1  
00:00:03,470 --> 00:00:01,550  
it's good to be with you for another

2  
00:00:05,480 --> 00:00:03,480  
edition in the Kevin kook show a Heidi

3  
00:00:06,980 --> 00:00:05,490  
Hollis can't be with us tonight but I'm

4  
00:00:09,940 --> 00:00:06,990  
sure she'll show up next week

5  
00:00:13,879 --> 00:00:09,950  
and we've got a good guest in Dina rady

6  
00:00:15,410 --> 00:00:13,889  
she's written a book on all kinds of

7  
00:00:18,439 --> 00:00:15,420  
interesting facets it's called the

8  
00:00:21,019 --> 00:00:18,449  
sequel and we've got aliens reptilians

9  
00:00:23,060 --> 00:00:21,029  
grills the Vril society Hitler the

10  
00:00:26,240 --> 00:00:23,070  
occult Hollow Earth and Antarctica and

11  
00:00:28,009 --> 00:00:26,250  
the I don't know B and even some JFK

12  
00:00:28,670 --> 00:00:28,019  
info we'll throw in there so it's gonna

13  
00:00:30,349 --> 00:00:28,680

be a good show

14

00:00:33,229 --> 00:00:30,359

we've had Dean on before she's a good

15

00:00:34,910 --> 00:00:33,239

guest but to all kinds of news is

16

00:00:37,940 --> 00:00:34,920

hopping and bopping all over the place

17

00:00:39,830 --> 00:00:37,950

folks and I mean this is getting pretty

18

00:00:42,560 --> 00:00:39,840

dicey with this North Korea business

19

00:00:48,979 --> 00:00:42,570

because they launched an ICBM today that

20

00:00:50,840 --> 00:00:48,989

went 2,300 miles into space and and to

21

00:00:53,750 --> 00:00:50,850

get a reference to Space Station's only

22

00:00:55,810 --> 00:00:53,760

200 odd miles out there but here's the

23

00:00:57,770 --> 00:00:55,820

thing if it was on a normal trajectory

24

00:01:00,319 --> 00:00:57,780

instead of you know just a big high

25

00:01:02,599 --> 00:01:00,329

arcing trajectory it could have hit

26  
00:01:04,160 --> 00:01:02,609  
Washington DC in other words it would

27  
00:01:05,420 --> 00:01:04,170  
have gone like 80 100 miles

28  
00:01:08,149 --> 00:01:05,430  
it wasn't pointed just straight up

29  
00:01:09,980 --> 00:01:08,159  
practically and in other words this

30  
00:01:15,820 --> 00:01:09,990  
would threaten the continental United

31  
00:01:18,499 --> 00:01:15,830  
States and furthermore it did go over

32  
00:01:21,740 --> 00:01:18,509  
Japan they're always forget direction

33  
00:01:23,780 --> 00:01:21,750  
Japan is an extra provocation so it

34  
00:01:25,280 --> 00:01:23,790  
landed in Japan's economic zone in the

35  
00:01:27,440 --> 00:01:25,290  
Sea of Japan but what I'm getting at

36  
00:01:30,740 --> 00:01:27,450  
though is I don't know what the overall

37  
00:01:34,370 --> 00:01:30,750  
game is I mean I mean this little

38  
00:01:38,480 --> 00:01:34,380

pipsqueak country is obviously trying to

39  
00:01:40,429 --> 00:01:38,490  
be a threatening us and and you know and

40  
00:01:43,789 --> 00:01:40,439  
you know of course our allies Japan we

41  
00:01:45,590 --> 00:01:43,799  
have treaties with them and certainly if

42  
00:01:48,170 --> 00:01:45,600  
it could hit Washington DC they could

43  
00:01:49,490 --> 00:01:48,180  
land it in Guam but I mean I can't

44  
00:01:51,410 --> 00:01:49,500  
understand a little pipsqueak

45  
00:01:54,410 --> 00:01:51,420  
Nowheresville country trying to take on

46  
00:01:55,700 --> 00:01:54,420  
the biggest army and navy in the world I

47  
00:01:59,690 --> 00:01:55,710  
mean it just doesn't make any sense

48  
00:02:01,850 --> 00:01:59,700  
people but I don't know what the game is

49  
00:02:04,789 --> 00:02:01,860  
whether it's just more of a blackmail

50  
00:02:06,380 --> 00:02:04,799  
the United States and everybody else to

51  
00:02:08,490 --> 00:02:06,390  
get some kind of trade concessions or

52  
00:02:11,160 --> 00:02:08,500  
money I don't know

53  
00:02:12,480 --> 00:02:11,170  
or maybe this guy's just bonkers I just

54  
00:02:14,880 --> 00:02:12,490  
don't know that either but in any case

55  
00:02:19,170 --> 00:02:14,890  
it's a real issue and Trump said that

56  
00:02:21,030 --> 00:02:19,180  
we're gonna take care of it but oh geez

57  
00:02:25,370 --> 00:02:21,040  
I mean Trump will say anything man I

58  
00:02:28,110 --> 00:02:25,380  
mean this guy's a you know I'm

59  
00:02:30,870 --> 00:02:28,120  
essentially a conservative type and you

60  
00:02:32,220 --> 00:02:30,880  
know initially I was you know foods with

61  
00:02:34,560 --> 00:02:32,230  
Trump and I sure didn't want you know

62  
00:02:36,630 --> 00:02:34,570  
Clinton but what I'm saying is I want

63  
00:02:40,650 --> 00:02:36,640

somebody smart and have a little sense

64

00:02:42,600 --> 00:02:40,660

about and you know I'm for you know

65

00:02:46,230 --> 00:02:42,610

building the wall having closed borders

66

00:02:47,940 --> 00:02:46,240

all that stuff yeah yeah but I mean it's

67

00:02:50,520 --> 00:02:47,950

like this stuff he pulled the other day

68

00:02:53,220 --> 00:02:50,530

when he's meeting with these surviving

69

00:02:56,070 --> 00:02:53,230

Navajo code talkers for World War two

70

00:02:57,960 --> 00:02:56,080

and he makes a crack about Elizabeth

71

00:03:02,220 --> 00:02:57,970

Warren and her Pocahontas thing Anna and

72

00:03:04,290 --> 00:03:02,230

to be candid yes Elizabeth Warren is

73

00:03:06,180 --> 00:03:04,300

about as Indian as I am I mean you know

74

00:03:09,120 --> 00:03:06,190

she had some folklore from her family

75

00:03:11,190 --> 00:03:09,130

but at the very best the way they

76

00:03:14,520 --> 00:03:11,200

figured it the very best if that was

77

00:03:17,400 --> 00:03:14,530

accurate if she was 1/32 Indian and

78

00:03:19,949 --> 00:03:17,410

she's been posing as being of Indian

79

00:03:24,090 --> 00:03:19,959

descent and stuff like that American

80

00:03:26,910 --> 00:03:24,100

Indian descent but folks 132nd would

81

00:03:29,310 --> 00:03:26,920

merit you any category of being a

82

00:03:32,730 --> 00:03:29,320

minority or anything like that that's

83

00:03:35,970 --> 00:03:32,740

not enough say you've got an Indian left

84

00:03:40,170 --> 00:03:35,980

toe or something I think come on 1/32

85

00:03:41,880 --> 00:03:40,180

but if he ever sent your DNA which I've

86

00:03:45,479 --> 00:03:41,890

not done by the way but if you ever did

87

00:03:47,490 --> 00:03:45,489

send your DNA to ancestry.com almost all

88

00:03:49,440 --> 00:03:47,500

of us are composites of all kinds of

89

00:03:53,130 --> 00:03:49,450

things because of migrations and

90

00:03:55,350 --> 00:03:53,140

what-have-you and you know I'd show up

91

00:03:56,990 --> 00:03:55,360

predominantly Irish and Russian yeah

92

00:04:01,110 --> 00:03:57,000

yeah yeah but I also be part

93

00:04:02,610 --> 00:04:01,120

Transylvanian so I mean you know but

94

00:04:04,800 --> 00:04:02,620

what I'm getting at relative Elizabeth

95

00:04:09,570 --> 00:04:04,810

Warren if she was using that as a

96

00:04:12,390 --> 00:04:09,580

political tool to get some kind of

97

00:04:13,860 --> 00:04:12,400

minority status and that and Trump was

98

00:04:15,570 --> 00:04:13,870

right and making fun of her but you

99

00:04:18,270 --> 00:04:15,580

don't make fun of it in front of a bunch

100

00:04:21,810 --> 00:04:18,280

of other Indians I mean that that's just

101  
00:04:22,860 --> 00:04:21,820  
really crazy brain trough so for Trump

102  
00:04:25,080 --> 00:04:22,870  
say they're gonna take care of North

103  
00:04:28,470 --> 00:04:25,090  
Korea either I'd have to see it but I do

104  
00:04:30,390 --> 00:04:28,480  
believe and all kidding aside I do

105  
00:04:32,550 --> 00:04:30,400  
believe that we're gonna eventually go

106  
00:04:35,550 --> 00:04:32,560  
to war with these people because you

107  
00:04:36,870 --> 00:04:35,560  
can't just be I mean after a certain

108  
00:04:38,820 --> 00:04:36,880  
point after you've got the missile

109  
00:04:41,550 --> 00:04:38,830  
technology which days did say that our

110  
00:04:43,200 --> 00:04:41,560  
military today they did say that by next

111  
00:04:45,990 --> 00:04:43,210  
year they will have the technology they

112  
00:04:48,210 --> 00:04:46,000  
need to actually knock one off here

113  
00:04:50,760 --> 00:04:48,220

we've got to do something about it you

114

00:04:51,900 --> 00:04:50,770

can't have somebody threatening you and

115

00:04:57,870 --> 00:04:51,910

threatening you and shooting missiles

116

00:05:00,780 --> 00:04:57,880

over you no allies and our territory and

117

00:05:02,940 --> 00:05:00,790

just dismiss it you can't do that angry

118

00:05:06,660 --> 00:05:02,950

we'll see how that plays out also in

119

00:05:08,400 --> 00:05:06,670

another little quirky thing is you you

120

00:05:10,770 --> 00:05:08,410

Becca Stan you know one of the little

121

00:05:14,460 --> 00:05:10,780

Stan countries that part of the former

122

00:05:22,080 --> 00:05:14,470

Soviet Union has had examples of the

123

00:05:24,690 --> 00:05:22,090

same high frequency harassment as our

124

00:05:26,370 --> 00:05:24,700

you know diplomats have faced in Cuba in

125

00:05:28,980 --> 00:05:26,380

other words causes hearing loss and some

126

00:05:30,930 --> 00:05:28,990

kind of cognitive losses and stuff and

127

00:05:32,670 --> 00:05:30,940

these people are genuinely crippled up

128

00:05:36,450 --> 00:05:32,680

by this and I thinking it may be rushing

129

00:05:40,380 --> 00:05:36,460

in origin so that came up today and

130

00:05:43,560 --> 00:05:40,390

that's pretty exotic to another thing

131

00:05:46,320 --> 00:05:43,570

that came up exotic yet this the

132

00:05:50,070 --> 00:05:46,330

National Enquirer might be buying Time

133

00:05:54,000 --> 00:05:50,080

magazine which be okay by me but I think

134

00:05:56,910 --> 00:05:54,010

it is different folks it really is now

135

00:05:58,620 --> 00:05:56,920

becoming sort of close to the end of the

136

00:06:02,610 --> 00:05:58,630

news piece but I got to tell you this

137

00:06:10,350 --> 00:06:02,620

one a Japanese physicist named Masaru

138

00:06:15,480 --> 00:06:10,360

Emoto has shown how different effects

139

00:06:19,380 --> 00:06:15,490

affect water like if you play Pleasant

140

00:06:21,630 --> 00:06:19,390

music water will form ice crystals and

141

00:06:23,970 --> 00:06:21,640

stuff in a nice Pleasant geometric form

142

00:06:26,270 --> 00:06:23,980

but if you play something kind of

143

00:06:29,690 --> 00:06:26,280

wretched like heavy metal it'll make

144

00:06:33,409 --> 00:06:29,700

ugly designs in the end the crystals and

145

00:06:35,610 --> 00:06:33,419

that also has been found with plants if

146

00:06:39,629 --> 00:06:35,620

they're people that actually play

147

00:06:43,469 --> 00:06:39,639

music to see how plants react and if you

148

00:06:46,050 --> 00:06:43,479

play awful ruckus e music the plants

149

00:06:49,560 --> 00:06:46,060

will not grow well but if you plant if

150

00:06:52,500 --> 00:06:49,570

you play say opera and not necessarily

151

00:06:55,230 --> 00:06:52,510

opera but just symphonic music the

152

00:06:58,140 --> 00:06:55,240

plants react well to it so I don't know

153

00:07:00,810 --> 00:06:58,150

how that is or why that is but ruckus e

154

00:07:05,189 --> 00:07:00,820

stuff tends to affect the water and

155

00:07:07,560 --> 00:07:05,199

plants and pleasant music makes things

156

00:07:09,330 --> 00:07:07,570

go better so I don't know I don't know

157

00:07:12,180 --> 00:07:09,340

but this came up and I thought that was

158

00:07:14,189 --> 00:07:12,190

an interesting tidbit and here's one

159

00:07:18,860 --> 00:07:14,199

more just before we go even break get

160

00:07:21,180 --> 00:07:18,870

this Don Pettit a former US astronaut

161

00:07:24,659 --> 00:07:21,190

when he was asked about the United

162

00:07:26,760 --> 00:07:24,669

States going back to the moon he says we

163

00:07:29,670 --> 00:07:26,770

don't have the technology anymore to do

164

00:07:32,310 --> 00:07:29,680

it we'd have to redevelop it now guys

165

00:07:34,469 --> 00:07:32,320

this doesn't make a whole lot of sense I

166

00:07:39,090 --> 00:07:34,479

mean we haven't been to the moon in a

167

00:07:41,850 --> 00:07:39,100

zillion years so how could the

168

00:07:44,879 --> 00:07:41,860

technology not be better 40 years on

169

00:07:46,290 --> 00:07:44,889

like we are now than it was at the time

170

00:07:47,670 --> 00:07:46,300

of the moon landings I mean this is

171

00:07:50,400 --> 00:07:47,680

really a bizarre thing I'd like to have

172

00:07:52,830 --> 00:07:50,410

petted on and grilled him on that but

173

00:07:56,180 --> 00:07:52,840

there wasn't that much explanation of it

174

00:07:59,339 --> 00:07:56,190

beyond that but this made no sense

175

00:08:01,260 --> 00:07:59,349

anyhow we're gonna go to break and we're

176

177

00:08:05,909 --> 00:08:02,770

doing okay I'm doing well thanks for

181

00:08:19,980 --> 00:08:17,710

having me you bet I mentioned at the

182

00:08:22,620 --> 00:08:19,990

entry introduction that the book is

183

00:08:26,189 --> 00:08:22,630

called the sequel yes the bestseller

184

00:08:31,140 --> 00:08:26,199

series and you're saying that it's on

185

00:08:34,380 --> 00:08:31,150

Amazon \$0.99 special Amazon but yeah for

186

00:08:37,940 --> 00:08:34,390

cyber monday week and then it'll go back

187

00:08:40,769 --> 00:08:37,950

to the regular price on Friday

188

00:08:42,750 --> 00:08:40,779

