one two eight three six seven zero zero

28

00:01:46,150 --> 00:01:44,569

this is a podcast this is not live so if

29

00:01:48,490 --> 00:01:46,160

you are listening on Saturday and night

30

00:01:51,699 --> 00:01:48,500

this is a new episode we're just not

31

00:01:54,249 --> 00:01:51,709

live and so although we are a broadcast

32

00:01:57,130 --> 00:01:54,259

and we're regularly programmed that is

33

00:02:00,760 --> 00:01:57,140

regularly programmed you know please

34

00:02:02,859 --> 00:02:00,770

feel free to email us send us messages

35

00:02:04,540 --> 00:02:02,869

through social media and keep us posted

36

00:02:07,270 --> 00:02:04,550

on what you're interested in and any

37

00:02:10,020 --> 00:02:07,280

feedback you have from the show and I

38

00:02:13,750 --> 00:02:10,030

will respond to you as quickly as I can

39

00:02:15,850 --> 00:02:13,760

tonight my guest is talking about a

40

00:02:19,000 --> 00:02:15,860

classic topic within the realm of

41

00:02:22,030 --> 00:02:19,010

paranormal radio particularly within the

42

00:02:24,070 --> 00:02:22,040

realm of extraterrestrials and ufology

43

00:02:26,400 --> 00:02:24,080

although I'd say a lot of ufologist

44

00:02:29,830 --> 00:02:26,410

don't exactly dig on this theory

45

00:02:31,750 --> 00:02:29,840

particularly if you believe that aliens

46

00:02:34,479 --> 00:02:31,760

are a new phenomenon but our guest

47

00:02:39,130 --> 00:02:34,489

tonight authors avian Hays believes that

48

00:02:43,240 --> 00:02:39,140

ancient aliens are real and he wrote the

49

00:02:45,729 --> 00:02:43,250

book ancient aliens in the Bible and he

50

00:02:47,709 --> 00:02:45,739

is also author of the suppressed history

51
00:02:50,050 --> 00:02:47,719
of America the suppressed history of

52
00:02:52,680 --> 00:02:50,060
American banking ancient Giants of the

53
00:02:54,270 --> 00:02:52,690
Americas aliens in ancient Egypt

54
00:02:56,520 --> 00:02:54,280
and a lot of these have subtitles which

55
00:02:59,850 --> 00:02:56,530
I'm not going to read all of them Elvis

56
00:03:01,650 --> 00:02:59,860
is alive and and many more

57
00:03:03,150 --> 00:03:01,660
so Xavier I'm gonna give you a chance to

58
00:03:04,170 --> 00:03:03,160
explain a little bit more about yourself

59
00:03:07,710 --> 00:03:04,180
to the audience and welcome to

60
00:03:08,090 --> 00:03:07,720
paranormal now I thank you for having me

61
00:03:12,090 --> 00:03:08,100
on

62
00:03:14,940 --> 00:03:12,100
absolutely yeah well I'm just a writer

63
00:03:17,880 --> 00:03:14,950

basically and interested in these sort

64

00:03:19,620 --> 00:03:17,890

of spirit sea topics mm-hmm and I've

65

00:03:23,070 --> 00:03:19,630

been writing about these for a long time

66

00:03:26,370 --> 00:03:23,080

and researching I mean I probably since

67

00:03:30,650 --> 00:03:26,380

I was about 12 I think I saw in search

68

00:03:33,200 --> 00:03:30,660

of and it was the Coral Castle episode

69

00:03:36,960 --> 00:03:33,210

are you familiar with Coral Castle

70

00:03:38,970 --> 00:03:36,970

absolutely familiar with Castle yep so

71

00:03:41,850 --> 00:03:38,980

I've been there a few times I think last

72

00:03:44,250 --> 00:03:41,860

time was about a year ago and I was I

73

00:03:46,680 --> 00:03:44,260

was happy to see that they updated their

74

00:03:48,780 --> 00:03:46,690

little visitor center and the whole you

75

00:03:52,290 --> 00:03:48,790

know they got the whole tourist thing

76

00:03:53,970 --> 00:03:52,300

going on so it's an important site it's

77

00:03:55,410 --> 00:03:53,980

better than it was before because I had

78

00:03:58,980 --> 00:03:55,420

not been there before so I don't know

79

00:04:11,670 --> 00:03:58,990

what to compare it to it's 15 bucks more

80

00:04:15,260 --> 00:04:11,680

so that kind of alright so I mean so

81

00:04:17,610 --> 00:04:15,270

it's a tourist attraction it's worth it

82

00:04:19,229 --> 00:04:17,620

if you're in Miami it's definitely worth

83

00:04:19,650 --> 00:04:19,239

the drive out to homestead to check it

84

00:04:21,750 --> 00:04:19,660

out

85

00:04:24,210 --> 00:04:21,760

it's incredible I mean how this guy did

86

00:04:28,110 --> 00:04:24,220

it you know still one of the unsolved

87

00:04:29,640 --> 00:04:28,120

mysteries that fascinating well it's

88

00:04:31,710 --> 00:04:29,650

interesting because it's an unsolved

89

00:04:34,850 --> 00:04:31,720

mystery of modern times it's not some

90

00:04:37,530 --> 00:04:34,860

ancient industry of yeah

91

00:04:39,630 --> 00:04:37,540

so why do you think that is why do you

92

00:04:41,570 --> 00:04:39,640

think he didn't um yeah I'm sorry why

93

00:04:45,120 --> 00:04:41,580

did he why do you think he did not

94

00:04:47,730 --> 00:04:45,130

reveal his secret or technique or

95

00:04:50,080 --> 00:04:47,740

whatever

96

00:04:56,020 --> 00:04:50,090

well they tried to know he's gonna die

97

00:04:57,820 --> 00:04:56,030

then everything would be stolen right he

98

00:04:59,260 --> 00:04:57,830

kind of he kind of did reveal he you

99

00:05:01,390 --> 00:04:59,270

know he mentioned that he knew the how

100

00:05:04,960 --> 00:05:01,400

the pyramids were built and he kind of

101
00:05:06,129 --> 00:05:04,970
left little clues with the base like it

102
00:05:09,420 --> 00:05:06,139
would have something to do with magnets

103
00:05:14,350 --> 00:05:09,430
right and uh some sort of magnets and

104
00:05:17,080 --> 00:05:14,360
understanding of physics with the

105
00:05:18,610 --> 00:05:17,090
gravity you know the but because there's

106
00:05:21,340 --> 00:05:18,620
a black there's a picture with the black

107
00:05:24,719 --> 00:05:21,350
box and that's the key and it try to

108
00:05:28,770 --> 00:05:24,729
figure out is that some sort of magnet

109
00:05:31,600 --> 00:05:28,780
related you know device what is that

110
00:05:37,620 --> 00:05:31,610
because it's really unbelievable how he

111
00:05:40,560 --> 00:05:37,630
pulled it off and nobody knows so but if

112
00:05:45,089 --> 00:05:40,570
good no no no dad finish your thought

113
00:05:47,200 --> 00:05:45,099

what is I think that if he had known to

114

00:05:50,439 --> 00:05:47,210

because there's a lot of Masonic things

115

00:05:52,480 --> 00:05:50,449

incorporated and there's a lot of you

116

00:05:55,570 --> 00:05:52,490

know the whole idea of Agnes Mina's lost

117

00:05:57,820 --> 00:05:55,580

loves it's definitely not related to any

118

00:06:00,279 --> 00:05:57,830

girl you know these are like Masonic

119

00:06:02,409 --> 00:06:00,289

code words so I think he was kind of

120

00:06:06,360 --> 00:06:02,419

conveying this sort of esoteric hidden

121

00:06:08,589 --> 00:06:06,370

knowledge that he came across and

122

00:06:11,409 --> 00:06:08,599

somehow was able to figure out how to

123

00:06:13,960 --> 00:06:11,419

how to make these sort of rocks levitate

124

00:06:15,939 --> 00:06:13,970

make this make it light enough to move

125

00:06:17,620 --> 00:06:15,949

them around no I I guess I have to

126

00:06:18,159 --> 00:06:17,630

wonder if he didn't share with the

127

00:06:21,990 --> 00:06:18,169

public

128

00:06:25,060 --> 00:06:22,000

his technique for the Coral Castle

129

00:06:26,589 --> 00:06:25,070

perhaps he did share with somebody at

130

00:06:28,210 --> 00:06:26,599

some point and there's somebody else out

131

00:06:32,399 --> 00:06:28,220

there that knows it because it just

132

00:06:36,040 --> 00:06:32,409

seems odd to have access to such amazing

133

00:06:39,170 --> 00:06:36,050

technology energy whatever it is and not

134

00:06:43,659 --> 00:06:39,180

share that yeah it's it's kind of

135

00:06:49,240 --> 00:06:46,450

yeah and then when you die everyone goes

136

00:06:51,279 --> 00:06:49,250

ransack whatever is there and maybe

137

00:06:53,619 --> 00:06:51,289

it'll pop up at a later date you know

138

00:06:55,659 --> 00:06:53,629

it's been so long and no one who was

139

00:06:58,089 --> 00:06:55,669

around during that time ever didn't know

140

00:07:00,399 --> 00:06:58,099

I mean he did everything in the you know

141

00:07:01,990 --> 00:07:00,409

in the veil of night so wasn't even I

142

00:07:05,409 --> 00:07:02,000

gotta have a random question for you

143

00:07:07,270 --> 00:07:05,419

from Instagram it's totally unrelated

144

00:07:10,409 --> 00:07:07,280

but I have to ask you anyway glorp the

145

00:07:18,059 --> 00:07:10,419

alien asked what your favorite food is

146

00:07:24,369 --> 00:07:22,300

Natasha because I love Vietnamese meat

147

00:07:27,399 --> 00:07:24,379

many as fast as well yeah that's very

148

00:07:31,269 --> 00:07:27,409

good but I I would have to say that

149

00:07:34,300 --> 00:07:31,279

Jamaican food you know curry goat jerk

150

00:07:37,089 --> 00:07:34,310

chicken you know rice no yeah that's

151

00:07:38,529 --> 00:07:37,099

froggy the best in the world I couldn't

152

00:07:39,129 --> 00:07:38,539

I could do Jamaican food but yeah I'm a

153

00:07:44,140 --> 00:07:39,139

vegetarian

154

00:07:46,089 --> 00:07:44,150

so it limits me my my menu but I mean

155

00:07:48,070 --> 00:07:46,099

the rosters are all vegetarian so

156

00:07:49,629 --> 00:07:48,080

there's true true but it's not often you

157

00:07:53,490 --> 00:07:49,639

find a restaurant that's like just a

158

00:07:56,170 --> 00:07:53,500

Rastafarian you know style cuisine

159

00:07:58,629 --> 00:07:56,180

anyway alright so let's let's let's get

160

00:07:59,920 --> 00:07:58,639

back to the the main topic if we can

161

00:08:03,610 --> 00:07:59,930

because I only have so much time with

162

00:08:05,499 --> 00:08:03,620

you and it's a it's a broad area of

163

00:08:07,990 --> 00:08:05,509

research and I know you focused

164

00:08:10,829 --> 00:08:08,000

specifically on ancient aliens in the

165

00:08:12,850 --> 00:08:10,839

Bible but it obviously goes beyond that

166

00:08:15,249 --> 00:08:12,860

including research into ancient

167

00:08:16,659 --> 00:08:15,259

Mesopotamia so a lot of people are

168

00:08:20,740 --> 00:08:16,669

familiar with the connections between

169

00:08:23,290 --> 00:08:20,750

these you know the the Babylonian

170

00:08:24,999 --> 00:08:23,300

cylinders Mesopotamian cylinders and the

171

00:08:27,700 --> 00:08:25,009

Bible but some people are and some

172

00:08:31,740 --> 00:08:27,710

people may just be getting used to this

173

00:08:35,800 --> 00:08:31,750

so can you just give us an overall

174

00:08:39,089 --> 00:08:35,810

explanation as to how the two are

175

00:08:45,210 --> 00:08:42,509

in the Sumerian context in the Sumerian

176

00:08:46,769 --> 00:08:45,220

context correct yeah well the Sumerian

177

00:08:51,299 --> 00:08:46,779

context basically comes from Zechariah

178

00:08:55,829 --> 00:08:51,309

citizen 12 planet and a bunch of ancient

179

00:08:58,590 --> 00:08:55,839

alien themed sci-fi type books right and

180

00:09:01,829 --> 00:08:58,600

most of our history does come either

181

00:09:03,449 --> 00:09:01,839

Babylonian or HD gyped right or even if

182

00:09:05,309 --> 00:09:03,459

you're looking to the the Hindus in

183

00:09:06,179 --> 00:09:05,319

ancient India got all kind of tell the

184

00:09:09,989 --> 00:09:06,189

same story

185

00:09:11,579 --> 00:09:09,999

right but the you know in Sumeria you

186

00:09:13,889 --> 00:09:11,589

find the kind of the same characters you

187

00:09:16,650 --> 00:09:13,899

know you'll find Enoch you'll find a

188

00:09:19,889 --> 00:09:16,660

Noah figure you know you have a

189

00:09:22,139 --> 00:09:19,899

Gilgamesh right who was you know one of

190

00:09:24,929 --> 00:09:22,149

the ancient giant kings and suppose that

191

00:09:27,540 --> 00:09:24,939

they found Gilgamesh his body before the

192

00:09:29,970 --> 00:09:27,550

Iraq war started it was a big deal no

193

00:09:32,699 --> 00:09:29,980

because he was a giant so maybe he was

194

00:09:36,259 --> 00:09:32,709

13 or 14 feet so do you believe that

195

00:09:38,809 --> 00:09:36,269

they did find him his body really that's

196

00:09:41,069 --> 00:09:38,819

yeah I spoke to the actual the

197

00:09:43,829 --> 00:09:41,079

archaeologists a German archaeologists

198

00:09:46,259 --> 00:09:43,839

who was responsible he told me 100

199

00:09:49,590 --> 00:09:46,269

percent found it and meet almost

200

00:09:53,850 --> 00:09:49,600

immediately the war happened and they

201
00:09:56,309 --> 00:09:53,860
were basically access was denied and

202
00:10:00,720 --> 00:09:56,319
blocked and they've never been able to

203
00:10:03,600 --> 00:10:00,730
go back literally so and that story is

204
00:10:06,030 --> 00:10:03,610
down the memory hole you know but yeah

205
00:10:10,949 --> 00:10:06,040
so you had you have a lot of these these

206
00:10:13,139 --> 00:10:10,959
tales in the Sumerian in the tablets and

207
00:10:16,049 --> 00:10:13,149
even in the art you seem you know every

208
00:10:18,329 --> 00:10:16,059
every all that kind of free is a Connor

209
00:10:20,629 --> 00:10:18,339
free is like something flying around you

210
00:10:24,210 --> 00:10:20,639
know there's always some sort of

211
00:10:26,489 --> 00:10:24,220
spaceship or imagery of something flying

212
00:10:29,939 --> 00:10:26,499
you know wait what did you call it

213
00:10:35,519 --> 00:10:29,949

I can Aughra fear oh I can aggravate

214

00:10:37,530 --> 00:10:35,529

okay I got the mumble mouth so you know

215

00:10:40,999 --> 00:10:37,540

the truth is in the art right so if you

216

00:10:44,420 --> 00:10:41,009

look at why do all ancient cultures

217

00:10:47,060 --> 00:10:44,430

portray things flying around

218

00:10:50,480 --> 00:10:47,070

no even in the Renaissance art there's a

219

00:10:54,079 --> 00:10:50,490

lot of spaceships or a lot of UFOs or

220

00:10:56,690 --> 00:10:54,089

flying saucers things that don't even

221

00:11:00,400 --> 00:10:56,700

make sense you know so it can't be just

222

00:11:02,720 --> 00:11:00,410

a modern preconceived idea since the

223

00:11:06,050 --> 00:11:02,730

from the nuclear age you know there has

224

00:11:07,840 --> 00:11:06,060

to be other ways to explain it if we're

225

00:11:10,940 --> 00:11:07,850

seeing this over and over again

226

00:11:16,070 --> 00:11:10,950

literally since the beginning of what we

227

00:11:18,410 --> 00:11:16,080

know as civilization so there are two

228

00:11:20,870 --> 00:11:18,420

stories that we are familiar with in

229

00:11:23,269 --> 00:11:20,880

both of these um works of literature

230

00:11:24,980 --> 00:11:23,279

well I don't know if it if the cylinders

231

00:11:29,690 --> 00:11:24,990

are considered works of literature but

232

00:11:33,710 --> 00:11:29,700

um the Bible has a story of Noah as does

233

00:11:35,480 --> 00:11:33,720

the Sumerian tale and the name is

234

00:11:48,500 --> 00:11:35,490

slipping me do you know the character in

235

00:11:49,880 --> 00:11:48,510

the the main definitely a longing so but

236

00:11:51,170 --> 00:11:49,890

there this is one of the first things

237

00:11:55,340 --> 00:11:51,180

and a lot of people have heard about

238

00:11:58,040 --> 00:11:55,350

this this is one of the first things

239

00:12:01,100 --> 00:11:58,050

that stand out to the reader of the

240

00:12:02,630 --> 00:12:01,110

Sumerian stories because it it's

241

00:12:06,860 --> 00:12:02,640

familiar because it sounds almost

242

00:12:09,560 --> 00:12:06,870

identical to the Noah story so do you

243

00:12:12,230 --> 00:12:09,570

believe that that in fact the Bible was

244

00:12:15,560 --> 00:12:12,240

modeled off of this story the Noah tale

245

00:12:19,670 --> 00:12:15,570

in the Bible definitely because you know

246

00:12:22,820 --> 00:12:19,680

these are these are ancient tales and

247

00:12:24,199 --> 00:12:22,830

usually what happens is the myths you I

248

00:12:26,300 --> 00:12:24,209

believe that all myths are based on

249

00:12:28,730 --> 00:12:26,310

reality right and eventually these myths

250

00:12:30,110 --> 00:12:28,740

are going to be retold and you know

251
00:12:32,060 --> 00:12:30,120
depending on whether they're coming out

252
00:12:36,699 --> 00:12:32,070
of if they're coming out of the ancient

253
00:12:39,530 --> 00:12:36,709
Egypt into the Hebrew into those type of

254
00:12:43,760 --> 00:12:39,540
so there's a replacing of characters

255
00:12:47,720 --> 00:12:43,770
with Hebrew characters and basically you

256
00:12:49,880 --> 00:12:47,730
know kind of re-editing of older tales I

257
00:12:51,710 --> 00:12:49,890
mean if these tales are ten thousand

258
00:12:54,220 --> 00:12:51,720
twelve thousand years old or eight

259
00:12:56,020 --> 00:12:54,230
thousand and yes six thousand

260
00:12:58,570 --> 00:12:56,030
you know a lot of things you lost the

261
00:13:01,240 --> 00:12:58,580
translation and then the myths and oral

262
00:13:02,950 --> 00:13:01,250
traditions they will remain but

263
00:13:05,050 --> 00:13:02,960

everything's gonna change

264

00:13:07,630 --> 00:13:05,060

it's like you have the Jesus and the

265

00:13:12,190 --> 00:13:07,640

Mithra and Osiris you know all these

266

00:13:13,780 --> 00:13:12,200

Astra theological occurrences that are

267

00:13:15,160 --> 00:13:13,790

basically telling the same story you

268

00:13:18,010 --> 00:13:15,170

know but you can kind of look at it as

269

00:13:20,980 --> 00:13:18,020

Astro theology as well 12 disciples you

270

00:13:23,020 --> 00:13:20,990

know the 12 12 signs of zodiac

271

00:13:25,900 --> 00:13:23,030

stuff like this you have the whole

272

00:13:29,950 --> 00:13:25,910

number of precession which comes up in

273

00:13:32,650 --> 00:13:29,960

the 72 you know 72 followers of Horus

274

00:13:34,240 --> 00:13:32,660

you know all the instances with that you

275

00:13:36,070 --> 00:13:34,250

can look up it's ridiculous these are

276

00:13:37,750 --> 00:13:36,080

just kind of you know talking about

277

00:13:40,830 --> 00:13:37,760

precession something that they shouldn't

278

00:13:46,240 --> 00:13:40,840

have known but somehow they knew about

279

00:13:48,580 --> 00:13:46,250

so I think if you get into the ancient

280

00:13:51,370 --> 00:13:48,590

Egyptian and even the ancient Sumerian

281

00:13:55,690 --> 00:13:51,380

stuff you're gonna be surprised at how

282

00:13:59,560 --> 00:13:55,700

much of it is similar not all of it of

283

00:14:01,810 --> 00:13:59,570

course but the basic group stories and

284

00:14:02,980 --> 00:14:01,820

the important stories you are kind of

285

00:14:05,830 --> 00:14:02,990

there so I think it kind of validates

286

00:14:08,740 --> 00:14:05,840

the Bible makes you know you know

287

00:14:10,860 --> 00:14:08,750

they're bringing other older things to

288

00:14:13,390 --> 00:14:10,870

light and it's still relevant people

289

00:14:15,160 --> 00:14:13,400

people misinterpreted or whatever but

290

00:14:18,820 --> 00:14:15,170

it's pretty interesting that you know

291

00:14:21,700 --> 00:14:18,830

there's so many people that could read

292

00:14:22,870 --> 00:14:21,710

the book of Genesis and not even truly

293

00:14:28,510 --> 00:14:22,880

understand what they're trying to say

294

00:14:33,100 --> 00:14:28,520

right now so I think that it's kind of a

295

00:14:35,940 --> 00:14:33,110

controversial approach that you take not

296

00:14:38,530 --> 00:14:35,950

for me but for a lot of other people

297

00:14:40,800 --> 00:14:38,540

because you I think you're quite

298

00:14:46,800 --> 00:14:40,810

resolved and you make a very strong

299

00:14:53,460 --> 00:14:46,810

intentional point that you feel like

300

00:14:57,820 --> 00:14:53,470

people's understanding of the Bible is

301
00:15:00,070 --> 00:14:57,830
sorely not intellectual they're missing

302
