
 UFO Headline News | Tuesday, November 21st, 2017

 Listen on
inceptionradionetwork.com

1
00:00:04,160 --> 00:00:03,080
welcome to UFO headline news with me

2
00:00:09,980 --> 00:00:04,170
Heidi Hollis

3
00:00:12,980 --> 00:00:09,990
today is Tuesday November 21st 2017 we

4
00:00:16,189 --> 00:00:12,990
will begin with UFO sightings there was

5
00:00:21,439 --> 00:00:16,199
a UFO sighting in Cebu City central this

6
00:00:23,929 --> 00:00:21,449
yes on November 3rd 2017 it's described

7
00:00:27,290 --> 00:00:23,939
as two cigar disc shaped objects

8
00:00:30,230 --> 00:00:27,300
hovering over the sea the witness states

9
00:00:34,069 --> 00:00:30,240
this event happened at a beach resort on

10
00:00:37,790 --> 00:00:34,079
the southwestern part of Comets island

11
00:00:42,110 --> 00:00:37,800
at around 4:40 6 p.m. local time on

12
00:00:44,900 --> 00:00:42,120
November 3rd my family and I were at the

13
00:00:46,430 --> 00:00:44,910

beach waiting for the sunset I was

14

00:00:49,040 --> 00:00:46,440

playing some music from my outdoor

15

00:00:51,290 --> 00:00:49,050

speaker so I wasn't able to hear if the

16

00:00:54,220 --> 00:00:51,300

UFOs were making a sound or not and

17

00:00:57,380 --> 00:00:54,230

honestly I didn't notice that there were

18

00:00:59,840 --> 00:00:57,390

presumably UFOs due to the brightness

19

00:01:04,160 --> 00:00:59,850

and the glare of the Sun which made this

20

00:01:11,359 --> 00:01:04,170

guy kind of hazy until I edited enhanced

21

00:01:15,140 --> 00:01:11,369

the picture I shot raw shots to photos

22

00:01:18,770 --> 00:01:15,150

edited and then number three I assumed

23

00:01:22,160 --> 00:01:18,780

and edited I felt excited when I noticed

24

00:01:25,100 --> 00:01:22,170

the UFOs because I knew it happened in a

25

00:01:28,789 --> 00:01:25,110

very interesting place first komodo

26

00:01:32,090 --> 00:01:28,799

island hasn't had passenger fast craft

27

00:01:34,999 --> 00:01:32,100

boats traveling and from the sea since

28

00:01:37,429 --> 00:01:35,009

less than a decade ago which makes that

29

00:01:40,880 --> 00:01:37,439

place somewhat undisturbed and has quite

30

00:01:43,969 --> 00:01:40,890

a number of caves for a small island ii

31

00:01:46,280 --> 00:01:43,979

the area is a typhoon path and I learned

32

00:01:50,480 --> 00:01:46,290

that UFOs usually appear near calamity

33

00:01:53,960 --> 00:01:50,490

areas and third the neighboring island

34

00:01:56,899 --> 00:01:53,970

in the East is where tackle blonde is

35

00:02:00,350 --> 00:01:56,909

which was hit by a massive storm surge a

36

00:02:05,230 --> 00:02:00,360

few years back and nearby is villa Ronn

37

00:02:07,839 --> 00:02:05,240

island and its mysterious mount panama

38

00:02:10,190 --> 00:02:07,849

famous for its enchanting stories of

39

00:02:13,120 --> 00:02:10,200

disappearing galleons

40

00:02:15,830 --> 00:02:13,130

cocoa plantations and even people

41

00:02:18,500 --> 00:02:15,840

yes there have even been stories of

42

00:02:22,040 --> 00:02:18,510

people being abducted by enchanted

43

00:02:24,380 --> 00:02:22,050

beings anyways I'm not trying to make

44

00:02:27,310 --> 00:02:24,390

anyone a believer that they are aliens

45

00:02:29,090 --> 00:02:27,320

in the area but that is only the

46

00:02:32,140 --> 00:02:29,100

hypothesis I can come up with

47

00:02:34,640 --> 00:02:32,150

considering the facts and the stories

48

00:02:37,610 --> 00:02:34,650

ladies and gentlemen these stories are

49

00:02:39,530 --> 00:02:37,620

read by their words so if there's

50

00:02:44,120 --> 00:02:39,540

something missing sometimes they get

51
00:02:47,390 --> 00:02:44,130
skipped and goofed number two UFO

52
00:02:51,040 --> 00:02:47,400
sighting led in England this is a blast

53
00:02:55,940 --> 00:02:51,050
from the past this happened October 16th

54
00:02:59,030 --> 00:02:55,950
1977 described as a large ball very

55
00:03:03,860 --> 00:02:59,040
bright light spinning rapidly hovering

56
00:03:04,790 --> 00:03:03,870
zigzagging all at very high speeds the

57
00:03:08,690 --> 00:03:04,800
witness states

58
00:03:11,000 --> 00:03:08,700
I lived on top of a shop I was on the

59
00:03:13,280 --> 00:03:11,010
balcony kicking a football when I looked

60
00:03:18,560 --> 00:03:13,290
up and there was a cloud that was low

61
00:03:20,030 --> 00:03:18,570
moving steadily as I kick the ball up

62
00:03:22,910 --> 00:03:20,040
something caught my eye

63
00:03:25,520 --> 00:03:22,920

just to the left it was very white

64

00:03:28,280 --> 00:03:25,530

bright light spinning at extreme speed

