20

00:00:53,290 --> 00:00:50,250

headline news a black triangle sighting

21

00:00:56,900 --> 00:00:53,300

in Titusville Florida on November 6th of

22

00:00:59,209 --> 00:00:56,910

2017 the witness states I was stargazing

23

00:01:02,330 --> 00:00:59,219

down the street and got spooked so I

24

00:01:04,789 --> 00:01:02,340

decided to walk back home that's when I

25

00:01:07,460 --> 00:01:04,799

noticed an airplane with green and red

26

00:01:10,100 --> 00:01:07,470

flashing lights I thought it was odd I

27

00:01:13,490 --> 00:01:10,110

could not see the tail after arrival of

28

00:01:15,200 --> 00:01:13,500

my home I sparked up a cigarette and was

29

00:01:17,929 --> 00:01:15,210

trying to get a better look of this

30

00:01:21,890 --> 00:01:17,939

plane that's when I'd seen something

31

00:01:25,120 --> 00:01:21,900

ascend over my home it was a triangular

32

00:01:27,530 --> 00:01:25,130

shape blue and red and red green

33

00:01:30,950 --> 00:01:27,540

flickering lights on the tail and it

34

00:01:33,260 --> 00:01:30,960

camouflaged like active camo went

35

00:01:36,350 --> 00:01:33,270

invisible but you could still sort of

36

00:01:38,120 --> 00:01:36,360

see it like active camo that's when I

37

00:01:40,910 --> 00:01:38,130

ran in the house woke up my wife and

38

00:01:43,880 --> 00:01:40,920

brought her outside and when I did the

39

00:01:47,690 --> 00:01:43,890

object was ascending straight up and

40

00:01:49,840 --> 00:01:47,700

vanished at that time you could only

41

00:01:51,139 --> 00:01:49,850

really see the red and green lights

42

00:01:54,050 --> 00:01:51,149

afterwards

43

00:01:57,800 --> 00:01:54,060

I seen a triangular aircraft hovering

44

00:01:59,539 --> 00:01:57,810

really low going northeast looked kinda

45

00:02:02,480 --> 00:01:59,549

like it was searching for something or

46

00:02:05,899 --> 00:02:02,490

had search lights on the triangular

47

00:02:08,900 --> 00:02:05,909

shape it had one red blinking light on

48

00:02:12,110 --> 00:02:08,910

the back end and four amber lights on

49

00:02:14,180 --> 00:02:12,120

the right side of its shape it reminded

50

00:02:16,820 --> 00:02:14,190

me of searchlights

51
00:02:17,530 --> 00:02:16,830
I felt kind of scared at parts of this

52
00:02:21,440 --> 00:02:17,540
event

53
00:02:24,590 --> 00:02:21,450
our next sighting a black triangle

54
00:02:29,990 --> 00:02:24,600
sighting in serra vista Arizona on

55
00:02:32,180 --> 00:02:30,000
October 6 2017 the witness states I was

56
00:02:34,640 --> 00:02:32,190
photographing the sunset from a moving

57
00:02:38,540 --> 00:02:34,650
car through an open window

58
00:02:40,850 --> 00:02:38,550
I took approximately 12 photos after

59
00:02:44,840 --> 00:02:40,860
taking the photos I reviewed them

60
00:02:47,900 --> 00:02:44,850
I noticed the object lens flare has been

61
00:02:52,220 --> 00:02:47,910
ruled out as it is strobed and moved

62
00:02:55,009 --> 00:02:52,230
independently upon review zoomed in on

63
00:02:57,680 --> 00:02:55,019

the object and observed an unusual

64

00:02:59,570 --> 00:02:57,690

appearance it doesn't look like the

65

00:03:04,370 --> 00:02:59,580

space station there were no obvious

66

00:03:07,250 --> 00:03:04,380

planets or moon in the area our next

67

00:03:12,650 --> 00:03:07,260

sighting comes from Lindenhurst Illinois

68

00:03:15,020 --> 00:03:12,660

on May 13th of 2017 the witness states a

69

00:03:18,020 --> 00:03:15,030

good friend of mine was outside with his

70

00:03:20,050 --> 00:03:18,030

Christian friend at a sleepover it was

71

00:03:23,420 --> 00:03:20,060

dark out about 9:30 p.m.

