majority here is your UFO headline news

6  
00:00:29,269 --> 00:00:22,890  
UFO sighting in Redlands California on

7  
00:00:32,269 --> 00:00:29,279  
October 25th 2017 the witness describes

8  
00:00:35,330 --> 00:00:32,279  
I live on a nine acre ranch in rural

9  
00:00:37,400 --> 00:00:35,340  
Riverside County California the ranch

10  
00:00:40,400 --> 00:00:37,410  
sits on a canyon approximately

11  
00:00:43,250 --> 00:00:40,410  
one-and-a-half to two miles across from

12  
00:00:46,279 --> 00:00:43,260  
my property I only have light noise that

13  
00:00:49,100 --> 00:00:46,289

comes from northwest of the town of

14

00:00:51,740 --> 00:00:49,110

Redlands ten miles away the object I

15

00:00:54,619 --> 00:00:51,750

spotted was due east with little to no

16

00:00:56,420 --> 00:00:54,629

visible light noise from the canyon what

17

00:00:58,700 --> 00:00:56,430

caught my eye was the object was

18

00:01:00,799 --> 00:00:58,710

twinkling extremely bright randomly

19

00:01:03,500 --> 00:01:00,809

changing colors through most of the

20

00:01:06,080 --> 00:01:03,510

color spectrum it also seemed to be much

21

00:01:09,500 --> 00:01:06,090

closer than other stars at that point I

22

00:01:13,429 --> 00:01:09,510

grabbed my camera a Nikon d50 200 with

23

00:01:18,020 --> 00:01:13,439

nikkor 55 through 300 millimeter lens

24

00:01:21,080 --> 00:01:18,030

mounted on a tripod and set it up in my

25

00:01:23,660 --> 00:01:21,090

driveway pointed due east approximately

26  
00:01:25,969 --> 00:01:23,670  
10 degrees above the horizon and video

27  
00:01:29,600 --> 00:01:25,979  
recorded about 5 minutes worth of

28  
00:01:32,210 --> 00:01:29,610  
footage until my battery died during the

29  
00:01:34,940 --> 00:01:32,220  
recording the object seemed to move with

30  
00:01:37,490 --> 00:01:34,950  
Earth's orbit but about halfway through

31  
00:01:40,460 --> 00:01:37,500  
the video I noticed it made a slight

32  
00:01:43,010 --> 00:01:40,470  
direction change to the south just prior

33  
00:01:46,340 --> 00:01:43,020  
to moving out of the field of view of my

34  
00:01:49,550 --> 00:01:46,350  
camera I did not adjust the tripod once

35  
00:01:52,429 --> 00:01:49,560  
I just started recording with limited

36  
00:01:55,520 --> 00:01:52,439  
time I wasn't able to view the video for

37  
00:01:58,880 --> 00:01:55,530  
a few days once I did see the video I

38  
00:02:00,770 --> 00:01:58,890

was amazed with what I captured this

39

00:02:04,480 --> 00:02:00,780

object seemed to be within the Earth's

40

00:02:06,889 --> 00:02:04,490

atmosphere after view a freeze-frame

41

00:02:08,630 --> 00:02:06,899

what also made me believe this was

42

00:02:11,869 --> 00:02:08,640

within the atmosphere is that no other

43

00:02:13,520 --> 00:02:11,879

stars were picked up with my camera

44

00:02:18,110 --> 00:02:13,530

which was set to

45

00:02:19,330 --> 00:02:18,120

Kord the flashing orb I spotted Wow

46

00:02:23,270 --> 00:02:19,340

amazing

47

00:02:27,190 --> 00:02:23,280

next your foe sighting in a Buckeye and

48

00:02:32,150 --> 00:02:27,200

Lake Ohio this happened October 18th

49

00:02:35,210 --> 00:02:32,160

2017 the witness describes I went to the

50

00:02:37,820 --> 00:02:35,220

town of Buckeye Lake to take pictures of

51  
00:02:40,010 --> 00:02:37,830  
the lake and enjoy the sunset I was

52  
00:02:42,770 --> 00:02:40,020  
there about 45 minutes walking around

53  
00:02:45,830 --> 00:02:42,780  
taking many pictures facing west towards

54  
00:02:49,100 --> 00:02:45,840  
Columbus I didn't notice the object at

55  
00:02:52,340 --> 00:02:49,110  
first until I was retrieving my pictures

56  
00:02:55,340 --> 00:02:52,350  
and notice what looked like the moon on

57  
00:02:59,000 --> 00:02:55,350  
the left side of the picture about half

58  
00:03:01,729 --> 00:02:59,010  
way up in the southwest sky eyes oome in

59  
00:03:05,809 --> 00:03:01,739  
on the picture to see what it was and

60  
00:03:10,400 --> 00:03:05,819  
had no idea what I was looking at at

61  
00:03:12,620 --> 00:03:10,410  
that point it was long gone I looked at

62  
00:03:16,160 --> 00:03:12,630  
the other pictures I took and didn't see

63  
00:03:19,430 --> 00:03:16,170

it in any of them I decided to ask

64

00:03:25,550 --> 00:03:19,440

around I'm sure it's nothing but has me

65

00:03:30,259 --> 00:03:25,560

rather curious don't downtown alright

66

00:03:33,890 --> 00:03:30,269

next one UFO sighting in Washington

67

00:03:38,390 --> 00:03:33,900

courthouse Ohio this occurred October

68

00:03:41,330 --> 00:03:38,400

19th 2017 the witness states I was

69

00:03:43,069 --> 00:03:41,340

standing outside of my back deck talking

70

00:03:44,860 --> 00:03:43,079

to my girlfriend on the phone when I

71

00:03:48,319 --> 00:03:44,870

started seeing these flashing lights

