1  
00:00:05,670 --> 00:00:02,629  
info headline news with me heidi hollis

2  
00:00:07,990 --> 00:00:05,680  
today is monday november 27th

3  
00:00:11,000 --> 00:00:08,000  
2017

4  
00:00:12,789 --> 00:00:11,010  
blasting off with some ufo reports

5  
00:00:15,430 --> 00:00:12,799  
[Music]

6  
00:00:19,269 --> 00:00:15,440  
we begin by blasting off with some ufo

7  
00:00:22,950 --> 00:00:19,279  
reports a ufo sighting in oxford

8  
00:00:25,589 --> 00:00:22,960  
it is described a very large classic ufo

9  
00:00:28,070 --> 00:00:25,599  
daylight and stationary

10  
00:00:30,470 --> 00:00:28,080  
the witness describes i was driving home

11  
00:00:32,069 --> 00:00:30,480  
from work on a summer evening in june of

12  
00:00:34,950 --> 00:00:32,079  
2017

13  
00:00:37,830 --> 00:00:34,960

in daylight about half past six

14

00:00:41,350 --> 00:00:37,840

on a cloudy blustery evening on a

15

00:00:43,590 --> 00:00:41,360

country lane 15 miles south of oxford

16

00:00:45,910 --> 00:00:43,600

that's when i saw a car stop by the side

17

00:00:47,029 --> 00:00:45,920

of the road and the driver was out of

18

00:00:49,590 --> 00:00:47,039

the car

19

00:00:52,150 --> 00:00:49,600

holding up an ipad

20

00:00:53,590 --> 00:00:52,160

photographing the sky low down in the

21

00:00:56,229 --> 00:00:53,600

northeast

22

00:00:59,189 --> 00:00:56,239

i looked over and saw a huge metallic

23

00:01:01,990 --> 00:00:59,199

disc a classic ufo shape

24

00:01:03,189 --> 00:01:02,000

was visible in a gap in the total cloud

25

00:01:05,429 --> 00:01:03,199

cover

26

00:01:08,789 --> 00:01:05,439

i slowed the car but didn't break hard

27

00:01:11,590 --> 00:01:08,799

as i had a speed merchant on my bumper

28

00:01:12,950 --> 00:01:11,600

i observed the disc for approximately 15

29

00:01:16,469 --> 00:01:12,960

to 20 seconds

30

00:01:19,109 --> 00:01:16,479

until a line of trees obscured my view

31

00:01:21,670 --> 00:01:19,119

the disc was approximately 20 percent

32

00:01:24,390 --> 00:01:21,680

obscured by cloud which made it easier

33

00:01:27,990 --> 00:01:24,400

to estimate its distance in size

34

00:01:32,230 --> 00:01:28,000

this disc was approximately

35

00:01:34,789 --> 00:01:32,240

500 meters in diameter half a kilometer

36

00:01:38,230 --> 00:01:34,799

it was at least this large

37

00:01:39,350 --> 00:01:38,240

it was shiny metallic and with a raised

38

00:01:43,910 --> 00:01:39,360

edge

39

00:01:46,630 --> 00:01:43,920

alternate silver and black panels

40

00:01:49,830 --> 00:01:46,640

apart from its size the most surprising

41

00:01:51,910 --> 00:01:49,840

fact was it being so stationary

42

00:01:54,710 --> 00:01:51,920

as the clouds rolled on it was

43

00:01:58,870 --> 00:01:54,720

completely static

44

00:02:01,990 --> 00:01:58,880

it was also tilted over at 15 degrees

45

00:02:04,310 --> 00:02:02,000

it was not a balloon or an airship

46

00:02:06,149 --> 00:02:04,320

and anyway the weather wasn't suitable

47

00:02:09,029 --> 00:02:06,159

for such things

48

00:02:11,990 --> 00:02:09,039

i drove on till i'd passed the trees and

49

00:02:14,550 --> 00:02:12,000

stopped around the corner about 400

50

00:02:18,309 --> 00:02:14,560

meters further on to get a better view

51  
00:02:21,670 --> 00:02:18,319  
and get the car behind me past me

52  
00:02:23,430 --> 00:02:21,680  
the cloud cover had closed up i waited

53  
00:02:25,830 --> 00:02:23,440  
and saw no more

54  
00:02:28,309 --> 00:02:25,840  
then it started to rain

55  
00:02:29,750 --> 00:02:28,319  
oddly i didn't return to see the person

56  
00:02:31,990 --> 00:02:29,760  
with the ipad

57  
00:02:33,670 --> 00:02:32,000  
i assumed it would be all over the local

58  
00:02:35,670 --> 00:02:33,680  
news the next day

59  
00:02:37,990 --> 00:02:35,680  
i'm a 50 year old engineer that

60  
00:02:39,110 --> 00:02:38,000  
estimates sizes and distances for a

61  
00:02:41,670 --> 00:02:39,120  
living

62  
00:02:43,030 --> 00:02:41,680  
i know what i saw was not anything

63  
00:02:45,990 --> 00:02:43,040

normal

64

00:02:47,270 --> 00:02:46,000

and it was massive

65

00:02:49,350 --> 00:02:47,280

i went home

66

00:02:50,790 --> 00:02:49,360

my wife and family found it all very

67

00:02:53,509 --> 00:02:50,800

amusing

68

00:02:56,630 --> 00:02:53,519

everyone i know has heard my tale

69

00:03:00,229 --> 00:02:56,640

they laugh too and no one believes me

70

00:03:03,030 --> 00:03:00,239

why are so many people so short-sighted

71

00:03:06,229 --> 00:03:03,040

and unable to believe

72

00:03:08,949 --> 00:03:06,239

the person with ipad remains a mystery

73

00:03:12,070 --> 00:03:08,959

i scanned the local papers and internet

74

00:03:14,149 --> 00:03:12,080

for anything but nothing

75

00:03:16,630 --> 00:03:14,159

i haven't stopped kicking myself since

76  
00:03:18,630 --> 00:03:16,640  
for not going back to see ipad man and

77  
00:03:21,030 --> 00:03:18,640  
get his pictures

78  