65

00:03:31,130 --> 00:03:28,290

at first just hovering then it started

66

00:03:34,130 --> 00:03:31,140

to zigzag at extreme speed at that

67

00:03:37,250 --> 00:03:34,140

moment I called out to someone to have a

68

00:03:40,790 --> 00:03:37,260

look and at that moment it moved towards

69

00:03:45,170 --> 00:03:40,800

me hovered then from a standing start

70

00:03:48,110 --> 00:03:45,180

off at about 90 degrees at speed I have

71

00:03:51,170 --> 00:03:48,120

never seen in real life no one believed

72

00:03:53,930 --> 00:03:51,180

me everyone thought I was mad even to

73

00:03:57,190 --> 00:03:53,940

this day I still get laughed at but I

74

00:04:02,530 --> 00:03:57,200

know what I saw and I know it was real

75

00:04:05,930 --> 00:04:02,540

okay next UFO sighting this occurred in

76

00:04:10,150 --> 00:04:05,940

Chicago Illinois another blast from the

77

00:04:15,710 --> 00:04:10,160

past this occurred on May 31st 1998

78

00:04:21,020 --> 00:04:15,720

O'Hare this was posted just November

79

00:04:22,940 --> 00:04:21,030

14th of 2017 commercial jet afternoon

80

00:04:26,570 --> 00:04:22,950

flight from Chicago to Milwaukee

81

00:04:29,149 --> 00:04:26,580

I took a window seat few rows ahead

82

00:04:30,800 --> 00:04:29,159

emergency exit looked out window on

83

00:04:34,429 --> 00:04:30,810

takeoff to see city

84

00:04:37,939 --> 00:04:34,439

I saw a flattened rectangular object

85

00:04:41,749 --> 00:04:37,949

with triangular nose and small winglets

86

00:04:44,450 --> 00:04:41,759

alongside our jet window the object kept

87

00:04:48,469 --> 00:04:44,460

passed as the jet ascended then pulled

88

00:04:52,100 --> 00:04:48,479

ahead so I saw three orange glows at the

89

00:04:55,189 --> 00:04:52,110

end of the object but no exhaust and no

90

00:04:56,450 --> 00:04:55,199

wavering air from the heat waves stunned

91

00:04:59,330 --> 00:04:56,460

then curious

92

00:05:01,999 --> 00:04:59,340

got so into watching it did not mention

93

00:05:04,909 --> 00:05:02,009

to other passengers thought probably a

94

00:05:10,029 --> 00:05:04,919

military drone test took a break for a

95

00:05:19,570 --> 00:05:14,360

this next story comes to us from Linda

96

00:05:23,209 --> 00:05:19,580

Moulton Howe or she interviews Brian s

97

00:05:26,420 --> 00:05:23,219

Linda received an email from a now 61

98

00:05:32,330 --> 00:05:26,430

year old and Navy officer who was in

99

00:05:37,689 --> 00:05:32,340

Antarctica on his c-130 crew encountered

100

00:05:43,700 --> 00:05:37,699

a high strangeness from 1984 to 1985 to

101
00:05:46,189 --> 00:05:43,710
1987 several times he and the crew all

102
00:05:49,459 --> 00:05:46,199
watched silver discs darting around the

103
00:05:53,450 --> 00:05:49,469
sky he said he saw an entrance to a

104
00:05:56,300 --> 00:05:53,460
human et collaboration base Brian was

105
00:06:02,409 --> 00:05:56,310
told by his superiors that you did not

106
00:06:05,230 --> 00:06:02,419
see moving on to space news

107
00:06:09,050 --> 00:06:05,240
astrophysicists inspecting the skies

108
00:06:12,019 --> 00:06:09,060
just got a massive surprise they

109
00:06:14,559 --> 00:06:12,029
discovered a huge galaxy orbiting the

110
00:06:19,249 --> 00:06:14,569
Milky Way that they haven't seen before

111
00:06:22,360 --> 00:06:19,259
it just came out of nowhere so how did

112
00:06:25,879 --> 00:06:22,370
the recently discovered crater -

113
00:06:27,740 --> 00:06:25,889

succeeded in pulling off this feat like

114

00:06:32,600 --> 00:06:27,750

a deer flying from the interstellar

115

00:06:38,869 --> 00:06:35,350

even though the presence may seem sudden

116

00:06:42,010 --> 00:06:38,879

the crater too has always been there

117

00:06:44,240 --> 00:06:42,020

we're just unable to see it now that

118

00:06:47,119 --> 00:06:44,250

astrophysicists know it's there even

119

00:06:49,990 --> 00:06:47,129

though there are a few other serious

120

00:06:52,700 --> 00:06:50,000

facts that astrophysicists revealed

121

00:06:55,520 --> 00:06:52,710

first of all we cannot blame the

122

00:06:59,480 --> 00:06:55,530

galaxy's size for its comparative

123

00:07:02,360 --> 00:06:59,490

insignificance crater 2 is so massive

124

00:07:06,379 --> 00:07:02,370

that astronomers have already recognized

125

00:07:09,050 --> 00:07:06,389

it as the fourth largest galaxy orbiting

126

00:07:12,290 --> 00:07:09,060

the Milky Way we can't blame its

127

00:07:15,260 --> 00:07:12,300

distance either crater twos orbit around

128

00:07:19,369 --> 00:07:15,270

