00:00:14,900 --> 00:00:13,320
galaxy forever you can upgrade to the

8
00:00:16,460 --> 00:00:14,910
latest galaxy anytime after 12 lease

9
00:00:18,080 --> 00:00:16,470
payments visit your local Sprint store

10
00:00:20,750 --> 00:00:18,090
sprint comm slash holiday deals or call

11
00:00:22,970 --> 00:00:20,760
1-800 sprint 1 today requires 18 month

12
00:00:24,380 --> 00:00:22,980
lease a new line 1771 per month savings

13
00:00:26,089 --> 00:00:24,390

via credit applied within two bills

14

00:00:27,769 --> 00:00:26,099

early termination results in remaining

15

00:01:21,679 --> 00:00:27,779

balance - subject to credit and \$30

16

00:01:26,459 --> 00:01:24,120

welcome to the center of light radio

17

00:01:28,919 --> 00:01:26,469

with spiritual teacher intuitive

18

00:01:31,469 --> 00:01:28,929

musician composer and best-selling

19

00:01:33,719 --> 00:01:31,479

author of the Divine Principle anchoring

20

00:01:36,690 --> 00:01:33,729

heaven on earth your host Keith

21

00:01:37,800 --> 00:01:36,700

Anthony Blanchard Costa cosa pulled a

22

00:01:38,850 --> 00:01:37,810

poll all around the world on the

23

00:01:40,590 --> 00:01:38,860

internet thanks to the Marvel of

24

00:01:41,880 --> 00:01:40,600

Technology I'm coming at you live from a

25

00:01:44,249 --> 00:01:41,890

little guest house in Memphis Tennessee

26

00:01:45,449 --> 00:01:44,259

this is Keith Anthony Blanchett you're

27

00:01:47,449 --> 00:01:45,459

listening to sinner of light radio

28

00:01:49,649 --> 00:01:47,459

center of Devine unfoldment and

29

00:01:52,410 --> 00:01:49,659

reinforcements radio for the soul and

30

00:01:54,690 --> 00:01:52,420

the transformation station are you a

31

00:01:57,449 --> 00:01:54,700

spiritual seeker who is ready to move

32

00:01:58,859 --> 00:01:57,459

forward in your life if you wanted to

33

00:02:01,830 --> 00:01:58,869

shift from struggling to feeling that

34

00:02:03,600 --> 00:02:01,840

life is effortless send me an email to

35

00:02:06,870 --> 00:02:03,610

book a free session at Keith Anthony

36

00:02:08,669 --> 00:02:06,880

Blanchard at gmail.com titled that email

37

00:02:11,100 --> 00:02:08,679

at Keith I want my free session and

38

00:02:13,559 --> 00:02:11,110

we'll get you on your way to recognizing

39

00:02:17,130 --> 00:02:13,569

plugging in and manifesting your life in

40

00:02:19,199 --> 00:02:17,140

a very very cool easy way - this is my

41

00:02:21,180 --> 00:02:19,209

life work I've been working all of my

42

00:02:22,440 --> 00:02:21,190

life and I finally got a program and

43

00:02:24,150 --> 00:02:22,450

everything that I'm really really

44

00:02:26,550 --> 00:02:24,160

satisfied I know it's very effective

45

00:02:29,190 --> 00:02:26,560

that's 100 percent guarantee you can go

46

00:02:31,920 --> 00:02:29,200

to singer of light radio calm as well as

47

00:02:34,410 --> 00:02:31,930

Keith Anthony Blanche a.com same website

48

00:02:36,240 --> 00:02:34,420

and you'll see a red Ferrari

49

00:02:39,210 --> 00:02:36,250

when that car settles down click on it

50

00:02:43,860 --> 00:02:39,220

it will take you to the page for this

51
00:02:46,379 --> 00:02:43,870
particular program and you will you will

52
00:02:50,069 --> 00:02:46,389
see what you will get as well as what

53
00:02:52,050 --> 00:02:50,079
you will be able to create Wow exterior

54
00:02:53,759 --> 00:02:52,060
as well as interior it's all about

55
00:02:55,949 --> 00:02:53,769
becoming a thing that you want to bring

56
00:02:57,349 --> 00:02:55,959
into your life go to that website check

57
00:02:59,099 --> 00:02:57,359
it out

58
00:03:00,240 --> 00:02:59,109
announcement if you listen to center

59
00:03:02,940 --> 00:03:00,250
light radio for a while or you've been

60
00:03:04,920 --> 00:03:02,950
following me in any platform for a while

61
00:03:06,720 --> 00:03:04,930
you know that I'm always about helping

62
00:03:09,000 --> 00:03:06,730
people to move it to greater degrees of

63
00:03:10,530 --> 00:03:09,010

bliss now Center of Light Beings I want

64

00:03:14,069 --> 00:03:10,540

to provide you with an outlet to plug

65

00:03:16,379 --> 00:03:14,079

into my rpm energy grid I recently had a

66

00:03:17,610 --> 00:03:16,389

burst of light realization so what you

67

00:03:19,949 --> 00:03:17,620

do is you go to center of light radio

68

00:03:22,110 --> 00:03:19,959

calm fill up that signup form and I'm

69

00:03:24,240 --> 00:03:22,120

gonna start giving you bundles of all of

70

00:03:25,800 --> 00:03:24,250

my past works that I used to charge for

71

00:03:30,569 --> 00:03:25,810

for free

72

00:03:32,250 --> 00:03:30,579

dig that sign it up you start a chain it

73

00:03:34,320 --> 00:03:32,260

will start a chain of events and

74

00:03:37,319 --> 00:03:34,330

these things will begin to arrive to you

75

00:03:39,929 --> 00:03:37,329

again that Center of light radio.com a

76
00:03:42,690 --> 00:03:39,939
Keith anthony Blanchard calm and click

77
00:03:44,789 --> 00:03:42,700
on that tongue sign-up form and fill it

78
00:03:45,210 --> 00:03:44,799
out and we'll get you going that's for

79
00:03:47,330 --> 00:03:45,220
sure

80
00:03:49,830 --> 00:03:47,340
I just got back from South Louisiana for

81
00:03:51,539 --> 00:03:49,840
Thanksgiving holidays had a blast so

82
00:03:55,830 --> 00:03:51,549
thank you for the people who are in the

83
00:03:57,210 --> 00:03:55,840
room that mentioned that also services

84
00:03:59,069 --> 00:03:57,220
are when I was in south Louisiana this

85
00:04:01,679 --> 00:03:59,079
is why I brought it up I did a house

86
00:04:05,580 --> 00:04:01,689
cleaning service I don't mean I got on

87
00:04:07,500 --> 00:04:05,590
my knees with a mop and there was some

88
00:04:10,259 --> 00:04:07,510

ghosts in the house and we lift the

89

00:04:12,569 --> 00:04:10,269

vibrations and successful just like that

90

00:04:14,670 --> 00:04:12,579

I come with an arsenal of tricks tricks

91

00:04:16,289 --> 00:04:14,680

come with an arsenal information

92

00:04:18,900 --> 00:04:16,299

powerful information that will help you

93

00:04:20,670 --> 00:04:18,910

to remove any of those spiritual

94

00:04:23,040 --> 00:04:20,680

squatters that are not paying rent and

95

00:04:25,320 --> 00:04:23,050

somehow maybe even scan the bejesus out

96

00:04:27,570 --> 00:04:25,330

of you I will help you with that eight

97

00:04:29,790 --> 00:04:27,580

eight eight nine one nine two three five

98

00:04:31,950 --> 00:04:29,800

five eight eight eight nine one nine two

99

00:04:35,570 --> 00:04:31,960

three five five the number you down to

100

00:04:37,860 --> 00:04:35,580

be on the show with myself or my guests

101
00:04:39,600 --> 00:04:37,870
my guest today I hope I can pronounce

102
00:04:43,290 --> 00:04:39,610
his name it's a little different for me

103
00:04:44,370 --> 00:04:43,300
again his name is bogging most and today

104
00:04:46,680 --> 00:04:44,380
we're going to be talking about all

105
00:04:49,969 --> 00:04:46,690
things we are not supposed to know about

106
00:04:52,020 --> 00:04:49,979
and if we did it would change our lives

107
00:04:55,140 --> 00:04:52,030
let me tell you about my guest today a

108
00:04:57,510 --> 00:04:55,150
guy knows he was born on a farm in

109
00:04:59,129 --> 00:04:57,520
Norway in Northern Europe he had to take

110
00:05:01,439 --> 00:04:59,139
over much of the work and manage the

111
00:05:04,170 --> 00:05:01,449
management of the farm at an early age

112
00:05:06,029 --> 00:05:04,180
as a teenager while still a teenager he

113
00:05:09,150 --> 00:05:06,039

learned hypnosis from a magician in

114

00:05:11,100 --> 00:05:09,160

Europe by the age of 25 he had learned

115

00:05:13,050 --> 00:05:11,110

several languages studied science

116

00:05:14,839 --> 00:05:13,060

including metaphysics and different

117

00:05:18,000 --> 00:05:14,849

forms of theories of spirituality

118

00:05:20,370 --> 00:05:18,010

between then and now he has done and

119

00:05:22,680 --> 00:05:20,380

been involved in many projects Augie

120

00:05:25,969 --> 00:05:22,690

taught the subliminal dynamics mind

121

00:05:29,430 --> 00:05:25,979

development course now called subliminal

122

00:05:32,040 --> 00:05:29,440

dynamics mind management which teaches

123

00:05:35,730 --> 00:05:32,050

you to assimilate information from a

124

00:05:37,800 --> 00:05:35,740

book at a rate listen to this it teaches

125

00:05:43,230 --> 00:05:37,810

you to assimilate information from a

126
00:05:45,839 --> 00:05:43,240
book at a rate of 50,000 or more words

127
00:05:48,659 --> 00:05:45,849
per minute

128
00:05:49,980 --> 00:05:48,669
more perfected memory creative

129
00:05:52,679 --> 00:05:49,990
visualization for healing and

130
00:05:54,719 --> 00:05:52,689
manifestation creative goal-setting and

131
00:05:57,119 --> 00:05:54,729
other things not taught in the regular

132
00:06:00,449 --> 00:05:57,129
school system he co-wrote a book with

133
00:06:03,480 --> 00:06:00,459
author Patricia rest of Omaha Nebraska

134
00:06:04,409 --> 00:06:03,490
titled alien encounters in America's

135
00:06:06,869 --> 00:06:04,419
Midwest

136
00:06:09,540 --> 00:06:06,879
it featured hidden government documents

137
00:06:13,169 --> 00:06:09,550
proving the government cover-up of the

138
00:06:15,389 --> 00:06:13,179

UFO issue NASA Prince of building

139

00:06:16,949 --> 00:06:15,399

instructors on our moon boy we're gonna

140

00:06:18,899 --> 00:06:16,959

have a lot to talk about today and

141

00:06:20,989 --> 00:06:18,909

personal testimonies from people who

142

00:06:24,419 --> 00:06:20,999

have had contact with extraterrestrials

143

00:06:26,549 --> 00:06:24,429

Auggie is also the author of spiritual

144

00:06:28,259 --> 00:06:26,559

science higher consciousness thinking

145

00:06:30,540 --> 00:06:28,269

and how to access the universal

146

00:06:32,879 --> 00:06:30,550

consciousness which is now available on

147

00:06:40,230 --> 00:06:32,889

Amazon you can find more about my guest

148

00:06:44,909 --> 00:06:40,240

today at WWE a GE - n OST com welcome to

149

00:06:46,529 --> 00:06:44,919

sinner of light radio mr. nauss thank

150

00:06:47,459 --> 00:06:46,539

you very much for having me on this is

151

00:06:49,469 --> 00:06:47,469

going to be a blast

152

00:06:52,859 --> 00:06:49,479

yes it is in you and I have been in

153

00:06:54,659 --> 00:06:52,869

dialogue here near over over the past

154

00:06:58,980 --> 00:06:54,669