00:03:24,630 --> 00:03:21,040  
days later i happened to drive under the

79  
00:03:27,030 --> 00:03:24,640  
location about two miles to the north

80  
00:03:30,149 --> 00:03:27,040  
where i estimated the ufo to be and

81  
00:03:33,910 --> 00:03:30,159  
wondered what there was to see

82  
00:03:35,990 --> 00:03:33,920  
there i saw a large solar farm

83  
00:03:37,830 --> 00:03:36,000  
i'd forgotten about it as it's not so

84  
00:03:40,149 --> 00:03:37,840  
visible from the road

85  
00:03:42,470 --> 00:03:40,159  
i believe the ufo was hovering over this

86  
00:03:45,589 --> 00:03:42,480  
and looking down on it

87  
00:03:48,789 --> 00:03:45,599  
why else would it be tilted over

88  
00:03:52,309 --> 00:03:48,799

the size the solid metallic shape and

89

00:03:56,149 --> 00:03:52,319

its edges features were all real

90

00:03:58,550 --> 00:03:56,159

it's odd tilt partly obscured by cloud

91

00:04:00,550 --> 00:03:58,560

and its completely stationary position

92

00:04:03,270 --> 00:04:00,560

on such a stormy evening

93

00:04:07,509 --> 00:04:03,280

all contributed to it being

94

00:04:10,630 --> 00:04:07,519

the firm ufo sighting of my lifetime

95

00:04:12,630 --> 00:04:10,640

i have not stopped berating myself since

96

00:04:14,949 --> 00:04:12,640

for not returning to the other witness

97

00:04:18,069 --> 00:04:14,959

for his photographic proof

98

00:04:20,789 --> 00:04:18,079

why didn't he go public with his photos

99

00:04:24,629 --> 00:04:23,030

black triangle sighting in helena

100

00:04:28,070 --> 00:04:24,639

montana

101  
00:04:30,390 --> 00:04:28,080  
november 22 2017

102  
00:04:33,990 --> 00:04:30,400  
the witness states i saw a triangle

103  
00:04:35,909 --> 00:04:34,000  
craft hovering south it was dark so i

104  
00:04:38,870 --> 00:04:35,919  
could not see the craft's body but the

105  
00:04:41,270 --> 00:04:38,880  
amber colored lights on the tips

106  
00:04:45,030 --> 00:04:41,280  
it was still and silent

107  
00:04:47,830 --> 00:04:45,040  
i stood watching it for 10 to 15 minutes

108  
00:04:49,110 --> 00:04:47,840  
then the bottom light left separated

109  
00:04:51,030 --> 00:04:49,120  
moved east

110  
00:04:53,430 --> 00:04:51,040  
and then gone

111  
00:04:55,670 --> 00:04:53,440  
the witness continues

112  
00:04:57,990 --> 00:04:55,680  
i came home from visiting a friend a

113  
00:05:00,790 --> 00:04:58,000

cancer patient in the hospital

114

00:05:02,310 --> 00:05:00,800

it was 49 degrees comfortable no wind

115

00:05:04,469 --> 00:05:02,320

clear night

116

00:05:06,870 --> 00:05:04,479

i stood on the porch as i approached the

117

00:05:09,510 --> 00:05:06,880

door letting the dog out

118

00:05:11,510 --> 00:05:09,520

something made me look south rather than

119

00:05:12,790 --> 00:05:11,520

go inside

120

00:05:16,870 --> 00:05:12,800

i saw it

121

00:05:18,710 --> 00:05:16,880

still as could be in the night sky

122

00:05:20,550 --> 00:05:18,720

i didn't go in the house i said

123

00:05:23,189 --> 00:05:20,560

something to the dog and just stood

124

00:05:24,469 --> 00:05:23,199

there watching the object

125

00:05:25,670 --> 00:05:24,479

no movement

126

00:05:28,550 --> 00:05:25,680

no noise

127

00:05:30,629 --> 00:05:28,560

i question what it was i was seeing

128

00:05:32,469 --> 00:05:30,639

and was going through the list no

129

00:05:35,670 --> 00:05:32,479

movement no noise

130

00:05:37,990 --> 00:05:35,680

i realized this was real

131

00:05:40,469 --> 00:05:38,000

how amazing

132

00:05:41,590 --> 00:05:40,479

i never considered taking a photo with

133

00:05:43,350 --> 00:05:41,600

my phone

134

00:05:45,590 --> 00:05:43,360

didn't think it would work

135

00:05:48,070 --> 00:05:45,600

it was too dark to see the actual body

136

00:05:51,270 --> 00:05:48,080

of the subject

137

00:05:53,510 --> 00:05:51,280

just the amber lights and i was in awe

138

00:05:56,390 --> 00:05:53,520

not wanting to ruin the moment

139

00:05:58,550 --> 00:05:56,400

i knew it was real

140

00:06:00,950 --> 00:05:58,560

i talked to it in my thoughts

141

00:06:03,510 --> 00:06:00,960

i watched for 10 to 15 minutes

142

00:06:05,510 --> 00:06:03,520

as i noticed the truck clock before we

143

00:06:07,110 --> 00:06:05,520

got out of the vehicle

144

00:06:08,790 --> 00:06:07,120

i checked the clock in the house when i

145

00:06:12,550 --> 00:06:08,800

finally went in

146

00:06:14,469 --> 00:06:12,560

the stillness of the craft was changed

147

00:06:16,150 --> 00:06:14,479

when the bottom left light began to

148

00:06:17,990 --> 00:06:16,160

slowly move east

149

00:06:20,469 --> 00:06:18,000

then blinked out

150

00:06:22,230 --> 00:06:20,479

the top light headed straight and then

151  
00:06:24,870 --> 00:06:22,240  
blanked out

152  
00:06:26,710 --> 00:06:24,880  
finally the bottom right light dropped

153  
00:06:29,749 --> 00:06:26,720  
down pretty low

154  
00:06:31,990 --> 00:06:29,759  
i wondered if it was going to land

