:30:34,429

warm when he called his stockbroker and

671

00:30:38,739 --> 00:30:36,169

said you have to sell ladybirds

672

00:30:40,060 --> 00:30:38,749

he called it damned Halliburton stock so

673

00:30:41,409 --> 00:30:40,070

they sold it to a friend and of course

674

00:30:42,789 --> 00:30:41,419

after Halliburton made their billions

675

00:30:48,820 --> 00:30:42,799

they got their money back when you

676

00:30:51,219 --> 00:30:48,830

retired make millions didn't uh didn't

677

00:30:53,019 --> 00:30:51,229

LBJ make some comments he was mistress

678

00:30:54,909 --> 00:30:53,029

that we won't have that Irishman to

679

00:30:55,869 --> 00:30:54,919

worry about anymore pretty soon or

680

00:30:58,269 --> 00:30:55,879

something to that effect

681

00:31:00,760 --> 00:30:58,279

oh yeah discounted what she said because

682

00:31:02,680 --> 00:31:00,770

they said look we saw LBJ

683

00:31:05,440 --> 00:31:02,690

you know briefly as he was going through

684

00:31:07,360 --> 00:31:05,450

this you know there crowd there and he

685

00:31:08,410 --> 00:31:07,370

could have possibly been there but then

686

00:31:10,780 --> 00:31:08,420

you find out that there was a

687

00:31:15,100 --> 00:31:10,790

doppelganger a cousin of his all right

688

00:31:18,100 --> 00:31:15,110

who was in the area and this man was

689

00:31:20,590 --> 00:31:18,110

later killed by a man named Liggett and

690

00:31:23,020 --> 00:31:20,600

later Liggett tried to kill and was

691

00:31:24,190 --> 00:31:23,030

caught trying to kill Mrs. Liggett he

692

00:31:27,130 --> 00:31:24,200

hit her with a hammer and everything

693

00:31:30,460 --> 00:31:27,140

else if these were witnesses these were

694

00:31:32,680 --> 00:31:30,470

witnesses that this this doppelganger

695

00:31:35,200 --> 00:31:32,690

this cousin of LBJ's looked just like

696

00:31:37,330 --> 00:31:35,210

him he was in the movies with play LBJ

697

00:31:41,170 --> 00:31:37,340

he was murdered after the Kennedy

698

00:31:43,120 --> 00:31:41,180

assassination so he could be two places

699

00:31:44,710 --> 00:31:43,130

at once and people would realize it just

700

00:31:49,060 --> 00:31:44,720

see him pass through the crowd you know

701
00:31:52,330 --> 00:31:49,070
so he has covered that man knew what was

702
00:31:56,230 --> 00:31:52,340
going to happen as you see him in the

703
00:31:58,990 --> 00:31:56,240
entered Dealey Plaza you there are it's

704
00:32:00,970 --> 00:31:59,000
amazing that he is a great big man

705
00:32:04,390 --> 00:32:00,980
sitting next to this little lady bird

706
00:32:06,340 --> 00:32:04,400
okay when they're waving their arms

707
00:32:07,780 --> 00:32:06,350
before getting to Dealey Plaza he's a

708
00:32:09,640 --> 00:32:07,790
great big fella sitting up you can't

709
00:32:11,830 --> 00:32:09,650
even see him in Dealey Plaza

710
00:32:15,040 --> 00:32:11,840
he has gotten down he said well I was

711
00:32:17,530 --> 00:32:15,050
listening to my you know I I haven't had

712
00:32:19,120 --> 00:32:17,540
a walkie-talkie I was listening you know

713
00:32:21,580 --> 00:32:19,130

he's going to all of a sudden listen to

714

00:32:25,270 --> 00:32:21,590

his walkie-talkie and of course over the

715

00:32:25,830 --> 00:32:25,280

police radios came did this die you know

716

00:32:30,880 --> 00:32:25,840

what that is

717

00:32:39,130 --> 00:32:30,890

no that's cuz that's the Morse code for

718

00:32:43,090 --> 00:32:39,140

victory oh wow that is well many people

719

00:32:45,970 --> 00:32:43,100

said look I heard the shot they heard

720

00:32:48,880 --> 00:32:45,980

bang bang bang you cannot do that with

721

00:32:51,630 --> 00:32:48,890

it that credit rifle that you have to

722

00:32:54,610 --> 00:32:51,640

handle is cumbersome very cumbersome you

723

00:32:56,620 --> 00:32:54,620

know I actually believe it it's kind of

724

00:33:00,370 --> 00:32:56,630

weird maybe I guess it's kind of sicko

725

00:33:02,530 --> 00:33:00,380

but I you know I live in that general

726

00:33:07,840 --> 00:33:02,540

area I mean I live on the Dallas side

727

00:33:12,160 --> 00:33:07,850

but I visited Dealey Plaza on a errand a

728

00:33:13,919 --> 00:33:12,170

few years back and I guess I was amazed

729

00:33:18,960 --> 00:33:13,929

Judith about how small and

730

00:33:20,850 --> 00:33:18,970

really was I mean yeah it really was

731

00:33:22,859 --> 00:33:20,860

but here's why I was gonna say what's

732

00:33:25,080 --> 00:33:22,869

kind of sicko is that all the sudden

733

00:33:28,049 --> 00:33:25,090

there's around this kind of a macabre

734

00:33:31,109 --> 00:33:28,059

scene or site there's all these luxury

735

00:33:33,330 --> 00:33:31,119

condominiums around it I mean like it's

736

00:33:38,489 --> 00:33:33,340

up uptown place to live it's just kind

737

00:33:41,039 --> 00:33:38,499

of weird but it's knows where Dealey

738

00:33:43,560 --> 00:33:41,049

Plaza is and they will not rename it

739

00:33:45,840 --> 00:33:43,570

like Kennedy Plaza or anything they will

740

00:33:48,720 --> 00:33:45,850

not put a statue up there they have a

741

00:33:50,430 --> 00:33:48,730

large kind of a funny built you know if

742

00:33:52,019 --> 00:33:50,440

the building looks like it's that you

743

00:33:54,149 --> 00:33:52,029

can enter in sight and there's only a

744

00:33:56,940 --> 00:33:54,159

black slab it's like a coffin that they

745

00:33:59,700 --> 00:33:56,950

put in there there's not one not what

746

00:34:02,190 --> 00:33:59,710

not even Ali named for Kennedy in Dallas

747

00:34:03,570 --> 00:34:02,200

not even an ally that's true that's true

748

00:34:07,830 --> 00:34:03,580

I've never seen anything named after

749

00:34:10,889 --> 00:34:07,840

Kennedy was amazing you know I have to

750

00:34:12,899 --> 00:34:10,899

tell you Judith I and this might be of

751

00:34:16,169 --> 00:34:12,909

interest free to know that last week

752

00:34:19,349 --> 00:34:16,179

Friday I had a gentleman on John Goodwin

753

00:34:23,010 --> 00:34:19,359

that was speaking of our good friend Jim

754

00:34:25,589 --> 00:34:23,020

Marrs as last writings and we gave his

755

00:34:28,710 --> 00:34:25,599

last writings away here on inception

756

00:34:31,200 --> 00:34:28,720

radio and unfortunately we lost our dear

757

00:34:33,539 --> 00:34:31,210

friend and and you know when I contacted

758

00:34:35,760 --> 00:34:33,549

you Judith on Facebook I honestly

759

00:34:37,349 --> 00:34:35,770

thought that you knew and and it was

760

00:34:39,059 --> 00:34:37,359

just such a shock to be the one to tell

761

00:34:42,690 --> 00:34:39,069

you that Jim Marrs had passed that was

762

00:34:44,460 --> 00:34:42,700

heartbreaking what a cool guy was he

763

00:34:46,139 --> 00:34:44,470

actually sent me an email just a couple

764

00:34:47,879 --> 00:34:46,149

days earlier you know he's suddenly he

765

00:34:51,119 --> 00:34:47,889

passed and they said a heart attack but

766

00:34:53,520 --> 00:34:51,129

actually knowing my medicine I believe

767

00:34:56,010 --> 00:34:53,530

what happened really he was on dialysis

768

00:34:58,020 --> 00:34:56,020

at home there and you just can't tub

769

00:35:00,990 --> 00:34:58,030

they're really not that good in this

770

00:35:03,210 --> 00:35:01,000

country and I mean basically that that's

771

00:35:05,609 --> 00:35:03,220

the end you can't get good home care

772

00:35:07,589 --> 00:35:05,619

with dialysis at home not unless you're

773

00:35:13,650 --> 00:35:07,599

a millionaire you know Jim had a cute

774

00:35:16,109 --> 00:35:13,660

little ranch ranch yet and this is oh it

775

00:35:18,420 --> 00:35:16,119

breaks my heart because this man was the

776
00:35:20,910 --> 00:35:18,430
first researcher to take me seriously in

777
00:35:23,700 --> 00:35:20,920
1999 right and we're in this restaurant

778
00:35:26,099 --> 00:35:23,710
I didn't want anybody to you know I

779
00:35:28,050 --> 00:35:26,109
didn't know him from Adam I didn't do

780
00:35:30,240 --> 00:35:28,060
any research on who

781
00:35:32,160 --> 00:35:30,250
I didn't know who this man was all right

782
00:35:34,170 --> 00:35:32,170
when I told him that Lee had an

783
00:35:36,270 --> 00:35:34,180
important agenda the board team he sat

784
00:35:37,980 --> 00:35:36,280
up straight he said what he said nobody

785
00:35:40,560 --> 00:35:37,990
knows about the abort team he himself

786
00:35:42,270 --> 00:35:40,570
had only found out recently and then he

787
00:35:44,370 --> 00:35:42,280
named a bunch of names and I said stop

788
00:35:45,900 --> 00:35:44,380

that's the name he said that's the name

789

00:35:47,700 --> 00:35:45,910

he said he mixed him up with all these

790

00:35:48,120 --> 00:35:47,710