the Milky Way makes it just exactly our

129

00:07:23,119 --> 00:07:19,379

neighbor Milky Way galaxy image credit

130

00:07:26,869 --> 00:07:23,129

ESO by Serge Brunel Frederic capsular

131

00:07:30,379 --> 00:07:26,879

and NASA that being said the question

132

00:07:33,110 --> 00:07:30,389

arises here is how we were unaware that

133

00:07:36,409 --> 00:07:33,120

it was there a new research paper

134

00:07:39,499 --> 00:07:36,419

published in Monthly Notices Royal

135

00:07:42,290 --> 00:07:39,509

Astronomical Society from astronomers at

136

00:07:46,399 --> 00:07:42,300

the Cambridge University has a reply for

137

00:07:50,499 --> 00:07:46,409

us it proves to be that irrespective of

138

00:07:54,320 --> 00:07:50,509

being huge and near crater 2 is also

139

00:07:57,290 --> 00:07:54,330

quite dark galaxy in fact it's one of

140

00:08:00,469 --> 00:07:57,300

the faintest galaxies ever detected in

141

00:08:03,950 --> 00:08:00,479

the observable universe that along with

142

00:08:07,480 --> 00:08:03,960

some much perkier neighbors let this

143

00:08:11,779 --> 00:08:07,490

galaxy which astronomers nicknamed as

144

00:08:14,990 --> 00:08:11,789

the feeble giant remain unseen from our

145

00:08:17,689 --> 00:08:15,000

eyes until very now now that we have

146

00:08:20,360 --> 00:08:17,699

discovered crater 2 yet the discovery

147

00:08:22,399 --> 00:08:20,370

demands some questions about what else

148

00:08:26,089 --> 00:08:22,409

could be out there that we still are

149

00:08:28,820 --> 00:08:26,099

unable to see astrophysicists already

150

00:08:32,420 --> 00:08:28,830

are talking about starting a search for

151

00:08:35,540 --> 00:08:32,430

similarly large dark galaxies close to

152

00:08:37,730 --> 00:08:35,550

us it's a good signal that there's still

153

00:08:43,309 --> 00:08:37,740

so much about the universe that we all

154

00:08:45,870 --> 00:08:43,319

still don't know or understand unto some

155

00:08:52,740 --> 00:08:45,880

paranormal and mysterious

156

00:08:55,830 --> 00:08:52,750

books the little hands this story states

157

00:08:58,320 --> 00:08:55,840

and starts off I've never lived in a

158

00:09:01,560 --> 00:08:58,330

haunted house but my mother did as a

159

00:09:04,890 --> 00:09:01,570

teen other houses on her street had

160

00:09:07,650 --> 00:09:04,900

strange things going on too a fume

161

00:09:08,250 --> 00:09:07,660

Holmes away from her lived a man and his

162

00:09:11,280 --> 00:09:08,260

family

163

00:09:13,620 --> 00:09:11,290

one night one of his daughters went to

164

00:09:17,790 --> 00:09:13,630

bed with a very bad headache the next

165

00:09:21,390 --> 00:09:17,800

day she was dead she passed away from an

166

00:09:23,220 --> 00:09:21,400

aneurysm after the funeral the family

167

00:09:26,250 --> 00:09:23,230

went away to get their minds off the

168

00:09:29,850 --> 00:09:26,260

tragedy and the father asked my uncle my

169

00:09:33,060 --> 00:09:29,860

mom's brother to check on the pets my

170

00:09:36,330 --> 00:09:33,070

mom and dad they were dating then I went

171

00:09:39,570 --> 00:09:36,340

with my uncle my mother had heard there

172

00:09:41,670 --> 00:09:39,580

was a grand piano and always wanted to

173

00:09:44,730 --> 00:09:41,680

play it and my dad was studying to be a

174

00:09:47,100 --> 00:09:44,740

veterinarian after I entered in the

175

00:09:49,620 --> 00:09:47,110

house my uncle and my father headed to

176
00:09:51,690 --> 00:09:49,630
the basement to see the animals and my

177
00:09:54,810 --> 00:09:51,700
mother went to the piano on the ground

178
00:09:57,960 --> 00:09:54,820
floor she was playing it when she felt

179
00:09:59,280 --> 00:09:57,970
something brushed by her ankles she

180
00:10:02,070 --> 00:09:59,290
thought a cat must have left the

181
00:10:05,400 --> 00:10:02,080
basement and walked past her so she kept

182
00:10:07,460 --> 00:10:05,410
on playing and she felt it again she

183
00:10:09,300 --> 00:10:07,470
looked around the piano and saw nothing

184
00:10:13,290 --> 00:10:09,310
when she started again

185
00:10:16,350 --> 00:10:13,300
she felt hands clasp her legs and

186
00:10:18,750 --> 00:10:16,360
grabbed them lightly she immediately

187
00:10:21,300 --> 00:10:18,760
dashed to the basement called my uncle

188
00:10:23,820 --> 00:10:21,310

and father and waited for them when they

189

00:10:27,150 --> 00:10:23,830

all walked outside my uncle could tell

190

00:10:29,700 --> 00:10:27,160

my mom was rattled and asked what was

191

00:10:33,090 --> 00:10:29,710

wrong she told him what happened and he