okay sure enough so amazon.com and

189

00:08:47,670 --> 00:08:42,760

that's what the digital of course the

190

00:08:48,960 --> 00:08:47,680

digital version yeah well I mean this is

191

00:08:51,150 --> 00:08:48,970

a heck of a book a Lee

192

00:08:53,790 --> 00:08:51,160

reptilians real society Hitler the

193

00:08:56,879 --> 00:08:53,800

occult Hollow Earth and Antarctica's

194

00:08:58,710 --> 00:08:56,889

we'll talk about some JFK stuff but you

195

00:09:01,499 --> 00:08:58,720

know that's some very exotic and

196

00:09:03,569 --> 00:09:01,509

interesting material but golly

197

00:09:07,319 --> 00:09:03,579

deena the news pieces are almost as

198

00:09:09,030 --> 00:09:07,329

exotic is that this is a weird little

199

00:09:10,800 --> 00:09:09,040

time we're living in I can't remember

200

00:09:14,670 --> 00:09:10,810

any time we'd be worried about some

201  
00:09:20,340 --> 00:09:14,680  
little nitwit North Korean guy and I

202  
00:09:23,699 --> 00:09:22,110  
it is but obviously we're gonna have to

203  
00:09:27,590 --> 00:09:23,709  
bomb the place is what else can you do

204  
00:09:30,389 --> 00:09:27,600  
just me can't just snooze through it but

205  
00:09:33,600 --> 00:09:30,399  
you know I've always been interested

206  
00:09:37,939 --> 00:09:33,610  
always and the Hitler thing and whether

207  
00:09:42,869 --> 00:09:37,949  
he really escaped to South America or Oh

208  
00:09:44,309 --> 00:09:42,879  
golly what what happened to him and what

209  
00:09:46,559 --> 00:09:44,319  
do you think about that do you think he

210  
00:09:50,579 --> 00:09:46,569  
had he did shove off to South America at

211  
00:09:54,600 --> 00:09:50,589  
the end of the war absolutely in fact

212  
00:09:58,309 --> 00:09:54,610  
there was I wish I had I wish I had the

213  
00:10:03,299 --> 00:09:58,319

name of the book handy but there is a

214

00:10:07,170 --> 00:10:03,309

seaman who helped him and Borman and a

215

00:10:09,269 --> 00:10:07,180

couple other high-ranking Nazis get out

216

00:10:11,910 --> 00:10:09,279

of Germany and they went

217

00:10:14,990 --> 00:10:11,920

I think first to Norway kind of like in

218

00:10:20,610 --> 00:10:15,000

the opposite direction and then they

219

00:10:27,559 --> 00:10:20,620

kind of snaked around very slowly and

220

00:10:34,340 --> 00:10:27,569

ended up in supposedly Argentina oh yeah

221

00:10:37,319 --> 00:10:34,350

bopper Network and then well the JFK

222

00:10:42,210 --> 00:10:37,329

file just came out a few weeks ago and

223

00:10:44,639 --> 00:10:42,220

then he supposedly set up shop so to

224

00:10:48,449 --> 00:10:44,649

speak and lived out the rest of his life

225

00:10:51,559 --> 00:10:48,459

in Colombia we don't we talked about

226

00:10:54,150 --> 00:10:51,569

that over the phone before the show and

227

00:10:55,920 --> 00:10:54,160

it's it's wild when you told me that

228

00:10:58,139 --> 00:10:55,930

because they've really said very little

229

00:10:59,939 --> 00:10:58,149

about what the JFK document said but

230

00:11:01,920 --> 00:10:59,949

something is dramatic is that what the

231

00:11:06,320 --> 00:11:01,930

heck are they doing

232

00:11:11,180 --> 00:11:06,330

that's all ourselves journalists well

233

00:11:16,410 --> 00:11:11,190

it's you know just another example of

234

00:11:19,320 --> 00:11:16,420

you know what what news is nowadays it's

235

00:11:20,940 --> 00:11:19,330

really not news it's it's like hey love

236

00:11:23,310 --> 00:11:20,950

going back to Hitler's times you know

237

00:11:27,090 --> 00:11:23,320

Goebbels was the master of this and I

238

00:11:32,940 --> 00:11:27,100

think our own newsmen and women are into

239

00:11:36,870 --> 00:11:32,950

propaganda now and not news and yeah I

240

00:11:43,010 --> 00:11:36,880

don't just want to you know hit on CNN I

241

00:11:46,440 --> 00:11:43,020

think foxes can be just as one-sided

242

00:11:48,360 --> 00:11:46,450

yeah most of them seem liberal but

243

00:11:54,780 --> 00:11:48,370

there's a few conservative ones that

244

00:11:58,230 --> 00:11:54,790

will not address a story that that makes

245

00:12:00,660 --> 00:11:58,240

Trump look bad so yeah and then the

246

00:12:03,990 --> 00:12:00,670

other ones that's all they do so yeah I

247

00:12:05,610 --> 00:12:04,000

know so evening yeah well CBS Co I was

248

00:12:08,519 --> 00:12:05,620

to CBS a lot and they go out of their

249

00:12:11,430 --> 00:12:08,529

way to do it but but what Trump steps on

250

00:12:16,019 --> 00:12:11,440

his own tongue all the time but but

251  
00:12:19,110 --> 00:12:16,029  
still you know realistically I mean most

252  
00:12:21,449 --> 00:12:19,120  
of these guys have you know they were a

253  
00:12:23,610 --> 00:12:21,459  
little smoother than Trump I mean they

254  
00:12:25,199 --> 00:12:23,620  
were dirtbags behind the scenes yes I

255  
00:12:27,990 --> 00:12:25,209  
mean you couldn't get much lower down at

256  
00:12:30,690 --> 00:12:28,000  
Bill Clinton as far as you know all over

257  
00:12:34,500 --> 00:12:30,700  
at all the all kind not just the

258  
00:12:36,780 --> 00:12:34,510  
womanizing but all the oh god all this

259  
00:12:38,940 --> 00:12:36,790  
neck pain turi and you know with all the

260  
00:12:40,500 --> 00:12:38,950  
stuff all the way back to whitewater or

261  
00:12:44,070 --> 00:12:40,510  
whatever it was called in Arkansas and

262  
00:12:45,960 --> 00:12:44,080  
all it but what I'm saying is the news

263  
00:12:48,060 --> 00:12:45,970

meeting never hardly said a thing about

264

00:12:51,690 --> 00:12:48,070

that every now and then but not much but

265

00:12:53,220 --> 00:12:51,700

but something on this like like info on

266

00:12:54,110 --> 00:12:53,230

Hitler or something that would be

267

00:12:59,370 --> 00:12:54,120

something it ought to make

268

00:13:02,310 --> 00:12:59,380

top-of-the-line news on CBS I couldn't

269

00:13:04,120 --> 00:13:02,320

agree with you more and I heard a blurb

270

00:13:10,329 --> 00:13:04,130

of it

271

00:13:16,180 --> 00:13:10,339

on my personal favorite channel which is

272

00:13:19,900 --> 00:13:16,190

Oh a n news I don't know if you even

273

00:13:22,780 --> 00:13:19,910

heard of it it's a small there on

274

00:13:26,110 --> 00:13:22,790

certain cable packages and they're

275

00:13:28,300 --> 00:13:26,120

independent there I can't even tell you

276

00:13:34,600 --> 00:13:28,310

who owns the station I looked it up and

277

00:13:38,500 --> 00:13:34,610

there they prefer to be anonymous I mean

278

00:13:41,260 --> 00:13:38,510

very I mean I don't watch CNN anymore so

279

00:13:43,480 --> 00:13:41,270

I don't know if they had anything about

280

00:13:46,390 --> 00:13:43,490

this but to me this would wouldn't just

281

00:13:50,170 --> 00:13:46,400

be a one second story it would be a

282

00:13:52,540 --> 00:13:50,180

two-hour special sure I mean its

283

00:13:54,610 --> 00:13:52,550

historic historical info like that would

284

00:13:59,560 --> 00:13:54,620

be major stuff that'd be like almost

285

00:14:01,360 --> 00:13:59,570

from movie size info but yeah I know I

286

00:14:03,519 --> 00:14:01,370

mean obviously they're controlling the

287

00:14:06,070 --> 00:14:03,529

the release of that they obviously are I

288

00:14:08,050 --> 00:14:06,080

mean they I mean you know they carry

289

00:14:10,360 --> 00:14:08,060

petty things all the time this would be

290

00:14:11,519 --> 00:14:10,370

certainly a major development to find

291

00:14:18,699 --> 00:14:11,529

that info out

292

00:14:21,250 --> 00:14:18,709

yeah they the Soviets took Hitler's you

293

00:14:23,199 --> 00:14:21,260

know partially it was his body was

294

00:14:25,060 --> 00:14:23,209

supposedly partially cremated which is

295

00:14:27,910 --> 00:14:25,070

very weird to begin with he kills

296

00:14:33,220 --> 00:14:27,920

himself and then the Germans cremate his

297

00:14:37,120 --> 00:14:33,230

body I yeah but there was enough remains

298

00:14:39,880 --> 00:14:37,130

that they could run a DNA test in the

299

00:14:43,360 --> 00:14:39,890

body that the Soviets took was of a

300

00:14:46,600 --> 00:14:43,370

twenty to forty year old woman so that

301

00:14:49,870 --> 00:14:46,610

that's that's genetic fact so that that

302

00:14:54,040 --> 00:14:49,880

body was never even his it was obviously

303

00:14:55,960 --> 00:14:54,050

meant to be some kind of decoy okay well

304

00:14:57,790 --> 00:14:55,970

I don't doubt that at all so I heard

305

00:15:00,579 --> 00:14:57,800

these rumors you know growing up here a

306

00:15:02,410 --> 00:15:00,589

little uh I think there was even if I

307

00:15:04,120 --> 00:15:02,420

remember correctly and this is way back

308

00:15:06,400 --> 00:15:04,130

when I was a kid or something there was

309

00:15:10,030 --> 00:15:06,410

a movie or a book called the boys from

310

00:15:11,440 --> 00:15:10,040

Brazil or something you know just the

311

00:15:13,150 --> 00:15:11,450

whole war of the Nazis going to

312

00:15:17,049 --> 00:15:13,160

Argentina or Brazil or somewhere and

313

00:15:20,289 --> 00:15:17,059

hanging out you know

314

00:15:22,479 --> 00:15:20,299

like that but but to have something so

315

00:15:25,149 --> 00:15:22,489

momentous that's almost a news story in

316

00:15:29,289 --> 00:15:25,159

itself how that was hushed up I'm glad

317

00:15:31,289 --> 00:15:29,299

at least Fox carried it briefly but I

318

00:15:33,819 --> 00:15:31,299

guess that's better than nothing

319

00:15:35,829 --> 00:15:33,829

well certainly better than CBS cuz I you

320

00:15:38,319 --> 00:15:35,839

know I know I should have a more varied

321

00:15:40,899 --> 00:15:38,329

and I do on the internet I look at

322

00:15:42,849 --> 00:15:40,909

different internet feeds but you know I

323

00:15:45,729 --> 00:15:42,859

guess I've missed a creature of habit

324

00:15:48,129 --> 00:15:45,739

because I grew up as a kid listening to

325

00:15:51,329 --> 00:15:48,139

Walter Cronkite or something some Dan

326

00:15:54,849 --> 00:15:51,339

Rather and I guess I just kept with it

327

00:16:00,899 --> 00:15:54,859

but I can promise you CBS News said

328

00:16:04,329 --> 00:16:00,909

nothing about it nothing whispered well

329

00:16:07,319 --> 00:16:04,339

you know people say oh you can't change

330

00:16:10,509 --> 00:16:07,329

history well yeah actually you can and

331

00:16:14,249 --> 00:16:10,519

it's being done right now on so many

332

00:16:18,639 --> 00:16:14,259

different levels and I know for example

333

00:16:20,919 --> 00:16:18,649

not to rag too much on Germany but both

334

00:16:22,149 --> 00:16:20,929

of my books will are not allowed to be

335

00:16:25,059 --> 00:16:22,159

sold in Germany because there's a

336

00:16:27,749 --> 00:16:25,069

swastika signs on the cover oh they

337

00:16:32,439 --> 00:16:27,759

won't they can't so on their nose well

338

00:16:35,379 --> 00:16:32,449

right now apparently they're I mean to

339

00:16:39,489 --> 00:16:35,389

me what why why not do you want to erase

340

00:16:44,199 --> 00:16:39,499

what had happened I guess so and I had

341

00:16:47,979 --> 00:16:44,209

heard on another news channel that their

342

00:16:51,099 --> 00:16:47,989

history books really skip a whole of

343

00:16:54,059 --> 00:16:51,109

World War two and what they were doing

344

00:16:57,429 --> 00:16:54,069

at those concentration camps so they

345

00:17:01,899 --> 00:16:57,439

clean it up or something yeah there they

346

00:17:03,579 --> 00:17:01,909

are rewriting their own history well I

347

00:17:10,299 --> 00:17:03,589

don't doubt that I don't doubt that at

348

00:17:13,210 --> 00:17:10,309

all and because well it I mean anybody

349

00:17:14,919 --> 00:17:13,220

with a thinking individual not beating

350

00:17:16,179 --> 00:17:14,929

this story into the ground but just that

351

00:17:18,999 --> 00:17:16,189

one story there would be such a

352

00:17:21,369 --> 00:17:19,009

historical insight into Hitler and what

353

00:17:22,869 --> 00:17:21,379

happened to him and all this especially

354

00:17:24,939 --> 00:17:22,879

with all the rumors all the years for

355

00:17:26,649 --> 00:17:24,949

the news these news stories I mean this

356

00:17:29,680 --> 00:17:26,659

media not to pick that up is very

357

00:17:31,210 --> 00:17:29,690

questionable shows a makes race a big

358

00:17:34,600 --> 00:17:31,220

red flag that there

359

00:17:37,210 --> 00:17:34,610

the rain are for what but there was

360

00:17:42,250 --> 00:17:37,220

another you know there's another story I

361

00:17:45,360 --> 00:17:42,260

had in a news piece that Don had it I

362

00:17:50,590 --> 00:17:45,370

think his name was he was a farmer up

363

00:17:53,650 --> 00:17:50,600

former astronaut and what he said was in

364

00:17:55,270 --> 00:17:53,660

a recent quote yeah Don Pettit he said

365

00:17:57,760 --> 00:17:55,280

that we can't go back to the moon right

366

00:18:01,300 --> 00:17:57,770

now because we don't have the technology

367

00:18:03,520 --> 00:18:01,310

anymore but now wait a minute now Deena

368

00:18:08,200 --> 00:18:03,530

this doesn't make any sense you're

369

00:18:09,880 --> 00:18:08,210

talking 1960s 1970s era technology how

370

00:18:13,840 --> 00:18:09,890

could we not have better technology than

371