155  
00:06:36,710 --> 00:06:32,000  
but it changed to red

156  
00:06:40,469 --> 00:06:39,189  
my thoughts as i watched it were so

157  
00:06:41,749 --> 00:06:40,479  
peaceful

158  
00:06:43,430 --> 00:06:41,759  
no fear

159  
00:06:46,870 --> 00:06:43,440  
just wonder

160  
00:06:49,670 --> 00:06:46,880  
i found myself asking the beings inside

161  
00:06:52,469 --> 00:06:49,680  
if they knew much about cancer

162  
00:06:54,629 --> 00:06:52,479  
could they help my friend

163  
00:06:57,110 --> 00:06:54,639

could they help humanity with this

164

00:06:59,029 --> 00:06:57,120

horrible plague

165

00:07:02,710 --> 00:06:59,039

i didn't feel an answer

166

00:07:03,990 --> 00:07:02,720

but i did feel they heard me when it was

167

00:07:08,309 --> 00:07:04,000

gone

168

00:07:12,870 --> 00:07:10,629

black triangle sighting in columbia

169

00:07:15,990 --> 00:07:12,880

tennessee

170

00:07:18,950 --> 00:07:16,000

a black triangular object hovered moved

171

00:07:20,870 --> 00:07:18,960

slowly then disappeared when tried to

172

00:07:24,870 --> 00:07:20,880

take a picture

173

00:07:28,150 --> 00:07:24,880

this occurred november 17 2017

174

00:07:33,909 --> 00:07:30,309

when i saw the ufo i was in a

175

00:07:35,830 --> 00:07:33,919

residential area waiting on someone

176  
00:07:37,029 --> 00:07:35,840  
i looked up because i like watching the

177  
00:07:39,110 --> 00:07:37,039  
stars

178  
00:07:41,510 --> 00:07:39,120  
and i see this thing

179  
00:07:43,189 --> 00:07:41,520  
with what looked like spotlights moving

180  
00:07:45,510 --> 00:07:43,199  
around

181  
00:07:47,510 --> 00:07:45,520  
my radio started getting fuzzy despite

182  
00:07:49,830 --> 00:07:47,520  
having strong connection

183  
00:07:52,469 --> 00:07:49,840  
so i watched this massive object that

184  
00:07:55,189 --> 00:07:52,479  
was almost touching the trees

185  
00:07:57,510 --> 00:07:55,199  
i was amazed and scared

186  
00:07:59,749 --> 00:07:57,520  
i went to grab my phone to take

187  
00:08:02,230 --> 00:07:59,759  
and round some pictures

188  
00:08:05,909 --> 00:08:02,240

and as i clicked the button

189

00:08:08,230 --> 00:08:05,919

the object disappeared into thin air

190

00:08:10,710 --> 00:08:08,240

it was nowhere to be seen

191

00:08:12,790 --> 00:08:10,720

the object had four bright lights on the

192

00:08:15,510 --> 00:08:12,800

bottom moving around

193

00:08:19,350 --> 00:08:15,520

a ring of lights around it and it was

194

00:08:22,550 --> 00:08:19,360

too dark to make out any of the features

195

00:08:24,469 --> 00:08:22,560

i've also been having very weird dreams

196

00:08:26,950 --> 00:08:24,479

since i saw it

197

00:08:28,869 --> 00:08:26,960

hmm

198

00:08:33,430 --> 00:08:28,879

next up

199

00:08:38,310 --> 00:08:33,440

blast from the past of ufo sightings

200

00:08:41,269 --> 00:08:38,320

on september 28 2016 the witness states

201  
00:08:44,310 --> 00:08:41,279  
i was driving on highway 1 north going

202  
00:08:46,150 --> 00:08:44,320  
to the raleigh durham airport to pick up

203  
00:08:49,190 --> 00:08:46,160  
my girlfriend at the time

204  
00:08:51,509 --> 00:08:49,200  
it was around 9 20 p.m the sky was a

205  
00:08:53,110 --> 00:08:51,519  
clear bright purple sky speckled with

206  
00:08:55,110 --> 00:08:53,120  
stars

207  
00:08:57,509 --> 00:08:55,120  
i had the window down because the air

208  
00:08:59,750 --> 00:08:57,519  
was neither hot nor cold

209  
00:09:03,350 --> 00:08:59,760  
the temperature was perfect

210  
00:09:05,190 --> 00:09:03,360  
the temp was probably in the low 70s

211  
00:09:07,509 --> 00:09:05,200  
i was listening to a station that was

212  
00:09:09,110 --> 00:09:07,519  
playing great alternative music for my

213  
00:09:10,870 --> 00:09:09,120

teenage years but

214

00:09:15,269 --> 00:09:10,880

it was weird because the station kept

215

00:09:17,590 --> 00:09:15,279

cutting on and off with fuzz sounds

216

00:09:19,269 --> 00:09:17,600

i looked up into the horizon

217

00:09:21,829 --> 00:09:19,279

and there were two

218

00:09:23,190 --> 00:09:21,839

bobbing globes of light way off in the

219

00:09:25,670 --> 00:09:23,200

distance

220

00:09:28,710 --> 00:09:25,680

and i remember having the thought

221

00:09:30,870 --> 00:09:28,720

of wow that movement is peculiar

222

00:09:32,389 --> 00:09:30,880

they aren't moving like a helicopter or

223

00:09:34,389 --> 00:09:32,399

airplane

224

00:09:38,310 --> 00:09:34,399

they bobbed in place

225

00:09:41,269 --> 00:09:38,320

very smoothly like a slow dance

226

00:09:45,110 --> 00:09:41,279

and the next thought i had was that

227

00:09:47,430 --> 00:09:45,120

would be crazy if those are ufos

228

00:09:49,670 --> 00:09:47,440

and then the third thought i had was

229

00:09:51,670 --> 00:09:49,680

that would be great if they came down

230

00:09:55,110 --> 00:09:51,680

closer

231

00:09:57,030 --> 00:09:55,120

and as soon as i had that thought

232

