Supernatural Girlz

On the Line: Patrice Chaplin

1
00:00:30,730 --> 00:00:28,750
archangels ghosts and Bigfoot oh my it's

2
00:00:33,880 --> 00:00:30,740
just another night for Supernatural

3
00:00:36,280 --> 00:00:33,890
girls real stories real answers to

4
00:00:38,799 --> 00:00:36,290
life's biggest supernatural mysteries

5
00:00:41,530 --> 00:00:38,809
and now for another exciting interview

6
00:00:44,290 --> 00:00:41,540
with Errol experts in this world and

7
00:00:47,319 --> 00:00:44,300
others here's your host paranormal

8
00:00:47,650 --> 00:00:47,329
researcher Patricia Baker on the one the

9
00:01:06,580 --> 00:00:47,660
only

10
00:01:09,200 --> 00:01:06,590
[Music]

11
00:01:11,570 --> 00:01:09,210
welcome everyone to another very

12
00:01:14,719 --> 00:01:11,580
exciting episode of Supernatural girls

13
00:01:17,389 --> 00:01:14,729

radio I am am your host Patricia Baker

14

00:01:20,719 --> 00:01:17,399

and I am here with my co-host all the

15

00:01:23,570 --> 00:01:20,729

way from Tucson Patricia Kirkman PK how

16

00:01:25,910 --> 00:01:23,580

are you tonight absolutely fabulous we

17

00:01:31,969 --> 00:01:25,920

had such a beautiful day in the high 80s

18

00:01:34,040 --> 00:01:31,979

ah I know Robyn well I I have to say

19

00:01:35,960 --> 00:01:34,050

something like that after I went through

20

00:01:37,609 --> 00:01:35,970

the heat for the summer I just want you

21

00:01:41,359 --> 00:01:37,619

to know that the heats still here

22

00:01:47,990 --> 00:01:41,369

but it feels good send it over we need

23

00:01:49,550 --> 00:01:48,000

some heat doesn't we are going to do

24

00:01:53,330 --> 00:01:49,560

things a little bit differently because

25

00:01:56,480 --> 00:01:53,340

our guest is Patrice Chaplin and she is

26
00:01:58,639 --> 00:01:56,490
all the way over in London tonight where

27
00:02:00,859 --> 00:01:58,649
she's five hours ahead of us it's very

28
00:02:04,219 --> 00:02:00,869
late at night and she is generously

29
00:02:06,559 --> 00:02:04,229
giving of her time to be with us so we

30
00:02:08,870 --> 00:02:06,569
are gonna start right away with Patrice

31
00:02:10,249 --> 00:02:08,880
and then and the last half-hour of the

32
00:02:12,979 --> 00:02:10,259
show we're gonna go and do our

33
00:02:16,010 --> 00:02:12,989
numerology which I know PK you've got a

34
00:02:17,449 --> 00:02:16,020
very exciting numerology segment we're

35
00:02:19,250 --> 00:02:17,459
gonna go through paranormal news and

36
00:02:21,020 --> 00:02:19,260
talk about our upcoming shows we have a

37
00:02:23,510 --> 00:02:21,030
lot to talk about in the last half hour

38
00:02:25,430 --> 00:02:23,520

but first and foremost I want to

39

00:02:28,520 --> 00:02:25,440

introduce our guest to you she has a

40

00:02:30,740 --> 00:02:28,530

long and illustrious career as a writer

41

00:02:33,589 --> 00:02:30,750

she's an internationally renowned

42

00:02:36,110 --> 00:02:33,599

playwright and author who has published

43

00:02:39,650 --> 00:02:36,120

more than two dozen books her most

44

00:02:42,259 --> 00:02:39,660

notable works include Albany Park siesta

45

00:02:45,009 --> 00:02:42,269

which was made into a film starring

46

00:02:47,869 --> 00:02:45,019

Jodie Foster and Isabella Rossellini

47

00:02:50,720 --> 00:02:47,879

into the darkness laughing is another

48

00:02:54,410 --> 00:02:50,730

work of hers hidden star night-fishing

49

00:02:57,050 --> 00:02:54,420

and death trap her stage play from the

50

00:02:59,570 --> 00:02:57,060

balcony will is commissioned by London's

51
00:03:03,890 --> 00:02:59,580
National Theatre in conjunction with

52
00:03:07,220 --> 00:03:03,900
Radio 3 as a bohemian in Paris she has

53
00:03:08,929 --> 00:03:07,230
lived life let's let's admire this I

54
00:03:11,809 --> 00:03:08,939
mean it's amazing though the life that

55
00:03:14,059 --> 00:03:11,819
she's led so as a bohemian in Paris

56
00:03:16,910 --> 00:03:14,069
during the 50s and 60s Patrice spent

57
00:03:20,179 --> 00:03:16,920
time with jean-paul sartre and Simone de

58
00:03:22,489 --> 00:03:20,189
Beauvoir she married Charlie Chaplin's

59
00:03:26,089 --> 00:03:22,499
son Michael and lived and worked in

60
00:03:28,940 --> 00:03:26,099
Hollywood she was associated with Lauren

61
00:03:31,399 --> 00:03:28,950
Bacall Miles Davis Salvador Dali Marlon

62
00:03:34,459 --> 00:03:31,409
Brando and Jean Cocteau who gave her a

63
00:03:37,599 --> 00:03:34,469

starring role in one of his films now we

64

00:03:41,149 --> 00:03:37,609

know patrice based on her amazing

65

00:03:44,270 --> 00:03:41,159

paranormal books city of secrets the

66

00:03:45,860 --> 00:03:44,280

portal the stone cradle and the one

67

00:03:48,890 --> 00:03:45,870

we're going to be talking about tonight

68

00:03:53,000 --> 00:03:48,900

which we loved it's an incredible

69

00:03:55,129 --> 00:03:53,010

incredible book lucifer by moonlight

70

00:03:58,429 --> 00:03:55,139

now Patrice has opened the door to

71

00:04:01,670 --> 00:03:58,439

entirely new and compelling elements of

72

00:04:05,509 --> 00:04:01,680

all kinds of mysteries and we're gonna

73

00:04:09,559 --> 00:04:05,519

hear about Lucifer tonight so Patrice

74

00:04:11,170 --> 00:04:09,569

welcome to the show hello I'm glad to be

75

00:04:14,149 --> 00:04:11,180

on it hi

76

00:04:16,520 --> 00:04:14,159

well thanks so much for staying up so

77

00:04:19,789 --> 00:04:16,530

late to talk to our audience tonight

78

00:04:23,270 --> 00:04:19,799

about your new book Lucifer by moonlight

79

00:04:26,480 --> 00:04:23,280

is so wonderful you call it a fable but

80

00:04:29,300 --> 00:04:26,490

we know from talking to you off the air

81

00:04:31,610 --> 00:04:29,310

this is a very powerful book it's more

82

00:04:34,700 --> 00:04:31,620

than just a fable this was a channel

83

00:04:38,839 --> 00:04:34,710

book so tell us please how you got

84

00:04:41,120 --> 00:04:38,849

started on the Lucifer topic something

85

00:04:46,580 --> 00:04:41,130

amazing happened to you with a healer so

86

00:04:51,140 --> 00:04:46,590

let's start there right what it is

87

00:04:56,120 --> 00:04:51,150

called the summer of Lucifer so they had

88

00:04:58,730 --> 00:04:56,130

a you know storm and hurricane Lucifer

89

00:05:04,640 --> 00:04:58,740

the heat wave which was just mentioned

90

00:05:10,180 --> 00:05:04,650

by by PK Jason was also called Lucifer

91

00:05:11,480 --> 00:05:10,190

and they did to me I felt that was quite

92

00:05:13,070 --> 00:05:11,490

normal

93

00:05:15,260 --> 00:05:13,080

yeah you got of a name for something

94

00:05:17,930 --> 00:05:15,270

here so Lisa was all right I didn't

95

00:05:20,750 --> 00:05:17,940

think any more about it and I went to

96

00:05:24,890 --> 00:05:20,760

the healer Steven Sharov who's a psychic

97

00:05:25,780 --> 00:05:24,900

surgeon so you go in there and you get

98

00:05:31,870 --> 00:05:25,790

surgery

99

00:05:33,760 --> 00:05:31,880

knee and I went back to him because he

100

00:05:37,060 --> 00:05:33,770

was really powerful he doesn't spend

101
00:05:40,540 --> 00:05:37,070
long he does it quickly and he has a lot

102
00:05:43,060 --> 00:05:40,550
of clients because he works and I K went

103
00:05:44,890 --> 00:05:43,070
back to him it must have been around I

104
00:05:49,270 --> 00:05:44,900
think was around eight for some time

105
00:05:50,560 --> 00:05:49,280
like that and he said just as he was

106
00:05:52,660 --> 00:05:50,570
going out of the door

107
00:05:55,540 --> 00:05:52,670
he turned and he said you are going to

108
00:05:59,400 --> 00:05:55,550
have a visit from an angel within the

109
00:06:01,510 --> 00:05:59,410
next two days so I was immediately

110
00:06:05,310 --> 00:06:01,520
terrified because I thought that's it

111
00:06:09,030 --> 00:06:05,320
I'm gonna be passing over here so Oh

112
00:06:12,490 --> 00:06:09,040
what kind of show so either

113
00:06:14,440 --> 00:06:12,500

what kind I'm only told the angel is go

114

00:06:16,270 --> 00:06:14,450

of is it you and they said you're not

115

00:06:20,280 --> 00:06:16,280

afraid of death though you and I said oh

116

00:06:24,820 --> 00:06:20,290

no no I was terrified so he said what

117

00:06:27,700 --> 00:06:24,830

and the angel was gonna come on told

118

00:06:29,500 --> 00:06:27,710

it's good he went out the room so I went

119

00:06:31,840 --> 00:06:29,510

home and I thought well it'll be up

120

00:06:33,520 --> 00:06:31,850

night I'm probably gonna have a terrible

121

00:06:36,370 --> 00:06:33,530

sort of vision and that would be it

122

00:06:40,120 --> 00:06:36,380

maybe bit of bodily pain and our paths

123

00:06:42,850 --> 00:06:40,130

through and that will be me in the next

124

00:06:46,360 --> 00:06:42,860

place I am I was quiet I was quite

125

00:06:48,940 --> 00:06:46,370

nervous quite prepared in a way for what

126
00:06:52,150 --> 00:06:48,950
was gonna happen I'm sort of mediumistic

127
00:06:54,130 --> 00:06:52,160
and surely so I thought well we've all

128
00:06:57,790 --> 00:06:54,140
got to go over there so if I go with an

129
00:06:59,830 --> 00:06:57,800
angel that's fine um I got through the

130
00:07:03,130 --> 00:06:59,840
night I slept through the night next day

131
00:07:05,110 --> 00:07:03,140
no sign of an angel the following

132
00:07:07,780 --> 00:07:05,120
evening I thought well this has got to

133
00:07:09,550 --> 00:07:07,790
be it so I said some prayers I went to

134
00:07:13,750 --> 00:07:09,560
bed no angel

135
00:07:15,970 --> 00:07:13,760
so I feel like he was wrong and so even

136
00:07:18,610 --> 00:07:15,980
people like Stephen get it wrong he does

137
00:07:21,880 --> 00:07:18,620
wonderful things but no injury here and

138
00:07:25,530 --> 00:07:21,890

then I realized a bit later that I'd

139

00:07:28,570 --> 00:07:25,540

actually been writing about Lucifer

140

00:07:30,640 --> 00:07:28,580

because I'd finish the stone cradle I

141

00:07:34,120 --> 00:07:30,650

was doing some interviews and I wrote

142

00:07:37,780 --> 00:07:34,130

about Lucifer lying on the stone cradle

143

00:07:39,060 --> 00:07:37,790

and I went into more stuff about Lucifer

144

00:07:42,150 --> 00:07:39,070

and

145

00:07:47,130 --> 00:07:42,160

we kind of carried on at quite a pace

146

00:07:51,680 --> 00:07:47,140

and I did 13,000 words and it was I

147

00:07:55,380 --> 00:07:51,690

would say it was sort of focused and

148

00:07:58,320 --> 00:07:55,390

automatic but I had some choice over

149

00:08:00,110 --> 00:07:58,330

what I wrote and a kind of feeling of

150

00:08:04,860 --> 00:08:00,120

channeling I've never done it before

151

00:08:08,040 --> 00:08:04,870

never was that it woke rose higher so I

152

00:08:10,080 --> 00:08:08,050

could remember it later and he or should

153

00:08:12,930 --> 00:08:10,090

I change that name should I do something

154

00:08:15,240 --> 00:08:12,940

with that and then it went deeper so

155

00:08:19,050 --> 00:08:15,250

that my hand sped over the paper I write

156

00:08:23,270 --> 00:08:19,060

with a pen and I realized afterwards

157

00:08:26,040 --> 00:08:23,280

that I don't remember anything about him

158

00:08:27,720 --> 00:08:26,050

said to me like today and what I have

159

00:08:31,020 --> 00:08:27,730

done is it when did you write it I

160

00:08:33,030 --> 00:08:31,030

thought I wrote it like in July or

161

00:08:35,719 --> 00:08:33,040

something but it was much earlier than

162

00:08:39,870 --> 00:08:35,729

Oh mm-hmm

163

00:08:42,300 --> 00:08:39,880

it's just an incredible adventure that

164

00:08:43,950 --> 00:08:42,310

you had with this and as you mentioned

165

00:08:46,290 --> 00:08:43,960

before when you're off the air to you

166

00:08:48,540 --> 00:08:46,300

you had no memory of even channeling

167

00:08:52,070 --> 00:08:48,550

this and writing it and I gotta tell you

168

00:08:55,890 --> 00:08:52,080

that when when PK and I read this it

169

00:08:59,670 --> 00:08:55,900

there's something about it Patrice where

170

00:09:02,100 --> 00:08:59,680

it really it changes you I mean it's a

171

00:09:03,840 --> 00:09:02,110

transformative work I don't know if

172

00:09:06,990 --> 00:09:03,850

you've heard that from other people

173

00:09:10,350 --> 00:09:07,000

about it but it really feels like you've

174

00:09:12,990 --> 00:09:10,360

hit some spark in that book that gets

175

00:09:15,060 --> 00:09:13,000

inside your head and your heart and it

176

00:09:17,930 --> 00:09:15,070

just changed us things I don't know how

177

00:09:20,460 --> 00:09:17,940

else to describe it I think it is

178

00:09:24,480 --> 00:09:20,470

transformative yes that's what I feel

179

00:09:28,890 --> 00:09:24,490

about it I feel that the story needed to

180

00:09:32,280 --> 00:09:28,900

be told I felt it showed another aspect

181

00:09:34,230 --> 00:09:32,290

of what some people think it's a devil

182

00:09:36,120 --> 00:09:34,240

other people think it's a light bearer

183

00:09:38,100 --> 00:09:36,130

but we couldn't talk about that I guess

184

00:09:41,880 --> 00:09:38,110

that later on you are so it's questions

185

00:09:45,000 --> 00:09:41,890

but um I feel that this story it had

186

00:09:48,690 --> 00:09:45,010

something about David Bowie about it I'd

187

00:09:51,540 --> 00:09:48,700

had various artists first over like

188

00:09:52,530 --> 00:09:51,550

Lucien Freud people will go right to the

189

00:09:55,470 --> 00:09:52,540

edge

190

00:09:57,030 --> 00:09:55,480

and even the street boys in London you

191

00:10:00,530 --> 00:09:57,040

know they go to the edge - but I mean

192

00:10:05,790 --> 00:10:00,540

I'd say even especially people who are

193

00:10:09,120 --> 00:10:05,800

charismatic and not frightened they have

194

00:10:12,630 --> 00:10:09,130

no fear they go with it and I feel right

195

00:10:16,350 --> 00:10:12,640

that's all I'm loose if Eric time the

196

00:10:19,740 --> 00:10:16,360

people are doing this now yes because

197

00:10:22,320 --> 00:10:19,750

again I think Lucifer the name Lucifer

