welcome to ufo headline news with me

2
00:00:08,110 --> 00:00:06,560
heidi hollis today is monday november

3
00:00:09,830 --> 00:00:08,120
20th

4
00:00:11,830 --> 00:00:09,840
2017.

5
00:00:15,110 --> 00:00:11,840
we will start off with some

6
00:00:18,470 --> 00:00:15,120
interesting ufo sightings number one ufo

7
00:00:22,630 --> 00:00:18,480
sighting in sierra vista arizona

8
00:00:25,029 --> 00:00:22,640
on november 12th of this year

9
00:00:27,750 --> 00:00:25,039
hovering object flashing colors very

10
00:00:29,830 --> 00:00:27,760
close to the ground with no

11
00:00:32,630 --> 00:00:29,840
sound

12
00:00:35,110 --> 00:00:32,640
this is from the witness my girlfriend

13
00:00:37,190 --> 00:00:35,120

and i were out for a walk just after

14

00:00:39,590 --> 00:00:37,200

dark around 7 30

15

00:00:42,150 --> 00:00:39,600

pm on a sunday evening

16

00:00:44,310 --> 00:00:42,160

we were talking and walking

17

00:00:47,110 --> 00:00:44,320

and she was on the phone with her mom as

18

00:00:49,270 --> 00:00:47,120

i often do i looked up and what appeared

19

00:00:52,229 --> 00:00:49,280

to be a helicopter

20

00:00:53,670 --> 00:00:52,239

or something at first was hovering over

21

00:00:56,310 --> 00:00:53,680

the neighborhood

22

00:00:58,549 --> 00:00:56,320

directly in front of us about a half

23

00:01:01,750 --> 00:00:58,559

mile away

24

00:01:04,630 --> 00:01:01,760

it was flashing red white and then blue

25

00:01:06,230 --> 00:01:04,640

and it was motionless for some time

26

00:01:09,270 --> 00:01:06,240

i brought this to my girlfriend's

27

00:01:10,789 --> 00:01:09,280

attention and she saw it as well

28

00:01:13,350 --> 00:01:10,799

shortly after that

29

00:01:17,830 --> 00:01:13,360

it began to move

30

00:01:20,310 --> 00:01:17,840

very slowly due west and towards us

31

00:01:23,030 --> 00:01:20,320

it was dark and the object other than

32

00:01:23,990 --> 00:01:23,040

the lights was either too high or too

33

00:01:26,950 --> 00:01:24,000

small

34

00:01:29,270 --> 00:01:26,960

to see much shape other than

35

00:01:31,270 --> 00:01:29,280

the triangle

36

00:01:33,270 --> 00:01:31,280

made out by the lights

37

00:01:36,390 --> 00:01:33,280

as the white light in the middle and the

38

00:01:40,630 --> 00:01:36,400

red and blue lights were on either side

39

00:01:42,630 --> 00:01:40,640

it was absolutely silent as it moved

40

00:01:43,990 --> 00:01:42,640

just as the object was almost directly

41

00:01:45,270 --> 00:01:44,000

overhead

42

00:01:47,990 --> 00:01:45,280

the red

43

00:01:50,230 --> 00:01:48,000

and blue lights turned off

44

00:01:51,590 --> 00:01:50,240

and the object continued due west but

45

00:01:54,469 --> 00:01:51,600

picked up speed

46

00:01:55,830 --> 00:01:54,479

and climbed up and out of sight fairly

47

00:01:59,030 --> 00:01:55,840

quickly

48

00:02:00,709 --> 00:01:59,040

this was too fast and way too high for a

49

00:02:03,910 --> 00:02:00,719

helicopter

50

00:02:08,710 --> 00:02:03,920

and there was absolutely no sound

51
00:02:11,830 --> 00:02:08,720
it disappeared very shortly afterward

52
00:02:14,550 --> 00:02:11,840
our second ufo sighting comes to us from

53
00:02:16,070 --> 00:02:14,560
mount shasta california this occurred

54
00:02:18,790 --> 00:02:16,080
august 25th

55
00:02:20,949 --> 00:02:18,800
of 2017.

