00:00:08,620 --> 00:00:03,139
- UFO headline news with me Heidi Hollis

2
00:00:14,330 --> 00:00:08,630
today is Saturday November 25th 2017

3
00:00:16,810 --> 00:00:14,340
blasting off with UFO sightings first

4
00:00:22,700 --> 00:00:16,820
with a UFO sighting in Maryland on

5
00:00:25,759 --> 00:00:22,710
November 19th 2017 the witness described

6
00:00:29,269 --> 00:00:25,769
it at the aircraft flew steady but

7
00:00:31,759 --> 00:00:29,279
seemed high and very large the witness

8
00:00:34,220 --> 00:00:31,769
goes on to describe I was sitting in the

9
00:00:36,830 --> 00:00:34,230
hot tub watching the stars and airplanes

10
00:00:40,760 --> 00:00:36,840
a lot of airplane traffic above me

11
00:00:43,220 --> 00:00:40,770
because of my proximity to BWI then I

12
00:00:45,950 --> 00:00:43,230
saw the v-shaped lights through cloud

13
00:00:48,709 --> 00:00:45,960

cover so it was higher and further than

14

00:00:51,470 --> 00:00:48,719

local plane traffic it surprised me

15

00:00:55,130 --> 00:00:51,480

because it seemed far away but was much

16

00:00:57,709 --> 00:00:55,140

larger than any other traffic I'm used

17

00:01:01,189 --> 00:00:57,719

to seeing and the lights were unlike

18

00:01:04,490 --> 00:01:01,199

lights on any plane I've seen both sides

19

00:01:08,330 --> 00:01:04,500

of the V were lit with individual lights

20

00:01:11,300 --> 00:01:08,340

maybe five to eight on each side no

21

00:01:14,710 --> 00:01:11,310

light was brighter than the other but

22

00:01:17,870 --> 00:01:14,720

there were no lights except on the V

23

00:01:20,060 --> 00:01:17,880

nothing in the center it was flying away

24

00:01:22,460 --> 00:01:20,070

from me roughly south it flew at a

25

00:01:25,370 --> 00:01:22,470

steady pace and disappeared into the

26

00:01:28,100 --> 00:01:25,380

clouds I've watched a lot of air traffic

27

00:01:31,999 --> 00:01:28,110

around here and also grew up near George

28

00:01:34,300 --> 00:01:32,009

Air Force Base in California this looked

29

00:01:36,560 --> 00:01:34,310

nothing like anything I've ever seen

30

00:01:40,160 --> 00:01:36,570

though I did feel like it was

31

00:01:43,910 --> 00:01:40,170

terrestrial it flew like you'd expect an

32

00:01:46,090 --> 00:01:43,920

airplane to fly steady and unchanging it

33

00:01:48,740 --> 00:01:46,100

was only visible for about ten seconds

34

00:01:53,749 --> 00:01:48,750

emerging from the clouds and then

35

00:01:56,480 --> 00:01:53,759

disappearing back in our next UFO

36

00:01:59,929 --> 00:01:56,490

sighting is described as a black

37

00:02:06,740 --> 00:01:59,939

triangle in Albuquerque New Mexico on

38

00:02:08,660 --> 00:02:06,750

November 17th 2017 the witness details

39

00:02:11,210 --> 00:02:08,670

driving in Albuquerque New Mexico

40

00:02:13,610 --> 00:02:11,220

neighborhood and saw a triangle-shaped

41

00:02:16,309 --> 00:02:13,620

craft with lights

42

00:02:19,220 --> 00:02:16,319

they go on to state I was driving around

43

00:02:22,220 --> 00:02:19,230

in the Nob Hill area of Albuquerque I

44

00:02:24,229 --> 00:02:22,230

turned down a side street and saw a

45

00:02:25,850 --> 00:02:24,239

triangle-shaped craft with lights that

46

00:02:29,089 --> 00:02:25,860

went at the side of it

47

00:02:32,360 --> 00:02:29,099

it was illuminated so it formed a

48

00:02:34,839 --> 00:02:32,370

v-shape I stopped to pull over and look

49

00:02:37,880 --> 00:02:34,849

at it because I thought it was strange

50

00:02:41,170 --> 00:02:37,890

witnessed it for about ten seconds

51
00:02:44,000 --> 00:02:41,180
before it was hidden behind a tree

52
00:02:47,420 --> 00:02:44,010
unfortunately didn't take a video or

53
00:02:49,699 --> 00:02:47,430
photo the air force base is close by so

54
00:02:52,880 --> 00:02:49,709
I assumed it was military aircraft but

55
00:02:54,259 --> 00:02:52,890
haven't seen one like it before I've

56
00:02:56,990 --> 00:02:54,269
been living in the area for over a

57
00:02:59,869 --> 00:02:57,000
decade my first thought is it was some

58
00:03:02,180 --> 00:02:59,879
sort of stealth type playing like a b2

59
00:03:05,000 --> 00:03:02,190
but they don't appear to have that type

60
00:03:07,009 --> 00:03:05,010
of light formation at night I've also

61
00:03:09,410 --> 00:03:07,019
attached a photo and what it looked like

62
00:03:12,259 --> 00:03:09,420