72

00:03:26,900 --> 00:03:23,430

they both suddenly looked to the sky as

73

00:03:29,330 --> 00:03:26,910

they sensed something strange they both

74

00:03:31,699 --> 00:03:29,340

see it and the Christian friend starts

75

00:03:34,400 --> 00:03:31,709

freaking out and denies its plain

76

00:03:38,300 --> 00:03:34,410

existence when my best friend keeps

77

00:03:40,880 --> 00:03:38,310

insisting it's real he goes inside and

78

00:03:43,280 --> 00:03:40,890

grabs his phone to record it he then

79

00:03:45,310 --> 00:03:43,290

starts talking about how he is recording

80

00:03:49,520 --> 00:03:45,320

for me because he knows I'm a big fan of

81

00:03:52,160 --> 00:03:49,530

UFOs and aliens he runs outside to get

82

00:03:55,490 --> 00:03:52,170

the UFO and shot of the camera and it is

83

00:03:59,810 --> 00:03:55,500

still there hovering then goes into the

84

00:04:02,330 --> 00:03:59,820

sky abruptly and blinks as it goes by my

85

00:04:03,380 --> 00:04:02,340

friend said he has never seen anything

86

00:04:06,949 --> 00:04:03,390

like it before

87

00:04:09,920 --> 00:04:06,959

skip ahead three days I mentioned to him

88

00:04:13,490 --> 00:04:09,930

about how often UFOs come back at

89

00:04:17,599 --> 00:04:13,500

similar times for repeated visits and I

90

00:04:21,110 --> 00:04:17,609

do look outside as well from my window

91

00:04:24,950 --> 00:04:21,120

at 9:45 three days after the sighting my

92

00:04:27,650 --> 00:04:24,960

friend had I saw a UFO with my brother

93

00:04:32,180 --> 00:04:27,660

but this one is different and

94

00:04:34,760 --> 00:04:32,190

pulsating a yellow orange glow it is

95

00:04:37,990 --> 00:04:34,770

only about a thousand feet in a separate

96

00:04:41,600 --> 00:04:38,000

direction from the first UFO sighting I

97

00:04:46,130 --> 00:04:41,610

freaked out but then try to dismiss it

98

00:04:48,830 --> 00:04:46,140

as a plane but I realize do orbs of

99

00:04:52,730 --> 00:04:48,840

light pulsate especially planes in

100

00:04:56,330 --> 00:04:52,740

general no planes do not pulsate in any

101
00:04:58,910 --> 00:04:56,340
way shape or form it goes very slowly

102
00:05:03,950 --> 00:04:58,920
for the next 10 minutes in the same

103
00:05:06,830 --> 00:05:03,960
direction then it just disappears for

104
00:05:10,520 --> 00:05:06,840
the next whole week at 9:45 p.m. it

105
00:05:13,820 --> 00:05:10,530
happens then suddenly the phenomena

106
00:05:14,920 --> 00:05:13,830
stops I look for the next three days but

107
00:05:18,110 --> 00:05:14,930
to no avail

108
00:05:20,570 --> 00:05:18,120
during those seven days it did appear it

109
00:05:23,420 --> 00:05:20,580
sometimes change direction from west to

110
00:05:25,850 --> 00:05:23,430
east but gradually each time the

111
00:05:29,570 --> 00:05:25,860
sighting would end the UFO gradually

112
00:05:32,480 --> 00:05:29,580
dissipating into thin air each time it

113
00:05:34,520 --> 00:05:32,490

always appeared in the same spot in fact

114

00:05:37,970 --> 00:05:34,530

me and my brother took notes on the

115

00:05:40,450 --> 00:05:37,980

phenomena I often still look in the same

116

00:05:44,090 --> 00:05:40,460

spot today just hoping to get a photo

117

00:05:46,760 --> 00:05:44,100

but every time I saw the UFO I always

118

00:05:49,190 --> 00:05:46,770

teared up because I was so filled up

119

00:05:52,460 --> 00:05:49,200

with emotion from seeing a UFO for

120

00:05:55,670 --> 00:05:52,470

myself thinking back on the sighting I

121

00:05:58,340 --> 00:05:55,680

still almost cry I hope to see another

122

00:06:03,280 --> 00:05:58,350

UFO in the future and maybe proved to

123

00:06:11,330 --> 00:06:06,950

next UFO sighting in Orlando Florida

124

00:06:15,670 --> 00:06:11,340

November 7th 2017 the witness states we

125

00:06:18,980 --> 00:06:15,680

were four of us playing tennis in USTA

126
00:06:20,570 --> 00:06:18,990
the game point was taken so we were

127
00:06:23,420 --> 00:06:20,580
relaxing and getting ready for the next

128
00:06:25,250 --> 00:06:23,430
point I did not have a clear shot when

129
00:06:27,790 --> 00:06:25,260
it was hovering but I could see

130
00:06:30,320 --> 00:06:27,800
something hovering up to my left side

131
00:06:34,130 --> 00:06:30,330
while the other friend of mine the

132
00:06:37,670 --> 00:06:34,140
opponent was staring at it then I turned

133
00:06:40,610 --> 00:06:37,680
left and I got the last few blinks of it

134
00:06:41,180 --> 00:06:40,620
hovering it then took off so fast that

135
00:06:44,000 --> 00:06:41,190
at van

136
00:06:47,390 --> 00:06:44,010
in the sky in like a half a second on a

137
00:06:50,350 --> 00:06:47,400
straight path it is not something

138
00:06:53,240 --> 00:06:50,360

man-made that can travel so fast

139

00:06:55,880 --> 00:06:53,250

also it hovered up from a place where

140

