17

00:01:32,590 --> 00:01:25,350

18

00:01:37,999 --> 00:01:35,749

that's okay it's going to start reading

19

00:01:41,359 --> 00:01:38,009

on Sunday and then it'll cool down after

20

00:01:43,910 --> 00:01:41,369

that but I have enjoyed every minute of

21

00:01:46,100 --> 00:01:43,920

this you deserve that's good nice thank

22

00:01:48,380 --> 00:01:46,110

you some weather we both had a great

23

00:01:50,090 --> 00:01:48,390

Thanksgiving everyday we were able to

24

00:01:52,070 --> 00:01:50,100

have some good food put our feet up and

25

00:01:54,790 --> 00:01:52,080

relax a little bit we had a great

26  
00:01:57,980 --> 00:01:54,800  
pre-recorded show last week that I RN is

27  
00:02:01,760 --> 00:01:57,990  
kind enough to air for us with Robert

28  
00:02:04,880 --> 00:02:01,770  
Abbott ello and talked all about the

29  
00:02:07,460 --> 00:02:04,890  
alternative medicine way to go with Lyme

30  
00:02:11,089 --> 00:02:07,470  
and autoimmune it's a great amount of

31  
00:02:13,070 --> 00:02:11,099  
variation show yes well quite a few my

32  
00:02:17,930 --> 00:02:13,080  
people call and tell me how much they

33  
00:02:19,940 --> 00:02:17,940  
enjoyed it good good good well we posted

34  
00:02:21,890 --> 00:02:19,950  
the link in case you missed it and you

35  
00:02:24,050 --> 00:02:21,900

36  
00:02:26,600 --> 00:02:24,060  
so we'll have it up on our archives you

37  
00:02:30,050 --> 00:02:26,610  
can listen to it there or on the IR n

38  
00:02:32,809 --> 00:02:30,060

archives so it will be available and

39

00:02:35,660 --> 00:02:32,819

we've got a big lineup coming your way

40

00:02:38,360 --> 00:02:35,670

in December but tonight we have a very

41

00:02:42,949 --> 00:02:38,370

special guest who we love we'd love the

42

00:02:44,600 --> 00:02:42,959

sky don't we yes they do oh he writes

43

00:02:46,780 --> 00:02:44,610

about all the stuff we love and tonight

44

00:02:49,160 --> 00:02:46,790

we're talking about his new book

45

00:02:51,500 --> 00:02:49,170

shapeshifters morphing monsters and

46

00:02:53,420 --> 00:02:51,510

changing cryptids we both know he is

47

00:02:56,059 --> 00:02:53,430

beautiful copy for displaying it to

48

00:02:59,000 --> 00:02:56,069

y'all right now yes it is a great book

49

00:03:02,570 --> 00:02:59,010

it's a great read well he's got these

50

00:03:05,509 --> 00:03:02,580

stories here I've never even heard of I

51  
00:03:07,009 --> 00:03:05,519  
mean I can't wait to get him on the air

52  
00:03:08,959 --> 00:03:07,019  
and talk about all this stuff but it's

53  
00:03:11,809 --> 00:03:08,969  
remarkable he's done a tremendous amount

54  
00:03:12,440 --> 00:03:11,819  
of research mmm he really did dig deep

55  
00:03:15,559 --> 00:03:12,450  
and he

56  
00:03:17,330 --> 00:03:15,569  
came with some incredible stuff so we're

57  
00:03:19,280 --> 00:03:17,340  
gonna have him share all of this with

58  
00:03:21,110 --> 00:03:19,290  
all of us tonight

59  
00:03:24,020 --> 00:03:21,120  
but first we got to check in we've got

60  
00:03:28,300 --> 00:03:24,030  
some wedding plan news right you were

61  
00:03:31,130 --> 00:03:28,310  
looking yes we do future newlyweds well

62  
00:03:35,420 --> 00:03:31,140  
the nice thing about it is I took a look

63  
00:03:39,140 --> 00:03:35,430

at her real name is Rachel Megan Markel

64

00:03:41,240 --> 00:03:39,150

so I took a look at her overall very

65

00:03:44,150 --> 00:03:41,250

balanced young lady she really does

66

00:03:45,979 --> 00:03:44,160

she's learning how to deal with family

67

00:03:49,309 --> 00:03:45,989

type situations and that makes sense

68

00:03:50,449 --> 00:03:49,319

considering her family's dynamics when

69

00:03:52,520 --> 00:03:50,459

she was growing up

70

00:03:54,979 --> 00:03:52,530

the mother father's divorced separations

71

00:03:58,400 --> 00:03:54,989

and such so she's there to learn how to

72

00:04:01,400 --> 00:03:58,410

work it better but she has had the

73

00:04:03,530 --> 00:04:01,410

marriage earlier married a person in

74

00:04:04,699 --> 00:04:03,540

their seven year which says forget it

75

00:04:06,800 --> 00:04:04,709

you really don't know what you're doing

76

00:04:08,089 --> 00:04:06,810

and divorced it or nine years said I got

77

00:04:10,960 --> 00:04:08,099

out of it done

78

00:04:13,190 --> 00:04:10,970

but her situation with Prince Harry

79

00:04:17,990 --> 00:04:13,200

timing is perfect for both of them

80

00:04:19,699 --> 00:04:18,000

because she is in her - he going into

81

00:04:23,360 --> 00:04:19,709

the six thousand six or when

82

00:04:25,670 --> 00:04:23,370

relationships are made and they have a

83

00:04:27,740 --> 00:04:25,680

very good combination between the two of

84

00:04:31,129 --> 00:04:27,750

them both of them are very caring very

85

00:04:33,640 --> 00:04:31,139

outgoing that also very helpful people

86

00:04:37,340 --> 00:04:33,650

so that means a lot

87

00:04:39,560 --> 00:04:37,350

he's more headstrong than she is both of

88

00:04:41,600 --> 00:04:39,570

them are extremely flexible he's a

89

00:04:43,940 --> 00:04:41,610

little more anal than she is believe it

90

00:04:48,110 --> 00:04:43,950

or not which surprised me because he's

91

00:04:49,460 --> 00:04:48,120

such a what would we call a spirit yes

92

00:04:52,190 --> 00:04:49,470

definitely

93

00:04:54,440 --> 00:04:52,200

he's been very much a free spirit but he

94

00:04:56,180 --> 00:04:54,450

works it in a different way so it was

95

00:04:58,159 --> 00:04:56,190

very interesting looking at the two of

96

00:05:01,930 --> 00:04:58,169

them so it's going to be interesting

97

00:05:05,300 --> 00:05:01,940

because I think that they will be not

98

00:05:07,310 --> 00:05:05,310

equally so as William and Kate maybe

99

00:05:10,490 --> 00:05:07,320

more so than William is Kate when it

100

00:05:14,120 --> 00:05:10,500

comes to working with the population no

101  
00:05:15,620 --> 00:05:14,130  
kidding well that's wish them the best

102  
00:05:20,839 --> 00:05:15,630  
they haven't been accused of being

103  
00:05:22,909 --> 00:05:20,849  
shapeshifters like really not yeah so

104  
00:05:26,290 --> 00:05:22,919  
let's see what happens this time goes on

105  
00:05:29,710 --> 00:05:26,300  
oh my so okay well

106  
00:05:33,279 --> 00:05:29,720  
that's very interesting now paranormal

107  
00:05:35,770 --> 00:05:33,289  
news we have an article on our Facebook

108  
00:05:37,659 --> 00:05:35,780  
page be sure to go there like us and

109  
00:05:39,969 --> 00:05:37,669  
follow us you can catch all this news I

110  
00:05:42,100 --> 00:05:39,979  
have all kinds of stuff for all of us to

111  
00:05:46,360 --> 00:05:42,110  
look at but the story that really caught

112  
00:05:48,129 --> 00:05:46,370  
my eye was the one about John Lennon now

113  
00:05:54,159 --> 00:05:48,139

did that surprise you

114

00:05:57,640 --> 00:05:54,169

at my that really happy yes now your he

115

00:06:01,059 --> 00:05:57,650

was it he's in his house in the middle

116

00:06:05,469 --> 00:06:01,069

of the night these aliens come into his

117

00:06:08,770 --> 00:06:05,479

room and he has this interaction with

118

00:06:11,260 --> 00:06:08,780

them as far as he can tell then he wakes

119

00:06:12,029 --> 00:06:11,270

up in the morning and he's got something

120

00:06:16,450 --> 00:06:12,039

in his hand

121

00:06:21,850 --> 00:06:16,460

mm-hmm got a golden metal looking egg in

122

00:06:25,629 --> 00:06:21,860

his hand that they gave him now we have

123

00:06:28,270 --> 00:06:25,639

had Uri Geller on our show right and URI

124

00:06:30,040 --> 00:06:28,280

talked to John about this apparently

125

00:06:32,680 --> 00:06:30,050

interviewed John about this and John

126

00:06:34,990 --> 00:06:32,690

told him all the details of the events

127

00:06:37,149 --> 00:06:35,000

and what happened and he said Yoko

128

00:06:39,339 --> 00:06:37,159

believed him that she felt this for him

129

00:06:40,719 --> 00:06:39,349

really happened but he knew what really

130

00:06:43,930 --> 00:06:40,729

happened because he had this thing in

131

00:06:47,110 --> 00:06:43,940

his hand yeah but he pulls it out of his

132

00:06:50,200 --> 00:06:47,120

pocket and he gives it to uri geller

133

00:06:52,300 --> 00:06:50,210

and he says i don't want this thing it

134

00:06:55,629 --> 00:06:52,310

could be a ticket to another world I'm

135

00:06:58,749 --> 00:06:55,639

not interested you take it now what I

136

00:07:02,769 --> 00:06:58,759

find interesting is uri geller is still

137

00:07:06,159 --> 00:07:02,779

alive John Lennon isn't I wonder was

138

00:07:08,890 --> 00:07:06,169

that egg given to him to protect him oh

139

00:07:11,830 --> 00:07:08,900

that could very well have been there are

140

00:07:14,019 --> 00:07:11,840

little mind you know and I was wondering

141

00:07:15,700 --> 00:07:14,029

about that nice Wow

142

00:07:18,540 --> 00:07:15,710

you know maybe he gave away something

143

00:07:21,490 --> 00:07:18,550

that wasn't meant to be given away hmm

144

00:07:23,740 --> 00:07:21,500

sometimes just something to think about

145

00:07:25,600 --> 00:07:23,750

doesn't it ya know well yeah I mean they

146

00:07:28,360 --> 00:07:25,610

don't give things lightly that's for

147

00:07:30,550 --> 00:07:28,370

sure these Nellie it's very rarely do

148

00:07:33,129 --> 00:07:30,560

you hear them having physically given

149

00:07:37,329 --> 00:07:33,139

anything yeah they take but they don't

150

00:07:39,790 --> 00:07:37,339

have to give well it was like like Yoko

151  
00:07:40,170 --> 00:07:39,800  
Ono had mentioned he said or she knew I

152  
00:07:42,029 --> 00:07:40,180  
would

153  
00:07:43,920 --> 00:07:42,039  
rely to her because she kind of looked

154  
00:07:45,210 --> 00:07:43,930  
at him kind of strangely but she knew

155  
00:07:48,270 --> 00:07:45,220  
that he would never tell her anything

156  
00:07:51,390 --> 00:07:48,280  
other than the truth so that was another

157  
00:07:53,370 --> 00:07:51,400  
thing some as well was it on drugs no it

158  
00:07:57,659 --> 00:07:53,380  
was he was on top of the covers

159  
00:07:59,760 --> 00:07:57,669  
afterwards mm-hmm yeah so Rhys I was

160  
00:08:01,469 --> 00:07:59,770  
shocked reading that story yet it was

161  
00:08:03,510 --> 00:08:01,479  
very intrigued by it that's on our

162  
00:08:04,409 --> 00:08:03,520  
Facebook page everybody you can go and

163  
00:08:07,020 --> 00:08:04,419

read it for yourself

164

00:08:08,909 --> 00:08:07,030

it's it's very interesting and then of

165

00:08:11,820 --> 00:08:08,919

course we have all these booms going off

166

00:08:14,310 --> 00:08:11,830

all across yeah some people are saying

167

00:08:15,510 --> 00:08:14,320

it's seismic shifts and other people

168

00:08:18,120 --> 00:08:15,520

saying we don't know what the hell it is

169

00:08:21,060 --> 00:08:18,130

but it's scaring us so we don't know

170

00:08:23,010 --> 00:08:21,070

what it is is this the trumpet Gabriel

171

00:08:26,339 --> 00:08:23,020

strumpet giving us a warning I don't

172

00:08:28,080 --> 00:08:26,349

know well especially with South Korea

173

00:08:30,810 --> 00:08:28,090

having to put up what North Korea is

174

00:08:34,040 --> 00:08:30,820

doing yeah I feel sorry for them because

175

00:08:38,579 --> 00:08:34,050

they're in such a vulnerable position

176  
00:08:42,089 --> 00:08:38,589  
upon and we are now to by the way yes I

177  
00:08:44,699 --> 00:08:42,099  
was kind of hoping Nast you know I wish

178  
00:08:46,019 --> 00:08:44,709  
the people in power would take a look

179  
00:08:51,030 --> 00:08:46,029  
and quit playing with their trigger

180  
00:08:56,040 --> 00:08:54,210  
too many but yeah this is going into

181  
00:08:59,280 --> 00:08:56,050  
from yellow alert to Red Alert so

182  
00:09:03,360 --> 00:08:59,290  
anyways we all need to keep saying

183  
00:09:07,050 --> 00:09:03,370  
prayers and asking for help from the

184  
00:09:08,970 --> 00:09:07,060  
other side of the universe and also you

185  
00:09:10,320 --> 00:09:08,980  
know I think all these monsters need to

186  
00:09:11,640 --> 00:09:10,330  
help us out to that we're gonna be

187  
00:09:14,550 --> 00:09:11,650  
talking about they need to get useful

188  
00:09:17,250 --> 00:09:14,560

don't you think they probably are more

189

00:09:19,380 --> 00:09:17,260

so than we're aware of because I'll tell

190

00:09:20,970 --> 00:09:19,390

you what if somebody was acting out and

191

00:09:22,829 --> 00:09:20,980

a few of them stood up in front of them

192

00:09:25,319 --> 00:09:22,839

that would quiet him down to her you

193

00:09:28,140 --> 00:09:25,329

know it might work yes I think it would

194

00:09:30,510 --> 00:09:28,150

work quite well I wonder if we could

195

00:09:35,819 --> 00:09:30,520

send a couple of them in on a little

196

00:09:39,000 --> 00:09:35,829

journey to North Korea I think what if

197

00:09:39,900 --> 00:09:39,010

yes they could take over and it would be

198

00:09:44,130 --> 00:09:39,910

fine with me

199

00:09:46,920 --> 00:09:44,140

so definitely Jeff let's talk about Nick

200

00:09:50,190 --> 00:09:46,930

because he is a stellar guest we've had

201  
00:09:53,010 --> 00:09:50,200  
on the show before it's always just a

202  
00:09:53,610 --> 00:09:53,020  
delightful evening so he is the author

203  
00:09:59,400 --> 00:09:53,620  
of more

204  
00:10:02,310 --> 00:09:59,410  
than 30 books on UFOs and cryptozoology

205  
00:10:05,340 --> 00:10:02,320  
including monster files memoirs of a

206  
00:10:08,250 --> 00:10:05,350  
monster hunter the real men in black and

207  
00:10:10,710 --> 00:10:08,260  
he has appeared on more than 70

208  
00:10:13,620 --> 00:10:10,720  
television shows including the sci-fi

209  
00:10:16,590 --> 00:10:13,630  
channels proof positive and the History

210  
