

JFK Assassination Special | The Unofficial Story Never Told

Listen on

inceptionradionetwork.com

1
00:00:00,000 --> 00:01:12,930

Oh

2
00:01:16,140 --> 00:01:14,580

evening everyone and welcome to back

3
00:01:18,870 --> 00:01:16,150

Melones no tracks I'll show here on the

4
00:01:20,580 --> 00:01:18,880

distant Thunder radio network moving we

5
00:01:23,550 --> 00:01:20,590

have a special presentation for you

6
00:01:27,420 --> 00:01:23,560

tonight it is the anniversary of the JFK

7
00:01:30,270 --> 00:01:27,430

assassination in Dallas November 22nd

8
00:01:32,600 --> 00:01:30,280

1963 so we're gonna be talking to a

9
00:01:35,700 --> 00:01:32,610

number of our friends calling in and

10
00:01:37,740 --> 00:01:35,710

interviewing them about what the death

11
00:01:40,440 --> 00:01:37,750

of ufk meant to them who they thought

12
00:01:42,690 --> 00:01:40,450

was behind it ramifications or something

13
00:01:45,330 --> 00:01:42,700

like that supposedly that's when

14

00:01:49,440 --> 00:01:45,340

American change and I have to agree with

15

00:01:51,660 --> 00:01:49,450

that to some hot because things just

16

00:01:53,550 --> 00:01:51,670

have never been the same since in the

17

00:01:55,590 --> 00:01:53,560

studio with us tonight I think never

18

00:01:59,160 --> 00:01:55,600

being the same the very same one one is

19

00:02:01,469 --> 00:01:59,170

here hello Mack how are you good now you

20

00:02:05,370 --> 00:02:01,479

remember yesterday oh yeah okay and I do

21

00:02:07,200 --> 00:02:05,380

too yep and always remember where I was

22

00:02:11,040 --> 00:02:07,210

and where I was going right right yeah

23

00:02:15,060 --> 00:02:11,050

yep so he's school freshman on the bus

24

00:02:18,000 --> 00:02:15,070

oh really yeah okay mmhmm yep watch it

25

00:02:20,580 --> 00:02:18,010

Cronkite on TV we were um I was in the

26

00:02:22,530 --> 00:02:20,590

seventh grade maybe we're really dating

27

00:02:25,020 --> 00:02:22,540

ourselves yeah yeah girls you know don't

28

00:02:28,700 --> 00:02:25,030

listen really kid yeah and don't worry

29

00:02:32,270 --> 00:02:28,710

we did ourselves off right factor we do

30

00:02:34,710 --> 00:02:32,280

[Laughter]

31

00:02:36,660 --> 00:02:34,720

right to you by dragons handlers

32

00:02:40,770 --> 00:02:36,670

now listen keep your hands to yourself

33

00:02:42,930 --> 00:02:40,780

with Jerkins right right did you make

34

00:02:47,190 --> 00:02:42,940

that up why I'm just ringing it like I

35

00:02:50,699 --> 00:02:47,200

do holy cow that's sexy on so many

36

00:02:54,180 --> 00:02:50,709

levels it's anyway yeah I was in the

37

00:02:57,030 --> 00:02:54,190

seventh grade and this girl that I had a

38

00:02:58,830 --> 00:02:57,040

kind of a crush on went to the nurse

39

00:03:00,300 --> 00:02:58,840

because she wasn't feeling sick yeah

40

00:03:01,620 --> 00:03:00,310

because she was feeling sick I had a

41

00:03:03,780 --> 00:03:01,630

feeling that she wasn't feeling sick she

42

00:03:06,449 --> 00:03:03,790

just fell out of school early and she

43

00:03:08,850 --> 00:03:06,459

came back and handed a note of a nun and

44

00:03:10,470 --> 00:03:08,860

the nun said you know we could get coats

45

00:03:14,009 --> 00:03:10,480

and your bags together and stuff you get

46

00:03:16,680 --> 00:03:14,019

an early release because yeah it was

47

00:03:18,600 --> 00:03:16,690

gonna smack it was in the days after we

48

00:03:19,920 --> 00:03:18,610

took a while for it to really hit you

49

00:03:21,120 --> 00:03:19,930

yeah what would it happen you know what

50

00:03:22,230 --> 00:03:21,130

would it what did it mean I thought

51
00:03:23,580 --> 00:03:22,240
we're gonna have a lot the Russians

52
00:03:24,809 --> 00:03:23,590
frankly I thought this was just for a

53
00:03:25,870 --> 00:03:24,819
wolf for a while there there seemed to

54
00:03:29,490 --> 00:03:25,880
be there's

55
00:03:31,450 --> 00:03:29,500
somehow he pulls right here ya know

56
00:03:35,590 --> 00:03:31,460
about a couple hours I thought it was

57
00:03:36,910 --> 00:03:35,600
just wounded yeah and and do you agree

58
00:03:39,010 --> 00:03:36,920
with this whole idea that that's when

59
00:03:41,740 --> 00:03:39,020
things gonna change that's that was the

60
00:03:43,390 --> 00:03:41,750
end yeah and I think it thinks we were

61
00:03:45,610 --> 00:03:43,400
changing not for the better it seemed

62
00:03:47,950 --> 00:03:45,620
but there was an underlying groundswell

63
00:03:50,500 --> 00:03:47,960

of change anyway right I think

64

00:03:54,970 --> 00:03:50,510

his assassination precipitated it on the

65

00:03:57,070 --> 00:03:54,980

other hand it was rendered the tweaked I

66

00:04:01,060 --> 00:03:57,080

thought the change went with the Beatles

67

00:04:03,520 --> 00:04:01,070

game over right yep well it was the I've

68

00:04:05,290 --> 00:04:03,530

always believed a large part of the

69

00:04:07,030 --> 00:04:05,300

Beatles success was they came like a

70

00:04:08,920 --> 00:04:07,040

month later yeah everyone was bummed out

71

00:04:10,660 --> 00:04:08,930

miss country I know suddenly the Beatles

72

00:04:11,950 --> 00:04:10,670

were they needed the Beatles yeah and

73

00:04:13,300 --> 00:04:11,960

they were there I mean that's just a lot

74

00:04:16,810 --> 00:04:13,310

of like a hundred things that went right

75

00:04:19,510 --> 00:04:16,820

for them you know yeah but yeah yep

76
00:04:21,280 --> 00:04:19,520
that's and everything and that changed

77
00:04:22,990 --> 00:04:21,290
everything to you know it did but I

78
00:04:24,600 --> 00:04:23,000
think people no longer trusted the

79
00:04:28,000 --> 00:04:24,610
government after that on the

80
00:04:31,480 --> 00:04:28,010
juxtaposition of two events major events

81
00:04:34,270 --> 00:04:31,490
yeah I would somehow blend in a change

82
00:04:36,790 --> 00:04:34,280
you know the way society became yeah

83
00:04:38,380 --> 00:04:36,800
major cultural events huge interest so

84
00:04:40,080 --> 00:04:38,390
anyway that's what we're gonna be

85
00:04:44,400 --> 00:04:40,090
talking to tonight talking about tonight

86
00:04:46,600 --> 00:04:44,410
Paul Bishop who is a former la detective

87
00:04:49,360 --> 00:04:46,610
specialty is interrogation we're going

88
00:04:51,610 --> 00:04:49,370

to talk about the interrogation of Lee

89
00:04:55,210 --> 00:04:51,620
Harvey Oswald and Lee Harvey Oswald did

90
00:04:58,060 --> 00:04:55,220
during the interrogation that made a lot

91
00:05:01,510 --> 00:04:58,070
of people who are in the biz okay FBI

92
00:05:04,030 --> 00:05:01,520
CIA the agencies convinced that he was

93
00:05:05,410 --> 00:05:04,040
some kind of an agent because the ways

94
00:05:07,210 --> 00:05:05,420
that the way that he was kind of

95
00:05:09,640 --> 00:05:07,220
deflecting questions and stuff like that

96
00:05:11,950 --> 00:05:09,650
was exactly what they teach these people

97
00:05:14,560 --> 00:05:11,960
in spy school okay but who is he a spy

98
00:05:19,660 --> 00:05:14,570
for you know we'll think about that and

99
00:05:22,660 --> 00:05:19,670
also switchblade is coming in with that

100
00:05:25,340 --> 00:05:22,670
Emily M that's her name now okay and we

101

00:05:26,900 --> 00:05:25,350

didn't I Emily I'm right

102

00:05:28,370 --> 00:05:26,910

they're gonna be talking about how they

103

00:05:31,580 --> 00:05:28,380

were believing the night UFO connections

104

00:05:33,410 --> 00:05:31,590

to the JFK assassination some really

105

00:05:35,090 --> 00:05:33,420

strange ones - can't wait to hear this

106

00:05:38,510 --> 00:05:35,100

yeah these these will creep you out

107

00:05:40,820 --> 00:05:38,520

guaranteed Cobra will be calling in he's

108

00:05:43,190 --> 00:05:40,830

on a secret mission still one one again

109

00:05:45,440 --> 00:05:43,200

yep but he's gonna be going in and

110

00:05:49,340 --> 00:05:45,450

during the the fun and a little while

111

00:05:51,620 --> 00:05:49,350

and Rob because in who happens to live

112

00:05:54,890 --> 00:05:51,630

down there in the the cradle of

113

00:05:58,910 --> 00:05:54,900

President death Dallas cradle of

114

00:06:00,610 --> 00:05:58,920

presidents death be the murder capital

115

00:06:03,800 --> 00:06:00,620

of the world what very capital the world

116

00:06:05,330 --> 00:06:03,810

they mixed them up he's down there in

117

00:06:07,100 --> 00:06:05,340

Dallas hopefully he's on site with his

118

00:06:08,630 --> 00:06:07,110

microphone a you know remote

119

00:06:15,470 --> 00:06:08,640

interviewing people on the grassy knoll

120

00:06:21,140 --> 00:06:15,480

do you know what happened my kid you

121

00:06:22,970 --> 00:06:21,150

know anyway one of the strangest things

122

00:06:25,070 --> 00:06:22,980

there's a lot of strange things that

123

00:06:26,630 --> 00:06:25,080

happened that day in Dallas I mean a lot

124

00:06:29,000 --> 00:06:26,640

of very odd things like you know Richard

125

00:06:30,890 --> 00:06:29,010

Nixon was in Dallas that day okay so was

126

00:06:32,650 --> 00:06:30,900

George Bush because he lived in down

127

00:06:35,480 --> 00:06:32,660

there okay

128

00:06:37,220 --> 00:06:35,490

you know no one knew I mean they knew

129

00:06:40,190 --> 00:06:37,230

Lee Harvey Oswald worked in the building

130

00:06:42,650 --> 00:06:40,200

and then they knew he was like across

131

00:06:44,360 --> 00:06:42,660

town and shot a cop guy named Jay W

132

00:06:46,130 --> 00:06:44,370

Tibbets jump shot a contract and then

133

00:06:48,320 --> 00:06:46,140

went into a theater right and that's

134

00:06:49,370 --> 00:06:48,330

what they arrested him but they've never

135

00:06:52,570 --> 00:06:49,380

been able to figure out how he made it

136

00:06:55,400 --> 00:06:52,580

from the Texas Book Depository building

137

00:06:57,260 --> 00:06:55,410

to the place where he shot the cop

138

00:06:59,120 --> 00:06:57,270

yeah they cab they take a bus did

139

00:07:00,980 --> 00:06:59,130

someone drive them they don't know you

140

00:07:04,370 --> 00:07:00,990

know that's like some missing time you

141

00:07:07,730 --> 00:07:04,380

know which is like kind of odd and and

142

00:07:10,700 --> 00:07:07,740

just the idea that you know that he

143

00:07:12,650 --> 00:07:10,710

worked in that building where the

144

00:07:14,570 --> 00:07:12,660

presidential route just happen to go by

145

00:07:16,220 --> 00:07:14,580

and rob will tell us you know this this

146

00:07:17,420 --> 00:07:16,230

is not like some there wasn't planned

147

00:07:18,950 --> 00:07:17,430

out that way it wasn't and now I think

148

00:07:21,140 --> 00:07:18,960

they changed it they didn't change the

149

00:07:22,670 --> 00:07:21,150

day before or anything like that but at

150

00:07:24,890 --> 00:07:22,680

one point he was gonna go straight but

151

00:07:28,160 --> 00:07:24,900

then they changed his destination so

152

00:07:30,140 --> 00:07:28,170

this is like an another Nova pass but a

153

00:07:32,780 --> 00:07:30,150

way to get onto a highway you know like

154

00:07:36,530 --> 00:07:32,790

hey um so we had to be you happen to be

155

00:07:39,500 --> 00:07:36,540

working at a place that it became right

156

00:07:41,590 --> 00:07:39,510

yeah I mean you know I don't know and

157

00:07:43,640 --> 00:07:41,600

there's a lot of like that yeah right so

158

00:07:45,530 --> 00:07:43,650

so that's what we'll be talking about

159

00:07:48,470 --> 00:07:45,540

tonight the JFK assassination the who

160

00:07:51,110 --> 00:07:48,480

what the way why and so on so why don't

161

00:07:52,520 --> 00:07:51,120

we take a commercial break now and when

162

00:07:54,140 --> 00:07:52,530

we come back we'll stud the very big

163

00:07:55,790 --> 00:07:54,150

ship house that they want sounds great

164

00:07:57,230 --> 00:07:55,800

okay all right you listening to make no

165

00:07:58,970 --> 00:07:57,240

tracks no show here on the distant

166

00:08:02,090 --> 00:07:58,980

Thunder radio network we'll be right

167

00:08:04,670 --> 00:08:02,100

back after this after the events of 9/11

168

00:08:04,940 --> 00:08:04,680

we thought America would never be the

169

00:08:07,790 --> 00:08:04,950

same

170

00:08:10,430 --> 00:08:07,800

our homeland was attacked our fellow

171

00:08:14,540 --> 00:08:10,440

Americans killed by terrorists it seemed

172

00:08:16,280 --> 00:08:14,550

like all hope was lost until a special

173

00:08:19,130 --> 00:08:16,290

group of Patriots came together and

174

00:08:22,610 --> 00:08:19,140

defied the Pentagon and fadh to take

175

00:08:24,470 --> 00:08:22,620

revenge but in their own way they took

176

00:08:26,300 --> 00:08:24,480

the battle to the terrace doorstep

177

00:08:28,910 --> 00:08:26,310

turning the tables on the murderers

178

00:08:31,310 --> 00:08:28,920

fighting with no rules taking no

179

00:08:33,920 --> 00:08:31,320

prisoners until they became terrorists

180

00:08:36,800 --> 00:08:33,930

themselves this is the story of the

181

00:08:38,420 --> 00:08:36,810

super Hawks soldiers so secret even the

182

00:08:41,390 --> 00:08:38,430

president didn't know they existed

183

00:08:43,040 --> 00:08:41,400

their mission was to kill bin Laden but

184

00:08:46,100 --> 00:08:43,050

they wound up saving the world

185

00:08:48,500 --> 00:08:46,110

super Hawks a new series four Kindles

186

00:08:52,160 --> 00:08:48,510

and nooks Pike Mac Maloney available on

187

00:08:52,170 --> 00:09:07,040

[Music]