from a Google search I didn't take this

63
00:03:17,539 --> 00:03:12,269

photo this is just as close to what I

64

00:03:21,190 --> 00:03:17,549

saw our next story involves an alien

65

00:03:27,470 --> 00:03:21,200

encounter in Willmar Minnesota on

66

00:03:32,690 --> 00:03:27,480

October 20th of 2017 the witness

67

00:03:37,190 --> 00:03:32,700

describes on October 25th 2017 I woke up

68

00:03:40,099 --> 00:03:37,200

with 3 marks on my left upper arm one on

69

00:03:43,009 --> 00:03:40,109

each side inner arm was two puncture

70

00:03:46,670 --> 00:03:43,019

wounds front of arm three puncture

71

00:03:49,250 --> 00:03:46,680

wounds in a triangle shape and back up

72

00:03:52,909 --> 00:03:49,260

arm was like someone had scraped my skin

73

00:03:55,909 --> 00:03:52,919

off and a small brown patch all three

74

00:03:58,990 --> 00:03:55,919

spots remained red and irritated and

75

00:04:01,879 --> 00:03:59,000

slightly raised for several days

76

00:04:05,360 --> 00:04:01,889

possibilities are spider bites or

77

00:04:11,990 --> 00:04:05,370

bedbugs the marks were still visible on

78

00:04:14,659 --> 00:04:12,000

the 25th of October the 30th of October

79

00:04:18,500 --> 00:04:14,669

I woke up at 5:00 a.m. from what seemed

80

00:04:21,620 --> 00:04:18,510

to be more than a real dream I had been

81

00:04:24,200 --> 00:04:21,630

given an injection vaginally with a

82

00:04:26,960 --> 00:04:24,210

numbing agent then

83

00:04:30,559 --> 00:04:26,970

something was removed for me and sealed

84

00:04:35,210 --> 00:04:30,569

in small containers in a case with dry

85

00:04:36,350 --> 00:04:35,220

ice the dream memory is of snakes being

86

00:04:40,339 --> 00:04:36,360

removed from me

87

00:04:43,370 --> 00:04:40,349

and stored in jars I woke fully to find

88

00:04:47,059 --> 00:04:43,380

a few drops of blood on my nightgown and

89

00:04:50,689 --> 00:04:47,069

was quite sore internally and a sore

90

00:04:54,170 --> 00:04:50,699

neck as well most of that day from past

91

00:04:58,400 --> 00:04:54,180

experience I am guessing they took an

92

00:05:03,439 --> 00:04:58,410

egg and checked on me my normal cycle

93

00:05:07,249 --> 00:05:03,449

was a week late and I passed tissue same

94

00:05:11,060 --> 00:05:07,259

as previous experiences on November 19th

95

00:05:12,980 --> 00:05:11,070

I woke having a difficult morning but

96

00:05:16,820 --> 00:05:12,990

when I went outside my apartment around

97

00:05:19,430 --> 00:05:16,830

11 a.m. to dispose of compost a strange

98

00:05:23,240 --> 00:05:19,440

man was standing on the sidewalk with

99

00:05:26,990 --> 00:05:23,250

his back to me he appeared to be holding

100

00:05:29,960 --> 00:05:27,000

an infant in a white blanket and talking

101
00:05:33,320 --> 00:05:29,970
to it I was afraid of him at first but

102
00:05:36,020 --> 00:05:33,330
did go outside he walked a bit away from

103
00:05:39,439 --> 00:05:36,030
me then watch me closely as I disposed

104
00:05:42,010 --> 00:05:39,449
of the compost Irie entered the house

105
00:05:45,110 --> 00:05:42,020
again and then the man turned to face me

106
00:05:48,439 --> 00:05:45,120
he was holding an infant inside his

107
00:05:51,469 --> 00:05:48,449
jacket it appeared to be male and was

108
00:05:53,379 --> 00:05:51,479
wrapped in a white blanket the man then

109
00:05:56,209 --> 00:05:53,389
turned and walked quickly away

110
00:05:56,899 --> 00:05:56,219
disappearing into the empty hospital

111
00:06:00,290 --> 00:05:56,909
parking lot

112
00:06:03,830 --> 00:06:00,300
I hate lunch then felt the need to take

113
00:06:05,450 --> 00:06:03,840

a nap I went for a walk around 1 p.m. to

114

00:06:08,570 --> 00:06:05,460

clear my head and when I returned from

115

00:06:12,020 --> 00:06:08,580

my walk I received a phone call from a

116

00:06:15,939 --> 00:06:12,030

local retired military man he invited me

117

00:06:19,790 --> 00:06:15,949

to a local park to play frisbee golf I

118

00:06:22,700 --> 00:06:19,800

agreed and he asked where I was and

119

00:06:28,760 --> 00:06:22,710

picked me up where I was for a few

120

00:06:34,300 --> 00:06:31,670

next a UFO sighting in Kurt's town

121

00:06:38,089 --> 00:06:34,310

Pennsylvania that occurred November 19

122

00:06:42,890 --> 00:06:38,099

2017 watching what appeared to be a

123

00:06:46,339 --> 00:06:42,900

