backstage calm welcome to UFO headline

14

00:00:40,549 --> 00:00:35,309

news with me Heidi Hollis today is

15

00:00:43,010 --> 00:00:40,559

Wednesday November 22nd 2017 it will

16

00:00:49,150 --> 00:00:43,020

start off with some UFO sightings and

17

00:00:54,350 --> 00:00:49,160

this was posted November 14th of 2017

18

00:00:56,540 --> 00:00:54,360

happening at 7:22 p.m. coming out of my

19

00:00:59,569 --> 00:00:56,550

house the witness states my friend sees

20

00:01:02,660 --> 00:00:59,579

some lights through the trees I look and

21

00:01:03,490 --> 00:01:02,670

have never seen anything like that

22

00:01:07,310 --> 00:01:03,500

before

23

00:01:10,280 --> 00:01:07,320

neither did he so I made him drive close

24

00:01:14,240 --> 00:01:10,290

and he got scared when seeing what it

25

00:01:16,460 --> 00:01:14,250

was and drove away super fast so I

26
00:01:18,710 --> 00:01:16,470
couldn't get out of the car as I was

27
00:01:22,550 --> 00:01:18,720
getting my camera ready he said he

28
00:01:26,990 --> 00:01:22,560
didn't want to get abducted it was large

29
00:01:30,649 --> 00:01:27,000
probably at least 1,000 feet but I think

30
00:01:33,800 --> 00:01:30,659
larger and moving slowly one light

31
00:01:36,740 --> 00:01:33,810
disappeared in the mountains I couldn't

32
00:01:39,679 --> 00:01:36,750
see a craft just the lights it was night

33
00:01:45,230 --> 00:01:39,689
so no video would ever be able to pick

34
00:01:51,020 --> 00:01:45,240
it up next one black triangle sighting

35
00:01:53,450 --> 00:01:51,030
in Troy in New York November 16 2017 the

36
00:01:57,170 --> 00:01:53,460
witness states I saw what looked like a

37
00:01:59,420 --> 00:01:57,180
V or triangle shaped a set of lights

38
00:02:01,969 --> 00:01:59,430

hovering above a house and then it just

39

00:02:04,310 --> 00:02:01,979

left pretty quickly I was driving home

40

00:02:06,620 --> 00:02:04,320

and was turning onto a road and happened

41

00:02:09,290 --> 00:02:06,630

to look over at what I first thought was

42

00:02:11,300 --> 00:02:09,300

a strangely placed streetlight because

43

00:02:13,980 --> 00:02:11,310

it was very bright and had a lot of

44

00:02:18,330 --> 00:02:13,990

lights but then I realized it

45

00:02:21,540 --> 00:02:18,340

a v-shape or triangle I'm not sure which

46

00:02:24,360 --> 00:02:21,550

and it was just hovering almost over or

47

00:02:26,100 --> 00:02:24,370

next to our house I pulled over to try

48

00:02:28,920 --> 00:02:26,110

to get a picture of it but before I

49

00:02:31,620 --> 00:02:28,930

could it started to move slightly and

50

00:02:33,990 --> 00:02:31,630

then quickly flew off in another

51
00:02:37,410 --> 00:02:34,000
direction then the way it was initially

52
00:02:40,020 --> 00:02:37,420
facing at first I didn't believe what I

53
00:02:42,630 --> 00:02:40,030
saw but after sitting there for a bit

54
00:02:44,760 --> 00:02:42,640
going over it in my head I don't know

55
00:02:47,730 --> 00:02:44,770
what else that could have been it was

56
00:02:49,890 --> 00:02:47,740
definitely not a helicopter with the

57
00:02:53,040 --> 00:02:49,900
shape it was and the way the lights

58
00:02:55,860 --> 00:02:53,050
looked it's also fitting that I saw it

59
00:02:58,680 --> 00:02:55,870
tonight because my life is currently

60
00:03:04,430 --> 00:02:58,690
changing drastically and I have been

61
00:03:07,800 --> 00:03:04,440
seeing a lot of synchronicities third

62
00:03:13,020 --> 00:03:07,810
UFO sighting in the Bronx New York

63
00:03:16,500 --> 00:03:13,030

November 17th 2017 object hovered with

64

00:03:19,350 --> 00:03:16,510

smaller lights leaving and going in the

65

00:03:22,890 --> 00:03:19,360

object the witness states I was wrong

66

00:03:26,160 --> 00:03:22,900

3:30 a.m. and I was going to work and in

67

00:03:29,880 --> 00:03:26,170

the aboveground train station I could

68

00:03:34,320 --> 00:03:29,890

see the clear sky and then noticed one

69

00:03:35,370 --> 00:03:34,330

light alone light in the sky that was

70

00:03:38,150 --> 00:03:35,380

different

71

00:03:41,550 --> 00:03:38,160

I could see it with the naked eye it

72

00:03:43,170 --> 00:03:41,560

seemed to pulsate right away I got my

73

00:03:46,590 --> 00:03:43,180

cell phone and Wow

74

00:03:48,960 --> 00:03:46,600

now I could really see more like the

75

00:03:52,530 --> 00:03:48,970

smaller lights going in and out of this

76
00:03:55,620 --> 00:03:52,540
thing and from the bottom at times this

77
00:03:59,000 --> 00:03:55,630
light would become very bright so one

78
00:04:02,040 --> 00:03:59,010
could see the underbelly of this thing

79
00:04:05,510 --> 00:04:02,050
for four minutes I have clear video of

80
00:04:08,280 --> 00:04:05,520
this right on my cell phone

81
00:04:12,290 --> 00:04:08,290
the fourth sighting comes to us from

82
00:04:16,949 --> 00:04:12,300
Utah and this occurred November 14th

83
00:04:19,380 --> 00:04:16,959
2017 the witness states I was walking

84
00:04:23,250 --> 00:04:19,390
and then looked up to the eastern sky in

85
00:04:25,230 --> 00:04:23,260
the northern Utah region roughly 45

86
00:04:25,930 --> 00:04:25,240
miles north of Salt Lake City and

87
00:04:30,280 --> 00:04:25,940
observe

88
00:04:32,740 --> 00:04:30,290

a white circular object not moving it

89

00:04:35,700 --> 00:04:32,750

seemed out of place so I went to grab my

90

00:04:40,480 --> 00:04:35,710

binoculars to see the object better and

91

00:04:43,750 --> 00:04:40,490

it was as I said a white circular object

92

00:04:46,660 --> 00:04:43,760

sitting in the sky not moving for a good

93

00:04:50,110 --> 00:04:46,670

30 minutes what made me notice the

94

00:04:53,770 --> 00:04:50,120

object was its whiteness not moving

95

00:04:55,510 --> 00:04:53,780

