we're gonna cover a topic that believe

29  
00:02:26,850 --> 00:02:24,459  
it or not we haven't dealt into before

30  
00:02:29,220 --> 00:02:26,860  
in the earth we've been on a para versa

31  
00:02:32,130 --> 00:02:29,230  
universe that would be serial killers

32  
00:02:35,400 --> 00:02:32,140  
and tonight we're going to discuss two

33  
00:02:38,100 --> 00:02:35,410  
famous serial killers in history HH

34  
00:02:40,610 --> 00:02:38,110  
Holmes and Jeff dobrze who may actually

35  
00:02:43,050 --> 00:02:40,620  
be one in the same person

36  
00:02:45,900 --> 00:02:43,060  
now what this tonight is the

37  
00:02:48,059 --> 00:02:45,910  
great-great-grandson of HH Holmes mr.

38  
00:02:50,729 --> 00:02:48,069

Jeff budget author of the book

39

00:02:54,510 --> 00:02:50,739

bloodstains which Jennifer just been a

40

00:02:58,339 --> 00:02:54,520

street and he's a star on a TV show

41

00:03:00,479 --> 00:02:58,349

American River now Jennifer and myself

42

00:03:03,540 --> 00:03:00,489

attended the Chicago ghosts conference

43

00:03:06,540 --> 00:03:03,550

last October and we had the chance to

44

00:03:09,290 --> 00:03:06,550

meet Jeff in person and listen to his

45

00:03:13,170 --> 00:03:09,300

lecture regarding the mystery which was

46

00:03:15,000 --> 00:03:13,180

quite well done and very interesting

47

00:03:17,490 --> 00:03:15,010

so much though that Jennifer asked Jeff

48

00:03:19,470 --> 00:03:17,500

to spend an hour with us tonight so we

49

00:03:23,520 --> 00:03:19,480

can explore this mystery with our

50

00:03:26,009 --> 00:03:23,530

audience and of course Jeff viciously

51  
00:03:29,210 --> 00:03:26,019  
said yes so without further ado let's

52  
00:03:32,099 --> 00:03:29,220  
bring in Jeff on Jeff are you with us

53  
00:03:34,380 --> 00:03:32,109  
Kevin Jennifer thank you very much it's

54  
00:03:38,550 --> 00:03:34,390  
a pleasure to be on para versa universe

55  
00:03:40,349 --> 00:03:38,560  
radio with you tonight and thank you for

56  
00:03:44,699 --> 00:03:40,359  
being on we've been looking forward to

57  
00:03:48,830 --> 00:03:44,709  
this ever since you said yes yeah yeah

58  
00:03:51,240 --> 00:03:48,840  
which I enjoy shows like yours I enjoy

59  
00:03:53,879 --> 00:03:51,250  
answering the questions from you and

60  
00:03:56,309 --> 00:03:53,889  
your audience and looking forward to new

61  
00:03:58,920 --> 00:03:56,319  
material new questions to ask that may

62  
00:04:01,020 --> 00:03:58,930  
be quite often when I go on shows like

63  
00:04:03,420 --> 00:04:01,030

this we come up with new material

64

00:04:05,069 --> 00:04:03,430

because the great ideas from the hosts

65

00:04:08,429 --> 00:04:05,079

and the audience so I'm always excited

66

00:04:11,280 --> 00:04:08,439

about doing them that's awesome that is

67

00:04:14,309 --> 00:04:11,290

that's great yeah I know you've done

68

00:04:18,210 --> 00:04:14,319

many podcasts I so I hope that we can

69

00:04:21,449 --> 00:04:18,220

throw some some good stuff your way and

70

00:04:26,159 --> 00:04:21,459

you know there's so much to the amazing

71

00:04:30,089 --> 00:04:26,169

story and of course we only have an hour

72

00:04:33,629 --> 00:04:30,099

so why don't we start with the book

73

00:04:35,399 --> 00:04:33,639

bloodstains oh when did you first decide

74

00:04:40,189 --> 00:04:35,409

to write a book and what was the

75

00:04:43,379 --> 00:04:40,199

catalyst or initial motivation behind it

76  
00:04:47,820 --> 00:04:43,389  
you know I would I would imagine the the

77  
00:04:50,700 --> 00:04:47,830  
initial motivation was 20 years ago when

78  
00:04:52,890 --> 00:04:50,710  
my grandfather revealed to the family

79  
00:04:55,920 --> 00:04:52,900  
that he carried this horrible burden

80  
00:04:58,640 --> 00:04:55,930  
with him alone his entire life he hadn't

81  
00:05:01,409 --> 00:04:58,650  
even told my grandmother that our

82  
00:05:05,149 --> 00:05:01,419  
ancestor was perhaps the most evil man

83  
00:05:09,029 --> 00:05:05,159  
in American history and that he expected

84  
00:05:13,830 --> 00:05:09,039  
all of us to help us with that burden

85  
00:05:17,219 --> 00:05:13,840  
now and in particular he was considering

86  
00:05:20,339 --> 00:05:17,229  
me and I was a practicing California

87  
00:05:23,940 --> 00:05:20,349  
lawyer at the time had dealt with

88  
00:05:26,370 --> 00:05:23,950

criminal cases knew knew the

89

00:05:26,790 --> 00:05:26,380

ramifications of what we're involved

90

00:05:29,430 --> 00:05:26,800

with

91

00:05:33,740 --> 00:05:29,440

the statute of limitations and and cold

92

00:05:38,490 --> 00:05:33,750

capital cases I began to do research

93

00:05:41,670 --> 00:05:38,500

regarding this horrible man who was my

94

00:05:42,869 --> 00:05:41,680

roots who was my origins and before I

95

00:05:46,170 --> 00:05:42,879

knew it

96

00:05:48,869 --> 00:05:46,180

Jennifer I had an obsession which pretty

97

00:05:50,969 --> 00:05:48,879

much caused me to set my career aside to

98

00:05:55,020 --> 00:05:50,979

determine what was true and what was

99

00:05:57,510 --> 00:05:55,030

false in this legend about this this man

100

00:06:00,920 --> 00:05:57,520

that you know that they created the

101

00:06:05,520 --> 00:06:00,930

phrase serial killer 4 and also

102

00:06:08,520 --> 00:06:05,530

psychopathic so as my research group

103

00:06:12,689 --> 00:06:08,530

deeper and deeper instead of answering

104

00:06:15,689 --> 00:06:12,699

the questions that I initially had that

105

00:06:17,939 --> 00:06:15,699

they just they kept growing like like

106

00:06:20,969 --> 00:06:17,949

you're you are planting seeds in a field

107

00:06:24,379 --> 00:06:20,979

and still to this day you know as I talk

108

00:06:29,249 --> 00:06:24,389

to you and Kevin in Chicago new material

109

00:06:31,890 --> 00:06:29,259

continues to come up and which you know

110

00:06:34,140 --> 00:06:31,900

I need to do more and more work and it's

111

00:06:35,339 --> 00:06:34,150

help from you and host like you and

112

00:06:37,230 --> 00:06:35,349

Kevin that that helped me get through

113

00:06:41,459 --> 00:06:37,240

some of the the new questions coming

114

00:06:47,490 --> 00:06:41,469

coming out so it's I don't quite know

115

00:06:49,439 --> 00:06:47,500

how to describe Co exactly you know if a

116

00:06:53,670 --> 00:06:49,449

reader wants to pick up my book and and

117

00:06:56,519 --> 00:06:53,680

see and step into my shoes to have their

118

00:06:58,980 --> 00:06:56,529

grandfather tell them that you know

119

00:07:01,619 --> 00:06:58,990

their their their origins were were

120

00:07:04,230 --> 00:07:01,629

these evil there was this evil being but

121

00:07:06,180 --> 00:07:04,240

that's what I tried to do when I wrote

122

00:07:08,909 --> 00:07:06,190

the book and set up just another book

123

00:07:12,029 --> 00:07:08,919

about HH Holmes which there are hundreds

124

00:07:15,510 --> 00:07:12,039

of I wanted this one to be more personal

125

00:07:18,749 --> 00:07:15,520

I wanted it to be more about my journey

126

00:07:23,519 --> 00:07:18,759

and how that knowledge changed my entire

127

00:07:30,839 --> 00:07:23,529

life you know one of the things I

128

00:07:35,129 --> 00:07:30,849

remember early from the show was was it

129

00:07:37,649 --> 00:07:35,139

the tackle box and the secret

130

00:07:39,110 --> 00:07:37,659

compartment now did that that stuff come

131

00:07:45,379 --> 00:07:39,120

along before

132

00:07:47,810 --> 00:07:45,389

the book and before the the show oh yeah

133

00:07:49,550 --> 00:07:47,820

a long time before that was my

134

00:07:53,080 --> 00:07:49,560

grandfather left me to those when he

135

00:07:55,580 --> 00:07:53,090