00:07:00,190 --> 00:06:55,890

there is nothing but just forests and

141

00:07:04,220 --> 00:07:00,200

trees and barren land that's amazing

142

00:07:09,170 --> 00:07:04,230

next sighting sighting in Huntington

143

00:07:13,910 --> 00:07:09,180

England on November 8th 2017 on November

144

00:07:16,700 --> 00:07:13,920

8th and 2017 at 6:44 I was letting my

145

00:07:19,820 --> 00:07:16,710

dogs into the garden as I had just got

146

00:07:22,760 --> 00:07:19,830

up for work it was a very clear but cold

147

00:07:25,490 --> 00:07:22,770

and frosty morning visibility of the sky

148

00:07:28,340 --> 00:07:25,500

was very good that's when I noticed a

149

00:07:30,890 --> 00:07:28,350

circular light traveling along the sky

150

00:07:34,190 --> 00:07:30,900

and thought it was a plane at first but

151
00:07:36,910 --> 00:07:34,200
in my opinion it seemed to be going far

152
00:07:39,470 --> 00:07:36,920
too quick for the distance to be a plane

153
00:07:42,410 --> 00:07:39,480
so I got my phone and I started

154
00:07:45,140 --> 00:07:42,420
recording it wasn't until later in the

155
00:07:48,050 --> 00:07:45,150
day when I was looking at the video that

156
00:07:51,500 --> 00:07:48,060
I noticed some strange movements to it

157
00:07:54,320 --> 00:07:51,510
it took about 10 views to see all but on

158
00:07:57,200 --> 00:07:54,330
a number of occasions it seemed to

159
00:08:00,260 --> 00:07:57,210
change direction slightly but sharply

160
00:08:04,040 --> 00:08:00,270
this does not seem to be the movement of

161
00:08:06,170 --> 00:08:04,050
a standard aircraft also at the very end

162
00:08:09,080 --> 00:08:06,180
of the video as I'm tracking the object

163
00:08:11,750 --> 00:08:09,090

it seems to suddenly dart in the

164

00:08:15,110 --> 00:08:11,760

opposite direction when I shot the video

165

00:08:18,050 --> 00:08:15,120

I thought I had lost it so it was only

166

00:08:21,740 --> 00:08:18,060

when I reviewed it that I noticed any of

167

00:08:24,530 --> 00:08:21,750

this these stories and more can be found

168

00:08:27,320 --> 00:08:24,540

on our page UFO headline news on

169

00:08:32,600 --> 00:08:27,330

inception radio network calm and they

170

00:08:36,380 --> 00:08:32,610

come to us from UFO stalker calm next

171

00:08:41,420 --> 00:08:36,390

coming to us from Earth sky news next

172

00:08:44,380 --> 00:08:41,430

Mars rover will have 23 eyes Mars hasn't

173

00:08:47,210 --> 00:08:44,390

been spectacular in our sky in 2017 but

174

00:08:51,440 --> 00:08:47,220

it'll have a memorable Opposition in

175

00:08:54,170 --> 00:08:51,450

2018 then Mars will be especially close

176
00:08:55,040 --> 00:08:54,180
to us and when many will be speaking of

177
00:08:57,680 --> 00:08:55,050
this neighboring

178
00:09:01,910 --> 00:08:57,690
red world shining so brightly in our

179
00:09:04,639 --> 00:09:01,920
skies the 2020 opposition of Mars will

180
00:09:09,110 --> 00:09:04,649
be excellent as well which is why NASA

181
00:09:13,130 --> 00:09:09,120
chose 2020 as the year to send a new

182
00:09:16,400 --> 00:09:13,140
Rover to Mars because Earth and Mars

183
00:09:20,030 --> 00:09:16,410
will become particularly close that year

184
00:09:23,030 --> 00:09:20,040
the Mars 2020 mission will need

185
00:09:27,069 --> 00:09:23,040
relatively less power to travel to Mars

186
00:09:29,420 --> 00:09:27,079
thus lowering mission costs and risks

187
00:09:31,519 --> 00:09:29,430
various details of the mission have

188
00:09:36,710 --> 00:09:31,529

already been published and this week

189

00:09:40,069 --> 00:09:36,720

which was October 31st of 2017 NASA

190

00:09:45,319 --> 00:09:40,079

announced that the new Mars 2020 Rover

191

00:09:49,130 --> 00:09:45,329

will have 23 eyes that is 23 cameras

192

00:09:53,680 --> 00:09:49,140

that's in contrast to just 5 cameras for

193

00:09:57,710 --> 00:09:53,690

NASA's Mars Pathfinder mission in 1997

194

00:10:01,460 --> 00:09:57,720

whose Rover Sojourner was the first to

195

00:10:05,690 --> 00:10:01,470

creep across Mars surface and it's more

196

00:10:08,120 --> 00:10:05,700

cameras than curiosity 17 curiosity is

197

00:10:10,519 --> 00:10:08,130

the most recent Mars rover and the Mars

198

00:10:13,760 --> 00:10:10,529

2020 mission is building on its

199

00:10:16,819 --> 00:10:13,770

technologies camera technology has

200

00:10:22,250 --> 00:10:16,829

clearly taken a quantum leap

201
00:10:25,519 --> 00:10:22,260
since sir joiner in 1997 Mars's 2020s

202
00:10:29,840 --> 00:10:25,529
cameras will be designed NASA said to

203
00:10:32,590 --> 00:10:29,850
quote create sweeping panoramas reveal

204
00:10:36,170 --> 00:10:32,600
obstacles study the atmosphere and

205
00:10:38,210 --> 00:10:36,180
assist science instruments they will

206
00:10:40,910 --> 00:10:38,220
provide dramatic views during the

207