00:10:18,840 --> 00:10:16,600  
Channel's ancient aliens I saw Nick on

211  
00:10:21,030 --> 00:10:18,850  
ancient aliens he did a great job and

212  
00:10:25,620 --> 00:10:21,040  
now he's with us we are so blessed so

213  
00:10:33,210 --> 00:10:29,190

oh we're great having you so happy to

214

00:10:35,850 --> 00:10:33,220

have you here so this this book is great

215

00:10:37,500 --> 00:10:35,860

we highly recommend it to everybody we

216

00:10:40,079 --> 00:10:37,510

couldn't put it down I mean there's this

217

00:10:42,240 --> 00:10:40,089

story after this is like having a

218

00:10:44,640 --> 00:10:42,250

nutrient dense meal because there's so

219

00:10:47,100 --> 00:10:44,650

much going on in this book

220

00:10:50,400 --> 00:10:47,110

definitely definitely a treasure trove

221

00:10:52,890 --> 00:10:50,410

oh it is and you start out now with

222

00:10:57,030 --> 00:10:52,900

werewolf so one of my favorite favorite

223

00:10:59,970 --> 00:10:57,040

topics so let's start there now any

224

00:11:02,519 --> 00:10:59,980

recent werewolf stories I mean a lot of

225

00:11:05,090 --> 00:11:02,529

these are from days of old but has there

226

00:11:08,070 --> 00:11:05,100

been anything recently that's popped up

227

00:11:11,190 --> 00:11:08,080

well yeah but actually quite a few

228

00:11:12,960 --> 00:11:11,200

reports that some researchers think fall

229

00:11:14,940 --> 00:11:12,970

into the werewolf category but today

230

00:11:17,329 --> 00:11:14,950

that people refer to them as dog men

231

00:11:19,920 --> 00:11:17,339

it's like dog Mountain is almost like a

232

00:11:22,800 --> 00:11:19,930

politically correct term for werewolf

233

00:11:24,870 --> 00:11:22,810

you know the idea that you'd start

234

00:11:26,910 --> 00:11:24,880

talking about werewolves people kind of

235

00:11:28,920 --> 00:11:26,920

roll their eyes you know if you talk

236

00:11:31,140 --> 00:11:28,930

about the dying man as a phenomena it's

237

00:11:35,070 --> 00:11:31,150

a little bit different because the

238

00:11:36,780 --> 00:11:35,080

people describe this thing that he for

239

00:11:38,880 --> 00:11:36,790

all intents and purposes sounds like a

240

00:11:42,329 --> 00:11:38,890

werewolf we're talking about like a an

241

00:11:44,760 --> 00:11:42,339

upright wolf like animal but what's

242

00:11:47,160 --> 00:11:44,770

interesting is that although the old

243

00:11:49,650 --> 00:11:47,170

legends talked about you know the whales

244

00:11:51,600 --> 00:11:49,660

being shapeshifters with the dog man

245

00:11:54,269 --> 00:11:51,610

phenomenon there's hardly a single

246

00:11:57,690 --> 00:11:54,279

reports where they've shape-shifted

247

00:12:00,120 --> 00:11:57,700

people described seen like a very large

248

00:12:03,390 --> 00:12:00,130

wolf but which has the ability to walk

249

00:12:06,090 --> 00:12:03,400

on its back legs as well as on all four

250

00:12:07,680 --> 00:12:06,100

legs which does it give it kind of like

251  
00:12:10,650 --> 00:12:07,690  
a humanoid type

252  
00:12:12,300 --> 00:12:10,660  
appearance and Linda Godfrey who has

253  
00:12:15,450 --> 00:12:12,310  
written a number of books on the whole

254  
00:12:17,270 --> 00:12:15,460  
dog man phenomenon mmm she sort of

255  
00:12:21,090 --> 00:12:17,280  
looked at the idea that these are

256  
00:12:24,150 --> 00:12:21,100  
something sort of paranormal maybe multi

257  
00:12:28,760 --> 00:12:24,160  
and interdimensional that kind of thing

258  
00:12:31,530 --> 00:12:28,770  
and so a lot of controversy surrounding

259  
00:12:34,260 --> 00:12:31,540  
things like stories of werewolves and

260  
00:12:36,570 --> 00:12:34,270  
dog men purely and simply because most

261  
00:12:39,270 --> 00:12:36,580  
people think of werewolves they think of

262  
00:12:42,150 --> 00:12:39,280  
Hollywood movies and silver bullets and

263  
00:12:44,730 --> 00:12:42,160

the full moon whereas the reality you

264

00:12:47,640 --> 00:12:44,740

know it is very different in the sense

265

00:12:50,070 --> 00:12:47,650

that people report these uprights wolf

266

00:12:53,010 --> 00:12:50,080

like animals but they don't talk about

267

00:12:54,990 --> 00:12:53,020

seeing you know a person person out of

268

00:12:58,140 --> 00:12:55,000

the clothes at a full moon or whatever

269

00:13:01,710 --> 00:12:58,150

it's so there's a lot of substantial

270

00:13:03,890 --> 00:13:01,720

differences you know between the the

271

00:13:07,140 --> 00:13:03,900

folklore or what people actually report

272

00:13:10,710 --> 00:13:07,150

so dog man doesn't morph into a human

273

00:13:13,230 --> 00:13:10,720

form dog man is just dog man yeah some

274

00:13:16,710 --> 00:13:13,240

people think you know the Wonderland or

275

00:13:19,410 --> 00:13:16,720

speculate on the idea could they be like

276

00:13:22,770 --> 00:13:19,420

prehistoric wolves now there were some

277

00:13:25,440 --> 00:13:22,780

walls which became extinct thousands and

278

00:13:28,110 --> 00:13:25,450

thousands of years ago one known as the

279

00:13:31,260 --> 00:13:28,120

dire wolf and the Bing rumors of people

280

00:13:32,880 --> 00:13:31,270

seeing these huge dire wolves right to

281

00:13:36,030 --> 00:13:32,890

the present day and they may still exist

282

00:13:38,640 --> 00:13:36,040

now they didn't have the ability to rear

283

00:13:41,340 --> 00:13:38,650

up on their hind legs but some animals

284

00:13:44,070 --> 00:13:41,350

do life is a classic example would be a

285

00:13:46,050 --> 00:13:44,080

grizzly bear you know they run on all

286

00:13:48,570 --> 00:13:46,060

fours but they will stand up on their

287

00:13:52,050 --> 00:13:48,580

back legs and they will walk along you

288

00:13:54,780 --> 00:13:52,060

know and so some people think that the

289

00:13:57,600 --> 00:13:54,790

could there be sort of ancient type of

290

00:14:00,120 --> 00:13:57,610

wolf still exist in in the United States

291

00:14:02,220 --> 00:14:00,130

which if you feel threatened or if it

292

00:14:05,280 --> 00:14:02,230

wants to intimidate or frighten a person

293

00:14:07,770 --> 00:14:05,290

it rears up on its hind legs now there

294

00:14:10,200 --> 00:14:07,780

is not I should I should stress you know

295

00:14:12,210 --> 00:14:10,210

there isn't an example we can say that

296

00:14:13,980 --> 00:14:12,220

that is provable but that's one of the

297

00:14:16,079 --> 00:14:13,990

theories that's been put forward that

298

00:14:19,020 --> 00:14:16,089

there perhaps you know as I said like a

299

00:14:20,760 --> 00:14:19,030

grizzly bear they can briefly rear up on

300

00:14:21,180 --> 00:14:20,770

their back legs and if you saw them

301  
00:14:23,490 --> 00:14:21,190  
if you

302  
00:14:25,980 --> 00:14:23,500  
saw them briefly you know late at night

303  
00:14:27,780 --> 00:14:25,990  
in the shadows teetering on their back

304  
00:14:30,180 --> 00:14:27,790  
legs and he's got this sort of long

305  
00:14:33,630 --> 00:14:30,190  
muzzle and pointed ears you might just

306  
00:14:36,810 --> 00:14:33,640  
think you've seen a real werewolf rather

307  
00:14:38,850 --> 00:14:36,820  
than perhaps you know an unusual type of

308  
00:14:43,260 --> 00:14:38,860  
wolf that we haven't classified properly

309  
00:14:45,150 --> 00:14:43,270  
yet that's interesting now and there is

310  
00:14:47,730 --> 00:14:45,160  
a show I'm you may have heard of it

311  
00:14:52,260 --> 00:14:47,740  
called paranormal witness it's actually

312  
00:14:57,210 --> 00:14:52,270  
produced by people from the UK and they

313  
00:15:00,900 --> 00:14:57,220

had a show it was a reenactment actually

314

00:15:03,810 --> 00:15:00,910

of something that occurred out in the

315

00:15:07,500 --> 00:15:03,820

western part of the United States where

316

00:15:11,370 --> 00:15:07,510

these people tracked this man who had

317

00:15:13,560 --> 00:15:11,380

shown up at their the back door looking

318

00:15:18,150 --> 00:15:13,570

like very wolf like and they tracked him

319

00:15:21,600 --> 00:15:18,160

through the snow to a small cabin and he

320

00:15:24,740 --> 00:15:21,610

wasn't there but what was there was a

321

00:15:27,300 --> 00:15:24,750

room with scratches on the wall and

322

00:15:30,330 --> 00:15:27,310

chains on the wall just like you would

323

00:15:32,130 --> 00:15:30,340

expect somebody who was changing and

324

00:15:34,590 --> 00:15:32,140

aware into werewolf and wants to control

325

00:15:37,350 --> 00:15:34,600

himself would have in their house there

326

00:15:40,530 --> 00:15:37,360

was nothing else in the house there was

327

00:15:42,930 --> 00:15:40,540

no food there was nothing else but they

328

00:15:45,450 --> 00:15:42,940

tracked him there and he had very weird

329

00:15:48,330 --> 00:15:45,460

looking eyes he did have a job in an

330

00:15:51,570 --> 00:15:48,340

auto shop but he lived alone he had no

331

00:15:54,900 --> 00:15:51,580

friends and again you know people had

332

00:15:57,330 --> 00:15:54,910

seen him outside their homes looking

333

00:15:59,940 --> 00:15:57,340

very wolf-like and then to find this in

334

00:16:01,560 --> 00:15:59,950

his house he died eventually and the

335

00:16:03,060 --> 00:16:01,570

police went into the house and they

336

00:16:05,900 --> 00:16:03,070

found the same thing these guys had

337

00:16:09,840 --> 00:16:05,910

found so it is entirely possible that

338

00:16:11,910 --> 00:16:09,850

there are still werewolves right yeah I

339

00:16:14,490 --> 00:16:11,920

mean one of the cases that I cover in

340

00:16:16,740 --> 00:16:14,500

the book it's not it's not completely up

341

00:16:18,720 --> 00:16:16,750

today but it's actually not sort of like

342

00:16:21,600 --> 00:16:18,730

most people think you know the 1700's

343

00:16:24,750 --> 00:16:21,610

and 1800's there was actually a very

344

00:16:29,130 --> 00:16:24,760

famous wave of sightings in 19 the

345

00:16:32,550 --> 00:16:29,140

summer of 1972 in the Ohio town of

346

00:16:35,040 --> 00:16:32,560

defiance yes yeah now if you google

347

00:16:37,680 --> 00:16:35,050

Defiance Ohio where will

348

00:16:40,440 --> 00:16:37,690

1972 you'll see a lot of stories and

349

00:16:42,300 --> 00:16:40,450

what happened with a number of guys who

350

00:16:44,329 --> 00:16:42,310

were working on the railroad the

351

00:16:48,810 --> 00:16:44,339

railroad runs through the town itself

352

00:16:50,400 --> 00:16:48,820

though doing shift works and one of the

353

00:16:53,639 --> 00:16:50,410

guys from the early hours of the morning

354

00:16:57,150 --> 00:16:53,649

saw this upright figure thought it was a

355

00:16:58,410 --> 00:16:57,160

man at first then realized the clothes

356

00:17:01,319 --> 00:16:58,420

were kind of tattered

357

00:17:03,990 --> 00:17:01,329

and instead I'm the regular head and

358

00:17:07,650 --> 00:17:04,000

face he had he had a head like a German

359

00:17:09,720 --> 00:17:07,660

Shepherd and obviously you know he fled

360

00:17:15,059 --> 00:17:09,730

the scene immediately but there are

361

00:17:17,189 --> 00:17:15,069

seven or eight examples where the the

362

00:17:20,069 --> 00:17:17,199

railroad workers have seen this creature

363

00:17:21,660 --> 00:17:20,079

prowling around and then interesting

364

00:17:23,910 --> 00:17:21,670

enough kind of similar to the story that

365

00:17:26,040 --> 00:17:23,920

you just mentioned people to herd these

366

00:17:28,079 --> 00:17:26,050

scrapings and scratching noise on their

367

00:17:30,720 --> 00:17:28,089

front door in the early hours of the

368

00:17:32,850 --> 00:17:30,730

morning and even the local police got

369

00:17:34,650 --> 00:17:32,860

involved and they took it seriously

370

00:17:38,070 --> 00:17:34,660

because they actually opened a file an

371

00:17:41,430 --> 00:17:38,080

official file to investigate these cases

372

00:17:44,700 --> 00:17:41,440

and these reports and and they you know

373

00:17:46,530 --> 00:17:44,710

they stayed up through the night and you

374

00:17:48,270 --> 00:17:46,540

know sort of patrolled the area so it's

375

00:17:50,730 --> 00:17:48,280

taken very very seriously and even the

376

00:17:52,470 --> 00:17:50,740

local press didn't laugh at it because

377

00:17:54,630 --> 00:17:52,480

they realized that people have seen

378

00:17:57,570 --> 00:17:54,640

something at least and the police are

379

00:17:59,700 --> 00:17:57,580

involved and the railroad stuff and you

380

00:18:01,230 --> 00:17:59,710

know these weren't anonymous sources it

381

00:18:03,900 --> 00:18:01,240

couldn't be tracked down these would be

382

00:18:07,020 --> 00:18:03,910

no local people in town that everybody

383

00:18:10,860 --> 00:18:07,030

knew so it was really for about six

384

00:18:13,770 --> 00:18:10,870

weeks it was almost like a like a state

385

00:18:16,500 --> 00:18:13,780

of fear descended on defiance purely and

386

00:18:19,799 --> 00:18:16,510

simply because of these sort of weird

387

00:18:22,470 --> 00:18:19,809

werewolf type encounters that's it was a

388

00:18:24,840 --> 00:18:22,480

great story in the book and and I was

389

00:18:27,510 --> 00:18:24,850

surprised to see that it happened in 72

390

00:18:29,520 --> 00:18:27,520

as you mentioned it's a much more

391

00:18:31,950 --> 00:18:29,530

current and again I think that there may

392

00:18:34,080 --> 00:18:31,960

be other stories like this but when you

393

00:18:35,940 --> 00:18:34,090

go to find these stories how do you find

394

00:18:37,799 --> 00:18:35,950

them I mean do people just come to you

395

00:18:40,500 --> 00:18:37,809

or do you go digging for them how do you

396

00:18:42,930 --> 00:18:40,510

find them well it's a bit of both really

397

00:18:45,299 --> 00:18:42,940

I mean very often you know I like to do

398

00:18:48,390 --> 00:18:45,309

research and investigate things so