other names to see if I would know that

791

00:35:50,580 --> 00:35:48,130

name

792

00:35:53,580 --> 00:35:50,590

Robert Tosh Plumlee Plumlee came out

793

00:35:56,460 --> 00:35:53,590

2014 stood at least grave and gave Lee a

794

00:36:00,600 --> 00:35:56,470

military salute that's on record we

795

00:36:03,900 --> 00:36:00,610

posted it amazing so when I went out who

796

00:36:07,320 --> 00:36:03,910

is this plot this lovely guy who's this

797

00:36:10,740 --> 00:36:07,330

guy Robert Lumley you saying Robert Tosh

798

00:36:13,680 --> 00:36:10,750

only CIA contract pilot he was actually

799

00:36:15,360 --> 00:36:13,690

all has gone and testified before

800

00:36:19,080 --> 00:36:15,370

Congress just a couple years ago about

801
00:36:21,360 --> 00:36:19,090
CIA you know hauling in tons of cocaine

802
00:36:25,800 --> 00:36:21,370
you know it's all about that it's like

803
00:36:29,430 --> 00:36:25,810
very feel right right well I don't know

804
00:36:32,130 --> 00:36:29,440
the whole files that have come out and

805
00:36:35,490 --> 00:36:32,140
so the book mainly you know you've got

806
00:36:37,260 --> 00:36:35,500
all this stuff for example about oh I

807
00:36:39,300 --> 00:36:37,270
could I could go on and on about the

808
00:36:41,100 --> 00:36:39,310
various files but one it really irks me

809
00:36:43,380 --> 00:36:41,110
that that has come out it's the one that

810
00:36:45,570 --> 00:36:43,390
says that Lee Oswald was colluding with

811
00:36:47,720 --> 00:36:45,580
the Russians because he went to the

812
00:36:52,560 --> 00:36:47,730
Soviet embassy and talked to Kosta cop

813
00:36:55,260 --> 00:36:52,570

well ya know get this if you went there

814

00:36:57,150 --> 00:36:55,270

or I went there anybody to get a visa to

815

00:36:59,820 --> 00:36:57,160

go to this day you have to go to an

816

00:37:02,280 --> 00:36:59,830

embassy or have a friend in the USSR in

817

00:37:04,170 --> 00:37:02,290

order to get a visa so he chose in there

818

00:37:06,300 --> 00:37:04,180

he has to fill out forms talk to

819

00:37:09,600 --> 00:37:06,310

somebody then he has to have an

820

00:37:12,420 --> 00:37:09,610

interview the only person that you could

821

00:37:14,310 --> 00:37:12,430

get to interview you with the Acosta

822

00:37:16,500 --> 00:37:14,320

cost so if you went there you would have

823

00:37:19,200 --> 00:37:16,510

to be interviewed by him if I went there

824

00:37:21,510 --> 00:37:19,210

so Lee Osman Gazi said look he was

825

00:37:24,510 --> 00:37:21,520

talking to cops to come who was a KGB

826

00:37:25,980 --> 00:37:24,520

assassin he was colluding with the

827

00:37:27,810 --> 00:37:25,990

Russians he was colluding with the

828

00:37:29,400 --> 00:37:27,820

Cubans and when they didn't go along

829

00:37:31,560 --> 00:37:29,410

with everything he went ahead and killed

830

00:37:36,810 --> 00:37:31,570

Kennedy anyway that's what they're

831

00:37:40,260 --> 00:37:36,820

pushing now okay how's that okay yeah

832

00:37:41,190 --> 00:37:40,270

yeah when in reality all he did was just

833

00:37:44,099 --> 00:37:41,200

the normal

834

00:37:47,060 --> 00:37:44,109

yeah it was just a normal process you

835

00:37:50,339 --> 00:37:47,070

know he was trying to bring that

836

00:37:52,440 --> 00:37:50,349

biological weapon into Cuba when the

837

00:37:54,210 --> 00:37:52,450

contact did not show up this is why he

838

00:37:55,770 --> 00:37:54,220

went to the you know he went to a twist

839

00:37:58,410 --> 00:37:55,780

party he started talking to all these

840

00:38:00,240 --> 00:37:58,420

people there were medical students and

841

00:38:02,490 --> 00:38:00,250

so on he's trying to find the contact

842

00:38:05,069 --> 00:38:02,500

maybe that he was afraid or chickened

843

00:38:07,650 --> 00:38:05,079

out anyway eventually he goes himself

844

00:38:10,560 --> 00:38:07,660

anybody who says he planned to go to

845

00:38:12,920 --> 00:38:10,570

Cuba okay that he was trying to get in

846

00:38:15,510 --> 00:38:12,930

actually this was a last-minute effort

847

00:38:17,010 --> 00:38:15,520

and we know this because they said wait

848

00:38:19,470 --> 00:38:17,020

a minute you can't make this application

849

00:38:23,370 --> 00:38:19,480

without passport photos he had to go and

850

00:38:25,890 --> 00:38:23,380

get them he wasn't prepared you know to

851

00:38:28,650 --> 00:38:25,900

fill out passport to put passport photos

852

00:38:30,089 --> 00:38:28,660

in there so he had to go in and spend a

853

00:38:32,190 --> 00:38:30,099

day getting his photographs and all that

854

00:38:33,780 --> 00:38:32,200

now if he had really intended he was

855

00:38:35,099 --> 00:38:33,790

done at first because that man traveled

856

00:38:36,569 --> 00:38:35,109

all over the world he was at the

857

00:38:41,310 --> 00:38:36,579

Philippi he was everywhere where you had

858

00:38:43,230 --> 00:38:41,320

to have passport photos so he there's so

859

00:38:45,000 --> 00:38:43,240

much going on it shows that they're just

860

00:38:47,640 --> 00:38:45,010

trying to make it look like why did he

861

00:38:49,290 --> 00:38:47,650

go through Cuba he wanted to get what's

862

00:38:51,329 --> 00:38:49,300

called a transit visa because if he

863

00:38:53,970 --> 00:38:51,339

stayed in Cuba and handed off something

864

00:38:55,440 --> 00:38:53,980

we killed Casserly he's dead meat so of

865

00:38:57,660 --> 00:38:55,450

course he's going to get a transit visa

866

00:38:59,809 --> 00:38:57,670

which means like oh I want to see Cuba

867

00:39:02,760 --> 00:38:59,819

and then I'm going to go on to the USSR

868

00:39:04,290 --> 00:39:02,770

well as as you leave Cuba you can take

869

00:39:06,359 --> 00:39:04,300

any plane you want he could have gone to

870

00:39:08,099 --> 00:39:06,369

the USSR it looked good for the

871

00:39:10,050 --> 00:39:08,109

application to go to a communist country

872

00:39:12,839 --> 00:39:10,060

but it probably was kind of stick go

873

00:39:15,660 --> 00:39:12,849

right back to Mexico City that's where

874

00:39:17,280 --> 00:39:15,670

we intended to meet so they they don't

875

00:39:19,440 --> 00:39:17,290

know what his intentions were and they

876

00:39:21,450 --> 00:39:19,450

tried to make it look like that he was

877

00:39:29,099 --> 00:39:21,460

colluding with with the Cubans and the

878

00:39:31,050 --> 00:39:29,109

Russians and it's all baloney so so how

879

00:39:33,800 --> 00:39:31,060

did you come to meet the Oswald to begin

880

00:39:36,859 --> 00:39:33,810

with I mean how did you come across it

881

00:39:41,069 --> 00:39:36,869

immediately yes

882

00:39:42,510 --> 00:39:41,079

well when I invented a new way to get

883

00:39:46,530 --> 00:39:42,520

magnesium out of seawater which I told

884

00:39:48,270 --> 00:39:46,540

you about I think we then I was at the

885

00:39:50,550 --> 00:39:48,280

International Science Fair meant Wernher

886

00:39:53,670 --> 00:39:50,560

von Braun and all kinds of CIA and

887

00:39:55,560 --> 00:39:53,680

military people and they directed me to

888

00:39:58,110 --> 00:39:55,570

Walter Reed

889

00:40:01,500 --> 00:39:58,120

you can see that I have a letter from

890

00:40:04,590 --> 00:40:01,510

dr. Jeff colbus saying that I'm sending

891

00:40:06,090 --> 00:40:04,600

all these this material all these exotic

892

00:40:07,770 --> 00:40:06,100

chemicals to work with because you're

893

00:40:10,830 --> 00:40:07,780

doing the same things that we're doing I

894

00:40:14,190 --> 00:40:10,840

was working with with a icing down port

895

00:40:17,370 --> 00:40:14,200

mice because any time it tumors kept

896

00:40:21,120 --> 00:40:17,380

cold it can't multiply so I was looking

897

00:40:22,710 --> 00:40:21,130

at all hyperthermia at that time so I've

898

00:40:24,180 --> 00:40:22,720

got those records showing I was in

899

00:40:27,690 --> 00:40:24,190

contact with Walter Reed I was in

900

00:40:29,850 --> 00:40:27,700

contact with Oak Ridge and then in the

901
00:40:32,550 --> 00:40:29,860
end I am in contact with two Nobel Prize

902
00:40:34,620 --> 00:40:32,560
winners and three of the most important

903
00:40:36,630 --> 00:40:34,630
doctors in oncology that is cancer that

904
00:40:38,760 --> 00:40:36,640
we're in the United States at the time

905
00:40:40,530 --> 00:40:38,770
doc that was dr. Harold deal the vice

906
00:40:43,020 --> 00:40:40,540
president of American Cancer Society in

907
00:40:45,960 --> 00:40:43,030
charge of all the research dr. Moore

908
00:40:47,760 --> 00:40:45,970
George Moore of Roswell Park and all

909
00:40:48,150 --> 00:40:47,770
three of them were working together with

910
00:40:49,770 --> 00:40:48,160
dr.

