

# Lyn Buchanan | Our Gov't's Most Effective Remote Viewing Techniques

Listen on

[inceptionradionetwork.com](http://inceptionradionetwork.com)

1  
00:00:07,190 --> 00:00:02,400  
network superior wisconsin

2  
00:00:10,310 --> 00:00:07,200  
[Music]

3  
00:00:14,230 --> 00:00:10,320  
you're tuned in to night vision radio

4  
00:00:16,390 --> 00:00:14,240  
exposing the truth one secret at a time

5  
00:00:19,349 --> 00:00:16,400  
prepare yourself as we explore the

6  
00:00:22,550 --> 00:00:19,359  
shadow worlds of suppressed history

7  
00:00:25,109 --> 00:00:22,560  
secret knowledge forbidden religion

8  
00:00:30,170 --> 00:00:25,119  
and shine a light on the conspiracies to

9  
00:00:30,180 --> 00:00:40,709  
[Music]

10  
00:00:40,719 --> 00:00:51,110  
is

11  
00:00:51,120 --> 00:01:08,070  
oh

12  
00:01:08,080 --> 00:01:16,230  
welcome to night vision radio

13  
00:01:19,830 --> 00:01:17,830

welcome back to night vision if you're

14

00:01:20,789 --> 00:01:19,840

just joining us i'm your host renee

15

00:01:23,590 --> 00:01:20,799

barnett

16

00:01:26,149 --> 00:01:23,600

and i have with me tonight lynn buchanan

17

00:01:28,469 --> 00:01:26,159

he is one of the original remote viewers

18

00:01:31,190 --> 00:01:28,479

for the us military at a project

19

00:01:33,510 --> 00:01:31,200

stargate and he has continued on with

20

00:01:35,429 --> 00:01:33,520

that work in the private sector and in

21

00:01:37,109 --> 00:01:35,439

his private life and i was

22

00:01:39,030 --> 00:01:37,119

pumping him for information during the

23

00:01:41,590 --> 00:01:39,040

break and i'm going to continue to do so

24

00:01:44,390 --> 00:01:41,600

on the air

25

00:01:46,230 --> 00:01:44,400

you know uh you have continued this on

26

00:01:48,870 --> 00:01:46,240

in in your uh

27

00:01:50,550 --> 00:01:48,880

private life and in in in

28

00:01:53,510 --> 00:01:50,560

in your own private business

29

00:01:56,630 --> 00:01:53,520

uh with your company uh and it's called

30

00:01:59,109 --> 00:01:56,640

problem solutions innovations which

31

00:02:01,350 --> 00:01:59,119

interestingly spells out psy

32

00:02:03,190 --> 00:02:01,360

and uh

33

00:02:04,469 --> 00:02:03,200

but it didn't really start out as a side

34

00:02:07,670 --> 00:02:04,479

company did it

35

00:02:10,309 --> 00:02:07,680

no um i

36

00:02:12,309 --> 00:02:10,319

was working computers before i went into

37

00:02:15,270 --> 00:02:12,319

the military unit and so

38

00:02:16,630 --> 00:02:15,280

you know into the remote viewing unit

39

00:02:19,589 --> 00:02:16,640

and uh

40

00:02:20,550 --> 00:02:19,599

so when i got to the remote viewing unit

41

00:02:23,990 --> 00:02:20,560

i took

42

00:02:26,710 --> 00:02:24,000

uh joe mcmonagle's place he was retiring

43

00:02:27,830 --> 00:02:26,720

and he had been the database manager

44

00:02:29,270 --> 00:02:27,840

and so

45

00:02:32,309 --> 00:02:29,280

i started

46

00:02:34,710 --> 00:02:32,319

programming the computers for

47

00:02:36,710 --> 00:02:34,720

the remote viewing unit and being the

48

00:02:39,110 --> 00:02:36,720

database manager

49

00:02:41,030 --> 00:02:39,120

as well as the uh uh

50

00:02:43,270 --> 00:02:41,040

everybody in the we were such a small

51  
00:02:44,229 --> 00:02:43,280  
unit everybody wore four or five hats

52  
00:02:45,589 --> 00:02:44,239  
you know

53  
00:02:47,990 --> 00:02:45,599  
and um

54  
00:02:50,710 --> 00:02:48,000  
so i i worked the computers and

55  
00:02:51,990 --> 00:02:50,720  
programmed the computers for the remote

56  
00:02:54,470 --> 00:02:52,000  
viewing unit

57  
00:02:57,670 --> 00:02:54,480  
when i got out of service

58  
00:02:58,630 --> 00:02:57,680  
i started a data analysis company

59  
00:03:00,790 --> 00:02:58,640  
because

60  
00:03:03,190 --> 00:03:00,800  
believe it or not

61  
00:03:05,990 --> 00:03:03,200  
in dc

62  
00:03:07,670 --> 00:03:06,000  
nobody's really using the data the way

63  
00:03:11,110 --> 00:03:07,680

they're supposed to

64

00:03:13,190 --> 00:03:11,120

and so i started this company and then

65

00:03:14,630 --> 00:03:13,200

you know analyzing data to get

66

00:03:16,309 --> 00:03:14,640

information

67

00:03:19,750 --> 00:03:16,319

about the company and about what they

68

00:03:20,710 --> 00:03:19,760

should do and all and

69

00:03:21,990 --> 00:03:20,720

then

70

00:03:27,350 --> 00:03:22,000

when the

71

00:03:30,869 --> 00:03:29,190

all of a sudden

72

00:03:34,229 --> 00:03:30,879

i was getting all these calls for

73

00:03:36,149 --> 00:03:34,239

training and so i just said hey

74

00:03:40,229 --> 00:03:36,159

i can stay home i don't have to drive

75

00:03:42,229 --> 00:03:40,239

five hours a day into dc and back and

76

00:03:44,229 --> 00:03:42,239

and so

77

00:03:46,070 --> 00:03:44,239

i i just started teaching the remote

78

00:03:48,070 --> 00:03:46,080

viewing

79

00:03:50,470 --> 00:03:48,080

now i noticed something interesting or

80

00:03:52,789 --> 00:03:50,480

at least a you know caught my eye

81

00:03:54,869 --> 00:03:52,799

on your uh on your website again that

82

00:03:57,429 --> 00:03:54,879

see ourviewer.com

83

00:03:59,270 --> 00:03:57,439

when you had uh i think it might have

84

00:04:03,030 --> 00:03:59,280

been under the about us section and you

85

00:04:06,470 --> 00:04:03,040

you named the the trainers you know the

86

00:04:07,509 --> 00:04:06,480

the certified trainers and i noticed

87

00:04:12,229 --> 00:04:07,519

that

88

00:04:14,789 --> 00:04:12,239

the large majority of them were women

89

00:04:16,629 --> 00:04:14,799

is there is that just coincidental at

90

00:04:17,590 --> 00:04:16,639

this particular time

91

00:04:19,189 --> 00:04:17,600

in your

92

00:04:20,629 --> 00:04:19,199

group or

93

00:04:23,670 --> 00:04:20,639

do you find

94

00:04:26,830 --> 00:04:23,680

that you have more women students

95

00:04:29,350 --> 00:04:26,840

no uh i actually i think have more men

96

00:04:30,710 --> 00:04:29,360

students really um

97

00:04:32,790 --> 00:04:30,720

i

98

00:04:36,070 --> 00:04:32,800

don't want anybody to

99

00:04:39,110 --> 00:04:36,080

miss through this as sexist or anything

100

00:04:43,590 --> 00:04:40,830

many of

101  
00:04:46,950 --> 00:04:43,600  
the women

102  
00:04:48,150 --> 00:04:46,960  
are non-working wives

103  
00:04:50,790 --> 00:04:48,160  
okay

104  
00:04:52,310 --> 00:04:50,800  
and so they have an opportunity to go

105  
00:04:56,550 --> 00:04:52,320  
into this as a

106  
00:04:59,189 --> 00:04:56,560  
as a job and you know as a teacher

107  
00:05:01,270 --> 00:04:59,199  
most of the men

108  
00:05:03,990 --> 00:05:01,280  
do the eight hour a day

109  
00:05:06,230 --> 00:05:04,000  
jobs and they don't have

110  
00:05:09,029 --> 00:05:06,240  
they don't have the time

111  
00:05:13,909 --> 00:05:10,629  
several of them

112  
00:05:17,670 --> 00:05:13,919  
are planning to become trainers

113  
00:05:20,870 --> 00:05:19,670

it's just a matter of time before it

114

00:05:23,110 --> 00:05:20,880

evens out

115

00:05:26,390 --> 00:05:23,120

you mean there really are women that

116

00:05:31,270 --> 00:05:26,400

still get to stay home and don't have to

117

00:05:31,280 --> 00:05:34,390

is

118

00:05:37,110 --> 00:05:35,909

not only

119

00:05:42,550 --> 00:05:37,120

a

120

00:05:44,710 --> 00:05:42,560

gone through

121

00:05:46,870 --> 00:05:44,720

a detective private

122

00:05:47,990 --> 00:05:46,880

investigator training

123

00:05:49,749 --> 00:05:48,000

up in

124

00:05:54,310 --> 00:05:49,759

washington state

125

00:05:58,150 --> 00:05:56,390

private investigation

126  
00:06:01,029 --> 00:05:58,160  
company

127  
00:06:03,670 --> 00:06:01,039  
that uses 25

128  
00:06:05,029 --> 00:06:03,680  
military trained remote viewers trained

129  
00:06:07,670 --> 00:06:05,039  
by

130  
00:06:08,710 --> 00:06:07,680  
either paul smith or myself or

131  
00:06:10,629 --> 00:06:08,720  
you know

132  
00:06:11,830 --> 00:06:10,639  
trained by the military in the military

133  
00:06:15,430 --> 00:06:11,840  
method

134  
00:06:17,430 --> 00:06:15,440  
and they are doing phenomenal work

135  
00:06:19,670 --> 00:06:17,440  
wow

136  
00:06:22,790 --> 00:06:19,680  
just amazing work

137  
00:06:24,469 --> 00:06:22,800  
the reason i asked that is because uh i

138  
00:06:27,670 --> 00:06:24,479

know that you know they sort of tapped

139

00:06:29,590 --> 00:06:27,680

you because of the psychokinesis and i

140

00:06:33,189 --> 00:06:29,600

know you know they sort of tapped joel

141

00:06:35,990 --> 00:06:33,199

mcmonagle because he had this experience

142

00:06:38,070 --> 00:06:36,000

you know psychic experience or or a

143

00:06:39,270 --> 00:06:38,080

spiritual experience really

144

00:06:40,629 --> 00:06:39,280

and um

145

00:06:42,150 --> 00:06:40,639

you know so they thought well maybe

146

00:06:44,469 --> 00:06:42,160

there's something to that maybe there's

147

00:06:45,830 --> 00:06:44,479

some psychic ability there or something

148

00:06:47,749 --> 00:06:45,840

and you know we all

149

00:06:50,710 --> 00:06:47,759

are familiar with the old term you know

150

00:06:53,029 --> 00:06:50,720

women's intuition and so i i wondered

151

00:06:56,070 --> 00:06:53,039

whether women had a

152

00:06:58,230 --> 00:06:56,080

a more of a proclivity just because

153

00:07:01,430 --> 00:06:58,240

they're sort of used to using their

154

00:07:04,230 --> 00:07:01,440

intuition more or they felt freer to use

155

00:07:08,070 --> 00:07:04,240

it maybe than some men might i don't

156

00:07:09,510 --> 00:07:08,080

know yeah i think our culture

157

00:07:11,510 --> 00:07:09,520

allows

158

00:07:13,670 --> 00:07:11,520

women to

159

00:07:15,749 --> 00:07:13,680

be more freer about it

160

00:07:17,749 --> 00:07:15,759

now in the military

161

00:07:19,909 --> 00:07:17,759

most of the remote viewers we had were

162

00:07:21,589 --> 00:07:19,919

male

163

00:07:22,790 --> 00:07:21,599

we had a few

164

00:07:24,390 --> 00:07:22,800

female

165

00:07:27,270 --> 00:07:24,400

remote viewers

166

00:07:28,870 --> 00:07:27,280

and the thing is that

167

00:07:30,550 --> 00:07:28,880

the

168

00:07:33,270 --> 00:07:30,560

remote viewing

169

00:07:34,870 --> 00:07:33,280

is basically a martial art

170

00:07:37,430 --> 00:07:34,880

and so it

171

00:07:41,670 --> 00:07:37,440

doesn't really require

172

00:07:45,749 --> 00:07:41,680

a strong intuition or a strong uh

173

00:07:47,749 --> 00:07:45,759

uh psychic ability to do the work

174

00:07:51,189 --> 00:07:47,759

now um

175

00:07:53,909 --> 00:07:51,199

by saying that most of the military

176  
00:07:55,029 --> 00:07:53,919  
remote viewers were men

177  
00:07:57,990 --> 00:07:55,039  
it was

178  
00:07:59,749 --> 00:07:58,000  
indicative of the fact that most of the

179  
00:08:00,950 --> 00:07:59,759  
military

180  
00:08:02,869 --> 00:08:00,960  
is men

181  
00:08:05,029 --> 00:08:02,879  
you know

182  
00:08:08,150 --> 00:08:05,039  
that there's

183  
00:08:09,909 --> 00:08:08,160  
ratio wise i think we were right there

184  
00:08:13,589 --> 00:08:09,919  
standard with the

185  
00:08:14,790 --> 00:08:13,599  
overall ratio of the military

186  
00:08:17,430 --> 00:08:14,800  
yes

187  
00:08:19,510 --> 00:08:17,440  
yeah you know somebody if i if i could

188  
00:08:21,430 --> 00:08:19,520

just throw something at you and i

189

