requires portaloos numbers on the

28  
00:01:08,320 --> 00:00:59,609  
t-mobile network C store for details in

29  
00:01:16,469 --> 00:01:12,090  
you

30  
00:01:19,830 --> 00:01:16,479  
sightings reported around the world

31  
00:01:24,569 --> 00:01:19,840  
every month 90% of these sightings can

32  
00:01:26,880 --> 00:01:24,579  
be explained but 10% can not officially

33  
00:01:30,389 --> 00:01:26,890  
and unofficially the US government has

34  
00:01:32,459 --> 00:01:30,399  
been investigating UFOs since 1947 their

35  
00:01:40,720 --> 00:01:32,469  
top-secret goal is to find out what's

36  
00:01:40,730 --> 00:02:08,469  
you

37  
00:02:11,470 --> 00:02:10,789  
well good evening everyone welcome to

38  
00:02:13,300 --> 00:02:11,480

madman

39

00:02:15,940 --> 00:02:13,310

no tracks I'll show here on the distant

40

00:02:18,940 --> 00:02:15,950

Thunder radio network this is Mac Ramona

41

00:02:20,500 --> 00:02:18,950

in the studio with us tonight I should

42

00:02:23,050 --> 00:02:20,510

say first that we have a really big shoe

43

00:02:26,350 --> 00:02:23,060

coming up but in the studio with us

44

00:02:28,930 --> 00:02:26,360

tonight our new studio second gig here

45

00:02:31,869 --> 00:02:28,940

at Exeter New Hampshire the Exeter

46

00:02:34,300 --> 00:02:31,879

incident here with us he says on walking

47

00:02:36,160 --> 00:02:34,310

accident incident the very famous Juan

48

00:02:38,470 --> 00:02:36,170

one is here hello Mac how's it going

49

00:02:40,420 --> 00:02:38,480

tonight going good working on show

50

00:02:42,640 --> 00:02:40,430

number two in a row and you're in a row

51  
00:02:45,100 --> 00:02:42,650  
you know overly ostentatious studios

52  
00:02:46,690 --> 00:02:45,110  
here it really is yeah it's not that we

53  
00:02:49,059 --> 00:02:46,700  
didn't like the other place we didn't

54  
00:02:50,979 --> 00:02:49,069  
love the other one but this is fond

55  
00:02:53,110 --> 00:02:50,989  
affections at the other right this is

56  
00:02:54,910 --> 00:02:53,120  
this is more uptown than downtown that's

57  
00:02:56,349 --> 00:02:54,920  
right you know it's just really nice

58  
00:02:57,970 --> 00:02:56,359  
here and we're in such a quiet location

59  
00:02:59,680 --> 00:02:57,980  
you wouldn't even know there was a radio

60  
00:03:01,660 --> 00:02:59,690  
station here which kind of adds to we

61  
00:03:03,970 --> 00:03:01,670  
could know so it's almost like a secret

62  
00:03:07,360 --> 00:03:03,980  
place right yeah so nestled in the woods

63  
00:03:11,650 --> 00:03:07,370

of right accident New Hampshire and what

64

00:03:13,059 --> 00:03:11,660

is it can I say about x WX e X I think

65

00:03:16,030 --> 00:03:13,069

that's the call letters on the radio

66

00:03:19,000 --> 00:03:16,040

station where rap so anyway yeah so one

67

00:03:21,099 --> 00:03:19,010

on is here Cobra is doing some kind of

68

00:03:23,379 --> 00:03:21,109

monkey business and it's gonna call in

69

00:03:25,270 --> 00:03:23,389

later is he on a mission he wouldn't say

70

00:03:26,229 --> 00:03:25,280

you know so that usually means he's you

71

00:03:29,640 --> 00:03:26,239

know up to something

72

00:03:31,839 --> 00:03:29,650

yeah we're also going to be talking to a

73

00:03:33,190 --> 00:03:31,849

good friend Michael shraddh is going to

74

00:03:36,520 --> 00:03:33,200

be the special guest tonight he is

75

00:03:39,370 --> 00:03:36,530

someone who's an expert on on flying

76

00:03:41,949 --> 00:03:39,380

triangles there were three top shapes

77

00:03:43,990 --> 00:03:41,959

that people who see UFOs what they see

78

00:03:46,150 --> 00:03:44,000

is number one is actually it's a guy

79

00:03:48,729 --> 00:03:46,160

shaped object we run or not yeah number

80

00:03:50,890 --> 00:03:48,739

two is the saucer the disc and number

81

00:03:52,690 --> 00:03:50,900

three is this these flying Doritos they

82

00:03:54,430 --> 00:03:52,700

call them they're the triangles they see

83

00:03:56,860 --> 00:03:54,440

him in all sizes they've been seeing

84

00:03:58,509 --> 00:03:56,870

them for years and some of them enormous

85

00:04:00,580 --> 00:03:58,519

like the size of two or three aircraft

86

00:04:02,920 --> 00:04:00,590

carries put together I was talking to a

87

00:04:05,680 --> 00:04:02,930

kid this morning who cleans up at

88

00:04:07,089 --> 00:04:05,690

Cumberland Farms okay and I told him

89

00:04:08,589 --> 00:04:07,099

about my show that I was doing it

90

00:04:11,860 --> 00:04:08,599

tonight and everything one pan of the

91

00:04:16,509 --> 00:04:11,870

time yep go ahead and he was talking

92

00:04:20,050 --> 00:04:16,519

about seeing three circles mm-hmm in a

93

00:04:23,940 --> 00:04:20,060

triangle design moving together and then

94

00:04:26,400 --> 00:04:23,950

another one well by itself sort of like

95

00:04:28,500 --> 00:04:26,410

I sing it every so often that's a lot of

96

00:04:30,810 --> 00:04:28,510

people stick a lot of people see exactly

97

00:04:32,520 --> 00:04:30,820

that you'll see a triangle going over

98

00:04:34,140 --> 00:04:32,530

they get the lights at each corner right

99

00:04:36,330 --> 00:04:34,150

and they'll see another light and see

100

00:04:38,760 --> 00:04:36,340

the landing on it coming out of it or

101  
00:04:40,260 --> 00:04:38,770  
cooperating you for some reason yeah so

102  
00:04:42,780 --> 00:04:40,270  
Michael shraddh he's an expert and all

103  
00:04:45,000 --> 00:04:42,790  
that he's going to talk to us about the

104  
00:04:48,900 --> 00:04:45,010  
flying triangles and also the Hudson

105  
00:04:49,590 --> 00:04:48,910  
River Valley sightings from a couple

106  
00:04:52,200 --> 00:04:49,600  
decades ago

107  
00:04:54,660 --> 00:04:52,210  
unbelievable fascinating wave of UFO

108  
00:04:57,270 --> 00:04:54,670  
sightings we'll be talking to him about

109  
00:05:02,870 --> 00:04:57,280  
that okay we're also going to be talking

110  
00:05:05,790 --> 00:05:02,880  
to switchblade and Emily they went to a

111  
00:05:07,410 --> 00:05:05,800  
monster quest convention and they're

112  
00:05:09,960 --> 00:05:07,420  
going to be pulling on it there what

113  
00:05:11,940 --> 00:05:09,970

they have the the actors are I think so

114

00:05:13,800 --> 00:05:11,950

yeah reenacting their roles on the TV

115

00:05:16,290 --> 00:05:13,810

yeah yeah like you know the third guy

116

00:05:19,370 --> 00:05:16,300

who played the fourth alien on you know

117

00:05:21,930 --> 00:05:19,380

that's gonna be a Trekkie yeah yeah and

118

00:05:23,700 --> 00:05:21,940

also we're gonna be talking to know if

119

00:05:25,380 --> 00:05:23,710

eirick ween of the night was there real

120

00:05:27,870 --> 00:05:25,390

kind of down-to-earth person when it

121

00:05:30,240 --> 00:05:27,880

comes to UFOs what is BS what is noise

122

00:05:32,520 --> 00:05:30,250

and what is reality right we like

123

00:05:34,500 --> 00:05:32,530

talking to people like that so that's

124

00:05:37,110 --> 00:05:34,510

the show they want all right okay

125

00:05:39,360 --> 00:05:37,120

jam-packed how you one how are you doing

126

00:05:40,920 --> 00:05:39,370

the people of the future the Patriots

127

00:05:43,710 --> 00:05:40,930

did not play this we know they had the

128

00:05:45,240 --> 00:05:43,720

by week by week B why did you see the

129

00:05:47,460 --> 00:05:45,250

picture I sent you what Tom Brady was

130

00:05:49,950 --> 00:05:47,470

doing during his body was laying a

131

00:05:51,540 --> 00:05:49,960

hammock down he's down in Costa Rica

132

00:05:54,300 --> 00:05:51,550

someplace he was a place down there

133

00:05:55,950 --> 00:05:54,310

right yeah his neighbors with Jack

134

00:06:03,890 --> 00:05:55,960

Nicholson as it turns out down there

135

00:06:11,100 --> 00:06:07,650

but anyway yeah he was he was down they

136

00:06:12,920 --> 00:06:11,110

were grooving with his wife and how

137

00:06:15,540 --> 00:06:12,930

about the sunset pictures

138

00:06:20,160 --> 00:06:15,550

yeah just life is just great you know

139

00:06:22,050 --> 00:06:20,170

for him I don't think it's absolutely

140

00:06:23,930 --> 00:06:22,060

great because I still I was stand by

141

00:06:26,640 --> 00:06:23,940

this I still don't think his wife is

142

00:06:28,200 --> 00:06:26,650

even that attractive frankly over that

143

00:06:29,670 --> 00:06:28,210

picture looked pretty good well yeah

144

00:06:32,840 --> 00:06:29,680

that's one of the pictures I've seen

145

00:06:36,190 --> 00:06:32,850

yeah because you couldn't really see her

146

00:06:40,210 --> 00:06:36,200

sorry I can't assumed in

147

00:06:42,250 --> 00:06:40,220

that's wrong but she's well zoomed in I

148

00:06:43,570 --> 00:06:42,260

thought it was not too shabby okay all

149

00:06:46,510 --> 00:06:43,580

right let me I'll ask you the question

150

00:06:49,500 --> 00:06:46,520

that you asked everyone okay who looks

151

00:06:51,580 --> 00:06:49,510

better or sister

152

00:06:54,310 --> 00:06:51,590

the sister looks better

153

00:06:56,140 --> 00:06:54,320

you made my point but it's the old line

154

00:06:57,220 --> 00:06:56,150

back in the days where you said well I

155

00:07:00,250 --> 00:06:57,230

wouldn't kick her out of bed for eating

156

00:07:02,050 --> 00:07:00,260

crackers yeah yes I never say that to

157

00:07:06,280 --> 00:07:02,060

anybody no because there was something

158

00:07:07,810 --> 00:07:06,290

in the purity I was eating crackers in

159

00:07:09,910 --> 00:07:07,820

bed what does that even mean I don't I

160

00:07:10,690 --> 00:07:09,920

don't know I I tried not to eat crackers

161

00:07:13,000 --> 00:07:10,700

Yeah right

162

00:07:23,800 --> 00:07:13,010

unless crack is is your girlfriend's

163

00:07:25,210 --> 00:07:23,810

name 5:36 Jeff thank you it was there so

164

00:07:27,160 --> 00:07:25,220

anyway so that's the show why don't we

165

00:07:29,800 --> 00:07:27,170

do this you have anything else Patriots

166

00:07:37,420 --> 00:07:29,810

for us to report their money oh you got

167

00:07:40,960 --> 00:07:37,430

a new TV 12:12 okay okay okay back up

168

00:07:43,120 --> 00:07:40,970

yeah yeah back up I have hats backed up

169

00:07:45,700 --> 00:07:43,130

that's right and okay I'm gonna go get

170

00:07:47,380 --> 00:07:45,710

some some more time pretty clothing like

171

00:07:50,500 --> 00:07:47,390

a jersey or something oh really yeah

172

00:07:53,980 --> 00:07:50,510

okay well I was a little bit of a funk

173

00:07:56,380 --> 00:07:53,990

the last time no yes not that I was

174

00:07:57,460 --> 00:07:56,390

ignoring Tom Brady but you know when

175

00:07:59,470 --> 00:07:57,470

you're a little bit jealous

176

00:08:03,790 --> 00:07:59,480

you kind of want Tom Brady to yourself

177

00:08:05,170 --> 00:08:03,800

yes go ahead and you know maybe this is

178

00:08:07,810 --> 00:08:05,180

that I don't want to sound like a creep

179

00:08:10,360 --> 00:08:07,820

show but I got over it I'm going win a

180

00:08:12,910 --> 00:08:10,370

second Tom Brady is for everybody he's

181

00:08:14,680 --> 00:08:12,920

for everyman Wow yes he's the

182

00:08:16,570 --> 00:08:14,690

quarterback for the mass for everyone

183

00:08:17,200 --> 00:08:16,580

not just for you that's right he's

184

00:08:20,140 --> 00:08:17,210

awesome

185

00:08:23,320 --> 00:08:20,150

he's the best ever is the goat yep Gio

186

00:08:26,200 --> 00:08:23,330

80 greatest of all time yep and why

187

00:08:29,350 --> 00:08:26,210

should I feel you know not part of that

188

00:08:32,170 --> 00:08:29,360

right exactly yeah yeah well and there's

189

00:08:33,969 --> 00:08:32,180

only hurting myself right I'm back maybe

190

00:08:41,560 --> 00:08:33,979

this is the part of the story we do with

191

00:08:44,980 --> 00:08:41,570

hand puppets you think one one I missed

192

00:08:49,150 --> 00:08:44,990

you so much I miss you talkin about bein

193

00:08:50,079 --> 00:08:49,160

taken the x-files I think you you become

194

00:08:52,449 --> 00:08:50,089

enlightened I think this

195

00:08:54,600 --> 00:08:52,459

as the poor would feel well I paid more

196

00:08:57,309 --> 00:08:54,610

attention to the tv12

197

00:08:58,929 --> 00:08:57,319

method book alright okay yeah the

198

00:09:00,910 --> 00:08:58,939

broader yeah you were in here drill the

199

00:09:02,650 --> 00:09:00,920

funny thing is is that the show before

200

00:09:04,780 --> 00:09:02,660

the last one you were drooling over the

201  
00:09:06,340 --> 00:09:04,790  
book and then our last show which was I

202  
00:09:09,759 --> 00:09:06,350  
haven't eaten show you're actually

203  
00:09:11,259 --> 00:09:09,769  
crying because we had a tepee problem

204  
00:09:13,119 --> 00:09:11,269  
that's really it's it's kind of come up

205  
00:09:14,379 --> 00:09:13,129  
with it but is it because it was the bye

206  
00:09:14,739 --> 00:09:14,389  
week and now when you're gonna see him

207  
00:09:18,040 --> 00:09:14,749  
now

208  
00:09:21,189 --> 00:09:18,050  
I had a renewed awakening of color

209  
00:09:24,189 --> 00:09:21,199  
relapse yeah the romance for Brady Wow

210  
00:09:26,710 --> 00:09:24,199  
boy the story continues yeah well very

211  
00:09:29,019 --> 00:09:26,720  
interesting they let him pass that yep

212  
00:09:30,910 --> 00:09:29,029  
well if you say so yes I'm trying to be

213  
00:09:33,309 --> 00:09:30,920

more authentic about it okay you're a

214

00:09:35,650 --> 00:09:33,319

fascinating person and let me ask you

215

00:09:37,420 --> 00:09:35,660

well what does the lovely mrs. Juan Juan

216

00:09:39,040 --> 00:09:37,430

have to say about all of us well she

217

00:09:41,170 --> 00:09:39,050

feels a bit jealous because now she has

218

00:09:43,030 --> 00:09:41,180

to share she affections with Tom Brady

219

00:09:45,220 --> 00:09:43,040

oh I see which is cool with it that's

220

00:09:50,259 --> 00:09:45,230

that that she's the third corner of the

221

00:09:52,840 --> 00:09:50,269

track or nur of the triad so she he's

222

00:09:54,460 --> 00:09:52,850

cool with it as long as I don't have too

223

00:09:56,079 --> 00:09:54,470

much affection over Tom Brady's wife

224

00:09:57,970 --> 00:09:56,089

would be a different story let's see

225

00:09:59,230 --> 00:09:57,980

she's the odd man out it's you're making

226

00:10:01,509 --> 00:09:59,240

my point again that's right I didn't

227

00:10:03,970 --> 00:10:01,519

mean man but she's the odd on the

228

00:10:04,929 --> 00:10:03,980

traffic excellent so listen why don't we

229

00:10:06,939 --> 00:10:04,939

I think they're like Bridget Moynahan

230

00:10:08,079 --> 00:10:06,949

better everybody does

231

00:10:09,610 --> 00:10:08,089

yeah every let's figures were

232

00:10:10,119 --> 00:10:09,620

down-to-earth she was beautiful just

233

00:10:11,860 --> 00:10:10,129

beautiful

234

00:10:13,389 --> 00:10:11,870

yep I saw her in a movie the other day

235

00:10:14,919 --> 00:10:13,399

the only reason I I watch it's called

236

00:10:17,110 --> 00:10:14,929

the recruiters about some kind of CIA

237

00:10:18,369 --> 00:10:17,120

thing didn't even pay attention the only

238

00:10:20,559 --> 00:10:18,379

reason I watched she because she was in

239

00:10:22,419 --> 00:10:20,569

it you know and and there's just

240

00:10:25,780 --> 00:10:22,429

something about us she's cute she's very

241

00:10:27,400 --> 00:10:25,790

kind of down-to-earth right and but she

242

00:10:28,629 --> 00:10:27,410

was seven years older than him someone

243

00:10:32,889 --> 00:10:28,639

told me the other day and that's why

244

00:10:34,749 --> 00:10:32,899

yeah yeah yeah I didn't either but yeah

245

00:10:36,100 --> 00:10:34,759

she was old never you know sorry Tom I

246

00:10:38,199 --> 00:10:36,110

would have stuck with her but she's got

247

00:10:40,720 --> 00:10:38,209

one of his kids right yeah yeah yeah but

248

00:10:43,210 --> 00:10:40,730

he I guess he has custody of the kid

249

00:10:45,879 --> 00:10:43,220

mostly yeah because she's a movie star

250

00:10:47,579 --> 00:10:45,889

and so on but anyway and he provides a

251  
00:10:50,259 --> 00:10:47,589  
better lifestyle than a movie star would

252  
00:10:52,449 --> 00:10:50,269  
yeah oh yeah for sure

253  
00:10:56,049 --> 00:10:52,459  
so you're listening to the tom brady our

254  
00:10:58,030 --> 00:10:56,059  
yeah anyway so when we do this one we

255  
00:10:59,919 --> 00:10:58,040  
take an ad and when we come back we'll

256  
00:11:01,499 --> 00:10:59,929  
be back with another fascinating segment

257  
00:11:03,830 --> 00:11:01,509  
in the show so you're listening to

258  
00:11:05,240 --> 00:11:03,840  
equities military show here

259  
00:11:08,810 --> 00:11:05,250  
the distant Thunder radio network we

260  
00:11:11,060 --> 00:11:08,820  
will be right back after this UFOs are

261  
00:11:14,300 --> 00:11:11,070  
found in Renaissance art on ancient

262  
00:11:17,060 --> 00:11:14,310  
coins and etched on cave walls they are

263  
00:11:19,250 --> 00:11:17,070

even reported in the Bible but more

264

00:11:23,690 --> 00:11:19,260

surprising is when UFOs have seen the

265

00:11:25,880 --> 00:11:23,700

most in times of war through centuries

266

00:11:28,280 --> 00:11:25,890

thousands of UFO sightings have been

267

00:11:31,430 --> 00:11:28,290

made by high-ranking officials military

268

00:11:33,500 --> 00:11:31,440

pilots and ordinary soldiers often these

269

00:11:36,110 --> 00:11:33,510

fantastic appearances occur at the

270

00:11:39,620 --> 00:11:36,120

height of great battles from World War

271

00:11:42,740 --> 00:11:39,630

one to d-day to Korea Vietnam and beyond

272

00:11:44,960 --> 00:11:42,750

military investigators are baffled why

273

00:11:46,100 --> 00:11:44,970

do UFO sightings spike so drastically

274

00:11:49,130 --> 00:11:46,110

during wartime

275

00:11:53,420 --> 00:11:49,140

could it be mistaken aircraft or someone

276

00:11:55,610 --> 00:11:53,430

or some thing looking in on us in UFOs

277

00:11:57,830 --> 00:11:55,620

in wartime what they didn't want you to

278

00:11:59,570 --> 00:11:57,840

know Mack Moloney chronicles centuries

279

00:12:01,910 --> 00:11:59,580

of these incredible sightings and tries

280

00:12:05,300 --> 00:12:01,920

to solve the puzzle of why so many UFOs

281

00:12:07,400 --> 00:12:05,310

are seen while Humanity is at war read

282

00:12:10,400 --> 00:12:07,410

about the scare ships the ghost planes

283

00:12:13,430 --> 00:12:10,410

and the ghost rockets alien Giants in

284

00:12:16,610 --> 00:12:13,440

the jungles of Vietnam UFOs controlling

285

00:12:20,390 --> 00:12:16,620

our ICBM bases dogfights with flying

286

00:12:23,330 --> 00:12:20,400

saucers during the Gulf War and more 300

287

00:12:24,800 --> 00:12:23,340

pages of unbelievable stories along with

288

00:12:28,220 --> 00:12:24,810

many startling photographs

289

00:12:30,950 --> 00:12:28,230

that's UFOs in wartime what they didn't

290

00:12:36,350 --> 00:12:30,960

want you to know by Mack Bologna on sale

291

00:12:52,500 --> 00:12:50,150

[Music]

292

00:12:54,090 --> 00:12:52,510

welcome back everyone to McNamee no

293

00:12:56,010 --> 00:12:54,100

tracks our show here on the distant

294

00:12:57,930 --> 00:12:56,020

Thunder radio and knowing who's been in

295

00:13:00,870 --> 00:12:57,940

the studio with us tonight our new

296

00:13:03,150 --> 00:13:00,880

studio and lovely exited New Hampshire

297

00:13:04,470 --> 00:13:03,160

the very famous one one is here hello

298

00:13:06,480 --> 00:13:04,480

Mac how's it going so far

299

00:13:08,460 --> 00:13:06,490

two in a row I don't know two on the

300

00:13:10,140 --> 00:13:08,470

road you know it really makes a streak

301

00:13:11,700 --> 00:13:10,150

or not that's nothing but it's like the

302

00:13:14,070 --> 00:13:11,710

Celtics right now you know it could mean

303

00:13:16,230 --> 00:13:14,080

something later right Celtics of 1-9

304

00:13:17,640 --> 00:13:16,240

Monroe or something but when you want to

305

00:13:20,550 --> 00:13:17,650

call a streak you have personal

306

00:13:22,160 --> 00:13:20,560

appearances here after three four no I

307

00:13:25,020 --> 00:13:22,170

got to be up in the double digits

308

00:13:27,300 --> 00:13:25,030

really yeah oh yeah all right so nine

309

00:13:29,220 --> 00:13:27,310

nine weeks treat me there's nothing to

310

00:13:31,950 --> 00:13:29,230

you know okay all right very good

311

00:13:36,000 --> 00:13:31,960

I also want to mention that we had a lot

312

00:13:39,830 --> 00:13:36,010

of audience reactions at the Halloween

313

00:13:42,450 --> 00:13:39,840

show okay the way yes as a security guy

314

00:13:44,220 --> 00:13:42,460

bringing to all the reaction where else

315

00:13:47,760 --> 00:13:44,230

we should say that that was a she two

316

00:13:50,520 --> 00:13:47,770

weeks ago and apparently that's talking

317

00:13:52,500 --> 00:13:50,530

about the various fan mail that people

318

00:13:53,640 --> 00:13:52,510

send to us whether the emails or whether

319

00:13:56,040 --> 00:13:53,650

they're actually you know through the

320

00:13:57,660 --> 00:13:56,050

Postal Service when you mention stuff

321

00:13:59,550 --> 00:13:57,670

like that it kind of bumps you know you

322

00:14:01,080 --> 00:13:59,560

have a you have a rise in it because

323

00:14:03,660 --> 00:14:01,090

people just could get the idea and we

324

00:14:05,730 --> 00:14:03,670

get so many listeners now I guess that

325

00:14:08,190 --> 00:14:05,740

you know I'm glad they paying attention

326

00:14:11,820 --> 00:14:08,200

actually sending us time so but what

327

00:14:15,180 --> 00:14:11,830

what what it had us do is we had to hire

328

00:14:17,700 --> 00:14:15,190

some muscle some like a body got our a

329

00:14:19,890 --> 00:14:17,710

security person they go through all this

330

00:14:22,050 --> 00:14:19,900

stuff and it's like in the level of

331

00:14:24,960 --> 00:14:22,060

Pinkerton or something yeah a little

332

00:14:27,600 --> 00:14:24,970

more like I don't want to say goon you

333

00:14:29,190 --> 00:14:27,610

know but you know I said less to eat so

334

00:14:30,720 --> 00:14:29,200

you know if we go into a movie premiere

335

00:14:32,520 --> 00:14:30,730

he'd be the guy who shoved the people

336

00:14:34,050 --> 00:14:32,530

out of the way so you know it's that

337

00:14:37,380 --> 00:14:34,060

type of thing and he also goes through

338

00:14:40,290 --> 00:14:37,390

our emails and the security checks with

339

00:14:42,240 --> 00:14:40,300

packages that around okay and last week

340

00:14:45,930 --> 00:14:42,250

hope he has a sniffing dog with him two

341

00:14:48,570 --> 00:14:45,940

images you never know last week he

342

00:14:50,700 --> 00:14:48,580

revealed that apparently that you have

343

00:14:52,800 --> 00:14:50,710

the good news is that you have the most

344

00:14:54,840 --> 00:14:52,810

fans and that I like that news the

345

00:14:57,000 --> 00:14:54,850

majority of them a female I like that

346

00:14:59,350 --> 00:14:57,010

too the cannon not so good news but it

347

00:15:01,840 --> 00:14:59,360

depends on you know where you

348

00:15:04,650 --> 00:15:01,850

these days but is that they tend to send

349

00:15:08,440 --> 00:15:04,660

you sex toys that's what that part is

350

00:15:10,180 --> 00:15:08,450

confusing to me right yes right and I

351

00:15:12,970 --> 00:15:10,190

and I know I insulted you last week by

352

00:15:19,120 --> 00:15:12,980

saying if I recall their female sex yes

353

00:15:21,130 --> 00:15:19,130

well they were I didn't want to insult

354

00:15:23,110 --> 00:15:21,140

you but like you know suggests it might

355

00:15:24,519 --> 00:15:23,120

be a prank or something yeah we called

356

00:15:27,730 --> 00:15:24,529

everyone we knew we say you send their

357

00:15:30,250 --> 00:15:27,740

stuff through one but no it apparently

358

00:15:32,019 --> 00:15:30,260

is organic as they say in the biz yeah

359

00:15:35,680 --> 00:15:32,029

and they are sending you rubber things

360

00:15:40,960 --> 00:15:35,690

so anyway as an update on this this is

361

00:15:43,840 --> 00:15:40,970

those a longshot hand for our security

362

00:15:45,340 --> 00:15:43,850

agents right it's a concern mr.william

363

00:15:47,980 --> 00:15:45,350

club is on the line with us how you

364

00:15:50,350 --> 00:15:47,990

doing there tonight Club good Marik how

365

00:15:52,180 --> 00:15:50,360

you doing okay doing good okay one one

366

00:15:56,680 --> 00:15:52,190

how you doing excellent could be better

367

00:15:58,750 --> 00:15:56,690

okay so well so what's the latest what's

368

00:16:01,240 --> 00:15:58,760

your report this week anything well you

369

00:16:02,769 --> 00:16:01,250

know I I got some things yeah let me

370

00:16:05,920 --> 00:16:02,779

start up right you know I don't want to

371

00:16:07,900 --> 00:16:05,930

complain but you know when you sign me

372

00:16:13,350 --> 00:16:07,910

this mail task you know I didn't realize

373

00:16:16,920 --> 00:16:13,360

that it involves this kind of detail I'm

374

00:16:18,880 --> 00:16:16,930

almost about ready to ask for combat

375

00:16:21,310 --> 00:16:18,890

doesn't that mean that you didn't think

376

00:16:21,970 --> 00:16:21,320

we'd be getting this much email or this

377

00:16:25,509 --> 00:16:21,980

much

378

00:16:34,980 --> 00:16:25,519

well it's the the amount is okay but

379

00:16:40,120 --> 00:16:38,110

involved yeah you know I mean we that

380

00:16:42,730 --> 00:16:40,130

close I mean we said last week that you

381

00:16:44,139 --> 00:16:42,740

know that most people try to get in

382

00:16:46,210 --> 00:16:44,149

touch with me because they're interested

383

00:16:48,160 --> 00:16:46,220

in the books that I write most people

384

00:16:50,889 --> 00:16:48,170

try to get in touch with Cobra because

385

00:16:52,870 --> 00:16:50,899

he's like you know mr. GI Joe and they

386

00:16:54,430 --> 00:16:52,880

want to and he's mr. military and mr.