198

00:10:26,340 --> 00:10:22,330

has been corrupted through the centuries

199

00:10:29,100 --> 00:10:26,350

and abused and misused by religion to

200

00:10:33,600 --> 00:10:29,110

try to demonize him and we know the

201
00:10:38,700 --> 00:10:33,610
story but still it feels like there is

202
00:10:42,000 --> 00:10:38,710
so much more to the Lucifer entity as an

203
00:10:45,210 --> 00:10:42,010
archangel and yet you mentioned that

204
00:10:49,020 --> 00:10:45,220
people in Spain actually claimed to have

205
00:10:56,490 --> 00:10:49,030
seen him did know him tell us about that

206
00:11:00,840 --> 00:10:56,500
yes well the legend is that Lucifer fell

207
00:11:03,540 --> 00:11:00,850
to earth in the area of the Pyrenees

208
00:11:08,550 --> 00:11:03,550
Mountains which is dividing Spain in

209
00:11:11,100 --> 00:11:08,560
France five thousand years plus ago so

210
00:11:15,030 --> 00:11:11,110
it would be three thousand years prior

211
00:11:20,430 --> 00:11:15,040
to Christ and he was a child of light

212
00:11:23,160 --> 00:11:20,440
and he was lain on a stone cradle which

213
00:11:27,000 --> 00:11:23,170

was a stone that rocked and it had

214

00:11:31,350 --> 00:11:27,010

various qualities and also nutrients in

215

00:11:37,260 --> 00:11:31,360

in in the cradle which sustained this

216

00:11:43,190 --> 00:11:37,270

being also said a woman from the east

217

00:11:46,770 --> 00:11:43,200

came to tend to him it was said he was

218

00:11:50,790 --> 00:11:46,780

brought well he came here to walk the

219

00:11:53,480 --> 00:11:50,800

earth to form an to evolve to lift him

220

00:11:57,780 --> 00:11:53,490

up to the etheric plane no I suppose

221

00:12:00,300 --> 00:11:57,790

people in could go back 5,000 years they

222

00:12:02,280 --> 00:12:00,310

would be speaking they'd be making sound

223

00:12:05,160 --> 00:12:02,290

I don't know very much about what people

224

00:12:05,850 --> 00:12:05,170

were doing 5,000 years ago I can see the

225

00:12:08,730 --> 00:12:05,860

remain

226

00:12:11,430 --> 00:12:08,740

in the area of the stone cradle and

227

00:12:14,790 --> 00:12:11,440

there were human standing stones are all

228

00:12:19,320 --> 00:12:14,800

things going back along the way so and

229

00:12:22,020 --> 00:12:19,330

there were those long those figures who

230

00:12:24,710 --> 00:12:22,030

long heads were around at that time to

231

00:12:28,190 --> 00:12:24,720

did cave paintings I go back a long way

232

00:12:31,290 --> 00:12:28,200

but did they state I have no idea

233

00:12:35,130 --> 00:12:31,300

Lucifer came and gave language he gave

234

00:12:38,720 --> 00:12:35,140

his old men T bought them the etheric

235

00:12:41,610 --> 00:12:38,730

plane healing he was around when the

236

00:12:44,490 --> 00:12:41,620

time of the first pyramid he was there

237

00:12:48,450 --> 00:12:44,500

when that was being built he had a

238

00:12:55,470 --> 00:12:48,460

definite link with session who was the

239

00:12:59,850 --> 00:12:55,480

goddess of writing measuring she was she

240

00:13:02,850 --> 00:12:59,860

couldn't measure pyramids and the other

241

00:13:06,480 --> 00:13:02,860

thing she was psychic and he brought a

242

00:13:08,910 --> 00:13:06,490

link between her and the area but a

243

00:13:13,200 --> 00:13:08,920

stone cradle but she didn't Catalunya

244

00:13:15,560 --> 00:13:13,210

just north of Girona and just below the

245

00:13:18,600 --> 00:13:15,570

Pyrenees Mountains and people have gone

246

00:13:21,980 --> 00:13:18,610

over the years to look for traces of

247

00:13:27,720 --> 00:13:21,990

Lucifer especially notably utter wrong

248

00:13:31,320 --> 00:13:27,730

who is the German Grail writer in the

249

00:13:34,440 --> 00:13:31,330

30s he went down there and he knew about

250

00:13:37,560 --> 00:13:34,450

the stone and he thought it was probably

251
00:13:41,610 --> 00:13:37,570
the third eye of Lucifer that had fallen

252
00:13:45,360 --> 00:13:41,620
onto the mountains but in fact it was

253
00:13:48,240 --> 00:13:45,370
this very old keidel stone which was

254
00:13:50,910 --> 00:13:48,250
probably one of the oldest stones on the

255
00:13:53,580 --> 00:13:50,920
planet and in fact it was a meteorite it

256
00:13:55,760 --> 00:13:53,590
wasn't an existing soon as part of a

257
00:13:59,460 --> 00:13:55,770
granny

258
00:14:01,830 --> 00:13:59,470
you know it's and again people should

259
00:14:04,170 --> 00:14:01,840
get your other book to stay on cradle to

260
00:14:05,990 --> 00:14:04,180
read more about your adventures with

261
00:14:09,780 --> 00:14:06,000
that because that's another powerful

262
00:14:12,710 --> 00:14:09,790
book but I think true literature does

263
00:14:17,070 --> 00:14:12,720

change who you are and and this is what

264

00:14:19,650 --> 00:14:17,080

this book does Lucifer by moonlight it's

265

00:14:21,840 --> 00:14:19,660

I can't recommend it

266

00:14:23,910 --> 00:14:21,850

enough because just reading this book is

267

00:14:27,420 --> 00:14:23,920

going to change you in your life I

268

00:14:30,810 --> 00:14:27,430

guarantee it and I also want to say to

269

00:14:33,150 --> 00:14:30,820

you that your illustrator there's most

270

00:14:38,220 --> 00:14:33,160

amazing little illustrations in this

271

00:14:40,890 --> 00:14:38,230

book she does such a beautiful job so we

272

00:14:43,650 --> 00:14:40,900

need to thank her for the work that she

273

00:14:46,650 --> 00:14:43,660

did this is Scott Miller and she's an

274

00:14:48,830 --> 00:14:46,660

artist and very well known over here and

275

00:14:52,590 --> 00:14:48,840

it's the first time she's ever

276

00:14:55,080 --> 00:14:52,600

Illustrated and you think gosh that's

277

00:15:07,560 --> 00:14:55,090

great I love the little red hit punky

278

00:15:09,330 --> 00:15:07,570

hair she gave I have a question for you

279

00:15:11,940 --> 00:15:09,340

from the chat room and this is from

280

00:15:15,570 --> 00:15:11,950

Vampira who's saying do you think

281

00:15:18,300 --> 00:15:15,580

Lucifer was demonized as a way just to

282

00:15:21,120 --> 00:15:18,310

create a nemesis for the church to carry

283

00:15:26,550 --> 00:15:21,130

out a political mission to increase

284

00:15:31,910 --> 00:15:26,560

their power probably I mean that by

285

00:15:37,440 --> 00:15:34,860

young encouraging there or improving

286

00:15:40,040 --> 00:15:37,450

their power expanding her power I

287

00:15:43,440 --> 00:15:40,050

certainly think that there were things

288

00:15:47,790 --> 00:15:43,450

about Lucifer that did not fit him with

289

00:15:50,250 --> 00:15:47,800

her teaching and then male doctrine but

290

00:15:55,070 --> 00:15:50,260

they've never said actually in the Bible

291

00:15:58,590 --> 00:15:55,080

as far as I've been told by priests that

292

00:16:02,670 --> 00:15:58,600

Lucifer is mentioned as the Antichrist

293

00:16:07,140 --> 00:16:02,680

or Satan or the devil he's called to

294

00:16:09,180 --> 00:16:07,150

being the light bringer exactly there's

295

00:16:13,350 --> 00:16:09,190

only one mention of him - from what I

296

00:16:16,410 --> 00:16:13,360

heard in the King James Bible yeah but I

297

00:16:22,920 --> 00:16:16,420

think that what it is that they they

298

00:16:25,410 --> 00:16:22,930

can't accept this being which defied God

299

00:16:29,390 --> 00:16:25,420

because after all according to what we

300

00:16:33,700 --> 00:16:32,550

Lucifer was the Archangel the favorite

301
00:16:37,350 --> 00:16:33,710
of God he said

302
00:16:40,960 --> 00:16:37,360
the high table and he was disobedient

303
00:16:45,790 --> 00:16:40,970
westwoods wanted free will and he gave

304
00:16:47,769 --> 00:16:45,800
the beings there a choice he said you

305
00:16:50,590 --> 00:16:47,779
know think for yourselves to his free

306
00:16:53,740 --> 00:16:50,600
will go to the edge and these were

307
00:16:57,070 --> 00:16:53,750
beings that had one layer of thinking

308
00:16:59,980 --> 00:16:57,080
and behaving they were obedient so in

309
00:17:03,270 --> 00:16:59,990
exchange for what he did and said he was

310
00:17:07,750 --> 00:17:03,280
thrown out and so he caused the fool

311
00:17:10,290 --> 00:17:07,760
which meant for hidden apparently

312
00:17:14,199 --> 00:17:10,300
according to many writers according

313
00:17:17,410 --> 00:17:14,209

especially to Steiner he couldn't then

314

00:17:18,970 --> 00:17:17,420

be the master of Venus the Venus was the

315

00:17:22,059 --> 00:17:18,980

place he loved the most

316

00:17:24,880 --> 00:17:22,069

that was the place he needed to be his

317

00:17:28,390 --> 00:17:24,890

true home his true love and he was

318

00:17:33,460 --> 00:17:28,400

excluded because one of the four and a

319

00:17:37,390 --> 00:17:33,470

second because he used the five the

320

00:17:39,430 --> 00:17:37,400

number five so this was another I've

321

00:17:42,220 --> 00:17:39,440

forgotten the pentagram he wasn't

322

00:17:44,740 --> 00:17:42,230

allowed to use the pentagram and he did

323

00:17:49,930 --> 00:17:44,750

so I mean the pentagram is another whole

324

00:17:52,540 --> 00:17:49,940

story to it but he was there in the area

325

00:17:54,940 --> 00:17:52,550

we read where you know we're kind of a

326

00:17:57,220 --> 00:17:54,950

cult what Lucifer's point of view we're

327

00:18:02,380 --> 00:17:57,230

kind of limited we've got you know we've

328

00:18:06,280 --> 00:18:02,390

got to a jewel honey here and he's his

329

00:18:09,360 --> 00:18:06,290

punishment was to remain here on on

330

00:18:12,430 --> 00:18:09,370

subsequent planets similar maybe less

331

00:18:16,120 --> 00:18:12,440

beneficial but he couldn't die he was no

332

00:18:19,000 --> 00:18:16,130

dying no rebirth and I thought that came

333

00:18:23,500 --> 00:18:19,010

through and what I wrote in definitely

334

00:18:26,500 --> 00:18:23,510

in process yeah he was yes I felt he was

335

00:18:27,790 --> 00:18:26,510

here for this time around he was here

336

00:18:33,120 --> 00:18:27,800

for redemption

337

00:18:36,669 --> 00:18:33,130

and not for but not he stirs things up

338

00:18:39,700 --> 00:18:36,679

like think of that Catalunya with where

339

00:18:42,460 --> 00:18:39,710

he came where he landed and we think now

340

00:18:45,280 --> 00:18:42,470

what is happening Catalunya today and

341

00:18:47,650 --> 00:18:45,290

it's big fight with Madrid because they

342

00:18:50,770 --> 00:18:47,660

want independence they want

343

00:18:53,170 --> 00:18:50,780

they don't want law according to

344

00:18:55,510 --> 00:18:53,180

man-made law that other people want

345

00:18:59,620 --> 00:18:55,520

their own there's a lot of loose if Eric

346

00:19:03,180 --> 00:18:59,630

stopped going on there now and people in

347

00:19:07,360 --> 00:19:03,190

Catalunya because he's are being relid

348

00:19:09,280 --> 00:19:07,370

they don't wish to have him reviled

349

00:19:14,170 --> 00:19:09,290

they're very very clear on that he's

350

00:19:18,280 --> 00:19:14,180

they brought temples to Venus which will

351

00:19:23,050 --> 00:19:18,290

Lucifer ik they've got towers buildings

352

00:19:27,390 --> 00:19:23,060

churches which are Lucifer ik they have

353

00:19:29,770 --> 00:19:27,400

music ritual and these people call him

354

00:19:32,860 --> 00:19:29,780

Lucifer quite openly

355

00:19:35,560 --> 00:19:32,870

he's the being of light so there's no

356

00:19:37,930 --> 00:19:35,570

question not only that there's a girl

357

00:19:41,460 --> 00:19:37,940

there the gold a shoemaker gold

358

00:19:45,820 --> 00:19:41,470

we've been going a long time and called

359

00:19:49,000 --> 00:19:45,830

loose polite which celebrate Lisa and

360

00:19:51,880 --> 00:19:49,010

the countless before that they had

361

00:19:56,620 --> 00:19:51,890

Celtic settlements in their area they

362

00:19:58,690 --> 00:19:56,630

call him lug Lu Zhi and a two celebrated

363

00:20:01,380 --> 00:19:58,700

so he's a I don't think he's an

364

00:20:03,970 --> 00:20:01,390

archetype I think he's an actual

365

00:20:06,460 --> 00:20:03,980

presence that will be somewhere around

366

00:20:08,620 --> 00:20:06,470

what will he look like well he's gonna

367

00:20:12,280 --> 00:20:08,630

look like us or we kill him monthly so

368

00:20:15,970 --> 00:20:12,290

he's gonna be something like us but he's

369

00:20:18,070 --> 00:20:15,980

gonna have more two of them so that's

370

00:20:23,140 --> 00:20:18,080

what I would think he's probably a

371

00:20:25,300 --> 00:20:23,150

wanderer he doesn't stay put long he'd

372

00:20:27,340 --> 00:20:25,310

be charismatic and he that's another

373

00:20:31,150 --> 00:20:27,350

thing the church don't like a berry

374

00:20:34,120 --> 00:20:31,160

myths that he deflects light they say he

375

00:20:37,810 --> 00:20:34,130

has no real light that he takes the

376

00:20:43,030 --> 00:20:37,820

light from other beings and flex it and

377

00:20:48,700 --> 00:20:43,040

what is behind the dark the void mm-hmm

378

00:20:50,020 --> 00:20:48,710

that's also in Catalonia they really

379

00:20:53,260 --> 00:20:50,030

Revere him

380

00:20:55,330 --> 00:20:53,270

yeah and that's so different than the

381

00:20:57,790 --> 00:20:55,340

rest of the world that has learned to

382

00:21:00,230 --> 00:20:57,800

associate him with bad things and Satan

383

00:21:03,169 --> 00:21:00,240

and temptation and all of that stuff

384

00:21:05,990 --> 00:21:03,179

somehow this part of the world was able

385

00:21:09,740 --> 00:21:06,000

to preserve a completely different

386

00:21:14,870 --> 00:21:09,750

legacy yeah that happened yeah hmm and

387

00:21:17,440 --> 00:21:14,880

they have a society which protects the

388

00:21:21,410 --> 00:21:17,450

stone kale area where there are many

389

00:21:23,419 --> 00:21:21,420

entities and elementals and they've been

390

00:21:28,100 --> 00:21:23,429

there for hundreds of years I mean they

391

00:21:30,950 --> 00:21:28,110

never see a human being I mean they've