for quite a while we can never make the

155

00:07:01,799 --> 00:06:58,990

show land and stick so I think you know

156

00:07:04,139 --> 00:07:01,809

I have been watching you for a while and

157

00:07:06,420 --> 00:07:04,149

I I know you're the real deal and I know

158

00:07:08,129 --> 00:07:06,430

you doing some phenomenally good stuff s

159

00:07:10,439 --> 00:07:08,139

I've been kind of pestering you for for

160

00:07:13,559 --> 00:07:10,449

several months to get the show and maybe

161

00:07:15,299 --> 00:07:13,569

be part of it well I'm glad you here but

162

00:07:18,689 --> 00:07:15,309

let's just dive right in you know I

163

00:07:20,790 --> 00:07:18,699

usually start off the show by asking the

164

00:07:23,399 --> 00:07:20,800

guests you know how they got all started

165

00:07:26,279 --> 00:07:23,409

into this movement this way of being but

166

00:07:28,980 --> 00:07:26,289

you bio pretty much depicted that really

167

00:07:30,319 --> 00:07:28,990

clearly so you in fact when I make

168

00:07:32,730 --> 00:07:30,329

contact with you

169

00:07:35,549 --> 00:07:32,740

recently about coming up with a show

170

00:07:37,559 --> 00:07:35,559

topic you sent me a bullet point list of

171

00:07:39,659 --> 00:07:37,569

all these different things we can talk

172

00:07:42,540 --> 00:07:39,669

about what's possible show names

173

00:07:45,689 --> 00:07:42,550

alternative names and the last one you

174

00:07:47,129 --> 00:07:45,699

sent was called all things we're not

175

00:07:48,749 --> 00:07:47,139

supposed to know about and if we did it

176

00:07:51,480 --> 00:07:48,759

would change our lives but all those

177

00:07:53,429 --> 00:07:51,490

other nine or ten I found it fascinating

178

00:07:57,239 --> 00:07:53,439

that there would be very good questions

179

00:07:59,070 --> 00:07:57,249

to put to you it's a broad range of

180

00:08:02,670 --> 00:07:59,080

topics so it would make for a very

181

00:08:05,040 --> 00:08:02,680

nice well-rounded show and the first one

182

00:08:07,230 --> 00:08:05,050

that says in 2009 three doctors got the

183

00:08:11,520 --> 00:08:07,240

Nobel Prize for discovering an enzyme

184

00:08:13,830 --> 00:08:11,530

that reverses the aging process and no

185

00:08:19,770 --> 00:08:13,840

one seems to know tell me about this

186

00:08:22,770 --> 00:08:19,780

enzyme because doctor no boy dr. John

187

00:08:24,899 --> 00:08:22,780

John Robertson was on my show a while

188

00:08:26,610 --> 00:08:24,909

back and he was really big on the aging

189

00:08:28,260 --> 00:08:26,620

thing so let's start with that tell me

190

00:08:32,219 --> 00:08:28,270

about this enzyme that was discovered

191

00:08:34,409 --> 00:08:32,229

that no one knows about yeah this is one

192

00:08:35,790 --> 00:08:34,419

of those I don't know if I should call

193

00:08:37,469 --> 00:08:35,800

it secrets or not because the

194

00:08:39,560 --> 00:08:37,479

information is out there but it's not

195

00:08:43,290 --> 00:08:39,570

placed anywhere where people can see it

196

00:08:46,019 --> 00:08:43,300

and first of all whatever I talked about

197

00:08:49,110 --> 00:08:46,029

here I'll try to back it up by science

198

00:08:51,660 --> 00:08:49,120

as much as I can and that's why I'm

199

00:08:57,420 --> 00:08:51,670

telling you now go to the Nobel

200

00:09:01,889 --> 00:08:57,430

committees website go to 2009 scroll

201
00:09:04,579 --> 00:09:01,899
down to medical submissions and read the

202
00:09:09,870 --> 00:09:04,589
papers you're gonna like it

203
00:09:14,130 --> 00:09:09,880
because in there they talk about we

204
00:09:17,880 --> 00:09:14,140
figured out what causes aging and by

205
00:09:19,889 --> 00:09:17,890
that most also causes death and I think

206
00:09:23,519 --> 00:09:19,899
we can probably figure out why this is

207
00:09:25,290 --> 00:09:23,529
not widely disseminating among the

208
00:09:27,420 --> 00:09:25,300
public because I think we can imagine

209
00:09:29,699 --> 00:09:27,430
what would happen to Social Security and

210
00:09:34,740 --> 00:09:29,709
the pension programs gives people quit

211
00:09:36,750 --> 00:09:34,750
dying right I would say a dime is nine

212
00:09:39,420 --> 00:09:36,760
is a pretty-looking of business

213
00:09:41,610 --> 00:09:39,430

oh it's phenomenal lots of money in it

214

00:09:43,889 --> 00:09:41,620

first of all for the Undertaker's and

215

00:09:46,050 --> 00:09:43,899

for the second their government gets the

216

00:09:47,759 --> 00:09:46,060

cash in the bond they have written

217

00:09:50,490 --> 00:09:47,769

against you which is in the high

218

00:09:52,500 --> 00:09:50,500

millions so yeah it's very cool you know

219

00:09:56,790 --> 00:09:52,510

comfortable for them they they can do

220

00:09:59,130 --> 00:09:56,800

that but this aging process that is

221

00:10:01,350 --> 00:09:59,140

something that nobody really understands

222

00:10:04,019 --> 00:10:01,360

unless you start studying science and

223

00:10:07,069 --> 00:10:04,029

read their you know Lancet and New

224

00:10:09,750 --> 00:10:07,079

England Journal of Medicine and and

225

00:10:10,840 --> 00:10:09,760

particularly on my website also I have a

226

00:10:13,510 --> 00:10:10,850

blog on that

227

00:10:15,160 --> 00:10:13,520

and in my book about spiritual science

228

00:10:18,700 --> 00:10:15,170

and higher conscious thinking are going

229

00:10:21,970 --> 00:10:18,710

to very deeply into how to do this

230

00:10:25,300 --> 00:10:21,980

and it is simple I didn't say easy as

231

00:10:28,930 --> 00:10:25,310

it's simple because there is a little

232

00:10:33,040 --> 00:10:28,940

bit of effort on our part we have to

233

00:10:36,850 --> 00:10:33,050

take a few supplements and it's obvious

234

00:10:43,120 --> 00:10:36,860

that the mankind has a capacity for old

235

00:10:45,040 --> 00:10:43,130

age but immortality do we even want that

236

00:10:47,020 --> 00:10:45,050

I mean that's a good question because

237

00:10:49,240 --> 00:10:47,030

some of you guys out there has been a

238

00:10:51,490 --> 00:10:49,250

depressant job for nine years and you're

239

00:10:52,780 --> 00:10:51,500

totally bored stiff already could you

240

00:10:56,460 --> 00:10:52,790

handle another two hundred and

241

00:11:01,930 --> 00:10:56,470

seventy-five thousand years at the job

242

00:11:06,100 --> 00:11:01,940

right but you see it doesn't work that

243

00:11:08,350 --> 00:11:06,110

way because you know we after a while

244

00:11:11,020 --> 00:11:08,360

they figured it out that working

245

00:11:13,450 --> 00:11:11,030

somebody else's dream is not what we

246

00:11:15,850 --> 00:11:13,460

really should do we should do something

247

00:11:17,980 --> 00:11:15,860

that we love to do and you remember the

248

00:11:19,810 --> 00:11:17,990

saying you know find something you'd

249

00:11:23,530 --> 00:11:19,820

love to do and you will never work a day

250

00:11:26,110 --> 00:11:23,540

in your life that's true that's true I

251

00:11:27,880 --> 00:11:26,120

guess the moaning of that I've been

252

00:11:30,430 --> 00:11:27,890

pretty much able to do that and that's

253

00:11:37,570 --> 00:11:30,440

my hobby you know I'm having so much fun

254

00:11:39,340 --> 00:11:37,580

as I do and this 2009 is when this Nobel

255

00:11:43,420 --> 00:11:39,350

Prize was given to these people for

256

00:11:45,070 --> 00:11:43,430

discovering the enzyme and I have I run

257

00:11:49,690 --> 00:11:45,080

into people all the time and nobody

258

00:11:54,270 --> 00:11:49,700

knows about this and we have the

259

00:11:57,460 --> 00:11:54,280

capacity for old age because even

260

00:12:01,380 --> 00:11:57,470

national Geographics back in the 1930s

261

00:12:04,830 --> 00:12:01,390

they went into South America into the

262

00:12:07,920 --> 00:12:04,840

tribe up by right on the shores of Lake

263

00:12:11,910 --> 00:12:07,930

Titicaca and they found the average age

264

00:12:16,260 --> 00:12:11,920

of the person in that tribe was 130

265

00:12:18,390 --> 00:12:16,270

years old and the reason they thought

266

00:12:20,400 --> 00:12:18,400

was for that because they were drinking

267

00:12:23,280 --> 00:12:20,410

the water that came out from underneath

268

00:12:27,240 --> 00:12:23,290

the glacier next to it drinking the

269

00:12:30,330 --> 00:12:27,250

glacier milk which was full of minerals

270

00:12:34,380 --> 00:12:30,340

trace minerals and things that the body

271

00:12:38,550 --> 00:12:34,390

need and that's one thing but then we

272

00:12:40,830 --> 00:12:38,560

have another guy he was a university

273

00:12:44,610 --> 00:12:40,840

professor from China that came to New

274

00:12:48,420 --> 00:12:44,620

York in the 1950s on an exchange program

275

00:12:51,780 --> 00:12:48,430

but it was also a u.s. professor I went

276
00:12:53,430 --> 00:12:51,790
to China to Peking at the time and was

277
00:12:56,820 --> 00:12:53,440
they were kind of cultural exchange

278
00:12:59,010 --> 00:12:56,830
there and this Chinese stock came to New

279
00:13:01,860 --> 00:12:59,020
York he went out with his colleagues one

280
00:13:06,000 --> 00:13:01,870
evening to have dinner and he got food

281
00:13:07,350 --> 00:13:06,010
poisoning and died and then of course

282
00:13:09,120 --> 00:13:07,360
you know you end up at the morgue and

283
00:13:11,340 --> 00:13:09,130
they start looking things over and they

284
00:13:13,200 --> 00:13:11,350
are called the Ambassador and told the

285
00:13:17,100 --> 00:13:13,210
Ambassador something's wrong here

286
00:13:19,650 --> 00:13:17,110
because your man here he seems to be

287
00:13:23,190 --> 00:13:19,660
hundred and fifty-four years old and

288
00:13:28,620 --> 00:13:23,200

that can't be and the Ambassador told

289

00:13:31,710 --> 00:13:28,630

him yes he is and he says the the reason

290

00:13:36,270 --> 00:13:31,720

for that is that first of all he only

291

00:13:43,020 --> 00:13:36,280

eat Chinese herbs and berries and he

292

00:13:46,410 --> 00:13:43,030

knew he could never die and that is one

293

00:13:48,780 --> 00:13:46,420

of the big keys but if you think that is

294

00:13:51,870 --> 00:13:48,790

extravagant listen to the next one

295

00:13:56,160 --> 00:13:51,880

because there was also a Chinese martial

296

00:14:02,790 --> 00:13:56,170

art master and the government verified

297

00:14:06,450 --> 00:14:02,800

on several occasions that he became 256

