00:00:05,990 --> 00:00:03,030
ufo headline news with me heidi hollis

2
00:00:08,390 --> 00:00:06,000
today is monday november 27

3
00:00:11,370 --> 00:00:08,400
2017

4
00:00:13,190 --> 00:00:11,380
blasting off with some ufo reports

5
00:00:15,749 --> 00:00:13,200
[Music]

6
00:00:19,670 --> 00:00:15,759
we begin by blasting off with some ufo

7
00:00:23,269 --> 00:00:19,680
reports a ufo sighting in oxford

8
00:00:25,910 --> 00:00:23,279
it is described a very large classic ufo

9
00:00:28,390 --> 00:00:25,920
daylight and stationary

10
00:00:30,870 --> 00:00:28,400
the witness describes i was driving home

11
00:00:32,470 --> 00:00:30,880
from work on a summer evening in june of

12
00:00:35,350 --> 00:00:32,480
2017

13
00:00:38,229 --> 00:00:35,360

in daylight about half past six

14

00:00:41,670 --> 00:00:38,239

on a cloudy blustery evening on a

15

00:00:43,990 --> 00:00:41,680

country lane 15 miles south of oxford

16

00:00:46,310 --> 00:00:44,000

that's when i saw a car stop by the side

17

00:00:47,350 --> 00:00:46,320

of the road and the driver was out of

18

00:00:49,910 --> 00:00:47,360

the car

19

00:00:52,470 --> 00:00:49,920

holding up an ipad

20

00:00:53,910 --> 00:00:52,480

photographing the sky low down in the

21

00:00:56,630 --> 00:00:53,920

northeast

22

00:01:00,790 --> 00:00:56,640

i looked over and saw a huge metallic

23

00:01:03,510 --> 00:01:00,800

disc a classic ufo shape was visible in

24

00:01:05,750 --> 00:01:03,520

a gap in the total cloud cover

25

00:01:09,190 --> 00:01:05,760

i slowed the car but didn't break hard

26
00:01:11,910 --> 00:01:09,200
as i had a speed merchant on my bumper

27
00:01:14,630 --> 00:01:11,920
i observed the disc for approximately 15

28
00:01:16,870 --> 00:01:14,640
to 20 seconds until a line of trees

29
00:01:19,990 --> 00:01:16,880
obscured my view

30
00:01:22,149 --> 00:01:20,000
the disk was approximately 20 obscured

31
00:01:24,789 --> 00:01:22,159
by cloud which made it easier to

32
00:01:28,390 --> 00:01:24,799
estimate its distance in size

33
00:01:30,870 --> 00:01:28,400
this disc was approximately

34
00:01:32,630 --> 00:01:30,880
500 meters in diameter

35
00:01:35,190 --> 00:01:32,640
half a kilometer

36
00:01:38,630 --> 00:01:35,200
it was at least this large

37
00:01:39,670 --> 00:01:38,640
it was shiny metallic and with a raised

38
00:01:44,310 --> 00:01:39,680

edge

39

00:01:46,950 --> 00:01:44,320

alternate silver and black panels

40

00:01:50,230 --> 00:01:46,960

apart from its size the most surprising

41

00:01:52,310 --> 00:01:50,240

fact was it being so stationary

42

00:01:55,030 --> 00:01:52,320

as the clouds rolled on it was

43

00:01:59,270 --> 00:01:55,040

completely static

44

00:02:02,389 --> 00:01:59,280

it was also tilted over at 15 degrees

45

00:02:04,630 --> 00:02:02,399

it was not a balloon or an airship

46

00:02:06,550 --> 00:02:04,640

and anyway the weather wasn't suitable

47

00:02:09,430 --> 00:02:06,560

for such things

48

00:02:12,309 --> 00:02:09,440

i drove on till i'd passed the trees and

49

00:02:14,869 --> 00:02:12,319

stopped around the corner about 400

50

00:02:18,710 --> 00:02:14,879

meters further on to get a better view

51
00:02:21,990 --> 00:02:18,720
and get the car behind me past me

52
00:02:23,750 --> 00:02:22,000
the cloud cover had closed up i waited

53
00:02:26,150 --> 00:02:23,760
and saw no more

54
00:02:28,630 --> 00:02:26,160
then it started to rain

55
00:02:30,150 --> 00:02:28,640
oddly i didn't return to see the person

56
00:02:32,309 --> 00:02:30,160
with the ipad

57
00:02:34,070 --> 00:02:32,319
i assumed it would be all over the local

58
00:02:36,070 --> 00:02:34,080
news the next day

59
00:02:38,390 --> 00:02:36,080
i'm a 50 year old engineer that

60
00:02:39,509 --> 00:02:38,400
estimates sizes and distances for a

61
00:02:42,070 --> 00:02:39,519
living

62
00:02:43,350 --> 00:02:42,080
i know what i saw was not anything

63
00:02:46,390 --> 00:02:43,360

normal

64

00:02:47,589 --> 00:02:46,400

and it was massive

65

00:02:49,750 --> 00:02:47,599

i went home

66

00:02:51,190 --> 00:02:49,760

my wife and family found it all very

67

00:02:53,910 --> 00:02:51,200

amusing

68

00:02:57,030 --> 00:02:53,920

everyone i know has heard my tale

69

00:03:00,630 --> 00:02:57,040

they laugh too and no one believes me

70

00:03:03,430 --> 00:03:00,640

why are so many people so short-sighted

71

00:03:06,630 --> 00:03:03,440

and unable to believe

72

00:03:09,270 --> 00:03:06,640

the person with ipad remains a mystery

73

00:03:12,470 --> 00:03:09,280

i scanned the local papers and internet

74

00:03:14,550 --> 00:03:12,480

for anything but nothing

75

00:03:17,030 --> 00:03:14,560

i haven't stopped kicking myself since

76
00:03:18,949 --> 00:03:17,040
for not going back to see ipad man and

77
00:03:21,350 --> 00:03:18,959
get his pictures

78
00:03:25,030 --> 00:03:21,360
days later i happened to drive under the

79
00:03:27,430 --> 00:03:25,040