188

00:09:11,369 --> 00:09:09,449

no tracks now sure here on the distant

189

00:09:13,199 --> 00:09:11,379

Thunder radio network this is making in

190

00:09:15,329 --> 00:09:13,209

the studio with us tonight version is

191

00:09:17,280 --> 00:09:15,339

one one is here go back how's it going

192

00:09:19,410 --> 00:09:17,290

tonight so far okay this is a special

193

00:09:22,259 --> 00:09:19,420

presentation on the JFK assassination

194

00:09:25,350 --> 00:09:22,269

that happened in 1963 so how many years

195

00:09:28,650 --> 00:09:25,360

ago was that wanted we found out 54 54

196

00:09:30,600 --> 00:09:28,660

okay alright yeah but today that anyone

197

00:09:31,920 --> 00:09:30,610

who's alive and you know able to

198

00:09:35,400 --> 00:09:31,930

comprehend what was going on was really

199

00:09:37,050 --> 00:09:35,410

they don't like no other so anyway on

200

00:09:40,559 --> 00:09:37,060

the phone with us is a good friend of

201
00:09:44,490 --> 00:09:40,569
the show mr. Paul Bishop who is formerly

202
00:09:46,019 --> 00:09:44,500
of the LAPD and whose specialty back

203
00:09:47,819 --> 00:09:46,029
then was interrogation how you doing

204
00:09:50,910 --> 00:09:47,829
there tonight Paul great man how you

205
00:09:52,740 --> 00:09:50,920
guys excellent ball doing good um before

206
00:09:54,420 --> 00:09:52,750
we get into this you have a new book out

207
00:09:58,410 --> 00:09:54,430
right I do

208
00:10:02,220 --> 00:09:58,420
wait what's the name it's called 52

209
00:10:04,259 --> 00:10:02,230
weeks 52 Western novels and it's a

210
00:10:06,809 --> 00:10:04,269
nonfiction work where we take 52

211
00:10:08,990 --> 00:10:06,819
different Western novels and kind of do

212
00:10:12,840 --> 00:10:09,000
a six hundred word essay on each of them

213
00:10:14,699 --> 00:10:12,850

My partner and I did 18 each and then we

214

00:10:18,019 --> 00:10:14,709

had some guest contributors come in and

215

00:10:20,309 --> 00:10:18,029

the whole deal with this book is we said

216

00:10:25,079 --> 00:10:20,319

whatever book they chose had to be no

217

00:10:27,569 --> 00:10:25,089

more than 250 pages and so it's at one

218

00:10:29,639 --> 00:10:27,579

of those real fast moving westerns

219

00:10:30,900 --> 00:10:29,649

yeah and they had to have some kind of

220

00:10:32,160 --> 00:10:30,910

personal connection to it that they

221

00:10:33,509 --> 00:10:32,170

wanted to write about why the book was

222

00:10:35,910 --> 00:10:33,519

important to them what were they doing

223

00:10:39,449 --> 00:10:35,920

when they read it so the book really

224

00:10:41,819 --> 00:10:39,459

reads like a personal journal through

225

00:10:45,269 --> 00:10:41,829

true through a year's worth of westerns

226

00:10:47,460 --> 00:10:45,279

uh-huh okay yeah I love yeah we went

227

00:10:50,009 --> 00:10:47,470

with full color on the interior so

228

00:10:51,809 --> 00:10:50,019

there's lots of Western covers and movie

229

00:10:53,939 --> 00:10:51,819

posters and that type of thing along

230

00:10:55,740 --> 00:10:53,949

with the text so we're really happy with

231

00:10:59,309 --> 00:10:55,750

it and it seems to have taken off a

232

00:11:02,639 --> 00:10:59,319

little bit so we're doing 52 weeks 52

233

00:11:03,950 --> 00:11:02,649

western movies next and 52 weeks 52 more

234

00:11:06,050 --> 00:11:03,960

Western novels

235

00:11:07,900 --> 00:11:06,060

cool all right yeah because when I when

236

00:11:11,330 --> 00:11:07,910

we talked about this side Facebook

237

00:11:13,640 --> 00:11:11,340

message to you my favorite in my top 10

238

00:11:14,900 --> 00:11:13,650

movies three of them are Western the

239

00:11:16,400 --> 00:11:14,910

good the bad and the ugly is like my

240

00:11:18,860 --> 00:11:16,410

favorite movie of all time no matter why

241

00:11:20,780 --> 00:11:18,870

sure okay that the three-hour version

242

00:11:22,820 --> 00:11:20,790

and not the kind of presents great the

243

00:11:26,530 --> 00:11:22,830

music is great Ennio Morricone does the

244

00:11:30,530 --> 00:11:26,540

music to it in yeah it's just wild okay

245

00:11:33,470 --> 00:11:30,540

Winchester 73 I've seen that movie no

246

00:11:35,780 --> 00:11:33,480

it's it's a movie about this one gun

247

00:11:37,370 --> 00:11:35,790

that kind of passes hands you know from

248

00:11:38,930 --> 00:11:37,380

good guys to bad guys in this you know

249

00:11:40,850 --> 00:11:38,940

and how it affects their lives it's a

250

00:11:42,440 --> 00:11:40,860

cool little movie it really I don't know

251
00:11:44,450 --> 00:11:42,450
how little it was but James Stewart's in

252
00:11:46,400 --> 00:11:44,460
it but a lot of young people and then

253
00:11:48,710 --> 00:11:46,410
little big man with Dustin Hoffman yeah

254
00:11:50,180 --> 00:11:48,720
great movie just the way that film yeah

255
00:11:51,650 --> 00:11:50,190
it really is you know I haven't seen

256
00:11:53,060 --> 00:11:51,660
that in a while but boy that's really

257
00:11:55,040 --> 00:11:53,070
when they used to make cool movies you

258
00:11:56,990 --> 00:11:55,050
know I liked Once Upon a Time in the

259
00:11:59,720 --> 00:11:57,000
West that was also really good yes yeah

260
00:12:02,240 --> 00:11:59,730
you're right yeah no squeaking sign I

261
00:12:03,740 --> 00:12:02,250
hear all the time yeah yeah so with the

262
00:12:05,420 --> 00:12:03,750
mention are good the bad the ugly and

263
00:12:07,460 --> 00:12:05,430

Once Upon a Time in the West we will

264

00:12:08,450 --> 00:12:07,470

also be doing in 52 weeks 52

265

00:12:10,730 --> 00:12:08,460

spaghetti-western

266

00:12:14,540 --> 00:12:10,740

oh there was that many yeah we're there

267

00:12:16,760 --> 00:12:14,550

yeah yeah oh really oh cool yeah yeah

268

00:12:18,020 --> 00:12:16,770

because the good the bad the ugly you

269

00:12:22,040 --> 00:12:18,030

know basically what it is it's an

270

00:12:25,630 --> 00:12:22,050

Italian director right it's his vision

271

00:12:27,560 --> 00:12:25,640

of what a u.s. Westin should be okay

272

00:12:29,270 --> 00:12:27,570

yeah it is yeah it's getting like

273

00:12:32,030 --> 00:12:29,280

through a different kind of filter and

274

00:12:35,660 --> 00:12:32,040

then they filmed it in Spain so it's so

275

00:12:37,430 --> 00:12:35,670

stylized yes right yeah just you can

276

00:12:39,500 --> 00:12:37,440

immediately tell you're watching a

277

00:12:44,000 --> 00:12:39,510

spaghetti western right whatever that

278

00:12:45,890 --> 00:12:44,010

genre parallels are right in to meet

279

00:12:47,150 --> 00:12:45,900

like the best scene in it and really

280

00:12:49,610 --> 00:12:47,160

going off the subjugate but the best

281

00:12:50,870 --> 00:12:49,620

scene is you know what Clint Eastwood

282

00:12:53,510 --> 00:12:50,880

and me like Wallach they're trying to

283

00:12:55,910 --> 00:12:53,520

escape okay and he was just this like

284

00:12:57,950 --> 00:12:55,920

you know he's crazy no morals or

285

00:12:59,210 --> 00:12:57,960

anything crazy right and then going

286

00:13:01,460 --> 00:12:59,220

across this desert and they're in

287

00:13:02,810 --> 00:13:01,470

Confederate uniform yeah and I see all

288

00:13:04,670 --> 00:13:02,820

these so just come and they go oh that's

289

00:13:07,970 --> 00:13:04,680

great you know your help for finally

290

00:13:10,190 --> 00:13:07,980

finally we exactly for the Confederacy

291

00:13:12,789 --> 00:13:10,200

and they stop and think I just they rest

292

00:13:15,229 --> 00:13:12,799

themselves off and they really you

293

00:13:15,739 --> 00:13:15,239

then they go to a concentration giving a

294

00:13:18,439 --> 00:13:15,749

beat

295

00:13:21,169 --> 00:13:18,449

no but it's a great scene you know this

296

00:13:22,699 --> 00:13:21,179

is generating so anyway so hey we'll

297

00:13:24,259 --> 00:13:22,709

listen Paul I hope you have good things

298

00:13:25,789 --> 00:13:24,269

with a book that whole idea of I doing

299

00:13:28,009 --> 00:13:25,799

it with movies too I think is very good

300

00:13:30,799 --> 00:13:28,019

so thanks anything we can do to help you

301
00:13:32,030 --> 00:13:30,809
promote it let us know appreciate so

302
00:13:35,539 --> 00:13:32,040
anyway so let's talk a little bit about

303
00:13:39,099 --> 00:13:35,549
you know the day JFK get shot in town

304
00:13:40,970 --> 00:13:39,109
what happened and talk to you from a

305
00:13:43,639 --> 00:13:40,980
detectives point of view how long were

306
00:13:46,009 --> 00:13:43,649
you with the LAPD I spent 35 years of

307
00:13:47,809 --> 00:13:46,019
the LAPD I've been retired for five

308
00:13:49,549 --> 00:13:47,819
years now but I still go out around the

309
00:13:53,689 --> 00:13:49,559
country and teach interrogation to law

310
00:13:55,280 --> 00:13:53,699
enforcement all over the place so when I

311
00:13:56,389 --> 00:13:55,290
remember reading and this is probably

312
00:13:58,159 --> 00:13:56,399
just the extent that I've read about

313
00:14:01,849 --> 00:13:58,169

this particular you know thing that

314

00:14:03,859 --> 00:14:01,859

happened that day is when they caught we

315

00:14:05,419 --> 00:14:03,869

have jaws wall and they run it through

316

00:14:07,039 --> 00:14:05,429

the Dallas police station and there's

317

00:14:08,599 --> 00:14:07,049

just this one gentleman I think he was

318

00:14:09,979 --> 00:14:08,609

the Chief of Detectives he was basically

319

00:14:11,329 --> 00:14:09,989

the guy who would go into the room and

320

00:14:13,069 --> 00:14:11,339

talk to him they didn't have a bunch of

321

00:14:15,590 --> 00:14:13,079

people it was just him but I was captain

322

00:14:17,509 --> 00:14:15,600

fritz okay right but he's the guy who

323

00:14:19,999 --> 00:14:17,519

said in then I know that in some of the

324

00:14:23,479 --> 00:14:20,009

sessions there were FBI guys and so on

325

00:14:27,639 --> 00:14:23,489

but when he let's say here he is calling

326

00:14:31,249 --> 00:14:27,649

right now when he started interrogating

327

00:14:34,099 --> 00:14:31,259

Lee Harvey Oswald his quote was he told

328

00:14:36,829 --> 00:14:34,109

me the truth about everything except the

329

00:14:38,629 --> 00:14:36,839

assassination yeah okay he told the

330

00:14:39,739 --> 00:14:38,639

truth about everything that he went to

331

00:14:41,689 --> 00:14:39,749

Russia all by himself

332

00:14:42,979 --> 00:14:41,699

Yeah right and he had a Russian wife and

333

00:14:45,859 --> 00:14:42,989

I did this and I was in the Marines

334

00:14:47,239 --> 00:14:45,869

above but then when it came to you know

335

00:14:48,919 --> 00:14:47,249

where were you when you know the

336

00:14:50,929 --> 00:14:48,929

president got shot oh I was young moving

337

00:14:53,569 --> 00:14:50,939

boxes I was you know he'd lied about

338

00:14:55,699 --> 00:14:53,579

what he was there for yeah and and I

339

00:14:57,979 --> 00:14:55,709

remember someone saying that is

340

00:15:00,109 --> 00:14:57,989

something that they teach spies to do

341

00:15:01,879 --> 00:15:00,119

you know they teach intelligence people

342

00:15:04,099 --> 00:15:01,889

to do that's that's the way of you know

343

00:15:06,970 --> 00:15:04,109

misdirecting I guess that does any of

344

00:15:11,539 --> 00:15:06,980

this make sense to you Paul

345

00:15:15,429 --> 00:15:11,549

certainly his statements during the

346

00:15:18,249 --> 00:15:15,439

course of the interrogation were

347

00:15:21,759 --> 00:15:18,259

schizophrenic at times okay and

348

00:15:24,289 --> 00:15:21,769

purposely misdirecting at others and

349

00:15:25,490 --> 00:15:24,299

there were times that he's genuinely

350

00:15:27,560 --> 00:15:25,500

confused

351

00:15:30,590 --> 00:15:27,570

okay and he's feeding on his own

352

00:15:33,830 --> 00:15:30,600

paranoia right like when he's questioned

353

00:15:35,390 --> 00:15:33,840

about the photographs of him holding a

354

00:15:37,010 --> 00:15:35,400

rifle on a pistol and he's saying you

355

00:15:39,080 --> 00:15:37,020

know the FBI took my picture they've

356

00:15:41,060 --> 00:15:39,090

superimposed it not and on and on and on

357

00:15:43,550 --> 00:15:41,070

I bet that really sounds like a true

358

00:15:48,850 --> 00:15:43,560

paranoia to me in his statements there

359

00:15:51,830 --> 00:15:48,860

right but here's the thing if I can like

360

00:15:53,630 --> 00:15:51,840

the OJ Simpson case everything that

361

00:15:56,450 --> 00:15:53,640

could possibly done wrong in an

362

00:15:58,040 --> 00:15:56,460

interrogation situation was done wrong

363

00:16:00,320 --> 00:15:58,050

okay

364

00:16:03,260 --> 00:16:00,330

one of the mantras that I have when I

365

00:16:05,480 --> 00:16:03,270

teach interrogation is that the success

366

00:16:08,180 --> 00:16:05,490

the success or failure of an

367

00:16:11,080 --> 00:16:08,190

interrogation is determined before the

368

00:16:14,630 --> 00:16:11,090

first question is asked okay cool so

369

00:16:17,240 --> 00:16:14,640

what you have here is nobody prepares

370

00:16:21,080 --> 00:16:17,250

tactically to go in and interview Oswald

371

00:16:23,060 --> 00:16:21,090

he's in a hurry nobody has a plan nobody

372

00:16:25,310 --> 00:16:23,070

knows what to ask everybody just wants

373

00:16:27,130 --> 00:16:25,320

him to say he did it so they're going in

374

00:16:29,180 --> 00:16:27,140

with all of this preconceived

375

00:16:35,000 --> 00:16:29,190

information in their heads and they're

376

00:16:39,290 --> 00:16:35,010

scared so you have this little tiny room

377

00:16:41,900 --> 00:16:39,300

14 feet by 9 feet and you have anywhere

378

00:16:44,060 --> 00:16:41,910

from seven or eight people crowded into

379

00:16:47,270 --> 00:16:44,070

this small room along with captain fritz

380

00:16:49,370 --> 00:16:47,280

oh okay all right he gets called out

381

00:16:53,120 --> 00:16:49,380

constantly because stuff's going on

382

00:16:55,790 --> 00:16:53,130

which is you know just you every time

383

00:16:58,070 --> 00:16:55,800

you take a break it breaks the the flow

384

00:16:59,780 --> 00:16:58,080

of the interrogation mm-hm and when you

385

00:17:01,579 --> 00:16:59,790

have that many people in the room are

386

00:17:03,920 --> 00:17:01,589

the more people you have in the room the

387

00:17:06,740 --> 00:17:03,930

more a defense attorney can say that the

388

00:17:10,220 --> 00:17:06,750

suspect was being intimidated I think

389

00:17:13,520 --> 00:17:10,230

okay yeah so in all more than 25

390

00:17:15,770 --> 00:17:13,530

different people either participated in

391

00:17:17,569 --> 00:17:15,780

asking questions or were present at some

392

00:17:22,720 --> 00:17:17,579

time during the interrogations man I got

393

00:17:26,179 --> 00:17:22,730

my facts okay please

394

00:17:29,510 --> 00:17:26,189

so no again you know chief curry later

395

00:17:30,920 --> 00:17:29,520

on recognized in his testimony said we

396

00:17:32,870 --> 00:17:30,930

were violating every principle of

397

00:17:34,430 --> 00:17:32,880

interrogation it was just against all

398

00:17:35,480 --> 00:17:34,440

principles of good interrogation

399

00:17:37,970 --> 00:17:35,490

practice Wow

400

00:17:40,669 --> 00:17:37,980

so they they're they have that

401
00:17:41,570 --> 00:17:40,679
mission that that everything was screwed

402
00:17:46,039 --> 00:17:41,580
up from the start

403
00:17:47,690 --> 00:17:46,049
and that's why Oswald in my opinion was

404
00:17:50,060 --> 00:17:47,700
able to get away with all of the

405
00:17:54,169 --> 00:17:50,070
nonsense that he was pulling okay all

406
00:17:55,940 --> 00:17:54,179
right so so do you see um any evidence

407
00:17:57,860 --> 00:17:55,950
in the way that he answered those

408
00:18:00,440 --> 00:17:57,870
questions that he could have been worth

409
00:18:01,070 --> 00:18:00,450
working for you know somebody like it

410
00:18:03,440 --> 00:18:01,080
eight

411
00:18:05,150 --> 00:18:03,450
my personal opinion is he was the same

412
00:18:06,980 --> 00:18:05,160
kind of guy who likes shot John Lennon

413
00:18:08,570 --> 00:18:06,990

who shot Reagan you know and stuff like

414

00:18:10,850 --> 00:18:08,580

that he was just kind of like this guy

415

00:18:13,310 --> 00:18:10,860

who wanted to be famous and would do

416

00:18:15,740 --> 00:18:13,320

anything he you know to the most bizarre

417

00:18:17,360 --> 00:18:15,750

ends to become infamous right I mean

418

00:18:19,460 --> 00:18:17,370

that's how I feel but do you see any

419

00:18:20,900 --> 00:18:19,470

kind of evidence and you know he's the

420

00:18:24,919 --> 00:18:20,910

answers during these interrogations and

421

00:18:28,159 --> 00:18:24,929

he was like some kind of agent I mean I

422

00:18:31,070 --> 00:18:28,169

think that his statements during the

423

00:18:33,140 --> 00:18:31,080

course of the interrogation are the

424

00:18:36,409 --> 00:18:33,150

stuff that conspiracy theories are made

425

00:18:38,210 --> 00:18:36,419

from right so if you want to make a

426
00:18:42,169 --> 00:18:38,220
conspiracy theory out of everything that

427
00:18:44,840 --> 00:18:42,179
he said you can do it you know whether

428
00:18:49,580 --> 00:18:44,850
it was you know was he we're serving as

429
00:18:51,680 --> 00:18:49,590
an agent of Castro was he doing a dirty

430
00:18:54,289 --> 00:18:51,690
trick for the CIA wanting to get rid of

431
00:18:57,049 --> 00:18:54,299
a president that they'd lost faith in do

432
00:18:59,659 --> 00:18:57,059
the Bay of Pigs was a Cuban exiles

433
00:19:02,360 --> 00:18:59,669
Teamsters Union the Mafia you know all

434
00:19:06,230 --> 00:19:02,370
of those things were were raised and in

435
00:19:08,000 --> 00:19:06,240
doing so clouded the whole issue of what

436
00:19:09,470 --> 00:19:08,010
he actually said mm-hmm okay

437
00:19:12,250 --> 00:19:09,480
thank you so if you take what he

438
00:19:16,640 --> 00:19:12,260

actually said a statement by statement

439

00:19:21,140 --> 00:19:16,650

what you really see is a man who's not

440

00:19:25,789 --> 00:19:21,150

not very bright and that he doesn't know

441

00:19:29,630 --> 00:19:25,799

how to lie particularly well but he is

442

00:19:31,789 --> 00:19:29,640

very determined not to give away certain

443

00:19:33,650 --> 00:19:31,799

information right okay which makes it

444

00:19:36,080 --> 00:19:33,660

really interesting so yeah it's not very

445

00:19:38,060 --> 00:19:36,090

bright but very determined right does

446

00:19:39,650 --> 00:19:38,070

that to you does that mean there was

447

00:19:41,990 --> 00:19:39,660

some kind of training involved but was

448

00:19:45,590 --> 00:19:42,000

this was just some guy who wrote read a

449

00:19:49,700 --> 00:19:45,600

lot of spy catalogs and stuff I I think

450

00:19:51,270 --> 00:19:49,710

that in my opinion and and and I have

451

00:19:52,740 --> 00:19:51,280

some basis for this

452

00:19:57,510 --> 00:19:52,750

I don't think he had a whole lot of

453

00:20:00,210 --> 00:19:57,520

training I think that there's never been

454

00:20:03,390 --> 00:20:00,220

any indication tough to have had any

455

00:20:06,620 --> 00:20:03,400

training mm-hmm no pain in the butt

456

00:20:09,240 --> 00:20:06,630

yes one being questioned but he didn't

457

00:20:12,779 --> 00:20:09,250

misdirect in the way that a trained

458

00:20:14,610 --> 00:20:12,789

agent would right okay all right I mean

459

00:20:19,680 --> 00:20:14,620

how about the whole idea that he may

460

00:20:21,270 --> 00:20:19,690

have been a patsy you know one of the

461

00:20:24,930 --> 00:20:21,280

you know the things that they like to

462

00:20:27,270 --> 00:20:24,940

say about Oswald is that you know he was

463

00:20:30,210 --> 00:20:27,280

an exceptionally bad shot

464

00:20:33,270 --> 00:20:30,220

and the shot that killed Kennedy was the

465

00:20:34,770 --> 00:20:33,280

act of a champion marksman and then you

466

00:20:38,940 --> 00:20:34,780

know an Olympic sprinter to get out of

467

00:20:41,190 --> 00:20:38,950

that area there yes I did a show a few a

468

00:20:43,770 --> 00:20:41,200

lot of years back now probably 20 years

469

00:20:46,440 --> 00:20:43,780

back called the magic bullet for the

470

00:20:49,500 --> 00:20:46,450

Discovery Channel and basically we got a

471

00:20:51,210 --> 00:20:49,510

bullet out of the same batch that the

472

00:20:55,860 --> 00:20:51,220

bullet that killed Kennedy came from and

473

00:20:58,350 --> 00:20:55,870

we went to Australia and because there

474

00:21:01,649 --> 00:20:58,360

was a company there that specialized in

475

00:21:04,680 --> 00:21:01,659

building mannequins with completely

476

00:21:08,850 --> 00:21:04,690

lifelike interiors okay cool

477

00:21:10,980 --> 00:21:08,860

so got the same making year convertible

478

00:21:15,120 --> 00:21:10,990

that the bodies up exactly as they would

479

00:21:17,270 --> 00:21:15,130

built a tower put a marksman up there

480

00:21:20,159 --> 00:21:17,280

with the exact same type of rifle and

481

00:21:22,409 --> 00:21:20,169

the wind is blowing and that tower is

482

00:21:24,710 --> 00:21:22,419

going back and forth back forth right

483

00:21:28,289 --> 00:21:24,720

yes so we're thinking there is no

484

00:21:30,330 --> 00:21:28,299

possible way that he is going to hit

485

00:21:33,180 --> 00:21:30,340

this target you know we're gonna have to

486

00:21:34,770 --> 00:21:33,190

take this a hundred times before we keep

487

00:21:37,980 --> 00:21:34,780

me even close to something that we can

488

00:21:41,730 --> 00:21:37,990

put on right on television right the

489

00:21:43,710 --> 00:21:41,740

very first shot follows the exact

490

00:21:46,860 --> 00:21:43,720

trajectory of the bullet that killed

491

00:21:49,080 --> 00:21:46,870

Kennedy right through to where it lodged

492

00:21:52,049 --> 00:21:49,090

in the arm of the guy in the front seat

493

00:21:55,080 --> 00:21:52,059

and eventually later fell out so Wow Wow

494

00:22:02,930 --> 00:21:55,090

the only difference was in our case it

495

00:22:06,770 --> 00:22:05,160

wow that's amazing I mean you think

496

00:22:09,330 --> 00:22:06,780

about that because you think of all the

497

00:22:13,110 --> 00:22:09,340

factors that would be there's so many

498

00:22:15,210 --> 00:22:13,120

random factors right yeah and of course

499

00:22:17,780 --> 00:22:15,220

this thing shows up at two o'clock in

500

00:22:20,970 --> 00:22:17,790

the morning about once every other month

501
00:22:22,290 --> 00:22:20,980
no I said yeah oh I saw you on

502
00:22:23,160 --> 00:22:22,300
television last night I'm going what are

503
00:22:24,410 --> 00:22:23,170
you talking about

504
00:22:28,290 --> 00:22:24,420
well it's a show about the magic bullet

505
00:22:29,730 --> 00:22:28,300
did you um what did if you don't mind us

506
00:22:30,810 --> 00:22:29,740
asking you know were you paid for

507
00:22:31,590 --> 00:22:30,820
something like that you get a free trip

508
00:22:34,110 --> 00:22:31,600
in Australia

509
00:22:36,960 --> 00:22:34,120
no actually I was I didn't get to go to

510
00:22:40,500 --> 00:22:36,970
Australia but I was consultant on it and

511
00:22:46,430 --> 00:22:40,510
I was actually on camera oh really yeah

512
00:22:49,920 --> 00:22:46,440
okay all right did you get paid yes but

513
00:22:52,020 --> 00:22:49,930

that's we want to hear right but that's

514

00:22:54,570 --> 00:22:52,030

kinda cool to be on TV man that's that's

515

00:22:56,610 --> 00:22:54,580

that's cool you know to be on a show

516

00:22:58,230 --> 00:22:56,620

like that you know I don't think they'd

517

00:23:02,760 --> 00:22:58,240

ever come and do a show like that for us

518

00:23:04,710 --> 00:23:02,770

would they I would the command that they

519

00:23:06,960 --> 00:23:04,720

would probably put him on and he'd leave

520

00:23:09,510 --> 00:23:06,970

us behind man you know he's cool enough

521

00:23:12,120 --> 00:23:09,520

to be on it kick us out of his little so

522

00:23:14,250 --> 00:23:12,130

listen this guy wasn't Lee Harvey Oswald

523

00:23:16,230 --> 00:23:14,260

in the Marines he was in the Marines and

524

00:23:19,850 --> 00:23:16,240

he in he was dead a YouTube base in

525

00:23:22,200 --> 00:23:19,860

Japan yeah so wasn't a real schmuck but

526

00:23:25,140 --> 00:23:22,210

he wasn't drummed out of the Marines as

527

00:23:26,970 --> 00:23:25,150

far as I know he wasn't he'd gone I

528

00:23:29,640 --> 00:23:26,980

think was a dishonorable discharge was

529

00:23:31,410 --> 00:23:29,650

yeah I think so then he then he went to

530

00:23:36,060 --> 00:23:31,420

Russia he lived in Russia for like two

531

00:23:38,790 --> 00:23:36,070

years and met the marina okay which you

532

00:23:41,360 --> 00:23:38,800

know back sixties Russia you know she

533

00:23:45,120 --> 00:23:41,370

was a bad looking for that era you know

534

00:23:47,790 --> 00:23:45,130

and then he came back here lived in

535

00:23:49,620 --> 00:23:47,800

Dallas and I mean just the fact that he

536

00:23:51,030 --> 00:23:49,630

lived in Russia you know foot I remember

537

00:23:53,310 --> 00:23:51,040

hearing that like the day it happened

538

00:23:55,710 --> 00:23:53,320

that three years he lived in the Soviet

539

00:23:57,030 --> 00:23:55,720

Union you know and and you know you one

540

00:23:59,370 --> 00:23:57,040

story is that there was so sick of him

541

00:24:01,020 --> 00:23:59,380

which I could see that's when he came

542

00:24:03,090 --> 00:24:01,030

back but the funny thing is I think

543

00:24:05,550 --> 00:24:03,100

wasn't the only 23 years old I mean he

544

00:24:07,950 --> 00:24:05,560

lived a lot of my mother strange things

545

00:24:09,960 --> 00:24:07,960

and he was alright in his early 20s you

546

00:24:13,200 --> 00:24:09,970

know which is and he grew up in New York

547

00:24:15,780 --> 00:24:13,210

City - there you go as a kid yeah so

548

00:24:17,310 --> 00:24:15,790

anyway but but well I mean

549

00:24:19,500 --> 00:24:17,320

it's guilty as sin as far as anybody

550

00:24:21,780 --> 00:24:19,510

else was concerned right well you know I

551
00:24:24,240 --> 00:24:21,790
mean somebody didn't get any information

552
00:24:26,880 --> 00:24:24,250
at all out of them no nothing that was

553
00:24:29,730 --> 00:24:26,890
earning I mean he's constant denials

554
00:24:33,300 --> 00:24:29,740
that he killed the president or that he

555
00:24:36,900 --> 00:24:33,310
killed the other police officer or just

556
00:24:39,300 --> 00:24:36,910
go on and on and on every time he has a

557
00:24:40,800 --> 00:24:39,310
moment to say that he says it right so

558
00:24:42,690 --> 00:24:40,810
we were talking about earlier and this

559
00:24:45,120 --> 00:24:42,700
could be out of date information but I

560
00:24:47,520 --> 00:24:45,130
had also heard once that you know when

561
00:24:51,870 --> 00:24:47,530
he left the Book Depository building and

562
00:24:54,270 --> 00:24:51,880
then went and then later on shot Tibbett

563
00:24:56,550 --> 00:24:54,280

the cop did they ever find out how he

564

00:24:59,580 --> 00:24:56,560

made it from the depository building to

565

00:25:01,350 --> 00:24:59,590

that side of town because at one point

566

00:25:02,760 --> 00:25:01,360

someone said maybe he had someone drive

567

00:25:05,070 --> 00:25:02,770

him and I wouldn't you know kind of

568

00:25:08,690 --> 00:25:05,080

indicate a conspiracy but it was too far

569

00:25:11,100 --> 00:25:08,700

to walk so you know he took a bus a cab

570

00:25:14,670 --> 00:25:11,110