56
00:02:23,190 --> 00:02:20,959
the witness states we were atop mount

57
00:02:26,309 --> 00:02:23,200
shasta for about 15 minutes when we

58
00:02:28,150 --> 00:02:26,319
observed a bright blue light in space

59
00:02:29,350 --> 00:02:28,160
near the bottom left star of the little

60
00:02:31,589 --> 00:02:29,360
dipper

61
00:02:34,470 --> 00:02:31,599
it blinked and bright flashes across the

62
00:02:37,750 --> 00:02:34,480
sky before disappearing

63
00:02:39,270 --> 00:02:37,760

i am a ufo fanatic living in northern

64

00:02:41,589 --> 00:02:39,280

california

65

00:02:44,150 --> 00:02:41,599

about three months ago my family and i

66

00:02:45,830 --> 00:02:44,160

took a trip up to mount shasta area in

67

00:02:47,750 --> 00:02:45,840

northern california

68

00:02:50,790 --> 00:02:47,760

over there for a week since i'm into

69

00:02:53,110 --> 00:02:50,800

ufos i convinced my family

70

00:02:55,990 --> 00:02:53,120

to take me up the mountain at night to

71

00:02:57,750 --> 00:02:56,000

see if we could observe anything

72

00:02:58,790 --> 00:02:57,760

we were on the highest point of the

73

00:03:00,869 --> 00:02:58,800

mountain

74

00:03:03,030 --> 00:03:00,879

you could drive to and when the event

75

00:03:05,589 --> 00:03:03,040

occurred

76
00:03:07,910 --> 00:03:05,599
the area that night was completely dark

77
00:03:08,630 --> 00:03:07,920
minus a few campers down the slope from

78
00:03:10,710 --> 00:03:08,640
us

79
00:03:11,910 --> 00:03:10,720
but their lights didn't obscure the view

80
00:03:13,430 --> 00:03:11,920
at all

81
00:03:16,309 --> 00:03:13,440
the entire

82
00:03:19,670 --> 00:03:16,319
milky way was completely visible

83
00:03:21,830 --> 00:03:19,680
and it was spectacular

84
00:03:23,670 --> 00:03:21,840
after we had been there going on about

85
00:03:25,910 --> 00:03:23,680
15 minutes i was looking in the

86
00:03:28,229 --> 00:03:25,920
direction of the bottom left star in the

87
00:03:30,710 --> 00:03:28,239
little dippers constellation

88
00:03:34,390 --> 00:03:30,720

when i saw a very

89

00:03:37,110 --> 00:03:34,400

bright flash of white blue light

90

00:03:39,509 --> 00:03:37,120

i at first assumed it to be

91

00:03:42,470 --> 00:03:39,519

a plane since there were many planes in

92

00:03:45,110 --> 00:03:42,480

the sky when we came up earlier

93

00:03:46,710 --> 00:03:45,120

then it began to rapidly flash all

94

00:03:48,869 --> 00:03:46,720

around the sky

95

00:03:50,949 --> 00:03:48,879

i didn't notice anything or any

96

00:03:53,990 --> 00:03:50,959

particular pattern of it

97

00:03:56,149 --> 00:03:54,000

at that point my mother goes huh

98

00:04:00,070 --> 00:03:56,159

i've never seen a plane jump around like

99

00:04:03,910 --> 00:04:00,080

that it's odd

100

00:04:07,429 --> 00:04:03,920

thing was making insanely fast 90 degree

101

00:04:09,990 --> 00:04:07,439

angle turns and literally teleporting

102

00:04:13,750 --> 00:04:10,000

across incredible distances

103

00:04:16,789 --> 00:04:13,760

that nothing on this planet can do

104

00:04:21,830 --> 00:04:16,799

i grew up next to an airport i have seen

105

00:04:22,710 --> 00:04:21,840

military planes and aircraft all my life

106

00:04:26,150 --> 00:04:22,720

this

107

00:04:28,390 --> 00:04:26,160

was not a human build

108

00:04:31,990 --> 00:04:28,400

a human going that rate of speed would

109

00:04:33,590 --> 00:04:32,000

be killed by the insane g-force

110

00:04:35,749 --> 00:04:33,600

in those turns

111

00:04:38,550 --> 00:04:35,759

plus i've never seen a conventional

112

00:04:40,950 --> 00:04:38,560

aircraft do a 90 degree angle turn

113

00:04:42,710 --> 00:04:40,960

in less than one second

114

00:04:45,510 --> 00:04:42,720

and then be in a completely different

115

00:04:47,749 --> 00:04:45,520

position just like that

116

00:04:49,510 --> 00:04:47,759

it lasted for about

117

00:04:51,990 --> 00:04:49,520

two and a half minutes

118

00:04:53,990 --> 00:04:52,000

then disappeared towards the upper part

119

00:04:57,749 --> 00:04:54,000

of my field of view

120

00:05:00,629 --> 00:04:57,759

there were three witnesses to this event

121

00:05:02,469 --> 00:05:00,639

none of us have ever seen anything like

122

00:05:05,270 --> 00:05:02,479