location about two miles to the north

80
00:03:30,470 --> 00:03:27,440
where i estimated the ufo to be and

81
00:03:34,229 --> 00:03:30,480
wondered what there was to see

82
00:03:36,390 --> 00:03:34,239
there i saw a large solar farm

83
00:03:38,149 --> 00:03:36,400
i'd forgotten about it as it's not so

84
00:03:40,550 --> 00:03:38,159
visible from the road

85
00:03:42,869 --> 00:03:40,560
i believe the ufo was hovering over this

86
00:03:46,309 --> 00:03:42,879
and looking down on it

87
00:03:49,350 --> 00:03:46,319
why else would it be tilted over the

88
00:03:52,710 --> 00:03:49,360

size the solid metallic shape and its

89

00:03:56,470 --> 00:03:52,720

edges features were all real

90

00:03:58,869 --> 00:03:56,480

it's odd tilt partly obscured by cloud

91

00:04:00,949 --> 00:03:58,879

and its completely stationary position

92

00:04:03,589 --> 00:04:00,959

on such a stormy evening

93

00:04:07,830 --> 00:04:03,599

all contributed to it being

94

00:04:11,030 --> 00:04:07,840

the firm ufo sighting of my lifetime

95

00:04:13,030 --> 00:04:11,040

i have not stopped berating myself since

96

00:04:15,350 --> 00:04:13,040

for not returning to the other witness

97

00:04:18,469 --> 00:04:15,360

for his photographic proof

98

00:04:21,189 --> 00:04:18,479

why didn't he go public with his photos

99

00:04:24,950 --> 00:04:23,430

black triangle sighting in helena

100

00:04:28,469 --> 00:04:24,960

montana

101
00:04:30,710 --> 00:04:28,479
november 22 2017

102
00:04:34,230 --> 00:04:30,720
the witness states i saw a triangle

103
00:04:36,310 --> 00:04:34,240
craft hovering south it was dark so

104
00:04:39,270 --> 00:04:36,320
i could not see the craft's body but the

105
00:04:41,670 --> 00:04:39,280
amber colored lights on the tips

106
00:04:45,350 --> 00:04:41,680
it was still and silent

107
00:04:48,230 --> 00:04:45,360
i stood watching it for 10 to 15 minutes

108
00:04:49,430 --> 00:04:48,240
then the bottom light left separated

109
00:04:51,430 --> 00:04:49,440
moved east

110
00:04:53,830 --> 00:04:51,440
and then gone

111
00:04:55,990 --> 00:04:53,840
the witness continues

112
00:04:58,310 --> 00:04:56,000
i came home from visiting a friend a

113
00:05:01,189 --> 00:04:58,320

cancer patient in the hospital

114

00:05:02,710 --> 00:05:01,199

it was 49 degrees comfortable no wind

115

00:05:04,870 --> 00:05:02,720

clear night

116

00:05:07,189 --> 00:05:04,880

i stood on the porch as i approached the

117

00:05:09,909 --> 00:05:07,199

door letting the dog out

118

00:05:11,830 --> 00:05:09,919

something made me look south rather than

119

00:05:13,189 --> 00:05:11,840

go inside

120

00:05:17,189 --> 00:05:13,199

i saw it

121

00:05:19,110 --> 00:05:17,199

still as could be in the night sky

122

00:05:20,950 --> 00:05:19,120

i didn't go in the house i said

123

00:05:23,510 --> 00:05:20,960

something to the dog and just stood

124

00:05:24,790 --> 00:05:23,520

there watching the object

125

00:05:26,070 --> 00:05:24,800

no movement

126

00:05:28,870 --> 00:05:26,080

no noise

127

00:05:30,950 --> 00:05:28,880

i questioned what it was i was seeing

128

00:05:32,870 --> 00:05:30,960

and was going through the list no

129

00:05:36,070 --> 00:05:32,880

movement no noise

130

00:05:40,230 --> 00:05:36,080

i realized this was real

131

00:05:41,990 --> 00:05:40,240

how amazing i never considered taking a

132

00:05:44,150 --> 00:05:42,000

photo with my phone

133

00:05:46,150 --> 00:05:44,160

didn't think it would work it was too

134

00:05:48,390 --> 00:05:46,160

dark to see the actual body of the

135

00:05:51,590 --> 00:05:48,400

subject

136

00:05:53,909 --> 00:05:51,600

just the amber lights and i was in awe

137

00:05:56,790 --> 00:05:53,919

not wanting to ruin the moment

138

00:05:58,950 --> 00:05:56,800

i knew it was real

139

00:06:01,350 --> 00:05:58,960

i talked to it in my thoughts

140

00:06:03,909 --> 00:06:01,360

i watched for 10 to 15 minutes

141

00:06:06,390 --> 00:06:03,919

as i noticed the truck clock before we

142

00:06:08,070 --> 00:06:06,400

got out of the vehicle i checked the

143

00:06:09,189 --> 00:06:08,080

clock in the house when i finally went

144

00:06:12,870 --> 00:06:09,199

in

145

00:06:14,870 --> 00:06:12,880

the stillness of the craft was changed

146

00:06:16,550 --> 00:06:14,880

when the bottom left light began to

147

00:06:18,309 --> 00:06:16,560

slowly move east

148

00:06:20,870 --> 00:06:18,319

then blinked out

149

00:06:22,629 --> 00:06:20,880

the top light headed straight and then

150

00:06:25,189 --> 00:06:22,639

blanked out

151
00:06:27,029 --> 00:06:25,199
finally the bottom right light dropped

152
00:06:30,070 --> 00:06:27,039
down pretty low

153
00:06:32,309 --> 00:06:30,080
i wondered if it was going to land

154
00:06:37,029 --> 00:06:32,319
but it changed to red

155
00:06:40,870 --> 00:06:39,510
my thoughts as i watched it were so

156
00:06:42,070 --> 00:06:40,880
peaceful

157
00:06:43,830 --> 00:06:42,080