against the clear blue sky when I first

96

00:04:58,960 --> 00:04:55,520

noticed the object I didn't know what it

97

00:05:02,230 --> 00:04:58,970

was just seemed out of place the detail

98

00:05:06,760 --> 00:05:02,240

of the object white hovering no movement

99

00:05:09,820 --> 00:05:06,770

circular orb no motion because it just

100

00:05:13,090 --> 00:05:09,830

sat in the same spot when I observed it

101
00:05:16,120 --> 00:05:13,100
for 30 minutes it just seemed very odd

102
00:05:18,940 --> 00:05:16,130
and out of place it might still be there

103
00:05:24,820 --> 00:05:18,950
I just got to get to a computer to

104
00:05:30,240 --> 00:05:24,830
report what I saw so I did now for a

105
00:05:35,560 --> 00:05:30,250
trek into the paranormal my experience

106
00:05:38,800 --> 00:05:35,570
this witness states my wife and my three

107
00:05:41,620 --> 00:05:38,810
children our 13 year old twin boy and

108
00:05:44,170 --> 00:05:41,630
girl an 11 year old boy decided to go

109
00:05:47,110 --> 00:05:44,180
out of town to a large mall we don't

110
00:05:49,540 --> 00:05:47,120
usually visit we were there more than a

111
00:05:52,870 --> 00:05:49,550
year earlier and heard that some stores

112
00:05:53,740 --> 00:05:52,880
changed some leaving some new ones

113
00:05:56,740 --> 00:05:53,750

arriving

114

00:05:59,440 --> 00:05:56,750

upon entering the mall I and two of my

115

00:06:01,360 --> 00:05:59,450

kids had to use the restroom the one

116

00:06:04,840 --> 00:06:01,370

restroom closest to where the foodcourt

117

00:06:08,320 --> 00:06:04,850

used to be was still open however all

118

00:06:11,050 --> 00:06:08,330

the stores on both sides were vacant and

119

00:06:14,890 --> 00:06:11,060

under construction for new incoming

120

00:06:17,200 --> 00:06:14,900

stores the area was dim the floor

121

00:06:19,620 --> 00:06:17,210

covered with plaster dust from the work

122

00:06:22,120 --> 00:06:19,630

being done however there were no

123

00:06:25,180 --> 00:06:22,130

footprints leading down the hallway

124

00:06:27,190 --> 00:06:25,190

leading to the restrooms I assumed the

125

00:06:29,740 --> 00:06:27,200

hanging plastic and construction signs

126
00:06:32,530 --> 00:06:29,750
for just keeping the average mall goers

127
00:06:35,350 --> 00:06:32,540
away as we walked through the plastic

128
00:06:38,170 --> 00:06:35,360
partitions keeping the general public

129
00:06:39,610 --> 00:06:38,180
from the construction area I happened

130
00:06:43,240 --> 00:06:39,620
upon what I thought

131
00:06:46,379 --> 00:06:43,250
was an exposed wire however when I

132
00:06:50,740 --> 00:06:46,389
investigated I found it to be an odd

133
00:06:53,890 --> 00:06:50,750
silver pendant on a silver chain hanging

134
00:06:56,409 --> 00:06:53,900
on a nail it looked to be a stylized

135
00:06:59,320 --> 00:06:56,419
symbol of a hand with an eye in the

136
00:07:02,200 --> 00:06:59,330
center the iris covered by a purple

137
00:07:04,030 --> 00:07:02,210
jewel thanking somebody just left it

138
00:07:06,340 --> 00:07:04,040

hanging on the nail and forgot about it

139

00:07:08,620 --> 00:07:06,350

I picked it up and gave it to my

140

00:07:12,279 --> 00:07:08,630

daughter who loves weird and interesting

141

00:07:15,790 --> 00:07:12,289

jewelry of all kinds it was right up her

142

00:07:17,350 --> 00:07:15,800

alley after we went home from the mall

143

00:07:19,540 --> 00:07:17,360

my daughter was complaining about a

144

00:07:23,020 --> 00:07:19,550

headache we gave her some medicine and

145

00:07:24,909 --> 00:07:23,030

let her lie down after that I thought it

146

00:07:28,000 --> 00:07:24,919

was a good idea to wash the pendant in

147

00:07:31,360 --> 00:07:28,010

case whoever had it before may have been

148

00:07:34,210 --> 00:07:31,370

sweating or sick after I washed it I

149

00:07:36,580 --> 00:07:34,220

wore it myself over my shirt for a short

150

00:07:39,719 --> 00:07:36,590

while just to expose it to the air and

151

00:07:43,050 --> 00:07:39,729

let it dry later that night I

152

00:07:45,580 --> 00:07:43,060

experienced a bad migraine myself

153

00:07:48,129 --> 00:07:45,590

thinking it might have been something

154

00:07:51,820 --> 00:07:48,139

with bad food at the food court so I

155

00:07:54,520 --> 00:07:51,830

just disregarded it hung the pendant up

156

00:07:56,980 --> 00:07:54,530

in my room and went to sleep the next

157

00:07:59,980 --> 00:07:56,990

day I woke up with the same migraine

158

00:08:02,920 --> 00:07:59,990

even though I took a powerful headache

159

00:08:05,710 --> 00:08:02,930

medicine the night before eventually the

160

00:08:08,860 --> 00:08:05,720

migraine did go away and I was able to

161

00:08:10,990 --> 00:08:08,870

carry about my normal daily routine when

162

00:08:13,060 --> 00:08:11,000

I got home from work I decided to

163

00:08:15,850 --> 00:08:13,070

investigate the symbol on the pendant

164

00:08:18,520 --> 00:08:15,860

itself as it turns out it was supposed

165

00:08:21,790 --> 00:08:18,530

to be an ancient symbol of good luck and

166

00:08:23,439 --> 00:08:21,800

good fortune still I did not associate

167

00:08:26,050 --> 00:08:23,449

my headache and my daughter's headache

168

00:08:28,120 --> 00:08:26,060

with the pendant being a bit of a

169

00:08:31,180 --> 00:08:28,130

spiritualist and appreciating the

170

00:08:32,860 --> 00:08:31,190

uniqueness of the whole thing I polished

171

00:08:35,199 --> 00:08:32,870

the pendant a little bit with jewelry

172

00:08:38,199 --> 00:08:35,209

cleaner and word again for the rest of

173

00:08:42,699 --> 00:08:38,209

the day I did not get a migraine this

174

00:08:46,300 --> 00:08:42,709

time however I did slip on the last step

175

00:08:47,900 --> 00:08:46,310