00:18:16,270 --> 00:18:13,850

that I mean my god I mean I heard that

372

00:18:18,910 --> 00:18:16,280

the whole a little cellphone would have

373

00:18:24,160 --> 00:18:18,920

more computing power than they had on

374

00:18:25,480 --> 00:18:24,170

the new mission well they I don't know

375

00:18:29,080 --> 00:18:25,490

if you're familiar with the whole

376

00:18:32,950 --> 00:18:29,090

Stanley Kubrick conspiracy but he was

377

00:18:35,830 --> 00:18:32,960

that famous movie director oh yeah

378

00:18:38,560 --> 00:18:35,840

he um he did The Shining is probably one

379

00:18:41,770 --> 00:18:38,570

of his most famous films well he was a

380

00:18:44,170 --> 00:18:41,780

part of the Illuminati and they hired

381

00:18:46,300 --> 00:18:44,180

him to film a core I mean this is of

382

00:18:49,980 --> 00:18:46,310

course I don't want to say it like it's

383

00:18:53,350 --> 00:18:49,990

true you know but this is the theory and

384

00:18:57,280 --> 00:18:53,360

he was hired to film that whole entire

385

00:18:59,920 --> 00:18:57,290

man on the moon landing and he had a

386

00:19:03,400 --> 00:18:59,930

high position within the Illuminati and

387

00:19:07,050 --> 00:19:03,410

he just felt so bad about it that that

388

00:19:12,700 --> 00:19:07,060

movie The Shining is giving Clues all

389

00:19:15,220 --> 00:19:12,710

over the place about that I mean Stephen

390

00:19:18,940 --> 00:19:15,230

King was infuriated because it didn't

391

00:19:21,640 --> 00:19:18,950

follow his book yo yeah he he eventually

392

00:19:25,750 --> 00:19:21,650

made his own The Shining movie made for

393

00:19:29,650 --> 00:19:25,760

TV but Kubrick used that movie gig to he

394

00:19:34,000 --> 00:19:29,660

put in all kinds of like like subliminal

395

00:19:36,160 --> 00:19:34,010

messages and yeah if you watch it again

396

00:19:39,910 --> 00:19:36,170

you watch it with a new set of eyes and

397

00:19:42,790 --> 00:19:39,920

then of course later on in life in the

398

00:19:45,790 --> 00:19:42,800

the 90s he was filming

399

00:19:48,910 --> 00:19:45,800

Eyes Wide Shut with Nicole Kidman and

400

00:19:51,760 --> 00:19:48,920

Tom Cruise and that was about the

401  
00:19:54,880 --> 00:19:51,770  
Illuminati and he mysteriously had a

402  
00:19:58,990 --> 00:19:54,890  
heart attack right in the middle of that

403  
00:20:01,480 --> 00:19:59,000  
film yeah Cooper did yeah he was small

404  
00:20:04,390 --> 00:20:01,490  
if you see the film there's all kinds of

405  
00:20:06,780 --> 00:20:04,400  
rituals going on in it and right in the

406  
00:20:09,430 --> 00:20:06,790  
middle of the film he dies

407  
00:20:10,930 --> 00:20:09,440  
well I seems like I remember the shining

408  
00:20:12,910 --> 00:20:10,940  
but that was so many years ago and

409  
00:20:17,080 --> 00:20:12,920  
there's been so many King flicks I

410  
00:20:21,430 --> 00:20:17,090  
forgot it but I don't remember it - well

411  
00:20:23,260 --> 00:20:21,440  
yeah but I don't know I mean this

412  
00:20:26,290 --> 00:20:23,270  
Illuminati thing has always been working

413  
00:20:28,420 --> 00:20:26,300

around the background and I've you know

414

00:20:31,570 --> 00:20:28,430

heard references to them over the years

415

00:20:33,520 --> 00:20:31,580

but I don't know there's so much going

416

00:20:36,460 --> 00:20:33,530

on that makes no sense but for this

417

00:20:39,820 --> 00:20:36,470

Pettit guy to say that we don't have the

418

00:20:41,920 --> 00:20:39,830

technology we had then 40 years ago I

419

00:20:44,830 --> 00:20:41,930

mean everything has changed in that time

420

00:20:47,050 --> 00:20:44,840

I mean we should have technology we'd go

421

00:20:49,900 --> 00:20:47,060

the moon and have a cup of coffee and

422

00:20:51,520 --> 00:20:49,910

come back and add a damn near hell I

423

00:20:56,590 --> 00:20:51,530

mean not really but I mean still

424

00:20:58,150 --> 00:20:56,600

occurred in 1970 I mean my goodness it's

425

00:21:00,340 --> 00:20:58,160

like I say getting back to the computing

426  
00:21:02,500 --> 00:21:00,350  
power business they said you know one

427  
00:21:05,740 --> 00:21:02,510  
cell phone is like light-years beyond

428  
00:21:07,180 --> 00:21:05,750  
what they had then so none of this makes

429  
00:21:09,190 --> 00:21:07,190  
any sense I wish I could have this

430  
00:21:10,510 --> 00:21:09,200  
Pettit on and ask him you know what the

431  
00:21:12,700 --> 00:21:10,520  
heck did you mean by that buddy

432  
00:21:15,060 --> 00:21:12,710  
because I mean I know in rockets they've

433  
00:21:18,070 --> 00:21:15,070  
got bigger Rockets than they had now and

434  
00:21:19,570 --> 00:21:18,080  
certainly more efficient technology I

435  
00:21:21,370 --> 00:21:19,580  
don't know but that came up and that

436  
00:21:24,100 --> 00:21:21,380  
just like raised an eyebrow to that you

437  
00:21:26,140 --> 00:21:24,110  
almost wonder I guess of course you deal

438  
00:21:29,410 --> 00:21:26,150

on very interesting speculative items

439

00:21:36,160 --> 00:21:29,420

but you wonder darling Dina what is true

440

00:21:40,630 --> 00:21:36,170

out there I mean right no I'm - that

441

00:21:43,270 --> 00:21:40,640

that point you know when the story broke

442

00:21:46,740 --> 00:21:43,280

the other day about the the slush fund

443

00:21:52,750 --> 00:21:46,750

of taxpayer money that that pays off

444

00:21:55,600 --> 00:21:52,760

with women who were you know harassed by

445

00:21:59,190 --> 00:21:55,610

these these bombs we got in Congo

446

00:22:02,139 --> 00:21:59,200

oh I can tell you I was not an iota

447

00:22:05,470 --> 00:22:02,149

surprised so many people were in shock

448

00:22:07,389 --> 00:22:05,480

it's like are you kidding me that were

449

00:22:10,600 --> 00:22:07,399

just scratching the surface of what they

450

00:22:12,729 --> 00:22:10,610

do with our tax code is that's true

451  
00:22:15,519 --> 00:22:12,739  
that's true well there was a story I had

452  
00:22:17,710 --> 00:22:15,529  
on a you know let's see me know the kind

453  
00:22:20,619 --> 00:22:17,720  
of sort of shows you how crooked they

454  
00:22:22,840 --> 00:22:20,629  
really are was CBS did have this like

455  
00:22:25,269 --> 00:22:22,850  
about a year and a half ago that all

456  
00:22:28,509 --> 00:22:25,279  
congressman Republican and Democratic

457  
00:22:30,669 --> 00:22:28,519  
both are required to raise funds for

458  
00:22:32,769 --> 00:22:30,679  
twenty twenty to twenty-five hours a

459  
00:22:34,869 --> 00:22:32,779  
week themselves I don't mean their staff

460  
00:22:38,379 --> 00:22:34,879  
I mean on the phone like phone

461  
00:22:40,210 --> 00:22:38,389  
soliciting like a Salesman though and

462  
00:22:41,950 --> 00:22:40,220  
I've done that kind of work for years

463  
00:22:45,609 --> 00:22:41,960

I've been a Salesman for centuries but

464

00:22:48,519 --> 00:22:45,619

what I'm saying is if you work the phone

465

00:22:50,619 --> 00:22:48,529

for 20 hours a week you wouldn't have

466

00:22:52,840 --> 00:22:50,629

enough energy to do much of nothing I

467

00:22:54,430 --> 00:22:52,850

mean you'd be a played-out son of a gun

468

00:22:56,919 --> 00:22:54,440

because it just takes a lot out of you

469

00:22:58,450 --> 00:22:56,929

man like I say this I'm not talking

470

00:23:01,599 --> 00:22:58,460

about them farming this out to their

471

00:23:05,109 --> 00:23:01,609

their workers I mean the individual rep

472

00:23:07,119 --> 00:23:05,119

so that and CBS 2 it's great it did

473

00:23:09,669 --> 00:23:07,129

cover that so I mean if don't think that

474

00:23:10,960 --> 00:23:09,679

they that's basically what I'm saying in

475

00:23:14,379 --> 00:23:10,970

a nutshell so that's all they do

476

00:23:16,269 --> 00:23:14,389

I mean I know I've always heard a lot of

477

00:23:18,669 --> 00:23:16,279

their staffers just read the stuff

478

00:23:23,849 --> 00:23:18,679

themselves and summarize it for the rep

479

00:23:27,099 --> 00:23:23,859

they're too lazy right yeah I mean

480

00:23:29,799 --> 00:23:27,109

that's at least they do something I

481

00:23:31,869 --> 00:23:29,809

guess they raise money for themselves

482

00:23:34,629 --> 00:23:31,879

that's that's what they do that's that's

483

00:23:36,340 --> 00:23:34,639

their job there's a whole CBS show where

484

00:23:37,720 --> 00:23:36,350

the Democrats do it at this building and

485

00:23:40,210 --> 00:23:37,730

the Republicans do it at that and they

486

00:23:43,029 --> 00:23:40,220

have to do it it's not it's not like

487

00:23:44,560 --> 00:23:43,039

optional but I don't know this we're

488

00:23:46,269 --> 00:23:44,570

coming up to our bottom of the hour

489

00:23:47,560 --> 00:23:46,279

break but there's so much interesting

490

00:23:50,830 --> 00:23:47,570

material here I know we're gonna have a

491

00:23:53,080 --> 00:23:50,840

great show but we'll be right back after

492

00:23:55,359 --> 00:23:53,090

our first break and we'll talk about

493

00:23:58,380 --> 00:23:55,369

some of these different topics we'll be

494

00:24:04,419 --> 00:24:01,480

you know and yes Tina Deena this is just

495

00:24:08,169 --> 00:24:04,429

this is some crazy stuff but I guess

496

00:24:10,060 --> 00:24:08,179

really you're mentioning the those

497

00:24:12,399 --> 00:24:10,070

congressman's of this before the break

498

00:24:14,919 --> 00:24:12,409

there's a Texas congressman they had on

499

00:24:17,830 --> 00:24:14,929

TV some big ol fat devil than Joe Barton

500

00:24:20,139 --> 00:24:17,840

or something I mean he had some

501  
00:24:23,049 --> 00:24:20,149  
pornographic photos that showed up and

502  
00:24:29,830 --> 00:24:23,059  
he's like a 300-pound whale like you

503  
00:24:34,389 --> 00:24:29,840  
know what kind of Zoo is Cullen oh I'd

504  
00:24:36,639 --> 00:24:34,399  
really even way back in the in the 1800s

505  
00:24:39,340 --> 00:24:36,649  
Mark Twain used to talk down Congress I

506  
00:24:43,990 --> 00:24:39,350  
and deprecating terms but he wasn't near

507  
00:24:45,909 --> 00:24:44,000  
artists yes oh my god these people would

508  
00:24:51,549 --> 00:24:45,919  
make the rats in the New York sewer

509  
00:24:57,629 --> 00:24:51,559  
system sick but it is amazing it really

510  
00:25:03,370 --> 00:24:57,639  
is I mean even this old Buzzard this old

511  
00:25:04,720 --> 00:25:03,380  
keeper George Bush Senior women by the

512  
00:25:06,460 --> 00:25:04,730  
rear end or something I mean you know a

513  
00:25:07,990 --> 00:25:06,470

guy to wheelchair is putting the grabs

514

00:25:13,629 --> 00:25:08,000

on women's rear ends and I'm thinking

515

00:25:15,639 --> 00:25:13,639

what kind of stuff is this you know it

516

00:25:18,700 --> 00:25:15,649

amazes me because you know you know i

517

00:25:20,590 --> 00:25:18,710

you know i i'm not you know try to be

518

00:25:22,330 --> 00:25:20,600

legal maniac but I never had to chase

519

00:25:27,370 --> 00:25:22,340

women down very much is more the other

520

00:25:28,950 --> 00:25:27,380

way around and I never you know grope

521

00:25:31,389 --> 00:25:28,960

any of them or anything it was always

522

00:25:33,190 --> 00:25:31,399

had to be selective but who I went

523

00:25:36,970 --> 00:25:33,200

around with you know but I'm just saying

524

00:25:40,269 --> 00:25:36,980

I can't believe this it's this extreme

525

00:25:42,669 --> 00:25:40,279

that's what I'm saying I mean I just

526  
00:25:45,399 --> 00:25:42,679  
have to laugh they're gonna have sexual

527  
00:25:48,759 --> 00:25:45,409  
harassment training if they don't know

528  
00:25:51,129 --> 00:25:48,769  
it's sexual harassment Eve is then why

529  
00:25:53,200 --> 00:25:51,139  
how the hell do you get in front of a

530  
00:25:55,690 --> 00:25:53,210  
microphone and say you champion women's

531  
00:25:57,580 --> 00:25:55,700  
rights and all the sudden and you don't

532  
00:26:00,610 --> 00:25:57,590  
even know what sexual harassment is I

533  
00:26:02,560 --> 00:26:00,620  
mean what a cop-out let's get real they

534  
00:26:04,090 --> 00:26:02,570  
feel that they can't no one can touch

535  
00:26:07,750 --> 00:26:04,100  
them they can do whatever the heck they

536  
00:26:09,639 --> 00:26:07,760  
want rules don't apply to them and they

537  
00:26:10,230 --> 00:26:09,649  
can you know act this law without any

538  
00:26:12,570 --> 00:26:10,240

real

539

00:26:14,880 --> 00:26:12,580

cushions and I mean look at that I AI

540

00:26:16,350 --> 00:26:14,890

Franken thought it was a riot and took

541

00:26:20,040 --> 00:26:16,360

the picture of himself

542

00:26:22,169 --> 00:26:20,050

yeah oh I mean this is the mentality

543

00:26:24,630 --> 00:26:22,179

we're dealing with the you can't touch

544

00:26:25,200 --> 00:26:24,640

me I could do whatever I want and that's

545

00:26:28,140 --> 00:26:25,210

annoying

546

00:26:29,669 --> 00:26:28,150

bizarre to me because like I say uh you

547

00:26:32,520 --> 00:26:29,679

know most of the buddies I've had over

548

00:26:34,950 --> 00:26:32,530

the years they don't do that I mean you

549

00:26:37,280 --> 00:26:34,960

know my business partner he's you know

550

00:26:40,169 --> 00:26:37,290

I've been a ladies man type guy he never

551  
00:26:42,990 --> 00:26:40,179  
I'm groping women is more like you know

552  
00:26:44,280 --> 00:26:43,000  