passed when he passed away my as I

136

00:07:57,379 --> 00:07:55,590

described in the book Jennifer you can

137

00:08:00,190 --> 00:07:57,389

jump in and help me if you'd like but my

138

00:08:04,190 --> 00:08:00,200

father delivered me those tackle boxes

139

00:08:07,070 --> 00:08:04,200

one day out of the blue I pretty much

140

00:08:10,690 --> 00:08:07,080

set them aside not not very much

141

00:08:14,120 --> 00:08:10,700

interested in them for personal reasons

142

00:08:16,219 --> 00:08:14,130

you know as I also tried to explain in

143

00:08:21,530 --> 00:08:16,229

the book my grandfather was this very

144

00:08:26,360 --> 00:08:21,540

cold stoic personality who had not shown

145

00:08:28,730 --> 00:08:26,370

any love to me my entire life as a

146

00:08:30,860 --> 00:08:28,740

matter of fact he he was a man who would

147

00:08:33,880 --> 00:08:30,870

go fishing almost every weekend and when

148

00:08:36,760 --> 00:08:33,890

I was a little boy I lived to fish and

149

00:08:39,589 --> 00:08:36,770

imagine Kevin your grandfather never

150

00:08:43,130 --> 00:08:39,599

inviting you to go fishing with him when

151  
00:08:45,470 --> 00:08:43,140  
he knew you were waiting you know with

152  
00:08:48,440 --> 00:08:45,480  
bated breath every time he walked by for

153  
00:08:51,079 --> 00:08:48,450  
that invite and as you can imagine I

154  
00:08:54,950 --> 00:08:51,089  
didn't have any love for the man

155  
00:08:57,950 --> 00:08:54,960  
and when my father you know brought

156  
00:08:59,840 --> 00:08:57,960  
those tackle boxes to me I didn't show

157  
00:09:02,380 --> 00:08:59,850  
any sympathy at all I pretty much stuff

158  
00:09:04,760 --> 00:09:02,390  
them into the corner of a garage and

159  
00:09:08,360 --> 00:09:04,770  
they sat there for quite a period of

160  
00:09:11,450 --> 00:09:08,370  
time until one day I went out and

161  
00:09:13,460 --> 00:09:11,460  
rummaged through his artifacts his

162  
00:09:17,060 --> 00:09:13,470  
fishing gear and then you know found

163  
00:09:19,070 --> 00:09:17,070

found the material that pretty much

164

00:09:24,470 --> 00:09:19,080

makes up the cornerstone for the book

165

00:09:25,220 --> 00:09:24,480

bloodstains so how did television get

166

00:09:31,640 --> 00:09:25,230

involved

167

00:09:34,640 --> 00:09:31,650

I had either of you watched my TED talk

168

00:09:37,760 --> 00:09:34,650

that I gave in Vancouver about the

169

00:09:38,980 --> 00:09:37,770

Holmes connection to Jack the Ripper no

170

00:09:41,449 --> 00:09:38,990

not yet

171

00:09:43,699 --> 00:09:41,459

okay it's on YouTube if any of your

172

00:09:47,449 --> 00:09:43,709

listeners would like to go there if they

173

00:09:49,940 --> 00:09:47,459

google up TED talk and HH Holmes Jack

174

00:09:52,670 --> 00:09:49,950

the Ripper they'll they'll see me giving

175

00:09:56,739 --> 00:09:52,680

a talk to three or four thousand people

176

00:10:01,160 --> 00:09:56,749

and it went quite well

177

00:10:04,129 --> 00:10:01,170

history watched my talk and fell in love

178

00:10:06,939 --> 00:10:04,139

with the connections I was making based

179

00:10:10,069 --> 00:10:06,949

on the evidence I presented and

180

00:10:12,049 --> 00:10:10,079

contacted me regarding possibly

181

00:10:14,900 --> 00:10:12,059

producing a show with them

182

00:10:18,199 --> 00:10:14,910

you know about that same connection

183

00:10:22,460 --> 00:10:18,209

whether HH Holmes was Jack the Ripper

184

00:10:25,400 --> 00:10:22,470

and over oh I imagine we we negotiated

185

00:10:29,239 --> 00:10:25,410

for almost a year and then production

186

00:10:31,220 --> 00:10:29,249

was almost another year so as TV is it

187

00:10:33,499 --> 00:10:31,230

was it was quite a period of time before

188

00:10:43,790 --> 00:10:33,509

that first episode came out on American

189

00:10:46,009 --> 00:10:43,800

Ripper so I guess at this point we can

190

00:10:47,989 --> 00:10:46,019

either go well we start with Holmes when

191

00:10:52,579 --> 00:10:47,999

did he when did he first kill when did

192

00:10:54,350 --> 00:10:52,589

he first start killing people you know

193

00:10:57,169 --> 00:10:54,360

that's a subject that still opened into

194

00:10:59,929 --> 00:10:57,179

Bay Kevin I've never seen any direct

195

00:11:02,090 --> 00:10:59,939

evidence regarding his first murder I

196

00:11:05,210 --> 00:11:02,100

have my theories I know history

197

00:11:07,790 --> 00:11:05,220

presented evidence I think my co-host

198

00:11:11,179 --> 00:11:07,800

amaryllis box worked that scene mostly

199

00:11:13,639 --> 00:11:11,189

it was they believe when he was a young

200

00:11:17,480 --> 00:11:13,649

boy living in Gilmanton New Hampshire

201  
00:11:21,319 --> 00:11:17,490  
there were some townspeople that had

202  
00:11:24,110 --> 00:11:21,329  
long researched that evidence that the

203  
00:11:27,019 --> 00:11:24,120  
murder of his cousin had occurred behind

204  
00:11:29,090 --> 00:11:27,029  
their house in a small creek and we

205  
00:11:30,139 --> 00:11:29,100  
actually ran that down I think it's best

206  
00:11:33,319 --> 00:11:30,149  
we could

207  
00:11:35,629 --> 00:11:33,329  
like I say without coming up with direct

208  
00:11:39,139 --> 00:11:35,639  
evidence as in fingerprints or blood

209  
00:11:41,119 --> 00:11:39,149  
types or weapons things like that but I

210  
00:11:47,960 --> 00:11:41,129  
don't think it's that much of a stretch

211  
00:11:50,919 --> 00:11:47,970  
to tie those pieces of coincidence

212  
00:11:54,169 --> 00:11:50,929  
together in circumstantial evidence to

213  
00:11:58,879 --> 00:11:54,179

state that it's a it's probably true

214

00:12:00,919 --> 00:11:58,889

that he killed at a young age yeah you

215

00:12:03,280 --> 00:12:00,929

know and and like you say like even

216

00:12:06,990 --> 00:12:03,290

though a lot of circumstantial evidence

217

00:12:08,730 --> 00:12:07,000

it's still evidence I mean you know

218

00:12:10,590 --> 00:12:08,740

physical evidence and you have

219

00:12:12,920 --> 00:12:10,600

documentary evidence and you have

220

00:12:16,530 --> 00:12:12,930

circumstantial evidence and even without

221

00:12:19,440 --> 00:12:16,540

the I guess what would you call it The

222

00:12:22,650 --> 00:12:19,450

Smoking Gun of the physical evidence you

223

00:12:25,519 --> 00:12:22,660

can still put a puzzle together you know

224

00:12:27,300 --> 00:12:25,529

with with if you get if you have enough

225

00:12:30,540 --> 00:12:27,310

documentary evidence and enough

226

00:12:33,260 --> 00:12:30,550

circumstantial evidence to put that

227

00:12:36,030 --> 00:12:33,270

puzzle together and see enough of it to

228

00:12:38,040 --> 00:12:36,040

you know read the writing on the wall so

229

00:12:40,230 --> 00:12:38,050

to speak right well it's tricky about

230

00:12:41,519 --> 00:12:40,240

that then too is well you had a lot of

231

00:12:43,500 --> 00:12:41,529

the stuff that would have happened like

232

00:12:45,200 --> 00:12:43,510

for instance the family member that he

233

00:12:48,780 --> 00:12:45,210

just mentioned that was the cousin

234

00:12:52,440 --> 00:12:48,790

around that time people didn't keep

235

00:12:54,690 --> 00:12:52,450

enough accurate records right and they

236

00:12:56,730 --> 00:12:54,700

said that there was like all the deaths

237

00:12:58,620 --> 00:12:56,740

for instance weren't reported that yeah

238

00:13:01,740 --> 00:12:58,630

right so I mean they only know some and

239

00:13:04,010 --> 00:13:01,750

for a town of that small size in that

240

00:13:09,210 --> 00:13:04,020

part of American history to have so many

241

00:13:12,870 --> 00:13:09,220

unsolved deaths so close to young mr.