399

00:18:51,420 --> 00:18:48,400

sometimes you know I'll go out and look

400

00:18:54,600 --> 00:18:51,430

you know for these for these cases and

401  
00:18:57,990 --> 00:18:54,610  
witnesses and you know travel around but

402  
00:19:00,570 --> 00:18:58,000  
other cases you know it is a situation

403  
00:19:03,030 --> 00:19:00,580  
where very often people might have been

404  
00:19:06,300 --> 00:19:03,040  
you know it's a radio show like tonight

405  
00:19:08,340 --> 00:19:06,310  
and then the next day they're like oh

406  
00:19:10,590 --> 00:19:08,350  
well that sounds like what I saw so then

407  
00:19:13,440 --> 00:19:10,600  
they'll you know the email me or send me

408  
00:19:15,000 --> 00:19:13,450  
a Facebook message so you know that does

409  
00:19:18,150 --> 00:19:15,010  
actually make it a lot easier because

410  
00:19:20,280 --> 00:19:18,160  
people do you know share their story

411  
00:19:22,470 --> 00:19:20,290  
which obvious you know I'm grateful in

412  
00:19:24,600 --> 00:19:22,480  
place for because without the witnesses

413  
00:19:26,970 --> 00:19:24,610

we've got nothing to go on you know the

414

00:19:28,590 --> 00:19:26,980

witnesses are always the most important

415

00:19:31,050 --> 00:19:28,600

people in these cases because without

416

00:19:34,590 --> 00:19:31,060

the witnesses and without them coming

417

00:19:36,960 --> 00:19:34,600

forward we've got nothing to go on so so

418

00:19:41,460 --> 00:19:36,970

I do get a lot of people contact me

419

00:19:43,260 --> 00:19:41,470

about their experiences you know and

420

00:19:47,220 --> 00:19:43,270

then I chat with them if they're willing

421

00:19:49,200 --> 00:19:47,230

to chat and talk and you know so as I

422

00:19:51,660 --> 00:19:49,210

said that does make it easier and also

423

00:19:53,820 --> 00:19:51,670

you know you become a good judge of

424

00:19:59,520 --> 00:19:53,830

character you get to know the people and

425

00:20:00,900 --> 00:19:59,530

you know understand them etc so it's not

426

00:20:04,080 --> 00:20:00,910

just a matter of sort of collecting the

427

00:20:06,270 --> 00:20:04,090

stories it's it's sort of gaining the

428

00:20:07,530 --> 00:20:06,280

trust of the witness as well you know

429

00:20:09,510 --> 00:20:07,540

when they realize they're not going to

430

00:20:11,370 --> 00:20:09,520

be laughed at or whatever that's an

431

00:20:13,500 --> 00:20:11,380

important part of that that you take

432

00:20:15,840 --> 00:20:13,510

them seriously so I'd imagine again with

433

00:20:17,520 --> 00:20:15,850

your reputation it precedes you they do

434

00:20:19,620 --> 00:20:17,530

feel comfortable talking to you about

435

00:20:21,630 --> 00:20:19,630

these things so thank goodness for that

436

00:20:23,640 --> 00:20:21,640

now I have a question for you from the

437

00:20:26,730 --> 00:20:23,650

chat room this is from shimmering lights

438

00:20:30,170 --> 00:20:26,740

who's saying hi Nick what is the oldest

439

00:20:33,300 --> 00:20:30,180

story with werewolf sightings

440

00:20:35,310 --> 00:20:33,310

well the oldest one I mean you go well

441

00:20:38,400 --> 00:20:35,320

you can actually go back thousands of

442

00:20:40,890 --> 00:20:38,410

years and you can find throughout

443

00:20:45,090 --> 00:20:40,900

numerous cultures where they had like

444

00:20:48,210 --> 00:20:45,100

dog headed gods or warm heavy gods I

445

00:20:50,550 --> 00:20:48,220

mean a perfect example would be Anubis

446

00:20:53,820 --> 00:20:50,560

you know the Egyptian God which is very

447

00:20:55,950 --> 00:20:53,830

much sort of doglike but of course the

448

00:21:00,150 --> 00:20:55,960

big question is should we interpret

449

00:21:02,060 --> 00:21:00,160

those as werewolves or is it something

450

00:21:05,659 --> 00:21:02,070

that's completely different

451  
00:21:08,100 --> 00:21:05,669  
but what in terms of sort of definitive

452  
00:21:11,430 --> 00:21:08,110  
werewolf type store is the earliest that

453  
00:21:14,880 --> 00:21:11,440  
I personally investigated occurred about

454  
00:21:17,730 --> 00:21:14,890  
1100 years ago in England and in a

455  
00:21:19,950 --> 00:21:17,740  
little town called flicks turn and there

456  
00:21:22,500 --> 00:21:19,960  
was a story there of like a magician

457  
00:21:24,840 --> 00:21:22,510  
type character who supposedly had the

458  
00:21:27,630 --> 00:21:24,850  
ability to transform himself into a wolf

459  
00:21:30,180 --> 00:21:27,640  
so that's like a classic example that's

460  
00:21:32,010 --> 00:21:30,190  
that's very very old now it didn't have

461  
00:21:34,710 --> 00:21:32,020  
this sort of the issues of the full moon

462  
00:21:37,560 --> 00:21:34,720  
and all that kind of thing but it was

463  
00:21:40,830 --> 00:21:37,570

you know in essence like shape-shifting

464

00:21:43,620 --> 00:21:40,840

now stories of shapeshifters do go back

465

00:21:45,720 --> 00:21:43,630

thousands of years you know where people

466

00:21:50,850 --> 00:21:45,730

believed they could take on different

467

00:21:53,159 --> 00:21:50,860

forms and you know sort of rampage

468

00:21:55,230 --> 00:21:53,169

around the woods etc in classic fashion

469

00:21:57,810 --> 00:21:55,240

but that's the earliest one I've looked

470

00:22:00,299 --> 00:21:57,820

into but but it is important to know

471

00:22:03,510 --> 00:22:00,309

that sort of dog headed creatures or

472

00:22:07,230 --> 00:22:03,520

entities do play big roles in in ancient

473

00:22:11,039 --> 00:22:07,240

religions yes they do that's absolutely

474

00:22:14,250 --> 00:22:11,049

true and well let's let's go forward in

475

00:22:16,500 --> 00:22:14,260

your book I the heads can you talk to us

476  
00:22:20,820 --> 00:22:16,510  
about the heads those two heads the kids

477  
00:22:23,639 --> 00:22:20,830  
dug up that was a wild one Wow well

478  
00:22:25,470 --> 00:22:23,649  
funnily enough that was also 1972 which

479  
00:22:28,139 --> 00:22:25,480  
was the year of the defiance werewolf

480  
00:22:30,419 --> 00:22:28,149  
but be the case here talking about to

481  
00:22:33,720 --> 00:22:30,429  
become it's an English case in north of

482  
00:22:35,669 --> 00:22:33,730  
England called the hexam heads and hexam

483  
00:22:38,970 --> 00:22:35,679  
is a little town in the north of England

484  
00:22:42,299 --> 00:22:38,980  
and basically what happens to young boys

485  
00:22:44,850 --> 00:22:42,309  
in the school holidays just playing

486  
00:22:47,460 --> 00:22:44,860  
outside in the backyard and they decide

487  
00:22:49,080 --> 00:22:47,470  
to you know just dig around in holes and

488  
00:22:52,080 --> 00:22:49,090

while they were playing you know and

489

00:22:55,139 --> 00:22:52,090

they found these two strange carved

490

00:22:57,029 --> 00:22:55,149

heads which were sort of made out of

491

00:23:00,720 --> 00:22:57,039

stone about the size of like a tennis

492

00:23:02,639 --> 00:23:00,730

ball something like that and one looked

493

00:23:07,019 --> 00:23:02,649

to be carved in the face of like a male

494

00:23:08,519 --> 00:23:07,029

figure and the other one female and they

495

00:23:13,200 --> 00:23:08,529

thought it was just you know cool little

496

00:23:15,690 --> 00:23:13,210

carved stones and and so contact was

497

00:23:17,970 --> 00:23:15,700

made we sort of like local archaeologist

498

00:23:22,430 --> 00:23:17,980

people like that and the press soon got

499

00:23:25,590 --> 00:23:22,440

onto the story and then it was actually

500

00:23:28,350 --> 00:23:25,600

confirmed that these were sort of Celtic

501  
00:23:30,269 --> 00:23:28,360  
origin you know going back thousands of

502  
00:23:32,850 --> 00:23:30,279  
years and they may have been used in

503  
00:23:35,009 --> 00:23:32,860  
some fertility rites or sacrificial

504  
00:23:37,680 --> 00:23:35,019  
rites that kind of thing but everybody

505  
00:23:41,159 --> 00:23:37,690  
who handled the stone heads got a really

506  
00:23:43,710 --> 00:23:41,169  
weird vibe from them you know kind of an

507  
00:23:46,049 --> 00:23:43,720  
unsettling look on the face where people

508  
00:23:47,009 --> 00:23:46,059  
almost felt like the stones were alive

509  
00:23:50,940 --> 00:23:47,019  
somehow

510  
00:23:54,350 --> 00:23:50,950  
what specifically weird is that whenever

511  
00:23:57,330 --> 00:23:54,360  
anybody would take them into their home

512  
00:24:00,360 --> 00:23:57,340  
strange things would happen now one of

513  
00:24:04,289 --> 00:24:00,370

them was a woman named dr. Ann Ross and

514

00:24:05,909 --> 00:24:04,299

she was an expert in Celtic history and

515

00:24:08,370 --> 00:24:05,919

Celtic archaeology you know Gaia

516

00:24:11,430 --> 00:24:08,380

thousands of years in Scotland and

517

00:24:13,860 --> 00:24:11,440

Ireland places like that and when she

518

00:24:17,789 --> 00:24:13,870

took these her stones and hexam's heads

519

00:24:19,740 --> 00:24:17,799

into her house she woke up on the first

520

00:24:23,070 --> 00:24:19,750

night in the middle of the night to see

521

00:24:25,080 --> 00:24:23,080

this upright wolf-like creature looming

522

00:24:28,259 --> 00:24:25,090

over the bed

523

00:24:30,649 --> 00:24:28,269

she says she woke up it's sort of raced

524

00:24:34,019 --> 00:24:30,659

out the room and leaves it like a to

525

00:24:36,629 --> 00:24:34,029

floor house he bounded over the

526  
00:24:38,370 --> 00:24:36,639  
staircase and ran down the staircase and

527  
00:24:42,210 --> 00:24:38,380  
out the door

528  
00:24:45,240 --> 00:24:42,220  
various other people who also over the

529  
00:24:46,919 --> 00:24:45,250  
years had access to the heads reporting

530  
00:24:49,350 --> 00:24:46,929  
very similar things they'd wake up in

531  
00:24:52,100 --> 00:24:49,360  
the night again say this wolf like thing

532  
00:24:54,930 --> 00:24:52,110  
looking at them and it was as if

533  
00:24:58,919 --> 00:24:54,940  
actually sort of possessing the head

534  
00:25:01,289 --> 00:24:58,929  
somehow manifested these almost like a

535  
00:25:04,049 --> 00:25:01,299  
supernatural type of a werewolf you know

536  
00:25:07,379 --> 00:25:04,059  
not a physical creature as such but more

537  
00:25:09,450 --> 00:25:07,389  
more like a phantom but looking like a

538  
00:25:11,519 --> 00:25:09,460

werewolf which you know they would

539

00:25:15,049 --> 00:25:11,529

vanish and appear and vanish and appear

540

00:25:19,019 --> 00:25:15,059

and so on and over the years various

541

00:25:21,330 --> 00:25:19,029

researchers looked after the heads and

542

00:25:26,159 --> 00:25:21,340

most of them were just wanted gone of

543

00:25:32,669 --> 00:25:30,720

I bury them but today nobody knows where

544

00:25:35,729 --> 00:25:32,679

the originals are a few copies are made

545

00:25:37,560 --> 00:25:35,739

which are in various people's hands but

546

00:25:40,229 --> 00:25:37,570

we don't know where the originals are

547

00:25:43,169 --> 00:25:40,239

but I mean the boys today they're sort

548

00:25:47,460 --> 00:25:43,179

of sort of mid to late 50s now something

549

00:25:49,619 --> 00:25:47,470

like that and you know they've since

550

00:25:51,239 --> 00:25:49,629

come forward but he he was covered in

551  
00:25:53,369 --> 00:25:51,249  
the newspapers at the time but then he

552  
00:25:55,529 --> 00:25:53,379  
got forgotten about and then we picked

553  
00:25:57,769 --> 00:25:55,539  
up years later but that's sort of a like

554  
00:26:00,389 --> 00:25:57,779  
I said a spooky story these sort of old

555  
00:26:03,680 --> 00:26:00,399  
carved heads which people got this sort

556  
00:26:06,899 --> 00:26:03,690  
of really creepy feeling from you know

557  
00:26:08,999 --> 00:26:06,909  
yeah and it allowed these things to to

558  
00:26:11,369 --> 00:26:09,009  
come through like that big wolf creature

559  
00:26:13,799 --> 00:26:11,379  
on two legs it sounds like that was

560  
00:26:15,899 --> 00:26:13,809  
connected to it yeah I think that's

561  
00:26:18,599 --> 00:26:15,909  
actually part of the story the idea that

562  
00:26:21,450 --> 00:26:18,609  
you know you take them in the home and

563  
00:26:24,539 --> 00:26:21,460

it's almost as if you open a door I kind

564

00:26:27,149 --> 00:26:24,549

of similar to somebody using like a

565

00:26:29,549 --> 00:26:27,159

wager board you know you you open a

566

00:26:32,849 --> 00:26:29,559

portal or a doorway and I think that's

567

00:26:38,330 --> 00:26:32,859

what happened with the hexam heads that

568

00:26:41,310 --> 00:26:38,340

somehow just possessing them allowed

569

00:26:43,049 --> 00:26:41,320

this phenomenon if you like of these

570

00:26:44,399 --> 00:26:43,059

wolf headed figures you'd allowed them

571

00:26:47,599 --> 00:26:44,409

to come through you know it was almost

572

00:26:50,430 --> 00:26:47,609

like a permission kind of thing exactly

573

00:26:52,619 --> 00:26:50,440

exactly well what a strange story that

574

00:26:54,509 --> 00:26:52,629

was I learned that one that's great

575

00:26:56,789 --> 00:26:54,519

here's another question from the chat

576

00:26:59,599 --> 00:26:56,799

room this is from Cary Remington who's

577

00:27:03,450 --> 00:26:59,609

asking are these shapeshifters first

578

00:27:08,399 --> 00:27:03,460

human who transformed into animals or

579

00:27:12,899 --> 00:27:08,409

animals who become humans that's a good

580

00:27:14,879 --> 00:27:12,909

question because in some cases well it's

581

00:27:16,769 --> 00:27:14,889

hard to say because you don't know what

582

00:27:20,220 --> 00:27:16,779

the original form is you know if some of

583

00:27:22,889 --> 00:27:20,230

these creatures are strange creatures to

584

00:27:24,269 --> 00:27:22,899

begin with but they could take on human

585

00:27:26,159 --> 00:27:24,279

form a lot of people don't actually