right I mean I don't think they've ever

571

00:25:16,740 --> 00:25:14,680

come to a definitive understanding of

572

00:25:21,300 --> 00:25:16,750

that but and then there was a story just

573

00:25:23,370 --> 00:25:21,310

came out I just repeated that um when he

574

00:25:25,410 --> 00:25:23,380

was actually given two phone calls all

575

00:25:28,410 --> 00:25:25,420

right not just one and one of them I

576

00:25:30,300 --> 00:25:28,420

guess he called his wife's mother or

577

00:25:32,040 --> 00:25:30,310

something and then the second one he

578

00:25:35,070 --> 00:25:32,050

called this guy in Virginia who turns

579

00:25:36,060 --> 00:25:35,080

out that he was a counterinsurgency guy

580

00:25:39,180 --> 00:25:36,070

for the military

581

00:25:41,250 --> 00:25:39,190

and they didn't I don't think they

582

00:25:43,890 --> 00:25:41,260

accepted the call but they have the the

583

00:25:45,360 --> 00:25:43,900

charge the billing from you know the

584

00:25:47,190 --> 00:25:45,370

Dallas Police Department through this

585

00:25:48,630 --> 00:25:47,200

number of the jigna so it did happen

586

00:25:51,570 --> 00:25:48,640

I think the person might hung up on him

587

00:25:52,650 --> 00:25:51,580

or something and so the question said

588

00:25:54,150 --> 00:25:52,660

well what's you know what's he doing

589

00:25:56,790 --> 00:25:54,160

that guy's phone number yeah you know

590

00:25:58,440 --> 00:25:56,800

never hear anything like that Paul um I

591

00:26:00,470 --> 00:25:58,450

you know I know he was given two phone

592

00:26:04,560 --> 00:26:00,480

calls I haven't heard that story

593

00:26:06,840 --> 00:26:04,570

directly but if you think about it it's

594

00:26:08,100 --> 00:26:06,850

in line with everything else that goes

595

00:26:10,380 --> 00:26:08,110

on during the course of the

596

00:26:14,100 --> 00:26:10,390

interrogation there's so much in here

597

00:26:16,350 --> 00:26:14,110

that is unexplainable right yeah and

598

00:26:19,920 --> 00:26:16,360

then so you know this is why I think

599

00:26:22,320 --> 00:26:19,930

that there's a certain amount of mental

600

00:26:25,590 --> 00:26:22,330

distress either mental illness or mental

601
00:26:27,990 --> 00:26:25,600
distress going on with Oswald under this

602
00:26:29,220 --> 00:26:28,000
situation how would you feel in that

603
00:26:30,780 --> 00:26:29,230
situation if

604
00:26:33,600 --> 00:26:30,790
he grabbed you up I mean look at Richard

605
00:26:37,049 --> 00:26:33,610
Jewell and Emily and they ran roughshod

606
00:26:40,650 --> 00:26:37,059
over right so I mean I think they really

607
00:26:42,960 --> 00:26:40,660
did I believe Oswald's guilty personally

608
00:26:45,240 --> 00:26:42,970
but they certainly rush to judgment on

609
00:26:48,060 --> 00:26:45,250
this right and they didn't set out to

610
00:26:50,520 --> 00:26:48,070
find out what happened they set out to

611
00:26:51,720 --> 00:26:50,530
fit the facts to their theory right we

612
00:26:54,030 --> 00:26:51,730
should explain Richard Jewell was a

613
00:26:56,580 --> 00:26:54,040

security guy at the 1980 Olympics was

614

00:26:58,200 --> 00:26:56,590

the theatres with in Atlanta there was a

615

00:26:59,640 --> 00:26:58,210

bomb there set off by it turned out to

616

00:27:02,220 --> 00:26:59,650

be a guy thing it turned out he was an

617

00:27:05,220 --> 00:27:02,230

anti-abortion kind of right-wing guy but

618

00:27:07,590 --> 00:27:05,230

they just zeroed in on this this kind of

619

00:27:09,270 --> 00:27:07,600

portly security guy delivered his mother

620

00:27:11,190 --> 00:27:09,280

and that kind of stuff yeah once again

621

00:27:13,919 --> 00:27:11,200

China you know fit their facts into the

622

00:27:16,409 --> 00:27:13,929

round holes you know and just just

623

00:27:18,060 --> 00:27:16,419

besieged him you know and and then you

624

00:27:19,169 --> 00:27:18,070

know it found out that he everyone in

625

00:27:20,580 --> 00:27:19,179

the world thought he was guilty until

626
00:27:23,190 --> 00:27:20,590
they found out there wasn't him because

627
00:27:24,750 --> 00:27:23,200
I know yeah then he died like soon after

628
00:27:27,750 --> 00:27:24,760
that you know I don't know if he that is

629
00:27:29,460 --> 00:27:27,760
suicide or what but he passed away his

630
00:27:31,730 --> 00:27:29,470
life was basically ruined ruined yeah

631
00:27:34,830 --> 00:27:31,740
the other interesting thing about

632
00:27:38,370 --> 00:27:34,840
Oswald's interrogation is he lies about

633
00:27:39,570 --> 00:27:38,380
things he doesn't have to lie about hmm

634
00:27:44,340 --> 00:27:39,580
yeah maybe that's what I heard yeah

635
00:27:46,470 --> 00:27:44,350
explain that right so so he he you know

636
00:27:48,780 --> 00:27:46,480
denies ever owning a rifle or a pistol

637
00:27:50,520 --> 00:27:48,790
which equates with with Mark Fuhrman

638
00:27:53,159 --> 00:27:50,530

saying I never used the F word or the

639

00:27:56,039 --> 00:27:53,169

n-word right okay yep you know that that

640

00:27:57,630 --> 00:27:56,049

because he he's got to know in his own

641

00:27:59,310 --> 00:27:57,640

mind that with a little checking they're

642

00:28:01,560 --> 00:27:59,320

gonna prove that he had rifles and

643

00:28:04,320 --> 00:28:01,570

pistols and and those types of things

644

00:28:06,900 --> 00:28:04,330

right so why lie about it right it's

645

00:28:10,020 --> 00:28:06,910

it's it's not going to make difference

646

00:28:13,200 --> 00:28:10,030

one way or the other and again is that

647

00:28:15,510 --> 00:28:13,210

part of the distraction if I lie about

648

00:28:17,549 --> 00:28:15,520

these these non-consequential things

649

00:28:19,530 --> 00:28:17,559

will they realize that I'm also lying

650

00:28:22,049 --> 00:28:19,540

about the consequential things although

651
00:28:24,299 --> 00:28:22,059
the consequential things he doesn't talk

652
00:28:26,370 --> 00:28:24,309
about yeah it says I'm not gonna tell

653
00:28:27,780 --> 00:28:26,380
you about that yes so I lie about the

654
00:28:29,909 --> 00:28:27,790
non-consequential yeah that's what I

655
00:28:32,130 --> 00:28:29,919
heard that doesn't make sense to me why

656
00:28:33,780 --> 00:28:32,140
would you do that yeah it seems like

657
00:28:34,919 --> 00:28:33,790
it's part of a plan okay I'm gonna lie

658
00:28:37,409 --> 00:28:34,929
about this I'm not going to talk about

659
00:28:41,139 --> 00:28:37,419
this and maybe just I don't know if the

660
00:28:45,190 --> 00:28:41,149
confused I don't know sir

661
00:28:47,619 --> 00:28:45,200
a disorganized brain yeah okay going on

662
00:28:49,749 --> 00:28:47,629
here this you know if if Oswald was a

663
00:28:51,579 --> 00:28:49,759

serial killer he would not be an

664

00:28:53,829 --> 00:28:51,589

organized serial killer as they you know

665

00:28:55,329 --> 00:28:53,839

as they try to you know pro/5 I'm he

666

00:28:57,489 --> 00:28:55,339

would be disorganized he's totally

667

00:28:58,930 --> 00:28:57,499

disorganized in the way that he goes

668

00:29:01,359 --> 00:28:58,940

about answering these questions right

669

00:29:03,039 --> 00:29:01,369

and wouldn't have had more money if he

670

00:29:04,989 --> 00:29:03,049

was actually someone's agent because

671

00:29:07,060 --> 00:29:04,999

there was lemon you know like not the

672

00:29:09,609 --> 00:29:07,070

end of mouth but he certainly didn't

673

00:29:11,019 --> 00:29:09,619

exactly he's basically broke yeah look

674

00:29:12,700 --> 00:29:11,029

at paycheck to paycheck I mean you can't

675

00:29:15,399 --> 00:29:12,710

even doesn't even hold a very good job

676

00:29:18,159 --> 00:29:15,409

right yeah yeah moving books yeah

677

00:29:20,440 --> 00:29:18,169

basically so so Emma I should tell you

678

00:29:24,519 --> 00:29:20,450

talking to a Paul Bishop my friend film

679

00:29:27,129 --> 00:29:24,529

the LAPD worked for them for 30 odd

680

00:29:30,149 --> 00:29:27,139

years and now he's a author and a

681

00:29:33,669 --> 00:29:30,159

lecturer they certainly were odd years

682

00:29:38,219 --> 00:29:33,679

I'd add one one is showing me what is

683

00:29:43,509 --> 00:29:40,899

so Paul listen you know what do you

684

00:29:46,349 --> 00:29:43,519

think happened do you think that I was

685

00:29:51,849 --> 00:29:46,359

what was the only gonna only gun man

686

00:29:53,109 --> 00:29:51,859

well I I believe it is possible for him

687

00:29:55,180 --> 00:29:53,119

to be the only gun man

688

00:29:57,310 --> 00:29:55,190

I don't know whether it was the only

689

00:29:58,869 --> 00:29:57,320

gunman but it is possible for him to

690

00:30:00,909 --> 00:29:58,879

have been the only government and we

691

00:30:04,329 --> 00:30:00,919

kind of proved that when we when we film

692

00:30:06,700 --> 00:30:04,339

the Magic Bullet situation right so with

693

00:30:09,279 --> 00:30:06,710

it with that in mind you you can never

694

00:30:12,310 --> 00:30:09,289

say never right how about like you know

695

00:30:14,139 --> 00:30:12,320

the with the Zapruder film where you

696

00:30:16,599 --> 00:30:14,149

know it really does seem like the the

697

00:30:18,039 --> 00:30:16,609

real kind of kill shot comes from the

698

00:30:19,690 --> 00:30:18,049

front I mean have you ever seen in your

699

00:30:21,369 --> 00:30:19,700

experience that someone shot from the

700

00:30:26,529 --> 00:30:21,379

back looking like they've been shot from

701
00:30:29,950 --> 00:30:26,539
the front you know bullet trajectories

702
00:30:32,169 --> 00:30:29,960
and impacts and camera angles do all

703
00:30:34,209 --> 00:30:32,179
different kind of things yeah it the

704
00:30:36,009 --> 00:30:34,219
Magruder film really makes it look like

705
00:30:39,219 --> 00:30:36,019
you get shot from the front mm-hmm

706
00:30:42,999 --> 00:30:39,229
but anytime you look at a replay on any

707
00:30:44,709 --> 00:30:43,009
given weekend for the NFL and they store

708
00:30:46,029 --> 00:30:44,719
from 12 different angles and what

709
00:30:48,820 --> 00:30:46,039
happens good point

710
00:30:50,560 --> 00:30:48,830
angle but one shows that you know he

711
00:30:52,359 --> 00:30:50,570
made that cat yeah then there's that one

712
00:30:53,560 --> 00:30:52,369
angle that shows it was on the ground

713
00:30:54,740 --> 00:30:53,570

see yeah yeah but I want to know about

714

00:30:57,230 --> 00:30:54,750

that is that

715

00:30:58,820 --> 00:30:57,240

they've been doing instant replay for

716

00:31:01,550 --> 00:30:58,830

now almost 30 years if you can believe

717

00:31:05,390 --> 00:31:01,560

it okay yeah yeah I think it's like in

718

00:31:07,100 --> 00:31:05,400

them yeah I think so in the eighties did

719

00:31:08,810 --> 00:31:07,110

they make these like kind of strange

720

00:31:13,160 --> 00:31:08,820

catches before that you don't I mean

721

00:31:15,020 --> 00:31:13,170

like yeah seems like every kitchen now

722

00:31:16,490 --> 00:31:15,030

there's some controversy to it you know

723

00:31:18,860 --> 00:31:16,500

because we have the ability to go back

724

00:31:21,440 --> 00:31:18,870

and look at yeah yeah so before that we

725

00:31:23,540 --> 00:31:21,450

just said wow what a catch okay yeah

726

00:31:25,280 --> 00:31:23,550

yeah it has really changed the way that

727

00:31:27,920 --> 00:31:25,290

the whole game is the whole game is

728

00:31:31,640 --> 00:31:27,930

going down the drain it's it's losing so

729

00:31:33,110 --> 00:31:31,650

many viewers that even that pizza joint

730

00:31:35,570 --> 00:31:33,120

that's always on the other guy making

731

00:31:36,830 --> 00:31:35,580

his own pizzas there yeah they're gonna

732

00:31:38,420 --> 00:31:36,840

pull their advertising from because

733

00:31:40,520 --> 00:31:38,430

they're not getting enough it looks like

734

00:31:41,960 --> 00:31:40,530

they were threatening the game's

735

00:31:44,450 --> 00:31:41,970

constantly interrupted it was bad enough

736

00:31:47,270 --> 00:31:44,460

with commercial television right yeah

737

00:31:50,930 --> 00:31:47,280

yeah but now you know it's in the whole

738

00:31:53,210 --> 00:31:50,940

flow of the game is disastrous right and

739

00:31:54,320 --> 00:31:53,220

I think a lot of people - they the

740

00:31:56,750 --> 00:31:54,330

tuning in I know I do

741

00:32:01,730 --> 00:31:56,760

can tune him to see how other teams are

742

00:32:05,750 --> 00:32:01,740

doing you know what I mean so let's I

743

00:32:07,460 --> 00:32:05,760

mean let's stay there because the whole

744

00:32:10,610 --> 00:32:07,470

flow of the game we talked about is

745

00:32:15,200 --> 00:32:10,620

being disrupted right the whole flow of

746

00:32:18,080 --> 00:32:15,210

the interrogation with Oswald was never

747

00:32:20,030 --> 00:32:18,090

in the groove well you know they spent

748

00:32:21,460 --> 00:32:20,040

seven hours with him on Friday they

749

00:32:26,420 --> 00:32:21,470

spent three hours with him on on

750

00:32:28,790 --> 00:32:26,430

Saturday and not once did it ever turn

751

00:32:31,190 --> 00:32:28,800

into any longer than five minutes 10

752

00:32:33,380 --> 00:32:31,200

minutes before things were changed

753

00:32:34,880 --> 00:32:33,390

around again right yeah people came out

754

00:32:36,710 --> 00:32:34,890

people came in people wanted other

755

00:32:41,080 --> 00:32:36,720

questions answered you know you've got

756

00:32:50,060 --> 00:32:44,900

associations there and special interests

757

00:32:52,130 --> 00:32:50,070

and it just I would not have wanted to

758

00:32:53,750 --> 00:32:52,140

be in the position of having to do that

759

00:32:55,210 --> 00:32:53,760

interrogation and he never said one word

760

00:32:58,190 --> 00:32:55,220

that was helpful

761

00:32:59,470 --> 00:32:58,200

no and in fact the word did say is I

762

00:33:01,820 --> 00:32:59,480

want a lawyer

763

00:33:03,380 --> 00:33:01,830

did they give it away do they ever give

764

00:33:07,190 --> 00:33:03,390

they read him his rights I don't know

765

00:33:08,190 --> 00:33:07,200

I'm not sure about that lawyer I want a

766

00:33:10,019 --> 00:33:08,200

lawyer and even named the

767

00:33:13,710 --> 00:33:10,029

was a guy by the name of apt or

768

00:33:17,519 --> 00:33:13,720

something like that okay so at that

769

00:33:22,379 --> 00:33:17,529

point what are they doing here I mean

770

00:33:23,730 --> 00:33:22,389

yes we cut off security where they don't

771

00:33:24,269 --> 00:33:23,740

have to read him the rice I can't ask

772

00:33:27,120 --> 00:33:24,279

for a lawyer

773

00:33:29,299 --> 00:33:27,130

yeah I mean this was was back you know I

774

00:33:32,070 --> 00:33:29,309

you know

775

00:33:34,320 --> 00:33:32,080

63 anyway so and then what happens like

776

00:33:35,610 --> 00:33:34,330

four days later on national TV is he's

777

00:33:37,139 --> 00:33:35,620

being moved from the Dallas Police

778

00:33:38,879 --> 00:33:37,149

Department and where they bring him to

779

00:33:39,299 --> 00:33:38,889

the State Police Headquarters or

780

00:33:42,990 --> 00:33:39,309

someplace

781

00:33:44,519 --> 00:33:43,000

yeah jail and this guy Jack Ruby comes

782

00:33:46,320 --> 00:33:44,529

out of nowhere and shoots them okay on

783

00:33:48,930 --> 00:33:46,330

live TV and I think that's free a lot of

784

00:33:50,940 --> 00:33:48,940

people are as well and people say well

785

00:33:53,430 --> 00:33:50,950

you know the way the mob hits people is

786

00:33:54,629 --> 00:33:53,440

they got a flunky to hit the guy and

787

00:33:56,159 --> 00:33:54,639

then you have someone hit the flunky

788

00:33:58,769 --> 00:33:56,169

right isn't that basically the end well

789

00:34:00,899 --> 00:33:58,779

there Paul sometimes so that's that's

790

00:34:02,759 --> 00:34:00,909

the standard so they figure well you

791

00:34:06,690 --> 00:34:02,769

know as well as the flunking here's the

792

00:34:07,440 --> 00:34:06,700

guy come lucky national TV but you know

793

00:34:09,839 --> 00:34:07,450

who knows okay

794

00:34:11,609 --> 00:34:09,849

but so his name was Jack Ruby but all

795

00:34:13,740 --> 00:34:11,619

they have to do is is look what he was

796

00:34:18,000 --> 00:34:13,750

doing like five minutes before he was at

797

00:34:19,680 --> 00:34:18,010

a place selling it sending a telegram of

798

00:34:21,510 --> 00:34:19,690

money the one of his strippers here in a

799

00:34:22,770 --> 00:34:21,520

strip club yeah and she was in the

800

00:34:24,419 --> 00:34:22,780

wallet she need a hundred bucks or

801
00:34:26,159 --> 00:34:24,429
something okay so he sent at the Western

802
00:34:28,079 --> 00:34:26,169
Union he's with his dog he's in love was

803
00:34:30,510 --> 00:34:28,089
dog one of these guys you know little

804
00:34:31,740 --> 00:34:30,520
poodle and he sees and he used to hang

805
00:34:33,540 --> 00:34:31,750
around the fleece station he sees some

806
00:34:36,089 --> 00:34:33,550
activity so he just goes down there he

807
00:34:38,250 --> 00:34:36,099
doesn't even know I mean you know who he

808
00:34:40,050 --> 00:34:38,260
is he doesn't know they move in Oswald

809
00:34:41,159 --> 00:34:40,060
you know I mean this this pictures of

810
00:34:43,050 --> 00:34:41,169
him in the background from the day

811
00:34:46,500 --> 00:34:43,060
before he was just hanging out at the

812
00:34:49,379 --> 00:34:46,510
police station know and he knew a lot of

813
00:34:52,050 --> 00:34:49,389

the cops and yeah he was just there he

814

00:34:53,430 --> 00:34:52,060

had the gun and bum you know I mean do

815

00:34:58,349 --> 00:34:53,440

you see anything more than that with

816

00:35:02,190 --> 00:34:58,359

Jack Ruby well no again he ruby is not

817

00:35:05,040 --> 00:35:02,200

very bright he's you know he's a failed

818

00:35:09,480 --> 00:35:05,050

businessman who now runs strip clubs and

819

00:35:11,640 --> 00:35:09,490

he's just a looky-loo wannabe and is

820

00:35:13,440 --> 00:35:11,650

this his 15 minutes of fame or does he

821

00:35:14,760 --> 00:35:13,450

just get so outraged that somebody's

822

00:35:16,260 --> 00:35:14,770

killed the president doesn't care

823

00:35:17,950 --> 00:35:16,270

whether it's guilty or not gonna make

824

00:35:20,260 --> 00:35:17,960

sure he gets great yeah

825

00:35:22,660 --> 00:35:20,270

you know yes I mostly had a had a thing

826

00:35:23,859 --> 00:35:22,670

for Jackie here that Joey there and yeah

827

00:35:27,160 --> 00:35:23,869

he was really in love with Jackie

828

00:35:28,569 --> 00:35:27,170

Onassis so so uh well anyway hey Paul

829

00:35:30,880 --> 00:35:28,579

you know it was really good to hear

830

00:35:32,470 --> 00:35:30,890

you know the expert point of view for

831

00:35:34,210 --> 00:35:32,480

something like this you know it's all

832

00:35:36,250 --> 00:35:34,220

very fishy you know you know it always

833

00:35:37,839 --> 00:35:36,260

in a normal thing it always will be

834

00:35:39,160 --> 00:35:37,849

unless I mean I don't know if there's

835

00:35:40,660 --> 00:35:39,170

you know there's supposedly there's I

836

00:35:42,730 --> 00:35:40,670

don't think I'll ever be an end game on

837

00:35:43,960 --> 00:35:42,740

I don't think there's any document

838

00:35:45,059 --> 00:35:43,970

that's gonna show you what actually

839

00:35:48,579 --> 00:35:45,069

happened

840

00:35:51,040 --> 00:35:48,589

even if Oswald came back from the dead

841

00:35:53,650 --> 00:35:51,050

yes and pulled you step-by-step exactly

842

00:35:54,760 --> 00:35:53,660

what happened explained everything there

843

00:35:58,660 --> 00:35:54,770

would still be people who didn't believe

844

00:36:00,069 --> 00:35:58,670

in other answers yeah yeah yep sure I

845

00:36:01,660 --> 00:36:00,079

mean really there will always be people

846

00:36:06,460 --> 00:36:01,670

questioned well how about this okay good

847

00:36:09,849 --> 00:36:06,470

show it yeah yeah maybe we can find

848

00:36:11,290 --> 00:36:09,859

somebody who can channel the dead hey

849

00:36:14,430 --> 00:36:11,300

actually we do

850

00:36:16,870 --> 00:36:14,440

yes I mean no one in particular yes

851

00:36:18,880 --> 00:36:16,880

anyway hey Paul

852

00:36:22,630 --> 00:36:18,890

once again mention your book I love this

853

00:36:24,940 --> 00:36:22,640

idea Thanks 52 weeks fifty-two Western

854

00:36:27,579 --> 00:36:24,950

novels you can obviously pick it up

855

00:36:29,410 --> 00:36:27,589

through Amazon it's a large size trade

856

00:36:32,440 --> 00:36:29,420

paperback with a beautiful color

857

00:36:33,970 --> 00:36:32,450

interior and cover and I I think that

858

00:36:36,420 --> 00:36:33,980

anybody who picks it up whether they're

859

00:36:38,950 --> 00:36:36,430

a western fan or neophyte will find

860

00:36:41,079 --> 00:36:38,960

something to like inside uh-huh and then

861

00:36:43,900 --> 00:36:41,089

fifty-two western movies coming soon

862

00:36:46,539 --> 00:36:43,910

yeah well we'll hopefully have that in

863

00:36:48,910 --> 00:36:46,549

the formatting stage by the end of

864

00:36:52,359 --> 00:36:48,920

December and so out in the early part of

865

00:36:55,510 --> 00:36:52,369

2018 okay the searches in there The

866

00:36:57,250 --> 00:36:55,520

Searchers is in this book oh really oh

867

00:36:59,410 --> 00:36:57,260

those are those were stinking from a

868

00:37:02,380 --> 00:36:59,420

novel by Allen LeMay oh did not know

869

00:37:05,470 --> 00:37:02,390

that Wow there hmm yeah that's also a

870

00:37:08,170 --> 00:37:05,480

cool movie yeah throw in our so because

871

00:37:09,430 --> 00:37:08,180

John Wayne has a very different role in

872

00:37:12,130 --> 00:37:09,440

that than anything else he ever played

873

00:37:14,680 --> 00:37:12,140

Yeah right yeah yeah and John Ford was

874

00:37:16,120 --> 00:37:14,690

the director right yeah okay first of

875

00:37:18,660 --> 00:37:16,130

all I don't think he wore a patch he was

876

00:37:21,280 --> 00:37:18,670

only one eye and he's the guy that

877

00:37:23,680 --> 00:37:21,290

almost a lot of his big westerns I've

878

00:37:24,270 --> 00:37:23,690

filmed in Monument Canyon and Utah were

879

00:37:27,360 --> 00:37:24,280

all those

880

00:37:31,440 --> 00:37:27,370

and a weird informations yeah you really

881

00:37:34,890 --> 00:37:31,450

think the law that's the West yeah it is

882

00:37:38,370 --> 00:37:34,900

the West their particular that just you

883

00:37:42,930 --> 00:37:38,380

know so much that the terrain just you

884

00:37:45,420 --> 00:37:42,940

know kind of blessed us it's sits okay

885

00:37:47,550 --> 00:37:45,430

so anyway so well thanks for joining us

886

00:37:49,620 --> 00:37:47,560

westerns are coming back I would love

887

00:37:52,590 --> 00:37:49,630

wedek terms ban yeah I love West I mean

888

00:37:56,250 --> 00:37:52,600

back in the day cowboys and Indians so

889

00:37:58,290 --> 00:37:56,260

yeah yeah right yeah yeah yeah there's

890

00:38:00,060 --> 00:37:58,300

not Fort Apache cowboys and Native

891

00:38:03,810 --> 00:38:00,070

American movies cowboys and Indians

892

00:38:07,250 --> 00:38:03,820

right now you can't do one anymore yeah

893

00:38:10,410 --> 00:38:07,260

it's too politically correct I mean it's

894

00:38:13,260 --> 00:38:10,420

that's what you play if you want to see

895

00:38:17,490 --> 00:38:13,270

a real like Western of its times is

896

00:38:20,580 --> 00:38:17,500

called she wore a yellow ribbon okay and

897

00:38:23,310 --> 00:38:20,590

it's really a Calvary movie you know it

898

00:38:25,200 --> 00:38:23,320

is really a demo it's it's just kind of

899

00:38:29,160 --> 00:38:25,210

strange you know they they march to the

900

00:38:31,050 --> 00:38:29,170

you know America to the national anthem

901

00:38:32,940 --> 00:38:31,060

and stuff it's it's really kind of corny

902

00:38:35,160 --> 00:38:32,950

in a way yeah but there's a lot of cool

903

00:38:36,870 --> 00:38:35,170

scenes in this Fort Apache was named so

904

00:38:38,490 --> 00:38:36,880

anyway hey listen Paul thanks for

905

00:38:41,010 --> 00:38:38,500

joining us okay taking the time

906

00:38:44,160 --> 00:38:41,020

do you have a good time in Europe yes I

907

00:38:47,550 --> 00:38:44,170

did great time in Europe which I hope to

908

00:38:51,630 --> 00:38:47,560

go back soon would you go went to

909

00:38:53,250 --> 00:38:51,640

Budapest Austria Germany and the Czech

910

00:38:56,220 --> 00:38:53,260

Republic so kind of an Eastern European

911

00:38:57,810 --> 00:38:56,230

tour this time around Wow oh we can get

912

00:39:01,580 --> 00:38:57,820

arrested or anything nothing

913

00:39:03,750 --> 00:39:01,590

no you're entertained okay

914

00:39:07,950 --> 00:39:03,760

thanks Paul thanks for joining us and

915

00:39:08,640 --> 00:39:07,960

well real soon okay Wow Paul Bishop man

916

00:39:10,260 --> 00:39:08,650

there you go

917

00:39:12,090 --> 00:39:10,270

yeah from the professional side of

918

00:39:13,950 --> 00:39:12,100

things you know very occasion here on

919

00:39:15,660 --> 00:39:13,960

the show all I guess the world travelers

920

00:39:17,310 --> 00:39:15,670

yeah you know it's funny one one is I'm

921

00:39:19,110 --> 00:39:17,320

looking at you I can see up the window I

922

00:39:21,470 --> 00:39:19,120

see flashes of light out there is it

923

00:39:24,330 --> 00:39:21,480

because of lightning you know it's no I

924

00:39:26,880 --> 00:39:24,340

into that window behind me maybe the

925

00:39:33,540 --> 00:39:26,890

buildings on fire she knows there you go

926

00:39:35,560 --> 00:39:33,550

there's a hero no he used to hunt in

927

00:39:38,120 --> 00:39:35,570

Russian subs now he's looking for

928

00:39:39,440 --> 00:39:38,130

that'll lose the touch anyway why don't

929

00:39:40,820 --> 00:39:39,450

we take a commercial break now you

930

00:39:42,290 --> 00:39:40,830

listening to make noise mill tracks well

931

00:39:45,370 --> 00:39:42,300

show here I'm a distant Thunder radio

932

00:39:48,580 --> 00:39:45,380

network we'll be right back after this

933

00:39:51,650 --> 00:39:48,590

America has lost World War three

934

00:39:55,100 --> 00:39:51,660

terrorists control the countryside air

935

00:39:59,579 --> 00:39:55,110

pirates rule our skies the United States

936

00:40:03,209 --> 00:40:02,160

but just when it seems like freedom is a

937

00:40:06,390 --> 00:40:03,219

thing of the past

938

00:40:08,400 --> 00:40:06,400

a new hero emerges from the ashes a true

939

00:40:10,920 --> 00:40:08,410

American who stands up for what's right

940

00:40:21,090 --> 00:40:10,930

a fighter pilot who could defeat any

941

00:40:26,370 --> 00:40:23,610

follow the adventures of pot hunter the

942

00:40:28,920 --> 00:40:26,380

wingman as he fights to revive the idea

943

00:40:31,320 --> 00:40:28,930

of America through 17 action-packed

944

00:40:34,350 --> 00:40:31,330

books hunter battles all those who would

945

00:40:36,810 --> 00:40:34,360

tread on old war in the air on the sea

946

00:40:38,880 --> 00:40:36,820

or on the ground his dream is to put the

947

00:40:42,390 --> 00:40:38,890

United States back together again and

948

00:40:43,920 --> 00:40:42,400

get laid a lot while he's doing it for

949

00:40:46,800 --> 00:40:43,930

some of the greatest aerial action

950

00:40:50,730 --> 00:40:46,810

you'll ever experience strapped in an

951
00:40:52,530 --> 00:40:50,740
old uh wingman by Mack Maloney now

952
00:40:59,540 --> 00:40:52,540
available for Kindles and nooks on

953
00:41:21,490 --> 00:41:19,530
[Music]