72

00:03:51,110 --> 00:03:48,329

through a tree well I kept talking to

73

00:03:54,020 --> 00:03:51,120

her they continue to flash heading south

74

00:03:57,729 --> 00:03:54,030

towards Wilmington several sets of

75

00:04:00,500 --> 00:03:57,739

lights all flashing randomly after about

76  
00:04:03,380 --> 00:04:00,510  
10 seconds I didn't see them anymore and

77  
00:04:07,280 --> 00:04:03,390  
that's when I commented to my girlfriend

78  
00:04:11,360 --> 00:04:07,290  
what I just seen the following Saturday

79  
00:04:14,479 --> 00:04:11,370  
night which was October 22nd I went to a

80  
00:04:18,319 --> 00:04:14,489  
Halloween event going on at a park here

81  
00:04:21,170 --> 00:04:18,329  
in town when I overheard several people

82  
00:04:24,649 --> 00:04:21,180  
talking about the lights - while waiting

83  
00:04:26,370 --> 00:04:24,659  
to get in exactly describing the same

84  
00:04:28,980 --> 00:04:26,380  
thing I had seen

85  
00:04:31,950 --> 00:04:28,990  
I mentioned I saw them too and they

86  
00:04:34,770 --> 00:04:31,960  
asked where and I appointed in the

87  
00:04:39,300 --> 00:04:34,780  
northwest direction and they said that's

88  
00:04:41,190 --> 00:04:39,310

where they saw them too it's always good

89

00:04:42,870 --> 00:04:41,200

to get backup isn't it to know that

90

00:04:45,390 --> 00:04:42,880

you're not alone you're not the only one

91

00:04:47,040 --> 00:04:45,400

that's witnessed these things I love

92

00:04:50,520 --> 00:04:47,050

these types of stories

93

00:04:55,800 --> 00:04:50,530

truly truly inspiring all right next one

94

00:05:00,860 --> 00:04:55,810

this one is a blast from the past of a

95

00:05:06,300 --> 00:05:04,230

this one states me and my wife and three

96

00:05:09,230 --> 00:05:06,310

children were leaving my mother's house

97

00:05:13,980 --> 00:05:09,240

in Port Lavaca Rada around 9:00 p.m. and

98

00:05:18,470 --> 00:05:13,990

this was in the year 2000 and happened

99

00:05:21,990 --> 00:05:18,480

in March we were traveling north a

100

00:05:22,560 --> 00:05:22,000

cowboy way up ahead of us about 500

101  
00:05:28,260 --> 00:05:22,570

yards

102  
00:05:31,410 --> 00:05:28,270

I seen a large green glowing light above

103  
00:05:36,240 --> 00:05:31,420

the tree line I had no idea what it was

104  
00:05:39,330 --> 00:05:36,250

I asked my wife hey what is that she did

105  
00:05:41,970 --> 00:05:39,340

see it until I mentioned it did not see

106  
00:05:45,750 --> 00:05:41,980

it that's when my kids in the backseat

107  
00:05:49,620 --> 00:05:45,760

seen it too I stopped the car we all

108  
00:05:54,360 --> 00:05:49,630

just looked at it it was large glowing

109  
00:05:58,800 --> 00:05:54,370

green like the color and glow of a dark

110  
00:06:01,920 --> 00:05:58,810

green it was moving very slow to the

111  
00:06:05,010 --> 00:06:01,930

northwest right above the tree lines it

112  
00:06:08,060 --> 00:06:05,020

was making the trees under it glow from

113  
00:06:11,070 --> 00:06:08,070

the light I started driving again

114

00:06:15,180 --> 00:06:11,080

getting closer to it and all of us

115

00:06:19,410 --> 00:06:15,190

observing it then the thing turned to

116

00:06:20,940 --> 00:06:19,420

the side I think now I believe we were

117

00:06:26,820 --> 00:06:20,950

looking at the bottom of it

118

00:06:29,490 --> 00:06:26,830

a perfect round glowing disk it was

119

00:06:31,590 --> 00:06:29,500

about 300 yards from us now there must

120

00:06:36,870 --> 00:06:31,600

have been an opening past the tree line

121

00:06:39,900 --> 00:06:36,880

because it descended beyond the trees it

122

00:06:42,300 --> 00:06:39,910

kind of looked like a big glow in the

123

00:06:47,040 --> 00:06:42,310

Darkmoon with the trees now in front of

124

00:06:50,880 --> 00:06:47,050

it we came to a stop sign and we had to

125

00:06:53,970 --> 00:06:50,890

turn right onto the State Road 80 East

126  
00:06:57,150 --> 00:06:53,980  
to go home I was all excited and could

127  
00:06:59,280 --> 00:06:57,160  
not believe what we were seeing I wanted

128  
00:07:02,790 --> 00:06:59,290  
to go straight and get a little closer

129  
00:07:06,740 --> 00:07:02,800  
to it but my wife and kids were spooked

130  
00:07:10,620 --> 00:07:06,750  
and freaking out guess I can't blame him

131  
00:07:14,430 --> 00:07:10,630  
Elizabeth my youngest was crying so I

132  
00:07:17,310 --> 00:07:14,440  
turn to go home when I got home I called

133  
00:07:20,730 --> 00:07:17,320  
the Henry County Sheriff's Department

134  
00:07:22,230 --> 00:07:20,740  
and labelled and asked if anyone is

135  
00:07:25,140 --> 00:07:22,240  
calling in and reporting seeing a

136  
00:07:28,050 --> 00:07:25,150  
glowing light off from cowboy way she

137  
00:07:31,340 --> 00:07:28,060  