survey drone fly and saw this moving far

124

00:06:49,909 --> 00:06:46,349

above and beyond the witness states

125

00:06:52,490 --> 00:06:49,919

driving I 78 East there was what

126
00:06:55,790 --> 00:06:52,500
appeared to be a very large survey drone

127
00:06:58,420 --> 00:06:55,800
flying it was so large I was trying to

128
00:07:01,640 --> 00:06:58,430
determine if it was a plane or a drone

129
00:07:04,460 --> 00:07:01,650
then I noticed something moving in a

130
00:07:09,140 --> 00:07:04,470
straight path far above and beyond the

131
00:07:12,589 --> 00:07:09,150
drone both the drone and UFO were headed

132
00:07:15,050 --> 00:07:12,599
west the other object didn't appear to

133
00:07:17,360 --> 00:07:15,060
have wings there seemed to be a slight

134
00:07:20,629 --> 00:07:17,370
haze around it like you would see coming

135
00:07:24,020 --> 00:07:20,639
off a hot road it gave the object an

136
00:07:26,180 --> 00:07:24,030
almost translucent look it was traveling

137
00:07:26,540 --> 00:07:26,190
at a speed of only about 80 miles per

138
00:07:29,180 --> 00:07:26,550

hour

139

00:07:31,870 --> 00:07:29,190

I would guess I only got to watch it for

140

00:07:37,339 --> 00:07:31,880

about 30 seconds before it disappeared

141

00:07:42,310 --> 00:07:37,349

behind the clouds a UFO sighting in

142

00:07:44,680 --> 00:07:42,320

winston-salem North Carolina occurred

143

00:07:48,529 --> 00:07:44,690

May 31st

144

00:07:50,779 --> 00:07:48,539

1977 a blast from the past standing in

145

00:07:54,080 --> 00:07:50,789

the backyard about 50 feet over our

146

00:07:57,939 --> 00:07:54,090

heads for 20 minutes absolutely no

147

00:08:01,100 --> 00:07:57,949

sounds none the witness goes on to state

148

00:08:04,399 --> 00:08:01,110

myself and six other people were in the

149

00:08:07,999 --> 00:08:04,409

backyard when a round disc appeared

150

00:08:10,820 --> 00:08:08,009

above us it stayed above us at about 50

151
00:08:14,270 --> 00:08:10,830
feet I could have thrown a rock and hit

152
00:08:17,570 --> 00:08:14,280
it not only did the craft not make any

153
00:08:21,439 --> 00:08:17,580
noise but it seemed to absorb all other

154
00:08:24,469 --> 00:08:21,449
noises we all stood motionless for 20

155
00:08:26,809 --> 00:08:24,479
minutes staring at the UFO my brother

156
00:08:30,379 --> 00:08:26,819
and I often discussed the event and the

157
00:08:34,610 --> 00:08:30,389
complete absence of sound and lack of

158
00:08:37,850 --> 00:08:34,620
ability to move I have no doubt we were

159
00:08:40,279 --> 00:08:37,860
given something that day the Sun started

160
00:08:42,379 --> 00:08:40,289
to go down and our neighbours lights hit

161
00:08:45,619 --> 00:08:42,389
it and it started moving

162
00:08:49,989 --> 00:08:45,629
we snapped out of it and it just slowly

163
00:08:56,389 --> 00:08:49,999

started moving Wow it's fascinating

164

00:08:57,789 --> 00:08:56,399

next a UFO sighting in New York November

165

00:09:02,239 --> 00:08:57,799

17th

166

00:09:05,119 --> 00:09:02,249

2017 the witness states a few days

167

00:09:07,429 --> 00:09:05,129

before this I was having debates with

168

00:09:10,369 --> 00:09:07,439

people on Facebook about the chemtrail

169

00:09:13,699 --> 00:09:10,379

controversy so as I'm walking home from

170

00:09:16,759 --> 00:09:13,709

the store I noticed three planes in the

171

00:09:19,879 --> 00:09:16,769

same area leaving behind what seems to

172

00:09:22,819 --> 00:09:19,889

be chemicals so I took my phone out to

173

00:09:25,910 --> 00:09:22,829

record at that time and I witnessed

174

00:09:29,389 --> 00:09:25,920

three more planes as I recorded the six

175

00:09:34,359 --> 00:09:29,399

plane there was a UFO flying underneath

176

00:09:37,910 --> 00:09:34,369

the six plane however I did not notice

177

00:09:41,299 --> 00:09:37,920

this not until I viewed the video for

178

00:09:44,359 --> 00:09:41,309

the third time as the video shows it was

179

00:09:47,299 --> 00:09:44,369

a clear day and it definitely was not a

180

00:09:50,059 --> 00:09:47,309

bird this is not the first time I

181

00:09:53,210 --> 00:09:50,069

witnessed a UFO but it is the first time

182

00:09:55,989 --> 00:09:53,220

I was able to record it but what was

183

00:09:59,629 --> 00:09:55,999

more strange is two of the planes

184

00:10:02,090 --> 00:09:59,639