387

00:16:55,990 --> 00:16:54,440

military and and they want to ask him

388

00:16:57,610 --> 00:16:56,000

questions but as I said before they want

389

00:17:00,639 --> 00:16:57,620

to be him you know what I mean so he's

390

00:17:02,920 --> 00:17:00,649

there but then Wan ones are audiences is

391

00:17:06,100 --> 00:17:02,930

sounds like a lot of just female fans

392

00:17:07,569 --> 00:17:06,110

who you know our a little bit let's say

393

00:17:09,190 --> 00:17:07,579

north of the 50-yard line

394

00:17:12,190 --> 00:17:09,200

right

395

00:17:17,140 --> 00:17:12,200

well I can't you know I can't tell you

396

00:17:19,600 --> 00:17:17,150

what the motivation is but yeah they're

397

00:17:22,210 --> 00:17:19,610

kind of unique some of these folks I've

398

00:17:23,920 --> 00:17:22,220

got some I got some fans locally who say

399

00:17:25,780 --> 00:17:23,930

hey you know what you really have a good

400

00:17:27,370 --> 00:17:25,790

voice there you go

401  
00:17:30,100 --> 00:17:27,380  
we really like the sound of it I said

402  
00:17:31,510 --> 00:17:30,110  
you really definitely we really love the

403  
00:17:34,840 --> 00:17:31,520  
sound of your voice it's very soothing

404  
00:17:39,730 --> 00:17:34,850  
it's very relaxing Wanhua its kind of

405  
00:17:41,470 --> 00:17:39,740  
sensual one one-on-ones I think I'm just

406  
00:17:46,630 --> 00:17:41,480  
throwing it out there because well like

407  
00:17:48,280 --> 00:17:46,640  
one of the letters I read okay no I'm

408  
00:17:49,540 --> 00:17:48,290  
not writing any love letters to myself

409  
00:17:51,130 --> 00:17:49,550  
no it's okay

410  
00:17:53,500 --> 00:17:51,140  
maybe it's therapy you never know so

411  
00:17:55,570 --> 00:17:53,510  
well anyways you know I'm I was a little

412  
00:17:57,310 --> 00:17:55,580  
concerned this week and I told you Mac

413  
00:18:01,000 --> 00:17:57,320

that I wanted to discuss this with you

414

00:18:03,370 --> 00:18:01,010

okay but you know you know we're getting

415

00:18:06,250 --> 00:18:03,380

the same type of things you know you

416

00:18:09,400 --> 00:18:06,260

know GI Joe love letters you know for

417

00:18:17,800 --> 00:18:09,410

Collbran one one another spectacular

418

00:18:20,970 --> 00:18:17,810

week or so for the toy box you know it

419

00:18:30,610 --> 00:18:20,980

was the package addressed to you Mac

420

00:18:33,880 --> 00:18:30,620

obviously and I you know you need the

421

00:18:38,410 --> 00:18:33,890

snake of opening it and I don't know

422

00:18:40,750 --> 00:18:38,420

inside it was kind of messy it was a it

423

00:18:56,010 --> 00:18:40,760

was a baggy and it contained some kind

424

00:18:59,020 --> 00:18:56,020

of poop it was organic this is

425

00:19:01,960 --> 00:18:59,030

concerning the I got to start wearing

426  
00:19:03,730 --> 00:19:01,970  
gloves now but but anyways the thing I

427  
00:19:08,920 --> 00:19:03,740  
really wanted to law you to the is the

428  
00:19:11,440 --> 00:19:08,930  
note it was like a really crudely they

429  
00:19:12,820 --> 00:19:11,450  
just interrupt you for a second

430  
00:19:15,760 --> 00:19:12,830  
the other the only person I know who

431  
00:19:17,350 --> 00:19:15,770  
would actually send you know feces I

432  
00:19:19,900 --> 00:19:17,360  
would never do that that's gonna be a

433  
00:19:20,730 --> 00:19:19,910  
federal offense I wouldn't I wouldn't do

434  
00:19:23,010 --> 00:19:20,740  
that to anybody

435  
00:19:25,049 --> 00:19:23,020  
okay so was the noahic like cut out like

436  
00:19:28,380 --> 00:19:25,059  
kidnap note you know different letters

437  
00:19:30,180 --> 00:19:28,390  
from different magazines yes it was

438  
00:19:32,040 --> 00:19:30,190

really strange it looked like someone

439

00:19:35,490 --> 00:19:32,050

you know they they had trouble writing

440

00:19:39,870 --> 00:19:35,500

but I could read it and it basically

441

00:19:57,299 --> 00:19:39,880

says hey Mack here's your binky find

442

00:20:00,150 --> 00:19:57,309

puddle like puddles already puddles come

443

00:20:01,890 --> 00:20:00,160

on that's you just tell me now was it

444

00:20:03,330 --> 00:20:01,900

you what do you know you know who it is

445

00:20:13,200 --> 00:20:03,340

he's not looking at me straight but at

446

00:20:15,960 --> 00:20:13,210

least it wasn't human feces once again

447

00:20:19,320 --> 00:20:15,970

you never know you know but well in

448

00:20:22,190 --> 00:20:19,330

puddles of course is a cat so mmm

449

00:20:25,890 --> 00:20:22,200

therefore Sherlock it was probably cat

450

00:20:27,480 --> 00:20:25,900

you know hey don't throw this on me I

451  
00:20:29,190 --> 00:20:27,490  
don't know why you won't look me in the

452  
00:20:36,120 --> 00:20:29,200  
eye when you know that's pretty funny

453  
00:20:39,660 --> 00:20:36,130  
though glad it wasn't

454  
00:20:44,070 --> 00:20:39,670  
it's basically terrorism but you think

455  
00:20:47,370 --> 00:20:44,080  
it's funny so we amuse well thank you so

456  
00:20:51,150 --> 00:20:47,380  
I get a feel we're gonna get a letter in

457  
00:20:53,100 --> 00:20:51,160  
the mail asking thanks for coming in mr.

458  
00:20:55,260 --> 00:20:53,110  
Mahoney do you have your member ID card

459  
00:20:57,419 --> 00:20:55,270  
yep I have it right here in the fep blue

460  
00:20:59,100 --> 00:20:57,429  
app see great it's awesome the app can

461  
00:21:01,290 --> 00:20:59,110  
also help me find a provider and keep

462  
00:21:02,940 --> 00:21:01,300  
tabs on my deductibles okay oh yeah and

463  
00:21:04,500 --> 00:21:02,950

my out-of-pocket spending and visit

464

00:21:06,540 --> 00:21:04,510

limits and I can call the nurse line

465

00:21:08,070 --> 00:21:06,550

really glad it does all that but I only

466

00:21:09,660 --> 00:21:08,080

need to see your member ID card

467

00:21:12,480 --> 00:21:09,670

oh that's it why didn't you say so

468

00:21:14,190 --> 00:21:12,490

fearless is just one tap away with a new

469

00:21:15,720 --> 00:21:14,200

fep blue app from Blue Cross and Blue

470

00:21:17,700 --> 00:21:15,730

Shield you can access your health

471

00:21:21,030 --> 00:21:17,710

benefits on the go download it now at

472

00:21:24,330 --> 00:21:21,040

fep blue org slash app see - you know

473

00:21:26,400 --> 00:21:24,340

get paid more is that well you know if

474

00:21:27,930 --> 00:21:26,410

it continues the way it is the kind of

475

00:21:31,470 --> 00:21:27,940

things coming in now I think some of

476

00:21:33,010 --> 00:21:31,480

this is a hazard I know I'm just

477

00:21:35,080 --> 00:21:33,020

throwing that out you know

478

00:21:37,080 --> 00:21:35,090

next time you meet with the board you

479

00:21:40,150 --> 00:21:37,090

might want to discuss my compensation

480

00:21:42,370 --> 00:21:40,160

okay all right I think I think you

481

00:21:45,850 --> 00:21:42,380

deserve it if you see and this is gonna

482

00:21:48,040 --> 00:21:45,860

create copycat right yeah you don't have

483

00:21:50,320 --> 00:21:48,050

fecal centers right

484

00:21:52,300 --> 00:21:50,330

fecal terror you don't no no we don't

485

00:21:54,070 --> 00:21:52,310

want then and I just certainly don't

486

00:21:56,050 --> 00:21:54,080

want them sent to me you know if you

487

00:21:57,850 --> 00:21:56,060

want to send it to the other people for

488

00:22:00,430 --> 00:21:57,860

a land cool with the toys and everything

489

00:22:02,590 --> 00:22:00,440

being sent to me he's cool sex toys but

490

00:22:06,580 --> 00:22:02,600

you'd rather wine it at scat isn't kids

491

00:22:09,610 --> 00:22:06,590

college right well I'm I'm glad that we

492

00:22:11,440 --> 00:22:09,620

have you on the payroll there and part

493

00:22:13,780 --> 00:22:11,450

of the gang because it sounds like you

494

00:22:15,790 --> 00:22:13,790

came just right in time there well I

495

00:22:17,410 --> 00:22:15,800

tell you the problem is now that I can't

496

00:22:20,710 --> 00:22:17,420

even go to the mail until the end of the

497

00:22:22,830 --> 00:22:20,720

day it's gotten so bad okay wow this is

498

00:22:24,220 --> 00:22:22,840

I don't want to complain no that's okay

499

00:22:25,540 --> 00:22:24,230

that's okay

500

00:22:27,310 --> 00:22:25,550

and we know you're not complaining yes

501

00:22:28,900 --> 00:22:27,320

putting it out there too and the next

502

00:22:30,880 --> 00:22:28,910

thing he's gonna say is and it's not

503

00:22:32,200 --> 00:22:30,890

about the money and anytime anyone says

504

00:22:36,270 --> 00:22:32,210

it's not about the money you know what

505

00:22:40,150 --> 00:22:36,280

it's just about the sympathy right right

506

00:22:42,970 --> 00:22:40,160

well thank you Club for you know going

507

00:22:45,760 --> 00:22:42,980

through that for us so we wouldn't have

508

00:22:48,190 --> 00:22:45,770

to do it thank you and you know what I

509

00:22:50,980 --> 00:22:48,200

won't play it's my pleasure okay we

510

00:22:53,740 --> 00:22:50,990

understand that and and you'll be coming

511

00:23:03,190 --> 00:22:53,750

in some some night after showing us the

512

00:23:07,950 --> 00:23:03,200

toy box is that thing yeah okay well why

513

00:23:17,950 --> 00:23:11,920

wow I mean like Santa Claus we can we

514

00:23:22,330 --> 00:23:17,960

can any choice named after an animal you

515

00:23:24,850 --> 00:23:22,340

know jeff has enough work as it is okay

516

00:23:26,200 --> 00:23:24,860

well thank you Club and that will talk

517

00:23:28,990 --> 00:23:26,210

to you very soon okay

518

00:23:31,990 --> 00:23:29,000

okay and you can throw that you can

519

00:23:36,520 --> 00:23:32,000

throw that baggie away okay oh I was

520

00:23:38,830 --> 00:23:36,530

gonna get fingerprints it would be cat

521

00:23:40,540 --> 00:23:38,840

prints or rub back house and if it's if

522

00:23:41,680 --> 00:23:40,550

it's anything but yeah like throwing in

523

00:23:44,610 --> 00:23:41,690

your neighbor's lawn just see what

524

00:23:46,870 --> 00:23:44,620

happens you know yeah I might explode

525

00:23:50,320 --> 00:23:46,880

there we go okay well

526

00:23:53,650 --> 00:23:50,330

we'll give you two hands planning Thank

527

00:24:01,270 --> 00:23:53,660

You mr. club well thank you see you be

528

00:24:03,510 --> 00:24:01,280

safe be safe well this is this is taking

529

00:24:06,610 --> 00:24:03,520

a lot out of me for some reason

530

00:24:07,180 --> 00:24:06,620

now it's really kind of hitting a little

531

00:24:10,810 --> 00:24:07,190

weird

532

00:24:14,760 --> 00:24:10,820

descending has disconcerting yeah you

533

00:24:18,490 --> 00:24:14,770

get sex toys I'm getting cat feces

534

00:24:21,550 --> 00:24:18,500

what does command be getting everybody

535

00:24:22,900 --> 00:24:21,560

knows well it is a little concerning but

536

00:24:25,090 --> 00:24:22,910

that's what happens we have a huge

537

00:24:26,560 --> 00:24:25,100

audience our audience if you add all the

538

00:24:28,510 --> 00:24:26,570

networks together comes out to more than

539

00:24:30,970 --> 00:24:28,520

400,000 people listening to us during

540

00:24:33,070 --> 00:24:30,980

the week right and some people have time

541

00:24:35,790 --> 00:24:33,080

on their hands okay they send me cat

542

00:24:38,440 --> 00:24:35,800

crap and they send that's rude I mean it

543

00:24:40,240 --> 00:24:38,450

sure is meant to be a joke and not to be

544

00:24:42,340 --> 00:24:40,250

well because you know the week that you

545

00:24:44,470 --> 00:24:42,350

were in here yeah that Cobra and I had

546

00:24:46,330 --> 00:24:44,480

to like cap danced the whole week of

547

00:24:48,130 --> 00:24:46,340

Skype wasn't working right at one point

548

00:24:49,570 --> 00:24:48,140

at the very end of one segment I was

549

00:24:55,240 --> 00:24:49,580

just so desperate I said you know I miss

550

00:24:59,770 --> 00:24:55,250

one one he's my binky okay you know and

551

00:25:02,770 --> 00:24:59,780

and the people I went oh yeah they

552

00:25:06,580 --> 00:25:02,780

actually probably it just hooks onto

553

00:25:08,230 --> 00:25:06,590

that and here we are you know people you

554

00:25:10,450 --> 00:25:08,240

know who claim to be puddles the cat

555

00:25:12,310 --> 00:25:10,460

sending me cat crap through the mail you

556

00:25:17,170 --> 00:25:12,320

know this is the way that celebrity

557

00:25:20,110 --> 00:25:17,180

would be Brady get em loves full of crap

558

00:25:24,190 --> 00:25:20,120

probably not but who knows you know we

559

00:25:27,460 --> 00:25:24,200

know the good stuff other stuff right

560

00:25:33,310 --> 00:25:27,470

crap literally crap but it's good

561

00:25:36,700 --> 00:25:35,440

you can do that show so anyway so when

562

00:25:39,040 --> 00:25:36,710

we do this why don't we take a

563

00:25:41,350 --> 00:25:39,050

well-deserved break okay we'll probably

564

00:25:43,900 --> 00:25:41,360

have to go and get some fresh air dan

565

00:25:45,670 --> 00:25:43,910

just to get over this and and then we'll

566

00:25:46,780 --> 00:25:45,680

be back with another fascinating segment

567

00:25:48,640 --> 00:25:46,790

so you're listening to Mike mutters

568

00:25:50,680 --> 00:25:48,650

military show here on the distant

569

00:25:52,870 --> 00:25:50,690

Thunder radio network we'll be right

570

00:25:55,180 --> 00:25:52,880

back after this over the years

571

00:25:57,220 --> 00:25:55,190

Air Force Major Hawk Hunter and his band

572

00:25:59,290 --> 00:25:57,230

of patriotic fighter pilots have fought

573

00:26:01,180 --> 00:25:59,300

tirelessly to reunite a fractured

574

00:26:04,750 --> 00:26:01,190

America devastated by a

575

00:26:06,310 --> 00:26:04,760

and sneak attack now returning from a

576

00:26:08,500 --> 00:26:06,320

mysterious Space Odyssey

577

00:26:10,990 --> 00:26:08,510

hunter finds a huge Russian army

578

00:26:12,540 --> 00:26:11,000

occupying New York City ready to invade

579

00:26:14,770 --> 00:26:12,550

the rest of America

580

00:26:17,050 --> 00:26:14,780

buzzing through the city's skyscraper

581

00:26:19,390 --> 00:26:17,060

canyons in a tiny top-secret goes blank

582

00:26:20,260 --> 00:26:19,400

and seeing the invaders massive weaponry

583

00:26:22,210 --> 00:26:20,270

for himself

584

00:26:24,190 --> 00:26:22,220

puck realizes he's up against the

585

00:26:25,020 --> 00:26:24,200

greatest danger his homeland has ever

586

00:26:27,700 --> 00:26:25,030

faced

587

00:26:29,350 --> 00:26:27,710

but equally alarming are reports

588

00:26:31,390 --> 00:26:29,360

claiming that Hawks former girlfriend

589

00:26:33,430 --> 00:26:31,400

dominated is living with the head of the

590

00:26:36,340 --> 00:26:33,440

Russian secret police in a Manhattan

591

00:26:39,880 --> 00:26:36,350

penthouse is she is prisoner or is she

592

00:26:41,920 --> 00:26:39,890

something else with the woman in the

593

00:26:44,110 --> 00:26:41,930

country he loves in dire peril hawk

594

00:26:46,180 --> 00:26:44,120

hunter the wing man will apply all his

595

00:26:48,670 --> 00:26:46,190

aviation prowess to launch the most

596

00:26:51,820 --> 00:26:48,680

crucial battle for America yet no matter

597

00:26:53,860 --> 00:26:51,830

what the risks filled with fast-paced

598

00:26:56,080 --> 00:26:53,870

action a wide range of aircraft and

599

00:26:57,280 --> 00:26:56,090

military hardware battle for a merit

600

00:26:59,530 --> 00:26:57,290

that brings back your favorite

601

00:27:01,810 --> 00:26:59,540

characters from earlier books in the

602

00:27:03,970 --> 00:27:01,820

wingman series and delivers a riveting

603

00:27:06,960 --> 00:27:03,980

story that reveals new insight on

604

00:27:10,390 --> 00:27:06,970

America's most famous hero but wingman

605

00:27:13,510 --> 00:27:10,400

that's wingman 18 the battle for America

606

00:27:14,550 --> 00:27:13,520

on sale now amazon.com and available at

607

00:27:37,779 --> 00:27:14,560

your local bookstore

608

00:27:40,070 --> 00:27:37,789

[Music]

609

00:27:41,869 --> 00:27:40,080

welcome back everyone to macanese mill

610

00:27:45,560 --> 00:27:41,879

tracks I'll show here on the distant

611

00:27:50,299 --> 00:27:45,570

Thunder radio network our second show at

612

00:27:53,210 --> 00:27:50,309

our new studio W X Y X and exit in New

613

00:27:55,339 --> 00:27:53,220

Hampshire we are the Exeter incident the

614

00:27:57,349 --> 00:27:55,349

home of the Exeter incident and only a

615

00:27:59,509 --> 00:27:57,359

few miles away from here yeah very close

616

00:28:01,759 --> 00:27:59,519

just happens to be this is we're doing

617

00:28:03,649 --> 00:28:01,769

the show these days and the famous Juan

618

00:28:07,460 --> 00:28:03,659

Juan is a nice studio I'm still getting

619

00:28:10,430 --> 00:28:07,470

used to kind of the vibe well we've

620

00:28:11,629 --> 00:28:10,440

already seen one ghost and I was just

621

00:28:12,859 --> 00:28:11,639

outside getting a breath of fresh air

622

00:28:16,269 --> 00:28:12,869

and something was down in the leaves

623

00:28:19,310 --> 00:28:16,279

walking around right near media oh yeah

624

00:28:22,519 --> 00:28:19,320

we're new wetlands or near a golf course

625

00:28:26,570 --> 00:28:22,529

we're near yeah yeah unfortunately a few

626

00:28:31,099 --> 00:28:26,580

miles away is the hospital right anyway

627

00:28:33,339 --> 00:28:31,109

so here we are on the phone with us is

628

00:28:36,979 --> 00:28:33,349

someone who's one of our best guests

629

00:28:39,289 --> 00:28:36,989

whenever he's on we gave a lot of

630

00:28:40,369 --> 00:28:39,299

requests afterwards for information on

631

00:28:42,529 --> 00:28:40,379

him when is you're gonna be back on

632

00:28:44,930 --> 00:28:42,539

again now it's all about micro strat

633

00:28:47,629 --> 00:28:44,940

Michael how you doing good thanks for

634

00:28:49,729 --> 00:28:47,639

having me on the program we're are you

635

00:28:52,009 --> 00:28:49,739

anyway you wouldn't pen Simon Phoenix Oh

636

00:28:54,470 --> 00:28:52,019

Phoenix okay so what's the temperature

637

00:28:57,159 --> 00:28:54,480

there today 81

638

00:29:00,409 --> 00:28:57,169

[Music]