no fear

158
00:06:47,270 --> 00:06:43,840
just wonder

159
00:06:49,990 --> 00:06:47,280
i found myself asking the beings inside

160
00:06:52,870 --> 00:06:50,000
if they knew much about cancer

161
00:06:55,029 --> 00:06:52,880
could they help my friend

162
00:06:57,430 --> 00:06:55,039
could they help humanity with this

163
00:06:59,430 --> 00:06:57,440

horrible plague

164

00:07:02,469 --> 00:06:59,440

i didn't feel an answer

165

00:07:04,309 --> 00:07:02,479

but i did feel they heard me

166

00:07:08,710 --> 00:07:04,319

when it was gone

167

00:07:13,270 --> 00:07:10,950

black triangle sighting in columbia

168

00:07:16,390 --> 00:07:13,280

tennessee

169

00:07:19,350 --> 00:07:16,400

a black triangular object hovered moved

170

00:07:21,270 --> 00:07:19,360

slowly then disappeared when tried to

171

00:07:25,270 --> 00:07:21,280

take a picture

172

00:07:28,550 --> 00:07:25,280

this occurred november 17 2017

173

00:07:34,230 --> 00:07:30,629

when i saw the ufo i was in a

174

00:07:36,230 --> 00:07:34,240

residential area waiting on someone

175

00:07:37,430 --> 00:07:36,240

i looked up because i like watching the

176

00:07:39,430 --> 00:07:37,440

stars

177

00:07:41,830 --> 00:07:39,440

and i see this thing

178

00:07:43,510 --> 00:07:41,840

with what looked like spotlights moving

179

00:07:45,909 --> 00:07:43,520

around

180

00:07:47,909 --> 00:07:45,919

my radio started getting fuzzy despite

181

00:07:50,230 --> 00:07:47,919

having strong connection

182

00:07:52,869 --> 00:07:50,240

so i watched this massive object that

183

00:07:55,589 --> 00:07:52,879

was almost touching the trees

184

00:07:58,150 --> 00:07:55,599

i was amazed and scared

185

00:08:00,150 --> 00:07:58,160

i went to grab my phone to take and

186

00:08:02,629 --> 00:08:00,160

round some pictures

187

00:08:06,230 --> 00:08:02,639

and as i clicked the button

188

00:08:08,550 --> 00:08:06,240

the object disappeared into thin air

189

00:08:10,950 --> 00:08:08,560

it was nowhere to be seen

190

00:08:13,189 --> 00:08:10,960

the object have four bright lights on

191

00:08:15,909 --> 00:08:13,199

the bottom moving around

192

00:08:19,749 --> 00:08:15,919

a ring of lights around it and it was

193

00:08:22,950 --> 00:08:19,759

too dark to make out any of the features

194

00:08:24,869 --> 00:08:22,960

i've also been having very weird dreams

195

00:08:27,350 --> 00:08:24,879

since i saw it

196

00:08:29,270 --> 00:08:27,360

hmm

197

00:08:33,829 --> 00:08:29,280

next up

198

00:08:38,709 --> 00:08:33,839

blast from the past of ufo sightings

199

00:08:41,670 --> 00:08:38,719

on september 28 2016 the witness states

200

00:08:44,710 --> 00:08:41,680

i was driving on highway one north going

201
00:08:46,550 --> 00:08:44,720
to the raleigh durham airport to pick up

202
00:08:49,509 --> 00:08:46,560
my girlfriend at the time

203
00:08:51,910 --> 00:08:49,519
it was around 9 20 p.m the sky was a

204
00:08:53,509 --> 00:08:51,920
clear bright purple sky speckled with

205
00:08:55,430 --> 00:08:53,519
stars

206
00:08:57,829 --> 00:08:55,440
i had the window down because the air

207
00:09:00,150 --> 00:08:57,839
was neither hot nor cold

208
00:09:03,750 --> 00:09:00,160
the temperature was perfect

209
00:09:05,509 --> 00:09:03,760
the temp was probably in the low 70s

210
00:09:07,829 --> 00:09:05,519
i was listening to a station that was

211
00:09:09,430 --> 00:09:07,839
playing great alternative music for my

212
00:09:11,190 --> 00:09:09,440
teenage years but

213
00:09:15,670 --> 00:09:11,200

it was weird because the station kept

214

00:09:17,910 --> 00:09:15,680

cutting on and off with fuzz sounds

215

00:09:19,670 --> 00:09:17,920

i looked up into the horizon

216

00:09:22,230 --> 00:09:19,680

and there were two

217

00:09:23,509 --> 00:09:22,240

bobbing globes of light way off in the

218

00:09:26,070 --> 00:09:23,519

distance

219

00:09:29,110 --> 00:09:26,080

and i remember having the thought

220

00:09:31,190 --> 00:09:29,120

of wow that movement is peculiar

221

00:09:32,710 --> 00:09:31,200

they aren't moving like a helicopter or

222

00:09:34,790 --> 00:09:32,720

airplane

223

00:09:38,710 --> 00:09:34,800

they bobbed in place

224

00:09:41,590 --> 00:09:38,720

very smoothly like a slow dance

225

00:09:45,430 --> 00:09:41,600

and the next thought i had was that

226

00:09:47,750 --> 00:09:45,440

would be crazy if those are ufos

227

00:09:50,070 --> 00:09:47,760

and then the third thought i had was

228

00:09:52,070 --> 00:09:50,080

that would be great if they came down

229

00:09:55,509 --> 00:09:52,080

closer

230

00:09:57,350 --> 00:09:55,519

and as soon as i had that thought

231

00:09:59,509 --> 00:09:57,360

the one on the right

232

00:10:00,870 --> 00:09:59,519

started to descend

233

00:10:02,790 --> 00:10:00,880

and i was like

234

00:10:05,190 --> 00:10:02,800

no way

235

00:10:08,710 --> 00:10:05,200

it felt like it descended slowly at

236

