44

questions and comments as always

45

00:02:21,270 --> 00:02:19,520

ironchat.com

46

00:02:22,630 --> 00:02:21,280

is the link for the connection so come

47

00:02:24,710 --> 00:02:22,640

join us there and they have we got a

48

00:02:27,190 --> 00:02:24,720

wonderful show

49

00:02:28,150 --> 00:02:27,200

and then in one night they say lightning

50

00:02:30,790 --> 00:02:28,160

struck

51
00:02:32,790 --> 00:02:30,800
uh and and some what did one paper say

52
00:02:34,470 --> 00:02:32,800
lightning struck twice

53
00:02:37,350 --> 00:02:34,480
a couple different sources say that it

54
00:02:39,190 --> 00:02:37,360
was struck twice by lightning

55
00:02:41,990 --> 00:02:39,200
right the odds are probably a little bit

56
00:02:44,630 --> 00:02:42,000
more intense there

57
00:02:46,390 --> 00:02:44,640
right exactly

58
00:02:49,990 --> 00:02:46,400
well

59
00:02:51,750 --> 00:02:50,000
yeah it's some amazing stuff um

60
00:02:52,869 --> 00:02:51,760
so uh and

61
00:02:54,390 --> 00:02:52,879
he

62
00:02:55,509 --> 00:02:54,400
so so

63
00:02:57,030 --> 00:02:55,519

he was

64

00:02:57,990 --> 00:02:57,040

checked out his identity and he checked

65

00:03:01,830 --> 00:02:58,000

out

66

00:03:05,750 --> 00:03:01,840

okay and you checked to see if his

67

00:03:07,589 --> 00:03:05,760

family owned next door and did they

68

00:03:09,270 --> 00:03:07,599

yes they did okay

69

00:03:11,750 --> 00:03:09,280

um

70

00:03:14,630 --> 00:03:11,760

and he had pictures right he actually

71

00:03:17,110 --> 00:03:14,640

had pictures of the smoldering bruins

72

00:03:19,830 --> 00:03:17,120

which puts him at the place at the time

73

00:03:21,190 --> 00:03:19,840

he said he was basically yep i mean

74

00:03:22,949 --> 00:03:21,200

i seen the pictures their daytime

75

00:03:24,229 --> 00:03:22,959

pictures early morning right really

76

00:03:25,350 --> 00:03:24,239

early morning

77

00:03:26,470 --> 00:03:25,360

but

78

00:03:28,710 --> 00:03:26,480

uh

79

00:03:30,229 --> 00:03:28,720

you know be that as a mate i mean yeah

80

00:03:32,630 --> 00:03:30,239

so that's

81

00:03:34,710 --> 00:03:32,640

that's uh pretty compelling

82

00:03:36,869 --> 00:03:34,720

yeah plus he explained in the fire

83

00:03:38,789 --> 00:03:36,879

pictures he said this is you can tell

84

00:03:40,470 --> 00:03:38,799

that you know they burned it down

85

00:03:41,910 --> 00:03:40,480

because when they put the straw into the

86

00:03:43,990 --> 00:03:41,920

center of the house

87

00:03:46,070 --> 00:03:44,000

everything fell into that hole

88

00:03:48,390 --> 00:03:46,080

everything fell into the foundation

89

00:03:50,630 --> 00:03:48,400

nothing fell out of the foundation and

90

00:03:53,030 --> 00:03:50,640

none of the trees caught fire you know

91

00:03:54,390 --> 00:03:53,040

what brother the trees were charred but

92

00:03:56,229 --> 00:03:54,400

none of them actually burned to the

93

00:03:56,949 --> 00:03:56,239

ground because it was so well planned

94

00:03:58,710 --> 00:03:56,959

out

95

00:04:00,470 --> 00:03:58,720

if you look at the fire pictures and i

96

00:04:02,149 --> 00:04:00,480

shared a lot on summer wind restoration

97

00:04:03,910 --> 00:04:02,159

society as well

98

00:04:04,789 --> 00:04:03,920

you can see that the trees are charred

99

00:04:05,830 --> 00:04:04,799

but

100

00:04:09,110 --> 00:04:05,840

you know they're not they're still there

101

00:04:10,869 --> 00:04:09,120

they didn't burn down to the ground

102

00:04:13,670 --> 00:04:10,879

and if anybody wants to check out photos

103

00:04:15,990 --> 00:04:13,680

of summerwind uh go on facebook and

104

00:04:17,749 --> 00:04:16,000

check out the summer restoration society

105

00:04:19,909 --> 00:04:17,759

it's a facebook group page

106

00:04:21,189 --> 00:04:19,919

you can join it i'm sure craig will uh

107

00:04:23,830 --> 00:04:21,199

let you in

108

00:04:25,990 --> 00:04:23,840

and you can check the photoshop

109

00:04:28,310 --> 00:04:26,000

uh

110

00:04:31,350 --> 00:04:28,320

now there were some pictures that were

111

00:04:33,749 --> 00:04:31,360

sent to us from the fire department um

112

00:04:35,830 --> 00:04:33,759

sent to like the milwaukee journal

113

00:04:38,070 --> 00:04:35,840

because they did a story on uh you know

114

00:04:40,629 --> 00:04:38,080

it couldn't be arson could it have been

115

00:04:42,310 --> 00:04:40,639

torched stuff like that yeah and the

116

00:04:43,830 --> 00:04:42,320

town of land lakes did send some

117

00:04:46,310 --> 00:04:43,840

pictures you know

118

00:04:47,430 --> 00:04:46,320

of summer wind on fire um and evidently

119

00:04:50,629 --> 00:04:47,440

they stopped to take a lot of the

120

00:04:52,629 --> 00:04:50,639

pictures of it burning down and stuff

121

00:04:55,990 --> 00:04:52,639

there it does show

122

00:04:57,510 --> 00:04:56,000

it does show daylight in the uh photos

123

00:04:59,670 --> 00:04:57,520

above the tree line

124

00:05:02,070 --> 00:04:59,680

because it stated that they started

125

00:05:04,870 --> 00:05:02,080

burning it maybe around

126

00:05:05,749 --> 00:05:04,880

if he was there at around 10 10 30 at

127

00:05:07,110 --> 00:05:05,759

night

128

00:05:09,350 --> 00:05:07,120

just an estimate if he was there around

129

00:05:12,230 --> 00:05:09,360

10 10 30 at night now you're talking

130

00:05:13,270 --> 00:05:12,240

you know 30 years ago so

131

00:05:15,749 --> 00:05:13,280

let's say

132

00:05:17,350 --> 00:05:15,759

it was really like 11 o'clock and they

133

00:05:18,950 --> 00:05:17,360

had put the hay in there how long did it

134

00:05:21,590 --> 00:05:18,960

take them to get the hay in there how

135

00:05:23,270 --> 00:05:21,600

long did it take them to start the fire

136

00:05:25,350 --> 00:05:23,280

um say they didn't get it started till

137

00:05:28,310 --> 00:05:25,360

till midnight

138

00:05:31,350 --> 00:05:28,320

now i did talk again with the uh

139

00:05:34,950 --> 00:05:31,360

um the state fire marshal she said she

140

00:05:37,510 --> 00:05:34,960

has no idea how long it would take

141

00:05:39,909 --> 00:05:37,520

to burn a building down in a pouring

142

00:05:42,550 --> 00:05:39,919

torrential downpour of rain now there's

143

00:05:44,390 --> 00:05:42,560

no windows on the house there's no doors

144

00:05:45,430 --> 00:05:44,400

regardless of putting straw on the

145

00:05:47,510 --> 00:05:45,440

inside

146

00:05:48,790 --> 00:05:47,520

those floors are still saturated with

147

00:05:52,550 --> 00:05:48,800

water

148

00:05:53,990 --> 00:05:52,560

probably going to take a decent amount

149

00:05:56,070 --> 00:05:54,000

of time to

150

00:05:57,670 --> 00:05:56,080

burn down you know my estimate would be

151
00:05:59,350 --> 00:05:57,680
to take a decent amount of time to burn

152
00:06:01,110 --> 00:05:59,360
down the property

153
00:06:01,990 --> 00:06:01,120
plus all the two other buildings there

154
00:06:04,150 --> 00:06:02,000
as well

155
00:06:05,670 --> 00:06:04,160
so it easily could have been early

156
00:06:06,790 --> 00:06:05,680