192

00:10:35,760 --> 00:10:33,100

turned white he told her the daughter

193

00:10:39,090 --> 00:10:35,770

who died used to play a game with her

194

00:10:41,190 --> 00:10:39,100

father when he'd played the piano she'd

195

00:10:43,530 --> 00:10:41,200

crawl underneath and grab his ankles

196

00:10:51,060 --> 00:10:43,540

and push his feet up and down on the

197

00:10:54,570 --> 00:10:51,070

pedals interesting our next mysterious

198

00:10:58,139 --> 00:10:54,580

topic the unseen patient

199

00:11:01,019 --> 00:10:58,149

the story says the ambulance company

200

00:11:05,820 --> 00:11:01,029

that I used to work for had a haunted

201
00:11:08,160 --> 00:11:05,830
ambulance rig 12 a lot of EMTs had

202
00:11:11,790 --> 00:11:08,170
stories about it but I never put much

203
00:11:16,560 --> 00:11:11,800
stock in paranormal stuff that is until

204
00:11:18,600 --> 00:11:16,570
I had my own experience with rig 12 My

205
00:11:21,000 --> 00:11:18,610
partner and I were working on a rural

206
00:11:22,769 --> 00:11:21,010
community at 3:00 a.m. and whose pitch

207
00:11:25,350 --> 00:11:22,779
dark and completely quiet

208
00:11:27,690 --> 00:11:25,360
we're both dozing I was in the driver's

209
00:11:30,449 --> 00:11:27,700
seat and she was in the passenger seat I

210
00:11:33,120 --> 00:11:30,459
woke up to a muffled voice and I thought

211
00:11:35,449 --> 00:11:33,130
my partner was talking I told her I was

212
00:11:40,110 --> 00:11:35,459
trying to sleep and close my eyes I

213
00:11:41,449 --> 00:11:40,120

distinctly heard a male voice say oh my

214

00:11:43,829 --> 00:11:41,459

god am i dying

215

00:11:47,970 --> 00:11:43,839

followed by a few seconds of heavy

216

00:11:49,650 --> 00:11:47,980

breathing Oh My partner and I sat right

217

00:11:51,569 --> 00:11:49,660

up and looked into the patient

218

00:11:54,269 --> 00:11:51,579

compartment where a sounded like the

219

00:11:56,910 --> 00:11:54,279

voice had come from things were quiet

220

00:11:59,790 --> 00:11:56,920

for a couple of seconds then we heard

221

00:12:03,660 --> 00:11:59,800

the click of an oxygen bottle regulator

222

00:12:05,579 --> 00:12:03,670

and a hiss as if it was leaking I turned

223

00:12:08,250 --> 00:12:05,589

on lights and we ran out of the rig I

224

00:12:10,680 --> 00:12:08,260

thought a transient might have climbed

225

00:12:13,290 --> 00:12:10,690

down while we were asleep so he opened

226

00:12:16,920 --> 00:12:13,300

the rear doors no one was there

227

00:12:22,519 --> 00:12:16,930

I checked the oxygen bottles neither was

228

00:12:30,750 --> 00:12:24,440

loved it

229

00:12:33,240 --> 00:12:30,760

next the impish ghost my neighbor Diane

230

00:12:36,930 --> 00:12:33,250

and I had a playful poltergeist for

231

00:12:38,630 --> 00:12:36,940

years and we called it Billy I come home

232

00:12:41,189 --> 00:12:38,640

and find something put in a weird place

233

00:12:44,160 --> 00:12:41,199

milk in a cupboard toilet paper in the

234

00:12:44,840 --> 00:12:44,170

fridge well I do detergent in the

235

00:12:48,180 --> 00:12:44,850

bathtub

236

00:12:50,250 --> 00:12:48,190

Diane once called to ask if Billy had

237

00:12:52,590 --> 00:12:50,260

been around because she couldn't find a

238

00:12:56,519 --> 00:12:52,600

gallon of milk we finally found it

239

00:13:00,120 --> 00:12:56,529

outside on her back steps and sugar darn

240

00:13:04,110 --> 00:13:00,130

sugar every morning my sugar bowl was

241

00:13:08,310 --> 00:13:04,120

empty when I had enough I'd point to

242

00:13:10,470 --> 00:13:08,320

Diane's home and yell go see Diane

243

00:13:13,230 --> 00:13:10,480

within five minutes I'd get a call from

244

00:13:16,019 --> 00:13:13,240

her and she'd say thanks a lot because

245

00:13:16,650 --> 00:13:16,029

he's gone and pulled shenanigans at her

246

00:13:19,499 --> 00:13:16,660

place

247

00:13:22,230 --> 00:13:19,509

this occurred for the entire two years

248

00:13:24,720 --> 00:13:22,240

we lived there no one believed us

249

00:13:26,970 --> 00:13:24,730

not even our husbands my mother thought

250

00:13:30,389 --> 00:13:26,980

someone was stealing from us and we were

251
00:13:31,949 --> 00:13:30,399
sleeping her out of the house my sister

252
00:13:35,069 --> 00:13:31,959
believed something was going on but

253
00:13:37,490 --> 00:13:35,079
didn't know what I still can't explain

254
00:13:40,590 --> 00:13:37,500
any of it

255
00:13:45,840 --> 00:13:40,600
this next story we're going back into

256
00:13:48,180 --> 00:13:45,850
the UFOs ever taking a big leap from a