completely disappeared no they did not

185

00:10:06,139 --> 00:10:02,100

fly out of view I thought it was very

186

00:10:08,210 --> 00:10:06,149

strange and no I'm not crazy I'm

187

00:10:10,999 --> 00:10:08,220

starting to see more and more strange

188

00:10:13,669 --> 00:10:11,009

things I'm going to forward the video

189

00:10:17,049 --> 00:10:13,679

and I look forward to hearing what

190

00:10:22,090 --> 00:10:17,059

others think of it Wow

191

00:10:29,629 --> 00:10:22,100

next a UFO sighting in the Isle of Wight

192

00:10:32,989 --> 00:10:29,639

England this occurred June 7th 2007 the

193

00:10:37,280 --> 00:10:32,999

witness states I used to work at a small

194

00:10:40,009 --> 00:10:37,290

airfield back in 2007 my duties involved

195

00:10:43,039 --> 00:10:40,019

airport fire crew and Air Ground radio

196

00:10:45,289 --> 00:10:43,049

operator on the day of the sighting I

197

00:10:47,960 --> 00:10:45,299

was in the radio tower with a colleague

198

00:10:49,549 --> 00:10:47,970

of mine there are only a few aircraft in

199

00:10:52,069 --> 00:10:49,559

the circuit at the time when my

200

00:10:55,100 --> 00:10:52,079

colleagues said to me what's that in the

201
00:10:55,879 --> 00:10:55,110
downwind leg once he pointed it out to

202
00:10:58,489 --> 00:10:55,889
me I said

203
00:11:01,189 --> 00:10:58,499
oh yeah and grab the binoculars I

204
00:11:04,729 --> 00:11:01,199
couldn't see anything distinctive apart

205
00:11:07,819 --> 00:11:04,739
from it it looked cigar shaped and all

206
00:11:11,660 --> 00:11:07,829
black no aircraft markings or anything

207
00:11:13,789 --> 00:11:11,670
so my colleague spoke to a microlight on

208
00:11:15,729 --> 00:11:13,799
the radio which was training in the

209
00:11:18,710 --> 00:11:15,739
circuit and brought it to his attention

210
00:11:20,869 --> 00:11:18,720
the microlight also spotted the UFO

211
00:11:23,269 --> 00:11:20,879
after my colleague gave him a rough idea

212
00:11:25,970 --> 00:11:23,279
where to look and said hang on I'll

213
00:11:28,549 --> 00:11:25,980

break off out of the circuit and see if

214

00:11:32,179 --> 00:11:28,559

I can see what it is the microlight

215

00:11:33,829 --> 00:11:32,189

climbed and climbed as quick as it could

216

00:11:35,989 --> 00:11:33,839

to try and catch the object but the

217

00:11:38,929 --> 00:11:35,999

object seemed to climb a lot quicker

218

00:11:41,059 --> 00:11:38,939

than the microlight and eventually just

219

00:11:41,389 --> 00:11:41,069

went out of sight and we never saw it

220

00:11:44,479 --> 00:11:41,399

again

221

00:11:47,960 --> 00:11:44,489

I remember the microlight pilot saying

222

00:11:51,019 --> 00:11:47,970

how amazed he was that the UFO climbed a

223

00:11:53,749 --> 00:11:51,029

lot quicker than he did micro lights

224

00:11:56,119 --> 00:11:53,759

aren't the quickest of aircraft but they

225

00:11:58,519 --> 00:11:56,129

can climb reasonably quickly from what

226

00:12:01,460 --> 00:11:58,529

I've heard and the pilot said he just

227

00:12:04,220 --> 00:12:01,470

couldn't keep up with it I felt excited

228

00:12:06,949 --> 00:12:04,230

at the time because I am a believer and

229

00:12:10,039 --> 00:12:06,959

I believe it was my first sighting which

230

00:12:12,499 --> 00:12:10,049

I will never forget I only found this

231

00:12:17,210 --> 00:12:12,509

website to report this to share my past

232

00:12:20,509 --> 00:12:17,220

experiences recently then finally for

233

00:12:22,460 --> 00:12:20,519

UFO sightings a black triangle sighting

234

00:12:27,699 --> 00:12:22,470

in Shiprock New Mexico

235

00:12:31,789 --> 00:12:27,709

this occurred November 17th 2017 a

236

00:12:34,639 --> 00:12:31,799

triangle ship like thing on the sky in

237

00:12:37,939 --> 00:12:34,649

the middle of the desert in Shiprock at

238

00:12:41,720 --> 00:12:37,949

a construction site the witness states

239

00:12:44,449 --> 00:12:41,730

Friday November 2017 Shiprock New Mexico

240

00:12:47,329 --> 00:12:44,459

was about 2 p.m. and I saw in the sky

241

00:12:51,139 --> 00:12:47,339

what looked like a triangle flying

242

00:12:53,989 --> 00:12:51,149

object like thing in the sky it had a

243

00:12:57,139 --> 00:12:53,999

trail of flames behind it

244

00:12:59,840 --> 00:12:57,149

it felt like a shooting star that's how

245