298

00:14:14,220 --> 00:14:06,460

years old and he died from an accident

299

00:14:20,800 --> 00:14:18,009

is it the thing here is that these

300

00:14:27,340 --> 00:14:20,810

people they don't live like we do in the

301
00:14:30,370 --> 00:14:27,350
West and when we talk about this if we

302
00:14:32,769 --> 00:14:30,380
go further into old records we find out

303
00:14:34,840 --> 00:14:32,779
that while even the Bible talks about

304
00:14:38,350 --> 00:14:34,850
Methuselah being nine hundred and some

305
00:14:42,569 --> 00:14:38,360
sixty years old and the Sumerian tablets

306
00:14:45,910 --> 00:14:42,579
they talk about people I mean people

307
00:14:49,960 --> 00:14:45,920
that was around for hundreds of

308
00:14:53,290 --> 00:14:49,970
thousands of years the Sumerian Kings

309
00:14:57,190 --> 00:14:53,300
list talked about people that was around

310
00:14:59,620 --> 00:14:57,200
for one King was ruling for fifty six

311
00:15:03,430 --> 00:14:59,630
thousand years and there was another one

312
00:15:08,680 --> 00:15:03,440
over seventy thousand years and that was

313
00:15:11,769 --> 00:15:08,690

the age of those people so most

314

00:15:13,660 --> 00:15:11,779

scientists they passed that off oh it's

315

00:15:19,260 --> 00:15:13,670

just a mist you know somebody wrote that

316

00:15:27,010 --> 00:15:22,990

because there is things they do those

317

00:15:34,569 --> 00:15:27,020

guys did in order to maintain that age

318

00:15:39,340 --> 00:15:34,579

and first of all the two hundred and

319

00:15:43,510 --> 00:15:39,350

fifty six-year-old all the Chinese

320

00:15:48,160 --> 00:15:43,520

became you know that died I found out

321

00:15:52,360 --> 00:15:48,170

when he ate you like to know absolutely

322

00:15:54,699 --> 00:15:52,370

all right and I know that nineteen year

323

00:15:56,620 --> 00:15:54,709

old kids out there listening do this

324

00:15:58,750 --> 00:15:56,630

they're not going to be very interested

325

00:16:00,340 --> 00:15:58,760

because hey they got the whole life in

326

00:16:03,670 --> 00:16:00,350

front of them and they don't think about

327

00:16:06,519 --> 00:16:03,680

death but don't run away right now let's

328

00:16:08,530 --> 00:16:06,529

think about this maybe your dad and your

329

00:16:11,650 --> 00:16:08,540

mom would be interested in hearing this

330

00:16:15,189 --> 00:16:11,660

so just sit it out and let them know

331

00:16:17,410 --> 00:16:15,199

about it because this two hundred and

332

00:16:22,360 --> 00:16:17,420

fifty six year old man he was a martial

333

00:16:25,090 --> 00:16:22,370

art master for one thing and he of

334

00:16:30,010 --> 00:16:25,100

course meditated they all do

335

00:16:32,440 --> 00:16:30,020

and he ate Chinese herbs and berries one

336

00:16:36,220 --> 00:16:32,450

of the some of the things that he ate

337

00:16:38,650 --> 00:16:36,230

and it probably is a partial list but I

338

00:16:39,010 --> 00:16:38,660

know the important part of it is listed

339

00:16:48,100 --> 00:16:39,020

here

340

00:16:54,370 --> 00:16:48,110

he ate Li Xi and goji berries and he

341

00:17:02,790 --> 00:16:54,380

also ate wild ginseng and also something

342

00:17:06,700 --> 00:17:02,800

called he sho foo and then go to Kula

343

00:17:12,760 --> 00:17:06,710

and the most important of them probably

344

00:17:16,480 --> 00:17:12,770

was astragalus and of course then also

345

00:17:18,880 --> 00:17:16,490

he I am here I didn't see that but I'm

346

00:17:23,380 --> 00:17:18,890

sure that he also took a whole bunch of

347

00:17:27,250 --> 00:17:23,390

something called G Alice now a jugglin

348

00:17:31,000 --> 00:17:27,260

he D agaln is called the immortality

349

00:17:32,610 --> 00:17:31,010

herb in China and I'm sure there is a

350

00:17:35,560 --> 00:17:32,620

reason for that

351

00:17:38,140 --> 00:17:35,570

and in my book I also go into more

352

00:17:41,310 --> 00:17:38,150

details about how to do this and you

353

00:17:45,190 --> 00:17:41,320

know what people what I do and so on

354

00:17:47,920 --> 00:17:45,200

because I am doing this and it seems to

355

00:17:50,770 --> 00:17:47,930

be working for me I you know this thing

356

00:17:52,920 --> 00:17:50,780

that I know specifically women complain

357

00:17:57,340 --> 00:17:52,930

about you know this called crow's feet

358

00:17:59,050 --> 00:17:57,350

perfectly around the eyes right I had

359

00:18:02,370 --> 00:17:59,060

some of those and this seems to be going

360

00:18:04,960 --> 00:18:02,380

away so I know something is happening

361

00:18:06,280 --> 00:18:04,970

Wow definitely check out the list in

362

00:18:07,930 --> 00:18:06,290

that book that's for sure

363

00:18:10,090 --> 00:18:07,940

eighty two eight nine one nine two three

364

00:18:11,560 --> 00:18:10,100

five five triple eight nine one nine two

365

00:18:13,150 --> 00:18:11,570

three five five the number of dollar get

366

00:18:17,170 --> 00:18:13,160

on the air with myself or my guest today

367

00:18:19,180 --> 00:18:17,180

Auggie Knost um I had a friend I still

368

00:18:21,220 --> 00:18:19,190

have a friend haven't seen him in some

369

00:18:22,660 --> 00:18:21,230

years he was an alien-human hybrid by

370

00:18:25,810 --> 00:18:22,670

the name of nucleus eight and people who

371

00:18:28,240 --> 00:18:25,820

returned in the show know about my time

372

00:18:30,640 --> 00:18:28,250

with alien-human hybrid nucleus eight

373

00:18:33,070 --> 00:18:30,650

who happens to be head of security for

374

00:18:35,260 --> 00:18:33,080

this quadrant of our galaxy and some of

375

00:18:37,320 --> 00:18:35,270

my time with him sharing some of the

376

00:18:40,440 --> 00:18:37,330

stories about his life in who

377

00:18:42,180 --> 00:18:40,450

is and all that good stuff when I was

378

00:18:45,150 --> 00:18:42,190

hanging out with him he was four

379

00:18:45,780 --> 00:18:45,160

thousand seven hundred and twenty years

380

00:18:47,670 --> 00:18:45,790

old

381

00:18:49,650 --> 00:18:47,680

that was some years ago so now he's

382

00:18:52,800 --> 00:18:49,660

about four thousand seven hundred and

383

00:18:54,750 --> 00:18:52,810

forty but when I was hanging out with my

384

00:18:58,380 --> 00:18:54,760

alien human hybrid friend this is way

385

00:19:01,290 --> 00:18:58,390

before the quarry good David Wilcock

386

00:19:04,350 --> 00:19:01,300

cosmic disclosure stuff he told me a

387

00:19:07,140 --> 00:19:04,360

long time ago he says wait to it comes

388

00:19:10,440 --> 00:19:07,150

to light in your future Keith on earth

389

00:19:13,080 --> 00:19:10,450

on your planet what's going on on the

390

00:19:16,230 --> 00:19:13,090

Dark Side of the Moon so if you would

391

00:19:18,000 --> 00:19:16,240

tell us about the solar warden in the

392

00:19:19,710 --> 00:19:18,010

secret space program we have a lot of

393

00:19:22,550 --> 00:19:19,720

ground I like to cover so if you can

394

00:19:24,810 --> 00:19:22,560

give me just a really juicy stuff about

395

00:19:26,280 --> 00:19:24,820

these questions let me put because I

396

00:19:27,600 --> 00:19:26,290

really want to cover a lot of these

397

00:19:30,000 --> 00:19:27,610

things you got some really good stuff

398

00:19:31,080 --> 00:19:30,010

here give me give me some insight and

399

00:19:32,910 --> 00:19:31,090

listening on it some insight about

400

00:19:35,340 --> 00:19:32,920

what's happening what is the solar

401
00:19:39,660 --> 00:19:35,350
warden and what is the secret space

402
00:19:40,680 --> 00:19:39,670
program okay let me ask you first how

403
00:19:44,580 --> 00:19:40,690
much time do we have

404
00:19:46,380 --> 00:19:44,590
I know how to pace myself still lasts an

405
00:19:47,730 --> 00:19:46,390
hour and we're coming close to the

406
00:19:51,600 --> 00:19:47,740
bottom believe it or not we have about

407
00:19:53,370 --> 00:19:51,610
another 40 minutes so we're gonna expand

408
00:19:54,990 --> 00:19:53,380
the show hopefully near a real rare

409
00:19:57,390 --> 00:19:55,000
near-future need to speak with mr. Bob

410
00:19:59,340 --> 00:19:57,400
to talk about expanding the show another

411
00:20:01,230 --> 00:19:59,350
hour so again let's go back to the

412
00:20:06,000 --> 00:20:01,240
question the solar warden in the secret

413
00:20:10,890 --> 00:20:06,010

space program yeah few people have heard

414

00:20:14,250 --> 00:20:10,900

the term but look at the word so let me

415

00:20:18,450 --> 00:20:14,260

understand warden what is a warden a

416

00:20:21,770 --> 00:20:18,460

warden is one that keeps prisoners and

417

00:20:28,590 --> 00:20:21,780

the so loved one is a government project

418

00:20:31,710 --> 00:20:28,600

hidden in deep darkness it's some eight

419

00:20:35,250 --> 00:20:31,720

to twelve levels above the normally

420

00:20:37,560 --> 00:20:35,260

called top secret it is probably one of

421

00:20:42,240 --> 00:20:37,570

the most secret programs that is out

422

00:20:45,180 --> 00:20:42,250

there because this is funded by the nine

423

00:20:51,630 --> 00:20:45,190

trillion dollars worth or missing

424

00:20:54,720 --> 00:20:51,640

money from the defense budget ah and

425

00:20:56,880 --> 00:20:54,730

when you have nine trillion dollars tell

426

00:20:58,650 --> 00:20:56,890

me one thing you can't build I don't

427

00:21:00,990 --> 00:20:58,660

think you can come up with anything you

428

00:21:04,590 --> 00:21:01,000

will find a way to do the research and

429

00:21:06,180 --> 00:21:04,600

build it and the thing is a lot of

430

00:21:09,480 --> 00:21:06,190

people said no I don't believe there is

431

00:21:11,220 --> 00:21:09,490

a secret space program well I don't

432

00:21:13,740 --> 00:21:11,230

understand why we keep saying that

433

00:21:19,730 --> 00:21:13,750

because the government has confirmed it

434

00:21:24,150 --> 00:21:19,740

and and let's see where there was in

435

00:21:26,850 --> 00:21:24,160

2013 at the disclosure meetings there

436

00:21:33,000 --> 00:21:26,860

was a citizen's hearing on disclosure in

437

00:21:35,550 --> 00:21:33,010

2013 Senator Mike Gravel my gravel he

438

00:21:38,310 --> 00:21:35,560

said and I quote I wrote this down for

439

00:21:44,220 --> 00:21:38,320

you is I'm not gonna miss it we have a

440

00:21:49,140 --> 00:21:44,230

space force it is in existence it is

441

00:21:55,470 --> 00:21:49,150

there which means a force that's

442