392

00:21:33,620 --> 00:21:30,960

got a huge land full of old stones and

393

00:21:36,320 --> 00:21:33,630

the ancient trees and though there are

394

00:21:38,930 --> 00:21:36,330

no people around hardly any but people

395

00:21:41,780 --> 00:21:38,940

used to go to the stone cradle to be

396

00:21:45,200 --> 00:21:41,790

healed they used to go there to die

397

00:21:47,930 --> 00:21:45,210

to give birth and to get well that was

398

00:21:52,820 --> 00:21:47,940

the the idea of that place and it has

399

00:21:55,250 --> 00:21:52,830

many interesting qualities to it so it's

400

00:21:58,730 --> 00:21:55,260

certainly been used for many good things

401
00:22:01,549 --> 00:21:58,740
they're not bad things exactly exactly

402
00:22:03,860 --> 00:22:01,559
so it's just fascinating that now this

403
00:22:06,230 --> 00:22:03,870
part of the world is caught up in trying

404
00:22:09,620 --> 00:22:06,240
to achieve their own independence which

405
00:22:11,660 --> 00:22:09,630
is all about freewill right so how

406
00:22:13,820 --> 00:22:11,670
fascinating it that's where what we're

407
00:22:16,940 --> 00:22:13,830
watching right now in the world stage

408
00:22:21,590 --> 00:22:16,950
and it looks like Spain isn't taking it

409
00:22:25,370 --> 00:22:21,600
very well they're not thing about it is

410
00:22:29,210 --> 00:22:25,380
that just recently last Saturday there

411
00:22:32,570 --> 00:22:29,220
was a quite established flagship

412
00:22:38,390 --> 00:22:32,580
broadcast in Madrid a political one on

413
00:22:41,000 --> 00:22:38,400

our TV there main station showing the

414

00:22:45,700 --> 00:22:41,010

Catalan leader the deposed leader in

415

00:22:48,710 --> 00:22:45,710

Belgium and he was talking about

416

00:22:52,120 --> 00:22:48,720

probably go he was prepared to go to

417

00:22:56,150 --> 00:22:52,130

jail for his beliefs and so were his

418

00:22:59,150 --> 00:22:56,160

associates and at that moment the music

419

00:23:05,440 --> 00:22:59,160

the theme music from The Exorcist the

420

00:23:13,100 --> 00:23:09,380

nobody knew why this had happened it

421

00:23:13,760 --> 00:23:13,110

seemed like an incredible insult to the

422

00:23:18,770 --> 00:23:13,770

Catalan

423

00:23:21,520 --> 00:23:18,780

um also if you know Lucy I think it was

424

00:23:24,530 --> 00:23:21,530

my cold food it was their bells

425

00:23:28,370 --> 00:23:24,540

something like the name of the theme

426

00:23:31,520 --> 00:23:28,380

music but it the film is 1973 and it was

427

00:23:31,970 --> 00:23:31,530

definitely a demonic present and under

428

00:23:35,710 --> 00:23:31,980

us

429

00:23:39,280 --> 00:23:35,720

yeah so I mean they were indicating that

430

00:23:42,890 --> 00:23:39,290

pushed him on the Catalan leader was

431

00:23:45,830 --> 00:23:42,900

possibly Lucifer and probably I think

432

00:23:49,190 --> 00:23:45,840

that the legend of Catalunya

433

00:23:51,590 --> 00:23:49,200

and Lucifer's probably penetrated Madrid

434

00:23:53,600 --> 00:23:51,600

by now they probably thought for their

435

00:23:57,740 --> 00:23:53,610

hands on that one and it's very light

436

00:24:01,820 --> 00:23:57,750

yes but they use this to discredit him

437

00:24:04,460 --> 00:24:01,830

as part of Catalunya and their belief

438

00:24:07,610 --> 00:24:04,470

and many people believe they they

439

00:24:12,560 --> 00:24:07,620

believe and they accept the loose if

440

00:24:16,070 --> 00:24:12,570

Eric legend and history it's so

441

00:24:18,050 --> 00:24:16,080

fascinating and and as a community

442

00:24:20,690 --> 00:24:18,060

what are they like I mean are they a

443

00:24:23,540 --> 00:24:20,700

happy bunch of people are they do they

444

00:24:27,200 --> 00:24:23,550

have any differences in their community

445

00:24:29,750 --> 00:24:27,210

that are noted notable you know what I'm

446

00:24:32,690 --> 00:24:29,760

saying is it yeah yeah yeah yes they do

447

00:24:33,140 --> 00:24:32,700

you think this is the Catalans yeah they

448

00:24:37,220 --> 00:24:33,150

do

449

00:24:39,800 --> 00:24:37,230

they're quite um oh they're proud

450

00:24:41,900 --> 00:24:39,810

they've got a heron they've got a

451
00:24:45,620 --> 00:24:41,910
history that old they go back a long

452
00:24:47,690 --> 00:24:45,630
long way they believe their own country

453
00:24:52,790 --> 00:24:47,700
they're gonna give but they don't want

454
00:24:55,220 --> 00:24:52,800
people taking mmm-hmm to fight for their

455
00:24:57,890 --> 00:24:55,230
identity it's more than independence

456
00:25:02,480 --> 00:24:57,900
right for their identity I was there in

457
00:25:05,210 --> 00:25:02,490
late fifties when Franco and the regime

458
00:25:07,460 --> 00:25:05,220
were very strong in Spain because the

459
00:25:11,660 --> 00:25:07,470
Republic second Republic lost the Civil

460
00:25:13,850 --> 00:25:11,670
War and Catalunya was part of the the

461
00:25:18,410 --> 00:25:13,860
payment that they fought hard and lost

462
00:25:21,850 --> 00:25:18,420
and and I remembered that the these

463
00:25:25,040 --> 00:25:21,860

people fought for what they believed

464

00:25:27,560 --> 00:25:25,050

even if it meant that in the night cars

465

00:25:29,390 --> 00:25:27,570

came

466

00:25:32,180 --> 00:25:29,400

blowing cause there are no lights and

467

00:25:35,960 --> 00:25:32,190

chalk the area's Catalans

468

00:25:37,010 --> 00:25:35,970

away to jail ordered death but they were

469

00:25:40,820 --> 00:25:37,020

never seen again

470

00:25:43,580 --> 00:25:40,830

oh my god no sir yeah in spite of that

471

00:25:46,550 --> 00:25:43,590

and people you know old enough like my

472

00:25:49,910 --> 00:25:46,560

sort remember they they remember only

473

00:25:53,030 --> 00:25:49,920

too well and they say this is a replay

474

00:25:55,940 --> 00:25:53,040

of what we've been through before so I

475

00:25:58,610 --> 00:25:55,950

feel that they they they're prepared to

476
00:26:00,320 --> 00:25:58,620
fight they have their own language they

477
00:26:03,790 --> 00:26:00,330
have their own dancing they have their

478
00:26:06,770 --> 00:26:03,800
own culture they're different to Spanish

479
00:26:09,410 --> 00:26:06,780
there's no question about it and the

480
00:26:13,430 --> 00:26:09,420
Spanish in turn feel about the Catalans

481
00:26:15,470 --> 00:26:13,440
that they're arrogant that they they're

482
00:26:18,440 --> 00:26:15,480
too rich they walk because they work

483
00:26:21,500 --> 00:26:18,450
hard but also the learned is lustrous

484
00:26:23,840 --> 00:26:21,510
say boys they've they've had it very

485
00:26:27,920 --> 00:26:23,850
well with that countryside there's no

486
00:26:32,860 --> 00:26:27,930
question and also the Catalans are

487
00:26:35,510 --> 00:26:32,870
mystical they've got aside which comes

488
00:26:37,850 --> 00:26:35,520

interesting oh yeah definitely

489

00:26:40,040 --> 00:26:37,860

people from all the history that they've

490

00:26:42,470 --> 00:26:40,050

had a man have had going back the

491

00:26:45,650 --> 00:26:42,480

Phoenicians they've had the greats about

492

00:26:47,750 --> 00:26:45,660

the Romans Mary Magdalene was that were

493

00:26:49,790 --> 00:26:47,760

supposed to be there the Jews but

494

00:26:52,730 --> 00:26:49,800

certainly the cabinet's were there

495

00:26:56,090 --> 00:26:52,740

Charlemagne was there and in with the

496

00:26:58,940 --> 00:26:56,100

question of the kabalists it was a lot

497

00:27:02,270 --> 00:26:58,950

of the main tenants of Kabbalah were

498

00:27:06,110 --> 00:27:02,280

founded actually in Girona which is

499

00:27:10,100 --> 00:27:06,120

called the mother of Israel and the

500

00:27:13,550 --> 00:27:10,110

thing with some of the experiments they

501
00:27:16,790 --> 00:27:13,560
conducted well mystical going into

502
00:27:20,240 --> 00:27:16,800
amazing layers for from ones we the

503
00:27:24,080 --> 00:27:20,250
levels they went to mint some of them

504
00:27:27,140 --> 00:27:24,090
didn't return a life or didn't return or

505
00:27:31,130 --> 00:27:27,150
returned ill not well in their minds

506
00:27:34,340 --> 00:27:31,140
only one came back apparently with a

507
00:27:39,290 --> 00:27:34,350
story that he could write an account and

508
00:27:41,100 --> 00:27:39,300
when expulsion came they the Jews were

509
00:27:44,700 --> 00:27:41,110
given a choice to

510
00:27:46,740 --> 00:27:44,710
so a lot of the Catalans have Jewish

511
00:27:48,840 --> 00:27:46,750
blood okay

512
00:27:51,840 --> 00:27:48,850
don't remember of course they don't

513
00:27:55,830 --> 00:27:51,850

remember and it wasn't talked about the

514

00:28:00,660 --> 00:27:55,840

whole area was covered up motion so it

515

00:28:02,550 --> 00:28:00,670

was only opened in 1972 and I was there

516

00:28:04,920 --> 00:28:02,560

at the time of the opening of that

517

00:28:07,500 --> 00:28:04,930

cavernous Center and it was very

518

00:28:11,460 --> 00:28:07,510

important to the mother hall of the

519

00:28:14,460 --> 00:28:11,470

Jewish system and I still remember

520

00:28:16,170 --> 00:28:14,470

getting money for it from going to

521

00:28:18,510 --> 00:28:16,180

Hollywood and talking to people like

522

00:28:20,460 --> 00:28:18,520

Kissinger and all the spies and getting

523

00:28:23,190 --> 00:28:20,470

money to keep this going this place

524

00:28:26,040 --> 00:28:23,200

which was well now it's going very well

525

00:28:29,250 --> 00:28:26,050

I must say but it's so it's a mixed yeah

526

00:28:31,350 --> 00:28:29,260

there's a lot of strange things that go

527

00:28:34,050 --> 00:28:31,360

on these people except they throw well

528

00:28:35,970 --> 00:28:34,060

it's the way it is this is how it is we

529

00:28:38,490 --> 00:28:35,980

don't it sounds like a very mystical

530

00:28:40,830 --> 00:28:38,500

part of the world and in the way that

531

00:28:42,540 --> 00:28:40,840

they've embraced Lucifer being the

532

00:28:44,400 --> 00:28:42,550

Morningstar and being an archangel I

533

00:28:46,320 --> 00:28:44,410

mean it's a very different way I think

534

00:28:47,970 --> 00:28:46,330

of looking at not just Lucifer but

535

00:28:49,500 --> 00:28:47,980

looking at the world and that's why I

536

00:28:52,680 --> 00:28:49,510

wondered how they were as a community

537

00:28:55,260 --> 00:28:52,690

but you answered that very well so that

538

00:28:57,900 --> 00:28:55,270

now I think we have a picture of who

539

00:29:00,540 --> 00:28:57,910

these people are and they're to be

540

00:29:03,420 --> 00:29:00,550

commended for standing by their

541

00:29:06,300 --> 00:29:03,430

principles that's for sure oh my

542

00:29:08,280 --> 00:29:06,310

goodness this is fascinating the trees

543

00:29:11,010 --> 00:29:08,290

so again we are speaking tonight with

544

00:29:14,490 --> 00:29:11,020

Patrice chaplain who is the author of a

545

00:29:18,420 --> 00:29:14,500

new book called Lucifer by moonlight

546

00:29:20,370 --> 00:29:18,430

it's terrific and I think everybody in

547

00:29:23,760 --> 00:29:20,380

our audience tonight would really enjoy

548

00:29:27,390 --> 00:29:23,770

reading it and this is true literature

549

00:29:30,540 --> 00:29:27,400

it is the real stuff that transforms

550

00:29:33,720 --> 00:29:30,550

your life so don't hesitate to get this

551
00:29:37,560 --> 00:29:33,730
book it's available on amazon.com and it

552
00:29:39,620 --> 00:29:37,570
is really really special so we're going

553
00:29:42,270 --> 00:29:39,630
to continue our conversation with

554
00:29:44,910 --> 00:29:42,280
Patrice right after our very short

555
00:29:47,190 --> 00:29:44,920
commercial break we've got Patrice with

556
00:29:49,950 --> 00:29:47,200
us for one more half hour we've got a

557
00:29:52,920 --> 00:29:49,960
lot of questions to get to in the chat

558
00:29:54,630 --> 00:29:52,930
room so stay with us everybody you are

559
00:29:59,340 --> 00:29:54,640
listening to Supernatural

560
00:30:01,920 --> 00:29:59,350
radio we'll be right back welcome back

561
00:30:03,930 --> 00:30:01,930
everyone to Supernatural girls radio

562
00:30:08,070 --> 00:30:03,940
I'm your host Patricia Baker here with

563
00:30:09,960 --> 00:30:08,080

my co-host pk and our guests we're so

564

00:30:12,180 --> 00:30:09,970

honored to have her on the show with us

565

00:30:16,110 --> 00:30:12,190

tonight Patrice chaplain we were talking

566

00:30:18,750 --> 00:30:16,120

about her new book Lucifer by moonlight

567

00:30:21,060 --> 00:30:18,760

you want to be transformed get a copy of

568

00:30:22,320 --> 00:30:21,070

that book and read it it will change you

569

00:30:24,000 --> 00:30:22,330

I guarantee it

570

00:30:25,350 --> 00:30:24,010

so I've got a bunch of questions for you

571

00:30:27,270 --> 00:30:25,360

Patrice and then we're going to get back

572

00:30:30,060 --> 00:30:27,280

to that conversation we were having off

573

00:30:33,210 --> 00:30:30,070

the air because it was amazing but

574

00:30:36,030 --> 00:30:33,220

here's a question from Henry saying did

575

00:30:39,180 --> 00:30:36,040

Lucifer encourage others to follow him

576

00:30:41,520 --> 00:30:39,190

or did he go about his own business I

577

00:30:45,900 --> 00:30:41,530

never understand what his agenda on

578

00:30:48,480 --> 00:30:45,910

earth was no he didn't

579

00:30:52,590 --> 00:30:48,490

as far as I know he did not encourage

580

00:30:57,960 --> 00:30:52,600

our following he do his business on

581

00:31:02,700 --> 00:30:57,970

earth was to help people to be evolved

582

00:31:05,970 --> 00:31:02,710

to help them to heal to lift up their

583

00:31:09,990 --> 00:31:05,980

spiritual side which obviously was not

584

00:31:13,770 --> 00:31:10,000

to existence at that time and to help

585

00:31:18,780 --> 00:31:13,780

with the building of the pyramid and to

586

00:31:21,990 --> 00:31:18,790

go from two layer to jewel jewel

587

00:31:23,460 --> 00:31:22,000

universe when he was used to a much

588

00:31:27,420 --> 00:31:23,470

wider story

589