morning hours now they say the fire

157
00:06:08,390 --> 00:06:06,800
department said they didn't get out

158
00:06:10,309 --> 00:06:08,400
there till

159
00:06:12,870 --> 00:06:10,319
seven o'clock in the morning after

160
00:06:14,390 --> 00:06:12,880
church is when they got the fire call

161
00:06:16,950 --> 00:06:14,400
i don't know the pictures look like it's

162
00:06:18,950 --> 00:06:16,960
earlier than seven am but i'm not a uh a

163
00:06:21,670 --> 00:06:18,960

time specialist so i'm not sure 100

164

00:06:23,430 --> 00:06:21,680

percent but anybody can alter pictures

165

00:06:24,950 --> 00:06:23,440

nowadays too so

166

00:06:26,710 --> 00:06:24,960

you know unless i see the original

167

00:06:28,070 --> 00:06:26,720

pictures if they have some type of time

168

00:06:29,749 --> 00:06:28,080

stamp on them or

169

00:06:32,150 --> 00:06:29,759

or even a date would be helpful with

170

00:06:34,629 --> 00:06:32,160

that they'll have a date but not a time

171

00:06:36,390 --> 00:06:34,639

i'm guessing yeah probably a date

172

00:06:37,830 --> 00:06:36,400

sometimes they do it just depends so

173

00:06:41,350 --> 00:06:37,840

whether they take them with polaroids or

174

00:06:43,270 --> 00:06:41,360

are they taking with 110 cameras or what

175

00:06:45,189 --> 00:06:43,280

we should point out too that

176
00:06:46,629 --> 00:06:45,199
at that time of year it gets late at 5

177
00:06:47,670 --> 00:06:46,639
00 a.m

178
00:06:49,430 --> 00:06:47,680
yup

179
00:06:50,870 --> 00:06:49,440
so okay you're right i mean

180
00:06:53,749 --> 00:06:50,880
hypothetically let's say they didn't

181
00:06:56,150 --> 00:06:53,759
start until 12 or 1. like you said maybe

182
00:06:57,909 --> 00:06:56,160
uh if we give them an hour

183
00:06:58,790 --> 00:06:57,919
play even an hour and a half with the

184
00:07:01,350 --> 00:06:58,800
play

185
00:07:02,710 --> 00:07:01,360
um and being as wet it was as it was

186
00:07:03,990 --> 00:07:02,720
uh

187
00:07:06,710 --> 00:07:04,000
then pictures could have easily been

188
00:07:08,230 --> 00:07:06,720

taken at 5 30 in the morning and if you

189

00:07:09,670 --> 00:07:08,240

look at the pictures

190

00:07:12,070 --> 00:07:09,680

most of the building is already burnt

191

00:07:15,029 --> 00:07:12,080

the inner upper part the second story

192

00:07:17,110 --> 00:07:15,039

yet the all you have left are just the

193

00:07:17,909 --> 00:07:17,120

bottom parts of the basically the walls

194

00:07:19,830 --> 00:07:17,919

yeah

195

00:07:20,870 --> 00:07:19,840

and uh

196

00:07:22,950 --> 00:07:20,880

and

197

00:07:25,270 --> 00:07:22,960

our team has been out there that you

198

00:07:27,110 --> 00:07:25,280

know uh like your team and

199

00:07:27,909 --> 00:07:27,120

uh you could clearly notice that other

200

00:07:30,309 --> 00:07:27,919

games

201
00:07:31,749 --> 00:07:30,319
yeah and uh you know the the two

202
00:07:33,510 --> 00:07:31,759
buildings

203
00:07:36,390 --> 00:07:33,520
uh like the the

204
00:07:38,150 --> 00:07:36,400
summer wind and the surface quarters

205
00:07:40,309 --> 00:07:38,160
are i mean they're not right next to

206
00:07:42,550 --> 00:07:40,319
each other you know i'd say maybe 20

207
00:07:44,390 --> 00:07:42,560
feet apart but the from the servants

208
00:07:45,830 --> 00:07:44,400
quarters to the garage it's further than

209
00:07:47,909 --> 00:07:45,840
that and

210
00:07:50,230 --> 00:07:47,919
even like you said like even if the the

211
00:07:52,790 --> 00:07:50,240
trees weren't they were just slightly

212
00:07:54,629 --> 00:07:52,800
charred and stuff uh which were closer

213
00:07:57,029 --> 00:07:54,639

to the building than the service

214

00:07:58,230 --> 00:07:57,039

quarters

215

00:08:00,469 --> 00:07:58,240

there's just so many unanswered

216

00:08:02,629 --> 00:08:00,479

questions and yeah the pictures that

217

00:08:05,510 --> 00:08:02,639

were taken yeah the pictures that were

218

00:08:07,589 --> 00:08:05,520

sent to us or milwaukee journal

219

00:08:09,110 --> 00:08:07,599

they also kind of show that when they

220

00:08:10,710 --> 00:08:09,120

took the pictures it was pretty dark

221

00:08:12,469 --> 00:08:10,720

because the trees didn't show up in

222

00:08:13,909 --> 00:08:12,479

their pictures the fire showed up

223

00:08:15,430 --> 00:08:13,919

clearly but the trees didn't really show

224

00:08:17,430 --> 00:08:15,440

up it was still dark

225

00:08:19,909 --> 00:08:17,440

not pitch dark so it could have been

226

00:08:22,070 --> 00:08:19,919

early morning

227

00:08:23,990 --> 00:08:22,080

and then one of those pictures in one of

228

00:08:25,510 --> 00:08:24,000

those pictures that was sent you can

229

00:08:26,710 --> 00:08:25,520

clearly see

230

00:08:28,390 --> 00:08:26,720

one of the i'm not sure if it's the

231

00:08:30,550 --> 00:08:28,400

maids quarters the servant's quarters or

232

00:08:31,830 --> 00:08:30,560

the garage or something like that but

233

00:08:33,029 --> 00:08:31,840

it's not even touched by fire they're

234

00:08:34,790 --> 00:08:33,039

taking pictures of it it's not the

235

00:08:37,909 --> 00:08:34,800

fire's not even near so where'd that

236

00:08:43,430 --> 00:08:40,389

yeah you know this is uh

237

00:08:44,949 --> 00:08:43,440

it's incredible um it's really truly an

238

00:08:47,430 --> 00:08:44,959

incredible story

239

00:08:49,110 --> 00:08:47,440

there's no doubt about that

240

00:08:51,190 --> 00:08:49,120

yep i did check with

241

00:08:53,030 --> 00:08:51,200

vilas county um

242

00:08:56,550 --> 00:08:53,040

corporate courts to find out if any

243

00:08:57,590 --> 00:08:56,560

permits were ever issued to anybody

244

00:08:59,590 --> 00:08:57,600

for

245

00:09:01,269 --> 00:08:59,600

you know you know attempting to burn

246

00:09:03,269 --> 00:09:01,279

down summer winning or wanting to burn

247

00:09:05,670 --> 00:09:03,279

down summer wins and nothing was ever

248

00:09:07,750 --> 00:09:05,680

issued the only records that they had in

249

00:09:09,430 --> 00:09:07,760

their office was

250

00:09:12,310 --> 00:09:09,440

the fact that

251
00:09:13,829 --> 00:09:12,320
von bober when he had it after the

252
00:09:16,230 --> 00:09:13,839
henshaws had it

253
00:09:18,150 --> 00:09:16,240
wanted to make it

254
00:09:19,829 --> 00:09:18,160
listed in the historical register of

255
00:09:21,750 --> 00:09:19,839
deeds and he was going to do that

256
00:09:23,430 --> 00:09:21,760
evidently he never did that

257
00:09:25,430 --> 00:09:23,440
the second thing that was listed in the

258
00:09:27,590 --> 00:09:25,440
documents were

259
00:09:29,190 --> 00:09:27,600
after the fire there was bricks laying

260
00:09:31,750 --> 00:09:29,200
around everywhere on the inside of the

261
00:09:33,269 --> 00:09:31,760
mansion and i guess the owners had

262
00:09:39,750 --> 00:09:33,279
asked the town to clean up the bricks

263
00:09:44,470 --> 00:09:41,670

yeah that's that's quite interesting i

264

00:09:47,030 --> 00:09:44,480

you know it's uh

265

00:09:48,829 --> 00:09:47,040

again you know