00:15:02,950 --> 00:15:00,080
the point of what's actually going on

303
00:15:06,730 --> 00:15:02,960
here and that people are sort of easily

304
00:15:07,780 --> 00:15:06,740
brainwashed into believing and that's

305
00:15:09,970 --> 00:15:07,790
based on you know you

306
00:15:12,010 --> 00:15:09,980
preachers that that raise people and and

307
00:15:14,020 --> 00:15:12,020
they're so adamant they repeat the same

308
00:15:16,170 --> 00:15:14,030
thing over and over and over again um I

309
00:15:18,160 --> 00:15:16,180
can I can understand the parallel there

310
00:15:21,660 --> 00:15:18,170
but I'll say this

311
00:15:25,570 --> 00:15:21,670
you also take an approach that is very

312
00:15:27,010 --> 00:15:25,580
strong-willed you know so you do

313
00:15:30,130 --> 00:15:27,020

challenge that they make an assertion

314

00:15:32,320 --> 00:15:30,140

with with certainty but you yourself

315

00:15:35,050 --> 00:15:32,330

it's in the book it feels like you're

316

00:15:40,990 --> 00:15:35,060

making an assertion with of certainty as

317

00:15:45,190 --> 00:15:41,000

well yeah cuz I'm trying to assert

318

00:15:48,220 --> 00:15:45,200

what's actually being said you know

319

00:15:51,820 --> 00:15:48,230

according to morrow Bellino was the top

320

00:15:54,580 --> 00:15:51,830

Vatican translator for over 20 years did

321

00:15:58,090 --> 00:15:54,590

a bunch of books and he got to the point

322

00:16:00,340 --> 00:15:58,100

where he was tired of having to change

323

00:16:04,180 --> 00:16:00,350

it to make it ethereal make it more of a

324

00:16:06,460 --> 00:16:04,190

vision or dreams or spiritual aspect

325

00:16:07,840 --> 00:16:06,470

instead of concrete physical happenings

326

00:16:11,260 --> 00:16:07,850

which were they were describing

327

00:16:14,590 --> 00:16:11,270

according to the translations so for me

328

00:16:17,620 --> 00:16:14,600

my problem is the whole the whole

329

00:16:22,650 --> 00:16:17,630

undermining aspect of religion is cold

330

00:16:24,850 --> 00:16:22,660

right there just cults and yeah yeah

331

00:16:27,730 --> 00:16:24,860

well I mean what it is is money so I

332

00:16:30,070 --> 00:16:27,740

mean it's they control you brainwash you

333

00:16:31,690 --> 00:16:30,080

with fear and you know it's all about

334

00:16:35,020 --> 00:16:31,700

money that's why you're gonna hear a lot

335

00:16:37,660 --> 00:16:35,030

of these preachers teaching you and

336

00:16:39,520 --> 00:16:37,670

focusing on other things not the

337

00:16:40,900 --> 00:16:39,530

concrete historical things of the Bible

338

00:16:43,990 --> 00:16:40,910

you know it's gonna be the things that

339

00:16:46,570 --> 00:16:44,000

are meant to enchant you and to scare

340

00:16:49,180 --> 00:16:46,580

you and you know all these fancy words

341

00:16:52,000 --> 00:16:49,190

and you know these sort of proverbs and

342

00:16:53,950 --> 00:16:52,010

provisions that don't give you the

343

00:16:55,270 --> 00:16:53,960

historical aspect I want to like when I

344

00:16:58,060 --> 00:16:55,280

go to church I want to learn something

345

00:17:00,690 --> 00:16:58,070

you know no I don't want to hear just be

346

00:17:04,120 --> 00:17:00,700

have a sermon that's just rhetoric and

347

00:17:06,160 --> 00:17:04,130

you know inspired to make me think you

348

00:17:08,440 --> 00:17:06,170

know to keep my faith and to give you

349

00:17:09,700 --> 00:17:08,450

some money I want to learn I want to

350

00:17:12,160 --> 00:17:09,710

hear about the Giants I want to hear

351

00:17:14,290 --> 00:17:12,170

about some history what parts of the the

352

00:17:14,880 --> 00:17:14,300

of the Bible are actually historic you

353

00:17:21,990 --> 00:17:14,890

know

354

00:17:24,510 --> 00:17:22,000

so I it works kind of both ways yes but

355

00:17:26,579 --> 00:17:24,520

I think that um it does require some

356

00:17:29,340 --> 00:17:26,589

level of interpretation on both sides

357

00:17:30,750 --> 00:17:29,350

right you know so if we look at the

358

00:17:32,700 --> 00:17:30,760

Bible and we look at the evidence and we

359

00:17:35,280 --> 00:17:32,710

say hey you know this is quite

360

00:17:39,210 --> 00:17:35,290

convincing we think that this is an

361

00:17:41,220 --> 00:17:39,220

ancient alien story but you you can't

362

00:17:43,049 --> 00:17:41,230

just look at everything literally right

363

00:17:47,460 --> 00:17:43,059

you have to have some interpretation on

364

00:17:49,950 --> 00:17:47,470

that side as well well yeah you have to

365

00:17:50,549 --> 00:17:49,960

be able to disseminate what you're

366

00:17:53,570 --> 00:17:50,559

talking about

367

00:17:58,230 --> 00:17:53,580

mm-hmm it's not everything is gonna be

368

00:18:00,240 --> 00:17:58,240

clear-cut case right you know so but is

369

00:18:03,419 --> 00:18:00,250

but the thing is to have an open mind

370

00:18:06,090 --> 00:18:03,429

you know if they're fair our modern UFO

371

00:18:09,810 --> 00:18:06,100

things going on mm-hmm I wouldn't there

372

00:18:12,180 --> 00:18:09,820

be ancient yeah they're modern you know

373

00:18:15,600 --> 00:18:12,190

and if like and then you have to think

374

00:18:18,330 --> 00:18:15,610

about well how much of the of these UFO

375

00:18:22,590 --> 00:18:18,340

encounters today are actual UFOs as in

376

00:18:25,919 --> 00:18:22,600

aliens or top-secret government projects

377

00:18:27,860 --> 00:18:25,929

no how much of the is 80% of all UFO

378

00:18:30,840 --> 00:18:27,870

encounters flown by the military in

379

00:18:34,560 --> 00:18:30,850

secret projects I mean that's far more

380

00:18:37,560 --> 00:18:34,570

entertaining in in logical you know to

381

00:18:40,110 --> 00:18:37,570

think into to ponder on so I think you

382

00:18:44,490 --> 00:18:40,120

know but the problem is religion has

383

00:18:47,340 --> 00:18:44,500

such a grip on on the world right

384

00:18:49,440 --> 00:18:47,350

there's billions and billions of people

385

00:18:53,669 --> 00:18:49,450

and they're all kind of under some sort

386

00:18:58,409 --> 00:18:53,679

of form of religion and what would

387

00:19:00,600 --> 00:18:58,419

happen if this technology that's secret

388

00:19:05,940 --> 00:19:00,610

technology and what's going to happen

389

00:19:08,220 --> 00:19:05,950

with all of these structures that were

390

00:19:11,039 --> 00:19:08,230

all a prison or two with oil with

391

00:19:12,030 --> 00:19:11,049

everything else you know so what what's

392

00:19:13,500 --> 00:19:12,040

gonna happen with the religious

393

00:19:18,030 --> 00:19:13,510

structure with the financial structure

394

00:19:21,690 --> 00:19:18,040

with you know environment technologies

395

00:19:25,100 --> 00:19:21,700

if this is released if this so-called

396

00:19:27,930 --> 00:19:25,110

alien thing is actually real

397

00:19:29,940 --> 00:19:27,940

so this is from the introduction of your

398

00:19:32,549 --> 00:19:29,950

book you're right it's a history full of

399

00:19:35,100 --> 00:19:32,559

incredible truths ancient aliens Giants

400

00:19:37,650 --> 00:19:35,110

advanced technologies and lost cultures

401
00:19:39,419 --> 00:19:37,660
it is also a history that all human

402
00:19:41,970 --> 00:19:39,429
beings share and deserve to know about

403
00:19:44,130 --> 00:19:41,980
of course once this history is exposed

404
00:19:47,850 --> 00:19:44,140
the three big religions will pretty much

405
00:19:49,200 --> 00:19:47,860
are null and void and bankrupt both

406
00:19:52,049 --> 00:19:49,210
financially and spiritually

407
00:19:54,360 --> 00:19:52,059
you see these religious power structures

408
00:19:56,700 --> 00:19:54,370
known as Christianity Judaism and Islam

409
00:19:59,490 --> 00:19:56,710
are all dependent on you being afraid of

410
00:20:01,200 --> 00:19:59,500
God you must fear going to hell and be

411
00:20:03,290 --> 00:20:01,210
subservient of the teachings and beliefs

412
00:20:06,049 --> 00:20:03,300
of a religion was so-called

413
00:20:13,200 --> 00:20:06,059

prophets that you must love and worship

414

00:20:16,020 --> 00:20:13,210

and quote as an ex-catholic I can relate

415

00:20:19,680 --> 00:20:16,030

to much of what is said in there though

416

00:20:24,990 --> 00:20:19,690

I will say that when I was an active

417

00:20:28,230 --> 00:20:25,000

Christian the whole purpose of my being

418

00:20:30,000 --> 00:20:28,240

a Christian was to enact love and

419

00:20:34,200 --> 00:20:30,010

compassion and at least that's the

420

00:20:36,540 --> 00:20:34,210

church that I was raised in granted yes

421

00:20:37,580 --> 00:20:36,550

sir there was the fear factor but you

422

00:20:40,110 --> 00:20:37,590

know it was very much

423

00:20:42,390 --> 00:20:40,120

you know culturally indoctrinated into

424

00:20:44,790 --> 00:20:42,400

me that that's not that's not why you're

425

00:20:47,040 --> 00:20:44,800

a Christian you know it's it's it's the

426
00:20:51,180 --> 00:20:47,050
positive message but then you're forced

427
00:20:52,830 --> 00:20:51,190
to ignore a vengeful God you know a

428
00:20:55,560 --> 00:20:52,840
spiteful God I mean there's those are

429
00:20:57,630 --> 00:20:55,570
facts right I mean that that is what

430
00:21:01,230 --> 00:20:57,640
what are you're faced with in in the Old

431
00:21:02,700 --> 00:21:01,240
Testament in particular but in the

432
00:21:06,540 --> 00:21:02,710
beginning that you talk about aliens

433
00:21:09,090 --> 00:21:06,550
giants advanced technologies so when

434
00:21:12,470 --> 00:21:09,100
what was the first clue that stood out

435
00:21:15,810 --> 00:21:12,480
for you that something is not quite as

436
00:21:17,100 --> 00:21:15,820
you were told what was the thing that

437
00:21:19,250 --> 00:21:17,110
stood out and you thought we admit there

438
00:21:23,030 --> 00:21:19,260

might be another story going on here

439

00:21:25,710 --> 00:21:23,040

other than I've been I've been taught

440

00:21:27,870 --> 00:21:25,720

well I think you're right in saying that

441

00:21:29,400 --> 00:21:27,880

you know the whole point of being a

442

00:21:31,049 --> 00:21:29,410

Christian or need these

443

00:21:33,240 --> 00:21:31,059

Sorby legends is to make you a better

444

00:21:35,130 --> 00:21:33,250

person and to teach you love and to

445

00:21:37,200 --> 00:21:35,140

teach you know that's why the story of

446

00:21:39,299 --> 00:21:37,210

Jesus timeless because it's a beautiful

447

00:21:43,080 --> 00:21:39,309

story and it's these are good things you

448

00:21:47,159 --> 00:21:43,090

know the parables but has for me the you

449

00:21:49,350 --> 00:21:47,169

know the I can't really say one thing or

450

00:21:51,000 --> 00:21:49,360

another I just kind of when you when

451
00:21:54,360 --> 00:21:51,010
you're reading Chariots of the Gods as a

452
00:21:56,130 --> 00:21:54,370
teenager and you know I didn't have a

453
00:21:58,260 --> 00:21:56,140
religious upbringing basically like my

454
00:22:00,659 --> 00:21:58,270
grandmother she took me to church when I

455
00:22:02,850 --> 00:22:00,669
was a kid and there was you know the

456
00:22:04,409 --> 00:22:02,860
Illustrated Bible stories and all this

457
00:22:06,750 --> 00:22:04,419
and that those are great those were cool

458
00:22:09,150 --> 00:22:06,760
you know I still have my picture Bible

459
00:22:10,650 --> 00:22:09,160
yeah I love all that you know I

460
00:22:12,930 --> 00:22:10,660
appreciated that you know it's pretty

461
00:22:16,980 --> 00:22:12,940
cool but you know when I got a little

462
00:22:19,169 --> 00:22:16,990
older I was never forced you know to be

463
00:22:22,020 --> 00:22:19,179

a Christian or to be you know whatever

464

00:22:24,780 --> 00:22:22,030

it was there was no I would go visit my

465

00:22:26,700 --> 00:22:24,790

Mormon friends you know yeah see how

466

00:22:29,940 --> 00:22:26,710

that went down you know I had friends

467

00:22:34,230 --> 00:22:29,950

from you know all various backgrounds

468

00:22:36,150 --> 00:22:34,240

but I was kind of just luckily you know

469

00:22:37,890 --> 00:22:36,160

I was kind of free to kind of just read

470

00:22:40,230 --> 00:22:37,900

what I want and kind of make my own way

471

00:22:44,100 --> 00:22:40,240

and so I just kind of studied you know

472

00:22:47,280 --> 00:22:44,110

all religions basically kind of picked

473

00:22:50,130 --> 00:22:47,290

apart everything but I had UFO

474

00:22:52,230 --> 00:22:50,140

encounters as a teenager so I always

475

00:22:55,169 --> 00:22:52,240

kind of in and paranormal encounters

476

00:22:57,150 --> 00:22:55,179

right so I kind of you know and I'm a

477

00:23:00,030 --> 00:22:57,160

little psychic myself and I kind of

478

00:23:02,640 --> 00:23:00,040

understand how society like you're

479

00:23:05,730 --> 00:23:02,650

gifted these as a child in society kind

480

00:23:08,610 --> 00:23:05,740

of eats it out of you and very few kind

481

00:23:10,500 --> 00:23:08,620

of retain it right so I've always kind

482

00:23:13,650 --> 00:23:10,510

of known there's those other things

483

00:23:16,500 --> 00:23:13,660

going on and and you know ancient aliens

484

00:23:18,360 --> 00:23:16,510

and change the gods or modern aliens

485

00:23:22,540 --> 00:23:18,370

like I just kind of been into all this I

486

00:23:25,480 --> 00:23:22,550

was never afraid basically into

487

00:23:28,090 --> 00:23:25,490

to question or to even think about any

488

00:23:30,820 --> 00:23:28,100

of these things and I think once you

489

00:23:32,980 --> 00:23:30,830

remove that fear you know once you kind

490

00:23:35,370 --> 00:23:32,990

of like me and God are cool like I kind

491

00:23:37,110 --> 00:23:35,380

of grew up in a Rastafarian you know

492

00:23:40,210 --> 00:23:37,120

mm-hmm

493

00:23:44,770 --> 00:23:40,220

basically that was kind of the what but

494

00:23:47,620 --> 00:23:44,780

basically saved me and guided me right

495

00:23:50,260 --> 00:23:47,630

list of Rastafarian principles and you

496

00:23:53,110 --> 00:23:50,270

know all the reggae stuff right so well

497

00:23:55,560 --> 00:23:53,120

you know what though that always we

498

00:23:59,140 --> 00:23:55,570

found that curious then the south what

499

00:24:01,240 --> 00:23:59,150

Solihull Ostrom I forget the UM

500

00:24:04,360 --> 00:24:01,250

Haile Selassie are they still here yes

501
00:24:06,160 --> 00:24:04,370
yes the fact that that he was supposed

502
00:24:10,470 --> 00:24:06,170
to be the sort of Savior and Messiah I

503
00:24:15,340 --> 00:24:10,480
see zero evidence for that and and I

504
00:24:17,650 --> 00:24:15,350
frien's like reconciled it was a big

505
00:24:20,080 --> 00:24:17,660
deal for me to come across that and to

506
00:24:21,400 --> 00:24:20,090
kind of like wait a minute but then it

507
00:24:23,020 --> 00:24:21,410
was cool cuz I was like yeah that guy I

508
00:24:25,570 --> 00:24:23,030
mean obviously that guy has no prophet

509
00:24:29,350 --> 00:24:25,580
that guy's a dictator no I mean like so

510
00:24:33,880 --> 00:24:29,360
that doesn't it doesn't negate right it

511
00:24:35,470 --> 00:24:33,890
doesn't exactly but the Rosses like the

512
00:24:37,960 --> 00:24:35,480
hardcore ones they need to know that

513
00:24:40,480 --> 00:24:37,970

they need to they need to like learn

514

00:24:42,760 --> 00:24:40,490

that and then kind of be you know not so

515

00:24:45,130 --> 00:24:42,770

much riding just dictators you know coat

516

00:24:46,570 --> 00:24:45,140

those guys freaking murderer as two

517

00:24:50,050 --> 00:24:46,580

people in Eritrea you know about

518

00:24:53,380 --> 00:24:50,060

Selassie I you know you you're not gonna

519

00:24:54,670 --> 00:24:53,390

get a very rough to answer right so my

520

00:24:57,790 --> 00:24:54,680

guess that could be that's the danger of

521

00:25:00,220 --> 00:24:57,800

religion is that for all its all it's

522

00:25:02,320 --> 00:25:00,230

good you can turn a blind eye to

523

00:25:04,060 --> 00:25:02,330

something that's it's clear like like

524

00:25:05,350 --> 00:25:04,070

Catholics you know not all Catholics but

525

00:25:09,640 --> 00:25:05,360

Catholics for a long time didn't want to

526

00:25:11,980 --> 00:25:09,650

hear about child molestation you know

527

00:25:14,200 --> 00:25:11,990

they didn't want to hear that but

528

00:25:17,110 --> 00:25:14,210

finally it just gotten so blatant that

529

00:25:19,290 --> 00:25:17,120

they had to do you want to deal with

530

00:25:26,700 --> 00:25:19,300

that yeah and it's still an issue

531

00:25:33,780 --> 00:25:30,220

there's a bro they're the greatest

532

00:25:36,070 --> 00:25:33,790

they's on social commentary for sure

533

00:25:37,600 --> 00:25:36,080

yah-yah-yah do they crush it every time

534

00:25:38,380 --> 00:25:37,610

they're amazing and they're funny

535

00:25:40,270 --> 00:25:38,390

ourselves

536

00:25:44,169 --> 00:25:40,280

and that's the hardest art form two

537

00:25:45,340 --> 00:25:44,179

masters comedy so props to them well

538

00:25:48,310 --> 00:25:45,350

yeah especially if you're doing comedy

539

00:25:51,150 --> 00:25:48,320

that that edgy and that challenge to

540

00:25:56,860 --> 00:25:51,160

institutions yeah that takes a lot of

541

00:25:59,590 --> 00:25:56,870

careful thought mm-hmm all right so so

542

00:26:01,390 --> 00:25:59,600

then where do you stand now as you're

543

00:26:02,169 --> 00:26:01,400

reading through the Bible and you've

544

00:26:04,270 --> 00:26:02,179

read through the Bible and you've

545

00:26:06,130 --> 00:26:04,280

studied and you've written this book and

546

00:26:09,460 --> 00:26:06,140

other books you know where do you stand

547

00:26:12,880 --> 00:26:09,470

now spiritually the do you do you have

548

00:26:15,520 --> 00:26:12,890

something that you turn to oh yeah I

549

00:26:17,350 --> 00:26:15,530

don't think I've really changed oh this

550

00:26:20,680 --> 00:26:17,360

has changed my spiritual beliefs it just

551
00:26:24,159 --> 00:26:20,690
kind of strengthens you know what what

552
00:26:27,070 --> 00:26:24,169
I've always kind of believed I mean you

553
00:26:29,440 --> 00:26:27,080
know the problem is you have to learn to

554
00:26:33,039 --> 00:26:29,450
separate the true God which is

555
00:26:34,780 --> 00:26:33,049
metaphysical mm-hmm right from what

556
00:26:36,460 --> 00:26:34,790
they're kind of talking about in in the

557
00:26:39,700 --> 00:26:36,470
Bible you know they're they're

558
00:26:41,680 --> 00:26:39,710
describing physical beings like God has

559
00:26:44,580 --> 00:26:41,690
described in the Bible isn't really God

560
00:26:47,169 --> 00:26:44,590
you know it's he might be God like right

561
00:26:50,950 --> 00:26:47,179
maybe have the ability to alter genetics

562
00:26:52,990 --> 00:26:50,960
and be a superior commander of his space

563
00:26:55,419 --> 00:26:53,000

fleet or whatever but that's not God oh

564

00:26:56,680 --> 00:26:55,429

so well let's look hold it there and

565

00:26:59,409 --> 00:26:56,690

we'll come back from this first break

566

00:27:01,210 --> 00:26:59,419

and we'll talk about who the Anunnaki

567

00:27:04,299 --> 00:27:01,220

were and who do you think the gods

568

00:27:06,280 --> 00:27:04,309

actually were in the Old Testament this

569

00:27:08,020 --> 00:27:06,290

is Alan B Smith for paranormal now on

570

00:27:11,260 --> 00:27:08,030

the inception radio network my guest is

571

00:27:13,450 --> 00:27:11,270

David Hayes author of ancient aliens in

572

00:27:15,130 --> 00:27:13,460

the Bible evidence of UFOs Nephilim and

573

00:27:17,200 --> 00:27:15,140

the true face of angels in ancient

574

00:27:22,200 --> 00:27:17,210

scriptures hang on tight we will be

575

00:27:28,409 --> 00:27:26,269

[Music]