911
00:40:53,490 --> 00:40:49,780
ochsner and they were going places and

912
00:40:55,020 --> 00:40:53,500
saying look smoking is so dangerous it

913
00:40:56,520 --> 00:40:55,030

can cause cancer and people were not

914

00:40:59,850 --> 00:40:56,530

listening but they went testified

915

00:41:01,920 --> 00:40:59,860

together now here I gave cancer two mice

916

00:41:03,750 --> 00:41:01,930

in only seven days with cigarette

917

00:41:06,570 --> 00:41:03,760

products you can imagine how interested

918

00:41:09,570 --> 00:41:06,580

they were in sponsoring me you know and

919

00:41:13,200 --> 00:41:09,580

so it doesn't the new state I was asked

920

00:41:16,470 --> 00:41:13,210

to try and make cancer more deadly and I

921

00:41:18,480 --> 00:41:16,480

fell for it I thought oh they say if we

922

00:41:20,730 --> 00:41:18,490

find out what makes cancer grow faster

923

00:41:23,820 --> 00:41:20,740

and more vigorously that that means that

924

00:41:26,520 --> 00:41:23,830

we'll find a way to kill it but no they

925

00:41:28,470 --> 00:41:26,530

were interested in killing Castro with

926
00:41:32,640 --> 00:41:28,480
it oh really

927
00:41:33,960 --> 00:41:32,650
so I joined a team a big team but they

928
00:41:37,380 --> 00:41:33,970
didn't know each other they kept this

929
00:41:40,140 --> 00:41:37,390
compartmentalized right and this is 50

930
00:41:42,900 --> 00:41:40,150
years ago so like if there's someone on

931
00:41:44,810 --> 00:41:42,910
their list that they want to do away

932
00:41:48,420 --> 00:41:44,820
with they could do that quite easily

933
00:41:50,280 --> 00:41:48,430
well here is the clue my friend you look

934
00:41:53,220 --> 00:41:50,290
at the signs outside the pharmacies and

935
00:41:55,470 --> 00:41:53,230
outside supermarkets free flu shot I

936
00:41:58,530 --> 00:41:55,480
have never taken a flu shot I know

937
00:42:03,470 --> 00:41:58,540
better although I've never - and I by

938
00:42:07,010 --> 00:42:06,360

real quick last year because I'm a

939

00:42:08,930 --> 00:42:07,020

medical

940

00:42:12,830 --> 00:42:08,940

you know they forced that on you to have

941

00:42:15,710 --> 00:42:12,840

to take a flu shot I shot I took it last

942

00:42:19,340 --> 00:42:15,720

year do you know I got the flu twice and

943

00:42:22,520 --> 00:42:19,350

I was sick five weeks with the with the

944

00:42:28,700 --> 00:42:22,530

with a flu temperature I got stuck in

945

00:42:30,470 --> 00:42:28,710

the hospital even from it your your

946

00:42:33,740 --> 00:42:30,480

professional so I would know what's

947

00:42:35,780 --> 00:42:33,750

going on is by creating these vaccines

948

00:42:38,240 --> 00:42:35,790

we create antibodies and some of these

949

00:42:40,220 --> 00:42:38,250

some of these viruses survive well and

950

00:42:41,990 --> 00:42:40,230

then they are forced to mutate okay to

951
00:42:43,730 --> 00:42:42,000
get more advanced they become more

952
00:42:46,400 --> 00:42:43,740
deadly because you're attacking them

953
00:42:47,810 --> 00:42:46,410
with these inefficient and then even now

954
00:42:50,960 --> 00:42:47,820
the flu shot they say that they're using

955
00:42:53,810 --> 00:42:50,970
today is 42 percent effective all right

956
00:42:56,600 --> 00:42:53,820
so we're forcing these slowed viruses

957
00:42:58,990 --> 00:42:56,610
instead of dying out to mutate to become

958
00:43:02,150 --> 00:42:59,000
even more powerful okay to survive

959
00:43:03,410 --> 00:43:02,160
that's what's going on and so it's

960
00:43:09,560 --> 00:43:03,420
becoming more and more deadly right

961
00:43:10,880 --> 00:43:09,570
under your eyes my brother he's now my

962
00:43:13,609 --> 00:43:10,890
brother's deceased now but he was a

963
00:43:16,400 --> 00:43:13,619

microbiologist for the CDC and he told

964

00:43:18,080 --> 00:43:16,410

me 25 years ago though he told me 25

965

00:43:22,490 --> 00:43:18,090

years ago didn't even get close to a flu

966

00:43:24,740 --> 00:43:22,500

vaccine it's a joke he told me that it

967

00:43:26,480 --> 00:43:24,750

clogs up your immune system we care you

968

00:43:28,550 --> 00:43:26,490

know we carry antibodies around with

969

00:43:30,410 --> 00:43:28,560

this one of the most disgusting thing

970

00:43:32,060 --> 00:43:30,420

that's going on is that you have a

971

00:43:33,590 --> 00:43:32,070

babies that are born with their mothers

972

00:43:35,810 --> 00:43:33,600

antibodies and if they're nursing their

973

00:43:38,540 --> 00:43:35,820

mothers they're all safe they what their

974

00:43:40,760 --> 00:43:38,550

veterinarians will not give puppies the

975

00:43:42,349 --> 00:43:40,770

vaccinations that we give to our babies

976
00:43:43,760 --> 00:43:42,359
because they test the blood and if there

977
00:43:45,410 --> 00:43:43,770
are antibodies from the mother's milk

978
00:43:47,210 --> 00:43:45,420
they won't do it because it can cause

979
00:43:49,970 --> 00:43:47,220
brain damage to the puppies but they do

980
00:43:53,060 --> 00:43:49,980
that to our kids our babies with all

981
00:43:54,680 --> 00:43:53,070
sorts of vaccines while they still have

982
00:43:58,630 --> 00:43:54,690
their mothers antibodies in them and

983
00:44:01,670 --> 00:43:58,640
then we have this it's an absolute

984
00:44:06,380 --> 00:44:01,680
pandemic of autism going on at the end

985
00:44:09,440 --> 00:44:06,390
oh yes I've heard that's just only 11 to

986
00:44:13,250 --> 00:44:09,450
13 vaccines are required in Scandinavia

987
00:44:16,220 --> 00:44:13,260
and their rate of autism is so low

988
00:44:20,300 --> 00:44:16,230

compared to ours it's ludicrous we want

989

00:44:20,690 --> 00:44:20,310

46 to 50 vaccines for our children why

990

00:44:25,160 --> 00:44:20,700

are the

991

00:44:30,620 --> 00:44:25,170

the thing a lot of money they make tons

992

00:44:32,240 --> 00:44:30,630

of money off of this yeah I mean when

993

00:44:34,339 --> 00:44:32,250

we're talking about like birth control

994

00:44:35,839 --> 00:44:34,349

pills you know they're made in machines

995

00:44:38,569 --> 00:44:35,849

that look like washing machines that's

996

00:44:40,339 --> 00:44:38,579

how they make them in huge batches by

997

00:44:43,010 --> 00:44:40,349

the way these birth control pills this

998

00:44:45,460 --> 00:44:43,020

is a big problem in that it's found an

999

00:44:50,630 --> 00:44:45,470

illness in the water system it is

1000

00:44:52,819 --> 00:44:50,640

emasculating our male population they

1001
00:44:54,349 --> 00:44:52,829
find all kinds of Polliwogs for example

1002
00:44:56,050 --> 00:44:54,359
that used to turn into boys and girls

1003
00:45:11,990 --> 00:44:56,060
and they're all turning into girls

1004
00:45:14,990 --> 00:45:12,000
that's there in the water in America has

1005
00:45:20,359 --> 00:45:15,000
gotten weaker over time it's true it's

1006
00:45:22,700 --> 00:45:20,369
well proven the hand strength of men has

1007
00:45:24,710 --> 00:45:22,710
gone down 50% in the last 20 years I've

1008
00:45:27,770 --> 00:45:24,720
got this on good authority I've read it

1009
00:45:29,270 --> 00:45:27,780
from respectable source and I could tell

1010
00:45:31,849 --> 00:45:29,280
it without reading it from a respectable

1011
00:45:36,710 --> 00:45:31,859
source cuz I'm fairly old Buzzard but I

1012
00:45:38,930 --> 00:45:36,720
am kind of men are growing beards the

1013
00:45:44,750 --> 00:45:38,940

men who are still men are interested in

1014

00:45:47,210 --> 00:45:44,760

looking like men anyway but there's

1015

00:45:49,130 --> 00:45:47,220

something very it's it's so criminal did

1016

00:45:52,430 --> 00:45:49,140

it makes you want to just go outside and

1017

00:45:54,609 --> 00:45:52,440

throw up it really does can we do here's

1018

00:45:57,589 --> 00:45:54,619

the thing people are feeling helpless

1019

00:45:59,630 --> 00:45:57,599

now if we can spread the word and I ask

1020

00:46:01,520 --> 00:45:59,640

people please buy the book manly as you

1021

00:46:04,130 --> 00:46:01,530

do that all that money goes to get more

1022

00:46:06,380 --> 00:46:04,140

copies made of me and Lee and as people

1023

00:46:09,290 --> 00:46:06,390

read the truth especially when I was a

1024

00:46:10,849 --> 00:46:09,300

new book Kennedy and Oswald the big

1025

00:46:13,579 --> 00:46:10,859

picture we're bringing in the forces

1026
00:46:17,690 --> 00:46:13,589
behind the scenes who made sure that

1027
00:46:21,559 --> 00:46:17,700
Kennedy would die that day and I just

1028
00:46:23,180 --> 00:46:21,569
had heartbreak actually having to write

1029
00:46:25,490 --> 00:46:23,190
some of that material I'm so glad that

1030
00:46:27,920 --> 00:46:25,500
ed Schwartz was there to help you know

1031
00:46:30,230 --> 00:46:27,930
thank goodness Kennedy made so many

1032
00:46:33,440 --> 00:46:30,240
enemies I mean my god he had the federal

1033
00:46:35,210 --> 00:46:33,450
reserve he's gonna gun them down and uh

1034
00:46:39,049 --> 00:46:35,220
what was it or the Texas oil

1035
00:46:42,020 --> 00:46:39,059
millionaires yes that new new file that

1036
00:46:44,900 --> 00:46:42,030
has come out it's amazing you know that

1037
00:46:47,299 --> 00:46:44,910
General Charles Cabell with CIA Kennedy

1038