639

00:29:03,229 --> 00:29:00,419

we're 70 maybe about a week ago yeah

640

00:29:05,719 --> 00:29:03,239

yeah and it's New England 50 yeah yep

641

00:29:08,299 --> 00:29:05,729

and it's going down and I mean I still

642

00:29:09,769 --> 00:29:08,309

have my I haven't turned my heat on yet

643

00:29:11,479 --> 00:29:09,779

but I haven't taken the air conditioners

644

00:29:14,960 --> 00:29:11,489

out yet either you know that's why I

645

00:29:17,509 --> 00:29:14,970

just did anyway

646

00:29:18,830 --> 00:29:17,519

the wigglin weather is people hear it

647

00:29:19,669 --> 00:29:18,840

all the time but just lately in the past

648

00:29:22,969 --> 00:29:19,679

20 years

649

00:29:25,639 --> 00:29:22,979

it is really bizarre however I mean

650

00:29:28,190 --> 00:29:25,649

let's face it you know we we don't get

651  
00:29:29,810 --> 00:29:28,200  
the storms that we used to get we we

652  
00:29:30,379 --> 00:29:29,820  
don't get anything in November and

653  
00:29:32,330 --> 00:29:30,389  
December

654  
00:29:35,269 --> 00:29:32,340  
it's like extended fall and then all of

655  
00:29:38,210 --> 00:29:35,279  
a sudden bang two months and it's rough

656  
00:29:38,749 --> 00:29:38,220  
to our eyeballs of snow anyway no

657  
00:29:41,330 --> 00:29:38,759  
England weather

658  
00:29:44,269 --> 00:29:41,340  
so anyway Michael you as someone who we

659  
00:29:45,649 --> 00:29:44,279  
go to when we get questions about a lot

660  
00:29:47,509 --> 00:29:45,659  
of things but one of them is these

661  
00:29:49,099 --> 00:29:47,519  
flying triangles that people see all the

662  
00:29:49,910 --> 00:29:49,109  
time and this is a favorite subject of

663  
00:29:52,580 --> 00:29:49,920

cobra but he's

664

00:29:55,850 --> 00:29:52,590

on some mission tonight people see

665

00:29:57,650 --> 00:29:55,860

flying triangles a lot and there's all

666

00:29:59,840 --> 00:29:57,660

kinds of different explanations for them

667

00:30:02,210 --> 00:29:59,850

some of them you know don't sound really

668

00:30:04,250 --> 00:30:02,220

quite as real there's others but people

669

00:30:05,780 --> 00:30:04,260

see the shape of a flying triangle a lot

670

00:30:08,230 --> 00:30:05,790

I'm just as much as they see the slice

671

00:30:10,760 --> 00:30:08,240

of shape that's the guy shape and so on

672

00:30:12,530 --> 00:30:10,770

you you as someone who knows a lot about

673

00:30:15,050 --> 00:30:12,540

them how did you get interested in this

674

00:30:17,420 --> 00:30:15,060

just for our new listeners I've just had

675

00:30:19,880 --> 00:30:17,430

a keen interest in where our tax dollars

676  
00:30:22,610 --> 00:30:19,890  
are disappearing and as a concerned

677  
00:30:26,110 --> 00:30:22,620  
citizen I made it a goal and a crusade

678  
00:30:28,190 --> 00:30:26,120  
to track these black programs interview

679  
00:30:30,080 --> 00:30:28,200  
engineers who worked on the programs

680  
00:30:32,150 --> 00:30:30,090  
such as people who worked in fantomworks

681  
00:30:34,280 --> 00:30:32,160  
Boeing Northrop Grumman

682  
00:30:36,350 --> 00:30:34,290  
Black Widow group Lockheed skunkworks

683  
00:30:38,870 --> 00:30:36,360  
Burbank California Palmdale that's what

684  
00:30:42,020 --> 00:30:38,880  
I've really focused in on okay do you

685  
00:30:44,420 --> 00:30:42,030  
have any idea you know how much money

686  
00:30:46,820 --> 00:30:44,430  
has been spent you know behind our backs

687  
00:30:50,060 --> 00:30:46,830  
let's say for this stuff it's gonna be

688  
00:30:52,820 --> 00:30:50,070

in the billions right in 88 it was

689

00:31:00,850 --> 00:30:52,830

fiscal year a procurement of 19 point 1

690

00:31:05,450 --> 00:31:03,200

ministration so we're way beyond there

691

00:31:07,340 --> 00:31:05,460

now but even in Aviation Week space

692

00:31:10,070 --> 00:31:07,350

technology even in their own literature

693

00:31:11,780 --> 00:31:10,080

they make the case that eight years of

694

00:31:14,210 --> 00:31:11,790

the Reagan administration were very good

695

00:31:17,720 --> 00:31:14,220

to the black world yeah okay now here's

696

00:31:19,430 --> 00:31:17,730

the question did we need it I think it

697

00:31:21,740 --> 00:31:19,440

was justified I think it was justified

698

00:31:24,160 --> 00:31:21,750

and you know the aircraft we'll be

699

00:31:26,840 --> 00:31:24,170

talking about tonight really fall under

700

00:31:29,540 --> 00:31:26,850

three categories within those three

701  
00:31:32,600 --> 00:31:29,550  
categories they have a group of terms

702  
00:31:34,550 --> 00:31:32,610  
that they use these are internal spook

703  
00:31:36,350 --> 00:31:34,560  
group terms that they used to describe

704  
00:31:39,260 --> 00:31:36,360  
these aircraft right I've broken them

705  
00:31:41,600 --> 00:31:39,270  
down into three different titles here

706  
00:31:44,180 --> 00:31:41,610  
and these are actual group titles okay

707  
00:31:47,510 --> 00:31:44,190  
cool they call these aircraft

708  
00:31:49,970 --> 00:31:47,520  
quote Silver Bullet technologies they

709  
00:31:52,340 --> 00:31:49,980  
call them ace in the hole technology and

710  
00:31:55,430 --> 00:31:52,350  
they also call these aircraft trump card

711  
00:31:57,560 --> 00:31:55,440  
technology let's talk about one Intel so

712  
00:31:59,060 --> 00:31:57,570  
I mean super bullet to me isn't the

713  
00:32:03,140 --> 00:31:59,070

Silver Bullet the thing that they killed

714

00:32:03,650 --> 00:32:03,150

vampires with I don't know or is it was

715

00:32:05,450 --> 00:32:03,660

what the

716

00:32:07,880 --> 00:32:05,460

long range of rawhideone one you're an

717

00:32:09,140 --> 00:32:07,890

expert on this silver bullets and long

718

00:32:11,120 --> 00:32:09,150

range of carries silver bullets right

719

00:32:12,920 --> 00:32:11,130

ahead yeah okay is a silver bullet

720

00:32:15,110 --> 00:32:12,930

something killer you don't really shoot

721

00:32:17,810 --> 00:32:15,120

a vampire so it must be a long range of

722

00:32:20,630 --> 00:32:17,820

reference that's the only reference I

723

00:32:22,400 --> 00:32:20,640

know okay go back to what you would do

724

00:32:25,850 --> 00:32:22,410

it yeah I'm looking my friend I'm

725

00:32:28,400 --> 00:32:25,860

looking at the black ops okay okay

726

00:32:30,530 --> 00:32:28,410

pictures it looks like a comic book to

727

00:32:38,420 --> 00:32:30,540

me let's say but that's alright you know

728

00:32:39,800 --> 00:32:38,430

anything other map use so so I mean do

729

00:32:41,930 --> 00:32:39,810

you think that there's a case well you

730

00:32:43,640 --> 00:32:41,940

know I'm gonna say well how can you

731

00:32:45,740 --> 00:32:43,650

determine where the money is being

732

00:32:47,210 --> 00:32:45,750

wasted if it's a black operation you're

733

00:32:49,520 --> 00:32:47,220

never gonna get in there to find out but

734

00:32:51,530 --> 00:32:49,530

I mean not all this stuff works so there

735

00:32:54,380 --> 00:32:51,540

has to be some money spent on stuff that

736

00:32:55,910 --> 00:32:54,390

you know never really works right yeah

737

00:32:57,560 --> 00:32:55,920

that's part of the problem because when

738

00:32:59,420 --> 00:32:57,570

you have a black program that has no

739

00:33:02,600 --> 00:32:59,430

congressional oversight no public

740

00:33:04,760 --> 00:33:02,610

scrutiny they can screw it up and no one

741

00:33:08,530 --> 00:33:04,770

knows you'll never hear about it that's

742

00:33:12,590 --> 00:33:08,540

gone on so many times one quick example

743

00:33:14,630 --> 00:33:12,600

January 7 1991 when Dick Cheney canceled

744

00:33:17,030 --> 00:33:14,640

the a12 Avenger 2 program that cost

745

00:33:19,070 --> 00:33:17,040

American taxpayers five billion dollars

746

00:33:20,750 --> 00:33:19,080

got nothing to show for it right so

747

00:33:22,730 --> 00:33:20,760

getting back to the black programs

748

00:33:25,280 --> 00:33:22,740

they'll really quickly want to give you

749

00:33:28,520 --> 00:33:25,290

one quick example of a 30 year veteran

750

00:33:31,610 --> 00:33:28,530

police officer who had an interesting

751  
00:33:33,800 --> 00:33:31,620  
sighting near Barnsley England August

752  
00:33:36,830 --> 00:33:33,810  
25th 1990 the reference for this is

753  
00:33:38,870 --> 00:33:36,840  
David Marr lers book triangular UFOs now

754  
00:33:42,440 --> 00:33:38,880  
he gave me this case it did not get into

755  
00:33:45,640 --> 00:33:42,450  
the book but this gentleman after going

756  
00:33:47,990 --> 00:33:45,650  
to a Fleetwood Mac music concert around

757  
00:33:49,820 --> 00:33:48,000  
11:50 p.m. they were done with the

758  
00:33:52,880 --> 00:33:49,830  
concert he didn't who was the primary

759  
00:33:55,930 --> 00:33:52,890  
eyewitness and his wife driving home

760  
00:33:59,450 --> 00:33:55,940  
from the concert she was asleep but

761  
00:34:02,690 --> 00:33:59,460  
driving back to their house he saw from

762  
00:34:05,600 --> 00:34:02,700  
this dark misty cloud emerged this what

763  
00:34:07,880 --> 00:34:05,610

he called a large black triangle that

764

00:34:10,100 --> 00:34:07,890

was at least a hundred feet per side it

765

00:34:12,770 --> 00:34:10,110

had a series of lighted windows on the

766

00:34:15,230 --> 00:34:12,780

side and then a relief section on the

767

00:34:17,000 --> 00:34:15,240

bottom showing these cross beam and

768

00:34:18,590 --> 00:34:17,010

girder construction

769

00:34:20,869 --> 00:34:18,600

and what I'm not gonna read his whole

770

00:34:22,899 --> 00:34:20,879

report here but he made a very

771

00:34:25,220 --> 00:34:22,909

interesting statement that I think is

772

00:34:27,290 --> 00:34:25,230

important to our discussion okay now

773

00:34:29,000 --> 00:34:27,300

this is the police officer he says the

774

00:34:32,300 --> 00:34:29,010

side of the craft appeared to have

775

00:34:34,159 --> 00:34:32,310

several illuminated windows and at one

776

00:34:35,950 --> 00:34:34,169

of the windows I saw two two three

777

00:34:38,419 --> 00:34:35,960

figures that appeared to be human

778

00:34:40,159 --> 00:34:38,429

certainly nothing about the figures made

779

00:34:42,859 --> 00:34:40,169

me think they were anything other than

780

00:34:46,340 --> 00:34:42,869

human reinforcing my belief that the

781

00:34:49,399 --> 00:34:46,350

craft was a military project Wow Wow

782

00:34:52,849 --> 00:34:49,409

okay this is in the 90s right early 90s

783

00:34:57,050 --> 00:34:52,859

this is August 25th 1990 near Barnsley

784

00:35:01,609 --> 00:34:57,060

England okay so that is 27 years ago no

785

00:35:03,590 --> 00:35:01,619

yeah 27 years ago right if this was some

786

00:35:05,990 --> 00:35:03,600

kind of the military stops top-secret

787

00:35:07,550 --> 00:35:06,000

crafts back then what do they care now

788

00:35:09,620 --> 00:35:07,560

you know what I mean it's gotta be stuff

789

00:35:14,090 --> 00:35:09,630

that is just like so far out we could

790

00:35:16,370 --> 00:35:14,100

never comprehend enough statements by

791

00:35:18,859 --> 00:35:16,380

Ben rich he was a very good friend of

792

00:35:20,349 --> 00:35:18,869

Jim Goodall I'm good friends with Jim

793

00:35:23,810 --> 00:35:20,359

Goodall

794

00:35:26,780 --> 00:35:23,820

1995 is when Ben rich passed away but

795

00:35:31,010 --> 00:35:26,790

there was one final phone call between

796

00:35:34,130 --> 00:35:31,020

John Jim Goodall and been rich and Ben

797

00:35:36,109 --> 00:35:34,140

told Jim Goodall over the phone quote we

798

00:35:37,940 --> 00:35:36,119

have things in the Nevada desert that

799

00:35:39,950 --> 00:35:37,950

are 50 years beyond what you can

800

00:35:41,690 --> 00:35:39,960

comprehend if you've seen it on Star

801  
00:35:42,980 --> 00:35:41,700  
Wars or Star Trek we've been there done

802  
00:35:44,540 --> 00:35:42,990  
that or decided it wasn't worth the

803  
00:35:45,590 --> 00:35:44,550  
effort that's a direct quote from Dan

804  
00:35:47,540 --> 00:35:45,600  
rich Wow

805  
00:35:50,840 --> 00:35:47,550  
probably not talking about the new NHL

806  
00:35:52,670 --> 00:35:50,850  
team in Las Vegas right but but but them

807  
00:35:54,500 --> 00:35:52,680  
so none of our congressmen or senators

808  
00:35:57,980 --> 00:35:54,510  
vote on any of this stuff or they don't

809  
00:36:00,500 --> 00:35:57,990  
even aware of it a significant number of

810  
00:36:02,840 --> 00:36:00,510  
House and Senate Armed Services

811  
00:36:04,849 --> 00:36:02,850  
Committee members have no need to know

812  
00:36:08,030 --> 00:36:04,859  
this is a classified black program this

813  
00:36:09,620 --> 00:36:08,040

is a trunk card technology and a lot of

814

00:36:10,910 --> 00:36:09,630

times they are not clued in give you

815

00:36:14,030 --> 00:36:10,920

another quick example here let's

816

00:36:17,120 --> 00:36:14,040

fast-forward we just consider the 1990

817

00:36:20,060 --> 00:36:17,130

case let's go to January 5th 2000

818

00:36:23,150 --> 00:36:20,070

southern Illinois not too far from st.

819

00:36:25,910 --> 00:36:23,160

Louis there were three separate

820

00:36:27,560 --> 00:36:25,920

triangular craft scene and there was one

821

00:36:29,720 --> 00:36:27,570

craft that looked like a single story

822

00:36:30,480 --> 00:36:29,730

wrench with a penthouse on top seen by a

823

00:36:32,580 --> 00:36:30,490

miniature go

824

00:36:35,040 --> 00:36:32,590

of course owner who also happened to be

825

00:36:36,420 --> 00:36:35,050

a truck driver and I'll just I'm gonna

826  
00:36:38,700 --> 00:36:36,430  
hit you with the statement by the

827  
00:36:42,150 --> 00:36:38,710  
gentleman here this is the police

828  
00:36:45,150 --> 00:36:42,160  
officer here's what he said this comes

829  
00:36:49,859 --> 00:36:45,160  
from collinsville Journal Sunday January

830  
00:36:52,680 --> 00:36:49,869  
6 2000 the title is object in sky draws

831  
00:36:56,880 --> 00:36:52,690  
interest of UFO researchers subheading

832  
00:37:00,210 --> 00:36:56,890  
says officer says he is 98 percent sure

833  
00:37:02,310 --> 00:37:00,220  
object was experimental or military so

834  
00:37:06,480 --> 00:37:02,320  
he saw this large craft that looked like

835  
00:37:08,580 --> 00:37:06,490  
a a rounded Indian Arrowhead type

836  
00:37:10,620 --> 00:37:08,590  
configuration with a strobing light that

837  
00:37:12,720 --> 00:37:10,630  
strolled from left to right on the back

838  
00:37:15,690 --> 00:37:12,730

and then he said here this is a direct

839

00:37:18,690 --> 00:37:15,700

quote officer Stephen stated that the

840

00:37:21,870 --> 00:37:18,700

craft tried to quote camouflage itself

841

00:37:23,700 --> 00:37:21,880

against the night sky and was projecting

842

00:37:32,850 --> 00:37:23,710

the star field above it out of the

843

00:37:34,650 --> 00:37:32,860

underside yes yes they're taking the

844

00:37:36,450 --> 00:37:34,660

image of what's above the craft is

845

00:37:38,520 --> 00:37:36,460

transferring electronically to the

846

00:37:40,470 --> 00:37:38,530

bottom essentially allow it to blend in

847

00:37:42,950 --> 00:37:40,480

with the background know that that

848

00:37:46,200 --> 00:37:42,960

technology's been around I know I

849

00:37:48,930 --> 00:37:46,210

researched it let's say it's been around

850

00:37:50,400 --> 00:37:48,940

since the early since the mid 80s okay

851  
00:37:53,250 --> 00:37:50,410  
especially people seeing this stuff

852  
00:37:55,590 --> 00:37:53,260  
happening out in Nevada and so on so

853  
00:37:57,660 --> 00:37:55,600  
once again okay this is what they were

854  
00:37:59,670 --> 00:37:57,670  
doing how many years ago thirty years

855  
00:38:01,380 --> 00:37:59,680  
but these are major contractors working

856  
00:38:03,720 --> 00:38:01,390  
on this stuff right right we should just

857  
00:38:05,340 --> 00:38:03,730  
explain to Ben rich was the guy who the

858  
00:38:06,630 --> 00:38:05,350  
very famous skunk works is where a lot

859  
00:38:08,910 --> 00:38:06,640  
of this stuff comes out of Lockheed

860  
00:38:10,670 --> 00:38:08,920  
right and Kelly Johnson was the guy who

861  
00:38:13,530 --> 00:38:10,680  
really kind of founded that and he

862  
00:38:16,650 --> 00:38:13,540  
designed the u2 and the SS 17 the whole

863  
00:38:18,060 --> 00:38:16,660

works wasn't secret no no but it's in no

864

00:38:20,460 --> 00:38:18,070

but the stuff they do there is secret

865

00:38:22,080 --> 00:38:20,470

okay and then Ben rich took over for him

866

00:38:24,210 --> 00:38:22,090

right after Kelly Johnson died right

867

00:38:25,950 --> 00:38:24,220

mango it's correct yeah that is correct

868

00:38:28,349 --> 00:38:25,960

and and these two guys with geniuses I

869

00:38:30,120 --> 00:38:28,359

read Ben Rich's book they they were

870

00:38:31,530 --> 00:38:30,130

geniuses two different kinds of people

871

00:38:33,750 --> 00:38:31,540

and two different kinds of genius but

872

00:38:36,480 --> 00:38:33,760

man they got the job done they put some

873

00:38:38,400 --> 00:38:36,490

stuff there this sr-71 was basically

874

00:38:41,220 --> 00:38:38,410

designed in the

875

00:38:46,410 --> 00:38:41,230

the fifties sorry and ramjet engine it's

876

00:38:48,180 --> 00:38:46,420

amazing just incredible I mean those

877

00:38:50,160 --> 00:38:48,190

things go like three you know three

878

00:38:52,890 --> 00:38:50,170

thousand thirty four hundred miles on

879

00:38:55,020 --> 00:38:52,900

Iowa I know and they built these things

880

00:38:57,510 --> 00:38:55,030

back in the 50s and early 60s anyway

881

00:39:00,720 --> 00:38:57,520

it's just incredible so yeah so Michael

882

00:39:02,730 --> 00:39:00,730

listen so um like you say is is there's

883

00:39:05,550 --> 00:39:02,740

there's no real good way to determine

884

00:39:08,130 --> 00:39:05,560

whether our money is being spent right

885

00:39:09,660 --> 00:39:08,140

but I mean every once in a while they

886

00:39:12,300 --> 00:39:09,670

come out with something that has to be

887

00:39:14,010 --> 00:39:12,310

the combination of like six or seven

888

00:39:15,330 --> 00:39:14,020

failures put into something that

889

00:39:17,940 --> 00:39:15,340

actually works like the stealth fighter

890

00:39:20,280 --> 00:39:17,950

the stealth bomber or something like

891

00:39:21,840 --> 00:39:20,290

that and you know you people can make a

892

00:39:23,400 --> 00:39:21,850

good case well you know it's money well

893

00:39:28,140 --> 00:39:23,410

spent because nothing around the world

894

00:39:31,740 --> 00:39:28,150

can touch it well we are long overdue

895

00:39:34,320 --> 00:39:31,750

for the release of a new classified

896

00:39:37,320 --> 00:39:34,330

program we are long overdue so we have

897

00:39:39,660 --> 00:39:37,330

November the 10th 1988 is when the Air

898

00:39:41,580 --> 00:39:39,670

Force acknowledged the existence of the

899

00:39:44,910 --> 00:39:41,590

f-117 a now a couple weeks later

900

00:39:46,650 --> 00:39:44,920

November 22nd 1988 that's when they

901  
00:39:49,950 --> 00:39:46,660  
rolled out the b-2 stealth bomber

902  
00:39:52,260 --> 00:39:49,960  
fast forward to October 2002 under the

903  
00:39:54,030 --> 00:39:52,270  
Bush administration is when they rolled

904  
00:39:56,220 --> 00:39:54,040  
out and released to the public the

905  
00:39:59,820 --> 00:39:56,230  
Boeing phantom works bird-of-prey now

906  
00:40:02,970 --> 00:39:59,830  
that is the last classified man program

907  
00:40:04,980 --> 00:40:02,980  
that we know of right 2002 so we're way

908  
00:40:07,070 --> 00:40:04,990  
overdue right right what do you think is

909  
00:40:09,510 --> 00:40:07,080  
going on then with this little

910  
00:40:10,860 --> 00:40:09,520  
spacecraft that goes up and stays up

911  
00:40:12,420 --> 00:40:10,870  
there for almost a year at a time it

912  
00:40:14,910 --> 00:40:12,430  
looks like a miniature Space Shuttle I

913  
00:40:17,460 --> 00:40:14,920

think you referring to the x37 right a

914

00:40:21,570 --> 00:40:17,470

Cobra insists that that there's a man

915

00:40:23,130 --> 00:40:21,580

version of that I mean I one quarter the

916

00:40:26,670 --> 00:40:23,140

size of the spacial it looks like a mini

917

00:40:28,290 --> 00:40:26,680

Space Shuttle okay its robotic they send

918

00:40:30,540 --> 00:40:28,300

it up there and it does God knows what

919

00:40:33,030 --> 00:40:30,550

and it stays up there for a long time

920

00:40:34,410 --> 00:40:33,040

two people couldn't live in it for it

921

00:40:35,550 --> 00:40:34,420

stays up there for more than a year to

922

00:40:38,100 --> 00:40:35,560

people couldn't live in it meaning it's

923

00:40:40,410 --> 00:40:38,110

not that big no no it's the size of a

924

00:40:41,820 --> 00:40:40,420

car oh you know and maybe up there you

925

00:40:45,510 --> 00:40:41,830

know I mean there's no way those things

926  
00:40:47,370 --> 00:40:45,520  
a man I know I know it doesn't appear to

927  
00:40:48,980 --> 00:40:47,380  
be a man craft now for that kind of

928  
00:40:50,960 --> 00:40:48,990  
length of time but that's

929  
00:40:52,520 --> 00:40:50,970  
of an interesting way to lead into this

930  
00:40:55,609 --> 00:40:52,530  
one and we'll try to cover this quickly

931  
00:40:58,310 --> 00:40:55,619  
here but now the next part of the story

932  
00:41:00,440 --> 00:40:58,320  
I have to give credit to bill Scott

933  
00:41:01,820 --> 00:41:00,450  
who's the former rocky mountain and hey

934  
00:41:03,170 --> 00:41:01,830  
where are you going Jim the elevators

935  
00:41:05,000 --> 00:41:03,180  
over here taking the stairs

936  
00:41:06,470 --> 00:41:05,010  
but our meetings up on eight yeah I know

937  
00:41:09,500 --> 00:41:06,480  
but that's eight floors up that's like

938  
00:41:11,270 --> 00:41:09,510

eight times I don't a lot of stairs

939

00:41:13,250 --> 00:41:11,280

that's the point I've already lost a few

940

00:41:15,050 --> 00:41:13,260

pounds and during almost \$100 in

941

00:41:17,510 --> 00:41:15,060

wellness incentives whoa you're getting

942

00:41:19,250 --> 00:41:17,520

rewarded for working out yeah I know it

943

00:41:21,470 --> 00:41:19,260

I'm just as surprised as you are Bob

944

00:41:22,760 --> 00:41:21,480

fearless is full of surprises that's the

945

00:41:24,890 --> 00:41:22,770

power of the Blue Cross and Blue Shield

946

00:41:26,540 --> 00:41:24,900

federal employee program learn more

947

00:41:57,380 --> 00:41:26,550

about our healthy benefits and sign up

948

00:42:00,380 --> 00:41:57,390

at [fppad.com/subscribe](http://fppad.com/subscribe) dit is that we're

949

00:42:03,920 --> 00:42:00,390

looking at a 400 piece puzzle and we

950

00:42:05,690 --> 00:42:03,930

only have 200 pieces puzzle got the

951  
00:42:11,210 --> 00:42:05,700  
basic framework but we don't have the

952  
00:42:14,810 --> 00:42:11,220  
whole aircraft right what is it to make

953  
00:42:17,720 --> 00:42:14,820  
a long story short on January 28 1986

954  
00:42:21,230 --> 00:42:17,730  
that's when the Challenger exploded and

955  
00:42:23,570 --> 00:42:21,240  
at that time the Air Force lost what

956  
00:42:25,220 --> 00:42:23,580  
they termed their assured access to

957  
00:42:27,440 --> 00:42:25,230  
space that's an actual term they use

958  
00:42:30,470 --> 00:42:27,450  
it's called assured access to space and

959  
00:42:33,500 --> 00:42:30,480  
so what they did is they switch gears

960  
00:42:35,510 --> 00:42:33,510  
and started launching NRO and SNS a

961  
00:42:38,240 --> 00:42:35,520  
satellites they were trying to launch

962  
00:42:39,790 --> 00:42:38,250  
them on the Titan two boosters mm-hmm

963  
00:42:42,230 --> 00:42:39,800

but this is really interesting because

964

00:42:45,050 --> 00:42:42,240

coincidentally with the Challenger

965

00:42:47,330 --> 00:42:45,060

explosion they also had multiple Titan

966

00:42:49,520 --> 00:42:47,340

to booster explosions at the same time

967

00:42:51,440 --> 00:42:49,530

just strange failures of this at the

968

00:42:54,200 --> 00:42:51,450

same time which is unbelievable so now

969

00:42:57,500 --> 00:42:54,210

they were totally out of business so as

970

00:42:59,090 --> 00:42:57,510

the story goes a desperate cry went out

971

00:43:01,670 --> 00:42:59,100

to the defense contractors including

972

00:43:04,970 --> 00:43:01,680

Lockheed Boeing Rock

973

00:43:08,150 --> 00:43:04,980

mcdonnell-douglas to design a two-stage

974

00:43:10,970 --> 00:43:08,160

to orbit rapid response space plane that

975

00:43:13,160 --> 00:43:10,980

could launch a small military payload

976

00:43:15,410 --> 00:43:13,170

into a low Earth orbit that could also

977

00:43:20,299 --> 00:43:15,420

launch a weapon system known as rods

978

00:43:22,279 --> 00:43:20,309

from God that rhenium tip it's strictly

979

00:43:23,930 --> 00:43:22,289

by velocity my favorite weapon of all

980

00:43:26,120 --> 00:43:23,940

time right it's just uh it's just

981

00:43:28,220 --> 00:43:26,130

literally a rod of titanium or something

982

00:43:30,260 --> 00:43:28,230

that they launch them all of it and it

983

00:43:32,690 --> 00:43:30,270

builds up so much kinetic energy on the

984

00:43:35,120 --> 00:43:32,700

way down I've researched these two that

985

00:43:37,700 --> 00:43:35,130

that it like will blow an entire city up

986

00:43:40,519 --> 00:43:37,710

okay just nice dawn with a huge crater

987

00:43:41,150 --> 00:43:40,529

no radioactivity nothing you have one of

988

00:43:42,620 --> 00:43:41,160

these things

989

00:43:44,150 --> 00:43:42,630

orbiting you know it's like every

990

00:43:46,519 --> 00:43:44,160

science fiction book you ever read you

991

00:43:48,200 --> 00:43:46,529

control the world cuz there's no way to

992

00:43:50,450 --> 00:43:48,210

defense against these things I at least

993

00:43:52,490 --> 00:43:50,460

right now so so what you just described

994

00:43:56,180 --> 00:43:52,500

is the x37 they started building this

995

00:43:58,339 --> 00:43:56,190

thing yeah and it also has a cube a on

996

00:44:00,620 --> 00:43:58,349

the top portion of the parasitic

997

00:44:02,720 --> 00:44:00,630

aircraft that can also be used as a

998

00:44:04,760 --> 00:44:02,730

synthetic aperture radar system so what

999

00:44:08,480 --> 00:44:04,770

we're looking at here is a two-part

1000

00:44:11,450 --> 00:44:08,490

system the the large craft was termed

1001  
00:44:16,180 --> 00:44:11,460  
the sr3 mothership it was also known as

1002  
00:44:18,200 --> 00:44:16,190  
the super super valkyrie or even some

1003  
00:44:20,930 --> 00:44:18,210  
airforce majors have called this

1004  
00:44:23,569 --> 00:44:20,940  
quote-unquote the elegant lady and this

1005  
00:44:26,390 --> 00:44:23,579  
thing is 200 feet long it's light gray

1006  
00:44:30,529 --> 00:44:26,400  
in color it has a 120 foot wingspan it

1007  
00:44:32,900 --> 00:44:30,539  
looks just like the vintage 1960s xb-70

1008  
00:44:35,120 --> 00:44:32,910  
know instead of the two vertical

1009  
00:44:36,500 --> 00:44:35,130  
stabilizers on either side of the

1010  
00:44:39,620 --> 00:44:36,510  
centerline of the aircraft they're

1011  
00:44:42,289 --> 00:44:39,630  
pushed outside to the wingtips so it has

1012  
00:44:44,630 --> 00:44:42,299  
these 16-foot tall winglets that are

1013  
00:44:47,319 --> 00:44:44,640

candidate about a 30-degree angle Wow it

1014

00:44:50,630 --> 00:44:47,329

also has canards that can retract for

1015

00:44:53,120 --> 00:44:50,640

high-speed flight but the canards also

1016

00:44:57,370 --> 00:44:53,130

have winglets on themselves as well well

1017

00:44:59,779 --> 00:44:57,380

the craft is powered by 6 YJ 93 engines

1018

00:45:00,380 --> 00:44:59,789

in on them and on the bottom of the

1019

00:45:02,930 --> 00:45:00,390

craft

1020

00:45:05,059 --> 00:45:02,940

it looks like witnesses who have seen

1021

00:45:07,970 --> 00:45:05,069

this craft it looks like someone took an

1022

00:45:11,329 --> 00:45:07,980

ice-cream scooper and scooped out the

1023

00:45:14,569 --> 00:45:11,339

bottom of this aircraft leaving a cavity

1024

00:45:15,410 --> 00:45:14,579

for a smaller parasitic aircraft to sit

1025

00:45:17,990 --> 00:45:15,420

up inside

1026

00:45:20,809 --> 00:45:18,000

now this other smaller aircraft is known

1027

00:45:24,230 --> 00:45:20,819

as the xov or experimental orbiter

1028

00:45:26,960 --> 00:45:24,240

vehicle it has a crew of one it's

1029

00:45:29,809 --> 00:45:26,970

approximately 60 to 65 feet in length it

1030

00:45:33,349 --> 00:45:29,819

can be airdrop from the belly of the

1031

00:45:36,829 --> 00:45:33,359

mothership top speed is 17,500 miles an

1032

00:45:40,339 --> 00:45:36,839

hour Mach 20 altitude is 150 to 250

1033

00:45:43,430 --> 00:45:40,349

miles and it uses for linear aerospike

1034

00:45:45,380 --> 00:45:43,440

engines that uses a modified bore arm

1035

00:45:48,370 --> 00:45:45,390

fuel that has the consistency of

1036

00:45:50,900 --> 00:45:48,380

toothpaste okay that's essentially what

1037

00:45:53,960 --> 00:45:50,910

this is that's incredible

1038

00:45:55,700 --> 00:45:53,970

that is incredible so this thing what

1039

00:45:57,650 --> 00:45:55,710

basically they would they felt

1040

00:45:59,150 --> 00:45:57,660

themselves shut out of space and during

1041

00:46:01,130 --> 00:45:59,160

that time you're talking about the late

1042

00:46:03,829 --> 00:46:01,140

80s not only were these things blowing

1043

00:46:06,230 --> 00:46:03,839

up but like you know missions that we

1044

00:46:07,789 --> 00:46:06,240

had sent demise went missing and stuff

1045

00:46:09,789 --> 00:46:07,799

there was really a lot of kind of crazy

1046

00:46:11,990 --> 00:46:09,799

stuff going on for the eighties you know

1047

00:46:13,960 --> 00:46:12,000

when it comes to Space Jam then all of a

1048

00:46:17,359 --> 00:46:13,970

sudden we were back in it again but um

1049

00:46:18,829 --> 00:46:17,369

so they went to the defense contractors

1050

00:46:20,779 --> 00:46:18,839

they say this is we gotta get into space

1051  
00:46:21,410 --> 00:46:20,789  
somehow what's the cheapest quickest way

1052  
00:46:23,630 --> 00:46:21,420  
you can do it

1053  
00:46:25,759 --> 00:46:23,640  
and usually hybrid aircraft but the

1054  
00:46:27,259 --> 00:46:25,769  
result is something like that and and

1055  
00:46:29,359 --> 00:46:27,269  
they came up with this thing and and

1056  
00:46:31,309 --> 00:46:29,369  
once again from the UFO point of view

1057  
00:46:34,670 --> 00:46:31,319  
you see one of these things flying over

1058  
00:46:36,049 --> 00:46:34,680  
your head what do you think is a UFO and

1059  
00:46:39,440 --> 00:46:36,059  
at least things find that in Nevada

1060  
00:46:41,900 --> 00:46:39,450  
somewhere they were they this was seen

1061  
00:46:45,019 --> 00:46:41,910  
by an f-15 pilot this was a transient

1062  
00:46:49,009 --> 00:46:45,029  
f15 pilot who saw this land at Holloman

1063  
00:46:53,240 --> 00:46:49,019

Air Force Base back on February 12th

1064

00:46:54,829 --> 00:46:53,250

1994 he saw this thing through sitting

1065

00:46:56,599 --> 00:46:54,839

in his f15 through a pair of binoculars

1066

00:46:59,150 --> 00:46:56,609

he described the whole thing that's how

1067

00:47:01,190 --> 00:46:59,160

I put this drawing together but he also

1068

00:47:04,240 --> 00:47:01,200

stated that on the bottom of this craft

1069

00:47:06,890 --> 00:47:04,250

it was completely composed of a blade of

1070

00:47:09,529 --> 00:47:06,900

tiles taking Drucker lay off the space

1071

00:47:12,470 --> 00:47:09,539

shuttle it has four channels that are

1072

00:47:15,440 --> 00:47:12,480

milled into the side to the bottom of

1073

00:47:17,299 --> 00:47:15,450

the aircraft for rigidity and it's

1074

00:47:21,140 --> 00:47:17,309

believed that McDonnell Douglas in st.