go with whoever just how it you know go

553  
00:26:48,390 --> 00:26:44,290  
with the flow you don't have to be you

554  
00:26:49,919 --> 00:26:48,400  
know extreme like the Hatter I don't

555  
00:26:52,620 --> 00:26:49,929  
even know what the term is but I mean

556  
00:26:55,140 --> 00:26:52,630  
sleazy or whatever but these guys are

557  
00:26:57,690 --> 00:26:55,150  
monsters I mean this guy that looks like

558  
00:26:59,730 --> 00:26:57,700  
a beluga whale and he said a

559  
00:27:01,380 --> 00:26:59,740  
pornographic pictures I'm thinking holy

560  
00:27:05,100 --> 00:27:01,390  
moly buddy you better cover that up

561  
00:27:07,260 --> 00:27:05,110  
that's right and it's just weird it's

562  
00:27:09,330 --> 00:27:07,270  
just weird but obviously you're right on

563  
00:27:10,860 --> 00:27:09,340

and that what they're doing is they feel

564

00:27:14,400 --> 00:27:10,870

they they're above the law

565

00:27:18,030 --> 00:27:14,410

above rules of etiquette or anything

566

00:27:20,030 --> 00:27:18,040

else that they're just rape and pillage

567

00:27:28,500 --> 00:27:20,040

the way they whatever they want to do

568

00:27:31,230 --> 00:27:28,510

yeah just like the Harvey Weinstein you

569

00:27:33,600 --> 00:27:31,240

know part of me is like well those

570

00:27:36,840 --> 00:27:33,610

actresses though they'll do anything to

571

00:27:40,020 --> 00:27:36,850

get a partner be movie you know so part

572

00:27:41,460 --> 00:27:40,030

of me is kind of like well but then you

573

00:27:44,340 --> 00:27:41,470

know he's got all of these women

574

00:27:46,230 --> 00:27:44,350

screaming rape and all this other all

575

00:27:48,150 --> 00:27:46,240

this other stuff and all these people

576

00:27:50,430 --> 00:27:48,160

knew about it and never said anything

577

00:27:55,080 --> 00:27:50,440

and and then they'll sit in the lecture

578

00:27:57,510 --> 00:27:55,090

the the rest of us on and you know what

579

00:28:00,930 --> 00:27:57,520

is decent and what and you know this man

580

00:28:04,350 --> 00:28:00,940

who we should be vote for president it's

581

00:28:06,180 --> 00:28:04,360

mind-boggling well it really is it

582

00:28:08,520 --> 00:28:06,190

really is I have to admit over the years

583

00:28:11,310 --> 00:28:08,530

I heard that term casting couch which I

584

00:28:14,400 --> 00:28:11,320

always would get sexual favors to give

585

00:28:15,900 --> 00:28:14,410

jobs to I mean I heard that existed but

586

00:28:16,650 --> 00:28:15,910

I didn't know this is widespread is all

587

00:28:20,130 --> 00:28:16,660

bad either

588

00:28:22,320 --> 00:28:20,140

and I also didn't know it applied to the

589

00:28:23,520 --> 00:28:22,330

political arena I mean I never know well

590

00:28:24,960 --> 00:28:23,530

now in fairness bill

591

00:28:29,010 --> 00:28:24,970

went and hit the sack with everybody

592

00:28:31,490 --> 00:28:29,020

that was he was he was accused of rape

593

00:28:36,480 --> 00:28:31,500

and all kinds of stuff so it wasn't just

594

00:28:38,690 --> 00:28:36,490

a mutual thing you know that we're

595

00:28:41,760 --> 00:28:38,700

taking it to a whole nother level oh

596

00:28:43,320 --> 00:28:41,770

yeah I think so but so well it just goes

597

00:28:45,270 --> 00:28:43,330

to show that people that are that bad

598

00:28:46,830 --> 00:28:45,280

morally you know they're the lie about

599

00:28:50,040 --> 00:28:46,840

anything and that gets back to what we

600

00:28:51,450 --> 00:28:50,050

originally talking to about is you just

601  
00:28:53,550 --> 00:28:51,460  
I don't know he'd have to have a

602  
00:28:55,520 --> 00:28:53,560  
portable lie detector or voice analysis

603  
00:28:59,640 --> 00:28:55,530  
machine to believe anything they said

604  
00:29:02,430 --> 00:28:59,650  
and about these secretive issues III

605  
00:29:04,440 --> 00:29:02,440  
mean I know this I will get into your

606  
00:29:06,180 --> 00:29:04,450  
stuff in just a minute but I got to say

607  
00:29:08,340 --> 00:29:06,190  
this because there was a guy named John

608  
00:29:10,290 --> 00:29:08,350  
Alexander he was a colonel John

609  
00:29:13,830 --> 00:29:10,300  
Alexander he was a guest I had a couple

610  
00:29:17,070 --> 00:29:13,840  
years ago and he's a retired Green Beret

611  
00:29:21,480 --> 00:29:17,080  
colonel and he also worked for the CIA

612  
00:29:25,710 --> 00:29:21,490  
for 20 years and you know he's a really

613  
00:29:28,710 --> 00:29:25,720

high quality guy and I mean this guy you

614

00:29:30,330 --> 00:29:28,720

know he he you know dead ain't not asked

615

00:29:33,210 --> 00:29:30,340

him you know being an ex-army guy and

616

00:29:33,750 --> 00:29:33,220

stuff you know I said they said what are

617

00:29:35,460 --> 00:29:33,760

you an idiot

618

00:29:39,030 --> 00:29:35,470

how'd you ever make it the army I mean

619

00:29:40,650 --> 00:29:39,040

you know of course there's UFOs I mean

620

00:29:42,990 --> 00:29:40,660

in other words to say he was just saying

621

00:29:44,970 --> 00:29:43,000

you know you'd have to be a dribble down

622

00:29:48,930 --> 00:29:44,980

your chin idiot to not realize there are

623

00:29:51,030 --> 00:29:48,940

UFOs right I mean I mean to believe what

624

00:29:53,610 --> 00:29:51,040

the government tries to spout as far as

625

00:29:57,240 --> 00:29:53,620

the conspiracy theorists which is term

626  
00:30:00,750 --> 00:29:57,250  
they came up with to try to you know put

627  
00:30:01,710 --> 00:30:00,760  
you down that's just nonsense in other

628  
00:30:09,560 --> 00:30:01,720  
words you have to be chuckle-headed

629  
00:30:22,500 --> 00:30:15,570  
I'm going to Roswell and I you know I'm

630  
00:30:24,660 --> 00:30:22,510  
very much into all of that and I I like

631  
00:30:27,060 --> 00:30:24,670  
all of those TV shows they've got out

632  
00:30:32,400 --> 00:30:27,070  
now two are great like ancient aliens

633  
00:30:34,460 --> 00:30:32,410  
and now I think everybody's curious at

634  
00:30:37,450 --> 00:30:34,470  
this point we want to know the truth

635  
00:30:40,299 --> 00:30:37,460  
well the best one I like about a message

636  
00:30:42,399 --> 00:30:40,309  
the phone but it was that that painting

637  
00:30:44,019 --> 00:30:42,409  
in an Italian magazine that has the

638  
00:30:46,840 --> 00:30:44,029

Virgin Mary in the foreground of the

639

00:30:49,720 --> 00:30:46,850

background is a UFO and that's been in

640

00:30:52,180 --> 00:30:49,730

the constant custody of that museum in

641

00:30:55,180 --> 00:30:52,190

Italy for five hundred years before any

642

00:30:59,440 --> 00:30:55,190

literature on UFOs or movies or I mean

643

00:31:01,960 --> 00:30:59,450

five hundred years and now where those

644

00:31:03,669 --> 00:31:01,970

evil guys come up with the idea of a

645

00:31:07,090 --> 00:31:03,679

little UFO looking thing and I mean that

646

00:31:08,769 --> 00:31:07,100

was a disc basically that was weird but

647

00:31:11,049 --> 00:31:08,779

anybody can look it up on google just

648

00:31:15,730 --> 00:31:11,059

Virgin Mary and UFO and it'll be right

649

00:31:17,980 --> 00:31:15,740

there I don't know what to make of it I

650

00:31:20,500 --> 00:31:17,990

really don't what do you think there's a

651  
00:31:24,190 --> 00:31:20,510  
an overriding group that kind of

652  
00:31:28,389 --> 00:31:24,200  
controls the media on that I guess I do

653  
00:31:32,860 --> 00:31:28,399  
I know this might sound a little bit out

654  
00:31:36,190 --> 00:31:32,870  
there but I do believe that there is a

655  
00:31:38,980 --> 00:31:36,200  
group an inner circle that consults with

656  
00:31:41,500 --> 00:31:38,990  
these aliens and you know they are

657  
00:31:44,860 --> 00:31:41,510  
preparing the world for one-world

658  
00:31:47,889 --> 00:31:44,870  
government for a new world order and I

659  
00:31:50,769 --> 00:31:47,899  
you know there's already been quite a

660  
00:31:55,600 --> 00:31:50,779  
few slips like I think it was the

661  
00:31:58,120 --> 00:31:55,610  
Canadian Defense Minister was on a talk

662  
00:32:01,690 --> 00:31:58,130  
show talking about how he has proof

663  
00:32:04,450 --> 00:32:01,700

there's aliens then he went away then

664

00:32:07,659 --> 00:32:04,460

there was one of the Japanese Prime

665

00:32:10,060 --> 00:32:07,669

Minister's wives who had a whole lot to

666

00:32:13,149 --> 00:32:10,070

say about it and it was a big story in

667

00:32:19,230 --> 00:32:13,159

Japan but for some reason didn't get too

668

00:32:23,310 --> 00:32:19,240

much air here really you know there are

669

00:32:26,580 --> 00:32:23,320

highly respected people coming out

670

00:32:30,159 --> 00:32:26,590

saying yeah there's aliens all right and

671

00:32:33,190 --> 00:32:30,169

you know they at one time or another

672

00:32:37,240 --> 00:32:33,200

were in that inner circle and know for

673

00:32:40,060 --> 00:32:37,250

sure so what Japanese prime minister's

674

00:32:41,889 --> 00:32:40,070

wife said something that the effect that

675

00:32:44,070 --> 00:32:41,899

there are aliens and what-have-you and

676

00:32:48,250 --> 00:32:44,080

that wasn't covered in the media at all

677

00:32:50,070 --> 00:32:48,260

no not an American not an American media

678

00:32:52,440 --> 00:32:50,080

it was

679

00:32:56,269 --> 00:32:52,450

you know the kind of the kind of obscure

680

00:33:00,210 --> 00:32:56,279

websites that I'm sure you go onto and

681

00:33:03,659 --> 00:33:00,220

and ancient aliens actually aired that

682

00:33:05,610 --> 00:33:03,669

story too so Wow

683

00:33:08,039 --> 00:33:05,620

but were you once again that that should

684

00:33:09,450 --> 00:33:08,049

be a news item to CBS or NBC would pick

685

00:33:11,639 --> 00:33:09,460

up and say hey this was pretty

686

00:33:13,740 --> 00:33:11,649

interesting here you know I mean I mean

687

00:33:16,380 --> 00:33:13,750

they have such trip trivia on there that

688

00:33:20,700 --> 00:33:16,390

would certainly trump that you know I

689

00:33:21,600 --> 00:33:20,710

mean uh that's crazy that's just so

690

00:33:24,840 --> 00:33:21,610

crazy

691

00:33:27,389 --> 00:33:24,850

but and yet you know why sits mention

692

00:33:29,850 --> 00:33:27,399

the news piece to that National Enquirer

693

00:33:32,760 --> 00:33:29,860

might buy Time Magazine's what they're

694

00:33:34,889 --> 00:33:32,770

speculating but you know I'm not saying

695

00:33:36,960 --> 00:33:34,899

a National Enquirer is the best news bag

696

00:33:38,760 --> 00:33:36,970

that ever came down the pike but you

697

00:33:40,139 --> 00:33:38,770

know a lot of the stuff they've reported

698

00:33:40,740 --> 00:33:40,149

on over the years has turned out to be

699

00:33:44,909 --> 00:33:40,750

true

700

00:33:47,450 --> 00:33:44,919

right yeah hardly anybody ever won I

701  
00:33:52,649 --> 00:33:47,460  
think only a couple of people why Nam

702  
00:33:54,210 --> 00:33:52,659  
suing them for libel so yeah yeah but I

703  
00:33:55,830 --> 00:33:54,220  
mean you know I've noticed that they've

704  
00:33:57,269 --> 00:33:55,840  
brought up stuff about this one that one

705  
00:33:58,529 --> 00:33:57,279  
the other one eventually it does come

706  
00:34:01,260 --> 00:33:58,539  
out that yeah so and so did

707  
00:34:04,830 --> 00:34:01,270  
such-and-such and I mean I'm not making

708  
00:34:06,810 --> 00:34:04,840  
them out to be you know you know the

709  
00:34:09,300 --> 00:34:06,820  
Washington Post or something but I'm

710  
00:34:10,740 --> 00:34:09,310  
just saying that they they've not by

711  
00:34:14,609 --> 00:34:10,750  
they're all over the years they've been

712  
00:34:16,980 --> 00:34:14,619  
fairly credible yeah but if you but you

713  
00:34:18,570 --> 00:34:16,990

know that's an old old deal about lying

714

00:34:21,000 --> 00:34:18,580

by omission they used to hear about

715

00:34:22,859 --> 00:34:21,010

we're growing up and that's exactly what

716

00:34:27,869 --> 00:34:22,869

it's doing that's exactly what it's

717

00:34:30,740 --> 00:34:27,879

doing but you know in the summer subject

718

00:34:33,270 --> 00:34:30,750

matter you cover in the book the sequel

719

00:34:37,349 --> 00:34:33,280

was all these reptilians don't they

720

00:34:40,800 --> 00:34:37,359

thank the Queen of England you're

721

00:34:45,480 --> 00:34:40,810

exactly right that all of this comes

722

00:34:48,079 --> 00:34:45,490

from an author and I think he was a did

723

00:34:50,129 --> 00:34:48,089

a little bit of a radio and talk show -

724

00:34:56,909 --> 00:34:50,139

named David Iggy

725

00:34:58,770 --> 00:34:56,919

oh yeah yeah I think it is it I think

726

00:35:00,660 --> 00:34:58,780

it's like but I'm not really sure I'll

727

00:35:02,440 --> 00:35:00,670

have to ask Joe he's our Answer Man but

728

00:35:06,500 --> 00:35:02,450

I think it's like

729

00:35:10,460 --> 00:35:06,510

he's building though it might be I've

730

00:35:13,880 --> 00:35:10,470

never seen seen any of his his talk

731

00:35:19,250 --> 00:35:13,890

shows or yeah she was radio but um I

732

00:35:24,250 --> 00:35:19,260

have read quite a bit about him and he

733

00:35:29,630 --> 00:35:24,260

is convinced that this inner circle of

734

00:35:32,000 --> 00:35:29,640

who's who are not only are not people

735

