December 11 welcome to me Heidi Hollis

3
00:00:15,620 --> 00:00:12,660
today is Wednesday November 15 you're

4
00:00:19,310 --> 00:00:15,630
listening to Inception Radio Network the

5
00:00:22,670 --> 00:00:19,320
voice of the fringe majority here is

6
00:00:28,730 --> 00:00:22,680
your UFO headline news there was a

7
00:00:31,999 --> 00:00:28,740
sighting in devi' Andorra this is a very

8
00:00:36,650 --> 00:00:32,009
complicated name this occurred on

9
00:00:38,630 --> 00:00:36,660
October 7th of 2017 the witness states I

10
00:00:41,049 --> 00:00:38,640
was coming home from work picked up my

11
00:00:44,119 --> 00:00:41,059
son from his nanny and we headed home

12
00:00:47,029 --> 00:00:44,129
close to home we both noticed some

13
00:00:48,880 --> 00:00:47,039

lights in the clouds at first I thought

14

00:00:52,580 --> 00:00:48,890

they were reflections from the ground

15

00:00:55,209 --> 00:00:52,590

when we first noticed them there were

16

00:00:59,029 --> 00:00:55,219

four bright lights in the clouds

17

00:01:01,790 --> 00:00:59,039

circling each other in one spot while we

18

00:01:04,460 --> 00:01:01,800

walked further towards our home the

19

00:01:07,000 --> 00:01:04,470

circling lights seemed to follow the

20

00:01:09,500 --> 00:01:07,010

path of the street we were walking on as

21

00:01:12,109 --> 00:01:09,510

we stopped in front of the block of

22

00:01:16,340 --> 00:01:12,119

apartments where we live we seemed to

23

00:01:18,289 --> 00:01:16,350

stop to some of the neighbors were there

24

00:01:20,810 --> 00:01:18,299

and they saw them as well

25

00:01:22,550 --> 00:01:20,820

they were like gigantic fireflies

26

00:01:25,820 --> 00:01:22,560

playing with each other through the

27

00:01:28,460 --> 00:01:25,830

clouds okay occasionally you see the

28

00:01:30,499 --> 00:01:28,470

lights were coming from above the clouds

29

00:01:33,319 --> 00:01:30,509

and not from the ground

30

00:01:36,170 --> 00:01:33,329

I took my phone and did my best to film

31

00:01:38,120 --> 00:01:36,180

them I had to use my phone cover to

32

00:01:40,609 --> 00:01:38,130

block the streetlight from interfering

33

00:01:43,940 --> 00:01:40,619

with the camera on my phone after I

34

00:01:47,179 --> 00:01:43,950

filmed I took some photos too and after

35

00:01:49,130 --> 00:01:47,189

that we went upstairs I don't know for

36

00:01:52,609 --> 00:01:49,140

how long the lights remained in the sky

37

00:01:55,760 --> 00:01:52,619

but they were there for at least 15

38

00:01:59,120 --> 00:01:55,770

minutes I don't know if it matters but

39

00:02:02,300 --> 00:01:59,130

the following day I had a dream about a

40

00:02:05,300 --> 00:02:02,310

partially destroyed planet on which the

41

00:02:10,040 --> 00:02:05,310

remaining people were searching for a

42

00:02:12,440 --> 00:02:10,050

way to prevent a cataclysm Wow quite

43

00:02:13,050 --> 00:02:12,450

common with people that have seen UFOs I

44

00:02:17,000 --> 00:02:13,060

might

45

00:02:24,150 --> 00:02:17,010

and alien so maybe they paid him a visit

46

00:02:26,310 --> 00:02:24,160

we can only guess alright next one UFO

47

00:02:30,900 --> 00:02:26,320

sighting in South Chicago Heights

48

00:02:34,860 --> 00:02:30,910

Illinois October 28th of 2017 that's

49

00:02:39,900 --> 00:02:34,870

near where I'm at here in Chicago the

50

00:02:42,870 --> 00:02:39,910

report states I was driving on I 394

51
00:02:45,660 --> 00:02:42,880
heading north from Dyer Indiana heading

52
00:02:48,510 --> 00:02:45,670
back to Chicago when I was a corner of

53
00:02:51,870 --> 00:02:48,520
my eye I noticed some lights in the sky

54
00:02:54,600 --> 00:02:51,880
to my right which is East traffic was

55
00:02:57,330 --> 00:02:54,610
light so I slowed down a bit to get a

56
00:03:01,290 --> 00:02:57,340
better look I noticed the other cars

57
00:03:06,800 --> 00:03:01,300
also hit their brakes to slow down I saw

58
00:03:10,310 --> 00:03:06,810
four to five large hazy white lights

59
00:03:13,380 --> 00:03:10,320
chasing each other in a perfect circle

60
00:03:15,660 --> 00:03:13,390
sounds like the last one going through

61
00:03:17,490 --> 00:03:15,670
whatever clouds were there and then

62
00:03:20,250 --> 00:03:17,500
meeting up in the middle of the circle

63
00:03:23,330 --> 00:03:20,260

and then going back into the circle

64

00:03:25,979 --> 00:03:23,340

formation look like they were playing

65

00:03:27,750 --> 00:03:25,989

ring-around-the-rosie but at a super

66

00:03:29,310 --> 00:03:27,760

fast pace Wow

67

00:03:32,670 --> 00:03:29,320

what are the odds these are back-to-back

68

00:03:36,600 --> 00:03:32,680

these stories I looked at the time and

69

00:03:39,390 --> 00:03:36,610

it was 755 p.m. I kept sight of it until

70

00:03:42,750 --> 00:03:39,400

I got onto i-294 and then couldn't look

71

00:03:46,590 --> 00:03:42,760

up because traffic was pretty busy on I

72

00:03:51,150 --> 00:03:46,600

294 I got off on my exit to head home I

73

00:03:54,449 --> 00:03:51,160

was at a light on 117 Pulaski in Chicago

74

00:03:57,660 --> 00:03:54,459

heading north and looked up in a bit to

75

00:04:00,600 --> 00:03:57,670

my left which is west and there they

76

00:04:03,870 --> 00:04:00,610

were the lights chasing each other in a

77

00:04:06,870 --> 00:04:03,880

perfect circle in and out of the clouds

78

00:04:10,710 --> 00:04:06,880

and meeting in the middle bouncing back

79

00:04:12,990 --> 00:04:10,720

out to the circle once again I believe

80

00:04:13,740 --> 00:04:13,000

it was about 8:20 p.m. during both

81

00:04:16,440 --> 00:04:13,750

sightings

82

00:04:19,110 --> 00:04:16,450

I did not say any beams of light beneath

83

00:04:21,510 --> 00:04:19,120

it going to the ground as one might see

84

00:04:24,180 --> 00:04:21,520

with a spotlight or advertising lights

85