586

00:27:30,690 --> 00:27:26,169

think of that you know they always think

587

00:27:31,169 --> 00:27:30,700

of a person turning into a werewolf or a

588

00:27:32,369 --> 00:27:31,179

vampire

589

00:27:33,479 --> 00:27:32,379

they don't think of it the other way

590

00:27:35,609 --> 00:27:33,489

around you know which is kind of

591

00:27:38,820 --> 00:27:35,619

interesting that people don't think of

592

00:27:39,720 --> 00:27:38,830

it the other way around but there are

593

00:27:42,300 --> 00:27:39,730

actually some

594

00:27:44,970 --> 00:27:42,310

which I talk about in the book where but

595

00:27:50,040 --> 00:27:44,980

the creature itself never actually took

596

00:27:52,080 --> 00:27:50,050

on the form of a person for some cases

597

00:27:53,970 --> 00:27:52,090

where people saw these weird creatures

598

00:27:57,360 --> 00:27:53,980

and they morphed into like a ball of

599

00:28:00,360 --> 00:27:57,370

light or the ball of light morphed into

600

00:28:03,690 --> 00:28:00,370

a strange creature so sometimes people

601  
00:28:06,770 --> 00:28:03,700  
aren't even in the equation you know but

602  
00:28:11,040 --> 00:28:06,780  
for the most part the ones that I've got

603  
00:28:13,080 --> 00:28:11,050  
the I guess the inference is that you

604  
00:28:17,400 --> 00:28:13,090  
know they're people who were able to

605  
00:28:19,320 --> 00:28:17,410  
take on animal form but as I said there

606  
00:28:22,020 --> 00:28:19,330  
are a few cases it's particularly

607  
00:28:24,570 --> 00:28:22,030  
something like Native American legends

608  
00:28:26,070 --> 00:28:24,580  
like where the coyote for examples is

609  
00:28:30,660 --> 00:28:26,080  
supposedly a shapeshifter

610  
00:28:34,350 --> 00:28:30,670  
but they could take on human form but

611  
00:28:37,980 --> 00:28:34,360  
for the most part yeah it is sort of the

612  
00:28:40,440 --> 00:28:37,990  
human turns into the creature gosh it's

613  
00:28:43,710 --> 00:28:40,450

just there's so many creatures I had no

614

00:28:45,780 --> 00:28:43,720

idea I mean we are familiar with a lot

615

00:28:48,120 --> 00:28:45,790

of them but you have mentioned things

616

00:28:50,340 --> 00:28:48,130

here we've never heard of so again I

617

00:28:52,910 --> 00:28:50,350

want to highly recommend your book it is

618

00:28:56,400 --> 00:28:52,920

shapeshifters morphing monsters and

619

00:28:58,230 --> 00:28:56,410

changing cryptids and for those of you

620

00:29:01,200 --> 00:28:58,240

watching us on video you can see the

621

00:29:03,240 --> 00:29:01,210

book here it's just filled with

622

00:29:06,240 --> 00:29:03,250

specifically a great Christmas gift for

623

00:29:08,550 --> 00:29:06,250

people into the stars because yeah it is

624

00:29:10,620 --> 00:29:08,560

just loaded with things that you

625

00:29:13,320 --> 00:29:10,630

wouldn't we didn't normally hear about

626  
00:29:15,360 --> 00:29:13,330  
even on Facebook so it's shrieking as

627  
00:29:17,070 --> 00:29:15,370  
you get into it because you can't wait

628  
00:29:20,400 --> 00:29:17,080  
to see what the next part of its going

629  
00:29:23,480 --> 00:29:20,410  
to be exactly exactly the stories are

630  
00:29:26,670 --> 00:29:23,490  
great Nick you've done a terrific job so

631  
00:29:28,530 --> 00:29:26,680

holidays so here we have another

675

00:31:27,090 --> 00:31:24,430

question Nick for you and this is from

676  
00:31:29,820 --> 00:31:27,100  
Tom Rader who's saying what about

677  
00:31:35,430 --> 00:31:29,830  
shape-shifting into cat-like animals is

678  
00:31:36,810 --> 00:31:35,440  
that more rare than dogs chapter on in

679  
00:31:39,390 --> 00:31:36,820  
the book and that they're known as we're

680  
00:31:42,120 --> 00:31:39,400  
cats you know people think of werewolves

681  
00:31:44,580 --> 00:31:42,130  
but they're stories of where cats where

682  
00:31:46,520 --> 00:31:44,590  
Tigers where hyenas all sorts in

683  
00:31:51,450 --> 00:31:46,530  
different cultures around the world and

684  
00:31:54,300 --> 00:31:51,460  
actually do have several stories of what

685  
00:31:56,300 --> 00:31:54,310  
you call where cats now Africa for

686  
00:31:58,560 --> 00:31:56,310  
example they have long-standing

687  
00:32:02,370 --> 00:31:58,570  
traditions or what are known as leopard

688  
00:32:04,980 --> 00:32:02,380

men now in some cases this

689

00:32:07,590 --> 00:32:04,990

the the leopard Menace or a symbolic

690

00:32:10,920 --> 00:32:07,600

thing where tribal members will sort of

691

00:32:13,350 --> 00:32:10,930

dress up in the form of like a leopard

692

00:32:15,660 --> 00:32:13,360

or a tiger and sometimes you know

693

00:32:17,870 --> 00:32:15,670

they'll have the the skin of one the

694

00:32:21,090 --> 00:32:17,880

hide of one of the animals over them and

695

00:32:23,940 --> 00:32:21,100

the the imagery becomes part of their

696

00:32:26,310 --> 00:32:23,950

you know their their rituals but there

697

00:32:29,820 --> 00:32:26,320

are other stories of like shamanic

698

00:32:32,690 --> 00:32:29,830

people you know in these cultures who

699

00:32:37,050 --> 00:32:32,700

claim that they can physically transform

700

00:32:39,990 --> 00:32:37,060

into a sort of a human / cat-like animal

701  
00:32:42,450 --> 00:32:40,000  
now as bizarre as it sounds there are

702  
00:32:47,610 --> 00:32:42,460  
more than a few of these cases on record

703  
00:32:50,970 --> 00:32:47,620  
I talked about one case in the UK back

704  
00:32:53,670 --> 00:32:50,980  
in the 1970s in the English county of

705  
00:32:58,500 --> 00:32:53,680  
Devon where a guy was out walking his

706  
00:33:00,030 --> 00:32:58,510  
dog and saw this large black cat I guess

707  
00:33:01,920 --> 00:33:00,040  
the closest thing would be something

708  
00:33:03,240 --> 00:33:01,930  
like a like a black leopard you know

709  
00:33:05,820 --> 00:33:03,250  
this was what the size of a mountain

710  
00:33:07,530 --> 00:33:05,830  
lion which we do get a lot of reports

711  
00:33:10,170 --> 00:33:07,540  
like this in the UK but there should not

712  
00:33:12,180 --> 00:33:10,180  
be any you know large big cats roaming

713  
00:33:14,970 --> 00:33:12,190

around the UK at all them people say

714

00:33:17,490 --> 00:33:14,980

them some of these cases are kind of

715

00:33:20,340 --> 00:33:17,500

weird and in this case the witness said

716

00:33:21,900 --> 00:33:20,350

he just kind of stood there stunned for

717

00:33:25,380 --> 00:33:21,910

a second he grabbed the dog you know

718

00:33:28,620 --> 00:33:25,390

people dog of and then suddenly this

719

00:33:31,170 --> 00:33:28,630

black cat kind of literally morphed and

720

00:33:34,110 --> 00:33:31,180

transformed where its back legs changed

721

00:33:36,150 --> 00:33:34,120

to where it could stand off comfortably

722

00:33:40,470 --> 00:33:36,160

on its hind legs and he said he had this

723

00:33:42,960 --> 00:33:40,480

its face kind of choked on a semi human

724

00:33:46,200 --> 00:33:42,970

look and he kind of laid at him like

725

00:33:48,240 --> 00:33:46,210

sneered at him almost and it sort of

726

00:33:50,910 --> 00:33:48,250

really terrified him and he just you

727

00:33:52,890 --> 00:33:50,920

know he just fled the scene and which is

728

00:33:55,770 --> 00:33:52,900

probably probably not a bad thing to do

729

00:33:58,170 --> 00:33:55,780

but but I mean there are a lot of

730

00:34:03,360 --> 00:33:58,180

stories like this I mean I know the one

731

00:34:05,880 --> 00:34:03,370

that I talked about scares me in

732

00:34:09,750 --> 00:34:05,890

relation to these cases one I've got

733

00:34:11,790 --> 00:34:09,760

from from Oregon now this was from a

734

00:34:15,500 --> 00:34:11,800

woman named journey through contacted me

735

00:34:18,649 --> 00:34:15,510

and she told me how in 2011

736

00:34:22,100 --> 00:34:18,659

she saw one of these things literally

737

00:34:23,840 --> 00:34:22,110

racing across the road she'd been out

738

00:34:26,120 --> 00:34:23,850

with a few friends and where she lived

739

00:34:29,000 --> 00:34:26,130

was just around the corner so she walked

740

00:34:31,790 --> 00:34:29,010

home and she saw this creature which she

741

00:34:35,060 --> 00:34:31,800

could only describe there's like like a

742

00:34:36,800 --> 00:34:35,070

large human-like cat that's the best way

743

00:34:39,350 --> 00:34:36,810

I can describe it's done his hind legs

744

00:34:42,770 --> 00:34:39,360

and racing across the road into the

745

00:34:44,149 --> 00:34:42,780

shadows and I mean she was terrified by

746

00:34:46,940 --> 00:34:44,159

it she went you know when she told me

747

00:34:49,700 --> 00:34:46,950

the story it was just as clear and as

748

00:34:51,649 --> 00:34:49,710

scary to her as it was when I

749

00:34:55,700 --> 00:34:51,659

interviewed her versus you know when

750

00:34:57,860 --> 00:34:55,710

this occurred back in 2011 but we're cat

751  
00:35:00,020 --> 00:34:57,870  
stories yeah you can find them all

752  
00:35:02,060 --> 00:35:00,030  
around the world and one of the things

753  
00:35:04,490 --> 00:35:02,070  
most of the stories have in common if

754  
00:35:07,090 --> 00:35:04,500  
not all that we all have in common is

755  
00:35:10,370 --> 00:35:07,100  
the angle of these things somehow being

756  
00:35:12,950 --> 00:35:10,380  
evil people's actually say they kind of

757  
00:35:15,050 --> 00:35:12,960  
get a sense of evil from them you know

758  
00:35:17,600 --> 00:35:15,060  
kind of that feeling when you meet

759  
00:35:18,740 --> 00:35:17,610  
someone for the first time and you've

760  
00:35:20,300 --> 00:35:18,750  
never met and we don't know anything

761  
00:35:22,040 --> 00:35:20,310  
about it but you get a weird vibe from

762  
00:35:24,140 --> 00:35:22,050  
them you know something you don't like

763  
00:35:26,390 --> 00:35:24,150

about the person we've all done that

764

00:35:29,050 --> 00:35:26,400

from sides of type yeah you imagine that

765

00:35:32,450 --> 00:35:29,060

kind of imagine that sort of magnified

766

00:35:34,570 --> 00:35:32,460

in relation to failure you know that's

767

00:35:37,610 --> 00:35:34,580

that's what most people say they just

768

00:35:39,230 --> 00:35:37,620

sensed a feeling of fear but they just

769

00:35:41,840 --> 00:35:39,240

didn't know why wasn't just the fact

770

00:35:45,880 --> 00:35:41,850

that it looked weird and creepy it was

771

00:35:51,620 --> 00:35:50,000

evilness in in all the collections of

772

00:35:54,230 --> 00:35:51,630

these stories and interviewing people

773

00:35:56,600 --> 00:35:54,240

have you ever come across anybody who

774

00:35:59,000 --> 00:35:56,610

was able to get past their fear in the

775

00:36:01,280 --> 00:35:59,010

shock of seeing something so strange

776

00:36:06,650 --> 00:36:01,290

that was able to kind of take a breath

777

00:36:09,680 --> 00:36:06,660

and try to communicate with it the only

778

00:36:11,270 --> 00:36:09,690

one I can think of was in relation to

779

00:36:12,650 --> 00:36:11,280

one of these large black cats no it

780

00:36:15,230 --> 00:36:12,660

doesn't relate to actually the

781

00:36:17,870 --> 00:36:15,240

shape-shifting angle but I did speak to

782

00:36:20,680 --> 00:36:17,880

a guy once who was actually funnily

783

00:36:26,480 --> 00:36:20,690

enough out walking his dog again and

784

00:36:29,360 --> 00:36:26,490

everybody walks their dog running but he

785

00:36:32,660 --> 00:36:29,370

told me how walking by an old canal

786

00:36:34,400 --> 00:36:32,670

and suddenly this large black cat came

787

00:36:37,880 --> 00:36:34,410

round the corner and he said he was so

788

00:36:46,850 --> 00:36:37,890

stunned he didn't know at Regis he said

789

00:36:48,560 --> 00:36:46,860

hello to that position you don't really

790

00:36:50,300 --> 00:36:48,570

know what you were doing he just kind of

791

00:36:54,860 --> 00:36:50,310

like stopped you know I guess he's jaw

792

00:36:56,390 --> 00:36:54,870

dropped and he says hello but I really

793

00:36:58,600 --> 00:36:56,400

didn't get attacked or anything just

794

00:37:01,460 --> 00:36:58,610

backed away and the cat kind of just

795

00:37:06,440 --> 00:37:01,470

scared him out but you know tell any

796

00:37:09,650 --> 00:37:06,450

movers boss I guess but if it's things

797

00:37:11,870 --> 00:37:09,660

like that that you know for me are

798

00:37:14,150 --> 00:37:11,880

important because he kind of humanizes

799

00:37:16,760 --> 00:37:14,160

the experience you know you realize that

800

00:37:18,620 --> 00:37:16,770

he it's not a hoax because it's the kind

801  
00:37:19,840 --> 00:37:18,630  
of thing we all might do you know when

802  
00:37:22,580 --> 00:37:19,850  
you just phase through that

803  
00:37:25,910 --> 00:37:22,590  
unpredictable situation you're like oh I

804  
00:37:28,790 --> 00:37:25,920  
mean yeah I give you example I mean the

805  
00:37:31,490 --> 00:37:28,800  
apartments where I live this is kind of

806  
00:37:33,260 --> 00:37:31,500  
almost identical you know I live on the

807  
00:37:36,050 --> 00:37:33,270  
second floor so when I go down to get

808  
00:37:38,090 --> 00:37:36,060  
the mail there's like a white cat here

809  
00:37:40,010 --> 00:37:38,100  
that everybody feeds so I'll get down

810  
00:37:42,020 --> 00:37:40,020  
the bottom of the steps and every

811  
00:37:44,600 --> 00:37:42,030  
morning you'll go kill me out four or

812  
00:37:49,130 --> 00:37:44,610  
five times so kill me I mean I once I go

813  
00:37:54,200 --> 00:37:49,140

hey any old meow again I'll go hey so I

814

00:38:04,850 --> 00:37:54,210

guess I kind of do the same yeah white

815

00:38:07,190 --> 00:38:04,860

cat haters and shape-shift supernovae do

816

00:38:09,710 --> 00:38:07,200

you think any of these creatures may be

817

00:38:16,190 --> 00:38:09,720