00:31:31,200 --> 00:31:27,430

I don't even heard anything where he's

590

00:31:37,560 --> 00:31:31,210

had followers he's a recent solitary

591

00:31:43,830 --> 00:31:37,570

being amongst people but to see the

592

00:31:45,780 --> 00:31:43,840

sightings of possible Lucifer never have

593

00:31:50,190 --> 00:31:45,790

anybody else around

594

00:31:54,720 --> 00:31:50,200

except of course he had people who were

595

00:31:57,180 --> 00:31:54,730

drawn in by his charisma when I said it

596

00:31:59,070 --> 00:31:57,190

was male/female that's another side

597

00:32:01,650 --> 00:31:59,080

people you know they said he wasn't

598

00:32:05,820 --> 00:32:01,660

limited I mean he wasn't allowed for

599

00:32:07,869 --> 00:32:05,830

mail he was kind of had a female side so

600

00:32:11,919 --> 00:32:07,879

be knotted and rot

601
00:32:15,699 --> 00:32:11,929
but would be someone who each other -

602
00:32:18,549 --> 00:32:15,709
swords - mm-hmm well that would make

603
00:32:21,909 --> 00:32:18,559
sense coming from Venus you know there's

604
00:32:23,529 --> 00:32:21,919
a feminine influence mm-hmm that he

605
00:32:25,629 --> 00:32:23,539
would have that side of him quite

606
00:32:27,549 --> 00:32:25,639
developed here's another question this

607
00:32:34,389 --> 00:32:27,559
is from Brian Gresham he wants to know

608
00:32:37,479 --> 00:32:34,399
did God ever show mercy on Lucifer well

609
00:32:39,939 --> 00:32:37,489
as far as on toe by people who would

610
00:32:43,809 --> 00:32:39,949
know more than I do that would be mean

611
00:32:46,269 --> 00:32:43,819
the society that look after this system

612
00:32:51,219 --> 00:32:46,279
cradle and he's the journeys to Venus

613
00:32:53,859 --> 00:32:51,229

and other places that he was given a

614

00:32:58,719 --> 00:32:53,869

world like a prison sentence but it's a

615

00:33:03,219 --> 00:32:58,729

time he's given a time to live out their

616

00:33:06,849 --> 00:33:03,229

whole business of his disobeying I

617

00:33:11,229 --> 00:33:06,859

suppose disobeying the law not was it so

618

00:33:14,759 --> 00:33:11,239

the time that was spent is being here as

619

00:33:17,979 --> 00:33:14,769

we said earlier here in other places but

620

00:33:20,559 --> 00:33:17,989

certainly not in the place that he would

621

00:33:24,519 --> 00:33:20,569

most like to be master of another thing

622

00:33:27,129 --> 00:33:24,529

that sucks for you longs for and I know

623

00:33:30,449 --> 00:33:27,139

that's fight kids can reach can reach

624

00:33:37,839 --> 00:33:34,239

yes yes now we had an interesting

625

00:33:40,299 --> 00:33:37,849

conversation off the air that we've got

626
00:33:41,949 --> 00:33:40,309
to bring to our audience because I think

627
00:33:44,319 --> 00:33:41,959
you could have knocked me over with a

628
00:33:45,939 --> 00:33:44,329
feather and YouTube pk because the

629
00:33:49,209 --> 00:33:45,949
question was that we were talking about

630
00:33:52,419 --> 00:33:49,219
off the air is anybody seen Lucifer and

631
00:33:55,719 --> 00:33:52,429
you said yes so we gotta go there we

632
00:33:57,759 --> 00:33:55,729
gotta go there tell us about your

633
00:34:03,939 --> 00:33:57,769
experience and other people's experience

634
00:34:07,959 --> 00:34:03,949
and seeing Lucifer right no I can't say

635
00:34:11,980 --> 00:34:07,969
that what I saw was Lucifer but I can

636
00:34:13,960 --> 00:34:11,990
only say that other people well maybe

637
00:34:16,180 --> 00:34:13,970
Assumption or some people had the

638
00:34:20,019 --> 00:34:16,190

definite certainty that this was the

639

00:34:21,309 --> 00:34:20,029

case and all the visitations happened in

640

00:34:24,639 --> 00:34:21,319

a short period of time

641

00:34:27,189 --> 00:34:24,649

about a month and it was must be about

642

00:34:30,699 --> 00:34:27,199

three or four years ago and it was in

643

00:34:32,769 --> 00:34:30,709

Paris in the Church of son German which

644

00:34:35,319 --> 00:34:32,779

is quite a big it's a big church she's

645

00:34:37,419 --> 00:34:35,329

an old church it's right right in the

646

00:34:42,489 --> 00:34:37,429

you know the center of the old ponder

647

00:34:45,369 --> 00:34:42,499

and and I was the other words it's big

648

00:34:48,430 --> 00:34:45,379

full of tourists which would be normal

649

00:34:50,349 --> 00:34:48,440

there with our visitors people who come

650

00:34:55,109 --> 00:34:50,359

in from work because they go and date

651
00:34:58,779 --> 00:34:55,119
master when I was quite near the altar

652
00:35:01,779 --> 00:34:58,789
with a friend and I was suddenly aware

653
00:35:04,870 --> 00:35:01,789
of it it's absolutely beautiful figure

654
00:35:06,039 --> 00:35:04,880
in front of me but maybe three rows in

655
00:35:08,739 --> 00:35:06,049
France

656
00:35:12,489 --> 00:35:08,749
and it was a male he turned round he had

657
00:35:14,920 --> 00:35:12,499
quite long blonde hair he looked at

658
00:35:17,709 --> 00:35:14,930
three being to the sea he had the kind

659
00:35:19,660 --> 00:35:17,719
of beautiful skinny but I took it's a

660
00:35:21,430 --> 00:35:19,670
movie so it's got to be and then I

661
00:35:25,390 --> 00:35:21,440
really like he's wearing a kind of white

662
00:35:28,329 --> 00:35:25,400
tunic and that he had these brown naked

663
00:35:30,579 --> 00:35:28,339

legs very very beautiful legs and no no

664

00:35:35,229 --> 00:35:30,589

shoes so it was nothing on his feet

665

00:35:39,219 --> 00:35:35,239

except some anklets of some kind and he

666

00:35:43,390 --> 00:35:39,229

walked through the crowd I turn around I

667

00:35:45,400 --> 00:35:43,400

saw him walking just quite just moves

668

00:35:48,999 --> 00:35:45,410

really effortlessly through the crowd

669

00:35:52,449 --> 00:35:49,009

and no one noticed him mattalast bunch

670

00:35:54,549 --> 00:35:52,459

and he went straight towards the exit

671

00:35:58,420 --> 00:35:54,559

and I followed him right yes I thought

672

00:36:00,339 --> 00:35:58,430

how is he gonna go out without shoes yet

673

00:36:02,319 --> 00:36:00,349

he left his shoes with the beggars

674

00:36:04,809 --> 00:36:02,329

outside we're talking you

675

00:36:07,809 --> 00:36:04,819

he didn't go outside he suddenly pinged

676

00:36:10,359 --> 00:36:07,819

out like a light he was gone and I

677

00:36:12,849 --> 00:36:10,369

thought where is he is he gone as he's

678

00:36:15,549 --> 00:36:12,859

praying in prayers you on the floor in

679

00:36:18,880 --> 00:36:15,559

first you've gone doing your cycle is he

680

00:36:21,339 --> 00:36:18,890

behind a statue and I said to my friend

681

00:36:24,370 --> 00:36:21,349

did you did you see him and she didn't

682

00:36:27,489 --> 00:36:24,380

she said no but I noticed there was this

683

00:36:31,239 --> 00:36:27,499

smell a perfume direct kind of strange

684

00:36:34,500 --> 00:36:31,249

beautiful perfume for just a moment when

685

00:36:37,860 --> 00:36:34,510

I crossed the road to the

686

00:36:39,330 --> 00:36:37,870

mango cafe I mentioned I might not have

687

00:36:41,480 --> 00:36:39,340

mentioned it just said what I mentioned

688

00:36:49,800 --> 00:36:41,490

at some point and the way to say oh

689

00:36:53,430 --> 00:36:49,810

that's Lucifer why wouldn't you go in

690

00:36:57,420 --> 00:36:53,440

there he was on I came shortly at the

691

00:36:59,970 --> 00:36:57,430

high point he would go in there and the

692

00:37:02,390 --> 00:36:59,980

author was in fact made of stone from

693

00:37:07,490 --> 00:37:02,400

the Pyrenees which is where the cradle

694

00:37:10,320 --> 00:37:07,500

anyway then I saw on Facebook and

695

00:37:14,280 --> 00:37:10,330

accounts from other people that they

696

00:37:17,250 --> 00:37:14,290

were questioning have you seen this

697

00:37:20,490 --> 00:37:17,260

beautiful figure around the Church of

698

00:37:22,470 --> 00:37:20,500

San Jimin it's a boy who's absolutely

699

00:37:24,600 --> 00:37:22,480

extraordinary like no we're not very

700

00:37:27,900 --> 00:37:24,610

beautiful has anyone else seen him

701
00:37:31,080 --> 00:37:27,910
people asking this maybe five or six and

702
00:37:33,960 --> 00:37:31,090
the people who were writers visiting

703
00:37:36,750 --> 00:37:33,970
Paris from America actually and asked

704
00:37:41,550 --> 00:37:36,760
you know it's figure within Santa men

705
00:37:43,320 --> 00:37:41,560
and different times of the day have you

706
00:37:47,160 --> 00:37:43,330
you know do you know who he is is that a

707
00:37:50,880 --> 00:37:47,170
movie star who could you know be and no

708
00:37:53,850 --> 00:37:50,890
one had much to say about it except um

709
00:37:56,640 --> 00:37:53,860
one writer did she thought she thought

710
00:38:00,480 --> 00:37:56,650
that he was a spirit you know from be

711
00:38:02,940 --> 00:38:00,490
beyond death but the waiter in the dome

712
00:38:04,950 --> 00:38:02,950
ago was certain that they wrote the word

713
00:38:08,040 --> 00:38:04,960

on the street was his loosely now the

714

00:38:12,000 --> 00:38:08,050

visit stopped and they never came back

715

00:38:14,160 --> 00:38:12,010

again as far as I know but I did write

716

00:38:17,820 --> 00:38:14,170

about it I wrote about him Facebook so

717

00:38:22,130 --> 00:38:17,830

it's very drawn by this this experience

718

00:38:25,140 --> 00:38:22,140

I have no more conclusion about it

719

00:38:29,490 --> 00:38:25,150

really except that the power of the

720

00:38:32,180 --> 00:38:29,500

being was very strong you wouldn't get

721

00:38:36,990 --> 00:38:32,190

that in a normal human being

722

00:38:39,660 --> 00:38:37,000

incredible oh my goodness an incredible

723

00:38:42,090 --> 00:38:39,670

experience for you and for other people

724

00:38:44,310 --> 00:38:42,100

who and for that the person in the

725

00:38:47,730 --> 00:38:44,320

restaurant to say oh that was Lucifer I

726

00:38:50,700 --> 00:38:47,740

mean it was like this is accepting yes

727

00:38:51,960 --> 00:38:50,710

was it's incredible well here's another

728

00:38:55,200 --> 00:38:51,970

question for you

729

00:38:57,359 --> 00:38:55,210

Patrice this is from Brian who is asking

730

00:39:01,140 --> 00:38:57,369

hi Patrice are the portals you have

731

00:39:04,890 --> 00:39:01,150

spoken about previously also a gateway

732

00:39:09,270 --> 00:39:04,900

for these Bible entities like demons to

733

00:39:12,320 --> 00:39:09,280

slip in and out of our world mm-hmm

734

00:39:15,000 --> 00:39:12,330

well I don't know who slips in and out

735

00:39:18,600 --> 00:39:15,010

that's for sure I do know there are

736

00:39:19,800 --> 00:39:18,610

portals and that you if you're you've

737

00:39:22,530 --> 00:39:19,810

done the work you've done the

738

00:39:25,530 --> 00:39:22,540

preparation you've got there you can do

739

00:39:29,400 --> 00:39:25,540

it you go through I mean not your body

740

00:39:32,250 --> 00:39:29,410

but your consciousness goes through two

741

00:39:34,470 --> 00:39:32,260

other energies other places other

742

00:39:39,450 --> 00:39:34,480

sources and you can take long journeys

743

00:39:42,960 --> 00:39:39,460

equally beings or entities or energies

744

00:39:47,460 --> 00:39:42,970

can come in and I remember when I wrote

745

00:39:50,670 --> 00:39:47,470

the book to the city of secrets which

746

00:39:53,700 --> 00:39:50,680

mentioned the portal I did get a call

747

00:39:56,400 --> 00:39:53,710

from NASA which Sara asked me if I'd

748

00:39:58,980 --> 00:39:56,410

come across in your official Paul cause

749

00:40:02,550 --> 00:39:58,990

and I said I don't need come across

750

00:40:04,230 --> 00:40:02,560

without 21 non-artificial one I had no

751

00:40:06,780 --> 00:40:04,240

answer to that because I don't know what

752

00:40:09,300 --> 00:40:06,790

they were like but apparently they were

753

00:40:13,830 --> 00:40:09,310

made by Howard Hughes when he came back

754

00:40:15,690 --> 00:40:13,840

in 1933 from his visit don't know when

755

00:40:18,540 --> 00:40:15,700

he did the journey with what he called

756

00:40:21,690 --> 00:40:18,550

the Southern Cross which is the same as

757

00:40:24,359 --> 00:40:21,700

the constellation of the bear apparently

758

00:40:26,160 --> 00:40:24,369

and you've got a boat which she called

759

00:40:31,340 --> 00:40:26,170

the Southern Cross - got it in Scotland

760

00:40:35,849 --> 00:40:31,350

and I gathered - that he K went back and

761

00:40:38,490 --> 00:40:35,859

made replicas of the portals and he said

762

00:40:40,859 --> 00:40:38,500

to me it was an aviator I didn't think

763

00:40:42,990 --> 00:40:40,869

at the time doc Hughes but it's obvious

764

00:40:46,050 --> 00:40:43,000

one and then I heard later it was and

765

00:40:51,720 --> 00:40:46,060

they didn't have they didn't have the

766

00:40:54,960 --> 00:40:51,730

necessary filter of a natural portal so

767

00:40:57,540 --> 00:40:54,970

things did come in so things slipping in

768

00:41:00,390 --> 00:40:57,550

and out well I heard a couple of things

769

00:41:01,630 --> 00:41:00,400

but not you know not to along I must say

770

00:41:05,410 --> 00:41:01,640

but they were

771

00:41:09,910 --> 00:41:05,420

like from being a 50,000 light-years

772

00:41:12,549 --> 00:41:09,920

away that would appear at some point I

773

00:41:15,489 --> 00:41:12,559

guess in 50,000 years I don't know but

774

00:41:18,370 --> 00:41:15,499

that one wanted to know what we could

775

00:41:21,370 --> 00:41:18,380

expect what he looked like there was

776

00:41:27,160 --> 00:41:21,380

various things like that and incredible

777

00:41:28,900 --> 00:41:27,170

it NASA called you about it I mean they

778

00:41:38,700 --> 00:41:28,910

asked questions about things they know

779

00:41:43,150 --> 00:41:38,710

nothing about right yeah they just go oh

780

00:41:44,859 --> 00:41:43,160

my goodness well getting back to to

781

00:41:47,229 --> 00:41:44,869

Lucifer again here is a question because

782

00:41:50,589 --> 00:41:47,239

