

UFO Headline News | Wednesday, November 23rd, 2017

Listen on

inceptionradionetwork.com

1
00:00:04,640 --> 00:00:02,570
smile we're headed to Macy's backstage

2
00:00:07,190 --> 00:00:04,650
and did you hear about the new backstage

3
00:00:10,040 --> 00:00:07,200
scratch winds smile game yeah everyone's

4
00:00:11,540 --> 00:00:10,050
a winner right make any \$25 backstage

5
00:00:14,209 --> 00:00:11,550
purchase now through Saturday December

6
00:00:16,519 --> 00:00:14,219
2nd and score a scratch wins mild game

7
00:00:18,560 --> 00:00:16,529
card you're guaranteed to win a one five

8
00:00:20,630 --> 00:00:18,570
ten or twenty five dollar prize to

9
00:00:23,390 --> 00:00:20,640
redeem at Macy's backstage at a later

10
00:00:25,910 --> 00:00:23,400
date scratch and win what's not to smile

11
00:00:27,529 --> 00:00:25,920
about Macy's backstage savings for

12
00:00:33,110 --> 00:00:27,539
everyday life details at Macy's

13
00:00:35,360 --> 00:00:33,120

backstage calm welcome to UFO headline

14

00:00:40,700 --> 00:00:35,370

news with me Heidi Hollis today is

15

00:00:44,150 --> 00:00:40,710

Thursday November 23rd 2017 blasting off

16

00:00:48,160 --> 00:00:44,160

with some UFO reports there was a UFO

17

00:00:51,580 --> 00:00:48,170

sighting in LaRue Ohio on August 10th of

18

00:00:54,619 --> 00:00:51,590

2017 the witness describes it as being

19

00:00:58,369 --> 00:00:54,629

random flashing of various intensities

20

00:01:02,510 --> 00:00:58,379

in one particular small area of sky near

21

00:01:05,990 --> 00:01:02,520

Cassiopeia the witness continues to say

22

00:01:08,750 --> 00:01:06,000

this is an edited UFO video flashes in

23

00:01:10,969 --> 00:01:08,760

the sky pointed out and they also

24

00:01:15,350 --> 00:01:10,979

included a description under their video

25

00:01:19,850 --> 00:01:15,360

of the raw video and they seen this same

26

00:01:22,310 --> 00:01:19,860

thing in multiple sites around 2012 it

27

00:01:25,310 --> 00:01:22,320

makes no sound the first seconds of his

28

00:01:27,620 --> 00:01:25,320

video are just stars and he has an

29

00:01:30,469 --> 00:01:27,630

extensive aviation and aerospace

30

00:01:33,440 --> 00:01:30,479

background enough to know the difference

31

00:01:37,340 --> 00:01:33,450

in airborne craft and their flight

32

00:01:40,429 --> 00:01:37,350

peculiarities if any he goes on to

33

00:01:43,910 --> 00:01:40,439

describe this thing follows a no linear

34

00:01:46,280 --> 00:01:43,920

path and has only one light that shines

35

00:01:49,340 --> 00:01:46,290

at irregular intervals at varying

36

00:01:51,530 --> 00:01:49,350

intensities often the light flashes

37

00:01:54,950 --> 00:01:51,540

bright enough to rival Venus or Sirius

38

00:01:57,709 --> 00:01:54,960

or perhaps even brighter I know all

39

00:01:59,630 --> 00:01:57,719

about wright-patterson as per Roswell

40

00:02:02,749 --> 00:01:59,640

and my gramps used to work there in the

41

00:02:05,480 --> 00:02:02,759

1950s through the 1980s if it were a

42

00:02:07,370 --> 00:02:05,490

small kit aircraft it would have been

43

00:02:11,089 --> 00:02:07,380

low enough to be able to hear like

44

00:02:13,880 --> 00:02:11,099

around 5000 feet if a small kit aircraft

45

00:02:16,970 --> 00:02:13,890

managed to get up to 14,000 hour

46

00:02:18,740 --> 00:02:16,980

fire air would run thin maybe the pile

47

00:02:21,199 --> 00:02:18,750

is on oxygen but at least those

48

00:02:23,960 --> 00:02:21,209

altitudes an angular separation between

49

00:02:26,660 --> 00:02:23,970

each flash is far enough apart that

50

00:02:29,630 --> 00:02:26,670

speed required to be in the following

51
00:02:32,930 --> 00:02:29,640
flash position would greatly exceed that

52
00:02:35,930 --> 00:02:32,940
of a single-engine propeller there is no

53
00:02:39,380 --> 00:02:35,940
reason why some pilot would be up above

54
00:02:41,810 --> 00:02:39,390
this town and rural Ohio they put a

55
00:02:44,390 --> 00:02:41,820
curse word in there with no wingtip

56
00:02:48,650 --> 00:02:44,400
navigation which means green and red

57
00:02:51,199 --> 00:02:48,660
lights against FAA regulations flashing

58
00:02:54,050 --> 00:02:51,209
a single light in a strange manner

59
00:02:58,190 --> 00:02:54,060
I thought maybe an experimental military

60
00:03:02,030 --> 00:02:58,200
craft of some sort doing an exercise as

61
00:03:04,430 --> 00:03:02,040
often seen when this thing this is a

62
00:03:09,020 --> 00:03:04,440
commercial airliner nearby at cruising

63
00:03:11,120 --> 00:03:09,030

altitude above 18,000 feet but I have

64

00:03:14,090 --> 00:03:11,130

seen these flashes with witnesses who

65

00:03:16,790 --> 00:03:14,100

also have seen them multiple times from

66

00:03:19,640 --> 00:03:16,800

coast to coast for about the last seven