576
00:27:30,599 --> 00:27:28,419
welcome back to paranormal now on the

577
00:27:33,239 --> 00:27:30,609
inception radio network and my guest

578
00:27:35,249 --> 00:27:33,249
tonight is avian Hays author of ancient

579
00:27:38,190 --> 00:27:35,259
aliens in the Bible evidence of UFOs

580
00:27:42,479 --> 00:27:38,200
Nephilim and the true faces of angels in

581
00:27:45,269 --> 00:27:42,489
ancient scriptures and taking us out of

582
00:27:45,719 --> 00:27:45,279
the first break was jamming by Bob

583
00:27:49,109 --> 00:27:45,729
Marley

584
00:27:50,779 --> 00:27:49,119
all right so Sabian I wanna we didn't

585
00:27:55,440 --> 00:27:50,789
really get a chance to actually deep

586
00:28:00,119 --> 00:27:55,450
deeply dive into this topic so again

587
00:28:05,849 --> 00:28:00,129
let's start with from the beginning who

588
00:28:08,879 --> 00:28:05,859

are the gods that or God singular that

589

00:28:12,299 --> 00:28:08,889

we think we know as a spirit being in

590

00:28:14,009 --> 00:28:12,309

the Bible well first of all the word God

591

00:28:16,560 --> 00:28:14,019

never really existed in any language

592

00:28:18,690 --> 00:28:16,570

that's always been plural mm-hmm so he's

593

00:28:19,349 --> 00:28:18,700

been gods even I think Hilo heem is like

594

00:28:23,339 --> 00:28:19,359

gods

595

00:28:27,169 --> 00:28:23,349

you know there's really no God I'm start

596

00:28:32,489 --> 00:28:27,179

talking about in reference to these

597

00:28:35,909 --> 00:28:32,499

Annunaki Annunaki eloheem these are

598

00:28:39,119 --> 00:28:35,919

basically the watchers right and there's

599

00:28:43,229 --> 00:28:39,129

a yes once to the Sumerian texts yeah

600

00:28:45,899 --> 00:28:43,239

and these are the you know basically the

601
00:28:48,419 --> 00:28:45,909
watchers and the ones who kind of from

602
00:28:52,259 --> 00:28:48,429
heaven to earth came and these were the

603
00:28:56,190 --> 00:28:52,269
gods right responsible for kind of

604
00:28:57,330 --> 00:28:56,200
creating a mankind and creating the

605
00:29:02,359 --> 00:28:57,340
heaven earth and everything else

606
00:29:06,869 --> 00:29:02,369
basically so these guys these gods

607
00:29:12,210 --> 00:29:06,879
excuse me you know these guys like my

608
00:29:15,839 --> 00:29:12,220
New York or something man so they kind

609
00:29:19,109 --> 00:29:15,849
of did the first what we know as genetic

610
00:29:21,029 --> 00:29:19,119
experiments right mm-hm and talk in the

611
00:29:25,229 --> 00:29:21,039
book of Genesis mentions this talks

612
00:29:28,919 --> 00:29:25,239
about it so they were doing the making

613
00:29:31,200 --> 00:29:28,929

the Adam and Eve's and it's not how we

614

00:29:34,770 --> 00:29:31,210

believe it to be and

615

00:29:37,110 --> 00:29:34,780

you know it's a race they're describing

616

00:29:40,530 --> 00:29:37,120

a race you know the Adam Adama on the

617

00:29:42,480 --> 00:29:40,540

earth earth was the Adama right and

618

00:29:43,910 --> 00:29:42,490

anyone who is willing to like Battlestar

619

00:29:46,260 --> 00:29:43,920

Galactica

620

00:29:49,850 --> 00:29:46,270

that's gonna teach you a lot if you

621

00:29:53,340 --> 00:29:49,860

check that out that series credible

622

00:29:55,070 --> 00:29:53,350

basically is all this so the Adama is

623

00:29:59,930 --> 00:29:55,080

essentially it's another way of saying

624

00:30:03,360 --> 00:29:59,940

the beginnings like from the earth right

625

00:30:05,970 --> 00:30:03,370

because the atom right the race from

626
00:30:07,650 --> 00:30:05,980
that from the earth so the Adama from

627
00:30:11,660 --> 00:30:07,660
the earth right so this is a specific

628
00:30:14,310 --> 00:30:11,670
race creating from from the earth and

629
00:30:15,960 --> 00:30:14,320
even even in the in the words that

630
00:30:19,920 --> 00:30:15,970
describe in Hebrew they're talking about

631
00:30:22,200 --> 00:30:19,930
slicing and you know gene slicing in DNA

632
00:30:25,440 --> 00:30:22,210
slicing right they're using these actual

633
00:30:27,330 --> 00:30:25,450
terms are really incredible to think

634
00:30:30,660 --> 00:30:27,340
that they'd be trying to describe

635
00:30:34,260 --> 00:30:30,670
something as complex as gene editing and

636
00:30:37,620 --> 00:30:34,270
splicing you know thousands so the

637
00:30:42,090 --> 00:30:37,630
original Hebrew they used words that or

638
00:30:43,830 --> 00:30:42,100

a word that meant slicing yeah it's in

639

00:30:46,800 --> 00:30:43,840

the book I can't recall top of my head

640

00:30:48,750 --> 00:30:46,810

but definitely in look it describes it

641

00:30:51,870 --> 00:30:48,760

more okay yeah they're talking about

642

00:30:53,730 --> 00:30:51,880

cutting up genes man and also it's

643

00:30:55,470 --> 00:30:53,740

interesting to note that you know Adam

644

00:30:59,130 --> 00:30:55,480

Eve weren't the first day they failed in

645

00:31:03,900 --> 00:30:59,140

many experiments before right and if you

646

00:31:06,510 --> 00:31:03,910

see a bunch of the Sumerian you know on

647

00:31:08,370 --> 00:31:06,520

the text and in these clay tablets and

648

00:31:12,380 --> 00:31:08,380

you're gonna find a bunch of hybrid

649

00:31:16,590 --> 00:31:12,390

animal creatures in the Griffin and a

650

00:31:20,880 --> 00:31:16,600

lot of weird weird kind of experimental

651
00:31:23,850 --> 00:31:20,890
beings that don't make sense and you

652
00:31:26,790 --> 00:31:23,860
know they don't exist according to what

653
00:31:30,390 --> 00:31:26,800
we know of history so if they were

654
00:31:35,520 --> 00:31:30,400
playing God right with the genetic codes

655
00:31:38,810 --> 00:31:35,530
and creating humanoids you know because

656
00:31:40,980 --> 00:31:38,820
this says that if god if when man made

657
00:31:43,250 --> 00:31:40,990
when God made man and made in his own

658
00:31:46,280 --> 00:31:43,260
image you know so does

659
00:31:51,400 --> 00:31:46,290
I mean they're humanoid right they look

660
00:31:54,110 --> 00:31:51,410
like us right yeah were they from Mars

661
00:31:58,030 --> 00:31:54,120
good question you know cuz Mars seems to

662
00:32:00,860 --> 00:31:58,040
be like earth and we could find so much

663
00:32:03,200 --> 00:32:00,870

ruins on Mars and so many fossils

664

00:32:05,980 --> 00:32:03,210

evidence of oceans and even still

665

00:32:09,260 --> 00:32:05,990

there's water there blues blue skies and

666

00:32:12,260 --> 00:32:09,270

all kinds of crazy things going on Mars

667

00:32:14,230 --> 00:32:12,270

so you know where do they come from Mars

668

00:32:17,980 --> 00:32:14,240

something happened there and they came

669

00:32:21,400 --> 00:32:17,990

yeah the Mars thing always kind of

670

00:32:24,140 --> 00:32:21,410

didn't sound quite convincing because

671

00:32:25,730 --> 00:32:24,150

imagine us imagine we were on this

672

00:32:28,640 --> 00:32:25,740

planet this planet was going bad and

673

00:32:30,500 --> 00:32:28,650

Mars was the good planet it seems to me

674

00:32:32,630 --> 00:32:30,510

we would just jump and settle down there

675

00:32:35,690 --> 00:32:32,640

and make that our home and so it seems

676

00:32:38,270 --> 00:32:35,700

weird that if they were living on Mars

677

00:32:40,910 --> 00:32:38,280

and they came over to earth because

678

00:32:42,680 --> 00:32:40,920

earth looked good you know why would

679

00:32:44,870 --> 00:32:42,690

they just be why wouldn't they still be

680

00:32:49,190 --> 00:32:44,880

here ruling the planet as a warrior you

681

00:32:53,150 --> 00:32:49,200

know well it depends on what timeline

682

00:32:55,780 --> 00:32:53,160

that happened know how at what point now

683

00:32:58,730 --> 00:32:55,790

was Mars destroyed was Mars destroyed

684

00:33:02,480 --> 00:32:58,740

million years ago or 20,000 years ago

685

00:33:06,680 --> 00:33:02,490

right and maybe they were here and they

686

00:33:10,970 --> 00:33:06,690

died off or they went somewhere else or

687

00:33:13,340 --> 00:33:10,980

they kind of disis immolated into just

688

00:33:16,670 --> 00:33:13,350

passed down through history I mean hmm

689

00:33:20,630 --> 00:33:16,680

we don't know there there's a lot of

690

00:33:24,020 --> 00:33:20,640

mysterious things on Mars that have to

691

00:33:26,420 --> 00:33:24,030

be explained somehow true and I suppose

692

00:33:28,520 --> 00:33:26,430

a few if you really speculate you know

693

00:33:31,400 --> 00:33:28,530

this this could be such an advanced race

694

00:33:34,730 --> 00:33:31,410

that they don't need one planet they can

695

00:33:38,390 --> 00:33:34,740

just you know traverse the universe does

696

00:33:39,740 --> 00:33:38,400

it cut the galaxy so maybe earth isn't

697

00:33:42,100 --> 00:33:39,750

such a big deal to them because they

698

00:33:45,890 --> 00:33:42,110

have you know a hundred other earths

699

00:33:47,820 --> 00:33:45,900

that they can write they're finding

700

00:33:48,930 --> 00:33:47,830

habitable planets all the time you know

701

00:33:53,130 --> 00:33:48,940

we don't know what happened in this

702

00:33:58,080 --> 00:33:53,140

solar system we don't know if basically

703

00:34:00,390 --> 00:33:58,090

they were they were chasing someone here

704

00:34:03,360 --> 00:34:00,400

that went into the solar system and they

705

00:34:05,400 --> 00:34:03,370

had to destroy a planet and then they

706

00:34:08,160 --> 00:34:05,410

had to come hide on another planet to

707

00:34:11,520 --> 00:34:08,170

get away and then maybe they put a web

708

00:34:13,050 --> 00:34:11,530

around the earth to imprison them that's

709

00:34:15,510 --> 00:34:13,060

why you have the Native American myths

710

00:34:17,190 --> 00:34:15,520

of the great web in the sky maybe

711

00:34:19,740 --> 00:34:17,200

they've been stuck here for so long that

712

00:34:21,840 --> 00:34:19,750

they've kind of been able to change the

713

00:34:24,450 --> 00:34:21,850

atmosphere and trying everything they

714

00:34:27,120 --> 00:34:24,460

can with their secret space programs and

715

00:34:30,840 --> 00:34:27,130

maybe secret missions on Mars everything

716

00:34:36,570 --> 00:34:30,850

they can to get out of here knows some

717

00:34:42,510 --> 00:34:36,580

best feel like that right now the truth

718

00:34:45,870 --> 00:34:42,520

is you have you have evidence of things

719

00:34:49,290 --> 00:34:45,880

in the universe that make it so

720

00:34:50,940 --> 00:34:49,300

improbable and so amazing that we're the

721

00:34:56,280 --> 00:34:50,950

only people here like it just is

722

00:34:58,260 --> 00:34:56,290

ridiculous I think it is I think as soon

723

00:35:02,520 --> 00:34:58,270

as we find the first piece of any kind

724

00:35:04,860 --> 00:35:02,530

of life even simple life elsewhere then

725

00:35:07,830 --> 00:35:04,870

I think the there won't be so much of an

726

00:35:12,080 --> 00:35:07,840

argument about life in other parts of

727

00:35:14,790 --> 00:35:12,090

the universe or galaxies at least and

728

00:35:15,690 --> 00:35:14,800

it's not a big leap I don't think to

729

00:35:17,400 --> 00:35:15,700

think that there would be intelligent

730

00:35:20,790 --> 00:35:17,410

life considering you have billions and

731

00:35:23,910 --> 00:35:20,800

billions of years and the you know

732

00:35:28,830 --> 00:35:23,920

primordial soup you know all over the

733

00:35:31,110 --> 00:35:28,840

galaxy so yeah I think that'll be good

734

00:35:34,170 --> 00:35:31,120

when we get to that point but you know I

735

00:35:37,160 --> 00:35:34,180

think it would be better if we just find

736

00:35:41,490 --> 00:35:37,170

some evidence clear-cut and unavoidable

737

00:35:44,700 --> 00:35:41,500

uncovered up evidence you know of life

738

00:35:48,900 --> 00:35:44,710

on another another planet

739

00:35:50,220 --> 00:35:48,910

I know there are telescopes being put

740

00:35:53,460 --> 00:35:50,230

out the next couple of years one of them

741

00:35:55,670 --> 00:35:53,470

is the James Webb telescope and these

742

00:36:00,270 --> 00:35:55,680

are supposed to give us clear-cut

743

00:36:00,920 --> 00:36:00,280

evidence of whether a plan that does or

744

00:36:05,089 --> 00:36:00,930

does not

745

00:36:06,680 --> 00:36:05,099

have a biological signature and so I

746

00:36:08,660 --> 00:36:06,690

think within the next couple years this

747

00:36:11,960 --> 00:36:08,670

is gonna become a huge topic

748

00:36:14,660 --> 00:36:11,970

oh yeah the telescope's now are

749

00:36:18,530 --> 00:36:14,670

incredible I mean the Vatican has you

750

00:36:21,170 --> 00:36:18,540

know just next-level type telescopes so

751

00:36:23,359 --> 00:36:21,180

yeah III it's just a matter of time you

752

00:36:26,450 --> 00:36:23,369

know plus it's a matter of slow

753

00:36:29,180 --> 00:36:26,460

disclosure so they're gonna roll it out

754

00:36:30,680 --> 00:36:29,190

slowly no matter what and you know when

755

00:36:33,440 --> 00:36:30,690

they find life it'll be a micro

756

00:36:35,930 --> 00:36:33,450

microbial and of course you know just

757

00:36:38,359 --> 00:36:35,940

it'll be a slow disclosure but then you

758

00:36:40,339 --> 00:36:38,369

have to keep in mind the you know the

759

00:36:43,370 --> 00:36:40,349

the final card of the New World Order

760

00:36:44,960 --> 00:36:43,380

basically with the fake alien invasion

761

00:36:46,670 --> 00:36:44,970

you know they got that up their sleeve

762

00:36:50,690 --> 00:36:46,680

that's what most of technology can't be

763

00:36:52,490 --> 00:36:50,700

revealed anyways so hopefully it doesn't

764

00:36:55,069 --> 00:36:52,500

come to that I don't think it's will I

765

00:36:56,780 --> 00:36:55,079

think they're being defeated daily so I

766

00:36:58,700 --> 00:36:56,790

don't think they're even gonna get

767

00:37:00,890 --> 00:36:58,710

anywhere close to pull that one off

768

00:37:05,839 --> 00:37:00,900

but you still have to kind of you know

769

00:37:07,760 --> 00:37:05,849

be aware of these tactics yeah I think

770

00:37:09,470 --> 00:37:07,770

it is it a slow disclosure I know there

771

00:37:11,839 --> 00:37:09,480

are other people that think it's gonna

772

00:37:14,630 --> 00:37:11,849

be a really slow disclosure like 100

773

00:37:17,569 --> 00:37:14,640

years or 200 years I don't think so

774

00:37:20,120 --> 00:37:17,579

I think it'll be much much yes to

775

00:37:23,359 --> 00:37:20,130

advance for that well that's the thing I

776

00:37:26,990 --> 00:37:23,369

mean just just public technology is

777

00:37:29,180 --> 00:37:27,000

progressing so fast that you know you

778

00:37:30,890 --> 00:37:29,190

just you can't you know keep the secret

779

00:37:32,930 --> 00:37:30,900

in the box for for that much longer than

780

00:37:40,579 --> 00:37:32,940

you know we should be more worried about

781

00:37:42,440 --> 00:37:40,589

being replaced by robots before yeah all

782

00:37:44,599 --> 00:37:42,450

right cool and if you're just tuning in

783

00:37:49,160 --> 00:37:44,609

we're talking with zaezion Hayes author

784

00:37:52,720 --> 00:37:49,170

of ancient aliens in the Bible and just

785

00:37:57,470 --> 00:37:52,730

a random shout-out to galaxia that's GA

786

00:38:00,109 --> 00:37:57,480

LAX underscore I a on Instagram who is

787

00:38:01,789 --> 00:38:00,119

opening up a new place in the New York

788

00:38:04,400 --> 00:38:01,799

area where I live called ambrosia

789

00:38:06,319 --> 00:38:04,410

elixirs it's a community soft opening

790

00:38:07,640 --> 00:38:06,329

out in Brooklyn so if you're in the

791

00:38:10,280 --> 00:38:07,650

Brooklyn or New York area check them out

792

00:38:12,829 --> 00:38:10,290

the ambrosial Xers soft opening so I'm

793

00:38:14,120 --> 00:38:12,839

not sure when the official date and time

794

00:38:15,740 --> 00:38:14,130

will be up soon but just

795

00:38:22,160 --> 00:38:15,750

keep your eye out for those guys okay so

796

00:38:27,490 --> 00:38:22,170

let's go back to the gods okay so your

797

00:38:30,710 --> 00:38:27,500

idea is that these gods are not

798

00:38:33,859 --> 00:38:30,720

otherworldly I'm sorry not ethereal

799

00:38:38,269 --> 00:38:33,869

right there they're physical beings that

800

00:38:42,710 --> 00:38:38,279

were here the Nephilim okay so why were

801
00:38:46,819 --> 00:38:42,720
they here in the first place that is a

802
00:38:49,849 --> 00:38:46,829
really stated according to Sitchin they

803
00:38:54,049 --> 00:38:49,859
were here to mine gold they needed a

804
00:38:56,779 --> 00:38:54,059
further atmosphere which which is

805
00:38:58,249 --> 00:38:56,789
plausible because you know some other

806
00:39:02,269 --> 00:38:58,259
research and some other things I'm

807
00:39:06,740 --> 00:39:02,279
involved in I'm into gold and there's a

808
00:39:09,109 --> 00:39:06,750
lot of gold in them there's a lot of

809
00:39:13,370 --> 00:39:09,119
gold that I'm currently into right now

810
00:39:16,789 --> 00:39:13,380
in history wise everything else but gold

811
00:39:18,799 --> 00:39:16,799
is very scarce you know it's it's it's I

812
00:39:20,539 --> 00:39:18,809
mean literally like from all the gold we

813
00:39:22,279 --> 00:39:20,549

know it can kind of fill maybe two

814

00:39:24,640 --> 00:39:22,289

Olympic sized swimming pools that's not

815

00:39:26,779 --> 00:39:24,650

very much no no I'm very much at all

816

00:39:28,220 --> 00:39:26,789

there's a lot of fake gold there's a lot

817

00:39:31,190 --> 00:39:28,230

of gold mixed with copper and silver

818

00:39:33,410 --> 00:39:31,200

which is most gold you see pure gold

819

00:39:36,140 --> 00:39:33,420

really doesn't exist I mean it's it

820

00:39:38,900 --> 00:39:36,150

exists but it's I mean extremely rare to

821

00:39:39,710 --> 00:39:38,910

find and in the odds that you're ever

822

00:39:42,079 --> 00:39:39,720

gonna see it

823

00:39:45,499 --> 00:39:42,089

you know slim to none slim just left

824

00:39:47,480 --> 00:39:45,509

town but you might get lucky my mic

825

00:39:49,970 --> 00:39:47,490

there there are things that are

826

00:39:52,640 --> 00:39:49,980

happening that you know we all might be

827

00:39:55,160 --> 00:39:52,650

blessed to see some real amazing gold in

828

00:39:58,279 --> 00:39:55,170

the future but the thing is if you have

829

00:40:01,789 --> 00:39:58,289

gold in all kinds of it could be used in

830

00:40:03,680 --> 00:40:01,799

all kinds of applications right so you

831

00:40:05,509 --> 00:40:03,690

have it for when they send stuff into

832

00:40:09,200 --> 00:40:05,519

space you know most of this gold shield

833

00:40:13,039 --> 00:40:09,210

because it could protect right so the

834

00:40:14,809 --> 00:40:13,049

idea of having maybe a gold a cave

835

00:40:17,059 --> 00:40:14,819

let's take like the seven caves a gold

836

00:40:20,120 --> 00:40:17,069

for instance the legends of El Dorado

837

00:40:24,620 --> 00:40:20,130

and soballe cetera Cities of Gold now

838

00:40:26,630 --> 00:40:24,630

when they went to Peru they found walls

839

00:40:27,140 --> 00:40:26,640

of gold and they peeled the walls of

840

00:40:29,690 --> 00:40:27,150

gold

841

00:40:31,150 --> 00:40:29,700

right off the walls and they found it in

842

00:40:33,980 --> 00:40:31,160

areas that have the megalithic

843

00:40:36,920 --> 00:40:33,990

structures ancient type of giant

844

00:40:40,280 --> 00:40:36,930

structures mhm you know and you know

845

00:40:42,890 --> 00:40:40,290

olya tombow stuff so we do know that

846

00:40:46,000 --> 00:40:42,900

there is such thing as walls of gold now

847

00:40:50,090 --> 00:40:46,010

what if let's say in the sacred cave

848

00:40:52,760 --> 00:40:50,100

choocha MODOK the eighth according to

849

00:40:54,730 --> 00:40:52,770

the Aztecs and their history you know

850

00:40:59,260 --> 00:40:54,740

everything emerge from the sacred cave

851
00:41:02,660 --> 00:40:59,270
so was the sacred cave of gold used to

852
00:41:04,670 --> 00:41:02,670
protect them from a solar flare or from

853
00:41:07,880 --> 00:41:04,680
whatever happened in during the flood

854
00:41:10,220 --> 00:41:07,890
and the jungle driest event so the idea

855
00:41:12,080 --> 00:41:10,230
that these ancient you know even all the

856
00:41:13,940 --> 00:41:12,090
way back to the who what were these gods

857
00:41:18,710 --> 00:41:13,950
and what were they looking for they're

858
00:41:20,270 --> 00:41:18,720
looking for gold right I mean what's

859
00:41:23,330 --> 00:41:20,280
double gold you know why is it

860
00:41:25,550 --> 00:41:23,340
untarnishable why does it look like it's

861
00:41:28,070 --> 00:41:25,560
literally the most amazing element in

862
00:41:30,220 --> 00:41:28,080
the world and and think about what it

863
00:41:32,840 --> 00:41:30,230

does to everybody you know Gold Fever

864

00:41:38,660 --> 00:41:32,850

you know the whole concept of money

865

00:41:42,020 --> 00:41:38,670

right so if we were just nothing but

866

00:41:44,150 --> 00:41:42,030

another mining colony and they needed

867

00:41:47,390 --> 00:41:44,160

slaves or they didn't whoever to build

868

00:41:50,330 --> 00:41:47,400