00:13:01,939 --> 00:12:59,850

it fell it disappeared really fast that

246

00:13:05,179 --> 00:13:01,949

I couldn't get my phone out to take a

247

00:13:07,460 --> 00:13:05,189

picture I work in construction at the

248

00:13:09,049 --> 00:13:07,470

site in the middle of the desert I went

249

00:13:11,029 --> 00:13:09,059

home and told my daughter I

250

00:13:14,479 --> 00:13:11,039

Saten explained it to her and what I saw

251

00:13:18,319 --> 00:13:14,489

she quickly pulled out a photo of the

252

00:13:24,589 --> 00:13:18,329

Phoenix lights of 1997 she showed me a

253

00:13:30,439 --> 00:13:24,599

picture of the triangle object creeping

254

00:13:34,039 --> 00:13:30,449

into the paranormal a witness states

255

00:13:36,379 --> 00:13:34,049

from three until thirteen years of age I

256

00:13:38,679 --> 00:13:36,389

lived in a nice home out near Yosemite

257

00:13:42,109 --> 00:13:38,689

National Park

258

00:13:46,159 --> 00:13:42,119

nothing super spectacular about it four

259

00:13:48,229 --> 00:13:46,169

bedrooms a den dining room the norm just

260

00:13:50,709 --> 00:13:48,239

down a little dirt road and if you've

261

00:13:55,039 --> 00:13:50,719

ever been around those parts you'll know

262

00:13:58,429 --> 00:13:55,049

miles away from civilization my whole

263

00:14:01,849 --> 00:13:58,439

childhood I was visited by this girl in

264

00:14:04,309 --> 00:14:01,859

white she never spoke I would just wake

265

00:14:08,089 --> 00:14:04,319

up at night and see her or feel her I

266

00:14:11,359 --> 00:14:08,099

asked my dad and his response every time

267

00:14:16,039 --> 00:14:11,369

was the men and our family can see

268

00:14:18,019 --> 00:14:16,049

ghosts my rationale of this I'm a

269

00:14:20,979 --> 00:14:18,029

skeptic I remained that to this day but

270

00:14:24,439 --> 00:14:20,989

the story I'm telling made me question

271

00:14:27,249 --> 00:14:24,449

was that what we had some sort of mild

272

00:14:30,409 --> 00:14:27,259

schizophrenia running through our family

273

00:14:33,049 --> 00:14:30,419

it didn't bother me she didn't look like

274

00:14:36,349 --> 00:14:33,059

other people there was something off

275

00:14:38,509 --> 00:14:36,359

about her after my father died my mother

276

00:14:41,629 --> 00:14:38,519

decided to sell the house and went

277

00:14:44,269 --> 00:14:41,639

through a realtor we never once had

278

00:14:48,199 --> 00:14:44,279

contact with the buyers only knew them

279

00:14:50,149 --> 00:14:48,209

by name the buyers had a son who went to

280

00:14:53,329 --> 00:14:50,159

the same school as our old neighbors

281

00:14:56,199 --> 00:14:53,339

dear friends of the family and the son

282

00:14:59,569 --> 00:14:56,209

apparently came to school without sleep

283

00:15:02,149 --> 00:14:59,579

repeatedly complaining when we listen to

284

00:15:05,020 --> 00:15:02,159

the radio we never agree on the station

285

00:15:07,420 --> 00:15:05,030

classic rock hip-hop

286

00:15:09,970 --> 00:15:07,430

guys quiet the one thing we do agree on

287

00:15:12,970 --> 00:15:09,980

we all want an awesome free phone that's

288

00:15:14,860 --> 00:15:12,980

why we switch to MetroPCS stop by metro

289

00:15:16,450 --> 00:15:14,870

pcs with the whole family and get four

290

00:15:19,240 --> 00:15:16,460

free phones of your choice from brands

291

00:15:21,880 --> 00:15:19,250

you love like Samsung Motorola and LG

292

00:15:23,380 --> 00:15:21,890

when you switch MetroPCS Wireless

293

00:15:24,850 --> 00:15:23,390

figured out covers not available in

294

00:15:26,320 --> 00:15:24,860

summaries sales tax on included a phone

295

00:15:27,700 --> 00:15:26,330

price free phone requires Porter switch

296

00:15:29,500 --> 00:15:27,710

numbers on the T Bommel network C store

297

00:15:31,210 --> 00:15:29,510

for details in terms and conditions that

298

00:15:34,390 --> 00:15:31,220

there was a girl who watched him at

299

00:15:37,090 --> 00:15:34,400

night and that he needed to get out it

300

00:15:42,700 --> 00:15:37,100

sends shivers up my spine every time I

301
00:15:45,820 --> 00:15:42,710
remember this the next witness states of

302
00:15:48,610 --> 00:15:45,830
their paranormal phenomena we moved into

303
00:15:52,240 --> 00:15:48,620
a house and everything was really quite

304
00:15:53,860 --> 00:15:52,250