00:08:23,350 --> 00:08:21,440

already know the answers but i'm going

190

00:08:25,749 --> 00:08:23,360

to let you answer it

191

00:08:28,150 --> 00:08:25,759

uh max is asking even though remote

192

00:08:29,150 --> 00:08:28,160

viewing may have been declassified

193

00:08:30,710 --> 00:08:29,160

and i mean

194

00:08:33,750 --> 00:08:30,720

declassified

195

00:08:35,589 --> 00:08:33,760

it really isn't but you know i well the

196

00:08:38,790 --> 00:08:35,599

idea that the project was there was

197

00:08:41,110 --> 00:08:38,800

declassified that's right the uh the

198

00:08:43,750 --> 00:08:41,120

controlled remote viewing

199

00:08:45,190 --> 00:08:43,760

was never classified period

200

00:08:47,750 --> 00:08:45,200

in any way

201  
00:08:51,190 --> 00:08:47,760  
what was classified was the fact that

202  
00:08:52,949 --> 00:08:51,200  
the u.s military was using it

203  
00:08:55,750 --> 00:08:52,959  
and had a

204  
00:08:57,269 --> 00:08:55,760  
an intelligence collection unit that was

205  
00:08:58,389 --> 00:08:57,279  
using it

206  
00:09:00,710 --> 00:08:58,399  
because

207  
00:09:03,430 --> 00:09:00,720  
that was classified

208  
00:09:04,550 --> 00:09:03,440  
the people added sri

209  
00:09:06,550 --> 00:09:04,560  
just

210  
00:09:08,949 --> 00:09:06,560  
sort of stayed quiet

211  
00:09:10,949 --> 00:09:08,959  
and uh and

212  
00:09:12,870 --> 00:09:10,959  
of course they were doing research

213  
00:09:14,230 --> 00:09:12,880

most of their research was government

214

00:09:16,150 --> 00:09:14,240

funded

215

00:09:18,310 --> 00:09:16,160

and so

216

00:09:20,310 --> 00:09:18,320

to come out with the fact that

217

00:09:22,389 --> 00:09:20,320

remote viewing existed

218

00:09:23,269 --> 00:09:22,399

would have

219

00:09:25,430 --> 00:09:23,279

uh

220

00:09:26,790 --> 00:09:25,440

would have revealed that they were doing

221

00:09:30,070 --> 00:09:26,800

work

222

00:09:31,829 --> 00:09:30,080

on classified government research

223

00:09:32,790 --> 00:09:31,839

and so they couldn't really talk about

224

00:09:38,230 --> 00:09:32,800

it

225

00:09:40,949 --> 00:09:38,240

has never been classified

226

00:09:43,430 --> 00:09:40,959

oh that's that's wild now

227

00:09:45,590 --> 00:09:43,440

his his question was actually a compound

228

00:09:47,750 --> 00:09:45,600

when he said even though it went through

229

00:09:49,030 --> 00:09:47,760

this declassification does the

230

00:09:53,190 --> 00:09:49,040

government

231

00:09:54,949 --> 00:09:53,200

use remote viewing

232

00:09:57,990 --> 00:09:54,959

i have two

233

00:10:00,470 --> 00:09:58,000

stock answers for that okay

234

00:10:01,910 --> 00:10:00,480

one is when you retire they quit telling

235

00:10:04,470 --> 00:10:01,920

you secrets

236

00:10:07,190 --> 00:10:04,480

i have three stock answers the

237

00:10:09,269 --> 00:10:07,200

second one is i'm not a spokesman for

238

00:10:11,110 --> 00:10:09,279

the u.s military if you want the answer

239

00:10:14,630 --> 00:10:11,120

to that you will have to

240

00:10:17,990 --> 00:10:14,640

ask the u.s military um

241

00:10:20,470 --> 00:10:18,000

and the third one is that i

242

00:10:24,069 --> 00:10:20,480

really hope they have

243

00:10:26,870 --> 00:10:24,079

a unit or they're still using it because

244

00:10:30,069 --> 00:10:26,880

we did a fantastic amount of work

245

00:10:32,790 --> 00:10:30,079

and we were very successful and

246

00:10:34,550 --> 00:10:32,800

we helped a lot of people

247

00:10:37,829 --> 00:10:34,560

you know

248

00:10:39,670 --> 00:10:37,839

bringing soldiers home saving money

249

00:10:41,829 --> 00:10:39,680

though the military

250

00:10:43,829 --> 00:10:41,839

and

251  
00:10:46,550 --> 00:10:43,839  
i think it would be stupid of the

252  
00:10:48,389 --> 00:10:46,560  
government to not have a remote viewing

253  
00:10:49,590 --> 00:10:48,399  
unit

254  
00:10:54,790 --> 00:10:49,600  
but

255  
00:10:56,870 --> 00:10:54,800  
the government does stupid things and so

256  
00:10:59,750 --> 00:10:56,880  
we're back to the fact that i don't know

257  
00:11:01,990 --> 00:10:59,760  
because they don't tell me things

258  
00:11:03,910 --> 00:11:02,000  
but now the the next part of the

259  
00:11:05,990 --> 00:11:03,920  
question i know the answer to this one

260  
00:11:07,829 --> 00:11:06,000  
for sure because

261  
00:11:12,310 --> 00:11:07,839  
you've told me the answer to this in the

262  
00:11:15,990 --> 00:11:12,320  
past he says if so if they are using it

263  
00:11:18,790 --> 00:11:16,000

uh does the military the nsa the cia fbi

264

00:11:21,430 --> 00:11:18,800

and so on use it to spy on

265

00:11:24,150 --> 00:11:21,440

u.s civilians so

266

00:11:25,750 --> 00:11:24,160

and the answer is no yep

267

00:11:28,310 --> 00:11:25,760

the uh

268

00:11:31,430 --> 00:11:28,320

uh used to be

269

00:11:34,790 --> 00:11:31,440

presidential order 11905

270

00:11:37,350 --> 00:11:34,800

when kennedy came in it changed to

271

00:11:39,590 --> 00:11:37,360

presidential order it was superseded by

272

00:11:41,829 --> 00:11:39,600

presidential order 12

273

00:11:43,430 --> 00:11:41,839

333

274

00:11:45,590 --> 00:11:43,440

which

275

00:11:48,069 --> 00:11:45,600

forbade

276

00:11:52,389 --> 00:11:48,079

u.s intelligence efforts

277

00:11:55,350 --> 00:11:52,399

from spying on u.s citizens

278

00:11:57,829 --> 00:11:55,360

without proper consent

279

00:12:00,870 --> 00:11:57,839

and the proper consent could only come

280

00:12:04,870 --> 00:12:00,880

you know without official proper consent

281

00:12:07,350 --> 00:12:04,880

or without official proper tasking

282

00:12:09,509 --> 00:12:07,360

which had to be

283

00:12:12,790 --> 00:12:09,519

like the police

284

00:12:15,269 --> 00:12:12,800

uh in civilian and civil cases

285

00:12:16,790 --> 00:12:15,279

for us it was congress

286

00:12:18,389 --> 00:12:16,800

and um

287

00:12:22,829 --> 00:12:18,399

we

288

00:12:25,190 --> 00:12:22,839

but

289

00:12:27,670 --> 00:12:25,200

um oh

290

00:12:30,710 --> 00:12:27,680

it's not just a saying it would have

291

00:12:33,110 --> 00:12:30,720

taken an act of congress for us to

292

00:12:35,990 --> 00:12:33,120

spy on u.s citizens

293

00:12:39,030 --> 00:12:36,000

and uh 1233

294

00:12:40,310 --> 00:12:39,040

12 333 is still in effect as far as i

295

00:12:43,269 --> 00:12:40,320

know

296

00:12:47,509 --> 00:12:45,269

so

297

00:12:49,829 --> 00:12:47,519

it would actually take literally an act

298

00:12:50,829 --> 00:12:49,839

of congress that's pretty amazing yeah

299

00:12:52,870 --> 00:12:50,839

that's true

300

00:12:55,110 --> 00:12:52,880

yeah and

301  
00:12:57,750 --> 00:12:55,120  
you know what we were talking earlier

302  
00:12:59,350 --> 00:12:57,760  
about in your in your personal life i

303  
00:13:01,829 --> 00:12:59,360  
mean do you

304  
00:13:03,990 --> 00:13:01,839  
hold yourself to that standard

305  
00:13:06,389 --> 00:13:04,000  
i still do yes i do

306  
00:13:08,389 --> 00:13:06,399  
uh for women like you weren't tempted to

307  
00:13:11,590 --> 00:13:08,399  
like remote view linda when you were

308  
00:13:13,110 --> 00:13:11,600  
dating or anything like that

309  
00:13:16,150 --> 00:13:13,120  
well i didn't know i didn't know

310  
00:13:19,430 --> 00:13:16,160  
anything about remote viewing back then

311  
00:13:21,590 --> 00:13:19,440  
that was back in the dark ages you know

312  
00:13:23,990 --> 00:13:21,600  
no i

313  
00:13:24,870 --> 00:13:24,000

all remote viewers all controlled remote

314

00:13:27,509 --> 00:13:24,880

viewers

315

00:13:33,030 --> 00:13:27,519

have strengths and weaknesses

316

00:13:35,990 --> 00:13:33,040

one of my strengths is mental access

317

00:13:39,990 --> 00:13:37,030

it's

318

00:13:42,710 --> 00:13:40,000

well the analogy i use is

319

00:13:44,550 --> 00:13:42,720

when i access someone mentally

320

00:13:47,030 --> 00:13:44,560

it's not like i visit them in their

321

00:13:49,430 --> 00:13:47,040

living room it's that i see their entire

322

00:13:53,110 --> 00:13:49,440

house

323

00:13:55,030 --> 00:13:53,120

i see all the things i find it extremely

324

00:13:56,710 --> 00:13:55,040

distasteful

325

00:14:03,430 --> 00:13:56,720

and

326

00:14:05,350 --> 00:14:03,440

really dislike it uh

327

00:14:06,949 --> 00:14:05,360

it's too much information

328

00:14:07,910 --> 00:14:06,959

i don't want it

329

00:14:10,150 --> 00:14:07,920

uh

330

00:14:11,750 --> 00:14:10,160

i don't want to know those things

331

00:14:16,389 --> 00:14:11,760

now if it's

332

00:14:17,350 --> 00:14:16,399

or if it's um

333

00:14:19,990 --> 00:14:17,360

uh

334

00:14:23,750 --> 00:14:21,910

leader military

335

00:14:24,870 --> 00:14:23,760

military political or something like

336

00:14:29,430 --> 00:14:24,880

that

337

00:14:31,509 --> 00:14:29,440

then

338

00:14:32,310 --> 00:14:31,519

i'll do it

339

00:14:36,550 --> 00:14:32,320

but

340

00:14:39,430 --> 00:14:36,560

it's still to me extremely distasteful i

341

00:14:43,030 --> 00:14:39,440

i hate it

342

00:14:45,910 --> 00:14:43,040

now why is that is it because you're

343

00:14:47,910 --> 00:14:45,920

if it's someone let's say you know a bad

344

00:14:48,710 --> 00:14:47,920

person that you're looking at a criminal

345

00:14:56,629 --> 00:14:48,720

or

346

00:14:58,949 --> 00:14:56,639

is it because you can you feel that

347

00:15:00,790 --> 00:14:58,959

oh well thanks for coming in mr mahoney

348

00:15:02,710 --> 00:15:00,800

do you have your member id card yep i

349

00:15:04,790 --> 00:15:02,720

have it right here in the fep blue app

350

00:15:06,550 --> 00:15:04,800

see great it's awesome the app can also

351

00:15:08,550 --> 00:15:06,560

help me find a provider and keep tabs on

352

00:15:10,470 --> 00:15:08,560

my deductibles okay can i oh yeah and my

353

00:15:12,069 --> 00:15:10,480

out-of-pocket spending and visit limits

354

00:15:13,990 --> 00:15:12,079

and i can call the nurse line i'm really

355

00:15:16,069 --> 00:15:14,000

glad it does all that but i only need to

356

00:15:18,230 --> 00:15:16,079

see your member id card well that's it

357

00:15:20,550 --> 00:15:18,240

why didn't you say so fearless is just

358

00:15:22,230 --> 00:15:20,560

one tap away with the new fep blue app

359

00:15:24,069 --> 00:15:22,240

from blue cross and blue shield you can

360

00:15:28,069 --> 00:15:24,079

access your health benefits on the go

361

00:15:29,750 --> 00:15:28,079

download it now at [fepblue.org](http://fepblue.org) slash app

362

00:15:33,269 --> 00:15:29,760

or you're just you don't want to enroll

363

00:15:35,269 --> 00:15:33,279

yeah i guess it's part that but it's um

364

00:15:36,310 --> 00:15:35,279

um

365

00:15:37,910 --> 00:15:36,320

you know

366

00:15:40,389 --> 00:15:37,920

i don't want to know all their dirty

367

00:15:42,150 --> 00:15:40,399

little secrets and

368

00:15:43,990 --> 00:15:42,160

using the analogy

369

00:15:46,230 --> 00:15:44,000

it's not like i visit them in their

370

00:15:48,470 --> 00:15:46,240

living room it's like i

371

00:15:49,990 --> 00:15:48,480

see the hemorrhoid cream in the cabinet

372

00:15:55,910 --> 00:15:50,000

and

373

00:15:57,910 --> 00:15:55,920

um i just

374

00:16:00,710 --> 00:15:57,920

it's too i don't want to do it

375

00:16:03,269 --> 00:16:00,720

i find it distasteful i i don't like it

376