266

00:09:52,710 --> 00:09:48,839

that being

267

00:09:56,310 --> 00:09:52,720

a you know so historic out there

268

00:09:58,389 --> 00:09:56,320

it's it's it's a shame that it wasn't uh

269

00:10:00,310 --> 00:09:58,399

registered as a historical thing at the

270

00:10:02,310 --> 00:10:00,320

time because i think uh had it been they

271

00:10:04,470 --> 00:10:02,320

would have been much more careful about

272

00:10:06,230 --> 00:10:04,480

doing what they did that's just yeah

273

00:10:08,630 --> 00:10:06,240

definitely

274

00:10:11,509 --> 00:10:08,640

you know assuming they did that uh

275

00:10:13,350 --> 00:10:11,519

obviously iran or periversal universe we

276

00:10:15,590 --> 00:10:13,360

you know we're just we have no proof you

277

00:10:17,350 --> 00:10:15,600

know and the town didn't did we should

278

00:10:18,630 --> 00:10:17,360

to be fair the town did say that they

279

00:10:21,509 --> 00:10:18,640

didn't do it

280

00:10:23,430 --> 00:10:21,519

right yeah of course yep

281

00:10:25,590 --> 00:10:23,440

supernatural magazine and then it came

282

00:10:27,590 --> 00:10:25,600

out in the milwaukee sentinel for the

283

00:10:29,829 --> 00:10:27,600

associated press

284

00:10:31,430 --> 00:10:29,839

and then they denied it

285

00:10:33,430 --> 00:10:31,440

they denied it

286

00:10:35,110 --> 00:10:33,440

ramish also denied the fact that he told

287

00:10:36,389 --> 00:10:35,120

the milwaukee journal

288

00:10:38,470 --> 00:10:36,399

that uh

289

00:10:40,710 --> 00:10:38,480

he was looking to get permits to burn it

290

00:10:41,910 --> 00:10:40,720

down and said that if he didn't do it he

291

00:10:43,590 --> 00:10:41,920

wouldn't know when he was going to he

292

00:10:46,710 --> 00:10:43,600

goes oh i must have they must have took

293

00:10:48,630 --> 00:10:46,720

words out of my mouth or something so he

294

00:10:52,550 --> 00:10:48,640

denied that saying that to milwaukee

295

00:10:54,949 --> 00:10:52,560

journal uh many years ago too so

296

00:10:57,269 --> 00:10:54,959

and you figure you know for for this to

297

00:10:58,710 --> 00:10:57,279

have happened this kind of conspiracy

298

00:10:59,829 --> 00:10:58,720

because that's what it was you know

299

00:11:01,829 --> 00:10:59,839

conspiracy conspiracies more than two

300

00:11:03,990 --> 00:11:01,839

people inspiring

301
00:11:06,389 --> 00:11:04,000
you know crime or or yeah something

302
00:11:07,269 --> 00:11:06,399
wrong with wrongdoing and uh here you

303
00:11:09,350 --> 00:11:07,279
have

304
00:11:11,190 --> 00:11:09,360
uh you figure well you know according to

305
00:11:12,550 --> 00:11:11,200
his testimony the sheriff's department

306
00:11:15,030 --> 00:11:12,560
had to be some members had to be

307
00:11:16,949 --> 00:11:15,040
involved on it the fire department and

308
00:11:18,550 --> 00:11:16,959
the town offices so you're looking at 15

309
00:11:20,870 --> 00:11:18,560
to 20 people

310
00:11:22,870 --> 00:11:20,880
probably probably had told their kids

311
00:11:25,269 --> 00:11:22,880
and their grandkids guess what we did or

312
00:11:27,269 --> 00:11:25,279
you know yeah just like

313
00:11:29,350 --> 00:11:27,279

just like the daughter told the one guy

314

00:11:30,550 --> 00:11:29,360

that their dad burned the summerwind

315

00:11:32,150 --> 00:11:30,560

mansion down

316

00:11:33,829 --> 00:11:32,160

you know and it makes sense it makes a

317

00:11:35,590 --> 00:11:33,839

little more sense hearing at that and

318

00:11:38,069 --> 00:11:35,600

thinking about that that we would have

319

00:11:39,990 --> 00:11:38,079

heard it in high school you know um

320

00:11:41,670 --> 00:11:40,000

because kids like you said dinner table

321

00:11:43,190 --> 00:11:41,680

oh yeah you know dad burned someone down

322

00:11:45,190 --> 00:11:43,200

last night don't tell anyone of course

323

00:11:47,750 --> 00:11:45,200

kids run to school blah blah summer when

324

00:11:49,430 --> 00:11:47,760

burned out you know yeah depending upon

325

00:11:51,430 --> 00:11:49,440

where land the lake school kids went to

326
00:11:52,630 --> 00:11:51,440
school might have been uh home of the

327
00:12:00,470 --> 00:11:52,640
nimrods

328
00:12:04,069 --> 00:12:02,310
all right everybody and with that it is

329
00:12:05,829 --> 00:12:04,079
time for our first commercial break

330
00:12:08,310 --> 00:12:05,839

361

00:13:22,150 --> 00:13:20,240

monstrosities which is the largest page

362

00:13:23,670 --> 00:13:22,160

on facebook for aquatic mysteries and

363

00:13:25,670 --> 00:13:23,680

the lake monsters

364

00:13:28,550 --> 00:13:25,680

and finally ultimate conspiracies which

365

00:13:29,829 --> 00:13:28,560

is pretty much self-explanatory

366

00:13:32,150 --> 00:13:29,839

okay um craig you're still with us

372

00:13:55,350 --> 00:13:53,509

all right so we were discussing the

373

00:13:57,590 --> 00:13:55,360

summer wind fire

374

00:13:59,350 --> 00:13:57,600

and uh

375

00:14:02,389 --> 00:13:59,360

really amazing stuff

376

00:14:03,350 --> 00:14:02,399

uh we were talking off air for a minute

377

00:14:05,350 --> 00:14:03,360

uh

378

00:14:06,629 --> 00:14:05,360

and i didn't jot it down

379

00:14:08,470 --> 00:14:06,639

you got so many things in front of me

380

00:14:12,870 --> 00:14:08,480

here i'm sure we'll get back to it

381

00:14:16,470 --> 00:14:14,949

so i guess um

382

00:14:17,829 --> 00:14:16,480

for the for the beginning of the second

383

00:14:20,790 --> 00:14:17,839

half i'd like to talk a little bit about

384

00:14:22,230 --> 00:14:20,800

the summer and restoration society

385

00:14:24,389 --> 00:14:22,240

of course which would

386

00:14:27,110 --> 00:14:24,399

has to do with summerlin totally um if

387

00:14:28,470 --> 00:14:27,120

you could take a couple minutes and

388

00:14:31,350 --> 00:14:28,480

explain to everybody what the the

389

00:14:32,629 --> 00:14:31,360

restoration society is about and how it

390

00:14:34,230 --> 00:14:32,639

came to be

391

00:14:36,550 --> 00:14:34,240

and uh

392

00:14:39,910 --> 00:14:36,560

all that

393

00:14:41,990 --> 00:14:39,920

sure um basically um getting in touch

394

00:14:45,269 --> 00:14:42,000

with the owners when we first started

395

00:14:46,310 --> 00:14:45,279

investigating summer when maybe about

396

00:14:48,150 --> 00:14:46,320

six or

397

00:14:49,670 --> 00:14:48,160

probably about six years ago

398

00:14:51,750 --> 00:14:49,680

it took us a while to get a hold of the

399

00:14:52,870 --> 00:14:51,760

owners to get permission to even go out

400

00:14:54,310 --> 00:14:52,880

there

401
00:14:56,949 --> 00:14:54,320
once we were able to get permission to

402
00:14:59,829 --> 00:14:56,959
go out there and do investigations it's

403
00:15:01,990 --> 00:14:59,839
just been an amazing journey since then

404
00:15:03,990 --> 00:15:02,000
but we've become very very close to the

405
00:15:05,269 --> 00:15:04,000
owners over the years

406
00:15:06,949 --> 00:15:05,279
and

407
00:15:08,470 --> 00:15:06,959

420

422

00:15:37,269 --> 00:15:34,959

restrictions applied