257
00:13:54,559 --> 00:13:48,190
blast from the past this comes from

258
00:13:57,600 --> 00:13:54,569
March 1st 1971 this comes through a

259
00:14:02,300 --> 00:13:57,610
researcher by the name of Alex mist

260
00:14:06,210 --> 00:14:02,310
ready this is the witnesses statements

261
00:14:08,850 --> 00:14:06,220
he has graciously allowed this

262
00:14:11,400 --> 00:14:08,860
researcher to exhibit certain

263
00:14:14,730 --> 00:14:11,410

photographs and talk about certain

264

00:14:16,769 --> 00:14:14,740

references to the black vault as well if

265

00:14:18,389 --> 00:14:16,779

you'd like to see the images that we're

266

00:14:21,449 --> 00:14:18,399

going to be discussing be sure to go to

267

00:14:26,449 --> 00:14:21,459

UFO headline news calm and just click on

268

00:14:29,730 --> 00:14:26,459

the appropriate date this got started

269

00:14:32,340 --> 00:14:29,740

when I heard this is Alex speaking from

270

00:14:33,990 --> 00:14:32,350

one of my sources in Europe that some

271

00:14:37,139 --> 00:14:34,000

pictures that I might want to take a

272

00:14:39,569 --> 00:14:37,149

look at we're making the rounds these

273

00:14:43,259 --> 00:14:39,579

turned out to be the pictures of a

274

00:14:46,860 --> 00:14:43,269

French paranormal magazine called top

275

00:14:49,829 --> 00:14:46,870

secret published they claimed that they

276

00:14:53,639 --> 00:14:49,839

received from an anonymous source that

277

00:14:57,870 --> 00:14:53,649

is all they have said publicly so far

278

00:15:01,769 --> 00:14:57,880

top secret source and mine are unrelated

279

00:15:03,509 --> 00:15:01,779

I had smile we're headed to Macy's

280

00:15:04,610 --> 00:15:03,519

backstage and did you hear about the new

281

00:15:06,800 --> 00:15:04,620

backstage

282

00:15:09,530 --> 00:15:06,810

twins smile game yeah everyone's a

283

00:15:11,030 --> 00:15:09,540

winner right make any \$25 backstage

284

00:15:13,700 --> 00:15:11,040

purchase now through Saturday December

285

00:15:15,980 --> 00:15:13,710

2nd and score a scratch win smiled game

286

00:15:18,020 --> 00:15:15,990

card you're guaranteed to win a one five

287

00:15:20,120 --> 00:15:18,030

ten or twenty five dollar prize to

288

00:15:22,880 --> 00:15:20,130

redeem at Macy's backstage at a later

289

00:15:25,370 --> 00:15:22,890

date scratch and win what's not to smile

290

00:15:27,020 --> 00:15:25,380

about Macy's backstage savings for

291

00:15:30,860 --> 00:15:27,030

everyday life details at Macy's

292

00:15:33,350 --> 00:15:30,870

backstage calm paid connections to the

293

00:15:36,110 --> 00:15:33,360

intelligence community in Europe years

294

00:15:41,080 --> 00:15:36,120

ago while on a project unrelated to UFOs

295

00:15:44,690 --> 00:15:41,090

it was for the Congo smokily

296

00:15:47,660 --> 00:15:44,700

min project that I was working on they

297

00:15:49,700 --> 00:15:47,670

have always been reliable but you know

298

00:15:52,670 --> 00:15:49,710

how these things go you never really

299

00:15:55,520 --> 00:15:52,680

know I've used them on information based

300

00:15:58,100 --> 00:15:55,530

on Russian UFOs in the past and they

301

00:16:00,980 --> 00:15:58,110

have been very reliable with that I'm

302

00:16:04,310 --> 00:16:00,990

obviously trying to directly get access

303

00:16:08,180 --> 00:16:04,320

to top secrets original source so we

304

00:16:11,960 --> 00:16:08,190

will see by the way anyone can feel free

305

00:16:15,320 --> 00:16:11,970

to contact them for themselves obviously

306

00:16:17,480 --> 00:16:15,330

I want to stay on point with this and be

307

00:16:19,790 --> 00:16:17,490

part of whatever comes out in this case

308

00:16:23,360 --> 00:16:19,800

but the important thing is to get the

309

00:16:25,820 --> 00:16:23,370

truth and the black vault name extremely

310

00:16:29,210 --> 00:16:25,830

well respected and that can be very much

311

00:16:31,970 --> 00:16:29,220

helpful here is what we know so far

312

00:16:34,700 --> 00:16:31,980

the original anonymous source claims

313

00:16:38,480 --> 00:16:34,710

that these the photos were taken from a

314

00:16:41,930 --> 00:16:38,490

United States Navy submarine number two

315

00:16:45,350 --> 00:16:41,940

the location was between Iceland and Jan

316

00:16:48,170 --> 00:16:45,360

Mayen island in the Atlantic Ocean Jan

317

00:16:49,840 --> 00:16:48,180

Mayen belongs to Norway and is only

318

00:16:52,310 --> 00:16:49,850

inhabited by the Norwegian

319

00:16:55,400 --> 00:16:52,320

meteorological Institute and the

320