00:16:07,110 --> 00:16:03,279

oh that's really wild now i i do know

377

00:16:10,550 --> 00:16:07,120

that you you have been involved in um

378

00:16:12,870 --> 00:16:10,560

uh assisting police and uh

379

00:16:15,670 --> 00:16:12,880

other law enforcement agencies and you

380

00:16:16,949 --> 00:16:15,680

know finding a missing child or

381

00:16:19,590 --> 00:16:16,959

you know that's right

382

00:16:22,230 --> 00:16:19,600

locating a criminal on the run

383

00:16:25,590 --> 00:16:22,240

in civilian cases they are authorized to

384

00:16:26,870 --> 00:16:25,600

do that in in certain

385

00:16:29,670 --> 00:16:26,880

uh

386

00:16:32,949 --> 00:16:29,680

in certain instances where

387

00:16:34,790 --> 00:16:32,959

there is personal danger or danger of

388

00:16:38,069 --> 00:16:34,800

losing life or limb or something like

389

00:16:40,710 --> 00:16:38,079

that yeah and then they're authorized

390

00:16:43,829 --> 00:16:40,720

under 1233 to

391

00:16:44,870 --> 00:16:43,839

actually spy on u.s citizens

392

00:16:47,110 --> 00:16:44,880

well

393

00:16:49,509 --> 00:16:47,120

in addition to your uh

394

00:16:51,829 --> 00:16:49,519

your your company uh

395

00:16:53,990 --> 00:16:51,839

problem solutions innovations

396

00:16:56,069 --> 00:16:54,000

you have this other

397

00:16:58,870 --> 00:16:56,079

organization called the assign witness

398

00:16:58,880 --> 00:17:03,350

we discontinued that because

399

00:17:07,510 --> 00:17:05,829

all of a sudden

400

00:17:08,630 --> 00:17:07,520

a lawyer just

401  
00:17:11,270 --> 00:17:08,640  
started

402  
00:17:12,710 --> 00:17:11,280  
tearing it down and um

403  
00:17:13,990 --> 00:17:12,720  
and

404  
00:17:16,870 --> 00:17:14,000  
the

405  
00:17:19,750 --> 00:17:16,880  
else

406  
00:17:22,150 --> 00:17:19,760  
uh he just destroyed it

407  
00:17:23,750 --> 00:17:22,160  
and so finally i just gave it up and i

408  
00:17:25,110 --> 00:17:23,760  
said okay

409  
00:17:27,510 --> 00:17:25,120  
we're not going to have an assigned

410  
00:17:29,110 --> 00:17:27,520  
witness program

411  
00:17:32,630 --> 00:17:29,120  
we're just going to

412  
00:17:34,789 --> 00:17:32,640  
do favors for the police

413  
00:17:38,150 --> 00:17:34,799

the way it became called the assigned

414

00:17:40,630 --> 00:17:38,160

witness program was that i was doing

415

00:17:42,950 --> 00:17:40,640

a case for a detective

416

00:17:44,870 --> 00:17:42,960

and detectives

417

00:17:47,510 --> 00:17:44,880

are good at getting information but

418

00:17:48,789 --> 00:17:47,520

they're horrible at telling you

419

00:17:49,830 --> 00:17:48,799

anything

420

00:17:52,390 --> 00:17:49,840

and

421

00:17:54,710 --> 00:17:52,400

he never could tell me what he wanted

422

00:17:56,549 --> 00:17:54,720

what information he wanted in all that

423

00:17:59,110 --> 00:17:56,559

and finally i said

424

00:18:01,990 --> 00:17:59,120

what is it you really really need

425

00:18:06,310 --> 00:18:02,000

and he said i need a witness

426

00:18:08,310 --> 00:18:06,320

and i said i can assign one

427

00:18:12,150 --> 00:18:08,320

and all of a sudden you see this light

428

00:18:13,590 --> 00:18:12,160

come on behind his eyes and he said

429

00:18:15,669 --> 00:18:13,600

oh

430

00:18:18,310 --> 00:18:15,679

that's what you do isn't it and that's

431

00:18:20,470 --> 00:18:18,320

where the assigned witness program came

432

00:18:22,390 --> 00:18:20,480

from the name of the assigned witness

433

00:18:24,870 --> 00:18:22,400

program

434

00:18:27,510 --> 00:18:24,880

that's really wild and you know as you

435

00:18:29,190 --> 00:18:27,520

know uh gosh i guess it's been about 20

436

00:18:32,070 --> 00:18:29,200

years ago or so

437

00:18:32,870 --> 00:18:32,080

uh i got involved in a case

438

00:18:35,669 --> 00:18:32,880

uh

439

00:18:37,190 --> 00:18:35,679

on a television program i was working on

440

00:18:40,870 --> 00:18:37,200

and um

441

00:18:42,470 --> 00:18:40,880

it was the case of a missing young girl

442

00:18:44,310 --> 00:18:42,480

in virginia

443

00:18:45,430 --> 00:18:44,320

and uh

444

00:18:49,430 --> 00:18:45,440

the

445

00:18:51,830 --> 00:18:49,440

in fact i think his last name was

446

00:18:54,470 --> 00:18:51,840

barnette because uh

447

00:18:56,710 --> 00:18:54,480

barnett of course is my name and that's

448

00:18:59,110 --> 00:18:56,720

why i remembered it uh

449

00:19:01,190 --> 00:18:59,120

but uh anyway he said yes i'd love to

450

00:19:02,950 --> 00:19:01,200

have the help you said well we can help

451

00:19:06,870 --> 00:19:02,960

them if they request it

452

00:19:09,110 --> 00:19:06,880

and so he did and you were able uh to

453

00:19:11,029 --> 00:19:09,120

give them a lot of information and which

454

00:19:13,350 --> 00:19:11,039

turned out in the end to be correct they

455

00:19:14,950 --> 00:19:13,360

didn't follow it in the beginning

456

00:19:17,110 --> 00:19:14,960

they thought they got a they they

457

00:19:19,350 --> 00:19:17,120

arrested the wrong guy

458

00:19:21,669 --> 00:19:19,360

and then later the information that you

459

00:19:23,750 --> 00:19:21,679

had given them about the right guy was

460

00:19:25,350 --> 00:19:23,760

born out and

461

00:19:27,510 --> 00:19:25,360

you the information that you had given

462

00:19:28,390 --> 00:19:27,520

them also that this guy was a serial

463

00:19:30,230 --> 00:19:28,400

killer

464

00:19:32,630 --> 00:19:30,240

and the little girl unfortunately had

465

00:19:35,510 --> 00:19:32,640

been murdered and um

466

00:19:37,430 --> 00:19:35,520

he was she was not going to be the last

467

00:19:40,070 --> 00:19:37,440

and that all turned out to be correct

468

00:19:41,510 --> 00:19:40,080

too that's true and in fact on that one

469

00:19:43,750 --> 00:19:41,520

uh

470

00:19:46,390 --> 00:19:43,760

one of the things i found in the session

471

00:19:48,230 --> 00:19:46,400

that i was doing for them this was all

472

00:19:50,549 --> 00:19:48,240

televised and all

473

00:19:52,470 --> 00:19:50,559

one of the things i found was

474

00:19:55,750 --> 00:19:52,480

the next victim

475

00:19:57,990 --> 00:19:55,760

and

476  
00:19:59,510 --> 00:19:58,000  
basically where to find the next victim

477  
00:20:03,350 --> 00:19:59,520  
after he

478  
00:20:03,360 --> 00:20:08,390  
it was just it was a very sad situation

479  
00:20:08,400 --> 00:20:10,870  
but yeah

480  
00:20:13,430 --> 00:20:11,669  
we

481  
00:20:14,950 --> 00:20:13,440  
i love to help

482  
00:20:17,350 --> 00:20:14,960  
and

483  
00:20:20,390 --> 00:20:17,360  
now much of the work i've turned over to

484  
00:20:24,230 --> 00:20:20,400  
the uh to the student of mine who

485  
00:20:27,029 --> 00:20:24,240  
has a private investigation agency

486  
00:20:29,350 --> 00:20:27,039  
and but like on that i have many people

487  
00:20:31,830 --> 00:20:29,360  
who call and say

488  
00:20:34,070 --> 00:20:31,840

well the police aren't paying attention

489

00:20:36,230 --> 00:20:34,080

to my case and i need for you to do

490

00:20:37,990 --> 00:20:36,240

remote viewing and i say

491

00:20:41,590 --> 00:20:38,000

okay

492

00:20:44,710 --> 00:20:41,600

but you have to have the police ask me

493

00:20:46,950 --> 00:20:44,720

because legally

494

00:20:49,750 --> 00:20:46,960

i still honor

495

00:20:51,029 --> 00:20:49,760

12 333

496

00:20:54,470 --> 00:20:51,039

and

497

00:20:55,590 --> 00:20:54,480

see i'm i'm not retired i'm on retention

498

00:20:57,190 --> 00:20:55,600

and so

499

00:21:00,710 --> 00:20:57,200

um

500

00:21:03,669 --> 00:21:00,720

so i pay attention to 12 33 i'm not

501  
00:21:06,789 --> 00:21:03,679  
going against it and

502  
00:21:09,110 --> 00:21:06,799  
and yeah if

503  
00:21:11,669 --> 00:21:09,120  
if someone wants me to work on a missing

504  
00:21:14,070 --> 00:21:11,679  
person case or something like that

505  
00:21:17,190 --> 00:21:14,080  
they have got to have the police

506  
00:21:19,909 --> 00:21:17,200  
officially ask me to do it or else i

507  
00:21:21,590 --> 00:21:19,919  
can't i'm not going to jail

508  
00:21:24,870 --> 00:21:21,600  
i'm sorry yeah

509  
00:21:26,710 --> 00:21:24,880  
yeah no no of course not but

510  
00:21:28,310 --> 00:21:26,720  
you know and and how many

511  
00:21:29,270 --> 00:21:28,320  
how many times has that actually

512  
00:21:31,350 --> 00:21:29,280  
happened

513  
00:21:34,070 --> 00:21:31,360

because i would imagine a lot of police

514

00:21:35,510 --> 00:21:34,080

officers would probably say no

515

00:21:37,029 --> 00:21:35,520

i'm not going to mess around with that

516

00:21:40,230 --> 00:21:37,039

psychic stuff

517

00:21:42,390 --> 00:21:40,240

that's uh that's very prevalent uh they

518

00:21:44,870 --> 00:21:42,400

have the blue sense but nobody else is

519

00:21:47,190 --> 00:21:44,880

supposed to have it that's right

520

00:21:52,630 --> 00:21:49,270

what we found with the assigned witness

521

00:21:54,710 --> 00:21:52,640

program we never

522

00:21:57,669 --> 00:21:54,720

we never went to the

523

00:21:59,909 --> 00:21:57,679

to the police and said we can help you

524

00:22:01,909 --> 00:21:59,919

uh the

525

00:22:04,789 --> 00:22:01,919

detective that

526

00:22:06,870 --> 00:22:04,799

i was talking to that you know in that

527

00:22:07,909 --> 00:22:06,880

conversation the name assigned witness

528

00:22:10,390 --> 00:22:07,919

program

529

00:22:14,230 --> 00:22:10,400

came back um

530

00:22:17,510 --> 00:22:14,240

he uh just word of mouth he told other

531

00:22:19,430 --> 00:22:17,520

detectives and they told detectives and

532

00:22:21,990 --> 00:22:19,440

other police departments

533

00:22:24,789 --> 00:22:22,000

we never let anybody know

534

00:22:27,909 --> 00:22:24,799

i mean we never advertised in any way

535

00:22:30,230 --> 00:22:27,919

not even once but we were

536

00:22:32,470 --> 00:22:30,240

finally getting more work from police

537

00:22:34,070 --> 00:22:32,480

departments than we could handle

538

00:22:36,149 --> 00:22:34,080

we didn't have the

539

00:22:40,789 --> 00:22:36,159

civilian remote viewers

540

00:22:43,190 --> 00:22:40,799

time to handle the cases

541

00:22:45,909 --> 00:22:43,200

wow that's pretty amazing

542

00:22:48,149 --> 00:22:45,919

can you share a case

543

00:22:49,669 --> 00:22:48,159

uh other than the one that i happen to

544

00:22:51,909 --> 00:22:49,679

personally know about that we just

545

00:22:54,950 --> 00:22:51,919

talked about the little girl

546

00:23:01,270 --> 00:22:58,470

probably if i sanitized it and yeah no

547

00:23:09,270 --> 00:23:03,909

okay uh

548

00:23:11,029 --> 00:23:09,280

there was one where we were called and

549

00:23:14,149 --> 00:23:11,039

they suspected a

550

00:23:15,430 --> 00:23:14,159

drug shipment coming across the border

551  
00:23:16,310 --> 00:23:15,440  
and uh

552  
00:23:18,310 --> 00:23:16,320  
so

553  
00:23:19,909 --> 00:23:18,320  
they asked if we could give the time and

554  
00:23:23,430 --> 00:23:19,919  
the location

555  
00:23:24,950 --> 00:23:23,440  
of the crossing and

556  
00:23:28,710 --> 00:23:24,960  
we did

557  
00:23:29,669 --> 00:23:28,720  
and they sent police out to hide you

558  
00:23:30,470 --> 00:23:29,679  
know

559  
00:23:32,310 --> 00:23:30,480  
and

560  
00:23:34,310 --> 00:23:32,320  
right at that time

561  
00:23:35,350 --> 00:23:34,320  
and at that place

562  