423

00:15:39,829 --> 00:15:37,279

they're basically when they purchased

424

00:15:42,389 --> 00:15:39,839

the property in

425

00:15:44,310 --> 00:15:42,399

uh just two years prior to

426

00:15:47,110 --> 00:15:44,320

the mansion burning down

427

00:15:48,710 --> 00:15:47,120

they had purchased it um basically

428

00:15:50,790 --> 00:15:48,720

the owner

429

00:15:52,629 --> 00:15:50,800

the the wife went up to the husband for

430

00:15:54,629 --> 00:15:52,639

her anniversary and said hey you know

431

00:15:56,550 --> 00:15:54,639

i'd like something different for

432

00:15:58,550 --> 00:15:56,560

an anniversary presence so what does he

433

00:16:00,069 --> 00:15:58,560

do he comes back with the deed to summer

434

00:16:02,870 --> 00:16:00,079

wind

435

00:16:04,790 --> 00:16:02,880

uh kind of a neat little story to you

436

00:16:07,350 --> 00:16:04,800

know get a haunted house for the

437

00:16:08,949 --> 00:16:07,360

anniversary present

438

00:16:11,670 --> 00:16:08,959

so

439

00:16:13,350 --> 00:16:11,680

after that they're they wanted to build

440

00:16:15,509 --> 00:16:13,360

it like into bed and breakfast to be

441

00:16:18,069 --> 00:16:15,519

able to allow people to come out and

442

00:16:19,749 --> 00:16:18,079

enjoy it to uh make like a lodge with

443

00:16:21,509 --> 00:16:19,759

all the history and everything involved

444

00:16:24,310 --> 00:16:21,519

within it as well

445

00:16:25,670 --> 00:16:24,320

but in two years later lightning or

446

00:16:27,910 --> 00:16:25,680

whatever

447

00:16:29,509 --> 00:16:27,920

burned it to the ground so

448

00:16:31,590 --> 00:16:29,519

their dreams of making it into a bed and

449

00:16:33,269 --> 00:16:31,600

breakfast were kind of down the tubes

450

00:16:35,670 --> 00:16:33,279

and we kind of got started on the

451
00:16:37,670 --> 00:16:35,680
project hoping that we could uh

452
00:16:39,910 --> 00:16:37,680
as some of the newspapers say conjure

453
00:16:42,389 --> 00:16:39,920
the funds to uh

454
00:16:43,749 --> 00:16:42,399
um be able to rebuild summer wind to its

455
00:16:45,350 --> 00:16:43,759
former glory

456
00:16:47,030 --> 00:16:45,360
now we're not talking about building all

457
00:16:48,230 --> 00:16:47,040
the outbuildings in the garage and

458
00:16:50,550 --> 00:16:48,240
everything we're just talking about

459
00:16:52,790 --> 00:16:50,560
building the main mansion with the

460
00:16:53,749 --> 00:16:52,800
original blueprints which we have a copy

461
00:16:57,189 --> 00:16:53,759
of

462
00:16:59,590 --> 00:16:57,199
and our goal is hopefully to uh

463
00:17:01,269 --> 00:16:59,600

be able to do that someday

464

00:17:04,630 --> 00:17:01,279

um the owner just one of the owners

465

00:17:07,350 --> 00:17:04,640

recently just had a stroke group so

466

00:17:09,990 --> 00:17:07,360

uh we're hoping that uh she gets a

467

00:17:12,230 --> 00:17:10,000

chance to see the mansion rebuilt before

468

00:17:13,270 --> 00:17:12,240

you know she's gone and no longer able

469

00:17:14,549 --> 00:17:13,280

to

470

00:17:16,870 --> 00:17:14,559

hopefully that her dream would have come

471

00:17:19,350 --> 00:17:16,880

true

472

00:17:22,309 --> 00:17:19,360

right because yeah they only own that

473

00:17:23,189 --> 00:17:22,319

for like two years before it burnt down

474

00:17:25,669 --> 00:17:23,199

yeah

475

00:17:28,710 --> 00:17:25,679

and um being that was a surprise to her

476

00:17:30,549 --> 00:17:28,720

when they got it you know um

477

00:17:33,669 --> 00:17:30,559

to get anything major going it takes

478

00:17:34,950 --> 00:17:33,679

some time uh you know so

479

00:17:36,390 --> 00:17:34,960

they really didn't even have an

480

00:17:37,270 --> 00:17:36,400

opportunity

481

00:17:41,190 --> 00:17:37,280

to

482

00:17:41,990 --> 00:17:41,200

or maybe put a fence around

483

00:17:43,510 --> 00:17:42,000

or

484

00:17:45,190 --> 00:17:43,520

you know because there's other things

485

00:17:47,270 --> 00:17:45,200

that could have been done besides

486

00:17:48,150 --> 00:17:47,280

torching the place

487

00:17:50,470 --> 00:17:48,160

um

488

00:17:51,590 --> 00:17:50,480

yeah or at least uh you know at least if

489

00:17:53,190 --> 00:17:51,600

they would have uh talked to him a

490

00:17:54,470 --> 00:17:53,200

little bit and said hey you know why

491

00:17:55,669 --> 00:17:54,480

don't you guys put a fence around this

492

00:17:57,590 --> 00:17:55,679

we're getting a little bit irritated

493

00:17:59,990 --> 00:17:57,600

with rather than taking the matters into

494

00:18:03,590 --> 00:18:00,000

your own hands well the owners are down

495

00:18:05,669 --> 00:18:03,600

in lacrosse or on vacation down and uh

496

00:18:07,909 --> 00:18:05,679

they go to uh vegas quite a bit in other

497

00:18:10,150 --> 00:18:07,919

places so down the

498

00:18:11,350 --> 00:18:10,160

camera mexico

499

00:18:14,310 --> 00:18:11,360

right

500

00:18:15,590 --> 00:18:14,320

yeah and yeah exactly that you'd figure

501
00:18:17,750 --> 00:18:15,600
that would have happened it is so

502
00:18:19,350 --> 00:18:17,760
unfortunate that it didn't because like

503
00:18:21,029 --> 00:18:19,360
a simple fence

504
00:18:22,950 --> 00:18:21,039
you know just a little communication

505
00:18:24,150 --> 00:18:22,960
would have been all it would have taken

506
00:18:25,750 --> 00:18:24,160
um

507
00:18:28,710 --> 00:18:25,760
because if the owners weren't even aware

508
00:18:30,710 --> 00:18:28,720
of how bad the problem was with the kids

509
00:18:32,070 --> 00:18:30,720
and the the thrill seekers

510
00:18:34,549 --> 00:18:32,080
um

511
00:18:36,070 --> 00:18:34,559
and whatnot you know i

512
00:18:37,190 --> 00:18:36,080
knowing the owners

513
00:18:38,549 --> 00:18:37,200

you know they would have done something

514

00:18:40,390 --> 00:18:38,559

about it

515

00:18:42,150 --> 00:18:40,400

yeah definitely

516

00:18:43,270 --> 00:18:42,160

uh

517

00:18:48,230 --> 00:18:43,280

so

518

00:18:50,549 --> 00:18:48,240

the place burns down

519

00:18:51,990 --> 00:18:50,559

and to this day people still go out

520

00:18:53,750 --> 00:18:52,000

there all the time

521

00:18:55,270 --> 00:18:53,760

it hasn't deterred anybody from going

522

00:18:57,669 --> 00:18:55,280

out there

523

00:18:59,909 --> 00:18:57,679

um

524

00:19:00,870 --> 00:18:59,919

our society has had

525

00:19:02,789 --> 00:19:00,880

um

526
00:19:04,390 --> 00:19:02,799
two opportunities to investigate

527
00:19:05,590 --> 00:19:04,400
summerlin

528
00:19:07,430 --> 00:19:05,600
uh

529
00:19:08,950 --> 00:19:07,440
just with the society

530
00:19:11,990 --> 00:19:08,960
no

531
00:19:13,990 --> 00:19:12,000
uh what would you call them uh

532
00:19:15,990 --> 00:19:14,000
you know no no outside

533
00:19:17,350 --> 00:19:16,000
influence and uh

534
00:19:19,110 --> 00:19:17,360
there's no doubt that there's still

535
00:19:20,310 --> 00:19:19,120
stuff going on out there

536
00:19:21,750 --> 00:19:20,320
um

537
00:19:24,390 --> 00:19:21,760
we actually

538
00:19:26,630 --> 00:19:24,400