67

00:03:23,569 --> 00:03:19,650

or eight years he stayed till edit the

68

00:03:26,300 --> 00:03:23,579

video of this and he states I suspect I

69

00:03:29,360 --> 00:03:26,310

will be able to film them again soon and

70

00:03:31,640 --> 00:03:29,370

like I said I will try to do this more

71

00:03:34,580 --> 00:03:31,650

in the future this is the first time

72

00:03:36,259 --> 00:03:34,590

that I have filmed it on hi-def or at

73

00:03:39,020 --> 00:03:36,269

all for that matter and for the first

74

00:03:41,330 --> 00:03:39,030

time I have ever had a camera good

75

00:03:44,449 --> 00:03:41,340

enough to even film anything at night

76

00:03:47,479 --> 00:03:44,459

and I hope to improve my filming skills

77

00:03:49,720 --> 00:03:47,489

in the coming nights I have seen it so

78

00:03:53,270 --> 00:03:49,730

many times over the years and made it

79

00:03:56,390 --> 00:03:53,280

flash by asking hmm

80

00:03:59,630 --> 00:03:56,400

that I am pretty sure I can get the same

81

00:04:01,610 --> 00:03:59,640

result again my guess is maybe a drone

82

00:04:04,880 --> 00:04:01,620

or perhaps it is above the atmosphere

83

00:04:08,300 --> 00:04:04,890

over 100 kilometres which would make it

84

00:04:10,160 --> 00:04:08,310

huge but I'm not sure of the altitude if

85

00:04:13,819 --> 00:04:10,170

I had to bet my life on it

86

00:04:17,659 --> 00:04:13,829

I would guess between 20,000 and 50,000

87

00:04:20,380 --> 00:04:17,669

maybe lastly there are a few remaining

88

00:04:23,330 --> 00:04:20,390

fireflies lightning bugs in the area

89

00:04:26,839 --> 00:04:23,340

I've been tricked before by perspective

90

00:04:27,470 --> 00:04:26,849

regarding UFOs so I am careful to

91

00:04:30,650 --> 00:04:27,480

discern

92

00:04:33,050 --> 00:04:30,660

this fireflies do not flash as brightly

93

00:04:35,270 --> 00:04:33,060

as the planet Venus or the star series

94

00:04:37,340 --> 00:04:35,280

and I've seen these flashes in the

95

00:04:40,720 --> 00:04:37,350

winter months and in parts of the

96

00:04:44,120 --> 00:04:40,730

country which do not harbor fireflies

97

00:04:47,780 --> 00:04:44,130

they state they submitted video that

98

00:04:50,930 --> 00:04:47,790

it's edit and one is raw while making

99

00:04:54,560 --> 00:04:50,940

the edited video I missed many things as

100

00:04:57,170 --> 00:04:54,570

Windows Movie Maker does not have high

101
00:04:59,690 --> 00:04:57,180
def when editing as far as I know you

102
00:05:03,410 --> 00:04:59,700
can see a lot more in the raw video pay

103
00:05:06,530 --> 00:05:03,420
particular attention to the flash at 34

104
00:05:09,500 --> 00:05:06,540
seconds the object appears a more than

105
00:05:11,810 --> 00:05:09,510
just a single point of light I did not

106
00:05:14,690 --> 00:05:11,820
move the camera at all in the area films

107
00:05:15,100 --> 00:05:14,700
is roughly the size of a fist at arm's

108
00:05:18,080 --> 00:05:15,110
length

109
00:05:20,990 --> 00:05:18,090
several flashes occur simultaneously in

110
00:05:23,960 --> 00:05:21,000
different locations I am hopeful that

111
00:05:30,860 --> 00:05:23,970
MUFON will be able to improve the video

112
00:05:35,530 --> 00:05:30,870
quality some as I cannot our next UFO

113
00:05:41,260 --> 00:05:35,540

sighting comes to us from agua dulce s e

114

00:05:45,080 --> 00:05:41,270

state of Santa Catarina on November 12

115

00:05:48,380 --> 00:05:45,090

2017 the witness states this is a

116

00:05:52,910 --> 00:05:48,390

satellite type light shifting shining

117

00:05:58,250 --> 00:05:52,920

and accelerating they described I was at

118

00:05:59,980 --> 00:05:58,260

a PCH located in Agua Dulce SC I believe

119

00:06:02,780 --> 00:05:59,990

they mean Southern California

120

00:06:03,560 --> 00:06:02,790

photographing the night sky in addition

121

00:06:05,930 --> 00:06:03,570

to stars

122

00:06:08,990 --> 00:06:05,940

I observed Commercial Airplanes

123

00:06:11,630 --> 00:06:09,000

satellites and meteors at one point what

124

00:06:14,440 --> 00:06:11,640

I thought was a satellite a properly

125

00:06:16,670 --> 00:06:14,450

changed direction by 45 degrees

126
00:06:20,570 --> 00:06:16,680
repeating this movement with a

127
00:06:22,540 --> 00:06:20,580
trajectory in zig-zag the speed was a

128
00:06:25,390 --> 00:06:22,550
little lower than the commercial planes

129
00:06:28,430 --> 00:06:25,400
the movement was very peculiar

130
00:06:32,120 --> 00:06:28,440
detachable from any other celestial body

131
00:06:34,730 --> 00:06:32,130
I directed my camera to try to capture

132
00:06:37,760 --> 00:06:34,740
the movement during the exposure time of

133
00:06:40,189 --> 00:06:37,770
the photograph 60s

134
00:06:43,100 --> 00:06:40,199
the object increased the intensity of

135
00:06:48,670 --> 00:06:43,110