00:23:41,110 --> 00:23:35,360  
the

563  
00:23:43,669 --> 00:23:41,120

it

564

00:23:48,950 --> 00:23:46,390

that is pretty amazing

565

00:23:51,190 --> 00:23:48,960

uh the amazing one i think

566

00:23:52,630 --> 00:23:51,200

for me was

567

00:23:53,990 --> 00:23:52,640

joe mcmonagle

568

00:23:56,149 --> 00:23:54,000

was given

569

00:23:57,350 --> 00:23:56,159

a picture of the roof of a humongous

570

00:23:58,789 --> 00:23:57,360

building

571

00:24:00,390 --> 00:23:58,799

and

572

00:24:07,190 --> 00:24:00,400

he

573

00:24:08,549 --> 00:24:07,200

any ground agents to this building

574

00:24:09,909 --> 00:24:08,559

it was that

575

00:24:11,350 --> 00:24:09,919

secure

576  
00:24:13,669 --> 00:24:11,360  
and he

577  
00:24:16,310 --> 00:24:13,679  
not only laid out the floor plan of the

578  
00:24:19,029 --> 00:24:16,320  
building but he told that they told what

579  
00:24:20,549 --> 00:24:19,039  
was being built inside the building

580  
00:24:23,110 --> 00:24:20,559  
and

581  
00:24:24,310 --> 00:24:23,120  
the building was about a mile from

582  
00:24:26,070 --> 00:24:24,320  
the ocean

583  
00:24:29,190 --> 00:24:26,080  
and he said they're building the biggest

584  
00:24:30,549 --> 00:24:29,200  
damn submarine i've ever seen in my life

585  
00:24:36,870 --> 00:24:30,559  
and

586  
00:24:38,549 --> 00:24:36,880  
into the ocean on this day at this hour

587  
00:24:40,230 --> 00:24:38,559  
and um

588  
00:24:43,430 --> 00:24:40,240

the um

589

00:24:47,190 --> 00:24:43,440

the spine sky satellite was diverted

590

00:24:48,470 --> 00:24:47,200

to be over that building at that day at

591

00:24:49,909 --> 00:24:48,480

that hour

592

00:24:51,830 --> 00:24:49,919

and that's when they rolled out the

593

00:24:54,390 --> 00:24:51,840

boomer submarine

594

00:24:55,350 --> 00:24:54,400

the largest submarine in the world

595

00:24:58,470 --> 00:24:55,360

and

596

00:25:00,710 --> 00:24:58,480

for 10 or 15 years

597

00:25:01,669 --> 00:25:00,720

the picture that the satellite took that

598

00:25:03,830 --> 00:25:01,679

day

599

00:25:08,789 --> 00:25:03,840

was the only picture

600

00:25:10,870 --> 00:25:08,799

the us ever had of the boomer submarine

601  
00:25:12,070 --> 00:25:10,880  
oh my gosh

602  
00:25:14,950 --> 00:25:12,080  
and uh

603  
00:25:17,350 --> 00:25:14,960  
uh this last year at the international

604  
00:25:19,029 --> 00:25:17,360  
remote viewers association

605  
00:25:22,789 --> 00:25:19,039  
uh convention

606  
00:25:24,549 --> 00:25:22,799  
they had a psychic spy contest

607  
00:25:27,510 --> 00:25:24,559  
and so uh

608  
00:25:30,149 --> 00:25:27,520  
um they asked me to pick a target so i

609  
00:25:33,269 --> 00:25:30,159  
picked a target

610  
00:25:34,710 --> 00:25:33,279  
of the roof of a building from you know

611  
00:25:37,750 --> 00:25:34,720  
google earth

612  
00:25:39,909 --> 00:25:37,760  
and uh it's an old sawmill

613  
00:25:41,350 --> 00:25:39,919

and from the air you can tell it's an

614

00:25:44,789 --> 00:25:41,360

old sawmill

615

00:25:47,269 --> 00:25:44,799

and i took a picture of the roof

616

00:25:48,870 --> 00:25:47,279

it hasn't been a sawmill for

617

00:25:50,470 --> 00:25:48,880

ages

618

00:25:53,110 --> 00:25:50,480

and now

619

00:25:54,630 --> 00:25:53,120

it's the building where all of the space

620

00:25:55,750 --> 00:25:54,640

debris comes

621

00:25:58,390 --> 00:25:55,760

to be

622

00:26:00,149 --> 00:25:58,400

refurbished and sent out to museums

623

00:26:02,070 --> 00:26:00,159

around the u.s

624

00:26:03,190 --> 00:26:02,080

oh my gosh and

625

00:26:04,149 --> 00:26:03,200

so

626  
00:26:09,269 --> 00:26:04,159  
one of

627  
00:26:13,110 --> 00:26:10,710  
took the picture of the roof of the

628  
00:26:15,590 --> 00:26:13,120  
building and that was it

629  
00:26:17,590 --> 00:26:15,600  
laid out the floor plan of the inside of

630  
00:26:20,549 --> 00:26:17,600  
the building told what was going on in

631  
00:26:21,990 --> 00:26:20,559  
there described what was

632  
00:26:23,269 --> 00:26:22,000  
what was there

633  
00:26:27,029 --> 00:26:23,279  
and uh

634  
00:26:28,470 --> 00:26:27,039  
uh did as good a job as joe did

635  
00:26:31,190 --> 00:26:28,480  
and uh

636  
00:26:32,470 --> 00:26:31,200  
and i was very proud of him for that

637  
00:26:34,310 --> 00:26:32,480  
um

638  
00:26:36,390 --> 00:26:34,320

and when he was describing what was

639

00:26:38,470 --> 00:26:36,400

inside i mean did he know it was space

640

00:26:39,190 --> 00:26:38,480

debris or was he just describing like i

641

00:26:40,310 --> 00:26:39,200

see

642

00:26:41,909 --> 00:26:40,320

you know this

643

00:26:43,510 --> 00:26:41,919

type of object

644

00:26:46,070 --> 00:26:43,520

yeah this is one of the things about

645

00:26:48,230 --> 00:26:46,080

controlled remote viewing we

646

00:26:50,630 --> 00:26:48,240

just almost absolutely

647

00:26:52,789 --> 00:26:50,640

use no nouns and so

648

00:26:54,630 --> 00:26:52,799

when a remote viewer

649

00:26:56,230 --> 00:26:54,640

all of a sudden decides oh i know what

650

00:26:58,549 --> 00:26:56,240

this is

651  
00:27:00,950 --> 00:26:58,559  
we make them stop take a break come back

652  
00:27:02,549 --> 00:27:00,960  
later you know when they forget

653  
00:27:05,750 --> 00:27:02,559  
but

654  
00:27:06,950 --> 00:27:05,760  
uh we have an absolute rule that you

655  
00:27:09,190 --> 00:27:06,960  
describe

656  
00:27:11,269 --> 00:27:09,200  
you don't identify

657  
00:27:14,789 --> 00:27:11,279  
because um

658  
00:27:18,390 --> 00:27:14,799  
if you identify you lock yourself into

659  
00:27:23,590 --> 00:27:21,269  
i'll give you an example uh there was a

660  
00:27:26,549 --> 00:27:23,600  
uh target one time

661  
00:27:29,990 --> 00:27:26,559  
of the clean room at microsoft where

662  
00:27:32,630 --> 00:27:30,000  
they make the uh chips

663  
00:27:34,789 --> 00:27:32,640

and uh this natural psychic

664

00:27:36,549 --> 00:27:34,799

i was watching

665

00:27:38,549 --> 00:27:36,559

she said

666

00:27:40,710 --> 00:27:38,559

i see a place that's very clean it's in

667

00:27:43,590 --> 00:27:40,720

a humongous building

668

00:27:44,630 --> 00:27:43,600

it's all white inside the people working

669

00:27:46,710 --> 00:27:44,640

here

670

00:27:49,029 --> 00:27:46,720

are wearing white

671

00:27:51,669 --> 00:27:49,039

and they have the little booties over

672

00:27:53,269 --> 00:27:51,679

their feet and she was given a totally

673

00:27:54,870 --> 00:27:53,279

accurate description

674

00:27:56,549 --> 00:27:54,880

and she said

675

00:27:58,789 --> 00:27:56,559

and they're wearing what looks like

676

00:28:01,990 --> 00:27:58,799

surgical masks

677

00:28:04,870 --> 00:28:02,000

and in this hospital i hear people

678

00:28:08,310 --> 00:28:04,880

screaming and there are people dying and

679

00:28:11,029 --> 00:28:08,320

you know the minute she said

680

00:28:13,669 --> 00:28:11,039

she identified their mask as being

681

00:28:14,950 --> 00:28:13,679

hospital mask

682

00:28:19,430 --> 00:28:14,960

she was

683

00:28:22,389 --> 00:28:19,440

hospital he was in a hospital couldn't

684

00:28:25,269 --> 00:28:22,399

get out that's right and uh

685

00:28:27,350 --> 00:28:25,279

and so in controlled remote viewing

686

00:28:30,389 --> 00:28:27,360

basically

687

00:28:31,510 --> 00:28:30,399

if the viewer

688

00:28:33,750 --> 00:28:31,520

uh

689

00:28:37,590 --> 00:28:33,760

figures out what the target is

690

00:28:41,750 --> 00:28:39,669

oh that's good yeah that

691

00:28:44,789 --> 00:28:41,760

i know it's very very controlled thus

692

00:28:46,389 --> 00:28:44,799

the title uh controlled remote viewing

693

00:28:49,350 --> 00:28:46,399

you know we're going to take another

694

00:28:51,110 --> 00:28:49,360

quick break and when we come back

695

00:28:53,750 --> 00:28:51,120

i want to talk a little bit about more

696

00:28:56,070 --> 00:28:53,760

some of the your experiences but also

697

00:28:58,789 --> 00:28:56,080

i know you've got some new things coming

698

00:29:00,549 --> 00:28:58,799

down the pike here in terms of your

699

00:29:01,909 --> 00:29:00,559

training that's going to open it up to a

700

00:29:02,710 --> 00:29:01,919

lot more people because it's kind of

701  
00:29:06,310 --> 00:29:02,720  
tough

702  
00:29:07,990 --> 00:29:06,320  
uh as it is uh there's only one you

703  
00:29:09,430 --> 00:29:08,000  
and and like i was telling you on the

704  
00:29:11,830 --> 00:29:09,440  
break i i don't think you want us all

705  
00:29:14,389 --> 00:29:11,840  
showing up on your doorstep nor can't

706  
00:29:17,029 --> 00:29:14,399  
nor can we all make it there so there's

707  
00:29:18,950 --> 00:29:17,039  
a solution for that we got a problem and

708  
00:29:21,190 --> 00:29:18,960  
now we got a solution and we're going to

709  
00:29:24,230 --> 00:29:21,200  
be very innovative about it so when we

710  
00:29:26,650 --> 00:29:24,240  
come back more with lynn buchanan so

711  
00:29:35,750 --> 00:29:26,660  
hang in there with us

712  
00:29:39,990 --> 00:29:37,510  
welcome back to night vision i'm your

713  
00:29:41,350 --> 00:29:40,000

host renee barnett got lynn buchanan

714

00:29:44,070 --> 00:29:41,360

with me tonight

715

00:29:45,190 --> 00:29:44,080

he is a remote viewer he was one of the

716

00:29:48,630 --> 00:29:45,200

originals

717

00:29:51,990 --> 00:29:48,640

for the us military in project stargate

718

00:29:53,990 --> 00:29:52,000

he's continued it on in his private life

719

00:29:55,510 --> 00:29:54,000

now you said something a minute ago

720

00:29:58,310 --> 00:29:55,520

though that was interesting you said

721

00:29:59,590 --> 00:29:58,320

you're not retired

722

00:30:02,630 --> 00:29:59,600

um

723

00:30:05,190 --> 00:30:02,640

no it's it's an official thing uh

724

00:30:06,310 --> 00:30:05,200

basically i'm retired if

725

00:30:10,950 --> 00:30:06,320

you know

726  
00:30:13,669 --> 00:30:10,960  
ever call back

727  
00:30:14,549 --> 00:30:13,679  
fat gray-headed guys then uh

728  
00:30:17,669 --> 00:30:14,559  
you know

729  
00:30:19,510 --> 00:30:18,630  
yeah

730  
00:30:21,350 --> 00:30:19,520  
then

731  
00:30:25,269 --> 00:30:21,360  
by the time they ever call me back we've

732  
00:30:29,190 --> 00:30:27,830  
but now do they keep you on hey where

733  
00:30:31,190 --> 00:30:29,200  
are you going jim the elevator's over

734  
00:30:32,789 --> 00:30:31,200  
here taking the stairs but our meeting's

735  
00:30:35,350 --> 00:30:32,799  
up on eight yeah i know but that's eight

736  
00:30:37,590 --> 00:30:35,360  
floors up that's like eight times

737  
00:30:39,110 --> 00:30:37,600  
i don't a lot of stairs that's the point

738  
00:30:41,510 --> 00:30:39,120

i've already lost a few pounds and

739

00:30:43,510 --> 00:30:41,520

earned almost 100 in wellness incentives

740

00:30:45,669 --> 00:30:43,520

whoa you're getting rewarded for working

741

00:30:47,510 --> 00:30:45,679

out yeah i know i'm just as surprised as

742

00:30:49,350 --> 00:30:47,520

you are bob fearless is full of

743

00:30:51,029 --> 00:30:49,360

surprises that's the power of the blue

744

00:30:52,630 --> 00:30:51,039

cross and blue shield federal employee

745

00:30:55,430 --> 00:30:52,640

program learn more about our healthy

746

00:30:58,149 --> 00:30:55,440

benefits and sign up at [fepblue.org](http://fepblue.org)