the first six months or so the neighbors

305
00:15:56,320 --> 00:15:53,870
told us that the people who lived there

306
00:16:00,640 --> 00:15:56,330
before had moved after their teenage son

307
00:16:04,270 --> 00:16:00,650
died in a motorcycle accident then after

308
00:16:06,310 --> 00:16:04,280
that first six months my dad died not in

309
00:16:09,940 --> 00:16:06,320
the house after that stuff started to

310
00:16:11,950 --> 00:16:09,950
happen I wouldn't have friends sleepover

311
00:16:14,310 --> 00:16:11,960
and one night my friend woke me up

312
00:16:17,500 --> 00:16:14,320
because she said there was a young guy

313
00:16:21,970 --> 00:16:17,510

standing in my bathroom so I went and

314

00:16:24,010 --> 00:16:21,980

checked nothing was there over the next

315

00:16:26,620 --> 00:16:24,020

few years just about any friends that

316

00:16:29,950 --> 00:16:26,630

stayed overnight had said they saw the

317

00:16:32,650 --> 00:16:29,960

tall blond young guy walking around the

318

00:16:35,079 --> 00:16:32,660

house we did have a few other things

319

00:16:37,780 --> 00:16:35,089

happen like a wineglass was on the

320

00:16:40,030 --> 00:16:37,790

counter and it just broke no one was

321

00:16:42,790 --> 00:16:40,040

touching it it just shattered on the

322

00:16:45,850 --> 00:16:42,800

counter another time during the winter

323

00:16:48,579 --> 00:16:45,860

we had the heater on and my room was

324

00:16:51,280 --> 00:16:48,589

always the warmest in the house and it

325

00:16:53,110 --> 00:16:51,290

was ice cold as you walked across my

326

00:16:56,380 --> 00:16:53,120

bedroom to the bathroom that was

327

00:16:57,880 --> 00:16:56,390

connected the creepiest thing was when

328

00:16:59,020 --> 00:16:57,890

my boyfriend was sleeping on the couch

329

00:17:01,450 --> 00:16:59,030

in the middle of the night

330

00:17:04,600 --> 00:17:01,460

he said he woke up to a young guy

331

00:17:06,819 --> 00:17:04,610

pushing him off onto the floor he said

332

00:17:09,640 --> 00:17:06,829

the guy didn't say anything but my

333

00:17:12,699 --> 00:17:09,650

boyfriend at the time knew that he had

334

00:17:15,720 --> 00:17:12,709

to leave and he did he wouldn't stay at

335

00:17:23,319 --> 00:17:19,980

the next paranormal story states well I

336

00:17:27,730 --> 00:17:23,329

never had a haunted house but the street

337

00:17:31,630 --> 00:17:27,740

I grew up on was cursed everyone on the

338

00:17:34,630 --> 00:17:31,640

street built their house new there so it

339

00:17:38,650 --> 00:17:34,640

was a new development it was all big

340

00:17:42,100 --> 00:17:38,660

properties so probably like 10 on the

341

00:17:46,570 --> 00:17:42,110

street something really bad happened to

342

00:17:49,660 --> 00:17:46,580

every house on that street one suicide

343

00:17:51,910 --> 00:17:49,670

one hit-and-run death one cancer and

344

00:17:55,390 --> 00:17:51,920

death one guy fell off a ladder and

345

00:17:58,390 --> 00:17:55,400

broke his neck one kid was declared

346

00:18:01,270 --> 00:17:58,400

mentally insane there were more but I

347

00:18:06,690 --> 00:18:01,280

can't remember the specifics one bad

348

00:18:10,390 --> 00:18:06,700

thing per house our house got off light

349

00:18:13,810 --> 00:18:10,400

meaning no one died or became paralyzed

350

00:18:16,420 --> 00:18:13,820

our dad became abusive to my mom and

351

00:18:17,010 --> 00:18:16,430

older siblings and it destroyed our

352

00:18:20,950 --> 00:18:17,020

family

353

00:18:23,140 --> 00:18:20,960

my mom and us kids moved away the next

354

00:18:26,710 --> 00:18:23,150

people who moved into our house built a

355

00:18:29,500 --> 00:18:26,720

big garage and shed and then their

356

00:18:32,830 --> 00:18:29,510

teenage son hung himself in it about a

357

00:18:35,520 --> 00:18:32,840

year later we found out later on that an

358

00:18:39,370 --> 00:18:35,530

Aboriginal elder this is in Australia

359

00:18:43,240 --> 00:18:39,380

found rock markings warning to stay away

360

00:18:50,710 --> 00:18:43,250

from the area as there were bad spirits

361

00:18:52,830 --> 00:18:50,720

there the next paranormal story the only

362

00:18:55,690 --> 00:18:52,840

one I have is when I was in fourth grade

363

00:18:58,780 --> 00:18:55,700

when I was little I would always sleep

364

00:19:01,180 --> 00:18:58,790