it before

123

00:05:08,870 --> 00:05:05,280

i have actually nicknamed it

124

00:05:15,510 --> 00:05:12,950

our next sighting the witness states

125

00:05:16,790 --> 00:05:15,520

my husband teenage son and i were

126

00:05:19,990 --> 00:05:16,800

driving back

127

00:05:22,310 --> 00:05:20,000

through arizona to south dakota

128

00:05:24,629 --> 00:05:22,320

and california where we lived

129

00:05:27,909 --> 00:05:24,639

we're driving down a highway in a small

130

00:05:29,990 --> 00:05:27,919

mountain foothills region of arizona

131

00:05:32,150 --> 00:05:30,000

my husband was driving sun was in the

132

00:05:33,830 --> 00:05:32,160

back seat and i was up front in the

133

00:05:35,990 --> 00:05:33,840

passenger seat

134

00:05:39,189 --> 00:05:36,000

suddenly over the top

135

00:05:40,710 --> 00:05:39,199

and very near to the top of a foothill

136

00:05:42,310 --> 00:05:40,720

small mountain

137

00:05:45,270 --> 00:05:42,320

to my right

138

00:05:47,670 --> 00:05:45,280

coming from the west appeared

139

00:05:48,550 --> 00:05:47,680

a massive dull

140

00:05:51,350 --> 00:05:48,560

black

141

00:05:52,790 --> 00:05:51,360

jet type of aircraft

142

00:05:57,350 --> 00:05:52,800

it was looming

143

00:06:01,029 --> 00:05:57,360

and moving very slowly at a low altitude

144

00:06:02,870 --> 00:06:01,039

over the top of the foothill

145

00:06:06,070 --> 00:06:02,880

my husband caught it in the corner of

146

00:06:09,590 --> 00:06:06,080

his eye and slowed down

147

00:06:11,909 --> 00:06:09,600

this thing flew right in front of us

148

00:06:13,990 --> 00:06:11,919

flying over the highway and slowly

149

00:06:15,909 --> 00:06:14,000

disappeared over the mountain on the

150

00:06:17,909 --> 00:06:15,919

east side of the highway

151
00:06:19,110 --> 00:06:17,919
we were stunned

152
00:06:20,870 --> 00:06:19,120
whoa

153
00:06:23,270 --> 00:06:20,880
what was that

154
00:06:24,469 --> 00:06:23,280
i asked my husband who was a vietnam

155
00:06:27,029 --> 00:06:24,479
veteran

156
00:06:28,390 --> 00:06:27,039
he couldn't see it as well as i because

157
00:06:30,309 --> 00:06:28,400
he was driving

158
00:06:32,469 --> 00:06:30,319
we considered the

159
00:06:35,590 --> 00:06:32,479
bl stealth bomber

160
00:06:38,309 --> 00:06:35,600
but dismissed that because it was much

161
00:06:41,990 --> 00:06:38,319
larger than a stealth bomber

162
00:06:44,150 --> 00:06:42,000
and did not have the long slender nose

163
00:06:47,029 --> 00:06:44,160

my husband thought it might be some kind

164

00:06:49,350 --> 00:06:47,039
of experimental military aircraft

165

00:06:50,870 --> 00:06:49,360
it was solid had the shape of an

166

00:06:54,390 --> 00:06:50,880
aircraft but

167

00:06:55,670 --> 00:06:54,400
seemed like a one-piece unit with very

168

00:06:59,909 --> 00:06:55,680
large wings

169

00:07:04,390 --> 00:07:02,070
the general shape was triangular

170

00:07:06,469 --> 00:07:04,400
additionally there were no markings

171

00:07:09,909 --> 00:07:06,479
anywhere on the craft

172

00:07:13,430 --> 00:07:09,919
it was flying very slowly at low level

173

00:07:14,790 --> 00:07:13,440
and wasn't making a sound

174

00:07:16,790 --> 00:07:14,800
it was eerie

175

00:07:20,230 --> 00:07:16,800
and unexplainable

176

00:07:25,430 --> 00:07:23,670

it seemed out of the ordinary and brazen

177

00:07:29,749 --> 00:07:25,440

i was thinking ballsy

178

00:07:31,430 --> 00:07:29,759

coming in so low flying so slowly

179

00:07:33,909 --> 00:07:31,440

in plain view

180

00:07:34,870 --> 00:07:33,919

without seeming to care who caught sight

181

00:07:37,670 --> 00:07:34,880

of it

182

00:07:38,870 --> 00:07:37,680

it was menacing due to the sheer size of

183

00:07:42,070 --> 00:07:38,880

this thing

184

00:07:44,390 --> 00:07:42,080

i remember wishing i had a camera to

185

00:07:46,230 --> 00:07:44,400

have captured it on film

186

00:07:48,870 --> 00:07:46,240

thought no one would believe us if we

187

00:07:50,550 --> 00:07:48,880

could just describe it

188

00:07:51,589 --> 00:07:50,560

after a few minutes of pondering the

189

00:07:54,629 --> 00:07:51,599

thing

190

00:07:56,230 --> 00:07:54,639

we didn't talk about it anymore

191

00:07:58,390 --> 00:07:56,240

what happened