uh the both times we were out there

539

00:19:28,070 --> 00:19:26,640

garnered evidence that that's uh

540

00:19:30,390 --> 00:19:28,080

that that's

541

00:19:31,909 --> 00:19:30,400

um you know and when i

542

00:19:32,950 --> 00:19:31,919

you know after high school and after all

543

00:19:34,870 --> 00:19:32,960

the years

544

00:19:37,990 --> 00:19:34,880

it passed

545

00:19:42,070 --> 00:19:40,310

at first when i went out there i i

546

00:19:44,310 --> 00:19:42,080

my first thought was well the mansion is

547

00:19:46,070 --> 00:19:44,320

gone you know it's just but not you it's

548

00:19:47,430 --> 00:19:46,080

like i thought it was it's benign like

549

00:19:48,230 --> 00:19:47,440

you're doing nothing going to be out

550

00:19:49,990 --> 00:19:48,240

there

551
00:19:51,270 --> 00:19:50,000
and after we investigated for the first

552
00:19:53,190 --> 00:19:51,280
time

553
00:19:53,990 --> 00:19:53,200
and uh

554
00:19:55,350 --> 00:19:54,000
uh

555
00:19:59,510 --> 00:19:55,360
we got

556
00:20:01,430 --> 00:19:59,520
a rock thrown and we had a shadow person

557
00:20:03,669 --> 00:20:01,440
uh

558
00:20:05,350 --> 00:20:03,679
recorded which could not be explained

559
00:20:07,909 --> 00:20:05,360
and put cameras up everywhere and the

560
00:20:09,669 --> 00:20:07,919
whole thing was dissected and there was

561
00:20:11,510 --> 00:20:09,679
absolutely no explanation for the shadow

562
00:20:14,150 --> 00:20:11,520
walking by

563
00:20:16,470 --> 00:20:14,160

so it's you know and of course all the

564

00:20:19,029 --> 00:20:16,480

other people recording stuff

565

00:20:21,029 --> 00:20:19,039

but no team has investigated it more

566

00:20:22,789 --> 00:20:21,039

than you guys uh

567

00:20:24,710 --> 00:20:22,799

what kind of stuff have you guys

568

00:20:26,230 --> 00:20:24,720

experienced out there let's talk about

569

00:20:27,909 --> 00:20:26,240

some of the paranormal activity for a

570

00:20:29,909 --> 00:20:27,919

little bit

571

00:20:32,710 --> 00:20:29,919

um we've experienced and i think you

572

00:20:35,430 --> 00:20:32,720

guys did it as well on the rocks that

573

00:20:37,190 --> 00:20:35,440

were like small sized rocks

574

00:20:39,830 --> 00:20:37,200

just coming out of the sky and coming

575

00:20:41,909 --> 00:20:39,840

out of nowhere it lasted about an hour

576

00:20:43,990 --> 00:20:41,919

and then it started up again a couple

577

00:20:46,310 --> 00:20:44,000

hours later but the rocks were landing

578

00:20:48,870 --> 00:20:46,320

on some girls on our investigators tents

579

00:20:50,710 --> 00:20:48,880

and they started screaming but uh i'm

580

00:20:52,230 --> 00:20:50,720

not your team i think i encountered that

581

00:20:54,310 --> 00:20:52,240

as well

582

00:20:55,830 --> 00:20:54,320

yeah um

583

00:20:58,390 --> 00:20:55,840

we had

584

00:20:59,750 --> 00:20:58,400

jennifer and susan

585

00:21:02,310 --> 00:20:59,760

we're in the basement which is still

586

00:21:05,190 --> 00:21:02,320

covered it's only part of the ruins that

587

00:21:07,590 --> 00:21:05,200

you can still go inside of

588

00:21:09,909 --> 00:21:07,600

and during their evp session

589

00:21:12,149 --> 00:21:09,919

they had a rock and flying in and you

590

00:21:13,830 --> 00:21:12,159

can hear it ricocheting off the cement

591

00:21:15,510 --> 00:21:13,840

because there's cement ceilings cement

592

00:21:17,190 --> 00:21:15,520

walls floor

593

00:21:18,549 --> 00:21:17,200

you know

594

00:21:19,990 --> 00:21:18,559

and of course

595

00:21:20,870 --> 00:21:20,000

there was five of us out there the other

596

00:21:21,750 --> 00:21:20,880

three

597

00:21:23,669 --> 00:21:21,760

uh we're

598

00:21:26,070 --> 00:21:23,679

standing all the way across on the other

599

00:21:27,270 --> 00:21:26,080

side way on the other end um at the

600

00:21:28,830 --> 00:21:27,280

nerves

601
00:21:31,029 --> 00:21:28,840
you know

602
00:21:33,270 --> 00:21:31,039
um and uh

603
00:21:35,430 --> 00:21:33,280
again there's there's you're you're way

604
00:21:37,110 --> 00:21:35,440
out in the boonies there's

605
00:21:38,789 --> 00:21:37,120
you know how can you explain that and of

606
00:21:41,590 --> 00:21:38,799
course the other time was when the rocks

607
00:21:43,510 --> 00:21:41,600
were coming out of the foundation

608
00:21:45,190 --> 00:21:43,520
which is really interesting because when

609
00:21:46,549 --> 00:21:45,200
they come flying out of the foundation

610
00:21:47,990 --> 00:21:46,559
and hit people

611
00:21:49,510 --> 00:21:48,000
you know how do you explain that i mean

612
00:21:51,029 --> 00:21:49,520
you can clearly see there's nobody in

613
00:21:51,990 --> 00:21:51,039

the foundation you can look into the

614

00:21:54,630 --> 00:21:52,000

hole

615

00:21:56,789 --> 00:21:54,640

you know yep and we had thermal cameras

616

00:21:58,470 --> 00:21:56,799

so we knew there wasn't any neighbors or

617

00:22:02,470 --> 00:21:58,480

any kids that were messing with us

618

00:22:05,510 --> 00:22:04,070

some of the uh some of the other

619

00:22:08,470 --> 00:22:05,520

evidence that we captured out there a

620

00:22:11,350 --> 00:22:08,480

lot of amazing evps from voices saying

621

00:22:14,310 --> 00:22:11,360

little girl dead is your friend

622

00:22:15,909 --> 00:22:14,320

voices saying damn it i'm being bad

623

00:22:18,310 --> 00:22:15,919

um basically

624

00:22:19,510 --> 00:22:18,320

the spirit's one night probably about

625

00:22:21,510 --> 00:22:19,520

three years back

626

00:22:23,029 --> 00:22:21,520

there's no electricity up there and all

627

00:22:25,110 --> 00:22:23,039

our meters were going off on the front

628

00:22:27,510 --> 00:22:25,120

porch while we're standing up there

629

00:22:29,510 --> 00:22:27,520

and suddenly on the ghost box a device

630

00:22:31,590 --> 00:22:29,520

that runs white noise to talk to spirits

631

00:22:34,149 --> 00:22:31,600

in real time suddenly we were hearing

632

00:22:36,950 --> 00:22:34,159

things saying go get them run after them

633

00:22:38,549 --> 00:22:36,960

vindictive coming up the driveway hurry

634

00:22:40,149 --> 00:22:38,559

and one of my members is like what what

635

00:22:41,830 --> 00:22:40,159

the heck is going on i said well maybe

636

00:22:43,350 --> 00:22:41,840

you should go up the driveway so he

637

00:22:44,870 --> 00:22:43,360

walks up the driveway here there's three

638

00:22:47,430 --> 00:22:44,880

kids trying to break into the back of

639

00:22:49,590 --> 00:22:47,440

our vehicles so basically the ghost was

640

00:22:50,950 --> 00:22:49,600

warning us that hey somebody's coming up

641

00:22:52,950 --> 00:22:50,960

the driveway

642

00:22:54,390 --> 00:22:52,960

and we thought that was ironic so we all

643

00:22:55,990 --> 00:22:54,400

went back up onto the porch again

644

00:22:57,990 --> 00:22:56,000

started another session

645

00:22:59,990 --> 00:22:58,000

then and when this time i got a little

646

00:23:01,909 --> 00:23:00,000

smarter i'd put a motion the motion

647

00:23:03,750 --> 00:23:01,919