00:04:26,820 --> 00:04:24,190

no storms are lightning in the area

86

00:04:29,520 --> 00:04:26,830

either I know other people

87

00:04:31,369 --> 00:04:29,530

this as well as I saw people looking up

88

00:04:34,619 --> 00:04:31,379

from their cars in that direction

89

00:04:36,689 --> 00:04:34,629

perhaps they may report it as well it

90

00:04:39,450 --> 00:04:36,699

was the first time I personally

91

00:04:44,059 --> 00:04:39,460

witnessed this phenomena I saw this at

92

00:04:46,559 --> 00:04:44,069

least two other times once with my son

93

00:04:49,200 --> 00:04:46,569

sure would like to know if anyone else

94

00:04:51,209 --> 00:04:49,210

has witnessed this wow that's

95

00:04:53,909 --> 00:04:51,219

interesting this person has seen this

96

00:04:56,279 --> 00:04:53,919

same kind of phenomena I had personally

97

00:04:59,779 --> 00:04:56,289

seen a lot of UFOs but I have not seen

98

00:05:02,730 --> 00:04:59,789

dancing balls of light like that outside

99

00:05:06,600 --> 00:05:02,740

all right next one UFO sighting in

100

00:05:13,939 --> 00:05:06,610

Jareau Louisiana this occurred on

101
00:05:17,309 --> 00:05:13,949
December 24th of 2014 this person states

102
00:05:21,019 --> 00:05:17,319
my husband and I were driving home and I

103
00:05:23,730 --> 00:05:21,029
was amazed at a very unusual sunset I

104
00:05:25,890 --> 00:05:23,740
asked my husband to pull over in a

105
00:05:28,129 --> 00:05:25,900
vacant field so I could snap a few

106
00:05:31,980 --> 00:05:28,139
images of the clouds over Alma

107
00:05:34,950 --> 00:05:31,990
plantation a local sugar mill the mill

108
00:05:38,369 --> 00:05:34,960
was in full production at the time the

109
00:05:41,999 --> 00:05:38,379
next day I opened the images and noticed

110
00:05:45,959 --> 00:05:42,009
a white speck and thought the image was

111
00:05:48,450 --> 00:05:45,969
marred when I expanded the image to find

112
00:05:51,629 --> 00:05:48,460
out exactly what that white speck looked

113
00:05:55,140 --> 00:05:51,639

looked like I was a little stunned to

114

00:05:59,850 --> 00:05:55,150

see this quote object I was leering at

115

00:06:03,230 --> 00:05:59,860

of this photo this to anyone except for

116

00:06:06,450 --> 00:06:03,240

my husband in fear thought I would

117

00:06:07,950 --> 00:06:06,460

thought I was a nut this was almost

118

00:06:11,040 --> 00:06:07,960

three years ago

119

00:06:14,029 --> 00:06:11,050

and I now just want to know what others

120

00:06:19,619 --> 00:06:14,039

believed it to be any comments will be

121

00:06:23,159 --> 00:06:19,629

appreciated Wow very cool all right

122

00:06:28,680 --> 00:06:23,169

we've got a blast from the past of a UFO

123

00:06:32,430 --> 00:06:28,690

sighting I lived in Portland Oregon it

124

00:06:35,279 --> 00:06:32,440

was March 17 1981 at about 4:30 in the

125

00:06:37,110 --> 00:06:35,289

morning at first I thought it was

126

00:06:39,950 --> 00:06:37,120

dreaming I could hear my dog in the

127

00:06:41,990 --> 00:06:39,960

basement barking constantly they

128

00:06:44,749 --> 00:06:42,000

this sound like I was in a wind tunnel

129

00:06:48,770 --> 00:06:44,759

in a very high-pitched sound that was

130

00:06:51,610 --> 00:06:48,780

piercing my ears suddenly I felt my feet

131

00:06:56,570 --> 00:06:51,620

go numb like they were no longer there I

132

00:06:59,839 --> 00:06:56,580

quickly knew this was no dream someone

133

00:07:04,480 --> 00:06:59,849

or something was trying to take my

134

00:07:08,689 --> 00:07:04,490

insides of my body I could feel my body

135

00:07:12,560 --> 00:07:08,699

disappearing as it went upward towards

136

00:07:15,430 --> 00:07:12,570

my head it never at anytime hurt until

137

00:07:18,469 --> 00:07:15,440

it got to the level where my heart was

138

00:07:21,640 --> 00:07:18,479

at that moment I could hear myself

139

00:07:26,480 --> 00:07:21,650

screaming you're killing me

140

00:07:30,439 --> 00:07:26,490

my heart hurt so bad it was like it was

141

00:07:33,640 --> 00:07:30,449

going to explode all at once it stopped

142

00:07:37,700 --> 00:07:33,650

and I could feel my body coming back as

143

00:07:39,980 --> 00:07:37,710

it had gone up my body it was dropping

144

00:07:44,360 --> 00:07:39,990

downward and making me feel my body

145

00:07:47,300 --> 00:07:44,370

again then all at once it stopped and no

146

00:07:49,909 --> 00:07:47,310

more wind or high-pitched noise the dog

147

00:07:53,899 --> 00:07:49,919

stopped barking the high-pitched sound

148

00:07:55,730 --> 00:07:53,909

must have hurt her ears I was so scared

149

00:07:58,189 --> 00:07:55,740

I jumped out of bed and started to find

150

00:08:00,950 --> 00:07:58,199

my children our house was two storeys

151

00:08:02,360 --> 00:08:00,960

and the kids all slept upstairs my twin

152

00:08:06,110 --> 00:08:02,370

boys were in their beds

153

00:08:09,339 --> 00:08:06,120

my daughter was missing from her bed my

154

00:08:12,230 --> 00:08:09,349

first thoughts were they had taken her

155

00:08:15,260 --> 00:08:12,240

screaming I ran downstairs and found her

156

00:08:18,020 --> 00:08:15,270

on the sofa my boys had woken up from my

157

00:08:20,930 --> 00:08:18,030

screaming I must have been a crazy

158

00:08:23,420 --> 00:08:20,940

person I was screaming at them to get in

159

00:08:24,529 --> 00:08:23,430

the car really I thought they would

160

00:08:27,980 --> 00:08:24,539

return at any minute

161

00:08:31,909 --> 00:08:27,990

and we needed to leave that house like I

162

00:08:34,519 --> 00:08:31,919

said I was not thinking clearly I did

163

00:08:36,409 --> 00:08:34,529

not call the police I thought they

164

00:08:38,569 --> 00:08:36,419

wouldn't believe me my husband was at

165

00:08:40,490 --> 00:08:38,579

work he worked the graveyard shift

166