00:10:44,000 --> 00:10:40,920
rover's descent to Mars and be the first

208
00:10:46,730 --> 00:10:44,010
to capture images of a parachute as it

209
00:10:49,130 --> 00:10:46,740
opens on another planet there will even

210
00:10:52,490 --> 00:10:49,140
be a camera inside the Rovers body which

211
00:10:55,400 --> 00:10:52,500
will study samples as they're stored and

212
00:10:58,939 --> 00:10:55,410
left on the surface for collection by a

213
00:11:02,120 --> 00:10:58,949

future mission Jim Bell of Arizona State

214

00:11:05,389 --> 00:11:02,130

University Tempah principal investigator

215

00:11:06,170 --> 00:11:05,399

for 2020s mass cam Z the rover is

216

00:11:10,310 --> 00:11:06,180

amazing

217

00:11:14,210 --> 00:11:10,320

eyes the Z stands for zoom stand and

218

00:11:17,960 --> 00:11:14,220

said the cameras on 20/20 will include

219

00:11:21,650 --> 00:11:17,970

more color and 3d imaging than on

220

00:11:23,840 --> 00:11:21,660

curiosity some camera lenses will also

221

00:11:26,449 --> 00:11:23,850

have a wider field of view that's

222

00:11:29,000 --> 00:11:26,459

critical for the 2020 mission which will

223

00:11:32,240 --> 00:11:29,010

try to maximize the time spent doing

224

00:11:35,300 --> 00:11:32,250

science and collecting samples Colin

225

00:11:38,240 --> 00:11:35,310

McKinney of JPL product delivery manager

226
00:11:41,690 --> 00:11:38,250
for the new engineering camera said our

227
00:11:44,449 --> 00:11:41,700
previous nav cams would snap multiple

228
00:11:46,880 --> 00:11:44,459
pictures and stitch them together with

229
00:11:51,230 --> 00:11:46,890
the wider field of view we get the same

230
00:11:53,690 --> 00:11:51,240
perspective in one shot the Mars 2020

231
00:11:57,410 --> 00:11:53,700
spacecraft will follow an entry descent

232
00:12:02,019 --> 00:11:57,420
landing process similar to that used in

233
00:12:04,850 --> 00:12:02,029
landing the Mars rover Curiosity in 2012

234
00:12:08,420 --> 00:12:04,860
but with major technological

235
00:12:12,019 --> 00:12:08,430
advancements read more about curiosity's

236
00:12:15,980 --> 00:12:12,029
landing by going to Inception Radio

237
00:12:18,350 --> 00:12:15,990
Network comm and then finally we're

238
00:12:20,000 --> 00:12:18,360

gonna take a look into some paranormal

239

00:12:23,120 --> 00:12:20,010

stories that these come to us from

240

00:12:28,699 --> 00:12:23,130

thought Co and you will find links once

241

00:12:31,340 --> 00:12:28,709

again the story states the true story of

242

00:12:35,510 --> 00:12:31,350

a monster that terrorized a German

243

00:12:38,449 --> 00:12:35,520

village for years in the late 16th

244

00:12:42,230 --> 00:12:38,459

century the town of bet burg Germany was

245

00:12:44,720 --> 00:12:42,240

terrorized by a diabolical creature that

246

00:12:48,579 --> 00:12:44,730

slaughtered its cattle and snatched away

247

00:12:52,190 --> 00:12:48,589

its women and children killing them was

248

00:12:55,430 --> 00:12:52,200

unspeakable morbidity the shocked and

249

00:12:58,100 --> 00:12:55,440

horrified townspeople feared that they

250

00:13:01,250 --> 00:12:58,110

were being victimized by a raving demon

251
00:13:06,110 --> 00:13:01,260
from hell or just as bad a bloodthirsty

252
00:13:09,350 --> 00:13:06,120
werewolf who lived among them this here

253
00:13:12,319 --> 00:13:09,360
is a true story of Peter Stubb the

254
00:13:15,890 --> 00:13:12,329
werewolf of bed burg whose crimes

255
00:13:19,940 --> 00:13:15,900
plunged a German town already beset by

256
00:13:22,490 --> 00:13:19,950
political and religious turmoil into an

257
00:13:24,920 --> 00:13:22,500
animal nightmare and whose heinous

258
00:13:29,210 --> 00:13:24,930
murders rivaled the bloody viciousness

259
00:13:33,020 --> 00:13:29,220
of any of today's most gruesome slasher

260
00:13:35,110 --> 00:13:33,030
movies and there's a warning the extreme

261
00:13:38,810 --> 00:13:35,120
cruelty of the crimes in this case

262
00:13:41,720 --> 00:13:38,820
detailed here are highly disturbing and

263
00:13:48,350 --> 00:13:41,730

not for the squeamish faint of heart or

264

00:13:51,560 --> 00:13:48,360

even young children that burg 1582 Peter

265

00:13:55,220 --> 00:13:51,570

Stubb also documented as Peter Stubb

266

00:13:58,760 --> 00:13:55,230

Peter Stubbe Peter stupa and Peter

267

00:14:02,960 --> 00:13:58,770

stumps as well as the aliases Abell

268

00:14:07,790 --> 00:14:02,970

Griswold a bo-breeze vald and you Belle

269

00:14:10,430 --> 00:14:07,800

Griswold he was a wealthy farmer in the

270

00:14:13,850 --> 00:14:10,440

rural community of bed burg located in

271

00:14:15,980 --> 00:14:13,860

the electorate of Cologne Germany the

272

00:14:18,590 --> 00:14:15,990

community knew him as a pleasant enough

273

00:14:21,110 --> 00:14:18,600

widower and father of two adolescent

274