it and help mind and we were basically

869

00:41:52,750 --> 00:41:50,340

created for this it's kind of strange to

870

00:41:55,010 --> 00:41:52,760

think that how we still worship gold

871

00:41:57,730 --> 00:41:55,020

what I guess it's didn't really

872

00:41:59,960 --> 00:41:57,740

disenchanted to think that another

873

00:42:02,000 --> 00:41:59,970

extraterrestrial race would would come

874

00:42:07,820 --> 00:42:02,010

here and enslave people or just create a

875

00:42:12,290 --> 00:42:07,830

a hybrid race as it were to to do their

876
00:42:14,090 --> 00:42:12,300
bidding oh I think most you know mostly

877
00:42:15,340 --> 00:42:14,100
when we imagine oh well there's life out

878
00:42:18,110 --> 00:42:15,350
there is intelligent life

879
00:42:19,730 --> 00:42:18,120
we hope that then yeah maybe it's

880
00:42:23,530 --> 00:42:19,740
friendly maybe it's so advanced you know

881
00:42:26,900 --> 00:42:23,540
they've elevated beyond you know what

882
00:42:30,800 --> 00:42:26,910
the the BS that we that we throw around

883
00:42:34,460 --> 00:42:30,810
down here but in this case it would say

884
00:42:38,930 --> 00:42:34,470
no they're just as flawed just as

885
00:42:40,020 --> 00:42:38,940
violent just as greedy careless for

886
00:42:41,580 --> 00:42:40,030
others

887
00:42:42,930 --> 00:42:41,590
it's pretty messed up right because the

888
00:42:45,480 --> 00:42:42,940

thing what happens you know we've got

889

00:42:48,540 --> 00:42:45,490

all the greed and everything that

890

00:42:51,090 --> 00:42:48,550

plagues our species and there's gonna be

891

00:42:54,110 --> 00:42:51,100

private air forces and you know

892

00:42:55,740 --> 00:42:54,120

Rothschild space Corps flying out there

893

00:42:59,250 --> 00:42:55,750

what are they looking for they're

894

00:43:02,310 --> 00:42:59,260

looking for a gold you know so it's not

895

00:43:04,380 --> 00:43:02,320

so far-fetched to think that you know

896

00:43:06,540 --> 00:43:04,390

like in Avatar or whatever basically I

897

00:43:09,720 --> 00:43:06,550

mean it's the sickness of the world we

898

00:43:11,190 --> 00:43:09,730

live in and kind of always it's if it's

899

00:43:12,270 --> 00:43:11,200

been like this if we were created for

900

00:43:14,790 --> 00:43:12,280

this in the first place

901
00:43:17,400 --> 00:43:14,800
what's that same and I get it you know I

902
00:43:20,640 --> 00:43:17,410
I think God is love man you know

903
00:43:21,480 --> 00:43:20,650
honestly the true God true metaphysical

904
00:43:23,640 --> 00:43:21,490
God is love

905
00:43:25,770 --> 00:43:23,650
you're here to do the best you can and

906
00:43:28,980 --> 00:43:25,780
do the most amount of good every day

907
00:43:31,860 --> 00:43:28,990
right and give love every day and do the

908
00:43:34,500 --> 00:43:31,870
right thing make the right choice every

909
00:43:37,080 --> 00:43:34,510
day right and be and be a good person

910
00:43:38,970 --> 00:43:37,090
that's what it's all about you know but

911
00:43:43,470 --> 00:43:38,980
we're bombarded with like gold and

912
00:43:45,270 --> 00:43:43,480
treasure and responsibility and pay the

913
00:43:46,650 --> 00:43:45,280

rent and my rents fifteen hundred bucks

914

00:43:54,570 --> 00:43:46,660

but I only make two thousand dollars a

915

00:43:57,030 --> 00:43:54,580

month you know you know yeah the problem

916

00:43:59,700 --> 00:43:57,040

of that is how do you spend time on your

917

00:44:01,890 --> 00:43:59,710

spiritual life when you're just trying

918

00:44:03,690 --> 00:44:01,900

to scrape stuff together that's why they

919

00:44:07,290 --> 00:44:03,700

say they want a nation of workers not a

920

00:44:09,690 --> 00:44:07,300

nation of thinkers true but I mean I

921

00:44:11,460 --> 00:44:09,700

think the resistance is ongoing and I

922

00:44:14,490 --> 00:44:11,470

don't think that they'll ever never take

923

00:44:16,290 --> 00:44:14,500

us down I think it's been a losing it's

924

00:44:20,540 --> 00:44:16,300

always been up and down it's never been

925

00:44:24,810 --> 00:44:20,550

a permanent conquer or permanent win

926
00:44:27,420 --> 00:44:24,820
it's because the majority is good man I

927
00:44:29,280 --> 00:44:27,430
think you know has we go through the

928
00:44:30,210 --> 00:44:29,290
great unveiling and we live we're living

929
00:44:32,310 --> 00:44:30,220
in you know

930
00:44:35,700 --> 00:44:32,320
the revealing now the age of revealing

931
00:44:37,080 --> 00:44:35,710
so mmm-hmm and I think Trump is the

932
00:44:39,510 --> 00:44:37,090
light bringer man I think we should all

933
00:44:44,040 --> 00:44:39,520
be thankful for this guy I know a lot of

934
00:44:45,960 --> 00:44:44,050
people might not get it but I mean it's

935
00:44:49,200 --> 00:44:45,970
very dangerous time and

936
00:44:52,440 --> 00:44:49,210
the forces of globalism and this whole

937
00:44:53,970 --> 00:44:52,450
concept of the New World Order they're

938
00:44:57,569 --> 00:44:53,980

on there I mean their backs against the

939

00:44:59,339 --> 00:44:57,579

wall they're falling apart globally I've

940

00:45:01,140 --> 00:44:59,349

been blessed to have traveled and been

941

00:45:04,620 --> 00:45:01,150

in too many countries before the

942

00:45:06,900 --> 00:45:04,630

European Union before and to see before

943

00:45:09,990 --> 00:45:06,910

this so it's kind of invasion of what's

944

00:45:13,800 --> 00:45:10,000

kind of going on and then tell you

945

00:45:18,300 --> 00:45:13,810

something man it's 2:00 to go to France

946

00:45:20,940 --> 00:45:18,310

and and it's not France or what you what

947

00:45:23,970 --> 00:45:20,950

everyone thinks of it would be like to

948

00:45:31,370 --> 00:45:23,980

be in France or even London it's pretty

949

00:45:34,290 --> 00:45:31,380

surreal what why isn't it like friends

950

00:45:37,800 --> 00:45:34,300

because it's not I mean the France you

951
00:45:39,980 --> 00:45:37,810
think of 60s or 70s or any Audrey

952
00:45:43,410 --> 00:45:39,990
Hepburn movie

953
00:45:45,540 --> 00:45:43,420
that's nothing like you know I want to

954
00:45:49,319 --> 00:45:45,550
you know bash anybody or get into any

955
00:45:54,750 --> 00:45:49,329
any negative sentence but I suggest go

956
00:45:57,710 --> 00:45:54,760
there yourself and see okay so let's get

957
00:46:03,120 --> 00:45:57,720
back to the core of the the conversation

958
00:46:05,880 --> 00:46:03,130
because this is this is all relative so

959
00:46:10,980 --> 00:46:05,890
what happened to their to their society

960
00:46:12,150 --> 00:46:10,990
that they they needed to create us

961
00:46:15,059 --> 00:46:12,160
because it seems to me if you were so

962
00:46:19,829 --> 00:46:15,069
advanced why do you need to to create a

963
00:46:22,079 --> 00:46:19,839

you know in hybrid species to do your

964

00:46:26,099 --> 00:46:22,089

work I mean we know that we're on the

965

00:46:28,470 --> 00:46:26,109

cusps of having intelligent and capable

966

00:46:30,900 --> 00:46:28,480

AI robots I mean within a hundred years

967

00:46:32,849 --> 00:46:30,910

well I mean we're gonna people are gonna

968

00:46:35,849 --> 00:46:32,859

have very difficult time finding jobs

969

00:46:38,609 --> 00:46:35,859

it's just a fact yeah maybe

970

00:46:40,500 --> 00:46:38,619

I think they describe a robot force

971

00:46:42,780 --> 00:46:40,510

actually in some of these ancient texts

972

00:46:45,089 --> 00:46:42,790

that would make more sense of course to

973

00:46:46,589 --> 00:46:45,099

have robots cuz that's my first thought

974

00:46:50,520 --> 00:46:46,599

is like you know why bother

975

00:46:52,859 --> 00:46:50,530

yeah I think the the the genetic

976
00:46:54,539 --> 00:46:52,869
altering and the

977
00:46:58,440 --> 00:46:54,549
messing with humans may have been just a

978
00:47:03,150 --> 00:46:58,450
side project or something something for

979
00:47:05,309 --> 00:47:03,160
them to do to maybe advance the native

980
00:47:08,640 --> 00:47:05,319
species here in hominids and maybe the

981
00:47:10,950 --> 00:47:08,650
Neanderthals toccata to speed up maybe

982
00:47:12,390 --> 00:47:10,960
to give him the gifts of knowledge maybe

983
00:47:13,769 --> 00:47:12,400
they were just bored you know maybe

984
00:47:16,049 --> 00:47:13,779
they're stuck here and they were bored

985
00:47:19,109 --> 00:47:16,059
and they had the opportunity and the

986
00:47:21,299 --> 00:47:19,119
knowledge to do this and what happened

987
00:47:22,859 --> 00:47:21,309
was see this is the problem because you

988
00:47:26,279 --> 00:47:22,869

know mentions especially in the book you

989

00:47:29,130 --> 00:47:26,289

know it's really incredible to talk

990

00:47:30,870 --> 00:47:29,140

about the Angels right how the Angels

991

00:47:34,759 --> 00:47:30,880

each angel had a specific job and

992

00:47:37,400 --> 00:47:34,769

function and it's similar to like

993

00:47:40,859 --> 00:47:37,410

someone's a chemist's or someone's a

994

00:47:44,489 --> 00:47:40,869

botanist you know and so on everyone has

995

00:47:46,529 --> 00:47:44,499

a job right like if you spent ascend a

996

00:47:49,230 --> 00:47:46,539

space fleet out everyone's gonna have a

997

00:47:52,319 --> 00:47:49,240

certain thing they're good at a certain

998

00:47:57,839 --> 00:47:52,329

position right so it describes these

999

00:48:01,109 --> 00:47:57,849

angels and who are basically assigned to

1000

00:48:04,130 --> 00:48:01,119

teach man and to teach these these

1001
00:48:06,599 --> 00:48:04,140
beings you know what to do and

1002
00:48:08,549 --> 00:48:06,609
eventually they could kind of get bored

1003
00:48:11,160 --> 00:48:08,559
and they kind of see how the Eve's were

1004
00:48:12,539 --> 00:48:11,170
beautiful and they're probably bored and

1005
00:48:17,460 --> 00:48:12,549
horny and they're like well you know

1006
00:48:20,670 --> 00:48:17,470
it's let's see what what happens here

1007
00:48:23,999 --> 00:48:20,680
and and it describes this this sort of

1008
00:48:26,519 --> 00:48:24,009
rebellion right because they were they

1009
00:48:28,019 --> 00:48:26,529
were forbidden to have relations with

1010
00:48:31,440 --> 00:48:28,029
with the Eve's

1011
00:48:33,900 --> 00:48:31,450
mm-hm and they didn't listen and what

1012
00:48:37,109 --> 00:48:33,910
happened is these Eve's ended up getting

1013
00:48:39,960 --> 00:48:37,119

pregnant but they didn't have regular

1014

00:48:43,380 --> 00:48:39,970

children they actually had Giants and

1015

00:48:46,609 --> 00:48:43,390

these would be the Nephilim these are

1016

00:48:49,799 --> 00:48:46,619

the men of renown right the mighty man

1017

00:48:51,809 --> 00:48:49,809

so the angels rebelled and had sex with

1018

00:48:54,239 --> 00:48:51,819

the Eve's that he you started having

1019

00:48:56,640 --> 00:48:54,249

Giants but these Giants for

1020

00:48:59,220 --> 00:48:56,650

cannibalistic and they're just a pain in

1021

00:49:01,250 --> 00:48:59,230

the butt to everybody and not really

1022

00:49:05,690 --> 00:49:01,260

good you know not

1023

00:49:09,589 --> 00:49:05,700

good children so left these the gods and

1024

00:49:11,210 --> 00:49:09,599

in a position to be like well now we've

1025

00:49:16,700 --> 00:49:11,220

really got messed up now we really have

1026
00:49:18,260 --> 00:49:16,710
a problem you know a question for you

1027
00:49:21,529 --> 00:49:18,270
and this is one thing that I'd never

1028
00:49:25,670 --> 00:49:21,539
could wrap my head around so why were

1029
00:49:29,329 --> 00:49:25,680
the giant giant why why were they big

1030
00:49:31,640 --> 00:49:29,339
and tall what what was the cause does

1031
00:49:33,980 --> 00:49:31,650
that understand the genetic lineage what

1032
00:49:35,299 --> 00:49:33,990
what caused that yeah I mean either I

1033
00:49:38,150 --> 00:49:35,309
don't get that either why would they I

1034
00:49:40,430 --> 00:49:38,160
mean I can understand they'd be you

1035
00:49:42,079 --> 00:49:40,440
would have a Giants in a pre-flood world

1036
00:49:44,450 --> 00:49:42,089
or a world that has a different

1037
00:49:45,829 --> 00:49:44,460
atmosphere and that's why things were

1038
00:49:50,180 --> 00:49:45,839

bigger in certain point in history

1039

00:49:54,559 --> 00:49:50,190

mm-hmm so that makes sense but why would

1040

00:49:56,930 --> 00:49:54,569

the Angels in the YZ bear Giants why

1041

00:49:58,309 --> 00:49:56,940

would I and I don't get that yes I mean

1042

00:49:59,809 --> 00:49:58,319

I don't understand that it doesn't

1043

00:50:03,529 --> 00:49:59,819

explain that anywhere why they would be

1044

00:50:05,480 --> 00:50:03,539

Giants right yeah yeah I don't think

1045

00:50:08,809 --> 00:50:05,490

that there's there's anything that's

1046

00:50:11,180 --> 00:50:08,819

written down at least that we know of or

1047

00:50:15,319 --> 00:50:11,190

was written down that explained that and

1048

00:50:16,760 --> 00:50:15,329

it's odd I what it it makes me wonder is

1049

00:50:18,589 --> 00:50:16,770

there some part of the story that's not

1050

00:50:24,500 --> 00:50:18,599

being told for a reason was there

1051
00:50:26,390 --> 00:50:24,510
something left out for a reason it's

1052
00:50:29,539 --> 00:50:26,400
possible or just got lost in translation

1053
00:50:33,319 --> 00:50:29,549
or maybe they think it was that a big a

1054
00:50:36,470 --> 00:50:33,329
deal to even you know well I would say

1055
00:50:38,299 --> 00:50:36,480
so you never know it yeah I mean since

1056
00:50:40,609 --> 00:50:38,309
we're speculating anyway you know I

1057
00:50:43,130 --> 00:50:40,619
could imagine in due time we're gonna be

1058
00:50:45,079 --> 00:50:43,140
able to genetically you know splice in

1059
00:50:47,660 --> 00:50:45,089
manipulate our own children so maybe

1060
00:50:50,269 --> 00:50:47,670
those were the Giants were were the

1061
00:50:53,750 --> 00:50:50,279
children and they were just genetically

1062
00:50:57,380 --> 00:50:53,760
manipulated to be to be giants for some

1063
00:51:00,349 --> 00:50:57,390

reason and and that's how I went down I

1064

00:51:02,360 --> 00:51:00,359

don't know just totally guessing it was

1065

00:51:06,290 --> 00:51:02,370

a side effect

1066

00:51:06,970 --> 00:51:06,300

or yeah yeah angels having children you

1067

00:51:10,130 --> 00:51:06,980

know

1068

00:51:12,500 --> 00:51:10,140

yeah maybe um well we're just we're

1069

00:51:13,910 --> 00:51:12,510

totally fantasizing that but maybe

1070

00:51:16,460 --> 00:51:13,920

there's some recessive gene or something

1071

00:51:18,350 --> 00:51:16,470

that was that was awoken in the splicing

1072

00:51:19,940 --> 00:51:18,360

action but now I'm gonna sound ignorant

1073

00:51:24,590 --> 00:51:19,950

because I know nothing about genetics

1074

00:51:27,530 --> 00:51:24,600

placing so okay so we're at this point

1075

00:51:29,680 --> 00:51:27,540

in the story you know this or the giants

1076
00:51:35,720 --> 00:51:29,690
and the Nephilim

1077
00:51:37,970 --> 00:51:35,730
now the the Eve's my sense is they they

1078
00:51:39,550 --> 00:51:37,980
weren't were they going along with this

1079
00:51:42,110 --> 00:51:39,560
were they okay

1080
00:51:44,900 --> 00:51:42,120
or do you think they were being you know

1081
00:51:46,730 --> 00:51:44,910
like raped or sexually harassed or you

1082
00:51:48,230 --> 00:51:46,740
know what what do you think was going on

1083
00:51:52,190 --> 00:51:48,240
there do you think it was a mutual

1084
00:51:54,020 --> 00:51:52,200
interaction I think so cuz they would

1085
00:51:57,760 --> 00:51:54,030
have the wow factor right there would be

1086
00:52:03,310 --> 00:51:57,770
the obviously these these angels were

1087
00:52:06,410 --> 00:52:03,320
you know would have power and would be

1088
00:52:09,230 --> 00:52:06,420

you know we would be persuasive

1089

00:52:11,240 --> 00:52:09,240

I can't I wouldn't be able to say for

1090

00:52:13,550 --> 00:52:11,250

sure how many went along with it but I'm

1091

00:52:14,900 --> 00:52:13,560

sure majority would I mean but friend

1092

00:52:17,450 --> 00:52:14,910

that from the writings I mean did you

1093

00:52:19,790 --> 00:52:17,460

get an impression either way in your

1094

00:52:21,680 --> 00:52:19,800

research from the writings this seems to

1095

00:52:25,010 --> 00:52:21,690

be there was it didn't know that there

1096

00:52:27,590 --> 00:52:25,020

just seemed to be any sort of non you

1097

00:52:29,030 --> 00:52:27,600

know any fighting about it seemed like

1098

00:52:31,010 --> 00:52:29,040

it was a normal thing it was a

1099

00:52:33,500 --> 00:52:31,020

consensual these are just two different

1100

00:52:35,750 --> 00:52:33,510

kinds of beings similar enough and kind

1101
00:52:39,110 --> 00:52:35,760
of like I guess you know early humans

1102
00:52:41,390 --> 00:52:39,120
and Neanderthals or Denisovans they they

1103
00:52:42,860 --> 00:52:41,400
all exactly yeah it was their mystery

1104
00:52:44,510 --> 00:52:42,870
partner they are trying to figure out

1105
00:52:51,530 --> 00:52:44,520
who the mystery guy was and that whole

1106
00:52:55,340 --> 00:52:51,540
gang bang of and earth all so you know

1107
00:53:00,710 --> 00:52:55,350
how did the Angels come taking all our

1108
00:53:04,510 --> 00:53:00,720
chicks what's up that you know they're

1109
00:53:08,510 --> 00:53:04,520
in earlier societies monogamy was not

1110
00:53:12,329 --> 00:53:08,520
the norm so you know I think that things

1111
00:53:15,120 --> 00:53:12,339
were like you said kind of open and

1112
00:53:17,219 --> 00:53:15,130
you know maybe people just didn't care

1113
00:53:20,370 --> 00:53:17,229

there was no stigma with that sort of

1114

00:53:21,630 --> 00:53:20,380

behavior yeah and I mean that and you

1115

00:53:23,969 --> 00:53:21,640

know if you'd read about the story of

1116

00:53:26,609 --> 00:53:23,979

Babylon you know a lot of that you know

1117

00:53:30,390 --> 00:53:26,619

Sodom and Gomorrah that you know that

1118

00:53:32,400 --> 00:53:30,400

was commonplace activity and then

1119

00:53:33,450 --> 00:53:32,410

decided to change their culture they

1120

00:53:37,999 --> 00:53:33,460

didn't like what other people were doing

1121

00:53:40,650 --> 00:53:38,009

and therefore it became it became evil

1122

00:53:45,390 --> 00:53:40,660

alright so where I got a couple minutes

1123

00:53:49,920 --> 00:53:45,400

left before the next break so in your in

1124

00:53:53,489 --> 00:53:49,930

your research so far what do you think

1125

00:53:59,789 --> 00:53:53,499

is the most obvious piece of evidence

1126
00:54:03,930 --> 00:53:59,799
that shouts the hey this is not a just a

1127
00:54:07,940 --> 00:54:03,940
pure spiritual story this is it's so

1128
00:54:10,499 --> 00:54:07,950
obvious that this is a historical story

1129
00:54:11,999 --> 00:54:10,509
well basically after Bigley no kind of

1130
00:54:17,609 --> 00:54:12,009
translated how it was supposed to be

1131
00:54:20,789 --> 00:54:17,619
read to me all the all the references I

1132
00:54:23,640 --> 00:54:20,799
cite in the book pretty much convincing

1133
00:54:26,130 --> 00:54:23,650
enough and concrete enough for me to

1134
00:54:29,160 --> 00:54:26,140
kind of believe I mean Ezekiel's talking

1135
00:54:32,039 --> 00:54:29,170
about some sort of spaceship or

1136
00:54:34,589 --> 00:54:32,049
helicopter possibly drones coming out I

1137
00:54:36,870 --> 00:54:34,599
mean there he's describing something you

1138
00:54:40,140 --> 00:54:36,880

know this ain't a dream it's not a

1139

00:54:44,309 --> 00:54:40,150

vision they don't have the vocabulary to

1140

00:54:47,339 --> 00:54:44,319

describe technology technological events

1141

00:54:49,979 --> 00:54:47,349

they're seen so I think I mean the story

1142

00:54:52,499 --> 00:54:49,989

of Moses is incredible - I mean what's

1143

00:54:55,229 --> 00:54:52,509

up with the you know at night is stuff

1144

00:54:57,209 --> 00:54:55,239

it's the pillar of what's the pillar of

1145

00:55:00,450 --> 00:54:57,219

smoke in a daytime then a night it's

1146

00:55:04,950 --> 00:55:00,460

like the pillar of fire yeah yeah you

1147

00:55:08,010 --> 00:55:04,960

know and I think there's a bunch I think

1148

00:55:09,690 --> 00:55:08,020

there's a lot there you know Elijah

1149

00:55:11,790 --> 00:55:09,700

you know another one of the prophets

1150

00:55:13,950 --> 00:55:11,800

well you know I'm gonna take a quick

1151
00:55:16,410 --> 00:55:13,960
break and well actually get back - yeah

1152
00:55:18,000 --> 00:55:16,420
- what let's discuss what the Prophet

1153
00:55:20,310 --> 00:55:18,010
SAW is I think that's one of the most

1154
00:55:22,140 --> 00:55:20,320
fascinating aspects of this book you

1155
00:55:24,300 --> 00:55:22,150
spend a lot of time on that this is Alan

1156
00:55:26,520 --> 00:55:24,310
B Smith hosting for paranormal now on

1157
00:55:28,380 --> 00:55:26,530
the inception radio network and my guest

1158
00:55:30,690 --> 00:55:28,390
is zvn Hayes we're talking ancient

1159
00:55:32,640 --> 00:55:30,700
aliens in the Bible and so far it's been

1160
00:55:36,130 --> 00:55:32,650
a great conversation so hang in there

1161
00:55:36,140 --> 00:55:41,040
[Music]