sensor about halfway up the drive we had

648

00:23:06,390 --> 00:23:03,760

one of those really loud ones with the

649

00:23:07,909 --> 00:23:06,400

high decibels and the next thing i know

650

00:23:08,789 --> 00:23:07,919

is on the ghost box again something's

651
00:23:11,350 --> 00:23:08,799
saying

652
00:23:12,630 --> 00:23:11,360
six coming now hurry go get them fast

653
00:23:14,390 --> 00:23:12,640
i'm like oh my god is there somebody

654
00:23:16,630 --> 00:23:14,400
coming and suddenly my motion sensor

655
00:23:18,950 --> 00:23:16,640
goes off one of our members runs up the

656
00:23:21,510 --> 00:23:18,960
driveway again here there's four girls

657
00:23:23,430 --> 00:23:21,520
and or four guys and two girls and one

658
00:23:25,029 --> 00:23:23,440
of the girls just peed her pants because

659
00:23:27,830 --> 00:23:25,039
the motion detector was so loud it

660
00:23:32,070 --> 00:23:29,430
but here the ghost said six people

661
00:23:33,909 --> 00:23:32,080
coming up the driveway

662
00:23:35,750 --> 00:23:33,919
you know and so a lot of a lot of

663
00:23:37,350 --> 00:23:35,760

amazing evps that we have captured you

664

00:23:39,590 --> 00:23:37,360

can actually find on our website

665

00:23:42,789 --> 00:23:39,600

foxvalleyghosthunters.com

666

00:23:46,390 --> 00:23:44,789

you know and then one of them

667

00:23:48,549 --> 00:23:46,400

i'm sorry go ahead

668

00:23:50,549 --> 00:23:48,559

okay then one of the other one of the

669

00:23:53,190 --> 00:23:50,559

last cool things was just captured just

670

00:23:54,789 --> 00:23:53,200

this past event where the guy had came

671

00:23:56,070 --> 00:23:54,799

out and told us about what the town

672

00:23:58,710 --> 00:23:56,080

possibly did

673

00:24:00,630 --> 00:23:58,720

was uh a woman was doing some video and

674

00:24:02,310 --> 00:24:00,640

she did two clips one video she's the

675

00:24:04,630 --> 00:24:02,320

first clip she came around

676
00:24:06,710 --> 00:24:04,640
from down below the porch came up the

677
00:24:07,430 --> 00:24:06,720
stairs and you know there's nothing

678
00:24:11,669 --> 00:24:07,440
there

679
00:24:13,750 --> 00:24:11,679
and then she videotaped maybe like a

680
00:24:15,830 --> 00:24:13,760
half hour an hour later if she's coming

681
00:24:16,950 --> 00:24:15,840
around that corner and going up those

682
00:24:19,029 --> 00:24:16,960
stairs

683
00:24:21,590 --> 00:24:19,039
here is what it looks like is there's a

684
00:24:24,149 --> 00:24:21,600
woman standing there in a white dress

685
00:24:25,909 --> 00:24:24,159
she doesn't walk away she floats away

686
00:24:27,990 --> 00:24:25,919
kind of like glides away and out of the

687
00:24:31,269 --> 00:24:28,000
out of the frame it was so impressive

688
00:24:33,190 --> 00:24:31,279

that it was also shared with

689

00:24:34,950 --> 00:24:33,200

the world's largest ghost hunt as well

690

00:24:36,950 --> 00:24:34,960

and it was on their on their web page

691

00:24:39,269 --> 00:24:36,960

for it's probably still on there but

692

00:24:42,310 --> 00:24:39,279

it's really interesting it looks like uh

693

00:24:43,750 --> 00:24:42,320

uh basically an apparition of a woman in

694

00:24:46,230 --> 00:24:43,760

a white dress

695

00:24:47,909 --> 00:24:46,240

just kind of glides out of the picture

696

00:24:50,070 --> 00:24:47,919

you know there's no doubt that place is

697

00:24:51,350 --> 00:24:50,080

still haunted um

698

00:24:54,710 --> 00:24:51,360

out of the

699

00:24:56,230 --> 00:24:54,720

almost decade that the nwps has been

700

00:24:56,950 --> 00:24:56,240

going well this is

701
00:24:58,470 --> 00:24:56,960
uh

702
00:25:00,549 --> 00:24:58,480
the ninth year

703
00:25:01,990 --> 00:25:00,559
um

704
00:25:03,750 --> 00:25:02,000
the only

705
00:25:05,430 --> 00:25:03,760
only twice that we caught what we'd call

706
00:25:06,870 --> 00:25:05,440
shadow people

707
00:25:08,470 --> 00:25:06,880
on camera

708
00:25:12,950 --> 00:25:08,480
um

709
00:25:14,390 --> 00:25:12,960
like i said that's just

710
00:25:16,070 --> 00:25:14,400
uh and in the middle of nowhere i mean

711
00:25:18,470 --> 00:25:16,080
who would figure right well i do

712
00:25:20,070 --> 00:25:18,480
remember at one of the last camp out

713
00:25:22,950 --> 00:25:20,080

meet and greets we worked

714

00:25:25,669 --> 00:25:22,960

we had the sls camera in the basement

715

00:25:27,350 --> 00:25:25,679

and we actually caught a shadow person

716

00:25:29,830 --> 00:25:27,360

pop its head into the frame for a few

717

00:25:32,070 --> 00:25:29,840

seconds and popped his head back out and

718

00:25:33,430 --> 00:25:32,080

nobody was standing where it was right

719

00:25:36,630 --> 00:25:33,440

yeah that was on connect's camera and

720

00:25:37,350 --> 00:25:36,640

that was uh it didn't it didn't map out

721

00:25:40,070 --> 00:25:37,360

the

722

00:25:41,430 --> 00:25:40,080

figure that kind of came in it came out

723

00:25:43,909 --> 00:25:41,440

you know how it takes a couple seconds

724

00:25:45,990 --> 00:25:43,919

for it to map out the stick figure

725

00:25:48,549 --> 00:25:46,000

for those who don't know that sls camera

726
00:25:50,870 --> 00:25:48,559
is we've taken uh the camera out there a

727
00:25:52,470 --> 00:25:50,880
couple times and

728
00:25:54,549 --> 00:25:52,480
both times

729
00:25:56,549 --> 00:25:54,559
uh the one time when jenny like said it

730
00:25:59,350 --> 00:25:56,559
leaned over and came back in and then

731
00:26:01,510 --> 00:25:59,360
the other time uh for a couple minutes

732
00:26:03,750 --> 00:26:01,520
and that could be found on like page two

733
00:26:05,110 --> 00:26:03,760
where you could see a succession where

734
00:26:07,110 --> 00:26:05,120
there was a

735
00:26:08,789 --> 00:26:07,120
small anomaly like a

736
00:26:11,110 --> 00:26:08,799
like almost like a small

737
00:26:12,470 --> 00:26:11,120
figure that had shown up and i had

738
00:26:14,710 --> 00:26:12,480

walked up to it

739

00:26:17,430 --> 00:26:14,720

slowly with the emf meter

740

00:26:20,710 --> 00:26:17,440

you know trying to get a reading on it

741

00:26:23,909 --> 00:26:20,720

and as i get right up to it it literally

742

00:26:27,190 --> 00:26:23,919

jumps from where it's at onto me jumps

743

00:26:28,950 --> 00:26:27,200

up my back and and disappears

744

00:26:30,549 --> 00:26:28,960

and it was just

745

00:26:33,590 --> 00:26:30,559

it's one of the things and it's just

746

00:26:35,269 --> 00:26:33,600

like wow you know that so yeah i mean

747

00:26:37,590 --> 00:26:35,279

and like you said like for when you guys

748

00:26:39,029 --> 00:26:37,600

go out there i mean kids come out i mean

749

00:26:41,110 --> 00:26:39,039

kids are always people don't realize how

750

00:26:42,470 --> 00:26:41,120

many people go out there because it's i

751

00:26:44,630 --> 00:26:42,480

don't know if it's a rite of passage for

752

00:26:46,310 --> 00:26:44,640

high schoolers or or what you would call

753

00:26:48,230 --> 00:26:46,320

it but

754

00:26:50,390 --> 00:26:48,240

between uh

755

00:26:53,430 --> 00:26:50,400