00:08:42,769 --> 00:08:40,500

so I called my sister-in-law in

167

00:08:46,840 --> 00:08:42,779

California and told her that if we

168

00:08:50,780 --> 00:08:46,850

disappeared the aliens had taken us I

169

00:08:53,570 --> 00:08:50,790

was beyond scared she said simply that

170

00:08:54,830 --> 00:08:53,580

she would tell everyone I took

171

00:08:58,490 --> 00:08:54,840

my children and put them in the car

172

00:08:59,540 --> 00:08:58,500

we're all still in our pajamas I drove

173

00:09:02,090 --> 00:08:59,550

to the hills

174

00:09:05,360 --> 00:09:02,100

where there were lots of trees thinking

175

00:09:09,200 --> 00:09:05,370

we could hide then as a crazed and

176
00:09:12,560 --> 00:09:09,210
scared person I kept driving my children

177
00:09:16,310 --> 00:09:12,570
said mom what's those lights in the sky

178
00:09:20,150 --> 00:09:16,320
a craft that look like a triangle

179
00:09:22,850 --> 00:09:20,160
without the bottom line had lights up

180
00:09:26,000 --> 00:09:22,860
and down both sides and wherever we went

181
00:09:28,550 --> 00:09:26,010
it went with us my children were now

182
00:09:30,680 --> 00:09:28,560
starting to get scared I explained to

183
00:09:33,620 --> 00:09:30,690
them as best as I could that if they

184
00:09:37,310 --> 00:09:33,630
took us we would be together and I would

185
00:09:40,430 --> 00:09:37,320
protect them yeah sure I would what do

186
00:09:42,320 --> 00:09:40,440
you say to three scared kids I knew they

187
00:09:44,690 --> 00:09:42,330
weren't going to leave us and I drove

188
00:09:45,350 --> 00:09:44,700

back home we went back into the house

189

00:09:49,130 --> 00:09:45,360

and waited

190

00:09:50,870 --> 00:09:49,140

hugged together on the sofa soon my

191

00:09:53,840 --> 00:09:50,880

husband walked to the door and the kids

192

00:09:55,430 --> 00:09:53,850

ran screaming and crying to their dad he

193

00:09:58,550 --> 00:09:55,440

had no idea what was happening

194

00:10:01,640 --> 00:09:58,560

I explained as best as I could I'm sure

195

00:10:05,060 --> 00:10:01,650

my husband thought I had finally lost it

196

00:10:08,930 --> 00:10:05,070

he turned on the television and there it

197

00:10:11,660 --> 00:10:08,940

all was they told about two large orange

198

00:10:15,890 --> 00:10:11,670

balls that officers on both sides of the

199

00:10:17,900 --> 00:10:15,900

river had seen Washington lies on one

200

00:10:20,960 --> 00:10:17,910

side of the river and Oregon lies on the

201
00:10:24,260 --> 00:10:20,970
other side they both heard the wind and

202
00:10:27,860 --> 00:10:24,270
high-pitched noise and the ball split in

203
00:10:29,780 --> 00:10:27,870
half and went down into the river they

204
00:10:33,470 --> 00:10:29,790
came back up and the two halves went

205
00:10:36,890 --> 00:10:33,480
back together and were gone they had to

206
00:10:39,800 --> 00:10:36,900
believe the two officers I knew then

207
00:10:41,570 --> 00:10:39,810
that I was not crazy the kids told their

208
00:10:43,910 --> 00:10:41,580
dad about the spaceship that had

209
00:10:46,460 --> 00:10:43,920
followed us everywhere the television

210
00:10:48,940 --> 00:10:46,470
station asked if anyone had any contact

211
00:10:53,150 --> 00:10:48,950
or saw these things to contact them I

212
00:10:55,520 --> 00:10:53,160
called and said so many had called they

213
00:10:57,470 --> 00:10:55,530

were going to do a show on it when I

214

00:11:01,750 --> 00:10:57,480

went for the show there were a lot of

215

00:11:04,790 --> 00:11:01,760

people there the Air Force had men there

216

00:11:07,430 --> 00:11:04,800

the man from the air force interviewed

217

00:11:09,980 --> 00:11:07,440

us all I told him what happened

218

00:11:13,190 --> 00:11:09,990

he said we could not tell it to the

219

00:11:16,070 --> 00:11:13,200

public because we would panic the nation

220

00:11:18,860 --> 00:11:16,080

I told him I didn't care because people

221

00:11:22,880 --> 00:11:18,870

needed to know then he showed me a book

222

00:11:25,790 --> 00:11:22,890

that said Project Blue Book on it inside

223

00:11:29,660 --> 00:11:25,800

were pictures of aliens and spacecrafts

224

00:11:31,490 --> 00:11:29,670

the real thing well as you might guess

225

00:11:34,130 --> 00:11:31,500

that show never aired

226

00:11:36,950 --> 00:11:34,140

they threatened everyone in their own

227

00:11:40,030 --> 00:11:36,960

way after that you never heard anything

228

00:11:42,970 --> 00:11:40,040

again about what happened for many years

229

00:11:46,910 --> 00:11:42,980

after when a big wind storm happened I

230

00:11:51,260 --> 00:11:46,920

was terrified whenever I heard a siren

231

00:11:53,750 --> 00:11:51,270

of anything any kind I would get scared

232

00:11:56,720 --> 00:11:53,760

it took a long time to get over it I

233

00:11:58,340 --> 00:11:56,730

have seen a lot over the years but I

234

00:12:00,440 --> 00:11:58,350

just keep it to myself

235

00:12:03,350 --> 00:12:00,450

what good does it do to tell anyone

236

00:12:06,410 --> 00:12:03,360

anything anyway that was a lot of years

237

00:12:09,080 --> 00:12:06,420

ago and now people see a lot and tell

238

00:12:13,820 --> 00:12:09,090

about it we all know they are out there

239

00:12:16,610 --> 00:12:13,830

and here and just waiting until they can

240

00:12:21,440 --> 00:12:16,620

peacefully come and meet with us it

241

00:12:24,650 --> 00:12:21,450

won't be that much longer Wow I have not

242

00:12:26,780 --> 00:12:24,660

heard of such a story that was amazing

243

00:12:30,010 --> 00:12:26,790

and to have the Air Force show up and

244

00:12:35,900 --> 00:12:30,020

threaten them and this took place March

245

00:12:39,740 --> 00:12:35,910

17th of 1981 out in Portland Oregon that

246

00:12:42,710 --> 00:12:39,750

is amazing I would love to hear more

247