00:16:59,990 --> 00:16:55,410

Norwegian military number three they

321

00:17:03,680 --> 00:17:00,000

were taken in March 1971 the submarine

322

00:17:08,600 --> 00:17:03,690

was the Navy's USS s prepaying

323

00:17:12,080 --> 00:17:08,610

SSN 674 and the Admiral onboard was Dean

324

00:17:14,240 --> 00:17:12,090

Reynolds saket obviously the next step

325

00:17:17,460 --> 00:17:14,250

is to try and locate this Admiral Dean

326

00:17:21,069 --> 00:17:17,470

Reynolds if he exists

327

00:17:24,999 --> 00:17:21,079

number five the submarine came upon the

328

00:17:27,519 --> 00:17:25,009

object by quote accident as they were in

329

00:17:31,539 --> 00:17:27,529

the region on a routine joint military

330

00:17:32,820 --> 00:17:31,549

and scientific expedition Officer John

331

00:17:35,440 --> 00:17:32,830

klika

332

00:17:39,100 --> 00:17:35,450

was the one who initially spotted the

333

00:17:41,259 --> 00:17:39,110

object with the periscope this obviously

334

00:17:43,840 --> 00:17:41,269

implies that it wasn't ours and

335

00:17:46,799 --> 00:17:43,850

unfortunately doesn't explain the

336

00:17:49,539 --> 00:17:46,809

different objects seen in the pictures

337

00:17:52,210 --> 00:17:49,549

top-secret claims that on one of the

338

00:17:53,649 --> 00:17:52,220

pictures there are some inscriptions but

339

00:17:54,970 --> 00:17:53,659

I don't have a version of this and

340

00:17:58,149 --> 00:17:54,980

there's too faint to see on these

341

00:18:01,899 --> 00:17:58,159

photographs upper left of it says

342

00:18:06,359 --> 00:18:01,909

official photograph not to be released C

343

00:18:09,810 --> 00:18:06,369

dot T on the bottom right corner it says

344

00:18:13,289 --> 00:18:09,820

unauthorized disclosure subject security

345

00:18:17,379 --> 00:18:13,299

certificate SS nine six seven for

346

00:18:19,599 --> 00:18:17,389

criminal sanction I cannot confirm these

347

00:18:22,299 --> 00:18:19,609

at the moment and I don't know if the

348

00:18:25,239 --> 00:18:22,309

spelling of the certificate is just a

349

00:18:28,749 --> 00:18:25,249

reproduction error since these were

350

00:18:31,739 --> 00:18:28,759

revealed in their magazine all I have to

351

00:18:35,499 --> 00:18:31,749

say so far and I'll keep sending you

352

00:18:37,239 --> 00:18:35,509

whatever information I come across the

353

00:18:40,419 --> 00:18:37,249

photo gallery is of high resolution

354

00:18:44,499 --> 00:18:40,429

full-page scans the photo gallery is

355

00:18:46,720 --> 00:18:44,509

still below or archive what originally

356

00:18:49,869 --> 00:18:46,730

circulated however the original scans

357

00:18:53,529 --> 00:18:49,879

and high-resolution have been posted

358

00:18:55,989 --> 00:18:53,539

online we begin the series of photos

359

00:18:58,869 --> 00:18:55,999

with the one that is surely the most

360

00:19:01,330 --> 00:18:58,879

impressive it seems to have undergone a

361

00:19:04,269 --> 00:19:01,340

different treatment than that of the

362

00:19:06,369 --> 00:19:04,279

next three photos is it a cigar that has

363

00:19:09,430 --> 00:19:06,379

been hit by a missile and exploding at

364

00:19:11,169 --> 00:19:09,440

the surface of the water or a UFO that

365

00:19:14,619 --> 00:19:11,179

is coming out of the water and ready to

366

00:19:16,989 --> 00:19:14,629

fly note that no inscription appears on

367

00:19:20,649 --> 00:19:16,999

the original documentation in our

368

00:19:23,019 --> 00:19:20,659

possession here are the photos that came

369

00:19:25,649 --> 00:19:23,029

with the letter we present them in an

370

00:19:28,749 --> 00:19:25,659

arbitrary order that seemed logical

371

00:19:30,910 --> 00:19:28,759

however it is maybe not the most

372

00:19:34,270 --> 00:19:30,920

sensible since we don't know

373

00:19:36,610 --> 00:19:34,280

if the craft is flying going out or into

374

00:19:39,760 --> 00:19:36,620

the water it is worth mentioning that

375

00:19:42,700 --> 00:19:39,770

one can read in transparency on three of

376

00:19:45,130 --> 00:19:42,710

the photos in our possession copies of

377

00:19:48,220 --> 00:19:45,140

the originals are apparently coming from

378

00:19:50,980 --> 00:19:48,230

the American military laboratory on the

379

00:19:54,820 --> 00:19:50,990

left on the top official photographed

380

00:19:57,790 --> 00:19:54,830

not to be released CT on the right at

381

00:20:00,600 --> 00:19:57,800

the bottom and hardly legible a part of

382

00:20:03,840 --> 00:20:00,610

it having been erased because of time an

383

00:20:06,960 --> 00:20:03,850