00:09:59,190 --> 00:09:57,040

the one on the right

233

00:10:00,550 --> 00:09:59,200

started to descend

234

00:10:02,389 --> 00:10:00,560

and i was like

235

00:10:04,870 --> 00:10:02,399

no way

236

00:10:05,750 --> 00:10:04,880

it felt like it descended slowly at

237

00:10:08,470 --> 00:10:05,760

first

238

00:10:10,630 --> 00:10:08,480

but within very little time frame it

239

00:10:14,630 --> 00:10:10,640

felt like it was going to fly right in

240

00:10:18,069 --> 00:10:14,640

the top of myself in the car ahead of me

241

00:10:20,790 --> 00:10:18,079

as it descended my legs started to shake

242

00:10:23,350 --> 00:10:20,800

vigorously with fear and excitement

243

00:10:25,829 --> 00:10:23,360

and i kept thinking to myself

244

00:10:27,750 --> 00:10:25,839

grab your cell phone on the dash grab

245

00:10:29,030 --> 00:10:27,760

your cell phone on the dash to take a

246

00:10:32,949 --> 00:10:29,040

video

247

00:10:35,509 --> 00:10:32,959

but i was so entranced and enamored that

248

00:10:37,590 --> 00:10:35,519

i couldn't take my eyes off from it

249

00:10:39,829 --> 00:10:37,600

it was like i was hypnotized by the

250

00:10:43,350 --> 00:10:39,839

amazement of the situation

251  
00:10:45,670 --> 00:10:43,360  
completely entranced

252  
00:10:47,829 --> 00:10:45,680  
but it came down extremely slow and

253  
00:10:50,790 --> 00:10:47,839  
hovered on top of the tree line

254  
00:10:52,790 --> 00:10:50,800  
right in front of the car ahead of me

255  
00:10:55,750 --> 00:10:52,800  
it felt like it was going to land on us

256  
00:10:58,790 --> 00:10:55,760  
which forced us to slow down to like 10

257  
00:11:00,870 --> 00:10:58,800  
miles an hour on this 65 to 70 mile an

258  
00:11:03,110 --> 00:11:00,880  
hour highway

259  
00:11:04,949 --> 00:11:03,120  
we were the only two cars on the highway

260  
00:11:07,110 --> 00:11:04,959  
during this event

261  
00:11:09,670 --> 00:11:07,120  
the craft was close enough that i could

262  
00:11:13,269 --> 00:11:09,680  
have thrown a baseball at it and hit it

263  
00:11:15,910 --> 00:11:13,279

effortlessly if i wanted to

264

00:11:18,870 --> 00:11:15,920

at this point it was like a bright

265

00:11:20,710 --> 00:11:18,880

spotlight that hovered for a few seconds

266

00:11:23,670 --> 00:11:20,720

and the light was bright enough that i

267

00:11:26,630 --> 00:11:23,680

couldn't make out any details

268

00:11:29,910 --> 00:11:26,640

then the hovering vessel turned sideways

269

00:11:32,150 --> 00:11:29,920

and revealed that it was a dark perfect

270

00:11:34,150 --> 00:11:32,160

rectangle craft

271

00:11:36,550 --> 00:11:34,160

i could make out the dark rectangular

272

00:11:41,350 --> 00:11:36,560

craft because the outline of the craft

273

00:11:44,230 --> 00:11:41,360

bottled out the purple night sky

274

00:11:45,430 --> 00:11:44,240

that was three to four car lengths long

275

00:11:48,230 --> 00:11:45,440

and two

276

00:11:50,470 --> 00:11:48,240

to three car lengths wide

277

00:11:52,310 --> 00:11:50,480

the height or thickness of the craft

278

00:11:53,590 --> 00:11:52,320

seemed pretty thin and perfectly

279

00:11:55,910 --> 00:11:53,600

streamlined

280

00:11:57,350 --> 00:11:55,920

like five to seven feet from top to

281

00:12:02,629 --> 00:11:57,360

bottom

282

00:12:05,910 --> 00:12:02,639

had long vertical striations along the

283

00:12:08,310 --> 00:12:05,920

belly of the craft going lengthwise

284

00:12:10,230 --> 00:12:08,320

if it had white lights equal distance

285

00:12:12,710 --> 00:12:10,240

along the belly of the craft with a

286

00:12:14,389 --> 00:12:12,720

couple of red blinking lights i couldn't

287

00:12:16,470 --> 00:12:14,399

see the red blinking lights until the

288

00:12:19,350 --> 00:12:16,480

craft turned sideways

289

00:12:20,470 --> 00:12:19,360

but the white lights didn't flicker at

290

00:12:22,389 --> 00:12:20,480

all

291

00:12:24,710 --> 00:12:22,399

and the vessel did not appear to give

292

00:12:27,509 --> 00:12:24,720

off any heat signature

293

00:12:29,190 --> 00:12:27,519

thrust or energy field to propel the

294

00:12:31,910 --> 00:12:29,200

vessel

295

00:12:33,670 --> 00:12:31,920

it was just a perfect rectangular shape

296

00:12:35,590 --> 00:12:33,680

with lights

297

00:12:37,269 --> 00:12:35,600

by this point myself and the car ahead

298

00:12:39,110 --> 00:12:37,279

of me are slowing down to like five

299

00:12:42,629 --> 00:12:39,120

miles per hour

300

00:12:45,190 --> 00:12:42,639

the vessel then moved smoothly across

301  
00:12:47,829 --> 00:12:45,200  
the highway going west

302  
00:12:50,949 --> 00:12:47,839  
the movement was captivating

303  
00:12:53,829 --> 00:12:50,959  
it moved smoothly and effortlessly

304  
00:12:56,949 --> 00:12:53,839  
it moved like it was under water

305  
00:13:00,629 --> 00:12:56,959  
i had my window down

306  
00:13:02,790 --> 00:13:00,639  
and the vessel gave off no sound at all

307  
00:13:04,550 --> 00:13:02,800  