00:10:10,870 --> 00:10:08,720

first but within very little time frame

237

00:10:13,430 --> 00:10:10,880

it felt like it was going to fly right

238

00:10:14,949 --> 00:10:13,440

in the top of myself in the car ahead of

239

00:10:18,389 --> 00:10:14,959

me

240

00:10:21,190 --> 00:10:18,399

as it descended my legs started to shake

241

00:10:23,750 --> 00:10:21,200

vigorously with fear and excitement

242

00:10:26,230 --> 00:10:23,760

and i kept thinking to myself

243

00:10:28,069 --> 00:10:26,240

grab your cell phone on the dash grab

244

00:10:29,430 --> 00:10:28,079

your cell phone on the dash to take a

245

00:10:33,110 --> 00:10:29,440

video

246

00:10:35,829 --> 00:10:33,120

but i was so entranced and enamored

247

00:10:37,910 --> 00:10:35,839

that i couldn't take my eyes off from it

248

00:10:40,150 --> 00:10:37,920

it was like i was hypnotized by the

249

00:10:43,670 --> 00:10:40,160

amazement of the situation

250

00:10:45,990 --> 00:10:43,680

completely entranced

251
00:10:48,230 --> 00:10:46,000
but it came down extremely slow and

252
00:10:51,110 --> 00:10:48,240
hovered on top of the tree line

253
00:10:53,190 --> 00:10:51,120
right in front of the car ahead of me

254
00:10:56,069 --> 00:10:53,200
it felt like it was going to land on us

255
00:10:59,110 --> 00:10:56,079
which forced us to slow down to like 10

256
00:11:01,190 --> 00:10:59,120
miles an hour on this 65 to 70 mile an

257
00:11:03,509 --> 00:11:01,200
hour highway

258
00:11:05,269 --> 00:11:03,519
we were the only two cars on the highway

259
00:11:07,509 --> 00:11:05,279
during this event

260
00:11:09,990 --> 00:11:07,519
the craft was close enough that i could

261
00:11:13,590 --> 00:11:10,000
have thrown a baseball at it and hit it

262
00:11:16,310 --> 00:11:13,600
effortlessly if i wanted to

263
00:11:19,190 --> 00:11:16,320

at this point it was like a bright

264

00:11:21,110 --> 00:11:19,200

spotlight that hovered for a few seconds

265

00:11:24,069 --> 00:11:21,120

and the light was bright enough that i

266

00:11:26,949 --> 00:11:24,079

couldn't make out any details

267

00:11:30,310 --> 00:11:26,959

then the hovering vessel turned sideways

268

00:11:32,550 --> 00:11:30,320

and revealed that it was a dark perfect

269

00:11:34,470 --> 00:11:32,560

rectangle craft

270

00:11:36,949 --> 00:11:34,480

i could make out the dark rectangular

271

00:11:41,670 --> 00:11:36,959

craft because the outline of the craft

272

00:11:44,550 --> 00:11:41,680

bottled out the purple night sky

273

00:11:45,829 --> 00:11:44,560

that was three to four car lengths long

274

00:11:48,550 --> 00:11:45,839

and two

275

00:11:50,790 --> 00:11:48,560

to three car lengths wide

276

00:11:52,629 --> 00:11:50,800

the height or thickness of the craft

277

00:11:53,990 --> 00:11:52,639

seemed pretty thin and perfectly

278

00:11:56,310 --> 00:11:54,000

streamlined

279

00:11:57,750 --> 00:11:56,320

like five to seven feet from top to

280

00:12:03,030 --> 00:11:57,760

bottom

281

00:12:06,310 --> 00:12:03,040

had long vertical striations along the

282

00:12:08,710 --> 00:12:06,320

belly of the craft going lengthwise

283

00:12:10,550 --> 00:12:08,720

if it had white lights equal distance

284

00:12:13,110 --> 00:12:10,560

along the belly of the craft with a

285

00:12:14,790 --> 00:12:13,120

couple of red blinking lights i couldn't

286

00:12:16,790 --> 00:12:14,800

see the red blinking lights until the

287

00:12:19,670 --> 00:12:16,800

craft turned sideways

288

00:12:20,790 --> 00:12:19,680

but the white lights didn't flicker at

289

00:12:22,790 --> 00:12:20,800

all

290

00:12:25,110 --> 00:12:22,800

and the vessel did not appear to give

291

00:12:27,910 --> 00:12:25,120

off any heat signature

292

00:12:29,590 --> 00:12:27,920

thrust or energy field to propel the

293

00:12:32,230 --> 00:12:29,600

vessel

294

00:12:34,069 --> 00:12:32,240

it was just a perfect rectangular shape

295

00:12:35,990 --> 00:12:34,079

with lights

296

00:12:37,670 --> 00:12:36,000

by this point myself and the car ahead

297

00:12:39,509 --> 00:12:37,680

of me are slowing down to like five

298

00:12:42,949 --> 00:12:39,519

miles per hour

299

00:12:45,590 --> 00:12:42,959

the vessel then moved smoothly across

300

00:12:48,230 --> 00:12:45,600

the highway going west

301
00:12:51,350 --> 00:12:48,240
the movement was captivating

302
00:12:54,150 --> 00:12:51,360
it moved smoothly and effortlessly

303
00:12:57,350 --> 00:12:54,160
it moved like it was under water

304
00:13:00,949 --> 00:12:57,360
i had my window down

305
00:13:03,190 --> 00:13:00,959
and the vessel gave off no sound at all

306
00:13:04,949 --> 00:13:03,200
as the vessel disappeared over the tall

307
00:13:07,509 --> 00:13:04,959
pines to the west

308
00:13:10,069 --> 00:13:07,519
the car ahead of myself started to pick

309
00:13:13,910 --> 00:13:10,079
up speed as i did

310
00:13:16,790 --> 00:13:13,920
i believe it was exit 93 or 96

311
00:13:19,030 --> 00:13:16,800