00:21:58,170 --> 00:21:55,480

military a space military that is the

443

00:22:00,150 --> 00:21:58,180

secret space program and this is what

444

00:22:03,600 --> 00:22:00,160

Gary McKinnon over in England you know

445

00:22:05,880 --> 00:22:03,610

that hacker that tapped into that hacked

446

00:22:08,490 --> 00:22:05,890

into NASA's computer looking for UFOs

447

00:22:10,950 --> 00:22:08,500

and the secret space program he found

448

00:22:14,750 --> 00:22:10,960

the secret space program and he saw

449

00:22:19,260 --> 00:22:14,760

several ships there was about a

450

00:22:23,540 --> 00:22:19,270

battalion of about 10 or more ships two

451
00:22:29,630 --> 00:22:23,550
of them was named you FFF LeMay and

452
00:22:35,370 --> 00:22:29,640
another one was named USS F Dylan Carter

453
00:22:40,440 --> 00:22:35,380
and these ships they were run by a free

454
00:22:44,280 --> 00:22:40,450
energy and also he found a list of the

455
00:22:48,900 --> 00:22:44,290
crew on one of those ships and they had

456
00:22:54,300 --> 00:22:48,910
some 30 of them that was named as non

457
00:22:57,390 --> 00:22:54,310
terrestrial crew I'm sure you know about

458
00:22:58,100 --> 00:22:57,400
this kid and this gets very deep so what

459
00:22:59,600 --> 00:22:58,110
did they do it

460
00:23:01,460 --> 00:22:59,610
there what are they doing on the dark

461
00:23:05,900 --> 00:23:01,470
side in mom what's taking place well

462
00:23:07,580 --> 00:23:05,910
there is actually on this side of the

463
00:23:09,650 --> 00:23:07,590

moon they have a slave labor example

464

00:23:13,490 --> 00:23:09,660

though some whole bunch of the kids that

465

00:23:15,280 --> 00:23:13,500

is disappearing every year and they kind

466

00:23:18,410 --> 00:23:15,290

of grow them there and they become

467

00:23:21,380 --> 00:23:18,420

burgers you know and on the backside

468

00:23:24,710 --> 00:23:21,390

there is a large mining operation that

469

00:23:27,710 --> 00:23:24,720

is done in conjunction with an alien

470

00:23:31,669 --> 00:23:27,720

species that is probably more experts of

471

00:23:33,590 --> 00:23:31,679

mining than what we are and of course I

472

00:23:35,930 --> 00:23:33,600

say we the tongue-in-cheek is not you

473

00:23:38,000 --> 00:23:35,940

and me it's the dark forces of

474

00:23:41,360 --> 00:23:38,010

government that is doing this and this

475

00:23:45,500 --> 00:23:41,370

people that run the secret space program

476
00:23:47,060 --> 00:23:45,510
and you say that Augie from the chat

477
00:23:48,919 --> 00:23:47,070
room Karen asked a question I always

478
00:23:50,810 --> 00:23:48,929
wondered about the secret space these

479
00:23:53,419 --> 00:23:50,820
space programs how many countries are

480
00:23:56,060 --> 00:23:53,429
actually in on this to keep it a secret

481
00:24:00,169 --> 00:23:56,070
you know ambassador from every country

482
00:24:03,680 --> 00:24:00,179
up there yeah representatives they don't

483
00:24:09,350 --> 00:24:03,690
call ambassadors so much but there is a

484
00:24:11,900 --> 00:24:09,360
head of each delegation to it and the

485
00:24:14,510 --> 00:24:11,910
United States is of course it's not the

486
00:24:17,419 --> 00:24:14,520
United States it's the the big cabal

487
00:24:20,210 --> 00:24:17,429
behind it but is doing this and many

488
00:24:23,240 --> 00:24:20,220

countries have the same their versions

489

00:24:26,990 --> 00:24:23,250

are working very closely with this

490

00:24:29,180 --> 00:24:27,000

quality Americans up there and you may

491

00:24:35,980 --> 00:24:29,190

also have heard that during the Second

492

00:24:40,100 --> 00:24:37,190

yep

493

00:24:42,680 --> 00:24:40,110

the German built how the boot 2/3 and

494

00:24:44,539 --> 00:24:42,690

the ground one I don't think they have

495

00:24:46,340 --> 00:24:44,549

much a lot because the hundred big one

496

00:24:48,260 --> 00:24:46,350

was unstable and it crashed a lot so

497

00:24:51,080 --> 00:24:48,270

they kind of abandoned it but found

498

00:24:52,880 --> 00:24:51,090

about two and the hundred three they I

499

00:24:58,820 --> 00:24:52,890

don't know what they have now but these

500

00:25:01,190 --> 00:24:58,830

are flying saucer-like discs and they

501
00:25:04,850 --> 00:25:01,200
have a base on the moon in fact on my

502
00:25:09,240 --> 00:25:04,860
website I have pictures of one of the

503
00:25:12,630 --> 00:25:09,250
buildings that they are operating out of

504
00:25:19,610 --> 00:25:12,640
and it oh gosh I forget which page it is

505
00:25:23,790 --> 00:25:19,620
now but it looks like at large Rustica

506
00:25:25,740 --> 00:25:23,800
and it is very old hundreds of thousands

507
00:25:28,470 --> 00:25:25,750
of years old but when the Germans saw

508
00:25:31,260 --> 00:25:28,480
that building they fell in love and they

509
00:25:34,770 --> 00:25:31,270
started rehabilitating a part of the

510
00:25:37,080 --> 00:25:34,780
building for their base and that's where

511
00:25:38,490 --> 00:25:37,090
they are and they are Americans are out

512
00:25:41,940 --> 00:25:38,500
there Russians are out there there's

513
00:25:45,210 --> 00:25:41,950

some Brits up there and they believe

514

00:25:48,150 --> 00:25:45,220

that there are alien races that is

515

00:25:51,390 --> 00:25:48,160

working with them but this is something

516

00:25:54,420 --> 00:25:51,400

that is hard to confirm except for

517

00:25:56,910 --> 00:25:54,430

there's some whistleblowers now that is

518

00:25:59,910 --> 00:25:56,920

coming out talk short and for those out

519

00:26:01,710 --> 00:25:59,920

there and soon of light radio land this

520

00:26:04,170 --> 00:26:01,720

sounds a little hard to digest feel free

521

00:26:06,420 --> 00:26:04,180

to go to Google Images and type in the

522

00:26:08,400 --> 00:26:06,430

German Bell and you will see and it will

523

00:26:14,970 --> 00:26:08,410

confirm to you exactly what my guest

524

00:26:17,940 --> 00:26:14,980

Augie nose is talking about in that

525

00:26:19,950 --> 00:26:17,950

connection there's a guy named Ben rich

526

00:26:22,620 --> 00:26:19,960

he was the head of the Lockheed

527

00:26:24,900 --> 00:26:22,630

skunkworks that build some of these

528

00:26:27,030 --> 00:26:24,910

things and the future airplanes and

529

00:26:28,860 --> 00:26:27,040

stuff like that and he said in a quote

530

00:26:32,520 --> 00:26:28,870

and I wrote this one down tears I'm not

531

00:26:35,820 --> 00:26:32,530

gonna miss anything we already have the

532

00:26:37,920 --> 00:26:35,830

means to travel among the stars but

533

00:26:40,440 --> 00:26:37,930

these technologies are locked up in

534

00:26:43,890 --> 00:26:40,450

black projects and it would take an act

535

00:26:47,880 --> 00:26:43,900

of God to ever get them out to benefit

536

00:26:51,330 --> 00:26:47,890

humanity anything you can imagine we

537

00:26:54,120 --> 00:26:51,340

already know how to do yes the

538

00:26:56,640 --> 00:26:54,130

technology to take e.t home and it won't

539

00:26:59,730 --> 00:26:56,650

take a lifetime to do it and you know

540

00:27:01,830 --> 00:26:59,740

humans or occupying local space right

541

00:27:05,670 --> 00:27:01,840

now a lot of the humans were not born on

542

00:27:07,860 --> 00:27:05,680

earth they were born out there every

543

00:27:10,110 --> 00:27:07,870

planet in the galaxy all over the

544

00:27:12,210 --> 00:27:10,120

universe and what most people should

545

00:27:14,490 --> 00:27:12,220

consider is all the things that we think

546

00:27:16,870 --> 00:27:14,500

are just too far-fetched they're more

547

00:27:18,010 --> 00:27:16,880

likely true than they are not

548

00:27:21,580 --> 00:27:18,020

true would you agree with that statement

549

00:27:23,260 --> 00:27:21,590

sir you know what we're doing

550

00:27:27,130 --> 00:27:23,270

teleportation in fact there's supposed

551
00:27:30,010 --> 00:27:27,140
to be a huge Stargate in Antarctica that

552
00:27:31,660 --> 00:27:30,020
can bring them anywhere the drop of a

553
00:27:35,020 --> 00:27:31,670
dime in the universe

554
00:27:38,140 --> 00:27:35,030
yeah yeah and on my website in the

555
00:27:40,690 --> 00:27:38,150
picture gallery the photo gallery on

556
00:27:43,120 --> 00:27:40,700
page one I have a picture of a NASA

557
00:27:45,700 --> 00:27:43,130
primp that show a two-mile long

558
00:27:47,650 --> 00:27:45,710
cigar-shaped ship floating across the

559
00:27:49,480 --> 00:27:47,660
surface of the Moon throwing a shadow on

560
00:27:54,010 --> 00:27:49,490
the ground it's so clear you can't even

561
00:27:57,640 --> 00:27:54,020
argue it and in there also in the later

562
00:28:00,940 --> 00:27:57,650
ones I think it's a page 64 possibly I

563
00:28:05,350 --> 00:28:00,950

got over 3,000 strange pictures there I

564

00:28:08,050 --> 00:28:05,360

so I show a picture of the Stargate that

565

00:28:10,350 --> 00:28:08,060

the American military found in Iraq when

566

00:28:14,380 --> 00:28:10,360

they ran over the country here about

567

00:28:15,880 --> 00:28:14,390

12,000 years ago you can all look at

568

00:28:18,010 --> 00:28:15,890

those pictures and you see a lot of

569

00:28:21,160 --> 00:28:18,020

stuff that you're not supposed to know

570

00:28:23,440 --> 00:28:21,170

about with the bottom of the hour today

571

00:28:27,540 --> 00:28:23,450

my guess I'm just talking nosed and you

572

00:28:31,150 --> 00:28:27,550

can find him at his website which is WWE

573

00:28:33,700 --> 00:28:31,160

in OST comm we at the bottom of the hour

574

00:28:35,830 --> 00:28:33,710

is there anything you want to announce

575

00:28:37,780 --> 00:28:35,840

how our listeners can find more about

576
00:28:39,430 --> 00:28:37,790
you and you work other than your website

577
00:28:41,470 --> 00:28:39,440
is there anyplace else we you would like

578
00:28:42,760 --> 00:28:41,480
to direct them to to find some of your

579
00:28:44,250 --> 00:28:42,770
work or some of your books or your

580
00:28:48,010 --> 00:28:44,260
writings or videos anything like that

581
00:28:50,560 --> 00:28:48,020
yeah I have a new website coming up

582
00:28:53,880 --> 00:28:50,570
another week or so it will be activated

583
00:28:58,000 --> 00:28:53,890
and that for my radio show which is

584
00:28:59,980 --> 00:28:58,010
their website for that is it is not

585
00:29:01,840 --> 00:28:59,990
perfect yet so there is some work to be

586
00:29:03,730 --> 00:29:01,850
done on it but you can see a lot of the