a part of a black op government

818

00:38:18,640 --> 00:38:16,200

experiment gone wrong well I mean I've

819

00:38:20,950 --> 00:38:18,650

had two heard that theory

820

00:38:23,120 --> 00:38:20,960

not so much in relation to

821

00:38:25,910 --> 00:38:23,130

shape-shifting but in relation to weird

822

00:38:27,560 --> 00:38:25,920

creatures in general for example I've

823

00:38:32,110 --> 00:38:27,570

been a lot of expeditions to Puerto Rico

824

00:38:35,090 --> 00:38:32,120

looking for the original chupacabra and

825

00:38:37,760 --> 00:38:35,100

chupacabras and I've heard a lot of

826

00:38:41,500 --> 00:38:37,770

stories there about military programs

827

00:38:43,040 --> 00:38:41,510

and underground labs where supposedly

828

00:38:46,520 --> 00:38:43,050

research was

829

00:38:49,790 --> 00:38:46,530

- you know genetically alter regular

830

00:38:51,500 --> 00:38:49,800

animals into these sort of Chupacabra

831

00:38:53,450 --> 00:38:51,510

type creatures I've heard a lot of

832

00:38:55,520 --> 00:38:53,460

stories about experiments being

833

00:38:59,480 --> 00:38:55,530

undertaken on Puerto Rico involving

834

00:39:01,340 --> 00:38:59,490

monkeys and chimpanzees to mutate them

835

00:39:03,260 --> 00:39:01,350

into something else which could be

836

00:39:07,330 --> 00:39:03,270

unleashed on the battlefield you know

837

00:39:09,260 --> 00:39:07,340

like some sort of killing machine now

838

00:39:11,390 --> 00:39:09,270

obviously you know those stories an

839

00:39:13,640 --> 00:39:11,400

extremely controversial the idea of

840

00:39:16,520 --> 00:39:13,650

literally being to being able to

841

00:39:19,670 --> 00:39:16,530

genetically alter you know a creature

842

00:39:21,680 --> 00:39:19,680

into something else I mean as far as our

843

00:39:24,950 --> 00:39:21,690

science medicine and technology is

844

00:39:26,480 --> 00:39:24,960

concerned we cannot do that but you know

845

00:39:29,840 --> 00:39:26,490

who knows what's going on behind the

846

00:39:31,460 --> 00:39:29,850

scenes in terms of what somebody else

847

00:39:34,790 --> 00:39:31,470

could have achieved you know I mean

848

00:39:36,620 --> 00:39:34,800

things like gene splicing and you know

849

00:39:38,330 --> 00:39:36,630

sort of mixing genes from one creature

850

00:39:41,300 --> 00:39:38,340

to another which is actually going on

851  
00:39:44,540 --> 00:39:41,310  
now then you could well understand if

852  
00:39:46,610 --> 00:39:44,550  
somebody secretly is 20 or 30 years

853  
00:39:50,480 --> 00:39:46,620  
ahead of the rest of us in terms of

854  
00:39:52,910 --> 00:39:50,490  
science then it's not out of the you

855  
00:39:54,380 --> 00:39:52,920  
know at of the possibility but I have

856  
00:39:56,060 --> 00:39:54,390  
heard of quite a few stories like that

857  
00:40:00,980 --> 00:39:56,070  
particularly in relation to the

858  
00:40:03,710 --> 00:40:00,990  
chupacabra as I said and also some of

859  
00:40:06,230 --> 00:40:03,720  
the skinwalker type reports and things

860  
00:40:08,060 --> 00:40:06,240  
like that the idea that the military

861  
00:40:11,300 --> 00:40:08,070  
might be interested in this kind of

862  
00:40:13,340 --> 00:40:11,310  
phenomenon yeah and they also might have

863  
00:40:15,590 --> 00:40:13,350

creatures that have gotten loose because

864

00:40:17,750 --> 00:40:15,600

I know there was a story about people

865

00:40:20,750 --> 00:40:17,760

swimming in a lake out in the Midwest

866

00:40:22,700 --> 00:40:20,760

and they were attacked by a very strange

867

00:40:27,170 --> 00:40:22,710

creature that scratched them up really

868

00:40:30,710 --> 00:40:27,180

badly and they left that site in a hurry

869

00:40:33,530 --> 00:40:30,720

but then they were visited by several

870

00:40:35,810 --> 00:40:33,540

military people and told never to talk

871

00:40:37,850 --> 00:40:35,820

about it which of course they did talk

872

00:40:40,100 --> 00:40:37,860

about it thank goodness because that's

873

00:40:43,400 --> 00:40:40,110

how we heard the story but again so you

874

00:40:45,170 --> 00:40:43,410

may you know I makes me wonder is this

875

00:40:46,700 --> 00:40:45,180

one of theirs that got loose and now

876  
00:40:50,300 --> 00:40:46,710  
they're following up and trying to cover

877  
00:40:51,950 --> 00:40:50,310  
their own tracks so it is possible yeah

878  
00:40:53,480 --> 00:40:51,960  
but a lot of those stories you know like

879  
00:40:55,550 --> 00:40:53,490  
I said I appease that sort of thing

880  
00:40:57,140 --> 00:40:55,560  
that's what I heard a lot in Puerto Rico

881  
00:40:59,150 --> 00:40:57,150  
on you know in terms

882  
00:41:01,370 --> 00:40:59,160  
are they escaped and they're running

883  
00:41:04,910 --> 00:41:01,380  
around and they're responsible for the

884  
00:41:07,370 --> 00:41:04,920  
other Chupacabra reports so I had some

885  
00:41:10,130 --> 00:41:07,380  
really weird stuff about I don't you

886  
00:41:11,329 --> 00:41:10,140  
ever seen the the movie 28 days later

887  
00:41:13,759 --> 00:41:11,339  
which is um

888  
00:41:17,559 --> 00:41:13,769

it may be about 1516 years ago it's a

889

00:41:20,539 --> 00:41:17,569

zombie movie set in England where these

890

00:41:22,849 --> 00:41:20,549

chimpanzees have been using experiments

891

00:41:26,059 --> 00:41:22,859

and they the scientists create what they

892

00:41:28,069 --> 00:41:26,069

call the rage virus and they inject it

893

00:41:30,440 --> 00:41:28,079

into these chimpanzees and it sends them

894

00:41:31,700 --> 00:41:30,450

crazy you know but kill anybody you know

895

00:41:33,470 --> 00:41:31,710

the idea is to unleash them on the

896

00:41:36,319 --> 00:41:33,480

battlefield against the enemy but what

897

00:41:38,989 --> 00:41:36,329

happens is the virus gets out into the

898

00:41:40,700 --> 00:41:38,999

you the population of the UK and the

899

00:41:42,799 --> 00:41:40,710

UK's quarantine because you've got all

900

00:41:44,509 --> 00:41:42,809

these people running around like crazy

901  
00:41:46,730 --> 00:41:44,519  
zombies because they're all infected

902  
00:41:49,789 --> 00:41:46,740  
with the rage virus now actually it's

903  
00:41:51,499 --> 00:41:49,799  
something very similar to that one of my

904  
00:41:54,079 --> 00:41:51,509  
earlier trips to Puerto Rico where

905  
00:41:58,150 --> 00:41:54,089  
people said that chimpanzees and monkeys

906  
00:42:00,609 --> 00:41:58,160  
were being used in sort of mind-altering

907  
00:42:03,339 --> 00:42:00,619  
experiments you know to try and turn a

908  
00:42:05,390 --> 00:42:03,349  
friendly little monkey into sort of a

909  
00:42:08,859 --> 00:42:05,400  
rampaging killing machine you know

910  
00:42:11,390 --> 00:42:08,869  
that's horrible well how would you tell

911  
00:42:13,220 --> 00:42:11,400  
who's the good guy who is the bad guy if

912  
00:42:16,880 --> 00:42:13,230  
you turn them loose how do they know the

913  
00:42:27,190 --> 00:42:16,890

difference well I mean well I mean if

914

00:42:31,640 --> 00:42:29,420

yeah how would they know which side

915

00:42:33,769 --> 00:42:31,650

they're after the battle that's hard to

916

00:42:35,450 --> 00:42:33,779

tell say what you mean oh no that's

917

00:42:37,759 --> 00:42:35,460

actually a really good point I mean I

918

00:42:39,589 --> 00:42:37,769

think the only way you if the stories

919

00:42:42,799 --> 00:42:39,599

are true I think the only way you could

920

00:42:44,960 --> 00:42:42,809

use that as a weapon would be if only

921

00:42:46,370 --> 00:42:44,970

the enemy were on the battlefield you

922

00:42:47,479 --> 00:42:46,380

know because of your own troops were

923

00:42:49,489 --> 00:42:47,489

there then they're probably just going

924

00:42:53,089 --> 00:42:49,499

to attack them as well so I think the

925

00:42:55,339 --> 00:42:53,099

only way they could ever gain anything

926

00:42:55,910 --> 00:42:55,349

would be you know to release them

927

00:42:58,910 --> 00:42:55,920

somehow

928

00:43:06,859 --> 00:42:58,920

and to make sure that none of our side

929

00:43:09,380 --> 00:43:06,869

was there you know yeah they wouldn't

930

00:43:10,950 --> 00:43:09,390

suddenly think oh bad the good guys will

931

00:43:15,130 --> 00:43:10,960

leave them alone

932

00:43:16,749 --> 00:43:15,140

the way it has a little scent on them so

933

00:43:20,799 --> 00:43:16,759

they know which one's the good guy glass

934

00:43:24,279 --> 00:43:20,809

the bad well here's another question for

935

00:43:27,039 --> 00:43:24,289

you this let's see what everything just

936

00:43:29,559 --> 00:43:27,049

dropped down a second there was an old

937

00:43:31,960 --> 00:43:29,569

movie this is from Squatch detective

938

00:43:35,230 --> 00:43:31,970

with James Earl Jones shape-shifting

939

00:43:37,299 --> 00:43:35,240

into a snake in Conan the Barbarian was

940

00:43:41,230 --> 00:43:37,309

this an early look into shape-shifting

941

00:43:43,930 --> 00:43:41,240

reptilians that the UFO talk about now

942

00:43:46,450 --> 00:43:43,940

UFO people talk about now or is this in

943

00:43:49,630 --> 00:43:46,460

the cryptid research field so where does

944

00:43:51,460 --> 00:43:49,640

it belong UFO encrypted what's

945

00:43:52,870 --> 00:43:51,470

interesting is sometimes we actually get

946

00:43:55,329 --> 00:43:52,880

crossovers between

947

00:43:57,670 --> 00:43:55,339

things that go on in the UFO field and

948

00:43:59,559 --> 00:43:57,680

the golden cryptozoology for example the

949

00:44:02,650 --> 00:43:59,569

beam cases where people have seen

950

00:44:05,289 --> 00:44:02,660

strange lights in the sky hovering over

951  
00:44:07,480 --> 00:44:05,299  
woods where people at the exact same

952  
00:44:09,759 --> 00:44:07,490  
time in place have seen Bigfoot at time

953  
00:44:11,859 --> 00:44:09,769  
creatures there are a number of

954  
00:44:14,920 --> 00:44:11,869  
Chupacabra cases from Puerto Rico where

955  
00:44:18,819 --> 00:44:14,930  
people saw UFOs in conjunction with the

956  
00:44:20,559 --> 00:44:18,829  
chupacabra no you know it could be a

957  
00:44:22,870 --> 00:44:20,569  
similar situation when you're talking

958  
00:44:25,059 --> 00:44:22,880  
about the reptilians and I mean I

959  
00:44:27,400 --> 00:44:25,069  
actually have a a chapter in the book

960  
00:44:29,740 --> 00:44:27,410  
that talks about the reptilians and

961  
00:44:31,359 --> 00:44:29,750  
probably one of the creepiest cases of

962  
00:44:35,859 --> 00:44:31,369  
all that I've got because it deals with

963  
00:44:37,299 --> 00:44:35,869

two very weird phenomenon and involves a

964

00:44:39,759 --> 00:44:37,309

woman I interviewed a couple of years

965

00:44:42,549 --> 00:44:39,769

ago who lives in Point Pleasant West

966

00:44:44,950 --> 00:44:42,559

Virginia which ironically is where all

967

00:44:47,740 --> 00:44:44,960

the original Mothman sightings began in

968

00:44:50,589 --> 00:44:47,750

the 60s but she had a real axe weed

969

00:44:52,539 --> 00:44:50,599

experience where like one night she was

970

00:44:54,609 --> 00:44:52,549

just watching TV like 11 o'clock at

971

00:44:56,140 --> 00:44:54,619

night and there was this loud knock on

972

00:44:58,299 --> 00:44:56,150

the door you know three or four knocks

973

00:45:00,549 --> 00:44:58,309

and she was she like well who on earth

974

00:45:03,039 --> 00:45:00,559

that you know so she kind of crept to

975

00:45:05,859 --> 00:45:03,049

the door looked through the spy hole and

976  
00:45:07,950 --> 00:45:05,869  
saw these two kids they're wearing black

977  
00:45:10,660 --> 00:45:07,960  
hoodies and they look really pale and

978  
00:45:13,870 --> 00:45:10,670  
they tried to find a way to get into the

979  
00:45:17,170 --> 00:45:13,880  
house and so they were hungry they were

980  
00:45:18,940 --> 00:45:17,180  
last etc etc and she just again kind of

981  
00:45:21,039 --> 00:45:18,950  
like with a lot of these phenomena she

982  
00:45:23,170 --> 00:45:21,049  
got this weird vibe from them I mean

983  
00:45:24,849 --> 00:45:23,180  
they suddenly looked up at her and they

984  
00:45:27,309 --> 00:45:24,859  
both got the solid black

985  
00:45:29,380 --> 00:45:27,319  
guys and this is known as the black-eyed

986  
00:45:31,029 --> 00:45:29,390  
children-- phenomenon and there's all

987  
00:45:34,089 --> 00:45:31,039  
sorts of different theories to what they

988  
00:45:36,160 --> 00:45:34,099

are you know paranormal alien-human

989

00:45:38,440 --> 00:45:36,170

hybrids demonic you know that the list

990

00:45:41,140 --> 00:45:38,450

goes on and on but what was really weird

991

00:45:43,180 --> 00:45:41,150

she said that as she stared at them

992

00:45:45,519 --> 00:45:43,190

it was almost suddenly after a few

993

00:45:47,380 --> 00:45:45,529

seconds the you know what when you drive

994

00:45:49,150 --> 00:45:47,390

in the car and he's like really hot and

995

00:45:52,749 --> 00:45:49,160

there's a heat haze where the road kind

996

00:45:55,059 --> 00:45:52,759

of ripples and it was like that where

997

00:45:57,160 --> 00:45:55,069

they they sort of rippled and she said

998

00:45:59,229 --> 00:45:57,170

they changed literally before on the

999

00:46:05,079 --> 00:45:59,239

other side of the door until these eight

1000

00:46:07,479 --> 00:46:05,089

foots or lizard Cyprien yeah and

1001

00:46:10,420 --> 00:46:07,489

obviously you know it scared the life

1002

00:46:12,400 --> 00:46:10,430

out of it when she basically did was to

1003

00:46:15,759 --> 00:46:12,410

just run to the furthest part of the

1004

00:46:17,890 --> 00:46:15,769

apartment away from the door and finally

1005

00:46:20,170 --> 00:46:17,900

I think after a couple of hours she went

1006

00:46:22,390 --> 00:46:20,180

back to the door and know nothing was

1007

00:46:24,789 --> 00:46:22,400