ghost hunters thrill seekers

756

00:26:54,950 --> 00:26:53,440

and uh kids there's you know well i

757

00:26:56,470 --> 00:26:54,960

think for kids it could kind of be a

758

00:26:57,750 --> 00:26:56,480

rite of passage if you think about it

759

00:26:58,950 --> 00:26:57,760

because they hear from their parents

760

00:27:00,549 --> 00:26:58,960

about the haunted house in the

761

00:27:02,230 --> 00:27:00,559

neighborhood sure and all their older

762

00:27:03,669 --> 00:27:02,240

brothers go out there right so they're

763

00:27:05,669 --> 00:27:03,679

gonna get curious and they're gonna want

764

00:27:07,430 --> 00:27:05,679

to go out and see what it's about too

765

00:27:09,269 --> 00:27:07,440

right yeah a lot of people come over

766

00:27:11,029 --> 00:27:09,279

from the campground that's pretty close

767

00:27:12,310 --> 00:27:11,039

by called ben's camp

768

00:27:13,669 --> 00:27:12,320

everybody comes up there for the summer

769

00:27:15,029 --> 00:27:13,679

like oh my god there's a haunted mansion

770

00:27:17,029 --> 00:27:15,039

it's not far from here we should all go

771

00:27:19,110 --> 00:27:17,039

over there

772

00:27:21,190 --> 00:27:19,120

so you got the blueprints to the

773

00:27:22,549 --> 00:27:21,200

original man

774

00:27:25,750 --> 00:27:22,559

and

775

00:27:27,669 --> 00:27:25,760

the motivation is there to to get this

776

00:27:30,070 --> 00:27:27,679

off the ground

777

00:27:32,470 --> 00:27:30,080

that's really cool um

778

00:27:34,630 --> 00:27:32,480

and you guys are still looking for

779

00:27:36,470 --> 00:27:34,640

investors is that correct

780

00:27:38,710 --> 00:27:36,480

yeah still looking for investors um we

781

00:27:41,430 --> 00:27:38,720

have uh i have spoken and it's pretty

782

00:27:43,669 --> 00:27:41,440

cool with uh jeff belanger he is

783

00:27:45,510 --> 00:27:43,679

actually the producer of many ghost

784

00:27:48,870 --> 00:27:45,520

hunting shows on tv and throughout the

785

00:27:50,390 --> 00:27:48,880

years um now including like uh

786

00:27:51,990 --> 00:27:50,400

um the uh

787

00:27:53,750 --> 00:27:52,000

paranormal lockdown the current one

788

00:27:55,830 --> 00:27:53,760

that's on tv

789

00:27:57,830 --> 00:27:55,840

and uh we've been in touch with him

790

00:27:59,830 --> 00:27:57,840

quite a bit and he was looking for a

791

00:28:03,269 --> 00:27:59,840

producer to maybe

792

00:28:04,549 --> 00:28:03,279

help back the project to uh basically do

793

00:28:07,029 --> 00:28:04,559

season one

794

00:28:09,029 --> 00:28:07,039

the uh basically called the rebuilding

795

00:28:11,110 --> 00:28:09,039

of summer wind along with the stories

796

00:28:13,029 --> 00:28:11,120

behind summer wind and all the different

797

00:28:15,190 --> 00:28:13,039

teams that have been out there and then

798

00:28:18,710 --> 00:28:15,200

create another season after it's built

799

00:28:21,990 --> 00:28:20,789

the continued hauntings of a bed and

800

00:28:24,470 --> 00:28:22,000

breakfast

801

00:28:26,149 --> 00:28:24,480

so if we ever get that off the ground

802

00:28:28,149 --> 00:28:26,159

that would be really awesome but he's

803

00:28:29,430 --> 00:28:28,159

having problems finding a producer for a

804

00:28:32,149 --> 00:28:29,440

couple reasons

805

00:28:34,070 --> 00:28:32,159

one it's a great idea who

806

00:28:36,630 --> 00:28:34,080

and this is something just for anybody

807

00:28:38,630 --> 00:28:36,640

interested in wanting to help too or

808

00:28:41,590 --> 00:28:38,640

you know to even find the backer

809

00:28:43,669 --> 00:28:41,600

nobody has ever rebuilt a haunted house

810

00:28:45,669 --> 00:28:43,679

before you've seen stuff on tv where

811

00:28:46,630 --> 00:28:45,679

they rebuild your house they redo your

812

00:28:49,029 --> 00:28:46,640

car

813

00:28:50,950 --> 00:28:49,039

make it all nice but no one has ever

814

00:28:54,230 --> 00:28:50,960

rebuilt a haunted house

815

00:28:55,750 --> 00:28:54,240

so the idea is new and it's outrageous

816

00:28:58,389 --> 00:28:55,760

but that's also there's also a little

817

00:29:00,310 --> 00:28:58,399

bit of a risk there for a producer

818

00:29:02,630 --> 00:29:00,320

because if it doesn't you know if your

819

00:29:03,830 --> 00:29:02,640

ratings go down because it don't

820

00:29:06,310 --> 00:29:03,840

you know you don't want to have bad

821

00:29:07,190 --> 00:29:06,320

ratings but for anybody else that's out

822

00:29:08,789 --> 00:29:07,200

there

823

00:29:11,269 --> 00:29:08,799

you know let's do this because it's

824

00:29:13,830 --> 00:29:11,279

never been done

825

00:29:14,870 --> 00:29:13,840

yeah i would say it'd be fantastic i

826
00:29:17,269 --> 00:29:14,880
mean

827
00:29:20,149 --> 00:29:17,279
it's a it's an iconic place

828
00:29:22,870 --> 00:29:20,159
you know um certainly world famous even

829
00:29:24,870 --> 00:29:22,880
after all these years it's there's some

830
00:29:26,870 --> 00:29:24,880
properties just have a charisma about

831
00:29:27,830 --> 00:29:26,880
them and

832
00:29:30,230 --> 00:29:27,840
uh

833
00:29:32,389 --> 00:29:30,240
with this you got you know you got seven

834
00:29:34,070 --> 00:29:32,399
years worth of haunted history

835
00:29:35,350 --> 00:29:34,080
you know you got

836
00:29:36,870 --> 00:29:35,360
uh

837
00:29:41,669 --> 00:29:36,880
yeah

838
00:29:43,909 --> 00:29:41,679

i mean it goes all the way back to the

839

00:29:45,190 --> 00:29:43,919

secretary of commerce correct

840

00:29:47,350 --> 00:29:45,200

um he was the other fan with the

841

00:29:51,269 --> 00:29:47,360

possibility that hoover even stayed

842

00:29:55,750 --> 00:29:53,350

so you have all of that and that you

843

00:29:57,029 --> 00:29:55,760

could do a whole season just on that

844

00:30:02,070 --> 00:29:57,039

you know because then you got all the

845

00:30:03,990 --> 00:30:02,080

years with the the the um you know uh

846

00:30:06,230 --> 00:30:04,000

the henshaw family

847

00:30:07,669 --> 00:30:06,240

which was featured on haunting i think

848

00:30:09,269 --> 00:30:07,679

it was uh wasn't it like the first

849

00:30:11,510 --> 00:30:09,279

episode they even made or the first or

850

00:30:13,510 --> 00:30:11,520

second one or something which i mean i'm

851
00:30:15,750 --> 00:30:13,520
gonna show you

852
00:30:18,149 --> 00:30:15,760
that you know there's

853
00:30:19,510 --> 00:30:18,159
something about this place and then

854
00:30:21,590 --> 00:30:19,520
uh

855
00:30:23,590 --> 00:30:21,600
the fact that you guys got the original

856
00:30:25,350 --> 00:30:23,600
blueprints so you got i mean between the

857
00:30:27,590 --> 00:30:25,360
past

858
00:30:29,750 --> 00:30:27,600
the conspiracy

859
00:30:31,830 --> 00:30:29,760
the the evidence from the time it burnt

860
00:30:33,909 --> 00:30:31,840
down until now because we have evidence

861
00:30:34,870 --> 00:30:33,919
and you have evidence

862
00:30:36,389 --> 00:30:34,880

evidence

881
00:31:12,070 --> 00:31:07,200
you know

882
00:31:12,870 --> 00:31:12,080
cameras and witnesses and and the whole