1075

00:47:23,359 --> 00:47:21,150

Louis their Black Widow group later

1076  
00:47:26,210 --> 00:47:23,369  
known as the Phantom works when Boeing

1077  
00:47:27,720 --> 00:47:26,220  
took it over but they would be

1078  
00:47:30,599 --> 00:47:27,730  
sandwiching

1079  
00:47:32,910 --> 00:47:30,609  
this composite material multiple layers

1080  
00:47:35,190 --> 00:47:32,920  
together to complete this structure and

1081  
00:47:36,870 --> 00:47:35,200  
it was extremely hard lay up and it was

1082  
00:47:38,940 --> 00:47:36,880  
very difficult but they got a very

1083  
00:47:41,190 --> 00:47:38,950  
strong structure now on the back of this

1084  
00:47:44,580 --> 00:47:41,200  
as we mentioned before it has four

1085  
00:47:48,030 --> 00:47:44,590  
linear aerospike engines now the exhaust

1086  
00:47:50,310 --> 00:47:48,040  
ports of these aerospike engines have

1087  
00:47:54,030 --> 00:47:50,320  
what they called an egg crate or milk

1088  
00:47:56,970 --> 00:47:54,040

crate covering over them it looks very

1089

00:48:00,090 --> 00:47:56,980

similar in appearance to the egg crate

1090

00:48:02,130 --> 00:48:00,100

covering over the inlets on the f-117

1091

00:48:05,700 --> 00:48:02,140

stealth fighter yeah very interesting

1092

00:48:09,450 --> 00:48:05,710

section the back of the aircraft also

1093

00:48:12,390 --> 00:48:09,460

has these ports where you can load in

1094

00:48:14,040 --> 00:48:12,400

these solid rocket boosters like a SRB

1095

00:48:15,870 --> 00:48:14,050

and when it's done they come out like

1096

00:48:18,090 --> 00:48:15,880

shotgun shells and you plug two more

1097

00:48:20,670 --> 00:48:18,100

back in that's what this aircraft like

1098

00:48:22,830 --> 00:48:20,680

man this is crazy stuff this is I mean

1099

00:48:24,750 --> 00:48:22,840

and it's all completely believable it's

1100

00:48:26,849 --> 00:48:24,760

all within the realm of the technology

1101

00:48:29,970 --> 00:48:26,859

at that time when I hear about this

1102

00:48:31,710 --> 00:48:29,980

stuff yeah I can't help but to go to if

1103

00:48:34,609 --> 00:48:31,720

they had it then what do they have now

1104

00:48:38,730 --> 00:48:34,619

that's 20 years ago I know I mean just

1105

00:48:41,730 --> 00:48:38,740

to repeat Bill Scott did the legwork on

1106

00:48:44,970 --> 00:48:41,740

this craft now he took a lot of flack

1107

00:48:46,560 --> 00:48:44,980

when that story broke in 2006 when this

1108

00:48:48,930 --> 00:48:46,570

story first broke now he took a lot of

1109

00:48:52,770 --> 00:48:48,940

flack I've investigated the people who

1110

00:48:54,630 --> 00:48:52,780

have criticized that an original article

1111

00:48:57,210 --> 00:48:54,640

and I'm here to tell you that they did

1112

00:48:59,849 --> 00:48:57,220

not dig deep enough mm-hmm they did not

1113

00:49:02,400 --> 00:48:59,859

interview the eyewitnesses they did not

1114

00:49:05,580 --> 00:49:02,410

go to them personally and they did not

1115

00:49:07,230 --> 00:49:05,590

corroborate the features of what these

1116

00:49:10,640 --> 00:49:07,240

people are saying because they they

1117

00:49:12,690 --> 00:49:10,650

match up so for anyone who's you know

1118

00:49:14,520 --> 00:49:12,700

questioning the existence of this

1119

00:49:16,140 --> 00:49:14,530

aircraft they just have not dug deep

1120

00:49:17,700 --> 00:49:16,150

enough right right yeah we should remind

1121

00:49:19,290 --> 00:49:17,710

everyone in listening to make money's in

1122

00:49:21,750 --> 00:49:19,300

old tracks I'll show here on the distant

1123

00:49:23,400 --> 00:49:21,760

Thunder radio network this is Mac well

1124

00:49:25,890 --> 00:49:23,410

when one is here we're talking to

1125

00:49:27,870 --> 00:49:25,900

Michael strata was an expert as it turns

1126

00:49:30,000 --> 00:49:27,880

out on the blackest the deepest the

1127

00:49:32,340 --> 00:49:30,010

deepest secret programs that we have

1128

00:49:33,930 --> 00:49:32,350

especially aviation programs that's been

1129

00:49:35,970 --> 00:49:33,940

going on in this country for the past

1130

00:49:38,070 --> 00:49:35,980

thirty years you know I used to look

1131

00:49:39,420 --> 00:49:38,080

into this stuff I used to read Aviation

1132

00:49:41,770 --> 00:49:39,430

Week and stuff like that and then I

1133

00:49:47,290 --> 00:49:41,780

realized you know if they get something

1134

00:49:49,060 --> 00:49:47,300

they really secret I mean you don't even

1135

00:49:50,950 --> 00:49:49,070

hear like hints of it you know I won't

1136

00:49:53,200 --> 00:49:50,960

being popular in the towns right you

1137

00:49:54,790 --> 00:49:53,210

know they really have but there's so

1138

00:49:56,680 --> 00:49:54,800

many people working on how can beat that

1139

00:49:58,360 --> 00:49:56,690

secret those are the people discount

1140

00:50:00,100 --> 00:49:58,370

works you know those people they keep

1141

00:50:02,320 --> 00:50:00,110

their word that they're given you know

1142

00:50:04,090 --> 00:50:02,330

at the beginning of their employment you

1143

00:50:06,250 --> 00:50:04,100

know what bugs me is that you know you

1144

00:50:08,170 --> 00:50:06,260

don't hear anything from these guys yet

1145

00:50:09,970 --> 00:50:08,180

you know the the the twenty guys who

1146

00:50:12,010 --> 00:50:09,980

claim they whack bin Laden they'll just

1147

00:50:14,620 --> 00:50:12,020

and movies like that that's right right

1148

00:50:16,240 --> 00:50:14,630

man that is not right you know you know

1149

00:50:18,280 --> 00:50:16,250

one of the secrets the way they do is

1150

00:50:20,310 --> 00:50:18,290

they compartmentalize the information

1151  
00:50:23,470 --> 00:50:20,320  
and we're going to keep in mind as

1152  
00:50:25,780 --> 00:50:23,480  
Lockheed teamed up with Rockwell on this

1153  
00:50:28,150 --> 00:50:25,790  
project and then they farmed out the

1154  
00:50:30,900 --> 00:50:28,160  
parasitic aircraft in McDonnell Douglas

1155  
00:50:33,790 --> 00:50:30,910  
and then final assembly took place at

1156  
00:50:35,800 --> 00:50:33,800  
Boeing Seattle facility you can see how

1157  
00:50:39,240 --> 00:50:35,810  
they've really spread this out yeah yep

1158  
00:50:41,500 --> 00:50:39,250  
that's that's how he only had one hand

1159  
00:50:42,730 --> 00:50:41,510  
that's how they get it done quick though

1160  
00:50:44,560 --> 00:50:42,740  
you know what I mean they say hey listen

1161  
00:50:46,270 --> 00:50:44,570  
let's call the big boys together we got

1162  
00:50:48,310 --> 00:50:46,280  
to do this this you do this impugn a

1163  
00:50:50,260 --> 00:50:48,320

Bing you do it you know actually do it

1164

00:50:52,780 --> 00:50:50,270

if you did it in the light of day or

1165

00:50:55,120 --> 00:50:52,790

something like that it would take years

1166

00:50:56,560 --> 00:50:55,130

and years and years you know if I know

1167

00:50:57,850 --> 00:50:56,570

some things especially when it comes to

1168

00:51:00,550 --> 00:50:57,860

weapony when it comes to the security

1169

00:51:02,020 --> 00:51:00,560

of this country do you stuff and see

1170

00:51:04,150 --> 00:51:02,030

could spend whatever the hell you want

1171

00:51:06,190 --> 00:51:04,160

okay because we waste trillions of

1172

00:51:07,810 --> 00:51:06,200

dollars anyway yeah what's a few billion

1173

00:51:10,900 --> 00:51:07,820

here and there exactly billion is

1174

00:51:12,820 --> 00:51:10,910

nothing these days and and but just you

1175

00:51:14,650 --> 00:51:12,830

know come out you know the other rental

1176  
00:51:16,600 --> 00:51:14,660  
something that's gonna make us safer or

1177  
00:51:18,670 --> 00:51:16,610  
you know keep us safe I know that thing

1178  
00:51:21,760 --> 00:51:18,680  
that you were talking about the a12

1179  
00:51:23,260 --> 00:51:21,770  
which was basically the Navy's version

1180  
00:51:24,910 --> 00:51:23,270  
of a stealth fighter they wanted them to

1181  
00:51:27,190 --> 00:51:24,920  
land on aircraft carriers and it looks

1182  
00:51:29,710 --> 00:51:27,200  
like a Dorito like a boomerang that's

1183  
00:51:31,900 --> 00:51:29,720  
right Michael don't you don't you think

1184  
00:51:35,200 --> 00:51:31,910  
though that you know I heard that the

1185  
00:51:37,810 --> 00:51:35,210  
cost you know when Dick Cheney cancelled

1186  
00:51:39,970 --> 00:51:37,820  
it I thought it was up more like 11

1187  
00:51:43,030 --> 00:51:39,980  
billion or twelve being like in and

1188  
00:51:45,670 --> 00:51:43,040

we've discussed on the show a number of

1189

00:51:47,770 --> 00:51:45,680

times where did it go you know and then

1190

00:51:49,300 --> 00:51:47,780

we in Coleman will tell you that what it

1191

00:51:51,650 --> 00:51:49,310

did is they transferred a lot of the

1192

00:51:56,630 --> 00:51:51,660

technology over to drones

1193

00:51:59,600 --> 00:51:56,640

the Iowa prologue dating to Bill's 2006

1194

00:52:03,320 --> 00:51:59,610

article on Blackstar some of the a12

1195

00:52:05,420 --> 00:52:03,330

Avenger funding and the x13 ASP funding

1196

00:52:08,750 --> 00:52:05,430

was filtered over the black star program

1197

00:52:11,090 --> 00:52:08,760

so it didn't all go to waste them on you

1198

00:52:13,730 --> 00:52:11,100

know technically no on hookers and blow

1199

00:52:16,880 --> 00:52:13,740

down and my shouldn't be see that would

1200

00:52:19,010 --> 00:52:16,890

never happen one course not

1201  
00:52:20,060 --> 00:52:19,020  
so listen you know we only get a couple

1202  
00:52:21,560 --> 00:52:20,070  
minutes left you're gonna have to come

1203  
00:52:23,930 --> 00:52:21,570  
back and just tell people about the

1204  
00:52:27,140 --> 00:52:23,940  
Hudson Valley settings is one when did

1205  
00:52:29,390 --> 00:52:27,150  
it happen real quick will CLE 80 83 to

1206  
00:52:31,100 --> 00:52:29,400  
89 almost a 10-year period okay and

1207  
00:52:34,340 --> 00:52:31,110  
people would just see these basically

1208  
00:52:35,930 --> 00:52:34,350  
see these huge black triangle something

1209  
00:52:38,600 --> 00:52:35,940  
over the Hudson River heading down south

1210  
00:52:41,420 --> 00:52:38,610  
it kind of gone parallel to the Taconic

1211  
00:52:43,640 --> 00:52:41,430  
Parkway right correct we're looking at

1212  
00:52:46,340 --> 00:52:43,650  
25,000 eyewitnesses described a

1213  
00:52:48,350 --> 00:52:46,350

boomerang or Chevron shaped craft that

1214

00:52:50,780 --> 00:52:48,360

had multicolored flashing lights

1215

00:52:53,240 --> 00:52:50,790

it had translucent panels showing you

1216

00:52:54,470 --> 00:52:53,250

the interior then structure that looked

1217

00:52:57,050 --> 00:52:54,480

like a cross beam and girder

1218

00:53:00,200 --> 00:52:57,060

construction also other eyewitnesses

1219

00:53:02,330 --> 00:53:00,210

reported tubes pipes and cylinders on

1220

00:53:04,880 --> 00:53:02,340

the bottom of the craft identical to

1221

00:53:07,610 --> 00:53:04,890

what Belgium triangle eyewitnesses

1222

00:53:09,590 --> 00:53:07,620

reported that's an 89 and 90 which is

1223

00:53:11,600 --> 00:53:09,600

identical to the bottom outer structure

1224

00:53:14,540 --> 00:53:11,610

of the one we just talked about January

1225

00:53:16,610 --> 00:53:14,550

5th 2000 where they also reported quote

1226

00:53:20,300 --> 00:53:16,620

plumbing pipes and what they termed

1227

00:53:23,990 --> 00:53:20,310

stacked Legos as well oh wow okay see

1228

00:53:27,710 --> 00:53:24,000

yes my question is you have 25,000

1229

00:53:29,420 --> 00:53:27,720

people yes in a so might be wrong in a

1230

00:53:31,640 --> 00:53:29,430

civilized part of the world it's a

1231

00:53:33,920 --> 00:53:31,650

little north of New York okay all right

1232

00:53:37,760 --> 00:53:33,930

if these things are showing up almost on

1233

00:53:39,740 --> 00:53:37,770

a regular basis almost ten years they're

1234

00:53:42,110 --> 00:53:39,750

not trying to hide a lot of people think

1235

00:53:44,240 --> 00:53:42,120

UFOs you know trying to hide they're not

1236

00:53:46,760 --> 00:53:44,250

trying to hide they want us to see them

1237

00:53:49,130 --> 00:53:46,770

why isn't that the biggest freaking

1238

00:53:50,330 --> 00:53:49,140

story of mankind I don't know I know

1239

00:53:52,700 --> 00:53:50,340

it's unbelievable

1240

00:53:55,040 --> 00:53:52,710

it's crazy no what I think is weird is

1241

00:53:57,110 --> 00:53:55,050

this represents like the most

1242

00:53:59,480 --> 00:53:57,120

significant group of sightings in

1243

00:54:01,550 --> 00:53:59,490

ufology because of the sheer number of

1244

00:54:03,440 --> 00:54:01,560

eyewitnesses and the duration of the

1245

00:54:04,720 --> 00:54:03,450

sightings yet it's almost completely

1246

00:54:07,270 --> 00:54:04,730

forgotten about yeah

1247

00:54:10,540 --> 00:54:07,280

and that's strange I mean in in what is

1248

00:54:13,510 --> 00:54:10,550

also baffles me is that you know if you

1249

00:54:16,180 --> 00:54:13,520

look at the top let's say twenty movies

1250

00:54:19,060 --> 00:54:16,190

of the past 20 years almost half of them

1251

00:54:21,130 --> 00:54:19,070

have to do with aliens 18 you know

1252

00:54:23,319 --> 00:54:21,140

Independence Day they're people cause

1253

00:54:25,839 --> 00:54:23,329

interested yeah everyone's interested so

1254

00:54:29,050 --> 00:54:25,849

I had the interested in this this is

1255

00:54:34,030 --> 00:54:29,060

real life you know the famous lights it

1256

00:54:36,609 --> 00:54:34,040

was in it was in the newspapers away but

1257

00:54:38,650 --> 00:54:36,619

it goes away you know and and that was

1258

00:54:41,530 --> 00:54:38,660

back then these days it's no you know

1259

00:54:43,359 --> 00:54:41,540

when you're talking about plumbing in

1260

00:54:46,060 --> 00:54:43,369

pipes it's the connections you know

1261

00:54:48,130 --> 00:54:46,070

getting something you don't mean changed

1262

00:54:50,380 --> 00:54:48,140

I don't know what the priorities are

1263

00:54:53,109 --> 00:54:50,390

weird but it's it's a little strange

1264

00:54:54,849 --> 00:54:53,119

that people don't take these things

1265

00:54:56,500 --> 00:54:54,859

seriously when you know when you really

1266

00:54:58,750 --> 00:54:56,510

think about it there's nothing else more

1267

00:55:02,670 --> 00:54:58,760

important Michael Scott now I know that

1268

00:55:04,930 --> 00:55:02,680

you have a crossword puzzle that people

1269

00:55:05,800 --> 00:55:04,940

having to do with been rich or who we're

1270

00:55:08,260 --> 00:55:05,810

talking about from the skunkworks

1271

00:55:10,059 --> 00:55:08,270

earlier and if people complete this

1272

00:55:12,460 --> 00:55:10,069

they're gonna get a thousand dollars is

1273

00:55:14,109 --> 00:55:12,470

that thousand dollar cash prize for

1274

00:55:16,720 --> 00:55:14,119

anyone the first person to correctly

1275

00:55:21,730 --> 00:55:16,730

solve the puzzle and send it back to me

1276

00:55:25,270 --> 00:55:21,740

by 11:59 on Pacific Standard Time on the

1277

00:55:27,430 --> 00:55:25,280

10th of November at the November okay we

1278

00:55:29,650 --> 00:55:27,440

we have a copy of it I saw a bit it

1279

00:55:32,109 --> 00:55:29,660

looks extensive is it all questions

1280

00:55:34,200 --> 00:55:32,119

about Ben or is it the stunt where a

1281

00:55:39,790 --> 00:55:34,210

single clue has something to do with

1282

00:55:41,819 --> 00:55:39,800

really who put it together you all right

1283

00:55:52,210 --> 00:55:41,829

you have the grand really somewhere you

1284

00:55:55,480 --> 00:55:52,220

flying the kite here oh how many is four

1285

00:55:57,700 --> 00:55:55,490

years Wow all right I know what we're

1286

00:55:58,960 --> 00:55:57,710

gonna do we're gonna get the Black

1287

00:56:01,270 --> 00:55:58,970

Knight kid in here you know he's a

1288

00:56:03,460 --> 00:56:01,280

little idiot savant yeah we're gonna

1289

00:56:05,680 --> 00:56:03,470

have him blow right through it right

1290

00:56:08,020 --> 00:56:05,690

through it and we'll have sure eleven

1291

00:56:10,270 --> 00:56:08,030

grand to go and you know blow right

1292

00:56:12,690 --> 00:56:10,280

through you know hey Mike well a

1293

00:56:14,559 --> 00:56:12,700

four-legged animal rhymes with rat

1294

00:56:17,700 --> 00:56:14,569

that's where I'm at

1295

00:56:20,190 --> 00:56:17,710

basically crossword puzzle

1296

00:56:21,710 --> 00:56:20,200

I've never tried one man it's just

1297

00:56:24,000 --> 00:56:21,720

complicated for me

1298

00:56:26,309 --> 00:56:24,010

Michael Trapp thanks for joining us

1299

00:56:28,559 --> 00:56:26,319

tonight and that was gonna have your

1300

00:56:31,730 --> 00:56:28,569

back on soon to talk about the Hudson

1301

00:56:34,440 --> 00:56:31,740

Valley sighting because they are just

1302

00:56:37,170 --> 00:56:34,450

fascinating it's just it's the best UFO

1303

00:56:39,930 --> 00:56:37,180

story out there really it is thanks for

1304

00:56:41,970 --> 00:56:39,940

joining us and they can get know how we

1305

00:56:44,339 --> 00:56:41,980

can they go to get more info but the

1306

00:56:49,190 --> 00:56:44,349

crossword puzzle okay so you'll have to

1307

00:56:54,030 --> 00:56:49,200

email me the email address is a you are

1308

00:56:57,710 --> 00:56:54,040

a see a deism dog the number 5 at

1309

00:56:59,280 --> 00:56:57,720

aol.com so it's Aurora CAD 5 at aol.com

1310

00:57:01,290 --> 00:56:59,290

send me an email

1311

00:57:02,849 --> 00:57:01,300

I'll shoot it over to you if you get it

1312

00:57:04,230 --> 00:57:02,859

done by the end of the day on the 10th

1313

00:57:05,790 --> 00:57:04,240

and you get it correct you're the first

1314

00:57:07,410 --> 00:57:05,800

one you get a thousand bucks let me ask

1315

00:57:10,530 --> 00:57:07,420

you a question okay this has to do with

1316

00:57:13,170 --> 00:57:10,540

logistics is the 10th one is that carved

1317

00:57:15,900 --> 00:57:13,180

in stone that's carved in stone

1318

00:57:18,150 --> 00:57:15,910

yes 11:59 p.m. yes it's carved in stone

1319

00:57:20,430 --> 00:57:18,160

well don't you know one one is the kids

1320

00:57:22,700 --> 00:57:20,440

a standard this really sucks because

1321

00:57:25,710 --> 00:57:22,710

this show won't be heard until the 14th

1322

00:57:28,020 --> 00:57:25,720

really yeah so whoever won I'm sure that

1323

00:57:29,520 --> 00:57:28,030

they were brilliant and they gonna take

1324

00:57:35,160 --> 00:57:29,530

the grand and give it to like Mother

1325

00:57:41,940 --> 00:57:40,530

end of the day on the 14th okay all

1326

00:57:43,559 --> 00:57:41,950

right well this is gonna you know can we

1327

00:57:57,839 --> 00:57:43,569

talk to the winner if there is a winner

1328

00:58:03,589 --> 00:57:57,849

sure yeah Micah you know what the whole

1329

00:58:14,010 --> 00:58:11,760

something real quick Michael have you

1330

00:58:16,770 --> 00:58:14,020

ever heard the story that you know the

1331

00:58:18,990 --> 00:58:16,780

CIA was always looking for money that

1332

00:58:20,640 --> 00:58:19,000

they didn't have to go to Congress and

1333

00:58:23,099 --> 00:58:20,650

get especially like in the 70s in the

1334

00:58:24,420 --> 00:58:23,109

80s so they went to the Postal Service

1335

00:58:26,039 --> 00:58:24,430

and the Postal Service said just come

1336

00:58:30,420 --> 00:58:26,049

out with a stamp of the Wright brothers

1337

00:58:31,250 --> 00:58:30,430

a Kitty Hawk okay and the CIA said to

1338

00:58:35,000 --> 00:58:31,260

them print

1339

00:58:37,910 --> 00:58:35,010

like 2,000 of them upside down the plane

1340

00:58:39,980 --> 00:58:37,920

upside down notices and what they

1341

00:58:41,900 --> 00:58:39,990

immediately had something that stamp

1342

00:58:43,280 --> 00:58:41,910

collectors would buy sure they raised

1343

00:58:45,080 --> 00:58:43,290

like thirty million bucks and then they

1344

00:58:47,090 --> 00:58:45,090

went out and you know busted some Banana

1345

00:58:48,370 --> 00:58:47,100

Republic somewhere you know that's how

1346

00:58:52,040 --> 00:58:48,380

they used to do it

1347

00:58:54,350 --> 00:58:52,050

god knows what they doing now I got a

1348

00:58:56,440 --> 00:58:54,360

film it's graduated beyond it's more

1349

00:58:58,070 --> 00:58:56,450

complicated with the stamms really

1350

00:59:03,440 --> 00:58:58,080

Michael have you ever heard that

1351

00:59:05,840 --> 00:59:03,450

stirring anyway thanks for joining us

1352

00:59:07,160 --> 00:59:05,850

and we will talk to you very soon we

1353

00:59:10,220 --> 00:59:07,170

wanted you back down real soon okay

1354

00:59:16,010 --> 00:59:10,230

sounds good okay there he goes man

1355

00:59:17,510 --> 00:59:16,020

that's yeah lots of information done

1356

00:59:19,970 --> 00:59:17,520

this homework and everything kind of

1357

00:59:23,570 --> 00:59:19,980

fits you know everything fits someone

1358

00:59:25,910 --> 00:59:23,580

once told us that out of nine out of ten

1359

00:59:27,680 --> 00:59:25,920

aircraft like it every 51 with a test

1360

00:59:29,720 --> 00:59:27,690

these things don't work you don't I mean

1361

00:59:32,000 --> 00:59:29,730

but every time this is figured they take

1362

00:59:33,410 --> 00:59:32,010

the positive things and they go to the

1363

00:59:35,060 --> 00:59:33,420

next step next step and next thing you

1364

00:59:36,620 --> 00:59:35,070

know you got like the b-2 bomber or

1365

00:59:38,390 --> 00:59:36,630

something I meant to ask him if he threw

1366

00:59:40,940 --> 00:59:38,400

any men in black out of this door every

1367

00:59:43,280 --> 00:59:40,950

so often you know well for you know if

1368

00:59:44,660 --> 00:59:43,290

anyone's gonna opening his mailbox yeah

1369

00:59:51,410 --> 00:59:44,670

right yeah well hopefully he's not

1370

00:59:52,790 --> 00:59:51,420

getting people may or may not so why

1371

00:59:55,370 --> 00:59:52,800

don't we take a break now day one all

1372

00:59:59,690 --> 00:59:55,380

right and it was exhausting yes it was

1373

01:00:01,700 --> 00:59:59,700

yeah but I feel educated some reason and

1374

01:00:02,990 --> 01:00:01,710

we'll we'll be right back after this so

1375

01:00:05,390 --> 01:00:03,000

you listening to Michael undies no

1376  
01:00:07,580 --> 01:00:05,400  
tracks without show here on the distant

1377  
01:00:10,250 --> 01:00:07,590  
Thunder radio network stay tuned we'll

1378  
01:00:12,500 --> 01:00:10,260  
be right back after the events of 9/11

1379  
01:00:15,350 --> 01:00:12,510  
we thought America would never be the

1380  
01:00:18,020 --> 01:00:15,360  
same our homeland was attacked our

1381  
01:00:22,130 --> 01:00:18,030  
fellow Americans killed by terrorists it

1382  
01:00:24,080 --> 01:00:22,140  
seemed like all hope was lost until a

1383  
01:00:26,930 --> 01:00:24,090  
special group of Patriots came together

1384  
01:00:30,180 --> 01:00:26,940  
and defied the Pentagon and vowed to

1385  
01:00:32,490 --> 01:00:30,190  
take revenge but in their own way

1386  
01:00:34,470 --> 01:00:32,500  
they took the battle to the terrorists

1387  
01:00:37,410 --> 01:00:34,480  
doorstep turning the tables on the

1388  
01:00:39,360 --> 01:00:37,420

murderers fighting with no rules taking

1389

01:00:42,270 --> 01:00:39,370

no prisoners until they became

1390

01:00:45,390 --> 01:00:42,280

terrorists themselves this is the story

1391

01:00:46,950 --> 01:00:45,400

of the super Hawks soldiers so secret

1392

01:00:47,640 --> 01:00:46,960

even the president didn't know they

1393

01:00:50,580 --> 01:00:47,650

existed

1394

01:00:52,350 --> 01:00:50,590

their mission was to kill bin Laden but

1395

01:00:55,560 --> 01:00:52,360

they wound up saving the world

1396

01:00:57,030 --> 01:00:55,570

super Hawks a new series for Kindles and

1397

01:01:07,060 --> 01:00:57,040

nooks by Mac Maloney

1398

01:01:25,010 --> 01:01:22,630

[Music]