00:46:50,059 --> 00:46:47,309

humiliated him and his family by firing

1039

00:46:53,210 --> 00:46:50,069

him destroyed his career his brother is

1040

00:46:55,930 --> 00:46:53,220

Earl was Earl Cabell of Mayor Dallas

1041

00:46:58,640 --> 00:46:55,940

where Kennedy was shot but now this new

1042

00:47:02,630 --> 00:46:58,650

file came out showing that earl campbell

1043

00:47:06,620 --> 00:47:02,640

just like his brother with CIA oh really

1044

00:47:07,640 --> 00:47:06,630

oh yeah then media is not talking about

1045

00:47:13,010 --> 00:47:07,650

that they talk about

1046

00:47:14,990 --> 00:47:13,020

oh he met with Kosta cause you know what

1047

00:47:16,760 --> 00:47:15,000

I wonder what wonder what documents they

1048

00:47:18,950 --> 00:47:16,770

didn't want to or why they put the

1049

00:47:20,870 --> 00:47:18,960

freeze on releasing some de zaak just

1050

00:47:25,280 --> 00:47:20,880

gonna ask that and why were some of

1051

00:47:27,140 --> 00:47:25,290

these papers not allowing out well in

1052

00:47:28,579 --> 00:47:27,150

some cases it's kind of embarrassing you

1053

00:47:32,480 --> 00:47:28,589

know you had what's called the custom

1054

00:47:35,150 --> 00:47:32,490

captain's about memo in that it said we

1055

00:47:37,970 --> 00:47:35,160

have to do something to convince the

1056

00:47:40,460 --> 00:47:37,980

public that Lee Harvey Oswald killed who

1057

00:47:41,210 --> 00:47:40,470

was alone you know as a lone nut killed

1058

00:47:45,049 --> 00:47:41,220

Kennedy

1059

00:47:47,480 --> 00:47:45,059

what no we find out that the captain

1060

00:47:49,280 --> 00:47:47,490

Bach memo wasn't just kassenbach talk

1061

00:47:50,809 --> 00:47:49,290

you know writing it it turns out that

1062

00:47:53,329 --> 00:47:50,819

they put his name on it

1063

00:47:56,329 --> 00:47:53,339

the real memo it turns out it came from

1064

00:47:58,130 --> 00:47:56,339

Hoover himself saying that so they

1065

00:47:59,960 --> 00:47:58,140

wanted to keep that secret you know this

1066

00:48:03,039 --> 00:47:59,970

that Hoover's the one thing we have to

1067

00:48:05,539 --> 00:48:03,049

convince the public that Oswald did it

1068

00:48:08,420 --> 00:48:05,549

the Oh Hoover was a miserable slimy

1069

00:48:13,250 --> 00:48:08,430

little worm himself we do that back then

1070

00:48:17,210 --> 00:48:13,260

we call them Mrs. Hoover yeah best thing

1071

00:48:19,520 --> 00:48:17,220

going but but no it's it's it's so

1072

00:48:20,660 --> 00:48:19,530

disgusting and you know I mean I know

1073

00:48:24,109 --> 00:48:20,670

where there's a lot more talking about

1074

00:48:26,089 --> 00:48:24,119

Lee but I'm also of the opinion crime

1075

00:48:27,859 --> 00:48:26,099

might as you know well versed on it as I

1076

00:48:30,710 --> 00:48:27,869

should be but there's been a lot of

1077

00:48:32,539 --> 00:48:30,720

suggestions that the the Robert Kennedy

1078

00:48:40,700 --> 00:48:32,549

assassination was not as it seemed

1079

00:48:43,760 --> 00:48:40,710

either how can you go to the Los Angeles

1080

00:48:46,610 --> 00:48:43,770

Police Department you find out that

1081

00:48:49,660 --> 00:48:46,620

they had destroyed what was it at

1082

00:48:52,280 --> 00:48:49,670

something like 25 or 30 boxes of

1083

00:48:55,220 --> 00:48:52,290

evidence from the Kennedy assassination

1084

00:48:56,870 --> 00:48:55,230

there in California because they said

1085

00:48:58,640 --> 00:48:56,880

they didn't have room for it I put a

1086

00:49:00,170 --> 00:48:58,650

picture of the building the building is

1087

00:49:03,380 --> 00:49:00,180

as big as a hospital they didn't have

1088

00:49:05,000 --> 00:49:03,390

room for those important boxes no oh I

1089

00:49:07,730 --> 00:49:05,010

know it's just the biggest bunch of

1090

00:49:09,260 --> 00:49:07,740

baloney but I mean I don't remember it

1091

00:49:10,880 --> 00:49:09,270

verbatim but I mean there's some studies

1092

00:49:12,950 --> 00:49:10,890

I saw were that supposedly the

1093

00:49:14,300 --> 00:49:12,960

trajectory of the bullet that Sirhan

1094

00:49:16,010 --> 00:49:14,310

Sirhan could have shot would have never

1095

00:49:20,140 --> 00:49:16,020

entered Kennedy in such a manner and

1096

00:49:23,870 --> 00:49:22,190

Robert Kennedy was killed by bullets

1097

00:49:25,340 --> 00:49:23,880

from the back of in the back of his head

1098

00:49:27,020 --> 00:49:25,350

and course their hands from hand with

1099

00:49:28,460 --> 00:49:27,030

the truck that is very strange bullet

1100

00:49:30,800 --> 00:49:28,470

that goes all the way around and gets

1101

00:49:34,520 --> 00:49:30,810

him in the back of the head they don't

1102

00:49:39,550 --> 00:49:34,530

make a belt like that I know yeah yeah

1103

00:49:43,310 --> 00:49:41,750

understood and I think they should if

1104

00:49:45,650 --> 00:49:43,320

you carefully look at what happened

1105

00:49:47,990 --> 00:49:45,660

Edward Kennedy first the poor man was in

1106

00:49:50,360 --> 00:49:48,000

an airline airplane crash it almost

1107

00:49:52,570 --> 00:49:50,370

killed him then he recovers from that

1108

00:49:57,560 --> 00:49:52,580

and all of a sudden you see that he

1109

00:49:58,970 --> 00:49:57,570

Chappaquiddick you know around but they

1110

00:50:01,070 --> 00:49:58,980

were using a lot of they were putting

1111

00:50:04,250 --> 00:50:01,080

drugs in them I believe what happened

1112

00:50:06,740 --> 00:50:04,260

there is that because Mary Mary Jo

1113

00:50:13,760 --> 00:50:06,750

Kopechne who is with him why I tell you

1114

00:50:14,990 --> 00:50:13,770

what I don't we've got to go to our top

1115

00:50:17,210 --> 00:50:15,000

of the hour break and we'll be right

1116

00:50:21,980 --> 00:50:17,220

back and I want to get right back on it

1117

00:50:23,630 --> 00:50:21,990

we get we'll be right back to do this

1118

00:50:26,570 --> 00:50:23,640

and Heidi and I didn't mean it eruption

1119

00:50:31,490 --> 00:50:26,580

before Judith but we had to go to the

1120

00:50:34,010 --> 00:50:31,500

commercial break but there's so many so

1121

00:50:35,570 --> 00:50:34,020

many issues on this that it just you

1122

00:50:39,710 --> 00:50:35,580

need a warrant or a report to keep track

1123

00:50:41,960 --> 00:50:39,720

of it you know a couple of people in the

1124

00:50:46,730 --> 00:50:41,970

chatroom we're asking what you thought

1125

00:50:48,760 --> 00:50:46,740

of these two theories that a Dallas

1126

00:50:53,300 --> 00:50:48,770

police officer did the shooting or

1127

00:50:54,800 --> 00:50:53,310

Castro who do you think Oh what do you

1128

00:50:57,210 --> 00:50:54,810

think of that and who do you think may

1129

00:50:59,160 --> 00:50:57,220

all right the trigger okay

1130

00:51:02,580 --> 00:50:59,170

I am someone who talked to these

1131

00:51:04,410 --> 00:51:02,590

anti-castro people and and you know and

1132

00:51:06,420 --> 00:51:04,420

and of course Lee was posing as

1133

00:51:08,700 --> 00:51:06,430

pro-castro so he was in contact with

1134

00:51:11,370 --> 00:51:08,710

some of Castro's spies and things like

1135

00:51:14,040 --> 00:51:11,380

that now what we discovered in which

1136

00:51:16,200 --> 00:51:14,050

there is ample evidence course Castro

1137

00:51:18,210 --> 00:51:16,210

was delighted that nobody bombed Havana

1138

00:51:20,310 --> 00:51:18,220

because one mom would have killed him if

1139

00:51:22,410 --> 00:51:20,320

he was there it was destroyed it we

1140

00:51:24,120 --> 00:51:22,420

couldn't hit World War three where I

1141

00:51:26,760 --> 00:51:24,130

mean cancer was the last person that

1142

00:51:28,500 --> 00:51:26,770

would want to upset the Kennedys or any

1143

00:51:30,240 --> 00:51:28,510

of the Kennedys because Bobby Kennedy

1144

00:51:31,950 --> 00:51:30,250

wanted to bomb you think that if Bobby

1145

00:51:34,109 --> 00:51:31,960

Kennedy's brothers is the one who said I

1146

00:51:36,599 --> 00:51:34,119

don't want to see Havana bomb just

1147

00:51:37,859 --> 00:51:36,609

murdered and it turned out that Castro

1148

00:51:39,810 --> 00:51:37,869

was involved how do you think Bobby

1149

00:51:41,730 --> 00:51:39,820

Kennedy would have reacted matter of

1150

00:51:43,530 --> 00:51:41,740

fact they're the last people on earth

1151

00:51:46,140 --> 00:51:43,540

who would have wanted Kennedy did the

1152

00:51:47,910 --> 00:51:46,150

single is for Russia we now know that

1153

00:51:50,490 --> 00:51:47,920

Russia didn't even have a near the

1154

00:51:52,740 --> 00:51:50,500

number of ballistic missiles that we did

1155

00:51:54,359 --> 00:51:52,750

and they were completely outnumbered but

1156

00:51:58,770 --> 00:51:54,369

they put out you know the big boldface

1157

00:52:01,080 --> 00:51:58,780

that they had a lot of stuff yeah they

1158

00:52:03,540 --> 00:52:01,090

get their chests to pee once a times

1159

00:52:06,180 --> 00:52:03,550

they wanted to talk they did not want to

1160

00:52:09,660 --> 00:52:06,190

that part the last thing he wanted was

1161

00:52:12,540 --> 00:52:09,670

they didn't want a war Hawk like LBJ to

1162

00:52:14,849 --> 00:52:12,550

take Kennedy's place a man who was

1163