747

00:31:00,870 --> 00:30:58,159

choose blue by december 11th retention

748

00:31:01,990 --> 00:31:00,880

because they want to use you every now

749

00:31:03,990 --> 00:31:02,000

and then for

750

00:31:06,549 --> 00:31:04,000

certain projects no i think it's just

751  
00:31:09,110 --> 00:31:06,559  
special skills uh

752  
00:31:10,389 --> 00:31:09,120  
um i think they just do that for special

753  
00:31:12,470 --> 00:31:10,399  
skills people

754  
00:31:13,430 --> 00:31:12,480  
just in case you're needed they they got

755  
00:31:28,789 --> 00:31:13,440  
you

756  
00:31:32,470 --> 00:31:28,799  
only got so much time

757  
00:31:35,190 --> 00:31:32,480  
and so you've come up now with uh some a

758  
00:31:37,430 --> 00:31:35,200  
way that more people can have access to

759  
00:31:38,789 --> 00:31:37,440  
your information and the training

760  
00:31:40,389 --> 00:31:38,799  
so uh

761  
00:31:42,470 --> 00:31:40,399  
and i wanted you to explain that because

762  
00:31:44,389 --> 00:31:42,480  
i i'd like to hear myself exactly how

763  
00:31:47,029 --> 00:31:44,399

that's gonna work one of the big

764

00:31:49,029 --> 00:31:47,039

problems for the students who come here

765

00:31:50,710 --> 00:31:49,039

i mean it's great to have face-to-face

766

00:31:53,430 --> 00:31:50,720

time and all that

767

00:31:54,950 --> 00:31:53,440

but they were paying like a thousand

768

00:31:56,070 --> 00:31:54,960

dollars for

769

00:31:59,110 --> 00:31:56,080

uh

770

00:32:01,430 --> 00:31:59,120

travel and lodging and restaurants and

771

00:32:02,870 --> 00:32:01,440

all that they were having to take time

772

00:32:04,789 --> 00:32:02,880

off of work

773

00:32:05,909 --> 00:32:04,799

and time away from their families and

774

00:32:07,909 --> 00:32:05,919

all that

775

00:32:11,990 --> 00:32:07,919

and

776

00:32:14,310 --> 00:32:12,000

i just decided hey

777

00:32:17,269 --> 00:32:14,320

i'm giving the same information because

778

00:32:18,630 --> 00:32:17,279

this is a standardized methodology

779

00:32:20,230 --> 00:32:18,640

and so

780

00:32:21,830 --> 00:32:20,240

i could have

781

00:32:25,029 --> 00:32:21,840

videos

782

00:32:27,269 --> 00:32:25,039

that people could watch from their home

783

00:32:30,230 --> 00:32:27,279

you know during the week and then spend

784

00:32:32,470 --> 00:32:30,240

all day long on saturday

785

00:32:39,269 --> 00:32:32,480

uh on

786

00:32:44,789 --> 00:32:41,269

yeah going over their sessions having

787

00:32:46,070 --> 00:32:44,799

face-to-face time through skype or

788

00:32:48,310 --> 00:32:46,080

zoom or

789

00:32:49,909 --> 00:32:48,320

go to meeting or whatever

790

00:32:53,430 --> 00:32:49,919

and

791

00:32:55,590 --> 00:32:53,440

money

792

00:32:57,110 --> 00:32:55,600

i would have the week off

793

00:32:58,070 --> 00:32:57,120

and uh

794

00:32:59,750 --> 00:32:58,080

um

795

00:33:01,669 --> 00:32:59,760

you know they would have they wouldn't

796

00:33:03,190 --> 00:33:01,679

have to spend all that money

797

00:33:05,830 --> 00:33:03,200

and they wouldn't have to be away from

798

00:33:07,350 --> 00:33:05,840

their families and so forth

799

00:33:10,950 --> 00:33:07,360

and um

800

00:33:14,230 --> 00:33:10,960

and it just dawned on me that we have

801  
00:33:16,149 --> 00:33:14,240  
these capabilities now why not use them

802  
00:33:18,070 --> 00:33:16,159  
to everybody's benefit

803  
00:33:20,710 --> 00:33:18,080  
and what i'm doing is

804  
00:33:22,070 --> 00:33:20,720  
instead of making

805  
00:33:25,430 --> 00:33:22,080  
like

806  
00:33:27,029 --> 00:33:25,440  
video and videotaping a class

807  
00:33:29,509 --> 00:33:27,039  
i'm going through

808  
00:33:34,070 --> 00:33:29,519  
and videotaping

809  
00:33:37,750 --> 00:33:35,190  
on

810  
00:33:39,830 --> 00:33:37,760  
each and every topic

811  
00:33:41,830 --> 00:33:39,840  
and aspect of the remote of the

812  
00:33:43,110 --> 00:33:41,840  
controlled remote viewing

813  
00:33:44,630 --> 00:33:43,120

so that

814

00:33:46,710 --> 00:33:44,640

if somebody

815

00:33:49,110 --> 00:33:46,720

you know watches these and then has a

816

00:33:50,950 --> 00:33:49,120

question about something they've seen

817

00:33:52,710 --> 00:33:50,960

they don't have to wade through an hour

818

00:33:55,669 --> 00:33:52,720

long

819

00:33:57,590 --> 00:33:55,679

video trying to find the answer

820

00:33:58,870 --> 00:33:57,600

they just look up

821

00:34:01,190 --> 00:33:58,880

enneagrams

822

00:34:02,230 --> 00:34:01,200

and there's five minutes there's the

823

00:34:03,509 --> 00:34:02,240

answer

824

00:34:06,310 --> 00:34:03,519

and

825

00:34:07,990 --> 00:34:06,320

it's going to wind up that i'm making

826  
00:34:09,750 --> 00:34:08,000  
around four

827  
00:34:12,069 --> 00:34:09,760  
three to four hundred

828  
00:34:14,310 --> 00:34:12,079  
of these videos

829  
00:34:16,389 --> 00:34:14,320  
and uh

830  
00:34:19,669 --> 00:34:16,399  
some of them

831  
00:34:21,349 --> 00:34:19,679  
apply not just to crv but to

832  
00:34:25,349 --> 00:34:21,359  
all

833  
00:34:27,909 --> 00:34:25,359  
so those i'm going to

834  
00:34:30,310 --> 00:34:27,919  
just put out to the public

835  
00:34:31,589 --> 00:34:30,320  
the ones for the course

836  
00:34:35,669 --> 00:34:31,599  
uh

837  
00:34:38,310 --> 00:34:35,679  
will of course be you know

838  
00:34:39,349 --> 00:34:38,320

step by step

839

00:34:41,990 --> 00:34:39,359

teaching

840

00:34:43,190 --> 00:34:42,000

and those will be for the students only

841

00:34:46,710 --> 00:34:43,200

but

842

00:34:50,550 --> 00:34:46,720

they can get

843

00:34:53,030 --> 00:34:50,560

the training which is standardized oh

844

00:34:54,470 --> 00:34:53,040

if you look on my website

845

00:34:55,430 --> 00:34:54,480

we have

846

00:34:57,910 --> 00:34:55,440

six

847

00:34:59,510 --> 00:34:57,920

highly qualified teachers

848

00:35:04,710 --> 00:34:59,520

and

849

00:35:06,950 --> 00:35:04,720

you go to one trainer for

850

00:35:09,430 --> 00:35:06,960

basic

851  
00:35:10,550 --> 00:35:09,440  
you can pick another trainer if you know

852  
00:35:12,390 --> 00:35:10,560  
if

853  
00:35:13,750 --> 00:35:12,400  
their schedule is open and they have a

854  
00:35:15,990 --> 00:35:13,760  
class opening

855  
00:35:18,069 --> 00:35:16,000  
you go to one of the other trainers and

856  
00:35:21,030 --> 00:35:18,079  
it picks up right exactly where you left

857  
00:35:26,790 --> 00:35:23,589  
we're all teaching the same thing

858  
00:35:28,870 --> 00:35:26,800  
and so um the military method

859  
00:35:31,990 --> 00:35:28,880  
and so this way

860  
00:35:33,510 --> 00:35:32,000  
people could watch the videos on their

861  
00:35:35,829 --> 00:35:33,520  
own time

862  
00:35:37,270 --> 00:35:35,839  
be with their family not have to travel

863  
00:35:39,670 --> 00:35:37,280

not have to

864

00:35:41,430 --> 00:35:39,680

put out all those expenses

865

00:35:44,470 --> 00:35:41,440

and

866

00:35:46,310 --> 00:35:44,480

like one day a week

867

00:35:47,430 --> 00:35:46,320

we would still have the face-to-face

868

00:35:48,550 --> 00:35:47,440

time

869

00:35:51,510 --> 00:35:48,560

uh

870

00:35:53,190 --> 00:35:51,520

just taking as long as it takes to

871

00:35:55,589 --> 00:35:53,200

solve all of their problems get all

872

00:35:56,950 --> 00:35:55,599

their questions answered and all that

873

00:35:58,390 --> 00:35:56,960

and

874

00:35:59,910 --> 00:35:58,400

i think it's

875

00:36:01,349 --> 00:35:59,920

i think i'm doing it more for the

876

00:36:02,630 --> 00:36:01,359

students

877

00:36:04,710 --> 00:36:02,640

because

878

00:36:08,230 --> 00:36:04,720

the travel and the lodging has been a

879

00:36:09,829 --> 00:36:08,240

real burden to the students it really is

880

00:36:11,990 --> 00:36:09,839

yeah and i can imagine so many more

881

00:36:14,630 --> 00:36:12,000

people would be able to do it if they

882

00:36:16,069 --> 00:36:14,640

didn't have to do that now how is this

883

00:36:18,790 --> 00:36:16,079

going to be available is this going to

884

00:36:20,230 --> 00:36:18,800

be like on a site or do you order the

885

00:36:21,190 --> 00:36:20,240

videos or

886

00:36:24,069 --> 00:36:21,200

uh

887

00:36:26,870 --> 00:36:24,079

yes i i don't know yet um

888

00:36:29,190 --> 00:36:26,880

the uh there are

889

00:36:31,109 --> 00:36:29,200

sites now on the

890

00:36:32,470 --> 00:36:31,119

internet

891

00:36:34,790 --> 00:36:32,480

that are

892

00:36:36,470 --> 00:36:34,800

educational sites

893

00:36:38,230 --> 00:36:36,480

that uh

894

00:36:43,109 --> 00:36:38,240

they will

895

00:36:45,670 --> 00:36:43,119

you know you give the students

896

00:36:48,470 --> 00:36:45,680

uh and you give a schedule and they will

897

00:36:49,510 --> 00:36:48,480

open the videos for that week for those

898

00:36:51,030 --> 00:36:49,520

students

899

00:36:54,470 --> 00:36:51,040

uh and

900

00:36:57,670 --> 00:36:54,480

protect the videos from anyone else they

901  
00:37:00,710 --> 00:36:57,680  
will administer tests

902  
00:37:04,550 --> 00:37:00,720  
uh keep record of the test scores and

903  
00:37:05,510 --> 00:37:04,560  
all that keep record of all the um

904  
00:37:08,390 --> 00:37:05,520  
you know

905  
00:37:09,829 --> 00:37:08,400  
do all the administration for teaching

906  
00:37:11,670 --> 00:37:09,839  
um

907  
00:37:15,190 --> 00:37:11,680  
and then you know

908  
00:37:17,750 --> 00:37:15,200  
it may wind up that i just uh

909  
00:37:19,510 --> 00:37:17,760  
have the videos and and

910  
00:37:22,950 --> 00:37:19,520  
put them on dropbox or something like

911  
00:37:25,589 --> 00:37:22,960  
that for the students as as they need

912  
00:37:28,069 --> 00:37:25,599  
them i haven't figured that out yet do

913  
00:37:30,150 --> 00:37:28,079

you have a a timeline

914

00:37:32,710 --> 00:37:30,160  
of when this might start becoming

915

00:37:34,630 --> 00:37:32,720  
available i'm hoping to have it by the

916

00:37:35,750 --> 00:37:34,640  
end of december

917

00:37:40,230 --> 00:37:35,760  
um

918

00:37:44,310 --> 00:37:41,109  
uh

919

00:37:47,510 --> 00:37:44,320  
i've got

920

00:37:48,470 --> 00:37:47,520  
close to i think 70 of the videos made

921

00:37:51,430 --> 00:37:48,480  
um

922

00:37:53,349 --> 00:37:51,440  
it's going to take about 120

923

00:37:54,790 --> 00:37:53,359  
for the basic course which i'm going to

924

00:37:55,910 --> 00:37:54,800  
open first

925

00:37:57,030 --> 00:37:55,920  
uh

926  
00:37:59,109 --> 00:37:57,040  
and so

927  
00:38:01,270 --> 00:37:59,119  
it's one of those things where

928  
00:38:03,670 --> 00:38:01,280  
i have got to really

929  
00:38:04,630 --> 00:38:03,680  
hunker down and get get to stroking on

930  
00:38:05,589 --> 00:38:04,640  
this

931  
00:38:07,430 --> 00:38:05,599  
uh

932  
00:38:10,230 --> 00:38:07,440  
but i'm hoping to have it by the end of

933  
00:38:14,150 --> 00:38:12,150  
oh oh that sounds really great well

934  
00:38:16,950 --> 00:38:14,160  
you'll have to keep us posted and and

935  
00:38:19,910 --> 00:38:16,960  
i'll let people know so

936  
00:38:22,630 --> 00:38:19,920  
i will put it on my website too

937  
00:38:24,069 --> 00:38:22,640  
and again that's see [ourviewer.com](http://ourviewer.com) for