as the vessel disappeared over the tall

308  
00:13:07,110 --> 00:13:04,560  
pines to the west

309  
00:13:09,670 --> 00:13:07,120  
the car ahead of myself started to pick

310  
00:13:13,590 --> 00:13:09,680  
up speed as i did

311  
00:13:16,389 --> 00:13:13,600  
i believe it was exit 93 or 96

312  
00:13:18,710 --> 00:13:16,399  
was about 30 feet ahead and as i was

313  
00:13:20,470 --> 00:13:18,720

about to exit towards the airport onto

314

00:13:22,389 --> 00:13:20,480

the quick pass highway

315

00:13:25,110 --> 00:13:22,399

the car ahead of me started to

316

00:13:26,870 --> 00:13:25,120

vigorously flash its lights at me

317

00:13:28,790 --> 00:13:26,880

as if to say

318

00:13:32,230 --> 00:13:28,800

holy crap

319

00:13:34,790 --> 00:13:32,240

did you see that and i was exiting i

320

00:13:36,069 --> 00:13:34,800

vigorously flashed my high beams back at

321

00:13:37,030 --> 00:13:36,079

the car like

322

00:13:39,269 --> 00:13:37,040

yeah

323

00:13:41,189 --> 00:13:39,279

that was crazy

324

00:13:42,310 --> 00:13:41,199

and then the rest of the ride to the

325

00:13:45,110 --> 00:13:42,320

airport

326  
00:13:48,790 --> 00:13:45,120  
i got really mad at myself for not

327  
00:13:50,550 --> 00:13:48,800  
taking video of the event

328  
00:13:53,430 --> 00:13:50,560  
wow

329  
00:13:55,910 --> 00:13:53,440  
all right dabs into some

330  
00:14:00,069 --> 00:13:55,920  
mystery science

331  
00:14:01,269 --> 00:14:00,079  
a former nasa scientist debunks all ufo

332  
00:14:05,110 --> 00:14:01,279  
sightings

333  
00:14:06,629 --> 00:14:05,120  
blames many on mundane space

334  
00:14:11,110 --> 00:14:06,639  
dandruff

335  
00:14:17,350 --> 00:14:14,310  
the story states this week again ufo

336  
00:14:19,269 --> 00:14:17,360  
enthusiasts saw a phenomenon

337  
00:14:20,069 --> 00:14:19,279  
and an explanation

338  
00:14:23,189 --> 00:14:20,079

they

339

00:14:25,750 --> 00:14:23,199  
didn't believe matched up

340

00:14:28,470 --> 00:14:25,760  
the phenomena was a bright

341

00:14:29,430 --> 00:14:28,480  
second long streak across a time lapse

342

00:14:32,629 --> 00:14:29,440  
video

343

00:14:35,030 --> 00:14:32,639  
filmed by astronaut paolo nespoli

344

00:14:38,470 --> 00:14:35,040  
the explanation as provided by the

345

00:14:41,189 --> 00:14:38,480  
european space agency was that a meteor

346

00:14:43,110 --> 00:14:41,199  
was burning up as it entered the earth's

347

00:14:45,670 --> 00:14:43,120  
atmosphere

348

00:14:46,949 --> 00:14:45,680  
they even identified its location over

349

00:14:49,430 --> 00:14:46,959  
earth

350

00:14:51,910 --> 00:14:49,440  
calculated the speed at which it was

351  
00:14:54,629 --> 00:14:51,920  
moving and compared its brightness

352  
00:14:56,829 --> 00:14:54,639  
favorably to that of venus

353  
00:14:58,550 --> 00:14:56,839  
judging by the angle it was falling the

354

sightings

and in a fascinating interview with

atlas obscura

392

00:16:25,430 --> 00:16:22,880

he explains why space phenomena trip

393

00:16:28,230 --> 00:16:25,440

people up

394

00:16:31,509 --> 00:16:28,240

as a hobby he has tracked

395

00:16:34,069 --> 00:16:31,519

back decades worth of ufo sightings

396

00:16:36,790 --> 00:16:34,079

to more mundane explanations

397

00:16:38,790 --> 00:16:36,800

drawing on his professional expertise in

398

00:16:41,670 --> 00:16:38,800

space missions

399

00:16:44,470 --> 00:16:41,680

his time at mission control he says not

400

00:16:46,949 --> 00:16:44,480

only means he has the skill to

401  
00:16:49,030 --> 00:16:46,959  
cross-reference sightings with agency

402  
00:16:51,749 --> 00:16:49,040  
documents that point to

403  
00:16:53,670 --> 00:16:51,759  
straightforward explanations but he also

404  
00:16:56,069 --> 00:16:53,680  
has a mindset

405  
00:16:59,030 --> 00:16:56,079  
that's really difficult for earthlings

406  
00:17:03,030 --> 00:17:00,389  
after all

407  
00:17:05,750 --> 00:17:03,040  
everything in space is based on

408  
00:17:08,470 --> 00:17:05,760  
different perceptual cues

409  
00:17:11,350 --> 00:17:08,480  
there's no gravity for example

410  
00:17:13,829 --> 00:17:11,360  
for some reports deal with images taken

411  
00:17:14,870 --> 00:17:13,839  
from the international space station

412  
00:17:17,909 --> 00:17:14,880  
which is

413  
00:17:19,510 --> 00:17:17,919

hurtling through space at five miles per

414

00:17:22,309 --> 00:17:19,520  
second

415

00:17:24,390 --> 00:17:22,319  
our sensory system is functioning

416

00:17:27,990 --> 00:17:24,400  
absolutely perfectly for earth

417

00:17:31,669 --> 00:17:28,000  
conditions oberg told atlas obscura

418

00:17:34,150 --> 00:17:31,679  
but we're still a local civilization

419

00:17:36,230 --> 00:17:34,160  
moving beyond our neighborhood has been

420

00:17:38,630 --> 00:17:36,240  
visually confusing

421

00:17:40,789 --> 00:17:38,640  
one example is the dancing lights seen

422

00:17:43,350 --> 00:17:40,799  