192

00:08:02,230 --> 00:07:58,400

that's it

193

00:08:04,790 --> 00:08:02,240

amazing all right next story

194

00:08:08,230 --> 00:08:04,800

this story comes to us

195

00:08:09,990 --> 00:08:08,240

ufo sighting in gubernator mayor santa

196

00:08:10,830 --> 00:08:10,000

cruz

197

00:08:16,550 --> 00:08:10,840

on

198

00:08:22,469 --> 00:08:18,390

the witness states

199

00:08:23,589 --> 00:08:22,479

we initiate the trip to el califate

200

00:08:24,710 --> 00:08:23,599

from rio

201
00:08:29,830 --> 00:08:24,720
galagas

202
00:08:33,110 --> 00:08:29,840
distance more or less 295 kilometers

203
00:08:35,990 --> 00:08:33,120
at oh 3300 hours

204
00:08:40,949 --> 00:08:36,000
with full fuel tank

205
00:08:43,990 --> 00:08:40,959
the focus clx 2002 new car

206
00:08:45,269 --> 00:08:44,000
when we passed the school of gubernator

207
00:08:47,829 --> 00:08:45,279
mayor

208
00:08:51,030 --> 00:08:47,839
and we started to climb the hill

209
00:08:53,829 --> 00:08:51,040
our vehicle stopped instantly

210
00:08:56,870 --> 00:08:53,839
we were parking in reverse but a blue

211
00:08:58,230 --> 00:08:56,880
electric strong light flashed inside the

212
00:09:00,070 --> 00:08:58,240
car

213
00:09:01,990 --> 00:09:00,080

we cannot remember any sounds or

214

00:09:05,030 --> 00:09:02,000

anything else after that

215

00:09:08,949 --> 00:09:05,040

we woke up 25 minutes later

216

00:09:12,790 --> 00:09:08,959

set our clocks and cellulars

217

00:09:16,070 --> 00:09:12,800

at two kilometers from paso rio boot

218

00:09:22,870 --> 00:09:16,080

42 kilometers before el cafete

219

00:09:28,389 --> 00:09:24,310

are melted

220

00:09:30,710 --> 00:09:28,399

crystals are scratched

221

00:09:32,870 --> 00:09:30,720

and apart broken

222

00:09:35,350 --> 00:09:32,880

the four tires are deflated and the

223

00:09:37,750 --> 00:09:35,360

lateral paint has bubbles

224

00:09:39,430 --> 00:09:37,760

the fuel tank is practically full the

225

00:09:41,750 --> 00:09:39,440

car looks

226

00:09:44,070 --> 00:09:41,760

to be in the direction of real galagos

227

00:09:45,350 --> 00:09:44,080

to behind all right this is some broken

228

00:09:46,710 --> 00:09:45,360

english so i'm trying to piece it

229

00:09:50,389 --> 00:09:46,720

together

230

00:09:51,829 --> 00:09:50,399

our faces and hands are totally red but

231

00:09:54,389 --> 00:09:51,839

not burning

232

00:09:55,430 --> 00:09:54,399

and inside the car smells rancid and

233

00:09:58,630 --> 00:09:55,440

dirty

234

00:10:01,670 --> 00:09:58,640

we are in shock and can't think clearly

235

00:10:04,470 --> 00:10:01,680

we're so cold as it is winter

236

00:10:05,269 --> 00:10:04,480

in the night one suv stopped by to help

237

00:10:13,590 --> 00:10:05,279

us

238

00:10:15,269 --> 00:10:13,600

we returned to rio galagos

239

00:10:18,389 --> 00:10:15,279

two days

240

00:10:20,710 --> 00:10:18,399

afterwards by a bus

241

00:10:21,990 --> 00:10:20,720

we still in the car in the route in the

242

00:10:24,230 --> 00:10:22,000

same place

243

00:10:26,870 --> 00:10:24,240

three days later the car agency calls us

244

00:10:28,630 --> 00:10:26,880

and said your new car is here you could

245

00:10:33,750 --> 00:10:28,640

come and sign the papers

246

00:10:37,829 --> 00:10:34,790

again

247

00:10:38,949 --> 00:10:37,839

nevermore in night our old car is not on

248

00:10:42,550 --> 00:10:38,959

the road

249

00:10:45,269 --> 00:10:42,560

we don't know who bought us the new car

250

00:10:48,870 --> 00:10:45,279

we don't know what happened

251

00:10:53,430 --> 00:10:48,880

but we are not scared

252

00:10:56,069 --> 00:10:53,440

wow that is absolutely amazing

253

00:10:58,710 --> 00:10:56,079

okay moving on

254

00:11:01,430 --> 00:10:58,720

to an alien abduction scenario although

255

00:11:04,790 --> 00:11:01,440

that one prior just sounded like an

256

00:11:10,310 --> 00:11:04,800

alien abduction scenario

257

00:11:13,990 --> 00:11:10,320

this was posted november 15th of 2017.

258

00:11:16,389 --> 00:11:14,000

the witness states i am now 33.

259

00:11:18,630 --> 00:11:16,399

and when i had the abduction with the

260

00:11:20,630 --> 00:11:18,640

entity i was around

261

00:11:22,069 --> 00:11:20,640

10 or 11.