00:14:24,620 --> 00:14:21,120

children whose wealth ensured him a

275

00:14:27,980 --> 00:14:24,630

measure of respect and influence but

276

00:14:31,040 --> 00:14:27,990

this was Peter Stubbs public face his

277

00:14:35,480 --> 00:14:31,050

true nature erupted through some black

278

00:14:40,580 --> 00:14:35,490

scar in his soul to satisfy a bloodlust

279

00:14:44,270 --> 00:14:40,590

when he donned the skin of a wolf at the

280

00:14:46,370 --> 00:14:44,280

time Catholicism and Protestants were at

281

00:14:49,070 --> 00:14:46,380

war for the hearts and minds of the

282

00:14:52,190 --> 00:14:49,080

populace which brought invading armies

283

00:14:54,230 --> 00:14:52,200

from both faiths to Bedford there are

284

00:14:57,650 --> 00:14:54,240

also outbreaks of the dreaded black

285

00:14:59,300 --> 00:14:57,660

plague so conflict and death were no

286

00:15:02,120 --> 00:14:59,310

strangers to the people of the region

287

00:15:06,850 --> 00:15:02,130

which perhaps provided fertile ground

288

00:15:10,280 --> 00:15:06,860

for the awakening of Stubbs foul deeds

289

00:15:12,560 --> 00:15:10,290

cattle mutilations for many years

290

00:15:15,620 --> 00:15:12,570

farmers around bed burg were mystified

291

00:15:20,180 --> 00:15:15,630

by the strange deaths of some of their

292

00:15:22,790 --> 00:15:20,190

cows day after day for many weeks they

293

00:15:27,100 --> 00:15:22,800

would find cattle dead in the pastures

294

00:15:30,680 --> 00:15:27,110

ripped open as if by some savage animal

295

00:15:33,200 --> 00:15:30,690

the farmers naturally suspected I'm back

296

00:15:33,650 --> 00:15:33,210

297

00:15:35,660 --> 00:15:33,660

306

00:16:05,170 --> 00:16:02,640

come slash save wolves but this was

307

00:16:08,840 --> 00:16:05,180

actually at the beginning a Peter Stubbs

308

00:16:12,380 --> 00:16:08,850

unnatural compulsion to mutilate and

309

00:16:15,350 --> 00:16:12,390

kill this insatiable drive would soon

310

00:16:20,630 --> 00:16:15,360

escalate into attacks on his neighboring

311

00:16:22,970 --> 00:16:20,640

villagers women and children children

312

00:16:26,270 --> 00:16:22,980

began to disappear from their farms and

313

00:16:29,710 --> 00:16:26,280

homes young women vanished from the past

314

00:16:33,710 --> 00:16:29,720

they traveled daily some were found dead

315

00:16:34,370 --> 00:16:33,720

horribly mutilated others were never

316

00:16:37,570 --> 00:16:34,380

found

317

00:16:40,370 --> 00:16:37,580

the community was thrown into a panic

318

00:16:42,230 --> 00:16:40,380

hungry wolves were again suspected and

319

00:16:45,140 --> 00:16:42,240

the villagers armed themselves against

320

00:16:49,100 --> 00:16:45,150

the animals some even feared a more

321

00:16:51,980 --> 00:16:49,110

devious creature like a werewolf who

322

00:16:54,890 --> 00:16:51,990

would walk among them unsuspected Azzam

323

00:16:58,480 --> 00:16:54,900

and then transform into a wolf to

324

00:17:01,940 --> 00:16:58,490

satisfy its hunger this was the case

325

00:17:02,840 --> 00:17:01,950

although he did not literally transform

326

00:17:06,950 --> 00:17:02,850

into a wolf

327

00:17:10,250 --> 00:17:06,960

Peter Stubb would cloak himself with the

328

00:17:14,300 --> 00:17:10,260

skin of a wolf when seeking his victims

329

00:17:18,350 --> 00:17:14,310

at his trial Stubb confessed that the

330

00:17:22,970 --> 00:17:18,360

devil himself gave him a magic belt of

331

00:17:26,360 --> 00:17:22,980

wolf fur at age 12 that when he put it

332

00:17:30,230 --> 00:17:26,370

on transformed him into the likeness of

333

00:17:33,650 --> 00:17:30,240

a greedy devouring wolf strong and

334

00:17:36,470 --> 00:17:33,660

mighty with eyes great and large which

335

00:17:40,220 --> 00:17:36,480

in the night sparkled like brands of

336

00:17:43,190 --> 00:17:40,230

fire a mouth great and wide with most

337

00:17:46,830 --> 00:17:43,200

sharp and cruel teeth a huge body and

338

00:17:48,899 --> 00:17:46,840

mighty paws when he took the belt off

339

00:17:52,730 --> 00:17:48,909

he believed he returned to his human

340

00:17:56,460 --> 00:17:52,740

state unthinkable murders

341

00:17:58,890 --> 00:17:56,470

Peter Stubb was a deranged serial killer

342

00:18:02,370 --> 00:17:58,900

and over the course of his murderous

343

00:18:06,450 --> 00:18:02,380

career he was responsible for the deaths

344

00:18:09,960 --> 00:18:06,460

of 13 children two pregnant women and

345

00:18:13,200 --> 00:18:09,970

numerous livestock and these were no

346

00:18:15,029 --> 00:18:13,210

ordinary murders the young women among

347

00:18:18,750 --> 00:18:15,039

his victims were sexually assaulted

348

00:18:21,240 --> 00:18:18,760

before he literally tore them apart with

349

00:18:24,169 --> 00:18:21,250