there at all the kids or the the

1008

00:46:27,749 --> 00:46:24,799

reptilians but but that was like a

1009

00:46:30,309 --> 00:46:27,759

really creepy one and I got to say her

1010

00:46:34,269 --> 00:46:30,319

personally at one of the Mothman

1011

00:46:36,309 --> 00:46:34,279

festivals which I spoke at and you know

1012

00:46:38,440 --> 00:46:36,319

she came across as just a normal

1013

00:46:42,069 --> 00:46:38,450

credible person but telling an

1014

00:46:45,609 --> 00:46:42,079

incredible story and you know she didn't

1015

00:46:47,440 --> 00:46:45,619

come across crazy or you know anything

1016

00:46:51,099 --> 00:46:47,450

like that just had a really weird story

1017

00:46:52,690 --> 00:46:51,109

was was very concerned about not going

1018

00:46:55,210 --> 00:46:52,700

on the record and I said that's fine I

1019

00:46:56,769 --> 00:46:55,220

said you know I totally understand why

1020

00:46:59,859 --> 00:46:56,779

sometimes people don't want to go on the

1021

00:47:03,120 --> 00:46:59,869

record but yeah I mean it was just one

1022

00:47:06,039 --> 00:47:03,130

of those bizarre strange stories but you

1023

00:47:08,109 --> 00:47:06,049

know the reptilian angle he's an

1024

00:47:10,359 --> 00:47:08,119

interesting one because it's certainly

1025

00:47:12,519 --> 00:47:10,369

grown in the last 20 years or so

1026

00:47:14,470 --> 00:47:12,529

particularly you know with the whole

1027

00:47:17,079 --> 00:47:14,480

British royal family thing now

1028

00:47:18,549 --> 00:47:17,089

personally I'm not actually not a fan of

1029

00:47:21,880 --> 00:47:18,559

the royal family I think they're kind of

1030

00:47:24,640 --> 00:47:21,890

outdated but I don't personally think

1031

00:47:27,420 --> 00:47:24,650

they are reptiles now but what I do

1032

00:47:29,650 --> 00:47:27,430

believe is that there is a genuine

1033

00:47:32,229 --> 00:47:29,660

reptilian phenomenon I mean I've been

1034

00:47:34,599 --> 00:47:32,239

interviewed a lot of people who have

1035

00:47:37,079 --> 00:47:34,609

swore you know they saw somebody

1036

00:47:38,800 --> 00:47:37,089

upstairs this is very after what happens

1037

00:47:40,330 --> 00:47:38,810

somebody gets that for

1038

00:47:42,100 --> 00:47:40,340

we all get from time to time when you

1039

00:47:44,560 --> 00:47:42,110

think somebody's looking at you you know

1040

00:47:46,600 --> 00:47:44,570

you're in the checkout line at the store

1041

00:47:48,670 --> 00:47:46,610

and you think someone's looking and you

1042

00:47:51,940 --> 00:47:48,680

turn around and somebody is watching you

1043

00:47:54,970 --> 00:47:51,950

now we can all do that even if we don't

1044

00:47:57,280 --> 00:47:54,980

know why works but we all have that kind

1045

00:48:00,910 --> 00:47:57,290

of sense and only if you okay is where

1046

00:48:04,900 --> 00:48:00,920

people said they kind of looked at this

1047

00:48:07,560 --> 00:48:04,910

person and it was as if the person was a

1048

00:48:10,840 --> 00:48:07,570

reptilian and they realized that the

1049

00:48:13,210 --> 00:48:10,850

human knew there was something odd about

1050

00:48:15,250 --> 00:48:13,220

them you know as if their camouflage are

1051  
00:48:18,760 --> 00:48:15,260  
being blown and so what they did they

1052  
00:48:21,070 --> 00:48:18,770  
allowed them to see their real form you

1053  
00:48:22,510 --> 00:48:21,080  
know like a reptilian very briefly for a

1054  
00:48:25,960 --> 00:48:22,520  
couple of seconds and then change back

1055  
00:48:28,270 --> 00:48:25,970  
again oh my goodness yes I kind of

1056  
00:48:31,420 --> 00:48:28,280  
really freaked out the witness you know

1057  
00:48:33,880 --> 00:48:31,430  
is if the creature was saying yeah okay

1058  
00:48:35,740 --> 00:48:33,890  
you picked up on something so I'll let

1059  
00:48:38,650 --> 00:48:35,750  
you see what I look like now what are

1060  
00:48:42,760 --> 00:48:38,660  
you going to do about it you know shut

1061  
00:48:45,520 --> 00:48:42,770  
their mouths and this is the first time

1062  
00:48:48,250 --> 00:48:45,530  
I have ever heard about black-eyed kids

1063  
00:48:51,940 --> 00:48:48,260

morphing into reptilians I mean that's

1064

00:48:54,730 --> 00:48:51,950

an incredible event the only one I've

1065

00:48:59,800 --> 00:48:54,740

got the closest thing I can think of

1066

00:49:02,110 --> 00:48:59,810

that similar is that I did have one case

1067

00:49:04,150 --> 00:49:02,120

well it is kind of similar but it's

1068

00:49:09,010 --> 00:49:04,160

actually involved one of the black-eyed

1069

00:49:11,800 --> 00:49:09,020

children and the after the black eye kid

1070

00:49:13,240 --> 00:49:11,810

had gone the witness just opened the

1071

00:49:15,960 --> 00:49:13,250

front door like an hour or two later

1072

00:49:18,850 --> 00:49:15,970

just to make sure still wasn't there and

1073

00:49:21,790 --> 00:49:18,860

he said that he saw this sort of large

1074

00:49:24,310 --> 00:49:21,800

black dog with these glowing red eyes

1075

00:49:25,810 --> 00:49:24,320

just kind of prowling around the front

1076

00:49:28,240 --> 00:49:25,820

yard kind of the Hound of the

1077

00:49:31,420 --> 00:49:28,250

Baskervilles now he didn't see the

1078

00:49:34,090 --> 00:49:31,430

creature change into the black eye kid

1079

00:49:35,650 --> 00:49:34,100

or vice versa but he did admittedly feel

1080

00:49:37,330 --> 00:49:35,660

it was really strange that he should

1081

00:49:39,520 --> 00:49:37,340

have seen a black eyed kid and then a

1082

00:49:42,090 --> 00:49:39,530

couple of hours out later he opened the

1083

00:49:44,890 --> 00:49:42,100

front door to see these sort of creepy

1084

00:49:48,490 --> 00:49:44,900

black no doubt dog more like a black

1085

00:49:50,920 --> 00:49:48,500

man's yeah yeah around and he did make

1086

00:49:52,030 --> 00:49:50,930

that connection that you know he did ask

1087

00:49:52,630 --> 00:49:52,040

me you know do you think it could be one

1088

00:49:55,180 --> 00:49:52,640

of the side

1089

00:49:57,549 --> 00:49:55,190

well I don't know you know I can't

1090

00:50:01,420 --> 00:49:57,559

answer that question for sure but it is

1091

00:50:03,789 --> 00:50:01,430

kind of you know intriguing the two

1092

00:50:06,309 --> 00:50:03,799

phenomena should be within you know a

1093

00:50:08,710 --> 00:50:06,319

couple of hours each of each other in

1094

00:50:12,099 --> 00:50:08,720

the same area you know outside the same

1095

00:50:13,930 --> 00:50:12,109

house that's true and then Bluebird just

1096

00:50:15,789 --> 00:50:13,940

wrote in and you know Bluebird I'm glad

1097

00:50:17,170 --> 00:50:15,799

you said this because I remembered this

1098

00:50:18,910 --> 00:50:17,180

story actually wanted to get Billy

1099

00:50:22,660 --> 00:50:18,920

Corgan on our show to talk about it

1100

00:50:24,220 --> 00:50:22,670

Billy Corgan recently talked and on the

1101  
00:50:27,490 --> 00:50:24,230  
record I believe it was with Howard

1102  
00:50:31,000 --> 00:50:27,500  
Stern about seeing someone shaved

1103  
00:50:33,190 --> 00:50:31,010  
shape-shift right in front of him it was

1104  
00:50:35,500 --> 00:50:33,200  
somebody in the music industry are you

1105  
00:50:37,630 --> 00:50:35,510  
familiar with that story Nick yeah it

1106  
00:50:40,089 --> 00:50:37,640  
was a billy corgan from the Smashing

1107  
00:50:42,120 --> 00:50:40,099  
Pumpkins and yes but I mean it's

1108  
00:50:45,490 --> 00:50:42,130  
surprising really how many people

1109  
00:50:48,039 --> 00:50:45,500  
scooby-doo report these kinds of events

1110  
00:50:50,920 --> 00:50:48,049  
whether it's you know somebody turning

1111  
00:50:54,460 --> 00:50:50,930  
into a reptilian or a you know a black

1112  
00:50:58,569 --> 00:50:54,470  
eye key turns into like a black dog or

1113  
00:51:02,289 --> 00:50:58,579

the dog man phenomenon I think what

1114

00:51:05,460 --> 00:51:02,299

happens is that because we have like a

1115

00:51:08,019 --> 00:51:05,470

long lasting history and culture of

1116

00:51:10,180 --> 00:51:08,029

things like werewolves and you know the

1117

00:51:10,930 --> 00:51:10,190

mythology and the folklore that goes

1118

00:51:13,480 --> 00:51:10,940

along with it

1119

00:51:15,970 --> 00:51:13,490

in today's world a lot of people dismiss

1120

00:51:19,539 --> 00:51:15,980

all this because they can't get past me

1121

00:51:22,480 --> 00:51:19,549

like the image of Hollywood movies or TV

1122

00:51:25,960 --> 00:51:22,490

shows you know and so they don't think

1123

00:51:28,660 --> 00:51:25,970

it's real but you know shape-shifting

1124

00:51:31,450 --> 00:51:28,670

covers every culture around the planets

1125

00:51:34,059 --> 00:51:31,460

and when that happens for me at least

1126

00:51:37,059 --> 00:51:34,069

you have to begin to accept that with

1127

00:51:39,609 --> 00:51:37,069

every culture has these stories and this

1128

00:51:41,289 --> 00:51:39,619

was long before you know aircraft and

1129

00:51:43,420 --> 00:51:41,299

ships and these you know different

1130

00:51:45,130 --> 00:51:43,430

cultures weren't even seen each other

1131

00:51:48,999 --> 00:51:45,140

you know live thousands of miles of

1132

00:51:52,210 --> 00:51:49,009

distance away then I think a good case

1133

00:51:55,210 --> 00:51:52,220

can be made that shapeshifters are real

1134

00:52:00,190 --> 00:51:55,220

and they're they're seen quite regularly

1135

00:52:02,349 --> 00:52:00,200

but people recognize the implications of

1136

00:52:04,450 --> 00:52:02,359

saying you've seen a shape-shifting

1137

00:52:06,580 --> 00:52:04,460

creature and so most people don't talk

1138

00:52:09,040 --> 00:52:06,590

about it you

1139

00:52:11,320 --> 00:52:09,050

and I think you know reading your book I

1140

00:52:13,150 --> 00:52:11,330

was kind of overwhelmed thinking about

1141

00:52:15,700 --> 00:52:13,160

all the different creatures that are

1142

00:52:17,970 --> 00:52:15,710

around us you know whether people want

1143

00:52:20,410 --> 00:52:17,980

to believe it or not they're here and

1144

00:52:22,210 --> 00:52:20,420

certainly people that have had personal

1145

00:52:23,680 --> 00:52:22,220

experiences that have reached out to you

1146

00:52:26,740 --> 00:52:23,690

and share their stories know they're

1147

00:52:28,420 --> 00:52:26,750

real and you know they're real yeah I

1148

00:52:31,450 --> 00:52:28,430

mean one of the things I would point out

1149

00:52:34,420 --> 00:52:31,460

I mean anything paranormal but just just

1150

00:52:36,580 --> 00:52:34,430

show how nature works you know you take

1151

00:52:38,710 --> 00:52:36,590

a creature like a chameleon where it can

1152

00:52:41,860 --> 00:52:38,720

change its color to blend into the

1153

00:52:44,320 --> 00:52:41,870

background you know so you know predator

1154

00:52:52,930 --> 00:52:44,330

animal doesn't see it and doesn't

1155

00:52:55,870 --> 00:52:52,940

recognize it for another short break

1156

00:52:59,140 --> 00:52:55,880

next mean interrupt but my producer is

1157

00:53:01,360 --> 00:52:59,150

waving at me here then we're going to

1158

00:53:02,920 --> 00:53:01,370

take another very short break because he

1159

00:53:05,410 --> 00:53:02,930

wanting it back to Nick and all of his

1160

00:53:07,480 --> 00:53:05,420

great stories here and again the name of

1161

00:53:09,910 --> 00:53:07,490

the book real quick is shapeshifters

1162

00:53:11,890 --> 00:53:09,920

morphing monsters and changing cryptids

1163

00:53:14,020 --> 00:53:11,900

stay tuned everybody you are listening

1164

00:53:16,960 --> 00:53:14,030

to Supernatural girls radio and we will

1165

00:53:19,210 --> 00:53:16,970

be right back welcome back everyone to

1166

00:53:21,070 --> 00:53:19,220

Supernatural girls radio I'm your host

1167

00:53:25,690 --> 00:53:21,080

Patricia Baker here with my co-host

1168

00:53:28,690 --> 00:53:25,700

Patricia Kirkman PK and our guests who

1169

00:53:31,390 --> 00:53:28,700

we love Nick Redfern is with us tonight

1170

00:53:35,470 --> 00:53:31,400

he has a new book shapeshifters morphing

1171

00:53:37,270 --> 00:53:35,480

monsters and changing cryptids it is a

1172

00:53:40,300 --> 00:53:37,280

terrific book and we're getting into as

1173

00:53:42,460 --> 00:53:40,310

many stories as we can with Nick tonight

1174

00:53:44,530 --> 00:53:42,470

now somebody was asking Nick about owl

1175

00:53:48,070 --> 00:53:44,540

man can you talk to us a little bit

1176  
00:53:50,890 --> 00:53:48,080  
about that creature yes yeah well almond

1177  
00:53:53,770 --> 00:53:50,900  
is the British equivalent of masked man

1178  
00:53:56,380 --> 00:53:53,780  
now people don't know Mothman was this

1179  
00:53:59,170 --> 00:53:56,390  
creature first seen all these violent

1180  
00:54:02,800 --> 00:53:59,180  
name in Point Pleasant West Virginia in

1181  
00:54:06,040 --> 00:54:02,810  
the latter part of 1966 through December

1182  
00:54:08,470 --> 00:54:06,050  
67 it was like a flying humanoid with

1183  
00:54:10,840 --> 00:54:08,480  
these fiery red eyes and that's

1184  
00:54:13,570 --> 00:54:10,850  
basically what the owl man is in the UK

1185  
00:54:16,780 --> 00:54:13,580  
it's like a humanoid flying creature

1186  
00:54:19,520 --> 00:54:16,790  
with these bright red eyes and again

1187  
00:54:22,640 --> 00:54:19,530  
like with the Mothman this

1188  
00:54:25,600 --> 00:54:22,650

a lot of stories of disaster and

1189

00:54:29,390 --> 00:54:25,610

negativity surrounding this creature and

1190

00:54:31,820 --> 00:54:29,400

what's interesting is that there are in

1191

00:54:34,460 --> 00:54:31,830

relation to VL man there aspects of

1192

00:54:37,100 --> 00:54:34,470

shape-shifting for example one of the

1193

00:54:39,200 --> 00:54:37,110

things I talk about is where people have

1194

00:54:41,390 --> 00:54:39,210