954
00:41:22,810 --> 00:41:21,500
welcome back everyone to Mack mommy's

955
00:41:25,150 --> 00:41:22,820
mill tracks I'll show here on the

956
00:41:27,310 --> 00:41:25,160
distant Thunder radio network make money

957
00:41:29,260 --> 00:41:27,320
in the studio with us tonight the very

958
00:41:30,040 --> 00:41:29,270
famous one one is yeah hello Mac how's

959
00:41:31,930 --> 00:41:30,050
it going so far

960
00:41:33,640 --> 00:41:31,940
okay so far so good I think who knows

961
00:41:35,800 --> 00:41:33,650
yeah you know this is a special we're

962
00:41:39,730 --> 00:41:35,810
doing on the JFK assassination we

963
00:41:42,520 --> 00:41:39,740

figured out it was 54 years 54 years ago

964

00:41:45,700 --> 00:41:42,530

okay as an event that really kind of

965

00:41:47,020 --> 00:41:45,710

changed how things were in this country

966

00:41:49,030 --> 00:41:47,030

frankly I think everything is a little

967

00:41:50,710 --> 00:41:49,040

bit innocent beforehand even though the

968

00:41:52,540 --> 00:41:50,720

Cuban Missile Crisis was like there was

969

00:41:53,980 --> 00:41:52,550

a sausage yeah that wasn't a lot of fun

970

00:41:58,030 --> 00:41:53,990

that was helping you practice your

971

00:41:59,650 --> 00:41:58,040

duck-and-cover yeah and but it was

972

00:42:01,540 --> 00:41:59,660

certainly the end of the 50s let's put

973

00:42:03,820 --> 00:42:01,550

it that way on candy getting shot JFK

974

00:42:06,670 --> 00:42:03,830

getting shot down in Dallas November

975

00:42:09,370 --> 00:42:06,680

22nd 1963 hey I was listening to music

976

00:42:11,170 --> 00:42:09,380

by the Four Seasons really at the time

977

00:42:13,240 --> 00:42:11,180

yeah sherry

978

00:42:15,250 --> 00:42:13,250

oh yeah yeah okay yeah that sounds about

979

00:42:20,050 --> 00:42:15,260

right yep

980

00:42:21,640 --> 00:42:20,060

on the on the line with us I know you

981

00:42:25,440 --> 00:42:21,650

know your arms and you know this thing

982

00:42:27,550 --> 00:42:25,450

was what don't tell me something focus

983

00:42:29,710 --> 00:42:27,560

focus you mean don't tell you something

984

00:42:38,650 --> 00:42:29,720

that it's gonna you know ruin my that's

985

00:42:42,670 --> 00:42:41,080

we decided today to that we're gonna get

986

00:42:47,610 --> 00:42:42,680

some kind of disclaimer to put at the

987

00:42:55,030 --> 00:42:52,540

really for some reason or something it's

988

00:42:59,860 --> 00:42:55,040

a long thing anyway on the phone with us

989

00:43:00,970 --> 00:42:59,870

going in from the bowler flakes up there

990

00:43:04,360 --> 00:43:00,980

in Michigan

991

00:43:09,880 --> 00:43:04,370

switch Arena switch presentation I

992

00:43:11,820 --> 00:43:09,890

enjoyed that one Steve Ward's this is

993

00:43:13,690 --> 00:43:11,830

the power man

994

00:43:17,470 --> 00:43:13,700

presentation that's really talking about

995

00:43:19,390 --> 00:43:17,480

right very well now that I've just had a

996

00:43:21,970 --> 00:43:19,400

wrestling magic Kent with Skype tonight

997

00:43:23,590 --> 00:43:21,980

okay yes right I'm wrestling I was just

998

00:43:25,030 --> 00:43:23,600

gonna say one one you know the script

999

00:43:27,070 --> 00:43:25,040

goes where Steve tells us now how

1000

00:43:28,069 --> 00:43:27,080

wonderful is I say how are you and he

1001

00:43:31,099 --> 00:43:28,079

tells us you know

1002

00:43:32,959 --> 00:43:31,109

he's beyond the vine or something so we

1003

00:43:34,910 --> 00:43:32,969

have to do it my writers don't have

1004

00:43:37,009 --> 00:43:34,920

something every week so we want we want

1005

00:43:38,209 --> 00:43:37,019

to keep the audience wondering is he

1006

00:43:40,640 --> 00:43:38,219

going to come up with another you know

1007

00:43:42,140 --> 00:43:40,650

classy or silly expression that way

1008

00:43:44,779 --> 00:43:42,150

you're saying you don't have anything

1009

00:43:45,759 --> 00:43:44,789

tonight it that's exactly what I'm

1010

00:43:47,809 --> 00:43:45,769

saying

1011

00:43:49,789 --> 00:43:47,819

but Emily might have something less

1012

00:43:53,059 --> 00:43:49,799

maybe Emily's got a good you know

1013

00:43:55,370 --> 00:43:53,069

tagline okay all right sounds a bit okay

1014

00:43:58,099 --> 00:43:55,380

hang on why don't we introduce the first

1015

00:43:59,420 --> 00:43:58,109

a good friend down there in Cincinnati

1016

00:44:04,190 --> 00:43:59,430

the fun capital of the world

1017

00:44:06,140 --> 00:44:04,200

Emily minimize hello I am doing better

1018

00:44:08,420 --> 00:44:06,150

than Steve Ward tonight Wow how about

1019

00:44:10,219 --> 00:44:08,430

that Steve are you know he's doing she's

1020

00:44:15,680 --> 00:44:10,229

doing better than you how does it make

1021

00:44:17,390 --> 00:44:15,690

you feel okay really yeah something

1022

00:44:19,130 --> 00:44:17,400

wrong well it's gonna go down the road

1023

00:44:27,709 --> 00:44:19,140

on why you feel better than sweat right

1024

00:44:30,199 --> 00:44:27,719

yeah just high in life yeah thank you

1025

00:44:32,089 --> 00:44:30,209

thank you very much Luther launched into

1026

00:44:34,689 --> 00:44:32,099

Skype I think tonight did tonight that

1027

00:44:39,090 --> 00:44:34,699

is true that's the main reason

1028

00:44:44,079 --> 00:44:39,100

Skype pictures fabulous you can't go on

1029

00:44:50,539 --> 00:44:46,400

well we can see if you was like this the

1030

00:44:55,579 --> 00:44:53,359

so anyway so let me just set up you know

1031

00:44:57,799 --> 00:44:55,589

really quick I mean the the JFK

1032

00:44:59,509 --> 00:44:57,809

assassination is brought in like so many

1033

00:45:01,189 --> 00:44:59,519

strange things you know the conspiracy

1034

00:45:03,410 --> 00:45:01,199

thing is weird enough okay and it just

1035

00:45:05,269 --> 00:45:03,420

goes on forever you know there never be

1036

00:45:07,039 --> 00:45:05,279

resolved you're right and who killed him

1037

00:45:09,259 --> 00:45:07,049

and why and how many gunmen and stuff

1038

00:45:12,259 --> 00:45:09,269

like that but there's a lot of really

1039

00:45:16,009 --> 00:45:12,269

strange kind of ancillary things if I

1040

00:45:20,120 --> 00:45:16,019

can unite ciliary right thank you know

1041

00:45:24,229 --> 00:45:22,370

like for instance three hobos were

1042

00:45:27,019 --> 00:45:24,239

arrested like shortly after the

1043

00:45:32,170 --> 00:45:27,029

assassination and one of them was Woody

1044

00:45:34,969 --> 00:45:32,180

Harrelson's father the actor yes

1045

00:45:37,969 --> 00:45:34,979

Nixon was in Dallas that day and so was

1046

00:45:41,300 --> 00:45:37,979

George W Bush like it seemed like he's a

1047

00:45:44,270 --> 00:45:42,890

and there's all kinds of really kind of

1048

00:45:46,310 --> 00:45:44,280

crazy stuff like that but there was a

1049

00:45:50,080 --> 00:45:46,320

story and I'm just gonna thumbnail the

1050

00:45:54,110 --> 00:45:50,090

UFO version in 1947 before the famous

1051
00:45:55,490 --> 00:45:54,120
flying saucer sighting by what's his

1052
00:45:57,050 --> 00:45:55,500
name who's his name they arrest you for

1053
00:45:58,760 --> 00:45:57,060
you know Kenneth Kenneth are kind of

1054
00:46:01,460 --> 00:45:58,770
found okay he's the guy who saw these

1055
00:46:02,960 --> 00:46:01,470
UFOs in and through the media

1056
00:46:05,900 --> 00:46:02,970
interviewing him they came up the word

1057
00:46:08,390 --> 00:46:05,910
flying saucer okay not exactly what he

1058
00:46:11,090 --> 00:46:08,400
saw saucer shape but he said something

1059
00:46:13,700 --> 00:46:11,100
like the sauce is skipping across a lake

1060
00:46:16,280 --> 00:46:13,710
and so they went with flying saucer so

1061
00:46:17,960 --> 00:46:16,290
um right before that there's up in

1062
00:46:20,120 --> 00:46:17,970
Spokane Washington there's a place

1063
00:46:22,340 --> 00:46:20,130

called Mari island and they do a lot of

1064

00:46:24,610 --> 00:46:22,350

lumber work up there you don't come down

1065

00:46:26,960 --> 00:46:24,620

trees and something and they then they

1066

00:46:29,780 --> 00:46:26,970

transported by water under you so anyway

1067

00:46:31,880 --> 00:46:29,790

and some of the trees was great away so

1068

00:46:35,690 --> 00:46:31,890

this guy had a business where he would

1069

00:46:37,580 --> 00:46:35,700

basically capture the runaway water swam

1070

00:46:41,420 --> 00:46:37,590

out to it well he had a boat yeah got a

1071

00:46:42,740 --> 00:46:41,430

boat and they would tow him okay and so

1072

00:46:45,680 --> 00:46:42,750

they were out there doing this with the

1073

00:46:48,140 --> 00:46:45,690

Sun and a dog and someone else and these

1074

00:46:49,580 --> 00:46:48,150

five doughnut-shaped UFOs now this is

1075

00:46:51,700 --> 00:46:49,590

before anyone really even thought about

1076

00:46:54,380 --> 00:46:51,710

UFOs but I'm good three weeks before

1077

00:46:55,820 --> 00:46:54,390

came right down on top of them okay and

1078

00:46:58,580 --> 00:46:55,830

we're hovering right over and they would

1079

00:47:01,730 --> 00:46:58,590

think Donuts don't oppose and so they is

1080

00:47:03,410 --> 00:47:01,740

this a sips so no it sounds like it they

1081

00:47:05,800 --> 00:47:03,420

go to this island mari island

1082

00:47:15,170 --> 00:47:05,810

all right and they're watching me

1083

00:47:23,090 --> 00:47:15,180

because so what now I want a donut we

1084

00:47:25,010 --> 00:47:23,100

should go get some so so anyway these

1085

00:47:26,960 --> 00:47:25,020

UFOs excreted like this stuff that they

1086

00:47:29,000 --> 00:47:26,970

called slag and it looks like you know

1087

00:47:30,470 --> 00:47:29,010

the the waste product of making steel

1088

00:47:32,510 --> 00:47:30,480

but they don't make steel anywhere I

1089

00:47:35,240 --> 00:47:32,520

know this place it's the lumber country

1090

00:47:37,010 --> 00:47:35,250

right it killed the dog and hit the dog

1091

00:47:39,740 --> 00:47:37,020

and he died and so on so the guy goes

1092

00:47:41,360 --> 00:47:39,750

back and first they didn't want to tell

1093

00:47:44,120 --> 00:47:41,370

anyone they had a meeting from the man

1094

00:47:45,590 --> 00:47:44,130

in black and it goes on and on and on in

1095

00:47:47,780 --> 00:47:45,600

the middle of all this there's this guy

1096

00:47:49,220 --> 00:47:47,790

named Fred Chrisman okay and he was that

1097

00:47:50,810 --> 00:47:49,230

guy's mother I can't remember the guys

1098

00:47:53,870 --> 00:47:50,820

name who it actually happened to do you

1099

00:47:56,410 --> 00:47:53,880

remember switch a Harold Dahl Harold

1100

00:47:59,810 --> 00:47:56,420

okay fredchristman was his boss right

1101
00:48:01,400 --> 00:47:59,820
well you know that's not clear you get a

1102
00:48:02,840 --> 00:48:01,410
lot of different sources on this but

1103
00:48:04,280 --> 00:48:02,850
they know they know each other and he

1104
00:48:07,700 --> 00:48:04,290
was he was a part of this whole thing

1105
00:48:09,320 --> 00:48:07,710
fredchristman later on I just wanted you

1106
00:48:11,180 --> 00:48:09,330
and then we'll get into it later on he

1107
00:48:13,130 --> 00:48:11,190
was called before the Committee on the

1108
00:48:14,510 --> 00:48:13,140
assassination of Kennedy yeah okay and

1109
00:48:15,980 --> 00:48:14,520
no one ever really knows why and I'm

1110
00:48:18,170 --> 00:48:15,990
thinking I don't think he went I think

1111
00:48:20,720 --> 00:48:18,180
the FBI gheymeh but I think it was Jane

1112
00:48:23,180 --> 00:48:20,730
I was James garrison right Louisiana

1113
00:48:26,300 --> 00:48:23,190

Attorney and supposedly there were some

1114

00:48:30,230 --> 00:48:26,310

photographs of somebody on in Dealey

1115

00:48:31,790 --> 00:48:30,240

Plaza that looked like Frank okay all

1116

00:48:33,980 --> 00:48:31,800

right so maybe that was a connection but

1117

00:48:35,360 --> 00:48:33,990

the thing is is like we hear about these

1118

00:48:37,040 --> 00:48:35,370

guys every once in a while these

1119

00:48:38,750 --> 00:48:37,050

characters that just kind of come and go

1120

00:48:40,190 --> 00:48:38,760

you know what I mean nondescript people

1121

00:48:42,110 --> 00:48:40,200

from out of nowhere right but it turns

1122

00:48:43,430 --> 00:48:42,120

out he was here at this certain time he

1123

00:48:44,960 --> 00:48:43,440

was here when this happened in that game

1124

00:48:46,490 --> 00:48:44,970

it's no it's the connection and you

1125

00:48:48,500 --> 00:48:46,500

can't really figure it out it's amazing

1126

00:48:49,970 --> 00:48:48,510

you can't really figure out so so is

1127

00:48:51,470 --> 00:48:49,980

that basic you want to just tell the

1128

00:48:53,300 --> 00:48:51,480

story the rest of the story the Mario

1129

00:48:55,400 --> 00:48:53,310

and uh you know meeting in the hotel and

1130

00:48:57,200 --> 00:48:55,410

all that's what you know it yeah it's

1131

00:48:59,510 --> 00:48:57,210

it's jump around a little bit here

1132

00:49:01,100 --> 00:48:59,520

there's I've got three major sources on

1133

00:49:04,460 --> 00:49:01,110

this and and I think Emily might have

1134

00:49:06,500 --> 00:49:04,470

some more okay John keel wrote a really

1135

00:49:10,070 --> 00:49:06,510

interesting article in anomaly magazine

1136

00:49:11,810 --> 00:49:10,080

once it really brings forth some kind of

1137

00:49:13,820 --> 00:49:11,820

makes sense of just being a conspiracy

1138

00:49:16,430 --> 00:49:13,830

some of the other information I got was

1139

00:49:17,990 --> 00:49:16,440

from Jerome Clark out of streams guys

1140

00:49:18,550 --> 00:49:18,000

that of my favorite I thought he's the

1141

00:49:22,010 --> 00:49:18,560

best

1142

00:49:25,070 --> 00:49:22,020

Clark thinks that a lot of it was a hoax

1143

00:49:27,200 --> 00:49:25,080

and then it also went through you know

1144

00:49:29,240 --> 00:49:27,210

Kenneth Arnold himself he co-wrote a

1145

00:49:31,100 --> 00:49:29,250

book with Ray Palmer will talk about Ray

1146

00:49:32,960 --> 00:49:31,110

Palmer to second called coming of the

1147

00:49:36,110 --> 00:49:32,970

saucers and Kenneth Arnold gives the

1148

00:49:37,430 --> 00:49:36,120

whole rendition of everything that

1149

00:49:41,840 --> 00:49:37,440

happened from beginning to end because

1150

00:49:45,020 --> 00:49:41,850

what happened was Ray Palmer who was the

1151
00:49:48,110 --> 00:49:45,030
editor of amazing stories back then got

1152
00:49:49,700 --> 00:49:48,120
a message from fredchristman about this

1153
00:49:51,890 --> 00:49:49,710
incident about these supposedly

1154
00:49:53,900 --> 00:49:51,900
doughnut-shaped objects over Maury

1155
00:49:56,780 --> 00:49:53,910
island and to drop the Schlage Braun

1156
00:49:58,490 --> 00:49:56,790
came and so Ray Palmer got a hold of

1157
00:50:01,220 --> 00:49:58,500
Kenneth Arnold on the wake of his

1158
00:50:02,330 --> 00:50:01,230
sighting and said here's a warrior II

1159
00:50:04,160 --> 00:50:02,340
some money would you go out and

1160
00:50:06,290 --> 00:50:04,170
investigate this to Washington state so

1161
00:50:07,040 --> 00:50:06,300
Kenneth Adams was the reporter for the

1162
00:50:08,420 --> 00:50:07,050
magazine

1163
00:50:10,130 --> 00:50:08,430

this thing if you can imagine he

1164

00:50:12,110 --> 00:50:10,140

probably got to be the first reporting

1165

00:50:14,000 --> 00:50:12,120

job you've had but they paid him so he

1166

00:50:15,800 --> 00:50:14,010

went and did it go ahead please right he

1167

00:50:21,260 --> 00:50:15,810

he became interested in what was going

1168

00:50:22,820 --> 00:50:21,270

on and it was all kinds of when you read

1169

00:50:24,530 --> 00:50:22,830

these different accounts it's craziness

1170

00:50:26,120 --> 00:50:24,540

all kinds of conflicts and it's very

1171

00:50:30,230 --> 00:50:26,130

very difficult to sort through what's

1172

00:50:33,110 --> 00:50:30,240

real mm-hmm okay now see originally I

1173

00:50:35,270 --> 00:50:33,120

thought that the story was BS I thought

1174

00:50:37,610 --> 00:50:35,280

that they fabricated the story about the

1175

00:50:40,100 --> 00:50:37,620

donuts because I think it was that part

1176

00:50:42,440 --> 00:50:40,110

was actually reported after Kenneth

1177

00:50:44,360 --> 00:50:42,450

Arnold sighting and they simply said you

1178

00:50:46,160 --> 00:50:44,370

know this this incident happened among

1179

00:50:47,510 --> 00:50:46,170

days before Yeah right a few weeks

1180

00:50:49,130 --> 00:50:47,520

before right it might have been even a

1181

00:50:51,350 --> 00:50:49,140

few days before right I think it was

1182

00:50:53,120 --> 00:50:51,360

just a few days but anyway but also now

1183

00:50:55,640 --> 00:50:53,130

but there still may be some truth to it

1184

00:50:57,740 --> 00:50:55,650

because supposedly Ray Palmer the editor

1185

00:51:00,470 --> 00:50:57,750

of amazing stories got ahold of some

1186

00:51:02,300 --> 00:51:00,480

hospital records that prove that hair of

1187

00:51:05,390 --> 00:51:02,310

dolls son was injured in them in the

1188

00:51:08,330 --> 00:51:05,400

hospital right okay yes now John keel

1189

00:51:10,070 --> 00:51:08,340

believes that they they weren't

1190

00:51:12,560 --> 00:51:10,080

donut-shaped objects that a couple of

1191

00:51:14,510 --> 00:51:12,570

aircraft probably went over one may have

1192

00:51:16,430 --> 00:51:14,520

gotten in trouble and they jumped this

1193

00:51:21,200 --> 00:51:16,440

radioactive slag that they were trying

1194

00:51:24,830 --> 00:51:21,210

to get rid of okay I gotta find the he

1195

00:51:27,560 --> 00:51:24,840

was a the Atomic Energy Commission AEC

1196

00:51:30,010 --> 00:51:27,570

they had a metallurgical plant at

1197

00:51:32,090 --> 00:51:30,020

Hanford Washington and they were

1198

00:51:34,340 --> 00:51:32,100

processing plutonium at the time

1199

00:51:37,310 --> 00:51:34,350

according to Kiel sources and they were

1200

00:51:38,690 --> 00:51:37,320

creating radioactive waste he says that

1201
00:51:41,060 --> 00:51:38,700
at the time they were going out and

1202
00:51:43,910 --> 00:51:41,070
dumping this waste in in the ocean in

1203
00:51:46,670 --> 00:51:43,920
into various bodies of water he thinks

1204
00:51:48,140 --> 00:51:46,680
that one of these aircraft ran into

1205
00:51:49,760 --> 00:51:48,150
trouble and actually dropped some of the

1206
00:51:53,390 --> 00:51:49,770
stuff in a Maury island and may in fact

1207
00:51:55,010 --> 00:51:53,400
have dropped it on Herald dolls boat now

1208
00:51:56,900 --> 00:51:55,020
Jerome Clark thinks that the whole thing

1209
00:51:58,400 --> 00:51:56,910
was bogus and that you know nothing ever

1210
00:52:00,830 --> 00:51:58,410
happened there so now I get that

1211
00:52:03,980 --> 00:52:00,840
conflict but at least with this this

1212
00:52:05,930 --> 00:52:03,990
radioactive slag actually have no reason

1213
00:52:08,230 --> 00:52:05,940

for that because when you and I have

1214

00:52:12,070 --> 00:52:08,240

talked about this before Mac about the

1215

00:52:15,970 --> 00:52:12,080

crazy links that if it's a hoax that

1216

00:52:18,560 --> 00:52:15,980

Chrisman and Dahl went through to to

1217

00:52:20,420 --> 00:52:18,570

perpetrate this hoax right they they

1218

00:52:22,540 --> 00:52:20,430

even

1219

00:52:25,370 --> 00:52:22,550

when Kenneth Arnold first got there

1220

00:52:25,820 --> 00:52:25,380

there was a hotel ready for him in my

1221

00:52:28,100 --> 00:52:25,830

name

1222

00:52:34,220 --> 00:52:28,110

I wasn't even planning on and going into

1223

00:52:37,100 --> 00:52:34,230

yes I also well they got a hotel room in

1224

00:52:39,770 --> 00:52:37,110

the in the principles for the whole kind

1225

00:52:42,290 --> 00:52:39,780

of situation sat in this room and they

1226
00:52:45,440 --> 00:52:42,300
did they're telling Kenneth Ahnold their

1227
00:52:48,920 --> 00:52:45,450
story and the phone rings and it's the

1228
00:52:51,050 --> 00:52:48,930
editor of a newspaper close by he says I

1229
00:52:52,700 --> 00:52:51,060
have a guy on the other on the other

1230
00:52:54,020 --> 00:52:52,710
phone whose tell me exactly what you

1231
00:52:56,510 --> 00:52:54,030
people are talking about

1232
00:52:57,350 --> 00:52:56,520
okay so we're and and Kenneth on Jose

1233
00:52:59,810 --> 00:52:57,360
well well well

1234
00:53:02,330 --> 00:52:59,820
so then just just to kind of shorten it

1235
00:53:06,200 --> 00:53:02,340
to the air for somehow gets involved who

1236
00:53:09,040 --> 00:53:06,210
called the Air Force do we know it was

1237
00:53:12,080 --> 00:53:09,050
brown and Davidson to Air Force

1238
00:53:13,580 --> 00:53:12,090

intelligence agents showed up at the

1239

00:53:15,590 --> 00:53:13,590

time I'm not sure who originally

1240

00:53:17,480 --> 00:53:15,600

contacted him but it was apparently was

1241

00:53:19,490 --> 00:53:17,490

no secret when Kenneth Arnold first

1242

00:53:20,570 --> 00:53:19,500

showed up in Washington that's what they

1243

00:53:22,250 --> 00:53:20,580

know they showed up then and they

1244

00:53:25,010 --> 00:53:22,260

basically say what right if there's

1245

00:53:26,420 --> 00:53:25,020

anything you find anything important you

1246

00:53:28,940 --> 00:53:26,430

know you can call us here's this phone

1247

00:53:31,340 --> 00:53:28,950

number and so forth and so much to

1248

00:53:32,630 --> 00:53:31,350

Kenneth Arnold's regret later on when

1249

00:53:34,880 --> 00:53:32,640

they got ahold of some of the supposed

1250

00:53:37,760 --> 00:53:34,890

slag right he did call them and bring

1251
00:53:39,230 --> 00:53:37,770
them back in of course so these guys we

1252
00:53:41,240 --> 00:53:39,240
should say these two guys they come to

1253
00:53:43,070 --> 00:53:41,250
the hotel room okay and now they're

1254
00:53:45,350 --> 00:53:43,080
talking in the same reporter gets a

1255
00:53:47,000 --> 00:53:45,360
college says I can I can I can hear I

1256
00:53:48,290 --> 00:53:47,010
can tell you exactly what their time but

1257
00:53:49,610 --> 00:53:48,300
no one ever figure out who called the

1258
00:53:51,500 --> 00:53:49,620
newspaper okay

1259
00:53:53,180 --> 00:53:51,510
but obviously he wanted to know he

1260
00:53:53,720 --> 00:53:53,190
wanted them to know that the place was

1261
00:53:56,720 --> 00:53:53,730
bugged

1262
00:53:59,300 --> 00:53:56,730
so the two intelligence officers who

1263
00:54:01,640 --> 00:53:59,310

were also pilots are in a b25 this is

1264

00:54:04,610 --> 00:54:01,650

you know 1947 they take some of the slag

1265

00:54:06,260 --> 00:54:04,620

and they get back to they be twenty five

1266

00:54:08,090 --> 00:54:06,270

they're gonna fly back to California

1267

00:54:11,150 --> 00:54:08,100

because it's it's very close to the day

1268

00:54:12,800 --> 00:54:11,160

where the USAF war started from the Army

1269

00:54:15,590 --> 00:54:12,810

Air Force of the US Air Force in a big

1270

00:54:17,330 --> 00:54:15,600

ceremony right their plane crashes in

1271

00:54:18,920 --> 00:54:17,340

both of them get killed you know I think

1272

00:54:19,460 --> 00:54:18,930

the Cobras on with us now you didn't

1273

00:54:23,540 --> 00:54:19,470

think Kobe

1274

00:54:25,490 --> 00:54:23,550

I am so anyway so yeah so now these two

1275

00:54:26,690 --> 00:54:25,500

guys died so after that that kind of

1276
00:54:28,550 --> 00:54:26,700
freak though Kenneth on of them I think

1277
00:54:29,960 --> 00:54:28,560
that's when he you decide you know I'm

1278
00:54:31,580 --> 00:54:29,970
getting outta this is like really nuts

1279
00:54:33,440 --> 00:54:31,590
and let's face it he's gonna make

1280
00:54:34,700 --> 00:54:33,450
hundred bucks from this odd

1281
00:54:37,819 --> 00:54:34,710
go for this magazine that would have

1282
00:54:40,400 --> 00:54:37,829
been a lot for the 40s okay he he gets

1283
00:54:42,470 --> 00:54:40,410
in his plane and takes off and boom

1284
00:54:44,270 --> 00:54:42,480
almost if someone has scooter on his

1285
00:54:46,790 --> 00:54:44,280
carburetor and what happened was he

1286
00:54:48,380 --> 00:54:46,800
stopped for a refueling stop and barely

1287
00:54:50,359 --> 00:54:48,390
left him if he's paranoid by this time

1288
00:54:53,870 --> 00:54:50,369

so he barely leaves his plane you know

1289

00:54:55,670 --> 00:54:53,880

but then he takes off he avoids say he

1290

00:54:57,650 --> 00:54:55,680

has a crash landing but he avoids injury

1291

00:55:01,040 --> 00:54:57,660

he finds not somebody turned off the

1292

00:55:02,569 --> 00:55:01,050

fuel valve okay you know so when he

1293

00:55:05,060 --> 00:55:02,579

pretty first got there he gets a hold of

1294

00:55:07,910 --> 00:55:05,070

Harold Dahl Harold Dahl seems to be very

1295

00:55:09,890 --> 00:55:07,920

reluctant I I I'm not sure that doll and

1296

00:55:11,660 --> 00:55:09,900

Chrisman were originally friends I'm

1297

00:55:14,180 --> 00:55:11,670

thinking that fredchristman somehow

1298

00:55:17,390 --> 00:55:14,190

interjected himself in this and it was

1299

00:55:20,839 --> 00:55:17,400

kind of staged right Dahl takes Kenneth

1300

00:55:23,420 --> 00:55:20,849

Arnold to this house where his secretary

1301

00:55:25,280 --> 00:55:23,430

is and his office is right and it just a

1302

00:55:28,310 --> 00:55:25,290

normal house on the corner somewhere in

1303

00:55:29,540 --> 00:55:28,320

the middle of nowhere and you see some

1304

00:55:31,460 --> 00:55:29,550

of this suppose like they're in the

1305

00:55:33,500 --> 00:55:31,470

talks and then things progress and then

1306

00:55:36,200 --> 00:55:33,510

he meets fredchristman and then later on

1307

00:55:37,670 --> 00:55:36,210

and when he gets another eye one of his

1308

00:55:41,180 --> 00:55:37,680

Air Force friends I think a guy who

1309

00:55:43,550 --> 00:55:41,190

called Smitty involved they go back but

1310

00:55:45,319 --> 00:55:43,560

after all this you know has happened and

1311

00:55:47,480 --> 00:55:45,329

the and the two intelligence agents are

1312

00:55:49,220 --> 00:55:47,490

dead in the plane they go back to this

1313

00:55:51,620 --> 00:55:49,230

house and it's just like in the movies

1314

00:55:52,730 --> 00:55:51,630

it's empty there's nobody there there's

1315

00:55:54,650 --> 00:55:52,740

no one furniture in there

1316

00:55:56,329 --> 00:55:54,660

in fact he I mean he was just been there

1317

00:55:59,210 --> 00:55:56,339

a couple days before right he looked at

1318

00:56:01,220 --> 00:55:59,220

the door and there's cobwebs there yeah

1319

00:56:02,870 --> 00:56:01,230

he's freaking out like he knows this is

1320

00:56:05,089 --> 00:56:02,880

the same house he said it's even the

1321

00:56:06,710 --> 00:56:05,099

same squeak on the porch that he walked

1322

00:56:09,230 --> 00:56:06,720

up yeah I mean how weird is that

1323

00:56:11,390 --> 00:56:09,240

and then and then then the FBI gets

1324

00:56:14,000 --> 00:56:11,400

involved okay and this in j.edgar is you

1325

00:56:17,089 --> 00:56:14,010

know a head of the FBI this way and his

1326

00:56:18,800 --> 00:56:17,099

mate they came upon like cables that his

1327

00:56:20,359 --> 00:56:18,810

agent sent to him and they're saying you

1328

00:56:22,550 --> 00:56:20,369

know this looks like this is really on

1329

00:56:25,339 --> 00:56:22,560

the up-and-up these people saw this you

1330

00:56:26,660 --> 00:56:25,349

know and and and JJ Hoover wrote back he

1331

00:56:28,460 --> 00:56:26,670

says you know this this sounds like a

1332

00:56:30,410 --> 00:56:28,470

legitimate UFO thing flying saw

1333

00:56:34,880 --> 00:56:30,420

something so he was on board okay

1334

00:56:36,260 --> 00:56:34,890

and um you know and then this Fed

1335

00:56:37,849 --> 00:56:36,270

Chrisman guys so then he kind of

1336

00:56:40,339 --> 00:56:37,859

disappears all right and it kind of

1337

00:56:42,380 --> 00:56:40,349

blows over in a way he disappears and

1338

00:56:44,120 --> 00:56:42,390

then I don't know it must been sometime

1339

00:56:46,130 --> 00:56:44,130
after 63 where they stopped the

1340

00:56:46,670 --> 00:56:46,140
committee on the assassinated JFK boom

1341

00:56:51,890 --> 00:56:46,680
who's on

1342

00:56:54,920 --> 00:56:51,900
fredchristman character I mean it's and

1343

00:56:57,650 --> 00:56:54,930
he had changed his name to John Gould

1344

00:57:00,200 --> 00:56:57,660
he was a on a radio station out in

1345

00:57:02,510 --> 00:57:00,210
Washington State for a while and as a

1346

00:57:07,880 --> 00:57:02,520
muckraker holiday oh boy

1347

00:57:09,050 --> 00:57:07,890
but oh that around hey listen Emily what

1348

00:57:12,260 --> 00:57:09,060
do you have on any of us

1349

00:57:15,470 --> 00:57:12,270
oh man I'm leaving most of this one to

1350

00:57:18,860 --> 00:57:15,480
Steve tonight I did I know more about

1351

00:57:24,020 --> 00:57:18,870

the the JFK assassination which

1352

00:57:25,310 --> 00:57:24,030

conspiracies then there's no way of that

1353

00:57:37,460 --> 00:57:25,320

you were alive when this happened

1354

00:57:39,320 --> 00:57:37,470

correct so so when you look back then as

1355

00:57:40,850 --> 00:57:39,330

someone who you know wasn't around I

1356

00:57:42,500 --> 00:57:40,860

wasn't around either the one one was

1357

00:57:52,520 --> 00:57:42,510

already an elderly man when it happened

1358

00:57:56,360 --> 00:57:52,530

on the school thank you see 63 22 15

1359

00:57:57,950 --> 00:57:56,370

okay I was I was in sixth grade when we

1360

00:58:00,350 --> 00:57:57,960

were in class and one of the janitors

1361

00:58:02,060 --> 00:58:00,360

came in and heard it on the radio yeah

1362

00:58:03,470 --> 00:58:02,070

yeah the same thing you know it means

1363

00:58:06,350 --> 00:58:03,480

it's a freshman in high school coming

1364

00:58:08,780 --> 00:58:06,360

home on the bus really yeah okay so so

1365

00:58:10,190 --> 00:58:08,790

Emily now you yeah yeah you're looking

1366

00:58:12,530 --> 00:58:10,200

at it from a different perspective from

1367

00:58:17,870 --> 00:58:12,540

us all right from us geezers

1368

00:58:19,790 --> 00:58:17,880

yeah can you can you can you appreciate

1369

00:58:21,440 --> 00:58:19,800

you know what it did do you know what I

1370

00:58:23,020 --> 00:58:21,450

mean because you didn't you you know

1371

00:58:26,660 --> 00:58:23,030

didn't know what was like before him

1372

00:58:29,060 --> 00:58:26,670

sure oh absolutely and I've always been

1373

00:58:31,190 --> 00:58:29,070

into history that's actually what I

1374

00:58:32,930 --> 00:58:31,200

tried to go to college to be only to

1375

00:58:35,840 --> 00:58:32,940

realize that I probably couldn't find a

1376

00:58:38,960 --> 00:58:35,850

job so I did it right I've always loved

1377

00:58:40,910 --> 00:58:38,970

history so I've definitely researched it

1378

00:58:43,220 --> 00:58:40,920

quite a bit but only from what they tell

1379

00:58:46,520 --> 00:58:43,230

you in the history books it wasn't until

1380

00:58:48,860 --> 00:58:46,530

I was you know probably late in my 20s

1381

00:58:50,780 --> 00:58:48,870

that I ever heard much about the

1382

00:58:53,720 --> 00:58:50,790

different conspiracy theories behind it

1383

00:58:57,950 --> 00:58:53,730

okay late in the twenties while I must

1384

00:58:59,960 --> 00:58:57,960

happen last week it's exactly I mean

1385

00:59:00,980 --> 00:58:59,970

from that perspective I mean what does

1386

00:59:03,290 --> 00:59:00,990

it look like to you

1387

00:59:07,670 --> 00:59:03,300

does it look like a conspiracy does it

1388

00:59:10,310 --> 00:59:07,680

look like the lone gunman I don't think

1389

00:59:12,920 --> 00:59:10,320

it looks like a lone gunman and you know

1390

00:59:15,859 --> 00:59:12,930

I haven't done a ton of research into

1391

00:59:19,280 --> 00:59:15,869

alternate theories of it but to me it

1392

00:59:20,540 --> 00:59:19,290

just seems so I don't know it doesn't

1393

00:59:21,950 --> 00:59:20,550

seem like it could have happened with a

1394

00:59:25,040 --> 00:59:21,960

location where the bullets went in

1395

00:59:28,160 --> 00:59:25,050

seemed it could occur on the same just

1396

00:59:30,290 --> 00:59:28,170

that part alone so so how about JFK

1397

00:59:33,790 --> 00:59:30,300

himself okay you obviously seen pictures

1398

00:59:36,360 --> 00:59:33,800

and video and of him yeah was he hunky

1399

00:59:55,300 --> 00:59:36,370

[Laughter]