about three minutes into this video

423

00:17:45,590 --> 00:17:43,360  
filmed from a space shuttle flight

424

00:17:47,669 --> 00:17:45,600  
oberg here points out that given the

425

00:17:50,390 --> 00:17:47,679  
spacecraft's speed

426

00:17:52,470 --> 00:17:50,400

these spots aren't dancing at all

427

00:17:54,870 --> 00:17:52,480

they're traveling more or less at pace

428

00:17:57,590 --> 00:17:54,880

with the shuttle

429

00:17:58,390 --> 00:17:57,600

oberg writes them off as small pieces of

430

00:18:00,310 --> 00:17:58,400

ice

431

00:18:02,710 --> 00:18:00,320

or insulation that have detached from

432

00:18:04,070 --> 00:18:02,720

the shuttle but are still keeping pace

433

00:18:06,310 --> 00:18:04,080

with it

434

00:18:08,470 --> 00:18:06,320

in their interview oberg also highlights

435

00:18:09,909 --> 00:18:08,480

two other commonly misinterpreted

436

00:18:13,110 --> 00:18:09,919

phenomena

437

00:18:16,310 --> 00:18:13,120

such as super high plumes from rocket

438

00:18:19,029 --> 00:18:16,320

launches and twilight shadowing

439

00:18:21,430 --> 00:18:19,039

both of which are exacerbated by the

440

00:18:22,549 --> 00:18:21,440

fuzzy boundary between night

441

00:18:25,830 --> 00:18:22,559

and day

442

00:18:28,470 --> 00:18:25,840

as the earth spins on its axis

443

00:18:33,110 --> 00:18:28,480

to understand how they work and how they

444

00:18:38,950 --> 00:18:34,789

wow

445

00:18:42,470 --> 00:18:38,960

another dab into some mystery science

446

00:18:45,270 --> 00:18:42,480

an unidentified aircraft over oregon has

447

00:18:48,230 --> 00:18:45,280

the u.s air force scrambling

448

00:18:50,630 --> 00:18:48,240

to identify what it was

449

00:18:54,310 --> 00:18:50,640

what it is

450

00:18:56,150 --> 00:18:54,320

an unidentified fast aircraft

451  
00:18:59,029 --> 00:18:56,160  
which air traffic controllers were

452  
00:19:01,110 --> 00:18:59,039  
finding hard to track was seen flying

453  
00:19:02,470 --> 00:19:01,120  
among the flight lanes of commercial

454  
00:19:04,070 --> 00:19:02,480  
aircraft

455  
00:19:07,990 --> 00:19:04,080  
in oregon

456  
00:19:12,710 --> 00:19:11,190  
on october 25th an unidentified aircraft

457  
00:19:15,430 --> 00:19:12,720  
was seen flying

458  
00:19:17,350 --> 00:19:15,440  
in broad daylight among the airliners in

459  
00:19:20,070 --> 00:19:17,360  
one of the united states heavily

460  
00:19:22,390 --> 00:19:20,080  
trafficked air corridors in the skies

461  
00:19:25,190 --> 00:19:22,400  
above oregon

462  
00:19:28,150 --> 00:19:25,200  
it had no submitted flight plan

463  
00:19:30,070 --> 00:19:28,160

it had no identification transponder

464

00:19:32,630 --> 00:19:30,080

active

465

00:19:35,029 --> 00:19:32,640

nor was it transmitting collision

466

00:19:37,029 --> 00:19:35,039

avoidance signals

467

00:19:39,669 --> 00:19:37,039

air traffic control stations were

468

00:19:42,390 --> 00:19:39,679

reportedly having difficulty

469

00:19:44,950 --> 00:19:42,400

following it on radar

470

00:19:47,590 --> 00:19:44,960

coming after the events of 911

471

00:19:49,029 --> 00:19:47,600

such an unidentified aircraft is not

472

00:19:52,549 --> 00:19:49,039

just a matter for

473

00:19:55,750 --> 00:19:52,559

ufo cranks and conspiracy theorists it

474

00:19:57,990 --> 00:19:55,760

represents a potentially serious breach

475

00:19:59,830 --> 00:19:58,000

of national security

476  
00:20:02,630 --> 00:19:59,840  
or does it

477  
00:20:04,789 --> 00:20:02,640  
the war zone blog of automotive news

478  
00:20:07,590 --> 00:20:04,799  
service the drive

479  
00:20:10,230 --> 00:20:07,600  
began digging for an answer after one of

480  
00:20:13,029 --> 00:20:10,240  
its reporters heard scuttlebutt about

481  
00:20:14,470 --> 00:20:13,039  
the incident from aviation industry

482  
00:20:16,310 --> 00:20:14,480  
associates

483  
00:20:18,070 --> 00:20:16,320  
at first it sounded like a typical

484  
00:20:20,390 --> 00:20:18,080  
example of an aircraft suffering

485  
00:20:23,990 --> 00:20:20,400  
communications failure

486  
00:20:27,190 --> 00:20:24,000  
but then came news via reddit that

487  
00:20:29,830 --> 00:20:27,200  
u.s air force f-15c

488  
00:20:32,950 --> 00:20:29,840

interceptor fighters had been launched

489

00:20:36,390 --> 00:20:32,960

in response to the sightings

490

00:20:38,549 --> 00:20:36,400

two f-15 jet fighters in flight over

491

00:20:41,590 --> 00:20:38,559

crater lake oregon

492

00:20:44,390 --> 00:20:41,600

despite their speed and radar

493

00:20:47,510 --> 00:20:44,400

they were reportedly unable to locate

494

00:20:49,270 --> 00:20:47,520

the mystery aircraft

495

00:20:52,470 --> 00:20:49,280

strange

496

00:20:53,830 --> 00:20:52,480

my theory is they were running drugs to

497

00:20:57,110 --> 00:20:53,840

canada

498

00:20:59,830 --> 00:20:57,120

no news yet not that i could find a user

499

00:21:01,830 --> 00:20:59,840