said two other people called in she said

138  
00:07:35,970 --> 00:07:31,350

she believes it is a helicopter a

139

00:07:39,210 --> 00:07:35,980

helicopter no this was not a helicopter

140

00:07:41,340 --> 00:07:39,220

a plane or ell balloon

141

00:07:44,550 --> 00:07:41,350

I believe what me and my family

142

00:07:46,200 --> 00:07:44,560

witnessed was not of this earth cell

143

00:07:50,400 --> 00:07:46,210

phones were pretty much non-existent

144

00:07:53,310 --> 00:07:50,410

back then and we did not have one I wish

145

00:07:57,330 --> 00:07:53,320

I had a camera but did not I know it is

146

00:07:59,550 --> 00:07:57,340

17 years later but I had to report it my

147

00:08:01,800 --> 00:07:59,560

kids are all grown up now and when we

148

00:08:04,530 --> 00:08:01,810

are all together we still once in a

149

00:08:07,560 --> 00:08:04,540

while will talk about it it is something

150

00:08:12,750 --> 00:08:07,570

they will simply never forget and

151

00:08:17,880 --> 00:08:12,760

neither will I Wow that is absolutely

152

00:08:21,180 --> 00:08:17,890

mind-blowing and amazing those UFO

153

00:08:25,080 --> 00:08:21,190

stories and more can be found on UFO

154

00:08:28,080 --> 00:08:25,090

00:08:50,760 --> 00:08:48,160

known as the Seven Sisters or m/45 is

161

00:08:53,710 --> 00:08:50,770

visible from virtually every place that

162

00:08:56,170 --> 00:08:53,720

humanity inhabits Earth's globe

163

00:08:59,740 --> 00:08:56,180

it can be seen from as far north as the

164

00:09:03,040 --> 00:08:59,750

North Pole and farther south than the

165

00:09:08,220 --> 00:09:03,050

southernmost tip of South America it

166

00:09:11,590 --> 00:09:08,230

looks like a tiny misty dipper of stars

the site here shows a Ryan at the bottom

172

00:09:30,850 --> 00:09:26,779

left when you see the three stars in a

173

00:09:33,009 --> 00:09:30,860

row that's Orion's belt when you draw a

174

00:09:35,740 --> 00:09:33,019

line through the three stars of Orion's

175

00:09:39,280 --> 00:09:35,750

belt to the right and you come to a

176

00:09:41,860 --> 00:09:39,290

v-shaped pattern of stars with a bright

177

00:09:46,480 --> 00:09:41,870

star in the midst the v-shaped pattern

178

00:09:50,559 --> 00:09:46,490

is the face of Taurus the Bull I'm a

179

00:09:55,449 --> 00:09:50,569

Taurus the bright star in the V called

180

00:09:58,480 --> 00:09:55,459

El de Baron depicts the bull's eye a bit

181

00:10:01,679 --> 00:09:58,490

past Alda Barron you'll see the Pleiades

182

00:10:05,379 --> 00:10:01,689

cluster which marks the shoulders bull

183

00:10:07,360 --> 00:10:05,389

or the bull's shoulder they had it

184

00:10:10,650 --> 00:10:07,370

backwards in our image

185

00:10:11,829 --> 00:10:10,660

the Pleiades cluster is at the top-right

186

00:10:15,100 --> 00:10:11,839

Aldebaran

187

00:10:17,920 --> 00:10:15,110

Arabic for follower is thought to be in

188

00:10:20,619 --> 00:10:17,930

reference to the star forever chasing

189

00:10:23,379 --> 00:10:20,629

the Pleiades across the heavens as a

190

00:10:26,199 --> 00:10:23,389

general rule the Pleiades cluster arises

191

00:10:28,990 --> 00:10:26,209

into the eastern sky before Elda Barron

192

00:10:32,049 --> 00:10:29,000

rises and sets in the west

193

00:10:34,179 --> 00:10:32,059

before elder Barron sets the only

194

00:10:36,280 --> 00:10:34,189

exception to this rule happens at far

195

00:10:39,100 --> 00:10:36,290

southern latitudes like at South

196

00:10:41,619 --> 00:10:39,110

America's tierra del fuel go where the

197

00:10:45,519 --> 00:10:41,629

Pleiades rise a short while after

198

00:10:48,040 --> 00:10:45,529

algebra and rises now in our northern

199

00:10:50,379 --> 00:10:48,050

hemisphere skies the Pleiades cluster is

200

00:10:53,230 --> 00:10:50,389

associated with the winter season it's

201  
00:10:57,069 --> 00:10:53,240  
easy to imagine this misty patch of icy

202  
00:11:00,819 --> 00:10:57,079  
blue Suns as hoarfrost clinging to the

203  
00:11:03,009 --> 00:11:00,829  
dome of night frosty November is often

204  
00:11:05,410 --> 00:11:03,019  
called the month the Pleiades because

205  
00:11:07,570 --> 00:11:05,420  
it's at this time that plaxies shine

206  
00:11:10,150 --> 00:11:07,580  
from the dusk until dawn

207  
00:11:13,780 --> 00:11:10,160  
but you can see the Pleiades cluster in

208  
00:11:19,000 --> 00:11:13,790  
the evening sky well into April now the

209  
00:11:22,720 --> 00:11:19,010  
legend of the Lost plead most people see

210  
00:11:27,580 --> 00:11:22,730  
six not seven platy stars in the dark

211  
00:11:31,450 --> 00:11:27,590  
country sky however the story about the

212  
00:11:35,320 --> 00:11:31,460  
lost seventh plead harbors a universal

213  
00:11:38,500 --> 00:11:35,330

theme the astronomer Robert Burnham jr.