the pregnant women he ripped the fetuses

350

00:18:27,330 --> 00:18:24,179

from their wombs and ate their hearts

351

00:18:32,789 --> 00:18:27,340

panting hot and raw which he later

352

00:18:36,090 --> 00:18:32,799

described as dainty morsels small

353

00:18:38,399 --> 00:18:36,100

children they were strangled bludgeoned

354

00:18:41,580 --> 00:18:38,409

and throats ripped open with his bare

355

00:18:46,380 --> 00:18:41,590

hands some were disemboweled and

356

00:18:51,090 --> 00:18:46,390

partially eaten lambs and calves were

357

00:18:53,970 --> 00:18:51,100

ripped apart and devoured raw and one

358

00:18:56,880 --> 00:18:53,980

instance of a triple murder Stubb saw

359

00:18:59,100 --> 00:18:56,890

two men and a woman taking a walk just

360

00:19:02,580 --> 00:18:59,110

outside the city walls of bed Berg and

361

00:19:05,549 --> 00:19:02,590

he crouched hidden out of sight behind

362

00:19:08,399 --> 00:19:05,559

some brush he called out to one of the

363

00:19:10,919 --> 00:19:08,409

men by a name with a pretense that he

364

00:19:12,870 --> 00:19:10,929

needed help with some lumber when the

365

00:19:16,159 --> 00:19:12,880

young man joined him out of sight of the

366

00:19:18,990 --> 00:19:16,169

others Stubb just bashed his head in

367

00:19:20,610 --> 00:19:19,000

when the man didn't return the second

368

00:19:23,029 --> 00:19:20,620

young man went looking for him and

369

00:19:25,710 --> 00:19:23,039

likewise he was killed

370

00:19:29,519 --> 00:19:25,720

fearing danger the woman began to flee

371

00:19:32,820 --> 00:19:29,529

but Stubb managed to catch her the men's

372

00:19:35,279 --> 00:19:32,830

battered bodies were later found but the

373

00:19:37,740 --> 00:19:35,289

woman's never was and it was thought

374

00:19:43,200 --> 00:19:37,750

that Stubb after raping and killing her

375

00:19:45,570 --> 00:19:43,210

might have eaten her completely at least

376

00:19:48,510 --> 00:19:45,580

one child was lucky enough to have

377

00:19:50,750 --> 00:19:48,520

escaped an attack several children were

378

00:19:54,029 --> 00:19:50,760

playing in a meadow among some cows

379

00:19:57,090 --> 00:19:54,039

Stubb ran after them grabbing one girl

380

00:20:00,530 --> 00:19:57,100

by the neck as other children ran away

381

00:20:03,020 --> 00:20:00,540

Stubb tried to rip her throat out

382

00:20:06,710 --> 00:20:03,030

but his fingers were prevented from

383

00:20:09,620 --> 00:20:06,720

doing this by her stiff high collar this

384

00:20:13,100 --> 00:20:09,630

gave her time to cry out this cry

385

00:20:15,680 --> 00:20:13,110

altered the cattle which fearing the

386

00:20:20,960 --> 00:20:15,690

safety of their calves charged after

387

00:20:23,450 --> 00:20:20,970

stubb he released the girl and fled the

388

00:20:26,000 --> 00:20:23,460

girl survived it is not known if she or

389

00:20:29,660 --> 00:20:26,010

any of the other children were able to

390

00:20:32,590 --> 00:20:29,670

identify stub perhaps his most fiendish

391

00:20:36,320 --> 00:20:32,600

murder he reserved for his own family

392

00:20:40,400 --> 00:20:36,330

stub had incestuous relationships with

393

00:20:44,180 --> 00:20:40,410

his sister and his own daughter whom he

394

00:20:47,060 --> 00:20:44,190

impregnated he also murdered his son as

395

00:20:50,330 --> 00:20:47,070

firstborn Stubb led the boy into the

396

00:20:58,310 --> 00:20:50,340

forest and killed him and then ate his

397

00:21:02,180 --> 00:20:58,320

brains the unseen monster by any

398

00:21:05,000 --> 00:21:02,190

definition Peter stub was a monster yet

399

00:21:09,350 --> 00:21:05,010

all the while he remained unsuspected by

400

00:21:12,650 --> 00:21:09,360

the townspeople in the damnable life and

401

00:21:16,130 --> 00:21:12,660

death of stub Peter written just two

402

00:21:20,810 --> 00:21:16,140

years after Stubbs trial George Bors

403

00:21:23,180 --> 00:21:20,820

wrote quote and sundry times he would go

404

00:21:26,750 --> 00:21:23,190

through the streets of Colin bed Burr

405

00:21:30,290 --> 00:21:26,760

and separate and calmly habit and very

406

00:21:32,290 --> 00:21:30,300

civilly as one well-known to all the

407

00:21:35,300 --> 00:21:32,300

inhabitants there about and oftentimes

408

00:21:37,940 --> 00:21:35,310

he was saluted of those whose friends

409

00:21:42,230 --> 00:21:37,950

and children he had butchered though

410

00:21:44,060 --> 00:21:42,240

nothing suspected for the same stub must

411

00:21:47,240 --> 00:21:44,070

have thought himself invincible through

412

00:21:49,430 --> 00:21:47,250

the power of his magic belt yet it was

413

00:21:52,940 --> 00:21:49,440

this belief that ended his reign of

414

00:21:55,490 --> 00:21:52,950

terror when the limbs of several missing

415

00:21:57,470 --> 00:21:55,500

people were found in a field the