00:12:44,930 --> 00:12:42,720

about this woman's story I cannot

248

00:12:48,670 --> 00:12:44,940

believe that again you can find the

249

00:12:55,820 --> 00:12:48,680

links to this on UFO headline news and

250

00:12:59,690 --> 00:12:55,830

this comes to us from UFO stalker coming

251
00:13:02,290 --> 00:12:59,700
to us from Earth Sky News a powerful

252
00:13:05,930 --> 00:13:02,300
star explosion known as supernova

253
00:13:09,460 --> 00:13:05,940
usually mark the death of stars but

254
00:13:12,710 --> 00:13:09,470
astronomers today November 8th 2017

255
00:13:15,620 --> 00:13:12,720
noted announced a supernova that

256
00:13:19,340 --> 00:13:15,630
exploded multiple times over a period of

257
00:13:21,250 --> 00:13:19,350
more than 50 years it might be the

258
00:13:25,000 --> 00:13:21,260
explosion of a star more

259
00:13:27,460 --> 00:13:25,010
than any seen to explode before it might

260
00:13:30,730 --> 00:13:27,470
be an explosion caused by the meeting of

261
00:13:34,000 --> 00:13:30,740
matter and antimatter in a massive stars

262
00:13:36,580 --> 00:13:34,010
core whatever the true explanation the

263
00:13:39,130 --> 00:13:36,590

astronomers said the finding which is

264

00:13:42,700 --> 00:13:39,140

published in the peer-reviewed journal

265

00:13:45,880 --> 00:13:42,710

Nature completely come finds existing

266

designed to find transient and variable

sources such as variable stars

271

272

00:14:14,070 --> 00:14:05,810

the supernova in September of 2014 the

273

00:14:17,140 --> 00:14:14,080

supernova was designated I P T F 14 h LS

274

00:14:21,280 --> 00:14:17,150

analysis of its light indicated it was

275

00:14:24,490 --> 00:14:21,290

what's called a type 2p supernova as

276

00:14:27,070 --> 00:14:24,500

expected the supernova began to fade

277

00:14:30,210 --> 00:14:27,080

again everything about the discovery

278

00:14:33,580 --> 00:14:30,220

seemed normal until a few months later

279

00:14:36,580 --> 00:14:33,590

that's when astronomers with the Las

280

00:14:40,380 --> 00:14:36,590

Cumbres Observatory a worldwide network

281

00:14:45,880 --> 00:14:40,390

of robotic telescopes directed out of

282

00:14:49,780 --> 00:14:45,890

galleta California notice that IPT f-14

283

00:14:53,430 --> 00:14:49,790

HL s was growing brighter again their

284

00:14:56,590 --> 00:14:53,440

statement explained a normal supernova

285

00:15:00,730 --> 00:14:56,600

rises to peak brightness and fades over

286

00:15:03,820 --> 00:15:00,740

approximately 100 days supernovae IPT

287

00:15:05,410 --> 00:15:03,830

f-14 HL s on the other hand thanks for

288

00:15:06,250 --> 00:15:05,420

coming in mr. Mahoney do you have your

289

00:15:08,380 --> 00:15:06,260

member ID card

290

00:15:10,570 --> 00:15:08,390

yep I have it right here in the fep blue

291

00:15:12,220 --> 00:15:10,580

app C great it's awesome the app can

292

00:15:14,440 --> 00:15:12,230

also help me find a provider and keep

293

00:15:16,060 --> 00:15:14,450

tabs on my deductibles okay oh yeah and

294

00:15:17,650 --> 00:15:16,070

my out-of-pocket spending and visit

295

00:15:19,690 --> 00:15:17,660

limits and I can call the nurse line

296

00:15:21,190 --> 00:15:19,700

really glad it does all that but I only

297

00:15:22,810 --> 00:15:21,200

need to see your member ID card

298

00:15:25,600 --> 00:15:22,820

oh that's it why didn't you say so

299

00:15:27,310 --> 00:15:25,610

fearless is just one tap away with a new

300

00:15:28,750 --> 00:15:27,320

fep blue app from Blue Cross and Blue

301

00:15:29,600 --> 00:15:28,760

Shield you can access their health

302

00:15:32,300 --> 00:15:29,610

benefits

303

00:15:36,290 --> 00:15:32,310

go download it now at fep blue org slash

304

00:15:40,130 --> 00:15:36,300

app grew brighter and dimmer at least

305

00:15:42,050 --> 00:15:40,140

five times over two years then

306

00:15:45,440 --> 00:15:42,060

astronomers went back and looked at

307

00:15:47,450 --> 00:15:45,450

archival data showing this part of the

308

00:15:51,290 --> 00:15:47,460

sky they were astonished to find

309

00:15:55,450 --> 00:15:51,300

evidence of an explosion in 1954 at the

310

00:16:00,200 --> 00:15:55,460

exact same location on the skies dome

311

00:16:03,140 --> 00:16:00,210

apparently IPT f-14 HL s had somehow

312

00:16:07,430 --> 00:16:03,150

survived an earlier explosion and

313

00:16:10,760 --> 00:16:07,440

exploded again than 2014 astronomers are

314

00:16:13,820 --> 00:16:10,770

now saying that IPT f-14 HL s might be

315

00:16:17,360 --> 00:16:13,830

an explosion of a star more massive than

316

00:16:21,110 --> 00:16:17,370

any seen to explode before the study led

317

00:16:23,720 --> 00:16:21,120

by astronomer RK v of Las Cumbres

318

00:16:26,870 --> 00:16:23,730

Observatory and the University of

319

00:16:29,990 --> 00:16:26,880

California Santa Barbara calculated that

320

00:16:32,650 --> 00:16:30,000

the star that exploded was at least 50

321

00:16:37,310 --> 00:16:32,660

times more massive than our Sun and

322

00:16:39,890 --> 00:16:37,320

probably much larger the size of this

323

00:16:42,650 --> 00:16:39,900

explosion could be the reason that our

324

00:16:46,580 --> 00:16:42,660

conventional understanding of the death

325

00:16:48,950 --> 00:16:46,590

of stars explained this event or failed

326

00:16:52,340 --> 00:16:48,960

to explain this event according to these

327

00:16:54,320 --> 00:16:52,350

astronomers our kV commented this

328

00:16:57,350 --> 00:16:54,330

supernova breaks everything we thought

329

00:16:59,600 --> 00:16:57,360

we knew about supernova work the last

330

00:17:03,740 --> 00:16:59,610

cumbrous astronomers statement also

331

00:17:06,800 --> 00:17:03,750

explained a possible bizarre mechanism

332

00:17:12,110 --> 00:17:06,810

for the explosion of supernova IPT F H

333