00:52:17,329 --> 00:52:14,859

willing to go to Vietnam and create kill

1164

00:52:20,280 --> 00:52:17,339

millions of people there Cambodia and

1165

00:52:23,520 --> 00:52:20,290

over and you know the poor Vietnamese

1166

00:52:25,859 --> 00:52:23,530

they were all they were completely

1167

00:52:30,500 --> 00:52:25,869

helpless more bombs were dumped on

1168

00:52:32,670 --> 00:52:30,510

Vietnam that entire world war two Wow

1169

00:52:34,020 --> 00:52:32,680

well you know that's been one of the

1170

00:52:35,640 --> 00:52:34,030

things that was suggested that got

1171

00:52:38,849 --> 00:52:35,650

Kennedy killed was he was going to wind

1172

00:52:41,250 --> 00:52:38,859

the war down in Vietnam exactly because

1173

00:52:43,470 --> 00:52:41,260

if you do that what you have they can't

1174

00:52:45,950 --> 00:52:43,480

make money look at Lyndon Johnson he

1175

00:52:48,359 --> 00:52:45,960

becomes president he has sold

1176

00:52:51,120 --> 00:52:48,369

Halliburton stock Halliburton is now

1177

00:52:53,370 --> 00:52:51,130

Kellogg you know its Kellogg Company in

1178

00:52:55,650 --> 00:52:53,380

Halliburton they have made billions they

1179

00:52:57,690 --> 00:52:55,660

as they continue to this very day 50

1180

00:53:00,810 --> 00:52:57,700

years later still in the business of

1181

00:53:03,960 --> 00:53:00,820

making sure we're still using them for

1182

00:53:06,839 --> 00:53:03,970

all their war materiel well hell yeah

1183

00:53:08,849 --> 00:53:06,849

Bush gets an office and they formulate a

1184

00:53:10,410 --> 00:53:08,859

war in Iraq for no good reason

1185

00:53:12,150 --> 00:53:10,420

even Clinton

1186

00:53:15,690 --> 00:53:12,160

said that the this that Saddam Hussein

1187

00:53:18,859 --> 00:53:15,700

was not a threat etcetera etc and you

1188

00:53:21,960 --> 00:53:18,869

know couldn't just been out of office

1189

00:53:23,819 --> 00:53:21,970

how can we sell 20 percent of our

1190

00:53:30,150 --> 00:53:23,829

uranium can Russia there's such an enemy

1191

00:53:32,579 --> 00:53:30,160

I know he is but Kennedy had a lot of

1192

00:53:34,260 --> 00:53:32,589

people gunning for him Kennedy had with

1193

00:53:37,170 --> 00:53:34,270

us the Federal Reserve he's going to try

1194

00:53:40,200 --> 00:53:37,180

to do away with that he had the the anti

1195

00:53:42,150 --> 00:53:40,210

the war manufacturers that want to have

1196

00:53:48,750 --> 00:53:42,160

a war in Vietnam I mean he was against

1197

00:53:51,390 --> 00:53:48,760

you know escalating that exactly I mean

1198

00:53:53,640 --> 00:53:51,400

Allen Dulles who was fired has a CIA

1199

00:53:55,109 --> 00:53:53,650

that man still kept going to Langley

1200

00:53:56,520 --> 00:53:55,119

every day he still showed up in his

1201

00:53:57,089 --> 00:53:56,530

office after he's fired and they

1202

00:53:59,190 --> 00:53:57,099

listened to him

1203

00:54:01,230 --> 00:53:59,200

they didn't listen to the new appointee

1204

00:54:03,120 --> 00:54:01,240

poor that poor guy he didn't know what

1205

00:54:05,370 --> 00:54:03,130

was going on everything was going still

1206

00:54:07,280 --> 00:54:05,380

going through Dulles yes I didn't know

1207

00:54:13,920 --> 00:54:07,290

that at all that's amazing

1208

00:54:15,660 --> 00:54:13,930

nobody knows yeah because there was a

1209

00:54:17,250 --> 00:54:15,670

Kennedy another thing people don't

1210

00:54:19,920 --> 00:54:17,260

realize they they will argue and say

1211

00:54:22,680 --> 00:54:19,930

look Kennedy was all for the Federal

1212

00:54:24,780 --> 00:54:22,690

Reserve System because he gave a speech

1213

00:54:27,000 --> 00:54:24,790

indeed he did he said what wonderful

1214

00:54:28,079 --> 00:54:27,010

guys you are you said I just love you

1215

00:54:29,640 --> 00:54:28,089

and I think you're doing the right thing

1216

00:54:31,890 --> 00:54:29,650

by the way

1217

00:54:33,720 --> 00:54:31,900

of course I'm condensing everything by

1218

00:54:38,220 --> 00:54:33,730

the way I would like to go and issue

1219

00:54:40,109 --> 00:54:38,230

real money you say like a girl will get

1220

00:54:42,720 --> 00:54:40,119

more confidence they'll get more

1221

00:54:44,490 --> 00:54:42,730

confidence in the US dollars and we'll

1222

00:54:46,289 --> 00:54:44,500

take the real money out again and

1223

00:54:50,130 --> 00:54:46,299

they'll be using yours and oh no that's

1224

00:54:50,730 --> 00:54:50,140

all safe okay they said go ahead because

1225

00:54:52,140 --> 00:54:50,740

basically

1226

00:54:54,599 --> 00:54:52,150

Kennedy would not have been able to

1227

00:54:57,420 --> 00:54:54,609

issue despite being president without

1228

00:54:59,339 --> 00:54:57,430

many objections so does he put out a few

1229

00:55:02,280 --> 00:54:59,349

dollars to help buttress he puts out

1230

00:55:04,920 --> 00:55:02,290

five billion which today is fifty

1231

00:55:06,690 --> 00:55:04,930

billion in other words everybody was

1232

00:55:09,569 --> 00:55:06,700

buying US Treasury notes they weren't

1233

00:55:12,780 --> 00:55:09,579

buying any Federal Reserve notes anymore

1234

00:55:15,210 --> 00:55:12,790

they could get silver for it yes the

1235

00:55:17,640 --> 00:55:15,220

said hated that so he fooled them and

1236

00:55:19,380 --> 00:55:17,650

they never forgot that so what we have

1237

00:55:21,809 --> 00:55:19,390

on the Warren Commission board we have

1238

00:55:24,390 --> 00:55:21,819

McCoy who is the heads of the former

1239

00:55:28,049 --> 00:55:24,400

head of the World Bank and

1240

00:55:29,640 --> 00:55:28,059

also we have Ford who move the bullet

1241

00:55:31,890 --> 00:55:29,650

hole in the back of Kennedy onion

1242

00:55:33,930 --> 00:55:31,900

Kennedy's back up five inches and said

1243

00:55:34,499 --> 00:55:33,940

so before he died for the good of the

1244

00:55:36,930 --> 00:55:34,509

country

1245

00:55:39,239 --> 00:55:36,940

because that bullet hole in the back of

1246

00:55:41,160 --> 00:55:39,249

Kennedy was too low to have come from

1247

00:55:43,920 --> 00:55:41,170

any gun from the Texas School Book

1248

00:55:46,200 --> 00:55:43,930

Depository so he moves it up so that

1249

00:55:51,469 --> 00:55:46,210

they create the magic bullet

1250

00:55:55,109 --> 00:55:51,479

now you saw this shooting correct

1251

00:55:59,269 --> 00:55:55,119

excuse me when was the last moment that

1252

00:56:02,459 --> 00:55:59,279

you you saw Lee prior to the the show

1253

00:56:04,019 --> 00:56:02,469

immediate attack with him only thirty

1254

00:56:06,329 --> 00:56:04,029

seven and a half hours before the

1255

00:56:09,089 --> 00:56:06,339

assassination he said he went home to

1256

00:56:10,739 --> 00:56:09,099

say goodbye to his children and you know

1257

00:56:13,829 --> 00:56:10,749

that morning he left his wedding ring

1258

00:56:15,450 --> 00:56:13,839

behind now if you read read Manley

1259

00:56:18,930 --> 00:56:15,460

you'll see that Lee wore his wedding

1260

00:56:20,880 --> 00:56:18,940

ring Russian style on his right hand and

1261

00:56:23,579 --> 00:56:20,890

I wore mine American style on the left

1262

00:56:25,289 --> 00:56:23,589

and we held hands our rings clicked and

1263

00:56:33,390 --> 00:56:25,299

clicked together and it made I feel very

1264

00:56:35,309 --> 00:56:33,400

embarrassed yeah and because we had

1265

00:56:37,739 --> 00:56:35,319

different standards back then I could

1266

00:56:39,390 --> 00:56:37,749

not divorce my husband I wanted to but I

1267

00:56:41,789 --> 00:56:39,400

would have been fired from Riley which

1268

00:56:44,160 --> 00:56:41,799

was very conventional and are

1269

00:56:46,769 --> 00:56:44,170

conservative so I had to stay married to

1270

00:56:48,329 --> 00:56:46,779

a man I don't I didn't I had I was in

1271

00:56:52,609 --> 00:56:48,339

love with sex and thought it was in love

1272

00:56:56,910 --> 00:56:52,619

with a man and then I found a real man

1273

00:56:59,999 --> 00:56:56,920

Koch's and he was married as well and he

1274

00:57:02,130 --> 00:57:00,009

was miserable as well because marina a

1275

00:57:03,719 --> 00:57:02,140

lot of people don't know this Suman

1276

00:57:06,150 --> 00:57:03,729

after she got pregnant they had been

1277

00:57:09,599 --> 00:57:06,160

married very long Lee had to make a very

1278

00:57:11,940 --> 00:57:09,609

dangerous journey to Moscow he had to

1279

00:57:14,069 --> 00:57:11,950

talk to the people in embassy he really

1280

00:57:16,979 --> 00:57:14,079

was a spy he had to go there without

1281

00:57:19,019 --> 00:57:16,989

travel papers that means if he were he

1282

00:57:21,719 --> 00:57:19,029

got caught where are your papers they

1283

00:57:23,339 --> 00:57:21,729

would have executed him you know what

1284

00:57:25,950 --> 00:57:23,349

does my really do while he's gone now

1285

00:57:28,589 --> 00:57:25,960

forgive me Marina has gone through hell

1286

00:57:30,749 --> 00:57:28,599

and we're not the same now as we were

1287

00:57:33,870 --> 00:57:30,759

way back then you're not blaming herself

1288

00:57:36,059 --> 00:57:33,880

but at the time as soon as he was gone

1289

00:57:38,040 --> 00:57:36,069