1399

01:01:26,839 --> 01:01:25,020

mommy's Miller exercise show here on the

1400

01:01:31,310 --> 01:01:26,849

distant Thunder radio and their way this

1401

01:01:32,990 --> 01:01:31,320

man we are in on new studio we start

1402

01:01:34,430 --> 01:01:33,000

your Black Friday early make the smart

1403

01:01:37,130 --> 01:01:34,440

choice and switch to sprint and get a

1404

01:01:39,500 --> 01:01:37,140

new Samsung Galaxy s8 active 50% off

1405

01:01:41,329 --> 01:01:39,510

that's right 50% off a lease for the GSA

1406

01:01:43,370 --> 01:01:41,339

tact if one of Samsung's hottest devices

1407

01:01:45,079 --> 01:01:43,380

plus with galaxy forever you can upgrade

1408

01:01:46,670 --> 01:01:45,089

to the latest galaxy anytime after 12

1409

01:01:48,109 --> 01:01:46,680

these payments visit your local Sprint

1410

01:01:50,359 --> 01:01:48,119

store sprint outcome slash holiday deals

1411

01:01:52,700 --> 01:01:50,369

or call 1-800 sprint once a day requires

1412

01:01:53,960 --> 01:01:52,710

18 month lease a new line 1771 four

1413

01:01:55,609 --> 01:01:53,970

months savings we accredit applied

1414

01:01:57,050 --> 01:01:55,619

within two bills early termination

1415

01:01:58,730 --> 01:01:57,060

results our remaining balance - subject

1416

01:02:01,480 --> 01:01:58,740

to credit than \$30 activation fee

1417

01:02:04,250 --> 01:02:01,490

restrictions apply number two and

1418

01:02:06,079 --> 01:02:04,260

gracing us with his presence a streak of

1419

01:02:09,770 --> 01:02:06,089

two is the name of his new book the

1420

01:02:12,020 --> 01:02:09,780

famous Juan Juan yes sir he's going he's

1421

01:02:17,359 --> 01:02:12,030

worried just for those you joining us

1422

01:02:19,280 --> 01:02:17,369

late he's wearing a Tom Brady hat he

1423

01:02:24,140 --> 01:02:19,290

explained earlier that he has basically

1424

01:02:27,050 --> 01:02:24,150

changed his his bromance has changed

1425

01:02:29,510 --> 01:02:27,060

direction he he now doesn't feel bad bad

1426

01:02:31,099 --> 01:02:29,520

about not sharing TV is that the angle

1427

01:02:32,900 --> 01:02:31,109

that's it you know cuz I was kind of

1428

01:02:34,579 --> 01:02:32,910

jealous that everybody was glomming on

1429

01:02:38,690 --> 01:02:34,589

to Tom Brady like you know they were

1430

01:02:41,599 --> 01:02:38,700

best pals and I've been diggin Tom Brady

1431

01:02:44,780 --> 01:02:41,609

since before Tom Brady was T b12 before

1432

01:02:46,579 --> 01:02:44,790

Tom Brady was Tom yes before Gisele was

1433

01:02:50,599 --> 01:02:46,589

digging on the back basically you've

1434

01:02:52,910 --> 01:02:50,609

seen so McMahon he gets a wicked popular

1435

01:02:55,640 --> 01:02:52,920

you know the Geo 80 greatest of all time

1436

01:03:00,710 --> 01:02:55,650

and everybody's glomming onto his

1437

01:03:02,809 --> 01:03:00,720

heroism I'm feeling kind of left out so

1438

01:03:05,540 --> 01:03:02,819

when I gotten over it I have more of a

1439

01:03:06,500 --> 01:03:05,550

mature relationship with the guy okay

1440

01:03:09,170 --> 01:03:06,510

it's all good

1441

01:03:14,809 --> 01:03:09,180

ok we're back on track ok yep that's

1442

01:03:16,849 --> 01:03:14,819

healthy yes ok baby said if I had two

1443

01:03:19,730 --> 01:03:16,859

heads that wear two hats ot betroth hat

1444

01:03:21,980 --> 01:03:19,740

in the five Super Ball hat that sounds

1445

01:03:23,960 --> 01:03:21,990

like with the wrong Roman numerals for

1446

01:03:26,000 --> 01:03:23,970

Super Bowl xlix that sounds like the

1447

01:03:28,670 --> 01:03:26,010

country-western song if I had two heads

1448

01:03:32,229 --> 01:03:28,680

like with two hands I know I'll do

1449

01:03:40,629 --> 01:03:34,359

to the to the solo and G and you got it

1450

01:03:42,789 --> 01:03:40,639

made baby on the line for us tonight we

1451

01:03:44,559 --> 01:03:42,799

have I hate these the word twosome

1452

01:03:45,579 --> 01:03:44,569

but I can't think of anything else I

1453

01:03:47,169 --> 01:03:45,589

don't know what the French word for

1454

01:03:52,269 --> 01:03:47,179

through some is one one to you

1455

01:03:55,119 --> 01:03:52,279

we know money's Tamara's do some Wow see

1456

01:03:59,309 --> 01:03:55,129

something else we get a copyright dirt

1457

01:04:00,429 --> 01:03:59,319

why Dersim dos am I like that

1458

01:04:02,079 --> 01:04:00,439

switchboard

1459

01:04:05,259 --> 01:04:02,089

let's call Bob remaster with the

1460

01:04:07,569 --> 01:04:05,269

French's for that I I'm confused why do

1461

01:04:08,799 --> 01:04:07,579

I always call him switch boy maybe you

1462

01:04:11,399 --> 01:04:08,809

should just rename me switchboard

1463

01:04:14,879 --> 01:04:11,409

Mississippi it was switchblade for us

1464

01:04:17,529 --> 01:04:14,889

well he didn't want that

1465

01:04:19,509 --> 01:04:17,539

you know switchblade but for some reason

1466

01:04:20,259 --> 01:04:19,519

the first when I introduced my mom's a

1467

01:04:24,989 --> 01:04:20,269

switchboard

1468

01:04:28,449 --> 01:04:24,999

went I wouldn't world war two one thing

1469

01:04:31,059 --> 01:04:28,459

it's another show switchblade Steve wood

1470

01:04:32,709 --> 01:04:31,069

up there in Battle Creek Michigan the

1471

01:04:35,259 --> 01:04:32,719

bowl of flakes are you doing there

1472

01:04:37,719 --> 01:04:35,269

switchy well listen I'm doing really so

1473

01:04:40,059 --> 01:04:37,729

good that a human imagination can't

1474

01:04:41,529 --> 01:04:40,069

possibly conceive of how good I'm doing

1475

01:04:44,349 --> 01:04:41,539

no I can't can see what I can't could

1476

01:04:46,239 --> 01:04:44,359

see that any of that oh yeah oh yeah no

1477

01:04:48,729 --> 01:04:46,249

I can't conceive that you can't conceive

1478

01:04:50,229 --> 01:04:48,739

it you know it's a vicious circle well

1479

01:04:59,649 --> 01:04:50,239

it sounds like you're doing well and you

1480

01:05:00,999 --> 01:04:59,659

this your drug free right we want to

1481

01:05:05,079 --> 01:05:01,009

believe that this is a natural high

1482

01:05:10,299 --> 01:05:05,089

switch you know somebody spiked the

1483

01:05:12,699 --> 01:05:10,309

cornflakes right yeah yeah yeah right

1484

01:05:15,399 --> 01:05:12,709

have you have you ever eaten frosted

1485

01:05:19,229 --> 01:05:15,409

voice yes from the box it just be my

1486

01:05:21,099 --> 01:05:19,239

favorite snack that was my favorite that

1487

01:05:22,479 --> 01:05:21,109

it's it's sugar

1488

01:05:23,829 --> 01:05:22,489

I think I'm gonna go back to it now that

1489

01:05:26,469 --> 01:05:23,839

you're with a little bit of like

1490

01:05:28,359 --> 01:05:26,479

conflict stuff I mean it's all free it

1491

01:05:30,999 --> 01:05:28,369

tastes great a reconstituted

1492

01:05:33,489 --> 01:05:31,009

reconstituted scornfully okay man

1493

01:05:34,829 --> 01:05:33,499

super Munchie food yeah you know you

1494

01:05:37,629 --> 01:05:34,839

know I'm saying

1495

01:05:39,549 --> 01:05:37,639

sugar it's nothing but sugar it's just

1496

01:05:41,049 --> 01:05:39,559

weird that they've been sown that yes

1497

01:05:42,759 --> 01:05:41,059

anyway

1498

01:05:44,410 --> 01:05:42,769

you know we grew up on that stuff so

1499

01:05:46,690 --> 01:05:44,420

yeah

1500

01:05:49,269 --> 01:05:46,700

no I've been do anything really that bad

1501

01:05:50,529 --> 01:05:49,279

but detox programs you know get off the

1502

01:05:52,269 --> 01:05:50,539

sugar yeah right sure

1503

01:05:53,769 --> 01:05:52,279

everybody's blaming it on Reese's peanut

1504

01:05:56,620 --> 01:05:53,779

butter cups but it's really Kellogg's

1505

01:06:00,670 --> 01:05:56,630

yes there you go okay that should be a

1506

01:06:02,220 --> 01:06:00,680

gigantic lawsuit thank you anything to

1507

01:06:05,470 --> 01:06:02,230

put us on the map they want that's right

1508

01:06:08,740 --> 01:06:05,480

so switch you're doing well so on and so

1509

01:06:10,569 --> 01:06:08,750

forth so we should bring in about half

1510

01:06:13,150 --> 01:06:10,579

of the to some it sounds filthy but I

1511

01:06:17,019 --> 01:06:13,160

can't see me Emily but Emily MIT Amaya

1512

01:06:19,390 --> 01:06:17,029

also on a the phone with us research and

1513

01:06:20,920 --> 01:06:19,400

you know attractive blonde

1514

01:06:24,819 --> 01:06:20,930

that's what here yeah that's where a

1515

01:06:26,410 --> 01:06:24,829

business cat says I'll take it I like

1516

01:06:28,299 --> 01:06:26,420

that I like that kind of Verve you know

1517

01:06:30,549 --> 01:06:28,309

what I mean like that kind of much it

1518

01:06:32,980 --> 01:06:30,559

I'm glad just blow it off it's a all I

1519

01:06:34,839 --> 01:06:32,990

care about us my looks you know that

1520

01:06:38,109 --> 01:06:34,849

would make us shallow just like mice my

1521

01:06:40,839 --> 01:06:38,119

picture anyway yeah Emily thanks for

1522

01:06:42,670 --> 01:06:40,849

joining us tonight now you guys emily is

1523

01:06:46,660 --> 01:06:42,680

in Cincinnati I know that right

1524

01:06:49,660 --> 01:06:46,670

the fun city of the world yeah yeah okay

1525

01:06:51,849 --> 01:06:49,670

and and and Steve is up there in the

1526

01:06:55,559 --> 01:06:51,859

bowl of flakes but you two went to the

1527

01:06:58,450 --> 01:06:55,569

same conference a couple weeks ago

1528

01:07:00,759 --> 01:06:58,460

creature yet man I've been through a few

1529

01:07:03,970 --> 01:07:00,769

though so tell us about it you know in

1530

01:07:05,470 --> 01:07:03,980

your own words food well the the

1531

01:07:07,720 --> 01:07:05,480

creature weekend is something that's

1532

01:07:10,630 --> 01:07:07,730

held every year Bruce Harrington is the

1533

01:07:13,569 --> 01:07:10,640

guy that runs it it's held at Salt Fork

1534

01:07:15,789 --> 01:07:13,579

State Park in Ohio which is near

1535

01:07:17,859 --> 01:07:15,799

Cambridge Emily isn't there there's a

1536

01:07:20,829 --> 01:07:17,869

like a chain of these state parks in

1537

01:07:22,299 --> 01:07:20,839

Ohio isn't there there are I think

1538

01:07:24,099 --> 01:07:22,309

there's one in Mommy and there may be a

1539

01:07:25,990 --> 01:07:24,109

couple other ones these are it's a

1540

01:07:28,150 --> 01:07:26,000

really great play just place is a great

1541

01:07:31,029 --> 01:07:28,160

Lodge great place to have a conference

1542

01:07:33,309 --> 01:07:31,039

well might go ahead Noah's gonna say I

1543

01:07:35,259 --> 01:07:33,319

can imagine I just ate tanks here too

1544

01:07:36,849 --> 01:07:35,269

but you know there's no lodges from rent

1545

01:07:40,779 --> 01:07:36,859

in them they're just kind of open spaces

1546

01:07:42,579 --> 01:07:40,789

but sounds cool you can rent rooms

1547

01:07:45,160 --> 01:07:42,589

they're there so they have cabins and so

1548

01:07:47,829 --> 01:07:45,170

forth and all kinds of acreage and it is

1549

01:07:50,859 --> 01:07:47,839

a has quite a reputation for Bigfoot

1550

01:07:52,450 --> 01:07:50,869

reports Oh actually the lady at the you

1551

01:07:54,940 --> 01:07:52,460

know they have like a little gift shop

1552

01:07:58,110 --> 01:07:54,950

there she saw a Bigfoot last February

1553

01:08:00,640 --> 01:07:58,120

and I talked to a researcher that

1554

01:08:02,260 --> 01:08:00,650

had an encounter with what they think

1555

01:08:04,480 --> 01:08:02,270

were some young Bigfoot's a few years

1556

01:08:06,760 --> 01:08:04,490

ago in that area so there's all kinds of

1557

01:08:09,370 --> 01:08:06,770

activity but Bruce Harrington always

1558

01:08:11,230 --> 01:08:09,380

sets up a really interesting list of

1559

01:08:14,830 --> 01:08:11,240

speakers like last year we talked about

1560

01:08:16,630 --> 01:08:14,840

it he had Ron Morehead you know the guy

1561

01:08:18,309 --> 01:08:16,640

that got to see her sounds and so forth

1562

01:08:21,370 --> 01:08:18,319

right he had a couple of Bigfoot

1563

01:08:24,579 --> 01:08:21,380

researchers this year you know who Adam

1564

01:08:28,720 --> 01:08:24,589

Davies is one one who's be friends with

1565

01:08:31,000 --> 01:08:28,730

him yes I know Ray Davies great Davies

1566

01:08:35,500 --> 01:08:31,010

that's his brother yeah the other

1567

01:08:38,260 --> 01:08:35,510

brother you see a bridge or is he uh I

1568

01:08:40,539 --> 01:08:38,270

believe so yeah Britain okay it was

1569

01:08:43,030 --> 01:08:40,549

bread or Aussie or whatever but uh he

1570

01:08:45,130 --> 01:08:43,040

said you know traveled the Congo in

1571

01:08:47,620 --> 01:08:45,140

Sumatra and looked for the Yeti and

1572

01:08:51,099 --> 01:08:47,630

teamed up with Josh gates and so forth

1573

01:08:52,570 --> 01:08:51,109

he gave a couple of talks and but Emily

1574

01:08:56,980 --> 01:08:52,580

and I and maybe Emily wants to take over

1575

01:09:01,090 --> 01:08:56,990

here the our friend Jeff Wamsley who

1576

01:09:03,220 --> 01:09:01,100

co-founded the Mothman festival and the

1577

01:09:04,720 --> 01:09:03,230

curator of the Mothman museum spoke

1578

01:09:07,240 --> 01:09:04,730

there this is kinda it was kind of fun

1579

01:09:09,099 --> 01:09:07,250

because we've spoken to Jeff for years

1580

01:09:11,800 --> 01:09:09,109

when we've never actually seen him give

1581

01:09:14,110 --> 01:09:11,810

a presentation oh cool yeah nice let me

1582

01:09:15,910 --> 01:09:14,120

ask you this before Emily tells us about

1583

01:09:17,710 --> 01:09:15,920

that this guy you were talking about who

1584

01:09:19,539 --> 01:09:17,720

goes around the world and you know

1585

01:09:21,550 --> 01:09:19,549

looking for the Yeti and been in

1586

01:09:24,450 --> 01:09:21,560

Zimbabwe we're looking for that dinosaur

1587

01:09:28,059 --> 01:09:24,460

I'm assuming and what's his name again

1588

01:09:29,770 --> 01:09:28,069

Adam Davies okay maybe he is one of the

1589

01:09:31,360 --> 01:09:29,780

kings because would he get the money to

1590

01:09:33,190 --> 01:09:31,370

do that is what I'd like to know right I

1591

01:09:36,160 --> 01:09:33,200

mean that's that's not just go fund me

1592

01:09:38,070 --> 01:09:36,170

or something maybe he was he was he

1593

01:09:40,960 --> 01:09:38,080

latched on to what he was on with

1594

01:09:42,250 --> 01:09:40,970

Discovery Channel and the History

1595

01:09:44,470 --> 01:09:42,260

Channel's Monster quest

1596

01:09:46,870 --> 01:09:44,480

okay all right Animal Planet's Finding

1597

01:09:49,150 --> 01:09:46,880

Bigfoot so if you you know get if you

1598

01:09:51,190 --> 01:09:49,160

have the right connection yeah sure yeah

1599

01:09:53,079 --> 01:09:51,200

we get someone else to pay for it that's

1600

01:09:55,090 --> 01:09:53,089

the best connection of all so that's

1601

01:09:56,320 --> 01:09:55,100

what he's probably doing you know Emily

1602

01:09:57,970 --> 01:09:56,330

I don't know who said it I don't know if

1603

01:10:00,490 --> 01:09:57,980

you were there there's somebody one of

1604

01:10:02,140 --> 01:10:00,500

the one of our group or somebody we were

1605

01:10:04,480 --> 01:10:02,150

talking to said you know the only

1606

01:10:07,170 --> 01:10:04,490

difference between us and these guys is

1607

01:10:09,340 --> 01:10:07,180

funding yeah right exactly

1608

01:10:11,410 --> 01:10:09,350

listen I yeah

1609

01:10:13,480 --> 01:10:11,420

experience on you know earlier today

1610

01:10:14,470 --> 01:10:13,490

being on a talk show and not knowing I

1611

01:10:16,180 --> 01:10:14,480

shouldn't say that

1612

01:10:17,980 --> 01:10:16,190

not realizing what kind of a talk show

1613

01:10:21,340 --> 01:10:17,990

was and the only difference between them

1614

01:10:24,790 --> 01:10:21,350

and us it's a big difference but they

1615

01:10:27,070 --> 01:10:24,800

have money you know a big radio group

1616

01:10:28,540 --> 01:10:27,080

right yeah right and you know speaking

1617

01:10:29,800 --> 01:10:28,550

about that and this is just like totally

1618

01:10:32,170 --> 01:10:29,810

off the cuff but you know they're doing

1619

01:10:34,030 --> 01:10:32,180

these shows all the time you know big

1620

01:10:35,650 --> 01:10:34,040

look of a Bigfoot Ghost Hunters and all

1621

01:10:37,660 --> 01:10:35,660

that kind of stuff and I don't want to

1622

01:10:39,820 --> 01:10:37,670

sound like a sexist pig especially these

1623

01:10:43,660 --> 01:10:39,830

days but Emily you should go and

1624

01:10:45,970 --> 01:10:43,670

audition for one of those I'm not saying

1625

01:10:48,090 --> 01:10:45,980

it to you know to shine your Apple or

1626

01:10:50,260 --> 01:10:48,100

anything I mean it you know because

1627

01:10:51,880 --> 01:10:50,270

those you know a couple production

1628

01:10:53,290 --> 01:10:51,890

companies would call me to do that over

1629

01:10:54,760 --> 01:10:53,300

the years you know and sometimes you

1630

01:11:00,430 --> 01:10:54,770

just don't want this here's what I'm

1631

01:11:19,210 --> 01:11:00,440

calling right now this is sexual

1632

01:11:23,170 --> 01:11:19,220

innuendo police anyway we better get to

1633

01:11:24,700 --> 01:11:23,180

this creature weekend so so you went to

1634

01:11:26,410 --> 01:11:24,710

this park and what's happening there is

1635

01:11:28,420 --> 01:11:26,420

it'll is it a large group of people and

1636

01:11:34,180 --> 01:11:28,430

now people walking around in in you know

1637

01:11:50,190 --> 01:11:34,190

costumes of various creatures so they

1638

01:11:56,290 --> 01:11:54,490

so what is it kind of like a speeches

1639

01:11:57,910 --> 01:11:56,300

about you know we've seen Bigfoot here

1640

01:12:02,860 --> 01:11:57,920

and you know different kind of

1641

01:12:04,960 --> 01:12:02,870

paranormal situations well I let Emily

1642

01:12:06,760 --> 01:12:04,970

go here okay oh I was just gonna say

1643

01:12:10,660 --> 01:12:06,770

because I'm rather new to creature

1644

01:12:12,670 --> 01:12:10,670

weekend and to Bigfoot research in

1645

01:12:15,760 --> 01:12:12,680

general and my first creature weekend

1646

01:12:18,450 --> 01:12:15,770

was actually last year's and it was only

1647

01:12:21,760 --> 01:12:18,460

then that I actually got interested in

1648

01:12:22,640 --> 01:12:21,770

Bigfoot and so something that I've seen

1649

01:12:25,040 --> 01:12:22,650

at that

1650

01:12:27,290 --> 01:12:25,050

prints and last year's and this year's

1651  
01:12:29,930 --> 01:12:27,300  
and then some other different paranormal

1652  
01:12:34,250 --> 01:12:29,940  
conferences in between has been and I'm

1653  
01:12:36,350 --> 01:12:34,260  
sure Steve can speak to this is that big

1654  
01:12:38,689 --> 01:12:36,360  
debate between the people who believe

1655  
01:12:40,729 --> 01:12:38,699  
that Bigfoot is a flesh-and-blood

1656  
01:12:44,450 --> 01:12:40,739  
creature and the people that believe

1657  
01:12:47,030 --> 01:12:44,460  
that Bigfoot is interdimensional okay

1658  
01:12:48,410 --> 01:12:47,040  
and I had no idea about any of that

1659  
01:12:50,479 --> 01:12:48,420  
coming into it so it's always

1660  
01:12:52,250 --> 01:12:50,489  
interesting to hear these speakers and

1661  
01:12:55,280 --> 01:12:52,260  
what they think cuz they they're very

1662  
01:12:57,260 --> 01:12:55,290  
passionate right do these people so

1663  
01:13:00,229 --> 01:12:57,270

there's two groups people who think it's

1664

01:13:01,490 --> 01:13:00,239

as you say a flushing and blood creature

1665

01:13:03,770 --> 01:13:01,500

and then other people think it might be

1666

01:13:05,180 --> 01:13:03,780

from some other dimension or whatever do

1667

01:13:07,850 --> 01:13:05,190

these did they have a fight do they ever

1668

01:13:11,530 --> 01:13:07,860

get in fistfights or bra anything along

1669

01:13:13,970 --> 01:13:11,540

those lines they do they really honest I

1670

01:13:15,890 --> 01:13:13,980

don't like that like see a videotape of

1671

01:13:16,550 --> 01:13:15,900

that fight to the truth yeah certain

1672

01:13:18,560 --> 01:13:16,560

things just later

1673

01:13:21,860 --> 01:13:18,570

Yeah right I don't think it's the 300

1674

01:13:24,860 --> 01:13:21,870

spot and you know and I mean but anyway

1675

01:13:27,110 --> 01:13:24,870

so so that's something that you can do

1676

01:13:28,669 --> 01:13:27,120

you know I'll guess that I've assumed

1677

01:13:53,810 --> 01:13:28,679

that that's the case because you really

1678

01:13:56,450 --> 01:13:53,820

hear it was signed puddles so anyway so

1679

01:13:58,040 --> 01:13:56,460

so basically you went to this nice state

1680

01:14:00,020 --> 01:13:58,050

punk and you heard like people give

1681

01:14:01,729 --> 01:14:00,030

speeches on different things that have

1682

01:14:05,000 --> 01:14:01,739

happened there are just around the world

1683

01:14:07,430 --> 01:14:05,010

or different creature type well like

1684

01:14:10,340 --> 01:14:07,440

champ lake champlain okay now there was

1685

01:14:12,890 --> 01:14:10,350

was a great smoke on that at Todd Ness

1686

01:14:17,180 --> 01:14:12,900

who has investigated it for years right

1687

01:14:19,580 --> 01:14:17,190

I he had a photograph of a supposedly a

1688

01:14:21,380 --> 01:14:19,590

champ I always thought it was it's a one

1689

01:14:23,180 --> 01:14:21,390

it's a classic one that if people see it

1690

01:14:25,100 --> 01:14:23,190

they'll recognize him I always thought

1691

01:14:26,689 --> 01:14:25,110

it was associated with Nessie right but

1692

01:14:29,300 --> 01:14:26,699

this was actually supposed to be champ

1693

01:14:31,729 --> 01:14:29,310

and he compared it to several other real

1694

01:14:33,439 --> 01:14:31,739

creatures and extinct creatures so there

1695

01:14:36,140 --> 01:14:33,449

was quite a similarity it almost made me

1696

01:14:38,180 --> 01:14:36,150

think that that this might actually be a

1697

01:14:39,830 --> 01:14:38,190

real creature right but he was he was

1698

01:14:41,959 --> 01:14:39,840

very you know very flesh-and-blood

1699

01:14:44,240 --> 01:14:41,969

oriented with this thing of course Lake

1700

01:14:46,490 --> 01:14:44,250

Champlain is a huge lake right and how

1701

01:14:48,649 --> 01:14:46,500

is something like that very deep it's a

1702

01:14:50,390 --> 01:14:48,659

very deep lake - but we're talking about

1703

01:14:52,459 --> 01:14:50,400

something then it's not quite the Loch

1704

01:14:53,899 --> 01:14:52,469

Ness monster but along the same lines of

1705

01:14:56,810 --> 01:14:53,909

the white Ness monster actually might be

1706

01:14:59,660 --> 01:14:56,820

in Lake Champlain up and up in upstate

1707

01:15:01,520 --> 01:14:59,670

New York so yeah that's a cool bit you

1708

01:15:03,169 --> 01:15:01,530

know that's I know what you mean because

1709

01:15:05,240 --> 01:15:03,179

I used to kind of live up in that area

1710

01:15:07,280 --> 01:15:05,250

and so you would hear about it and it's

1711

01:15:09,020 --> 01:15:07,290

a kind of a tourist place to be you know

1712

01:15:13,550 --> 01:15:09,030

where they see these sightings I visited

1713

01:15:14,899 --> 01:15:13,560

there - yeah right yes yeah it if you

1714

01:15:16,370 --> 01:15:14,909

read about it like just how the people

1715

01:15:17,930 --> 01:15:16,380

saw in the same moment

1716

01:15:19,459 --> 01:15:17,940

you know why would they make this up you

1717

01:15:22,610 --> 01:15:19,469

know what I mean why and why to have a

1718

01:15:24,770 --> 01:15:22,620

consistent story so on anyway yeah

1719

01:15:26,240 --> 01:15:24,780

that'd be cool that's a cool topic the

1720

01:15:28,870 --> 01:15:26,250

Harris Bijan anything else anything

1721

01:15:31,729 --> 01:15:28,880

really kind of you know blow your minds

1722

01:15:34,700 --> 01:15:31,739

well they you know the small town

1723

01:15:36,560 --> 01:15:34,710

monsters people that Seth Breedlove that

1724

01:15:38,270 --> 01:15:36,570

produced the Mothman of Point Pleasant

1725

01:15:40,959 --> 01:15:38,280

yes and some of the other great

1726

01:15:43,669 --> 01:15:40,969

documentaries well they premiered the

1727

01:15:46,220 --> 01:15:43,679

invasion of Chestnut Ridge that night

1728

01:15:49,070 --> 01:15:46,230

and Chestnut Ridge is the area that Stan

1729

01:15:50,959 --> 01:15:49,080

Gordon has investigated and written

1730

01:15:53,000 --> 01:15:50,969

about for years in southwestern

1731

01:15:55,160 --> 01:15:53,010

Pennsylvania and it was really well done

1732

01:15:58,459 --> 01:15:55,170

very well done documentary and all that

1733

01:16:00,979 --> 01:15:58,469

weirdness the UFOs the Bigfoots the the

1734

01:16:02,510 --> 01:16:00,989

the light phenomena and so forth so what

1735

01:16:05,479 --> 01:16:02,520

is that what's that story about but to

1736

01:16:07,130 --> 01:16:05,489

say that Stan is working on well it's

1737

01:16:09,590 --> 01:16:07,140

one that he he was investigating I was

1738

01:16:12,470 --> 01:16:09,600

reading his articles back in the mid-70s

1739

01:16:17,149 --> 01:16:12,480

and UFO report in Sagan magazine and so

1740

01:16:22,459 --> 01:16:17,159

forth and this was a rash of UFO reports

1741

01:16:24,680 --> 01:16:22,469

about 1973-74 and many of them were in

1742

01:16:28,520 --> 01:16:24,690

conjunction with these bizarre looking

1743

01:16:29,930 --> 01:16:28,530

Bigfoot creatures green glowing eyes if

1744

01:16:32,240 --> 01:16:29,940

you shot them sometimes they would

1745

01:16:33,979 --> 01:16:32,250

disappear in a hail of sparks sometimes

1746

01:16:36,770 --> 01:16:33,989

they were seen in conjunction with what

1747

01:16:40,700 --> 01:16:36,780

looked like UFOs a really really bizarre

1748

01:16:44,030 --> 01:16:40,710

situation and so it is still a phenomena

1749

01:16:46,070 --> 01:16:44,040

going on there so that that was they did

1750

01:16:47,840 --> 01:16:46,080

a this is probably my favorite of course

1751

01:16:49,169 --> 01:16:47,850

is their Mothman documentary they've

1752

01:16:52,290 --> 01:16:49,179

done several others

1753

01:16:54,959 --> 01:16:52,300

but this one comes very close right any

1754

01:16:57,590 --> 01:16:54,969

celebs there Emily you know people from

1755

01:17:05,640 --> 01:16:57,600

lost in space or anything like that I

1756

01:17:10,560 --> 01:17:05,650

mean Steve was there yes we remember

1757

01:17:12,990 --> 01:17:10,570

that guy well Emily we had past years we

1758

01:17:14,760 --> 01:17:13,000

had various groupings of the mountain

1759

01:17:18,419 --> 01:17:14,770

monsters I don't know if you were there

1760

01:17:23,040 --> 01:17:18,429

there okay yeah I know you know the the

1761

01:17:24,630 --> 01:17:23,050

fake guys that go around tracking fake

1762

01:17:26,250 --> 01:17:24,640

baby would take their place on their

1763

01:17:28,260 --> 01:17:26,260

show you could

1764

01:17:30,689 --> 01:17:28,270

how about Elvira queen of the night yeah

1765

01:17:33,479 --> 01:17:30,699

we were talking about her singer she

1766

01:17:36,209 --> 01:17:33,489

ever show weapon one of these things no

1767

01:17:40,380 --> 01:17:36,219

she would probably stand out though Yeah

1768

01:17:42,360 --> 01:17:40,390

right yeah okay so um you know I have to

1769

01:17:44,729 --> 01:17:42,370

come back to the same question I ask

1770

01:17:48,780 --> 01:17:44,739

every time you guys you know nobody's

1771

01:17:51,899 --> 01:17:48,790

gonna just get ready strapped you have

1772

01:17:53,459 --> 01:17:51,909

to strap it anyway what's it like what's