1400

00:59:59,720 --> 00:59:57,830

who had some of the fun either albums

1401

01:00:01,460 --> 00:59:59,730

the first video yeah man they still

1402

01:00:03,200 --> 01:00:01,470

around yeah well there was a comedian

1403

01:00:05,330 --> 01:00:03,210

named Juan Mita and he kind of looked

1404

01:00:07,820 --> 01:00:05,340

like Kennedy with something and he

1405

01:00:09,140 --> 01:00:07,830

sounded exactly like them and and they

1406

01:00:13,250 --> 01:00:09,150

put up I think he's just got the first

1407

01:00:14,450 --> 01:00:13,260

family to yeah everybody had that it was

1408

01:00:17,000 --> 01:00:14,460

really kind of strange

1409

01:00:18,410 --> 01:00:17,010

beside my bob newhart records yeah Bob

1410

01:00:21,620 --> 01:00:18,420

knew how do you say people meaning just

1411

01:00:26,750 --> 01:00:21,630

put up vinyl albums back they competed

1412

01:00:30,650 --> 01:00:29,030

one meter must have said after he read

1413

01:00:37,280 --> 01:00:30,660

Kenny gets shot and killed him as a bang

1414

01:00:42,920 --> 01:00:37,290

that goes the gig so um well we've heard

1415

01:00:45,560 --> 01:00:42,930

from a child okay and she was John

1416

01:00:45,859 --> 01:00:45,570

Lennon got shot don't say that don't say

1417

01:00:52,160 --> 01:00:45,869

that

1418

01:00:56,240 --> 01:00:52,170

1980s because my birthday was yesterday

1419

01:00:58,700 --> 01:00:56,250

so I probably was around Oh 1980 all

1420

01:01:01,210 --> 01:00:58,710

right well okay you didn't get our

1421

01:01:05,810 --> 01:01:01,220

birthday card yet then oh I'm thinking I

1422

01:01:07,099 --> 01:01:05,820

did not it's in the mail so sorry the

1423

01:01:08,690 --> 01:01:07,109

whole thing about the whole tree F key

1424

01:01:10,820 --> 01:01:08,700

thing in nether Cobras here you know we

1425

01:01:13,400 --> 01:01:10,830

want to hear his take on it but like you

1426
01:01:13,609 --> 01:01:13,410
know for something to have happened all

1427
01:01:16,310 --> 01:01:13,619
right

1428
01:01:18,830 --> 01:01:16,320
so many weird little stories happened

1429
01:01:20,599 --> 01:01:18,840
around it so many strange things that

1430
01:01:22,910 --> 01:01:20,609
people cannot figure out you know like I

1431
01:01:24,650 --> 01:01:22,920
say one of them how did as well go from

1432
01:01:26,599 --> 01:01:24,660
the Book Depository building took

1433
01:01:28,790 --> 01:01:26,609
crosstown where he shoots like a jet

1434
01:01:30,740 --> 01:01:28,800
pack or something no one can tell ya no

1435
01:01:32,510 --> 01:01:30,750
one knows if someone drove him that's a

1436
01:01:34,430 --> 01:01:32,520
conspiracy you know but why would they

1437
01:01:36,530 --> 01:01:34,440
drop him off well why did he kill the

1438
01:01:38,330 --> 01:01:36,540

cop if you have the cab it wouldn't be a

1439

01:01:39,920 --> 01:01:38,340

conspiracy with the cab guy no but they

1440

01:01:42,650 --> 01:01:39,930

could win the cab company come forward

1441

01:01:44,270 --> 01:01:42,660

and say look at I drove them you know

1442

01:01:48,080 --> 01:01:44,280

look at his face

1443

01:01:50,300 --> 01:01:48,090

I don't know never came back yeah did

1444

01:01:53,000 --> 01:01:50,310

you guys ever hear the taped confession

1445

01:01:55,580 --> 01:01:53,010

ee-ha work hunt that his son brought

1446

01:01:57,830 --> 01:01:55,590

forward no a few years ago it was on lan

1447

01:02:00,230 --> 01:01:57,840

Punnett had him on coast to coast am on

1448

01:02:02,510 --> 01:02:00,240

the weekend mm-hmm and it was a Howard

1449

01:02:04,040 --> 01:02:02,520

hunt son came on with a it was kind of a

1450

01:02:06,410 --> 01:02:04,050

deathbed confession because he was very

1451

01:02:09,050 --> 01:02:06,420

ill that said you know several shooters

1452

01:02:10,910 --> 01:02:09,060

and that the you know he that they

1453

01:02:12,950 --> 01:02:10,920

thought he was a loose cannon Kennedy

1454

01:02:14,570 --> 01:02:12,960

certain factions of the government and

1455

01:02:18,740 --> 01:02:14,580

they plan to do away with them claimed

1456

01:02:20,540 --> 01:02:18,750

claimed that that Johnson knew about it

1457

01:02:21,800 --> 01:02:20,550

but didn't plan it man

1458

01:02:23,480 --> 01:02:21,810

that was you know he said there was I

1459

01:02:24,980 --> 01:02:23,490

don't know two or three shooters and

1460

01:02:26,900 --> 01:02:24,990

actually it's not a ball though you know

1461

01:02:28,970 --> 01:02:26,910

I used to tune out of the the Kennedy

1462

01:02:31,010 --> 01:02:28,980

stuff because it was so kind of alluded

1463

01:02:33,470 --> 01:02:31,020

and there were so many different claims

1464

01:02:35,570 --> 01:02:33,480

but that actually sounded like it might

1465

01:02:37,730 --> 01:02:35,580

actually be valid see how it had been

1466

01:02:39,740 --> 01:02:37,740

when the Watergate burglars who went to

1467

01:02:41,480 --> 01:02:39,750

jail and you know they tried to

1468

01:02:43,790 --> 01:02:41,490

blackmail Nixon and brought Nixon down

1469

01:02:45,380 --> 01:02:43,800

so he's one of he's another guy he's one

1470

01:02:46,880 --> 01:02:45,390

these guys had shows up he was down in

1471

01:02:49,970 --> 01:02:46,890

Cuba he was doing this he was doing that

1472

01:02:52,190 --> 01:02:49,980

he wrote like about 20 novels to believe

1473

01:02:56,450 --> 01:02:52,200

it or not in this bedtime work for the

1474

01:02:58,310 --> 01:02:56,460

CIA and they're interesting collection

1475

01:03:00,070 --> 01:02:58,320

of work there yeah this gentleman and

1476

01:03:03,650 --> 01:03:00,080

then during Watergate

1477

01:03:05,570 --> 01:03:03,660

they had given his wife like \$50,000 of

1478

01:03:07,550 --> 01:03:05,580

a hush money she was carrying the hush

1479

01:03:08,690 --> 01:03:07,560

money to flour to something of a plane

1480

01:03:10,340 --> 01:03:08,700

crash you get killed

1481

01:03:12,200 --> 01:03:10,350

and all the morning just like bromine

1482

01:03:14,480 --> 01:03:12,210

disappeared and everyone is like yeah

1483

01:03:17,210 --> 01:03:14,490

you know I mean that's crazy but you

1484

01:03:18,770 --> 01:03:17,220

know did it happened so you can't make

1485

01:03:20,390 --> 01:03:18,780

that stuff out right yeah that's what I

1486

01:03:24,110 --> 01:03:20,400

mean that's like just so many anyway

1487

01:03:26,180 --> 01:03:24,120

call but just tell us take Emily to look

1488

01:03:27,440 --> 01:03:26,190

at the comment section I have sent her a

1489

01:03:30,710 --> 01:03:27,450

collective

1490

01:03:32,030 --> 01:03:30,720

birthday greeting from us Oh so if you

1491

01:03:39,260 --> 01:03:32,040

open up your little comment box you'll

1492

01:03:42,470 --> 01:03:39,270

see that on Sky today do a sweet little

1493

01:03:46,580 --> 01:03:42,480

girl I gotta call your call sign will be

1494

01:03:49,850 --> 01:03:46,590

cupcake from now on yes yesterday was

1495

01:03:51,680 --> 01:03:49,860

her birthday so Mac you know I grew up

1496

01:03:54,230 --> 01:03:51,690

in a household that had a picture of JFK

1497

01:03:57,530 --> 01:03:54,240

and Sinatra pretty much on the same

1498

01:04:01,640 --> 01:03:57,540

level and I thought oh I was and Jesus

1499

01:04:03,380 --> 01:04:01,650

was in the middle yeah yes yes was there

1500

01:04:07,640 --> 01:04:03,390

any was there any way other than that

1501

01:04:09,860 --> 01:04:07,650

and was usually the cross the Jesus

1502

01:04:12,620 --> 01:04:09,870

picture and the in the in the bedroom

1503

01:04:17,420 --> 01:04:12,630

was the one when he's in the garden

1504

01:04:18,980 --> 01:04:17,430

before all classic we have the last

1505

01:04:22,610 --> 01:04:18,990

supper in the dining he's kneeling there

1506

01:04:24,170 --> 01:04:22,620

taking a break so to me growing up in

1507

01:04:27,020 --> 01:04:24,180

that kind of the mystique being very

1508

01:04:29,600 --> 01:04:27,030

very young you know basically a toddler

1509

01:04:31,670 --> 01:04:29,610

baby kind of thing you grow up hearing

1510

01:04:34,850 --> 01:04:31,680

about this how incredible this guy is

1511

01:04:37,640 --> 01:04:34,860

was and all the stuff in the Camelot all

1512

01:04:39,650 --> 01:04:37,650

that kind stuff and then like Emily the

1513

01:04:41,030 --> 01:04:39,660

college year they start to get the you

1514

01:04:44,300 --> 01:04:41,040

know some of the veneer starts to come

1515

01:04:46,430 --> 01:04:44,310

off and his freaking brother that was a

1516

01:04:49,700 --> 01:04:46,440

senator from my state was something less

1517

01:04:54,070 --> 01:04:49,710

than exemplary in many areas and it's

1518

01:04:57,590 --> 01:04:54,080

just a very interesting peel back on

1519

01:04:59,660 --> 01:04:57,600

what his presidency was and I have

1520

01:05:02,140 --> 01:04:59,670

always looked at it what was going on

1521

01:05:05,090 --> 01:05:02,150

what was he doing that would make it

1522

01:05:08,150 --> 01:05:05,100

desirable to take him out what what kind

1523

01:05:10,190 --> 01:05:08,160

of changes what kinds of things were he

1524

01:05:12,680 --> 01:05:10,200

throwing in there if you just take a

1525

01:05:14,150 --> 01:05:12,690

cursory look at all the stuff that's

1526

01:05:16,610 --> 01:05:14,160

thrown there and obviously there's a ton

1527

01:05:18,710 --> 01:05:16,620

of disinformation there is no possible

1528

01:05:21,950 --> 01:05:18,720

way that you can point with any kind of

1529

01:05:24,200 --> 01:05:21,960

more than 10% and say mr. Oswald did it

1530

01:05:26,120 --> 01:05:24,210

I can't say you can come without

1531

01:05:27,860 --> 01:05:26,130

conclusion you look at this and there's

1532

01:05:30,350 --> 01:05:27,870

no cost in my mind is no possible way

1533

01:05:34,910 --> 01:05:30,360

you can say one person was responsible

1534

01:05:36,560 --> 01:05:34,920

this right and did right but right so so

1535

01:05:39,290 --> 01:05:36,570

Europe you don't think it misses some

1536

01:05:41,270 --> 01:05:39,300

kind of a conspiracy yes the only theory

1537

01:05:43,520 --> 01:05:41,280

that I know I can rule out tonight

1538

01:05:47,510 --> 01:05:43,530

that he did not commit suicide okay

1539

01:05:49,370 --> 01:05:47,520

right Oswald no that's the only one I

1540

01:05:53,330 --> 01:05:49,380

can tell you that I know for sure was

1541

01:05:55,700 --> 01:05:53,340

not possible okay all right that was one

1542

01:05:57,260 --> 01:05:55,710

of the things when they threw up all the

1543

01:06:00,170 --> 01:05:57,270

conspiracy theories that was one of them

1544

01:06:01,640 --> 01:06:00,180

that was thrown in there any minute did

1545

01:06:03,020 --> 01:06:01,650

he set this up and the whole thing and

1546

01:06:04,550 --> 01:06:03,030

to get out of it he was you know shied

1547

01:06:07,460 --> 01:06:04,560

and depressed all this kind of crazy

1548

01:06:10,700 --> 01:06:07,470

stuff I never made any possible sense to

1549

01:06:12,170 --> 01:06:10,710

me anyone hired somebody sue wasn't sad

1550

01:06:14,300 --> 01:06:12,180

depressing is the head in the paper the

1551

01:06:17,480 --> 01:06:14,310

other day he was on 15 medications a day

1552

01:06:19,520 --> 01:06:17,490

oh you're coding like Coke and parkas

1553

01:06:22,580 --> 01:06:19,530

the percocet was a percocet his codeine

1554

01:06:24,350 --> 01:06:22,590

yeah he was experimenting with LSD yeah

1555

01:06:25,700 --> 01:06:24,360

and you know all these kinds I shoot him

1556

01:06:27,140 --> 01:06:25,710

up with math you had a lot of problems

1557

01:06:29,030 --> 01:06:27,150

you had a lot of medical problems in a

1558

01:06:31,190 --> 01:06:29,040

big time that they really kind of kept

1559

01:06:32,720 --> 01:06:31,200

under the oven just like a lot of people

1560

01:06:34,760 --> 01:06:32,730

didn't know FDA was in a wheelchair

1561

01:06:37,040 --> 01:06:34,770

until like Franklin very end you know

1562

01:06:40,000 --> 01:06:37,050

they did the same thing and he was like

1563

01:06:42,410 --> 01:06:40,010

yeah he would get he need he get those

1564

01:06:43,760 --> 01:06:42,420

b12 shots and quotes that were really

1565

01:06:45,080 --> 01:06:43,770

you know full of him feta means and

1566

01:06:48,290 --> 01:06:45,090

stuff like that he had a dr. feelgood

1567

01:06:49,820 --> 01:06:48,300

it's arm every day so you know I thought

1568

01:06:55,220 --> 01:06:49,830

he was depressed I think he was quite

1569

01:06:56,930 --> 01:06:55,230

happy and sir go ahead Cobb right so you

1570

01:06:58,580 --> 01:06:56,940

look at it and then you look at some of

1571

01:07:00,800 --> 01:06:58,590

the physics the ballistics of the

1572

01:07:02,660 --> 01:07:00,810

shooting and go on in the film evidence

1573

01:07:05,650 --> 01:07:02,670

that's there and then some of the bullet

1574

01:07:10,310 --> 01:07:05,660

travel that other people experienced I

1575

01:07:11,630 --> 01:07:10,320

don't I don't see how you can't come

1576

01:07:14,240 --> 01:07:11,640

away from it and go look this there's

1577

01:07:17,170 --> 01:07:14,250

more here now are we ever gonna get the

1578

01:07:19,130 --> 01:07:17,180

answer I say no not in my lifetime

1579

01:07:21,890 --> 01:07:19,140

hopefully in Emily's you think there's

1580

01:07:24,020 --> 01:07:21,900

my entity that's blocking the answer I

1581

01:07:26,330 --> 01:07:24,030

think that there is like in any really

1582

01:07:28,400 --> 01:07:26,340

good conspiracy enough people that are

1583

01:07:30,470 --> 01:07:28,410

connected or have enough out there that

1584

01:07:31,880 --> 01:07:30,480

they have so enough additional

1585

01:07:33,860 --> 01:07:31,890

information into it because here's what

1586

01:07:35,660 --> 01:07:33,870

I always wrap up the Kennedy situation

1587

01:07:37,150 --> 01:07:35,670

with we still don't know for sure how

1588

01:07:41,660 --> 01:07:37,160

the whole thing went down with Lincoln

1589

01:07:45,260 --> 01:07:41,670

right okay we do not know all the parts

1590

01:07:47,150 --> 01:07:45,270

and there's lots of things hanging in

1591

01:07:50,210 --> 01:07:47,160

the in the breeze with the Lincoln

1592

01:07:52,130 --> 01:07:50,220

assassination huh and I would think at

1593

01:07:54,590 --> 01:07:52,140

this point it would be pretty easy to

1594

01:07:55,190 --> 01:07:54,600

release that right and have those in

1595

01:07:56,660 --> 01:07:55,200

every

1596

01:07:57,950 --> 01:07:56,670

and we still haven't done are you saying

1597

01:08:02,030 --> 01:07:57,960

that there is still hidden documents

1598

01:08:03,680 --> 01:08:02,040

that the government is I still think

1599

01:08:05,150 --> 01:08:03,690

that there's ways that we go looked at

1600

01:08:07,130 --> 01:08:05,160

the Lincoln assassination I think

1601

01:08:10,130 --> 01:08:07,140

there's still evidence out there and it

1602

01:08:13,309 --> 01:08:10,140

has the the story has been said and it

1603

01:08:16,010 --> 01:08:13,319

is buried for no lack of a better term

1604

01:08:17,870 --> 01:08:16,020

Wow look at just what came up with this

1605

01:08:21,050 --> 01:08:17,880

release of the document so much has been

1606

01:08:25,939 --> 01:08:21,060

redacted in this document right what

1607

01:08:28,669 --> 01:08:25,949

happened the last minute the CIA is

1608

01:08:30,260 --> 01:08:28,679

pulling back no hope how if this is

1609

01:08:31,849 --> 01:08:30,270

right up there with right the

1610

01:08:33,320 --> 01:08:31,859

International Space Station astronauts

1611

01:08:35,090 --> 01:08:33,330

hand accidentally was in front of the

1612

01:08:36,620 --> 01:08:35,100

lens let me know there was a report or

1613

01:08:39,470 --> 01:08:36,630

something flowing in the outside how do

1614

01:08:41,780 --> 01:08:39,480

you do that can I throw a company at you

1615

01:08:45,249 --> 01:08:41,790

that kind of explains that okay there's

1616

01:08:49,340 --> 01:08:45,259

been any any you know they they tried to

1617

01:08:50,900 --> 01:08:49,350

delve deep into FBI files and CIA files

1618

01:08:53,930 --> 01:08:50,910

at the time okay

1619

01:08:55,099 --> 01:08:53,940

and some have been released gradually

1620

01:08:56,959 --> 01:08:55,109

but there was just a whole bunch

1621

01:08:58,610 --> 01:08:56,969

released you know a week ago you know

1622

01:09:01,970 --> 01:08:58,620

and as you see a lot of this redacted

1623

01:09:04,280 --> 01:09:01,980

okay so you can't read it how about this

1624

01:09:05,209 --> 01:09:04,290

theory is that they knew and we've

1625

01:09:07,309 --> 01:09:05,219

talked about this on the show before

1626

01:09:08,870 --> 01:09:07,319

they newly have you guys what was in

1627

01:09:10,579 --> 01:09:08,880

Dallas they knew he had been to Russia

1628

01:09:12,979 --> 01:09:10,589

they knew he was a pain in the neck

1629

01:09:14,450 --> 01:09:12,989

he seems to switch allegiances all the

1630

01:09:15,979 --> 01:09:14,460

time he's fighting for the Cubans then

1631

01:09:19,130 --> 01:09:15,989

he's the Gant iCube and whatever I'm

1632

01:09:22,039 --> 01:09:19,140

right they know he's there he's on their

1633

01:09:24,530 --> 01:09:22,049

watch list but there's like 2,000 people

1634

01:09:26,599 --> 01:09:24,540

on their watch list okay and he was just

1635

01:09:29,209 --> 01:09:26,609

like another one of those row and washes

1636

01:09:31,099 --> 01:09:29,219

or so okay and then he the Schmo does

1637

01:09:33,410 --> 01:09:31,109

something big and they gotta go oh my

1638

01:09:34,880 --> 01:09:33,420

god we haven't been watching this guy we

1639

01:09:36,979 --> 01:09:34,890

gotta get rid of all the documentation

1640

01:09:38,780 --> 01:09:36,989

to lose the paper trail it looks like we

1641

01:09:40,610 --> 01:09:38,790

weren't watching him he fought the CIA

1642

01:09:42,050 --> 01:09:40,620

and the FBI so they redacted are they

1643

01:09:44,990 --> 01:09:42,060

threw a lot of stuff away doesn't that

1644

01:09:46,370 --> 01:09:45,000

make as much sense I agree it does

1645

01:09:49,400 --> 01:09:46,380

because obviously we didn't have the

1646

01:09:51,320 --> 01:09:49,410

term lone wolf when every current attack

1647

01:09:52,970 --> 01:09:51,330

that occurs now is a lone wolf

1648

01:09:54,919 --> 01:09:52,980

except that every lone wolf seems to be

1649

01:09:57,580 --> 01:09:54,929

connected to the same religious

1650

01:10:00,530 --> 01:09:57,590

organization or some other you know

1651

01:10:02,300 --> 01:10:00,540

clear trail on the internet that want to

1652

01:10:06,110 --> 01:10:02,310

link it I'm talking about the event

1653

01:10:08,270 --> 01:10:06,120