587
00:29:30,880 --> 00:29:03,740
pictures and a lot of the blogs that

588
00:29:34,270 --> 00:29:32,830

to light you can bet on that let's shift

589

00:29:34,600 --> 00:29:34,280

gears a little bit let's go to the next

590

00:29:38,320 --> 00:29:34,610

one

591

00:29:43,420 --> 00:29:38,330

why prayer does not work tell me why

592

00:29:48,670 --> 00:29:43,430

prayer does not work well it's kind of

593

00:29:51,250 --> 00:29:48,680

like think about what is the prayer it

594

00:29:56,200 --> 00:29:51,260

is kind of like a request for a

595

00:29:57,940 --> 00:29:56,210

manifestation right yeah when you if

596

00:30:01,510 --> 00:29:57,950

you're going down the street talking to

597

00:30:02,830 --> 00:30:01,520

a guy in Japanese in New York chances

598

00:30:07,870 --> 00:30:02,840

are he's not going to understand you

599

00:30:12,160 --> 00:30:07,880

right probably so we are using the wrong

600

00:30:14,200 --> 00:30:12,170

language because prayer first of all is

601
00:30:19,930 --> 00:30:14,210
a request for something and it doesn't

602
00:30:22,510 --> 00:30:19,940
stay in the physical we have never been

603
00:30:22,750 --> 00:30:22,520
taught how to pray so let me ask you

604
00:30:24,550 --> 00:30:22,760
this

605
00:30:26,530 --> 00:30:24,560
I'm getting an intuitive feeling that I

606
00:30:28,950 --> 00:30:26,540
know where you're going with this prayer

607
00:30:31,630 --> 00:30:28,960
is basically it has a few components to

608
00:30:34,150 --> 00:30:31,640
support what you're saying prayer means

609
00:30:38,680 --> 00:30:34,160
I don't have the power within myself as

610
00:30:42,640 --> 00:30:38,690
to why I'm reaching quote out or up with

611
00:30:45,940 --> 00:30:42,650
this supplication to once we verbalize

612
00:30:47,800 --> 00:30:45,950
or visualize or affirm the prayer we're

613
00:30:50,260 --> 00:30:47,810

pretty much done with it it's not part

614

00:30:53,140 --> 00:30:50,270

of our vibrational ongoing field as to

615

00:30:55,570 --> 00:30:53,150

why it doesn't have the earth on the

616

00:30:58,090 --> 00:30:55,580

punch or the power to bring forth the

617

00:31:00,400 --> 00:30:58,100

manifestation that we have beseech from

618

00:31:02,770 --> 00:31:00,410

the universal would that be correct that

619

00:31:05,470 --> 00:31:02,780

is pretty close to being the the way

620

00:31:07,690 --> 00:31:05,480

that it is there's actually a book out

621

00:31:09,730 --> 00:31:07,700

there it's called the healing words and

622

00:31:12,280 --> 00:31:09,740

prayer is good medicine and they are

623

00:31:15,790 --> 00:31:12,290

showing that people I get together and

624

00:31:19,000 --> 00:31:15,800

use the spiritual language they can

625

00:31:20,950 --> 00:31:19,010

actually heal people my personal the

626

00:31:24,640 --> 00:31:20,960

spiritual language is not one of words

627

00:31:29,400 --> 00:31:24,650

it's one of emotion vivid colorful

628

00:31:34,740 --> 00:31:29,410

pictures gratitude long and those

629

00:31:38,350 --> 00:31:34,750

emotional type of visually say

630

00:31:39,670 --> 00:31:38,360

this is pretty powerful so I totally get

631

00:31:41,470 --> 00:31:39,680

it I totally get it

632

00:31:43,830 --> 00:31:41,480

so instead of going into prayer and

633

00:31:47,260 --> 00:31:43,840

murmuring some words in our

634

00:31:51,880 --> 00:31:47,270

consciousness agree - agreed you know

635

00:31:54,580 --> 00:31:51,890

English language is not its vibration

636

00:31:57,100 --> 00:31:54,590

and we're mostly in vibration when we in

637

00:31:59,530 --> 00:31:57,110

our feeling base so what you say would

638

00:32:02,710 --> 00:31:59,540

be more accurate and more beneficial

639

00:32:05,350 --> 00:32:02,720

versus reciting some words silently

640

00:32:08,550 --> 00:32:05,360

within with just a whole vibration of

641

00:32:11,710 --> 00:32:08,560

joy would that be more effective

642

00:32:15,460 --> 00:32:11,720

absolutely you don't need words the

643

00:32:19,330 --> 00:32:15,470

silent prayer with emotion love and

644

00:32:21,880 --> 00:32:19,340

vivid pictures have much much more power

645

00:32:24,820 --> 00:32:21,890

to it than the verbs does because words

646

00:32:27,100 --> 00:32:24,830

are only here in the physical way you

647

00:32:32,230 --> 00:32:27,110

can travel through the area and/or make

648

00:32:36,220 --> 00:32:32,240

vibrations the emotion is the carrier of

649

00:32:39,070 --> 00:32:36,230

thought so if we put a lot of emotion

650

00:32:43,750 --> 00:32:39,080

into it and especially the emotion of

651
00:32:46,060 --> 00:32:43,760
love that will surround what you direct

652
00:32:49,480 --> 00:32:46,070
it towards and it will raise the

653
00:32:53,700 --> 00:32:49,490
vibration of everything in it so that it

654
00:32:58,630 --> 00:32:53,710
can heal itself or whatever that other

655
00:33:03,120 --> 00:32:58,640
of the thing is and of course now we

656
00:33:08,020 --> 00:33:05,950
while we're on this one let's take about

657
00:33:10,300 --> 00:33:08,030
two minutes to explain something and

658
00:33:14,110 --> 00:33:10,310
really get people puzzled and looking

659
00:33:17,020 --> 00:33:14,120
outside of the box I'll ask you and the

660
00:33:20,920 --> 00:33:17,030
listeners a question and one of the

661
00:33:21,700 --> 00:33:20,930
mails that I'll give you something to

662
00:33:24,370 --> 00:33:21,710
think about

663
00:33:26,380 --> 00:33:24,380

the first set of stage so that you'll

664

00:33:28,450 --> 00:33:26,390

understand that question because science

665

00:33:32,530 --> 00:33:28,460

for the last 300 years has told us that

666

00:33:34,900 --> 00:33:32,540

we are we cannot create anything from

667

00:33:37,330 --> 00:33:34,910

nothing modern energy cannot be created

668

00:33:39,100 --> 00:33:37,340

from nothing then again we have some of

669

00:33:40,930 --> 00:33:39,110

the sharpest people on the planet like

670

00:33:42,360 --> 00:33:40,940

Stephen Hawking's at Cambridge

671

00:33:45,060 --> 00:33:42,370

University in England

672

00:33:47,250 --> 00:33:45,070

most of the theoretical physicists there

673

00:33:49,049 --> 00:33:47,260

saying that their equations on the

674

00:33:51,530 --> 00:33:49,059

blackboard using quantum physics show

675

00:33:54,450 --> 00:33:51,540

this universe was created from nothing

676

00:33:56,580 --> 00:33:54,460

now if the whole universe is clear from

677

00:33:59,280 --> 00:33:56,590

nothing and everything in it is clear

678

00:34:01,860 --> 00:33:59,290

from nothing and you are in this

679

00:34:07,200 --> 00:34:01,870

universe created from nothing what are

680

00:34:10,830 --> 00:34:07,210

you totally get it

681

00:34:12,450 --> 00:34:10,840

I paused on purpose there kid yeah

682

00:34:15,080 --> 00:34:12,460

absolutely you know I say the same thing

683

00:34:16,830 --> 00:34:15,090

differently if let's use the word

684

00:34:19,200 --> 00:34:16,840

god-conscious yeah whatever you want to

685

00:34:20,700 --> 00:34:19,210

call it source whatever is the beginning

686

00:34:22,530 --> 00:34:20,710

the Alpha and the Omega

687

00:34:24,720 --> 00:34:22,540

what does that make everything in the

688

00:34:26,280 --> 00:34:24,730

middle if you have a point and a point

689

00:34:28,050 --> 00:34:26,290

and you draw a straight line you no

690

00:34:29,879 --> 00:34:28,060

longer seeing two points you seeing one

691

00:34:34,710 --> 00:34:29,889

line is this where you're going with

692

00:34:38,369 --> 00:34:34,720

that sir yeah and the brain is just like

693

00:34:40,649 --> 00:34:38,379

a computer the mind is the hardware that

694

00:34:45,270 --> 00:34:40,659

is laid on top of the computer so the

695

00:34:49,200 --> 00:34:45,280

computer can do what it does the mind is

696

00:34:52,020 --> 00:34:49,210

eternal the brain will die with you

697

00:34:53,580 --> 00:34:52,030

whenever if you have a diet you know

698

00:34:59,400 --> 00:34:53,590

referring back to our previous

699

00:35:02,190 --> 00:34:59,410

conversation so there is things here

700

00:35:04,860 --> 00:35:02,200

that is well hidden for the people and

701

00:35:07,410 --> 00:35:04,870

you will never find it in the box you

702

00:35:09,900 --> 00:35:07,420

guys start reading books and you got to

703

00:35:11,790 --> 00:35:09,910

go to youtube and look outside of the

704

00:35:16,650 --> 00:35:11,800

box because it's there and listen to

705

00:35:20,610 --> 00:35:16,660

peer shows I mean I have because they

706

00:35:22,260 --> 00:35:20,620

hold in there and you don't even know

707

00:35:24,420 --> 00:35:22,270

where the pearls are sometimes but

708

00:35:25,770 --> 00:35:24,430

they're there because you know I'm glad

709

00:35:28,080 --> 00:35:25,780

I'm glad you're talking about this

710

00:35:30,330 --> 00:35:28,090

because a lot of people are pissed off

711

00:35:31,860 --> 00:35:30,340

and they upset at the fact that we don't

712

00:35:34,050 --> 00:35:31,870

know all the secrets and why are they

713

00:35:35,370 --> 00:35:34,060

keeping this from us I get it let's

714

00:35:38,070 --> 00:35:35,380

share some of those same feelings but

715

00:35:41,160 --> 00:35:38,080

there is a greater like you said there

716

00:35:43,500 --> 00:35:41,170

is a pearl in the not knowing someone

717

00:35:45,540 --> 00:35:43,510

says that you know I had a recent

718

00:35:45,900 --> 00:35:45,550

conversation with someone about certain

719

00:35:47,790 --> 00:35:45,910

things

720

00:35:50,070 --> 00:35:47,800

since the Council of Nicaea that were

721

00:35:51,750 --> 00:35:50,080

taken out of biblical scripture and

722

00:35:53,220 --> 00:35:51,760

certain things that were not allowed in

723

00:35:54,570 --> 00:35:53,230

and they said well that's the way it's

724

00:35:56,170 --> 00:35:54,580

supposed to be and I totally agree with

725

00:35:58,720 --> 00:35:56,180

the idea because

726

00:36:01,210 --> 00:35:58,730

I think we have to want something I

727

00:36:03,039 --> 00:36:01,220

think that's the magic those things that

728

00:36:05,970 --> 00:36:03,049

are hidden they're hidden for divine

729

00:36:11,380 --> 00:36:05,980

reason not necessarily am an elite

730

00:36:13,960 --> 00:36:11,390

global cabal reason because everything

731

00:36:15,370 --> 00:36:13,970

ultimately goes back to source and so

732

00:36:16,750 --> 00:36:15,380

what would be the reason why we don't