with my door open I went through a phase

365

00:19:04,360 --> 00:19:01,190

where I would wake up between 3:00 and

366

00:19:07,660 --> 00:19:04,370

4:00 a.m. every night every single night

367

00:19:11,260 --> 00:19:07,670

I would hear footsteps walking up my

368

00:19:14,650 --> 00:19:11,270

stairs around my living room through my

369

00:19:17,890 --> 00:19:14,660

dining room across my kitchen and down

370

00:19:20,500 --> 00:19:17,900

my hallway they would always stop right

371

00:19:23,410 --> 00:19:20,510

before my doorway then turn around and

372

00:19:28,580 --> 00:19:23,420

go back into the basement but one night

373

00:19:31,090 --> 00:19:28,590

they didn't stop what I saw was a shadow

374

00:19:34,940 --> 00:19:31,100

of a little girl or boy I couldn't tell

375

00:19:37,730 --> 00:19:34,950

walk right in front of my doorway looked

376

00:19:41,830 --> 00:19:37,740

at me for a few seconds then it just

377

00:19:48,409 --> 00:19:46,100

the next paranormal story states when I

378

00:19:50,690 --> 00:19:48,419

was a kid down the road from us lived

379

00:19:54,830 --> 00:19:50,700

the sweetest elderly couple on the

380

00:19:57,919 --> 00:19:54,840

planet they were kind loving friendly

381

00:20:02,299 --> 00:19:57,929

just all around the most awesome people

382

00:20:06,430 --> 00:20:02,309

on the planet I considered them a set of

383

00:20:11,359 --> 00:20:06,440

grandparents well one day I think it was

384

00:20:13,970 --> 00:20:11,369

2004 or so I was up late just goofing

385

00:20:16,690 --> 00:20:13,980

around on the internet it was just after

386

00:20:19,850 --> 00:20:16,700

midnight when I smelled something weird

387

00:20:24,230 --> 00:20:19,860

my room smelled like cocoa butter lotion

388

00:20:26,210 --> 00:20:24,240

I was like what the heck I sniffed

389

00:20:29,299 --> 00:20:26,220

around for the source and found nothing

390

00:20:32,659 --> 00:20:29,309

I brought my mom up and she sniffed

391

00:20:36,710 --> 00:20:32,669

around and smelled it too I shrugged and

392

00:20:40,460 --> 00:20:36,720

went back to gaming the smell lingered

393

00:20:43,190 --> 00:20:40,470

for about four hours before finally

394

00:20:47,029 --> 00:20:43,200

disappearing I didn't think anything of

395

00:20:50,539 --> 00:20:47,039

it until the next day the elderly woman

396

00:20:54,830 --> 00:20:50,549

I mentioned died in her sleep that same

397

00:20:58,060 --> 00:20:54,840

night shortly after midnight and did I

398

00:21:02,029 --> 00:20:58,070

mention she loved cocoa butter lotion

399

00:21:05,899 --> 00:21:02,039

because she really loved cocoa butter

400

00:21:10,279 --> 00:21:05,909

lotion yeah I think I was visited by a

401
00:21:14,680 --> 00:21:10,289
ghost well that didn't end there because

402
00:21:19,279 --> 00:21:14,690
the smell returned the next night to

403
00:21:22,279 --> 00:21:19,289
this time I knew what it was so I

404
00:21:25,060 --> 00:21:22,289
started speaking to her saying my

405
00:21:29,600 --> 00:21:25,070
goodbyes thanked her for being around

406
00:21:33,139 --> 00:21:29,610
etc after a couple of hours I went to

407
00:21:36,399 --> 00:21:33,149
bed and the smell was still there and it

408
00:21:37,850 --> 00:21:36,409
was really starting to freak me out

409
00:21:40,970 --> 00:21:37,860
eventually

410
00:21:44,060 --> 00:21:40,980
I snapped and told her to

411
00:21:47,840 --> 00:21:44,070
stop and go away because she was scaring

412
00:21:52,460 --> 00:21:47,850
me within a couple of minutes

413
00:21:56,260 --> 00:21:52,470

the smell up and vanished and I cried

414

00:22:00,789 --> 00:21:56,270

because it hit me that she was gone and

415

00:22:05,570 --> 00:22:00,799

she came to see me and I yelled at her

416

00:22:08,270 --> 00:22:05,580

well it still doesn't end there a few

417

00:22:12,080 --> 00:22:08,280

years later my uncle who I later found

418

00:22:16,760 --> 00:22:12,090

out was my real father who just didn't

419

00:22:20,799 --> 00:22:16,770

want me who was dying of cancer throat

420

00:22:23,990 --> 00:22:20,809

cancer I think and was in the hospital

421

00:22:28,940 --> 00:22:24,000

then one day shortly after he was

422

00:22:33,530 --> 00:22:28,950

admitted I randomly smelled cocoa butter

423

00:22:35,960 --> 00:22:33,540

lotion again at about 4:00 p.m. it only