262

00:11:25,350 --> 00:11:22,079

i remember

263

00:11:26,829 --> 00:11:25,360

i think it was 12am or 1am

264

00:11:30,310 --> 00:11:26,839

but i can't be

265

00:11:32,389 --> 00:11:30,320

sure i remember i was on the floor in my

266

00:11:35,269 --> 00:11:32,399

mom's room by the window

267

00:11:38,069 --> 00:11:35,279

and my mom was asleep in her bed

268

00:11:41,110 --> 00:11:38,079

she always kept the door closed at night

269

00:11:43,990 --> 00:11:41,120

i woke and saw her door open and i

270

00:11:47,350 --> 00:11:44,000

remember hearing this buzzing kind of

271

00:11:48,870 --> 00:11:47,360

noise and flickering and power going out

272

00:11:50,710 --> 00:11:48,880

in the apartment

273

00:11:53,110 --> 00:11:50,720

and i was still

274

00:11:54,870 --> 00:11:53,120

laying on the floor with my pillow and

275

00:11:57,350 --> 00:11:54,880

blankets

276

00:11:59,430 --> 00:11:57,360

it started to get a little humid

277

00:12:02,069 --> 00:11:59,440

and there was an entity

278

00:12:03,990 --> 00:12:02,079

over me straight at me

279

00:12:06,389 --> 00:12:04,000

staring right at me

280

00:12:08,470 --> 00:12:06,399

i remember it being very tall and its

281

00:12:10,629 --> 00:12:08,480

eyes were pitch black

282

00:12:12,629 --> 00:12:10,639

and not shaped like tear drops like a

283

00:12:15,430 --> 00:12:12,639

lot of people describe

284

00:12:18,150 --> 00:12:15,440

but more human like

285

00:12:23,030 --> 00:12:21,110

it didn't have a mouth or nose but slits

286

00:12:25,350 --> 00:12:23,040

kind of for both

287

00:12:27,509 --> 00:12:25,360

it was dark and hard it was a grayish

288

00:12:29,829 --> 00:12:27,519

brown entity and the head was kind of

289

00:12:32,230 --> 00:12:29,839

rough bumpy

290

00:12:33,590 --> 00:12:32,240

i remember not being able to move or

291

00:12:34,870 --> 00:12:33,600

scream

292

00:12:37,190 --> 00:12:34,880

all i remember

293

00:12:39,590 --> 00:12:37,200

was i was scared

294

00:12:42,150 --> 00:12:39,600

i don't remember how long it took

295

00:12:44,310 --> 00:12:42,160

and looked at me or anything

296

00:12:48,230 --> 00:12:44,320

or if it even took me

297

00:12:49,910 --> 00:12:48,240

my mind is blocked and i don't remember

298

00:12:52,629 --> 00:12:49,920

anything

299

00:12:54,310 --> 00:12:52,639

i remember that i was so scared that i

300

00:12:58,550 --> 00:12:54,320

started to cry

301
00:13:01,190 --> 00:12:58,560
and it left very quietly and quickly

302
00:13:02,870 --> 00:13:01,200
and i was not sure how it got into my

303
00:13:04,470 --> 00:13:02,880
mother's house

304
00:13:06,710 --> 00:13:04,480
after a tiny bit

305
00:13:09,190 --> 00:13:06,720
the buzzing noise went away

306
00:13:11,829 --> 00:13:09,200
and electricity flickered

307
00:13:15,110 --> 00:13:11,839
i was then able to move

308
00:13:19,030 --> 00:13:15,120
and i described for my mom what happened

309
00:13:20,710 --> 00:13:19,040
and she woke up to comfort me

310
00:13:23,670 --> 00:13:20,720
wow that is a

311
00:13:25,190 --> 00:13:23,680
mind-blowing experience

312
00:13:26,949 --> 00:13:25,200
and here goes

313
00:13:29,990 --> 00:13:26,959

another

314

00:13:32,310 --> 00:13:30,000

abduction scenario

315

00:13:35,829 --> 00:13:32,320

this story was posted

316

00:13:37,590 --> 00:13:35,839

november 15th of 2017 and they state

317

00:13:40,550 --> 00:13:37,600

this took place

318

00:13:42,230 --> 00:13:40,560

january 2015.