account no I know they they have their

1654

01:10:09,140 --> 01:10:08,280

problems too there's no doubt what I'm

1655

01:10:11,120 --> 01:10:09,150

getting at is Mecca

1656

01:10:12,830 --> 01:10:11,130

that is a fair theory the problem where

1657

01:10:14,720 --> 01:10:12,840

that doesn't hold up for me is the

1658

01:10:16,939 --> 01:10:14,730

ballistics and the physics of the

1659

01:10:19,880 --> 01:10:16,949

shooting don't seem to match up to that

1660

01:10:22,370 --> 01:10:19,890

but he may have been part of it I think

1661

01:10:25,189 --> 01:10:22,380

he is the perfect fall guy I think that

1662

01:10:27,320 --> 01:10:25,199

he is the poster child for everything

1663

01:10:29,209 --> 01:10:27,330

goes on and I don't mean to mix you know

1664

01:10:31,490 --> 01:10:29,219

any more tragedies into our evening

1665

01:10:32,990 --> 01:10:31,500

tonight but I think that's a very fair

1666

01:10:35,270 --> 01:10:33,000

to look at what happened in Las Vegas

1667

01:10:37,399 --> 01:10:35,280

and say if you've got kind of an Oswald

1668

01:10:39,740 --> 01:10:37,409

character there there there's a lot of

1669

01:10:42,169 --> 01:10:39,750

stuff that that matches up to this that

1670

01:10:50,410 --> 01:10:42,179

how did one person amass all these

1671

01:10:54,770 --> 01:10:50,420

things what happen what's the best part

1672

01:10:56,240 --> 01:10:54,780

you have Jack Ruby out of nowhere yeah

1673

01:11:01,399 --> 01:10:56,250

we talked about that earlier in the show

1674

01:11:03,439 --> 01:11:01,409

I mean he just checked they've actually

1675

01:11:05,149 --> 01:11:03,449

they've absolutely proved that he just

1676

01:11:07,280 --> 01:11:05,159

happened to be there at the time to

1677

01:11:09,410 --> 01:11:07,290

shoot Oswald that's another thing it was

1678

01:11:11,120 --> 01:11:09,420

just because he seems we talked about it

1679

01:11:13,640 --> 01:11:11,130

earlier with Paul Bishop he seems to be

1680

01:11:15,260 --> 01:11:13,650

the typical the mafia hit it once again

1681

01:11:16,700 --> 01:11:15,270

you have the stooge do the hit and then

1682

01:11:18,649 --> 01:11:16,710

have someone treat the stooge and it

1683

01:11:21,410 --> 01:11:18,659

follows that script I don't think Jack

1684

01:11:22,010 --> 01:11:21,420

nobody was watching TV he didn't even

1685

01:11:24,410 --> 01:11:22,020

knew about

1686

01:11:26,090 --> 01:11:24,420

he'd loves his this is gonna sound

1687

01:11:27,110 --> 01:11:26,100

really strange but he loved his poodle

1688

01:11:29,660 --> 01:11:27,120

so much

1689

01:11:31,189 --> 01:11:29,670

he left the poodle in the car just went

1690

01:11:32,450 --> 01:11:31,199

down this kind of ramp into the police

1691

01:11:34,880 --> 01:11:32,460

station and they happened to bring oz

1692

01:11:36,530 --> 01:11:34,890

without he has a gun ball okay and he

1693

01:11:38,180 --> 01:11:36,540

never saw the poodle again he said he

1694

01:11:40,040 --> 01:11:38,190

loved this freakin poodle so much that

1695

01:11:42,020 --> 01:11:40,050

there's no way that if he was going down

1696

01:11:43,340 --> 01:11:42,030

to plan the hit that he would have left

1697

01:11:44,660 --> 01:11:43,350

the portal we wait for Arthur poodle

1698

01:11:48,890 --> 01:11:44,670

with him well maybe that would have been

1699

01:11:52,760 --> 01:11:48,900

an interesting was he in the habit of

1700

01:11:59,810 --> 01:11:52,770

blowing away no perpetrators that was

1701

01:12:02,990 --> 01:11:59,820

being a Jackie okay he loved her and and

1702

01:12:04,340 --> 01:12:03,000

he wanted to prove that you know one of

1703

01:12:06,320 --> 01:12:04,350

the things he said he want to prove the

1704

01:12:08,750 --> 01:12:06,330

people from Israel that Israel cannot be

1705

01:12:10,790 --> 01:12:08,760

pushed around anymore and that's why he

1706

01:12:12,470 --> 01:12:10,800

did it but once again it seems like on

1707

01:12:12,950 --> 01:12:12,480

one hand it seems like the perfect mob

1708

01:12:15,590 --> 01:12:12,960

hit

1709

01:12:19,070 --> 01:12:15,600

okay he's the guy that said that but on

1710

01:12:20,780 --> 01:12:19,080

the other hand he's he's just the same

1711

01:12:22,340 --> 01:12:20,790

kind of guy as Oswald when the guy who

1712

01:12:24,830 --> 01:12:22,350

shot John Lennon all these

1713

01:12:27,140 --> 01:12:24,840

he's a nobody who wants to be somebody

1714

01:12:28,970 --> 01:12:27,150

and he wants me in the history books and

1715

01:12:30,290 --> 01:12:28,980

they were all successful because they go

1716

01:12:32,060 --> 01:12:30,300

out and they do these outrageous things

1717

01:12:33,590 --> 01:12:32,070

you know yeah so that's what I mean

1718

01:12:36,080 --> 01:12:33,600

there's so many there's so much evidence

1719

01:12:37,070 --> 01:12:36,090

on both sides it's it's crazy you know

1720

01:12:39,050 --> 01:12:37,080

it's just crazy

1721

01:12:40,850 --> 01:12:39,060

you can make movies about it forever

1722

01:12:44,050 --> 01:12:40,860

yeah can we agree with this then Mac

1723

01:12:46,400 --> 01:12:44,060

there is an upside to not solving this

1724

01:12:50,030 --> 01:12:46,410

you mean for people doing writing books

1725

01:12:52,100 --> 01:12:50,040

and all that kind of if there is

1726

01:12:55,340 --> 01:12:52,110

nefarious activity at the root of this

1727

01:12:58,130 --> 01:12:55,350

and I think there is and it's as old as

1728

01:12:59,510 --> 01:12:58,140

civilization and as old as you know

1729

01:13:00,950 --> 01:12:59,520

people getting together and forming a

1730

01:13:03,470 --> 01:13:00,960

government this this kind of crap has

1731

01:13:05,690 --> 01:13:03,480

gone on forever there was that word that

1732

01:13:07,370 --> 01:13:05,700

that famous guy in England bill

1733

01:13:08,450 --> 01:13:07,380

Shakespeare write didn't he write a

1734

01:13:12,770 --> 01:13:08,460

bunch of stuff where there was

1735

01:13:17,090 --> 01:13:12,780

assassination as the main part with the

1736

01:13:19,100 --> 01:13:17,100

name he's pretty pretty classy guy right

1737

01:13:21,140 --> 01:13:19,110

right I think there's a good reason that

1738

01:13:23,780 --> 01:13:21,150

these things take on the light that they

1739

01:13:25,850 --> 01:13:23,790

do the vehicle that they do because it

1740

01:13:28,100 --> 01:13:25,860

is spectacle and it takes your attention

1741

01:13:29,960 --> 01:13:28,110

away from what is really going on right

1742

01:13:30,230 --> 01:13:29,970

well let me just throw this out real

1743

01:13:32,720 --> 01:13:30,240

quick

1744

01:13:34,130 --> 01:13:32,730

okay now who's the who's the president

1745

01:13:37,100 --> 01:13:34,140

who got shot up in Buffalo was that

1746

01:13:38,840 --> 01:13:37,110

Grover Cleveland who's killing McKinley

1747

01:13:41,000 --> 01:13:38,850

okay Kaley I can't leave is that like

1748

01:13:46,000 --> 01:13:41,010

the US exposition of something up in

1749

01:13:48,980 --> 01:13:46,010

Buffalo and the guy shot him and he died

1750

01:13:50,600 --> 01:13:48,990

there's no you know there's no there

1751

01:13:53,330 --> 01:13:50,610

wasn't like a second shooter there's no

1752

01:13:55,070 --> 01:13:53,340

huge conspiracy around it you know the

1753

01:13:56,870 --> 01:13:55,080

guy was there he shot him and McKinley

1754

01:13:58,670 --> 01:13:56,880

died you know well maybe they didn't

1755

01:14:00,320 --> 01:13:58,680

have the evidence gathering techniques

1756

01:14:02,990 --> 01:14:00,330

that we have today the ballistic stuff

1757

01:14:04,040 --> 01:14:03,000

and so many of those precedents you

1758

01:14:06,110 --> 01:14:04,050

didn't even have the Secret Service

1759

01:14:07,880 --> 01:14:06,120

right that restarted the Secret Service

1760

01:14:10,070 --> 01:14:07,890

you just used to lying around which is

1761

01:14:11,390 --> 01:14:10,080

weird right you had people that were

1762

01:14:14,390 --> 01:14:11,400

able to walk up the front door of the

1763

01:14:19,790 --> 01:14:14,400

White House right through I think it was

1764

01:14:21,290 --> 01:14:19,800

Jackson or the van Buren administration

1765

01:14:24,920 --> 01:14:21,300

before they threw up a fence all right

1766

01:14:26,630 --> 01:14:24,930

some kind of stop at the door so so you

1767

01:14:29,210 --> 01:14:26,640

just take that you know that the

1768

01:14:30,560 --> 01:14:29,220

instance okay and it compared to you

1769

01:14:32,600 --> 01:14:30,570

know you can tell the story of McKinley

1770

01:14:35,590 --> 01:14:32,610

getting shot in about 10 pages all right

1771

01:14:37,330 --> 01:14:35,600

and you know right - too many pages

1772

01:14:39,790 --> 01:14:37,340

the Kennedy thing has just like you say

1773

01:14:42,400 --> 01:14:39,800

it's books and movies only because

1774

01:14:43,690 --> 01:14:42,410

there's no because you can't tell you

1775

01:14:45,040 --> 01:14:43,700

look at both you look at the evidence

1776

01:14:46,810 --> 01:14:45,050

and think they're almost like split

1777

01:14:48,340 --> 01:14:46,820

right down the middle fifty four fifty

1778

01:14:49,810 --> 01:14:48,350

if you have a good conspiracy you're

1779

01:14:51,250 --> 01:14:49,820

gonna be on TV you're gonna be in the

1780

01:14:52,540 --> 01:14:51,260

magazine but even but this is even

1781

01:14:53,770 --> 01:14:52,550

before I mean this started right after

1782

01:14:55,870 --> 01:14:53,780

you get that's another weird thing about

1783

01:14:57,490 --> 01:14:55,880

it there were rumors that the CIA did it

1784

01:14:59,200 --> 01:14:57,500

like a year later you know I mean this

1785

01:15:00,670 --> 01:14:59,210

isn't something that percolated for them

1786

01:15:01,840 --> 01:15:00,680

all right so listen we're in that time

1787

01:15:03,790 --> 01:15:01,850

so we're just gonna go around the

1788

01:15:05,050 --> 01:15:03,800

roundtable and I'm just gonna say just

1789

01:15:08,170 --> 01:15:05,060

tell me do you think it was a conspiracy

1790

01:15:08,890 --> 01:15:08,180

do you think Oswald was the lone gunman

1791

01:15:10,600 --> 01:15:08,900

one one

1792

01:15:12,400 --> 01:15:10,610

yeah there's conspiracy and he was

1793

01:15:15,580 --> 01:15:12,410

nothing lone gunman okay all right

1794

01:15:17,830 --> 01:15:15,590

switch what do you say conspiracy and

1795

01:15:23,020 --> 01:15:17,840

fredchristman was a disinformation agent

1796

01:15:24,940 --> 01:15:23,030

hmm okay yep Emily mm who conspiracy

1797

01:15:28,990 --> 01:15:24,950

okay Kobe you're gonna say conspiracy

1798

01:15:30,100 --> 01:15:29,000

right yeah okay I think here's my wig

1799

01:15:34,060 --> 01:15:30,110

take on the whole thing

1800

01:15:35,920 --> 01:15:34,070

I think Oswald was a lone gunman but I

1801

01:15:38,260 --> 01:15:35,930

think someone else was in that Plaza

1802

01:15:40,540 --> 01:15:38,270

that day another assassin and they

1803

01:15:41,890 --> 01:15:40,550

didn't know they didn't know that there

1804

01:15:43,270 --> 01:15:41,900

were two of them it because that answers

1805

01:15:45,700 --> 01:15:43,280

a lot of questions you know oh yeah

1806

01:15:47,260 --> 01:15:45,710

bleep I think Mac there's a lot of I

1807

01:15:49,270 --> 01:15:47,270

think there's a lot of evidence that

1808

01:15:51,700 --> 01:15:49,280

supports that what you just said and

1809

01:15:54,040 --> 01:15:51,710

then the the whole thing about how

1810

01:15:56,140 --> 01:15:54,050

people act the human nature of people

1811

01:15:57,730 --> 01:15:56,150

after can they get shot like and you can

1812

01:15:59,500 --> 01:15:57,740

see this in the Zapruder film everyone

1813

01:16:01,390 --> 01:15:59,510

runs up to the grassy knoll everyone

1814

01:16:03,490 --> 01:16:01,400

even the cops okay there comes a train

1815

01:16:05,830 --> 01:16:03,500

to you know know which way the shots are

1816

01:16:07,720 --> 01:16:05,840

coming from you can see dozens of people

1817

01:16:09,640 --> 01:16:07,730

running up there why would you do that

1818

01:16:11,080 --> 01:16:09,650

you can't fool that many people you can

1819

01:16:13,600 --> 01:16:11,090

talk about the ballistics and all that

1820

01:16:15,670 --> 01:16:13,610

stuff okay but you can't fool people you

1821

01:16:18,130 --> 01:16:15,680

know not that many people I think there

1822

01:16:19,990 --> 01:16:18,140

were two assassins and the plaza that

1823

01:16:21,610 --> 01:16:20,000

day I don't think either one of them

1824

01:16:24,610 --> 01:16:21,620

knew the other was there it's a perfect

1825

01:16:27,490 --> 01:16:24,620

kill place kill zone yeah sure boom boom

1826

01:16:31,450 --> 01:16:27,500

boom boom the most that's my thinking as

1827

01:16:35,290 --> 01:16:31,460

I want to thank you know and Emmy in

1828

01:16:37,930 --> 01:16:35,300

what came up in a name Emily Emily M and

1829

01:16:41,700 --> 01:16:37,940

only M yeah that kinds sounds like real

1830

01:16:47,260 --> 01:16:41,710

cake better cupcakes I like cupcake it

1831

01:16:56,950 --> 01:16:51,940

something ugly anyway and in not that

1832

01:17:00,010 --> 01:16:56,960

funny you know which is the real thank

1833

01:17:01,450 --> 01:17:00,020

you to the dynamic duo there for joining

1834

01:17:03,820 --> 01:17:01,460

us

1835

01:17:06,340 --> 01:17:03,830

tonight's which arena and Emily M our

1836

01:17:08,560 --> 01:17:06,350

company okay thank you Emily

1837

01:17:12,400 --> 01:17:08,570

how about aka cupcake that sounds

1838

01:17:14,740 --> 01:17:12,410

alright okay I like that thank you very

1839

01:17:18,850 --> 01:17:14,750

much and we will talk to you very very

1840

01:17:21,660 --> 01:17:18,860

soon okay sounds good thanks Tyler

1841

01:17:23,830 --> 01:17:21,670

alright when I'd switch good night Emily

1842

01:17:26,530 --> 01:17:23,840

Wow I'm out of breath

1843

01:17:29,170 --> 01:17:26,540

me too you know which means I'm wiped

1844

01:17:30,460 --> 01:17:29,180

out yeah it's oh yeah two cans of red

1845

01:17:32,590 --> 01:17:30,470

bomb we still have another segment I

1846

01:17:34,450 --> 01:17:32,600

think we have some fresh air

1847

01:17:36,580 --> 01:17:34,460

differentially am i there was some good

1848

01:17:40,090 --> 01:17:36,590

Cobra thanks for joining us your secret

1849

01:17:43,510 --> 01:17:40,100

mission is complete yep the installment

1850

01:17:45,640 --> 01:17:43,520

is complete thank thankful as your home

1851

01:17:51,070 --> 01:17:45,650

base safe okay the installment that

1852

01:17:53,470 --> 01:17:51,080

sounds spy news anyway so why don't we

1853

01:17:58,000 --> 01:17:53,480

take a much-needed break now and we'll

1854

01:18:00,160 --> 01:17:58,010

be back with the three of us Cobra and

1855

01:18:02,860 --> 01:18:00,170

myself and hopefully Rebecca thousand

1856

01:18:04,660 --> 01:18:02,870

who is down in but that I call before

1857

01:18:06,280 --> 01:18:04,670

the cradle of dead presidents did I say

1858

01:18:09,450 --> 01:18:06,290

that you know the graveyard all the

1859

01:18:12,850 --> 01:18:09,460

credit the graveyard of presidents okay

1860

01:18:14,920 --> 01:18:12,860

calling in from Dallas we hope so we'll

1861

01:18:16,570 --> 01:18:14,930

find out after this commercial stay with

1862

01:18:18,520 --> 01:18:16,580

British secret portals

1863

01:18:21,609 --> 01:18:18,530

hello money baby

1864

01:18:24,189 --> 01:18:21,619

hello w70 how's your mission to steal

1865

01:18:26,770 --> 01:18:24,199

the secret sex formula from doctor no no

1866

01:18:29,379 --> 01:18:26,780

more it'll be going fine that ship for

1867

01:18:31,689 --> 01:18:29,389

the two idiots headquarter [\h__\h] with me

1868

01:18:33,669 --> 01:18:31,699

him at the death Alok rumpus just call

1869

01:18:34,810 --> 01:18:33,679

us idiots yes he did one one he's an

1870

01:18:37,479 --> 01:18:34,820

ungrateful putz

1871

01:18:39,339 --> 01:18:37,489

I know nice car yeah and you know what

1872

01:18:40,629 --> 01:18:39,349

now it's my turn to drive but if you

1873

01:18:42,790 --> 01:18:40,639

drive what a mighty good

1874

01:18:44,140 --> 01:18:42,800

I'll Drive you shoot the machines no way

1875

01:18:46,810 --> 01:18:44,150

I'm driving through now just different

1876

01:18:48,040 --> 01:18:46,820

license to view and I'm driving Oh see

1877

01:18:50,560 --> 01:18:48,050

what I mean Money Penny

1878

01:18:52,750 --> 01:18:50,570

Oh James we have to get the stolen

1879

01:18:54,819 --> 01:18:52,760

thumbnail doctor no no before the big

1880

01:18:56,859 --> 01:18:54,829

two-for-one sale I'm on it Money Penny

1881

01:18:59,799 --> 01:18:56,869

but I've got to rid myself of these too

1882

01:19:07,000 --> 01:18:59,809

much mom's first aha I still have the

1883

01:19:14,379 --> 01:19:07,010

red button over save us hello gentlemen

1884

01:19:16,180 --> 01:19:14,389

and you Mr Bond over jumping from a

1885

01:19:19,089 --> 01:19:16,190

helicopter through the sunroof of my

1886

01:19:20,459 --> 01:19:19,099

Aston Martin well played poker what are

1887

01:19:22,750 --> 01:19:20,469

you doing here

1888

01:19:24,250 --> 01:19:22,760

besides rescuing my two friends James

1889

01:19:26,290 --> 01:19:24,260

I'm here to tell you that you don't have

1890

01:19:28,419 --> 01:19:26,300

to steal the card elope sex one mail

1891

01:19:30,490 --> 01:19:28,429

from doctor no no all you have to do is

1892

01:19:31,689 --> 01:19:30,500

go online in order for yourself and

1893

01:19:33,189 --> 01:19:31,699

you'll have plenty of the new energy

1894

01:19:34,810 --> 01:19:33,199

drink they'll give you the extra

1895

01:19:37,959 --> 01:19:34,820

endurance you need to get through your

1896

01:19:42,430 --> 01:19:37,969

daily workout please Cobra

1897

01:19:45,549 --> 01:19:42,440

tell us why it's called well it's called

1898

01:19:47,890 --> 01:19:45,559

sex scx for strength energy accelerator

1899

01:19:51,339 --> 01:19:47,900

and it's easy to use just mix a scoop

1900

01:19:53,140 --> 01:19:51,349

with water shaken not stirred 30 minutes

1901

01:19:54,939 --> 01:19:53,150

before you start your workout and you'll

1902

01:19:56,290 --> 01:19:54,949

find you can last longer and feel all

1903

01:20:01,510 --> 01:19:56,300

around better about finishing your

1904

01:20:03,100 --> 01:20:01,520

regime and the mix comes in many

1905

01:20:06,149 --> 01:20:03,110

different flavors

1906

01:20:09,490 --> 01:20:06,159

my favorite is passion fruit mine too

1907

01:20:11,060 --> 01:20:09,500

Moneypenny now order me occasion sex for

1908

01:20:16,080 --> 01:20:11,070

the next time they have to fight on

1909

01:20:18,459 --> 01:20:16,090

[Music]