733

00:36:19,180 --> 00:36:16,760

know all these things that can change

734

00:36:22,150 --> 00:36:19,190

our lives because I think it creates a

735

00:36:24,519 --> 00:36:22,160

posture in a disposition in us to really

736

00:36:26,500 --> 00:36:24,529

want something to really want if someone

737

00:36:28,089 --> 00:36:26,510

says if someone's to tell me they found

738

00:36:29,589 --> 00:36:28,099

God under a rock or they had an

739

00:36:32,410 --> 00:36:29,599

Enlightenment by looking under a rock

740

00:36:37,269 --> 00:36:32,420

I'm not gonna go because I doubt you I'm

741

00:36:39,010 --> 00:36:37,279

going there because I want it yeah and

742

00:36:41,859 --> 00:36:39,020

the thing about it is that if people

743

00:36:44,799 --> 00:36:41,869

have a particular religion they believe

744

00:36:47,380 --> 00:36:44,809

very strongly in in order to find the

745

00:36:50,500 --> 00:36:47,390

truth you can always find it if you go

746

00:36:52,900 --> 00:36:50,510

back to its source and the source of

747

00:36:55,779 --> 00:36:52,910

Christianity was not Jesus he was not a

748

00:36:57,760 --> 00:36:55,789

Christian you go back to 325 in this

749

00:37:01,150 --> 00:36:57,770

area or Constantinople Turkey right now

750

00:37:04,269 --> 00:37:01,160

and you find get your hands on the

751
00:37:08,319 --> 00:37:04,279
minutes or the notes from those meetings

752
00:37:10,420 --> 00:37:08,329
that lasted over a year actually and 223

753
00:37:12,760 --> 00:37:10,430
people got together they were ordered to

754
00:37:16,440 --> 00:37:12,770
go there by Constantine the Emperor of

755
00:37:19,839 --> 00:37:16,450
the Roman Empire knees toes Gordon Sao

756
00:37:22,779 --> 00:37:19,849
create a religion which will unify my

757
00:37:27,730 --> 00:37:22,789
Empire and do not emerge before you have

758
00:37:29,170 --> 00:37:27,740
done so they did yes yes we have a

759
00:37:30,970 --> 00:37:29,180
couple of questions from the chat room I

760
00:37:33,400 --> 00:37:30,980
love honoring my peeps in the chatroom

761
00:37:36,279 --> 00:37:33,410
Bluebird ask the question and does the

762
00:37:38,650 --> 00:37:36,289
guest have any insight on what our space

763
00:37:41,109 --> 00:37:38,660

brothers think about our behavior here

764

00:37:47,140 --> 00:37:41,119

on earth I'm sure Bluebird you probably

765

00:37:52,680 --> 00:37:47,150

have your own answer well I'm sorry but

766

00:37:55,299 --> 00:37:52,690

you probably don't want to know I guess

767

00:37:58,089 --> 00:37:55,309

is encrypted in that last message right

768

00:38:01,059 --> 00:37:58,099

actually that is not totally true there

769

00:38:05,950 --> 00:38:01,069

yeah we we act like total morons to them

770

00:38:07,900 --> 00:38:05,960

and compared to them we are because hey

771

00:38:09,840 --> 00:38:07,910

let's look at the word a it's a

772

00:38:12,530 --> 00:38:09,850

medical term for somebody with an IQ

773

00:38:15,630 --> 00:38:12,540

less than 50 so compared to them we are

774

00:38:18,210 --> 00:38:15,640

but the thing about it is that there are

775

00:38:20,690 --> 00:38:18,220

many alien species out there that is

776

00:38:24,090 --> 00:38:20,700

looking at us for someone that is now

777

00:38:29,400 --> 00:38:24,100

we're in the cocoon and shortly we will

778

00:38:32,610 --> 00:38:29,410

become a butterfly so they are helping

779

00:38:35,850 --> 00:38:32,620

us not necessarily physically but they

780

00:38:38,880 --> 00:38:35,860

are injecting a higher vibration across

781

00:38:42,180 --> 00:38:38,890

the globe to those that is willing and

782

00:38:42,720 --> 00:38:42,190

capable of receiving it and do something

783

00:38:45,420 --> 00:38:42,730

with it

784

00:38:49,500 --> 00:38:45,430

and you see the star children and you

785

00:38:52,080 --> 00:38:49,510

have you have people now I can have have

786

00:38:54,390 --> 00:38:52,090

phenomenal abilities there are more

787

00:38:57,540 --> 00:38:54,400

psychics now that actually is correct

788

00:39:01,980 --> 00:38:57,550

about things than ever before we are

789

00:39:04,010 --> 00:39:01,990

raising the the mind capacity and the

790

00:39:08,070 --> 00:39:04,020

frequency of people across the globe

791

00:39:10,920 --> 00:39:08,080

because every 2600 years this happens we

792

00:39:13,590 --> 00:39:10,930

are passing to a regional space where

793

00:39:15,900 --> 00:39:13,600

there is energy coming out of the center

794

00:39:18,510 --> 00:39:15,910

of the galaxy which is the black hole

795

00:39:21,780 --> 00:39:18,520

right there and we're passing through it

796

00:39:23,580 --> 00:39:21,790

so those that is of a higher vibration

797

00:39:27,570 --> 00:39:23,590

we will be able to come out on the other

798

00:39:31,650 --> 00:39:27,580

side in a different higher vibrational

799

00:39:33,630 --> 00:39:31,660

existence or dimension if you want that

800

00:39:36,000 --> 00:39:33,640

once that is at the lower vibrations

801

00:39:38,370 --> 00:39:36,010

they're gonna go through it and it's

802

00:39:41,730 --> 00:39:38,380

gonna be hell for them and it come out

803

00:39:44,220 --> 00:39:41,740

on the other side and they're gonna have

804

00:39:46,080 --> 00:39:44,230

to start them up all over again and good

805

00:39:51,060 --> 00:39:46,090

riddance I'm not gonna be part of them

806

00:39:55,680 --> 00:39:53,880

from our chat room tall white asked the

807

00:39:59,520 --> 00:39:55,690

question if our body is like a machine

808

00:40:04,070 --> 00:39:59,530

with organic tissue what is in our brain

809

00:40:06,990 --> 00:40:04,080

that makes it live beyond the vessel

810

00:40:08,940 --> 00:40:07,000

okay let's just

811

00:40:14,510 --> 00:40:08,950

I want two lies in two sections let's

812

00:40:23,700 --> 00:40:17,310

remember what I said about the what are

813

00:40:28,560 --> 00:40:23,710

you we are actually a hologram we are a

814

00:40:31,500 --> 00:40:28,570

mind projected holographic existence

815

00:40:34,680 --> 00:40:31,510

we're not even life here sitting on this

816

00:40:37,140 --> 00:40:34,690

body right life we are a holographic

817

00:40:41,460 --> 00:40:37,150

existence that is projected from the

818

00:40:43,740 --> 00:40:41,470

mind that our mind is part of the larger

819

00:40:49,290 --> 00:40:43,750

mind so we have access to that at that

820

00:40:51,660 --> 00:40:49,300

level and that is the white light is not

821

00:40:55,830 --> 00:40:51,670

photonic light it's a higher vibratory

822

00:40:58,200 --> 00:40:55,840

light that has a form when it enters the

823

00:41:01,740 --> 00:40:58,210

physical it turns into an electric

824

00:41:05,940 --> 00:41:01,750

charge that actually fuels the cells in

825

00:41:09,570 --> 00:41:05,950

the body and holds them alive pulls them

826

00:41:12,450 --> 00:41:09,580

working should I say but if let's say

827

00:41:19,250 --> 00:41:12,460

one when the physical body quit work and

828

00:41:22,980 --> 00:41:19,260

dies then it just it's dead what

829

00:41:28,440 --> 00:41:22,990

spiritual is concerned but this mind

830

00:41:32,460 --> 00:41:28,450

lives on the mind never dies it moves up

831

00:41:36,210 --> 00:41:32,470

the ladder and it moves us into a region

832

00:41:37,980 --> 00:41:36,220

where there is no space and time except

833

00:41:42,830 --> 00:41:37,990

for the lower straw worlds you still

834

00:41:46,260 --> 00:41:42,840

have that but you move into every

835

00:41:48,000 --> 00:41:46,270

education of what is there because what

836

00:41:50,760 --> 00:41:48,010

you have here on earth

837

00:41:53,280 --> 00:41:50,770

that is also staying with you a little

838

00:41:55,230 --> 00:41:53,290

bit after you leave so you gotta have a

839

00:41:58,140 --> 00:41:55,240

little bit of a v8 occasion you got to

840

00:42:00,450 --> 00:41:58,150

see how the higher vibrations work and

841

00:42:03,000 --> 00:42:00,460

you will go through a

842

00:42:06,000 --> 00:42:03,010

we education to the point where you know

843

00:42:09,060 --> 00:42:06,010

did I complete what I entered physical

844

00:42:10,740 --> 00:42:09,070

existence for oh did I not if you find

845

00:42:13,200 --> 00:42:10,750

that you didn't then there were some

846

00:42:15,300 --> 00:42:13,210

things that you maybe you want to

847

00:42:17,790 --> 00:42:15,310

experience that you didn't get to

848

00:42:22,650 --> 00:42:17,800

experience you may want to go back and

849

00:42:25,050 --> 00:42:22,660

do another lifetime over again and a lot

850

00:42:27,030 --> 00:42:25,060

of people end up in that circuit going

851
00:42:29,610 --> 00:42:27,040
back because they miss something and

852
00:42:32,700 --> 00:42:29,620
there's something that this the spark of

853
00:42:36,120 --> 00:42:32,710
life the soul want the experience of

854
00:42:38,910 --> 00:42:36,130
having so it is programmed into you and

855
00:42:41,400 --> 00:42:38,920
there are helpers on the outside of the

856
00:42:44,570 --> 00:42:41,410
physical that helps us guide us through

857
00:42:48,570 --> 00:42:44,580
this path that is to a great extent

858
00:42:51,840 --> 00:42:48,580
predetermined for us and that's what I

859
00:42:55,290 --> 00:42:51,850
call the master plan of life you know I

860
00:42:59,580 --> 00:42:55,300
bet when we fad when we pass the first

861
00:43:02,010 --> 00:42:59,590
epiphany we get must be huge I mean the

862
00:43:05,430 --> 00:43:02,020
explosion of awareness and the explosion

863
00:43:07,470 --> 00:43:05,440

and the AHA and the enlightenment of the

864

00:43:09,180 --> 00:43:07,480

past incarnation as well as other

865

00:43:10,920 --> 00:43:09,190

incarnations and the possibilities of

866

00:43:12,690 --> 00:43:10,930

future incarnations whether you choose

867

00:43:14,160 --> 00:43:12,700

to go back now whether you choose to go

868

00:43:16,050 --> 00:43:14,170

back what may appear a thousand years

869

00:43:19,200 --> 00:43:16,060

where do you may even reincarnate to

870

00:43:22,410 --> 00:43:19,210

what we call the past and and to you

871

00:43:25,740 --> 00:43:22,420

know a couple hundred years when getting

872

00:43:28,230 --> 00:43:25,750

that initial awakening once we cross

873

00:43:32,880 --> 00:43:28,240

over must must be just well it has to be

874

00:43:36,120 --> 00:43:32,890

cosmic yeah and what you just said is

875

00:43:39,210 --> 00:43:36,130