00:17:17,110 --> 00:17:12,120

14 HL s supernova i PT f-14 HL s may be

334

00:17:20,840 --> 00:17:17,120

the first example of a pulsation apair

335

00:17:23,810 --> 00:17:20,850

instability supernova this theory holds

336

00:17:26,390 --> 00:17:23,820

that massive stars become so hot in

337

00:17:30,680 --> 00:17:26,400

their cores that energy is converted

338

00:17:32,480 --> 00:17:30,690

into matter and antimatter this would

339

00:17:35,420 --> 00:17:32,490

cause an explosion that blows off the

340

00:17:39,740 --> 00:17:35,430

outer layers of the star and leaves the

341

00:17:43,150 --> 00:17:39,750

core intact this process can repeat over

342

00:17:49,330 --> 00:17:43,160

decades before the large final explosion

343

00:17:52,930 --> 00:17:49,340

and collapse to a black hole Andy Howell

344

00:17:55,540 --> 00:17:52,940

leader of the L Co supernova group and a

345

00:17:57,820 --> 00:17:55,550

co-author of the study said these

346

00:18:00,100 --> 00:17:57,830

explosions were only expected to be seen

347

00:18:02,620 --> 00:18:00,110

in the early universe and should be

348

00:18:05,470 --> 00:18:02,630

extinct today this is like finding a

349

00:18:07,450 --> 00:18:05,480

dinosaur still alive today if you found

350

00:18:10,330 --> 00:18:07,460

one you would question whether it was

351

00:18:13,390 --> 00:18:10,340

truly a dinosaur but the astronomers

352

00:18:16,870 --> 00:18:13,400

warned this theory can't explain all the

353

00:18:18,690 --> 00:18:16,880

observations and might not after all be

354

00:18:22,180 --> 00:18:18,700

the answer to the riddle of this star

355

00:18:25,420 --> 00:18:22,190

instead they say this supernova might be

356

00:18:27,460 --> 00:18:25,430

something completely new that's why the

357

00:18:32,350 --> 00:18:27,470

supernova group at Las Cumbres

358

00:18:35,800 --> 00:18:32,360

Observatory is still monitoring IPT f-14

359

00:18:38,370 --> 00:18:35,810

HL s which remains bright three years

360

00:18:42,670 --> 00:18:38,380

after it was discovered bottom-line

361

00:18:43,570 --> 00:18:42,680

supernova i PT f-14 HL s discovered in

362

00:18:46,720 --> 00:18:43,580

2014

363

00:18:49,960 --> 00:18:46,730

stayed bright for 600 days then

364

00:18:56,770 --> 00:18:49,970

astronomers found a 1954 explosion in

365

00:19:00,490 --> 00:18:56,780

the same spot in the sky Wow then

366

00:19:04,050 --> 00:19:00,500

finally a look into the paranormal these

367

00:19:07,300 --> 00:19:04,060

stories come to us from thought co.com

368

00:19:10,540 --> 00:19:07,310

you once again can find these all on

369

00:19:14,260 --> 00:19:10,550

inception radio network under UFO

370

00:19:18,580 --> 00:19:14,270

headline news poltergeist haunts this

371

00:19:21,000 --> 00:19:18,590

old Fargo home after moving in to the

372

00:19:24,910 --> 00:19:21,010

old house k experienced some very

373

00:19:28,600 --> 00:19:24,920

disturbing poltergeist activity she

374

00:19:32,620 --> 00:19:28,610

states I bought an older home in Fargo

375

00:19:34,360 --> 00:19:32,630

North Dakota in the spring of 2002 at

376

00:19:36,400 --> 00:19:34,370

first I didn't pay any attention to the

377

00:19:39,070 --> 00:19:36,410

noises and lights flickering because of

378

00:19:41,800 --> 00:19:39,080

its age in the first few weeks I would

379

00:19:44,350 --> 00:19:41,810

see someone run by my window in the

380

00:19:46,930 --> 00:19:44,360

backyard I would run out and try to

381

00:19:50,560 --> 00:19:46,940

catch them but never saw anyone and

382

00:19:54,100 --> 00:19:50,570

wondered how they could run down the

383

00:19:56,610 --> 00:19:54,110

side of the house that fast all I could

384

00:20:00,990 --> 00:19:56,620

see of him was a black shape

385

00:20:02,910 --> 00:20:01,000

of a man from the waist up going by it

386

00:20:05,850 --> 00:20:02,920

took some time before I realized that

387

00:20:10,230 --> 00:20:05,860

the guy would have to have been 10 feet

388

00:20:12,450 --> 00:20:10,240

tall to be seen at the window I'm 5 feet

389

00:20:15,870 --> 00:20:12,460

6 inches tall and the bottom of the

390

00:20:17,970 --> 00:20:15,880

window is a few inches above me I still

391

00:20:20,970 --> 00:20:17,980

didn't think anything of the noises and

392

00:20:24,770 --> 00:20:20,980

flickering lights I was sitting on the

393

00:20:28,440 --> 00:20:24,780

couch and an orb came in from outside

394

00:20:32,730 --> 00:20:28,450

what the wall in my staircase and into

395

00:20:36,660 --> 00:20:32,740

the other wall the only other time I saw

396

00:20:39,090 --> 00:20:36,670

them was during the day and two orbs one

397

00:20:43,230 --> 00:20:39,100

behind the other egg-shaped and a solid

398

00:20:47,370 --> 00:20:43,240

white went 4 feet off the ground across

399

00:20:49,740 --> 00:20:47,380

my living room and disappeared again I

400

00:20:52,799 --> 00:20:49,750

was sitting on my couch with my cat and

401
00:20:56,070 --> 00:20:52,809
we both watched them go by my cat

402
00:20:57,090 --> 00:20:56,080
couldn't have care less and they didn't

403
00:20:59,640 --> 00:20:57,100
frighten me either

404
00:21:02,160 --> 00:20:59,650
I'm not looking for odd things to happen

405
00:21:05,970 --> 00:21:02,170
so didn't notice unless it was in my

406
00:21:07,830 --> 00:21:05,980
face I had moved in a dresser and left

407
00:21:09,240 --> 00:21:07,840
it at the bottom of the stairs because I

408
00:21:12,480 --> 00:21:09,250
didn't feel like hauling it up to the

409
00:21:15,270 --> 00:21:12,490
second floor yet that evening I heard a

410
00:21:17,280 --> 00:21:15,280
loud noise in that area and just thought

411
00:21:21,419 --> 00:21:17,290
it was something falling down the stairs

412
00:21:23,640 --> 00:21:21,429
I put stuff on my stairs and would take

413
00:21:26,510 --> 00:21:23,650