938  
00:38:26,310 --> 00:38:24,079

people who

939

00:38:29,750 --> 00:38:26,320

may have tuned in a little bit later

940

00:38:30,829 --> 00:38:29,760

uh if i could uh the the chat room is is

941

00:38:31,750 --> 00:38:30,839

really really

942

00:38:33,910 --> 00:38:31,760

active uh

943

00:38:36,069 --> 00:38:33,920

it's going on and someone was asking

944

00:38:40,390 --> 00:38:36,079

about uh ingo swan and i know we talked

945

00:38:41,670 --> 00:38:40,400

about uh ingo a little bit earlier and

946

00:38:43,670 --> 00:38:41,680

he was one of the people that was

947

00:38:45,910 --> 00:38:43,680

involved in you know sort of creating

948

00:38:48,230 --> 00:38:45,920

the program or creating the protocols i

949

00:38:51,190 --> 00:38:48,240

guess but i did create them you know he

950

00:38:52,069 --> 00:38:51,200

was he did and

951  
00:38:54,470 --> 00:38:52,079  
uh

952  
00:38:56,870 --> 00:38:54,480  
they were asking was he considered a

953  
00:38:58,630 --> 00:38:56,880  
remote viewer

954  
00:39:00,710 --> 00:38:58,640  
i guess he would have been to create the

955  
00:39:04,790 --> 00:39:00,720  
protocols yeah

956  
00:39:07,589 --> 00:39:04,800  
he he was the remote viewer yeah

957  
00:39:11,910 --> 00:39:07,599  
ingo was a natural psychic

958  
00:39:20,310 --> 00:39:13,349  
an

959  
00:39:22,470 --> 00:39:20,320  
i find it hard to believe that he didn't

960  
00:39:25,430 --> 00:39:22,480  
have

961  
00:39:27,190 --> 00:39:25,440  
spiritual or extra extraterrestrial help

962  
00:39:30,310 --> 00:39:27,200  
or something because

963  
00:39:32,630 --> 00:39:30,320

the method that he created

964

00:39:35,349 --> 00:39:32,640

has not been improved on

965

00:39:38,470 --> 00:39:35,359

and hasn't even been matched by anyone

966

00:39:44,550 --> 00:39:41,990

the the way he created it

967

00:39:48,550 --> 00:39:46,390

you you follow

968

00:39:51,270 --> 00:39:48,560

the ingo swan method

969

00:39:53,030 --> 00:39:51,280

and you don't have to be psychic

970

00:39:54,390 --> 00:39:53,040

the information just comes out on the

971

00:39:55,349 --> 00:39:54,400

paper

972

00:39:57,270 --> 00:39:55,359

wow

973

00:39:58,950 --> 00:39:57,280

that's amazing

974

00:40:00,390 --> 00:39:58,960

he um

975

00:40:03,910 --> 00:40:00,400

he really wasn't

976

00:40:07,910 --> 00:40:03,920

an unusual person really interesting

977

00:40:10,390 --> 00:40:07,920

yeah i i really liked anguish he's uh

978

00:40:12,310 --> 00:40:10,400

the uh

979

00:40:15,510 --> 00:40:12,320

ingo was the old curmudgeon that you

980

00:40:18,310 --> 00:40:15,520

everybody loves you know yeah yeah

981

00:40:21,270 --> 00:40:18,320

i mean you knew you knew him i i spoke

982

00:40:23,109 --> 00:40:21,280

with you a couple of times uh

983

00:40:25,270 --> 00:40:23,119

you know within the context of you know

984

00:40:27,910 --> 00:40:25,280

some tv show or something i was working

985

00:40:31,589 --> 00:40:27,920

on but also um

986

00:40:33,829 --> 00:40:31,599

he we interviewed him for ufo magazine

987

00:40:35,750 --> 00:40:33,839

when i was there and he became good

988

00:40:38,230 --> 00:40:35,760

friends with don ecker who was our

989

00:40:41,030 --> 00:40:38,240

research director

990

00:40:44,069 --> 00:40:41,040

and uh so he was kind of

991

00:40:46,870 --> 00:40:44,079

around you know the ingo influence was

992

00:40:48,630 --> 00:40:46,880

around and we got a chance to you know

993

00:40:50,470 --> 00:40:48,640

speak with him a few times and he we had

994

00:40:53,349 --> 00:40:50,480

him on the show that we were doing back

995

00:40:56,309 --> 00:40:53,359

then the radio show with when i was uh

996

00:40:58,550 --> 00:40:56,319

working with don ecker on his radio show

997

00:41:00,790 --> 00:40:58,560

and so i i was just so impressed with

998

00:41:02,630 --> 00:41:00,800

him and and i remember uh

999

00:41:04,309 --> 00:41:02,640

i think it was around in 1996 or

1000

00:41:06,790 --> 00:41:04,319

something he came out with a book on

1001  
00:41:08,470 --> 00:41:06,800  
marion sightings and i thought whoa ho

1002  
00:41:09,430 --> 00:41:08,480  
where did this come from

1003  
00:41:12,630 --> 00:41:09,440  
you know

1004  
00:41:15,270 --> 00:41:12,640  
and so we actually did a piece on on

1005  
00:41:17,270 --> 00:41:15,280  
strange universe on english there's a uh

1006  
00:41:20,710 --> 00:41:17,280  
there's a little story that doesn't get

1007  
00:41:24,230 --> 00:41:20,720  
usually get told about that book

1008  
00:41:25,670 --> 00:41:24,240  
a week before the deadline to turn it in

1009  
00:41:27,349 --> 00:41:25,680  
his computer

1010  
00:41:28,870 --> 00:41:27,359  
broke down

1011  
00:41:41,190 --> 00:41:28,880  
and

1012  
00:41:44,150 --> 00:41:41,200  
i pulled off the text

1013  
00:41:46,630 --> 00:41:44,160

from you know one sector at a time

1014

00:41:48,790 --> 00:41:46,640

to recreate the book

1015

00:41:50,470 --> 00:41:48,800

but it took like three or four weeks to

1016

00:41:53,430 --> 00:41:50,480

do that

1017

00:41:54,950 --> 00:41:53,440

and uh during that time he had to have

1018

00:41:57,270 --> 00:41:54,960

the um

1019

00:42:00,550 --> 00:41:57,280

the the book in

1020

00:42:02,470 --> 00:42:00,560

and so he very quickly just

1021

00:42:03,829 --> 00:42:02,480

rewrote the book from his notes and turn

1022

00:42:05,510 --> 00:42:03,839

that in

1023

00:42:06,470 --> 00:42:05,520

and um

1024

00:42:09,349 --> 00:42:06,480

and

1025

00:42:10,950 --> 00:42:09,359

the one i have is the original

1026

00:42:13,589 --> 00:42:10,960

and um

1027

00:42:16,309 --> 00:42:13,599

i have the only copy except for a copy

1028

00:42:17,430 --> 00:42:16,319

that i made for ingo's sister and gave

1029

00:42:19,670 --> 00:42:17,440

to her

1030

00:42:20,630 --> 00:42:19,680

and

1031

00:42:22,950 --> 00:42:20,640

the

1032

00:42:24,230 --> 00:42:22,960

original of that book

1033

00:42:25,910 --> 00:42:24,240

is

1034

00:42:28,069 --> 00:42:25,920

has two or three times the amount of

1035

00:42:30,630 --> 00:42:28,079

information

1036

00:42:32,309 --> 00:42:30,640

but the book that got published

1037

00:42:33,270 --> 00:42:32,319

is

1038

00:42:35,190 --> 00:42:33,280

just

1039

00:42:36,630 --> 00:42:35,200

not the book that he had originally

1040

00:42:39,349 --> 00:42:36,640

meant for it to be

1041

00:42:40,630 --> 00:42:39,359

oh my gosh is his uh sister in charge of

1042

00:42:43,190 --> 00:42:40,640

his estate

1043

00:42:45,109 --> 00:42:43,200

yeah yeah has she ever thought about

1044

00:42:48,230 --> 00:42:45,119

releasing that version

1045

00:42:49,510 --> 00:42:48,240

i don't think so i don't know um that'd

1046

00:42:52,150 --> 00:42:49,520

be amazing

1047

00:42:55,109 --> 00:42:52,160

yeah you'd have to ask her but uh

1048

00:42:57,589 --> 00:42:55,119

what a great story that is

1049

00:43:01,430 --> 00:42:57,599

yeah i um

1050

00:43:04,309 --> 00:43:01,440

yeah i have the copy here and um

1051

00:43:06,230 --> 00:43:04,319

it's a you know basically it was a gift

1052

00:43:08,950 --> 00:43:06,240

from ingo

1053

00:43:10,230 --> 00:43:08,960

because he said i could keep a copy

1054

00:43:12,630 --> 00:43:10,240

um

1055

00:43:14,550 --> 00:43:12,640

but it's ingo's work

1056

00:43:16,950 --> 00:43:14,560

i would never give it to anyone because

1057

00:43:19,670 --> 00:43:16,960

it's not my work

1058

00:43:20,790 --> 00:43:19,680

but i have it i have a print out of it

1059

00:43:26,550 --> 00:43:20,800

in my

1060

00:43:29,349 --> 00:43:26,560

uh cabinet here and uh

1061

00:43:34,550 --> 00:43:31,190

then you're saying we do need to show up

1062

00:43:36,150 --> 00:43:34,560

at your doorstep if we want to read that

1063

00:43:39,270 --> 00:43:36,160

if you want to read it you either show

1064

00:43:44,309 --> 00:43:42,550

i'll have to track her down too yeah oh

1065

00:43:47,030 --> 00:43:44,319

that would be interesting to see i did i

1066

00:43:49,829 --> 00:43:47,040

do have that book and uh the one that

1067

00:43:51,589 --> 00:43:49,839

actually was published and uh and i did

1068

00:43:53,430 --> 00:43:51,599

read it it's been so many years ago but

1069

00:43:55,990 --> 00:43:53,440

i i do remember it quite well and i

1070

00:43:56,950 --> 00:43:56,000

remember being very surprised by it it

1071

00:43:58,790 --> 00:43:56,960

but but

1072

00:44:01,910 --> 00:43:58,800

learning a little bit more about ingo

1073

00:44:05,030 --> 00:44:01,920

swan later i it wasn't so surprising

1074

00:44:08,470 --> 00:44:05,040

because there were many many facets

1075

00:44:09,430 --> 00:44:08,480

uh to ingo swan what a

1076

00:44:10,950 --> 00:44:09,440

what a

1077

00:44:14,069 --> 00:44:10,960

force you know

1078

00:44:16,069 --> 00:44:14,079

his brain was amazing

1079

00:44:17,270 --> 00:44:16,079

but anyway so

1080

00:44:21,190 --> 00:44:17,280

back to

1081

00:44:22,790 --> 00:44:21,200

you and your experiences and now

1082

00:44:24,390 --> 00:44:22,800