actually right you let's say for someone

876

00:43:41,700 --> 00:43:39,220

that dies tomorrow they don't have to

877

00:43:44,790 --> 00:43:41,710

ravine carnate in the future you can go

878

00:43:46,740 --> 00:43:44,800

back 2,000 years if there was something

879

00:43:48,840 --> 00:43:46,750

back that I was attractive to you and

880

00:43:52,040 --> 00:43:48,850

you see an experience that you want to

881

00:43:55,560 --> 00:43:52,050

relive you can put yourself into that

882

00:43:58,500 --> 00:43:55,570

physical time frame and live a lifetime

883

00:44:01,050 --> 00:43:58,510

that far back yeah because that reality

884

00:44:04,320 --> 00:44:01,060

is still vibrating it never dies that we

885

00:44:06,990 --> 00:44:04,330

just choose to bounce around creator

886

00:44:08,250 --> 00:44:07,000

mind I'd like to get to a question that

887

00:44:10,140 --> 00:44:08,260

seems like it's gonna be fun and

888

00:44:11,640 --> 00:44:10,150

everyone can really enjoy and begin to

889

00:44:12,329 --> 00:44:11,650

put this into practice number eight you

890

00:44:14,670 --> 00:44:12,339

have

891

00:44:17,430 --> 00:44:14,680

how to see and take pictures of UFOs and

892

00:44:19,410 --> 00:44:17,440

extra physical quote things around you

893

00:44:20,999 --> 00:44:19,420

all the time and you say everyone can do

894

00:44:24,019 --> 00:44:21,009

it how do we go about that sir

895

00:44:27,920 --> 00:44:24,029

oh it's so simple that is almost funny

896

00:44:33,269 --> 00:44:27,930

get your hands on a fourth generation

897

00:44:36,660 --> 00:44:33,279

night-vision goggles what those do is

898

00:44:39,150 --> 00:44:36,670

that they allow you to see higher up

899

00:44:45,120 --> 00:44:39,160

into the light Specter than what your

900

00:44:46,559 --> 00:44:45,130

eyes can do and I will okay now I'm

901

00:44:50,339 --> 00:44:46,569

really going out on a limb

902

00:44:53,160 --> 00:44:50,349

you will not may you will see flying

903

00:44:57,059 --> 00:44:53,170

saucers you see triangles you see

904

00:45:00,509 --> 00:44:57,069

oddball shape type of craft flying in

905

00:45:04,589 --> 00:45:00,519

the sky because they are slightly out of

906

00:45:08,579 --> 00:45:04,599

the visual cue of what your eyes are

907

00:45:10,680 --> 00:45:08,589

able to pick up or tell on no no doc

908

00:45:13,079 --> 00:45:10,690

bill it was George Noory that on coast

909

00:45:16,890 --> 00:45:13,089

to coast he did a show on this and he

910

00:45:18,749 --> 00:45:16,900

had the the goggles there with him and

911

00:45:23,219 --> 00:45:18,759

he explained what he saw and hey it was

912

00:45:25,549 --> 00:45:23,229

phenomenal this is one way to do it now

913

00:45:28,499 --> 00:45:25,559

there's another way to see other things

914

00:45:29,999 --> 00:45:28,509

then there's a model 45 second story

915

00:45:32,819 --> 00:45:30,009

here that I'll tell you and that is that

916

00:45:36,450 --> 00:45:32,829

there was a guy over in France back in

917

00:45:38,370 --> 00:45:36,460

the I think it was the 1950s or 60s he

918

00:45:42,479 --> 00:45:38,380

took pictures of dead people all the

919

00:45:44,940 --> 00:45:42,489

times but a regular camera what he did

920

00:45:48,029 --> 00:45:44,950

he went up to the graveyard where there

921

00:45:50,579 --> 00:45:48,039

was a fresh grave and he took a Tesla

922

00:45:53,160 --> 00:45:50,589

coil put it next to the grave walked

923

00:45:55,349 --> 00:45:53,170

away about 15 20 feet and took pictures

924

00:45:57,839 --> 00:45:55,359

towards that grave and he could see the

925

00:46:00,029 --> 00:45:57,849

guy that just died standing next to the

926

00:46:01,529 --> 00:46:00,039

grave right in front of him and the

927

00:46:03,180 --> 00:46:01,539

people in town when he showed these

928

00:46:07,319 --> 00:46:03,190

pictures they they thought he was

929

00:46:09,239 --> 00:46:07,329

working with Satan of course you know so

930

00:46:11,400 --> 00:46:09,249

they um they ran him out of town he had

931

00:46:15,029 --> 00:46:11,410

to move they would have killed him if he

932

00:46:17,400 --> 00:46:15,039

had not moved yeah that seems to be

933

00:46:20,190 --> 00:46:17,410

catching on and seems to have a

934

00:46:23,099 --> 00:46:20,200

reoccurring theme that people who say

935

00:46:26,470 --> 00:46:23,109

too much about too much end up getting

936

00:46:30,160 --> 00:46:26,480

you know whacked yeah

937

00:46:32,020 --> 00:46:30,170

there is there is one thing you know

938

00:46:35,320 --> 00:46:32,030

we've talked about both a little bit of

939

00:46:38,800 --> 00:46:35,330

solutions here and the problem there is

940

00:46:41,050 --> 00:46:38,810

one thing that we can really do to help

941

00:46:44,230 --> 00:46:41,060

mankind help ourselves and help the

942

00:46:48,280 --> 00:46:44,240

world and that is take advantage of the

943

00:46:50,620 --> 00:46:48,290

mastermind principle the mastermind

944

00:46:52,690 --> 00:46:50,630

principle is that when two or more minds

945

00:46:54,730 --> 00:46:52,700

are united in harmony they create a

946

00:46:57,430 --> 00:46:54,740

third mind that creates the potential

947

00:47:02,620 --> 00:46:57,440

mind power of the two or more of them

948

00:47:03,880 --> 00:47:02,630

multiplied by each other and about some

949

00:47:06,310 --> 00:47:03,890

twenty years ago

950

00:47:07,870 --> 00:47:06,320

art Bell did an experiment on the night

951
00:47:10,930 --> 00:47:07,880
a coast-to-coast show and I was

952
00:47:14,500 --> 00:47:10,940
listening that night and Texas had not

953
00:47:17,500 --> 00:47:14,510
had any rain for over three months and I

954
00:47:20,880 --> 00:47:17,510
remember that tell the story yes yeah

955
00:47:24,700 --> 00:47:20,890
and there were brush fires and

956
00:47:27,310 --> 00:47:24,710
everywhere and that cabin was dying from

957
00:47:31,510 --> 00:47:27,320
lack of waters towns run out of water

958
00:47:34,570 --> 00:47:31,520
and our tale told the listeners all 15

959
00:47:38,170 --> 00:47:34,580
million of us that night visualizes rain

960
00:47:40,360 --> 00:47:38,180
over Texas that next day there were

961
00:47:42,550 --> 00:47:40,370
thunderstorms all over Texas and the

962
00:47:44,200 --> 00:47:42,560
weather forecasters came out and said

963
00:47:46,000 --> 00:47:44,210

gee you know we're dumb farm that they

964

00:47:48,340 --> 00:47:46,010

were in the computer models there were

965

00:47:51,040 --> 00:47:48,350

no moisture anywhere they could create

966

00:47:56,260 --> 00:47:51,050

this but it did they didn't understand

967

00:47:59,740 --> 00:47:56,270

it the mind our mind the master mind

968

00:48:02,590 --> 00:47:59,750

created that rain and we can do the same

969

00:48:04,450 --> 00:48:02,600

thing families to get should get

970

00:48:06,370 --> 00:48:04,460

together and have family meetings and

971

00:48:08,920 --> 00:48:06,380

visualize something that they want

972

00:48:12,460 --> 00:48:08,930

together communities should do that

973

00:48:15,130 --> 00:48:12,470

states to do that mankind to do this and

974

00:48:17,800 --> 00:48:15,140

visualize something into existence that

975

00:48:22,240 --> 00:48:17,810

they want to happen and things will

976
00:48:24,450 --> 00:48:22,250
start happening totally I love the idea

977
00:48:27,040 --> 00:48:24,460
of visualization you know I've been

978
00:48:29,290 --> 00:48:27,050
doing these bursts of light live feeds

979
00:48:31,450 --> 00:48:29,300
and one night in particular was talking

980
00:48:33,880 --> 00:48:31,460
about explosive clarity and I used the

981
00:48:35,350 --> 00:48:33,890
image of a flawless diamond place it in

982
00:48:36,910 --> 00:48:35,360
your third eye also place it in your

983
00:48:38,240 --> 00:48:36,920
heart and you can still have the same

984
00:48:40,070 --> 00:48:38,250
imagery with

985
00:48:44,480 --> 00:48:40,080
out the diamond but the diamond kind of

986
00:48:46,790 --> 00:48:44,490
gives you a base and gives you a base of

987
00:48:51,140 --> 00:48:46,800
always wanting to be clear and you hold

988
00:48:55,600 --> 00:48:51,150

your imagery in the diamond for the the

989

00:48:57,470 --> 00:48:55,610

second component of clarity and so

990

00:49:00,260 --> 00:48:57,480

visualization is such a powerful thing

991

00:49:02,750 --> 00:49:00,270

and when we back that with absolute joy

992

00:49:06,260 --> 00:49:02,760

and feeling it to be right and real and

993

00:49:08,240 --> 00:49:06,270

concrete like you said you know rain

994

00:49:11,810 --> 00:49:08,250

will appear out of nowhere the Indians

995

00:49:15,880 --> 00:49:11,820

have to do it hence the rain dance yeah

996

00:49:18,140 --> 00:49:15,890

and the Native Americans used to do that

997

00:49:20,570 --> 00:49:18,150

I'm not sure they know how to do it

998

00:49:23,030 --> 00:49:20,580

anymore but they used to do it and it

999

00:49:24,980 --> 00:49:23,040

worked for them so how do we communicate

1000

00:49:28,720 --> 00:49:24,990

with intelligence outside leaves the

1001

00:49:35,300 --> 00:49:28,730

physical it is by the spiritual language

1002

00:49:38,480 --> 00:49:35,310

that emotion and vivid colorful pictures

1003

00:49:41,810 --> 00:49:38,490

love and so on then you communicate with

1004

00:49:43,820 --> 00:49:41,820

the higher vibrations then again there

1005

00:49:47,270 --> 00:49:43,830

are electronic equipment that you can

1006

00:49:49,490 --> 00:49:47,280

very easily make in order to communicate

1007

00:49:51,560 --> 00:49:49,500

with let's say you have a ghost in the

1008

00:49:55,100 --> 00:49:51,570

house you want to find out what does he

1009

00:49:58,150 --> 00:49:55,110

want take a tape recorder or some

1010

00:50:03,260 --> 00:49:58,160

electronic device and build an antenna

1011

00:50:07,910 --> 00:50:03,270

with preferably copper wire build it in

1012

00:50:11,140 --> 00:50:07,920

a kind of winding around and around and

1013

00:50:15,700 --> 00:50:11,150

around in kind of like a funnel type

1014

00:50:17,930 --> 00:50:15,710

funnel maybe a 45 to do the angle funnel

1015

00:50:21,800 --> 00:50:17,940

we're going to be bigger and bigger I

1016

00:50:24,590 --> 00:50:21,810

should go out and put that the apex of

1017

00:50:29,290 --> 00:50:24,600

that funnel next to the microphone on

1018

00:50:33,710 --> 00:50:29,300

the on the tape recorder or the the

1019

00:50:44,849 --> 00:50:33,720