416

00:22:01,040 --> 00:21:57,480

villagers were further convinced that a

417

00:22:03,200 --> 00:22:01,050

ravenous wolf was responsible and so

418

00:22:07,640 --> 00:22:03,210

several hunters set out with their dogs

419

00:22:11,060 --> 00:22:07,650

to pursue the predator now here is where

420

00:22:13,550 --> 00:22:11,070

the story gets quite strange the men

421

00:22:14,330 --> 00:22:13,560

hunted the creature for days until at

422

00:22:17,120 --> 00:22:14,340

last

423

00:22:21,080 --> 00:22:17,130

they saw him but according to your

424

00:22:22,549 --> 00:22:21,090

account they saw and chased down a wolf

425

00:22:26,090 --> 00:22:22,559

not a man

426

00:22:28,760 --> 00:22:26,100

the dogs chased the animal until they

427

00:22:31,190 --> 00:22:28,770

had it cornered the hunters were sure

428

00:22:33,350 --> 00:22:31,200

that they were chasing a wolf but when

429

00:22:37,180 --> 00:22:33,360

they came to the spot where the dogs had

430

00:22:40,880 --> 00:22:37,190

it cornered their coward Peter stub

431

00:22:43,970 --> 00:22:40,890

according to George Boris account being

432

00:22:47,480 --> 00:22:43,980

trapped with no room for escape stub

433

00:22:51,409 --> 00:22:47,490

removed his magic belt and transformed

434

00:22:54,049 --> 00:22:51,419

from the wolf to his human form the

435

00:22:56,710 --> 00:22:54,059

hunters saw no magic belt as stub later

436

00:23:00,230 --> 00:22:56,720

claimed he had but only an ordinary

437

00:23:02,510 --> 00:23:00,240

walking stick in his hand at first they

438

00:23:05,289 --> 00:23:02,520

disbelieved their own eyes after all

439

00:23:09,950 --> 00:23:05,299

Stubb was a respected longtime resident

440

00:23:11,899 --> 00:23:09,960

how could he be a werewolf perhaps this

441

00:23:15,889 --> 00:23:11,909

wasn't really Peter Stubb at all they

442

00:23:17,539 --> 00:23:15,899

reasoned but a devilish Trek so they

443

00:23:20,360 --> 00:23:17,549

escorted Stubb to his house and

444

00:23:23,570 --> 00:23:20,370

determined that he was indeed the Peter

445

00:23:27,350 --> 00:23:23,580

Stubb they knew Peter Stubb was arrested

446

00:23:31,070 --> 00:23:27,360

and tried for the crimes trial and

447

00:23:34,340 --> 00:23:31,080

execution thought now to be a werewolf

448

00:23:37,580 --> 00:23:34,350

Stubb was brought to trial and it was

449

00:23:40,490 --> 00:23:37,590

only under pain of torture on the rack

450

00:23:42,919 --> 00:23:40,500

that has confession to all of the

451
00:23:46,399 --> 00:23:42,929
heinous crimes came out including

452
00:23:50,000 --> 00:23:46,409
sorcery his consort with the devil and

453
00:23:52,220 --> 00:23:50,010
the story of the magic belt this fact

454
00:23:56,960 --> 00:23:52,230
has led some researchers to surmise that

455
00:24:00,789 --> 00:23:56,970
Stubb was in fact innocent that his wild

456
00:24:03,560 --> 00:24:00,799
confession was elicited by torture

457
00:24:05,840 --> 00:24:03,570
perhaps Stubb himself was a victim of

458
00:24:08,630 --> 00:24:05,850
the superstition and religious rivalry

459
00:24:11,779 --> 00:24:08,640
taking place at the time the fear and

460
00:24:14,480 --> 00:24:11,789
conviction of a demon inspired werewolf

461
00:24:18,230 --> 00:24:14,490
might lead people back to the true

462
00:24:21,710 --> 00:24:18,240
church whether he was truly a serial

463
00:24:26,779 --> 00:24:21,720

killer or a political victim Stubb was

464

00:24:27,869 --> 00:24:26,789

found guilty October 28th 1589 and his

465

00:24:30,869 --> 00:24:27,879

execution

466

00:24:33,869 --> 00:24:30,879

was as gruesome as any of the crimes of

467

00:24:36,959 --> 00:24:33,879

which he was accused his body was

468

00:24:41,609 --> 00:24:36,969

strapped spread-eagle on a large wheel

469

00:24:45,389 --> 00:24:41,619

with redhot pincers his executioner's

470

00:24:49,289 --> 00:24:45,399

pulled his flesh from his bones in ten

471

00:24:54,509 --> 00:24:49,299

spots his arms and legs were broken with

472

00:25:01,169 --> 00:24:54,519

a large axe then and only then was his

473

00:25:03,349 --> 00:25:01,179

head cut off on October 31st today's

474

00:25:06,479 --> 00:25:03,359

Halloween what a coincidence

475

00:25:09,479 --> 00:25:06,489

Peter Stubbs body along with his

476
00:25:12,059 --> 00:25:09,489
daughter and his mistress both of whom

477
00:25:16,919 --> 00:25:12,069
were convicted of abating his crimes

478
00:25:18,629 --> 00:25:16,929
were burned at the stake by directive of

479
00:25:21,839 --> 00:25:18,639
the magistrate a warning to other

480
00:25:25,799 --> 00:25:21,849
potential devil worshipers was put in

481
00:25:28,589 --> 00:25:25,809
place for all to see the wheel on which

482
00:25:31,889 --> 00:25:28,599
Stubb was tortured was set high upon a

483
00:25:35,819 --> 00:25:31,899