was about 30 feet ahead and as i was

312
00:13:20,870 --> 00:13:19,040
about to exit towards the airport onto

313
00:13:22,790 --> 00:13:20,880

the quick pass highway

314

00:13:25,509 --> 00:13:22,800

the car ahead of me started to

315

00:13:27,269 --> 00:13:25,519

vigorously flash its lights at me

316

00:13:29,190 --> 00:13:27,279

as if to say

317

00:13:32,629 --> 00:13:29,200

holy crap

318

00:13:35,190 --> 00:13:32,639

did you see that and i was exiting i

319

00:13:36,470 --> 00:13:35,200

vigorously flashed my high beams back at

320

00:13:37,350 --> 00:13:36,480

the car like

321

00:13:39,670 --> 00:13:37,360

yeah

322

00:13:41,590 --> 00:13:39,680

that was crazy

323

00:13:44,949 --> 00:13:41,600

and then the rest of the ride to the

324

00:13:49,189 --> 00:13:44,959

airport i got really mad at myself for

325

00:13:50,870 --> 00:13:49,199

not taking video of the event

326

00:13:53,750 --> 00:13:50,880

wow

327

00:13:56,310 --> 00:13:53,760

all right dabs into some

328

00:14:00,470 --> 00:13:56,320

mystery science

329

00:14:01,590 --> 00:14:00,480

a former nasa scientist debunks all ufo

330

00:14:05,509 --> 00:14:01,600

sightings

331

00:14:06,949 --> 00:14:05,519

blames many on mundane space

332

00:14:11,430 --> 00:14:06,959

dandruff

333

00:14:17,750 --> 00:14:14,710

the story states this week again ufo

334

00:14:21,829 --> 00:14:17,760

enthusiasts saw a phenomenon

335

00:14:23,509 --> 00:14:21,839

and an explanation they didn't believe

336

00:14:26,069 --> 00:14:23,519

matched up

337

00:14:28,870 --> 00:14:26,079

the phenomena was a bright

338

00:14:29,829 --> 00:14:28,880

second long streak across a time-lapse

339

00:14:32,949 --> 00:14:29,839

video

340

00:14:35,430 --> 00:14:32,959

filmed by astronaut paolo nespoli

341

00:14:37,990 --> 00:14:35,440

the explanation as provided by the

342

00:14:40,389 --> 00:14:38,000

european space agency was

343

00:14:43,750 --> 00:14:40,399

that a meteor was burning up as it

344

00:14:47,269 --> 00:14:43,760

entered the earth's atmosphere

345

00:14:49,750 --> 00:14:47,279

even identified its location over earth

346

00:14:52,310 --> 00:14:49,760

calculated the speed at which it was

347

00:14:54,949 --> 00:14:52,320

moving and compared its brightness

348

00:14:57,110 --> 00:14:54,959

favorably to that of venus

349

00:14:59,750 --> 00:14:57,120

judging by the angle it was falling the

they thought it was a natural meteor

365

00:15:36,629 --> 00:15:33,680

rather than a piece of

366

00:15:42,069 --> 00:15:36,639

fastest growing research outlet and

370

00:15:55,670 --> 00:15:52,720

the alien phenomenon ufos and the

371

00:15:58,790 --> 00:15:55,680

exposure of those covering them up

372

00:16:00,389 --> 00:15:58,800

decided it was a cover-up in part

373

00:16:02,949 --> 00:16:00,399

arguing that

374

00:16:04,310 --> 00:16:02,959

the esa's speed calculation was

375

00:16:08,389 --> 00:16:04,320

incorrect

376

00:16:11,030 --> 00:16:08,399

since the video was a time lapse

377

00:16:12,790 --> 00:16:11,040

380

00:16:18,710 --> 00:16:16,480

sightings

381

00:16:20,710 --> 00:16:18,720

and in a fascinating interview with

382

00:16:23,430 --> 00:16:20,720

atlas obscura

383

00:16:25,990 --> 00:16:23,440

he explains why space phenomena trip

384

00:16:28,790 --> 00:16:26,000

people up

385

00:16:32,069 --> 00:16:28,800

as a hobby he has tracked

386

00:16:34,629 --> 00:16:32,079

back decades worth of ufo sightings

387

00:16:37,269 --> 00:16:34,639

to more mundane explanations

388

00:16:39,350 --> 00:16:37,279

drawing on his professional expertise in

389

00:16:42,230 --> 00:16:39,360

space missions

390

00:16:45,030 --> 00:16:42,240

his time at mission control he says not

391

00:16:47,509 --> 00:16:45,040

only means he has the skills to

392

00:16:49,590 --> 00:16:47,519

cross-reference sightings with agency

393

00:16:52,310 --> 00:16:49,600

documents that point to

394

00:16:54,230 --> 00:16:52,320

straightforward explanations but he also

395

00:16:56,629 --> 00:16:54,240

has a mindset

396

00:16:59,590 --> 00:16:56,639

that's really difficult for earthlings

397

00:17:03,509 --> 00:17:00,949

after all

398

00:17:06,230 --> 00:17:03,519

everything in space is based on

399

00:17:08,949 --> 00:17:06,240

different perceptual cues

400

00:17:11,909 --> 00:17:08,959

there's no gravity for example

401
00:17:14,390 --> 00:17:11,919
for some reports deal with images taken

402
00:17:15,429 --> 00:17:14,400
from the international space station

403
00:17:18,470 --> 00:17:15,439
which is

404
00:17:20,069 --> 00:17:18,480
hurtling through space at five miles per

405
00:17:22,870 --> 00:17:20,079
second

406
00:17:24,949 --> 00:17:22,880
our sensory system is functioning

407
00:17:28,549 --> 00:17:24,959
absolutely perfectly for earth

408
00:17:30,830 --> 00:17:28,559
conditions oberg told atlas obscura

409
00:17:33,270 --> 00:17:30,840
but we're still a local