1773

01:17:54,540 --> 01:17:53,469

the social scene like in one of these

1774

01:17:58,410 --> 01:17:54,550

place so how many people were there

1775

01:18:01,649 --> 01:17:58,420

what's not at the ground floor I don't

1776

01:18:02,820 --> 01:18:01,659

know they really filled the the lecture

1777

01:18:04,080 --> 01:18:02,830

hall or wherever you want to call it

1778

01:18:05,370 --> 01:18:04,090

okay and of course there are other

1779

01:18:07,350 --> 01:18:05,380

people attending I mean we're not the

1780

01:18:09,209 --> 01:18:07,360

only people at the lodge right sure I

1781

01:18:15,600 --> 01:18:09,219

don't know if I could give a I give it

1782

01:18:16,950 --> 01:18:15,610

like 200 people 100 hundred closer maybe

1783

01:18:19,709 --> 01:18:16,960

between a hundred two hundred is that's

1784

01:18:21,919 --> 01:18:19,719

not right now Emily okay all right so

1785

01:18:24,000 --> 01:18:21,929

you know is there a social scene

1786

01:18:26,490 --> 01:18:24,010

involved in a like after every lecture

1787

01:18:29,939 --> 01:18:26,500

do people like go to the coffee shop to

1788

01:18:33,450 --> 01:18:29,949

a bar or something in the in the

1789

01:18:34,860 --> 01:18:33,460

infrastructure itself yes yeah okay I

1790

01:18:37,200 --> 01:18:34,870

mean there's there's like an there's a

1791

01:18:39,810 --> 01:18:37,210

bar there there's a restaurant there's

1792

01:18:43,880 --> 01:18:39,820

an outdoor seating area when after the

1793

01:18:47,479 --> 01:18:43,890

the talks on Saturday they had a bonfire

1794

01:18:49,590 --> 01:18:47,489

kind of towards the back of the property

1795

01:18:52,320 --> 01:18:49,600

and a bunch of people went down there

1796

01:18:54,630 --> 01:18:52,330

and just hung out talked very very

1797

01:18:57,620 --> 01:18:54,640

romantic sound one which is the bonfire

1798

01:19:00,200 --> 01:18:57,630

fireman or something but of course it's

1799

01:19:02,990 --> 01:19:00,210

what is that flame boy the flame yeah so

1800

01:19:05,150 --> 01:19:03,000

so did you see anyone did you see anyone

1801

01:19:07,580 --> 01:19:05,160

you know poking up did you I mean that's

1802

01:19:09,350 --> 01:19:07,590

what I'd be looking for 360 if you know

1803

01:19:10,700 --> 01:19:09,360

what I mean you know just I want to see

1804

01:19:14,180 --> 01:19:10,710

if people hook up with these things do

1805

01:19:21,620 --> 01:19:14,190

you see any of any of that go on I did

1806

01:19:24,020 --> 01:19:21,630

not see anything please now we can't see

1807

01:19:25,280 --> 01:19:24,030

one of the things we do is I skipped a

1808

01:19:26,810 --> 01:19:25,290

couple of the speakers just so I could

1809

01:19:28,820 --> 01:19:26,820

go around and talk to people and I

1810

01:19:31,460 --> 01:19:28,830

talked to Seth Breedlove and so forth

1811

01:19:32,930 --> 01:19:31,470

and a lot of interesting people and we

1812

01:19:35,570 --> 01:19:32,940

heard some interesting you know close

1813

01:19:37,040 --> 01:19:35,580

encounters with Bigfoot but also Late

1814

01:19:39,980 --> 01:19:37,050

Late midnight a bunch of us you know

1815

01:19:42,740 --> 01:19:39,990

we're we're also friends so we we talk

1816

01:19:44,330 --> 01:19:42,750

about other stuff yes or not yes and we

1817

01:19:47,840 --> 01:19:44,340

hear a lot there's a little hotter as

1818

01:19:49,640 --> 01:19:47,850

you know Mac and and everybody that

1819

01:19:51,290 --> 01:19:49,650

there's a lot of stuff in the in the

1820

01:19:53,420 --> 01:19:51,300

paranormal and anything there's a lot of

1821

01:19:55,880 --> 01:19:53,430

gossip and yes and that they call

1822

01:19:58,130 --> 01:19:55,890

Pantera drama the paragraph years ago

1823

01:19:59,390 --> 01:19:58,140

there was some hooking up where there

1824

01:20:01,550 --> 01:19:59,400

shouldn't have been hooking up because

1825

01:20:04,370 --> 01:20:01,560

they told me the hooker upper was

1826  
01:20:05,930 --> 01:20:04,380  
married and his wife was there oh yeah

1827  
01:20:08,060 --> 01:20:05,940  
never mind out of battery for this thing

1828  
01:20:09,470 --> 01:20:08,070  
so there's there's I'm fortunately

1829  
01:20:11,420 --> 01:20:09,480  
there's that kind of you know sleazy

1830  
01:20:13,310 --> 01:20:11,430  
stuff yeah there's there's plenty of you

1831  
01:20:16,160 --> 01:20:13,320  
know if you're not entertained by UFOs

1832  
01:20:18,710 --> 01:20:16,170  
Bigfoot encrypted in general there's

1833  
01:20:21,500 --> 01:20:18,720  
plenty of gossip well as Emily can

1834  
01:20:23,510 --> 01:20:21,510  
attest to okay other people you know not

1835  
01:20:26,030 --> 01:20:23,520  
us first of all they think you know one

1836  
01:20:28,370 --> 01:20:26,040  
one sleazy you know tomato tomahto right

1837  
01:20:30,920 --> 01:20:28,380  
you know one me and sleazy is another

1838  
01:20:32,690 --> 01:20:30,930

man's entertainment that's what's sleazy

1839

01:20:35,480 --> 01:20:32,700

well just tell us that without naming

1840

01:20:37,010 --> 01:20:35,490

any names tell us about this this hooked

1841

01:20:43,700 --> 01:20:37,020

up that went on that everyone found out

1842

01:20:46,340 --> 01:20:43,710

about what happened come on Steve your

1843

01:20:48,680 --> 01:20:46,350

brother's here with his wife and this

1844

01:20:50,360 --> 01:20:48,690

this other lady that didn't have too

1845

01:20:51,920 --> 01:20:50,370

many morals you know hooked up with this

1846

01:20:53,750 --> 01:20:51,930

guy and we couldn't have many morals

1847

01:20:55,850 --> 01:20:53,760

either and they this is some years back

1848

01:20:57,230 --> 01:20:55,860

right and they weren't they weren't

1849

01:20:59,660 --> 01:20:57,240

there at this one mm-hmm

1850

01:21:01,460 --> 01:20:59,670

so so so you know they wrapped this

1851

01:21:02,810 --> 01:21:01,470

thing and and you know the guy was there

1852

01:21:04,520 --> 01:21:02,820

with his wife but just while the wife

1853

01:21:05,740 --> 01:21:04,530

was down at the pool or something he and

1854

01:21:07,450 --> 01:21:05,750

the other woman were

1855

01:21:09,250 --> 01:21:07,460

she was she was actually not doing well

1856

01:21:10,450 --> 01:21:09,260

I guess she was kind of ill and I don't

1857

01:21:12,790 --> 01:21:10,460

want I don't want to go there but anyway

1858

01:21:14,200 --> 01:21:12,800

this this guy is kind of known in the

1859

01:21:18,040 --> 01:21:14,210

field and people that know him know that

1860

01:21:20,590 --> 01:21:18,050

he's a sleazy no-good SOB his name isn't

1861

01:21:24,370 --> 01:21:20,600

that come here the Cobra does it no

1862

01:21:32,350 --> 01:21:28,480

so anyway okay so so but do you think I

1863

01:21:35,740 --> 01:21:32,360

mean I know people who the Ramseys who

1864

01:21:37,390 --> 01:21:35,750

wrote the book the Aztec UFO crash they

1865

01:21:40,720 --> 01:21:37,400

met and get married because they were

1866

01:21:41,860 --> 01:21:40,730

researching the same crash okay they've

1867

01:21:44,530 --> 01:21:41,870

written books about it they've done

1868

01:21:47,110 --> 01:21:44,540

radio shows upon it but you know what

1869

01:21:50,260 --> 01:21:47,120

happens romance yeah I'm just curious

1870

01:21:52,150 --> 01:21:50,270

and I always think that you from the

1871

01:21:54,120 --> 01:21:52,160

get-go you have something in common to

1872

01:21:57,940 --> 01:21:54,130

talk about that's you know I think

1873

01:22:02,230 --> 01:21:57,950

monsters it can be bowling yeah exactly

1874

01:22:03,760 --> 01:22:02,240

right but start your Black Friday early

1875

01:22:05,650 --> 01:22:03,770

make the smart choice and switch to

1876  
01:22:08,560 --> 01:22:05,660  
sprint and get a new Samsung Galaxy s8

1877  
01:22:10,120 --> 01:22:08,570  
active 50% off that's right 50% off a

1878  
01:22:12,100 --> 01:22:10,130  
lease for the GS 8 act if one of

1879  
01:22:13,660 --> 01:22:12,110  
Samsung's hottest devices plus with

1880  
01:22:15,280 --> 01:22:13,670  
galaxy forever you can upgrade to the

1881  
01:22:16,840 --> 01:22:15,290  
latest galaxy anytime after 12 lease

1882  
01:22:18,460 --> 01:22:16,850  
payments visit your local Sprint store

1883  
01:22:20,740 --> 01:22:18,470  
Sprint comm slash holiday deals or call

1884  
01:22:22,900 --> 01:22:20,750  
1-800 sprint once a day requires 18

1885  
01:22:24,160 --> 01:22:22,910  
month lease a new line 1771 four months

1886  
01:22:26,020 --> 01:22:24,170  
savings for your credit applied within

1887  
01:22:27,400 --> 01:22:26,030  
two bills early termination results and

1888  
01:22:29,350 --> 01:22:27,410

remaining balance to subject to credit

1889

01:22:33,940 --> 01:22:29,360  
and \$30 activation fee restrictions

1890

01:22:36,610 --> 01:22:33,950  
apply was right now but I just meant

1891

01:22:38,230 --> 01:22:36,620  
another couple that they got together

1892

01:22:39,820 --> 01:22:38,240  
and then they found out that they were

1893

01:22:41,110 --> 01:22:39,830  
interested in this stuff this weird

1894

01:22:46,680 --> 01:22:41,120  
stuff so I guess they had kind of kept

1895

01:22:50,410 --> 01:22:48,310  
like-minded people you know this is

1896

01:22:52,030 --> 01:22:50,420  
weird stuff right it's great to be able

1897

01:22:53,470 --> 01:22:52,040  
to meet somebody you can talk about I

1898

01:22:55,450 --> 01:22:53,480  
mean I can talk about the stuff with my

1899

01:22:57,010 --> 01:22:55,460  
wife who was also attended the creature

1900

01:23:00,070 --> 01:22:57,020  
weekend it had a really good time okay

1901

01:23:03,640 --> 01:23:00,080

yes all right yeah I don't know if I can

1902

01:23:05,620 --> 01:23:03,650

talk to Lois very long about UFOs

1903

01:23:08,200 --> 01:23:05,630

frankly how about your lovely wife they

1904

01:23:10,240 --> 01:23:08,210

want one does she yeah she's not getting

1905

01:23:13,090 --> 01:23:10,250

into it even though she used to be used

1906

01:23:16,570 --> 01:23:13,100

to do medium stuff oh really yeah well

1907

01:23:17,920 --> 01:23:16,580

that's right about that you're drawing

1908

01:23:21,770 --> 01:23:17,930

him

1909

01:23:23,240 --> 01:23:21,780

some guys let me just see if I get the

1910

01:23:25,930 --> 01:23:23,250

story right it's not will have just

1911

01:23:28,490 --> 01:23:25,940

edited it out okay early in your

1912

01:23:30,280 --> 01:23:28,500

relationship dating relationship with

1913

01:23:32,780 --> 01:23:30,290

your lovely wife game she sees another

1914

01:23:34,550 --> 01:23:32,790

piano man my customers don't even

1915

01:23:39,220 --> 01:23:34,560

believe that I'm married right they

1916

01:23:42,500 --> 01:23:39,230

don't another show another show okay so

1917

01:23:43,910 --> 01:23:42,510

early really any relation you got with

1918

01:23:49,880 --> 01:23:43,920

that wedding me in there pal so people

1919

01:23:52,340 --> 01:23:49,890

are okay you would go on like it first

1920

01:23:54,320 --> 01:23:52,350

the second dates with with you to be

1921

01:23:56,120 --> 01:23:54,330

wife we're like medium sessions right

1922

01:23:56,840 --> 01:23:56,130

that's right enter and her mother and

1923

01:23:59,450 --> 01:23:56,850

her mother

1924

01:24:00,830 --> 01:23:59,460

okay so gypsy would kind of medium to

1925

01:24:04,250 --> 01:24:00,840

she did automatic writing

1926

01:24:07,010 --> 01:24:04,260

wow wow I never knew what any of this

1927

01:24:08,900 --> 01:24:07,020

stuff was you didn't want to go to

1928

01:24:10,700 --> 01:24:08,910

dinner in a movie you wanted to go and

1929

01:24:13,310 --> 01:24:10,710

they dabble in the stupid Ouija board

1930

01:24:14,810 --> 01:24:13,320

for a while too but that's that's a

1931

01:24:16,670 --> 01:24:14,820

great witness not everything is built

1932

01:24:26,030 --> 01:24:16,680

this thing is Milton Bradley this isn't

1933

01:24:27,980 --> 01:24:26,040

for real yeah it explains a lot

1934

01:24:30,410 --> 01:24:27,990

something going on there cuz I haven't

1935

01:24:32,300 --> 01:24:30,420

offend them off do you really yeah I do

1936

01:24:34,130 --> 01:24:32,310

we make a lot of house calls to Madhu

1937

01:24:37,850 --> 01:24:34,140

and the house call tech you know okay

1938

01:24:40,640 --> 01:24:37,860

tell me about it the temptation is well

1939

01:24:48,260 --> 01:24:40,650

you uh but Barbara with said I should

1940

01:24:49,550 --> 01:24:48,270

write a book I don't even know if we

1941

01:24:51,650 --> 01:24:49,560

know what you do for a living we know

1942

01:24:54,140 --> 01:24:51,660

that emily has a high-powered job that

1943

01:24:56,000 --> 01:24:54,150

brings it to the west coast a lot Emily

1944

01:24:59,120 --> 01:24:56,010

has a real job right okay what do you do

1945

01:25:01,240 --> 01:24:59,130

I work for an electrical wholesale

1946

01:25:02,870 --> 01:25:01,250

company okay we sell to electricians

1947

01:25:06,650 --> 01:25:02,880

actual commercial

1948

01:25:09,500 --> 01:25:06,660

but do you ever do house calls well I

1949

01:25:11,600 --> 01:25:09,510

make deliveries so ice okay all right

1950

01:25:16,100 --> 01:25:11,610

never run into the problem that like

1951

01:25:18,410 --> 01:25:16,110

mail men sometimes have only if you know

1952

01:25:21,010 --> 01:25:18,420

what creative visualization is I'm there

1953

01:25:24,740 --> 01:25:21,020

but not in reality and so much

1954

01:25:26,780 --> 01:25:24,750

creative visualization now but mailmen

1955

01:25:28,660 --> 01:25:26,790

run into dogs and things like that so

1956

01:25:29,900 --> 01:25:28,670

they deserve I go into people's homes

1957

01:25:31,910 --> 01:25:29,910

okay

1958

01:25:33,890 --> 01:25:31,920

and they said my Wi-Fi is not working

1959

01:25:36,710 --> 01:25:33,900

and they go and they go well where's

1960

01:25:37,190 --> 01:25:36,720

your router well okay install is my

1961

01:25:44,330 --> 01:25:37,200

bedroom

1962

01:25:46,730 --> 01:25:44,340

yeah all right starts there okay there's

1963

01:25:52,040 --> 01:25:46,740

a two hour special it's a book this is a

1964

01:25:53,740 --> 01:25:52,050

book at least anyway so Emily what is it

1965

01:26:01,160 --> 01:25:53,750

like to spend the weekend with Steve

1966

01:26:06,770 --> 01:26:01,170

platonically is it really wealth of

1967

01:26:09,380 --> 01:26:06,780

never-ending knowledge a nice guy and I

1968

01:26:11,990 --> 01:26:09,390

will say about Steve's wife the redhead

1969

01:26:13,790 --> 01:26:12,000

she is fantastic and she has an

1970

01:26:15,170 --> 01:26:13,800

appreciation for the paranormal too so I

1971

01:26:17,150 --> 01:26:15,180

always love when she's able to come

1972

01:26:18,770 --> 01:26:17,160

along - you did mention once that she

1973

01:26:20,420 --> 01:26:18,780

was a redhead and then you said you were

1974

01:26:23,600 --> 01:26:20,430

gonna send pictures and I never saw them

1975

01:26:25,550 --> 01:26:23,610

if you did brats did I see that

1976

01:26:27,320 --> 01:26:25,560

yes you did we can go back through there

1977

01:26:30,350 --> 01:26:27,330

I don't know I think we said we're going

1978

01:26:31,040 --> 01:26:30,360

to take pictures in our the Mac Maloney

1979

01:26:33,470 --> 01:26:31,050

t-shirts

1980

01:26:35,210 --> 01:26:33,480

oh don't do that we have to turn our

1981

01:26:38,270 --> 01:26:35,220

backs to the camera so you can read the

1982

01:26:41,150 --> 01:26:38,280

you know what you look like anyway we

1983

01:26:42,830 --> 01:26:41,160

know what it says by the way Kelly maybe

1984

01:26:44,900 --> 01:26:42,840

I don't know if we should tell them this

1985

01:26:47,480 --> 01:26:44,910

no no make it a surprise Emily we have a

1986

01:26:50,650 --> 01:26:47,490

surprise for Mac the next time know that

1987

01:27:01,400 --> 01:26:50,660

we are together at an event

1988

01:27:03,620 --> 01:27:01,410

photographically my wife bequeathed her

1989

01:27:05,390 --> 01:27:03,630

macaroni t-shirt to Emily because she

1990

01:27:06,950 --> 01:27:05,400

thought she being a part of the show

1991

01:27:09,230 --> 01:27:06,960

could make better use of it so we're

1992

01:27:12,020 --> 01:27:09,240

going to as soon as we can we're gonna

1993

01:27:12,470 --> 01:27:12,030

put pictures of us with our backs to the

1994

01:27:14,960 --> 01:27:12,480

camera

1995

01:27:18,170 --> 01:27:14,970

and you know presenting Mac Maloney's

1996

01:27:19,550 --> 01:27:18,180

military x-file t-shirts oh okay I

1997

01:27:22,910 --> 01:27:19,560

thought it's gonna be a little bit

1998

01:27:25,070 --> 01:27:22,920

edgier I know I know I'm sorry I needed

1999

01:27:26,660 --> 01:27:25,080

to explain that right away so people

2000

01:27:29,000 --> 01:27:26,670

weren't getting too edgy we're gonna

2001  
01:27:31,400 --> 01:27:29,010  
have another press render those t-shirts

2002  
01:27:31,870 --> 01:27:31,410  
so that the Mac maloney stuff is on the

2003  
01:27:34,060 --> 01:27:31,880  
front

2004  
01:27:36,760 --> 01:27:34,070  
instead of the is that what the yes or

2005  
01:27:39,160 --> 01:27:36,770  
the complaint is from fashionistas all

2006  
01:27:42,580 --> 01:27:39,170  
the good stuffs on the back front is the

2007  
01:27:47,290 --> 01:27:42,590  
four logos okay alright well you'll have

2008  
01:27:49,000 --> 01:27:47,300  
to for runes you'll love to take that up

2009  
01:27:50,709 --> 01:27:49,010  
with that stylist like everyone

2010  
01:27:53,470 --> 01:27:50,719  
it was also happen to be a commander

2011  
01:27:58,360 --> 01:27:53,480  
okay that's alright

2012  
01:28:01,660 --> 01:27:58,370  
so um okay so I have a some kind of a

2013  
01:28:03,490 --> 01:28:01,670

surprise in in straw for me once you

2014

01:28:06,760 --> 01:28:03,500

listen to the show and hear what kind of

2015

01:28:07,530 --> 01:28:06,770

surprise I got from Club I don't want

2016

01:28:10,410 --> 01:28:07,540

any more surprises

2017

01:28:13,300 --> 01:28:10,420

[Laughter]

2018

01:28:15,250 --> 01:28:13,310

hopefully the sections will be edited in

2019

01:28:17,530 --> 01:28:15,260

order this week so that was I hope so

2020

01:28:19,020 --> 01:28:17,540

right okay it was the Halloween show you

2021

01:28:21,220 --> 01:28:19,030

know we thought we mix it up a little it

2022

01:28:22,270 --> 01:28:21,230

was more interesting listening to it all

2023

01:28:24,459 --> 01:28:22,280

mixed up okay

2024

01:28:27,250 --> 01:28:24,469

if people out they didn't know how long

2025

01:28:29,050 --> 01:28:27,260

he show the segment's are special

2026

01:28:31,060 --> 01:28:29,060

Halloween special that that name was

2027

01:28:33,790 --> 01:28:31,070

derived from the department of

2028

01:28:40,120 --> 01:28:33,800

redundancy depart right exactly and then

2029

01:28:50,760 --> 01:28:40,130

England they'd all be laid off a

2030

01:28:50,770 --> 01:28:56,910

[Laughter]

2031

01:29:02,229 --> 01:28:59,620

yeah maybe in an earlier life you were

2032

01:29:04,689 --> 01:29:02,239

you know in a bromance with some soccer

2033

01:29:07,120 --> 01:29:04,699

player back in the 50s and I was in love

2034

01:29:10,360 --> 01:29:07,130

with George Harrison so yeah we can talk

2035

01:29:12,250 --> 01:29:10,370

about the show holy cow yeah okay well

2036

01:29:18,970 --> 01:29:12,260

one one once again healthy to open up

2037

01:29:22,390 --> 01:29:18,980

you know okay okay do you mind if we

2038

01:29:27,399 --> 01:29:22,400

don't go out drinking tonight I gotta

2039

01:29:34,060 --> 01:29:27,409

get home this is all he's been doing

2040

01:29:41,790 --> 01:29:34,070

since we've started melian Ron you have

2041

01:29:45,310 --> 01:29:41,800

to be okay MIT t later

2042

01:29:48,040 --> 01:29:45,320

thanks guys for that report any last

2043

01:29:50,860 --> 01:29:48,050

words for the week anything planned for

2044

01:29:52,600 --> 01:29:50,870

the future that you're going to see guys

2045

01:29:55,840 --> 01:29:52,610

come to the East Coast it offers yes why

2046

01:29:58,630 --> 01:29:55,850

don't you come and you know but that's

2047

01:30:01,060 --> 01:29:58,640

something a good idea actually Emily and

2048

01:30:03,880 --> 01:30:01,070

I are kind of planning on going with the

2049

01:30:08,200 --> 01:30:03,890

gang to the section can be kind of a

2050

01:30:10,930 --> 01:30:08,210

serious and somber event December 15th

2051

01:30:12,220 --> 01:30:10,940

is the 50th anniversary of the bridge

2052

01:30:14,830 --> 01:30:12,230

collapsed in Point Pleasant West

2053

01:30:17,500 --> 01:30:14,840

Virginia and they're going to have a

2054

01:30:19,840 --> 01:30:17,510

some kind of a ceremonial memorial there

2055

01:30:22,330 --> 01:30:19,850

so I don't know we know barring weather

2056

01:30:24,430 --> 01:30:22,340

and being close to holidays but positive

2057

01:30:25,660 --> 01:30:24,440

I can make it but that's kind of what

2058

01:30:27,490 --> 01:30:25,670

we're planning on doing I can imagine

2059

01:30:29,470 --> 01:30:27,500

that Umbra Commerce is really looking

2060

01:30:31,240 --> 01:30:29,480

forward to that right and special

2061

01:30:32,590 --> 01:30:31,250

celebration for when the bridge fell and

2062

01:30:34,960 --> 01:30:32,600

killed 40 hopefully there won't be

2063

01:30:36,640 --> 01:30:34,970

reenacting it right yes well you never

2064

01:30:39,660 --> 01:30:36,650

know you have to attract the crowd these

2065

01:30:42,580 --> 01:30:39,670

things and also I have a report on

2066

01:30:46,360 --> 01:30:42,590

Pittsburgh you find where David Politis

2067

01:30:48,460 --> 01:30:46,370

and some other people were attended

2068

01:30:50,290 --> 01:30:48,470

Travis Walton for example all right and

2069

01:30:52,540 --> 01:30:50,300

that was a great event so yeah we can

2070

01:30:55,150 --> 01:30:52,550

call him back he he talked to us on the

2071

01:30:57,910 --> 01:30:55,160

phone when was that three weeks ago hmm

2072

01:31:00,400 --> 01:30:57,920

I saw and in just admitted that his

2073

01:31:02,950 --> 01:31:00,410

celebrity helps him get chicks that at

2074

01:31:04,720 --> 01:31:02,960

UFO conferences right that's exactly

2075

01:31:07,330 --> 01:31:04,730

what do you folks is a real chick magnet

2076

01:31:10,660 --> 01:31:07,340

kind of if you're into it yeah you know

2077

01:31:12,130 --> 01:31:10,670

I think right maybe I'm well one you

2078

01:31:15,400 --> 01:31:12,140

know but I think of people like if

2079

01:31:17,920 --> 01:31:15,410

you're into wine yeah you know like

2080

01:31:19,530 --> 01:31:17,930

Maude not you know it's boring right you

2081

01:31:21,760 --> 01:31:19,540

know but if you meet the UFOs and you're

2082

01:31:25,420 --> 01:31:21,770

attract each other I think it'd be a

2083

01:31:27,580 --> 01:31:25,430

good combination I think so don't Emily

2084

01:31:34,570 --> 01:31:27,590

do you agree you're the voice of reason

2085

01:31:37,240 --> 01:31:34,580

here I do agree I don't think I would be

2086

01:31:45,220 --> 01:31:37,250

swayed by a I've been abducted by a UFO

2087

01:31:47,440 --> 01:31:45,230

pick up one but let me tell you about my

2088

01:31:48,320 --> 01:31:47,450

problem i can see how some of the

2089

01:31:51,170 --> 01:31:48,330

opening line

2090

01:31:53,510 --> 01:31:51,180

a little might be bumpy yes okay I

2091

01:31:55,220 --> 01:31:53,520

understand that but what we should do is

2092

01:31:56,780 --> 01:31:55,230

rent a dating service Juan Juan on the

2093

01:31:58,610 --> 01:31:56,790

side I know you keep talking about that

2094

01:32:00,530 --> 01:31:58,620

you know and and hook up people and make

2095

01:32:03,140 --> 01:32:00,540

sure the the might find out what their

2096

01:32:06,520 --> 01:32:03,150

UFO persuasions are right exactly you

2097

01:32:10,360 --> 01:32:06,530

know we'll call them probers right

2098

01:32:11,930 --> 01:32:10,370

children everyone else aficionados

2099

01:32:14,990 --> 01:32:11,940

writes itself

2100

01:32:17,300 --> 01:32:15,000

thank you guys for joining us actually

2101  
01:32:19,070 --> 01:32:17,310  
we're getting into the the period of the

2102  
01:32:20,330 --> 01:32:19,080  
year where it gets a little more

2103  
01:32:22,760 --> 01:32:20,340  
difficult to go to some of these things

2104  
01:32:25,580 --> 01:32:22,770  
but still you get a little bit of cabin

2105  
01:32:27,710 --> 01:32:25,590  
fever and hopefully Emily will get one

2106  
01:32:30,380 --> 01:32:27,720  
or two you know Point Pleasant trips in

2107  
01:32:32,630 --> 01:32:30,390  
with the the moss mani regulars before

2108  
01:32:38,480 --> 01:32:32,640  
run how about Santa's Village looking

2109  
01:32:42,590 --> 01:32:38,490  
for some interviews with elves well you

2110  
01:32:44,420 --> 01:32:42,600  
know elves are real really okay sure

2111  
01:32:45,920 --> 01:32:44,430  
about mrs. Claus but I hope Santa is

2112  
01:32:48,230 --> 01:32:45,930  
real I just want to tell everyone we're

2113  
01:32:51,260 --> 01:32:48,240

in this very small house in a very small

2114

01:32:53,540 --> 01:32:51,270

neighborhood nowhere and I'm with

2115

01:32:56,150 --> 01:32:53,550

someone who nice guy but admitting that

2116

01:32:57,980 --> 01:32:56,160

you like elves I do yeah okay you

2117

01:33:00,880 --> 01:32:57,990

believe that they exist well just as

2118

01:33:04,850 --> 01:33:00,890

long as you don't come up short right

2119

01:33:08,690 --> 01:33:04,860

holy cow there he goes doing material

2120

01:33:09,620 --> 01:33:08,700

boy number one always very vigorous do

2121

01:33:13,430 --> 01:33:09,630

you know where that came from though you

2122

01:33:14,960 --> 01:33:13,440

know the gnomes the gnomes on George

2123

01:33:20,270 --> 01:33:14,970

Harrison's all things that are passed

2124

01:33:20,900 --> 01:33:20,280

yes right that's what made you fall in

2125

01:33:25,430 --> 01:33:20,910

love what else

2126

01:33:27,080 --> 01:33:25,440

gnomes I have this forested area in my

2127

01:33:28,490 --> 01:33:27,090

property Nate they sometimes they look

2128

01:33:31,120 --> 01:33:28,500

and see if there are any gnomes under

2129

01:33:34,340 --> 01:33:31,130

there really yeah okay living under the

2130

01:33:35,780 --> 01:33:34,350

toadstools of the grow you know once

2131

01:33:38,800 --> 01:33:35,790

again if you don't hear from me for two

2132

01:33:42,100 --> 01:33:38,810

or three days come and search the stage

2133

01:33:44,900 --> 01:33:42,110

thanks Emily thank you switcher Reno

2134

01:33:46,880 --> 01:33:44,910

we'll talk to you next week okay all

2135

01:33:54,230 --> 01:33:46,890

right a great rapport go we should good

2136

01:33:56,840 --> 01:33:54,240

job guys Emily Emily I look like

2137

01:33:59,570 --> 01:33:56,850

Facebook one of these days and go take

2138

01:34:01,520 --> 01:33:59,580

something I'm sure the people have told

2139

01:34:02,360 --> 01:34:01,530

these this but can I take your shots of

2140

01:34:04,400 --> 01:34:02,370

you

2141

01:34:06,350 --> 01:34:04,410

who's gonna show mac and Emily and Emily

2142

01:34:10,420 --> 01:34:06,360

Facebook thing about that was Emily

2143

01:34:14,720 --> 01:34:10,430

because she's with like another girl and

2144

01:34:15,680 --> 01:34:14,730

I expanded my pick my fingers and I'm

2145

01:34:19,640 --> 01:34:15,690

looking at him going

2146

01:34:21,890 --> 01:34:19,650

that's fingers yep I'll be the judge of

2147

01:34:26,990 --> 01:34:21,900

that mom yeah it didn't look like [h\_\_h]