you're continuing on with your your

1083

00:44:25,589 --> 00:44:24,400

training and now you're developing this

1084

00:44:29,190 --> 00:44:25,599

new uh

1085

00:44:30,470 --> 00:44:29,200

system for for for online training and

1086

00:44:36,630 --> 00:44:30,480

where do you

1087

00:44:38,950 --> 00:44:36,640

uh do you feel like it's becoming more

1088

00:44:40,630 --> 00:44:38,960

and more accepted it seems like there

1089

00:44:43,349 --> 00:44:40,640

are a lot of people really interested in

1090

00:44:45,510 --> 00:44:43,359

it and interested in doing the training

1091

00:44:49,670 --> 00:44:45,520

yeah uh it's becoming more and more

1092

00:44:51,190 --> 00:44:49,680

accepted uh in spite of all of the

1093

00:44:52,550 --> 00:44:51,200

craziness about

1094

00:44:54,950 --> 00:44:52,560

quote contr

1095

00:44:56,390 --> 00:44:54,960

quote remote viewing not controlled

1096

00:44:57,829 --> 00:44:56,400

remote viewing but

1097

00:45:01,670 --> 00:44:57,839

remote viewing

1098

00:45:04,710 --> 00:45:01,680

uh generic stuff on the internet

1099

00:45:06,390 --> 00:45:04,720

it is becoming more accepted and

1100

00:45:07,430 --> 00:45:06,400

back in the beginning

1101  
00:45:09,349 --> 00:45:07,440  
uh

1102  
00:45:10,790 --> 00:45:09,359  
anybody who wanted an interview like

1103  
00:45:12,550 --> 00:45:10,800  
this

1104  
00:45:13,589 --> 00:45:12,560  
they were just interested in making fun

1105  
00:45:14,630 --> 00:45:13,599  
of it

1106  
00:45:15,670 --> 00:45:14,640  
um

1107  
00:45:18,790 --> 00:45:15,680  
now

1108  
00:45:22,470 --> 00:45:18,800  
we have well i've gotten i think four

1109  
00:45:24,550 --> 00:45:22,480  
calls for tv shows and all that uh

1110  
00:45:25,910 --> 00:45:24,560  
in the last two weeks

1111  
00:45:28,470 --> 00:45:25,920  
uh

1112  
00:45:30,870 --> 00:45:28,480  
seriously wanting to know more about it

1113  
00:45:33,430 --> 00:45:30,880

uh rob lowe called

1114

00:45:35,829 --> 00:45:33,440

uh back in

1115

00:45:38,630 --> 00:45:35,839

january i think it was and wanted me to

1116

00:45:39,670 --> 00:45:38,640

come and be on the rob below show the

1117

00:45:41,829 --> 00:45:39,680

um

1118

00:45:45,349 --> 00:45:41,839

it's on the sci-fi channel right yeah

1119

00:45:46,630 --> 00:45:45,359

the low files no i think it's

1120

00:45:49,670 --> 00:45:46,640

a and e

1121

00:45:52,630 --> 00:45:49,680

always and yeah and uh

1122

00:45:55,829 --> 00:45:52,640

i was not able to come

1123

00:45:57,270 --> 00:45:55,839

and so uh i called

1124

00:45:58,069 --> 00:45:57,280

the

1125

00:46:07,270 --> 00:45:58,079

uh

1126  
00:46:10,230 --> 00:46:07,280  
and asked them to go and so they went

1127  
00:46:15,349 --> 00:46:11,990  
it was

1128  
00:46:17,589 --> 00:46:15,359  
i think the first of the

1129  
00:46:19,990 --> 00:46:17,599  
you know they have all the ghost shows

1130  
00:46:22,870 --> 00:46:20,000  
and and they go and looking for ghosts

1131  
00:46:25,589 --> 00:46:22,880  
and nobody ever finds a ghost and

1132  
00:46:27,349 --> 00:46:25,599  
and uh they always end in questions

1133  
00:46:28,470 --> 00:46:27,359  
but uh

1134  
00:46:31,670 --> 00:46:28,480  
uh

1135  
00:46:34,230 --> 00:46:31,680  
in on the rob low show

1136  
00:46:35,910 --> 00:46:34,240  
they they took his two sons out to a

1137  
00:46:39,109 --> 00:46:35,920  
place

1138  
00:46:41,190 --> 00:46:39,119

rob lowe stayed at home and um

1139

00:46:43,829 --> 00:46:41,200

with paul smith

1140

00:46:47,030 --> 00:46:43,839

and did a session

1141

00:46:50,069 --> 00:46:47,040

and i mean very accurately described

1142

00:46:52,309 --> 00:46:50,079

the location where the two boys were

1143

00:46:54,230 --> 00:46:52,319

and it's the first

1144

00:46:56,630 --> 00:46:54,240

show of this type

1145

00:46:58,069 --> 00:46:56,640

that actually succeeded in proving

1146

00:47:00,390 --> 00:46:58,079

something

1147

00:47:03,430 --> 00:47:00,400

yeah i know they always leave you

1148

00:47:06,069 --> 00:47:03,440

wanting but now has that segment aired

1149

00:47:07,270 --> 00:47:06,079

already yes it has

1150

00:47:11,750 --> 00:47:07,280

there is a

1151  
00:47:14,630 --> 00:47:11,760  
lowe

1152  
00:47:16,710 --> 00:47:14,640  
the low files and uh all of his segments

1153  
00:47:18,470 --> 00:47:16,720  
for that series are on there

1154  
00:47:19,349 --> 00:47:18,480  
uh the remote viewing one is on there

1155  
00:47:21,589 --> 00:47:19,359  
too

1156  
00:47:24,950 --> 00:47:21,599  
oh i'm gonna have to go watch that yeah

1157  
00:47:26,950 --> 00:47:24,960  
that sounds fancy they of course had a

1158  
00:47:29,109 --> 00:47:26,960  
segment right in the middle of that show

1159  
00:47:31,270 --> 00:47:29,119  
where they went out and played with the

1160  
00:47:34,950 --> 00:47:31,280  
goats because you know the movie the man

1161  
00:47:39,670 --> 00:47:36,069  
so that

1162  
00:47:41,190 --> 00:47:39,680  
that took a huge section of the show

1163  
00:47:42,630 --> 00:47:41,200

but the rest of the show was about the

1164

00:47:43,349 --> 00:47:42,640

remote viewing

1165

00:47:45,510 --> 00:47:43,359

now

1166

00:47:47,109 --> 00:47:45,520

you mentioned the movie uh someone in

1167

00:47:49,829 --> 00:47:47,119

the chat room early on in fact even

1168

00:47:52,150 --> 00:47:49,839

before the show started uh was talking

1169

00:47:53,910 --> 00:47:52,160

about that film and was asking you know

1170

00:47:56,390 --> 00:47:53,920

what you thought about it

1171

00:47:58,550 --> 00:47:56,400

oh i thought it was funny

1172

00:48:00,870 --> 00:47:58,560

uh it starts out with you wouldn't

1173

00:48:01,750 --> 00:48:00,880

believe how much of this is true

1174

00:48:04,390 --> 00:48:01,760

uh

1175

00:48:08,550 --> 00:48:04,400

90 of it is absolutely true it

1176  
00:48:10,630 --> 00:48:08,560  
absolutely happened and so forth in fact

1177  
00:48:12,390 --> 00:48:10,640  
general hapgood

1178  
00:48:13,750 --> 00:48:12,400  
lynn is standing in front of general

1179  
00:48:15,910 --> 00:48:13,760  
hapgood and

1180  
00:48:18,230 --> 00:48:15,920  
general hapgood says did you kill my

1181  
00:48:19,190 --> 00:48:18,240  
computers with your mind

1182  
00:48:22,069 --> 00:48:19,200  
and

1183  
00:48:23,030 --> 00:48:22,079  
i did

1184  
00:48:25,270 --> 00:48:23,040  
and

1185  
00:48:27,190 --> 00:48:25,280  
you know to general stouberbine

1186  
00:48:28,870 --> 00:48:27,200  
and

1187  
00:48:30,790 --> 00:48:28,880  
in the movie

1188  
00:48:32,630 --> 00:48:30,800

the grin that comes across general

1189

00:48:34,870 --> 00:48:32,640

haggood's face

1190

00:48:36,710 --> 00:48:34,880

is exactly

1191

00:48:38,549 --> 00:48:36,720

the grin that came across general

1192

00:48:40,390 --> 00:48:38,559

stubblebine's face

1193

00:48:42,790 --> 00:48:40,400

and he said far

1194

00:48:45,270 --> 00:48:42,800

f and out have i ever got a job for you

1195

00:48:46,470 --> 00:48:45,280

and that's when he took me back to dc

1196

00:48:54,549 --> 00:48:46,480

um

1197

00:48:55,430 --> 00:48:54,559

that they had to pack in

1198

00:48:58,870 --> 00:48:55,440

like

1199

00:49:00,829 --> 00:48:58,880

20 to 25 years of

1200

00:49:03,270 --> 00:49:00,839

people

1201  
00:49:06,150 --> 00:49:03,280  
and incidents

1202  
00:49:09,349 --> 00:49:06,160  
into a storyline that would last for an

1203  
00:49:12,790 --> 00:49:10,870  
and so

1204  
00:49:15,030 --> 00:49:12,800  
every character in there was a

1205  
00:49:16,950 --> 00:49:15,040  
compilation

1206  
00:49:18,150 --> 00:49:16,960  
of real people

1207  
00:49:20,710 --> 00:49:18,160  
oh

1208  
00:49:23,589 --> 00:49:20,720  
they used my name lynn

1209  
00:49:28,309 --> 00:49:25,829  
lynn cassidy in the movie was actually a

1210  
00:49:29,109 --> 00:49:28,319  
compilation of

1211  
00:49:33,750 --> 00:49:29,119  
of

1212  
00:49:36,309 --> 00:49:33,760  
that actually happened in the in real

1213  
00:49:41,030 --> 00:49:39,030

yeah oh wow that's great yeah i'm just

1214

00:49:42,630 --> 00:49:41,040

telling people in the chat room i'm i'm

1215

00:49:44,390 --> 00:49:42,640

embarrassed to say i haven't seen that

1216

00:49:46,069 --> 00:49:44,400

movie but i'm going to see it now

1217

00:49:47,670 --> 00:49:46,079

it's funny

1218

00:49:50,790 --> 00:49:47,680

they filmed they did some filming out

1219

00:49:51,990 --> 00:49:50,800

here at white sands right 15 miles from

1220

00:49:53,510 --> 00:49:52,000

where we live

1221

00:49:54,230 --> 00:49:53,520

and

1222

00:49:56,790 --> 00:49:54,240

they

1223

00:49:59,910 --> 00:49:56,800

didn't

1224

00:50:03,349 --> 00:49:59,920

tell me you know uh because it ridicules

1225

00:50:05,510 --> 00:50:03,359

i mean it's it's a comedy it really is

1226  
00:50:06,710 --> 00:50:05,520  
and i laughed all the way through it and

1227  
00:50:08,190 --> 00:50:06,720  
shoot i could have told them a lot

1228  
00:50:10,630 --> 00:50:08,200  
funnier stuff

1229  
00:50:13,670 --> 00:50:10,640  
[Laughter]