of my basement stairs badly twisting my

176

00:08:50,060 --> 00:08:47,910

ankle

177

00:08:53,650 --> 00:08:50,070

after I painfully climbed back up the

178

00:08:56,510 --> 00:08:53,660

stairs with my one still good foot I

179

00:08:59,750 --> 00:08:56,520

slipped on some water in the bathroom

180

00:09:02,950 --> 00:08:59,760

and hit my shoulder hard against the

181

00:09:07,190 --> 00:09:02,960

wall almost hard enough to dislocate it

182

00:09:09,170 --> 00:09:07,200

according to my nurse wife I started to

183

00:09:13,070 --> 00:09:09,180

have doubts about the pendants ability

184

00:09:16,070 --> 00:09:13,080

to grant good luck still I did not

185

00:09:19,130 --> 00:09:16,080

associate with anything evil

186

00:09:21,170 --> 00:09:19,140

later that night even though under heavy

187

00:09:24,890 --> 00:09:21,180

medication for the pain in my shoulder

188

00:09:26,960 --> 00:09:24,900

and foot I had trouble sleeping now I

189

00:09:29,170 --> 00:09:26,970

put the pendant in my room in the same

190

00:09:32,150 --> 00:09:29,180

place it was the first night we found it

191

00:09:35,380 --> 00:09:32,160

hanging from a peg on a bookshelf that

192

00:09:38,720 --> 00:09:35,390

hangs over our bed quick sidenote

193

00:09:40,970 --> 00:09:38,730

tonight for some reason our pitbull and

194

00:09:44,600 --> 00:09:40,980

Jack Russell refused to sleep in our

195

00:09:46,850 --> 00:09:44,610

bedroom they constantly follow us

196

00:09:49,820 --> 00:09:46,860

upstairs every time we go to our bedroom

197

00:09:52,850 --> 00:09:49,830

expecting us to crawl under the covers

198

00:09:55,340 --> 00:09:52,860

so they could lie down with us well this

199

00:09:57,650 --> 00:09:55,350

time they both stay downstairs and

200

00:10:00,830 --> 00:09:57,660

curled up next to each other on the

201
00:10:04,970 --> 00:10:00,840
futon both of them giving us a timid

202
00:10:07,910 --> 00:10:04,980
scared look anyway that night I had

203
00:10:10,520 --> 00:10:07,920
severe trouble getting to sleep when I

204
00:10:13,280 --> 00:10:10,530
finally did I had very weird dreams I

205
00:10:17,870 --> 00:10:13,290
dreamt I was standing in the middle of a

206
00:10:19,310 --> 00:10:17,880
hand a very large hand perhaps the size

207
00:10:22,550 --> 00:10:19,320
of a football field

208
00:10:25,160 --> 00:10:22,560
I couldn't see what it was attached to

209
00:10:28,670 --> 00:10:25,170
but when I went towards the center I

210
00:10:31,730 --> 00:10:28,680
noticed a large purple eye staring

211
00:10:33,380 --> 00:10:31,740
straight up the dream was disturbing

212
00:10:36,950 --> 00:10:33,390
enough that it woke me in the middle of

213
00:10:40,520 --> 00:10:36,960

the night now my wife and I keep a lava

214

00:10:42,980 --> 00:10:40,530

lamp in our bedroom on all night I know

215

00:10:45,560 --> 00:10:42,990

it sounds funny but when we were dating

216

00:10:48,020 --> 00:10:45,570

as teenagers she always thought the lava

217

00:10:51,710 --> 00:10:48,030

lamp in my der bedroom at my parents

218

00:10:55,270 --> 00:10:51,720

house was so cool so when we got her own

219

00:10:59,360 --> 00:10:55,280

home the lava lamp was essential well in

220

00:11:00,489 --> 00:10:59,370

the dim green light of our lava lamp on

221

00:11:02,889 --> 00:11:00,499

our desk

222

00:11:07,359 --> 00:11:02,899

I could see floating in the middle of

223

00:11:11,499 --> 00:11:07,369

our bedroom was the pendant I got chills

224

00:11:15,329 --> 00:11:11,509

it was just suspended in midair as it's

225

00:11:17,949 --> 00:11:15,339

hanging from a nail that I could not see

226

00:11:20,169 --> 00:11:17,959

without my glasses and still thinking I

227

00:11:22,539 --> 00:11:20,179

was dreaming I just curled up under the

228

00:11:26,019 --> 00:11:22,549

blankets closed my eyes tight and went

229

00:11:28,359 --> 00:11:26,029

back to sleep in the morning however I

230

00:11:31,209 --> 00:11:28,369

found the pendant was gone from where I

231

00:11:34,449 --> 00:11:31,219

left it on the peg left the night before

232

00:11:39,249 --> 00:11:34,459

and was now lying in the middle of our

233

00:11:42,129 --> 00:11:39,259

bedroom this was disturbing enough but

234

00:11:45,069 --> 00:11:42,139

when both of our sons woke up violently

235

00:11:48,219 --> 00:11:45,079

ill I knew something had to be done

236

00:11:50,409 --> 00:11:48,229

I explained the circumstances to my wife

237

00:11:53,169 --> 00:11:50,419

and showed her the research I did on the

238

00:11:56,289 --> 00:11:53,179

image of the pendant she at this point

239

00:11:58,329 --> 00:11:56,299

became just as scared as I was now

240

00:12:01,229 --> 00:11:58,339

understanding the problem and knowing

241

00:12:04,749 --> 00:12:01,239

what to do about the problem are two

242

00:12:06,669 --> 00:12:04,759

completely different issues I knew my

243

00:12:08,529 --> 00:12:06,679

limited knowledge of the paranormal

244

00:12:11,439 --> 00:12:08,539

would not be enough to stop something

245

00:12:13,749 --> 00:12:11,449

that could make all of my children sick

246

00:12:16,779 --> 00:12:13,759

and have enough influence to physically

247

00:12:19,119 --> 00:12:16,789

harm me we place a pendant in a jar and

248

00:12:21,819 --> 00:12:19,129

completely covered it with sea salt my

249

00:12:25,629 --> 00:12:21,829

wife's sister had bought when she took a

250

00:12:28,029 --> 00:12:25,639

trip to the Dead Sea after that we

251
00:12:30,939 --> 00:12:28,039
decided to pour holy water on the salt

252
00:12:33,789 --> 00:12:30,949
we used three different bottles of holy

253
00:12:36,189 --> 00:12:33,799
water from three of the oldest churches

254
00:12:38,710 --> 00:12:36,199
in New York City that we visited on a