410
00:17:36,789 --> 00:17:33,280
civilization moving beyond our

411
00:17:39,190 --> 00:17:36,799
neighborhood has been visually confusing

412
00:17:41,350 --> 00:17:39,200
one example is the dancing lights seen

413
00:17:43,909 --> 00:17:41,360

about three minutes into this video

414

00:17:46,150 --> 00:17:43,919

filmed from a space shuttle flight

415

00:17:48,150 --> 00:17:46,160

oberg here points out that given the

416

00:17:50,950 --> 00:17:48,160

spacecraft's speed

417

00:17:53,029 --> 00:17:50,960

these spots aren't dancing at all

418

00:17:55,430 --> 00:17:53,039

they're traveling more or less at pace

419

00:17:58,150 --> 00:17:55,440

with the shuttle

420

00:17:58,950 --> 00:17:58,160

oberg writes them off as small pieces of

421

00:18:00,870 --> 00:17:58,960

ice

422

00:18:03,270 --> 00:18:00,880

or insulation that have detached from

423

00:18:04,630 --> 00:18:03,280

the shuttle but are still keeping pace

424

00:18:06,870 --> 00:18:04,640

with it

425

00:18:09,029 --> 00:18:06,880

in their interview oberg also highlights

426

00:18:10,470 --> 00:18:09,039

two other commonly misinterpreted

427

00:18:13,669 --> 00:18:10,480

phenomena

428

00:18:16,870 --> 00:18:13,679

such as super high plumes from rocket

429

00:18:19,590 --> 00:18:16,880

launches and twilight shadowing

430

00:18:21,990 --> 00:18:19,600

both of which are exacerbated by the

431

00:18:23,110 --> 00:18:22,000

fuzzy boundary between night

432

00:18:26,390 --> 00:18:23,120

and day

433

00:18:29,029 --> 00:18:26,400

as the earth spins on its axis

434

00:18:33,590 --> 00:18:29,039

to understand how they work and how they

435

00:18:39,510 --> 00:18:35,350

wow

436

00:18:42,950 --> 00:18:39,520

another dab into some mystery science

437

00:18:45,830 --> 00:18:42,960

an unidentified aircraft over oregon has

438

00:18:48,789 --> 00:18:45,840

the u.s air force scrambling

439

00:18:51,110 --> 00:18:48,799

to identify what it was

440

00:18:54,870 --> 00:18:51,120

what it is

441

00:18:56,710 --> 00:18:54,880

an unidentified fast aircraft

442

00:18:59,590 --> 00:18:56,720

which air traffic controllers were

443

00:19:01,669 --> 00:18:59,600

finding hard to track was seen flying

444

00:19:03,029 --> 00:19:01,679

among the flight lanes of commercial

445

00:19:04,630 --> 00:19:03,039

aircraft

446

00:19:08,549 --> 00:19:04,640

in oregon

447

00:19:14,789 --> 00:19:11,750

on october 25th an unidentified aircraft

448

00:19:16,950 --> 00:19:14,799

was seen flying in broad daylight among

449

00:19:19,669 --> 00:19:16,960

the airliners in one of the united

450

00:19:22,950 --> 00:19:19,679

states heavily trafficked air corridors

451
00:19:25,750 --> 00:19:22,960
in the skies above oregon

452
00:19:28,630 --> 00:19:25,760
it had no submitted flight plan

453
00:19:30,630 --> 00:19:28,640
it had no identification transponder

454
00:19:33,110 --> 00:19:30,640
active

455
00:19:35,590 --> 00:19:33,120
nor was it transmitting collision

456
00:19:37,590 --> 00:19:35,600
avoidance signals

457
00:19:40,230 --> 00:19:37,600
air traffic control stations were

458
00:19:42,950 --> 00:19:40,240
reportedly having difficulty

459
00:19:45,510 --> 00:19:42,960
following it on radar

460
00:19:48,150 --> 00:19:45,520
coming after the events of 911

461
00:19:49,590 --> 00:19:48,160
such an unidentified aircraft is not

462
00:19:52,870 --> 00:19:49,600
just a matter for

463
00:19:55,830 --> 00:19:52,880

ufo cranks and conspiracy theorists

464

00:19:58,470 --> 00:19:55,840

it represents a potentially serious

465

00:20:00,390 --> 00:19:58,480

breach of national security

466

00:20:03,190 --> 00:20:00,400

or does it

467

00:20:05,350 --> 00:20:03,200

the war zone blog of automotive news

468

00:20:08,149 --> 00:20:05,360

service the drive

469

00:20:10,789 --> 00:20:08,159

began digging for an answer after one of

470

00:20:13,590 --> 00:20:10,799

its reporters heard scuttlebutt about

471

00:20:15,029 --> 00:20:13,600

the incident from aviation industry

472

00:20:16,789 --> 00:20:15,039

associates

473

00:20:18,630 --> 00:20:16,799

at first it sounded like a typical

474

00:20:20,950 --> 00:20:18,640

example of an aircraft suffering

475

00:20:24,549 --> 00:20:20,960

communications failure

476
00:20:27,750 --> 00:20:24,559
but then came news via reddit that

477
00:20:30,390 --> 00:20:27,760
u.s air force f-15c

478
00:20:33,510 --> 00:20:30,400
interceptor fighters had been launched

479
00:20:36,950 --> 00:20:33,520
in response to the sightings

480
00:20:39,029 --> 00:20:36,960
two f-15 jet fighters in flight over

481
00:20:42,070 --> 00:20:39,039
crater lake oregon

482
00:20:44,950 --> 00:20:42,080
despite their speed and radar

483
00:20:48,070 --> 00:20:44,960
they were reportedly unable to locate

484
00:20:49,750 --> 00:20:48,080
the mystery aircraft

485
00:20:53,029 --> 00:20:49,760
strange

486
00:20:54,390 --> 00:20:53,039
my theory is they were running drugs to

487
00:20:57,669 --> 00:20:54,400