pole from which hung sixteen yards

484
00:25:39,509 --> 00:25:35,829
strips of wood representing his sixteen

485
00:25:40,769 --> 00:25:39,519
known victims atop that was the framed

486
00:25:44,069 --> 00:25:40,779
likeness of a wolf

487
00:25:47,669 --> 00:25:44,079
and above on the sharpen point of the

488
00:25:53,909 --> 00:25:47,679

pole was placed Peter Stubbs severed

489

00:25:55,559 --> 00:25:53,919

head so was he a werewolf there may be

490

00:25:58,319 --> 00:25:55,569

no way of knowing for certain whether

491

00:26:00,809 --> 00:25:58,329

Peter Stubb was a convenient Patsy for

492

00:26:02,699 --> 00:26:00,819

the authorities which means a wolf or

493

00:26:07,229 --> 00:26:02,709

wolves really were responsible for the

494

00:26:10,469 --> 00:26:07,239

deaths or he was a maniac serial killer

495

00:26:13,229 --> 00:26:10,479

of the most abominable sort in any case

496

00:26:16,079 --> 00:26:13,239

he was certainly not a shape-shifting

497

00:26:18,569 --> 00:26:16,089

werewolf and Georg Boris account of how

498

00:26:21,809 --> 00:26:18,579

the hunters chased him down and found

499

00:26:25,349 --> 00:26:21,819

him transformed was invented to aid and

500

00:26:29,639 --> 00:26:25,359

Stubbs conviction and to reinforce the

501
00:26:35,699 --> 00:26:29,649
superstitions of his readers there are

502
00:26:38,939 --> 00:26:35,709
no real werewolves or are they next we

503
00:26:41,810 --> 00:26:38,949
have true stories of werewolf sightings

504
00:26:44,850 --> 00:26:41,820
and encounters in Bree

505
00:26:47,340 --> 00:26:44,860
the question of if there are werewolves

506
00:26:48,660 --> 00:26:47,350
there have been numerous sightings of

507
00:26:52,260 --> 00:26:48,670
creatures that fit the traditional

508
00:26:54,530 --> 00:26:52,270
description wolf or dog like animals

509
00:26:58,770 --> 00:26:54,540
that walk upright on their hind legs

510
00:27:01,020 --> 00:26:58,780
consider these various true stories like

511
00:27:04,770 --> 00:27:01,030
the back road encounter of a psychic

512
00:27:07,049 --> 00:27:04,780
metal werewolf and briefs a state after

513
00:27:09,630 --> 00:27:07,059

searching awhile with no luck I was

514

00:27:12,780 --> 00:27:09,640

prepared to get back in the car when I

515

00:27:16,290 --> 00:27:12,790

heard a strange sound not a growl but

516

00:27:21,900 --> 00:27:16,300

more like a dogs whimper but too deep to

517

00:27:23,850 --> 00:27:21,910

be a dog next my youngest cousin freaked

518

00:27:26,070 --> 00:27:23,860

out badly and took off running in the

519

00:27:28,310 --> 00:27:26,080

other direction they had a hard time

520

00:27:31,890 --> 00:27:28,320

finding him and the boy with red eyes

521

00:27:36,660 --> 00:27:31,900

didn't move from his spot but continued

522

00:27:39,630 --> 00:27:36,670

staring at them next a pack of

523

00:27:42,780 --> 00:27:39,640

werewolves the wolves which seemed to be

524

00:27:44,730 --> 00:27:42,790

the most logical guess were about six

525

00:27:47,940 --> 00:27:44,740

and a half feet tall and looked like

526

00:27:52,700 --> 00:27:47,950

they were easily weighed 250 to 275

527

00:27:55,380 --> 00:27:52,710

pounds each next the snarling werewolf

528

00:27:58,590 --> 00:27:55,390

still writhing in pain in the middle of

529

00:28:01,100 --> 00:27:58,600

the road what had been eating a big pile

530

00:28:05,490 --> 00:28:01,110

of guts look like a giant wolf that had

531

00:28:08,970 --> 00:28:05,500

queer human-like features it had to be 6

532

00:28:11,310 --> 00:28:08,980

to 7 feet long at least but no one was

533

00:28:16,650 --> 00:28:11,320

getting close to terror and fear of a

534

00:28:18,570 --> 00:28:16,660

violent death kept us at bay next spring

535

00:28:22,350 --> 00:28:18,580

lake where wolves

536

00:28:25,860 --> 00:28:22,360

I could see fingers with claws its face

537

00:28:28,080 --> 00:28:25,870

was human-like but with a snout after

538

00:28:31,200 --> 00:28:28,090

watching for a good minute the second

539

00:28:33,620 --> 00:28:31,210

creature stood up I hightailed it out of

540

00:28:38,160 --> 00:28:33,630

there so fast

541

00:28:41,820 --> 00:28:38,170

next werewolf in Serbia at the same

542

00:28:44,760 --> 00:28:41,830

moment another howl we went to the porch

543

00:28:48,590 --> 00:28:44,770

with battery lamp and opened our eyes

544

00:28:52,380 --> 00:28:48,600

wily to see what it was

545

00:28:54,930 --> 00:28:52,390

next a werewolf on the shortcut this

546

00:28:58,379 --> 00:28:54,940

thing was standing on two feet

547

00:29:01,799 --> 00:28:58,389

hunched pointed ears long arms and

548

00:29:05,009 --> 00:29:01,809

pointy nails it had a weird tail like a

549

00:29:10,739 --> 00:29:05,019

rat I could tell it had fur and its eyes

550

00:29:14,489 --> 00:29:10,749

were glowing from our headlights next

551