1910

01:20:20,859 --> 01:20:18,469

payback look at all these buttons I

1911

01:20:24,620 --> 01:20:20,869

wonder what they do and I'll push one

1912

01:20:30,229 --> 01:20:26,390

jeez I hope he's wearing his rocketdock

1913

01:20:31,970 --> 01:20:30,239

just not that's scx workout dietary

1914

01:20:34,790 --> 01:20:31,980

supplement available only through Craig

1915

01:20:37,130 --> 01:20:34,800

he'll owe us a visit for Dillo usa.com

1916

01:20:42,920 --> 01:20:37,140

for more details about our two-for-one

1917

01:20:45,950 --> 01:20:42,930

sale that's clear the I ll owe us a.com

1918

01:20:47,570 --> 01:20:45,960

and get some extra sex today hey welcome

1919

01:20:49,280 --> 01:20:47,580

back everyone to mak Melones no tracks I

1920

01:20:51,800 --> 01:20:49,290

show here on the distant Thunder radio

1921

01:20:52,939 --> 01:20:51,810

network this is Mak money and that in

1922

01:20:54,920 --> 01:20:52,949

the studio with us tonight on this

1923

01:20:58,070 --> 01:20:54,930

special occasion the very famous one one

1924

01:21:00,260 --> 01:20:58,080

is here this is a special occasion

1925

01:21:03,650 --> 01:21:00,270

this is a special on the JFK

1926

01:21:06,110 --> 01:21:03,660

assassination happened in 1963 yeah this

1927

01:21:08,300 --> 01:21:06,120

week in 1963 so we getting a bunch of

1928

01:21:09,860 --> 01:21:08,310

people together to talk about you know

1929

01:21:11,689 --> 01:21:09,870

what really happened how it affected

1930

01:21:13,490 --> 01:21:11,699

them and things like that we have a

1931

01:21:15,050 --> 01:21:13,500

really good friend of the show on the

1932

01:21:17,479 --> 01:21:15,060

phone right now though he wants to

1933

01:21:19,610 --> 01:21:17,489

contribute he's here every few weeks or

1934

01:21:22,040 --> 01:21:19,620

so it's the who else he's our good

1935

01:21:23,800 --> 01:21:22,050

friend the ghost of JFK is here how are

1936

01:21:28,670 --> 01:21:23,810

you doing there tonight ghost

1937

01:21:30,380 --> 01:21:28,680

where are the broad very famous Juan

1938

01:21:32,840 --> 01:21:30,390

Juan is here hello I'm having a great

1939

01:21:34,250 --> 01:21:32,850

time tonight except jazzed up are you in

1940

01:21:36,410 --> 01:21:34,260

love with the new studio and that's why

1941

01:21:38,240 --> 01:21:36,420

you've a straight that I'm getting more

1942

01:21:40,640 --> 01:21:38,250

in love with it because it takes a while

1943

01:21:42,740 --> 01:21:40,650

to adopt the surroundings in the RV know

1944

01:21:44,479 --> 01:21:42,750

that I'm well there's a really good

1945

01:21:46,760 --> 01:21:44,489

chance that we saw a ghost yet the weeks

1946

01:21:50,090 --> 01:21:46,770

ago and my I wave to him and he looked

1947

01:21:51,500 --> 01:21:50,100

he looked kind of wnb thief right we

1948

01:21:54,080 --> 01:21:51,510

were on the show we're doing the opening

1949

01:21:55,490 --> 01:21:54,090

and but two hours later you said to me

1950

01:21:56,959 --> 01:21:55,500

did you see the guy walked by when we

1951

01:21:58,970 --> 01:21:56,969

started the opening I said no how would

1952

01:22:01,130 --> 01:21:58,980

I would I miss that it's right here

1953

01:22:02,750 --> 01:22:01,140

right right he wave to you and then I

1954

01:22:04,910 --> 01:22:02,760

thought it was Matt gave him a thumbs up

1955

01:22:09,560 --> 01:22:04,920

I write to Pistol Pete and I'm going he

1956

01:22:13,790 --> 01:22:09,570

was mad at the studio it was a heavysset

1957

01:22:16,430 --> 01:22:13,800

guy older than Matt and I think he was a

1958

01:22:18,410 --> 01:22:16,440

sales guy oh really yeah okay I don't

1959

01:22:21,080 --> 01:22:18,420

know but clearly he locked us in because

1960

01:22:25,929 --> 01:22:21,090

he'd locked the lights are out right

1961

01:22:30,699 --> 01:22:29,469

anyway so okay so well there's a chance

1962

01:22:32,080 --> 01:22:30,709

we might have seen I'm gonna be done

1963

01:22:34,540 --> 01:22:32,090

some Tom Brady stuff up here in this

1964

01:22:36,669 --> 01:22:34,550

corner it'll be being yeah okay all

1965

01:22:40,689 --> 01:22:36,679

right yeah that's okay evidence is

1966

01:22:42,640 --> 01:22:40,699

evidence anyway on the phone with us not

1967

01:22:46,029 --> 01:22:42,650

here last week did not see the ghost

1968

01:22:47,290 --> 01:22:46,039

give me on the cover he was with us good

1969

01:22:49,689 --> 01:22:47,300

evening gentlemen

1970

01:22:53,169 --> 01:22:49,699

good evening commander okay back from

1971

01:22:56,770 --> 01:22:53,179

his secret mission what did he miss

1972

01:23:01,179 --> 01:22:56,780

he missed someone sending me a plastic

1973

01:23:03,969 --> 01:23:01,189

bag full of cat waste with the note

1974

01:23:06,100 --> 01:23:03,979

here's your binky Mac oh isn't it nice

1975

01:23:08,169 --> 01:23:06,110

that the security is working out so long

1976

01:23:12,790 --> 01:23:08,179

is really good signed by puddles the cat

1977

01:23:14,319 --> 01:23:12,800

as it turns out you know I see one wants

1978

01:23:15,069 --> 01:23:14,329

fingerprints all over this thing but

1979

01:23:18,219 --> 01:23:15,079

that's okay

1980

01:23:20,109 --> 01:23:18,229

I would some right nope no yeah I have

1981

01:23:22,029 --> 01:23:20,119

you on the show last week still waiting

1982

01:23:23,319 --> 01:23:22,039

for the it'd be fun the same cat crap

1983

01:23:25,209 --> 01:23:23,329

through the mail too Mac and you

1984

01:23:29,049 --> 01:23:25,219

basically say that so I'm still waiting

1985

01:23:32,379 --> 01:23:29,059

from to send me the devices oh you know

1986

01:23:35,739 --> 01:23:32,389

this is supposed to be a sniffle yeah

1987

01:23:37,179 --> 01:23:35,749

wait as you put it the toys okay every

1988

01:23:38,770 --> 01:23:37,189

time we get together it's special but we

1989

01:23:40,479 --> 01:23:38,780

don't want to just encourage people

1990

01:23:42,879 --> 01:23:40,489

testing the fingerprints

1991

01:23:47,169 --> 01:23:42,889

you didn't see the memo so ixnay on the

1992

01:23:49,299 --> 01:23:47,179

exploit my friend some reason shakes by

1993

01:23:52,899 --> 01:23:49,309

the mail I'm diggin it but the device is

1994

01:23:56,469 --> 01:23:52,909

there well you know club says he has a

1995

01:23:58,629 --> 01:23:56,479

box of them yeah okay anyway and you

1996

01:24:02,969 --> 01:23:58,639

stopped the show last week when you said

1997

01:24:05,350 --> 01:24:02,979

any of them have the name of a animal

1998

01:24:06,310 --> 01:24:05,360

what does that hang on I didn't do it

1999

01:24:08,589 --> 01:24:06,320

then but out there wouldn't matter that

2000

01:24:13,500 --> 01:24:08,599

gives the answer what did you have in

2001
01:24:16,750 --> 01:24:13,510
mind I rabbit oh wow look it up yeah you

2002
01:24:26,319 --> 01:24:16,760
reminded me I don't you know it's a very

2003
01:24:30,339 --> 01:24:26,329
popular female boy you know like

2004
01:24:32,399 --> 01:24:30,349
matchbox yes right yeah yeah right a

2005
01:24:35,919 --> 01:24:32,409
wheels 52 shades of Barbie

2006
01:24:37,509 --> 01:24:35,929
anyway Wow there you go there's a

2007
01:24:38,799 --> 01:24:37,519
there's a title but you know it's worth

2008
01:24:39,620 --> 01:24:38,809
a million bucks right did you just make

2009
01:24:42,229 --> 01:24:39,630
that up

2010
01:24:44,470 --> 01:24:42,239
Wow 5th what does it begin 52 shades of

2011
01:24:47,570 --> 01:24:44,480
Barbie

2012
01:24:48,350 --> 01:24:47,580
50 shades of epic at 52 because 50 was

2013
01:24:52,820 --> 01:24:48,360

already taken

2014

01:24:54,110 --> 01:24:52,830

no wait what's the movie 50 right 50 and

2015

01:24:56,709 --> 01:24:54,120

then when that book came out we went

2016

01:25:00,740 --> 01:24:56,719

through it the ride beach one day and

2017

01:25:02,360 --> 01:25:00,750

like everyone within a distance know

2018

01:25:04,310 --> 01:25:02,370

that you could actually read had the

2019

01:25:06,919 --> 01:25:04,320

same freaking book you know that one did

2020

01:25:09,290 --> 01:25:06,929

oh I know everyone read that book and

2021

01:25:11,149 --> 01:25:09,300

that woman just became so freakin rich

2022

01:25:13,120 --> 01:25:11,159

it was it it was a submission to a book

2023

01:25:15,530 --> 01:25:13,130

club in some little town in Australia

2024

01:25:18,260 --> 01:25:15,540

that's how it's not it's amazing yeah

2025

01:25:19,189 --> 01:25:18,270

and then Bob um what was good for her

2026

01:25:21,649 --> 01:25:19,199

anyway

2027

01:25:24,560 --> 01:25:21,659

it's the woes of a writer and the

2028

01:25:27,350 --> 01:25:24,570

fellowship of the miserable Cobra you

2029

01:25:29,240 --> 01:25:27,360

should write a book someday Thank You

2030

01:25:31,459 --> 01:25:29,250

Mac coming through net is a very nice

2031

01:25:35,330 --> 01:25:31,469

compliment and encouragement right okay

2032

01:25:36,110 --> 01:25:35,340

also on the line with us is talk about

2033

01:25:37,970 --> 01:25:36,120

somebody should write a book

2034

01:25:40,729 --> 01:25:37,980

yeah right you like it a good friend

2035

01:25:42,229 --> 01:25:40,739

here from across the puddle Raja is

2036

01:25:44,990 --> 01:25:42,239

joining us how you doing tonight there

2037

01:25:48,350 --> 01:25:45,000

Russ I'm doing fine thank you Mike

2038

01:25:50,709 --> 01:25:48,360

Frank very glad to be with you again and

2039

01:25:54,140 --> 01:25:50,719

with the commander and one one of course

2040

01:25:57,350 --> 01:25:54,150

okay I was very much Russ it was a

2041

01:25:58,820 --> 01:25:57,360

surprise visit I know tonight oh well

2042

01:26:01,340 --> 01:25:58,830

it's never surprised when we get

2043

01:26:03,830 --> 01:26:01,350

together I was on the Cobra show the

2044

01:26:07,070 --> 01:26:03,840

other night one one two hours he grilled

2045

01:26:09,530 --> 01:26:07,080

me on everything he can grow yeah Ross

2046

01:26:10,970 --> 01:26:09,540

have you been on this issue have you

2047

01:26:15,320 --> 01:26:10,980

been on come into the show

2048

01:26:17,930 --> 01:26:15,330

oh yes the Massey report yeah we do it

2049

01:26:20,899 --> 01:26:17,940

together oh that's right it's sort of a

2050

01:26:23,300 --> 01:26:20,909

regular irregular feature that is

2051

01:26:25,430 --> 01:26:23,310

growing in popularity I think okay I

2052

01:26:27,649 --> 01:26:25,440

listen so frequently that all of it gets

2053

01:26:29,560 --> 01:26:27,659

mixed up and I wasn't sure okay but I

2054

01:26:32,840 --> 01:26:29,570

think it's an interesting show they come

2055

01:26:36,200 --> 01:26:32,850

go for zippy well he's every bosses the

2056

01:26:38,090 --> 01:26:36,210

reason that having Ross is so special is

2057

01:26:40,070 --> 01:26:38,100

you know his organization the people's

2058

01:26:42,709 --> 01:26:40,080

mosquito project rebuilding from scratch

2059

01:26:44,570 --> 01:26:42,719

you got started Mac we we started on

2060

01:26:46,939 --> 01:26:44,580

your show and a number of listeners

2061

01:26:50,169 --> 01:26:46,949

joined and then we've had a number of

2062

01:26:52,189 --> 01:26:50,179

people that have joined from my other

2063

01:26:53,450 --> 01:26:52,199

enterprise do they do at the other than

2064

01:26:55,070 --> 01:26:53,460

the other stations so

2065

01:26:57,709 --> 01:26:55,080

it to really help that program move

2066

01:27:00,170 --> 01:26:57,719

along and Ross's appreciation has always

2067

01:27:03,410 --> 01:27:00,180

been very strong to always try to help

2068

01:27:05,300 --> 01:27:03,420

us so right yet the Christmas cards are

2069

01:27:08,150 --> 01:27:05,310

out now and the special limited edition

2070

01:27:13,310 --> 01:27:08,160

2013 calendar says he's getting a

2071

01:27:14,750 --> 01:27:13,320

plug-in mosquito calm right people's

2072

01:27:22,700 --> 01:27:14,760

mosquito calm that's correct

2073

01:27:25,010 --> 01:27:22,710

oh no org org no the mosquito was this

2074

01:27:27,050 --> 01:27:25,020

airplane in World War two made of

2075

01:27:28,729 --> 01:27:27,060

plywood basically and they don't think

2076

01:27:29,990 --> 01:27:28,739

this as an insult Roz but only the

2077

01:27:32,810 --> 01:27:30,000

British would do something like this

2078

01:27:35,840 --> 01:27:32,820

okay they made that claims the wall man

2079

01:27:37,400 --> 01:27:35,850

yeah and and made it a plywood and it

2080

01:27:39,260 --> 01:27:37,410

turns out to be like the fastest plane

2081

01:27:40,880 --> 01:27:39,270

in the entire war some of them they

2082

01:27:42,350 --> 01:27:40,890

didn't even gun give guns to because

2083

01:27:44,120 --> 01:27:42,360

they said well I'll run anything you

2084

01:27:45,950 --> 01:27:44,130

know don't even waste time with guns and

2085

01:27:47,900 --> 01:27:45,960

ammunition and stuff I mean it's just a

2086

01:27:49,990 --> 01:27:47,910

great airplane little bit plain two-seat

2087

01:27:53,120 --> 01:27:50,000

it's a little bit bigger than that to

2088

01:27:55,250 --> 01:27:53,130

you know two engines to just an attack

2089

01:27:57,740 --> 01:27:55,260

airplane type thing but it did so many

2090

01:28:00,850 --> 01:27:57,750

things but they did have guns on some of

2091

01:28:03,290 --> 01:28:00,860

those lighters yeah yes oh yeah I mean

2092

01:28:04,760 --> 01:28:03,300

you know had a light comes on but some

2093

01:28:07,040 --> 01:28:04,770

of the Recon ones they didn't want to

2094

01:28:10,340 --> 01:28:07,050

weigh them down they right okay anyway

2095

01:28:11,660 --> 01:28:10,350

great airplane and Ross and his buddies

2096

01:28:12,350 --> 01:28:11,670

are bringing the packed on like this

2097

01:28:16,459 --> 01:28:12,360

excellent

2098

01:28:18,979 --> 01:28:16,469

so anyway listen Ross now yeah November

2099

01:28:20,810 --> 01:28:18,989

22nd 1963 we were talking earlier you

2100

01:28:22,220 --> 01:28:20,820

know where we were wouldn't happened and

2101

01:28:24,110 --> 01:28:22,230

stuff like that now you were over in

2102

01:28:25,940 --> 01:28:24,120

Britain can you give us like you know

2103

01:28:28,270 --> 01:28:25,950

the the the British point of view what

2104

01:28:33,140 --> 01:28:28,280

happened that day and how you found out

2105

01:28:37,100 --> 01:28:33,150

well quite simply our household a sharp

2106

01:28:41,479 --> 01:28:37,110

household was a very much Anna marital

2107

01:28:46,220 --> 01:28:41,489

household and it all came out about

2108

01:28:48,940 --> 01:28:46,230

because of the war my parents my brother

2109

01:28:51,350 --> 01:28:48,950

had been born in June 1939

2110

01:28:54,560 --> 01:28:51,360

we always joke they had to be a reason

2111

01:28:59,300 --> 01:28:54,570

for the war and that was it

2112

01:29:04,400 --> 01:28:59,310

but they were a young couple and they

2113

01:29:04,820 --> 01:29:04,410

were sort of sponsored by an older

2114

01:29:10,400 --> 01:29:04,830

couple

2115

01:29:12,660 --> 01:29:10,410

South Dakota through the church and

2116

01:29:16,290 --> 01:29:12,670

right the way through the bad days of

2117

01:29:17,730 --> 01:29:16,300

the Blitz and right the way through to

2118

01:29:20,700 --> 01:29:17,740

the end of the war they used to receive

2119

01:29:24,900 --> 01:29:20,710

care packages clothing for the baby my

2120

01:29:27,090 --> 01:29:24,910

brother and clothing as well as clothing

2121

01:29:29,160 --> 01:29:27,100

used to get the odd tin of ham and it

2122

01:29:32,550 --> 01:29:29,170

really really helped them so it was

2123

01:29:37,860 --> 01:29:32,560

quite natural when I came around after

2124

01:29:43,320 --> 01:29:37,870

the war I took the name of the gentleman

2125

01:29:45,990 --> 01:29:43,330

concerned I was named Ross and they

2126
01:29:48,870 --> 01:29:46,000
stood as proxy godparents in a service

2127
01:29:54,960 --> 01:29:48,880
in North South Dakota at the same time

2128
01:29:59,120 --> 01:29:54,970
as I was being baptized in the UK so not

2129
01:30:02,430 --> 01:29:59,130
too many people tell that and so that's

2130
01:30:05,460 --> 01:30:02,440
Ross but that's good yeah it's so so

2131
01:30:07,740 --> 01:30:05,470
that's why we're very much a Mary and I

2132
01:30:09,870 --> 01:30:07,750
can orient and I have American they're

2133
01:30:14,970 --> 01:30:09,880
both sadly gone now I have American

2134
01:30:17,160 --> 01:30:14,980
godparents so I was about 14 at the time

2135
01:30:20,970 --> 01:30:17,170
I remember and I said to pop I'm going

2136
01:30:24,270 --> 01:30:20,980
upstairs and I got muddy I think I said

2137
01:30:26,190 --> 01:30:24,280
I'm gonna go and have a bath so I've not

2138
01:30:28,080 --> 01:30:26,200

been long I think I got out of the bath

2139

01:30:30,030 --> 01:30:28,090

when I was telling myself down and he

2140

01:30:33,540 --> 01:30:30,040

called up to me up the stairs we lived

2141

01:30:38,970 --> 01:30:33,550

in a three-bedroom house built in was in

2142

01:30:41,340 --> 01:30:38,980

a 1923 it's a big big boathouse and he

2143

01:30:44,190 --> 01:30:41,350

called to me said you've got to come

2144

01:30:45,330 --> 01:30:44,200

down why he said the I remember II was

2145

01:30:48,920 --> 01:30:45,340

standing at the bottom of stairs that

2146

01:30:53,030 --> 01:30:48,930

President Kennedy's being assassinated I

2147

01:30:57,600 --> 01:30:53,040

just didn't believe it it was just

2148

01:30:59,400 --> 01:30:57,610

that's can't be true how long did so

2149

01:31:07,080 --> 01:30:59,410

yeah Ross for it to really sink in that

2150

01:31:12,000 --> 01:31:07,090

this was actually happening in that yeah

2151
01:31:15,300 --> 01:31:12,010
we we had a small Irish television

2152
01:31:18,879 --> 01:31:15,310
believe but not a Murphy black-and-white

2153
01:31:20,770 --> 01:31:18,889
and we were clustered around that

2154
01:31:23,709 --> 01:31:20,780
and you know obviously the reports were

2155
01:31:28,660 --> 01:31:23,719
coming in from reporters and at the

2156
01:31:30,780 --> 01:31:28,670
hospital and it was just mayhem and it

2157
01:31:33,910 --> 01:31:30,790
took a long while for it to actually

2158
01:31:36,070 --> 01:31:33,920
sink in we know now of course that the

2159
01:31:37,720 --> 01:31:36,080
president was officially classified as

2160
01:31:41,669 --> 01:31:37,730
moribund when he arrived at the hospital

2161
01:31:44,470 --> 01:31:41,679
so there was no chance but yes it did

2162
01:31:47,979 --> 01:31:44,480
take a while for it to sink in and they

2163
01:31:50,979 --> 01:31:47,989

were just numbness after there it was

2164

01:31:54,669 --> 01:31:50,989

like the light going out did they have

2165

01:31:56,050 --> 01:31:54,679

the wall-to-wall well oh well yes as far

2166

01:31:58,209 --> 01:31:56,060

as you could do of course you have to

2167

01:32:01,959 --> 01:31:58,219

understand in those days they were only

2168

01:32:04,240 --> 01:32:01,969

let's get this right two three four

2169

01:32:05,530 --> 01:32:04,250

television stations on a national basis

2170

01:32:07,689 --> 01:32:05,540

in the UK yep

2171

01:32:10,209 --> 01:32:07,699

that's all I think there was about three

2172

01:32:13,330 --> 01:32:10,219

or four maybe in in the u.s. too

2173

01:32:16,890 --> 01:32:13,340

yeah so that was it it was literally

2174

01:32:18,970 --> 01:32:16,900

walk to walk busily Walter there's

2175

01:32:24,390 --> 01:32:18,980

locally believes they're not where I was

2176
01:32:32,919 --> 01:32:24,400
living there is a local John F Kennedy

2177
01:32:40,240 --> 01:32:32,929
connection so uh-huh yes again itting

2178
01:32:45,700 --> 01:32:40,250
Lee the one of the Candy Girls actually

2179
01:32:50,830 --> 01:32:45,710
married the son of the Duke of

2180
01:32:54,160 --> 01:32:50,840
Devonshire Kathleen Kennedy and she

2181
01:32:59,379 --> 01:32:54,170
became the Marchioness of Hartington

2182
01:33:02,379 --> 01:32:59,389
which is a curtal yeah what was that

2183
01:33:06,850 --> 01:33:02,389
name again was a telegin the what the

2184
01:33:08,669 --> 01:33:06,860
Marchioness of Washington it's a female

2185
01:33:10,899 --> 01:33:08,679
coming to the Marquess of Hartington

2186
01:33:14,740 --> 01:33:10,909
well I should explain that British

2187
01:33:16,990 --> 01:33:14,750
aristocracy the higher you go if you

2188
01:33:19,620 --> 01:33:17,000

just sir or lady that's all you I you're

2189

01:33:22,240 --> 01:33:19,630

a knight you know or his wife is a lady

2190

01:33:24,359 --> 01:33:22,250

the higher up you go you also get

2191

01:33:28,899 --> 01:33:24,369

courtesy titles of a lesser rank

2192

01:33:30,669 --> 01:33:28,909

attached to your main title that so as

2193

01:33:32,530 --> 01:33:30,679

your children are growing up and

2194

01:33:35,500 --> 01:33:32,540

obviously there

2195

01:33:39,330 --> 01:33:35,510

is still alive they can have a lesser

2196

01:33:42,220 --> 01:33:39,340

title that they can be addressed at by

2197

01:33:46,750 --> 01:33:42,230

it's called a courtesy title system the

2198

01:33:51,480 --> 01:33:46,760

queen has lots and they leave also the

2199

01:33:54,520 --> 01:33:51,490

do conducive of corn of Cambridge when

2200

01:33:59,230 --> 01:33:54,530

they're in Northern Ireland their Lord

2201

01:34:01,500 --> 01:33:59,240

and Lady Strathearn yeah it's it's it's

2202

01:34:06,220 --> 01:34:01,510

weird I know but but that's that's life

2203

01:34:09,180 --> 01:34:06,230

okay a member of the aristocracy now the

2204

01:34:14,410 --> 01:34:09,190

thing is that she would of course have

2205

01:34:16,240 --> 01:34:14,420

become that the Duchess of Devonshire

2206

01:34:19,870 --> 01:34:16,250

believe it or not Devonshire's as the

2207

01:34:22,420 --> 01:34:19,880

title refers to Derbyshire because in

2208

01:34:26,950 --> 01:34:22,430

the Middle Ages a clerk who was actually

2209

01:34:28,870 --> 01:34:26,960

writing this out made a mistake no the

2210

01:34:30,220 --> 01:34:28,880

person who is being created deep thought

2211

01:34:33,360 --> 01:34:30,230

okay well I'll go with whatever you want

2212

01:34:38,410 --> 01:34:33,370

to call me basically

2213

01:34:41,110 --> 01:34:38,420

anyway the her husband the Duke of

2214

01:34:44,740 --> 01:34:41,120

Devonshire's son was a tank commander

2215

01:34:53,260 --> 01:34:44,750

and a very distinguished one but he was

2216

01:34:56,590 --> 01:34:53,270

killed in action in Normandy so that

2217

01:35:01,120 --> 01:34:56,600

left her a widow and unfortunately when

2218

01:35:04,060 --> 01:35:01,130

she died in an air crash post war she

2219

01:35:07,540 --> 01:35:04,070

was actually buried in st. Peter's

2220

01:35:10,420 --> 01:35:07,550

Church yard and the little Church in the

2221

01:35:15,130 --> 01:35:10,430

village of Eden saw which is on the Duke

2222

01:35:18,640 --> 01:35:15,140

of estate in Derbyshire so much so that

2223

01:35:22,150 --> 01:35:18,650

when JFK came on official visit to

2224

01:35:24,250 --> 01:35:22,160

England he actually made a side trip a

2225

01:35:28,480 --> 01:35:24,260

private side trip to visit his sister's

2226

01:35:31,720 --> 01:35:28,490

grave in Derbyshire huh well and a large

2227

01:35:34,060 --> 01:35:31,730

in in Derby about a mile and a half one

2228

01:35:38,200 --> 01:35:34,070

where I was living was renamed the John

2229

01:35:40,090 --> 01:35:38,210

F Kennedy so yeah there was a big local

2230

01:35:42,880 --> 01:35:40,100

angle to this story can I just ask a

2231

01:35:44,740 --> 01:35:42,890

question and then his father who you

2232

01:35:46,750 --> 01:35:44,750

don't really hear too much about Joseph

2233

01:35:49,300 --> 01:35:46,760

Kennedy was the ambassador of the US

2234

01:35:51,040 --> 01:35:49,310

ambassador to the UK and not well-liked

2235

01:35:52,390 --> 01:35:51,050

and not well-liked he's like you know

2236

01:35:55,000 --> 01:35:52,400

really didn't have him which appears to

2237

01:35:56,620 --> 01:35:55,010

be mutual England very much know right

2238

01:35:59,740 --> 01:35:56,630

yeah there was no woman fuzzy was with

2239

01:36:01,930 --> 01:35:59,750

him and he went back the Roosevelt him

2240

01:36:07,570 --> 01:36:01,940

said basically yeah the Germans take it

2241

01:36:10,840 --> 01:36:07,580

over you know everybody out because

2242

01:36:13,030 --> 01:36:10,850

these guys are gonna lose didn't exactly

2243

01:36:14,980 --> 01:36:13,040

endear him to the British government

2244

01:36:18,970 --> 01:36:14,990

normally when you're an ambassador of a

2245

01:36:21,010 --> 01:36:18,980

neutral country as he then was you

2246

01:36:26,560 --> 01:36:21,020

maintain neutrality you're not supposed

2247

01:36:30,640 --> 01:36:26,570

to take sides in any conflict right by

2248

01:36:33,370 --> 01:36:30,650

the way as one Kennedy is a reflection

2249

01:36:36,820 --> 01:36:33,380

of Kennedy the ambassador the air

2250

01:36:39,190 --> 01:36:36,830

attache rich at the time the American

2251
01:36:43,090 --> 01:36:39,200
air attache was flying around England in

2252
01:36:46,200 --> 01:36:43,100
a beech Staggerwing right with a bright

2253
01:36:48,850 --> 01:36:46,210
blue fuselage and bright yellow wings

2254
01:36:51,940 --> 01:36:48,860
that so the Luftwaffe wouldn't shoot him

2255
01:36:53,170 --> 01:36:51,950
down and carrying an embassy seal on it

2256
01:36:56,530 --> 01:36:53,180
well I'm talking about a beautiful

2257
01:36:59,170 --> 01:36:56,540
wooden airplane oh you know anyway so

2258
01:37:02,320 --> 01:36:59,180
that yes the the the assassination was a

2259
01:37:03,760 --> 01:37:02,330
great shock locally because the one

2260
01:37:06,220 --> 01:37:03,770
place in the British Isles you could

2261
01:37:08,170 --> 01:37:06,230
have chosen to have a big candy

2262
01:37:10,720 --> 01:37:08,180
connection that was right where we were

2263
01:37:12,160 --> 01:37:10,730

right yeah yeah and over the island of

2264

01:37:15,460 --> 01:37:12,170

course like we were talking earlier oh

2265

01:37:17,140 --> 01:37:15,470

yeah you know I mean growing up you know

2266

01:37:18,610 --> 01:37:17,150

in our house who was a picture of

2267

01:37:20,440 --> 01:37:18,620

Kennedy you know it's some kind of

2268

01:37:27,220 --> 01:37:20,450

saying whatever thanks to a picture of

2269

01:37:29,230 --> 01:37:27,230

the Pope sure yes changeable yeah so but

2270

01:37:30,430 --> 01:37:29,240

you know I mean we've talked about

2271

01:37:33,610 --> 01:37:30,440

tonight you know whether it was a

2272

01:37:35,140 --> 01:37:33,620

conspiracy or whatever you know but let

2273

01:37:37,450 --> 01:37:35,150

me ask you a different question suppose

2274

01:37:40,000 --> 01:37:37,460

that Kennedy had lived okay let's say he

2275

01:37:41,230 --> 01:37:40,010

lived let's say he wasn't shot at all he

2276

01:37:53,110 --> 01:37:41,240

would I think he would have run

2277

01:37:54,880 --> 01:37:53,120

reelection in 64 I think so yeah so so

2278

01:37:57,250 --> 01:37:54,890

then he has to be you know his retire at

2279

01:37:58,840 --> 01:37:57,260

the end of 68 okay and that's the head

2280

01:38:00,910 --> 01:37:58,850

that's when the Vietnam War just like

2281

01:38:02,830 --> 01:38:00,920

goes insane right would that have

2282

01:38:06,100 --> 01:38:02,840

happened you know I would if he would it

2283

01:38:07,870 --> 01:38:06,110

would have it dawned on him it's likely

2284

01:38:09,550 --> 01:38:07,880

that Bobby would have run or something

2285

01:38:11,260 --> 01:38:09,560

yeah exactly so you have this diamond

2286

01:38:13,540 --> 01:38:11,270

yes but I don't think they would have

2287

01:38:15,040 --> 01:38:13,550

they were not Saints by any stretch of

2288

01:38:17,200 --> 01:38:15,050

the imagination but I think they were

2289

01:38:19,720 --> 01:38:17,210

smart enough not to get embroiled in

2290

01:38:21,910 --> 01:38:19,730

what happened that Vietnam right I think

2291

01:38:23,560 --> 01:38:21,920

so yeah I'll give you a couple other

2292

01:38:26,290 --> 01:38:23,570

things if I don't think we would have

2293

01:38:28,870 --> 01:38:26,300

been to the moon in 69 if he landed no

2294

01:38:30,850 --> 01:38:28,880

no yeah he had a lot of public relations

2295

01:38:33,310 --> 01:38:30,860

behind him which is really like the

2296

01:38:35,860 --> 01:38:33,320

first president to really kind of if you

2297

01:38:38,800 --> 01:38:35,870

ever listen to tapes when he's talking

2298

01:38:41,200 --> 01:38:38,810

about that getting a man on the moon in

2299

01:38:42,820 --> 01:38:41,210

ten years right he was not the least bit

2300

01:38:44,560 --> 01:38:42,830

committed to that that was just a sound

2301
01:38:47,080 --> 01:38:44,570
bike that he was presenting in a speech

2302
01:38:50,140 --> 01:38:47,090
and on his assassination it became a

2303
01:38:52,690 --> 01:38:50,150
battle cry right you know to kind of

2304
01:38:56,680 --> 01:38:52,700
take all this emotional energy and

2305
01:38:58,380 --> 01:38:56,690
harness it yeah yes yes I think he was a

2306
01:39:01,270 --> 01:38:58,390
very much

2307
01:39:02,860 --> 01:39:01,280
he was wildly popular not just in

2308
01:39:07,810 --> 01:39:02,870
Ireland and England of course with the

2309
01:39:12,580 --> 01:39:07,820
rest of Europe and he made that speech

2310
01:39:15,850 --> 01:39:12,590
in he pop speech in berming and in

2311
01:39:18,040 --> 01:39:15,860
Berlin right the only thing is they did

2312
01:39:19,480 --> 01:39:18,050
commit a slight linguistic error

2313
01:39:21,430 --> 01:39:19,490

oh come on you're not gonna bring up the

2314

01:39:24,400 --> 01:39:21,440

doughnut are you yeah nobody I wanna

2315

01:39:33,280 --> 01:39:24,410

know yeah yeah I am A Berliner and he

2316