424

00:22:40,400 --> 00:22:35,970

stayed for about two minutes than

425

00:22:44,240 --> 00:22:40,410

disappeared but I knew what it was half

426

00:22:50,360 --> 00:22:44,250

hour later they call us and tell us that

427

00:22:51,560 --> 00:22:50,370

he died at 4:00 p.m. a week later the

428

00:22:54,380 --> 00:22:51,570

night before the funeral

429

00:22:56,810 --> 00:22:54,390

late at night I was trying to sleep and

430

00:23:00,620 --> 00:22:56,820

the smell just came back again

431

00:23:03,770 --> 00:23:00,630

I said out loud that I would see him

432

00:23:07,460 --> 00:23:03,780

again in the morning and the smell went

433

00:23:11,030 --> 00:23:07,470

away almost instantly not sure if it's

434

00:23:14,270 --> 00:23:11,040

related but the next day my grandmother

435

00:23:17,990 --> 00:23:14,280

was admitted to the hospital with a

436

00:23:21,080 --> 00:23:18,000

possible heart attack it wasn't it was

437

00:23:23,299 --> 00:23:21,090

just really bad heartburn that was a fun

438

00:23:28,640 --> 00:23:23,309

thing to get a call for right after a

439

00:23:32,090 --> 00:23:28,650

funeral about a year later the elderly

440

00:23:32,480 --> 00:23:32,100

man I mentioned before he died in his

441

00:23:36,430 --> 00:23:32,490

sleep

442

00:23:40,220 --> 00:23:36,440

and I smelled it again that same night

443

00:23:44,380 --> 00:23:40,230

it didn't stay long though I was

444

00:23:48,350 --> 00:23:44,390

confused as to who it might be

445

00:23:52,669 --> 00:23:48,360

got the call the next day he was a

446

00:23:54,700 --> 00:23:52,679

rather sad case after his wife passed it

447

00:23:58,640 --> 00:23:54,710

literally broke his mom

448

00:24:03,500 --> 00:23:58,650

he was fine before but when she passed

449

00:24:06,860 --> 00:24:03,510

he went full-blown Alzheimer's so anyway

450

00:24:10,340 --> 00:24:06,870

I smelt when people close to me died and

451
00:24:16,120 --> 00:24:10,350
for some reason they smell like cocoa

452
00:24:21,260 --> 00:24:16,130
butter lotion then finally the last

453
00:24:23,840 --> 00:24:21,270
paranormal story night before last I had

454
00:24:27,470 --> 00:24:23,850
just finished taking a shower it was

455
00:24:30,470 --> 00:24:27,480
1:30 a.m. I was walking out of the

456
00:24:33,500 --> 00:24:30,480
bathroom all I had was my phone for

457
00:24:36,260 --> 00:24:33,510
light in one hand and my pile of dirty

458
00:24:38,120 --> 00:24:36,270
clothes in the other I was walking

459
00:24:42,560 --> 00:24:38,130
across the living room to the laundry

460
00:24:45,950 --> 00:24:42,570
room that's past the kitchen two steps

461
00:24:51,260 --> 00:24:45,960
into the living room I hear someone

462
00:24:53,870 --> 00:24:51,270
whisper my name loudly in my ear I flip

463
00:24:57,680 --> 00:24:53,880

out and turn around looking for whoever

464

00:25:01,279 --> 00:24:57,690

said it there's no one in the

465

00:25:07,610 --> 00:25:01,289

pitch-black darkness and everyone else

466

00:25:11,450 --> 00:25:07,620

is asleep I nope straight to the laundry

467

00:25:15,230 --> 00:25:11,460

room throw my clothes in there run back

468

00:25:18,760 --> 00:25:15,240

to the hallway in to my room and start

469

00:25:22,430 --> 00:25:18,770

praying my house isn't known for

470

00:25:27,020 --> 00:25:22,440

paranormal crap but in the last few

471

00:25:32,480 --> 00:25:27,030

years we've had incidences with shadow

472

00:25:35,480 --> 00:25:32,490

people and disembodied voices one event

473

00:25:38,600 --> 00:25:35,490

of disembodied voices was when my mom

474

00:25:42,409 --> 00:25:38,610

and I were cooking my brother was out

475

00:25:45,940 --> 00:25:42,419

for a jog I'm cutting the meat into

476
00:25:48,700 --> 00:25:45,950
strips and my mom is cutting the bacon

477
00:25:51,860 --> 00:25:48,710
we hear what sounds like my brother

478
00:25:55,159 --> 00:25:51,870
singing in the shower hitting a height

479
00:25:59,090 --> 00:25:55,169
high tone he liked to sing in the shower

480
00:26:03,130 --> 00:25:59,100
and he was in choir I make a joking

481
00:26:07,730 --> 00:26:03,140
comment about how there he goes again

482
00:26:12,970 --> 00:26:07,740
three minutes later he walks in

483
00:26:18,620 --> 00:26:12,980
the front door from his jog nope nope

484
00:26:22,580 --> 00:26:18,630
nope gotta love these paranormal stories