the brightness and accelerated very fast

136
00:06:52,870 --> 00:06:48,680
and then disappearing next UFO report

137
00:06:59,980 --> 00:06:52,880
this is a sighting in abundant buck

138
00:07:04,969 --> 00:06:59,990

Rhineland pollinate on July 1st 2017

139

00:07:09,980 --> 00:07:04,979

this is a UFO over Henan bhakta

140

00:07:13,279 --> 00:07:09,990

Boonen bok germany the witness states

141

00:07:16,309 --> 00:07:13,289

please note that what i've seen was not

142

00:07:19,129 --> 00:07:16,319

a plane i do not have the exact date

143

00:07:22,550 --> 00:07:19,139

anymore but it was a warm summer night

144

00:07:25,279 --> 00:07:22,560

and I was sitting late in the evening I

145

00:07:30,439 --> 00:07:25,289

guess around 10:00 p.m. or later in my

146

00:07:33,439 --> 00:07:30,449

background with a cup of tea it was a

147

00:07:35,659 --> 00:07:33,449

lovely warm summer night no clouds I was

148

00:07:38,510 --> 00:07:35,669

looking at the clear sky to watch the

149

00:07:40,939 --> 00:07:38,520

stars as suddenly in the distance a

150

00:07:43,700 --> 00:07:40,949

bright light appeared I immediately

151
00:07:46,879 --> 00:07:43,710
thought I should make a wish because my

152
00:07:51,290 --> 00:07:46,889
first impression was this is a falling

153
00:07:55,670 --> 00:07:51,300
star but then I saw it did not go down

154
00:07:58,249 --> 00:07:55,680
in a straight line the round object was

155
00:08:00,800 --> 00:07:58,259
in the distance difficult to tell the

156
00:08:03,770 --> 00:08:00,810
actual size because I do not know how

157
00:08:05,990 --> 00:08:03,780
far away it was from my point of view it

158
00:08:10,040 --> 00:08:06,000
was surround the size of a penny and

159
00:08:12,350 --> 00:08:10,050
seemed more like a round object it went

160
00:08:15,370 --> 00:08:12,360
from my right point of view in a

161
00:08:18,080 --> 00:08:15,380
constant speed but descending and

162
00:08:22,510 --> 00:08:18,090
disappeared from my point of view behind

163
00:08:25,570 --> 00:08:22,520

the village abuddin Bock interestingly

164

00:08:31,100 --> 00:08:25,580

there is a huge National Park they're

165

00:08:33,649 --> 00:08:31,110

called Rokenbok dull nearby ten

166

00:08:37,459 --> 00:08:33,659

kilometers away is the small

167

00:08:40,490 --> 00:08:37,469

frankfurt-hahn airport and also we do

168

00:08:44,870 --> 00:08:40,500

have a military area known as troop

169

00:08:47,449 --> 00:08:44,880

amongst plots Baumholder but this is 50

170

00:08:50,000 --> 00:08:47,459

kilometers in the other direction it

171

00:08:51,079 --> 00:08:50,010

seemed to me that this object knew what

172

00:08:54,410 --> 00:08:51,089

it was doing in

173

00:08:57,439 --> 00:08:54,420

very securely landed in the middle of

174

00:09:00,739 --> 00:08:57,449

nowhere in the National Park or the

175

00:09:03,259 --> 00:09:00,749

enclosed fields unfortunately I did not

176

00:09:06,280 --> 00:09:03,269

write down the time and the day but I

177

00:09:09,290 --> 00:09:06,290

can only state this was not a plane

178

00:09:11,679 --> 00:09:09,300

living near an airport I know how planes

179

00:09:17,660 --> 00:09:11,689

are looking during flight and landing

180

00:09:19,610 --> 00:09:17,670

but this was something else now for a

181

00:09:21,410 --> 00:09:19,620

blast from the past was some ancient

182

00:09:23,150 --> 00:09:21,420

history there are a number of tales

183

00:09:25,610 --> 00:09:23,160

mentioned in Native American tribes

184

00:09:28,340 --> 00:09:25,620

about tall and strong red-haired Giants

185

00:09:31,249 --> 00:09:28,350

which inhabited the Nevada region of

186

00:09:34,040 --> 00:09:31,259

thousands of years ago in the stories

187

00:09:36,679 --> 00:09:34,050

they're described as cruel cannibalistic

188

00:09:39,980 --> 00:09:36,689

and extremely barbaric race of humanoids

189

00:09:42,710 --> 00:09:39,990

lets this Native American tribe was

190

00:09:45,999 --> 00:09:42,720

called the peyote and they had a name

191

00:09:47,840 --> 00:09:46,009

for this race of giants called sadaqa in

192

00:09:53,210 --> 00:09:47,850

northern peyote

193

00:09:55,790 --> 00:09:53,220

this means tool eaters tul II since

194

00:09:58,519 --> 00:09:55,800

according to the legend these giants

195

00:10:00,319 --> 00:09:58,529

arrived from a distant island by

196

00:10:04,809 --> 00:10:00,329

crossing the ocean on the rafts

197

00:10:08,960 --> 00:10:04,819

constructed using the fibrous tool plant

198

00:10:12,019 --> 00:10:08,970

Lovelock giant skulls in the 16th

199

00:10:16,989 --> 00:10:12,029

century Spanish conquistador Pedro

200

00:10:19,819 --> 00:10:16,999

Caesar de Lyonne in Cana Rica's del Peru

201
00:10:23,059 --> 00:10:19,829
finds a story about the origin of the

202
00:10:26,119 --> 00:10:23,069