255
00:12:42,039 --> 00:12:38,720
historical vacation that she and I took

256
00:12:44,859 --> 00:12:42,049
the prior year just for good measure

257
00:12:47,259 --> 00:12:44,869
I placed a quartz crystal that I

258
00:12:49,929 --> 00:12:47,269
previously found on a walking tour of an

259
00:12:52,659 --> 00:12:49,939
old mine in our local area in the salt

260
00:12:54,519 --> 00:12:52,669
with the pendant often times I used the

261
00:12:57,129 --> 00:12:54,529
crystal in prayer and meditation and

262
00:12:59,469 --> 00:12:57,139
only ever fed into the positive energy

263
00:13:04,089 --> 00:12:59,479

and good vibrations to assist with my

264

00:13:06,339 --> 00:13:04,099

prayers finally with all of that done my

265

00:13:08,529 --> 00:13:06,349

wife and I comprised a note explaining

266

00:13:10,809 --> 00:13:08,539

the circumstances that led us to

267

00:13:12,560 --> 00:13:10,819

discover the pendant the events that

268

00:13:15,850 --> 00:13:12,570

occurred after we brought it into our

269

00:13:18,650 --> 00:13:15,860

home and the reason for its abandonment

270

00:13:21,260 --> 00:13:18,660

that night around midnight I left her

271

00:13:25,100 --> 00:13:21,270

home in our car by myself with a pendant

272

00:13:27,560 --> 00:13:25,110

in its container I drove to our local

273

00:13:29,600 --> 00:13:27,570

church and left the jar and an envelope

274

00:13:32,450 --> 00:13:29,610

with the note we wrote in the mailbox of

275

00:13:34,820 --> 00:13:32,460

the rectory hoping our local parish

276

00:13:37,700 --> 00:13:34,830

priest would be more equipped to deal

277

00:13:40,460 --> 00:13:37,710

with a cursed item than we were sure

278

00:13:43,370 --> 00:13:40,470

enough the next day my two boys and our

279

00:13:47,540 --> 00:13:43,380

daughter both felt fine was it just a

280

00:13:49,760 --> 00:13:47,550

24-hour bug I will never know but sure

281

00:13:52,220 --> 00:13:49,770

enough a few days later during his

282

00:13:54,680 --> 00:13:52,230

sermon the priest took a moment to

283

00:13:58,030 --> 00:13:54,690

explain the note with the jar that he

284

00:14:00,530 --> 00:13:58,040

received anonymously in his mailbox

285

00:14:02,480 --> 00:14:00,540

addressing the congregation as though

286

00:14:05,660 --> 00:14:02,490

the person who left it in his mailbox

287

00:14:08,260 --> 00:14:05,670

was present he shared everyone that the

288

00:14:11,240 --> 00:14:08,270

pendant was blessed consecrated and

289

00:14:15,260 --> 00:14:11,250

properly disposed of and would be

290

00:14:17,270 --> 00:14:15,270

troubling no one any more as far as my

291

00:14:19,520 --> 00:14:17,280

kids know the pendant is lost somewhere

292

00:14:22,760 --> 00:14:19,530

in the house misplaced when we were all

293

00:14:25,820 --> 00:14:22,770

sick or hurt hopefully they'll never

294

00:14:29,540 --> 00:14:25,830

know how close we all were to real

295

00:14:32,870 --> 00:14:29,550

danger my advice to anyone who finds any

296

00:14:36,830 --> 00:14:32,880

amulets or necklaces in areas where they

297

00:14:38,660 --> 00:14:36,840

are not supposed to be is this leave

298

00:14:41,000 --> 00:14:38,670

them alone

299

00:14:44,390 --> 00:14:41,010

there's more ways than you can imagine

300

00:14:48,170 --> 00:14:44,400

that the forces of evil have to enter

301
00:14:52,430 --> 00:14:48,180
your home and harm you everyone have

302
00:14:58,070 --> 00:14:52,440
safe journeys it's great advice and the

303
00:14:59,120 --> 00:14:58,080
paranormal stories continue next up the

304
00:15:02,450 --> 00:14:59,130
witness states

305
00:15:04,910 --> 00:15:02,460
my name is Bea and I am 23 years old and

306
00:15:06,790 --> 00:15:04,920
I am from Charleston South Carolina I

307
00:15:09,920 --> 00:15:06,800
would like to share my story with you

308
00:15:12,350 --> 00:15:09,930
two years ago I visited New Orleans

309
00:15:14,720 --> 00:15:12,360
during Mardi Gras for the first time

310
00:15:16,490 --> 00:15:14,730
ever with a group of friends when I

311
00:15:19,340 --> 00:15:16,500
planned the trip I had an ulterior

312
00:15:22,730 --> 00:15:19,350
motive more than just partying I

313
00:15:26,510 --> 00:15:22,740

recently read about Mary Leveaux

314

00:15:31,040 --> 00:15:26,520

and the all true horror story of her

315

00:15:33,620 --> 00:15:31,050

life and what it entailed as being smile

316

00:15:35,270 --> 00:15:33,630

326

smile about Macy's backstage savings for

327

00:16:02,180 --> 00:15:57,750

everyday life details at Macy's

328

00:16:04,760 --> 00:16:02,190

backstage calm terrifying as it was I

329

00:16:07,460 --> 00:16:04,770

was also intrigued about the history of

330

00:16:10,130 --> 00:16:07,470

the voodoo queen of the south I planned

331

00:16:12,860 --> 00:16:10,140

the trip very spontaneously with a small

332

00:16:15,950 --> 00:16:12,870

group of friends and three days later we

333

00:16:18,590 --> 00:16:15,960

were in New Orleans I read mostly about

334

00:16:21,710 --> 00:16:18,600

the history of Marie Laveau rather than

335

00:16:23,780 --> 00:16:21,720

her tomb in the present I also was not

336

00:16:26,690 --> 00:16:23,790

aware that the cemetery she was buried

337

00:16:29,590 --> 00:16:26,700

in st. Louis cemetery was closed off to

338

00:16:32,300 --> 00:16:29,600

the public especially during Mardi Gras

339

00:16:34,730 --> 00:16:32,310

my friend and I left the rest of the

340

00:16:37,640 --> 00:16:34,740

group to track down what is a claim to

341

00:16:41,210 --> 00:16:37,650

be the most haunted destination in all

342

00:16:43,430 --> 00:16:41,220

of New Orleans after we finally found

343

00:16:46,010 --> 00:16:43,440

the cemetery in the late hours of the

344

00:16:48,380 --> 00:16:46,020