she contacted her old boyfriend and

1290

00:57:40,530 --> 00:57:38,050

slept with him Oh

1291

00:57:42,600 --> 00:57:40,540

other married new married she was

1292

00:57:45,270 --> 00:57:42,610

interested in getting to America so she

1293

00:57:48,810 --> 00:57:45,280

was all for it now a lot of people said

1294

00:57:51,450 --> 00:57:48,820

how cruel that Lee Oswald was because he

1295

00:57:53,040 --> 00:57:51,460

would not let his wife learn English he

1296

00:57:55,770 --> 00:57:53,050

kept her sequestered so she had no

1297

00:57:57,900 --> 00:57:55,780

friends not a mean man but by doing that

1298

00:57:59,850 --> 00:57:57,910

nobody not even the Warren Commission

1299

00:58:01,740 --> 00:57:59,860

could say that she was a spy because she

1300

00:58:06,330 --> 00:58:01,750

was so isolated he did that to protect

1301

00:58:08,400 --> 00:58:06,340

her I say huh let me ask you this let me

1302

00:58:10,670 --> 00:58:08,410

ask you this there's been some

1303

00:58:13,860 --> 00:58:10,680

discussion redirect on this that

1304

00:58:16,530 --> 00:58:13,870

Oswald's uncle was a mob associate for

1305

00:58:19,280 --> 00:58:16,540

Carlos Marcello when he was yes that was

1306

00:58:22,830 --> 00:58:19,290

uncle Duke Charles Moretti

1307

00:58:23,400 --> 00:58:22,840

okay so that is true okay well here's

1308

00:58:25,410 --> 00:58:23,410

the thing

1309

00:58:27,300 --> 00:58:25,420

remember the CIA and the Mafia at this

1310

00:58:29,400 --> 00:58:27,310

time it was secret at the time it isn't

1311

00:58:30,150 --> 00:58:29,410

anymore we're working together to try to

1312

00:58:33,000 --> 00:58:30,160

kill Castro

1313

00:58:35,640 --> 00:58:33,010

Lee Oswald was trained by the oh and I

1314

00:58:37,260 --> 00:58:35,650

was borrowed by the CIA and his uncle's

1315

00:58:41,370 --> 00:58:37,270

NOSSA he was a perfect bridge between

1316

00:58:45,690 --> 00:58:41,380

the Mafia and the CIA and he was trusted

1317

00:58:48,240 --> 00:58:45,700

by both sides you see yeah yeah Wow

1318

00:58:50,280 --> 00:58:48,250

well I know Carlos Marcello the New

1319

00:58:53,370 --> 00:58:50,290

Orleans mafia boss he had the hate song

1320

00:58:55,950 --> 00:58:53,380

for the Kennedys too because oh they're

1321

00:58:58,590 --> 00:58:55,960

good I mean and by the way I talked to

1322

00:59:01,350 --> 00:58:58,600

Carlos his granddaughter and they were

1323

00:59:03,540 --> 00:59:01,360

being very rude to her and everything

1324

00:59:06,000 --> 00:59:03,550

but we became friends and she told me

1325

00:59:07,500 --> 00:59:06,010

and it was very very interesting she

1326

00:59:08,880 --> 00:59:07,510

said you know of course she has her

1327

00:59:11,190 --> 00:59:08,890

viewpoint you know that Carlos Marcello

1328

00:59:13,110 --> 00:59:11,200

had every right her grandpa did because

1329

00:59:15,900 --> 00:59:13,120

he was being picked on by the Kennedys

1330

00:59:18,480 --> 00:59:15,910

you know but it is remarkable just know

1331

00:59:21,180 --> 00:59:18,490

that Bobby Kennedy everybody knows that

1332

00:59:22,770 --> 00:59:21,190

when Carlos went to because he was on

1333

00:59:25,350 --> 00:59:22,780

parole he had to stay in Jefferson

1334

00:59:27,060 --> 00:59:25,360

Parish all the time we saw him he wasn't

1335

00:59:29,850 --> 00:59:27,070

in New Orleans Parish because he brought

1336

00:59:31,230 --> 00:59:29,860

his lawyers along and his brothers he's

1337

00:59:33,150 --> 00:59:31,240

always dressed in a suit and he was

1338

00:59:35,040 --> 00:59:33,160

saying yes I'm here for a funeral I'm

1339

00:59:36,630 --> 00:59:35,050

here for a wedding so he got to go

1340

00:59:39,510 --> 00:59:36,640

wherever yes

1341

00:59:41,550 --> 00:59:39,520

well here is the Jeff parish and he goes

1342

00:59:46,290 --> 00:59:41,560

to the parole officer is Bobby Kennedy

1343

00:59:49,950 --> 00:59:46,300

arrest him and sends him Thanksgiving

1344

00:59:51,600 --> 00:59:49,960

sends him all the way to the Honduras

1345

00:59:53,790 --> 00:59:51,610

well actually

1346

00:59:56,910 --> 00:59:53,800

to Guatemala because he was saying he

1347

01:00:01,530 --> 00:59:56,920

was born and what a mala for the tunisia

1348

01:00:03,390 --> 01:00:01,540

which is close to sicily okay so they

1349

01:00:05,130 --> 01:00:03,400

arrest you they put it on a plane they

1350

01:00:07,200 --> 01:00:05,140

dumped him in guatemala where he's taken

1351
01:00:09,690 --> 01:00:07,210
very good care of because it Guatemalan

1352
01:00:12,720 --> 01:00:09,700
president there owes Carlos Marcello a

1353
01:00:14,160 --> 01:00:12,730
lot for a different reasons yes they

1354
01:00:17,430 --> 01:00:14,170
have a lot they have a good thing going

1355
01:00:19,140 --> 01:00:17,440
so Bobby Kennedy think he has feds come

1356
01:00:21,120 --> 01:00:19,150
back they pick him up and they drop him

1357
01:00:24,720 --> 01:00:21,130
in a Honduras in the jungle along with

1358
01:00:27,450 --> 01:00:24,730
his fat attorney friend Carlos my break

1359
01:00:29,640 --> 01:00:27,460
some ribs and his ankle he is thrown

1360
01:00:31,320 --> 01:00:29,650
down it looks like they were gonna he's

1361
01:00:34,320 --> 01:00:31,330
gonna die but they make it to a little

1362
01:00:35,790 --> 01:00:34,330
airport and because in the Honduras

1363
01:00:38,160 --> 01:00:35,800

there's didn't make it to the capital

1364

01:00:40,890 --> 01:00:38,170

they have money with them and they get

1365

01:00:43,560 --> 01:00:40,900

himself all the way back to the United

1366

01:00:45,270 --> 01:00:43,570

States in near Miami and a swamp

1367

01:00:47,370 --> 01:00:45,280

but the people are too afraid to drop

1368

01:00:51,390 --> 01:00:47,380

him off David Ferrie picked him up from

1369

01:00:53,490 --> 01:00:51,400

there and and actually brought Marcello

1370

01:00:55,770 --> 01:00:53,500

back to Texas where he was bragging I'm

1371

01:00:56,610 --> 01:00:55,780

back in the United States soon he's

1372

01:00:59,310 --> 01:00:56,620

right back

1373

01:01:02,790 --> 01:00:59,320

in Louisiana and he makes it when he's

1374

01:01:05,280 --> 01:01:02,800

goes to trial for deceit for faking that

1375

01:01:07,500 --> 01:01:05,290

he was born in Guatemala he sets it up

1376

01:01:09,630 --> 01:01:07,510

he has so much power that he is told

1377

01:01:12,470 --> 01:01:09,640

that he is a free man and that he wins

1378

01:01:15,390 --> 01:01:12,480

against Bobby Kennedy the same day

1379

01:01:23,430 --> 01:01:15,400

Kennedy's brother is shot in Dallas same

1380

01:01:26,720 --> 01:01:23,440

day that's how much power yet now with

1381

01:01:30,480 --> 01:01:26,730

the release of all of these new file

1382

01:01:33,630 --> 01:01:30,490

what not what were you most hoping to

1383

01:01:35,460 --> 01:01:33,640

find when these were released well

1384

01:01:38,010 --> 01:01:35,470

here's the thing they said that these

1385

01:01:39,920 --> 01:01:38,020

were going to be unredacted all of them

1386

01:01:43,590 --> 01:01:39,930

they still have they're all blocked out

1387

01:01:45,810 --> 01:01:43,600

only a few original files have made it

1388

01:01:47,940 --> 01:01:45,820

through even they have redactions what

1389

01:01:49,140 --> 01:01:47,950

really got to me is the HSC a the house

1390

01:01:51,540 --> 01:01:49,150

special you know Committee on

1391

01:01:53,280 --> 01:01:51,550

assassinations very important their

1392

01:01:55,620 --> 01:01:53,290

files were not supposed to released for

1393

01:01:57,780 --> 01:01:55,630

75 years well you know what we're

1394

01:01:59,010 --> 01:01:57,790

supposed to have all released now I look

1395

01:02:01,110 --> 01:01:59,020

at them and they've been covered with

1396

01:02:05,080 --> 01:02:01,120

fresh white sheets of paper you can't

1397

01:02:07,270 --> 01:02:05,090

read a thing on them sixty some pages

1398

01:02:10,750 --> 01:02:07,280

and and that lodge has considered a

1399

01:02:14,260 --> 01:02:10,760

release of information huh yeah that's

1400

01:02:16,630 --> 01:02:14,270

always copies many copies of rewritten

1401

01:02:18,100 --> 01:02:16,640

material every once in a while a file

1402

01:02:21,370 --> 01:02:18,110

original file comes through and you see

1403

01:02:23,320 --> 01:02:21,380

they have rewritten it and disseminate

1404

01:02:25,210 --> 01:02:23,330

it one of the ways you can tell when an

1405

01:02:27,280 --> 01:02:25,220

original file is involved and have all

1406

01:02:28,900 --> 01:02:27,290

kinds of sign offs on it but when they

1407

01:02:30,700 --> 01:02:28,910

make these fakes they don't have very

1408

01:02:32,890 --> 01:02:30,710

many signatures because one who's going

1409

01:02:34,360 --> 01:02:32,900

to keep hiding these things that's one

1410

01:02:36,730 --> 01:02:34,370

way you can tell which is an original

1411

01:02:39,550 --> 01:02:36,740

and which is a fake and it got a lot of

1412

01:02:41,230 --> 01:02:39,560

fakes out there it's ridiculous I don't

1413

01:02:45,580 --> 01:02:41,240

know honey but we're just about priming

1414

01:02:58,350 --> 01:02:45,590

our last break but I'm sure these files

1415

01:03:02,080 --> 01:02:59,610

[Music]