214

00:11:41,850 --> 00:11:38,510

finds the loss plea aid myth prevalent

215

00:11:46,420 --> 00:11:41,860

in the star lore of European African

216

00:11:49,930 --> 00:11:46,430

Asian Indonesian Native American and

217

00:11:51,160 --> 00:11:49,940

Aboriginal Australian populations Oh

218

00:11:54,970 --> 00:11:51,170

fascinating

219

00:11:58,510 --> 00:11:54,980

no more over Burnham suggests the loss

220

00:12:00,880 --> 00:11:58,520

plea aid may have basis in fact after

221

00:12:03,730 --> 00:12:00,890

all modern astronomy has found that the

222

00:12:07,140 --> 00:12:03,740

seventh brightest Pleiades star plea own

223

00:12:11,040 --> 00:12:07,150

is a complicated and hard to understand

224

00:12:14,680 --> 00:12:11,050

quote she'll star that goes through

225

00:12:18,340 --> 00:12:14,690

numerous changes these changes caused

226

00:12:21,130 --> 00:12:18,350

this star to vary in brightness plus

227

00:12:23,800 --> 00:12:21,140

people with exceptional eyesight have

228

00:12:27,010 --> 00:12:23,810

been known to see many more stars in the

229

00:12:32,340 --> 00:12:27,020

Pleiades cluster claims go up as high as

230

00:12:36,220 --> 00:12:32,350

20 stars Miss Agnes clerk reports that

231

00:12:39,430 --> 00:12:36,230

mescaline the tutor of Kepler mapped out

232

00:12:42,790 --> 00:12:39,440

eleven Pleiades stars before the

233

00:12:45,340 --> 00:12:42,800

invention of the telescope however you

234

00:12:49,270 --> 00:12:45,350

must be willing to spend time under a

235

00:12:53,770 --> 00:12:49,280

dark moonless sky to see more than six

236

00:12:56,980 --> 00:12:53,780

or seven play T stars Stephen O'Mara

237

00:13:01,360 --> 00:12:56,990

dark sky connoisseur claims that eyes

238

00:13:04,510 --> 00:13:01,370

dark adapted for 30 minutes or are six

239

00:13:08,380 --> 00:13:04,520

times more sensitive to light than eyes

240

00:13:10,630 --> 00:13:08,390

dark adapted for 15 minutes the surest

241

00:13:13,270 --> 00:13:10,640

way to see additional Pleiades stars is

242

00:13:16,860 --> 00:13:13,280

to look at this cluster through

243

00:13:20,620 --> 00:13:16,870

binoculars or a low powered telescope

244

00:13:23,590 --> 00:13:20,630

plagues as calendar in history and

245

00:13:25,510 --> 00:13:23,600

modern science now historically the

246

00:13:28,000 --> 00:13:25,520

Pleiades have served as a calendar for

247

00:13:32,010 --> 00:13:28,010

many civilizations the Greek name

248

00:13:35,710 --> 00:13:32,020

Pleiades probably means to sail probably

249

00:13:37,690 --> 00:13:35,720

in the ancient Mediterranean world the

250

00:13:39,610 --> 00:13:37,700

day that the Pleiades cluster first

251

00:13:42,280 --> 00:13:39,620

appeared in the morning sky before

252

00:13:46,270 --> 00:13:42,290

sunrise announced the opening of the

253

00:13:48,610 --> 00:13:46,280

navigation system and season the modern

254

00:13:51,970 --> 00:13:48,620

day festival of Halloween originates

255

00:13:55,000 --> 00:13:51,980

from old druid rite that coincided with

256

00:13:59,830 --> 00:13:55,010

the midnight combination of the Pleiades

257

00:14:02,110 --> 00:13:59,840

cluster hmm it was a believed that the

258

00:14:05,830 --> 00:14:02,120

veil dividing the living from the dead

259

00:14:08,830 --> 00:14:05,840

is at its thinnest when the platies

260

00:14:13,120 --> 00:14:08,840

culminates reaches this highest point in

261

00:14:16,300 --> 00:14:13,130

the sky at midnight now on a lighter

262

00:14:20,890 --> 00:14:16,310

note the Zuni of New Mexico called the

263

00:14:22,930 --> 00:14:20,900

Pleiades the quote seed stars because

264

00:14:26,260 --> 00:14:22,940

this clusters disappearance in the

265

00:14:30,790 --> 00:14:26,270

evening sky every spring signals the

266

00:14:33,220 --> 00:14:30,800

seed planting season in both myth and

267

00:14:37,180 --> 00:14:33,230

science the Pleiades are considered to

268

00:14:39,670 --> 00:14:37,190

be sibling stars modern astronomers say

269

00:14:45,190 --> 00:14:39,680

the platy stars were born from the same

270

00:14:49,000 --> 00:14:45,200

cloud of gas and dust some 100 million

271