night we realized we were not going to

345

00:16:52,130 --> 00:16:48,390

be able to get in at least not legally

346

00:16:55,520 --> 00:16:52,140

and easily so my friend gave me a boost

347

00:16:57,380 --> 00:16:55,530

and we climbed on top and above the

348

00:17:00,830 --> 00:16:57,390

ground tombs and hopped to the ground

349

00:17:03,500 --> 00:17:00,840

when we were able to once safely on the

350

00:17:07,550 --> 00:17:03,510

ground we began the search for the most

351
00:17:11,660 --> 00:17:07,560
famous grave that of the famous voodoo

352
00:17:14,120 --> 00:17:11,670
priestess Marie Laveau after a while we

353
00:17:18,410 --> 00:17:14,130
finally found the grave covered in red

354
00:17:20,480 --> 00:17:18,420
Xs and offerings naively I placed a

355
00:17:22,400 --> 00:17:20,490
strand of Mardi Gras beads amongst the

356
00:17:27,470 --> 00:17:22,410
other trinkets that surrounded her tomb

357
00:17:29,870 --> 00:17:27,480
then I took a picture and left as we

358
00:17:33,460 --> 00:17:29,880
were leaving I tripped out of nowhere

359
00:17:36,200 --> 00:17:33,470
and I had all the hair on my body

360
00:17:39,139 --> 00:17:36,210
completely drained from me

361
00:17:42,139 --> 00:17:39,149
it was a moment of instantaneous and

362
00:17:45,440 --> 00:17:42,149
complete paralysis and all I could do

363
00:17:48,139 --> 00:17:45,450

was lay on the ground face down until my

364

00:17:50,539 --> 00:17:48,149

friend helped me get back up as we were

365

00:17:53,090 --> 00:17:50,549

leaving I felt very overwhelmed and

366

00:17:56,000 --> 00:17:53,100

absolutely terrified and all I wanted to

367

00:17:59,060 --> 00:17:56,010

do was get out of there as fast as I

368

00:18:01,430 --> 00:17:59,070

could when we were leaving we had no

369

00:18:03,320 --> 00:18:01,440

other option but to climb on top of one

370

00:18:07,070 --> 00:18:03,330

of the graves because they were

371

00:18:08,779 --> 00:18:07,080

completely lining the interior wall my

372

00:18:09,710 --> 00:18:08,789

friend had to go first to help me down

373

00:18:12,049 --> 00:18:09,720

the other side

374

00:18:15,320 --> 00:18:12,059

right after my friend jumped over I

375

00:18:19,250 --> 00:18:15,330

began to leap up over myself and was

376

00:18:22,669 --> 00:18:19,260

instantly halted when my foot crumbled

377

00:18:26,120 --> 00:18:22,679

through the top of another grave I was

378

00:18:28,970 --> 00:18:26,130

beyond startled and ran from st. Louis

379

00:18:31,399 --> 00:18:28,980

cemetery back towards the bustling

380

00:18:34,220 --> 00:18:31,409

Bourbon Street with my friends the

381

00:18:37,060 --> 00:18:34,230

incident really scared me and my friends

382

00:18:41,000 --> 00:18:37,070

and I unfortunately it didn't stop there

383

00:18:44,480 --> 00:18:41,010

upon my return home I realized that I

384

00:18:48,200 --> 00:18:44,490

felt different and it wasn't just

385

00:18:50,510 --> 00:18:48,210

feelings I began to see things things I

386

00:18:52,940 --> 00:18:50,520

had never seen before things that

387

00:18:55,370 --> 00:18:52,950

followed me wherever I went the

388

00:18:58,539 --> 00:18:55,380

manifestations I began to see after New

389

00:19:01,820 --> 00:18:58,549

Orleans were almost always the same a

390

00:19:05,860 --> 00:19:01,830

black mass that was basically in the

391

00:19:08,930 --> 00:19:05,870

shape of a human figure shadow people I

392

00:19:10,419 --> 00:19:08,940

would almost always see it in this one

393

00:19:14,210 --> 00:19:10,429

corner of my room

394

00:19:16,820 --> 00:19:14,220

especially around 3:00 a.m. and the late

395

00:19:19,430 --> 00:19:16,830

hours of the morning it wasn't until

396

00:19:22,909 --> 00:19:19,440

tonight that I realized I think I caused

397

00:19:26,029 --> 00:19:22,919

this I caused this spirit to follow me

398

00:19:29,060 --> 00:19:26,039

after New Orleans when I left the Mardi

399

00:19:31,399 --> 00:19:29,070

Gras beads on Marie Laveau's grave it

400

00:19:35,450 --> 00:19:31,409

was like leaving an offering for the

401
00:19:38,779 --> 00:19:35,460
voodoo queen yep legend has it you're

402
00:19:42,019 --> 00:19:38,789
supposed to make a wish in her honor but

403
00:19:46,519 --> 00:19:42,029
any visit to her grave can ultimately

404
00:19:49,639 --> 00:19:46,529
end up an unpredictable negative ways I

405
00:19:52,639 --> 00:19:49,649
still see the manifestation in the

406
00:19:55,519 --> 00:19:52,649
corner of my room sometimes but not

407
00:19:57,440 --> 00:19:55,529
anywhere else at least I want to share

408
00:19:59,930 --> 00:19:57,450
my story because I know how many people

409
00:20:02,930 --> 00:19:59,940
visit New Orleans and visit Marie

410
00:20:05,570 --> 00:20:02,940
Laveau's grave specifically without any

411
00:20:09,019 --> 00:20:05,580
prior knowledge of her or her place of

412
00:20:12,560 --> 00:20:09,029
rest and what it's capable of doing to

413
00:20:15,740 --> 00:20:12,570

you even after you leave I even have the

414

00:20:18,200 --> 00:20:15,750

picture still with her tomb and the

415

00:20:23,240 --> 00:20:18,210

beads I left as an offering

416

00:20:27,710 --> 00:20:23,250

Oh continuing on in the paranormal vein

417

00:20:30,710 --> 00:20:27,720

next up the witness states when I was 20

418

00:20:33,500 --> 00:20:30,720

years old I lived alone in a cabin deep

419

00:20:35,120 --> 00:20:33,510

in the Smoky Mountains I always used to

420

00:20:38,240 --> 00:20:35,130

seeing animals and I knew their

421

00:20:41,870 --> 00:20:38,250

footsteps very well every now and then

422

00:20:45,080 --> 00:20:41,880

I'd get the occasional hiker lost tired

423

00:20:47,600 --> 00:20:45,090

and I'd lead them and led them a hand I

424

00:20:50,450 --> 00:20:47,610