authorized disclosure subject

384

00:20:12,600 --> 00:20:06,970

high-definition photos are available on

385

00:20:15,420 --> 00:20:12,610

CDR the top photo on this photo we are

386

00:20:19,180 --> 00:20:15,430

identifying without a doubt a

387

00:20:23,020 --> 00:20:19,190

triangular-shaped UFO it seems to be in

388

00:20:24,820 --> 00:20:23,030

trouble on the bottom if the order that

389

00:20:27,310 --> 00:20:24,830

we have chosen for these pictures is

390

00:20:31,320 --> 00:20:27,320

correct the UFO here seems to now go

391

00:20:34,180 --> 00:20:31,330

sideways before plunging into the ocean

392

00:20:37,450 --> 00:20:34,190

the next five photos show an egg-shaped

393

00:20:41,170 --> 00:20:37,460

object of large dimension that falls

394

00:20:45,310 --> 00:20:41,180

into the ocean these pictures seem to

395

00:20:47,980 --> 00:20:45,320

come from another lab Sigma about which

396

00:20:50,170 --> 00:20:47,990

we know nothing do these photos present

397

00:20:52,840 --> 00:20:50,180

a single and same event or are we

398

00:20:54,730 --> 00:20:52,850

dealing with two different events you

399

00:20:57,160 --> 00:20:54,740

look at the top the craft which looks

400

00:20:58,090 --> 00:20:57,170

like the one in the first picture seems

401
00:20:59,950 --> 00:20:58,100
to be in trouble

402
00:21:01,720 --> 00:20:59,960
is it on fire has to come from the

403
00:21:05,920 --> 00:21:01,730
depths of the ocean or is it headed

404
00:21:09,130 --> 00:21:05,930
there despite the fact that its form

405
00:21:12,520 --> 00:21:09,140
perfectly resembles the typical cigar

406
00:21:14,380 --> 00:21:12,530
shape of UFOs it is still impossible to

407
00:21:18,160 --> 00:21:14,390
distinguish more details of its

408
00:21:21,940 --> 00:21:18,170
structure bottom according to the letter

409
00:21:24,130 --> 00:21:21,950
from our anonymous contact the submarine

410
00:21:27,370 --> 00:21:24,140
was equipped with an analogue camera

411
00:21:31,240 --> 00:21:27,380
thus explaining the image overlay or a

412
00:21:33,880 --> 00:21:31,250
double exposure of the visible grades

413
00:21:37,120 --> 00:21:33,890

I'm assuming they're talking about the

414

00:21:40,630 --> 00:21:37,130

double cross hairs too beautiful to be

415

00:21:43,420 --> 00:21:40,640

real the cigar photo we don't know it

416

00:21:44,680 --> 00:21:43,430

might be the banana peel that would be

417

00:21:48,640 --> 00:21:44,690

used to discredit the

418

00:21:52,150 --> 00:21:48,650

other pictures of the dossier who was

419

00:21:54,070 --> 00:21:52,160

our anonymous Informer a reader of the

420

00:21:57,670 --> 00:21:54,080

magazine or a source wanting to get

421

00:21:59,740 --> 00:21:57,680

their share in any event if we haven't

422

00:22:02,050 --> 00:21:59,750

been able to find these photos on the

423

00:22:06,130 --> 00:22:02,060

internet maybe a reader will give us

424

00:22:10,000 --> 00:22:06,140

some information that has evaded us then

425

00:22:12,700 --> 00:22:10,010

finally an interesting story an Arizona

426

00:22:15,640 --> 00:22:12,710

man puts property up for sale after

427

00:22:19,750 --> 00:22:15,650

being hacked by aliens

428

00:22:21,930 --> 00:22:19,760

an American man has put his 5 million

429

00:22:26,140 --> 00:22:21,940

dollar ranch on the property market

430

00:22:29,140 --> 00:22:26,150

claiming that he and his wife want to

431

00:22:31,390 --> 00:22:29,150

give up the sticks and move far away

432

00:22:33,970 --> 00:22:31,400

from the place because they are sick of

433

00:22:37,320 --> 00:22:33,980

the regular visitations they received

434

00:22:40,960 --> 00:22:37,330

from aggressive extraterrestrial beings

435

00:22:43,810 --> 00:22:40,970

John Edmunds claims that ever since he

436

00:22:46,960 --> 00:22:43,820

and his wife Joyce moved into the nine

437

00:22:51,490 --> 00:22:46,970

point six seven acre horse ranch on the

438

00:22:53,560 --> 00:22:51,500

Rainbow Valley of Arizona in 1995 they

439

00:22:56,170 --> 00:22:53,570

have been the victims of numerous

440

00:22:59,590 --> 00:22:56,180

attacks from extraterrestrials with

441

00:23:02,560 --> 00:22:59,600

sinister intentions he claims that

442

00:23:04,950 --> 00:23:02,570

during his time living in the house he

443

00:23:09,400 --> 00:23:04,960

has been forced into life-or-death

444

00:23:14,130 --> 00:23:09,410

battles with alien creatures John Edmund

445

00:23:17,440 --> 00:23:14,140

says a portal opened to the rear of

446

00:23:19,840 --> 00:23:17,450

Arizona property and there's a picture

447