00:14:53,680 --> 00:14:49,010

years ago this gravitationally bound

272

00:14:57,310 --> 00:14:53,690

cluster of several hundred stars looms

273

00:14:58,150 --> 00:14:57,320

some four hundred and thirty light years

274

00:15:02,320 --> 00:14:58,160

and is given further proof after an

305  
00:16:41,720 --> 00:16:39,149  
accident she states growing up as a

306  
00:16:44,269 --> 00:16:41,730  
child I was very close to my grandfather

307  
00:16:47,600 --> 00:16:44,279  
John we had a lot of good memories

308  
00:16:50,600 --> 00:16:47,610  
together sadly when I was six my

309  
00:16:54,829 --> 00:16:50,610  
grandfather got really sick and later

310  
00:16:57,590 --> 00:16:54,839  
died on Christmas Eve Oh horrible

311  
00:17:01,039 --> 00:16:57,600  
I remember my father Presley and my

312  
00:17:04,220 --> 00:17:01,049  
mother Donna told my sisters and me that

313  
00:17:05,059 --> 00:17:04,230

grandfather had passed when I heard the

314

00:17:07,760 --> 00:17:05,069

news

315

00:17:10,909 --> 00:17:07,770

it messed up my whole Christmas I don't

316

00:17:14,120 --> 00:17:10,919

blame you I could not understand why it

317

00:17:16,730 --> 00:17:14,130

happened I was very young so I got angry

318

00:17:20,240 --> 00:17:16,740

with the Lord and asked him why he took

319

00:17:22,520 --> 00:17:20,250

my grandfather the next day I was in my

320

00:17:25,880 --> 00:17:22,530

room watching TV when I

321

00:17:28,850 --> 00:17:25,890

heard someone whisper my name I've

322

00:17:32,120 --> 00:17:28,860

always been a weird kid and didn't ever

323

00:17:34,370 --> 00:17:32,130

really believe in quote spirits so when

324

00:17:37,190 --> 00:17:34,380

I heard someone call my name I got up

325

00:17:39,500 --> 00:17:37,200

and walked all around my room to make

326

00:17:42,710 --> 00:17:39,510

sure it wasn't my sister's trying to

327

00:17:45,290 --> 00:17:42,720

play with me so I looked around went

328

00:17:49,520 --> 00:17:45,300

outside my room as well but there was

329

00:17:52,130 --> 00:17:49,530

nobody there to be seen anywhere about

330

00:17:54,980 --> 00:17:52,140

three hours later I was getting dressed

331

00:17:59,120 --> 00:17:54,990

to go outside with my friends when I

332

00:18:07,250 --> 00:17:59,130

heard it again but this time it kind of

333

00:18:09,230 --> 00:18:07,260

stretched my name out like so then I was

334

00:18:11,600 --> 00:18:09,240

kind of frightened because I knew my

335

00:18:14,140 --> 00:18:11,610

sisters were already outside playing and

336

00:18:17,420 --> 00:18:14,150

my mom and dad were across the street

337

00:18:20,380 --> 00:18:17,430

having a party with the neighbors they

338

00:18:26,260 --> 00:18:20,390

left a six-year-old alone

339

00:18:29,060 --> 00:18:26,270

so I answered the whisper and said yes I

340

00:18:32,450 --> 00:18:29,070

didn't get an answer but I felt as if

341

00:18:34,850 --> 00:18:32,460

someone was standing behind me I turned

342

00:18:38,360 --> 00:18:34,860

around really fast and saw something I

343

00:18:40,970 --> 00:18:38,370

can't really explain it was like a

344

00:18:44,210 --> 00:18:40,980

little glowing ball of light with the

345

00:18:45,850 --> 00:18:44,220

figure of a human so I automatically

346

00:18:50,900 --> 00:18:45,860

thought in my head

347

00:18:52,910 --> 00:18:50,910

grandpa I stared at it for about 15

348

00:18:57,110 --> 00:18:52,920

seconds trying to make sure I wasn't

349

00:19:00,410 --> 00:18:57,120

seeing things finally I said to it who

350

00:19:03,320 --> 00:19:00,420

are you I had a picture of me and my

351  
00:19:06,440 --> 00:19:03,330  
grandfather on my TV stand and right

352  
00:19:10,550 --> 00:19:06,450  
when I asked the question the picture

353  
00:19:13,310 --> 00:19:10,560  
fell oh I got chills I turned my head to

354  
00:19:16,310 --> 00:19:13,320  
see the picture of us on the floor then

355  
00:19:19,820 --> 00:19:16,320  
turned back to look at the figure but it

356  
00:19:20,870 --> 00:19:19,830  
had disappeared I was thinking maybe I

357  
00:19:23,180 --> 00:19:20,880  
was imagining it

358  
00:19:26,120 --> 00:19:23,190  