South American Giants according to the

203
00:10:29,199 --> 00:10:26,129
story they came by sea and rafts of

204
00:10:32,449 --> 00:10:29,209
reeds after the manner of large boats

205
00:10:34,669 --> 00:10:32,459
some of the men were so tall that from

206
00:10:40,419 --> 00:10:34,679
the knee down they were as big as the

207
00:10:47,449 --> 00:10:43,610
according to the legend this ancient

208
00:10:49,910 --> 00:10:47,459
tribe of giants waged war against the

209
00:10:52,910 --> 00:10:49,920
peyote and all the other tribes in their

210
00:10:55,160 --> 00:10:52,920
neighborhood the war was dreadful for

211
00:10:57,919 --> 00:10:55,170
the native tribes and on the eve of

212
00:11:00,999 --> 00:10:57,929
their annihilation they joined their

213
00:11:04,130 --> 00:11:01,009

forces all together against the sea taka

214

00:11:08,030 --> 00:11:04,140

therefore managed to lure them inside

215

00:11:10,010 --> 00:11:08,040

cave once they got them inside tribes

216

00:11:13,370 --> 00:11:10,020

started a fire at the entrance of the

217

00:11:17,480 --> 00:11:13,380

cave which caused all the Giants to

218

00:11:20,930 --> 00:11:17,490

suffocate and die the entrance of the

219

00:11:24,200 --> 00:11:20,940

Lovelock cave the entrance of the cave

220

00:11:28,240 --> 00:11:24,210

was sealed off by the tribes until 1886

221

00:11:30,910 --> 00:11:28,250

and then John T read a mining engineer

222

00:11:34,160 --> 00:11:30,920

intrigued by stories of native tribes

223

00:11:37,930 --> 00:11:34,170

went into the cave and although he could

224

00:11:40,850 --> 00:11:37,940

not dig by himself he spread the story

225

00:11:43,730 --> 00:11:40,860

sadly the attention was caught by a

226

00:11:47,540 --> 00:11:43,740

company established by miners Dave or

227

00:11:50,390 --> 00:11:47,550

pug and James Hart and due to the fact

228

00:11:53,330 --> 00:11:50,400

quano deposits were discovered inside

229

00:11:56,980 --> 00:11:53,340

they started excavating the valuable

230

00:11:59,240 --> 00:11:56,990

resource in 1911 but in that process any

231

00:12:01,280 --> 00:11:59,250

kind of artifacts that might have been

232

00:12:05,510 --> 00:12:01,290

discovered was almost certainly

233

00:12:08,110 --> 00:12:05,520

overlooked or lost nonetheless after the

234

00:12:10,450 --> 00:12:08,120

exterior layer of guano was mined

235

00:12:14,060 --> 00:12:10,460

fascinating objects started to surface

236

00:12:17,480 --> 00:12:14,070

this prompted a proper excavation being

237

00:12:20,320 --> 00:12:17,490

conducted in 1912 by the University of

238

00:12:25,400 --> 00:12:20,330

California followed by another one in

239

00:12:28,520 --> 00:12:25,410

1924 reports informed about a huge

240

00:12:33,410 --> 00:12:28,530

number of artifacts acquired many of

241

00:12:36,470 --> 00:12:33,420

them being completely astounding inside

242

00:12:38,690 --> 00:12:36,480

the Lovelock cave probably one of the

243

00:12:42,740 --> 00:12:38,700

most remarkable findings within this

244

00:12:47,050 --> 00:12:42,750

cave was several 15 inches long sandals

245

00:12:51,200 --> 00:12:47,060

that revealed indications of being used

246

00:12:53,690 --> 00:12:51,210

allegedly other extraordinarily larger

247

00:12:56,710 --> 00:12:53,700

items were recovered but have since been

248

00:13:00,500 --> 00:12:56,720

secured away in museum warehouses and

249

00:13:02,840 --> 00:13:00,510

non-public collections the only piece of

250

00:13:05,980 --> 00:13:02,850

evidence that can be witnessed at

251

00:13:09,500 --> 00:13:05,990

present is an enormous palm print

252

00:13:15,270 --> 00:13:09,510

embedded on a boulder inside the

253

00:13:18,000 --> 00:13:15,280

Lovelock cave the Lovelock handprint

254

00:13:20,580 --> 00:13:18,010

the second excavation that took place in

255

00:13:24,540 --> 00:13:20,590

the cave exposed many other disturbing

256

00:13:27,920 --> 00:13:24,550

discoveries in 1931 based on an article

257

00:13:30,510 --> 00:13:27,930

posted in the Nevada Review minor a

258

00:13:33,930 --> 00:13:30,520

couple of huge skeletons were found

259

00:13:37,470 --> 00:13:33,940

buried in a dry lake bed near Lovelock

260

00:13:40,560 --> 00:13:37,480

Nevada the extra-large remains measured

261

00:13:43,890 --> 00:13:40,570

8 and a half feet respectively 10 feet

262

00:13:50,400 --> 00:13:43,900

in height and was found on them was

263

00:13:52,590 --> 00:13:50,410

reddish hair Lovelock mummies there are

264

00:13:55,110 --> 00:13:52,600

numerous speculations circling around

265

00:13:57,750 --> 00:13:55,120

the scientific communities that these

266

00:14:02,070 --> 00:13:57,760

vicious Giants could in fact be the

267

00:14:05,250 --> 00:14:02,080

biblical Nephilim the forsworn offspring

268

00:14:09,300 --> 00:14:05,260