1162
00:55:45,340 --> 00:55:43,420
and welcome back to paranormal now this

1163
00:55:46,960 --> 00:55:45,350

is Allen Smith your host on the

1164

00:55:49,570 --> 00:55:46,970

inception radio network my guest is

1165

00:55:52,120 --> 00:55:49,580

avian haze author of ancient aliens in

1166

00:55:54,700 --> 00:55:52,130

the Bible evidence of UFOs Nephilim and

1167

00:55:57,730 --> 00:55:54,710

the true face of angels and ancient

1168

00:56:03,300 --> 00:55:57,740

scriptures zaezion where can people find

1169

00:56:12,430 --> 00:56:09,240

they can find me on Facebook only place

1170

00:56:14,320 --> 00:56:12,440

then I seem to exist and the book Amazon

1171

00:56:17,320 --> 00:56:14,330

is always the best place to order the

1172

00:56:19,180 --> 00:56:17,330

book and get the best deals but I guess

1173

00:56:22,120 --> 00:56:19,190

it's in Barnes & Noble or wherever they

1174

00:56:25,830 --> 00:56:22,130

sell books nowadays mm-hmm cool and how

1175

00:56:35,290 --> 00:56:31,150

think um that's available I'm at least

1176

00:56:38,470 --> 00:56:35,300

10 I guess have you write 10 books how

1177

00:56:40,030 --> 00:56:38,480

do you ever thumb for that full I'm

1178

00:56:43,450 --> 00:56:40,040

conditioned to do it now I could kind of

1179

00:56:45,370 --> 00:56:43,460

crank that out in a month but uh a lot

1180

00:56:46,810 --> 00:56:45,380

of years of practice a lot of years of

1181

00:56:48,160 --> 00:56:46,820

writing or writing write non-stop

1182

00:56:51,520 --> 00:56:48,170

writing and then you get to a point

1183

00:56:53,770 --> 00:56:51,530

where it's second nature and yeah I'm a

1184

00:56:57,400 --> 00:56:53,780

writer so like if I'm not writing I I

1185

00:57:00,040 --> 00:56:57,410

just can't function anyway but I'm at

1186

00:57:02,530 --> 00:57:00,050

the point now where that you know I've

1187

00:57:05,740 --> 00:57:02,540

done my nonfiction work you know there's

1188

00:57:08,950 --> 00:57:05,750

a bunch there and I want to kind of get

1189

00:57:11,620 --> 00:57:08,960

into want to get some novels done you

1190

00:57:15,280 --> 00:57:11,630

know and I got some television and film

1191

00:57:16,930 --> 00:57:15,290

stuff that about time it gets made you

1192

00:57:19,000 --> 00:57:16,940

know because that's how other beasts

1193

00:57:23,320 --> 00:57:19,010

right there but what are you in

1194

00:57:26,440 --> 00:57:23,330

producing your own documentary er I have

1195

00:57:31,110 --> 00:57:26,450

actually I have some like some feature

1196

00:57:34,060 --> 00:57:31,120

film stuff television okay yeah I have

1197

00:57:43,780 --> 00:57:34,070

television shows feature film mm-hmm

1198

00:57:45,460 --> 00:57:43,790

but the key to that is the money cuz

1199

00:57:46,150 --> 00:57:45,470

you've eliminated any type of middleman

1200

00:57:47,920 --> 00:57:46,160

or whatever

1201

00:57:49,780 --> 00:57:47,930

I mean before you kind of would you

1202

00:57:55,090 --> 00:57:49,790

might get lucky and write something and

1203

00:57:57,160 --> 00:57:55,100

get that sold you have to finance the

1204

00:57:58,650 --> 00:57:57,170

whole thing yourself and then give it to

1205

00:58:01,000 --> 00:57:58,660

them and hope you get distribution

1206

00:58:03,400 --> 00:58:01,010

exactly you still have to go through the

1207

00:58:06,880 --> 00:58:03,410

man to get there though you got to get

1208

00:58:08,860 --> 00:58:06,890

distribution anyways but the point is

1209

00:58:11,200 --> 00:58:08,870

the man's not gonna distribute anything

1210

00:58:13,120 --> 00:58:11,210

if yes been any money like you don't you

1211

00:58:15,820 --> 00:58:13,130

don't care he wants to see completed

1212

00:58:19,150 --> 00:58:15,830

projects ready to go you know and uh

1213

00:58:20,620 --> 00:58:19,160

it's better that way anyways honestly at

1214

00:58:23,170 --> 00:58:20,630

least you control some aspect of what

1215

00:58:25,150 --> 00:58:23,180

you're doing but it costs money it's

1216

00:58:26,650 --> 00:58:25,160

expensive you know it's really expensive

1217

00:58:32,410 --> 00:58:26,660

I wanted to the arrow flip movie with

1218

00:58:34,750 --> 00:58:32,420

Orlando Bloom you know it's 30 million

1219

00:58:36,250 --> 00:58:34,760

maybe forty fifty I mean you want 40

1220

00:58:39,100 --> 00:58:36,260

million in escrow before you even holler

1221

00:58:40,450 --> 00:58:39,110

at anybody right we're gonna come up

1222

00:58:42,850 --> 00:58:40,460

with forty million dollars you know and

1223

00:58:45,760 --> 00:58:42,860

even to get two million dollars to do an

1224

00:58:47,590 --> 00:58:45,770

independent film there's a lot of money

1225

00:58:48,790 --> 00:58:47,600

to come up with and then how you gonna

1226

00:58:53,170 --> 00:58:48,800

make any money you know you do a

1227

00:58:54,700 --> 00:58:53,180

documentary you know unless you're doing

1228

00:58:57,480 --> 00:58:54,710

a television some sort of television

1229

00:59:00,550 --> 00:58:57,490

series it's very hard to get a

1230

00:59:03,280 --> 00:59:00,560

documentary the point where you and

1231

00:59:05,050 --> 00:59:03,290

where it makes any money to get your

1232

00:59:07,540 --> 00:59:05,060

money back you might be able to get it

1233

00:59:09,820 --> 00:59:07,550

shown and seen which is good cuz that's

1234

00:59:12,550 --> 00:59:09,830

gonna help you with the next one but you

1235

00:59:16,660 --> 00:59:12,560

know to actually make a return it's very

1236

00:59:18,100 --> 00:59:16,670

difficult with anything actually so but

1237

00:59:20,260 --> 00:59:18,110

the point is you do it because you love

1238

00:59:22,120 --> 00:59:20,270

it and it's something just you you you

1239

00:59:24,130 --> 00:59:22,130

feel passionate about and you believe in

1240

00:59:26,710 --> 00:59:24,140

it and it's not about the money in that

1241

00:59:28,090 --> 00:59:26,720

regards you can't like I all the books I

1242

00:59:29,500 --> 00:59:28,100

write I don't do it because I'm trying

1243

00:59:31,540 --> 00:59:29,510

to get paid you know I don't know I

1244

00:59:33,520 --> 00:59:31,550

don't care you know I do it cuz I love

1245

00:59:34,900 --> 00:59:33,530

it and it's my responsibility to have

1246

00:59:37,990 --> 00:59:34,910

this knowledge I have to get it give it

1247

00:59:40,930 --> 00:59:38,000

back and and I'm capable of writing in

1248

00:59:43,360 --> 00:59:40,940

doing it you know my books they have to

1249

00:59:46,750 --> 00:59:43,370

be entertaining I wanted to be a fast

1250

00:59:48,340 --> 00:59:46,760

read and entertaining and you know in

1251
00:59:50,830 --> 00:59:48,350
facts you know I never try to put my

1252
00:59:53,590 --> 00:59:50,840
opinion in them I try to just make it

1253
00:59:55,300 --> 00:59:53,600
entertaining and put the facts and

1254
00:59:57,070 --> 00:59:55,310
your own conclusion I don't know I would

1255
00:59:59,020 --> 00:59:57,080
argue a little bit on that one

1256
01:00:01,630 --> 00:59:59,030
I think ancient aliens you definitely

1257
01:00:04,660 --> 01:00:01,640
have in a formed informed opinion don't

1258
01:00:07,210 --> 01:00:04,670
you think this one for sure definitely

1259
01:00:09,490 --> 01:00:07,220
is a hat there has to be and there's a

1260
01:00:11,050 --> 01:00:09,500
little there's a little fiery jade in

1261
01:00:13,230 --> 01:00:11,060
this I'm sure that kind of comes across

1262
01:00:18,190 --> 01:00:13,240
in a few chapters and you know

1263
01:00:19,540 --> 01:00:18,200

definitely does yep uh-huh yeah but I

1264

01:00:22,090 --> 01:00:19,550

mean it's not you know you're not

1265

01:00:23,980 --> 01:00:22,100

offensive I don't find that in that in

1266

01:00:26,020 --> 01:00:23,990

that sense at all thank you and actually

1267

01:00:29,560 --> 01:00:26,030

this it is kind of refreshing to hear

1268

01:00:31,660 --> 01:00:29,570

someone just speak how they feel you

1269

01:00:35,590 --> 01:00:31,670

know cuz that look there's there's a ton

1270

01:00:38,200 --> 01:00:35,600

of work on these subjects that are where

1271

01:00:39,790 --> 01:00:38,210

people are trying to be as academic not

1272

01:00:41,980 --> 01:00:39,800

that yours you know isn't well

1273

01:00:49,090 --> 01:00:41,990

researched but they're trying so hard to

1274

01:00:52,210 --> 01:00:49,100

come across as dry and academic exactly

1275

01:00:55,060 --> 01:00:52,220

yeah and and I thought yours was you

1276

01:00:57,760 --> 01:00:55,070

know a refreshing change it you know

1277

01:00:59,770 --> 01:00:57,770

wasn't you know and this is not I'm not

1278

01:01:02,410 --> 01:00:59,780

knocking the the writing at all but it

1279

01:01:04,090 --> 01:01:02,420

wasn't it was somewhat of an easier read

1280

01:01:05,500 --> 01:01:04,100

it float I could I could get through it

1281

01:01:08,470 --> 01:01:05,510

I can get the concepts I understood your

1282

01:01:10,150 --> 01:01:08,480

points very clearly and you know there

1283

01:01:12,310 --> 01:01:10,160

weren't five hundred asterisks or four

1284

01:01:18,790 --> 01:01:12,320

references that I had to refer to thank

1285

01:01:21,610 --> 01:01:18,800

you make it fast

1286

01:01:24,160 --> 01:01:21,620

that's why I had to strip down a lot I

1287

01:01:26,350 --> 01:01:24,170

didn't use that like the Hebrew words

1288

01:01:28,000 --> 01:01:26,360

and the tablets and you know if I felt

1289

01:01:30,610 --> 01:01:28,010

it'd be a distraction and it's too much

1290

01:01:31,810 --> 01:01:30,620

you know it's too much more I think if I

1291

01:01:34,540 --> 01:01:31,820

could kind of strip it down to some of

1292

01:01:37,960 --> 01:01:34,550

the basic keywords and explain those I

1293

01:01:39,670 --> 01:01:37,970

think work better right well and and

1294

01:01:42,310 --> 01:01:39,680

that's not to say I think that the

1295

01:01:45,310 --> 01:01:42,320

academic books for people are are trying

1296

01:01:47,140 --> 01:01:45,320

to you know fill the pages with as much

1297

01:01:48,040 --> 01:01:47,150

reference as possible I think those are

1298

01:01:49,570 --> 01:01:48,050

important too

1299

01:01:52,980 --> 01:01:49,580

I just think that then we need to have

1300

01:01:55,330 --> 01:01:52,990

both and you know which one shouldn't be

1301

01:01:58,660 --> 01:01:55,340

thought of as being at a higher level

1302

01:01:59,860 --> 01:01:58,670

than the other you know the author being

1303

01:02:01,810 --> 01:01:59,870

at higher level than the other just

1304

01:02:04,630 --> 01:02:01,820

because the writing styles and approach

1305

01:02:06,789 --> 01:02:04,640

is different but I mean yeah you you use

1306

01:02:09,009 --> 01:02:06,799

language that is almost languish

1307

01:02:11,319 --> 01:02:09,019

I wish I hadn't made some notes of some

1308

01:02:13,120 --> 01:02:11,329

of the words that you use but it was it

1309

01:02:14,529 --> 01:02:13,130

felt it felt conversational I felt like

1310

01:02:17,890 --> 01:02:14,539

I was sitting down with you and you were

1311

01:02:19,269 --> 01:02:17,900

sharing a story with me thank you and

1312

01:02:22,959 --> 01:02:19,279

that's and if you check out my other

1313

01:02:25,809 --> 01:02:22,969

books you know you'll see other styles

1314

01:02:29,049 --> 01:02:25,819

basically kind of the same in the aspect

1315

01:02:30,729 --> 01:02:29,059

where I it's entertaining I want people

1316

01:02:33,419 --> 01:02:30,739

to read it I want people to be to be

1317

01:02:37,269 --> 01:02:33,429

able to read it and get through it and

1318

01:02:40,059 --> 01:02:37,279

not not be bombarded with such new

1319

01:02:42,999 --> 01:02:40,069

concepts and new words and big fancy

1320

01:02:47,169 --> 01:02:43,009

words I have to get a Thea source you

1321

01:02:48,759 --> 01:02:47,179

know yeah I'm definitely a writer and

1322

01:02:51,759 --> 01:02:48,769

definitely snobbish and that's why I

1323

01:02:53,169 --> 01:02:51,769

kind of want to get into fiction more

1324

01:02:55,839 --> 01:02:53,179

right you know there's more freedom

1325

01:02:59,499 --> 01:02:55,849

there getting stuck in the the

1326

01:03:03,189 --> 01:02:59,509

nonfiction barrio for for a decade was I

1327

01:03:05,589 --> 01:03:03,199

was it's kind of tough you know because

1328

01:03:09,459 --> 01:03:05,599

there's so much work involved other than

1329

01:03:11,799 --> 01:03:09,469

writing the research the reading being

1330

01:03:13,449 --> 01:03:11,809

able to source being able to you know

1331

01:03:15,640 --> 01:03:13,459

you read a bunch of crap and then you

1332

01:03:18,429 --> 01:03:15,650

got like maybe one sense out of whatever

1333

01:03:21,719 --> 01:03:18,439

you just read if that right I mean it's

1334

01:03:24,609 --> 01:03:21,729

a whole other whole other style you know

1335

01:03:26,589 --> 01:03:24,619

but I think you know it's important

1336

01:03:29,349 --> 01:03:26,599

nowadays that people read in and in

1337

01:03:33,539 --> 01:03:29,359

reading it seems to be like a lost art

1338

01:03:37,029 --> 01:03:33,549

you know which bothers me because

1339

01:03:40,299 --> 01:03:37,039

actually reading a novel or any type of

1340

01:03:42,130 --> 01:03:40,309

book is personal between you and that

1341

01:03:43,689 --> 01:03:42,140

what you're reading you know it creates

1342

01:03:46,239 --> 01:03:43,699

your own little thing in your own head

1343

01:03:49,959 --> 01:03:46,249

so that's that that that's only yours

1344

01:03:51,969 --> 01:03:49,969

like so and it's ancient thing and we

1345

01:03:54,579 --> 01:03:51,979

should all be thankful that we can read

1346

01:03:55,929 --> 01:03:54,589

and have the ability to actually have

1347

01:03:58,289 --> 01:03:55,939

books especially in an era when they're

1348

01:04:00,339 --> 01:03:58,299

censoring trying to censor everything

1349

01:04:01,929 --> 01:04:00,349

right I don't know if you're familiar

1350

01:04:06,099 --> 01:04:01,939

this but um have you ever heard of the

1351
01:04:07,599 --> 01:04:06,109
Black Knight satellite yeah I don't know

1352
01:04:11,199 --> 01:04:07,609
what to make of that because that's

1353
01:04:13,179 --> 01:04:11,209
definitely a mystery well but for the

1354
01:04:15,470 --> 01:04:13,189
for the break I played satellite by Dave

1355
01:04:17,240 --> 01:04:15,480
Matthews and and

1356
01:04:21,620 --> 01:04:17,250
and then it hit me I was like let me ask

1357
01:04:23,090 --> 01:04:21,630
him about about that you know I don't I

1358
01:04:25,070 --> 01:04:23,100
don't have I've seen very good evidence

1359
01:04:28,780 --> 01:04:25,080
for it to me just seems like a legend at

1360
01:04:33,440 --> 01:04:28,790
this point yeah so I kind of think maybe

1361
01:04:35,150 --> 01:04:33,450
junk I guess Tesla kind of supposedly

1362
01:04:37,160 --> 01:04:35,160
identified it but you know I don't think

1363
01:04:40,640 --> 01:04:37,170

so actually

1364

01:04:46,490 --> 01:04:40,650

unified yeah because what I mean Tesla

1365

01:04:49,390 --> 01:04:46,500

he what he was expressing it was like he

1366

01:04:53,150 --> 01:04:49,400

wasn't in touch with different entities

1367

01:04:55,610 --> 01:04:53,160

or some intelligent source I don't think

1368

01:04:57,830 --> 01:04:55,620

that that he was saying he was literally

1369

01:04:59,540 --> 01:04:57,840

downloading information from a not that

1370

01:05:02,330 --> 01:04:59,550

he had that that word that phrase but

1371

01:05:03,470 --> 01:05:02,340

from a object that's rotating around the

1372

01:05:06,020 --> 01:05:03,480

earth and that's where he got all his

1373

01:05:10,550 --> 01:05:06,030

information I think it was much more

1374

01:05:11,570 --> 01:05:10,560

metaphysical than that exactly yep right

1375

01:05:14,140 --> 01:05:11,580

okay so let's get down to the

1376

01:05:19,880 --> 01:05:14,150

nitty-gritty

1377

01:05:23,510 --> 01:05:19,890

you know literal evidence the literary

1378

01:05:24,950 --> 01:05:23,520

evidence so what what are the the

1379

01:05:28,370 --> 01:05:24,960

prophets that stand out to you most I

1380

01:05:30,910 --> 01:05:28,380

know Elijah Enoch Enoch is egg is one of

1381

01:05:38,120 --> 01:05:30,920

the most fascinating characters I think

1382

01:05:41,240 --> 01:05:38,130

unfortunately the the the the four

1383

01:05:43,700 --> 01:05:41,250

Gospels and our than in the New

1384

01:05:46,670 --> 01:05:43,710

Testament don't really refer to him very

1385

01:05:51,140 --> 01:05:46,680

much and then he was cut out of the Old

1386

01:05:55,940 --> 01:05:51,150

Testament for the most part so what

1387

01:05:57,880 --> 01:05:55,950

stories of these amazing prophets do you

1388

01:06:02,180 --> 01:05:57,890

think were the most fascinating that

1389

01:06:07,380 --> 01:06:02,190

made the connection between the Sumerian

1390

01:06:13,870 --> 01:06:11,259

want me to knock you know he's mentioned

1391

01:06:15,519 --> 01:06:13,880

a few times in the Bible before you know

1392

01:06:17,410 --> 01:06:15,529

this kind of forget all about him and

1393

01:06:22,299 --> 01:06:17,420

they made his books almost illegal to

1394

01:06:25,450 --> 01:06:22,309

read yeah he's definitely most important

1395

01:06:27,999 --> 01:06:25,460

because he describes you know he had he

1396

01:06:31,660 --> 01:06:28,009

was given a tour of space and he's

1397

01:06:35,769 --> 01:06:31,670

actually describing you know how their

1398

01:06:39,700 --> 01:06:35,779

change is higher he gets right so he's

1399

01:06:45,279 --> 01:06:39,710

very fascinating character III like the

1400

01:06:47,410 --> 01:06:45,289

whole the whole love mech I'm not sure

1401

01:06:50,440 --> 01:06:47,420

if Lamech will qualify as a prophet but

1402

01:06:53,829 --> 01:06:50,450

he definitely was someone who had an

1403

01:06:55,599 --> 01:06:53,839

interesting experience and he believed

1404

01:06:59,859 --> 01:06:55,609

he his great-grandfather or his

1405

01:07:03,970 --> 01:06:59,869

grandfather was you know I think so so

1406

01:07:06,160 --> 01:07:03,980

Lamech basically you know he found out

1407

01:07:08,220 --> 01:07:06,170

the hard way that his wife was kind of

1408

01:07:14,019 --> 01:07:08,230

getting freaky with one of the angels

1409

01:07:18,700 --> 01:07:14,029

and then when they had a son it was

1410

01:07:21,579 --> 01:07:18,710

glowing eyes right it's mmm he noted how

1411

01:07:23,410 --> 01:07:21,589

it didn't look like him he was

1412

01:07:29,549 --> 01:07:23,420

suspicious that I might be a son of an

1413

01:07:32,229 --> 01:07:29,559

angel and I'm an angel

1414

01:07:35,140 --> 01:07:32,239

yeah exactly and he had to go all the

1415

01:07:37,870 --> 01:07:35,150

way you know to wherever he's a

1416

01:07:42,579 --> 01:07:37,880

grandfather Enoch was to say hey what's

1417

01:07:46,089 --> 01:07:42,589

going on with this right so I that point

1418

01:07:47,680 --> 01:07:46,099

and he was supposed to have been taken

1419

01:07:51,069 --> 01:07:47,690

away on a spaceship right or is that

1420

01:07:52,870 --> 01:07:51,079

Elijah well you have been taken away but

1421

01:07:55,120 --> 01:07:52,880

he had to come back and he was living

1422

01:07:56,680 --> 01:07:55,130

with the gods right so he had to go and

1423

01:08:01,660 --> 01:07:56,690

find signed him living with the gods

1424

01:08:03,789 --> 01:08:01,670

right right yeah so how cool is that you

1425

01:08:06,970 --> 01:08:03,799

know and you have as I say we have

1426

01:08:09,489 --> 01:08:06,980

Elijah mm-hmm you know thing about

1427

01:08:12,430 --> 01:08:09,499

Elijah was interesting because you know

1428

01:08:15,850 --> 01:08:12,440

he goes up because all these encounters

1429

01:08:18,910 --> 01:08:15,860

usually happen on top of a mountain

1430

01:08:20,290 --> 01:08:18,920

right I guess you know the spaceship

1431

01:08:23,010 --> 01:08:20,300

because it's always rumbling in

1432

01:08:25,090 --> 01:08:23,020

earthquakes you know the big noise

1433

01:08:28,000 --> 01:08:25,100

attributed to these you know the gods

1434

01:08:32,890 --> 01:08:28,010

you know yeah it's these heavenly

1435

01:08:36,220 --> 01:08:32,900

chariots right so elijah goes up and he

1436

01:08:38,980 --> 01:08:36,230

kind of disappears but his followers

1437

01:08:41,740 --> 01:08:38,990

were worried about him right cuz you

1438

01:08:43,720 --> 01:08:41,750

know they thought he I got blown off the

1439

01:08:46,450 --> 01:08:43,730

mount off the top of the mountain by one

1440

01:08:48,990 --> 01:08:46,460

of the world winds one of the the great

1441

01:08:51,880 --> 01:08:49,000

whirlwinds of the Chariots of the Gods

1442

01:08:53,500 --> 01:08:51,890

blew him off the mountain so they spent

1443

01:08:56,500 --> 01:08:53,510

like three days in the valley looking

1444

01:08:59,500 --> 01:08:56,510

for him it's pretty interesting because

1445

01:09:01,390 --> 01:08:59,510

if this was just a vision they're not

1446

01:09:02,980 --> 01:09:01,400

gonna be walking around the hot desert

1447

01:09:05,290 --> 01:09:02,990

for three days looking for their friend

1448

01:09:08,170 --> 01:09:05,300

well you know I think what I like what

1449

01:09:09,849 --> 01:09:08,180

you did in the book too is um you tried

1450

01:09:13,060 --> 01:09:09,859

you know I think you tried to explain

1451
01:09:14,890 --> 01:09:13,070
that in a way that was much more

1452
01:09:16,720 --> 01:09:14,900
advanced technology than rocket

1453
01:09:18,099 --> 01:09:16,730
technology because so many times I've

1454
01:09:20,250 --> 01:09:18,109
heard the ancient alien theory and that

1455
01:09:22,630 --> 01:09:20,260
they're talking about you know

1456
01:09:24,310 --> 01:09:22,640
equivalent to modern-day rockets and it

1457
01:09:27,670 --> 01:09:24,320
doesn't seem to ever make sense to me

1458
01:09:31,540 --> 01:09:27,680
that I species this advanced would use

1459
01:09:34,780 --> 01:09:31,550
rocket ships to to you know land and

1460
01:09:36,390 --> 01:09:34,790
take off it's just I don't know it just

1461
01:09:38,710 --> 01:09:36,400
seems like that's where we are now

1462
01:09:41,110 --> 01:09:38,720
that's not where we're gonna be in a

1463
01:09:44,910 --> 01:09:41,120

hundred years plus from now so why would

1464

01:09:48,120 --> 01:09:44,920

these ultra progressive you know species

1465

01:09:51,520 --> 01:09:48,130