canada

488
00:21:00,390 --> 00:20:57,679

no news yet not that i could find a user

489

00:21:02,390 --> 00:21:00,400

claiming to have been a pilot in the air

490

00:21:05,430 --> 00:21:02,400

at the time posted

491

00:21:07,830 --> 00:21:05,440

user dupress

492

00:21:10,549 --> 00:21:07,840

he described how airliners had been

493

00:21:13,110 --> 00:21:10,559

asked to help track an unknown

494

00:21:14,630 --> 00:21:13,120

white-colored aircraft visually for up

495

00:21:16,710 --> 00:21:14,640

to 30 minutes

496

00:21:20,470 --> 00:21:16,720

as air traffic controller radar was

497

00:21:22,390 --> 00:21:20,480

having difficulty getting a fix

498

00:21:25,029 --> 00:21:22,400

while it was in sight of various

499

00:21:26,549 --> 00:21:25,039

airliner crews it was apparently never

500

00:21:28,470 --> 00:21:26,559

close enough for its type to be

501
00:21:30,710 --> 00:21:28,480
identified

502
00:21:32,149 --> 00:21:30,720
the last aeroplane

503
00:21:35,190 --> 00:21:32,159
to see it

504
00:21:36,789 --> 00:21:35,200
had to descend into portland and lost

505
00:21:40,149 --> 00:21:36,799
sight of it

506
00:21:42,870 --> 00:21:40,159
the fighters were scrambled out of pdx

507
00:21:46,390 --> 00:21:42,880
but flew around for a while and did not

508
00:21:48,870 --> 00:21:46,400
find it and that's that

509
00:21:52,710 --> 00:21:48,880
warzone contacted north american

510
00:21:54,230 --> 00:21:52,720
aerospace defense command or norad

511
00:21:56,310 --> 00:21:54,240
the 42nd

512
00:21:59,510 --> 00:21:56,320
fighter wing at portland international

513
00:22:04,630 --> 00:21:59,520

airport and the federal aviation

514

00:22:07,190 --> 00:22:04,640

authority faa to confirm the incident

515

00:22:10,789 --> 00:22:07,200

norad quickly confirmed it had been

516

00:22:13,510 --> 00:22:10,799

asked by the faa to help track

517

00:22:14,630 --> 00:22:13,520

and unidentified aircraft flying at

518

00:22:17,750 --> 00:22:14,640

heights

519

00:22:19,029 --> 00:22:17,760

regularly used by commercial aircraft of

520

00:22:21,350 --> 00:22:19,039

35

521

00:22:23,510 --> 00:22:21,360

to 40 000 feet

522

00:22:25,510 --> 00:22:23,520

it said fighters had been scrambled from

523

00:22:29,350 --> 00:22:25,520

portland to investigate

524

00:22:31,270 --> 00:22:29,360

but fail to find anything

525

00:22:33,510 --> 00:22:31,280

that in itself

526
00:22:36,390 --> 00:22:33,520
is odd

527
00:22:39,350 --> 00:22:36,400
airline and commercial aircraft aircrew

528
00:22:42,070 --> 00:22:39,360
were last month asked to help track

529
00:22:43,430 --> 00:22:42,080
an identified aircraft flying over

530
00:22:45,190 --> 00:22:43,440
oregon

531
00:22:46,630 --> 00:22:45,200
while little is known about the timing

532
00:22:48,950 --> 00:22:46,640
of the events

533
00:22:50,870 --> 00:22:48,960
it is possible the fighters were simply

534
00:22:54,470 --> 00:22:50,880
activated too late

535
00:22:57,029 --> 00:22:54,480
the f-15c eagle interceptors have some

536
00:22:59,830 --> 00:22:57,039
of the most advanced combat search and

537
00:23:03,110 --> 00:22:59,840
tracking radars in the world

538
00:23:05,430 --> 00:23:03,120

they're also extremely fast

539

00:23:07,830 --> 00:23:05,440

so while the unidentified aircraft was

540

00:23:10,789 --> 00:23:07,840

reported to have been moving somewhat

541

00:23:12,390 --> 00:23:10,799

faster than the observing airlines and

542

00:23:16,149 --> 00:23:12,400

f15

543

00:23:19,830 --> 00:23:16,159

should have been able to catch up easily

544

00:23:21,190 --> 00:23:19,840

warzone says that faa has refused to add

545

00:23:22,549 --> 00:23:21,200

any detail

546

00:23:25,029 --> 00:23:22,559

to the story

547

00:23:27,029 --> 00:23:25,039

other than to confirm what had already

548

00:23:28,789 --> 00:23:27,039

been established

549

00:23:32,070 --> 00:23:28,799

the 142nd

550

00:23:33,750 --> 00:23:32,080

fighter wing did not respond

551
00:23:35,190 --> 00:23:33,760
so what was it

552
00:23:37,350 --> 00:23:35,200
that remains

553
00:23:39,909 --> 00:23:37,360
speculation

554
00:23:42,950 --> 00:23:39,919
oregon is adjacent to nevada the

555
00:23:46,230 --> 00:23:42,960
well-known home to united states air

556
00:23:47,909 --> 00:23:46,240
force's secret aircraft testing facility

557
00:23:51,110 --> 00:23:47,919
at groom lake

558
00:23:53,669 --> 00:23:51,120
otherwise dubbed area 51

559
00:23:56,870 --> 00:23:53,679
but flying a secret aircraft among

560
00:24:00,230 --> 00:23:56,880
commercial airliner streams in daylight

561
00:24:04,789 --> 00:24:00,240
is both dangerous and insecure

562
00:24:08,470 --> 00:24:04,799
and not known to be a common practice so

563
00:24:11,430 --> 00:24:08,480

was it the russians or the chinese

564

00:24:13,909 --> 00:24:11,440

it may have been a smuggling aircraft

565

00:24:17,029 --> 00:24:13,919

that's cached up owners giving it an

566

00:24:19,430 --> 00:24:17,039