so I finished getting dressed and headed

359  
00:19:28,670 --> 00:19:26,130  
outside when I was outside playing

360  
00:19:32,180 --> 00:19:28,680  
it was getting dark so I had to go

361  
00:19:36,290 --> 00:19:32,190  
inside at about 10:00 p.m. I was in bed

362  
00:19:38,750 --> 00:19:36,300  
asleep when I awakened by three knocks

363  
00:19:40,940 --> 00:19:38,760

I opened up my door thinking it was my

364

00:19:44,030 --> 00:19:40,950

dad or mom knocking at my door

365

00:19:48,200 --> 00:19:44,040

but when I opened it there was nobody

366

00:19:51,260 --> 00:19:48,210

there about seven years later I was in a

367

00:19:53,630 --> 00:19:51,270

car crash with my mom our truck was hit

368

00:19:58,640 --> 00:19:53,640

by another truck and we flipped over

369

00:20:00,500 --> 00:19:58,650

five times and landed in a ditch I hit

370

00:20:04,900 --> 00:20:00,510

my head against the dashboard and was

371

00:20:08,210 --> 00:20:04,910

knocked out right then I had flashbacks

372

00:20:11,420 --> 00:20:08,220

to all the things that happened when I

373

00:20:15,110 --> 00:20:11,430

was six the things that I just explained

374

00:20:18,080 --> 00:20:15,120

here it was showing me that it was my

375

00:20:20,650 --> 00:20:18,090

grandfather that was helping that was

376  
00:20:23,630 --> 00:20:20,660  
with me trying to communicate with me

377  
00:20:26,180 --> 00:20:23,640  
after that I woke up when our truck

378  
00:20:28,340 --> 00:20:26,190  
stopped flipping and when we got put

379  
00:20:33,200 --> 00:20:28,350  
into the ambulance the guy was talking

380  
00:20:36,050 --> 00:20:33,210  
to me asking me how I felt I told him my

381  
00:20:38,810 --> 00:20:36,060  
feet were cold I kept saying that and

382  
00:20:41,780 --> 00:20:38,820  
when I looked down I saw my grandfather

383  
00:20:45,700 --> 00:20:41,790  
standing over the man that was helping

384  
00:20:49,940 --> 00:20:45,710  
me he smiled at me and told me

385  
00:20:52,670 --> 00:20:49,950  
everything will be okay beautiful chills

386  
00:20:56,150 --> 00:20:52,680  
from that day on to today

387  
00:20:59,380 --> 00:20:56,160  
years later I believed in the afterlife

388  
00:21:01,730 --> 00:20:59,390

and I believe that what I saw was real

389

00:21:04,250 --> 00:21:01,740

I've never shared my story with my

390

00:21:06,590 --> 00:21:04,260

parents or my sisters because I was

391

00:21:08,870 --> 00:21:06,600

afraid of what they might say but I

392

00:21:13,070 --> 00:21:08,880

wanted to let the world know that the

393

00:21:15,770 --> 00:21:13,080

afterlife is real it was beautiful but

394

00:21:18,620 --> 00:21:15,780

wow I should know the people closest to

395

00:21:24,820 --> 00:21:18,630

you so important I really really believe

396

00:21:27,440 --> 00:21:24,830

that absolutely moving and seeing orb

397

00:21:30,010 --> 00:21:27,450

with the light that she described that

398

00:21:32,900 --> 00:21:30,020

is something that is definitely always

399

00:21:36,050 --> 00:21:32,910

described when spirits not ghosts but

400

00:21:39,170 --> 00:21:36,060

spirits come back to visit us and to let

401  
00:21:42,440 --> 00:21:39,180  
us know that they are okay all right

402  
00:21:46,520 --> 00:21:42,450  
next story after a devastating car

403  
00:21:49,760 --> 00:21:46,530  
accident Shanley gets extraordinary help

404  
00:21:55,630 --> 00:21:49,770  
from a stranger who she believes

405  
00:21:59,570 --> 00:21:55,640  
her guardian angel she states in 2007 on

406  
00:22:02,360 --> 00:21:59,580  
Interstate 40 in Arkansas right past the

407  
00:22:07,160 --> 00:22:02,370  
Levi's exit my family and I were

408  
00:22:10,520 --> 00:22:07,170  
involved in a seven car pileup plus with

409  
00:22:13,400 --> 00:22:10,530  
an 18-wheeler my sister was driving with

410  
00:22:15,530 --> 00:22:13,410  
me in the passenger seat mom directly

411  
00:22:19,040 --> 00:22:15,540  
behind me and my little brother beside

412  
00:22:23,300 --> 00:22:19,050  
her while we were crashing I kept

413  
00:22:25,250 --> 00:22:23,310

screaming Jesus over and over we ended

414

00:22:28,190 --> 00:22:25,260

up on the left side against the