can usually tell if an animal or person

425

00:20:52,070 --> 00:20:50,460

gets anywhere near my cabin because the

426

00:20:54,830 --> 00:20:52,080

leaves and sticks are pretty dense

427

00:20:57,950 --> 00:20:54,840

around the perimeter of the house well

428

00:21:01,039 --> 00:20:57,960

one night I heard what seemed to be a

429

00:21:03,230 --> 00:21:01,049

person walking outside my window as

430

00:21:05,510 --> 00:21:03,240

tending to my wood-burning stove seeing

431

00:21:08,240 --> 00:21:05,520

as it was pretty chilly even for an

432

00:21:11,570 --> 00:21:08,250

autumn night I looked outside and saw

433

00:21:14,870 --> 00:21:11,580

nothing but continuously I occasionally

434

00:21:17,960 --> 00:21:14,880

heard the footsteps they stopped for a

435

00:21:21,620 --> 00:21:17,970

while but then the knocking started it

436

00:21:23,539 --> 00:21:21,630

came in threes this went on for hours

437

00:21:26,049 --> 00:21:23,549

and I was certain maybe a squirrel or

438

00:21:29,379 --> 00:21:26,059

bird had gotten into one of the walls

439

00:21:33,820 --> 00:21:29,389

but I ignored it and sat down to relax

440

00:21:35,899 --> 00:21:33,830

as I sat down that is when I saw it a

441

00:21:39,529 --> 00:21:35,909

short something

442

00:21:42,279 --> 00:21:39,539

it looked humanoid it had a sharp nose

443

00:21:46,340 --> 00:21:42,289

and a mouth that almost came to a smile

444

00:21:49,879 --> 00:21:46,350

it was very dirty long hair almost down

445

00:21:52,430 --> 00:21:49,889

to its but the hair is very nappy and

446

00:21:56,000 --> 00:21:52,440

knotted it didn't do anything it just

447

00:21:58,580 --> 00:21:56,010

stood there staring at me I'm an avid

448

00:22:00,590 --> 00:21:58,590

hunter and I have been in a great many

449

00:22:05,060 --> 00:22:00,600

sketchy situations

450

00:22:09,680 --> 00:22:05,070

I am by no means easily scared but I've

451
00:22:13,010 --> 00:22:09,690
never felt a terror like that it seemed

452
00:22:17,270 --> 00:22:13,020
like forever we're in a Mexican standoff

453
00:22:21,260 --> 00:22:17,280
type deal then it just walked off into

454
00:22:23,210 --> 00:22:21,270
another room I quickly went for my

455
00:22:26,720 --> 00:22:23,220
shotgun to deal with whatever this thing

456
00:22:29,210 --> 00:22:26,730
was I entered the room only it could

457
00:22:32,260 --> 00:22:29,220
have gone and seeing as there was only

458
00:22:36,200 --> 00:22:32,270
one other room in the place the bathroom

459
00:22:38,810 --> 00:22:36,210
nothing there was nothing there I have

460
00:22:40,040 --> 00:22:38,820
never forgotten what I saw it was no

461
00:22:42,740 --> 00:22:40,050
bigger than a child

462
00:22:46,100 --> 00:22:42,750
I guess the length of its arms and it's

463
00:22:52,820 --> 00:22:46,110

oddly inviting smile is the thing I find

464

00:22:55,760 --> 00:22:52,830

most disturbing really wild story huh

465

00:22:59,300 --> 00:22:55,770

all right next up still continuing with

466

00:23:02,150 --> 00:22:59,310

some unique stories the witness states

467

00:23:04,900 --> 00:23:02,160

I am currently 20 years of age living in

468

00:23:08,810 --> 00:23:04,910

the same town I have since I was a kid

469

00:23:12,410 --> 00:23:08,820

my story however is based on a long time

470

00:23:15,890 --> 00:23:12,420

ago during my childhood but even to this

471

00:23:18,230 --> 00:23:15,900

day I questioned myself constantly it

472

00:23:21,290 --> 00:23:18,240

all started when I was around the age of

473

00:23:24,350 --> 00:23:21,300

three going on four I was a third and

474

00:23:26,360 --> 00:23:24,360

last child in the family so at first my

475

00:23:29,720 --> 00:23:26,370

parents seemed to just be doing what a

476

00:23:31,130 --> 00:23:29,730

regular four-year-old does however my

477

00:23:33,440 --> 00:23:31,140

parents told me they always felt

478

00:23:36,290 --> 00:23:33,450

something around me though they could

479

00:23:39,680 --> 00:23:36,300

never pinpoint what it was they said it

480

00:23:41,780 --> 00:23:39,690

just gave them the creeps they first

481

00:23:44,450 --> 00:23:41,790

started feeling this way when I started

482

00:23:47,450 --> 00:23:44,460

saying things like I want my other mom

483

00:23:50,060 --> 00:23:47,460

and dad this would confuse them terribly

484

00:23:53,030 --> 00:23:50,070

and they would always ask like who are

485

00:23:56,240 --> 00:23:53,040

they where are they why do you think you

486

00:23:58,010 --> 00:23:56,250

have another mom and dad now I was still

487

00:24:00,220 --> 00:23:58,020

very young at that point so I don't

488

00:24:03,410 --> 00:24:00,230

really remember the answers I would give

489

00:24:05,600 --> 00:24:03,420

but my mom told me I wouldn't say much

490

00:24:07,490 --> 00:24:05,610

on the subject I would almost always

491

00:24:10,400 --> 00:24:07,500

ignore her questions and continue

492

00:24:13,160 --> 00:24:10,410

talking about them things started to get

493

00:24:15,710 --> 00:24:13,170

more intense very fast I would be out in

494

00:24:18,230 --> 00:24:15,720

public happily walking alongside my mom

495

00:24:20,390 --> 00:24:18,240

and the next minute I would just break

496

00:24:22,580 --> 00:24:20,400

out into these loud heart-wrenching

497

00:24:25,780 --> 00:24:22,590

screams and throw myself on the ground

498

00:24:28,880 --> 00:24:25,790

screaming for my other mom and dad

499

00:24:31,520 --> 00:24:28,890

looking back I sort of remember the way

500

00:24:34,280 --> 00:24:31,530

I used to picture them but when asking

501
00:24:36,320 --> 00:24:34,290
my mom it was confirmed I used to

502
00:24:38,840 --> 00:24:36,330
picture this lovely looking couple

503
00:24:41,540 --> 00:24:38,850
they looked roughly around their late