00:35:34,220 --> 00:35:32,010

who are worshipping aliens they're

736

00:35:39,590 --> 00:35:34,230

actually the aliens themselves and they

737

00:35:44,710 --> 00:35:39,600

they can shape-shift into human human

738

00:35:48,410 --> 00:35:44,720

beings and he is the one who claims that

739

00:35:51,080 --> 00:35:48,420

every major leader the United States has

740

00:35:56,480 --> 00:35:51,090

ever had is somehow related to Queen

741

00:35:59,830 --> 00:35:56,490

Elizabeth who is a reptilian oh he's got

742

00:36:04,840 --> 00:35:59,840

a lot of very interesting points now

743

00:36:09,250 --> 00:36:04,850

some people criticize as mental capacity

744

00:36:16,280 --> 00:36:09,260

some people say that he's anti-jewish

745

00:36:19,430 --> 00:36:16,290

because he's very anti Rothschild but a

746

00:36:21,080 --> 00:36:19,440

very interesting guy and definitely

747

00:36:22,790 --> 00:36:21,090

reading up on him reading his

748

00:36:26,120 --> 00:36:22,800

biographies and all of that was

749

00:36:28,040 --> 00:36:26,130

inspiring towards the book well this

750

00:36:31,220 --> 00:36:28,050

Rothschild guy's been mentioned didn't

751

00:36:33,110 --> 00:36:31,230

the head of the Illuminati type guy and

752

00:36:34,790 --> 00:36:33,120

all that not that the average Jew that's

753

00:36:37,070 --> 00:36:34,800

running the bakery down the road doesn't

754

00:36:38,420 --> 00:36:37,080

have much to do with Rothschild so so I

755

00:36:40,520 --> 00:36:38,430

mean you can be against Rothschild would

756

00:36:43,610 --> 00:36:40,530

be fine with Jews but but what I'm

757

00:36:47,480 --> 00:36:43,620

saying is he's well he's been considered

758

00:36:51,380 --> 00:36:47,490

a shadowy character he sure has oh yeah

759

00:36:56,410 --> 00:36:51,390

and they're supposedly related to queen

760

00:37:02,140 --> 00:36:56,420

elizabeth ii so there are all kinds of

761

00:37:05,450 --> 00:37:02,150

links to all of this and you know i find

762

00:37:09,500 --> 00:37:05,460

all of this very fascinating and i guess

763

00:37:14,060 --> 00:37:09,510

it all kind of circles back to hitler

764

00:37:15,549 --> 00:37:14,070

who believed in aliens he was in a cult

765

00:37:21,130 --> 00:37:15,559

called the Vril society

766

00:37:29,559 --> 00:37:21,140

and I think it's pronounced tule society

767

00:37:33,749 --> 00:37:29,569

and he had all kinds of supposed seances

768

00:37:37,209 --> 00:37:33,759

with extraterrestrial beings with these

769

00:37:40,329 --> 00:37:37,219

these girls who they had long ponytails

770

00:37:42,819 --> 00:37:40,339

and they were members of the thrill

771

00:37:48,519 --> 00:37:42,829

maria orsic was like one of the main

772

00:37:51,549 --> 00:37:48,529

ones and me I always thought like it was

773

00:37:55,029 --> 00:37:51,559

so strange to me that Hitler thought he

774

00:38:00,039 --> 00:37:55,039

could take over the world because he

775

00:38:03,219 --> 00:38:00,049

happened to be born of a German race

776

00:38:06,249 --> 00:38:03,229

that to me just that isn't special

777

00:38:08,589 --> 00:38:06,259

enough I guess I just didn't make any

778

00:38:10,749 --> 00:38:08,599

sense and then he teamed up with a whole

779

00:38:13,209 --> 00:38:10,759

entire different race the the Japanese

780

00:38:16,179 --> 00:38:13,219

so that kind of guy I don't it didn't

781

00:38:19,779 --> 00:38:16,189

make a lot of sense no right Italian

782

00:38:24,309 --> 00:38:19,789

okay maybe Japanese they're entirely

783

00:38:26,289 --> 00:38:24,319

different race so I often wondered what

784

00:38:28,539 --> 00:38:26,299

is really making him feel like he's so

785

00:38:32,199 --> 00:38:28,549

special and he's so superior because in

786

00:38:35,650 --> 00:38:32,209

all fairness if he wasn't crazy he

787

00:38:41,009 --> 00:38:35,660

probably would have won the war he had

788

00:38:46,479 --> 00:38:44,469

yeah and their heir program became our

789

00:38:48,669 --> 00:38:46,489

air program when we confiscated all

790

00:38:53,859 --> 00:38:48,679

those scientists back here to the United

791

00:38:58,289 --> 00:38:53,869

States so he definitely had technology

792

00:39:00,459 --> 00:38:58,299

that the world had never seen before he

793

00:39:05,859 --> 00:39:00,469

was worried he did it I mean I remember

794

00:39:09,309 --> 00:39:05,869

that's right exactly well again you know

795

00:39:11,349 --> 00:39:09,319

he's in the real societies in the Thule

796

00:39:14,349 --> 00:39:11,359

Society he's hanging out with Madame

797

00:39:17,559 --> 00:39:14,359

Blavatsky he's got some weird thing

798

00:39:20,949 --> 00:39:17,569

going with I don't know if this is not a

799

00:39:25,359 --> 00:39:20,959

in there your junior year history book

800

00:39:27,609 --> 00:39:25,369

by any means but he also had this thing

801  
00:39:28,960 --> 00:39:27,619  
going with Tibetan monks he was very

802  
00:39:36,140 --> 00:39:28,970  
interested in

803  
00:39:41,510 --> 00:39:36,150  
one of his men to see the Dalai Lama in

804  
00:39:43,970 --> 00:39:41,520  
that hole and you know they well they

805  
00:39:47,260 --> 00:39:43,980  
have they believe that the earth is

806  
00:39:50,630 --> 00:39:47,270  
hollow and there's a city in the hollow

807  
00:39:55,070 --> 00:39:50,640  
so I'll have this stuff kind of

808  
00:39:59,510 --> 00:39:55,080  
piggybacks on - were aliens helping

809  
00:40:02,660 --> 00:39:59,520  
Hitler and he he believed more than

810  
00:40:06,380 --> 00:40:02,670  
anything in the Aryan race and if you

811  
00:40:09,650 --> 00:40:06,390  
study what the Aryan race is they are

812  
00:40:16,280 --> 00:40:09,660  
supposed descendants of the Atlantean

813  
00:40:20,000 --> 00:40:16,290

race that were drowned in the great

814

00:40:21,800 --> 00:40:20,010

flood remember the story of Atlantis

815

00:40:23,330 --> 00:40:21,810

kind of sort of the supposedly a

816

00:40:25,580 --> 00:40:23,340

continent that was flooded and so forth

817

00:40:28,250 --> 00:40:25,590

I had no they were the theoretically the

818

00:40:31,790 --> 00:40:28,260

Aryan its were their descendants I

819

00:40:35,450 --> 00:40:31,800

didn't know that mm-hmm yes they all are

820

00:40:38,750 --> 00:40:35,460

related and this when you really break

821

00:40:40,160 --> 00:40:38,760

it down to why he thought he was so

822

00:40:43,099 --> 00:40:40,170

special

823

00:40:45,710 --> 00:40:43,109

you can't help pose the alien question

824

00:40:48,620 --> 00:40:45,720

because this whole oh you know blond

825

00:40:52,010 --> 00:40:48,630

hair blue eyes German descent it's just

826

00:40:53,870 --> 00:40:52,020

not enough it's not enough to have the

827

00:40:56,270 --> 00:40:53,880

cojones to think that you could take

828

00:40:57,560 --> 00:40:56,280

over the world its just oh because what

829

00:40:59,150 --> 00:40:57,570

would make them any different than the

830

00:41:03,500 --> 00:40:59,160

people in Sweden or something I'm

831

00:41:05,510 --> 00:41:03,510

everybody right right aside sod I did

832

00:41:09,580 --> 00:41:05,520

read a book this is faux golly this is

833

00:41:14,690 --> 00:41:09,590

like 25 30 years ago about Hitler and uh

834

00:41:16,849 --> 00:41:14,700

he he became I think if I remember

835

00:41:19,550 --> 00:41:16,859

correctly demonically possessed or you

836

00:41:21,830 --> 00:41:19,560

know I mean he'd have fits weird fits

837

00:41:25,640 --> 00:41:21,840

and he'd see like creatures in the room

838

00:41:27,109 --> 00:41:25,650

and I mean people interpreted it as

839

00:41:29,510 --> 00:41:27,119

being perhaps demonically possessed

840

00:41:32,300 --> 00:41:29,520

maybe it was actual communication was

841

00:41:34,160 --> 00:41:32,310

he's kind of I mean there is demonic

842

00:41:36,140 --> 00:41:34,170

possession yes but I mean I don't know

843

00:41:38,780 --> 00:41:36,150

whether that was it or something similar

844

00:41:40,630 --> 00:41:38,790

I mean it he was definitely offbeat he

845

00:41:46,480 --> 00:41:40,640

really was

846

00:41:51,220 --> 00:41:46,490

a very evil man and I just I kind of

847

00:41:53,950 --> 00:41:51,230

took all of this more obscure kind of

848

00:41:55,630 --> 00:41:53,960

history and rolled it into a story yeah

849

00:41:58,240 --> 00:41:55,640

well you know that's what what I

850

00:42:01,480 --> 00:41:58,250

remember just and regular reading and

851

00:42:05,339 --> 00:42:01,490

stuff was the weirdness was Hitler's

852

00:42:08,109 --> 00:42:05,349

rise to power when at the time Germany

853

00:42:10,210 --> 00:42:08,119

had been the most advanced country and

854

00:42:12,940 --> 00:42:10,220

in Europe at the time the best educated

855

00:42:17,440 --> 00:42:12,950

and all that and you just figure they

856

00:42:19,299 --> 00:42:17,450

wouldn't buy into this nutcase I think

857

00:42:21,490 --> 00:42:19,309

he might figure a brokedown country

858

00:42:25,210 --> 00:42:21,500

might you know grasp it any straw or

859

00:42:28,269 --> 00:42:25,220

whatever but I don't know but he was an

860

00:42:30,609 --> 00:42:28,279

enigma and so this real society was

861

00:42:33,660 --> 00:42:30,619

basically something he was associated

862

00:42:38,250 --> 00:42:33,670

with though huh oh absolutely absolutely

863

00:42:41,289 --> 00:42:38,260

him Borman Himmler all of them they just

864

00:42:44,440 --> 00:42:41,299

these these uh these women they just

865

00:42:45,940 --> 00:42:44,450

kind of worshipped and they would sit

866

00:42:48,309 --> 00:42:45,950

around them in a circle and they do

867

00:42:51,069 --> 00:42:48,319

their little sands and they talk to

868

00:42:53,559 --> 00:42:51,079

these aliens and they'd spit out all

869

00:42:55,509 --> 00:42:53,569

this uh all these words and different

870

00:43:01,329 --> 00:42:55,519

languages that they could never have

871

00:43:05,259 --> 00:43:01,339

known oh and a little sign know that I

872

00:43:09,430 --> 00:43:05,269

found especially interesting was after

873

00:43:12,069 --> 00:43:09,440

the war was over and Germany knew that

874

00:43:15,599 --> 00:43:12,079

they were a little not quite over but

875

00:43:25,230 --> 00:43:21,730

maria orsic and her gals were never to

876

00:43:31,440 --> 00:43:25,240

be found and some people say they

877

00:43:34,960 --> 00:43:31,450

escaped in a spaceship so little again I

878

00:43:38,319 --> 00:43:34,970

know way of proving it but nobody ever

879

00:43:40,779 --> 00:43:38,329

found them well I do remember I do

880

00:43:42,609 --> 00:43:40,789

remember other books you know but at the

881

00:43:46,740 --> 00:43:42,619

same time I read that book about Hitler

882

00:43:49,299 --> 00:43:46,750

and his seances or whatever he had that

883

00:43:52,529 --> 00:43:49,309

they speculated in theirs how in the

884

00:43:54,250 --> 00:43:52,539

heck these people could come up with

885

00:43:56,740 --> 00:43:54,260

devices that were so

886

00:43:58,870 --> 00:43:56,750

far beyond other very civilized

887

00:44:01,120 --> 00:43:58,880

countries like England eighths and all

888

00:44:03,010 --> 00:44:01,130

that I mean it wasn't like we didn't

889

00:44:06,040 --> 00:44:03,020

have her own slew of scientists or

890

00:44:10,390 --> 00:44:06,050

something and I mean lightyears ahead of

891

00:44:12,910 --> 00:44:10,400

what was available and that always has

892

00:44:14,410 --> 00:44:12,920

been a question I've had - it really has

893

00:44:18,940 --> 00:44:14,420

hopy they make these great leaps and

894

00:44:20,710 --> 00:44:18,950

bounds missiles and everything else it's

895

00:44:26,470 --> 00:44:20,720

just by God's good grace they didn't win

896

00:44:30,520 --> 00:44:26,480

the war it really is I think to me

897

00:44:34,210 --> 00:44:30,530

Hitler's biggest mistake was his racism

898

00:44:38,500 --> 00:44:34,220

towards Jewish people because if he was

899

00:44:41,410 --> 00:44:38,510

not racist and included them as as equal

900

00:44:44,140 --> 00:44:41,420

Germans he would have won because on our

901  
00:44:46,960 --> 00:44:44,150  
on our side of the pond all of the

902  
00:44:54,970 --> 00:44:46,970  
Jewish Germans are inventing the nuclear

903  
00:44:57,250 --> 00:44:54,980  
bomb so you know you if he was he we got

904  
00:45:01,720 --> 00:44:57,260  
some genius Germans - out of the deal

905  
00:45:04,120 --> 00:45:01,730  
and he scoffed them off and he you know

906  
00:45:07,720 --> 00:45:04,130  
was ready to kick him to the curb and a

907  
00:45:15,700 --> 00:45:07,730  
lot of them managed to escape and um you

908  
00:45:18,070 --> 00:45:15,710  
know I never have understood that why

909  
00:45:19,660 --> 00:45:18,080  
they I guess I'm being an idiot because

910  
00:45:21,430 --> 00:45:19,670  
I guess there's been a B semitism

911  
00:45:23,170 --> 00:45:21,440  
thousands of years or something but I

912  
00:45:24,760 --> 00:45:23,180  
never really understood why they're you

913  
00:45:28,240 --> 00:45:24,770

down on the poor old Jews cuz they never

914

00:45:30,580 --> 00:45:28,250

were very much in number as far as you

915

00:45:34,030 --> 00:45:30,590

know percentage of German population or

916

00:45:36,550 --> 00:45:34,040

whatever and what was also weird Deena

917

00:45:39,220 --> 00:45:36,560

is I know for a fact reading World War

918