use old technology doesn't make sense

1466

01:09:55,080 --> 01:09:51,530

yeah I never got the whole trying to

1467

01:09:59,440 --> 01:09:55,090

project the rocket into ancient history

1468

01:10:00,850 --> 01:09:59,450

I think even even Sitchin kind of found

1469

01:10:03,370 --> 01:10:00,860

a relief where you try to say that it

1470

01:10:06,160 --> 01:10:03,380

was like some rocky roads this seemed to

1471

01:10:07,990 --> 01:10:06,170

make sense I mean think about what what

1472

01:10:09,790 --> 01:10:08,000

have we done with the rock and now like

1473

01:10:12,280 --> 01:10:09,800

the Rockets pretty much useless can't it

1474

01:10:14,560 --> 01:10:12,290

what's the dude I mean really I mean

1475

01:10:17,230 --> 01:10:14,570

kind of goes up go straight up a little

1476

01:10:20,050 --> 01:10:17,240

bit you know get some stuff to a space

1477

01:10:22,760 --> 01:10:20,060

station it's utterly useless and they

1478

01:10:24,830 --> 01:10:22,770

know that they know that

1479

01:10:27,170 --> 01:10:24,840

no matter how advanced the rocket is

1480

01:10:29,000 --> 01:10:27,180

it's it's you know okay look at the new

1481

01:10:30,860 --> 01:10:29,010

stuff we're seeing about the fake moon

1482

01:10:33,200 --> 01:10:30,870

landing right and they're like well if

1483

01:10:34,520 --> 01:10:33,210

if if they land on the moon where's that

1484

01:10:37,160 --> 01:10:34,530

where's where's the evidence of the

1485

01:10:39,770 --> 01:10:37,170

rocket coming down right of the the

1486

01:10:41,870 --> 01:10:39,780

propulsion from the lander would just

1487

01:10:44,090 --> 01:10:41,880

blow away everything it would be if it's

1488

01:10:47,240 --> 01:10:44,100

a massive ordeal to liftoff it's gonna

1489

01:10:51,260 --> 01:10:47,250

be the same thing coming down any final

1490

01:10:55,970 --> 01:10:51,270

evidence of this right and get close you

1491

01:10:58,760 --> 01:10:55,980

can't get close to that either boses

1492

01:11:01,190 --> 01:10:58,770

right he was warned he goes up and you

1493

01:11:03,290 --> 01:11:01,200

know he has to go into cleft of the rock

1494

01:11:05,780 --> 01:11:03,300

and kind of shield himself from whatever

1495

01:11:07,580 --> 01:11:05,790

was flying over mm-hmm you know and then

1496

01:11:09,380 --> 01:11:07,590

then he goes up hangs out with them for

1497

01:11:12,470 --> 01:11:09,390

40 days and he comes back and his face

1498

01:11:14,750 --> 01:11:12,480

is all messed up he has to wear a veil

1499

01:11:17,150 --> 01:11:14,760

right what is up with that well you know

1500

01:11:19,060 --> 01:11:17,160

I when I read that and the way that you

1501

01:11:22,220 --> 01:11:19,070

explained it it sound to me more like

1502

01:11:23,750 --> 01:11:22,230

radiation exposure rather than us or

1503

01:11:26,960 --> 01:11:23,760

some some kind of radiation exposure

1504

01:11:28,580 --> 01:11:26,970

rather than you know just a a flame or

1505

01:11:30,620 --> 01:11:28,590

heat source as such because if it really

1506

01:11:35,150 --> 01:11:30,630

was a rocket I mean he'd just be singed

1507

01:11:38,270 --> 01:11:35,160

and burnt alive I'm saying definitely

1508

01:11:39,980 --> 01:11:38,280

some sort of radiation I mean what is

1509

01:11:43,460 --> 01:11:39,990

that like how come no one's been like

1510

01:11:46,270 --> 01:11:43,470

wait a minute they don't make sense and

1511

01:11:48,980 --> 01:11:46,280

then you know you have Moses which is

1512

01:11:50,870 --> 01:11:48,990

another Egyptian kind of character and

1513

01:11:53,810 --> 01:11:50,880

the Egyptian story by way and then you

1514

01:11:57,080 --> 01:11:53,820

find that also in Sumeria you know but

1515

01:12:00,110 --> 01:11:57,090

but you know but you're taught to

1516

01:12:02,510 --> 01:12:00,120

believe that you know Moses was magic

1517

01:12:05,390 --> 01:12:02,520

was good because it was from God you

1518

01:12:07,430 --> 01:12:05,400

know he had the real he had the real

1519

01:12:10,370 --> 01:12:07,440

magic you know the Pharaohs magic was

1520

01:12:12,170 --> 01:12:10,380

wicked you know right as if they're

1521

01:12:16,640 --> 01:12:12,180

battling Chris angels or something you

1522

01:12:20,480 --> 01:12:16,650

know what's going on right yeah and also

1523

01:12:26,540 --> 01:12:20,490

he it's described of him speaking

1524

01:12:30,680 --> 01:12:26,550

directly face-to-face with God in the in

1525

01:12:33,290 --> 01:12:30,690

a form and in other parts by the look

1526

01:12:34,870 --> 01:12:33,300

right it tells us that we can't handle

1527

01:12:37,720 --> 01:12:34,880

the voice of God that would it would

1528

01:12:38,979 --> 01:12:37,730

essentially destroying so hey right it's

1529

01:12:41,229 --> 01:12:38,989

kind of contradictory so what was

1530

01:12:42,729 --> 01:12:41,239

actually going on there yeah that's what

1531

01:12:45,040 --> 01:12:42,739

I'm saying like why why do you have to

1532

01:12:47,740 --> 01:12:45,050

build a certain Tabernacle a certain you

1533

01:12:50,229 --> 01:12:47,750

had to build a certain little area away

1534

01:12:52,479 --> 01:12:50,239

from the people to communicate with with

1535

01:12:56,350 --> 01:12:52,489

the God who came down and in this

1536

01:12:58,030 --> 01:12:56,360

cylinder form or whatever it right so

1537

01:13:00,280 --> 01:12:58,040

what's up with that when you know other

1538

01:13:04,780 --> 01:13:00,290

parts talk about you could never see my

1539

01:13:06,669 --> 01:13:04,790

face you know there's the contradictory

1540

01:13:09,669 --> 01:13:06,679

because who knows what was added later

1541

01:13:12,820 --> 01:13:09,679

to make you afraid as opposed to what

1542

01:13:15,040 --> 01:13:12,830

what parts are actually historical parks

1543

01:13:18,310 --> 01:13:15,050

that were misinterpreted or changed to

1544

01:13:19,890 --> 01:13:18,320

make you think that it was more fantasy

1545

01:13:24,129 --> 01:13:19,900

like instead of actual concrete

1546

01:13:28,419 --> 01:13:24,139

encounter yes I do you think it actually

1547

01:13:30,010 --> 01:13:28,429

serves the the church that that isn't

1548

01:13:32,729 --> 01:13:30,020

blurred the line between reality and

1549

01:13:35,649 --> 01:13:32,739

fantasy well that's why the whole

1550

01:13:38,320 --> 01:13:35,659

council Nicaea took all the books that

1551

01:13:41,020 --> 01:13:38,330

were too overly hard to explain with

1552

01:13:42,459 --> 01:13:41,030

ancient alien stuff right right okay you

1553

01:13:43,959 --> 01:13:42,469

know and all these things they took that

1554

01:13:46,090 --> 01:13:43,969

out and then they kind of changed the

1555

01:13:48,850 --> 01:13:46,100

language to make everything more fantasy

1556

01:13:50,800 --> 01:13:48,860

and more ethereal right

1557

01:13:52,570 --> 01:13:50,810

they couldn't have predicted that we'd

1558

01:13:55,000 --> 01:13:52,580

actually be in an age where we have

1559

01:13:56,470 --> 01:13:55,010

technology we have things flying around

1560

01:13:59,979 --> 01:13:56,480

and we have stripe toothpaste and

1561

01:14:06,550 --> 01:13:59,989

smartphones okay I like my strobe to

1562

01:14:09,970 --> 01:14:06,560

this ya know I hope anything fluoride in

1563

01:14:12,340 --> 01:14:09,980

it you should avoid you know get you

1564

01:14:15,070 --> 01:14:12,350

know Tom's a man or whatever make sure

1565

01:14:17,169 --> 01:14:15,080

there's it's children's you know non

1566

01:14:19,540 --> 01:14:17,179

fluoride toothpaste strawberry it's it's

1567

01:14:23,680 --> 01:14:19,550

very good actually it's way better it's

1568

01:14:24,910 --> 01:14:23,690

amazing the whole fluoride conspiracy is

1569

01:14:26,229 --> 01:14:24,920

incredible I don't know if you're up on

1570

01:14:29,939 --> 01:14:26,239

that but that's a whole other one you

1571

01:14:32,699 --> 01:14:29,949

can kind of look into ya know and I am

1572

01:14:37,549 --> 01:14:32,709

but

1573

01:14:40,319 --> 01:14:37,559

okay so I just want to clarify do you

1574

01:14:45,089 --> 01:14:40,329

think then that whoever Moses was

1575

01:14:49,850 --> 01:14:45,099

speaking to was a single something or

1576

01:14:53,429 --> 01:14:49,860

someone that was ahead of all of these

1577

01:14:57,959 --> 01:14:53,439

aces or the whole Nephilim or what

1578

01:15:01,529 --> 01:14:57,969

whatever that you know the group was or

1579

01:15:04,229 --> 01:15:01,539

or when when he was speaking was he

1580

01:15:07,640 --> 01:15:04,239

speaking to different people was it you

1581

01:15:10,259 --> 01:15:07,650

know the - I mean these are Brett

1582

01:15:13,310 --> 01:15:10,269

different representatives of the of the

1583

01:15:16,890 --> 01:15:13,320

Nephilim or what have you

1584

01:15:21,120 --> 01:15:16,900

- this is way after right so we don't

1585

01:15:23,689 --> 01:15:21,130

know what what forces remained in what

1586

01:15:26,969 --> 01:15:23,699

aspect I mean obviously whatever

1587

01:15:29,719 --> 01:15:26,979

whatever force remained has something in

1588

01:15:32,549 --> 01:15:29,729

Jewish Jerusalem and was very keen on

1589

01:15:35,370 --> 01:15:32,559

having power in that area in that

1590

01:15:38,399 --> 01:15:35,380

specific point of land in that time in

1591

01:15:42,089 --> 01:15:38,409

history right for some reason whatever I

1592

01:15:45,109 --> 01:15:42,099

mean it's just how it is but who's to

1593

01:15:48,299 --> 01:15:45,119

say that it was a team where it was one

1594

01:15:50,699 --> 01:15:48,309

maybe a certain crew that was kind of

1595

01:15:53,580 --> 01:15:50,709

just had that still had a technology but

1596

01:15:59,609 --> 01:15:53,590

hmm maybe was ostracize or maybe was not

1597

01:16:01,199 --> 01:15:59,619

part of other another form of their

1598

01:16:04,199 --> 01:16:01,209

prior team who know so maybe it was a

1599

01:16:07,609 --> 01:16:04,209

different type of alien altogether you

1600

01:16:12,029 --> 01:16:07,619

know maybe it was different because you

1601
01:16:13,799 --> 01:16:12,039
know there's more than one I'm sure yeah

1602
01:16:15,299 --> 01:16:13,809
and that's what I wonder because and you

1603
01:16:19,560 --> 01:16:15,309
made you made the point perfectly it was

1604
01:16:21,830 --> 01:16:19,570
post flood it was post then the initial

1605
01:16:26,879 --> 01:16:21,840
warring you know between the factions

1606
01:16:28,560 --> 01:16:26,889
Enki and Enlil so then what was left

1607
01:16:33,750 --> 01:16:28,570
exactly that's that's the question what

1608
01:16:38,129 --> 01:16:33,760
was left after that that's the question

1609
01:16:40,739 --> 01:16:38,139
we can't I mean for me we don't know I

1610
01:16:43,799 --> 01:16:40,749
mean I can't say you know I don't know I

1611
01:16:45,510 --> 01:16:43,809
wasn't there you know I would love to be

1612
01:16:47,460 --> 01:16:45,520
able to time travel and decel

1613
01:16:52,050 --> 01:16:47,470

look and see what what hell was going on

1614

01:16:54,300 --> 01:16:52,060

back then right you know it could be

1615

01:16:56,970 --> 01:16:54,310

something as simple as future time

1616

01:17:00,060 --> 01:16:56,980

travelers who knows I don't know you

1617

01:17:04,350 --> 01:17:00,070

have you have a space for for an actual

1618

01:17:06,390 --> 01:17:04,360

God in all this personally

1619

01:17:12,140 --> 01:17:06,400

wasn't it within the story is there is

1620

01:17:16,320 --> 01:17:14,280

it wouldn't be involved in any of this

1621

01:17:22,670 --> 01:17:16,330

because he's not gonna he's not gonna

1622

01:17:25,020 --> 01:17:22,680

care about you know the leading Moses to

1623

01:17:27,510 --> 01:17:25,030

its metaphysical it doesn't build things

1624

01:17:29,550 --> 01:17:27,520

not it's not even bound by those those

1625

01:17:31,170 --> 01:17:29,560

laws right I mean that's nothing to do

1626

01:17:33,420 --> 01:17:31,180

well whatever they're talking about

1627

01:17:34,980 --> 01:17:33,430

whatever it Moses was dealing with

1628

01:17:37,140 --> 01:17:34,990

whatever these prophets were dealing

1629

01:17:39,420 --> 01:17:37,150

with you know these are physical

1630

01:17:41,370 --> 01:17:39,430

characters these are and then these

1631

01:17:45,510 --> 01:17:41,380

weren't gods you know they might have

1632

01:17:47,310 --> 01:17:45,520

godlike abilities and you know highly

1633

01:17:50,550 --> 01:17:47,320

advanced I would I would assume but

1634

01:17:53,780 --> 01:17:50,560

these are physical encounters that far

1635

01:17:57,380 --> 01:17:53,790

removed from the actual you know what

1636

01:17:59,730 --> 01:17:57,390

the the metaphysical principles and

1637

01:18:01,290 --> 01:17:59,740

metaphysical like the laws of the

1638

01:18:02,400 --> 01:18:01,300

universal laws man you could call

1639

01:18:04,680 --> 01:18:02,410

whatever you want you could give any

1640

01:18:08,760 --> 01:18:04,690

name you want to it they're all bound by

1641

01:18:10,950 --> 01:18:08,770

certain things karma in certain rules

1642

01:18:14,870 --> 01:18:10,960

that are just always going to exist

1643

01:18:21,530 --> 01:18:14,880

right you know so I don't I'm not sure

1644

01:18:25,320 --> 01:18:21,540

why there was such a emphasis on Israel

1645

01:18:27,540 --> 01:18:25,330

and I could see how you know over time

1646

01:18:30,720 --> 01:18:27,550

the Hebrews you know would would want to

1647

01:18:32,580 --> 01:18:30,730

change it literally if you're gonna be

1648

01:18:34,170 --> 01:18:32,590

around because hit like we know this

1649

01:18:37,500 --> 01:18:34,180

right history is written by the winners

1650

01:18:39,720 --> 01:18:37,510

you know so so if they've been winning

1651

01:18:41,970 --> 01:18:39,730

since that time they're gonna kind of

1652

01:18:43,890 --> 01:18:41,980

change a lot and introduce a lot and

1653

01:18:46,380 --> 01:18:43,900

kind of put them at the center that's

1654

01:18:48,060 --> 01:18:46,390

why you you know all this you know God's

1655

01:18:51,660 --> 01:18:48,070

chosen people and all this stuff like

1656

01:18:53,550 --> 01:18:51,670

how on earth that still somehow relevant

1657

01:18:56,220 --> 01:18:53,560

today and they're able to kind of

1658

01:18:57,289 --> 01:18:56,230

convince people even to this day I mean

1659

01:19:01,969 --> 01:18:57,299

that's

1660

01:19:04,789 --> 01:19:01,979

pretty amazing you know so what actually

1661

01:19:08,269 --> 01:19:04,799

happened back then to give them that

1662

01:19:11,029 --> 01:19:08,279

sort of you know chutzpah or whatever

1663

01:19:13,969 --> 01:19:11,039

you know mm-hmm yeah well I think that

1664

01:19:17,409 --> 01:19:13,979

it's true that the victors write their

1665

01:19:20,299 --> 01:19:17,419

own history and that's true of the

1666

01:19:23,419 --> 01:19:20,309

ancient Jewish people as well but they

1667

01:19:25,819 --> 01:19:23,429

were also persecuted so during times of

1668

01:19:29,569 --> 01:19:25,829

persecution you want to feel like there

1669

01:19:32,029 --> 01:19:29,579

is a way out there do not you're not

1670

01:19:33,709 --> 01:19:32,039

just an oppressed meaningless people

1671

01:19:36,469 --> 01:19:33,719

right there you have you have value have

1672

01:19:40,009 --> 01:19:36,479

meaning give profound meaning and and so

1673

01:19:42,909 --> 01:19:40,019

you write history within your religion

1674

01:19:45,409 --> 01:19:42,919

that that gives you that meaning and

1675

01:19:47,149 --> 01:19:45,419

that's them that's true of any time in

1676

01:19:49,129 --> 01:19:47,159

any place so I know what you're saying

1677

01:19:51,319 --> 01:19:49,139

yeah that it's it's ancient so how did

1678

01:19:54,319 --> 01:19:51,329

that get passed down specifically that

1679

01:19:57,439 --> 01:19:54,329

you know the Israelites for the chosen

1680

01:19:59,899 --> 01:19:57,449

ones I think it's as simple as people

1681

01:20:01,789 --> 01:19:59,909

people want to feel like like they're

1682

01:20:03,739 --> 01:20:01,799

the chosen ones that no matter what

1683

01:20:06,589 --> 01:20:03,749

happens they're gonna be taken care of

1684

01:20:09,649 --> 01:20:06,599

in the end right but you find this in

1685

01:20:11,569 --> 01:20:09,659

the same thing as Islam right my book

1686

01:20:13,069 --> 01:20:11,579

you know this my god you know this is

1687

01:20:14,989 --> 01:20:13,079

the only book you can read right

1688

01:20:17,449 --> 01:20:14,999

Christianity kind of same thing King

1689

01:20:19,250 --> 01:20:17,459

James Bible you know you find this and

1690

01:20:23,329 --> 01:20:19,260

then the principles the Abrahamic

1691

01:20:25,009 --> 01:20:23,339

religions and people who only you know

1692

01:20:27,889 --> 01:20:25,019

practice Islam since they were a child

1693

01:20:32,389 --> 01:20:27,899

or practice you know Hebrew Judaism

1694

01:20:35,779 --> 01:20:32,399

whatever if they only do that and they

1695

01:20:39,229 --> 01:20:35,789

never look to what the ancient Indians

1696

01:20:42,279 --> 01:20:39,239

had to say and if they don't read the

1697

01:20:47,019 --> 01:20:42,289

ancient Hindu texts write Ramayana and

1698

01:20:49,189 --> 01:20:47,029

the Vedas and vodka pita and all this

1699

01:20:50,239 --> 01:20:49,199

they're gonna be missing out a lot and

1700

01:20:52,879 --> 01:20:50,249

they're not gonna be able to piece

1701

01:20:54,589 --> 01:20:52,889

together the puzzle and if they don't

1702

01:20:57,199 --> 01:20:54,599

look into what the Native Americans have

1703

01:20:58,729 --> 01:20:57,209

been saying they're not gonna get that

1704

01:21:00,889 --> 01:20:58,739

as well they're just gonna be stuck in

1705

01:21:03,849 --> 01:21:00,899

one paradigm when you look at the

1706

01:21:06,679 --> 01:21:03,859

ancient Indian stuff it's like well okay

1707

01:21:08,869 --> 01:21:06,689

because they have no qualms they're all

1708

01:21:10,820 --> 01:21:08,879

about ancient aliens and ancient

1709

01:21:14,240 --> 01:21:10,830

freaking nuclear wars I mean

1710

01:21:16,250 --> 01:21:14,250

all about yeah that's no big deal right

1711

01:21:18,560 --> 01:21:16,260

so it's like oh wait a minute you know

1712

01:21:21,650 --> 01:21:18,570

here's another ancient civilization with

1713

01:21:24,050 --> 01:21:21,660

megalithic structures incredible history

1714

01:21:26,360 --> 01:21:24,060

and you know maybe we should kind of

1715

01:21:28,970 --> 01:21:26,370

listen to what they got to say and then

1716

01:21:31,390 --> 01:21:28,980

you look at the Native Americans you

1717

01:21:34,550 --> 01:21:31,400

know they're all about star people and

1718

01:21:36,320 --> 01:21:34,560

aliens reptilians and like yeah it's not

1719

01:21:38,810 --> 01:21:36,330

even a big deal Giants man they're

1720

01:21:43,210 --> 01:21:38,820

fighting names of giants way back you

1721

01:21:48,350 --> 01:21:43,220

know so I think it's kind of a universal

1722

01:21:50,740 --> 01:21:48,360

thing you know it's a consciousness now

1723

01:21:54,230 --> 01:21:50,750

it's expanding we we have a sort of

1724

01:21:56,210 --> 01:21:54,240

universal consciousness anyways so I

1725

01:21:57,710 --> 01:21:56,220

think with the internet I mean the

1726

01:22:00,350 --> 01:21:57,720

Internet is a great tool because it

1727

01:22:02,990 --> 01:22:00,360

allows you to have information right and

1728

01:22:05,810 --> 01:22:03,000

you could look up anything in here in a

1729

01:22:08,360 --> 01:22:05,820

position where you there's no excuse to

1730

01:22:11,600 --> 01:22:08,370

be dumb the problem with the Internet as

1731

01:22:14,270 --> 01:22:11,610

well is is but the same thing is the the

1732

01:22:18,020 --> 01:22:14,280

Internet is also dark tool because it it

1733

01:22:19,520 --> 01:22:18,030

killed attention spans and it made you

1734

01:22:23,900 --> 01:22:19,530

know make everyone pretty much drooling

1735

01:22:27,710 --> 01:22:23,910

Sam that's right yeah I mean it's the

1736

01:22:30,800 --> 01:22:27,720

zombie effect I think you can see it

1737

01:22:35,240 --> 01:22:30,810

clearly here in the metropolitan area in

1738

01:22:36,830 --> 01:22:35,250

New York City I mean this my wife and I

1739

01:22:40,220 --> 01:22:36,840

were just talking about that today today

1740

01:22:42,470 --> 01:22:40,230

people are walking around the street you

1741

01:22:45,890 --> 01:22:42,480

know crossing intersections with cars

1742

01:22:50,720 --> 01:22:45,900

and people and they're staring at their

1743

01:22:53,660 --> 01:22:50,730

phone it's it's crazy it's crazy I mean

1744

01:22:58,520 --> 01:22:53,670

it's not everybody but it's enough that

1745

01:23:00,200 --> 01:22:58,530

it is it is troubling well you know what

1746

01:23:01,820 --> 01:23:00,210

the long-term effects of this is gonna

1747

01:23:06,140 --> 01:23:01,830

be other than just sort of zoning out

1748

01:23:07,670 --> 01:23:06,150

life and then of course like there is a

1749

01:23:09,980 --> 01:23:07,680

life within the phone you can still have

1750

01:23:14,060 --> 01:23:09,990

like a social life through the phone I

1751

01:23:16,340 --> 01:23:14,070

get that I do that too but um but but

1752

01:23:20,360 --> 01:23:16,350

when you're in the you know the the

1753

01:23:22,940 --> 01:23:20,370

three-dimensional world people more and

1754

01:23:24,140 --> 01:23:22,950

more people are disconnecting I see it

1755

01:23:26,000 --> 01:23:24,150

for sure

1756

01:23:32,270 --> 01:23:26,010

I don't think it's absolutely dire yet

1757

01:23:34,760 --> 01:23:32,280

but it could be in time and exactly yeah

1758

01:23:37,100 --> 01:23:34,770

that's that's the next big scare right

1759

01:23:40,910 --> 01:23:37,110

other than water surge all right coming

1760

01:23:42,410 --> 01:23:40,920

up then next and final segment is avian

1761

01:23:44,450 --> 01:23:42,420

haze we're going to continue speaking up

1762

01:23:48,320 --> 01:23:44,460

with speaking about his ancient aliens

1763

01:23:50,450 --> 01:23:48,330

in the Bible evidence of UFOs Nephilim

1764

01:23:52,130 --> 01:23:50,460

and the true face of angels and ancient

1765

01:23:53,930 --> 01:23:52,140

scriptures this is Alan B Smith on the

1766

01:24:00,720 --> 01:23:53,940

inception radio network hang in there

1767

01:24:05,419 --> 01:24:03,250

[Music]