it all up at once instead of a bunch of

414

00:21:30,600 --> 00:21:26,520

trips when I went there the next day a

415

00:21:34,380 --> 00:21:30,610

drawer was open and not just a little it

416

00:21:38,220 --> 00:21:34,390

was pulled almost all the way out then I

417

00:21:40,380 --> 00:21:38,230

became frightened during the winter I

418

00:21:44,430 --> 00:21:40,390

put plastic on the windows to keep the

419

00:21:46,500 --> 00:21:44,440

cold out the tape that's used takes the

420

00:21:50,100 --> 00:21:46,510

pain off when removed if you're not

421

00:21:53,130 --> 00:21:50,110

careful right in front of me the plastic

422

00:21:56,640 --> 00:21:53,140

was ripped halfway off a full-size

423

00:21:59,190 --> 00:21:56,650

window for about 15 years I've had

424

00:22:01,710 --> 00:21:59,200

problems with pictures I had taken with

425

00:22:04,320 --> 00:22:01,720

white streaks and light spots in them I

426
00:22:06,660 --> 00:22:04,330
thought it was where I was getting them

427
00:22:08,760 --> 00:22:06,670
developed so I took them to four

428
00:22:10,040 --> 00:22:08,770
different places hoping to correct the

429
00:22:12,410 --> 00:22:10,050
problem

430
00:22:15,380 --> 00:22:12,420
I've had three different cameras over

431
00:22:17,810 --> 00:22:15,390
this time and so I knew it wasn't that I

432
00:22:20,030 --> 00:22:17,820
had thrown some away sake and they were

433
00:22:22,040 --> 00:22:20,040
just develop wrong and now I wished I

434
00:22:24,980 --> 00:22:22,050
hadn't I never thought they were

435
00:22:28,400 --> 00:22:24,990
anything paranormal I've stopped taking

436
00:22:30,710 --> 00:22:28,410
pictures now over time almost everything

437
00:22:32,450 --> 00:22:30,720
has stopped but for a few noises and

438
00:22:36,470 --> 00:22:32,460

lights flickering that I've hardly

439

00:22:38,960 --> 00:22:36,480

noticed now it's January 2016 and have

440

00:22:41,150 --> 00:22:38,970

had some loud noises my lights are

441

00:22:44,540 --> 00:22:41,160

flickering again and too many bulbs are

442

00:22:47,360 --> 00:22:44,550

going out but it is an old house what I

443

00:22:48,920 --> 00:22:47,370

can't explain is all my electronics are

444

00:22:52,760 --> 00:22:48,930

not working properly

445

00:22:55,580 --> 00:22:52,770

my coffeepot I love started leaking and

446

00:23:00,500 --> 00:22:55,590

my gas stove I used to heat my house

447

00:23:02,660 --> 00:23:00,510

stopped working all in the same week at

448

00:23:06,170 --> 00:23:02,670

a such a haunted place that is so

449

00:23:09,860 --> 00:23:06,180

typical to hear I don't know what

450

00:23:13,730 --> 00:23:09,870

they're thinking oh gosh alright next

451
00:23:16,430 --> 00:23:13,740
one the haunting of Laura dogs don't

452
00:23:18,500 --> 00:23:16,440
though all right traumatic events can

453
00:23:21,140 --> 00:23:18,510
sometimes trigger poltergeist activity

454
00:23:23,650 --> 00:23:21,150
but for one young girl the torment

455
00:23:27,140 --> 00:23:23,660
seemed to have no end

456
00:23:29,510 --> 00:23:27,150
it is currently theorized that

457
00:23:32,090 --> 00:23:29,520
poltergeist activity arises out of the

458
00:23:36,620 --> 00:23:32,100
subconscious of a living person called

459
00:23:38,870 --> 00:23:36,630
an agent this agent very often a young

460
00:23:41,540 --> 00:23:38,880
girl usually is known to be under some

461
00:23:44,510 --> 00:23:41,550
kind of stress whether it is emotional

462
00:23:46,400 --> 00:23:44,520
physical or psychological by some

463
00:23:49,400 --> 00:23:46,410

mechanism that is still unknown as

464

00:23:52,400 --> 00:23:49,410

science and paranormal researchers this

465

00:23:56,660 --> 00:23:52,410

inner stress can manifest as phenomena

466

00:23:58,910 --> 00:23:56,670

outside the agent turmoil inside the

467

00:24:01,550 --> 00:23:58,920

body in mind of the agent becomes a

468

00:24:04,880 --> 00:24:01,560

physical reality in the form of knocks

469

00:24:07,330 --> 00:24:04,890

on the walls lights and other electric

470

00:24:11,750 --> 00:24:07,340

flicking on and off by themselves

471

00:24:15,170 --> 00:24:11,760

objects thrown about and more in the

472

00:24:18,740 --> 00:24:15,180

case of Laura be might very well qualify

473

00:24:21,320 --> 00:24:18,750

as a poltergeist agent as a young girl

474

00:24:24,230 --> 00:24:21,330

she suffered the anguish of an alcoholic

475

00:24:26,540 --> 00:24:24,240

father who often lashed out in violin

476

00:24:29,470 --> 00:24:26,550

it's not surprising then that Laura was

477

00:24:32,030 --> 00:24:29,480

terrified of her homes basement at night

478

00:24:35,230 --> 00:24:32,040

since that is where her parents bedroom

479

00:24:37,910 --> 00:24:35,240

was the creepy feeling in my basement

480

00:24:41,150 --> 00:24:37,920

intensified as his alcoholism and

481

00:24:43,640 --> 00:24:41,160

addictions grew worse Laura says and I

482

00:24:46,010 --> 00:24:43,650

refused to go into my parents room for

483

00:24:48,170 --> 00:24:46,020

any reason there was always a negative

484

00:24:52,460 --> 00:24:48,180

feeling in the room but I always

485

00:24:54,890 --> 00:24:52,470

attributed that to my dad evil in itself

486

00:24:57,200 --> 00:24:54,900

is not paranormal and we can easily

487

00:24:59,810 --> 00:24:57,210

understand why Laura would get negative

488

00:25:02,060 --> 00:24:59,820

feelings from that room about five years

489

00:25:05,470 --> 00:25:02,070

ago however her parents divorced and

490

00:25:07,910 --> 00:25:05,480

that's when the line began to be crossed

491

00:25:13,400 --> 00:25:07,920

into the unexplained when the

492

00:25:15,260 --> 00:25:13,410

poltergeist activity began quote all of

493

00:25:18,050 --> 00:25:15,270

the negative feelings that had been in

494

00:25:22,970 --> 00:25:18,060

my parents room suddenly moved into my