00:45:42,130 --> 00:45:39,230

two stuff that there was a significant

919

00:45:43,990 --> 00:45:42,140

number of Jewish Patriot types in World

920

00:45:45,520 --> 00:45:44,000

War one that were actually army heroes

921

00:45:48,310 --> 00:45:45,530

and stuff and they were treated a little

922

00:45:50,109 --> 00:45:48,320

better than average - yes but still I

923

00:45:53,020 --> 00:45:50,119

mean during Hitler's time but what I'm

924

00:45:55,270 --> 00:45:53,030

saying is they were a very integral part

925

00:45:58,450 --> 00:45:55,280

of German society up and up until

926

00:46:02,440 --> 00:45:58,460

Hitler's rise to power they weren't you

927

00:46:05,380 --> 00:46:02,450

know they weren't it ostracized or made

928

00:46:09,770 --> 00:46:05,390

out to be demonized until he got there

929

00:46:18,600 --> 00:46:15,690

well there's some some famous book what

930

00:46:23,280 --> 00:46:18,610

is it called it's called the priory or

931

00:46:26,220 --> 00:46:23,290

the propriety or something of Zion yeah

932

00:46:27,750 --> 00:46:26,230

yeah I know what you know I don't know

933

00:46:29,160 --> 00:46:27,760

the exact term is about I'm never the

934

00:46:31,650 --> 00:46:29,170

Priory is on it or something like that

935

00:46:33,840 --> 00:46:31,660

yeah I don't know what I saw that term

936

00:46:37,380 --> 00:46:33,850

or that book mentioned some years ago

937

00:46:40,040 --> 00:46:37,390

but I forget what context well I saw it

938

00:46:45,960 --> 00:46:40,050

in the Holocaust Museum actually in

939

00:46:49,140 --> 00:46:45,970

Skokie Illinois where I guess some great

940

00:46:52,710 --> 00:46:49,150

museum but they had it you know in a big

941

00:46:54,120 --> 00:46:52,720

box and an exhibit and I wish I can't

942

00:46:58,680 --> 00:46:54,130

remember the exact name but yeah it was

943

00:47:02,040 --> 00:46:58,690

Priory of Zion or something yeah that

944

00:47:09,350 --> 00:47:02,050

was like a best-seller in its day and it

945

00:47:16,080 --> 00:47:13,250

kind of created that that fervor that

946

00:47:19,260 --> 00:47:16,090

anti-jewish fervor that was so easily

947

00:47:21,540 --> 00:47:19,270

easy for Hitler to cash in on and unite

948

00:47:27,270 --> 00:47:21,550

people I mean he United the whole

949

00:47:30,870 --> 00:47:27,280

country based on hate so he didn't start

950

00:47:32,400 --> 00:47:30,880

the hate it was already it was I guess

951

00:47:34,590 --> 00:47:32,410

he didn't I guess he didn't but there

952

00:47:36,660 --> 00:47:34,600

were a significant number like I say of

953

00:47:39,750 --> 00:47:36,670

German war heroes World War one that

954

00:47:41,220 --> 00:47:39,760

were Jewish but I didn't send them they

955

00:47:43,560 --> 00:47:41,230

had a special place they sent them

956

00:47:47,040 --> 00:47:43,570

instead of the you know the camps they

957

00:47:49,650 --> 00:47:47,050

had a more mild way of dealing with him

958

00:47:52,500 --> 00:47:49,660

but the whole thing was very bizarre the

959

00:47:53,970 --> 00:47:52,510

Hitler's deal was very bizarre and you

960

00:47:56,820 --> 00:47:53,980

know we're coming right up pretty close

961

00:47:58,200 --> 00:47:56,830

to the top of the hour break but we're

962

00:47:59,940 --> 00:47:58,210

gonna get back we'll talk about whether

963

00:48:01,800 --> 00:47:59,950

you think Hitler made it to Antarctica

964

00:48:03,990 --> 00:48:01,810

or not because that's always been an

965

00:48:05,880 --> 00:48:04,000

issue and and I really think there's

966

00:48:07,650 --> 00:48:05,890

something that smells about Antarctica

967

00:48:12,000 --> 00:48:07,660

anyway separate and distinct from Hitler

968

00:48:14,190 --> 00:48:12,010

because I don't know I just heard things

969

00:48:15,540 --> 00:48:14,200

over the years over the many years and

970

00:48:18,600 --> 00:48:15,550

there's something doesn't fit about

971

00:48:20,620 --> 00:48:18,610

Antarctica that you wonder what kind of

972

00:48:24,570 --> 00:48:20,630

skullduggery is going on yes

973

00:48:27,760 --> 00:48:24,580

what really amounts to but I don't know

974

00:48:29,410 --> 00:48:27,770

it's it's this sub you your book is an

975

00:48:31,030 --> 00:48:29,420

excellent book and I wish you'd mention

976

00:48:33,310 --> 00:48:31,040

it again before the break it's the

977

00:48:35,650 --> 00:48:33,320

sequel it's available at Amazon

978

00:48:38,590 --> 00:48:35,660

especially right now my goodness

979

00:48:42,010 --> 00:48:38,600

Dena \$0.99 you have to be a nitwit not

980

00:48:45,520 --> 00:48:42,020

to get into amazon.com I mean absolutely

981

00:48:46,900 --> 00:48:45,530

I mean my goodness if you don't you

982

00:48:52,540 --> 00:48:46,910

wouldn't know a bargain if it hit you in

983

00:48:55,470 --> 00:48:52,550

the nose but I do know and I like I say

984

00:48:58,900 --> 00:48:55,480

I don't have a number on everything like

985

00:49:00,910 --> 00:48:58,910

like nobody much does but I've always

986

00:49:05,320 --> 00:49:00,920

sensed ever since I was a kid about that

987

00:49:07,120 --> 00:49:05,330

JFK thing when they had remakes of it

988

00:49:10,120 --> 00:49:07,130

and that analysis when they did have

989

00:49:11,650 --> 00:49:10,130

more maybe better reporting because at

990

00:49:14,410 --> 00:49:11,660

one time like I mentioned to you on the

991

00:49:16,570 --> 00:49:14,420

phone NBC had a really good special that

992

00:49:18,400 --> 00:49:16,580

three the best marine cars snipers

993

00:49:21,070 --> 00:49:18,410

available they couldn't duplicate Oswald

994

00:49:23,350 --> 00:49:21,080

shot not in a million years and I was

995

00:49:26,230 --> 00:49:23,360

what was not a sniper or anything of

996

00:49:28,810 --> 00:49:26,240

that category so I've smelled a rat and

997

00:49:31,870 --> 00:49:28,820

what they tell us for a long time is all

998

00:49:33,700 --> 00:49:31,880

I'm really saying and your book

999

00:49:34,510 --> 00:49:33,710

certainly does underscore a lot of areas

1000

00:49:36,610 --> 00:49:34,520

we've been lied to

1001  
00:49:38,020 --> 00:49:36,620  
there's no telling well I tell you what

1002  
00:49:42,910 --> 00:49:38,030  
let's go to our top of the hour break

1003  
00:49:44,830 --> 00:49:42,920  
and we'll write back I'm glad to be back

1004  
00:49:46,930 --> 00:49:44,840  
on with the end though she's written

1005  
00:49:49,570 --> 00:49:46,940  
this book all these very interesting

1006  
00:49:51,400 --> 00:49:49,580  
topics called the sequel and it's

1007  
00:49:54,610 --> 00:49:51,410  
available Barmes I'm rather at

1008  
00:49:58,180 --> 00:49:54,620  
amazon.com for \$0.99 people come on

1009  
00:50:04,000 --> 00:49:58,190  
spring the 99 cents I mean that's spend

1010  
00:50:05,890 --> 00:50:04,010  
more than that on a PowerBar this

1011  
00:50:08,580 --> 00:50:05,900  
follower thing is really an interesting

1012  
00:50:13,090 --> 00:50:08,590  
thing to me that really is I've heard

1013  
00:50:15,940 --> 00:50:13,100

what was an admiral bird yeah what was

1014

00:50:19,510 --> 00:50:15,950

what was that he had a an Arctic it was

1015

00:50:22,690 --> 00:50:19,520

an Antarctic expedition where he saw

1016

00:50:26,700 --> 00:50:22,700

some opening into the earth or something

1017

00:50:29,020 --> 00:50:26,710

on things here you're right on the money

1018

00:50:34,150 --> 00:50:29,030

coming you're right on the money

1019

00:50:39,310 --> 00:50:34,160

um it he Admiral Byrd went to

1020

00:50:44,490 --> 00:50:39,320

the Antarctica right after world war two

1021

00:50:55,420 --> 00:50:49,900

article okay and I think he went he was

1022

00:51:00,010 --> 00:50:55,430

at the North Pole two earlier he went to

1023

00:51:04,180 --> 00:51:00,020

Antarctica because Hitler went to

1024

00:51:09,850 --> 00:51:04,190

Antarctica and our country wanted to

1025

00:51:14,260 --> 00:51:09,860

know why Hitler sent his his ships all

1026  
00:51:18,570 --> 00:51:14,270  
the way to Antarctica to see a you know

1027  
00:51:23,080 --> 00:51:18,580  
a block of ice basically everybody's

1028  
00:51:27,850 --> 00:51:23,090  
right and and and Hitler was interested

1029  
00:51:30,400 --> 00:51:27,860  
in Antarctica because I think Sweden was

1030  
00:51:35,800 --> 00:51:30,410  
there and planted a flag and called it

1031  
00:51:40,710 --> 00:51:35,810  
new Swabia and there's this section of

1032  
00:51:48,430 --> 00:51:44,740  
again what why everyone's so excited to

1033  
00:51:52,540 --> 00:51:48,440  
see what's in the middle of nowhere on a

1034  
00:51:54,190 --> 00:51:52,550  
block of ice is pretty amazing pretty

1035  
00:51:56,800 --> 00:51:54,200  
amazing

1036  
00:52:00,400 --> 00:51:56,810  
Hitler originally went there he said he

1037  
00:52:03,100 --> 00:52:00,410  
he was going there because they had a

1038  
00:52:06,790 --> 00:52:03,110

great whaling station and they were

1039

00:52:09,280 --> 00:52:06,800

looking for fat from the whales so they

1040

00:52:11,980 --> 00:52:09,290

could use it for soap that what ballast

1041

00:52:14,380 --> 00:52:11,990

is his official pretty blue that's a

1042

00:52:17,950 --> 00:52:14,390

pretty limp reason I mean you know I

1043

00:52:20,770 --> 00:52:17,960

mean I would I wouldn't drive across the

1044

00:52:22,170 --> 00:52:20,780

street to find some whale blubber the

1045

00:52:24,730 --> 00:52:22,180

guy's fine whatever

1046

00:52:26,500 --> 00:52:24,740

you just started taking over the world

1047

00:52:30,790 --> 00:52:26,510

and oh I think I'll go to Antarctica

1048

00:52:32,200 --> 00:52:30,800

have all my men you know just cruise

1049

00:52:34,720 --> 00:52:32,210

over there it's right around the block

1050

00:52:37,660 --> 00:52:34,730

right so I don't know yeah that doesn't

1051  
00:52:39,700 --> 00:52:37,670  
make sense either no I mean I think I've

1052  
00:52:41,530 --> 00:52:39,710  
heard over the many years there's

1053  
00:52:43,590 --> 00:52:41,540  
something offbeat about Antarctica I

1054  
00:52:47,180 --> 00:52:43,600  
mean little blurbs you'd hear about

1055  
00:52:49,489 --> 00:52:47,190  
anomalies or something really unusual

1056  
00:52:51,049 --> 00:52:49,499  
like I say just little snippets of

1057  
00:52:52,460 --> 00:52:51,059  
things over the years nothing but like

1058  
00:52:55,069 --> 00:52:52,470  
you say there's no real good reporting

1059  
00:52:56,809 --> 00:52:55,079  
on it but but something smells a rat

1060  
00:52:59,019 --> 00:52:56,819  
about Antarctica like you're saying with

1061  
00:53:03,019 --> 00:52:59,029  
the Hitler involvement everything else

1062  
00:53:07,269 --> 00:53:03,029  
well supposedly his men found a cave

1063  
00:53:12,109 --> 00:53:07,279

that was at least 30 miles deep and

1064

00:53:16,249 --> 00:53:12,119

inside of this cave was a lake that was

1065

00:53:19,849 --> 00:53:16,259

warm I feel like one of those geothermal

1066

00:53:24,739 --> 00:53:19,859

hot spring activity or something I guess

1067

00:53:31,819 --> 00:53:24,749

yeah he he they set up a base there and

1068

00:53:36,200 --> 00:53:31,829

they called it base 211 and again why he

1069

00:53:39,559 --> 00:53:36,210

did it who knows who knows but like you

1070

00:53:43,609 --> 00:53:39,569

were talking about in 1946 Admiral

1071

00:53:47,390 --> 00:53:43,619

Richard Byrd goes there and his

1072

00:53:51,019 --> 00:53:47,400

operation was called operation Highjump

1073

00:53:53,150 --> 00:53:51,029

and the government was yeah the

1074

00:53:56,870 --> 00:53:53,160

government was not fooling around

1075

00:54:02,170 --> 00:53:56,880

they sent way more people and ships than

1076

00:54:09,799 --> 00:54:02,180

Hitler did they sent 4700 men 13 ships

1077

00:54:15,799 --> 00:54:09,809

33 aircraft and the United States said

1078

00:54:18,319 --> 00:54:15,809

they were going there for training for

1079

00:54:19,339 --> 00:54:18,329

training and storing knowledge whatever

1080

00:54:21,979 --> 00:54:19,349

that means

1081

00:54:23,359 --> 00:54:21,989

not-not-not we want to see what's down

1082

00:54:27,380 --> 00:54:23,369

there cuz Hitler was down there they

1083

00:54:30,229 --> 00:54:27,390

didn't say that but that was the

1084

00:54:32,319 --> 00:54:30,239

official reasoning that's a pretty limp

1085

00:54:36,049 --> 00:54:32,329

wristed I mean that's a pretty

1086

00:54:38,150 --> 00:54:36,059

questionable excuse because if they

1087

00:54:41,209 --> 00:54:38,160

wanted northern training the Arctic is a

1088

00:54:42,950 --> 00:54:41,219

lot more accessible and you know if it's

1089

00:54:44,709 --> 00:54:42,960

cold water training you want to do you

1090

00:54:46,670 --> 00:54:44,719

can do it to your heart's content there

1091

00:54:51,219 --> 00:54:46,680

instead of going to add article that I

1092

00:54:57,140 --> 00:54:51,229

mean that is weird that is right he now

1093

00:55:00,440 --> 00:54:57,150

Admiral Byrd kept a journal he was known

1094

00:55:03,140 --> 00:55:00,450

for being meticulous about

1095

00:55:06,470 --> 00:55:03,150

recording everything that he saw well

1096

00:55:10,370 --> 00:55:06,480

that journals lost cousin lost is it

1097

00:55:13,579 --> 00:55:10,380

yeah it's absurd you get everything else

1098

00:55:18,349 --> 00:55:13,589

it's a history that's been kept events

1099