1768

01:24:07,160 --> 01:24:05,429

welcome back to paranormal now this is

1769

01:24:09,439 --> 01:24:07,170

Alan B Smith your host on the inception

1770

01:24:10,970 --> 01:24:09,449

radio network my guest tonight is leave

1771

01:24:14,630 --> 01:24:10,980

Ian Hayes and taking us out of the break

1772

01:24:15,620 --> 01:24:14,640

is what I got by sublime for all my

1773

01:24:18,169 --> 01:24:15,630

nineties people you know what I'm

1774

01:24:20,780 --> 01:24:18,179

talking about and I'm just gonna put a

1775

01:24:24,200 --> 01:24:20,790

shout out again to galaxy

1776

01:24:26,060 --> 01:24:24,210

GA LAX underscore IA on instagram check

1777

01:24:28,640 --> 01:24:26,070

out her account it's awesome she's also

1778

01:24:31,399 --> 01:24:28,650

one of the owners of ambrosia elixirs

1779

01:24:32,780 --> 01:24:31,409

which is opening up in Brooklyn I was so

1780

01:24:34,130 --> 01:24:32,790

close to going there the other day and I

1781

01:24:36,830 --> 01:24:34,140

didn't go but they're having a soft

1782

01:24:38,479 --> 01:24:36,840

opening so I'm not sure what the exact

1783

01:24:40,399 --> 01:24:38,489

times are yet but if you live in New

1784

01:24:41,810 --> 01:24:40,409

York area or Brooklyn at least check out

1785

01:24:45,140 --> 01:24:41,820

their website and sign up for their

1786

01:24:46,790 --> 01:24:45,150

newsletter if for when they're next

1787

01:24:50,320 --> 01:24:46,800

their actual official opening date will

1788

01:24:53,120 --> 01:24:50,330

be these guys are pretty cool okay so

1789

01:24:54,919 --> 01:24:53,130

getting back to the the core topic we've

1790

01:24:56,660 --> 01:24:54,929

covered so much ground and and there's

1791

01:25:00,439 --> 01:24:56,670

so much more ground to cover but we have

1792

01:25:02,300 --> 01:25:00,449

one last segment here Davian so before

1793

01:25:04,850 --> 01:25:02,310

we get into that I want to ask you a

1794

01:25:06,740 --> 01:25:04,860

little bit about Jesus as well but again

1795

01:25:10,640 --> 01:25:06,750

people can find you on Facebook they can

1796

01:25:12,410 --> 01:25:10,650

find your books on Amazon and if you

1797

01:25:15,350 --> 01:25:12,420

want to file a paranormal now just go at

1798

01:25:17,570 --> 01:25:15,360

powering on one hour radio on Facebook

1799

01:25:19,760 --> 01:25:17,580

and on Instagram it's at paranormal now

1800

01:25:21,470 --> 01:25:19,770

and you can follow me there I post here

1801
01:25:23,810 --> 01:25:21,480
and there on Facebook for updates on

1802
01:25:25,700 --> 01:25:23,820
shows and as well on Instagram and

1803
01:25:28,939 --> 01:25:25,710
that's kind of like my playground to

1804
01:25:31,610 --> 01:25:28,949
Instagram as well all right cool so

1805
01:25:49,640 --> 01:25:31,620
Simon let's let's hear what you have to

1806
01:25:50,990 --> 01:25:49,650
say about Yeshua Jesus I mean I have as

1807
01:25:54,399 --> 01:25:51,000
a researcher and you know as a

1808
01:25:57,620 --> 01:25:54,409
journalist and you know I'm all about

1809
01:26:01,939 --> 01:25:57,630
trying to get the most amount of

1810
01:26:06,380 --> 01:26:01,949
information I can right but uh you know

1811
01:26:08,030 --> 01:26:06,390
with Jesus there's so much you know

1812
01:26:10,070 --> 01:26:08,040
there's so much where you could kind of

1813
01:26:13,250 --> 01:26:10,080

say okay this guy was a total creation

1814

01:26:14,629 --> 01:26:13,260

of the of the Roman Empire right you

1815

01:26:17,620 --> 01:26:14,639

know you can kind of go that route or

1816

01:26:21,919 --> 01:26:17,630

you could kind of go into the whole

1817

01:26:23,300 --> 01:26:21,929

supernatural element you know and you

1818

01:26:26,620 --> 01:26:23,310

kind of go even go with the hybrid

1819

01:26:29,629 --> 01:26:26,630

element with you know the Angels

1820

01:26:31,540 --> 01:26:29,639

impregnating his mother right and keep

1821

01:26:35,240 --> 01:26:31,550

him becoming aware of his powers and

1822

01:26:37,100 --> 01:26:35,250

these sort of things so there's the

1823

01:26:41,540 --> 01:26:37,110

story of Jesus plus you have the whole

1824

01:26:43,220 --> 01:26:41,550

Astro theological aspect of Osiris was

1825

01:26:45,590 --> 01:26:43,230

kind of the first Jesus right you have

1826

01:26:47,689 --> 01:26:45,600

the Mithra who Romans kind of worshipped

1827

01:26:51,800 --> 01:26:47,699

like a Jesus figure before introducing

1828

01:26:55,580 --> 01:26:51,810

Jesus right so there's the Buddha has

1829

01:26:58,250 --> 01:26:55,590

sort of the same kind of qualities so

1830

01:27:01,310 --> 01:26:58,260

you have all those things to kind of

1831

01:27:04,129 --> 01:27:01,320

wade through as well but to me when what

1832

01:27:08,390 --> 01:27:04,139

makes Jesus important is is the story

1833

01:27:11,810 --> 01:27:08,400

it's the message and the things he's

1834

01:27:13,850 --> 01:27:11,820

attributed to saying you know in the

1835

01:27:16,459 --> 01:27:13,860

story itself right the money fighting

1836

01:27:18,770 --> 01:27:16,469

against the money changers you know

1837

01:27:20,030 --> 01:27:18,780

these sort of things right even if he

1838

01:27:23,780 --> 01:27:20,040

was just a guy and he was a

1839

01:27:25,040 --> 01:27:23,790

revolutionary guy you know sure who kind

1840

01:27:27,560 --> 01:27:25,050

of fighting it fought against the

1841

01:27:28,149 --> 01:27:27,570

establishment right and was murdered for

1842

01:27:31,729 --> 01:27:28,159

it

1843

01:27:36,140 --> 01:27:31,739

unjustly so I think the story of Jesus

1844

01:27:39,590 --> 01:27:36,150

is is is timeless and powerful and it

1845

01:27:42,260 --> 01:27:39,600

gives it gives you power to believe in

1846

01:27:43,700 --> 01:27:42,270

him and to believe to be christ-like

1847

01:27:47,000 --> 01:27:43,710

that's kind of what Christian being a

1848

01:27:49,010 --> 01:27:47,010

Christian is about right and yeah so if

1849

01:27:50,709 --> 01:27:49,020

you want to be a Christian you want to

1850

01:27:53,360 --> 01:27:50,719

be christ-like and you want to kind of

1851

01:27:55,879 --> 01:27:53,370

live the life of Christ and kind of do

1852

01:27:59,330 --> 01:27:55,889

unto others as they do unto you and keep

1853

01:28:00,229 --> 01:27:59,340

these these good things that we're all

1854

01:28:06,440 --> 01:28:00,239

supposed to

1855

01:28:08,660 --> 01:28:06,450

by example you know and I think if

1856

01:28:11,209 --> 01:28:08,670

that's why to me personally that's why

1857

01:28:13,370 --> 01:28:11,219

the that's why I love Jesus and I love

1858

01:28:16,580 --> 01:28:13,380

the story of Jesus and I think it's a

1859

01:28:19,930 --> 01:28:16,590

good thing to uh to have that dis

1860

01:28:22,130 --> 01:28:19,940

knowledge about this man whether he was

1861

01:28:25,340 --> 01:28:22,140

existed or not I mean that's kind of

1862

01:28:27,110 --> 01:28:25,350

irrelevant I think it's to make you a

1863

01:28:29,750 --> 01:28:27,120

better person and to make you actually

1864

01:28:32,959 --> 01:28:29,760

do the right things and to kind of keep

1865

01:28:38,660 --> 01:28:32,969

you on the right path I think that's a

1866

01:28:43,190 --> 01:28:38,670

beautiful thing but he was born of a

1867

01:28:50,390 --> 01:28:43,200

virgin mother or no I mean well if you

1868

01:28:53,930 --> 01:28:50,400

take what it says it was implanted into

1869

01:28:57,229 --> 01:28:53,940

a virgin maybe I mean he wasn't there's

1870

01:29:01,310 --> 01:28:57,239

nothing that says that the virgin birth

1871

01:29:05,810 --> 01:29:01,320

is was possible without the Angels

1872

01:29:07,490 --> 01:29:05,820

visiting so there's no purely virgin

1873

01:29:09,950 --> 01:29:07,500

birth right I mean there was an angel

1874

01:29:12,680 --> 01:29:09,960

involved so you could kind of take that

1875

01:29:14,870 --> 01:29:12,690

how you want and then I guess you have

1876

01:29:17,840 --> 01:29:14,880

that the aspects of the virgin birth and

1877

01:29:20,810 --> 01:29:17,850

other parts of theology right and other

1878

01:29:24,190 --> 01:29:20,820

cultures but they're always assisted by

1879

01:29:27,200 --> 01:29:24,200

some sort of angel right

1880

01:29:28,700 --> 01:29:27,210

has there ever ever been any just like

1881

01:29:32,959 --> 01:29:28,710

virgin births throughout history

1882

01:29:34,690 --> 01:29:32,969

do we know of any scientific science any

1883

01:29:37,040 --> 01:29:34,700

scientific events that have happened

1884

01:29:40,820 --> 01:29:37,050

just a lady just got pregnant

1885

01:29:45,890 --> 01:29:40,830

all of a sudden nope they just can't

1886

01:29:49,400 --> 01:29:45,900

happen exactly yeah so and and and was

1887

01:29:53,620 --> 01:29:49,410

it wasn't not true that an angel was

1888

01:29:57,680 --> 01:29:53,630

sent to her by God there you go that's

1889

01:30:02,810 --> 01:29:57,690

kind of that's the most yeah yeah that's

1890

01:30:04,490 --> 01:30:02,820

right they never mention that part you

1891

01:30:06,440 --> 01:30:04,500

know they forget that little one little

1892

01:30:09,620 --> 01:30:06,450

detail it's pretty important you know

1893

01:30:10,430 --> 01:30:09,630

God sends the angel to hope I help out a

1894

01:30:12,530 --> 01:30:10,440

little bit

1895

01:30:16,030 --> 01:30:12,540

right because joseph' like he was like

1896

01:30:20,000 --> 01:30:16,040

what's going on what the hell mm-hmm

1897

01:30:21,920 --> 01:30:20,010

yeah and I mean poor just I think I

1898

01:30:23,360 --> 01:30:21,930

think we're supposed to get that he got

1899

01:30:26,720 --> 01:30:23,370

it that he was cool with it that it

1900

01:30:30,260 --> 01:30:26,730

wasn't like actual intercourse but then

1901

01:30:32,420 --> 01:30:30,270

why send an angel down you know why why

1902

01:30:35,810 --> 01:30:32,430

didn't she just wake up from her sleep

1903

01:30:37,400 --> 01:30:35,820

one one day and or just walked walking

1904

01:30:40,040 --> 01:30:37,410

down the street God just came in to her

1905

01:30:42,380 --> 01:30:40,050

and said okay here we are you know it's

1906

01:30:45,400 --> 01:30:42,390

um you know it you would think that if

1907

01:30:47,600 --> 01:30:45,410

God is that you know omniscient

1908

01:30:52,640 --> 01:30:47,610

all-powerful being you wouldn't need an

1909

01:30:53,990 --> 01:30:52,650

angel to sort of today right yeah what

1910

01:30:57,020 --> 01:30:54,000

do you need a surrogate for it's very

1911

01:31:01,189 --> 01:30:57,030

strange because if that's the if you

1912

01:31:03,080 --> 01:31:01,199

need a the physical surrogate then it

1913

01:31:05,979 --> 01:31:03,090

sounds like physical sex to me because

1914

01:31:08,689 --> 01:31:05,989

angels are they not described more as

1915

01:31:11,060 --> 01:31:08,699

physical beings and let then the

1916

01:31:13,250 --> 01:31:11,070

ethereal we know right and we know from

1917

01:31:18,410 --> 01:31:13,260

the story of Lamech that they got busy

1918

01:31:20,360 --> 01:31:18,420

they like the Eve's you know different

1919

01:31:23,479 --> 01:31:20,370

there are different categories of angels

1920

01:31:26,780 --> 01:31:23,489

soon as I just wasn't sure if they were

1921

01:31:30,050 --> 01:31:26,790

in the Old Testament they you know

1922

01:31:34,130 --> 01:31:30,060

original writings that were they

1923

01:31:37,130 --> 01:31:34,140

considered to be physical beings on the

1924

01:31:39,290 --> 01:31:37,140

earth all all kinds of yes so there's

1925

01:31:41,620 --> 01:31:39,300

only one word that basically a gallows

1926

01:31:46,520 --> 01:31:41,630

right I mean in its stretch as physical

1927

01:31:49,130 --> 01:31:46,530

emissaries right now I do believe in

1928

01:31:51,650 --> 01:31:49,140

angels I've definitely had a few angel

1929

01:31:55,700 --> 01:31:51,660

encounters for sure and I think that in

1930

01:31:56,600 --> 01:31:55,710

the metaphysical world you know we will

1931

01:31:58,970 --> 01:31:56,610

encounter

1932

01:32:01,010 --> 01:31:58,980

they won't even mean they're not angels

1933

01:32:04,570 --> 01:32:01,020

themselves they just might happen to be

1934

01:32:06,620 --> 01:32:04,580

in a position where metaphysical sense

1935

01:32:09,560 --> 01:32:06,630

they're definitely there's definitely

1936

01:32:12,380 --> 01:32:09,570

some angelic things going on and I think

1937

01:32:15,020 --> 01:32:12,390

we can all kind of I think we've all had

1938

01:32:17,030 --> 01:32:15,030

these these sort of encounters right

1939

01:32:18,350 --> 01:32:17,040

and that's a metaphysical thing in that

1940

01:32:18,920 --> 01:32:18,360

but that is not what they're talking

1941

01:32:21,950 --> 01:32:18,930

about

1942

01:32:26,360 --> 01:32:21,960

in the ancient text at all there's these

1943

01:32:33,110 --> 01:32:26,370

these were actual people you know so we

1944

01:32:37,040 --> 01:32:33,120

have the aspect of two angels and one

1945

01:32:38,660 --> 01:32:37,050

particular angel right who kind of what

1946

01:32:41,960 --> 01:32:38,670

is that like hold on we're gonna okay

1947

01:32:43,790 --> 01:32:41,970

yeah God sent His only Son right but was

1948

01:32:52,160 --> 01:32:43,800

really his son who was like one of the

1949

01:32:57,010 --> 01:32:52,170

angels son no matter how you went there

1950

01:33:02,240 --> 01:32:57,020

with that Jesus did have these powers so

1951
01:33:06,290 --> 01:33:02,250
right in your and your assumption what

1952
01:33:09,640 --> 01:33:06,300
do you think where do you think those

1953
01:33:12,590 --> 01:33:09,650
powers came from I mean these are

1954
01:33:16,160 --> 01:33:12,600
supernatural sort of powers that had to

1955
01:33:20,420 --> 01:33:16,170
come from if it was hybrid if it was

1956
01:33:22,910 --> 01:33:20,430
some sort of alien powers it has to come

1957
01:33:27,020 --> 01:33:22,920
from that sort of some sort of lineage

1958
01:33:29,150 --> 01:33:27,030
just like that if if they were true if

1959
01:33:32,360 --> 01:33:29,160
they were true powers that he had you

1960
01:33:34,220 --> 01:33:32,370
know cuz then you got to think like what

1961
01:33:36,710 --> 01:33:34,230
was Jesus just you know sort of a

1962
01:33:39,860 --> 01:33:36,720
magician was he a master illusionist

1963
01:33:40,990 --> 01:33:39,870

right you know was he tricking people to

1964

01:33:44,900 --> 01:33:41,000

walk on water

1965

01:33:46,520 --> 01:33:44,910

was he levitate you know like or were

1966

01:33:51,260 --> 01:33:46,530

these real things did he really have

1967

01:33:52,940 --> 01:33:51,270

that somehow you know he had sandals

1968

01:33:56,300 --> 01:33:52,950

with hoverboard technology in it or

1969

01:33:58,220 --> 01:33:56,310

something right I mean I think they were

1970

01:34:00,650 --> 01:33:58,230

probably I mean unless they're they're

1971

01:34:03,890 --> 01:34:00,660

really well uh you know disguised

1972

01:34:06,830 --> 01:34:03,900

sandals you know if they're like this

1973

01:34:08,990 --> 01:34:06,840

super slick like metallic or Nike

1974

01:34:11,930 --> 01:34:09,000

looking sandals I think it would

1975

01:34:13,940 --> 01:34:11,940

probably wrote that down you know but

1976

01:34:18,490 --> 01:34:13,950

they didn't they didn't say yeah because

1977

01:34:21,620 --> 01:34:18,500

the other supernatural occurrences are

1978

01:34:24,440 --> 01:34:21,630

explained in some way right they see the

1979

01:34:25,400 --> 01:34:24,450

fire it looks like this this is how it

1980

01:34:27,290 --> 01:34:25,410

was done

1981

01:34:28,850 --> 01:34:27,300

whereas Jesus's miracles

1982

01:34:31,419 --> 01:34:28,860

really does seem to sort of just come

1983

01:34:35,479 --> 01:34:31,429

out of him all right

1984

01:34:37,850 --> 01:34:35,489

the whole thing you know we hold missing

1985

01:34:41,540 --> 01:34:37,860

years of Jesus you know like you started

1986

01:34:44,569 --> 01:34:41,550

it's kind of like x-men you know you get

1987

01:34:46,580 --> 01:34:44,579

to Xavier X Professor X's Academy

1988

01:34:48,319 --> 01:34:46,590

because because they know he got

1989

01:34:50,660 --> 01:34:48,329

something wrong he got some sort of

1990

01:34:53,479 --> 01:34:50,670

powers then when you're there you're

1991

01:34:54,770 --> 01:34:53,489

you're now it's unchecked now you're you

1992

01:34:57,680 --> 01:34:54,780

know you're you're doing all kinds of

1993

01:35:00,830 --> 01:34:57,690

cool stuff you know you're turning fish

1994

01:35:03,560 --> 01:35:00,840

into you know jerk chicken and whatever

1995

01:35:05,959 --> 01:35:03,570

in you know they got to send you away

1996

01:35:09,080 --> 01:35:05,969

now like oh man now he's starting to get

1997

01:35:11,629 --> 01:35:09,090

too comfortable and too uh you know

1998

01:35:14,450 --> 01:35:11,639

going to experimental with this power so

1999

01:35:16,850 --> 01:35:14,460

we got to send you away is that what

2000

01:35:18,890 --> 01:35:16,860

happened they did they send him to bed

2001

01:35:22,640 --> 01:35:18,900

or something to figure out how to how to

2002

01:35:25,310 --> 01:35:22,650

use how to use his powers better maybe

2003

01:35:27,319 --> 01:35:25,320

he was gonna be a show-off and you know

2004

01:35:29,209 --> 01:35:27,329

who knows right yeah but the thing is

2005

01:35:32,000 --> 01:35:29,219

like you have this these missing years

2006

01:35:33,470 --> 01:35:32,010

of Jesus which are also fascinating then

2007

01:35:37,100 --> 01:35:33,480

he comes back and he's just you know

2008

01:35:39,970 --> 01:35:37,110

that he's the man right but uh in the

2009

01:35:45,530 --> 01:35:39,980

Indian in you have the Masonic elements

2010

01:35:49,970 --> 01:35:45,540

33 let all these numerical clues and

2011

01:35:52,970 --> 01:35:49,980

symbols but yeah it seems to be that

2012

01:35:55,910 --> 01:35:52,980

when she read the Jesus story you read

2013

01:36:00,890 --> 01:35:55,920

him more into it the supernatural

2014

01:36:03,169 --> 01:36:00,900

elements and the magic elements he

2015

01:36:06,649 --> 01:36:03,179

really takes on a whole different life

2016

01:36:09,020 --> 01:36:06,659

of his own other than just being some

2017

01:36:10,580 --> 01:36:09,030

sort of preacher right I mean you know

2018

01:36:12,950 --> 01:36:10,590

the act of riding the donkey into

2019

01:36:15,260 --> 01:36:12,960

Jerusalem because he knew that's what

2020

01:36:17,930 --> 01:36:15,270

you know the prophecy called for he knew

2021

01:36:19,330 --> 01:36:17,940

that's what they were gonna be looking

2022

01:36:22,640 --> 01:36:19,340

for so you know how to push buttons

2023

01:36:26,899 --> 01:36:22,650

already he already knew he knew he was

2024

01:36:30,890 --> 01:36:26,909

somebody but to the extent of did he

2025

01:36:32,959 --> 01:36:30,900

know was he has some alien powers or was

2026

01:36:34,760 --> 01:36:32,969

he just a good magician you know that's

2027

01:36:38,240 --> 01:36:34,770

it that's the point I hadn't thought

2028

01:36:40,430 --> 01:36:38,250

much on I think that you made he knew

2029

01:36:41,089 --> 01:36:40,440

the the prophecy people knew what the

2030

01:36:46,429 --> 01:36:41,099

prophecy

2031

01:36:48,799 --> 01:36:46,439

was so it's not that hard to emulate the

2032

01:36:50,779 --> 01:36:48,809

prophecy and make yourself look like the

2033

01:36:53,750 --> 01:36:50,789

Prophet now that nothing I'm saying he

2034

01:36:56,689 --> 01:36:53,760

wasn't and at this discarding all of it

2035

01:37:04,459 --> 01:36:56,699

I'm just saying that it you can't rule

2036

01:37:07,040 --> 01:37:04,469

that out okay of taking it from this

2037

01:37:12,799 --> 01:37:07,050

ancient alien point of view what would

2038

01:37:15,949 --> 01:37:12,809

have been the point of of Jesus I don't

2039

01:37:18,799 --> 01:37:15,959

I mean I kind of put it out there that

2040

01:37:20,060 --> 01:37:18,809

maybe that they were out of state in

2041

01:37:21,949 --> 01:37:20,070

that point of history where they were

2042

01:37:24,409 --> 01:37:21,959

very few and they kind of maybe we're

2043

01:37:26,179 --> 01:37:24,419

losing maybe that lost most of

2044

01:37:28,629 --> 01:37:26,189

technology and they lost its way over

2045

01:37:32,599 --> 01:37:28,639

the people mm-hmm I think maybe

2046

01:37:34,669 --> 01:37:32,609

introducing Jesus like figure might have

2047

01:37:37,009 --> 01:37:34,679

been some sort of like last hurrah for

2048

01:37:39,500 --> 01:37:37,019

them to try to get control back or maybe

2049

01:37:43,040 --> 01:37:39,510

to kind of remain relevant in a world

2050

01:37:45,679 --> 01:37:43,050

that had moved on you know I mean cuz

2051

01:37:47,689 --> 01:37:45,689

you when we think about time of Jesus

2052

01:37:49,219 --> 01:37:47,699

man that was wasn't really that long ago

2053

01:37:51,049 --> 01:37:49,229

if you think about it because this is I

2054

01:37:54,080 --> 01:37:51,059

mean this is when the Roman Empire was

2055

01:37:57,139 --> 01:37:54,090

you know running the world basically so

2056

01:38:00,619 --> 01:37:57,149

and and we can still go to Rome we could

2057

01:38:03,379 --> 01:38:00,629

see the architect is and you see him you

2058

01:38:05,689 --> 01:38:03,389

know with the menorah right and taking

2059

01:38:08,839 --> 01:38:05,699

the stuff out of Jerusalem right there

2060

01:38:13,009 --> 01:38:08,849

your face so this really wasn't that

2061

01:38:16,040 --> 01:38:13,019

long ago if in the terms of you know and

2062

01:38:18,469 --> 01:38:16,050

if you think about billion years old

2063

01:38:20,689 --> 01:38:18,479

millions of years old right I mean the

2064

01:38:23,389 --> 01:38:20,699

Romans weren't that far removed man you

2065

01:38:25,279 --> 01:38:23,399

know yeah well if you look at occupation

2066

01:38:27,409 --> 01:38:25,289

and how our military moves into an area

2067

01:38:29,179 --> 01:38:27,419