495

00:25:25,100 --> 00:25:22,980

room and intensified Laura says now on

496

00:25:27,800 --> 00:25:25,110

one level this could be understood as a

497

00:25:29,720 --> 00:25:27,810

psychological reaction many children

498

00:25:32,390 --> 00:25:29,730

feel responsible or guilty for their

499

00:25:34,250 --> 00:25:32,400

parents divorces and Laura might have

500

00:25:37,700 --> 00:25:34,260

been transferring the negative feelings

501
00:25:39,830 --> 00:25:37,710
she once had about her parents room her

502
00:25:43,370 --> 00:25:39,840
father and brought them into her own

503
00:25:45,080 --> 00:25:43,380
room her unjustified guilt but now that

504
00:25:47,870 --> 00:25:45,090
she was directing this fear and trauma

505
00:25:51,530 --> 00:25:47,880
inward it began to manifest in outward

506
00:25:54,290 --> 00:25:51,540
phenomena quote I had taken the TV from

507
00:25:56,750 --> 00:25:54,300
downstairs into my room but always had

508
00:25:58,940 --> 00:25:56,760
to sleep with it on or with me facing

509
00:26:01,640 --> 00:25:58,950
the other direction Laura says in

510
00:26:04,040 --> 00:26:01,650
explaining how the phenomena began if I

511
00:26:07,430 --> 00:26:04,050
looked around my room at night I would

512
00:26:10,310 --> 00:26:07,440
always see a tiny red orb zip across my

513
00:26:12,650 --> 00:26:10,320

room I would watch it zoom from one side

514

00:26:14,450 --> 00:26:12,660

of the room to the other almost like the

515

00:26:17,270 --> 00:26:14,460

red dot from a laser pointer

516

00:26:20,510 --> 00:26:17,280

shortly after I would see this red light

517

00:26:23,390 --> 00:26:20,520

if I looked at my TV there would be a

518

00:26:26,600 --> 00:26:23,400

small green square flashing at the

519

00:26:29,390 --> 00:26:26,610

center of the screen this square would

520

00:26:32,570 --> 00:26:29,400

get larger with each flash and look like

521

00:26:36,160 --> 00:26:32,580

it was an image but I was way too scared

522

00:26:37,880 --> 00:26:36,170

to look at it the flashing TV sent me

523

00:26:40,250 --> 00:26:37,890

extremely bad vibe

524

00:26:42,769 --> 00:26:40,260

and I would always turn on the lights or

525

00:26:46,580 --> 00:26:42,779

the TV afterward so I wouldn't be in the

526

00:26:48,409 --> 00:26:46,590

dark terrible silent dark if this

527

00:26:50,360 --> 00:26:48,419

happened just once we might dismiss his

528

00:26:53,240 --> 00:26:50,370

experience as hallucination but the

529

00:26:56,360 --> 00:26:53,250

phenomena repeated night after night for

530

00:26:58,130 --> 00:26:56,370

Laura quote each night I would see the

531

00:27:01,639 --> 00:26:58,140

screen flash once and be terrified to

532

00:27:03,740 --> 00:27:01,649

even consider looking at it I realized

533

00:27:06,710 --> 00:27:03,750

that the red light was a sign that the

534

00:27:08,810 --> 00:27:06,720

TV would flash so it always turned on

535

00:27:11,269 --> 00:27:08,820

the TV or saying my eyes shut when I saw

536

00:27:13,220 --> 00:27:11,279

it I got so scared of the red light and

537

00:27:16,330 --> 00:27:13,230

green flash that I stopped sleeping in

538

00:27:20,990 --> 00:27:18,590

fast-forward to a year after Laura's

539

00:27:23,299 --> 00:27:21,000

parents divorce it was the end of the

540

00:27:25,399 --> 00:27:23,309

school year and Laura decided to have a

541

00:27:29,330 --> 00:27:25,409

sleepover party with a few close friends

542

00:27:31,430 --> 00:27:29,340

to celebrate Laura plan for them to

543

00:27:33,700 --> 00:27:31,440

sleep in the living room making the

544

00:27:36,139 --> 00:27:33,710

excuse that her bedroom was too small

545

00:27:39,200 --> 00:27:36,149

quote I had other reasons for saying

546

00:27:42,019 --> 00:27:39,210

that she says one girl was intent on

547

00:27:45,049 --> 00:27:42,029

sneaking into Laura's room however when

548

00:27:49,220 --> 00:27:45,059

she did so Laura had a disturbing vision

549

00:27:53,269 --> 00:27:49,230

quote what I saw made me go cold she

550

00:27:56,000 --> 00:27:53,279

recalls black smog like gunk was oozing

551
00:27:58,399 --> 00:27:56,010
out from the crack under my door into

552
00:28:00,169 --> 00:27:58,409
the hallway it was one of the most

553
00:28:01,180 --> 00:28:00,179
disgusting looking things I have ever

554
00:28:03,799 --> 00:28:01,190
seen

555
00:28:05,539 --> 00:28:03,809
Laura was at our wits end she asked

556
00:28:07,759 --> 00:28:05,549
another trusted friend who happened to

557
00:28:10,700 --> 00:28:07,769
have an interest in the paranormal to

558
00:28:12,560 --> 00:28:10,710
investigate her room she went and came

559
00:28:13,570 --> 00:28:12,570
out a little while later looking

560
00:28:16,129 --> 00:28:13,580
white-faced

561
00:28:18,409 --> 00:28:16,139
whatever is in your room is the most

562
00:28:22,100 --> 00:28:18,419
evil thing I have ever encountered she

563
00:28:23,779 --> 00:28:22,110

told Laura it is not human to be

564

00:28:26,180 --> 00:28:23,789

objective we don't know whether or not

565

00:28:28,940 --> 00:28:26,190

Laura's friend is a suitable judge of

566

00:28:31,250 --> 00:28:28,950

such matters but she did perhaps feel

567

00:28:33,950 --> 00:28:31,260

the same negativity that Laura was

568

00:28:37,610 --> 00:28:33,960

dealing with Laura believes this was a

569

00:28:40,340 --> 00:28:37,620

turning point quote after she

570

00:28:43,070 --> 00:28:40,350

investigated my room It was as if all

571

00:28:45,320 --> 00:28:43,080

hell had been unleashed Laura says I

572

00:28:48,230 --> 00:28:45,330

believe that acknowledging the entity

573

00:28:50,240 --> 00:28:48,240

for what it was gave it power the

574

00:28:51,650 --> 00:28:50,250

negative feeling of my room spread to

575

00:28:54,770 --> 00:28:51,660

the entire house

576

00:28:59,150 --> 00:28:54,780