319

00:13:44,470 --> 00:13:42,240

the witness states

320

00:13:45,990 --> 00:13:44,480

abduction i found myself reliving it

321

00:13:49,269 --> 00:13:46,000

over and over

322

00:13:51,590 --> 00:13:49,279

at first i was consumed with it i

323

00:13:52,710 --> 00:13:51,600

couldn't get off my mind after a day or

324

00:13:54,710 --> 00:13:52,720

so

325

00:13:57,829 --> 00:13:54,720

i started to be able to let go of it

326

00:13:59,990 --> 00:13:57,839

enough that i could function

327

00:14:02,550 --> 00:14:00,000

i was so consumed

328

00:14:05,189 --> 00:14:02,560

that all i could do at work

329

00:14:08,790 --> 00:14:05,199

for two days was recall

330

00:14:12,069 --> 00:14:08,800

what i remember and put on a paper

331

00:14:15,430 --> 00:14:12,079

speaking of my head

332

00:14:17,110 --> 00:14:15,440

i had a real dull headache all day the

333

00:14:18,710 --> 00:14:17,120

day this happened

334

00:14:20,069 --> 00:14:18,720

i woke up at

335

00:14:23,350 --> 00:14:20,079

2 am

336

00:14:25,829 --> 00:14:23,360

it happens often always 2 a.m

337

00:14:28,790 --> 00:14:25,839

i remember looking at the clock

338

00:14:30,949 --> 00:14:28,800

i felt a presence in my room but

339

00:14:33,590 --> 00:14:30,959

was not alarmed at all

340

00:14:35,350 --> 00:14:33,600

more like a feeling of secure

341

00:14:37,990 --> 00:14:35,360

next thing i know

342

00:14:39,910 --> 00:14:38,000

i was walking out back in the porch

343

00:14:42,069 --> 00:14:39,920

because i was asked to

344

00:14:45,110 --> 00:14:42,079

there was a large figure standing next

345

00:14:47,189 --> 00:14:45,120

to me and whoever she was

346

00:14:49,590 --> 00:14:47,199

she felt like i knew her

347

00:14:51,430 --> 00:14:49,600

she did not speak a word

348

00:14:54,710 --> 00:14:51,440

but i understood thoughts coming from

349

00:14:57,189 --> 00:14:54,720

her and she made me feel calm

350

00:14:59,590 --> 00:14:57,199

when i looked at her i could feel her

351

00:15:01,110 --> 00:14:59,600

smiling at me

352

00:15:02,949 --> 00:15:01,120

she did hey where are you going jim the

353

00:15:04,629 --> 00:15:02,959

elevator's over here taking the stairs

354

00:15:06,069 --> 00:15:04,639

but our meeting's up on eight yeah i

355

00:15:07,910 --> 00:15:06,079

know but that's eight floors up that's

356

00:15:10,230 --> 00:15:07,920

like eight times

357

00:15:11,750 --> 00:15:10,240

i don't a lot of stairs that's the point

358

00:15:12,949 --> 00:15:11,760

i've already lost a few pounds and

359

00:15:14,790 --> 00:15:12,959

earned almost a hundred dollars in

368

00:15:33,030 --> 00:15:31,600

december 11. this a few times so i

369

00:15:35,269 --> 00:15:33,040

looked up

370

00:15:38,069 --> 00:15:35,279

there were colors and objects in the sky

371

00:15:40,470 --> 00:15:38,079

it felt good to look at them

372

00:15:43,189 --> 00:15:40,480

then a disk

373

00:15:44,550 --> 00:15:43,199

well what i thought after going out back

374

00:15:47,670 --> 00:15:44,560

the next morning

375

00:15:49,269 --> 00:15:47,680

was about 30 feet in diameter

376
00:15:51,430 --> 00:15:49,279
it came towards me

377
00:15:53,509 --> 00:15:51,440
no noise no nothing

378
00:15:56,550 --> 00:15:53,519
and i said to her

379
00:16:00,470 --> 00:15:56,560
here comes one now

380
00:16:02,470 --> 00:16:00,480
it lowered itself silently into the yard

381
00:16:05,110 --> 00:16:02,480
and came to a stop

382
00:16:06,550 --> 00:16:05,120
what i thought was approximately 10 feet

383
00:16:08,629 --> 00:16:06,560
from the ground

384
00:16:11,110 --> 00:16:08,639
and i felt an

385
00:16:12,949 --> 00:16:11,120
odd energy

386
00:16:14,710 --> 00:16:12,959
attached to my right side when the

387
00:16:17,189 --> 00:16:14,720
energy connected

388
00:16:19,749 --> 00:16:17,199

it made my body vibrate

389

00:16:22,710 --> 00:16:19,759

it felt like i was drink

390

00:16:24,870 --> 00:16:22,720

drawing to me like a magnet there was

391

00:16:25,749 --> 00:16:24,880

this force and i remember feeling the

392

00:16:29,110 --> 00:16:25,759

draw

393

00:16:32,389 --> 00:16:29,120

and when it attached it had a hold on me

394

00:16:36,069 --> 00:16:32,399

that basically rendered me powerless

395

00:16:39,509 --> 00:16:36,079

it had full control and the vibrating i

396

00:16:41,670 --> 00:16:39,519

talked about was so much more

397

00:16:45,189 --> 00:16:41,680

than slight

398

00:16:47,590 --> 00:16:45,199

almost felt like electricity but wasn't

399

00:16:50,550 --> 00:16:47,600

but it was short-lived zero pain feeling

400

00:16:54,150 --> 00:16:50,560

very calm and secure floating kind of

401
00:16:59,110 --> 00:16:56,710
toward the ship and this is when time

402
00:17:00,389 --> 00:16:59,120
and memory stopped

403
00:17:02,150 --> 00:17:00,399
no pain

404
00:17:05,270 --> 00:17:02,160
no terror

405
00:17:06,949 --> 00:17:05,280
actually no emotion that i can remember

406
00:17:09,189 --> 00:17:06,959
other than calm

407
00:17:11,429 --> 00:17:09,199
my next thing i remember is floating

408
00:17:14,470 --> 00:17:11,439
over my bed for a few seconds

409
00:17:15,669 --> 00:17:14,480
then being placed back in

410
00:17:17,350 --> 00:17:15,679
by four

411
00:17:19,510 --> 00:17:17,360
beings

412
00:17:21,909 --> 00:17:19,520
but could not see who they were or

413
00:17:24,069 --> 00:17:21,919

recognize anything about them

414

00:17:26,630 --> 00:17:24,079

actually could not look at them

415

00:17:27,750 --> 00:17:26,640