242

00:13:16,020 --> 00:13:12,880

Holmes I thought was was pretty on

243

00:13:18,150 --> 00:13:16,030

kianak myself no I think I think you're

244

00:13:20,400 --> 00:13:18,160

both right on the money and when we were

245

00:13:22,950 --> 00:13:20,410

doing our research regarding Ripper s

246

00:13:24,800 --> 00:13:22,960

style killings in Chicago using the

247

00:13:28,320 --> 00:13:24,810

archives from the city with you know

248

00:13:31,200 --> 00:13:28,330

detectives trained detectives over and

249

00:13:35,780 --> 00:13:31,210

over again we came across people that

250

00:13:38,910 --> 00:13:35,790

the police had simply listed as missing

251

00:13:41,579 --> 00:13:38,920

despite having had relationships or

252

00:13:44,610 --> 00:13:41,589

contact with HH Holmes and and and

253

00:13:47,190 --> 00:13:44,620

that's what we continued to find during

254

00:13:50,030 --> 00:13:47,200

the production of the show and our

255

00:13:53,280 --> 00:13:50,040

investigation was that you know we have

256

00:13:55,920 --> 00:13:53,290

the records are tough the history is old

257

00:13:59,150 --> 00:13:55,930

and then we're dealing with probably the

258

00:14:02,310 --> 00:13:59,160

most skilled of men theatres at

259

00:14:04,980 --> 00:14:02,320

eliminating evidence and human remains

260

00:14:08,070 --> 00:14:04,990

after a murder that may be command kind

261

00:14:10,590 --> 00:14:08,080

has ever experienced that's that's what

262

00:14:13,230 --> 00:14:10,600

Holmes was is the man was a doctor he

263

00:14:16,050 --> 00:14:13,240

was a chemist he was a pharmacist he

264

00:14:18,690 --> 00:14:16,060

knew how to eliminate evidence and

265

00:14:19,250 --> 00:14:18,700

create alibis putting him somewhere

266

00:14:21,920 --> 00:14:19,260

other

267

00:14:23,780 --> 00:14:21,930

than a murder scene and when you run up

268

00:14:25,400 --> 00:14:23,790

against that type of intellect and he

269

00:14:26,020 --> 00:14:25,410

was an incredible intellect an evil

270

00:14:29,480 --> 00:14:26,030

genius

271

00:14:32,870 --> 00:14:29,490

with the training to eliminate the

272

00:14:35,960 --> 00:14:32,880

evidence police and history needs to

273

00:14:38,450 --> 00:14:35,970

conclusively prove a murder not just

274

00:14:41,360 --> 00:14:38,460

hundreds that's that's what we ran up

275

00:14:43,610 --> 00:14:41,370

against time and time again and which

276  
00:14:46,670 --> 00:14:43,620  
still causes debate today among

277  
00:14:52,220 --> 00:14:46,680  
historians pertaining to how many people

278  
00:14:54,800 --> 00:14:52,230  
homes actually murdered yeah New York

best deals of the year from New York and

291

00:15:26,150 --> 00:15:23,940

company and if you look at the way he

292

00:15:28,640 --> 00:15:26,160

was my young age from what I remember

293

00:15:31,430 --> 00:15:28,650

from reading the book is he started

294

00:15:35,870 --> 00:15:31,440

experimenting and studying in avid the

295

00:15:37,760 --> 00:15:35,880

anatomy of corpses very young age know

296

00:15:40,250 --> 00:15:37,770

when when other goods when other boys

297

00:15:43,550 --> 00:15:40,260

were out hunting deer he was where he

298

00:15:46,790 --> 00:15:43,560

was working with a physician with

299

00:15:51,770 --> 00:15:46,800

cadavers that his his fascination

300

00:15:53,840 --> 00:15:51,780

started very very young so so as he

301

00:15:56,230 --> 00:15:53,850

grown-up it's possible he murdered

302

00:16:03,220 --> 00:15:56,240

people then he then he became a doctor

303

00:16:06,200 --> 00:16:03,230

right and I remember watching the show

304

00:16:09,350 --> 00:16:06,210

if I remember right he had bought the

305

00:16:11,480 --> 00:16:09,360

property for the murder castle right but

306

00:16:14,680 --> 00:16:11,490

it wasn't completely built until he

307

00:16:18,280 --> 00:16:14,690

returned from London is that correct

308

00:16:23,510 --> 00:16:18,290

well that's the the Whitechapel murders

309

00:16:27,350 --> 00:16:23,520

occurred in 1888 and as best we could

310

00:16:29,060 --> 00:16:27,360

determine I think the property for the

311

00:16:31,580 --> 00:16:29,070

murder castle was built the summer

312

00:16:32,870 --> 00:16:31,590

before those murders and construction

313

00:16:35,300 --> 00:16:32,880

started the

314

00:16:37,940 --> 00:16:35,310

year after because there was a there was

315

00:16:40,520 --> 00:16:37,950

a horrible winter that year when he

316

00:16:42,260 --> 00:16:40,530

returned from London and I would have

317

00:16:44,870 --> 00:16:42,270

imagined construction would have been

318

00:16:47,180 --> 00:16:44,880

impossible during that time and I know

319

00:16:50,140 --> 00:16:47,190

it went on for a period of a year or two

320

00:16:55,280 --> 00:16:50,150

before the building was in operation

321

00:17:00,140 --> 00:16:55,290

which he had always believed was the

322

00:17:02,540 --> 00:17:00,150

perfect factory for death to have when

323

00:17:04,610 --> 00:17:02,550

the exposition came to Chicago the

324

00:17:08,240 --> 00:17:04,620

World's Fair because we're talking about

325

00:17:11,780 --> 00:17:08,250

his little hotel with basement two miles

326

00:17:14,329 --> 00:17:11,790

down the railway line from maybe the

327

00:17:15,920 --> 00:17:14,339

biggest gathering of human beings in the

328

00:17:18,800 --> 00:17:15,930

history of man I mean there were 20

329

00:17:20,929 --> 00:17:18,810

million people there you had so many

330

00:17:24,020 --> 00:17:20,939

people there the Chicago Police were

331

00:17:25,790 --> 00:17:24,030

overrun they couldn't keep track of the

332

00:17:27,890 --> 00:17:25,800

number of crimes of the number of

333

00:17:31,190 --> 00:17:27,900

missing people of the number of murders

334

00:17:34,580 --> 00:17:31,200

and Holmes knew that was coming to his

335

00:17:38,630 --> 00:17:34,590

back backyard and he prepared for with

336

00:17:43,060 --> 00:17:38,640

with perhaps the most well I don't want

337

00:17:47,150 --> 00:17:43,070

to say famous but infamous building for

338

00:17:50,950 --> 00:17:47,160

premeditated murder that you know a man

339

00:17:54,020 --> 00:17:50,960

like him had maybe ever thought of

340

00:17:56,630 --> 00:17:54,030

engineered and finally created I call

341

00:17:58,660 --> 00:17:56,640

him the American Frankenstein and I try

342

00:18:01,940 --> 00:17:58,670

to have people understand that concept

343

00:18:05,900 --> 00:18:01,950

when they want to believe or understand

344

00:18:09,170 --> 00:18:05,910

what Holmes really was yeah because I

345

00:18:12,680 --> 00:18:09,180

noted - I noticed - like the time period

346

00:18:14,660 --> 00:18:12,690

that he abruptly left Chicago and the

347

00:18:16,820 --> 00:18:14,670

Ripper killings happened as you just

348

00:18:19,700 --> 00:18:16,830

stated what was interesting to me was

349

00:18:22,820 --> 00:18:19,710

they had the ship's manifest log of

350

00:18:28,010 --> 00:18:22,830

passengers like I couldn't believe how

351  
00:18:35,720 --> 00:18:28,020  
many aliases used you know and that was

352  
00:18:38,630 --> 00:18:35,730  
and it was a funny yes sorry no that was

353  
00:18:41,510 --> 00:18:38,640  
that was I'm sorry again that was one of

354  
00:18:45,200 --> 00:18:41,520  
the most amazing parts of the show for

355  
00:18:46,430 --> 00:18:45,210  
me and those were the creative people in

356  
00:18:49,490 --> 00:18:46,440  
history working with

357  
00:18:51,889 --> 00:18:49,500  
marilla's Fox my my co-host she took

358  
00:18:54,710 --> 00:18:51,899  
over that scene regarding the passenger

359  
00:18:57,830 --> 00:18:54,720  
lists and trying to nail down

360  
00:19:00,230 --> 00:18:57,840  
Holmes's is either his signature or his

361  
00:19:03,049 --> 00:19:00,240  
alibi on those lists going from New York

362  
00:19:05,029 --> 00:19:03,059  
to London and in my opinion they did a

363  
00:19:06,919 --> 00:19:05,039

great job doing that because that's a

364

00:19:10,070 --> 00:19:06,929

that's a question that had plagued me

365

00:19:13,340 --> 00:19:10,080

for years whenever I went on shows like

366

00:19:15,799 --> 00:19:13,350

yours or you know the other television

367

00:19:18,049 --> 00:19:15,809

shows that I've done I was always asked

368

00:19:20,659 --> 00:19:18,059

can you show Holmes his name on a

369

00:19:22,850 --> 00:19:20,669

passenger list from a ship from London

370

00:19:26,119 --> 00:19:22,860

into New York and you know while I would

371

00:19:28,039 --> 00:19:26,129

continually argue with with those those

372

00:19:29,690 --> 00:19:28,049

historians demanding that evidence say

373

00:19:33,200 --> 00:19:29,700

here's a man that had 31 different

374

00:19:35,600 --> 00:19:33,210

aliases he was the master of alibis he

375

00:19:38,810 --> 00:19:35,610

had lawyers he had notaries that could

376

00:19:40,999 --> 00:19:38,820

place him incorrectly anywhere in the

377

00:19:44,360 --> 00:19:41,009

country when he needed to be somewhere

378

00:19:46,580 --> 00:19:44,370

else so when history and amaryllis came

379

00:19:46,999 --> 00:19:46,590

up with those names on that passenger

380

00:19:49,430 --> 00:19:47,009

list

381

00:19:52,490 --> 00:19:49,440

I knew they'd struck gold that was

382

00:19:54,980 --> 00:19:52,500

amazing evidence well I think one of the

383

00:19:58,159 --> 00:19:54,990