claiming to have been a pilot in the air

500

00:21:04,870 --> 00:21:01,840

at the time posted

501  
00:21:07,270 --> 00:21:04,880  
user dupress

502  
00:21:09,990 --> 00:21:07,280  
he described how airliners had been

503  
00:21:12,549 --> 00:21:10,000  
asked to help track an unknown

504  
00:21:14,149 --> 00:21:12,559  
white-colored aircraft visually for up

505  
00:21:16,230 --> 00:21:14,159  
to 30 minutes

506  
00:21:17,830 --> 00:21:16,240  
as air traffic controller radar was

507  
00:21:19,909 --> 00:21:17,840  
having difficulty

508  
00:21:21,830 --> 00:21:19,919  
getting a fix

509  
00:21:24,470 --> 00:21:21,840  
while it was in sight of various

510  
00:21:25,990 --> 00:21:24,480  
airliner crews it was apparently never

511  
00:21:27,909 --> 00:21:26,000  
close enough for its type to be

512  
00:21:31,590 --> 00:21:27,919  
identified

513  
00:21:34,630 --> 00:21:31,600

the last aeroplane to see it

514

00:21:36,310 --> 00:21:34,640

had to descend into portland and lost

515

00:21:39,590 --> 00:21:36,320

sight of it

516

00:21:42,310 --> 00:21:39,600

the fighters were scrambled out of pdx

517

00:21:43,350 --> 00:21:42,320

but flew around for a while and did not

518

00:21:45,830 --> 00:21:43,360

find it

519

00:21:48,310 --> 00:21:45,840

and that's that

520

00:21:52,149 --> 00:21:48,320

warzone contacted north american

521

00:21:55,110 --> 00:21:52,159

aerospace defense command or norad

522

00:21:57,909 --> 00:21:55,120

the 42nd fighter wing at portland

523

00:22:02,390 --> 00:21:57,919

international airport and the federal

524

00:22:04,070 --> 00:22:02,400

aviation authority faa to confirm the

525

00:22:06,630 --> 00:22:04,080

incident

526

00:22:07,669 --> 00:22:06,640

norad quickly confirmed it had been

527

00:22:10,230 --> 00:22:07,679

asked

528

00:22:12,950 --> 00:22:10,240

by the faa to help track

529

00:22:14,070 --> 00:22:12,960

an unidentified aircraft flying at

530

00:22:17,190 --> 00:22:14,080

heights

531

00:22:18,470 --> 00:22:17,200

regularly used by commercial aircraft of

532

00:22:20,789 --> 00:22:18,480

35

533

00:22:22,950 --> 00:22:20,799

to 40 thousand feet

534

00:22:24,950 --> 00:22:22,960

it said fighters had been scrambled from

535

00:22:28,789 --> 00:22:24,960

portland to investigate

536

00:22:30,710 --> 00:22:28,799

but fail to find anything

537

00:22:32,950 --> 00:22:30,720

that in itself

538

00:22:35,830 --> 00:22:32,960

is odd

539

00:22:38,789 --> 00:22:35,840

airline and commercial aircraft aircrew

540

00:22:41,510 --> 00:22:38,799

were last month asked to help track

541

00:22:42,870 --> 00:22:41,520

and identified aircraft flying over

542

00:22:44,630 --> 00:22:42,880

oregon

543

00:22:46,070 --> 00:22:44,640

while little is known about the timing

544

00:22:48,390 --> 00:22:46,080

of the events

545

00:22:50,310 --> 00:22:48,400

it is possible the fighters were simply

546

00:22:53,909 --> 00:22:50,320

activated too late

547

00:22:56,470 --> 00:22:53,919

the f-15c eagle interceptors have some

548

00:22:59,270 --> 00:22:56,480

of the most advanced combat search and

549

00:23:02,549 --> 00:22:59,280

tracking radars in the world

550

00:23:04,870 --> 00:23:02,559

they're also extremely fast

551  
00:23:07,270 --> 00:23:04,880  
so while the unidentified aircraft was

552  
00:23:10,230 --> 00:23:07,280  
reported to have been moving somewhat

553  
00:23:11,830 --> 00:23:10,240  
faster than the observing airlines and

554  
00:23:15,590 --> 00:23:11,840  
f15

555  
00:23:19,270 --> 00:23:15,600  
should have been able to catch up easily

556  
00:23:20,630 --> 00:23:19,280  
warzone says the faa has refused to add

557  
00:23:23,669 --> 00:23:20,640  
any detail

558  
00:23:26,470 --> 00:23:23,679  
to the story other than to confirm what

559  
00:23:28,230 --> 00:23:26,480  
had already been established

560  
00:23:31,510 --> 00:23:28,240  
the 142nd

561  
00:23:33,190 --> 00:23:31,520  
fighter wing did not respond

562  
00:23:34,830 --> 00:23:33,200  
so what was it

563  
00:23:36,789 --> 00:23:34,840

that remains

564

00:23:39,350 --> 00:23:36,799

speculation

565

00:23:40,870 --> 00:23:39,360

oregon is adjacent to nevada the

566

00:23:43,430 --> 00:23:40,880

well-known home

567

00:23:45,669 --> 00:23:43,440

to united states air force's secret

568

00:23:47,350 --> 00:23:45,679

aircraft testing facility

569

00:23:50,549 --> 00:23:47,360

at groom lake

570

00:23:53,110 --> 00:23:50,559

otherwise dubbed area 51

571

00:23:56,390 --> 00:23:53,120

but flying a secret aircraft among

572

00:23:59,669 --> 00:23:56,400

commercial airliner streams in daylight

573

00:24:03,350 --> 00:23:59,679

is both dangerous and insecure

574

00:24:07,909 --> 00:24:03,360

and not known to be a common practice

575

00:24:10,870 --> 00:24:07,919

so was it the russians or the chinese

576

00:24:13,350 --> 00:24:10,880

it may have been a smuggling aircraft

577

00:24:16,549 --> 00:24:13,360

that's cached up owners giving it an

578

00:24:18,870 --> 00:24:16,559