2148

01:34:29,030 --> 01:34:27,000

doc here and thank you well alright well

2149

01:34:31,130 --> 01:34:29,040

study it later I'll work on it alright

2150

01:34:33,530 --> 01:34:31,140

thanks for joining us and we'll talk to

2151  
01:34:35,270 --> 01:34:33,540  
you soon and you're listening to Mack

2152  
01:34:36,890 --> 01:34:35,280  
Moniz military I'll show here on the

2153  
01:34:38,780 --> 01:34:36,900  
distant Thunder radio network let's take

2154  
01:34:40,580 --> 01:34:38,790  
a break we'll be right back after this a

2155  
01:34:42,140 --> 01:34:40,590  
1 1 did you go to the beach a lot as a

2156  
01:34:43,370 --> 01:34:42,150  
kid yes Mac I sure did

2157  
01:34:46,820 --> 01:34:43,380  
I've been feeling like as a youth you

2158  
01:34:48,710 --> 01:34:46,830  
would like the 90-pound weakling as a

2159  
01:34:50,510 --> 01:34:48,720  
matter of fact they did I mean I tried

2160  
01:34:55,160 --> 01:34:50,520  
to pump iron back then but I'd get couch

2161  
01:34:58,070 --> 01:34:55,170  
pretty quickly oh my God look at you do

2162  
01:35:00,470 --> 01:34:58,080  
girly man I don't want an egg what are

2163  
01:35:02,390 --> 01:35:00,480

you doing here I'm here to make sure you

2164

01:35:04,760 --> 01:35:02,400

read the ad copy for this fabulous new

2165

01:35:07,190 --> 01:35:04,770

workout brother called SGX

2166

01:35:09,350 --> 01:35:07,200

that I can't endorse but I'm sure what's

2167

01:35:13,750 --> 01:35:09,360

wonderfully Hey Arnold it was that thing

2168

01:35:19,670 --> 01:35:13,760

with you and it made just to the IBM and

2169

01:35:21,380 --> 01:35:19,680

that's it I'm going to tell you I'd be

2170

01:35:23,240 --> 01:35:21,390

glad to challenge what the boys are

2171

01:35:24,680 --> 01:35:23,250

trying to say is this is a new energy

2172

01:35:26,030 --> 01:35:24,690

drink that can give you the extra

2173

01:35:26,810 --> 01:35:26,040

interns you need to get through your

2174

01:35:30,140 --> 01:35:26,820

daily workout

2175

01:35:32,600 --> 01:35:30,150

yeah it's called se X restraint energy

2176  
01:35:34,310 --> 01:35:32,610  
accelerator it comes easy to use just

2177  
01:35:35,750 --> 01:35:34,320  
mix a scoop with water and drink 30

2178  
01:35:37,370 --> 01:35:35,760  
minutes before you start your workout

2179  
01:35:38,900 --> 01:35:37,380  
and you find you can last longer and

2180  
01:35:41,510 --> 01:35:38,910  
feel all-around better after finishing

2181  
01:35:43,070 --> 01:35:41,520  
your regime yeah the mix comes in many

2182  
01:35:45,770 --> 01:35:43,080  
different flavors of course my favorite

2183  
01:35:47,420 --> 01:35:45,780  
is passion fruit and it contains all the

2184  
01:35:49,130 --> 01:35:47,430  
essentials you need to get over the top

2185  
01:35:50,570 --> 01:35:49,140  
whether you're trying to add muscle and

2186  
01:35:52,400 --> 01:35:50,580  
bulk or just maintain your current

2187  
01:35:55,610 --> 01:35:52,410  
physique you could look like me that's

2188  
01:35:57,460 --> 01:35:55,620

scx workout dietary supplement only

2189

01:35:58,670 --> 01:35:57,470

through caudillo us a visit caudillo

2193

01:36:08,470 --> 01:36:05,620

can get some sex today

2194

01:36:10,420 --> 01:36:08,480

hey what's going on in here

2195

01:36:12,850 --> 01:36:10,430

this is no peace what are you doing here

2196

01:36:14,500 --> 01:36:12,860

I told you guys no partying in the

2197

01:36:17,290 --> 01:36:14,510

studio what are all these dumbbells

2198

01:36:19,150 --> 01:36:17,300

doing here hey just because you own this

2199

01:36:21,130 --> 01:36:19,160

place doesn't mean you can call me a

2200

01:36:26,950 --> 01:36:21,140

dumbbell oh yeah

2201

01:36:28,710 --> 01:36:26,960

kick his ass Pete as the ex workout

2202

01:36:30,970 --> 01:36:28,720

partner available only through caudillo

2203

01:36:36,870 --> 01:36:30,980

2204

01:37:06,060 --> 01:37:00,980

[Music]