415

00:22:31,550 --> 00:22:28,200

retaining wall none of us were trying to

416

00:22:34,010 --> 00:22:31,560

get out we were frozen with fear then

417

00:22:37,160 --> 00:22:34,020

two men started beating on the doors

418

00:22:40,340 --> 00:22:37,170

screaming for us to get out one was a

419

00:22:43,100 --> 00:22:40,350

giant bodybuilder looking guy he grabbed

420

00:22:46,760 --> 00:22:43,110

my brother over his shoulder and got my

421

00:22:49,610 --> 00:22:46,770

hand I swear I never felt my feet

422

00:22:52,400 --> 00:22:49,620

touched the ground as real as he ran us

423

00:22:55,880 --> 00:22:52,410

to safety the other man helped my mom

424

00:22:59,270 --> 00:22:55,890

and sister just as soon as we were out

425

00:23:02,030 --> 00:22:59,280

of harm's way a truck crashed right into

426

00:23:05,150 --> 00:23:02,040

the side that mom and I were sitting on

427

00:23:07,810 --> 00:23:05,160

I have no doubt we would have all been

428

00:23:10,850 --> 00:23:07,820

dead if we hadn't got out when we did

429

00:23:11,420 --> 00:23:10,860

the man that helped me gave me his

430

00:23:15,320 --> 00:23:11,430

jacket

431

00:23:19,280 --> 00:23:15,330

it reached past my knees and asked me if

432

00:23:21,740 --> 00:23:19,290

I was okay I told them yes and he turned

433

00:23:24,740 --> 00:23:21,750

and started walking back toward the exit

434

00:23:28,220 --> 00:23:24,750

I put my head down on my knees for maybe

435

00:23:31,580 --> 00:23:28,230

two seconds when I looked up he wasn't

436

00:23:35,390 --> 00:23:31,590

there there were no cars he could have

437

00:23:37,430 --> 00:23:35,400

gotten in he just disappeared about two

438

00:23:41,570 --> 00:23:37,440

weeks later I was looking for his jacket

439

00:23:44,840 --> 00:23:41,580

and it had also disappeared too from

440

00:23:47,330 --> 00:23:44,850

inside my mom's closet no one knew what

441

00:23:50,270 --> 00:23:47,340

happened to it it was like there was no

442

00:23:54,470 --> 00:23:50,280

trace of him I firmly believe to this

443

00:23:57,790 --> 00:23:54,480

day he was my guardian angel and I think

444

00:24:01,240 --> 00:23:57,800

God for sending him when he did

445

00:24:06,440 --> 00:24:01,250

beautiful I love stories like that

446

00:24:10,670 --> 00:24:06,450

absolutely love it next haunted by

447

00:24:13,240 --> 00:24:10,680

little humanoids both father and son are

448

00:24:16,970 --> 00:24:13,250

haunted by a mysterious phantom

449

00:24:22,850 --> 00:24:16,980

apparition that manifests as a small

450

00:24:26,720 --> 00:24:22,860

humanoid the witness states I lived in

451  
00:24:29,630 --> 00:24:26,730  
Southeast Arizona in the 1990s my father

452  
00:24:33,080 --> 00:24:29,640  
worked as a truck driver hauling lime to

453  
00:24:34,940 --> 00:24:33,090  
New Mexico his shifts took six hours so

454  
00:24:38,060 --> 00:24:34,950  
my brother and I had a lot of time to

455  
00:24:40,280 --> 00:24:38,070  
ourselves to get into trouble I went

456  
00:24:44,720 --> 00:24:40,290  
through a rough year when I felt I was

457  
00:24:45,230 --> 00:24:44,730  
losing my mind I was about 12 years old

458  
00:24:49,160 --> 00:24:45,240  
at the time

459  
00:24:51,230 --> 00:24:49,170  
when I kept seeing things it started as

460  
00:24:55,040 --> 00:24:51,240  
little lights at the corner of my eyes

461  
00:24:57,920 --> 00:24:55,050  
like psycho dots for those who don't

462  
00:25:00,440 --> 00:24:57,930  
know a psycho dot is when you look at a

463  
00:25:02,590 --> 00:25:00,450

bright light then look away into a dark

464

00:25:05,180 --> 00:25:02,600

area and see a little blurry

465

00:25:08,000 --> 00:25:05,190

multicolored dot fade away like a

466

00:25:10,460 --> 00:25:08,010

remnant of the light in your sight

467

00:25:14,210 --> 00:25:10,470

these dots would appear in my

468

00:25:16,880 --> 00:25:14,220

peripherals then just dash away I could

469

00:25:19,970 --> 00:25:16,890

never get a good look at them moreover

470

00:25:23,300 --> 00:25:19,980

they would appear without me staring at

471

00:25:26,570 --> 00:25:23,310

light for example in the pitch black of