1416

01:03:03,610 --> 01:03:02,090

being back with Judith and boy she's an

1417

01:03:06,070 --> 01:03:03,620

accomplished lady and in so many

1418

01:03:08,290 --> 01:03:06,080

different ways but what we were talking

1419

01:03:10,540 --> 01:03:08,300

during the break about how they've the

1420

01:03:13,510 --> 01:03:10,550

copies that they have released or kind

1421

01:03:15,670 --> 01:03:13,520

of deteriorated fashion where that's a

1422

01:03:17,650 --> 01:03:15,680

copy of a copy of a copy of a copy and

1423

01:03:19,630 --> 01:03:17,660

and they're not in sequential order that

1424

01:03:20,920 --> 01:03:19,640

could be studied and it sounds like

1425

01:03:22,600 --> 01:03:20,930

they've done everything they can do to

1426

01:03:28,180 --> 01:03:22,610

undermine anybody really researching

1427

01:03:30,460 --> 01:03:28,190

these really you can't find three and

1428

01:03:33,130 --> 01:03:30,470

then you have like one of the files

1429

01:03:35,350 --> 01:03:33,140

releases they're asking the former CIA

1430

01:03:37,450 --> 01:03:35,360

director Richard Helms are saying to him

1431

01:03:41,260 --> 01:03:37,460

their assistant director they're saying

1432

01:03:42,760 --> 01:03:41,270

to him okay tell us if Lee Harvey Oswald

1433

01:03:45,070 --> 01:03:42,770

worked for the CIA

1434

01:03:48,760 --> 01:03:45,080

so this is a three page document page

1435

01:03:50,020 --> 01:03:48,770

three is missing that's that's all right

1436

01:03:54,640 --> 01:03:50,030

that sounds about right

1437

01:03:57,070 --> 01:03:54,650

well I don't know I guess well good lord

1438

01:03:58,930 --> 01:03:57,080

is put as pathetic as the condition

1439

01:04:00,220 --> 01:03:58,940

these documents are in and redacted and

1440

01:04:02,290 --> 01:04:00,230

everything else what the heck could

1441

01:04:03,820 --> 01:04:02,300

Trump have been withholding I mean it

1442

01:04:07,450 --> 01:04:03,830

sounds like there is what he got a

1443

01:04:09,670 --> 01:04:07,460

hodgepodge this man's under pressure a

1444

01:04:11,860 --> 01:04:09,680

tremendous pressure any way that he's

1445

01:04:15,310 --> 01:04:11,870

colluded with the Russians and so on if

1446

01:04:18,160 --> 01:04:15,320

he makes it look like yeah if he looked

1447

01:04:18,900 --> 01:04:18,170

if he pushes this - if I remember I did

1448

01:04:21,750 --> 01:04:18,910

know

1449

01:04:23,520 --> 01:04:21,760

that mr. Cruz Rafael Cruz was helping

1450

01:04:25,980 --> 01:04:23,530

Lee Oswald too

1451

01:04:29,010 --> 01:04:25,990

he was protecting him actually he never

1452

01:04:32,460 --> 01:04:29,020

distributed them flyers there at the

1453

01:04:34,710 --> 01:04:32,470

Trade Mart their photographs of that Lee

1454

01:04:37,830 --> 01:04:34,720

said I'm protected because originally

1455

01:04:39,870 --> 01:04:37,840

Lee was they almost beat up and a big

1456

01:04:42,630 --> 01:04:39,880

crowd gathered it's in my book of course

1457

01:04:45,120 --> 01:04:42,640

me and Lee and I was terrified for him I

1458

01:04:46,560 --> 01:04:45,130

said Lee he said no don't worry they're

1459

01:04:48,210 --> 01:04:46,570

moving me to a different place where

1460

01:04:50,070 --> 01:04:48,220

there won't be as many people we can

1461

01:04:51,780 --> 01:04:50,080

still find out if anybody takes the

1462

01:04:54,420 --> 01:04:51,790

Flyers because they watched those who

1463

01:04:56,550 --> 01:04:54,430

did follow them if they responded

1464

01:04:57,330 --> 01:04:56,560

because this fair play for Cuba

1465

01:04:59,490 --> 01:04:57,340

committee

1466

01:05:01,980 --> 01:04:59,500

it said lectures and meetings they never

1467

01:05:04,860 --> 01:05:01,990

held a single lecture never held a

1468

01:05:06,390 --> 01:05:04,870

single meeting it was all fake anybody

1469

01:05:09,450 --> 01:05:06,400

who actually contacted them they

1470

01:05:12,270 --> 01:05:09,460

investigated them they sent back several

1471

01:05:14,160 --> 01:05:12,280

spice that Cuba you know Castro had sent

1472

01:05:16,170 --> 01:05:14,170

me in because Castro doesn't want to die

1473

01:05:18,840 --> 01:05:16,180

and we had all kinds of stuff going on

1474

01:05:22,260 --> 01:05:18,850

in New Orleans so Lee is there to

1475

01:05:24,390 --> 01:05:22,270

protect us and he is now at the Trade

1476

01:05:26,190 --> 01:05:24,400

Mart and he said I've got an archangel

1477

01:05:28,470 --> 01:05:26,200

he said I've gotten an angel I said who

1478

01:05:30,720 --> 01:05:28,480

is he said Raphael oh of course Raphael

1479

01:05:33,360 --> 01:05:30,730

the Archangel is known and you know in

1480

01:05:36,390 --> 01:05:33,370

history as the great protecting angel

1481

01:05:37,860 --> 01:05:36,400

and he said I'd like you to take a look

1482

01:05:38,970 --> 01:05:37,870

at him he said don't say anything to him

1483

01:05:41,640 --> 01:05:38,980

because we're not supposed to know each

1484

01:05:44,520 --> 01:05:41,650

other in public so I walk up there and I

1485

01:05:47,040 --> 01:05:44,530

told people people I did not know his

1486

01:05:49,920 --> 01:05:47,050

last name I only knew Raphael so when

1487

01:05:52,020 --> 01:05:49,930

people ask me finally who is this man

1488

01:05:54,810 --> 01:05:52,030

well if only people had asked me before

1489

01:05:56,730 --> 01:05:54,820

I said well it was Rafael Cruz because

1490

01:05:58,110 --> 01:05:56,740

if by then I found his into the

1491

01:06:00,060 --> 01:05:58,120

information on the Internet

1492

01:06:02,430 --> 01:06:00,070

I saw his face it was the same man

1493

01:06:04,950 --> 01:06:02,440

remember I've taken courses in forensic

1494

01:06:08,130 --> 01:06:04,960

anthropology I can take a skull and put

1495

01:06:10,680 --> 01:06:08,140

the face on it so I know that this is

1496

01:06:13,980 --> 01:06:10,690

the same man and I saw him with my own

1497

01:06:15,810 --> 01:06:13,990

eyes twice all right working with Lee or

1498

01:06:18,150 --> 01:06:15,820

associated with him Lee telling me there

1499

01:06:20,580 --> 01:06:18,160

he goes crossing across going over to

1500

01:06:22,200 --> 01:06:20,590

banisters office guy Bannister was in

1501

01:06:24,510 --> 01:06:22,210

charge of all the ehtekaf stuff stuff in

1502

01:06:26,540 --> 01:06:24,520

the area and working with Bobby Kennedy

1503

01:06:30,780 --> 01:06:26,550

on the side and with Carlos Marcello

1504

01:06:32,170 --> 01:06:30,790

it's all a big mess in New Orleans well

1505

01:06:36,069 --> 01:06:32,180

but I'll bet

1506

01:06:40,020 --> 01:06:36,079

I could this is what it says it's crazy

1507

01:06:43,059 --> 01:06:40,030

how right after all of this went down

1508

01:06:45,059 --> 01:06:43,069

when I interviewed you in gym you said

1509

01:06:47,740 --> 01:06:45,069

that you were essentially exiled from

1510

01:06:49,569 --> 01:06:47,750

the country oh yeah I have to live

1511

01:06:51,790 --> 01:06:49,579

overseas and just recently I was

1512

01:06:53,859 --> 01:06:51,800

actually arrested in Zurich they find

1513

01:06:57,010 --> 01:06:53,869

every excuse they can I had to have an

1514

01:06:59,260 --> 01:06:57,020

emergency eye operation 125 people gave

1515

01:07:01,569 --> 01:06:59,270

donations as they say I don't keep any

1516

01:07:02,500 --> 01:07:01,579

money for myself and so I had look very

1517

01:07:04,540 --> 01:07:02,510

portly really

1518

01:07:07,000 --> 01:07:04,550

but God takes care of that you know the

1519

01:07:09,520 --> 01:07:07,010

knees yeah and people do help me but

1520

01:07:11,530 --> 01:07:09,530

here's what happened emergency eye

1521

01:07:13,480 --> 01:07:11,540

operation I had to be flat on my back

1522

01:07:15,760 --> 01:07:13,490

after the operation to save my left eye

1523

01:07:17,620 --> 01:07:15,770

they operate to actually have both eyes

1524

01:07:19,440 --> 01:07:17,630

and they were very proud they took

1525

01:07:22,150 --> 01:07:19,450

photographs I had all the information

1526

01:07:24,490 --> 01:07:22,160

can't leave it is supposed to leave

1527

01:07:26,890 --> 01:07:24,500

every 90 days for 10 years now I've been

1528

01:07:28,900 --> 01:07:26,900

leaving EU and going elsewhere usually

1529

01:07:30,549 --> 01:07:28,910

to like Macedonia or something like that

1530

01:07:33,309 --> 01:07:30,559

for three months and then going back

1531

01:07:35,559 --> 01:07:33,319

I've lived like that I had am a woman

1532

01:07:38,260 --> 01:07:35,569

without a country but here I am flat on

1533

01:07:40,089 --> 01:07:38,270

my back I can't leave I'm 17 days over

1534

01:07:42,370 --> 01:07:40,099

the limit the doctors write everything

1535

01:07:44,200 --> 01:07:42,380

up for me and they show it you know show

1536

01:07:46,120 --> 01:07:44,210

that to them that you can't fly because

1537

01:07:49,329 --> 01:07:46,130

the pressure in your left eyes was so

1538

01:07:52,329 --> 01:07:49,339

high that my eye would have exploded on

1539

01:07:53,079 --> 01:07:52,339

a plane oh no I'm not gonna let that

1540

01:07:55,660 --> 01:07:53,089

happen

1541

01:07:58,359 --> 01:07:55,670

all right so I go to Zurich I show them

1542

01:08:00,910 --> 01:07:58,369

they think they arrested me anyway then

1543

01:08:03,130 --> 01:08:00,920

well I had to wait a month I had to wait

1544

01:08:04,660 --> 01:08:03,140

that was September 29 I had to wait a

1545

01:08:07,299 --> 01:08:04,670

whole month before I could actually get

1546

01:08:09,370 --> 01:08:07,309

anything done because they finally

1547

01:08:11,980 --> 01:08:09,380

decided they said well we find that

1548

01:08:17,829 --> 01:08:11,990

you're not guilty how about that you

1549

01:08:19,689 --> 01:08:17,839

know I couldn't sue them I couldn't get

1550

01:08:22,900 --> 01:08:19,699

anything back they confiscated stuff

1551

01:08:24,610 --> 01:08:22,910

with mine and everything okay so they

1552

01:08:26,769 --> 01:08:24,620