only to see them peripherally in the

416

00:17:30,630 --> 00:17:27,760

dark

417

00:17:33,110 --> 00:17:30,640

i was not alarmed still felt safe a good

418

00:17:35,909 --> 00:17:33,120

feeling when i touched my bed

419

00:17:40,070 --> 00:17:35,919

feeling i was kind of sideways in it

420

00:17:43,430 --> 00:17:40,080

one leg hanging off one side of the arm

421

00:17:44,950 --> 00:17:43,440

and put my head hanging off the other

422

00:17:47,190 --> 00:17:44,960

and that bothered me

423

00:17:48,789 --> 00:17:47,200

as soon as i thought this as though they

424

00:17:50,510 --> 00:17:48,799

were reading my thoughts

425

00:17:53,350 --> 00:17:50,520

they immediately

426

00:17:55,909 --> 00:17:53,360

re-floated me and straightened me out

427

00:17:57,590 --> 00:17:55,919

with the bed so my head was on the

428

00:18:01,750 --> 00:17:57,600

pillow

429

00:18:03,510 --> 00:18:01,760

i felt the covers being placed on me

430

00:18:05,270 --> 00:18:03,520

i couldn't move

431

00:18:07,190 --> 00:18:05,280

that's it

432

00:18:10,230 --> 00:18:07,200

next thing i realized was the alarm

433

00:18:11,990 --> 00:18:10,240

waking me up at 6 30 am

434

00:18:15,110 --> 00:18:12,000

all the figures

435

00:18:17,830 --> 00:18:15,120

her and the short people in my room

436

00:18:20,870 --> 00:18:17,840

they all had the ability to be able to

437

00:18:23,430 --> 00:18:20,880

be seen and not be seen at the same time

438

00:18:24,549 --> 00:18:23,440

i'm positive the person out back was a

439

00:18:26,390 --> 00:18:24,559

female

440

00:18:28,549 --> 00:18:26,400

don't ask

441

00:18:31,110 --> 00:18:28,559

i just know my feeling

442

00:18:33,270 --> 00:18:31,120

i could not distinguish a face a form no

443

00:18:36,470 --> 00:18:33,280

hands no smell nothing

444

00:18:38,150 --> 00:18:36,480

just a dark gray silhouette about as

445

00:18:39,510 --> 00:18:38,160

tall as me

446

00:18:41,029 --> 00:18:39,520

now the first

447

00:18:44,230 --> 00:18:41,039

interesting part

448

00:18:45,830 --> 00:18:44,240

my right hip has itched in the same spot

449

00:18:48,630 --> 00:18:45,840

forever

450

00:18:51,029 --> 00:18:48,640

years still periodically

451
00:18:54,630 --> 00:18:51,039
well it was itching real bad when i woke

452
00:18:56,789 --> 00:18:54,640
up same place as its itch for years

453
00:18:59,350 --> 00:18:56,799
and after other visits

454
00:19:01,430 --> 00:18:59,360
i went into the bathroom wondering why i

455
00:19:02,789 --> 00:19:01,440
was in a bit of a haze and itching my

456
00:19:06,070 --> 00:19:02,799
hip

457
00:19:08,950 --> 00:19:06,080
it itched so bad it made me look

458
00:19:12,310 --> 00:19:08,960
at this area in the mirror

459
00:19:14,310 --> 00:19:12,320
and i found this on my hip

460
00:19:16,549 --> 00:19:14,320
i had to take a picture of it

461
00:19:19,270 --> 00:19:16,559
i've never seen anything like this

462
00:19:21,750 --> 00:19:19,280
i did not hit anything with my hip

463
00:19:25,029 --> 00:19:21,760

didn't fall nothing

464

00:19:27,669 --> 00:19:25,039

you can see a distinct v-shape

465

00:19:29,430 --> 00:19:27,679

and bruising in the site

466

00:19:30,710 --> 00:19:29,440

it was there for three days and

467

00:19:32,870 --> 00:19:30,720

overnight

468

00:19:35,590 --> 00:19:32,880

disappeared

469

00:19:36,789 --> 00:19:35,600

this is my most vivid

470

00:19:38,789 --> 00:19:36,799

visit

471

00:19:42,150 --> 00:19:38,799

and like the others

472

00:19:46,390 --> 00:19:42,160

have all been good and very comforting

473

00:19:50,630 --> 00:19:48,310

my advice to that person if it feels so

474

00:19:53,669 --> 00:19:50,640

good keep going with it

475

00:19:57,270 --> 00:19:53,679

but something tells me it's not all

476

00:20:02,310 --> 00:19:59,590

my goodness all right

477

00:20:05,669 --> 00:20:02,320

next story

478

00:20:09,510 --> 00:20:05,679

we are gonna take a little journey into

479

00:20:12,070 --> 00:20:09,520

our ancient history

480

00:20:13,350 --> 00:20:12,080

based on numerous archaeological

481

00:20:16,310 --> 00:20:13,360

discoveries

482

00:20:18,390 --> 00:20:16,320

artifacts records and monuments found in

483

00:20:21,190 --> 00:20:18,400

the past by experts

484

00:20:23,270 --> 00:20:21,200

it's believed that the anunnaki

485

00:20:24,230 --> 00:20:23,280

sumerians those who came down from the

486

00:20:26,950 --> 00:20:24,240

heavens

487

00:20:28,789 --> 00:20:26,960

an extremely advanced civilization from

488

00:20:32,950 --> 00:20:28,799

an elusive planet

489

00:20:35,270 --> 00:20:32,960

in our own solar system came to earth

490

00:20:37,230 --> 00:20:35,280

landing in the persian gulf

491

00:20:41,669 --> 00:20:37,240

some

492

00:20:47,270 --> 00:20:44,149

in the last couple of decades

493

00:20:49,110 --> 00:20:47,280

numerous controversial discoveries

494

00:20:51,909 --> 00:20:49,120

have been made which challenge

495

00:20:53,350 --> 00:20:51,919

mainstream researchers and their views

496

00:20:55,110 --> 00:20:53,360

on history and

497

00:20:57,270 --> 00:20:55,120

human evolution

498

00:20:58,549 --> 00:20:57,280

every time we write about the ancient

499

00:21:01,029 --> 00:20:58,559

anunnaki

500

00:21:03,029 --> 00:21:01,039

we come across much discomfort from

501

00:21:04,870 --> 00:21:03,039

various sides of readers

502

00:21:07,270 --> 00:21:04,880

while there are those who firmly believe

503

00:21:10,310 --> 00:21:07,280