472

00:25:28,940 --> 00:25:26,580

my bedroom this never bothered me until

473

00:25:32,930 --> 00:25:28,950

one night my brother and I were sitting

474

00:25:37,400 --> 00:25:32,940

on the curb outside our house and saw

475

00:25:40,550 --> 00:25:37,410

dead on what looked like a mouse running

476

00:25:42,860 --> 00:25:40,560

down the curb towards us he didn't see

477

00:25:46,420 --> 00:25:42,870

it but I sprang up and told him to watch

478

00:25:49,850 --> 00:25:46,430

out he asked why he didn't see anything

479

00:25:54,260 --> 00:25:49,860

slowly those psycho dots would appear as

480

00:25:57,530 --> 00:25:54,270

forms sometimes animals birds bugs and

481

00:26:00,710 --> 00:25:57,540

such at first I thought how cool it was

482

00:26:06,650 --> 00:26:00,720

that I could see these things but one

483

00:26:08,810 --> 00:26:06,660

day it truly became unnerving it was the

484

00:26:11,030 --> 00:26:08,820

middle of the day and I was inside I

485

00:26:13,790 --> 00:26:11,040

went into my room to get my shoes out of

486

00:26:14,450 --> 00:26:13,800

the closet to go out as I pulled the

487

00:26:18,050 --> 00:26:14,460

closet

488

00:26:23,120 --> 00:26:18,060

is open I saw in the corner of the

489

00:26:26,750 --> 00:26:23,130

closet a humanoid figure crouching like

490

00:26:30,910 --> 00:26:26,760

someone cowering in the corner a perfect

491

00:26:35,560 --> 00:26:30,920

human form right there in front of me I

492

00:26:38,840 --> 00:26:35,570

jumped back and saw it poof into nothing

493

00:26:41,840 --> 00:26:38,850

Wow I ran out of there and told my

494

00:26:42,560 --> 00:26:41,850

brother what had happened he seemed to

495

00:26:45,230 --> 00:26:42,570

believe me

496

00:26:48,950 --> 00:26:45,240

but didn't know what to do I told my mom

497

00:26:51,170 --> 00:26:48,960

and dad too and when I told my dad he

498

00:26:54,230 --> 00:26:51,180

told me a story about one morning when

499

00:26:57,380 --> 00:26:54,240

he was getting ready for work he says he

500

00:26:59,480 --> 00:26:57,390

saw a human figure more like a shadow

501  
00:27:03,530 --> 00:26:59,490  
person here we go again

502  
00:27:05,930 --> 00:27:03,540  
then a psycho dot in the house he

503  
00:27:08,420 --> 00:27:05,940  
ignored it he said but he also said the

504  
00:27:11,090 --> 00:27:08,430  
figure followed him to the line mines

505  
00:27:14,120 --> 00:27:11,100  
where he would load up before hauling to

506  
00:27:16,160 --> 00:27:14,130  
New Mexico he said on this drive he

507  
00:27:18,770 --> 00:27:16,170  
would see the figure appear on the side

508  
00:27:20,900 --> 00:27:18,780  
of the road and we would drive past it

509  
00:27:23,480 --> 00:27:20,910  
only to encounter it further down the

510  
00:27:26,630 --> 00:27:23,490  
road he saw it again at the line mind

511  
00:27:30,920 --> 00:27:26,640  
watching him motionless as the workers

512  
00:27:33,410 --> 00:27:30,930  
loaded his rig wow I haven't seen it

513  
00:27:35,840 --> 00:27:33,420

again but I can't say the same for my

514

00:27:38,180 --> 00:27:35,850

father he was in the National Guard

515

00:27:40,400 --> 00:27:38,190

years before and went to Desert Storm

516

00:27:44,420 --> 00:27:40,410

driving rigs full of fuel through

517

00:27:47,960 --> 00:27:44,430

battlefields once while on deployment

518

00:27:50,000 --> 00:27:47,970

he said his rig came under fire and he

519

00:27:53,260 --> 00:27:50,010

led the convoy through the streets of a

520

00:27:56,440 --> 00:27:53,270

city in Iraq during the speedy getaway

521

00:27:59,660 --> 00:27:56,450

he crashed into a Volkswagen Beetle

522

00:28:02,840 --> 00:27:59,670

filled with innocent bystanders killing

523

00:28:08,390 --> 00:28:02,850

everyone inside but he had to keep going

524

00:28:12,020 --> 00:28:08,400

he said it's haunted him ever since Wow

525

00:28:14,300 --> 00:28:12,030

so many fascinating stories I cannot

526  
00:28:16,610 --> 00:28:14,310  
tell you there is so much more mystery

527  
00:28:18,860 --> 00:28:16,620  
out there I want to thank you for

528  
00:28:21,020 --> 00:28:18,870  
joining me Heidi Hollis here on UFO