504
00:24:43,550 --> 00:24:41,550
30s perhaps a little older the woman

505
00:24:46,010 --> 00:24:43,560
would have this beautiful flowing pink

506
00:24:49,190 --> 00:24:46,020
dress with a pearl necklace and blonde

507
00:24:51,610 --> 00:24:49,200
hair the man however was dark-haired

508
00:24:54,410 --> 00:24:51,620
wearing a stunning tuxedo and a

509
00:24:55,010 --> 00:24:54,420
pencil-thin mustache with a cigar in his

510
00:24:58,130 --> 00:24:55,020
mouth

511
00:25:01,010 --> 00:24:58,140
my mom described it as though I was

512
00:25:04,850 --> 00:25:01,020
describing a couple from the 1960s or

513
00:25:06,920 --> 00:25:04,860

something around that period as I got a

514

00:25:10,010 --> 00:25:06,930

little older I continued to believe I

515

00:25:12,890 --> 00:25:10,020

had another mom and dad but then

516

00:25:15,830 --> 00:25:12,900

something else happened one day I

517

00:25:18,460 --> 00:25:15,840

remember this well I made a new

518

00:25:21,230 --> 00:25:18,470

imaginary friend I didn't know her name

519

00:25:23,590 --> 00:25:21,240

looking back now I'm not sure why I

520

00:25:27,050 --> 00:25:23,600

remember exactly what she looked like

521

00:25:29,810 --> 00:25:27,060

she had long thick black hair and even

522

00:25:32,240 --> 00:25:29,820

longer black thin dress that flowed out

523

00:25:34,640 --> 00:25:32,250

as it reached the bottom and bright red

524

00:25:37,370 --> 00:25:34,650

lipstick I don't remember any other

525

00:25:39,470 --> 00:25:37,380

facial features but the word thing was

526
00:25:42,500 --> 00:25:39,480
she would only appear at night and would

527
00:25:44,930 --> 00:25:42,510
follow the exact same routine she'd walk

528
00:25:47,330 --> 00:25:44,940
by my bedroom door stare through and

529
00:25:50,450 --> 00:25:47,340
smile at me and then she would walk off

530
00:25:53,840 --> 00:25:50,460
into my parents bedroom this completely

531
00:25:56,540 --> 00:25:53,850
freaked my mom out when I told her this

532
00:25:58,880 --> 00:25:56,550
like most likely people probably would

533
00:26:01,610 --> 00:25:58,890
be as she decided she wanted to know

534
00:26:05,210 --> 00:26:01,620
more so on a daily basis she would ask

535
00:26:08,330 --> 00:26:05,220
me silly questions about the imaginary

536
00:26:10,270 --> 00:26:08,340
friend and what's her name what games do

537
00:26:12,800 --> 00:26:10,280
you play together my mom would say I

538
00:26:15,080 --> 00:26:12,810

didn't really give much away except

539

00:26:18,080 --> 00:26:15,090

sometimes I would apply ask her yourself

540

00:26:20,720 --> 00:26:18,090

she's standing right next to you this

541

00:26:23,960 --> 00:26:20,730

made my mom officially freaked out and

542

00:26:26,000 --> 00:26:23,970

she told my dad everything he then began

543

00:26:29,150 --> 00:26:26,010

to watch me to to see if there were

544

00:26:30,530 --> 00:26:29,160

any strange behaviors he said I would

545

00:26:33,080 --> 00:26:30,540

tell him things about my

546

00:26:34,880 --> 00:26:33,090

great-grandmother how she looked like to

547

00:26:37,820 --> 00:26:34,890

keep her garden eyes her favorite food

548

00:26:39,440 --> 00:26:37,830

etc but the scary part was my

549

00:26:41,960 --> 00:26:39,450

great-grandmother had died three months

550

00:26:45,320 --> 00:26:41,970

before I was even born and I had never

551
00:26:47,600 --> 00:26:45,330
met her and since it was the late 1990s

552
00:26:50,600 --> 00:26:47,610
it wasn't as regular to have lots of

553
00:26:51,409 --> 00:26:50,610
photos of people we had none of my

554
00:26:55,490 --> 00:26:51,419
great-grandmother

555
00:26:57,470 --> 00:26:55,500
my mama really never got to see the side

556
00:27:00,020 --> 00:26:57,480
of me until she experienced it herself

557
00:27:02,270 --> 00:27:00,030
one day and to this day I kid you not

558
00:27:05,030 --> 00:27:02,280
she still brings it up and ask me

559
00:27:06,950 --> 00:27:05,040
questions about it so basically one day

560
00:27:09,140 --> 00:27:06,960
a few years after we had moved in our

561
00:27:11,659 --> 00:27:09,150
new house just around the corner from

562
00:27:14,330 --> 00:27:11,669
our old one I was up the stairs on the

563
00:27:17,570 --> 00:27:14,340

laptop just minding my own business when

564

00:27:20,180 --> 00:27:17,580

my mom heard me talking from upstairs

565

00:27:22,220 --> 00:27:20,190

and came up to check on me when she

566

00:27:25,460 --> 00:27:22,230

opened the door from the way she

567

00:27:28,490 --> 00:27:25,470

describes it I didn't even notice her

568

00:27:30,740 --> 00:27:28,500

walking end and this was strange because

569

00:27:33,440 --> 00:27:30,750

the laptop was literally inches away

570

00:27:35,539 --> 00:27:33,450

from the door I could practically feel

571

00:27:38,360 --> 00:27:35,549

her breath on my arm from where I was

572

00:27:40,580 --> 00:27:38,370

sitting she said it was almost like I

573

00:27:42,680 --> 00:27:40,590

was in a trance when she asked what I

574

00:27:45,919 --> 00:27:42,690

was at doing I turned to her and said

575

00:27:49,909 --> 00:27:45,929

I'm talking to great-grandmother Lindsay

576

00:27:53,690 --> 00:27:49,919

this shocked her to her very core as she

577

00:27:56,990 --> 00:27:53,700

never spoke about it as we grew up if it

578

00:27:59,030 --> 00:27:57,000

wasn't for me mentioning her me and my

579

00:28:01,940 --> 00:27:59,040

sisters probably wouldn't even know who

580

00:28:04,580 --> 00:28:01,950

she was she turned to me with this

581

00:28:08,299 --> 00:28:04,590

serious face and said what do you mean

582

00:28:11,450 --> 00:28:08,309

talking to her to which I replied on the

583

00:28:13,730 --> 00:28:11,460

laptop my mom then reached over to the

584