again so many people have been taught to

783

00:41:54,370 --> 00:41:50,599

associate Lucifer with Satan or Lucifer

784

00:41:56,920 --> 00:41:54,380

with the Antichrist and again I

785

00:42:00,160 --> 00:41:56,930

questioned all of that at this point but

786

00:42:02,079 --> 00:42:00,170

here's the Walking Dead is asking you

787

00:42:04,359 --> 00:42:02,089

would like to know if there is an

788

00:42:06,519 --> 00:42:04,369

antichrist who is walking our earth now

789

00:42:10,089 --> 00:42:06,529

so do you have any information on that

790

00:42:13,720 --> 00:42:10,099

no I would of them fit that bill but I

791

00:42:16,299 --> 00:42:13,730

don't know personally one but I think

792

00:42:20,229 --> 00:42:16,309

they say a few people have got enough

793

00:42:22,900 --> 00:42:20,239

dark side to them to encourage and open

794

00:42:26,109 --> 00:42:22,910

the door for evil I would say that but

795

00:42:30,489 --> 00:42:26,119

an actual figure no I don't know I've

796

00:42:34,660 --> 00:42:30,499

not heard of it okay all right good so

797

00:42:37,589 --> 00:42:34,670

again with Lucifer it's very this is

798

00:42:41,529 --> 00:42:37,599

intriguing us like to the nth degree

799

00:42:44,140 --> 00:42:41,539

because this is an archangel that

800

00:42:47,739 --> 00:42:44,150

possibly we have been taught to leave

801
00:42:50,680 --> 00:42:47,749
out so so many people pray to angels you

802
00:42:53,440 --> 00:42:50,690
know they ask for help from Archangel

803
00:42:59,380 --> 00:42:53,450
Michael they asked for help from Gabriel

804
00:43:01,390 --> 00:42:59,390
or you know are you Castiel but sounds

805
00:43:06,190 --> 00:43:01,400
like the people in Catalonia are the

806
00:43:08,380 --> 00:43:06,200
only people who have asked Lucifer for

807
00:43:12,040 --> 00:43:08,390
guidance and help do you think that's

808
00:43:14,260 --> 00:43:12,050
true that they've learned how to do that

809
00:43:16,930 --> 00:43:14,270
I think there's another place in the

810
00:43:21,030 --> 00:43:16,940
desert you know which is further east

811
00:43:25,270 --> 00:43:21,040
I've heard about that where it's equally

812
00:43:27,940 --> 00:43:25,280
let's say the people approach that

813
00:43:31,930 --> 00:43:27,950

subject because they want answers and

814

00:43:34,300 --> 00:43:31,940

they want to have rituals which benefit

815

00:43:37,570 --> 00:43:34,310

them and to do with the light I mean

816

00:43:39,490 --> 00:43:37,580

there was a a small cradle it's more the

817

00:43:42,310 --> 00:43:39,500

only other crates don't cradle I know a

818

00:43:44,260 --> 00:43:42,320

bar or I've been told you about a night

819

00:43:47,940 --> 00:43:44,270

I mean I don't know every stone cradle

820

00:43:54,220 --> 00:43:47,950

but only one was in Ephesus Ephesus

821

00:43:58,150 --> 00:43:54,230

where the the Virgin Mary was ended her

822

00:44:02,500 --> 00:43:58,160

days yeah and the system's very small

823

00:44:04,810 --> 00:44:02,510

Stern cradle it was apparently stolen by

824

00:44:07,930 --> 00:44:04,820

the Knights Templar I never seen again

825

00:44:14,560 --> 00:44:07,940

that people will record this cradle hmm

826

00:44:16,720 --> 00:44:14,570

oh my goodness so what do you think

827

00:44:19,810 --> 00:44:16,730

people should do or do you have any

828

00:44:21,550 --> 00:44:19,820

suggestions what if people want to to

829

00:44:25,600 --> 00:44:21,560

find out more about Lucifer what if they

830

00:44:31,090 --> 00:44:25,610

want to contact him as an entity is do

831

00:44:33,430 --> 00:44:31,100

you think that's safe to do um I would

832

00:44:37,950 --> 00:44:33,440

say to go through Venus that would be

833

00:44:40,300 --> 00:44:37,960

the thing I think that - mmm - make a

834

00:44:43,210 --> 00:44:40,310

supplication to Venus would be the right

835

00:44:45,370 --> 00:44:43,220

thing you know like a chant you know um

836

00:44:49,120 --> 00:44:45,380

she crier namaha

837

00:44:51,670 --> 00:44:49,130

so it's a chance to Venus they would be

838

00:44:54,610 --> 00:44:51,680

I would think one way I don't know I

839

00:44:57,460 --> 00:44:54,620

have no idea how you could call up

840

00:44:59,490 --> 00:44:57,470

Lucifer I don't know and that's the

841

00:45:03,430 --> 00:44:59,500

loose of the chose to be someone's guide

842

00:45:07,000 --> 00:45:03,440

psychically then I own that would be

843

00:45:10,210 --> 00:45:07,010

apparent but I don't know I mean I feel

844

00:45:14,230 --> 00:45:10,220

that the the church know a lot more

845

00:45:16,930 --> 00:45:14,240

about Lucifer than they say and I felt

846

00:45:22,470 --> 00:45:16,940

to that you know in the u.s. I mean

847

00:45:25,900 --> 00:45:22,480

those in Arizona there's that

848

00:45:29,259 --> 00:45:25,910

Observatory you know with a huge Terrace

849

00:45:30,309 --> 00:45:29,269

I sort of fell pointing up Venus she's

850

00:45:34,390 --> 00:45:30,319

poor deuce

851

00:45:36,069 --> 00:45:34,400

and apparently the ground that holds

852

00:45:38,920 --> 00:45:36,079

that observatory and all the ground

853

00:45:43,479 --> 00:45:38,930

around its own buddy by the Vatican and

854

00:45:46,719 --> 00:45:43,489

this is a lot of things oh yeah there's

855

00:45:51,400 --> 00:45:46,729

a lot of things like that where the

856

00:45:56,079 --> 00:45:51,410

Vatican and Lucy farik presence comes

857

00:45:59,769 --> 00:45:56,089

together I mean I haven't yet met a

858

00:46:03,569 --> 00:45:59,779

priest that said Lucifer's over cage

859

00:46:08,979 --> 00:46:03,579

it's kind of like if you're going into

860

00:46:12,630 --> 00:46:08,989

into spirit prayers or reference you

861

00:46:17,190 --> 00:46:12,640

would go to Jesus or to God you know but

862

00:46:21,009 --> 00:46:17,200

Lucifer singing I think I said before as

863

00:46:24,130 --> 00:46:21,019

people who are against Lucifer say he

864

00:46:27,459 --> 00:46:24,140

deflects stolen light that is not his

865

00:46:29,529 --> 00:46:27,469

only that's the man behind him it's a

866

00:46:34,390 --> 00:46:29,539

void what is in the void well we don't

867

00:46:37,870 --> 00:46:34,400

know and the other side is that he's

868

00:46:40,150 --> 00:46:37,880

paying the penance for disobedience and

869

00:46:42,279 --> 00:46:40,160

I do feel there is a similarity with

870

00:46:45,509 --> 00:46:42,289

what's going on in Catalunya now to some

871

00:46:48,549 --> 00:46:45,519

degree and that is that they don't want

872

00:46:51,009 --> 00:46:48,559

man-made laws they are above that they

873

00:46:53,769 --> 00:46:51,019

have a spiritual connotation now they

874

00:46:56,200 --> 00:46:53,779

were very buff man made Lord Madrid I do

875

00:46:58,630 --> 00:46:56,210

feel that very strongly it's very hard

876

00:47:00,660 --> 00:46:58,640

for them to take that when they've got

877

00:47:01,809 --> 00:47:00,670

other sort of another bursts right

878

00:47:04,180 --> 00:47:01,819

mm-hmm

879

00:47:05,799 --> 00:47:04,190

yeah it's never gonna be accepted I'm

880

00:47:08,410 --> 00:47:05,809

sure that it's all gonna be knitted

881

00:47:08,799 --> 00:47:08,420

together one more another because of the

882

00:47:14,049 --> 00:47:08,809

money

883

00:47:15,759 --> 00:47:14,059

don't you see it change radically yes

884

00:47:19,479 --> 00:47:15,769

yes exactly

885

00:47:21,609 --> 00:47:19,489

now here is a question from Conte who

886

00:47:22,269 --> 00:47:21,619

wants to know have you ever spoken to

887

00:47:27,910 --> 00:47:22,279

Lucifer

888

00:47:32,140 --> 00:47:27,920

no no he's God has spoken to you through

889

00:47:34,630 --> 00:47:32,150

this book though right yeah in some ways

890

00:47:38,279 --> 00:47:34,640

I would know I think I would know his

891

00:47:41,039 --> 00:47:38,289

voice though as a

892

00:47:44,539 --> 00:47:41,049

modern day well yeah modern day person

893

00:47:49,529 --> 00:47:44,549

or even older person I would know his

894

00:47:53,609 --> 00:47:49,539

his his intentions I don't think his

895

00:47:57,870 --> 00:47:53,619

interventions are bad I think not being

896

00:48:02,130 --> 00:47:57,880

able to pass in to sleep and to die and

897

00:48:04,949 --> 00:48:02,140

be reborn is a hard one and I think that

898

00:48:07,469 --> 00:48:04,959

I got that sense really not very much so

899

00:48:10,169 --> 00:48:07,479

nice writing in a different way to what

900

00:48:12,380 --> 00:48:10,179

I would if I was thinking about being

901
00:48:14,819 --> 00:48:12,390
here forever you know it would be like

902
00:48:16,799 --> 00:48:14,829
well just give me a handful of pills and

903
00:48:19,679 --> 00:48:16,809
I'd take off no sleep here you know it

904
00:48:21,870 --> 00:48:19,689
would be too much for the whole journey

905
00:48:24,839 --> 00:48:21,880
the whole trip but I'm sure that there's

906
00:48:27,630 --> 00:48:24,849
redemption for everybody and I feel

907
00:48:29,640 --> 00:48:27,640
after having written that and meeting an

908
00:48:33,539 --> 00:48:29,650
idea of redemption which I certainly

909
00:48:36,809 --> 00:48:33,549
didn't have before I wrote it I think

910
00:48:40,620 --> 00:48:36,819
the redemption is the answer to all that

911
00:48:43,199 --> 00:48:40,630
really yes yes that makes sense

912
00:48:45,509 --> 00:48:43,209
I you know I can see why you're saying

913
00:48:48,419 --> 00:48:45,519

that now do you have the sense that

914

00:48:51,589 --> 00:48:48,429

Lucifer is going to be channeling more

915

00:48:54,929 --> 00:48:51,599

information maybe to do a second book in

916

00:48:59,399 --> 00:48:54,939

detail about answering some of these

917

00:49:01,949 --> 00:48:59,409

other questions well yes I did feel that

918

00:49:05,939 --> 00:49:01,959

there would be one about Lucifer in

919

00:49:08,219 --> 00:49:05,949

Paris I thought that would be one that

920

00:49:11,429 --> 00:49:08,229

would be possible I felt that that was

921

00:49:14,819 --> 00:49:11,439

kind of like being nudged into my my

922

00:49:16,979 --> 00:49:14,829

head you know yeah all right I thought

923

00:49:20,579 --> 00:49:16,989

it would be it would be a marvelous idea

924

00:49:24,630 --> 00:49:20,589

but as the first book didn't come from a

925

00:49:26,549 --> 00:49:24,640

Marvis idea or any idea I don't know I

926

00:49:28,289 --> 00:49:26,559

think it's a question of whether it

927

00:49:31,620 --> 00:49:28,299

happens I couldn't

928

00:49:34,739 --> 00:49:31,630

suddenly write a book it would have to I

929

00:49:37,169 --> 00:49:34,749

think again be channeled it got on that

930

00:49:39,989 --> 00:49:37,179

subject that didn't I could sit down

931

00:49:43,199 --> 00:49:39,999

write it yeah he couldn't have picked a

932

00:49:45,120 --> 00:49:43,209

better writer than you know fortress for

933

00:49:48,120 --> 00:49:45,130

sure definitely

934

00:49:50,219 --> 00:49:48,130

now here's another question - I'm sorry

935

00:49:51,170 --> 00:49:50,229

did you have a question pk yes alright

936

00:49:53,569 --> 00:49:51,180

go ahead honey

937

00:49:56,720 --> 00:49:53,579

okay this is from the chat room again

938

00:49:58,790 --> 00:49:56,730

this is from lucky one who's asking do

939

00:50:01,280 --> 00:49:58,800

you think it is a conspiracy to make

940

00:50:04,430 --> 00:50:01,290

Lucifer good so people will fall away

941

00:50:06,980 --> 00:50:04,440

from Judaism or Christianity no not at

942

00:50:08,359 --> 00:50:06,990

all because I think people would stay

943

00:50:13,990 --> 00:50:08,369

with what they believe and I think

944

00:50:18,470 --> 00:50:14,000

Lucifer is a kind of an extra unanswered

945

00:50:21,290 --> 00:50:18,480

unsorted presence we haven't quite got

946

00:50:24,980 --> 00:50:21,300

him I think the people like Judith

947

00:50:27,859 --> 00:50:24,990

Steiner I'm not as an antipasto fest but

948

00:50:30,640 --> 00:50:27,869

I know people are and I think that he

949

00:50:33,980 --> 00:50:30,650

plays a part of big part in our

950

00:50:36,319 --> 00:50:33,990

evolvment which is not recognized and

951
00:50:39,079 --> 00:50:36,329
maybe that is what's being pushed

952
00:50:43,579 --> 00:50:39,089
through and I feel that the bad ones

953
00:50:48,829 --> 00:50:43,589
like arimin and and Satan I mean all

954
00:50:51,290 --> 00:50:48,839
that all the dark side is avoided as

955
00:50:54,829 --> 00:50:51,300
best as possible you know or prayed for

956
00:50:58,160 --> 00:50:54,839
or whatever one does but he loses out

957
00:51:03,079 --> 00:50:58,170
there with the creative ones I think

958
00:51:05,059 --> 00:51:03,089
there's a feeling I've also dry wit and

959
00:51:08,240 --> 00:51:05,069
and sophistication

960
00:51:11,750 --> 00:51:08,250
I don't feel he's an inelegant being at

961
00:51:16,970 --> 00:51:11,760
all and I could around so long he knows

962
00:51:20,390 --> 00:51:16,980
the story right yes yes that makes a lot

963
00:51:22,359 --> 00:51:20,400

of sense gosh I had PK you had a

964

00:51:25,309 --> 00:51:22,369

question well I was wondering

965

00:51:29,180 --> 00:51:25,319

considering that Lucifer has taken on so

966

00:51:33,620 --> 00:51:29,190

many different roles shall we say has

967

00:51:37,039 --> 00:51:33,630

that impact created a more opening for

968

00:51:44,690 --> 00:51:37,049

people to be acceptable to will say Lucy

969

00:51:46,880 --> 00:51:44,700

as well as Lucifer etc yeah I think so I

970

00:51:49,460 --> 00:51:46,890

think I'm gonna I think this is just

971

00:51:52,730 --> 00:51:49,470

personal view I would say yes I think

972

00:51:57,200 --> 00:51:52,740

that the Lucifer to hook her on the

973

00:52:00,890 --> 00:51:57,210

streets of Rome rough london i the first

974

00:52:03,319 --> 00:52:00,900

is the other side part of Lucifer and I

975

00:52:04,770 --> 00:52:03,329

think that that would well it would just

976

00:52:07,650 --> 00:52:04,780

be an adjunct to there

977

00:52:09,210 --> 00:52:07,660

would just be another side which is