00:55:23,990 --> 00:55:18,359

they conveniently lose that right some

1100

00:55:26,589 --> 00:55:24,000

men on the trip were supposedly telling

1101

00:55:30,710 --> 00:55:26,599

people they found flying discs and

1102

00:55:33,050 --> 00:55:30,720

mercury powered aircraft again is that

1103

00:55:34,960 --> 00:55:33,060

Hitler is that aliens I don't know

1104

00:55:39,770 --> 00:55:34,970

because Hitler was there first and

1105

00:55:42,380 --> 00:55:39,780

Hitler did have a very strange part of a

1106

00:55:45,220 --> 00:55:42,390

weapon they found on the border of

1107

00:55:50,120 --> 00:55:45,230

Germany and Poland called die Glocke and

1108

00:55:53,780 --> 00:55:50,130

it supposedly was anti it was set up

1109

00:55:56,240 --> 00:55:53,790

they it looks like a bell but the Bell

1110

00:55:59,200 --> 00:55:56,250

part of the weapon was missing just the

1111

00:56:02,990 --> 00:55:59,210

blueprints and it had this ring around

1112

00:56:05,030 --> 00:56:03,000

this humongous like iron ring that with

1113

00:56:10,760 --> 00:56:05,040

chains like it would chain it from

1114

00:56:13,130 --> 00:56:10,770

flying away so again with this anti

1115

00:56:15,620 --> 00:56:13,140

grant this idea of anti-gravity which is

1116

00:56:21,920 --> 00:56:15,630

what spaceships would have to have in

1117

00:56:24,319 --> 00:56:21,930

order to get here so again if they did

1118

00:56:29,930 --> 00:56:24,329

find something that antigravity was it

1119

00:56:32,210 --> 00:56:29,940

aliens or wasn't hillier I don't know I

1120

00:56:33,920 --> 00:56:32,220

had heard rumors over the years that

1121

00:56:36,170 --> 00:56:33,930

Hitler had some kind of alien connection

1122

00:56:37,430 --> 00:56:36,180

to but I didn't know you know you just

1123

00:56:39,410 --> 00:56:37,440

heard a little disjointed things I never

1124

00:56:42,380 --> 00:56:39,420

made a study of it like you have enough

1125

00:56:44,720 --> 00:56:42,390

but I heard little snippets over the

1126  
00:56:46,640 --> 00:56:44,730  
years but Antarctica always has been

1127  
00:56:48,770 --> 00:56:46,650  
questionable now that you describe that

1128  
00:56:51,620 --> 00:56:48,780  
that's very questionable send all those

1129  
00:56:57,020 --> 00:56:51,630  
men 4700 men down to some awful place

1130  
00:56:58,670 --> 00:56:57,030  
for one reason I mean the training yeah

1131  
00:57:00,770 --> 00:56:58,680  
but I mean that's why saying I'm for

1132  
00:57:02,569 --> 00:57:00,780  
cold weather training there's you know

1133  
00:57:04,160 --> 00:57:02,579  
you've got all of Canada to fool with or

1134  
00:57:07,040 --> 00:57:04,170  
Greenland's or something where the Coast

1135  
00:57:09,050 --> 00:57:07,050  
Guard is I mean it's just not necessary

1136  
00:57:13,339 --> 00:57:09,060  
to go to an awful place like that back

1137  
00:57:14,299 --> 00:57:13,349  
and Beyond but it's even to this day

1138  
00:57:17,150 --> 00:57:14,309

there's all that in

1139

00:57:19,009 --> 00:57:17,160

that's effort and emphasis on that

1140

00:57:26,299 --> 00:57:19,019

articles to this day isn't there I mean

1141

00:57:29,660 --> 00:57:26,309

that us well bird supposedly told some

1142

00:57:33,859 --> 00:57:29,670

people that the earth was hollow and

1143

00:57:38,569 --> 00:57:33,869

there was an entry point right by

1144

00:57:39,920 --> 00:57:38,579

Hitler's base to eleven well that would

1145

00:57:42,019 --> 00:57:39,930

make sense that there'd be something

1146

00:57:44,239 --> 00:57:42,029

like that I've heard I've heard little

1147

00:57:47,890 --> 00:57:44,249

Hollow Earth theorists before and of

1148

00:57:50,509 --> 00:57:47,900

that before and I mean at this point

1149

00:57:56,449 --> 00:57:50,519

Dean of things are so exotic I wouldn't

1150

00:57:58,819 --> 00:57:56,459

doubt anything but that is weird I know

1151

00:58:01,329 --> 00:57:58,829

Hitler was I have read in books about

1152

00:58:04,130 --> 00:58:01,339

him he was demonically possessed though

1153

00:58:07,309 --> 00:58:04,140

from all accounts I mean he would go and

1154

00:58:08,779 --> 00:58:07,319

like Fitz and start they called him some

1155

00:58:09,259 --> 00:58:08,789

of his assistants and calling the rug

1156

00:58:10,519 --> 00:58:09,269

biter

1157

00:58:12,799 --> 00:58:10,529

you know his order leaves or whatever

1158

00:58:16,249 --> 00:58:12,809

you call it because he would like almost

1159

00:58:18,140 --> 00:58:16,259

become demonically possessed and like

1160

00:58:19,999 --> 00:58:18,150

he'd see something in the corner of the

1161

00:58:22,459 --> 00:58:20,009

room and say oh it's come for me or

1162

00:58:24,380 --> 00:58:22,469

whatever like that he started you know

1163

00:58:28,370 --> 00:58:24,390

jumping around like the devil was after

1164

00:58:31,640 --> 00:58:28,380

him or something see but but I mean I

1165

00:58:35,359 --> 00:58:31,650

don't know whether his alien demonic or

1166

00:58:40,759 --> 00:58:35,369

both I don't know but he was definitely

1167

00:58:43,999 --> 00:58:40,769

an exotic character but he this is a

1168

00:58:46,039 --> 00:58:44,009

little weird Ted bit like one of the

1169

00:58:50,419 --> 00:58:46,049

first things he did when he took over

1170

00:58:55,609 --> 00:58:50,429

Germany as Chancellor he went to this

1171

00:58:57,650 --> 00:58:55,619

museum in Austria and took the he just

1172

00:59:00,259 --> 00:58:57,660

took the art of you know Hollywood is

1173

00:59:03,439 --> 00:59:00,269

famous for taking artifacts and artwork

1174

00:59:05,929 --> 00:59:03,449

from wherever he wanted first thing he

1175

00:59:08,479 --> 00:59:05,939

got first thing he stole I should say

1176

00:59:12,650 --> 00:59:08,489

was the spear of destiny

1177

00:59:13,849 --> 00:59:12,660

oh yeah which is one that was stored on

1178

00:59:19,999 --> 00:59:13,859

the side of Christ you means

1179

00:59:25,999 --> 00:59:20,009

yeah yeah so kind of a weird relic for a

1180

00:59:28,359 --> 00:59:26,009

devil worshiper or yeah no it is and

1181

00:59:30,339 --> 00:59:28,369

also believe it or not

1182

00:59:31,960 --> 00:59:30,349

was all you know I'm a Catholic too but

1183

00:59:33,460 --> 00:59:31,970

I mean he was always a Catholic I mean

1184

00:59:37,380 --> 00:59:33,470

he figure I don't match up with being a

1185

00:59:39,519 --> 00:59:37,390

Catholic but I mean who knows I mean

1186

00:59:41,799 --> 00:59:39,529

Catholics are large enough group they

1187

00:59:46,870 --> 00:59:41,809

have a negative contingent to I'm sure

1188

00:59:50,769 --> 00:59:46,880

but but yeah I know he was always big

1189

00:59:58,120 --> 00:59:50,779

into artifacts he religious artifacts he

1190

01:00:02,140 --> 00:59:58,130

sure was he really respected these items

1191

01:00:05,039 --> 01:00:02,150

and again why were they are they more

1192

01:00:11,319 --> 01:00:05,049

than relics are they some kind of alien

1193

01:00:14,529 --> 01:00:11,329

technology to it a lot of questions with

1194

01:00:17,349 --> 01:00:14,539

all of that in that same book I read

1195

01:00:19,269 --> 01:00:17,359

many years ago they even had like

1196

01:00:21,549 --> 01:00:19,279

disc-shaped craft or working on a

1197

01:00:24,309 --> 01:00:21,559

disc-shaped craft the Nazis were and I

1198

01:00:26,789 --> 01:00:24,319

mean that was totally out of in the

1199

01:00:29,680 --> 01:00:26,799

propeller-driven airplane picture I mean

1200

01:00:31,539 --> 01:00:29,690

I know they developed jet engines yes

1201

01:00:33,160 --> 01:00:31,549

yes yes but still they had some kind of

1202

01:00:35,499 --> 01:00:33,170

craft they had pictures up in this book

1203

01:00:38,849 --> 01:00:35,509

that were Nazi craft that had like a

1204

01:00:49,359 --> 01:00:38,859

disc shape almost UFO we look to him

1205

01:00:52,479 --> 01:00:49,369

yeah throw in real quick the same time

1206

01:00:58,329 --> 01:00:52,489

he at the same year it's actually the

1207

01:01:01,329 --> 01:00:58,339

same year he had his Nazis cruise over

1208

01:01:03,609 --> 01:01:01,339

to Antarctica he had another group of

1209

01:01:08,069 --> 01:01:03,619

Nazis again I'm I know maybe I'm

1210

01:01:12,640 --> 01:01:08,079

repeating myself but they went over to

1211

01:01:14,920 --> 01:01:12,650

the Himalayan mountains oh yeah yeah he

1212

01:01:18,460 --> 01:01:14,930

was he was all kinds of exotic but they

1213

01:01:20,979 --> 01:01:18,470

were at all time he I guess he thought

1214

01:01:24,400 --> 01:01:20,989

that's where the Aryan race originated

1215

01:01:27,989 --> 01:01:24,410

oh I didn't know where they said there

1216

01:01:30,940 --> 01:01:27,999

was a well you know I don't know but I

1217

01:01:32,859 --> 01:01:30,950

think that

1218

01:01:36,220 --> 01:01:32,869

one of the ones that was big into it

1219

01:01:40,559 --> 01:01:36,230

with him was what was that I hammer

1220

01:01:45,549 --> 01:01:40,569

you're right yeah Himmler and Bormann

1221

01:01:47,819 --> 01:01:45,559

yeah they kind of was alluded to there

1222

01:01:51,940 --> 01:01:47,829

perhaps Satanist but I mean I don't know

1223

01:01:55,210 --> 01:01:51,950

but they definitely were occultus kinds

1224

01:01:57,279 --> 01:01:55,220

of some form and I don't know that I did

1225

01:01:58,839 --> 01:01:57,289

but I did the thing that has always

1226

01:02:00,670 --> 01:01:58,849

gotten me like I said I'm glad we

1227

01:02:04,269 --> 01:02:00,680

brought that up about the Antarctica and

1228

01:02:07,750 --> 01:02:04,279

bird and all that because you know I'm

1229

01:02:10,170 --> 01:02:07,760

not saying I'm any military expert or

1230

01:02:12,400 --> 01:02:10,180

anything but I mean he would never drag

1231

01:02:15,430 --> 01:02:12,410

4700 guys out there on some

1232

01:02:17,500 --> 01:02:15,440

expeditionary deal just a snoop I mean

1233

01:02:19,089 --> 01:02:17,510

he might send a ship or two just to see

1234

01:02:20,470 --> 01:02:19,099

what it what what it looks like or

1235

01:02:23,740 --> 01:02:20,480

something they had something in mind

1236

01:02:26,650 --> 01:02:23,750

dragon 4,700 people down there I mean

1237

01:02:30,579 --> 01:02:26,660

just mystics of it at that time and 30

1238

01:02:34,140 --> 01:02:30,589

33 planes oh that that's way out of

1239

01:02:37,210 --> 01:02:34,150

that's way over the top or just you know

1240

01:02:38,680 --> 01:02:37,220

geographic geographical survey mission

1241

01:02:41,319 --> 01:02:38,690

or something like that that wouldn't be

1242

01:02:44,079 --> 01:02:41,329

that and especially at the time they did

1243

01:02:46,960 --> 01:02:44,089

it I mean it wasn't like even now even

1244

01:02:49,650 --> 01:02:46,970

now that place is back of beyond but

1245

01:02:52,269 --> 01:02:49,660

we're coming up to our last break and

1246

01:02:54,099 --> 01:02:52,279

we've got still got a lot more discuss

1247

01:02:55,630 --> 01:02:54,109

and this is some pretty good stuff

1248

01:03:00,960 --> 01:02:55,640

people you don't hear this everywhere

1249

01:03:05,400 --> 01:03:03,339

it's good to be back with Deion times

1250

01:03:08,620 --> 01:03:05,410

going fast in a good interview like this

1251

01:03:10,960 --> 01:03:08,630

but I don't know dear but obviously

1252

01:03:13,089 --> 01:03:10,970

something was awry and that deal with

1253

01:03:19,059 --> 01:03:13,099

bird it's something unusual with Hitler

1254

01:03:20,829 --> 01:03:19,069

and I guess well the ha now the Hollow

1255

01:03:22,660 --> 01:03:20,839

Earth thing I don't know but bird was a

1256

01:03:26,170 --> 01:03:22,670

pretty credible individual wasn't he I

1257

01:03:29,140 --> 01:03:26,180

mean he was some yo yo yo he was a1

1258

01:03:33,430 --> 01:03:29,150

Admiral I mean Explorer well thought of

1259

01:03:35,710 --> 01:03:33,440

all that yeah he was legit yeah I

1260

01:03:37,089 --> 01:03:35,720

thought he was I thought he was anything

1261

01:03:39,160 --> 01:03:37,099

else we've missed from the book that we

1262

01:03:43,599 --> 01:03:39,170

should talk about though

1263

01:03:47,279 --> 01:03:43,609

well real quick I did want to give my

1264

01:03:53,529 --> 01:03:47,289

props to the the book was called the

1265

01:03:57,670 --> 01:03:53,539

protocol of the Elders of Zion oh so I

1266

01:04:00,069 --> 01:03:57,680

totally that's not the Priory of I think

1267

01:04:04,329 --> 01:04:00,079

there was something it was a priori sigh

1268

01:04:09,009 --> 01:04:04,339

maybe that's another Dan Brown Da Vinci

1269

01:04:13,620 --> 01:04:09,019

Code I think but uh yeah protocols of

1270

01:04:16,599 --> 01:04:13,630

Elders of Zion and it was a book that

1271

01:04:20,440 --> 01:04:16,609

anybody who read just hated Jews right

1272

01:04:22,299 --> 01:04:20,450

after things oh that's right that's

1273

01:04:23,579 --> 01:04:22,309

right yeah I seems like I remember that

1274

01:04:27,940 --> 01:04:23,589

not you recollect

1275

01:04:29,440 --> 01:04:27,950

refresh my memory on that but I don't

1276

01:04:30,759 --> 01:04:29,450

know I never have understood the ante

1277

01:04:32,319 --> 01:04:30,769

jew-hatred seems like you're just

1278

01:04:35,549 --> 01:04:32,329

hard-working cusses and go but they're

1279

01:04:38,019 --> 01:04:35,559

things okay what they do

1280

01:04:41,140 --> 01:04:38,029