of the sons of God with the daughters of

269

00:14:11,880 --> 00:14:09,310

men if this happens to be correct we can

270

00:14:14,790 --> 00:14:11,890

presume that these mummies will probably

271

00:14:20,600 --> 00:14:14,800

be hidden from the public in order to

272

00:14:26,030 --> 00:14:20,610

keep this history secret not surprising

273

00:14:32,730 --> 00:14:26,040

now creeping into the paranormal topic a

274

00:14:36,060 --> 00:14:32,740

most haunted family a witness writes I

275

00:14:39,120 --> 00:14:36,070

am pretty sure I am actually the only

276

00:14:42,480 --> 00:14:39,130

person in my family who does not have a

277

00:14:44,850 --> 00:14:42,490

personal ghost story I find my family to

278

00:14:47,880 --> 00:14:44,860

be very intelligent people that would

279

00:14:50,280 --> 00:14:47,890

not make this crap up but it's also hard

280

00:14:54,090 --> 00:14:50,290

to imagine something that you yourself

281

00:14:55,860 --> 00:14:54,100

have never experienced you know so here

282

00:14:58,850 --> 00:14:55,870

are some of their stories which are

283

00:15:02,370 --> 00:14:58,860

pretty darned creepy

284

00:15:05,760 --> 00:15:02,380

my mother lived in a haunted house when

285

00:15:07,710 --> 00:15:05,770

she was very young they feel that this

286

00:15:10,170 --> 00:15:07,720

was more than a spirit in the house

287

00:15:13,140 --> 00:15:10,180

apparently the house had a colored

288

00:15:15,210 --> 00:15:13,150

history once my mother woke up in the

289

00:15:17,520 --> 00:15:15,220

middle of the night and a dark figure

290

00:15:20,640 --> 00:15:17,530

was messing with the items on her

291

00:15:22,500 --> 00:15:20,650

bedside table she assumed it was my

292

00:15:27,720 --> 00:15:22,510

grandmother and asked her what she was

293

00:15:31,229 --> 00:15:27,730

doing a voice in her head told her

294

00:15:33,629 --> 00:15:31,239

go back to sleep and smile

295

00:15:35,280 --> 00:15:33,639

we're headed to Macy's backstage and did

296

00:15:37,499 --> 00:15:35,290

you hear about the new backstage scratch

297

00:15:38,009 --> 00:15:37,509

winds smile game yeah everyone's a

298

00:15:40,650 --> 00:15:38,019

winner

299

00:15:42,419 --> 00:15:40,660

right make any \$25 backstage purchase

300

00:15:44,729 --> 00:15:42,429

now through Saturday December 2nd and

301

00:15:47,189 --> 00:15:44,739

score a scratch win smile game card

302

00:15:49,199 --> 00:15:47,199

you're guaranteed to win a one five ten

303

00:15:51,599 --> 00:15:49,209

or twenty five dollar prize to redeem at

304

00:15:54,809 --> 00:15:51,609

Macy's backstage at a later date scratch

305

00:15:56,609 --> 00:15:54,819

and win what's not to smile about Macy's

306

00:16:05,099 --> 00:15:56,619

backstage savings for everyday life

307

00:16:07,799 --> 00:16:05,109

details at Macy's backstage calm did the

308

00:16:09,150 --> 00:16:07,809

next morning she asked her mother what

309

00:16:11,879 --> 00:16:09,160

she had been doing in her room that

310

00:16:14,909 --> 00:16:11,889

night and my grandmother confirmed that

311

00:16:18,059 --> 00:16:14,919

it was not her in there they considered

312

00:16:21,419 --> 00:16:18,069

their parents room I believe to be the

313

00:16:23,460 --> 00:16:21,429

most haunted once my mother and uncle

314

00:16:26,280 --> 00:16:23,470

were I guess having some sort of

315

00:16:29,309 --> 00:16:26,290

endurance contest and or hiding under

316

00:16:31,710 --> 00:16:29,319

the bed covers they could hear something

317

00:16:34,769 --> 00:16:31,720

playing with a vacuum cleaner and my mom

318

00:16:36,379 --> 00:16:34,779

just bolted leaving my uncle to suffer

319

00:16:38,939 --> 00:16:36,389

alone

320

00:16:41,879 --> 00:16:38,949

he finally Springs out of the bed and

321

00:16:44,729 --> 00:16:41,889

runs and literally dives off the top of

322

00:16:48,900 --> 00:16:44,739

a rather steep stairway and then

323

00:16:51,599 --> 00:16:48,910

proceeds to float to the bottom of the

324

00:16:55,889 --> 00:16:51,609

stairs where my grandpa just happens to

325

00:16:58,799 --> 00:16:55,899

be waiting with open arms they all swear

326

00:17:05,069 --> 00:16:58,809

there is no way he could have been able

327

00:17:07,710 --> 00:17:05,079

to jump all those stairs another time my

328

00:17:09,809 --> 00:17:07,720

mom was kind of a tomboy and was outside

329

00:17:13,319 --> 00:17:09,819

getting beat up by some neighborhood

330

00:17:15,299 --> 00:17:13,329

boys and she looked up at her house and

331

00:17:18,750 --> 00:17:15,309

could see what she believed was my

332

00:17:21,600 --> 00:17:18,760

grandpa just sitting in his study window

333

00:17:24,689 --> 00:17:21,610

just watching she couldn't figure out

334

00:17:27,569 --> 00:17:24,699