obvious aliases that that was pointed

384

00:19:59,600 --> 00:19:58,169

out was the fact that he used home yeah

385

00:20:02,210 --> 00:19:59,610

you actually use even though he had

386

00:20:04,070 --> 00:20:02,220

oatmeal he says he even used home well

387

00:20:05,419 --> 00:20:04,080

which is probably most famous yes right

388

00:20:07,820 --> 00:20:05,429

cuz that even Holmes was a Eliot's

389

00:20:12,129 --> 00:20:10,249

that was the name he selected is you

390

00:20:16,909 --> 00:20:12,139

know his name was Herman Webster Mudgett

391

00:20:21,499 --> 00:20:16,919

right so I have the question for you

392

00:20:24,409 --> 00:20:21,509

from the chat room all right are you

393

00:20:27,639 --> 00:20:24,419

aware of the psychologist James Fallon

394

00:20:30,590 --> 00:20:27,649

he is a sciences to study psychology and

395

00:20:33,610 --> 00:20:30,600

found out he is related to the Lizzie

396

00:20:37,549 --> 00:20:33,620

Borden family this led to interesting

397

00:20:41,149 --> 00:20:37,559

scientific insights a follow-up question

398

00:20:46,490 --> 00:20:41,159

is there a family history that ties into

399

00:20:48,440 --> 00:20:46,500

Holmes's personality my answer to the

400

00:20:51,230 --> 00:20:48,450

first question is no I'm not aware of a

401  
00:20:53,840 --> 00:20:51,240  
mr. dr. Fallon I'd certainly like to

402  
00:20:55,580 --> 00:20:53,850  
read some of his work regarding Lizzie

403  
00:20:58,810 --> 00:20:55,590  
Borden there are there are many

404  
00:21:00,290 --> 00:20:58,820  
historians who contact me quite often

405  
00:21:02,870 --> 00:21:00,300  
regarding a

406  
00:21:06,530 --> 00:21:02,880  
a potential connection between Holmes

407  
00:21:09,800 --> 00:21:06,540  
and her I've never studied it or tried

408  
00:21:12,200 --> 00:21:09,810  
to research it diligently so that that

409  
00:21:14,720 --> 00:21:12,210  
would interest me greatly if if that if

410  
00:21:16,910 --> 00:21:14,730  
that member of your chatroom wants to

411  
00:21:19,820 --> 00:21:16,920  
provide me with that information as far

412  
00:21:22,810 --> 00:21:19,830  
as the second question Holmes his mother

413  
00:21:27,200 --> 00:21:22,820

and father were fine American citizens

414

00:21:30,680 --> 00:21:27,210

his descendants as far as my grandfather

415

00:21:33,020 --> 00:21:30,690

my father you know none of us were ever

416

00:21:35,930 --> 00:21:33,030

even convicted for jaywalking let alone

417

00:21:39,620 --> 00:21:35,940

murder and if you go back far enough

418

00:21:41,750 --> 00:21:39,630

along the mud line you come up to heroes

419

00:21:43,640 --> 00:21:41,760

of the American Revolution you know

420

00:21:47,450 --> 00:21:43,650

which history actually did a story about

421

00:21:50,710 --> 00:21:47,460

once about the Mudgett back then so no

422

00:21:53,990 --> 00:21:50,720

the answer to that question is Holmes

423

00:21:56,990 --> 00:21:54,000

and quite frankly I'm proud of that fact

424

00:22:00,230 --> 00:21:57,000

I think I think much of medical science

425

00:22:04,550 --> 00:22:00,240

has been made about the passing on of

426

00:22:07,640 --> 00:22:04,560

evil genes and I think my family is the

427

00:22:10,370 --> 00:22:07,650

living example of why that's not true

428

00:22:14,480 --> 00:22:10,380

this brilliant man who could have been a

429

00:22:18,320 --> 00:22:14,490

Louis Pasteur in my opinion decided that

430

00:22:20,240 --> 00:22:18,330

he liked money and women more than the

431

00:22:23,480 --> 00:22:20,250

notoriety his intellect could have given

432

00:22:27,980 --> 00:22:23,490

him solving or curing cancer say and

433

00:22:31,280 --> 00:22:27,990

that that selection on his part is is

434

00:22:34,430 --> 00:22:31,290

the choice that we all have when we when

435

00:22:39,710 --> 00:22:34,440

we live on earth and decide what we want

436

00:22:41,750 --> 00:22:39,720

to do with our lives so with all the

437

00:22:45,320 --> 00:22:41,760

stuff that was looked at while you guys

438

00:22:48,380 --> 00:22:45,330

were in London and and or anything that

439

00:22:51,860 --> 00:22:48,390

to come since what do you think is the

440

00:22:55,460 --> 00:22:51,870

most compelling evidence that Jack the

441

00:22:57,050 --> 00:22:55,470

Ripper is HH Holmes thought of all this

442

00:22:58,820 --> 00:22:57,060

because there's a lot of stuff I mean

443

00:23:00,860 --> 00:22:58,830

there's actually a lot I mean the amount

444

00:23:03,290 --> 00:23:00,870

of circumstantial evidence is crazy I

445

00:23:05,180 --> 00:23:03,300

mean it's it's really that much people

446

00:23:06,890 --> 00:23:05,190

realize how much there is I mean just

447

00:23:09,730 --> 00:23:06,900

all these little ties and this and that

448

00:23:17,620 --> 00:23:14,289

so yeah can you let us know you know it

449

00:23:19,810 --> 00:23:17,630

and and I'd love to answer your question

450

00:23:23,139 --> 00:23:19,820

but before I do I'd like to let you all

451  
00:23:25,450 --> 00:23:23,149  
know in my opinion this mystery solved

452  
00:23:26,169 --> 00:23:25,460  
this case is closed this is what I did

453  
00:23:28,899 --> 00:23:26,179  
for a living

454  
00:23:32,590 --> 00:23:28,909  
HH Holmes is Jack the Ripper if if he

455  
00:23:35,740 --> 00:23:32,600  
was alive today I could assist English

456  
00:23:38,529 --> 00:23:35,750  
prosecutors in having a warrant for his

457  
00:23:41,169 --> 00:23:38,539  
arrest issued I could get an order for

458  
00:23:42,519 --> 00:23:41,179  
extradition across the Atlantic and he

459  
00:23:44,080 --> 00:23:42,529  
would have to stand trial for the

460  
00:23:46,990 --> 00:23:44,090  
murders of Katherine Eddowes and

461  
00:23:48,970 --> 00:23:47,000  
Elizabeth stride and that to me there's

462  
00:23:52,120 --> 00:23:48,980  
no doubt of and I've issued that

463  
00:23:54,070 --> 00:23:52,130

challenge to you know historians around

464

00:23:56,769 --> 00:23:54,080

the world especially London that I'll

465

00:23:58,750 --> 00:23:56,779

stand up on stage with any of them if

466

00:24:00,850 --> 00:23:58,760

they want to put one of their suspects

467

00:24:03,760 --> 00:24:00,860

up against Holmes and we'll compare them

468

00:24:05,950 --> 00:24:03,770

bullet point by bullet point evidence by

469

00:24:09,430 --> 00:24:05,960

evidence and none of them will even come

470

00:24:11,560 --> 00:24:09,440

close to home so I'm I don't want you to

471

00:24:14,560 --> 00:24:11,570

think that's what I believe or my theory

472

00:24:16,450 --> 00:24:14,570

I know I've solved this case now now

473

00:24:18,250 --> 00:24:16,460

it's now as far as your question goes

474

00:24:21,399 --> 00:24:18,260

and you've got to give me a little bit

475

00:24:23,680 --> 00:24:21,409

of leeway on this this would it be a

476  
00:24:27,070 --> 00:24:23,690  
murder trial all right we're talking

477  
00:24:29,769 --> 00:24:27,080  
days for a prosecution to prove his case

478  
00:24:33,039 --> 00:24:29,779  
it's not done in a period of minutes so

479  
00:24:35,080 --> 00:24:33,049  
when you know I try to go through the

480  
00:24:37,000 --> 00:24:35,090  
mountain of circumstantial evidence that

481  
00:24:42,450 --> 00:24:37,010  
we have tying homes to the Ripper

482  
00:24:46,210 --> 00:24:42,460  
murders the the handwriting analysis the

483  
00:24:48,549 --> 00:24:46,220  
the opinions of the experts in London

484  
00:24:50,649 --> 00:24:48,559  
stating that the dear boss letter had

485  
00:24:53,850 --> 00:24:50,659  
been written by an American trying to

486  
00:24:56,950 --> 00:24:53,860  
sound English that the eyewitness

487  
00:24:59,470 --> 00:24:56,960  
testimonies the profiles that have been

488  
00:25:01,169 --> 00:24:59,480

put together by Professor professionals

489

00:25:04,060 --> 00:25:01,179

you know forensic scientists

490

00:25:06,669 --> 00:25:04,070

establishing a similarity of ID and

491

00:25:10,680 --> 00:25:06,679

identity and appearance

492

00:25:13,360 --> 00:25:10,690

I like the evidence when Scotland Yard

493

00:25:17,440 --> 00:25:13,370

followed Holmes back across the Atlantic

494

00:25:21,220 --> 00:25:17,450

to research Ripper s style killings in

495

00:25:23,500 --> 00:25:21,230

in New York City and then perhaps the

496

00:25:26,650 --> 00:25:23,510

most amazing evidence to me a

497

00:25:30,190 --> 00:25:26,660

besides the passenger list that Jennifer

498

00:25:34,270 --> 00:25:30,200

mentioned earlier are the Ripper murders

499

00:25:37,510 --> 00:25:34,280

in Chicago when Holmes was there and how

500

00:25:40,390 --> 00:25:37,520

they abruptly stopped and start up again

501  
00:25:42,760 --> 00:25:40,400  
when you put them around the timeline of

502  
00:25:45,340 --> 00:25:42,770  
the Whitechapel murders that to me is an

503  
00:25:51,220 --> 00:25:45,350  
amazing piece of evidence and vice-versa

504  
00:25:53,080 --> 00:25:51,230  
yeah I think one of the most one of the

505  
00:25:55,230 --> 00:25:53,090  
most things that that shocked me when we

506  
00:25:58,240 --> 00:25:55,240  
were watching this whole entire series

507  
00:26:01,870 --> 00:25:58,250  
was when you guys had went to a home

508  
00:26:04,750 --> 00:26:01,880  
where people had personal items that

509  
00:26:07,450 --> 00:26:04,760  
belonged home and in one of the one of

510  
00:26:12,880 --> 00:26:07,460  
the boxes pulls out a photo of one of