978

00:52:15,050 --> 00:52:09,220

something that's already happening

979

00:52:17,940 --> 00:52:15,060

people are recognized and you know

980

00:52:21,000 --> 00:52:17,950

androgynous or they have two identities

981

00:52:24,180 --> 00:52:21,010

or just one identity which is other than

982

00:52:28,620 --> 00:52:24,190

the one they've always know I saw that

983

00:52:31,710 --> 00:52:28,630

he would that Lucifer would have more

984

00:52:34,740 --> 00:52:31,720

than two I would have so mm-hmm

985

00:52:36,750 --> 00:52:34,750

it just felt like there was so it was

986

00:52:39,480 --> 00:52:36,760

opening doors for other people to see

987

00:52:42,690 --> 00:52:39,490

that you don't have to be just one

988

00:52:44,940 --> 00:52:42,700

person or in one day what a direction

989

00:52:46,980 --> 00:52:44,950

that all things flow together the good

990

00:52:49,110 --> 00:52:46,990

the bad and the ugly but for the most

991

00:52:51,450 --> 00:52:49,120

part it's opening doors to look at

992

00:52:53,940 --> 00:52:51,460

things in a different light yeah that

993

00:52:55,350 --> 00:52:53,950

does seem like part of what he's he's

994

00:52:57,750 --> 00:52:55,360

saying is accept yourself for who you

995

00:53:00,540 --> 00:52:57,760

are be who you are live to the fullest

996

00:53:02,940 --> 00:53:00,550

it does seem like part of what we took

997

00:53:05,700 --> 00:53:02,950

away anyways from this wonderful book

998

00:53:07,620 --> 00:53:05,710

well unfortunately I know Patrice you

999

00:53:09,450 --> 00:53:07,630

need to go and get a good night's sleep

1000

00:53:12,690 --> 00:53:09,460

and we can't thank you enough for

1001

00:53:15,870 --> 00:53:12,700

joining us so very late at night there

1002

00:53:18,830 --> 00:53:15,880

in London but we're so happy to hear

1003

00:53:23,130 --> 00:53:18,840

from you about your new book moon lights

1004

00:53:25,680 --> 00:53:23,140

yes it's a great book everybody if you

1005

00:53:28,590 --> 00:53:25,690

want to transform yourself get that book

1006

00:53:31,530 --> 00:53:28,600

it is terrific and Patrice we hope

1007

00:53:33,120 --> 00:53:31,540

you'll come back and join us again at

1008

00:53:34,860 --> 00:53:33,130

when your next book comes out which I'm

1009

00:53:38,160 --> 00:53:34,870

sure won't be too long from now knowing

1010

00:53:40,260 --> 00:53:38,170

where you are so thank you thank you

1011

00:53:41,970 --> 00:53:40,270

thank you so everybody else stay tuned

1012

00:53:44,190 --> 00:53:41,980

we're coming back we're gonna be doing

1013

00:53:46,860 --> 00:53:44,200

numerology of Lucifer and many other

1014

00:53:48,420 --> 00:53:46,870

things for the last half hour of the

1015

00:53:50,490 --> 00:53:48,430

show so we're gonna take a short

1016

00:53:52,920 --> 00:53:50,500

commercial break and we will be right

1017

00:53:55,140 --> 00:53:52,930

back welcome back everyone to

1018

00:53:57,600 --> 00:53:55,150

supernatural girls radio I'm your host

1019

00:54:00,930 --> 00:53:57,610

Patricia Baker I am here with my co-host

1020

00:54:07,320 --> 00:54:00,940

PK and we've just had the most amazing

1021

00:54:09,720 --> 00:54:07,330

discussion look for him after she

1022

00:54:14,790 --> 00:54:09,730

described what he looked like hey I want

1023

00:54:17,339 --> 00:54:14,800

that man she writes about that in that

1024

00:54:20,190 --> 00:54:17,349

book moonlight by Lucifer

1025

00:54:22,589 --> 00:54:20,200

is people get drawn in by his charisma

1026
00:54:25,759 --> 00:54:22,599
and you can see why would the way she

1027
00:54:28,529 --> 00:54:25,769
described him it's just fascinating so I

1028
00:54:31,710 --> 00:54:28,539
thought of him having long blonde hair

1029
00:54:34,440 --> 00:54:31,720
yeah don't ask me why but never thought

1030
00:54:38,940 --> 00:54:34,450
of him being blonde yeah well in the

1031
00:54:41,460 --> 00:54:38,950
book he has red hair and so when she saw

1032
00:54:44,489 --> 00:54:41,470
him in person he had blond hair very

1033
00:54:47,279 --> 00:54:44,499
fascinating story so anyway so what

1034
00:54:50,009 --> 00:54:47,289
we're gonna do now is we're gonna go to

1035
00:54:51,839 --> 00:54:50,019
the numerology segment but before we do

1036
00:54:55,079 --> 00:54:51,849
that I just wanted to make a couple of

1037
00:54:57,989 --> 00:54:55,089
announcements because November 22nd

1038
00:55:02,969 --> 00:54:57,999

which is next Wednesday we did a

1039

00:55:06,719 --> 00:55:02,979

pre-recorded show and it is one not to

1040

00:55:10,410 --> 00:55:06,729

miss it is an interview with Robert

1041

00:55:13,579 --> 00:55:10,420

Abbott ello and he is a practitioner of

1042

00:55:17,630 --> 00:55:13,589

acupuncture naturopathy homeopathy and

1043

00:55:19,829 --> 00:55:17,640

herbalism and he treats Lyme disease and

1044

00:55:23,069 --> 00:55:19,839

autoimmune disease we've had a lot of

1045

00:55:24,749 --> 00:55:23,079

requests to do a show on this and so we

1046

00:55:28,349 --> 00:55:24,759

took this opportunity right before

1047

00:55:31,109 --> 00:55:28,359

Thanksgiving to air this show for you so

1048

00:55:34,529 --> 00:55:31,119

next week that show will air at our

1049

00:55:37,319 --> 00:55:34,539

regular time 7:30 to 9:00 Eastern and

1050

00:55:39,390 --> 00:55:37,329

you will hear some incredible

1051
00:55:42,479 --> 00:55:39,400
information about Lyme disease

1052
00:55:46,109 --> 00:55:42,489
autoimmune disease and how to heal from

1053
00:55:48,450 --> 00:55:46,119
this terrible scourges on humanity but

1054
00:55:51,150 --> 00:55:48,460
Roberts been treating patients now for

1055
00:55:53,910 --> 00:55:51,160
over 30 years he's very knowledgeable he

1056
00:55:56,160 --> 00:55:53,920
has great great information this is a do

1057
00:55:58,079 --> 00:55:56,170
not miss show if you know anybody who's

1058
00:55:59,849 --> 00:55:58,089
struggling with Lyme or autoimmune

1059
00:56:03,630 --> 00:55:59,859
disease be sure to tell him about the

1060
00:56:06,269 --> 00:56:03,640
show on November 22nd then the week

1061
00:56:10,259 --> 00:56:06,279
after we've got our buddy Nick Redfern

1062
00:56:13,019 --> 00:56:10,269
coming here I eat be good is gonna join

1063
00:56:17,029 --> 00:56:13,029

us and oh my god what are you talk about

1064

00:56:21,359 --> 00:56:17,039

with Nick men in black black eye kids

1065

00:56:24,719 --> 00:56:21,369

shadow people cryptids hellhounds my

1066

00:56:26,249 --> 00:56:24,729

favorites that is gonna be another great

1067

00:56:28,589 --> 00:56:26,259

show so that'll be the week after that

1068

00:56:30,329 --> 00:56:28,599

we'll be live and we can't wait to have

1069

00:56:31,050 --> 00:56:30,339

Nick on the show he's supposed to be

1070

00:56:33,000 --> 00:56:31,060

with us

1071

00:56:35,340 --> 00:56:33,010

a month ago but he got terribly sick

1072

00:56:37,800 --> 00:56:35,350

lost his voice but he's back on track

1073

00:56:40,250 --> 00:56:37,810

now he is really anxious to come and

1074

00:56:42,840 --> 00:56:40,260

talk to our audience about the latest

1075

00:56:44,850 --> 00:56:42,850

Mothman sightings and everything else

1076
00:56:48,090 --> 00:56:44,860
that's going on in the world today all

1077
00:56:52,410 --> 00:56:48,100
of the crazy stuff that we love so he'll

1078
00:56:55,230 --> 00:56:52,420
be on then and let's talk about Lucifer

1079
00:56:56,130 --> 00:56:55,240
talk about those numbers what did you

1080
00:56:57,780 --> 00:56:56,140
find

1081
00:56:59,850 --> 00:56:57,790
well you know it was kind of funny

1082
00:57:02,370 --> 00:56:59,860
because I was looking at Lucifer and

1083
00:57:04,500 --> 00:57:02,380
since he has no last name I'd have to

1084
00:57:07,620 --> 00:57:04,510
deal with only the first name which is

1085
00:57:13,200 --> 00:57:07,630
the physical self but lusus Lucifer

1086
00:57:16,440 --> 00:57:13,210
becomes a 38 - person which means he

1087
00:57:18,990 --> 00:57:16,450
can't really process alone he has to

1088
00:57:21,480 --> 00:57:19,000

have someone to work with he needs a

1089

00:57:23,070 --> 00:57:21,490

partner and if you think about it all

1090

00:57:25,380 --> 00:57:23,080

that he does the good the bad the ugly

1091

00:57:27,270 --> 00:57:25,390

cannot be done without someone with him

1092

00:57:30,260 --> 00:57:27,280

and I never thought about that before

1093

00:57:35,190 --> 00:57:30,270

isn't that interesting oh my goodness

1094

00:57:38,010 --> 00:57:35,200

yeah and he reference since the first

1095

00:57:40,440 --> 00:57:38,020

offers consonant of the name becomes a

1096

00:57:43,440 --> 00:57:40,450

six which means he's a perfectionist at

1097

00:57:46,440 --> 00:57:43,450

what he does so he wants whatever he

1098

00:57:49,430 --> 00:57:46,450

does to be perfect but he can't truly do

1099

00:57:53,310 --> 00:57:49,440

it alone so he has to have someone to

1100

00:57:58,140 --> 00:57:53,320

look up to a play with or what-have-you

1101

00:58:00,780 --> 00:57:58,150

but a very interesting soul but the 38 -

1102

00:58:03,510 --> 00:58:00,790

means that he's got to be very creative

1103

00:58:05,730 --> 00:58:03,520

but he has to be in charge of the

1104

00:58:09,210 --> 00:58:05,740

partnership so I just thought that was

1105

00:58:12,210 --> 00:58:09,220

interesting to see how the level doesn't

1106

00:58:16,470 --> 00:58:12,220

and we're asking about it today which is

1107

00:58:18,780 --> 00:58:16,480

a nine day which is a day of ending old

1108

00:58:21,210 --> 00:58:18,790

things making way for new to take place

1109

00:58:23,550 --> 00:58:21,220

but it's a 15-9

1110

00:58:25,380 --> 00:58:23,560

so it's about the independence and

1111

00:58:29,280 --> 00:58:25,390

making major changes of how we look at

1112

00:58:32,790 --> 00:58:29,290

things this was a little interesting

1113

00:58:34,920 --> 00:58:32,800

here to see how it gets together yes

1114

00:58:37,320 --> 00:58:34,930

well and you know it's it's so it's so

1115

00:58:40,230 --> 00:58:37,330

interesting to me the timeliness of this

1116

00:58:42,780 --> 00:58:40,240

and you you see Patrice's book that just

1117

00:58:44,580 --> 00:58:42,790

came out and they also I'm not I know

1118

00:58:48,120 --> 00:58:44,590

you said you've also seen

1119

00:58:50,010 --> 00:58:48,130

lucifer the television show and as your

1120

00:58:54,510 --> 00:58:50,020

time as the hit show it's a great show

1121

00:58:56,760 --> 00:58:54,520

very terrific acting good scripts but

1122

00:58:59,520 --> 00:58:56,770

the personality of lucifer in the

1123

00:59:01,490 --> 00:58:59,530

television show is very similar to the

1124

00:59:06,480 --> 00:59:01,500

personality that patrice

1125

00:59:09,330 --> 00:59:06,490

yeah yes it's fascinating how that

1126
00:59:12,660 --> 00:59:09,340
gentleness and yet the firmness of what

1127
00:59:14,250 --> 00:59:12,670
takes place oh yeah and in a sense of

1128
00:59:16,440 --> 00:59:14,260
humor and everything that comes across

1129
00:59:18,230 --> 00:59:16,450
the television show also came across and

1130
00:59:22,620 --> 00:59:18,240
Patrice's book again she wrote about

1131
00:59:25,200 --> 00:59:22,630
this person this archangel quite you

1132
00:59:28,220 --> 00:59:25,210
know as a channeled kind of information

1133
00:59:31,200 --> 00:59:28,230
book but it's so similar so anyways

1134
00:59:32,850 --> 00:59:31,210
fascinating fascinating I liked it it

1135
00:59:35,160 --> 00:59:32,860
was I think having around talking about

1136
00:59:36,510 --> 00:59:35,170
it after watching the show on that and

1137
00:59:38,970 --> 00:59:36,520
of course talking with her about the

1138
00:59:41,610 --> 00:59:38,980

book and that's why blonde hair just but

1139

00:59:43,140 --> 00:59:41,620

hmm because on the show he has black

1140

00:59:45,510 --> 00:59:43,150

hair yeah he does

1141

00:59:47,820 --> 00:59:45,520

yeah you I kept thinking about me my

1142

00:59:53,280 --> 00:59:47,830

blonde hair it didn't fit well of course

1143

00:59:55,890 --> 00:59:53,290

it darkness there are watch to be and

1144

00:59:57,810 --> 00:59:55,900

whenever you can he can just bug out

1145

01:00:00,090 --> 00:59:57,820

like a light bulb that goes off that's

1146

01:00:02,340 --> 01:00:00,100

what she saw exactly he was there and

1147

01:00:06,450 --> 01:00:02,350

then he was gone shut he got the blob

1148

01:00:09,450 --> 01:00:06,460

yeah amazing it is amazing it is totally

1149

01:00:12,240 --> 01:00:09,460

amazing so you have other numerology

1150

01:00:13,590 --> 01:00:12,250

information for us tonight well you know

1151
01:00:15,420 --> 01:00:13,600
we were talking and different ones have

1152
01:00:17,750 --> 01:00:15,430
asked about bastard numbers or double

1153
01:00:20,040 --> 01:00:17,760
numbers or seeing the same numbers and

1154
01:00:22,530 --> 01:00:20,050
the master numbers represent an

1155
01:00:24,690 --> 01:00:22,540
opportunity to really they're showing us

1156
01:00:27,450 --> 01:00:24,700
a turning point when we see something

1157
01:00:30,270 --> 01:00:27,460
like that repeating numbers or they

1158
01:00:32,220 --> 01:00:30,280
could appear on a clock what we look at

1159
01:00:33,540 --> 01:00:32,230
on a daily basis all of a sudden we see

1160
01:00:36,930 --> 01:00:33,550
certain numbers all the time

1161
01:00:39,660 --> 01:00:36,940
and I the more I look at those I'm

1162
01:00:41,490 --> 01:00:39,670
seeing them more as a wake-up call take

1163
01:00:43,940 --> 01:00:41,500

a look at what the number really shows

1164

01:00:48,180 --> 01:00:43,950

us what is it about what does it open

1165

01:00:49,980 --> 01:00:48,190

for us because yeah it isn't just you

1166

01:00:52,200 --> 01:00:49,990

know if we see the same number all the

1167

01:00:56,010 --> 01:00:52,210

time well the number relates to a single

1168

01:00:58,140 --> 01:00:56,020

digit or it becomes a master number so I

1169

01:01:00,690 --> 01:00:58,150

was thinking a look at all the math

1170

01:01:04,440 --> 01:01:00,700