why he wasn't helping her when she

335

00:17:29,370 --> 00:17:27,579

finally got inside and confronted him he

336

00:17:33,779 --> 00:17:29,380

swore up and down that he hadn't been in

337

00:17:35,700 --> 00:17:33,789

his study all day long apparently they

338

00:17:36,840 --> 00:17:35,710

had babysitter's that would run out of

339

00:17:38,460 --> 00:17:36,850

the house in the middle of the night

340

00:17:40,070 --> 00:17:38,470

because of the scary things that

341

00:17:43,129 --> 00:17:40,080

happened

342

00:17:45,729 --> 00:17:43,139

in later years when I was around 10 or

343

00:17:48,609 --> 00:17:45,739

so my mom worked at a local restaurant

344

00:17:51,950 --> 00:17:48,619

after closing and cleaning up the place

345

00:17:55,249 --> 00:17:51,960

it was always rumored that the place was

346

00:17:57,769 --> 00:17:55,259

haunted and she had so many scary

347

00:18:01,039 --> 00:17:57,779

experiences that she eventually wouldn't

348

00:18:02,570 --> 00:18:01,049

even go alone so my stepfather started

349

00:18:06,200 --> 00:18:02,580

going with her and experienced some of

350

00:18:08,539 --> 00:18:06,210

the craziness himself she would put up

351

00:18:11,509 --> 00:18:08,549

all the chairs on the tables turn around

352

00:18:16,399 --> 00:18:11,519

briefly and turn back and they would all

353

00:18:18,889 --> 00:18:16,409

be back down again she apparently the

354

00:18:20,419 --> 00:18:18,899

ghosts favorite game was running in and

355

00:18:23,840 --> 00:18:20,429

out of the large middle door in the

356

00:18:27,349 --> 00:18:23,850

kitchen one night it kept happening over

357

00:18:30,859 --> 00:18:27,359

and over again until finally my

358

00:18:33,739 --> 00:18:30,869

stepfather put a tall metal bread rack

359

00:18:37,989 --> 00:18:33,749

in front of the door a few moments later

360

00:18:41,289 --> 00:18:37,999

they heard a loud bang and went to check

361

00:18:44,989 --> 00:18:41,299

something had run into the door so hard

362

00:18:49,999 --> 00:18:44,999

that left a dent from the door hitting

363

00:18:52,669 --> 00:18:50,009

the bread rack on the other side the

364

00:18:55,789 --> 00:18:52,679

only other one I can think of comes from

365

00:18:58,519 --> 00:18:55,799

my older sister she lived alone an old

366

00:19:02,090 --> 00:18:58,529

apartment complex also rumored by many

367

00:19:04,580 --> 00:19:02,100

to be haunted she says that she was

368

00:19:06,830 --> 00:19:04,590

washing her face in the sink one night

369

00:19:10,310 --> 00:19:06,840

and looked into the mirror to see

370

00:19:12,320 --> 00:19:10,320

another face behind her she said that

371

00:19:15,470 --> 00:19:12,330

she was calm and told them that she

372

00:19:17,659 --> 00:19:15,480

didn't mind sharing the space as long as

373

00:19:24,259 --> 00:19:17,669

they left her alone and didn't try to

374

00:19:28,930 --> 00:19:24,269

scare her or anything like that Wow that

375

00:19:33,109 --> 00:19:28,940

would not be cool for me next

376

00:19:38,359 --> 00:19:33,119

photographic evidence the witness states

377

00:19:40,639 --> 00:19:38,369

I am a mental health therapist what am i

378

00:19:43,279 --> 00:19:40,649

schizophrenic clients said he was seeing

379

00:19:45,859 --> 00:19:43,289

a girl in his room and he said she was

380

00:19:49,099 --> 00:19:45,869

talking to him we believed it to be a

381

00:19:51,799 --> 00:19:49,109

hallucination as he was living alone the

382

00:19:52,970 --> 00:19:51,809

doctor I was with decided to challenge

383

00:19:55,220 --> 00:19:52,980

his delusion

384

00:20:00,170 --> 00:19:55,230

and had him take a picture of her so we

385

00:20:00,920 --> 00:20:00,180

could quote meet her well during the

386

00:20:05,060 --> 00:20:00,930

next visit

387

00:20:09,280 --> 00:20:05,070

he brought a picture and yes she was

388

00:20:11,960 --> 00:20:09,290

there to our astonishment and horror

389

00:20:16,790 --> 00:20:11,970

there was a picture of him on the couch

390

00:20:21,530 --> 00:20:16,800

with a strange creamy ghost-like image

391

00:20:25,610 --> 00:20:21,540

of a girl hovering behind him shrouding

392

00:20:28,190 --> 00:20:25,620

him in white like wings her hair very

393

00:20:31,100 --> 00:20:28,200

light in color but subtle shimmering

394

00:20:33,100 --> 00:20:31,110

image what was eerie was seeing him

395

00:20:37,480 --> 00:20:33,110

sitting on the couch with his head down

396

00:20:42,830 --> 00:20:37,490

very depressed looking she was literally

397

00:20:47,350 --> 00:20:42,840

haunting him all of our jaws simply hit

398

00:20:55,610 --> 00:20:50,720

everyone examined the picture and we

399

00:20:58,010 --> 00:20:55,620

could tell it was real dude was very low

400

00:21:04,580 --> 00:20:58,020

functioning and could not have shopped