511  
00:26:14,830 --> 00:26:12,890  
the Ripper victims that was that was a

512  
00:26:18,250 --> 00:26:14,840  
couple of friends of mine from Irvington

513  
00:26:20,830 --> 00:26:18,260

Indiana and I'll explain to you how that

514

00:26:22,690 --> 00:26:20,840

went because that that you know I left

515

00:26:24,970 --> 00:26:22,700

that out when when I was answering

516

00:26:28,720 --> 00:26:24,980

Kevin's question about what struck me

517

00:26:34,030 --> 00:26:28,730

the most because we were we were in a in

518

00:26:36,490 --> 00:26:34,040

a room in Indiana we had the film crew

519

00:26:42,160 --> 00:26:36,500

around amaryllis and I audio teams

520

00:26:44,710 --> 00:26:42,170

around us and then Allen and Tricia hunt

521

00:26:48,640 --> 00:26:44,720

came in with their box of artifacts and

522

00:26:51,070 --> 00:26:48,650

I had never seen them before and the

523

00:26:54,490 --> 00:26:51,080

filming was on all right so the box was

524

00:26:57,790 --> 00:26:54,500

opened up they were the director wanted

525

00:27:00,490 --> 00:26:57,800

our accurate you know looks on our faces

526  
00:27:03,340 --> 00:27:00,500  
as we saw this evidence and and they

527  
00:27:05,710 --> 00:27:03,350  
started explaining to us the knives

528  
00:27:09,550 --> 00:27:05,720  
Holmes's knives that he had bought in

529  
00:27:12,550 --> 00:27:09,560  
London and then original photographs of

530  
00:27:15,610 --> 00:27:12,560  
some of his of his assistants like Pat

531  
00:27:17,770 --> 00:27:15,620  
Quinlan and then lo and behold there's a

532  
00:27:20,590 --> 00:27:17,780  
there's a small tintype an amaryllis

533  
00:27:23,470 --> 00:27:20,600  
grabs it and says that looks very very

534  
00:27:25,870 --> 00:27:23,480  
familiar hands it to me and I say you

535  
00:27:29,740 --> 00:27:25,880  
know that looks like Elizabeth stride

536  
00:27:32,710 --> 00:27:29,750  
one of the Ripper victims so amaryllis

537  
00:27:35,380 --> 00:27:32,720  
grabbed it back and we proceeded to take

538  
00:27:37,270 --> 00:27:35,390

it to a professional profiler who

539

00:27:39,400 --> 00:27:37,280

studied the tintype as well as the

540

00:27:42,070 --> 00:27:39,410

could it's a very small picture and he

541

00:27:43,630 --> 00:27:42,080

came up with a very high number and

542

00:27:45,460 --> 00:27:43,640

that's that's how they do their business

543

00:27:48,370 --> 00:27:45,470

they come up with a number regarding

544

00:27:50,440 --> 00:27:48,380

similarities he came up with a very high

545

00:27:53,830 --> 00:27:50,450

number establishing that the tintype

546

00:27:55,420 --> 00:27:53,840

probably was Elizabeth stride one of the

547

00:28:01,060 --> 00:27:55,430

Ripper victims and had it been in

548

00:28:05,110 --> 00:28:01,070

Holmes's possession Wow right Wow and I

549

00:28:07,810 --> 00:28:05,120

just wanted to to say the reason I ask

550

00:28:10,090 --> 00:28:07,820

these questions is so that the people

551  
00:28:13,960 --> 00:28:10,100  
listening can hear just how much is out

552  
00:28:18,070 --> 00:28:13,970  
there you know because and personally I

553  
00:28:20,170 --> 00:28:18,080  
believe that the Holmes was Jack the

554  
00:28:22,920 --> 00:28:20,180  
Ripper Oh totally there's no question

555  
00:28:25,930 --> 00:28:22,930  
about it I mean you can only deny

556  
00:28:31,810 --> 00:28:25,940  
evidence so much evidence what would you

557  
00:28:35,500 --> 00:28:31,820  
you know what sorry I'm bi apologize no

558  
00:28:38,320 --> 00:28:35,510  
I apologize I didn't mean to cut you off

559  
00:28:39,970 --> 00:28:38,330  
I just know and I well I wanted to tell

560  
00:28:42,370 --> 00:28:39,980  
you and what most people for your

561  
00:28:45,460 --> 00:28:42,380  
listeners they don't understand and I

562  
00:28:48,190 --> 00:28:45,470  
hope they appreciate is that no author

563  
00:28:51,040 --> 00:28:48,200

has ever been had their work scrutinized

564

00:28:53,640 --> 00:28:51,050

at the level I have I had History

565

00:28:56,790 --> 00:28:53,650

Channel with their teams of experts

566

00:28:59,590 --> 00:28:56,800

going over every piece of evidence

567

00:29:02,710 --> 00:28:59,600

supporting my theory with a magnifying

568

00:29:05,050 --> 00:29:02,720

glass and a fine-tooth comb if this was

569

00:29:07,870 --> 00:29:05,060

history's reputation at stake had they

570

00:29:10,960 --> 00:29:07,880

found anything that was false misleading

571

00:29:13,120 --> 00:29:10,970

or didn't work or carry the theory they

572

00:29:15,310 --> 00:29:13,130

would have closed the show down and know

573

00:29:18,100 --> 00:29:15,320

whether author has had that level of

574

00:29:20,050 --> 00:29:18,110

scrutiny and I'm quite proud that the

575

00:29:23,350 --> 00:29:20,060

show went on for eight episodes and you

576

00:29:25,960 --> 00:29:23,360

know was put out over an the entire

577

00:29:29,250 --> 00:29:25,970

country in that last episode that we all

578

00:29:31,020 --> 00:29:29,260

watched set records for viewership

579

00:29:36,520 --> 00:29:31,030

awesome Wow

580

00:29:39,430 --> 00:29:36,530

and it started keep going TM so we're

581

00:29:41,440 --> 00:29:39,440

just about that point oh yeah okay so

582

00:29:43,570 --> 00:29:41,450

self-explanatory

will pass those along ok back to the

632

00:32:11,090 --> 00:32:06,919

awesome so I okay here we are

633

00:32:15,770 --> 00:32:11,100

ah now that we're back for the second

634

00:32:17,299 --> 00:32:15,780

part I figured one of the things I

635

00:32:23,390 --> 00:32:17,309

wanted to talk about for a little bit

636

00:32:25,600 --> 00:32:23,400

was the whole trial of each age homes he

637

00:32:29,360 --> 00:32:25,610

had well we when we left off we had

638

00:32:31,130 --> 00:32:29,370

actually you know what why we well you

639

00:32:33,169 --> 00:32:31,140

know we had the murder castle right we

640

00:32:34,490 --> 00:32:33,179

had the murder castle yes yeah well you

641

00:32:36,770 --> 00:32:34,500

know what I remember I wanted to discuss

642

00:32:38,720 --> 00:32:36,780

before the hangings was the the women in

643

00:32:42,649 --> 00:32:38,730

homes life that lived with me at the

644

00:32:44,840 --> 00:32:42,659

murder castle because uh he had

645

00:32:47,210 --> 00:32:44,850

different mistresses and wives correct

646

00:32:48,770 --> 00:32:47,220

and you'd figure some of them at least

647

00:32:50,570 --> 00:32:48,780

would have been out and what he's got

648

00:32:53,899 --> 00:32:50,580

going on can you talk a little bit about

649

00:32:57,230 --> 00:32:53,909

that no I think you've hit on one of the

650

00:32:59,750 --> 00:32:57,240

great untold portions of the story

651  
00:33:03,049 --> 00:32:59,760  
history and and many authors have

652  
00:33:06,230 --> 00:33:03,059  
written that these were innocent young

653  
00:33:09,500 --> 00:33:06,240  
women who were duped by the master

654  
00:33:13,940 --> 00:33:09,510  
manipulator and in my opinion that's

655  
00:33:16,549 --> 00:33:13,950  
totally false most of these women were

656  
00:33:19,640 --> 00:33:16,559  
very smart very intelligent they knew

657  
00:33:22,610 --> 00:33:19,650  
what Holmes was they knew who he was

658  
00:33:25,730 --> 00:33:22,620  
they also knew he had women on the side

659  
00:33:28,130 --> 00:33:25,740  
of them and they still stuck with him

660  
00:33:30,799 --> 00:33:28,140  
even going so far as to help him with

661  
00:33:33,770 --> 00:33:30,809  
his cons and frauds and one of the

662  
00:33:35,899 --> 00:33:33,780  
disappointing parts about history

663  
00:33:38,120 --> 00:33:35,909

deciding not to run the second season

664

00:33:40,880 --> 00:33:38,130

for me was the director and I had

665

00:33:43,520 --> 00:33:40,890

decided that that second season would

666

00:33:46,669 --> 00:33:43,530

emphasize many of the wives and

667

00:33:50,240 --> 00:33:46,679

mistresses in Holmes's life and that

668

00:33:52,520 --> 00:33:50,250

part of the story which you know I if I

669

00:33:57,320 --> 00:33:52,530

write a sequel to bloodstains it's going

670

00:34:01,010 --> 00:33:57,330

to be about the women in his life that's

671

00:34:03,340 --> 00:34:01,020

interesting because we better at some

672

00:34:05,760 --> 00:34:03,350

point we're gonna ask you on a second

673

00:34:07,799 --> 00:34:05,770

and

674

00:34:11,280 --> 00:34:07,809

yeah that would be that would be quite

675

00:34:16,909 --> 00:34:11,290

interesting why don't we start off with

676

00:34:24,619 --> 00:34:16,919

the new information that he has okay I

677

00:34:32,609 --> 00:34:28,530

okay go ahead I'm sorry you know it's um

678

00:34:36,419 --> 00:34:32,619

one of the most fascinating portions of

679

00:34:40,379 --> 00:34:36,429

American Ripper to me was the exhumation

680

00:34:42,480 --> 00:34:40,389

at the end of the show when we had spent

681

00:34:45,180 --> 00:34:42,490

you know almost a year obtaining

682

00:34:48,800 --> 00:34:45,190

permission from my family from the

683

00:34:52,710 --> 00:34:48,810

Catholic Church from the court rooms the

684

00:34:56,940 --> 00:34:52,720

courthouse in in Pennsylvania from the

685

00:35:00,140 --> 00:34:56,950

judge allowing us to dig him up from

686

00:35:02,640 --> 00:35:00,150

gathering may be the greatest team of

687

00:35:05,850 --> 00:35:02,650

anthropologists archaeologists forensic

688