your numbers particularly but the number

1171

01:01:06,900 --> 01:01:04,450

11 which is a master but it has to do

1172

01:01:09,510 --> 01:01:06,910

with yourself because it's really a 2

1173

01:01:11,849 --> 01:01:09,520

because I always always go to the single

1174

01:01:14,099 --> 01:01:11,859

digit it makes it easier to read but it

1175

01:01:18,120 --> 01:01:14,109

doesn't take away the impact of the

1176

01:01:20,789 --> 01:01:18,130

strength of the master but the two it's

1177

01:01:23,220 --> 01:01:20,799

all about doing for yourself receiving

1178

01:01:25,829 --> 01:01:23,230

information from a higher element and

1179

01:01:27,690 --> 01:01:25,839

it's about sharing it with another to

1180

01:01:30,690 --> 01:01:27,700

again partnership which is what we were

1181

01:01:32,819 --> 01:01:30,700

talking about Lucifer in his own way so

1182

01:01:35,640 --> 01:01:32,829

it's a fast-paced energy but it makes

1183

01:01:38,579 --> 01:01:35,650

changes and it makes us want to make

1184

01:01:41,700 --> 01:01:38,589

things happen so when somebody sees

1185

01:01:45,000 --> 01:01:41,710

something PK like an 11:11 on the clock

1186

01:01:47,309 --> 01:01:45,010

over and over and over again that's an

1187

01:01:50,549 --> 01:01:47,319

opportunity as you said to wake up some

1188

01:01:52,170 --> 01:01:50,559

people see the 11:11 is a gateway so

1189

01:01:55,440 --> 01:01:52,180

he's telling you here's a gate that you

1190

01:01:57,510 --> 01:01:55,450

can pass through what do you suggest to

1191

01:01:59,519 --> 01:01:57,520

people I mean should they sit down and

1192

01:02:02,010 --> 01:01:59,529

kind of meditate for a few minutes take

1193

01:02:04,740 --> 01:02:02,020

a deep breath I mean what should they do

1194

01:02:08,190 --> 01:02:04,750

I think like I said it's opening doors

1195

01:02:09,870 --> 01:02:08,200

any time we see double numbers take a

1196

01:02:12,779 --> 01:02:09,880

look at first what the number itself

1197

01:02:16,769 --> 01:02:12,789

represents singly then take a look at

1198

01:02:18,000 --> 01:02:16,779

what represents as a pair because you're

1199

01:02:18,569 --> 01:02:18,010

looking at it from two different

1200

01:02:24,200 --> 01:02:18,579

directions

1201

01:02:27,599 --> 01:02:24,210

the 11:11 it's a 2 but it's also a 4

1202

01:02:29,460 --> 01:02:27,609

because the 2:11 but it's directing us

1203

01:02:31,890 --> 01:02:29,470

to be doing something in a partnership

1204

01:02:34,950 --> 01:02:31,900

or in a relationship that we shouldn't

1205

01:02:37,319 --> 01:02:34,960

just sit back and let things transpire

1206

01:02:39,900 --> 01:02:37,329

we need to jump in and make it work

1207

01:02:42,990 --> 01:02:39,910

because you're given the opportunity to

1208

01:02:46,289 --> 01:02:43,000

be the partner the leader the sensitive

1209

01:02:48,990 --> 01:02:46,299

one to what is taking place mm-hmm and I

1210

01:02:51,049 --> 01:02:49,000

think also doesn't it have people give

1211

01:02:53,220 --> 01:02:51,059

people an opportunity to take a pause

1212

01:02:55,470 --> 01:02:53,230

because let's face it we're all running

1213

01:02:58,920 --> 01:02:55,480

around crazy in Our Lives doing too many

1214

01:03:00,539 --> 01:02:58,930

things and so you stop and you see 11:11

1215

01:03:02,670 --> 01:03:00,549

on the clock I mean it could be that

1216

01:03:06,059 --> 01:03:02,680

moment that you just take a breath and

1217

01:03:08,549 --> 01:03:06,069

pause from the busyness of life to just

1218

01:03:11,130 --> 01:03:08,559

reconnect reconnect internally reconnect

1219

01:03:11,940 --> 01:03:11,140

spiritually whatever it is that you need

1220

01:03:14,070 --> 01:03:11,950

to do in your life

1221

01:03:16,380 --> 01:03:14,080

yes and also when you take a look at how

1222

01:03:19,350 --> 01:03:16,390

the numbers are represented is they say

1223

01:03:22,470 --> 01:03:19,360

using it singly or doubly or as the 11

1224

01:03:24,930 --> 01:03:22,480

itself as a master number or as the just

1225

01:03:27,120 --> 01:03:24,940

as the two which is about a partnership

1226

01:03:30,900 --> 01:03:27,130

or wanting a partnership wanting a

1227

01:03:32,730 --> 01:03:30,910

relationship or if we're having me 11 11

1228

01:03:34,800 --> 01:03:32,740

it becomes a four so it's something to

1229

01:03:37,250 --> 01:03:34,810

do with work working through a

1230

01:03:41,310 --> 01:03:37,260

partnership and or a relationship or

1231

01:03:42,030 --> 01:03:41,320

setting one up to be worked through so

1232

01:03:45,450 --> 01:03:42,040

mm-hmm

1233

01:03:48,060 --> 01:03:45,460

anytime you see numbers that come I find

1234

01:03:50,640 --> 01:03:48,070

yeah like I said I have a tendency to go

1235

01:03:52,920 --> 01:03:50,650

back to the singles because it gives a

1236

01:03:55,620 --> 01:03:52,930

quicker view of what's taking place but

1237

01:03:58,950 --> 01:03:55,630

when you look at it overall it's opening

1238

01:04:01,740 --> 01:03:58,960

doors for us to reevaluate as you say

1239

01:04:06,420 --> 01:04:01,750

stop smell the roses what does this help

1240

01:04:08,730 --> 01:04:06,430

you exactly but people that find the

1241

01:04:12,600 --> 01:04:08,740

will say to be eleven eleven or the 22

1242

01:04:14,250 --> 01:04:12,610

the 22 or the 22 for that's about the

1243

01:04:17,670 --> 01:04:14,260

details and that's all about building a

1244

01:04:20,970 --> 01:04:17,680

stronger energy about working through

1245

01:04:22,740 --> 01:04:20,980

some things but it's also physical

1246

01:04:24,900 --> 01:04:22,750

because for deals with health and

1247

01:04:27,470 --> 01:04:24,910

healing so when we're looking at that

1248

01:04:32,340 --> 01:04:27,480

it's saying stop take a look but also

1249

01:04:35,100 --> 01:04:32,350

for is rules and regulations so what are

1250

01:04:38,280 --> 01:04:35,110

we letting slide by that we just take

1251

01:04:40,560 --> 01:04:38,290

that extra time what is it going on in

1252

01:04:43,770 --> 01:04:40,570

our life at this moment that we need to

1253

01:04:45,570 --> 01:04:43,780

take another look at mm-hmm just now

1254

01:04:47,460 --> 01:04:45,580

when you see something like the four

1255

01:04:50,010 --> 01:04:47,470

which is also about rules and

1256

01:04:51,720 --> 01:04:50,020

regulations is that also time to see are

1257

01:04:53,550 --> 01:04:51,730

you being kind of a scofflaw are you

1258

01:04:56,790 --> 01:04:53,560

ignoring some rules and regulations do

1259

01:04:59,250 --> 01:04:56,800

you ask yourself that definitely or how

1260

01:05:00,810 --> 01:04:59,260

have I been feeling gee maybe I should

1261

01:05:02,760 --> 01:05:00,820

get that checkup that I've been putting

1262

01:05:05,100 --> 01:05:02,770

off for a long time for deals with

1263

01:05:06,900 --> 01:05:05,110

health but it also deals with land and

1264

01:05:10,110 --> 01:05:06,910

property so maybe we've got a deal

1265

01:05:11,940 --> 01:05:10,120

that's ongoing so look at it a little

1266

01:05:15,210 --> 01:05:11,950

more thoroughly is giving us an

1267

01:05:17,640 --> 01:05:15,220

opportunity to invest in a future or

1268

01:05:20,640 --> 01:05:17,650

something that's coming up but we need

1269

01:05:24,150 --> 01:05:20,650

to take a look at is it for us to look

1270

01:05:25,350 --> 01:05:24,160

at right now see how it comes with what

1271

01:05:27,510 --> 01:05:25,360

we're doing on a day to day

1272

01:05:30,240 --> 01:05:27,520

basis you know we now all of a sudden

1273

01:05:32,340 --> 01:05:30,250

have inherited a few dollars and all of

1274

01:05:35,340 --> 01:05:32,350

a sudden we're getting all these pushes

1275

01:05:37,200 --> 01:05:35,350

about land and property to me that would

1276

01:05:40,170 --> 01:05:37,210

say hey you've got a good place to

1277

01:05:40,980 --> 01:05:40,180

invest money and this is a perfect time

1278

01:05:43,620 --> 01:05:40,990

to do so

1279

01:05:45,930 --> 01:05:43,630

anytime you see a lot of numbers that

1280

01:05:48,210 --> 01:05:45,940

are duplicating it's telling us to take

1281

01:05:50,670 --> 01:05:48,220

a look strong look at what they

1282

01:05:53,190 --> 01:05:50,680

represent yeah I think you're absolutely

1283

01:05:56,460 --> 01:05:53,200

right and it's a wonderful opportunity

1284

01:05:59,160 --> 01:05:56,470

to do that and to take that pause so

1285

01:06:02,220 --> 01:05:59,170

that you you don't miss that intuition

1286

01:06:03,960 --> 01:06:02,230

or whatever it is that guidance that's

1287

01:06:05,940 --> 01:06:03,970

trying to make its way through to you

1288

01:06:07,680 --> 01:06:05,950

you know when you're busy running around

1289

01:06:08,760 --> 01:06:07,690

doing whatever you're doing in life

1290

01:06:11,430 --> 01:06:08,770

whether you're taking care of your

1291

01:06:13,410 --> 01:06:11,440

children or your parents or you are

1292

01:06:16,620 --> 01:06:13,420

going to school doesn't matter it's just

1293

01:06:21,060 --> 01:06:16,630

everybody's caught up in a stream that

1294

01:06:23,340 --> 01:06:21,070

is extremely fast right definitely you

1295

01:06:25,710 --> 01:06:23,350

know very fast one thing I'd like to

1296

01:06:27,930 --> 01:06:25,720

suggest is when we see double numbers or

1297

01:06:30,510 --> 01:06:27,940

when we see repeated numbers so put it

1298

01:06:32,460 --> 01:06:30,520

that way because sometimes we don't see

1299

01:06:34,260 --> 01:06:32,470

the double number we'll see maybe three

1300

01:06:39,270 --> 01:06:34,270

four and five or we see a group of

1301

01:06:41,700 --> 01:06:39,280

numbers add the numbers up and put a

1302

01:06:44,550 --> 01:06:41,710

single number and take a look at what's

1303

01:06:47,010 --> 01:06:44,560

going on around you take a look at how

1304

01:06:50,730 --> 01:06:47,020

many times the numbers that come at you

1305

01:06:52,590 --> 01:06:50,740

like that add up to the same number they

1306

01:06:57,030 --> 01:06:52,600

may be different numbers but they'll

1307

01:06:58,860 --> 01:06:57,040

still say maybe it's two four five and

1308

01:07:02,460 --> 01:06:58,870

then the next time it's four or five two

1309

01:07:05,190 --> 01:07:02,470

or accommodation but when you total them

1310

01:07:08,160 --> 01:07:05,200

they end up being the same single digit

1311

01:07:10,590 --> 01:07:08,170

very interesting that gives us something

1312

01:07:12,870 --> 01:07:10,600

else to look at or look forward to it

1313

01:07:16,680 --> 01:07:12,880

does it does absolutely now we're coming

1314

01:07:18,750 --> 01:07:16,690

into Thanksgiving yeah next week and

1315

01:07:20,760 --> 01:07:18,760

what does that look like from a

1316

01:07:22,050 --> 01:07:20,770

neurological perspective what do you

1317

01:07:24,450 --> 01:07:22,060

think is this going to be a tumultuous

1318

01:07:28,320 --> 01:07:24,460

time or is it going to be nice and calm

1319

01:07:30,270 --> 01:07:28,330

and peaceful it's going to be I'm not

1320

01:07:33,150 --> 01:07:30,280

gonna say peaceful it's going to be

1321

01:07:35,340 --> 01:07:33,160

entertaining we're going to be more

1322

01:07:37,650 --> 01:07:35,350

social with one another we're going to

1323

01:07:39,690 --> 01:07:37,660

be people are going to be more willing

1324

01:07:42,240 --> 01:07:39,700

she get things together and enjoy

1325

01:07:45,720 --> 01:07:42,250

what's going on this is the last

1326

01:07:48,359 --> 01:07:45,730

go-around this year for having a good

1327

01:07:50,160 --> 01:07:48,369

time or letting things feel good because

1328

01:07:52,970 --> 01:07:50,170

December's going to deal with a lot of

1329

01:07:56,640 --> 01:07:52,980

work for us but for this month

1330

01:07:58,710 --> 01:07:56,650

creativity communications make those

1331

01:08:00,690 --> 01:07:58,720

little goodie bags that you want to send

1332

01:08:02,819 --> 01:08:00,700

to different people thanking them for

1333

01:08:04,170 --> 01:08:02,829

what they've done this year perfect

1334

01:08:07,319 --> 01:08:04,180

month to do it because you're very

1335

01:08:09,930 --> 01:08:07,329

creative great time to make notes up I

1336

01:08:12,779 --> 01:08:09,940

had a client that was so sweet they

1337

01:08:14,970 --> 01:08:12,789

brought me a package of different

1338

01:08:17,370 --> 01:08:14,980

goodies all wrapped up beautifully in

1339

01:08:19,559 --> 01:08:17,380

little orange bows and different things

1340

01:08:22,320 --> 01:08:19,569

and a beautiful card that they had

1341

01:08:24,900 --> 01:08:22,330

written and done themselves and it just

1342

01:08:27,809 --> 01:08:24,910

meant so much because that personal

1343

01:08:30,120 --> 01:08:27,819

touch use your creative juices right now

1344

01:08:33,320 --> 01:08:30,130

that's what this month is all about and

1345

01:08:35,280 --> 01:08:33,330

here on Thanksgiving Day your talents

1346

01:08:37,349 --> 01:08:35,290

that sounds good

1347

01:08:41,939 --> 01:08:37,359

so we don't to be too overly concerned

1348

01:08:43,860 --> 01:08:41,949

about disasters we can just enjoy

1349

01:08:46,530 --> 01:08:43,870

because it's a good time to share

1350

01:08:48,269 --> 01:08:46,540

communicate bring things up that maybe

1351
01:08:50,849 --> 01:08:48,279
that we've put off talking to somebody

1352
01:08:53,490 --> 01:08:50,859
about because it's a time when we're

1353
01:08:56,430 --> 01:08:53,500
very forgiving three months to

1354
01:08:58,079 --> 01:08:56,440
communicate we are very good at

1355
01:09:02,130 --> 01:08:58,089
forgiving what's been said in the past

1356
01:09:04,439 --> 01:09:02,140
or build a bridge that we could all walk

1357
01:09:06,689 --> 01:09:04,449
on that's nice that's a wonderful

1358
01:09:08,099 --> 01:09:06,699
message for Thanksgiving I love that

1359
01:09:11,760 --> 01:09:08,109
that's terrific

1360
01:09:14,550 --> 01:09:11,770
so as we go further in the year

1361
01:09:17,130 --> 01:09:14,560