401
00:21:08,350 --> 00:21:04,590
it crap got real we were haunted the

402
00:21:12,350 --> 00:21:08,360
doctor an utter amazement new medication

403
00:21:15,470 --> 00:21:12,360
wouldn't treat this and said I can't

404
00:21:19,580 --> 00:21:15,480
help you with this you are going to need

405
00:21:21,260 --> 00:21:19,590
to see the clergy for this I love the

406
00:21:24,460 --> 00:21:21,270
honesty there that was that's pretty

407
00:21:31,160 --> 00:21:28,040
next paranormal story the witness states

408
00:21:35,090 --> 00:21:31,170
I woke up one night to a loud screeching

409
00:21:39,950 --> 00:21:35,100
noise similar to the screech the nasgo

410
00:21:42,170 --> 00:21:39,960
make in Lord of the Rings the entire

411
00:21:45,350 --> 00:21:42,180
room was flashing rapidly in bright

412
00:21:48,140 --> 00:21:45,360
colors my computer turned on for a split

413
00:21:51,170 --> 00:21:48,150

second enough to get the fans rattling

414

00:21:55,070 --> 00:21:51,180

and my computer screen had a static on

415

00:21:57,980 --> 00:21:55,080

it the entire ordeal was over in less

416

00:22:01,070 --> 00:21:57,990

than a second I still don't know if it

417

00:22:02,450 --> 00:22:01,080

really happened or if my brain was just

418

00:22:04,570 --> 00:22:02,460

playing tricks on me

419

00:22:10,870 --> 00:22:04,580

wow that's

420

00:22:14,220 --> 00:22:10,880

weird next the witness states okay this

421

00:22:20,350 --> 00:22:14,230

may take a bit of doing so bear with me

422

00:22:23,530 --> 00:22:20,360

army base Sohus West Germany a still

423

00:22:25,990 --> 00:22:23,540

dark autumn evening must have been warm

424

00:22:30,820 --> 00:22:26,000

because it was the kind of temperature

425

00:22:34,620 --> 00:22:30,830

you don't notice me 13 and a mate 15

426
00:22:37,450 --> 00:22:34,630
just dosing around before I had to go in

427
00:22:40,390 --> 00:22:37,460
behind the flats where we live was a

428
00:22:42,760 --> 00:22:40,400
green area with the play area only one

429
00:22:44,980 --> 00:22:42,770
streetlight so it was very dark compared

430
00:22:47,770 --> 00:22:44,990
to our Street and the well lit main

431
00:22:50,380 --> 00:22:47,780
route through the camp which is about 80

432
00:22:52,720 --> 00:22:50,390
to 100 meters away from where we were

433
00:22:56,170 --> 00:22:52,730
walking no traffic

434
00:23:00,160 --> 00:22:56,180
nothing it was never busy and this was

435
00:23:03,040 --> 00:23:00,170
on a weekend so literally no traffic and

436
00:23:06,160 --> 00:23:03,050
no one out and about as far as we could

437
00:23:11,110 --> 00:23:06,170
tell which suited two teenagers just

438
00:23:12,580 --> 00:23:11,120

fine bear with me this is important so

439

00:23:15,670 --> 00:23:12,590

we're heading between our respective

440

00:23:19,900 --> 00:23:15,680

blocks of flats and into the darkened

441

00:23:23,320 --> 00:23:19,910

park area and we stopped dead on the

442

00:23:27,690 --> 00:23:23,330

main road moving right to left was a

443

00:23:32,200 --> 00:23:27,700

figure vaguely person-shaped but

444

00:23:36,460 --> 00:23:32,210

undulating and waving like cloth under

445

00:23:41,260 --> 00:23:36,470

water it glided along the middle of the

446

00:23:44,140 --> 00:23:41,270

road based on what it x-cubed behind it

447

00:23:47,560 --> 00:23:44,150

as it moved I'd estimate it to be around

448

00:23:51,970 --> 00:23:47,570

8 to 10 feet tall but at the very least

449

00:23:56,380 --> 00:23:51,980

it was larger than average man size this

450

00:23:58,480 --> 00:23:56,390

shape this thing was not walking there

451
00:24:03,000 --> 00:23:58,490
was none of the slight up-and-down

452
00:24:06,970 --> 00:24:03,010
motion of walking it just glided

453
00:24:10,750 --> 00:24:06,980
smoothly at a fast walking pace I'd

454
00:24:14,170 --> 00:24:10,760
guess and it was black not someone

455
00:24:17,920 --> 00:24:14,180
wearing black clothes black it was a

456
00:24:18,430 --> 00:24:17,930
hole cut into the night no reflections

457
00:24:24,400 --> 00:24:18,440
no she

458
00:24:27,400 --> 00:24:24,410
or shades just blackness it seemed like

459
00:24:30,100 --> 00:24:27,410
a lifetime as I soaked this detail up in

460
00:24:33,910 --> 00:24:30,110
reality it couldn't have been more than

461
00:24:37,150 --> 00:24:33,920
two to three seconds I whispered do you

462
00:24:41,710 --> 00:24:37,160
see that my friend and a whisper replied

463
00:24:46,750 --> 00:24:41,720

yes in the freaking thing changed

464

00:24:50,710 --> 00:24:46,760

direction towards us the last image I

465

00:24:55,210 --> 00:24:50,720

have before we broke and ran was of it

466

00:24:58,420 --> 00:24:55,220

rising up as it came over the curb this

467

00:25:02,170 --> 00:24:58,430

is what makes it real for me this is

468

00:25:04,480 --> 00:25:02,180