the existence of the anunnaki and

504

00:21:11,350 --> 00:21:10,320

their arrival to earth can explain many

505

00:21:14,230 --> 00:21:11,360

accounts

506

00:21:16,630 --> 00:21:14,240

which mainstream scholars cannot

507

00:21:19,590 --> 00:21:16,640

there are those who believe that the

508

00:21:21,110 --> 00:21:19,600

ancient anunnaki never existed

509

00:21:25,029 --> 00:21:21,120

and that extremely advanced

510

00:21:26,149 --> 00:21:25,039

civilizations never existed on earth

511

00:21:28,149 --> 00:21:26,159

however

512

00:21:30,310 --> 00:21:28,159

in the last couple of years

513

00:21:31,830 --> 00:21:30,320

a lot of researchers are changing their

514

00:21:34,149 --> 00:21:31,840

methodology

515

00:21:36,070 --> 00:21:34,159

and starting to think open

516

00:21:39,590 --> 00:21:36,080

and open-minded

517

00:21:43,110 --> 00:21:39,600

the ancient alien astronaut theory

518

00:21:46,470 --> 00:21:43,120

presupposes that thousands of years ago

519

00:21:49,590 --> 00:21:46,480

even before a recorded history

520

00:21:53,029 --> 00:21:49,600

our planet was visited by astronauts

521

00:21:56,390 --> 00:21:53,039

from another planet

522

00:21:58,549 --> 00:21:56,400

gosh go figure how that happens huh

523

00:22:02,310 --> 00:21:58,559

intelligent beings with technology

524

00:22:07,830 --> 00:22:05,190

many archaeologists around the world

525

00:22:10,549 --> 00:22:07,840

consider modern day iraq

526

00:22:15,190 --> 00:22:10,559

as the cradle of civilization

527

00:22:17,750 --> 00:22:15,200

between 3500 and 1900 bc

528

00:22:20,070 --> 00:22:17,760

the tigris and euphrates river were the

529

00:22:22,230 --> 00:22:20,080

home of the sumerian people who

530

00:22:24,789 --> 00:22:22,240

prospered in the region

531

00:22:28,149 --> 00:22:24,799

today when we read or seek information

532

00:22:29,990 --> 00:22:28,159

about the sumer and the anunnaki or the

533

00:22:30,870 --> 00:22:30,000

people that inhabited that part of the

534

00:22:33,510 --> 00:22:30,880

world

535

00:22:36,230 --> 00:22:33,520

we come across controversial author

536

00:22:39,990 --> 00:22:36,240

zechariah citchin

537

00:22:42,950 --> 00:22:40,000

in 1976 arthur sitchin published his

538

00:22:45,830 --> 00:22:42,960

personal translations of the sumerian

539

00:22:48,310 --> 00:22:45,840

texts in a series of books called

540

00:22:51,270 --> 00:22:48,320

the earth chronicles

541

00:22:53,590 --> 00:22:51,280

according to sitchin the clay tablets

542

00:22:56,710 --> 00:22:53,600

describe an alien race

543

00:22:59,029 --> 00:22:56,720

known as the anunnaki who came to earth

544

00:23:01,590 --> 00:22:59,039

to mine gold

545

00:23:04,070 --> 00:23:01,600

sichen practically suggests that

546

00:23:06,549 --> 00:23:04,080

extraterrestrials visited earth in the

547

00:23:08,549 --> 00:23:06,559

past because their home planet needed

548

00:23:10,950 --> 00:23:08,559

gold to survive

549

00:23:12,149 --> 00:23:10,960

based on numerous archaeological

550

00:23:14,630 --> 00:23:12,159

discoveries

551
00:23:18,549 --> 00:23:14,640
artifacts records and monuments found in

552
00:23:21,430 --> 00:23:18,559
the past by archaeologists and linguists

553
00:23:23,430 --> 00:23:21,440
sitchin indicates that the anunnaki

554
00:23:24,630 --> 00:23:23,440
sumerian those who came down from the

555
00:23:27,190 --> 00:23:24,640
heavens

556
00:23:29,190 --> 00:23:27,200
an extremely advanced civilization from

557
00:23:31,909 --> 00:23:29,200
an elusive planet

558
00:23:34,149 --> 00:23:31,919
in our solar system came to earth

559
00:23:38,950 --> 00:23:34,159
landing in the persian gulf

560
00:23:41,750 --> 00:23:38,960
some 400 432 000 years ago

561
00:23:42,710 --> 00:23:41,760
this advanced civilization colonized our

562
00:23:45,669 --> 00:23:42,720
planet

563
00:23:47,590 --> 00:23:45,679

and their sole purpose was to mine large

564

00:23:49,149 --> 00:23:47,600

quantities of gold

565

00:23:52,630 --> 00:23:49,159

approximately

566

00:23:56,149 --> 00:23:52,640

250 000 years ago according to sitchin

567

00:23:57,190 --> 00:23:56,159

the ancient anunnaki merged their alien

568

00:24:00,630 --> 00:23:57,200

genes

569

00:24:02,830 --> 00:24:00,640

with that of homo erectus and created a

570

00:24:07,669 --> 00:24:02,840

species known

571

00:24:09,430 --> 00:24:07,679

as sapiens obtaining as a result a

572

00:24:10,789 --> 00:24:09,440

genetically

573

00:24:13,510 --> 00:24:10,799

species

574

00:24:15,110 --> 00:24:13,520

that is bicameral

575

00:24:17,830 --> 00:24:15,120

however

576
00:24:19,430 --> 00:24:17,840
humans were a hybrid species and could

577
00:24:21,830 --> 00:24:19,440
not procreate

578
00:24:23,510 --> 00:24:21,840
since the demand for humans as workers

579
00:24:26,390 --> 00:24:23,520
became greater

580
00:24:28,950 --> 00:24:26,400
the ancient anunnaki once again

581
00:24:31,830 --> 00:24:28,960
manipulated ancient mankind

582
00:24:34,870 --> 00:24:31,840
so they could reproduce on their own

583
00:24:37,110 --> 00:24:34,880
based on the cosmic code the sixth book

584
00:24:38,310 --> 00:24:37,120

a distant member of our solar system

591

00:25:02,710 --> 00:25:00,000

life faces slow extension as the

592

00:25:04,630 --> 00:25:02,720

planet's atmosphere erodes

593

00:25:07,669 --> 00:25:04,640

deposited by anu

594

00:25:10,710 --> 00:25:07,679

the ruler of allelu escapes in a

597

00:25:18,390 --> 00:25:16,080

can be used to protect nibiru's

598