00:35:09,060 --> 00:35:05,860

scientists you know engine geological

689

00:35:12,540 --> 00:35:09,070

engineers ever put into one place for

690

00:35:19,820 --> 00:35:12,550

this big and then having it filmed by

691

00:35:24,420 --> 00:35:19,830

history and then that excuse me

692

00:35:27,810 --> 00:35:24,430

no we're listening continue oh okay and

693

00:35:32,730 --> 00:35:27,820

then attempting to identify who it was

694

00:35:34,980 --> 00:35:32,740

we had exhumed based on my theories that

695

00:35:38,430 --> 00:35:34,990

there was a chance that Holmes had

696

00:35:42,330 --> 00:35:38,440

escaped his own execution and switched a

697

00:35:45,690 --> 00:35:42,340

body into that particular grave and then

698

00:35:50,520 --> 00:35:45,700

gone on to commit further murders under

699

00:35:54,599 --> 00:35:50,530

another name and I'd fascinated over

700

00:35:56,790 --> 00:35:54,609

that possibility for years and when

701  
00:35:58,890 --> 00:35:56,800  
history told me they were going to help

702  
00:36:03,270 --> 00:35:58,900  
me with that they were going to fund the

703  
00:36:07,170 --> 00:36:03,280  
X you know the enterprise I was that was

704  
00:36:09,510 --> 00:36:07,180  
a dream come true so when you and your

705  
00:36:11,960 --> 00:36:09,520  
viewers were watching that final episode

706  
00:36:18,120 --> 00:36:11,970  
it pretty much emphasized that

707  
00:36:19,410 --> 00:36:18,130  
exhumation and while we were under the

708  
00:36:22,500 --> 00:36:19,420  
gun as far as

709  
00:36:24,829 --> 00:36:22,510  
reducing that final episode to be run in

710  
00:36:27,710 --> 00:36:24,839  
the timeslot that history had allowed us

711  
00:36:30,960 --> 00:36:27,720  
we we didn't have the chance to

712  
00:36:34,289 --> 00:36:30,970  
carefully consider much of the evidence

713  
00:36:37,530 --> 00:36:34,299

regarding who it really was and over

714

00:36:40,349 --> 00:36:37,540

these last two or three weeks I've come

715

00:36:43,109 --> 00:36:40,359

up with new evidence regarding identity

716

00:36:45,030 --> 00:36:43,119

and I've been trying to put it on my

717

00:36:46,620 --> 00:36:45,040

bloodstains Facebook page

718

00:36:49,200 --> 00:36:46,630

that's what I asked you to look at

719

00:36:54,930 --> 00:36:49,210

Jennifer before the show yes and we did

720

00:36:58,710 --> 00:36:54,940

oh we did yeah and so when we when we

721

00:37:01,079 --> 00:36:58,720

discuss the exhumation we have when the

722

00:37:06,299 --> 00:37:01,089

scientists would go through we took a

723

00:37:08,400 --> 00:37:06,309

DNA extract from the skeletal remains we

724

00:37:11,579 --> 00:37:08,410

measured the height of the skeleton

725

00:37:15,960 --> 00:37:11,589

based on Holmes's height while he was

726

00:37:18,569 --> 00:37:15,970

living we examined the vertebra to

727

00:37:22,109 --> 00:37:18,579

determine if there was any trauma from

728

00:37:23,760 --> 00:37:22,119

you know the violent hanging that a drop

729

00:37:26,880 --> 00:37:23,770

through the scaffolding would have been

730

00:37:30,839 --> 00:37:26,890

at the prison for an execution right and

731

00:37:34,500 --> 00:37:30,849

then to compare the teeth from the

732

00:37:37,380 --> 00:37:34,510

skeleton with supposed records of

733

00:37:40,170 --> 00:37:37,390

Holmes's dental condition while he was

734

00:37:43,440 --> 00:37:40,180

alive so you can see it's quite involved

735

00:37:45,000 --> 00:37:43,450

and it involves a number of different

736

00:37:47,819 --> 00:37:45,010

scientists to come up with the

737

00:37:51,210 --> 00:37:47,829

conclusion and at this point I'm ready

738

00:37:53,640 --> 00:37:51,220

to stayed on your show that the DNA

739

00:37:57,089 --> 00:37:53,650

didn't match there were no dental

740

00:38:00,299 --> 00:37:57,099

records of Holmes the height of the

741

00:38:02,549 --> 00:38:00,309

skeleton was significantly less than

742

00:38:05,099 --> 00:38:02,559

Holmes when he was measured when he was

743

00:38:08,579 --> 00:38:05,109

alive and there was no evidence of

744

00:38:10,859 --> 00:38:08,589

trauma to the neck so under those

745

00:38:14,039 --> 00:38:10,869

circumstances and with that evidence I

746

00:38:16,440 --> 00:38:14,049

can conclude now that the body we dug up

747

00:38:19,880 --> 00:38:16,450

and the remains we removed from that

748

00:38:23,880 --> 00:38:19,890

grave was not HH Holmes

749

00:38:26,220 --> 00:38:23,890

now that's compelling because when a

750

00:38:29,130 --> 00:38:26,230

body is on when the body gets hung and

751

00:38:30,829 --> 00:38:29,140

it's dropped the neck breaks and you

752

00:38:33,300 --> 00:38:30,839

know that's a lot of weight that goes on

753

00:38:35,040 --> 00:38:33,310

you know I'd only take 6 pounds

754

00:38:37,560 --> 00:38:35,050

human or six pounds of pressure to break

755

00:38:39,360 --> 00:38:37,570

a human bone the body weighs how much so

756

00:38:41,820 --> 00:38:39,370

when it comes down and it's all in the

757

00:38:44,370 --> 00:38:41,830

neck there's gonna damage yeah that'll

758

00:38:46,320 --> 00:38:44,380

blow I mean an plus like you said the

759

00:38:51,480 --> 00:38:46,330

height different height difference like

760

00:38:54,270 --> 00:38:51,490

you know when when I watched your

761

00:38:57,300 --> 00:38:54,280

lecture in Chicago then you were talking

762

00:39:00,510 --> 00:38:57,310

about the trial and could have been

763

00:39:02,550 --> 00:39:00,520

impossible for him to be slopped with

764

00:39:06,240 --> 00:39:02,560

someone else because there was a thing

765

00:39:08,520 --> 00:39:06,250

over his head when he was hung and I had

766

00:39:11,370 --> 00:39:08,530

one question and I don't know if anyone

767

00:39:15,030 --> 00:39:11,380

else is I asked this of you it's um I

768

00:39:17,120 --> 00:39:15,040

kept coming back who was uh was there

769

00:39:20,550 --> 00:39:17,130

any evidence that was missed onic

770

00:39:23,070 --> 00:39:20,560

because if he was then the escape would

771

00:39:24,810 --> 00:39:23,080

have been possible without that

772

00:39:29,220 --> 00:39:24,820

connection however it becomes much

773

00:39:32,790 --> 00:39:29,230

harder to FanDuel it's a great question

774

00:39:35,310 --> 00:39:32,800

you ask and there are quite a few noted

775

00:39:38,940 --> 00:39:35,320

historians who have contacted me

776

00:39:43,290 --> 00:39:38,950

regarding Holmes's membership as a Mason

777

00:39:47,430 --> 00:39:43,300

and the the people that were involved in

778

00:39:50,370 --> 00:39:47,440

the alleged execution and barrel burial

779

00:39:53,270 --> 00:39:50,380

who were also Mason's and I gotta tell

780

00:39:58,290 --> 00:39:53,280

you I'm not I'm not an expert on Masonic

781

00:39:59,790 --> 00:39:58,300

principles or their tactics but the

782

00:40:01,470 --> 00:39:59,800

question like I say the question you

783

00:40:03,570 --> 00:40:01,480

raised is very interesting because it's

784

00:40:08,010 --> 00:40:03,580

not the first time it's come up about

785

00:40:09,720 --> 00:40:08,020

Holmes's membership in that group well

786

00:40:12,090 --> 00:40:09,730

you know Jennifer mentioned to me that

787

00:40:15,990 --> 00:40:12,100

the murder castle had a black and white

788

00:40:19,380 --> 00:40:16,000

checkered floor and I'm a conspiracy

789

00:40:20,940 --> 00:40:19,390

Alice and I study conspiracies and so

790

00:40:23,850 --> 00:40:20,950

you know to me little things like that

791

00:40:27,030 --> 00:40:23,860

of course anybody who doesn't know

792

00:40:28,890 --> 00:40:27,040

Masonic temples usually have the black

793

00:40:30,810 --> 00:40:28,900

and white checkered floor and the

794

00:40:31,950 --> 00:40:30,820

symbolism behind that is that one foot

795

00:40:38,030 --> 00:40:31,960

is in the light and one foot is in the

796

00:40:41,310 --> 00:40:38,040

dark which is just uh the neutrality

797

00:40:45,150 --> 00:40:41,320

believe when your doctor into the

798

00:40:46,370 --> 00:40:45,160

Masonic Order yeah it's not all evil and

799

00:40:48,560 --> 00:40:46,380

sound look good

800

00:40:51,200 --> 00:40:48,570

and then usually you know that's a whole

801  
00:40:52,880 --> 00:40:51,210  
other topic amongst itself but yeah I

802  
00:40:54,440 --> 00:40:52,890  
just thought that was interesting and

803  
00:40:59,180 --> 00:40:54,450  
that's um I wanted to ask you personally

804  
00:41:00,830 --> 00:40:59,190  
about so yeah that's uh because yeah

805  
00:41:03,530 --> 00:41:00,840  
without that connection I I can't even

806  
00:41:05,300 --> 00:41:03,540  
see it happening but you're talking

807  
00:41:08,630 --> 00:41:05,310  
about the most powerful men in the world

808  
00:41:11,390 --> 00:41:08,640  
and they do take care of and and money

809  
00:41:13,640 --> 00:41:11,400  
talks as well and if I remember right at

810  
00:41:20,120 --> 00:41:13,650  
the time a prisoner gonna have wealth

811  
00:41:24,890 --> 00:41:20,130  
back then so he had wealth correct it

812  
00:41:27,500 --> 00:41:24,900  
wealth well yeah money no homes was rich

813  
00:41:29,720 --> 00:41:27,510

while he was in prison he was paid by

814

00:41:32,360 --> 00:41:29,730

the Hearst Corporation many thousands of

815

00:41:35,930 --> 00:41:32,370

dollars to write his memoirs awaiting

816

00:41:38,750 --> 00:41:35,940

his execution and quite frankly we were

817