well again I want to urge everybody to

1362
01:09:20,070 --> 01:09:17,140
contact you because Patricia Kirkman

1363
01:09:22,559 --> 01:09:20,080

comm you have the ability to give people

1364

01:09:25,140 --> 01:09:22,569

a private reading so they can find out

1365

01:09:27,930 --> 01:09:25,150

what's coming up in their lives over the

1366

01:09:29,550 --> 01:09:27,940

next year and do whatever they need to

1367

01:09:32,189 --> 01:09:29,560

do to get ready for it be their best

1368

01:09:35,910 --> 01:09:32,199

selves etc so that's that Patricia

1369

01:09:38,099 --> 01:09:35,920

Kirkman comm he people can go there and

1370

01:09:40,950 --> 01:09:38,109

have a session with you now do you do

1371

01:09:42,809 --> 01:09:40,960

you do our sessions right I do have hour

1372

01:09:44,519 --> 01:09:42,819

or an hour depending on what a person

1373

01:09:47,550 --> 01:09:44,529

needs I like to give them what they have

1374

01:09:49,200 --> 01:09:47,560

to have that what convention says

1375

01:09:51,150 --> 01:09:49,210

they're supposed to do because you're

1376

01:09:54,840 --> 01:09:51,160

teaching classes

1377

01:09:58,140 --> 01:09:54,850

in January okay

1378

01:10:00,090 --> 01:09:58,150

now also they should contact you because

1379

01:10:02,100 --> 01:10:00,100

this month with it's all about the

1380

01:10:05,760 --> 01:10:02,110

creative side whatever in communications

1381

01:10:08,820 --> 01:10:05,770

what about our dreams my dear yes it's a

1382

01:10:11,130 --> 01:10:08,830

great time of year to focus on that and

1383

01:10:13,410 --> 01:10:11,140

that is your magic I mean that's your

1384

01:10:16,110 --> 01:10:13,420

internal magic that you can reach at any

1385

01:10:18,540 --> 01:10:16,120

time and it doesn't take much effort to

1386

01:10:20,580 --> 01:10:18,550

create that relationship so yes people

1387

01:10:24,060 --> 01:10:20,590

can find both of us on Supernatural

1388

01:10:26,760 --> 01:10:24,070

girls with a z.com and they can contact

1389

01:10:28,590 --> 01:10:26,770

us at their convenience and we both have

1390

01:10:31,080 --> 01:10:28,600

our emails there and you can just shoot

1391

01:10:32,940 --> 01:10:31,090

us an email good question you know if

1392

01:10:35,190 --> 01:10:32,950

you have a question about a dreams or

1393

01:10:37,500 --> 01:10:35,200

numerology just shoot it over if you

1394

01:10:41,660 --> 01:10:37,510

want a session we can arrange that for

1395

01:10:47,580 --> 01:10:41,670

you so very good now we do have some

1396

01:10:53,190 --> 01:10:47,590

paranormal stories one of them is about

1397

01:10:55,800 --> 01:10:53,200

booze the booming noises in Alabama now

1398

01:10:57,990 --> 01:10:55,810

I don't know these Alabama these Alabama

1399

01:10:59,850 --> 01:10:58,000

noises are not just in Alabama I mean

1400

01:11:03,180 --> 01:10:59,860

there we've heard about them all over

1401

01:11:04,950 --> 01:11:03,190

the world in fact some of my interns

1402

01:11:07,620 --> 01:11:04,960

told me that they heard them in

1403

01:11:10,920 --> 01:11:07,630

Westfield and they pulled out their cell

1404

01:11:14,070 --> 01:11:10,930

phones taped it nobody knows where it's

1405

01:11:17,760 --> 01:11:14,080

coming from or why it's happening but

1406

01:11:21,600 --> 01:11:17,770

it's very concerning again a big noise

1407

01:11:23,910 --> 01:11:21,610

like that out of nowhere we've also seen

1408

01:11:27,510 --> 01:11:23,920

as a big earthquake swarm that's been

1409

01:11:29,670 --> 01:11:27,520

happening in California so that's going

1410

01:11:32,940 --> 01:11:29,680

on and you have to wonder you know are

1411

01:11:35,700 --> 01:11:32,950

these things connected the solar storms

1412

01:11:38,910 --> 01:11:35,710

the earthquakes we've had some big ones

1413

01:11:41,040 --> 01:11:38,920

in the world in the last week and are

1414

01:11:44,250 --> 01:11:41,050

they all connected so that's on our

1415

01:11:46,800 --> 01:11:44,260

Facebook page so you definitely want to

1416

01:11:49,680 --> 01:11:46,810

go there and take a look at that Alabama

1417

01:11:51,480 --> 01:11:49,690

story now if you have sounds that you've

1418

01:11:54,030 --> 01:11:51,490

heard and you've taped them send them to

1419

01:11:56,580 --> 01:11:54,040

us we'll play them on the air tell us

1420

01:11:58,770 --> 01:11:56,590

what you think you know we'll give you

1421

01:12:02,490 --> 01:11:58,780

an opportunity to share with everybody

1422

01:12:04,919 --> 01:12:02,500

what you think is happening or if you

1423

01:12:07,860 --> 01:12:04,929

have an experience if you've seen mark

1424

01:12:10,800 --> 01:12:07,870

if you've seen Bigfoot if you had an

1425

01:12:12,570 --> 01:12:10,810

experience as men and black we want to

1426

01:12:15,510 --> 01:12:12,580

hear from you and again you can agree to

1427

01:12:18,419 --> 01:12:15,520

see on our website supernatural girls

1428

01:12:21,149 --> 01:12:18,429

with a Z comm you can also reach us on

1429

01:12:23,160 --> 01:12:21,159

the supernatural Girls Facebook page

1430

01:12:25,580 --> 01:12:23,170

so you can leave comments or questions

1431

01:12:29,160 --> 01:12:25,590

there but if you've got a story to tell

1432

01:12:31,740 --> 01:12:29,170

we would like to hear from you about it

1433

01:12:33,840 --> 01:12:31,750

so don't be afraid to share them with us

1434

01:12:36,390 --> 01:12:33,850

you know this is where paranormal is

1435

01:12:38,790 --> 01:12:36,400

normal we want to hear your story

1436

01:12:41,610 --> 01:12:38,800

so there are some great stories out

1437

01:12:44,399 --> 01:12:41,620

there and oh yes yes don't let them be

1438

01:12:47,760 --> 01:12:44,409

untold I just heard a story from Bob

1439

01:12:50,090 --> 01:12:47,770

Luca one of our dear friends who told us

1440

01:12:54,479 --> 01:12:50,100

about a truck driver who was abducted

1441

01:12:58,050 --> 01:12:54,489

along with his 18-wheeler which is an

1442

01:13:00,300 --> 01:12:58,060

amazing story and unfortunately the

1443

01:13:03,510 --> 01:13:00,310

story didn't get out very much but it

1444

01:13:07,439 --> 01:13:03,520

had some real evidence associated with

1445

01:13:09,419 --> 01:13:07,449

it because you know truckers have a way

1446

01:13:11,990 --> 01:13:09,429

that the mileage is counted on their

1447

01:13:14,700 --> 01:13:12,000

trucks right when they're traveling and

1448

01:13:17,939 --> 01:13:14,710

this trucker was going I forget where it

1449

01:13:22,850 --> 01:13:17,949

was quite a distance and the mileage

1450

01:13:25,649 --> 01:13:22,860

only showed 14 miles so strange

1451

01:13:26,250 --> 01:13:25,659

yes and unfortunately this gentleman has

1452

01:13:29,040 --> 01:13:26,260

passed away

1453

01:13:31,770 --> 01:13:29,050

so we've missed an opportunity to hear

1454

01:13:33,479 --> 01:13:31,780

directly from him and tell the story to

1455

01:13:36,030 --> 01:13:33,489

our audience who wants to hear more of

1456

01:13:38,729 --> 01:13:36,040

these but I know there's lots and lots

1457

01:13:47,040 --> 01:13:38,739

of stories like this out there people

1458

01:13:48,899 --> 01:13:47,050

sometimes feel afraid they're gonna get

1459

01:13:50,399 --> 01:13:48,909

picked on about it you don't have to

1460

01:13:52,500 --> 01:13:50,409

worry about that with me you would like

1461

01:13:55,110 --> 01:13:52,510

to keep your name confidential we will

1462

01:13:56,910 --> 01:13:55,120

keep your name confidential so that's

1463

01:13:59,610 --> 01:13:56,920

not a problem but you can write to us

1464

01:14:01,020 --> 01:13:59,620

will respect you our confidentiality if

1465

01:14:02,669 --> 01:14:01,030

that's what you'd like but if you'd like

1466

01:14:04,860 --> 01:14:02,679

us to tell the story on the air we are

1467

01:14:07,470 --> 01:14:04,870

going to start doing that and you

1468

01:14:09,360 --> 01:14:07,480

collect these stories there's lots of

1469

01:14:11,880 --> 01:14:09,370

stories here in western US and the hill

1470

01:14:13,500 --> 01:14:11,890

towns there's been sightings of all

1471

01:14:15,959 --> 01:14:13,510

kinds of strange things so I'm gonna

1472

01:14:17,669 --> 01:14:15,969

start collecting them and again feel

1473

01:14:21,120 --> 01:14:17,679

free to contact us so

1474

01:14:23,339 --> 01:14:21,130

that we can get your story out there it

1475

01:14:26,939 --> 01:14:23,349

was also good say if they're interested

1476

01:14:29,339 --> 01:14:26,949

every day I put out a brief of what the

1477

01:14:31,350 --> 01:14:29,349

day's all about so if they would like to

1478

01:14:34,229 --> 01:14:31,360

know that they can go to my Facebook

1479

01:14:37,529 --> 01:14:34,239

page and join in every morning there's

1480

01:14:40,020 --> 01:14:37,539

what the day is about universally right

1481

01:14:43,049 --> 01:14:40,030

given the heads that's there's a very

1482

01:14:46,500 --> 01:14:43,059

very helpful information always always

1483

01:14:49,109 --> 01:14:46,510

and the other thing that we had on our

1484

01:14:52,140 --> 01:14:49,119

Facebook page this week which I thought

1485

01:14:54,120 --> 01:14:52,150

was extremely cool and you all may have

1486

01:14:58,339 --> 01:14:54,130

heard of it before

1487

01:15:09,509 --> 01:14:58,349

but it's it was about Big Foot braiding

1488

01:15:11,879 --> 01:15:09,519

the Mane's and Tails horses they had

1489

01:15:13,699 --> 01:15:11,889

beautiful pictures of Mane's braided I

1490

01:15:17,040 --> 01:15:13,709

don't know Bigfoot did these but

1491

01:15:19,439 --> 01:15:17,050

certainly this has been done and it's

1492

01:15:21,120 --> 01:15:19,449

been reported numerous times by people

1493

01:15:23,640 --> 01:15:21,130

who own horses and they come out with

1494

01:15:26,310 --> 01:15:23,650

you know their horses Mane's and Tails

1495

01:15:28,620 --> 01:15:26,320

are all braided beautifully now what

1496

01:15:31,709 --> 01:15:28,630

that is I don't know what do you think's

1497

01:15:36,779 --> 01:15:31,719

going it's nice to know that that

1498

01:15:38,850 --> 01:15:36,789

talented they apparently like horses and

1499

01:15:40,410 --> 01:15:38,860

you know they like braiding their I

1500

01:15:43,589 --> 01:15:40,420

really look at the hairdresser's for

1501

01:15:45,779 --> 01:15:43,599

horses I don't know I think it's it

1502

01:15:47,459 --> 01:15:45,789

different definitely different you know

1503

01:15:49,259 --> 01:15:47,469

I was I mentioned you earlier there was

1504

01:15:51,810 --> 01:15:49,269

a meteor that hit outside of Phoenix

1505

01:15:54,719 --> 01:15:51,820

last night about 8:15 last night and

1506

01:15:57,959 --> 01:15:54,729

they were talking about it and so they

1507

01:16:00,540 --> 01:15:57,969

were talking about the after part so

1508

01:16:02,040 --> 01:16:00,550

capable people in the area take a look

1509

01:16:04,129 --> 01:16:02,050

you never know what's gonna happen next

1510

01:16:07,350 --> 01:16:04,139

the way things have been going lately

1511

01:16:09,299 --> 01:16:07,360

everything's a little crazy it is and

1512

01:16:11,129 --> 01:16:09,309

you never know in their report a meteor

1513

01:16:14,429 --> 01:16:11,139

is it really a meteor is it something

1514

01:16:16,439 --> 01:16:14,439

else so you always want to watch the

1515

01:16:18,839 --> 01:16:16,449

follow up on that and also talk to other

1516

01:16:21,020 --> 01:16:18,849

people who saw it but a media is pretty

1517

01:16:24,179 --> 01:16:21,030

straightforward if that's what it was

1518

01:16:26,370 --> 01:16:24,189

what everybody and the other thing I was

1519

01:16:28,739 --> 01:16:26,380

gonna mention is a couple weeks ago we

1520

01:16:31,439 --> 01:16:28,749

posted a picture of a cloud that looked

1521

01:16:33,750 --> 01:16:31,449

like a plate actually yes

1522

01:16:35,639 --> 01:16:33,760

I get three or four other people comment

1523

01:16:38,609 --> 01:16:35,649

or send me a note saying they've seen

1524

01:16:41,100 --> 01:16:38,619

this strange cloud over their area as

1525

01:16:44,009 --> 01:16:41,110

well so there he goes the big question

1526

01:16:48,689 --> 01:16:44,019

cloud or not a cloud yeah because it's

1527

01:16:50,580 --> 01:16:48,699

so perfectly set up as a plate that's

1528

01:16:52,290 --> 01:16:50,590

right very interesting and again a lot

1529

01:16:54,719 --> 01:16:52,300

of these things that all of them are on

1530

01:16:55,649 --> 01:16:54,729

our Facebook page so be sure to go to

1531

01:16:57,750 --> 01:16:55,659

our Facebook page

1532

01:17:01,529 --> 01:16:57,760

supernatural girls give us a like follow

1533

01:17:03,750 --> 01:17:01,539

us follow us on Twitter and also go to

1534

01:17:05,040 --> 01:17:03,760

the zomp the real zombie plague if you

1535

01:17:08,129 --> 01:17:05,050

want to know more about autoimmune

1536

01:17:10,319 --> 01:17:08,139

disease lyme disease etc the real zombie

1537

01:17:12,389 --> 01:17:10,329

plague follow us there as well we're

1538

01:17:14,580 --> 01:17:12,399

going to be doing more to provide you

1539

01:17:17,639 --> 01:17:14,590

with the right information so that any

1540

01:17:22,049 --> 01:17:17,649

of you have this can get well so in the

1541

01:17:24,209 --> 01:17:22,059

meantime we will well we'll see you kind

1542

01:17:26,310 --> 01:17:24,219

of next week more or less

1543

01:17:30,600 --> 01:17:26,320

a pre-recorded show with Robert Abbott

1544

01:17:33,359 --> 01:17:30,610

all right and so please tune in you will

1545

01:17:35,159 --> 01:17:33,369

even learn a lot from Robert and our

1546

01:17:38,189 --> 01:17:35,169

wonderful show about autoimmune disease

1547

01:17:43,560 --> 01:17:38,199

and lime so be sure to join us then and

1548

01:17:44,520 --> 01:17:43,570

then we'll see you on the B Highway good

1549

01:17:47,580 --> 01:17:44,530

night everybody

1550

01:17:52,009 --> 01:17:47,590

good night Happy Thanksgiving definitely