added dimension of speed and stealth but

579

00:24:21,029 --> 00:24:18,880

there is no evidence to suggest such an

580

00:24:23,029 --> 00:24:21,039

aircraft exists

581

00:24:24,230 --> 00:24:23,039

so is it alien

582

00:24:27,430 --> 00:24:24,240

if so

583

00:24:31,590 --> 00:24:27,440

they're surprisingly incompetent at

584

00:24:31,600 --> 00:24:36,630

then finally some paranormal points

585

00:24:41,110 --> 00:24:39,269

here's a personal paranormal story

586

00:24:43,269 --> 00:24:41,120

someone relayed

587

00:24:47,029 --> 00:24:43,279

that they went to sleep

588

00:24:49,669 --> 00:24:47,039

but the kitchen didn't

589

00:24:51,990 --> 00:24:49,679

marissa states one night i was staying

590

00:24:53,110 --> 00:24:52,000

with some friends and we all fell asleep

591

00:24:56,149 --> 00:24:53,120

pretty late

592

00:24:58,149 --> 00:24:56,159

probably around three a.m

593

00:25:01,830 --> 00:24:58,159

that's when i woke up and heard

594

00:25:05,269 --> 00:25:01,840

something that sounded unmistakably like

595

00:25:07,909 --> 00:25:05,279

kitchen cabinets opening and shutting

596

00:25:10,310 --> 00:25:07,919

it was loud enough that i felt like i

597

00:25:12,710 --> 00:25:10,320

had to see what was going on

598

00:25:15,510 --> 00:25:12,720

i didn't see anyone in the kitchen

599

00:25:16,310 --> 00:25:15,520

so i assumed i was hearing things

600

00:25:18,549 --> 00:25:16,320

well

601  
00:25:21,269 --> 00:25:18,559  
the next morning when i woke up

602  
00:25:22,789 --> 00:25:21,279  
one of my friends was really upset and

603  
00:25:24,950 --> 00:25:22,799  
crying

604  
00:25:27,909 --> 00:25:24,960  
she said that she woke up in the middle

605  
00:25:29,669 --> 00:25:27,919  
of the night and heard people talking in

606  
00:25:31,350 --> 00:25:29,679  
the kitchen

607  
00:25:32,310 --> 00:25:31,360  
they were saying

608  
00:25:35,190 --> 00:25:32,320  
we

609  
00:25:35,990 --> 00:25:35,200  
are not wanted here anymore

610  
00:25:38,070 --> 00:25:36,000  
we

611  
00:25:42,390 --> 00:25:38,080  
aren't important

612  
00:25:45,909 --> 00:25:42,400  
it was really really scary

613  
00:25:49,190 --> 00:25:45,919

the next paranormal point

614

00:25:50,230 --> 00:25:49,200

when i was 18 i was really into scary

615

00:25:53,190 --> 00:25:50,240

movies

616

00:25:55,190 --> 00:25:53,200

i just had an urge to see or experience

617

00:25:57,269 --> 00:25:55,200

something scary

618

00:26:00,870 --> 00:25:57,279

it was during the summer that i started

619

00:26:03,269 --> 00:26:00,880

researching haunted sites i could visit

620

00:26:06,630 --> 00:26:03,279

then one caught my attention

621

00:26:08,390 --> 00:26:06,640

sweet hollow road and long island

622

00:26:10,470 --> 00:26:08,400

there are a bunch of popular urban

623

00:26:13,430 --> 00:26:10,480

legends linked to the site and all of

624

00:26:14,870 --> 00:26:13,440

them have to do with creepy underpass

625

00:26:16,789 --> 00:26:14,880

bridges

626

00:26:19,590 --> 00:26:16,799

a few of the stories speak about the

627

00:26:22,310 --> 00:26:19,600

violent deaths of children

628

00:26:25,350 --> 00:26:22,320

one day i told my cousin and brother

629

00:26:27,830 --> 00:26:25,360

who were also ghost story fanatics that

630

00:26:30,070 --> 00:26:27,840

we should visit sweet hollows

631

00:26:34,070 --> 00:26:30,080

my cousin had just gotten his license

632

00:26:36,710 --> 00:26:34,080

and my mom insisted on tagging along

633

00:26:39,269 --> 00:26:36,720

when we finally got to the underpass we

634

00:26:40,630 --> 00:26:39,279

found nothing we didn't see anything out

635

00:26:43,350 --> 00:26:40,640

of the ordinary

636

00:26:45,269 --> 00:26:43,360

the only scary thing we experienced at

637

00:26:48,630 --> 00:26:45,279

the site was that

638

00:26:51,190 --> 00:26:48,640

due to the thin zigzag-like road we

639

00:26:53,669 --> 00:26:51,200

almost crashed into a tree

640

00:26:57,110 --> 00:26:53,679

we thought the trip was a waste

641

00:26:59,669 --> 00:26:57,120

but then something strange happened

642

00:27:02,470 --> 00:26:59,679

the next morning my mom swore that

643

00:27:05,510 --> 00:27:02,480

during the night she felt like someone

644

00:27:07,350 --> 00:27:05,520

or something was watching her from under

645

00:27:09,190 --> 00:27:07,360

her bed

646

00:27:12,470 --> 00:27:09,200

on the other hand the rest of us had

647

00:27:13,750 --> 00:27:12,480

dreamt of a small boy with black hair

648

00:27:16,470 --> 00:27:13,760

he was pale

649

00:27:18,149 --> 00:27:16,480

and none of us could remember his face

650

00:27:22,470 --> 00:27:18,159

until this day

651  
00:27:24,870 --> 00:27:22,480  
we still believe that whoever we saw

652  
00:27:28,549 --> 00:27:24,880  
had to be one of the many children

653  
00:27:30,630 --> 00:27:28,559  
who had died at that bridge

654  
00:27:31,909 --> 00:27:30,640  
blue

655  
00:27:33,269 --> 00:27:31,919