we occupy it for a while and then

2068

01:38:30,979 --> 01:38:29,189

eventually we move out but we don't move

2069

01:38:33,159 --> 01:38:30,989

out all of a sudden we move out little

2070

01:38:37,729 --> 01:38:33,169

by little we move out in stages and

2071

01:38:39,259 --> 01:38:37,739

maybe as time went on people up people

2072

01:38:41,689 --> 01:38:39,269

in the Nephilim or the these ancient

2073

01:38:42,770 --> 01:38:41,699

aliens were they had finished mostly

2074

01:38:44,750 --> 01:38:42,780

what they wanted to do here on earth

2075

01:38:46,819 --> 01:38:44,760

they've had their battles their scars

2076

01:38:48,619 --> 01:38:46,829

and their I said you know what all right

2077

01:38:50,209 --> 01:38:48,629

when I were going home and then in

2078

01:38:52,699 --> 01:38:50,219

phases little by little and over time

2079

01:38:54,649 --> 01:38:52,709

some were left behind until until now

2080

01:38:55,109 --> 01:38:54,659

maybe there are only but a few that just

2081

01:38:57,270 --> 01:38:55,119

sort of

2082

01:39:00,629 --> 01:38:57,280

keep an eye on the place and and that's

2083

01:39:03,179 --> 01:39:00,639

about it and maybe maybe then again

2084

01:39:05,699 --> 01:39:03,189

totally speculating and just having fun

2085

01:39:08,399 --> 01:39:05,709

with my imagination but maybe those left

2086

01:39:09,719 --> 01:39:08,409

behind at that time was like look you

2087

01:39:12,119 --> 01:39:09,729

know let's try to do something

2088

01:39:17,449 --> 01:39:12,129

meaningful while we're here and maybe

2089

01:39:20,100 --> 01:39:17,459

Jesus was the the the result of that I

2090

01:39:22,350 --> 01:39:20,110

think so I mean I think that's that

2091

01:39:26,520 --> 01:39:22,360

makes sense to me and I think they had a

2092

01:39:29,069 --> 01:39:26,530

lot of who knows who was left at that

2093

01:39:30,209 --> 01:39:29,079

point of time I mean and what they were

2094

01:39:32,219 --> 01:39:30,219

going through and what they actually

2095

01:39:37,520 --> 01:39:32,229

were able capable of doing you know I

2096

01:39:40,379 --> 01:39:37,530

mean and then afterwards right I mean

2097

01:39:43,619 --> 01:39:40,389

I'll always kind of believed through all

2098

01:39:47,310 --> 01:39:43,629

my research or even doing the aliens in

2099

01:39:50,629 --> 01:39:47,320

Egypt book there's some sort of alien

2100

01:39:53,520 --> 01:39:50,639

presence but a evil alien presence

2101
01:39:56,759 --> 01:39:53,530
that's kind of managed to kind of be in

2102
01:40:00,060 --> 01:39:56,769
control remain in control I think we

2103
01:40:01,799 --> 01:40:00,070
still have to deal with it and I think

2104
01:40:03,839 --> 01:40:01,809
their days are numbered and then they

2105
01:40:06,979 --> 01:40:03,849
might not has be prevalent even with the

2106
01:40:09,389 --> 01:40:06,989
reptilians stuff but there has to be

2107
01:40:12,359 --> 01:40:09,399
it's too much wickedness there's just

2108
01:40:13,969 --> 01:40:12,369
too much sorrow and too much ridiculous

2109
01:40:16,799 --> 01:40:13,979
things too many good people have died

2110
01:40:21,689 --> 01:40:16,809
from that for there not to be as some

2111
01:40:23,939 --> 01:40:21,699
sort of real evil presence you know and

2112
01:40:26,669 --> 01:40:23,949
these are not a human trait uh you know

2113
01:40:31,709 --> 01:40:26,679

like we're creator beings you know we

2114

01:40:35,250 --> 01:40:31,719

were born to be creative and we you know

2115

01:40:39,299 --> 01:40:35,260

in - in nature right we're pretty pretty

2116

01:40:42,479 --> 01:40:39,309

simple race you know we're I don't think

2117

01:40:44,250 --> 01:40:42,489

there's so much room for hate in room

2118

01:40:49,830 --> 01:40:44,260

for wickedness I think that's something

2119

01:40:52,619 --> 01:40:49,840

that was introduced and I think it's the

2120

01:40:56,159 --> 01:40:52,629

evilness that controls the real power

2121

01:40:58,049 --> 01:40:56,169

structure so wicked it thrives on some

2122

01:40:59,790 --> 01:40:58,059

sort of sacrifice some sort of ritual

2123

01:41:01,049 --> 01:40:59,800

some sort of bloodletting

2124

01:41:02,669 --> 01:41:01,059

you know I don't know if they get off on

2125

01:41:05,339 --> 01:41:02,679

an interdimensionally or what but

2126
01:41:07,979 --> 01:41:05,349
there's been too many wars there's too

2127
01:41:08,800 --> 01:41:07,989
much suffering even look at all of the

2128
01:41:10,310 --> 01:41:08,810
nonsense of

2129
01:41:12,360 --> 01:41:10,320
[Music]

2130
01:41:14,700 --> 01:41:12,370
sacrifices and look at the Aztecs

2131
01:41:16,800 --> 01:41:14,710
sacrificed all the time all ancient

2132
01:41:20,490 --> 01:41:16,810
cultures make obsessed with sacrifice

2133
01:41:23,250 --> 01:41:20,500
even in the oh who Abraham right he was

2134
01:41:25,740 --> 01:41:23,260
in a sacrifice his son till God was like

2135
01:41:27,360 --> 01:41:25,750
hey you know maybe probably should

2136
01:41:31,910 --> 01:41:27,370
rethink that you know what's up with

2137
01:41:35,790 --> 01:41:31,920
this sacrifice you know so I think the

2138
01:41:40,520 --> 01:41:35,800

there has to be some sort of wicked evil

2139

01:41:44,190 --> 01:41:40,530

alien presence that's kind of managed to

2140

01:41:45,150 --> 01:41:44,200

stick around and to control things so

2141

01:41:47,370 --> 01:41:45,160

you're not you're not saying that the

2142

01:41:49,800 --> 01:41:47,380

you're not saying the alien presence has

2143

01:41:51,930 --> 01:41:49,810

control over human nature but that but

2144

01:41:55,080 --> 01:41:51,940

they have influenced the things that

2145

01:41:57,030 --> 01:41:55,090

we've done that are more yeah okay for

2146

01:41:59,700 --> 01:41:57,040

sure I think even behind the scenes I

2147

01:42:01,290 --> 01:41:59,710

think highest level of powers I think

2148

01:42:04,230 --> 01:42:01,300

that they're they might still be around

2149

01:42:06,690 --> 01:42:04,240

or at least up until recently you know I

2150

01:42:09,750 --> 01:42:06,700

would assume there has to be something

2151
01:42:12,360 --> 01:42:09,760
in some sort of control and in the back

2152
01:42:14,640 --> 01:42:12,370
that or maybe it's just influenced by

2153
01:42:18,450 --> 01:42:14,650
that you know I mean I don't know it

2154
01:42:20,970 --> 01:42:18,460
seems to be that we're such a loving and

2155
01:42:23,160 --> 01:42:20,980
most people are good right most people

2156
01:42:26,760 --> 01:42:23,170
want to do good I think we've been so

2157
01:42:28,770 --> 01:42:26,770
screwed over and I think that by design

2158
01:42:32,100 --> 01:42:28,780
of course you know I think you know

2159
01:42:33,720 --> 01:42:32,110
these are all just sort of these wicked

2160
01:42:35,610 --> 01:42:33,730
plans you Genesis and everything else

2161
01:42:37,320 --> 01:42:35,620
that kind of been implementing on

2162
01:42:40,950 --> 01:42:37,330
thrusting I mean you look at

2163
01:42:42,870 --> 01:42:40,960

transhumanism zombies okay I can't hear

2164

01:42:45,000 --> 01:42:42,880

to go outside cuz it's just too much man

2165

01:42:48,030 --> 01:42:45,010

system what zombies it's too much sorrow

2166

01:42:50,430 --> 01:42:48,040

too much for me a sensitive person and

2167

01:42:52,530 --> 01:42:50,440

the artist and someone who's aware of

2168

01:42:58,150 --> 01:42:52,540

all this no writes about all this it's

2169

01:43:01,990 --> 01:42:58,160

like yo I is it's really hard to

2170

01:43:06,340 --> 01:43:02,000

to see the state of mankind as it is

2171

01:43:08,140 --> 01:43:06,350

today well I suppose as it always has

2172

01:43:10,450 --> 01:43:08,150

been right I mean I don't I don't know

2173

01:43:13,750 --> 01:43:10,460

how much how much better we've gotten

2174

01:43:15,460 --> 01:43:13,760

and perhaps collectively as a society

2175

01:43:17,830 --> 01:43:15,470

now on earth

2176
01:43:21,940 --> 01:43:17,840
we're at the best place we've been to

2177
01:43:25,750 --> 01:43:21,950
and if that's the case because

2178
01:43:27,460 --> 01:43:25,760
technology that's it I mean history

2179
01:43:29,860 --> 01:43:27,470
sucks man you look at like the Wild West

2180
01:43:31,810 --> 01:43:29,870
days and everything else pretty crappy

2181
01:43:33,460 --> 01:43:31,820
time to be alive pretty much every point

2182
01:43:35,050 --> 01:43:33,470
of history and we imagine like Civil War

2183
01:43:38,440 --> 01:43:35,060
then after the Civil War how much that

2184
01:43:40,510 --> 01:43:38,450
sucked right I mean people people back

2185
01:43:44,050 --> 01:43:40,520
in the day had multiple children because

2186
01:43:47,620 --> 01:43:44,060
they knew it was it wasn't a hope though

2187
01:43:50,590 --> 01:43:47,630
it wasn't a doubt there was it was a

2188
01:43:55,020 --> 01:43:50,600

fact for most people that you were gonna

2189

01:43:57,700 --> 01:43:55,030

lose at least one of your children right

2190

01:44:00,430 --> 01:43:57,710

people don't think people can grasp that

2191

01:44:02,110 --> 01:44:00,440

today didn't you're poor and you need

2192

01:44:04,330 --> 01:44:02,120

more people to work to farm or to do

2193

01:44:06,490 --> 01:44:04,340

whatever yes well of course so if you

2194

01:44:08,800 --> 01:44:06,500

only have two children and one or both

2195

01:44:10,960 --> 01:44:08,810

of them died you know so it makes sense

2196

01:44:13,420 --> 01:44:10,970

whether you want kids because you love

2197

01:44:16,780 --> 01:44:13,430

them and or you have you know farmland

2198

01:44:18,730 --> 01:44:16,790

to work or what have you you had to have

2199

01:44:20,980 --> 01:44:18,740

more because there was the morbid fact

2200

01:44:23,410 --> 01:44:20,990

you know fact was always hovering over

2201
01:44:26,110 --> 01:44:23,420
your head the thing is there are people

2202
01:44:27,400 --> 01:44:26,120
that still live like that today there's

2203
01:44:30,250 --> 01:44:27,410
just those of us that are lucky enough

2204
01:44:31,630 --> 01:44:30,260
to um you know to live in a society

2205
01:44:35,350 --> 01:44:31,640
where we don't have to worry about that

2206
01:44:37,270 --> 01:44:35,360
and that leads me to another oh yeah and

2207
01:44:42,570 --> 01:44:37,280
that brings me to another question which

2208
01:44:48,670 --> 01:44:42,580
I had sort of alluded to earlier these

2209
01:44:51,130 --> 01:44:48,680
Nephilim do you see any sense other than

2210
01:44:54,570 --> 01:44:51,140
our topic about and speaking about Jesus

2211
01:44:58,510 --> 01:44:54,580
as a possum possibly possibly benevolent

2212
01:45:00,670 --> 01:44:58,520
effort on the part of the Nephilim do

2213
01:45:02,020 --> 01:45:00,680

you see any other evidence that to show

2214

01:45:04,510 --> 01:45:02,030

that they actually care about our

2215

01:45:08,180 --> 01:45:04,520

well-being that the future of us as a

2216

01:45:11,840 --> 01:45:08,190

species I've seen

2217

01:45:15,380 --> 01:45:11,850

yeah and I see it in the nuclear and the

2218

01:45:17,270 --> 01:45:15,390

nuclear aspects because there's been a

2219

01:45:20,090 --> 01:45:17,280

few instances where they have kind of

2220

01:45:23,000 --> 01:45:20,100

messed with our nuclear capabilities and

2221

01:45:26,090 --> 01:45:23,010

have kind of shown that they they know

2222

01:45:28,700 --> 01:45:26,100

what's up and I don't think and I think

2223

01:45:32,000 --> 01:45:28,710

they will Pro kind of prevent I forget

2224

01:45:35,240 --> 01:45:32,010

out of hand I'm pretty sure there's

2225

01:45:37,370 --> 01:45:35,250

gonna be there's a good force that will

2226

01:45:39,370 --> 01:45:37,380

prevent things from getting a hand

2227

01:45:41,060 --> 01:45:39,380

I believe that hundred percent because

2228

01:45:43,460 --> 01:45:41,070

so many things have already happened

2229

01:45:45,620 --> 01:45:43,470

where it's just like wait why are they

2230

01:45:49,030 --> 01:45:45,630

so interested in this and that's why you

2231

01:45:51,080 --> 01:45:49,040

know when you see Roswell in 1947 and

2232

01:45:53,210 --> 01:45:51,090

everything kind of sort of started

2233

01:45:55,400 --> 01:45:53,220

happening after these nuclear tests

2234

01:45:58,100 --> 01:45:55,410

right I think that was kind of a wake-up

2235

01:46:03,110 --> 01:45:58,110

call you know and the fact that we could

2236

01:46:04,880 --> 01:46:03,120

literally blow ourselves up and which is

2237

01:46:06,680 --> 01:46:04,890

sad because I mean why would you want a

2238

01:46:10,460 --> 01:46:06,690

nuclear war when it just ruins the real

2239

01:46:13,150 --> 01:46:10,470

estate I mean you know so it's pointless

2240

01:46:16,070 --> 01:46:13,160

right but I think there's been a

2241

01:46:17,570 --> 01:46:16,080

benevolent alien force that and I

2242

01:46:19,310 --> 01:46:17,580

believe there's a council - there's got

2243

01:46:22,340 --> 01:46:19,320

to be like an intergalactic council you

2244

01:46:25,400 --> 01:46:22,350

know that kind of monitors different

2245

01:46:27,620 --> 01:46:25,410

species they're kind of you know and I

2246

01:46:29,300 --> 01:46:27,630

believe if we are a prison planet you

2247

01:46:32,090 --> 01:46:29,310

know this is sort of a harbinger of

2248

01:46:34,160 --> 01:46:32,100

souls and you know what's up with

2249

01:46:36,800 --> 01:46:34,170

reincarnation all this sort of thing

2250

01:46:40,520 --> 01:46:36,810

right all the mysteries that were

2251
01:46:44,060 --> 01:46:40,530
bombarded with on this planet why you

2252
01:46:47,720 --> 01:46:44,070
know it's it's it's a gift for sure but

2253
01:46:51,530 --> 01:46:47,730
it's very easy to take it for granted

2254
01:46:56,180 --> 01:46:51,540
and you know you don't want to do that

2255
01:46:57,950 --> 01:46:56,190
no earlier you had mentioned Bigley know

2256
01:46:59,870 --> 01:46:57,960
do you mind do you mind just elaborating

2257
01:47:04,210 --> 01:46:59,880
I'm more about him and the influence

2258
01:47:07,130 --> 01:47:04,220
that he had on you yeah Morrow Bigley no

2259
01:47:09,620 --> 01:47:07,140
static and translator published over

2260
01:47:12,940 --> 01:47:09,630
like 20 books for them then he kind of

2261
01:47:16,040 --> 01:47:12,950
got like tired of promoting the lie

2262
01:47:18,250 --> 01:47:16,050
because he was basically had to make

2263
01:47:22,250 --> 01:47:18,260

sure everything was translated as

2264

01:47:23,690 --> 01:47:22,260

ethereal or spiritual or dreams business

2265

01:47:24,920 --> 01:47:23,700

so he went back and he kind of

2266

01:47:28,220 --> 01:47:24,930

translated what it was really saying

2267

01:47:29,720 --> 01:47:28,230

based off the original Hebrew you know

2268

01:47:32,210 --> 01:47:29,730

where all the source material comes from

2269

01:47:33,830 --> 01:47:32,220

and he kind of explained it how they're

2270

01:47:35,000 --> 01:47:33,840

talking about physical encounters you

2271

01:47:38,750 --> 01:47:35,010

know they're actually explaining these

2272

01:47:42,980 --> 01:47:38,760

things as concrete events that happened

2273

01:47:44,470 --> 01:47:42,990

right so I came across this book and one

2274

01:47:46,610 --> 01:47:44,480

of the you know one of the chat rooms

2275

01:47:49,460 --> 01:47:46,620

and I was blown away you know because

2276

01:47:51,230 --> 01:47:49,470

you don't get too many New Age alien

2277

01:47:54,350 --> 01:47:51,240

type of things right because everyone

2278

01:47:56,420 --> 01:47:54,360

knows Madonna kid culturing out 40 books

2279

01:47:57,710 --> 01:47:56,430

and they're all the same basically you

2280

01:47:59,300 --> 01:47:57,720

know we all we're all pretty much

2281

01:48:01,880 --> 01:47:59,310

familiar with citizens work there's

2282

01:48:03,920 --> 01:48:01,890

nothing new you know I did my a lien

2283

01:48:06,860 --> 01:48:03,930

Saints in egypt and about as knows you

2284

01:48:10,070 --> 01:48:06,870

can do and then you know of course I had

2285

01:48:12,170 --> 01:48:10,080

all the CIA you know kind of harassing

2286

01:48:15,110 --> 01:48:12,180

me make sure that make sure I don't get

2287

01:48:16,760 --> 01:48:15,120

on coast to coast or kind of even any

2288

01:48:22,190 --> 01:48:16,770

type of audience at all I'm surprised so

2289

01:48:25,280 --> 01:48:22,200

like \$6,000 basically very cool but you

2290

01:48:28,970 --> 01:48:25,290

know you have you know nothing new in

2291

01:48:30,950 --> 01:48:28,980

the terms of New Age aliens we have ten

2292

01:48:34,880 --> 01:48:30,960

that ten seasons and you know what do

2293

01:48:36,710 --> 01:48:34,890

you got some ad money right so when I

2294

01:48:39,140 --> 01:48:36,720

read the Glee notes work I was I was

2295

01:48:41,240 --> 01:48:39,150

impressed and I got ahold of him I was

2296

01:48:43,010 --> 01:48:41,250

able to get ahold of him and get his

2297

01:48:45,890 --> 01:48:43,020

permission you know cuz I kind of wanted

2298

01:48:48,290 --> 01:48:45,900

to use his works and kind of you know

2299

01:48:52,550 --> 01:48:48,300

rewrite and expand on what he was trying

2300

01:48:55,880 --> 01:48:52,560

to say and he he wrote the foreword

2301

01:48:57,950 --> 01:48:55,890

right he gave me his blessings and a you

2302

01:49:05,860 --> 01:48:57,960

know incredible man very brave man you

2303

01:49:08,330 --> 01:49:05,870

know so I kind of took something new and

2304

01:49:11,120 --> 01:49:08,340

put my spin on it and kind of made sure

2305

01:49:14,600 --> 01:49:11,130

it reached a western audience a new

2306

01:49:17,300 --> 01:49:14,610

audience and I think that it's it's a

2307

01:49:19,070 --> 01:49:17,310

controversial topic and I think it's the

2308

01:49:21,320 --> 01:49:19,080

works good enough that it'll stand up

2309

01:49:24,770 --> 01:49:21,330

you know I hope this is scared to many

2310

01:49:28,580 --> 01:49:24,780

people away so I hope it's

2311

01:49:32,090 --> 01:49:28,590

people check it out yep well and and you

2312

01:49:35,330 --> 01:49:32,100

know he had access pretty much to what

2313

01:49:38,420 --> 01:49:35,340

the the vast reaches of the Vatican

2314

01:49:40,070 --> 01:49:38,430

Library or yeah he was the Vatican's top

2315

01:49:44,240 --> 01:49:40,080

scholar so he basically had access to

2316

01:49:46,390 --> 01:49:44,250

everything so if this guy was there

2317

01:49:49,910 --> 01:49:46,400

anything he wasn't allowed to translate

2318

01:49:52,640 --> 01:49:49,920

no he did he translated everything and

2319

01:49:55,160 --> 01:49:52,650

then when he decided that I'm tired of I

2320

01:49:58,880 --> 01:49:55,170

want to translate as it says then he got

2321

01:50:00,800 --> 01:49:58,890

fired of course you know well I guess

2322

01:50:03,950 --> 01:50:00,810

I'm wondering are there any texts that

2323

01:50:07,970 --> 01:50:03,960

um that he had access to that that we

2324

01:50:10,520 --> 01:50:07,980

don't not that I know of he basically

2325

01:50:12,590 --> 01:50:10,530

went off the the the original Hebrew I

2326

01:50:15,980 --> 01:50:12,600

guess it would be the secretary and

2327

01:50:17,600 --> 01:50:15,990

Bible and Greek Hebrew mm-hmm he went

2328

01:50:20,270 --> 01:50:17,610

off the source of what everything comes

2329

01:50:22,310 --> 01:50:20,280

from so that's all he needed to do as

2330

01:50:26,600 --> 01:50:22,320

far as what's hidden and what secret

2331

01:50:28,850 --> 01:50:26,610

books he didn't say oh I'm sure there's

2332

01:50:30,920 --> 01:50:28,860

a bunch you might have read or had

2333

01:50:33,830 --> 01:50:30,930

access to that he was no longer granted

2334

01:50:37,280 --> 01:50:33,840

permission you know yeah can you imagine

2335

01:50:40,910 --> 01:50:37,290

what the Vatican has I mean sure if I

2336

01:50:42,710 --> 01:50:40,920

can couldn't imagine yeah exactly at the

2337

01:50:44,780 --> 01:50:42,720

at the very end here I want to thank you

2338

01:50:46,220 --> 01:50:44,790

for coming on two paranormal now but

2339

01:50:50,420 --> 01:50:46,230

before we go do you want to leave any

2340

01:50:56,660 --> 01:50:50,430

last-minute thoughts with us yeah open

2341

01:50:58,220 --> 01:50:56,670

mind read the book on Amazon and I have

2342

01:51:01,790 --> 01:50:58,230

a bunch other books there you can check

2343

01:51:05,600 --> 01:51:01,800

out and you know it's important to kind

2344

01:51:08,450 --> 01:51:05,610

of have open mind and keep that

2345

01:51:11,330 --> 01:51:08,460

imagination keep the imagination open

2346

01:51:12,350 --> 01:51:11,340

and do good basically do the best amount

2347

01:51:15,110 --> 01:51:12,360

of good every day

2348

01:51:16,400 --> 01:51:15,120

that sounds good do good I heard this

2349

01:51:19,040 --> 01:51:16,410

recently I can't remember the comedian

2350

01:51:22,220 --> 01:51:19,050

but his wife used to say life is chaos

2351

01:51:24,290 --> 01:51:22,230

be kind Navy and haze thank you so much

2352

01:51:27,020 --> 01:51:24,300

for coming on ancient aliens in the

2353

01:51:28,820 --> 01:51:27,030

Bible evidence of UFOs Nephilim and the

2354

01:51:31,070 --> 01:51:28,830

true face of angels in ancient

2355

01:51:32,800 --> 01:51:31,080

scriptures this is Alan B Smith for

2356

01:51:35,660 --> 01:51:32,810

paranormal now you can always find us on

2357

01:51:36,260 --> 01:51:35,670

instagram

2359

01:51:41,270 --> 01:51:38,790

at paranormal now saving hazy and find

2360

01:51:42,980 --> 01:51:41,280

his books on Amazon and his Facebook

2361

01:51:44,720 --> 01:51:42,990

page is just your name right saving and

2362

01:51:46,820 --> 01:51:44,730

saving haze yep

2363

01:51:49,280 --> 01:51:46,830

alright that's it thank you for tuning

2364

01:51:52,820 --> 01:51:49,290

in I want to thank Joe champion Bob

2365

01:51:55,190 --> 01:51:52,830

tarmac and mga Lucas produces the iron

2366

01:51:57,350 --> 01:51:55,200

for making this show possible this is

2367

01:51:59,750 --> 01:51:57,360

Alan B Smith signing off and in the