2205

01:37:07,890 --> 01:37:06,070

welcome back guys went to Mack mommy's

2206

01:37:10,530 --> 01:37:07,900

mill tracks our show here on the distant

2207

01:37:12,540 --> 01:37:10,540

Thunder radio and their witness me in

2208

01:37:14,400 --> 01:37:12,550

the studio with us tonight a new studios

2209

01:37:16,830 --> 01:37:14,410

in Exeter New Hampshire we are the

2210

01:37:20,820 --> 01:37:16,840

accident incident very famous one one

2211

01:37:23,000 --> 01:37:20,830

hello good show so far yeah yep for a

2212

01:37:26,490 --> 01:37:23,010

long time but yeah a lot of laps and

2213

01:37:29,210 --> 01:37:26,500

maybe we'll have someone because friend

2214

01:37:32,520 --> 01:37:29,220

Martin Wallace is on at the other line

2215

01:37:35,490 --> 01:37:32,530

coming in and he is someone who does a

2216

01:37:40,560 --> 01:37:35,500

great UFO podcast and he's done a number

2217

01:37:42,870 --> 01:37:40,570

of speaking engagements and so on and he

2218

01:37:44,940 --> 01:37:42,880

is also someone if I remember weren't

2219

01:37:46,560 --> 01:37:44,950

you a stand-up comedian one point but

2220

01:37:49,320 --> 01:37:46,570

what Martin Willis everybody thanks

2221

01:37:51,180 --> 01:37:49,330

thanks for coming to the show oh and my

2222

01:37:52,710 --> 01:37:51,190

pleasure I did a little bit of that

2223

01:37:56,100 --> 01:37:52,720

actually been thinking about getting

2224

01:37:58,710 --> 01:37:56,110

back into it really just trying to make

2225

01:38:00,900 --> 01:37:58,720

the winter somehow be easier this year

2226

01:38:03,780 --> 01:38:00,910

okay tell the ship this knows what's

2227

01:38:10,700 --> 01:38:03,790

your best joke oh you can't do that to

2228

01:38:16,710 --> 01:38:13,710

let's see well it's like you know I am

2229

01:38:19,800 --> 01:38:16,720

really bad at relationships you know

2230

01:38:32,400 --> 01:38:19,810

even even my blow-up doll ended up being

2231

01:38:34,650 --> 01:38:32,410

a cutter yeah things are so bad in your

2232

01:38:35,730 --> 01:38:34,660

life that your blow-up doll is a cut of

2233

01:38:39,240 --> 01:38:35,740

meaning people who cut themselves

2234

01:38:43,230 --> 01:38:39,250

because they're yeah and that doesn't

2235

01:38:46,590 --> 01:38:43,240

did that get big laughs or when I say it

2236

01:38:54,480 --> 01:38:46,600

right it does working progress okay sort

2237

01:38:57,900 --> 01:38:54,490

of like whoa one more joke though so we

2238

01:39:02,130 --> 01:38:57,910

can compare and contrast oh Jesus oh my

2239

01:39:04,230 --> 01:39:02,140

god well you know when I was coming into

2240

01:39:06,570 --> 01:39:04,240

the show tonight you know this woman

2241

01:39:08,280 --> 01:39:06,580

came up to me and she said you know

2242

01:39:10,919 --> 01:39:08,290

you're not exactly the

2243

01:39:14,340 --> 01:39:10,929

the right height for your weight and I

2244

01:39:25,260 --> 01:39:14,350

said look lady have no friggin idea how

2245

01:39:27,209 --> 01:39:25,270

high I am right now and no no no future

2246

01:39:30,149 --> 01:39:27,219

gigs down the principal Getty House they

2247

01:39:32,310 --> 01:39:30,159

are under one uh no but hey I'll look

2248

01:39:34,200 --> 01:39:32,320

into that right if they have opened mic

2249

01:39:34,830 --> 01:39:34,210

I have to date we went down there a few

2250

01:39:36,840 --> 01:39:34,840

months ago

2251

01:39:39,510 --> 01:39:36,850

listeners I've heard this before Jackie

2252

01:39:41,880 --> 01:39:39,520

the joke man mottling was there from the

2253

01:39:44,220 --> 01:39:41,890

Howard Stern Show and I mean Lenny

2254

01:39:45,990 --> 01:39:44,230

o'clock open for him oh yeah okay Lenny

2255

01:39:47,640 --> 01:39:46,000

who he is yeah yeah and the only reason

2256

01:39:49,770 --> 01:39:47,650

I didn't walk up to the Lenny o'clock

2257

01:39:52,680 --> 01:39:49,780

one was that we hadn't get off food yet

2258

01:39:54,720 --> 01:39:52,690

it Lenny client terrible just horrible

2259

01:39:56,520 --> 01:39:54,730

and then Jackie Joe Queen comes on it

2260

01:39:58,050 --> 01:39:56,530

was like I'm leaving the meatballs man I

2261

01:40:06,870 --> 01:39:58,060

couldn't you couldn't how could you

2262

01:40:09,630 --> 01:40:06,880

leave the meatballs on awesome so anyway

2263

01:40:11,939 --> 01:40:09,640

tell us about the your podcast how long

2264

01:40:16,680 --> 01:40:11,949

has that been going on well let's see I

2265

01:40:20,899 --> 01:40:16,690

think I started it by accident in 2011

2266

01:40:23,010 --> 01:40:20,909

so and I think I'm up to about 275

2267

01:40:26,370 --> 01:40:23,020

episodes something like that Wow

2268

01:40:28,830 --> 01:40:26,380

huh yeah it's been a lot of fun I had

2269

01:40:31,590 --> 01:40:28,840

you know I've had some repeat guests but

2270

01:40:34,080 --> 01:40:31,600

I think you know the part I like the

2271

01:40:37,890 --> 01:40:34,090

most about it is just to hear different

2272

01:40:39,330 --> 01:40:37,900

people's opinions on what the heck they

2273

01:40:42,330 --> 01:40:39,340

think is going on you know there is

2274

01:40:43,890 --> 01:40:42,340

something going on but you know just to

2275

01:40:46,530 --> 01:40:43,900

hear all these different opinions and

2276

01:40:49,050 --> 01:40:46,540

you know what I'm not any closer to

2277

01:40:51,330 --> 01:40:49,060

knowing anything and I was when I

2278

01:40:53,100 --> 01:40:51,340

started right yeah but but it's still

2279

01:40:56,130 --> 01:40:53,110

it's still really interesting to me

2280

01:40:58,260 --> 01:40:56,140

right yeah that's a good point you know

2281

01:40:58,770 --> 01:40:58,270

because I don't think either of us know

2282

01:41:00,720 --> 01:40:58,780

anymore

2283

01:41:02,280 --> 01:41:00,730

we've heard a lot of stories and just a

2284

01:41:04,260 --> 01:41:02,290

lot of different as you say descriptions

2285

01:41:06,660 --> 01:41:04,270

are you know people's opinions or

2286

01:41:08,430 --> 01:41:06,670

whatever but it never ends and it's like

2287

01:41:10,290 --> 01:41:08,440

the unanswerable question if you know

2288

01:41:11,820 --> 01:41:10,300

what I mean I mean what's what's it

2289

01:41:13,350 --> 01:41:11,830

going to take for us to know exactly

2290

01:41:15,570 --> 01:41:13,360

what's going on and as you say something

2291

01:41:16,979 --> 01:41:15,580

obviously is going on it's something

2292

01:41:19,709 --> 01:41:16,989

about seven or eight things are going on

2293

01:41:20,990 --> 01:41:19,719

simultaneously big feeding your flows

2294

01:41:22,280 --> 01:41:21,000

and so on

2295

01:41:24,140 --> 01:41:22,290

to be cool they're all part of the same

2296

01:41:27,350 --> 01:41:24,150

thing all part of the same unified

2297

01:41:30,740 --> 01:41:27,360

theory you know yeah well you know some

2298

01:41:33,470 --> 01:41:30,750

people actually think that is very much

2299

01:41:36,380 --> 01:41:33,480

what's going on you know a unified thing

2300

01:41:38,120 --> 01:41:36,390

right and you know for instance Paul you

2301

01:41:39,200 --> 01:41:38,130

know I don't know if you've ever had him

2302

01:41:44,300 --> 01:41:39,210

on the show oh yeah

2303

01:41:48,110 --> 01:41:44,310

yes great guy and you know his his idea

2304

01:41:50,660 --> 01:41:48,120

is really really interesting but I

2305

01:41:54,200 --> 01:41:50,670

really don't know you know I know I had

2306

01:41:56,090 --> 01:41:54,210

a sighting and I know that I can't

2307

01:41:59,090 --> 01:41:56,100

I could never and still can't explain

2308

01:42:00,740 --> 01:41:59,100

you know what exactly I saw tell us what

2309

01:42:06,260 --> 01:42:00,750

happened when did you see it what

2310

01:42:08,510 --> 01:42:06,270

happened I think it was 2006 it was it

2311

01:42:10,130 --> 01:42:08,520

was some time and I don't even remember

2312

01:42:13,190 --> 01:42:10,140

exactly what time of year I think it was

2313

01:42:17,840 --> 01:42:13,200

fall I was in Carmel Valley California

2314

01:42:20,450 --> 01:42:17,850

and I had been recovering from hip

2315

01:42:26,350 --> 01:42:20,460

surgery that I had but I wasn't on any

2316

01:42:31,700 --> 01:42:29,450

yes so anyway I was in the hot tub at

2317

01:42:33,590 --> 01:42:31,710

this rent start your Black Friday early

2318

01:42:35,630 --> 01:42:33,600

make the smart choice and switch to

2319

01:42:38,480 --> 01:42:35,640

sprint and get a new Samsung Galaxy Note

2320

01:42:40,100 --> 01:42:38,490

8 50% off that's right 50% off a lease

2321

01:42:42,380 --> 01:42:40,110

for the no date one of Samsung's hottest

2322

01:42:43,910 --> 01:42:42,390

devices plus with galaxies forever you

2323

01:42:45,830 --> 01:42:43,920

can upgrade to the latest galaxy anytime

2324

01:42:47,870 --> 01:42:45,840

after 12 lease payments visit your local

2325

01:42:51,320 --> 01:42:47,880

Sprint store Sprint comm / holiday deals

2326

01:42:52,880 --> 01:42:51,330

or call 1-800 spirit 1 today requires 18

2327

01:42:54,380 --> 01:42:52,890

month lease a new line \$20 per month

2328

01:42:55,850 --> 01:42:54,390

savings via credit applied within two

2329

01:42:57,380 --> 01:42:55,860

bills early termination results and

2330

01:42:59,180 --> 01:42:57,390

remaining balance due subject to credit

2331

01:43:02,690 --> 01:42:59,190

and \$30 activation fee restrictions

2332

01:43:04,640 --> 01:43:02,700

apply Jeff Wrentham I owned a ranch down

2333

01:43:07,190 --> 01:43:04,650

there and said you know use the guest

2334

01:43:09,500 --> 01:43:07,200

house to relax so I was and I was

2335

01:43:10,850 --> 01:43:09,510

sitting there alone no alcohol nothing I

2336

01:43:12,410 --> 01:43:10,860

was just sitting there with a glass of

2337

01:43:15,500 --> 01:43:12,420

water I mean that I'm pretty much a

2338

01:43:18,080 --> 01:43:15,510

lightweight okay and something caught my

2339

01:43:21,500 --> 01:43:18,090

eye I know I like to look up at the sky

2340

01:43:23,710 --> 01:43:21,510

when it's dark to see you know say you

2341

01:43:27,380 --> 01:43:23,720

know meteorites or whatever it is

2342

01:43:29,240 --> 01:43:27,390

satellites you name it and so something

2343

01:43:33,110 --> 01:43:29,250

caught my eye and this was it wasn't yet

2344

01:43:34,820 --> 01:43:33,120

dark it was Twilight and so I'm looking

2345

01:43:38,330 --> 01:43:34,830

over me and watching

2346

01:43:40,520 --> 01:43:38,340

this perfectly shaped disc object about

2347

01:43:43,070 --> 01:43:40,530

like if you held a quarter out it at

2348

01:43:45,170 --> 01:43:43,080

arm's length uh-huh

2349

01:43:47,510 --> 01:43:45,180

just float over me and you know the one

2350

01:43:49,910 --> 01:43:47,520

thing that now I've heard a million

2351  
01:43:52,160 --> 01:43:49,920  
times but back then you know I mean had

2352  
01:43:53,780 --> 01:43:52,170  
no clue at all is the thing that baffled

2353  
01:43:56,480 --> 01:43:53,790  
me the most is that it was totally

2354  
01:43:58,670 --> 01:43:56,490  
silent you know and I kept saying how is

2355  
01:44:01,370 --> 01:43:58,680  
this what what is it first of all wise

2356  
01:44:03,800 --> 01:44:01,380  
why am I not hearing anything right yeah

2357  
01:44:06,350 --> 01:44:03,810  
yeah and then it it just came with sort

2358  
01:44:09,370 --> 01:44:06,360  
of a blue glow to it and I've only heard

2359  
01:44:12,080 --> 01:44:09,380  
one other person describe one like that

2360  
01:44:13,880 --> 01:44:12,090  
so there was like a blue glow no lights

2361  
01:44:17,270 --> 01:44:13,890  
on it and all of a sudden it just

2362  
01:44:19,690 --> 01:44:17,280  
stopped in stayed still and then it went

2363  
01:44:25,370 --> 01:44:19,700

on a very straight angle out toward

2364

01:44:28,340 --> 01:44:25,380

Carmel so I jump out of the I jumped out

2365

01:44:31,250 --> 01:44:28,350

of the hot tub yes I ran inside and I

2366

01:44:33,860 --> 01:44:31,260

didn't know who to call or anything

2367

01:44:35,510 --> 01:44:33,870

right or and I never even occurred to me

2368

01:44:38,960 --> 01:44:35,520

to go online to report anything online

2369

01:44:41,360 --> 01:44:38,970

and I just called the Carmel Police

2370

01:44:45,080 --> 01:44:41,370

Department and I said okay there's the

2371

01:44:47,000 --> 01:44:45,090

UFO heading your way and I got so much

2372

01:44:49,160 --> 01:44:47,010

grief I mean the woman might as well

2373

01:44:52,220 --> 01:44:49,170

have left shrine as well have laughed at

2374

01:44:56,330 --> 01:44:52,230

me put me on hold for 15 minutes and I

2375

01:44:57,740 --> 01:44:56,340

got frustrated you know what I mean I

2376

01:44:59,630 --> 01:44:57,750

mean you know and then turns out that

2377

01:45:03,380 --> 01:44:59,640

you did see something how big was the

2378

01:45:05,480 --> 01:45:03,390

was the blue glow thing well it's awful

2379

01:45:08,510 --> 01:45:05,490

I could never really tell how high up in

2380

01:45:11,420 --> 01:45:08,520

the air it was so I didn't have anything

2381

01:45:14,600 --> 01:45:11,430

to really judge it by so I couldn't

2382

01:45:17,150 --> 01:45:14,610

really tell you how how big it was you

2383

01:45:20,890 --> 01:45:17,160

know I would only be guessing right okay

2384

01:45:23,690 --> 01:45:20,900

but you know good size I would imagine

2385

01:45:25,730 --> 01:45:23,700

you know if I had to guess I would say

2386

01:45:26,990 --> 01:45:25,740

probably 20 or 30 feet but that's only a

2387

01:45:30,050 --> 01:45:27,000

guess okay I don't know

2388

01:45:31,730 --> 01:45:30,060

that's good size you know and and that

2389

01:45:33,680 --> 01:45:31,740

would be you know when you said you know

2390

01:45:36,410 --> 01:45:33,690

it made no noise I mean that just adds

2391

01:45:38,390 --> 01:45:36,420

this kind of creepiness fact it's the

2392

01:45:40,610 --> 01:45:38,400

whole thing you know it's like how can

2393

01:45:43,460 --> 01:45:40,620

you be here and how can you not make any

2394

01:45:45,920 --> 01:45:43,470

noise you know it just who knows what

2395

01:45:47,970 --> 01:45:45,930

that yeah so when you hear that over and

2396

01:45:49,770 --> 01:45:47,980

over again people all

2397

01:45:52,250 --> 01:45:49,780

saying the same thing even when they

2398

01:45:55,260 --> 01:45:52,260

race off at you know yeah

2399

01:45:56,820 --> 01:45:55,270

supersonic speed and there's no sound

2400

01:45:59,310 --> 01:45:56,830

barrier broken you know there's no

2401  
01:46:00,990 --> 01:45:59,320  
explanation for that either and you know

2402  
01:46:04,229 --> 01:46:01,000  
they've been tracked on radar over

2403  
01:46:06,810 --> 01:46:04,239  
20,000 miles an hour right yeah yeah

2404  
01:46:09,570 --> 01:46:06,820  
you know and there's plenty of that any

2405  
01:46:12,510 --> 01:46:09,580  
of that those records out there right

2406  
01:46:14,820 --> 01:46:12,520  
when you saw this thing I mean did you

2407  
01:46:17,000 --> 01:46:14,830  
have any like real initial impression

2408  
01:46:20,790 --> 01:46:17,010  
just like boom right off the bag this is

2409  
01:46:22,110 --> 01:46:20,800  
from out of space this is a secret

2410  
01:46:24,360 --> 01:46:22,120  
weapon of the United States you know

2411  
01:46:29,610 --> 01:46:24,370  
this is what did you think and that's

2412  
01:46:30,180 --> 01:46:29,620  
what second it it just was and and oh my

2413  
01:46:33,360 --> 01:46:30,190

god

2414

01:46:35,700 --> 01:46:33,370

situation like I can't believe it

2415

01:46:37,680 --> 01:46:35,710

no that that's all I know and if I had a

2416

01:46:39,870 --> 01:46:37,690

camera next to me I would have never

2417

01:46:42,690 --> 01:46:39,880

even thought to pick it up you know it's

2418

01:46:44,430 --> 01:46:42,700

just I didn't I was just glued to it

2419

01:46:50,940 --> 01:46:44,440

it's just so shocked at looking at it

2420

01:46:55,680 --> 01:46:50,950

yeah finally I'm seeing a sighting yeah

2421

01:46:57,990 --> 01:46:55,690

yeah yeah strange you know and this

2422

01:46:59,880 --> 01:46:58,000

someone said to me was what we used to

2423

01:47:01,470 --> 01:46:59,890

talk about how you know UFOs don't

2424

01:47:03,150 --> 01:47:01,480

necessarily have to be a little green

2425

01:47:04,710 --> 01:47:03,160

men from eyes you know they could be

2426

01:47:06,900 --> 01:47:04,720

time travelers you know with a lot of

2427

01:47:09,120 --> 01:47:06,910

things some time travel kind of fit yeah

2428

01:47:12,420 --> 01:47:09,130

and they say you know when they take off

2429

01:47:13,740 --> 01:47:12,430

it like such unbelievable speed it's not

2430

01:47:15,420 --> 01:47:13,750

a propulsion thing it's the jumping

2431

01:47:18,300 --> 01:47:15,430

ahead in time which is makes it seem

2432

01:47:20,479 --> 01:47:18,310

like the gone you know but they yeah

2433

01:47:24,240 --> 01:47:20,489

there's will need to travel in time and

2434

01:47:26,580 --> 01:47:24,250

and a lot of UFO activity kind of fits

2435

01:47:28,800 --> 01:47:26,590

in to that idea and entering the time

2436

01:47:30,360 --> 01:47:28,810

barrier yeah and your foes during World

2437

01:47:32,430 --> 01:47:30,370

War 2 and stuff you know the time

2438

01:47:34,470 --> 01:47:32,440

tourists looking at you know here's B

2439

01:47:36,420 --> 01:47:34,480

being made Bob said that so many times

2440

01:47:39,090 --> 01:47:36,430

promote my book but there's a good thing

2441

01:47:40,920 --> 01:47:39,100

to it you know there's a good idea

2442

01:47:44,220 --> 01:47:40,930

behind it maybe they just want to see

2443

01:47:46,800 --> 01:47:44,230

history being made so right well there's

2444

01:47:49,470 --> 01:47:46,810

many many times people will report

2445

01:47:51,990 --> 01:47:49,480

seeing a UFO and all of a sudden it

2446

01:47:55,350 --> 01:47:52,000

instantly vanishes you hear that so many

2447

01:47:58,979 --> 01:47:55,360

times oh yeah it's definitely a mystery

2448

01:48:01,680 --> 01:47:58,989

yeah yeah so and um as a kid were you

2449

01:48:02,430 --> 01:48:01,690

interested in these things or you know I

2450

01:48:05,100 --> 01:48:02,440

lived

2451

01:48:07,620 --> 01:48:05,110

Hill right across right across the river

2452

01:48:09,510 --> 01:48:07,630

from Pease Air Force Base and I was in

2453

01:48:12,270 --> 01:48:09,520

Elliot southern Maine Elliot Maine and

2454

01:48:15,120 --> 01:48:12,280

that was in Newington New Hampshire

2455

01:48:16,620 --> 01:48:15,130

right across the Scott Okoye River and

2456

01:48:19,229 --> 01:48:16,630

there was a lot of there was kind of

2457

01:48:22,080 --> 01:48:19,239

weird things a couple of times that my

2458

01:48:25,560 --> 01:48:22,090

sisters and I were looking over there

2459

01:48:29,580 --> 01:48:25,570

and also there was a sort of a minor

2460

01:48:31,410 --> 01:48:29,590

flap when I was young that people talked

2461

01:48:33,510 --> 01:48:31,420

about it a lot so I guess I did have

2462

01:48:35,870 --> 01:48:33,520

some interest but didn't really think

2463

01:48:39,180 --> 01:48:35,880

about it in my adult years you know

2464

01:48:41,550 --> 01:48:39,190

until this you know this happened and it

2465

01:48:44,189 --> 01:48:41,560

was like oh my god and I had not paid

2466

01:48:45,780 --> 01:48:44,199

attention I had heard about Roswell but

2467

01:48:47,700 --> 01:48:45,790

didn't really pay attention to it and

2468

01:48:50,810 --> 01:48:47,710

matter of fact if some friends of mine

2469

01:48:53,130 --> 01:48:50,820

were joking about stopping there and

2470

01:48:54,990 --> 01:48:53,140

telling me about the restaurants and the

2471

01:48:59,010 --> 01:48:55,000

you know all the weirdos and stuff like

2472

01:49:02,880 --> 01:48:59,020

that yeah okay so that's as close as I

2473

01:49:05,400 --> 01:49:02,890

got to it for four until you know 2006

2474

01:49:08,180 --> 01:49:05,410

really uh-huh okay and how did you build

2475

01:49:10,050 --> 01:49:08,190

up this audience that you have just

2476

01:49:14,310 --> 01:49:10,060

consistency good guess

2477

01:49:15,750 --> 01:49:14,320

well it's another kind of a strange when

2478

01:49:18,120 --> 01:49:15,760

I said by accident the whole thing

2479

01:49:21,840 --> 01:49:18,130

started it just basically what happened

2480

01:49:24,030 --> 01:49:21,850

is a comedian friend of mine in LA asked

2481

01:49:26,430 --> 01:49:24,040

me to be on his podcast and I brought up

2482

01:49:30,229 --> 01:49:26,440

the topic and he teased me about you

2483

01:49:37,170 --> 01:49:30,239

know anal probing and everything else

2484

01:49:38,580 --> 01:49:37,180

that's really real no that did not have

2485

01:49:43,620 --> 01:49:38,590

it just didn't happen on the Simpsons

2486

01:49:46,470 --> 01:49:43,630

and not without drinks and dinner so

2487

01:49:50,220 --> 01:49:46,480

anyway he told me afterwards he had he

2488

01:49:53,550 --> 01:49:50,230

had his website monitored for downloads

2489

01:49:55,650 --> 01:49:53,560

and he said there's keyword the keyword

2490

01:49:58,830 --> 01:49:55,660

is UFOs you told me this story about

2491

01:50:00,780 --> 01:49:58,840

UFOs and I was already doing a podcast

2492

01:50:03,840 --> 01:50:00,790

on comedy and a few other things and

2493

01:50:08,760 --> 01:50:03,850

plus antiques and fine art which is my

2494

01:50:13,140 --> 01:50:08,770

real life and so I just kind of as a

2495

01:50:15,510 --> 01:50:13,150

like throwing it out there I said to

2496

01:50:16,260 --> 01:50:15,520

someone I think I'll start a podcast on

2497

01:50:18,000 --> 01:50:16,270

UFO

2498

01:50:20,790 --> 01:50:18,010

and matter of fact I'm gonna call it

2499

01:50:22,230 --> 01:50:20,800

podcast UFO don't think of your name on

2500

01:50:24,600 --> 01:50:22,240

one too

2501  
01:50:26,930 --> 01:50:24,610  
having too much fun at the oldest but

2502  
01:50:30,120 --> 01:50:26,940  
yes please

2503  
01:50:32,880 --> 01:50:30,130  
so anyway I just started I just started

2504  
01:50:34,830 --> 01:50:32,890  
it in Steven Bassett it was my first

2505  
01:50:36,350 --> 01:50:34,840  
guest Mike that's a lot a lot of

2506  
01:50:39,060 --> 01:50:36,360  
different people you know who would be

2507  
01:50:41,010 --> 01:50:39,070  
who would want to be on my show and no

2508  
01:50:43,200 --> 01:50:41,020  
one wanted to take the die first and he

2509  
01:50:46,140 --> 01:50:43,210  
did well he that's a big name you know

2510  
01:50:49,740 --> 01:50:46,150  
in the UFO community yeah on disclosure

2511  
01:50:52,080 --> 01:50:49,750  
and all that but anyway so I started in

2512  
01:50:55,680 --> 01:50:52,090  
I seem to gain an audience right away

2513  
01:50:57,150 --> 01:50:55,690

and now it's you know it's about

2514

01:50:58,830 --> 01:50:57,160

somewhere in the neighborhood of a

2515

01:51:01,530 --> 01:50:58,840

hundred thousand downloads to show

2516

01:51:03,930 --> 01:51:01,540

something like that I don't really know

2517

01:51:08,520 --> 01:51:03,940

for sure because it's on a bunch of

2518

01:51:10,710 --> 01:51:08,530

different podcast sites yeah so yeah but

2519

01:51:12,240 --> 01:51:10,720

it's a you know it was funny because as

2520

01:51:15,330 --> 01:51:12,250

I said I was on in a couple weeks ago

2521

01:51:16,980 --> 01:51:15,340

but you have the ability to move things

2522

01:51:18,270 --> 01:51:16,990

along if you know what I mean we were

2523

01:51:23,120 --> 01:51:18,280

there for almost two hours

2524

01:51:27,000 --> 01:51:23,130

that's right yeah things just kind of I

2525

01:51:28,230 --> 01:51:27,010

just want to ask you so let me just

2526

01:51:30,180 --> 01:51:28,240

throw this out to you it because we were

2527

01:51:36,330 --> 01:51:30,190

talking about this earlier what do you

2528

01:51:39,360 --> 01:51:36,340

think happened at Roswell oh okay

2529

01:51:41,400 --> 01:51:39,370

I think something happened I think I

2530

01:51:44,940 --> 01:51:41,410

know you don't because we've had that

2531

01:51:46,980 --> 01:51:44,950

conversation before and the reason I

2532

01:51:50,160 --> 01:51:46,990

think something happened because it just

2533

01:51:52,560 --> 01:51:50,170

doesn't make any sense to me that the

2534

01:51:55,710 --> 01:51:52,570

Army Air Force at the time would report

2535

01:51:58,530 --> 01:51:55,720

that they captured a flying disc it

2536

01:52:01,860 --> 01:51:58,540

doesn't I can't see any circumstance

2537

01:52:04,560 --> 01:52:01,870

where they'd want to say that first of

2538

01:52:07,560 --> 01:52:04,570

all and all they had to do is say

2539

01:52:11,520 --> 01:52:07,570

nothing you know so it's it's really a

2540

01:52:15,510 --> 01:52:11,530

bizarre situation and I understand you

2541

01:52:18,630 --> 01:52:15,520

know some of the witnesses have been

2542

01:52:20,580 --> 01:52:18,640

just proven their testimony has been

2543

01:52:25,080 --> 01:52:20,590

just proven false

2544

01:52:27,420 --> 01:52:25,090

so there's and a lot of a lot of Roswell

2545

01:52:29,910 --> 01:52:27,430

has turned into a myth and I don't know

2546

01:52:32,300 --> 01:52:29,920

how it's gonna morph over the next

2547

01:52:34,620 --> 01:52:32,310

you know say 50 years or 100 years right

2548

01:52:37,890 --> 01:52:34,630

so I don't know what's gonna happen to

2549

01:52:41,040 --> 01:52:37,900

it and I don't think I don't think

2550

01:52:43,110 --> 01:52:41,050

anything's ever going to be really you

2551  
01:52:49,560 --> 01:52:43,120  
know discovered in that however there is

2552  
01:52:51,870 --> 01:52:49,570  
the Ramey memo that has as technology

2553  
01:52:54,840 --> 01:52:51,880  
grows so far there are a lot of words

2554  
01:52:58,320 --> 01:52:54,850  
that have been deciphered on that and

2555  
01:53:02,040 --> 01:52:58,330  
what it is is Ramey is holding this in

2556  
01:53:07,200 --> 01:53:02,050  
his hand during a photograph of the

2557  
01:53:09,570 --> 01:53:07,210  
weather balloon right and so it's at an

2558  
01:53:11,390 --> 01:53:09,580  
angle but there's a gentleman in San

2559  
01:53:14,760 --> 01:53:11,400  
Francisco that's been working on

2560  
01:53:19,430 --> 01:53:14,770  
deciphering the letters and it does

2561  
01:53:22,460 --> 01:53:19,440  
appear to say that about the crash and

2562  
01:53:25,680 --> 01:53:22,470  
victims you know there are some words

2563  
01:53:27,180 --> 01:53:25,690

that are kind of you know pretty easy to

2564

01:53:29,610 --> 01:53:27,190

see and then the rest of them really

2565

01:53:33,150 --> 01:53:29,620

really difficult right so I think as

2566

01:53:35,670 --> 01:53:33,160

technology as far as photo analysis

2567

01:53:37,500 --> 01:53:35,680

grows there may be a possibility that

2568

01:53:39,690 --> 01:53:37,510

someone may be able to read that someday

2569

01:53:41,700 --> 01:53:39,700

and maybe that is this smoking gun of

2570

01:53:45,450 --> 01:53:41,710

Roswell who knows right they were

2571

01:53:47,940 --> 01:53:45,460

talking to Martin Lewis who is the UFO

2572

01:53:51,150 --> 01:53:47,950

research of the creator of UFO podcast

2573

01:53:53,190 --> 01:53:51,160

right our podcast UFO I'd catch you a

2574

01:53:56,550 --> 01:53:53,200

phono why why did you have podcast come

2575

01:54:01,230 --> 01:53:56,560

first well you know I couldn't get that

2576

01:54:04,560 --> 01:54:01,240

darn other domain name oh wow yeah okay

2577

01:54:06,300 --> 01:54:04,570

yeah and so and I understood that it's

2578

01:54:08,760 --> 01:54:06,310

really good to if you want a domain name

2579

01:54:11,370 --> 01:54:08,770

and title you should have them the same

2580

01:54:12,990 --> 01:54:11,380

if you can yeah so that's why I did it

2581

01:54:14,670 --> 01:54:13,000

and besides it's a little weird yes

2582

01:54:20,100 --> 01:54:14,680

right you know UFOs are a little weird

2583

01:54:21,840 --> 01:54:20,110

so right yeah well it's Machaut a lot

2584

01:54:24,450 --> 01:54:21,850

and I think you've kind of really good

2585

01:54:27,420 --> 01:54:24,460

job and it's it's entertaining and you

2586

01:54:29,340 --> 01:54:27,430

know good for you well I have fun if

2587

01:54:31,410 --> 01:54:29,350

there is any and I don't even want to

2588

01:54:34,140 --> 01:54:31,420

use the word president let's say chief

2589

01:54:36,780 --> 01:54:34,150

executive or something okay in the

2590

01:54:40,110 --> 01:54:36,790

history of this country who will release

2591

01:54:42,000 --> 01:54:40,120

what's really going on with UFOs it's

2592

01:54:43,860 --> 01:54:42,010

the president chief executive okay

2593

01:54:47,220 --> 01:54:43,870

because if he does not come out

2594

01:54:49,320 --> 01:54:47,230

what if if if he comes out and says

2595

01:54:52,940 --> 01:54:49,330

there's nothing to it just like Clinton

2596

01:54:55,530 --> 01:54:52,950

had said and Obama had said and so on

2597

01:54:58,650 --> 01:54:55,540

then I believed him you know because

2598

01:55:00,570 --> 01:54:58,660

he's just nuts enough to say you know

2599

01:55:02,160 --> 01:55:00,580

what here's all the classified

2600

01:55:03,810 --> 01:55:02,170

information you want here's the film's

2601  
01:55:10,470 --> 01:55:03,820  
is the videos and stuff like that he's

2602  
01:55:13,620 --> 01:55:10,480  
that kind of guy and I think it's gonna

2603  
01:55:16,020 --> 01:55:13,630  
be in this administration I have a

2604  
01:55:19,980 --> 01:55:16,030  
couple thoughts on that if you'd like to

2605  
01:55:22,500 --> 01:55:19,990  
hear them and yeah and one of them is

2606  
01:55:25,320 --> 01:55:22,510  
first of all I had Christopher melon

2607  
01:55:29,070 --> 01:55:25,330  
from the melon family I was one of the

2608  
01:55:32,430 --> 01:55:29,080  
two people that interviewed him and when

2609  
01:55:37,170 --> 01:55:32,440  
he he was part of the DoD he had top

2610  
01:55:39,300 --> 01:55:37,180  
clearance and he is actually has an

2611  
01:55:41,250 --> 01:55:39,310  
interest in UFOs and basically you know

2612  
01:55:43,590 --> 01:55:41,260  
asked him the question I said if the if

2613  
01:55:46,740 --> 01:55:43,600

the president wanted to find out about

2614

01:55:50,130 --> 01:55:46,750

UFOs could the president find out and he

2615

01:55:55,050 --> 01:55:50,140

said absolutely nothing can be hidden

2616

01:55:57,900 --> 01:55:55,060

from him and that is but how about it

2617

01:56:00,180 --> 01:55:57,910

goes private you know whatever the

2618

01:56:05,760 --> 01:56:00,190

organization looking into it it goes

2619

01:56:08,250 --> 01:56:05,770

into a private sector then no could he

2620

01:56:10,860 --> 01:56:08,260

just bust in on a private company to

2621

01:56:12,420 --> 01:56:10,870

find out what they know and and know

2622

01:56:14,640 --> 01:56:12,430

they would be against the Constitution

2623

01:56:16,590 --> 01:56:14,650

so they farmed it out they contracted

2624

01:56:18,930 --> 01:56:16,600

out just like that's how X makes his

2625

01:56:20,640 --> 01:56:18,940

living okay he still does what he used

2626  
01:56:21,930 --> 01:56:20,650  
to do but it's contracted out to another

2627  
01:56:24,810 --> 01:56:21,940  
company and that's the perfect way to

2628  
01:56:27,600 --> 01:56:24,820  
and the paper trail that's exactly right

2629  
01:56:29,190 --> 01:56:27,610  
and ax I remember you talking about him

2630  
01:56:31,440 --> 01:56:29,200  
in one of your books you did some

2631  
01:56:32,580 --> 01:56:31,450  
research huh and he helped you write

2632  
01:56:37,440 --> 01:56:32,590  
right yep mm-hmm

2633  
01:56:39,360 --> 01:56:37,450  
yeah yeah I mean that just makes more

2634  
01:56:41,640 --> 01:56:39,370  
sense than and then anything we need to

2635  
01:56:44,520 --> 01:56:41,650  
really look at it that's their way to

2636  
01:56:47,310 --> 01:56:44,530  
plausible deniability it's it's perfect

2637  
01:56:48,150 --> 01:56:47,320  
I I cannot go and get this information

2638  
01:56:49,940 --> 01:56:48,160

because it would break the

2639

01:56:52,140 --> 01:56:49,950

constitutional law you know that's

2640

01:56:53,730 --> 01:56:52,150

that's brilliant in a way you know

2641

01:56:57,840 --> 01:56:53,740

Martin well listen we have two minutes

2642

01:57:00,090 --> 01:56:57,850

left okay all right good

2643

01:57:01,620 --> 01:57:00,100

oh yeah sure I was gonna ask real

2644

01:57:04,800 --> 01:57:01,630

quickly yes please

2645

01:57:07,650 --> 01:57:04,810

I recently had my favorite my favorite

2646

01:57:11,820 --> 01:57:07,660

guest of all time on it was only in her

2647

01:57:14,190 --> 01:57:11,830

20s and and it just blew me away and and

2648

01:57:15,630 --> 01:57:14,200

everyone else and that is uh I don't

2649

01:57:21,570 --> 01:57:15,640

know if you have heard about the Ariel

2650

01:57:27,150 --> 01:57:21,580

school incident in Rua and Zimbabwe oh

2651  
01:57:31,110 --> 01:57:27,160  
no oh back in the 1990's there was a

2652  
01:57:34,800 --> 01:57:31,120  
sighting with 22 I'm sorry with 62

2653  
01:57:38,310 --> 01:57:34,810  
school children and they all like saw

2654  
01:57:41,610 --> 01:57:38,320  
this craft land and two beings get out

2655  
01:57:45,510 --> 01:57:41,620  
one stayed on the basically on the roof

2656  
01:57:47,250 --> 01:57:45,520  
and then some you know people said

2657  
01:57:49,410 --> 01:57:47,260  
different things they thought different

2658  
01:57:50,870 --> 01:57:49,420  
things like almost like tell it to Leppa

2659  
01:57:54,990 --> 01:57:50,880  
the-- yes

2660  
01:57:57,750 --> 01:57:55,000  
anyway so I had selma siddik she was one

2661  
01:57:59,430 --> 01:57:57,760  
of the children that witnesses sing she

2662  
01:58:01,560 --> 01:57:59,440  
was only four to five feet away from

2663  
01:58:04,950 --> 01:58:01,570

this being Wow and she described him

2664

01:58:06,900 --> 01:58:04,960

perfectly and she said the eyes were you

2665

01:58:08,160 --> 01:58:06,910

know deeply looking into her she said

2666

01:58:10,680 --> 01:58:08,170

just like they were looking right

2667

01:58:13,260 --> 01:58:10,690

through me the whole the whole interview

2668

01:58:15,870 --> 01:58:13,270

with her just gave me the chills it's

2669

01:58:18,690 --> 01:58:15,880

one of the better documented Close

2670

01:58:20,370 --> 01:58:18,700

Encounters of all time yes and with you

2671

01:58:24,990 --> 01:58:20,380

if anyone wants to check it out it's the

2672

01:58:28,590 --> 01:58:25,000

Ariel school incident that spelled a RIE

2673

01:58:30,750 --> 01:58:28,600

L uh-huh fascinating case can they find

2674

01:58:33,330 --> 01:58:30,760

that on your rock I've somewhere oh yeah

2675

01:58:35,850 --> 01:58:33,340

that's that's a recent show I think show

2676  
01:58:36,690 --> 01:58:35,860  
number 273 or something like that okay

2677  
01:58:38,910 --> 01:58:36,700  
all right

2678  
01:58:41,340 --> 01:58:38,920  
and were they great aliens or were they

2679  
01:58:44,670 --> 01:58:41,350  
kind of humanoids no she described it as

2680  
01:58:47,520 --> 01:58:44,680  
as white sort of like a porcelain

2681  
01:58:49,440 --> 01:58:47,530  
colored almost like the skin almost look

2682  
01:58:51,600 --> 01:58:49,450  
like porcelain there was no expression

2683  
01:58:53,820 --> 01:58:51,610  
it was just like staring through her and

2684  
01:58:56,640 --> 01:58:53,830  
then it all of a sudden it was over you

2685  
01:58:58,620 --> 01:58:56,650  
know like five feet away from you know

2686  
01:59:00,510 --> 01:58:58,630  
another friend of hers and then it moved

2687  
01:59:02,220 --> 01:59:00,520  
again she said I couldn't tell if it

2688  
01:59:04,470 --> 01:59:02,230

moved or if I was blinking my eyes and

2689

01:59:06,910 --> 01:59:04,480

it moved when I was blinking my eyes and

2690

01:59:08,590 --> 01:59:06,920

what did they stop over they like asked

2691

01:59:11,439 --> 01:59:08,600

directions or something why did that

2692

01:59:13,570 --> 01:59:11,449

stop in this book no you know it never

2693

01:59:16,330 --> 01:59:13,580

said a sound there was never a sound

2694

01:59:19,150 --> 01:59:16,340

well you know and she described in

2695

01:59:20,709 --> 01:59:19,160

detail you know the it looked like it

2696

01:59:23,530 --> 01:59:20,719

was hat it looked like I had a bodysuit

2697

01:59:25,330 --> 01:59:23,540

like a black bodysuit and she had no

2698

01:59:26,950 --> 01:59:25,340

idea it was the UFO she had no idea what

2699

01:59:28,870 --> 01:59:26,960

she was looking at that's interesting

2700

01:59:31,630 --> 01:59:28,880

yeah and neither did anyone else because

2701  
01:59:34,030 --> 01:59:31,640  
in the middle of you know the jungle so

2702  
01:59:35,620 --> 01:59:34,040  
to speak right you know that that was

2703  
01:59:37,180 --> 01:59:35,630  
never our topic that they even knew

2704  
01:59:38,860 --> 01:59:37,190  
about yeah right cool

2705  
01:59:40,930 --> 01:59:38,870  
hey listen man you get me come back on

2706  
01:59:43,780 --> 01:59:40,940  
again real soon okay is this the 30

2707  
01:59:46,959 --> 01:59:43,790  
minutes went in a burries it did so

2708  
01:59:48,939 --> 01:59:46,969  
thanks for joining us a podcast UFO just

2709  
01:59:50,650 --> 01:59:48,949  
go on YouTube and you know and plug it

2710  
01:59:54,459 --> 01:59:50,660  
in and there's tons of shows and really

2711  
01:59:56,979 --> 01:59:54,469  
interesting guests can you leave us with

2712  
02:00:06,720 --> 01:59:56,989  
a joke number three just your third best

2713  
02:00:10,150 --> 02:00:06,730

joke please none of them were okay well

2714

02:00:13,000 --> 02:00:10,160

boy you know I hate getting put on the

2715

02:00:16,180 --> 02:00:13,010

spot like this because I think that was

2716

02:00:25,330 --> 02:00:16,190

my entire yeah that was my entire gig I

2717

02:00:26,979 --> 02:00:25,340

told you that's right and I'm playing at

2718

02:00:30,100 --> 02:00:26,989

the I'll be at the spaghetti house this

2719

02:00:33,100 --> 02:00:30,110

week really you have this beginning as a

2720

02:00:36,070 --> 02:00:33,110

comedian are you gonna be oh yeah those

2721

02:00:37,630 --> 02:00:36,080

jokes okay all right that's good I like

2722

02:00:39,490 --> 02:00:37,640

it quick you know you usually laugh or

2723

02:00:41,320 --> 02:00:39,500

you don't you know it's it's right I

2724

02:00:41,979 --> 02:00:41,330

like the edginess of that thank you very

2725

02:00:43,750 --> 02:00:41,989

much

2726

02:00:46,000 --> 02:00:43,760

Mott man will type the real soon okay

2727

02:00:47,350 --> 02:00:46,010

all right you take care hey you're gonna

2728

02:00:49,720 --> 02:00:47,360

come down my husband check out that

2729

02:00:53,169 --> 02:00:49,730

jewelry right oh that's right yeah yeah

2730

02:00:56,880 --> 02:00:53,179

okay you're pawning it right yeah you

2731

02:00:59,530 --> 02:00:56,890

too I'm researching it thank you thanks

2732

02:01:01,780 --> 02:00:59,540

wow there you go man ice Martin his

2733

02:01:03,250 --> 02:01:01,790

podcast is really cool it is he has so

2734

02:01:06,910 --> 02:01:03,260

many good on my phone here there's an

2735

02:01:09,990 --> 02:01:06,920

archive section too and he gets a lot of

2736

02:01:13,600 --> 02:01:10,000

just a really a lot of top-shelf guests

2737

02:01:16,330 --> 02:01:13,610

well hey you know that was oh it's

2738

02:01:19,090 --> 02:01:16,340

always fun to talk to you Mac okay you

2739

02:01:20,590 --> 02:01:19,100

actually you were actually fun a fun get

2740

02:01:23,560 --> 02:01:20,600

a fun host Wow

2741

02:01:24,820 --> 02:01:23,570

about that one one okay yeah that's good

2742

02:01:33,700 --> 02:01:24,830

you know because they're letters you

2743

02:01:35,680 --> 02:01:33,710

know pipe and smoke it earlier in the

2744

02:01:42,280 --> 02:01:35,690

show I found out someone's just a remote

2745

02:01:44,650 --> 02:01:42,290

viewing that's someone had sent me

2746

02:01:46,960 --> 02:01:44,660

through the meal a bag of cat feces so

2747

02:01:49,810 --> 02:01:46,970

the I think this you're balancing yeah

2748

02:01:53,350 --> 02:01:49,820

that's what our email mail security guys

2749

02:01:55,330 --> 02:01:53,360

yeah yeah screens every this means

2750

02:01:59,500 --> 02:01:55,340

everything one one for some reason gets

2751  
02:02:02,080 --> 02:01:59,510  
rubber sex toys just boring yeah yeah

2752  
02:02:05,620 --> 02:02:02,090  
sex toys typically by females

2753  
02:02:08,080 --> 02:02:05,630  
yeah funny and Cobra we didn't come in

2754  
02:02:10,180 --> 02:02:08,090  
tonight gets loves you know love letters

2755  
02:02:13,450 --> 02:02:10,190  
from various GI Joes around the world

2756  
02:02:15,160 --> 02:02:13,460  
and sweet and I'm getting cat feces

2757  
02:02:18,580 --> 02:02:15,170  
through the mail but thank you for your

2758  
02:02:20,110 --> 02:02:18,590  
word if for your you know your favorable

2759  
02:02:21,040 --> 02:02:20,120  
words I really appreciate it and we'll

2760  
02:02:28,480 --> 02:02:21,050  
talk to you soon okay

2761  
02:02:31,570 --> 02:02:28,490  
alright alright and that's the end of

2762  
02:02:33,760 --> 02:02:31,580  
the show there JJ yeah really okay I

2763  
02:02:35,890 --> 02:02:33,770

don't know the cope it doesn't know what

2764

02:02:38,140 --> 02:02:35,900

he missed or maybe he does so I want to

2765

02:02:40,240 --> 02:02:38,150

just thank everyone this loss our gain

2766

02:02:43,090 --> 02:02:40,250

we had more time to do other things

2767

02:02:45,010 --> 02:02:43,100

that's right switchy and Emily thank you

2768

02:02:46,690 --> 02:02:45,020

for joining us Michael rat thank you for

2769

02:02:49,330 --> 02:02:46,700

talking to us about the deepest black

2770

02:02:51,400 --> 02:02:49,340

operation programs in the world and that

2771

02:02:53,650 --> 02:02:51,410

guy knew how much each one cost and when

2772

02:02:56,050 --> 02:02:53,660

they were built and yeah he's really

2773

02:02:57,640 --> 02:02:56,060

good he's really good thank you for the

2774

02:03:00,130 --> 02:02:57,650

Willie club who calling in telling us

2775

02:03:02,350 --> 02:03:00,140

what our latest security check is and

2776

02:03:05,290 --> 02:03:02,360

also Thank You Martin Willis for joining

2777

02:03:07,360 --> 02:03:05,300

us and and lightness and all things

2778

02:03:10,270 --> 02:03:07,370

having to do with UFOs thank you very

2779

02:03:12,850 --> 02:03:10,280

much thanks Emily we did that which an M

2780

02:03:15,060 --> 02:03:12,860

yep okay but they they're so good we can

2781

02:03:17,380 --> 02:03:15,070

mention them twice thank you to all our

2782

02:03:20,920 --> 02:03:17,390

listeners out there if you want to get a

2783

02:03:23,160 --> 02:03:20,930

hold of us just write me at Thank You

2784

02:03:24,350 --> 02:03:23,170

Emily wingman that Mack Maloney duck

2785

02:03:27,350 --> 02:03:24,360

very

2786

02:03:29,290 --> 02:03:27,360

one last water now I find her on

2787

02:03:33,980 --> 02:03:29,300

Facebook one of these days I'm really

2788

02:03:36,590 --> 02:03:33,990

okay and so until next time this is a

2789

02:03:37,700 --> 02:03:36,600

Mack money for the gang saying be safe