01:39:34,960 --> 01:39:33,290

said I was a pastry is there any sure

2317

01:39:36,400 --> 01:39:34,970

yeah is there any truth in it because it

2318

01:39:37,900 --> 01:39:36,410

seems like he'd have people who would

2319

01:39:46,450 --> 01:39:37,910

look into something like that before you

2320

01:39:52,090 --> 01:39:46,460

said it yes or no all right excellent

2321

01:39:56,530 --> 01:39:52,100

yeah I am a doughnut so Grubin worse

2322

01:40:06,280 --> 01:39:56,540

could've been worse what just mouthed

2323

01:40:07,950 --> 01:40:06,290

something to me that was were you also

2324

01:40:10,770 --> 01:40:07,960

talked about that earlier in the show

2325

01:40:12,000 --> 01:40:10,780

as it turns out that from my point of

2326

01:40:13,500 --> 01:40:12,010

view would happen here and we're all

2327

01:40:16,650 --> 01:40:13,510

like kind of in grade school when this

2328

01:40:19,800 --> 01:40:16,660

happened and I was in a Catholic school

2329

01:40:21,450 --> 01:40:19,810

were you in a Catholic school no no no

2330

01:40:24,479 --> 01:40:21,460

it Cobra were you in a Catholic school

2331

01:40:28,110 --> 01:40:24,489

alright we one and a half no I was not

2332

01:40:29,970 --> 01:40:28,120

in school anyway you know with the

2333

01:40:31,979 --> 01:40:29,980

Catholic school they've added the drama

2334

01:40:34,530 --> 01:40:31,989

of the whole you know thing you know so

2335

01:40:36,390 --> 01:40:34,540

it just weighed on everyone's minds you

2336

01:40:38,280 --> 01:40:36,400

could tell you could tell me and then as

2337

01:40:40,170 --> 01:40:38,290

we said a little while ago a month late

2338

01:40:42,420 --> 01:40:40,180

a mum the Beatles all of a sudden show

2339

01:40:44,280 --> 01:40:42,430

up and everyone just goes and save the

2340

01:40:45,630 --> 01:40:44,290

day it saved the day do you see that

2341

01:40:47,070 --> 01:40:45,640

from you up one of you rust you know

2342

01:40:54,630 --> 01:40:47,080

what I mean

2343

01:40:56,400 --> 01:40:54,640

it was insane my brother-in-law late

2344

01:40:59,550 --> 01:40:56,410

brother-in-law unfortunately we lost him

2345

01:41:01,620 --> 01:40:59,560

about five years ago he and that's a

2346

01:41:04,050 --> 01:41:01,630

whole other story he slipped and fell

2347

01:41:06,600 --> 01:41:04,060

off a mountain in Switzerland Wow

2348

01:41:10,320 --> 01:41:06,610

yeah I know yeah bad news that was then

2349

01:41:12,720 --> 01:41:10,330

the not only that but the Swiss actually

2350

01:41:14,190 --> 01:41:12,730

lost his original birth certificate and

2351
01:41:16,700 --> 01:41:14,200
marriage certificate because they

2352
01:41:20,820 --> 01:41:16,710
demanded the originals not copies and

2353
01:41:23,340 --> 01:41:20,830
his body was stuck in in customs in

2354
01:41:27,540 --> 01:41:23,350
Geneva for more than two weeks but

2355
01:41:30,570 --> 01:41:27,550
that's a whole other story the Beatles

2356
01:41:32,580 --> 01:41:30,580
they he was from bold in gesture which

2357
01:41:36,120 --> 01:41:32,590
is about 20 miles out of Liverpool and

2358
01:41:38,250 --> 01:41:36,130
he can do a very very passable Paul

2359
01:41:40,380 --> 01:41:38,260
McCartney impersonation Wow

2360
01:41:44,880 --> 01:41:40,390
except he was right-handed as opposed to

2361
01:41:46,979 --> 01:41:44,890
being left okay the the whole phenomena

2362
01:41:51,690 --> 01:41:46,989
is one one touched on about they'd been

2363
01:41:59,880 --> 01:41:51,700

to to Hamburg they regrettably dumped

2364

01:42:02,580 --> 01:41:59,890

Pete best and someone said there's a

2365

01:42:05,520 --> 01:42:02,590

great great joke and one of the best

2366

01:42:08,850 --> 01:42:05,530

British comedy film series of all time

2367

01:42:11,640 --> 01:42:08,860

Red Dwarf when the narrator who is from

2368

01:42:13,709 --> 01:42:11,650

Liverpool was playing playing a talking

2369

01:42:16,890 --> 01:42:13,719

computer said yes we could be in an

2370

01:42:19,290 --> 01:42:16,900

alternate universe somewhere like where

2371

01:42:21,960 --> 01:42:19,300

Hitler had won the second war world

2372

01:42:28,320 --> 01:42:21,970

or where drink Ringo was a really good

2373

01:42:30,450 --> 01:42:28,330

drummer right okay time out we have to

2374

01:42:32,520 --> 01:42:30,460

say this in defense Ringo is one of the

2375

01:42:34,650 --> 01:42:32,530

best drummers in rock and roll one one

2376

01:42:37,650 --> 01:42:34,660

correct I agree yeah he is it and people

2377

01:42:40,590 --> 01:42:37,660

don't understand what really reads out

2378

01:42:42,630 --> 01:42:40,600

in England on that woman but no all they

2379

01:42:45,750 --> 01:42:42,640

have to do is listen to you when YouTube

2380

01:42:48,060 --> 01:42:45,760

first of all I read the Beatles

2381

01:42:50,070 --> 01:42:48,070

recording book Studio book and it's

2382

01:42:51,780 --> 01:42:50,080

every single day a diary of what they

2383

01:42:53,640 --> 01:42:51,790

did and they who played one on that

2384

01:42:56,220 --> 01:42:53,650

surface they used incredible right with

2385

01:42:56,910 --> 01:42:56,230

their for snacks and it would say how

2386

01:42:59,310 --> 01:42:56,920

many takes

2387

01:43:02,880 --> 01:42:59,320

okay of a certain song whatever and why

2388

01:43:04,590 --> 01:43:02,890

they stopped to take in 178 songs they

2389

01:43:06,600 --> 01:43:04,600

recorded I think it's the number all

2390

01:43:10,440 --> 01:43:06,610

right they stopped the tape for Ringo

2391

01:43:12,660 --> 01:43:10,450

twice hi in Korea for the others it was

2392

01:43:14,520 --> 01:43:12,670

in like in the hundreds you know Jonah

2393

01:43:17,010 --> 01:43:14,530

falls off his chair is almost chewing

2394

01:43:18,840 --> 01:43:17,020

gum with her and he was it never stopped

2395

01:43:21,060 --> 01:43:18,850

the tape while he was playing I'm not

2396

01:43:22,800 --> 01:43:21,070

saying he couldn't carry a mate no no

2397

01:43:25,260 --> 01:43:22,810

nice he's amazing he just go on YouTube

2398

01:43:27,270 --> 01:43:25,270

and wasn't to Ringo Starr isolated drums

2399

01:43:28,770 --> 01:43:27,280

for certain songs and stuff where the

2400

01:43:31,140 --> 01:43:28,780

drums were really brought up incredible

2401
01:43:33,870 --> 01:43:31,150
he's an incredible drummer and that's

2402
01:43:35,640 --> 01:43:33,880
all there is to it and ask any musician

2403
01:43:40,560 --> 01:43:35,650
and he'll tell you you know he's an

2404
01:43:43,500 --> 01:43:40,570
incredible North today proof right well

2405
01:43:46,860 --> 01:43:43,510
there's still as I said that line was

2406
01:43:56,040 --> 01:43:46,870
broadcast on BBC television it's on the

2407
01:44:00,180 --> 01:43:56,050
right I'll send you the clip money I

2408
01:44:02,100 --> 01:44:00,190
guess my Ringo always came back well six

2409
01:44:04,950 --> 01:44:02,110
degrees of freaking activity you know

2410
01:44:07,980 --> 01:44:04,960
the ocean bacon in six weeks when he

2411
01:44:10,620 --> 01:44:07,990
says he's worth like 350 million dollars

2412
01:44:13,380 --> 01:44:10,630
right so you know he had a bag doing

2413
01:44:15,240 --> 01:44:13,390

something right yeah anyway so so but do

2414

01:44:18,030 --> 01:44:15,250

you don't I mean how like sometimes they

2415

01:44:19,710 --> 01:44:18,040

can be like a bad distraction you know

2416

01:44:21,210 --> 01:44:19,720

what can he get shot and it was really

2417

01:44:24,180 --> 01:44:21,220

in this mourning period man I remember

2418

01:44:25,740 --> 01:44:24,190

it like crazy you know and then the next

2419

01:44:27,510 --> 01:44:25,750

thing I know like all of a sudden the

2420

01:44:29,100 --> 01:44:27,520

Beatles who what you know what are they

2421

01:44:32,160 --> 01:44:29,110

and and it was kind of like him in

2422

01:44:33,169 --> 01:44:32,170

amazing you don't understand there are

2423

01:44:35,959 --> 01:44:33,179

two schools of

2424

01:44:39,430 --> 01:44:35,969

at this moment in time you have the

2425

01:44:43,040 --> 01:44:39,440

Beatles and you have Liverpool sound

2426

01:44:43,700 --> 01:44:43,050

Gerry and the Pacemakers yeah and so on

2427

01:44:47,209 --> 01:44:43,710

so forth

2428

01:44:50,360 --> 01:44:47,219

flooding south from the Mersey and sort

2429

01:44:54,050 --> 01:44:50,370

of a bulwark of London you've got stones

2430

01:44:58,990 --> 01:44:54,060

fence yeah exactly the same Toyo yeah

2431

01:45:01,610 --> 01:44:59,000

now the Beatles are playing obviously

2432

01:45:05,149 --> 01:45:01,620

everything from Jerry Lee Lewis and so

2433

01:45:07,970 --> 01:45:05,159

on so forth the stones were playing

2434

01:45:12,640 --> 01:45:07,980

rhythm and blues tracks from America

2435

01:45:15,620 --> 01:45:12,650

much harder harsher sound and in the UK

2436

01:45:17,720 --> 01:45:15,630

you fell into one or two camps

2437

01:45:19,820 --> 01:45:17,730

you're either a Stones fan or you're a

2438

01:45:22,070 --> 01:45:19,830

Beatles fan you know and there was

2439

01:45:25,459 --> 01:45:22,080

almost like hatred between the two bands

2440

01:45:29,630 --> 01:45:25,469

goodness yes unbelievable but both of

2441

01:45:32,360 --> 01:45:29,640

them bands many of their members came

2442

01:45:34,640 --> 01:45:32,370

from having studied colleges of art

2443

01:45:36,860 --> 01:45:34,650

right yeah

2444

01:45:39,800 --> 01:45:36,870

and they felt like they're out of place

2445

01:45:41,390 --> 01:45:39,810

in those colleges of art and just when

2446

01:45:43,850 --> 01:45:41,400

you read about how the guys met

2447

01:45:47,120 --> 01:45:43,860

individually and collectively got

2448

01:45:54,560 --> 01:45:47,130

together let's form a bond you know it's

2449

01:45:59,180 --> 01:45:54,570

like they do actually take the official

2450

01:46:02,630 --> 01:45:59,190

bus tour to various places you know down

2451

01:46:09,880 --> 01:46:02,640

penny lane go and see the various houses

2452

01:46:13,520 --> 01:46:09,890

etc so they took that buster unconfirmed

2453

01:46:17,000 --> 01:46:13,530

he did as I said he escaped up to to

2454

01:46:18,590 --> 01:46:17,010

Derbyshire his he did things that his

2455

01:46:28,189 --> 01:46:18,600

handlers too weren't necessarily pleased

2456

01:46:30,560 --> 01:46:28,199

with Jackie yes listen though about

2457

01:46:33,800 --> 01:46:30,570

England itself now a lot of people when

2458

01:46:35,090 --> 01:46:33,810

the Beatles first came out and they went

2459

01:46:36,410 --> 01:46:35,100

to London and really started getting

2460

01:46:38,060 --> 01:46:36,420

popular lot of people didn't like them

2461

01:46:39,290 --> 01:46:38,070

because they were from the north now is

2462

01:46:41,540 --> 01:46:39,300

that kind of like you know some people

2463

01:46:43,040 --> 01:46:41,550

in all of this country is they look down

2464

01:46:43,700 --> 01:46:43,050

on people from the south is that the

2465

01:46:46,220 --> 01:46:43,710

yeah

2466

01:46:48,380 --> 01:46:46,230

oh boy you've opened up a huge can of

2467

01:46:51,920 --> 01:46:48,390

worms there Mac okay six minutes North

2468

01:46:55,220 --> 01:46:51,930

versus south argument been going on for

2469

01:46:58,790 --> 01:46:55,230

the last thousand years and I mean that

2470

01:47:02,650 --> 01:46:58,800

the last thousand years when when the

2471

01:47:05,600 --> 01:47:02,660

Conqueror invaded from Normandy in 1066

2472

01:47:07,100 --> 01:47:05,610

they army be another bill by the way

2473

01:47:10,880 --> 01:47:07,110

just wanna throw that in there

2474

01:47:13,610 --> 01:47:10,890

yeah yeah they are the army the normal

2475

01:47:15,160 --> 01:47:13,620

army swept up north from the battle they

2476

01:47:17,090 --> 01:47:15,170

won the Battle of San lach Hill

2477

01:47:19,340 --> 01:47:17,100

technically it's called that just

2478

01:47:21,260 --> 01:47:19,350

outside of Hastings and they swept

2479

01:47:23,300 --> 01:47:21,270

through to London he was crowned there

2480

01:47:26,479 --> 01:47:23,310

as king of England

2481

01:47:28,970 --> 01:47:26,489

he did have a claim to the throne but

2482

01:47:31,850 --> 01:47:28,980

was slightly tenuous one and then the

2483

01:47:34,580 --> 01:47:31,860

North revolted yes we're very revolting

2484

01:47:36,920 --> 01:47:34,590

and he ventured

2485

01:47:41,000 --> 01:47:36,930

he eventually put together a campaign

2486

01:47:44,360 --> 01:47:41,010

called the harrying of the North look it

2487

01:47:48,440 --> 01:47:44,370

up and literally they went northwards

2488

01:47:53,240 --> 01:47:48,450

and they pillaged and burned and

2489

01:47:56,000 --> 01:47:53,250

destroyed literally yeah the whole

2490

01:47:58,729 --> 01:47:56,010

countryside mom it was just fire and

2491

01:48:01,910 --> 01:47:58,739

sword make really and what to get rid of

2492

01:48:05,959 --> 01:48:01,920

all these um you know bellies morons

2493

01:48:10,130 --> 01:48:05,969

each month so what happened is that ever

2494

01:48:13,670 --> 01:48:10,140

since then has been a slow erosion my

2495

01:48:15,620 --> 01:48:13,680

own County of Derbyshire Lord Byron

2496

01:48:19,930 --> 01:48:15,630

described it and this is a direct quote

2497

01:48:22,150 --> 01:48:19,940

it was described as a howling waste

2498

01:48:26,570 --> 01:48:22,160

unquote

2499

01:48:30,110 --> 01:48:26,580

it was the last actually had troglodytes

2500

01:48:33,080 --> 01:48:30,120

people living in caves you know that

2501

01:48:35,300 --> 01:48:33,090

their habitation and it was very very

2502

01:48:38,060 --> 01:48:35,310

much and underdeveloped and that's been

2503

01:48:41,390 --> 01:48:38,070

the story in the north

2504

01:48:45,200 --> 01:48:41,400

genteel managed decline in the modern

2505

01:48:46,430 --> 01:48:45,210

era and there's a marvelous cartoon I

2506

01:48:49,729 --> 01:48:46,440

think I've dig it out and send it to you

2507

01:48:54,410 --> 01:48:49,739

Mike it's a cartoon that was published

2508

01:48:57,219 --> 01:48:54,420

in punch magazine yep and it shows a

2509

01:48:59,949 --> 01:48:57,229

large blob

2510

01:49:03,189 --> 01:48:59,959

the bottom and it's labeled London and

2511

01:49:06,579 --> 01:49:03,199

there's a line going directly north and

2512

01:49:10,270 --> 01:49:06,589

it actually says a little silent it said

2513

01:49:11,709 --> 01:49:10,280

Hatfield and the North that a is a very

2514

01:49:14,229 --> 01:49:11,719

famous sign at the bottom on the main

2515

01:49:17,379 --> 01:49:14,239

motorway the m1 and also it's the name

2516

01:49:21,369 --> 01:49:17,389

of the band took that as a a name bit

2517

01:49:23,529 --> 01:49:21,379

like Fountains of Wayne and then there's

2518

01:49:25,569 --> 01:49:23,539

further up the line it's a branch off

2519

01:49:28,029 --> 01:49:25,579

the one side says Birmingham it's got a

2520

01:49:30,639 --> 01:49:28,039

dotted line and he goes from a bit

2521

01:49:37,540 --> 01:49:30,649

further and it says the north and then

2522

01:49:42,129 --> 01:49:37,550

beyond that it says here be dragons in

2523

01:49:48,790 --> 01:49:42,139

many ways is how it still regard to this

2524

01:49:54,099 --> 01:49:48,800

day when the BBC moved there a whole

2525

01:49:59,699 --> 01:49:54,109

chunk of their productivity and offices

2526

01:50:04,179 --> 01:49:59,709

to a wonderful new studio and

2527

01:50:07,239 --> 01:50:04,189

administrative complex in the older area

2528

01:50:11,799 --> 01:50:07,249

of lund of Manchester against the

2529

01:50:14,290 --> 01:50:11,809

Manchester Ship Canal about two-thirds

2530

01:50:17,829 --> 01:50:14,300

of the staff refused to move and I

2531

01:50:20,709 --> 01:50:17,839

resigned off and of the jobs etc and the

2532

01:50:23,469 --> 01:50:20,719

whole position was that even the person

2533

01:50:26,709 --> 01:50:23,479

running that complex and his deputy used

2534

01:50:30,069 --> 01:50:26,719

to commute by rail every day because

2535

01:50:32,829 --> 01:50:30,079

they wouldn't move well I've done the

2536

01:50:34,810 --> 01:50:32,839

reverse men like many people I started

2537

01:50:37,599 --> 01:50:34,820

out in the north and if you wanted to

2538

01:50:40,449 --> 01:50:37,609

get the really big job in my case with

2539

01:50:43,540 --> 01:50:40,459

the National Museum science industry you

2540

01:50:44,979 --> 01:50:43,550

had to move south another question I

2541

01:50:47,889 --> 01:50:44,989

always had about the British and I don't

2542

01:50:49,629 --> 01:50:47,899

know why it just seems so odd me when I

2543

01:50:51,069 --> 01:50:49,639

don't know if he even takes place these

2544

01:50:52,509 --> 01:50:51,079

days but certainly back then and the

2545

01:50:54,819 --> 01:50:52,519

Beatles coming up and everything you saw

2546

01:50:58,329 --> 01:50:54,829

them go into efficient chip shop and

2547

01:50:59,829 --> 01:50:58,339

they put on newspaper right you haven't

2548

01:51:02,859 --> 01:50:59,839

in the newspaper doesn't the ink and all

2549

01:51:04,599 --> 01:51:02,869

over the fish and stuff strangely enough

2550

01:51:06,729 --> 01:51:04,609

no because you put a piece a little

2551
01:51:09,750 --> 01:51:06,739
sheet of greaseproof paper inside all

2552
01:51:15,419 --> 01:51:11,910
there's actually a slit between north

2553
01:51:19,649 --> 01:51:15,429
and south as to what you eat and fish

2554
01:51:21,600 --> 01:51:19,659
and chips oh really yeah well yes for

2555
01:51:25,319 --> 01:51:21,610
example I remember walking up the hill

2556
01:51:27,270 --> 01:51:25,329
in our little native village to go and

2557
01:51:29,250 --> 01:51:27,280
get some fish and chips my mother asked

2558
01:51:32,759 --> 01:51:29,260
me to do so she didn't want to cook that

2559
01:51:37,529 --> 01:51:32,769
night and there was a big soccer match

2560
01:51:40,020 --> 01:51:37,539
in in Sheffield which is around about 40

2561
01:51:42,569 --> 01:51:40,030
miles north of where we were and they

2562
01:51:45,629 --> 01:51:42,579
were playing one of the London teams and

2563
01:51:48,450 --> 01:51:45,639

I think it was West Ham and in those

2564

01:51:52,890 --> 01:51:48,460

days they m1 motorway stopped at nothing

2565

01:51:55,379 --> 01:51:52,900

Ham to our south and that's as far

2566

01:52:00,629 --> 01:51:55,389

they'd built it out so far about 200

2567

01:52:04,680 --> 01:52:00,639

miles that point 150 our honor and this

2568

01:52:06,509 --> 01:52:04,690

coach of support is wesun supporters was

2569

01:52:08,640 --> 01:52:06,519

going to drive down from Sheffield and

2570

01:52:10,620 --> 01:52:08,650

pick up the m1 motorway down to London

2571

01:52:13,470 --> 01:52:10,630

it was going to be taken about an hour

2572

01:52:15,089 --> 01:52:13,480

hour and a half and suddenly they saw

2573

01:52:16,680 --> 01:52:15,099

the fish and chips on this spot got the

2574

01:52:19,410 --> 01:52:16,690

guys to stop they all boiled into the

2575

01:52:21,810 --> 01:52:19,420

fish and chip shop where I was and they

2576

01:52:23,580 --> 01:52:21,820

started asking the guy behind the

2577

01:52:27,299 --> 01:52:23,590

counter mr. right

2578

01:52:29,009 --> 01:52:27,309

for rocks sir they took a while for us

2579

01:52:32,729 --> 01:52:29,019

to actually find out what they meant

2580

01:52:36,209 --> 01:52:32,739

they meant rock salmon now that is

2581

01:52:39,750 --> 01:52:36,219

another term a polite term for dogfish

2582

01:52:43,169 --> 01:52:39,760

the less what a dogfish no and they eat

2583

01:52:45,180 --> 01:52:43,179

that in London we being good northerners

2584

01:52:48,299 --> 01:52:45,190

we have Cod we have haddock

2585

01:52:50,899 --> 01:52:48,309

we have occasionally place but you know

2586

01:52:56,990 --> 01:52:50,909

we don't deal with things like Rock sir

2587

01:52:59,970 --> 01:52:57,000

yes and you know we have mushy peas yeah

2588

01:53:01,890 --> 01:52:59,980

good name from ban the mushy pea mushy I

2589

01:53:04,740 --> 01:53:01,900

mean really green things that emotion is

2590

01:53:06,870 --> 01:53:04,750

talking about yeah yeah yeah so yeah

2591

01:53:08,549 --> 01:53:06,880

there's a big difference it was a and

2592

01:53:10,740 --> 01:53:08,559

there's a military connection believe it

2593

01:53:13,470 --> 01:53:10,750

or not commander well before we go any

2594

01:53:14,759 --> 01:53:13,480

further just to keep in the keeping with

2595

01:53:15,450 --> 01:53:14,769

the theme of the show keeping them yeah

2596

01:53:17,700 --> 01:53:15,460

yes

2597

01:53:19,950 --> 01:53:17,710

what kind of fish and chips to JFK light

2598

01:53:22,200 --> 01:53:19,960

there you go find out on him he'd

2599

01:53:23,640 --> 01:53:22,210

probably have havoc yeah because it's

2600

01:53:25,500 --> 01:53:23,650

very Irish thing

2601
01:53:27,830 --> 01:53:25,510
this is so done and if you get fish and

2602
01:53:30,479 --> 01:53:27,840
chips in London you're eating dog fish

2603
01:53:32,760 --> 01:53:30,489
no not necessarily you have to ask what

2604
01:53:35,280 --> 01:53:32,770
do you ask for the species of fish you

2605
01:53:37,110 --> 01:53:35,290
want you go and say I'll have Cod had it

2606
01:53:39,300 --> 01:53:37,120
in a better cost-efficient gift shop

2607
01:53:40,979 --> 01:53:39,310
you'll actually be offered these choices

2608
01:53:42,120 --> 01:53:40,989
you can pick them from the board behind

2609
01:53:44,060 --> 01:53:42,130
the counter okay

2610
01:53:46,020 --> 01:53:44,070
the ants family kind of ruins the moment

2611
01:53:47,550 --> 01:53:46,030
let me ask what kind of fish they're

2612
01:53:49,500 --> 01:53:47,560
gonna give you no no people have

2613
01:53:51,810 --> 01:53:49,510

preferences really yeah nothing wrong

2614

01:53:54,330 --> 01:53:51,820

with dogfish by the way the one hundred

2615

01:53:56,700 --> 01:53:54,340

and first Airborne this is where they

2616

01:53:58,590 --> 01:53:56,710

come in yes one hundred and first

2617

01:54:00,090 --> 01:53:58,600

Airborne Division the 82nd Airborne

2618

01:54:04,140 --> 01:54:00,100

Division were debt yeah Band of Brothers

2619

01:54:06,090 --> 01:54:04,150

guys westerly down south yeah there

2620

01:54:09,689 --> 01:54:06,100

wasn't enough room enough airfields for

2621

01:54:12,750 --> 01:54:09,699

the hundred and first down there so they

2622

01:54:15,270 --> 01:54:12,760

put them much further north in the

2623

01:54:19,410 --> 01:54:15,280

Midlands and there was also one an

2624

01:54:23,010 --> 01:54:19,420

airfield not far from Nottingham okay

2625

01:54:26,850 --> 01:54:23,020

and aldrin first were actually billet

2626

01:54:30,300 --> 01:54:26,860

they had their main camped in a park

2627

01:54:33,090 --> 01:54:30,310

just outside of the city centre yes and

2628

01:54:37,080 --> 01:54:33,100

they actually became addicted to fish

2629

01:54:39,510 --> 01:54:37,090

and chips yeah right now I really do I

2630

01:54:39,810 --> 01:54:39,520

mean it wasn't thinking about it smell

2631

01:54:41,189 --> 01:54:39,820

it

2632

01:54:44,729 --> 01:54:41,199

seafood that's a great combination

2633

01:54:48,300 --> 01:54:44,739

that's all your anyway just one one this

2634

01:54:55,560 --> 01:54:48,310

up yeah I think that nineteen six it is

2635

01:54:58,410 --> 01:54:55,570

were a very very turbulent decade not

2636

01:55:01,410 --> 01:54:58,420

just in music and culture and societal

2637

01:55:04,290 --> 01:55:01,420

changes but across the world in terms of

2638

01:55:06,959 --> 01:55:04,300

conflict and indeed assassinations as we

2639

01:55:08,850 --> 01:55:06,969

know yeah and you think it was Andy and

2640

01:55:11,729 --> 01:55:08,860

Martin Luther King and then but it was

2641

01:55:13,530 --> 01:55:11,739

also probably made worse by the start

2642

01:55:16,590 --> 01:55:13,540

with Kennedy right yes

2643

01:55:18,090 --> 01:55:16,600

seemed to go downhill from there well

2644

01:55:19,470 --> 01:55:18,100

hey listen talk about downhill that's

2645

01:55:23,189 --> 01:55:19,480

the end of the show they want one I'm

2646

01:55:25,260 --> 01:55:23,199

riveted yeah strained okay take on it I

2647

01:55:26,729 --> 01:55:25,270

think just you know with the only

2648

01:55:28,649 --> 01:55:26,739

conclusion we can come to is that there

2649

01:55:30,000 --> 01:55:28,659

will be no conclusion it'll just I think

2650

01:55:31,979 --> 01:55:30,010

the speculation will go on forever if

2651
01:55:33,450 --> 01:55:31,989
people hadn't come on now and talked

2652
01:55:34,080 --> 01:55:33,460
about it then you know who knows but

2653
01:55:36,320 --> 01:55:34,090
they listen

2654
01:55:39,680 --> 01:55:36,330
rishabh thanks for joining us tonight

2655
01:55:41,270 --> 01:55:39,690
man my Playa maca is always yep thank

2656
01:55:42,680 --> 01:55:41,280
you for playing with us tonight in the

2657
01:55:44,840 --> 01:55:42,690
short note the other greatest yeah like

2658
01:55:46,790 --> 01:55:44,850
a human encyclopedia I can listen to is

2659
01:55:50,000 --> 01:55:46,800
amazing all night so thank you very much

2660
01:55:51,920 --> 01:55:50,010
for us and also Cobra could listen to

2661
01:55:53,510 --> 01:55:51,930
you all my to like it did Sunday night

2662
01:55:54,170 --> 01:55:53,520
actually thanks to having me on the show

2663
01:55:56,300 --> 01:55:54,180

again

2664

01:55:57,710 --> 01:55:56,310

thank you for coming okay and a lot of

2665

01:56:00,230 --> 01:55:57,720

fun very well received

2666

01:56:02,240 --> 01:56:00,240

yeah of it and this is some way that we

2667

01:56:06,470 --> 01:56:02,250

can like and lammeter at that and just

2668

01:56:09,970 --> 01:56:06,480

go through the lawyers and oh sure send

2669

01:56:14,390 --> 01:56:12,530

okay alright yeah I sent them like five

2670

01:56:16,910 --> 01:56:14,400

messages on skype coming you know listen

2671

01:56:19,850 --> 01:56:16,920

to it nothing silence yeah I think

2672

01:56:29,780 --> 01:56:19,860

crickets but this silence exactly with

2673

01:56:33,190 --> 01:56:29,790

the silence he's actually kind of mind

2674

01:56:35,420 --> 01:56:33,200

games it's fine detainment on the radio

2675

01:56:35,750 --> 01:56:35,430

so thank you go before joining us

2676
01:56:38,120 --> 01:56:35,760
tonight

2677
01:56:41,180 --> 01:56:38,130
thank you for a tweeter and we will talk

2678
01:56:45,100 --> 01:56:41,190
very soon okay let's get back to Ross

2679
01:56:55,250 --> 01:56:45,110
and also to Emily M aka cupcake right

2680
01:57:00,500 --> 01:56:55,260
frosting with frosting so boy what have

2681
01:57:02,200 --> 01:57:00,510
I got myself in when you're in front of

2682
01:57:05,570 --> 01:57:02,210
Commission make sure you throw that down

2683
01:57:08,600 --> 01:57:05,580
yeah it's an antipasto salad of a show

2684
01:57:11,930 --> 01:57:08,610
it's not bacon thank you uh speaking

2685
01:57:16,070 --> 01:57:11,940
Vietnamese I'll thank you to common

2686
01:57:23,390 --> 01:57:16,080
beanie yes get that right man you know

2687
01:57:26,120 --> 01:57:23,400
so yeah okay like Gwen Stefani right

2688
01:57:28,280 --> 01:57:26,130

yeah okay it was like as we said before

2689

01:57:30,470 --> 01:57:28,290

anyone gives us any trouble at all would

2690

01:57:32,390 --> 01:57:30,480

you say a friend common yet house

2691

01:57:35,000 --> 01:57:32,400

comments Kafani down there

2692

01:57:35,870 --> 01:57:35,010

it was right around the time square you

2693

01:57:40,120 --> 01:57:35,880

know he's gonna give you a call okay

2694

01:57:44,360 --> 01:57:42,920

he's gonna bring the cannoli - yeah so

2695

01:57:45,729 --> 01:57:44,370

instead of getting lawyers will do that

2696

01:57:53,330 --> 01:57:45,739

okay

2697

01:57:54,890 --> 01:57:53,340

in that thanks to Stephen M and also

2698

01:58:01,729 --> 01:57:54,900

Rebecca house it didn't call me tonight

2699

01:58:03,620 --> 01:58:01,739

for some reason maybe nice no sister

2700

01:58:06,260 --> 01:58:03,630

here the female voice the last time he's

2701
01:58:08,300 --> 01:58:06,270
been gone my a he could be their Lane

2702
01:58:10,280 --> 01:58:08,310
then pebbles has already eaten them up

2703
01:58:13,399 --> 01:58:10,290
for three days you never know right the

2704
01:58:15,169 --> 01:58:13,409
wild dogs yeah okay that'd be ironic he

2705
01:58:17,450 --> 01:58:15,179
lives now in a city where there nine

2706
01:58:21,169 --> 01:58:17,460
thousand feral dogs running around

2707
01:58:24,229 --> 01:58:21,179
killing people yet his cat killed him is

2708
01:58:33,890 --> 01:58:24,239
that I want a cobra yes I believe that

2709
01:58:38,600 --> 01:58:33,900
is irony lighten up okay that's why I

2710
01:58:41,149 --> 01:58:38,610
like frosting on my cupcakes that's

2711
01:58:47,180 --> 01:58:41,159
right the cheese out of the cannoli

2712
01:58:48,410 --> 01:58:47,190
shell alright don't I think that's

2713
01:58:59,379 --> 01:58:48,420

personally but I think I'll just go on

2714

01:59:08,510 --> 01:59:05,180

that was you one next thank you and

2715

01:59:10,879 --> 01:59:08,520

thank you to Paul Bishop ex-lapd data

2716

01:59:13,040 --> 01:59:10,889

who really kind of explained it to me

2717

01:59:15,140 --> 01:59:13,050

why you know I was well had to be was

2718

01:59:16,609 --> 01:59:15,150

there yeah it was just like the way that

2719

01:59:18,350 --> 01:59:16,619

they interrogated him what he lied about

2720

01:59:21,500 --> 01:59:18,360

what he didn't lie about and stuff

2721

01:59:22,729 --> 01:59:21,510

really interesting Paul Bishop so thank

2722

01:59:24,080 --> 01:59:22,739

you to him and thank you for everyone

2723

01:59:24,830 --> 01:59:24,090

out there listening to us and tell them

2724

01:59:27,200 --> 01:59:24,840

next week