something that had mass that obeyed at

469

00:25:07,720 --> 00:25:04,490

least something of the physical world

470

00:25:10,870 --> 00:25:07,730

good point it moved from the brightly

471

00:25:14,760 --> 00:25:10,880

lit road into the same darkness in which

472

00:25:18,040 --> 00:25:14,770

we stood we broke and ran for our lives

473

00:25:21,310 --> 00:25:18,050

back onto our street and into my mates

474

00:25:24,460 --> 00:25:21,320

block the freaking thing then bolted

475

00:25:27,520 --> 00:25:24,470

back to his own home leaving me

476
00:25:32,230 --> 00:25:27,530
wondering how the heck I was going to

477
00:25:34,480 --> 00:25:32,240
get to my block after a while the fear

478
00:25:37,960 --> 00:25:34,490
of the repercussions from my dad for

479
00:25:39,700 --> 00:25:37,970
being late overrode my fear of what

480
00:25:45,190 --> 00:25:39,710
might be out there in the night

481
00:25:48,190 --> 00:25:45,200
so I ran eyes straight ahead the 10r

482
00:25:50,590 --> 00:25:48,200
sole metres to my own front door I was

483
00:25:52,890 --> 00:25:50,600
in too much trouble for being late to

484
00:25:55,870 --> 00:25:52,900
ever say anything when I got home

485
00:25:59,410 --> 00:25:55,880
sometimes when I'm walking and the night

486
00:26:03,100 --> 00:25:59,420
is warm and still and quiet I think

487
00:26:06,880 --> 00:26:03,110
about it and wonder what I do if I ever

488
00:26:08,860 --> 00:26:06,890

saw it again run away or face it down

489

00:26:09,840 --> 00:26:08,870

and maybe solve a thirty-year-old

490

00:26:15,790 --> 00:26:09,850

mystery

491

00:26:19,600 --> 00:26:15,800

honestly I just don't know wow truly

492

00:26:23,100 --> 00:26:19,610

truly fascinating so many people have

493

00:26:26,520 --> 00:26:23,110

these unexplainable events paranormal

494

00:26:30,070 --> 00:26:26,530

UFOs anything and everything that

495

00:26:35,250 --> 00:26:30,080

encompass mystery

496

00:26:40,630 --> 00:26:35,260

and they go hand in hand mind blowing

497

00:26:43,450 --> 00:26:40,640

and our final strange story comes from

498

00:26:45,280 --> 00:26:43,460

this witness who states when I was five

499

00:26:48,700 --> 00:26:45,290

I live with my grandparents on a farm

500

00:26:50,800 --> 00:26:48,710

that was built in 1912 because my mom

501
00:26:53,470 --> 00:26:50,810
had joined the army while she was single

502
00:26:56,530 --> 00:26:53,480
and the army won't let you have a kid

503
00:26:59,770 --> 00:26:56,540
without family the original owners had

504
00:27:02,200 --> 00:26:59,780
been shot killed and buried in unmarked

505
00:27:04,360 --> 00:27:02,210
graves behind the barn years later

506
00:27:06,940 --> 00:27:04,370
someone poured concrete over the graves

507
00:27:09,850 --> 00:27:06,950
over the course of the three years that

508
00:27:13,320 --> 00:27:09,860
I've lived there every single night I

509
00:27:17,470 --> 00:27:13,330
would hear dishes by the sink rattle and

510
00:27:20,950 --> 00:27:17,480
be thrown against the floor I'd also get

511
00:27:24,190 --> 00:27:20,960
pushed multiple times and I used to play

512
00:27:30,340 --> 00:27:24,200
with the small kid that I guess wasn't

513
00:27:33,460 --> 00:27:30,350

real I would play tag with him well you

514

00:27:36,900 --> 00:27:33,470

guys thank you so much for listening to

515

00:27:40,590 --> 00:27:36,910

UFO headline news with me Heidi Hollis

516

00:27:44,410 --> 00:27:40,600

be sure to check out UFO headline news

517

00:27:46,660 --> 00:27:44,420

dot-com to see all of the articles that

518

00:27:49,800 --> 00:27:46,670

we discussed and shared here and to get

519

00:27:54,280 --> 00:27:49,810

the links and also be sure to visit

520

00:27:58,480 --> 00:27:54,290

Heidi Hollis comm and the Outlanders

521

00:28:02,080 --> 00:27:58,490

comic calm remember always to keep

522

00:28:07,000 --> 00:28:02,090

informed and inspired have a great rest

523

00:28:07,010 --> 00:28:17,740

[Music]

524

00:28:21,320 --> 00:28:18,919

smile

525

00:28:22,940 --> 00:28:21,330

we're headed to Macy's backstage and did

526

00:28:25,190 --> 00:28:22,950

you hear about the new backstage scratch

527

00:28:27,919 --> 00:28:25,200

winds smile game yeah everyone's a

528

00:28:29,419 --> 00:28:27,929

winner right make any \$25 backstage

529

00:28:32,090 --> 00:28:29,429

purchase now through Saturday December

530

00:28:34,399 --> 00:28:32,100

2nd and score a scratch win smiled game

531

00:28:36,440 --> 00:28:34,409

card you're guaranteed to win a one five

532

00:28:38,510 --> 00:28:36,450

ten or twenty five dollar prize to

533

00:28:41,269 --> 00:28:38,520

redeem at Macy's backstage at a later

534

00:28:43,760 --> 00:28:41,279

date scratch and win what's not to smile

535

00:28:45,409 --> 00:28:43,770

about Macy's backstage savings for