00:23:23,640 --> 00:23:19,850

showing him he says that one particular

448

00:23:27,760 --> 00:23:23,650

bloody battle occurred after the aliens

449

00:23:30,750 --> 00:23:27,770

attempted to abduct his wife from her

450

00:23:38,580 --> 00:23:35,110

they actually levitate Adha out of the

451
00:23:41,920 --> 00:23:38,590
bed he states in the master chamber and

452
00:23:45,760 --> 00:23:41,930
carried her into the parking lot and

453
00:23:48,520 --> 00:23:45,770
tried to draw her up into the craft he

454
00:23:51,220 --> 00:23:48,530
told journalists he claims that this

455
00:23:54,100 --> 00:23:51,230
particular incident prompted a furious

456
00:23:57,379 --> 00:23:54,110
battle between himself and the aliens

457
00:24:00,709 --> 00:23:57,389
which resulted in him killing

458
00:24:02,810 --> 00:24:00,719
nineteen of them with the samurai sword

459
00:24:06,469 --> 00:24:02,820
woo it's got skills

460
00:24:09,289 --> 00:24:06,479
John said this was the aftermath of the

461
00:24:14,060 --> 00:24:09,299
gray he claims to have killed in an

462
00:24:17,029 --> 00:24:14,070
attack outside of his carport door on

463
00:24:19,279 --> 00:24:17,039

his Facebook page Edmonds regularly

464

00:24:24,019 --> 00:24:19,289

updates his followers with stories of

465

00:24:27,829 --> 00:24:24,029

the bizarre alien activity centered on

466

00:24:30,889 --> 00:24:27,839

his ranch including images of the wounds

467

00:24:35,479 --> 00:24:30,899

he claims have incurred when battling

468

00:24:38,029 --> 00:24:35,489

against the grey alien beings quote

469

00:24:41,599 --> 00:24:38,039

wounds from recent attack here at

470

00:24:44,690 --> 00:24:41,609

Stardust wrench upper right calf from

471

00:24:47,329 --> 00:24:44,700

battle with malevolent et he wrote in

472

00:24:52,399 --> 00:24:47,339

the photo caption to a grisly image

473

00:24:54,440 --> 00:24:52,409

adding this is why I want to move John

474

00:24:57,549 --> 00:24:54,450

Edmonds claims these wounds were a

475

00:25:00,529 --> 00:24:57,559

result of one of the regular et attacks

476

00:25:03,259 --> 00:25:00,539

there's a picture that shows John in

477

00:25:07,039 --> 00:25:03,269

another image he displayed the samurai

478

00:25:08,569 --> 00:25:07,049

sword in a pool of what appears to be

479

00:25:11,749 --> 00:25:08,579

dried blood

480

00:25:14,089 --> 00:25:11,759

he claimed that this blood belonged to

481

00:25:16,629 --> 00:25:14,099

one of the aliens that had killed when

482

00:25:19,489 --> 00:25:16,639

he and his wife were attacked at home

483

00:25:22,489 --> 00:25:19,499

however he said that even the samurai

484

00:25:26,259 --> 00:25:22,499

sword wasn't a completely effective

485

00:25:29,229 --> 00:25:26,269

against the marauding unwanted visitors

486

00:25:32,649 --> 00:25:29,239

unless you cut off their head and

487

00:25:39,819 --> 00:25:32,659

disconnect the antenna they instantly

488

00:25:43,909 --> 00:25:39,829

phone home even with a razor-sharp sword

489

00:25:46,430 --> 00:25:43,919

it is nearly impossible to decapitate

490

00:25:54,049 --> 00:25:46,440

them with one swing

491

00:25:56,980 --> 00:25:54,059

he explained antenna samurai sword okay

492

00:25:59,529 --> 00:25:56,990

interesting stuff

493

00:26:01,840 --> 00:25:59,539

thank you all for listening to UFO

494

00:26:06,360 --> 00:26:01,850

headline news with me Heidi Hollis and

495

00:26:10,419 --> 00:26:06,370

be sure to check out UFO headline news

496

00:26:15,960 --> 00:26:10,429

com2 visit also the Outlanders comic

497

00:26:18,610 --> 00:26:15,970

calm and my site Heidi Hollis calm

498

00:26:26,500 --> 00:26:18,620

remember always to keep informed and

499

00:26:26,510 --> 00:26:35,519

[Music]

500

00:26:39,130 --> 00:26:36,880

smile

501
00:26:40,779 --> 00:26:39,140
we're headed to Macy's backstage and did

502
00:26:43,000 --> 00:26:40,789
you hear about the new backstage scratch

503
00:26:45,220 --> 00:26:43,010
winds smile game yeah everyone's a

504
00:26:46,870 --> 00:26:45,230
winner right make any twenty five dollar

505
00:26:49,149 --> 00:26:46,880
backstage purchase now through Saturday

506
00:26:51,159 --> 00:26:49,159
December second and score a scratch win

507
00:26:53,620 --> 00:26:51,169
smiled game card you're guaranteed to

508
00:26:56,049 --> 00:26:53,630
win a one five ten or twenty five dollar

509
00:26:58,539 --> 00:26:56,059
prize to redeem at Macy's backstage at a

510
00:27:01,480 --> 00:26:58,549
later date scratch and when what's not

511
00:27:03,220 --> 00:27:01,490
to smile about Macy's backstage savings