and made being there feel oppressive I

577

00:29:00,980 --> 00:28:59,160

no longer felt safe in my house it all

578

00:29:03,620 --> 00:29:00,990

seemed to come to a head one summer

579

00:29:06,230 --> 00:29:03,630

night when Laura and this friend were in

580

00:29:09,200 --> 00:29:06,240

the house alone even though it was

581

00:29:12,080 --> 00:29:09,210

summer my entire house was cold she says

582

00:29:15,530 --> 00:29:12,090

a heavy malevolent feeling seemed to

583

00:29:18,200 --> 00:29:15,540

creep ever closer to us we were cold so

584

00:29:20,090 --> 00:29:18,210

we decided to make some soup as we were

585

00:29:22,640 --> 00:29:20,100

in my kitchen we heard a scratching

586

00:29:25,790 --> 00:29:22,650

noise come from the inside of the

587

00:29:27,920 --> 00:29:25,800

microwave we opened it up to see where

588

00:29:30,830 --> 00:29:27,930

it could be coming from and the noise

589

00:29:33,470 --> 00:29:30,840

stopped we couldn't find the source so

590

00:29:34,930 --> 00:29:33,480

we just shut the door and the scratching

591

00:29:38,510 --> 00:29:34,940

started up again

592

00:29:40,850 --> 00:29:38,520

Laura's dog began to act strangely he

593

00:29:43,580 --> 00:29:40,860

would stand look nervously at the TV

594

00:29:45,740 --> 00:29:43,590

whine with discomfort and then sit down

595

00:29:48,170 --> 00:29:45,750

with his ears pinned back submissively

596

00:29:50,960 --> 00:29:48,180

the two girls decided to put on a movie

597

00:29:52,700 --> 00:29:50,970

to calm their escalating fears I was

598

00:29:54,470 --> 00:29:52,710

sitting on my couch with my feet tucked

599

00:29:57,530 --> 00:29:54,480

under me when I felt something cold

600

00:30:00,560 --> 00:29:57,540

thick and pointed brush for my heel to

601
00:30:02,840 --> 00:30:00,570
my arch of my foot it was very

602
00:30:05,660 --> 00:30:02,850
deliberate and the worst sensation I

603
00:30:08,510 --> 00:30:05,670
have ever felt I screamed and jumped up

604
00:30:10,910 --> 00:30:08,520
and my friend and I ran outside to go

605
00:30:13,850 --> 00:30:10,920
into my trampoline and just held each

606
00:30:15,590 --> 00:30:13,860
other in the semi-darkness I looked

607
00:30:18,380 --> 00:30:15,600
toward my room and I could see a shape

608
00:30:20,930 --> 00:30:18,390
in my window even though no one else was

609
00:30:22,820 --> 00:30:20,940
home my dog started to freak out again

610
00:30:26,420 --> 00:30:22,830
and there was a rustling noise in the

611
00:30:30,710 --> 00:30:26,430
grass I saw what looked like a black

612
00:30:32,870 --> 00:30:30,720
cloak being dragged across the grass the

613
00:30:34,700 --> 00:30:32,880

shape circled the trampoline several

614

00:30:36,230 --> 00:30:34,710

times thanks for coming in mr. Mahoney

630

app and then disappeared the disturbing

631
00:31:11,170 --> 00:31:09,200
activity continued for Laura until she

632
00:31:13,510 --> 00:31:11,180
got some advice from an online friend he

633
00:31:15,850 --> 00:31:13,520
said he had two guardian spirits that he

634
00:31:18,970 --> 00:31:15,860
would send to me to take care of the

635
00:31:21,760 --> 00:31:18,980
creature one light and one dark Laura

636
00:31:24,730 --> 00:31:21,770
says I was different desperate for any

637
00:31:26,620 --> 00:31:24,740
help so I agreed most of us probably

638
00:31:29,410 --> 00:31:26,630

would not have taken that solution very

639

00:31:31,270 --> 00:31:29,420

seriously she states that night I stayed

640

00:31:33,850 --> 00:31:31,280

up all night watching three orbs of

641

00:31:37,420 --> 00:31:33,860

light fly frantically around my house

642

00:31:39,970 --> 00:31:37,430

she said one was an inky black color

643

00:31:41,710 --> 00:31:39,980

that seemed to lose and drip the others

644

00:31:44,200 --> 00:31:41,720

were a large black ball on a smaller

645

00:31:46,390 --> 00:31:44,210

white ball the white and black ball were

646

00:31:49,510 --> 00:31:46,400

chasing and bumping into the inky blot

647

00:31:51,580 --> 00:31:49,520

as I watched wide-eyed the black and

648

00:31:53,830 --> 00:31:51,590

white spirits forced it out of my house

649

00:32:00,760 --> 00:31:53,840

and for a while I thought everything

650

00:32:02,770 --> 00:32:00,770

would be all right things would not be

651
00:32:05,440 --> 00:32:02,780
all right however Laura continued to be

652
00:32:07,810 --> 00:32:05,450
haunted by menacing shadows and

653
00:32:10,150 --> 00:32:07,820
experienced one particularly frightening

654
00:32:12,100 --> 00:32:10,160
illusion a couple of houses down the

655
00:32:14,590 --> 00:32:12,110
street there is a family that has a

656
00:32:16,810 --> 00:32:14,600
large Rottweiler she says one night I

657
00:32:19,180 --> 00:32:16,820
was walking home when I looked at that

658
00:32:22,390 --> 00:32:19,190
dog it was staring at me with inky black

659
00:32:24,190 --> 00:32:22,400
eyes it also looked like its jaw had

660
00:32:26,710 --> 00:32:24,200
been ripped off and its tongue was just

661
00:32:28,360 --> 00:32:26,720
hanging out of its mouth I ran to my

662
00:32:30,970 --> 00:32:28,370
house and in front of my driveway was a

663
00:32:32,950 --> 00:32:30,980

cat with the same ripped out jaw but its

664

00:32:35,650 --> 00:32:32,960

eyes were normal it was strange and

665

00:32:38,230 --> 00:32:35,660

disturbing but luckily I only saw that

666

00:32:40,270 --> 00:32:38,240

phenomena once today the phenomena has

667

00:32:42,910 --> 00:32:40,280

subsided but Laura admits that her faith

668

00:32:45,190 --> 00:32:42,920

has been shaken by this ordeal I'm not

669

00:32:47,560 --> 00:32:45,200

sure what I believe anymore she says but

670

00:32:49,650 --> 00:32:47,570

all I know for sure is that there is

671

00:32:52,420 --> 00:32:49,660

true evil in this world

672

00:32:54,820 --> 00:32:52,430