recording device turn it on and walk

1020

00:50:50,190 --> 00:50:48,719

because they for some reason it's just

1021

00:50:52,859 --> 00:50:50,200

wire and even though they're not

1022

00:50:55,440 --> 00:50:52,869

touching each other they can be close to

1023

00:50:58,170 --> 00:50:55,450

touching each other there's gaps in

1024

00:51:00,900 --> 00:50:58,180

between but the sound is picked up by

1025

00:51:03,209 --> 00:51:00,910

the wire and transferred down to the end

1026
00:51:06,620 --> 00:51:03,219
next to the microphone and transmitted

1027
00:51:08,969 --> 00:51:06,630
right there and being recorded so

1028
00:51:11,430 --> 00:51:08,979
theoretically I I don't know how the

1029
00:51:13,160 --> 00:51:11,440
physics of that will work but it seems

1030
00:51:15,329 --> 00:51:13,170
to work

1031
00:51:17,309 --> 00:51:15,339
walking sharing from a musician's point

1032
00:51:18,719 --> 00:51:17,319
of view that when you look at a guitar

1033
00:51:20,099 --> 00:51:18,729
as playing his guitar those little

1034
00:51:22,140 --> 00:51:20,109
square things you see in the middle

1035
00:51:24,690 --> 00:51:22,150
there are pickups and they're what they

1036
00:51:28,019 --> 00:51:24,700
are our magnets wrapped with copper wire

1037
00:51:30,299 --> 00:51:28,029
so somehow copper plays a part in an

1038
00:51:34,109 --> 00:51:30,309

amplification process so it makes very

1039

00:51:35,849 --> 00:51:34,119

much sense to me that using copper will

1040

00:51:37,680 --> 00:51:35,859

conduct the energy the higher bandwidth

1041

00:51:39,150 --> 00:51:37,690

or the lower Bain was or the other band

1042

00:51:44,900 --> 00:51:39,160

was that we're just not aware of that

1043

00:51:48,779 --> 00:51:44,910

exists yeah very very good so let me ask

1044

00:51:50,640 --> 00:51:48,789

what is the self aware mine created

1045

00:51:51,900 --> 00:51:50,650

universe it would just be the hologram

1046

00:51:53,759 --> 00:51:51,910

that you were speaking about a little

1047

00:51:56,459 --> 00:51:53,769

earlier yes

1048

00:52:00,870 --> 00:51:56,469

that is part of it because we are that

1049

00:52:06,930 --> 00:52:00,880

part of the self aware universe but the

1050

00:52:11,969 --> 00:52:06,940

self aware universe is the okay here we

1051
00:52:14,729 --> 00:52:11,979
go again also called God because it is

1052
00:52:19,019 --> 00:52:14,739
the source of all things because it is

1053
00:52:22,439 --> 00:52:19,029
the mind and the intelligence behind it

1054
00:52:25,170 --> 00:52:22,449
all it's the one that creates the

1055
00:52:30,660 --> 00:52:25,180
intelligence that we call our soul the

1056
00:52:34,279 --> 00:52:30,670
spark of life and when we would normally

1057
00:52:37,069 --> 00:52:34,289
known for quantum physics here if this

1058
00:52:41,849 --> 00:52:37,079
universal self-aware consciousness

1059
00:52:46,229 --> 00:52:41,859
creates everything there is it when we

1060
00:52:49,170 --> 00:52:46,239
are working with that well let's say we

1061
00:52:51,719 --> 00:52:49,180
think about something in the universe by

1062
00:52:55,650 --> 00:52:51,729
thinking it we actually give it a law

1063
00:52:58,010 --> 00:52:55,660

form of life and we created the part of

1064

00:52:59,630 --> 00:52:58,020

the universe and

1065

00:53:02,420 --> 00:52:59,640

think Stephen Hawking's talk about this

1066

00:53:05,810 --> 00:53:02,430

that the big part of the universe does

1067

00:53:13,250 --> 00:53:05,820

not even exist unless somebody thinks

1068

00:53:15,920 --> 00:53:13,260

about it right so serving it it's not

1069

00:53:19,460 --> 00:53:15,930

even there until somebody thinks about

1070

00:53:21,890 --> 00:53:19,470

it and are observing it you know I

1071

00:53:24,080 --> 00:53:21,900

always say you know we can water the

1072

00:53:25,670 --> 00:53:24,090

weed or we can water the plant and

1073

00:53:27,440 --> 00:53:25,680

whenever one we give our attention to is

1074

00:53:29,600 --> 00:53:27,450

the one that will grow so if you spend

1075

00:53:31,910 --> 00:53:29,610

your time watering the plant watering

1076

00:53:34,520 --> 00:53:31,920

the plant watering the plant the weed

1077

00:53:38,750 --> 00:53:34,530

does not exist for you or vice versa

1078

00:53:40,430 --> 00:53:38,760

until you turn to that particular plant

1079

00:53:43,040 --> 00:53:40,440

or wheat or whatever it is you are

1080

00:53:45,770 --> 00:53:43,050

focusing on in your life and it becomes

1081

00:53:49,850 --> 00:53:45,780

alive it becomes present it becomes

1082

00:53:51,530 --> 00:53:49,860

manifested in the moment yeah that's a

1083

00:53:54,650 --> 00:53:51,540

good analogy because what they

1084

00:53:56,720 --> 00:53:54,660

concentrate on what we leave in our mind

1085

00:54:02,030 --> 00:53:56,730

the most that is what they're gonna have

1086

00:54:04,490 --> 00:54:02,040

in our life so tell me this where does

1087

00:54:06,380 --> 00:54:04,500

religions come from this is a question

1088

00:54:10,190 --> 00:54:06,390

we had on this list where religions come

1089

00:54:13,010 --> 00:54:10,200

from well religion they can come from

1090

00:54:17,990 --> 00:54:13,020

different places but the source of it

1091

00:54:20,330 --> 00:54:18,000

all ends up back in Babylonia and you

1092

00:54:24,350 --> 00:54:20,340

can read about it in the Sumerian

1093

00:54:27,560 --> 00:54:24,360

tablets the British Museum National

1094

00:54:29,510 --> 00:54:27,570

Museum have a lot of them and where you

1095

00:54:31,520 --> 00:54:29,520

can actually find more of it is the

1096

00:54:33,470 --> 00:54:31,530

Topkapi Museum in Istanbul Turkey

1097

00:54:35,750 --> 00:54:33,480

especially the notes from the meeting

1098

00:54:40,130 --> 00:54:35,760

its atmosphere you can find them there

1099

00:54:43,070 --> 00:54:40,140

and read them you can probably even get

1100

00:54:44,630 --> 00:54:43,080

a French it's in French but you can use

1101
00:54:50,750 --> 00:54:44,640
Google Translate and you can probably

1102
00:54:57,760 --> 00:54:50,760
read it there use the oh gosh no I lost

1103
00:55:03,980 --> 00:55:00,560
you were just intervene by an alien from

1104
00:55:06,370 --> 00:55:03,990
the dark side we were talking about

1105
00:55:09,080 --> 00:55:06,380
where religions come from and you saw

1106
00:55:14,300 --> 00:55:09,090
now it goes back to

1107
00:55:17,090 --> 00:55:14,310
the Babylonian and Sumerian tablets in

1108
00:55:22,040 --> 00:55:17,100
the old Sumerian language the word God

1109
00:55:26,000 --> 00:55:22,050
means great leaders and the word a on

1110
00:55:27,740 --> 00:55:26,010
Gale means messenger see the word God

1111
00:55:32,060 --> 00:55:27,750
was given a meaning it was never meant

1112
00:55:34,070 --> 00:55:32,070
to have somebody say this an angel from

1113
00:55:36,920 --> 00:55:34,080

God came and spoke to me I have no

1114

00:55:39,050 --> 00:55:36,930

problem with that a messenger from my

1115

00:55:41,440 --> 00:55:39,060

great leader came to speak a man spoke

1116

00:55:45,590 --> 00:55:41,450

to me that's perfectly all right with me

1117

00:55:47,120 --> 00:55:45,600

see it's been twisted again we are at

1118

00:55:48,320 --> 00:55:47,130

the top of the hour thank you for being

1119

00:55:51,170 --> 00:55:48,330

a wonderful guest here in Center of

1120

00:55:53,120 --> 00:55:51,180

light radii appreciate you sir thank you

1121

00:55:56,090 --> 00:55:53,130

very much and go visit my web site and

1122

00:55:58,310 --> 00:55:56,100

watch the pictures and poke around there

1123

00:55:59,690 --> 00:55:58,320

you're gonna enjoy it thank you again

1124

00:56:00,980 --> 00:55:59,700

would you give out your contact

1125

00:56:01,310 --> 00:56:00,990

information once more your website

1126
00:56:14,090 --> 00:56:01,320
address

1127
00:56:16,940 --> 00:56:14,100
yeah that's www.ge.com so www dot my

1128
00:56:18,650 --> 00:56:16,950
first name - my last name com

1129
00:56:20,120 --> 00:56:18,660
thank you very much sir I appreciate

1130
00:56:22,400 --> 00:56:20,130
your presence here incentive light radio

1131
00:56:24,500 --> 00:56:22,410
you're welcome back anytime hey thank

1132
00:56:26,120 --> 00:56:24,510
you thank you everyone keeps Anthony

1133
00:56:28,970 --> 00:56:26,130
Blanchard here it's time for me to go

1134
00:56:31,100 --> 00:56:28,980
play some repulsive loud rock and roll

1135
00:56:34,130 --> 00:56:31,110
next week on sinner of light radio my

1136
00:56:35,480 --> 00:56:34,140
guest is Anastasia Natori and we're

1137
00:56:39,020 --> 00:56:35,490
gonna be talking about her book

1138
00:56:41,390 --> 00:56:39,030

beautiful gorgeous bound book stripped

1139

00:56:44,330 --> 00:56:41,400

down and wake up self-realization for

1140

00:56:48,830 --> 00:56:44,340

regular people no chanting yoga pants or

1141

00:56:50,630 --> 00:56:48,840

hard drugs Rico I love it Center of

1142

00:56:52,700 --> 00:56:50,640

light radio fires off every Monday night

1143

00:56:55,370 --> 00:56:52,710

6 p.m. Eastern Time I look forward to

1144

00:56:57,170 --> 00:56:55,380

seeing you here remember we have nothing

1145

00:56:58,140 --> 00:56:57,180

to be laying down at night you got to go

1146

00:57:01,170 --> 00:56:58,150

to bed 3

1147

00:57:02,999 --> 00:57:01,180

breathe breathe 10-15 minutes of this 20

1148

00:57:05,759 --> 00:57:03,009

minutes of this you found yourself in

1149

00:57:08,309 --> 00:57:05,769

the profound ocean of absolute silence

1150

00:57:11,730 --> 00:57:08,319

and in that silence you will be able to

1151

00:57:13,739 --> 00:57:11,740

hear everything that is possible it's

1152

00:57:16,109 --> 00:57:13,749

all right there waiting on you to tap

1153

00:57:18,210 --> 00:57:16,119

into the source the meditation is a way

1154

00:57:19,980 --> 00:57:18,220

to do that and also go to sooner of

1155

00:57:22,739 --> 00:57:19,990

light radio calm fill up that signup

1156

00:57:24,539 --> 00:57:22,749

form to get some free cool stuff as well

1157

00:57:27,989 --> 00:57:24,549

as that red flower in the bottom click

1158

00:57:30,359 --> 00:57:27,999

on it to become a part of the RPM

1159

00:57:32,400 --> 00:57:30,369

program send me an email at Keith

1160

00:57:34,349 --> 00:57:32,410

Anthony Blanchard at gmail.com sign keep

1161

00:57:36,599 --> 00:57:34,359

on what my free session will get you

1162

00:57:38,190 --> 00:57:36,609

started in the expansion process so you