00:41:42,530 --> 00:41:38,760

never able to establish what happened to

818

00:41:45,620 --> 00:41:42,540

that money except that he probably used

819

00:41:51,010 --> 00:41:45,630

it to buy to bribe or buy off the help

820

00:41:55,640 --> 00:41:53,990

yeah cuz I remember from I remember too

821

00:41:57,350 --> 00:41:55,650

he was one of the only prisoners in the

822

00:42:01,580 --> 00:41:57,360

jail that actually had a desk a chair

823

00:42:04,310 --> 00:42:01,590

and oil man if I remember clearly you're

824

00:42:06,560 --> 00:42:04,320

exactly right it was much when you know

825

00:42:09,410 --> 00:42:06,570

obviously Moyamensing prison has been

826

00:42:12,620 --> 00:42:09,420

torn down that was the the scene of the

827

00:42:14,960 --> 00:42:12,630

execution incarceration so during

828

00:42:18,650 --> 00:42:14,970

American Ripper we went to another old

829

00:42:23,590 --> 00:42:18,660

prison in the Philadelphia area which

830

00:42:29,240 --> 00:42:26,660

brilliant curator there that walked us

831

00:42:31,100 --> 00:42:29,250

through that the technics

832

00:42:33,560 --> 00:42:31,110

the tactics techniques and the

833

00:42:36,680 --> 00:42:33,570

procedures involved in incarceration at

834

00:42:40,430 --> 00:42:36,690

the time and she was familiar with how

835

00:42:42,200 --> 00:42:40,440

special Holmes had been treated while he

836

00:42:44,870 --> 00:42:42,210

was in prison as you say he had a

837

00:42:47,630 --> 00:42:44,880

writing desk he didn't even have his

838

00:42:49,790 --> 00:42:47,640

cell door was never closed he he got to

839

00:42:52,330 --> 00:42:49,800

wear his own clothes whenever he wanted

840

00:42:54,560 --> 00:42:52,340

to he could have visitors he could have

841

00:42:57,940 --> 00:42:54,570

reporters come in to interview him for

842

00:42:59,690 --> 00:42:57,950

talks she said it was quite unusual Wow

843

00:43:04,339 --> 00:42:59,700

yeah and this

844

00:43:06,740 --> 00:43:04,349

speaks volumes to me anyways I I think

845

00:43:08,990 --> 00:43:06,750

that's quite interesting can you run us

846

00:43:10,609 --> 00:43:09,000

through the chop to that through the

847

00:43:13,390 --> 00:43:10,619

trial of HH Holmes

848

00:43:17,800 --> 00:43:13,400

and what led up to him getting captured

849

00:43:32,300 --> 00:43:23,859

well the theories are he was arrested in

850

00:43:34,160 --> 00:43:32,310

st. Louis or some fraud and evidently at

851

00:43:35,990 --> 00:43:34,170

least as far as the other authors and

852

00:43:38,060 --> 00:43:36,000

historians want to state I've never

853

00:43:40,700 --> 00:43:38,070

quite believed this to tell you the

854

00:43:45,980 --> 00:43:40,710

truth but he talked too much to a

855

00:43:48,710 --> 00:43:45,990

cellmate who for a deal regarding his

856

00:43:51,440 --> 00:43:48,720

own freedom told the authorities what

857

00:43:56,540 --> 00:43:51,450

Holmes had said about a number of

858

00:43:58,910 --> 00:43:56,550

murders who then followed Holmes across

859

00:44:01,339 --> 00:43:58,920

the country and eventually arrested him

860

00:44:02,660 --> 00:44:01,349

for the murder of Benjamin

861

00:44:05,569 --> 00:44:02,670

well they arrested him for a life

862

00:44:07,609 --> 00:44:05,579

insurance fraud and that charge was

863

00:44:10,430 --> 00:44:07,619

modified later for the murder of his

864

00:44:12,800 --> 00:44:10,440

partner Benjamin Petzl which is what he

865

00:44:15,410 --> 00:44:12,810

stood trial for and and one of the

866

00:44:18,200 --> 00:44:15,420

amazing parts of the story was Holmes

867

00:44:21,640 --> 00:44:18,210

never actually stood trial for any of

868

00:44:24,099 --> 00:44:21,650

the murders he committed in Chicago

869

00:44:26,660 --> 00:44:24,109

right

870

00:44:29,000 --> 00:44:26,670

that's crazy at the time to think

871

00:44:30,800 --> 00:44:29,010

without the World's Fair and all the

872

00:44:35,750 --> 00:44:30,810

people that was there and we're talking

873

00:44:37,910 --> 00:44:35,760

he's like Millions you know look you

874

00:44:41,120 --> 00:44:37,920

said that I mean if that's your

875

00:44:43,160 --> 00:44:41,130

motivation you know - did he tell people

876

00:44:47,270 --> 00:44:43,170

and dissect and of course profit from a

877

00:44:49,609 --> 00:44:47,280

- what better place you know so it's it

878

00:44:51,140 --> 00:44:49,619

is weird that you know on one hand you

879

00:44:52,550 --> 00:44:51,150

didn't get caught because of the volume

880

00:44:55,930 --> 00:44:52,560

but on the other hand you see why

881

00:44:59,420 --> 00:44:55,940

because of the World's Fair at the time

882

00:45:04,569 --> 00:44:59,430

yeah and remember this was a brilliant

883

00:45:07,339 --> 00:45:04,579

man a very brilliant evil man who knew

884

00:45:10,849 --> 00:45:07,349

chemistry who knew medical science

885

00:45:12,800 --> 00:45:10,859

he had a furnace in his basement with

886

00:45:13,370 --> 00:45:12,810

the gas line that could raise the

887

00:45:17,300 --> 00:45:13,380

temperature

888

00:45:20,870 --> 00:45:17,310

to be sufficient to reduce bones to dust

889

00:45:23,450 --> 00:45:20,880

he had acid pits in the basement he had

890

00:45:25,640 --> 00:45:23,460

a glass factory in Chicago he had a

891

00:45:29,270 --> 00:45:25,650

cement factory along the Chicago River

892

00:45:32,180 --> 00:45:29,280

this and none of those companies sold

893

00:45:35,150 --> 00:45:32,190

product I think they were there to be

894

00:45:38,300 --> 00:45:35,160

used for homes as purposes in order to

895

00:45:40,550 --> 00:45:38,310

remove the evidence of murder so that he

896

00:45:43,970 --> 00:45:40,560

could claim insurance money or sell the

897

00:45:45,980 --> 00:45:43,980

skeletons as was his career most of his

898

00:45:48,590 --> 00:45:45,990

life that's how he paid for his tuition

899

00:45:51,770 --> 00:45:48,600

going to medical school with skeletons

900

00:45:53,600 --> 00:45:51,780

robbing graves so you know this was

901  
00:45:56,270 --> 00:45:53,610  
that's what the authorities were up

902  
00:45:59,510 --> 00:45:56,280  
against during a time when hundreds of

903  
00:46:01,190 --> 00:45:59,520  
young ladies were going missing and like

904  
00:46:05,300 --> 00:46:01,200  
I said before the police were just

905  
00:46:07,850 --> 00:46:05,310  
overwhelmed yeah I guess would stunt me

906  
00:46:10,490 --> 00:46:07,860  
I would all think was just to read the

907  
00:46:12,980 --> 00:46:10,500  
layout of the murder castle like what he

908  
00:46:14,690 --> 00:46:12,990  
had hidden in walls and underneath like

909  
00:46:18,110 --> 00:46:14,700  
he was just talking like the gas

910  
00:46:22,030 --> 00:46:18,120  
chambers the shoots the fact that he had

911  
00:46:24,800 --> 00:46:22,040  
asbestos purposely covering stuff so

912  
00:46:28,310 --> 00:46:24,810  
everything was soundproof I mean when I

913  
00:46:30,590 --> 00:46:28,320

read that that just gave me chills you

914

00:46:32,450 --> 00:46:30,600

know and I can tell you and I can tell

915

00:46:36,100 --> 00:46:32,460

you and Kevin and your listeners we have

916

00:46:39,320 --> 00:46:36,110

a Hollywood artist who is actually

917

00:46:42,050 --> 00:46:39,330

recreating a model of the murder castle

918

00:46:45,140 --> 00:46:42,060

along with the basement and all the trap

919

00:46:47,540 --> 00:46:45,150

doors so keep an eye on the bloodstains

920

00:46:49,700 --> 00:46:47,550

Facebook page matter of fact just go and

921

00:46:51,950 --> 00:46:49,710

click the follow button because in the

922

00:46:55,040 --> 00:46:51,960

days in the in the next few days we'll

923

00:46:58,550 --> 00:46:55,050

be submitting to the page her pictures

924

00:47:00,830 --> 00:46:58,560

of the model of the actual murder castle

925

00:47:03,470 --> 00:47:00,840

and I think you you and your list your

926

00:47:06,590 --> 00:47:03,480

listeners are going to be astounded at

927

00:47:08,360 --> 00:47:06,600

the level of detail that's going into

928

00:47:11,120 --> 00:47:08,370

this model and what you'll get to see

929

00:47:16,070 --> 00:47:11,130

and and you'll get a feel about what it

930

00:47:21,010 --> 00:47:16,080

was really like back in 1890 Chicago Wow

931

00:47:25,090 --> 00:47:21,020

that reminds me um also going back to

932

00:47:26,850 --> 00:47:25,100

London and the river they said that

933

00:47:32,670 --> 00:47:26,860

Whitechapel back

934

00:47:36,330 --> 00:47:32,680

than in Chicago we're very similar dude

935

00:47:39,140 --> 00:47:36,340

as far as I did certain parts of Chicago

936

00:47:42,690 --> 00:47:39,150

being very similar to Whitechapel and

937

00:47:47,430 --> 00:47:42,700

was there ever uh did anyone ever figure

938

00:47:50,700 --> 00:47:47,440

out why exactly um home sweat to London

939

00:47:55,050 --> 00:47:50,710

for them that short period of time I was

940

00:47:58,050 --> 00:47:55,060

there he you know I have my theories

941

00:48:01,650 --> 00:47:58,060

about that Kevin it's never been you

942

00:48:04,200 --> 00:48:01,660

know conclusively established London was

943

00:48:07,560 --> 00:48:04,210

the center of knowledge of the entire

944

00:48:10,440 --> 00:48:07,570

world at the time and especially medical

945

00:48:12,690 --> 00:48:10,450

science Holmes was fascinated with

946

00:48:15,810 --> 00:48:12,700

genetics he was fascinated with

947