people are people you got good ones you

1281

01:04:46,839 --> 01:04:41,150

got bad ones and every culture I'm sorry

1282

01:04:49,329 --> 01:04:46,849

that's just just reality and I mean I

1283

01:04:52,900 --> 01:04:49,339

guess if that's what you need to do to

1284

01:04:56,499 --> 01:04:52,910

make yourself feel better but there

1285

01:04:58,150 --> 01:04:56,509

isn't there is a frequency of people

1286

01:04:59,829 --> 01:04:58,160

doing that as far as picking some group

1287

01:05:03,460 --> 01:04:59,839

out of scapegoats for their problems

1288

01:05:05,529 --> 01:05:03,470

there but but I don't know how this but

1289

01:05:07,720 --> 01:05:05,539

as far as the Rothschild business he has

1290

01:05:14,440 --> 01:05:07,730

been implicated in a lot of squirrely

1291

01:05:17,229 --> 01:05:14,450

issues okay yeah he's he's definitely

1292

01:05:19,450 --> 01:05:17,239

running the international banking world

1293

01:05:22,499 --> 01:05:19,460

he's running Europe there's there's no

1294

01:05:25,749 --> 01:05:22,509

doubt about it but and you know his

1295

01:05:31,059 --> 01:05:25,759

ancestors he that was handed to him from

1296

01:05:33,849 --> 01:05:31,069

his ancestors so yeah I believe it was

1297

01:05:36,779 --> 01:05:33,859

well obviously you know really just just

1298

01:05:39,099 --> 01:05:36,789

as an over view of this whole thing I

1299

01:05:41,890 --> 01:05:39,109

think that that if one was going to be

1300

01:05:44,259 --> 01:05:41,900

intellectually honest you'd have to like

1301

01:05:46,059 --> 01:05:44,269

we start the show people would have to

1302

01:05:46,630 --> 01:05:46,069

realize with the stuff we've talked

1303

01:05:50,079 --> 01:05:46,640

about tonight

1304

01:05:52,690 --> 01:05:50,089

is like the media is not free to present

1305

01:05:56,670 --> 01:05:52,700

stories it has a filter it's given

1306

01:06:00,069 --> 01:05:56,680

filters by somebody or some group I mean

1307

01:06:02,170 --> 01:06:00,079

Minh okay like we started the show

1308

01:06:03,490 --> 01:06:02,180

talking a little bit about like Trump

1309

01:06:06,520 --> 01:06:03,500

and stuff like that and yes he's a

1310

01:06:10,060 --> 01:06:06,530

squirrely character but they never were

1311

01:06:12,670 --> 01:06:10,070

as open on stories about Bill Clinton I

1312

01:06:14,530 --> 01:06:12,680

mean you know the bushes where goofballs

1313

01:06:17,770 --> 01:06:14,540

are all the rest of them have their own

1314

01:06:19,359 --> 01:06:17,780

peculiarities I mean Trump could sneeze

1315

01:06:20,950 --> 01:06:19,369

and they'd make it into the worst thing

1316

01:06:23,650 --> 01:06:20,960

that's ever happened on earth or

1317

01:06:25,390 --> 01:06:23,660

something you know obviously somebody's

1318

01:06:26,950 --> 01:06:25,400

told that you go out and gun down Trump

1319

01:06:32,370 --> 01:06:26,960

and the next door you find something I

1320

01:06:35,500 --> 01:06:32,380

don't care what it is I mean I feel

1321

01:06:36,810 --> 01:06:35,510

you're absolutely right he steps on his

1322

01:06:40,480 --> 01:06:36,820

foot

1323

01:06:43,240 --> 01:06:40,490

he I mean he he is not a smooth suave

1324

01:06:45,160 --> 01:06:43,250

politician and he's a billionaire he's

1325

01:06:48,730 --> 01:06:45,170

used to everyone bowing down to him and

1326

01:06:52,210 --> 01:06:48,740

now no one's doing that and I kind of

1327

01:06:58,059 --> 01:06:52,220

feel sorry for him because he didn't

1328

01:07:01,809 --> 01:06:58,069

realize how swampy the swamp is and they

1329

01:07:03,670 --> 01:07:01,819

they are out to destroy him and he's

1330

01:07:05,890 --> 01:07:03,680

he's playing right into it with this

1331

01:07:09,460 --> 01:07:05,900

different I'm he's defensive about every

1332

01:07:11,319 --> 01:07:09,470

single cotton-pickin thing and well he

1333

01:07:15,870 --> 01:07:11,329

puts his foot in his mouth a lot he does

1334

01:07:18,400 --> 01:07:15,880

I mean if you were just well like his

1335

01:07:20,230 --> 01:07:18,410

running mate that pence is kind of a

1336

01:07:23,859 --> 01:07:20,240

closed mouth type and kind of a

1337

01:07:26,380 --> 01:07:23,869

conservative ikana you know widget

1338

01:07:28,000 --> 01:07:26,390

Richie kind of person he pets if he were

1339

01:07:29,589 --> 01:07:28,010

in there would say very little about

1340

01:07:31,870 --> 01:07:29,599

something he might make a few snappy

1341

01:07:34,540 --> 01:07:31,880

comments that's it next question yeah

1342

01:07:36,040 --> 01:07:34,550

he'd be like like Bush was I mean Bush

1343

01:07:38,170 --> 01:07:36,050

would answer a few things and then let's

1344

01:07:40,000 --> 01:07:38,180

go to the next question goodbye but

1345

01:07:45,339 --> 01:07:40,010

they're obviously right to gun him down

1346

01:07:47,349 --> 01:07:45,349

they really are yeah yeah I mean Obama

1347

01:07:50,140 --> 01:07:47,359

the same way you're at you're absolutely

1348

01:07:52,030 --> 01:07:50,150

right these politicians all know the

1349

01:07:54,010 --> 01:07:52,040

lingo they all know how to shut down our

1350

01:07:56,710 --> 01:07:54,020

reporter they just they just know oh

1351

01:07:58,510 --> 01:07:56,720

yeah no you can't press the president I

1352

01:08:00,160 --> 01:07:58,520

mean you know he's not gonna bow down

1353

01:08:02,710 --> 01:08:00,170

and scrape tea but you know what one

1354

01:08:04,480 --> 01:08:02,720

thing I've you know Heidi my co-host is

1355

01:08:06,000 --> 01:08:04,490

always was in love with Obama like he's

1356

01:08:09,210 --> 01:08:06,010

the best thing since sliced

1357

01:08:10,980 --> 01:08:09,220

but just to show you just to show you

1358

01:08:15,570 --> 01:08:10,990

how things are not really reported

1359

01:08:18,180 --> 01:08:15,580

honestly okay Obama is worth a fortune

1360

01:08:19,829 --> 01:08:18,190

yeah and I know he's supposed to have

1361

01:08:22,380 --> 01:08:19,839

gotten good sized book royalties but I

1362

01:08:24,390 --> 01:08:22,390

smell a rat on that somebody said he

1363

01:08:25,499 --> 01:08:24,400

made sixty million dollars on his book I

1364

01:08:27,480 --> 01:08:25,509

don't buy that

1365

01:08:28,710 --> 01:08:27,490

Hillary Clinton only got nine million

1366

01:08:32,070 --> 01:08:28,720

dollar advance

1367

01:08:37,829 --> 01:08:32,080

I mean Obama's Obama's had all kinds of

1368

01:08:40,140 --> 01:08:37,839

exotic Oh descriptions of his wealth and

1369

01:08:41,880 --> 01:08:40,150

he's only been at office it's January he

1370

01:08:43,260 --> 01:08:41,890

say we made it on speeches well no he

1371

01:08:45,390 --> 01:08:43,270

didn't make it on speeches he ain't even

1372

01:08:49,050 --> 01:08:45,400

been out of a but what makes me just

1373

01:08:51,240 --> 01:08:49,060

tojust January to now and and I mean

1374

01:08:52,980 --> 01:08:51,250

these estimates as well that he has a

1375

01:08:54,749 --> 01:08:52,990

whole lot more but Heath if he saved

1376

01:08:56,610 --> 01:08:54,759

every nickel when he was in office they

1377

01:08:58,410 --> 01:08:56,620

only make what five or seven hundred

1378

01:09:01,230 --> 01:08:58,420

thousand a year I mean it's not like he

1379

01:09:03,930 --> 01:09:01,240

could have I need or a hundred million

1380

01:09:06,120 --> 01:09:03,940

dollars say so I don't I just don't buy

1381

01:09:09,990 --> 01:09:06,130

all that I just don't buy all that cuz I

1382

01:09:11,820 --> 01:09:10,000

know for a fact a guy here in town Obama

1383

01:09:13,140 --> 01:09:11,830

wanted to buy his house in Hawaii for

1384

01:09:14,820 --> 01:09:13,150

twenty five million dollars and he

1385

01:09:18,390 --> 01:09:14,830

didn't like Obama he wouldn't sell it to

1386

01:09:20,370 --> 01:09:18,400

him well speaking of houses I mean

1387

01:09:23,999 --> 01:09:20,380

before he even was elected as president

1388

01:09:26,700 --> 01:09:24,009

I mean I used to live in Chicago and I'm

1389

01:09:29,550 --> 01:09:26,710

sure maybe your producer could attest to

1390

01:09:32,970 --> 01:09:29,560

this too when he was running for

1391

01:09:36,539 --> 01:09:32,980

president he was broke the minute he ran

1392

01:09:39,329 --> 01:09:36,549

for for president he got it got a new

1393

01:09:42,599 --> 01:09:39,339

address right away and it was all over

1394

01:09:45,210 --> 01:09:42,609

the local Chicago news that he just

1395

01:09:47,220 --> 01:09:45,220

bought a \$300,000 house in Hyde Park

1396

01:09:50,190 --> 01:09:47,230

right by the University of Chicago by

1397

01:09:51,990 --> 01:09:50,200

the way with that's all mansions third

1398

01:09:54,360 --> 01:09:52,000

you know two or three four or five

1399

01:09:58,620 --> 01:09:54,370

million-dollar mansions and he got his

1400

01:09:59,910 --> 01:09:58,630

his mansion for \$300,000 so in other

1401

01:10:01,800 --> 01:09:59,920

words just something you couldn't do

1402

01:10:09,360 --> 01:10:01,810

without a brother-in-law do that basis

1403

01:10:10,980 --> 01:10:09,370

right well I know and there's also been

1404

01:10:12,630 --> 01:10:10,990

some allusions I don't know how valid

1405

01:10:14,310 --> 01:10:12,640

they were cuz I never investigated and

1406

01:10:15,510 --> 01:10:14,320

wouldn't know how to go about it but

1407

01:10:17,940 --> 01:10:15,520

there's always there's been some

1408

01:10:19,440 --> 01:10:17,950

allusions that Obama was groomed for you

1409

01:10:21,750 --> 01:10:19,450

have to take over that office for

1410

01:10:25,380 --> 01:10:21,760

long long time yeah that's definitely

1411

01:10:27,300 --> 01:10:25,390

that's been discussed well do you know I

1412

01:10:29,910 --> 01:10:27,310

don't so what else you got in the works

1413

01:10:32,340 --> 01:10:29,920

here you got work on anything else it's

1414

01:10:35,880 --> 01:10:32,350

coming up or you just push this for a

1415

01:10:40,200 --> 01:10:35,890

while I am I am working on another novel

1416

01:10:45,810 --> 01:10:40,210

it's not part of the series it's going

1417

01:10:49,830 --> 01:10:45,820

to be a futuristic sci-fi type of thing

1418

01:10:52,200 --> 01:10:49,840

and I'm waiting very patiently I wrote a

1419

01:10:54,480 --> 01:10:52,210

book a few years ago called Big Pharma

1420

01:10:57,660 --> 01:10:54,490

big agro a big conspiracy and it was my

1421

01:11:00,360 --> 01:10:57,670

only non-fiction book about the

1422

01:11:04,800 --> 01:11:00,370

pharmaceutical and agricultural

1423

01:11:08,340 --> 01:11:04,810

corporations and I've been waiting so

1424

01:11:14,270 --> 01:11:08,350

patiently for the change in healthcare

1425

01:11:18,530 --> 01:11:14,280

to write my sequel to that and you know

1426

01:11:21,960 --> 01:11:18,540

nothing happens so far so I know I know

1427

01:11:25,860 --> 01:11:21,970

Oh Trump selected I could finally write

1428

01:11:27,720 --> 01:11:25,870

my my part to big Agra and you know

1429

01:11:30,140 --> 01:11:27,730

nothing happened there so it's like okay

1430

01:11:33,360 --> 01:11:30,150

well I'm just gonna write another

1431

01:11:38,040 --> 01:11:33,370

fictional novel and it's something I

1432

01:11:41,250 --> 01:11:38,050

love to do that I think will be part of

1433

01:11:45,720 --> 01:11:41,260

my life you know till I'm too senile or

1434

01:11:48,600 --> 01:11:45,730

too sick to do it and uh I'll always be

1435

01:11:50,280 --> 01:11:48,610

working on something well I really

1436

01:11:52,590 --> 01:11:50,290

admire your facts I've written one book

1437

01:11:57,360 --> 01:11:52,600

Marian apparitions are real and that's

1438

01:12:02,010 --> 01:11:57,370

the own effort that I don't like editing

1439

01:12:03,600 --> 01:12:02,020

I really don't like editing and I just

1440

01:12:05,580 --> 01:12:03,610

did would you know like I've told people

1441

01:12:06,870 --> 01:12:05,590

before if I had a choice between you

1442

01:12:08,430 --> 01:12:06,880

want to write another book or do you

1443

01:12:10,530 --> 01:12:08,440

want to work in the Pennsylvania coal

1444

01:12:14,940 --> 01:12:10,540

mine swing a pick I think I take coal

1445

01:12:16,740 --> 01:12:14,950

mine I really do but I gotta admire you

1446

01:12:20,880 --> 01:12:16,750

for the effort in it I mean my goodness

1447

01:12:24,000 --> 01:12:20,890

it's like doing 50 rounds every day but

1448

01:12:26,370 --> 01:12:24,010

I sure have enjoyed it you know and I

1449

01:12:30,240 --> 01:12:26,380

hope that people go to amazon.com and

1450

01:12:32,459 --> 01:12:30,250

get that sequel and and what's the other

1451

01:12:34,709 --> 01:12:32,469

title to the other book I'm sorry

1452

01:12:37,709 --> 01:12:34,719

the bestseller and you probably enjoy

1453

01:12:41,640 --> 01:12:37,719

the sequel if you read the bestseller

1454

01:12:43,170 --> 01:12:41,650

first okay why words everybody to do

1455

01:12:47,520 --> 01:12:43,180

that and especially take advantage of

1456

01:12:50,610 --> 01:12:47,530

that offer right now the 99 sets if you

1457

01:12:52,860 --> 01:12:50,620

can't do that you're you're not tried

1458

01:12:53,910 --> 01:12:52,870

very hard but you it's a bargain you

1459

01:12:55,560 --> 01:12:53,920

don't take advantage of it

1460

01:12:57,180 --> 01:12:55,570

well Dena I tell you what I guess I

1461

01:12:58,560 --> 01:12:57,190