00:28:16,700 --> 00:28:13,740

screen and started to read the message I

585

00:28:19,280 --> 00:28:16,710

had opened up a Word document and it was

586

00:28:21,110 --> 00:28:19,290

full of questions like how are you what

587

00:28:23,810 --> 00:28:21,120

are you doing nothing out of the

588

00:28:26,480 --> 00:28:23,820

ordinary but my mom was puzzled when she

589

00:28:29,210 --> 00:28:26,490

realized I had been leaving huge spaces

590

00:28:32,120 --> 00:28:29,220

after my questions when she asked me

591

00:28:34,669 --> 00:28:32,130

about it I just stared right through her

592

00:28:36,850 --> 00:28:34,679

and said that's her replies can't you

593

00:28:38,860 --> 00:28:36,860

see them

594

00:28:40,900 --> 00:28:38,870

this is one of the last childhood

595

00:28:42,940 --> 00:28:40,910

stories my mom likes to talk about and

596

00:28:45,610 --> 00:28:42,950

I'm too hesitant to ask if there is

597

00:28:48,520 --> 00:28:45,620

anything more but anyway skip a few

598

00:28:50,650 --> 00:28:48,530

years and I am now 10 years old my dad

599

00:28:53,080 --> 00:28:50,660

sadly passed away due to a heart attack

600

00:28:54,640 --> 00:28:53,090

and it hit the family pretty bad he died

601
00:28:57,039 --> 00:28:54,650
in the hospital so my family were

602
00:28:58,780 --> 00:28:57,049
hesitant to go back to the house since

603
00:29:01,630 --> 00:28:58,790
we hadn't been there since he took the

604
00:29:03,610 --> 00:29:01,640
attack it was about two days after his

605
00:29:05,590 --> 00:29:03,620
death and we decided it was time to go

606
00:29:09,310 --> 00:29:05,600
home and try to get back to as normal as

607
00:29:11,500 --> 00:29:09,320
we can but I think to tell this story I

608
00:29:15,220 --> 00:29:11,510
need to back up to when my dad was still

609
00:29:17,470 --> 00:29:15,230
alive my dad was very into fish and

610
00:29:19,240 --> 00:29:17,480
taking care of them he had this huge

611
00:29:21,789 --> 00:29:19,250
fish tank setup in the middle of the

612
00:29:23,919 --> 00:29:21,799
kitchen and he was extremely proud of

613
00:29:26,560 --> 00:29:23,929

how will he looked after the tank of

614

00:29:28,450 --> 00:29:26,570

fish even though my dad loved this tank

615

00:29:31,600 --> 00:29:28,460

he sometimes would forget to feed the

616

00:29:34,240 --> 00:29:31,610

fish so he decided to buy a timer that

617

00:29:37,060 --> 00:29:34,250

would go off the same time every day to

618

00:29:40,000 --> 00:29:37,070

remind him but my dad practically spent

619

00:29:42,100 --> 00:29:40,010

most of his adult life in the kitchen so

620

00:29:44,680 --> 00:29:42,110

he decided that the noise it made was

621

00:29:47,560 --> 00:29:44,690

too irritating and he was just going

622

00:29:49,390 --> 00:29:47,570

back to remembering to feed them so he

623

00:29:51,850 --> 00:29:49,400

took one battery out and shoved it in

624

00:29:54,370 --> 00:29:51,860

the cupboard in the kitchen it sat there

625

00:29:56,530 --> 00:29:54,380

for years untouched to the point we

626

00:29:58,990 --> 00:29:56,540

forget he haven't had it now

627

00:30:00,340 --> 00:29:59,000

fast-forward to the first day we got

628

00:30:02,860 --> 00:30:00,350

home after his death

629

00:30:05,020 --> 00:30:02,870

we just went home and got some shopping

630

00:30:07,659 --> 00:30:05,030

and we're taking it back to unload and

631

00:30:10,600 --> 00:30:07,669

then started cleaning the house as we

632

00:30:13,659 --> 00:30:10,610

walked in we could hear this really

633

00:30:15,159 --> 00:30:13,669

faint irritating noise we all looked at

634

00:30:17,500 --> 00:30:15,169

each other and weren't really sure what

635

00:30:20,560 --> 00:30:17,510

it was but didn't think too much of it

636

00:30:23,530 --> 00:30:20,570

as we walk it to the kitchen the noise

637

00:30:25,960 --> 00:30:23,540

just bursts out of nowhere and blows up

638

00:30:27,539 --> 00:30:25,970

our ears we drop our bags and start

639

00:30:30,280 --> 00:30:27,549

searching for the cause of this noise

640

00:30:32,350 --> 00:30:30,290

when all of a sudden my sister opened

641

00:30:36,220 --> 00:30:32,360

the cupboard door and what do you know

642

00:30:39,789 --> 00:30:36,230

it was my dad's fish timer reminding him

643

00:30:45,400 --> 00:30:39,799

to feed the fish still with one battery

644

00:30:48,340 --> 00:30:45,410

inside this story is 100% true so

645

00:30:49,820 --> 00:30:48,350

there's not really much I can do if you

646

00:30:53,060 --> 00:30:49,830

don't believe it

647

00:30:55,580 --> 00:30:53,070

now in my later years I didn't really

648

00:30:57,590 --> 00:30:55,590

see or hear things anymore and I thought

649

00:30:59,960 --> 00:30:57,600

it was all just my imagination being too

650

00:31:01,399 --> 00:30:59,970

large as a child but recently weird

651

everyday life details at Macy's

664

00:31:34,580 --> 00:31:31,919

backstage calm started happening again I

665

00:31:37,159 --> 00:31:34,590

have this constant uneasy feeling of

666

00:31:39,680 --> 00:31:37,169

being watched and I have been told by

667

00:31:40,249 --> 00:31:39,690

few people who claim to be psychic I am

668

00:31:42,560 --> 00:31:40,259

too

669

00:31:45,049 --> 00:31:42,570

I started predicting things in my dreams

670

00:31:48,379 --> 00:31:45,059

like crash as fire is basically very bad

671

00:31:50,749 --> 00:31:48,389

situations and the next day there it

672

00:31:53,389 --> 00:31:50,759

would be on the news I feel like seeing

673

00:31:55,879 --> 00:31:53,399

things for you in a split second then

674

00:31:58,519 --> 00:31:55,889

they are gone I guess my reason for

675

00:32:00,919 --> 00:31:58,529

posting this is to get some answers on

676

00:32:05,830 --> 00:32:00,929