added dimension of speed and stealth but

567

00:24:21,590 --> 00:24:19,440

there is no evidence to suggest such an

568

00:24:23,590 --> 00:24:21,600

aircraft exists

569

00:24:24,789 --> 00:24:23,600

so is it alien

570

00:24:27,990 --> 00:24:24,799

if so

571

00:24:32,149 --> 00:24:28,000

they're surprisingly incompetent at

572

00:24:32,159 --> 00:24:37,190

then finally some paranormal points

573

00:24:41,669 --> 00:24:39,830

here's a personal paranormal story

574

00:24:43,830 --> 00:24:41,679

someone relayed

575

00:24:47,590 --> 00:24:43,840

that they went to sleep

576

00:24:50,230 --> 00:24:47,600

but the kitchen didn't

577

00:24:52,549 --> 00:24:50,240

marissa states one night i was staying

578

00:24:53,669 --> 00:24:52,559

with some friends and we all fell asleep

579

00:24:56,710 --> 00:24:53,679

pretty late

580

00:24:58,710 --> 00:24:56,720

probably around three a.m

581

00:25:00,750 --> 00:24:58,720

that's when i woke up and heard

582

00:25:03,830 --> 00:25:00,760

something that sounded

583

00:25:05,830 --> 00:25:03,840

unmistakably like kitchen cabinets

584

00:25:08,470 --> 00:25:05,840

opening and shutting

585

00:25:10,870 --> 00:25:08,480

it was loud enough that i felt like i

586

00:25:13,269 --> 00:25:10,880

had to see what was going on

587

00:25:16,070 --> 00:25:13,279

i didn't see anyone in the kitchen

588

00:25:16,870 --> 00:25:16,080

so i assumed i was hearing things

589

00:25:19,029 --> 00:25:16,880

well

590

00:25:21,830 --> 00:25:19,039

the next morning when i woke up

591

00:25:23,350 --> 00:25:21,840

one of my friends was really upset and

592

00:25:25,430 --> 00:25:23,360

crying

593

00:25:28,470 --> 00:25:25,440

she said that she woke up in the middle

594

00:25:30,230 --> 00:25:28,480

of the night and heard people talking in

595

00:25:31,909 --> 00:25:30,240

the kitchen

596

00:25:32,870 --> 00:25:31,919

they were saying

597

00:25:35,750 --> 00:25:32,880

we

598

00:25:36,549 --> 00:25:35,760

are not wanted here anymore

599

00:25:38,630 --> 00:25:36,559

we

600

00:25:42,870 --> 00:25:38,640

aren't important

601
00:25:46,470 --> 00:25:42,880
it was really really scary

602
00:25:48,149 --> 00:25:46,480
the next paranormal point

603
00:25:50,789 --> 00:25:48,159
when i was 18

604
00:25:53,750 --> 00:25:50,799
i was really into scary movies

605
00:25:55,750 --> 00:25:53,760
i just had an urge to see or experience

606
00:25:57,830 --> 00:25:55,760
something scary

607
00:26:01,350 --> 00:25:57,840
it was during the summer that i started

608
00:26:03,830 --> 00:26:01,360
researching haunted sites i could visit

609
00:26:07,190 --> 00:26:03,840
then one caught my attention

610
00:26:08,950 --> 00:26:07,200
sweet hollow road in long island

611
00:26:11,029 --> 00:26:08,960
there are a bunch of popular urban

612
00:26:13,990 --> 00:26:11,039
legends linked to the site and all of

613
00:26:15,430 --> 00:26:14,000

them have to do with creepy underpass

614

00:26:17,350 --> 00:26:15,440

bridges

615

00:26:20,149 --> 00:26:17,360

a few of the stories speak about the

616

00:26:22,870 --> 00:26:20,159

violent deaths of children

617

00:26:25,909 --> 00:26:22,880

one day i told my cousin and brother

618

00:26:28,390 --> 00:26:25,919

who were also ghost story fanatics that

619

00:26:30,549 --> 00:26:28,400

we should visit sweet hollows

620

00:26:34,630 --> 00:26:30,559

my cousin had just gotten his license

621

00:26:37,269 --> 00:26:34,640

and my mom insisted on tagging along

622

00:26:38,549 --> 00:26:37,279

when we finally got to the underpass we

623

00:26:39,990 --> 00:26:38,559

found nothing

624

00:26:41,190 --> 00:26:40,000

we didn't see anything out of the

625

00:26:43,909 --> 00:26:41,200

ordinary

626
00:26:45,750 --> 00:26:43,919
the only scary thing we experienced at

627
00:26:49,190 --> 00:26:45,760
the site was that

628
00:26:51,750 --> 00:26:49,200
due to the thin zigzag-like road we

629
00:26:54,230 --> 00:26:51,760
almost crashed into a tree

630
00:26:57,669 --> 00:26:54,240
we thought the trip was a waste

631
00:27:00,230 --> 00:26:57,679
but then something strange happened

632
00:27:03,029 --> 00:27:00,240
the next morning my mom swore that

633
00:27:06,070 --> 00:27:03,039
during the night she felt like someone

634
00:27:07,909 --> 00:27:06,080
or something was watching her from under

635
00:27:09,750 --> 00:27:07,919
her bed

636
00:27:12,950 --> 00:27:09,760
on the other hand the rest of us had

637
00:27:14,310 --> 00:27:12,960
dreamt of a small boy with black hair

638
00:27:17,029 --> 00:27:14,320

he was pale

639

00:27:18,710 --> 00:27:17,039

and none of us could remember his face

640

00:27:22,950 --> 00:27:18,720

until this day

641

00:27:25,430 --> 00:27:22,960

we still believe that whoever we saw

642

00:27:29,110 --> 00:27:25,440

had to be one of the many children

643

00:27:31,190 --> 00:27:29,120

who had died at that bridge

644

00:27:32,470 --> 00:27:31,200

blue

645

00:27:33,830 --> 00:27:32,480