sort of been driving around the little

1195

00:54:44,290 --> 00:54:41,400

country roads in and around the area in

1196

00:54:50,300 --> 00:54:44,300

the county of Cornwall where people see

1197

00:54:52,970 --> 00:54:50,310

the real man and they've seen first what

1198

00:54:56,090 --> 00:54:52,980

they thought was just a regular kind of

1199

00:54:59,570 --> 00:54:56,100

owl and then as they got closer it was

1200

00:55:01,220 --> 00:54:59,580

as if it morphed into like a much larger

1201  
00:55:02,840 --> 00:55:01,230  
creature sort of six to seven feet tall

1202  
00:55:08,240 --> 00:55:02,850  
what was weird

1203  
00:55:10,310 --> 00:55:08,250  
at the time they didn't think was

1204  
00:55:12,260 --> 00:55:10,320  
anything strange it was like oh that how

1205  
00:55:15,290 --> 00:55:12,270  
oldest changed you know from three foot

1206  
00:55:16,700 --> 00:55:15,300  
to foot six foot or whatever tell me

1207  
00:55:19,160 --> 00:55:16,710  
afterwards that they got home that

1208  
00:55:22,220 --> 00:55:19,170  
they're like why didn't I think that was

1209  
00:55:26,330 --> 00:55:22,230  
strange and he was there was somehow

1210  
00:55:29,360 --> 00:55:26,340  
mind controlled or hypnotized so that a

1211  
00:55:31,040 --> 00:55:29,370  
lot of stories like that where as if the

1212  
00:55:33,920 --> 00:55:31,050  
owl man has the ability to sort of

1213  
00:55:35,810 --> 00:55:33,930

control the person for whatever reason

1214

00:55:39,200 --> 00:55:35,820

we don't know but there are other cases

1215

00:55:41,330 --> 00:55:39,210

which cross over into the UFO issue

1216

00:55:44,150 --> 00:55:41,340

where sometimes people have been a

1217

00:55:45,830 --> 00:55:44,160

message in the US and in the UK where

1218

00:55:49,880 --> 00:55:45,840

people have been driving home late at

1219

00:55:51,650 --> 00:55:49,890

night and when they get home these kind

1220

00:55:53,270 --> 00:55:51,660

of feel a little bit odd as if the

1221

00:55:55,520 --> 00:55:53,280

journey took longer than they should

1222

00:55:58,040 --> 00:55:55,530

have done and they're a little bit

1223

00:56:00,170 --> 00:55:58,050

muddled or puzzled and the only thing

1224

00:56:02,630 --> 00:56:00,180

they can remember is that they saw this

1225

00:56:05,720 --> 00:56:02,640

large owl standing at the side of the

1226

00:56:08,000 --> 00:56:05,730

road again sort of at five feet tall you

1227

00:56:11,420 --> 00:56:08,010

know which under normal circumstances

1228

00:56:13,190 --> 00:56:11,430

were being possible but then they start

1229

00:56:17,090 --> 00:56:13,200

getting these weird nightmares and

1230

00:56:20,810 --> 00:56:17,100

dreams where the wall where the the owl

1231

00:56:23,270 --> 00:56:20,820

was actually like a screen memory for an

1232

00:56:26,510 --> 00:56:23,280

alien abduction in other words if the

1233

00:56:29,750 --> 00:56:26,520

alien saying you'll remember seeing an

1234

00:56:31,220 --> 00:56:29,760

owl instead of what really happened now

1235

00:56:33,260 --> 00:56:31,230

the people who don't know scream

1236

00:56:34,160 --> 00:56:33,270

memories are a reality

1237

00:56:37,430 --> 00:56:34,170

you know if you have a traumatic

1238

00:56:40,880 --> 00:56:37,440

experience the mind covers it up by

1239

00:56:42,530 --> 00:56:40,890

creating a fantasy and you don't do it

1240

00:56:44,330 --> 00:56:42,540

deliberately you know it just happens

1241

00:56:47,570 --> 00:56:44,340

it's kind of like somebody sees a really

1242

00:56:50,750 --> 00:56:47,580

bad car accident but then two weeks

1243

00:56:53,360 --> 00:56:50,760

later they cannot remember properly the

1244

00:56:55,070 --> 00:56:53,370

graphic images of the injuries of the

1245

00:56:56,960 --> 00:56:55,080

person you know another person might

1246

00:56:59,870 --> 00:56:56,970

have had because the brain kind of

1247

00:57:02,480 --> 00:56:59,880

cushions itself you know so you don't

1248

00:57:05,600 --> 00:57:02,490

you know constantly cause there's no

1249

00:57:09,470 --> 00:57:05,610

insurable images yeah and it's kind of

1250

00:57:11,720 --> 00:57:09,480

like that we've deliberately inserted

1251  
00:57:15,470 --> 00:57:11,730  
screen memories you know the idea that

1252  
00:57:18,560 --> 00:57:15,480  
these aliens if you like could create a

1253  
00:57:21,110 --> 00:57:18,570  
screen image so they they haven't

1254  
00:57:24,170 --> 00:57:21,120  
physically shape-shifted but the the

1255  
00:57:26,270 --> 00:57:24,180  
alien at the edge of the road in terms

1256  
00:57:29,450 --> 00:57:26,280  
of the person's mind its shape shifts

1257  
00:57:32,090 --> 00:57:29,460  
but into that of like a giant owl so I

1258  
00:57:35,630 --> 00:57:32,100  
think the almond phenomenon could

1259  
00:57:38,960 --> 00:57:35,640  
somehow be tied in with these similar

1260  
00:57:41,330 --> 00:57:38,970  
large owl stories that that tie with the

1261  
00:57:44,450 --> 00:57:41,340  
whole alien abduction phenomenon that's

1262  
00:57:47,390 --> 00:57:44,460  
interesting yes yeah there was a movie

1263  
00:57:50,120 --> 00:57:47,400

about abductions in Alaska and they all

1264

00:57:52,310 --> 00:57:50,130

had the owl it's kind of a motif that

1265

00:57:53,330 --> 00:57:52,320

they remembered and very little else but

1266

00:57:55,880 --> 00:57:53,340

they were terrified

1267

00:57:58,970 --> 00:57:55,890

just seeing the owls so you know that's

1268

00:58:00,920 --> 00:57:58,980

an interesting screen memory so it

1269

00:58:02,810 --> 00:58:00,930

here's another thing that we wanted to

1270

00:58:06,950 --> 00:58:02,820

talk to you about that's just so many

1271

00:58:09,800 --> 00:58:06,960

but serious shapeshifters of all you

1272

00:58:13,730 --> 00:58:09,810

have a chapter on that who are the

1273

00:58:15,350 --> 00:58:13,740

scariest ones mm-hmm well I'm not sure

1274

00:58:18,560 --> 00:58:15,360

if ever scares but there's only the most

1275

00:58:21,650 --> 00:58:18,570

dangerous ones one of them would be the

1276

00:58:25,580 --> 00:58:21,660

wendi-go a creature that features

1277

00:58:27,950 --> 00:58:25,590

prominently in Native American law in be

1278

00:58:31,360 --> 00:58:27,960

sort of northern parts of the US and and

1279

00:58:33,980 --> 00:58:31,370

into Canada now there are a lot of

1280

00:58:37,040 --> 00:58:33,990

stories and some some of them kind of

1281

00:58:41,480 --> 00:58:37,050

clash in terms of what the wendi-go is

1282

00:58:43,940 --> 00:58:41,490

now one theory is that or one of the

1283

00:58:46,730 --> 00:58:43,950

belief systems was in Native American

1284

00:58:47,210 --> 00:58:46,740

law was that if somebody would sort of

1285

00:58:50,270 --> 00:58:47,220

go

1286

00:58:52,550 --> 00:58:50,280

and live in the woods and turned to

1287

00:58:55,750 --> 00:58:52,560

cannibalism then they would transform

1288

00:59:01,100 --> 00:58:55,760

into this sort of marauding giant

1289

00:59:03,710 --> 00:59:01,110

humanoid known as the Wendigo and it

1290

00:59:06,470 --> 00:59:03,720

would attack people and kill them and

1291

00:59:09,200 --> 00:59:06,480

eat them and it would take on from its

1292

00:59:11,420 --> 00:59:09,210

original human form more like a savage

1293

00:59:13,910 --> 00:59:11,430

beast like creature even though it would

1294

00:59:17,450 --> 00:59:13,920

have sort of two arms two legs and a

1295

00:59:20,540 --> 00:59:17,460

head now some people are suggesting that

1296

00:59:22,490 --> 00:59:20,550

maybe possibly what people were talking

1297

00:59:25,040 --> 00:59:22,500

about we're actually very violent

1298

00:59:27,320 --> 00:59:25,050

dangerous Bigfoot's and that over the

1299

00:59:29,180 --> 00:59:27,330

years sightings of these dangerous

1300

00:59:31,910 --> 00:59:29,190

Bigfoot you know looking for food in the

1301  
00:59:35,690 --> 00:59:31,920  
winter months possibly attacked people

1302  
00:59:37,070 --> 00:59:35,700  
and possibly cases like that may have

1303  
00:59:39,500 --> 00:59:37,080  
been responsible for some of these

1304  
00:59:42,410 --> 00:59:39,510  
Wendigo reports but then there are other

1305  
00:59:44,110 --> 00:59:42,420  
stories where for example the Wendigo is

1306  
00:59:47,240 --> 00:59:44,120  
seen as like a cannibalistic

1307  
00:59:51,500 --> 00:59:47,250  
supernatural creature which can take on

1308  
00:59:54,530 --> 00:59:51,510  
or possess the mind of a human being so

1309  
00:59:57,020 --> 00:59:54,540  
it's kind of like again me I mentioned

1310  
00:59:59,810 --> 00:59:57,030  
briefly earlier in in relation to the

1311  
01:00:02,900 --> 00:59:59,820  
wendi-go we could be looking at like not

1312  
01:00:05,060 --> 01:00:02,910  
a like a shape-shifting physically but a

1313  
01:00:08,180 --> 01:00:05,070

mind shifting where the Wendigo takes

1314

01:00:10,880 --> 01:00:08,190

over the mind of the person and then

1315

01:00:12,980 --> 01:00:10,890

goes on this killing rampage or it could

1316

01:00:15,800 --> 01:00:12,990

be a combination of all these different

1317

01:00:17,840 --> 01:00:15,810

factors but but what it does boil down

1318

01:00:21,560 --> 01:00:17,850

to is that within Native American law

1319

01:00:24,260 --> 01:00:21,570

the the wendi-go however you describe it

1320

01:00:27,440 --> 01:00:24,270

is sort of a definitive shape-shifter

1321

01:00:29,420 --> 01:00:27,450

and and dangerous because the thing that

1322

01:00:38,780 --> 01:00:29,430

it was associated with more than

1323

01:00:41,630 --> 01:00:38,790

anything else was cannibalism so take a

1324

01:00:43,070 --> 01:00:41,640

pass on that experience yeah I mean now

1325

01:00:45,890 --> 01:00:43,080

also with the Wendigo I've heard that

1326

01:00:48,170 --> 01:00:45,900

they are consumed with hunger it's one

1327

01:00:50,900 --> 01:00:48,180

of the things that makes them so

1328

01:00:52,250 --> 01:00:50,910

dangerous have you heard that yeah this

1329

01:00:54,470 --> 01:00:52,260

actually ties it with a similar

1330

01:00:57,680 --> 01:00:54,480

phenomena known as The Hungry Ghost and

1331

01:01:00,559 --> 01:00:57,690

and they're sort of driven to constantly

1332

01:01:03,019 --> 01:01:00,569

eight you know they have this sort of

1333

01:01:07,370 --> 01:01:03,029

almost like a starvation mode where

1334

01:01:09,919 --> 01:01:07,380

they're just crazy for food and but yeah

1335

01:01:11,900 --> 01:01:09,929

again it's interesting you can find the

1336

01:01:14,209 --> 01:01:11,910

stories of similar to the wendi-go but

1337

01:01:15,769 --> 01:01:14,219

where they call them The Hungry Ghost

1338

01:01:19,339 --> 01:01:15,779

see the hungry ghosts are quite

1339

01:01:21,140 --> 01:01:19,349

prevalent in Indian legends and Chinese

1340

01:01:24,380 --> 01:01:21,150

legends and again they're sort of

1341

01:01:27,140 --> 01:01:24,390

they're driven to just ate all the time

1342

01:01:29,630 --> 01:01:27,150

and but you never they're never

1343

01:01:30,799 --> 01:01:29,640

satisfied you know so again it's

1344

01:01:34,519 --> 01:01:30,809

interesting that you've got almost

1345

01:01:37,429 --> 01:01:34,529

parallel stories from Canada from Alaska

1346

01:01:39,259 --> 01:01:37,439

and ride across to China and India and

1347

01:01:41,719 --> 01:01:39,269

going back thousands of years

1348

01:01:43,309 --> 01:01:41,729

when supposedly you know we didn't even

1349

01:01:45,699 --> 01:01:43,319

know the other countries were there but

1350

01:01:48,349 --> 01:01:45,709

their tales are almost identical

1351

01:01:50,449 --> 01:01:48,359

it's incredible and I think we've found

1352

01:01:53,089 --> 01:01:50,459

ways it's scary it's so scary to some of

1353

01:01:55,039 --> 01:01:53,099

us that we found ways to to try to bury

1354

01:01:56,900 --> 01:01:55,049

it but it's these things they keep

1355

01:01:58,789 --> 01:01:56,910

surfacing and more and more people are

1356

01:02:00,499 --> 01:01:58,799

coming forward because they have the

1357

01:02:02,959 --> 01:02:00,509

sympathetic ear of people like you who

1358

01:02:05,659 --> 01:02:02,969

are kind enough to listen and respect

1359

01:02:06,859 --> 01:02:05,669

their story so that makes a big

1360

01:02:09,079 --> 01:02:06,869

difference that work that you're doing

1361

01:02:11,419 --> 01:02:09,089

and bringing this out I think Nick is

1362

01:02:16,870 --> 01:02:11,429

extremely important so thank you for

1363

01:02:20,959 --> 01:02:19,069

without the witnesses we've got nothing

1364

01:02:24,169 --> 01:02:20,969

to go on and so I think it's important

1365

01:02:26,449 --> 01:02:24,179

to respect the witnesses because they're

1366

01:02:28,640 --> 01:02:26,459

the ones who had the experiences and so

1367

01:02:30,949 --> 01:02:28,650

that's why you know I'm always happy to

1368

01:02:33,140 --> 01:02:30,959

listen if somebody says yes you can use

1369

01:02:35,239 --> 01:02:33,150

the story my real name that's great if

1370

01:02:37,669 --> 01:02:35,249

they say you can use the story but I'd

1371

01:02:39,589 --> 01:02:37,679

rather not be named then I'd never do

1372

01:02:41,870 --> 01:02:39,599

name them you know I think it's always

1373

01:02:45,079 --> 01:02:41,880

important to have respect for the person

1374

01:02:50,120 --> 01:02:45,089

who's sharing the story you know and not

1375

01:02:54,109 --> 01:02:50,130

kind of you know go against their their

1376

01:02:56,209 --> 01:02:54,119

wishes or whatever but yeah that's a big

1377

01:02:58,549 --> 01:02:56,219

help to all of us now here's a question

1378

01:03:01,699 --> 01:02:58,559

from Kari who's asking do you have any

1379

01:03:04,459 --> 01:03:01,709

reports from big-game hunters who have

1380

01:03:09,610 --> 01:03:04,469

reported seeing unrecognizable creatures

1381

01:03:09,620 --> 01:03:12,760

[Music]