00:48:18,950 --> 00:48:15,820

longevity he was fascinated with the

948

00:48:21,450 --> 00:48:18,960

business of selling you know

949

00:48:23,630 --> 00:48:21,460

articulating skeletons and then selling

950

00:48:30,060 --> 00:48:23,640

them to medical schools and universities

951

00:48:33,210 --> 00:48:30,070

I I believe his visits to London were to

952

00:48:36,000 --> 00:48:33,220

meet with the experts of those subjects

953

00:48:39,720 --> 00:48:36,010

at the time I think he was fascinated

954

00:48:42,360 --> 00:48:39,730

with the media fascination and the fear

955

00:48:44,850 --> 00:48:42,370

that was generated through the entire

956

00:48:48,150 --> 00:48:44,860

city by the first two Ripper murders I

957

00:48:51,120 --> 00:48:48,160

think as part of his quote-unquote

958

00:48:55,830 --> 00:48:51,130

vacation he decided to write the dear

959

00:48:58,200 --> 00:48:55,840

boss letter and then further the frenzy

960

00:49:00,020 --> 00:48:58,210

that was occurring with the murder of

961

00:49:05,070 --> 00:49:00,030

Catherine Eddowes and Elizabeth stride

962

00:49:07,520 --> 00:49:05,080

and I can tell you this come April in

963

00:49:10,620 --> 00:49:07,530

Chicago we're going to have an event

964

00:49:12,870 --> 00:49:10,630

that lasts the entire weekend where we

965

00:49:15,840 --> 00:49:12,880

have a hundred members of our audience

966

00:49:19,350 --> 00:49:15,850

who are going to help us prove once and

967

00:49:21,420 --> 00:49:19,360

for all that dear boss and saucy Jack

968

00:49:23,820 --> 00:49:21,430

were not hopes as they were authentic

969

00:49:26,850 --> 00:49:23,830

letters written by the murderer of those

970

00:49:29,700 --> 00:49:26,860

two ladies that they matched they were

971

00:49:33,450 --> 00:49:29,710

written by the same hand and that they

972

00:49:35,610 --> 00:49:33,460

were written by HH Holmes and I'm quite

973

00:49:38,010 --> 00:49:35,620

excited about that because I'll have

974

00:49:40,350 --> 00:49:38,020

enough time for the first time you know

975

00:49:40,770 --> 00:49:40,360

when I gave my TED talk I had 18 minutes

976

00:49:43,290 --> 00:49:40,780

why

977

00:49:45,270 --> 00:49:43,300

when I go on shows like yours I have 30

978

00:49:47,910 --> 00:49:45,280

or 40 minutes to discuss homes being

979

00:49:51,260 --> 00:49:47,920

Jack the Ripper but for the first time

980

00:49:54,360 --> 00:49:51,270

in April I'll have the full weekend with

981

00:49:57,810 --> 00:49:54,370

assistance to put the evidence up on

982

00:50:00,630 --> 00:49:57,820

screen and then let the audience who we

983

00:50:03,540 --> 00:50:00,640

will swear in as a grand jury decide

984

00:50:07,410 --> 00:50:03,550

once and for all if the Jack the Ripper

985

00:50:10,190 --> 00:50:07,420

case has been solved finally I like that

986

00:50:13,560 --> 00:50:10,200

Wow that sounds like it's gonna be great

987

00:50:17,610 --> 00:50:13,570

right because I'd like I'd like to see

988

00:50:21,540 --> 00:50:17,620

you both there well we do live in a

989

00:50:23,670 --> 00:50:21,550

Midwest that's interesting we're gonna

990

00:50:27,290 --> 00:50:23,680

work if it's successful in Chicago we're

991

00:50:33,930 --> 00:50:30,420

yeah and that's like the best thing you

992

00:50:36,630 --> 00:50:33,940

could do right now I think because

993

00:50:39,540 --> 00:50:36,640

you're not gonna I mean like you said it

994

00:50:44,400 --> 00:50:39,550

was scrutinized so much more heavy you

995

00:50:47,040 --> 00:50:44,410

know them and you know if certain

996

00:50:49,980 --> 00:50:47,050

suspicious are true and it may continue

997

00:50:52,410 --> 00:50:49,990

to be that way so what can you do well

998

00:50:54,600 --> 00:50:52,420

take it to the people you know take it

999

00:50:56,970 --> 00:50:54,610

to the people let the people decide and

1000

00:50:57,450 --> 00:50:56,980

that's exactly what you're doing that's

1001

00:51:01,320 --> 00:50:57,460

pretty cool

1002

00:51:03,510 --> 00:51:01,330

oh I'm excited I'm excited about it

1003

00:51:05,160 --> 00:51:03,520

because you know obviously working with

1004

00:51:07,470 --> 00:51:05,170

history and they're incredible people

1005

00:51:10,770 --> 00:51:07,480

but they had a television show to

1006

00:51:13,710 --> 00:51:10,780

produce and you know they had to fit it

1007

00:51:16,950 --> 00:51:13,720

into the time frame they had and the

1008

00:51:19,230 --> 00:51:16,960

advertising they had to procure to make

1009

00:51:22,470 --> 00:51:19,240

the whole thing work this this will be

1010

00:51:24,210 --> 00:51:22,480

my first chance to you know stand up on

1011

00:51:26,960 --> 00:51:24,220

a stage and present the evidence as I

1012

00:51:29,070 --> 00:51:26,970

would back at work in California and

1013

00:51:32,880 --> 00:51:29,080

that's I got to tell you I'm very

1014

00:51:36,960 --> 00:51:32,890

excited about it and the list of people

1015

00:51:40,260 --> 00:51:36,970

that are already signed up to attend are

1016

00:51:42,810 --> 00:51:40,270

some of the best experts on homes and

1017

00:51:46,440 --> 00:51:42,820

Ripper there are and it's going to be

1018

00:51:48,840 --> 00:51:46,450

quite an event so with the last couple

1019

00:51:51,270 --> 00:51:48,850

of minutes I I kind of want to talk a

1020

00:51:54,120 --> 00:51:51,280

little bit both about the homes curse

1021

00:51:56,999 --> 00:51:54,130

and just what and I work

1022

00:52:00,289 --> 00:51:57,009

just what happened after the trial just

1023

00:52:06,029 --> 00:52:00,299

kind of wrap up this show in a sense so

1024

00:52:12,359 --> 00:52:06,039

you'd escaped right and from that point

1025

00:52:16,019 --> 00:52:12,369

until his death what do we know about ya

1026  
00:52:18,029 --> 00:52:16,029  
the Holmes curse was wasn't an invention

1027  
00:52:21,329 --> 00:52:18,039  
of my own Kevin that was written about

1028  
00:52:24,359 --> 00:52:21,339  
by the New York Times in a newspaper

1029  
00:52:29,130 --> 00:52:24,369  
article which was featuring the fact

1030  
00:52:33,089 --> 00:52:29,140  
that many of the most important members

1031  
00:52:36,240 --> 00:52:33,099  
or associates of that murder trial the

1032  
00:52:40,410 --> 00:52:36,250  
judge the jury foreman the prosecutor

1033  
00:52:44,849 --> 00:52:40,420  
some of the witnesses had either died or

1034  
00:52:48,890 --> 00:52:44,859  
suffered terrible misfortune and some of

1035  
00:52:53,339 --> 00:52:48,900  
the reporters remembered seeing Holmes

1036  
00:52:57,839 --> 00:52:53,349  
compiling a list of names while the

1037  
00:53:00,990 --> 00:52:57,849  
trial was ongoing and they assumed that

1038  
00:53:03,569 --> 00:53:01,000

it was names that Holmes was irritated

1039

00:53:05,819 --> 00:53:03,579

or upset with so the New York Times

1040

00:53:11,180 --> 00:53:05,829

wrote this story and when I read that

1041

00:53:14,579 --> 00:53:11,190

article I was fascinated knowing that

1042

00:53:16,140 --> 00:53:14,589

that's the way he thought Jennifer he

1043

00:53:19,140 --> 00:53:16,150

wouldn't have been thinking he could

1044

00:53:21,059 --> 00:53:19,150

have gotten away with a murder trial he

1045

00:53:24,480 --> 00:53:21,069

would have been already thinking about

1046

00:53:27,390 --> 00:53:24,490

escaping execution and then on his own

1047

00:53:30,809 --> 00:53:27,400

under his terms going back to visit

1048

00:53:33,210 --> 00:53:30,819

those men who had irritated or upset him

1049

00:53:36,960 --> 00:53:33,220

and that's what I believe actually

1050

00:53:38,460 --> 00:53:36,970

happened in real life I agree and I

1051

00:53:41,730 --> 00:53:38,470

think the same thing happened from

1052

00:53:44,519 --> 00:53:41,740

reading it because my first thought was

1053

00:53:50,609 --> 00:53:44,529

with a smart and methodical eyes he

1054

00:53:54,769 --> 00:53:50,619

wasn't as careful as he was yeah do we

1055

00:53:57,620 --> 00:53:54,779

know where he died the area generally

1056

00:54:03,329 --> 00:53:57,630

there anyway does anybody have a

1057

00:54:05,759 --> 00:54:03,339

even a hunch well I got a Kevin thanks

1058

00:54:07,980 --> 00:54:05,769

thanks for asking me that because now

1059

00:54:12,180 --> 00:54:07,990

that I've proved and then it wasn't

1060

00:54:16,440 --> 00:54:12,190

homes in the grave my next investigation

1061

00:54:19,470 --> 00:54:16,450

is to go to the place where I think he

1062

00:54:21,420 --> 00:54:19,480

actually is buried to see if we can

1063

00:54:24,150 --> 00:54:21,430

remove his remains there and then do

1064

00:54:26,670 --> 00:54:24,160

another DNA test but that's quite a ways

1065

00:54:29,160 --> 00:54:26,680

down the road these things take

1066

00:54:31,320 --> 00:54:29,170

permission from so many authorities you

1067

00:54:34,590 --> 00:54:31,330

can't believe it and an amount of money

1068

00:54:37,050 --> 00:54:34,600

that's breathtaking no it cost us over a

1069

00:54:42,810 --> 00:54:37,060

million dollars to exhume homes and in

1070

00:54:44,310 --> 00:54:42,820

Pennsylvania Wow yeah so it's not

1071

00:54:47,040 --> 00:54:44,320

something I can just snap my fingers

1072

00:54:49,080 --> 00:54:47,050

over it's something I'll do it's like

1073

00:54:50,760 --> 00:54:49,090

it's like I'm going to excavate the

1074

00:54:52,350 --> 00:54:50,770

murder castle one day I'm going to get