can they still ticket you know they will

1553

01:08:30,519 --> 01:08:26,779

if they can we're talking about this

1554

01:08:32,349 --> 01:08:30,529

world how are you a threat to anything

1555

01:08:34,059 --> 01:08:32,359

though it's for you to have been exiled

1556

01:08:39,669 --> 01:08:34,069

the way that you were and what was their

1557

01:08:41,979 --> 01:08:39,679

reasoning well I I kept myself very

1558

01:08:44,919 --> 01:08:41,989

quiet and in fact I joined the Mormon

1559

01:08:45,740 --> 01:08:44,929

Church for 17 years I was just sister

1560

01:08:47,420 --> 01:08:45,750

Baker so I

1561

01:08:49,660 --> 01:08:47,430

my first name wasn't getting out there

1562

01:08:53,329 --> 01:08:49,670

and I tried to go on with my life and

1563

01:08:55,220 --> 01:08:53,339

when my last child left home and went on

1564

01:08:58,130 --> 01:08:55,230

a honeymoon I finally took out the film

1565

01:08:59,480 --> 01:08:58,140

JFK I was horrified that with all the

1566

01:09:01,760 --> 01:08:59,490

evidence out there like the Zapruder

1567

01:09:04,550 --> 01:09:01,770

film showing Kennedy's head going back

1568

01:09:06,920 --> 01:09:04,560

into the left that they still said that

1569

01:09:10,789 --> 01:09:06,930

Lee did it to me I couldn't believe it

1570

01:09:12,920 --> 01:09:10,799

and I felt oh yeah I felt so guilty and

1571

01:09:15,860 --> 01:09:12,930

I loved him he was done the same for me

1572

01:09:18,829 --> 01:09:15,870

yeah I have to speak out and you know

1573

01:09:20,329 --> 01:09:18,839

what going on 75 okay let's kill me I

1574

01:09:23,900 --> 01:09:20,339

don't care anymore because I'm gonna die

1575

01:09:25,309 --> 01:09:23,910

of something you know my dad always says

1576

01:09:32,870 --> 01:09:25,319

that you're not going to get out of this

1577

01:09:35,450 --> 01:09:32,880

life of lives the Scarlet Pimpernel he's

1578

01:09:37,700 --> 01:09:35,460

talking to his enemy and the enemy's

1579

01:09:40,550 --> 01:09:37,710

wants to shoot him he says well all I

1580

01:09:43,550 --> 01:09:40,560

have to do he says is you know set this

1581

01:09:45,260 --> 01:09:43,560

powder keg on a flame he said I know

1582

01:09:47,210 --> 01:09:45,270

where I'm going and I know where you're

1583

01:09:49,190 --> 01:09:47,220

going so these people they're going to

1584

01:09:53,960 --> 01:09:49,200

end up in a place that their moccasins

1585

01:09:56,060 --> 01:09:53,970

are headed the wrong direction well

1586

01:09:58,010 --> 01:09:56,070

Judith let's mention this book again the

1587

01:10:00,980 --> 01:09:58,020

book again and it's it's available what

1588

01:10:02,690 --> 01:10:00,990

at Amazon yes

1589

01:10:04,280 --> 01:10:02,700

Kennedy the [h__h] the big picture we

1590

01:10:07,250 --> 01:10:04,290

put it all together so you can see all

1591

01:10:08,870 --> 01:10:07,260

the background of how Kennedy was all

1592

01:10:11,390 --> 01:10:08,880

these people were amassed against

1593

01:10:13,040 --> 01:10:11,400

Kennedy and we're also according from

1594

01:10:14,150 --> 01:10:13,050

the best books and from some of these

1595

01:10:17,480 --> 01:10:14,160

release files

1596

01:10:19,310 --> 01:10:17,490

on top of that again Kennedy that book

1597

01:10:21,050 --> 01:10:19,320

me and Lee and of course David Ferrie

1598

01:10:24,170 --> 01:10:21,060

mafia pilot but the book me and Lee is

1599

01:10:25,760 --> 01:10:24,180

really researched because of the things

1600

01:10:27,950 --> 01:10:25,770

I've said in there like the Venezuela

1601

01:10:30,770 --> 01:10:27,960

Caracas shipment when they said no

1602

01:10:33,140 --> 01:10:30,780

shipments are going on in 63 anyway lots

1603

01:10:36,650 --> 01:10:33,150

of stuff is also in that book and if

1604

01:10:40,070 --> 01:10:36,660

people go to JFK Dallas conference calm

1605

01:10:42,170 --> 01:10:40,080

and that would be November 17 1819 right

1606

01:10:43,790 --> 01:10:42,180

around the corner the last of the living

1607

01:10:45,830 --> 01:10:43,800

witnesses we've got them together and

1608

01:10:48,170 --> 01:10:45,840

we've got the last of the best for Jim

1609

01:10:51,350 --> 01:10:48,180

is not with us Jim died this much here

1610

01:10:53,420 --> 01:10:51,360

you know so I hope they come and hear

1611

01:10:53,960 --> 01:10:53,430

history because we're we're not gonna be

1612

01:10:57,530 --> 01:10:53,970

here forever

1613

01:10:59,480 --> 01:10:57,540

we might not even be here next year well

1614

01:11:02,510 --> 01:10:59,490

I hope everybody can the can

1615

01:11:04,070 --> 01:11:02,520

we'll go and I certainly hope the book

1616

01:11:05,450 --> 01:11:04,080

sells well do you have your own website

1617

01:11:08,150 --> 01:11:05,460

you sell it through or just through

1618

01:11:09,800 --> 01:11:08,160

Amazon you faker I do it on Facebook

1619

01:11:11,510 --> 01:11:09,810

because when I get blocked or attacked

1620

01:11:14,600 --> 01:11:11,520

on Facebook everybody can see it you

1621

01:11:16,760 --> 01:11:14,610

know oh they can see what I'm up against

1622

01:11:18,740 --> 01:11:16,770

and it's and they see that I love people

1623

01:11:21,050 --> 01:11:18,750

I want people to be happy I wanted to

1624

01:11:23,380 --> 01:11:21,060

cure cancer and I'm able to help people

1625

01:11:25,790 --> 01:11:23,390

there a lot of people who are suffering

1626

01:11:27,080 --> 01:11:25,800

we've been able to help them and of

1627

01:11:28,520 --> 01:11:27,090

course I always say you have to go in to

1628

01:11:31,940 --> 01:11:28,530

consult with your doctor so I don't get

1629

01:11:34,250 --> 01:11:31,950

myself arrested but uh fact matter is

1630

01:11:36,500 --> 01:11:34,260

there are many ways to deal with cancer

1631

01:11:38,990 --> 01:11:36,510

and to avoid cancer I like to mention

1632

01:11:41,900 --> 01:11:39,000

alpha lipoic acid trans is ferret raw

1633

01:11:45,230 --> 01:11:41,910

and niacin as good examples of what you

1634

01:11:50,840 --> 01:11:45,240

can use to avoid developing a petty case

1635

01:11:54,230 --> 01:11:50,850

of cancer I gotta write that down ey th

1636

01:11:55,820 --> 01:11:54,240

Baker and and also I'm writing sick

1637

01:11:57,280 --> 01:11:55,830

what's called the anti-cancer cookbook

1638

01:12:00,830 --> 01:11:57,290

that's going to be coming out next year

1639

01:12:03,500 --> 01:12:00,840

people need to truth about how they

1640

01:12:05,690 --> 01:12:03,510

avoid cancer oh that's awesome

1641

01:12:10,970 --> 01:12:05,700

hopefully I hope you found that taking

1642

01:12:12,980 --> 01:12:10,980

bourbon will help you thank you for

1643

01:12:15,650 --> 01:12:12,990

being so decent because the last person

1644

01:12:17,990 --> 01:12:15,660

I talked to he's another nice man but he

1645

01:12:19,910 --> 01:12:18,000

said I mentioned the supporter film

1646

01:12:22,250 --> 01:12:19,920

where you see Kennedy's head going back

1647

01:12:24,110 --> 01:12:22,260

to the left I said mrs. Lee I was what

1648

01:12:26,360 --> 01:12:24,120

was situated behind him how do you think

1649

01:12:27,800 --> 01:12:26,370

that happened and he said all you people

1650

01:12:29,570 --> 01:12:27,810

because he knows people don't know what

1651
01:12:32,300 --> 01:12:29,580
this approver film is anymore the new

1652
01:12:35,330 --> 01:12:32,310
generation anybody believes that the

1653
01:12:40,010 --> 01:12:35,340
Zapruder film shows something like that

1654
01:12:42,170 --> 01:12:40,020
they're lunatics that's what people want

1655
01:12:44,600 --> 01:12:42,180
to believe if the official version I

1656
01:12:45,710 --> 01:12:44,610
think they just they don't want to you

1657
01:12:47,240 --> 01:12:45,720
know it's like the old wizard of oz

1658
01:12:50,150 --> 01:12:47,250
don't look what spot their religion or

1659
01:12:53,030 --> 01:12:50,160
something yeah oh you have to do is

1660
01:12:55,160 --> 01:12:53,040
people listening I ask you one thing

1661
01:12:57,920 --> 01:12:55,170
because this wasn't never a question was

1662
01:12:59,870 --> 01:12:57,930
used to be raised when I was a kid do

1663
01:13:01,580 --> 01:12:59,880

you trust your government do you trust

1664

01:13:02,810 --> 01:13:01,590

everything they say and if you do I have

1665

01:13:07,730 --> 01:13:02,820

a bridge to sell to you

1666

01:13:10,160 --> 01:13:07,740

oh well Judith it's been a great

1667

01:13:11,840 --> 01:13:10,170

1668

01:13:12,119 --> 01:13:11,850

again sometime yeah it was great to have

1669

01:13:17,399 --> 01:13:12,129

1670

01:13:19,229 --> 01:13:17,409

1671

01:13:21,209 --> 01:13:19,239

lot of information in because God knows

1672

01:13:23,669 --> 01:13:21,219

you know that's why we let it go back

1673

01:13:25,229 --> 01:13:23,679

with it because it was so fantastic it

1674

01:13:27,259 --> 01:13:25,239

was oh it was excellent excellent

1675

01:13:29,969 --> 01:13:27,269

1682

01:13:59,729 --> 01:13:55,929

things are in somewhat disarray well not

1683

01:14:03,179 --> 01:13:59,739

bad not bad it's not that bad but we

1684

01:14:05,729 --> 01:14:03,189

have to formulate our plants the see I

1685

01:14:08,669 --> 01:14:05,739

did while you were absent

1686

01:14:11,069 --> 01:14:08,679

I interviewed Pam Geller and we're gonna

1687

01:14:13,979 --> 01:14:11,079

run that in half first half of next show

1688

01:14:20,580 --> 01:14:13,989

and then come on in the second half but

1689

01:14:24,209 --> 01:14:20,590

that's not that bad no and now Joe is

1690

01:14:25,589 --> 01:14:24,219

going out of town on the 21st also we're

1691

01:14:27,719 --> 01:14:25,599

gonna have to run to reap these probably

1692

01:14:30,020 --> 01:14:27,729

going to Europe or Switzerland to ski or

1693

01:14:32,639 --> 01:14:30,030

whatever

1694

01:14:34,649 --> 01:14:32,649

we'll just that's just the way it goes

1695

01:14:36,839 --> 01:14:34,659

with a rich but anyhow we'd better say