1382

01:03:19,150 --> 01:03:16,099

the only things I can think of I know a

1383

01:03:21,589 --> 01:03:19,160

few Bigfoot cases where hunters did

1384

01:03:26,059 --> 01:03:21,599

officially file a report you know it

1385

01:03:29,299 --> 01:03:26,069

like the forestry organizations I know a

1386

01:03:31,670 --> 01:03:29,309

few people in the forestry offices

1387

01:03:34,160 --> 01:03:31,680

around the u.s. have been approached by

1388

01:03:37,670 --> 01:03:34,170

people who said they saw a bigfoot-type

1389

01:03:39,500 --> 01:03:37,680

creature now you know for the most part

1390

01:03:41,839 --> 01:03:39,510

they they will love their story you know

1391

01:03:45,319 --> 01:03:41,849

if you officially want to report

1392

01:03:46,609 --> 01:03:45,329

something they will they'll file it you

1393

01:03:48,380 --> 01:03:46,619

know in the same way if you call the

1394

01:03:51,410 --> 01:03:48,390

police if you see you say you've seen a

1395

01:03:53,480 --> 01:03:51,420

UFO and you insist they vestigators I

1396

01:03:56,569 --> 01:03:53,490

mean you insist they make a note of it

1397

01:04:00,140 --> 01:03:56,579

they will but they're also you know

1398

01:04:03,140 --> 01:04:00,150

conspiracy theories surrounding you know

1399

01:04:06,319 --> 01:04:03,150

forestry organizations knowing more

1400

01:04:08,980 --> 01:04:06,329

about the existence of Bigfoot and that

1401  
01:04:11,299 --> 01:04:08,990  
there's some sort of cover-up going on

1402  
01:04:13,849 --> 01:04:11,309  
you can find a number of stories like

1403  
01:04:17,470 --> 01:04:13,859  
that but that's probably the closest I

1404  
01:04:20,420 --> 01:04:17,480  
can think of you know that that would

1405  
01:04:22,880 --> 01:04:20,430  
yeah I mean there are a lot of mysteries

1406  
01:04:29,390 --> 01:04:22,890  
about disappearances in our national

1407  
01:04:31,130 --> 01:04:29,400  
parks that's for sure where I kind of

1408  
01:04:33,380 --> 01:04:31,140  
play it down because they don't want

1409  
01:04:35,960 --> 01:04:33,390  
people panicking that there are you know

1410  
01:04:39,140 --> 01:04:35,970  
sort of killer Bigfoot running around or

1411  
01:04:40,849 --> 01:04:39,150  
whatever yeah and they don't want people

1412  
01:04:43,789 --> 01:04:40,859  
to stop spending money there that's

1413  
01:04:44,240 --> 01:04:43,799

really the reason so good point a good

1414

01:04:46,430 --> 01:04:44,250

point

1415

01:04:48,980 --> 01:04:46,440

you know it's it's amazing that over the

1416

01:04:52,789 --> 01:04:48,990

years how each civilization as you say

1417

01:04:56,569 --> 01:04:52,799

China States or ever they all have that

1418

01:05:00,260 --> 01:04:56,579

background where you'll see sketches or

1419

01:05:02,150 --> 01:05:00,270

pictures of the same things but from

1420

01:05:05,210 --> 01:05:02,160

totally different aspects that nobody

1421

01:05:06,980 --> 01:05:05,220

knew the other one existed and yet when

1422

01:05:09,260 --> 01:05:06,990

we go back and take a look at it like

1423

01:05:13,059 --> 01:05:09,270

the Egyptians with the head of the

1424

01:05:16,220 --> 01:05:13,069

animal versus and how many religions or

1425

01:05:20,120 --> 01:05:16,230

peoples have that type of thing I'm

1426

01:05:21,770 --> 01:05:20,130

going yeah that's it for me that's one

1427

01:05:24,620 --> 01:05:21,780

of the most important things when you

1428

01:05:26,780 --> 01:05:24,630

have similar stories

1429

01:05:29,870 --> 01:05:26,790

from a massive amount of distance away

1430

01:05:31,940 --> 01:05:29,880

but to me that's a good point too we're

1431

01:05:34,220 --> 01:05:31,950

not talking about fantasies or folklore

1432

01:05:36,440 --> 01:05:34,230

you know it's it's a real phenomenon

1433

01:05:40,160 --> 01:05:36,450

even if we're not really sure what the

1434

01:05:48,620 --> 01:05:40,170

phenomenon actually is do you have a

1435

01:05:51,290 --> 01:05:48,630

favorite Krypton Nick lot of interest in

1436

01:05:53,330 --> 01:05:51,300

the the Puerto Rican Chupacabra because

1437

01:05:55,940 --> 01:05:53,340

I've been there so many times looking

1438

01:05:59,000 --> 01:05:55,950

for the chupacabra probably 9 or 10

1439

01:06:01,460 --> 01:05:59,010

times now you know and I like I like

1440

01:06:04,550 --> 01:06:01,470

Puerto Rico anyway you know son one the

1441

01:06:07,940 --> 01:06:04,560

Capitals sort of this cross between you

1442

01:06:10,970 --> 01:06:07,950

know four hundred year old little areas

1443

01:06:13,550 --> 01:06:10,980

you know their streets and you know even

1444

01:06:15,500 --> 01:06:13,560

some of the old buildings there and the

1445

01:06:19,130 --> 01:06:15,510

Pirates were invading and then you've

1446

01:06:22,070 --> 01:06:19,140

got sort of new part of San Juan so so I

1447

01:06:22,700 --> 01:06:22,080

guess you know the the chupacabra is one

1448

01:06:26,330 --> 01:06:22,710

of them

1449

01:06:29,300 --> 01:06:26,340

but the I guess another one as well

1450

01:06:31,730 --> 01:06:29,310

would be the whole issue of the men in

1451

01:06:33,620 --> 01:06:31,740

black now people think of the man in

1452

01:06:37,310 --> 01:06:33,630

black you know they think of Will Smith

1453

01:06:38,780 --> 01:06:37,320

and Tommy Lee Jones the rails are much

1454

01:06:42,620 --> 01:06:38,790

creepier where the men in black are

1455

01:06:44,810 --> 01:06:42,630

described as sort of pale and skinny and

1456

01:06:46,880 --> 01:06:44,820

very tall and they're these large

1457

01:06:49,310 --> 01:06:46,890

bulging eyes they hide behind these

1458

01:06:51,200 --> 01:06:49,320

black sunglasses and they don't actually

1459

01:06:54,920 --> 01:06:51,210

look you and some people think they're

1460

01:06:57,620 --> 01:06:54,930

sort of alien-human hybrids other people

1461

01:07:00,680 --> 01:06:57,630

think you know are they supernatural

1462

01:07:04,070 --> 01:07:00,690

time travellers demonic things who knows

1463

01:07:05,860 --> 01:07:04,080

but I've got a number of cases again con

1464

01:07:08,990 --> 01:07:05,870

work with a black-eyed children-- where

1465

01:07:11,360 --> 01:07:09,000

the men in black sort of morph into

1466

01:07:14,690 --> 01:07:11,370

other creatures funnily enough I've got

1467

01:07:16,730 --> 01:07:14,700

a man in black case where kind of like

1468

01:07:20,030 --> 01:07:16,740

that black-eyed children-- when I

1469

01:07:24,970 --> 01:07:20,040

mentioned where the witness said the man

1470

01:07:29,720 --> 01:07:27,860

you can find a lot of these stories that

1471

01:07:31,760 --> 01:07:29,730

they're known as phantom black dogs in

1472

01:07:34,280 --> 01:07:31,770

Supernatural research I mean Google

1473

01:07:35,960 --> 01:07:34,290

phantom Black Dog you'll find stories

1474

01:07:38,089 --> 01:07:35,970

from all around the world of these large

1475

01:07:41,059 --> 01:07:38,099

black dog cease fire

1476

01:07:42,229 --> 01:07:41,069

red eyes and so I've got one case only

1477

01:07:44,870 --> 01:07:42,239

one but you know it's a really

1478

01:07:48,349 --> 01:07:44,880

interesting case of her this sort of

1479

01:07:51,589 --> 01:07:48,359

creepy pale vampire type looking man in

1480

01:07:54,140 --> 01:07:51,599

black transforming into like this savage

1481

01:07:57,620 --> 01:07:54,150

hound type creature and interestingly

1482

01:08:00,109 --> 01:07:57,630

enough Arthur Conan Doyle who wrote the

1483

01:08:02,420 --> 01:08:00,119

Sherlock Holmes novel the Hound of the

1484

01:08:05,289 --> 01:08:02,430

Baskervilles he was actually inspired to

1485

01:08:09,200 --> 01:08:05,299

write that novel based on pre-existing

1486

01:08:11,870 --> 01:08:09,210

legends in the UK of these these fans of

1487

01:08:14,420 --> 01:08:11,880

black dogs that's what pushed him to

1488

01:08:17,859 --> 01:08:14,430

write the novel nowadays he'll house

1489

01:08:20,450 --> 01:08:17,869

would you call them no house yeah yeah

1490

01:08:22,459 --> 01:08:20,460

yeah he'll have sort of the older

1491

01:08:25,039 --> 01:08:22,469

version and today they're sort of known

1492

01:08:26,870 --> 01:08:25,049

as phantom black dogs but the hellhounds

1493

01:08:29,419 --> 01:08:26,880

you know you can find those going back

1494

01:08:32,120 --> 01:08:29,429

to like ancient Greek mythology where

1495

01:08:33,470 --> 01:08:32,130

when somebody dies and you know they go

1496

01:08:36,140 --> 01:08:33,480

to the land of the dead

1497

01:08:41,149 --> 01:08:36,150

you know they're taken by these savage

1498

01:08:43,780 --> 01:08:41,159

savage dogs and you knows paranormal

1499

01:08:46,220 --> 01:08:43,790

pounds paranormal dogs that play quite

1500

01:08:50,059 --> 01:08:46,230

significant roles in a lot of religions

1501

01:08:51,919 --> 01:08:50,069

you know it's sort of like but they sort

1502

01:08:54,499 --> 01:08:51,929

of as I said a crater that takes you

1503

01:08:56,720 --> 01:08:54,509

into the next realm you know that kind

1504

01:08:59,599 --> 01:08:56,730

of thing yeah

1505

01:09:01,309 --> 01:08:59,609

where comes after you I mean I've heard

1506

01:09:03,859 --> 01:09:01,319

stories about hellhounds and they have

1507

01:09:05,419 --> 01:09:03,869

teeth that are sharper than metal so I

1508

01:09:08,570 --> 01:09:05,429

wouldn't want to be chased by one of

1509

01:09:09,950 --> 01:09:08,580

them that's for sure Yami's interesting

1510

01:09:12,050 --> 01:09:09,960

you said about being chased because

1511

01:09:14,930 --> 01:09:12,060

they're particularly with the british

1512

01:09:16,910 --> 01:09:14,940

reports if you go about four or five

1513

01:09:19,189 --> 01:09:16,920

hundred years if you were to see one of

1514

01:09:22,039 --> 01:09:19,199

these black dogs it was supposedly like

1515

01:09:24,979 --> 01:09:22,049

a precursor for death or tragedy that

1516

01:09:28,309 --> 01:09:24,989

somebody was gonna die who you knew or

1517

01:09:30,229 --> 01:09:28,319

you might die yourself and interesting

1518

01:09:32,329 --> 01:09:30,239

enough if you again if you do a google

1519

01:09:35,780 --> 01:09:32,339

search there's a lot of pubs in england

1520

01:09:38,240 --> 01:09:35,790

called the black dog and and one of the

1521

01:09:40,669 --> 01:09:38,250

reasons is because if you look back into

1522

01:09:42,950 --> 01:09:40,679

the history of most of those black dog

1523

01:09:44,660 --> 01:09:42,960

pubs in england you'll find that there's

1524

01:09:46,970 --> 01:09:44,670

a legend in that little village or that

1525

01:09:48,800 --> 01:09:46,980

little town where there was a ghostly

1526

01:09:51,279 --> 01:09:48,810

black dog and that's why they they named

1527

01:09:53,200 --> 01:09:51,289

the pubs after them Sir

1528

01:09:55,569 --> 01:09:53,210

it's so fascinating now here's a

1529

01:09:59,229 --> 01:09:55,579

question this is from new guy who's

1530

01:10:02,609 --> 01:09:59,239

asking what about pod wedgies would you

1531

01:10:06,669 --> 01:10:02,619

say they would be classified as cryptids

1532

01:10:11,500 --> 01:10:06,679

sorry hug wedgies have you heard of

1533

01:10:13,029 --> 01:10:11,510

those oh yeah well yeah I think you know

1534

01:10:16,060 --> 01:10:13,039

a lot the little people you mean that's

1535

01:10:17,830 --> 01:10:16,070

kind of thing yeah but they're kind Asti

1536

01:10:21,250 --> 01:10:17,840

they call your name and they try to

1537

01:10:23,799 --> 01:10:21,260

trick you follow them and yeah no I

1538

01:10:25,689 --> 01:10:23,809

think actually you can personal I kind

1539

01:10:28,330 --> 01:10:25,699

of lump all those together your stories

1540

01:10:31,450 --> 01:10:28,340

of goblins fairies the little people you

1541

01:10:34,629 --> 01:10:31,460

know and it's important to know when

1542

01:10:36,540 --> 01:10:34,639

people talk about fairies today you know

1543

01:10:39,250 --> 01:10:36,550

they think of an image of like a little

1544

01:10:41,200 --> 01:10:39,260

girl with wings flitting around a

1545

01:10:43,660 --> 01:10:41,210

Christmas tree you know and you know

1546

01:10:45,669 --> 01:10:43,670

magic wand in a hand that sort of the

1547

01:10:48,819 --> 01:10:45,679

image of people had of fairies in the

1548

01:10:51,339 --> 01:10:48,829

last century or so but if you look at

1549

01:10:53,169 --> 01:10:51,349

these the real stories going back

1550

01:10:55,479 --> 01:10:53,179

centuries they're actually nothing like

1551

01:10:57,870 --> 01:10:55,489

that they were described as sort of

1552

01:11:00,819 --> 01:10:57,880

little you know two to three foot tall

1553

01:11:03,339 --> 01:11:00,829

humanoid creatures which very often

1554

01:11:05,830 --> 01:11:03,349

would come out at night they would live

1555

01:11:08,049 --> 01:11:05,840

deep underground in tunnels or under

1556

01:11:11,319 --> 01:11:08,059

ancient mounds you know and they would

1557

01:11:14,229 --> 01:11:11,329

steal food sometimes I would be friendly

1558

01:11:16,600 --> 01:11:14,239

sometimes they would be kind of

1559

01:11:17,950 --> 01:11:16,610

ambivalence there could be tricks to

1560

01:11:20,290 --> 01:11:17,960

like and sometimes I'll be downright

1561

01:11:23,049 --> 01:11:20,300

dangerous and deadly depending on the

1562

01:11:24,939 --> 01:11:23,059

mood that took them but yeah I think all

1563

01:11:27,189 --> 01:11:24,949

of these kind of things these sort of

1564

01:11:29,919 --> 01:11:27,199

little people that live in the woods and

1565

01:11:32,979 --> 01:11:29,929

kind in trance here and take you away

1566

01:11:36,399 --> 01:11:32,989

and play games with you not in a good

1567

01:11:39,970 --> 01:11:36,409

way I mean and it's almost as if they

1568

01:11:41,379 --> 01:11:39,980

just enjoy taunting the human race but

1569

01:11:44,169 --> 01:11:41,389

again it's like some of the other things

1570

01:11:45,520 --> 01:11:44,179

I spoke about earlier you start talking

1571

01:11:48,759 --> 01:11:45,530

about the little people they think about

1572

01:11:53,009 --> 01:11:48,769

fairies and record with Irish accents

1573

01:12:00,069 --> 01:11:56,379

the folklore version but stories are

1574

01:12:02,470 --> 01:12:00,079

very sinister little people savage

1575

01:12:04,209 --> 01:12:02,480

little people can be found all over the

1576

01:12:05,380 --> 01:12:04,219

place I've actually got quite a few from

1577

01:12:06,700 --> 01:12:05,390

the you

1578

01:12:10,000 --> 01:12:06,710

particularly the forests of the

1579

01:12:12,010 --> 01:12:10,010

Northwest you know Washington State are

1580

01:12:13,870 --> 01:12:12,020

even places like that where I've got

1581

01:12:16,780 --> 01:12:13,880

several cases where people swore they

1582

01:12:19,090 --> 01:12:16,790

saw these little people these little

1583

01:12:21,850 --> 01:12:19,100

wise and creatures if you like and they

1584

01:12:23,770 --> 01:12:21,860

got a really sense of malevolence for

1585

01:12:27,580 --> 01:12:23,780

them the fact that you know they

1586

01:12:29,950 --> 01:12:27,590

somebody had stumble on them and one of

1587

01:12:31,690 --> 01:12:29,960

the guys I spoke to actually he was so

1588

01:12:34,300 --> 01:12:31,700

affected by it that he sort of spent

1589

01:12:36,490 --> 01:12:34,310

years investigating these reports not

1590

01:12:38,350 --> 01:12:36,500

officially as a researcher but you know

1591

01:12:40,810 --> 01:12:38,360

just on his own for his own personal

1592

01:12:43,480 --> 01:12:40,820

interests me he believed and still does

1593

01:12:46,390 --> 01:12:43,490

believe that they were like some sort of

1594

01:12:48,760 --> 01:12:46,400

ancient offshoot of us the human race

1595

01:12:52,660 --> 01:12:48,770

but Almond like a pygmy version that

1596

01:12:56,440 --> 01:12:52,670

kind of thing yeah you know that leaves

1597

01:12:59,170 --> 01:12:56,450

outside of society but he's somehow an

1598

01:13:02,230 --> 01:12:59,180

ancient type of early humanoid if you

1599

01:13:03,970 --> 01:13:02,240

like let me take us back to men in black

1600

01:13:05,890 --> 01:13:03,980

because I know that's also one of your

1601

01:13:06,670 --> 01:13:05,900

favorite topics and I know you did a

1602

01:13:10,800 --> 01:13:06,680

book on it

1603

01:13:21,880 --> 01:13:10,810

what do you think they are they androids

1604

01:13:24,220 --> 01:13:21,890

five books in a few months but it's kind

1605

01:13:25,960 --> 01:13:24,230

of ironic that everybody thinks the

1606

01:13:28,690 --> 01:13:25,970

burning black of government agents and

1607

01:13:31,120 --> 01:13:28,700

that comes really from the massive

1608

01:13:33,520 --> 01:13:31,130

success of the movies but the movies

1609

01:13:35,290 --> 01:13:33,530

portrayed the man in black is working

1610

01:13:38,260 --> 01:13:35,300

for a government agency but as I said

1611

01:13:40,120 --> 01:13:38,270

most people describe them as extremely

1612

01:13:45,520 --> 01:13:40,130

pale you know the skins like a sheet of

1613

01:13:48,550 --> 01:13:45,530

yes wearing makeup and stuff yeah number

1614

01:13:50,230 --> 01:13:48,560

of cases where you know people normally

1615

01:13:51,910 --> 01:13:50,240

wouldn't let them in but people do let

1616

01:13:54,430 --> 01:13:51,920

their being late at night as if they're

1617

01:13:57,460 --> 01:13:54,440

being mind-controlled the cases where

1618

01:14:00,160 --> 01:13:57,470

people are fallen sick after being close

1619

01:14:01,780 --> 01:14:00,170

proximity to the man in black as if all

1620

01:14:04,960 --> 01:14:01,790

they've been sort of supernaturally

1621

01:14:07,480 --> 01:14:04,970

infected somehow in several cases where

1622

01:14:09,520 --> 01:14:07,490

people had seen the men in black in

1623

01:14:11,710 --> 01:14:09,530

their bedroom late at night right after

1624

01:14:15,370 --> 01:14:11,720

using Ouija boards as if they'd sort of

1625

01:14:17,050 --> 01:14:15,380

opened a portal or a doorway so in kind

1626

01:14:18,120 --> 01:14:17,060

of ironic that the least likely

1627

01:14:20,100 --> 01:14:18,130

explanation for

1628

01:14:22,709 --> 01:14:20,110

man in black they said they come from

1629

01:14:25,470 --> 01:14:22,719

the government the more the far more

1630

01:14:27,810 --> 01:14:25,480

likely explanation is that there's

1631

01:14:29,640 --> 01:14:27,820

something supernatural which which are

1632

01:14:33,660 --> 01:14:29,650

tied in with things like the shadow

1633

01:14:36,060 --> 01:14:33,670

people the black-eyed children and

1634

01:14:38,939 --> 01:14:36,070

there's another one known as the Hat man

1635

01:14:41,220 --> 01:14:38,949

and even when people talk today about

1636

01:14:44,459 --> 01:14:41,230

seeing the Slender Man which the Slender

1637

01:14:46,379 --> 01:14:44,469

Man kind of looks like a man in black as

1638

01:14:49,050 --> 01:14:46,389

well and I think all these things are

1639

01:14:51,689 --> 01:14:49,060

somehow interlinked you know they're all

1640

01:14:53,520 --> 01:14:51,699

from manifestations of one phenomenon

1641

01:14:55,350 --> 01:14:53,530

well I think one of the reasons people

1642

01:14:57,899 --> 01:14:55,360

think it's from a government agency is

1643

01:14:59,399 --> 01:14:57,909

because people get visits from the men

1644

01:15:01,649 --> 01:14:59,409

in black after they've had a UFO

1645

01:15:03,870 --> 01:15:01,659

experience and is threatened by them and

1646

01:15:05,850 --> 01:15:03,880

told not to talk about it so there it

1647

01:15:08,160 --> 01:15:05,860

does beg the question of why would they

1648

01:15:11,700 --> 01:15:08,170

say that if they weren't with an agency

1649

01:15:14,340 --> 01:15:11,710

or some yeah one of the theories is that

1650

01:15:16,110 --> 01:15:14,350

you know it's the phenomenon the UFO

1651  
01:15:18,270 --> 01:15:16,120  
phenomenon itself that what doesn't want

1652  
01:15:20,879 --> 01:15:18,280  
to be uncovered and so they send out

1653  
01:15:24,270 --> 01:15:20,889  
their own agency if you like so in other

1654  
01:15:34,439 --> 01:15:24,280  
words they are some sort of agents but

1655  
01:15:40,470 --> 01:15:34,449  
they're not necessarily our I never want

1656  
01:15:42,930 --> 01:15:40,480  
to see them they sound repulsive women

1657  
01:15:44,790 --> 01:15:42,940  
in black reports and under women are

1658  
01:15:47,520 --> 01:15:44,800  
kind of the same where their skin is

1659  
01:15:50,490 --> 01:15:47,530  
very pale but where is the man in black

1660  
01:15:53,010 --> 01:15:50,500  
where these old-style black fedoras the

1661  
01:15:56,640 --> 01:15:53,020  
women usually have these long black wigs

1662  
01:15:58,500 --> 01:15:56,650  
like in a bang style and this has given

1663  
01:16:00,419 --> 01:15:58,510

rise to the idea that again the women in

1664

01:16:02,160 --> 01:16:00,429

black don't look entirely human because

1665

01:16:04,050 --> 01:16:02,170

you know like try and cover as much of

1666

01:16:07,830 --> 01:16:04,060

the face as they can with these wigs and

1667

01:16:09,450 --> 01:16:07,840

they also wear the big sunglasses and

1668

01:16:11,550 --> 01:16:09,460

people said as they've been close to

1669

01:16:14,010 --> 01:16:11,560

them they've noticed you know the cats

1670

01:16:16,260 --> 01:16:14,020

that their eyes are almost like cat eyes

1671

01:16:22,350 --> 01:16:16,270

that bulging you know like a vertical

1672

01:16:25,200 --> 01:16:22,360

slit kind of thing so wow they look like

1673

01:16:31,949 --> 01:16:25,210

a the far less x-files and for far more

1674

01:16:35,250 --> 01:16:33,629

now Nick we would love for you to come

1675

01:16:37,109 --> 01:16:35,260