883
00:31:13,750 --> 00:31:12,880
thing

884
00:31:14,789 --> 00:31:13,760
i mean

885
00:31:15,590 --> 00:31:14,799
and now

886
00:31:17,430 --> 00:31:15,600
if

887
00:31:18,470 --> 00:31:17,440
they actually build it then of course

888
00:31:19,750 --> 00:31:18,480

you got

889

00:31:21,269 --> 00:31:19,760

as you're building it you wonder if

890

00:31:25,110 --> 00:31:21,279

anything is going to happen because

891

00:31:27,669 --> 00:31:25,120

before in the 70s von borber had hired

892

00:31:30,230 --> 00:31:27,679

people to come out and they

893

00:31:31,830 --> 00:31:30,240

left the scene because they're they're

894

00:31:33,510 --> 00:31:31,840

from what i remember like didn't they

895

00:31:35,350 --> 00:31:33,520

have power tools staring by themselves

896

00:31:37,509 --> 00:31:35,360

or or tools

897

00:31:39,029 --> 00:31:37,519

crazy stuff rooms rooms would change

898

00:31:41,430 --> 00:31:39,039

dimension yeah

899

00:31:43,669 --> 00:31:41,440

yeah so i mean you'd have to wonder if

900

00:31:46,630 --> 00:31:43,679

anything would happen this time around

901
00:31:48,870 --> 00:31:46,640
and like you said once it's built

902
00:31:50,789 --> 00:31:48,880
then you know uh then you have more

903
00:31:52,549 --> 00:31:50,799
teams come in and and see if they pick

904
00:31:54,470 --> 00:31:52,559
up anything because it would be one

905
00:31:56,549 --> 00:31:54,480
thing if there was no activity out there

906
00:31:58,549 --> 00:31:56,559
anymore

907
00:32:00,149 --> 00:31:58,559
well but but the fact that teams have

908
00:32:01,990 --> 00:32:00,159
been going out there and documenting

909
00:32:05,110 --> 00:32:02,000
some serious activity

910
00:32:07,509 --> 00:32:05,120
you know um yeah i think just building

911
00:32:09,669 --> 00:32:07,519
over the foundation

912
00:32:11,909 --> 00:32:09,679
where summerwind was uh will bring

913
00:32:13,110 --> 00:32:11,919

activity no matter what i think just

914

00:32:17,590 --> 00:32:13,120

putting something there will bring

915

00:32:21,830 --> 00:32:19,909

okay so we have a question um from the

916

00:32:24,230 --> 00:32:21,840

chat room

917

00:32:26,549 --> 00:32:24,240

and the question is there are so many

918

00:32:28,710 --> 00:32:26,559

spirits about would you really have to

919

00:32:31,110 --> 00:32:28,720

rebuild the same house at the same place

920

00:32:34,710 --> 00:32:31,120

or could you just go to another location

921

00:32:36,230 --> 00:32:34,720

and invite the spirits to follow

922

00:32:37,590 --> 00:32:36,240

you could go to another location but it

923

00:32:39,750 --> 00:32:37,600

wouldn't be summer wind there wouldn't

924

00:32:41,509 --> 00:32:39,760

be any of the history behind it i don't

925

00:32:44,070 --> 00:32:41,519

think rebuilding a house somewhere else

926
00:32:45,830 --> 00:32:44,080
anybody would even want to back that

927
00:32:48,630 --> 00:32:45,840
yeah it would happen it wouldn't be it

928
00:32:50,149 --> 00:32:48,640
wouldn't be summer wind

929
00:32:52,470 --> 00:32:50,159
and it's so cool that you guys got the

930
00:32:54,310 --> 00:32:52,480
original blueprints i mean that's just

931
00:32:56,789 --> 00:32:54,320
because now i mean it makes the whole

932
00:32:58,870 --> 00:32:56,799
thing possible you don't of course i

933
00:33:02,070 --> 00:32:58,880
want to support the idea

934
00:33:04,070 --> 00:33:02,080
you have a society that's backing it

935
00:33:06,710 --> 00:33:04,080
you have tons of people that love this

936
00:33:08,549 --> 00:33:06,720
place i would love to see it go up

937
00:33:09,909 --> 00:33:08,559
to me it's a no-brainer i mean

938
00:33:10,710 --> 00:33:09,919

what are you going gonna do another go

939

00:33:12,870 --> 00:33:10,720

show

940

00:33:15,269 --> 00:33:12,880

with the same pretense you know in the

941

00:33:17,350 --> 00:33:15,279

same script or not script but you know

942

00:33:18,870 --> 00:33:17,360

what i mean i mean yeah you can there's

943

00:33:20,630 --> 00:33:18,880

only so many go shows where you just go

944

00:33:21,750 --> 00:33:20,640

an abandoned house and walk around with

945

00:33:24,230 --> 00:33:21,760

uh

946

00:33:25,830 --> 00:33:24,240

you know a a camera and a ghost box i

947

00:33:28,630 --> 00:33:25,840

mean with this there would be so much

948

00:33:31,350 --> 00:33:28,640

more it would have uh

949

00:33:33,430 --> 00:33:31,360

yeah i would think that any producer you

950

00:33:35,110 --> 00:33:33,440

know big time or up and coming i mean

951
00:33:36,950 --> 00:33:35,120
anybody interested in this should

952
00:33:38,630 --> 00:33:36,960
definitely contact you guys

953
00:33:40,389 --> 00:33:38,640
now for the last five minutes i want to

954
00:33:41,750 --> 00:33:40,399
discuss your books

955
00:33:43,990 --> 00:33:41,760
your your book

956
00:33:45,350 --> 00:33:44,000
wisconsin's most haunted

957
00:33:48,310 --> 00:33:45,360
yep and

958
00:33:50,149 --> 00:33:48,320
uh which came out when

959
00:33:53,110 --> 00:33:50,159
that came out last year um so it's been

960
00:33:55,350 --> 00:33:53,120
on about a year now and

961
00:33:57,509 --> 00:33:55,360
you've uh before we went on you said you

962
00:33:58,630 --> 00:33:57,519
have a new book coming up tell us about

963
00:34:01,269 --> 00:33:58,640

that

964

00:34:02,070 --> 00:34:01,279

yep it's wisconsin's most haunted volume

965

00:34:04,789 --> 00:34:02,080

two

966

00:34:07,269 --> 00:34:04,799

it covers a lot of our very early on

967

00:34:09,829 --> 00:34:07,279

investigations some from like new london

968

00:34:12,470 --> 00:34:09,839

wisconsin one of our very first um

969

00:34:14,310 --> 00:34:12,480

investigations in 2010 where i was

970

00:34:16,790 --> 00:34:14,320

actually scared for the first time in my

971

00:34:18,950 --> 00:34:16,800

life of something really creepy going on

972

00:34:20,950 --> 00:34:18,960

so a lot of the stories that are there

973

00:34:21,990 --> 00:34:20,960

from our basically our earlier times but

974

00:34:23,669 --> 00:34:22,000

also

975

00:34:26,069 --> 00:34:23,679

into some of our newer

976

00:34:27,829 --> 00:34:26,079

investigations as well

977

00:34:30,470 --> 00:34:27,839

the prior book the first one that came

978

00:34:33,270 --> 00:34:30,480

out has summer wind in it as well

979

00:34:34,950 --> 00:34:33,280

and has many stories about summer women

980

00:34:37,030 --> 00:34:34,960

that have never been told before as well

981

00:34:38,629 --> 00:34:37,040

so if you pick up the first copy

982

00:34:41,270 --> 00:34:38,639

you'll see a lot of different articles

983

00:34:42,629 --> 00:34:41,280

about summer wind that were told by a 90

984

00:34:46,710 --> 00:34:42,639

year old woman that lived across the

985

00:34:50,629 --> 00:34:48,869

yeah the second the second yeah the

986

00:34:52,389 --> 00:34:50,639

second book should be out before

987

00:34:53,869 --> 00:34:52,399

christmas

988

00:34:56,790 --> 00:34:53,879

nice

989

00:34:57,910 --> 00:34:56,800

congratulations it's awesome yes thank

990

00:35:06,710 --> 00:34:57,920