1230  
00:50:15,270 --> 00:50:13,680  
oh that's hilarious but uh yeah i

1231  
00:50:18,069 --> 00:50:15,280  
laughed all the way through it it was it

1232  
00:50:21,589 --> 00:50:18,079  
was a it was a funny show

1233  
00:50:23,430 --> 00:50:21,599  
i i didn't realize it was funny i yeah

1234  
00:50:25,990 --> 00:50:23,440  
oh i'm gonna have to see it but i don't

1235  
00:50:27,670 --> 00:50:26,000  
know if i'll like the funny part but uh

1236  
00:50:29,750 --> 00:50:27,680  
i will like to see what it is that they

1237  
00:50:30,790 --> 00:50:29,760  
show if you say 90 of the things that

1238  
00:50:31,829 --> 00:50:30,800

they showed

1239

00:50:33,829 --> 00:50:31,839

is true

1240

00:50:36,230 --> 00:50:33,839

yeah actually happened yeah

1241

00:50:37,670 --> 00:50:36,240

yeah actually happened that is pretty

1242

00:50:39,750 --> 00:50:37,680

amazing

1243

00:50:41,910 --> 00:50:39,760

so uh yeah they're saying they're glad

1244

00:50:43,510 --> 00:50:41,920

there's truth in it because you know

1245

00:50:46,150 --> 00:50:43,520

you never know with hollywood what's

1246

00:50:48,470 --> 00:50:46,160

going to happen well it was hollywood up

1247

00:50:49,430 --> 00:50:48,480

of course but you know

1248

00:50:52,950 --> 00:50:49,440

yeah

1249

00:50:54,549 --> 00:50:52,960

absolutely absolutely so what's what's

1250

00:50:57,270 --> 00:50:54,559

next for lynn

1251  
00:50:58,710 --> 00:50:57,280  
after you get all those classes online

1252  
00:51:00,150 --> 00:50:58,720  
well of course every saturday is going

1253  
00:51:00,790 --> 00:51:00,160  
to be taken up because you're going to

1254  
00:51:03,109 --> 00:51:00,800  
be

1255  
00:51:03,910 --> 00:51:03,119  
face to face with your students on skype

1256  
00:51:08,309 --> 00:51:03,920  
or

1257  
00:51:09,990 --> 00:51:08,319  
finally going to get a chance i would

1258  
00:51:11,670 --> 00:51:10,000  
hope to

1259  
00:51:14,309 --> 00:51:11,680  
do my artwork

1260  
00:51:17,750 --> 00:51:14,319  
write my books uh

1261  
00:51:19,349 --> 00:51:17,760  
i i love poetry i love writing poetry

1262  
00:51:20,470 --> 00:51:19,359  
and uh

1263  
00:51:23,270 --> 00:51:20,480

um

1264

00:51:24,390 --> 00:51:23,280

well i didn't know you were a romantic

1265

00:51:25,510 --> 00:51:24,400

oh

1266

00:51:28,069 --> 00:51:25,520

well

1267

00:51:31,109 --> 00:51:28,079

i write poetry for one reason

1268

00:51:32,150 --> 00:51:31,119

uh i hate to read and if you can

1269

00:51:35,670 --> 00:51:32,160

uh

1270

00:51:39,510 --> 00:51:35,680

if you can tell a story in 20 lines

1271

00:51:40,870 --> 00:51:39,520

instead of 200 pages

1272

00:51:42,710 --> 00:51:40,880

why not

1273

00:51:44,150 --> 00:51:42,720

never thought of it that way

1274

00:51:45,829 --> 00:51:44,160

yes

1275

00:51:47,910 --> 00:51:45,839

you know you mentioned your uh your

1276  
00:51:49,510 --> 00:51:47,920  
artwork and i and i was looking at some

1277  
00:51:51,030 --> 00:51:49,520  
of it on

1278  
00:51:52,470 --> 00:51:51,040  
on your website

1279  
00:51:54,470 --> 00:51:52,480  
and um

1280  
00:51:57,030 --> 00:51:54,480  
you know and i was talking about you

1281  
00:51:59,349 --> 00:51:57,040  
know there was some medieval uh grouping

1282  
00:52:02,390 --> 00:51:59,359  
of artwork and different ones

1283  
00:52:04,870 --> 00:52:02,400  
now what i was wondering is

1284  
00:52:07,349 --> 00:52:04,880  
were any of those

1285  
00:52:10,309 --> 00:52:07,359  
things that you've seen in your remote

1286  
00:52:11,349 --> 00:52:10,319  
viewing were any of those images

1287  
00:52:14,470 --> 00:52:11,359  
from

1288  
00:52:16,549 --> 00:52:14,480

memories of of a remote viewing session

1289

00:52:20,630 --> 00:52:16,559

not really um

1290

00:52:25,190 --> 00:52:20,640

however i will say that most of them

1291

00:52:27,349 --> 00:52:25,200

are a result from remote viewing done

1292

00:52:28,549 --> 00:52:27,359

as i do the artwork

1293

00:52:30,309 --> 00:52:28,559

in fact

1294

00:52:31,430 --> 00:52:30,319

one of them

1295

00:52:33,349 --> 00:52:31,440

is a

1296

00:52:35,670 --> 00:52:33,359

ship unloading and

1297

00:52:38,150 --> 00:52:35,680

and someone you know and a woman looking

1298

00:52:39,030 --> 00:52:38,160

down and watching the people

1299

00:52:40,309 --> 00:52:39,040

yep

1300

00:52:41,829 --> 00:52:40,319

and uh

1301  
00:52:44,069 --> 00:52:41,839  
that is

1302  
00:52:47,190 --> 00:52:44,079  
actually the home

1303  
00:52:50,069 --> 00:52:47,200  
of a person and the layout and all that

1304  
00:52:52,150 --> 00:52:50,079  
and um i didn't know that until almost a

1305  
00:52:54,790 --> 00:52:52,160  
year after

1306  
00:52:56,950 --> 00:52:54,800  
the uh after i'd done the painting

1307  
00:52:59,109 --> 00:52:56,960  
one of the paintings i don't know if

1308  
00:53:02,309 --> 00:52:59,119  
i've put it up on the site yet but it's

1309  
00:53:03,589 --> 00:53:02,319  
uh two kids flying a kite

1310  
00:53:05,109 --> 00:53:03,599  
and uh

1311  
00:53:07,750 --> 00:53:05,119  
i don't think it's fair

1312  
00:53:09,190 --> 00:53:07,760  
no i don't think it's up yet um

1313  
00:53:11,670 --> 00:53:09,200

i put up on

1314

00:53:12,470 --> 00:53:11,680

uh facebook

1315

00:53:14,790 --> 00:53:12,480

that

1316

00:53:16,630 --> 00:53:14,800

i would

1317

00:53:17,670 --> 00:53:16,640

do a painting

1318

00:53:19,750 --> 00:53:17,680

uh

1319

00:53:21,430 --> 00:53:19,760

in like two weeks

1320

00:53:23,750 --> 00:53:21,440

and until then i wasn't going to think

1321

00:53:25,750 --> 00:53:23,760

anything at all about the painting no

1322

00:53:27,030 --> 00:53:25,760

planning no nothing

1323

00:53:29,349 --> 00:53:27,040

and

1324

00:53:31,190 --> 00:53:29,359

during those two weeks

1325

00:53:32,870 --> 00:53:31,200

the people on facebook

1326

00:53:36,230 --> 00:53:32,880

would remote view

1327

00:53:38,470 --> 00:53:36,240

and tell me what painting i would paint

1328

00:53:40,390 --> 00:53:38,480

but don't post it because i didn't want

1329

00:53:43,750 --> 00:53:40,400

to see that

1330

00:53:45,910 --> 00:53:43,760

and so two weeks went by

1331

00:53:47,829 --> 00:53:45,920

i painted the painting i put it on

1332

00:53:49,349 --> 00:53:47,839

facebook and then

1333

00:53:51,190 --> 00:53:49,359

they showed me their

1334

00:53:52,309 --> 00:53:51,200

uh sessions

1335

00:53:54,630 --> 00:53:52,319

and uh

1336

00:53:57,190 --> 00:53:54,640

i would say over 50 percent of the

1337

00:53:59,430 --> 00:53:57,200

people had

1338

00:54:00,390 --> 00:53:59,440

all of the major uh

1339

00:54:02,150 --> 00:54:00,400

elements

1340

00:54:04,069 --> 00:54:02,160

of the picture itself yeah they had

1341

00:54:05,589 --> 00:54:04,079

remote viewed

1342

00:54:08,870 --> 00:54:05,599

what i would paint

1343

00:54:11,270 --> 00:54:08,880

now were these were these trained people

1344

00:54:12,790 --> 00:54:11,280

uh most of them are yeah oh okay so

1345

00:54:15,109 --> 00:54:12,800

these are training in different

1346

00:54:16,870 --> 00:54:15,119

different methodologies but yeah

1347

00:54:18,710 --> 00:54:16,880

wow

1348

00:54:20,150 --> 00:54:18,720

that's pretty amazing so you let them do

1349

00:54:23,030 --> 00:54:20,160

the viewing

1350

00:54:25,829 --> 00:54:23,040

yeah and um

1351  
00:54:27,190 --> 00:54:25,839  
paul o'connor over in ireland is one of

1352  
00:54:28,630 --> 00:54:27,200  
our teachers

1353  
00:54:31,430 --> 00:54:28,640  
and um

1354  
00:54:32,309 --> 00:54:31,440  
he did the same with an artist

1355  
00:54:34,950 --> 00:54:32,319  
and

1356  
00:54:37,030 --> 00:54:34,960  
they predicted the artwork that the

1357  
00:54:38,950 --> 00:54:37,040  
artist was going to paint

1358  
00:54:41,030 --> 00:54:38,960  
in several months

1359  
00:54:43,510 --> 00:54:41,040  
and she painted the picture

1360  
00:54:46,630 --> 00:54:43,520  
and then they showed her the results

1361  
00:54:48,549 --> 00:54:46,640  
she got all bent out of shape because

1362  
00:54:51,330 --> 00:54:48,559  
she then said

1363  
00:54:54,150 --> 00:54:51,340

how can i say this was my idea

1364

00:54:56,470 --> 00:54:54,160

[Laughter]

1365

00:54:59,510 --> 00:54:56,480

oh that's funny

1366

00:55:01,190 --> 00:54:59,520

oh that is just amazing

1367

00:55:04,950 --> 00:55:01,200

it's really i

1368

00:55:06,950 --> 00:55:04,960

i guess in in and like you said it's

1369

00:55:09,270 --> 00:55:06,960

really anyone could be trained in it i

1370

00:55:11,910 --> 00:55:09,280

guess there's you know certainly it

1371

00:55:14,230 --> 00:55:11,920

helps if you have some natural psychic

1372

00:55:14,950 --> 00:55:14,240

ability or at least you're open to it

1373

00:55:17,430 --> 00:55:14,960

but

1374

00:55:20,950 --> 00:55:17,440

uh it is a matter of

1375

00:55:23,510 --> 00:55:20,960

actual training and skill

1376

00:55:26,470 --> 00:55:23,520

one of the uh things in the training is

1377

00:55:28,870 --> 00:55:26,480

like we will have them describe the site

1378

00:55:30,870 --> 00:55:28,880

and then we will say okay

1379

00:55:31,750 --> 00:55:30,880

move

1380

00:55:37,829 --> 00:55:31,760

10

1381

00:55:39,270 --> 00:55:37,839

and describe what you see there

1382

00:55:41,670 --> 00:55:39,280

and then you know

1383

00:55:43,750 --> 00:55:41,680

we increase the amount and all that and

1384

00:55:45,670 --> 00:55:43,760

one of those times instead of saying 10

1385

00:55:47,670 --> 00:55:45,680

yards or 10 miles

1386

00:55:49,589 --> 00:55:47,680

we say okay

1387

00:55:51,510 --> 00:55:49,599

move ten days forward and tell me what

1388

00:55:53,430 --> 00:55:51,520

you see

1389

00:55:55,270 --> 00:55:53,440

and we find that

1390

00:55:56,470 --> 00:55:55,280

moving through time and moving through

1391

00:55:58,789 --> 00:55:56,480

space

1392

00:56:02,069 --> 00:55:58,799

and controlled remote viewing

1393

00:56:03,510 --> 00:56:02,079

there is absolutely no difference in the

1394

00:56:05,109 --> 00:56:03,520

process

1395

00:56:06,230 --> 00:56:05,119

and so um

1396

00:56:08,630 --> 00:56:06,240

and so

1397

00:56:11,990 --> 00:56:08,640

we can give them a present target and

1398

00:56:14,630 --> 00:56:12,000

then move them a year forward in time

1399

00:56:17,109 --> 00:56:14,640

and we have some good accuracy

1400

00:56:20,390 --> 00:56:17,119

that's amazing you know i think that's

1401

00:56:23,030 --> 00:56:20,400

about all we have time for unfortunately

1402

00:56:25,109 --> 00:56:23,040

uh it's been so wonderful having you and

1403

00:56:25,910 --> 00:56:25,119

i hope you will come back again

1404

00:56:33,030 --> 00:56:25,920

uh

1405

00:56:36,950 --> 00:56:35,670

well thanks lynn i always enjoy talking

1406

00:56:39,030 --> 00:56:36,960

to you and

1407

00:56:41,589 --> 00:56:39,040

over the years it's it's been a great

1408

00:56:43,910 --> 00:56:41,599

pleasure so yep i will give you a buzz

1409

00:56:47,510 --> 00:56:43,920

and please give my regards to lovely

1410

00:56:50,230 --> 00:56:47,520

wife if i'm back out that way i'll i'll

1411

00:56:52,470 --> 00:56:50,240

stop and see you again give me a buzz

1412

00:57:00,789 --> 00:56:52,480

all right good night everybody thanks

1413

00:57:00,799 --> 00:57:05,140

foreign

1414

00:57:05,150 --> 00:57:15,270

[Music]

1415

00:57:15,280 --> 00:57:38,789

oh

1416

00:57:42,309 --> 00:57:40,470

hey where you going jim the elevator's

1417

00:57:43,750 --> 00:57:42,319

over here taking the stairs but our

1418

00:57:45,430 --> 00:57:43,760

meeting's up on eight yeah i know but

1419

00:57:46,710 --> 00:57:45,440

that's eight floors up that's like eight

1420

00:57:49,030 --> 00:57:46,720

times

1421

00:57:50,549 --> 00:57:49,040

i don't a lot of stairs that's the point

1422

00:57:51,829 --> 00:57:50,559

i've already lost a few pounds and

1423

00:57:53,670 --> 00:57:51,839

earned almost a hundred dollars in

1424

00:57:56,150 --> 00:57:53,680

wellness incentives whoa you're getting

1425

00:57:57,990 --> 00:57:56,160

rewarded for working out yeah i know it

1426

00:58:00,069 --> 00:57:58,000

i'm just as surprised as you are bob

1427

00:58:01,670 --> 00:58:00,079

fearless is full of surprises that's the

1428

00:58:03,510 --> 00:58:01,680

power of the blue cross and blue shield

1429

00:58:05,190 --> 00:58:03,520

federal employee program learn more

1430

00:58:06,870 --> 00:58:05,200

about our healthy benefits and sign up
